

**OVERLORDS
OF THE
UFO**

1
00:00:56,830 --> 00:00:40,720
[Music]

2
00:00:56,840 --> 00:01:01,480
so

3
00:02:06,830 --> 00:01:31,930
[Music]

4
00:02:06,840 --> 00:02:12,070
so

5
00:02:15,830 --> 00:02:13,990
over the last 20 years i've been a

6
00:02:17,670 --> 00:02:15,840
television and radio reporter in the

7
00:02:19,589 --> 00:02:17,680
pacific northwest

8
00:02:21,270 --> 00:02:19,599
and during that period of time i have

9
00:02:23,510 --> 00:02:21,280
passed along to the public

10
00:02:25,190 --> 00:02:23,520
hundreds of news stories from all

11
00:02:28,790 --> 00:02:25,200
portions of the world

12
00:02:29,510 --> 00:02:28,800
about the ufos the unidentified flying

13
00:02:32,710 --> 00:02:29,520

objects

14

00:02:36,309 --> 00:02:32,720

the flying saucers i have seen

15

00:02:39,509 --> 00:02:36,319

ufos but in all of those news stories

16

00:02:43,270 --> 00:02:39,519

i've detected one missing fact

17

00:02:46,550 --> 00:02:43,280

one incredible glaring omission

18

00:02:48,949 --> 00:02:46,560

not one world public agency or

19

00:02:50,869 --> 00:02:48,959

scientific group has even offered a

20

00:02:54,150 --> 00:02:50,879

partial solution to this most

21

00:02:56,710 --> 00:02:54,160

amazing mystery of all time

22

00:02:57,750 --> 00:02:56,720

no public authority has told us who are

23

00:03:00,790 --> 00:02:57,760

the overlords

24

00:03:04,229 --> 00:03:00,800

of the ufo and why are they here

25

00:03:06,710 --> 00:03:04,239

right now at this time

26

00:03:08,390 --> 00:03:06,720

there is no air force defending any

27

00:03:11,030 --> 00:03:08,400

portion of this planet

28

00:03:13,589 --> 00:03:11,040

that can truthfully deny that the

29

00:03:14,390 --> 00:03:13,599

following documented incidents did take

30

00:03:16,710 --> 00:03:14,400

place

31

00:03:19,030 --> 00:03:16,720

and that similar incidents are taking

32

00:03:22,149 --> 00:03:19,040

place almost every day

33

00:03:24,390 --> 00:03:22,159

somewhere in the world in the

34

00:03:27,830 --> 00:03:24,400

southeastern united states

35

00:03:29,110 --> 00:03:27,840

military aircraft have disappeared ufos

36

00:03:30,869 --> 00:03:29,120

have been connected with those

37

00:03:33,430 --> 00:03:30,879

disappearances

38

00:03:34,229 --> 00:03:33,440

near pascagoula mississippi two shipyard

39

00:03:36,390 --> 00:03:34,239

workers

40

00:03:39,030 --> 00:03:36,400

were taken aboard a ufo and given

41

00:03:42,710 --> 00:03:39,040

physical examinations

42

00:03:45,830 --> 00:03:42,720

in 1976 in kentucky three women

43

00:03:47,110 --> 00:03:45,840

were taken aboard a ufo and terrorized

44

00:03:49,670 --> 00:03:47,120

while the humanoid

45

00:03:51,350 --> 00:03:49,680

truman of the ufo gave them physical

46

00:03:54,869 --> 00:03:51,360

examination

47

00:03:56,550 --> 00:03:54,879

in wyoming in 1975 an oil exploration

48

00:03:59,110 --> 00:03:56,560

foreman while elk hunting

49

00:04:00,630 --> 00:03:59,120

was picked up by a ufo along with the

50

00:04:02,630 --> 00:04:00,640

elk and was

51
00:04:06,149 --> 00:04:02,640
medically examined and returned to the

52
00:04:09,350 --> 00:04:06,159
elk hunting area by the ufo crewman

53
00:04:10,149 --> 00:04:09,360
in arizona in 1975 while working in open

54
00:04:12,710 --> 00:04:10,159
country

55
00:04:15,509 --> 00:04:12,720
travis walton was zapped away for five

56
00:04:18,229 --> 00:04:15,519
days in kepp aboard a ufo

57
00:04:19,430 --> 00:04:18,239
a few weeks previously near alamogordo

58
00:04:21,430 --> 00:04:19,440
new mexico

59
00:04:23,670 --> 00:04:21,440
a member of the u.s military was

60
00:04:25,110 --> 00:04:23,680
examined by the humanoid crewman of a

61
00:04:27,749 --> 00:04:25,120
ufo

62
00:04:30,230 --> 00:04:27,759
rather than reveal that fact the u.s

63
00:04:30,790 --> 00:04:30,240

military found duty for staff sergeant

64

00:04:33,909 --> 00:04:30,800

charles

65

00:04:37,350 --> 00:04:33,919

I moody in western europe

66

00:04:40,870 --> 00:04:37,360

before the kidnapers of the ufo humans

67

00:04:42,550 --> 00:04:40,880

seem helpless the largest circulation

68

00:04:44,629 --> 00:04:42,560

newspaper in the united states

69

00:04:47,430 --> 00:04:44,639

offers a million dollar reward for

70

00:04:50,550 --> 00:04:47,440

decisive ufo information

71

00:04:53,189 --> 00:04:50,560

according to ufo contactees this

72

00:04:54,469 --> 00:04:53,199

is what a ufo humanoid crewman looks

73

00:04:57,510 --> 00:04:54,479

like

74

00:04:58,469 --> 00:04:57,520

this is the best ufo photograph in the

75

00:05:01,430 --> 00:04:58,479

world

76

00:05:03,990 --> 00:05:01,440

the military took it years ago and kept

77

00:05:07,029 --> 00:05:04,000

it secret

78

00:05:10,230 --> 00:05:07,039

nasa reveals its ufo policy

79

00:05:12,150 --> 00:05:10,240

nasa astronauts have seen ufos you learn

80

00:05:14,390 --> 00:05:12,160

for the first time what the air force

81

00:05:15,430 --> 00:05:14,400

academy teaches its cadet officers about

82

00:05:18,550 --> 00:05:15,440

the reality

83

00:05:21,990 --> 00:05:18,560

of the ufo you learn ufo

84

00:05:24,310 --> 00:05:22,000

fact not science fiction in a surprise

85

00:05:27,670 --> 00:05:24,320

ending you'll see the answers to this

86

00:05:30,870 --> 00:05:27,680

incredible worldwide ufo mystery

87

00:05:41,909 --> 00:05:30,880

the origin of the alien intelligences

88

00:05:46,230 --> 00:05:44,550

you know captain i keep thinking about a

89

00:05:49,270 --> 00:05:46,240

real problem

90

00:05:50,550 --> 00:05:49,280

and it's bugging me what's that well

91

00:05:54,150 --> 00:05:50,560

remember the

92

00:05:56,230 --> 00:05:54,160

twa case when captain shemel

93

00:05:57,510 --> 00:05:56,240

dived under a ufo and about a dozen

94

00:05:59,830 --> 00:05:57,520

passengers got hurt

95

00:06:02,469 --> 00:05:59,840

i sure do yeah ever think of what that

96

00:06:04,150 --> 00:06:02,479

would be like on a 747 well i've i've

97

00:06:05,110 --> 00:06:04,160

thought about it but i don't talk about

98

00:06:06,710 --> 00:06:05,120

it too much

99

00:06:08,550 --> 00:06:06,720

well we got three or four hundred

100

00:06:10,230 --> 00:06:08,560

passengers and twenty stews moving

101
00:06:11,909 --> 00:06:10,240
around the cabin

102
00:06:13,749 --> 00:06:11,919
most of the passengers don't keep their

103
00:06:16,070 --> 00:06:13,759
seat belts fastened

104
00:06:17,350 --> 00:06:16,080
now if a big ufo came on a collision

105
00:06:20,390 --> 00:06:17,360
course

106
00:06:21,670 --> 00:06:20,400
and with a 747 cruising over 600 miles

107
00:06:23,350 --> 00:06:21,680
an hour

108
00:06:25,830 --> 00:06:23,360
we'd have just a couple of seconds to

109
00:06:29,909 --> 00:06:25,840
take an evasive action of some sort of

110
00:06:31,590 --> 00:06:29,919
a dive or resume 300 people be smashed

111
00:06:34,309 --> 00:06:31,600
around and a lot of them hurt

112
00:06:35,990 --> 00:06:34,319
some could be even killed you couldn't

113
00:06:37,189 --> 00:06:36,000

tell what would happen in that cabin

114

00:06:39,430 --> 00:06:37,199

probably panic

115

00:06:41,189 --> 00:06:39,440

well panic at the least but you know

116

00:06:42,870 --> 00:06:41,199

even if you got control and got down

117

00:06:44,790 --> 00:06:42,880

okay

118

00:06:46,150 --> 00:06:44,800

the airlines couldn't hide a thing like

119

00:06:48,070 --> 00:06:46,160

that

120

00:06:49,830 --> 00:06:48,080

but the faa doesn't want to hear about

121

00:06:52,070 --> 00:06:49,840

ufos

122

00:06:54,150 --> 00:06:52,080

and they don't tell us that's for sure

123

00:06:54,790 --> 00:06:54,160

now if we talk about ufos to the news

124

00:06:57,189 --> 00:06:54,800

media

125

00:06:59,110 --> 00:06:57,199

we somehow get blacklisted and our jobs

126

00:07:01,670 --> 00:06:59,120

are in jeopardy

127

00:07:03,909 --> 00:07:01,680

as an airlines pilot no matter how many

128

00:07:10,390 --> 00:07:03,919

ufos i see in the air

129

00:07:14,629 --> 00:07:12,710

in the last half of this century there

130

00:07:17,430 --> 00:07:14,639

has been one mind-boggling

131

00:07:19,830 --> 00:07:17,440

giant of a mystery which has overridden

132

00:07:23,670 --> 00:07:19,840

the knowledge gathered by mankind

133

00:07:26,469 --> 00:07:23,680

through the ages there seems to be no

134

00:07:29,510 --> 00:07:26,479

answer to the reason for the appearances

135

00:07:35,270 --> 00:07:29,520

of the unidentified flying objects

136

00:07:39,270 --> 00:07:37,909

public opinion poster george gallup

137

00:07:42,070 --> 00:07:39,280

reports that perhaps

138

00:07:43,990 --> 00:07:42,080

15 million u.s citizens scientists and

139

00:07:47,430 --> 00:07:44,000

other responsible observers

140

00:07:51,990 --> 00:07:47,440

have seen the so-called flying saucers

141

00:08:02,790 --> 00:07:55,029

who are the overlords of the ufo

142

00:08:08,309 --> 00:08:06,950

on july 31st 1952 in the italian alps

143

00:08:11,189 --> 00:08:08,319

north of milan

144

00:08:12,150 --> 00:08:11,199

engineer jean pierre mongosie took

145

00:08:15,029 --> 00:08:12,160

these pictures

146

00:08:16,560 --> 00:08:15,039

of the landing of a ufo on the rough ice

147

00:08:22,469 --> 00:08:16,570

of the church in glacier

148

00:08:26,309 --> 00:08:24,790

the ufo landing was only three minutes

149

00:08:29,350 --> 00:08:26,319

in duration

150

00:08:31,830 --> 00:08:29,360

a humanoid in some kind of space suit

151
00:08:33,029 --> 00:08:31,840
with equipment on his back emerged from

152
00:08:35,190 --> 00:08:33,039
the ufo

153
00:08:36,310 --> 00:08:35,200
walked part way around it and then

154
00:08:38,870 --> 00:08:36,320
re-entered

155
00:08:46,480 --> 00:08:38,880
and mongoosey had the pictures to prove

156
00:08:46,490 --> 00:08:53,910
[Music]

157
00:08:57,030 --> 00:08:56,070
verification of the origin of these

158
00:08:58,790 --> 00:08:57,040
photographs

159
00:09:01,430 --> 00:08:58,800
was made for the producers of this

160
00:09:04,150 --> 00:09:01,440
motion picture by a swiss researcher

161
00:09:05,110 --> 00:09:04,160
and niece of psychiatrist dr carl gustaf

162
00:09:08,710 --> 00:09:05,120
young

163
00:09:11,350 --> 00:09:08,720

miss liu zinstag since that time

164

00:09:12,150 --> 00:09:11,360

world newspapers have made note of ufo

165

00:09:15,509 --> 00:09:12,160

stories

166

00:09:19,430 --> 00:09:15,519

in all degrees from casual mention

167

00:09:22,630 --> 00:09:19,440

to news of an all-out ufo invasion

168

00:09:24,130 --> 00:09:22,640

the mental health of ufo observers was

169

00:09:27,829 --> 00:09:24,140

questioned

170

00:09:34,070 --> 00:09:30,870

from 1951 another photograph

171

00:09:36,389 --> 00:09:34,080

of a ufo from riverside california

172

00:09:37,590 --> 00:09:36,399

showing the very significant bell-shaped

173

00:09:39,990 --> 00:09:37,600

configuration

174

00:09:41,509 --> 00:09:40,000

with three spheres projecting from its

175

00:09:44,470 --> 00:09:41,519

underside

176

00:09:45,190 --> 00:09:44,480

this is the most familiar type of ufo

177

00:09:48,829 --> 00:09:45,200

and has been

178

00:09:50,070 --> 00:09:48,839

seen and photographed worldwide by ufo

179

00:09:53,269 --> 00:09:50,080

researchers

180

00:09:56,070 --> 00:09:53,279

who are the alien intelligences behind

181

00:10:04,630 --> 00:09:56,080

this type of space travel device

182

00:10:08,710 --> 00:10:04,640

are the ufos friend or foe

183

00:10:09,269 --> 00:10:08,720

in 1973 another significant ufo picture

184

00:10:11,430 --> 00:10:09,279

shows

185

00:10:12,790 --> 00:10:11,440

not only the anti-gravity device

186

00:10:14,790 --> 00:10:12,800

operational

187

00:10:16,710 --> 00:10:14,800

but also with it is a smaller

188

00:10:18,470 --> 00:10:16,720

degravitated sphere

189

00:10:21,430 --> 00:10:18,480

under the control of the alien

190

00:10:28,730 --> 00:10:21,440

intelligences of the ufo

191

00:10:33,190 --> 00:10:30,310

[Music]

192

00:10:35,470 --> 00:10:33,200

in the mediterranean on a sicilian beach

193

00:10:36,630 --> 00:10:35,480

two small ufos in the act of

194

00:10:39,030 --> 00:10:36,640

materialization

195

00:10:41,470 --> 00:10:39,040

from another dimension are observed by

196

00:10:44,710 --> 00:10:41,480

excited local citizens

197

00:10:47,030 --> 00:10:44,720

materialization a concept far beyond the

198

00:10:50,150 --> 00:10:47,040

understanding of modern science

199

00:10:55,110 --> 00:10:50,160

but used by the alien intelligences

200

00:11:00,630 --> 00:10:58,310

a phd in biochemistry on the faculty of

201
00:11:03,470 --> 00:11:00,640
the university of oregon in eugene

202
00:11:04,790 --> 00:11:03,480
took this picture of a ufo in the act of

203
00:11:07,829 --> 00:11:04,800
materialization

204
00:11:10,710 --> 00:11:07,839
from another dimension three times

205
00:11:11,350 --> 00:11:10,720
during the shutter snap interval the ufo

206
00:11:17,670 --> 00:11:11,360
appeared

207
00:11:20,470 --> 00:11:17,680
the scientists fearful of the scorn of

208
00:11:23,190 --> 00:11:20,480
his fellows kept his name secret

209
00:11:24,870 --> 00:11:23,200
he had no desire to investigate one of

210
00:11:26,710 --> 00:11:24,880
the most incredible events

211
00:11:29,269 --> 00:11:26,720
of the science of the coming 21st

212
00:11:31,350 --> 00:11:29,279
century to which he had been witness

213
00:11:37,350 --> 00:11:31,360

and to which he had photographic

214

00:11:41,910 --> 00:11:39,590

kidnappings have occurred of military

215

00:11:42,790 --> 00:11:41,920

jets people and automobiles full of

216

00:11:45,430 --> 00:11:42,800

people

217

00:11:48,550 --> 00:11:45,440

the military is helpless and so are the

218

00:11:52,389 --> 00:11:48,560

police departments of the world

219

00:11:56,550 --> 00:11:52,399

where is the origin of the ufos

220

00:11:59,110 --> 00:11:56,560

ufo quebec carried this sketch of the

221

00:11:59,509 --> 00:11:59,120

ufo humanoid truman with a map of the

222

00:12:03,269 --> 00:11:59,519

star

223

00:12:06,949 --> 00:12:03,279

system in the vicinity of zeta reticuli

224

00:12:07,829 --> 00:12:06,959

many light years away this was indicated

225

00:12:10,949 --> 00:12:07,839

to ufo

226

00:12:16,470 --> 00:12:10,959

contactees betty and barney hill

227

00:12:22,310 --> 00:12:19,910

two ufos over san francisco similar to

228

00:12:23,110 --> 00:12:22,320

ufo surveillance stories and photographs

229

00:12:26,790 --> 00:12:23,120

to come from

230

00:12:28,949 --> 00:12:26,800

every major city in the world

231

00:12:30,550 --> 00:12:28,959

iron curtain scientists have stated

232

00:12:33,350 --> 00:12:30,560

publicly they're feeling

233

00:12:34,629 --> 00:12:33,360

not only that ufos are real but that

234

00:12:37,269 --> 00:12:34,639

they have the same

235

00:12:40,550 --> 00:12:37,279

type of experiences which match those

236

00:12:43,350 --> 00:12:40,560

published in the western world

237

00:12:45,430 --> 00:12:43,360

we now reveal the facts of the ufo which

238

00:12:47,990 --> 00:12:45,440

couldn't be kept secret

239

00:12:49,350 --> 00:12:48,000

the planet's most incredible unsolved

240

00:12:51,750 --> 00:12:49,360

mystery

241

00:12:52,710 --> 00:12:51,760

despite the cover-up efforts of world

242

00:12:55,829 --> 00:12:52,720

governments

243

00:12:58,870 --> 00:12:55,839

a world silence silenced by fear

244

00:13:00,470 --> 00:12:58,880

and a helpless world military private

245

00:13:02,949 --> 00:13:00,480

scientific investigators

246

00:13:06,389 --> 00:13:02,959

all over the planet have contributed the

247

00:13:09,509 --> 00:13:06,399

ufo evidence which we now reveal

248

00:13:14,870 --> 00:13:09,519

the ufo the secret that couldn't be

249

00:13:18,949 --> 00:13:17,110

mount rainier in the state of washington

250

00:13:20,629 --> 00:13:18,959

was the area where private pilot

251

00:13:23,750 --> 00:13:20,639

businessman ken arnold

252

00:13:26,230 --> 00:13:23,760

flying back to his idaho home first saw

253

00:13:27,990 --> 00:13:26,240

nine disc like flying objects on the

254

00:13:32,470 --> 00:13:28,000

sunny afternoon of 24

255

00:13:33,670 --> 00:13:32,480

june 1947. they were moving at 1500

256

00:13:36,230 --> 00:13:33,680

miles an hour

257

00:13:41,269 --> 00:13:36,240

a speed far exceeding anything we could

258

00:13:44,310 --> 00:13:43,509

when he landed his airplane at pendleton

259

00:13:46,829 --> 00:13:44,320

oregon

260

00:13:50,389 --> 00:13:46,839

he reported the sighting of inverted

261

00:13:51,990 --> 00:13:50,399

saucers moving at incredible speed

262

00:13:54,550 --> 00:13:52,000

the next day on the radio news

263

00:13:57,670 --> 00:13:54,560

broadcasts and in the newspapers

264

00:14:01,150 --> 00:13:57,680

the story sensationalized the term

265

00:14:02,629 --> 00:14:01,160

flying saucers the previous summer of

266

00:14:05,590 --> 00:14:02,639

1946

267

00:14:06,310 --> 00:14:05,600

a member of the u s military encountered

268

00:14:09,990 --> 00:14:06,320

a giant

269

00:14:12,069 --> 00:14:10,000

ufo in a near-miss aerial situation

270

00:14:13,110 --> 00:14:12,079

and the air force kept the threat to air

271

00:14:17,030 --> 00:14:13,120

safety

272

00:14:18,189 --> 00:14:17,040

secrets this event happened on the first

273

00:14:21,590 --> 00:14:18,199

day of august

274

00:14:22,790 --> 00:14:21,600

1946 to demand second in charge of

275

00:14:25,750 --> 00:14:22,800

flight safety

276
00:14:26,150 --> 00:14:25,760
for the u.s tactical air command captain

277
00:14:30,470 --> 00:14:26,160
jack

278
00:14:31,269 --> 00:14:30,480
e puckett captain puckett's ufo

279
00:14:33,670 --> 00:14:31,279
encounter

280
00:14:34,550 --> 00:14:33,680
occurred about 30 miles from mcdill air

281
00:14:37,269 --> 00:14:34,560
force base

282
00:14:38,949 --> 00:14:37,279
near tampa florida where his twin-engine

283
00:14:41,269 --> 00:14:38,959
c-47 airplane

284
00:14:43,750 --> 00:14:41,279
nearly collided with an airborne object

285
00:14:47,110 --> 00:14:43,760
about twice the size of a b-29

286
00:14:49,750 --> 00:14:47,120
bomber or about 300 feet long

287
00:14:50,150 --> 00:14:49,760
his report further described the ufo as

288
00:14:53,110 --> 00:14:50,160

being

289

00:14:54,550 --> 00:14:53,120

cigar-shaped or cylindrical and with

290

00:14:58,550 --> 00:14:54,560

what appeared to be

291

00:15:01,030 --> 00:14:58,560

glowing portholes governmental agencies

292

00:15:03,269 --> 00:15:01,040

have not responded to anxious questions

293

00:15:05,750 --> 00:15:03,279

from ufo observers

294

00:15:08,629 --> 00:15:05,760

the federal aviation administration has

295

00:15:11,189 --> 00:15:08,639

no ufo policy or opinion

296

00:15:12,069 --> 00:15:11,199

the u.s air force says it has aborted

297

00:15:14,790 --> 00:15:12,079

its ufo

298

00:15:16,310 --> 00:15:14,800

study program no answer has been

299

00:15:24,829 --> 00:15:16,320

publicly given

300

00:15:24,839 --> 00:15:30,150

worldwide

301
00:15:33,670 --> 00:15:32,790
at the u.s air force academy in colorado

302
00:15:35,509 --> 00:15:33,680
springs

303
00:15:38,069 --> 00:15:35,519
the cadets in training will become the

304
00:15:41,269 --> 00:15:38,079
officers who will police our airspace

305
00:15:41,749 --> 00:15:41,279
for the next crucial decade while in the

306
00:15:46,949 --> 00:15:41,759
air

307
00:15:48,710 --> 00:15:46,959
that our engineering science can design

308
00:15:51,110 --> 00:15:48,720
they will encounter the far more

309
00:15:53,509 --> 00:15:51,120
sophisticated ufo

310
00:15:54,870 --> 00:15:53,519
which worldwide research has now shown

311
00:15:57,189 --> 00:15:54,880
can disable

312
00:15:58,790 --> 00:15:57,199
the most reliable electrical and

313
00:16:02,470 --> 00:15:58,800

electronic systems

314

00:16:03,189 --> 00:16:02,480

of an airplane the course of instruction

315

00:16:05,749 --> 00:16:03,199

at the u s

316

00:16:07,269 --> 00:16:05,759

air force academy must contain some

317

00:16:10,389 --> 00:16:07,279

reliable information

318

00:16:12,550 --> 00:16:10,399

concerning the reality of the ufo of all

319

00:16:14,550 --> 00:16:12,560

government agencies questioned

320

00:16:16,790 --> 00:16:14,560

the most responsive answer to that

321

00:16:18,949 --> 00:16:16,800

question has come from the department of

322

00:16:21,110 --> 00:16:18,959

physics at the air force academy

323

00:16:21,990 --> 00:16:21,120

in a letter from its former director

324

00:16:25,670 --> 00:16:22,000

colonel anthony

325

00:16:27,829 --> 00:16:25,680

j maioni who says in part in this text

326

00:16:29,189 --> 00:16:27,839

an expanded section on ufos an

327

00:16:31,509 --> 00:16:29,199

extraterrestrial life

328

00:16:32,870 --> 00:16:31,519

is included the section attempts to

329

00:16:35,990 --> 00:16:32,880

provide a hopefully

330

00:16:38,550 --> 00:16:36,000

unbiased summary of ufo information and

331

00:16:39,030 --> 00:16:38,560

concludes the best thing to do is to

332

00:16:41,829 --> 00:16:39,040

keep an

333

00:16:42,870 --> 00:16:41,839

open and skeptical mind and not take an

334

00:16:45,749 --> 00:16:42,880

extreme position

335

00:16:47,509 --> 00:16:45,759

on any side of the question to further

336

00:16:48,949 --> 00:16:47,519

expand on the background we hope our

337

00:16:51,509 --> 00:16:48,959

graduates will have

338

00:16:52,310 --> 00:16:51,519

we invited and had dr stanton friedman

339

00:16:55,269 --> 00:16:52,320

visit with us

340

00:16:57,189 --> 00:16:55,279

last april during his visit he presented

341

00:16:59,829 --> 00:16:57,199

two large audience lectures

342

00:17:00,870 --> 00:16:59,839

and two seminars essentially in support

343

00:17:04,069 --> 00:17:00,880

of his subject

344

00:17:06,470 --> 00:17:04,079

flying saucers are real i hope you

345

00:17:08,630 --> 00:17:06,480

gather that we do make a continuing and

346

00:17:11,189 --> 00:17:08,640

real effort to provide our students

347

00:17:13,429 --> 00:17:11,199

with all views of current topics they

348

00:17:14,549 --> 00:17:13,439

are expected to come to their own mature

349

00:17:16,789 --> 00:17:14,559

conclusions

350

00:17:18,069 --> 00:17:16,799

based upon the broadest foundation of

351

00:17:21,270 --> 00:17:18,079

knowledge and information

352

00:17:23,909 --> 00:17:21,280

that we can provide yours truly

353

00:17:24,870 --> 00:17:23,919

anthony j mayone colonel united states

354

00:17:27,029 --> 00:17:24,880

air force

355

00:17:29,029 --> 00:17:27,039

professor and head of the department of

356

00:17:31,590 --> 00:17:29,039

physics

357

00:17:32,470 --> 00:17:31,600

he tells of the text introductory space

358

00:17:34,630 --> 00:17:32,480

science

359

00:17:36,310 --> 00:17:34,640

and reveals exactly what the cadets at

360

00:17:43,990 --> 00:17:36,320

the academy are being taught about

361

00:17:47,990 --> 00:17:45,830

these are the men who will have to make

362

00:17:51,590 --> 00:17:48,000

crucial decisions while in the air

363

00:17:53,909 --> 00:17:51,600

when they encounter the incredible ufo

364

00:17:54,630 --> 00:17:53,919

in the past officers of the air forces

365

00:17:56,630 --> 00:17:54,640

of the world

366

00:17:58,630 --> 00:17:56,640

were given no instruction or any

367

00:18:01,270 --> 00:17:58,640

preparation whatsoever for this

368

00:18:03,270 --> 00:18:01,280

mind-chilling experience when they meet

369

00:18:04,150 --> 00:18:03,280

the spacecraft of the overlords of the

370

00:18:07,830 --> 00:18:04,160

ufo

371

00:18:20,310 --> 00:18:09,669

nor have our astronauts been given

372

00:18:24,950 --> 00:18:22,789

from introductory space science volume 2

373

00:18:27,510 --> 00:18:24,960

page 466

374

00:18:27,990 --> 00:18:27,520

we should not deny the possibility of

375

00:18:30,710 --> 00:18:28,000

alien

376

00:18:32,150 --> 00:18:30,720

control of ufos on the basis of

377

00:18:35,270 --> 00:18:32,160

preconceived notions

378

00:18:38,390 --> 00:18:35,280

not established as related to the ufo

379

00:18:40,870 --> 00:18:38,400

our physics may not apply

380

00:18:42,710 --> 00:18:40,880

from available information the ufo

381

00:18:44,070 --> 00:18:42,720

phenomenon appears to have been global

382

00:18:47,190 --> 00:18:44,080

in nature for almost

383

00:18:49,190 --> 00:18:47,200

50 000 years

384

00:18:50,390 --> 00:18:49,200

known witnesses have been reliable

385

00:18:52,390 --> 00:18:50,400

people

386

00:18:54,630 --> 00:18:52,400

this leaves us with the possibility of

387

00:18:56,630 --> 00:18:54,640

alien controlled ufos

388

00:19:04,230 --> 00:18:56,640

by visitors to this planet from this

389

00:19:08,950 --> 00:19:06,150

the existence of at least three or

390

00:19:10,789 --> 00:19:08,960

possibly four different groups of aliens

391

00:19:13,190 --> 00:19:10,799

possibly at different stages of

392

00:19:15,270 --> 00:19:13,200

development which implies the existence

393

00:19:16,789 --> 00:19:15,280

of intelligent life on the planets in

394

00:19:19,190 --> 00:19:16,799

our solar system

395

00:19:22,230 --> 00:19:19,200

or a surprisingly strong interest in

396

00:19:24,630 --> 00:19:22,240

earth by members of other solar systems

397

00:19:26,230 --> 00:19:24,640

the air force academy text admonishes

398

00:19:28,310 --> 00:19:26,240

its officers in training

399

00:19:29,470 --> 00:19:28,320

to keep an open mind on the baffling

400

00:19:39,190 --> 00:19:29,480

subject of

401
00:19:40,789 --> 00:19:39,200
unidentified flying objects

402
00:19:43,190 --> 00:19:40,799
maybe it's the honeymoon capital this

403
00:19:43,990 --> 00:19:43,200
corner the galaxy the lecturer selected

404
00:19:46,470 --> 00:19:44,000
by the us

405
00:19:47,909 --> 00:19:46,480
air force academy to establish for their

406
00:19:50,950 --> 00:19:47,919
officers in training that

407
00:19:54,310 --> 00:19:50,960
flying saucers are real was

408
00:19:57,350 --> 00:19:55,909
he had been appearing on the lecture

409
00:20:00,390 --> 00:19:57,360
circuit in various u.s

410
00:20:03,270 --> 00:20:00,400
colleges as a ufo analyst with a high

411
00:20:05,510 --> 00:20:03,280
level of scientific training

412
00:20:07,430 --> 00:20:05,520
friedman's academic background includes

413
00:20:09,430 --> 00:20:07,440

a bachelor's and master's degree in

414

00:20:10,710 --> 00:20:09,440

nuclear physics from the university of

415

00:20:12,950 --> 00:20:10,720

chicago

416

00:20:14,950 --> 00:20:12,960

his employment background included much

417

00:20:16,950 --> 00:20:14,960

high level work in space science

418

00:20:19,190 --> 00:20:16,960

in the area of fusion rocket research

419

00:20:21,750 --> 00:20:19,200

and nuclear powered aircraft

420

00:20:22,870 --> 00:20:21,760

he was 14 years with such aerospace

421

00:20:26,070 --> 00:20:22,880

contractors as

422

00:20:27,350 --> 00:20:26,080

trw systems westinghouse and general

423

00:20:30,789 --> 00:20:27,360

electric

424

00:20:33,350 --> 00:20:30,799

he says ufos are the most challenging

425

00:20:34,310 --> 00:20:33,360

scientific problem of this or any other

426
00:20:36,070 --> 00:20:34,320
age

427
00:20:37,990 --> 00:20:36,080
he made the following statements in

428
00:20:39,830 --> 00:20:38,000
public in seattle washington

429
00:20:41,750 --> 00:20:39,840
the home of one of the world's largest

430
00:20:43,510 --> 00:20:41,760
aerospace manufacturers

431
00:20:44,950 --> 00:20:43,520
boeing the government has never really

432
00:20:46,310 --> 00:20:44,960
said what it's been credited as saying

433
00:20:47,909 --> 00:20:46,320
that there are no flying signs they

434
00:20:48,630 --> 00:20:47,919
really were their press releases very

435
00:20:51,830 --> 00:20:48,640
carefully

436
00:20:53,750 --> 00:20:51,840
the press takes that last step uh

437
00:20:55,590 --> 00:20:53,760
i think every government in the world

438
00:20:57,430 --> 00:20:55,600

has three major problems along these

439

00:20:59,270 --> 00:20:57,440

lines with regard to ufos

440

00:21:01,110 --> 00:20:59,280

one they'd like themselves to figure out

441

00:21:02,070 --> 00:21:01,120

how it works because it makes a great

442

00:21:03,669 --> 00:21:02,080

weapons delivery

443

00:21:05,590 --> 00:21:03,679

system makes anything worth flying look

444

00:21:06,950 --> 00:21:05,600

pretty naive by comparison

445

00:21:08,789 --> 00:21:06,960

so you'd want to make sure that the

446

00:21:10,070 --> 00:21:08,799

other guy doesn't figure out how to

447

00:21:11,830 --> 00:21:10,080

duplicate their behavior because then

448

00:21:13,190 --> 00:21:11,840

you have a defense problem

449

00:21:14,630 --> 00:21:13,200

if he's got something that flies like

450

00:21:15,750 --> 00:21:14,640

these things we got a problem because we

451
00:21:17,590 --> 00:21:15,760
can't handle it

452
00:21:19,830 --> 00:21:17,600
and three perhaps most important a kind

453
00:21:21,669 --> 00:21:19,840
of philosophical political problem

454
00:21:23,510 --> 00:21:21,679
as soon as it becomes obvious to the

455
00:21:25,190 --> 00:21:23,520
people on the planet and widely accepted

456
00:21:26,149 --> 00:21:25,200
that flying saucers are real and from

457
00:21:28,070 --> 00:21:26,159
off the earth

458
00:21:29,510 --> 00:21:28,080
is going to be a push for a view of man

459
00:21:30,630 --> 00:21:29,520
as earthquakes

460
00:21:32,710 --> 00:21:30,640
with people on this planet instead of

461
00:21:35,029 --> 00:21:32,720
i'm an american or russian or chinese

462
00:21:37,029 --> 00:21:35,039
i'm an earthling there is no government

463
00:21:39,430 --> 00:21:37,039

that wants its citizens to own

464

00:21:40,950 --> 00:21:39,440

their primary allegiance to the planet

465

00:21:42,310 --> 00:21:40,960

as opposed to the country nobody wants

466

00:21:43,909 --> 00:21:42,320

to give up their power

467

00:21:45,750 --> 00:21:43,919

and you know all these jokes about take

468

00:21:47,669 --> 00:21:45,760

me to your leader that's wishful

469

00:21:49,270 --> 00:21:47,679

thinking what's funny about those

470

00:21:51,510 --> 00:21:49,280

is that there is no leader to be taken

471

00:21:52,230 --> 00:21:51,520

to there's nobody who speaks for planet

472

00:21:54,549 --> 00:21:52,240

earth

473

00:21:55,590 --> 00:21:54,559

so there are enormous political problems

474

00:21:57,750 --> 00:21:55,600

with anybody

475

00:21:59,029 --> 00:21:57,760

saying yes there's somebody out there

476
00:22:00,789 --> 00:21:59,039
and he's coming here and he doesn't want

477
00:22:01,669 --> 00:22:00,799
to talk to me as a representative of the

478
00:22:03,510 --> 00:22:01,679
planet

479
00:22:13,750 --> 00:22:03,520
who do we how do we choose who speaks

480
00:22:15,909 --> 00:22:13,760
for the planet i don't know

481
00:22:18,950 --> 00:22:15,919
since the 1950s it has been easy to

482
00:22:21,110 --> 00:22:18,960
point to the millions of suns in space

483
00:22:23,590 --> 00:22:21,120
and speculate that somewhere out there

484
00:22:26,230 --> 00:22:23,600
is the home of the ufo

485
00:22:27,190 --> 00:22:26,240
that ufos are spacecraft from some other

486
00:22:31,750 --> 00:22:27,200
earth

487
00:22:33,669 --> 00:22:31,760
orbiting some other sun just like ours

488
00:22:35,270 --> 00:22:33,679

from a visible sun in the visible

489

00:22:40,950 --> 00:22:35,280

universe

490

00:22:43,430 --> 00:22:40,960

perhaps so perhaps not

491

00:22:45,190 --> 00:22:43,440

but the ufos could also be from an

492

00:22:47,750 --> 00:22:45,200

invisible dimension

493

00:22:54,950 --> 00:22:47,760

in the invisible portion of the universe

494

00:22:57,270 --> 00:22:54,960

which our science cannot easily detect

495

00:22:58,310 --> 00:22:57,280

perhaps one or possibly both of these

496

00:23:00,549 --> 00:22:58,320

concepts

497

00:23:05,990 --> 00:23:00,559

will one day be the explanation of the

498

00:23:10,710 --> 00:23:08,230

the air force academy text on space

499

00:23:13,270 --> 00:23:10,720

science concedes that two

500

00:23:14,390 --> 00:23:13,280

three or even four levels of alien

501
00:23:20,789 --> 00:23:14,400
intelligences

502
00:23:24,870 --> 00:23:23,350
nasa at the johnson space flight center

503
00:23:27,270 --> 00:23:24,880
near houston texas

504
00:23:28,310 --> 00:23:27,280
only concerns itself with the visible

505
00:23:30,710 --> 00:23:28,320
universe

506
00:23:32,950 --> 00:23:30,720
with aerospace contracts administering

507
00:23:33,750 --> 00:23:32,960
the manufacturing of visible metal

508
00:23:35,990 --> 00:23:33,760
vehicles

509
00:23:37,350 --> 00:23:36,000
making visibly televised trips in the

510
00:23:39,669 --> 00:23:37,360
earth moon area

511
00:23:43,510 --> 00:23:39,679
and with probes within the solar system

512
00:23:49,269 --> 00:23:46,630
[Music]

513
00:23:50,070 --> 00:23:49,279

nasa astronauts in their sky lab make a

514

00:23:53,350 --> 00:23:50,080

track across

515

00:23:57,110 --> 00:23:53,360

the nighttime sky lit by millions of

516

00:24:01,350 --> 00:23:59,029

the activities of the astronauts are

517

00:24:03,350 --> 00:24:01,360

minutely planned and carried out

518

00:24:04,549 --> 00:24:03,360

but the framework is that of earth

519

00:24:08,390 --> 00:24:04,559

science as we

520

00:24:10,630 --> 00:24:08,400

understand and engineer its applications

521

00:24:12,549 --> 00:24:10,640

there seems little room for productive

522

00:24:15,430 --> 00:24:12,559

scientific speculation

523

00:24:16,950 --> 00:24:15,440

perhaps because of the 38 billion dollar

524

00:24:19,029 --> 00:24:16,960

nasa space budget

525

00:24:21,060 --> 00:24:19,039

which is highly criticized in many

526
00:24:26,630 --> 00:24:21,070
quarters

527
00:24:28,630 --> 00:24:26,640
[Music]

528
00:24:31,269 --> 00:24:28,640
it is difficult to explain why the

529
00:24:33,430 --> 00:24:31,279
planners of nasa's space program

530
00:24:36,149 --> 00:24:33,440
would refuse to admit the spacecraft

531
00:24:38,950 --> 00:24:36,159
capabilities of the alien intelligences

532
00:24:41,990 --> 00:24:38,960
who built this device first seen over

533
00:24:49,269 --> 00:24:42,000
the korean battle area in 1952

534
00:24:53,269 --> 00:24:51,830
this picture was available to nasa

535
00:24:55,350 --> 00:24:53,279
obviously it is not

536
00:25:03,350 --> 00:24:55,360
a picture of anything manufactured by

537
00:25:07,750 --> 00:25:05,750
it was classified then and now as an

538
00:25:12,390 --> 00:25:07,760

unidentified flying object

539

00:25:14,789 --> 00:25:12,400

a ufo can we now identify it

540

00:25:17,510 --> 00:25:14,799

is this actual photographic evidence

541

00:25:20,070 --> 00:25:17,520

that proves that alien intelligences

542

00:25:23,909 --> 00:25:20,080

use a spacecraft like this to travel

543

00:25:26,830 --> 00:25:23,919

from their dimension to our reality

544

00:25:27,990 --> 00:25:26,840

is a watergate type scientific cover-up

545

00:25:30,120 --> 00:25:28,000

involved

546

00:25:40,789 --> 00:25:30,130

let's now examine that possibility

547

00:25:43,590 --> 00:25:40,799

[Music]

548

00:25:44,870 --> 00:25:43,600

nasa first had warnings of ufos from the

549

00:25:47,990 --> 00:25:44,880

pilots of its own

550

00:25:49,750 --> 00:25:48,000

x-15 project the x-15 is a

551
00:25:51,590 --> 00:25:49,760
rocket-powered airplane

552
00:25:54,310 --> 00:25:51,600
which is launched high over the desert

553
00:25:56,870 --> 00:25:54,320
test area in california

554
00:25:58,149 --> 00:25:56,880
the b-29 bomber is the launch vehicle

555
00:26:00,789 --> 00:25:58,159
which takes off

556
00:26:02,149 --> 00:26:00,799
flies to its highest possible altitude

557
00:26:04,149 --> 00:26:02,159
and then launches the little

558
00:26:06,470 --> 00:26:04,159
rocket-powered airplane

559
00:26:09,909 --> 00:26:06,480
the test pilot gives it power and the

560
00:26:11,190 --> 00:26:09,919
airplane goes through its maneuvers

561
00:26:13,190 --> 00:26:11,200
various complex

562
00:26:15,029 --> 00:26:13,200
engineering problems are worked out by

563
00:26:17,510 --> 00:26:15,039

such testing

564

00:26:32,149 --> 00:26:17,520

and the engineering flight test pilot is

565

00:26:37,190 --> 00:26:35,909

but on may 30th 1962 test pilot joe

566

00:26:39,909 --> 00:26:37,200

walton photographed

567

00:26:41,669 --> 00:26:39,919

five disc-like objects from the x-15

568

00:26:43,750 --> 00:26:41,679

rocket test airplane

569

00:26:45,190 --> 00:26:43,760

the ufos were very similar to the

570

00:26:47,669 --> 00:26:45,200

disc-like objects

571

00:26:49,350 --> 00:26:47,679

seen over mount rainier 15 years earlier

572

00:26:51,510 --> 00:26:49,360

by ken arnold

573

00:26:52,710 --> 00:26:51,520

nasa made no public mention of what the

574

00:26:54,710 --> 00:26:52,720

discs were

575

00:26:56,310 --> 00:26:54,720

their origin or any scientific

576

00:26:58,870 --> 00:26:56,320

speculation whatsoever

577

00:26:59,669 --> 00:26:58,880

about this observance of their x-15

578

00:27:06,549 --> 00:26:59,679

project

579

00:27:09,830 --> 00:27:06,559

by intelligences of the ufo

580

00:27:12,549 --> 00:27:09,840

on july 17th of that same year this time

581

00:27:15,350 --> 00:27:12,559

at an altitude of about 58 miles

582

00:27:16,070 --> 00:27:15,360

test pilot bob white noted that he had

583

00:27:18,789 --> 00:27:16,080

ufo

584

00:27:19,510 --> 00:27:18,799

company and photographed unexplained

585

00:27:25,430 --> 00:27:19,520

objects

586

00:27:30,149 --> 00:27:27,750

across the nation news headlines state

587

00:27:32,149 --> 00:27:30,159

that 26 astronauts have seen and

588

00:27:34,870 --> 00:27:32,159

photographed ufos

589

00:27:36,389 --> 00:27:34,880

the public is puzzled by nasa's silence

590

00:27:38,149 --> 00:27:36,399

on the subject

591

00:27:40,630 --> 00:27:38,159

the producers of this motion picture

592

00:27:43,190 --> 00:27:40,640

were answered on two occasions by high

593

00:27:44,549 --> 00:27:43,200

public affairs administrators of nasa

594

00:27:46,789 --> 00:27:44,559

who stated

595

00:27:49,240 --> 00:27:46,799

it's not in our charter to investigate

596

00:27:55,350 --> 00:27:49,250

the ufo

597

00:27:58,230 --> 00:27:55,360

[Music]

598

00:28:00,389 --> 00:27:58,240

inside the skylab in zero gravity the

599

00:28:01,669 --> 00:28:00,399

astronauts go through the day and night

600

00:28:04,149 --> 00:28:01,679

with their every minute

601
00:28:06,549 --> 00:28:04,159
carefully scheduled the scientific

602
00:28:09,350 --> 00:28:06,559
experiments are in almost every instance

603
00:28:11,269 --> 00:28:09,360
plan not to open new areas of the

604
00:28:13,830 --> 00:28:11,279
unknown in cosmic science

605
00:28:14,310 --> 00:28:13,840
but to reinforce the ideas we already

606
00:28:17,110 --> 00:28:14,320
hold

607
00:28:18,230 --> 00:28:17,120
regarding the reality of the universe

608
00:28:20,950 --> 00:28:18,240
planners have left

609
00:28:22,230 --> 00:28:20,960
no time or leeway in which the ufo can

610
00:28:25,430 --> 00:28:22,240
be postulated

611
00:28:27,430 --> 00:28:25,440
thought about or examined certainly few

612
00:28:29,909 --> 00:28:27,440
startling public announcements have been

613
00:28:30,870 --> 00:28:29,919

made of any new discoveries during space

614

00:28:33,830 --> 00:28:30,880

missions

615

00:28:35,350 --> 00:28:33,840

no new theories have been advanced

616

00:28:38,630 --> 00:28:35,360

astronaut jack lousma

617

00:28:40,710 --> 00:28:38,640

in skylab 3 saw a glowing red object

618

00:28:41,590 --> 00:28:40,720

making its way across the field of his

619

00:28:43,350 --> 00:28:41,600

vision

620

00:28:44,950 --> 00:28:43,360

he photographed it from his little

621

00:28:46,540 --> 00:28:44,960

planetoid in space

622

00:28:51,110 --> 00:28:46,550

the nasa skyland

623

00:28:55,110 --> 00:28:53,190

it could have been explained as a meteor

624

00:28:57,190 --> 00:28:55,120

glowing red in space

625

00:28:58,630 --> 00:28:57,200

except that there is no atmosphere in

626

00:29:01,990 --> 00:28:58,640

space whose friction

627

00:29:05,350 --> 00:29:02,000

could heat a meteor to a red globe

628

00:29:12,630 --> 00:29:05,360

was it a ufo observing skylab

629

00:29:14,870 --> 00:29:12,640

nasa remains silent

630

00:29:16,070 --> 00:29:14,880

complex instrument packages such as

631

00:29:18,950 --> 00:29:16,080

explorer 10

632

00:29:21,110 --> 00:29:18,960

vanish in space launched on the 25th of

633

00:29:22,950 --> 00:29:21,120

march 1961

634

00:29:26,310 --> 00:29:22,960

it disappeared although its life

635

00:29:27,909 --> 00:29:26,320

expectancy was over 100 years perhaps

636

00:29:30,710 --> 00:29:27,919

some alien intelligence

637

00:29:31,909 --> 00:29:30,720

is examining this complex nasa space

638

00:29:34,470 --> 00:29:31,919

device

639

00:29:41,830 --> 00:29:34,480

norad cannot find it and it is not

640

00:29:43,830 --> 00:29:41,840

transmitting it just disappears

641

00:29:47,029 --> 00:29:43,840

what is the photographic evidence that

642

00:29:49,029 --> 00:29:47,039

ufos are watching our every space move

643

00:29:50,310 --> 00:29:49,039

why is it so hard for the project

644

00:29:53,430 --> 00:29:50,320

managers of nasa

645

00:29:55,990 --> 00:29:53,440

to accept the reality of the ufo

646

00:29:57,029 --> 00:29:56,000

is there a high-level scientific

647

00:30:00,870 --> 00:29:57,039

cover-up

648

00:30:02,549 --> 00:30:00,880

and if so why governments are charged

649

00:30:04,710 --> 00:30:02,559

with upholding the law

650

00:30:06,470 --> 00:30:04,720

and no law on earth is more basic than

651
00:30:08,950 --> 00:30:06,480
the law of gravity

652
00:30:10,950 --> 00:30:08,960
no wonder the obvious anti-gravity

653
00:30:14,549 --> 00:30:10,960
capability of the ufo

654
00:30:16,310 --> 00:30:14,559
makes governments uncomfortable bravely

655
00:30:19,029 --> 00:30:16,320
some astronauts have stated that they

656
00:30:21,510 --> 00:30:19,039
believe in the reality of the ufo

657
00:30:22,310 --> 00:30:21,520
and the capability of the ufo to defy

658
00:30:24,789 --> 00:30:22,320
gravity

659
00:30:25,990 --> 00:30:24,799
while our giant rockets consume enormous

660
00:30:28,630 --> 00:30:26,000
amounts of fuel

661
00:30:30,149 --> 00:30:28,640
putting a simple space capsule or skylab

662
00:30:33,110 --> 00:30:30,159
in orbit

663
00:30:34,389 --> 00:30:33,120

in the dark blue of space in silence

664

00:30:37,110 --> 00:30:34,399

orbiting the earth

665

00:30:38,549 --> 00:30:37,120

the sky lab is the planetoid home of its

666

00:30:42,549 --> 00:30:38,559

crew

667

00:30:44,870 --> 00:30:42,559

the x-15

668

00:30:46,149 --> 00:30:44,880

visibly occupied and concerned with the

669

00:30:49,430 --> 00:30:46,159

scientific work

670

00:30:51,830 --> 00:30:49,440

outlined for them by their nasa masters

671

00:30:53,990 --> 00:30:51,840

life support in earth orbit is a

672

00:30:57,029 --> 00:30:54,000

scientific victory in itself

673

00:30:59,509 --> 00:30:57,039

and a major achievement for earthlings

674

00:31:02,149 --> 00:30:59,519

but outside alien intelligences are

675

00:31:03,190 --> 00:31:02,159

again observing the progress of man from

676
00:31:05,350 --> 00:31:03,200
earth

677
00:31:06,230 --> 00:31:05,360
two ufos are photographed by an

678
00:31:10,789 --> 00:31:06,240
astronaut

679
00:31:14,230 --> 00:31:10,799
during a spacewalk the hatch is open

680
00:31:18,470 --> 00:31:14,240
the astronaut is working his problems

681
00:31:19,350 --> 00:31:18,480
again two ufos split by just moving

682
00:31:21,430 --> 00:31:19,360
lights

683
00:31:22,549 --> 00:31:21,440
something that could be easily ignored

684
00:31:25,830 --> 00:31:22,559
unless we obtained

685
00:31:28,389 --> 00:31:25,840
other pictures and other explanations

686
00:31:29,509 --> 00:31:28,399
actual pictures which could identify the

687
00:31:32,630 --> 00:31:29,519
ufo

688
00:31:38,549 --> 00:31:32,640

as a solid object with a mission and

689

00:31:42,789 --> 00:31:40,950

one of the most remarkable instances of

690

00:31:45,990 --> 00:31:42,799

ufo photography

691

00:31:49,110 --> 00:31:46,000

took place in 1968 here

692

00:31:51,590 --> 00:31:49,120

above the boeing space laboratory south

693

00:31:54,630 --> 00:31:51,600

of renton washington

694

00:31:58,149 --> 00:31:54,640

several photographs were taken of a ufo

695

00:32:01,190 --> 00:31:58,159

by then 14 year old scott silty

696

00:32:03,110 --> 00:32:01,200

it showed its anti-gravity capabilities

697

00:32:04,710 --> 00:32:03,120

as it hovered over the center in two

698

00:32:07,269 --> 00:32:04,720

locations

699

00:32:09,630 --> 00:32:07,279

his efforts produced probably the only

700

00:32:12,870 --> 00:32:09,640

detailed shots of the ufo

701
00:32:17,430 --> 00:32:12,880
materializing to show configuration and

702
00:32:22,630 --> 00:32:19,590
his junior high school instructor jim

703
00:32:24,950 --> 00:32:22,640
holm was given the negatives to develop

704
00:32:26,310 --> 00:32:24,960
holm said he didn't know what to expect

705
00:32:28,149 --> 00:32:26,320
but became a believer

706
00:32:29,430 --> 00:32:28,159
when he saw what the young silty had

707
00:32:31,509 --> 00:32:29,440
apparently captured

708
00:32:32,630 --> 00:32:31,519
on film when they came in that morning

709
00:32:34,310 --> 00:32:32,640
and they said

710
00:32:36,789 --> 00:32:34,320
hey we got the pictures we were talking

711
00:32:37,669 --> 00:32:36,799
about uh naturally you know junior high

712
00:32:39,269 --> 00:32:37,679
students here

713
00:32:40,950 --> 00:32:39,279

a little bit reluctant to believe

714

00:32:45,029 --> 00:32:40,960

everything they say

715

00:32:46,549 --> 00:32:45,039

but then you know as things proceeded

716

00:32:48,310 --> 00:32:46,559

what happened was i developed the

717

00:32:51,029 --> 00:32:48,320

pictures and

718

00:32:52,549 --> 00:32:51,039

we know the results now what is your

719

00:32:56,549 --> 00:32:52,559

impression of what that object

720

00:32:59,750 --> 00:32:56,559

is uh i'm always hesitant

721

00:33:01,509 --> 00:32:59,760

but uh i would have to say that

722

00:33:03,190 --> 00:33:01,519

believing the students and the type of

723

00:33:05,830 --> 00:33:03,200

students they were

724

00:33:06,470 --> 00:33:05,840

uh it almost definitely had to be some

725

00:33:09,509 --> 00:33:06,480

type of

726

00:33:12,950 --> 00:33:09,519

a flying object right out there

727

00:33:16,070 --> 00:33:12,960

right and it's a little airy the

728

00:33:19,590 --> 00:33:16,080

the thing that shook me up at first is

729

00:33:23,669 --> 00:33:19,600

i was reluctant to believe him and uh

730

00:33:26,950 --> 00:33:23,679

when i printed the or developed the film

731

00:33:29,350 --> 00:33:26,960

i really couldn't see that much

732

00:33:32,310 --> 00:33:29,360

but i was shocked i have to admit i was

733

00:33:35,110 --> 00:33:32,320

shocked when i put it in the enlarger

734

00:33:36,470 --> 00:33:35,120

and through the enlarger i could see a

735

00:33:38,549 --> 00:33:36,480

great deal more of

736

00:33:39,509 --> 00:33:38,559

what the object looked like like the

737

00:33:43,110 --> 00:33:39,519

portholes

738

00:33:45,909 --> 00:33:43,120

was

739

00:33:46,470 --> 00:33:45,919

the most shocking part because then it

740

00:33:48,870 --> 00:33:46,480

really

741

00:33:49,590 --> 00:33:48,880

it looked different than just a glow in

742

00:33:52,149 --> 00:33:49,600

the sky

743

00:33:53,909 --> 00:33:52,159

in a certain form like you always hear

744

00:33:56,549 --> 00:33:53,919

the thing you know swamp gas

745

00:33:57,190 --> 00:33:56,559

and that sort of thing but no swamp gas

746

00:33:59,509 --> 00:33:57,200

is going to have

747

00:34:00,470 --> 00:33:59,519

port holes or a configuration a

748

00:34:03,269 --> 00:34:00,480

geometric

749

00:34:05,750 --> 00:34:03,279

the way that was one man who has spent

750

00:34:08,069 --> 00:34:05,760

the last 25 years researching and

751
00:34:09,349 --> 00:34:08,079
keeping track of ufo sightings in the

752
00:34:12,550 --> 00:34:09,359
united states

753
00:34:13,829 --> 00:34:12,560
is seattle fireman robert gribble he has

754
00:34:16,389 --> 00:34:13,839
spent spare time

755
00:34:18,470 --> 00:34:16,399
gathering all data possible that will

756
00:34:20,230 --> 00:34:18,480
help him keep track of when and where

757
00:34:22,950 --> 00:34:20,240
they take place

758
00:34:24,230 --> 00:34:22,960
the pins on this map indicate sightings

759
00:34:27,430 --> 00:34:24,240
in the u.s for just

760
00:34:29,909 --> 00:34:27,440
one year over the past quarter century

761
00:34:31,990 --> 00:34:29,919
he has come to some conclusions based on

762
00:34:34,149 --> 00:34:32,000
the number of sightings he has recorded

763
00:34:37,030 --> 00:34:34,159

we have received and recorded some 30

764

00:34:39,349 --> 00:34:37,040

000 sightings since 1955.

765

00:34:40,629 --> 00:34:39,359

have you noticed any particular patterns

766

00:34:43,750 --> 00:34:40,639

that develop in uh

767

00:34:45,510 --> 00:34:43,760

pinpointing ufo sightings on these maps

768

00:34:47,030 --> 00:34:45,520

no we have found no marked pattern

769

00:34:49,990 --> 00:34:47,040

although we do believe

770

00:34:50,389 --> 00:34:50,000

that they are following two procedures

771

00:34:52,710 --> 00:34:50,399

one

772

00:34:54,149 --> 00:34:52,720

a surveillance of the land areas a very

773

00:34:58,630 --> 00:34:54,159

close surveillance

774

00:35:00,310 --> 00:34:58,640

and it seems to fluctuate from one to

775

00:35:02,630 --> 00:35:00,320

the other

776

00:35:04,550 --> 00:35:02,640

now through all these years of research

777

00:35:05,430 --> 00:35:04,560

you must have drawn some conclusions

778

00:35:08,790 --> 00:35:05,440

about

779

00:35:09,990 --> 00:35:08,800

what they are what the ufos are well we

780

00:35:11,510 --> 00:35:10,000

firmly believe that

781

00:35:13,190 --> 00:35:11,520

what the people are seeing in those

782

00:35:14,630 --> 00:35:13,200

objects which we have classified as

783

00:35:18,630 --> 00:35:14,640

unknown are actually

784

00:35:20,790 --> 00:35:18,640

vehicles not manufactured on this planet

785

00:35:21,990 --> 00:35:20,800

how can you draw that conclusion how do

786

00:35:24,390 --> 00:35:22,000

you know

787

00:35:26,069 --> 00:35:24,400

well the vehicles have been seen in the

788

00:35:26,870 --> 00:35:26,079

united states and there are good records

789

00:35:29,109 --> 00:35:26,880

of this

790

00:35:31,190 --> 00:35:29,119

for the last 200 years and actually the

791

00:35:32,950 --> 00:35:31,200

records go back into history for some

792

00:35:34,950 --> 00:35:32,960

3000 years the same thing

793

00:35:36,710 --> 00:35:34,960

that we're seeing then are being seen

794

00:35:38,710 --> 00:35:36,720

today we understand that there are

795

00:35:40,790 --> 00:35:38,720

several hot spots in the united states

796

00:35:42,150 --> 00:35:40,800

the ufo sighting areas and one of them

797

00:35:44,710 --> 00:35:42,160

happens to be in the

798

00:35:46,230 --> 00:35:44,720

southwestern united states and utah

799

00:35:49,990 --> 00:35:46,240

there have been

800

00:35:52,870 --> 00:35:50,000

a tremendous amount of sightings in the

801
00:35:54,550 --> 00:35:52,880
southwest over the years with a very

802
00:36:02,069 --> 00:35:54,560
large concentration

803
00:36:05,670 --> 00:36:05,109
the canadian ufo report was one of the

804
00:36:08,950 --> 00:36:05,680
initial

805
00:36:11,270 --> 00:36:08,960
ufo publications to headline the story

806
00:36:12,069 --> 00:36:11,280
of the possibility that much of the

807
00:36:14,790 --> 00:36:12,079
early mormon

808
00:36:16,069 --> 00:36:14,800
history tells of a contact with an alien

809
00:36:19,109 --> 00:36:16,079
intelligence

810
00:36:21,030 --> 00:36:19,119
the angel maroney it opens the

811
00:36:22,069 --> 00:36:21,040
possibility that the founder of

812
00:36:24,630 --> 00:36:22,079
mormonism

813
00:36:26,550 --> 00:36:24,640

their prophet joseph smith may have been

814

00:36:28,560 --> 00:36:26,560

one of the greatest of ufo

815

00:36:30,550 --> 00:36:28,570

contact needs

816

00:36:33,670 --> 00:36:30,560

[Music]

817

00:36:36,230 --> 00:36:33,680

dr frank b salisbury on the faculty of

818

00:36:38,829 --> 00:36:36,240

the state university of utah in logan

819

00:36:40,870 --> 00:36:38,839

and himself a mormon does not doubt that

820

00:36:43,589 --> 00:36:40,880

possibility

821

00:36:45,349 --> 00:36:43,599

he has stated publicly that he believes

822

00:36:47,990 --> 00:36:45,359

that his ufo study

823

00:36:50,390 --> 00:36:48,000

has established the probability that the

824

00:36:52,790 --> 00:36:50,400

earth is being visited by ufos

825

00:36:54,310 --> 00:36:52,800

that seem to be using the isolated area

826

00:36:58,630 --> 00:36:54,320

of eastern utah

827

00:36:59,190 --> 00:36:58,640

as an earth base in march of 1975 a

828

00:37:01,670 --> 00:36:59,200

national

829

00:37:02,790 --> 00:37:01,680

tabloid newspaper circulated the

830

00:37:05,750 --> 00:37:02,800

following story

831

00:37:06,870 --> 00:37:05,760

of a ufo kidnapping the producers of

832

00:37:09,270 --> 00:37:06,880

this motion picture

833

00:37:11,510 --> 00:37:09,280

interviewed carl higdon who furnished

834

00:37:13,990 --> 00:37:11,520

the artist conception of the android

835

00:37:18,230 --> 00:37:14,000

truman from the ufo who kidnapped him

836

00:37:20,470 --> 00:37:18,240

and took him aboard the ufo to elsewhere

837

00:37:21,270 --> 00:37:20,480

hagen was given a physical examination

838

00:37:24,790 --> 00:37:21,280

in a tower

839

00:37:26,950 --> 00:37:24,800

by a huge tv like i rejected

840

00:37:27,829 --> 00:37:26,960

and was returned to the elk hunting area

841

00:37:30,470 --> 00:37:27,839

in wyoming

842

00:37:32,230 --> 00:37:30,480

where he was picked up while on his

843

00:37:34,790 --> 00:37:32,240

eight-hour ufo trip

844

00:37:37,109 --> 00:37:34,800

he encountered a teenage boy two young

845

00:37:40,870 --> 00:37:37,119

girls and a man in his 60s

846

00:37:43,589 --> 00:37:40,880

also guests of the ufo intelligences

847

00:37:44,390 --> 00:37:43,599

upon his return he suffered radiation

848

00:37:47,589 --> 00:37:44,400

symptoms

849

00:37:48,630 --> 00:37:47,599

with itching skin and burning eyes area

850

00:37:51,109 --> 00:37:48,640

sheriff ogburn

851
00:37:52,390 --> 00:37:51,119
and his deputy ed tierney investigated

852
00:37:54,710 --> 00:37:52,400
the incident

853
00:37:55,750 --> 00:37:54,720
so did dr leo sprinkle of the university

854
00:37:58,150 --> 00:37:55,760
of wyoming

855
00:38:00,710 --> 00:37:58,160
who gives us this professional opinion

856
00:38:02,069 --> 00:38:00,720
as to the truth of this verified ufo

857
00:38:04,790 --> 00:38:02,079
kidnapping

858
00:38:06,550 --> 00:38:04,800
to whom it may concern my impression of

859
00:38:08,710 --> 00:38:06,560
carl higdon is that he's a

860
00:38:10,150 --> 00:38:08,720
man of integrity with average education

861
00:38:11,990 --> 00:38:10,160
but a keen

862
00:38:13,510 --> 00:38:12,000
sense of curiosity about the world

863
00:38:15,670 --> 00:38:13,520

around him

864

00:38:17,589 --> 00:38:15,680

he's an outdoors man and seems to have

865

00:38:20,790 --> 00:38:17,599

developed good skills of estimating

866

00:38:22,710 --> 00:38:20,800

size and distance although the sighting

867

00:38:24,870 --> 00:38:22,720

of a single ufo witness often is

868

00:38:26,630 --> 00:38:24,880

difficult to evaluate

869

00:38:28,310 --> 00:38:26,640

the indirect evidence supports the

870

00:38:31,190 --> 00:38:28,320

tentative conclusion

871

00:38:33,349 --> 00:38:31,200

that carl higdon is reporting sincerely

872

00:38:35,589 --> 00:38:33,359

the events that he experienced

873

00:38:37,430 --> 00:38:35,599

hopefully further statements from other

874

00:38:38,950 --> 00:38:37,440

persons can be obtained to support the

875

00:38:41,030 --> 00:38:38,960

basic statement

876
00:38:42,710 --> 00:38:41,040
respectfully submitted by our leo

877
00:38:46,950 --> 00:38:42,720
sprinkle phd

878
00:38:49,349 --> 00:38:46,960
the university of wyoming in laramie

879
00:38:50,150 --> 00:38:49,359
ufo traffic in the rocky mountain area

880
00:38:52,870 --> 00:38:50,160
of utah

881
00:38:53,349 --> 00:38:52,880
arizona and new mexico reached a high

882
00:38:55,510 --> 00:38:53,359
level

883
00:38:58,870 --> 00:38:55,520
in the november december and january

884
00:39:01,190 --> 00:38:58,880
period of 1975 and 76

885
00:39:03,109 --> 00:39:01,200
with police departments reporting large

886
00:39:05,270 --> 00:39:03,119
cigar-shaped ufos

887
00:39:06,950 --> 00:39:05,280
and other ufo types of spacecraft

888
00:39:10,710 --> 00:39:06,960

hovering for days at a time

889

00:39:12,550 --> 00:39:10,720

over cities in this area five witnesses

890

00:39:14,069 --> 00:39:12,560

working in the open country around

891

00:39:16,550 --> 00:39:14,079

snowflake and holbrook

892

00:39:17,270 --> 00:39:16,560

in northeast arizona had the most

893

00:39:19,910 --> 00:39:17,280

incredible

894

00:39:21,990 --> 00:39:19,920

personal ufo experience story to tell

895

00:39:22,870 --> 00:39:22,000

and passed line detector tests and their

896

00:39:26,630 --> 00:39:22,880

telling of it

897

00:39:28,950 --> 00:39:26,640

before police and psychiatrist witnesses

898

00:39:30,470 --> 00:39:28,960

22 year old travis walton suddenly

899

00:39:32,390 --> 00:39:30,480

disappeared one morning

900

00:39:33,589 --> 00:39:32,400

as the group was working in the open

901
00:39:36,390 --> 00:39:33,599
country

902
00:39:37,190 --> 00:39:36,400
dwayne smith kenneth peterson alan

903
00:39:39,670 --> 00:39:37,200
dallas

904
00:39:41,190 --> 00:39:39,680
mike rogers and john gullet were

905
00:39:43,750 --> 00:39:41,200
involved in the significant

906
00:39:45,030 --> 00:39:43,760
ufo kidnapping incident in which a

907
00:39:48,230 --> 00:39:45,040
greenish blue light

908
00:39:50,150 --> 00:39:48,240
originating from a ufo overhead zapped

909
00:39:52,310 --> 00:39:50,160
travis walton into an invisible

910
00:39:53,510 --> 00:39:52,320
dimension from which he returned five

911
00:39:56,069 --> 00:39:53,520
days later

912
00:39:58,150 --> 00:39:56,079
his brother tells of the incident he

913
00:40:00,630 --> 00:39:58,160

spent five days on the ufo

914

00:40:02,310 --> 00:40:00,640

uh he thinks now there is some small

915

00:40:05,030 --> 00:40:02,320

time loss in there

916

00:40:06,309 --> 00:40:05,040

but for all intent and purposes he spent

917

00:40:07,910 --> 00:40:06,319

five days on there he did come in

918

00:40:12,150 --> 00:40:07,920

contact with some beings they're

919

00:40:13,750 --> 00:40:12,160

human-like but they weren't human and

920

00:40:15,670 --> 00:40:13,760

he had quite an experience he said he

921

00:40:17,910 --> 00:40:15,680

doesn't remember anything

922

00:40:19,349 --> 00:40:17,920

about a blue light in the first

923

00:40:22,790 --> 00:40:19,359

encounter last wednesday

924

00:40:24,950 --> 00:40:22,800

the blue light that they saw he said

925

00:40:26,790 --> 00:40:24,960

at that instant he got felt like he got

926

00:40:27,990 --> 00:40:26,800

hit in the forehead with a baseball bat

927

00:40:29,829 --> 00:40:28,000

and it knocked him out

928

00:40:31,030 --> 00:40:29,839

and he woke up he was aboard one of the

929

00:40:33,990 --> 00:40:31,040

craft

930

00:40:35,190 --> 00:40:34,000

and uh they never spoke to him they led

931

00:40:36,550 --> 00:40:35,200

him around by the hand

932

00:40:38,630 --> 00:40:36,560

they wouldn't they wouldn't talk to him

933

00:40:40,870 --> 00:40:38,640

they showed him this and that and

934

00:40:42,630 --> 00:40:40,880

when they let him off he woke up did he

935

00:40:44,790 --> 00:40:42,640

say they were friendly creatures

936

00:40:45,910 --> 00:40:44,800

smiled all the time friendly never

937

00:40:47,670 --> 00:40:45,920

harmed him they don't

938

00:40:49,190 --> 00:40:47,680

they were just as nice as they could be

939

00:40:51,349 --> 00:40:49,200

but there was a total lack of

940

00:40:52,630 --> 00:40:51,359

communication either verbal or mental

941

00:40:54,630 --> 00:40:52,640

and he said that's what made him so

942

00:40:56,870 --> 00:40:54,640

upset that he couldn't speak with him

943

00:40:58,150 --> 00:40:56,880

that's what he was very very disgusted

944

00:41:00,630 --> 00:40:58,160

about that nervous

945

00:41:04,309 --> 00:41:00,640

and uh just plain disgust the chance of

946

00:41:06,069 --> 00:41:04,319

a lifetime and they wouldn't cooperate

947

00:41:07,589 --> 00:41:06,079

obviously dwayne you know your own

948

00:41:09,510 --> 00:41:07,599

brother probably better than anybody

949

00:41:10,950 --> 00:41:09,520

else uh do you believe the story

950

00:41:13,349 --> 00:41:10,960

i've never seen him play a practical

951
00:41:15,190 --> 00:41:13,359
joke in his adult life a psychiatrist

952
00:41:17,430 --> 00:41:15,200
tells of his examination

953
00:41:18,470 --> 00:41:17,440
of travis our conclusion which is

954
00:41:20,950 --> 00:41:18,480
absolute

955
00:41:21,510 --> 00:41:20,960
uh is that uh this young man is not

956
00:41:23,670 --> 00:41:21,520
lying

957
00:41:25,030 --> 00:41:23,680
uh there's no collusion involved no no

958
00:41:26,390 --> 00:41:25,040
attempt at hopes or collusion with the

959
00:41:27,910 --> 00:41:26,400
family or anyone else

960
00:41:30,230 --> 00:41:27,920
uh there's a rumor around that there's

961
00:41:33,349 --> 00:41:30,240
contract there are no such contracts

962
00:41:33,990 --> 00:41:33,359
uh no motivation for a lie any

963
00:41:35,990 --> 00:41:34,000

possibility

964

00:41:39,349 --> 00:41:36,000
of lying or hoax as you see none

965

00:41:45,190 --> 00:41:42,309
as we have indicated ufos can create a

966

00:41:47,270 --> 00:41:45,200
tremendous spatial energy flow

967

00:41:49,430 --> 00:41:47,280
one of the most startling examples of

968

00:41:52,150 --> 00:41:49,440
that occurred several years ago

969

00:41:53,430 --> 00:41:52,160
on vashon island which is located in the

970

00:41:56,550 --> 00:41:53,440
pacific northwest

971

00:41:59,750 --> 00:41:56,560
in puget sound not far from seattle

972

00:42:04,950 --> 00:42:02,309
it was near the tiny town of vashon that

973

00:42:07,109 --> 00:42:04,960
several ufo sightings had taken place in

974

00:42:09,270 --> 00:42:07,119
the late 1960s

975

00:42:10,790 --> 00:42:09,280
so the fact that local residents had

976

00:42:13,190 --> 00:42:10,800

seen such phenomena

977

00:42:14,870 --> 00:42:13,200

was not startling but the fact

978

00:42:17,750 --> 00:42:14,880

surrounding one of the incidents

979

00:42:20,390 --> 00:42:17,760

was unusual to say the least so it was

980

00:42:22,670 --> 00:42:20,400

out in that area

981

00:42:24,069 --> 00:42:22,680

on the night of the 19th of february

982

00:42:26,230 --> 00:42:24,079

1968

983

00:42:28,390 --> 00:42:26,240

detective lieutenant terry allman was

984

00:42:31,270 --> 00:42:28,400

dispatched to an old gravel pit area

985

00:42:32,870 --> 00:42:31,280

west of town some young people had seen

986

00:42:34,710 --> 00:42:32,880

a ufo

987

00:42:36,230 --> 00:42:34,720

and the king county sheriff's office was

988

00:42:39,430 --> 00:42:36,240

sent to investigate

989

00:42:41,829 --> 00:42:39,440

the temperature was 50 degrees alban

990

00:42:43,430 --> 00:42:41,839

tells of what he saw

991

00:42:45,030 --> 00:42:43,440

well there was a lot of ice it really

992

00:42:46,950 --> 00:42:45,040

had no reason to

993

00:42:48,630 --> 00:42:46,960

actually be there it wasn't that cold

994

00:42:51,510 --> 00:42:48,640

out

995

00:42:53,030 --> 00:42:51,520

and did it have a certain consistency or

996

00:42:54,630 --> 00:42:53,040

something unusual about it

997

00:42:57,030 --> 00:42:54,640

well it was an inch and a half second

998

00:43:00,230 --> 00:42:57,040

was rather milky and bubble

999

00:43:01,510 --> 00:43:00,240

and what was the impression that

1000

00:43:03,030 --> 00:43:01,520

you had or why did you have the

1001
00:43:05,270 --> 00:43:03,040
impression that it was some strange

1002
00:43:07,670 --> 00:43:05,280
phenomenon that created this

1003
00:43:10,309 --> 00:43:07,680
well i can't be sure about that except

1004
00:43:11,589 --> 00:43:10,319
it was entirely too warm out to have ice

1005
00:43:13,190 --> 00:43:11,599
like that

1006
00:43:14,710 --> 00:43:13,200
one of the other officers that responded

1007
00:43:17,030 --> 00:43:14,720
to a ufo call

1008
00:43:19,510 --> 00:43:17,040
at that same location the night before

1009
00:43:21,990 --> 00:43:19,520
the ufo energy flow had apparently left

1010
00:43:23,589 --> 00:43:22,000
a solid sheet of ice as it super cooled

1011
00:43:26,150 --> 00:43:23,599
the area below the ufo

1012
00:43:28,470 --> 00:43:26,160
as it took off at the freezing

1013
00:43:31,430 --> 00:43:28,480

temperature of 32 degrees

1014

00:43:33,589 --> 00:43:31,440

it would take some 113 hours to freeze

1015

00:43:35,510 --> 00:43:33,599

the pond 50 feet in diameter with a

1016

00:43:38,630 --> 00:43:35,520

sheet of ice two inches thick

1017

00:43:41,109 --> 00:43:38,640

and the weather had not been that cold

1018

00:43:42,150 --> 00:43:41,119

the ufo did it because of official

1019

00:43:44,390 --> 00:43:42,160

concealment

1020

00:43:46,710 --> 00:43:44,400

niles and just plain ordinary

1021

00:43:47,910 --> 00:43:46,720

bureaucratic cover-up during the 1950s

1022

00:43:50,230 --> 00:43:47,920

and 60s

1023

00:43:52,150 --> 00:43:50,240

many cases of ufos establishing

1024

00:43:53,030 --> 00:43:52,160

themselves as a menace to commercial

1025

00:43:56,309 --> 00:43:53,040

airlines

1026
00:43:59,589 --> 00:43:56,319
safety of flight had been concealed

1027
00:44:01,829 --> 00:43:59,599
one night 10 of 85 passengers aboard an

1028
00:44:04,150 --> 00:44:01,839
american airlines commercial flight

1029
00:44:05,109 --> 00:44:04,160
were injured when their pilot captain ed

1030
00:44:07,750 --> 00:44:05,119
bachner

1031
00:44:08,790 --> 00:44:07,760
took evasive action to avoid a ufo

1032
00:44:11,670 --> 00:44:08,800
encounter

1033
00:44:14,870 --> 00:44:11,680
it happened to flight number 966 on the

1034
00:44:17,750 --> 00:44:14,880
night of 17 july 1957

1035
00:44:19,750 --> 00:44:17,760
on a flight from el paso to dallas just

1036
00:44:23,270 --> 00:44:19,760
50 miles east of el paso

1037
00:44:24,710 --> 00:44:23,280
over salt flats texas the ufo continued

1038
00:44:27,349 --> 00:44:24,720

along the gulf coast

1039

00:44:28,309 --> 00:44:27,359

to gulfport mississippi where it turned

1040

00:44:30,950 --> 00:44:28,319

north

1041

00:44:36,950 --> 00:44:30,960

traffic control radar tracked the ufo

1042

00:44:39,589 --> 00:44:36,960

and the military was alerted

1043

00:44:41,349 --> 00:44:39,599

in the vicinity of meridian mississippi

1044

00:44:44,390 --> 00:44:41,359

the wing intelligence rb

1045

00:44:47,750 --> 00:44:44,400

47 electronic surveillance airplane

1046

00:44:49,829 --> 00:44:47,760

tuned in the ufo's emission on its ala 5

1047

00:44:52,870 --> 00:44:49,839

pulse

1048

00:44:54,710 --> 00:44:52,880

as it moved west toward dallas texas the

1049

00:44:58,390 --> 00:44:54,720

pulse train of the ufo was

1050

00:44:59,510 --> 00:44:58,400

analyzed as having a 3 000 mega cycle

1051
00:45:02,150 --> 00:44:59,520
envelope

1052
00:45:04,870 --> 00:45:02,160
a duration of 2 millionths of a second

1053
00:45:06,630 --> 00:45:04,880
and a repetition rate of 600 times a

1054
00:45:09,349 --> 00:45:06,640
second

1055
00:45:09,990 --> 00:45:09,359
this was identifiable electromagnetic

1056
00:45:13,109 --> 00:45:10,000
emission

1057
00:45:16,829 --> 00:45:13,119
from a ufo which was also being tracked

1058
00:45:20,710 --> 00:45:16,839
by military and federal aviation agency

1059
00:45:24,230 --> 00:45:23,270
the ufo circled dallas and fort worth

1060
00:45:26,870 --> 00:45:24,240
texas

1061
00:45:28,150 --> 00:45:26,880
and headed north to oklahoma city and

1062
00:45:30,710 --> 00:45:28,160
continued its track

1063
00:45:32,069 --> 00:45:30,720

north followed by the wing intelligence

1064

00:45:35,109 --> 00:45:32,079

electronic surveillance

1065

00:45:37,510 --> 00:45:35,119

aircraft this was continued until the

1066

00:45:38,150 --> 00:45:37,520

u.s air force plane was to run low on

1067

00:45:42,309 --> 00:45:38,160

fuel

1068

00:45:49,270 --> 00:45:46,710

at 1 45 on the morning of april 3 1975

1069

00:45:51,670 --> 00:45:49,280

some 20 or more law enforcement officers

1070

00:45:54,790 --> 00:45:51,680

in five north carolina counties

1071

00:45:58,309 --> 00:45:54,800

pursued a bright glowing unidentified

1072

00:46:01,829 --> 00:46:00,550

newspaper headlines told of a major

1073

00:46:04,230 --> 00:46:01,839

incident which was

1074

00:46:05,510 --> 00:46:04,240

in effect kept secret from the rest of

1075

00:46:08,150 --> 00:46:05,520

the nation

1076
00:46:09,430 --> 00:46:08,160
newspapers radio and television all over

1077
00:46:11,829 --> 00:46:09,440
the world remained

1078
00:46:14,390 --> 00:46:11,839
silent on the stories because wire

1079
00:46:20,230 --> 00:46:14,400
service editors did nothing to emphasize

1080
00:46:24,550 --> 00:46:22,630
from police descriptions the artist has

1081
00:46:28,710 --> 00:46:24,560
been able to draw the lighted

1082
00:46:36,710 --> 00:46:28,720
v-shaped ufo which appeared

1083
00:46:40,150 --> 00:46:39,670
no responsible agency gave to the public

1084
00:46:42,550 --> 00:46:40,160
any

1085
00:46:43,589 --> 00:46:42,560
scientifically supported explanation of

1086
00:46:49,840 --> 00:46:43,599
the origin

1087
00:46:49,850 --> 00:46:54,829
[Music]

1088
00:46:54,839 --> 00:46:59,200

device

1089

00:47:02,550 --> 00:47:00,470

[Music]

1090

00:47:03,829 --> 00:47:02,560

the story was much the same two and a

1091

00:47:10,220 --> 00:47:03,839

half years earlier

1092

00:47:11,430 --> 00:47:10,230

in pascagoula mississippi

1093

00:47:13,829 --> 00:47:11,440

[Music]

1094

00:47:15,710 --> 00:47:13,839

the pascagoula press first headlined the

1095

00:47:19,109 --> 00:47:15,720

story october 12

1096

00:47:21,910 --> 00:47:19,119

1973 and told the nation about two

1097

00:47:23,270 --> 00:47:21,920

shipyard workers calvin parker and

1098

00:47:25,430 --> 00:47:23,280

charles hickson

1099

00:47:26,710 --> 00:47:25,440

who had their fishing trip interrupted

1100

00:47:30,549 --> 00:47:26,720

by a glowing

1101
00:47:33,190 --> 00:47:30,559
blue-lighted ufo which landed near them

1102
00:47:34,870 --> 00:47:33,200
two humanoids took them aboard for a

1103
00:47:39,780 --> 00:47:34,880
physical examination

1104
00:47:46,470 --> 00:47:39,790
placing them under a large tv-like eye

1105
00:47:51,109 --> 00:47:48,390
scientists were quoted as saying that

1106
00:47:56,549 --> 00:47:51,119
the ufo report was true

1107
00:47:59,750 --> 00:47:58,390
federal agencies were asked to

1108
00:48:06,470 --> 00:47:59,760
investigate

1109
00:48:09,030 --> 00:48:06,480
but didn't hixson

1110
00:48:10,069 --> 00:48:09,040
said the creatures from the ufo seemed

1111
00:48:12,630 --> 00:48:10,079
friendly

1112
00:48:14,950 --> 00:48:12,640
but that they acted controlled as if

1113
00:48:20,470 --> 00:48:14,960

they had a specific thing to do

1114

00:48:23,430 --> 00:48:20,480

and did it

1115

00:48:24,630 --> 00:48:23,440

they were about five feet high pale and

1116

00:48:28,230 --> 00:48:24,640

ghost-like

1117

00:48:30,950 --> 00:48:28,240

with crab-like hands and rounded feet

1118

00:48:33,670 --> 00:48:30,960

as hixson and parker were taken aboard

1119

00:48:50,870 --> 00:48:33,680

they suddenly began to float on air

1120

00:48:53,990 --> 00:48:53,109

in the gulf south from louisiana to

1121

00:48:56,069 --> 00:48:54,000

florida

1122

00:48:58,390 --> 00:48:56,079

hundreds of reports to police and

1123

00:49:04,069 --> 00:48:58,400

sightings by police officers

1124

00:49:07,829 --> 00:49:06,549

no government agency concerned itself

1125

00:49:13,270 --> 00:49:07,839

with this ufo

1126

00:49:18,710 --> 00:49:16,549

luckily hixon and parker will return

1127

00:49:20,470 --> 00:49:18,720

but one of the kidnapped victims of the

1128

00:49:25,430 --> 00:49:20,480

ufo intelligences

1129

00:49:31,750 --> 00:49:28,870

are the ufos friend or foe

1130

00:49:33,030 --> 00:49:31,760

or are they conducting a project in

1131

00:49:39,190 --> 00:49:33,040

which humans become

1132

00:49:42,950 --> 00:49:42,309

this is serious speculation kidnap

1133

00:49:45,990 --> 00:49:42,960

victims

1134

00:49:50,250 --> 00:49:46,000

seem to end up on a missing persons list

1135

00:49:52,710 --> 00:49:50,260

and no agency on earth can locate them

1136

00:49:55,750 --> 00:49:52,720

[Music]

1137

00:49:57,109 --> 00:49:55,760

the alien intelligences of the ufo are

1138

00:50:00,069 --> 00:49:57,119

from somewhere

1139

00:50:01,109 --> 00:50:00,079

either in our dimension or from another

1140

00:50:04,130 --> 00:50:01,119

dimension

1141

00:50:06,750 --> 00:50:04,140

which is difficult for anyone to detect

1142

00:50:09,270 --> 00:50:06,760

[Music]

1143

00:50:12,150 --> 00:50:09,280

misunderstanding the complete dominance

1144

00:50:14,630 --> 00:50:12,160

of man by the ufo intelligences

1145

00:50:15,910 --> 00:50:14,640

led the city fathers of ocean springs on

1146

00:50:19,030 --> 00:50:15,920

the gulf coast

1147

00:50:21,750 --> 00:50:19,040

to seriously decide to solve the problem

1148

00:50:24,150 --> 00:50:21,760

by passing a law prohibiting the landing

1149

00:50:26,549 --> 00:50:24,160

of ufos in that area

1150

00:50:29,270 --> 00:50:26,559

alderman william f dale jr thought the

1151

00:50:31,829 --> 00:50:29,280

local police should be able to handle it

1152

00:50:32,790 --> 00:50:31,839

it almost became a law but the mayor of

1153

00:50:37,990 --> 00:50:32,800

ocean springs

1154

00:50:41,349 --> 00:50:38,000

tom stennis broke the tie vote he said

1155

00:50:43,510 --> 00:50:41,359

let's make him welcome as yet no world

1156

00:50:43,990 --> 00:50:43,520

governmental agency has demonstrated the

1157

00:50:47,349 --> 00:50:44,000

power

1158

00:50:50,150 --> 00:50:47,359

either to make ufos welcome or to combat

1159

00:50:59,990 --> 00:50:50,160

their landings and possible kidnapping

1160

00:51:04,950 --> 00:51:03,030

since 1966 the very competent

1161

00:51:06,710 --> 00:51:04,960

scientific analysts of the british

1162

00:51:09,670 --> 00:51:06,720

publication the flying

1163

00:51:11,270 --> 00:51:09,680

saucer review have been assembling all

1164

00:51:13,910 --> 00:51:11,280

available information

1165

00:51:16,069 --> 00:51:13,920

about alien intelligences who have made

1166

00:51:18,309 --> 00:51:16,079

repeated ufo landings

1167

00:51:22,870 --> 00:51:18,319

in the high pyrenees mountains between

1168

00:51:25,430 --> 00:51:22,880

france and spain

1169

00:51:27,910 --> 00:51:25,440

so have the defense authorities of both

1170

00:51:30,470 --> 00:51:27,920

nations

1171

00:51:31,750 --> 00:51:30,480

the umo intelligences claim they come

1172

00:51:35,990 --> 00:51:31,760

from what we know

1173

00:51:39,030 --> 00:51:36,000

as star system wolf 424.

1174

00:51:45,030 --> 00:51:39,040

some 14.6 light years from

1175

00:51:49,030 --> 00:51:47,829

near their home planet their ufo space

1176
00:51:54,390 --> 00:51:49,040
travel device

1177
00:51:59,910 --> 00:51:57,589
a giant energy whirlpool vortex

1178
00:52:01,349 --> 00:51:59,920
which hurls their spacecraft into

1179
00:52:04,110 --> 00:52:01,359
another dimension

1180
00:52:05,670 --> 00:52:04,120
in which time hardly exists

1181
00:52:09,109 --> 00:52:05,680
[Music]

1182
00:52:12,390 --> 00:52:09,119
from this they emerge into our dimension

1183
00:52:16,829 --> 00:52:12,400
into our solar system and proceed to

1184
00:52:16,839 --> 00:52:28,630
earth

1185
00:52:32,230 --> 00:52:31,109
later the umos were to tell the european

1186
00:52:34,470 --> 00:52:32,240
investigators

1187
00:52:35,910 --> 00:52:34,480
that the universe was at least a 10

1188
00:52:39,270 --> 00:52:35,920

dimension unity

1189

00:52:42,150 --> 00:52:39,280

perhaps even more they were not certain

1190

00:52:42,870 --> 00:52:42,160

but they knew of and used at least 10

1191

00:52:45,990 --> 00:52:42,880

dimensions

1192

00:52:48,870 --> 00:52:46,000

of reality each reality was

1193

00:52:51,270 --> 00:52:48,880

separate from each of the others each of

1194

00:52:53,910 --> 00:52:51,280

the ten realities had its own rules of

1195

00:52:55,910 --> 00:52:53,920

energy manipulation

1196

00:52:58,309 --> 00:52:55,920

even though there were ten dimensions

1197

00:53:01,349 --> 00:52:58,319

which were open to space travel

1198

00:53:03,829 --> 00:53:01,359

reckless energy misuse in one dimension

1199

00:53:04,549 --> 00:53:03,839

can disturb the cosmic unity of another

1200

00:53:05,860 --> 00:53:04,559

dimension

1201
00:53:07,750 --> 00:53:05,870
and its inhabitants

1202
00:53:10,470 --> 00:53:07,760
[Music]

1203
00:53:11,430 --> 00:53:10,480
telepathy is used to receive knowledge

1204
00:53:14,950 --> 00:53:11,440
during space

1205
00:53:16,950 --> 00:53:14,960
travel the mind said the umos in the

1206
00:53:19,510 --> 00:53:16,960
quiet areas of space

1207
00:53:20,230 --> 00:53:19,520
is especially open to pure cosmic

1208
00:53:24,230 --> 00:53:20,240
knowledge

1209
00:53:25,190 --> 00:53:24,240
received by telepathy any mentality can

1210
00:53:27,190 --> 00:53:25,200
receive and

1211
00:53:29,430 --> 00:53:27,200
benefit from knowledge received by

1212
00:53:32,230 --> 00:53:29,440
telepathy

1213
00:53:32,790 --> 00:53:32,240

the more telepathic ability is exercised

1214

00:53:35,990 --> 00:53:32,800

the more

1215

00:53:37,510 --> 00:53:36,000

valuable it becomes the umos learned as

1216

00:53:39,829 --> 00:53:37,520

they learned many of the high

1217

00:53:41,030 --> 00:53:39,839

scientific secrets of the solar systems

1218

00:53:44,790 --> 00:53:41,040

they traveled through

1219

00:53:47,030 --> 00:53:44,800

in their space exploration projects

1220

00:53:49,430 --> 00:53:47,040

target earth was to be another of their

1221

00:53:51,510 --> 00:53:49,440

cosmic projects

1222

00:53:53,510 --> 00:53:51,520

the umos first learned of the planet

1223

00:53:55,030 --> 00:53:53,520

earth with inhabitants of some

1224

00:53:58,630 --> 00:53:55,040

intelligence

1225

00:54:00,470 --> 00:53:58,640

in the earth year 1950

1226
00:54:01,990 --> 00:54:00,480
they landed and left eight of their

1227
00:54:04,069 --> 00:54:02,000
males and females

1228
00:54:05,190 --> 00:54:04,079
in the area which had high mountains

1229
00:54:08,630 --> 00:54:05,200
between france

1230
00:54:10,549 --> 00:54:08,640
and spain since that time

1231
00:54:12,549 --> 00:54:10,559
they have studied the new planet and the

1232
00:54:15,829 --> 00:54:12,559
method of mental understanding

1233
00:54:17,990 --> 00:54:15,839
used by its inhabitants they found

1234
00:54:21,510 --> 00:54:18,000
earth science could not account for

1235
00:54:23,510 --> 00:54:21,520
cosmic beings like themselves

1236
00:54:25,750 --> 00:54:23,520
they have carefully made themselves

1237
00:54:26,870 --> 00:54:25,760
known to certain people of france and

1238
00:54:30,630 --> 00:54:26,880

spain

1239

00:54:33,190 --> 00:54:30,640

about 30 and all they have tried to

1240

00:54:34,870 --> 00:54:33,200

understand the limitations which exist

1241

00:54:37,430 --> 00:54:34,880

in the mind of man

1242

00:54:39,349 --> 00:54:37,440

they find human knowledge inadequate and

1243

00:54:41,750 --> 00:54:39,359

much inferior to the cosmic

1244

00:54:44,150 --> 00:54:41,760

understanding which permits space

1245

00:54:44,950 --> 00:54:44,160

voyages between the umo position in the

1246

00:54:58,069 --> 00:54:44,960

universe

1247

00:55:02,230 --> 00:55:00,230

at eight hundred thousand miles jupiter

1248

00:55:03,030 --> 00:55:02,240

looks to the earth developed eye like

1249

00:55:06,150 --> 00:55:03,040

this

1250

00:55:06,630 --> 00:55:06,160

to the umo perhaps different jupiter's

1251
00:55:08,710 --> 00:55:06,640
moon

1252
00:55:10,870 --> 00:55:08,720
ganymede is some eight thousand miles

1253
00:55:13,990 --> 00:55:10,880
away and moves in its orbit

1254
00:55:16,150 --> 00:55:14,000
its diameter three thousand miles

1255
00:55:18,789 --> 00:55:16,160
the umo intelligences took a heat

1256
00:55:20,470 --> 00:55:18,799
measurement of the jupiter hot spot

1257
00:55:22,069 --> 00:55:20,480
they compared the measurements to that

1258
00:55:24,789 --> 00:55:22,079
of the surface of their sun

1259
00:55:26,870 --> 00:55:24,799
and found it about the same the other

1260
00:55:30,069 --> 00:55:26,880
jupiter moons were identified

1261
00:55:30,549 --> 00:55:30,079
europa amalfia kalisto as they were

1262
00:55:36,200 --> 00:55:30,559
named

1263
00:55:42,309 --> 00:55:40,150

[Music]

1264

00:55:44,069 --> 00:55:42,319

the spacecraft continued to the next

1265

00:55:46,630 --> 00:55:44,079

solar system checkpoint

1266

00:55:56,230 --> 00:55:46,640

also at the same time slowing its rate

1267

00:56:00,150 --> 00:55:58,549

saturn was identified with its strange

1268

00:56:02,390 --> 00:56:00,160

moon titan

1269

00:56:03,270 --> 00:56:02,400

titan rolled along the equatorial plane

1270

00:56:05,910 --> 00:56:03,280

of saturn

1271

00:56:07,990 --> 00:56:05,920

like a wheel on a road the umos

1272

00:56:11,270 --> 00:56:08,000

identified its atmosphere

1273

00:56:13,030 --> 00:56:11,280

methane in the vicinity of saturn

1274

00:56:14,950 --> 00:56:13,040

they tuned to the history and the

1275

00:56:17,510 --> 00:56:14,960

totality of knowledge of the solar

1276
00:56:19,109 --> 00:56:17,520
system accumulated since the time the

1277
00:56:22,069 --> 00:56:19,119
sun was born

1278
00:56:23,190 --> 00:56:22,079
knowledge lost and knowledge still used

1279
00:56:26,230 --> 00:56:23,200
and knowledge to be

1280
00:56:27,349 --> 00:56:26,240
rediscovered it was from this saturn

1281
00:56:29,589 --> 00:56:27,359
knowledge store

1282
00:56:32,789 --> 00:56:29,599
that the umo intelligences learned of

1283
00:56:34,390 --> 00:56:32,799
humankind's achievements and failures

1284
00:56:36,390 --> 00:56:34,400
they learned too the state of

1285
00:56:38,150 --> 00:56:36,400
development of the plant and animal life

1286
00:56:40,789 --> 00:56:38,160
and all details of earth

1287
00:56:42,950 --> 00:56:40,799
and the other planets they continued

1288
00:56:45,349 --> 00:56:42,960

their journey past saturn

1289

00:57:04,950 --> 00:56:45,359

it's bright rings shining the dark space

1290

00:57:11,270 --> 00:57:08,789

the cosmic voyage continued to mars

1291

00:57:12,069 --> 00:57:11,280

a close look at mars revealed snow at

1292

00:57:15,109 --> 00:57:12,079

the base

1293

00:57:16,870 --> 00:57:15,119

of its mountains of mitchell on mars

1294

00:57:19,430 --> 00:57:16,880

with its thin atmosphere

1295

00:57:21,510 --> 00:57:19,440

and low water vapor content the snow

1296

00:57:37,430 --> 00:57:21,520

behaves differently than on mountain

1297

00:57:42,710 --> 00:57:40,230

[Music]

1298

00:57:44,390 --> 00:57:42,720

leaving mars they passed scarcely a

1299

00:57:47,750 --> 00:57:44,400

hundred miles from phobos

1300

00:57:49,990 --> 00:57:47,760

one of its two moons four thousand miles

1301
00:57:54,150 --> 00:57:50,000
above the red storm swept planet

1302
00:58:12,980 --> 00:57:54,160
phobos is a dark clump only 16 miles

1303
00:58:18,950 --> 00:58:16,789
[Music]

1304
00:58:21,270 --> 00:58:18,960
the final checkpoint of the cosmic

1305
00:58:22,230 --> 00:58:21,280
voyage brought a strange and beautiful

1306
00:58:24,789 --> 00:58:22,240
sight

1307
00:58:25,510 --> 00:58:24,799
their project destination earth was

1308
00:58:28,230 --> 00:58:25,520
eclipsing

1309
00:58:30,789 --> 00:58:28,240
its own sun and they passed over the

1310
00:58:34,510 --> 00:58:30,799
earth's moon just beneath

1311
00:58:37,910 --> 00:58:34,520
they had come nearly 90 trillion miles

1312
00:58:41,610 --> 00:58:37,920
14.6 light years collapsed

1313
00:58:48,549 --> 00:58:41,620

earth time just about seven months

1314

00:58:48,549 --> 00:58:48,559

[Music]

1315

00:58:54,069 --> 00:58:51,190

came now the moment to synchronize the

1316

00:58:56,630 --> 00:58:54,079

yumo ufo's space travel time

1317

00:59:03,430 --> 00:58:56,640

with the time of the expedition's target

1318

00:59:07,670 --> 00:59:06,470

by telepathic means the umo alien

1319

00:59:10,390 --> 00:59:07,680

intelligences

1320

00:59:11,430 --> 00:59:10,400

claim to have notified some 20 selected

1321

00:59:14,150 --> 00:59:11,440

earth people

1322

00:59:17,030 --> 00:59:14,160

of various responsible backgrounds to

1323

00:59:21,280 --> 00:59:17,040

expect the umo ufo

1324

00:59:21,290 --> 00:59:25,829

[Music]

1325

00:59:30,870 --> 00:59:28,390

the british flying saucer review

1326
00:59:31,510 --> 00:59:30,880
headlined an attempt by the spanish air

1327
00:59:35,970 --> 00:59:31,520
force

1328
00:59:42,309 --> 00:59:39,109
[Music]

1329
00:59:43,910 --> 00:59:42,319
an andorra radio station employee also

1330
00:59:46,150 --> 00:59:43,920
noticed the ufo

1331
00:59:47,750 --> 00:59:46,160
as it neared its destination in the

1332
00:59:51,190 --> 00:59:47,760
pyrenees mountains

1333
00:59:53,990 --> 00:59:51,200
between france and spain

1334
00:59:54,870 --> 00:59:54,000
the umo spacecraft after its cosmic

1335
00:59:56,870 --> 00:59:54,880
voyage

1336
00:59:57,990 --> 00:59:56,880
became visible over the pyrenees

1337
01:00:01,109 --> 00:59:58,000
mountains

1338
01:00:04,150 --> 01:00:01,119

and the ih superimposed marking

1339

01:00:07,270 --> 01:00:04,160

unlike any alphabetical symbol on earth

1340

01:00:12,069 --> 01:00:09,510

the first pictures taken were from the

1341

01:00:15,430 --> 01:00:12,079

ground near the outskirts of madrid

1342

01:00:19,829 --> 01:00:15,440

on february 6 1966

1343

01:00:22,150 --> 01:00:19,839

and again on the 10th of june 1967

1344

01:00:24,230 --> 01:00:22,160

they are known as the san jose de

1345

01:00:26,789 --> 01:00:24,240

valderas photographs

1346

01:00:28,789 --> 01:00:26,799

which were published nationally in spain

1347

01:00:33,090 --> 01:00:28,799

after thorough investigation

1348

01:00:36,069 --> 01:00:33,100

by the national magazine horizonte

1349

01:00:39,670 --> 01:00:36,079

[Music]

1350

01:00:42,390 --> 01:00:39,680

during the years since 1966

1351
01:00:44,630 --> 01:00:42,400
much of the ufo information has been

1352
01:00:48,069 --> 01:00:44,640
investigated by competent people

1353
01:00:48,549 --> 01:00:48,079
of england france and spain and to this

1354
01:00:51,990 --> 01:00:48,559
date

1355
01:00:56,309 --> 01:00:52,000
such evidence as these ufo photographs

1356
01:00:58,630 --> 01:00:56,319
appears to be factual dr claude poer

1357
01:00:59,670 --> 01:00:58,640
director of scientific programs in the

1358
01:01:02,549 --> 01:00:59,680
french center for

1359
01:01:05,190 --> 01:01:02,559
spatial studies stated publicly that a

1360
01:01:07,750 --> 01:01:05,200
two-year investigation resulted in

1361
01:01:09,430 --> 01:01:07,760
staggering confirmation of statements

1362
01:01:12,710 --> 01:01:09,440
made by the non-earthly

1363
01:01:15,990 --> 01:01:14,630

the french minister of defense

1364

01:01:18,630 --> 01:01:16,000

jean-claude borre

1365

01:01:20,630 --> 01:01:18,640

in a nationwide radio broadcast

1366

01:01:21,270 --> 01:01:20,640

confirmed that the national police in

1367

01:01:23,589 --> 01:01:21,280

france

1368

01:01:25,589 --> 01:01:23,599

had a great number of statements on file

1369

01:01:28,390 --> 01:01:25,599

from reliable witnesses

1370

01:01:29,190 --> 01:01:28,400

who had reported over the last few years

1371

01:01:31,829 --> 01:01:29,200

ufo

1372

01:01:33,750 --> 01:01:31,839

appearances he said he believed the

1373

01:01:35,270 --> 01:01:33,760

reports tell of scientifically

1374

01:01:37,589 --> 01:01:35,280

interesting events

1375

01:01:39,829 --> 01:01:37,599

and that the top scientists of france

1376

01:01:43,400 --> 01:01:39,839

were making a continuing study

1377

01:01:49,910 --> 01:01:43,410

of reported ufo sighting

1378

01:01:56,630 --> 01:01:53,349

from those files comes this photograph

1379

01:02:00,470 --> 01:01:56,640

of the ufo taken at night

1380

01:02:04,630 --> 01:02:00,480

as it was tracked across france

1381

01:02:06,789 --> 01:02:04,640

this is known as the valencia ufo

1382

01:02:08,390 --> 01:02:06,799

the device is emitting brilliantly

1383

01:02:11,829 --> 01:02:08,400

colored radiation

1384

01:02:14,789 --> 01:02:11,839

and seems solid if so

1385

01:02:16,710 --> 01:02:14,799

it is obviously capable of defying

1386

01:02:19,349 --> 01:02:16,720

gravity

1387

01:02:21,029 --> 01:02:19,359

the french defense minister says that

1388

01:02:23,750 --> 01:02:21,039

this type of appearance

1389

01:02:25,430 --> 01:02:23,760

is being studied seriously by french

1390

01:02:28,390 --> 01:02:25,440

science

1391

01:02:31,430 --> 01:02:28,400

not so in the united states or even the

1392

01:02:34,290 --> 01:02:31,440

anti-gravity capability of the ufo

1393

01:02:42,789 --> 01:02:34,300

is being ignored by official science

1394

01:02:48,789 --> 01:02:45,510

as they said in spain the alien

1395

01:02:49,910 --> 01:02:48,799

intelligences of the ufo may originate

1396

01:02:53,190 --> 01:02:49,920

from a planet called

1397

01:02:56,710 --> 01:02:53,200

yumo 16 light years from earth

1398

01:02:59,510 --> 01:02:56,720

and they may not have if we are to

1399

01:03:01,589 --> 01:02:59,520

understand the origin of the ufo

1400

01:03:03,510 --> 01:03:01,599

we must be ready to vision another

1401

01:03:07,029 --> 01:03:03,520

dimension which penetrates

1402

01:03:08,150 --> 01:03:07,039

our earthly reality it is a higher

1403

01:03:11,029 --> 01:03:08,160

energy dimension

1404

01:03:12,150 --> 01:03:11,039

from which the ufo can materialize to

1405

01:03:15,190 --> 01:03:12,160

our vision

1406

01:03:17,190 --> 01:03:15,200

our cameras and our scientific

1407

01:03:19,349 --> 01:03:17,200

instrumentation

1408

01:03:20,309 --> 01:03:19,359

it is back into this higher energy

1409

01:03:23,270 --> 01:03:20,319

dimension

1410

01:03:25,750 --> 01:03:23,280

that the ufo returns to report to those

1411

01:03:28,470 --> 01:03:25,760

who sent it out

1412

01:03:29,270 --> 01:03:28,480

the crew of the ufo is an especially

1413

01:03:32,230 --> 01:03:29,280

designed

1414

01:03:32,950 --> 01:03:32,240

robot humanoid which was produced to do

1415

01:03:36,549 --> 01:03:32,960

its job

1416

01:03:39,109 --> 01:03:36,559

in both dimensions target earth

1417

01:03:40,470 --> 01:03:39,119

is a long time intelligence and sample

1418

01:03:44,069 --> 01:03:40,480

gathering project

1419

01:03:46,549 --> 01:03:44,079

of the aliens of the ufo

1420

01:03:50,069 --> 01:03:46,559

the incredible energy manipulation which

1421

01:03:59,589 --> 01:03:50,079

enables ufos to move between dimensions

1422

01:04:02,390 --> 01:03:59,599

seems to occur underwater

1423

01:04:03,190 --> 01:04:02,400

the puerto rican deep which extends 30

1424

01:04:06,789 --> 01:04:03,200

000 feet

1425

01:04:08,950 --> 01:04:06,799

under the sea is one such area

1426

01:04:10,630 --> 01:04:08,960

sea water covers two-thirds of the

1427

01:04:12,950 --> 01:04:10,640

surface of the earth

1428

01:04:13,670 --> 01:04:12,960

and in that water lives one of the

1429

01:04:16,069 --> 01:04:13,680

earth's most

1430

01:04:17,109 --> 01:04:16,079

intelligent and environmentally adjusted

1431

01:04:20,390 --> 01:04:17,119

creatures

1432

01:04:22,789 --> 01:04:20,400

the dolphin the dolphins brain is

1433

01:04:26,150 --> 01:04:22,799

substantially more complex and in some

1434

01:04:28,230 --> 01:04:26,160

ways superior to the brain of man the

1435

01:04:30,390 --> 01:04:28,240

dolphins telepathic ability

1436

01:04:32,150 --> 01:04:30,400

is highly developed and with it he

1437

01:04:35,190 --> 01:04:32,160

excels at communication

1438

01:04:36,950 --> 01:04:35,200

with other dolphins today the canadian

1439

01:04:39,910 --> 01:04:36,960

edited ufo report

1440

01:04:42,630 --> 01:04:39,920

and other such publications are the only

1441

01:04:44,309 --> 01:04:42,640

other mediums which have carried stories

1442

01:04:47,589 --> 01:04:44,319

which have filled the venezuelan

1443

01:04:48,950 --> 01:04:47,599

newspapers and tell of ufos which emerge

1444

01:04:52,230 --> 01:04:48,960

from under the sea

1445

01:04:54,870 --> 01:04:52,240

off puerto rico and continue to the u.s

1446

01:04:56,950 --> 01:04:54,880

south america and europe undersea

1447

01:04:58,950 --> 01:04:56,960

disturbances of a major nature

1448

01:05:00,470 --> 01:04:58,960

have occurred in this area for many

1449

01:05:02,710 --> 01:05:00,480

years

1450

01:05:05,029 --> 01:05:02,720

the national oceanic and atmospheric

1451

01:05:07,190 --> 01:05:05,039

administration's noaa satellite

1452

01:05:09,430 --> 01:05:07,200

had communications blacked out many

1453

01:05:11,750 --> 01:05:09,440

times as it passed over the area

1454

01:05:14,470 --> 01:05:11,760

some eight hundred miles up in its orbit

1455

01:05:17,750 --> 01:05:14,480

reported dr wayne messijian of longwood

1456

01:05:21,349 --> 01:05:17,760

college in farmville virginia

1457

01:05:22,230 --> 01:05:21,359

in 1945 the u.s navy lost five torpedo

1458

01:05:24,390 --> 01:05:22,240

bombers

1459

01:05:27,589 --> 01:05:24,400

and a large four motored flying boat

1460

01:05:30,150 --> 01:05:27,599

searching for the lost navy pilots

1461

01:05:32,069 --> 01:05:30,160

commercial and private airplane pilots

1462

01:05:33,510 --> 01:05:32,079

have seen their aircraft under this

1463

01:05:35,910 --> 01:05:33,520

strange influence

1464

01:05:37,270 --> 01:05:35,920

lose instrumentation and electrical

1465

01:05:39,910 --> 01:05:37,280

control

1466

01:05:42,150 --> 01:05:39,920

airlines issue denials and pilots are

1467

01:05:43,510 --> 01:05:42,160

afraid to talk in public because of fear

1468

01:05:47,109 --> 01:05:43,520

for their jobs

1469

01:05:48,789 --> 01:05:47,119

in march of 1973 a series of events near

1470

01:05:50,710 --> 01:05:48,799

caracas venezuela

1471

01:05:52,710 --> 01:05:50,720

a few hundred miles to the south

1472

01:05:54,950 --> 01:05:52,720

established what may be a link

1473

01:05:55,750 --> 01:05:54,960

between the very deep ocean areas of the

1474

01:05:59,029 --> 01:05:55,760

caribbean

1475

01:06:00,950 --> 01:05:59,039

and the ufo on march 22nd

1476
01:06:02,230 --> 01:06:00,960
hundreds of people witnessed a pair of

1477
01:06:04,390 --> 01:06:02,240
flying objects

1478
01:06:05,750 --> 01:06:04,400
trailing blue smoke as they approached

1479
01:06:07,430 --> 01:06:05,760
from out of the sea

1480
01:06:09,109 --> 01:06:07,440
and then hung motionless near the

1481
01:06:11,589 --> 01:06:09,119
caracas airport

1482
01:06:12,950 --> 01:06:11,599
then with a shrieking sound and a burst

1483
01:06:15,589 --> 01:06:12,960
of orange flame

1484
01:06:17,190 --> 01:06:15,599
separated and vanished one to the east

1485
01:06:20,069 --> 01:06:17,200
and one to the west

1486
01:06:20,870 --> 01:06:20,079
for the next nine days ufos rose out of

1487
01:06:23,589 --> 01:06:20,880
the sea

1488
01:06:25,670 --> 01:06:23,599

hung in the air remained motionless and

1489

01:06:27,109 --> 01:06:25,680

in various manners cavorted over the

1490

01:06:30,069 --> 01:06:27,119

metropolitan city

1491

01:06:32,470 --> 01:06:30,079

of caracas venezuela the caracas

1492

01:06:34,710 --> 01:06:32,480

newspaper altimas noticias

1493

01:06:35,670 --> 01:06:34,720

carried the ufo stories and reached the

1494

01:06:37,750 --> 01:06:35,680

conclusion

1495

01:06:39,910 --> 01:06:37,760

that thousands of its readers are now

1496

01:06:40,710 --> 01:06:39,920

convinced that by evidence of their own

1497

01:06:44,390 --> 01:06:40,720

eyes

1498

01:06:47,430 --> 01:06:44,400

ufos have an undersea base in caribbean

1499

01:06:49,990 --> 01:06:47,440

ufo traffic into and out of the sea was

1500

01:06:52,230 --> 01:06:50,000

seen by hundreds of witnesses

1501

01:06:54,470 --> 01:06:52,240

other water areas have also been the

1502

01:06:56,789 --> 01:06:54,480

site of ufo traffic

1503

01:06:58,390 --> 01:06:56,799

teleportation occurs in the vicinity of

1504

01:07:01,589 --> 01:06:58,400

a ufo

1505

01:07:02,309 --> 01:07:01,599

in may 1968 a well-known buenos aires

1506

01:07:04,470 --> 01:07:02,319

attorney

1507

01:07:07,029 --> 01:07:04,480

dr gerardo vidal and his wife and

1508

01:07:10,710 --> 01:07:07,039

children in a peugeot 403

1509

01:07:12,829 --> 01:07:10,720

were teleported 4 100 miles by a ufo and

1510

01:07:16,390 --> 01:07:12,839

put down near mexico city

1511

01:07:18,950 --> 01:07:16,400

unharmd this ford was teleported

1512

01:07:21,510 --> 01:07:18,960

hundreds of miles in south africa

1513

01:07:22,789 --> 01:07:21,520

because it was near to a ufo which

1514

01:07:24,870 --> 01:07:22,799

degravitated it

1515

01:07:26,549 --> 01:07:24,880

and transported it says the flying

1516

01:07:29,029 --> 01:07:26,559

saucer review

1517

01:07:31,910 --> 01:07:29,039

the aliens of the ufo are energy

1518

01:07:34,950 --> 01:07:31,920

manipulators of a very advanced nature

1519

01:07:37,109 --> 01:07:34,960

far beyond our science in the search for

1520

01:07:38,549 --> 01:07:37,119

the method of communication with alien

1521

01:07:41,750 --> 01:07:38,559

intelligences of space

1522

01:07:43,670 --> 01:07:41,760

such as the overlords of the ufo some of

1523

01:07:44,950 --> 01:07:43,680

the most significant work in the world

1524

01:07:47,589 --> 01:07:44,960

has been done by dr

1525

01:07:50,230 --> 01:07:47,599

I g lawrence president of the e-cola

1526

01:07:53,349 --> 01:07:50,240

institute of san bernardino california

1527

01:07:55,109 --> 01:07:53,359

a research foundation dr lawrence is one

1528

01:07:56,870 --> 01:07:55,119

of the world authorities on the use of

1529

01:07:58,950 --> 01:07:56,880

biological sensors

1530

01:07:59,910 --> 01:07:58,960

such as that of the friendly laboratory

1531

01:08:03,109 --> 01:07:59,920

philodendron

1532

01:08:05,190 --> 01:08:03,119

which senses the pain of dr lawrence

1533

01:08:06,549 --> 01:08:05,200

as he purposely burns his thumb on his

1534

01:08:09,430 --> 01:08:06,559

hot pipe bowl

1535

01:08:11,430 --> 01:08:09,440

the biological sensor the plant reacts

1536

01:08:12,630 --> 01:08:11,440

with a squiggle of recognition of dr

1537

01:08:15,430 --> 01:08:12,640

lawrence's pain

1538

01:08:16,070 --> 01:08:15,440

on the laboratory instrumentation this

1539

01:08:21,829 --> 01:08:16,080

is known

1540

01:08:24,870 --> 01:08:23,749

dr lawrence developed his three-ton

1541

01:08:27,349 --> 01:08:24,880

stellatron for

1542

01:08:29,430 --> 01:08:27,359

sensing biological messages which might

1543

01:08:32,470 --> 01:08:29,440

be running free in the universe

1544

01:08:34,630 --> 01:08:32,480

he sets it up in remote areas and it is

1545

01:08:35,590 --> 01:08:34,640

shielded from all electromagnetic

1546

01:08:39,189 --> 01:08:35,600

radiation

1547

01:08:41,910 --> 01:08:39,199

instance

1548

01:08:43,829 --> 01:08:41,920

it can be influenced only by the etheric

1549

01:08:46,950 --> 01:08:43,839

or bioplasmic pulses that

1550

01:08:50,829 --> 01:08:46,960

influence plant and animal life

1551

01:08:52,149 --> 01:08:50,839

on october 29 1971 and again in april

1552

01:08:54,630 --> 01:08:52,159

1972

1553

01:08:56,470 --> 01:08:54,640

on the mojave desert in california

1554

01:08:59,349 --> 01:08:56,480

intelligent communication from the

1555

01:09:02,149 --> 01:08:59,359

direction of ursa major was received

1556

01:09:11,910 --> 01:09:02,159

one star of that system we know is the

1557

01:09:16,550 --> 01:09:14,229

the intelligent character of the overall

1558

01:09:18,070 --> 01:09:16,560

pulse train is implied by the discrete

1559

01:09:20,229 --> 01:09:18,080

spacing patterns

1560

01:09:21,349 --> 01:09:20,239

and the repetition of recognizable

1561

01:09:23,990 --> 01:09:21,359

patterns

1562

01:09:26,229 --> 01:09:24,000

again for the first time in public you

1563

01:09:28,630 --> 01:09:26,239

now hear the modulated signals

1564

01:09:30,950 --> 01:09:28,640

a message is yet undeciphered which

1565

01:09:32,870 --> 01:09:30,960

originate in outer space

1566

01:09:34,709 --> 01:09:32,880

this has been brought to you by special

1567

01:09:42,870 --> 01:09:34,719

permission of dr lawrence

1568

01:09:46,149 --> 01:09:44,950

dr lawrence reminds us that radio

1569

01:09:48,309 --> 01:09:46,159

telescopes

1570

01:09:50,229 --> 01:09:48,319

such as this giant multi-million dollar

1571

01:09:52,870 --> 01:09:50,239

installation in puerto rico

1572

01:09:53,749 --> 01:09:52,880

have had no results whatsoever in either

1573

01:09:56,870 --> 01:09:53,759

sending or

1574

01:09:57,990 --> 01:09:56,880

receiving messages in space radio

1575

01:10:00,790 --> 01:09:58,000

telescopes seem

1576

01:10:02,790 --> 01:10:00,800

useless in receiving cosmic messages

1577

01:10:05,430 --> 01:10:02,800

probably because they are looking and

1578

01:10:09,270 --> 01:10:05,440

listening to the wrong possible sources

1579

01:10:11,910 --> 01:10:09,280

he recommends biological sensors instead

1580

01:10:13,669 --> 01:10:11,920

his low-cost equipment has resulted in a

1581

01:10:14,950 --> 01:10:13,679

tape recording of interstellar

1582

01:10:17,270 --> 01:10:14,960

communication

1583

01:10:18,229 --> 01:10:17,280

and it is on file with the smithsonian

1584

01:10:23,750 --> 01:10:18,239

institution

1585

01:10:27,189 --> 01:10:25,669

there is perhaps no more convincing

1586

01:10:29,510 --> 01:10:27,199

witness to the ufo

1587

01:10:30,229 --> 01:10:29,520

and the world famous israeli psychic uri

1588

01:10:32,709 --> 01:10:30,239

geller

1589

01:10:34,630 --> 01:10:32,719

whose mind-boggling extrasensory powers

1590

01:10:35,990 --> 01:10:34,640

have baffled millions of people all over

1591

01:10:37,990 --> 01:10:36,000

the world

1592

01:10:39,430 --> 01:10:38,000

geller believes that his powers are not

1593

01:10:41,189 --> 01:10:39,440

unique to him

1594

01:10:43,830 --> 01:10:41,199

but are instead proof that energies

1595

01:10:45,910 --> 01:10:43,840

exist in many different ways than those

1596

01:10:47,990 --> 01:10:45,920

now known to science

1597

01:10:51,189 --> 01:10:48,000

later we will see geller demonstrate his

1598

01:10:52,870 --> 01:10:51,199

bio energy powers before a live audience

1599

01:10:55,110 --> 01:10:52,880

geller leaves little doubt about his

1600

01:10:57,030 --> 01:10:55,120

feelings on the subject of ufo

1601
01:10:58,709 --> 01:10:57,040
let me tell you i've never seen an

1602
01:11:01,430 --> 01:10:58,719
extraterrestrial being in my life

1603
01:11:02,070 --> 01:11:01,440
i wish i will and i know i will one day

1604
01:11:03,590 --> 01:11:02,080
you know

1605
01:11:05,430 --> 01:11:03,600
maybe they're even around us and we

1606
01:11:06,229 --> 01:11:05,440
don't even know maybe they look like

1607
01:11:10,950 --> 01:11:06,239
people

1608
01:11:12,630 --> 01:11:10,960
i'm sure if i'll ask who saw you or

1609
01:11:14,870 --> 01:11:12,640
here some of you will raise your hands

1610
01:11:17,270 --> 01:11:14,880
up because they exist

1611
01:11:18,870 --> 01:11:17,280
i i shook pictures as a matter of fact i

1612
01:11:20,709 --> 01:11:18,880
had a fight with my publisher

1613
01:11:22,070 --> 01:11:20,719

because i wanted to publish the picture

1614

01:11:24,229 --> 01:11:22,080

of the ufos that i took

1615

01:11:25,669 --> 01:11:24,239

and in the book and he said no because

1616

01:11:27,590 --> 01:11:25,679

it's a

1617

01:11:29,030 --> 01:11:27,600

against your credibility and i did it in

1618

01:11:34,149 --> 01:11:29,040

the end because i'm not going to

1619

01:11:40,070 --> 01:11:38,070

one minute i want job in the sinai

1620

01:11:42,390 --> 01:11:40,080

desert do we have another minute yeah go

1621

01:11:44,709 --> 01:11:42,400

ahead i once drove in the sinai desert

1622

01:11:47,030 --> 01:11:44,719

and believe me with a high colonel and

1623

01:11:49,990 --> 01:11:47,040

his driver me and a doctor

1624

01:11:51,510 --> 01:11:50,000

and suddenly in midair in sinai desert

1625

01:11:52,470 --> 01:11:51,520

it's clear it was five o'clock in the

1626
01:11:55,350 --> 01:11:52,480
afternoon

1627
01:11:56,630 --> 01:11:55,360
we saw this huge object that looked like

1628
01:11:58,870 --> 01:11:56,640
a cigar shape

1629
01:12:00,149 --> 01:11:58,880
hanging in mid-air and let me tell you

1630
01:12:02,470 --> 01:12:00,159
it was as big as

1631
01:12:03,910 --> 01:12:02,480
new york block and it was dark it didn't

1632
01:12:05,110 --> 01:12:03,920
look like you're flying saucer it looked

1633
01:12:08,070 --> 01:12:05,120
like a cigar shape

1634
01:12:09,510 --> 01:12:08,080
and i was shocked and immediately i get

1635
01:12:11,910 --> 01:12:09,520
goosebumps when i talk about it

1636
01:12:12,950 --> 01:12:11,920
i told the driver please look what's

1637
01:12:14,709 --> 01:12:12,960
going look what in the

1638
01:12:16,390 --> 01:12:14,719

colonel and you know what they didn't

1639

01:12:18,229 --> 01:12:16,400

see it and they said what are you

1640

01:12:19,430 --> 01:12:18,239

looking at i said my god can't you see

1641

01:12:22,630 --> 01:12:19,440

that thing in the sky

1642

01:12:24,310 --> 01:12:22,640

they couldn't see so i think sometimes

1643

01:12:26,229 --> 01:12:24,320

what is really going on

1644

01:12:28,149 --> 01:12:26,239

are they is it really implanted in my

1645

01:12:30,310 --> 01:12:28,159

mind is it really not out there

1646

01:12:31,990 --> 01:12:30,320

and only or is it there and only the

1647

01:12:33,430 --> 01:12:32,000

people who believe in it can see it i

1648

01:12:35,270 --> 01:12:33,440

don't know there are questions that i

1649

01:12:37,750 --> 01:12:35,280

can't answer myself

1650

01:12:38,950 --> 01:12:37,760

some call him a magician others call him

1651

01:12:41,590 --> 01:12:38,960

a sorcerer

1652

01:12:43,189 --> 01:12:41,600

some even call him a messiah but

1653

01:12:46,229 --> 01:12:43,199

whatever they call him the world has

1654

01:12:47,830 --> 01:12:46,239

never seen anyone quite like uri geller

1655

01:12:49,669 --> 01:12:47,840

so when gellar recently toured the

1656

01:12:51,510 --> 01:12:49,679

united states it was no wonder the

1657

01:12:53,830 --> 01:12:51,520

crowds turned out to greet him

1658

01:12:56,709 --> 01:12:53,840

to witness his powers and to line up for

1659

01:12:58,550 --> 01:12:56,719

autographs on the cover of his new book

1660

01:13:01,110 --> 01:12:58,560

they stood in line because they had just

1661

01:13:02,790 --> 01:13:01,120

witnessed an extraordinary sight

1662

01:13:04,390 --> 01:13:02,800

hundreds brought with them broken

1663

01:13:07,350 --> 01:13:04,400

watches and clocks

1664

01:13:08,229 --> 01:13:07,360

many of which hadn't run for years then

1665

01:13:10,709 --> 01:13:08,239

they sat back

1666

01:13:11,910 --> 01:13:10,719

and watched the bio energy of uri geller

1667

01:13:13,750 --> 01:13:11,920

go to work

1668

01:13:15,830 --> 01:13:13,760

you can see that the second hand can the

1669

01:13:19,030 --> 01:13:15,840

camera show the second hand

1670

01:13:20,950 --> 01:13:19,040

that'd be a tough shot i think

1671

01:13:24,149 --> 01:13:20,960

i don't know how to show it but it's not

1672

01:13:29,990 --> 01:13:27,510

whatever he is working with i've

1673

01:13:30,630 --> 01:13:30,000

got a whole huge handful how many there

1674

01:13:32,870 --> 01:13:30,640

maybe ten

1675

01:13:34,390 --> 01:13:32,880

i don't know let's go this is what i

1676

01:13:37,030 --> 01:13:34,400

want you all to do and i know it looks

1677

01:13:39,750 --> 01:13:37,040

silly i'm going to shout one two three

1678

01:13:40,149 --> 01:13:39,760

and all of us are gonna shout work i've

1679

01:13:41,830 --> 01:13:40,159

been

1680

01:13:44,229 --> 01:13:41,840

really loud and really talk to these

1681

01:13:49,590 --> 01:13:44,239

watches because that's the way it works

1682

01:13:53,990 --> 01:13:51,510

listen a little louder it's your watches

1683

01:13:58,470 --> 01:13:54,000

you know we may have blown out

1684

01:14:02,709 --> 01:13:58,480

the uh transmitter i think one more time

1685

01:14:04,470 --> 01:14:02,719

one two three four

1686

01:14:06,709 --> 01:14:04,480

hold it for me personally okay now what

1687

01:14:07,510 --> 01:14:06,719

i do is i sort of finally put an energy

1688

01:14:09,590 --> 01:14:07,520

into it

1689

01:14:11,830 --> 01:14:09,600

and i say work and i just talk to these

1690

01:14:13,669 --> 01:14:11,840

watches

1691

01:14:15,510 --> 01:14:13,679

and just clenching his fist he's

1692

01:14:17,030 --> 01:14:15,520

clenching his fist over and over just

1693

01:14:19,669 --> 01:14:17,040

above the watches

1694

01:14:20,149 --> 01:14:19,679

it's working this is working it is okay

1695

01:14:25,110 --> 01:14:20,159

here's

1696

01:14:43,110 --> 01:14:26,870

this is also working jewelry bracelet

1697

01:14:47,270 --> 01:14:44,950

then while hundreds watched and

1698

01:14:48,390 --> 01:14:47,280

thousands more listened on radio station

1699

01:14:50,630 --> 01:14:48,400

kvi

1700

01:14:52,229 --> 01:14:50,640

the city of seattle witnessed the power

1701

01:14:54,790 --> 01:14:52,239

of biological energy

1702

01:14:56,390 --> 01:14:54,800

in an even more convincing form this is

1703

01:14:58,709 --> 01:14:56,400

what i want you to do

1704

01:15:00,310 --> 01:14:58,719

i'm holding these keys in my hand very

1705

01:15:02,310 --> 01:15:00,320

very gently

1706

01:15:04,550 --> 01:15:02,320

and what i want you to do is put your

1707

01:15:07,669 --> 01:15:04,560

hands on these keys cover them and start

1708

01:15:20,630 --> 01:15:07,679

with cover these ones no not very very

1709

01:15:23,750 --> 01:15:22,470

and i'm concentrating now and i want

1710

01:15:25,510 --> 01:15:23,760

something to happen

1711

01:15:26,950 --> 01:15:25,520

can if you feel anything in any hand

1712

01:15:31,110 --> 01:15:26,960

tell me if you feel any

1713

01:15:33,430 --> 01:15:31,120

any tingling sensation or heat or

1714

01:15:34,550 --> 01:15:33,440

where do you feel the keys are in rory's

1715

01:15:37,430 --> 01:15:34,560

hands the little boy

1716

01:15:40,070 --> 01:15:37,440

is holding his hands over the keys but

1717

01:15:41,830 --> 01:15:40,080

all right now start complimenting ken

1718

01:15:43,110 --> 01:15:41,840

what and what you will have to do you

1719

01:15:44,550 --> 01:15:43,120

have to say ben

1720

01:15:45,830 --> 01:15:44,560

i hope you have enough feeling there

1721

01:15:47,830 --> 01:15:45,840

because i don't know how long this will

1722

01:15:50,950 --> 01:15:47,840

take

1723

01:15:51,990 --> 01:15:50,960

rory's hands are flat his thumbs are up

1724

01:15:53,990 --> 01:15:52,000

in the air where everybody

1725

01:15:55,350 --> 01:15:54,000

can see them something is happening here

1726

01:15:56,870 --> 01:15:55,360

and he's saying he thinks something is

1727

01:15:58,470 --> 01:15:56,880

happening

1728

01:15:59,990 --> 01:15:58,480

he has now discarded the keys in his

1729

01:16:01,669 --> 01:16:00,000

left hand

1730

01:16:03,510 --> 01:16:01,679

the bear still is covering the keys in

1731

01:16:18,709 --> 01:16:03,520

uri's right hand or he incidentally is

1732

01:16:18,719 --> 01:16:38,550

wait a

1733

01:16:42,390 --> 01:16:40,630

a little more here um you see i'm

1734

01:16:46,229 --> 01:16:42,400

putting an energy into it can you see

1735

01:16:49,750 --> 01:16:48,390

there's no there's absolutely no he

1736

01:16:51,750 --> 01:16:49,760

can't touch the key

1737

01:16:54,149 --> 01:16:51,760

and you'll see the touchscreen under or

1738

01:16:56,470 --> 01:16:54,159

underwear

1739

01:16:57,350 --> 01:16:56,480

there's absolutely no you do feel but

1740

01:16:59,590 --> 01:16:57,360

there is nothing

1741

01:17:14,830 --> 01:16:59,600

but there is really no use you touch it

1742

01:17:14,840 --> 01:17:28,950

oh

1743

01:17:32,790 --> 01:17:30,790

to back up the biological energy

1744

01:17:34,950 --> 01:17:32,800

demonstration geller called on others in

1745

01:17:36,870 --> 01:17:34,960

the audience to check for keys which may

1746

01:17:38,390 --> 01:17:36,880

also have responded to the presence of

1747

01:17:40,390 --> 01:17:38,400

geller's energy

1748

01:17:42,790 --> 01:17:40,400

the seattle post intelligencer told the

1749

01:17:45,430 --> 01:17:42,800

story of hundreds of radio listeners

1750

01:17:47,030 --> 01:17:45,440

whose keys mysteriously began bending

1751

01:17:48,550 --> 01:17:47,040

right in their pockets

1752

01:17:50,390 --> 01:17:48,560

in the audience there were others who

1753

01:17:52,470 --> 01:17:50,400

found themselves a terminal for the

1754

01:17:54,630 --> 01:17:52,480

newly demonstrated source of power

1755

01:17:55,910 --> 01:17:54,640

he's in the audience belonging to people

1756

01:17:57,910 --> 01:17:55,920

here we're bending

1757

01:17:59,270 --> 01:17:57,920

and we've seen keys a couple of women

1758

01:18:00,149 --> 01:17:59,280

have shown him which are beginning to

1759

01:18:03,270 --> 01:18:00,159

bend

1760

01:18:05,750 --> 01:18:03,280

and there's uh here's a lady who is very

1761

01:18:07,350 --> 01:18:05,760

haired and she's just handed him a king

1762

01:18:08,790 --> 01:18:07,360

and it is beginning to bend very

1763

01:18:10,310 --> 01:18:08,800

slightly but noticeably

1764

01:18:12,870 --> 01:18:10,320

it's unreal because you know what's

1765

01:18:14,149 --> 01:18:12,880

unbelievable here but usually the kids

1766

01:18:15,990 --> 01:18:14,159

are coming to me

1767

01:18:17,270 --> 01:18:16,000

that their kids bend and usually it

1768

01:18:18,950 --> 01:18:17,280

happens to children

1769

01:18:20,630 --> 01:18:18,960

why because children are more

1770

01:18:22,950 --> 01:18:20,640

open-minded to this i mean look these

1771

01:18:24,870 --> 01:18:22,960

kids look at these kids are totally dead

1772

01:18:26,709 --> 01:18:24,880

would you say that it's necessary for a

1773

01:18:28,630 --> 01:18:26,719

person to believe they can bend

1774

01:18:29,830 --> 01:18:28,640

or they will bend you see a child

1775

01:18:31,669 --> 01:18:29,840

believes that

1776

01:18:33,350 --> 01:18:31,679

he can bend the key because he's just

1777

01:18:35,189 --> 01:18:33,360

totally innocent to it

1778

01:18:36,550 --> 01:18:35,199

he totally believes that his key can

1779

01:18:38,390 --> 01:18:36,560

bend and it does

1780

01:18:39,830 --> 01:18:38,400

and it starts and look i mean these keys

1781

01:18:40,630 --> 01:18:39,840

are i mean you can't use this kid

1782

01:18:42,550 --> 01:18:40,640

anymore

1783

01:18:44,550 --> 01:18:42,560

the scene is in the southeastern united

1784

01:18:47,030 --> 01:18:44,560

states and the photographer

1785

01:18:48,709 --> 01:18:47,040

todd anthony is out to take his first

1786

01:18:51,270 --> 01:18:48,719

trial pictures with his new eight

1787

01:18:53,110 --> 01:18:51,280

millimeter motion picture camera

1788

01:18:54,950 --> 01:18:53,120

he goes to his local airport to

1789

01:18:57,350 --> 01:18:54,960

photograph the action of a commercial

1790

01:18:59,430 --> 01:18:57,360

airliner making its landing

1791

01:19:00,630 --> 01:18:59,440

the airplane makes its approach and

1792

01:19:04,550 --> 01:19:00,640

following it comes

1793

01:19:07,030 --> 01:19:04,560

the big surprise a ufo

1794

01:19:08,149 --> 01:19:07,040

the ufo exhibiting anti-gravity

1795

01:19:10,310 --> 01:19:08,159

capabilities

1796

01:19:13,110 --> 01:19:10,320

follows the airliner right down to the

1797

01:19:15,990 --> 01:19:13,120

surface of the earth to its landing

1798

01:19:17,350 --> 01:19:16,000

the ufo is a bell-shaped type which has

1799

01:19:20,390 --> 01:19:17,360

been seen and photographed

1800

01:19:22,149 --> 01:19:20,400

all over the world since the 1950s from

1801

01:19:24,390 --> 01:19:22,159

australia to western europe

1802

01:19:25,270 --> 01:19:24,400

to south africa to mount palomar in

1803

01:19:27,030 --> 01:19:25,280

california

1804

01:19:28,390 --> 01:19:27,040

where george adamski made excellent

1805

01:19:30,149 --> 01:19:28,400

steel pictures

1806

01:19:32,870 --> 01:19:30,159

all with the same bell-shaped

1807

01:19:34,229 --> 01:19:32,880

configuration with three spheres on the

1808

01:19:35,990 --> 01:19:34,239

bottom

1809

01:19:38,149 --> 01:19:36,000

there are some very significant things

1810

01:19:40,229 --> 01:19:38,159

about this ufo type

1811

01:19:41,350 --> 01:19:40,239

under the bell-shaped hull are three

1812

01:19:43,830 --> 01:19:41,360

spheres

1813

01:19:45,510 --> 01:19:43,840

it is these globes which when excited by

1814

01:19:47,830 --> 01:19:45,520

a high energy level

1815

01:19:48,870 --> 01:19:47,840

cause the ufo to become immune to

1816

01:19:51,590 --> 01:19:48,880

gravity

1817

01:19:52,630 --> 01:19:51,600

at this point the ufo begins to take on

1818

01:19:55,030 --> 01:19:52,640

a glow

1819

01:19:57,510 --> 01:19:55,040

at a higher state of excitation it is

1820

01:19:59,830 --> 01:19:57,520

ready to move into its home dimension

1821

01:20:00,709 --> 01:19:59,840

a dimension which is not light years

1822

01:20:03,669 --> 01:20:00,719

away

1823

01:20:05,830 --> 01:20:03,679

but right here interpenetrating our

1824

01:20:07,830 --> 01:20:05,840

reality

1825

01:20:10,390 --> 01:20:07,840

a significant amount of scientific

1826

01:20:13,990 --> 01:20:10,400

research evidence now seems to confirm

1827

01:20:17,430 --> 01:20:14,000

the amazing fact that ufos such as this

1828

01:20:19,669 --> 01:20:17,440

are interdimensional spacecraft

1829

01:20:20,550 --> 01:20:19,679

these same types of ufos have been

1830

01:20:23,189 --> 01:20:20,560

photographed

1831

01:20:24,950 --> 01:20:23,199

invisible to the human eye by means of

1832

01:20:26,870 --> 01:20:24,960

ultraviolet filters

1833

01:20:28,550 --> 01:20:26,880

and have been found to be trailing our

1834

01:20:31,990 --> 01:20:28,560

commercial airlines flights

1835

01:20:35,430 --> 01:20:32,000

at 35 000 feet just as this flight

1836

01:20:39,110 --> 01:20:35,440

was tailed by a ufo right to its landing

1837

01:20:40,950 --> 01:20:39,120

this time it was visible

1838

01:20:43,590 --> 01:20:40,960

we have presented evidence that many

1839

01:20:46,070 --> 01:20:43,600

times commercial flights near a ufo

1840

01:20:48,390 --> 01:20:46,080

have lost electrical control and their

1841

01:20:51,270 --> 01:20:48,400

aircraft instrumentation

1842

01:20:52,470 --> 01:20:51,280

pilots have confirmed this fact

1843

01:20:54,629 --> 01:20:52,480

passengers have been

1844

01:20:57,669 --> 01:20:54,639

injured as pilots have taken evasive

1845

01:20:58,470 --> 01:20:57,679

action when surprised by a ufo which to

1846

01:21:01,590 --> 01:20:58,480

them

1847

01:21:03,910 --> 01:21:01,600

seem to be on a collision course

1848

01:21:05,030 --> 01:21:03,920

yet no world scientific agency or

1849

01:21:07,430 --> 01:21:05,040

government group

1850

01:21:09,189 --> 01:21:07,440

has seriously studied the problems of

1851

01:21:12,390 --> 01:21:09,199

ufo encounters

1852

01:21:14,550 --> 01:21:12,400

or kidnappings or losses of aircraft due

1853

01:21:17,830 --> 01:21:14,560

to the ufo

1854

01:21:18,950 --> 01:21:17,840

is the ufo mystery truly a scientific

1855

01:21:22,870 --> 01:21:18,960

watergate

1856

01:21:26,070 --> 01:21:22,880

an incredible and dangerous cover-up

1857

01:21:27,030 --> 01:21:26,080

understanding of the ufo may be beyond

1858

01:21:29,669 --> 01:21:27,040

our science

1859

01:21:31,669 --> 01:21:29,679

and political system but it is not

1860

01:21:34,629 --> 01:21:31,679

beyond the human mind

1861

01:21:35,990 --> 01:21:34,639

the alien intelligences of the ufo and

1862

01:21:39,030 --> 01:21:36,000

the human earthlings

1863

01:21:46,390 --> 01:21:39,040

are all common inhabitants of the cosmic

1864

01:21:50,390 --> 01:21:48,790

dr lawrence at a cola institute showed

1865

01:21:53,270 --> 01:21:50,400

us with his stellatron

1866

01:21:55,669 --> 01:21:53,280

that the alien intelligences of the ufo

1867

01:21:57,189 --> 01:21:55,679

might be in cosmic communication by use

1868

01:22:00,070 --> 01:21:57,199

of a high level energy

1869

01:22:00,709 --> 01:22:00,080

which we know as etheric bioplasmic

1870

01:22:03,350 --> 01:22:00,719

orgone

1871

01:22:05,750 --> 01:22:03,360

or nearly a hundred similar names but it

1872

01:22:07,030 --> 01:22:05,760

is unrecognized in our science and in

1873

01:22:08,870 --> 01:22:07,040

our civilization

1874

01:22:11,990 --> 01:22:08,880

which runs and communicates on the

1875

01:22:13,910 --> 01:22:12,000

energies of the electromagnetic spectrum

1876

01:22:15,430 --> 01:22:13,920

erie geller mentally directs his

1877

01:22:17,590 --> 01:22:15,440

biological energy

1878

01:22:19,270 --> 01:22:17,600

and that of other people and they bend

1879

01:22:22,229 --> 01:22:19,280

metal keys

1880

01:22:23,430 --> 01:22:22,239

in the vicinity of ufos aircraft lose

1881

01:22:25,669 --> 01:22:23,440

electrical control

1882

01:22:27,590 --> 01:22:25,679

and instrumentation and without doubt

1883

01:22:33,189 --> 01:22:27,600

their structural integrity is also

1884

01:22:37,189 --> 01:22:34,709

other more incredible things are

1885

01:22:38,629 --> 01:22:37,199

happening during a single year for

1886

01:22:40,950 --> 01:22:38,639

instance nearly 10

1887

01:22:41,750 --> 01:22:40,960

000 head of farmers livestock have been

1888

01:22:44,310 --> 01:22:41,760

mutilated

1889

01:22:45,669 --> 01:22:44,320

in an area from texas to eastern oregon

1890

01:22:47,990 --> 01:22:45,679

and washington

1891

01:22:49,350 --> 01:22:48,000

police and agricultural scientists alike

1892

01:22:51,750 --> 01:22:49,360

are helpless

1893

01:22:53,910 --> 01:22:51,760

no flying predator exists which

1894

01:22:55,910 --> 01:22:53,920

mutilates an animal's tender parts

1895

01:23:00,390 --> 01:22:55,920

or swallows it up completely leaving

1896

01:23:07,669 --> 01:23:03,030

ufos can be blamed says the university

1897

01:23:10,070 --> 01:23:07,679

of wyoming student newspaper

1898

01:23:12,629 --> 01:23:10,080

there is now striking evidence that the

1899

01:23:13,750 --> 01:23:12,639

cause is not a configured ufo

1900

01:23:16,629 --> 01:23:13,760

spacecraft

1901

01:23:17,189 --> 01:23:16,639

but what is mistaken for a ufo is

1902

01:23:21,430 --> 01:23:17,199

something

1903

01:23:23,530 --> 01:23:21,440

just as new to science

1904

01:23:25,030 --> 01:23:23,540

invisible flying predators

1905

01:23:26,950 --> 01:23:25,040

[Music]

1906

01:23:29,430 --> 01:23:26,960

which can be photographed with the aid

1907

01:23:32,870 --> 01:23:29,440

of an ultraviolet filter 18a

1908

01:23:36,550 --> 01:23:35,110

this was first accomplished by trevor

1909

01:23:39,030 --> 01:23:36,560

james constable

1910

01:23:40,229 --> 01:23:39,040

a ufo researcher for a quarter of a

1911

01:23:42,950 --> 01:23:40,239

century

1912

01:23:45,510 --> 01:23:42,960

constable in southern california builds

1913

01:23:48,550 --> 01:23:45,520

equipment which gathers orgone energy

1914

01:23:50,470 --> 01:23:48,560

or etheric or biological energy

1915

01:23:51,590 --> 01:23:50,480

years ago he noted that his energy

1916

01:23:55,270 --> 01:23:51,600

gathering devices

1917

01:23:58,310 --> 01:23:55,280

attracted invisible critters

1918

01:24:00,709 --> 01:23:58,320

he also photographed them at 35 000

1919

01:24:02,470 --> 01:24:00,719

feet through an ultraviolet filter near

1920

01:24:06,950 --> 01:24:02,480

a commercial jet

1921

01:24:11,990 --> 01:24:09,990

this is an artist drawing by don dixon a

1922

01:24:14,470 --> 01:24:12,000

one of the frames of the research

1923

01:24:16,070 --> 01:24:14,480

camera's film showing the invisible

1924

01:24:18,149 --> 01:24:16,080

flying critter

1925

01:24:20,149 --> 01:24:18,159

apparently the predator sought by

1926

01:24:24,709 --> 01:24:20,159

farmers and county sheriffs

1927

01:24:24,719 --> 01:24:28,870

the invisible flying predator

1928

01:24:33,030 --> 01:24:31,189

there seems no other explanation of what

1929

01:24:37,110 --> 01:24:33,040

has happened to the thousands of

1930

01:24:40,149 --> 01:24:39,590

once again a new scientific door is

1931

01:24:42,550 --> 01:24:40,159

opened

1932

01:24:43,750 --> 01:24:42,560

and through it we see invisible animals

1933

01:24:46,310 --> 01:24:43,760

which can fly by

1934

01:24:48,790 --> 01:24:46,320

degravitating themselves and which seem

1935

01:24:49,189 --> 01:24:48,800

to live off the biological energy of

1936

01:24:52,629 --> 01:24:49,199

other

1937

01:24:54,950 --> 01:24:52,639

land-bound animals they may or may not

1938

01:24:56,229 --> 01:24:54,960

have any connection with the spacecraft

1939

01:24:58,709 --> 01:24:56,239

ufos

1940

01:25:00,310 --> 01:24:58,719

but it seems they have been mistaken for

1941

01:25:03,030 --> 01:25:00,320

configured ufos

1942

01:25:04,629 --> 01:25:03,040

with their humanoid crewmen bound on

1943

01:25:07,510 --> 01:25:04,639

their separate mission

1944

01:25:09,750 --> 01:25:07,520

of the study of the earth's inhabitants

1945

01:25:12,950 --> 01:25:09,760

by means of kidnappings

1946

01:25:18,730 --> 01:25:12,960

and sample gathering of earthman's

1947

01:25:22,550 --> 01:25:20,070

[Music]

1948

01:25:24,390 --> 01:25:22,560

in the us it is at federal aviation

1949

01:25:26,310 --> 01:25:24,400

administration flight centers

1950

01:25:28,229 --> 01:25:26,320

that air traffic controllers are trained

1951

01:25:29,750 --> 01:25:28,239

to handle the routing of aircraft in the

1952

01:25:31,830 --> 01:25:29,760

nation's air lanes

1953

01:25:34,390 --> 01:25:31,840

so as to keep constant eyes on the

1954

01:25:37,110 --> 01:25:34,400

safety of flight procedures

1955

01:25:39,270 --> 01:25:37,120

but what about the ufo what about near

1956

01:25:40,070 --> 01:25:39,280

misses where ufos and passenger

1957

01:25:43,189 --> 01:25:40,080

airplanes were

1958

01:25:45,270 --> 01:25:43,199

involved these near misses have occurred

1959

01:25:47,189 --> 01:25:45,280

and when the pilot takes evasive action

1960

01:25:50,790 --> 01:25:47,199

passengers have been injured

1961

01:25:53,430 --> 01:25:50,800

this we know to be fact ufos are

1962

01:25:56,470 --> 01:25:53,440

conveniently ignored by all

1963

01:25:59,669 --> 01:25:56,480

this is the faa interpretation

1964

01:26:03,270 --> 01:25:59,679

air traffic controllers are just that

1965

01:26:05,830 --> 01:26:03,280

not ufo traffic controllers ufos are

1966

01:26:07,910 --> 01:26:05,840

ignored in the faa procedures

1967

01:26:10,149 --> 01:26:07,920

even though it can now be proven that

1968

01:26:12,470 --> 01:26:10,159

not only have near misses occurred

1969

01:26:15,510 --> 01:26:12,480

but that aircraft have been lost in the

1970

01:26:17,990 --> 01:26:15,520

powerful energy fields of the ufo

1971

01:26:20,550 --> 01:26:18,000

the ufo problem has not as yet been

1972

01:26:23,350 --> 01:26:20,560

permitted to be properly studied

1973

01:26:25,510 --> 01:26:23,360

truly is this expensive and complex

1974

01:26:28,470 --> 01:26:25,520

world air traffic control system

1975

01:26:29,350 --> 01:26:28,480

really adequate the evidence now

1976

01:26:32,070 --> 01:26:29,360

indicates that

1977

01:26:33,990 --> 01:26:32,080

not only the military but also the civil

1978

01:26:36,149 --> 01:26:34,000

bureaus of world governments

1979

01:26:38,310 --> 01:26:36,159

have been engaged in an incredible and

1980

01:26:40,790 --> 01:26:38,320

deep cover-up of the real menace

1981

01:26:41,430 --> 01:26:40,800

of the stepped-up ufo invasion of their

1982

01:26:44,070 --> 01:26:41,440

target

1983

01:26:46,390 --> 01:26:44,080

earth the police departments of the

1984

01:26:47,590 --> 01:26:46,400

world are helpless before the kidnappers

1985

01:26:51,110 --> 01:26:47,600

of the ufo

1986

01:26:54,950 --> 01:26:51,120

this too we now know to be fact

1987

01:26:57,510 --> 01:26:54,960

how is this non-feasence possible

1988

01:27:00,149 --> 01:26:57,520

this is joe harrell he runs the flight

1989

01:27:02,709 --> 01:27:00,159

control center near seattle washington

1990

01:27:04,550 --> 01:27:02,719

his job is to run it and train air

1991

01:27:06,470 --> 01:27:04,560

traffic controllers

1992

01:27:08,470 --> 01:27:06,480

what we wish to point out now by a

1993

01:27:10,709 --> 01:27:08,480

question is how extremely

1994

01:27:11,910 --> 01:27:10,719

expensive governmental bureaucracy is

1995

01:27:14,629 --> 01:27:11,920

able to ignore

1996

01:27:17,030 --> 01:27:14,639

an obvious peril to world citizens by

1997

01:27:19,350 --> 01:27:17,040

simply non-admission of the existence of

1998

01:27:20,250 --> 01:27:19,360

this mind-boggling problem

1999

01:27:22,390 --> 01:27:20,260

to my knowledge

2000

01:27:25,030 --> 01:27:22,400

[Music]

2001

01:27:25,910 --> 01:27:25,040

ufos are not included in any of the

2002

01:27:28,629 --> 01:27:25,920

training programs

2003

01:27:31,030 --> 01:27:28,639

we would of course provide instructions

2004

01:27:33,750 --> 01:27:31,040

to our supervisors on how to handle

2005

01:27:35,830 --> 01:27:33,760

reports of ufos but it is not included

2006

01:27:37,350 --> 01:27:35,840

in the training of a controller

2007

01:27:39,030 --> 01:27:37,360

so i suppose the only way in which it

2008

01:27:42,390 --> 01:27:39,040

would be included would be in and

2009

01:27:45,590 --> 01:27:42,400

i assume you admonish these people to be

2010

01:27:46,070 --> 01:27:45,600

aware of any unusual circumstance that's

2011

01:27:50,629 --> 01:27:46,080

right

2012

01:27:52,950 --> 01:27:50,639

and and uh and make the pilots aware

2013

01:27:53,750 --> 01:27:52,960

of what they're aware of and to this

2014

01:27:56,310 --> 01:27:53,760

extent

2015

01:27:57,990 --> 01:27:56,320

it would would be included but for

2016

01:28:02,310 --> 01:27:58,000

specific procedures

2017

01:28:05,430 --> 01:28:02,320

no after 60 odd billion dollars

2018

01:28:08,550 --> 01:28:05,440

spent for manned space flight by nasa

2019

01:28:11,270 --> 01:28:08,560

it has been determined that man is truly

2020

01:28:13,830 --> 01:28:11,280

confined to this earth

2021

01:28:14,629 --> 01:28:13,840

the incredible secret concealed from the

2022

01:28:17,030 --> 01:28:14,639

tax paying

2023

01:28:18,950 --> 01:28:17,040

public by both nasa and its

2024

01:28:22,149 --> 01:28:18,960

congressional masters

2025

01:28:25,910 --> 01:28:22,159

is that man cannot participate

2026

01:28:28,229 --> 01:28:25,920

in long space expeditions

2027

01:28:29,750 --> 01:28:28,239

nasa has scientifically verified and

2028

01:28:32,070 --> 01:28:29,760

kept very quiet

2029

01:28:34,149 --> 01:28:32,080

the fact that the unstoppable cosmic

2030

01:28:35,189 --> 01:28:34,159

rays to which every astronaut has been

2031

01:28:38,390 --> 01:28:35,199

exposed

2032

01:28:42,310 --> 01:28:38,400

destroys brain cells at the rate of one

2033

01:28:44,229 --> 01:28:42,320

percent every four months

2034

01:28:46,149 --> 01:28:44,239

since the neurons of the adult human

2035

01:28:48,310 --> 01:28:46,159

brain do not reproduce

2036

01:28:50,229 --> 01:28:48,320

a space expedition represents

2037

01:28:52,950 --> 01:28:50,239

irreparable brain damage

2038

01:28:54,950 --> 01:28:52,960

and would reduce the crew to idiots in

2039

01:28:56,390 --> 01:28:54,960

even the eight years it would take to go

2040

01:29:00,709 --> 01:28:56,400

to the nearest sun

2041

01:29:03,110 --> 01:29:00,719

and return nasa claims that the 13

2042

01:29:05,830 --> 01:29:03,120

loss of neurons would equal the brain

2043

01:29:08,229 --> 01:29:05,840

damage sustained by an alcoholic

2044

01:29:10,629 --> 01:29:08,239

but nasa does not allow for increased

2045

01:29:13,910 --> 01:29:10,639

intensity of cosmic ray bombardment

2046

01:29:17,030 --> 01:29:13,920

as the astronaut moves in space

2047

01:29:17,590 --> 01:29:17,040

nasa must now admit that man cannot

2048

01:29:20,709 --> 01:29:17,600

travel

2049

01:29:21,750 --> 01:29:20,719

far in space because of significant

2050

01:29:25,030 --> 01:29:21,760

brain damage

2051
01:29:27,270 --> 01:29:25,040
which he will undergo the main building

2052
01:29:30,070 --> 01:29:27,280
of a graduate university of advanced

2053
01:29:31,189 --> 01:29:30,080
study in switzerland near basil is dos

2054
01:29:33,590 --> 01:29:31,199
gottianum

2055
01:29:35,189 --> 01:29:33,600
acclaimed by architectural students and

2056
01:29:37,430 --> 01:29:35,199
professional architects

2057
01:29:39,110 --> 01:29:37,440
as being a spaceship of striking

2058
01:29:41,310 --> 01:29:39,120
originality

2059
01:29:42,550 --> 01:29:41,320
das gotienem was founded in the early

2060
01:29:45,430 --> 01:29:42,560
1900s

2061
01:29:47,590 --> 01:29:45,440
by dr rudolf steiner whose philosophy of

2062
01:29:49,750 --> 01:29:47,600
science deals with the influence of

2063
01:29:53,189 --> 01:29:49,760

alien cosmic intelligences

2064

01:29:55,910 --> 01:29:53,199

on the human mind dr steiner was a

2065

01:29:58,390 --> 01:29:55,920

highly trained scientist and clairvoyant

2066

01:29:59,430 --> 01:29:58,400

who could see to a higher etheric energy

2067

01:30:02,229 --> 01:29:59,440

dimension

2068

01:30:03,669 --> 01:30:02,239

he could see a view of cosmic reality

2069

01:30:06,870 --> 01:30:03,679

which is denied to

2070

01:30:09,510 --> 01:30:06,880

normal human vision in some six

2071

01:30:10,709 --> 01:30:09,520

thousand lectures attended by the best

2072

01:30:12,870 --> 01:30:10,719

minds of europe

2073

01:30:14,550 --> 01:30:12,880

he made his observations known to those

2074

01:30:15,750 --> 01:30:14,560

who would profit from this higher

2075

01:30:21,189 --> 01:30:15,760

knowledge

2076

01:30:24,229 --> 01:30:21,199

this information is now available

2077

01:30:25,590 --> 01:30:24,239

knowledge the key to the secrets of the

2078

01:30:27,910 --> 01:30:25,600

universe

2079

01:30:28,870 --> 01:30:27,920

man's pursuit of the mystery surrounding

2080

01:30:31,750 --> 01:30:28,880

the ufo

2081

01:30:33,270 --> 01:30:31,760

and the aetherians continues and

2082

01:30:34,550 --> 01:30:33,280

although many books have been written

2083

01:30:36,870 --> 01:30:34,560

about the subject

2084

01:30:38,390 --> 01:30:36,880

the best available information is

2085

01:30:40,629 --> 01:30:38,400

speculation

2086

01:30:43,510 --> 01:30:40,639

so what we have offered you is best

2087

01:30:46,790 --> 01:30:43,520

available speculation

2088

01:30:50,149 --> 01:30:46,800

two questions first

2089

01:30:52,950 --> 01:30:50,159

who are the ethereums

2090

01:30:54,149 --> 01:30:52,960

notwithstanding their similarity to man

2091

01:30:57,030 --> 01:30:54,159

the etherion's body

2092

01:30:58,470 --> 01:30:57,040

is different from man's they live in

2093

01:31:00,830 --> 01:30:58,480

their own dimension

2094

01:31:02,149 --> 01:31:00,840

so we see only their servants the

2095

01:31:04,470 --> 01:31:02,159

humanoids

2096

01:31:06,070 --> 01:31:04,480

the ethereal overlords of the ufo have

2097

01:31:09,189 --> 01:31:06,080

thinking minds

2098

01:31:11,270 --> 01:31:09,199

feelings and emotions like we do they

2099

01:31:12,790 --> 01:31:11,280

have a strong sense of will and a strong

2100

01:31:15,030 --> 01:31:12,800

sense of purpose

2101
01:31:16,950 --> 01:31:15,040
and they live in their own dimension so

2102
01:31:18,310 --> 01:31:16,960
they can't set foot in our material

2103
01:31:23,030 --> 01:31:18,320
world according to dr

2104
01:31:26,149 --> 01:31:23,040
steiner next why are they here

2105
01:31:28,070 --> 01:31:26,159
why are they interested in earth humans

2106
01:31:30,390 --> 01:31:28,080
maybe we are doing something here on

2107
01:31:32,950 --> 01:31:30,400
earth that is disturbing their world

2108
01:31:34,310 --> 01:31:32,960
their dimension maybe we are doing

2109
01:31:35,669 --> 01:31:34,320
something here on earth that is

2110
01:31:38,790 --> 01:31:35,679
upsetting the balance

2111
01:31:40,070 --> 01:31:38,800
of the universe ufos have been seen for

2112
01:31:42,470 --> 01:31:40,080
centuries

2113
01:31:43,750 --> 01:31:42,480

is this recent stepped-up activity over

2114

01:31:46,070 --> 01:31:43,760

the last 30 years

2115

01:31:47,510 --> 01:31:46,080

due to some recent disturbances within

2116

01:31:49,830 --> 01:31:47,520

our dimension

2117

01:31:51,350 --> 01:31:49,840

maybe we have sent giant shock waves

2118

01:31:54,550 --> 01:31:51,360

throughout the universe

2119

01:31:56,390 --> 01:31:54,560

and the etherians are here on earth

2120

01:31:58,470 --> 01:31:56,400

trying to find out what they can do

2121

01:32:00,149 --> 01:31:58,480

about this intrusion

2122

01:32:01,990 --> 01:32:00,159

one thing could well be the high
