[Music]

2  
00:00:14,910 --> 00:00:10,070  
this

3  
00:00:31,349 --> 00:00:17,540  
sprague

4  
00:00:33,190 --> 00:00:31,359  
[Music]

5  
00:00:35,830 --> 00:00:33,200  
welcome everyone to somewhere in the

6  
00:00:36,709 --> 00:00:35,840  
skies and today for the very first time

7  
00:00:38,869 --> 00:00:36,719  
i can't believe

8  
00:00:40,470 --> 00:00:38,879  
i'm actually saying that the first time

9  
00:00:44,069 --> 00:00:40,480  
in summer in the sky's history

10  
00:00:46,709 --> 00:00:44,079  
we have with us former federal agent

11  
00:00:47,510 --> 00:00:46,719  
and paranormal investigator ufo

12  
00:00:49,910 --> 00:00:47,520  
researcher

13  
00:00:51,029 --> 00:00:49,920

and everything in between ben hansen

14

00:00:52,389 --> 00:00:51,039

we're not going to waste

15

00:00:55,110 --> 00:00:52,399

any time we're going to be talking all

16

00:00:57,830 --> 00:00:55,120

about his new show ufo witness

17

00:00:58,389 --> 00:00:57,840

on discovery plus so without further ado

18

00:00:59,910 --> 00:00:58,399

ben

19

00:01:01,430 --> 00:00:59,920

thank you so much for joining me on

20

00:01:03,590 --> 00:01:01,440

summer in the skies

21

00:01:04,789 --> 00:01:03,600

yeah thank you thanks brian it's good to

22

00:01:07,750 --> 00:01:04,799

good to see you again

23

00:01:09,830 --> 00:01:07,760

it's been been a crazy year hasn't it

24

00:01:11,190 --> 00:01:09,840

we're still here we're still alive and

25

00:01:12,550 --> 00:01:11,200

there's a lot of stuff to talk about

26

00:01:15,429 --> 00:01:12,560

with ufos

27

00:01:16,230 --> 00:01:15,439

i know man before we do that um i'm

28

00:01:19,030 --> 00:01:16,240

gonna pull up

29

00:01:19,749 --> 00:01:19,040

a photo i think this is the last time

30

00:01:21,749 --> 00:01:19,759

you and i

31

00:01:25,429 --> 00:01:21,759

actually saw each other give me one sec

32

00:01:29,270 --> 00:01:25,439

here okay hold this up for your thoughts

33

00:01:31,030 --> 00:01:29,280

boom what's going on there man

34

00:01:32,469 --> 00:01:31,040

do you remember this night because i

35

00:01:34,630 --> 00:01:32,479

honestly don't

36

00:01:37,749 --> 00:01:34,640

think i see you in the very background

37

00:01:40,310 --> 00:01:37,759

in a in a face of shock

38

00:01:40,789 --> 00:01:40,320

and maybe i had made a comment to james

39

00:01:43,429 --> 00:01:40,799

fox

40

00:01:43,830 --> 00:01:43,439

and and he got upset about it and so he

41

00:01:48,069 --> 00:01:43,840

he

42

00:01:50,310 --> 00:01:48,079

slow motion

43

00:01:50,820 --> 00:01:50,320

and i was too slow and i caught it right

44

00:01:53,270 --> 00:01:50,830

face

45

00:01:55,270 --> 00:01:53,280

[Laughter]

46

00:01:57,270 --> 00:01:55,280

hey you took it in stride man turning

47

00:01:58,950 --> 00:01:57,280

the cheek isn't that what they say

48

00:02:00,870 --> 00:01:58,960

um i thought that'd be a fun way to

49

00:02:02,709 --> 00:02:00,880

start things off let me yeah well you

50

00:02:03,590 --> 00:02:02,719

gotta you gotta move the jaw because

51  
00:02:05,590 --> 00:02:03,600  
otherwise

52  
00:02:06,870 --> 00:02:05,600  
um that's where your face gets broken so

53  
00:02:09,029 --> 00:02:06,880  
if you know you're gonna get hit

54  
00:02:11,830 --> 00:02:09,039  
you know just make your your neck loose

55  
00:02:15,350 --> 00:02:13,430  
i love see i knew i was gonna learn

56  
00:02:16,470 --> 00:02:15,360  
something today other than stuff about

57  
00:02:19,190 --> 00:02:16,480  
ufos so

58  
00:02:19,910 --> 00:02:19,200  
i this is a win already brother um well

59  
00:02:22,390 --> 00:02:19,920  
let's

60  
00:02:24,309 --> 00:02:22,400  
for some of my listeners or viewers hey

61  
00:02:25,589 --> 00:02:24,319  
who may not be too familiar

62  
00:02:27,990 --> 00:02:25,599  
with their work i don't know how they

63  
00:02:29,670 --> 00:02:28,000

couldn't at this point um but tell us a

64

00:02:32,390 --> 00:02:29,680

little if you don't mind um

65

00:02:32,710 --> 00:02:32,400

maybe about your time uh with the fbi

66

00:02:35,430 --> 00:02:32,720

and

67

00:02:36,309 --> 00:02:35,440

uh what got you from there to where you

68

00:02:38,470 --> 00:02:36,319

are today

69

00:02:39,910 --> 00:02:38,480

hunting everything from ghosts and

70

00:02:41,430 --> 00:02:39,920

cryptids and ufos

71

00:02:43,750 --> 00:02:41,440

yeah can you maybe give us kind of the

72

00:02:50,710 --> 00:02:43,760

origin story of how this

73

00:02:54,390 --> 00:02:52,710

my interest really began when i was

74

00:02:56,309 --> 00:02:54,400

probably like eight years old

75

00:02:58,550 --> 00:02:56,319

you know because a lot of people as you

76

00:03:01,830 --> 00:02:58,560

know sometimes and i'm not i'm not

77

00:03:04,149 --> 00:03:01,840

you know um getting disparaging

78

00:03:05,670 --> 00:03:04,159

any other tv hosts no one in particular

79

00:03:08,630 --> 00:03:05,680

but sometimes

80

00:03:08,949 --> 00:03:08,640

tv shows are cast because um they find

81

00:03:11,830 --> 00:03:08,959

that

82

00:03:13,750 --> 00:03:11,840

they're hosting qualities and then they

83

00:03:15,910 --> 00:03:13,760

want to be on tv and they're like oh and

84

00:03:16,949 --> 00:03:15,920

by the way are you interested in ufos

85

00:03:19,830 --> 00:03:16,959

right

86

00:03:22,550 --> 00:03:19,840

and for me it was reverse i never saw

87

00:03:25,830 --> 00:03:22,560

that i would be doing anything in tv

88

00:03:27,589 --> 00:03:25,840

um i was kind of a geek when i was um

89

00:03:29,110 --> 00:03:27,599

gosh i was five years old when i saw the

90

00:03:32,309 --> 00:03:29,120

movie e.t

91

00:03:34,390 --> 00:03:32,319

right and that was one subject that just

92

00:03:38,149 --> 00:03:34,400

really fascinated me

93

00:03:39,830 --> 00:03:38,159

and um my dad would bring me books

94

00:03:42,550 --> 00:03:39,840

and some of them are kind of like behind

95

00:03:44,309 --> 00:03:42,560

me here like stuff that was like beyond

96

00:03:46,070 --> 00:03:44,319

my comprehension

97

00:03:48,470 --> 00:03:46,080

level and i would read these books about

98

00:03:50,309 --> 00:03:48,480

ufos and um

99

00:03:52,949 --> 00:03:50,319

just had this kind of interest that i

100

00:03:55,750 --> 00:03:52,959

put away as i got a little bit older

101  
00:03:57,509 --> 00:03:55,760  
but then i was in high school uh the tv

102  
00:03:59,830 --> 00:03:57,519  
show x-files you know

103  
00:04:01,670 --> 00:03:59,840  
came out it was a big popular thing it

104  
00:04:04,149 --> 00:04:01,680  
sounds cliché

105  
00:04:05,350 --> 00:04:04,159  
but i knew there wasn't an x-files and i

106  
00:04:07,509 --> 00:04:05,360  
knew there wasn't

107  
00:04:09,350 --> 00:04:07,519  
um anything official like that but i

108  
00:04:11,350 --> 00:04:09,360  
knew about project blue book

109  
00:04:13,110 --> 00:04:11,360  
and i was like how cool would that be

110  
00:04:14,470 --> 00:04:13,120  
and that honestly it gave me a little

111  
00:04:16,069 --> 00:04:14,480  
more interest in working

112  
00:04:17,590 --> 00:04:16,079  
in the public sector and doing

113  
00:04:20,229 --> 00:04:17,600

investigations

114

00:04:22,950 --> 00:04:20,239

so when when i was in college my degree

115

00:04:25,110 --> 00:04:22,960

was in sociology and criminology

116

00:04:26,950 --> 00:04:25,120

and straight out of college i went to

117

00:04:28,950 --> 00:04:26,960

work investigating child

118

00:04:30,790 --> 00:04:28,960

sex crimes and severe physical abuse

119

00:04:33,749 --> 00:04:30,800

stuff and so it was like

120

00:04:35,670 --> 00:04:33,759

i'm working for the state i was okay

121

00:04:37,270 --> 00:04:35,680

with it i know a lot of people like you

122

00:04:39,430 --> 00:04:37,280

you know like i go to a party what do

123

00:04:42,870 --> 00:04:39,440

you do like do you really want to know

124

00:04:45,430 --> 00:04:42,880

and like i did that for several years

125

00:04:47,590 --> 00:04:45,440

um before i went to work for the bureau

126  
00:04:51,350 --> 00:04:47,600  
and um

127  
00:04:53,830 --> 00:04:51,360  
not not you know like putting

128  
00:04:54,629 --> 00:04:53,840  
i guess it's just nicely in a marketing

129  
00:04:56,629 --> 00:04:54,639  
package

130  
00:04:57,830 --> 00:04:56,639  
all right the first show i did was

131  
00:05:00,710 --> 00:04:57,840  
factor faked

132  
00:05:02,390 --> 00:05:00,720  
you know and i fell into that world but

133  
00:05:04,710 --> 00:05:02,400  
they wanted to promote everything with

134  
00:05:07,510 --> 00:05:04,720  
the x-files theme and all that and it's

135  
00:05:08,870 --> 00:05:07,520  
it's cool but i i don't want to give

136  
00:05:10,629 --> 00:05:08,880  
people the impression that i was doing

137  
00:05:13,430 --> 00:05:10,639  
anything like that at the bureau

138  
00:05:13,749 --> 00:05:13,440

right um i was working national security

139

00:05:16,790 --> 00:05:13,759

uh

140

00:05:18,150 --> 00:05:16,800

criminal cases as well um i wasn't there

141

00:05:19,590 --> 00:05:18,160

all that long

142

00:05:21,590 --> 00:05:19,600

because things just weren't what i

143

00:05:24,070 --> 00:05:21,600

expected and and that's another thing i

144

00:05:25,749 --> 00:05:24,080

get from people is like well

145

00:05:28,230 --> 00:05:25,759

he knew too much you got too close to

146

00:05:30,790 --> 00:05:28,240

the truth or right

147

00:05:32,469 --> 00:05:30,800

you know or he's a disinformation agent

148

00:05:35,909 --> 00:05:32,479

i'm like i wish

149

00:05:41,990 --> 00:05:35,919

i wish because like paychecks

150

00:05:45,749 --> 00:05:44,310

i think i guess in a ways i always get

151

00:05:47,430 --> 00:05:45,759

asked too well what do you think it did

152

00:05:49,590 --> 00:05:47,440

to prepare you for what you're doing now

153

00:05:53,110 --> 00:05:49,600

i was like i was always doing this

154

00:05:53,430 --> 00:05:53,120

this is the the tv show um my latest

155

00:05:54,950 --> 00:05:53,440

full

156

00:05:56,469 --> 00:05:54,960

pretty much like a culmination of

157

00:05:59,189 --> 00:05:56,479

whatever i was doing

158

00:06:00,230 --> 00:05:59,199

the same thing as a kid but now i'm an

159

00:06:03,590 --> 00:06:00,240

adult

160

00:06:05,270 --> 00:06:03,600

and what's weird is that um there's

161

00:06:07,909 --> 00:06:05,280

so many things i believe and have an

162

00:06:09,189 --> 00:06:07,919

open mind now in that aspect than i did

163

00:06:11,350 --> 00:06:09,199

as a kid

164

00:06:12,550 --> 00:06:11,360

right when it comes to ghost hunting i

165

00:06:14,390 --> 00:06:12,560

didn't believe in ghosts

166

00:06:15,749 --> 00:06:14,400

they were they were just made up stories

167

00:06:19,510 --> 00:06:15,759

when i was a kid um

168

00:06:23,029 --> 00:06:19,520

ufos i had an open mind seeing so much

169

00:06:23,590 --> 00:06:23,039

now you know and so now i just as an

170

00:06:25,590 --> 00:06:23,600

adult

171

00:06:27,749 --> 00:06:25,600

get to go and explore these iconic

172

00:06:30,309 --> 00:06:27,759

places i used to see when i was a kid

173

00:06:31,029 --> 00:06:30,319

i'm used to read about you know and and

174

00:06:32,950 --> 00:06:31,039

like you go

175

00:06:34,390 --> 00:06:32,960

to conferences you probably never

176

00:06:35,749 --> 00:06:34,400

believed that you'd be writing books

177

00:06:37,990 --> 00:06:35,759

that you would be

178

00:06:41,189 --> 00:06:38,000

uh you know like one of the authorities

179

00:06:45,830 --> 00:06:44,150

yeah yeah it's um it's a pretty

180

00:06:46,629 --> 00:06:45,840

interesting journey i think when you get

181

00:06:48,870 --> 00:06:46,639

involved

182

00:06:50,790 --> 00:06:48,880

in these things because uh like you said

183

00:06:52,390 --> 00:06:50,800

like i never thought i would be any

184

00:06:54,230 --> 00:06:52,400

sort of authority figure i don't have

185

00:06:57,270 --> 00:06:54,240

that in my blood or my dna

186

00:06:58,469 --> 00:06:57,280

but hey once you put the uh the work in

187

00:07:00,790 --> 00:06:58,479

in the effort and

188

00:07:01,670 --> 00:07:00,800

people start paying attention to you uh

189

00:07:03,830 --> 00:07:01,680

it's an honor

190

00:07:04,710 --> 00:07:03,840

that anyone would read something that i

191

00:07:06,150 --> 00:07:04,720

would write or

192

00:07:07,990 --> 00:07:06,160

or watch a show that you're

193

00:07:09,589 --> 00:07:08,000

investigating on um

194

00:07:11,990 --> 00:07:09,599

it's awesome and i think that's a

195

00:07:15,270 --> 00:07:12,000

responsibility that we really have to uh

196

00:07:18,070 --> 00:07:15,280

uh pay attention to and and you know do

197

00:07:19,510 --> 00:07:18,080

do the work and um make it as credible

198

00:07:21,510 --> 00:07:19,520

as we can

199

00:07:23,189 --> 00:07:21,520

that's exactly it i mean when you say

200

00:07:24,710 --> 00:07:23,199

the work because a lot of people like

201  
00:07:25,830 --> 00:07:24,720  
well i don't have the background you're

202  
00:07:27,189 --> 00:07:25,840  
doing everything and i was just thinking

203  
00:07:29,110 --> 00:07:27,199  
about that today i'm like

204  
00:07:31,430 --> 00:07:29,120  
anybody who wants to put in the effort

205  
00:07:33,189 --> 00:07:31,440  
to learn how to do a proper

206  
00:07:34,790 --> 00:07:33,199  
you don't have to have a background in

207  
00:07:35,749 --> 00:07:34,800  
law enforcement you don't have to have a

208  
00:07:38,469 --> 00:07:35,759  
degree in

209  
00:07:40,070 --> 00:07:38,479  
this or that um the some of the best

210  
00:07:41,749 --> 00:07:40,080  
researchers never had any of that they

211  
00:07:44,469 --> 00:07:41,759  
just had a passion

212  
00:07:45,029 --> 00:07:44,479  
right and so the thing with ufology

213  
00:07:48,070 --> 00:07:45,039

though

214

00:07:49,510 --> 00:07:48,080

okay as opposed to what i found in let's

215

00:07:52,070 --> 00:07:49,520

say ghost hunting

216

00:07:52,869 --> 00:07:52,080

okay ghost hunting the paranormal stuff

217

00:07:55,350 --> 00:07:52,879

like that

218

00:07:56,790 --> 00:07:55,360

to me there's a lot of maybe theories

219

00:07:58,390 --> 00:07:56,800

and experiments and stuff people are

220

00:08:00,869 --> 00:07:58,400

using equipment for

221

00:08:01,510 --> 00:08:00,879

but there's not a body of knowledge of

222

00:08:03,510 --> 00:08:01,520

famous

223

00:08:05,270 --> 00:08:03,520

let's say hauntings or things that the

224

00:08:08,629 --> 00:08:05,280

government has done to cover up

225

00:08:11,510 --> 00:08:08,639

ghosts it's just not it's not the same

226

00:08:13,189 --> 00:08:11,520

so as you know when you get into ufology

227

00:08:14,710 --> 00:08:13,199

you can't really fake your way

228

00:08:16,469 --> 00:08:14,720

through it you could be passionate about

229

00:08:18,629 --> 00:08:16,479

it but your

230

00:08:20,710 --> 00:08:18,639

your base cannot be like oh i know pop

231

00:08:21,990 --> 00:08:20,720

culture i know the movies about ufos and

232

00:08:24,230 --> 00:08:22,000

men in black no

233

00:08:25,749 --> 00:08:24,240

it's like a history they actually should

234

00:08:27,430 --> 00:08:25,759

have and i think

235

00:08:29,110 --> 00:08:27,440

i did take a class in college it was

236

00:08:30,469 --> 00:08:29,120

called does et exist it was it was

237

00:08:33,190 --> 00:08:30,479

pretty cool

238

00:08:35,029 --> 00:08:33,200

but they should have a full class maybe

239

00:08:36,469 --> 00:08:35,039

even a minor degree that you could get

240

00:08:38,870 --> 00:08:36,479

in ufology be

241

00:08:39,990 --> 00:08:38,880

everything there is to know you really

242

00:08:42,709 --> 00:08:40,000

have to get in

243

00:08:43,190 --> 00:08:42,719

to know where we've been um what is

244

00:08:46,550 --> 00:08:43,200

known

245

00:08:47,430 --> 00:08:46,560

what agencies are doing what and why i

246

00:08:48,630 --> 00:08:47,440

mean if it's a

247

00:08:50,790 --> 00:08:48,640

you know important enough for the

248

00:08:52,150 --> 00:08:50,800

government to have official agencies and

249

00:08:54,790 --> 00:08:52,160

investigations

250

00:08:55,990 --> 00:08:54,800

why i had a degree from a university

251

00:08:59,269 --> 00:08:56,000

that you could get about

252

00:09:01,750 --> 00:08:59,279

the history of it exactly man and

253

00:09:02,949 --> 00:09:01,760

i mean i i have to give credit there are

254

00:09:05,670 --> 00:09:02,959

professors out there

255

00:09:07,269 --> 00:09:05,680

kind of pushing for those kind of uh

256

00:09:10,470 --> 00:09:07,279

courses whether through a

257

00:09:12,790 --> 00:09:10,480

historical uh you know lens or

258

00:09:13,509 --> 00:09:12,800

or religion or government or like you

259

00:09:15,670 --> 00:09:13,519

said there's

260

00:09:17,110 --> 00:09:15,680

you can attach this topic of ufos to

261

00:09:18,630 --> 00:09:17,120

pretty much anything

262

00:09:21,030 --> 00:09:18,640

which is what i've always found

263

00:09:24,150 --> 00:09:21,040

fascinating uh pop culture

264

00:09:26,949 --> 00:09:24,160

sociology psychology religion

265

00:09:27,430 --> 00:09:26,959

uh i love it um and you guys kind of

266

00:09:29,829 --> 00:09:27,440

tackle

267

00:09:31,509 --> 00:09:29,839

all of these in your new show so i guess

268

00:09:32,710 --> 00:09:31,519

we you know elephant in the room you've

269

00:09:35,190 --> 00:09:32,720

got a new show out

270

00:09:36,150 --> 00:09:35,200

after fact or fake uh ghosts of

271

00:09:38,870 --> 00:09:36,160

morgantown

272

00:09:39,829 --> 00:09:38,880

uh now we have ufo witness on discovery

273

00:09:42,310 --> 00:09:39,839

plus so

274

00:09:43,990 --> 00:09:42,320

give us the um maybe the rundown of how

275

00:09:47,030 --> 00:09:44,000

the show came to be

276

00:09:48,949 --> 00:09:47,040

and uh this really special

277

00:09:51,030 --> 00:09:48,959

unique person that you were able to work

278

00:09:52,470 --> 00:09:51,040

with on the show that actually worked

279

00:09:53,829 --> 00:09:52,480

with project blue book yeah

280

00:09:55,590 --> 00:09:53,839

if you don't mind give us the rundown

281

00:09:58,630 --> 00:09:55,600

okay sure so

282

00:10:01,509 --> 00:09:58,640

um go some morgan city um

283

00:10:02,470 --> 00:10:01,519

you know we filmed a full season of that

284

00:10:04,630 --> 00:10:02,480

and

285

00:10:06,150 --> 00:10:04,640

i guess i i can't get too much into what

286

00:10:07,030 --> 00:10:06,160

what the development where that is right

287

00:10:09,430 --> 00:10:07,040

now but

288

00:10:12,069 --> 00:10:09,440

because a lot of because of what covet

289

00:10:15,509 --> 00:10:12,079

was going through and what was happening

290

00:10:17,590 --> 00:10:15,519

or stalling of all filming um

291

00:10:19,829 --> 00:10:17,600

disability so i guess i can say this

292

00:10:21,269 --> 00:10:19,839

much there's a possibility that show can

293

00:10:24,710 --> 00:10:21,279

come back too

294

00:10:26,389 --> 00:10:24,720

but in the interim um the ufo world has

295

00:10:28,310 --> 00:10:26,399

just exploded

296

00:10:30,870 --> 00:10:28,320

and as you know in the last couple years

297

00:10:34,790 --> 00:10:30,880

there's been so much media attention but

298

00:10:37,030 --> 00:10:34,800

um in my mind there wasn't

299

00:10:39,750 --> 00:10:37,040

look i watch about half an hour of tv a

300

00:10:42,310 --> 00:10:39,760

month i i don't even have cable

301

00:10:43,350 --> 00:10:42,320

uh i do enjoy the shows but i'm very

302

00:10:46,150 --> 00:10:43,360

particular

303

00:10:46,710 --> 00:10:46,160

about what i watch so i know that if i

304

00:10:49,590 --> 00:10:46,720

like

305

00:10:51,350 --> 00:10:49,600

something i'm on that it came out well

306

00:10:53,990 --> 00:10:51,360

to me that's a pretty good endorsement

307

00:10:57,430 --> 00:10:54,000

if ben hansen likes it even his own show

308

00:10:59,350 --> 00:10:57,440

you know then okay then i would watch it

309

00:11:01,269 --> 00:10:59,360

yeah and uh what happened was this

310

00:11:04,230 --> 00:11:01,279

company comes along

311

00:11:04,870 --> 00:11:04,240

and um i always get calls people wanting

312

00:11:07,509 --> 00:11:04,880

ideas

313

00:11:09,030 --> 00:11:07,519

of of what to do what to film and i was

314

00:11:11,910 --> 00:11:09,040

already talking with a knack

315

00:11:12,949 --> 00:11:11,920

and this thing was kind of formulating

316

00:11:15,110 --> 00:11:12,959

already

317

00:11:16,470 --> 00:11:15,120

a really great company called anomaly

318

00:11:18,470 --> 00:11:16,480

who makes

319

00:11:19,509 --> 00:11:18,480

just uh they do a lot of shark week

320

00:11:22,310 --> 00:11:19,519

shows

321

00:11:24,389 --> 00:11:22,320

and they they know how to do recreations

322

00:11:25,670 --> 00:11:24,399

and bring kind of that cinematic asked

323

00:11:28,630 --> 00:11:25,680

into it

324

00:11:30,150 --> 00:11:28,640

and so in talking with uh channel

325

00:11:32,150 --> 00:11:30,160

executives and stuff

326

00:11:34,230 --> 00:11:32,160

they said hey you know look have you

327

00:11:36,069 --> 00:11:34,240

asked ben if if he's interested in kind

328

00:11:38,150 --> 00:11:36,079

of what you guys are working on and it

329

00:11:39,990 --> 00:11:38,160

just sort of meshed together

330

00:11:42,150 --> 00:11:40,000

now mark o'connell who's also a

331

00:11:45,590 --> 00:11:42,160

co-executive for doing that

332

00:11:46,230 --> 00:11:45,600

um had the access mark's kind of new to

333

00:11:50,470 --> 00:11:46,240

the

334

00:11:52,949 --> 00:11:50,480

are in for a while

335

00:11:54,389 --> 00:11:52,959

um he he kind of came into it because

336

00:11:55,430 --> 00:11:54,399

he's been doing this a long time but he

337

00:11:57,910 --> 00:11:55,440

hadn't been

338

00:11:59,910 --> 00:11:57,920

really well known of what access he had

339

00:12:03,430 --> 00:11:59,920

and so he wrote a biography

340

00:12:05,190 --> 00:12:03,440

about uh dr heineck okay so he writes a

341

00:12:08,230 --> 00:12:05,200

biography and was able to

342

00:12:11,110 --> 00:12:08,240

about the same time the um the movie

343

00:12:12,710 --> 00:12:11,120

blue book was out he was also talking to

344

00:12:13,670 --> 00:12:12,720

the family members you know to paul

345

00:12:15,990 --> 00:12:13,680

heineck

346

00:12:16,949 --> 00:12:16,000

um he was he was getting in with anybody

347

00:12:19,269 --> 00:12:16,959

who who knew

348

00:12:21,190 --> 00:12:19,279

heineck to really get to know this man

349

00:12:24,629 --> 00:12:21,200

he writes the book

350

00:12:25,990 --> 00:12:24,639

and in the the the process of doing that

351

00:12:29,350 --> 00:12:26,000

he gains access to

352

00:12:31,910 --> 00:12:29,360

kufos the center of ufo studies

353

00:12:33,829 --> 00:12:31,920

where the archives um and for the

354

00:12:36,870 --> 00:12:33,839

audience who probably know this

355

00:12:37,509 --> 00:12:36,880

the organization was started by heinek

356

00:12:40,550 --> 00:12:37,519

after he

357

00:12:42,470 --> 00:12:40,560

left project blue book so

358

00:12:45,190 --> 00:12:42,480

and then it morphs off and branches into

359

00:12:48,629 --> 00:12:45,200

mufon and other other organs

360

00:12:52,470 --> 00:12:48,639

so anyways jenny zeidman

361

00:12:55,750 --> 00:12:52,480

was dr heineck's personal assistant

362

00:12:57,670 --> 00:12:55,760

she was a college student i believe

363

00:12:59,509 --> 00:12:57,680

it was uh i don't know if you talked to

364

00:13:00,790 --> 00:12:59,519

many places but ohio state is where i

365

00:13:03,829 --> 00:13:00,800

believe it was

366

00:13:06,310 --> 00:13:03,839

and she's a student in his class

367

00:13:07,350 --> 00:13:06,320

and they did kind of a field trip you

368

00:13:09,269 --> 00:13:07,360

know like um

369

00:13:11,590 --> 00:13:09,279

and went outside and they saw some

370

00:13:12,069 --> 00:13:11,600

sighting of of a weird object now the

371

00:13:13,750 --> 00:13:12,079

whole

372

00:13:15,670 --> 00:13:13,760

class is freaking out heinek himself

373

00:13:18,150 --> 00:13:15,680

doesn't know what he's seeing

374

00:13:19,110 --> 00:13:18,160

and she goes back and does some research

375

00:13:20,470 --> 00:13:19,120

and comes back

376  
00:13:22,310 --> 00:13:20,480  
and says i know what we saw the other

377  
00:13:24,069 --> 00:13:22,320  
night it was dead

378  
00:13:25,750 --> 00:13:24,079  
i don't remember if it she she found

379  
00:13:26,629 --> 00:13:25,760  
that it was a water balloon or what it

380  
00:13:29,910 --> 00:13:26,639  
was but

381  
00:13:31,269 --> 00:13:29,920  
he was so impressed with her diligence

382  
00:13:33,590 --> 00:13:31,279  
that he said would you like

383  
00:13:35,590 --> 00:13:33,600  
to kind of intern for me would you like

384  
00:13:38,949 --> 00:13:35,600  
to be my assistant

385  
00:13:39,670 --> 00:13:38,959  
so she then actually gets hired by the

386  
00:13:42,230 --> 00:13:39,680  
air force

387  
00:13:43,110 --> 00:13:42,240  
okay working with heinek as his

388  
00:13:44,949 --> 00:13:43,120

assistant

389

00:13:46,710 --> 00:13:44,959

and eventually moves up into field

390

00:13:48,230 --> 00:13:46,720

investigating and actually doing a lot

391

00:13:51,750 --> 00:13:48,240

of the interviews

392

00:13:53,189 --> 00:13:51,760

and um she was gosh how old was she she

393

00:13:56,550 --> 00:13:53,199

was 80 something

394

00:13:58,629 --> 00:13:56,560

she was way up there when i met her and

395

00:14:00,069 --> 00:13:58,639

it was just like sitting down in a big

396

00:14:01,910 --> 00:14:00,079

coming chair you know

397

00:14:04,230 --> 00:14:01,920

and saying grandma you know tell me

398

00:14:07,350 --> 00:14:04,240

about what you knew

399

00:14:10,790 --> 00:14:07,360

and she was very opinionated she

400

00:14:12,310 --> 00:14:10,800

felt very determined um about a lot of

401  
00:14:15,430 --> 00:14:12,320  
things that dr heineck

402  
00:14:18,069 --> 00:14:15,440  
of she she was you know right there next

403  
00:14:19,350 --> 00:14:18,079  
to him and knew what his thoughts were

404  
00:14:22,230 --> 00:14:19,360  
knew what he believed what he was

405  
00:14:23,430 --> 00:14:22,240  
frustrated with knew his opinions on

406  
00:14:25,350 --> 00:14:23,440  
cases

407  
00:14:26,790 --> 00:14:25,360  
um i don't know if i'm getting too far

408  
00:14:30,550 --> 00:14:26,800  
into the weeds here

409  
00:14:32,389 --> 00:14:30,560  
but something that the uh is

410  
00:14:34,710 --> 00:14:32,399  
it's addressed a little bit in the

411  
00:14:35,350 --> 00:14:34,720  
series she later went to work for the

412  
00:14:38,310 --> 00:14:35,360  
government

413  
00:14:40,389 --> 00:14:38,320

uh a contractor named battelle right and

414

00:14:43,910 --> 00:14:40,399

if your people know

415

00:14:44,949 --> 00:14:43,920

yeah very familiar yep the engineering

416

00:14:47,829 --> 00:14:44,959

of a lot of the

417

00:14:49,829 --> 00:14:47,839

the roswell debris uh technology

418

00:14:53,030 --> 00:14:49,839

division at wright patterson

419

00:14:54,870 --> 00:14:53,040

they're like this and so not giving away

420

00:14:55,509 --> 00:14:54,880

too much one part of the series was we

421

00:14:58,710 --> 00:14:55,519

learned from

422

00:15:01,350 --> 00:14:58,720

jenny some of these okay the people who

423

00:15:04,470 --> 00:15:01,360

were assigning the product cases

424

00:15:06,870 --> 00:15:04,480

the the most unexplained cases she

425

00:15:10,310 --> 00:15:06,880

believes did not come

426

00:15:11,670 --> 00:15:10,320

from the air force directly one or two

427

00:15:14,389 --> 00:15:11,680

guys would show up in a car

428

00:15:15,910 --> 00:15:14,399

deliver a manila envelope and she she

429

00:15:17,350 --> 00:15:15,920

did a search on their

430

00:15:19,110 --> 00:15:17,360

license plate to find out who these

431

00:15:22,389 --> 00:15:19,120

people were because

432

00:15:24,629 --> 00:15:22,399

hynek was like they're not air force

433

00:15:25,509 --> 00:15:24,639

and they're dressed in in like civilian

434

00:15:29,430 --> 00:15:25,519

clothes

435

00:15:31,509 --> 00:15:29,440

okay so how is a government

436

00:15:33,189 --> 00:15:31,519

handling much in the same way i guess

437

00:15:36,389 --> 00:15:33,199

you could say bigelow

438

00:15:38,949 --> 00:15:36,399

was handling the money for um

439

00:15:39,590 --> 00:15:38,959

the uh the 22 million dollars that was

440

00:15:42,870 --> 00:15:39,600

invested

441

00:15:45,110 --> 00:15:42,880

right and so he

442

00:15:46,790 --> 00:15:45,120

he's a government contractor but he's

443

00:15:50,230 --> 00:15:46,800

assigning

444

00:15:52,389 --> 00:15:50,240

these cases because for one thing

445

00:15:54,389 --> 00:15:52,399

there's no foia requests you can do like

446

00:15:57,350 --> 00:15:54,399

they don't have the same rules

447

00:15:59,269 --> 00:15:57,360

right right if you put a foia request on

448

00:16:00,870 --> 00:15:59,279

on a government contractor they're not

449

00:16:02,310 --> 00:16:00,880

under the same obligation to turn over

450

00:16:04,150 --> 00:16:02,320

their files

451  
00:16:05,829 --> 00:16:04,160  
right and so if you do an investigation

452  
00:16:07,189 --> 00:16:05,839  
that's actually headed underneath a

453  
00:16:09,990 --> 00:16:07,199  
contractor

454  
00:16:11,350 --> 00:16:10,000  
it gets lost nobody has to come out and

455  
00:16:13,910 --> 00:16:11,360  
talk about it

456  
00:16:15,350 --> 00:16:13,920  
right and so what's really cool with

457  
00:16:17,670 --> 00:16:15,360  
o'connell

458  
00:16:19,670 --> 00:16:17,680  
we got to pick the brain uh jenny for

459  
00:16:20,550 --> 00:16:19,680  
the the time she was with us before she

460  
00:16:23,430 --> 00:16:20,560  
passed away

461  
00:16:24,870 --> 00:16:23,440  
we get access to the kufos files we get

462  
00:16:27,829 --> 00:16:24,880  
personal notes

463  
00:16:29,430 --> 00:16:27,839

um personal correspondence between hynek

464

00:16:31,110 --> 00:16:29,440

and and everything he was doing before

465

00:16:33,590 --> 00:16:31,120

and after blue book

466

00:16:34,629 --> 00:16:33,600

and we get to revisit and retrace his

467

00:16:37,269 --> 00:16:34,639

steps

468

00:16:39,350 --> 00:16:37,279

for some of these iconic cases compare

469

00:16:41,430 --> 00:16:39,360

them to modern day things

470

00:16:42,790 --> 00:16:41,440

so you'll see each episode we take an

471

00:16:45,590 --> 00:16:42,800

old case

472

00:16:48,550 --> 00:16:45,600

we look at what jenny did and then we

473

00:16:50,710 --> 00:16:48,560

come forward and we look for patterns

474

00:16:51,990 --> 00:16:50,720

to see is it something new is it

475

00:16:54,949 --> 00:16:52,000

different

476

00:16:57,110 --> 00:16:54,959

what can we learn from it yeah i i love

477

00:16:59,590 --> 00:16:57,120

that aspect of the show i just like

478

00:17:01,030 --> 00:16:59,600

retracing his steps trying to get in the

479

00:17:02,949 --> 00:17:01,040

mind of heinek and like

480

00:17:05,990 --> 00:17:02,959

what he was thinking at the time and

481

00:17:08,870 --> 00:17:06,000

then you as a modern-day investigator

482

00:17:09,829 --> 00:17:08,880

who has the technology now to go out and

483

00:17:13,029 --> 00:17:09,839

do your own

484

00:17:15,350 --> 00:17:13,039

uh you know re-examination i mean that's

485

00:17:18,630 --> 00:17:15,360

a resource that only something like

486

00:17:20,390 --> 00:17:18,640

a television show can really provide so

487

00:17:22,789 --> 00:17:20,400

that's why when i always tell people

488

00:17:25,669 --> 00:17:22,799

like you may think these tv shows

489

00:17:26,870 --> 00:17:25,679

um are entertainment but they have

490

00:17:29,990 --> 00:17:26,880

resources

491

00:17:33,350 --> 00:17:30,000

that us ufo researchers do not have

492

00:17:35,510 --> 00:17:33,360

and money to do it so i'm all for any

493

00:17:38,150 --> 00:17:35,520

infotainment as we call it show coming

494

00:17:39,590 --> 00:17:38,160

out where it will get the uh the topic

495

00:17:42,070 --> 00:17:39,600

out there and um

496

00:17:43,750 --> 00:17:42,080

well let's kind of without going in too

497

00:17:44,789 --> 00:17:43,760

in depth with every episode ben because

498

00:17:46,789 --> 00:17:44,799

obviously we want

499

00:17:48,870 --> 00:17:46,799

people to watch your journey uh the

500

00:17:49,909 --> 00:17:48,880

first episode we have to talk about this

501  
00:17:51,830 --> 00:17:49,919  
one you mentioned

502  
00:17:53,590 --> 00:17:51,840  
what's going on in the world today with

503  
00:17:57,350 --> 00:17:53,600  
ufos we've got

504  
00:18:00,789 --> 00:17:57,360  
the pentagon has a ufo task force

505  
00:18:03,669 --> 00:18:00,799  
uh within 180 days they're supposed to

506  
00:18:05,430 --> 00:18:03,679  
make their findings public which is like

507  
00:18:06,789 --> 00:18:05,440  
all of this is just blowing my mind i

508  
00:18:07,750 --> 00:18:06,799  
never thought we would see this in our

509  
00:18:10,230 --> 00:18:07,760  
lifetime

510  
00:18:10,950 --> 00:18:10,240  
um and you were able to interview one of

511  
00:18:14,390 --> 00:18:10,960  
the gentlemen

512  
00:18:15,909 --> 00:18:14,400  
that was on the nimitz carrier and um

513  
00:18:17,669 --> 00:18:15,919

you found some really interesting

514

00:18:20,710 --> 00:18:17,679

connections between that

515

00:18:22,870 --> 00:18:20,720

and a case that blue book investigated

516

00:18:25,029 --> 00:18:22,880

which was the uh the coin helicopter

517

00:18:25,830 --> 00:18:25,039

case so would you mind maybe running us

518

00:18:28,950 --> 00:18:25,840

a little through

519

00:18:30,789 --> 00:18:28,960

what these two cases might have had in

520

00:18:31,350 --> 00:18:30,799

common to give us an example of what the

521

00:18:36,390 --> 00:18:31,360

show

522

00:18:39,190 --> 00:18:36,400

you um so

523

00:18:40,230 --> 00:18:39,200

you're right the nimitz case was was

524

00:18:43,830 --> 00:18:40,240

probably

525

00:18:46,390 --> 00:18:43,840

um gosh i get you could dare say

526  
00:18:47,750 --> 00:18:46,400  
if you looked at it globally it it's uh

527  
00:18:52,070 --> 00:18:47,760  
it

528  
00:18:54,150 --> 00:18:52,080  
the amount of

529  
00:18:56,870 --> 00:18:54,160  
eyes that got on the case because it's

530  
00:18:59,909 --> 00:18:56,880  
very visual we've got these videos of

531  
00:19:01,830 --> 00:18:59,919  
um you know the the tic-tac-shaped ufo

532  
00:19:03,830 --> 00:19:01,840  
and then later on the east coast

533  
00:19:05,029 --> 00:19:03,840  
you know they they have the the thing

534  
00:19:07,029 --> 00:19:05,039  
that uh

535  
00:19:08,870 --> 00:19:07,039  
they looks like the video looks like

536  
00:19:09,669 --> 00:19:08,880  
it's on its side and it's like spinning

537  
00:19:15,029 --> 00:19:09,679  
and

538  
00:19:16,950 --> 00:19:15,039

government finally admitted

539

00:19:18,230 --> 00:19:16,960

they had been chasing these things they

540

00:19:20,950 --> 00:19:18,240

had an official

541

00:19:21,909 --> 00:19:20,960

um program to investigate them and they

542

00:19:25,909 --> 00:19:21,919

don't know what they are

543

00:19:29,430 --> 00:19:25,919

so you know and so the the media

544

00:19:31,270 --> 00:19:29,440

is is crazy about it finally and

545

00:19:34,150 --> 00:19:31,280

one thing though is that the shape of

546

00:19:37,190 --> 00:19:34,160

this you caught they call it a tic tac

547

00:19:39,830 --> 00:19:37,200

um it's interesting that there are

548

00:19:41,270 --> 00:19:39,840

actually more sightings now far more

549

00:19:45,190 --> 00:19:41,280

sightings of triangles

550

00:19:46,390 --> 00:19:45,200

of lights and orbs and non-disc shaped

551  
00:19:48,070 --> 00:19:46,400  
objects

552  
00:19:50,950 --> 00:19:48,080  
you know and so we kind of wanted to

553  
00:19:53,350 --> 00:19:50,960  
know well how far back do we go

554  
00:19:54,789 --> 00:19:53,360  
to where we could find a lot of of uh

555  
00:19:57,990 --> 00:19:54,799  
references to a tic tac

556  
00:20:01,270 --> 00:19:58,000  
tic tac looking cylindrical you know

557  
00:20:03,270 --> 00:20:01,280  
shape and military engines and the coin

558  
00:20:03,750 --> 00:20:03,280  
copter case is a great example because

559  
00:20:06,950 --> 00:20:03,760  
that was

560  
00:20:10,950 --> 00:20:06,960  
um 1970 i want to say it was 75.

561  
00:20:14,549 --> 00:20:10,960  
these guys are uh pilots

562  
00:20:17,190 --> 00:20:14,559  
army um guy going to get a flight

563  
00:20:18,149 --> 00:20:17,200

uh medical review and they're on the way

564

00:20:19,750 --> 00:20:18,159

back they

565

00:20:21,270 --> 00:20:19,760

they take turns flying the helicopter

566

00:20:23,029 --> 00:20:21,280

because they need the hours right

567

00:20:24,630 --> 00:20:23,039

so the guy flying the helicopter on the

568

00:20:25,830 --> 00:20:24,640

way back they they take an altitude

569

00:20:28,149 --> 00:20:25,840

which is unusual for them

570

00:20:29,750 --> 00:20:28,159

like i think they're about 3000 feet

571

00:20:30,070 --> 00:20:29,760

normally helicopters are cruising you

572

00:20:33,270 --> 00:20:30,080

know

573

00:20:35,990 --> 00:20:33,280

like maybe 500 maybe a little bit more

574

00:20:37,190 --> 00:20:36,000

but they get way up there and as they're

575

00:20:41,190 --> 00:20:37,200

flying

576

00:20:45,270 --> 00:20:41,200

um they're right side starboard

577

00:20:47,909 --> 00:20:45,280

i guess we're not a boat so

578

00:20:49,190 --> 00:20:47,919

but the right side you see this red

579

00:20:51,750 --> 00:20:49,200

light

580

00:20:52,630 --> 00:20:51,760

and it starts approaching them and they

581

00:20:54,710 --> 00:20:52,640

start kind of

582

00:20:55,750 --> 00:20:54,720

taking notice that it's coming really

583

00:20:57,750 --> 00:20:55,760

fast

584

00:20:59,430 --> 00:20:57,760

and it starts doing zooming zooming

585

00:21:02,710 --> 00:20:59,440

super fast towards them

586

00:21:06,710 --> 00:21:02,720

so much though the captain coin um

587

00:21:08,789 --> 00:21:06,720

grabs the uh controls the collective and

588

00:21:10,310 --> 00:21:08,799

grabs the helicopter and says okay it's

589

00:21:12,870 --> 00:21:10,320

mine because he's got

590

00:21:14,870 --> 00:21:12,880

the the most time in this uh aircraft

591

00:21:17,990 --> 00:21:14,880

and pushes it down in a dive okay so

592

00:21:21,510 --> 00:21:18,000

they think they're gonna miss collision

593

00:21:24,630 --> 00:21:21,520

and i remember seeing the altitude

594

00:21:27,110 --> 00:21:24,640

indicator from um

595

00:21:29,830 --> 00:21:27,120

the three thousand they're at they get

596

00:21:32,470 --> 00:21:29,840

down to seventeen hundred

597

00:21:33,510 --> 00:21:32,480

this thing comes up over the top of them

598

00:21:37,750 --> 00:21:33,520

and

599

00:21:41,190 --> 00:21:37,760

about 20 seconds maybe even less

600

00:21:44,870 --> 00:21:41,200

stops and hovers above them it's tic tac

601  
00:21:47,029 --> 00:21:44,880  
shaped um it has a front of it

602  
00:21:48,710 --> 00:21:47,039  
that shines down on them and fills the

603  
00:21:50,310 --> 00:21:48,720  
canopy of the helicopter

604  
00:21:51,909 --> 00:21:50,320  
and before you know it the they

605  
00:21:53,750 --> 00:21:51,919  
disappear

606  
00:21:54,950 --> 00:21:53,760  
that takes off they look at their

607  
00:21:59,029 --> 00:21:54,960  
altimeter

608  
00:22:02,070 --> 00:21:59,039  
and up to 3 500 feet so they've gained

609  
00:22:03,110 --> 00:22:02,080  
1800 feet um

610  
00:22:06,870 --> 00:22:03,120  
something like that i had them trying to

611  
00:22:10,470 --> 00:22:06,880  
figure it out gains that much altitude

612  
00:22:12,630 --> 00:22:10,480  
in that 10 to 20 seconds so

613  
00:22:13,669 --> 00:22:12,640

for for us and and people who've seen my

614

00:22:15,590 --> 00:22:13,679

previous um

615

00:22:16,710 --> 00:22:15,600

shows like fact or faked one of the cool

616

00:22:19,510 --> 00:22:16,720

was

617

00:22:21,430 --> 00:22:19,520

we we tried replicating that the modern

618

00:22:23,669 --> 00:22:21,440

day helicopter which

619

00:22:25,270 --> 00:22:23,679

of course the i believe it was a huey

620

00:22:27,750 --> 00:22:25,280

that they were in

621

00:22:28,630 --> 00:22:27,760

it's more power but in talking to our

622

00:22:31,190 --> 00:22:28,640

expert

623

00:22:32,950 --> 00:22:31,200

pilot he's like here's the differences

624

00:22:35,990 --> 00:22:32,960

it's not going to be anywhere

625

00:22:37,190 --> 00:22:36,000

look it's going to be just as fast as

626  
00:22:39,990 --> 00:22:37,200  
they were flying

627  
00:22:41,190 --> 00:22:40,000  
the horsepower and everything else climb

628  
00:22:42,149 --> 00:22:41,200  
a little bit more in the military

629  
00:22:43,830 --> 00:22:42,159  
helicopter

630  
00:22:45,510 --> 00:22:43,840  
but it was a good proof of concept

631  
00:22:48,789 --> 00:22:45,520  
because what we found was there's

632  
00:22:50,950 --> 00:22:48,799  
absolutely no way even even a

633  
00:22:52,789 --> 00:22:50,960  
meteorological condition like a

634  
00:22:54,470 --> 00:22:52,799  
you know wind shear not make the

635  
00:22:55,430 --> 00:22:54,480  
helicopter rise that quickly that amount

636  
00:22:58,070 --> 00:22:55,440  
of time

637  
00:22:59,029 --> 00:22:58,080  
so there had to be some external force

638  
00:23:00,549 --> 00:22:59,039

at play

639

00:23:02,070 --> 00:23:00,559

so that's that's kind of how the show

640

00:23:04,390 --> 00:23:02,080

goes is that we

641

00:23:06,830 --> 00:23:04,400

that we look for natural explanations

642

00:23:10,549 --> 00:23:06,840

maybe we try to recreate something

643

00:23:11,590 --> 00:23:10,559

but knowing that these similar objects

644

00:23:14,390 --> 00:23:11,600

were seen

645

00:23:15,830 --> 00:23:14,400

you know in the 70s and now again and

646

00:23:18,870 --> 00:23:15,840

they see me

647

00:23:19,430 --> 00:23:18,880

i wouldn't say it was aggressive per

648

00:23:22,470 --> 00:23:19,440

them

649

00:23:26,310 --> 00:23:22,480

but think about it we're deploying

650

00:23:27,830 --> 00:23:26,320

just scramble to fly after these things

651  
00:23:30,950 --> 00:23:27,840  
there are rumors that when this has

652  
00:23:33,190 --> 00:23:30,960  
happened before like 1952

653  
00:23:34,230 --> 00:23:33,200  
um the reds scare over the capital where

654  
00:23:36,310 --> 00:23:34,240  
these things showed up

655  
00:23:38,310 --> 00:23:36,320  
you know in swarms over two weekends in

656  
00:23:39,750 --> 00:23:38,320  
july and the jets would come and they'd

657  
00:23:42,310 --> 00:23:39,760  
scramble away

658  
00:23:43,990 --> 00:23:42,320  
there are rumors that we lost two jets

659  
00:23:45,190 --> 00:23:44,000  
on one of those weekends and the pilots

660  
00:23:47,029 --> 00:23:45,200  
died

661  
00:23:48,390 --> 00:23:47,039  
okay we're trying to confirm that but

662  
00:23:51,510 --> 00:23:48,400  
think about it like

663  
00:23:53,190 --> 00:23:51,520

this is a national security concern

664

00:23:55,430 --> 00:23:53,200

in our airspace we don't know who they

665

00:23:55,990 --> 00:23:55,440

are and and i think that's one reason

666

00:23:57,430 --> 00:23:56,000

that this

667

00:24:00,549 --> 00:23:57,440

uh both of these cases are really

668

00:24:01,430 --> 00:24:00,559

important absolutely and i mean you know

669

00:24:03,430 --> 00:24:01,440

we had

670

00:24:06,310 --> 00:24:03,440

uh the former head of the secret

671

00:24:08,789 --> 00:24:06,320

pentagon ufo program luis elizondo on

672

00:24:10,390 --> 00:24:08,799

uh two weeks ago now and he said the

673

00:24:12,950 --> 00:24:10,400

same thing he's like look i come from a

674

00:24:14,950 --> 00:24:12,960

world of the department of defense and

675

00:24:16,630 --> 00:24:14,960

intelligence like if we don't know what

676

00:24:18,950 --> 00:24:16,640

it is these ufos

677

00:24:19,750 --> 00:24:18,960

it's gonna be a potential threat so you

678

00:24:21,350 --> 00:24:19,760

know while

679

00:24:23,350 --> 00:24:21,360

a lot of people out there may think you

680

00:24:24,870 --> 00:24:23,360

know they're space brothers and they're

681

00:24:26,630 --> 00:24:24,880

you know they're here to save us and

682

00:24:28,789 --> 00:24:26,640

it's all love and light um

683

00:24:29,909 --> 00:24:28,799

we don't know that and that could be

684

00:24:33,190 --> 00:24:29,919

only one

685

00:24:36,230 --> 00:24:33,200

possible whatever intelligence race

686

00:24:37,990 --> 00:24:36,240

uh source of what that ufo was

687

00:24:39,430 --> 00:24:38,000

the ones over here may not be here for

688

00:24:41,510 --> 00:24:39,440

the right the same reason

689

00:24:43,190 --> 00:24:41,520

so um yeah man i thought that was a

690

00:24:45,430 --> 00:24:43,200

really good example of

691

00:24:47,350 --> 00:24:45,440

taking the case from then and now and um

692

00:24:50,149 --> 00:24:47,360

finding connections and

693

00:24:52,630 --> 00:24:50,159

it's cool and another episode um which

694

00:24:54,789 --> 00:24:52,640

uh discovery plus was so kind to send me

695

00:24:56,149 --> 00:24:54,799

uh screeners of a bunch of them to be

696

00:24:58,390 --> 00:24:56,159

honest i was surprised

697

00:24:59,990 --> 00:24:58,400

they let me see so far ahead so i have

698

00:25:02,230 --> 00:25:00,000

to thank discovery plus for that

699

00:25:03,669 --> 00:25:02,240

but um i believe this one aired already

700

00:25:06,710 --> 00:25:03,679

so i think we could talk about it

701  
00:25:09,350 --> 00:25:06,720  
the one with your grandfather this like

702  
00:25:09,830 --> 00:25:09,360  
blew me a man um and i don't think i've

703  
00:25:12,549 --> 00:25:09,840  
ever

704  
00:25:14,870 --> 00:25:12,559  
watched a scripted uh parent or

705  
00:25:17,029 --> 00:25:14,880  
unscripted paranormal or ufo show

706  
00:25:19,350 --> 00:25:17,039  
where i almost cried and this was the

707  
00:25:21,190 --> 00:25:19,360  
one that did it

708  
00:25:23,430 --> 00:25:21,200  
would you mind kind of running us

709  
00:25:25,430 --> 00:25:23,440  
through um you know going to meet your

710  
00:25:28,549 --> 00:25:25,440  
dad and talking about your grandpa

711  
00:25:30,630 --> 00:25:28,559  
and his possible connection to all of

712  
00:25:32,870 --> 00:25:30,640  
this in an episode called alien

713  
00:25:38,230 --> 00:25:32,880

high tech yeah can you tease us a little

714

00:25:42,630 --> 00:25:40,789

it was really touching because so so

715

00:25:45,590 --> 00:25:42,640

when the series um

716

00:25:47,669 --> 00:25:45,600

we decided it was greenlit um i got to

717

00:25:50,230 --> 00:25:47,679

go the producers we talked about

718

00:25:51,669 --> 00:25:50,240

uh some of the different um cases we

719

00:25:54,230 --> 00:25:51,679

wanted to cover

720

00:25:55,669 --> 00:25:54,240

you know when we're gonna do it and you

721

00:25:57,750 --> 00:25:55,679

know talk about some amazing stories

722

00:25:59,750 --> 00:25:57,760

that haven't been told yet

723

00:26:01,269 --> 00:25:59,760

um they also wanted a personal

724

00:26:02,950 --> 00:26:01,279

connection and this one's always been

725

00:26:05,029 --> 00:26:02,960

something that i've been trying to

726

00:26:06,950 --> 00:26:05,039

to work on my own was that my

727

00:26:08,470 --> 00:26:06,960

grandfather worked for the air force he

728

00:26:10,310 --> 00:26:08,480

was um

729

00:26:11,909 --> 00:26:10,320

he was in world war ii uh with the

730

00:26:13,510 --> 00:26:11,919

marines and then went to the air force

731

00:26:17,750 --> 00:26:13,520

civilian and he was a

732

00:26:20,630 --> 00:26:17,760

um a logistical engineer so his job

733

00:26:21,190 --> 00:26:20,640

um well my pictures of him are over here

734

00:26:24,549 --> 00:26:21,200

but

735

00:26:28,310 --> 00:26:24,559

anyways his job was primarily um

736

00:26:29,750 --> 00:26:28,320

to to take logistical like projects and

737

00:26:31,350 --> 00:26:29,760

figure out okay we need to make the

738

00:26:35,029 --> 00:26:31,360

space for the project

739

00:26:37,669 --> 00:26:35,039

we need to inventory it um he he helped

740

00:26:39,590 --> 00:26:37,679

them implement the the larger computer

741

00:26:42,390 --> 00:26:39,600

system the air force had at the time

742

00:26:44,630 --> 00:26:42,400

and he was underground okay he worked on

743

00:26:48,070 --> 00:26:44,640

maintaining hanger systems

744

00:26:51,590 --> 00:26:48,080

and at some point 1965 my dad was

745

00:26:54,950 --> 00:26:51,600

15 years old comes to my dad and says

746

00:26:58,549 --> 00:26:57,350

um i've been asked to join a special

747

00:27:01,750 --> 00:26:58,559

group

748

00:27:02,630 --> 00:27:01,760

and the the government might call me at

749

00:27:04,549 --> 00:27:02,640

any time

750

00:27:06,630 --> 00:27:04,559

and if they do i have to get up and i

751  
00:27:08,710 --> 00:27:06,640  
have to leave town and i can't tell you

752  
00:27:10,070 --> 00:27:08,720  
sometimes or even where i'm going i

753  
00:27:12,230 --> 00:27:10,080  
don't know when i'll be back

754  
00:27:13,430 --> 00:27:12,240  
and my dad's like are you talking about

755  
00:27:16,230 --> 00:27:13,440  
like a cold war

756  
00:27:17,590 --> 00:27:16,240  
era nuclear threat sort of thing and and

757  
00:27:20,149 --> 00:27:17,600  
he goes well

758  
00:27:20,789 --> 00:27:20,159  
something like that right and so my dad

759  
00:27:25,029 --> 00:27:20,799  
remembers

760  
00:27:27,510 --> 00:27:25,039  
in 65 was the first time he was called

761  
00:27:29,029 --> 00:27:27,520  
he had to pack his bags and and one

762  
00:27:30,870 --> 00:27:29,039  
thing that the show

763  
00:27:32,389 --> 00:27:30,880

i think that the narrator made a little

764

00:27:33,430 --> 00:27:32,399

error there they said they moved my

765

00:27:36,630 --> 00:27:33,440

family

766

00:27:38,470 --> 00:27:36,640

um to utah he was always in utah

767

00:27:40,389 --> 00:27:38,480

what it was is he would leave from there

768

00:27:41,430 --> 00:27:40,399

on what they call tdys temporary duty

769

00:27:43,990 --> 00:27:41,440

assignment

770

00:27:44,470 --> 00:27:44,000

to wright patterson and wright patterson

771

00:27:46,549 --> 00:27:44,480

of course

772

00:27:48,149 --> 00:27:46,559

is head of project blue book still going

773

00:27:50,549 --> 00:27:48,159

on in 60s

774

00:27:52,310 --> 00:27:50,559

it was also and is the home of the

775

00:27:55,029 --> 00:27:52,320

foreign technology division

776

00:27:55,590 --> 00:27:55,039

so everything from roswell to any back

777

00:27:57,990 --> 00:27:55,600

engineer

778

00:27:59,510 --> 00:27:58,000

of craft we don't know how it works is

779

00:28:01,990 --> 00:27:59,520

taken there

780

00:28:04,310 --> 00:28:02,000

and my grandpa would be gone okay

781

00:28:06,870 --> 00:28:04,320

sometimes for a couple of weeks

782

00:28:08,870 --> 00:28:06,880

he couldn't talk to my my dad i couldn't

783

00:28:11,909 --> 00:28:08,880

answer the phone at times

784

00:28:13,830 --> 00:28:11,919

um so in the series without getting too

785

00:28:15,269 --> 00:28:13,840

much into it but you'll see this this

786

00:28:18,389 --> 00:28:15,279

part

787

00:28:20,470 --> 00:28:18,399

um the producers loved the idea and

788

00:28:21,830 --> 00:28:20,480

i wanted to do it to go talk to my own

789

00:28:25,190 --> 00:28:21,840

dad about my grandpa

790

00:28:27,110 --> 00:28:25,200

and see what we could find out and

791

00:28:29,510 --> 00:28:27,120

so my dad tells the story of how that

792

00:28:32,470 --> 00:28:29,520

progression happened and what we learned

793

00:28:33,669 --> 00:28:32,480

and actually matching up some dates of

794

00:28:36,549 --> 00:28:33,679

when my grandpa

795

00:28:38,470 --> 00:28:36,559

left to write patterson and i'm like

796

00:28:39,110 --> 00:28:38,480

blown away because we were able to match

797

00:28:41,990 --> 00:28:39,120

up

798

00:28:43,110 --> 00:28:42,000

the dexter michigan case you know

799

00:28:46,389 --> 00:28:43,120

kecksburg

800

00:28:48,710 --> 00:28:46,399

like specific weekends where some major

801  
00:28:49,750 --> 00:28:48,720  
things happen and my grandpa just

802  
00:28:52,149 --> 00:28:49,760  
happens to leave

803  
00:28:53,990 --> 00:28:52,159  
it's an emergency and then can't say

804  
00:28:56,549 --> 00:28:54,000  
when he's coming back

805  
00:28:58,549 --> 00:28:56,559  
right and so the the thing that i think

806  
00:28:59,909 --> 00:28:58,559  
you're talking about had gave me chills

807  
00:29:02,070 --> 00:28:59,919  
too because if you watch

808  
00:29:03,590 --> 00:29:02,080  
i'm i'm almost and i don't cry a lot at

809  
00:29:05,830 --> 00:29:03,600  
all but like

810  
00:29:07,430 --> 00:29:05,840  
i'm like kind of getting a little water

811  
00:29:10,549 --> 00:29:07,440  
like holding back because

812  
00:29:13,190 --> 00:29:10,559  
my dad was retelling the the death bed

813  
00:29:15,590 --> 00:29:13,200

you know like when grandpa was there and

814

00:29:18,230 --> 00:29:15,600

what he finally tells him in the end

815

00:29:20,389 --> 00:29:18,240

you know and so to me having the

816

00:29:23,669 --> 00:29:20,399

opportunity to do this

817

00:29:25,750 --> 00:29:23,679

this episode was really awesome because

818

00:29:27,669 --> 00:29:25,760

we got my dad on tape

819

00:29:28,870 --> 00:29:27,679

we made some discoveries i had no idea

820

00:29:31,269 --> 00:29:28,880

about

821

00:29:32,950 --> 00:29:31,279

and and to be able to do that just for a

822

00:29:34,549 --> 00:29:32,960

family archive

823

00:29:36,630 --> 00:29:34,559

you know it was really cool so we're

824

00:29:38,710 --> 00:29:36,640

still we're still researching it

825

00:29:39,990 --> 00:29:38,720

um i'm still trying to kind of dig in

826

00:29:43,269 --> 00:29:40,000

there to see if grandpa hit

827

00:29:44,710 --> 00:29:43,279

any secrets anywhere yeah you're so

828

00:29:46,630 --> 00:29:44,720

right man i think uh

829

00:29:48,950 --> 00:29:46,640

there's another show out where they

830

00:29:49,990 --> 00:29:48,960

found the personal journals of jesse

831

00:29:52,789 --> 00:29:50,000

marcel

832

00:29:53,669 --> 00:29:52,799

during the roswell incident so look

833

00:29:55,510 --> 00:29:53,679

these cases

834

00:29:56,950 --> 00:29:55,520

aren't case closed even if they were

835

00:29:59,909 --> 00:29:56,960

part of project blue book

836

00:30:01,669 --> 00:29:59,919

and they were closed um they're still

837

00:30:02,070 --> 00:30:01,679

unknown of what a lot of these actually

838

00:30:04,630 --> 00:30:02,080

were

839

00:30:05,350 --> 00:30:04,640

so who knows what your your grandfather

840

00:30:08,149 --> 00:30:05,360

worked on

841

00:30:09,029 --> 00:30:08,159

um it was a really cool human touch to

842

00:30:11,909 --> 00:30:09,039

the show

843

00:30:13,590 --> 00:30:11,919

and um i i loved it um you got to go to

844

00:30:15,590 --> 00:30:13,600

dugway in that episode too but

845

00:30:17,430 --> 00:30:15,600

like i said we could we could go episode

846

00:30:19,350 --> 00:30:17,440

by episode but i've got some more

847

00:30:21,830 --> 00:30:19,360

important questions to ask you man

848

00:30:22,630 --> 00:30:21,840

um in terms of you know kind of the

849

00:30:24,549 --> 00:30:22,640

journey

850

00:30:25,669 --> 00:30:24,559

of the show there is an episode dealing

851  
00:30:27,909 --> 00:30:25,679  
with uh

852  
00:30:28,789 --> 00:30:27,919  
abductions i don't know if it's aired

853  
00:30:30,470 --> 00:30:28,799  
yet but

854  
00:30:32,070 --> 00:30:30,480  
what do you what do you make of this

855  
00:30:33,029 --> 00:30:32,080  
whole side of it you know we're not just

856  
00:30:35,909 --> 00:30:33,039  
talking

857  
00:30:37,190 --> 00:30:35,919  
lights in the sky or uh even even a

858  
00:30:39,269 --> 00:30:37,200  
craft of some sort

859  
00:30:40,870 --> 00:30:39,279  
we're going next level and we're talking

860  
00:30:44,070 --> 00:30:40,880  
people getting kidnapped

861  
00:30:45,990 --> 00:30:44,080  
by aliens so when you're an investigator

862  
00:30:47,190 --> 00:30:46,000  
going into something like that and

863  
00:30:49,110 --> 00:30:47,200

knowing that project

864

00:30:50,230 --> 00:30:49,120

blue book actually looked into these

865

00:30:51,990 --> 00:30:50,240

cases as well

866

00:30:53,830 --> 00:30:52,000

um what do you make of it the whole

867

00:30:57,190 --> 00:30:53,840

abduction phenomenon

868

00:30:59,509 --> 00:30:57,200

well it's kind of the next logical step

869

00:31:01,350 --> 00:30:59,519

but i find that like with most things

870

00:31:03,430 --> 00:31:01,360

there's a continuum of i'm not

871

00:31:04,630 --> 00:31:03,440

i don't like the the term skeptic and

872

00:31:07,029 --> 00:31:04,640

believer because

873

00:31:08,149 --> 00:31:07,039

people want to label you and if they say

874

00:31:09,590 --> 00:31:08,159

favor well then

875

00:31:11,190 --> 00:31:09,600

what does that mean i believe everything

876

00:31:13,509 --> 00:31:11,200

i hear no

877

00:31:15,350 --> 00:31:13,519

i need to be skeptical and so when it

878

00:31:17,750 --> 00:31:15,360

comes to abductions

879

00:31:19,350 --> 00:31:17,760

um i'll tell you the one case that

880

00:31:21,190 --> 00:31:19,360

really changed my mind

881

00:31:23,909 --> 00:31:21,200

because i was in that camp of like look

882

00:31:25,750 --> 00:31:23,919

okay i would give it a 95

883

00:31:27,990 --> 00:31:25,760

chance we've been visited because of all

884

00:31:29,509 --> 00:31:28,000

the sightings i've had my own

885

00:31:31,110 --> 00:31:29,519

you know a couple of them that blew me

886

00:31:34,070 --> 00:31:31,120

away so

887

00:31:35,830 --> 00:31:34,080

i would say i'd give it a 95 chance but

888

00:31:37,509 --> 00:31:35,840

you have to be have your mind open to

889

00:31:38,870 --> 00:31:37,519

that possibility that they're not just

890

00:31:39,909 --> 00:31:38,880

flying around but they're actually

891

00:31:43,669 --> 00:31:39,919

interacting with us

892

00:31:45,590 --> 00:31:43,679

in a much more direct way

893

00:31:47,430 --> 00:31:45,600

and the case that changed my mind on

894

00:31:51,750 --> 00:31:47,440

that was travis walton

895

00:31:54,310 --> 00:31:51,760

you know fire in the sky and years ago

896

00:31:55,590 --> 00:31:54,320

um i had a mutual friend who got me in

897

00:31:56,310 --> 00:31:55,600

touch with him i didn't know he's still

898

00:31:57,990 --> 00:31:56,320

alone

899

00:31:59,990 --> 00:31:58,000

like most of us i saw the the movie that

900

00:32:02,389 --> 00:32:00,000

freaked me out and i was like whoa

901  
00:32:04,549 --> 00:32:02,399  
how much this is true and it's the case

902  
00:32:06,149 --> 00:32:04,559  
of of 1975 and and

903  
00:32:07,750 --> 00:32:06,159  
you know really quick i don't know it's

904  
00:32:09,750 --> 00:32:07,760  
like arizona uh

905  
00:32:11,190 --> 00:32:09,760  
seven loggers they're they're out you

906  
00:32:13,269 --> 00:32:11,200  
know finishing up the day work and they

907  
00:32:15,750 --> 00:32:13,279  
they come across this object it's

908  
00:32:16,950 --> 00:32:15,760  
hovering in the forest and travis

909  
00:32:20,230 --> 00:32:16,960  
approaches it

910  
00:32:21,590 --> 00:32:20,240  
is struck you know by um they said it

911  
00:32:23,190 --> 00:32:21,600  
was kind of a bolt

912  
00:32:25,350 --> 00:32:23,200  
something as he gets close to it and

913  
00:32:26,710 --> 00:32:25,360

then they leave him

914

00:32:28,870 --> 00:32:26,720

and they come back and he's gone and

915

00:32:32,230 --> 00:32:28,880

he's gone for like five days

916

00:32:34,630 --> 00:32:32,240

so when i met travis um

917

00:32:36,470 --> 00:32:34,640

and it saw kind of what a humble and

918

00:32:41,110 --> 00:32:36,480

believable person he was

919

00:32:43,509 --> 00:32:41,120

and then you put into that all of the

920

00:32:45,350 --> 00:32:43,519

polygraphs that the crew had taken all

921

00:32:47,350 --> 00:32:45,360

of the the law enforcement involvement

922

00:32:49,110 --> 00:32:47,360

the investigations

923

00:32:50,870 --> 00:32:49,120

you're talking about a very very

924

00:32:53,350 --> 00:32:50,880

powerful case probably the most well

925

00:32:56,149 --> 00:32:53,360

documented abduction case

926  
00:32:57,909 --> 00:32:56,159  
and i believed that the crew believed

927  
00:32:59,190 --> 00:32:57,919  
what they saw and i believe that travis

928  
00:33:03,269 --> 00:32:59,200  
is telling the truth

929  
00:33:05,269 --> 00:33:03,279  
so if i believe that i had to be open to

930  
00:33:06,470 --> 00:33:05,279  
other possibilities that others have had

931  
00:33:09,990 --> 00:33:06,480  
abductions

932  
00:33:12,870 --> 00:33:10,000  
the problem is you can't lose your sense

933  
00:33:15,509 --> 00:33:12,880  
of objectivity you have to look at it in

934  
00:33:17,350 --> 00:33:15,519  
the probability of say

935  
00:33:18,870 --> 00:33:17,360  
there's a higher percentage of people

936  
00:33:19,990 --> 00:33:18,880  
with mental health problems in this

937  
00:33:22,149 --> 00:33:20,000  
field

938  
00:33:24,710 --> 00:33:22,159

there's also people who don't have any

939

00:33:27,909 --> 00:33:24,720

mental health problems but have um

940

00:33:29,190 --> 00:33:27,919

very lucid dreams experiences that

941

00:33:30,870 --> 00:33:29,200

they've they've come to

942

00:33:33,029 --> 00:33:30,880

make them believe they've they've had an

943

00:33:34,870 --> 00:33:33,039

experience and then

944

00:33:36,549 --> 00:33:34,880

there's a possibility this is really

945

00:33:39,430 --> 00:33:36,559

happening to them

946

00:33:41,029 --> 00:33:39,440

right and so i'm kind of in this murky

947

00:33:42,149 --> 00:33:41,039

middle where i'm like trying to weigh

948

00:33:44,310 --> 00:33:42,159

the evidence

949

00:33:46,310 --> 00:33:44,320

trying to get to know the person and

950

00:33:47,669 --> 00:33:46,320

then trying to make a decision whether i

951  
00:33:50,950 --> 00:33:47,679  
believe

952  
00:33:52,630 --> 00:33:50,960  
first of all no one in this i met nobody

953  
00:33:54,470 --> 00:33:52,640  
i believe made it up

954  
00:33:56,470 --> 00:33:54,480  
okay i i think everyone was telling the

955  
00:33:58,070 --> 00:33:56,480  
truth of what they believed

956  
00:33:59,909 --> 00:33:58,080  
but then we have to get into is there

957  
00:34:01,590 --> 00:33:59,919  
another explanation

958  
00:34:03,269 --> 00:34:01,600  
is this something that was like a lucid

959  
00:34:05,029 --> 00:34:03,279  
dream or sleep paralysis

960  
00:34:07,430 --> 00:34:05,039  
or something that was so real to them or

961  
00:34:08,869 --> 00:34:07,440  
did it physically really happen

962  
00:34:10,629 --> 00:34:08,879  
and that's where we let the audience

963  
00:34:13,589 --> 00:34:10,639

decide because honestly

964

00:34:14,629 --> 00:34:13,599

i don't know i really i have an open

965

00:34:17,750 --> 00:34:14,639

mind but i don't know

966

00:34:20,869 --> 00:34:17,760

some of these things are so strange um

967

00:34:23,030 --> 00:34:20,879

but if it's true it's pretty crazy

968

00:34:25,990 --> 00:34:23,040

what's been going on

969

00:34:28,230 --> 00:34:26,000

yeah man i i agree with you on so many

970

00:34:30,149 --> 00:34:28,240

levels when it comes to this uh

971

00:34:32,069 --> 00:34:30,159

abduction phenomenon i mean you know me

972

00:34:34,470 --> 00:34:32,079

i'm all about the people who have

973

00:34:36,869 --> 00:34:34,480

experiences so i've interviewed hundreds

974

00:34:39,510 --> 00:34:36,879

of people claiming alien abductions

975

00:34:39,990 --> 00:34:39,520

and i i come away feeling the same way

976  
00:34:42,710 --> 00:34:40,000  
you know

977  
00:34:43,669 --> 00:34:42,720  
um maybe they're fantasy prone maybe it

978  
00:34:47,030 --> 00:34:43,679  
was a uh

979  
00:34:50,069 --> 00:34:47,040  
hypnagogic hallucination a lucid dream

980  
00:34:53,510 --> 00:34:50,079  
anything to kind of push the idea

981  
00:34:55,990 --> 00:34:53,520  
of a extraterrestrial intelligence

982  
00:34:56,869 --> 00:34:56,000  
experimenting on people is what i went

983  
00:34:58,710 --> 00:34:56,879  
for but

984  
00:35:00,630 --> 00:34:58,720  
then you come away with those few cases

985  
00:35:03,109 --> 00:35:00,640  
where you're like huh there's

986  
00:35:04,550 --> 00:35:03,119  
nothing i can say to try to explain this

987  
00:35:07,109 --> 00:35:04,560  
and the people too

988  
00:35:08,069 --> 00:35:07,119

i mean we're talking people claiming

989

00:35:09,990 --> 00:35:08,079

these things

990

00:35:12,150 --> 00:35:10,000

are your barista they're your law

991

00:35:15,430 --> 00:35:12,160

enforcement you know they're your um

992

00:35:18,310 --> 00:35:15,440

your teacher these are every people

993

00:35:19,109 --> 00:35:18,320

credible same people saying that this

994

00:35:21,190 --> 00:35:19,119

happened

995

00:35:24,150 --> 00:35:21,200

so that really says get a sense of what

996

00:35:27,430 --> 00:35:24,160

what what dr heineck felt

997

00:35:30,310 --> 00:35:27,440

like um the pascagoula mississippi case

998

00:35:31,589 --> 00:35:30,320

right and and to me it's so crazy

999

00:35:33,910 --> 00:35:31,599

there's like

1000

00:35:36,230 --> 00:35:33,920

they're like robot like that come out of

1001  
00:35:37,589 --> 00:35:36,240  
the craft and grab these two guys by the

1002  
00:35:39,910 --> 00:35:37,599  
arms

1003  
00:35:41,589 --> 00:35:39,920  
right but this is an example of where he

1004  
00:35:43,750 --> 00:35:41,599  
felt the same way

1005  
00:35:45,109 --> 00:35:43,760  
he personally went down there

1006  
00:35:47,349 --> 00:35:45,119  
interviewed the men

1007  
00:35:48,950 --> 00:35:47,359  
talked to the the police officer they

1008  
00:35:50,390 --> 00:35:48,960  
did a trick on them and when they

1009  
00:35:52,390 --> 00:35:50,400  
interviewed them they left the tape

1010  
00:35:54,870 --> 00:35:52,400  
recorder going and they left the room

1011  
00:35:57,109 --> 00:35:54,880  
to see if they would talk and be like oh

1012  
00:35:58,310 --> 00:35:57,119  
gosh the police aren't believing us or

1013  
00:36:00,230 --> 00:35:58,320

you know isn't this funny how we're

1014

00:36:01,670 --> 00:36:00,240

going to keep this up so they didn't

1015

00:36:02,950 --> 00:36:01,680

know they're being recorded and they

1016

00:36:05,349 --> 00:36:02,960

were absolutely

1017

00:36:06,470 --> 00:36:05,359

scared they were crying they were

1018

00:36:09,349 --> 00:36:06,480

petrified yeah

1019

00:36:11,030 --> 00:36:09,359

petrified right and so heinek comes away

1020

00:36:14,630 --> 00:36:11,040

from that case

1021

00:36:16,950 --> 00:36:14,640

also firmly believing he never says

1022

00:36:18,710 --> 00:36:16,960

i know that you know extraterrestrials

1023

00:36:20,150 --> 00:36:18,720

abducted these men because he's a very

1024

00:36:22,069 --> 00:36:20,160

objective scientist

1025

00:36:23,430 --> 00:36:22,079

but he says i believe they're telling

1026

00:36:26,950 --> 00:36:23,440

the truth i believe

1027

00:36:29,109 --> 00:36:26,960

they they believe they had this

1028

00:36:31,190 --> 00:36:29,119

but then what what is it you know and

1029

00:36:32,950 --> 00:36:31,200

and that's why i think i identify a lot

1030

00:36:35,910 --> 00:36:32,960

with dr heineck

1031

00:36:38,470 --> 00:36:35,920

because i i want to stay grounded

1032

00:36:41,349 --> 00:36:38,480

sometimes all we have are the stories

1033

00:36:43,030 --> 00:36:41,359

maybe some physical evidence but we

1034

00:36:46,069 --> 00:36:43,040

shouldn't discount

1035

00:36:48,310 --> 00:36:46,079

or of witness testimony

1036

00:36:50,150 --> 00:36:48,320

witness testimony can put people in

1037

00:36:53,510 --> 00:36:50,160

prison in the death sentence

1038

00:36:55,510 --> 00:36:53,520

witness testimony you know like we have

1039

00:36:57,670 --> 00:36:55,520

to make judgments about people

1040

00:36:59,510 --> 00:36:57,680

if they're telling the truth or not and

1041

00:37:01,589 --> 00:36:59,520

it's been diminished over time because

1042

00:37:02,630 --> 00:37:01,599

we expect technology to do it all for us

1043

00:37:04,550 --> 00:37:02,640

now

1044

00:37:05,460 --> 00:37:04,560

right but i kind of that's kind of the

1045

00:37:06,790 --> 00:37:05,470

crux of the show

1046

00:37:09,589 --> 00:37:06,800

[Music]

1047

00:37:11,349 --> 00:37:09,599

it's ufo witness yeah it's all about the

1048

00:37:14,150 --> 00:37:11,359

witnesses i agree with you brother

1049

00:37:15,510 --> 00:37:14,160

um well moving on to some listener

1050

00:37:17,270 --> 00:37:15,520

questions if you don't mind sticking

1051  
00:37:19,670 --> 00:37:17,280  
around for a couple of days

1052  
00:37:21,270 --> 00:37:19,680  
cool sure cool um yeah we got some

1053  
00:37:22,550 --> 00:37:21,280  
excited people out there man

1054  
00:37:24,710 --> 00:37:22,560  
and they've been following your work for

1055  
00:37:26,950 --> 00:37:24,720  
a while so the first question

1056  
00:37:29,030 --> 00:37:26,960  
uh we're going back to fact or fake days

1057  
00:37:31,829 --> 00:37:29,040  
um for cam on facebook

1058  
00:37:34,069 --> 00:37:31,839  
it remains his favorite paranormal show

1059  
00:37:35,829 --> 00:37:34,079  
is there any chance of a revival and do

1060  
00:37:39,109 --> 00:37:35,839  
you keep in touch with anyone

1061  
00:37:42,069 --> 00:37:39,119  
from the original uh investigations um

1062  
00:37:42,470 --> 00:37:42,079  
i do most of them most of them i talked

1063  
00:37:44,390 --> 00:37:42,480

to

1064

00:37:45,670 --> 00:37:44,400

uh austin the other day he's having a

1065

00:37:49,990 --> 00:37:45,680

baby

1066

00:37:52,470 --> 00:37:50,000

um devon has got a couple kids now

1067

00:37:53,270 --> 00:37:52,480

he's teaching at a college he's a

1068

00:37:57,109 --> 00:37:53,280

pathetic

1069

00:37:59,910 --> 00:37:57,119

uh let's see jael he's got a a podcast

1070

00:38:00,230 --> 00:37:59,920

she's doing some radio stuff i don't

1071

00:38:03,430 --> 00:38:00,240

know

1072

00:38:06,390 --> 00:38:03,440

exactly what lanisha's up to or chilan

1073

00:38:07,829 --> 00:38:06,400

bill i talk to all the time and bill's

1074

00:38:11,270 --> 00:38:07,839

really wanting to do something

1075

00:38:14,710 --> 00:38:11,280

you know so it's it's kind of like

1076  
00:38:15,270 --> 00:38:14,720  
um if people are watching now delivery

1077  
00:38:17,589 --> 00:38:15,280  
plus

1078  
00:38:19,589 --> 00:38:17,599  
discovery actually bought the right to

1079  
00:38:21,829 --> 00:38:19,599  
show the archives and so

1080  
00:38:23,349 --> 00:38:21,839  
uh factor fake is i think on like

1081  
00:38:24,470 --> 00:38:23,359  
wednesdays or it's on streaming now

1082  
00:38:27,829 --> 00:38:24,480  
probably i don't even know

1083  
00:38:29,670 --> 00:38:27,839  
you know or this case was already just

1084  
00:38:34,310 --> 00:38:29,680  
adventures and i'm like well

1085  
00:38:37,190 --> 00:38:34,320  
yes but you know ours was filmed in 2010

1086  
00:38:37,670 --> 00:38:37,200  
a long time ago so anyways people will

1087  
00:38:41,190 --> 00:38:37,680  
show

1088  
00:38:42,790 --> 00:38:41,200

we want it back um sci-fi is not doing

1089

00:38:44,870 --> 00:38:42,800

this type of show anymore so i don't

1090

00:38:45,990 --> 00:38:44,880

honestly know who has the rights to the

1091

00:38:48,069 --> 00:38:46,000

name

1092

00:38:49,510 --> 00:38:48,079

except the discovery re-bought it and

1093

00:38:52,150 --> 00:38:49,520

they changed the name a little bit

1094

00:38:53,829 --> 00:38:52,160

so it as far as rights go i think they

1095

00:38:56,790 --> 00:38:53,839

could redo it

1096

00:38:58,630 --> 00:38:56,800

and i am going to start talking with uh

1097

00:38:59,030 --> 00:38:58,640

the networks perhaps to see if if

1098

00:39:01,670 --> 00:38:59,040

they're

1099

00:39:02,630 --> 00:39:01,680

a chance of a revival of some sort i

1100

00:39:04,470 --> 00:39:02,640

don't know that would have

1101

00:39:05,990 --> 00:39:04,480

all the same crew because some of them

1102

00:39:09,109 --> 00:39:06,000

kind of gone off

1103

00:39:12,150 --> 00:39:09,119

but um you know not too narrow

1104

00:39:14,069 --> 00:39:12,160

but the concept was pretty unique

1105

00:39:15,589 --> 00:39:14,079

it was something that a lot of tried to

1106

00:39:19,190 --> 00:39:15,599

replicate

1107

00:39:20,630 --> 00:39:19,200

and um it's flattering i mean but

1108

00:39:22,390 --> 00:39:20,640

we were a combination of like

1109

00:39:25,190 --> 00:39:22,400

mythbusters

1110

00:39:26,790 --> 00:39:25,200

you know and um and the normal which a

1111

00:39:29,589 --> 00:39:26,800

lot of these video shows are now just

1112

00:39:31,430 --> 00:39:29,599

trying to you know

1113

00:39:33,109 --> 00:39:31,440

and and i think it's still missing that

1114

00:39:35,430 --> 00:39:33,119

element we just thought there and

1115

00:39:37,030 --> 00:39:35,440

and put it to the test and we love it i

1116

00:39:39,670 --> 00:39:37,040

hope to see it back

1117

00:39:41,829 --> 00:39:39,680

i i really can't say you know as to to

1118

00:39:44,069 --> 00:39:41,839

whether it's possible or not

1119

00:39:46,230 --> 00:39:44,079

yeah hey anything's possible if we've

1120

00:39:49,109 --> 00:39:46,240

learned anything from 2020

1121

00:39:50,870 --> 00:39:49,119

um but you're you're getting you're

1122

00:39:52,710 --> 00:39:50,880

definitely getting that feel in ufo

1123

00:39:54,790 --> 00:39:52,720

witness so i highly suggest

1124

00:39:56,790 --> 00:39:54,800

any fact or fake fans check out ufo

1125

00:39:58,390 --> 00:39:56,800

witness because you're doing it man

1126  
00:39:59,270 --> 00:39:58,400  
you're you're going out you're doing the

1127  
00:40:00,710 --> 00:39:59,280  
experiments

1128  
00:40:02,870 --> 00:40:00,720  
boots on the ground and that's what

1129  
00:40:03,910 --> 00:40:02,880  
people want and that's what this field

1130  
00:40:06,150 --> 00:40:03,920  
needs instead of

1131  
00:40:07,589 --> 00:40:06,160  
all these people sitting around googling

1132  
00:40:09,349 --> 00:40:07,599  
stuff and

1133  
00:40:12,069 --> 00:40:09,359  
giving their opinion and saying case

1134  
00:40:15,750 --> 00:40:12,079  
closed no go out there and do the work

1135  
00:40:18,230 --> 00:40:15,760  
um well okay edward on facebook asks

1136  
00:40:19,270 --> 00:40:18,240  
do you think men in black work for the

1137  
00:40:21,030 --> 00:40:19,280  
fbi

1138  
00:40:23,109 --> 00:40:21,040

or what are your overall thoughts on the

1139

00:40:24,790 --> 00:40:23,119

men in black phenomenon you do touch on

1140

00:40:25,750 --> 00:40:24,800

this a little bit in ufo witness if i'm

1141

00:40:27,109 --> 00:40:25,760

remembering

1142

00:40:29,910 --> 00:40:27,119

correctly yeah what do you think of the

1143

00:40:31,430 --> 00:40:29,920

mibs ben some of the earliest men in

1144

00:40:34,790 --> 00:40:31,440

black encounters

1145

00:40:36,150 --> 00:40:34,800

that uh it dates back at least as far

1146

00:40:38,309 --> 00:40:36,160

back as roswell

1147

00:40:40,710 --> 00:40:38,319

okay there there were military people

1148

00:40:44,470 --> 00:40:40,720

that we've actually traced um

1149

00:40:48,230 --> 00:40:44,480

uh back to uh not the fbi

1150

00:40:49,670 --> 00:40:48,240

but actually the military who would show

1151  
00:40:51,270 --> 00:40:49,680  
they're from the base you know the

1152  
00:40:54,470 --> 00:40:51,280  
military base or something but

1153  
00:40:56,710 --> 00:40:54,480  
me maybe and

1154  
00:40:59,270 --> 00:40:56,720  
they would threaten they would literally

1155  
00:41:02,150 --> 00:40:59,280  
we i've talked to witnesses who said

1156  
00:41:03,990 --> 00:41:02,160  
when they were little they were i think

1157  
00:41:06,230 --> 00:41:04,000  
the person i'm thinking of was uh

1158  
00:41:08,230 --> 00:41:06,240  
gosh she was like maybe seven years old

1159  
00:41:11,030 --> 00:41:08,240  
or or younger

1160  
00:41:12,710 --> 00:41:11,040  
hairy man threatened her that the debris

1161  
00:41:13,670 --> 00:41:12,720  
that she had handled the things she was

1162  
00:41:17,430 --> 00:41:13,680  
told

1163  
00:41:19,910 --> 00:41:17,440

take her to the desert

1164

00:41:21,510 --> 00:41:19,920

and and take her away from her family or

1165

00:41:24,150 --> 00:41:21,520

kill her family

1166

00:41:27,750 --> 00:41:24,160

and it's really sad and tragic but there

1167

00:41:30,790 --> 00:41:27,760

are cases of that and these unidentified

1168

00:41:33,190 --> 00:41:30,800

men who show up and make threats

1169

00:41:34,470 --> 00:41:33,200

or give bribes we see the same thing

1170

00:41:38,630 --> 00:41:34,480

then happening again

1171

00:41:41,510 --> 00:41:38,640

in the uh heflin case which was

1172

00:41:43,109 --> 00:41:41,520

um you know these photographs happened

1173

00:41:44,950 --> 00:41:43,119

here in california

1174

00:41:47,510 --> 00:41:44,960

and it looks kind of like the classic

1175

00:41:49,510 --> 00:41:47,520

saucer shape and he's a construction

1176

00:41:50,630 --> 00:41:49,520

worker for the uh i think department

1177

00:41:51,589 --> 00:41:50,640

transportation he was doing some

1178

00:41:54,790 --> 00:41:51,599

contracts and he

1179

00:41:57,109 --> 00:41:54,800

films this thing guy shows up

1180

00:41:58,630 --> 00:41:57,119

you know asked to borrow the photos and

1181

00:42:00,790 --> 00:41:58,640

never returns them

1182

00:42:02,790 --> 00:42:00,800

and you know says he's from some

1183

00:42:05,910 --> 00:42:02,800

government agency and so

1184

00:42:06,470 --> 00:42:05,920

this is not a new thing but the men in

1185

00:42:09,670 --> 00:42:06,480

black

1186

00:42:11,349 --> 00:42:09,680

i don't know if so i would if i'm

1187

00:42:13,270 --> 00:42:11,359

guessing i would say it's not one

1188

00:42:15,510 --> 00:42:13,280

specific agency

1189

00:42:16,470 --> 00:42:15,520

i think i've heard stories from people

1190

00:42:18,870 --> 00:42:16,480

from

1191

00:42:20,710 --> 00:42:18,880

multiple agencies that they said we have

1192

00:42:23,030 --> 00:42:20,720

a department or a division

1193

00:42:25,190 --> 00:42:23,040

or a unit that does that sort of thing

1194

00:42:28,390 --> 00:42:25,200

and i think you see the series

1195

00:42:29,190 --> 00:42:28,400

um we we interview a controversial

1196

00:42:32,069 --> 00:42:29,200

person who

1197

00:42:33,030 --> 00:42:32,079

says that he did that for the government

1198

00:42:34,550 --> 00:42:33,040

right

1199

00:42:36,230 --> 00:42:34,560

and i know exactly who you're talking

1200

00:42:38,230 --> 00:42:36,240

about yeah yeah

1201

00:42:39,510 --> 00:42:38,240

a lot of people don't believe him

1202

00:42:41,109 --> 00:42:39,520

because

1203

00:42:42,550 --> 00:42:41,119

we know that he did work for the

1204

00:42:44,550 --> 00:42:42,560

government but like

1205

00:42:46,950 --> 00:42:44,560

when someone comes out and says let's

1206

00:42:47,990 --> 00:42:46,960

say for example they say i'm a spy

1207

00:42:50,390 --> 00:42:48,000

and i'm going to give you some

1208

00:42:51,270 --> 00:42:50,400

information you're kind of like okay

1209

00:42:53,030 --> 00:42:51,280

well

1210

00:42:55,910 --> 00:42:53,040

are you being troubled with me now

1211

00:42:58,150 --> 00:42:55,920

because what spies do is they lie

1212

00:43:00,470 --> 00:42:58,160

right and so when when you're doing

1213

00:43:02,150 --> 00:43:00,480

national security investigations

1214

00:43:03,990 --> 00:43:02,160

that's where you get double agent then

1215

00:43:06,069 --> 00:43:04,000

and who are they really working for

1216

00:43:07,510 --> 00:43:06,079

and it's a real deal the intelligence

1217

00:43:07,910 --> 00:43:07,520

community they deal with this all the

1218

00:43:10,150 --> 00:43:07,920

time

1219

00:43:11,349 --> 00:43:10,160

it's a real thing and so you have to

1220

00:43:13,109 --> 00:43:11,359

decide now

1221

00:43:14,790 --> 00:43:13,119

is this person still being truthful with

1222

00:43:15,990 --> 00:43:14,800

me are they lying is there a pro in

1223

00:43:19,030 --> 00:43:16,000

place

1224

00:43:20,790 --> 00:43:19,040

and i if i had to put money on it yeah

1225

00:43:23,109 --> 00:43:20,800

if you want to call it men in black no

1226

00:43:26,550 --> 00:43:23,119

they don't come up and erase your mind

1227

00:43:28,550 --> 00:43:26,560

but there are there are agencies who lie

1228

00:43:30,230 --> 00:43:28,560

uh units that lie about working for

1229

00:43:31,670 --> 00:43:30,240

other agencies you can do that in law

1230

00:43:33,430 --> 00:43:31,680

enforcement believe it or not

1231

00:43:35,109 --> 00:43:33,440

you can show up and say that you're you

1232

00:43:37,670 --> 00:43:35,119

know somebody else

1233

00:43:40,630 --> 00:43:37,680

um to get information so they can lie

1234

00:43:43,109 --> 00:43:40,640

they can appear to be somebody else um

1235

00:43:44,710 --> 00:43:43,119

but i would say it happens far less now

1236

00:43:47,030 --> 00:43:44,720

than it used to

1237

00:43:47,990 --> 00:43:47,040

that's just my based on on what i've

1238

00:43:49,910 --> 00:43:48,000

i've

1239

00:43:52,069 --> 00:43:49,920

gathered from interviews and everything

1240

00:43:54,069 --> 00:43:52,079

because the bottom line is i don't think

1241

00:43:55,750 --> 00:43:54,079

we need to do that much anymore

1242

00:43:57,270 --> 00:43:55,760

if they were worried about things

1243

00:43:59,990 --> 00:43:57,280

getting out

1244

00:44:01,349 --> 00:44:00,000

okay that was the 50s the 60s it was a

1245

00:44:03,910 --> 00:44:01,359

panic there was a real

1246

00:44:05,190 --> 00:44:03,920

reason i think why they were worried

1247

00:44:07,430 --> 00:44:05,200

people would would panic

1248

00:44:09,270 --> 00:44:07,440

getting this information we do it to

1249

00:44:11,430 --> 00:44:09,280

ourselves now

1250

00:44:13,270 --> 00:44:11,440

we do it to ourselves if i had the best

1251  
00:44:15,750 --> 00:44:13,280  
ufo video ever

1252  
00:44:17,829 --> 00:44:15,760  
you know and you know a ufo like

1253  
00:44:20,870 --> 00:44:17,839  
independence take over the white house

1254  
00:44:22,150 --> 00:44:20,880  
and i put it on the 10 o'clock how many

1255  
00:44:23,829 --> 00:44:22,160  
people are still not going to believe

1256  
00:44:26,390 --> 00:44:23,839  
that happen

1257  
00:44:28,870 --> 00:44:26,400  
right it's a viral video made up for a

1258  
00:44:32,230 --> 00:44:28,880  
movie it's this it's that

1259  
00:44:36,150 --> 00:44:32,240  
and at the end of the day you know

1260  
00:44:39,270 --> 00:44:36,160  
you're uh i just think there's so much

1261  
00:44:40,710 --> 00:44:39,280  
disinformation hoaxing so many things

1262  
00:44:42,309 --> 00:44:40,720  
out there that it would be deluded it

1263  
00:44:44,309 --> 00:44:42,319

would be lost

1264

00:44:45,510 --> 00:44:44,319

we wouldn't have to have men in black

1265

00:44:47,510 --> 00:44:45,520

show up and say

1266

00:44:48,950 --> 00:44:47,520

don't talk about the thing you saw

1267

00:44:51,349 --> 00:44:48,960

that's just my opinion

1268

00:44:53,510 --> 00:44:51,359

yeah yeah i know we're uh we're our own

1269

00:44:54,950 --> 00:44:53,520

worst enemies i think nowadays and

1270

00:44:56,950 --> 00:44:54,960

it's funny because like you said you

1271

00:44:59,670 --> 00:44:56,960

would think with the um

1272

00:45:01,670 --> 00:44:59,680

expansion and evolution of technology

1273

00:45:02,790 --> 00:45:01,680

would be able to get better evidence and

1274

00:45:05,430 --> 00:45:02,800

stuff of this but

1275

00:45:07,109 --> 00:45:05,440

in reality it actually works against us

1276

00:45:09,030 --> 00:45:07,119

like you said we have

1277

00:45:10,630 --> 00:45:09,040

special effects artists that's their

1278

00:45:13,270 --> 00:45:10,640

calling card put out a

1279

00:45:14,710 --> 00:45:13,280

a ufo video they made on their computer

1280

00:45:15,910 --> 00:45:14,720

gets a million views

1281

00:45:18,790 --> 00:45:15,920

boom you're going to get hired by

1282

00:45:20,230 --> 00:45:18,800

hollywood so it's hard man i totally get

1283

00:45:23,829 --> 00:45:20,240

it and especially

1284

00:45:26,790 --> 00:45:23,839

in today's age of social media too

1285

00:45:27,910 --> 00:45:26,800

with um you know falsity spreading so

1286

00:45:31,109 --> 00:45:27,920

easily and

1287

00:45:31,990 --> 00:45:31,119

and everything too um it's it's harder

1288

00:45:33,670 --> 00:45:32,000

it's actually harder

1289

00:45:34,870 --> 00:45:33,680

than i think it was before and i think

1290

00:45:35,750 --> 00:45:34,880

it's harder for the government to

1291

00:45:38,230 --> 00:45:35,760

contain

1292

00:45:39,589 --> 00:45:38,240

their information too so i think that's

1293

00:45:42,630 --> 00:45:39,599

why we're seeing

1294

00:45:45,349 --> 00:45:42,640

you know um the dod saying

1295

00:45:45,829 --> 00:45:45,359

yeah here here's those videos of the tic

1296

00:45:47,670 --> 00:45:45,839

tac and

1297

00:45:49,430 --> 00:45:47,680

everything we're officially releasing

1298

00:45:52,069 --> 00:45:49,440

them when in reality

1299

00:45:53,030 --> 00:45:52,079

we knew about those videos years before

1300

00:45:56,950 --> 00:45:53,040

they actually

1301  
00:45:59,430 --> 00:45:56,960  
leaked they leaked it's a hope i guess

1302  
00:45:59,990 --> 00:45:59,440  
that i have if any of the evidence from

1303  
00:46:02,230 --> 00:46:00,000  
roswell

1304  
00:46:04,150 --> 00:46:02,240  
exists or anything like that like it's

1305  
00:46:06,870 --> 00:46:04,160  
probably very deep vaulted

1306  
00:46:08,710 --> 00:46:06,880  
but if there's a chance that anybody had

1307  
00:46:11,270 --> 00:46:08,720  
access to it these things

1308  
00:46:13,430 --> 00:46:11,280  
it's not like the olden days right yeah

1309  
00:46:15,750 --> 00:46:13,440  
and and when people get information

1310  
00:46:16,790 --> 00:46:15,760  
they leak it or the hackers are so good

1311  
00:46:21,990 --> 00:46:16,800  
now

1312  
00:46:23,510 --> 00:46:22,000  
we have like that hack where they

1313  
00:46:25,349 --> 00:46:23,520

they start releasing things about

1314

00:46:27,430 --> 00:46:25,359

off-world officers and what does this

1315

00:46:31,190 --> 00:46:27,440

mean is this a real thing and

1316

00:46:33,349 --> 00:46:31,200

yeah and so um we live in an age of

1317

00:46:34,630 --> 00:46:33,359

information overload and that i think is

1318

00:46:38,069 --> 00:46:34,640

our biggest challenge

1319

00:46:41,510 --> 00:46:38,079

we have

1320

00:46:43,670 --> 00:46:41,520

bombshells come out it can get lost

1321

00:46:45,430 --> 00:46:43,680

the significance and impact of that can

1322

00:46:47,510 --> 00:46:45,440

get lost in all the other things that

1323

00:46:50,309 --> 00:46:47,520

we're consumed with right now

1324

00:46:51,349 --> 00:46:50,319

and the other problem is who do we trust

1325

00:46:54,230 --> 00:46:51,359

anymore

1326  
00:46:54,630 --> 00:46:54,240  
right there's so much distrust you know

1327  
00:46:57,030 --> 00:46:54,640  
for

1328  
00:46:58,309 --> 00:46:57,040  
our leaders the government everything

1329  
00:47:01,430 --> 00:46:58,319  
the media

1330  
00:47:04,550 --> 00:47:01,440  
and and and finishes all of that

1331  
00:47:06,069 --> 00:47:04,560  
with personal testimony too

1332  
00:47:07,670 --> 00:47:06,079  
you know like if you know me and you

1333  
00:47:09,349 --> 00:47:07,680  
believe i would not lie to you that's

1334  
00:47:09,990 --> 00:47:09,359  
probably the most powerful thing that

1335  
00:47:12,710 --> 00:47:10,000  
could help

1336  
00:47:13,430 --> 00:47:12,720  
persuade you yeah you know because

1337  
00:47:16,390 --> 00:47:13,440  
otherwise

1338  
00:47:17,990 --> 00:47:16,400

um all this stuff coming together it

1339

00:47:19,589 --> 00:47:18,000

we're just living in a very interesting

1340

00:47:22,390 --> 00:47:19,599

time

1341

00:47:23,349 --> 00:47:22,400

i think you're right yeah and um i think

1342

00:47:26,150 --> 00:47:23,359

you know

1343

00:47:27,589 --> 00:47:26,160

it's it's time for citizens to take back

1344

00:47:30,150 --> 00:47:27,599

the information they

1345

00:47:31,910 --> 00:47:30,160

they get and they learn so that's why i

1346

00:47:33,270 --> 00:47:31,920

applaud anyone who's out there in the

1347

00:47:35,829 --> 00:47:33,280

civilian world

1348

00:47:37,430 --> 00:47:35,839

still investigating you know mom and

1349

00:47:40,309 --> 00:47:37,440

pop's ufo sighting

1350

00:47:41,670 --> 00:47:40,319

not not not you know the radar operator

1351

00:47:44,950 --> 00:47:41,680

on the nimitz carrier

1352

00:47:46,790 --> 00:47:44,960

like the military cases are awesome and

1353

00:47:48,390 --> 00:47:46,800

yeah these are trained observers

1354

00:47:50,790 --> 00:47:48,400

so like these are the cases that make

1355

00:47:52,630 --> 00:47:50,800

the most impact but i'm so happy there's

1356

00:47:55,430 --> 00:47:52,640

still people out there like you do

1357

00:47:57,510 --> 00:47:55,440

in your show of going out to dulce and

1358

00:47:58,870 --> 00:47:57,520

talking to the locals and getting a feel

1359

00:48:00,470 --> 00:47:58,880

for what they think

1360

00:48:02,870 --> 00:48:00,480

they saw instead of what the government

1361

00:48:05,190 --> 00:48:02,880

thinks they saw or or stuff like that

1362

00:48:06,150 --> 00:48:05,200

so um no i think that's what brings your

1363

00:48:08,230 --> 00:48:06,160

show kind of

1364

00:48:09,670 --> 00:48:08,240

kind of circles us back to it's all

1365

00:48:12,069 --> 00:48:09,680

about the witnesses

1366

00:48:13,030 --> 00:48:12,079

um so i guess kind of my last question

1367

00:48:16,230 --> 00:48:13,040

for you ben

1368

00:48:17,750 --> 00:48:16,240

uh before we wrap up here is uh you've

1369

00:48:19,670 --> 00:48:17,760

you've investigated ghosts you've

1370

00:48:23,190 --> 00:48:19,680

investigated cryptids

1371

00:48:24,150 --> 00:48:23,200

now ufos um this seems to be kind of a

1372

00:48:27,510 --> 00:48:24,160

running theory

1373

00:48:29,910 --> 00:48:27,520

nowadays of all this stuff somehow being

1374

00:48:31,190 --> 00:48:29,920

interconnected you know some weird

1375

00:48:33,430 --> 00:48:31,200

string theory

1376

00:48:35,270 --> 00:48:33,440

between all these things so as an

1377

00:48:37,589 --> 00:48:35,280

investigator who's looked at all of them

1378

00:48:39,349 --> 00:48:37,599

who's looked at all the evidence

1379

00:48:41,910 --> 00:48:39,359

what do you think are we dealing with

1380

00:48:44,150 --> 00:48:41,920

things interconnected or should we

1381

00:48:45,829 --> 00:48:44,160

stay you know in our lanes when it comes

1382

00:48:48,230 --> 00:48:45,839

to flying saucers and

1383

00:48:49,829 --> 00:48:48,240

bigfoot and uh you know the ghosts of

1384

00:48:52,870 --> 00:48:49,839

morgan city

1385

00:48:53,910 --> 00:48:52,880

well maybe the answer is yes and no i

1386

00:48:57,190 --> 00:48:53,920

mean

1387

00:48:59,670 --> 00:48:57,200

i i do think that science is

1388

00:49:01,270 --> 00:48:59,680

moving in the direction of um multiple

1389

00:49:03,270 --> 00:49:01,280

dimensions so if you

1390

00:49:05,270 --> 00:49:03,280

if the word dimension scares people

1391

00:49:07,990 --> 00:49:05,280

think it's sci-fi well

1392

00:49:10,870 --> 00:49:08,000

um to me i've always for example had a

1393

00:49:14,549 --> 00:49:10,880

belief in in life after death okay so

1394

00:49:16,870 --> 00:49:14,559

so if there's spirits that are here

1395

00:49:19,589 --> 00:49:16,880

and they can sometimes manipulate our

1396

00:49:21,670 --> 00:49:19,599

physical world sometimes people see them

1397

00:49:23,190 --> 00:49:21,680

but we're occupying the same physical

1398

00:49:24,630 --> 00:49:23,200

space but they're not always visible

1399

00:49:26,230 --> 00:49:24,640

then we're talking in reality about

1400

00:49:28,950 --> 00:49:26,240

another dimension so

1401

00:49:31,750 --> 00:49:28,960

i'm okay with that now do ufos aliens do

1402

00:49:34,549 --> 00:49:31,760

do they live in this dimension

1403

00:49:36,549 --> 00:49:34,559

um you know the the thinkers of their

1404

00:49:39,510 --> 00:49:36,559

time which are probably far ahead

1405

00:49:41,670 --> 00:49:39,520

um you know jacques valet for example he

1406

00:49:42,390 --> 00:49:41,680

was very hesitant to say anything about

1407

00:49:44,470 --> 00:49:42,400

this

1408

00:49:45,829 --> 00:49:44,480

until recently because he knew it wasn't

1409

00:49:50,630 --> 00:49:45,839

popular

1410

00:49:52,549 --> 00:49:50,640

um i do evidence of nuts and bolts craft

1411

00:49:54,630 --> 00:49:52,559

things that were built you know from

1412

00:49:55,910 --> 00:49:54,640

from those from other worlds i think

1413

00:49:56,710 --> 00:49:55,920

we're getting to that point and i think

1414

00:49:59,510 --> 00:49:56,720

that's what will

1415

00:50:01,030 --> 00:49:59,520

end up being the conclusion however does

1416

00:50:04,150 --> 00:50:01,040

that mean that they have to travel light

1417

00:50:08,710 --> 00:50:06,790

you know maybe it's both but this

1418

00:50:10,470 --> 00:50:08,720

international thing

1419

00:50:12,950 --> 00:50:10,480

with the the different phenomena we're

1420

00:50:13,990 --> 00:50:12,960

seeing with like orbs of light that come

1421

00:50:16,549 --> 00:50:14,000

and go

1422

00:50:17,270 --> 00:50:16,559

is that connected to to orbs that people

1423

00:50:20,790 --> 00:50:17,280

see in

1424

00:50:24,470 --> 00:50:20,800

you know paranormal hauntings um

1425

00:50:26,710 --> 00:50:24,480

i i try not to find a unified theory

1426

00:50:29,190 --> 00:50:26,720

just because looking at what i'm

1427

00:50:30,950 --> 00:50:29,200

studying right now is hard enough

1428

00:50:33,430 --> 00:50:30,960

but i think you do have to have an open

1429

00:50:35,670 --> 00:50:33,440

mind that um

1430

00:50:37,510 --> 00:50:35,680

there are other worlds right around us

1431

00:50:40,870 --> 00:50:37,520

that we can't see

1432

00:50:43,030 --> 00:50:40,880

so i guess in short yes i i do

1433

00:50:45,349 --> 00:50:43,040

i do think that there there is a an

1434

00:50:48,630 --> 00:50:45,359

overall explanation

1435

00:50:50,950 --> 00:50:48,640

but it's not necessarily that the ghosts

1436

00:50:55,270 --> 00:50:50,960

are aliens does that make sense

1437

00:50:57,030 --> 00:50:55,280

you know or that bigfoot is from another

1438

00:50:58,950 --> 00:50:57,040

i have anything that would indicate that

1439

00:51:01,750 --> 00:50:58,960

yet right but

1440

00:51:02,790 --> 00:51:01,760

there is something going on and it might

1441

00:51:05,190 --> 00:51:02,800

help explain

1442

00:51:06,710 --> 00:51:05,200

things such as why you're not finding a

1443

00:51:08,470 --> 00:51:06,720

dead bigfoot

1444

00:51:10,470 --> 00:51:08,480

you know like maybe they don't actually

1445

00:51:12,309 --> 00:51:10,480

physically live here all the time and as

1446

00:51:13,750 --> 00:51:12,319

crazy as that is

1447

00:51:15,670 --> 00:51:13,760

there's a maybe a way that they're kind

1448

00:51:16,790 --> 00:51:15,680

of slipping in and out and we're only

1449

00:51:19,990 --> 00:51:16,800

briefly

1450

00:51:23,190 --> 00:51:20,000

getting of them or interactions um i

1451

00:51:25,430 --> 00:51:23,200

i feel weird saying that but i think the

1452

00:51:26,309 --> 00:51:25,440

the the evidence that the phenomena is

1453

00:51:29,270 --> 00:51:26,319

real

1454

00:51:30,470 --> 00:51:29,280

things are happening is is overwhelming

1455

00:51:33,510 --> 00:51:30,480

in my opinion

1456

00:51:35,589 --> 00:51:33,520

um no i think you're right kind of um

1457

00:51:37,430 --> 00:51:35,599

piggybacking off of what you said if you

1458

00:51:40,069 --> 00:51:37,440

zoom back far enough

1459

00:51:41,430 --> 00:51:40,079

everything's connected somehow but then

1460

00:51:43,829 --> 00:51:41,440

you know it is

1461

00:51:45,750 --> 00:51:43,839

it's a challenge so i think you know ufo

1462

00:51:46,630 --> 00:51:45,760

people do what you do ghost people do

1463

00:51:49,589 --> 00:51:46,640

what you do

1464

00:51:51,430 --> 00:51:49,599

and then every now and again go get a

1465

00:51:52,470 --> 00:51:51,440

beer and talk about it and then maybe

1466

00:51:54,230 --> 00:51:52,480

you'll find some

1467

00:51:56,790 --> 00:51:54,240

connections that's the way i look at it

1468

00:52:00,470 --> 00:51:56,800

but um before we go ben

1469

00:52:01,510 --> 00:52:00,480

um with ufo witness now having taken

1470

00:52:04,390 --> 00:52:01,520

this journey

1471

00:52:05,349 --> 00:52:04,400

um and going on all these investigations

1472

00:52:08,470 --> 00:52:05,359

what do you hope

1473

00:52:08,870 --> 00:52:08,480

viewers will take away from this series

1474

00:52:11,030 --> 00:52:08,880

and

1475

00:52:11,910 --> 00:52:11,040

uh what did you come out thinking by the

1476

00:52:15,030 --> 00:52:11,920

end of it

1477

00:52:16,950 --> 00:52:15,040

any big revelations or um yeah what what

1478

00:52:19,910 --> 00:52:16,960

do you got for us in terms of all that

1479

00:52:20,230 --> 00:52:19,920

well um you know like aside from it i

1480

00:52:23,829 --> 00:52:20,240

think

1481

00:52:24,150 --> 00:52:23,839

being a a rich kind of a history you

1482

00:52:27,829 --> 00:52:24,160

call

1483

00:52:30,150 --> 00:52:27,839

infotainment um i i think that it brings

1484

00:52:33,109 --> 00:52:30,160

everything from pop culture that you

1485

00:52:35,990 --> 00:52:33,119

would see these very dramatic

1486

00:52:37,430 --> 00:52:36,000

events you know um of abductions or

1487

00:52:38,150 --> 00:52:37,440

sightings don't mean to make them all

1488

00:52:39,670 --> 00:52:38,160

scary

1489

00:52:41,190 --> 00:52:39,680

i think anything that you see that's

1490

00:52:44,150 --> 00:52:41,200

that close to you can be

1491

00:52:45,589 --> 00:52:44,160

you know sometimes disturbing but i

1492

00:52:48,150 --> 00:52:45,599

think if you take all of that

1493

00:52:49,750 --> 00:52:48,160

and and bring it now into the fact based

1494

00:52:51,990 --> 00:52:49,760

stuff of what we know

1495

00:52:53,670 --> 00:52:52,000

that's what this series really does

1496

00:52:54,549 --> 00:52:53,680

because a lot of people only know the

1497

00:52:56,150 --> 00:52:54,559

pop culture

1498

00:52:58,230 --> 00:52:56,160

and they know what their neighbors said

1499

00:53:00,950 --> 00:52:58,240

they saw but they have no

1500

00:53:02,710 --> 00:53:00,960

idea this is sort of like a ufo ufology

1501  
00:53:05,750 --> 00:53:02,720  
101 for people

1502  
00:53:07,990 --> 00:53:05,760  
right it takes you into um

1503  
00:53:09,349 --> 00:53:08,000  
the the basics of like if i were to take

1504  
00:53:12,069 --> 00:53:09,359  
a course in ufos well

1505  
00:53:13,589 --> 00:53:12,079  
okay let's talk about blue book let's

1506  
00:53:14,230 --> 00:53:13,599  
talk about the government's interest in

1507  
00:53:17,510 --> 00:53:14,240  
it

1508  
00:53:19,910 --> 00:53:17,520  
and we have a conversation

1509  
00:53:21,349 --> 00:53:19,920  
so if this does serve a public service

1510  
00:53:23,910 --> 00:53:21,359  
of any sort

1511  
00:53:25,750 --> 00:53:23,920  
first you have to care about the subject

1512  
00:53:27,670 --> 00:53:25,760  
and this show i think really helps you

1513  
00:53:30,230 --> 00:53:27,680

care about the subject

1514

00:53:31,510 --> 00:53:30,240

it helps legitimacy to a lot of these

1515

00:53:34,309 --> 00:53:31,520

sightings

1516

00:53:35,430 --> 00:53:34,319

um it's backed with official government

1517

00:53:39,030 --> 00:53:35,440

records

1518

00:53:40,790 --> 00:53:39,040

and from that once we care about it um

1519

00:53:42,150 --> 00:53:40,800

if it were to be a social movement and

1520

00:53:45,750 --> 00:53:42,160

i'm not saying like we have a

1521

00:53:48,309 --> 00:53:45,760

you know a million person march on dc

1522

00:53:49,349 --> 00:53:48,319

but you've got to have enough voices to

1523

00:53:51,990 --> 00:53:49,359

say look

1524

00:53:53,750 --> 00:53:52,000

okay guys we know there's overwhelming

1525

00:53:55,349 --> 00:53:53,760

evidence and people have seen this

1526  
00:53:57,990 --> 00:53:55,359  
and and things have happened over the

1527  
00:53:59,349 --> 00:53:58,000  
years we want to know the truth now

1528  
00:54:01,430 --> 00:53:59,359  
and i think that's what we're getting

1529  
00:54:02,230 --> 00:54:01,440  
too i think the media is interested in

1530  
00:54:06,390 --> 00:54:02,240  
that

1531  
00:54:09,349 --> 00:54:06,400  
they uh we as you know tv producers

1532  
00:54:10,069 --> 00:54:09,359  
and and what we do we're part of that

1533  
00:54:12,630 --> 00:54:10,079  
we're part of

1534  
00:54:14,710 --> 00:54:12,640  
of making that awareness so that we can

1535  
00:54:16,710 --> 00:54:14,720  
see some change and hopefully time get

1536  
00:54:20,470 --> 00:54:16,720  
some answers

1537  
00:54:23,589 --> 00:54:20,480  
absolutely man i think um you know it is

1538  
00:54:24,790 --> 00:54:23,599

it's a time unlike any other in the ufo

1539

00:54:27,109 --> 00:54:24,800

world right now

1540

00:54:28,790 --> 00:54:27,119

um you got a lot of activists on twitter

1541

00:54:30,870 --> 00:54:28,800

who are super passionate

1542

00:54:32,870 --> 00:54:30,880

about you know writing your congress

1543

00:54:35,109 --> 00:54:32,880

members or your senators and

1544

00:54:36,549 --> 00:54:35,119

tell us like what you know about ufos

1545

00:54:38,390 --> 00:54:36,559

and i'm all for that

1546

00:54:40,069 --> 00:54:38,400

i'm all for the people out there

1547

00:54:41,910 --> 00:54:40,079

actually investigating i'm all for the

1548

00:54:44,710 --> 00:54:41,920

people sitting at their computers

1549

00:54:46,069 --> 00:54:44,720

and researching old cases like there's a

1550

00:54:47,670 --> 00:54:46,079

place for everyone in

1551  
00:54:49,270 --> 00:54:47,680  
all of this and i think that's what's

1552  
00:54:51,190 --> 00:54:49,280  
beautiful about it it's a

1553  
00:54:53,109 --> 00:54:51,200  
it's a topic whether it's paranormal or

1554  
00:54:55,510 --> 00:54:53,119  
ufos that unify us

1555  
00:54:56,710 --> 00:54:55,520  
instead of divide us so if we could get

1556  
00:55:00,309 --> 00:54:56,720  
more of those in the world

1557  
00:55:04,150 --> 00:55:00,319  
right now i think uh we could definitely

1558  
00:55:06,069 --> 00:55:04,160  
definitely use that one you hit on a

1559  
00:55:08,870 --> 00:55:06,079  
great point maybe to end with

1560  
00:55:10,470 --> 00:55:08,880  
is that um because of the you know

1561  
00:55:11,829 --> 00:55:10,480  
political divisions and everything we're

1562  
00:55:14,710 --> 00:55:11,839  
seeing you have to remember

1563  
00:55:15,829 --> 00:55:14,720

residents on both sides have had their

1564

00:55:18,069 --> 00:55:15,839

experiences

1565

00:55:19,270 --> 00:55:18,079

have politicians on both sides have come

1566

00:55:21,589 --> 00:55:19,280

together

1567

00:55:22,630 --> 00:55:21,599

to ask for this latest thing you know in

1568

00:55:25,349 --> 00:55:22,640

congress

1569

00:55:26,069 --> 00:55:25,359

um it is it was reagan and it was

1570

00:55:29,109 --> 00:55:26,079

clinton

1571

00:55:32,630 --> 00:55:29,119

who both made similar statements about

1572

00:55:34,470 --> 00:55:32,640

imagine i mean if we were visited from

1573

00:55:35,910 --> 00:55:34,480

someone or something from an external

1574

00:55:38,230 --> 00:55:35,920

force and how that would unite us we're

1575

00:55:42,150 --> 00:55:38,240

all humans

1576

00:55:43,750 --> 00:55:42,160

you know this this earth together

1577

00:55:45,270 --> 00:55:43,760

it doesn't mean that they have to be our

1578

00:55:46,950 --> 00:55:45,280

enemies but

1579

00:55:48,710 --> 00:55:46,960

it would bring us together remember what

1580

00:55:50,390 --> 00:55:48,720

we have in common and so i think it's

1581

00:55:53,670 --> 00:55:50,400

one reason the ufo subject is

1582

00:55:56,390 --> 00:55:53,680

also so hot right now yeah

1583

00:55:56,789 --> 00:55:56,400

yep i i think humans desperately want

1584

00:55:59,990 --> 00:55:56,799

that

1585

00:56:01,670 --> 00:56:00,000

and um let's not let all of this divide

1586

00:56:04,710 --> 00:56:01,680

us let's come together so

1587

00:56:06,390 --> 00:56:04,720

brother i gotta ask you um before we go

1588

00:56:08,390 --> 00:56:06,400

where can we find everything you're up

1589

00:56:12,549 --> 00:56:08,400

to and where can we find

1590

00:56:14,309 --> 00:56:12,559

ufo witness so yeah a ufo

1591

00:56:16,069 --> 00:56:14,319

i hope you guys enjoy it we're getting a

1592

00:56:19,270 --> 00:56:16,079

ton of really good

1593

00:56:22,069 --> 00:56:19,280

so uh thanks for tuning in

1594

00:56:24,710 --> 00:56:22,079

awesome brother well hey yeah again like

1595

00:56:27,030 --> 00:56:24,720

it was so cool to see jenny zeedman and

1596

00:56:27,829 --> 00:56:27,040

mark o'connell and you on the show uh

1597

00:56:31,109 --> 00:56:27,839

the passion

1598

00:56:32,390 --> 00:56:31,119

shows in what you guys did and i highly

1599

00:56:34,630 --> 00:56:32,400

suggest everyone

1600

00:56:35,430 --> 00:56:34,640

go check it out and i can't believe i'm

1601

00:56:37,990 --> 00:56:35,440

saying this again

1602

00:56:39,510 --> 00:56:38,000

first time guest ben hansen thank you

1603

00:56:40,630 --> 00:56:39,520

for joining me today on summer in the

1604

00:56:42,870 --> 00:56:40,640

skies my man

1605

00:56:44,270 --> 00:56:42,880

well thank you so much for having me and
