

SOMEWHERE IN THE SKIES

REBELLIOUSLY CURIOUS

WITH CHRISSEY NEWTON

1
00:00:06,150 --> 00:00:03,110
18 or 80.

2
00:00:08,230 --> 00:00:06,160
crippled blind or crazy i'm going

3
00:00:10,390 --> 00:00:08,240
dancing tonight it don't matter which

4
00:00:11,749 --> 00:00:10,400
one it gets ahold of me or i get a hold

5
00:00:14,310 --> 00:00:11,759
of them you know

6
00:00:15,589 --> 00:00:14,320
that's hoot gibson i met him at arky

7
00:00:18,230 --> 00:00:15,599
blues silver dollar

8
00:00:20,150 --> 00:00:18,240
in bandera texas he's just one of many

9
00:00:21,189 --> 00:00:20,160
characters you'll hear from in vanishing

10
00:00:23,109 --> 00:00:21,199
postcards

11
00:00:24,710 --> 00:00:23,119
a podcast where we explore the hidden

12
00:00:26,070 --> 00:00:24,720
dives traditions and

13
00:00:28,470 --> 00:00:26,080

frequently threatened histories

14

00:00:33,350 --> 00:00:28,480

discovered by exiting the highways

15

00:00:38,549 --> 00:00:36,310

most of your regular bar types featuring

16

00:00:40,709 --> 00:00:38,559

dispatches from the back roads

17

00:00:42,790 --> 00:00:40,719

vanishing postcards is a touching

18

00:00:44,950 --> 00:00:42,800

frequently humorous experience

19

00:00:46,630 --> 00:00:44,960

perfect for when you need a breather but

20

00:00:47,590 --> 00:00:46,640

don't have the time or luxury of jumping

21

00:00:50,310 --> 00:00:47,600

in the car

22

00:00:52,389 --> 00:00:50,320

i'm evan stern and i invite you to join

23

00:00:59,550 --> 00:00:52,399

this ride by finding vanishing post

24

00:01:09,109 --> 00:00:59,560

cards wherever you get your podcasts

25

00:01:24,830 --> 00:01:12,940

this is somewhere in the skies with ryan

26

00:01:24,840 --> 00:01:31,109

sprague

27

00:01:34,149 --> 00:01:33,190

welcome to somewhere in the skies i am

28

00:01:36,710 --> 00:01:34,159

your host

29

00:01:37,270 --> 00:01:36,720

ryan sprague and with me today is one of

30

00:01:39,910 --> 00:01:37,280

my

31

00:01:41,910 --> 00:01:39,920

partners in crime over at the debrief

32

00:01:44,950 --> 00:01:41,920

but that's not all she's known for

33

00:01:45,670 --> 00:01:44,960

she hosts a very popular podcast in

34

00:01:47,429 --> 00:01:45,680

canada

35

00:01:49,190 --> 00:01:47,439

and she also does a lot of work in the

36

00:01:51,109 --> 00:01:49,200

ufo field as well

37

00:01:52,389 --> 00:01:51,119

so i'm not going to waste any more time

38

00:01:53,350 --> 00:01:52,399

we're going to talk about everything

39

00:01:55,429 --> 00:01:53,360

she's up to

40

00:01:56,870 --> 00:01:55,439

in and out of the ufo world so with me

41

00:01:59,109 --> 00:01:56,880

today on summer in the skies

42

00:02:00,789 --> 00:01:59,119

is chrissy newton chrissy thank you so

43

00:02:02,789 --> 00:02:00,799

much for joining me today for the first

44

00:02:04,870 --> 00:02:02,799

time i can't believe i'm saying that

45

00:02:06,630 --> 00:02:04,880

i know i'm so excited i i love your

46

00:02:08,469 --> 00:02:06,640

podcast so when you asked me i was

47

00:02:10,630 --> 00:02:08,479

thrilled to be part of this

48

00:02:12,550 --> 00:02:10,640

well thank you there's so much we could

49

00:02:13,350 --> 00:02:12,560

talk about and i know we have limited

50

00:02:15,589 --> 00:02:13,360

time so

51
00:02:16,790 --> 00:02:15,599
i'm just gonna cut to the chase um

52
00:02:18,630 --> 00:02:16,800
origin story

53
00:02:20,550 --> 00:02:18,640
you know every comic book has one how

54
00:02:22,390 --> 00:02:20,560
the person became who they were

55
00:02:23,670 --> 00:02:22,400
so um i know you've answered this in the

56
00:02:25,750 --> 00:02:23,680
past in other interviews

57
00:02:26,710 --> 00:02:25,760
but i would love to hear how you first

58
00:02:28,790 --> 00:02:26,720
got interested

59
00:02:30,390 --> 00:02:28,800
in ufos what brought you into this crazy

60
00:02:34,309 --> 00:02:30,400
world that we're in

61
00:02:35,990 --> 00:02:34,319
my dad my dad got me into ufos when i

62
00:02:38,309 --> 00:02:36,000
was probably like six or seven

63
00:02:39,430 --> 00:02:38,319

like i always say six but i'm not a

64

00:02:41,750 --> 00:02:39,440

hundred percent sure

65

00:02:42,710 --> 00:02:41,760

so i i would say when i was at least six

66

00:02:46,150 --> 00:02:42,720

years old

67

00:02:47,430 --> 00:02:46,160

he showed me this photo of a ufo that he

68

00:02:49,990 --> 00:02:47,440

ended up seeing

69

00:02:51,750 --> 00:02:50,000

uh when he was in i think his early 20s

70

00:02:52,710 --> 00:02:51,760

he was driving up north with a group of

71

00:02:55,190 --> 00:02:52,720

friends

72

00:02:56,470 --> 00:02:55,200

to uh this cottage that they were going

73

00:02:57,990 --> 00:02:56,480

to and

74

00:02:59,270 --> 00:02:58,000

they all pulled over the side of the

75

00:03:01,030 --> 00:02:59,280

road there was a whole bunch of

76

00:03:03,509 --> 00:03:01,040

different cars pulled over as well

77

00:03:04,070 --> 00:03:03,519

and they ended up seeing this light

78

00:03:06,949 --> 00:03:04,080

that's like

79

00:03:07,350 --> 00:03:06,959

hovering above the sky and or above like

80

00:03:13,190 --> 00:03:07,360

a

81

00:03:16,229 --> 00:03:13,200

close to them

82

00:03:18,149 --> 00:03:16,239

and uh they ended up like taking it my

83

00:03:20,550 --> 00:03:18,159

dad ended up taking a picture of it

84

00:03:22,630 --> 00:03:20,560

and the guys ended up some of them were

85

00:03:25,190 --> 00:03:22,640

hunting so they ended up taking

86

00:03:27,270 --> 00:03:25,200

uh a gun out that had a scope on it not

87

00:03:29,830 --> 00:03:27,280

to shoot the ufo but to get a better

88

00:03:30,710 --> 00:03:29,840

pick like idea of what it looked like so

89

00:03:32,550 --> 00:03:30,720

they put the

90

00:03:34,149 --> 00:03:32,560

the rifle up to it and looked through

91

00:03:37,589 --> 00:03:34,159

the scope and then the ufo took

92

00:03:39,190 --> 00:03:37,599

down took off down the street and

93

00:03:40,630 --> 00:03:39,200

that or down the road i guess you would

94

00:03:42,149 --> 00:03:40,640

say and then

95

00:03:44,070 --> 00:03:42,159

a whole bunch of people saw it the news

96

00:03:46,550 --> 00:03:44,080

reported it it was a mass sighting

97

00:03:47,110 --> 00:03:46,560

and ever since that my dad took that

98

00:03:50,149 --> 00:03:47,120

photo

99

00:03:51,830 --> 00:03:50,159

and showed me as a kid like it it just

100

00:03:53,190 --> 00:03:51,840

it lit up everything inside of me and it

101
00:03:54,869 --> 00:03:53,200
was really just

102
00:03:56,470 --> 00:03:54,879
something that started that journey

103
00:03:57,509 --> 00:03:56,480
along with him trying to figure out what

104
00:04:00,149 --> 00:03:57,519
he saw

105
00:04:02,309 --> 00:04:00,159
um and then his journey became part of

106
00:04:05,030 --> 00:04:02,319
my journey too which is really cool

107
00:04:07,350 --> 00:04:05,040
that is cool so what did he did he have

108
00:04:09,190 --> 00:04:07,360
any ideas or impressions about

109
00:04:10,869 --> 00:04:09,200
what it was or what he saw i mean did he

110
00:04:12,630 --> 00:04:10,879
immediately say this was

111
00:04:13,990 --> 00:04:12,640
little green men or what yeah what did

112
00:04:16,789 --> 00:04:14,000
he tell you

113
00:04:18,390 --> 00:04:16,799

well i don't he he was like it's a ufo

114

00:04:21,830 --> 00:04:18,400

that's what he said like it for

115

00:04:24,710 --> 00:04:21,840

no matter what 100 it was a ufo to him

116

00:04:26,070 --> 00:04:24,720

uh and that's it like he didn't think he

117

00:04:28,390 --> 00:04:26,080

didn't think it was aliens

118

00:04:29,749 --> 00:04:28,400

at that time i don't think i think that

119

00:04:31,749 --> 00:04:29,759

a lot of them were confused because he

120

00:04:33,670 --> 00:04:31,759

saw it with a group of friends too

121

00:04:35,590 --> 00:04:33,680

so they talked about it and ever since

122

00:04:36,950 --> 00:04:35,600

then my dad never talked about it with a

123

00:04:37,830 --> 00:04:36,960

lot of other people because of the

124

00:04:40,230 --> 00:04:37,840

ridicule

125

00:04:42,070 --> 00:04:40,240

so we would talk about ufos him and i

126

00:04:44,150 --> 00:04:42,080

when i would grow up and even now

127

00:04:45,670 --> 00:04:44,160

but when we were younger he would say or

128

00:04:47,670 --> 00:04:45,680

when i was younger he would say

129

00:04:49,189 --> 00:04:47,680

don't talk about it because you know

130

00:04:49,590 --> 00:04:49,199

people think you're crazy people think

131

00:04:53,110 --> 00:04:49,600

you're

132

00:04:55,270 --> 00:04:53,120

tune you know and and

133

00:04:56,950 --> 00:04:55,280

that was part of it so now it's a little

134

00:04:57,670 --> 00:04:56,960

bit different like he's more open with

135

00:04:59,189 --> 00:04:57,680

it now and

136

00:05:01,189 --> 00:04:59,199

talks about it i don't know how much he

137

00:05:02,150 --> 00:05:01,199

talks about his experience but he talks

138

00:05:05,670 --> 00:05:02,160

about

139

00:05:07,510 --> 00:05:05,680

just loving ufos and being into it and

140

00:05:08,950 --> 00:05:07,520

he's he's proud of it that's for sure

141

00:05:11,830 --> 00:05:08,960

and my dad consumes

142

00:05:13,909 --> 00:05:11,840

so much information on ufos and now it's

143

00:05:15,189 --> 00:05:13,919

funny because as he gets older

144

00:05:17,430 --> 00:05:15,199

you know when i was younger he was

145

00:05:19,670 --> 00:05:17,440

teaching me and now as i get older

146

00:05:20,629 --> 00:05:19,680

i'm teaching him so i'll call him and

147

00:05:23,430 --> 00:05:20,639

i'm like did you hear

148

00:05:24,950 --> 00:05:23,440

like what uh like what john radcliffe

149

00:05:27,189 --> 00:05:24,960

said or this and that

150

00:05:28,469 --> 00:05:27,199

and for him he was like he's like what i

151

00:05:30,550 --> 00:05:28,479

haven't heard that or

152

00:05:31,990 --> 00:05:30,560

so it's really nice to be able to have

153

00:05:33,830 --> 00:05:32,000

that kind of relationship with him where

154

00:05:34,469 --> 00:05:33,840

i still get to talk about it and now i

155

00:05:36,710 --> 00:05:34,479

get to

156

00:05:38,629 --> 00:05:36,720

update him on what's going on so that's

157

00:05:39,430 --> 00:05:38,639

so cool you know the apprentice has

158

00:05:42,150 --> 00:05:39,440

become

159

00:05:43,990 --> 00:05:42,160

the master right it's you kind of turned

160

00:05:45,830 --> 00:05:44,000

the tables on him there that's so cool

161

00:05:47,590 --> 00:05:45,840

and i know what you mean i feel like

162

00:05:49,110 --> 00:05:47,600

you know there's vindication now in the

163

00:05:51,510 --> 00:05:49,120

world uh with

164

00:05:52,150 --> 00:05:51,520

so many people who have been afraid to

165

00:05:54,710 --> 00:05:52,160

come forward

166

00:05:55,270 --> 00:05:54,720

about seeing ufos being interested in

167

00:05:58,070 --> 00:05:55,280

them

168

00:05:58,629 --> 00:05:58,080

like you didn't do it for so many years

169

00:06:01,110 --> 00:05:58,639

like

170

00:06:02,150 --> 00:06:01,120

i kept quiet about having seen a ufo i

171

00:06:04,550 --> 00:06:02,160

wasn't like

172

00:06:05,990 --> 00:06:04,560

you know making it known to the world

173

00:06:09,350 --> 00:06:06,000

that i was researching this

174

00:06:09,909 --> 00:06:09,360

i was writing essays to myself about

175

00:06:12,950 --> 00:06:09,919

like

176

00:06:15,189 --> 00:06:12,960

roswell and area 51 and

177

00:06:16,950 --> 00:06:15,199

stuff like that and not thinking that i

178

00:06:20,070 --> 00:06:16,960

would ever share it with the world but

179

00:06:22,629 --> 00:06:20,080

lo and behold you know now we're in 2021

180

00:06:23,990 --> 00:06:22,639

and ufos have never been more in the

181

00:06:24,790 --> 00:06:24,000

mainstream which is something we're

182

00:06:26,469 --> 00:06:24,800

definitely

183

00:06:29,110 --> 00:06:26,479

going to discuss in a little bit here

184

00:06:31,270 --> 00:06:29,120

but um speaking of area 51

185

00:06:33,510 --> 00:06:31,280

i heard you in an interview say that one

186

00:06:36,710 --> 00:06:33,520

of your first ufo conferences

187

00:06:38,629 --> 00:06:36,720

was one that bob lazar spoke at and

188

00:06:39,830 --> 00:06:38,639

i flipped out because i knew which one

189

00:06:41,590 --> 00:06:39,840

you were talking about

190

00:06:44,230 --> 00:06:41,600

and i was actually the person who put

191

00:06:46,790 --> 00:06:44,240

the microphone on bob lazar

192

00:06:48,629 --> 00:06:46,800

that day backstage i was so nervous i

193

00:06:50,390 --> 00:06:48,639

couldn't believe i was looking at like

194

00:06:51,990 --> 00:06:50,400

this guy no matter what you think of him

195

00:06:53,670 --> 00:06:52,000

like if you believe him or not if you

196

00:06:55,430 --> 00:06:53,680

think he's a total fraud

197

00:06:56,950 --> 00:06:55,440

or he did what he said he did with these

198

00:06:58,150 --> 00:06:56,960

flying saucers but um

199

00:07:00,629 --> 00:06:58,160

yeah tell us a little about your

200

00:07:00,950 --> 00:07:00,639

experiences with these ufo conferences i

201
00:07:02,309 --> 00:07:00,960
think

202
00:07:04,550 --> 00:07:02,319
people have a lot of preconceived

203
00:07:06,629 --> 00:07:04,560
notions about it totally so

204
00:07:08,790 --> 00:07:06,639
with the first conference i ever went to

205
00:07:10,629 --> 00:07:08,800
you know again i like took my dad and i

206
00:07:13,110 --> 00:07:10,639
was like these are our people that

207
00:07:14,710 --> 00:07:13,120
he started laughing so i'm like it was

208
00:07:16,150 --> 00:07:14,720
just a place where

209
00:07:18,629 --> 00:07:16,160
you know people are walking around in

210
00:07:20,710 --> 00:07:18,639
tin foil hats and doing that stuff

211
00:07:21,830 --> 00:07:20,720
it was it was a place where we could

212
00:07:24,390 --> 00:07:21,840
learn you could ask

213
00:07:26,070 --> 00:07:24,400

questions you could buy books you know

214

00:07:27,430 --> 00:07:26,080

independent books

215

00:07:29,350 --> 00:07:27,440

books that have been you know outside of

216

00:07:30,950 --> 00:07:29,360

being independently published and it was

217

00:07:34,309 --> 00:07:30,960

a place of community where

218

00:07:36,950 --> 00:07:34,319

i felt like i i was able to talk about

219

00:07:37,909 --> 00:07:36,960

ufos on a different level compared to

220

00:07:39,589 --> 00:07:37,919

talking about

221

00:07:40,950 --> 00:07:39,599

the same stuff all the time or

222

00:07:42,629 --> 00:07:40,960

explaining it to other people like it

223

00:07:45,270 --> 00:07:42,639

was a place i got to learn

224

00:07:47,749 --> 00:07:45,280

and the conference is just unbelievable

225

00:07:50,790 --> 00:07:47,759

like there's so many people that go

226

00:07:52,390 --> 00:07:50,800

from all different ages and it's just

227

00:07:54,710 --> 00:07:52,400

it was one of the best things i think i

228

00:07:56,070 --> 00:07:54,720

ever found with my father and i and just

229

00:07:58,869 --> 00:07:56,080

our family that went

230

00:08:00,070 --> 00:07:58,879

so you know i'll keep going to them more

231

00:08:02,790 --> 00:08:00,080

and more i only go

232

00:08:05,110 --> 00:08:02,800

right now to the arizona one which is

233

00:08:07,270 --> 00:08:05,120

the the congressman the ufo congress

234

00:08:08,390 --> 00:08:07,280

but i will go to contact in the desert

235

00:08:10,230 --> 00:08:08,400

and the rest of them

236

00:08:12,390 --> 00:08:10,240

um because i've met so many people in

237

00:08:13,670 --> 00:08:12,400

the community and it's a way that i want

238

00:08:16,390 --> 00:08:13,680

to meet other people

239

00:08:16,950 --> 00:08:16,400

that are part of it and also then just

240

00:08:18,550 --> 00:08:16,960

learn

241

00:08:20,070 --> 00:08:18,560

other academics maybe that haven't been

242

00:08:22,070 --> 00:08:20,080

to the conference that i go to

243

00:08:24,150 --> 00:08:22,080

so yeah it's it's honestly it's like

244

00:08:26,790 --> 00:08:24,160

it's a really great community it is

245

00:08:27,830 --> 00:08:26,800

it is i know you know for as much flack

246

00:08:30,230 --> 00:08:27,840

as we give

247

00:08:32,949 --> 00:08:30,240

the ufo community at times about you

248

00:08:35,029 --> 00:08:32,959

know how passionate people are and how

249

00:08:36,070 --> 00:08:35,039

either hardcore believer they are in all

250

00:08:39,269 --> 00:08:36,080

this stuff or

251
00:08:41,909 --> 00:08:39,279
extreme skeptic uh i think what someone

252
00:08:44,070 --> 00:08:41,919
like you or me or the debrief or

253
00:08:45,670 --> 00:08:44,080
or people like that do is we meet

254
00:08:46,470 --> 00:08:45,680
somewhere in the middle which i think is

255
00:08:48,949 --> 00:08:46,480
so

256
00:08:49,990 --> 00:08:48,959
important and i know that's kind of what

257
00:08:53,350 --> 00:08:50,000
you guys were doing

258
00:08:55,829 --> 00:08:53,360
with your podcast alt pop repeat

259
00:08:56,790 --> 00:08:55,839
so could you tell me all about how that

260
00:08:59,670 --> 00:08:56,800
came to be

261
00:09:02,389 --> 00:08:59,680
and i guess ultimately how it kind of

262
00:09:05,430 --> 00:09:02,399
infused your ufo work as well

263
00:09:06,630 --> 00:09:05,440

yeah that was actually a start of it as

264

00:09:09,430 --> 00:09:06,640

well it kind of

265

00:09:09,910 --> 00:09:09,440

it went together as one so what happened

266

00:09:12,949 --> 00:09:09,920

was

267

00:09:14,710 --> 00:09:12,959

um marie nicola is a good friend of mine

268

00:09:15,030 --> 00:09:14,720

and she's also my co-host on the podcast

269

00:09:18,070 --> 00:09:15,040

she's

270

00:09:18,630 --> 00:09:18,080

an amazing co-host the one thing i love

271

00:09:20,630 --> 00:09:18,640

about

272

00:09:22,070 --> 00:09:20,640

marie is that we don't always agree on

273

00:09:24,630 --> 00:09:22,080

stuff but we're able to

274

00:09:26,150 --> 00:09:24,640

discuss and find a common ground and we

275

00:09:27,190 --> 00:09:26,160

also teach each other different things

276

00:09:30,230 --> 00:09:27,200

on the show

277

00:09:31,430 --> 00:09:30,240

so all pop started where um marie and i

278

00:09:33,190 --> 00:09:31,440

both i said to her i'm like do you want

279

00:09:35,030 --> 00:09:33,200

to do a podcast and i've been wanting to

280

00:09:36,710 --> 00:09:35,040

do a podcast for a really long time like

281

00:09:39,269 --> 00:09:36,720

it's been in my peripheral

282

00:09:40,230 --> 00:09:39,279

to do it and been in my head so she said

283

00:09:42,710 --> 00:09:40,240

yeah let's do it

284

00:09:43,829 --> 00:09:42,720

um and she came to my place with like a

285

00:09:45,750 --> 00:09:43,839

pad of paper

286

00:09:47,190 --> 00:09:45,760

and we came up with this concept of all

287

00:09:48,710 --> 00:09:47,200

pop repeat where

288

00:09:50,389 --> 00:09:48,720

we talk about how counter cultures and

289

00:09:53,430 --> 00:09:50,399

alternative cultures

290

00:09:55,030 --> 00:09:53,440

become or we use a word called sync into

291

00:09:56,790 --> 00:09:55,040

mainstream pop culture

292

00:09:59,350 --> 00:09:56,800

so how does something like the cannabis

293

00:10:01,350 --> 00:09:59,360

movement or lgbt rights or drag

294

00:10:03,030 --> 00:10:01,360

how do these counter cultures become

295

00:10:05,509 --> 00:10:03,040

mainstream pop culture

296

00:10:07,350 --> 00:10:05,519

so her and i you know started this road

297

00:10:08,949 --> 00:10:07,360

and she said to me she was like do you

298

00:10:10,550 --> 00:10:08,959

want to go to la to do our first

299

00:10:11,910 --> 00:10:10,560

interview i'm based in toronto

300

00:10:14,230 --> 00:10:11,920

and i said yeah let's do it so we like

301

00:10:16,150 --> 00:10:14,240

jumped on a plane we flew to l.a

302

00:10:17,910 --> 00:10:16,160

you know we found people that we knew um

303

00:10:18,550 --> 00:10:17,920

like george strombo which is a really

304

00:10:20,150 --> 00:10:18,560

well-known

305

00:10:21,590 --> 00:10:20,160

talk show host and care former talk show

306

00:10:23,430 --> 00:10:21,600

host in canada so

307

00:10:25,750 --> 00:10:23,440

he was one of our first interviews and

308

00:10:27,750 --> 00:10:25,760

then i said to her i was like ufology

309

00:10:29,590 --> 00:10:27,760

like i obviously loved ufology i'm like

310

00:10:32,230 --> 00:10:29,600

it's an amazing counter culture

311

00:10:32,949 --> 00:10:32,240

i said i met jeremy corbell at a

312

00:10:35,030 --> 00:10:32,959

conference

313

00:10:36,150 --> 00:10:35,040

obviously with bob lazar years ago so i

314

00:10:37,430 --> 00:10:36,160

said to let's

315

00:10:39,910 --> 00:10:37,440

let's see if jared wants to do an

316

00:10:40,710 --> 00:10:39,920

interview so i pitched jeremy to be on

317

00:10:43,590 --> 00:10:40,720

the show

318

00:10:45,190 --> 00:10:43,600

um and we totally i totally forgot a

319

00:10:46,630 --> 00:10:45,200

cell phone number because i met him that

320

00:10:48,790 --> 00:10:46,640

time and we exchanged contact

321

00:10:50,790 --> 00:10:48,800

information and we totally forgot

322

00:10:52,230 --> 00:10:50,800

so he liked the concept said he would be

323

00:10:55,190 --> 00:10:52,240

on the show um

324

00:10:55,590 --> 00:10:55,200

and then i met jeremy in person and

325

00:10:56,790 --> 00:10:55,600

built

326

00:10:58,710 --> 00:10:56,800

like started a relationship as a

327

00:11:00,550 --> 00:10:58,720

friendship with him and

328

00:11:02,069 --> 00:11:00,560

then you know we ended up talking a lot

329

00:11:04,470 --> 00:11:02,079

about ufos and

330

00:11:05,910 --> 00:11:04,480

i just it was a it was one of the

331

00:11:07,350 --> 00:11:05,920

perfect times where

332

00:11:08,630 --> 00:11:07,360

you know and elves i should say marie

333

00:11:10,949 --> 00:11:08,640

actually said to me she's like you know

334

00:11:12,710 --> 00:11:10,959

so much about ufos chrissy like i never

335

00:11:14,389 --> 00:11:12,720

knew that about you and i said well yeah

336

00:11:16,069 --> 00:11:14,399

like it's it's like something that i

337

00:11:17,750 --> 00:11:16,079

research and and talk about with my

338

00:11:18,790 --> 00:11:17,760

parents and my dad and like and some

339

00:11:20,630 --> 00:11:18,800

friends that like it

340

00:11:21,829 --> 00:11:20,640

and people know that i'm part of like

341

00:11:23,350 --> 00:11:21,839

like ufology

342

00:11:24,710 --> 00:11:23,360

um but i don't always talk about it with

343

00:11:26,230 --> 00:11:24,720

everyone that i that i know and i'm not

344

00:11:28,949 --> 00:11:26,240

always that vocal with it

345

00:11:30,790 --> 00:11:28,959

so that was really the start where um

346

00:11:31,670 --> 00:11:30,800

after the podcast it put me into like

347

00:11:36,870 --> 00:11:31,680

this

348

00:11:37,829 --> 00:11:36,880

and i enjoy it so much more and i love

349

00:11:39,269 --> 00:11:37,839

the community

350

00:11:41,910 --> 00:11:39,279

and then a good friend of mine victor

351

00:11:43,110 --> 00:11:41,920

vigiani asked to be part of a ufo

352

00:11:45,269 --> 00:11:43,120

podcast called

353

00:11:46,150 --> 00:11:45,279

the new frontier network and i said yeah

354

00:11:48,069 --> 00:11:46,160

i'd love to be

355

00:11:49,350 --> 00:11:48,079

and so it just started to trickle down

356

00:11:51,190 --> 00:11:49,360

that way and

357

00:11:52,870 --> 00:11:51,200

you know and it was a time where i was

358

00:11:55,269 --> 00:11:52,880

able then to be able to

359

00:11:55,990 --> 00:11:55,279

talk about ufos in a public relations

360

00:11:58,949 --> 00:11:56,000

point of view because

361

00:12:00,389 --> 00:11:58,959

that's what i do every day so for years

362

00:12:01,910 --> 00:12:00,399

i would have victor vigian

363

00:12:03,670 --> 00:12:01,920

vigiani and all these other people in

364

00:12:04,949 --> 00:12:03,680

the ufo community would ask me like can

365

00:12:07,190 --> 00:12:04,959

you be a publicist for

366

00:12:08,790 --> 00:12:07,200

like ufo topics or things like this

367

00:12:10,550 --> 00:12:08,800

within the mainstream media

368

00:12:12,550 --> 00:12:10,560

how do we get to the mainstream media

369

00:12:13,670 --> 00:12:12,560

chrissy and i would say well you know i

370

00:12:15,509 --> 00:12:13,680

love my job

371

00:12:17,590 --> 00:12:15,519

um i have to be careful because

372

00:12:19,190 --> 00:12:17,600

mainstream media you know years ago was

373

00:12:21,750 --> 00:12:19,200

not picking it up

374

00:12:22,230 --> 00:12:21,760

so slowly as things started to come to

375

00:12:24,069 --> 00:12:22,240

be

376

00:12:25,990 --> 00:12:24,079

you know the mainstream media started

377

00:12:27,509 --> 00:12:26,000

talking about it it was a perfect time

378

00:12:29,509 --> 00:12:27,519

when i started talk to being on a

379

00:12:30,870 --> 00:12:29,519

podcast a ufo podcast

380

00:12:32,550 --> 00:12:30,880

and then i was helping other people

381

00:12:34,310 --> 00:12:32,560

within the community um

382

00:12:36,870 --> 00:12:34,320

and really being able to use my public

383

00:12:39,269 --> 00:12:36,880

relation skills in combination

384

00:12:40,870 --> 00:12:39,279

with ufology of stuff that i like so it

385

00:12:41,990 --> 00:12:40,880

was you know it's good timing i guess

386

00:12:45,030 --> 00:12:42,000

part of that

387

00:12:47,829 --> 00:12:45,040

um right and yeah and it's like so and

388

00:12:50,069 --> 00:12:47,839

that's where we meet with the debrief

389

00:12:51,030 --> 00:12:50,079

right yeah you're right i i should i

390

00:12:52,870 --> 00:12:51,040

should have mentioned yeah

391

00:12:54,470 --> 00:12:52,880

that's kind of what led you to the

392

00:12:57,110 --> 00:12:54,480

debrief as well um

393

00:12:58,629 --> 00:12:57,120

well i guess let's um let's rewind just

394

00:13:01,269 --> 00:12:58,639

a little bit because you bring up so

395

00:13:04,470 --> 00:13:01,279

many good points especially with um

396

00:13:07,670 --> 00:13:04,480

kind of seeing ufology as um

397

00:13:09,430 --> 00:13:07,680

a brand like it's important and

398

00:13:10,870 --> 00:13:09,440

you know marketing again something that

399

00:13:13,350 --> 00:13:10,880

you do uh

400

00:13:14,230 --> 00:13:13,360

to have people like that in the field i

401
00:13:17,269 --> 00:13:14,240
think is

402
00:13:18,629 --> 00:13:17,279
uh exciting because we're so used to

403
00:13:20,310 --> 00:13:18,639
being a subculture

404
00:13:21,990 --> 00:13:20,320
where we talk to one another in these

405
00:13:25,910 --> 00:13:22,000
echo chambers on

406
00:13:28,230 --> 00:13:25,920
ufo twitter or you know the days of aol

407
00:13:29,670 --> 00:13:28,240
forums with like you know ufos

408
00:13:33,030 --> 00:13:29,680
conspiracies but

409
00:13:33,430 --> 00:13:33,040
it has changed and ufos have seemingly

410
00:13:35,030 --> 00:13:33,440
gone

411
00:13:37,590 --> 00:13:35,040
mainstream so i'd like to get your

412
00:13:39,430 --> 00:13:37,600
opinion when do you think that happened

413
00:13:40,949 --> 00:13:39,440

what was like the turning point where it

414

00:13:43,590 --> 00:13:40,959

was like wow

415

00:13:44,150 --> 00:13:43,600

new york times um yeah i mean look at

416

00:13:46,870 --> 00:13:44,160

this week

417

00:13:47,990 --> 00:13:46,880

cnn fox it doesn't matter which

418

00:13:50,870 --> 00:13:48,000

mainstream media outlet

419

00:13:51,750 --> 00:13:50,880

you follow or watch uh there were ufo

420

00:13:53,990 --> 00:13:51,760

stories

421

00:13:56,310 --> 00:13:54,000

all this past couple weeks so when do

422

00:14:00,150 --> 00:13:56,320

you think that point truly was when uh

423

00:14:02,310 --> 00:14:00,160

ufos started to really go mainstream

424

00:14:03,990 --> 00:14:02,320

yeah i think there's a lot of catalyst

425

00:14:05,269 --> 00:14:04,000

moments that really push it into

426

00:14:07,509 --> 00:14:05,279

mainstream

427

00:14:09,750 --> 00:14:07,519

you know bob lazar's conversation

428

00:14:10,710 --> 00:14:09,760

started in the early 80s helped it but

429

00:14:14,069 --> 00:14:10,720

it didn't

430

00:14:16,069 --> 00:14:14,079

tons of times where

431

00:14:17,829 --> 00:14:16,079

ufos have been in the mainstream like

432

00:14:19,509 --> 00:14:17,839

you know life magazine

433

00:14:21,990 --> 00:14:19,519

when we talk about betty and bernie hill

434

00:14:22,470 --> 00:14:22,000

like there's so many different moments

435

00:14:24,949 --> 00:14:22,480

but

436

00:14:26,470 --> 00:14:24,959

the most i think that pushed it into

437

00:14:28,949 --> 00:14:26,480

popular culture

438

00:14:31,189 --> 00:14:28,959

recently and had the masses really start

439

00:14:31,750 --> 00:14:31,199

to understand what ufology means and

440

00:14:34,470 --> 00:14:31,760

that you

441

00:14:34,790 --> 00:14:34,480

and taking ufo seriously i would say for

442

00:14:37,670 --> 00:14:34,800

sure

443

00:14:38,470 --> 00:14:37,680

is the new york times you know 2017 i

444

00:14:41,350 --> 00:14:38,480

believe

445

00:14:43,189 --> 00:14:41,360

um you know leslie keane you know ralph

446

00:14:46,230 --> 00:14:43,199

blumenthal like all of those

447

00:14:48,310 --> 00:14:46,240

journalists that are pushing towards

448

00:14:49,910 --> 00:14:48,320

having ufology and the understanding and

449

00:14:50,790 --> 00:14:49,920

getting obviously the pentagon to even

450

00:14:52,629 --> 00:14:50,800

speak about it

451
00:14:54,790 --> 00:14:52,639
you know those are real catalyst moments

452
00:14:55,509 --> 00:14:54,800
that pushed it in and then i would say

453
00:14:58,550 --> 00:14:55,519
on even

454
00:15:00,470 --> 00:14:58,560
after that is joe rogan and then the

455
00:15:02,710 --> 00:15:00,480
the meme that came out you know storm

456
00:15:05,430 --> 00:15:02,720
area 51 raid area 51

457
00:15:07,189 --> 00:15:05,440
so those are really the times that you

458
00:15:08,069 --> 00:15:07,199
know i think you had over 5 million

459
00:15:11,269 --> 00:15:08,079
people

460
00:15:13,509 --> 00:15:11,279
wanting to raid area 51

461
00:15:14,790 --> 00:15:13,519
and knowing about what area 51 is right

462
00:15:16,470 --> 00:15:14,800
which is like

463
00:15:18,389 --> 00:15:16,480

at that point was not a conversation

464

00:15:19,990 --> 00:15:18,399

anymore and so

465

00:15:21,269 --> 00:15:20,000

and which i find even more interesting

466

00:15:22,870 --> 00:15:21,279

is that you're getting this younger

467

00:15:24,310 --> 00:15:22,880

generation that's actually understanding

468

00:15:26,470 --> 00:15:24,320

what's happened so it's like a totally

469

00:15:28,710 --> 00:15:26,480

other resurgence of

470

00:15:30,710 --> 00:15:28,720

you you know of ufology of bob lazar

471

00:15:32,230 --> 00:15:30,720

story and what's actually happening and

472

00:15:33,670 --> 00:15:32,240

then people asking more questions

473

00:15:34,470 --> 00:15:33,680

because you're also getting this other

474

00:15:37,269 --> 00:15:34,480

young

475

00:15:37,990 --> 00:15:37,279

zed audience that's going hold on what

476

00:15:40,069 --> 00:15:38,000

is this like

477

00:15:41,749 --> 00:15:40,079

ufology like ufos like i thought that

478

00:15:43,110 --> 00:15:41,759

was just jokes that i didn't think it

479

00:15:44,790 --> 00:15:43,120

was real like this is

480

00:15:46,310 --> 00:15:44,800

yeah and so they're learning a lot more

481

00:15:47,829 --> 00:15:46,320

and you're also opening up the

482

00:15:49,910 --> 00:15:47,839

conversation to people that

483

00:15:53,030 --> 00:15:49,920

didn't even know what you know area 51

484

00:15:55,910 --> 00:15:53,040

was or or any conversation about ufos so

485

00:15:57,829 --> 00:15:55,920

that was really i think one of those and

486

00:15:59,670 --> 00:15:57,839

important times that it happened and joe

487

00:16:00,790 --> 00:15:59,680

rogan was is a huge voice for that and

488

00:16:02,790 --> 00:16:00,800

he still is

489

00:16:04,230 --> 00:16:02,800

he's a very important voice to push it

490

00:16:06,629 --> 00:16:04,240

for pop culture

491

00:16:08,230 --> 00:16:06,639

so a lot of people follow him you know

492

00:16:09,829 --> 00:16:08,240

and what he says

493

00:16:11,590 --> 00:16:09,839

you know he doesn't mean that he has all

494

00:16:13,590 --> 00:16:11,600

the right information

495

00:16:15,350 --> 00:16:13,600

and that's the time where people like

496

00:16:17,269 --> 00:16:15,360

myself or other people

497

00:16:19,189 --> 00:16:17,279

that are in the community that have that

498

00:16:20,470 --> 00:16:19,199

ability to be able i'm not good friends

499

00:16:20,790 --> 00:16:20,480

with joe oregon they shouldn't be saying

500

00:16:24,069 --> 00:16:20,800

that

501
00:16:25,990 --> 00:16:24,079
but in context of being able to to push

502
00:16:27,910 --> 00:16:26,000
different conversations of all different

503
00:16:31,269 --> 00:16:27,920
journalists all different experts

504
00:16:34,310 --> 00:16:31,279
to the proper media so that they can get

505
00:16:36,629 --> 00:16:34,320
the proper information and ask

506
00:16:38,870 --> 00:16:36,639
really credible resources and really

507
00:16:41,910 --> 00:16:38,880
incredible investigative journalists

508
00:16:44,550 --> 00:16:41,920
for information that is

509
00:16:46,629 --> 00:16:44,560
i would say that's academic and also

510
00:16:50,389 --> 00:16:46,639
something that's trustworthy

511
00:16:53,990 --> 00:16:50,399
right and we know for a fact that

512
00:16:55,990 --> 00:16:54,000
things like uh the pentagon uh ufo task

513
00:16:58,389 --> 00:16:56,000

force that's going on right here in the

514

00:17:00,069 --> 00:16:58,399

united states we know that they're

515

00:17:03,110 --> 00:17:00,079

actually turning to

516

00:17:06,069 --> 00:17:03,120

the ufo community for information

517

00:17:08,069 --> 00:17:06,079

which is crazy to me uh you know people

518

00:17:08,870 --> 00:17:08,079

like luis elizondo the former head of

519

00:17:11,829 --> 00:17:08,880

atip

520

00:17:13,189 --> 00:17:11,839

telling us um you probably are noticing

521

00:17:15,750 --> 00:17:13,199

a lot of new

522

00:17:17,029 --> 00:17:15,760

uh twitter accounts in the whole ufo

523

00:17:19,510 --> 00:17:17,039

twitter sphere

524

00:17:20,390 --> 00:17:19,520

i don't think these are just like trolls

525

00:17:22,069 --> 00:17:20,400

or bots

526

00:17:23,590 --> 00:17:22,079

these are people in the intelligence

527

00:17:25,990 --> 00:17:23,600

community keeping the tabs

528

00:17:27,110 --> 00:17:26,000

on latest information because you look

529

00:17:29,669 --> 00:17:27,120

at something like

530

00:17:30,470 --> 00:17:29,679

these leaked reports that the debrief

531

00:17:33,270 --> 00:17:30,480

obtained

532

00:17:34,470 --> 00:17:33,280

or uh these photos that george knapp got

533

00:17:36,230 --> 00:17:34,480

these are coming

534

00:17:38,390 --> 00:17:36,240

from the task force this is what they're

535

00:17:41,029 --> 00:17:38,400

looking at and they have no

536

00:17:42,870 --> 00:17:41,039

idea what these things are but when

537

00:17:44,870 --> 00:17:42,880

they're out in the public in the ufo

538

00:17:47,590 --> 00:17:44,880

community full of very passionate

539

00:17:48,070 --> 00:17:47,600

people either thinking it's aliens or

540

00:17:49,909 --> 00:17:48,080

thinking

541

00:17:51,590 --> 00:17:49,919

it's just a camera effect in these

542

00:17:54,310 --> 00:17:51,600

photos or these uh

543

00:17:55,110 --> 00:17:54,320

videos or maybe their balloons it's

544

00:17:57,510 --> 00:17:55,120

possible

545

00:17:58,470 --> 00:17:57,520

and the people outside of the government

546

00:18:01,590 --> 00:17:58,480

might actually have

547

00:18:02,549 --> 00:18:01,600

more information than the actual

548

00:18:05,669 --> 00:18:02,559

government

549

00:18:07,909 --> 00:18:05,679

um which i think is amazing so

550

00:18:09,190 --> 00:18:07,919

i hope to see more transparency and

551
00:18:11,350 --> 00:18:09,200
working together

552
00:18:12,710 --> 00:18:11,360
uh in this field especially as it

553
00:18:15,190 --> 00:18:12,720
becomes more popular

554
00:18:16,310 --> 00:18:15,200
which uh we both see happening right

555
00:18:17,990 --> 00:18:16,320
yeah and i agree

556
00:18:19,510 --> 00:18:18,000
i want more people to work together

557
00:18:21,830 --> 00:18:19,520
because i think that we're all

558
00:18:24,070 --> 00:18:21,840
kind of going towards maybe all maybe

559
00:18:26,150 --> 00:18:24,080
different goals but i think there is

560
00:18:28,150 --> 00:18:26,160
you know this transparency that we want

561
00:18:30,230 --> 00:18:28,160
and disclosure that we want

562
00:18:32,070 --> 00:18:30,240
from the government and we want an

563
00:18:33,590 --> 00:18:32,080

answer so people might be doing it in

564

00:18:35,990 --> 00:18:33,600

different ways but we're all

565

00:18:37,350 --> 00:18:36,000

kind of going down that road of wanting

566

00:18:40,070 --> 00:18:37,360

more information

567

00:18:41,990 --> 00:18:40,080

information wanting truth and want to

568

00:18:44,230 --> 00:18:42,000

see transparency so i think the more

569

00:18:45,669 --> 00:18:44,240

that we work together together will

570

00:18:47,029 --> 00:18:45,679

probably get us in a proper direction

571

00:18:49,750 --> 00:18:47,039

and also put a lot more heat

572

00:18:51,190 --> 00:18:49,760

under those people that that obviously

573

00:18:52,310 --> 00:18:51,200

have a lot more information that they

574

00:18:54,470 --> 00:18:52,320

can release

575

00:18:56,150 --> 00:18:54,480

and tell us and the more heat that we

576

00:18:56,950 --> 00:18:56,160

have underneath that and put a fire

577

00:18:59,029 --> 00:18:56,960

under their butt

578

00:19:00,390 --> 00:18:59,039

then we're probably gonna get we're

579

00:19:01,350 --> 00:19:00,400

probably gonna hopefully get what we

580

00:19:03,990 --> 00:19:01,360

want so

581

00:19:06,630 --> 00:19:04,000

yeah i mean that seems to be what it's

582

00:19:09,029 --> 00:19:06,640

taking for the department of defense to

583

00:19:10,310 --> 00:19:09,039

acknowledge those three navy ufo videos

584

00:19:12,630 --> 00:19:10,320

that we've been looking at

585

00:19:14,549 --> 00:19:12,640

for god almost four years now uh for

586

00:19:16,870 --> 00:19:14,559

them to officially acknowledge them

587

00:19:18,070 --> 00:19:16,880

we had to back them into a corner and

588

00:19:21,190 --> 00:19:18,080

say yo

589

00:19:23,190 --> 00:19:21,200

uh 20 navy officers said they saw this

590

00:19:25,029 --> 00:19:23,200

one of them said he filmed it one said

591

00:19:28,310 --> 00:19:25,039

that he chased this thing

592

00:19:30,230 --> 00:19:28,320

like just tell us is this real

593

00:19:31,909 --> 00:19:30,240

and then finally they did because they

594

00:19:34,470 --> 00:19:31,919

were forced to so i think you're right

595

00:19:36,470 --> 00:19:34,480

things like these movements with uh you

596

00:19:39,669 --> 00:19:36,480

know the big phone home happening

597

00:19:41,750 --> 00:19:39,679

uh with uh luis jimenez over at the

598

00:19:42,950 --> 00:19:41,760

unidentified celebrity review or you've

599

00:19:45,830 --> 00:19:42,960

got the

600

00:19:47,270 --> 00:19:45,840

scientific coalition for uap studies uh

601
00:19:50,549 --> 00:19:47,280
petitioning congress

602
00:19:51,350 --> 00:19:50,559
and saying here's 50 phds who want to

603
00:19:53,430 --> 00:19:51,360
help you

604
00:19:55,110 --> 00:19:53,440
try to figure out these things you're

605
00:19:55,510 --> 00:19:55,120
looking at in these videos and whatnot

606
00:19:58,230 --> 00:19:55,520
like

607
00:19:58,630 --> 00:19:58,240
let us help you which i think is so cool

608
00:20:01,350 --> 00:19:58,640
yeah

609
00:20:03,029 --> 00:20:01,360
i agree and i also think that over time

610
00:20:04,870 --> 00:20:03,039
the masses are going to even

611
00:20:06,070 --> 00:20:04,880
become more part of this you know as

612
00:20:07,990 --> 00:20:06,080
more people start learning

613
00:20:09,909 --> 00:20:08,000

and the louder people's voices are and

614

00:20:12,870 --> 00:20:09,919

the more that they're amplified

615

00:20:15,110 --> 00:20:12,880

in mainstream media on social media

616

00:20:16,710 --> 00:20:15,120

getting other people like lou elizondo

617

00:20:18,470 --> 00:20:16,720

that's accrediting other people that

618

00:20:19,909 --> 00:20:18,480

have great information more people that

619

00:20:20,870 --> 00:20:19,919

are becoming you know accredited

620

00:20:23,110 --> 00:20:20,880

journalists

621

00:20:24,230 --> 00:20:23,120

more people that are talking about it

622

00:20:26,470 --> 00:20:24,240

will get the

623

00:20:27,430 --> 00:20:26,480

average person asking questions and we

624

00:20:29,510 --> 00:20:27,440

want them to

625

00:20:30,950 --> 00:20:29,520

to ask those questions so that they

626

00:20:32,710 --> 00:20:30,960

start to put then heat

627

00:20:34,950 --> 00:20:32,720

right and then once you start getting

628

00:20:36,710 --> 00:20:34,960

that effect there's no way

629

00:20:38,470 --> 00:20:36,720

that the american government or anyone

630

00:20:40,470 --> 00:20:38,480

else can say can deny that

631

00:20:41,510 --> 00:20:40,480

because you have too many people pushing

632

00:20:44,470 --> 00:20:41,520

towards a movement

633

00:20:46,549 --> 00:20:44,480

that want the truth and so i really see

634

00:20:48,950 --> 00:20:46,559

that happening more you know i'm i'm

635

00:20:49,750 --> 00:20:48,960

really hopeful in the next five to ten

636

00:20:52,230 --> 00:20:49,760

years

637

00:20:53,430 --> 00:20:52,240

we're gonna have way more people part of

638

00:20:56,390 --> 00:20:53,440

this and more

639

00:20:57,029 --> 00:20:56,400

way more people pushing for the truth

640

00:21:02,230 --> 00:20:57,039

and

641

00:21:04,070 --> 00:21:02,240

part of something like this

642

00:21:06,310 --> 00:21:04,080

because we're seeing history right now

643

00:21:08,390 --> 00:21:06,320

which i which i think is unbelievable

644

00:21:09,430 --> 00:21:08,400

with with everything that we're doing

645

00:21:10,950 --> 00:21:09,440

and one day

646

00:21:13,110 --> 00:21:10,960

people will read about this you know

647

00:21:13,669 --> 00:21:13,120

maybe 50 years from now 100 years from

648

00:21:17,270 --> 00:21:13,679

now

649

00:21:19,029 --> 00:21:17,280

are these are people

650

00:21:21,190 --> 00:21:19,039

that pushed for the truth and people

651
00:21:22,789 --> 00:21:21,200
that started it you know i have a good

652
00:21:25,510 --> 00:21:22,799
friend of mine victor vigiani

653
00:21:26,710 --> 00:21:25,520
you know he's an amazing ufologist he's

654
00:21:28,390 --> 00:21:26,720
somebody that's always

655
00:21:29,909 --> 00:21:28,400
generally pretty quiet and behind the

656
00:21:30,950 --> 00:21:29,919
scenes but he helps all the rest of the

657
00:21:32,230 --> 00:21:30,960
journalists and all the other

658
00:21:34,470 --> 00:21:32,240
investigators

659
00:21:36,710 --> 00:21:34,480
really come to you know finding

660
00:21:39,830 --> 00:21:36,720
information or asking questions

661
00:21:42,070 --> 00:21:39,840
and he's a mentor of mine in canada and

662
00:21:43,830 --> 00:21:42,080
you know i love victor to death because

663
00:21:46,230 --> 00:21:43,840

the one thing about him

664

00:21:48,149 --> 00:21:46,240

is that he's been pushing for disclosure

665

00:21:51,669 --> 00:21:48,159

his entire life

666

00:21:54,710 --> 00:21:51,679

and i remember when in 2017

667

00:21:56,070 --> 00:21:54,720

i was on a vacation in mexico and he

668

00:21:57,029 --> 00:21:56,080

sent me a text and i've told the story a

669

00:21:58,950 --> 00:21:57,039

couple times

670

00:22:00,710 --> 00:21:58,960

um sent me a text when the mainstream

671

00:22:03,430 --> 00:22:00,720

media picked it up in the new york times

672

00:22:05,270 --> 00:22:03,440

and he was like chrissy he's like are

673

00:22:07,430 --> 00:22:05,280

you seeing this and i was like i'm on a

674

00:22:09,590 --> 00:22:07,440

beach on a vacation finally

675

00:22:11,430 --> 00:22:09,600

in mexico and he's like look at your

676

00:22:12,070 --> 00:22:11,440

phone like look at this look at social

677

00:22:14,390 --> 00:22:12,080

media

678

00:22:15,270 --> 00:22:14,400

and i was like scanning through my phone

679

00:22:18,310 --> 00:22:15,280

and i'm like

680

00:22:21,190 --> 00:22:18,320

oh like i was just like blown away

681

00:22:22,950 --> 00:22:21,200

and for him and watching how happy he

682

00:22:25,430 --> 00:22:22,960

was and all these other people that have

683

00:22:28,149 --> 00:22:25,440

been fighting for their entire lives

684

00:22:28,950 --> 00:22:28,159

say like we did it like we actually got

685

00:22:30,950 --> 00:22:28,960

through

686

00:22:32,710 --> 00:22:30,960

and he's one of those people like i

687

00:22:34,950 --> 00:22:32,720

would be on emails with victor

688

00:22:37,430 --> 00:22:34,960

and him emailing you know all different

689

00:22:39,270 --> 00:22:37,440

media outlets and writing press releases

690

00:22:40,630 --> 00:22:39,280

and you know he was like one of the

691

00:22:43,430 --> 00:22:40,640

first pr people

692

00:22:45,110 --> 00:22:43,440

i would say in ufology because and he

693

00:22:45,909 --> 00:22:45,120

was doing it for free because he i

694

00:22:47,990 --> 00:22:45,919

obviously do

695

00:22:48,950 --> 00:22:48,000

i'm not not making moabs of money off

696

00:22:51,110 --> 00:22:48,960

this obviously him

697

00:22:52,549 --> 00:22:51,120

do other jobs in pr yeah i don't know

698

00:22:54,549 --> 00:22:52,559

what he does right exactly

699

00:22:55,909 --> 00:22:54,559

just so people know that um but it's

700

00:22:58,950 --> 00:22:55,919

like for him it was just

701
00:23:00,470 --> 00:22:58,960
a love you know so he was writing press

702
00:23:02,950 --> 00:23:00,480
releases he was pitching

703
00:23:04,390 --> 00:23:02,960
media outlets he would copy me on stuff

704
00:23:06,710 --> 00:23:04,400
and and it was just

705
00:23:08,149 --> 00:23:06,720
and seeing that him being able to

706
00:23:10,230 --> 00:23:08,159
watching the our community

707
00:23:12,149 --> 00:23:10,240
get through was something that i was so

708
00:23:12,870 --> 00:23:12,159
proud for him and for everybody else

709
00:23:15,190 --> 00:23:12,880
because

710
00:23:16,310 --> 00:23:15,200
that would that was the start of now

711
00:23:16,630 --> 00:23:16,320
that's something that's probably going

712
00:23:18,789 --> 00:23:16,640
to

713
00:23:20,630 --> 00:23:18,799

change the way we look at ufos and the

714

00:23:22,230 --> 00:23:20,640

mainstream media and everybody does

715

00:23:23,750 --> 00:23:22,240

in the next coming years which i think

716

00:23:26,070 --> 00:23:23,760

is really wonderful

717

00:23:27,350 --> 00:23:26,080

yeah it's cool and you're right i think

718

00:23:29,430 --> 00:23:27,360

i look at someone like

719

00:23:31,510 --> 00:23:29,440

again my mentor peter robbins here in

720

00:23:33,270 --> 00:23:31,520

the united states a very well-known

721

00:23:35,110 --> 00:23:33,280

ufo researcher or you look at someone

722

00:23:36,149 --> 00:23:35,120

like stanton friedman who fought for

723

00:23:39,270 --> 00:23:36,159

disclosure

724

00:23:41,190 --> 00:23:39,280

his entire 55-year career in

725

00:23:42,950 --> 00:23:41,200

like ufology if you want to call it a

726

00:23:45,830 --> 00:23:42,960

career i guess he kind of did

727

00:23:47,510 --> 00:23:45,840

um but you know on someone like him it's

728

00:23:50,789 --> 00:23:47,520

so unfortunate that like

729

00:23:53,669 --> 00:23:50,799

he passed away you know not too long

730

00:23:54,789 --> 00:23:53,679

before that big news story struck could

731

00:23:56,230 --> 00:23:54,799

you imagine like what that would have

732

00:23:58,710 --> 00:23:56,240

meant to someone like him

733

00:23:59,430 --> 00:23:58,720

um but hey you know that's what happens

734

00:24:06,950 --> 00:23:59,440

we

735

00:24:09,669 --> 00:24:06,960

considered younger people in this field

736

00:24:11,430 --> 00:24:09,679

um for them to have that kind of

737

00:24:11,830 --> 00:24:11,440

validation of like this has been worth

738

00:24:15,510 --> 00:24:11,840

it

739

00:24:17,430 --> 00:24:15,520

we're making strides um that that's so

740

00:24:19,110 --> 00:24:17,440

cool you know that they they get to see

741

00:24:20,390 --> 00:24:19,120

that and then we get to build off of

742

00:24:21,830 --> 00:24:20,400

everything they've done

743

00:24:23,430 --> 00:24:21,840

and like you said bring it to the

744

00:24:26,470 --> 00:24:23,440

younger generation i mean

745

00:24:29,190 --> 00:24:26,480

the work i do with the the cw network

746

00:24:31,350 --> 00:24:29,200

is for a very young demographic who's

747

00:24:33,110 --> 00:24:31,360

never heard of area 51 who's never heard

748

00:24:34,789 --> 00:24:33,120

of the roswell ufo crash

749

00:24:36,149 --> 00:24:34,799

so when i first got approached about

750

00:24:38,789 --> 00:24:36,159

doing a show like that

751
00:24:40,149 --> 00:24:38,799
i was very hesitant i'm like why why are

752
00:24:41,190 --> 00:24:40,159
you covering area 51 why are you

753
00:24:42,870 --> 00:24:41,200
covering roswell

754
00:24:44,470 --> 00:24:42,880
and all they had to do is show me the

755
00:24:44,950 --> 00:24:44,480
demographic of their network and i was

756
00:24:47,590 --> 00:24:44,960
like

757
00:24:48,710 --> 00:24:47,600
i get it cool so we're educating a new

758
00:24:51,510 --> 00:24:48,720
generation

759
00:24:53,190 --> 00:24:51,520
to show them what came before so that

760
00:24:55,669 --> 00:24:53,200
they have knowledge of what

761
00:24:57,430 --> 00:24:55,679
could be coming next and like you said

762
00:24:59,269 --> 00:24:57,440
the younger generation is so

763
00:25:00,630 --> 00:24:59,279

internet savvy i mean you look at

764

00:25:03,990 --> 00:25:00,640

tick-tock right now

765

00:25:05,590 --> 00:25:04,000

and it's just blown up with ufo stuff my

766

00:25:07,510 --> 00:25:05,600

even my parents are sending me

767

00:25:09,190 --> 00:25:07,520

tick-tocks my parents

768

00:25:10,789 --> 00:25:09,200

who i didn't think would ever get past

769

00:25:13,029 --> 00:25:10,799

facebook um

770

00:25:15,510 --> 00:25:13,039

are sending me tick-tocks of ufo stuff

771

00:25:16,070 --> 00:25:15,520

so i think it's it's interesting it's so

772

00:25:18,070 --> 00:25:16,080

weird

773

00:25:20,149 --> 00:25:18,080

i never thought i would see this day

774

00:25:21,029 --> 00:25:20,159

yeah and i'm excited for the younger

775

00:25:22,950 --> 00:25:21,039

generation

776

00:25:24,549 --> 00:25:22,960

it makes me really happy like we are

777

00:25:25,350 --> 00:25:24,559

part of that and then there's younger

778

00:25:27,430 --> 00:25:25,360

too

779

00:25:28,789 --> 00:25:27,440

and a lot of other ufologists have said

780

00:25:31,510 --> 00:25:28,799

to me like we're

781

00:25:32,710 --> 00:25:31,520

we need to leave our information our

782

00:25:34,549 --> 00:25:32,720

knowledge

783

00:25:36,149 --> 00:25:34,559

with people that are younger than us so

784

00:25:38,549 --> 00:25:36,159

then we keep going forward

785

00:25:39,990 --> 00:25:38,559

and fighting for disclosure or remember

786

00:25:42,710 --> 00:25:40,000

what they were fighting for and the

787

00:25:45,430 --> 00:25:42,720

information they have so we don't forget

788

00:25:47,590 --> 00:25:45,440

and or other information gets like it's

789

00:25:49,029 --> 00:25:47,600

not disseminated properly to us or we're

790

00:25:50,789 --> 00:25:49,039

told another story and we start

791

00:25:53,430 --> 00:25:50,799

believing a different narrative

792

00:25:54,230 --> 00:25:53,440

so for me it's it's important too to

793

00:25:56,470 --> 00:25:54,240

have this and

794

00:25:58,149 --> 00:25:56,480

and also like you know the podcast that

795

00:26:00,230 --> 00:25:58,159

i'm on with the guys and i'm the

796

00:26:03,190 --> 00:26:00,240

youngest on the podcast you know

797

00:26:04,710 --> 00:26:03,200

i'm just joking i'm like the youngest

798

00:26:05,750 --> 00:26:04,720

but it's great because when they asked

799

00:26:07,990 --> 00:26:05,760

me and

800

00:26:10,310 --> 00:26:08,000

i was like i love to be because i

801
00:26:11,669 --> 00:26:10,320
learned so much from them that's the

802
00:26:13,510 --> 00:26:11,679
other thing i have a diff maybe a

803
00:26:14,870 --> 00:26:13,520
younger or different perspective from

804
00:26:15,990 --> 00:26:14,880
them as well and that's why they brought

805
00:26:17,990 --> 00:26:16,000
me on was for

806
00:26:19,110 --> 00:26:18,000
a pop culture news mainstream

807
00:26:22,390 --> 00:26:19,120
perspective

808
00:26:24,549 --> 00:26:22,400
of ufology but for them they have this

809
00:26:26,310 --> 00:26:24,559
information that when we get together

810
00:26:28,630 --> 00:26:26,320
once a week and we have a meeting

811
00:26:30,870 --> 00:26:28,640
i get to nerd out with them and we just

812
00:26:31,669 --> 00:26:30,880
talk every thursday at noon and have a

813
00:26:33,269 --> 00:26:31,679

meeting

814

00:26:35,350 --> 00:26:33,279

and it's really awesome because then i

815

00:26:36,789 --> 00:26:35,360

learn a crapload from them

816

00:26:38,549 --> 00:26:36,799

and i can ask questions and the nice

817

00:26:40,630 --> 00:26:38,559

thing is i can make mistakes

818

00:26:41,590 --> 00:26:40,640

and i can say like oh i didn't know that

819

00:26:42,789 --> 00:26:41,600

like it's not

820

00:26:44,630 --> 00:26:42,799

you know and then though they'll end up

821

00:26:46,630 --> 00:26:44,640

giving me information we send

822

00:26:47,990 --> 00:26:46,640

you know tons of emails to each other

823

00:26:49,830 --> 00:26:48,000

before we're doing interviews with

824

00:26:51,430 --> 00:26:49,840

guests like it's a really really great

825

00:26:53,110 --> 00:26:51,440

obviously like the ufo community is so

826
00:26:55,110 --> 00:26:53,120
lovely to be in but

827
00:26:56,870 --> 00:26:55,120
with them as well as researchers and

828
00:26:59,190 --> 00:26:56,880
people that were investigating

829
00:27:00,070 --> 00:26:59,200
i see it through their eyes and then i

830
00:27:03,029 --> 00:27:00,080
learn

831
00:27:05,029 --> 00:27:03,039
their point of views because there's a

832
00:27:06,549 --> 00:27:05,039
couple of us on this podcast

833
00:27:08,070 --> 00:27:06,559
and then worldly point of views because

834
00:27:09,190 --> 00:27:08,080
someone's from peru we have somebody

835
00:27:11,750 --> 00:27:09,200
from south africa

836
00:27:12,710 --> 00:27:11,760
we have somebody from the states we have

837
00:27:15,029 --> 00:27:12,720
somebody

838
00:27:16,549 --> 00:27:15,039

from two of us from canada like we're

839

00:27:19,110 --> 00:27:16,559

from all over the place

840

00:27:19,990 --> 00:27:19,120

so i get to hear their perspective from

841

00:27:23,029 --> 00:27:20,000

another country

842

00:27:24,710 --> 00:27:23,039

which is really cool too um so yeah it's

843

00:27:26,470 --> 00:27:24,720

i'm just really fortunate to be part of

844

00:27:28,230 --> 00:27:26,480

it and victor was the one that created

845

00:27:31,029 --> 00:27:28,240

this podcast and came up with the idea

846

00:27:32,630 --> 00:27:31,039

so yeah what i think is really cool with

847

00:27:33,990 --> 00:27:32,640

you know what you're doing and victor

848

00:27:36,310 --> 00:27:34,000

and everyone over there

849

00:27:37,110 --> 00:27:36,320

at new frontiers is uh making this

850

00:27:39,190 --> 00:27:37,120

global

851
00:27:41,029 --> 00:27:39,200
which i think gets lost in the mix a lot

852
00:27:41,909 --> 00:27:41,039
you know it seems to be the united

853
00:27:44,470 --> 00:27:41,919
states

854
00:27:45,909 --> 00:27:44,480
again is trying to just be the example

855
00:27:48,549 --> 00:27:45,919
for everyone else about

856
00:27:50,789 --> 00:27:48,559
the right way to do things but hey look

857
00:27:52,470 --> 00:27:50,799
our government has been pretty cagey

858
00:27:54,070 --> 00:27:52,480
when it comes to ufos where other

859
00:27:56,389 --> 00:27:54,080
nations and countries

860
00:27:57,669 --> 00:27:56,399
have been extremely open and transparent

861
00:27:59,750 --> 00:27:57,679
with their citizens so

862
00:28:01,350 --> 00:27:59,760
um yeah i think it's really cool that

863
00:28:02,870 --> 00:28:01,360

you have someone you kind of have like a

864

00:28:05,510 --> 00:28:02,880

united nations

865

00:28:06,950 --> 00:28:05,520

of ufologists over there um would you

866

00:28:08,149 --> 00:28:06,960

mind sharing some of the names of the

867

00:28:10,389 --> 00:28:08,159

people involved with that

868

00:28:11,990 --> 00:28:10,399

chrissy yeah like uh giorgio's in it

869

00:28:13,669 --> 00:28:12,000

giorgio's been really well known

870

00:28:15,190 --> 00:28:13,679

christopher iverson that's part of it

871

00:28:17,669 --> 00:28:15,200

victor vigiani

872

00:28:19,110 --> 00:28:17,679

like they're just they're just men that

873

00:28:21,909 --> 00:28:19,120

are really really

874

00:28:22,230 --> 00:28:21,919

well well spoken you know they they've

875

00:28:24,230 --> 00:28:22,240

been

876

00:28:25,430 --> 00:28:24,240

researching on their own for years or

877

00:28:26,230 --> 00:28:25,440

working with other people in the

878

00:28:27,990 --> 00:28:26,240

community

879

00:28:29,750 --> 00:28:28,000

they're also friends with tons of other

880

00:28:31,190 --> 00:28:29,760

people in the community as well like

881

00:28:33,029 --> 00:28:31,200

around the world

882

00:28:35,430 --> 00:28:33,039

and i find that really interesting like

883

00:28:36,789 --> 00:28:35,440

they brought me into other meetings with

884

00:28:38,789 --> 00:28:36,799

with people that i think there was like

885

00:28:41,029 --> 00:28:38,799

10 people in a meeting once

886

00:28:42,149 --> 00:28:41,039

talking about ufology and they were from

887

00:28:45,350 --> 00:28:42,159

like france

888

00:28:46,789 --> 00:28:45,360

germany like they were everywhere and

889

00:28:48,710 --> 00:28:46,799

i just said to them i was like this is

890

00:28:52,470 --> 00:28:48,720

the most universal

891

00:28:55,750 --> 00:28:52,480

global meeting i've ever been part of

892

00:28:57,669 --> 00:28:55,760

um yeah and i think that for for them

893

00:28:58,789 --> 00:28:57,679

you know it's it's important they they

894

00:29:01,110 --> 00:28:58,799

do that and

895

00:29:02,230 --> 00:29:01,120

for men that have been doing this their

896

00:29:03,990 --> 00:29:02,240

entire lives they've

897

00:29:05,350 --> 00:29:04,000

really created a wonderful network of

898

00:29:07,830 --> 00:29:05,360

people that

899

00:29:09,110 --> 00:29:07,840

you know that that they brought me into

900

00:29:11,190 --> 00:29:09,120

and and i got to meet

901
00:29:13,350 --> 00:29:11,200
and become friends with as well but also

902
00:29:13,669 --> 00:29:13,360
then rely on each other as resources to

903
00:29:15,590 --> 00:29:13,679
get

904
00:29:17,990 --> 00:29:15,600
great information and i think that

905
00:29:19,990 --> 00:29:18,000
that's that's the part that's really

906
00:29:21,909 --> 00:29:20,000
important is that they get to share

907
00:29:23,990 --> 00:29:21,919
ideas and they're all

908
00:29:25,990 --> 00:29:24,000
looking at you know obviously wanting

909
00:29:28,230 --> 00:29:26,000
disclosure and wanting again i keep

910
00:29:30,310 --> 00:29:28,240
saying wanting the truth and they're

911
00:29:31,990 --> 00:29:30,320
talking to each other around the world

912
00:29:34,149 --> 00:29:32,000
to have their governments come forward

913
00:29:34,549 --> 00:29:34,159

and talk about it so it's it's really

914

00:29:37,430 --> 00:29:34,559

cool

915

00:29:38,789 --> 00:29:37,440

yeah again um i think when other nations

916

00:29:41,510 --> 00:29:38,799

put that pressure on

917

00:29:42,310 --> 00:29:41,520

uh and they are more vocal and open to

918

00:29:44,710 --> 00:29:42,320

it uh

919

00:29:46,070 --> 00:29:44,720

then hopefully the united states will

920

00:29:48,310 --> 00:29:46,080

follow soon you know i

921

00:29:50,070 --> 00:29:48,320

that's what we can hope for but um i

922

00:29:52,310 --> 00:29:50,080

have hope i have hope you know

923

00:29:54,070 --> 00:29:52,320

that's but that's the word that i want

924

00:29:57,510 --> 00:29:54,080

to ask you about chrissy hope

925

00:30:00,710 --> 00:29:57,520

um we have this report that's due

926
00:30:02,710 --> 00:30:00,720
i believe june 25th here in the united

927
00:30:04,230 --> 00:30:02,720
states where we're supposed to get

928
00:30:06,630 --> 00:30:04,240
what the pentagon has been looking at

929
00:30:09,350 --> 00:30:06,640
when it comes to uap ufos

930
00:30:10,630 --> 00:30:09,360
and a lot of people are super excited

931
00:30:12,149 --> 00:30:10,640
and they think this is it this is

932
00:30:13,110 --> 00:30:12,159
disclosure we're getting what we've

933
00:30:15,510 --> 00:30:13,120
always wanted

934
00:30:16,710 --> 00:30:15,520
and then there's those of us who are a

935
00:30:18,870 --> 00:30:16,720
bit more tempered

936
00:30:19,990 --> 00:30:18,880
and then even probably a smaller

937
00:30:22,310 --> 00:30:20,000
fraction who are like

938
00:30:23,750 --> 00:30:22,320

this is stupid nothing's gonna happen

939

00:30:26,350 --> 00:30:23,760

we've seen this before

940

00:30:28,389 --> 00:30:26,360

um so where do you lay in this whole

941

00:30:30,630 --> 00:30:28,399

180-day report

942

00:30:32,070 --> 00:30:30,640

um of grand disclosure that's gonna

943

00:30:34,070 --> 00:30:32,080

happen in june

944

00:30:35,510 --> 00:30:34,080

i'm on the side i don't think we're

945

00:30:39,669 --> 00:30:35,520

gonna get a lot

946

00:30:41,669 --> 00:30:39,679

i just i don't it would be surprising if

947

00:30:44,789 --> 00:30:41,679

the government decided to go

948

00:30:45,990 --> 00:30:44,799

here is you know here's everything or

949

00:30:49,430 --> 00:30:46,000

here's a like i just

950

00:30:52,549 --> 00:30:49,440

we've never really seen it before so i'm

951

00:30:55,750 --> 00:30:52,559

i'm hopeful that maybe they'll they'll

952

00:30:58,310 --> 00:30:55,760

tell us more information but i i'm

953

00:31:00,230 --> 00:30:58,320

really not waiting for this you know

954

00:31:02,310 --> 00:31:00,240

this grand disclosure moment

955

00:31:03,750 --> 00:31:02,320

i just don't think it's gonna happen you

956

00:31:05,430 --> 00:31:03,760

know from even from other files that

957

00:31:07,269 --> 00:31:05,440

we've seen that have been released

958

00:31:08,950 --> 00:31:07,279

it's not like it's always new

959

00:31:10,549 --> 00:31:08,960

information like it's a lot of

960

00:31:11,990 --> 00:31:10,559

information that the community has been

961

00:31:14,149 --> 00:31:12,000

researching and looking up and then

962

00:31:17,590 --> 00:31:14,159

they've just kind of it's been confirmed

963

00:31:18,070 --> 00:31:17,600

so i just i'm not i'm not saying that

964

00:31:19,509 --> 00:31:18,080

i'm

965

00:31:21,509 --> 00:31:19,519

trying to be negative i just don't feel

966

00:31:22,950 --> 00:31:21,519

that we're gonna get what we want as a

967

00:31:24,630 --> 00:31:22,960

community

968

00:31:26,310 --> 00:31:24,640

yeah you know prepare for their worst

969

00:31:27,750 --> 00:31:26,320

and i hope for the best right

970

00:31:29,669 --> 00:31:27,760

right and i think that we're probably

971

00:31:31,909 --> 00:31:29,679

gonna over we're gonna have to keep

972

00:31:33,190 --> 00:31:31,919

fighting for more and more information

973

00:31:35,990 --> 00:31:33,200

and even this is just

974

00:31:37,190 --> 00:31:36,000

to start so this just happening is

975

00:31:39,110 --> 00:31:37,200

really great and

976
00:31:40,710 --> 00:31:39,120
i'm thankful that that's happened and

977
00:31:42,389 --> 00:31:40,720
then we'll see how next year is

978
00:31:43,750 --> 00:31:42,399
and we'll keep fighting and we'll keep

979
00:31:46,070 --> 00:31:43,760
fighting for

980
00:31:47,909 --> 00:31:46,080
more information and more disclosure and

981
00:31:49,269 --> 00:31:47,919
i think that at some point we'll start

982
00:31:51,029 --> 00:31:49,279
getting things that we want but i have a

983
00:31:53,590 --> 00:31:51,039
feeling it will be spoon fed to us

984
00:31:55,990 --> 00:31:53,600
i don't think it's gonna be this ma i'm

985
00:31:58,230 --> 00:31:56,000
not holding my breath

986
00:31:59,350 --> 00:31:58,240
i think that's really all we can do at

987
00:32:01,669 --> 00:31:59,360
this point um

988
00:32:02,950 --> 00:32:01,679

and it'll probably be delayed as most

989

00:32:08,630 --> 00:32:02,960

things in government

990

00:32:12,310 --> 00:32:10,470

what's up guys ryan sprague here and i'm

991

00:32:14,789 --> 00:32:12,320

just dropping in to remind you about our

992

00:32:16,389 --> 00:32:14,799

patreon campaign somewhere in the skies

993

00:32:18,310 --> 00:32:16,399

is always free to consume

994

00:32:20,549 --> 00:32:18,320

but it's not free to create so if you

995

00:32:22,789 --> 00:32:20,559

want to help the show on a monthly basis

996

00:32:23,590 --> 00:32:22,799

we have tons of rewards for you in

997

00:32:25,269 --> 00:32:23,600

return

998

00:32:27,190 --> 00:32:25,279

including shout outs on the show and

999

00:32:30,230 --> 00:32:27,200

website bonus content

1000

00:32:30,870 --> 00:32:30,240

and episodes and free merch want to be

1001
00:32:33,350 --> 00:32:30,880
my guest

1002
00:32:34,310 --> 00:32:33,360
or pick a topic for the show you can do

1003
00:32:35,750 --> 00:32:34,320
that too

1004
00:32:37,710 --> 00:32:35,760
so if you'd like to learn more and to

1005
00:32:40,549 --> 00:32:37,720
help support the show visit

1006
00:32:42,510 --> 00:32:40,559
patreon.com summerskies

1007
00:32:48,230 --> 00:32:42,520
thank you and keep looking up

1008
00:32:55,269 --> 00:32:51,590
there's such a there's a big

1009
00:32:58,149 --> 00:32:55,279
gap i think in ufo

1010
00:33:00,070 --> 00:32:58,159
research or the ufo community of cool

1011
00:33:01,509 --> 00:33:00,080
we've got this government thing

1012
00:33:04,230 --> 00:33:01,519
uh we've got things like the new

1013
00:33:07,669 --> 00:33:04,240

frontier network um working globally

1014

00:33:09,190 --> 00:33:07,679

to try to help um i guess guide along

1015

00:33:13,110 --> 00:33:09,200

those sorts of things

1016

00:33:18,149 --> 00:33:13,120

uh but then we have this whole other

1017

00:33:21,269 --> 00:33:18,159

part of ufo lore and ufo discussion

1018

00:33:22,710 --> 00:33:21,279

that's um i'm just gonna say it it's

1019

00:33:29,110 --> 00:33:22,720

it's

1020

00:33:33,269 --> 00:33:29,120

um whether it is

1021

00:33:37,110 --> 00:33:33,279

contacting ets um the ce5 movement

1022

00:33:39,830 --> 00:33:37,120

um alien abductions close encounters

1023

00:33:41,669 --> 00:33:39,840

these are cool stories and don't get me

1024

00:33:42,549 --> 00:33:41,679

wrong i'm all about them because i love

1025

00:33:45,029 --> 00:33:42,559

stories

1026
00:33:46,470 --> 00:33:45,039
uh but there is a big gap between what's

1027
00:33:47,509 --> 00:33:46,480
going on right now in the mainstream

1028
00:33:51,590 --> 00:33:47,519
with ufos

1029
00:33:54,230 --> 00:33:51,600
and another large portion of this topic

1030
00:33:56,389 --> 00:33:54,240
um so do you think there's a place for

1031
00:33:57,909 --> 00:33:56,399
it in this mainstream discussion

1032
00:34:00,149 --> 00:33:57,919
as we move forward when it comes to

1033
00:34:03,029 --> 00:34:00,159
alien abductions um

1034
00:34:04,549 --> 00:34:03,039
you know using your mind and

1035
00:34:07,029 --> 00:34:04,559
consciousness and yoga

1036
00:34:09,349 --> 00:34:07,039
and all this stuff to try to uh vector

1037
00:34:11,349 --> 00:34:09,359
in ufos or talk to aliens like

1038
00:34:13,270 --> 00:34:11,359

where do you lie in all that that's a

1039

00:34:14,069 --> 00:34:13,280

great question because i think a lot of

1040

00:34:16,069 --> 00:34:14,079

people

1041

00:34:17,349 --> 00:34:16,079

wonder that and we listen to all these

1042

00:34:19,669 --> 00:34:17,359

different narratives

1043

00:34:20,389 --> 00:34:19,679

that are coming out i sit on the side

1044

00:34:23,750 --> 00:34:20,399

where

1045

00:34:26,790 --> 00:34:23,760

i would like science and academia

1046

00:34:27,589 --> 00:34:26,800

to work alongside ufology you know and

1047

00:34:29,589 --> 00:34:27,599

ufologist

1048

00:34:30,629 --> 00:34:29,599

and start proving it through science and

1049

00:34:33,109 --> 00:34:30,639

academia

1050

00:34:34,230 --> 00:34:33,119

the reason why i say that is the people

1051

00:34:37,270 --> 00:34:34,240

that aren't

1052

00:34:39,270 --> 00:34:37,280

interested in ufos or don't believe will

1053

00:34:40,790 --> 00:34:39,280

start to look into it and have a better

1054

00:34:43,270 --> 00:34:40,800

understanding because it's talking to

1055

00:34:45,829 --> 00:34:43,280

them through a narrative they understand

1056

00:34:46,550 --> 00:34:45,839

so i do feel that that's really really

1057

00:34:48,950 --> 00:34:46,560

important

1058

00:34:49,829 --> 00:34:48,960

and i think we have to keep asking

1059

00:34:52,470 --> 00:34:49,839

scientists

1060

00:34:52,869 --> 00:34:52,480

and giving them the ability to look at

1061

00:34:55,750 --> 00:34:52,879

this

1062

00:34:56,389 --> 00:34:55,760

and do it in a way that is approachable

1063

00:34:57,670 --> 00:34:56,399

for them

1064

00:34:59,430 --> 00:34:57,680

you know we don't put so much pressure

1065

00:35:00,790 --> 00:34:59,440

we can't ridicule scientists

1066

00:35:01,990 --> 00:35:00,800

for thinking something that maybe we

1067

00:35:03,670 --> 00:35:02,000

don't agree with because we've been

1068

00:35:06,710 --> 00:35:03,680

doing it for so long in

1069

00:35:08,870 --> 00:35:06,720

the industry so i think we need to make

1070

00:35:11,430 --> 00:35:08,880

up space for them and room for them

1071

00:35:13,109 --> 00:35:11,440

to collect to collaborate but i also

1072

00:35:16,150 --> 00:35:13,119

think that at some point

1073

00:35:16,950 --> 00:35:16,160

when we look at the abduction stories in

1074

00:35:18,710 --> 00:35:16,960

the cases

1075

00:35:20,150 --> 00:35:18,720

you know we have travis walton we have

1076

00:35:23,270 --> 00:35:20,160

betty and barney hill

1077

00:35:26,310 --> 00:35:23,280

we have a lot of contact d

1078

00:35:28,790 --> 00:35:26,320

you know um zimbabwe the aerial school

1079

00:35:30,150 --> 00:35:28,800

event like there's there's a lot of

1080

00:35:33,510 --> 00:35:30,160

different conversations around

1081

00:35:37,109 --> 00:35:33,520

that and i really do believe though that

1082

00:35:38,470 --> 00:35:37,119

the government or somebody or us

1083

00:35:40,950 --> 00:35:38,480

have to start having a larger

1084

00:35:42,790 --> 00:35:40,960

conversation at one point in time

1085

00:35:45,109 --> 00:35:42,800

maybe right now is not that point in

1086

00:35:47,430 --> 00:35:45,119

time but i think we do need to discuss

1087

00:35:48,470 --> 00:35:47,440

because there's been a lot of we can't

1088

00:35:51,829 --> 00:35:48,480

ignore

1089

00:35:54,230 --> 00:35:51,839

that there have been abductions or

1090

00:35:56,829 --> 00:35:54,240

different types of contact d's moments

1091

00:35:59,910 --> 00:35:56,839

and experiences where ufos have been

1092

00:36:00,790 --> 00:35:59,920

involved so us just ignoring that and

1093

00:36:03,270 --> 00:36:00,800

pushing it away

1094

00:36:05,349 --> 00:36:03,280

is is i don't feel is the right thing to

1095

00:36:07,430 --> 00:36:05,359

do i think we really need to

1096

00:36:09,589 --> 00:36:07,440

have that conversation at one point in

1097

00:36:11,910 --> 00:36:09,599

time and it does need to be brought up

1098

00:36:13,190 --> 00:36:11,920

because as disclosure keeps happening

1099

00:36:14,950 --> 00:36:13,200

you can't just say

1100

00:36:16,630 --> 00:36:14,960

well forget these people and what

1101
00:36:18,310 --> 00:36:16,640
they're doing because for them we don't

1102
00:36:19,270 --> 00:36:18,320
know what's really going on but for them

1103
00:36:21,349 --> 00:36:19,280
it's real

1104
00:36:23,109 --> 00:36:21,359
and we need to give space to that and

1105
00:36:24,710 --> 00:36:23,119
open up for them to be able to have a

1106
00:36:25,589 --> 00:36:24,720
place to talk about it without being

1107
00:36:27,829 --> 00:36:25,599
ridiculed

1108
00:36:29,430 --> 00:36:27,839
and looked at it in it in a different

1109
00:36:31,510 --> 00:36:29,440
light at some point in time

1110
00:36:32,870 --> 00:36:31,520
i don't know exactly how i personally

1111
00:36:36,310 --> 00:36:32,880
feel because i've never had

1112
00:36:37,990 --> 00:36:36,320
one of those moments but i could imagine

1113
00:36:39,430 --> 00:36:38,000

being that person that's had an

1114

00:36:41,589 --> 00:36:39,440

experience and

1115

00:36:42,550 --> 00:36:41,599

having no one to connect to or no one to

1116

00:36:44,790 --> 00:36:42,560

talk to

1117

00:36:46,310 --> 00:36:44,800

and so for them it's real and that's

1118

00:36:47,910 --> 00:36:46,320

what's important and there has to be a

1119

00:36:49,270 --> 00:36:47,920

space for them to be able to talk about

1120

00:36:51,589 --> 00:36:49,280

it and then when we come

1121

00:36:53,349 --> 00:36:51,599

to a better consensus of what's going on

1122

00:36:55,190 --> 00:36:53,359

maybe we'll be able to understand

1123

00:36:56,630 --> 00:36:55,200

improve that through academia a little

1124

00:36:58,230 --> 00:36:56,640

bit better so

1125

00:36:59,670 --> 00:36:58,240

i think at some point we'll get there

1126

00:37:00,310 --> 00:36:59,680

we're just not i don't think we're there

1127

00:37:02,870 --> 00:37:00,320

yet

1128

00:37:04,710 --> 00:37:02,880

but maybe one day we will be yeah i

1129

00:37:05,349 --> 00:37:04,720

that's such a good point i think we need

1130

00:37:07,510 --> 00:37:05,359

to

1131

00:37:08,470 --> 00:37:07,520

we always should look at disclosure as a

1132

00:37:10,390 --> 00:37:08,480

process

1133

00:37:11,670 --> 00:37:10,400

and you know it's not going to be this

1134

00:37:12,630 --> 00:37:11,680

huge thing dropped in our lap

1135

00:37:15,190 --> 00:37:12,640

immediately

1136

00:37:16,230 --> 00:37:15,200

and then like that's it like this is a

1137

00:37:18,550 --> 00:37:16,240

big thing

1138

00:37:19,829 --> 00:37:18,560

this is probably the biggest question

1139

00:37:22,550 --> 00:37:19,839

we've ever asked

1140

00:37:24,230 --> 00:37:22,560

in our lives other than you know what

1141

00:37:27,589 --> 00:37:24,240

happens when we die

1142

00:37:29,190 --> 00:37:27,599

um is there life out there and has

1143

00:37:31,349 --> 00:37:29,200

leslie keane is trying to figure that

1144

00:37:34,390 --> 00:37:31,359

out right now with bigelow

1145

00:37:35,990 --> 00:37:34,400

right which is crazy because again these

1146

00:37:38,150 --> 00:37:36,000

two are tackling two of life's

1147

00:37:39,349 --> 00:37:38,160

biggest mysteries so i respect them

1148

00:37:40,710 --> 00:37:39,359

highly for doing that

1149

00:37:42,790 --> 00:37:40,720

and they both think that they might be

1150

00:37:45,109 --> 00:37:42,800

interconnected which i think is

1151

00:37:46,950 --> 00:37:45,119

another big pro part of what you said

1152

00:37:47,510 --> 00:37:46,960

this process of we're not quite there

1153

00:37:48,950 --> 00:37:47,520

yet

1154

00:37:50,790 --> 00:37:48,960

like there's a lot of work that still

1155

00:37:53,589 --> 00:37:50,800

needs to be done um

1156

00:37:53,910 --> 00:37:53,599

we're lucky to have people like rizwan

1157

00:37:56,870 --> 00:37:53,920

uh

1158

00:37:57,990 --> 00:37:56,880

virk or d prasad these these individuals

1159

00:38:00,870 --> 00:37:58,000

who look at things like

1160

00:38:02,790 --> 00:38:00,880

quantum mechanics and uh how this could

1161

00:38:06,630 --> 00:38:02,800

play a role in all of this someday

1162

00:38:09,030 --> 00:38:06,640

but again like that's so 20 30 40

1163

00:38:10,150 --> 00:38:09,040

100 years down the line that we're

1164

00:38:13,349 --> 00:38:10,160

focusing right now

1165

00:38:16,550 --> 00:38:13,359

still on grainy ufo videos from

1166

00:38:18,390 --> 00:38:16,560

the navy like that's the best we got so

1167

00:38:20,390 --> 00:38:18,400

we work for right now we have that's

1168

00:38:21,910 --> 00:38:20,400

where we're at and um

1169

00:38:23,910 --> 00:38:21,920

some people might think that's good i

1170

00:38:25,190 --> 00:38:23,920

don't know but um yeah i think

1171

00:38:27,670 --> 00:38:25,200

i think you're right you know it's going

1172

00:38:29,990 --> 00:38:27,680

to take time and like you said too

1173

00:38:30,710 --> 00:38:30,000

these abduction stories and close

1174

00:38:32,950 --> 00:38:30,720

encounters

1175

00:38:34,870 --> 00:38:32,960

there is a place for them i mean clearly

1176

00:38:38,230 --> 00:38:34,880

that's what my books have

1177

00:38:40,550 --> 00:38:38,240

been about i clearly um

1178

00:38:41,589 --> 00:38:40,560

think there is something to it and i've

1179

00:38:43,430 --> 00:38:41,599

always been asked you know

1180

00:38:45,430 --> 00:38:43,440

do you believe all these people that you

1181

00:38:47,510 --> 00:38:45,440

write about when that they were abducted

1182

00:38:49,430 --> 00:38:47,520

and everything and i try to tell them it

1183

00:38:51,109 --> 00:38:49,440

doesn't matter what i believe

1184

00:38:52,790 --> 00:38:51,119

like i'm just getting their story out

1185

00:38:55,030 --> 00:38:52,800

there because nobody else

1186

00:38:56,310 --> 00:38:55,040

will listen to them and no one else will

1187

00:38:57,750 --> 00:38:56,320

take them seriously

1188

00:39:00,390 --> 00:38:57,760

so i at least want to give them that

1189

00:39:02,550 --> 00:39:00,400

outlet yeah yeah for them it's real i

1190

00:39:03,990 --> 00:39:02,560

i agree with that and i there's nothing

1191

00:39:05,190 --> 00:39:04,000

wrong from telling a story from a

1192

00:39:07,030 --> 00:39:05,200

different perspective and

1193

00:39:09,349 --> 00:39:07,040

you don't have to believe or believe but

1194

00:39:10,630 --> 00:39:09,359

it is it's this form of journalism

1195

00:39:12,310 --> 00:39:10,640

where you're telling people because

1196

00:39:14,069 --> 00:39:12,320

these stories are real to them and

1197

00:39:14,710 --> 00:39:14,079

there's been a lot of them it's not like

1198

00:39:17,030 --> 00:39:14,720

it's just

1199

00:39:18,630 --> 00:39:17,040

you know there's just this is the one

1200

00:39:20,550 --> 00:39:18,640

story that's been told that's a

1201

00:39:21,990 --> 00:39:20,560

a tale that's been told over centuries

1202

00:39:23,190 --> 00:39:22,000

it's not like that it's happened

1203

00:39:25,430 --> 00:39:23,200

multiple times

1204

00:39:27,430 --> 00:39:25,440

so we need to give space to it and one

1205

00:39:28,470 --> 00:39:27,440

day you know science and academia might

1206

00:39:30,230 --> 00:39:28,480

prove and might

1207

00:39:31,910 --> 00:39:30,240

have a reason for what's actually

1208

00:39:33,589 --> 00:39:31,920

happening the other part too

1209

00:39:35,670 --> 00:39:33,599

is that the beautiful thing about the

1210

00:39:37,589 --> 00:39:35,680

ufo community is that

1211

00:39:38,950 --> 00:39:37,599

right now and with the government we're

1212

00:39:41,349 --> 00:39:38,960

looking at something that

1213

00:39:42,310 --> 00:39:41,359

most people call paranormal and it's a

1214

00:39:45,349 --> 00:39:42,320

paranormal

1215

00:39:47,109 --> 00:39:45,359

event right it's this phenomena so now

1216

00:39:48,550 --> 00:39:47,119

this paranormal is actually having more

1217

00:39:50,310 --> 00:39:48,560

of a mainstream conversation and the

1218

00:39:53,349 --> 00:39:50,320

government's having it which is like

1219

00:39:55,829 --> 00:39:53,359

even more of a bigger conversation

1220

00:39:56,470 --> 00:39:55,839

so we're opening the door that maybe in

1221

00:39:58,630 --> 00:39:56,480

the next

1222

00:40:00,150 --> 00:39:58,640

x amount of years these other normal

1223

00:40:02,870 --> 00:40:00,160

pair other paranormal

1224

00:40:03,349 --> 00:40:02,880

uh conversations will start be having

1225

00:40:05,030 --> 00:40:03,359

real

1226
00:40:07,109 --> 00:40:05,040
academic conversations too maybe

1227
00:40:10,150 --> 00:40:07,119
ufology's the beginning for that

1228
00:40:11,990 --> 00:40:10,160
um and i hope so because people are

1229
00:40:13,589 --> 00:40:12,000
having experiences in multiple different

1230
00:40:15,990 --> 00:40:13,599
ways not just ufology

1231
00:40:16,710 --> 00:40:16,000
so we can't just ignore it and to be

1232
00:40:18,790 --> 00:40:16,720
honest if

1233
00:40:19,990 --> 00:40:18,800
one it's like i say with ufos and a lot

1234
00:40:22,950 --> 00:40:20,000
of people say this too

1235
00:40:24,550 --> 00:40:22,960
you know one of them is real and one

1236
00:40:27,829 --> 00:40:24,560
abduction or any of it

1237
00:40:31,589 --> 00:40:27,839
it makes it real it you don't need um

1238
00:40:33,349 --> 00:40:31,599

you just need one so at some point i

1239

00:40:33,990 --> 00:40:33,359

hope we get to a place where we figure

1240

00:40:35,829 --> 00:40:34,000

it out

1241

00:40:37,030 --> 00:40:35,839

of what's actually going on overall but

1242

00:40:38,550 --> 00:40:37,040

you're right we have to start with

1243

00:40:40,309 --> 00:40:38,560

grainy videos first

1244

00:40:42,630 --> 00:40:40,319

and prove that through science and what

1245

00:40:44,069 --> 00:40:42,640

we know and then grow as our technology

1246

00:40:45,670 --> 00:40:44,079

grows we will grow with our

1247

00:40:47,750 --> 00:40:45,680

understanding and our ability of you

1248

00:40:49,829 --> 00:40:47,760

know and our lexicons will grow too

1249

00:40:53,109 --> 00:40:49,839

we don't have the even the right words

1250

00:40:55,109 --> 00:40:53,119

to explain sometimes what's going on

1251
00:40:57,349 --> 00:40:55,119
right or even our science can't keep up

1252
00:40:59,349 --> 00:40:57,359
to that so as our science develops and

1253
00:41:00,069 --> 00:40:59,359
we start creating a different lexicon

1254
00:41:01,670 --> 00:41:00,079
around it

1255
00:41:03,190 --> 00:41:01,680
and being able to prove it then maybe

1256
00:41:05,030 --> 00:41:03,200
we'll come to a point where we can start

1257
00:41:07,589 --> 00:41:05,040
proving other things that are attached

1258
00:41:09,190 --> 00:41:07,599
connected to ufology or ufo sightings

1259
00:41:11,349 --> 00:41:09,200
and in general

1260
00:41:12,390 --> 00:41:11,359
i i love that you know a good friend of

1261
00:41:14,550 --> 00:41:12,400
mine greg

1262
00:41:15,430 --> 00:41:14,560
bishop wrote a book called it defies

1263
00:41:17,589 --> 00:41:15,440

language

1264

00:41:18,630 --> 00:41:17,599

and it's all about ufos because it's

1265

00:41:20,550 --> 00:41:18,640

you're so right

1266

00:41:22,390 --> 00:41:20,560

like we just we're not there yet we

1267

00:41:23,109 --> 00:41:22,400

don't know how to describe these things

1268

00:41:25,670 --> 00:41:23,119

we're seeing

1269

00:41:26,230 --> 00:41:25,680

i mean two people can be at the same ufo

1270

00:41:28,230 --> 00:41:26,240

sighting

1271

00:41:29,829 --> 00:41:28,240

and describe it completely differently

1272

00:41:31,109 --> 00:41:29,839

which is cool in one way but it's

1273

00:41:32,150 --> 00:41:31,119

frustrating when you're trying to get

1274

00:41:33,829 --> 00:41:32,160

hard data

1275

00:41:35,910 --> 00:41:33,839

uh but you're right yeah like perception

1276

00:41:36,790 --> 00:41:35,920

plays a big role in this language plays

1277

00:41:39,349 --> 00:41:36,800

a big role

1278

00:41:40,470 --> 00:41:39,359

um you know your belief system or the

1279

00:41:43,030 --> 00:41:40,480

lens in which

1280

00:41:43,990 --> 00:41:43,040

you look through at that ufo event plays

1281

00:41:46,470 --> 00:41:44,000

a big part

1282

00:41:47,990 --> 00:41:46,480

and uh oh it's just there's ufos

1283

00:41:49,030 --> 00:41:48,000

represent everything which i think is

1284

00:41:52,150 --> 00:41:49,040

the coolest thing

1285

00:41:53,030 --> 00:41:52,160

yeah history language religion it covers

1286

00:41:54,630 --> 00:41:53,040

everything

1287

00:41:56,870 --> 00:41:54,640

oh yeah well i've said like if we have

1288

00:41:58,950 --> 00:41:56,880

to go to if there is a course one day

1289

00:42:01,109 --> 00:41:58,960

hopefully because ufology you can be a

1290

00:42:03,190 --> 00:42:01,119

ufologist there but there's no academic

1291

00:42:03,670 --> 00:42:03,200

school that you can go to so maybe one

1292

00:42:05,750 --> 00:42:03,680

day

1293

00:42:07,829 --> 00:42:05,760

there will be a place where people can

1294

00:42:10,470 --> 00:42:07,839

go and learn about ufology

1295

00:42:11,750 --> 00:42:10,480

and and become a ufologist and have a

1296

00:42:13,349 --> 00:42:11,760

whole bunch of you know and have to

1297

00:42:15,349 --> 00:42:13,359

maybe a couple degrees because

1298

00:42:16,470 --> 00:42:15,359

this is why you need a community because

1299

00:42:20,470 --> 00:42:16,480

understanding physics

1300

00:42:21,270 --> 00:42:20,480

aviation culture uh like there's just so

1301

00:42:23,190 --> 00:42:21,280

many

1302

00:42:24,470 --> 00:42:23,200

different spaces that you have to be an

1303

00:42:26,390 --> 00:42:24,480

expert to explain

1304

00:42:28,470 --> 00:42:26,400

like with somebody asked me like chrissy

1305

00:42:30,470 --> 00:42:28,480

can you explain how this ufo is moving

1306

00:42:31,750 --> 00:42:30,480

i'd be like that that's not my forte i'm

1307

00:42:34,150 --> 00:42:31,760

like my forte is

1308

00:42:36,150 --> 00:42:34,160

media and mass media and understanding

1309

00:42:38,390 --> 00:42:36,160

like how media is disseminated

1310

00:42:40,069 --> 00:42:38,400

how to be able to bring more light and

1311

00:42:41,990 --> 00:42:40,079

attention to this topic

1312

00:42:43,430 --> 00:42:42,000

along with culture you know and working

1313

00:42:43,990 --> 00:42:43,440

within a community and watching how

1314

00:42:46,390 --> 00:42:44,000

people work

1315

00:42:48,230 --> 00:42:46,400

together like those are my places my

1316

00:42:50,069 --> 00:42:48,240

place is not the place to talk about

1317

00:42:52,630 --> 00:42:50,079

aviation and physics because like

1318

00:42:54,470 --> 00:42:52,640

trust me that's not my place and you

1319

00:42:55,030 --> 00:42:54,480

don't want my opinion on that because

1320

00:42:57,990 --> 00:42:55,040

like

1321

00:42:59,270 --> 00:42:58,000

it's just it's not my expertise um the

1322

00:43:01,190 --> 00:42:59,280

other thing i think is really

1323

00:43:03,030 --> 00:43:01,200

interesting about this community that i

1324

00:43:04,230 --> 00:43:03,040

that i also find and i've said this a

1325

00:43:05,670 --> 00:43:04,240

couple times too that

1326

00:43:07,190 --> 00:43:05,680

you know we're fighting and i've said it

1327

00:43:08,230 --> 00:43:07,200

to friends maybe not so much on

1328

00:43:10,069 --> 00:43:08,240

interviews but

1329

00:43:11,990 --> 00:43:10,079

we're really fighting for something that

1330

00:43:14,150 --> 00:43:12,000

we don't know anything about

1331

00:43:15,430 --> 00:43:14,160

and like we don't know what the end

1332

00:43:17,270 --> 00:43:15,440

cause is and we're all

1333

00:43:18,470 --> 00:43:17,280

we're all doing that and to me that's

1334

00:43:20,309 --> 00:43:18,480

really interesting

1335

00:43:22,230 --> 00:43:20,319

because most people when they're

1336

00:43:24,870 --> 00:43:22,240

fighting they there is

1337

00:43:26,069 --> 00:43:24,880

i guess this really end understanding of

1338

00:43:28,710 --> 00:43:26,079

what they're fighting for

1339

00:43:29,270 --> 00:43:28,720

as a movement we're fighting for truth

1340

00:43:31,430 --> 00:43:29,280

which is

1341

00:43:33,910 --> 00:43:31,440

one thing i do see and we're fighting

1342

00:43:35,750 --> 00:43:33,920

for this disclosure and and human

1343

00:43:38,470 --> 00:43:35,760

technology and lots of other things but

1344

00:43:40,790 --> 00:43:38,480

we don't know what it really is

1345

00:43:42,470 --> 00:43:40,800

you know as people right now i don't

1346

00:43:44,470 --> 00:43:42,480

know what the government knows that's

1347

00:43:45,910 --> 00:43:44,480

for sure but as us as a community we

1348

00:43:48,069 --> 00:43:45,920

know and i find that really

1349

00:43:49,910 --> 00:43:48,079

interesting that we're always we're all

1350

00:43:52,390 --> 00:43:49,920

going towards something that

1351
00:43:53,510 --> 00:43:52,400
is really unknown to us like it is a

1352
00:43:54,950 --> 00:43:53,520
phenomenon and

1353
00:43:56,390 --> 00:43:54,960
you don't get a lot of group of people

1354
00:43:57,829 --> 00:43:56,400
fighting for something they don't really

1355
00:43:59,190 --> 00:43:57,839
know what the end cause is

1356
00:44:01,030 --> 00:43:59,200
like does that do you know what i mean

1357
00:44:03,270 --> 00:44:01,040
when i say that like they're

1358
00:44:04,390 --> 00:44:03,280
fighting for a mystery yeah we're

1359
00:44:05,109 --> 00:44:04,400
fighting for a mystery and we're

1360
00:44:08,550 --> 00:44:05,119
fighting for

1361
00:44:10,230 --> 00:44:08,560
uh our own reasons you know i always

1362
00:44:11,349 --> 00:44:10,240
tell people yeah of course i want like

1363
00:44:14,150 --> 00:44:11,359

the truth to come out

1364

00:44:15,190 --> 00:44:14,160

but i'm not like i'm not mulder i'm not

1365

00:44:17,750 --> 00:44:15,200

trying to

1366

00:44:19,109 --> 00:44:17,760

prove that there's a shadow government

1367

00:44:20,309 --> 00:44:19,119

pulling all the strings and they're

1368

00:44:23,349 --> 00:44:20,319

working with aliens

1369

00:44:26,550 --> 00:44:23,359

i'm not even into the ufo field to prove

1370

00:44:28,230 --> 00:44:26,560

that ufos are aliens like i don't even

1371

00:44:29,829 --> 00:44:28,240

try to connect the two i try to keep

1372

00:44:32,390 --> 00:44:29,839

ufos completely separate

1373

00:44:34,470 --> 00:44:32,400

from the question is there other life um

1374

00:44:35,190 --> 00:44:34,480

but i'm in it for my own reasons as you

1375

00:44:37,270 --> 00:44:35,200

are as

1376

00:44:39,670 --> 00:44:37,280

so many other people are they want

1377

00:44:41,589 --> 00:44:39,680

answers and they want to find meaning

1378

00:44:43,589 --> 00:44:41,599

in why they're interested in it and why

1379

00:44:44,790 --> 00:44:43,599

they got involved or maybe why they had

1380

00:44:46,870 --> 00:44:44,800

an experience

1381

00:44:48,309 --> 00:44:46,880

you know like a lot of people don't want

1382

00:44:49,990 --> 00:44:48,319

these things to happen to them

1383

00:44:52,069 --> 00:44:50,000

but it did it fell in their lap and they

1384

00:44:53,430 --> 00:44:52,079

were forever changed so

1385

00:44:56,230 --> 00:44:53,440

yeah i think it's a very personal

1386

00:44:56,710 --> 00:44:56,240

journey yeah and why we're so connected

1387

00:44:59,430 --> 00:44:56,720

to it

1388

00:45:01,190 --> 00:44:59,440

i ask myself that a lot and i ask other

1389

00:45:02,069 --> 00:45:01,200

people the question like what brought

1390

00:45:03,910 --> 00:45:02,079

you here

1391

00:45:05,349 --> 00:45:03,920

because i find that really interesting

1392

00:45:07,990 --> 00:45:05,359

what's their motives

1393

00:45:09,589 --> 00:45:08,000

why you know you know a you don't if you

1394

00:45:10,950 --> 00:45:09,599

just love it and you're interested that

1395

00:45:11,750 --> 00:45:10,960

that's wonderful too that's a great

1396

00:45:13,270 --> 00:45:11,760

reason why

1397

00:45:14,710 --> 00:45:13,280

like they're but i'm curious to see

1398

00:45:16,150 --> 00:45:14,720

because everybody has an individual

1399

00:45:18,150 --> 00:45:16,160

experience or story

1400

00:45:19,829 --> 00:45:18,160

yeah that brought them to this community

1401

00:45:21,750 --> 00:45:19,839

and they play a role in it

1402

00:45:23,030 --> 00:45:21,760

if it's just researching interested

1403

00:45:25,430 --> 00:45:23,040

supporting you know

1404

00:45:26,470 --> 00:45:25,440

investigating there's so many things but

1405

00:45:28,630 --> 00:45:26,480

there there

1406

00:45:30,550 --> 00:45:28,640

has to be more common thread to us and

1407

00:45:31,190 --> 00:45:30,560

maybe one day you know a psychologist

1408

00:45:33,510 --> 00:45:31,200

will do an

1409

00:45:34,710 --> 00:45:33,520

analysis on everybody in the community

1410

00:45:37,030 --> 00:45:34,720

and then they'll tell us

1411

00:45:38,470 --> 00:45:37,040

we all we all get along at times and

1412

00:45:41,030 --> 00:45:38,480

some do and some don't but

1413

00:45:42,470 --> 00:45:41,040

why we're all doing this um because it

1414

00:45:43,270 --> 00:45:42,480

is interesting and the one thing that i

1415

00:45:45,589 --> 00:45:43,280

see that's

1416

00:45:47,349 --> 00:45:45,599

that maybe not for everybody but from a

1417

00:45:49,670 --> 00:45:47,359

lot of us as i always say

1418

00:45:51,510 --> 00:45:49,680

is really want to know the truth

1419

00:45:53,990 --> 00:45:51,520

obsessed with knowing the truth

1420

00:45:55,349 --> 00:45:54,000

and and having an understanding of

1421

00:45:58,230 --> 00:45:55,359

what's going on but

1422

00:45:59,030 --> 00:45:58,240

overall wanting to know and really

1423

00:46:01,589 --> 00:45:59,040

enrapt

1424

00:46:02,309 --> 00:46:01,599

into into and knowing this story telling

1425

00:46:04,390 --> 00:46:02,319

the truth

1426
00:46:06,309 --> 00:46:04,400
and the government telling us like there

1427
00:46:09,190 --> 00:46:06,319
there's something there to that

1428
00:46:11,510 --> 00:46:09,200
um would you say so or do you find that

1429
00:46:14,870 --> 00:46:11,520
other people might have other reasons

1430
00:46:15,510 --> 00:46:14,880
i i i again i think it just it varies so

1431
00:46:17,829 --> 00:46:15,520
much

1432
00:46:18,950 --> 00:46:17,839
i think there's people in the ufo field

1433
00:46:21,990 --> 00:46:18,960
strictly for

1434
00:46:23,430 --> 00:46:22,000
notoriety and um are less than honest

1435
00:46:25,670 --> 00:46:23,440
about what they're doing

1436
00:46:26,870 --> 00:46:25,680
uh i won't name names because i think

1437
00:46:28,550 --> 00:46:26,880
everyone kind of knows

1438
00:46:30,230 --> 00:46:28,560

who i might be talking about when it

1439

00:46:32,630 --> 00:46:30,240

comes to that um but

1440

00:46:33,510 --> 00:46:32,640

again i think there are people who just

1441

00:46:36,470 --> 00:46:33,520

want

1442

00:46:37,589 --> 00:46:36,480

uh to trust their government which i

1443

00:46:39,910 --> 00:46:37,599

think is a big issue

1444

00:46:41,430 --> 00:46:39,920

especially here in the us right now is

1445

00:46:43,670 --> 00:46:41,440

um and look

1446

00:46:46,150 --> 00:46:43,680

kind of the ufo modern ufo era started

1447

00:46:47,829 --> 00:46:46,160

with a lie in a cover-up in roswell

1448

00:46:49,670 --> 00:46:47,839

like yeah we don't we still don't know

1449

00:46:50,230 --> 00:46:49,680

what it was but we damn well know it was

1450

00:46:52,390 --> 00:46:50,240

not

1451
00:46:53,510 --> 00:46:52,400
a weather balloon like they said it was

1452
00:46:56,069 --> 00:46:53,520
so i mean

1453
00:46:57,430 --> 00:46:56,079
what do you do when the first kind of

1454
00:47:00,150 --> 00:46:57,440
documented case

1455
00:47:01,990 --> 00:47:00,160
at least here in the u.s um kind of

1456
00:47:02,630 --> 00:47:02,000
started with a lie so i think people

1457
00:47:04,870 --> 00:47:02,640
want to

1458
00:47:05,670 --> 00:47:04,880
hold their government accountable and be

1459
00:47:07,589 --> 00:47:05,680
like yo

1460
00:47:09,990 --> 00:47:07,599
like tell us what's going on we deserve

1461
00:47:12,790 --> 00:47:10,000
it we are the ones paying you

1462
00:47:14,390 --> 00:47:12,800
and you're here to work for us so i

1463
00:47:15,990 --> 00:47:14,400

think there's that part of it

1464

00:47:17,910 --> 00:47:16,000

um and then like you said i think a lot

1465

00:47:19,990 --> 00:47:17,920

of people just love chasing a mystery

1466

00:47:21,030 --> 00:47:20,000

and i do feel that's why i'm in it i

1467

00:47:23,670 --> 00:47:21,040

don't care

1468

00:47:25,750 --> 00:47:23,680

what the end result is i i think either

1469

00:47:27,910 --> 00:47:25,760

i'm going to be thoroughly let down

1470

00:47:29,829 --> 00:47:27,920

if we ever do find that answer or it's

1471

00:47:33,030 --> 00:47:29,839

going to be something so

1472

00:47:34,710 --> 00:47:33,040

wrong uh i i am going to be so wrong

1473

00:47:36,790 --> 00:47:34,720

about what it was that it's just going

1474

00:47:38,390 --> 00:47:36,800

to like blow my mind um and there's

1475

00:47:40,790 --> 00:47:38,400

probably not one answer to what you

1476
00:47:42,630 --> 00:47:40,800
guys are aren't either you know i agree

1477
00:47:43,990 --> 00:47:42,640
i think that we're probably

1478
00:47:45,510 --> 00:47:44,000
we think we're going in the right

1479
00:47:46,309 --> 00:47:45,520
direction where we're like we know what

1480
00:47:48,230 --> 00:47:46,319
it is and

1481
00:47:49,510 --> 00:47:48,240
you know and and it's probably not and

1482
00:47:51,990 --> 00:47:49,520
the funny thing is that we see through

1483
00:47:54,870 --> 00:47:52,000
culture throughout multiple years from

1484
00:47:57,270 --> 00:47:54,880
the 50s the 60s and the 70s into now

1485
00:47:58,230 --> 00:47:57,280
the concept of what a ufo looked like

1486
00:48:00,309 --> 00:47:58,240
changes

1487
00:48:02,309 --> 00:48:00,319
you know it was like a flying saucer you

1488
00:48:04,309 --> 00:48:02,319

know and then we move into

1489

00:48:06,230 --> 00:48:04,319

you know uh triangles like we still have

1490

00:48:09,270 --> 00:48:06,240

triangles and then we move into

1491

00:48:11,430 --> 00:48:09,280

orbs and then we move into now pyramids

1492

00:48:12,390 --> 00:48:11,440

like there's just there's so many

1493

00:48:14,630 --> 00:48:12,400

different shapes and

1494

00:48:15,589 --> 00:48:14,640

we do see that as we move over decades

1495

00:48:18,630 --> 00:48:15,599

and decades

1496

00:48:19,349 --> 00:48:18,640

that the shapes in our culture it does

1497

00:48:22,069 --> 00:48:19,359

change so

1498

00:48:23,109 --> 00:48:22,079

are we are ufos a reflection of us in

1499

00:48:25,270 --> 00:48:23,119

our time

1500

00:48:26,630 --> 00:48:25,280

like it's you know and i know i've i

1501
00:48:28,150 --> 00:48:26,640
know that i'm not the only person who's

1502
00:48:29,670 --> 00:48:28,160
who said that and there's tons of

1503
00:48:32,230 --> 00:48:29,680
articles or about that

1504
00:48:33,990 --> 00:48:32,240
about what what does that mean like and

1505
00:48:36,309 --> 00:48:34,000
i have a feeling that it probably won't

1506
00:48:37,670 --> 00:48:36,319
be something that we thought it would be

1507
00:48:39,430 --> 00:48:37,680
i also just don't think we have that

1508
00:48:40,950 --> 00:48:39,440
ability yet and the lexicon in the

1509
00:48:41,349 --> 00:48:40,960
science and i keep saying that is

1510
00:48:43,670 --> 00:48:41,359
because

1511
00:48:44,790 --> 00:48:43,680
we don't have enough information to back

1512
00:48:47,270 --> 00:48:44,800
what we're seeing

1513
00:48:48,790 --> 00:48:47,280

and maybe one day we will and again it

1514

00:48:50,870 --> 00:48:48,800

probably will be something that we never

1515

00:48:53,829 --> 00:48:50,880

even thought of

1516

00:48:55,829 --> 00:48:53,839

yep yep if it's octopus from other

1517

00:48:57,270 --> 00:48:55,839

planets i want nothing to do with it

1518

00:48:58,230 --> 00:48:57,280

because that is not the answer i'm

1519

00:49:01,349 --> 00:48:58,240

looking for

1520

00:49:02,230 --> 00:49:01,359

um but no i think you're right um this

1521

00:49:05,109 --> 00:49:02,240

topic

1522

00:49:06,549 --> 00:49:05,119

this question says so much more about us

1523

00:49:08,390 --> 00:49:06,559

than whatever it is

1524

00:49:09,589 --> 00:49:08,400

we're dealing with i think you're right

1525

00:49:12,790 --> 00:49:09,599

it is reflective of

1526

00:49:16,309 --> 00:49:12,800

us our um our concerns

1527

00:49:18,150 --> 00:49:16,319

our hopes our dreams um and our issues

1528

00:49:20,790 --> 00:49:18,160

that we face here on our planet

1529

00:49:23,829 --> 00:49:20,800

like that's why when nuclear you know

1530

00:49:25,829 --> 00:49:23,839

weapons were first being manufactured or

1531

00:49:28,069 --> 00:49:25,839

you know we're we're going to vietnam

1532

00:49:30,790 --> 00:49:28,079

that's why in the 60s and 70s

1533

00:49:31,990 --> 00:49:30,800

we had this contact e movement of aliens

1534

00:49:33,670 --> 00:49:32,000

coming here and saying

1535

00:49:35,349 --> 00:49:33,680

you gotta shape up because you're gonna

1536

00:49:38,470 --> 00:49:35,359

destroy your planet like

1537

00:49:39,030 --> 00:49:38,480

it's it's a good i guess conveyor of a

1538

00:49:41,349 --> 00:49:39,040

message

1539

00:49:42,870 --> 00:49:41,359

we should be following anyways kind of

1540

00:49:44,390 --> 00:49:42,880

like religion like you look at any of

1541

00:49:46,230 --> 00:49:44,400

the major religions

1542

00:49:48,390 --> 00:49:46,240

and they kind of all have the same core

1543

00:49:52,069 --> 00:49:48,400

meaning you know do good

1544

00:49:54,549 --> 00:49:52,079

and um spread love and

1545

00:49:55,430 --> 00:49:54,559

it'll come back to you um so i think

1546

00:49:57,990 --> 00:49:55,440

yeah i think this

1547

00:49:59,190 --> 00:49:58,000

topic is reflective of that as well it's

1548

00:50:01,829 --> 00:49:59,200

us striving

1549

00:50:02,950 --> 00:50:01,839

to be something more um and we look at

1550

00:50:05,750 --> 00:50:02,960

these

1551
00:50:07,190 --> 00:50:05,760
tic tacs and pyramids doing unbelievable

1552
00:50:08,470 --> 00:50:07,200
things that we know humans are not

1553
00:50:11,109 --> 00:50:08,480
capable of yet

1554
00:50:13,349 --> 00:50:11,119
uh but we might one day so i again i

1555
00:50:14,950 --> 00:50:13,359
think it's us aspiring to be something

1556
00:50:16,950 --> 00:50:14,960
and maybe that is what we're dealing

1557
00:50:18,150 --> 00:50:16,960
with when it comes to the the alien

1558
00:50:20,549 --> 00:50:18,160
question

1559
00:50:21,990 --> 00:50:20,559
yeah i'd love to talk to people that

1560
00:50:23,349 --> 00:50:22,000
obviously we can't talk to someone from

1561
00:50:25,270 --> 00:50:23,359
you know 1910

1562
00:50:26,470 --> 00:50:25,280
but i would like to talk to as far back

1563
00:50:28,870 --> 00:50:26,480

as we could get

1564

00:50:29,910 --> 00:50:28,880

and ask them from all different periods

1565

00:50:33,030 --> 00:50:29,920

and decades and

1566

00:50:35,030 --> 00:50:33,040

in in and compare them and say

1567

00:50:37,030 --> 00:50:35,040

when you saw a ufo what'd it look like

1568

00:50:39,589 --> 00:50:37,040

what was going on in history

1569

00:50:41,430 --> 00:50:39,599

what happened what was your feeling what

1570

00:50:44,549 --> 00:50:41,440

was it like what was it like

1571

00:50:46,710 --> 00:50:44,559

what did everybody think about ufos um

1572

00:50:49,030 --> 00:50:46,720

and then keep going down that line every

1573

00:50:51,190 --> 00:50:49,040

decade or every five years

1574

00:50:53,030 --> 00:50:51,200

and read about it and see how the

1575

00:50:53,829 --> 00:50:53,040

culture was along with what they were

1576
00:50:55,589 --> 00:50:53,839
seeing

1577
00:50:56,950 --> 00:50:55,599
because i think it'd be and then come to

1578
00:50:58,710 --> 00:50:56,960
today and where we are

1579
00:51:00,870 --> 00:50:58,720
and reading a whole bunch of stories of

1580
00:51:02,230 --> 00:51:00,880
that would be really really interesting

1581
00:51:04,150 --> 00:51:02,240
you know and even asking someone like

1582
00:51:06,790 --> 00:51:04,160
robert salas you know

1583
00:51:08,309 --> 00:51:06,800
robert like when you were on that base

1584
00:51:10,790 --> 00:51:08,319
and that happened to you

1585
00:51:12,390 --> 00:51:10,800
you know a your your feeling of that and

1586
00:51:13,430 --> 00:51:12,400
then what was the sentiment around the

1587
00:51:15,990 --> 00:51:13,440
world like

1588
00:51:17,589 --> 00:51:16,000

that was a scary time and for him being

1589

00:51:17,910 --> 00:51:17,599

on that base when all those missiles

1590

00:51:21,670 --> 00:51:17,920

were

1591

00:51:24,069 --> 00:51:21,680

activating like i can't even imagine

1592

00:51:25,510 --> 00:51:24,079

how that would feel and so talking to

1593

00:51:27,030 --> 00:51:25,520

all those different people that have had

1594

00:51:29,030 --> 00:51:27,040

experiences from all different

1595

00:51:30,230 --> 00:51:29,040

variations and degrees in all different

1596

00:51:33,190 --> 00:51:30,240

decades

1597

00:51:34,309 --> 00:51:33,200

would be a really interesting cultural

1598

00:51:35,910 --> 00:51:34,319

you know comparison

1599

00:51:37,750 --> 00:51:35,920

and then where we see where we see we

1600

00:51:40,069 --> 00:51:37,760

are today and then the reflection of

1601
00:51:41,430 --> 00:51:40,079
society going on in that time because

1602
00:51:43,589 --> 00:51:41,440
i think we learn a lot more about

1603
00:51:45,109 --> 00:51:43,599
ourselves too yeah

1604
00:51:47,430 --> 00:51:45,119
absolutely i do think you're right

1605
00:51:48,870 --> 00:51:47,440
that's why ufos seem to change

1606
00:51:51,109 --> 00:51:48,880
throughout the decades

1607
00:51:51,990 --> 00:51:51,119
i think too is because each kind of

1608
00:51:54,630 --> 00:51:52,000
decade

1609
00:51:56,069 --> 00:51:54,640
has a new approach and new issues

1610
00:51:59,190 --> 00:51:56,079
they're dealing with whether it's

1611
00:52:00,390 --> 00:51:59,200
politically economically religiously um

1612
00:52:02,150 --> 00:52:00,400
all throughout the world

1613
00:52:05,030 --> 00:52:02,160

so yeah i think you're right i think

1614

00:52:06,870 --> 00:52:05,040

this just it's such a big broad topic

1615

00:52:09,030 --> 00:52:06,880

and we're just trying to piece the

1616

00:52:10,309 --> 00:52:09,040

puzzle together and uh i don't know if

1617

00:52:12,549 --> 00:52:10,319

it is a solvable

1618

00:52:14,549 --> 00:52:12,559

puzzle but we're gonna keep trying um

1619

00:52:15,910 --> 00:52:14,559

well i have a couple listener questions

1620

00:52:18,230 --> 00:52:15,920

chrissy if you don't mind i know you

1621

00:52:19,270 --> 00:52:18,240

gotta get going um i talked way too much

1622

00:52:23,030 --> 00:52:19,280

during this so

1623

00:52:25,910 --> 00:52:23,040

we'll go rapid fire okay um so dan

1624

00:52:27,270 --> 00:52:25,920

danzie uh who runs the signal twitter

1625

00:52:29,030 --> 00:52:27,280

account and um

1626
00:52:31,030 --> 00:52:29,040
awesome dude i've got his stickers right

1627
00:52:35,109 --> 00:52:31,040
back here if anyone's interested

1628
00:52:36,710 --> 00:52:35,119
um he wants to know um if tasked with

1629
00:52:38,230 --> 00:52:36,720
rolling out disclosure

1630
00:52:40,309 --> 00:52:38,240
kind of what we've been talking about

1631
00:52:41,990 --> 00:52:40,319
how would you market it and distribute

1632
00:52:44,549 --> 00:52:42,000
it as someone who comes from

1633
00:52:46,069 --> 00:52:44,559
you know sort of a pr background how

1634
00:52:47,829 --> 00:52:46,079
would you market disclosure

1635
00:52:49,430 --> 00:52:47,839
to the public for who for the government

1636
00:52:49,990 --> 00:52:49,440
of working for the government or working

1637
00:52:53,030 --> 00:52:50,000
for

1638
00:52:55,430 --> 00:52:53,040

who what side am i on what's that that's

1639

00:52:57,030 --> 00:52:55,440

how about perfect would you have two

1640

00:52:58,790 --> 00:52:57,040

different approaches from government

1641

00:53:00,230 --> 00:52:58,800

and then like i don't know i would hope

1642

00:53:01,670 --> 00:53:00,240

that it would be the same

1643

00:53:03,349 --> 00:53:01,680

well the difference i think between

1644

00:53:04,150 --> 00:53:03,359

because it depends if you're rolling out

1645

00:53:05,750 --> 00:53:04,160

disclosure

1646

00:53:07,349 --> 00:53:05,760

you would be the person working within

1647

00:53:08,150 --> 00:53:07,359

the government as the communications

1648

00:53:11,190 --> 00:53:08,160

director

1649

00:53:13,190 --> 00:53:11,200

you know if i was susan go uh doing

1650

00:53:14,470 --> 00:53:13,200

you know working with the pentagon and

1651
00:53:16,549 --> 00:53:14,480
doing disclosure

1652
00:53:17,829 --> 00:53:16,559
you know i'm very much for people

1653
00:53:19,589 --> 00:53:17,839
knowing the truth

1654
00:53:21,510 --> 00:53:19,599
so i don't know how much they would like

1655
00:53:24,630 --> 00:53:21,520
me but let's just say i was

1656
00:53:27,270 --> 00:53:24,640
um i would probably start to

1657
00:53:27,670 --> 00:53:27,280
to figure out obviously with mass media

1658
00:53:31,750 --> 00:53:27,680
and

1659
00:53:33,910 --> 00:53:31,760
obviously was positive

1660
00:53:35,589 --> 00:53:33,920
as much as we could tell the truth that

1661
00:53:38,710 --> 00:53:35,599
wouldn't scare the public

1662
00:53:39,030 --> 00:53:38,720
um i also think telling people that you

1663
00:53:42,150 --> 00:53:39,040

know

1664

00:53:44,790 --> 00:53:42,160

you believing in ufos is okay

1665

00:53:45,510 --> 00:53:44,800

and it doesn't mean that you need to

1666

00:53:47,589 --> 00:53:45,520

give up

1667

00:53:49,109 --> 00:53:47,599

your religion you doesn't mean that you

1668

00:53:50,790 --> 00:53:49,119

have to change your job

1669

00:53:52,470 --> 00:53:50,800

it doesn't mean that you have to move

1670

00:53:53,829 --> 00:53:52,480

from your city or country

1671

00:53:56,069 --> 00:53:53,839

it doesn't mean you have to stop what

1672

00:53:57,750 --> 00:53:56,079

you're doing this is something that's

1673

00:53:58,790 --> 00:53:57,760

part of our life that we need to now

1674

00:54:01,990 --> 00:53:58,800

just look at

1675

00:54:02,630 --> 00:54:02,000

and understand and probably have some

1676
00:54:04,549 --> 00:54:02,640
kind of

1677
00:54:06,309 --> 00:54:04,559
i'm not going to say comfort but some

1678
00:54:07,910 --> 00:54:06,319
kind of overall understanding

1679
00:54:10,069 --> 00:54:07,920
that this is part of it and we're trying

1680
00:54:12,309 --> 00:54:10,079
to figure it out so i would start

1681
00:54:13,990 --> 00:54:12,319
there and then later on i would keep you

1682
00:54:16,790 --> 00:54:14,000
know obviously talking to media

1683
00:54:18,549 --> 00:54:16,800
educating them what's going on um i

1684
00:54:20,150 --> 00:54:18,559
think giving all different types of mass

1685
00:54:21,750 --> 00:54:20,160
media and specific journalists can then

1686
00:54:23,990 --> 00:54:21,760
ask really great questions

1687
00:54:25,030 --> 00:54:24,000
and then also educating specific

1688
00:54:27,030 --> 00:54:25,040

journalists

1689

00:54:29,349 --> 00:54:27,040

about this topic because the one thing

1690

00:54:31,190 --> 00:54:29,359

that i see within mass media is that

1691

00:54:33,430 --> 00:54:31,200

when these journalists come to people

1692

00:54:33,910 --> 00:54:33,440

like the debrief and like tim mcmillan

1693

00:54:35,910 --> 00:54:33,920

and

1694

00:54:37,270 --> 00:54:35,920

a lot of other journalists is because

1695

00:54:41,030 --> 00:54:37,280

there's like a vault

1696

00:54:42,630 --> 00:54:41,040

of information that we've

1697

00:54:43,510 --> 00:54:42,640

that you're like they think sometimes i

1698

00:54:44,390 --> 00:54:43,520

think journals might think they're

1699

00:54:46,390 --> 00:54:44,400

coming into

1700

00:54:47,589 --> 00:54:46,400

maybe some of them if they're new are

1701
00:54:48,870 --> 00:54:47,599
coming into this topic and they're like

1702
00:54:50,549 --> 00:54:48,880
oh what about ufos

1703
00:54:53,109 --> 00:54:50,559
and then they realize like there's so

1704
00:54:54,789 --> 00:54:53,119
much content and so much history around

1705
00:54:56,549 --> 00:54:54,799
it and you just have to get through all

1706
00:54:59,030 --> 00:54:56,559
of that so you start now in the

1707
00:55:00,470 --> 00:54:59,040
in the beginning of ufos and then you go

1708
00:55:02,870 --> 00:55:00,480
all the way down to

1709
00:55:03,750 --> 00:55:02,880
from like centuries of conversations of

1710
00:55:06,630 --> 00:55:03,760
it or just

1711
00:55:07,270 --> 00:55:06,640
articles experiences so maybe giving

1712
00:55:09,750 --> 00:55:07,280
even just

1713
00:55:10,549 --> 00:55:09,760

crash courses into to specific

1714

00:55:12,069 --> 00:55:10,559

journalists

1715

00:55:13,910 --> 00:55:12,079

and telling them and explaining to them

1716

00:55:16,069 --> 00:55:13,920

what were those pivotal moments

1717

00:55:17,750 --> 00:55:16,079

that happened in history that really

1718

00:55:21,030 --> 00:55:17,760

came to this conversation

1719

00:55:23,510 --> 00:55:21,040

and then where we are today and if i was

1720

00:55:25,190 --> 00:55:23,520

lucky enough to work in communications i

1721

00:55:27,030 --> 00:55:25,200

would love to prove

1722

00:55:29,190 --> 00:55:27,040

that some of these stories that people

1723

00:55:32,390 --> 00:55:29,200

have been ridiculed their entire lives

1724

00:55:33,910 --> 00:55:32,400

are true and giving them that that light

1725

00:55:35,750 --> 00:55:33,920

that's never gonna happen in the

1726

00:55:36,390 --> 00:55:35,760

government that's what i would love to

1727

00:55:38,069 --> 00:55:36,400

do

1728

00:55:40,710 --> 00:55:38,079

um because it would open up a little bit

1729

00:55:42,549 --> 00:55:40,720

more of transparency and trust but

1730

00:55:44,470 --> 00:55:42,559

again there's probably tons of reasons

1731

00:55:45,510 --> 00:55:44,480

why the government won't do that because

1732

00:55:46,950 --> 00:55:45,520

of

1733

00:55:49,589 --> 00:55:46,960

you know you can't ridicule someone

1734

00:55:51,109 --> 00:55:49,599

their entire life and then be like sorry

1735

00:55:53,990 --> 00:55:51,119

about that

1736

00:55:54,870 --> 00:55:54,000

right yeah that's not gonna happen um

1737

00:55:56,309 --> 00:55:54,880

but i think that

1738

00:55:58,230 --> 00:55:56,319

that there's a ton of places i'd you

1739

00:55:58,870 --> 00:55:58,240

know it's a really hard question to

1740

00:56:00,710 --> 00:55:58,880

answer

1741

00:56:02,309 --> 00:56:00,720

but i think it is because there's so

1742

00:56:03,270 --> 00:56:02,319

much to go with it but i think that's

1743

00:56:06,069 --> 00:56:03,280

where i would start with

1744

00:56:07,670 --> 00:56:06,079

and then having media and talking about

1745

00:56:09,670 --> 00:56:07,680

it and then with media talking about it

1746

00:56:11,910 --> 00:56:09,680

and having a better understanding

1747

00:56:13,589 --> 00:56:11,920

of where we're going and then hopefully

1748

00:56:14,710 --> 00:56:13,599

having people ask more questions and be

1749

00:56:16,549 --> 00:56:14,720

able to answer it

1750

00:56:18,470 --> 00:56:16,559

but i think mainly is telling people

1751
00:56:18,789 --> 00:56:18,480
that it's okay and starting there so we

1752
00:56:21,670 --> 00:56:18,799
don't

1753
00:56:23,270 --> 00:56:21,680
freak people out um and they have a

1754
00:56:24,870 --> 00:56:23,280
better idea of what's happening and

1755
00:56:27,349 --> 00:56:24,880
maybe that's what they're doing now

1756
00:56:28,390 --> 00:56:27,359
we don't really know maybe they are and

1757
00:56:30,309 --> 00:56:28,400
they're speeding food

1758
00:56:31,589 --> 00:56:30,319
you know they're doing this type of

1759
00:56:34,630 --> 00:56:31,599
disclosure to us

1760
00:56:35,910 --> 00:56:34,640
that's very very spoon-fed right now um

1761
00:56:38,230 --> 00:56:35,920
but that's that's kind of where i would

1762
00:56:39,750 --> 00:56:38,240
start um but this is probably

1763
00:56:41,430 --> 00:56:39,760

i'd love to hear other people's actually

1764

00:56:43,589 --> 00:56:41,440

like i would love to hear how they would

1765

00:56:45,190 --> 00:56:43,599

feel disclosure would be rolled out

1766

00:56:47,670 --> 00:56:45,200

i would love to know that yeah yeah it'd

1767

00:56:48,950 --> 00:56:47,680

be interesting yeah everyone has it's a

1768

00:56:51,190 --> 00:56:48,960

great question it's really

1769

00:56:51,990 --> 00:56:51,200

yeah yeah it was a good one thanks dan

1770

00:56:54,870 --> 00:56:52,000

um well

1771

00:56:55,270 --> 00:56:54,880

you said um kind of going and um you

1772

00:56:58,150 --> 00:56:55,280

know

1773

00:56:59,670 --> 00:56:58,160

at the debrief it's boldly going and uh

1774

00:57:02,069 --> 00:56:59,680

rebelliously

1775

00:57:03,589 --> 00:57:02,079

curious so uh teresa wants to know

1776

00:57:06,069 --> 00:57:03,599

before we go here chrissy

1777

00:57:07,109 --> 00:57:06,079

um how did you come to work with the

1778

00:57:09,430 --> 00:57:07,119

debrief

1779

00:57:10,870 --> 00:57:09,440

and um is there gonna be more episodes

1780

00:57:12,870 --> 00:57:10,880

of rebelliously

1781

00:57:14,630 --> 00:57:12,880

curious and what is it tell us a little

1782

00:57:15,990 --> 00:57:14,640

about the show that you have going on at

1783

00:57:16,950 --> 00:57:16,000

the youtube channel and whatnot if you

1784

00:57:20,150 --> 00:57:16,960

don't

1785

00:57:23,510 --> 00:57:20,160

yeah so i remember when the acorn

1786

00:57:26,230 --> 00:57:23,520

photo dropped from the debrief and

1787

00:57:28,390 --> 00:57:26,240

i'm like who is what is this debrief who

1788

00:57:29,670 --> 00:57:28,400

is this debrief i have not heard of

1789

00:57:31,910 --> 00:57:29,680

these people

1790

00:57:33,349 --> 00:57:31,920

um like obviously them there's a website

1791

00:57:33,829 --> 00:57:33,359

like tim mcmillan and the rest but i'm

1792

00:57:35,589 --> 00:57:33,839

like

1793

00:57:37,510 --> 00:57:35,599

what is this website that's going on

1794

00:57:40,549 --> 00:57:37,520

here so that's where

1795

00:57:42,069 --> 00:57:40,559

um and then i messaged you ryan

1796

00:57:43,990 --> 00:57:42,079

it was like i saw that you were working

1797

00:57:45,670 --> 00:57:44,000

with them so i asked you i'm like what's

1798

00:57:46,710 --> 00:57:45,680

going on and you gave me a little bit of

1799

00:57:49,829 --> 00:57:46,720

information

1800

00:57:51,349 --> 00:57:49,839

and then i saw mj uh i i followed a lot

1801
00:57:53,030 --> 00:57:51,359
of people on social media i added them

1802
00:57:55,910 --> 00:57:53,040
on facebook because i'm just

1803
00:57:56,950 --> 00:57:55,920
that much one i want the intel in the

1804
00:57:59,829 --> 00:57:56,960
community

1805
00:58:01,349 --> 00:57:59,839
and i saw mj put a posting up and said

1806
00:58:02,309 --> 00:58:01,359
we're looking for contributors writing

1807
00:58:04,789 --> 00:58:02,319
contributors

1808
00:58:06,549 --> 00:58:04,799
so i sent him a note and i said i would

1809
00:58:08,710 --> 00:58:06,559
like to work with you guys like i'd like

1810
00:58:10,549 --> 00:58:08,720
to contribute um but i like to do it

1811
00:58:12,549 --> 00:58:10,559
in a video context or podcast kind of

1812
00:58:14,630 --> 00:58:12,559
context because that's where

1813
00:58:16,630 --> 00:58:14,640

you know that that's more of my medium

1814

00:58:17,430 --> 00:58:16,640

and he said yeah he's like well we need

1815

00:58:19,430 --> 00:58:17,440

someone to do

1816

00:58:21,589 --> 00:58:19,440

like tech videos and updates and stuff

1817

00:58:22,630 --> 00:58:21,599

and um so him and i came back and forth

1818

00:58:25,030 --> 00:58:22,640

with the concept

1819

00:58:26,549 --> 00:58:25,040

and he was like how we were going back

1820

00:58:29,190 --> 00:58:26,559

and forth with names

1821

00:58:30,789 --> 00:58:29,200

and to name the show and he was like

1822

00:58:31,349 --> 00:58:30,799

what about rebelliously curious and i

1823

00:58:34,069 --> 00:58:31,359

said yeah

1824

00:58:35,109 --> 00:58:34,079

like that like totally fits into who i

1825

00:58:36,710 --> 00:58:35,119

am as a person

1826

00:58:38,390 --> 00:58:36,720

and also what i would like to do with

1827

00:58:41,030 --> 00:58:38,400

the debrief um

1828

00:58:42,390 --> 00:58:41,040

and my there will be way more episodes

1829

00:58:45,109 --> 00:58:42,400

hopefully the show will grow

1830

00:58:46,390 --> 00:58:45,119

where you know um i get to maybe one day

1831

00:58:48,390 --> 00:58:46,400

get to go into the field

1832

00:58:50,710 --> 00:58:48,400

and get to learn and be one-on-one and

1833

00:58:51,829 --> 00:58:50,720

be curious even more into topics that i

1834

00:58:54,789 --> 00:58:51,839

want to learn more about

1835

00:58:55,910 --> 00:58:54,799

and also have people you know follow

1836

00:58:57,589 --> 00:58:55,920

along with me

1837

00:58:59,510 --> 00:58:57,599

you know and learning with me and i

1838

00:59:01,589 --> 00:58:59,520

think the most important thing for me is

1839

00:59:03,589 --> 00:59:01,599

that when i do these videos is that

1840

00:59:06,230 --> 00:59:03,599

making it approachable and making it

1841

00:59:08,950 --> 00:59:06,240

that it's easy to understand and people

1842

00:59:11,109 --> 00:59:08,960

you know hopefully they enjoy it um and

1843

00:59:13,109 --> 00:59:11,119

are able to grasp science and technology

1844

00:59:15,670 --> 00:59:13,119

and defense and ufos

1845

00:59:17,270 --> 00:59:15,680

so that it's easy to understand and it's

1846

00:59:18,710 --> 00:59:17,280

fun to understand

1847

00:59:20,710 --> 00:59:18,720

and it's something that yeah is

1848

00:59:22,630 --> 00:59:20,720

approachable to them so that's really my

1849

00:59:24,150 --> 00:59:22,640

goal is to make science tech

1850

00:59:26,230 --> 00:59:24,160

in that and and make it so that it's

1851
00:59:28,150 --> 00:59:26,240
easy to consume and

1852
00:59:29,510 --> 00:59:28,160
people want to learn more and that's

1853
00:59:30,870 --> 00:59:29,520
what's important to me and

1854
00:59:32,549 --> 00:59:30,880
that kind of that's a very similar

1855
00:59:33,030 --> 00:59:32,559
narrative to the debrief and that's why

1856
00:59:36,789 --> 00:59:33,040
we

1857
00:59:38,470 --> 00:59:36,799
i feel and ryan you're part of that

1858
00:59:40,950 --> 00:59:38,480
you know it's making journalism and

1859
00:59:43,829 --> 00:59:40,960
making these topics approachable and fun

1860
00:59:45,030 --> 00:59:43,839
rather than stuffy and old like so yeah

1861
00:59:46,549 --> 00:59:45,040
some outlets

1862
00:59:48,470 --> 00:59:46,559
you know and that's what i love about

1863
00:59:49,910 --> 00:59:48,480

the guys is they understand that and

1864

00:59:51,109 --> 00:59:49,920

they understand how to talk to the

1865

00:59:53,990 --> 00:59:51,119

community as well

1866

00:59:54,950 --> 00:59:54,000

and also giving really really really

1867

00:59:58,150 --> 00:59:54,960

wonderful

1868

01:00:01,109 --> 00:59:58,160

stories and um and articles and

1869

01:00:02,950 --> 01:00:01,119

and proof like it's just it's it's one

1870

01:00:05,510 --> 01:00:02,960

of the probably the best websites

1871

01:00:06,230 --> 01:00:05,520

that started independently that really

1872

01:00:09,030 --> 01:00:06,240

does

1873

01:00:10,710 --> 01:00:09,040

you know will hopefully be something a

1874

01:00:13,750 --> 01:00:10,720

lot larger than what it is now

1875

01:00:15,349 --> 01:00:13,760

but it's growing every day and

1876

01:00:17,349 --> 01:00:15,359

honestly i'm just i'm really happy to be

1877

01:00:18,309 --> 01:00:17,359

part of it it's a really great space to

1878

01:00:20,870 --> 01:00:18,319

be in

1879

01:00:22,549 --> 01:00:20,880

cool i i would have to agree you know i

1880

01:00:24,390 --> 01:00:22,559

approached the guys and said hey

1881

01:00:26,069 --> 01:00:24,400

i don't know if my writing's up to par

1882

01:00:28,470 --> 01:00:26,079

for what you guys got going on

1883

01:00:29,270 --> 01:00:28,480

with your standards but um i'd love to

1884

01:00:31,190 --> 01:00:29,280

give it a try

1885

01:00:33,829 --> 01:00:31,200

and you know i've been so lucky to get

1886

01:00:35,670 --> 01:00:33,839

like 10 articles published at this point

1887

01:00:37,430 --> 01:00:35,680

with many more to come as well

1888

01:00:39,109 --> 01:00:37,440

as many more of your episodes to come

1889

01:00:40,470 --> 01:00:39,119

and i think you're right like it's

1890

01:00:43,190 --> 01:00:40,480

we're trying to make it accessible

1891

01:00:46,230 --> 01:00:43,200

because a lot of this emerging

1892

01:00:48,150 --> 01:00:46,240

tech and disruptive tech and science and

1893

01:00:50,710 --> 01:00:48,160

all this stuff it's intimidating

1894

01:00:52,390 --> 01:00:50,720

and i can't even pretend to really

1895

01:00:54,870 --> 01:00:52,400

understand some of the stuff

1896

01:00:55,990 --> 01:00:54,880

that i'm writing about so it's cool to

1897

01:00:58,710 --> 01:00:56,000

have kind of your

1898

01:00:59,430 --> 01:00:58,720

show that when we write an article you

1899

01:01:02,150 --> 01:00:59,440

can then

1900

01:01:03,510 --> 01:01:02,160

expand on the articles and uh make it

1901

01:01:05,430 --> 01:01:03,520

more digestible

1902

01:01:06,870 --> 01:01:05,440

because i think again like this is about

1903

01:01:08,950 --> 01:01:06,880

getting everyone involved

1904

01:01:10,789 --> 01:01:08,960

if we're just writing like science

1905

01:01:13,750 --> 01:01:10,799

babble that only a couple

1906

01:01:15,109 --> 01:01:13,760

you know um quantum computing scientists

1907

01:01:17,510 --> 01:01:15,119

are going to understand

1908

01:01:18,870 --> 01:01:17,520

like why even bother like they have

1909

01:01:20,549 --> 01:01:18,880

their own outlets for that

1910

01:01:22,069 --> 01:01:20,559

so yeah i think it's really cool what

1911

01:01:24,069 --> 01:01:22,079

you got going on with the debrief as

1912

01:01:24,950 --> 01:01:24,079

well thanks ryan and vice versa like i

1913

01:01:27,270 --> 01:01:24,960

just

1914

01:01:29,430 --> 01:01:27,280

i think it's so important because you

1915

01:01:30,950 --> 01:01:29,440

people i think are like oh i'm not smart

1916

01:01:33,109 --> 01:01:30,960

enough to like this

1917

01:01:34,950 --> 01:01:33,119

to be part of science and tech and all

1918

01:01:35,829 --> 01:01:34,960

of this and i would tell myself that

1919

01:01:37,670 --> 01:01:35,839

narrative for

1920

01:01:38,870 --> 01:01:37,680

for years i'm like i'm not smart enough

1921

01:01:40,309 --> 01:01:38,880

you know

1922

01:01:42,710 --> 01:01:40,319

to go to school for that and then i

1923

01:01:44,309 --> 01:01:42,720

realized i'm like no chrissy i'm like

1924

01:01:45,349 --> 01:01:44,319

these are things that you enjoy and

1925

01:01:47,109 --> 01:01:45,359

maybe you might not understand the

1926

01:01:49,589 --> 01:01:47,119

mathematics around it

1927

01:01:50,789 --> 01:01:49,599

but you like the theory of it and that's

1928

01:01:53,109 --> 01:01:50,799

what's interesting and

1929

01:01:54,870 --> 01:01:53,119

being able to make articles or people to

1930

01:01:57,349 --> 01:01:54,880

write articles and make videos

1931

01:01:59,109 --> 01:01:57,359

that i can say to somebody that i can

1932

01:02:00,549 --> 01:01:59,119

explain it to them while i'm reading it

1933

01:02:02,710 --> 01:02:00,559

and breaking it down

1934

01:02:04,230 --> 01:02:02,720

and finding that education point that's

1935

01:02:06,069 --> 01:02:04,240

easy to understand

1936

01:02:07,829 --> 01:02:06,079

is really important because you don't

1937

01:02:10,309 --> 01:02:07,839

have to be a rocket scientist

1938

01:02:11,750 --> 01:02:10,319

to like science tech and defense and all

1939

01:02:13,990 --> 01:02:11,760

of this you can enjoy it

1940

01:02:15,829 --> 01:02:14,000

and be somebody who likes art you can be

1941

01:02:16,789 --> 01:02:15,839

somebody who you can be anybody

1942

01:02:18,549 --> 01:02:16,799

it doesn't mean you have to be a

1943

01:02:20,069 --> 01:02:18,559

specific person and i think a lot of

1944

01:02:21,750 --> 01:02:20,079

people are scared of reading those

1945

01:02:23,829 --> 01:02:21,760

articles because they just feel like

1946

01:02:25,270 --> 01:02:23,839

they're maybe not up to snuff

1947

01:02:27,270 --> 01:02:25,280

or they don't feel that maybe they're

1948

01:02:29,029 --> 01:02:27,280

not smart enough to be in that community

1949

01:02:30,309 --> 01:02:29,039

and it's like no you're not you're

1950

01:02:31,910 --> 01:02:30,319

allowed to be part of this and you're

1951

01:02:33,829 --> 01:02:31,920

allowed to have an interest

1952

01:02:35,190 --> 01:02:33,839

and it doesn't matter what education

1953

01:02:37,190 --> 01:02:35,200

level you're on

1954

01:02:38,870 --> 01:02:37,200

and i think that's if we keep pushing

1955

01:02:40,390 --> 01:02:38,880

that forward then we'll get more people

1956

01:02:42,069 --> 01:02:40,400

into the community that are liking

1957

01:02:43,910 --> 01:02:42,079

science and thinking that it's cool

1958

01:02:45,829 --> 01:02:43,920

and we'll getting a different generation

1959

01:02:46,470 --> 01:02:45,839

that wants to learn more about science

1960

01:02:48,549 --> 01:02:46,480

and tech

1961

01:02:50,549 --> 01:02:48,559

than they do about the Kardashians no

1962

01:02:52,309 --> 01:02:50,559

offense Kardashians

1963

01:02:53,990 --> 01:02:52,319

but to me yeah they're big fans of

1964

01:02:57,750 --> 01:02:54,000

somewhere in the skies so exactly

1965

01:02:59,750 --> 01:02:57,760

right exactly you know like that's my

1966

01:03:01,670 --> 01:02:59,760

you know and that's my hope you know and

1967

01:03:05,109 --> 01:03:01,680

maybe it's a little biased but

1968

01:03:06,710 --> 01:03:05,119

that that's why um that's why i'm really

1969

01:03:07,510 --> 01:03:06,720

happy to be part of a community that

1970

01:03:09,109 --> 01:03:07,520

wants to

1971

01:03:10,870 --> 01:03:09,119

to make it easy and digestible for

1972

01:03:13,750 --> 01:03:10,880

people so awesome

1973

01:03:15,029 --> 01:03:13,760

yup learning that's the key word so in

1974

01:03:16,950 --> 01:03:15,039

closing chrissy

1975

01:03:18,710 --> 01:03:16,960

um where can we learn more about

1976

01:03:21,510 --> 01:03:18,720

everything you're up to

1977

01:03:21,829 --> 01:03:21,520

and uh yeah give us all the socials and

1978

01:03:24,549 --> 01:03:21,839

uh

1979

01:03:26,230 --> 01:03:24,559

websites and where people can find you

1980

01:03:27,430 --> 01:03:26,240

yep for sure uh they can follow me on

1981

01:03:31,150 --> 01:03:27,440

social media at

1982

01:03:32,710 --> 01:03:31,160

miss vocab am i it's right down there

1983

01:03:35,750 --> 01:03:32,720

m-i-s-s-v-u-c-o-v

1984

01:03:37,430 --> 01:03:35,760

um you can also go to altpoprepeat.com

1985

01:03:39,029 --> 01:03:37,440

uh to listen to our podcast we're on all

1986

01:03:42,150 --> 01:03:39,039

streaming podcasts as well

1987

01:03:44,069 --> 01:03:42,160

and then you can go to thedebrief.org

1988

01:03:45,910 --> 01:03:44,079

you can pop over to their youtube page

1989

01:03:47,670 --> 01:03:45,920

and you'll find my videos that come out

1990

01:03:49,430 --> 01:03:47,680

every friday at two o'clock

1991

01:03:51,109 --> 01:03:49,440

called uh rebelliously curious with

1992

01:03:53,109 --> 01:03:51,119

chrissy newton so

1993

01:03:54,230 --> 01:03:53,119

yeah and i love talking to people on

1994

01:03:57,270 --> 01:03:54,240

social media so

1995

01:03:58,870 --> 01:03:57,280

tweet dm me do all those wonderful

1996

01:04:01,190 --> 01:03:58,880

things because i will always talk about

1997

01:04:03,670 --> 01:04:01,200

ufos or other topics with you

1998

01:04:05,349 --> 01:04:03,680

yes have a conversation i love it well

1999

01:04:05,829 --> 01:04:05,359

chrissy i gotta thank you i know you're

2000

01:04:07,750 --> 01:04:05,839

going

2001

01:04:13,029 --> 01:04:07,760

right to another show after this you're

2002

01:04:14,950 --> 01:04:13,039

popular today so um

2003

01:04:16,710 --> 01:04:14,960

i know everyone go to clubhouse go to

2004

01:04:18,309 --> 01:04:16,720

the debrief clubhouse hang out there

2005

01:04:20,710 --> 01:04:18,319

it's a really fun time i've done it

2006

01:04:21,910 --> 01:04:20,720

a couple times now but um thank you

2007

01:04:23,910 --> 01:04:21,920

thank you for coming on

2008

01:04:26,069 --> 01:04:23,920

and just having a conversation i think

2009

01:04:27,910 --> 01:04:26,079

if more people did that like this

2010

01:04:28,390 --> 01:04:27,920

community could come together instead of

2011

01:04:30,069 --> 01:04:28,400

you know

2012

01:04:31,510 --> 01:04:30,079

you're wrong you're right um and

2013

01:04:33,109 --> 01:04:31,520

everything in between so

2014

01:04:38,829 --> 01:04:33,119

thank you thank you for coming on summer

2015

01:04:38,839 --> 01:04:42,550

right
