FEATURING

LUIS JIMENEZ

1
00:00:03,189 --> 00:00:01,990
we're not [\h__\h] you know what i mean

2
00:00:05,430 --> 00:00:03,199
but you know what i mean like

3
00:00:06,470 --> 00:00:05,440
it's all good oh we're lost okay now

4
00:00:09,669 --> 00:00:06,480
we're live

5
00:00:13,030 --> 00:00:09,679
that's great that's awesome dude

6
00:00:14,150 --> 00:00:13,040
mike and looney yeah i want to thank lou

7
00:00:15,829 --> 00:00:14,160
for uh

8
00:00:18,390 --> 00:00:15,839
luis for helping me out i was having

9
00:00:19,910 --> 00:00:18,400
some major computer issues so um

10
00:00:22,790 --> 00:00:19,920
welcome everyone to the live stream

11
00:00:25,109 --> 00:00:22,800
tonight uh with our special guest

12
00:00:26,870 --> 00:00:25,119
luis jimenez luis welcome to the show

13
00:00:27,509 --> 00:00:26,880

brother hey man thanks for having me

14

00:00:28,950 --> 00:00:27,519

dude i've

15

00:00:31,269 --> 00:00:28,960

it's i've been want to come on this show

16

00:00:33,510 --> 00:00:31,279

for a while i know

17

00:00:34,470 --> 00:00:33,520

and this is just the beginning like yeah

18

00:00:36,630 --> 00:00:34,480

no i'm going to do an

19

00:00:38,549 --> 00:00:36,640

in-depth interview but this is we're

20

00:00:40,790 --> 00:00:38,559

here tonight to talk all about

21

00:00:41,750 --> 00:00:40,800

this huge event you got going on this

22

00:00:43,670 --> 00:00:41,760

weekend

23

00:00:45,190 --> 00:00:43,680

but before we get to that i want to let

24

00:00:46,709 --> 00:00:45,200

everyone know if you're watching on

25

00:00:48,389 --> 00:00:46,719

youtube put your comments

26

00:00:50,069 --> 00:00:48,399

on the right hand side if you're

27

00:00:51,670 --> 00:00:50,079

watching on facebook it's a little

28

00:00:52,630 --> 00:00:51,680

different you got to give stream yard

29

00:00:55,670 --> 00:00:52,640

permission

30

00:00:56,470 --> 00:00:55,680

for me to see your comments uh so if you

31

00:00:59,590 --> 00:00:56,480

can

32

00:01:00,310 --> 00:00:59,600

go to google and just type in give

33

00:01:02,069 --> 00:01:00,320

permission

34

00:01:04,229 --> 00:01:02,079

stream yard facebook and then you just

35

00:01:05,910 --> 00:01:04,239

do one click and you should be good

36

00:01:08,070 --> 00:01:05,920

um i will not see your comments on

37

00:01:10,149 --> 00:01:08,080

facebook unless you do that so uh

38

00:01:12,310 --> 00:01:10,159

welcome everyone to the live stream

39

00:01:15,030 --> 00:01:12,320

again our guest is luis jimenez

40

00:01:16,870 --> 00:01:15,040

and luis how you doing brother i'm doing

41

00:01:18,550 --> 00:01:16,880

i'm doing real well now i'm here

42

00:01:20,070 --> 00:01:18,560

yep all the things considered right

43

00:01:22,950 --> 00:01:20,080

we're yeah yeah we're live

44

00:01:24,870 --> 00:01:22,960

we're live ufos are hotter than ever the

45

00:01:25,590 --> 00:01:24,880

world is more just a little more just

46

00:01:28,149 --> 00:01:25,600

today

47

00:01:29,270 --> 00:01:28,159

you know it's uh it's it's a good thing

48

00:01:31,910 --> 00:01:29,280

it's a good thing

49

00:01:32,789 --> 00:01:31,920

it is i i feel like uh this could be a

50

00:01:35,749 --> 00:01:32,799

step in uh

51
00:01:37,670 --> 00:01:35,759
hopefully a direction of change within

52
00:01:40,710 --> 00:01:37,680
our country we shall see

53
00:01:42,870 --> 00:01:40,720
um we will see how the humans handle it

54
00:01:45,590 --> 00:01:42,880
and the uh justice system in law

55
00:01:47,510 --> 00:01:45,600
enforcement but um

56
00:01:48,710 --> 00:01:47,520
we'll leave that for another time we're

57
00:01:51,030 --> 00:01:48,720
here to talk about

58
00:01:52,149 --> 00:01:51,040
some awesome stuff first i have to shout

59
00:01:55,429 --> 00:01:52,159
out

60
00:01:57,990 --> 00:01:55,439
look at what i got today man oh yes

61
00:01:59,830 --> 00:01:58,000
awesome i love it yeah just i just put

62
00:02:00,630 --> 00:01:59,840
the one you have in your left hand now

63
00:02:03,910 --> 00:02:00,640

right hand

64

00:02:06,069 --> 00:02:03,920

uh on my on my new my new scooter

65

00:02:07,270 --> 00:02:06,079

i got a brand new scooter yeah pop that

66

00:02:09,029 --> 00:02:07,280

bad boy on the

67

00:02:10,550 --> 00:02:09,039

on the front windshield so yeah i'm i'm

68

00:02:13,190 --> 00:02:10,560

very happy and i've got my um

69

00:02:14,550 --> 00:02:13,200

i'm just waiting uh you know what my

70

00:02:15,750 --> 00:02:14,560

patch is in here i've been meaning to

71

00:02:17,830 --> 00:02:15,760

put my patch here but

72

00:02:19,830 --> 00:02:17,840

oh yeah there's a there's a way i want

73

00:02:21,430 --> 00:02:19,840

to do it in a frame behind me

74

00:02:23,430 --> 00:02:21,440

and i just haven't been able to do it

75

00:02:24,949 --> 00:02:23,440

yet so i've got some plans for the patch

76

00:02:26,550 --> 00:02:24,959

oh cool yeah i got to get one of the

77

00:02:31,509 --> 00:02:26,560

patches too i'm going to put it on my

78

00:02:33,509 --> 00:02:31,519

black denim jacket early 2000s green day

79

00:02:35,430 --> 00:02:33,519

yeah style you know i got one for a

80

00:02:37,670 --> 00:02:35,440

frame and one for a jacket

81

00:02:39,910 --> 00:02:37,680

nice um we should mention who these are

82

00:02:43,270 --> 00:02:39,920

by uh this is these are from

83

00:02:45,910 --> 00:02:43,280

dan zetterstrom uh over at his shop

84

00:02:47,270 --> 00:02:45,920

the signal uh i did put a link in the

85

00:02:49,509 --> 00:02:47,280

show notes for everyone

86

00:02:51,030 --> 00:02:49,519

to check it out he does amazing work i

87

00:02:53,430 --> 00:02:51,040

mean look at these things

88

00:02:55,750 --> 00:02:53,440

yeah no they're great they're so cool

89

00:02:57,589 --> 00:02:55,760

they're so it's got all types of merch

90

00:02:59,110 --> 00:02:57,599

and they're and they're very reasonably

91

00:03:03,270 --> 00:02:59,120

priced and the quality

92

00:03:05,190 --> 00:03:03,280

the quality is pretty sick so absolutely

93

00:03:07,589 --> 00:03:05,200

i ordered one of each and i ended up

94

00:03:09,990 --> 00:03:07,599

getting about 10 of them so that's dan

95

00:03:10,710 --> 00:03:10,000

that's dan he's just such a an awesome

96

00:03:12,309 --> 00:03:10,720

guy um

97

00:03:14,229 --> 00:03:12,319

so we're wishing him the best over there

98

00:03:15,910 --> 00:03:14,239

in the uk with uap

99

00:03:18,070 --> 00:03:15,920

media uk which we're going to talk about

100

00:03:21,030 --> 00:03:18,080

in a little bit but let's do it man

101
00:03:21,750 --> 00:03:21,040
yeah let's let's talk about it the big

102
00:03:23,910 --> 00:03:21,760
phone

103
00:03:24,949 --> 00:03:23,920
home this huge event you got going on

104
00:03:27,910 --> 00:03:24,959
this weekend

105
00:03:28,390 --> 00:03:27,920
uh tell us a little about maybe um well

106
00:03:32,149 --> 00:03:28,400
let's

107
00:03:34,390 --> 00:03:32,159
audience something to uh

108
00:03:35,589 --> 00:03:34,400
to get them up to date yeah how did you

109
00:03:38,070 --> 00:03:35,599
get involved

110
00:03:38,789 --> 00:03:38,080
with ufos let's start there and then how

111
00:03:41,190 --> 00:03:38,799
did uh

112
00:03:42,309 --> 00:03:41,200
your youtube channel come about give us

113
00:03:45,670 --> 00:03:42,319

your source

114

00:03:47,830 --> 00:03:45,680

they're both okay so i got into ufos one

115

00:03:49,589 --> 00:03:47,840

for some reason and and i feel like this

116

00:03:50,789 --> 00:03:49,599

story is very familiar to a lot of folks

117

00:03:52,630 --> 00:03:50,799

it i've

118

00:03:54,070 --> 00:03:52,640

when you get that moment with that the

119

00:03:55,030 --> 00:03:54,080

teacher let you go to the library and

120

00:03:57,190 --> 00:03:55,040

wander around for

121

00:03:59,190 --> 00:03:57,200

half hour i always went to the loch ness

122

00:04:02,550 --> 00:03:59,200

monster bigfoot ufos

123

00:04:03,750 --> 00:04:02,560

but i really really really uh gravitated

124

00:04:06,789 --> 00:04:03,760

toward the ufo

125

00:04:07,350 --> 00:04:06,799

part of it um and then when i was 13 i

126
00:04:10,949 --> 00:04:07,360
had a

127
00:04:12,789 --> 00:04:10,959
crazy sighting uh that me and 20 other

128
00:04:16,390 --> 00:04:12,799
people had it was a birthday party

129
00:04:20,229 --> 00:04:16,400
you know um it was at night it was wild

130
00:04:22,870 --> 00:04:20,239
and then um you know the youtube channel

131
00:04:24,469 --> 00:04:22,880
started just last year after i had met

132
00:04:26,230 --> 00:04:24,479
lou elizondo he walked into my

133
00:04:27,189 --> 00:04:26,240
restaurant i'm in los angeles i'm a

134
00:04:29,110 --> 00:04:27,199
server here

135
00:04:30,710 --> 00:04:29,120
uh which means you know i'm a part-time

136
00:04:33,430 --> 00:04:30,720
actor part-time server

137
00:04:34,629 --> 00:04:33,440
and uh hey i'm a bartender man yeah what

138
00:04:36,629 --> 00:04:34,639

we gotta do

139

00:04:37,909 --> 00:04:36,639

my favorite job ever was being a

140

00:04:41,030 --> 00:04:37,919

bartender in new york city

141

00:04:42,710 --> 00:04:41,040

so i would i love that job um but i

142

00:04:44,790 --> 00:04:42,720

digress uh

143

00:04:46,710 --> 00:04:44,800

yeah after he walked in the restaurant i

144

00:04:47,909 --> 00:04:46,720

i served this table i was talking to him

145

00:04:49,670 --> 00:04:47,919

and his production team who

146

00:04:52,070 --> 00:04:49,680

at the time he was there with the season

147

00:04:57,270 --> 00:04:52,080

two production team of unidentified

148

00:04:58,790 --> 00:04:57,280

and um you know i i left that job

149

00:05:00,790 --> 00:04:58,800

very shortly after that and my

150

00:05:03,350 --> 00:05:00,800

girlfriend had bought me one of these

151

00:05:04,950 --> 00:05:03,360

lights these like because i had sort of

152

00:05:07,270 --> 00:05:04,960

run the idea by her i was thinking about

153

00:05:09,350 --> 00:05:07,280

doing this youtube channel by ufos but

154

00:05:10,710 --> 00:05:09,360

i'm not sure you know it's really weird

155

00:05:11,990 --> 00:05:10,720

i'm an actor i don't want people to

156

00:05:13,909 --> 00:05:12,000

think i'm weird

157

00:05:15,430 --> 00:05:13,919

um and then he walked in and i'm like

158

00:05:16,230 --> 00:05:15,440

okay that's it i'm doing it and i was

159

00:05:18,230 --> 00:05:16,240

like

160

00:05:19,909 --> 00:05:18,240

damn damn all opinions i don't give a

161

00:05:22,230 --> 00:05:19,919

[h__h] anymore and i just went for it

162

00:05:23,270 --> 00:05:22,240

so i took her her light i got a couple

163

00:05:25,430 --> 00:05:23,280

of microphones

164

00:05:27,189 --> 00:05:25,440

uh and i started inviting my active

165

00:05:28,390 --> 00:05:27,199

friends to talk about this that had no

166

00:05:31,510 --> 00:05:28,400

idea about the ufo

167

00:05:31,909 --> 00:05:31,520

topic and um and that stopped real quick

168

00:05:35,749 --> 00:05:31,919

because

169

00:05:38,950 --> 00:05:35,759

show really was

170

00:05:39,350 --> 00:05:38,960

focused on i really liked because i'm an

171

00:05:41,830 --> 00:05:39,360

actor

172

00:05:44,150 --> 00:05:41,840

i'm in production i've made movies i've

173

00:05:45,590 --> 00:05:44,160

had i know how to edit all that stuff

174

00:05:47,430 --> 00:05:45,600

post-production stuff and in front of

175

00:05:51,350 --> 00:05:47,440

the camera stuff and

176
00:05:53,189 --> 00:05:51,360
um the the

177
00:05:55,270 --> 00:05:53,199
the point of my show was to go over

178
00:05:57,270 --> 00:05:55,280
television shows and movies

179
00:05:58,790 --> 00:05:57,280
that had to do with the ufo topic so we

180
00:06:00,710 --> 00:05:58,800
were gonna review them

181
00:06:02,629 --> 00:06:00,720
watch them review them recommend them

182
00:06:03,430 --> 00:06:02,639
give them a score i mean we do these

183
00:06:06,629 --> 00:06:03,440
things with

184
00:06:07,909 --> 00:06:06,639
movies television video games uh but

185
00:06:10,710 --> 00:06:07,919
nobody's out there

186
00:06:12,150 --> 00:06:10,720
you know reviewing all of these movies

187
00:06:13,830 --> 00:06:12,160
and films that have to do with this

188
00:06:16,950 --> 00:06:13,840

topic and so that's what i

189

00:06:18,710 --> 00:06:16,960

focused on for a lot of you know that's

190

00:06:21,749 --> 00:06:18,720

how i grew the channel

191

00:06:22,950 --> 00:06:21,759

and then in late december i asked martin

192

00:06:26,230 --> 00:06:22,960

willis

193

00:06:27,990 --> 00:06:26,240

um a ufo podcaster guy's been doing this

194

00:06:31,990 --> 00:06:28,000

thing for a long time

195

00:06:33,510 --> 00:06:32,000

yeah yeah it's a great show i had him i

196

00:06:36,150 --> 00:06:33,520

i asked him to come on my show he said

197

00:06:38,150 --> 00:06:36,160

yes which freaked me out

198

00:06:40,390 --> 00:06:38,160

and and then that sort of inspired me to

199

00:06:43,270 --> 00:06:40,400

start asking other people on

200

00:06:44,629 --> 00:06:43,280

and then as i was doing this you know

201
00:06:45,909 --> 00:06:44,639
this sort of leads into the big phone

202
00:06:47,110 --> 00:06:45,919
home story sorry if this is a

203
00:06:49,749 --> 00:06:47,120
long-winded answer

204
00:06:50,390 --> 00:06:49,759
no no no i'm trying to watch this whole

205
00:06:52,550 --> 00:06:50,400
thing

206
00:06:54,870 --> 00:06:52,560
uh in the process of doing these

207
00:06:56,309 --> 00:06:54,880
interviews i and watching a lot of shows

208
00:06:57,670 --> 00:06:56,319
you know watching a lot of podcasts

209
00:06:58,790 --> 00:06:57,680
listening to a lot of shows and things

210
00:07:01,189 --> 00:06:58,800
like that

211
00:07:03,029 --> 00:07:01,199
um i i started to you know i would hear

212
00:07:04,230 --> 00:07:03,039
this message you know if you want things

213
00:07:07,589 --> 00:07:04,240

to change

214

00:07:10,710 --> 00:07:07,599

representatives but there was never

215

00:07:12,870 --> 00:07:10,720

a link there was never you know a way

216

00:07:13,749 --> 00:07:12,880

or or what to ask for or how to talk

217

00:07:16,950 --> 00:07:13,759

about it

218

00:07:19,350 --> 00:07:16,960

um and it's it's been you know

219

00:07:20,469 --> 00:07:19,360

it was like well [h__\h] man i think that's

220

00:07:22,230 --> 00:07:20,479

an important message

221

00:07:23,749 --> 00:07:22,240

and then it's a message that i started

222

00:07:26,790 --> 00:07:23,759

putting at the end of my show

223

00:07:29,270 --> 00:07:26,800

every time but then i was and then

224

00:07:31,029 --> 00:07:29,280

right before i i spoke to alejandro

225

00:07:32,790 --> 00:07:31,039

rojas he was like the second or third

226

00:07:35,749 --> 00:07:32,800

guest on my show

227

00:07:36,150 --> 00:07:35,759

um i came up with this idea i'm like

228

00:07:40,629 --> 00:07:36,160

dude

229

00:07:42,469 --> 00:07:40,639

what if i asked alejandro rojas

230

00:07:43,670 --> 00:07:42,479

if he would want to call congress with

231

00:07:46,710 --> 00:07:43,680

me

232

00:07:48,710 --> 00:07:46,720

on a tv on a on a live stream

233

00:07:49,909 --> 00:07:48,720

and we we just you know we try to

234

00:07:51,350 --> 00:07:49,919

encourage people to call congress

235

00:07:53,350 --> 00:07:51,360

because he's got a huge following

236

00:07:54,869 --> 00:07:53,360

and i'm like you know like that and then

237

00:07:55,830 --> 00:07:54,879

that sort of started spiraling into this

238

00:07:58,309 --> 00:07:55,840

thing like

239

00:07:59,110 --> 00:07:58,319

well how can i get other people to maybe

240

00:08:01,430 --> 00:07:59,120

you know

241

00:08:02,150 --> 00:08:01,440

talk about this because no one's going

242

00:08:03,990 --> 00:08:02,160

to argue

243

00:08:05,350 --> 00:08:04,000

no this is a bad idea we shouldn't ask

244

00:08:06,710 --> 00:08:05,360

for more information why should we ask

245

00:08:09,110 --> 00:08:06,720

our government for more

246

00:08:10,950 --> 00:08:09,120

like who's going to argue for everything

247

00:08:12,710 --> 00:08:10,960

else we do it for every single thing

248

00:08:13,510 --> 00:08:12,720

else and this is you know this is a

249

00:08:17,029 --> 00:08:13,520

topic

250

00:08:17,830 --> 00:08:17,039

that is now especially really hitting

251
00:08:20,469 --> 00:08:17,840
close to home

252
00:08:22,710 --> 00:08:20,479
with the government you know like the

253
00:08:24,469 --> 00:08:22,720
navy is talking about it the pentagon

254
00:08:28,070 --> 00:08:24,479
the department of justice

255
00:08:30,629 --> 00:08:28,080
former you know uh cia officials

256
00:08:32,230 --> 00:08:30,639
department of national intelligence uh

257
00:08:35,430 --> 00:08:32,240
like the list goes on and on

258
00:08:37,670 --> 00:08:35,440
senator marco rubio it's it's really the

259
00:08:39,430 --> 00:08:37,680
you can see it's exciting because you

260
00:08:41,509 --> 00:08:39,440
could see the political wings

261
00:08:43,190 --> 00:08:41,519
the winds changing right before your

262
00:08:46,070 --> 00:08:43,200
eyes and so

263
00:08:48,070 --> 00:08:46,080

it's like this is a golden opportunity

264

00:08:49,509 --> 00:08:48,080

to try and galvanize

265

00:08:51,110 --> 00:08:49,519

a lot of these people that are just

266

00:08:52,230 --> 00:08:51,120

yelling at each other about theories and

267

00:08:55,269 --> 00:08:52,240

nobody has any

268

00:08:57,990 --> 00:08:55,279

clue or definitive answers on and start

269

00:08:58,870 --> 00:08:58,000

taking and start coming together on the

270

00:09:02,150 --> 00:08:58,880

common ground

271

00:09:03,509 --> 00:09:02,160

that the government has more information

272

00:09:05,670 --> 00:09:03,519

about this topic

273

00:09:07,350 --> 00:09:05,680

so instead of pointing out to each other

274

00:09:10,310 --> 00:09:07,360

let's start pointing upwards

275

00:09:13,110 --> 00:09:10,320

let's start asking the people we put in

276

00:09:16,310 --> 00:09:13,120

those seats of power to represent us

277

00:09:17,910 --> 00:09:16,320

as and and start demanding more out of

278

00:09:21,670 --> 00:09:17,920

them more transparency

279

00:09:24,550 --> 00:09:21,680

more data more information more dialogue

280

00:09:25,350 --> 00:09:24,560

less taboo and less stigma like these

281

00:09:27,350 --> 00:09:25,360

are the things

282

00:09:28,790 --> 00:09:27,360

we're we're aiming for in this in this

283

00:09:30,710 --> 00:09:28,800

movie and so that's how it

284

00:09:33,030 --> 00:09:30,720

it started basically i started inviting

285

00:09:35,110 --> 00:09:33,040

all of the people that i was talking to

286

00:09:36,550 --> 00:09:35,120

hey would you is this a crazy idea is

287

00:09:38,070 --> 00:09:36,560

this weird

288

00:09:39,829 --> 00:09:38,080

uh you know i pitched this idea and

289

00:09:41,430 --> 00:09:39,839

they'd be like no that's great i'm like

290

00:09:42,389 --> 00:09:41,440

i'm calling it the big phone home what

291

00:09:44,470 --> 00:09:42,399

do you think

292

00:09:46,870 --> 00:09:44,480

fantastic would you want to do something

293

00:09:51,430 --> 00:09:46,880

like this yep

294

00:09:55,030 --> 00:09:54,710

you know so like it's it's it's an idea

295

00:09:58,630 --> 00:09:55,040

who

296

00:10:00,870 --> 00:09:58,640

like it's

297

00:10:01,910 --> 00:10:00,880

it's it's look in the maritime it's gut

298

00:10:03,829 --> 00:10:01,920

check time

299

00:10:05,030 --> 00:10:03,839

do you or do you not want more

300

00:10:06,550 --> 00:10:05,040

information

301
00:10:08,150 --> 00:10:06,560
this is the best way we're gonna do it

302
00:10:10,870 --> 00:10:08,160
because unfortunately you

303
00:10:11,430 --> 00:10:10,880
and me and everyone else in this field

304
00:10:14,870 --> 00:10:11,440
is

305
00:10:15,509 --> 00:10:14,880
on the on the waiting game end we don't

306
00:10:18,230 --> 00:10:15,519
get we

307
00:10:19,430 --> 00:10:18,240
we have no power we have no legislative

308
00:10:22,630 --> 00:10:19,440
uh

309
00:10:23,190 --> 00:10:22,640
um capabilities like the only thing we

310
00:10:26,630 --> 00:10:23,200
have

311
00:10:27,269 --> 00:10:26,640
is a cell phone and the ability to use

312
00:10:28,630 --> 00:10:27,279
this to

313
00:10:31,350 --> 00:10:28,640

call your local and state

314

00:10:33,269 --> 00:10:31,360

representatives

315

00:10:34,710 --> 00:10:33,279

yeah absolutely i got that i got the big

316

00:10:37,110 --> 00:10:34,720

phone on there yeah

317

00:10:39,430 --> 00:10:37,120

you know like that's such a good point

318

00:10:41,430 --> 00:10:39,440

man um i'll just jump in and say like

319

00:10:42,630 --> 00:10:41,440

you're so right because so many people

320

00:10:45,030 --> 00:10:42,640

in this ufo

321

00:10:46,389 --> 00:10:45,040

community or whatnot for decades have

322

00:10:48,870 --> 00:10:46,399

been you know

323

00:10:51,190 --> 00:10:48,880

hounding the government for information

324

00:10:51,910 --> 00:10:51,200

and and demanding answers and that's not

325

00:10:54,790 --> 00:10:51,920

how

326

00:10:56,470 --> 00:10:54,800

you do things you have to be you have to

327

00:10:58,630 --> 00:10:56,480

start something from the ground up

328

00:10:59,590 --> 00:10:58,640

like you have and you have to come

329

00:11:01,350 --> 00:10:59,600

together

330

00:11:03,110 --> 00:11:01,360

and put the pressure on him instead of

331

00:11:05,590 --> 00:11:03,120

saying you're the bad guy

332

00:11:06,150 --> 00:11:05,600

you need to give us this it's all right

333

00:11:07,750 --> 00:11:06,160

um

334

00:11:10,230 --> 00:11:07,760

and like with the big phone home this

335

00:11:11,110 --> 00:11:10,240

isn't about saying hey government you're

336

00:11:13,030 --> 00:11:11,120

lying

337

00:11:14,710 --> 00:11:13,040

it's about trying to open a dialogue

338

00:11:15,590 --> 00:11:14,720

with them about a topic that a lot of

339

00:11:17,990 --> 00:11:15,600

them probably

340

00:11:19,110 --> 00:11:18,000

never think about but when they see this

341

00:11:21,590 --> 00:11:19,120

when they hear about it

342

00:11:23,430 --> 00:11:21,600

and they see that the uh you know that

343

00:11:26,630 --> 00:11:23,440

congress and the sc

344

00:11:29,910 --> 00:11:26,640

uh sci the senate intelligence committee

345

00:11:30,949 --> 00:11:29,920

is interested in it um that turns some

346

00:11:34,150 --> 00:11:30,959

heads and

347

00:11:36,069 --> 00:11:34,160

perk smears i'm sure like oh ufos okay

348

00:11:37,829 --> 00:11:36,079

what might i have to contribute to that

349

00:11:39,670 --> 00:11:37,839

yeah no and i'm glad you bring that up

350

00:11:41,590 --> 00:11:39,680

you know and it's um

351
00:11:43,350 --> 00:11:41,600
it's part of the reason why we're doing

352
00:11:44,710 --> 00:11:43,360
this on the weekend first of all more

353
00:11:47,030 --> 00:11:44,720
people are available

354
00:11:48,310 --> 00:11:47,040
but this isn't an issue where people

355
00:11:51,509 --> 00:11:48,320
should be angry

356
00:11:52,710 --> 00:11:51,519
nobody lost their mother to you know the

357
00:11:55,190 --> 00:11:52,720
lack of uap

358
00:11:56,629 --> 00:11:55,200
data you know nobody lost a loved one

359
00:11:58,389 --> 00:11:56,639
because you know

360
00:12:00,230 --> 00:11:58,399
there wasn't a good enough picture of a

361
00:12:02,790 --> 00:12:00,240
ufo like

362
00:12:03,350 --> 00:12:02,800
that we need to step back and realize

363
00:12:06,230 --> 00:12:03,360

that we're

364

00:12:06,790 --> 00:12:06,240

winning on this information we are

365

00:12:09,990 --> 00:12:06,800

winning

366

00:12:11,829 --> 00:12:10,000

slow

367

00:12:14,150 --> 00:12:11,839

it's sometimes not as exciting as you

368

00:12:17,590 --> 00:12:14,160

want it to be but that's the process

369

00:12:18,069 --> 00:12:17,600

and i hope to speed up that process even

370

00:12:21,750 --> 00:12:18,079

if it's

371

00:12:24,470 --> 00:12:21,760

first gear to second gear

372

00:12:25,350 --> 00:12:24,480

that's a huge shift in in information

373

00:12:27,829 --> 00:12:25,360

and data

374

00:12:29,430 --> 00:12:27,839

and and that's you know we're not

375

00:12:30,949 --> 00:12:29,440

looking to piss people off we're not

376

00:12:32,629 --> 00:12:30,959

looking to annoy congress

377

00:12:34,629 --> 00:12:32,639

we're not looking to annoy the senate

378

00:12:37,350 --> 00:12:34,639

intelligence committee and and

379

00:12:38,230 --> 00:12:37,360

and the reason and and the things that

380

00:12:40,269 --> 00:12:38,240

we've done

381

00:12:41,829 --> 00:12:40,279

to do that is if you go to

382

00:12:43,110 --> 00:12:41,839

thebigphonehome.com we have a

383

00:12:45,430 --> 00:12:43,120

downloadable

384

00:12:47,110 --> 00:12:45,440

senate and congress list specifically

385

00:12:49,030 --> 00:12:47,120

the senate side of things

386

00:12:50,150 --> 00:12:49,040

that is broken down into one of six

387

00:12:53,509 --> 00:12:50,160

committees that have

388

00:12:54,550 --> 00:12:53,519

direct or indirect knowledge of this uap

389

00:12:57,430 --> 00:12:54,560

phenomenon and

390

00:12:58,230 --> 00:12:57,440

those are the people you really should

391

00:13:00,790 --> 00:12:58,240

be

392

00:13:01,990 --> 00:13:00,800

targeting when you when you request this

393

00:13:05,350 --> 00:13:02,000

information

394

00:13:08,550 --> 00:13:05,360

we have a script on that website

395

00:13:11,590 --> 00:13:08,560

and i will also say that

396

00:13:14,230 --> 00:13:11,600

um if this website is just

397

00:13:16,069 --> 00:13:14,240

too it's it's like you it's not that you

398

00:13:18,710 --> 00:13:16,079

got to do a ton of work it's just

399

00:13:20,069 --> 00:13:18,720

this my website is more personalized the

400

00:13:21,750 --> 00:13:20,079

reason why it's important that you

401
00:13:24,550 --> 00:13:21,760
personalize these requests

402
00:13:25,269 --> 00:13:24,560
is because there's ai that filters out

403
00:13:27,829 --> 00:13:25,279
requests

404
00:13:28,629 --> 00:13:27,839
that repeat themselves but if you're a

405
00:13:30,629 --> 00:13:28,639
working mother

406
00:13:32,069 --> 00:13:30,639
if you're a father or you know you don't

407
00:13:35,269 --> 00:13:32,079
have a lot of time in your hands

408
00:13:36,470 --> 00:13:35,279
i also recommend james fox made an

409
00:13:39,670 --> 00:13:36,480
amazing website

410
00:13:39,990 --> 00:13:39,680
called jp act now and you can request

411
00:13:42,870 --> 00:13:40,000
the

412
00:13:45,189 --> 00:13:42,880
exact same data and information uh

413
00:13:48,629 --> 00:13:45,199

through that website in a much faster

414

00:13:50,550 --> 00:13:48,639

much more convenient way um uh

415

00:13:51,990 --> 00:13:50,560

you know it's just it might the only

416

00:13:53,189 --> 00:13:52,000

thing i say it just might get filtered

417

00:13:55,670 --> 00:13:53,199

out you know but it's

418

00:13:56,389 --> 00:13:55,680

it do it if you don't have the time go

419

00:13:58,069 --> 00:13:56,399

for it

420

00:13:59,910 --> 00:13:58,079

um all we're asking for is you put in

421

00:14:01,670 --> 00:13:59,920

the effort because the more people that

422

00:14:03,189 --> 00:14:01,680

ask the more people the more mentions

423

00:14:04,710 --> 00:14:03,199

they see in the twitter feed

424

00:14:06,629 --> 00:14:04,720

the more they're gonna have to address

425

00:14:07,829 --> 00:14:06,639

this and start really having the

426

00:14:11,110 --> 00:14:07,839

conversation

427

00:14:13,110 --> 00:14:11,120

so yeah yeah man it's it's so it's so

428

00:14:15,030 --> 00:14:13,120

invigorating and i mean this isn't just

429

00:14:18,069 --> 00:14:15,040

in the united states you know why

430

00:14:21,269 --> 00:14:18,079

a lot of this topic is being focused on

431

00:14:23,829 --> 00:14:21,279

the us government the u.s navy um

432

00:14:25,030 --> 00:14:23,839

you know this bill excuse me this report

433

00:14:29,110 --> 00:14:25,040

that is due

434

00:14:31,590 --> 00:14:29,120

in i don't know now sometime june 25th

435

00:14:33,110 --> 00:14:31,600

uh where you know that we're supposed to

436

00:14:34,069 --> 00:14:33,120

get some stuff in the public about what

437

00:14:36,310 --> 00:14:34,079

the uap

438

00:14:37,350 --> 00:14:36,320

ufo task force yeah has been looking at

439

00:14:40,870 --> 00:14:37,360

what we get we

440

00:14:43,350 --> 00:14:40,880

probably we i can't even well i got it

441

00:14:44,310 --> 00:14:43,360

i'm gonna tell you i know we know where

442

00:14:46,629 --> 00:14:44,320

we're gonna get

443

00:14:49,189 --> 00:14:46,639

it's going to be delayed we know this

444

00:14:50,230 --> 00:14:49,199

because senator marco rubio has publicly

445

00:14:52,230 --> 00:14:50,240

stated that

446

00:14:54,069 --> 00:14:52,240

and because we and and look this is

447

00:14:56,629 --> 00:14:54,079

something that has been said

448

00:14:58,550 --> 00:14:56,639

all throughout this 180-day deadline is

449

00:14:59,910 --> 00:14:58,560

there could be a delay it doesn't sound

450

00:15:01,829 --> 00:14:59,920

like they're really putting their [h__h]

451
00:15:03,829 --> 00:15:01,839
you know together right like there's

452
00:15:05,189 --> 00:15:03,839
like you could tell like the writing's

453
00:15:06,230 --> 00:15:05,199
on the wall they're not taking it

454
00:15:09,030 --> 00:15:06,240
seriously enough

455
00:15:11,910 --> 00:15:09,040
so that's why we're asking for an

456
00:15:14,389 --> 00:15:11,920
extension of an additional 180 days and

457
00:15:17,590 --> 00:15:14,399
in the meantime

458
00:15:18,550 --> 00:15:17,600
preliminary report and we also are

459
00:15:21,030 --> 00:15:18,560
requesting

460
00:15:21,829 --> 00:15:21,040
a yearly report we want to see this

461
00:15:24,389 --> 00:15:21,839
every year

462
00:15:25,269 --> 00:15:24,399
we need we need data we need scientists

463
00:15:28,470 --> 00:15:25,279

looking at this

464

00:15:30,790 --> 00:15:28,480

we need an open source um approach

465

00:15:32,949 --> 00:15:30,800

to how this data is deciphered and

466

00:15:35,189 --> 00:15:32,959

shared

467

00:15:37,189 --> 00:15:35,199

right exactly i know this can't be a

468

00:15:39,269 --> 00:15:37,199

one-time thing because we know

469

00:15:40,710 --> 00:15:39,279

the delays are going to keep happening

470

00:15:42,069 --> 00:15:40,720

and then we're just gonna get one

471

00:15:44,230 --> 00:15:42,079

half-assed thing

472

00:15:46,629 --> 00:15:44,240

and then the pressure's off and they

473

00:15:47,829 --> 00:15:46,639

move on we have to put that pressure on

474

00:15:49,430 --> 00:15:47,839

the government or else

475

00:15:51,350 --> 00:15:49,440

it's just gonna keep going down that

476

00:15:53,430 --> 00:15:51,360

rabbit hole of classified information

477

00:15:54,790 --> 00:15:53,440

which is understandable none of us are

478

00:15:57,110 --> 00:15:54,800

saying yo give us

479

00:15:57,990 --> 00:15:57,120

what you've got um we want everything

480

00:16:00,790 --> 00:15:58,000

classified

481

00:16:01,590 --> 00:16:00,800

give it to us we deserve no um we don't

482

00:16:02,949 --> 00:16:01,600

i'm sorry

483

00:16:04,949 --> 00:16:02,959

that's just not how the way national

484

00:16:05,350 --> 00:16:04,959

yeah it's just not you're not gonna get

485

00:16:07,749 --> 00:16:05,360

that

486

00:16:08,389 --> 00:16:07,759

and and also where you know just to just

487

00:16:10,629 --> 00:16:08,399

you know

488

00:16:12,150 --> 00:16:10,639

it's also important that if you decide

489

00:16:14,310 --> 00:16:12,160

you're going to do this

490

00:16:15,430 --> 00:16:14,320

keep your personal stuff out of it like

491

00:16:17,189 --> 00:16:15,440

we don't want to get

492

00:16:18,949 --> 00:16:17,199

into personal stories when we make these

493

00:16:20,790 --> 00:16:18,959

requests not that they're not important

494

00:16:22,069 --> 00:16:20,800

not that they're not valid i have one of

495

00:16:23,829 --> 00:16:22,079

my own um

496

00:16:26,069 --> 00:16:23,839

but they don't want to hear about that

497

00:16:28,870 --> 00:16:26,079

you know we need to keep this as

498

00:16:31,189 --> 00:16:28,880

formal and as professional as possible

499

00:16:33,189 --> 00:16:31,199

this is not storm area 51

500

00:16:35,189 --> 00:16:33,199

we're not we're not asking them to show

501
00:16:35,990 --> 00:16:35,199
us the aliens we're not expecting alien

502
00:16:39,590 --> 00:16:36,000
bodies or

503
00:16:41,829 --> 00:16:39,600
you know a craft we want data

504
00:16:44,310 --> 00:16:41,839
hard data points radar tracking

505
00:16:46,870 --> 00:16:44,320
information coupled like i would love

506
00:16:49,269 --> 00:16:46,880
it would be killer if this if those

507
00:16:50,069 --> 00:16:49,279
three videos that they released in 2017

508
00:16:52,150 --> 00:16:50,079
or that became

509
00:16:53,829 --> 00:16:52,160
public however you want to word it some

510
00:16:55,350 --> 00:16:53,839
people get really hung up on the wording

511
00:16:58,069 --> 00:16:55,360
of that

512
00:16:59,269 --> 00:16:58,079
when they became part of the zeitgeist

513
00:17:02,870 --> 00:16:59,279

um

514

00:17:03,670 --> 00:17:02,880

that really opened the door for a lot of

515

00:17:09,029 --> 00:17:03,680

things

516

00:17:10,549 --> 00:17:09,039

open for science to really take a look

517

00:17:12,069 --> 00:17:10,559

at this like this is an important

518

00:17:13,510 --> 00:17:12,079

discussion that we need to have it's

519

00:17:15,189 --> 00:17:13,520

this important national security

520

00:17:18,309 --> 00:17:15,199

discussion that we need to have

521

00:17:18,949 --> 00:17:18,319

and and it's also we need to take the

522

00:17:21,829 --> 00:17:18,959

stigma

523

00:17:22,549 --> 00:17:21,839

out of this topic because as you we can

524

00:17:25,110 --> 00:17:22,559

see

525

00:17:26,549 --> 00:17:25,120

we're hearing about swarms of drones

526
00:17:28,870 --> 00:17:26,559
over our

527
00:17:29,590 --> 00:17:28,880
sensitive nuclear sites and military

528
00:17:32,310 --> 00:17:29,600
bases

529
00:17:33,190 --> 00:17:32,320
and these things in a lot of cases are

530
00:17:36,390 --> 00:17:33,200
turning out to be

531
00:17:38,870 --> 00:17:36,400
chinese and russian tech spying on us

532
00:17:40,070 --> 00:17:38,880
like it's a problem and because the

533
00:17:43,110 --> 00:17:40,080
stigma is so

534
00:17:43,990 --> 00:17:43,120
bad when pilots or military personnel

535
00:17:45,430 --> 00:17:44,000
see these things

536
00:17:47,029 --> 00:17:45,440
they don't report it because they don't

537
00:17:49,750 --> 00:17:47,039
want to look like an idiot

538
00:17:51,590 --> 00:17:49,760

that's an issue like that's that's a way

539

00:17:53,990 --> 00:17:51,600

to approach a congressman

540

00:17:56,150 --> 00:17:54,000

like that's a request that that's a way

541

00:17:58,470 --> 00:17:56,160

you should preface any requests

542

00:18:00,630 --> 00:17:58,480

like and if you got to send 15 tweets in

543

00:18:03,510 --> 00:18:00,640

a room to get your message across

544

00:18:05,990 --> 00:18:03,520

do it do it and use the hashtag the big

545

00:18:08,070 --> 00:18:06,000

phone home use the hashtag uapag now and

546

00:18:09,909 --> 00:18:08,080

use the hashtag nuapsecrecy

547

00:18:11,750 --> 00:18:09,919

because that represents the uk effort of

548

00:18:15,590 --> 00:18:11,760

things this is not just a united states

549

00:18:17,350 --> 00:18:15,600

issue this is a worldwide

550

00:18:18,950 --> 00:18:17,360

what are the other organizations that

551

00:18:22,470 --> 00:18:18,960

have kind of um

552

00:18:24,230 --> 00:18:22,480

joined up here we have a lot

553

00:18:26,070 --> 00:18:24,240

um i don't have a list in front of me

554

00:18:28,789 --> 00:18:26,080

but uap media uk

555

00:18:30,950 --> 00:18:28,799

is a big uh side of things on the

556

00:18:32,470 --> 00:18:30,960

european effort also a gentleman by the

557

00:18:34,789 --> 00:18:32,480

name of strafe wilson

558

00:18:35,750 --> 00:18:34,799

um he's helped me a lot with with

559

00:18:37,909 --> 00:18:35,760

putting in

560

00:18:39,110 --> 00:18:37,919

into just putting my name and the

561

00:18:41,510 --> 00:18:39,120

information out there

562

00:18:44,230 --> 00:18:41,520

on that side of the world you know in

563

00:18:46,870 --> 00:18:44,240

french and portuguese and spanish and

564

00:18:48,470 --> 00:18:46,880

italian like i don't know any of the

565

00:18:49,990 --> 00:18:48,480

things that are being said but i'm like

566

00:18:50,870 --> 00:18:50,000

i see the big phone home in there

567

00:18:53,909 --> 00:18:50,880

somewhere and i'm like

568

00:18:58,310 --> 00:18:53,919

awesome you know um you know it's

569

00:19:01,510 --> 00:18:58,320

these guys andy or uh andy um

570

00:19:03,510 --> 00:19:01,520

uh mcgrillen dan zetterstrom you know

571

00:19:06,870 --> 00:19:03,520

uh dave partridge from shadows of your

572

00:19:10,390 --> 00:19:06,880

mind magazine all of these guys are like

573

00:19:11,590 --> 00:19:10,400

gun hoe ready to rock

574

00:19:14,150 --> 00:19:11,600

you know they're like this is a

575

00:19:17,430 --> 00:19:14,160

fantastic idea i had never heard about

576

00:19:18,150 --> 00:19:17,440

the ua and uap secrecy uh hashtag or

577

00:19:20,470 --> 00:19:18,160

movement

578

00:19:22,630 --> 00:19:20,480

and it just they marry together

579

00:19:25,190 --> 00:19:22,640

perfectly it's basically the same thing

580

00:19:26,390 --> 00:19:25,200

it's just our uk brother brethren and

581

00:19:28,310 --> 00:19:26,400

sisters over there

582

00:19:29,830 --> 00:19:28,320

across the other side of the pond and

583

00:19:31,270 --> 00:19:29,840

and they're gonna reach out to their

584

00:19:33,190 --> 00:19:31,280

parliament members they're gonna

585

00:19:34,789 --> 00:19:33,200

they're gonna use our scripts you know

586

00:19:35,990 --> 00:19:34,799

they're gonna they're gonna do the exact

587

00:19:38,230 --> 00:19:36,000

same thing we're doing now

588

00:19:39,029 --> 00:19:38,240

from what i hear over there it's a it's

589

00:19:44,070 --> 00:19:39,039

very you know

590

00:19:44,630 --> 00:19:44,080

talking about that that's a silly thing

591

00:19:46,310 --> 00:19:44,640

and

592

00:19:48,230 --> 00:19:46,320

you know they don't even want to have

593

00:19:50,150 --> 00:19:48,240

the discussion so i feel like i'm from

594

00:19:52,789 --> 00:19:50,160

that side but if they see

595

00:19:54,230 --> 00:19:52,799

the united states leading in a very

596

00:19:57,590 --> 00:19:54,240

mature

597

00:19:59,590 --> 00:19:57,600

responsible way on this on this issue

598

00:20:01,110 --> 00:19:59,600

i think you'll see you know a british

599

00:20:03,270 --> 00:20:01,120

parliament fall in line and go

600

00:20:05,350 --> 00:20:03,280

okay maybe we can have this discussion a

601
00:20:06,070 --> 00:20:05,360
little bit you know maybe maybe this is

602
00:20:09,669 --> 00:20:06,080
okay to talk

603
00:20:12,710 --> 00:20:09,679
about it's not it's not

604
00:20:14,070 --> 00:20:12,720
magic anymore like if especially if you

605
00:20:16,230 --> 00:20:14,080
look on the scientific

606
00:20:17,270 --> 00:20:16,240
side of things like the smaller we get

607
00:20:19,909 --> 00:20:17,280
the weirder

608
00:20:20,390 --> 00:20:19,919
science gets it seems to be almost clear

609
00:20:22,470 --> 00:20:20,400
that

610
00:20:25,350 --> 00:20:22,480
there's a there's another level to

611
00:20:28,310 --> 00:20:25,360
physics that we just haven't

612
00:20:29,669 --> 00:20:28,320
haven't found yet and why can't we have

613
00:20:32,310 --> 00:20:29,679

this conversation

614

00:20:33,110 --> 00:20:32,320

that's it you know that's it and if this

615

00:20:35,350 --> 00:20:33,120

turns out sorry

616

00:20:36,710 --> 00:20:35,360

brian if this turns out to be like a one

617

00:20:39,909 --> 00:20:36,720

of those like

618

00:20:41,669 --> 00:20:39,919

lost physics phenomena that is like

619

00:20:43,029 --> 00:20:41,679

the equivalent of an earthquake or

620

00:20:46,549 --> 00:20:43,039

lightning was

621

00:20:50,149 --> 00:20:46,559

500 years ago great

622

00:20:52,950 --> 00:20:50,159

awesome we have an answer or at least

623

00:20:53,590 --> 00:20:52,960

part of an answer like that shouldn't

624

00:20:56,549 --> 00:20:53,600

upset

625

00:20:57,270 --> 00:20:56,559

anybody like that should excite people

626

00:20:59,430 --> 00:20:57,280

so

627

00:21:01,270 --> 00:20:59,440

you know get get excited man get

628

00:21:03,909 --> 00:21:01,280

motivated activate yourself

629

00:21:04,630 --> 00:21:03,919

ask for more this isn't about little

630

00:21:06,870 --> 00:21:04,640

green men

631

00:21:08,630 --> 00:21:06,880

like that's not what i'm here to do

632

00:21:10,149 --> 00:21:08,640

that's not what you're here to do and

633

00:21:12,549 --> 00:21:10,159

so many people interested in the ufo

634

00:21:13,590 --> 00:21:12,559

topic could care less about aliens to be

635

00:21:14,870 --> 00:21:13,600

completely honest

636

00:21:16,789 --> 00:21:14,880

so i think you're right again shedding

637

00:21:19,350 --> 00:21:16,799

that ridicule factor uh

638

00:21:19,990 --> 00:21:19,360

figuring out what these ufos are or

639

00:21:23,110 --> 00:21:20,000

aren't

640

00:21:24,310 --> 00:21:23,120

um the the technology is a big thing and

641

00:21:26,070 --> 00:21:24,320

i think you're right i mean

642

00:21:28,070 --> 00:21:26,080

there's another organization we should

643

00:21:31,990 --> 00:21:28,080

mention the scientific coalition

644

00:21:34,070 --> 00:21:32,000

for uap studies the scu a lot of members

645

00:21:35,430 --> 00:21:34,080

oh my god it's amazing they have so many

646

00:21:38,149 --> 00:21:35,440

phds

647

00:21:39,830 --> 00:21:38,159

and um scientists that want to work with

648

00:21:41,350 --> 00:21:39,840

the pentagon it's like okay

649

00:21:43,110 --> 00:21:41,360

you've got this pentagon task force

650

00:21:45,350 --> 00:21:43,120

looking at ufos uh

651
00:21:46,149 --> 00:21:45,360
reports from that task force photos

652
00:21:49,190 --> 00:21:46,159
videos

653
00:21:49,990 --> 00:21:49,200
have uh allegedly been leaked from that

654
00:21:51,590 --> 00:21:50,000
organization

655
00:21:53,590 --> 00:21:51,600
and they don't know what they're looking

656
00:21:56,230 --> 00:21:53,600
at but guess what you've got

657
00:21:57,110 --> 00:21:56,240
30 phd scientists outside of the

658
00:21:59,590 --> 00:21:57,120
pentagon

659
00:22:01,270 --> 00:21:59,600
who could possibly help you and give you

660
00:22:03,669 --> 00:22:01,280
answers so why not

661
00:22:04,390 --> 00:22:03,679
so they're petitioning congress as well

662
00:22:07,190 --> 00:22:04,400
with this

663
00:22:08,390 --> 00:22:07,200

amazing list of individuals who say let

664

00:22:10,789 --> 00:22:08,400

us work with you

665

00:22:12,070 --> 00:22:10,799

to figure this out like stop being so

666

00:22:13,830 --> 00:22:12,080

cagey [h__h] national

667

00:22:15,669 --> 00:22:13,840

security we get it but let's at least

668

00:22:16,149 --> 00:22:15,679

try to understand the technology we're

669

00:22:17,909 --> 00:22:16,159

seeing

670

00:22:19,669 --> 00:22:17,919

yeah well here's the really cool thing

671

00:22:20,390 --> 00:22:19,679

about that is i had a conversation with

672

00:22:22,470 --> 00:22:20,400

robert powell

673

00:22:24,470 --> 00:22:22,480

on my channel and uh by the way the

674

00:22:26,070 --> 00:22:24,480

unidentified celebrityreview.com if i

675

00:22:29,190 --> 00:22:26,080

haven't said it go check it out

676

00:22:31,110 --> 00:22:29,200

um and and we came up with a really

677

00:22:33,270 --> 00:22:31,120

cool at least in talking to him i came

678

00:22:35,430 --> 00:22:33,280

up with another i think great idea

679

00:22:36,710 --> 00:22:35,440

but it's not a request that we i don't

680

00:22:38,230 --> 00:22:36,720

think we can make this year

681

00:22:40,070 --> 00:22:38,240

here's the bummer about this year's

682

00:22:41,029 --> 00:22:40,080

phone home is we only had about two and

683

00:22:44,470 --> 00:22:41,039

a half months

684

00:22:46,630 --> 00:22:44,480

if that to organize all of this we had

685

00:22:49,750 --> 00:22:46,640

absolutely no time i had to find a date

686

00:22:52,870 --> 00:22:49,760

between this 180-day due date report

687

00:22:54,470 --> 00:22:52,880

and uh and you know and between when i

688

00:22:56,310 --> 00:22:54,480

first thought of the idea so that way it

689

00:22:58,789 --> 00:22:56,320

gives enough time for the government to

690

00:23:02,549 --> 00:22:58,799

actually react to these requests

691

00:23:05,590 --> 00:23:02,559

um and in in that process

692

00:23:07,909 --> 00:23:05,600

i was talking to robert powell and i

693

00:23:08,470 --> 00:23:07,919

think it would be great if next year

694

00:23:12,950 --> 00:23:08,480

instead

695

00:23:16,390 --> 00:23:12,960

spend there's pork

696

00:23:19,510 --> 00:23:16,400

pork pork belly spending in our budget

697

00:23:20,710 --> 00:23:19,520

and the eight tip program is pork belly

698

00:23:27,110 --> 00:23:20,720

spending

699

00:23:27,990 --> 00:23:27,120

for a five-year program on pork belly

700

00:23:30,390 --> 00:23:28,000

spending that

701
00:23:32,310 --> 00:23:30,400
no other scientists get to see the data

702
00:23:35,750 --> 00:23:32,320
it can't be open sourced

703
00:23:37,350 --> 00:23:35,760
it's um it's classified for whatever

704
00:23:39,430 --> 00:23:37,360
multitude of reasons

705
00:23:40,390 --> 00:23:39,440
why don't we take that 22 million

706
00:23:43,990 --> 00:23:40,400
dollars

707
00:23:47,110 --> 00:23:44,000
and give grants to the scu to buy

708
00:23:49,029 --> 00:23:47,120
15 sky hubs and give them to different

709
00:23:51,029 --> 00:23:49,039
phds around the country

710
00:23:52,070 --> 00:23:51,039
and let's start gathering the data

711
00:23:53,990 --> 00:23:52,080
ourselves

712
00:23:55,110 --> 00:23:54,000
so that way there's no there's no

713
00:23:57,990 --> 00:23:55,120

[h__h] there's no

714

00:24:00,310 --> 00:23:58,000

there's no oh it's classified and and we

715

00:24:00,789 --> 00:24:00,320

don't have to ask for it we can just get

716

00:24:03,990 --> 00:24:00,799

it

717

00:24:05,750 --> 00:24:04,000

and you can give you know i i don't a

718

00:24:08,390 --> 00:24:05,760

sky hub unit is like

719

00:24:10,310 --> 00:24:08,400

let's just say on the top end five

720

00:24:13,190 --> 00:24:10,320

thousand dollars and that's like

721

00:24:15,190 --> 00:24:13,200

way more than what it really is give it

722

00:24:15,909 --> 00:24:15,200

to duke give it to harvard give it to

723

00:24:18,149 --> 00:24:15,919

mit

724

00:24:19,909 --> 00:24:18,159

give it to multiple you know let the

725

00:24:23,029 --> 00:24:19,919

kids open it up and

726

00:24:25,990 --> 00:24:23,039

been and and improve the software

727

00:24:27,029 --> 00:24:26,000

like this is a and like lex friedman

728

00:24:30,630 --> 00:24:27,039

says this is

729

00:24:31,830 --> 00:24:30,640

a not only a bipartisan issue this is an

730

00:24:33,990 --> 00:24:31,840

issue that can accret

731

00:24:35,669 --> 00:24:34,000

reach across both aisles because both

732

00:24:36,070 --> 00:24:35,679

aisles are very interested in this

733

00:24:38,149 --> 00:24:36,080

question

734

00:24:40,149 --> 00:24:38,159

don't care who you are you're in

735

00:24:43,590 --> 00:24:40,159

somewhat level interested in this topic

736

00:24:44,870 --> 00:24:43,600

and the second is um well i forgot i

737

00:24:46,950 --> 00:24:44,880

don't even remember

738

00:24:48,950 --> 00:24:46,960

no no no that's such a good point of

739

00:24:49,510 --> 00:24:48,960

what life said and what you came up with

740

00:24:53,669 --> 00:24:49,520

um

741

00:24:56,950 --> 00:24:53,679

i guess you would call it the

742

00:24:59,190 --> 00:24:56,960

conservative mainstream scientific yeah

743

00:25:00,070 --> 00:24:59,200

politically you're right no matter which

744

00:25:03,190 --> 00:25:00,080

aisle you're

745

00:25:05,909 --> 00:25:03,200

on this topic is of interest uh

746

00:25:07,350 --> 00:25:05,919

and we know that you know while maybe

747

00:25:09,830 --> 00:25:07,360

more

748

00:25:10,950 --> 00:25:09,840

right-leaning uh news outlets might

749

00:25:14,070 --> 00:25:10,960

cover it more

750

00:25:16,870 --> 00:25:14,080

uh we know for a fact that is coming

751

00:25:19,029 --> 00:25:16,880

yeah the senator democratic senators

752

00:25:21,830 --> 00:25:19,039

that we know of are very interested

753

00:25:23,590 --> 00:25:21,840

um former presidents who are democrats

754

00:25:26,070 --> 00:25:23,600

were extremely interested

755

00:25:26,710 --> 00:25:26,080

extremely yeah so i think that's a good

756

00:25:28,310 --> 00:25:26,720

point this

757

00:25:29,830 --> 00:25:28,320

this is a topic that brings people

758

00:25:32,630 --> 00:25:29,840

together that passion

759

00:25:34,070 --> 00:25:32,640

we have for answers uh ultimately when

760

00:25:35,269 --> 00:25:34,080

those answers come will outweigh

761

00:25:38,310 --> 00:25:35,279

anything political

762

00:25:40,630 --> 00:25:38,320

ever that there ever was it's also

763

00:25:41,350 --> 00:25:40,640

it's also a win for the government

764

00:25:44,950 --> 00:25:41,360

because it

765

00:25:46,630 --> 00:25:44,960

builds trust between us and our elected

766

00:25:47,510 --> 00:25:46,640

representatives right now there's a huge

767

00:25:49,110 --> 00:25:47,520

trust issue

768

00:25:51,430 --> 00:25:49,120

that's the message that i'm getting from

769

00:25:53,350 --> 00:25:51,440

christopher mellon lou elizondo cahill

770

00:25:54,950 --> 00:25:53,360

all of these guys in interviews and

771

00:25:56,789 --> 00:25:54,960

different things where they speak

772

00:25:58,549 --> 00:25:56,799

there's a trust issue and this

773

00:26:01,350 --> 00:25:58,559

bipartisan issue

774

00:26:03,830 --> 00:26:01,360

can bring us together and start opening

775

00:26:07,029 --> 00:26:03,840

some real dialogue not only here but

776

00:26:07,669 --> 00:26:07,039

across all multitudes of the political

777

00:26:10,789 --> 00:26:07,679

spectrum

778

00:26:13,909 --> 00:26:10,799

like this is the you know man

779

00:26:16,710 --> 00:26:13,919

if there's something to this

780

00:26:17,669 --> 00:26:16,720

it makes all of our [h__\h] on this

781

00:26:20,710 --> 00:26:17,679

blue dot

782

00:26:23,830 --> 00:26:20,720

a lot less relevant um

783

00:26:24,549 --> 00:26:23,840

and it makes it a lot easier to have

784

00:26:28,230 --> 00:26:24,559

dialogue

785

00:26:29,830 --> 00:26:28,240

and fight common ground and man i i

786

00:26:31,750 --> 00:26:29,840

i that's the message we're trying to

787

00:26:32,310 --> 00:26:31,760

pass along but yeah you know like it

788

00:26:35,110 --> 00:26:32,320

would be

789

00:26:37,190 --> 00:26:35,120

so cool if we can get the data ourselves

790

00:26:39,269 --> 00:26:37,200

if we can get 22 million dollars

791

00:26:41,669 --> 00:26:39,279

to get you know how i don't know how

792

00:26:42,310 --> 00:26:41,679

many sky hopes 22 million dollars would

793

00:26:43,990 --> 00:26:42,320

buy

794

00:26:45,590 --> 00:26:44,000

but somebody in the chat please do the

795

00:26:47,909 --> 00:26:45,600

math it's a lot

796

00:26:49,990 --> 00:26:47,919

it's a lie you know and and that would

797

00:26:51,430 --> 00:26:50,000

be killer data

798

00:26:53,350 --> 00:26:51,440

that doesn't put the government in an

799

00:26:56,470 --> 00:26:53,360

awkward position yeah

800

00:26:58,789 --> 00:26:56,480

yeah you know exactly totally um well

801
00:26:59,750 --> 00:26:58,799
let's talk a little about um those

802
00:27:02,149 --> 00:26:59,760
passionate people

803
00:27:03,909 --> 00:27:02,159
who are involved with the big fun home

804
00:27:05,909 --> 00:27:03,919
could you maybe run through

805
00:27:07,510 --> 00:27:05,919
the list i'm gonna put the list back on

806
00:27:09,029 --> 00:27:07,520
here not everyone else

807
00:27:10,950 --> 00:27:09,039
no i don't know what are you most

808
00:27:12,149 --> 00:27:10,960
excited about and yeah give us a little

809
00:27:15,750 --> 00:27:12,159
idea of what we're going to see

810
00:27:20,389 --> 00:27:15,760
on saturday so i will tell you

811
00:27:23,990 --> 00:27:20,399
um we've got some big guests confirmed

812
00:27:26,389 --> 00:27:24,000
and um and i was worried

813
00:27:27,830 --> 00:27:26,399

they were maybe not going to show up you

814

00:27:30,950 --> 00:27:27,840

know because i

815

00:27:33,990 --> 00:27:30,960

we don't i was i was very

816

00:27:37,269 --> 00:27:34,000

very very very careful

817

00:27:40,389 --> 00:27:37,279

in the wording and in the um

818

00:27:43,669 --> 00:27:40,399

the pushing of this information in this

819

00:27:45,750 --> 00:27:43,679

event because i want to attract

820

00:27:47,510 --> 00:27:45,760

you know a christopher bellen a lou

821

00:27:50,470 --> 00:27:47,520

elizondo of uh

822

00:27:52,310 --> 00:27:50,480

a senator marco rubio uh you know

823

00:27:54,070 --> 00:27:52,320

whoever

824

00:27:55,750 --> 00:27:54,080

and so that's why the wording of this

825

00:27:59,510 --> 00:27:55,760

was very careful so in that

826

00:28:01,510 --> 00:27:59,520

effort um i will confirm for you here

827

00:28:02,870 --> 00:28:01,520

one hundred percent louis lazando will

828

00:28:13,110 --> 00:28:02,880

be there

829

00:28:13,510 --> 00:28:13,120

um these are just you know those are the

830

00:28:16,870 --> 00:28:13,520

like

831

00:28:19,830 --> 00:28:16,880

the big big three and i have a feeling

832

00:28:20,870 --> 00:28:19,840

that more gonna come that more gonna

833

00:28:23,830 --> 00:28:20,880

trickle in

834

00:28:25,669 --> 00:28:23,840

more people i see the intention of this

835

00:28:26,870 --> 00:28:25,679

conversation especially with live

836

00:28:29,590 --> 00:28:26,880

streams like this

837

00:28:30,070 --> 00:28:29,600

and now we're only what what is it is it

838

00:28:33,269 --> 00:28:30,080

tuesday

839

00:28:35,669 --> 00:28:33,279

we've we are

840

00:28:37,190 --> 00:28:35,679

wednesday thursday friday saturday we

841

00:28:40,310 --> 00:28:37,200

are four days out

842

00:28:43,430 --> 00:28:40,320

okay like the it's ramping up

843

00:28:44,070 --> 00:28:43,440

it's and and the list is filling out and

844

00:28:46,789 --> 00:28:44,080

man

845

00:28:47,750 --> 00:28:46,799

i'm getting excited i'm getting super

846

00:28:50,710 --> 00:28:47,760

super excited

847

00:28:51,590 --> 00:28:50,720

um as a matter of fact if you want to

848

00:28:53,590 --> 00:28:51,600

know more

849

00:28:54,950 --> 00:28:53,600

we're doing a michael mataloni co-host

850

00:28:56,149 --> 00:28:54,960

who's co-hosting with me and who's in

851
00:28:59,750 --> 00:28:56,159
the chat

852
00:29:01,909 --> 00:28:59,760
we're going to be doing a live stream uh

853
00:29:03,029 --> 00:29:01,919
right after this and i mean i know you

854
00:29:05,350 --> 00:29:03,039
didn't want to go a long time

855
00:29:06,710 --> 00:29:05,360
ryan so i i scheduled it for 5 15. oh

856
00:29:08,310 --> 00:29:06,720
gosh

857
00:29:10,470 --> 00:29:08,320
yeah so we could do it you know we could

858
00:29:13,029 --> 00:29:10,480
push up probably 10 minutes longer

859
00:29:13,510 --> 00:29:13,039
i think streaming let's do it if we go

860
00:29:14,789 --> 00:29:13,520
um

861
00:29:16,630 --> 00:29:14,799
but we're going to be talking about the

862
00:29:17,990 --> 00:29:16,640
finer details and we're going to be

863
00:29:20,389 --> 00:29:18,000

asking for suggestions

864

00:29:21,190 --> 00:29:20,399

um because yeah there's a schedule there

865

00:29:23,350 --> 00:29:21,200

um we

866

00:29:25,190 --> 00:29:23,360

we've got michael and i still got to sit

867

00:29:26,470 --> 00:29:25,200

down and figure out what we're going to

868

00:29:28,310 --> 00:29:26,480

pee when we're going to eat

869

00:29:30,070 --> 00:29:28,320

like when we're you know like those

870

00:29:31,590 --> 00:29:30,080

logistical things so we're like hey

871

00:29:32,710 --> 00:29:31,600

let's do that on a live stream let's

872

00:29:34,470 --> 00:29:32,720

talk about that

873

00:29:36,230 --> 00:29:34,480

let's see what people think you know

874

00:29:38,950 --> 00:29:36,240

like my channel

875

00:29:41,110 --> 00:29:38,960

man has gone through a massive

876

00:29:44,710 --> 00:29:41,120

transformation and it moves

877

00:29:46,070 --> 00:29:44,720

now as quick as the news the beautiful

878

00:29:48,470 --> 00:29:46,080

thing about this dude

879

00:29:50,070 --> 00:29:48,480

is that we could talk about this almost

880

00:29:51,430 --> 00:29:50,080

every day there's almost every day

881

00:29:53,350 --> 00:29:51,440

there's something new

882

00:29:55,350 --> 00:29:53,360

happening there's a new article dropping

883

00:29:57,029 --> 00:29:55,360

there's a new point being made there's a

884

00:29:58,870 --> 00:29:57,039

new argument being had

885

00:30:00,389 --> 00:29:58,880

and i would love i was talking to mata

886

00:30:03,510 --> 00:30:00,399

looney about this i would

887

00:30:05,350 --> 00:30:03,520

love if somebody has if there's a

888

00:30:07,830 --> 00:30:05,360

hardcore argument on twitter

889

00:30:09,110 --> 00:30:07,840

to be able to attract those two people

890

00:30:11,669 --> 00:30:09,120

and do a live stream

891

00:30:13,269 --> 00:30:11,679

and say hey let's stop talking and

892

00:30:17,269 --> 00:30:13,279

yelling past each other

893

00:30:19,750 --> 00:30:17,279

on a medium that loses context

894

00:30:20,310 --> 00:30:19,760

and let's start talking to each other

895

00:30:22,710 --> 00:30:20,320

right

896

00:30:24,070 --> 00:30:22,720

you know what i mean because twitter is

897

00:30:28,549 --> 00:30:24,080

the worst

898

00:30:31,350 --> 00:30:28,559

platform to try and do this

899

00:30:32,230 --> 00:30:31,360

like it's the worst so let's start

900

00:30:33,909 --> 00:30:32,240

saying hey

901
00:30:36,310 --> 00:30:33,919
really are you you really that

902
00:30:38,230 --> 00:30:36,320
passionate about that okay mr so-and-so

903
00:30:40,149 --> 00:30:38,240
well mr so-and-so just agreed he'd love

904
00:30:40,630 --> 00:30:40,159
to do a live stream with you here in 15

905
00:30:42,230 --> 00:30:40,640
minutes

906
00:30:44,389 --> 00:30:42,240
because clearly you guys have the time

907
00:30:45,029 --> 00:30:44,399
to do it because you're yelling about it

908
00:30:46,950 --> 00:30:45,039
so much

909
00:30:48,789 --> 00:30:46,960
so let's work this out let's talk about

910
00:30:50,310 --> 00:30:48,799
it and let's see if we can come to some

911
00:30:53,430 --> 00:30:50,320
common ground man that's

912
00:30:55,430 --> 00:30:53,440
that's that's future stuff that's like

913
00:30:56,630 --> 00:30:55,440

but let's i mean that's something to

914

00:30:59,350 --> 00:30:56,640

touch on though the

915

00:30:59,750 --> 00:30:59,360

sort of anonymous nature of the internet

916

00:31:01,990 --> 00:30:59,760

um

917

00:31:03,190 --> 00:31:02,000

makes a lot of people very brave with

918

00:31:05,190 --> 00:31:03,200

what they say

919

00:31:06,470 --> 00:31:05,200

but when you actually can see the person

920

00:31:09,750 --> 00:31:06,480

you're talking to

921

00:31:13,350 --> 00:31:09,760

and hash it out it can really lead to

922

00:31:14,070 --> 00:31:13,360

amazing conversations um respect for one

923

00:31:15,669 --> 00:31:14,080

another

924

00:31:18,070 --> 00:31:15,679

and moving on i can't tell you how many

925

00:31:19,750 --> 00:31:18,080

peop individuals i've argued with um

926
00:31:21,669 --> 00:31:19,760
some of which were in the chat tonight

927
00:31:23,750 --> 00:31:21,679
who i've had heated arguments with in

928
00:31:25,669 --> 00:31:23,760
the past but we're now

929
00:31:27,909 --> 00:31:25,679
best of friends and like talking all the

930
00:31:30,389 --> 00:31:27,919
time and it's because we stopped

931
00:31:31,430 --> 00:31:30,399
we talked and we moved on because

932
00:31:33,750 --> 00:31:31,440
there's a greater

933
00:31:34,789 --> 00:31:33,760
thing here and that's what we're trying

934
00:31:38,230 --> 00:31:34,799
to uncover

935
00:31:41,430 --> 00:31:38,240
i can tell you this behind every

936
00:31:44,830 --> 00:31:41,440
angry anonymous

937
00:31:48,470 --> 00:31:44,840
message there is someone in

938
00:31:52,070 --> 00:31:48,480

deep either physical or emotional

939

00:31:54,789 --> 00:31:52,080

or mental pain i know this because

940

00:31:55,190 --> 00:31:54,799

i've been the angry guy the other angry

941

00:31:59,029 --> 00:31:55,200

guy

942

00:32:02,389 --> 00:31:59,039

on the end of that keyboard so

943

00:32:03,029 --> 00:32:02,399

you know it's uh it's sometimes you

944

00:32:06,070 --> 00:32:03,039

gotta

945

00:32:09,350 --> 00:32:06,080

realize oh

946

00:32:12,149 --> 00:32:09,360

[h__h] i'm being a dick you know and

947

00:32:12,950 --> 00:32:12,159

uh if you stop and you get to know that

948

00:32:17,509 --> 00:32:12,960

person

949

00:32:19,509 --> 00:32:17,519

if you if you um agree with them

950

00:32:21,350 --> 00:32:19,519

on on certain levels and certain things

951
00:32:23,509 --> 00:32:21,360
you come to the table and you

952
00:32:24,789 --> 00:32:23,519
and you give them some some rope some

953
00:32:26,630 --> 00:32:24,799
agreement

954
00:32:28,789 --> 00:32:26,640
um you'll be shocked i think you'll be

955
00:32:31,909 --> 00:32:28,799
shocked at how much uh

956
00:32:33,750 --> 00:32:31,919
how much uh respect you'll get from the

957
00:32:34,630 --> 00:32:33,760
other side i can't i mean i know brian

958
00:32:35,669 --> 00:32:34,640
you just got back

959
00:32:36,870 --> 00:32:35,679
and don't worry about it i've been

960
00:32:37,909 --> 00:32:36,880
carrying the show since you had a little

961
00:32:41,190 --> 00:32:37,919
snafu

962
00:32:42,950 --> 00:32:41,200
um it's uh no i was saying like

963
00:32:44,630 --> 00:32:42,960

there's a lot of there's a ton of anger

964

00:32:46,870 --> 00:32:44,640

sometimes behind that keyboard

965

00:32:48,710 --> 00:32:46,880

and i know this because i've i've also

966

00:32:50,549 --> 00:32:48,720

been that angry guy behind a keyboard

967

00:32:51,990 --> 00:32:50,559

you know railing on something that i

968

00:32:54,950 --> 00:32:52,000

thought was

969

00:32:56,310 --> 00:32:54,960

just you know it just pissed me off and

970

00:32:56,870 --> 00:32:56,320

if you stop and you get to know that

971

00:32:58,630 --> 00:32:56,880

person

972

00:33:00,470 --> 00:32:58,640

and you and you sympathize with their

973

00:33:01,430 --> 00:33:00,480

anger and you try to learn why they're

974

00:33:03,669 --> 00:33:01,440

angry

975

00:33:04,710 --> 00:33:03,679

you'll make a friend i promise you every

976

00:33:06,470 --> 00:33:04,720

time and and

977

00:33:08,149 --> 00:33:06,480

and that's what happened has happened

978

00:33:09,269 --> 00:33:08,159

with this show on multiple occasions

979

00:33:11,669 --> 00:33:09,279

i'm sure you were just saying with

980

00:33:11,909 --> 00:33:11,679

people in your chat um you know i've had

981

00:33:20,230 --> 00:33:11,919

p

982

00:33:21,509 --> 00:33:20,240

think uh it's

983

00:33:22,950 --> 00:33:21,519

you know you should take it down this

984

00:33:24,870 --> 00:33:22,960

and i'm like well look i'm not gonna

985

00:33:27,190 --> 00:33:24,880

take it down but let's agree on these

986

00:33:29,029 --> 00:33:27,200

things one two three four and five

987

00:33:30,789 --> 00:33:29,039

or even one and two okay let's

988

00:33:31,430 --> 00:33:30,799

concentrate on those two things we agree

989

00:33:34,149 --> 00:33:31,440

on right

990

00:33:36,470 --> 00:33:34,159

and then express why you have these

991

00:33:38,950 --> 00:33:36,480

viewpoints and why you feel this way

992

00:33:40,630 --> 00:33:38,960

and and give them you know situations

993

00:33:42,470 --> 00:33:40,640

and circumstances where maybe you try

994

00:33:45,269 --> 00:33:42,480

and change their way of thinking

995

00:33:46,630 --> 00:33:45,279

um because it's sometimes for me one of

996

00:33:50,630 --> 00:33:46,640

my philosophies

997

00:33:53,750 --> 00:33:50,640

is always try to accept new information

998

00:33:54,630 --> 00:33:53,760

when it changes how you think something

999

00:33:57,029 --> 00:33:54,640

should be

1000

00:33:58,789 --> 00:33:57,039

like if you think that a b and c is a

1001
00:34:00,310 --> 00:33:58,799
fact and then something comes out that

1002
00:34:03,110 --> 00:34:00,320
says a b and c

1003
00:34:04,950 --> 00:34:03,120
is not fact now this is the new fact and

1004
00:34:07,590 --> 00:34:04,960
here's the data to back it up

1005
00:34:07,990 --> 00:34:07,600
you got to be willing to go oh okay that

1006
00:34:11,349 --> 00:34:08,000
was

1007
00:34:13,030 --> 00:34:11,359
that okay

1008
00:34:15,030 --> 00:34:13,040
yeah yeah yeah let's go here you know

1009
00:34:16,389 --> 00:34:15,040
and that's okay it's okay

1010
00:34:18,149 --> 00:34:16,399
something i stress we talked about it

1011
00:34:20,069 --> 00:34:18,159
when you came on my show it's okay to be

1012
00:34:23,430 --> 00:34:20,079
wrong about ufos dude

1013
00:34:25,510 --> 00:34:23,440

it's okay it's okay to be wrong 99

1014

00:34:27,109 --> 00:34:25,520

of the time we all are we all are none

1015

00:34:30,310 --> 00:34:27,119

of us know what the hell is going on

1016

00:34:31,030 --> 00:34:30,320

nobody knows nobody knows nobody knows

1017

00:34:34,389 --> 00:34:31,040

man

1018

00:34:36,470 --> 00:34:34,399

so it's okay and so yeah

1019

00:34:38,629 --> 00:34:36,480

awesome brother i love that i love how

1020

00:34:40,310 --> 00:34:38,639

you think i love how you bring people

1021

00:34:42,550 --> 00:34:40,320

together and that's what this event is

1022

00:34:45,669 --> 00:34:42,560

doing um let me throw this up

1023

00:34:48,869 --> 00:34:45,679

quick i love this image

1024

00:34:52,069 --> 00:34:48,879

um do you know the artist um

1025

00:34:56,230 --> 00:34:52,079

i uh let me you know what i feel

1026
00:34:59,270 --> 00:34:56,240
horrible about he's escaping no so um

1027
00:35:02,150 --> 00:34:59,280
oh man i wrote his name down in my my my

1028
00:35:04,790 --> 00:35:02,160
book here

1029
00:35:05,750 --> 00:35:04,800
god dude no it's uh it's one of dave

1030
00:35:07,829 --> 00:35:05,760
partridge's

1031
00:35:08,870 --> 00:35:07,839
really good friends yeah and he does

1032
00:35:11,430 --> 00:35:08,880
shadows of your mind

1033
00:35:12,950 --> 00:35:11,440
he doesn't have any sort of i asked i

1034
00:35:14,470 --> 00:35:12,960
wanted him to come on to the big phone

1035
00:35:17,109 --> 00:35:14,480
home and talk about this image

1036
00:35:19,030 --> 00:35:17,119
or or jewish uh uh a live stream with me

1037
00:35:19,670 --> 00:35:19,040
and just tell me hey man i want to know

1038
00:35:21,030 --> 00:35:19,680

what

1039

00:35:23,270 --> 00:35:21,040

you know i want to know everything about

1040

00:35:25,990 --> 00:35:23,280

this um he uh

1041

00:35:26,470 --> 00:35:26,000

he's he's he doesn't have a twitter

1042

00:35:28,390 --> 00:35:26,480

handle

1043

00:35:30,069 --> 00:35:28,400

he doesn't want any attention he's just

1044

00:35:31,589 --> 00:35:30,079

an artist and i'm sure he's an artist

1045

00:35:32,390 --> 00:35:31,599

that works professionally because look

1046

00:35:34,790 --> 00:35:32,400

at this

1047

00:35:36,470 --> 00:35:34,800

it's amazing it's amazing hilarious dude

1048

00:35:40,150 --> 00:35:36,480

there's so many easter eggs

1049

00:35:41,750 --> 00:35:40,160

in this in this image it's it i love it

1050

00:35:43,349 --> 00:35:41,760

uh but yeah i mean this was in the

1051
00:35:46,069 --> 00:35:43,359
shadows of your mind magazine this

1052
00:35:47,910 --> 00:35:46,079
this month's issue they did a you know

1053
00:35:49,910 --> 00:35:47,920
like a five-page spread

1054
00:35:51,750 --> 00:35:49,920
on the big phone home and what we're

1055
00:35:54,349 --> 00:35:51,760
doing and what it's all about

1056
00:35:55,910 --> 00:35:54,359
and where you can find information

1057
00:35:59,430 --> 00:35:55,920
www.thebigphonehome.com

1058
00:36:02,790 --> 00:35:59,440
and uh you know yeah man it's it's

1059
00:36:05,589 --> 00:36:02,800
it is when i saw this i was like

1060
00:36:06,069 --> 00:36:05,599
it really hit me like oh we're doing

1061
00:36:12,150 --> 00:36:06,079
this

1062
00:36:13,750 --> 00:36:12,160
all these people are joining us and um

1063
00:36:15,109 --> 00:36:13,760

and yeah we're going to be asking for

1064

00:36:16,790 --> 00:36:15,119

more man we're going to be requesting

1065

00:36:18,230 --> 00:36:16,800

more we're going to be doing more

1066

00:36:19,910 --> 00:36:18,240

and we're going to activate ourselves

1067

00:36:23,589 --> 00:36:19,920

and that's what you know

1068

00:36:26,550 --> 00:36:23,599

september or september april 24th

1069

00:36:28,069 --> 00:36:26,560

2021 is all about man that's what the

1070

00:36:30,310 --> 00:36:28,079

big performances

1071

00:36:31,270 --> 00:36:30,320

i'm going to be contributing something

1072

00:36:33,270 --> 00:36:31,280

um a little

1073

00:36:34,630 --> 00:36:33,280

a little fun thing to the event as well

1074

00:36:37,589 --> 00:36:34,640

i can't wait um

1075

00:36:39,030 --> 00:36:37,599

but i guess kind of to wrap things up

1076
00:36:40,550 --> 00:36:39,040
here because i know you're going live

1077
00:36:41,349 --> 00:36:40,560
right after this you're gonna roll

1078
00:36:44,470 --> 00:36:41,359
earlier you gotta do

1079
00:36:47,349 --> 00:36:44,480
yeah um hey it's it's uh it's

1080
00:36:48,150 --> 00:36:47,359
it's hunting season you know i want some

1081
00:36:54,950 --> 00:36:48,160
wabbit

1082
00:36:57,190 --> 00:36:54,960
i want that rabbit um

1083
00:36:59,109 --> 00:36:57,200
i love it all right last question before

1084
00:37:01,349 --> 00:36:59,119
we go um to give us hope

1085
00:37:02,230 --> 00:37:01,359
beyond which the big phone home is going

1086
00:37:05,829 --> 00:37:02,240
to do

1087
00:37:07,030 --> 00:37:05,839
what what do you think is most important

1088
00:37:09,190 --> 00:37:07,040

what do you think we should pay

1089

00:37:12,630 --> 00:37:09,200

attention to and what's most important

1090

00:37:13,910 --> 00:37:12,640

about ufos in 2021 what should we be

1091

00:37:16,710 --> 00:37:13,920

focusing on

1092

00:37:18,470 --> 00:37:16,720

and um yeah what are some suggestions

1093

00:37:19,990 --> 00:37:18,480

for folks out there who um

1094

00:37:21,510 --> 00:37:20,000

you know are just getting into this i

1095

00:37:23,589 --> 00:37:21,520

get new people

1096

00:37:24,950 --> 00:37:23,599

interested contacting me all the time

1097

00:37:28,870 --> 00:37:24,960

what do you got

1098

00:37:37,030 --> 00:37:28,880

focus on yourself

1099

00:37:39,670 --> 00:37:37,040

do to change this conversation

1100

00:37:40,310 --> 00:37:39,680

nothing is going to happen if you don't

1101
00:37:44,230 --> 00:37:40,320
focus

1102
00:37:47,349 --> 00:37:44,240
on yourself period and activate yourself

1103
00:37:47,990 --> 00:37:47,359
that would be my suggestion for 2021 no

1104
00:37:51,109 --> 00:37:48,000
one

1105
00:37:54,230 --> 00:37:51,119
no entity no official no senator

1106
00:37:56,069 --> 00:37:54,240
no anybody is not one of them

1107
00:37:57,430 --> 00:37:56,079
at just solo standing by themselves is

1108
00:37:57,990 --> 00:37:57,440
going to give you all the answers you

1109
00:38:00,150 --> 00:37:58,000
want

1110
00:38:01,990 --> 00:38:00,160
we got to get it from all of them and we

1111
00:38:04,390 --> 00:38:02,000
can we have to

1112
00:38:06,230 --> 00:38:04,400
be consistent about it it can't just be

1113
00:38:06,950 --> 00:38:06,240

oh like i've been getting things on

1114

00:38:10,550 --> 00:38:06,960

twitter

1115

00:38:13,349 --> 00:38:10,560

hey i did this one thing great

1116

00:38:14,310 --> 00:38:13,359

do more keep going do more keep going

1117

00:38:16,069 --> 00:38:14,320

don't stop

1118

00:38:17,990 --> 00:38:16,079

because it's it's it's more than one

1119

00:38:21,109 --> 00:38:18,000

tweet man it's more than one

1120

00:38:24,390 --> 00:38:21,119

phone call it's more than one uh uh

1121

00:38:28,150 --> 00:38:24,400

mailed letter if you really really

1122

00:38:31,030 --> 00:38:28,160

want this focus on yourself

1123

00:38:31,589 --> 00:38:31,040

focus on yourself i love that and join

1124

00:38:34,310 --> 00:38:31,599

us

1125

00:38:35,430 --> 00:38:34,320

on saturday everyone for the live stream

1126

00:38:37,349 --> 00:38:35,440

i can't wait

1127

00:38:39,270 --> 00:38:37,359

brother it's going to be so much fun i

1128

00:38:41,030 --> 00:38:39,280

know we'll have a poster

1129

00:38:42,550 --> 00:38:41,040

discussion and interview as well to see

1130

00:38:44,870 --> 00:38:42,560

how everything went but

1131

00:38:46,630 --> 00:38:44,880

one more time give us the info on where

1132

00:38:46,950 --> 00:38:46,640

we can find everything for the big phone

1133

00:38:49,910 --> 00:38:46,960

home

1134

00:38:50,390 --> 00:38:49,920

for sure um so if you go to my my

1135

00:38:53,150 --> 00:38:50,400

twitter

1136

00:38:54,470 --> 00:38:53,160

well go to the website

1137

00:38:57,430 --> 00:38:54,480

www.thebigphonehome.com

1138

00:38:57,990 --> 00:38:57,440

it's got my it's got my linktree okay

1139

00:39:00,310 --> 00:38:58,000

that has

1140

00:39:02,230 --> 00:39:00,320

every single link to my youtube channel

1141

00:39:04,630 --> 00:39:02,240

my twitter my instagram

1142

00:39:06,470 --> 00:39:04,640

i think my imdb my website and the big

1143

00:39:09,589 --> 00:39:06,480

phone home website are all there

1144

00:39:11,190 --> 00:39:09,599

um and also our co-host michael mataloni

1145

00:39:12,710 --> 00:39:11,200

is link tree is there so if you want to

1146

00:39:14,390 --> 00:39:12,720

find all of michael's stuff

1147

00:39:15,990 --> 00:39:14,400

you know oh he does amazing work for the

1148

00:39:18,630 --> 00:39:16,000

debrief just like you

1149

00:39:19,270 --> 00:39:18,640

um he does uh the cocktails and calamity

1150

00:39:21,349 --> 00:39:19,280

podcast

1151

00:39:22,470 --> 00:39:21,359

show which he's going to be redoing he's

1152

00:39:24,230 --> 00:39:22,480

probably hating me for

1153

00:39:25,829 --> 00:39:24,240

for saying that right now because i know

1154

00:39:28,390 --> 00:39:25,839

he's in a rebranding phrase

1155

00:39:30,230 --> 00:39:28,400

uh but follow him man the dude is going

1156

00:39:32,390 --> 00:39:30,240

he's so damn talented

1157

00:39:34,630 --> 00:39:32,400

and i'm so excited to work with him

1158

00:39:36,630 --> 00:39:34,640

because when i saw you guys do that mars

1159

00:39:38,790 --> 00:39:36,640

rover landing live stream i'm like

1160

00:39:39,990 --> 00:39:38,800

that's it that's the big phone home

1161

00:39:41,910 --> 00:39:40,000

that's what i'm gonna do

1162

00:39:43,829 --> 00:39:41,920

and i'm like and the first person i

1163

00:39:46,310 --> 00:39:43,839

thought of to help me with it

1164

00:39:47,109 --> 00:39:46,320

was mataloni i'm like his hosting on

1165

00:39:48,790 --> 00:39:47,119

that was

1166

00:39:51,030 --> 00:39:48,800

phenomenal he's incredible he has a

1167

00:39:54,390 --> 00:39:51,040

great mind he's so sharp he's

1168

00:39:56,790 --> 00:39:54,400

fast he he uh we just

1169

00:39:58,710 --> 00:39:56,800

we just connect man and and and the

1170

00:39:59,030 --> 00:39:58,720

beautiful thing about this event is like

1171

00:40:01,109 --> 00:39:59,040

i'm

1172

00:40:02,069 --> 00:40:01,119

looking at the matrix and i can see the

1173

00:40:06,550 --> 00:40:02,079

code

1174

00:40:09,109 --> 00:40:06,560

show is going to be

1175

00:40:10,390 --> 00:40:09,119

and it's exciting man so yeah follow

1176

00:40:13,589 --> 00:40:10,400

follow us

1177

00:40:16,390 --> 00:40:13,599

like the channel subscribe ring the bell

1178

00:40:17,829 --> 00:40:16,400

here and on my channel you know support

1179

00:40:19,670 --> 00:40:17,839

the people that

1180

00:40:21,589 --> 00:40:19,680

don't know what's going on but are

1181

00:40:24,550 --> 00:40:21,599

asking for more information

1182

00:40:26,309 --> 00:40:24,560

on what is going on so that way we can

1183

00:40:27,030 --> 00:40:26,319

get some more that way we could do this

1184

00:40:31,670 --> 00:40:27,040

together

1185

00:40:34,069 --> 00:40:31,680

and in 20 years when we look back

1186

00:40:34,950 --> 00:40:34,079

we're gonna say [h__h] man i'm so happy we

1187

00:40:37,190 --> 00:40:34,960

did this

1188

00:40:38,150 --> 00:40:37,200

because now we've got i mean i cannot

1189

00:40:40,550 --> 00:40:38,160

imagine

1190

00:40:42,150 --> 00:40:40,560

the data we're gonna have in 20 years

1191

00:40:44,710 --> 00:40:42,160

the winds are changing but you

1192

00:40:45,270 --> 00:40:44,720

have to be patient please just be it's a

1193

00:40:52,870 --> 00:40:45,280

process

1194

00:40:54,790 --> 00:40:52,880

not an event love it

1195

00:40:56,230 --> 00:40:54,800

we will end it there brother i love this

1196

00:40:57,990 --> 00:40:56,240

comment um

1197

00:40:59,589 --> 00:40:58,000

that brendan put if you want them to see

1198

00:41:00,710 --> 00:40:59,599

the light you have to bring the fire

1199

00:41:03,430 --> 00:41:00,720

he's so right

1200

00:41:04,630 --> 00:41:03,440

so so right brandon carpenter i believe

1201
00:41:06,950 --> 00:41:04,640
will be there

1202
00:41:08,390 --> 00:41:06,960
awesome yeah awesome well thank you

1203
00:41:10,710 --> 00:41:08,400
thank you uh

1204
00:41:11,430 --> 00:41:10,720
everyone that uh joined us in the chat

1205
00:41:13,990 --> 00:41:11,440
please

1206
00:41:15,670 --> 00:41:14,000
check out the big phone home um lou i'll

1207
00:41:17,510 --> 00:41:15,680
let you go brother i know you you got

1208
00:41:19,510 --> 00:41:17,520
other stuff to do yeah thank you for

1209
00:41:21,750 --> 00:41:19,520
joining us um today for this

1210
00:41:22,710 --> 00:41:21,760
this was so much fun we'll have to do it

1211
00:41:25,349 --> 00:41:22,720
again and

1212
00:41:26,710 --> 00:41:25,359
the absolute pleasure the absolute

1213
00:41:29,349 --> 00:41:26,720

pleasure is mine

1214

00:41:30,870 --> 00:41:29,359

and if it wasn't for you ryan sprague

1215

00:41:32,950 --> 00:41:30,880

this would not have happened

1216

00:41:34,950 --> 00:41:32,960

i would not have talked to mj benice i

1217

00:41:36,950 --> 00:41:34,960

would not have talked to lou elizondo i

1218

00:41:40,230 --> 00:41:36,960

would not have talked to sean cahill

1219

00:41:43,109 --> 00:41:40,240

i would not have been able to formulate

1220

00:41:49,589 --> 00:41:43,119

and execute this idea as well as i have

1221

00:41:52,950 --> 00:41:52,230

and you know the chat that we're in damn

1222

00:41:55,510 --> 00:41:52,960

it dude

1223

00:41:56,870 --> 00:41:55,520

come hang out with us we love your

1224

00:41:59,030 --> 00:41:56,880

spirit we love

1225

00:42:01,349 --> 00:41:59,040

we love you man and i know you're

1226

00:42:02,870 --> 00:42:01,359

getting burned i can see it in you i can

1227

00:42:04,309 --> 00:42:02,880

see you're getting burned out it's broad

1228

00:42:05,510 --> 00:42:04,319

you're like man i need a break you know

1229

00:42:08,390 --> 00:42:05,520

what fourth of july

1230

00:42:09,030 --> 00:42:08,400

ryan take that [\h__\h] break you've

1231

00:42:13,510 --> 00:42:09,040

earned it

1232

00:42:15,589 --> 00:42:13,520

won't be back they'll be back

1233

00:42:16,550 --> 00:42:15,599

they'll be back don't sweat it take your

1234

00:42:19,670 --> 00:42:16,560

break dude

1235

00:42:23,430 --> 00:42:19,680

you've earned it and and uh yeah i'm i'm

1236

00:42:23,990 --> 00:42:23,440

looking forward to to to to all of this

1237

00:42:27,589 --> 00:42:24,000

man

1238

00:42:28,950 --> 00:42:27,599

so thank you thank you

1239

00:42:30,870 --> 00:42:28,960

thanks for joining me i'll send you a

1240

00:42:32,710 --> 00:42:30,880

postcard too brother and thank you

1241

00:42:35,190 --> 00:42:32,720

everyone for joining us tonight

1242

00:42:35,910 --> 00:42:35,200

on this special live stream for the big

1243

00:42:39,190 --> 00:42:35,920

phone home

1244

00:42:41,270 --> 00:42:39,200

this saturday april 24th on

1245

00:42:42,390 --> 00:42:41,280

the unidentified celebrity review

1246

00:42:44,309 --> 00:42:42,400

youtube channel

1247

00:42:46,150 --> 00:42:44,319

and make sure you're tweeting during the

1248

00:42:48,710 --> 00:42:46,160

whole thing

1249

00:42:50,069 --> 00:42:48,720

the big phone home hashtag and uap

1250

00:42:53,109 --> 00:42:50,079

secrecy what's the other one

1251

00:42:54,150 --> 00:42:53,119

hashtag the act now boom love it and

1252

00:42:55,990 --> 00:42:54,160

we're gonna end it there

1253

00:42:57,190 --> 00:42:56,000

thank you lou have a great night brother

1254

00:42:59,190 --> 00:42:57,200

and good luck with everything

1255

00:43:00,630 --> 00:42:59,200

thank you thank you ryan awesome thank
