

# SOMEWHERE IN THE SKIES

UFO HAPPY HOUR  
≡ VOLUME SIX ≡

1  
00:00:00,000 --> 00:00:09,589

[Music]

2  
00:00:14,910 --> 00:00:10,070

this

3  
00:00:30,070 --> 00:00:17,540

spread

4  
00:00:36,069 --> 00:00:33,430

all right guys welcome to a very

5  
00:00:36,790 --> 00:00:36,079  
special episode of somewhere in the

6  
00:00:39,750 --> 00:00:36,800

skies

7  
00:00:40,389 --> 00:00:39,760

a voice you haven't heard in quite some

8  
00:00:43,110 --> 00:00:40,399

time

9  
00:00:44,069 --> 00:00:43,120  
so without further ado you know what

10  
00:00:47,190 --> 00:00:44,079

time it is it is

11  
00:00:50,389 --> 00:00:47,200  
ufo happy hour and with me today is

12  
00:00:52,709 --> 00:00:50,399  
the one the only rob christopherson

13  
00:00:54,069 --> 00:00:52,719

of the our strange skies podcast which

14

00:00:57,350 --> 00:00:54,079

is back welcome rob

15

00:00:58,069 --> 00:00:57,360

thanks man holy god it's so weird doing

16

00:00:59,990 --> 00:00:58,079

these again

17

00:01:01,750 --> 00:01:00,000

it's like you know you you talk to

18

00:01:02,389 --> 00:01:01,760

people you're talking about ufos and

19

00:01:04,549 --> 00:01:02,399

you're like

20

00:01:05,670 --> 00:01:04,559

you swore you were never gonna talk

21

00:01:09,190 --> 00:01:05,680

about them again

22

00:01:11,350 --> 00:01:09,200

and then they somehow like shoot down

23

00:01:14,230 --> 00:01:11,360

that tractor beam into my

24

00:01:15,910 --> 00:01:14,240

brain cavity and i'm back here talking

25

00:01:18,149 --> 00:01:15,920

about them again

26

00:01:20,310 --> 00:01:18,159

we got you back no you're so right man

27

00:01:23,350 --> 00:01:20,320

this is a field of study that

28

00:01:24,870 --> 00:01:23,360

um pushes you away and and draws you

29

00:01:26,630 --> 00:01:24,880

back in it's one of the most toxic

30

00:01:29,270 --> 00:01:26,640

relationships you'll ever have

31

00:01:29,910 --> 00:01:29,280

i can guarantee you that much but god is

32

00:01:33,190 --> 00:01:29,920

it man

33

00:01:34,630 --> 00:01:33,200

my god it's just you come across some

34

00:01:37,190 --> 00:01:34,640

stuff that you don't wanna

35

00:01:38,310 --> 00:01:37,200

you know even acknowledge exists within

36

00:01:42,230 --> 00:01:38,320

this community

37

00:01:44,230 --> 00:01:42,240

and then uh yeah it somehow manages to

38

00:01:45,830 --> 00:01:44,240

just be like but why haven't we solved

39

00:01:49,270 --> 00:01:45,840

this damn thing yet come on

40

00:01:51,510 --> 00:01:49,280

right it is it's frustrating and um

41

00:01:53,510 --> 00:01:51,520

you know i think the last time we spoke

42

00:01:55,510 --> 00:01:53,520

was when you came on to do our

43

00:01:57,190 --> 00:01:55,520

our unsolved mystery special which is

44

00:01:59,510 --> 00:01:57,200

still one of the most downloaded

45

00:02:00,550 --> 00:01:59,520

uh two-parter things i've done in a long

46

00:02:03,590 --> 00:02:00,560

time so

47

00:02:05,270 --> 00:02:03,600

i think that was right around when you

48

00:02:06,870 --> 00:02:05,280

took your break so i love

49

00:02:08,309 --> 00:02:06,880

you know before we start here with what

50

00:02:09,669 --> 00:02:08,319

we're going to be talking about tonight

51  
00:02:13,270 --> 00:02:09,679  
and that's going to be

52  
00:02:15,910 --> 00:02:13,280  
new york ufos which i'm so happy about

53  
00:02:17,830 --> 00:02:15,920  
what what made you come back with our

54  
00:02:18,790 --> 00:02:17,840  
strange skies and maybe tell us a little

55  
00:02:20,790 --> 00:02:18,800  
about your return

56  
00:02:22,309 --> 00:02:20,800  
your your first episode back if you

57  
00:02:26,309 --> 00:02:22,319  
don't mind yeah

58  
00:02:29,510 --> 00:02:26,319  
um it just seemed like i kept getting

59  
00:02:32,630 --> 00:02:29,520  
messages after i shut down and i i'd

60  
00:02:34,150 --> 00:02:32,640  
been shut down for four five

61  
00:02:35,830 --> 00:02:34,160  
six months somewhere around there and i

62  
00:02:37,190 --> 00:02:35,840  
just kept getting these messages and

63  
00:02:38,949 --> 00:02:37,200

people just kept

64  
00:02:41,509 --> 00:02:38,959  
you know commenting and be like you know

65  
00:02:43,750 --> 00:02:41,519  
we miss you and and we hope you're doing

66  
00:02:47,589 --> 00:02:43,760  
good and and all this stuff and

67  
00:02:47,990 --> 00:02:47,599  
uh with ufos you just kind of catch the

68  
00:02:51,830 --> 00:02:48,000  
bug

69  
00:02:53,589 --> 00:02:51,840  
you ride a wave whether it's

70  
00:02:55,430 --> 00:02:53,599  
on a certain case whether it's on a

71  
00:02:59,670 --> 00:02:55,440  
certain theory whether

72  
00:03:02,790 --> 00:02:59,680  
it's uh stimulated by a book you

73  
00:03:04,229 --> 00:03:02,800  
are captured by this subject and if

74  
00:03:07,990 --> 00:03:04,239  
you're not it's just not

75  
00:03:11,270 --> 00:03:08,000  
meant for you but driven by

76

00:03:14,550 --> 00:03:11,280

that by um i i get nostalgic

77

00:03:15,670 --> 00:03:14,560

for ufos for some reason and i don't

78

00:03:18,270 --> 00:03:15,680

really

79

00:03:19,589 --> 00:03:18,280

know what that is maybe it's like some

80

00:03:22,390 --> 00:03:19,599

romanticized

81

00:03:23,509 --> 00:03:22,400

thing that i have in my head that uh

82

00:03:26,229 --> 00:03:23,519

some

83

00:03:26,869 --> 00:03:26,239

intelligence in in this universe and

84

00:03:29,350 --> 00:03:26,879

this

85

00:03:31,030 --> 00:03:29,360

wherever the hell they come from they

86

00:03:32,149 --> 00:03:31,040

have this knack for wanting to

87

00:03:34,949 --> 00:03:32,159

communicate with

88

00:03:37,350 --> 00:03:34,959

people they do it incredibly terribly or

89

00:03:41,430 --> 00:03:37,360

incredibly vague ways

90

00:03:44,470 --> 00:03:41,440

and they leave us with mystery so

91

00:03:48,869 --> 00:03:44,480

armed with that um

92

00:03:51,830 --> 00:03:48,879

i came back i was right before

93

00:03:53,110 --> 00:03:51,840

uh new year's eve and uh uh new year's

94

00:03:55,110 --> 00:03:53,120

is kind of uh

95

00:03:57,589 --> 00:03:55,120

an anniversary for us because that's

96

00:04:01,270 --> 00:03:57,599

when we dropped the first episode

97

00:04:02,070 --> 00:04:01,280

in 2017 and um i figured you know if

98

00:04:03,910 --> 00:04:02,080

you're gonna put them up

99

00:04:05,750 --> 00:04:03,920

why not commemorate it with an

100

00:04:07,750 --> 00:04:05,760

anniversary so

101  
00:04:08,869 --> 00:04:07,760  
put them back up and and then i got the

102  
00:04:12,470 --> 00:04:08,879  
itch to do

103  
00:04:15,030 --> 00:04:12,480  
new episodes and uh we just dropped

104  
00:04:15,750 --> 00:04:15,040  
one a few weeks ago i recorded it with

105  
00:04:18,069 --> 00:04:15,760  
uh

106  
00:04:18,949 --> 00:04:18,079  
rob and mark from the kryptonite podcast

107  
00:04:22,629 --> 00:04:18,959  
and

108  
00:04:25,909 --> 00:04:22,639  
uh it was on the mrv

109  
00:04:29,430 --> 00:04:25,919  
elf encounter of 1970

110  
00:04:32,469 --> 00:04:29,440  
this really strange uh ufo

111  
00:04:36,469 --> 00:04:32,479  
and humanoid encounter that these two

112  
00:04:39,510 --> 00:04:36,479  
skiers had in finland in 1970 and

113  
00:04:41,270 --> 00:04:39,520

just the strangeness that

114

00:04:42,550 --> 00:04:41,280  
of the entire experience and the

115

00:04:45,590 --> 00:04:42,560  
strangeness that

116

00:04:49,430 --> 00:04:45,600  
one of the uh original uh witnesses

117

00:04:51,990 --> 00:04:49,440  
reported after it and it is just

118

00:04:53,030 --> 00:04:52,000  
it's out there and like the uh the

119

00:04:55,189 --> 00:04:53,040  
episode

120

00:04:56,629 --> 00:04:55,199  
it'll have you laughing quite a bit

121

00:04:59,830 --> 00:04:56,639  
you're gonna get

122

00:05:00,950 --> 00:04:59,840  
some of the uh the narrative elements

123

00:05:04,070 --> 00:05:00,960  
that i have in

124

00:05:07,029 --> 00:05:04,080  
in the solo episodes that i do and then

125

00:05:07,909 --> 00:05:07,039  
you're gonna you're gonna laugh and um

126

00:05:09,909 --> 00:05:07,919

there's a lot of

127

00:05:11,990 --> 00:05:09,919

statements i didn't think i'd be saying

128

00:05:14,469 --> 00:05:12,000

on an episode like that but you know

129

00:05:15,110 --> 00:05:14,479

that happens from time to time yeah yes

130

00:05:17,350 --> 00:05:15,120

it does

131

00:05:19,749 --> 00:05:17,360

absolutely man what a hell of a way to

132

00:05:23,029 --> 00:05:19,759

come back to with such a weird

133

00:05:24,790 --> 00:05:23,039

weird strange case so um again i

134

00:05:26,310 --> 00:05:24,800

i think i speak for a lot of my

135

00:05:28,870 --> 00:05:26,320

listeners and uh

136

00:05:30,469 --> 00:05:28,880

many people out there we're so happy to

137

00:05:33,029 --> 00:05:30,479

have you back it's a

138

00:05:34,710 --> 00:05:33,039

interesting time for ufos heading into

139

00:05:37,189 --> 00:05:34,720

this new year with

140

00:05:37,749 --> 00:05:37,199

everything going on with the uap task

141

00:05:40,950 --> 00:05:37,759

force

142

00:05:43,510 --> 00:05:40,960

and uh you know this bill or this this

143

00:05:45,510 --> 00:05:43,520

request within this bill about

144

00:05:46,870 --> 00:05:45,520

making the findings public and maybe

145

00:05:47,189 --> 00:05:46,880

i'll get your thoughts on that a little

146

00:05:49,510 --> 00:05:47,199

bit

147

00:05:51,029 --> 00:05:49,520

later but um like i said we're here

148

00:05:53,350 --> 00:05:51,039

today to talk about

149

00:05:54,070 --> 00:05:53,360

new york ufos both you and i live in new

150

00:05:57,270 --> 00:05:54,080

york state

151  
00:05:57,590 --> 00:05:57,280  
um i grew up pretty close to where you

152  
00:06:01,430 --> 00:05:57,600  
are

153  
00:06:03,350 --> 00:06:01,440  
actually and um we have the the go-to's

154  
00:06:06,309 --> 00:06:03,360  
in new york you know whitley strieber

155  
00:06:07,830 --> 00:06:06,319  
we've got the uh linda napolitano

156  
00:06:10,710 --> 00:06:07,840  
brooklyn bridge incident

157  
00:06:11,990 --> 00:06:10,720  
which a lot of people know about um the

158  
00:06:14,870 --> 00:06:12,000  
hudson valley wave

159  
00:06:16,629 --> 00:06:14,880  
obviously but i remember you and i kind

160  
00:06:17,830 --> 00:06:16,639  
of sitting down and racking our brains

161  
00:06:20,710 --> 00:06:17,840  
being like what else

162  
00:06:22,790 --> 00:06:20,720  
can we deliver to the world of ufos here

163  
00:06:25,670 --> 00:06:22,800

in new york state and it's hard man

164

00:06:27,670 --> 00:06:25,680

it's hard to find anything that's worth

165

00:06:30,150 --> 00:06:27,680

really talking about and you know

166

00:06:32,710 --> 00:06:30,160

that's not just some lights in the sky

167

00:06:35,670 --> 00:06:32,720

and lo and behold i knew you would do it

168

00:06:37,990 --> 00:06:35,680

you brought three unique cases to the

169

00:06:40,550 --> 00:06:38,000

table i've got a couple as well

170

00:06:41,270 --> 00:06:40,560

so we're gonna run through those tonight

171

00:06:44,309 --> 00:06:41,280

um

172

00:06:45,430 --> 00:06:44,319

but yeah how was it digging up new york

173

00:06:48,870 --> 00:06:45,440

stories

174

00:06:51,670 --> 00:06:48,880

are these

175

00:06:54,390 --> 00:06:51,680

blog posts that have like emerged in the

176  
00:06:56,870 --> 00:06:54,400  
last few years and it always

177  
00:06:57,430 --> 00:06:56,880  
starts with something like such and such

178  
00:07:00,870 --> 00:06:57,440  
state

179  
00:07:03,749 --> 00:07:00,880  
uh accounts for so many ufo sightings or

180  
00:07:04,710 --> 00:07:03,759  
this state uh has had so many more ufo

181  
00:07:07,430 --> 00:07:04,720  
sightings this year

182  
00:07:09,830 --> 00:07:07,440  
and things like that and like reported

183  
00:07:13,189 --> 00:07:09,840  
cases and cases that are just like

184  
00:07:16,550 --> 00:07:13,199  
talked about in new york are very

185  
00:07:18,469 --> 00:07:16,560  
little very infrequent a lot of the

186  
00:07:19,749 --> 00:07:18,479  
the the cases that i'm you know bringing

187  
00:07:22,629 --> 00:07:19,759  
to the table are all

188  
00:07:24,710 --> 00:07:22,639

old they're from the 50s and the 60s but

189

00:07:27,830 --> 00:07:24,720

uh they were significant

190

00:07:28,230 --> 00:07:27,840

during their time especially in the 50s

191

00:07:31,029 --> 00:07:28,240

when

192

00:07:32,870 --> 00:07:31,039

donald kehoe was kind of the guy really

193

00:07:35,909 --> 00:07:32,880

putting ufos

194

00:07:38,950 --> 00:07:35,919

in the mainstream and like trying to

195

00:07:41,670 --> 00:07:38,960

combat ufo secrecy and like

196

00:07:42,550 --> 00:07:41,680

you can see a lot of a lot of activists

197

00:07:44,550 --> 00:07:42,560

these days

198

00:07:46,309 --> 00:07:44,560

you can see the the donald keyhole in

199

00:07:47,189 --> 00:07:46,319

them which i can appreciate to a certain

200

00:07:50,629 --> 00:07:47,199

extent

201

00:07:53,270 --> 00:07:50,639

uh but man new york just doesn't

202

00:07:54,790 --> 00:07:53,280

there aren't enough cases that uh are

203

00:07:55,749 --> 00:07:54,800

known and people need to know these

204

00:07:58,150 --> 00:07:55,759

cases you know

205

00:07:59,430 --> 00:07:58,160

yeah and why do you think that is i mean

206

00:08:01,909 --> 00:07:59,440

for me i

207

00:08:03,510 --> 00:08:01,919

i go to the whole idea of like yeah

208

00:08:05,189 --> 00:08:03,520

there's a ton of light pollution at

209

00:08:06,950 --> 00:08:05,199

least here in new york city

210

00:08:09,029 --> 00:08:06,960

so you don't hear a lot of cases out of

211

00:08:11,350 --> 00:08:09,039

new york city specifically

212

00:08:13,990 --> 00:08:11,360

um unless it's a misidentification at

213

00:08:14,950 --> 00:08:14,000

our our airports i mean you throw up at

214

00:08:16,550 --> 00:08:14,960

one of those

215

00:08:18,230 --> 00:08:16,560

apps where you can see every flight

216

00:08:21,110 --> 00:08:18,240

above you here dude and it's

217

00:08:22,469 --> 00:08:21,120

insane it's like raining airplanes left

218

00:08:24,150 --> 00:08:22,479

yeah right but um

219

00:08:25,670 --> 00:08:24,160

and like you said a lot of these cases

220

00:08:27,350 --> 00:08:25,680

seems to be from

221

00:08:28,869 --> 00:08:27,360

from decades ago the two i'm bringing

222

00:08:32,149 --> 00:08:28,879

forth are in the

223

00:08:34,149 --> 00:08:32,159

60s and 80s as well but um is it

224

00:08:35,909 --> 00:08:34,159

that is it the fact that there's not a

225

00:08:38,469 --> 00:08:35,919

lot of researchers

226

00:08:39,990 --> 00:08:38,479

here on the east coast even you know a

227

00:08:43,430 --> 00:08:40,000

lot of the people are always out

228

00:08:46,230 --> 00:08:43,440

west or um you know down south or in the

229

00:08:47,910 --> 00:08:46,240

the midwest or philadelphia but you

230

00:08:49,030 --> 00:08:47,920

don't hear a lot of people coming out of

231

00:08:51,990 --> 00:08:49,040

new york

232

00:08:53,269 --> 00:08:52,000

no you don't uh and i think a lot of

233

00:08:55,190 --> 00:08:53,279

that is just

234

00:08:56,630 --> 00:08:55,200

i think the area has to do with it and

235

00:08:59,750 --> 00:08:56,640

like new york is just

236

00:09:02,870 --> 00:08:59,760

one of the most light polluted states

237

00:09:03,670 --> 00:09:02,880

there is uh i am fortunate and live in

238

00:09:06,790 --> 00:09:03,680

one of the

239

00:09:08,790 --> 00:09:06,800

you know least like polluted areas we in

240

00:09:11,350 --> 00:09:08,800

the adirondack park is

241

00:09:13,590 --> 00:09:11,360

one of the best places to you know look

242

00:09:15,430 --> 00:09:13,600

up at the stars because they're really

243

00:09:17,190 --> 00:09:15,440

you're you're pretty well isolated you

244

00:09:18,949 --> 00:09:17,200

don't have a lot of big cities around

245

00:09:21,509 --> 00:09:18,959

here and if you do

246

00:09:23,670 --> 00:09:21,519

they're generally less than a hundred

247

00:09:25,990 --> 00:09:23,680

thousand people that live there so

248

00:09:27,430 --> 00:09:26,000

i figure there should be more ufo

249

00:09:27,829 --> 00:09:27,440

sightings coming from the adirondacks

250

00:09:31,110 --> 00:09:27,839

but

251  
00:09:31,430 --> 00:09:31,120  
uh unfortunately there aren't yeah which

252  
00:09:34,710 --> 00:09:31,440  
is

253  
00:09:38,150 --> 00:09:34,720  
unfortunate but you know uh i definitely

254  
00:09:41,190 --> 00:09:38,160  
just think that uh the the research is

255  
00:09:44,070 --> 00:09:41,200  
not being done i don't think that uh

256  
00:09:44,790 --> 00:09:44,080  
the investigations are really happening

257  
00:09:47,750 --> 00:09:44,800  
here which

258  
00:09:48,550 --> 00:09:47,760  
you know i can kind of understand and uh

259  
00:09:51,670 --> 00:09:48,560  
to be

260  
00:09:54,230 --> 00:09:51,680  
completely honest i don't think like

261  
00:09:56,310 --> 00:09:54,240  
some agencies are doing their their

262  
00:09:58,870 --> 00:09:56,320  
their best to do it and

263  
00:09:59,910 --> 00:09:58,880

that's because it's a they're volunteer

264

00:10:01,910 --> 00:09:59,920

agencies you know

265

00:10:03,990 --> 00:10:01,920

they they do what they can uh with their

266

00:10:07,430 --> 00:10:04,000

spare time but um

267

00:10:08,710 --> 00:10:07,440

the dedicated investigators

268

00:10:11,670 --> 00:10:08,720

and we've talked about this before

269

00:10:14,389 --> 00:10:11,680

they're not there anymore and

270

00:10:15,750 --> 00:10:14,399

it's i think it largely has to do with

271

00:10:17,829 --> 00:10:15,760

the fact that

272

00:10:18,870 --> 00:10:17,839

those investigators kind of made a

273

00:10:21,030 --> 00:10:18,880

living

274

00:10:23,590 --> 00:10:21,040

reporting on these things and and

275

00:10:24,150 --> 00:10:23,600

submitting these stories to ufo journals

276

00:10:30,069 --> 00:10:24,160

and

277

00:10:33,110 --> 00:10:30,079

stuff of the time but uh we don't

278

00:10:36,389 --> 00:10:33,120

really have that anymore so yeah

279

00:10:37,670 --> 00:10:36,399

they the days of um you're right all

280

00:10:40,790 --> 00:10:37,680

these like

281

00:10:43,110 --> 00:10:40,800

uh diamond nickel ufo

282

00:10:44,790 --> 00:10:43,120

magazines that came out with the

283

00:10:47,030 --> 00:10:44,800

weirdest stories

284

00:10:47,990 --> 00:10:47,040

we don't have him anymore i mean god

285

00:10:49,910 --> 00:10:48,000

this is awesome

286

00:10:53,590 --> 00:10:49,920

this is something we could bring up then

287

00:10:55,910 --> 00:10:53,600

um the weekly world news is coming back

288

00:10:57,110 --> 00:10:55,920

yes isn't that awesome they did a

289

00:10:59,990 --> 00:10:57,120

kickstarter

290

00:11:01,990 --> 00:11:00,000

and they like they reached their goal in

291

00:11:03,750 --> 00:11:02,000

i think like 24 hours

292

00:11:05,190 --> 00:11:03,760

so we're gonna get more batboy we're

293

00:11:07,509 --> 00:11:05,200

gonna get more um

294

00:11:10,630 --> 00:11:07,519

you know i'm pregnant with bill

295

00:11:13,509 --> 00:11:10,640

clinton's alien human hybrid baby

296

00:11:14,630 --> 00:11:13,519

i can't wait man so i think you're right

297

00:11:17,430 --> 00:11:14,640

i think those days

298

00:11:18,310 --> 00:11:17,440

of like the john keels going all over

299

00:11:20,790 --> 00:11:18,320

the country

300

00:11:21,509 --> 00:11:20,800

and in meeting and investigating and

301  
00:11:24,630 --> 00:11:21,519  
writing for

302  
00:11:25,269 --> 00:11:24,640  
pulp magazines or or playboy or what

303  
00:11:27,670 --> 00:11:25,279  
have you

304  
00:11:29,509 --> 00:11:27,680  
um they're kind of over we live in a

305  
00:11:31,670 --> 00:11:29,519  
whole new digital world

306  
00:11:32,710 --> 00:11:31,680  
where um that's just not what's

307  
00:11:35,190 --> 00:11:32,720  
happening but

308  
00:11:36,389 --> 00:11:35,200  
let's let's stay on the positive side

309  
00:11:38,550 --> 00:11:36,399  
let's highlight

310  
00:11:40,069 --> 00:11:38,560  
these awesome stories that we did find

311  
00:11:41,670 --> 00:11:40,079  
about new york ufos

312  
00:11:45,269 --> 00:11:41,680  
do you want to go first whichever one

313  
00:11:51,590 --> 00:11:48,389

the walesville new york ufo incident

314

00:11:53,350 --> 00:11:51,600

one of the most infamous cases uh new

315

00:11:56,470 --> 00:11:53,360

york cases that uh

316

00:11:59,670 --> 00:11:56,480

was a highlight for

317

00:12:03,430 --> 00:11:59,680

donald kehoe and in the blue book files

318

00:12:06,550 --> 00:12:03,440

it happened on july 1st 1954 uh between

319

00:12:09,590 --> 00:12:06,560

the hours of six and 10 p.m

320

00:12:12,069 --> 00:12:09,600

the calls started coming into

321

00:12:13,190 --> 00:12:12,079

rome new york's military depot and rome

322

00:12:15,430 --> 00:12:13,200

new york is

323

00:12:16,710 --> 00:12:15,440

uh it's in central new york it's it's

324

00:12:21,030 --> 00:12:16,720

not too far from where

325

00:12:23,750 --> 00:12:21,040

you grew up so um uh and it was alleged

326

00:12:26,069 --> 00:12:23,760

that over a thousand calls were made

327

00:12:30,389 --> 00:12:26,079

that night to the utica press

328

00:12:32,790 --> 00:12:30,399

as well and uh people were reporting

329

00:12:33,990 --> 00:12:32,800

a strange object they compared it to

330

00:12:37,190 --> 00:12:34,000

like a silvery

331

00:12:38,389 --> 00:12:37,200

like illuminated golf ball and it was

332

00:12:42,069 --> 00:12:38,399

flying over

333

00:12:44,389 --> 00:12:42,079

central new york for about four hours

334

00:12:46,310 --> 00:12:44,399

and you know aside from the numerous

335

00:12:48,629 --> 00:12:46,320

eyewitnesses that saw this on the ground

336

00:12:50,470 --> 00:12:48,639

uh back in the day there was an airline

337

00:12:53,750 --> 00:12:50,480

company called mohawk airlines

338

00:12:54,470 --> 00:12:53,760

and right i remember yeah they you know

339

00:12:57,269 --> 00:12:54,480

flew

340

00:12:58,870 --> 00:12:57,279

uh mostly within the state but uh there

341

00:13:02,629 --> 00:12:58,880

was one pilot that noted

342

00:13:05,670 --> 00:13:02,639

at 20 000 feet he saw just an extremely

343

00:13:07,030 --> 00:13:05,680

bright object that was uh flying not far

344

00:13:09,110 --> 00:13:07,040

from his plane

345

00:13:11,030 --> 00:13:09,120

but what's interesting and what was

346

00:13:12,629 --> 00:13:11,040

reported in the blue book files is that

347

00:13:15,829 --> 00:13:12,639

the officer in charge

348

00:13:18,230 --> 00:13:15,839

at uh griffis air force base which uh

349

00:13:19,110 --> 00:13:18,240

back in the day is one was one of the

350

00:13:23,110 --> 00:13:19,120

most

351

00:13:25,030 --> 00:13:23,120

active bases in new york state um

352

00:13:26,230 --> 00:13:25,040

they said that it in their files it was

353

00:13:29,430 --> 00:13:26,240

a balloon

354

00:13:32,230 --> 00:13:29,440

but the officer in charge said

355

00:13:33,670 --> 00:13:32,240

that if the object returned the next day

356

00:13:37,509 --> 00:13:33,680

that he would send out

357

00:13:41,030 --> 00:13:37,519

a plane to investigate it so

358

00:13:43,750 --> 00:13:41,040

on july 2nd the next day at about 11 00

359

00:13:45,110 --> 00:13:43,760

in the morning the air force scrambles

360

00:13:48,389 --> 00:13:45,120

an f-94

361

00:13:50,949 --> 00:13:48,399

c starfire jet it's piloted by

362

00:13:52,710 --> 00:13:50,959

lieutenant william e atkins and

363

00:13:56,069 --> 00:13:52,720

lieutenant henry f

364

00:13:56,550 --> 00:13:56,079

cowden and soon after takeoff and it

365

00:13:59,269 --> 00:13:56,560

wasn't

366

00:14:01,430 --> 00:13:59,279

exactly clear as to why they were

367

00:14:04,870 --> 00:14:01,440

dispatched in the first place

368

00:14:07,990 --> 00:14:04,880

they were sent to intercept

369

00:14:09,910 --> 00:14:08,000

um a target at about 10 000 feet and

370

00:14:12,710 --> 00:14:09,920

when they arrived at the location

371

00:14:16,150 --> 00:14:12,720

what they claimed is that they saw a

372

00:14:19,110 --> 00:14:16,160

douglas c-47 military transport plane

373

00:14:20,470 --> 00:14:19,120

and then they were sent allegedly sent

374

00:14:21,590 --> 00:14:20,480

back at least that's what the files

375

00:14:25,590 --> 00:14:21,600

initially said

376

00:14:29,110 --> 00:14:25,600

but what the pilot claimed

377

00:14:30,150 --> 00:14:29,120

was that they were sent to go look at

378

00:14:31,910 --> 00:14:30,160

another target

379

00:14:34,550 --> 00:14:31,920

and they were claiming that this target

380

00:14:35,350 --> 00:14:34,560

was a ufo they didn't know exactly what

381

00:14:37,990 --> 00:14:35,360

it was

382

00:14:39,990 --> 00:14:38,000

but as they went to investigate this

383

00:14:43,110 --> 00:14:40,000

second target

384

00:14:47,829 --> 00:14:43,120

their cockpit immediately started to

385

00:14:50,310 --> 00:14:47,839

get hotter and there was a

386

00:14:51,829 --> 00:14:50,320

a sensor that went off claiming that

387

00:14:56,310 --> 00:14:51,839

there was a fire in the cabin

388

00:15:00,629 --> 00:14:56,320

so the two men atkins and cowden

389

00:15:03,350 --> 00:15:00,639

ended up abandoning their plane and

390

00:15:05,350 --> 00:15:03,360

it crashed into the town of walesville

391

00:15:08,790 --> 00:15:05,360

and it killed four people in the process

392

00:15:09,430 --> 00:15:08,800

a man named uh yeah a man named stanley

393

00:15:11,350 --> 00:15:09,440

phillips

394

00:15:12,870 --> 00:15:11,360

his wife florence and their son gary

395

00:15:13,829 --> 00:15:12,880

they were actually just sitting in their

396

00:15:17,030 --> 00:15:13,839

car

397

00:15:20,790 --> 00:15:17,040

uh when they uh when the plane came down

398

00:15:22,870 --> 00:15:20,800

and there was a woman miss doris monroe

399

00:15:24,829 --> 00:15:22,880

who was inside her home and was killed

400

00:15:29,110 --> 00:15:24,839

at the time

401  
00:15:34,069 --> 00:15:29,120  
so yeah it's it's

402  
00:15:37,430 --> 00:15:34,079  
the story gets legs the next day when

403  
00:15:40,949 --> 00:15:37,440  
atkins starts making claims that

404  
00:15:44,710 --> 00:15:40,959  
um what was being reported

405  
00:15:48,310 --> 00:15:44,720  
uh was not actually what

406  
00:15:51,269 --> 00:15:48,320  
had happened and he maintains that

407  
00:15:52,949 --> 00:15:51,279  
they noticed a silvery colored object in

408  
00:15:55,509 --> 00:15:52,959  
the air

409  
00:15:57,670 --> 00:15:55,519  
it's unclear that there's like so

410  
00:15:59,430 --> 00:15:57,680  
much muddying in this account because

411  
00:16:02,150 --> 00:15:59,440  
they're saying oh well they went and

412  
00:16:04,629 --> 00:16:02,160  
they investigated this c47

413  
00:16:06,389 --> 00:16:04,639

and then they were just sent back while

414

00:16:09,910 --> 00:16:06,399

he's saying that well we were

415

00:16:11,990 --> 00:16:09,920

spent sent to investigate a ufo

416

00:16:13,670 --> 00:16:12,000

okay so you've got that discrepancy

417

00:16:16,389 --> 00:16:13,680

there but um

418

00:16:17,110 --> 00:16:16,399

when they investigated the plane they

419

00:16:20,870 --> 00:16:17,120

found that

420

00:16:23,030 --> 00:16:20,880

um the the military claimed that it was

421

00:16:26,389 --> 00:16:23,040

caused by a faulty

422

00:16:27,269 --> 00:16:26,399

fire detector circuit but when they

423

00:16:29,350 --> 00:16:27,279

examined

424

00:16:30,870 --> 00:16:29,360

the plane it didn't seem to be

425

00:16:33,269 --> 00:16:30,880

malfunctioning at all

426  
00:16:35,990 --> 00:16:33,279  
there was no evidence of smoke or oil in

427  
00:16:38,790 --> 00:16:36,000  
the cockpit anywhere um

428  
00:16:39,590 --> 00:16:38,800  
and then they started to blame the pilot

429  
00:16:41,829 --> 00:16:39,600  
at that point

430  
00:16:42,790 --> 00:16:41,839  
and saying that he didn't recognize a

431  
00:16:44,629 --> 00:16:42,800  
normal

432  
00:16:46,550 --> 00:16:44,639  
change of temperature in the cockpit

433  
00:16:47,430 --> 00:16:46,560  
which just it screams to me

434  
00:16:49,990 --> 00:16:47,440  
because like

435  
00:16:52,069 --> 00:16:50,000  
a fire sensor is not going to go off for

436  
00:16:53,430 --> 00:16:52,079  
just like a sudden change like that that

437  
00:16:57,110 --> 00:16:53,440  
just seems

438  
00:16:58,389 --> 00:16:57,120

really dumb but the the military just

439

00:17:01,509 --> 00:16:58,399

kept muddying up

440

00:17:03,189 --> 00:17:01,519

the waters here and they were just

441

00:17:05,029 --> 00:17:03,199

saying oh well when the plane turned

442

00:17:07,429 --> 00:17:05,039

around you know that's when this manufa

443

00:17:08,949 --> 00:17:07,439

this malfunction just started to happen

444

00:17:12,549 --> 00:17:08,959

uh there's just so much

445

00:17:14,789 --> 00:17:12,559

confusion around this case and um

446

00:17:15,909 --> 00:17:14,799

the air force just kind of just kept

447

00:17:19,270 --> 00:17:15,919

changing its mind

448

00:17:21,189 --> 00:17:19,280

as to what they wanted to and label it

449

00:17:23,270 --> 00:17:21,199

as but um

450

00:17:24,789 --> 00:17:23,280

to me you don't scramble a jet fighter

451  
00:17:27,110 --> 00:17:24,799  
to investigate

452  
00:17:28,630 --> 00:17:27,120  
a military transport plane right like

453  
00:17:29,830 --> 00:17:28,640  
that just doesn't that doesn't make

454  
00:17:33,590 --> 00:17:29,840  
sense to me but

455  
00:17:35,430 --> 00:17:33,600  
it just seemed like the military did

456  
00:17:36,549 --> 00:17:35,440  
their best to downplay whatever the heck

457  
00:17:40,870 --> 00:17:36,559  
this was

458  
00:17:43,750 --> 00:17:40,880  
and then uh in the process

459  
00:17:46,230 --> 00:17:43,760  
four people were killed it's just a it's

460  
00:17:49,830 --> 00:17:46,240  
a crazy crazy case and it was one that

461  
00:17:50,390 --> 00:17:49,840  
you know donald kehoe cited as like a

462  
00:17:53,430 --> 00:17:50,400  
major

463  
00:17:56,470 --> 00:17:53,440

cover-up in the blue book files and

464

00:17:58,310 --> 00:17:56,480

and for the air force at large yeah and

465

00:18:02,230 --> 00:17:58,320

you know kehoe was all about

466

00:18:05,750 --> 00:18:02,240

the you know the cover-up and um i mean

467

00:18:08,310 --> 00:18:05,760

again when four people die from a

468

00:18:09,590 --> 00:18:08,320

you know a possibly malfunctioning plane

469

00:18:11,909 --> 00:18:09,600

from a ufo

470

00:18:12,950 --> 00:18:11,919

uh that that screams yeah there's gonna

471

00:18:15,590 --> 00:18:12,960

be a cover-up

472

00:18:15,990 --> 00:18:15,600

i i hope those families were at least

473

00:18:19,190 --> 00:18:16,000

you know

474

00:18:21,909 --> 00:18:19,200

compensated or something for all of this

475

00:18:23,350 --> 00:18:21,919

but um can you think of any cases rob

476

00:18:25,029 --> 00:18:23,360

i'm trying to think off the top of my

477

00:18:28,549 --> 00:18:25,039

head where like

478

00:18:30,950 --> 00:18:28,559

something like this happened there was a

479

00:18:33,270 --> 00:18:30,960

we hear about instrumentation failing

480

00:18:34,390 --> 00:18:33,280

you know all the time with ufo cases and

481

00:18:36,710 --> 00:18:34,400

pilots but

482

00:18:37,669 --> 00:18:36,720

like literally heating up the cockpit

483

00:18:40,950 --> 00:18:37,679

and like

484

00:18:45,029 --> 00:18:40,960

trying to bake these guys from within

485

00:18:47,590 --> 00:18:45,039

it's crazy yeah it's not something

486

00:18:48,150 --> 00:18:47,600

often reported there are instances you

487

00:18:51,350 --> 00:18:48,160

know where

488

00:18:52,230 --> 00:18:51,360

ufos allegedly uh you know cause certain

489

00:18:56,230 --> 00:18:52,240

effects like the

490

00:18:57,110 --> 00:18:56,240

coin helicopter case the ufo at least

491

00:18:59,270 --> 00:18:57,120

according to

492

00:19:01,430 --> 00:18:59,280

you know coin and the other members of

493

00:19:04,630 --> 00:19:01,440

the crew allegedly you know that

494

00:19:07,029 --> 00:19:04,640

thing that ufo moved their plane

495

00:19:07,990 --> 00:19:07,039

up like like 2 000 feet or something

496

00:19:11,350 --> 00:19:08,000

like that it was

497

00:19:13,830 --> 00:19:11,360

it was kind of crazy um

498

00:19:16,070 --> 00:19:13,840

there are those strange instances where

499

00:19:18,789 --> 00:19:16,080

it just seems like ufos mess with

500

00:19:21,110 --> 00:19:18,799

the instrumentation and uh in the

501

00:19:24,070 --> 00:19:21,120

cockpit of some planes but

502

00:19:25,510 --> 00:19:24,080

nothing like this right the the one

503

00:19:27,350 --> 00:19:25,520

that's covered about for me is the

504

00:19:29,750 --> 00:19:27,360

carlos de los santos case

505

00:19:31,190 --> 00:19:29,760

where they the ufo little literally like

506

00:19:33,190 --> 00:19:31,200

crashed into his plane

507

00:19:34,710 --> 00:19:33,200

and then was kind of like oh we

508

00:19:37,590 --> 00:19:34,720

gotta help him

509

00:19:39,510 --> 00:19:37,600

like help guide him to safety after that

510

00:19:42,549 --> 00:19:39,520

i love hearing when they

511

00:19:44,710 --> 00:19:42,559

you know when the aliens or the

512

00:19:45,590 --> 00:19:44,720

intelligence be on the ufo messes up and

513

00:19:48,470 --> 00:19:45,600

then

514

00:19:49,909 --> 00:19:48,480

has to self-correct and help after that

515

00:19:50,870 --> 00:19:49,919

it's always great to hear things like

516

00:19:53,430 --> 00:19:50,880

that

517

00:19:54,789 --> 00:19:53,440

yeah and you know and sometimes it's a

518

00:19:57,909 --> 00:19:54,799

travis walton

519

00:19:59,029 --> 00:19:57,919

kind of case where you stupidly got out

520

00:20:01,510 --> 00:19:59,039

of a truck and you got

521

00:20:03,029 --> 00:20:01,520

shot with a beam of light and allegedly

522

00:20:04,710 --> 00:20:03,039

those aliens were just trying to fix you

523

00:20:07,430 --> 00:20:04,720

and you got confrontational buddy

524

00:20:09,350 --> 00:20:07,440

you got a little confrontation that's

525

00:20:11,430 --> 00:20:09,360

the redneck coming out that's his fault

526  
00:20:13,270 --> 00:20:11,440  
you know that is completely his fault he

527  
00:20:16,310 --> 00:20:13,280  
would say the same damn thing

528  
00:20:18,070 --> 00:20:16,320  
yeah wasn't he a boxer too from whatever

529  
00:20:20,230 --> 00:20:18,080  
yeah he was a scrapper yeah he was

530  
00:20:23,270 --> 00:20:20,240  
definitely a scrapper back in the day

531  
00:20:24,630 --> 00:20:23,280  
travis walton uh before the ufo

532  
00:20:26,310 --> 00:20:24,640  
experience uh

533  
00:20:27,990 --> 00:20:26,320  
definitely a little more daring than i

534  
00:20:31,750 --> 00:20:28,000  
think he was after it

535  
00:20:32,310 --> 00:20:31,760  
yeah absolutely uh for sure man well hey

536  
00:20:35,590 --> 00:20:32,320  
that's

537  
00:20:37,590 --> 00:20:35,600  
dying um

538  
00:20:38,789 --> 00:20:37,600

let me try to lighten things up maybe a

539

00:20:44,070 --> 00:20:38,799

little bit

540

00:20:51,190 --> 00:20:47,190

the cherry creek new york ufo landing

541

00:20:53,350 --> 00:20:51,200

this happened back in august of uh 1965

542

00:20:55,669 --> 00:20:53,360

it was investigated by nycap

543

00:20:56,390 --> 00:20:55,679

uh state police and the local air force

544

00:20:59,669 --> 00:20:56,400

base

545

00:21:02,310 --> 00:20:59,679

um so this occurred uh

546

00:21:03,669 --> 00:21:02,320

near the william butcher dairy farm near

547

00:21:05,750 --> 00:21:03,679

cherry creek new york

548

00:21:06,870 --> 00:21:05,760

and it involved three members of the

549

00:21:08,950 --> 00:21:06,880

butcher family

550

00:21:11,029 --> 00:21:08,960

and a fourth witness and i'm just gonna

551  
00:21:14,070 --> 00:21:11,039  
read a little from the report here

552  
00:21:17,510 --> 00:21:14,080  
um so at 8 20 p.m

553  
00:21:19,430 --> 00:21:17,520  
on august 19th harold butcher 16 was

554  
00:21:22,710 --> 00:21:19,440  
operating a milking machine

555  
00:21:24,710 --> 00:21:22,720  
in a dairy barn housing 17 cows

556  
00:21:26,549 --> 00:21:24,720  
there was a portable radio on the wall

557  
00:21:29,510 --> 00:21:26,559  
that was turned to a newscast

558  
00:21:30,630 --> 00:21:29,520  
and all of a sudden this static like

559  
00:21:33,430 --> 00:21:30,640  
interference

560  
00:21:35,750 --> 00:21:33,440  
drowned everything out and the tr

561  
00:21:38,950 --> 00:21:35,760  
tractor which ran the milking machine

562  
00:21:42,149 --> 00:21:38,960  
abruptly stopped and a moment later

563  
00:21:44,710 --> 00:21:42,159

a holstein bowl secured outside

564

00:21:45,830 --> 00:21:44,720

began to bellow and pull at a steel bar

565

00:21:48,230 --> 00:21:45,840

to which it was

566

00:21:49,350 --> 00:21:48,240

chained to so there's a lot of

567

00:21:52,070 --> 00:21:49,360

going on

568

00:21:53,669 --> 00:21:52,080

for this young butcher boy and um he

569

00:21:57,110 --> 00:21:53,679

runs to a window

570

00:21:58,070 --> 00:21:57,120

and he sees a large elliptical object

571

00:22:00,789 --> 00:21:58,080

near the ground

572

00:22:01,350 --> 00:22:00,799

a fourth of a mile away and there is a

573

00:22:03,750 --> 00:22:01,360

reddish

574

00:22:05,590 --> 00:22:03,760

vapor that could be seen underneath this

575

00:22:09,750 --> 00:22:05,600

thing and he heard a steady

576  
00:22:13,190 --> 00:22:09,760  
beep beep beep sort of sound and the ufo

577  
00:22:14,789 --> 00:22:13,200  
as well coin it uh was on the ground

578  
00:22:16,549 --> 00:22:14,799  
only for a few seconds

579  
00:22:19,270 --> 00:22:16,559  
then it shot straight up and it

580  
00:22:21,669 --> 00:22:19,280  
disappeared into the clouds um

581  
00:22:23,350 --> 00:22:21,679  
so when the other witnesses came out

582  
00:22:25,990 --> 00:22:23,360  
after harold butcher

583  
00:22:28,070 --> 00:22:26,000  
um told them was yelling and screaming

584  
00:22:30,630 --> 00:22:28,080  
they noticed a strange odor

585  
00:22:32,470 --> 00:22:30,640  
and also a greenish glow in the clouds

586  
00:22:35,110 --> 00:22:32,480  
where the ufo had vanished

587  
00:22:36,710 --> 00:22:35,120  
so meantime it was found that the bull

588  
00:22:39,990 --> 00:22:36,720

had bent the steel bar

589

00:22:43,110 --> 00:22:40,000

in an effort to get loose so half an

590

00:22:46,549 --> 00:22:43,120

hour later when uh the

591

00:22:47,430 --> 00:22:46,559

craft reappeared actually it starts

592

00:22:50,710 --> 00:22:47,440

circling

593

00:22:51,909 --> 00:22:50,720

the dairy farm so mrs butcher she calls

594

00:22:54,390 --> 00:22:51,919

the state police

595

00:22:56,710 --> 00:22:54,400

and two troopers come they investigate

596

00:22:59,750 --> 00:22:56,720

they notify the local air force

597

00:23:02,070 --> 00:22:59,760

so then the next day after the um the

598

00:23:04,390 --> 00:23:02,080

ufo that was circling like left again

599

00:23:07,669 --> 00:23:04,400

the next day captain james dorsey

600

00:23:10,630 --> 00:23:07,679

operations officer he arrived

601  
00:23:11,750 --> 00:23:10,640  
with technicians and uh they examined

602  
00:23:14,870 --> 00:23:11,760  
the ground

603  
00:23:15,669 --> 00:23:14,880  
and they found an odd purplish liquid

604  
00:23:18,630 --> 00:23:15,679  
substance

605  
00:23:21,029 --> 00:23:18,640  
that was discovered at several places

606  
00:23:22,549 --> 00:23:21,039  
small unexplained marks two inches wide

607  
00:23:25,110 --> 00:23:22,559  
two inches apart

608  
00:23:26,310 --> 00:23:25,120  
were also found and along with patches

609  
00:23:30,070 --> 00:23:26,320  
of singed

610  
00:23:32,470 --> 00:23:30,080  
grass and foliage so after the air force

611  
00:23:35,110 --> 00:23:32,480  
team left nycap members showed up and

612  
00:23:37,669 --> 00:23:35,120  
they obtained samples of this substance

613  
00:23:38,950 --> 00:23:37,679

and they were studied at a local

614

00:23:42,070 --> 00:23:38,960

chemical place

615

00:23:43,830 --> 00:23:42,080

and um using spectrographic analysis

616

00:23:45,669 --> 00:23:43,840

it showed that the main elements of the

617

00:23:48,630 --> 00:23:45,679

liquid to be aluminum

618

00:23:51,110 --> 00:23:48,640

iron and silicon uh some phosphor

619

00:23:53,110 --> 00:23:51,120

phosphorus was found in the weed samples

620

00:23:56,149 --> 00:23:53,120

which the analyst said might cause a

621

00:23:58,549 --> 00:23:56,159

phosphate smell explaining the odor

622

00:24:00,310 --> 00:23:58,559

okay so on the night following the

623

00:24:02,630 --> 00:24:00,320

cherry creek incident state trooper

624

00:24:03,990 --> 00:24:02,640

richard ward a few miles from this area

625

00:24:06,950 --> 00:24:04,000

he watched an object with

626  
00:24:08,789 --> 00:24:06,960  
eight circular lights in line flying

627  
00:24:11,350 --> 00:24:08,799  
twice as fast as a jet

628  
00:24:13,029 --> 00:24:11,360  
it emitted a faint unfamiliar purring

629  
00:24:15,830 --> 00:24:13,039  
sound

630  
00:24:17,990 --> 00:24:15,840  
and then john maxwell of the nycap new

631  
00:24:19,830 --> 00:24:18,000  
york subcommittee

632  
00:24:21,990 --> 00:24:19,840  
he carefully checked the cherry creek

633  
00:24:23,029 --> 00:24:22,000  
site and questioned the witnesses and on

634  
00:24:26,149 --> 00:24:23,039  
the basin's

635  
00:24:27,909 --> 00:24:26,159  
basis of present evidence they believed

636  
00:24:29,590 --> 00:24:27,919  
this entire thing to be completely

637  
00:24:30,630 --> 00:24:29,600  
genuine it wasn't a hoax they weren't

638  
00:24:33,990 --> 00:24:30,640

making it up

639

00:24:37,669 --> 00:24:34,000

they didn't misidentify something um

640

00:24:40,070 --> 00:24:37,679

and uh yeah this is pretty crazy man the

641

00:24:43,430 --> 00:24:40,080

animal reactions during this whole thing

642

00:24:45,029 --> 00:24:43,440

um were really interesting um

643

00:24:46,630 --> 00:24:45,039

the the people on the farm said they'd

644

00:24:50,070 --> 00:24:46,640

never seen any of the animals

645

00:24:53,269 --> 00:24:50,080

act like this before um oh this

646

00:24:54,149 --> 00:24:53,279

this too after the object that circled

647

00:24:57,029 --> 00:24:54,159

the dairy farm

648

00:24:57,590 --> 00:24:57,039

after it disappeared out of sight um it

649

00:25:00,710 --> 00:24:57,600

actually

650

00:25:02,149 --> 00:25:00,720

left a sonic boom so whatever it was

651

00:25:05,190 --> 00:25:02,159

that thing was like what

652

00:25:08,310 --> 00:25:05,200

mock yeah three five i don't know

653

00:25:10,070 --> 00:25:08,320

um pretty pretty crazy and then also

654

00:25:12,950 --> 00:25:10,080

physiological effects

655

00:25:14,070 --> 00:25:12,960

the kid who first saw it harold him and

656

00:25:16,870 --> 00:25:14,080

his younger sister

657

00:25:18,789 --> 00:25:16,880

after this whole event they had uh

658

00:25:21,590 --> 00:25:18,799

really upset stomachs

659

00:25:22,470 --> 00:25:21,600

and the cows now this is the most

660

00:25:24,710 --> 00:25:22,480

important part

661

00:25:25,909 --> 00:25:24,720

the cows were giving less than normal

662

00:25:29,590 --> 00:25:25,919

amounts of milk

663

00:25:32,149 --> 00:25:29,600

after being milked so oh man

664

00:25:32,630 --> 00:25:32,159

i don't know man what what is going on

665

00:25:34,870 --> 00:25:32,640

here

666

00:25:37,510 --> 00:25:34,880

you know it's making people sick it's

667

00:25:40,630 --> 00:25:37,520

got sonic booms it's a

668

00:25:43,110 --> 00:25:40,640

light emanating out of it um and

669

00:25:44,070 --> 00:25:43,120

the cows ain't milking like they used to

670

00:25:47,190 --> 00:25:44,080

so

671

00:25:50,630 --> 00:25:47,200

yeah that is the cherry creek landing of

672

00:25:53,750 --> 00:25:50,640

uh 1965.

673

00:25:57,350 --> 00:25:53,760

that's uh damn uh who

674

00:26:00,149 --> 00:25:57,360

is on the exopla political

675

00:26:02,549 --> 00:26:00,159

lawyer that we can get you know in touch

676  
00:26:04,390 --> 00:26:02,559  
to get some compensation for these cows

677  
00:26:06,230 --> 00:26:04,400  
that aren't putting out as much milk as

678  
00:26:08,710 --> 00:26:06,240  
they used to be that's a problem

679  
00:26:09,269 --> 00:26:08,720  
that's a problem i think we got a phone

680  
00:26:11,909 --> 00:26:09,279  
uh

681  
00:26:13,669 --> 00:26:11,919  
either stephen bassett or danny sheehan

682  
00:26:16,950 --> 00:26:13,679  
i think is one of the leaders right

683  
00:26:19,669 --> 00:26:16,960  
yeah yeah get them on the case

684  
00:26:21,510 --> 00:26:19,679  
um well i hope the dairy farm is doing

685  
00:26:23,190 --> 00:26:21,520  
okay if it's still around um

686  
00:26:25,110 --> 00:26:23,200  
god if they're still around now that

687  
00:26:27,669 --> 00:26:25,120  
that'd be amazing um right

688  
00:26:28,470 --> 00:26:27,679

but yeah pretty interesting case a ufo

689

00:26:30,149 --> 00:26:28,480

landing

690

00:26:31,830 --> 00:26:30,159

in new york that i've never heard of

691

00:26:33,909 --> 00:26:31,840

before so yeah

692

00:26:35,990 --> 00:26:33,919

that's new to me man i had never heard

693

00:26:37,750 --> 00:26:36,000

of that one either and like

694

00:26:39,190 --> 00:26:37,760

that's just there's there's just like a

695

00:26:42,390 --> 00:26:39,200

lot of

696

00:26:45,750 --> 00:26:42,400

you know uh it's a it's a

697

00:26:47,830 --> 00:26:45,760

very fascinating ce2 case you got some

698

00:26:48,870 --> 00:26:47,840

physical evidence you got some animals

699

00:26:52,390 --> 00:26:48,880

just going nuts

700

00:26:52,950 --> 00:26:52,400

uh man that's uh that's the good stuff

701  
00:26:54,870 --> 00:26:52,960  
right there

702  
00:26:57,430 --> 00:26:54,880  
that's the good stuff yep that ain't no

703  
00:27:00,390 --> 00:26:57,440  
new york city that is the farmlands

704  
00:27:01,110 --> 00:27:00,400  
of central and or upstate new york for

705  
00:27:03,190 --> 00:27:01,120  
sure

706  
00:27:04,149 --> 00:27:03,200  
i mean where the where are the aliens

707  
00:27:07,029 --> 00:27:04,159  
gonna land

708  
00:27:08,390 --> 00:27:07,039  
in new york city like the the best that

709  
00:27:12,390 --> 00:27:08,400  
they could do

710  
00:27:14,710 --> 00:27:12,400  
is um north bergen new jersey in 1975

711  
00:27:15,669 --> 00:27:14,720  
george obarsky saw that thing he wasn't

712  
00:27:19,029 --> 00:27:15,679  
thrilled you know

713  
00:27:19,990 --> 00:27:19,039

oh my god yo oh yeah man i remember i

714

00:27:22,950 --> 00:27:20,000

think you brought that up

715

00:27:25,269 --> 00:27:22,960

in a yeah ufo happy hour that's a great

716

00:27:27,269 --> 00:27:25,279

case i'd highly suggest people go

717

00:27:28,310 --> 00:27:27,279

check that one out as well oh barski

718

00:27:30,310 --> 00:27:28,320

what a name

719

00:27:31,909 --> 00:27:30,320

i love i love it was that the one on the

720

00:27:35,110 --> 00:27:31,919

playground

721

00:27:38,549 --> 00:27:35,120

it was in it it was in this like a large

722

00:27:39,190 --> 00:27:38,559

park that um it's named after a boxer i

723

00:27:41,909 --> 00:27:39,200

can't remember

724

00:27:42,950 --> 00:27:41,919

his name but uh yeah it was like uh in

725

00:27:46,310 --> 00:27:42,960

this

726

00:27:49,909 --> 00:27:46,320

uh kind of like tree

727

00:27:51,830 --> 00:27:49,919

shaded section but like uh what became

728

00:27:53,990 --> 00:27:51,840

so fascinating about it is like

729

00:27:55,669 --> 00:27:54,000

not only did george obarsky see these 10

730

00:27:58,870 --> 00:27:55,679

aliens get out of this

731

00:28:00,710 --> 00:27:58,880

ufo and start collecting soil samples uh

732

00:28:02,149 --> 00:28:00,720

there were eye witnesses that were able

733

00:28:04,710 --> 00:28:02,159

to corroborate it from

734

00:28:05,269 --> 00:28:04,720

the apartment building across the street

735

00:28:08,870 --> 00:28:05,279

called the

736

00:28:15,510 --> 00:28:13,350

i i am it's kind of one of my

737

00:28:16,950 --> 00:28:15,520

like bucket list items to stay for a

738

00:28:18,149 --> 00:28:16,960

night in that apartment building because

739

00:28:21,190 --> 00:28:18,159

it looks really nice

740

00:28:23,029 --> 00:28:21,200

yeah it's got really great views and uh

741

00:28:24,310 --> 00:28:23,039

you know why wouldn't you want to stay

742

00:28:27,029 --> 00:28:24,320

in an apartment building

743

00:28:28,070 --> 00:28:27,039

that had a notorious ufo incident happen

744

00:28:31,350 --> 00:28:28,080

across the street

745

00:28:33,669 --> 00:28:31,360

i mean exactly

746

00:28:35,830 --> 00:28:33,679

i guess hey it's never it's never too

747

00:28:37,350 --> 00:28:35,840

late to move man the prices here in new

748

00:28:38,710 --> 00:28:37,360

york are insane so

749

00:28:40,710 --> 00:28:38,720

maybe i'll have to make it over there

750

00:28:43,110 --> 00:28:40,720

myself but um

751

00:28:45,510 --> 00:28:43,120

i guess let's move on to this next one

752

00:28:48,070 --> 00:28:45,520

you got for us this is a ufo pursuit

753

00:28:51,110 --> 00:28:48,080

case right

754

00:28:54,669 --> 00:28:51,120

the raymond ryan ufo pursuit

755

00:28:58,149 --> 00:28:54,679

two years after my first one on april 8

756

00:29:01,190 --> 00:28:58,159

1956 at 10 15 p.m

757

00:29:04,870 --> 00:29:01,200

american airlines flight 775

758

00:29:07,350 --> 00:29:04,880

departed albany heading for buffalo um

759

00:29:08,389 --> 00:29:07,360

when the plane reached schenectady uh

760

00:29:11,190 --> 00:29:08,399

captain raymond d

761

00:29:11,990 --> 00:29:11,200

ryan and first officer william neff

762

00:29:14,470 --> 00:29:12,000

spotted this

763

00:29:16,230 --> 00:29:14,480

white light it was a couple of miles

764

00:29:19,190 --> 00:29:16,240

away from their position but

765

00:29:20,230 --> 00:29:19,200

they decided to change course to avoid

766

00:29:24,230 --> 00:29:20,240

you know

767

00:29:26,950 --> 00:29:24,240

an in-air collision and when they did

768

00:29:29,510 --> 00:29:26,960

this light immediately turned 90 degrees

769

00:29:31,510 --> 00:29:29,520

and headed straight for their airliner

770

00:29:33,110 --> 00:29:31,520

at speeds that they guessed was about

771

00:29:40,310 --> 00:29:33,120

900 miles an hour

772

00:29:42,710 --> 00:29:40,320

it was uh it was booking it

773

00:29:43,909 --> 00:29:42,720

hey guys ryan sprague here and whether

774

00:29:46,870 --> 00:29:43,919

i'm researching

775

00:29:48,470 --> 00:29:46,880

working on the podcast or sky watching

776

00:29:51,669 --> 00:29:48,480

for my roof late at night

777

00:29:53,990 --> 00:29:51,679

i need something to keep me awake alert

778

00:29:55,029 --> 00:29:54,000

814

remember keep your feet on the ground

815

00:31:21,190 --> 00:31:18,080

but never

816

00:31:24,710 --> 00:31:21,200

stop searching or drinking somewhere in

817

00:31:30,070 --> 00:31:27,669

ryan radioed into griffis air force base

818

00:31:31,909 --> 00:31:30,080

to report this object which

819

00:31:34,470 --> 00:31:31,919

they confirmed to be tracking on radar

820

00:31:38,149 --> 00:31:34,480

at the time uh and in response

821

00:31:41,350 --> 00:31:38,159

they scrambled two jets um but

822

00:31:42,389 --> 00:31:41,360

what's interesting here is that griffis

823

00:31:46,630 --> 00:31:42,399

air force base

824

00:31:50,470 --> 00:31:46,640

said change course pursue this thing

825

00:31:51,110 --> 00:31:50,480

and um ryan was uh ryan was there for it

826

00:31:53,909 --> 00:31:51,120

so

827

00:31:54,950 --> 00:31:53,919

he immediately changed course and he

828

00:31:58,549 --> 00:31:54,960

kept up with it

829

00:32:02,230 --> 00:31:58,559

as best as he could uh he he pursued it

830

00:32:03,909 --> 00:32:02,240

up until lake ontario um at which point

831

00:32:05,669 --> 00:32:03,919

he actually turned back around and

832

00:32:08,710 --> 00:32:05,679

headed for syracuse

833

00:32:12,070 --> 00:32:08,720

but when he ultimately landed

834

00:32:14,310 --> 00:32:12,080

in buffalo uh ryan and neff reported

835

00:32:18,149 --> 00:32:14,320

their story to the buffalo evening news

836

00:32:21,190 --> 00:32:18,159

who ran it in the papers on april 10th

837

00:32:22,870 --> 00:32:21,200

so donald kehoe pursued this story

838

00:32:25,909 --> 00:32:22,880

and when he got his hands on the

839

00:32:28,310 --> 00:32:25,919

official civil aviation authority report

840

00:32:30,789 --> 00:32:28,320

it told a much different story it stated

841

00:32:33,269 --> 00:32:30,799

that ryan did see a mysterious light but

842

00:32:36,230 --> 00:32:33,279

that he hadn't actually changed course

843

00:32:38,230 --> 00:32:36,240

and pursued the object um ryan himself

844

00:32:42,789 --> 00:32:38,240

recanted his story not long after

845

00:32:43,590 --> 00:32:42,799

but on april 16 1956 he appeared on the

846

00:32:46,149 --> 00:32:43,600

toronto

847

00:32:49,590 --> 00:32:46,159

talk show called meet the millers in

848

00:32:52,789 --> 00:32:49,600

which he attested to griffis's orders

849

00:32:54,310 --> 00:32:52,799

to pursue saying quote griffis asked us

850

00:32:55,830 --> 00:32:54,320

our next point of landing and to

851  
00:32:58,149 --> 00:32:55,840  
identify the aircraft

852  
00:32:59,190 --> 00:32:58,159  
i told them syracuse and identified the

853  
00:33:01,350 --> 00:32:59,200  
flight number

854  
00:33:02,470 --> 00:33:01,360  
they told us abandon that next landing

855  
00:33:04,389 --> 00:33:02,480  
temporarily

856  
00:33:07,669 --> 00:33:04,399  
maintain your course in altitude we're

857  
00:33:11,350 --> 00:33:07,679  
sending two jets to intercept the object

858  
00:33:13,669 --> 00:33:11,360  
despite this admission flight logs

859  
00:33:16,149 --> 00:33:13,679  
appeared to contradict ryan's words

860  
00:33:17,430 --> 00:33:16,159  
and kehoe cited this case as a major air

861  
00:33:20,549 --> 00:33:17,440  
force cover-up

862  
00:33:24,149 --> 00:33:20,559  
wow yeah yeah um

863  
00:33:26,950 --> 00:33:24,159

but i think you know

864

00:33:28,870 --> 00:33:26,960

ryan probably backed down because you

865

00:33:30,070 --> 00:33:28,880

know the civil aviation authority's

866

00:33:32,630 --> 00:33:30,080

gonna

867

00:33:34,789 --> 00:33:32,640

rule on this and say oh you're crazy you

868

00:33:36,710 --> 00:33:34,799

can't you can't fly anymore

869

00:33:38,870 --> 00:33:36,720

and stuff like that but this is another

870

00:33:39,909 --> 00:33:38,880

one of those big cases for nycat back in

871

00:33:43,590 --> 00:33:39,919

the day

872

00:33:47,590 --> 00:33:43,600

in which to try and stimulate

873

00:33:50,149 --> 00:33:47,600

the congressman to hold an

874

00:33:52,549 --> 00:33:50,159

official hearing about this this was one

875

00:33:55,669 --> 00:33:52,559

of the cases that they presented and

876

00:33:59,430 --> 00:33:55,679

claimed that it was a giant cover-up and

877

00:34:02,470 --> 00:33:59,440

you know very well could have been i

878

00:34:04,470 --> 00:34:02,480

i i don't doubt him it's just there's

879

00:34:06,870 --> 00:34:04,480

always in these cases from

880

00:34:08,710 --> 00:34:06,880

blue book history when something really

881

00:34:12,550 --> 00:34:08,720

strange happens

882

00:34:16,310 --> 00:34:12,560

it's always muddied up in the files like

883

00:34:18,310 --> 00:34:16,320

the cover-up is not denial it's

884

00:34:20,790 --> 00:34:18,320

let's just confuse the hell out of you

885

00:34:23,589 --> 00:34:20,800

right that's the easiest way to do it

886

00:34:25,430 --> 00:34:23,599

exactly yeah it seems to be a way to

887

00:34:26,230 --> 00:34:25,440

muddy the waters and get everyone on

888

00:34:28,869 --> 00:34:26,240

different

889

00:34:29,669 --> 00:34:28,879

pages and then yeah i mean you look at

890

00:34:33,589 --> 00:34:29,679

something like

891

00:34:33,990 --> 00:34:33,599

uh let's take this this story that came

892

00:34:36,790 --> 00:34:34,000

out

893

00:34:37,589 --> 00:34:36,800

maybe a month ago where uh john

894

00:34:40,149 --> 00:34:37,599

greenwald

895

00:34:42,389 --> 00:34:40,159

over at the black fault you know there

896

00:34:43,270 --> 00:34:42,399

was all these headlines that the cia had

897

00:34:46,470 --> 00:34:43,280

dumped all their

898

00:34:47,990 --> 00:34:46,480

files on ufos finally to the public when

899

00:34:49,750 --> 00:34:48,000

in reality no these

900

00:34:51,669 --> 00:34:49,760

had all been accessible for a really

901  
00:34:53,750 --> 00:34:51,679  
long time but

902  
00:34:55,750 --> 00:34:53,760  
what they did is the way that john

903  
00:34:57,430 --> 00:34:55,760  
originally got him they sent the dude a

904  
00:35:00,470 --> 00:34:57,440  
cd-rom

905  
00:35:03,750 --> 00:35:00,480  
and they made it as hard as possible

906  
00:35:06,790 --> 00:35:03,760  
to either read these files or uh

907  
00:35:10,230 --> 00:35:06,800  
you know just there was no way to really

908  
00:35:12,630 --> 00:35:10,240  
search through them like in in in any

909  
00:35:14,150 --> 00:35:12,640  
logical way so they would make it as

910  
00:35:17,109 --> 00:35:14,160  
hard as possible

911  
00:35:17,750 --> 00:35:17,119  
for people like john or ufo researchers

912  
00:35:20,069 --> 00:35:17,760  
to make

913  
00:35:20,870 --> 00:35:20,079

sense of any of these things so let's

914

00:35:23,190 --> 00:35:20,880

give john

915

00:35:24,870 --> 00:35:23,200

you know maybe a little ufo case here

916

00:35:27,270 --> 00:35:24,880

and then let's give them this

917

00:35:27,990 --> 00:35:27,280

thing we found a memo about missing coke

918

00:35:30,710 --> 00:35:28,000

bottles

919

00:35:31,510 --> 00:35:30,720

within one of the departments at the cia

920

00:35:33,349 --> 00:35:31,520

and if those

921

00:35:35,349 --> 00:35:33,359

coke bottles aren't returned we're going

922

00:35:37,829 --> 00:35:35,359

to get rid of the coke vending machine

923

00:35:38,390 --> 00:35:37,839

so like it's crazy man like they they

924

00:35:40,310 --> 00:35:38,400

just

925

00:35:42,150 --> 00:35:40,320

they gave him all of this stuff in hopes

926  
00:35:45,589 --> 00:35:42,160  
that he would kind of just give up on it

927  
00:35:47,829 --> 00:35:45,599  
but what does he do he literally scans

928  
00:35:50,950 --> 00:35:47,839  
every single file he got

929  
00:35:53,589 --> 00:35:50,960  
puts it into a searchable pdf format or

930  
00:35:55,510 --> 00:35:53,599  
of some kind and now you can say like i

931  
00:35:56,390 --> 00:35:55,520  
want to go to this year of the cia files

932  
00:35:58,550 --> 00:35:56,400  
here's everything

933  
00:35:59,589 --> 00:35:58,560  
i want to look for cylindrical objects

934  
00:36:01,589 --> 00:35:59,599  
here's everything

935  
00:36:04,150 --> 00:36:01,599  
so yeah man i think you're right i think

936  
00:36:06,310 --> 00:36:04,160  
um they will do anything they can

937  
00:36:08,470 --> 00:36:06,320  
to make the stories conflict for sure

938  
00:36:11,510 --> 00:36:08,480

and it seems in this case

939

00:36:13,270 --> 00:36:11,520

with a lot of these new york cases uh it

940

00:36:13,910 --> 00:36:13,280

all ties back to griffiths air force

941

00:36:17,750 --> 00:36:13,920

base

942

00:36:18,390 --> 00:36:17,760

right it's pretty crazy yeah which now

943

00:36:22,069 --> 00:36:18,400

is like

944

00:36:24,069 --> 00:36:22,079

uh it's a public airfield um it was uh

945

00:36:25,190 --> 00:36:24,079

it was shut down back in the mid 90s or

946

00:36:28,230 --> 00:36:25,200

whatever but uh

947

00:36:30,870 --> 00:36:28,240

yeah it's uh uh griffis seemed to be

948

00:36:33,430 --> 00:36:30,880

like the central hub that was tracking

949

00:36:35,030 --> 00:36:33,440

you know all air traffic within new york

950

00:36:37,349 --> 00:36:35,040

at the time and it was kind of in like

951  
00:36:39,430 --> 00:36:37,359  
the central location to do it because it

952  
00:36:40,870 --> 00:36:39,440  
like rome new york is basically you know

953  
00:36:41,990 --> 00:36:40,880  
smack dab right in the middle of new

954  
00:36:43,990 --> 00:36:42,000  
york which is

955  
00:36:45,349 --> 00:36:44,000  
you know as states go it's very

956  
00:36:48,630 --> 00:36:45,359  
strangely shaped but

957  
00:36:51,990 --> 00:36:48,640  
um it's uh

958  
00:36:53,430 --> 00:36:52,000  
you know it's uh they probably did a

959  
00:36:55,910 --> 00:36:53,440  
fair amount of uh

960  
00:36:57,109 --> 00:36:55,920  
tracking of ufos back in the day and

961  
00:37:00,230 --> 00:36:57,119  
down playing reports

962  
00:37:03,750 --> 00:37:00,240  
because uh there there are a number of

963  
00:37:05,430 --> 00:37:03,760

cases from new york uh in the blue book

964

00:37:08,710 --> 00:37:05,440

files that were marked as

965

00:37:10,550 --> 00:37:08,720

um uh unidentified so

966

00:37:12,470 --> 00:37:10,560

you know there's probably more gems in

967

00:37:15,430 --> 00:37:12,480

there if you can track down

968

00:37:17,430 --> 00:37:15,440

uh all the information yeah and if i'm

969

00:37:19,349 --> 00:37:17,440

not mistaken i think um

970

00:37:22,390 --> 00:37:19,359

you know a lot of people know about gary

971

00:37:25,430 --> 00:37:22,400

mckinnon the guy who hacked for ufo info

972

00:37:26,630 --> 00:37:25,440

um but the predecessor before before him

973

00:37:29,430 --> 00:37:26,640

another guy

974

00:37:30,870 --> 00:37:29,440

i think in wales uh matthew bevin when

975

00:37:33,430 --> 00:37:30,880

he was hacking into stuff

976

00:37:34,550 --> 00:37:33,440

trying to find ufo info like a decade

977

00:37:39,270 --> 00:37:34,560

before

978

00:37:41,589 --> 00:37:39,280

force base is one of the places that he

979

00:37:44,470 --> 00:37:41,599

hacked into and found stuff

980

00:37:45,750 --> 00:37:44,480

so something's going on man something is

981

00:37:49,589 --> 00:37:45,760

definitely going on

982

00:37:51,910 --> 00:37:49,599

um yep yeah for sure um cool well

983

00:37:53,670 --> 00:37:51,920

that that was that was a good one man

984

00:37:53,910 --> 00:37:53,680

i'm glad you were able to dig that one

985

00:37:57,270 --> 00:37:53,920

up

986

00:38:01,109 --> 00:37:57,280

um here's my next one and this

987

00:38:04,630 --> 00:38:01,119

is actually comes out of the book

988

00:38:05,510 --> 00:38:04,640

night siege uh by uh philip imbrogno bob

989

00:38:08,950 --> 00:38:05,520

pratt and

990

00:38:09,750 --> 00:38:08,960

of course famed j allen heineck uh about

991

00:38:12,230 --> 00:38:09,760

the famous

992

00:38:13,349 --> 00:38:12,240

like we mentioned hudson valley ufo wave

993

00:38:17,349 --> 00:38:13,359

but this happened

994

00:38:20,069 --> 00:38:17,359

um kind of right before or maybe in the

995

00:38:21,910 --> 00:38:20,079

middle of it

996

00:38:23,270 --> 00:38:21,920

the indian point nuclear reactor

997

00:38:25,589 --> 00:38:23,280

incident

998

00:38:26,390 --> 00:38:25,599

so there's this place called indian

999

00:38:29,990 --> 00:38:26,400

point

1000

00:38:33,109 --> 00:38:30,000

uh reactor it's a nuclear site

1001

00:38:37,670 --> 00:38:33,119

in um in new york and uh

1002

00:38:40,630 --> 00:38:37,680

this brings us back to 1984 on july 24th

1003

00:38:42,710 --> 00:38:40,640

indian point energy and uh it's a three

1004

00:38:45,589 --> 00:38:42,720

unit nuclear power plant station

1005

00:38:47,270 --> 00:38:45,599

there we go located in buchanan new york

1006

00:38:50,630 --> 00:38:47,280

right off the hudson river

1007

00:38:53,510 --> 00:38:50,640

and so on this night a security guard

1008

00:38:55,829 --> 00:38:53,520

he gets on the radio and he alerts the

1009

00:38:58,470 --> 00:38:55,839

other personnel that he had cited

1010

00:38:59,829 --> 00:38:58,480

something that looked like end quote ice

1011

00:39:03,030 --> 00:38:59,839

cream cone

1012

00:39:03,589 --> 00:39:03,040

over reactor 3 at the site which mind

1013

00:39:06,310 --> 00:39:03,599

you

1014

00:39:07,430 --> 00:39:06,320

was the only active reactor at the time

1015

00:39:09,510 --> 00:39:07,440

so of course

1016

00:39:11,349 --> 00:39:09,520

this is where a ufo is going to be cited

1017

00:39:14,230 --> 00:39:11,359

over the one active

1018

00:39:14,870 --> 00:39:14,240

reactor um so of course they're freaking

1019

00:39:17,030 --> 00:39:14,880

out

1020

00:39:18,069 --> 00:39:17,040

and uh he starts getting all the other

1021

00:39:19,829 --> 00:39:18,079

security

1022

00:39:21,430 --> 00:39:19,839

um on the line and saying has anyone

1023

00:39:24,230 --> 00:39:21,440

seen this anyone seen this and

1024

00:39:26,150 --> 00:39:24,240

another guy says that uh he did see it

1025

00:39:29,510 --> 00:39:26,160

but it looked boomerang shaped

1026

00:39:31,990 --> 00:39:29,520

to him and um this thing it's just

1027

00:39:33,109 --> 00:39:32,000

chilling like a 300 feet above this

1028

00:39:35,270 --> 00:39:33,119

reactor

1029

00:39:37,430 --> 00:39:35,280

and they said it was massive dude like

1030

00:39:40,069 --> 00:39:37,440

three football fields in length

1031

00:39:41,190 --> 00:39:40,079

and it was extremely bright very

1032

00:39:44,470 --> 00:39:41,200

blinding

1033

00:39:45,510 --> 00:39:44,480

and so eventually the thing disappears

1034

00:39:48,950 --> 00:39:45,520

out of sight

1035

00:39:50,630 --> 00:39:48,960

and the reactor it didn't seem to be

1036

00:39:52,230 --> 00:39:50,640

adversely affected by whatever this

1037

00:39:55,190 --> 00:39:52,240

thing was or anything but um

1038

00:39:56,230 --> 00:39:55,200

clearly there was a breach of security

1039

00:39:58,870 --> 00:39:56,240

so uh

1040

00:40:01,030 --> 00:39:58,880

the the main investigator on this

1041

00:40:02,069 --> 00:40:01,040

controversial ufo researcher philip and

1042

00:40:04,150 --> 00:40:02,079

brogno

1043

00:40:06,069 --> 00:40:04,160

um who would go on to investigate hudson

1044

00:40:08,829 --> 00:40:06,079

valley and everything he uh

1045

00:40:10,390 --> 00:40:08,839

he discovered that uh the reactor

1046

00:40:12,470 --> 00:40:10,400

services

1047

00:40:14,550 --> 00:40:12,480

local and state facilities including new

1048

00:40:16,950 --> 00:40:14,560

york city subway systems

1049

00:40:19,270 --> 00:40:16,960

trains and several military

1050

00:40:23,030 --> 00:40:19,280

installations around dutchess county

1051  
00:40:24,390 --> 00:40:23,040  
new york so um the the main company

1052  
00:40:27,750 --> 00:40:24,400  
overseeing all of this

1053  
00:40:31,270 --> 00:40:27,760  
in is the new york power authority

1054  
00:40:34,470 --> 00:40:31,280  
and supposedly uh they dissuaded

1055  
00:40:36,470 --> 00:40:34,480  
as imbrogno puts it dissuaded him to not

1056  
00:40:39,990 --> 00:40:36,480  
publicize this incident

1057  
00:40:42,550 --> 00:40:40,000  
so he uh he kind of kept quiet about it

1058  
00:40:43,270 --> 00:40:42,560  
and um but then more witnesses started

1059  
00:40:44,950 --> 00:40:43,280  
coming

1060  
00:40:46,550 --> 00:40:44,960  
forward from indian point and

1061  
00:40:48,950 --> 00:40:46,560  
surrounding areas

1062  
00:40:50,390 --> 00:40:48,960  
and talking to him and um one of the

1063  
00:40:53,430 --> 00:40:50,400

security guys

1064

00:40:55,270 --> 00:40:53,440

he told he told imbrogno quote as the

1065

00:40:56,630 --> 00:40:55,280

object approached the east gate of the

1066

00:40:58,950 --> 00:40:56,640

reactor complex

1067

00:41:01,349 --> 00:40:58,960

the sensors that detect movement shut

1068

00:41:03,750 --> 00:41:01,359

down and the entire alarm system

1069

00:41:05,990 --> 00:41:03,760

failed at this time i radioed for

1070

00:41:08,390 --> 00:41:06,000

assistance and several other officers

1071

00:41:09,030 --> 00:41:08,400

left their posts and joined me at the

1072

00:41:10,870 --> 00:41:09,040

east end

1073

00:41:13,670 --> 00:41:10,880

of the plant to watch the object

1074

00:41:14,870 --> 00:41:13,680

approach inside the security console the

1075

00:41:18,550 --> 00:41:14,880

computer that controls

1076

00:41:20,470 --> 00:41:18,560

all security and communications shutdown

1077

00:41:22,950 --> 00:41:20,480

the cameras were still however

1078

00:41:25,270 --> 00:41:22,960

functioning and we know for sure that

1079

00:41:27,750 --> 00:41:25,280

the object was videotaped

1080

00:41:28,630 --> 00:41:27,760

um but then he went on to tell in

1081

00:41:31,349 --> 00:41:28,640

broadnote that

1082

00:41:32,710 --> 00:41:31,359

the next day the commander called in all

1083

00:41:34,870 --> 00:41:32,720

the guards involved

1084

00:41:36,550 --> 00:41:34,880

and informed them that quote nothing

1085

00:41:38,309 --> 00:41:36,560

happened

1086

00:41:40,069 --> 00:41:38,319

there were they were all ordered to

1087

00:41:42,550 --> 00:41:40,079

forget the entire incident

1088

00:41:44,710 --> 00:41:42,560

um and all radio communications that

1089

00:41:48,150 --> 00:41:44,720

night were taped but according to

1090

00:41:51,270 --> 00:41:48,160

the plant supervisor the tapes no longer

1091

00:41:51,829 --> 00:41:51,280

exist which i find very hard to believe

1092

00:41:54,550 --> 00:41:51,839

so

1093

00:41:55,750 --> 00:41:54,560

yeah yeah man this is pretty crazy we

1094

00:41:59,109 --> 00:41:55,760

got a ufo

1095

00:42:02,309 --> 00:41:59,119

and nuke case in new york state

1096

00:42:05,750 --> 00:42:02,319

this is why currently

1097

00:42:07,829 --> 00:42:05,760

indian point energy center has a 3.4

1098

00:42:09,990 --> 00:42:07,839

rating on google right now it's because

1099

00:42:11,910 --> 00:42:10,000

of crap like this

1100

00:42:14,150 --> 00:42:11,920

this could be a five-star facility but

1101

00:42:17,030 --> 00:42:14,160

no you got to cover up your dang ufo

1102

00:42:18,470 --> 00:42:17,040

sightings right over the damn thing and

1103

00:42:21,750 --> 00:42:18,480

this is what you get

1104

00:42:22,230 --> 00:42:21,760

uh i uh fun fact here they are open 24

1105

00:42:24,790 --> 00:42:22,240

hours

1106

00:42:27,750 --> 00:42:24,800

i would certainly hope so oh that that's

1107

00:42:31,910 --> 00:42:29,670

i would hope so especially if they're

1108

00:42:33,030 --> 00:42:31,920

powering the uh new york city subway

1109

00:42:36,150 --> 00:42:33,040

system

1110

00:42:37,270 --> 00:42:36,160

right yeah absolutely uh you gotta they

1111

00:42:39,190 --> 00:42:37,280

gotta be going

1112

00:42:41,030 --> 00:42:39,200

guys you gotta be pulling those

1113

00:42:43,109 --> 00:42:41,040

all-nighters that's just the way

1114

00:42:44,710 --> 00:42:43,119

that it has to be but it's always

1115

00:42:47,829 --> 00:42:44,720

interesting when you hear

1116

00:42:49,990 --> 00:42:47,839

cases of ufos just

1117

00:42:51,990 --> 00:42:50,000

hanging out over nuclear sites over

1118

00:42:55,109 --> 00:42:52,000

military sites there was one

1119

00:42:58,230 --> 00:42:55,119

interesting case that i stumbled upon

1120

00:43:02,309 --> 00:42:58,240

about a month ago from italy

1121

00:43:05,589 --> 00:43:02,319

uh back in july of 77

1122

00:43:09,430 --> 00:43:05,599

over this nato base in northern italy

1123

00:43:11,510 --> 00:43:09,440

there was this really large

1124

00:43:13,349 --> 00:43:11,520

flying saucer that just hovered over

1125

00:43:15,829 --> 00:43:13,359

this igloo that was

1126  
00:43:17,030 --> 00:43:15,839  
storing uh jet fighters and it was there

1127  
00:43:19,510 --> 00:43:17,040  
for like maybe an hour

1128  
00:43:21,190 --> 00:43:19,520  
it was corroborated by uh other

1129  
00:43:24,870 --> 00:43:21,200  
eyewitnesses off the base

1130  
00:43:26,309 --> 00:43:24,880  
and uh it's stories like that

1131  
00:43:27,670 --> 00:43:26,319  
that are that are just always

1132  
00:43:29,750 --> 00:43:27,680  
fascinating it's just like hey we're

1133  
00:43:31,670 --> 00:43:29,760  
gonna hang out here you know

1134  
00:43:33,430 --> 00:43:31,680  
we're uh we're at o'hare airport we're

1135  
00:43:34,950 --> 00:43:33,440  
just gonna hang up above the terminal

1136  
00:43:36,950 --> 00:43:34,960  
here for a little bit and then uh

1137  
00:43:38,950 --> 00:43:36,960  
you know we'll we'll punch you know

1138  
00:43:41,589 --> 00:43:38,960

holes through the clouds whatever

1139

00:43:43,349 --> 00:43:41,599

yeah man again it's this trickster

1140

00:43:45,750 --> 00:43:43,359

element to all of this like

1141

00:43:48,230 --> 00:43:45,760

yeah why we while we can be like yeah

1142

00:43:50,470 --> 00:43:48,240

red alert ufos nukes and everything

1143

00:43:52,550 --> 00:43:50,480

i still think they're messing with us

1144

00:43:55,510 --> 00:43:52,560

you know like if they really wanted to

1145

00:43:56,230 --> 00:43:55,520

cause destruction or really send a

1146

00:43:58,630 --> 00:43:56,240

message

1147

00:43:59,349 --> 00:43:58,640

they would render these things useless

1148

00:44:01,349 --> 00:43:59,359

forever

1149

00:44:02,950 --> 00:44:01,359

or they would just blow them all up you

1150

00:44:05,829 --> 00:44:02,960

know so why

1151  
00:44:08,309 --> 00:44:05,839  
why are they just hovering over it um is

1152  
00:44:11,190 --> 00:44:08,319  
it just to scare the out of us or

1153  
00:44:11,990 --> 00:44:11,200  
or make us think wow something could

1154  
00:44:13,750 --> 00:44:12,000  
have happened

1155  
00:44:15,270 --> 00:44:13,760  
maybe we should rethink this i don't

1156  
00:44:18,710 --> 00:44:15,280  
know i don't know yeah

1157  
00:44:22,069 --> 00:44:18,720  
um i what i want to know now is

1158  
00:44:24,390 --> 00:44:22,079  
are aliens in on the

1159  
00:44:25,430 --> 00:44:24,400  
online review game and are they the ones

1160  
00:44:27,750 --> 00:44:25,440  
that drove down

1161  
00:44:28,630 --> 00:44:27,760  
their rating for the indian point energy

1162  
00:44:30,710 --> 00:44:28,640  
center like

1163  
00:44:31,990 --> 00:44:30,720

i wanna know are they giving one-star

1164

00:44:34,150 --> 00:44:32,000

reviews right now because

1165

00:44:36,710 --> 00:44:34,160

if they are we've gotta we've got an

1166

00:44:37,190 --> 00:44:36,720

even bigger problem here uh that we need

1167

00:44:39,190 --> 00:44:37,200

to

1168

00:44:40,710 --> 00:44:39,200

tackle and i don't know how we're gonna

1169

00:44:43,349 --> 00:44:40,720

do it um

1170

00:44:46,069 --> 00:44:43,359

how do we how do we tune in to like

1171

00:44:47,829 --> 00:44:46,079

alien podcasts and give them one stars

1172

00:44:49,910 --> 00:44:47,839

i don't know i don't know but if they're

1173

00:44:51,510 --> 00:44:49,920

gonna be out here giving us one stars

1174

00:44:54,309 --> 00:44:51,520

for our energy centers

1175

00:44:54,870 --> 00:44:54,319

we got to deal with that intergalactic

1176

00:44:56,309 --> 00:44:54,880

bots

1177

00:44:57,910 --> 00:44:56,319

that's what we need man that is

1178

00:44:59,910 --> 00:44:57,920

definitely what we need um

1179

00:45:01,430 --> 00:44:59,920

uh your joke is so much better than mine

1180

00:45:04,150 --> 00:45:01,440

i was gonna say well it was

1181

00:45:05,190 --> 00:45:04,160

ice cream cone shape so maybe they were

1182

00:45:06,880 --> 00:45:05,200

trying to

1183

00:45:08,390 --> 00:45:06,890

cool off the reactor

1184

00:45:10,309 --> 00:45:08,400

[Music]

1185

00:45:11,910 --> 00:45:10,319

listen man sometimes you got to cool

1186

00:45:13,750 --> 00:45:11,920

those things down it's right by the

1187

00:45:17,190 --> 00:45:13,760

water but you know what sometimes

1188

00:45:19,510 --> 00:45:17,200

especially you know those days get

1189

00:45:20,470 --> 00:45:19,520

they get too hot down there like it was

1190

00:45:23,910 --> 00:45:20,480

july

1191

00:45:27,270 --> 00:45:23,920

you know

1192

00:45:30,150 --> 00:45:27,280

southern new york here so uh

1193

00:45:30,710 --> 00:45:30,160

those guys don't know what it's like to

1194

00:45:32,710 --> 00:45:30,720

be

1195

00:45:34,150 --> 00:45:32,720

negative 20 with the wind chill that

1196

00:45:36,870 --> 00:45:34,160

puts it to negative 40

1197

00:45:38,390 --> 00:45:36,880

like like we do up here you know you

1198

00:45:41,430 --> 00:45:38,400

have those days but

1199

00:45:44,630 --> 00:45:41,440

uh sometimes that energy just needs

1200

00:45:46,710 --> 00:45:44,640

a a nice cool treat and and i

1201

00:45:48,550 --> 00:45:46,720

i can understand that uh i think what's

1202

00:45:52,230 --> 00:45:48,560

interesting about the

1203

00:45:54,470 --> 00:45:52,240

ice cream cone shape uh of it is that

1204

00:45:56,309 --> 00:45:54,480

there is a history of objects that look

1205

00:45:59,910 --> 00:45:56,319

like ice cream

1206

00:46:00,790 --> 00:45:59,920

absolutely thomas mantell claimed to see

1207

00:46:03,510 --> 00:46:00,800

something that looked

1208

00:46:04,309 --> 00:46:03,520

vaguely ice cream shaped uh you know

1209

00:46:06,309 --> 00:46:04,319

which you can

1210

00:46:08,630 --> 00:46:06,319

say that's a balloon but it didn't

1211

00:46:11,190 --> 00:46:08,640

really it moved too fast to be a balloon

1212

00:46:13,030 --> 00:46:11,200

uh the the guys in the portage county

1213

00:46:16,790 --> 00:46:13,040

ufo chase dale sparr

1214

00:46:18,950 --> 00:46:16,800

who like pursued that ufo 60 miles over

1215

00:46:19,910 --> 00:46:18,960

into pennsylvania he claimed that the

1216

00:46:23,030 --> 00:46:19,920

ufo

1217

00:46:24,950 --> 00:46:23,040

was uh ice cream cone shape and like

1218

00:46:26,630 --> 00:46:24,960

that's one of the strangest

1219

00:46:27,990 --> 00:46:26,640

shapes that keeps popping up from time

1220

00:46:31,190 --> 00:46:28,000

to time it's like ice

1221

00:46:33,430 --> 00:46:31,200

cream cone just hanging out oh

1222

00:46:34,710 --> 00:46:33,440

man well first of all i knew again this

1223

00:46:36,950 --> 00:46:34,720

is why you're here rob i know you can

1224

00:46:39,109 --> 00:46:36,960

just rattle off names and dates of cases

1225

00:46:41,670 --> 00:46:39,119

that i'm just like ah why do i even

1226

00:46:46,309 --> 00:46:41,680

bother having a podcast

1227

00:46:50,470 --> 00:46:48,230

i'm just i'm thinking to you now july

1228

00:46:53,910 --> 00:46:50,480

24th that was like

1229

00:46:56,550 --> 00:46:53,920

eight days before my birthday my literal

1230

00:46:58,230 --> 00:46:56,560

birthday god i could have had a ufo

1231

00:46:59,109 --> 00:46:58,240

nukes case on my birthday if they had

1232

00:47:01,589 --> 00:46:59,119

waited

1233

00:47:03,349 --> 00:47:01,599

like no man one more week damn you ice

1234

00:47:05,750 --> 00:47:03,359

cream cone alien so well

1235

00:47:06,790 --> 00:47:05,760

well let's let's move to our last case

1236

00:47:10,069 --> 00:47:06,800

to bookend

1237

00:47:13,430 --> 00:47:10,079

our new york cases

1238

00:47:16,150 --> 00:47:13,440

rita mali's ufo encounter

1239

00:47:16,630 --> 00:47:16,160

tell us about rita o'malley if you would

1240

00:47:18,150 --> 00:47:16,640

oh

1241

00:47:20,309 --> 00:47:18,160

man this is this is definitely one of

1242

00:47:23,349 --> 00:47:20,319

the strangest new york cases

1243

00:47:25,910 --> 00:47:23,359

that i think we have here um this one

1244

00:47:29,190 --> 00:47:25,920

comes from the pages of john keels

1245

00:47:31,990 --> 00:47:29,200

operation trojan horse and it fits into

1246

00:47:32,870 --> 00:47:32,000

the flap of sightings that was occurring

1247

00:47:36,150 --> 00:47:32,880

between

1248

00:47:37,829 --> 00:47:36,160

65 and 67 in the states and on the

1249

00:47:41,990 --> 00:47:37,839

evening of tuesday

1250

00:47:43,349 --> 00:47:42,000

december 12 1967 miss rita molly was

1251

00:47:46,790 --> 00:47:43,359

driving home

1252

00:47:49,910 --> 00:47:46,800

she lived in ithaca at the time and

1253

00:47:50,630 --> 00:47:49,920

out of the back window of the car her

1254

00:47:52,790 --> 00:47:50,640

son

1255

00:47:54,309 --> 00:47:52,800

that was riding with her spotted a red

1256

00:47:55,510 --> 00:47:54,319

light that seemed to be tailing the

1257

00:47:58,790 --> 00:47:55,520

vehicle

1258

00:48:00,549 --> 00:47:58,800

so rita was speeding at the time

1259

00:48:03,349 --> 00:48:00,559

so she assumed she was about to be

1260

00:48:04,790 --> 00:48:03,359

pulled over by the cops but

1261

00:48:06,630 --> 00:48:04,800

when she looked out the window she

1262

00:48:07,670 --> 00:48:06,640

realized that she was being paced not by

1263

00:48:10,950 --> 00:48:07,680

a police cruiser

1264

00:48:13,030 --> 00:48:10,960

but by a ufo it was shaped like a disc

1265

00:48:17,270 --> 00:48:13,040

about the size of a boxcar

1266

00:48:18,630 --> 00:48:17,280

with a dome top and square red and green

1267

00:48:22,150 --> 00:48:18,640

windows

1268

00:48:23,750 --> 00:48:22,160

she told john keel she also described

1269

00:48:25,910 --> 00:48:23,760

hearing a humming sound

1270

00:48:27,030 --> 00:48:25,920

uh the same kind made by like a

1271

00:48:31,750 --> 00:48:27,040

television an old

1272

00:48:33,750 --> 00:48:31,760

tube set television she came uh

1273

00:48:36,390 --> 00:48:33,760

she came back to her five-year-old son

1274

00:48:38,230 --> 00:48:36,400

dana to like brace himself like she was

1275

00:48:39,589 --> 00:48:38,240

thinking like this thing is gonna make

1276

00:48:42,950 --> 00:48:39,599

an impact with us

1277

00:48:44,710 --> 00:48:42,960

just brace yourself uh uh but when she

1278

00:48:45,829 --> 00:48:44,720

did she noticed that he was in some kind

1279

00:48:48,470 --> 00:48:45,839

of trance

1280

00:48:49,750 --> 00:48:48,480

and it was at this point that the car

1281

00:48:53,030 --> 00:48:49,760

was taken over

1282

00:48:53,990 --> 00:48:53,040

by the ufo it was pulled over to over

1283

00:48:56,630 --> 00:48:54,000

the shoulder

1284

00:48:58,069 --> 00:48:56,640

and into an alfalfa field where it came

1285

00:49:00,710 --> 00:48:58,079

to a stop

1286

00:49:01,990 --> 00:49:00,720

quote a white twirling beam of light

1287

00:49:04,790 --> 00:49:02,000

flashed down from the

1288

00:49:06,549 --> 00:49:04,800

object i heard the humming sound then i

1289

00:49:08,309 --> 00:49:06,559

began to hear voices

1290

00:49:10,069 --> 00:49:08,319

they didn't sound like male or female

1291

00:49:12,470 --> 00:49:10,079

voices but were weird

1292

00:49:13,750 --> 00:49:12,480

the words were broken and jerky like the

1293

00:49:16,150 --> 00:49:13,760

way a translator

1294

00:49:17,589 --> 00:49:16,160

sounds when he is repeating a speech at

1295

00:49:19,589 --> 00:49:17,599

the united nations

1296

00:49:21,349 --> 00:49:19,599

but it was like a weird chorus of

1297

00:49:24,069 --> 00:49:21,359

several voices

1298

00:49:25,670 --> 00:49:24,079

i became hysterical my son would not

1299

00:49:28,790 --> 00:49:25,680

respond to my cries

1300

00:49:30,150 --> 00:49:28,800

i knew the radio wasn't on the voices

1301

00:49:32,630 --> 00:49:30,160

named someone i knew

1302

00:49:34,549 --> 00:49:32,640

and said that at that moment my friend

1303

00:49:35,829 --> 00:49:34,559

was involved in a terrible accident

1304

00:49:38,069 --> 00:49:35,839

miles away

1305

00:49:39,109 --> 00:49:38,079

they said my son would not remember any

1306

00:49:41,430 --> 00:49:39,119

of this

1307

00:49:42,470 --> 00:49:41,440

then the car began to move again

1308

00:49:45,349 --> 00:49:42,480

although still

1309

00:49:47,349 --> 00:49:45,359

not under my control we came up out of

1310

00:49:49,750 --> 00:49:47,359

that field and over the ditch

1311

00:49:51,349 --> 00:49:49,760

as if it were nothing and then back onto

1312

00:49:55,030 --> 00:49:51,359

the road

1313

00:49:57,190 --> 00:49:55,040

rita then raced home she was

1314

00:49:58,470 --> 00:49:57,200

just incredibly panicked and you know

1315

00:50:01,270 --> 00:49:58,480

rightfully so

1316

00:50:03,109 --> 00:50:01,280

i can completely understand uh when she

1317

00:50:05,829 --> 00:50:03,119

flew through her front door

1318

00:50:06,950 --> 00:50:05,839

um the next day she did in fact learn

1319

00:50:12,309 --> 00:50:06,960

that her friend

1320

00:50:15,430 --> 00:50:12,319

had been in a terrible car accident whoa

1321

00:50:19,510 --> 00:50:15,440

yeah okay this is definitely

1322

00:50:21,430 --> 00:50:19,520

one of the weirdest

1323

00:50:24,069 --> 00:50:21,440

god i don't even know what to make it

1324

00:50:27,190 --> 00:50:24,079

yeah it's got a little bit of everything

1325

00:50:31,910 --> 00:50:27,200

it does it ufo's taking over cars

1326

00:50:34,390 --> 00:50:31,920

we've had cases like that uh uh

1327

00:50:37,030 --> 00:50:34,400

what the hell man what they really your

1328

00:50:39,109 --> 00:50:37,040

ufo is literally taking over a car

1329

00:50:40,950 --> 00:50:39,119

you have singled out this woman and you

1330

00:50:43,750 --> 00:50:40,960

brought her into an alfalfa field

1331

00:50:44,630 --> 00:50:43,760

are you kidding me right now alfalfa you

1332

00:50:46,309 --> 00:50:44,640

couldn't bring it

1333

00:50:48,069 --> 00:50:46,319

you couldn't like tie it into like a

1334

00:50:51,349 --> 00:50:48,079

cornfield or something maybe

1335

00:50:54,309 --> 00:50:51,359

maybe we could lavender maybe yeah

1336

00:50:54,950 --> 00:50:54,319

you know like me we got some sunflowers

1337

00:50:56,630 --> 00:50:54,960

out there

1338

00:50:58,710 --> 00:50:56,640

let's do something a little more classy

1339

00:51:01,190 --> 00:50:58,720

than alpha also

1340

00:51:02,390 --> 00:51:01,200

come on that's like the you dig off

1341

00:51:05,030 --> 00:51:02,400

of your salad

1342

00:51:05,670 --> 00:51:05,040

and don't eat right yeah pretty much

1343

00:51:07,910 --> 00:51:05,680

like

1344

00:51:08,870 --> 00:51:07,920

it's it's not something that you want

1345

00:51:10,870 --> 00:51:08,880

like

1346

00:51:13,349 --> 00:51:10,880

it's named for one of the little rascals

1347

00:51:15,829 --> 00:51:13,359

here you know

1348

00:51:18,950 --> 00:51:15,839

good good reference i i knew we could

1349

00:51:20,790 --> 00:51:18,960

work little rascals into this somehow

1350

00:51:22,710 --> 00:51:20,800

little rascals doesn't get worked in

1351

00:51:25,030 --> 00:51:22,720

enough to ufo

1352

00:51:27,270 --> 00:51:25,040

war and literature we need more of it

1353

00:51:30,549 --> 00:51:27,280

yup if not you're not doing your job

1354

00:51:33,829 --> 00:51:30,559

wow man that one's crazy

1355

00:51:35,750 --> 00:51:33,839

ah i'm there's

1356

00:51:37,750 --> 00:51:35,760

i don't know are there any others you

1357

00:51:40,309 --> 00:51:37,760

can really think of these were the

1358

00:51:41,270 --> 00:51:40,319

the two main ones i came across there is

1359

00:51:44,630 --> 00:51:41,280

i should say

1360

00:51:46,870 --> 00:51:44,640

speaking of john keel um some murmurs

1361

00:51:47,990 --> 00:51:46,880

of mount misery which i believe is in

1362

00:51:51,589 --> 00:51:48,000

long island

1363

00:51:53,430 --> 00:51:51,599

um of men in black and

1364

00:51:55,190 --> 00:51:53,440

and stuff like that but i didn't really

1365

00:51:56,790 --> 00:51:55,200

come up with anything specific in terms

1366

00:52:00,069 --> 00:51:56,800

of that do you know anything about

1367

00:52:02,309 --> 00:52:00,079

kale's work up in long island

1368

00:52:04,390 --> 00:52:02,319

mount misery is kind of it's one of

1369

00:52:07,109 --> 00:52:04,400

those notorious places that

1370

00:52:07,670 --> 00:52:07,119

people claim to have all kinds of

1371

00:52:10,710 --> 00:52:07,680

different

1372

00:52:13,910 --> 00:52:10,720

strange interactions with uh

1373

00:52:16,470 --> 00:52:13,920

you know spirit phenomenon you have ufo

1374

00:52:17,510 --> 00:52:16,480

sightings there's just like a lot of

1375

00:52:20,870 --> 00:52:17,520

weird

1376

00:52:23,910 --> 00:52:20,880

things reported at mount misery uh

1377

00:52:25,589 --> 00:52:23,920

but um yeah it's um

1378

00:52:27,750 --> 00:52:25,599

there aren't a lot of specifics that

1379

00:52:29,829 --> 00:52:27,760

come about it but uh

1380

00:52:30,870 --> 00:52:29,839

it's just kind of one of those places in

1381

00:52:33,829 --> 00:52:30,880

new york that has

1382

00:52:35,829 --> 00:52:33,839

this very eerie reputation for strange

1383

00:52:38,069 --> 00:52:35,839

things that happen in and around it

1384

00:52:39,589 --> 00:52:38,079

yeah it's just one exactly it's one of

1385

00:52:43,030 --> 00:52:39,599

those places

1386

00:52:43,910 --> 00:52:43,040

man rob these are great man i knew if we

1387

00:52:46,950 --> 00:52:43,920

really dug

1388

00:52:49,190 --> 00:52:46,960

and i knew if i if i came to you that we

1389

00:52:51,270 --> 00:52:49,200

would find something to make our home

1390

00:52:53,430 --> 00:52:51,280

state truly proud of

1391

00:52:55,670 --> 00:52:53,440

you know that's what we're doing here

1392

00:52:58,390 --> 00:52:55,680

we're we need to

1393

00:52:59,589 --> 00:52:58,400

put new york out there listen we're here

1394

00:53:00,950 --> 00:52:59,599

we're here right now

1395

00:53:02,950 --> 00:53:00,960

there isn't a lot of good things

1396

00:53:05,430 --> 00:53:02,960

happening in new york right now

1397

00:53:06,950 --> 00:53:05,440

uh we'll be all right i think i think

1398

00:53:07,910 --> 00:53:06,960

we'll be all right with this one but you

1399

00:53:10,069 --> 00:53:07,920

know we

1400

00:53:11,349 --> 00:53:10,079

we we got the rhona pretty bad up here

1401

00:53:13,589 --> 00:53:11,359

but you know what

1402

00:53:15,510 --> 00:53:13,599

if we can make it weirder that's it's

1403

00:53:16,230 --> 00:53:15,520

our job we got to make it weirder we got

1404

00:53:19,109 --> 00:53:16,240

to tell

1405

00:53:20,069 --> 00:53:19,119

the weird stories that everybody needs

1406

00:53:22,390 --> 00:53:20,079

to know

1407

00:53:23,750 --> 00:53:22,400

so that there's a little you know

1408

00:53:27,589 --> 00:53:23,760

there's a little faith

1409

00:53:30,710 --> 00:53:27,599

uh in in new york and and stuff and like

1410

00:53:33,030 --> 00:53:30,720

uh new york had its uh brush with its

1411

00:53:36,470 --> 00:53:33,040

mystery air flap in 1909

1412

00:53:39,349 --> 00:53:36,480

down in the pine bush area which is uh

1413

00:53:41,829 --> 00:53:39,359

where a lot of uh sightings during the

1414

00:53:44,390 --> 00:53:41,839

hudson valley flap took place and

1415

00:53:46,069 --> 00:53:44,400

i think what uh with hudson valley what

1416

00:53:48,470 --> 00:53:46,079

that flap doesn't get

1417

00:53:50,230 --> 00:53:48,480

uh the reputation for that it truly

1418

00:53:52,630 --> 00:53:50,240

deserves is

1419

00:53:53,990 --> 00:53:52,640

witnesses having psychic encounters with

1420

00:53:57,430 --> 00:53:54,000

ufos in which

1421

00:53:59,750 --> 00:53:57,440

uh they would often see these ufos have

1422

00:54:03,829 --> 00:53:59,760

a thought and the ufo would react like

1423

00:54:06,950 --> 00:54:03,839

there was one story in which a woman

1424

00:54:07,910 --> 00:54:06,960

saw this ufo i think it was um uh she

1425

00:54:11,030 --> 00:54:07,920

was on the

1426  
00:54:12,470 --> 00:54:11,040  
highway she pulled off and i believe it

1427  
00:54:14,549 --> 00:54:12,480  
was over a body of water

1428  
00:54:16,150 --> 00:54:14,559  
or something like that it was moving

1429  
00:54:18,309 --> 00:54:16,160  
away from her and she thought

1430  
00:54:20,150 --> 00:54:18,319  
as she was looking up at it she she just

1431  
00:54:22,150 --> 00:54:20,160  
it was like very beautiful to look at

1432  
00:54:25,190 --> 00:54:22,160  
and most of what

1433  
00:54:28,150 --> 00:54:25,200  
the ufos looked like in uh

1434  
00:54:28,950 --> 00:54:28,160  
new york during this flap they were very

1435  
00:54:32,790 --> 00:54:28,960  
boomerang

1436  
00:54:34,950 --> 00:54:32,800  
shaped they and uh

1437  
00:54:37,430 --> 00:54:34,960  
she put out there like no don't don't go

1438  
00:54:37,990 --> 00:54:37,440

away so the ufo responded and it started

1439

00:54:40,150 --> 00:54:38,000

to come back

1440

00:54:41,430 --> 00:54:40,160

and it actually came toward her and then

1441

00:54:44,230 --> 00:54:41,440

she chickened out

1442

00:54:45,510 --> 00:54:44,240

getting too close and then it's like

1443

00:54:48,630 --> 00:54:45,520

fine you hurt my feelings

1444

00:54:51,990 --> 00:54:48,640

and the ufo went away and um

1445

00:54:53,990 --> 00:54:52,000

what a tease yeah no i know like

1446

00:54:55,910 --> 00:54:54,000

listen you got sometimes you got to be

1447

00:54:57,750 --> 00:54:55,920

brave sometimes you got to put on that

1448

00:54:59,270 --> 00:54:57,760

brave face if you're going to say

1449

00:55:01,030 --> 00:54:59,280

please don't go away don't hurt the

1450

00:55:01,670 --> 00:55:01,040

ufo's feelings saying no you're getting

1451  
00:55:03,990 --> 00:55:01,680  
too close

1452  
00:55:06,309 --> 00:55:04,000  
yep don't know what's what's the old

1453  
00:55:07,910 --> 00:55:06,319  
saying don't mess with the bull

1454  
00:55:09,670 --> 00:55:07,920  
oh yeah you get the horns man you get

1455  
00:55:12,230 --> 00:55:09,680  
those horns you don't want it

1456  
00:55:13,910 --> 00:55:12,240  
get this galactic horns yeah you get

1457  
00:55:16,150 --> 00:55:13,920  
those galactic horns but like

1458  
00:55:17,349 --> 00:55:16,160  
there there are a couple of accounts of

1459  
00:55:20,069 --> 00:55:17,359  
that happening

1460  
00:55:20,470 --> 00:55:20,079  
in uh the hudson valley flap and it it's

1461  
00:55:23,990 --> 00:55:20,480  
just

1462  
00:55:26,789 --> 00:55:24,000  
it's so great to to read those and

1463  
00:55:28,549 --> 00:55:26,799

what brought that flap legitimacy to

1464

00:55:30,549 --> 00:55:28,559

begin with is that the first person that

1465

00:55:31,109 --> 00:55:30,559

reported anything was a police officer

1466

00:55:34,470 --> 00:55:31,119

so

1467

00:55:37,430 --> 00:55:34,480

exactly

1468

00:55:38,470 --> 00:55:37,440

that that just brings more credibility

1469

00:55:40,230 --> 00:55:38,480

uh

1470

00:55:42,069 --> 00:55:40,240

all the time whether it's military law

1471

00:55:45,430 --> 00:55:42,079

enforcement it just always

1472

00:55:45,829 --> 00:55:45,440

gives it something extra there um wow

1473

00:55:47,710 --> 00:55:45,839

man

1474

00:55:49,829 --> 00:55:47,720

oh well you know in that whole

1475

00:55:52,230 --> 00:55:49,839

parapsychological

1476  
00:55:53,990 --> 00:55:52,240  
phenomenon in the terms of these you

1477  
00:55:55,670 --> 00:55:54,000  
know whether it's thinking

1478  
00:55:57,750 --> 00:55:55,680  
or trying to communicate with the

1479  
00:55:59,829 --> 00:55:57,760  
phenomenon and it reacting

1480  
00:56:01,190 --> 00:55:59,839  
that's so fascinating to me and we hear

1481  
00:56:03,910 --> 00:56:01,200  
that a lot

1482  
00:56:05,670 --> 00:56:03,920  
in the lore with all of this but um

1483  
00:56:07,670 --> 00:56:05,680  
there's one lesson

1484  
00:56:08,870 --> 00:56:07,680  
that you taught me and i think we kind

1485  
00:56:11,190 --> 00:56:08,880  
of have to

1486  
00:56:12,230 --> 00:56:11,200  
bring back when it comes to all that and

1487  
00:56:13,589 --> 00:56:12,240  
it's um

1488  
00:56:15,829 --> 00:56:13,599

i think you know where i'm going with

1489

00:56:19,270 --> 00:56:15,839

this what don't you do with ufos

1490

00:56:20,630 --> 00:56:19,280

rob you don't flash sos at a ufo because

1491

00:56:22,390 --> 00:56:20,640

you know what's going to happen

1492

00:56:23,990 --> 00:56:22,400

it's going to come abduct you it's going

1493

00:56:25,349 --> 00:56:24,000

to come back it's going to come down

1494

00:56:27,430 --> 00:56:25,359

it's going to abduct you you want to

1495

00:56:30,069 --> 00:56:27,440

know what it happened

1496

00:56:31,109 --> 00:56:30,079

to terry lovelace and and terry seems

1497

00:56:32,950 --> 00:56:31,119

like a really nice guy

1498

00:56:34,390 --> 00:56:32,960

to happen to him and his buddy happened

1499

00:56:35,990 --> 00:56:34,400

to the allagash guys

1500

00:56:38,069 --> 00:56:36,000

oh hey let's take you take our

1501

00:56:40,309 --> 00:56:38,079

flashlight and flash it out of ufo

1502

00:56:42,069 --> 00:56:40,319

what are we gonna do oh let's just you

1503

00:56:44,230 --> 00:56:42,079

know flash an sos

1504

00:56:45,829 --> 00:56:44,240

no they're going to pick you up you want

1505

00:56:47,270 --> 00:56:45,839

to know why because you said you needed

1506

00:56:49,750 --> 00:56:47,280

help

1507

00:56:50,789 --> 00:56:49,760

trying to be genuine here these aliens

1508

00:56:53,030 --> 00:56:50,799

trying to be genuine

1509

00:56:55,190 --> 00:56:53,040

trying to help people out but no you got

1510

00:56:57,270 --> 00:56:55,200

to go and you got to flash an sos

1511

00:56:58,710 --> 00:56:57,280

so they picked you up and you know what

1512

00:56:59,750 --> 00:56:58,720

they did some stuff with you well i

1513

00:57:00,390 --> 00:56:59,760

don't know why because you pissed them

1514

00:57:02,230 --> 00:57:00,400

off

1515

00:57:03,990 --> 00:57:02,240

you didn't need to be picked up you were

1516

00:57:04,710 --> 00:57:04,000

finding that damn canoe with the four of

1517

00:57:06,390 --> 00:57:04,720

you in it

1518

00:57:07,910 --> 00:57:06,400

you weren't catching fish you were do

1519

00:57:10,549 --> 00:57:07,920

you you didn't

1520

00:57:12,390 --> 00:57:10,559

complete your task but hey let's just

1521

00:57:15,109 --> 00:57:12,400

flash this ufo it

1522

00:57:16,549 --> 00:57:15,119

just don't do it folks do not flash an

1523

00:57:18,710 --> 00:57:16,559

sos at a ufo

1524

00:57:19,990 --> 00:57:18,720

that is the one lesson i want to teach

1525

00:57:23,750 --> 00:57:20,000

everybody here

1526

00:57:26,630 --> 00:57:23,760

don't do it and this has been

1527

00:57:28,870 --> 00:57:26,640

learning with rob on pbs thank you for

1528

00:57:32,549 --> 00:57:28,880

joining us tonight everyone next up is

1529

00:57:35,910 --> 00:57:32,559

uh what uh fresh air

1530

00:57:38,069 --> 00:57:35,920

coming up next oh wow man i

1531

00:57:39,349 --> 00:57:38,079

hey we didn't just learn about new york

1532

00:57:42,789 --> 00:57:39,359

ufos we learned

1533

00:57:43,910 --> 00:57:42,799

what not to do with these ufos and i

1534

00:57:45,510 --> 00:57:43,920

know

1535

00:57:47,190 --> 00:57:45,520

there's going to be so much more to

1536

00:57:50,069 --> 00:57:47,200

learn with the future

1537

00:57:52,309 --> 00:57:50,079

of our strange skies man so tell us

1538

00:57:54,710 --> 00:57:52,319

what's next for our strange skies

1539

00:57:55,910 --> 00:57:54,720

and uh this is not the only podcast that

1540

00:57:58,309 --> 00:57:55,920

you've hosted you

1541

00:57:59,510 --> 00:57:58,319

you've got one on music you've got one

1542

00:58:03,109 --> 00:57:59,520

on um

1543

00:58:04,470 --> 00:58:03,119

am i correct d and d oh yeah man yeah

1544

00:58:06,470 --> 00:58:04,480

tell us a little about everything you're

1545

00:58:09,030 --> 00:58:06,480

up to it's it's weird you know

1546

00:58:11,030 --> 00:58:09,040

you uh you say no i'm done with this

1547

00:58:12,950 --> 00:58:11,040

ufo's stuff and then you

1548

00:58:14,390 --> 00:58:12,960

start two more podcasts like what the

1549

00:58:16,309 --> 00:58:14,400

hell are you doing here you're

1550

00:58:19,349 --> 00:58:16,319

completely batshit but uh

1551  
00:58:21,270 --> 00:58:19,359  
yeah um with our strange skies we've got

1552  
00:58:23,670 --> 00:58:21,280  
new episodes in the works there's gonna

1553  
00:58:27,030 --> 00:58:23,680  
be some coming out real soon

1554  
00:58:28,390 --> 00:58:27,040  
and uh some really

1555  
00:58:31,109 --> 00:58:28,400  
great topics that we're gonna be

1556  
00:58:32,470 --> 00:58:31,119  
covering you know some abductions we're

1557  
00:58:35,270 --> 00:58:32,480  
going to be looking at

1558  
00:58:37,270 --> 00:58:35,280  
you know ufos as they progressed before

1559  
00:58:39,829 --> 00:58:37,280  
we got to 1947

1560  
00:58:42,309 --> 00:58:39,839  
a lot of really uh interesting topics

1561  
00:58:44,789 --> 00:58:42,319  
that uh i think will be enjoyable but

1562  
00:58:46,950 --> 00:58:44,799  
uh i do have a music podcast that i do

1563  
00:58:49,270 --> 00:58:46,960

with my buddy brian hasty uh it's called

1564

00:58:52,630 --> 00:58:49,280

dakota music podcast we

1565

00:58:55,990 --> 00:58:52,640

start recording new episodes uh actually

1566

00:58:57,829 --> 00:58:56,000

really soon so um there's about 20 of

1567

00:59:00,870 --> 00:58:57,839

them there right now and if you want to

1568

00:59:03,670 --> 00:59:00,880

go give those a listen you can and i am

1569

00:59:04,470 --> 00:59:03,680

involved in the uh role-playing game

1570

00:59:07,670 --> 00:59:04,480

community

1571

00:59:09,190 --> 00:59:07,680

so um i do a podcast called the order of

1572

00:59:11,270 --> 00:59:09,200

podcasters in which uh

1573

00:59:12,950 --> 00:59:11,280

some friends of mine get together and we

1574

00:59:15,910 --> 00:59:12,960

uh play this game

1575

00:59:16,630 --> 00:59:15,920

uh called the esoteris which is kind of

1576

00:59:19,670 --> 00:59:16,640

like

1577

00:59:23,510 --> 00:59:19,680

x-files for people who have day jobs

1578

00:59:24,390 --> 00:59:23,520

so uh i play a character named myron

1579

00:59:27,270 --> 00:59:24,400

dripchin

1580

00:59:29,030 --> 00:59:27,280

and uh he is a coast-to-coast like

1581

00:59:31,670 --> 00:59:29,040

george nori character

1582

00:59:33,349 --> 00:59:31,680

and uh it was fun it's fun to play him

1583

00:59:36,390 --> 00:59:33,359

because he's over the top

1584

00:59:38,789 --> 00:59:36,400

i definitely stole some of uh nori's

1585

00:59:42,470 --> 00:59:38,799

best moments from coast to coast like

1586

00:59:45,670 --> 00:59:42,480

the infamous uh uh pizza roll incident

1587

00:59:47,349 --> 00:59:45,680

what is that you don't oh man there was

1588

00:59:48,230 --> 00:59:47,359

an episode of coast to coast and he

1589

00:59:51,510 --> 00:59:48,240

opened up

1590

00:59:54,710 --> 00:59:51,520

this episode by claiming

1591

00:59:57,430 --> 00:59:54,720

that he had he had

1592

00:59:58,470 --> 00:59:57,440

he had given himself third degree burns

1593

01:00:01,750 --> 00:59:58,480

by eating pizza

1594

01:00:02,710 --> 01:00:01,760

oh no i had to go to the hospital and

1595

01:00:05,990 --> 01:00:02,720

everything

1596

01:00:08,950 --> 01:00:06,000

wow it was so bad but uh

1597

01:00:09,270 --> 01:00:08,960

you know georginari has beats that are

1598

01:00:12,309 --> 01:00:09,280

just

1599

01:00:13,670 --> 01:00:12,319

uh completely amazing did he didn't he

1600

01:00:15,990 --> 01:00:13,680

correct me if i'm wrong didn't he fall

1601  
01:00:18,230 --> 01:00:16,000  
asleep on air once and

1602  
01:00:20,069 --> 01:00:18,240  
like the guest was talking and all you

1603  
01:00:23,349 --> 01:00:20,079  
could hear was nori snoring

1604  
01:00:26,470 --> 01:00:23,359  
yeah yep noleen's snoring

1605  
01:00:29,510 --> 01:00:26,480  
snoring yeah it's uh

1606  
01:00:31,380 --> 01:00:29,520  
tune in to the uh the new segment of my

1607  
01:00:34,069 --> 01:00:31,390  
podcast nori snoring and

1608  
01:00:35,990 --> 01:00:34,079  
[Laughter]

1609  
01:00:37,510 --> 01:00:36,000  
anytime there's a boring moment now on

1610  
01:00:39,270 --> 01:00:37,520  
my future episodes

1611  
01:00:40,710 --> 01:00:39,280  
i'm gonna play a sound bite of him

1612  
01:00:43,990 --> 01:00:40,720  
snoring yeah

1613  
01:00:45,190 --> 01:00:44,000

tell your guests to uh you know

1614

01:00:47,270 --> 01:00:45,200

let's make this a little bit more

1615

01:00:48,950 --> 01:00:47,280

interesting come on uh yeah

1616

01:00:50,470 --> 01:00:48,960

you need yourself a sound board

1617

01:00:53,589 --> 01:00:50,480

definitely um

1618

01:00:54,950 --> 01:00:53,599

we have uh a bunch of episodes up now i

1619

01:00:57,270 --> 01:00:54,960

think like over

1620

01:00:58,069 --> 01:00:57,280

ten we've had we've done three different

1621

01:01:01,349 --> 01:00:58,079

adventures but

1622

01:01:04,150 --> 01:01:01,359

it's fun uh we we um

1623

01:01:05,750 --> 01:01:04,160

shoot monsters with guns and uh we have

1624

01:01:07,430 --> 01:01:05,760

fun doing it and we uh

1625

01:01:09,190 --> 01:01:07,440

kind of poke fun at the podcasting

1626

01:01:12,309 --> 01:01:09,200

community a little bit which is uh

1627

01:01:14,630 --> 01:01:12,319

always good as you should yep yes and uh

1628

01:01:16,630 --> 01:01:14,640

the fourth podcast i'm involved in is a

1629

01:01:19,990 --> 01:01:16,640

dungeons and dragons podcast called

1630

01:01:21,670 --> 01:01:20,000

rolling through the realms and uh we uh

1631

01:01:23,589 --> 01:01:21,680

uh me and my friends we get together we

1632

01:01:25,829 --> 01:01:23,599

play some d d it's uh

1633

01:01:27,030 --> 01:01:25,839

it's funny at times it's heartwarming

1634

01:01:27,750 --> 01:01:27,040

you know you get a little bit of

1635

01:01:30,710 --> 01:01:27,760

everything

1636

01:01:31,670 --> 01:01:30,720

um so yeah there if they're if you're

1637

01:01:35,829 --> 01:01:33,920

if you're so in love with my voice which

1639

01:01:37,030 --> 01:01:35,839

1641

01:01:40,870 --> 01:01:38,960

but if you are there is plenty of

1642

01:01:43,430 --> 01:01:40,880

1645

01:01:50,710 --> 01:01:47,680

idea of your voice okay uh yeah okay

1646

01:01:51,990 --> 01:01:50,720

okay i got you okay so now i'm gonna get

1647

01:01:54,230 --> 01:01:52,000

messages of people saying

1648

01:01:55,750 --> 01:01:54,240

that ryan thank you you're very welcome

1649

01:01:58,549 --> 01:01:55,760

man hey if there's anything you're known

1650

01:02:00,789 --> 01:01:58,559

for it's catchphrases don't lick ufos

1651  
01:02:02,789 --> 01:02:00,799  
don't do it and everything in between

1652  
01:02:04,630 --> 01:02:02,799  
brother this was awesome where can we

1653  
01:02:07,990 --> 01:02:04,640  
find everything you're up to

1654  
01:02:09,829 --> 01:02:08,000  
if you wanna stay in touch uh

1655  
01:02:12,549 --> 01:02:09,839  
on twitter is probably the best place to

1656  
01:02:13,270 --> 01:02:12,559  
find me these days at your ufo guys

1657  
01:02:16,549 --> 01:02:13,280  
spelled

1658  
01:02:17,190 --> 01:02:16,559  
y e r ufo guy i usually post updates

1659  
01:02:21,430 --> 01:02:17,200  
there

1660  
01:02:23,910 --> 01:02:21,440  
um pretty much uh every single one of my

1661  
01:02:25,029 --> 01:02:23,920  
podcast projects with the exception of

1662  
01:02:28,549 --> 01:02:25,039  
our strange guys

1663  
01:02:31,670 --> 01:02:28,559

has a social media presence so

1664

01:02:34,230 --> 01:02:31,680

you can find us out there but uh yeah

1665

01:02:35,190 --> 01:02:34,240

the best musings that uh that i often

1666

01:02:37,910 --> 01:02:35,200

have is

1667

01:02:39,430 --> 01:02:37,920

they come on uh twitter and i'd like to

1668

01:02:42,549 --> 01:02:39,440

read one for all of you

1669

01:02:46,230 --> 01:02:42,559

right now i had this thought earlier

1670

01:02:48,789 --> 01:02:46,240

earlier today um and uh

1671

01:02:49,750 --> 01:02:48,799

it goes something like this imagine

1672

01:02:51,670 --> 01:02:49,760

being a gray

1673

01:02:53,190 --> 01:02:51,680

and realizing that you have no chance of

1674

01:02:55,270 --> 01:02:53,200

having a dump truck

1675

01:02:56,549 --> 01:02:55,280

that is depressing as there you go

1676

01:02:58,150 --> 01:02:56,559

there you go

1677

01:02:59,750 --> 01:02:58,160

those are the kind of thoughts you could

1678

01:03:02,789 --> 01:02:59,760

get from me

1679

01:03:04,710 --> 01:03:02,799

oh my gosh it's like uh what is it deep

1680

01:03:06,950 --> 01:03:04,720

thoughts with jack handy

1681

01:03:09,190 --> 01:03:06,960

you're killing it man you're just

1682

01:03:11,430 --> 01:03:09,200

dropping bombs everywhere you step i

1683

01:03:13,589 --> 01:03:11,440

love it i absolutely love it wait

1684

01:03:14,789 --> 01:03:13,599

dude this has been it's been so good to

1685

01:03:17,510 --> 01:03:14,799

just lay back

1686

01:03:19,270 --> 01:03:17,520

and laugh about things you know

1687

01:03:20,390 --> 01:03:19,280

especially in the world today with

1688

01:03:23,670 --> 01:03:20,400

everything going on

1689

01:03:25,750 --> 01:03:23,680

um this was exactly what i needed

1690

01:03:27,029 --> 01:03:25,760

i i know it's what a lot of our

1691

01:03:30,150 --> 01:03:27,039

listeners probably

1692

01:03:31,430 --> 01:03:30,160

needed as well so first of all it is so

1693

01:03:34,230 --> 01:03:31,440

good to have you back

1694

01:03:36,230 --> 01:03:34,240

with our strange skies and of course i

1695

01:03:37,029 --> 01:03:36,240

have to thank you for coming on today

1696

01:03:39,670 --> 01:03:37,039

brother

1697

01:03:41,670 --> 01:03:39,680

i appreciate you having me on anytime

1698

01:03:43,430 --> 01:03:41,680

that we can laugh anytime that we can

1699

01:03:45,910 --> 01:03:43,440

make other people laugh

1700

01:03:47,109 --> 01:03:45,920

it's good in the ufo community because

1701

01:03:49,910 --> 01:03:47,119

i've said this

1702

01:03:51,829 --> 01:03:49,920

many times before y'all sometimes you

1703

01:03:53,510 --> 01:03:51,839

take yourself a little too seriously you

1704

01:03:56,630 --> 01:03:53,520

need to learn to laugh a little bit

1705

01:03:57,270 --> 01:03:56,640

uh and i'm glad that i can bring forth

1706

01:03:59,990 --> 01:03:57,280

laughs

1707

01:04:01,270 --> 01:04:00,000

do not let aliens leave one star reviews

1708

01:04:10,829 --> 01:04:01,280

for your podcasts

1709

01:04:25,140 --> 01:04:13,070
