so i'm gonna try my best to get through

7  
00:00:18,470 --> 00:00:16,880

for celebrating

184

00:07:23,670 --> 00:07:21,840

sue sprague's birthday today happy

185

00:07:25,510 --> 00:07:23,680

birthday mom um

186

00:07:27,589 --> 00:07:25,520

and let's see what we have so i'm gonna

187

00:07:30,469 --> 00:07:27,599

run down some of the awesome stories we

188

00:07:31,029 --> 00:07:30,479

have for you over at the debrief um and

189

00:07:32,469 --> 00:07:31,039

some

190

00:07:34,390 --> 00:07:32,479

very special news about the debrief

191

00:07:37,110 --> 00:07:34,400

coming at the end here

192

00:07:38,150 --> 00:07:37,120

but um please forgive the train in the

193

00:07:41,270 --> 00:07:38,160

background

194

00:07:43,909 --> 00:07:41,280

that is new york city for you guys uh

195

00:07:46,309 --> 00:07:43,919

let's see our first story that i'm going

196

00:07:49,830 --> 00:07:46,319

to be sharing with you guys

197

00:07:53,430 --> 00:07:49,840

is right

198

00:07:55,110 --> 00:07:53,440

here so this

199

00:07:57,110 --> 00:07:55,120

is one of our first articles that

200

00:07:59,029 --> 00:07:57,120

released for et week

201  
00:08:01,029 --> 00:07:59,039  
this comes from tim mcmillan and tom

202  
00:08:02,629 --> 00:08:01,039  
rogan and i'm just going to read a brief

203  
00:08:05,189 --> 00:08:02,639  
summary of what this story is about

204  
00:08:06,309 --> 00:08:05,199  
the decades-long ufo taboo the biden

205  
00:08:07,749 --> 00:08:06,319  
administration

206  
00:08:09,430 --> 00:08:07,759  
will have to face we're not going to get

207  
00:08:10,070 --> 00:08:09,440  
political here but we're going to talk

208  
00:08:11,830 --> 00:08:10,080  
about

209  
00:08:13,749 --> 00:08:11,840  
what biden is stepping into when it

210  
00:08:14,390 --> 00:08:13,759  
comes to ufos uh probably one of the

211  
00:08:16,790 --> 00:08:14,400  
more

212  
00:08:18,390 --> 00:08:16,800  
exciting times in recent history when it

213  
00:08:20,629 --> 00:08:18,400

comes to politics the government

214

00:08:22,710 --> 00:08:20,639

and ufos so here's a summary of the

215

00:08:24,390 --> 00:08:22,720

article what will biden be stepping into

216

00:08:26,950 --> 00:08:24,400

when it comes to the ufo issue

217

00:08:27,670 --> 00:08:26,960

long history of taboo but how serious it

218

00:08:30,710 --> 00:08:27,680

is now

219

00:08:32,550 --> 00:08:30,720

being taken and with proper handling

220

00:08:34,709 --> 00:08:32,560

this could become a defining moment for

221

00:08:37,509 --> 00:08:34,719

biden amongst many other things

222

00:08:39,269 --> 00:08:37,519

obviously uh he could inevitably change

223

00:08:42,550 --> 00:08:39,279

the course of how the ufo issue

224

00:08:44,550 --> 00:08:42,560

is handled politically and militarily

225

00:08:46,470 --> 00:08:44,560

we there's a very comprehensive history

226  
00:08:48,230 --> 00:08:46,480  
of where we've been where we are and

227  
00:08:50,389 --> 00:08:48,240  
where the new administration could go

228  
00:08:51,190 --> 00:08:50,399  
with this topic and finally shutting the

229  
00:08:54,310 --> 00:08:51,200  
last skin

230  
00:08:55,670 --> 00:08:54,320  
of ridicule and stigma this is a really

231  
00:08:57,190 --> 00:08:55,680  
cool article that these guys put

232  
00:08:58,070 --> 00:08:57,200  
together they go through the entire

233  
00:09:00,230 --> 00:08:58,080  
history

234  
00:09:02,389 --> 00:09:00,240  
of how the government and military have

235  
00:09:05,190 --> 00:09:02,399  
dealt with ufos throughout the decades

236  
00:09:06,310 --> 00:09:05,200  
um kind of their early approaches of

237  
00:09:08,870 --> 00:09:06,320  
trying to

238  
00:09:10,470 --> 00:09:08,880

downplay the issue uh the potential

239

00:09:12,949 --> 00:09:10,480

threat that it could cause

240

00:09:13,829 --> 00:09:12,959

and to just make fun of it and ridicule

241

00:09:16,790 --> 00:09:13,839

it i mean

242

00:09:18,470 --> 00:09:16,800

the term ufo came from the u.s air force

243

00:09:21,190 --> 00:09:18,480

because they wanted to make it

244

00:09:21,990 --> 00:09:21,200

an object and just something simple that

245

00:09:24,949 --> 00:09:22,000

will be explained

246

00:09:26,230 --> 00:09:24,959

someday so the term was coined by the us

247

00:09:27,829 --> 00:09:26,240

air force ufo

248

00:09:29,269 --> 00:09:27,839

to kind of downplay the the high

249

00:09:32,310 --> 00:09:29,279

strangeness of all of it

250

00:09:33,590 --> 00:09:32,320

so you know will the ufo issue become

251

00:09:36,550 --> 00:09:33,600

something that biden

252

00:09:38,389 --> 00:09:36,560

uh will tackle in his administration we

253

00:09:40,070 --> 00:09:38,399

don't know but he is walking into some

254

00:09:42,070 --> 00:09:40,080

really interesting times where

255

00:09:43,110 --> 00:09:42,080

there is now a ufo task force within the

256

00:09:45,829 --> 00:09:43,120

pentagon

257

00:09:46,230 --> 00:09:45,839

and uh there is a bill that was passed

258

00:09:48,870 --> 00:09:46,240

that

259

00:09:50,630 --> 00:09:48,880

included the uh senate intelligence

260

00:09:53,269 --> 00:09:50,640

committee demanding

261

00:09:54,150 --> 00:09:53,279

information about ufos being made public

262

00:09:56,550 --> 00:09:54,160

within

263

00:09:57,590 --> 00:09:56,560

god 140 days now at this point they have

264

00:09:59,829 --> 00:09:57,600

to do it

265

00:10:01,269 --> 00:09:59,839

so i don't know this could be really

266

00:10:04,310 --> 00:10:01,279

interesting or it could all be

267

00:10:06,870 --> 00:10:04,320

nothing but biden is walking into some

268

00:10:07,750 --> 00:10:06,880

some heavy muck when it comes to the ufo

269

00:10:09,430 --> 00:10:07,760

topic

270

00:10:11,990 --> 00:10:09,440

so um yeah that should be pretty

271

00:10:12,630 --> 00:10:12,000

interesting hello andy welcome to the

272

00:10:14,630 --> 00:10:12,640

feed

273

00:10:17,110 --> 00:10:14,640

welcome everyone again if you're on

274

00:10:19,430 --> 00:10:17,120

facebook click that link i put in the

275

00:10:20,150 --> 00:10:19,440

comments there so i can see all of your

276  
00:10:22,790 --> 00:10:20,160  
comments

277  
00:10:23,190 --> 00:10:22,800  
welcome to everyone on youtube as well

278  
00:10:25,829 --> 00:10:23,200  
uh

279  
00:10:27,190 --> 00:10:25,839  
let's see what do we have next oh this

280  
00:10:29,750 --> 00:10:27,200  
is gonna be a fun one

281  
00:10:30,710 --> 00:10:29,760  
uh let me get this ready for you guys

282  
00:10:34,389 --> 00:10:30,720  
this is a

283  
00:10:37,509 --> 00:10:34,399  
story by mj banayas our editor-in-chief

284  
00:10:38,550 --> 00:10:37,519  
over at the debrief and uh i think you

285  
00:10:41,670 --> 00:10:38,560  
guys are gonna

286  
00:10:44,710 --> 00:10:41,680  
hopefully enjoy this one

287  
00:10:45,990 --> 00:10:44,720  
this is mj and this article actually

288  
00:10:47,829 --> 00:10:46,000

came out a little before

289

00:10:51,350 --> 00:10:47,839

et week but i thought it was worth

290

00:10:57,990 --> 00:10:55,590

life on mars um i hope everyone enjoys

291

00:10:59,190 --> 00:10:58,000

that image i whipped up it's in the

292

00:11:01,750 --> 00:10:59,200

zeitgeist right now

293

00:11:02,230 --> 00:11:01,760

so there we are life on mars we found

294

00:11:04,389 --> 00:11:02,240

him

295

00:11:05,829 --> 00:11:04,399

bernie sanders and his mittens are on

296

00:11:08,870 --> 00:11:05,839

the red planet

297

00:11:11,269 --> 00:11:08,880

uh so mj banayas writes is there life on

298

00:11:14,310 --> 00:11:11,279

mars new study says it's probably

299

00:11:15,670 --> 00:11:14,320

underground so not above the surface

300

00:11:17,350 --> 00:11:15,680

with mittens

301  
00:11:18,710 --> 00:11:17,360  
a new study published in the journal of

302  
00:11:21,110 --> 00:11:18,720  
science advances

303  
00:11:22,230 --> 00:11:21,120  
concludes that in life if life ever

304  
00:11:23,910 --> 00:11:22,240  
existed on mars

305  
00:11:25,509 --> 00:11:23,920  
it would have to dwell well below the

306  
00:11:27,269 --> 00:11:25,519  
planet's surface

307  
00:11:29,030 --> 00:11:27,279  
the scientific team suggests that

308  
00:11:30,630 --> 00:11:29,040  
geothermal energy

309  
00:11:32,710 --> 00:11:30,640  
would generate enough heat to allow

310  
00:11:35,350 --> 00:11:32,720  
water to exist in a liquid state

311  
00:11:36,150 --> 00:11:35,360  
below the surface of the red planet

312  
00:11:38,870 --> 00:11:36,160  
according to

313  
00:11:39,509 --> 00:11:38,880

this new study while the surface became

314

00:11:42,069 --> 00:11:39,519

more

315

00:11:44,150 --> 00:11:42,079

inhospitable liquid water may have been

316

00:11:46,870 --> 00:11:44,160

very stable below the surface

317

00:11:48,150 --> 00:11:46,880

and provided life a place to hunker down

318

00:11:51,269 --> 00:11:48,160

and possibly

319

00:11:53,750 --> 00:11:51,279

thrive so there we go guys life

320

00:11:56,069 --> 00:11:53,760

on mars as we know it might be possible

321

00:11:58,310 --> 00:11:56,079

below the surface we know that

322

00:11:59,509 --> 00:11:58,320

nasa is looking at other planets as well

323

00:12:02,470 --> 00:11:59,519

and other moons

324

00:12:02,870 --> 00:12:02,480

to find water that could possibly harbor

325

00:12:05,269 --> 00:12:02,880

life

326

00:12:07,269 --> 00:12:05,279

as we know it how it thrives on earth

327

00:12:09,910 --> 00:12:07,279

with oxygen and hydrogen

328

00:12:11,350 --> 00:12:09,920

so um i think this is pretty cool i hope

329

00:12:14,550 --> 00:12:11,360

that we can find it

330

00:12:17,190 --> 00:12:14,560

sooner than later um

331

00:12:19,030 --> 00:12:17,200

ken says love the mittens audrey says

332

00:12:20,949 --> 00:12:19,040

ryan killing it with the bernie memes i

333

00:12:21,590 --> 00:12:20,959

tried if you guys do follow me on social

334

00:12:23,509 --> 00:12:21,600

networks

335

00:12:25,030 --> 00:12:23,519

i went a little nuts with the bernie

336

00:12:26,629 --> 00:12:25,040

memes these past weeks

337

00:12:28,470 --> 00:12:26,639

uh but it was a ton of fun so you can

338

00:12:31,190 --> 00:12:28,480

check those out over at uh

339

00:12:32,470 --> 00:12:31,200

at summer skies on twitter posted a

340

00:12:34,629 --> 00:12:32,480

couple on the uh

341

00:12:35,509 --> 00:12:34,639

somewhere skyspot instagram as well so

342

00:12:38,790 --> 00:12:35,519

please

343

00:12:40,629 --> 00:12:38,800

check those out um all right our last

344

00:12:43,350 --> 00:12:40,639

story that we're gonna cover tonight

345

00:12:46,470 --> 00:12:43,360

from the debrief is as follows let me

346

00:12:46,480 --> 00:12:50,710

oh this one's cool

347

00:12:50,720 --> 00:12:55,030

super cool

348

00:13:01,190 --> 00:12:58,710

all right the james webb telescope will

349

00:13:02,790 --> 00:13:01,200

change the way we see the cosmos i'm

350

00:13:04,870 --> 00:13:02,800

really excited about this one

351  
00:13:06,949 --> 00:13:04,880  
this story came from christopher plane

352  
00:13:09,590 --> 00:13:06,959  
contributing writer at the debrief

353  
00:13:10,710 --> 00:13:09,600  
so uh scheduled for launch in october of

354  
00:13:12,790 --> 00:13:10,720  
2021

355  
00:13:13,750 --> 00:13:12,800  
the james webb telescope is designed to

356  
00:13:16,150 --> 00:13:13,760  
complement

357  
00:13:17,350 --> 00:13:16,160  
and extend the famous hubble telescope's

358  
00:13:19,350 --> 00:13:17,360  
life

359  
00:13:21,030 --> 00:13:19,360  
which has been in constant use since

360  
00:13:25,030 --> 00:13:21,040  
snapping its first pictures

361  
00:13:27,350 --> 00:13:25,040  
in 1990 wow man the 90s

362  
00:13:29,269 --> 00:13:27,360  
seemed so long ago studies already

363  
00:13:31,350 --> 00:13:29,279

slated for time on the observatory range

364

00:13:32,310 --> 00:13:31,360

from the analysis of distant galaxies

365

00:13:34,710 --> 00:13:32,320

and stars

366

00:13:36,550 --> 00:13:34,720

to much closer targets like mars and

367

00:13:37,430 --> 00:13:36,560

we got going on over there um

389

00:14:25,670 --> 00:14:21,600

what do we have next for you guys here

390

00:14:28,150 --> 00:14:25,680

uh let's see here i want to go in order

391

00:14:30,629 --> 00:14:28,160

of what i had planned for you so

392

00:14:35,990 --> 00:14:30,639

hold on bear with me here i'm gonna pull

393

00:14:38,790 --> 00:14:37,269

yeah let me know how you guys like these

394

00:14:39,350 --> 00:14:38,800

share screen things i'm doing if it

395

00:14:42,310 --> 00:14:39,360

helps if

396

00:14:43,110 --> 00:14:42,320

it enhances anything i honestly don't

397

00:14:44,949 --> 00:14:43,120

know

398

00:14:47,030 --> 00:14:44,959

um there are a lot of awkward pauses

399

00:14:50,310 --> 00:14:47,040

while i look for things but uh

400

00:14:53,430 --> 00:14:50,320

yeah here we go i'm sure some of those

401  
00:14:55,430 --> 00:14:53,440  
faces look familiar to you guys

402  
00:14:56,470 --> 00:14:55,440  
wow that's quite exciting to hear yes

403  
00:14:59,350 --> 00:14:56,480  
thanks for joining us

404  
00:15:01,829 --> 00:14:59,360  
fsb and bim jim 2021 is going to make

405  
00:15:04,470 --> 00:15:01,839  
2020 look like 1954.

406  
00:15:05,750 --> 00:15:04,480  
totally i couldn't agree more um so yeah

407  
00:15:06,550 --> 00:15:05,760  
you're probably recognizing some of

408  
00:15:08,310 --> 00:15:06,560  
these faces

409  
00:15:09,829 --> 00:15:08,320  
there's been a lot of news lately coming

410  
00:15:11,750 --> 00:15:09,839  
out with musicians

411  
00:15:12,949 --> 00:15:11,760  
and ufos and either them becoming

412  
00:15:16,150 --> 00:15:12,959  
interested in them

413  
00:15:17,910 --> 00:15:16,160

or uh or having their own encounters so

414

00:15:20,629 --> 00:15:17,920

on the screen there you see uh machine

415

00:15:23,910 --> 00:15:20,639

gun kelly um post malone

416

00:15:25,750 --> 00:15:23,920

noel gallagher and ziggy marley so

417

00:15:28,230 --> 00:15:25,760

all four of these dudes have been

418

00:15:30,710 --> 00:15:28,240

talking a lot about ufos lately

419

00:15:32,790 --> 00:15:30,720

and um i'm gonna i'm gonna run through

420

00:15:34,790 --> 00:15:32,800

some of these so ziggy marley

421

00:15:36,629 --> 00:15:34,800

uh his instagram page has been awash

422

00:15:38,629 --> 00:15:36,639

with drama since thursday afternoon

423

00:15:40,230 --> 00:15:38,639

after the rastafarian singer

424

00:15:42,230 --> 00:15:40,240

posted an image in a series of

425

00:15:42,470 --> 00:15:42,240

statements acknowledging the existence

426

00:15:45,590 --> 00:15:42,480

of

427

00:15:48,310 --> 00:15:45,600

ufos which he referred to as

428

00:15:49,710 --> 00:15:48,320

extraterrestrial flying vehicles ooh i

429

00:15:52,389 --> 00:15:49,720

like that

430

00:15:52,949 --> 00:15:52,399

efv's i guess according to ziggy's

431

00:15:54,629 --> 00:15:52,959

statement

432

00:15:56,790 --> 00:15:54,639

the quote government's afraid to open

433

00:15:57,189 --> 00:15:56,800

the eyes of the people and quote we need

434

00:15:58,949 --> 00:15:57,199

to get

435

00:16:00,230 --> 00:15:58,959

to the whole truth as the mass

436

00:16:02,710 --> 00:16:00,240

acceptance of this knowledge

437

00:16:03,829 --> 00:16:02,720

truth will reset and expand the mindset

438

00:16:06,389 --> 00:16:03,839

of people

439

00:16:08,230 --> 00:16:06,399

um ziggy went on to say he already knows

440

00:16:10,310 --> 00:16:08,240

life exists beyond this planet

441

00:16:11,509 --> 00:16:10,320

it's just something that i know it is

442

00:16:14,389 --> 00:16:11,519

inborn it's

443

00:16:15,910 --> 00:16:14,399

it's just built in and uh yeah it's good

444

00:16:17,829 --> 00:16:15,920

to see it revealed through credible

445

00:16:20,550 --> 00:16:17,839

channels so the minds that are closed

446

00:16:22,310 --> 00:16:20,560

can be open we are not alone for sure

447

00:16:24,470 --> 00:16:22,320

that's what ziggy marley says

448

00:16:25,430 --> 00:16:24,480

um let's move to machine gun kelly he

449

00:16:28,870 --> 00:16:25,440

was recently on the

450

00:16:31,829 --> 00:16:28,880

late late late late late late late

451  
00:16:32,550 --> 00:16:31,839  
late show or something with uh james

452  
00:16:35,509 --> 00:16:32,560  
corden

453  
00:16:37,269 --> 00:16:35,519  
and um james is asking him about aliens

454  
00:16:38,629 --> 00:16:37,279  
he's got some new song or a

455  
00:16:40,550 --> 00:16:38,639  
music video or album i don't know i

456  
00:16:42,870 --> 00:16:40,560  
don't listen to machine gun kelly but

457  
00:16:44,389 --> 00:16:42,880  
something to do with concerts for aliens

458  
00:16:46,470 --> 00:16:44,399  
and uh james asked him you know do you

459  
00:16:49,030 --> 00:16:46,480  
believe in aliens and he

460  
00:16:50,949 --> 00:16:49,040  
this is what he said quote homie i saw

461  
00:16:52,550 --> 00:16:50,959  
life on this planet that was from

462  
00:16:55,670 --> 00:16:52,560  
another planet two nights ago

463  
00:16:57,110 --> 00:16:55,680

over a lake in thousand oaks um a red

464

00:16:59,509 --> 00:16:57,120

orb came out of nowhere

465

00:17:01,110 --> 00:16:59,519

went and disappeared again and uh i

466

00:17:03,189 --> 00:17:01,120

guess machine gun kelly recalled the

467

00:17:05,990 --> 00:17:03,199

time that he saw the same exact orb

468

00:17:06,789 --> 00:17:06,000

while vacationing in bora bora he said i

469

00:17:09,029 --> 00:17:06,799

was quote

470

00:17:11,029 --> 00:17:09,039

in bora bora a week before that hawaiian

471

00:17:11,990 --> 00:17:11,039

blue orb over the pacific or whatever

472

00:17:14,069 --> 00:17:12,000

happened

473

00:17:15,990 --> 00:17:14,079

and he said bora bora is also in the

474

00:17:18,230 --> 00:17:16,000

pacific and i saw the same

475

00:17:20,789 --> 00:17:18,240

damn orb that they were talking about in

476

00:17:23,029 --> 00:17:20,799

hawaii and i saw the exact same thing

477

00:17:25,189 --> 00:17:23,039

fly by and disappear over a mountain

478

00:17:28,230 --> 00:17:25,199

they are out there

479

00:17:29,750 --> 00:17:28,240

so yeah machine gun kelly getting in on

480

00:17:32,390 --> 00:17:29,760

the whole ufo thing

481

00:17:34,390 --> 00:17:32,400

um it's a little weird because i don't

482

00:17:37,830 --> 00:17:34,400

believe that the thing in hawaii

483

00:17:40,070 --> 00:17:37,840

was necessarily an orb and um

484

00:17:41,430 --> 00:17:40,080

and whatnot but hey if he's interested

485

00:17:42,470 --> 00:17:41,440

in it and he keeps looking up that's

486

00:17:45,430 --> 00:17:42,480

pretty cool

487

00:17:47,110 --> 00:17:45,440

um and let's see who else we got here

488

00:17:49,110 --> 00:17:47,120

noel gallagher recently

489

00:17:50,950 --> 00:17:49,120

uh has become obsessed with researching

490

00:17:53,990 --> 00:17:50,960

aliens and ufos doing

491

00:17:56,390 --> 00:17:54,000

during the lockdown um and he actually

492

00:17:59,190 --> 00:17:56,400

attributes all of this to watching

493

00:18:01,510 --> 00:17:59,200

the documentary the phenomenon by james

494

00:18:03,430 --> 00:18:01,520

fox uh for those of you who know james

495

00:18:05,190 --> 00:18:03,440

was on the summer in the skies podcast

496

00:18:07,350 --> 00:18:05,200

about a month ago talking all about his

497

00:18:09,270 --> 00:18:07,360

new documentary which he's been working

498

00:18:11,669 --> 00:18:09,280

on for like 10 years now

499

00:18:13,750 --> 00:18:11,679

um and it's an incredible incredible

500

00:18:16,870 --> 00:18:13,760

movie so if you haven't seen it

501  
00:18:19,669 --> 00:18:16,880  
go look at the phenomenon movie.com

502  
00:18:20,710 --> 00:18:19,679  
it's on amazon itunes everywhere you can

503  
00:18:23,270 --> 00:18:20,720  
stream stuff

504  
00:18:24,950 --> 00:18:23,280  
it's there check it out clearly it

505  
00:18:26,070 --> 00:18:24,960  
convinced noel gallagher to get

506  
00:18:28,390 --> 00:18:26,080  
interested in this

507  
00:18:29,830 --> 00:18:28,400  
and uh that's pretty cool um our last

508  
00:18:31,990 --> 00:18:29,840  
guy here post malone

509  
00:18:33,350 --> 00:18:32,000  
who i just found out is from central new

510  
00:18:35,350 --> 00:18:33,360  
york where i'm from

511  
00:18:36,870 --> 00:18:35,360  
pretty cool didn't know that uh post

512  
00:18:38,710 --> 00:18:36,880  
malone has claimed that he's seen a

513  
00:18:40,710 --> 00:18:38,720

number of ufos over the years

514

00:18:42,870 --> 00:18:40,720

he recalled the first time he allegedly

515

00:18:45,270 --> 00:18:42,880

saw an unexplained aerial phenomenon

516

00:18:46,870 --> 00:18:45,280

in new york when he was 16 during a four

517

00:18:48,070 --> 00:18:46,880

hour interview on the joe rogan

518

00:18:50,070 --> 00:18:48,080

experience podcast

519

00:18:52,230 --> 00:18:50,080

he said quote i've seen one i was

520

00:18:55,350 --> 00:18:52,240

probably around 1516

521

00:18:55,990 --> 00:18:55,360

i was in upstate new york and i uh uh

522

00:18:58,470 --> 00:18:56,000

what does he say

523

00:19:00,310 --> 00:18:58,480

oh he says he precursed this with um my

524

00:19:01,669 --> 00:19:00,320

aunt and uncle were very strict and we

525

00:19:02,390 --> 00:19:01,679

had to go to bed at a very strict

526

00:19:04,710 --> 00:19:02,400

deadline

527

00:19:06,230 --> 00:19:04,720

probably like 10 p.m and i was looking

528

00:19:09,190 --> 00:19:06,240

out the window with my cousin

529

00:19:10,230 --> 00:19:09,200

and it's just a light there and it's uh

530

00:19:13,830 --> 00:19:10,240

it stays there

531

00:19:16,310 --> 00:19:13,840

and then it's just effing gone it just

532

00:19:17,350 --> 00:19:16,320

shot off out of sight i mean you can't

533

00:19:20,549 --> 00:19:17,360

explain that

534

00:19:21,669 --> 00:19:20,559

so post malone c and ufos too so yeah i

535

00:19:23,190 --> 00:19:21,679

thought this is pretty cool we're

536

00:19:24,230 --> 00:19:23,200

getting a lot of more celebrities come

537

00:19:26,150 --> 00:19:24,240

forward and

538

00:19:27,510 --> 00:19:26,160

obviously that gets it more out to the

539

00:19:29,510 --> 00:19:27,520

mainstream and

540

00:19:30,789 --> 00:19:29,520

normalizes the topic so i'm all for

541

00:19:33,590 --> 00:19:30,799

stuff like this

542

00:19:35,190 --> 00:19:33,600

i thought that was pretty cool um of all

543

00:19:37,750 --> 00:19:35,200

of these guys to talk about

544

00:19:38,710 --> 00:19:37,760

their experiences let's see what i got

545

00:19:42,230 --> 00:19:38,720

next for you

546

00:19:45,510 --> 00:19:42,240

all right we're moving to

547

00:19:48,470 --> 00:19:45,520

our next little ditty here make sure

548

00:19:51,990 --> 00:19:48,480

i've got the right things pulled up

549

00:19:54,390 --> 00:19:52,000

hey there people says bushy

550

00:19:55,590 --> 00:19:54,400

thanks for joining us all things exist

551  
00:19:59,270 --> 00:19:55,600  
is here

552  
00:20:02,789 --> 00:19:59,280  
thank you guys for hopping in tonight

553  
00:20:08,310 --> 00:20:02,799  
all right where is it i think this is it

554  
00:20:14,390 --> 00:20:12,470  
no oh there it is okay

555  
00:20:16,070 --> 00:20:14,400  
that face might look familiar to a lot

556  
00:20:18,470 --> 00:20:16,080  
of you that is mr george knapp the

557  
00:20:21,990 --> 00:20:18,480  
investigative reporter for um

558  
00:20:24,789 --> 00:20:22,000  
i believe it's kell k-l-a-s

559  
00:20:25,669 --> 00:20:24,799  
out of las vegas he is a uh a news

560  
00:20:28,070 --> 00:20:25,679  
reporter

561  
00:20:28,789 --> 00:20:28,080  
bushy bado says hey their peoples ufos

562  
00:20:30,710 --> 00:20:28,799  
give zero

563  
00:20:32,470 --> 00:20:30,720

f's about us seeing them i couldn't

564

00:20:33,190 --> 00:20:32,480

agree more all things exist that's so

565

00:20:36,549 --> 00:20:33,200

true

566

00:20:37,669 --> 00:20:36,559

um let's move on to this big story of

567

00:20:40,789 --> 00:20:37,679

the week

568

00:20:42,870 --> 00:20:40,799

mystery wire interviews robert bigelow

569

00:20:44,310 --> 00:20:42,880

so for those who don't know um george

570

00:20:45,830 --> 00:20:44,320

knapp does have a website where he does

571

00:20:48,470 --> 00:20:45,840

a bunch of news and interviews

572

00:20:50,470 --> 00:20:48,480

and he recently had on millionaire

573

00:20:52,630 --> 00:20:50,480

entrepreneur eccentric guy

574

00:20:54,070 --> 00:20:52,640

robert bigelow so that name probably

575

00:20:54,789 --> 00:20:54,080

brings some bills for a lot of you out

576  
00:20:57,110 --> 00:20:54,799  
there

577  
00:20:58,630 --> 00:20:57,120  
hi gn thank you so much for joining us

578  
00:21:00,230 --> 00:20:58,640  
tonight um

579  
00:21:02,070 --> 00:21:00,240  
yeah robert bigelow is a millionaire who

580  
00:21:05,669 --> 00:21:02,080  
pumped millions of dollars into

581  
00:21:08,230 --> 00:21:05,679  
researching ufos and uh

582  
00:21:09,110 --> 00:21:08,240  
consciousness and and skinwalker ranch

583  
00:21:12,630 --> 00:21:09,120  
he owned

584  
00:21:14,950 --> 00:21:12,640  
skinwalker ranch in utah for a long time

585  
00:21:16,470 --> 00:21:14,960  
and had a group of scientists out there

586  
00:21:18,390 --> 00:21:16,480  
investigating the ranch and all the

587  
00:21:21,350 --> 00:21:18,400  
mysterious things that went on there

588  
00:21:22,870 --> 00:21:21,360

um and he recently spoke with george

589

00:21:24,390 --> 00:21:22,880

knapp all about

590

00:21:26,149 --> 00:21:24,400

all of the stuff that he's done in the

591

00:21:27,029 --> 00:21:26,159

past but most importantly this new

592

00:21:30,149 --> 00:21:27,039

company

593

00:21:30,630 --> 00:21:30,159

uh bics i'm going to read a little bit

594

00:21:32,149 --> 00:21:30,640

of

595

00:21:34,149 --> 00:21:32,159

what i've got here about this new

596

00:21:36,070 --> 00:21:34,159

organization by bob bigelow

597

00:21:38,070 --> 00:21:36,080

las vegas space entrepreneur robert

598

00:21:38,710 --> 00:21:38,080

bigelow known for funding ufo research

599

00:21:40,149 --> 00:21:38,720

projects

600

00:21:42,630 --> 00:21:40,159

has launched a new project called the

601  
00:21:45,909 --> 00:21:42,640  
bigelow institute for consciousness

602  
00:21:46,549 --> 00:21:45,919  
studies or bix they also announced a

603  
00:21:49,029 --> 00:21:46,559  
global

604  
00:21:50,549 --> 00:21:49,039  
essay contest so free writers out there

605  
00:21:52,630 --> 00:21:50,559  
this is going to be pretty cool

606  
00:21:53,909 --> 00:21:52,640  
vixx is seeking input from scientists

607  
00:21:56,310 --> 00:21:53,919  
religious scholars

608  
00:21:57,990 --> 00:21:56,320  
consciousness researchers and anyone

609  
00:22:01,510 --> 00:21:58,000  
else who can provide evidence

610  
00:22:02,870 --> 00:22:01,520  
of an afterlife as an incentive bix will

611  
00:22:05,669 --> 00:22:02,880  
award 500 000

612  
00:22:06,950 --> 00:22:05,679  
for the top essay 300 000 for second

613  
00:22:09,510 --> 00:22:06,960

best and 150

614

00:22:11,190 --> 00:22:09,520

000 for third place the bigelow

615

00:22:12,870 --> 00:22:11,200

institute for consciousness studies was

616

00:22:14,310 --> 00:22:12,880

formed to try to conduct research

617

00:22:16,470 --> 00:22:14,320

and facilitate research into the

618

00:22:17,430 --> 00:22:16,480

possibility of the survival of human

619

00:22:20,390 --> 00:22:17,440

consciousness

620

00:22:22,230 --> 00:22:20,400

beyond bodily death bigelow told

621

00:22:22,789 --> 00:22:22,240

mysterywire in an exclusive interview

622

00:22:25,510 --> 00:22:22,799

quote

623

00:22:25,990 --> 00:22:25,520

if it's true then to explore what is on

624

00:22:28,950 --> 00:22:26,000

the other

625

00:22:30,149 --> 00:22:28,960

side is what it's all about this is cool

626

00:22:32,470 --> 00:22:30,159

i mean i

627

00:22:34,149 --> 00:22:32,480

i know bigelow's interested in ufos but

628

00:22:35,350 --> 00:22:34,159

it's clear that he's into a lot of other

629

00:22:38,549 --> 00:22:35,360

stuff too

630

00:22:40,070 --> 00:22:38,559

and um he recently lost his wife

631

00:22:41,669 --> 00:22:40,080

this past year so maybe this is the

632

00:22:43,830 --> 00:22:41,679

reason he wants to

633

00:22:45,590 --> 00:22:43,840

explore the afterlife i i couldn't tell

634

00:22:48,950 --> 00:22:45,600

you kind of morbid and uh

635

00:22:50,390 --> 00:22:48,960

romantic in some ways but um the

636

00:22:51,990 --> 00:22:50,400

cooler thing i thought that came out of

637

00:22:53,510 --> 00:22:52,000

this were these exclusive interviews

638

00:22:56,230 --> 00:22:53,520

that george knapp did

639

00:22:57,110 --> 00:22:56,240

for mr you wire with bob bigelow and

640

00:22:58,870 --> 00:22:57,120

i've got a little

641

00:23:01,110 --> 00:22:58,880

clip here of some of the stuff he talked

642

00:23:02,870 --> 00:23:01,120

about in terms of skinwalker ranch what

643

00:23:04,149 --> 00:23:02,880

which i thought was the most interesting

644

00:23:05,350 --> 00:23:04,159

out of the video so i'm going to go

645

00:23:08,390 --> 00:23:05,360

ahead and play

646

00:23:10,230 --> 00:23:08,400

some of those for you guys now um what

647

00:23:12,630 --> 00:23:10,240

they talked about so bear with me for

648

00:23:24,710 --> 00:23:12,640

one minute here

649

00:23:29,029 --> 00:23:27,590

i i did not uh know with whom we were

650

00:23:32,789 --> 00:23:29,039

communicating

651  
00:23:36,470 --> 00:23:35,350  
there are two choices basically uh

652  
00:23:38,390 --> 00:23:36,480  
because

653  
00:23:40,870 --> 00:23:38,400  
with all the circumstances surrounding

654  
00:23:43,990 --> 00:23:40,880  
the different kinds of communications

655  
00:23:47,269 --> 00:23:44,000  
so there weren't parochial answers

656  
00:23:50,630 --> 00:23:47,279  
um it was either a discarded

657  
00:23:53,510 --> 00:23:50,640  
discarded entities non-human entities or

658  
00:23:54,470 --> 00:23:53,520  
ets well we could just about eliminate

659  
00:23:57,990 --> 00:23:54,480  
everything else

660  
00:24:01,669 --> 00:23:58,000  
i also i was

661  
00:24:05,590 --> 00:24:01,679  
i got very disturbed toward the end

662  
00:24:09,190 --> 00:24:05,600  
about something that happened to

663  
00:24:17,350 --> 00:24:13,350

and i realized uh holy crap

664

00:24:23,990 --> 00:24:20,789

well yeah but you know and so

665

00:24:25,909 --> 00:24:24,000

hitchhikers being that you take you take

666

00:24:27,909 --> 00:24:25,919

things home with you

667

00:24:29,350 --> 00:24:27,919

everybody took things home with them i

668

00:24:32,149 --> 00:24:29,360

took things to my house

669

00:24:32,630 --> 00:24:32,159

things happened to my wife and and to me

670

00:24:35,830 --> 00:24:32,640

different

671

00:24:38,070 --> 00:24:35,840

things home

672

00:24:39,029 --> 00:24:38,080

we all you know we did but we didn't

673

00:24:40,630 --> 00:24:39,039

know that

674

00:24:42,470 --> 00:24:40,640

gee it was like going to be kind of

675

00:24:43,590 --> 00:24:42,480

permanent you know we didn't accept we

676

00:24:44,950 --> 00:24:43,600

didn't know that

677

00:24:47,190 --> 00:24:44,960

you know that it's going to stay with

678

00:24:48,630 --> 00:24:47,200

you for maybe the for years and years or

679

00:24:50,149 --> 00:24:48,640

rest your life who knows

680

00:24:51,669 --> 00:24:50,159

there's so many so many things happen

681

00:24:54,070 --> 00:24:51,679

that in the uintah basin

682

00:24:55,510 --> 00:24:54,080

in general and then specifically on

683

00:24:56,470 --> 00:24:55,520

certain ranches and even more

684

00:24:59,909 --> 00:24:56,480

specifically

685

00:25:01,830 --> 00:24:59,919

on the skinwalker ranch but all kinds of

686

00:25:03,590 --> 00:25:01,840

events and activities happened in broad

687

00:25:05,350 --> 00:25:03,600

daylight or at night time

688

00:25:06,630 --> 00:25:05,360

at all kinds of places throughout that

689

00:25:09,990 --> 00:25:06,640

whole area

690

00:25:11,990 --> 00:25:10,000

and the police were were very aware

691

00:25:13,669 --> 00:25:12,000

of these things and they had terrific

692

00:25:15,430 --> 00:25:13,679

encounters of their own

693

00:25:17,350 --> 00:25:15,440

and we were told a lot of these stories

694

00:25:20,230 --> 00:25:17,360

we interviewed a lot of people

695

00:25:22,230 --> 00:25:20,240

you know in the area as researchers so

696

00:25:22,950 --> 00:25:22,240

that we had a good idea of what other

697

00:25:26,230 --> 00:25:22,960

ranchers were

698

00:25:26,870 --> 00:25:26,240

encountering was it just us no it wasn't

699

00:25:29,830 --> 00:25:26,880

just us

700

00:25:31,669 --> 00:25:29,840

it wasn't just this 480 acres on

701  
00:25:34,870 --> 00:25:31,679  
skinwalker ranch

702  
00:25:37,430 --> 00:25:34,880  
it was peripheral to that ranch as well

703  
00:25:38,630 --> 00:25:37,440  
things were happening all over the place

704  
00:25:41,750 --> 00:25:38,640  
i mean so really

705  
00:25:43,909 --> 00:25:41,760  
i mean if you thought that it was the

706  
00:25:45,269 --> 00:25:43,919  
the events on the skinwalker ranch were

707  
00:25:47,830 --> 00:25:45,279  
wild ass events

708  
00:25:48,870 --> 00:25:47,840  
oh no just go to the next ranch right

709  
00:25:54,830 --> 00:25:48,880  
next door

710  
00:25:54,840 --> 00:25:58,710  
man

711  
00:26:04,029 --> 00:26:01,430  
so yeah those are pretty interesting um

712  
00:26:05,669 --> 00:26:04,039  
i highly suggest you go over to

713  
00:26:07,590 --> 00:26:05,679

mysterywire.com and hear

714

00:26:10,789 --> 00:26:07,600

all of these awesome interviews that

715

00:26:12,549 --> 00:26:10,799

george knapp did with bob bigelow um

716

00:26:14,710 --> 00:26:12,559

it's so cool he hasn't talked about this

717

00:26:17,029 --> 00:26:14,720

stuff in forever and he's a very

718

00:26:18,630 --> 00:26:17,039

kind of closed off person so the fact

719

00:26:20,630 --> 00:26:18,640

that we have him talking and starting

720

00:26:22,789 --> 00:26:20,640

this new organization

721

00:26:24,310 --> 00:26:22,799

hey i'm all for it you know if

722

00:26:25,269 --> 00:26:24,320

millionaires are gonna pump money into

723

00:26:27,669 --> 00:26:25,279

researching this

724

00:26:29,830 --> 00:26:27,679

type of stuff uh do it you know instead

725

00:26:31,590 --> 00:26:29,840

of blowing it on things they don't need

726

00:26:33,510 --> 00:26:31,600

let's explore consciousness let's

727

00:26:36,230 --> 00:26:33,520

explore ufos let's

728

00:26:37,830 --> 00:26:36,240

see what comes next after we leave these

729

00:26:38,390 --> 00:26:37,840

bodies i don't know i think it's pretty

730

00:26:41,110 --> 00:26:38,400

cool

731

00:26:42,470 --> 00:26:41,120

so um i wish them all the luck um let's

732

00:26:44,549 --> 00:26:42,480

see here

733

00:26:46,630 --> 00:26:44,559

uh steam train mark so much of these

734

00:26:49,029 --> 00:26:46,640

interviews to unpack and understand

735

00:26:50,310 --> 00:26:49,039

exactly brother um there's a lot in them

736

00:26:53,350 --> 00:26:50,320

so definitely

737

00:26:56,149 --> 00:26:53,360

people check it out welcome defuse 56

738

00:26:57,909 --> 00:26:56,159

welcome jtp welcome who else we've got

739

00:26:59,350 --> 00:26:57,919

the signals here i absolutely love big

740

00:27:00,630 --> 00:26:59,360

glow to release all his data

741

00:27:03,430 --> 00:27:00,640

sounds like they had some fascinating

742

00:27:04,950 --> 00:27:03,440

results yeah i know man the problem is

743

00:27:06,789 --> 00:27:04,960

it was government funded at the time for

744

00:27:07,669 --> 00:27:06,799

those who don't know when bob bigelow

745

00:27:09,830 --> 00:27:07,679

was uh

746

00:27:10,710 --> 00:27:09,840

uh investigating skinwalker ranch this

747

00:27:13,190 --> 00:27:10,720

was also

748

00:27:13,750 --> 00:27:13,200

part of atip the secret pentagon ufo

749

00:27:15,269 --> 00:27:13,760

program

750

00:27:17,029 --> 00:27:15,279

they were kind of working in tandem so

751

00:27:18,870 --> 00:27:17,039

the government owned the data and

752

00:27:20,710 --> 00:27:18,880

information that he got so

753

00:27:21,990 --> 00:27:20,720

yeah there's a lot to unpack with all of

754

00:27:23,990 --> 00:27:22,000

that but um

755

00:27:26,149 --> 00:27:24,000

yeah who else is in here all things

756

00:27:28,310 --> 00:27:26,159

exist defuse everyone's saying

757

00:27:30,230 --> 00:27:28,320

what's up notice how hard it is for

758

00:27:31,909 --> 00:27:30,240

bigelow to speak openly he's physically

759

00:27:35,430 --> 00:27:31,919

fighting it it's so true

760

00:27:36,870 --> 00:27:35,440

it's so true um welcome everyone to the

761

00:27:37,750 --> 00:27:36,880

chat whether you're watching on youtube

762

00:27:40,710 --> 00:27:37,760

or facebook

763

00:27:43,510 --> 00:27:40,720

so happy to have everyone here um let's

764

00:27:46,389 --> 00:27:43,520

see what i got next oh this is our other

765

00:27:47,990 --> 00:27:46,399

big story um that's been making the

766

00:27:50,230 --> 00:27:48,000

mainstream rounds

767

00:27:58,870 --> 00:27:50,240

lately so let me go ahead and pull this

768

00:27:58,880 --> 00:28:04,710

nope not not what i meant

769

00:28:07,510 --> 00:28:06,070

that's our upcoming episodes of

770

00:28:09,110 --> 00:28:07,520

somewhere in the skies i totally didn't

771

00:28:13,269 --> 00:28:09,120

mean to pull that one up

772

00:28:19,350 --> 00:28:15,909

welcome to live stream where everything

773

00:28:19,360 --> 00:28:24,789

is this it

774

00:28:32,870 --> 00:28:30,549

can't find it

775

00:28:41,909 --> 00:28:32,880

i did the same thing again bear with me

776

00:28:47,750 --> 00:28:45,269

it's so quiet all right now this should

777

00:28:53,269 --> 00:28:50,789

how many viewers have i lost in this

778

00:28:55,269 --> 00:28:53,279

i'd be interested to know oh there it is

779

00:28:57,430 --> 00:28:55,279

thanks for joining us john greenwald

780

00:28:58,710 --> 00:28:57,440

couldn't find you you're so elusive just

781

00:29:01,750 --> 00:28:58,720

like the cia

782

00:29:06,070 --> 00:29:01,760

all right let's talk about this

783

00:29:08,870 --> 00:29:06,080

um we have a huge

784

00:29:10,470 --> 00:29:08,880

cia ufo file dump that's been making the

785

00:29:13,750 --> 00:29:10,480

rounds in the news lately

786

00:29:15,669 --> 00:29:13,760

um or so we think so yeah if you have

787

00:29:19,110 --> 00:29:15,679

seen these headlines in the past

788

00:29:20,070 --> 00:29:19,120

week or two um everyone's saying the cia

789

00:29:21,750 --> 00:29:20,080

has finally

790

00:29:23,430 --> 00:29:21,760

released everything all the files they

791

00:29:26,149 --> 00:29:23,440

have on ufos um

792

00:29:29,269 --> 00:29:26,159

not necessarily true i want to kind of

793

00:29:31,669 --> 00:29:29,279

demystify that and explain what happened

794

00:29:33,029 --> 00:29:31,679

because it's pretty pretty interesting

795

00:29:37,430 --> 00:29:33,039

story i guess

796

00:29:40,470 --> 00:29:37,440

um in hindsight let's see here

797

00:29:46,470 --> 00:29:40,480

kind of see if we have any other

798

00:29:50,630 --> 00:29:48,149

greenwald almost got more coverage from

799

00:29:53,110 --> 00:29:50,640

the new york post thank you hunter

800

00:29:53,990 --> 00:29:53,120

we ain't going there cl we are not going

801  
00:29:56,230 --> 00:29:54,000  
there

802  
00:29:57,269 --> 00:29:56,240  
hello from sweden thank you so much for

803  
00:30:00,950 --> 00:29:57,279  
joining us

804  
00:30:04,149 --> 00:30:00,960  
um so here's the story cia ufo file

805  
00:30:05,510 --> 00:30:04,159  
dump not exactly true in a sense but the

806  
00:30:08,789 --> 00:30:05,520  
dumping actually

807  
00:30:10,230 --> 00:30:08,799  
um was all john greenwald's work so let

808  
00:30:12,230 --> 00:30:10,240  
me explain this the black volt

809  
00:30:13,909 --> 00:30:12,240  
a clearing house for declassified

810  
00:30:15,190 --> 00:30:13,919  
documents has released a downloadable

811  
00:30:17,990 --> 00:30:15,200  
document archive

812  
00:30:20,149 --> 00:30:18,000  
filled with pdfs containing cia files on

813  
00:30:23,190 --> 00:30:20,159

ufos the government's preferred term

814

00:30:25,350 --> 00:30:23,200

uh which is now uap some of the reports

815

00:30:25,750 --> 00:30:25,360

date all the way back to the 1980s and

816

00:30:27,430 --> 00:30:25,760

even

817

00:30:29,510 --> 00:30:27,440

earlier and according to the site's

818

00:30:31,430 --> 00:30:29,520

founder john greenwald the spy agency

819

00:30:33,669 --> 00:30:31,440

claims that this is all the documents

820

00:30:36,470 --> 00:30:33,679

they have on ufos i don't think that's

821

00:30:39,190 --> 00:30:36,480

true according to greenwald around 10

822

00:30:41,269 --> 00:30:39,200

000 freedom of information act reports

823

00:30:44,310 --> 00:30:41,279

were required to obtain the pdfs

824

00:30:47,269 --> 00:30:44,320

and the process was excruciatingly long

825

00:30:48,230 --> 00:30:47,279

he scanned the documents one by one by

826  
00:30:51,669 --> 00:30:48,240  
hand

827  
00:30:53,350 --> 00:30:51,679  
wow um he said in an interview with vice

828  
00:30:54,950 --> 00:30:53,360  
quote researchers and curious minds

829  
00:30:56,710 --> 00:30:54,960  
alike prefer simplicity and

830  
00:30:57,350 --> 00:30:56,720  
inaccessibility when they look at data

831  
00:30:59,509 --> 00:30:57,360  
dumps

832  
00:31:01,110 --> 00:30:59,519  
such as these the cia has made it

833  
00:31:01,590 --> 00:31:01,120  
incredibly difficult to use their

834  
00:31:03,909 --> 00:31:01,600  
records

835  
00:31:05,430 --> 00:31:03,919  
in a reasonable manner they offer format

836  
00:31:07,669 --> 00:31:05,440  
that is very outdated

837  
00:31:08,470 --> 00:31:07,679  
and offer text file outputs largely

838  
00:31:10,470 --> 00:31:08,480

unusable

839

00:31:12,310 --> 00:31:10,480

that i think they intend to have people

840

00:31:14,310 --> 00:31:12,320

use as a search tool

841

00:31:15,830 --> 00:31:14,320

in my opinion this outdated format makes

842

00:31:16,630 --> 00:31:15,840

it very difficult for people to see the

843

00:31:18,950 --> 00:31:16,640

documents

844

00:31:20,230 --> 00:31:18,960

and use them for research purposes which

845

00:31:22,789 --> 00:31:20,240

is completely true

846

00:31:23,909 --> 00:31:22,799

um they gave all of this to john in a

847

00:31:25,990 --> 00:31:23,919

cd-rom

848

00:31:27,350 --> 00:31:26,000

of all things and a lot of it was

849

00:31:28,950 --> 00:31:27,360

unreadable um

850

00:31:30,789 --> 00:31:28,960

there was no way to search for things

851  
00:31:32,630 --> 00:31:30,799  
and it was just a complete mess so we

852  
00:31:33,110 --> 00:31:32,640  
have to credit john greenwald for doing

853  
00:31:35,190 --> 00:31:33,120  
this

854  
00:31:37,430 --> 00:31:35,200  
he scanned every single one of these

855  
00:31:38,789 --> 00:31:37,440  
hand by hand and created an algorithm

856  
00:31:39,590 --> 00:31:38,799  
that you can now search for certain

857  
00:31:40,950 --> 00:31:39,600  
dates and

858  
00:31:43,029 --> 00:31:40,960  
and stuff like that with all of the

859  
00:31:45,750 --> 00:31:43,039  
files that the ci has on

860  
00:31:47,110 --> 00:31:45,760  
cia has on ufos um i went digging

861  
00:31:48,149 --> 00:31:47,120  
there's some pretty interesting stuff

862  
00:31:49,990 --> 00:31:48,159  
there is one

863  
00:31:53,269 --> 00:31:50,000

i want to share with you guys here bear

864

00:31:56,310 --> 00:31:53,279

with me while i pulled this up

865

00:32:00,310 --> 00:31:56,320

um this was one file that i found

866

00:32:03,269 --> 00:32:00,320

really really deep within uh what they

867

00:32:08,230 --> 00:32:06,310

um that's pretty

868

00:32:09,990 --> 00:32:08,240

probably too small for you guys to read

869

00:32:11,190 --> 00:32:10,000

but i'm going to go ahead and read you

870

00:32:14,310 --> 00:32:11,200

what this file is

871

00:32:17,029 --> 00:32:14,320

this is an official cia file it is the

872

00:32:18,950 --> 00:32:17,039

subject shortage of coca-cola bottles

873

00:32:20,470 --> 00:32:18,960

the coca-cola delivery man reports a

874

00:32:23,269 --> 00:32:20,480

shortage of

875

00:32:25,430 --> 00:32:23,279

um from two of three cases of empty

876  
00:32:27,190 --> 00:32:25,440  
bottles daily presumably employees have

877  
00:32:30,230 --> 00:32:27,200  
taken the coke bottles back

878  
00:32:31,269 --> 00:32:30,240  
to their offices as well as outside of

879  
00:32:33,590 --> 00:32:31,279  
the building

880  
00:32:35,590 --> 00:32:33,600  
and fail to return them to the empty

881  
00:32:37,269 --> 00:32:35,600  
places located at the vending machine

882  
00:32:38,149 --> 00:32:37,279  
since the delivery man himself is

883  
00:32:40,389 --> 00:32:38,159  
responsible

884  
00:32:42,389 --> 00:32:40,399  
for returning these bottles to the plant

885  
00:32:43,029 --> 00:32:42,399  
and is required to pay for any that are

886  
00:32:44,710 --> 00:32:43,039  
missing

887  
00:32:46,470 --> 00:32:44,720  
it is requested that employees of the

888  
00:32:49,750 --> 00:32:46,480

cia return the bottles

889

00:32:51,269 --> 00:32:49,760

to the cases as they have used failure

890

00:32:54,430 --> 00:32:51,279

to comply with this request

891

00:32:57,990 --> 00:32:54,440

may result in discontinuous um

892

00:33:01,029 --> 00:32:58,000

discontinuance of this service

893

00:33:03,029 --> 00:33:01,039

so this was given to all cia personnel

894

00:33:04,389 --> 00:33:03,039

to return their coke bottles so that's

895

00:33:05,830 --> 00:33:04,399

just a little taste of whatever you're

896

00:33:09,110 --> 00:33:05,840

gonna get in these

897

00:33:10,789 --> 00:33:09,120

cia file dumps but um yeah i thought

898

00:33:14,710 --> 00:33:10,799

that was pretty interesting

899

00:33:16,789 --> 00:33:14,720

um that that's even involved in this um

900

00:33:19,190 --> 00:33:16,799

they do they make it super hard to find

901  
00:33:20,470 --> 00:33:19,200  
anything um for us researchers out there

902  
00:33:23,110 --> 00:33:20,480  
looking for

903  
00:33:25,190 --> 00:33:23,120  
really good stuff so um i again credit

904  
00:33:27,630 --> 00:33:25,200  
john green greenwald for

905  
00:33:28,950 --> 00:33:27,640  
doing that and um go check him out at

906  
00:33:31,909 --> 00:33:28,960  
theblackvault.com

907  
00:33:32,549 --> 00:33:31,919  
to get all of those cia files in your

908  
00:33:36,470 --> 00:33:32,559  
hands

909  
00:33:38,710 --> 00:33:36,480  
it's it's cool it's cool um

910  
00:33:39,990 --> 00:33:38,720  
i think that's all we have for news and

911  
00:33:41,750 --> 00:33:40,000  
stories guys but

912  
00:33:43,269 --> 00:33:41,760  
i've got a lot of other stuff to share

913  
00:33:46,230 --> 00:33:43,279

with you as well

914

00:33:48,710 --> 00:33:46,240

some stuff that i'm up to that um some

915

00:33:52,470 --> 00:33:48,720

of our colleagues and stuff are up to

916

00:33:53,430 --> 00:33:52,480

um let's start with someone we're going

917

00:33:55,750 --> 00:33:53,440

to have on the show

918

00:33:57,509 --> 00:33:55,760

very soon um you may have seen in that

919

00:33:58,230 --> 00:33:57,519

teaser of what's to come on somewhere in

920

00:34:00,710 --> 00:33:58,240

the skies

921

00:34:01,590 --> 00:34:00,720

ben hansen a former fbi agent he's going

922

00:34:03,269 --> 00:34:01,600

to be joining me

923

00:34:05,509 --> 00:34:03,279

on summer in the skies to talk all about

924

00:34:07,509 --> 00:34:05,519

his new television show

925

00:34:09,430 --> 00:34:07,519

ufo witness so before we go any further

926

00:34:18,829 --> 00:34:09,440

i'm going to play a little trailer

927

00:34:18,839 --> 00:34:23,909

enjoy

928

00:34:28,069 --> 00:34:25,909

i've gained access to a top secret

929

00:34:30,550 --> 00:34:28,079

archive containing ufo sightings from

930

00:34:33,109 --> 00:34:30,560

project blue book

931

00:34:35,909 --> 00:34:33,119

this planet has been under surveillance

932

00:34:37,990 --> 00:34:35,919

for centuries

933

00:34:39,030 --> 00:34:38,000

i see this object in the sky it was

934

00:34:40,950 --> 00:34:39,040

right here

935

00:34:42,790 --> 00:34:40,960

there was something inside of that thing

936

00:34:48,419 --> 00:34:42,800

it's about time the public knows

937

00:34:52,629 --> 00:34:48,429

they deserved it

938

00:34:57,270 --> 00:34:56,069

yeah so there you go new show by

939

00:35:00,470 --> 00:34:57,280

discovery plus

940

00:35:02,310 --> 00:35:00,480

highly suggest

941

00:35:03,990 --> 00:35:02,320

getting it it's their new streaming

942

00:35:04,630 --> 00:35:04,000

platform for everything on discovery

943

00:35:06,470 --> 00:35:04,640

channel

944

00:35:08,470 --> 00:35:06,480

well worth the admission trust me

945

00:35:09,190 --> 00:35:08,480

they've got tons of paranormal and ufo

946

00:35:11,510 --> 00:35:09,200

shows

947

00:35:12,710 --> 00:35:11,520

on that app including this show ufo

948

00:35:13,910 --> 00:35:12,720

witness starring ben

949

00:35:15,349 --> 00:35:13,920

so we're going to have been on somewhere

950

00:35:16,710 --> 00:35:15,359

in the sky soon to talk all about the

951  
00:35:18,390 --> 00:35:16,720  
investigations he did

952  
00:35:20,790 --> 00:35:18,400  
uh what's really cool about this show if

953  
00:35:23,910 --> 00:35:20,800  
you notice um the woman in there

954  
00:35:25,670 --> 00:35:23,920  
uh her name is zeedman i believe uh she

955  
00:35:28,630 --> 00:35:25,680  
was a former project blue book

956  
00:35:30,069 --> 00:35:28,640  
investigator so she has files that have

957  
00:35:32,069 --> 00:35:30,079  
never seen the light of day

958  
00:35:33,750 --> 00:35:32,079  
and cases that have not seen the light

959  
00:35:37,349 --> 00:35:33,760  
of day in a really long time

960  
00:35:39,750 --> 00:35:37,359  
so but she was given um access to ben

961  
00:35:40,390 --> 00:35:39,760  
to look at these files and go out and uh

962  
00:35:42,790 --> 00:35:40,400  
see if

963  
00:35:44,470 --> 00:35:42,800

anything's still going on you know where

964

00:35:46,870 --> 00:35:44,480

the cases were that they

965

00:35:49,270 --> 00:35:46,880

investigated back in the 50s and 60s and

966

00:35:51,829 --> 00:35:49,280

is there still uh ufo activity

967

00:35:53,109 --> 00:35:51,839

happening in those areas or what can ben

968

00:35:55,510 --> 00:35:53,119

dig up now

969

00:35:57,270 --> 00:35:55,520

that wasn't done back then so it's a

970

00:36:00,150 --> 00:35:57,280

really cool show i've seen the first

971

00:36:01,910 --> 00:36:00,160

five episodes i think now um i was lucky

972

00:36:03,030 --> 00:36:01,920

to get those from discovery plus to

973

00:36:04,630 --> 00:36:03,040

screen and review

974

00:36:06,230 --> 00:36:04,640

so we're gonna have been on in a few

975

00:36:07,589 --> 00:36:06,240

weeks to talk all about that so look

976

00:36:09,670 --> 00:36:07,599

forward to that

977

00:36:11,430 --> 00:36:09,680

and another show that i really want you

978

00:36:14,310 --> 00:36:11,440

to check out on discovery plus

979

00:36:15,030 --> 00:36:14,320

is by past guests of the show bryce

980

00:36:17,190 --> 00:36:15,040

johnson

981

00:36:18,150 --> 00:36:17,200

and ronnie leblanc two hosts and

982

00:36:20,950 --> 00:36:18,160

investigators

983

00:36:21,670 --> 00:36:20,960

on expedition bigfoot a show about

984

00:36:24,230 --> 00:36:21,680

bigfoot

985

00:36:24,870 --> 00:36:24,240

these guys are both on it season two has

986

00:36:26,230 --> 00:36:24,880

started

987

00:36:28,150 --> 00:36:26,240

on discovery plus so i'm going to go

988

00:36:31,670 --> 00:36:28,160

ahead and play the

989

00:36:36,310 --> 00:36:31,680

mini trailer for that as well for you

990

00:36:41,190 --> 00:36:39,190

more what's your impression of this have

991

00:36:43,190 --> 00:36:41,200

you ever seen anything like this before

992

00:36:45,190 --> 00:36:43,200

wildlife that i know that is out here

993

00:36:47,109 --> 00:36:45,200

none of those would have made it no but

994

00:36:48,390 --> 00:36:47,119

not like a random tree structure that

995

00:36:50,870 --> 00:36:48,400

some kids set up i mean

996

00:36:52,710 --> 00:36:50,880

put it this way the moment i saw it i

997

00:36:53,109 --> 00:36:52,720

really knew what ronnie had been looking

998

00:36:55,510 --> 00:36:53,119

for

999

00:36:56,470 --> 00:36:55,520

all along this thing looked so out of

1000

00:36:59,190 --> 00:36:56,480

place

1001  
00:37:00,790 --> 00:36:59,200  
like it was really purposefully built

1002  
00:37:03,190 --> 00:37:00,800  
yeah this is strange

1003  
00:37:04,950 --> 00:37:03,200  
something with intelligence made this

1004  
00:37:06,390 --> 00:37:04,960  
and it could be right next to you guys

1005  
00:37:08,069 --> 00:37:06,400  
and you wouldn't even know it

1006  
00:37:09,589 --> 00:37:08,079  
why don't you get some sleep and then

1007  
00:37:10,310 --> 00:37:09,599  
let's get fresh eyes on it tomorrow

1008  
00:37:11,750 --> 00:37:10,320  
morning

1009  
00:37:13,030 --> 00:37:11,760  
all right bryce we'll keep you posted

1010  
00:37:15,109 --> 00:37:13,040  
i'll let you know as soon as we collect

1011  
00:37:16,069 --> 00:37:15,119  
the e-dnas and we'll talk to ross about

1012  
00:37:23,190 --> 00:37:16,079  
it

1013  
00:37:27,030 --> 00:37:23,200

we're close we're real close

1014

00:37:28,870 --> 00:37:27,040

boom awesome so another show coming out

1015

00:37:30,310 --> 00:37:28,880

on discovery plus another season of

1016

00:37:32,230 --> 00:37:30,320

expedition bigfoot

1017

00:37:33,910 --> 00:37:32,240

um look i think the show's cool i'm not

1018

00:37:35,829 --> 00:37:33,920

a huge bigfoot person but

1019

00:37:36,950 --> 00:37:35,839

uh what they're doing is awesome the

1020

00:37:39,270 --> 00:37:36,960

tech they're using

1021

00:37:40,950 --> 00:37:39,280

to try to find this elusive creature

1022

00:37:41,829 --> 00:37:40,960

that's hominid this cryptid whatever you

1023

00:37:43,910 --> 00:37:41,839

want to call it

1024

00:37:46,470 --> 00:37:43,920

um i think they're closer than ever to

1025

00:37:48,470 --> 00:37:46,480

discovering if bigfoot is real or not

1026

00:37:50,790 --> 00:37:48,480

so um i highly suggest checking out

1027

00:37:51,270 --> 00:37:50,800

those two shows um i'll probably have

1028

00:37:52,790 --> 00:37:51,280

ben

1029

00:37:54,470 --> 00:37:52,800

and ronnie on to talk about what they

1030

00:37:55,030 --> 00:37:54,480

discovered this season on the show as

1031

00:37:57,670 --> 00:37:55,040

well

1032

00:37:59,510 --> 00:37:57,680

so i'm really looking forward to that um

1033

00:38:02,550 --> 00:37:59,520

who else we got here

1034

00:38:03,510 --> 00:38:02,560

hello day k um says no i'm not sure i

1035

00:38:05,270 --> 00:38:03,520

don't know what that's in

1036

00:38:06,950 --> 00:38:05,280

reference to i'm guessing this question

1037

00:38:11,030 --> 00:38:06,960

here

1038

00:38:13,190 --> 00:38:11,040

thank you so much guys for coming in

1039

00:38:14,470 --> 00:38:13,200

um again i know this seems unorganized

1040

00:38:16,150 --> 00:38:14,480

but i'm just trying to get away at the

1041

00:38:18,550 --> 00:38:16,160

land of how all this stuff

1042

00:38:19,589 --> 00:38:18,560

um works here tim f says a bit dramatic

1043

00:38:21,750 --> 00:38:19,599

maybe a little

1044

00:38:23,349 --> 00:38:21,760

most of these scripted reality shows are

1045

00:38:25,829 --> 00:38:23,359

i know that uh

1046

00:38:27,190 --> 00:38:25,839

i know that very well uh i'm sure some

1047

00:38:29,670 --> 00:38:27,200

of you know what i'm talking about

1048

00:38:31,510 --> 00:38:29,680

but um cool so the last thing i'm gonna

1049

00:38:33,750 --> 00:38:31,520

share screen with you guys here

1050

00:38:35,349 --> 00:38:33,760

is what i've got going on not just with

1100

00:40:20,630 --> 00:40:18,400

cool cases

1101  
00:40:21,829 --> 00:40:20,640  
throughout ufo history and really dive

1102  
00:40:24,069 --> 00:40:21,839  
deep into them

1103  
00:40:26,550 --> 00:40:24,079  
it's a fun show they drink whiskey and

1104  
00:40:28,309 --> 00:40:26,560

1110  
00:40:40,309 --> 00:40:37,920  
space

1111  
00:40:41,270 --> 00:40:40,319  
historian jason is really into punk and

1112  
00:40:43,349 --> 00:40:41,280  
ska music

1113  
00:40:44,710 --> 00:40:43,359

and so is amy so they mishmashed

1114

00:40:46,470 --> 00:40:44,720

everything together and they have a

1115

00:40:49,750 --> 00:40:46,480

an interview with brandon fuegle

1143

yes actually i am in touch with brandon

1144

00:41:48,230 --> 00:41:46,880

he will be on the show soon

1145

00:41:50,390 --> 00:41:48,240

for those who don't know he is the

1146

00:41:51,990 --> 00:41:50,400

current owner of skinwalker ranch

1147

00:41:54,309 --> 00:41:52,000

one of the nicest dudes i've ever talked

1148

00:41:56,150 --> 00:41:54,319

1149

00:41:59,190 --> 00:41:56,160

1150

00:42:00,550 --> 00:41:59,200

um what else do we have

1151

00:42:02,309 --> 00:42:00,560

ken says thank you for making a

1152

00:42:02,950 --> 00:42:02,319

difference in the world ryan i'm trying

1153

00:42:06,550 --> 00:42:02,960

brother

1154

00:42:07,589 --> 00:42:06,560

um you know if i can even have a sliver

1155

00:42:10,230 --> 00:42:07,599

of um

1156

00:42:10,870 --> 00:42:10,240

you know a place in the world of ufos

1157

00:42:13,910 --> 00:42:10,880

i'm so

1158

00:42:15,510 --> 00:42:13,920

thankful and fortunate that 49 people

1159

00:42:17,190 --> 00:42:15,520

right now are watching this live and

1160

00:42:20,150 --> 00:42:17,200

listening to me babylon

1161

00:42:21,990 --> 00:42:20,160

um thank you thank you to everyone who

1162

00:42:24,630 --> 00:42:22,000

finds any value in the work i do

1163

00:42:27,030 --> 00:42:24,640

uh it truly means the world to me i

1164

00:42:28,790 --> 00:42:27,040

honestly believe this topic of ufos

1165

00:42:30,790 --> 00:42:28,800

is something that can bring us together

1166

00:42:33,109 --> 00:42:30,800

and unite us other than

1167

00:42:34,470 --> 00:42:33,119

make us more divided and divisive like

1168

00:42:37,589 --> 00:42:34,480

we are right now in the world

1169

00:42:39,990 --> 00:42:37,599

so i think now is the time for ufos so

1170

00:42:41,510 --> 00:42:40,000

thank you for joining me um whether it's

1171

00:42:44,150 --> 00:42:41,520

you know listening to the podcast

1172

00:42:46,230 --> 00:42:44,160

watching my youtube videos uh supporting

1173

00:42:46,870 --> 00:42:46,240

my writing endeavors at the debrief or

1174

00:42:49,030 --> 00:42:46,880

um

1175

00:42:50,870 --> 00:42:49,040

or mysteries decoded the show i i

1176

00:42:52,710 --> 00:42:50,880

sometimes co-host on the cw

1177

00:42:53,990 --> 00:42:52,720

um your support means the world to me

1178

00:42:55,829 --> 00:42:54,000

every single one of you

1179

00:42:57,510 --> 00:42:55,839

i don't care what politics you have what

1180

00:43:00,870 --> 00:42:57,520

religion you believe in

1181

00:43:02,710 --> 00:43:00,880

um what country you live in i don't care

1182

00:43:04,550 --> 00:43:02,720

thank you thank you for all of you for

1183

00:43:06,950 --> 00:43:04,560

supporting me throughout the years

1184

00:43:07,750 --> 00:43:06,960

and um and up until today even watching

1185

00:43:09,910 --> 00:43:07,760

this so

1186

00:43:10,950 --> 00:43:09,920

i have to thank all of you for all you

1187

00:43:13,270 --> 00:43:10,960

have done for me

1188

00:43:15,030 --> 00:43:13,280

and i hope i can do the same for you so

1189

00:43:18,630 --> 00:43:15,040

thank you thank you ken

1190

00:43:19,670 --> 00:43:18,640

um you the man says donald thanks

1191

00:43:21,670 --> 00:43:19,680

brother

1192

00:43:23,589 --> 00:43:21,680

um gn says government needs to stop

1193

00:43:25,190 --> 00:43:23,599

making decisions for us we know it's out

1194

00:43:28,390 --> 00:43:25,200

there i couldn't agree more

1195

00:43:31,109 --> 00:43:28,400

um you know we have this this

1196

00:43:31,670 --> 00:43:31,119

bill that passed that the government has

1197

00:43:33,109 --> 00:43:31,680

to

1198

00:43:35,430 --> 00:43:33,119

come public about what they know about

1199

00:43:37,670 --> 00:43:35,440

ufos within the next 140 days

1200

00:43:39,510 --> 00:43:37,680

i don't see it happening so i think we

1201  
00:43:41,750 --> 00:43:39,520  
just have to keep doing our own research

1202  
00:43:43,030 --> 00:43:41,760  
if we want answers um i honestly

1203  
00:43:46,150 --> 00:43:43,040  
honestly believe that

1204  
00:43:47,750 --> 00:43:46,160  
um signal says thank you thank you

1205  
00:43:50,150 --> 00:43:47,760  
brother for all the work you do

1206  
00:43:51,270 --> 00:43:50,160  
um throw your etsy shop in the chat if

1207  
00:43:53,510 --> 00:43:51,280  
you don't mind my man

1208  
00:43:55,430 --> 00:43:53,520  
i'd love to promote your work um please

1209  
00:43:57,030 --> 00:43:55,440  
please go ahead and do that

1210  
00:43:59,349 --> 00:43:57,040  
um but other than that yep i'm just

1211  
00:44:01,670 --> 00:43:59,359  
gonna promote some stuff for you guys

1212  
00:44:02,710 --> 00:44:01,680  
um summer on this guys i released a new

1213  
00:44:06,069 --> 00:44:02,720

episode

1214

00:44:08,230 --> 00:44:06,079

today um which was really cool

1215

00:44:09,670 --> 00:44:08,240

it was about eisenhower and ufos did

1216

00:44:12,069 --> 00:44:09,680

president eisenhower

1217

00:44:13,190 --> 00:44:12,079

meet with aliens back when he was

1218

00:44:15,829 --> 00:44:13,200

president and

1219

00:44:16,870 --> 00:44:15,839

what deal did they make and uh did that

1220

00:44:18,950 --> 00:44:16,880

deal hold up

1221

00:44:20,230 --> 00:44:18,960

so i have author paul blake smith on the

1222

00:44:22,950 --> 00:44:20,240

show to talk all about it

1223

00:44:24,550 --> 00:44:22,960

with his new book president eisenhower's

1224

00:44:26,230 --> 00:44:24,560

close encounters which i had the honor

1225

00:44:28,069 --> 00:44:26,240

and pleasure of writing the forward to

1226

00:44:30,150 --> 00:44:28,079

and that dropped today so please go

1227

00:44:33,510 --> 00:44:30,160

check it out wherever you get podcasts

1228

00:44:36,069 --> 00:44:33,520

um what else uh do i got

1229

00:44:38,069 --> 00:44:36,079

for you guys um upcoming episodes next

1230

00:44:41,190 --> 00:44:38,079

week i have zelia edgar on the show

1231

00:44:42,790 --> 00:44:41,200

a ufo and uh cryptid researcher to talk

1232

00:44:44,470 --> 00:44:42,800

all about her work in the field

1233

00:44:45,990 --> 00:44:44,480

um she's got some really interesting

1234

00:44:47,750 --> 00:44:46,000

insights and um

1235

00:44:49,750 --> 00:44:47,760

new approaches to investigating all this

1236

00:44:50,630 --> 00:44:49,760

weird stuff so i really look forward to

1237

00:44:52,790 --> 00:44:50,640

that

1238

00:44:54,710 --> 00:44:52,800

um i've got t crewless coming on the

1239

00:44:56,950 --> 00:44:54,720

show to talk all about

1240

00:44:59,510 --> 00:44:56,960

conspiracy theory in today's modern

1241

00:45:01,829 --> 00:44:59,520

world and how it's kind of um

1242

00:45:02,950 --> 00:45:01,839

uh devolved and how it's grown into what

1243

00:45:05,349 --> 00:45:02,960

it is today

1244

00:45:06,309 --> 00:45:05,359

up until a attack on the capitol here in

1245

00:45:08,470 --> 00:45:06,319

the us

1246

00:45:10,710 --> 00:45:08,480

so we'll talk all about that and um the

1247

00:45:13,349 --> 00:45:10,720

dangers of conspiracy theory

1248

00:45:15,109 --> 00:45:13,359

uh in the form of his new book which is

1249

00:45:16,790 --> 00:45:15,119

called american madness

1250

00:45:18,390 --> 00:45:16,800

and we're gonna talk about a guy called

1251

00:45:19,990 --> 00:45:18,400

the phantom patriot

1252

00:45:22,309 --> 00:45:20,000

a really interesting story about a

1253

00:45:25,670 --> 00:45:22,319

really interesting individual that t

1254

00:45:26,870 --> 00:45:25,680

followed around for like a year um and

1255

00:45:28,390 --> 00:45:26,880

followed him down the rabbit hole of

1256

00:45:29,670 --> 00:45:28,400

conspiracy theories so that's going to

1257

00:45:31,270 --> 00:45:29,680

be pretty cool

1258

00:45:33,589 --> 00:45:31,280

unlike any episodes we've ever had

1259

00:45:35,430 --> 00:45:33,599

before so i hope you will check that out

1260

00:45:37,270 --> 00:45:35,440

we got ben hanson coming on to talk all

1261

00:45:40,790 --> 00:45:37,280

about his new show ufo witness

1262

00:45:42,710 --> 00:45:40,800

and i've got a really cool um audio doc

1263

00:45:44,069 --> 00:45:42,720

episode coming out for you guys in the

1264

00:45:46,230 --> 00:45:44,079

near future um

1265

00:45:47,990 --> 00:45:46,240

it was started out as like a small bonus

1266

00:45:49,109 --> 00:45:48,000

episode and just grew into something

1267

00:45:51,510 --> 00:45:49,119

much larger

1268

00:45:53,670 --> 00:45:51,520

so we're going to be talking about ufos

1269

00:45:56,390 --> 00:45:53,680

in a very specific region

1270

00:45:57,829 --> 00:45:56,400

and i've got some really cool people uh

1271

00:46:01,589 --> 00:45:57,839

coming on to do that

1272
