

WFO's

What's going on?

1
00:00:12,629 --> 00:00:10,549

[Music]

2
00:00:13,990 --> 00:00:12,639

my stepdaughter was scared to death

3
00:00:15,350 --> 00:00:14,000

okay she wouldn't leave the house

4
00:00:18,710 --> 00:00:15,360

because there was something flying over

5
00:00:25,670 --> 00:00:22,400

we thought it was the end of time

6
00:00:27,269 --> 00:00:25,680

[Music]

7
00:00:29,109 --> 00:00:27,279

when i regained consciousness i was on

8
00:00:32,229 --> 00:00:29,119

board of this uh

9
00:00:33,110 --> 00:00:32,239

apparently on board the spacecraft and i

10
00:00:38,869 --> 00:00:33,120

encountered

11
00:00:42,869 --> 00:00:41,350

we have photographs we have films we

12
00:00:45,110 --> 00:00:42,879

have expert witnesses

13
00:00:47,110 --> 00:00:45,120

what more do you want we could prove

14

00:00:47,750 --> 00:00:47,120

that these objects exist we're past the

15

00:00:49,750 --> 00:00:47,760

point

16

00:00:50,950 --> 00:00:49,760

of proving they exist the question now

17

00:00:53,670 --> 00:00:50,960

is why are they here

18

00:00:55,029 --> 00:00:53,680

and what do they want unidentified

19

00:00:57,830 --> 00:00:55,039

flying objects

20

00:01:00,150 --> 00:00:57,840

ufos are they spaceships from other

21

00:01:03,430 --> 00:01:00,160

worlds traveling through our galaxy

22

00:01:06,469 --> 00:01:03,440

or are they something else so far

23

00:01:08,630 --> 00:01:06,479

we cannot escape our own solar system

24

00:01:09,410 --> 00:01:08,640

our technology has placed man no further

25

00:01:10,630 --> 00:01:09,420

out than the moon

26

00:01:12,710 --> 00:01:10,640

[Music]

27

00:01:15,350 --> 00:01:12,720

if we can't travel to them can they be

28

00:01:18,390 --> 00:01:15,360

coming to us

29

00:01:19,350 --> 00:01:18,400

the american government says no despite

30

00:01:21,590 --> 00:01:19,360

films like this

31

00:01:22,950 --> 00:01:21,600

they say it's physically impossible so

32

00:01:25,749 --> 00:01:22,960

they've closed all their official

33

00:01:28,230 --> 00:01:25,759

investigations of ufos

34

00:01:29,510 --> 00:01:28,240

that was a fallacy 69 they claimed to

35

00:01:30,950 --> 00:01:29,520

the public that they closed the doors

36

00:01:32,149 --> 00:01:30,960

and they didn't because the document

37

00:01:34,630 --> 00:01:32,159

shows that they

38

00:01:36,149 --> 00:01:34,640

continued on gathering information so

39

00:01:37,670 --> 00:01:36,159

that was an out-and-out lie

40

00:01:39,510 --> 00:01:37,680

under the freedom of information act

41

00:01:41,590 --> 00:01:39,520

some americans petitioned the government

42

00:01:42,389 --> 00:01:41,600

for the release of top-secret ufo

43

00:01:46,310 --> 00:01:42,399

documents

44

00:01:48,230 --> 00:01:46,320

cover-up a cosmic watergate

45

00:01:52,830 --> 00:01:48,240

all we want to know is what's going on

46

00:02:05,749 --> 00:02:01,670

truth

47

00:02:06,870 --> 00:02:05,759

intelligence from a planet far beyond

48

00:02:08,949 --> 00:02:06,880

our galaxy

49

00:02:10,070 --> 00:02:08,959

has mastered a technology that makes it

50

00:02:13,750 --> 00:02:10,080

possible for them

51
00:02:15,270 --> 00:02:13,760
to do things we can only dream of

52
00:02:17,030 --> 00:02:15,280
they believe that these beans are

53
00:02:19,350 --> 00:02:17,040
penetrating the galactic mist that

54
00:02:20,309 --> 00:02:19,360
shrouds and protects our planet

55
00:02:22,309 --> 00:02:20,319
some believe that these

56
00:02:23,110 --> 00:02:22,319
extraterrestrials technology is so

57
00:02:24,790 --> 00:02:23,120
advanced

58
00:02:29,190 --> 00:02:24,800
that they might even have visited us

59
00:02:33,750 --> 00:02:31,030
are there secret messages carved in the

60
00:02:35,670 --> 00:02:33,760
stones of the pyramids of egypt

61
00:02:37,110 --> 00:02:35,680
messages that tell us of the mysterious

62
00:02:41,110 --> 00:02:37,120
voyages of ancient

63
00:02:43,110 --> 00:02:41,120

astronauts on the pyramids of egypt and

64

00:02:44,309 --> 00:02:43,120

mexico and in primitive cave drawings

65

00:02:46,229 --> 00:02:44,319

all over the world

66

00:02:47,509 --> 00:02:46,239

there are carvings and images that many

67

00:02:49,350 --> 00:02:47,519

describe as being of

68

00:02:52,730 --> 00:02:49,360

intergalactic travelers dressed in

69

00:02:57,350 --> 00:02:52,740

spacesuits and helmets

70

00:03:00,070 --> 00:02:57,360

[Music]

71

00:03:02,309 --> 00:03:00,080

early romans wrote about flying shields

72

00:03:04,949 --> 00:03:02,319

ancient egyptians about circles of fire

73

00:03:07,030 --> 00:03:04,959

in the sky

74

00:03:08,710 --> 00:03:07,040

are these references and these drawings

75

00:03:10,470 --> 00:03:08,720

about spacemen

76
00:03:13,190 --> 00:03:10,480
or about the gods they worshipped in the

77
00:03:14,630 --> 00:03:13,200
heavens above

78
00:03:16,790 --> 00:03:14,640
aliens from other worlds with

79
00:03:18,630 --> 00:03:16,800
extraterrestrial powers are credited by

80
00:03:24,869 --> 00:03:18,640
some with having moved the great stone

81
00:03:28,390 --> 00:03:26,470
others point to the giant circle of

82
00:03:30,070 --> 00:03:28,400
stonehenge as being a sophisticated

83
00:03:32,070 --> 00:03:30,080
astronomical tool

84
00:03:33,910 --> 00:03:32,080
only possible at the time if it were

85
00:03:36,630 --> 00:03:33,920
designed by others with a more advanced

86
00:03:39,110 --> 00:03:36,640
knowledge of the universe

87
00:03:41,509 --> 00:03:39,120
and then there are the nazca lines an

88
00:03:43,750 --> 00:03:41,519

alleged spaceport

89

00:03:45,589 --> 00:03:43,760

these mysterious images decipherable

90

00:03:47,830 --> 00:03:45,599

only when seen from the air

91

00:03:52,630 --> 00:03:47,840

were carved in the ancient times atop a

92

00:03:58,070 --> 00:03:54,710

many claim this was a landing area for

93

00:04:01,509 --> 00:03:59,670

if there were et's coming here in

94

00:04:02,789 --> 00:04:01,519

ancient times they seem to have lost

95

00:04:05,910 --> 00:04:02,799

interest in us

96

00:04:08,070 --> 00:04:05,920

until 1947 then suddenly

97

00:04:09,990 --> 00:04:08,080

around the world people of all kinds

98

00:04:11,030 --> 00:04:10,000

began to report seeing them in the skies

99

00:04:13,110 --> 00:04:11,040

above

100

00:04:14,070 --> 00:04:13,120

some claim to have photographed them in

101
00:04:16,229 --> 00:04:14,080
the united states

102
00:04:17,990 --> 00:04:16,239
the government dismissed the phenomena

103
00:04:20,229 --> 00:04:18,000
they describe the mysterious objects as

104
00:04:29,350 --> 00:04:20,239
weather balloons hoaxes swamp gas

105
00:04:31,670 --> 00:04:29,360
and other scientific anomalies

106
00:04:33,590 --> 00:04:31,680
world war ii had just ended a new age

107
00:04:34,950 --> 00:04:33,600
had begun at the alamogordo flats of new

108
00:04:37,189 --> 00:04:34,960
mexico

109
00:04:38,950 --> 00:04:37,199
the atomic bomb had unleashed an energy

110
00:04:40,629 --> 00:04:38,960
that some believe would take us beyond

111
00:04:42,710 --> 00:04:40,639
the stars

112
00:04:44,790 --> 00:04:42,720
reason enough some say for those higher

113
00:04:46,710 --> 00:04:44,800

intelligences who dwell in other worlds

114

00:04:49,430 --> 00:04:46,720

to return for a second look at us

115

00:04:51,189 --> 00:04:49,440

earthlings they would have to look

116

00:04:52,790 --> 00:04:51,199

beyond the shadows of our mushroom

117

00:04:54,070 --> 00:04:52,800

clouds

118

00:04:56,730 --> 00:04:54,080

they would need to know what our

119

00:04:58,230 --> 00:04:56,740

universal intentions were

120

00:05:00,390 --> 00:04:58,240

[Music]

121

00:05:02,310 --> 00:05:00,400

in the years after the war navy and air

122

00:05:04,390 --> 00:05:02,320

force pilots regularly reported

123

00:05:05,990 --> 00:05:04,400

sightings of ufos

124

00:05:08,390 --> 00:05:06,000

repeatedly these sightings were

125

00:05:10,950 --> 00:05:08,400

dismissed by the military

126
00:05:13,110 --> 00:05:10,960
one pilot captain thomas mantell radioed

127
00:05:15,110 --> 00:05:13,120
he was pursuing a ufo

128
00:05:17,830 --> 00:05:15,120
the saucer-shaped craft he said was

129
00:05:20,469 --> 00:05:17,840
moving at speeds unknown to man

130
00:05:25,029 --> 00:05:20,479
he pursued the craft until his own plane

131
00:05:26,950 --> 00:05:25,039
exploded in midair the navy investigated

132
00:05:29,110 --> 00:05:26,960
the crash and attributed the explosion

133
00:05:30,629 --> 00:05:29,120
to the pilots pushing his plane too high

134
00:05:32,870 --> 00:05:30,639
and too fast

135
00:05:35,909 --> 00:05:32,880
others said mantel was a casualty of an

136
00:05:38,070 --> 00:05:35,919
extraterrestrial attack

137
00:05:38,950 --> 00:05:38,080
ufo proponents charged a government

138
00:05:43,350 --> 00:05:38,960

cover-up

139

00:05:47,029 --> 00:05:45,270

ufo investigators allege that the

140

00:05:49,110 --> 00:05:47,039

government cover-up went into high gear

141

00:05:53,270 --> 00:05:49,120

with the roswell new mexico incident in

142

00:05:55,350 --> 00:05:53,280

july 1947.

143

00:05:58,230 --> 00:05:55,360

roswell was the site of an army air

144

00:05:59,110 --> 00:05:58,240

force base 118 miles from the atomic

145

00:06:02,390 --> 00:05:59,120

testing grounds

146

00:06:03,749 --> 00:06:02,400

at alamogordo and only 220 miles from

147

00:06:06,950 --> 00:06:03,759

los alamos

148

00:06:10,150 --> 00:06:06,960

birthplace of the atomic bomb

149

00:06:13,670 --> 00:06:10,160

on july 2nd this rancher mack brazil saw

150

00:06:16,629 --> 00:06:13,680

something crash in a field outside town

151
00:06:18,309 --> 00:06:16,639
razzle died in 1963 having kept a pledge

152
00:06:20,150 --> 00:06:18,319
to the air force to keep secret the

153
00:06:21,430 --> 00:06:20,160
story of what really happened in this

154
00:06:23,510 --> 00:06:21,440
field

155
00:06:24,550 --> 00:06:23,520
brazil talked to only one person about

156
00:06:27,990 --> 00:06:24,560
those events

157
00:06:29,749 --> 00:06:28,000
his son bill now 60 years old

158
00:06:32,550 --> 00:06:29,759
he told him that whatever crashed here

159
00:06:36,150 --> 00:06:32,560
was something he could not identify

160
00:06:38,950 --> 00:06:36,160
according to my dad there was a bad

161
00:06:39,350 --> 00:06:38,960
thunderstorm the night before the next

162
00:06:41,990 --> 00:06:39,360
day

163
00:06:43,670 --> 00:06:42,000

he was out on the ranch and he found

164

00:06:46,790 --> 00:06:43,680

this debris

165

00:06:49,909 --> 00:06:46,800

and he picked it all up in his pickup

166

00:06:53,990 --> 00:06:49,919

and was talking to people and

167

00:06:57,029 --> 00:06:54,000

of course there was some talk about ufos

168

00:06:57,990 --> 00:06:57,039

he was going to roswell and as far as i

169

00:06:59,749 --> 00:06:58,000

know

170

00:07:02,629 --> 00:06:59,759

he got in touch with the sheriff's

171

00:07:04,550 --> 00:07:02,639

department they in turn called the air

172

00:07:08,950 --> 00:07:04,560

force

173

00:07:14,550 --> 00:07:12,309

got with dad and swore him to secrecy

174

00:07:15,589 --> 00:07:14,560

and they came out to the ranch and

175

00:07:18,870 --> 00:07:15,599

picked up this

176

00:07:20,629 --> 00:07:18,880

debris major jesse marcel

177

00:07:22,950 --> 00:07:20,639

the chief intelligence officer at the

178

00:07:24,870 --> 00:07:22,960

base was assigned the task of collecting

179

00:07:27,430 --> 00:07:24,880

the debris from the crash site

180

00:07:28,230 --> 00:07:27,440

his selection for the job ufo proponents

181

00:07:30,070 --> 00:07:28,240

say

182

00:07:33,430 --> 00:07:30,080

is proof that the air force knew from

183

00:07:38,710 --> 00:07:36,629

with my knife i found one piece of what

184

00:07:41,909 --> 00:07:38,720

looked like metal anyway

185

00:07:42,230 --> 00:07:41,919

it was not flexible but it is as thin as

186

00:08:10,550 --> 00:07:42,240

a

187

00:08:12,629 --> 00:08:10,560

it

188

00:08:14,150 --> 00:08:12,639

when major marcel reported his findings

189

00:08:16,629 --> 00:08:14,160

to officials back at the base

190

00:08:18,710 --> 00:08:16,639

they issued a startling press release

191

00:08:20,869 --> 00:08:18,720

they had a flying saucer

192

00:08:22,550 --> 00:08:20,879

the next day major marcel was assigned

193

00:08:24,550 --> 00:08:22,560

to take the remains of the crashed

194

00:08:26,309 --> 00:08:24,560

objects to right field in ohio for

195

00:08:28,710 --> 00:08:26,319

further examination

196

00:08:31,110 --> 00:08:28,720

however the plane landed at carswell air

197

00:08:33,029 --> 00:08:31,120

force base in fort worth texas

198

00:08:34,790 --> 00:08:33,039

general alfred ramy took one piece of

199

00:08:36,230 --> 00:08:34,800

the object off the plane and called a

200

00:08:38,230 --> 00:08:36,240

press conference

201
00:08:39,589 --> 00:08:38,240
then major marcel was given different

202
00:08:42,310 --> 00:08:39,599
orders by raymie

203
00:08:43,110 --> 00:08:42,320
he was not to continue on to right field

204
00:08:44,949 --> 00:08:43,120
he told me

205
00:08:46,790 --> 00:08:44,959
not to say anything he says i'll handle

206
00:08:49,269 --> 00:08:46,800
it from now on

207
00:08:50,310 --> 00:08:49,279
and that's exactly what he did when he

208
00:08:53,990 --> 00:08:50,320
came out he said

209
00:08:55,670 --> 00:08:54,000
he told the press that was there he said

210
00:08:58,870 --> 00:08:55,680
that was nothing but a weather balloon

211
00:09:03,190 --> 00:09:00,870
marcel under orders not to say what he

212
00:09:05,590 --> 00:09:03,200
believed only recently spoke out against

213
00:09:08,310 --> 00:09:05,600

the air force's revised story

214

00:09:08,710 --> 00:09:08,320

it is definitely not a weather balloon

215

00:09:11,750 --> 00:09:08,720

and

216

00:09:14,389 --> 00:09:11,760

it was an aircraft so

217

00:09:16,470 --> 00:09:14,399

what it could have been i wouldn't know

218

00:09:18,470 --> 00:09:16,480

i still don't know

219

00:09:19,670 --> 00:09:18,480

mac brazil who had a ranch's knowledge

220

00:09:22,310 --> 00:09:19,680

of such things

221

00:09:23,990 --> 00:09:22,320

told his son that like major marcel he

222

00:09:25,110 --> 00:09:24,000

knew the object was not a weather

223

00:09:26,949 --> 00:09:25,120

balloon

224

00:09:28,630 --> 00:09:26,959

he said that's what the air force tried

225

00:09:30,630 --> 00:09:28,640

to make him believe that it was a

226

00:09:32,710 --> 00:09:30,640

weather balloon and he said bill he said

227

00:09:35,350 --> 00:09:32,720

it was not a weather balloon he said i

228

00:09:38,389 --> 00:09:35,360

don't know what it was

229

00:09:40,949 --> 00:09:38,399

when he said it was something all

230

00:09:43,110 --> 00:09:40,959

together different

231

00:09:44,150 --> 00:09:43,120

and much bigger they have

232

00:09:46,070 --> 00:09:44,160

extraterrestrials

233

00:09:47,590 --> 00:09:46,080

philip class the military expert

234

00:09:50,150 --> 00:09:47,600

disagrees

235

00:09:51,190 --> 00:09:50,160

the fact the matter is that it was not a

236

00:09:55,430 --> 00:09:51,200

weather balloon

237

00:09:58,470 --> 00:09:55,440

vehicle

238

00:09:59,509 --> 00:09:58,480

but what it was is called a radar corner

239

00:10:02,710 --> 00:09:59,519

reflector

240

00:10:05,509 --> 00:10:02,720

it's an object that is roughly hexagonal

241

00:10:07,110 --> 00:10:05,519

so that it can be tracked by radar and

242

00:10:10,150 --> 00:10:07,120

no matter what angle

243

00:10:13,110 --> 00:10:10,160

this hexagonal thing is pointing it

244

00:10:15,670 --> 00:10:13,120

always returns a strong radar echo

245

00:10:18,150 --> 00:10:15,680

so the object was not a weather balloon

246

00:10:20,949 --> 00:10:18,160

as such but it used a weather balloon

247

00:10:21,750 --> 00:10:20,959

to hoist it if the object were only a

248

00:10:24,230 --> 00:10:21,760

weather balloon

249

00:10:25,030 --> 00:10:24,240

ufo proponents say then why did the air

250

00:10:27,350 --> 00:10:25,040

force pledge

251
00:10:29,030 --> 00:10:27,360
mac brazil to secrecy and why did the

252
00:10:31,110 --> 00:10:29,040
air force pursue his son in the months

253
00:10:33,910 --> 00:10:31,120
that followed

254
00:10:35,829 --> 00:10:33,920
only 22 years old at the time bill could

255
00:10:37,829 --> 00:10:35,839
not help but be intrigued by his dad's

256
00:10:39,030 --> 00:10:37,839
discovery of the strange materials in

257
00:10:41,030 --> 00:10:39,040
this field

258
00:10:42,949 --> 00:10:41,040
he searched for and found some remnants

259
00:10:45,509 --> 00:10:42,959
of the crashed object

260
00:10:46,069 --> 00:10:45,519
and i was talking about it i went into

261
00:10:49,269 --> 00:10:46,079
corona

262
00:10:52,069 --> 00:10:49,279
and i was sitting there in the

263
00:10:54,310 --> 00:10:52,079

beer joint and i up to this of course my

264

00:10:54,710 --> 00:10:54,320

friends was asking me if i'd found any

265

00:10:57,829 --> 00:10:54,720

more

266

00:10:58,870 --> 00:10:57,839

or anything like this and i said well i

267

00:11:04,150 --> 00:10:58,880

picked up a few

268

00:11:08,949 --> 00:11:04,160

scraps about a cigar box full

269

00:11:12,150 --> 00:11:08,959

and somebody i don't know

270

00:11:15,030 --> 00:11:12,160

must have informed the air force because

271

00:11:16,870 --> 00:11:15,040

first thing i know i have visitors and

272

00:11:18,550 --> 00:11:16,880

they say they'd like to have this

273

00:11:19,990 --> 00:11:18,560

material

274

00:11:24,550 --> 00:11:20,000

and they didn't tell me they'd

275

00:11:30,790 --> 00:11:27,990

well like we're gonna have

276
00:11:32,710 --> 00:11:30,800
it one way or the other you know what

277
00:11:34,630 --> 00:11:32,720
bill and his father found was taken to

278
00:11:35,910 --> 00:11:34,640
what is now called wright-patterson air

279
00:11:38,150 --> 00:11:35,920
force base

280
00:11:39,190 --> 00:11:38,160
some believe however that much more was

281
00:11:41,590 --> 00:11:39,200
taken there

282
00:11:42,870 --> 00:11:41,600
what they say is the actual shell of a

283
00:11:46,550 --> 00:11:42,880
spacecraft

284
00:11:48,710 --> 00:11:46,560
by lightning causing pieces of it to

285
00:11:51,110 --> 00:11:48,720
fall away into mack brazil's field

286
00:11:52,550 --> 00:11:51,120
the craft itself they say crashed 78

287
00:11:54,790 --> 00:11:52,560
miles away

288
00:11:56,629 --> 00:11:54,800

the story has it that the spacecraft and

289

00:11:58,389 --> 00:11:56,639

the bodies of its alien crew members

290

00:12:01,670 --> 00:11:58,399

were then taken to right field

291

00:12:04,150 --> 00:12:01,680

and stored in hangar 18. myth

292

00:12:05,670 --> 00:12:04,160

or fact the air force denies the

293

00:12:08,790 --> 00:12:05,680

existence of craft or

294

00:12:10,629 --> 00:12:08,800

et bodies nothing has surfaced in the

295

00:12:12,710 --> 00:12:10,639

freedom of information act released

296

00:12:14,710 --> 00:12:12,720

top-secret government documents

297

00:12:19,910 --> 00:12:14,720

nothing to support what some claim is

298

00:12:24,629 --> 00:12:21,990

the air force also denies the existence

299

00:12:26,470 --> 00:12:24,639

of hangar 18 itself senator barry

300

00:12:29,190 --> 00:12:26,480

goldwater has written that he has tried

301
00:12:31,430 --> 00:12:29,200
to gain access to the legendary building

302
00:12:33,430 --> 00:12:31,440
in letters to ufo proponents goldwater

303
00:12:35,269 --> 00:12:33,440
enigmatically says that he has given up

304
00:12:37,030 --> 00:12:35,279
trying to solve the mystery

305
00:12:38,710 --> 00:12:37,040
not because he's satisfied with what he

306
00:12:40,870 --> 00:12:38,720
hears but because

307
00:12:41,750 --> 00:12:40,880
it's just impossible to get anything on

308
00:12:43,509 --> 00:12:41,760
it

309
00:12:45,910 --> 00:12:43,519
nuclear physicist stanton freeman

310
00:12:47,670 --> 00:12:45,920
however believes the evidence is there

311
00:12:50,470 --> 00:12:47,680
there's just no question at all in my

312
00:12:52,150 --> 00:12:50,480
mind that a saucer did crash

313
00:12:53,990 --> 00:12:52,160

that bodies were found by the government

314

00:12:56,470 --> 00:12:54,000

that the saucer itself was picked up by

315

00:12:59,910 --> 00:12:56,480

the government carted off for study

316

00:13:01,990 --> 00:12:59,920

uh the tremendous potential for gaining

317

00:13:05,829 --> 00:13:02,000

new technology

318

00:13:07,190 --> 00:13:05,839

from a thing is just enormous and no

319

00:13:08,870 --> 00:13:07,200

government would be foolish enough to

320

00:13:09,990 --> 00:13:08,880

put it on display instead of carting it

321

00:13:11,590 --> 00:13:10,000

off to the laboratory

322

00:13:14,310 --> 00:13:11,600

look it's one of these situations of

323

00:13:16,389 --> 00:13:14,320

where if i were a freelance writer or

324

00:13:18,230 --> 00:13:16,399

or i'd like to make a story i would love

325

00:13:20,150 --> 00:13:18,240

this story it's great it would make

326

00:13:22,629 --> 00:13:20,160

good copy but unfortunately or

327

00:13:24,310 --> 00:13:22,639

fortunately i happen to be a scientist

328

00:13:27,030 --> 00:13:24,320

and i have you might say the hippocratic

329

00:13:29,509 --> 00:13:27,040

oath of a scientist i will not

330

00:13:31,190 --> 00:13:29,519

say something is so until i'm very

331

00:13:34,150 --> 00:13:31,200

certain in my own mind that it is

332

00:13:36,069 --> 00:13:34,160

so as far as the creatures are concerned

333

00:13:37,990 --> 00:13:36,079

i honestly don't know

334

00:13:40,150 --> 00:13:38,000

dr heineck a noted astronomer from

335

00:13:41,829 --> 00:13:40,160

harvard and northwestern universities

336

00:13:45,189 --> 00:13:41,839

has been a persistent investigator of

337

00:13:46,550 --> 00:13:45,199

ufo cases in 1952 he was asked by the

338

00:13:48,710 --> 00:13:46,560

air force to join

339

00:13:50,389 --> 00:13:48,720

project blue book their ufo

340

00:13:52,150 --> 00:13:50,399

investigation unit

341

00:13:53,509 --> 00:13:52,160

17 years later he joined air force

342

00:13:55,189 --> 00:13:53,519

secretary harold brown

343

00:13:56,550 --> 00:13:55,199

at a press conference to announce the

344

00:13:57,910 --> 00:13:56,560

team's conclusions

345

00:14:00,069 --> 00:13:57,920

none of the evidence that i have

346

00:14:02,629 --> 00:14:00,079

examined would indicate

347

00:14:04,629 --> 00:14:02,639

any proof at all that we are being

348

00:14:06,230 --> 00:14:04,639

visited by extraterrestrials

349

00:14:08,710 --> 00:14:06,240

what is the air force hiding in this

350

00:14:11,269 --> 00:14:08,720

investigation we have

351

00:14:13,110 --> 00:14:11,279

not been hiding anything the

352

00:14:16,470 --> 00:14:13,120

investigations have been

353

00:14:18,629 --> 00:14:16,480

made public the explanations of those

354

00:14:20,230 --> 00:14:18,639

where there is a clear explanation have

355

00:14:22,790 --> 00:14:20,240

been made public the hearing this

356

00:14:24,870 --> 00:14:22,800

morning was public for just that reason

357

00:14:26,870 --> 00:14:24,880

project blue book was activated to deal

358

00:14:28,389 --> 00:14:26,880

with what the media was calling flying

359

00:14:31,509 --> 00:14:28,399

saucer hysteria

360

00:14:35,750 --> 00:14:31,519

they investigated 12 518

361

00:14:37,269 --> 00:14:35,760

sightings they could not explain 701 of

362

00:14:39,189 --> 00:14:37,279

them

363

00:14:40,389 --> 00:14:39,199

doubts lingered long past the report's

364

00:14:41,990 --> 00:14:40,399

publication

365

00:14:43,590 --> 00:14:42,000

even supporters of the project's

366

00:14:45,750 --> 00:14:43,600

conclusions had to wonder about

367

00:14:47,910 --> 00:14:45,760

photographs like these

368

00:14:50,069 --> 00:14:47,920

in a series of three pictures one can

369

00:14:50,710 --> 00:14:50,079

judge relative size because of the car

370

00:14:53,509 --> 00:14:50,720

window

371

00:14:55,590 --> 00:14:53,519

the telephone poles and the highway one

372

00:14:57,430 --> 00:14:55,600

can also speculate about the dirt being

373

00:14:59,750 --> 00:14:57,440

kicked up into the air

374

00:15:01,110 --> 00:14:59,760

dr heineck the leading scientist on the

375

00:15:04,310 --> 00:15:01,120

blue book panel

376

00:15:06,389 --> 00:15:04,320

began to have doubts he personally went

377

00:15:08,790 --> 00:15:06,399

to brazil to talk to the man who took

378

00:15:10,230 --> 00:15:08,800

these pictures he discussed the matters

379

00:15:11,990 --> 00:15:10,240

with the president of brazil

380

00:15:14,629 --> 00:15:12,000

and with photo analysts on both

381

00:15:17,110 --> 00:15:14,639

continents by 1973

382

00:15:18,470 --> 00:15:17,120

he had completely reevaluated his blue

383

00:15:19,990 --> 00:15:18,480

book experiences

384

00:15:22,310 --> 00:15:20,000

he now became a critic of the

385

00:15:23,509 --> 00:15:22,320

investigation and an advocate for more

386

00:15:26,470 --> 00:15:23,519

ufo study

387

00:15:29,030 --> 00:15:26,480

i was there at blue book and i know the

388

00:15:33,670 --> 00:15:29,040

the job they had

389

00:15:37,110 --> 00:15:33,680

they were told not to excite the public

390

00:15:39,509 --> 00:15:37,120

don't uh rock the boat

391

00:15:41,350 --> 00:15:39,519

and i saw it in my own eyes happened

392

00:15:43,590 --> 00:15:41,360

that whenever a case happened that

393

00:15:44,389 --> 00:15:43,600

they could explain which is quite a few

394

00:15:46,629 --> 00:15:44,399

they made

395

00:15:47,509 --> 00:15:46,639

point of that and and let that out to

396

00:15:49,990 --> 00:15:47,519

the media

397

00:15:51,110 --> 00:15:50,000

things that the the cases that were very

398

00:15:54,710 --> 00:15:51,120

difficult to explain

399

00:15:57,430 --> 00:15:54,720

they would jump the handsprings to keep

400

00:15:59,670 --> 00:15:57,440

the media away from them for their they

401
00:16:03,269 --> 00:15:59,680
had a job to do

402
00:16:07,990 --> 00:16:03,279
to whether rightfully or wrongly

403
00:16:09,829 --> 00:16:08,000
to keep the public from getting excited

404
00:16:11,670 --> 00:16:09,839
heinick's concession that it was

405
00:16:13,829 --> 00:16:11,680
possible that extraterrestrials were

406
00:16:15,269 --> 00:16:13,839
visiting us raised the ufo debate to

407
00:16:17,430 --> 00:16:15,279
another level

408
00:16:19,110 --> 00:16:17,440
a major establishment astronomer and a

409
00:16:20,790 --> 00:16:19,120
man trusted by the air force

410
00:16:22,710 --> 00:16:20,800
was now saying that intergalactic

411
00:16:24,870 --> 00:16:22,720
spacecraft could be traveling through

412
00:16:26,629 --> 00:16:24,880
our solar system

413
00:16:28,150 --> 00:16:26,639

his pronouncements caused scientists who

414

00:16:29,189 --> 00:16:28,160

might otherwise have stayed out of the

415

00:16:31,269 --> 00:16:29,199

ufo debate

416

00:16:32,230 --> 00:16:31,279

to enter it they called heineck's

417

00:16:34,310 --> 00:16:32,240

proposition

418

00:16:36,629 --> 00:16:34,320

fantasy but if we just think of our own

419

00:16:38,790 --> 00:16:36,639

galaxy you know it's a hundred thousand

420

00:16:40,550 --> 00:16:38,800

light years across that means to travel

421

00:16:43,910 --> 00:16:40,560

from one side of that

422

00:16:46,310 --> 00:16:43,920

galaxy to another side the other extreme

423

00:16:48,629 --> 00:16:46,320

edge would take you a hundred thousand

424

00:16:49,509 --> 00:16:48,639

years if you traveled at the speed of

425

00:16:51,350 --> 00:16:49,519

light

426

00:16:53,110 --> 00:16:51,360

now there's very good evidence that

427

00:16:54,629 --> 00:16:53,120

nothing travels faster than the speed of

428

00:16:56,790 --> 00:16:54,639

light i mean it seems to be

429

00:16:58,790 --> 00:16:56,800

the ultimate speed limit in the universe

430

00:17:01,509 --> 00:16:58,800

if however

431

00:17:04,710 --> 00:17:01,519

uh aliens know something we don't

432

00:17:06,549 --> 00:17:04,720

suppose they are able to

433

00:17:08,230 --> 00:17:06,559

transform space and time or manipulate

434

00:17:12,390 --> 00:17:08,240

space and time in some way

435

00:17:14,819 --> 00:17:12,400

or travel in other dimensions

436

00:17:16,870 --> 00:17:14,829

then all things are possible

437

00:17:18,870 --> 00:17:16,880

[Music]

438

00:17:20,949 --> 00:17:18,880

as man has entered the space age the

439

00:17:22,710 --> 00:17:20,959

concept that all things are possible has

440

00:17:24,069 --> 00:17:22,720

indeed become part of a new way of

441

00:17:25,669 --> 00:17:24,079

thinking

442

00:17:27,029 --> 00:17:25,679

some of the men who investigated blue

443

00:17:28,710 --> 00:17:27,039

book were born before the wright

444

00:17:30,310 --> 00:17:28,720

brothers flew at kitty hawk

445

00:17:32,549 --> 00:17:30,320

they conducted their investigation

446

00:17:33,510 --> 00:17:32,559

before man flew faster than the speed of

447

00:17:35,510 --> 00:17:33,520

sound

448

00:17:38,070 --> 00:17:35,520

even the men who flew our space missions

449

00:17:39,240 --> 00:17:38,080

concede unusual experiences that they

450

00:17:41,110 --> 00:17:39,250

cannot explain

451
00:17:43,510 --> 00:17:41,120

[Music]

452
00:17:44,310 --> 00:17:43,520

astronauts like james mcdivitt on gemini

453
00:17:46,310 --> 00:17:44,320

4 and

454
00:17:49,909 --> 00:17:46,320

ed white have reported seeing

455
00:17:53,270 --> 00:17:49,919

unidentified flying objects in space

456
00:17:55,830 --> 00:17:53,280

pete conrad on gemini 11 in 1966

457
00:17:56,870 --> 00:17:55,840

is another of the 11 astronauts who have

458
00:17:59,909 --> 00:17:56,880

seen ufos

459
00:18:01,590 --> 00:17:59,919

on nasa space flights some of these

460
00:18:03,830 --> 00:18:01,600

objects the astronauts saw were

461
00:18:06,150 --> 00:18:03,840

photographed

462
00:18:08,270 --> 00:18:06,160

nasa has called some of these sun flares

463
00:18:11,110 --> 00:18:08,280

or space debris

464

00:18:21,510 --> 00:18:11,120

[Music]

465

00:18:26,070 --> 00:18:24,070

astronaut gordon cooper was so impressed

466

00:18:26,950 --> 00:18:26,080

with an unidentified flying object he

467

00:18:28,470 --> 00:18:26,960

saw

468

00:18:30,310 --> 00:18:28,480

that he wrote about it to a special

469

00:18:32,870 --> 00:18:30,320

united nations commission studying the

470

00:18:35,270 --> 00:18:32,880

phenomena

471

00:18:36,950 --> 00:18:35,280

he wrote i believe these

472

00:18:39,590 --> 00:18:36,960

extraterrestrial vehicles

473

00:18:41,110 --> 00:18:39,600

and their crews are visiting this planet

474

00:18:42,950 --> 00:18:41,120

from other planets

475

00:18:44,390 --> 00:18:42,960

which obviously are a lot more

476
00:18:50,070 --> 00:18:44,400
technically advanced

477
00:18:55,029 --> 00:18:52,950
recently cooper reversed himself he does

478
00:18:57,510 --> 00:18:55,039
not now believe that what he saw was an

479
00:18:59,590 --> 00:18:57,520
extraterrestrial spacecraft

480
00:19:00,789 --> 00:18:59,600
another of the original mercury seven

481
00:19:03,110 --> 00:19:00,799
astronauts however

482
00:19:06,710 --> 00:19:03,120
has not changed his mind about what he

483
00:19:09,430 --> 00:19:06,720
saw on a test pilot flight in 1952

484
00:19:11,110 --> 00:19:09,440
deke slayton as i closed on this thing

485
00:19:12,549 --> 00:19:11,120
why it looked like a

486
00:19:14,150 --> 00:19:12,559
weather balloon and that's what i

487
00:19:16,150 --> 00:19:14,160
presumed it was

488
00:19:17,669 --> 00:19:16,160

and i had plenty of gas and time so i

489

00:19:19,110 --> 00:19:17,679

decided i just come back around and make

490

00:19:21,350 --> 00:19:19,120

a make a pass on it

491

00:19:22,870 --> 00:19:21,360

and i got around where i should have

492

00:19:23,909 --> 00:19:22,880

been coming back on this thing all of a

493

00:19:25,590 --> 00:19:23,919

sudden it didn't look like a balloon

494

00:19:28,789 --> 00:19:25,600

anymore it looked like a

495

00:19:30,630 --> 00:19:28,799

saucer sitting on edge about a 45 degree

496

00:19:32,310 --> 00:19:30,640

angle

497

00:19:33,909 --> 00:19:32,320

i didn't have any gun camera film on

498

00:19:35,830 --> 00:19:33,919

board unfortunately or i shot some

499

00:19:37,990 --> 00:19:35,840

pictures of it

500

00:19:39,669 --> 00:19:38,000

and about that time i guess whatever it

501
00:19:41,909 --> 00:19:39,679
was for whatever reason just

502
00:19:43,270 --> 00:19:41,919
took off climbing at about a 45 degree

503
00:19:45,590 --> 00:19:43,280
angle and

504
00:19:46,310 --> 00:19:45,600
and just accelerated and disappeared and

505
00:19:55,270 --> 00:19:46,320
i

506
00:19:57,110 --> 00:19:55,280
some ufo observers however have had

507
00:19:57,990 --> 00:19:57,120
camera and film on hand at the critical

508
00:19:59,909 --> 00:19:58,000
moment

509
00:20:02,789 --> 00:19:59,919
this footage was shot from a helicopter

510
00:20:05,909 --> 00:20:02,799
off catalina island in 1966

511
00:20:07,590 --> 00:20:05,919
some say this is a single wing aircraft

512
00:20:09,190 --> 00:20:07,600
this film was shot by the coach of the

513
00:20:12,070 --> 00:20:09,200

great falls montana minor league

514

00:20:13,990 --> 00:20:12,080

baseball team in 1950

515

00:20:16,710 --> 00:20:14,000

the air force says it is a picture of

516

00:20:18,950 --> 00:20:16,720

two aircraft

517

00:20:21,510 --> 00:20:18,960

this film was shot by a newsreel unit in

518

00:20:29,669 --> 00:20:21,520

guatemala in 1976

519

00:20:34,870 --> 00:20:31,669

this film was taken by a navy cameraman

520

00:20:36,630 --> 00:20:34,880

on vacation in trementon utah in 1952

521

00:20:38,149 --> 00:20:36,640

the air force speculates that these are

522

00:20:40,070 --> 00:20:38,159

seagulls

523

00:20:41,830 --> 00:20:40,080

dr heineck disputes the air force's

524

00:20:43,430 --> 00:20:41,840

explanation of these films

525

00:20:46,149 --> 00:20:43,440

this plus his feelings about the

526

00:20:48,630 --> 00:20:46,159

eyewitnesses helped change his mind

527

00:20:51,270 --> 00:20:48,640

i began to get certain doubts because

528

00:20:53,430 --> 00:20:51,280

not so much of any specific case

529

00:20:54,950 --> 00:20:53,440

well there were quite a few it was the

530

00:20:57,270 --> 00:20:54,960

people themselves

531

00:20:58,789 --> 00:20:57,280

i said to myself well now come on how

532

00:21:01,190 --> 00:20:58,799

much longer am i going to call these

533

00:21:03,350 --> 00:21:01,200

people crazy

534

00:21:05,190 --> 00:21:03,360

and when i changed my glasses you might

535

00:21:07,669 --> 00:21:05,200

say a little bit and took a view

536

00:21:09,190 --> 00:21:07,679

that maybe these people aren't crazy and

537

00:21:11,990 --> 00:21:09,200

began to realize what

538

00:21:13,270 --> 00:21:12,000

sort of people they were the people who

539

00:21:16,390 --> 00:21:13,280

would be accepted

540

00:21:17,830 --> 00:21:16,400

in any court of law as a witness let's

541

00:21:21,750 --> 00:21:17,840

say

542

00:21:24,789 --> 00:21:21,760

good solid people i said to myself well

543

00:21:27,750 --> 00:21:24,799

the time has come to maybe

544

00:21:29,029 --> 00:21:27,760

change my attitude it was heinek who

545

00:21:31,510 --> 00:21:29,039

coined the expressions

546

00:21:32,870 --> 00:21:31,520

close encounters of the first second and

547

00:21:34,549 --> 00:21:32,880

third kinds

548

00:21:37,510 --> 00:21:34,559

a close encounter of the first kind is

549

00:21:39,270 --> 00:21:37,520

one that centers upon a visual sighting

550

00:21:41,350 --> 00:21:39,280

heinek investigated first kind

551
00:21:44,149 --> 00:21:41,360
encounters in 1983

552
00:21:46,390 --> 00:21:44,159
in new york state local residents and

553
00:21:47,029 --> 00:21:46,400
commuters just 40 miles from new york

554
00:21:48,710 --> 00:21:47,039
city

555
00:21:50,870 --> 00:21:48,720
had been reporting sightings of an

556
00:21:53,669 --> 00:21:50,880
unusual object in the night skies for

557
00:21:56,230 --> 00:21:53,679
over a year and a half

558
00:21:57,830 --> 00:21:56,240
sightings were reported on at least 50

559
00:21:59,190 --> 00:21:57,840
separate nights during the eighteen

560
00:22:02,789 --> 00:21:59,200
month period

561
00:22:05,750 --> 00:22:02,799
over nine thousand eyewitnesses lawyers

562
00:22:06,549 --> 00:22:05,760
teachers cpas advertising executives

563
00:22:08,870 --> 00:22:06,559

nurses and

564

00:22:11,190 --> 00:22:08,880

factory workers reported seeing the

565

00:22:13,669 --> 00:22:11,200

unidentified phenomena

566

00:22:17,669 --> 00:22:13,679

newspapers and television almost weekly

567

00:22:21,510 --> 00:22:19,110

from different places throughout the

568

00:22:24,870 --> 00:22:21,520

area eyewitnesses all reported

569

00:22:25,990 --> 00:22:24,880

seeing the same thing i looked up and

570

00:22:27,990 --> 00:22:26,000

right over my head

571

00:22:29,990 --> 00:22:28,000

virtually it wasn't far off it was right

572

00:22:31,990 --> 00:22:30,000

over my head and very still

573

00:22:33,350 --> 00:22:32,000

there was a rim of lights in the shape

574

00:22:35,350 --> 00:22:33,360

of the triangle

575

00:22:37,430 --> 00:22:35,360

it was just a tremendous object it was

576

00:22:40,470 --> 00:22:37,440

anywhere from wing tip to wingtip

577

00:22:43,270 --> 00:22:40,480

about 4 50 or 60 yards

578

00:22:45,190 --> 00:22:43,280

these were very very unusual lights i've

579

00:22:47,190 --> 00:22:45,200

never seen anything like it in my life

580

00:22:49,110 --> 00:22:47,200

and so i pulled my car over and i had to

581

00:22:50,870 --> 00:22:49,120

take a look i mean he would drive down

582

00:22:52,710 --> 00:22:50,880

the road and look up in the sky

583

00:22:54,390 --> 00:22:52,720

some people like bob and laurie posioli

584

00:22:57,350 --> 00:22:54,400

were determined to film the object

585

00:22:58,470 --> 00:22:57,360

and then one night he spotted this one

586

00:23:01,110 --> 00:22:58,480

round

587

00:23:02,870 --> 00:23:01,120

object and that's when he called me and

588

00:23:08,149 --> 00:23:02,880

he said quick let's get the camera

589

00:23:11,830 --> 00:23:08,159

and we did oh good

590

00:23:13,510 --> 00:23:11,840

i don't know i'll i'll be

591

00:23:16,230 --> 00:23:13,520

gonna tell you something honey i don't

592

00:23:19,029 --> 00:23:16,240

know what the hell it is

593

00:23:19,510 --> 00:23:19,039

it's rotating bob and lori photographed

594

00:23:21,430 --> 00:23:19,520

this

595

00:23:23,510 --> 00:23:21,440

unidentified flying object near their

596

00:23:25,510 --> 00:23:23,520

home in brewster new york

597

00:23:27,029 --> 00:23:25,520

bob is a vice president in a manhattan

598

00:23:28,470 --> 00:23:27,039

computer firm

599

00:23:30,630 --> 00:23:28,480

some of their friends and laurie's

600

00:23:33,430 --> 00:23:30,640

parents thought they were crazy

601
00:23:36,789 --> 00:23:33,440
despite this photographic evidence yeah

602
00:23:39,830 --> 00:23:36,799
it's turning very very slowly

603
00:23:42,870 --> 00:23:39,840
9 000 odd people have seen this thing or

604
00:23:45,990 --> 00:23:42,880
whatever it is and they

605
00:23:47,110 --> 00:23:46,000
all just can't be crazy bob and lori

606
00:23:48,789 --> 00:23:47,120
have two children

607
00:23:51,269 --> 00:23:48,799
they are concerned about what they saw

608
00:23:54,470 --> 00:23:51,279
in the sky they also wonder why the

609
00:23:56,149 --> 00:23:54,480
government hasn't investigated the event

610
00:23:58,149 --> 00:23:56,159
their concern is shared by david

611
00:23:59,269 --> 00:23:58,159
scarpino an accountant who works in new

612
00:24:01,669 --> 00:23:59,279
york city

613
00:24:04,149 --> 00:24:01,679

scarpino a family man has publicly

614

00:24:05,750 --> 00:24:04,159

called for a government investigation

615

00:24:08,149 --> 00:24:05,760

he and others like bill healy a

616

00:24:10,710 --> 00:24:08,159

meteorologist at the county airport

617

00:24:12,549 --> 00:24:10,720

made this demand at a town meeting

618

00:24:14,070 --> 00:24:12,559

public furore has been led by county

619

00:24:15,430 --> 00:24:14,080

clerk dennis sant

620

00:24:17,510 --> 00:24:15,440

sant feels that a government

621

00:24:19,269 --> 00:24:17,520

investigation is indicated by the fact

622

00:24:19,750 --> 00:24:19,279

that eyewitnesses have all reported

623

00:24:21,909 --> 00:24:19,760

seeing

624

00:24:23,830 --> 00:24:21,919

the same thing you know the movement was

625

00:24:27,190 --> 00:24:23,840

almost like a probing movement

626

00:24:29,990 --> 00:24:27,200

it was very slow and it stopped uh

627

00:24:32,149 --> 00:24:30,000

periodically and stationary where it

628

00:24:34,149 --> 00:24:32,159

just came to a stand still

629

00:24:36,149 --> 00:24:34,159

and then it would move to an another

630

00:24:37,590 --> 00:24:36,159

position and the movement from one

631

00:24:41,510 --> 00:24:37,600

position to another was

632

00:24:43,269 --> 00:24:41,520

just extremely slow now the speed

633

00:24:45,430 --> 00:24:43,279

at which it was going at that point was

634

00:24:45,990 --> 00:24:45,440

very slow because i had to walk at a

635

00:24:47,990 --> 00:24:46,000

very slow

636

00:24:50,470 --> 00:24:48,000

delivery gate to keep up with just keep

637

00:24:51,269 --> 00:24:50,480

up the lights every step i took it moved

638

00:24:53,590 --> 00:24:51,279

a little bit

639

00:24:56,230 --> 00:24:53,600

it moved in a very straight line very

640

00:24:58,230 --> 00:24:56,240

slowly there was absolutely no noise

641

00:25:00,710 --> 00:24:58,240

when i walked away from it at that point

642

00:25:02,310 --> 00:25:00,720

it started to rotate virtually

643

00:25:03,830 --> 00:25:02,320

almost as it was on an axis it didn't

644

00:25:06,549 --> 00:25:03,840

make a big loop it just

645

00:25:07,269 --> 00:25:06,559

rotated it appeared as i said to rotate

646

00:25:10,549 --> 00:25:07,279

in the sky

647

00:25:12,870 --> 00:25:10,559

change lights aircraft i don't care how

648

00:25:13,669 --> 00:25:12,880

well precise you want to be in flying

649

00:25:14,710 --> 00:25:13,679

those suckers

650

00:25:17,350 --> 00:25:14,720

you're not going to be able to make them

651
00:25:19,269 --> 00:25:17,360
move 90 degrees alright this thing did

652
00:25:22,230 --> 00:25:19,279
apparently rotate

653
00:25:23,430 --> 00:25:22,240
you can't do that with aircraft could it

654
00:25:25,510 --> 00:25:23,440
have been an aircraft

655
00:25:26,630 --> 00:25:25,520
or many smaller light planes flying in

656
00:25:28,549 --> 00:25:26,640
formation

657
00:25:30,630 --> 00:25:28,559
the media attention given the sightings

658
00:25:32,630 --> 00:25:30,640
prompted six pilots at a local airport

659
00:25:34,310 --> 00:25:32,640
to try to prove that it could be just

660
00:25:37,110 --> 00:25:34,320
that

661
00:25:39,029 --> 00:25:37,120
amused by the idea of ufos the pilots

662
00:25:41,350 --> 00:25:39,039
planned and flew at least 18

663
00:25:42,070 --> 00:25:41,360

daring nighttime missions flying in

664

00:25:45,550 --> 00:25:42,080

formation

665

00:25:50,470 --> 00:25:48,870

[Music]

666

00:25:52,149 --> 00:25:50,480

this hoax fooled at least some of the

667

00:25:54,630 --> 00:25:52,159

eyewitnesses

668

00:25:56,870 --> 00:25:54,640

but not bob and laurie they claim that

669

00:25:59,029 --> 00:25:56,880

in addition to photographing the ufo

670

00:26:03,590 --> 00:25:59,039

they also videotaped the light airplanes

671

00:26:10,070 --> 00:26:07,029

there are six and the lead one has his

672

00:26:13,380 --> 00:26:10,080

three lights on everybody else only has

673

00:26:15,750 --> 00:26:13,390

two did you hear the engines

674

00:26:18,149 --> 00:26:15,760

[Music]

675

00:26:20,230 --> 00:26:18,159

some ufo investigators agree that many

676
00:26:21,430 --> 00:26:20,240
of the reported sightings were probably

677
00:26:23,830 --> 00:26:21,440
of the hoax

678
00:26:25,830 --> 00:26:23,840
but some eyewitnesses they say were

679
00:26:26,870 --> 00:26:25,840
clearly able to differentiate between

680
00:26:30,950 --> 00:26:26,880
the hoax

681
00:26:34,549 --> 00:26:32,710
as it was coming over there was a star

682
00:26:38,070 --> 00:26:34,559
in the sky and

683
00:26:39,909 --> 00:26:38,080
as the lead light went

684
00:26:41,669 --> 00:26:39,919
under that star right behind it you

685
00:26:44,390 --> 00:26:41,679
could still see the star which meant

686
00:26:46,630 --> 00:26:44,400
it was not a solid object and as it was

687
00:26:49,750 --> 00:26:46,640
going overhead you did hear

688
00:26:50,789 --> 00:26:49,760

engines all right now what kind of

689

00:26:52,870 --> 00:26:50,799

aircraft engines

690

00:26:54,149 --> 00:26:52,880

i don't know but you did hear aircraft

691

00:26:57,669 --> 00:26:54,159

engine noise

692

00:26:59,029 --> 00:26:57,679

different flying movements ufo

693

00:27:01,669 --> 00:26:59,039

proponents say

694

00:27:04,710 --> 00:27:01,679

clearly make the airplanes ifos

695

00:27:07,590 --> 00:27:04,720

identified flying objects

696

00:27:12,470 --> 00:27:07,600

but this object or objects remains

697

00:27:16,470 --> 00:27:14,549

some eyewitnesses refuse to accept the

698

00:27:18,789 --> 00:27:16,480

possibility that these are also the

699

00:27:20,630 --> 00:27:18,799

lights of the airplanes

700

00:27:22,149 --> 00:27:20,640

i know it wasn't it wasn't an ultra

701
00:27:25,110 --> 00:27:22,159
light it wasn't a blimp

702
00:27:25,830 --> 00:27:25,120
it wasn't gas no one's trying to tell me

703
00:27:29,909 --> 00:27:25,840
what it was

704
00:27:32,310 --> 00:27:29,919
have subjected the videotape

705
00:27:32,950 --> 00:27:32,320
images of the hoax and the unidentified

706
00:27:35,430 --> 00:27:32,960
lights

707
00:27:37,350 --> 00:27:35,440
to various computer analyses by

708
00:27:39,029 --> 00:27:37,360
digitalization of the images

709
00:27:41,190 --> 00:27:39,039
they hope to be able to determine if the

710
00:27:41,909 --> 00:27:41,200
area between the lights of the ufo was

711
00:27:44,470 --> 00:27:41,919
solid

712
00:27:46,389 --> 00:27:44,480
indicating one craft the airplanes they

713
00:27:47,750 --> 00:27:46,399

hoped would show night sky in the center

714

00:27:51,990 --> 00:27:47,760

of the lights

715

00:27:55,029 --> 00:27:52,000

physicist al hibbs pictures like this

716

00:27:56,950 --> 00:27:55,039

night sky a few lights taken with a

717

00:27:57,990 --> 00:27:56,960

television camera that was perhaps being

718

00:27:59,510 --> 00:27:58,000

moved act

719

00:28:01,110 --> 00:27:59,520

not deliberately but accidentally while

720

00:28:02,710 --> 00:28:01,120

i was taking the pictures

721

00:28:04,310 --> 00:28:02,720

there's really nothing you can you can

722

00:28:06,470 --> 00:28:04,320

say about these things in

723

00:28:07,830 --> 00:28:06,480

one case there a very good explanation

724

00:28:08,470 --> 00:28:07,840

is offered and i see no reason to just

725

00:28:10,230 --> 00:28:08,480

believe it

726
00:28:11,669 --> 00:28:10,240
in the other case there's no explanation

727
00:28:14,710 --> 00:28:11,679
i certainly can't offer one

728
00:28:17,029 --> 00:28:14,720
i would love it if ufos if

729
00:28:19,510 --> 00:28:17,039
some ufos were extraterrestrial objects

730
00:28:20,789 --> 00:28:19,520
being piloted by extraterrestrial beings

731
00:28:22,710 --> 00:28:20,799
i think that'd be the most marvelous

732
00:28:25,190 --> 00:28:22,720
discovery of the history of man

733
00:28:26,230 --> 00:28:25,200
i'd love to have that be true so i'm not

734
00:28:29,990 --> 00:28:26,240
going to say

735
00:28:32,149 --> 00:28:30,000
that objects foreign objects

736
00:28:33,590 --> 00:28:32,159
artifacts made by intelligent creatures

737
00:28:34,950 --> 00:28:33,600
in the solar system i'm not going to say

738
00:28:38,070 --> 00:28:34,960

that's preposterous

739

00:28:40,389 --> 00:28:38,080

i'm going to say it is so unusual so

740

00:28:42,070 --> 00:28:40,399

immensely important that i'm not going

741

00:28:44,149 --> 00:28:42,080

to assign anything like any sightings

742

00:28:46,789 --> 00:28:44,159

like this to that phenomenon

743

00:28:47,430 --> 00:28:46,799

without a lot more data insufficient

744

00:28:50,230 --> 00:28:47,440

data

745

00:28:51,590 --> 00:28:50,240

the object remains unidentified for

746

00:28:54,070 --> 00:28:51,600

government officials therefore

747

00:28:55,430 --> 00:28:54,080

it is of no consequence but for the new

748

00:28:58,549 --> 00:28:55,440

york eyewitnesses

749

00:29:00,310 --> 00:28:58,559

the question of what it is remains

750

00:29:02,389 --> 00:29:00,320

they find the government's apparent lack

751
00:29:04,549 --> 00:29:02,399
of interest puzzling

752
00:29:06,070 --> 00:29:04,559
the government didn't come to me as a

753
00:29:08,630 --> 00:29:06,080
rational individual

754
00:29:09,590 --> 00:29:08,640
as an accountant i like concrete things

755
00:29:11,029 --> 00:29:09,600
i like evidence

756
00:29:12,950 --> 00:29:11,039
for them to say that i didn't see

757
00:29:14,389 --> 00:29:12,960
anything without really talking to me

758
00:29:16,149 --> 00:29:14,399
and investigating it

759
00:29:17,510 --> 00:29:16,159
it means that they were trying to hide

760
00:29:18,710 --> 00:29:17,520
something that was my feeling from the

761
00:29:22,630 --> 00:29:18,720
very beginning

762
00:29:24,230 --> 00:29:22,640
they know something okay they know

763
00:29:25,669 --> 00:29:24,240

something either they know that there's

764

00:29:27,430 --> 00:29:25,679

something up there

765

00:29:29,510 --> 00:29:27,440

and they don't they want to investigate

766

00:29:32,630 --> 00:29:29,520

it themselves and don't want

767

00:29:34,630 --> 00:29:32,640

other people trying to handle it or

768

00:29:36,310 --> 00:29:34,640

they're doing something but if they're

769

00:29:39,350 --> 00:29:36,320

doing something then let

770

00:29:41,669 --> 00:29:39,360

people know about it this new york state

771

00:29:42,230 --> 00:29:41,679

event occurred over a densely populated

772

00:29:44,870 --> 00:29:42,240

area

773

00:29:46,710 --> 00:29:44,880

and over a nuclear plant prompting one

774

00:29:47,510 --> 00:29:46,720

eyewitness new york attorney peter

775

00:29:50,149 --> 00:29:47,520

gersten

776
00:29:51,669 --> 00:29:50,159
to suspect a government cover-up with

777
00:29:53,909 --> 00:29:51,679
others like larry fawcett

778
00:29:55,029 --> 00:29:53,919
a police officer in coventry connecticut

779
00:29:58,070 --> 00:29:55,039
he helped establish

780
00:29:59,990 --> 00:29:58,080
citizens against ufo secrecy

781
00:30:01,990 --> 00:30:00,000
fawcett who says the way he views the

782
00:30:04,149 --> 00:30:02,000
world has been drastically affected by

783
00:30:05,029 --> 00:30:04,159
his sightings of a ufo in nineteen sixty

784
00:30:06,789 --> 00:30:05,039
five

785
00:30:09,029 --> 00:30:06,799
petition the government for the release

786
00:30:10,789 --> 00:30:09,039
of ufo-related documents

787
00:30:12,310 --> 00:30:10,799
these documents released under the

788
00:30:13,909 --> 00:30:12,320

freedom of information act were

789

00:30:16,070 --> 00:30:13,919

previously classified

790

00:30:17,990 --> 00:30:16,080

top secret an example of some of the

791

00:30:19,990 --> 00:30:18,000

government documents we have

792

00:30:22,789 --> 00:30:20,000

obtained are the overflights over the

793

00:30:25,350 --> 00:30:22,799

military bases in 1975

794

00:30:26,070 --> 00:30:25,360

over wordsmith air force base in

795

00:30:28,710 --> 00:30:26,080

michigan

796

00:30:30,710 --> 00:30:28,720

over malmstrom air force base in montana

797

00:30:33,190 --> 00:30:30,720

loring air force base in maine

798

00:30:35,750 --> 00:30:33,200

minat air force base in north dakota

799

00:30:39,029 --> 00:30:35,760

over a period of six weeks

800

00:30:42,310 --> 00:30:39,039

unusual unknown unidentified objects

801
00:30:45,110 --> 00:30:42,320
we're traveling at uh exceedingly quick

802
00:30:46,070 --> 00:30:45,120
and fast speeds uh what's interesting is

803
00:30:48,630 --> 00:30:46,080
that

804
00:30:49,990 --> 00:30:48,640
even to this date the government has not

805
00:30:53,110 --> 00:30:50,000
acknowledged that it was able to

806
00:30:55,269 --> 00:30:53,120
identify any of those objects

807
00:30:57,590 --> 00:30:55,279
the documents do state that there were

808
00:31:01,029 --> 00:30:57,600
confirmed sightings at all four bases

809
00:31:02,630 --> 00:31:01,039
in october and november 1975.

810
00:31:04,389 --> 00:31:02,640
the first sighting was at lauren air

811
00:31:06,470 --> 00:31:04,399
force base in maine

812
00:31:10,630 --> 00:31:06,480
loring like the other bases was a

813
00:31:13,750 --> 00:31:12,789

the documents do not state however that

814

00:31:17,350 --> 00:31:13,760

these objects were

815

00:31:20,549 --> 00:31:17,360

alien spacecraft they do state

816

00:31:23,669 --> 00:31:20,559

that the military reaction was swift and

817

00:31:27,750 --> 00:31:25,990

at lauren there were two separate events

818

00:31:32,870 --> 00:31:27,760

something unidentified appeared in the

819

00:31:34,470 --> 00:31:32,880

night sky above the weapons storage area

820

00:31:35,990 --> 00:31:34,480

[Music]

821

00:31:37,509 --> 00:31:36,000

larry fawcett having learned of the

822

00:31:40,310 --> 00:31:37,519

event in the release documents

823

00:31:42,310 --> 00:31:40,320

investigated military people and guards

824

00:31:44,310 --> 00:31:42,320

in and around the weapons storage areas

825

00:31:47,110 --> 00:31:44,320

began to report lights

826
00:31:49,509 --> 00:31:47,120
uh hovering or landing within the weapon

827
00:31:51,669 --> 00:31:49,519
storage areas

828
00:31:53,669 --> 00:31:51,679
people would military people would

829
00:31:54,710 --> 00:31:53,679
respond to the area only to see the

830
00:31:56,230 --> 00:31:54,720
lights go out

831
00:31:58,070 --> 00:31:56,240
and the object disappear and then

832
00:32:01,190 --> 00:31:58,080
reappear over the runway

833
00:32:02,950 --> 00:32:01,200
it's described as football shaped uh

834
00:32:05,269 --> 00:32:02,960
the length of maybe two or three

835
00:32:07,430 --> 00:32:05,279
vehicles cars if you will

836
00:32:09,190 --> 00:32:07,440
uh the witness telling us that there are

837
00:32:11,269 --> 00:32:09,200
shimmerings of heat

838
00:32:12,310 --> 00:32:11,279

as you would see off a desert scene in a

839

00:32:14,149 --> 00:32:12,320

movie

840

00:32:15,669 --> 00:32:14,159

when we question the individual could it

841

00:32:16,950 --> 00:32:15,679

have been an aircraft could it have been

842

00:32:18,950 --> 00:32:16,960

in helicopter

843

00:32:20,630 --> 00:32:18,960

the military person and i'll give you

844

00:32:22,470 --> 00:32:20,640

his name steve eichner

845

00:32:24,070 --> 00:32:22,480

telling us no i know what helicopters

846

00:32:25,590 --> 00:32:24,080

look like i've been around aircraft i

847

00:32:27,029 --> 00:32:25,600

work on aircraft this is something i've

848

00:32:29,269 --> 00:32:27,039

never seen before

849

00:32:31,509 --> 00:32:29,279

the official records which i quote in my

850

00:32:33,110 --> 00:32:31,519

book indicate that on the first night

851
00:32:35,029 --> 00:32:33,120
it certainly was a helicopter it was

852
00:32:38,470 --> 00:32:35,039
described as a helicopter

853
00:32:41,029 --> 00:32:38,480
now if the officers on the base

854
00:32:43,990 --> 00:32:41,039
experienced pilots if they don't know a

855
00:32:47,350 --> 00:32:44,000
helicopter and we have to depend on some

856
00:32:50,310 --> 00:32:47,360
gi who's not a pilot who comes forward

857
00:32:51,590 --> 00:32:50,320
not at the time but years later he

858
00:32:54,549 --> 00:32:51,600
claims to have been there

859
00:32:55,190 --> 00:32:54,559
and claims it was not a helicopter again

860
00:32:57,590 --> 00:32:55,200
let's go

861
00:32:59,830 --> 00:32:57,600
on the official records it is the

862
00:33:01,269 --> 00:32:59,840
official records that fawcett uses to

863
00:33:02,950 --> 00:33:01,279

substantiate his claim

864

00:33:05,350 --> 00:33:02,960

that helicopters could not be the

865

00:33:06,710 --> 00:33:05,360

explanation the military response at all

866

00:33:09,110 --> 00:33:06,720

four bases he says

867

00:33:11,509 --> 00:33:09,120

was too dramatic from our documentation

868

00:33:13,990 --> 00:33:11,519

we know of pursuits that occurred

869

00:33:15,830 --> 00:33:14,000

scrambling of aircraft from warring air

870

00:33:16,950 --> 00:33:15,840

force base and the chases went up into

871

00:33:19,750 --> 00:33:16,960

the canadian

872

00:33:21,350 --> 00:33:19,760

territory if you will only to be lost

873

00:33:22,389 --> 00:33:21,360

around new brunswick somewhere up in

874

00:33:23,190 --> 00:33:22,399

that area

875

00:33:25,669 --> 00:33:23,200

there's no question there were

876

00:33:27,669 --> 00:33:25,679

overflights of unknowns

877

00:33:29,430 --> 00:33:27,679

uh sometimes referred to as helicopters

878

00:33:31,590 --> 00:33:29,440

but if you talk till the people read the

879

00:33:33,830 --> 00:33:31,600

official government statements

880

00:33:35,750 --> 00:33:33,840

it's clear that they were concerned that

881

00:33:36,549 --> 00:33:35,760

there were scrambles of jets to go after

882

00:33:38,230 --> 00:33:36,559

these things

883

00:33:40,549 --> 00:33:38,240

that they were being observed by highly

884

00:33:43,029 --> 00:33:40,559

qualified people

885

00:33:44,470 --> 00:33:43,039

we were lied to flat out about those

886

00:33:46,470 --> 00:33:44,480

cases as a matter of fact some of the

887

00:33:47,669 --> 00:33:46,480

documents we eventually got

888

00:33:50,149 --> 00:33:47,679

clearly indicated that there were

889

00:33:52,549 --> 00:33:50,159

instructions to local base commanders

890

00:33:53,909 --> 00:33:52,559

don't say anything about the sightings

891

00:33:55,909 --> 00:33:53,919

at the other bases

892

00:33:57,350 --> 00:33:55,919

make it appear to be an isolated

893

00:33:59,350 --> 00:33:57,360

instance

894

00:34:01,590 --> 00:33:59,360

military authorities will not comment on

895

00:34:03,509 --> 00:34:01,600

the 1975 overflights

896

00:34:05,590 --> 00:34:03,519

they simply state that at any sac

897

00:34:06,070 --> 00:34:05,600

installation there would always be an

898

00:34:09,109 --> 00:34:06,080

immediate

899

00:34:11,589 --> 00:34:09,119

defensive response to anything unknown

900

00:34:13,270 --> 00:34:11,599

putting planes in the air they say does

901
00:34:15,990 --> 00:34:13,280
not confirm a penetration

902
00:34:18,069 --> 00:34:16,000
of an intergalactic craft citizens

903
00:34:19,990 --> 00:34:18,079
against ufo secrecy however

904
00:34:22,149 --> 00:34:20,000
refer to other documents they've gotten

905
00:34:22,869 --> 00:34:22,159
released by the pentagon to prove their

906
00:34:26,389 --> 00:34:22,879
claims

907
00:34:28,869 --> 00:34:26,399
in may of 1985 we've

908
00:34:31,270 --> 00:34:28,879
gotten a document that was classified

909
00:34:34,710 --> 00:34:31,280
top secret in 1948

910
00:34:36,790 --> 00:34:34,720
and about a month after its um

911
00:34:38,389 --> 00:34:36,800
its release to the other agencies its

912
00:34:40,230 --> 00:34:38,399
distribution it was ordered

913
00:34:42,629 --> 00:34:40,240

recalled and destroyed each and every

914

00:34:44,069 --> 00:34:42,639

copy one copy was kept and it has

915

00:34:46,470 --> 00:34:44,079

remained top secret

916

00:34:47,990 --> 00:34:46,480

classified top secret for the last what

917

00:34:49,589 --> 00:34:48,000

is it 40 years almost

918

00:34:52,550 --> 00:34:49,599

and in the document the government

919

00:34:54,310 --> 00:34:52,560

acknowledges back in 1948 the existence

920

00:34:56,310 --> 00:34:54,320

and reality of the objects

921

00:34:58,230 --> 00:34:56,320

the official military position about any

922

00:34:59,349 --> 00:34:58,240

document issued before the project blue

923

00:35:01,589 --> 00:34:59,359

book investigation

924

00:35:03,670 --> 00:35:01,599

is that blue book later explained them

925

00:35:05,109 --> 00:35:03,680

this includes a startling document

926
00:35:08,230 --> 00:35:05,119
written by a canadian

927
00:35:09,190 --> 00:35:08,240
wilbert smith stated flat out in his top

928
00:35:10,950 --> 00:35:09,200
secret memo

929
00:35:13,349 --> 00:35:10,960
and i think was declassified by mistake

930
00:35:15,109 --> 00:35:13,359
frankly that this is the most classified

931
00:35:16,470 --> 00:35:15,119
subject in the united states even more

932
00:35:20,310 --> 00:35:16,480
so than the h-bomb

933
00:35:22,470 --> 00:35:20,320
and that flat out flying saucers exist

934
00:35:23,750 --> 00:35:22,480
this is the opinion of one man a

935
00:35:31,109 --> 00:35:23,760
canadian officer

936
00:35:33,510 --> 00:35:31,119
in 1947

937
00:35:35,589 --> 00:35:33,520
for proof that flying saucers do exist

938
00:35:37,270 --> 00:35:35,599

some critics demand more than just the

939

00:35:39,589 --> 00:35:37,280

accounts of those who have had close

940

00:35:42,150 --> 00:35:39,599

encounters of the first kind

941

00:35:44,630 --> 00:35:42,160

visual sightings even when first-kind

942

00:35:46,550 --> 00:35:44,640

encounters are reinforced by photographs

943

00:35:49,270 --> 00:35:46,560

they fail to satisfy the need for

944

00:35:51,109 --> 00:35:49,280

physical evidence this woman claims that

945

00:35:52,630 --> 00:35:51,119

she has had a close encounter of the

946

00:35:55,910 --> 00:35:52,640

second kind

947

00:35:59,030 --> 00:35:55,920

its having

948

00:36:00,950 --> 00:35:59,040

physical evidence vicki landrum along

949

00:36:03,030 --> 00:36:00,960

with her grandson kobe lee

950

00:36:04,950 --> 00:36:03,040

alleges that they along with betty cash

951
00:36:06,470 --> 00:36:04,960
were on their way home from a bingo game

952
00:36:13,349 --> 00:36:06,480
when they encountered something

953
00:36:15,510 --> 00:36:13,359
they had never seen before

954
00:36:19,109 --> 00:36:15,520
the alleged event took place on december

955
00:36:21,190 --> 00:36:19,119
28 1980.

956
00:36:23,990 --> 00:36:21,200
vicky and colby were driving in betty's

957
00:36:27,190 --> 00:36:24,000
car on highway 1485

958
00:36:29,430 --> 00:36:27,200
30 miles from the houston airport and

959
00:36:33,109 --> 00:36:29,440
only 37 miles from nasa's

960
00:36:36,630 --> 00:36:33,119
american space headquarters kobe lee

961
00:36:39,430 --> 00:36:36,640
saw a light and he kept

962
00:36:39,990 --> 00:36:39,440
asking us what the light was and he kept

963
00:36:42,950 --> 00:36:40,000

pulling my

964

00:36:43,349 --> 00:36:42,960

face around and asking me ma'am what is

965

00:36:47,510 --> 00:36:43,359

it

966

00:36:49,270 --> 00:36:47,520

and i said honey i don't know and uh

967

00:36:51,190 --> 00:36:49,280

uh but he said i believe it's getting

968

00:36:51,990 --> 00:36:51,200

closer and i said well it kind of looks

969

00:36:54,069 --> 00:36:52,000

like it

970

00:36:55,349 --> 00:36:54,079

but we had no idea that we were going to

971

00:36:58,790 --> 00:36:55,359

get hurt

972

00:37:01,670 --> 00:36:58,800

i would say within an instant of soul

973

00:37:03,990 --> 00:37:01,680

all of us noticed it because it lit up

974

00:37:06,150 --> 00:37:04,000

the entire sky there was no way

975

00:37:08,310 --> 00:37:06,160

you could have missed it it looked like

976
00:37:11,670 --> 00:37:08,320
the woods were being set on fire

977
00:37:15,270 --> 00:37:11,680
and uh uh

978
00:37:18,150 --> 00:37:15,280
inside the car it was so hot

979
00:37:23,030 --> 00:37:18,160
to my hand print is yet on the dashboard

980
00:37:25,190 --> 00:37:23,040
of betty's car

981
00:37:27,510 --> 00:37:25,200
they got out on this side of the car i

982
00:37:30,230 --> 00:37:27,520
stepped out on mine

983
00:37:31,270 --> 00:37:30,240
i stood behind the car door for just a

984
00:37:32,950 --> 00:37:31,280
second or so

985
00:37:34,710 --> 00:37:32,960
and i walked toward the front of the

986
00:37:39,109 --> 00:37:34,720
automobile

987
00:37:43,510 --> 00:37:39,119
i stood there for just a short time

988
00:37:47,030 --> 00:37:43,520

i don't know how long trying to see

989

00:37:47,910 --> 00:37:47,040

what i could figure this object out to

990

00:37:51,270 --> 00:37:47,920

be

991

00:37:52,630 --> 00:37:51,280

it was diamond shaped it didn't mean it

992

00:37:54,950 --> 00:37:52,640

was sharp up here

993

00:37:55,990 --> 00:37:54,960

and sharp down here it was kind of round

994

00:37:58,390 --> 00:37:56,000

and the fire come

995

00:37:59,270 --> 00:37:58,400

out the bottom of it but here was this

996

00:38:04,230 --> 00:37:59,280

huge

997

00:38:07,910 --> 00:38:04,240

object and flame shooting from it

998

00:38:11,109 --> 00:38:07,920

and they weren't just small flames

999

00:38:12,790 --> 00:38:11,119

they were gushing from it and kobe was

1000

00:38:15,589 --> 00:38:12,800

hanging on to me

1001
00:38:16,710 --> 00:38:15,599
and i he was trying to get uh he started

1002
00:38:18,630 --> 00:38:16,720
pulling away from me

1003
00:38:20,390 --> 00:38:18,640
and i pushed him back in the car and i

1004
00:38:22,230 --> 00:38:20,400
got inside the car

1005
00:38:24,310 --> 00:38:22,240
and put my arm around him and hugged him

1006
00:38:27,750 --> 00:38:24,320
up real close to me

1007
00:38:32,310 --> 00:38:27,760
we thought it was the end of time

1008
00:38:37,750 --> 00:38:32,320
i says uh um kobe don't be afraid

1009
00:38:40,069 --> 00:38:37,760
i said if you see a man it'll be jesus

1010
00:38:41,030 --> 00:38:40,079
and i said he will come to carry us to a

1011
00:38:43,990 --> 00:38:41,040
better place

1012
00:38:45,910 --> 00:38:44,000
he will not hurt you it was just burning

1013
00:38:47,270 --> 00:38:45,920

it was just too much heat i could not

1014

00:38:49,349 --> 00:38:47,280

tolerate it

1015

00:38:51,030 --> 00:38:49,359

so vicky screamed and begged for me to

1016

00:38:53,349 --> 00:38:51,040

get back in the car

1017

00:38:54,950 --> 00:38:53,359

well i did but i had to use the end of

1018

00:38:57,270 --> 00:38:54,960

my leather jacket

1019

00:39:00,310 --> 00:38:57,280

in order to open my car door to get back

1020

00:39:01,030 --> 00:39:00,320

in that's just how hot it was and when

1021

00:39:04,150 --> 00:39:01,040

the

1022

00:39:05,270 --> 00:39:04,160

object lifted and slowly moved over to

1023

00:39:09,030 --> 00:39:05,280

the right of us

1024

00:39:11,270 --> 00:39:09,040

her and kobe saw some helicopters

1025

00:39:13,190 --> 00:39:11,280

there were so many of them it sounded

1026

00:39:17,030 --> 00:39:13,200

like a tornado

1027

00:39:20,230 --> 00:39:17,040

and we counted 23 i counted 22

1028

00:39:23,349 --> 00:39:20,240

really but kobe said there's one more

1029

00:39:26,150 --> 00:39:23,359

and i said yeah baby that makes 23. and

1030

00:39:29,750 --> 00:39:26,160

there were helicopters on both sides

1031

00:39:32,150 --> 00:39:29,760

and also over the top

1032

00:39:33,670 --> 00:39:32,160

of the object or like they were trying

1033

00:39:35,670 --> 00:39:33,680

to hem it in

1034

00:39:36,870 --> 00:39:35,680

the only apparent proof the women have

1035

00:39:38,710 --> 00:39:36,880

for what happened to them

1036

00:39:40,550 --> 00:39:38,720

is the illness they claim they suffered

1037

00:39:42,630 --> 00:39:40,560

as a result of the encounter

1038

00:39:44,150 --> 00:39:42,640

it is the record of these illnesses that

1039

00:39:48,310 --> 00:39:44,160

made this an encounter

1040

00:39:50,870 --> 00:39:48,320

of the second kind my eyes were burned

1041

00:39:51,349 --> 00:39:50,880

so till they would uh swell and they

1042

00:39:53,510 --> 00:39:51,359

were

1043

00:39:55,190 --> 00:39:53,520

uh tearing till i could lay down at

1044

00:39:57,270 --> 00:39:55,200

night and the next morning my pillow

1045

00:40:00,230 --> 00:39:57,280

would be completely wet

1046

00:40:01,510 --> 00:40:00,240

and i couldn't i couldn't hardly see

1047

00:40:03,829 --> 00:40:01,520

anything

1048

00:40:05,670 --> 00:40:03,839

vicki was treated for burns and she and

1049

00:40:06,710 --> 00:40:05,680

kolbe lee suffered long periods of

1050

00:40:08,870 --> 00:40:06,720

nausea

1051
00:40:11,270 --> 00:40:08,880
betty cash was hospitalized immediately

1052
00:40:13,349 --> 00:40:11,280
after the event she suffered severe hair

1053
00:40:14,309 --> 00:40:13,359
loss and was also treated for burns and

1054
00:40:16,390 --> 00:40:14,319
nausea

1055
00:40:17,430 --> 00:40:16,400
since then she has been hospitalized

1056
00:40:19,750 --> 00:40:17,440
several times

1057
00:40:21,910 --> 00:40:19,760
it is the first time that i went into

1058
00:40:25,829 --> 00:40:21,920
the hospital they were treating us

1059
00:40:28,230 --> 00:40:25,839
as burns but then after they found

1060
00:40:28,870 --> 00:40:28,240
out really what had happened then they

1061
00:40:33,589 --> 00:40:28,880
started

1062
00:40:37,430 --> 00:40:33,599
treating us as radioactive burns

1063
00:40:39,109 --> 00:40:37,440

and since i have had cancer

1064

00:40:41,030 --> 00:40:39,119

betty's hospital records do not

1065

00:40:43,030 --> 00:40:41,040

explicitly state that she was treated

1066

00:40:45,430 --> 00:40:43,040

for radioactive burns

1067

00:40:47,430 --> 00:40:45,440

they do state however that she exhibited

1068

00:40:49,109 --> 00:40:47,440

the symptoms similar to someone

1069

00:40:50,950 --> 00:40:49,119

who might have been exposed to a

1070

00:40:53,109 --> 00:40:50,960

radioactive element

1071

00:40:55,190 --> 00:40:53,119

betty further maintains that she had no

1072

00:40:56,150 --> 00:40:55,200

cancer history previous to the alleged

1073

00:40:58,630 --> 00:40:56,160

encounter

1074

00:41:01,349 --> 00:40:58,640

her records do confirm however that she

1075

00:41:05,109 --> 00:41:01,359

does now have the disease

1076

00:41:10,470 --> 00:41:05,119

no i'm not well by no means

1077

00:41:12,230 --> 00:41:10,480

i wish i pray that i could be

1078

00:41:14,470 --> 00:41:12,240

with the help of peter gersten the new

1079

00:41:15,270 --> 00:41:14,480

york attorney for citizens against ufo

1080

00:41:17,270 --> 00:41:15,280

secrecy

1081

00:41:19,670 --> 00:41:17,280

the two women have sued the government

1082

00:41:20,790 --> 00:41:19,680

to find out what it was they encountered

1083

00:41:23,589 --> 00:41:20,800

that night

1084

00:41:24,630 --> 00:41:23,599

was it a ufo or an american weapon gone

1085

00:41:27,910 --> 00:41:24,640

awry

1086

00:41:32,069 --> 00:41:27,920

or something else i believe the story is

1087

00:41:35,510 --> 00:41:32,079

a hoax there is absolutely no evidence

1088

00:41:38,230 --> 00:41:35,520

the women's story is supported only

1089

00:41:39,829 --> 00:41:38,240

by the claim of betty cash that she had

1090

00:41:42,069 --> 00:41:39,839

serious health problems

1091

00:41:44,069 --> 00:41:42,079

after the alleged incident from my

1092

00:41:45,589 --> 00:41:44,079

review of the cash landrum case

1093

00:41:47,270 --> 00:41:45,599

i would say that there's no question

1094

00:41:48,870 --> 00:41:47,280

that an event took place that those

1095

00:41:50,710 --> 00:41:48,880

people were near something that was

1096

00:41:52,390 --> 00:41:50,720

emitting radiation

1097

00:41:54,230 --> 00:41:52,400

i don't think it was an alien spacecraft

1098

00:41:54,950 --> 00:41:54,240

frankly i think it was a nuclear-powered

1099

00:41:57,349 --> 00:41:54,960

aircraft

1100

00:41:59,109 --> 00:41:57,359

that's why all helicopters it's standard

1101
00:41:59,750 --> 00:41:59,119
practice if there's a classified system

1102
00:42:01,589 --> 00:41:59,760
around

1103
00:42:03,349 --> 00:42:01,599
their guys ready to go there to keep

1104
00:42:04,470 --> 00:42:03,359
somebody else from getting that

1105
00:42:07,910 --> 00:42:04,480
crash

1106
00:42:10,069 --> 00:42:07,920
the facts are that the u s

1107
00:42:11,910 --> 00:42:10,079
defense department investigated they

1108
00:42:15,430 --> 00:42:11,920
could not locate

1109
00:42:15,990 --> 00:42:15,440
22 twin rotor helicopters that could

1110
00:42:18,150 --> 00:42:16,000
possibly

1111
00:42:20,069 --> 00:42:18,160
have been flying in that area and in

1112
00:42:22,390 --> 00:42:20,079
fact as colonel saran who

1113
00:42:24,230 --> 00:42:22,400

made the investigation told me he said

1114

00:42:25,750 --> 00:42:24,240

phil this occurred over the christmas

1115

00:42:27,990 --> 00:42:25,760

new year's holiday

1116

00:42:30,150 --> 00:42:28,000

he said you couldn't get that many

1117

00:42:32,870 --> 00:42:30,160

helicopters you couldn't get a military

1118

00:42:34,390 --> 00:42:32,880

operation into the air over the

1119

00:42:37,190 --> 00:42:34,400

christmas new year's holiday

1120

00:42:38,870 --> 00:42:37,200

unless the nation was at war the object

1121

00:42:40,150 --> 00:42:38,880

was there it existed there's no question

1122

00:42:41,670 --> 00:42:40,160

about that

1123

00:42:43,349 --> 00:42:41,680

what's interesting is that for the first

1124

00:42:44,790 --> 00:42:43,359

time the government has suggested

1125

00:42:46,790 --> 00:42:44,800

that it wasn't theirs that it was

1126

00:42:48,630 --> 00:42:46,800

possibly a true ufo

1127

00:42:50,309 --> 00:42:48,640

and nowhere has the government ever ever

1128

00:42:52,470 --> 00:42:50,319

admitted other than this

1129

00:42:55,109 --> 00:42:52,480

basic document that we've gotten from

1130

00:42:58,790 --> 00:42:55,119

1948 that ufos exist

1131

00:43:00,150 --> 00:42:58,800

i love this country and all it stands

1132

00:43:04,230 --> 00:43:00,160

for

1133

00:43:06,390 --> 00:43:04,240

but i wish they would tell us the truth

1134

00:43:07,670 --> 00:43:06,400

if extraterrestrials are coming here

1135

00:43:09,670 --> 00:43:07,680

what do they want

1136

00:43:11,829 --> 00:43:09,680

are they coming here just to observe us

1137

00:43:13,270 --> 00:43:11,839

or are they making actual contact with

1138

00:43:15,589 --> 00:43:13,280

some of us

1139

00:43:17,829 --> 00:43:15,599

contact with an alien is what dr heineck

1140

00:43:19,589 --> 00:43:17,839

calls and what stephen spielberg has

1141

00:43:22,390 --> 00:43:19,599

celebrated in the movies

1142

00:43:23,349 --> 00:43:22,400

as a close encounter of the third kind

1143

00:43:25,990 --> 00:43:23,359

charlie hixson

1144

00:43:26,470 --> 00:43:26,000

says he's had such an encounter these

1145

00:43:28,470 --> 00:43:26,480

things

1146

00:43:30,470 --> 00:43:28,480

evidently they they're coming from

1147

00:43:32,470 --> 00:43:30,480

another world somewhere

1148

00:43:34,390 --> 00:43:32,480

uh i don't know what message they have

1149

00:43:35,829 --> 00:43:34,400

for us or what they intend to help us

1150

00:43:36,870 --> 00:43:35,839

but certainly they're not going to harm

1151

00:43:39,990 --> 00:43:36,880

us because they didn't

1152

00:43:43,109 --> 00:43:40,000

get an army charlie hixson's alleged

1153

00:43:44,870 --> 00:43:43,119

abduction aboard a ufo in 1973

1154

00:43:47,349 --> 00:43:44,880

followed the story of betty and barney

1155

00:43:51,750 --> 00:43:47,359

hill's abduction in exeter new hampshire

1156

00:43:53,190 --> 00:43:51,760

in 1961. a most recent claim of a close

1157

00:43:54,790 --> 00:43:53,200

encounter of the third kind

1158

00:43:57,270 --> 00:43:54,800

occurred not in the backwaters of

1159

00:43:58,069 --> 00:43:57,280

mississippi but in the heart of new york

1160

00:44:01,430 --> 00:43:58,079

city

1161

00:44:03,109 --> 00:44:01,440

rosemary osnato suddenly i hesitated or

1162

00:44:04,630 --> 00:44:03,119

i couldn't seem to put the key in the

1163

00:44:08,230 --> 00:44:04,640

door

1164

00:44:11,430 --> 00:44:08,240

and i just turned around and

1165

00:44:13,270 --> 00:44:11,440

and wanted to go up to the roof and this

1166

00:44:14,870 --> 00:44:13,280

seemed rather odd because you just don't

1167

00:44:16,309 --> 00:44:14,880

do that in new york you don't go up on

1168

00:44:18,230 --> 00:44:16,319

the roof at one o'clock in the morning

1169

00:44:20,790 --> 00:44:18,240

it's just not something you do

1170

00:44:21,990 --> 00:44:20,800

and yet i was doing it and it seemed to

1171

00:44:25,510 --> 00:44:22,000

be a very bright

1172

00:44:27,109 --> 00:44:25,520

light that was shining in the hallway

1173

00:44:30,069 --> 00:44:27,119

and i thought this was moonlight at

1174

00:44:31,829 --> 00:44:30,079

first you know and

1175

00:44:33,589 --> 00:44:31,839

apparently it wasn't moonlight because

1176

00:44:34,790 --> 00:44:33,599

when i got up there there was a very

1177

00:44:37,589 --> 00:44:34,800

bright light

1178

00:44:39,349 --> 00:44:37,599

up on the roof and then it went out for

1179

00:44:42,950 --> 00:44:39,359

a few seconds

1180

00:44:45,990 --> 00:44:42,960

and then it came back on again and i was

1181

00:44:49,430 --> 00:44:46,000

just lifted physically lifted

1182

00:44:52,550 --> 00:44:49,440

uh in that beam of light when i got

1183

00:44:57,270 --> 00:44:52,560

into the the craft um

1184

00:45:04,309 --> 00:45:00,390

a group of i guess more than one

1185

00:45:07,030 --> 00:45:04,319

group of grayish skinned uh

1186

00:45:08,390 --> 00:45:07,040

small men or women i don't know what

1187

00:45:14,150 --> 00:45:08,400

they were but

1188

00:45:21,670 --> 00:45:17,589

thin frail

1189

00:45:23,349 --> 00:45:21,680

and they communicated telepathically

1190

00:45:25,829 --> 00:45:23,359

nineteen-year-old travis walton of

1191

00:45:28,630 --> 00:45:25,839

snowflake arizona claims he encountered

1192

00:45:31,430 --> 00:45:28,640

similar aliens in 1975.

1193

00:45:33,190 --> 00:45:31,440

walton was in his words zapped by a blue

1194

00:45:35,589 --> 00:45:33,200

light when the spaceship appeared

1195

00:45:37,270 --> 00:45:35,599

when he was working in the forest when i

1196

00:45:37,750 --> 00:45:37,280

regained consciousness i was on board of

1197

00:45:40,950 --> 00:45:37,760

this

1198

00:45:44,230 --> 00:45:40,960

uh apparently on board the spacecraft

1199

00:45:47,510 --> 00:45:44,240

and i encountered

1200

00:45:49,510 --> 00:45:47,520

two different types of beings the first

1201
00:45:50,710 --> 00:45:49,520
type of creature i saw was about five

1202
00:45:53,589 --> 00:45:50,720
feet tall

1203
00:45:54,150 --> 00:45:53,599
they were very white looking their skin

1204
00:45:57,510 --> 00:45:54,160
was very

1205
00:45:59,190 --> 00:45:57,520
pale and they didn't have any hair on

1206
00:46:03,030 --> 00:45:59,200
their heads and they had enormous

1207
00:46:03,349 --> 00:46:03,040
eyes there was a type of being there

1208
00:46:05,109 --> 00:46:03,359
that

1209
00:46:06,710 --> 00:46:05,119
you know anyone else would consider to

1210
00:46:09,430 --> 00:46:06,720
be look very

1211
00:46:11,750 --> 00:46:09,440
human-like walton was found on a

1212
00:46:12,870 --> 00:46:11,760
roadside five days after he disappeared

1213
00:46:15,270 --> 00:46:12,880

from the forest

1214

00:46:16,470 --> 00:46:15,280

he could however recall only what seemed

1215

00:46:19,990 --> 00:46:16,480

like an hour of time

1216

00:46:22,069 --> 00:46:20,000

past time he claims he spent aboard an

1217

00:46:25,670 --> 00:46:22,079

alien spacecraft

1218

00:46:28,790 --> 00:46:25,680

now 29 he reflects on that experience

1219

00:46:31,430 --> 00:46:28,800

i lost my job the you know the the

1220

00:46:32,870 --> 00:46:31,440

the effects were quite negative you know

1221

00:46:36,230 --> 00:46:32,880

time lost you know it's a very

1222

00:46:37,990 --> 00:46:36,240

disturbing thing in my life a lot of uh

1223

00:46:40,069 --> 00:46:38,000

negative publicity really you know this

1224

00:46:43,589 --> 00:46:40,079

is a kind of a stigmatizing thing for

1225

00:46:45,030 --> 00:46:43,599

for people to you know consider you

1226

00:46:46,870 --> 00:46:45,040

you know you know certain percentage of

1227

00:46:48,870 --> 00:46:46,880

people think that you're wacko

1228

00:46:50,230 --> 00:46:48,880

what travis walton and others claim they

1229

00:46:53,030 --> 00:46:50,240

have experienced has

1230

00:46:54,950 --> 00:46:53,040

according to some now been validated by

1231

00:46:56,630 --> 00:46:54,960

government documents

1232

00:46:59,270 --> 00:46:56,640

about to join the literature of third

1233

00:47:01,190 --> 00:46:59,280

kind encounters is the startling tale of

1234

00:47:03,670 --> 00:47:01,200

an alleged landing of a spacecraft

1235

00:47:05,270 --> 00:47:03,680

outside an american air force base in

1236

00:47:07,030 --> 00:47:05,280

rentals from england

1237

00:47:09,589 --> 00:47:07,040

the american military admits they are

1238

00:47:11,190 --> 00:47:09,599

still withholding six documents

1239

00:47:13,109 --> 00:47:11,200

in the bent waters case we have an

1240

00:47:15,750 --> 00:47:13,119

eyewitness which is rare

1241

00:47:17,190 --> 00:47:15,760

we have an audio tape made at the time

1242

00:47:19,270 --> 00:47:17,200

of the actual event

1243

00:47:20,950 --> 00:47:19,280

we have a government document which uh

1244

00:47:21,510 --> 00:47:20,960

corroborates the existence of the

1245

00:47:23,270 --> 00:47:21,520

incident

1246

00:47:24,870 --> 00:47:23,280

the government has no reason to withhold

1247

00:47:26,710 --> 00:47:24,880

the information

1248

00:47:29,109 --> 00:47:26,720

the ufo is said to have crashed in the

1249

00:47:31,750 --> 00:47:29,119

hindelsham forest in an area two miles

1250

00:47:33,829 --> 00:47:31,760

from the american military installation

1251
00:47:35,829 --> 00:47:33,839
released air force documents confirmed

1252
00:47:37,030 --> 00:47:35,839
that military personnel were dispatched

1253
00:47:39,589 --> 00:47:37,040
to the site on the first

1254
00:47:41,990 --> 00:47:39,599
night they reported seeing the lights of

1255
00:47:44,150 --> 00:47:42,000
the mysterious craft

1256
00:47:45,670 --> 00:47:44,160
on the second night after geiger counter

1257
00:47:47,589 --> 00:47:45,680
readings indicated increased

1258
00:47:47,990 --> 00:47:47,599
radioactivity in the area where it

1259
00:47:49,670 --> 00:47:48,000
seemed

1260
00:47:51,589 --> 00:47:49,680
something could have landed the

1261
00:47:54,069 --> 00:47:51,599
commanding officer of the base

1262
00:47:55,910 --> 00:47:54,079
colonel charles halt along with several

1263
00:47:59,030 --> 00:47:55,920

officers and enlisted men

1264

00:48:01,109 --> 00:47:59,040

also reported seeing the ufo

1265

00:48:02,630 --> 00:48:01,119

halt wrote this document reporting the

1266

00:48:04,630 --> 00:48:02,640

sighting

1267

00:48:06,069 --> 00:48:04,640

it clearly indicated the presence of a

1268

00:48:09,270 --> 00:48:06,079

strange glowing light

1269

00:48:11,349 --> 00:48:09,280

that illuminated the entire forest

1270

00:48:12,549 --> 00:48:11,359

it tells of pulsating red and blue

1271

00:48:20,069 --> 00:48:12,559

lights and of the

1272

00:48:22,630 --> 00:48:20,079

objects disappearing

1273

00:48:35,349 --> 00:48:22,640

halt also made this tape recording at

1274

00:48:37,109 --> 00:48:35,359

the time of the second incident

1275

00:48:38,390 --> 00:48:37,119

what colonel halt was describing that

1276

00:48:40,470 --> 00:48:38,400

night some believe

1277

00:48:42,950 --> 00:48:40,480

was the pulsating light emanating from a

1278

00:48:44,230 --> 00:48:42,960

lighthouse five miles away

1279

00:48:45,829 --> 00:48:44,240

those who believe that it could not have

1280

00:48:47,910 --> 00:48:45,839

been the lighthouse quickly point out

1281

00:48:49,349 --> 00:48:47,920

that halt's report indicates lights of

1282

00:48:51,190 --> 00:48:49,359

different colors

1283

00:48:52,390 --> 00:48:51,200

critics respond that pulsating lights

1284

00:48:55,030 --> 00:48:52,400

can play tricks

1285

00:48:56,630 --> 00:48:55,040

create illusions and the light comes in

1286

00:48:59,030 --> 00:48:56,640

at you at a roughly tree

1287

00:49:01,030 --> 00:48:59,040

level and it turns and it rotates so

1288

00:49:03,349 --> 00:49:01,040

it's flashing on and off

1289

00:49:04,069 --> 00:49:03,359

if you look at the the transcripts of

1290

00:49:09,270 --> 00:49:04,079

the

1291

00:49:11,670 --> 00:49:09,280

were saying such things as

1292

00:49:12,950 --> 00:49:11,680

it's on now it's off it's on it's off if

1293

00:49:15,270 --> 00:49:12,960

i remember correctly

1294

00:49:15,990 --> 00:49:15,280

and that sequencing corresponds

1295

00:49:18,710 --> 00:49:16,000

precisely

1296

00:49:20,549 --> 00:49:18,720

with what the rotational frequency is

1297

00:49:22,470 --> 00:49:20,559

for the the lighthouse

1298

00:49:24,870 --> 00:49:22,480

the lighthouse theory deals only with a

1299

00:49:26,790 --> 00:49:24,880

close encounter of the first kind

1300

00:49:29,430 --> 00:49:26,800

what of the close encounter of the third

1301
00:49:31,190 --> 00:49:29,440
kind the story told later by several

1302
00:49:34,150 --> 00:49:31,200
american enlisted men

1303
00:49:35,750 --> 00:49:34,160
the story they say they were ordered not

1304
00:49:37,750 --> 00:49:35,760
to tell

1305
00:49:40,069 --> 00:49:37,760
afraid to reveal his identity one of

1306
00:49:42,829 --> 00:49:40,079
them talks about the alleged encounter

1307
00:49:44,230 --> 00:49:42,839
the senior officer seemed very calm with

1308
00:49:46,710 --> 00:49:44,240
it

1309
00:49:48,230 --> 00:49:46,720
and they don't the lower ranking people

1310
00:49:49,589 --> 00:49:48,240
like myself

1311
00:49:52,790 --> 00:49:49,599
didn't know what to make of it and

1312
00:49:53,430 --> 00:49:52,800
almost maybe shock it set in because we

1313
00:49:55,829 --> 00:49:53,440

were very

1314

00:49:57,829 --> 00:49:55,839

apt to listen to what we were told to do

1315

00:49:58,790 --> 00:49:57,839

i know conversation took place between

1316

00:50:01,589 --> 00:49:58,800

our base commander

1317

00:50:02,549 --> 00:50:01,599

and individuals that were in the craft a

1318

00:50:04,710 --> 00:50:02,559

base commander

1319

00:50:06,549 --> 00:50:04,720

at that time apparently even shook one

1320

00:50:08,470 --> 00:50:06,559

of their hands

1321

00:50:10,549 --> 00:50:08,480

something tells me at that time they had

1322

00:50:14,230 --> 00:50:10,559

difficulty with the craft

1323

00:50:17,510 --> 00:50:14,240

and we even gave them help in repairing

1324

00:50:19,430 --> 00:50:17,520

the craft the lighthouse explanation for

1325

00:50:21,510 --> 00:50:19,440

colonel halt's report cannot explain

1326
00:50:23,589 --> 00:50:21,520
away the account of the alleged landing

1327
00:50:25,829 --> 00:50:23,599
and third kind encounter

1328
00:50:27,829 --> 00:50:25,839
and so far nothing in the released

1329
00:50:29,349 --> 00:50:27,839
government documents confirms such an

1330
00:50:30,950 --> 00:50:29,359
encounter

1331
00:50:32,710 --> 00:50:30,960
there are six documents that the

1332
00:50:34,230 --> 00:50:32,720
government is withholding concerning the

1333
00:50:35,670 --> 00:50:34,240
incident in bent waters

1334
00:50:37,270 --> 00:50:35,680
i want to know why they're withholding

1335
00:50:38,950 --> 00:50:37,280
that information they do not have a

1336
00:50:40,630 --> 00:50:38,960
right to withhold that information

1337
00:50:42,950 --> 00:50:40,640
and i want to know what that information

1338
00:50:45,910 --> 00:50:42,960

is the government will not release the

1339

00:50:48,790 --> 00:50:45,920

documents for national security reasons

1340

00:50:50,150 --> 00:50:48,800

citizens against ufo secrecy maintain

1341

00:50:52,549 --> 00:50:50,160

that the government uses

1342

00:50:55,270 --> 00:50:52,559

national security as a cover for

1343

00:50:57,190 --> 00:50:55,280

withholding ufo-related material

1344

00:50:58,870 --> 00:50:57,200

recently they sued for release of a

1345

00:50:59,750 --> 00:50:58,880

document from the national security

1346

00:51:02,150 --> 00:50:59,760

agency

1347

00:51:03,430 --> 00:51:02,160

when they got it it looked like this

1348

00:51:05,910 --> 00:51:03,440

when you go through it all

1349

00:51:07,829 --> 00:51:05,920

and somebody actually added up the

1350

00:51:09,589 --> 00:51:07,839

percentage of the paper

1351

00:51:10,950 --> 00:51:09,599

more than three quarters of this

1352

00:51:14,790 --> 00:51:10,960

document

1353

00:51:18,069 --> 00:51:14,800

isn't there it means quite clearly

1354

00:51:18,790 --> 00:51:18,079

that there is a cover-up anybody who

1355

00:51:20,230 --> 00:51:18,800

says

1356

00:51:21,589 --> 00:51:20,240

the government isn't holding anything

1357

00:51:23,109 --> 00:51:21,599

back has to say well except for that

1358

00:51:25,990 --> 00:51:23,119

stuff they won't release

1359

00:51:26,870 --> 00:51:26,000

i mean this is a ufo document it tells

1360

00:51:29,190 --> 00:51:26,880

about nsa

1361

00:51:31,349 --> 00:51:29,200

information about ufos now on the one

1362

00:51:33,990 --> 00:51:31,359

hand we the government is still saying

1363

00:51:36,390 --> 00:51:34,000

ufos don't exist now if ufos don't exist

1364

00:51:38,390 --> 00:51:36,400

how can they affect national security

1365

00:51:40,790 --> 00:51:38,400

the government maintains that what is in

1366

00:51:42,950 --> 00:51:40,800

the censored and unreleased documents

1367

00:51:45,270 --> 00:51:42,960

is information that does not support the

1368

00:51:47,030 --> 00:51:45,280

existence of extraterrestrials

1369

00:51:48,470 --> 00:51:47,040

but rather information that if released

1370

00:51:50,630 --> 00:51:48,480

would compromise our own

1371

00:51:52,630 --> 00:51:50,640

intelligence network much of the

1372

00:51:53,910 --> 00:51:52,640

information in those ufo documents the

1373

00:51:55,910 --> 00:51:53,920

government claims

1374

00:51:58,470 --> 00:51:55,920

has to do with how we intercept and

1375

00:52:01,109 --> 00:51:58,480

decode soviet blocked messages

1376

00:52:02,150 --> 00:52:01,119

to release them would reveal to the

1377

00:52:05,349 --> 00:52:02,160

soviets

1378

00:52:07,430 --> 00:52:05,359

and other potential enemies where we

1379

00:52:08,710 --> 00:52:07,440

have listening stations my goodness the

1380

00:52:11,109 --> 00:52:08,720

russians might discover

1381

00:52:13,030 --> 00:52:11,119

might discover that we have a listening

1382

00:52:15,349 --> 00:52:13,040

station in leningrad

1383

00:52:17,910 --> 00:52:15,359

as an example that we had intercepted

1384

00:52:20,390 --> 00:52:17,920

some communications there

1385

00:52:22,630 --> 00:52:20,400

more important it would reveal that we

1386

00:52:26,069 --> 00:52:22,640

were able to decode

1387

00:52:27,510 --> 00:52:26,079

soviet uh coded messages

1388

00:52:28,790 --> 00:52:27,520

there are three basic reasons why the

1389

00:52:30,790 --> 00:52:28,800

government does not come forward and

1390

00:52:32,069 --> 00:52:30,800

release the information it has in ufos

1391

00:52:33,589 --> 00:52:32,079

the first reason is

1392

00:52:34,950 --> 00:52:33,599

technology that's trying to learn as

1393

00:52:35,750 --> 00:52:34,960

much about the objects before the

1394

00:52:38,630 --> 00:52:35,760

russians

1395

00:52:39,990 --> 00:52:38,640

the second reason is the vulnerability

1396

00:52:42,630 --> 00:52:40,000

that could be shown

1397

00:52:44,549 --> 00:52:42,640

by the um revelations that might be

1398

00:52:46,470 --> 00:52:44,559

forthcoming concerning ufos

1399

00:52:48,230 --> 00:52:46,480

and the third reason is the hysteria

1400

00:52:51,920 --> 00:52:48,240

that might be caused by the release of

1401

00:52:57,349 --> 00:52:53,990

[Music]

1402

00:52:59,430 --> 00:52:57,359

are these spaceships from other worlds

1403

00:53:01,109 --> 00:52:59,440

are we being visited by intergalactic

1404

00:53:03,750 --> 00:53:01,119

aliens with the technology and

1405

00:53:06,549 --> 00:53:03,760

civilization that dwarfs ours

1406

00:53:08,710 --> 00:53:06,559

most scientists say no they are not

1407

00:53:11,510 --> 00:53:08,720

because they cannot

1408

00:53:13,670 --> 00:53:11,520

ufo proponents say they are that our

1409

00:53:14,470 --> 00:53:13,680

myopia prevents us from seeing life

1410

00:53:17,190 --> 00:53:14,480

elsewhere

1411

00:53:19,109 --> 00:53:17,200

as being different from ours i think

1412

00:53:19,349 --> 00:53:19,119

it's one should also point out as arthur

1413

00:53:22,390 --> 00:53:19,359

C

1414
00:53:23,430 --> 00:53:22,400
life elsewhere we should not look only

1415
00:53:25,109 --> 00:53:23,440
for life as we know

1416
00:53:26,630 --> 00:53:25,119
but life is we don't know and he went so

1417
00:53:27,990 --> 00:53:26,640
far as to say we should even look for

1418
00:53:29,260 --> 00:53:28,000
life as we can't

1419
00:53:32,309 --> 00:53:29,270
understand it

1420
00:53:34,069 --> 00:53:32,319
[Music]

1421
00:53:36,069 --> 00:53:34,079
we are now only beginning to free

1422
00:53:38,309 --> 00:53:36,079
ourselves from the gravity that binds us

1423
00:53:40,790 --> 00:53:38,319
to our own planet

1424
00:53:42,069 --> 00:53:40,800
a new generation of americans those born

1425
00:53:45,270 --> 00:53:42,079
in the space age

1426
00:53:46,950 --> 00:53:45,280
demand new answers to old questions more

1427
00:53:49,109 --> 00:53:46,960
receptive to the possibilities

1428
00:53:51,510 --> 00:53:49,119
they want to know are we being visited

1429
00:53:53,430 --> 00:53:51,520
by intergalactic travelers

1430
00:53:55,589 --> 00:53:53,440
they have joined their voices to others

1431
00:53:58,069 --> 00:53:55,599
asking what's going on

1432
00:53:59,750 --> 00:53:58,079
is there a government cover-up do the

1433
00:54:02,549 --> 00:53:59,760
unreleased documents contain

1434
00:54:04,470 --> 00:54:02,559
evidence that proves that ufos over our

1435
00:54:07,349 --> 00:54:04,480
nuclear plants and air bases are

1436
00:54:09,510 --> 00:54:07,359
actually from other worlds or are they

1437
00:54:11,510 --> 00:54:09,520
from earthly neighbors

1438
00:54:13,190 --> 00:54:11,520

most scientists agree that there is life

1439

00:54:14,630 --> 00:54:13,200

in the universe but that it cannot

1440

00:54:16,470 --> 00:54:14,640

travel here

1441

00:54:19,109 --> 00:54:16,480

they hope only to communicate with that

1442

00:54:20,549 --> 00:54:19,119

life with giant radio telescopes

1443

00:54:22,549 --> 00:54:20,559

these scientists believe that what is

1444

00:54:25,270 --> 00:54:22,559

being hidden in the government documents

1445

00:54:27,349 --> 00:54:25,280

is probably not secrets of other worlds

1446

00:54:28,950 --> 00:54:27,359

but the secrets of an earthbound cold

1447

00:54:32,069 --> 00:54:28,960

war

1448

00:54:38,520 --> 00:54:32,079

either way we want to know
