

WEE
COVER UP

LIVE

1
00:00:15,910 --> 00:00:14,310

[Music]

2
00:00:17,750 --> 00:00:15,920

i was on the way to my grandma's house

3
00:00:21,029 --> 00:00:17,760

about four years ago

4
00:00:21,670 --> 00:00:21,039

and this big flash of light in the sky

5
00:00:23,269 --> 00:00:21,680

appeared

6
00:00:24,710 --> 00:00:23,279

with all different colors coming down

7
00:00:26,710 --> 00:00:24,720

from it and it was like it was going to

8
00:00:28,230 --> 00:00:26,720

land right in front of us

9
00:00:30,150 --> 00:00:28,240

and it never did it just shot up in the

10
00:00:32,229 --> 00:00:30,160

air all sudden really fast it was right

11
00:00:35,270 --> 00:00:32,239

before christmas time

12
00:00:37,990 --> 00:00:35,280

and my mom and everyone else sat and we

13
00:00:41,350 --> 00:00:38,000

really thought it was neat

14

00:00:44,310 --> 00:00:41,360

we noticed a very bright star-like

15

00:00:45,430 --> 00:00:44,320

object raised behind the rim of the

16

00:00:48,389 --> 00:00:45,440

forest

17

00:00:49,990 --> 00:00:48,399

it was rising slowly at an angle in our

18

00:00:52,549 --> 00:00:50,000

direction

19

00:00:53,270 --> 00:00:52,559

then when it had reached at considerable

20

00:00:56,470 --> 00:00:53,280

height

21

00:01:00,069 --> 00:00:56,480

and was right above us we saw a flush

22

00:01:03,029 --> 00:01:00,079

like an explosion then this object

23

00:01:06,070 --> 00:01:03,039

turned and disappeared outside of

24

00:01:08,230 --> 00:01:06,080

tremendous speed

25

00:01:09,670 --> 00:01:08,240

while the sightings in the soviet union

26

00:01:11,590 --> 00:01:09,680

are sensational

27

00:01:14,310 --> 00:01:11,600

the story of gulf breeze will play a

28

00:01:15,990 --> 00:01:14,320

major role in our program tonight

29

00:01:18,070 --> 00:01:16,000

we're down here in florida where we've

30

00:01:19,749 --> 00:01:18,080

assembled a whole town full of people

31

00:01:21,109 --> 00:01:19,759

who say they've seen the ufo that's

32

00:01:24,149 --> 00:01:21,119

haunted this community

33

00:01:27,190 --> 00:01:24,159

since last november

34

00:01:29,350 --> 00:01:27,200

the fact we are in contact with

35

00:01:30,230 --> 00:01:29,360

the extraterrestrials shouldn't be

36

00:01:32,550 --> 00:01:30,240

hidden

37

00:01:33,350 --> 00:01:32,560

from the people my name is william

38

00:01:35,350 --> 00:01:33,360

coleman

39

00:01:36,870 --> 00:01:35,360

when i was at the pentagon i was public

40

00:01:37,590 --> 00:01:36,880

information officer for project blue

41

00:01:39,990 --> 00:01:37,600

book

42

00:01:42,310 --> 00:01:40,000

before that i was a fighter bomber pilot

43

00:01:45,109 --> 00:01:42,320

and i saw a flying saucer

44

00:01:47,910 --> 00:01:45,119

we in the soviet union are interested in

45

00:01:53,990 --> 00:01:47,920

exchanging information on ufos

46

00:01:56,789 --> 00:01:54,000

and extraterrestrials

47

00:01:57,910 --> 00:01:56,799

narrow nose and slit for about slits for

48

00:02:11,910 --> 00:01:57,920

years

49

00:02:16,309 --> 00:02:14,390

tonight for the first time in history

50

00:02:18,150 --> 00:02:16,319

men and women from all over the world

51
00:02:19,910 --> 00:02:18,160
come together via satellite

52
00:02:22,949 --> 00:02:19,920
to share their experiences about

53
00:02:24,710 --> 00:02:22,959
unidentified flying objects

54
00:02:26,309 --> 00:02:24,720
live from the nation's capital

55
00:02:28,630 --> 00:02:26,319
washington d.c

56
00:02:30,150 --> 00:02:28,640
lbs presents in association with

57
00:02:37,190 --> 00:02:30,160
seligman productions

58
00:02:39,030 --> 00:02:37,200
ufo cover-up live

59
00:02:40,869 --> 00:02:39,040
please welcome the distinguished actor

60
00:02:42,160 --> 00:02:40,879
producer our host

61
00:02:46,550 --> 00:02:42,170
mike farrell

62
00:02:49,990 --> 00:02:49,430
good evening what do a colonel in the

63
00:02:52,630 --> 00:02:50,000

united states

64

00:02:53,910 --> 00:02:52,640

air force a waiter in the soviet union a

65

00:02:55,509 --> 00:02:53,920

teacher in california

66

00:02:57,030 --> 00:02:55,519

and a former united states president

67

00:02:58,229 --> 00:02:57,040

have in common

68

00:03:01,270 --> 00:02:58,239

they all claim to have witnessed

69

00:03:02,630 --> 00:03:01,280

unidentified flying objects in the skies

70

00:03:04,550 --> 00:03:02,640

what we're dealing with tonight is the

71

00:03:06,309 --> 00:03:04,560

subject of universal interest

72

00:03:08,390 --> 00:03:06,319

whatever your view in the next two hours

73

00:03:10,149 --> 00:03:08,400

you'll hear claims and counter claims

74

00:03:11,750 --> 00:03:10,159

you'll hear some astounding perhaps

75

00:03:13,270 --> 00:03:11,760

disturbing things which

76

00:03:15,350 --> 00:03:13,280

if true could have far-reaching

77

00:03:16,869 --> 00:03:15,360

implications in our lives

78

00:03:18,550 --> 00:03:16,879

as is so often the case in complex

79

00:03:20,149 --> 00:03:18,560

questions it comes down

80

00:03:22,229 --> 00:03:20,159

to our assessment of the credibility of

81

00:03:23,990 --> 00:03:22,239

the individual so in this show

82

00:03:25,589 --> 00:03:24,000

you can take part by giving your opinion

83

00:03:26,949 --> 00:03:25,599

as to that credibility

84

00:03:28,789 --> 00:03:26,959

you'll also have the opportunity to

85

00:03:31,350 --> 00:03:28,799

report your own experience

86

00:03:31,990 --> 00:03:31,360

do saucers and et's exist does your

87

00:03:34,949 --> 00:03:32,000

government know

88

00:03:35,990 --> 00:03:34,959

about them if so are they covering it up

89

00:03:38,390 --> 00:03:36,000

why

90

00:03:39,990 --> 00:03:38,400

let's find out more a recent gallup poll

91

00:03:40,949 --> 00:03:40,000

discovered that only one-third of the

92

00:03:42,789 --> 00:03:40,959

american public

93

00:03:44,390 --> 00:03:42,799

denied the existence of unidentified

94

00:03:46,309 --> 00:03:44,400

flying objects

95

00:03:49,270 --> 00:03:46,319

ufo encounters are categorized into four

96

00:03:53,190 --> 00:03:51,830

it was a u-shaped craft i don't know how

97

00:03:54,789 --> 00:03:53,200

large it was because it's hard to scale

98

00:03:56,710 --> 00:03:54,799

distance in terms of how far i was my

99

00:03:59,670 --> 00:03:56,720

sister and i were just walking

100

00:04:00,149 --> 00:03:59,680

around the block and we looked up and

101
00:04:02,149 --> 00:04:00,159
there were

102
00:04:03,589 --> 00:04:02,159
you know lights uh on the bottom part of

103
00:04:05,990 --> 00:04:03,599
it that we could see as we looked up

104
00:04:09,589 --> 00:04:06,000
and uh this person has experienced a

105
00:04:11,030 --> 00:04:09,599
close encounter of the first kind

106
00:04:13,030 --> 00:04:11,040
you've had a close encounter of the

107
00:04:15,509 --> 00:04:13,040
first kind if you've seen a daylight

108
00:04:17,110 --> 00:04:15,519
disc or nocturnal light ufo at close

109
00:04:20,229 --> 00:04:17,120
range

110
00:04:20,710 --> 00:04:20,239
on april 14th 1984 hundreds of people in

111
00:04:22,950 --> 00:04:20,720
the small

112
00:04:26,830 --> 00:04:22,960
mining town of morenci arizona witnessed

113
00:04:28,070 --> 00:04:26,840

a huge boomerang shaped object in the

114

00:04:30,070 --> 00:04:28,080

sky

115

00:04:31,830 --> 00:04:30,080

encounters of the second kind are visual

116

00:04:34,150 --> 00:04:31,840

evidence of a ufo's landing

117

00:04:37,270 --> 00:04:34,160

such as impressions made by the craft

118

00:04:39,749 --> 00:04:37,280

burned or irradiated soil trees or grass

119

00:04:41,430 --> 00:04:39,759

in august of 1979 in northern minnesota

120

00:04:43,430 --> 00:04:41,440

when deputy sheriff val johnson

121

00:04:45,110 --> 00:04:43,440

encountered a brilliantly lighted object

122

00:04:46,790 --> 00:04:45,120

his vehicle was knocked off the road the

123

00:04:47,790 --> 00:04:46,800

hood dented two antenna bent and a

124

00:04:51,990 --> 00:04:47,800

headlamp broken

125

00:04:55,670 --> 00:04:53,749

in a close encounter of the third kind

126

00:04:57,510 --> 00:04:55,680

which steven spielberg made famous

127

00:05:02,230 --> 00:04:57,520

the witness observes or actually

128

00:05:05,590 --> 00:05:03,909

close encounters of the fourth kind

129

00:05:07,749 --> 00:05:05,600

include people who claim to have been

130

00:05:10,150 --> 00:05:07,759

abducted by extraterrestrials

131

00:05:11,909 --> 00:05:10,160

in almost every case abductees also

132

00:05:12,870 --> 00:05:11,919

claim to have been medically examined by

133

00:05:15,189 --> 00:05:12,880

the et's

134

00:05:18,310 --> 00:05:15,199

and eventually returned home unable to

135

00:05:19,749 --> 00:05:18,320

account for the missing time

136

00:05:21,270 --> 00:05:19,759

now there is a nominal charge of one

137

00:05:22,790 --> 00:05:21,280

dollar on your phone bill for each call

138

00:05:24,390 --> 00:05:22,800

to our 900 number

139

00:05:26,230 --> 00:05:24,400

the phones are active only in the united

140

00:05:27,270 --> 00:05:26,240

states and canada from 8 p.m friday

141

00:05:29,510 --> 00:05:27,280

october 14th

142

00:05:31,110 --> 00:05:29,520

through 1 a.m saturday october 15

143

00:05:32,790 --> 00:05:31,120

eastern daylight time

144

00:05:37,029 --> 00:05:32,800

so if you've had a close encounter of

145

00:05:41,990 --> 00:05:38,230

post encounters of 1-900-400-6181 second

146

00:05:43,350 --> 00:05:42,000

kind call 1-900-400-6182

147

00:05:46,670 --> 00:05:43,360

if you've experienced a close encounter

148

00:05:48,150 --> 00:05:46,680

of the third kind please call

149

00:05:49,670 --> 00:05:48,160

1-900-400-6183

150

00:05:50,950 --> 00:05:49,680

that's only if you've had a third kind

151
00:05:52,150 --> 00:05:50,960
encounter though not if you've just seen

152
00:05:53,510 --> 00:05:52,160
the movie

153
00:05:55,350 --> 00:05:53,520
if you had a close encounter of the

154
00:05:57,430 --> 00:05:55,360
fourth kind and you are back

155
00:06:01,189 --> 00:05:57,440
we're anxious to hear from you please

156
00:06:02,550 --> 00:06:01,199
call 1-900-400-6184

157
00:06:04,309 --> 00:06:02,560
finally if you have never had an

158
00:06:06,469 --> 00:06:04,319
encounter with an unidentified flying

159
00:06:08,870 --> 00:06:06,479
object please call one nine hundred four

160
00:06:10,150 --> 00:06:08,880
zero zero six one eight five

161
00:06:12,070 --> 00:06:10,160
if you haven't had an encounter with a

162
00:06:13,270 --> 00:06:12,080
ufo and would like to that's a long

163
00:06:14,550 --> 00:06:13,280

distance call and i don't have the

164

00:06:16,629 --> 00:06:14,560

number

165

00:06:17,749 --> 00:06:16,639

tonight some of the world's leading ufo

166

00:06:19,270 --> 00:06:17,759

experts are joining us here in

167

00:06:21,110 --> 00:06:19,280

washington dc

168

00:06:22,790 --> 00:06:21,120

now welcome the author of the search for

169

00:06:24,629 --> 00:06:22,800

extraterrestrial intelligence

170

00:06:26,309 --> 00:06:24,639

the distinguished astrophysicist dr

171

00:06:30,150 --> 00:06:26,319

thomas mcdonough

172

00:06:31,510 --> 00:06:30,160

dr mcdonough to be part of this event

173

00:06:33,029 --> 00:06:31,520

in your opinion are we alone in the

174

00:06:34,629 --> 00:06:33,039

universe well my own estimate is that

175

00:06:36,150 --> 00:06:34,639

just in our galaxy alone

176
00:06:37,830 --> 00:06:36,160
there could be millions of planets that

177
00:06:39,029 --> 00:06:37,840
might be capable of sustaining life as

178
00:06:41,029 --> 00:06:39,039
we know it

179
00:06:42,950 --> 00:06:41,039
the size of the universe is difficult to

180
00:06:45,909 --> 00:06:42,960
comprehend in this galaxy

181
00:06:47,430 --> 00:06:45,919
there are several hundred billion stars

182
00:06:48,950 --> 00:06:47,440
each one of these dots represents a

183
00:06:51,110 --> 00:06:48,960
galaxy like our milky way

184
00:06:52,710 --> 00:06:51,120
there are billions of them so the sheer

185
00:06:54,629 --> 00:06:52,720
enormity of the numbers

186
00:06:56,390 --> 00:06:54,639
leads many scientists like myself to

187
00:06:58,550 --> 00:06:56,400
conclude that there must be life

188
00:07:00,230 --> 00:06:58,560

somewhere in the universe now there are

189

00:07:01,909 --> 00:07:00,240

many theories about the origin of life

190

00:07:03,029 --> 00:07:01,919

how do you think life first began in the

191

00:07:04,870 --> 00:07:03,039

universe

192

00:07:07,270 --> 00:07:04,880

well that's where the cosmic cookbook of

193

00:07:09,029 --> 00:07:07,280

life comes in it goes like this

194

00:07:10,790 --> 00:07:09,039

take one medium-sized planet and place

195

00:07:12,550 --> 00:07:10,800

it near an average-sized star

196

00:07:14,390 --> 00:07:12,560

don't put it too close to the fire or

197

00:07:17,589 --> 00:07:14,400

burn not too far away

198

00:07:18,230 --> 00:07:17,599

or will freeze add water ammonia methane

199

00:07:19,670 --> 00:07:18,240

gas

200

00:07:21,749 --> 00:07:19,680

and electricity in the form of lightning

201
00:07:23,589 --> 00:07:21,759
to get things going stir

202
00:07:25,110 --> 00:07:23,599
and wait patiently but you'll have to be

203
00:07:26,550 --> 00:07:25,120
very patient it might take several

204
00:07:28,550 --> 00:07:26,560
hundred million years

205
00:07:30,230 --> 00:07:28,560
but sooner or later we think that some

206
00:07:31,430 --> 00:07:30,240
of those molecules will make bigger ones

207
00:07:33,029 --> 00:07:31,440
and the bigger ones will make even

208
00:07:35,589 --> 00:07:33,039
bigger ones and then reproduction will

209
00:07:37,350 --> 00:07:35,599
begin and life is born

210
00:07:39,270 --> 00:07:37,360
but perhaps the most important lesson

211
00:07:41,909 --> 00:07:39,280
we've learned about life here on earth

212
00:07:43,589 --> 00:07:41,919
is that it is incredibly adaptable from

213
00:07:44,950 --> 00:07:43,599

prehistoric times until today

214

00:07:47,430 --> 00:07:44,960

from the depths of the ocean to the

215

00:07:48,950 --> 00:07:47,440

driest deserts to the freezing cold at

216

00:07:51,909 --> 00:07:48,960

the highest mountain peaks

217

00:07:53,909 --> 00:07:51,919

life forms on earth thriving the reason

218

00:07:55,909 --> 00:07:53,919

i believe life probably exists elsewhere

219

00:07:57,670 --> 00:07:55,919

is the widespread availability of the

220

00:07:58,790 --> 00:07:57,680

ingredients in the cosmic cookbook of

221

00:08:00,950 --> 00:07:58,800

life

222

00:08:02,309 --> 00:08:00,960

so if extraterrestrials exist and are

223

00:08:04,309 --> 00:08:02,319

visiting us then how do they get from

224

00:08:06,390 --> 00:08:04,319

there to here

225

00:08:07,830 --> 00:08:06,400

one possibility is that in space you

226

00:08:09,270 --> 00:08:07,840

could accelerate until you were very

227

00:08:10,790 --> 00:08:09,280

close to the speed of light

228

00:08:12,869 --> 00:08:10,800

with fusion rockets using the abundant

229

00:08:13,990 --> 00:08:12,879

hydrogen and helium already in space

230

00:08:15,830 --> 00:08:14,000

so the rocket wouldn't have to be

231

00:08:17,270 --> 00:08:15,840

burdened carrying fuel you could

232

00:08:19,430 --> 00:08:17,280

increase your energy by millions of

233

00:08:21,670 --> 00:08:19,440

times compared with conventional rockets

234

00:08:22,869 --> 00:08:21,680

so within our lifetime even with our

235

00:08:24,309 --> 00:08:22,879

primitive technology

236

00:08:26,629 --> 00:08:24,319

according to scientists robert bassard

237

00:08:28,950 --> 00:08:26,639

robert forward and stanton friedman

238

00:08:30,070 --> 00:08:28,960

round trips to nearby stars could very

239

00:08:32,070 --> 00:08:30,080

well be feasible

240

00:08:33,670 --> 00:08:32,080

we are close to being able to get from

241

00:08:35,909 --> 00:08:33,680

here to there

242

00:08:39,430 --> 00:08:35,919

thank you dr tom mcdonough

243

00:08:41,430 --> 00:08:39,440

[Music]

244

00:08:43,110 --> 00:08:41,440

stay with us bill moore and jamie

245

00:08:44,790 --> 00:08:43,120

chanduray introduce us to their

246

00:08:47,190 --> 00:08:44,800

government informants codenamed

247

00:08:48,710 --> 00:08:47,200

falcon and condor to protect their

248

00:08:50,780 --> 00:08:48,720

identities they were photographed in

249

00:08:53,190 --> 00:08:50,790

shadow with their voices disguised

250

00:08:55,509 --> 00:08:53,200

[Music]

251
00:08:57,590 --> 00:08:55,519
stay with ufo cover up live and find out

252
00:09:11,509 --> 00:08:57,600
why project blue book was classified top

253
00:09:15,030 --> 00:09:14,310
once again live from washington d.c your

254
00:09:19,350 --> 00:09:15,040
host

255
00:09:20,870 --> 00:09:19,360
mike farrell with all the ufo sightings

256
00:09:22,230 --> 00:09:20,880
reported over the years in america the

257
00:09:23,509 --> 00:09:22,240
logical question is

258
00:09:27,509 --> 00:09:23,519
if they really exist why don't they

259
00:09:31,750 --> 00:09:29,269
and then there they were all of a sudden

260
00:09:33,350 --> 00:09:31,760
on july 26 1952

261
00:09:35,590 --> 00:09:33,360
the air force tried and failed to

262
00:09:36,790 --> 00:09:35,600
intercept up to a dozen ufos in the sky

263
00:09:38,230 --> 00:09:36,800

over the white house

264

00:09:39,990 --> 00:09:38,240

the press conference two days later

265

00:09:41,910 --> 00:09:40,000

became the largest media event since the

266

00:09:44,870 --> 00:09:41,920

end of world war two

267

00:09:45,190 --> 00:09:44,880

we can say that the recent sightings are

268

00:09:47,990 --> 00:09:45,200

in

269

00:09:49,030 --> 00:09:48,000

no way connected with any secret

270

00:09:52,389 --> 00:09:49,040

development

271

00:09:54,310 --> 00:09:52,399

by any agency of the united states

272

00:09:55,829 --> 00:09:54,320

with all due respect to the air force i

273

00:09:56,150 --> 00:09:55,839

believe that some of them will prove to

274

00:10:00,230 --> 00:09:56,160

be

275

00:10:01,509 --> 00:10:00,240

of interplanetary origin in my position

276
00:10:02,949 --> 00:10:01,519
in the research and development

277
00:10:06,069 --> 00:10:02,959
organization of the bureau of

278
00:10:08,069 --> 00:10:06,079
aeronautics and of the navy department

279
00:10:09,829 --> 00:10:08,079
i am fairly familiar with both our

280
00:10:11,110 --> 00:10:09,839
aircraft and our guided missiles

281
00:10:13,750 --> 00:10:11,120
programs

282
00:10:16,310 --> 00:10:13,760
and can state without reservation that

283
00:10:17,350 --> 00:10:16,320
the navy has no saucer-shaped aircraft

284
00:10:20,630 --> 00:10:17,360
or missile

285
00:10:22,310 --> 00:10:20,640
in any of these programs

286
00:10:23,990 --> 00:10:22,320
headlines around the country around so

287
00:10:26,150 --> 00:10:24,000
much attention that the air force formed

288
00:10:27,590 --> 00:10:26,160

an official investigative unit project

289

00:10:29,269 --> 00:10:27,600

blue book

290

00:10:30,630 --> 00:10:29,279

with me now are two retired air force

291

00:10:31,509 --> 00:10:30,640

colonels who were actively involved in

292

00:10:32,949 --> 00:10:31,519

an inquiry

293

00:10:34,389 --> 00:10:32,959

colonel robert friend who headed up

294

00:10:35,750 --> 00:10:34,399

project blue book for five years and

295

00:10:37,509 --> 00:10:35,760

colonel william coleman

296

00:10:39,269 --> 00:10:37,519

a former air force squadron commander

297

00:10:41,269 --> 00:10:39,279

who was pentagon spokesman and chief of

298

00:10:43,910 --> 00:10:41,279

public information for the air force

299

00:10:45,269 --> 00:10:43,920

friend colonel coleman welcome gentlemen

300

00:10:47,590 --> 00:10:45,279

has the air force been involved with

301
00:10:50,470 --> 00:10:47,600
ufos before the white house incident

302
00:10:51,190 --> 00:10:50,480
uh during world war ii our pilots saw

303
00:10:54,470 --> 00:10:51,200
what were called

304
00:10:57,110 --> 00:10:54,480
gremlins and foo fighters these were

305
00:10:58,550 --> 00:10:57,120
fireballs that appeared to fly along

306
00:11:00,230 --> 00:10:58,560
with our aircraft

307
00:11:02,150 --> 00:11:00,240
we were concerned that these so-called

308
00:11:03,829 --> 00:11:02,160
foo fighters or fireballs might be

309
00:11:04,870 --> 00:11:03,839
foreign weapons that could threaten our

310
00:11:06,310 --> 00:11:04,880
national security

311
00:11:08,949 --> 00:11:06,320
and did the air force ever try to chase

312
00:11:10,069 --> 00:11:08,959
the ufo yes in fact in 1948 one of our

313
00:11:12,230 --> 00:11:10,079

pilots crashed

314

00:11:13,509 --> 00:11:12,240
in pursuit of a ufo the story made

315

00:11:14,949 --> 00:11:13,519
headlines all over the world

316

00:11:16,790 --> 00:11:14,959
as i understand that that crash added

317

00:11:18,949 --> 00:11:16,800
emphasis to the conclusion that ufos

318

00:11:21,269 --> 00:11:18,959
were extraterrestrial visitors

319

00:11:22,150 --> 00:11:21,279
that's true but the air force rejected

320

00:11:24,389 --> 00:11:22,160
the conclusion

321

00:11:26,389 --> 00:11:24,399
on the grounds of insufficient evidence

322

00:11:28,710 --> 00:11:26,399
even the name of the project was changed

323

00:11:31,110 --> 00:11:28,720
from sign to grudge during that period

324

00:11:31,990 --> 00:11:31,120
to preclude this unhealthy association

325

00:11:35,350 --> 00:11:32,000
however

326
00:11:36,630 --> 00:11:35,360
by the time blue book evolved we started

327
00:11:38,790 --> 00:11:36,640
running into trouble

328
00:11:40,389 --> 00:11:38,800
hearings and inquiries regarding the way

329
00:11:42,630 --> 00:11:40,399
in which we were performing ufo

330
00:11:45,590 --> 00:11:42,640
investigations in every instance

331
00:11:46,389 --> 00:11:45,600
the congress of the united states concur

332
00:11:48,470 --> 00:11:46,399
in the way

333
00:11:49,430 --> 00:11:48,480
in which we conducted these projects

334
00:11:52,870 --> 00:11:49,440
however

335
00:11:56,949 --> 00:11:52,880
we were not disappointed with the 1969

336
00:11:59,350 --> 00:11:56,959
decision to discontinue project bluebook

337
00:12:00,389 --> 00:11:59,360
out of the 12 000 reported ufo sightings

338
00:12:03,430 --> 00:12:00,399

only 700

339

00:12:05,829 --> 00:12:03,440

remain unexplained of that remainder

340

00:12:06,790 --> 00:12:05,839

100 of them really worried us why was

341

00:12:08,790 --> 00:12:06,800

that

342

00:12:11,110 --> 00:12:08,800

because these 100 sightings involve the

343

00:12:12,069 --> 00:12:11,120

two criteria that defined a worrisome

344

00:12:14,710 --> 00:12:12,079

phenomenon

345

00:12:16,389 --> 00:12:14,720

high strangeness and high credibility

346

00:12:17,269 --> 00:12:16,399

meaning that highly credible multiple

347

00:12:19,670 --> 00:12:17,279

witnesses

348

00:12:21,670 --> 00:12:19,680

like military airline pilots see

349

00:12:23,670 --> 00:12:21,680

something they've never seen before

350

00:12:26,069 --> 00:12:23,680

neither have you ever seen a ufo yes it

351
00:12:27,110 --> 00:12:26,079
was 1955 and i was a squadron commander

352
00:12:29,670 --> 00:12:27,120
at the time

353
00:12:31,670 --> 00:12:29,680
we were flying a b-25 over alabama where

354
00:12:32,310 --> 00:12:31,680
we spotted a strange silvery object some

355
00:12:34,230 --> 00:12:32,320
25

356
00:12:35,509 --> 00:12:34,240
000 feet above us heading in the same

357
00:12:37,910 --> 00:12:35,519
direction

358
00:12:39,190 --> 00:12:37,920
since we were overtaking it i changed

359
00:12:40,150 --> 00:12:39,200
course and eventually got within an

360
00:12:41,910 --> 00:12:40,160
eighth of a mile of it

361
00:12:43,350 --> 00:12:41,920
literally right on top of the thing so

362
00:12:44,790 --> 00:12:43,360
you must have gotten a fairly good look

363
00:12:47,350 --> 00:12:44,800

at it we certainly did

364

00:12:49,110 --> 00:12:47,360

the whole crew it was wingless a disc

365

00:12:51,829 --> 00:12:49,120

some 70 feet in diameter

366

00:12:53,350 --> 00:12:51,839

15 feet thick at the center your average

367

00:12:55,430 --> 00:12:53,360

run-of-the-mill flying saucer

368

00:12:56,790 --> 00:12:55,440

and what happened then it performed an

369

00:12:58,949 --> 00:12:56,800

astonishing maneuver

370

00:13:01,030 --> 00:12:58,959

one second it was there the next it was

371

00:13:02,069 --> 00:13:01,040

gone but we chased it and caused sight

372

00:13:03,590 --> 00:13:02,079

of it again

373

00:13:05,590 --> 00:13:03,600

it was skimming over a farmer's field

374

00:13:07,829 --> 00:13:05,600

taking up vortexes of red dust

375

00:13:09,110 --> 00:13:07,839

as it flew we closed in on it from

376

00:13:11,430 --> 00:13:09,120

behind the trees

377

00:13:13,430 --> 00:13:11,440

but it vanished did you make a report of

378

00:13:15,190 --> 00:13:13,440

this incident well i wrote up reports

379

00:13:17,110 --> 00:13:15,200

i was later debriefed by an intelligence

380

00:13:18,790 --> 00:13:17,120

officer years later when i was on

381

00:13:19,509 --> 00:13:18,800

project blue book i tried to find my

382

00:13:23,030 --> 00:13:19,519

report

383

00:13:25,030 --> 00:13:23,040

it was not in the files not in the files

384

00:13:26,470 --> 00:13:25,040

now you say you saw this object at point

385

00:13:27,990 --> 00:13:26,480

blank range could it have been a

386

00:13:30,310 --> 00:13:28,000

balloon or an experimental aircraft

387

00:13:32,310 --> 00:13:30,320

absolutely not it displayed a level of

388

00:13:34,310 --> 00:13:32,320

technology far beyond anything i had

389

00:13:36,069 --> 00:13:34,320
seen on the earth then and now

390

00:13:37,190 --> 00:13:36,079
with this advanced level of technology

391

00:13:38,870 --> 00:13:37,200
were you ever concerned that the object

392

00:13:40,230 --> 00:13:38,880
could be a threat to national security

393

00:13:42,790 --> 00:13:40,240
no not necessarily a threat to our

394

00:13:44,470 --> 00:13:42,800
national security but i was uneasy about

395

00:13:46,790 --> 00:13:44,480
these ufos because they were able to

396

00:13:48,790 --> 00:13:46,800
accomplish aerial feats that we couldn't

397

00:13:50,470 --> 00:13:48,800
the apparent capability of these objects

398

00:13:52,710 --> 00:13:50,480
could possibly represent

399

00:13:54,710 --> 00:13:52,720
a threat to our national security what's

400

00:13:59,030 --> 00:13:54,720
become a project blue book

401
00:14:02,069 --> 00:13:59,040
that's it mike it was cancelled in 1969

402
00:14:03,430 --> 00:14:02,079
and will not be reactivated well colonel

403
00:14:04,069 --> 00:14:03,440
coleman colonel friend thank you both

404
00:14:05,750 --> 00:14:04,079
and

405
00:14:07,430 --> 00:14:05,760
while we're on the subject of blue book

406
00:14:08,790 --> 00:14:07,440
let's hear another view from a scientist

407
00:14:10,629 --> 00:14:08,800
currently working for the government

408
00:14:11,990 --> 00:14:10,639
now because he has insisted on anonymity

409
00:14:12,870 --> 00:14:12,000
both his appearance and his voice have

410
00:14:14,310 --> 00:14:12,880
been altered

411
00:14:15,990 --> 00:14:14,320
but his credentials have been thoroughly

412
00:14:17,750 --> 00:14:16,000
researched by the investigative team of

413
00:14:26,550 --> 00:14:17,760

bill moore and jamie chanduray

414

00:14:39,910 --> 00:14:28,790

by the air force to collect information

415

00:14:45,189 --> 00:14:43,110

the interesting most exciting reports

416

00:14:48,150 --> 00:14:45,199

that came into blue book

417

00:14:50,550 --> 00:14:48,160

um were often disciplined off by what

418

00:14:54,150 --> 00:14:50,560

they call moles within the organization

419

00:15:11,509 --> 00:14:55,910

pulled out of the files and never

420

00:15:15,990 --> 00:15:14,550

they certainly didn't want unknowns was

421

00:15:19,110 --> 00:15:16,000

to minimize

422

00:15:21,030 --> 00:15:19,120

uh the effects of these reports and

423

00:15:23,509 --> 00:15:21,040

trying to explain away as many as they

424

00:15:33,509 --> 00:15:23,519

could yeah of course it worked

425

00:15:40,250 --> 00:15:36,629

of course we know that they carried on

426

00:15:42,310 --> 00:15:40,260

with a covert operation

427

00:15:43,990 --> 00:15:42,320

[Music]

428

00:15:45,829 --> 00:15:44,000

when blue book closed down the official

429

00:15:46,710 --> 00:15:45,839

us government position was that ufos

430

00:15:48,310 --> 00:15:46,720

didn't exist

431

00:15:52,470 --> 00:15:48,320

and americans accepted this contention

432

00:15:52,480 --> 00:16:17,990

do you hear something hear what

433

00:16:21,350 --> 00:16:19,829

subsequent reports were discredited

434

00:16:21,990 --> 00:16:21,360

relegated to the tabloids at the

435

00:16:24,310 --> 00:16:22,000

supermarket

436

00:16:26,389 --> 00:16:24,320

checkout counter after blue book's final

437

00:16:29,030 --> 00:16:26,399

report anyone who claimed to see a ufo

438

00:16:32,310 --> 00:16:29,040

was considered some kind of nut

439

00:16:35,430 --> 00:16:32,320

it was a saucer we saw it

440

00:16:37,590 --> 00:16:35,440

we heard it both of us but more do we

441

00:16:40,069 --> 00:16:37,600

need to know

442

00:16:42,470 --> 00:16:40,079

we have to have time to think to

443

00:16:45,829 --> 00:16:42,480

evaluate this

444

00:16:49,350 --> 00:16:47,749

so most sightings go unreported

445

00:16:54,150 --> 00:16:49,360

particularly sightings by aircraft

446

00:16:57,990 --> 00:16:56,949

could be a satellite 31 i have a primary

447

00:17:07,190 --> 00:16:58,000

target now in your

448

00:17:07,200 --> 00:17:14,520

[Music]

449

00:17:21,210 --> 00:17:16,829

[Applause]

450

00:17:21,220 --> 00:17:28,549

[Music]

451

00:17:28,559 --> 00:17:40,070

turn right 30 degrees

452

00:17:43,510 --> 00:17:41,909

with me now are dr richard f haynes and

453

00:17:46,070 --> 00:17:43,520

captain neil daniels

454

00:17:47,909 --> 00:17:46,080

dr haynes now retired directed research

455

00:17:50,310 --> 00:17:47,919

and development projects at nasa's

456

00:17:51,430 --> 00:17:50,320

ames research center for 20 years

457

00:17:53,110 --> 00:17:51,440

welcome dr haynes

458

00:17:54,230 --> 00:17:53,120

captain daniels dr haynes tell us about

459

00:17:55,590 --> 00:17:54,240

pilot sightings that you've been

460

00:17:57,990 --> 00:17:55,600

studying

461

00:18:00,390 --> 00:17:58,000

well mike i've dealt with over 3 000

462

00:18:02,470 --> 00:18:00,400

pilot cases from all over the world

463

00:18:05,190 --> 00:18:02,480

including some very skeptical pilots i

464

00:18:07,190 --> 00:18:05,200

might add who have since seen a ufo and

465

00:18:09,750 --> 00:18:07,200

completely change their minds

466

00:18:11,669 --> 00:18:09,760

and risk their reputations why do you

467

00:18:13,590 --> 00:18:11,679

limit your research to pilots

468

00:18:15,190 --> 00:18:13,600

well because pilots are very reliable

469

00:18:16,710 --> 00:18:15,200

and credible witnesses

470

00:18:18,470 --> 00:18:16,720

their jobs and their lives or their

471

00:18:19,990 --> 00:18:18,480

passengers depend on them

472

00:18:22,470 --> 00:18:20,000

they must be aware of what's going on in

473

00:18:24,549 --> 00:18:22,480

the skies around unfortunately

474

00:18:26,070 --> 00:18:24,559

most of them ask for anonymity really

475

00:18:27,430 --> 00:18:26,080

why is that

476

00:18:29,430 --> 00:18:27,440

well i think it's because of fear of

477

00:18:29,990 --> 00:18:29,440

ridicule or worse fear of losing their

478

00:18:31,669 --> 00:18:30,000

jobs

479

00:18:34,230 --> 00:18:31,679

i mean no airline wants to be promoted

480

00:18:36,710 --> 00:18:34,240

with the slogan fly us and see a ufo

481

00:18:38,230 --> 00:18:36,720

might increase business fortunately we

482

00:18:39,430 --> 00:18:38,240

do have a pilot who's come forward and

483

00:18:40,470 --> 00:18:39,440

has enough courage to share his

484

00:18:42,230 --> 00:18:40,480

experiences

485

00:18:43,590 --> 00:18:42,240

captain neil daniels who flew for united

486

00:18:45,350 --> 00:18:43,600

airlines for 35 years

487

00:18:46,870 --> 00:18:45,360

captain daniels thanks for being here

488

00:18:47,669 --> 00:18:46,880

would you tell us about your experience

489

00:18:49,270 --> 00:18:47,679

with the ufo

490

00:18:50,870 --> 00:18:49,280

uh i was piloting a flight from san

491

00:18:53,909 --> 00:18:50,880

francisco to boston on

492

00:18:56,710 --> 00:18:53,919

march the 12th in 1977

493

00:18:58,390 --> 00:18:56,720

and an altitude of 37 000 feet i became

494

00:19:01,110 --> 00:18:58,400

aware of a blinding bright

495

00:19:02,950 --> 00:19:01,120

white light out to the left of the dc-10

496

00:19:03,990 --> 00:19:02,960

i estimated to be at about a thousand

497

00:19:05,190 --> 00:19:04,000

yards and

498

00:19:07,190 --> 00:19:05,200

i don't know the object could have been

499

00:19:09,990 --> 00:19:07,200

several hundred feet in diameter

500

00:19:10,950 --> 00:19:10,000

but it didn't read on ground radar could

501
00:19:13,110 --> 00:19:10,960
you tell what it was

502
00:19:14,549 --> 00:19:13,120
no could it have been a commercial

503
00:19:16,549 --> 00:19:14,559
flight or a military aircraft

504
00:19:18,070 --> 00:19:16,559
absolutely not at the speed of which it

505
00:19:18,549 --> 00:19:18,080
departed i've never seen anything like

506
00:19:20,070 --> 00:19:18,559
it

507
00:19:21,990 --> 00:19:20,080
was this object in any way a threat to

508
00:19:23,669 --> 00:19:22,000
your plane the three compasses were

509
00:19:25,510 --> 00:19:23,679
indicating opposite directions and the

510
00:19:26,310 --> 00:19:25,520
plane was veering off and banking to the

511
00:19:28,630 --> 00:19:26,320
left from this

512
00:19:29,909 --> 00:19:28,640
by a strong magnetic pull well how did

513
00:19:31,830 --> 00:19:29,919

you and your crew react

514

00:19:33,510 --> 00:19:31,840

uh the flight engineer kept repeating uh

515

00:19:34,390 --> 00:19:33,520

i don't want to see it i don't want to

516

00:19:38,310 --> 00:19:34,400

know about it

517

00:19:39,990 --> 00:19:38,320

file a report it was a short layover and

518

00:19:41,110 --> 00:19:40,000

the faa would have hassled me all night

519

00:19:43,669 --> 00:19:41,120

so i let it go

520

00:19:45,270 --> 00:19:43,679

so that was the end of that yes but uh

521

00:19:46,630 --> 00:19:45,280

six months later i was on a hunting trip

522

00:19:49,029 --> 00:19:46,640

with my boss and

523

00:19:50,710 --> 00:19:49,039

i told him the story and he said gee i'm

524

00:19:51,830 --> 00:19:50,720

sorry you told me that strange things

525

00:19:52,549 --> 00:19:51,840

happen to people who have these

526

00:19:55,750 --> 00:19:52,559

sightings

527

00:19:57,510 --> 00:19:55,760

strange things like what well in my

528

00:19:59,430 --> 00:19:57,520

experience people are fearfully losing

529

00:20:01,430 --> 00:19:59,440

their jobs or being transferred

530

00:20:03,110 --> 00:20:01,440

so much for telling the truth well thank

531

00:20:04,950 --> 00:20:03,120

you dr haynes captain daniels for coming

532

00:20:06,710 --> 00:20:04,960

forward on ufo cover-up

533

00:20:08,470 --> 00:20:06,720

incidentally captain daniels now

534

00:20:09,590 --> 00:20:08,480

lectures at san francisco's fear of

535

00:20:11,270 --> 00:20:09,600

flying clinic

536

00:20:13,750 --> 00:20:11,280

i mean flying airplanes not flying

537

00:20:22,950 --> 00:20:13,760

saucers

538

00:20:26,470 --> 00:20:25,430

holy mackerel urban power to american

539

00:20:29,510 --> 00:20:26,480

flight 812

540

00:20:29,520 --> 00:20:36,549

trouble take a look for yourself

541

00:20:42,470 --> 00:20:39,909

that's nothing from this world

542

00:20:44,620 --> 00:20:42,480

coming up a startling report live from

543

00:20:46,149 --> 00:20:44,630

moscow

544

00:20:48,710 --> 00:20:46,159

[Music]

545

00:20:49,909 --> 00:20:48,720

not only did the pilot and the crew see

546

00:20:52,149 --> 00:20:49,919

that beautiful

547

00:20:53,909 --> 00:20:52,159

but also made of the passengers of the

548

00:20:56,149 --> 00:20:53,919

plane

549

00:20:57,190 --> 00:20:56,159

ufo sightings are happening all over the

550

00:20:58,950 --> 00:20:57,200

world

551
00:21:02,149 --> 00:20:58,960
through the freedom of information act

552
00:21:05,110 --> 00:21:02,159
we've obtained a report from iran

553
00:21:06,870 --> 00:21:05,120
on september 18 1976 the imperial

554
00:21:08,630 --> 00:21:06,880
iranian air force reported flying

555
00:21:10,070 --> 00:21:08,640
objects so bright they illuminated the

556
00:21:11,830 --> 00:21:10,080
ground below

557
00:21:13,350 --> 00:21:11,840
alarm citizens all over tehran

558
00:21:14,310 --> 00:21:13,360
telephoned authorities with similar

559
00:21:15,830 --> 00:21:14,320
sightings

560
00:21:17,990 --> 00:21:15,840
simultaneous reports came from the

561
00:21:19,350 --> 00:21:18,000
iranian air force tower personnel and

562
00:21:21,190 --> 00:21:19,360
ground radar

563
00:21:22,710 --> 00:21:21,200

us military intelligence forwarded

564

00:21:23,590 --> 00:21:22,720

reports to the defense intelligence

565

00:21:25,430 --> 00:21:23,600

agency

566

00:21:28,390 --> 00:21:25,440

as far as we've been able to ascertain

567

00:21:30,789 --> 00:21:28,400

dia did nothing with these reports

568

00:21:32,870 --> 00:21:30,799

guatemala central america camera crews

569

00:21:34,710 --> 00:21:32,880

were poised to film a car commercial

570

00:21:36,200 --> 00:21:34,720

suddenly the cameraman was distracted by

571

00:21:38,950 --> 00:21:36,210

lights in the sky

572

00:21:40,630 --> 00:21:38,960

[Music]

573

00:21:42,390 --> 00:21:40,640

and now for manitoba canada an

574

00:21:44,070 --> 00:21:42,400

eyewitness account welcome

575

00:21:45,750 --> 00:21:44,080

mr robert berry an independent

576
00:21:46,870 --> 00:21:45,760
researcher and investigator from york

577
00:21:48,230 --> 00:21:46,880
pennsylvania

578
00:21:51,430 --> 00:21:48,240
bob tell us about the sighting near

579
00:21:54,470 --> 00:21:53,830
we're watching as this ufo moves across

580
00:21:57,590 --> 00:21:54,480
the screen

581
00:21:59,830 --> 00:21:57,600
three times at normal speed then

582
00:22:02,789 --> 00:21:59,840
the same movement once in very slow

583
00:22:04,870 --> 00:22:02,799
motion 140 at the normal speed

584
00:22:07,750 --> 00:22:04,880
now here's another sighting of the same

585
00:22:10,470 --> 00:22:07,760
object also witnessed by the whole town

586
00:22:12,630 --> 00:22:10,480
of carmen manitoba who turned out for

587
00:22:15,510 --> 00:22:12,640
the incredible light show

588
00:22:16,950 --> 00:22:15,520

now as we slow the film down watch as

589

00:22:18,950 --> 00:22:16,960

the ufo jumps

590

00:22:20,149 --> 00:22:18,960

from the right side of the screen to the

591

00:22:23,750 --> 00:22:20,159

top of the screen

592

00:22:24,710 --> 00:22:23,760

and lights up the whole sky the ufo is

593

00:22:27,909 --> 00:22:24,720

calculated

594

00:22:30,950 --> 00:22:27,919

to have been traveling faster and 30 000

595

00:22:34,549 --> 00:22:32,470

it's very impressive in fact it didn't

596

00:22:37,029 --> 00:22:34,559

appear to light up the whole sky

597

00:22:39,990 --> 00:22:37,039

now live by satellite to moscow for the

598

00:22:41,510 --> 00:22:40,000

first ufo glasnost in television history

599

00:22:43,669 --> 00:22:41,520

please welcome from the soviet news

600

00:22:44,470 --> 00:22:43,679

agency tas our journalist and ufo

601
00:22:46,070 --> 00:22:44,480
investigator

602
00:22:47,510 --> 00:22:46,080
who has researched many encounters with

603
00:22:50,870 --> 00:22:47,520
ufos in the soviet union

604
00:22:54,789 --> 00:22:50,880
mr sergei boulansoff

605
00:22:58,950 --> 00:22:54,799
welcome sergey

606
00:23:02,870 --> 00:23:00,549
we don't seem to be getting through i've

607
00:23:05,430 --> 00:23:02,880
been listening to the show michael

608
00:23:07,430 --> 00:23:05,440
it's really very exciting i am very

609
00:23:09,909 --> 00:23:07,440
pleased to be a part of it

610
00:23:12,070 --> 00:23:09,919
thank you sir tell me what are the most

611
00:23:16,070 --> 00:23:12,080
impressive recent ufo reports in the

612
00:23:20,870 --> 00:23:19,990
in 1984 a tuple of aircraft flying from

613
00:23:24,070 --> 00:23:20,880

tbc

614

00:23:27,590 --> 00:23:24,080
to italian encountered a ufo

615

00:23:28,149 --> 00:23:27,600
at 4 10 a.m can you tell me who

616

00:23:34,230 --> 00:23:28,159
witnessed

617

00:23:41,830 --> 00:23:38,149
no first the pilot noticed a bright

618

00:23:45,110 --> 00:23:41,840
beam of light shoot down to the ground

619

00:23:45,510 --> 00:23:45,120
everything on the ground road and houses

620

00:23:49,990 --> 00:23:45,520
were

621

00:23:53,430 --> 00:23:50,000
totally eliminated by the

622

00:23:55,110 --> 00:23:53,440
these illustration they are totally

623

00:23:59,909 --> 00:23:55,120
illuminated

624

00:24:04,310 --> 00:24:02,870
the beam of light was redirected onto

625

00:24:07,990 --> 00:24:04,320
the airplane

626
00:24:08,950 --> 00:24:08,000
and the crew saw a blinding white point

627
00:24:12,950 --> 00:24:08,960
of light

628
00:24:14,950 --> 00:24:12,960
surrounded by concentric colored circles

629
00:24:17,590 --> 00:24:14,960
as i'm told that that indicates the

630
00:24:19,990 --> 00:24:17,600
presence of a very strong magnetic field

631
00:24:21,990 --> 00:24:20,000
what happened next the right point of

632
00:24:25,830 --> 00:24:22,000
light swept down to the plane

633
00:24:27,350 --> 00:24:25,840
leaving a green cloud and began to swing

634
00:24:30,470 --> 00:24:27,360
from left to right

635
00:24:34,310 --> 00:24:30,480
up and down once again finally

636
00:24:37,430 --> 00:24:34,320
finally it flew alongside the

637
00:24:40,789 --> 00:24:37,440
airplane and as if it was

638
00:24:44,390 --> 00:24:40,799

an escort the passengers of the plane

639

00:24:47,430 --> 00:24:44,400

also saw this ufo and

640

00:24:50,789 --> 00:24:47,440

after landing in italian estonia

641

00:24:51,190 --> 00:24:50,799

the crew was told that these ue4 had

642

00:24:54,390 --> 00:24:51,200

been

643

00:24:56,230 --> 00:24:54,400

also seen on the rudder screen

644

00:24:59,149 --> 00:24:56,240

the common denominator in these

645

00:25:01,990 --> 00:24:59,159

sightings seems to be some sort of thing

646

00:25:05,029 --> 00:25:02,000

1981 in euros level

647

00:25:06,630 --> 00:25:05,039

uh some 200 kilometers from moscow north

648

00:25:10,470 --> 00:25:06,640

of moscow

649

00:25:13,990 --> 00:25:10,480

two witnesses vitali 23 and

650

00:25:17,510 --> 00:25:14,000

alexander 32 saw something really very

651
00:25:20,549 --> 00:25:17,520
strange in the park that was an

652
00:25:23,909 --> 00:25:20,559
egg-shaped audio object

653
00:25:24,950 --> 00:25:23,919
lying on the ground uh just six or maybe

654
00:25:28,230 --> 00:25:24,960
seven meters

655
00:25:31,669 --> 00:25:28,240
from them the object was bluish

656
00:25:35,990 --> 00:25:31,679
about five meters in diameter and uh

657
00:25:43,430 --> 00:25:39,430
it suddenly the object moved

658
00:25:48,549 --> 00:25:43,440
and began to open like a flower

659
00:25:51,350 --> 00:25:48,559
alexander saw two human like beings

660
00:25:52,710 --> 00:25:51,360
two human-like beings of european tie of

661
00:25:55,909 --> 00:25:52,720
european type

662
00:25:56,630 --> 00:25:55,919
but very tall more than two meters close

663
00:26:00,149 --> 00:25:56,640

to seven

664

00:26:01,350 --> 00:26:00,159

feet they grew up from the center of the

665

00:26:05,110 --> 00:26:01,360

road object

666

00:26:08,870 --> 00:26:05,120

and approached alexander he said

667

00:26:13,190 --> 00:26:08,880

both beings were radiating some kind of

668

00:26:15,990 --> 00:26:13,200

rose rose-colored light their

669

00:26:16,549 --> 00:26:16,000

heads were clear but the rest of their

670

00:26:19,750 --> 00:26:16,559

bodies

671

00:26:22,549 --> 00:26:19,760

was out seemed out of focus

672

00:26:23,830 --> 00:26:22,559

and then a very strange telepathic

673

00:26:27,669 --> 00:26:23,840

conversation

674

00:26:31,590 --> 00:26:27,679

took place they said don't be afraid

675

00:26:33,110 --> 00:26:31,600

we won't hurt you in the movie uh here

676
00:26:34,789 --> 00:26:33,120
the close encounters of the third kind

677
00:26:36,549 --> 00:26:34,799
the extraterrestrials communicate with

678
00:26:38,149 --> 00:26:36,559
us through some sort of language of

679
00:26:38,950 --> 00:26:38,159
music much as you suggested they talked

680
00:26:41,190 --> 00:26:38,960
to alexander

681
00:26:43,110 --> 00:26:41,200
what happened next both human-like

682
00:26:46,390 --> 00:26:43,120
beings entered the flower

683
00:26:47,669 --> 00:26:46,400
it closed and disappeared

684
00:26:51,350 --> 00:26:47,679
what about the other man what was he

685
00:26:56,230 --> 00:26:53,909
all this time he was sitting on the snow

686
00:26:58,870 --> 00:26:56,240
as if he was paralyzed

687
00:27:00,470 --> 00:26:58,880
he didn't but he didn't take part in the

688
00:27:03,190 --> 00:27:00,480

conversation

689

00:27:05,510 --> 00:27:03,200

i don't blame him have you investigated

690

00:27:08,789 --> 00:27:05,520

any abduction cases in the ussr

691

00:27:12,870 --> 00:27:08,799

uh yes in

692

00:27:16,149 --> 00:27:12,880

in june 1975 near borisov

693

00:27:21,029 --> 00:27:16,159

south of moscow at 2 am

694

00:27:25,909 --> 00:27:21,039

a soviet army officer saw a very strange

695

00:27:29,110 --> 00:27:25,919

domed ue4 aircraft on the ground

696

00:27:32,310 --> 00:27:29,120

he he approached it and saw

697

00:27:34,630 --> 00:27:32,320

two alien silhouettes inside when he

698

00:27:37,990 --> 00:27:34,640

came closer he felt something like

699

00:27:41,350 --> 00:27:38,000

an invisible wall and don then lost

700

00:27:44,710 --> 00:27:41,360

consciousness when he recovered

701
00:27:48,230 --> 00:27:44,720
he saw an alien craft aircraft

702
00:27:51,269 --> 00:27:48,240
fly away he thought about

703
00:27:53,430 --> 00:27:51,279
uh 15 minutes had passed but when

704
00:27:54,630 --> 00:27:53,440
he checked his watch much to his

705
00:27:57,750 --> 00:27:54,640
amazement

706
00:28:01,110 --> 00:27:57,760
one hour had passed and

707
00:28:04,230 --> 00:28:01,120
later he had

708
00:28:08,870 --> 00:28:04,240
the same dream over and over again

709
00:28:11,750 --> 00:28:08,880
he was flying over the ufo landing side

710
00:28:13,110 --> 00:28:11,760
so he thinks he was abducted that sounds

711
00:28:14,549 --> 00:28:13,120
actually very similar to some of the

712
00:28:15,669 --> 00:28:14,559
abduction stories we've encountered in

713
00:28:17,269 --> 00:28:15,679

the united states

714

00:28:19,029 --> 00:28:17,279

i understand you have some photographs

715

00:28:23,430 --> 00:28:19,039

that you can show us

716

00:28:27,669 --> 00:28:23,440

yes certainly this one was made

717

00:28:32,070 --> 00:28:27,679

in bulgaria near stara zagora

718

00:28:34,149 --> 00:28:32,080

in july of 1978

719

00:28:36,230 --> 00:28:34,159

a married couple was drinking tea at

720

00:28:37,510 --> 00:28:36,240

their country house when they saw this

721

00:28:40,070 --> 00:28:37,520

hovering object

722

00:28:41,909 --> 00:28:40,080

they took this snapshot with a polaroid

723

00:28:45,190 --> 00:28:41,919

camera

724

00:28:49,909 --> 00:28:45,200

and there is ue4 this

725

00:28:53,350 --> 00:28:49,919

ufo had been seen please change picture

726

00:28:58,389 --> 00:28:53,360

please change picture and

727

00:29:01,590 --> 00:28:58,399

another year for this year for

728

00:29:04,950 --> 00:29:01,600

yes this ufo had been seen

729

00:29:08,789 --> 00:29:04,960

near uh at the murmansk region near

730

00:29:11,510 --> 00:29:08,799

finland's border the same year

731

00:29:13,110 --> 00:29:11,520

this snapshot had been reportedly made

732

00:29:15,909 --> 00:29:13,120

by the militia

733

00:29:17,430 --> 00:29:15,919

thank you sergey joining us now is

734

00:29:19,350 --> 00:29:17,440

leonard nikitian

735

00:29:20,710 --> 00:29:19,360

science secretary excuse me of the

736

00:29:22,470 --> 00:29:20,720

working group extraterrestrial

737

00:29:25,110 --> 00:29:22,480

intelligence in the ussr

738

00:29:26,070 --> 00:29:25,120

academy of sciences mr nikitian i

739

00:29:28,549 --> 00:29:26,080

understand that you have

740

00:29:29,110 --> 00:29:28,559

thousands of reports of ufo sightings in

741

00:29:40,630 --> 00:29:29,120

the

742

00:29:44,470 --> 00:29:40,640

explained later as natural events

743

00:29:48,149 --> 00:29:44,480

but some were mysterious

744

00:29:51,590 --> 00:29:48,159

and unexplainable i feel these are

745

00:29:55,750 --> 00:29:51,600

extraterrestrial probes without

746

00:29:56,950 --> 00:29:55,760

life as we know it uh you mean unmanned

747

00:29:59,350 --> 00:29:56,960

space probes

748

00:30:00,870 --> 00:29:59,360

was there any uh official reaction to

749

00:30:03,750 --> 00:30:00,880

ufos from soviet science

750

00:30:05,350 --> 00:30:03,760

recently most uh scientists here

751
00:30:09,590 --> 00:30:05,360
dismissed them

752
00:30:13,990 --> 00:30:09,600
but now the situation is

753
00:30:17,830 --> 00:30:14,000
changing several years ago we formed

754
00:30:20,950 --> 00:30:17,840
a ufo group that included

755
00:30:24,310 --> 00:30:20,960
many investigators scientists

756
00:30:27,590 --> 00:30:24,320
cosmonauts technicians

757
00:30:31,830 --> 00:30:27,600
writers journalists and so on

758
00:30:36,230 --> 00:30:31,840
in 1944

759
00:30:39,510 --> 00:30:36,240
in 19 it's all right 84

760
00:30:42,950 --> 00:30:39,520
we published an announcement in

761
00:30:46,310 --> 00:30:42,960
several soviet newspapers

762
00:30:49,430 --> 00:30:46,320
asking anyone who had had

763
00:30:52,789 --> 00:30:49,440

a ufo experience

764

00:30:54,230 --> 00:30:52,799

to contact our organization

765

00:30:55,510 --> 00:30:54,240

that's interesting we're doing the very

766

00:30:56,710 --> 00:30:55,520

same thing tonight what kind of

767

00:31:01,029 --> 00:30:56,720

responses did you get

768

00:31:04,549 --> 00:31:01,039

it only appeared to us we were amazed

769

00:31:08,070 --> 00:31:04,559

to receive approximately 20

770

00:31:11,350 --> 00:31:08,080

000 letters now

771

00:31:16,310 --> 00:31:11,360

we are attempting to approach

772

00:31:20,870 --> 00:31:16,320

the ufo ufo phenomena

773

00:31:28,630 --> 00:31:24,950

in our search for methods to contact

774

00:31:32,509 --> 00:31:28,640

this extraterrestrial intelligence

775

00:31:36,070 --> 00:31:32,519

personally i am sure will meet

776

00:31:39,350 --> 00:31:36,080

extraterrestrial at last

777

00:31:41,669 --> 00:31:39,360

maybe sooner than we think thank you sir

778

00:31:43,669 --> 00:31:41,679

sergey boulansoff leonard nikitian thank

779

00:31:58,549 --> 00:31:43,679

you very much for all you've done so far

780

00:32:04,630 --> 00:32:01,590

now back to washington dc live and mike

781

00:32:08,630 --> 00:32:07,110

in the 1950s america went ufo crazy

782

00:32:12,230 --> 00:32:08,640

waves of sightings were often followed

783

00:32:15,830 --> 00:32:13,830

pranksters were busy airbrushing

784

00:32:17,110 --> 00:32:15,840

negatives and doing photographic cut and

785

00:32:19,029 --> 00:32:17,120

paste jobs

786

00:32:20,789 --> 00:32:19,039

they even tossed saucepans in front of

787

00:32:21,590 --> 00:32:20,799

the camera and dangled hubcaps in the

788

00:32:22,870 --> 00:32:21,600

air

789

00:32:24,950 --> 00:32:22,880

obviously they were just out to get

790

00:32:27,350 --> 00:32:24,960

publicity george

791

00:32:29,350 --> 00:32:27,360

adamski claimed direct contact with

792

00:32:30,870 --> 00:32:29,360

blond-haired aliens who took him to the

793

00:32:38,950 --> 00:32:30,880

moon in venus

794

00:32:42,789 --> 00:32:41,110

then came the barker incident at a small

795

00:32:44,549 --> 00:32:42,799

airfield in west virginia where this

796

00:32:46,630 --> 00:32:44,559

film footage was shot

797

00:32:47,669 --> 00:32:46,640

this was termed the lost creek flying

798

00:32:49,269 --> 00:32:47,679

saucer

799

00:32:50,870 --> 00:32:49,279

many people who saw this film believed

800

00:32:52,310 --> 00:32:50,880

that the hanging thing you see was in

801
00:32:55,909 --> 00:32:52,320
fact a ufo

802
00:32:57,350 --> 00:32:55,919
we'll leave it to you the 60s and 70s

803
00:32:59,190 --> 00:32:57,360
brought various groups of people who

804
00:33:02,549 --> 00:32:59,200
actually built saucer-shaped vehicles

805
00:33:06,310 --> 00:33:04,549
and about 10 years ago there began what

806
00:33:06,789 --> 00:33:06,320
we believe to be the most elaborate hoax

807
00:33:09,430 --> 00:33:06,799
of all

808
00:33:11,029 --> 00:33:09,440
a swiss farmer billy meyer claimed to

809
00:33:12,870 --> 00:33:11,039
have had direct contact with an

810
00:33:15,909 --> 00:33:12,880
extraterrestrial group from the pleiades

811
00:33:19,350 --> 00:33:17,430
meyer produced photographs of what he

812
00:33:22,870 --> 00:33:19,360
called beam ships

813
00:33:25,909 --> 00:33:24,389

the occupants of these beam ships

814

00:33:27,190 --> 00:33:25,919

interestingly one of the aliens looked

815

00:33:29,110 --> 00:33:27,200

very much like a swiss

816

00:33:30,870 --> 00:33:29,120

fashion model and the so-called beam

817

00:33:32,630 --> 00:33:30,880

ship was found in his barn

818

00:33:34,789 --> 00:33:32,640

now billy myers beam ships may have been

819

00:33:35,909 --> 00:33:34,799

obvious hoax but thousands of ufo

820

00:33:37,990 --> 00:33:35,919

sightings from all over the world are

821

00:33:39,750 --> 00:33:38,000

not so easily explained away

822

00:33:42,470 --> 00:33:39,760

joining me now from the suburbs of new

823

00:33:44,070 --> 00:33:42,480

york city are robert pazuoli a computer

824

00:33:45,269 --> 00:33:44,080

systems executive and his wife laurie

825

00:33:47,350 --> 00:33:45,279

i'm glad you could be with us tonight

826

00:33:49,509 --> 00:33:47,360

thank you and nice to be here uh tell us

827

00:33:51,110 --> 00:33:49,519

what happened to you four years ago

828

00:33:53,909 --> 00:33:51,120

local residents around our town of

829

00:33:56,149 --> 00:33:53,919

brewster new york reported seeing ufos

830

00:33:57,110 --> 00:33:56,159

more than 9 000 reports came in and were

831

00:33:59,669 --> 00:33:57,120

always the same

832

00:34:01,830 --> 00:33:59,679

noiseless wolverines boomerang shaped

833

00:34:03,430 --> 00:34:01,840

objects approximately 150 feet from

834

00:34:05,590 --> 00:34:03,440

wingtip to wingtip

835

00:34:07,269 --> 00:34:05,600

when we spotted it i had my video camera

836

00:34:09,349 --> 00:34:07,279

and we quickly started shooting

837

00:34:10,710 --> 00:34:09,359

the footage you'll see i think your

838

00:34:11,430 --> 00:34:10,720

comments on the tape are especially

839

00:34:16,790 --> 00:34:11,440

interesting

840

00:34:23,669 --> 00:34:21,109

oh good god i don't know

841

00:34:24,950 --> 00:34:23,679

i'm not playing i'll be i'm going to

842

00:34:30,950 --> 00:34:24,960

tell you something honey

843

00:34:34,790 --> 00:34:33,030

tell me what kind of effect this

844

00:34:37,510 --> 00:34:34,800

sighting has had on your life

845

00:34:38,710 --> 00:34:37,520

wow we've become very popular well

846

00:34:40,710 --> 00:34:38,720

that's certainly not bad isn't it

847

00:34:41,990 --> 00:34:40,720

no bob and lori paswalli thank you very

848

00:34:44,389 --> 00:34:42,000

much for joining us tonight

849

00:34:47,109 --> 00:34:44,399

thank you now from the piney woods of

850

00:34:48,629 --> 00:34:47,119

east texas on december 23rd 1980

851
00:34:50,149 --> 00:34:48,639
comes a bizarre close encounter of the

852
00:34:52,710 --> 00:34:50,159
second kind experienced by our next

853
00:34:54,550 --> 00:34:52,720
guests betty cash and vicki landrum

854
00:34:55,750 --> 00:34:54,560
betty vicki thank you for making the

855
00:34:57,990 --> 00:34:55,760
trip here tonight

856
00:34:59,109 --> 00:34:58,000
welcome to our show tell me what

857
00:35:01,589 --> 00:34:59,119
happened to you that night

858
00:35:03,349 --> 00:35:01,599
it was a very cool night vic and i and

859
00:35:04,630 --> 00:35:03,359
her grandson were coming back from

860
00:35:07,510 --> 00:35:04,640
playing bingo

861
00:35:10,069 --> 00:35:07,520
suddenly little kobe noticed a bright

862
00:35:12,230 --> 00:35:10,079
light in the sky above the pine trees

863
00:35:14,550 --> 00:35:12,240

a tremendous amount of heat was coming

864

00:35:16,950 --> 00:35:14,560

from this diamond shape thing

865

00:35:19,990 --> 00:35:16,960

fire was coming out of the bottom of it

866

00:35:22,790 --> 00:35:20,000

when it moved it made a swishing sound

867

00:35:24,950 --> 00:35:22,800

and there was a beeping the entire time

868

00:35:26,950 --> 00:35:24,960

a deadly building that i still hear in

869

00:35:29,190 --> 00:35:26,960

my mind at night

870

00:35:29,990 --> 00:35:29,200

all three of us got out of the car and

871

00:35:33,109 --> 00:35:30,000

toby and i got

872

00:35:34,150 --> 00:35:33,119

right back in i just stood there

873

00:35:37,349 --> 00:35:34,160

terrified

874

00:35:39,430 --> 00:35:37,359

for about 10 minutes the object lit up

875

00:35:40,230 --> 00:35:39,440

the surrounding pine woods like it was

876

00:35:42,950 --> 00:35:40,240

daylight

877

00:35:44,310 --> 00:35:42,960

and i was burning my skin was burning

878

00:35:46,950 --> 00:35:44,320

well you must have been terrified

879

00:35:49,670 --> 00:35:46,960

how long did the craft hover over you oh

880

00:35:51,430 --> 00:35:49,680

about 20 minutes

881

00:35:53,829 --> 00:35:51,440

fire was coming out of the bottom like a

882

00:35:55,270 --> 00:35:53,839

bow torch it lifted up and then flew

883

00:35:57,030 --> 00:35:55,280

over the trees

884

00:35:59,270 --> 00:35:57,040

that was when we saw the helicopters

885

00:36:01,829 --> 00:35:59,280

come out the helicopters

886

00:36:03,030 --> 00:36:01,839

colby county 23 of them and i understand

887

00:36:05,910 --> 00:36:03,040

in fact you later identified them as

888

00:36:07,670 --> 00:36:05,920

ch-47 chinook military helicopters

889

00:36:09,430 --> 00:36:07,680

yes it seems that they were trying to

890

00:36:11,270 --> 00:36:09,440

escort the crash somewhere

891

00:36:14,550 --> 00:36:11,280

it looked like they were about to

892

00:36:17,430 --> 00:36:14,560

collide the roar sounded like a tornado

893

00:36:18,710 --> 00:36:17,440

when we got home i washed kobe off and

894

00:36:20,710 --> 00:36:18,720

put him to bed

895

00:36:23,750 --> 00:36:20,720

when the water touched his skin he cried

896

00:36:26,710 --> 00:36:23,760

out like he had been burned

897

00:36:29,270 --> 00:36:26,720

as if he had been in the sun too long

898

00:36:31,270 --> 00:36:29,280

and i was too sick to work the next day

899

00:36:33,109 --> 00:36:31,280

my eyes swelled closed and welts

900

00:36:35,829 --> 00:36:33,119

appeared on my face and head

901
00:36:37,589 --> 00:36:35,839
i thought it was going to die vicky came

902
00:36:38,310 --> 00:36:37,599
and took me at the emergency room of the

903
00:36:41,430 --> 00:36:38,320
hospital

904
00:36:43,829 --> 00:36:41,440
they treated me like a burn patient

905
00:36:46,069 --> 00:36:43,839
over the next few days i kept losing big

906
00:36:48,950 --> 00:36:46,079
patches of skin on my face

907
00:36:51,109 --> 00:36:48,960
and about half my hair fell out they

908
00:36:53,589 --> 00:36:51,119
kept me in the hospital over a month

909
00:36:55,109 --> 00:36:53,599
with no improvement it seems to me it

910
00:36:56,550 --> 00:36:55,119
takes remarkable inner strength to

911
00:36:57,270 --> 00:36:56,560
survive an ordeal like that how are you

912
00:37:00,630 --> 00:36:57,280
doing now

913
00:37:03,349 --> 00:37:00,640

i have cancer i was operated on in march

914

00:37:04,870 --> 00:37:03,359

1983 and the doctors could not say if

915

00:37:07,510 --> 00:37:04,880

they got it all

916

00:37:08,470 --> 00:37:07,520

now some days i'm okay other days are

917

00:37:09,670 --> 00:37:08,480

terrible

918

00:37:11,270 --> 00:37:09,680

has the government ever expressed a

919

00:37:11,910 --> 00:37:11,280

willingness to take responsibility for

920

00:37:15,030 --> 00:37:11,920

this thing

921

00:37:16,870 --> 00:37:15,040

no and i'm mad i'm mad as hell

922

00:37:18,230 --> 00:37:16,880

and disappointed with the government of

923

00:37:19,910 --> 00:37:18,240

our united states

924

00:37:21,190 --> 00:37:19,920

i don't blame you ms cash and ms landrum

925

00:37:22,630 --> 00:37:21,200

thank you for joining us in washington i

926
00:37:23,750 --> 00:37:22,640
i think you two are extraordinarily

927
00:37:27,190 --> 00:37:23,760
courageous ladies

928
00:37:29,109 --> 00:37:27,200
thank you thank you we would like you to

929
00:37:30,630 --> 00:37:29,119
see this exclusive videotape of a man we

930
00:37:32,390 --> 00:37:30,640
know only as falcon

931
00:37:35,349 --> 00:37:32,400
we asked him what the truth was

932
00:37:38,550 --> 00:37:35,359
concerning your case

933
00:37:41,750 --> 00:37:38,560
the cache landrum incident the craft

934
00:37:45,349 --> 00:37:41,760
that was observed was a

935
00:37:48,950 --> 00:37:45,359
alien craft piloted by

936
00:37:52,069 --> 00:37:48,960
military aircraft pilots

937
00:37:54,950 --> 00:37:52,079
although they had been trained and were

938
00:37:55,990 --> 00:37:54,960

somewhat familiar with the craft they

939

00:37:59,510 --> 00:37:56,000

found

940

00:38:02,550 --> 00:37:59,520

that the aircraft did not

941

00:38:05,750 --> 00:38:02,560

respond to certain

942

00:38:09,190 --> 00:38:05,760

controls they revealed that they thought

943

00:38:10,310 --> 00:38:09,200

the craft was going to crash standard

944

00:38:13,510 --> 00:38:10,320

procedures

945

00:38:16,630 --> 00:38:13,520

for the military in a situation

946

00:38:18,790 --> 00:38:16,640

where an aircraft was going to crash the

947

00:38:20,069 --> 00:38:18,800

military would send up search and rescue

948

00:38:27,030 --> 00:38:20,079

helicopters

949

00:38:29,270 --> 00:38:27,040

the craft experienced severe problems

950

00:38:30,630 --> 00:38:29,280

it was thought that the craft was going

951
00:38:36,310 --> 00:38:30,640
to crash

952
00:38:40,069 --> 00:38:38,470
here are two hypotheses one the ufo

953
00:38:41,349 --> 00:38:40,079
betty cash and vicki landrum saw was

954
00:38:42,870 --> 00:38:41,359
actually an aircraft developed by the

955
00:38:44,790 --> 00:38:42,880
united states government

956
00:38:46,230 --> 00:38:44,800
another possibility suggested by falcon

957
00:38:50,069 --> 00:38:46,240
is that it was a craft given our

958
00:38:54,390 --> 00:38:52,390
rosemary osnato a commercial graphic

959
00:38:55,110 --> 00:38:54,400
artist lives in new york city's east

960
00:38:57,030 --> 00:38:55,120
village

961
00:38:59,030 --> 00:38:57,040
[Music]

962
00:39:01,810 --> 00:38:59,040
rosemary suffered a broken kneecap last

963
00:39:03,750 --> 00:39:01,820

year and is recuperating from the injury

964

00:39:05,750 --> 00:39:03,760

[Music]

965

00:39:07,589 --> 00:39:05,760

al haseem lives in the bronx with his

966

00:39:09,349 --> 00:39:07,599

wife an 11 year old daughter and works

967

00:39:12,069 --> 00:39:09,359

the 4 pm to midnight shift for the

968

00:39:14,150 --> 00:39:12,079

telephone company in manhattan

969

00:39:15,130 --> 00:39:14,160

in his off hours al likes to play guitar

970

00:39:17,990 --> 00:39:15,140

and write songs

971

00:39:20,230 --> 00:39:18,000

[Music]

972

00:39:21,829 --> 00:39:20,240

lisa salviano of lake hiawatha new

973

00:39:23,589 --> 00:39:21,839

jersey is 24

974

00:39:25,270 --> 00:39:23,599

married and pregnant with her first

975

00:39:27,510 --> 00:39:25,280

child

976

00:39:31,349 --> 00:39:27,520

she works as a secretary in morristown

977

00:39:34,630 --> 00:39:32,870

these three ordinary individuals

978

00:39:36,470 --> 00:39:34,640

unrelated to one another share one

979

00:39:38,390 --> 00:39:36,480

extraordinary experience

980

00:39:40,550 --> 00:39:38,400

with the guidance of a psychiatrist dr

981

00:39:41,990 --> 00:39:40,560

rima labo they've been able to relive

982

00:39:43,190 --> 00:39:42,000

deeply buried memories that will

983

00:39:44,870 --> 00:39:43,200

astonish you

984

00:39:46,870 --> 00:39:44,880

under hypnosis the subjects are put into

985

00:39:48,630 --> 00:39:46,880

a relaxed state in which they can recall

986

00:39:50,230 --> 00:39:48,640

these disturbing memories

987

00:39:51,670 --> 00:39:50,240

and once regressed they relive the

988

00:39:53,910 --> 00:39:51,680

experience in real time

989

00:39:55,430 --> 00:39:53,920

often very emotionally moment by moment

990

00:39:56,790 --> 00:39:55,440

they re-experience what

991

00:39:58,470 --> 00:39:56,800

what they went through the first time

992

00:39:59,829 --> 00:39:58,480

though it may have taken place months or

993

00:40:01,750 --> 00:39:59,839

even years earlier

994

00:40:08,069 --> 00:40:01,760

now please watch as we replay portions

995

00:40:15,109 --> 00:40:11,910

i can see this lights in the city

996

00:40:16,630 --> 00:40:15,119

and there was this light coming over my

997

00:40:21,510 --> 00:40:16,640

head

998

00:40:25,349 --> 00:40:21,520

very bright very tense light very sharp

999

00:40:28,710 --> 00:40:25,359

heavy it was coming straight down

1000

00:40:29,829 --> 00:40:28,720

kept looking and see what was on the

1001

00:40:32,550 --> 00:40:29,839

roof

1002

00:40:35,750 --> 00:40:32,560

i'm trying to see what it is i can't i

1003

00:40:39,030 --> 00:40:37,190

what's preventing you from seeing

1004

00:40:40,550 --> 00:40:39,040

because it's so bright i can't i can't

1005

00:40:41,829 --> 00:40:40,560

look through the brightness to see what

1006

00:40:47,910 --> 00:40:41,839

it is

1007

00:40:53,910 --> 00:40:51,270

here woke up there's something outside

1008

00:40:53,920 --> 00:40:57,270

mm-hmm

1009

00:41:04,710 --> 00:40:59,589

they wanted me to they wanted me to go

1010

00:41:10,470 --> 00:41:06,150

and i didn't know how i would get out

1011

00:41:13,750 --> 00:41:12,309

but when i thought that all of a sudden

1012

00:41:16,790 --> 00:41:13,760

i started

1013

00:41:16,800 --> 00:41:21,990

up and out and i went through the window

1014

00:41:26,470 --> 00:41:24,630

and i thought that was so neat can you

1015

00:41:30,069 --> 00:41:26,480

feel your feet on the floor

1016

00:41:35,270 --> 00:41:30,079

walking in the regular way no

1017

00:41:40,230 --> 00:41:35,280

no it doesn't seem like i walk because

1018

00:41:42,950 --> 00:41:40,240

it seems like i don't say anything like

1019

00:41:46,390 --> 00:41:42,960

when you walk in you can see like things

1020

00:41:49,750 --> 00:41:46,400

going up and down when you walk

1021

00:41:50,870 --> 00:41:49,760

this is smooth when you get to the end

1022

00:41:53,990 --> 00:41:50,880

of this walk

1023

00:41:57,430 --> 00:41:54,000

where are you some kind of control or

1024

00:42:04,390 --> 00:41:58,950

what makes it look like some kind of

1025

00:42:10,710 --> 00:42:07,430

this it's like a big console

1026

00:42:13,349 --> 00:42:10,720

in there i think there's a table and

1027

00:42:15,270 --> 00:42:13,359

the table in the room like an eating

1028

00:42:19,430 --> 00:42:15,280

table

1029

00:42:22,630 --> 00:42:19,440

horse

1030

00:42:24,710 --> 00:42:22,640

if you make me want it you know you

1031

00:42:26,630 --> 00:42:24,720

lie down on the table you're lying on

1032

00:42:29,270 --> 00:42:26,640

your tummy

1033

00:42:31,430 --> 00:42:29,280

my back and your back when you're lying

1034

00:42:34,790 --> 00:42:31,440

there

1035

00:42:38,069 --> 00:42:34,800

are you alone no they're all over

1036

00:42:40,790 --> 00:42:38,079

they're all over does anybody touch you

1037

00:42:41,910 --> 00:42:40,800

i think they're doing yeah why didn't i

1038

00:42:44,950 --> 00:42:41,920

touch you

1039

00:42:48,390 --> 00:42:44,960

i think i'm going arms and legs

1040

00:42:49,990 --> 00:42:48,400

are you alone no they're all over

1041

00:42:53,430 --> 00:42:50,000

how many of them are there around the

1042

00:42:56,870 --> 00:42:53,440

camera at least four or five

1043

00:42:58,710 --> 00:42:56,880

and are they all doing something or are

1044

00:43:00,150 --> 00:42:58,720

they all watching them they're watching

1045

00:43:01,750 --> 00:43:00,160

too

1046

00:43:03,190 --> 00:43:01,760

how many of them are actually doing

1047

00:43:06,800 --> 00:43:03,200

something

1048

00:43:07,990 --> 00:43:06,810

they're so ugly what makes them so ugly

1049

00:43:13,829 --> 00:43:08,000

[Music]

1050

00:43:17,030 --> 00:43:13,839

look me what makes them look mean

1051
00:43:20,150 --> 00:43:17,040
i don't smile you don't smile oh my

1052
00:43:24,470 --> 00:43:20,160
god he's ugly that is an

1053
00:43:27,670 --> 00:43:24,480
ugly thing very ugly

1054
00:43:30,870 --> 00:43:27,680
his head looks pathetic his heads

1055
00:43:32,230 --> 00:43:30,880
they just don't look right their heads

1056
00:43:35,910 --> 00:43:32,240
don't look right

1057
00:43:40,630 --> 00:43:35,920
they look distorted and very sickly

1058
00:43:41,589 --> 00:43:40,640
it's um skull looks uh pointed in the

1059
00:43:43,990 --> 00:43:41,599
front and

1060
00:43:45,109 --> 00:43:44,000
larger in the back he looks a little bit

1061
00:43:49,090 --> 00:43:45,119
insect

1062
00:43:51,670 --> 00:43:49,100
the shape of his head

1063
00:43:53,829 --> 00:43:51,680

[Music]

1064

00:43:55,829 --> 00:43:53,839

tell me about the shape of his head

1065

00:43:59,670 --> 00:43:55,839

almost like a football

1066

00:44:02,950 --> 00:43:59,680

their eyes are very black and

1067

00:44:08,630 --> 00:44:04,950

sort of wrinkled around the edges around

1068

00:44:09,430 --> 00:44:08,640

the eyes are sort of like lizard eyes in

1069

00:44:12,069 --> 00:44:09,440

a way

1070

00:44:15,190 --> 00:44:12,079

big black eyes big black eyes do they

1071

00:44:25,270 --> 00:44:18,470

oh her eyes black

1072

00:44:28,550 --> 00:44:27,430

with us now is the noted psychiatrist dr

1073

00:44:30,230 --> 00:44:28,560

arima lebeau

1074

00:44:32,230 --> 00:44:30,240

and the best-selling author and

1075

00:44:35,829 --> 00:44:32,240

researcher bud hopkins

1076

00:44:38,230 --> 00:44:35,839

dr lebeau bud is the author of two books

1077

00:44:39,670 --> 00:44:38,240

intruders and missing time a documented

1078

00:44:40,870 --> 00:44:39,680

study of abductions

1079

00:44:43,030 --> 00:44:40,880

thank you both for coming to washington

1080

00:44:44,870 --> 00:44:43,040

to see us dr labo you've done

1081

00:44:46,309 --> 00:44:44,880

studies of ufo abductees who have been

1082

00:44:47,109 --> 00:44:46,319

hypnotically regressed can you tell us

1083

00:44:49,270 --> 00:44:47,119

about it

1084

00:44:51,349 --> 00:44:49,280

psychiatrists are trained to recognize

1085

00:44:53,990 --> 00:44:51,359

emotional trauma and to treat it not to

1086

00:44:55,910 --> 00:44:54,000

evaluate whether aliens exist

1087

00:44:58,069 --> 00:44:55,920

many of these patients are sensitive

1088

00:44:59,750 --> 00:44:58,079

sane people who have in common only the

1089

00:45:01,270 --> 00:44:59,760

belief that they've been abducted

1090

00:45:03,510 --> 00:45:01,280

and they're frightened by what happened

1091

00:45:04,150 --> 00:45:03,520

to them they don't want fame money or

1092

00:45:07,510 --> 00:45:04,160

publicity

1093

00:45:09,109 --> 00:45:07,520

only relief from hidden painful memories

1094

00:45:11,430 --> 00:45:09,119

now skeptics question the use of

1095

00:45:13,430 --> 00:45:11,440

hypnosis however careful examination of

1096

00:45:15,510 --> 00:45:13,440

the material shows its usefulness in

1097

00:45:17,510 --> 00:45:15,520

these traumatic situations

1098

00:45:19,589 --> 00:45:17,520

they also say that abduction reports are

1099

00:45:21,270 --> 00:45:19,599

the products of overly rich fantasy

1100

00:45:23,030 --> 00:45:21,280

lives if that were the case

1101

00:45:25,270 --> 00:45:23,040

the report should be as diverse as

1102

00:45:27,910 --> 00:45:25,280

people's dreams instead we find

1103

00:45:29,910 --> 00:45:27,920

striking similarities and accounts from

1104

00:45:31,510 --> 00:45:29,920

all kinds of people from all walks of

1105

00:45:34,550 --> 00:45:31,520

life

1106

00:45:36,790 --> 00:45:34,560

traumatic stress disorder does not occur

1107

00:45:39,030 --> 00:45:36,800

unless there has been external trauma

1108

00:45:40,790 --> 00:45:39,040

like that that some vietnam vets and

1109

00:45:42,630 --> 00:45:40,800

assault victims or rape victims

1110

00:45:44,710 --> 00:45:42,640

experience but

1111

00:45:46,630 --> 00:45:44,720

many abductees show the serious and

1112

00:45:47,750 --> 00:45:46,640

disabling effects of helplessness and

1113

00:45:50,390 --> 00:45:47,760

violation

1114

00:45:52,950 --> 00:45:50,400

with proper treatment these symptoms can

1115

00:45:55,829 --> 00:45:52,960

be relieved

1116

00:45:57,670 --> 00:45:55,839

bud hopkins must everyone who claims to

1117

00:45:59,349 --> 00:45:57,680

have been abducted be hypnotized

1118

00:46:01,109 --> 00:45:59,359

absolutely not necessarily at all in

1119

00:46:03,270 --> 00:46:01,119

about twenty five percent of the cases

1120

00:46:04,790 --> 00:46:03,280

there is no memory loss at all

1121

00:46:06,150 --> 00:46:04,800

in the other seventy five percent the

1122

00:46:07,510 --> 00:46:06,160

loss of memory seems to have happened

1123

00:46:09,589 --> 00:46:07,520

because their abductors put them in

1124

00:46:12,150 --> 00:46:09,599

something like a hypnotic trance state

1125

00:46:13,510 --> 00:46:12,160

i see so a counter trance is helpful to

1126

00:46:14,150 --> 00:46:13,520

get them to remember the abduction

1127

00:46:16,150 --> 00:46:14,160

experience

1128

00:46:18,470 --> 00:46:16,160

but what makes reports of abduction

1129

00:46:20,390 --> 00:46:18,480

believable essentially the commonalities

1130

00:46:21,349 --> 00:46:20,400

of these accounts a cluster of similar

1131

00:46:22,950 --> 00:46:21,359

recollections

1132

00:46:24,470 --> 00:46:22,960

in cases i've had from all over the

1133

00:46:25,190 --> 00:46:24,480

world all the continents of the world

1134

00:46:27,349 --> 00:46:25,200

and i've studied

1135

00:46:28,870 --> 00:46:27,359

hundreds of cases that people notice a

1136

00:46:30,870 --> 00:46:28,880

period of missing time which they cannot

1137

00:46:32,790 --> 00:46:30,880

explain there's a lot of fear and

1138

00:46:34,069 --> 00:46:32,800

terror sometimes about a remembered

1139

00:46:35,829 --> 00:46:34,079

place

1140

00:46:37,109 --> 00:46:35,839

there are strange lights that they

1141

00:46:38,790 --> 00:46:37,119

describe in a similar way the

1142

00:46:40,550 --> 00:46:38,800

descriptions of the craft the crafts

1143

00:46:41,190 --> 00:46:40,560

interior the crafts occupants are

1144

00:46:43,349 --> 00:46:41,200

described

1145

00:46:44,470 --> 00:46:43,359

in extraordinarily similar ways they

1146

00:46:47,349 --> 00:46:44,480

also describe the

1147

00:46:48,870 --> 00:46:47,359

medical procedures that uh occur in very

1148

00:46:50,710 --> 00:46:48,880

very much the same way

1149

00:46:52,470 --> 00:46:50,720

and the most interesting thing and sad

1150

00:46:54,230 --> 00:46:52,480

thing of all perhaps is that

1151
00:46:55,670 --> 00:46:54,240
these abductors are not interested in

1152
00:46:57,349 --> 00:46:55,680
communicating with our minds but they're

1153
00:46:58,550 --> 00:46:57,359
interested in the physical state of our

1154
00:47:12,230 --> 00:46:58,560
bodies

1155
00:47:19,349 --> 00:47:15,750
come i will show you wonders

1156
00:47:21,430 --> 00:47:19,359
you have never seen before

1157
00:47:23,349 --> 00:47:21,440
ufo cover-up continues live from

1158
00:47:27,349 --> 00:47:23,359
washington dc with our host

1159
00:47:29,910 --> 00:47:27,359
mike farrell one of the most intriguing

1160
00:47:30,950 --> 00:47:29,920
ufo stories occurred in july of 1947 in

1161
00:47:33,030 --> 00:47:30,960
new mexico

1162
00:47:34,470 --> 00:47:33,040
with me now are bill moore co-author of

1163
00:47:35,670 --> 00:47:34,480

the roswell incident and nuclear

1164

00:47:37,270 --> 00:47:35,680

physicist stanton t

1165

00:47:38,710 --> 00:47:37,280

friedman both of these gentlemen have

1166

00:47:40,150 --> 00:47:38,720

done extensive research on this case

1167

00:47:41,589 --> 00:47:40,160

thanks for joining us

1168

00:47:43,510 --> 00:47:41,599

bill how many people were involved in

1169

00:47:46,150 --> 00:47:43,520

the new mexico incident we have personal

1170

00:47:47,589 --> 00:47:46,160

testimonies from about a hundred people

1171

00:47:49,670 --> 00:47:47,599

one of the most important of these

1172

00:47:51,510 --> 00:47:49,680

people was bill brazel

1173

00:47:53,510 --> 00:47:51,520

brazil's father managed the land where

1174

00:47:55,349 --> 00:47:53,520

the incident took place

1175

00:47:56,950 --> 00:47:55,359

apparently a ufo had been caught in a

1176
00:47:57,670 --> 00:47:56,960
thunder and lightning storm while in the

1177
00:47:59,829 --> 00:47:57,680
area

1178
00:48:01,750 --> 00:47:59,839
the next day brazil's father went out on

1179
00:48:03,670 --> 00:48:01,760
horseback to check for property damage

1180
00:48:05,349 --> 00:48:03,680
and came upon the wreckage of a strange

1181
00:48:06,390 --> 00:48:05,359
aircraft which fanned out for nearly

1182
00:48:08,230 --> 00:48:06,400
half a mile

1183
00:48:09,670 --> 00:48:08,240
the corpses were found a couple of miles

1184
00:48:13,109 --> 00:48:09,680
from the site of the crash

1185
00:48:15,510 --> 00:48:13,119
just a moment corpses dead alien bodies

1186
00:48:17,430 --> 00:48:15,520
called extraterrestrial biological

1187
00:48:19,030 --> 00:48:17,440
entities ebes if you wish

1188
00:48:20,870 --> 00:48:19,040

we got reports that they appear to be

1189

00:48:22,069 --> 00:48:20,880

small humanoid bodies with large

1190

00:48:23,990 --> 00:48:22,079

hairless heads

1191

00:48:25,510 --> 00:48:24,000

wearing one-piece seamless gray

1192

00:48:26,950 --> 00:48:25,520

skin-like clothing

1193

00:48:28,870 --> 00:48:26,960

we assume they must have ejected from

1194

00:48:29,829 --> 00:48:28,880

their craft with some kind of ejection

1195

00:48:31,589 --> 00:48:29,839

capsule

1196

00:48:33,190 --> 00:48:31,599

air force came and recovered the bodies

1197

00:48:35,750 --> 00:48:33,200

and took them away for autopsies

1198

00:48:37,349 --> 00:48:35,760

gentlemen autopsies ebe's assist rather

1199

00:48:39,670 --> 00:48:37,359

unsettling information level with us

1200

00:48:41,670 --> 00:48:39,680

what do we know to be fact we know these

1201
00:48:42,390 --> 00:48:41,680
are the facts a very strange spacecraft

1202
00:48:44,230 --> 00:48:42,400
exploded

1203
00:48:45,829 --> 00:48:44,240
pieces of the craft were recovered

1204
00:48:47,190 --> 00:48:45,839
several bodies were found and removed

1205
00:48:48,950 --> 00:48:47,200
along with the wreckage

1206
00:48:51,109 --> 00:48:48,960
we can prove the story was covered up

1207
00:48:53,109 --> 00:48:51,119
very quickly at the highest level

1208
00:48:54,150 --> 00:48:53,119
and given a classification above top

1209
00:48:57,670 --> 00:48:54,160
secret

1210
00:48:59,109 --> 00:48:57,680
flying saucers are real period

1211
00:49:00,630 --> 00:48:59,119
first person sent by the air force to

1212
00:49:02,230 --> 00:49:00,640
investigate the crash site and to take

1213
00:49:03,190 --> 00:49:02,240

care of the wreckage was a major jessie

1214

00:49:06,870 --> 00:49:03,200

marcel

1215

00:49:08,390 --> 00:49:06,880

was 12 years old at the time and

1216

00:49:09,190 --> 00:49:08,400

needless to say has never forgotten that

1217

00:49:13,270 --> 00:49:09,200

incident

1218

00:49:18,710 --> 00:49:17,109

nice to see you

1219

00:49:20,230 --> 00:49:18,720

doctor tell us if you will about the

1220

00:49:21,510 --> 00:49:20,240

night your dad came home from that crash

1221

00:49:23,430 --> 00:49:21,520

site

1222

00:49:25,349 --> 00:49:23,440

my father came home with his car loaded

1223

00:49:26,230 --> 00:49:25,359

with debris after investigating the

1224

00:49:27,750 --> 00:49:26,240

crash site

1225

00:49:29,589 --> 00:49:27,760

he brought the material into the house

1226

00:49:31,750 --> 00:49:29,599

where he my mother and i

1227

00:49:32,790 --> 00:49:31,760

sorted through this stuff hmong glitter

1228

00:49:35,030 --> 00:49:32,800

was a foil-like

1229

00:49:36,790 --> 00:49:35,040

cheating alloy it was metallic and it

1230

00:49:38,549 --> 00:49:36,800

looked like the skin of an aircraft

1231

00:49:40,230 --> 00:49:38,559

but it was unlike anything i had ever

1232

00:49:41,990 --> 00:49:40,240

seen also

1233

00:49:43,670 --> 00:49:42,000

there was an eye being about a foot to a

1234

00:49:44,790 --> 00:49:43,680

foot and a half in length by one half

1235

00:49:46,950 --> 00:49:44,800

inch across

1236

00:49:47,990 --> 00:49:46,960

the inner surface had hieroglyphic like

1237

00:49:49,990 --> 00:49:48,000

symbols on it

1238

00:49:51,430 --> 00:49:50,000

like egyptian symbols as i recall them

1239

00:49:52,470 --> 00:49:51,440

and what was the air force's explanation

1240

00:49:54,390 --> 00:49:52,480

of all this

1241

00:49:55,510 --> 00:49:54,400

the explanation was that a weather

1242

00:49:56,790 --> 00:49:55,520

balloon had crashed

1243

00:49:58,630 --> 00:49:56,800

did your father think it was a weather

1244

00:50:00,309 --> 00:49:58,640

balloon anything but

1245

00:50:01,589 --> 00:50:00,319

i believe the meaning behind his words

1246

00:50:02,790 --> 00:50:01,599

was that he suspected there might have

1247

00:50:03,990 --> 00:50:02,800

been some kind of cover-up

1248

00:50:05,910 --> 00:50:04,000

what happened to all this debris you've

1249

00:50:07,670 --> 00:50:05,920

described well the debris which had been

1250

00:50:09,589 --> 00:50:07,680

removed was never seen again

1251
00:50:11,990 --> 00:50:09,599
it was taken from your house to carswell

1252
00:50:13,589 --> 00:50:12,000
air force base in fort worth texas

1253
00:50:15,030 --> 00:50:13,599
now dr marcel you've examined the

1254
00:50:16,069 --> 00:50:15,040
material firsthand you've had a long

1255
00:50:17,670 --> 00:50:16,079
time to think about it

1256
00:50:20,630 --> 00:50:17,680
what is your assessment of the roswell

1257
00:50:23,270 --> 00:50:20,640
incident i held the material in my hand

1258
00:50:23,829 --> 00:50:23,280
it was not from this earth or this

1259
00:50:27,589 --> 00:50:23,839
universe

1260
00:50:30,069 --> 00:50:27,599
think we're not alone

1261
00:50:31,510 --> 00:50:30,079
thank you gentlemen now if this story is

1262
00:50:33,990 --> 00:50:31,520
true then we have to rethink the

1263
00:50:35,270 --> 00:50:34,000

government's role in history of ufos

1264

00:50:38,390 --> 00:50:35,280

the government in fact may have had the

1265

00:50:39,990 --> 00:50:38,400

answer in their hands over 40 years ago

1266

00:50:41,829 --> 00:50:40,000

the united states air force has played a

1267

00:50:43,349 --> 00:50:41,839

major role in america's attitude toward

1268

00:50:44,630 --> 00:50:43,359

unidentified flying objects

1269

00:50:46,390 --> 00:50:44,640

here's another account of how the air

1270

00:50:48,309 --> 00:50:46,400

force dealt with such phenomena

1271

00:50:49,430 --> 00:50:48,319

with me is author and filmmaker robert

1272

00:50:51,270 --> 00:50:49,440

emenejer

1273

00:50:52,630 --> 00:50:51,280

and former security manager and chief of

1274

00:50:54,230 --> 00:50:52,640

requirements for the audio visual

1275

00:50:55,030 --> 00:50:54,240

program at norton air force base paul

1276

00:50:57,030 --> 00:50:55,040

shardle

1277

00:50:58,069 --> 00:50:57,040

gentlemen mr emineger how did you get

1278

00:51:00,230 --> 00:50:58,079

involved with ufos

1279

00:51:01,990 --> 00:51:00,240

well it was in 1973 when i was vice

1280

00:51:03,430 --> 00:51:02,000

president of gray advertising and i took

1281

00:51:05,109 --> 00:51:03,440

time out and went to norton air force

1282

00:51:06,870 --> 00:51:05,119

base to explore subjects for

1283

00:51:08,630 --> 00:51:06,880

television specials related to the

1284

00:51:10,710 --> 00:51:08,640

defense department

1285

00:51:11,990 --> 00:51:10,720

while discussing several of the subjects

1286

00:51:14,230 --> 00:51:12,000

ufos came up and

1287

00:51:16,150 --> 00:51:14,240

paul here told us about a film of a

1288

00:51:18,390 --> 00:51:16,160

landing of alien crafts at

1289

00:51:19,349 --> 00:51:18,400

holloman air force base about three

1290

00:51:21,430 --> 00:51:19,359

years earlier

1291

00:51:22,470 --> 00:51:21,440

what did you see mr shuttle i saw

1292

00:51:24,549 --> 00:51:22,480

footage of three

1293

00:51:26,069 --> 00:51:24,559

disc shaped crafts one of the crafts

1294

00:51:27,910 --> 00:51:26,079

landed and two and one away

1295

00:51:29,510 --> 00:51:27,920

why did it land it appeared to be in

1296

00:51:31,109 --> 00:51:29,520

trouble because it oscillated all the

1297

00:51:34,150 --> 00:51:31,119

way down to the ground however

1298

00:51:35,190 --> 00:51:34,160

it did land on three pods a sliding door

1299

00:51:37,510 --> 00:51:35,200

open

1300

00:51:39,510 --> 00:51:37,520

a ramp was extended and out came three

1301
00:51:40,950 --> 00:51:39,520
aliens

1302
00:51:43,349 --> 00:51:40,960
what did they look like well they were

1303
00:51:43,829 --> 00:51:43,359
human sized they had odd gray complexion

1304
00:51:45,829 --> 00:51:43,839
and a

1305
00:51:47,430 --> 00:51:45,839
pronounced nose they wore tight fitting

1306
00:51:49,670 --> 00:51:47,440
jumpsuits thin head dresses that

1307
00:51:51,910 --> 00:51:49,680
appeared to be communication devices

1308
00:51:53,190 --> 00:51:51,920
and their hands in their hands they held

1309
00:51:56,950 --> 00:51:53,200
a translator

1310
00:51:58,390 --> 00:51:56,960
i was told a holloman base commander

1311
00:51:58,870 --> 00:51:58,400
another air force officer went out to

1312
00:52:00,390 --> 00:51:58,880
meet them

1313
00:52:01,910 --> 00:52:00,400

you actually saw these aliens on the

1314

00:52:03,829 --> 00:52:01,920

film yes

1315

00:52:05,510 --> 00:52:03,839

this film footage sounded very very

1316

00:52:07,270 --> 00:52:05,520

special and we wanted to use it as the

1317

00:52:09,270 --> 00:52:07,280

ending of our television special

1318

00:52:10,950 --> 00:52:09,280

did you was it in your special well

1319

00:52:12,549 --> 00:52:10,960

although the pentagon had been very very

1320

00:52:14,710 --> 00:52:12,559

cooperative all the way at the last

1321

00:52:16,710 --> 00:52:14,720

minute the film was confiscated and we

1322

00:52:18,069 --> 00:52:16,720

lost the whole finale of our show but

1323

00:52:19,990 --> 00:52:18,079

what i saw and heard was enough to

1324

00:52:21,030 --> 00:52:20,000

convince me that you know the phenomenon

1325

00:52:23,109 --> 00:52:21,040

of ufos is

1326

00:52:24,630 --> 00:52:23,119

real very real mr charlotte what did

1327

00:52:26,470 --> 00:52:24,640

your superior officers tell you

1328

00:52:28,390 --> 00:52:26,480

i was told it was theatrical footage the

1329

00:52:29,910 --> 00:52:28,400

air force has purchased to make a

1330

00:52:30,790 --> 00:52:29,920

training film well that sounds plausible

1331

00:52:33,190 --> 00:52:30,800

doesn't it

1332

00:52:34,549 --> 00:52:33,200

well if it were a theatrical film why

1333

00:52:36,390 --> 00:52:34,559

didn't i have a record of this

1334

00:52:38,549 --> 00:52:36,400

it was my job to keep accurate records

1335

00:52:40,309 --> 00:52:38,559

of all audio visual purchases

1336

00:52:42,069 --> 00:52:40,319

is there any other reason that you feel

1337

00:52:44,150 --> 00:52:42,079

this was not a theatrical film

1338

00:52:45,109 --> 00:52:44,160

yes it was too real the people who were

1339

00:52:47,030 --> 00:52:45,119

shooting

1340

00:52:49,270 --> 00:52:47,040

that they were air force personnel lucky

1341

00:52:52,150 --> 00:52:49,280

for us the day they were shooting

1342

00:52:53,109 --> 00:52:52,160

they were doing an acceleration test

1343

00:52:54,549 --> 00:52:53,119

it's too bad we couldn't get that

1344

00:52:55,829 --> 00:52:54,559

footage from the air force

1345

00:52:58,309 --> 00:52:55,839

gentlemen thank you very much for being

1346

00:52:59,750 --> 00:52:58,319

with us tonight

1347

00:53:01,589 --> 00:52:59,760

one of the most compelling sightings in

1348

00:53:03,829 --> 00:53:01,599

recent years took place in gulf breeze

1349

00:53:06,540 --> 00:53:03,839

florida where over 100 people witnessed

1350

00:53:09,910 --> 00:53:08,150

[Music]

1351

00:53:11,910 --> 00:53:09,920

i believe gulf breeze will turn out to

1352

00:53:14,870 --> 00:53:11,920

be one of the most important ufo cases

1353

00:53:21,910 --> 00:53:14,880

of all time

1354

00:53:25,190 --> 00:53:23,430

something is happening in gulf breeze

1355

00:53:26,829 --> 00:53:25,200

florida rod serling himself couldn't

1356

00:53:29,829 --> 00:53:26,839

have come up with a stranger sequence of

1357

00:53:31,910 --> 00:53:29,839

events

1358

00:53:32,870 --> 00:53:31,920

gulf breeze is a beautiful affluent

1359

00:53:35,030 --> 00:53:32,880

community of six

1360

00:53:36,230 --> 00:53:35,040

thousand on a peninsula near pensacola

1361

00:53:38,630 --> 00:53:36,240

florida

1362

00:53:40,069 --> 00:53:38,640

it is here on a quiet residential street

1363

00:53:42,390 --> 00:53:40,079

that a person known to us

1364

00:53:44,390 --> 00:53:42,400

only as ed spotted a strange object

1365

00:53:47,750 --> 00:53:44,400

floating above his house

1366

00:53:48,870 --> 00:53:47,760

november 11 1987 ed snapped five

1367

00:53:52,069 --> 00:53:48,880

photographs that day

1368

00:53:53,750 --> 00:53:52,079

and changed his life forever over the

1369

00:53:55,109 --> 00:53:53,760

next seven months he saw the object

1370

00:53:57,349 --> 00:53:55,119

several times

1371

00:53:59,510 --> 00:53:57,359

shooting another 36 pictures with three

1372

00:54:01,670 --> 00:53:59,520

different cameras

1373

00:54:02,710 --> 00:54:01,680

witnesses include his wife and kids

1374

00:54:05,190 --> 00:54:02,720

family friends

1375

00:54:06,870 --> 00:54:05,200

neighbors and even city officials two

1376
00:54:10,790 --> 00:54:06,880
other people allegedly photographed the

1377
00:54:12,710 --> 00:54:10,800
same object

1378
00:54:14,309 --> 00:54:12,720
could it be a secret military device

1379
00:54:15,910 --> 00:54:14,319
gulf breeze is literally surrounded by

1380
00:54:17,750 --> 00:54:15,920
military bases but the public

1381
00:54:19,430 --> 00:54:17,760
information officers disclaim official

1382
00:54:21,589 --> 00:54:19,440
knowledge of any ufo

1383
00:54:23,349 --> 00:54:21,599
now here's ed's photograph of a ufo

1384
00:54:25,030 --> 00:54:23,359
notice the strong blue beam that ed

1385
00:54:27,030 --> 00:54:25,040
claims first paralyzed him

1386
00:54:28,549 --> 00:54:27,040
then levitated him and dropped him

1387
00:54:29,910 --> 00:54:28,559
clumsy aliens

1388
00:54:31,670 --> 00:54:29,920

this is the most famous of ed's

1389

00:54:33,030 --> 00:54:31,680

photographs which he took

1390

00:54:35,750 --> 00:54:33,040

weeks later through the windshield of

1391

00:54:37,270 --> 00:54:35,760

his truck the ufo hovers just three p

1392

00:54:39,190 --> 00:54:37,280

three feet off the ground it's been

1393

00:54:41,349 --> 00:54:39,200

reflecting off the asphalt

1394

00:54:43,670 --> 00:54:41,359

ed says he was partially paralyzed again

1395

00:54:45,990 --> 00:54:43,680

but escaped this time

1396

00:54:48,470 --> 00:54:46,000

this is ed's home video shot as he

1397

00:54:51,349 --> 00:54:48,480

crouched in the bushes near his home

1398

00:54:53,270 --> 00:54:51,359

the ufo retraces its path rotating as it

1399

00:54:55,190 --> 00:54:53,280

travels through the same airspace

1400

00:54:56,950 --> 00:54:55,200

notice how it goes behind the trees in

1401
00:54:58,309 --> 00:54:56,960
and out reversing direction and coming

1402
00:55:00,630 --> 00:54:58,319
back

1403
00:55:02,549 --> 00:55:00,640
now ed is a respected family man runs a

1404
00:55:04,950 --> 00:55:02,559
successful business and has shunned all

1405
00:55:06,150 --> 00:55:04,960
publicity and declined to be on our show

1406
00:55:07,670 --> 00:55:06,160
what about it gulf breeze is there

1407
00:55:09,750 --> 00:55:07,680
really something going on down there or

1408
00:55:11,829 --> 00:55:09,760
is it all an elaborate hoax

1409
00:55:13,910 --> 00:55:11,839
dwayne cook is editor of the gulf breeze

1410
00:55:15,789 --> 00:55:13,920
sentinel donald ware as a ufo

1411
00:55:18,309 --> 00:55:15,799
investigator who claims to know of

1412
00:55:19,349 --> 00:55:18,319
153 first-hand witnesses who have seen

1413
00:55:20,950 --> 00:55:19,359

the object

1414

00:55:22,789 --> 00:55:20,960

jerry brown is the chief of police and

1415

00:55:24,710 --> 00:55:22,799

gulf breeze

1416

00:55:25,750 --> 00:55:24,720

don you're an ex-air force officer who's

1417

00:55:27,270 --> 00:55:25,760

firmly convinced something

1418

00:55:28,390 --> 00:55:27,280

extraterrestrial has been appearing in

1419

00:55:31,670 --> 00:55:28,400

the skies around

1420

00:55:34,630 --> 00:55:31,680

above gulf breeze what convinced you

1421

00:55:35,349 --> 00:55:34,640

my one couple had 22 encounters

1422

00:55:37,829 --> 00:55:35,359

including

1423

00:55:38,950 --> 00:55:37,839

18 separate photographic sessions in a

1424

00:55:41,990 --> 00:55:38,960

five and a half month

1425

00:55:45,190 --> 00:55:42,000

period and many

1426
00:55:45,990 --> 00:55:45,200
any independent witnesses highly

1427
00:55:47,829 --> 00:55:46,000
credible

1428
00:55:49,349 --> 00:55:47,839
also reported seeing the same objects

1429
00:55:52,150 --> 00:55:49,359
that were photographed

1430
00:55:54,230 --> 00:55:52,160
four people reported seeing the aliens

1431
00:55:55,750 --> 00:55:54,240
six reported blue beams coming from the

1432
00:55:58,309 --> 00:55:55,760
ufo

1433
00:55:59,190 --> 00:55:58,319
and ten have reported periods of missing

1434
00:56:00,789 --> 00:55:59,200
time

1435
00:56:03,109 --> 00:56:00,799
okay how about you chief brown i take it

1436
00:56:06,150 --> 00:56:03,119
you're not convinced

1437
00:56:08,470 --> 00:56:06,160
no sir i'm not uh we are one of the

1438
00:56:09,430 --> 00:56:08,480

have one of the busiest airspaces in the

1439

00:56:12,069 --> 00:56:09,440

country

1440

00:56:12,470 --> 00:56:12,079

and uh not to say that all these people

1441

00:56:14,870 --> 00:56:12,480

here

1442

00:56:16,069 --> 00:56:14,880

are lying not telling the truth i firmly

1443

00:56:18,710 --> 00:56:16,079

believe they are seeing

1444

00:56:20,150 --> 00:56:18,720

something because at any time or any

1445

00:56:22,390 --> 00:56:20,160

place there's different lights

1446

00:56:23,430 --> 00:56:22,400

different things that you can see what i

1447

00:56:26,630 --> 00:56:23,440

don't believe

1448

00:56:29,589 --> 00:56:26,640

is the things the local papers and the

1449

00:56:30,069 --> 00:56:29,599

tv media has put out of a flying saucer

1450

00:56:32,230 --> 00:56:30,079

with

1451
00:56:33,270 --> 00:56:32,240
beings from another planet i just simply

1452
00:56:35,430 --> 00:56:33,280
don't believe that

1453
00:56:36,789 --> 00:56:35,440
okay dwayne i guess you could say that

1454
00:56:37,750 --> 00:56:36,799
you're the fellow responsible for

1455
00:56:39,750 --> 00:56:37,760
stirring this up

1456
00:56:41,430 --> 00:56:39,760
your paper has faithfully supported ed's

1457
00:56:43,430 --> 00:56:41,440
story much to the consternation of many

1458
00:56:45,109 --> 00:56:43,440
of your neighbors

1459
00:56:46,789 --> 00:56:45,119
well i guess you could say we have

1460
00:56:49,109 --> 00:56:46,799
stirred it up mike yeah

1461
00:56:51,589 --> 00:56:49,119
but i really can't say i'm aware of any

1462
00:56:53,829 --> 00:56:51,599
too much consternation

1463
00:56:55,670 --> 00:56:53,839

most of gulf breeze really believes ed's

1464

00:56:57,589 --> 00:56:55,680

photographs and his story

1465

00:56:59,430 --> 00:56:57,599

just like they believe the hundred plus

1466

00:57:01,670 --> 00:56:59,440

other witnesses that have seen it

1467

00:57:03,589 --> 00:57:01,680

most of when which are here tonight a

1468

00:57:05,349 --> 00:57:03,599

reporter mark curtis in pensacola has

1469

00:57:06,710 --> 00:57:05,359

followed the saga of the gulf breeze ufo

1470

00:57:08,789 --> 00:57:06,720

from the very beginning what were your

1471

00:57:10,710 --> 00:57:08,799

initial thoughts

1472

00:57:12,069 --> 00:57:10,720

mike i was amazed at the detail and

1473

00:57:14,470 --> 00:57:12,079

clarity of these photographs

1474

00:57:15,589 --> 00:57:14,480

but i was very skeptical so we brought

1475

00:57:17,349 --> 00:57:15,599

in some photographic

1476
00:57:19,109 --> 00:57:17,359
experts to look at them and none have

1477
00:57:20,069 --> 00:57:19,119
been able to tell that these pictures

1478
00:57:23,190 --> 00:57:20,079
are fakes

1479
00:57:24,390 --> 00:57:23,200
also ed has taken two lie detector tests

1480
00:57:25,990 --> 00:57:24,400
and passed them both

1481
00:57:27,349 --> 00:57:26,000
aside from the picture though this is

1482
00:57:27,910 --> 00:57:27,359
the story of the witnesses and the

1483
00:57:29,670 --> 00:57:27,920
people

1484
00:57:31,190 --> 00:57:29,680
charlie somerby and his wife doris saw

1485
00:57:32,630 --> 00:57:31,200
this object last november charlie if you

1486
00:57:34,710 --> 00:57:32,640
could tell us what you saw

1487
00:57:37,030 --> 00:57:34,720
well it's right after the sunset over

1488
00:57:39,030 --> 00:57:37,040

east bay we saw this circular object it

1489

00:57:41,109 --> 00:57:39,040

was bluish gray in color

1490

00:57:43,670 --> 00:57:41,119

and with light shining out through

1491

00:57:44,230 --> 00:57:43,680

portholes and the really amazing thing

1492

00:57:47,990 --> 00:57:44,240

was

1493

00:57:49,270 --> 00:57:48,000

bertram please join us jesse as a

1494

00:57:50,789 --> 00:57:49,280

youngster here he was playing with a

1495

00:57:51,589 --> 00:57:50,799

friend last december tell us what you

1496

00:57:55,829 --> 00:57:51,599

saw

1497

00:57:57,829 --> 00:57:55,839

blackish white object

1498

00:57:59,589 --> 00:57:57,839

and it was moving then it disappeared we

1499

00:58:00,630 --> 00:57:59,599

ran behind the gulf breeze elementary

1500

00:58:03,670 --> 00:58:00,640

school

1501
00:58:04,870 --> 00:58:03,680
and then it we saw it moving again then

1502
00:58:06,470 --> 00:58:04,880
it disappeared

1503
00:58:07,750 --> 00:58:06,480
mrs bertram what did you do did you

1504
00:58:08,390 --> 00:58:07,760
believe these youngsters when they told

1505
00:58:10,470 --> 00:58:08,400
you this

1506
00:58:11,829 --> 00:58:10,480
no i didn't i'm a skeptic anyway but i

1507
00:58:12,789 --> 00:58:11,839
had them sit down at different ends of

1508
00:58:14,630 --> 00:58:12,799
the table and draw

1509
00:58:15,990 --> 00:58:14,640
what they saw and the pictures were

1510
00:58:17,030 --> 00:58:16,000
identical and they matched what were in

1511
00:58:18,549 --> 00:58:17,040
the newspaper

1512
00:58:20,390 --> 00:58:18,559
one of the most interesting sightings

1513
00:58:21,750 --> 00:58:20,400

came from jeff thompson jeff if you join

1514

00:58:23,190 --> 00:58:21,760

us and tell us what you saw in the

1515

00:58:23,829 --> 00:58:23,200

morning during the daylight on november

1516

00:58:28,789 --> 00:58:23,839

11th

1517

00:58:31,510 --> 00:58:28,799

morning a ufo came within 400 feet of me

1518

00:58:33,430 --> 00:58:31,520

at treetop level i noticed two military

1519

00:58:34,470 --> 00:58:33,440

jets were following it about two air

1520

00:58:37,190 --> 00:58:34,480

miles

1521

00:58:38,710 --> 00:58:37,200

the ufo shot up at a 45 degree angle and

1522

00:58:39,430 --> 00:58:38,720

waited for the jets to approach a little

1523

00:58:41,109 --> 00:58:39,440

closer

1524

00:58:43,109 --> 00:58:41,119

and then in an instant it just shot

1525

00:58:44,710 --> 00:58:43,119

straight up what happened to the jetson

1526

00:58:46,069 --> 00:58:44,720

are you sure they're military jets

1527

00:58:47,910 --> 00:58:46,079

yeah they're military jets i believe

1528

00:58:49,270 --> 00:58:47,920

that eglin because around here we just

1529

00:58:52,309 --> 00:58:49,280

have the red and white

1530

00:58:53,910 --> 00:58:52,319

navy training jets and they just the the

1531

00:58:56,069 --> 00:58:53,920

military jets just kind of curved over

1532

00:58:58,470 --> 00:58:56,079

the bay and went on back towards eglin

1533

00:58:59,829 --> 00:58:58,480

this may just be the tip of the iceberg

1534

00:59:00,230 --> 00:58:59,839

how many people in this room tonight

1535

00:59:03,670 --> 00:59:00,240

have

1536

00:59:06,230 --> 00:59:03,680

seen a ufo raise your hands please

1537

00:59:07,670 --> 00:59:06,240

wow there you have it washington okay

1538

00:59:08,870 --> 00:59:07,680

well you keep watching gulf breeze

1539

00:59:11,030 --> 00:59:08,880

because you'll find this next thing

1540

00:59:13,030 --> 00:59:11,040

interesting

1541

00:59:14,309 --> 00:59:13,040

ufo cover-up worked closely with two of

1542

00:59:15,990 --> 00:59:14,319

the nation's leading experts in

1543

00:59:17,430 --> 00:59:16,000

photographic analysis in an attempt to

1544

00:59:18,789 --> 00:59:17,440

shed some light on the photographs taken

1545

00:59:20,390 --> 00:59:18,799

by the man called ed

1546

00:59:22,789 --> 00:59:20,400

dr robert nathan has been with the jet

1547

00:59:24,789 --> 00:59:22,799

propulsion laboratory for 16 years

1548

00:59:28,630 --> 00:59:24,799

during that time he's exposed many ufo

1549

00:59:32,069 --> 00:59:30,710

our staff gave dr nathan several of the

1550

00:59:33,670 --> 00:59:32,079

negatives in the hope that his

1551
00:59:35,349 --> 00:59:33,680
advanced techniques in computer

1552
00:59:40,309 --> 00:59:35,359
enhancement would shed some light on the

1553
00:59:44,390 --> 00:59:42,309
i'm uh not too comfortable with

1554
00:59:47,430 --> 00:59:44,400
adultery's photographs

1555
00:59:50,789 --> 00:59:47,440
i feel that many of these images are

1556
00:59:53,589 --> 00:59:50,799
double exposure photographs the craft

1557
00:59:54,549 --> 00:59:53,599
in many of these images seems to be a

1558
00:59:56,950 --> 00:59:54,559
different focus

1559
00:59:58,549 --> 00:59:56,960
that they're either more sharply focused

1560
01:00:01,510 --> 00:59:58,559
or fuzzier

1561
01:00:01,990 --> 01:00:01,520
than the surrounding background objects

1562
01:00:05,190 --> 01:00:02,000
the

1563
01:00:07,030 --> 01:00:05,200

bright

1564

01:00:09,510 --> 01:00:07,040

it's as if there is some kind of

1565

01:00:12,549 --> 01:00:09,520

external light shining on it

1566

01:00:15,270 --> 01:00:12,559

the situation that would arise if the

1567

01:00:17,109 --> 01:00:15,280

craft were in a room at an earlier time

1568

01:00:18,470 --> 01:00:17,119

with room light shining from all

1569

01:00:20,710 --> 01:00:18,480

directions

1570

01:00:22,150 --> 01:00:20,720

uh it seems that in quite a few of these

1571

01:00:26,390 --> 01:00:22,160

pictures the

1572

01:00:28,470 --> 01:00:26,400

very top and bottom of the spacecraft

1573

01:00:29,750 --> 01:00:28,480

are very sharply cut off whereas the

1574

01:00:31,910 --> 01:00:29,760

rest of the image is

1575

01:00:33,510 --> 01:00:31,920

rather fuzzy giving me the feeling that

1576

01:00:37,109 --> 01:00:33,520

there's some kind of

1577

01:00:40,150 --> 01:00:37,119

cut and paste onto some surface

1578

01:00:43,190 --> 01:00:40,160

it appears that with every photograph

1579

01:00:43,750 --> 01:00:43,200

where this object appears that it's

1580

01:00:47,030 --> 01:00:43,760

against

1581

01:00:48,390 --> 01:00:47,040

a relatively uniformly dark background

1582

01:00:49,589 --> 01:00:48,400

the kind that you need for double

1583

01:00:52,789 --> 01:00:49,599

exposure

1584

01:00:55,589 --> 01:00:52,799

when you add two images together you get

1585

01:00:56,549 --> 01:00:55,599

the intensities added and even though

1586

01:01:02,950 --> 01:00:56,559

the

1587

01:01:05,349 --> 01:01:02,960

sky

1588

01:01:06,950 --> 01:01:05,359

i've been chasing these ufo sightings

1589

01:01:08,309 --> 01:01:06,960

for 30 years

1590

01:01:09,910 --> 01:01:08,319

i would have liked to have said

1591

01:01:12,720 --> 01:01:09,920

differently but i'm afraid the gulf

1592

01:01:14,390 --> 01:01:12,730

breeze photographs just don't check out

1593

01:01:15,829 --> 01:01:14,400

[Music]

1594

01:01:17,109 --> 01:01:15,839

thank you dr nathan now to make things

1595

01:01:18,150 --> 01:01:17,119

perfectly clear a man who takes a

1596

01:01:20,230 --> 01:01:18,160

completely different view

1597

01:01:21,589 --> 01:01:20,240

is dr bruce mcabee an optical physicist

1598

01:01:24,150 --> 01:01:21,599

working for the u.s navy who has

1599

01:01:25,829 --> 01:01:24,160

explained many ufo photos in the past dr

1600

01:01:27,270 --> 01:01:25,839

mcabee you spent hundreds of hours

1601

01:01:28,950 --> 01:01:27,280

studying these images and you've come to

1602

01:01:30,470 --> 01:01:28,960

the conclusion there's no hoax involved

1603

01:01:32,870 --> 01:01:30,480

in this case is that correct

1604

01:01:34,390 --> 01:01:32,880

yes mike dr nathan has studied only a

1605

01:01:36,309 --> 01:01:34,400

few of the photographs

1606

01:01:37,990 --> 01:01:36,319

i on the other hand have analyzed all

1607

01:01:39,190 --> 01:01:38,000

the photographic evidence which includes

1608

01:01:40,710 --> 01:01:39,200

stereo photos

1609

01:01:42,710 --> 01:01:40,720

that allowed me to calculate the

1610

01:01:45,190 --> 01:01:42,720

distance and size of the ufo

1611

01:01:46,710 --> 01:01:45,200

i've also analyzed the video tape i have

1612

01:01:47,910 --> 01:01:46,720

asked myself if the photographic

1613

01:01:50,230 --> 01:01:47,920

evidence were a hoax

1614

01:01:51,990 --> 01:01:50,240

how was it done i have considered many

1615

01:01:53,589 --> 01:01:52,000

methods for creating trick photos

1616

01:01:55,109 --> 01:01:53,599

each method can leave a characteristic

1617

01:01:57,029 --> 01:01:55,119

flaw within a photo

1618

01:01:59,270 --> 01:01:57,039

and i have searched for such flaws for

1619

01:02:00,710 --> 01:01:59,280

example i have looked above each ufo

1620

01:02:02,870 --> 01:02:00,720

to see if there is a fine line

1621

01:02:04,470 --> 01:02:02,880

indicating it was suspended by a string

1622

01:02:05,910 --> 01:02:04,480

i have looked below each image to see if

1623

01:02:07,349 --> 01:02:05,920

there is any indication it was resting

1624

01:02:09,430 --> 01:02:07,359

on a table or post

1625

01:02:11,750 --> 01:02:09,440

i looked for reflections in glass double

1626

01:02:13,190 --> 01:02:11,760

exposures and photographic montages

1627

01:02:15,349 --> 01:02:13,200

i have found that none of these methods

1628

01:02:16,630 --> 01:02:15,359

had been used therefore after many many

1629

01:02:18,150 --> 01:02:16,640

hours of analysis

1630

01:02:20,150 --> 01:02:18,160

i have found nothing in the photos which

1631

01:02:21,510 --> 01:02:20,160

could refute the sighting reports

1632

01:02:23,270 --> 01:02:21,520

my opinion is that the photos are

1633

01:02:23,990 --> 01:02:23,280

genuine and these crafts are not from

1634

01:02:27,109 --> 01:02:24,000

here

1635

01:02:29,670 --> 01:02:27,119

human race operating them

1636

01:02:31,510 --> 01:02:29,680

thank you dr mcabee for your analysis

1637

01:02:33,349 --> 01:02:31,520

earlier in the show we met bill moore

1638

01:02:35,190 --> 01:02:33,359

joining us now is jamie chandurray a

1639

01:02:36,789 --> 01:02:35,200

television producer and director

1640

01:02:38,630 --> 01:02:36,799

both began regular contacts with

1641

01:02:40,069 --> 01:02:38,640

government agents regarding ufos six

1642

01:02:41,270 --> 01:02:40,079

years ago and amassed an enormous

1643

01:02:42,950 --> 01:02:41,280

quantity of information about the

1644

01:02:45,990 --> 01:02:42,960

government's ufo program

1645

01:02:47,270 --> 01:02:46,000

welcome gentlemen a bill tell us how you

1646

01:02:49,349 --> 01:02:47,280

first got involved

1647

01:02:51,829 --> 01:02:49,359

i got a phone call after appearing on a

1648

01:02:53,430 --> 01:02:51,839

radio show from a man who said

1649

01:02:55,029 --> 01:02:53,440

you're the only person we've heard talk

1650

01:02:56,950 --> 01:02:55,039

about this subject who seems to know

1651

01:02:58,630 --> 01:02:56,960

what he's talking about

1652

01:03:00,710 --> 01:02:58,640

he convinced me that he was a government

1653

01:03:01,670 --> 01:03:00,720

intelligence agent and wanted to begin

1654

01:03:04,069 --> 01:03:01,680

disseminating some

1655

01:03:06,150 --> 01:03:04,079

information about ufos to the public the

1656

01:03:07,589 --> 01:03:06,160

man bill is referring to is falcon whom

1657

01:03:08,230 --> 01:03:07,599

we've seen in shadow to protect his

1658

01:03:10,789 --> 01:03:08,240

identity

1659

01:03:12,230 --> 01:03:10,799

that's right i didn't think that i could

1660

01:03:13,750 --> 01:03:12,240

handle it all alone

1661

01:03:15,910 --> 01:03:13,760

the volume of material i was getting

1662

01:03:17,430 --> 01:03:15,920

from falcon was rather mind-boggling so

1663

01:03:19,910 --> 01:03:17,440

i got together with jamie

1664

01:03:22,390 --> 01:03:19,920

and we joined forces in june of 1982 and

1665

01:03:26,870 --> 01:03:22,400

falcon told us about mj-12

1666

01:03:30,549 --> 01:03:26,880

mj-12 functions as a policy-making

1667

01:03:31,430 --> 01:03:30,559

group relating to extraterrestrial

1668

01:03:38,230 --> 01:03:31,440

activities

1669

01:03:39,190 --> 01:03:38,240

within the united states they make the

1670

01:03:42,549 --> 01:03:39,200

policy

1671

01:03:47,829 --> 01:03:42,559

obtain presidential approval and then

1672

01:03:51,190 --> 01:03:49,910

how did you acquire the mj-12 documents

1673

01:03:52,789 --> 01:03:51,200

well they were mailed to me in a plain

1674

01:03:54,630 --> 01:03:52,799

brown envelope which contained president

1675

01:03:55,190 --> 01:03:54,640

truman's executive order establishing mj

1676
01:03:56,150 --> 01:03:55,200
12

1677
01:03:57,829 --> 01:03:56,160
and the briefing document to

1678
01:04:00,549 --> 01:03:57,839
president-elect eisenhower informing him

1679
01:04:02,789 --> 01:04:00,559
of the 1947 crash in roswell new mexico

1680
01:04:04,150 --> 01:04:02,799
and the recovery of alien bodies and

1681
01:04:05,910 --> 01:04:04,160
then there were follow-up postcards

1682
01:04:06,630 --> 01:04:05,920
ethiopian picture postcards mailed from

1683
01:04:08,710 --> 01:04:06,640
new zealand

1684
01:04:10,549 --> 01:04:08,720
with puzzles and riddles right the

1685
01:04:13,589 --> 01:04:10,559
puzzles were clues

1686
01:04:14,549 --> 01:04:13,599
for example for a stylish look shop suit

1687
01:04:16,630 --> 01:04:14,559
land

1688
01:04:18,470 --> 01:04:16,640

this led us to the national repository

1689

01:04:20,870 --> 01:04:18,480

in suitland maryland where we discovered

1690

01:04:22,390 --> 01:04:20,880

the existence of top secret documents

1691

01:04:23,990 --> 01:04:22,400

and filed a freedom of information

1692

01:04:26,630 --> 01:04:24,000

request which led us further

1693

01:04:28,230 --> 01:04:26,640

to the cutler twining document now all

1694

01:04:30,870 --> 01:04:28,240

of our meetings with falcon were secret

1695

01:04:32,470 --> 01:04:30,880

oh wait gentlemen riddles postcards

1696

01:04:33,910 --> 01:04:32,480

secret meetings code words didn't you

1697

01:04:35,349 --> 01:04:33,920

suspect somebody was pulling your leg

1698

01:04:36,710 --> 01:04:35,359

we always look for a hoax but within

1699

01:04:37,829 --> 01:04:36,720

every clue there was always some

1700

01:04:40,230 --> 01:04:37,839

verifiable fact

1701

01:04:43,029 --> 01:04:40,240

so you were able to verify mj-12

1702

01:04:44,870 --> 01:04:43,039

validating mj12 was difficult because

1703

01:04:46,549 --> 01:04:44,880

we couldn't find any government agency

1704

01:04:48,309 --> 01:04:46,559

that would admit publicly that they were

1705

01:04:49,829 --> 01:04:48,319

aware of mj-12's existence

1706

01:04:51,349 --> 01:04:49,839

well so without validating it how do you

1707

01:04:52,710 --> 01:04:51,359

get from there to here well after

1708

01:04:54,069 --> 01:04:52,720

hundreds of hours of research we're

1709

01:04:54,789 --> 01:04:54,079

working with experts trying to validate

1710

01:04:56,950 --> 01:04:54,799

the documents

1711

01:04:58,630 --> 01:04:56,960

but most important the contacts have

1712

01:04:59,750 --> 01:04:58,640

grown to include falcon and nine other

1713

01:05:01,109 --> 01:04:59,760

government agents

1714

01:05:02,549 --> 01:05:01,119

and why do you believe them well because

1715

01:05:03,750 --> 01:05:02,559

we've been able to meet with them we've

1716

01:05:05,589 --> 01:05:03,760

been able to check and verify

1717

01:05:05,910 --> 01:05:05,599

credentials and it's clear that they are

1718

01:05:08,390 --> 01:05:05,920

in

1719

01:05:09,990 --> 01:05:08,400

secret need-to-know positions falcon's

1720

01:05:10,789 --> 01:05:10,000

position for example gives him access to

1721

01:05:12,549 --> 01:05:10,799

the mj-12

1722

01:05:15,510 --> 01:05:12,559

infrastructure why don't we just hear it

1723

01:05:21,589 --> 01:05:18,630

and j-12 was a group of people

1724

01:05:22,230 --> 01:05:21,599

within the government fktov was created

1725

01:05:25,589 --> 01:05:22,240

by

1726

01:05:26,470 --> 01:05:25,599

president of truman early 50s and their

1727

01:05:28,950 --> 01:05:26,480

job was to

1728

01:05:29,750 --> 01:05:28,960

investigate keep track of information

1729

01:05:32,390 --> 01:05:29,760

pertaining to

1730

01:05:33,510 --> 01:05:32,400

ufos part of their job was scientific

1731

01:05:37,270 --> 01:05:33,520

advancements

1732

01:05:39,510 --> 01:05:37,280

but uh their primary purpose was

1733

01:05:40,549 --> 01:05:39,520

to keep track of the information coming

1734

01:05:43,430 --> 01:05:40,559

in on ufos

1735

01:05:44,710 --> 01:05:43,440

and to analyze the information both uh

1736

01:05:47,029 --> 01:05:44,720

scientifically

1737

01:05:48,150 --> 01:05:47,039

and in a way that would advance our

1738

01:05:50,630 --> 01:05:48,160

technology

1739

01:05:51,750 --> 01:05:50,640

there are government officials and

1740

01:05:54,950 --> 01:05:51,760

elected

1741

01:05:58,549 --> 01:05:54,960

officials that are automatically briefed

1742

01:06:01,990 --> 01:05:58,559

on the existence of the mj-12

1743

01:06:05,029 --> 01:06:02,000

activities these officials include

1744

01:06:06,549 --> 01:06:05,039

the president the vice president has

1745

01:06:09,349 --> 01:06:06,559

elected officials

1746

01:06:11,510 --> 01:06:09,359

the director of central intelligence and

1747

01:06:15,109 --> 01:06:11,520

the director of the national

1748

01:06:18,150 --> 01:06:15,119

security agency the mj-12 policy

1749

01:06:21,670 --> 01:06:18,160

is headquartered the naval observatory

1750

01:06:24,870 --> 01:06:21,680

in washington d.c the united states

1751

01:06:28,150 --> 01:06:24,880

navy has the primary

1752

01:06:31,829 --> 01:06:28,160

operational responsibilities

1753

01:06:32,710 --> 01:06:31,839

of field activities relating to the

1754

01:06:36,549 --> 01:06:32,720

mj-12

1755

01:06:39,589 --> 01:06:36,559

policies all information gathered

1756

01:06:42,950 --> 01:06:39,599

in the field not necessarily by

1757

01:06:43,829 --> 01:06:42,960

navy personnel is transmitted to the

1758

01:06:48,390 --> 01:06:43,839

navy

1759

01:06:51,589 --> 01:06:50,150

other known government agencies feed

1760

01:06:54,069 --> 01:06:51,599

information to mj 12

1761

01:06:55,190 --> 01:06:54,079

through a top secret cover project known

1762

01:06:57,750 --> 01:06:55,200

to us as project

1763

01:06:59,270 --> 01:06:57,760

aquarius now mj-12 connects to select

1764

01:07:01,349 --> 01:06:59,280

individuals within the national security

1765

01:07:03,270 --> 01:07:01,359

council the joint chiefs of staff

1766

01:07:05,029 --> 01:07:03,280

the white house intelligence unit the

1767

01:07:06,150 --> 01:07:05,039

national security agency the central

1768

01:07:09,589 --> 01:07:06,160

intelligence agency

1769

01:07:11,270 --> 01:07:09,599

research is conducted the data

1770

01:07:11,910 --> 01:07:11,280

classified and cataloged all under the

1771

01:07:14,870 --> 01:07:11,920

umbrella

1772

01:07:16,549 --> 01:07:14,880

of strictest national security the mj-12

1773

01:07:18,069 --> 01:07:16,559

table of organization created by moore

1774

01:07:19,349 --> 01:07:18,079

and chandurai purports to give us an

1775

01:07:21,190 --> 01:07:19,359

understanding of a complex

1776

01:07:23,589 --> 01:07:21,200

intra-governmental chain of command

1777

01:07:26,069 --> 01:07:23,599

existing solely to oversee organize and

1778

01:07:30,230 --> 01:07:26,079

administer the data on ufos and ets

1779

01:07:33,990 --> 01:07:32,789

an astonishing account of alien corpses

1780

01:07:38,390 --> 01:07:34,000

found in the desert

1781

01:07:39,910 --> 01:07:38,400

next on ufo cover-up live

1782

01:07:41,829 --> 01:07:39,920

what bill moore and jamie chandra's

1783

01:07:42,870 --> 01:07:41,839

source falcon told us about aliens will

1784

01:07:44,549 --> 01:07:42,880

astonish you

1785

01:07:46,309 --> 01:07:44,559

lbs communications and seligman

1786

01:07:47,910 --> 01:07:46,319

productions makes no claim in favor of

1787

01:07:48,870 --> 01:07:47,920

or against the truth and accuracy of

1788

01:07:50,470 --> 01:07:48,880

this material

1789

01:07:51,990 --> 01:07:50,480

we ask only that you watch and listen

1790

01:07:53,190 --> 01:07:52,000

and make up your own minds

1791

01:07:54,710 --> 01:07:53,200

now if you feel a congressional

1792

01:07:56,390 --> 01:07:54,720

investigation is warranted to get the

1793

01:07:58,789 --> 01:07:56,400

facts about ufos after the american

1794

01:08:00,309 --> 01:07:58,799

public please call this 900 number

1795

01:08:02,470 --> 01:08:00,319

if you feel an investigation is not

1796

01:08:04,150 --> 01:08:02,480

necessary call this number

1797

01:08:06,150 --> 01:08:04,160

bill moore and jamie shanduray have

1798

01:08:07,190 --> 01:08:06,160

checked and verified falcons and condors

1799

01:08:09,270 --> 01:08:07,200

credentials

1800

01:08:11,750 --> 01:08:09,280

peter leone also met falcon and here's

1801
01:08:13,670 --> 01:08:11,760
his statement

1802
01:08:15,510 --> 01:08:13,680
i met with a government intelligence

1803
01:08:19,990 --> 01:08:15,520
agents with the code name of

1804
01:08:21,510 --> 01:08:20,000
falcon in 1983 with jamie and bill

1805
01:08:23,910 --> 01:08:21,520
at the time that i was an executive

1806
01:08:24,870 --> 01:08:23,920
producer of news for the cbs station in

1807
01:08:27,990 --> 01:08:24,880
los angeles

1808
01:08:31,510 --> 01:08:28,000
at the time we verified as authentic

1809
01:08:32,630 --> 01:08:31,520
his credentials and then again in 1987

1810
01:08:34,950 --> 01:08:32,640
we met again with

1811
01:08:36,789 --> 01:08:34,960
falcon and again verified his

1812
01:08:40,149 --> 01:08:36,799
credentials

1813
01:08:43,590 --> 01:08:40,159

i'm satisfied at this time that he is

1814

01:08:46,789 --> 01:08:45,990

the fact that i have proven my identity

1815

01:08:49,269 --> 01:08:46,799

to you

1816

01:08:49,829 --> 01:08:49,279

showed you my credentials and verified

1817

01:08:51,829 --> 01:08:49,839

my

1818

01:08:54,070 --> 01:08:51,839

existence within the intelligence

1819

01:08:57,189 --> 01:08:54,080

community you also have

1820

01:08:58,450 --> 01:08:57,199

some of my colleagues who have verified

1821

01:09:01,189 --> 01:08:58,460

the same information

1822

01:09:02,709 --> 01:09:01,199

[Music]

1823

01:09:04,470 --> 01:09:02,719

we asked falcon where he found out so

1824

01:09:07,189 --> 01:09:04,480

much about extraterrestrial biological

1825

01:09:10,309 --> 01:09:07,199

entities or ebes this book

1826

01:09:13,669 --> 01:09:10,319

or it's called the bible within the

1827

01:09:16,630 --> 01:09:13,679

mj-12 community contains

1828

01:09:17,749 --> 01:09:16,640

historically everything that occurred

1829

01:09:21,669 --> 01:09:17,759

from the truman

1830

01:09:23,910 --> 01:09:21,679

era up through the three aliens being

1831

01:09:25,910 --> 01:09:23,920

guests of the united states government

1832

01:09:26,789 --> 01:09:25,920

technological data gathered from the

1833

01:09:29,269 --> 01:09:26,799

aliens

1834

01:09:30,789 --> 01:09:29,279

medical history gathered from dead

1835

01:09:33,829 --> 01:09:30,799

aliens

1836

01:09:37,990 --> 01:09:33,839

that were found in the desert autopsy

1837

01:09:41,990 --> 01:09:38,000

information gathered from dead aliens

1838

01:09:44,870 --> 01:09:42,000

found in the desert and information

1839

01:09:47,110 --> 01:09:44,880

obtained from the extraterrestrials

1840

01:09:51,110 --> 01:09:47,120

regarding their social structure

1841

01:09:53,110 --> 01:09:51,120

and their information pertaining to

1842

01:09:57,430 --> 01:09:53,120

the universe was there an additional

1843

01:10:03,830 --> 01:10:00,550

presently as of the year 1988

1844

01:10:06,390 --> 01:10:03,840

there is one extraterrestrial being

1845

01:10:07,590 --> 01:10:06,400

he's a guest of the united states

1846

01:10:10,709 --> 01:10:07,600

government

1847

01:10:11,669 --> 01:10:10,719

and he's remained hidden from public

1848

01:10:14,709 --> 01:10:11,679

view

1849

01:10:16,310 --> 01:10:14,719

the yellow book is a book that was

1850

01:10:19,590 --> 01:10:16,320

exclusively written

1851
01:10:22,630 --> 01:10:19,600
by the second alien the book

1852
01:10:26,149 --> 01:10:22,640
relates to the aliens

1853
01:10:29,350 --> 01:10:26,159
planet solar system sons

1854
01:10:30,390 --> 01:10:29,360
the culture and society makeup on the

1855
01:10:33,430 --> 01:10:30,400
planet

1856
01:10:36,470 --> 01:10:33,440
the social structure of the aliens

1857
01:10:39,910 --> 01:10:36,480
and the aliens life

1858
01:10:40,709 --> 01:10:39,920
among earthlings what was most

1859
01:10:44,550 --> 01:10:40,719
intriguing

1860
01:10:48,310 --> 01:10:44,560
to me in my experience with the aliens

1861
01:10:51,350 --> 01:10:48,320
is a i believe an octagon

1862
01:10:54,229 --> 01:10:51,360
shaped crystal which when held

1863
01:10:55,270 --> 01:10:54,239

in the alien's hand and viewed by a

1864

01:10:58,630 --> 01:10:55,280

second person

1865

01:11:01,590 --> 01:10:58,640

displays these pictures

1866

01:11:02,550 --> 01:11:01,600

could be can be of the aliens home

1867

01:11:06,390 --> 01:11:02,560

planet

1868

01:11:07,430 --> 01:11:06,400

or pictures of earth many thousands of

1869

01:11:10,630 --> 01:11:07,440

years ago

1870

01:11:13,590 --> 01:11:10,640

we asked where the ebes came from

1871

01:11:14,320 --> 01:11:13,600

he was in the uh zeta reticuli star

1872

01:11:17,830 --> 01:11:14,330

group

1873

01:11:19,510 --> 01:11:17,840

[Music]

1874

01:11:21,030 --> 01:11:19,520

now condor tells us about a deal our

1875

01:11:24,830 --> 01:11:21,040

government made with the aliens

1876

01:11:27,390 --> 01:11:24,840

um from what he understands the side

1877

01:11:29,110 --> 01:11:27,400

between our u.s government and the

1878

01:11:32,390 --> 01:11:29,120

extraterrestrials

1879

01:11:35,510 --> 01:11:32,400

and essentially the agreement says that

1880

01:11:40,310 --> 01:11:35,520

uh we won't disclose your existence

1881

01:11:42,550 --> 01:11:40,320

if you do not interfere

1882

01:11:43,510 --> 01:11:42,560

uh we allow you to operate from a

1883

01:11:45,590 --> 01:11:43,520

designated

1884

01:11:47,030 --> 01:11:45,600

base here in the united states it's in

1885

01:11:50,310 --> 01:11:47,040

the state of nevada

1886

01:11:53,830 --> 01:11:50,320

in an area called area 51 or dreamland

1887

01:11:54,790 --> 01:11:53,840

the extraterrestrials have complete

1888

01:11:58,229 --> 01:11:54,800

control

1889

01:12:02,470 --> 01:11:58,239
of this base which is located in

1890

01:12:05,430 --> 01:12:02,480
nevada my understanding is that three

1891

01:12:06,790 --> 01:12:05,440
different aliens of the same species

1892

01:12:11,510 --> 01:12:06,800
have resided

1893

01:12:15,270 --> 01:12:11,520
within the united states from 1948

1894

01:12:18,870 --> 01:12:15,280
or 49 until present day

1895

01:12:22,630 --> 01:12:18,880
the first alien was captured

1896

01:12:26,229 --> 01:12:22,640
in the mexican desert after

1897

01:12:27,030 --> 01:12:26,239
its craft crashed the alien which was

1898

01:12:30,310 --> 01:12:27,040
named

1899

01:12:33,430 --> 01:12:30,320
eva by the government was

1900

01:12:37,430 --> 01:12:33,440
kept in captivity for three years

1901

01:12:40,790 --> 01:12:37,440

we learned a great deal of information

1902

01:12:44,070 --> 01:12:40,800

about the aliens race

1903

01:12:47,110 --> 01:12:44,080

culture and spacecrafts

1904

01:12:48,709 --> 01:12:47,120

the second alien was a part of an

1905

01:12:51,189 --> 01:12:48,719

exchange program

1906

01:12:52,310 --> 01:12:51,199

i don't recall what year that alien

1907

01:12:55,189 --> 01:12:52,320

visited

1908

01:12:56,709 --> 01:12:55,199

the third alien was also part of an

1909

01:12:59,750 --> 01:12:56,719

exchange program

1910

01:13:02,830 --> 01:12:59,760

and has been a guest

1911

01:13:04,390 --> 01:13:02,840

of the united states government since

1912

01:13:05,910 --> 01:13:04,400

1982

1913

01:13:10,390 --> 01:13:05,920

we asked what they looked like you know

1914

01:13:16,830 --> 01:13:13,669

creature about uh three foot

1915

01:13:20,229 --> 01:13:16,840

four to three foot eight inches tall

1916

01:13:23,750 --> 01:13:20,239

um their eyes are

1917

01:13:26,790 --> 01:13:23,760

extremely large almost like

1918

01:13:27,990 --> 01:13:26,800

a style uh their eyes have a couple of

1919

01:13:31,350 --> 01:13:28,000

different inner lips

1920

01:13:33,110 --> 01:13:31,360

the uh the days were extremely bright uh

1921

01:13:34,870 --> 01:13:33,120

probably twice to three times as bright

1922

01:13:37,830 --> 01:13:34,880

as our sun i think

1923

01:13:38,630 --> 01:13:37,840

they have just two uh openings the world

1924

01:13:41,510 --> 01:13:38,640

knows who they

1925

01:13:42,470 --> 01:13:41,520

have a small mouth uh they have no teeth

1926

01:13:46,229 --> 01:13:42,480

as we know it

1927

01:13:47,430 --> 01:13:46,239

they have a hard gum-like uh area uh

1928

01:13:50,149 --> 01:13:47,440

their

1929

01:13:51,189 --> 01:13:50,159

internal organs are quite simple they

1930

01:13:53,990 --> 01:13:51,199

have a

1931

01:13:55,350 --> 01:13:54,000

a one organ which it does the job of our

1932

01:13:57,510 --> 01:13:55,360

heart and lungs

1933

01:13:59,430 --> 01:13:57,520

and digestive system is just really

1934

01:14:02,870 --> 01:13:59,440

simple their uh

1935

01:14:05,990 --> 01:14:02,880

skin structure is extremely uh it's a

1936

01:14:10,470 --> 01:14:06,000

very elastic skin and

1937

01:14:12,630 --> 01:14:10,480

hard probably hardening from their sun

1938

01:14:14,790 --> 01:14:12,640

they have some basic organs their brain

1939

01:14:17,750 --> 01:14:14,800

is more complex than ours

1940

01:14:19,030 --> 01:14:17,760

has a uh several different loops and

1941

01:14:22,550 --> 01:14:19,040

ours have

1942

01:14:24,390 --> 01:14:22,560

um their eyes are

1943

01:14:26,310 --> 01:14:24,400

where our eyes are controlled by the

1944

01:14:28,870 --> 01:14:26,320

back of our head theirs is controlled by

1945

01:14:30,310 --> 01:14:28,880

the father burning their hearing is

1946

01:14:31,990 --> 01:14:30,320

quite better than ours almost better

1947

01:14:35,430 --> 01:14:32,000

than the dogs small

1948

01:14:38,229 --> 01:14:35,440

areas uh their sexual organs

1949

01:14:39,830 --> 01:14:38,239

are they have males and females their

1950

01:14:41,830 --> 01:14:39,840

civilian bladder is one or

1951

01:14:43,189 --> 01:14:41,840

they excrete ways that they have another

1952

01:14:45,350 --> 01:14:43,199

organ which i don't know if our

1953

01:14:47,350 --> 01:14:45,360

scientists determine what it was for but

1954

01:14:48,950 --> 01:14:47,360

they believe it's to transfer the solid

1955

01:14:51,510 --> 01:14:48,960

wastes and the liquid wastes

1956

01:14:52,390 --> 01:14:51,520

they have hands without thumbs and four

1957

01:14:55,910 --> 01:14:52,400

fingers without

1958

01:14:57,350 --> 01:14:55,920

any thumbs uh their feet are wet like

1959

01:14:58,790 --> 01:14:57,360

small one like

1960

01:15:00,470 --> 01:14:58,800

so many questions occurred do they

1961

01:15:01,990 --> 01:15:00,480

believe in a supreme being what's their

1962

01:15:03,510 --> 01:15:02,000

intelligence level what's their average

1963

01:15:07,110 --> 01:15:03,520

lifespan

1964

01:15:11,669 --> 01:15:07,120

it's depressingly 350

1965

01:15:15,750 --> 01:15:11,679

to 400 earth years it's my understanding

1966

01:15:19,030 --> 01:15:15,760

that the aliens have an iq

1967

01:15:21,270 --> 01:15:19,040

of over 200 they have a religion

1968

01:15:22,870 --> 01:15:21,280

but it's a universal religion they

1969

01:15:26,229 --> 01:15:22,880

believe in the universe

1970

01:15:29,990 --> 01:15:26,239

as a supreme being the aliens enjoy

1971

01:15:33,189 --> 01:15:30,000

music all types of music

1972

01:15:38,550 --> 01:15:33,199

but especially ancient tibetan

1973

01:15:41,270 --> 01:15:38,560

style music we asked about their diet

1974

01:15:42,310 --> 01:15:41,280

they do eat vegetables they like

1975

01:15:46,229 --> 01:15:42,320

vegetables

1976

01:15:50,070 --> 01:15:46,239

and your favorite dish or snack

1977

01:15:51,270 --> 01:15:50,080

is ice cream especially strawberry

1978

01:15:53,270 --> 01:15:51,280

well the next time you're in an ice

1979

01:15:55,030 --> 01:15:53,280

cream parlor just quietly notice who

1980

01:15:56,790 --> 01:15:55,040

ordered strawberry okay

1981

01:15:58,310 --> 01:15:56,800

as a wrap-up falcon and condor said to

1982

01:16:01,110 --> 01:15:58,320

us i

1983

01:16:03,830 --> 01:16:01,120

personally feel that this information

1984

01:16:06,390 --> 01:16:03,840

should be presented to the public

1985

01:16:08,149 --> 01:16:06,400

there's only a small portion of the

1986

01:16:10,470 --> 01:16:08,159

information that we've gathered

1987

01:16:13,830 --> 01:16:10,480

from the extraterrestrials that should

1988

01:16:15,669 --> 01:16:13,840

be safeguarded or classified

1989

01:16:17,350 --> 01:16:15,679

condor also suggested he'd like to see a

1990

01:16:19,030 --> 01:16:17,360

congressional hearing on the subject

1991

01:16:20,390 --> 01:16:19,040

interestingly enough he falcon and the

1992

01:16:21,830 --> 01:16:20,400

third source have agreed to meet with

1993

01:16:23,110 --> 01:16:21,840

the senator's staff to discuss

1994

01:16:25,030 --> 01:16:23,120

all of the information they claim to

1995

01:16:26,709 --> 01:16:25,040

have concerning ufos and aliens

1996

01:16:28,070 --> 01:16:26,719

from this meeting a senate investigation

1997

01:16:29,669 --> 01:16:28,080

could ensue

1998

01:16:33,510 --> 01:16:29,679

now if this is true tonight we're

1999

01:16:37,270 --> 01:16:35,030

we're back by satellite with our

2000

01:16:41,750 --> 01:16:37,280

contacts in moscow ussr

2001

01:16:46,390 --> 01:16:43,510

once again from tas here is sergey

2002

01:16:48,630 --> 01:16:46,400

bolonsev tell us again sergey about the

2003

01:16:51,910 --> 01:16:48,640

preliminary findings from tunguska

2004

01:16:55,189 --> 01:16:54,310

are you on the line seriously explosion

2005

01:16:58,790 --> 01:16:55,199

which occurred

2006

01:17:02,790 --> 01:16:58,800

in 1908 still attracts a

2007

01:17:04,870 --> 01:17:02,800

tremendous amount of public attention

2008

01:17:06,630 --> 01:17:04,880

i traveled twice on the site of the

2009

01:17:09,669 --> 01:17:06,640

explosion

2010

01:17:13,590 --> 01:17:09,679

it is in a very remote very distant

2011

01:17:15,030 --> 01:17:13,600

part of siberia and according to some

2012

01:17:17,430 --> 01:17:15,040

recent findings

2013

01:17:18,229 --> 01:17:17,440

the most astonishing fact about tunguska

2014

01:17:21,270 --> 01:17:18,239

explosion

2015

01:17:24,709 --> 01:17:21,280

is that actually there were two

2016

01:17:27,830 --> 01:17:24,719

objects two objects i would say

2017

01:17:29,990 --> 01:17:27,840

two ufos the first one

2018

01:17:31,270 --> 01:17:30,000

had been seen early in the morning at

2019

01:17:34,950 --> 01:17:31,280

approximately

2020

01:17:38,390 --> 01:17:34,960

8 a.m and it was exploded

2021

01:17:41,189 --> 01:17:38,400

it exploded over the tunguska forest

2022

01:17:42,870 --> 01:17:41,199

and the second van had been seen in the

2023

01:17:45,110 --> 01:17:42,880

afternoon

2024

01:17:47,590 --> 01:17:45,120

one can get the impression that the

2025

01:17:48,149 --> 01:17:47,600

second object was looking for the first

2026

01:17:51,510 --> 01:17:48,159

one

2027

01:17:53,189 --> 01:17:51,520

yes and mike by the way why shouldn't we

2028

01:17:55,830 --> 01:17:53,199

arrange a joint soviet american

2029

01:17:57,750 --> 01:17:55,840

expedition to the site of the explosion

2030

01:17:59,189 --> 01:17:57,760

i think that's a terrific idea sergey

2031

01:18:00,870 --> 01:17:59,199

i'm sure there are many americans who

2032

01:18:02,550 --> 01:18:00,880

would like to join us

2033

01:18:03,990 --> 01:18:02,560

we'll talk further now we're looking

2034

01:18:05,830 --> 01:18:04,000

forward to the final reports from this

2035

01:18:07,270 --> 01:18:05,840

latest expedition to siberia

2036

01:18:09,510 --> 01:18:07,280

thanks for the news flash sergey

2037

01:18:11,270 --> 01:18:09,520

boulanson and thanks for opening a new

2038

01:18:14,229 --> 01:18:11,280

channel of communication between the us

2039

01:18:17,669 --> 01:18:15,669

now we've invited three people who are

2040

01:18:18,870 --> 01:18:17,679

highly skeptical of ufo phenomena

2041

01:18:21,270 --> 01:18:18,880

we would like them to give you their

2042

01:18:23,669 --> 01:18:21,280

point of view let's meet them first

2043

01:18:25,270 --> 01:18:23,679

david williamson a 30-year veteran nasa

2044

01:18:27,350 --> 01:18:25,280

senior staff member who is well known as

2045

01:18:28,630 --> 01:18:27,360

the ufo point person at the

2046

01:18:30,790 --> 01:18:28,640

national aeronautics and space

2047

01:18:31,590 --> 01:18:30,800

administration james oberg who has

2048

01:18:33,910 --> 01:18:31,600

written many

2049

01:18:35,910 --> 01:18:33,920

books and articles about space and ufos

2050

01:18:37,669 --> 01:18:35,920

and lectures widely on related topics

2051
01:18:39,590 --> 01:18:37,679
and finally dr herbert spiegel who heads

2052
01:18:40,390 --> 01:18:39,600
the columbia college of physicians and

2053
01:18:43,189 --> 01:18:40,400
surgeons

2054
01:18:44,550 --> 01:18:43,199
postgraduate program is in hypnosis and

2055
01:18:45,910 --> 01:18:44,560
is the author of the book trance

2056
01:18:48,310 --> 01:18:45,920
and treatment the clinical uses of

2057
01:18:49,590 --> 01:18:48,320
hypnosis gentlemen thank you for being

2058
01:18:51,030 --> 01:18:49,600
here dr spiegel

2059
01:18:52,830 --> 01:18:51,040
you're the expert in hypnosis what do

2060
01:18:54,550 --> 01:18:52,840
you think of the technique of hypnotic

2061
01:18:58,470 --> 01:18:54,560
regression

2062
01:19:00,550 --> 01:18:58,480
well the hypnosis is accurately regarded

2063
01:19:03,990 --> 01:19:00,560

as controlled imagination which

2064

01:19:06,229 --> 01:19:04,000

includes misperceptions as well

2065

01:19:07,830 --> 01:19:06,239

now what you can do with hypnosis is to

2066

01:19:10,550 --> 01:19:07,840

intensify

2067

01:19:11,830 --> 01:19:10,560

the the memories that we have but that

2068

01:19:13,910 --> 01:19:11,840

also includes

2069

01:19:16,070 --> 01:19:13,920

our inner feelings as well as our

2070

01:19:17,270 --> 01:19:16,080

memories with the original distortions

2071

01:19:20,709 --> 01:19:17,280

in the first place

2072

01:19:22,709 --> 01:19:20,719

but hypnosis does not at all enhance the

2073

01:19:23,910 --> 01:19:22,719

accuracy of the original perception in

2074

01:19:25,990 --> 01:19:23,920

the first place

2075

01:19:27,430 --> 01:19:26,000

does not does not the question of

2076

01:19:29,750 --> 01:19:27,440

commonalities does that mean anything

2077

01:19:31,270 --> 01:19:29,760

it's simply because we know that in our

2078

01:19:34,390 --> 01:19:31,280

forensic work

2079

01:19:36,470 --> 01:19:34,400

that too many misperceptions occur in

2080

01:19:39,830 --> 01:19:36,480

the first place and

2081

01:19:43,270 --> 01:19:39,840

if you now intensify it with the vivid

2082

01:19:45,510 --> 01:19:43,280

recall of hypnosis then all you do is

2083

01:19:46,470 --> 01:19:45,520

exaggerating what you already started

2084

01:19:48,790 --> 01:19:46,480

off

2085

01:19:50,310 --> 01:19:48,800

with as a misperception all right sir mr

2086

01:19:51,669 --> 01:19:50,320

williamson what does nasa's point man on

2087

01:19:53,590 --> 01:19:51,679

ufos have to say in response to the

2088

01:19:56,470 --> 01:19:53,600

material you've seen

2089

01:19:58,310 --> 01:19:56,480

sort of interesting the official nasa

2090

01:20:00,310 --> 01:19:58,320

position has been for 11 years

2091

01:20:02,070 --> 01:20:00,320

that we will analyze legitimate

2092

01:20:04,709 --> 01:20:02,080

materials physically

2093

01:20:05,350 --> 01:20:04,719

available to us give us a quick claim so

2094

01:20:07,830 --> 01:20:05,360

that we can

2095

01:20:08,390 --> 01:20:07,840

cut it apart and so forth in those 11

2096

01:20:11,189 --> 01:20:08,400

years

2097

01:20:12,950 --> 01:20:11,199

we haven't had any physical evidence

2098

01:20:13,669 --> 01:20:12,960

what you're dealing here with here seems

2099

01:20:15,910 --> 01:20:13,679

to be a

2100

01:20:16,790 --> 01:20:15,920

phenomenon very real since ezekiel all

2101

01:20:19,430 --> 01:20:16,800

the way to

2102

01:20:20,709 --> 01:20:19,440

florida yes but it is not a physical

2103

01:20:21,669 --> 01:20:20,719

phenomena that you can measure that you

2104

01:20:23,350 --> 01:20:21,679

can put your hands on

2105

01:20:25,030 --> 01:20:23,360

that you can bring to the laboratory i

2106

01:20:27,510 --> 01:20:25,040

don't know what it is it's obviously

2107

01:20:29,510 --> 01:20:27,520

real you can't you can have some hoaxes

2108

01:20:31,669 --> 01:20:29,520

quite a lot of hoaxes as you saw tonight

2109

01:20:32,470 --> 01:20:31,679

but you also have a lot of people who

2110

01:20:34,310 --> 01:20:32,480

know

2111

01:20:35,750 --> 01:20:34,320

that they have felt something

2112

01:20:36,310 --> 01:20:35,760

experienced something we don't know what

2113

01:20:38,470 --> 01:20:36,320

it is

2114

01:20:39,990 --> 01:20:38,480

keep an open mind and wait for physical

2115

01:20:41,830 --> 01:20:40,000

evidence is probably

2116

01:20:43,270 --> 01:20:41,840

the the best scientific advice you can

2117

01:20:45,750 --> 01:20:43,280

get in the meantime

2118

01:20:47,270 --> 01:20:45,760

look for ways to measure this thing

2119

01:20:48,470 --> 01:20:47,280

thank goodness mr oberg what do you

2120

01:20:49,110 --> 01:20:48,480

think about the evidence you've seen

2121

01:20:51,030 --> 01:20:49,120

tonight

2122

01:20:53,030 --> 01:20:51,040

playing some fast fast material mike

2123

01:20:55,110 --> 01:20:53,040

the most interesting part is that the

2124

01:20:56,950 --> 01:20:55,120

materials put together

2125

01:20:58,629 --> 01:20:56,960

left out an awful lot as well material

2126

01:21:00,390 --> 01:20:58,639

within the ufo community itself

2127

01:21:02,390 --> 01:21:00,400

with a lot of controversy and skepticism

2128

01:21:03,270 --> 01:21:02,400

among ufo believers about the mg12

2129

01:21:05,830 --> 01:21:03,280

material

2130

01:21:06,870 --> 01:21:05,840

about gulf breeze as an example i'm glad

2131

01:21:08,310 --> 01:21:06,880

to see the russians

2132

01:21:09,750 --> 01:21:08,320

are brought into this because that

2133

01:21:11,430 --> 01:21:09,760

really underscores what i think is

2134

01:21:13,830 --> 01:21:11,440

happening a lot of these reports

2135

01:21:16,229 --> 01:21:13,840

which is that people will see and

2136

01:21:17,990 --> 01:21:16,239

interpret things in the sky as they

2137

01:21:19,910 --> 01:21:18,000

interpret them and many times the

2138

01:21:22,790 --> 01:21:19,920

government doesn't really mind

2139

01:21:23,990 --> 01:21:22,800

that ufos are seen as flying saucers the

2140

01:21:25,189 --> 01:21:24,000

case is discussed tonight that

2141

01:21:26,709 --> 01:21:25,199

particularly the first case from the

2142

01:21:29,189 --> 01:21:26,719

airliner 1984

2143

01:21:30,629 --> 01:21:29,199

at 4 10 a.m turns out to have been it

2144

01:21:31,669 --> 01:21:30,639

was seen by other people outside of

2145

01:21:34,629 --> 01:21:31,679

russia as well

2146

01:21:36,550 --> 01:21:34,639

a military rocket test up in the area of

2147

01:21:38,310 --> 01:21:36,560

placeets which was a secret space center

2148

01:21:39,750 --> 01:21:38,320

this happened so many times on soviet

2149

01:21:42,070 --> 01:21:39,760

union they released official scientific

2150

01:21:44,070 --> 01:21:42,080

reports from the academy of sciences

2151

01:21:45,750 --> 01:21:44,080

claiming that things that people see

2152

01:21:47,189 --> 01:21:45,760

which happens to be weapons tests phase

2153

01:21:50,790 --> 01:21:47,199

weapons tests for example

2154

01:21:52,229 --> 01:21:50,800

are ufos so but so to call them flying

2155

01:21:53,910 --> 01:21:52,239

saw services and into

2156

01:21:56,229 --> 01:21:53,920

and to present that point of view is

2157

01:21:57,270 --> 01:21:56,239

actually to take part in the cover-up of

2158

01:21:59,350 --> 01:21:57,280

their true nature

2159

01:22:01,350 --> 01:21:59,360

which is in some ways a very ironic uh

2160

01:22:03,590 --> 01:22:01,360

feature now in terms of whether or not

2161

01:22:05,510 --> 01:22:03,600

these are real ufos whether or not the

2162

01:22:07,430 --> 01:22:05,520

mj12 stories which seem to change every

2163

01:22:09,590 --> 01:22:07,440

time we hear them from from falcon

2164

01:22:10,550 --> 01:22:09,600

are true i'm afraid we don't have a 900

2165

01:22:12,390 --> 01:22:10,560

number

2166

01:22:14,149 --> 01:22:12,400

but i suggest we people go out and do is

2167

01:22:15,910 --> 01:22:14,159

go out and buy strawberry ice cream if

2168

01:22:16,229 --> 01:22:15,920

it's all gone maybe the ufo guy will go

2169

01:22:19,189 --> 01:22:16,239

away

2170

01:22:20,149 --> 01:22:19,199

great thank you very much gentlemen for

2171

01:22:21,590 --> 01:22:20,159

being here

2172

01:22:22,870 --> 01:22:21,600

since we went on the air two hours ago

2173

01:22:24,310 --> 01:22:22,880

calls have been coming in from all over

2174

01:22:27,189 --> 01:22:24,320

the country claiming to have experienced

2175

01:22:29,189 --> 01:22:27,199

close encounters with ufos uh here are

2176

01:22:32,709 --> 01:22:29,199

the results

2177

01:22:36,830 --> 01:22:32,719

of the people that called in uh 20

2178

01:22:41,830 --> 01:22:39,030

experience of those who claim to have

2179

01:22:45,350 --> 01:22:41,840

had a close encounter of the first kind

2180

01:22:48,870 --> 01:22:48,070

66 percent claim to have had a ufo

2181

01:22:51,430 --> 01:22:48,880

experience of the

2182

01:22:52,950 --> 01:22:51,440

close encounter the first kind a close

2183

01:22:55,990 --> 01:22:52,960

encounter of the second kind

2184

01:22:57,830 --> 01:22:56,000

five percent make that claim and

2185

01:22:59,669 --> 01:22:57,840

three percent claim to have had a close

2186

01:23:01,669 --> 01:22:59,679

encounter of the third kind that's

2187

01:23:03,669 --> 01:23:01,679

perfect uh close encounters of the

2188

01:23:07,270 --> 01:23:03,679

fourth kind six percent

2189

01:23:09,110 --> 01:23:07,280

thus far in the program we've had uh

2190

01:23:10,790 --> 01:23:09,120

how many percent of our callers calling

2191

01:23:13,110 --> 01:23:10,800

for a congressional investigation

2192

01:23:14,229 --> 01:23:13,120

87 percent saying yes congressional

2193

01:23:17,590 --> 01:23:14,239

investigation

2194

01:23:18,950 --> 01:23:17,600

no 13 percent i remember our telephones

2195

01:23:20,870 --> 01:23:18,960

are active until 1 a.m

2196

01:23:22,950 --> 01:23:20,880

october 15th eastern daylight time

2197

01:23:25,030 --> 01:23:22,960

throughout the united states and canada

2198

01:23:26,470 --> 01:23:25,040

at the nominal charge of a dollar all

2199

01:23:27,590 --> 01:23:26,480

information received from your phone

2200

01:23:29,189 --> 01:23:27,600

calls will be

2201

01:23:30,470 --> 01:23:29,199

forwarded to a proper investigational

2202

01:23:34,070 --> 01:23:30,480

committee should one be set up in

2203

01:23:35,590 --> 01:23:34,080

congress here in washington dc

2204

01:23:37,270 --> 01:23:35,600

thomas jefferson said the government

2205

01:23:39,350 --> 01:23:37,280

must never lie to the people

2206

01:23:40,870 --> 01:23:39,360

after all the sightings observations and

2207

01:23:42,550 --> 01:23:40,880

testimonies presented here tonight we

2208

01:23:44,070 --> 01:23:42,560

are left with the uneasy question

2209

01:23:47,189 --> 01:23:44,080

has our government been lying to us

2210

01:23:48,709 --> 01:23:47,199

about ufos are extraterrestrials here

2211

01:23:50,470 --> 01:23:48,719

does our government have ufos hidden

2212

01:23:52,070 --> 01:23:50,480

away in a warehouse

2213

01:23:54,149 --> 01:23:52,080

or is it just some sort of

2214

01:23:56,870 --> 01:23:54,159

misunderstanding or perhaps

2215

01:23:59,750 --> 01:23:56,880

is it all a hoax a sci-fi fantasy in the

2216

01:24:01,110 --> 01:23:59,760

minds of overzealous space fans

2217

01:24:03,510 --> 01:24:01,120

could the government of the united

2218

01:24:05,030 --> 01:24:03,520

states the citadel of the free world

2219

01:24:06,709 --> 01:24:05,040

have covered up the most significant

2220

01:24:10,390 --> 01:24:06,719

event of the 20th century

2221

01:24:12,550 --> 01:24:10,400

is that logical you be the judge

2222

01:24:14,830 --> 01:24:12,560

what does our future hold what

2223

01:24:16,950 --> 01:24:14,840

technological breakthroughs can we

2224

01:24:19,270 --> 01:24:16,960

expect

2225

01:24:21,270 --> 01:24:19,280

let's look at the last decade computers

2226

01:24:22,709 --> 01:24:21,280

that filled whole rooms now fit in your

2227

01:24:24,310 --> 01:24:22,719

shirt pocket

2228

01:24:26,580 --> 01:24:24,320

transmitters that once were the size of

2229

01:24:28,870 --> 01:24:26,590

a bread box are now the size of a bee

2230

01:24:32,390 --> 01:24:28,880

[Music]

2231

01:24:33,350 --> 01:24:32,400

now let's look at today holographic

2232

01:24:35,830 --> 01:24:33,360

images

2233

01:24:37,350 --> 01:24:35,840

cd and optical disk players created by

2234

01:24:38,870 --> 01:24:37,360

the laser

2235

01:24:40,870 --> 01:24:38,880

we can send more information through a

2236

01:24:42,870 --> 01:24:40,880

single weightless beam like this in one

2237

01:24:44,790 --> 01:24:42,880

second than edison could send in five

2238

01:24:45,910 --> 01:24:44,800

days through a thousand tons of copper

2239

01:24:47,990 --> 01:24:45,920

wire

2240

01:24:50,229 --> 01:24:48,000

suppose someday instead of pictures we

2241

01:24:51,430 --> 01:24:50,239

could transmit the life code that makes

2242

01:24:54,149 --> 01:24:51,440

you you

2243

01:24:56,950 --> 01:24:54,159

being your dna personal blueprint of

2244

01:25:00,629 --> 01:24:56,960

your essence to some distant star

2245

01:25:03,510 --> 01:25:00,639

scientific reality no speculation

2246

01:25:05,830 --> 01:25:03,520

but speculation can work we speculated

2247

01:25:08,229 --> 01:25:05,840

on something besides walking

2248

01:25:09,910 --> 01:25:08,239

we came up with a car we speculated

2249

01:25:12,629 --> 01:25:09,920

about flying

2250

01:25:13,990 --> 01:25:12,639

we went to the moon but this evening

2251

01:25:16,790 --> 01:25:14,000

we're speculating about them

2252

01:25:18,470 --> 01:25:16,800

the extraterrestrials not us not our

2253

01:25:20,470 --> 01:25:18,480

technology but theirs

2254

01:25:22,149 --> 01:25:20,480

perhaps the future holds this promise

2255

01:25:26,070 --> 01:25:22,159

for us

2256

01:25:45,240 --> 01:25:26,080

perhaps we're not alone good night and
