

**SOMEWHERE  
IN THE  
SKIES**

**THE SECRET OF  
SKINWALKER RANCH**

---

**FEATURING BRANDON FUGAL**

1  
00:00:09,110 --> 00:00:06,230  
it's known as both

2  
00:00:12,390 --> 00:00:09,120  
a paranormal hotspot and a living

3  
00:00:15,190 --> 00:00:12,400  
laboratory of anomalous phenomena

4  
00:00:16,950 --> 00:00:15,200  
to many of the indigenous ut tribe and

5  
00:00:20,070 --> 00:00:16,960  
navajo in this area

6  
00:00:21,670 --> 00:00:20,080  
it's been deemed a cursed land by a

7  
00:00:24,950 --> 00:00:21,680  
shape-shifting witch

8  
00:00:26,710 --> 00:00:24,960  
known as the skinwalker this

9  
00:00:28,230 --> 00:00:26,720  
is how the basin in the northwestern

10  
00:00:31,910 --> 00:00:28,240  
part of utah and

11  
00:00:33,910 --> 00:00:31,920  
more specifically a 512-acre property

12  
00:00:35,030 --> 00:00:33,920  
in the basin would eventually become

13  
00:00:38,790 --> 00:00:35,040

known as

14

00:00:41,190 --> 00:00:38,800

skinwalker ranch original owner

15

00:00:43,590 --> 00:00:41,200

terry sherman got so spooked by the

16

00:00:45,670 --> 00:00:43,600

happenings on this new cattle ranch

17

00:00:47,190 --> 00:00:45,680

that 18 months after moving his family

18

00:00:49,430 --> 00:00:47,200

of four to the property

19

00:00:50,310 --> 00:00:49,440

he would pack up the family sell the

20

00:00:53,990 --> 00:00:50,320

ranch and

21

00:00:54,389 --> 00:00:54,000

never look back the shermans would share

22

00:00:57,670 --> 00:00:54,399

their

23

00:01:01,189 --> 00:00:57,680

terrifying tales of crop circles

24

00:01:03,830 --> 00:01:01,199

forming out of nowhere ufo sightings

25

00:01:04,950 --> 00:01:03,840

systematic and repeated mutilation of

26

00:01:07,750 --> 00:01:04,960

their cattle

27

00:01:09,830 --> 00:01:07,760

and strange shape-shifting creatures

28

00:01:12,550 --> 00:01:09,840

prowling the property

29

00:01:15,190 --> 00:01:12,560

as news spread it caught the attention

30

00:01:18,149 --> 00:01:15,200

of las vegas real estate magnate

31

00:01:19,190 --> 00:01:18,159

bigelow aerospace founder and ufo

32

00:01:22,550 --> 00:01:19,200

enthusiast

33

00:01:23,270 --> 00:01:22,560

robert bigelow bigelow purchased the

34

00:01:25,590 --> 00:01:23,280

property

35

00:01:27,109 --> 00:01:25,600

within three months of the sherman's

36

00:01:29,510 --> 00:01:27,119

departure

37

00:01:31,590 --> 00:01:29,520

under the name the national institute

38

00:01:34,069 --> 00:01:31,600

for discovery science or

39

00:01:36,069 --> 00:01:34,079

knit bigelow set up round-the-clock

40

00:01:37,910 --> 00:01:36,079

surveillance of the ranch

41

00:01:40,149 --> 00:01:37,920

hoping to get to the bottom of the

42

00:01:42,710 --> 00:01:40,159

paranormal claims

43

00:01:43,749 --> 00:01:42,720

at one point even the pentagon got

44

00:01:45,350 --> 00:01:43,759

involved

45

00:01:47,030 --> 00:01:45,360

in an interview with investigative

46

00:01:48,870 --> 00:01:47,040

reporter george knapp

47

00:01:50,469 --> 00:01:48,880

bigelow revealed that he had just

48

00:01:53,109 --> 00:01:50,479

created bass

49

00:01:55,429 --> 00:01:53,119

in offshoot of bigelow aerospace and

50

00:01:59,270 --> 00:01:55,439

that bass had entered into a partnership

51  
00:02:01,990 --> 00:01:59,280  
with an unnamed entity to study ufos

52  
00:02:03,350 --> 00:02:02,000  
and other strange phenomena the public

53  
00:02:05,670 --> 00:02:03,360  
didn't know at the time

54  
00:02:06,469 --> 00:02:05,680  
but one week earlier bigelow had signed

55  
00:02:09,430 --> 00:02:06,479  
a contract

56  
00:02:10,229 --> 00:02:09,440  
with the defense intelligence agency to

57  
00:02:14,070 --> 00:02:10,239  
carry out an

58  
00:02:16,790 --> 00:02:14,080  
investigation under the umbrella of osap

59  
00:02:17,910 --> 00:02:16,800  
the advanced aerospace weapons systems

60  
00:02:20,949 --> 00:02:17,920  
application

61  
00:02:23,030 --> 00:02:20,959  
program the impetus for the program

62  
00:02:25,430 --> 00:02:23,040  
had occurred a year earlier when a

63  
00:02:28,229 --> 00:02:25,440

senior scientist from the dia

64

00:02:29,910 --> 00:02:28,239

visited skinwalker ranch and had a

65

00:02:32,949 --> 00:02:29,920

highly unusual encounter

66

00:02:35,750 --> 00:02:32,959

with an unknown intelligence the

67

00:02:38,390 --> 00:02:35,760

scientists returned to washington dc

68

00:02:39,110 --> 00:02:38,400

met with u.s senators harry reid daniel

69

00:02:41,750 --> 00:02:39,120

inyue

70

00:02:42,470 --> 00:02:41,760

and ted stevens and proposed the

71

00:02:46,070 --> 00:02:42,480

creation

72

00:02:48,869 --> 00:02:46,080

of a special classified study of ufos

73

00:02:50,949 --> 00:02:48,879

and related phenomena the three

74

00:02:53,910 --> 00:02:50,959

lawmakers agreed to sponsor

75

00:02:54,550 --> 00:02:53,920

such a program and secured 22 million

76

00:02:57,990 --> 00:02:54,560

dollars

77

00:03:00,630 --> 00:02:58,000

to fund it in the time of asap

78

00:03:01,270 --> 00:03:00,640

bass and the work being done by nids

79

00:03:03,589 --> 00:03:01,280

very

80

00:03:04,790 --> 00:03:03,599

little can create physical evidence

81

00:03:07,509 --> 00:03:04,800

revealed itself

82

00:03:08,790 --> 00:03:07,519

at the ranch but the surveillance did

83

00:03:11,750 --> 00:03:08,800

yield a book

84

00:03:13,990 --> 00:03:11,760

hunt for the skinwalker in which many

85

00:03:16,949 --> 00:03:14,000

that investigated at the ranch

86

00:03:18,229 --> 00:03:16,959

did have meaningful and highly anomalous

87

00:03:20,949 --> 00:03:18,239

experiences

88

00:03:21,910 --> 00:03:20,959

that they shared in the book but as time

89

00:03:24,309 --> 00:03:21,920

moved on

90

00:03:26,070 --> 00:03:24,319

bigelow decided to move on as well

91

00:03:29,509 --> 00:03:26,080

putting skinwalker ranch

92

00:03:33,990 --> 00:03:29,519

just like the sherman's up for sale

93

00:03:35,910 --> 00:03:34,000

enter brendan fuegle in 2016

94

00:03:38,710 --> 00:03:35,920

utah-based real estate mogul and

95

00:03:40,789 --> 00:03:38,720

investor fugl had a chance encounter

96

00:03:42,470 --> 00:03:40,799

with bigelow and decided to purchase the

97

00:03:45,589 --> 00:03:42,480

ranch as a complete

98

00:03:46,070 --> 00:03:45,599

skeptic but open to the possibility that

99

00:03:49,990 --> 00:03:46,080

something

100

00:03:52,789 --> 00:03:50,000

strange may be going on at this range

101  
00:03:55,830 --> 00:03:52,799  
fugle tightened up security hired a team

102  
00:03:57,830 --> 00:03:55,840  
of researchers to study the anomalies

103  
00:03:59,509 --> 00:03:57,840  
and helped launch the history channel

104  
00:04:02,390 --> 00:03:59,519  
television series

105  
00:04:05,190 --> 00:04:02,400  
the secret of skinwalker ranch to

106  
00:04:08,070 --> 00:04:05,200  
document the team's findings

107  
00:04:09,429 --> 00:04:08,080  
after a highly successful first season

108  
00:04:12,550 --> 00:04:09,439  
the team returns

109  
00:04:15,509 --> 00:04:12,560  
may 4th on the history channel for the

110  
00:04:18,870 --> 00:04:15,519  
season two premiere

111  
00:04:21,189 --> 00:04:18,880  
today brandon fugal joins us to talk

112  
00:04:22,629 --> 00:04:21,199  
all about what led him to purchase

113  
00:04:24,469 --> 00:04:22,639

skinwalker ranch

114

00:04:26,070 --> 00:04:24,479

some of the compelling evidence he and

115

00:04:28,469 --> 00:04:26,080

the team have uncovered

116

00:04:29,189 --> 00:04:28,479

what's to come in season two and what

117

00:04:31,749 --> 00:04:29,199

turned him

118

00:04:32,390 --> 00:04:31,759

from a skeptic to a believer in the

119

00:04:35,909 --> 00:04:32,400

blink

120

00:04:45,540 --> 00:04:35,919

of an eye this is the secret

121

00:04:54,830 --> 00:04:50,790

[Music]

122

00:04:55,850 --> 00:04:54,840

this is somewhere in the skies with ryan

123

00:05:12,629 --> 00:04:55,860

spread

124

00:05:16,310 --> 00:05:14,710

welcome everybody to somewhere in the

125

00:05:18,550 --> 00:05:16,320

skies and today we've got a

126

00:05:20,550 --> 00:05:18,560

really really cool episode for you guys

127

00:05:24,150 --> 00:05:20,560

i can't believe this is my first time

128

00:05:26,550 --> 00:05:24,160

talking to him we have the owner of skin

129

00:05:27,430 --> 00:05:26,560

walker ranch here with us today to talk

130

00:05:29,430 --> 00:05:27,440

all about

131

00:05:30,870 --> 00:05:29,440

you know the past history of what he's

132

00:05:32,950 --> 00:05:30,880

discovered so far

133

00:05:35,350 --> 00:05:32,960

at the ranch how he got involved with

134

00:05:38,390 --> 00:05:35,360

all this and what's to come in

135

00:05:39,749 --> 00:05:38,400

season two of the skinwalker television

136

00:05:41,270 --> 00:05:39,759

show on the history channel

137

00:05:43,350 --> 00:05:41,280

so we're going to dive right in so

138

00:05:43,909 --> 00:05:43,360

without further ado i'm going to bring

139

00:05:45,670 --> 00:05:43,919

him in

140

00:05:47,590 --> 00:05:45,680

brandon fiegel welcome to somewhere in

141

00:05:50,230 --> 00:05:47,600

the skies for the very first time

142

00:05:51,749 --> 00:05:50,240

hey it's good to be with you and looking

143

00:05:52,150 --> 00:05:51,759

forward to answering any questions you

144

00:05:54,310 --> 00:05:52,160

have

145

00:05:55,590 --> 00:05:54,320

and and also addressing a lot of the

146

00:05:57,430 --> 00:05:55,600

questions that you uh

147

00:05:58,790 --> 00:05:57,440

that you've received from the audience

148

00:06:02,070 --> 00:05:58,800

uh preparatory to

149

00:06:04,950 --> 00:06:02,080

this um podcast

150

00:06:06,629 --> 00:06:04,960

yeah yeah i i i will tell you i got more

151

00:06:08,870 --> 00:06:06,639

listener questions for this one

152

00:06:10,469 --> 00:06:08,880

than any other episode including with

153

00:06:13,189 --> 00:06:10,479

luis elizondo so

154

00:06:14,469 --> 00:06:13,199

you got him beat man so we'll we'll fire

155

00:06:16,390 --> 00:06:14,479

through those um

156

00:06:17,909 --> 00:06:16,400

i do have a couple personal questions

157

00:06:21,029 --> 00:06:17,919

first for you that i

158

00:06:21,590 --> 00:06:21,039

i'm pretty curious about um so i'll just

159

00:06:25,189 --> 00:06:21,600

ask

160

00:06:28,230 --> 00:06:25,199

the origin story how did it come to be

161

00:06:29,830 --> 00:06:28,240

um you purchasing the ranch uh maybe

162

00:06:31,510 --> 00:06:29,840

give us a little background of who you

163

00:06:33,350 --> 00:06:31,520

are where you grew up

164

00:06:34,629 --> 00:06:33,360

um and what ultimately led you to

165

00:06:37,909 --> 00:06:34,639

purchase this

166

00:06:40,309 --> 00:06:37,919

crazy spot in utah you bet well

167

00:06:41,990 --> 00:06:40,319

thank you i i've lived most of my life

168

00:06:44,469 --> 00:06:42,000

in a little town called pleasant grove

169

00:06:46,710 --> 00:06:44,479

utah with the exception of two years

170

00:06:48,309 --> 00:06:46,720

that i spent in hawaii as a

171

00:06:50,150 --> 00:06:48,319

missionary for the church of jesus

172

00:06:52,469 --> 00:06:50,160

christ of latter-day saints

173

00:06:53,510 --> 00:06:52,479

i was one of the lucky few to get called

174

00:06:55,749 --> 00:06:53,520

to the islands

175

00:06:57,110 --> 00:06:55,759

and served on oahu and big island but

176  
00:06:59,950 --> 00:06:57,120  
but for the most part i've

177  
00:07:01,830 --> 00:06:59,960  
lived my entire life and um you know

178  
00:07:06,150 --> 00:07:01,840  
multi-generational

179  
00:07:08,790 --> 00:07:06,160  
resident of pleasant grove utah

180  
00:07:10,950 --> 00:07:08,800  
i i started my commercial real estate

181  
00:07:13,350 --> 00:07:10,960  
career young which is my primary

182  
00:07:14,550 --> 00:07:13,360  
area of focus i jumped into commercial

183  
00:07:16,309 --> 00:07:14,560  
brokerage

184  
00:07:17,990 --> 00:07:16,319  
one week out of high school and it

185  
00:07:21,430 --> 00:07:18,000  
focused most of my

186  
00:07:24,550 --> 00:07:21,440  
adult life on corporate real estate

187  
00:07:25,670 --> 00:07:24,560  
and and really helping to to build

188  
00:07:27,909 --> 00:07:25,680

community

189

00:07:29,110 --> 00:07:27,919

and in working with a lot of really

190

00:07:33,189 --> 00:07:29,120

exciting

191

00:07:34,150 --> 00:07:33,199

uh projects and and and visionaries and

192

00:07:35,589 --> 00:07:34,160

entrepreneurs

193

00:07:37,430 --> 00:07:35,599

to uh to help them with their real

194

00:07:40,390 --> 00:07:37,440

estate strategies uh

195

00:07:41,670 --> 00:07:40,400

i have also ventured off into into other

196

00:07:43,029 --> 00:07:41,680

areas i've funded

197

00:07:46,230 --> 00:07:43,039

you know everything from software

198

00:07:49,430 --> 00:07:46,240

companies to you know renewable energy

199

00:07:53,189 --> 00:07:49,440

uh and and i have a uh

200

00:07:54,950 --> 00:07:53,199

a scientific device company that i uh

201  
00:07:56,950 --> 00:07:54,960  
spun out of brigham young university

202  
00:07:59,830 --> 00:07:56,960  
that that is really exciting

203  
00:08:00,790 --> 00:07:59,840  
call to accent but through some of those

204  
00:08:04,150 --> 00:08:00,800  
other ventures

205  
00:08:07,510 --> 00:08:04,160  
i was introduced to uh to

206  
00:08:10,710 --> 00:08:07,520  
to several scientists in fact about it

207  
00:08:11,189 --> 00:08:10,720  
over a decade ago i had been involved

208  
00:08:14,469 --> 00:08:11,199  
with

209  
00:08:16,950 --> 00:08:14,479  
a gravitational uh physics

210  
00:08:17,909 --> 00:08:16,960  
lab and funding that effort and helping

211  
00:08:21,270 --> 00:08:17,919  
to lead that and

212  
00:08:25,029 --> 00:08:21,280  
the relationships forged during that

213  
00:08:27,350 --> 00:08:25,039

experience uh ended up leading me to the

214

00:08:28,869 --> 00:08:27,360

introduction to mr bigelow even though i

215

00:08:32,230 --> 00:08:28,879

had read the book

216

00:08:35,990 --> 00:08:32,240

back in i don't know 2006 2007

217

00:08:38,149 --> 00:08:36,000

uh yeah as a as a curiosity piece

218

00:08:39,750 --> 00:08:38,159

you know something that uh that is

219

00:08:41,829 --> 00:08:39,760

interesting here in utah

220

00:08:43,670 --> 00:08:41,839

i really never imagined that i would

221

00:08:47,190 --> 00:08:43,680

ever have occasion to

222

00:08:47,829 --> 00:08:47,200

to visit the ranch or converse with mr

223

00:08:52,230 --> 00:08:47,839

bigelow

224

00:08:53,190 --> 00:08:52,240

and in fact uh you have never had a ufo

225

00:08:59,670 --> 00:08:53,200

experience

226

00:09:01,750 --> 00:08:59,680

to acquiring the property and so uh

227

00:09:03,110 --> 00:09:01,760

you know several scientists reached out

228

00:09:05,269 --> 00:09:03,120

to me

229

00:09:06,870 --> 00:09:05,279

and uh asked if i would be willing to

230

00:09:09,750 --> 00:09:06,880

take a meeting with mr bigelow

231

00:09:11,590 --> 00:09:09,760

to discuss a potential joint venture uh

232

00:09:14,550 --> 00:09:11,600

or acquisition of the property as

233

00:09:15,990 --> 00:09:14,560

as they saw an opportunity to advance

234

00:09:19,590 --> 00:09:16,000

the stewardship

235

00:09:21,990 --> 00:09:19,600

as uh as mr bigelow has focused most of

236

00:09:25,590 --> 00:09:22,000

his efforts on bigelow aerospace and his

237

00:09:27,509 --> 00:09:25,600

private you know space habitats program

238

00:09:29,030 --> 00:09:27,519

you know the inflatables program that he

239

00:09:31,030 --> 00:09:29,040

acquired from nasa

240

00:09:33,670 --> 00:09:31,040

they felt uh it was you know time for

241

00:09:37,190 --> 00:09:33,680

the the baton to be passed so to speak

242

00:09:37,910 --> 00:09:37,200

and so uh ended up having a meeting with

243

00:09:40,389 --> 00:09:37,920

him

244

00:09:41,110 --> 00:09:40,399

uh it's his invitation down in las vegas

245

00:09:44,230 --> 00:09:41,120

that uh

246

00:09:46,630 --> 00:09:44,240

that grew into uh negotiation that led

247

00:09:49,590 --> 00:09:46,640

to my acquisition of the property and

248

00:09:51,030 --> 00:09:49,600

we enjoy i think a good friendly

249

00:09:53,350 --> 00:09:51,040

association to this day

250

00:09:54,230 --> 00:09:53,360

i have great respect for mr bigelow

251  
00:09:56,470 --> 00:09:54,240  
absolutely

252  
00:09:57,990 --> 00:09:56,480  
and again you know sort of that passing

253  
00:09:59,030 --> 00:09:58,000  
on of the torch i know you've answered

254  
00:10:00,470 --> 00:09:59,040  
this question

255  
00:10:02,310 --> 00:10:00,480  
a lot in the past you know a lot of

256  
00:10:04,389 --> 00:10:02,320  
people wanted to know well what

257  
00:10:05,430 --> 00:10:04,399  
information did you acquire from mr

258  
00:10:07,269 --> 00:10:05,440  
bigelow but um

259  
00:10:10,230 --> 00:10:07,279  
i understand you know that was a whole

260  
00:10:12,150 --> 00:10:10,240  
different time a whole different uh

261  
00:10:14,230 --> 00:10:12,160  
structure you know he was answering to

262  
00:10:16,790 --> 00:10:14,240  
the government whereas you know

263  
00:10:18,550 --> 00:10:16,800

you came along and uh and i have to

264

00:10:20,790 --> 00:10:18,560

thank you first and foremost for being

265

00:10:21,990 --> 00:10:20,800

so open and transparent with the public

266

00:10:24,630 --> 00:10:22,000

about all this whether it's through the

267

00:10:26,310 --> 00:10:24,640

tv show um you're so accessible

268

00:10:28,230 --> 00:10:26,320

on things like twitter and whatnot and

269

00:10:28,870 --> 00:10:28,240

willing to have discussions like this

270

00:10:30,550 --> 00:10:28,880

one today

271

00:10:32,550 --> 00:10:30,560

yeah i i just want to mention i i

272

00:10:35,509 --> 00:10:32,560

consider my ownership as stewardship

273

00:10:35,990 --> 00:10:35,519

and and i really do want to engage the

274

00:10:39,030 --> 00:10:36,000

public

275

00:10:40,470 --> 00:10:39,040

and and reveal what we discover um i

276

00:10:42,069 --> 00:10:40,480

believe that we have

277

00:10:43,990 --> 00:10:42,079

really the the potential the greatest

278

00:10:45,590 --> 00:10:44,000

science project of our time

279

00:10:47,269 --> 00:10:45,600

out at skinwalker ranch i mean we have

280

00:10:49,590 --> 00:10:47,279

the most scientifically studied

281

00:10:51,590 --> 00:10:49,600

paranormal hotspot on the planet

282

00:10:53,670 --> 00:10:51,600

that just happened to be part of a

283

00:10:54,949 --> 00:10:53,680

pentagon funded black budget program for

284

00:10:58,470 --> 00:10:54,959

a number of years and

285

00:10:59,910 --> 00:10:58,480

the opportunity to advance that research

286

00:11:01,750 --> 00:10:59,920

and to be able to share that with the

287

00:11:04,790 --> 00:11:01,760

public and to to help

288

00:11:07,590 --> 00:11:04,800

i think reveal that uh there is more

289

00:11:08,710 --> 00:11:07,600

that meets the eye to our existence to

290

00:11:11,750 --> 00:11:08,720

our reality

291

00:11:12,470 --> 00:11:11,760

and uh and really as we take the leap

292

00:11:14,790 --> 00:11:12,480

forward

293

00:11:15,829 --> 00:11:14,800

you know in looking at the next frontier

294

00:11:21,030 --> 00:11:15,839

for

295

00:11:23,430 --> 00:11:21,040

extraordinary opportunity and

296

00:11:24,949 --> 00:11:23,440

it's something i'm very privileged to to

297

00:11:26,949 --> 00:11:24,959

be able to share with all of you

298

00:11:28,389 --> 00:11:26,959

you mentioned reality i'd love to get

299

00:11:30,790 --> 00:11:28,399

your opinion on this i mean

300

00:11:33,030 --> 00:11:30,800

you had a pretty dramatic experience

301  
00:11:35,509 --> 00:11:33,040  
after getting on the ranch with the uh

302  
00:11:36,710 --> 00:11:35,519  
the ufo encounter i am a ufo podcast so

303  
00:11:39,269 --> 00:11:36,720  
i gotta ask you

304  
00:11:41,110 --> 00:11:39,279  
could you maybe run us through um

305  
00:11:42,790 --> 00:11:41,120  
briefly that ufo event that you

306  
00:11:46,150 --> 00:11:42,800  
witnessed and um

307  
00:11:48,310 --> 00:11:46,160  
how it kind of opened your eyes that yep

308  
00:11:50,629 --> 00:11:48,320  
it's here we go hit the ground running

309  
00:11:51,430 --> 00:11:50,639  
we got ufos over the ranch how did that

310  
00:11:54,629 --> 00:11:51,440  
all happen

311  
00:11:58,470 --> 00:11:54,639  
yeah my transition from being a skeptic

312  
00:11:59,990 --> 00:11:58,480  
to an experimenter was quite dramatic

313  
00:12:01,190 --> 00:12:00,000

you know for the first six months that i

314

00:12:03,269 --> 00:12:01,200

owned the property

315

00:12:06,389 --> 00:12:03,279

i didn't see anything unusual i didn't

316

00:12:08,550 --> 00:12:06,399

have any unusual experience personally

317

00:12:10,629 --> 00:12:08,560

and didn't even feel any dark ominous

318

00:12:13,750 --> 00:12:10,639

presence on the property i just felt

319

00:12:16,069 --> 00:12:13,760

that it was a strikingly beautiful

320

00:12:17,030 --> 00:12:16,079

backdrop that has a diversity everything

321

00:12:19,269 --> 00:12:17,040

from that long

322

00:12:21,030 --> 00:12:19,279

mesa plateau that runs the expanse to

323

00:12:23,910 --> 00:12:21,040

the cave systems

324

00:12:26,629 --> 00:12:23,920

uh that lie in that plateau to the

325

00:12:28,949 --> 00:12:26,639

waterways and the old pioneer homesteads

326

00:12:29,829 --> 00:12:28,959

that are scattered across the property i

327

00:12:32,150 --> 00:12:29,839

i just

328

00:12:32,870 --> 00:12:32,160

really fell in love with the landscape

329

00:12:36,550 --> 00:12:32,880

and

330

00:12:39,670 --> 00:12:36,560

months into my

331

00:12:43,110 --> 00:12:39,680

my ownership uh we were hosting

332

00:12:45,430 --> 00:12:43,120

a dignitary and his his entourage his

333

00:12:48,389 --> 00:12:45,440

team and which included two security

334

00:12:49,110 --> 00:12:48,399

professionals and that day everything

335

00:12:52,230 --> 00:12:49,120

changed

336

00:12:53,509 --> 00:12:52,240

we saw everything from electromagnetic

337

00:12:55,750 --> 00:12:53,519

anomalies

338

00:12:57,030 --> 00:12:55,760

to individuals experiencing acute

339

00:13:00,470 --> 00:12:57,040

medical episodes

340

00:13:03,430 --> 00:13:00,480

to actual visible sighting of what can

341

00:13:04,310 --> 00:13:03,440

only be described as ufo craft in broad

342

00:13:06,949 --> 00:13:04,320

daylight

343

00:13:08,470 --> 00:13:06,959

above the mesa right in front of us as

344

00:13:10,790 --> 00:13:08,480

clear as day

345

00:13:12,710 --> 00:13:10,800

and uh you know we estimate that you

346

00:13:16,870 --> 00:13:12,720

know it was about a 40

347

00:13:19,990 --> 00:13:16,880

50 foot long disc like object that was

348

00:13:22,629 --> 00:13:20,000

silver grayish and uh and

349

00:13:23,350 --> 00:13:22,639

perform maneuvers that were just

350

00:13:26,629 --> 00:13:23,360

mind-blowing

351

00:13:28,550 --> 00:13:26,639

i mean split second uh maneuvers

352

00:13:30,069 --> 00:13:28,560

back and forth up and down and then

353

00:13:33,350 --> 00:13:30,079

ended up just

354

00:13:34,470 --> 00:13:33,360

zipping off into the distance and was

355

00:13:36,629 --> 00:13:34,480

gone in

356

00:13:38,870 --> 00:13:36,639

an instant and the whole episode even

357

00:13:39,670 --> 00:13:38,880

though it it only lasted about 20

358

00:13:42,310 --> 00:13:39,680

seconds

359

00:13:44,069 --> 00:13:42,320

i mean we had multiple witnesses there

360

00:13:46,069 --> 00:13:44,079

with me that i'd never met before that

361

00:13:48,310 --> 00:13:46,079

day i haven't spoken to after

362

00:13:49,269 --> 00:13:48,320

both those gentlemen actually earlier in

363

00:13:51,590 --> 00:13:49,279

the day

364

00:13:53,030 --> 00:13:51,600

had uh had expressed to me that they

365

00:13:54,710 --> 00:13:53,040

were skeptics that they didn't believe

366

00:13:56,790 --> 00:13:54,720

that there was anything to

367

00:13:58,150 --> 00:13:56,800

the lore and a lot of the claims but

368

00:14:01,350 --> 00:13:58,160

they were there to support

369

00:14:03,829 --> 00:14:01,360

the uh the visiting dignitary

370

00:14:05,509 --> 00:14:03,839

and so we were all very caught off guard

371

00:14:06,470 --> 00:14:05,519

you could you could honestly say you had

372

00:14:10,750 --> 00:14:06,480

three

373

00:14:12,949 --> 00:14:10,760

uh skeptics and uh and

374

00:14:14,150 --> 00:14:12,959

non-experiencers that uh that had a

375

00:14:17,269 --> 00:14:14,160

profound experience

376

00:14:18,470 --> 00:14:17,279

that to this day it's undeniable and

377

00:14:21,350 --> 00:14:18,480

it's driven me

378

00:14:23,829 --> 00:14:21,360

to to really increase our our

379

00:14:25,509 --> 00:14:23,839

capabilities on site and the platforms

380

00:14:27,829 --> 00:14:25,519

that have been created by

381

00:14:29,509 --> 00:14:27,839

our scientists and most notably eric

382

00:14:32,310 --> 00:14:29,519

bard who is just

383

00:14:33,750 --> 00:14:32,320

you know my right hand and uh the

384

00:14:36,069 --> 00:14:33,760

principal investigator

385

00:14:38,470 --> 00:14:36,079

has been with us since the beginning

386

00:14:40,310 --> 00:14:38,480

yeah he's he's come up with some cool

387

00:14:41,829 --> 00:14:40,320

innovative stuff which uh we'll

388

00:14:42,790 --> 00:14:41,839

definitely touch on in the listener

389

00:14:44,550 --> 00:14:42,800

questions here

390

00:14:45,910 --> 00:14:44,560

uh some really good ones i got some

391

00:14:48,150 --> 00:14:45,920

scientists who uh

392

00:14:49,030 --> 00:14:48,160

want to pick your brain a little bit but

393

00:14:51,189 --> 00:14:49,040

um

394

00:14:52,230 --> 00:14:51,199

let's i guess talk a little bit about

395

00:14:55,990 --> 00:14:52,240

season two

396

00:14:58,470 --> 00:14:56,000

um so uh premiering on may 4th

397

00:15:00,310 --> 00:14:58,480

and i was uh very fortunate to see the

398

00:15:01,750 --> 00:15:00,320

the premiere episode and

399

00:15:03,509 --> 00:15:01,760

you guys hit the ground running there

400

00:15:05,990 --> 00:15:03,519

was no messing around like

401  
00:15:07,110 --> 00:15:06,000  
we're we're in the thick of it again and

402  
00:15:10,310 --> 00:15:07,120  
um

403  
00:15:10,629 --> 00:15:10,320  
one of the big things i noticed brandon

404  
00:15:14,069 --> 00:15:10,639  
was

405  
00:15:16,790 --> 00:15:14,079  
um you stressing to your team

406  
00:15:18,230 --> 00:15:16,800  
uh safety and precaution i mean as we

407  
00:15:20,310 --> 00:15:18,240  
saw in the first season

408  
00:15:22,310 --> 00:15:20,320  
of your show there are some pretty

409  
00:15:24,069 --> 00:15:22,320  
dramatic um

410  
00:15:26,069 --> 00:15:24,079  
physical ailments that occurred to your

411  
00:15:28,550 --> 00:15:26,079  
team on the base and we've heard

412  
00:15:29,110 --> 00:15:28,560  
or excuse me on the uh the ranch and

413  
00:15:30,870 --> 00:15:29,120

we've heard

414

00:15:32,949 --> 00:15:30,880

stories of that happening in the past as

415

00:15:33,430 --> 00:15:32,959

well um so you brought in a gentleman

416

00:15:36,629 --> 00:15:33,440

named

417

00:15:37,990 --> 00:15:36,639

dr christopher lee um so i was wondering

418

00:15:40,629 --> 00:15:38,000

could you tell us a little about

419

00:15:41,269 --> 00:15:40,639

who he is what he does and maybe some of

420

00:15:45,749 --> 00:15:41,279

the

421

00:15:46,710 --> 00:15:45,759

poking and prodding getting more

422

00:15:50,069 --> 00:15:46,720

dangerous

423

00:15:53,110 --> 00:15:50,079

as you're uh uncovering things yeah

424

00:15:55,350 --> 00:15:53,120

good questions you know dr lee uh

425

00:15:56,470 --> 00:15:55,360

is is a world-renowned radiation

426  
00:15:59,670 --> 00:15:56,480  
oncologist

427  
00:16:03,189 --> 00:15:59,680  
is has done work at harvard uh and

428  
00:16:05,910 --> 00:16:03,199  
is a partner up in uh you know you know

429  
00:16:07,670 --> 00:16:05,920  
several clinics in the pacific northwest

430  
00:16:09,829 --> 00:16:07,680  
and it also happens to be

431  
00:16:11,509 --> 00:16:09,839  
a close friend of mine a dear friend of

432  
00:16:14,470 --> 00:16:11,519  
mine since fifth grade

433  
00:16:14,870 --> 00:16:14,480  
i've known chris since we were oh gosh

434  
00:16:18,389 --> 00:16:14,880  
um

435  
00:16:19,269 --> 00:16:18,399  
11 years old and he was you know 4.0

436  
00:16:22,629 --> 00:16:19,279  
student

437  
00:16:24,230 --> 00:16:22,639  
you know top of our class and is someone

438  
00:16:26,710 --> 00:16:24,240

that i respect and trust

439

00:16:27,990 --> 00:16:26,720

and so as we we've encountered some very

440

00:16:29,910 --> 00:16:28,000

serious

441

00:16:31,590 --> 00:16:29,920

um acute medical episodes on the

442

00:16:33,590 --> 00:16:31,600

property especially those that have

443

00:16:34,870 --> 00:16:33,600

involved some type of anomalous

444

00:16:37,910 --> 00:16:34,880

radiation

445

00:16:41,590 --> 00:16:37,920

it was important in my mind to bring out

446

00:16:44,069 --> 00:16:41,600

an expert and he was he was uh

447

00:16:45,749 --> 00:16:44,079

willing to to consent to be on the

448

00:16:46,150 --> 00:16:45,759

program and frankly collaborate with the

449

00:16:49,749 --> 00:16:46,160

team

450

00:16:51,749 --> 00:16:49,759

openly and uh and help us with our

451  
00:16:54,069 --> 00:16:51,759  
with our health and safety protocols i

452  
00:16:54,629 --> 00:16:54,079  
mean in season one it was very evident

453  
00:16:57,829 --> 00:16:54,639  
that

454  
00:17:00,550 --> 00:16:57,839  
both dr taylor and also thomas winterton

455  
00:17:02,310 --> 00:17:00,560  
have had incidents that uh defy

456  
00:17:02,710 --> 00:17:02,320  
explanation where they've they've gone

457  
00:17:05,909 --> 00:17:02,720  
to

458  
00:17:09,110 --> 00:17:05,919  
one thing that we

459  
00:17:10,230 --> 00:17:09,120  
cannot disclose due to hipaa guidelines

460  
00:17:13,110 --> 00:17:10,240  
and privacy

461  
00:17:15,029 --> 00:17:13,120  
issues is the fact that we've had a

462  
00:17:15,429 --> 00:17:15,039  
number of other people that have ended

463  
00:17:18,069 --> 00:17:15,439

up

464

00:17:19,590 --> 00:17:18,079

in the hospital you know over the course

465

00:17:22,390 --> 00:17:19,600

the last year or two

466

00:17:24,150 --> 00:17:22,400

with mysterious illnesses and injuries

467

00:17:25,429 --> 00:17:24,160

uh we believe as a result of the

468

00:17:29,190 --> 00:17:25,439

activity on the ranch

469

00:17:30,630 --> 00:17:29,200

and so we we take the the risks very

470

00:17:33,590 --> 00:17:30,640

seriously we don't know where it's

471

00:17:37,029 --> 00:17:33,600

coming from it's it's transient

472

00:17:38,710 --> 00:17:37,039

it's it's very unusual and

473

00:17:41,029 --> 00:17:38,720

you know there there's a reason why we

474

00:17:41,990 --> 00:17:41,039

have liability waivers signed by

475

00:17:43,270 --> 00:17:42,000

everyone

476

00:17:45,430 --> 00:17:43,280

who comes on the property and

477

00:17:47,909 --> 00:17:45,440

participates it's a dangerous place

478

00:17:49,750 --> 00:17:47,919

bad things happen i i think we're

479

00:17:52,950 --> 00:17:49,760

dealing with both malevolent

480

00:17:55,110 --> 00:17:52,960

and also benevolent forces on the ranch

481

00:17:57,430 --> 00:17:55,120

and also benign i mean those that

482

00:17:58,630 --> 00:17:57,440

probably are are neutral but we're

483

00:18:01,830 --> 00:17:58,640

definitely dealing with

484

00:18:05,029 --> 00:18:01,840

uh with things that uh that

485

00:18:08,150 --> 00:18:05,039

i think require a degree of

486

00:18:11,110 --> 00:18:08,160

of caution reverence and

487

00:18:12,230 --> 00:18:11,120

frankly humiliat humility as we approach

488

00:18:14,950 --> 00:18:12,240

the property i mean

489

00:18:15,990 --> 00:18:14,960

you saw in episode one of the first

490

00:18:18,870 --> 00:18:16,000

season

491

00:18:19,270 --> 00:18:18,880

uh you know my brother cameron who is

492

00:18:22,230 --> 00:18:19,280

you know

493

00:18:23,909 --> 00:18:22,240

my pilot and an expert aviator he he

494

00:18:25,590 --> 00:18:23,919

offered a prayer as he

495

00:18:27,669 --> 00:18:25,600

entered the airspace surrounding the

496

00:18:29,510 --> 00:18:27,679

ranch with dr taylor to introduce taylor

497

00:18:32,470 --> 00:18:29,520

to the property for the first time

498

00:18:34,710 --> 00:18:32,480

all of that was absolutely in every way

499

00:18:36,390 --> 00:18:34,720

genuine authentic that was indeed the

500

00:18:39,110 --> 00:18:36,400

first time that dr taylor

501  
00:18:40,950 --> 00:18:39,120  
had set eyes on the on the property and

502  
00:18:43,430 --> 00:18:40,960  
that's a practice that we

503  
00:18:44,390 --> 00:18:43,440  
we take very seriously that we encourage

504  
00:18:48,230 --> 00:18:44,400  
all

505  
00:18:50,390 --> 00:18:48,240  
engage

506  
00:18:51,669 --> 00:18:50,400  
to to prepare themselves themselves

507  
00:18:53,350 --> 00:18:51,679  
spiritually

508  
00:18:55,430 --> 00:18:53,360  
and to armor themselves because we're

509  
00:18:58,470 --> 00:18:55,440  
dealing with forces that we

510  
00:19:01,750 --> 00:18:58,480  
we just don't understand yeah

511  
00:19:04,230 --> 00:19:01,760  
right oh man there's so many questions

512  
00:19:06,310 --> 00:19:04,240  
um that i have just with those few

513  
00:19:08,070 --> 00:19:06,320

statements you made but let's um

514

00:19:10,950 --> 00:19:08,080

i want to focus on the word transient

515

00:19:14,390 --> 00:19:10,960

for a minute um george knapp

516

00:19:14,950 --> 00:19:14,400

uh bob bigelow even luis elizondos told

517

00:19:18,230 --> 00:19:14,960

me

518

00:19:20,230 --> 00:19:18,240

hitchhiker

519

00:19:21,909 --> 00:19:20,240

phenomenon of taking something home with

520

00:19:24,789 --> 00:19:21,919

you

521

00:19:26,950 --> 00:19:24,799

it's very prevalent and real from what

522

00:19:29,190 --> 00:19:26,960

these reporters and investigators

523

00:19:30,070 --> 00:19:29,200

have said so i'll flat out ask have you

524

00:19:31,669 --> 00:19:30,080

ever had

525

00:19:33,430 --> 00:19:31,679

a hitchhiker experience brought

526

00:19:34,549 --> 00:19:33,440

something home with you or members of

527

00:19:38,789 --> 00:19:34,559

the team

528

00:19:41,270 --> 00:19:38,799

i haven't at all and i'm the owner

529

00:19:42,870 --> 00:19:41,280

but members of my team have members of

530

00:19:45,029 --> 00:19:42,880

my team have experienced

531

00:19:46,390 --> 00:19:45,039

strange phenomena and you know past

532

00:19:49,750 --> 00:19:46,400

participants

533

00:19:51,350 --> 00:19:49,760

including mr bigelow have had very

534

00:19:54,470 --> 00:19:51,360

profound

535

00:19:57,990 --> 00:19:54,480

negative experiences in fact there are

536

00:20:00,070 --> 00:19:58,000

military operatives and you know

537

00:20:01,029 --> 00:20:00,080

senior members of the intelligence

538

00:20:03,190 --> 00:20:01,039

community that

539

00:20:04,390 --> 00:20:03,200

refuse to ever set foot on that property

540

00:20:06,070 --> 00:20:04,400

again i mean these

541

00:20:09,110 --> 00:20:06,080

these are people that are accustomed to

542

00:20:12,149 --> 00:20:09,120

dealing with high stress situations

543

00:20:13,270 --> 00:20:12,159

that uh that in some cases i think are

544

00:20:16,310 --> 00:20:13,280

battle hardened and

545

00:20:19,350 --> 00:20:16,320

you know there is uh

546

00:20:21,270 --> 00:20:19,360

there there is a uh a real hesitation

547

00:20:23,110 --> 00:20:21,280

on the part of many who've had

548

00:20:24,870 --> 00:20:23,120

experiences on the ranch to ever come

549

00:20:27,190 --> 00:20:24,880

back in fact we've invited

550

00:20:28,390 --> 00:20:27,200

several to come back as part of our

551  
00:20:31,830 --> 00:20:28,400  
collaborative effort and

552  
00:20:33,990 --> 00:20:31,840  
and have had our invitations refused

553  
00:20:36,870 --> 00:20:34,000  
which i understand and respect

554  
00:20:38,149 --> 00:20:36,880  
i completely respect you know that that

555  
00:20:40,950 --> 00:20:38,159  
there are some very

556  
00:20:42,950 --> 00:20:40,960  
legitimate concerns and again we we we

557  
00:20:44,710 --> 00:20:42,960  
have everyone sign a liability waiver

558  
00:20:47,590 --> 00:20:44,720  
and give the disclaimer that

559  
00:20:47,990 --> 00:20:47,600  
you you you're really taking risk when

560  
00:20:51,110 --> 00:20:48,000  
you enter

561  
00:20:51,909 --> 00:20:51,120  
skinwalker ranch you're entering a a

562  
00:20:54,549 --> 00:20:51,919  
place

563  
00:20:55,510 --> 00:20:54,559

that for a long time has been a center

564

00:20:58,390 --> 00:20:55,520

of gravity

565

00:20:59,909 --> 00:20:58,400

for you know unexplained paranormal

566

00:21:01,510 --> 00:20:59,919

phenomena

567

00:21:03,350 --> 00:21:01,520

yeah you have no idea what you're

568

00:21:04,630 --> 00:21:03,360

walking into to this day

569

00:21:06,390 --> 00:21:04,640

and that's what you guys are trying to

570

00:21:07,830 --> 00:21:06,400

uncover and um

571

00:21:09,190 --> 00:21:07,840

you know one of the big things i don't

572

00:21:10,070 --> 00:21:09,200

want to give away too much of the

573

00:21:13,190 --> 00:21:10,080

premiere

574

00:21:14,549 --> 00:21:13,200

but uh a big source of contention in the

575

00:21:17,430 --> 00:21:14,559

first season was

576

00:21:19,110 --> 00:21:17,440

do we dig or not dig and i know a lot of

577

00:21:20,310 --> 00:21:19,120

people have their opinions whether it's

578

00:21:22,710 --> 00:21:20,320

because it's a

579

00:21:23,350 --> 00:21:22,720

you know it's an indigenous land it once

580

00:21:25,750 --> 00:21:23,360

was

581

00:21:26,549 --> 00:21:25,760

uh to many people and disturbing the

582

00:21:28,390 --> 00:21:26,559

earth

583

00:21:29,590 --> 00:21:28,400

would be one thing but then you have

584

00:21:31,830 --> 00:21:29,600

that struggle of

585

00:21:34,070 --> 00:21:31,840

but this is a scientific endeavor and

586

00:21:36,549 --> 00:21:34,080

you know we deal with those ethical

587

00:21:37,350 --> 00:21:36,559

issues in the world all the time when it

588

00:21:40,070 --> 00:21:37,360

comes to

589

00:21:40,950 --> 00:21:40,080

you know the earth and scientific

590

00:21:43,430 --> 00:21:40,960

exploration

591

00:21:43,990 --> 00:21:43,440

and what sacrifices do we have to make

592

00:21:46,710 --> 00:21:44,000

to further

593

00:21:48,549 --> 00:21:46,720

science and uh that was again a big

594

00:21:50,390 --> 00:21:48,559

source of contention in the first season

595

00:21:52,390 --> 00:21:50,400

um is that going to be a big part of

596

00:21:55,270 --> 00:21:52,400

season two as well because

597

00:21:57,430 --> 00:21:55,280

so much seems to be going on underground

598

00:21:57,990 --> 00:21:57,440

at skinwalker ranch and above but a lot

599

00:22:01,510 --> 00:21:58,000

underground

600

00:22:04,789 --> 00:22:01,520

too it seems uh yeah it both above

601  
00:22:08,070 --> 00:22:04,799  
and below and you know i

602  
00:22:09,510 --> 00:22:08,080  
yes i mean we're forced in the effort to

603  
00:22:13,110 --> 00:22:09,520  
advance the investigation

604  
00:22:15,590 --> 00:22:13,120  
to to take more aggressive measures

605  
00:22:17,110 --> 00:22:15,600  
and you'll see that played out and and i

606  
00:22:18,870 --> 00:22:17,120  
think you'll see that presented

607  
00:22:20,710 --> 00:22:18,880  
transparently to the public

608  
00:22:23,270 --> 00:22:20,720  
you know one thing we've tried to do is

609  
00:22:26,149 --> 00:22:23,280  
is take the necessary safety

610  
00:22:27,909 --> 00:22:26,159  
precautions and dragon my head of

611  
00:22:30,750 --> 00:22:27,919  
security was really

612  
00:22:32,630 --> 00:22:30,760  
charged with with you know the added

613  
00:22:35,510 --> 00:22:32,640

responsibility of

614

00:22:36,470 --> 00:22:35,520

of really kind of adding an additional

615

00:22:39,510 --> 00:22:36,480

layer

616

00:22:41,750 --> 00:22:39,520

of protection and monitoring

617

00:22:42,950 --> 00:22:41,760

that that you'll see played out but uh

618

00:22:45,110 --> 00:22:42,960

yeah it is definitely

619

00:22:46,310 --> 00:22:45,120

going to be a key part of exploring the

620

00:22:49,110 --> 00:22:46,320

ranch and our

621

00:22:51,350 --> 00:22:49,120

and our investigation and you know it's

622

00:22:52,950 --> 00:22:51,360

it's a known fact that bad things happen

623

00:22:54,950 --> 00:22:52,960

when you disturb the earth out at the

624

00:22:57,110 --> 00:22:54,960

ranch and sometimes it's not immediate

625

00:22:58,549 --> 00:22:57,120

sometimes it's in a in a short period of

626  
00:23:01,669 --> 00:22:58,559  
time following but

627  
00:23:02,310 --> 00:23:01,679  
there are anomalous uh incidents that

628  
00:23:05,190 --> 00:23:02,320  
occur

629  
00:23:07,590 --> 00:23:05,200  
that defy explanation and and you know

630  
00:23:10,630 --> 00:23:07,600  
some negative things and

631  
00:23:12,789 --> 00:23:10,640  
you know i'm i'm uh quickly uh

632  
00:23:13,990 --> 00:23:12,799  
reminded by my principal investigator

633  
00:23:16,710 --> 00:23:14,000  
eric bard

634  
00:23:18,470 --> 00:23:16,720  
that correlation does not mean causation

635  
00:23:19,510 --> 00:23:18,480  
you know correlation is not causation

636  
00:23:21,430 --> 00:23:19,520  
and just because

637  
00:23:23,830 --> 00:23:21,440  
we have correlating events doesn't mean

638  
00:23:24,470 --> 00:23:23,840

that uh they're necessarily connected

639

00:23:26,149 --> 00:23:24,480

but

640

00:23:28,070 --> 00:23:26,159

i think there is compelling evidence

641

00:23:30,710 --> 00:23:28,080

that we're we're dealing with

642

00:23:31,190 --> 00:23:30,720

some connectivity between activities

643

00:23:34,630 --> 00:23:31,200

that are

644

00:23:37,270 --> 00:23:34,640

of the bad things that happen i mean

645

00:23:38,470 --> 00:23:37,280

it is a dangerous place in the the

646

00:23:41,590 --> 00:23:38,480

reason why

647

00:23:43,750 --> 00:23:41,600

this is a secure site and why we keep

648

00:23:46,870 --> 00:23:43,760

this entire 512

649

00:23:48,789 --> 00:23:46,880

acre assemblage locked down under

650

00:23:50,950 --> 00:23:48,799

constant surveillance

651

00:23:52,870 --> 00:23:50,960

is is not only to protect the integrity

652

00:23:55,990 --> 00:23:52,880

of the scientific investigation

653

00:23:58,789 --> 00:23:56,000

which is very sensitive and ongoing 24 7

654

00:23:59,350 --> 00:23:58,799

but it's to protect those who who are

655

00:24:02,390 --> 00:23:59,360

innocent

656

00:24:04,549 --> 00:24:02,400

those who who really may end up being

657

00:24:07,750 --> 00:24:04,559

harmed as a result of

658

00:24:09,990 --> 00:24:07,760

you know connection with the property

659

00:24:11,669 --> 00:24:10,000

and coming on the property whether

660

00:24:13,350 --> 00:24:11,679

whether they be trespassers or not i

661

00:24:15,430 --> 00:24:13,360

mean there are numerous accounts

662

00:24:16,630 --> 00:24:15,440

of people both authorized and

663

00:24:20,470 --> 00:24:16,640

unauthorized

664

00:24:21,909 --> 00:24:20,480

that have had experiences and uh

665

00:24:23,990 --> 00:24:21,919

you know we had one incident where

666

00:24:26,390 --> 00:24:24,000

someone trespassed we actually you know

667

00:24:29,430 --> 00:24:26,400

security had to call law enforcement

668

00:24:30,830 --> 00:24:29,440

and the the individual trespass had such

669

00:24:32,070 --> 00:24:30,840

a negative experience they were

670

00:24:36,470 --> 00:24:32,080

terrified

671

00:24:38,470 --> 00:24:36,480

and and they were

672

00:24:39,830 --> 00:24:38,480

they were they were difficult to detain

673

00:24:41,750 --> 00:24:39,840

because they had such a negative

674

00:24:45,510 --> 00:24:41,760

experience

675

00:24:48,070 --> 00:24:45,520

before law enforcement arrived that

676

00:24:49,750 --> 00:24:48,080

that caused them great concern so

677

00:24:52,230 --> 00:24:49,760

interesting things happen

678

00:24:53,990 --> 00:24:52,240

yeah they uh hopefully won't be sneaking

679

00:24:55,350 --> 00:24:54,000

on again anytime soon after that i think

680

00:24:59,190 --> 00:24:55,360

they learned their lesson

681

00:25:00,470 --> 00:24:59,200

um well spiritualism you mentioned as

682

00:25:03,669 --> 00:25:00,480

well uh

683

00:25:04,870 --> 00:25:03,679

as a um as a man of faith that you've

684

00:25:07,590 --> 00:25:04,880

you've shared in

685

00:25:08,390 --> 00:25:07,600

other interviews and whatnot growing up

686

00:25:11,430 --> 00:25:08,400

uh

687

00:25:14,630 --> 00:25:11,440

how has this changed your your um

688

00:25:16,549 --> 00:25:14,640

i guess has it has it changed your faith

689

00:25:19,669 --> 00:25:16,559

has it changed your um

690

00:25:22,470 --> 00:25:19,679

sort of uh sense of reality and the

691

00:25:23,029 --> 00:25:22,480

the nature of reality uh in terms of

692

00:25:25,909 --> 00:25:23,039

what you

693

00:25:26,630 --> 00:25:25,919

grew up believing in the world and then

694

00:25:28,870 --> 00:25:26,640

boom

695

00:25:30,390 --> 00:25:28,880

it's just kind of flipped on its head

696

00:25:34,310 --> 00:25:30,400

you know that's a good question

697

00:25:37,350 --> 00:25:34,320

uh strangely enough i i've found

698

00:25:39,750 --> 00:25:37,360

my experience to be faith affirming

699

00:25:41,350 --> 00:25:39,760

uh yeah i was i was raised to believe

700

00:25:44,710 --> 00:25:41,360

that there are worlds without number

701  
00:25:46,149 --> 00:25:44,720  
that we are not alone in the universe uh

702  
00:25:47,990 --> 00:25:46,159  
and that there are other dimensions of

703  
00:25:51,110 --> 00:25:48,000  
reality that sit

704  
00:25:53,190 --> 00:25:51,120  
alongside ours that are just as real

705  
00:25:55,110 --> 00:25:53,200  
the afterlife is just another dimension

706  
00:25:56,070 --> 00:25:55,120  
of reality the spirit world if you will

707  
00:25:57,830 --> 00:25:56,080  
or whatever

708  
00:25:59,750 --> 00:25:57,840  
label you want to place on it but but

709  
00:26:03,110 --> 00:25:59,760  
actually proving it scientifically and

710  
00:26:03,990 --> 00:26:03,120  
and having um a degree of empiricism

711  
00:26:07,909 --> 00:26:04,000  
with that

712  
00:26:10,390 --> 00:26:07,919  
addressing these topics

713  
00:26:11,669 --> 00:26:10,400

is something that is missing and

714

00:26:13,110 --> 00:26:11,679

something that we've been trying to

715

00:26:16,070 --> 00:26:13,120

bring to the table and

716

00:26:16,630 --> 00:26:16,080

i found that you know our investigation

717

00:26:19,909 --> 00:26:16,640

although

718

00:26:21,510 --> 00:26:19,919

at times disturbing

719

00:26:23,029 --> 00:26:21,520

and and to members of the team

720

00:26:25,430 --> 00:26:23,039

terrifying is

721

00:26:26,710 --> 00:26:25,440

is also inspiring because it proves that

722

00:26:29,110 --> 00:26:26,720

there is

723

00:26:29,909 --> 00:26:29,120

i believe an intelligent design to our

724

00:26:32,630 --> 00:26:29,919

existence

725

00:26:34,310 --> 00:26:32,640

on this planet that we're not alone now

726  
00:26:34,710 --> 00:26:34,320  
i get asked the question all the time do

727  
00:26:38,070 --> 00:26:34,720  
you think

728  
00:26:40,870 --> 00:26:38,080  
it's aliens do you believe that it's um

729  
00:26:43,110 --> 00:26:40,880  
interdimensional entities or do you

730  
00:26:44,470 --> 00:26:43,120  
believe that it is angels and demons and

731  
00:26:46,549 --> 00:26:44,480  
spiritual phenomena and

732  
00:26:48,630 --> 00:26:46,559  
in the the honest answer that i can give

733  
00:26:50,630 --> 00:26:48,640  
is yes all of the above

734  
00:26:52,950 --> 00:26:50,640  
you know so far based on our

735  
00:26:57,029 --> 00:26:52,960  
observations and the data

736  
00:27:00,789 --> 00:26:57,039  
um i believe we're seeing a diversity of

737  
00:27:04,149 --> 00:27:00,799  
origin and agendas associated with

738  
00:27:07,669 --> 00:27:04,159

uh the experiences on the ranch which

739

00:27:10,390 --> 00:27:07,679

it talk about making a a complicated

740

00:27:11,350 --> 00:27:10,400

you know problem set that much more

741

00:27:13,830 --> 00:27:11,360

difficult

742

00:27:14,630 --> 00:27:13,840

i mean it's it's it's and then you know

743

00:27:18,950 --> 00:27:14,640

to be

744

00:27:21,110 --> 00:27:18,960

referred to as a pre-cognitive sentient

745

00:27:22,070 --> 00:27:21,120

intelligence that is one two steps ahead

746

00:27:25,909 --> 00:27:22,080

of us

747

00:27:28,470 --> 00:27:25,919

um and and the fact that yet

748

00:27:29,590 --> 00:27:28,480

things are happening that are beyond our

749

00:27:33,510 --> 00:27:29,600

control

750

00:27:35,990 --> 00:27:33,520

uh that have an intelligence associated

751

00:27:37,510 --> 00:27:36,000

with them is uh is a little unnerving

752

00:27:38,470 --> 00:27:37,520

but you know we try to go about it in

753

00:27:40,149 --> 00:27:38,480

the right spirit

754

00:27:41,750 --> 00:27:40,159

you know we talk about spirituality i

755

00:27:44,789 --> 00:27:41,760

think preparing yourself

756

00:27:46,549 --> 00:27:44,799

and again you know i've noticed on a

757

00:27:48,070 --> 00:27:46,559

number of occasions people who bring

758

00:27:50,470 --> 00:27:48,080

negativity to the ranch

759

00:27:51,669 --> 00:27:50,480

that bring a spirit of contention or

760

00:27:57,750 --> 00:27:51,679

negativity

761

00:27:59,430 --> 00:27:57,760

you know the the ranch seems to be

762

00:28:03,110 --> 00:27:59,440

reflexive or at least

763

00:28:04,070 --> 00:28:03,120

seems to to respond in a very dynamic

764

00:28:07,750 --> 00:28:04,080

way

765

00:28:08,710 --> 00:28:07,760

to to the spirituality or the psychology

766

00:28:11,430 --> 00:28:08,720

of those who

767

00:28:11,990 --> 00:28:11,440

enter so i think it's really important

768

00:28:15,830 --> 00:28:12,000

to

769

00:28:17,830 --> 00:28:15,840

comes on the property whether it be

770

00:28:19,750 --> 00:28:17,840

third party engineers consultants i mean

771

00:28:21,510 --> 00:28:19,760

we've had a number of

772

00:28:23,190 --> 00:28:21,520

engineering consultants and subject

773

00:28:25,350 --> 00:28:23,200

matter experts whether it be

774

00:28:27,830 --> 00:28:25,360

you know ground penetrating radar

775

00:28:29,669 --> 00:28:27,840

studies resistivity studies

776

00:28:31,430 --> 00:28:29,679

you know drone operators you know we've

777

00:28:33,830 --> 00:28:31,440

had the rocketry experiments the

778

00:28:35,510 --> 00:28:33,840

instrumented weather balloons etc

779

00:28:37,029 --> 00:28:35,520

every one of the people that have come

780

00:28:38,950 --> 00:28:37,039

onto the property

781

00:28:40,310 --> 00:28:38,960

to help conduct these experiment

782

00:28:42,470 --> 00:28:40,320

experiments

783

00:28:44,149 --> 00:28:42,480

i believe have left scratching their

784

00:28:48,149 --> 00:28:44,159

heads have seen

785

00:28:50,470 --> 00:28:48,159

one or more unexplained events occur

786

00:28:51,590 --> 00:28:50,480

associated with their engagement and and

787

00:28:53,990 --> 00:28:51,600

i think that's

788

00:28:54,870 --> 00:28:54,000

compelling you you couple the witness

789

00:28:58,870 --> 00:28:54,880

testimony

790

00:29:02,230 --> 00:28:58,880

recorded anomalies

791

00:29:03,590 --> 00:29:02,240

that are correlative to ufo activity

792

00:29:06,549 --> 00:29:03,600

above the ranch

793

00:29:08,389 --> 00:29:06,559

and other strangeness and i mean you you

794

00:29:11,510 --> 00:29:08,399

really have what i believe

795

00:29:15,029 --> 00:29:11,520

to be the most compelling ongoing

796

00:29:16,710 --> 00:29:15,039

record of of paranormal activity and a

797

00:29:18,149 --> 00:29:16,720

scientific investigation into these

798

00:29:20,389 --> 00:29:18,159

topics than ever before

799

00:29:22,310 --> 00:29:20,399

i've never seen anything on television

800

00:29:23,909 --> 00:29:22,320

like what we are bringing to the public

801  
00:29:26,870 --> 00:29:23,919  
and i don't say that arrogantly i

802  
00:29:28,630 --> 00:29:26,880  
i say that proudly as someone who who

803  
00:29:32,470 --> 00:29:28,640  
really takes pride

804  
00:29:34,710 --> 00:29:32,480  
and and in in our work and really

805  
00:29:37,669 --> 00:29:34,720  
yeah i love our team it's a family you

806  
00:29:40,710 --> 00:29:37,679  
know most of my team

807  
00:29:42,549 --> 00:29:40,720  
go back if not a decade

808  
00:29:43,830 --> 00:29:42,559  
decades back to my childhood you'd

809  
00:29:45,590 --> 00:29:43,840  
mentioned dr lee

810  
00:29:47,269 --> 00:29:45,600  
earlier that came out to the property

811  
00:29:49,830 --> 00:29:47,279  
and i've known dr lee since we're in

812  
00:29:53,190 --> 00:29:49,840  
fifth grade we've been best friends

813  
00:29:54,549 --> 00:29:53,200

and he's a skeptic i mean dr lee came

814

00:29:57,269 --> 00:29:54,559

out he's a scientist

815

00:29:59,110 --> 00:29:57,279

but uh but he kept an open mind and when

816

00:30:02,230 --> 00:29:59,120

looking at the data he felt

817

00:30:03,909 --> 00:30:02,240

that uh that you know at least some

818

00:30:06,710 --> 00:30:03,919

degree of serious

819

00:30:07,750 --> 00:30:06,720

consideration was warranted that's

820

00:30:09,430 --> 00:30:07,760

claims

821

00:30:11,750 --> 00:30:09,440

again when it's turning the heads of a

822

00:30:12,389 --> 00:30:11,760

lot of these scientists you've brought

823

00:30:15,510 --> 00:30:12,399

in

824

00:30:17,669 --> 00:30:15,520

side uh

825

00:30:19,830 --> 00:30:17,679

kind of being speechless uh that that

826

00:30:21,350 --> 00:30:19,840

does say something yeah

827

00:30:23,350 --> 00:30:21,360

you notice everything whether it be the

828

00:30:25,510 --> 00:30:23,360

rocketry experiments or the balloon the

829

00:30:27,190 --> 00:30:25,520

instrument of balloon experiments or

830

00:30:29,269 --> 00:30:27,200

ground penetrating radar or whatever

831

00:30:29,750 --> 00:30:29,279

studies you you recognize a common

832

00:30:31,669 --> 00:30:29,760

thread

833

00:30:33,029 --> 00:30:31,679

all of them end up shaking their head

834

00:30:34,070 --> 00:30:33,039

and saying we've never had this

835

00:30:36,630 --> 00:30:34,080

experience before

836

00:30:37,430 --> 00:30:36,640

and i you know i i hear the skeptics you

837

00:30:40,230 --> 00:30:37,440

know i see the

838

00:30:40,870 --> 00:30:40,240

on the message boards and and on social

839

00:30:42,470 --> 00:30:40,880

media

840

00:30:43,909 --> 00:30:42,480

those who are like oh you you're not

841

00:30:45,669 --> 00:30:43,919

presenting any evidence

842

00:30:48,549 --> 00:30:45,679

you know this is all a bunch of baloney

843

00:30:51,830 --> 00:30:48,559

or they're really really critical and

844

00:30:53,669 --> 00:30:51,840

i i have a hard time understanding

845

00:30:55,430 --> 00:30:53,679

a lot of the criticism in many ways i

846

00:30:56,310 --> 00:30:55,440

think it's just laziness i think people

847

00:30:59,190 --> 00:30:56,320

aren't watching

848

00:31:00,389 --> 00:30:59,200

they're not paying attention and and

849

00:31:02,070 --> 00:31:00,399

they're not doing their own due

850

00:31:04,789 --> 00:31:02,080

diligence because if they were

851

00:31:06,630 --> 00:31:04,799

i think they would see how compelling

852

00:31:12,789 --> 00:31:06,640

this investigation and this research

853

00:31:16,470 --> 00:31:14,630

what's up guys ryan sprague here and i'm

854

00:31:17,990 --> 00:31:16,480

just dropping in to remind you about our

855

00:31:19,909 --> 00:31:18,000

patreon campaign

856

00:31:22,070 --> 00:31:19,919

somewhere in the skies is always free to

857

00:31:23,430 --> 00:31:22,080

consume but it's not free to create

858

00:31:26,310 --> 00:31:23,440

so if you want to help the show on a

859

00:31:26,789 --> 00:31:26,320

monthly basis we have tons of rewards

860

00:31:28,870 --> 00:31:26,799

for you

861

00:31:30,310 --> 00:31:28,880

in return including shout outs on the

862

00:31:33,110 --> 00:31:30,320

show and website

863

00:31:33,909 --> 00:31:33,120

bonus content and episodes and free

864

00:31:36,230 --> 00:31:33,919

merch

865

00:31:36,950 --> 00:31:36,240

want to be my guest or pick a topic for

866

00:31:39,190 --> 00:31:36,960

the show

867

00:31:41,190 --> 00:31:39,200

you can do that too so if you'd like to

868

00:31:44,710 --> 00:31:41,200

learn more and to help support the show

869

00:31:46,650 --> 00:31:44,720

visit [patreon.com/summerskies](https://patreon.com/summerskies)

870

00:31:51,430 --> 00:31:46,660

thank you and keep looking up

871

00:31:54,710 --> 00:31:52,789

i want to move to some listener

872

00:31:56,870 --> 00:31:54,720

questions brandon um

873

00:31:59,029 --> 00:31:56,880

i got a ton of them let's fire them off

874

00:31:59,430 --> 00:31:59,039

here throw some hard balls at me come on

875

00:32:02,230 --> 00:31:59,440

okay

876

00:32:03,269 --> 00:32:02,240

let's do it i got a couple um and again

877

00:32:05,990 --> 00:32:03,279

for anyone

878

00:32:07,590 --> 00:32:06,000

we didn't really cover what is going on

879

00:32:09,669 --> 00:32:07,600

in season two too much because we want

880

00:32:12,630 --> 00:32:09,679

people to see it but i kind of test

881

00:32:14,149 --> 00:32:12,640

you do at least two uh big experiments

882

00:32:17,110 --> 00:32:14,159

in the first episode that were

883

00:32:17,669 --> 00:32:17,120

really interesting season two is game

884

00:32:20,230 --> 00:32:17,679

changing

885

00:32:20,710 --> 00:32:20,240

what you've seen is just it's child's

886

00:32:22,950 --> 00:32:20,720

play

887

00:32:23,830 --> 00:32:22,960

it's the tip of the iceberg and and

888

00:32:26,789 --> 00:32:23,840

again

889

00:32:28,549 --> 00:32:26,799

no one expected it i mean when i engaged

890

00:32:30,230 --> 00:32:28,559

with the history channel and we started

891

00:32:32,950 --> 00:32:30,240

filming season one

892

00:32:34,389 --> 00:32:32,960

i sat everyone down and i said look in

893

00:32:37,430 --> 00:32:34,399

full disclosure

894

00:32:38,870 --> 00:32:37,440

i had no strange unusual experience

895

00:32:40,549 --> 00:32:38,880

for the first six months that i owned

896

00:32:42,389 --> 00:32:40,559

the property and if you think that

897

00:32:44,070 --> 00:32:42,399

coming out and filming for three to four

898

00:32:46,149 --> 00:32:44,080

months even if you're on site

899

00:32:47,350 --> 00:32:46,159

stationed is going to result in being

900

00:32:49,190 --> 00:32:47,360

able to conjure up

901  
00:32:51,669 --> 00:32:49,200  
paranormal activity that you can capture

902  
00:32:52,630 --> 00:32:51,679  
on camera you may be very disappointed

903  
00:32:55,430 --> 00:32:52,640  
and that's

904  
00:32:56,070 --> 00:32:55,440  
that's you know that's a a possibility

905  
00:32:59,669 --> 00:32:56,080  
and a very

906  
00:33:03,669 --> 00:32:59,679  
real possibility and it it has been

907  
00:33:06,950 --> 00:33:03,679  
a uh it's been a pleasant surprise

908  
00:33:10,470 --> 00:33:06,960  
to see results to actually see

909  
00:33:13,909 --> 00:33:10,480  
interactions so bring on the questions

910  
00:33:16,470 --> 00:33:13,919  
let's do it um well in terms of results

911  
00:33:17,909 --> 00:33:16,480  
and data i think a lot of uh not

912  
00:33:21,190 --> 00:33:17,919  
criticism

913  
00:33:23,909 --> 00:33:21,200

uh so much as observation from viewers

914

00:33:25,990 --> 00:33:23,919

has been okay we see what's on camera we

915

00:33:28,389 --> 00:33:26,000

understand it's a television show

916

00:33:30,630 --> 00:33:28,399

and there's many struggles with trying

917

00:33:32,630 --> 00:33:30,640

to do an active investigation while

918

00:33:33,750 --> 00:33:32,640

cameras are on you like i understand

919

00:33:36,070 --> 00:33:33,760

that completely we

920

00:33:37,430 --> 00:33:36,080

i've done some of that tv work in my

921

00:33:38,630 --> 00:33:37,440

past and it's frustrating

922

00:33:40,710 --> 00:33:38,640

you know because there are certain

923

00:33:42,710 --> 00:33:40,720

things you have to do on tv and then

924

00:33:43,190 --> 00:33:42,720

there's the active investigation going

925

00:33:45,269 --> 00:33:43,200

on

926

00:33:47,110 --> 00:33:45,279

a lot of my viewers and listeners want

927

00:33:50,389 --> 00:33:47,120

to know um

928

00:33:52,950 --> 00:33:50,399

data and evidence is there any plans

929

00:33:54,070 --> 00:33:52,960

of making those findings public in

930

00:33:56,549 --> 00:33:54,080

whether it's

931

00:33:57,830 --> 00:33:56,559

a website or a forum or somewhere where

932

00:34:00,389 --> 00:33:57,840

people can go

933

00:34:02,070 --> 00:34:00,399

to kind of continue you bet the

934

00:34:02,549 --> 00:34:02,080

investigations you guys are doing on the

935

00:34:04,710 --> 00:34:02,559

show

936

00:34:08,790 --> 00:34:04,720

so we've established a web portal it's

937

00:34:16,230 --> 00:34:13,589

again that's [www.skinwalkerdashranch.com](http://www.skinwalkerdashranch.com)

938

00:34:18,389 --> 00:34:16,240

and we intend to use that as a resource

939

00:34:19,270 --> 00:34:18,399

to engage the public and to download

940

00:34:22,149 --> 00:34:19,280

data

941

00:34:23,589 --> 00:34:22,159

to share to collaborate you know we

942

00:34:25,510 --> 00:34:23,599

haven't been able to

943

00:34:27,349 --> 00:34:25,520

we just haven't had the time and with

944

00:34:30,149 --> 00:34:27,359

covid this past year

945

00:34:31,990 --> 00:34:30,159

so many complications and you know i i

946

00:34:34,710 --> 00:34:32,000

work 18 hour days

947

00:34:37,030 --> 00:34:34,720

every day with regularity you know over

948

00:34:40,069 --> 00:34:37,040

95 percent of my attention

949

00:34:43,589 --> 00:34:40,079

and focus is not on the ranch um

950

00:34:47,750 --> 00:34:43,599

unfortunately i mean i i i really do

951  
00:34:49,909 --> 00:34:47,760  
run a a high stress

952  
00:34:51,190 --> 00:34:49,919  
real estate enterprise and other

953  
00:34:53,510 --> 00:34:51,200  
ventures and so

954  
00:34:55,589 --> 00:34:53,520  
you know in time we do intend in the

955  
00:34:57,510 --> 00:34:55,599  
months to come to to continue to

956  
00:34:59,510 --> 00:34:57,520  
populate that site and you can go there

957  
00:35:00,790 --> 00:34:59,520  
and see that so it is our intention to

958  
00:35:02,310 --> 00:35:00,800  
share that data

959  
00:35:04,150 --> 00:35:02,320  
but a lot of it you're right when you

960  
00:35:06,150 --> 00:35:04,160  
have battery drainage that happens

961  
00:35:08,150 --> 00:35:06,160  
instantaneously on the property you have

962  
00:35:10,230 --> 00:35:08,160  
equipment malfunctions which have been

963  
00:35:11,109 --> 00:35:10,240

captured time and time again i mean we

964

00:35:13,910 --> 00:35:11,119

have drones

965

00:35:15,109 --> 00:35:13,920

fall out of the sky um with no

966

00:35:17,829 --> 00:35:15,119

explanation

967

00:35:19,829 --> 00:35:17,839

and in when asking seasoned drone

968

00:35:21,829 --> 00:35:19,839

operators have you ever seen this before

969

00:35:23,430 --> 00:35:21,839

in your several years of flying drones

970

00:35:25,510 --> 00:35:23,440

and being on cruise

971

00:35:26,550 --> 00:35:25,520

and on you know various surveys have you

972

00:35:28,470 --> 00:35:26,560

experienced this and when

973

00:35:29,750 --> 00:35:28,480

all of them for the most part

974

00:35:32,870 --> 00:35:29,760

unanimously say

975

00:35:36,390 --> 00:35:32,880

nope we've never experienced this it

976

00:35:39,349 --> 00:35:36,400

that's data that's a freaking data point

977

00:35:40,470 --> 00:35:39,359

and i think people are missing that um i

978

00:35:43,589 --> 00:35:40,480

mean sometimes they

979

00:35:45,829 --> 00:35:43,599

they're they're uh they're missing that

980

00:35:47,910 --> 00:35:45,839

you know we're collecting and presenting

981

00:35:50,790 --> 00:35:47,920

i think some of the most

982

00:35:51,670 --> 00:35:50,800

compelling data documenting the

983

00:35:53,910 --> 00:35:51,680

phenomena so

984

00:35:54,870 --> 00:35:53,920

we do intend to con to to continue to

985

00:35:57,109 --> 00:35:54,880

engage and

986

00:35:59,109 --> 00:35:57,119

and bring that forward and i believe

987

00:36:01,750 --> 00:35:59,119

that it's part of my stewardship

988

00:36:03,670 --> 00:36:01,760

next question awesome all right that was

989

00:36:04,230 --> 00:36:03,680

the number one the most popular question

990

00:36:05,670 --> 00:36:04,240

we had

991

00:36:07,750 --> 00:36:05,680

number two and three i'm going to mix

992

00:36:11,190 --> 00:36:07,760

together here um

993

00:36:12,710 --> 00:36:11,200

everyone loves your suits man so a

994

00:36:15,589 --> 00:36:12,720

where do you get your suits you're

995

00:36:17,589 --> 00:36:15,599

always in a suit are they tailored and

996

00:36:18,870 --> 00:36:17,599

the second part of this question kind of

997

00:36:21,109 --> 00:36:18,880

in the same realm

998

00:36:22,870 --> 00:36:21,119

how did you get post malone on the ranch

999

00:36:23,910 --> 00:36:22,880

and what the how did that happen what

1000

00:36:27,430 --> 00:36:23,920

was that all about

1001  
00:36:29,589 --> 00:36:27,440  
a good question so um i yes i i

1002  
00:36:30,470 --> 00:36:29,599  
have you know i've always had custom

1003  
00:36:34,069 --> 00:36:30,480  
tailored suits

1004  
00:36:35,510 --> 00:36:34,079  
armani zania and canali are really my

1005  
00:36:38,630 --> 00:36:35,520  
three

1006  
00:36:41,109 --> 00:36:38,640  
brands of choice and i have a tailor who

1007  
00:36:42,870 --> 00:36:41,119  
who has all my measurements who is

1008  
00:36:45,270 --> 00:36:42,880  
constantly making me suits this suit

1009  
00:36:48,950 --> 00:36:45,280  
that i have on today is a canali

1010  
00:36:52,069 --> 00:36:48,960  
um suit uh but uh but

1011  
00:36:53,589 --> 00:36:52,079  
you know i again i'm i'm i'm dealing in

1012  
00:36:54,069 --> 00:36:53,599  
business and i've always been quite

1013  
00:36:55,910 --> 00:36:54,079

formal

1014

00:36:57,829 --> 00:36:55,920

since i was a teenager so it's it's been

1015

00:37:00,550 --> 00:36:57,839

part of my uniform so to speak

1016

00:37:02,069 --> 00:37:00,560

from the beginning um i don't have a

1017

00:37:06,150 --> 00:37:02,079

pair of jeans

1018

00:37:09,270 --> 00:37:06,160

uh and uh it's it's simply because i

1019

00:37:11,589 --> 00:37:09,280

i you know my wardrobe i'm in in a suit

1020

00:37:13,430 --> 00:37:11,599

most days of the week uh and if you

1021

00:37:17,510 --> 00:37:13,440

catch me without a tie on

1022

00:37:18,790 --> 00:37:17,520

it's uh it's me being a bit casual um

1023

00:37:21,109 --> 00:37:18,800

the other question what was the other

1024

00:37:23,349 --> 00:37:21,119

question you had oh uh

1025

00:37:24,950 --> 00:37:23,359

post malone there's something viral when

1026  
00:37:27,510 --> 00:37:24,960  
he tweeted that out yeah

1027  
00:37:28,790 --> 00:37:27,520  
that happened okay so post malone very

1028  
00:37:31,430 --> 00:37:28,800  
very fun experience

1029  
00:37:32,390 --> 00:37:31,440  
with austin uh his people actually

1030  
00:37:35,510 --> 00:37:32,400  
reached out to

1031  
00:37:37,030 --> 00:37:35,520  
to my people uh in fact his you know a

1032  
00:37:40,630 --> 00:37:37,040  
wealth advisor

1033  
00:37:44,470 --> 00:37:40,640  
uh that's that i uh trust that i

1034  
00:37:47,910 --> 00:37:44,480  
network with in the community is also uh

1035  
00:37:48,470 --> 00:37:47,920  
you know engaged and is in in austin

1036  
00:37:51,109 --> 00:37:48,480  
post's

1037  
00:37:52,710 --> 00:37:51,119  
trusted circle and and it was funny i i

1038  
00:37:54,150 --> 00:37:52,720

got a call from him

1039

00:37:55,910 --> 00:37:54,160

and was expecting that we were just

1040

00:37:57,910 --> 00:37:55,920

going to be discussing some business

1041

00:37:58,390 --> 00:37:57,920

opportunity or economic development and

1042

00:38:00,310 --> 00:37:58,400

uh

1043

00:38:01,910 --> 00:38:00,320

after five or ten minutes of idle chit

1044

00:38:04,310 --> 00:38:01,920

chat he said look

1045

00:38:06,150 --> 00:38:04,320

brandon i i hate to admit this but i

1046

00:38:08,230 --> 00:38:06,160

didn't call you to discuss business i

1047

00:38:10,790 --> 00:38:08,240

called you to ask for a favor

1048

00:38:11,270 --> 00:38:10,800

he says you know i i have a client you

1049

00:38:14,470 --> 00:38:11,280

know

1050

00:38:16,230 --> 00:38:14,480

an associate that has been

1051  
00:38:17,510 --> 00:38:16,240  
obsessed with the paranormal since he

1052  
00:38:19,109 --> 00:38:17,520  
was a child

1053  
00:38:21,109 --> 00:38:19,119  
and he's obsessed with the ranch he's

1054  
00:38:24,230 --> 00:38:21,119  
been reading everything

1055  
00:38:25,190 --> 00:38:24,240  
available relative to skinwalker ranch

1056  
00:38:27,670 --> 00:38:25,200  
and it's at the

1057  
00:38:28,630 --> 00:38:27,680  
it's at the top of his bucket list to

1058  
00:38:30,950 --> 00:38:28,640  
come out

1059  
00:38:31,990 --> 00:38:30,960  
to meet you and the team and to to

1060  
00:38:35,109 --> 00:38:32,000  
actually see the

1061  
00:38:36,630 --> 00:38:35,119  
ranch and to to discuss a lot of what is

1062  
00:38:38,550 --> 00:38:36,640  
happening and i said okay

1063  
00:38:40,790 --> 00:38:38,560

um you know it's it's not open to the

1064

00:38:43,030 --> 00:38:40,800

public i don't open it for tours

1065

00:38:44,870 --> 00:38:43,040

um but you know who is this and he says

1066

00:38:47,190 --> 00:38:44,880

well his name is post malone

1067

00:38:48,310 --> 00:38:47,200

you may have heard of him he's an artist

1068

00:38:50,150 --> 00:38:48,320

uh

1069

00:38:51,829 --> 00:38:50,160

he's kind of a big deal and i said yeah

1070

00:38:54,069 --> 00:38:51,839

i've heard of post malone

1071

00:38:55,430 --> 00:38:54,079

um i i couldn't recall a song right off

1072

00:38:57,109 --> 00:38:55,440

the top of my head because i'm i'm

1073

00:38:59,030 --> 00:38:57,119

frankly stuck in the 80s most of the

1074

00:39:02,470 --> 00:38:59,040

time listening to depeche mode

1075

00:39:05,510 --> 00:39:02,480

and duran duran omd uh

1076

00:39:05,990 --> 00:39:05,520

along with 80's hair metal like poison

1077

00:39:09,670 --> 00:39:06,000

and

1078

00:39:13,670 --> 00:39:09,680

def leopard uh rat queens right

1079

00:39:14,069 --> 00:39:13,680

on those man yeah i'm a product of that

1080

00:39:16,550 --> 00:39:14,079

time

1081

00:39:17,349 --> 00:39:16,560

and and so i i wasn't quite up to speed

1082

00:39:19,030 --> 00:39:17,359

and i i

1083

00:39:20,790 --> 00:39:19,040

i said well let me check with my team

1084

00:39:23,670 --> 00:39:20,800

you know we'll

1085

00:39:25,349 --> 00:39:23,680

we'll we'll consider it and i i hate to

1086

00:39:27,829 --> 00:39:25,359

admit it but i

1087

00:39:30,230 --> 00:39:27,839

i didn't really respond back and he had

1088

00:39:32,150 --> 00:39:30,240

to follow up with me several times

1089

00:39:33,829 --> 00:39:32,160

it was relentless and i finally said

1090

00:39:35,030 --> 00:39:33,839

okay i

1091

00:39:37,030 --> 00:39:35,040

you know out of respect for a

1092

00:39:39,030 --> 00:39:37,040

relationship le i i'll

1093

00:39:40,390 --> 00:39:39,040

be happy to entertain him and and we'll

1094

00:39:43,349 --> 00:39:40,400

arrange it with the team

1095

00:39:44,630 --> 00:39:43,359

to come out and uh and spend a weekend

1096

00:39:46,230 --> 00:39:44,640

and then i pulled up

1097

00:39:48,069 --> 00:39:46,240

everything online and did my due

1098

00:39:52,870 --> 00:39:48,079

diligence and i was

1099

00:39:55,510 --> 00:39:52,880

so embarrassed here you have

1100

00:39:56,150 --> 00:39:55,520

arguably the the greatest artist on the

1101

00:39:57,990 --> 00:39:56,160

planet

1102

00:39:59,270 --> 00:39:58,000

billboard artist of the year two years

1103

00:40:02,150 --> 00:39:59,280

in a row

1104

00:40:03,990 --> 00:40:02,160

uh an incredible talent i mean he he i

1105

00:40:05,190 --> 00:40:04,000

believe he's outsold michael jackson's

1106

00:40:08,390 --> 00:40:05,200

thriller

1107

00:40:11,829 --> 00:40:08,400

and uh and i'm a musician i i

1108

00:40:14,230 --> 00:40:11,839

grew up with rock bands electronica

1109

00:40:15,349 --> 00:40:14,240

you know oriented bands um you know

1110

00:40:17,270 --> 00:40:15,359

through my junior

1111

00:40:19,109 --> 00:40:17,280

and high school junior high school and

1112

00:40:21,990 --> 00:40:19,119

high school years

1113

00:40:23,670 --> 00:40:22,000

and uh and so as i pulled up all of his

1114

00:40:26,390 --> 00:40:23,680

work i was just amazed

1115

00:40:27,190 --> 00:40:26,400

and and so i was a little nervous uh

1116

00:40:29,109 --> 00:40:27,200

when we

1117

00:40:30,309 --> 00:40:29,119

went out there and he he showed up with

1118

00:40:32,950 --> 00:40:30,319

three security

1119

00:40:34,870 --> 00:40:32,960

all with assault rifles and that was in

1120

00:40:37,589 --> 00:40:34,880

addition to my security with you know

1121

00:40:38,550 --> 00:40:37,599

i had dragon caleb you know we have our

1122

00:40:41,589 --> 00:40:38,560

team there

1123

00:40:41,910 --> 00:40:41,599

yeah and uh yeah really long story short

1124

00:40:47,270 --> 00:40:41,920

he

1125

00:40:51,030 --> 00:40:47,280

human being

1126  
00:40:52,630 --> 00:40:51,040  
um austin post was was a lot of fun to

1127  
00:40:54,470 --> 00:40:52,640  
engage with and we really

1128  
00:40:56,470 --> 00:40:54,480  
did a deep dive in the command center

1129  
00:40:58,069 --> 00:40:56,480  
and really studied various aspects of

1130  
00:41:00,710 --> 00:40:58,079  
the phenomena i mean a lot of

1131  
00:41:02,150 --> 00:41:00,720  
everything from the signal processing

1132  
00:41:03,910 --> 00:41:02,160  
that we go through to

1133  
00:41:05,270 --> 00:41:03,920  
to how we're really conducting the

1134  
00:41:08,309 --> 00:41:05,280  
investigation

1135  
00:41:09,589 --> 00:41:08,319  
out there and you know we spent gosh

1136  
00:41:11,750 --> 00:41:09,599  
we spent a whole day eight hours

1137  
00:41:14,390 --> 00:41:11,760  
together and it was fun at one point

1138  
00:41:15,910 --> 00:41:14,400

uh we we ditched the security and just

1139

00:41:17,349 --> 00:41:15,920

went out exploring the

1140

00:41:19,270 --> 00:41:17,359

the south end of the ranch and it was

1141

00:41:19,750 --> 00:41:19,280

just a lot of fun we're just out in the

1142

00:41:23,670 --> 00:41:19,760

middle

1143

00:41:26,230 --> 00:41:23,680

of nowhere and just two guys you know

1144

00:41:27,670 --> 00:41:26,240

comparing notes on the paranormal and

1145

00:41:30,710 --> 00:41:27,680

our own experiences

1146

00:41:32,550 --> 00:41:30,720

and uh it was a great privilege we we uh

1147

00:41:34,150 --> 00:41:32,560

we hope to welcome him back in fact he

1148

00:41:36,150 --> 00:41:34,160

uh we'll see

1149

00:41:37,190 --> 00:41:36,160

we'll see uh if uh if things come

1150

00:41:38,950 --> 00:41:37,200

together but uh

1151  
00:41:40,870 --> 00:41:38,960  
he he mentioned that he wanted to come

1152  
00:41:41,589 --> 00:41:40,880  
out and possibly be part of an

1153  
00:41:43,829 --> 00:41:41,599  
experiment

1154  
00:41:46,470 --> 00:41:43,839  
or the investigation and you know he

1155  
00:41:48,230 --> 00:41:46,480  
really is a sincere researcher

1156  
00:41:50,390 --> 00:41:48,240  
i think a lot of people don't realize

1157  
00:41:51,030 --> 00:41:50,400  
that you know he's he's not someone

1158  
00:41:53,190 --> 00:41:51,040  
who's just

1159  
00:41:54,710 --> 00:41:53,200  
trying to come out and and pull a

1160  
00:41:55,990 --> 00:41:54,720  
publicity stunt in fact he didn't want

1161  
00:41:59,109 --> 00:41:56,000  
any publicity

1162  
00:42:00,950 --> 00:41:59,119  
i timidly asked him if uh if it'd be

1163  
00:42:04,790 --> 00:42:00,960

okay if we took some pictures and he was

1164

00:42:06,950 --> 00:42:04,800

totally cool and uh and authorized it so

1165

00:42:08,550 --> 00:42:06,960

it was really fun we we really have a

1166

00:42:09,030 --> 00:42:08,560

diversity of people out there one thing

1167

00:42:13,109 --> 00:42:09,040

i

1168

00:42:16,470 --> 00:42:13,119

the fact that we pulled together

1169

00:42:19,430 --> 00:42:16,480

a multi-disciplinary team of experts

1170

00:42:21,510 --> 00:42:19,440

of of trusted confidants and subject

1171

00:42:23,990 --> 00:42:21,520

matter experts across a wide

1172

00:42:24,790 --> 00:42:24,000

spectrum in order to to really

1173

00:42:27,109 --> 00:42:24,800

understand

1174

00:42:28,950 --> 00:42:27,119

what is happening on this really

1175

00:42:30,870 --> 00:42:28,960

mysterious piece of property

1176

00:42:32,150 --> 00:42:30,880

and i think it's yielding incredible

1177

00:42:34,710 --> 00:42:32,160

results

1178

00:42:35,349 --> 00:42:34,720

oh by the way i i'm not going to spoil

1179

00:42:37,990 --> 00:42:35,359

anything

1180

00:42:38,950 --> 00:42:38,000

but and it's not my story to tell but

1181

00:42:41,990 --> 00:42:38,960

post malone

1182

00:42:45,589 --> 00:42:42,000

and and his security

1183

00:42:47,589 --> 00:42:45,599

uh ended up having their own experience

1184

00:42:48,950 --> 00:42:47,599

late at night before leaving so i'll

1185

00:42:51,750 --> 00:42:48,960

leave it at that

1186

00:42:53,510 --> 00:42:51,760

yeah hopefully he'll make that public

1187

00:42:55,270 --> 00:42:53,520

soon that'd be pretty cool yeah he

1188

00:42:57,030 --> 00:42:55,280

that was really cool he's from my

1189

00:42:59,190 --> 00:42:57,040

hometown and he had a

1190

00:43:01,030 --> 00:42:59,200

a pretty dramatic ufo sighting there

1191

00:43:03,589 --> 00:43:01,040

when he was a kid so that was

1192

00:43:04,150 --> 00:43:03,599

oh you know one of our bragging moments

1193

00:43:06,550 --> 00:43:04,160

in uh

1194

00:43:07,990 --> 00:43:06,560

syracuse new york but i thought that was

1195

00:43:09,349 --> 00:43:08,000

pretty awesome and of course he had an

1196

00:43:12,390 --> 00:43:09,359

experience of course he did

1197

00:43:13,750 --> 00:43:12,400

oh he's he's awesome i it was a it was a

1198

00:43:15,990 --> 00:43:13,760

pleasure bringing him out

1199

00:43:17,190 --> 00:43:16,000

and uh look forward to continuing our

1200

00:43:20,550 --> 00:43:17,200

friendship

1201  
00:43:21,430 --> 00:43:20,560  
and potential engagement so bring up

1202  
00:43:24,390 --> 00:43:21,440  
more questions

1203  
00:43:25,109 --> 00:43:24,400  
let's do it my man um all right window

1204  
00:43:27,589 --> 00:43:25,119  
areas

1205  
00:43:28,950 --> 00:43:27,599  
portals now that was one of the biggest

1206  
00:43:30,390 --> 00:43:28,960  
things back when

1207  
00:43:32,870 --> 00:43:30,400  
you know the book first came out with

1208  
00:43:36,870 --> 00:43:32,880  
george knapp and um and all those guys

1209  
00:43:37,750 --> 00:43:36,880  
and dr eric davis a portal opening and a

1210  
00:43:40,230 --> 00:43:37,760  
creature

1211  
00:43:41,910 --> 00:43:40,240  
coming out of it i mean that that's just

1212  
00:43:44,309 --> 00:43:41,920  
the that's sci-fi

1213  
00:43:45,829 --> 00:43:44,319

to the oomph degree but this happened on

1214

00:43:48,870 --> 00:43:45,839

the ranch apparently

1215

00:43:52,550 --> 00:43:48,880

so are you guys going to be exploring uh

1216

00:43:54,230 --> 00:43:52,560

portals at all in uh in the show and

1217

00:43:55,990 --> 00:43:54,240

have there ever been an ex any

1218

00:43:57,750 --> 00:43:56,000

experiences like that on the ranch uh

1219

00:44:01,109 --> 00:43:57,760

since you've owned it

1220

00:44:01,910 --> 00:44:01,119

hell yes so yeah a lot of the most

1221

00:44:04,230 --> 00:44:01,920

classic

1222

00:44:06,390 --> 00:44:04,240

uh incidents that have been reported

1223

00:44:08,470 --> 00:44:06,400

were by you know dr eric davis

1224

00:44:09,910 --> 00:44:08,480

who served for quite a quite a period of

1225

00:44:11,349 --> 00:44:09,920

time with the

1226

00:44:13,190 --> 00:44:11,359

with with the bigelow team in

1227

00:44:14,470 --> 00:44:13,200

investigation i have i have a lot of

1228

00:44:17,190 --> 00:44:14,480

respect for

1229

00:44:19,510 --> 00:44:17,200

for eric uh and we've welcomed him out

1230

00:44:21,910 --> 00:44:19,520

to the property and he's shown us where

1231

00:44:22,630 --> 00:44:21,920

where those where those events occurred

1232

00:44:25,510 --> 00:44:22,640

but

1233

00:44:26,870 --> 00:44:25,520

we've had some really compelling things

1234

00:44:28,870 --> 00:44:26,880

happen and i

1235

00:44:30,950 --> 00:44:28,880

i i'm really excited i mean that's one

1236

00:44:34,230 --> 00:44:30,960

of the things i'm most excited

1237

00:44:34,630 --> 00:44:34,240

to uh to reveal to the public and to

1238

00:44:37,270 --> 00:44:34,640

show

1239

00:44:38,790 --> 00:44:37,280

is is the result of our investigation

1240

00:44:41,510 --> 00:44:38,800

into whether there are

1241

00:44:43,990 --> 00:44:41,520

portal or wormhole phenomena on the

1242

00:44:47,190 --> 00:44:44,000

property is there a legitimate case

1243

00:44:49,510 --> 00:44:47,200

or claim to be made that there are

1244

00:44:51,430 --> 00:44:49,520

portals to other dimensions of reality

1245

00:44:52,230 --> 00:44:51,440

or other worlds and what evidence what

1246

00:44:55,430 --> 00:44:52,240

hard

1247

00:44:55,990 --> 00:44:55,440

evidence and data do we have that would

1248

00:44:58,870 --> 00:44:56,000

uh

1249

00:44:59,829 --> 00:44:58,880

that would at least attest to that and

1250

00:45:01,910 --> 00:44:59,839

uh

1251  
00:45:03,270 --> 00:45:01,920  
and both literally and figuratively open

1252  
00:45:06,550 --> 00:45:03,280  
those doors so

1253  
00:45:08,550 --> 00:45:06,560  
uh hold on tight you're about ready to

1254  
00:45:09,190 --> 00:45:08,560  
uh to see some really interesting things

1255  
00:45:11,589 --> 00:45:09,200  
unfold

1256  
00:45:13,589 --> 00:45:11,599  
and it's been like christmas eve for me

1257  
00:45:15,910 --> 00:45:13,599  
waiting for this damn season

1258  
00:45:17,670 --> 00:45:15,920  
to start um you know the production

1259  
00:45:19,510 --> 00:45:17,680  
process getting everything

1260  
00:45:20,950 --> 00:45:19,520  
you know finalized and turned into the

1261  
00:45:22,790 --> 00:45:20,960  
network it's

1262  
00:45:24,790 --> 00:45:22,800  
it's a process and i have to give great

1263  
00:45:26,630 --> 00:45:24,800

credit to the team of prometheus i

1264

00:45:28,870 --> 00:45:26,640

i have incredible partners with both

1265

00:45:31,589 --> 00:45:28,880

prometheus history channel and a

1266

00:45:32,309 --> 00:45:31,599

e network and and they've kept their

1267

00:45:34,790 --> 00:45:32,319

deal

1268

00:45:35,510 --> 00:45:34,800

they have total integrity with respect

1269

00:45:40,470 --> 00:45:35,520

to

1270

00:45:42,390 --> 00:45:40,480

i had an agreement with them from the

1271

00:45:43,910 --> 00:45:42,400

beginning that there would be nothing

1272

00:45:46,790 --> 00:45:43,920

contrived

1273

00:45:47,589 --> 00:45:46,800

uh nothing fabricated uh that it would

1274

00:45:50,550 --> 00:45:47,599

be truth

1275

00:45:51,109 --> 00:45:50,560

absolute truth presented you know this

1276

00:45:54,390 --> 00:45:51,119

would be

1277

00:45:57,109 --> 00:45:54,400

in every sense an unscripted

1278

00:45:58,309 --> 00:45:57,119

documentary effort and guess what

1279

00:46:01,990 --> 00:45:58,319

they've kept their

1280

00:46:04,150 --> 00:46:02,000

you know they've done a great job with

1281

00:46:06,150 --> 00:46:04,160

engaging with my team i mean dragon and

1282

00:46:07,589 --> 00:46:06,160

i go back to age 19 together i mean

1283

00:46:11,430 --> 00:46:07,599

we've been dear friends

1284

00:46:15,829 --> 00:46:11,440

since 19 and uh and yes he's always had

1285

00:46:18,630 --> 00:46:15,839

that that resting face

1286

00:46:20,150 --> 00:46:18,640

that would i i take back my number one

1287

00:46:21,670 --> 00:46:20,160

question that was my number one

1288

00:46:23,510 --> 00:46:21,680

yeah it's permanent and by the way

1289

00:46:25,750 --> 00:46:23,520

that's a technical term i wasn't using

1290

00:46:28,309 --> 00:46:25,760

profanity that's i'm told that that's a

1291

00:46:29,349 --> 00:46:28,319

that's a technical term and so it's not

1292

00:46:31,910 --> 00:46:29,359

inappropriate but

1293

00:46:33,109 --> 00:46:31,920

um but uh you know these these

1294

00:46:35,910 --> 00:46:33,119

relationships span

1295

00:46:38,309 --> 00:46:35,920

decades i mean jim morse you know who i

1296

00:46:40,710 --> 00:46:38,319

affectionately referred to as uncle jim

1297

00:46:43,030 --> 00:46:40,720

you know jim was my first big client at

1298

00:46:44,390 --> 00:46:43,040

age 18 he was developing a six-story

1299

00:46:47,109 --> 00:46:44,400

office tower

1300

00:46:48,470 --> 00:46:47,119

out in our you know suburban market and

1301

00:46:51,510 --> 00:46:48,480

uh a big master plan

1302

00:46:54,790 --> 00:46:51,520

45-acre project and he he took a risk

1303

00:46:56,790 --> 00:46:54,800

on me and he he allowed me to engage as

1304

00:46:59,190 --> 00:46:56,800

his broker as a teenager

1305

00:47:00,230 --> 00:46:59,200

marketing his office building at the

1306

00:47:02,150 --> 00:47:00,240

time and

1307

00:47:04,710 --> 00:47:02,160

i don't take that trust lightly never

1308

00:47:05,910 --> 00:47:04,720

have and you know out of that experience

1309

00:47:09,030 --> 00:47:05,920

in in really

1310

00:47:11,270 --> 00:47:09,040

developing many buildings and and

1311

00:47:12,870 --> 00:47:11,280

other investments together you know we

1312

00:47:14,870 --> 00:47:12,880

built this trust and he was the first

1313

00:47:15,990 --> 00:47:14,880

person to lay eye eyes on the ranch when

1314

00:47:18,790 --> 00:47:16,000

i flew out

1315

00:47:20,710 --> 00:47:18,800

in my helicopter and first saw it from

1316

00:47:22,150 --> 00:47:20,720

that vantage point i i didn't drive in

1317

00:47:24,069 --> 00:47:22,160

the first time i saw that ranch i

1318

00:47:27,030 --> 00:47:24,079

actually saw it from above

1319

00:47:28,790 --> 00:47:27,040

and came down in the field just outside

1320

00:47:32,230 --> 00:47:28,800

of the ranch house

1321

00:47:35,510 --> 00:47:32,240

and was greeted by bigelow security

1322

00:47:36,950 --> 00:47:35,520

who was you know armed and uh and ready

1323

00:47:39,030 --> 00:47:36,960

to do it a full

1324

00:47:41,270 --> 00:47:39,040

tour of the property and the perimeter

1325

00:47:43,190 --> 00:47:41,280

jim was the one who accompanied me

1326

00:47:45,030 --> 00:47:43,200

and has been a trusted confidant and

1327

00:47:47,030 --> 00:47:45,040

really the community liaison i don't

1328

00:47:49,430 --> 00:47:47,040

think there's anyone that loves

1329

00:47:50,069 --> 00:47:49,440

the native american peoples more than

1330

00:47:53,270 --> 00:47:50,079

jim

1331

00:47:55,750 --> 00:47:53,280

with

1332

00:47:57,430 --> 00:47:55,760

tribal leaders and and i think that

1333

00:47:59,349 --> 00:47:57,440

engagement with the community

1334

00:48:00,790 --> 00:47:59,359

with the tribes has been a very

1335

00:48:03,030 --> 00:48:00,800

important part of

1336

00:48:03,829 --> 00:48:03,040

of my stewardship and i hope that's

1337

00:48:05,349 --> 00:48:03,839

coming through

1338

00:48:07,030 --> 00:48:05,359

in the program anyway sorry to get off

1339

00:48:08,870 --> 00:48:07,040

on a tangent more questions

1340

00:48:10,230 --> 00:48:08,880

no that's a really good point to bring

1341

00:48:12,710 --> 00:48:10,240

up because a lot of uh

1342

00:48:14,390 --> 00:48:12,720

listeners also were wondering what was

1343

00:48:17,109 --> 00:48:14,400

your relationship with the

1344

00:48:17,750 --> 00:48:17,119

the um the navajo out there and it was

1345

00:48:20,710 --> 00:48:17,760

straight

1346

00:48:21,829 --> 00:48:20,720

so yeah the the the relationship was

1347

00:48:24,870 --> 00:48:21,839

very strained

1348

00:48:28,230 --> 00:48:24,880

um between the

1349

00:48:29,910 --> 00:48:28,240

the previous ownership and occupants and

1350

00:48:32,870 --> 00:48:29,920

the the tribal leaders

1351

00:48:34,309 --> 00:48:32,880

uh by their own admission uh meaning by

1352

00:48:36,710 --> 00:48:34,319

you know the tribes admitted that

1353

00:48:38,470 --> 00:48:36,720

you know there really wasn't a warm

1354

00:48:40,309 --> 00:48:38,480

association or a collaborative effort

1355

00:48:41,670 --> 00:48:40,319

and we've tried to change that

1356

00:48:43,349 --> 00:48:41,680

in a big way and again nothing

1357

00:48:45,349 --> 00:48:43,359

disparaging about the

1358

00:48:46,790 --> 00:48:45,359

about my predecessors i have nothing but

1359

00:48:49,030 --> 00:48:46,800

respect for

1360

00:48:50,230 --> 00:48:49,040

you know robert bigelow and his team and

1361

00:48:51,990 --> 00:48:50,240

applaud

1362

00:48:54,630 --> 00:48:52,000

his courage and their courage

1363

00:48:57,030 --> 00:48:54,640

collectively in coming forward

1364

00:48:58,710 --> 00:48:57,040

you know it it takes courage to put

1365

00:48:59,430 --> 00:48:58,720

yourself out there to stick your neck

1366

00:49:02,230 --> 00:48:59,440

out and

1367

00:49:03,349 --> 00:49:02,240

i mean you tell me ryan i mean how many

1368

00:49:05,670 --> 00:49:03,359

credible

1369

00:49:06,950 --> 00:49:05,680

business leaders have been willing to

1370

00:49:09,670 --> 00:49:06,960

step forward

1371

00:49:10,549 --> 00:49:09,680

not only with their with their with

1372

00:49:13,190 --> 00:49:10,559

their money with

1373

00:49:14,870 --> 00:49:13,200

with financial investment of significant

1374

00:49:17,270 --> 00:49:14,880

size but also

1375

00:49:18,069 --> 00:49:17,280

willingness to put their reputation on

1376

00:49:20,230 --> 00:49:18,079

the line

1377

00:49:21,829 --> 00:49:20,240

the tribal leaders have have advised

1378

00:49:24,470 --> 00:49:21,839

their people

1379

00:49:25,430 --> 00:49:24,480

for generations not to look the way of

1380

00:49:27,510 --> 00:49:25,440

this property

1381

00:49:29,109 --> 00:49:27,520

you know it's it's very real and we have

1382

00:49:31,109 --> 00:49:29,119

first-hand accounts

1383

00:49:32,950 --> 00:49:31,119

and historical documentation that

1384

00:49:36,230 --> 00:49:32,960

attests to the fact that

1385

00:49:36,790 --> 00:49:36,240

that people have avoided even mentioning

1386

00:49:39,750 --> 00:49:36,800

the term

1387

00:49:41,589 --> 00:49:39,760

skinwalker it's very taboo you know

1388

00:49:43,910 --> 00:49:41,599

we're making it more commonplace

1389

00:49:44,870 --> 00:49:43,920

for better for worse but i think a lot

1390

00:49:47,990 --> 00:49:44,880

of people don't

1391

00:49:49,109 --> 00:49:48,000

realize that just even the mention or

1392

00:49:52,549 --> 00:49:49,119

the discussion

1393

00:49:55,030 --> 00:49:52,559

of skinwalkers is forbidden

1394

00:49:55,829 --> 00:49:55,040

been frowned upon it's it's really

1395

00:49:57,990 --> 00:49:55,839

frowned upon

1396

00:49:59,990 --> 00:49:58,000

in native american circles i mean you

1397

00:50:01,589 --> 00:50:00,000

you really have to be careful and i

1398

00:50:03,589 --> 00:50:01,599

i sometimes forget it because we just

1399

00:50:04,470 --> 00:50:03,599

take for granted you know that we're in

1400

00:50:07,990 --> 00:50:04,480

the middle of this

1401  
00:50:09,910 --> 00:50:08,000  
anyway sorry sorry for the aside there

1402  
00:50:11,670 --> 00:50:09,920  
that's such a good point i mean the the

1403  
00:50:14,790 --> 00:50:11,680  
term skinwalker

1404  
00:50:16,069 --> 00:50:14,800  
you know has sort of it's been spawned

1405  
00:50:17,910 --> 00:50:16,079  
from a curse

1406  
00:50:19,349 --> 00:50:17,920  
so that that is a completely

1407  
00:50:22,390 --> 00:50:19,359  
understandable thing oh yeah

1408  
00:50:25,589 --> 00:50:22,400  
it's very real it is real

1409  
00:50:28,230 --> 00:50:25,599  
and terrifying to

1410  
00:50:28,630 --> 00:50:28,240  
you know the native americans out there

1411  
00:50:31,750 --> 00:50:28,640  
that

1412  
00:50:32,470 --> 00:50:31,760  
i mean you have even if you haven't had

1413  
00:50:34,870 --> 00:50:32,480

an experience

1414

00:50:37,510 --> 00:50:34,880

even if you don't believe it i think you

1415

00:50:39,670 --> 00:50:37,520

have to take a step back and respect

1416

00:50:40,710 --> 00:50:39,680

that it is definitely real to them and

1417

00:50:43,349 --> 00:50:40,720

it's a it's

1418

00:50:44,549 --> 00:50:43,359

it's a part of their cultural history

1419

00:50:47,589 --> 00:50:44,559

and tradition

1420

00:50:48,630 --> 00:50:47,599

and something that uh that that is to be

1421

00:50:50,950 --> 00:50:48,640

respected

1422

00:50:51,990 --> 00:50:50,960

i guess kind of uh bringing it more

1423

00:50:54,790 --> 00:50:52,000

current brandon

1424

00:50:55,510 --> 00:50:54,800

um with you know we've got this report

1425

00:50:58,549 --> 00:50:55,520

due

1426  
00:50:59,349 --> 00:50:58,559  
very soon from the pentagon ufo task

1427  
00:51:01,190 --> 00:50:59,359  
force

1428  
00:51:02,630 --> 00:51:01,200  
um again i can't believe i'm saying that

1429  
00:51:04,870 --> 00:51:02,640  
as a ufo researcher

1430  
00:51:06,069 --> 00:51:04,880  
who's been doing this for so long and

1431  
00:51:09,589 --> 00:51:06,079  
this is where we're at

1432  
00:51:11,910 --> 00:51:09,599  
um so have you ever been approached by

1433  
00:51:12,630 --> 00:51:11,920  
this uap task force i know that you've

1434  
00:51:15,990 --> 00:51:12,640  
spoken to

1435  
00:51:17,829 --> 00:51:16,000  
um representatives in in utah

1436  
00:51:19,349 --> 00:51:17,839  
uh about what you're doing on the ranch

1437  
00:51:19,829 --> 00:51:19,359  
which is pretty cool to see in season

1438  
00:51:22,150 --> 00:51:19,839

one

1439

00:51:23,430 --> 00:51:22,160

but any government involvement we also

1440

00:51:26,390 --> 00:51:23,440

had a question of

1441

00:51:27,990 --> 00:51:26,400

do you hold any sort of security

1442

00:51:30,790 --> 00:51:28,000

clearance we know

1443

00:51:32,710 --> 00:51:30,800

that the pentagon was funding the former

1444

00:51:33,910 --> 00:51:32,720

owner of skinwalker ranch um

1445

00:51:35,510 --> 00:51:33,920

and what do you think of all this

1446

00:51:36,309 --> 00:51:35,520

pentagon stuff is this going to come

1447

00:51:37,670 --> 00:51:36,319

into play

1448

00:51:39,990 --> 00:51:37,680

at all with the work you're doing at

1449

00:51:43,349 --> 00:51:40,000

skinwalker ranch good questions

1450

00:51:44,230 --> 00:51:43,359

uh no i have never held a security

1451  
00:51:46,230 --> 00:51:44,240  
clearance

1452  
00:51:47,750 --> 00:51:46,240  
or been involved with any program

1453  
00:51:51,109 --> 00:51:47,760  
government program

1454  
00:51:53,510 --> 00:51:51,119  
at all i have no desire uh to and

1455  
00:51:55,670 --> 00:51:53,520  
as much as i i love my country and

1456  
00:51:57,270 --> 00:51:55,680  
consider myself a patriot and i'm

1457  
00:51:58,950 --> 00:51:57,280  
completely transparent and open and

1458  
00:52:02,069 --> 00:51:58,960  
collaborative i have

1459  
00:52:03,670 --> 00:52:02,079  
no interest in taking you know monies or

1460  
00:52:05,829 --> 00:52:03,680  
having this be part of

1461  
00:52:06,710 --> 00:52:05,839  
any type of government sponsored or

1462  
00:52:08,549 --> 00:52:06,720  
funded

1463  
00:52:10,549 --> 00:52:08,559

project i think that the best results

1464

00:52:12,790 --> 00:52:10,559

always come from the private sector

1465

00:52:14,549 --> 00:52:12,800

no offense to the the highly competent

1466

00:52:16,870 --> 00:52:14,559

people in the intelligence

1467

00:52:18,390 --> 00:52:16,880

and aerospace communities but uh but i

1468

00:52:21,510 --> 00:52:18,400

think private sector

1469

00:52:24,710 --> 00:52:21,520

innovation collaboration um

1470

00:52:25,670 --> 00:52:24,720

has always uh brought forward you know

1471

00:52:27,670 --> 00:52:25,680

discoveries

1472

00:52:28,790 --> 00:52:27,680

in a more dynamic way and i i think

1473

00:52:31,030 --> 00:52:28,800

keeping this

1474

00:52:32,309 --> 00:52:31,040

private and and maintaining the

1475

00:52:35,270 --> 00:52:32,319

integrity

1476  
00:52:37,430 --> 00:52:35,280  
of this project has been an important

1477  
00:52:40,069 --> 00:52:37,440  
part of my stewardship

1478  
00:52:41,589 --> 00:52:40,079  
i was summoned to washington dc with the

1479  
00:52:44,470 --> 00:52:41,599  
team to give testimony

1480  
00:52:45,750 --> 00:52:44,480  
relative to our investigation and how we

1481  
00:52:48,950 --> 00:52:45,760  
have advanced

1482  
00:52:52,230 --> 00:52:48,960  
our investigation at skinwalker ranch

1483  
00:52:55,589 --> 00:52:52,240  
and uh i'm sure i'll touch

1484  
00:52:56,470 --> 00:52:55,599  
on that in future in future episodes

1485  
00:52:59,670 --> 00:52:56,480  
hopefully or

1486  
00:53:03,589 --> 00:52:59,680  
future interviews but uh but you know

1487  
00:53:07,030 --> 00:53:03,599  
we again in the spirit of transparency

1488  
00:53:08,790 --> 00:53:07,040

we have nothing to hide and believe that

1489

00:53:10,630 --> 00:53:08,800

the public has a right to know and that

1490

00:53:11,349 --> 00:53:10,640

this will come forward now as it relates

1491

00:53:12,829 --> 00:53:11,359

to this big

1492

00:53:15,430 --> 00:53:12,839

disclosure event that everyone's

1493

00:53:17,030 --> 00:53:15,440

anticipating i'll buy the drinks

1494

00:53:18,470 --> 00:53:17,040

if there's anything compelling that

1495

00:53:20,950 --> 00:53:18,480

comes forward and i'll tell you why

1496

00:53:21,750 --> 00:53:20,960

i i think most of the really compelling

1497

00:53:24,150 --> 00:53:21,760

data

1498

00:53:26,230 --> 00:53:24,160

and evidence has been long sequestered

1499

00:53:27,270 --> 00:53:26,240

into special compartmentalized access

1500

00:53:31,430 --> 00:53:27,280

programs

1501  
00:53:34,150 --> 00:53:31,440  
in private industry and is is unlikely

1502  
00:53:35,750 --> 00:53:34,160  
to be revealed and i think a lot of

1503  
00:53:37,030 --> 00:53:35,760  
people can't handle it i mean you look

1504  
00:53:41,030 --> 00:53:37,040  
at how much

1505  
00:53:41,510 --> 00:53:41,040  
ridiculed and criticized by people and

1506  
00:53:43,510 --> 00:53:41,520  
i'm like

1507  
00:53:44,630 --> 00:53:43,520  
gosh do your due diligence people in the

1508  
00:53:48,150 --> 00:53:44,640  
first 20 minutes

1509  
00:53:49,750 --> 00:53:48,160  
of episode 1 of season 1 i revealed more

1510  
00:53:51,589 --> 00:53:49,760  
in that 20 minutes than i'd seen

1511  
00:53:53,910 --> 00:53:51,599  
revealed in 20 years

1512  
00:53:55,030 --> 00:53:53,920  
relative to this topic and they're

1513  
00:53:59,349 --> 00:53:55,040

complaining

1514

00:54:00,950 --> 00:53:59,359

i'm like what after a drought of decades

1515

00:54:03,270 --> 00:54:00,960

of literally

1516

00:54:05,270 --> 00:54:03,280

eating their own young and and that's

1517

00:54:06,870 --> 00:54:05,280

that's kind of the state of ufology to a

1518

00:54:08,150 --> 00:54:06,880

degree in a lot of respects which is

1519

00:54:11,030 --> 00:54:08,160

unfortunate is

1520

00:54:13,510 --> 00:54:11,040

is there there's there's a territorial

1521

00:54:17,430 --> 00:54:15,910

critical nature to it that uh that is

1522

00:54:20,790 --> 00:54:17,440

counterproductive

1523

00:54:23,030 --> 00:54:20,800

and and it's very ha half glass empty

1524

00:54:23,990 --> 00:54:23,040

instead of half glass full and i i look

1525

00:54:26,390 --> 00:54:24,000

at the abundance

1526  
00:54:27,349 --> 00:54:26,400  
of what we are being what we are being

1527  
00:54:29,910 --> 00:54:27,359  
blessed with

1528  
00:54:30,870 --> 00:54:29,920  
and fortunate to be gathering out here

1529  
00:54:34,069 --> 00:54:30,880  
in this very

1530  
00:54:37,510 --> 00:54:34,079  
real living laboratory you know this

1531  
00:54:40,710 --> 00:54:37,520  
this secure site that has been unusually

1532  
00:54:42,789 --> 00:54:40,720  
you know locked down for 24 25 years

1533  
00:54:44,789 --> 00:54:42,799  
and you know this this represents i

1534  
00:54:48,150 --> 00:54:44,799  
think the best opportunity

1535  
00:54:50,549 --> 00:54:48,160  
for the private sector to bring forward

1536  
00:54:51,270 --> 00:54:50,559  
advancements relative to understanding

1537  
00:54:53,030 --> 00:54:51,280  
the nature

1538  
00:54:54,710 --> 00:54:53,040

of the phenomena i mean the big

1539

00:54:56,549 --> 00:54:54,720

questions are what you know

1540

00:54:57,829 --> 00:54:56,559

what is the origin what is the agenda

1541

00:55:00,549 --> 00:54:57,839

and who knows

1542

00:55:01,270 --> 00:55:00,559

well we'll find out hopefully at some

1543

00:55:03,190 --> 00:55:01,280

point

1544

00:55:05,349 --> 00:55:03,200

i i agree with you and again i think

1545

00:55:07,829 --> 00:55:05,359

people need to keep in mind you know

1546

00:55:09,589 --> 00:55:07,839

in the ufo community or research

1547

00:55:13,030 --> 00:55:09,599

community or what have you

1548

00:55:14,069 --> 00:55:13,040

uh that for so long they haven't trusted

1549

00:55:16,549 --> 00:55:14,079

the government

1550

00:55:17,750 --> 00:55:16,559

because there is a legitimate cover-up

1551  
00:55:19,349 --> 00:55:17,760  
of the topic

1552  
00:55:21,190 --> 00:55:19,359  
yet but right now they're they're

1553  
00:55:22,630 --> 00:55:21,200  
looking for

1554  
00:55:24,630 --> 00:55:22,640  
that's what these that's what these

1555  
00:55:25,190 --> 00:55:24,640  
fools don't realize i'm not the

1556  
00:55:28,069 --> 00:55:25,200  
government

1557  
00:55:28,710 --> 00:55:28,079  
i'm an outsider i'm i'm partner i'm your

1558  
00:55:31,349 --> 00:55:28,720  
partner

1559  
00:55:33,349 --> 00:55:31,359  
in discovery you know if you're gonna

1560  
00:55:35,430 --> 00:55:33,359  
throw stones throw them where they

1561  
00:55:37,190 --> 00:55:35,440  
where they deserve to be thrown you know

1562  
00:55:38,069 --> 00:55:37,200  
give us some support put your weight

1563  
00:55:40,549 --> 00:55:38,079

behind

1564

00:55:41,829 --> 00:55:40,559

us i mean let's put as much positive

1565

00:55:43,750 --> 00:55:41,839

energy behind

1566

00:55:45,430 --> 00:55:43,760

you know this process of discovery as

1567

00:55:47,030 --> 00:55:45,440

possible and and hopefully that

1568

00:55:49,190 --> 00:55:47,040

collective energy

1569

00:55:51,349 --> 00:55:49,200

and collaboration is is going to result

1570

00:55:53,030 --> 00:55:51,359

in i think the greatest discoveries of

1571

00:55:55,190 --> 00:55:53,040

our time

1572

00:55:56,710 --> 00:55:55,200

that's actually my last question for you

1573

00:55:58,789 --> 00:55:56,720

brandon um

1574

00:56:00,549 --> 00:55:58,799

what do you hope to accomplish i mean

1575

00:56:03,030 --> 00:56:00,559

what did you go in

1576

00:56:05,030 --> 00:56:03,040

wanting to do with the ranch has that

1577

00:56:07,109 --> 00:56:05,040

evolved or changed it all or

1578

00:56:08,150 --> 00:56:07,119

what do you hope the science or the

1579

00:56:11,030 --> 00:56:08,160

discoveries

1580

00:56:12,710 --> 00:56:11,040

that you make there what will it do for

1581

00:56:13,030 --> 00:56:12,720

both the scientific community and i

1582

00:56:14,710 --> 00:56:13,040

guess

1583

00:56:19,030 --> 00:56:14,720

in the world in general what do you hope

1584

00:56:24,309 --> 00:56:21,750

good question uh we hope to bring

1585

00:56:28,470 --> 00:56:24,319

forward i think the best evidence

1586

00:56:30,230 --> 00:56:28,480

that we are not alone

1587

00:56:32,069 --> 00:56:30,240

and that there is more to our reality

1588

00:56:34,150 --> 00:56:32,079

than meets the eye that we are just

1589

00:56:36,630 --> 00:56:34,160

scratching the surface

1590

00:56:37,910 --> 00:56:36,640

of understanding the nature of not only

1591

00:56:41,109 --> 00:56:37,920

our reality

1592

00:56:44,069 --> 00:56:41,119

but our consciousness and being able to

1593

00:56:46,710 --> 00:56:44,079

delve into these topics in a disciplined

1594

00:56:47,910 --> 00:56:46,720

manner with scientific rigor with

1595

00:56:50,789 --> 00:56:47,920

respect

1596

00:56:52,710 --> 00:56:50,799

and with resources i think is is an

1597

00:56:55,829 --> 00:56:52,720

unprecedented opportunity

1598

00:56:57,190 --> 00:56:55,839

for all of us and i i think it's you've

1599

00:56:58,549 --> 00:56:57,200

heard me say that

1600

00:57:00,390 --> 00:56:58,559

many people would claim that it's

1601  
00:57:02,230 --> 00:57:00,400  
hyperbole but i really believe that this

1602  
00:57:02,789 --> 00:57:02,240  
is the greatest science project of our

1603  
00:57:05,190 --> 00:57:02,799  
time

1604  
00:57:08,710 --> 00:57:05,200  
i'm surprised that the mainstream media

1605  
00:57:11,510 --> 00:57:08,720  
isn't more tuned in to what we're doing

1606  
00:57:13,030 --> 00:57:11,520  
but that's okay i understand i started

1607  
00:57:15,190 --> 00:57:13,040  
off as a skeptic

1608  
00:57:17,589 --> 00:57:15,200  
um people say well are you a believer

1609  
00:57:20,630 --> 00:57:17,599  
now and i'm like no i'm not a believer

1610  
00:57:22,710 --> 00:57:20,640  
i'm an experiencer i don't believe i

1611  
00:57:24,789 --> 00:57:22,720  
know there's something going on that

1612  
00:57:27,030 --> 00:57:24,799  
defies explanation

1613  
00:57:28,630 --> 00:57:27,040

and uh and we're gonna try to get to the

1614

00:57:31,109 --> 00:57:28,640

bottom of it

1615

00:57:33,510 --> 00:57:31,119

awesome and i know you guys are i mean

1616

00:57:36,150 --> 00:57:33,520

again just from that first episode i saw

1617

00:57:36,710 --> 00:57:36,160

uh it's just you're you're you're you're

1618

00:57:38,390 --> 00:57:36,720

all in

1619

00:57:40,230 --> 00:57:38,400

and i love that i can hear and see the

1620

00:57:42,549 --> 00:57:40,240

passion and uh the

1621

00:57:44,069 --> 00:57:42,559

genuine nature that and curiosity you

1622

00:57:45,829 --> 00:57:44,079

have yeah for this topic

1623

00:57:47,190 --> 00:57:45,839

this isn't you're like you don't need to

1624

00:57:49,270 --> 00:57:47,200

be doing this

1625

00:57:50,789 --> 00:57:49,280

you know like you said skinwalker ranch

1626  
00:57:54,549 --> 00:57:50,799  
is 5 of what you

1627  
00:57:56,630 --> 00:57:54,559  
do in your daily life or um you know

1628  
00:57:58,309 --> 00:57:56,640  
everything that you're involved with so

1629  
00:57:59,750 --> 00:57:58,319  
uh it's clear that you just have a

1630  
00:58:02,309 --> 00:57:59,760  
genuine curiosity

1631  
00:58:03,030 --> 00:58:02,319  
but it's it could very well be the most

1632  
00:58:05,109 --> 00:58:03,040  
i mean

1633  
00:58:07,430 --> 00:58:05,119  
the the most important thing that i do

1634  
00:58:08,950 --> 00:58:07,440  
in my life

1635  
00:58:10,789 --> 00:58:08,960  
i look forward to engaging with you

1636  
00:58:13,030 --> 00:58:10,799  
further and and as you've seen

1637  
00:58:13,829 --> 00:58:13,040  
i have nothing to hide all these other

1638  
00:58:15,670 --> 00:58:13,839

fools

1639

00:58:17,990 --> 00:58:15,680

these these other people that are all

1640

00:58:18,549 --> 00:58:18,000

kind of playing mind games with each

1641

00:58:21,270 --> 00:58:18,559

other

1642

00:58:23,349 --> 00:58:21,280

in this space and you know have their

1643

00:58:25,510 --> 00:58:23,359

own weird crazy agendas

1644

00:58:27,750 --> 00:58:25,520

you know whatever more power to them but

1645

00:58:29,990 --> 00:58:27,760

we're we're laser focused on

1646

00:58:31,510 --> 00:58:30,000

really getting bottom line results no

1647

00:58:34,470 --> 00:58:31,520

mercy sweep the leg

1648

00:58:35,990 --> 00:58:34,480

as they said in karate kid yup sweet

1649

00:58:36,789 --> 00:58:36,000

they're like all right my man thank you

1650

00:58:53,870 --> 00:58:36,799

brandon

1651

00:59:19,860 --> 00:59:18,170
