spread

19

00:01:20,070 --> 00:01:17,590

hi my name is yammy and i'm from the

20

00:01:23,590 --> 00:01:20,080

cryptic chat with yummy podcast

21

00:01:25,270 --> 00:01:23,600

on june 8th of 2015 i had an encounter

22

00:01:27,670 --> 00:01:25,280

with what i believe to be

23

00:01:28,310 --> 00:01:27,680

an unidentified flying object from a far

24

00:01:31,109 --> 00:01:28,320

distance

25

00:01:32,069 --> 00:01:31,119

in our small town here of saint cloud

26

00:01:34,469 --> 00:01:32,079

florida

27

00:01:36,710 --> 00:01:34,479

it was a normal day it was in the

28

00:01:39,030 --> 00:01:36,720

evening and me and my family were

29

00:01:41,590 --> 00:01:39,040

just relaxing in our living room when my

30

00:01:42,550 --> 00:01:41,600

dad pointed out that somebody had posted

31

00:01:45,590 --> 00:01:42,560

something strange

32

00:01:48,310 --> 00:01:45,600

on the county facebook page

33

00:01:49,109 --> 00:01:48,320

somebody had asked if other people could

34

00:01:53,350 --> 00:01:49,119

see

35

00:01:56,069 --> 00:01:53,360

this pair of lights that were in the sky

36

00:01:57,670 --> 00:01:56,079

he posted a photo of them and soon i

37

00:01:59,670 --> 00:01:57,680

don't even know how many people began to

38

00:02:01,910 --> 00:01:59,680

post their own photos and videos

39

00:02:04,389 --> 00:02:01,920
of these set of lights it was three

40

00:02:06,230 --> 00:02:04,399
lights in a triangular formation

41

00:02:09,430 --> 00:02:06,240
they seemed to be just kind of hovering

42

00:02:11,430 --> 00:02:09,440
over the local golf course

43

00:02:13,589 --> 00:02:11,440
which actually from our home was

44

00:02:15,750 --> 00:02:13,599
probably five minutes away

45

00:02:17,190 --> 00:02:15,760
we didn't really know what to make of it

46

00:02:20,150 --> 00:02:17,200
we're a very small town

47

00:02:21,670 --> 00:02:20,160
not really a lot happens but we just

48

00:02:22,150 --> 00:02:21,680
kind of followed along with the story

49

00:02:24,229 --> 00:02:22,160
and

50

00:02:26,470 --> 00:02:24,239
it seemed that they stayed in the area

51
00:02:27,990 --> 00:02:26,480
so at that point i reached out to a

52
00:02:29,110 --> 00:02:28,000
friend of mine who was working at our

53
00:02:30,550 --> 00:02:29,120
local church

54
00:02:31,990 --> 00:02:30,560
that the backyard of the church

55
00:02:33,270 --> 00:02:32,000
basically connects to that same golf

56
00:02:34,949 --> 00:02:33,280
course and i asked

57
00:02:36,790 --> 00:02:34,959
if he was still there could he pop

58
00:02:39,110 --> 00:02:36,800
outside and see what people were seeing

59
00:02:40,150 --> 00:02:39,120
and he did confirm that he saw the exact

60
00:02:42,710 --> 00:02:40,160
same thing

61
00:02:44,630 --> 00:02:42,720
at that point me and my mom decided

62
00:02:46,229 --> 00:02:44,640
let's just go outside and see if we can

63
00:02:48,710 --> 00:02:46,239

see it from our driveway

64

00:02:49,990 --> 00:02:48,720

so we did and as soon as we walked out

65

00:02:52,070 --> 00:02:50,000

we turned in the direction

66

00:02:53,350 --> 00:02:52,080

of the golf course there it was in the

67

00:02:56,150 --> 00:02:53,360

sky hovering

68

00:02:57,670 --> 00:02:56,160

three lights they were in a triangular

69

00:02:58,550 --> 00:02:57,680

sort of formation they weren't really

70

00:03:00,869 --> 00:02:58,560

moving

71

00:03:02,630 --> 00:03:00,879

there was no sound they kind of

72

00:03:03,430 --> 00:03:02,640

flickered like a yellow and an orange

73

00:03:06,070 --> 00:03:03,440

color

74

00:03:07,350 --> 00:03:06,080

sometimes a light would disappear but

75

00:03:10,630 --> 00:03:07,360

then it would come back

76
00:03:12,630 --> 00:03:10,640
and just absolute silence the night was

77
00:03:14,070 --> 00:03:12,640
so eerily silence i can still remember

78
00:03:16,470 --> 00:03:14,080
it to this day

79
00:03:18,309 --> 00:03:16,480
and we just kind of looked at each other

80
00:03:20,309 --> 00:03:18,319
like is this really happening right now

81
00:03:21,990 --> 00:03:20,319
are we really watching this

82
00:03:24,390 --> 00:03:22,000
and you know people on the facebook page

83
00:03:25,110 --> 00:03:24,400
were throwing different explanations you

84
00:03:27,830 --> 00:03:25,120
know

85
00:03:29,430 --> 00:03:27,840
it's paper lanterns oh it's methane gas

86
00:03:32,550 --> 00:03:29,440
it's something to do with

87
00:03:36,390 --> 00:03:32,560
you know the i think it was the avon

88
00:03:39,110 --> 00:03:36,400

park air force base somewhat nearby but

89

00:03:40,070 --> 00:03:39,120

we still kept watching these objects in

90

00:03:42,550 --> 00:03:40,080

the sky

91

00:03:44,550 --> 00:03:42,560

and it was just like a feeling of shock

92

00:03:45,350 --> 00:03:44,560

and somewhat excitement but i couldn't

93

00:03:48,949 --> 00:03:45,360

explain the

94

00:03:50,949 --> 00:03:48,959

slight feeling of dread that i felt

95

00:03:52,390 --> 00:03:50,959

watching these you know i'd seen stories

96

00:03:54,309 --> 00:03:52,400

about ufos on

97

00:03:55,990 --> 00:03:54,319

tv and it's been something that had

98

00:03:57,270 --> 00:03:56,000

interested me in my life but i never

99

00:04:00,789 --> 00:03:57,280

thought i would actually

100

00:04:02,869 --> 00:04:00,799

personally see them and

101
00:04:03,910 --> 00:04:02,879
the lights after about five minutes

102
00:04:05,990 --> 00:04:03,920
vanished and

103
00:04:07,750 --> 00:04:06,000
we went back inside and we followed the

104
00:04:09,750 --> 00:04:07,760
story through the facebook page and

105
00:04:11,270 --> 00:04:09,760
they were later seen in a town south of

106
00:04:13,509 --> 00:04:11,280
us before they disappeared

107
00:04:14,630 --> 00:04:13,519
to this day there's no explanation about

108
00:04:17,749 --> 00:04:14,640
what happened here

109
00:04:19,430 --> 00:04:17,759
in saint cloud june 8th of 2015 many

110
00:04:21,430 --> 00:04:19,440
people saw it i actually

111
00:04:22,469 --> 00:04:21,440
have still some of the photos from that

112
00:04:26,710 --> 00:04:22,479
day

113
00:04:28,150 --> 00:04:26,720

um what do i think it was i'm not sure

114

00:04:29,590 --> 00:04:28,160

as someone who really believes in the

115

00:04:31,749 --> 00:04:29,600

supernatural paranormal different things

116

00:04:34,870 --> 00:04:31,759

like that i'm very open to

117

00:04:37,510 --> 00:04:34,880

uh the possibility that it really was an

118

00:04:40,629 --> 00:04:37,520

unidentified flying object

119

00:04:42,310 --> 00:04:40,639

i just can't explain how something could

120

00:04:45,830 --> 00:04:42,320

move like that you know

121

00:04:46,469 --> 00:04:45,840

or not move and just make absolutely no

122

00:04:49,110 --> 00:04:46,479

noise

123

00:04:50,790 --> 00:04:49,120

it really stuns me to this day um i

124

00:04:52,790 --> 00:04:50,800

don't think it was paper lanterns i've

125

00:04:55,510 --> 00:04:52,800

seen paper lanterns

126

00:04:57,430 --> 00:04:55,520

i don't think it was an aircraft we live

127

00:04:58,950 --> 00:04:57,440

semi near an airport and we know what

128

00:05:01,990 --> 00:04:58,960

that sounds like

129

00:05:05,110 --> 00:05:02,000

so it's it's definitely to this day

130

00:05:07,270 --> 00:05:05,120

an unknown mystery and i still think

131

00:05:10,070 --> 00:05:07,280

about it from time to time because

132

00:05:13,510 --> 00:05:10,080

you never think it can happen to you

133

00:05:21,029 --> 00:05:17,350

hi my name is peter um i'm

134

00:05:24,310 --> 00:05:21,039

i live in arizona right now but uh i'm

135

00:05:26,230 --> 00:05:24,320

gonna be 64 in about a week i am type 2

136

00:05:27,590 --> 00:05:26,240

diabetic so

137

00:05:28,870 --> 00:05:27,600

don't know how long i would be around

138

00:05:29,990 --> 00:05:28,880

but i thought it would be nice to be

139

00:05:33,590 --> 00:05:30,000

able to

140

00:05:35,350 --> 00:05:33,600

share what happened to me except many

141

00:05:37,710 --> 00:05:35,360

years ago

142

00:05:39,110 --> 00:05:37,720

the event took place sometime between

143

00:05:42,150 --> 00:05:39,120

1971

144

00:05:42,870 --> 00:05:42,160

and 1973 unfortunately i didn't write

145

00:05:46,150 --> 00:05:42,880

down

146

00:05:49,110 --> 00:05:46,160

the date the month but

147

00:05:50,150 --> 00:05:49,120

i do know the exact time it occurred and

148

00:05:53,430 --> 00:05:50,160

the exact

149

00:05:55,350 --> 00:05:53,440

location the event took place in las

150

00:05:58,790 --> 00:05:55,360

vegas in a suburb

151
00:06:01,350 --> 00:05:58,800
called paradise valley which was off the

152
00:06:04,550 --> 00:06:01,360
desert and road in pecos

153
00:06:06,950 --> 00:06:04,560
our house was about what maybe about two

154
00:06:07,909 --> 00:06:06,960
blocks and a half two and a half blocks

155
00:06:10,469 --> 00:06:07,919
down

156
00:06:11,909 --> 00:06:10,479
from deserting road and pecos there and

157
00:06:15,510 --> 00:06:11,919
uh

158
00:06:19,430 --> 00:06:15,520
we we had a house there our backyard

159
00:06:23,029 --> 00:06:19,440
uh faces uh sunrise mountain

160
00:06:24,390 --> 00:06:23,039
and uh my mother basically my mother

161
00:06:28,230 --> 00:06:24,400
came into my bedroom

162
00:06:30,230 --> 00:06:28,240
to wake me up and she said peter peter

163
00:06:31,670 --> 00:06:30,240

you got to come out and see this hurry

164

00:06:33,749 --> 00:06:31,680

up hurry

165

00:06:35,029 --> 00:06:33,759

and so i got up out of bed and i looked

166

00:06:39,029 --> 00:06:35,039

at the clock

167

00:06:42,390 --> 00:06:39,039

and the clock's at 3 20 am

168

00:06:45,430 --> 00:06:42,400

so anyhow i go out to the backyard

169

00:06:49,029 --> 00:06:45,440

and lo and behold up in the air i say

170

00:06:51,189 --> 00:06:49,039

only about 300 feet up

171

00:06:53,350 --> 00:06:51,199

and they were like at the edge of our

172

00:06:55,350 --> 00:06:53,360

backyard like just

173

00:06:58,070 --> 00:06:55,360

over i'd say be it just beyond the wall

174

00:07:01,670 --> 00:06:58,080

but 300 feet up

175

00:07:03,430 --> 00:07:01,680

not that far and um

176
00:07:05,670 --> 00:07:03,440
there were three of them there were

177
00:07:07,670 --> 00:07:05,680
three crafts

178
00:07:09,189 --> 00:07:07,680
and they were in a row there were three

179
00:07:12,550 --> 00:07:09,199
in a row

180
00:07:13,589 --> 00:07:12,560
each of them had two bright headlights

181
00:07:16,550 --> 00:07:13,599
on the front

182
00:07:18,230 --> 00:07:16,560
of them each one each one had two

183
00:07:21,430 --> 00:07:18,240
headlights on the front

184
00:07:24,469 --> 00:07:21,440
of them they weren't that big the craft

185
00:07:27,189 --> 00:07:24,479
but anyhow they hovered there

186
00:07:29,110 --> 00:07:27,199
and they hovered very still they uh

187
00:07:32,309 --> 00:07:29,120
there were no propellers

188
00:07:34,309 --> 00:07:32,319

there was no no nothing no that

189

00:07:35,589 --> 00:07:34,319
showed any sign of any kind of

190

00:07:37,749 --> 00:07:35,599
propulsion anything

191

00:07:39,029 --> 00:07:37,759
to keep them up they they hovered there

192

00:07:42,309 --> 00:07:39,039
like helicopters

193

00:07:44,469 --> 00:07:42,319
but no propellers no

194

00:07:45,510 --> 00:07:44,479
jet engines no nothing because they made

195

00:07:48,950 --> 00:07:45,520
absolutely

196

00:07:50,790 --> 00:07:48,960
no sound at all but no

197

00:07:53,670 --> 00:07:50,800
you gotta know they hovered there for

198

00:07:57,029 --> 00:07:53,680
about i'd say a full minute

199

00:07:59,110 --> 00:07:57,039
it had been a full minute

200

00:08:00,469 --> 00:07:59,120
and yeah and they are there the reverse

201
00:08:03,510 --> 00:08:00,479
still

202
00:08:07,110 --> 00:08:03,520
except the one on the left the far left

203
00:08:08,230 --> 00:08:07,120
wobbled a little bit he see it seemed to

204
00:08:14,950 --> 00:08:08,240
just

205
00:08:17,670 --> 00:08:14,960
a little bit i don't know whether it was

206
00:08:19,749 --> 00:08:17,680
just they were adjusting the controls or

207
00:08:22,790 --> 00:08:19,759
they're playing with the controls

208
00:08:25,830 --> 00:08:22,800
i don't know but anyhow and so

209
00:08:26,309 --> 00:08:25,840
they're there for a full minute and i

210
00:08:29,510 --> 00:08:26,319
don't know

211
00:08:30,230 --> 00:08:29,520
i i we have a camera but it ha and has a

212
00:08:33,350 --> 00:08:30,240
flash

213
00:08:34,870 --> 00:08:33,360

one of those cheap cameras but my father

214

00:08:36,550 --> 00:08:34,880

who loves to take pictures didn't think

215

00:08:39,670 --> 00:08:36,560

to get the camera

216

00:08:42,310 --> 00:08:39,680

take a picture of them because

217

00:08:43,430 --> 00:08:42,320

it has a flash and i was afraid how they

218

00:08:45,110 --> 00:08:43,440

would react

219

00:08:46,790 --> 00:08:45,120

if they saw the flash or they sort of

220

00:08:47,990 --> 00:08:46,800

taken picture of them i don't know how

221

00:08:49,910 --> 00:08:48,000

they would react

222

00:08:51,910 --> 00:08:49,920

that was a feeling that i got i remember

223

00:08:54,710 --> 00:08:51,920

just i remember i i didn't

224

00:08:55,990 --> 00:08:54,720

we didn't feel i didn't feel threatened

225

00:08:57,750 --> 00:08:56,000

but

226

00:08:59,990 --> 00:08:57,760

yeah they and they suffered there and

227

00:09:02,630 --> 00:09:00,000

and i got a strong sense

228

00:09:03,190 --> 00:09:02,640

that they were watching us you know and

229

00:09:06,550 --> 00:09:03,200

just no

230

00:09:09,030 --> 00:09:06,560

sound and the lights were very bright it

231

00:09:10,790 --> 00:09:09,040

was very difficult to make out the shape

232

00:09:13,350 --> 00:09:10,800

of the craft although the one

233

00:09:14,070 --> 00:09:13,360

on the far left that wobbles i was able

234

00:09:16,389 --> 00:09:14,080

to seize

235

00:09:18,550 --> 00:09:16,399

part of the craft but i wasn't able to

236

00:09:20,630 --> 00:09:18,560

make out the outline the exact shape

237

00:09:22,790 --> 00:09:20,640

but it was like it seemed to have been

238

00:09:23,750 --> 00:09:22,800

illuminated within the light itself

239

00:09:25,350 --> 00:09:23,760

there was

240

00:09:27,990 --> 00:09:25,360

lights coming from the front of it you

241

00:09:31,269 --> 00:09:28,000

know two headlights but the craft itself

242

00:09:34,550 --> 00:09:31,279

was also illuminated somehow so

243

00:09:38,070 --> 00:09:34,560

anyway after about the minute they just

244

00:09:40,949 --> 00:09:38,080

disappeared like venice at a thin air

245

00:09:41,509 --> 00:09:40,959

there was no sign of acceleration

246

00:09:44,470 --> 00:09:41,519

nothing

247

00:09:45,750 --> 00:09:44,480

that that was definitely a no that was

248

00:09:48,870 --> 00:09:45,760

another sign

249

00:09:52,150 --> 00:09:48,880

to me at least that they were not

250

00:09:53,910 --> 00:09:52,160

um conventional aircraft

251
00:09:55,190 --> 00:09:53,920
because like they just just like that

252
00:09:56,630 --> 00:09:55,200
gun the lights went out

253
00:09:59,430 --> 00:09:56,640
their lights disappeared they

254
00:10:01,990 --> 00:09:59,440
disappeared no sign of them whatsoever

255
00:10:03,430 --> 00:10:02,000
so my parents my parents both parents

256
00:10:07,350 --> 00:10:03,440
say after that they

257
00:10:08,790 --> 00:10:07,360
went inside and ice decided to stay out

258
00:10:10,310 --> 00:10:08,800
there because i was kind of hoping that

259
00:10:14,389 --> 00:10:10,320
they would come back

260
00:10:15,750 --> 00:10:14,399
and well guess what about i don't know

261
00:10:18,230 --> 00:10:15,760
two minutes later that's how i was out

262
00:10:20,150 --> 00:10:18,240
there waiting a uh i think was two

263
00:10:24,069 --> 00:10:20,160

minutes yeah around that

264

00:10:26,230 --> 00:10:24,079

this blimp like craft

265

00:10:27,670 --> 00:10:26,240

stuff was headed was heading toward us

266

00:10:30,470 --> 00:10:27,680

coming from the east

267

00:10:32,550 --> 00:10:30,480

and i guess it was heading west and i

268

00:10:34,710 --> 00:10:32,560

thought it was a blimp for sure

269

00:10:35,829 --> 00:10:34,720

but the thing is it didn't have anything

270

00:10:38,470 --> 00:10:35,839

on the bottom

271

00:10:40,230 --> 00:10:38,480

like a cabin you know it didn't have any

272

00:10:43,430 --> 00:10:40,240

any fins on the back

273

00:10:44,870 --> 00:10:43,440

no propellers no nothing just a it

274

00:10:47,509 --> 00:10:44,880

looked like a blimp

275

00:10:49,430 --> 00:10:47,519

but with not just you know but but what

276

00:10:52,710 --> 00:10:49,440

it had also was unusual

277

00:10:54,389 --> 00:10:52,720

were these red lights around it around

278

00:10:56,389 --> 00:10:54,399

the circumference of it

279

00:10:57,910 --> 00:10:56,399

and one light would come on one would go

280

00:10:59,350 --> 00:10:57,920

up the next one would come on

281

00:11:01,750 --> 00:10:59,360

and that would go off the next one would

282

00:11:04,389 --> 00:11:01,760

come on it gave the illusion of one

283

00:11:07,350 --> 00:11:04,399

single light going around the craft and

284

00:11:09,590 --> 00:11:07,360

it was going counter-clockwise

285

00:11:10,949 --> 00:11:09,600

around the craft and it moved slowly

286

00:11:13,750 --> 00:11:10,959

above it was very

287

00:11:14,470 --> 00:11:13,760

it was not that far above the houses

288

00:11:16,949 --> 00:11:14,480

either

289

00:11:19,430 --> 00:11:16,959

as it travels it was only i don't know

290

00:11:23,430 --> 00:11:19,440

maybe 50 feet above the homes

291

00:11:26,790 --> 00:11:23,440

and it was and it just went slow

292

00:11:29,990 --> 00:11:26,800

and you know just kept going very slow

293

00:11:33,590 --> 00:11:30,000

and then that and then that was it and

294

00:11:36,710 --> 00:11:33,600

i don't know and uh for years

295

00:11:37,910 --> 00:11:36,720

i just was like was this the air force

296

00:11:45,030 --> 00:11:37,920

was this

297

00:11:46,790 --> 00:11:45,040

but after seeing lou elizondo and him

298

00:11:49,990 --> 00:11:46,800

talking about i think it was called

299

00:11:51,910 --> 00:11:50,000

the five observables when i think back

300

00:11:53,350 --> 00:11:51,920

there's no way this was conventional

301
00:11:55,269 --> 00:11:53,360
aircraft there's no way

302
00:11:56,470 --> 00:11:55,279
it was a secret craft or whatever i mean

303
00:11:59,590 --> 00:11:56,480
this happened back

304
00:12:01,350 --> 00:11:59,600
in 1970 and 1970s

305
00:12:02,790 --> 00:12:01,360
i've never seen anything like that

306
00:12:05,829 --> 00:12:02,800
before

307
00:12:08,550 --> 00:12:05,839
and this is there's just just

308
00:12:08,870 --> 00:12:08,560
no way this was any kind of secret craft

309
00:12:37,590 --> 00:12:08,880
i

310
00:12:40,230 --> 00:12:37,600
been tempted to call the

311
00:12:42,710 --> 00:12:40,240
police department there in vegas to see

312
00:12:44,550 --> 00:12:42,720
if there were any other people who would

313
00:12:46,870 --> 00:12:44,560

saw them because i can't believe no one

314

00:12:49,750 --> 00:12:46,880

saw them this was in the suburbs

315

00:12:50,150 --> 00:12:49,760

at 3 20 a.m and somebody had to have

316

00:12:53,269 --> 00:12:50,160

been

317

00:12:54,629 --> 00:12:53,279

awake other than us but i

318

00:12:56,790 --> 00:12:54,639

i don't know i'm tempted but i'm a

319

00:12:57,509 --> 00:12:56,800

little like how am i gonna ask this you

320

00:13:00,790 --> 00:12:57,519

know

321

00:13:02,949 --> 00:13:00,800

they're gonna think i'm crazy but i just

322

00:13:04,389 --> 00:13:02,959

there was nothing in the newspaper that

323

00:13:08,790 --> 00:13:04,399

anyone saw them

324

00:13:12,470 --> 00:13:10,870

hello my name is sarah and i'm a field

325

00:13:15,110 --> 00:13:12,480

naturalist in canada

326

00:13:15,509 --> 00:13:15,120

and my first and only ufo sighting so

327

00:13:17,590 --> 00:13:15,519

far

328

00:13:19,590 --> 00:13:17,600

occurred on prince edward island which

329

00:13:23,110 --> 00:13:19,600

is a province in canada

330

00:13:23,670 --> 00:13:23,120

in 2017. so at the time i was living in

331

00:13:26,389 --> 00:13:23,680

my van

332

00:13:27,990 --> 00:13:26,399

and exploring eastern canada and i was

333

00:13:29,509 --> 00:13:28,000

camping at national parks and stuff

334

00:13:33,110 --> 00:13:29,519

along the way because it was

335

00:13:35,190 --> 00:13:33,120

canada's 150th

336

00:13:36,710 --> 00:13:35,200

birthday or whatever so all the national

337

00:13:39,670 --> 00:13:36,720

parks are free

338

00:13:40,550 --> 00:13:39,680

so on this particular day in july i was

339

00:13:43,269 --> 00:13:40,560

driving

340

00:13:45,350 --> 00:13:43,279

at night through an agricultural area on

341

00:13:46,550 --> 00:13:45,360

this two-lane road

342

00:13:49,110 --> 00:13:46,560

and there was nobody else around so it

343

00:13:50,550 --> 00:13:49,120

was just my van

344

00:13:52,230 --> 00:13:50,560

and i was looking for a place to stay

345

00:13:55,990 --> 00:13:52,240

for the night and

346

00:13:56,870 --> 00:13:56,000

suddenly i saw this large cigar-shaped

347

00:13:59,750 --> 00:13:56,880

object

348

00:14:02,150 --> 00:13:59,760

fly about 50 feet overhead so if you can

349

00:14:05,910 --> 00:14:02,160

imagine a plane flying towards you

350

00:14:07,670 --> 00:14:05,920

um and it's just the wings so there's no

351

00:14:08,870 --> 00:14:07,680

center column where a pilot or

352

00:14:12,069 --> 00:14:08,880

passengers would be

353

00:14:15,350 --> 00:14:12,079

that's the direction that this

354

00:14:17,509 --> 00:14:15,360

cigar was flying i call it the cigar

355

00:14:18,949 --> 00:14:17,519

most of the time if i ever refer to it

356

00:14:21,189 --> 00:14:18,959

because

357

00:14:22,310 --> 00:14:21,199

i don't know why but saying ufo just

358

00:14:23,990 --> 00:14:22,320

seems

359

00:14:25,590 --> 00:14:24,000

like it's just hard for me i'm not sure

360

00:14:28,949 --> 00:14:25,600

why so

361

00:14:30,629 --> 00:14:28,959

uh the cigar it had these two lights

362

00:14:32,069 --> 00:14:30,639

near the ends of it and it was sort of

363

00:14:35,269 --> 00:14:32,079

the width of

364

00:14:37,910 --> 00:14:35,279

one and a half cessna plain

365

00:14:38,710 --> 00:14:37,920

wingspan so it wasn't super large or

366

00:14:40,629 --> 00:14:38,720

super

367

00:14:43,189 --> 00:14:40,639

tiny but it was definitely you know

368

00:14:47,110 --> 00:14:43,199

noticeable flying overhead

369

00:14:49,829 --> 00:14:47,120

i should also mention too that my fan

370

00:14:51,910 --> 00:14:49,839

like doesn't have any insulation and i

371

00:14:54,790 --> 00:14:51,920

was listening to a podcast at the time

372

00:14:55,189 --> 00:14:54,800

so my van was pretty loud but there was

373

00:15:01,590 --> 00:14:55,199

no

374

00:15:01,910 --> 00:15:01,600

ufo was there and i only saw it when it

375

00:15:03,350 --> 00:15:01,920

was

376

00:15:05,509 --> 00:15:03,360

near to me and then as it passed me

377

00:15:09,430 --> 00:15:05,519

because of the lights that were on it

378

00:15:12,310 --> 00:15:09,440

and normally if a plane flies

379

00:15:13,990 --> 00:15:12,320

really close to you it's extremely loud

380

00:15:16,150 --> 00:15:14,000

like it's not

381

00:15:17,750 --> 00:15:16,160

you wouldn't not know that it was there

382

00:15:20,230 --> 00:15:17,760

if it was passing over you

383

00:15:21,350 --> 00:15:20,240

um but once i looked in my rear and side

384

00:15:23,910 --> 00:15:21,360

view mirrors to kind of

385

00:15:25,990 --> 00:15:23,920

confirm what i had just seen i couldn't

386

00:15:28,790 --> 00:15:26,000

see it anymore so

387

00:15:29,910 --> 00:15:28,800

it was night time and it's perfectly

388

00:15:32,550 --> 00:15:29,920

reasonable that

389

00:15:33,350 --> 00:15:32,560

you know i just couldn't see it for some

390

00:15:37,350 --> 00:15:33,360

reason

391

00:15:38,310 --> 00:15:37,360

but yeah from my perspective it just

392

00:15:42,550 --> 00:15:38,320

sort of

393

00:15:45,269 --> 00:15:42,560

disappeared and still to this day i have

394

00:15:45,990 --> 00:15:45,279

absolutely no idea why i didn't just

395

00:15:48,870 --> 00:15:46,000

pull over

396

00:15:49,829 --> 00:15:48,880

and stop and look but i remember

397

00:15:52,550 --> 00:15:49,839

distinctly

398

00:15:54,629 --> 00:15:52,560

pausing my podcast and saying to myself

399

00:15:57,910 --> 00:15:54,639

out loud like

400

00:16:01,430 --> 00:15:57,920

there's no way that's not what you think

401
00:16:04,550 --> 00:16:01,440
there's no way there's no way you know

402
00:16:06,870 --> 00:16:04,560
what the boop that kind of thing

403
00:16:08,230 --> 00:16:06,880
i just could not process what i was

404
00:16:11,350 --> 00:16:08,240
seeing

405
00:16:14,550 --> 00:16:11,360
it did not make any sense to my brain

406
00:16:17,670 --> 00:16:14,560
and i was having trouble accepting that

407
00:16:18,790 --> 00:16:17,680
i had seen what i saw so the next day

408
00:16:21,350 --> 00:16:18,800
when i got somewhere

409
00:16:22,069 --> 00:16:21,360
where i could find some wi-fi i ended up

410
00:16:26,470 --> 00:16:22,079
searching

411
00:16:28,949 --> 00:16:26,480
this shape of aircraft or craft or ufo

412
00:16:31,430 --> 00:16:28,959
because at the time the only sort of

413
00:16:34,829 --> 00:16:31,440

shape that i was vaguely aware of were

414

00:16:37,990 --> 00:16:34,839

the classic saucers or you know

415

00:16:41,110 --> 00:16:38,000

drone-esque plane shapes so

416

00:16:42,790 --> 00:16:41,120

it felt super validating to see that

417

00:16:44,629 --> 00:16:42,800

i wasn't the first person to witness

418

00:16:45,829 --> 00:16:44,639

something like that or that looked like

419

00:16:48,230 --> 00:16:45,839

that

420

00:16:50,310 --> 00:16:48,240

uh and i also looked up if there were

421

00:16:52,629 --> 00:16:50,320

airfields nearby because

422

00:16:54,470 --> 00:16:52,639

that would make a lot of sense for why

423

00:16:55,189 --> 00:16:54,480

something was flying so low to the

424

00:16:57,030 --> 00:16:55,199

ground

425

00:16:59,430 --> 00:16:57,040

but there was just nothing around where

426

00:17:03,590 --> 00:16:59,440

i was it was only agricultural land

427

00:17:08,150 --> 00:17:03,600

and you know small towns so

428

00:17:11,189 --> 00:17:08,160

that was interesting i guess

429

00:17:14,630 --> 00:17:11,199

after i saw it i remember really

430

00:17:16,230 --> 00:17:14,640

wanting to tell someone but

431

00:17:17,990 --> 00:17:16,240

i thought that there was no way that i

432

00:17:21,350 --> 00:17:18,000

could say anything without someone

433

00:17:22,390 --> 00:17:21,360

thinking oh wow like she's really lost

434

00:17:24,630 --> 00:17:22,400

her mind

435

00:17:25,429 --> 00:17:24,640

and at the time for me it felt really

436

00:17:28,309 --> 00:17:25,439

important to be

437

00:17:29,510 --> 00:17:28,319

perceived as this intelligent rational

438

00:17:32,470 --> 00:17:29,520

professional person

439

00:17:34,310 --> 00:17:32,480

because i was just you know making my

440

00:17:38,150 --> 00:17:34,320

way into the corporate

441

00:17:39,750 --> 00:17:38,160

world at the time so saying i saw ufo

442

00:17:40,470 --> 00:17:39,760

really felt like it would invalidate

443

00:17:44,390 --> 00:17:40,480

that

444

00:18:09,990 --> 00:17:44,400

i

445

00:18:10,390 --> 00:18:10,000

and see how they responded to that and

446

00:18:13,350 --> 00:18:10,400

then

447

00:18:14,470 --> 00:18:13,360

likely i just wouldn't bring it up again

448

00:18:16,630 --> 00:18:14,480

so

449

00:18:19,350 --> 00:18:16,640

overall it was a really strange

450

00:18:21,750 --> 00:18:19,360

experience i didn't react how i would

451
00:18:22,870 --> 00:18:21,760
have thought i would have reacted at the

452
00:18:26,310 --> 00:18:22,880
time

453
00:18:27,830 --> 00:18:26,320
and still other than you know this

454
00:18:29,669 --> 00:18:27,840
that you're hearing right now i've never

455
00:18:31,190 --> 00:18:29,679
really talked about it and i'm not sure

456
00:18:32,310 --> 00:18:31,200
what i would say or what someone would

457
00:18:34,549 --> 00:18:32,320
say back to me

458
00:18:35,750 --> 00:18:34,559
but the experience was definitely one

459
00:18:37,990 --> 00:18:35,760
that got me

460
00:18:39,909 --> 00:18:38,000
a lot more interested in ufos in canada

461
00:18:42,789 --> 00:18:39,919
and the experiences of others

462
00:18:45,029 --> 00:18:42,799
so i guess ultimately whether or not

463
00:18:45,990 --> 00:18:45,039

there was an explanation for what i saw

464

00:18:47,830 --> 00:18:46,000

i'm still really

465

00:18:50,710 --> 00:18:47,840

grateful to have had it open my mind to

466

00:18:54,710 --> 00:18:50,720

the possibility that there could be ufos

467

00:18:57,510 --> 00:18:54,720

in a more concrete way in i guess

468

00:18:59,909 --> 00:18:57,520

my community or in my you know smaller

469

00:19:03,110 --> 00:18:59,919

world not the wider world

470

00:19:04,070 --> 00:19:03,120

yeah that's about it so thank you so

471

00:19:09,510 --> 00:19:04,080

much for listening

472

00:19:14,150 --> 00:19:12,310

hi my name is um well i'm on twitter as

473

00:19:17,669 --> 00:19:14,160

the abducted cow

474

00:19:20,310 --> 00:19:17,679

and uh this is my one of my

475

00:19:21,590 --> 00:19:20,320

my first ever ufo experience what i had

476
00:19:24,630 --> 00:19:21,600
as a child

477
00:19:27,909 --> 00:19:24,640
and uh it was back in

478
00:19:28,230 --> 00:19:27,919
the late mid to late seventies and i was

479
00:19:30,870 --> 00:19:28,240
just

480
00:19:32,230 --> 00:19:30,880
i was age nine or ten so i have trouble

481
00:19:35,590 --> 00:19:32,240
i am dating it

482
00:19:36,230 --> 00:19:35,600
accurately um because obviously i was

483
00:19:38,070 --> 00:19:36,240
young

484
00:19:39,430 --> 00:19:38,080
and i've lost all the records i kept at

485
00:19:41,909 --> 00:19:39,440
the time

486
00:19:43,990 --> 00:19:41,919
it was in a place that i used to play

487
00:19:47,590 --> 00:19:44,000
around that time

488
00:19:50,630 --> 00:19:47,600

so um 76.77

489

00:19:53,830 --> 00:19:50,640

and it was either

490

00:19:57,669 --> 00:19:53,840

july or september i think because

491

00:19:58,310 --> 00:19:57,679

um it was it was a time when it was

492

00:20:00,789 --> 00:19:58,320

still late

493

00:20:01,669 --> 00:20:00,799

quite still light quite late in the

494

00:20:04,310 --> 00:20:01,679

evening

495

00:20:06,390 --> 00:20:04,320

so um i used to stay out i was allowed

496

00:20:09,909 --> 00:20:06,400

to stay out a bit later

497

00:20:11,270 --> 00:20:09,919

and i remember the sky being

498

00:20:13,430 --> 00:20:11,280

really really blue i don't remember

499

00:20:14,470 --> 00:20:13,440

getting dark at all and it was the

500

00:20:19,750 --> 00:20:14,480

evening

501
00:20:20,630 --> 00:20:19,760
say summer of 76 either july or

502
00:20:23,350 --> 00:20:20,640
september

503
00:20:25,510 --> 00:20:23,360
and my dad got me into ufos he actually

504
00:20:28,630 --> 00:20:25,520
bought ufo books and brought them home

505
00:20:30,149 --> 00:20:28,640
um he had a book by von daniken it's

506
00:20:32,950 --> 00:20:30,159
probably the famous book i

507
00:20:34,070 --> 00:20:32,960
forget what it's called right now and um

508
00:20:37,510 --> 00:20:34,080
we had a few others

509
00:20:38,470 --> 00:20:37,520
around which i still have a couple of

510
00:20:40,070 --> 00:20:38,480
them

511
00:20:42,870 --> 00:20:40,080
yeah we watched documentaries together

512
00:20:45,190 --> 00:20:42,880
being my dad and we even went out

513
00:20:46,950 --> 00:20:45,200

he drove us out to ufo hot spots in

514

00:20:47,990 --> 00:20:46,960

devon on dartmouth at times see if we

515

00:20:50,710 --> 00:20:48,000

could see something

516

00:20:53,110 --> 00:20:50,720

um we never did as far as i know um i

517

00:20:55,750 --> 00:20:53,120

was in the park with my sister anyway

518

00:20:58,950 --> 00:20:55,760

this time this particular case um next

519

00:21:01,029 --> 00:20:58,960

to lara railway depot in plymouth

520

00:21:03,110 --> 00:21:01,039

in england and it was a sunny early

521

00:21:05,190 --> 00:21:03,120

evening pretty much cloud-free i think

522

00:21:07,830 --> 00:21:05,200

completely cloud-free if i remember

523

00:21:09,430 --> 00:21:07,840

correctly and i saw something in the sky

524

00:21:12,870 --> 00:21:09,440

very clear and still

525

00:21:16,950 --> 00:21:12,880

um it's kind of like a glassy ball

526

00:21:19,110 --> 00:21:16,960

shape an orb some sort of orb um

527

00:21:20,710 --> 00:21:19,120

and it was very still and very you could

528

00:21:21,909 --> 00:21:20,720

see it very clearly although it was a

529

00:21:25,590 --> 00:21:21,919

long way away so

530

00:21:28,870 --> 00:21:25,600

wow or very small i can't say

531

00:21:30,710 --> 00:21:28,880

i remember too much how it first

532

00:21:33,510 --> 00:21:30,720

appeared to me but i remember

533

00:21:34,549 --> 00:21:33,520

it was a disc and very soon after i

534

00:21:37,350 --> 00:21:34,559

started watching it it

535

00:21:38,549 --> 00:21:37,360

started giving off light so there may

536

00:21:39,590 --> 00:21:38,559

have been a period where it was just a

537

00:21:42,070 --> 00:21:39,600

disc and then

538

00:21:43,029 --> 00:21:42,080

it started giving off a sequence of

539

00:21:45,029 --> 00:21:43,039

light

540

00:21:47,350 --> 00:21:45,039

it moved through green blue and red so

541

00:21:49,190 --> 00:21:47,360

it's alternating between green blue red

542

00:21:51,270 --> 00:21:49,200

and that went on for quite a long time

543

00:21:51,669 --> 00:21:51,280

as well i can't remember exactly what

544

00:21:56,070 --> 00:21:51,679

the

545

00:21:56,390 --> 00:21:56,080

this out on a bit of paper but i've lost

546

00:21:57,909 --> 00:21:56,400

it

547

00:22:00,549 --> 00:21:57,919

and at some point i noticed i wasn't the

548

00:22:03,750 --> 00:22:00,559

only person watching there may be

549

00:22:07,190 --> 00:22:03,760

maybe around a dozen kids um

550

00:22:09,029 --> 00:22:07,200

some with the parents and quite a few

551
00:22:12,149 --> 00:22:09,039
now are watching this object

552
00:22:14,070 --> 00:22:12,159
um one kid i remember

553
00:22:16,310 --> 00:22:14,080
asked his dad what it was and the dad

554
00:22:19,430 --> 00:22:16,320
said oh it's nothing

555
00:22:20,310 --> 00:22:19,440
it clearly wasn't nothing it clearly was

556
00:22:23,190 --> 00:22:20,320
something

557
00:22:24,789 --> 00:22:23,200
um and because of my interest in ufos i

558
00:22:26,630 --> 00:22:24,799
was determined to stay watching it

559
00:22:28,789 --> 00:22:26,640
to see how it ended i think my sister

560
00:22:32,549 --> 00:22:28,799
probably wasn't that interested

561
00:22:35,750 --> 00:22:32,559
and wanted to go home but i

562
00:22:37,510 --> 00:22:35,760
didn't want to go home and i'm not sure

563
00:22:38,630 --> 00:22:37,520

the time involved it felt like a long

564

00:22:39,430 --> 00:22:38,640

time that we were standing there

565

00:22:42,070 --> 00:22:39,440

watching it

566

00:22:43,029 --> 00:22:42,080

at some point i noticed a tiny cloud

567

00:22:44,950 --> 00:22:43,039

being blown along

568

00:22:46,230 --> 00:22:44,960

towards the object so there was

569

00:22:49,270 --> 00:22:46,240

otherwise blue sky

570

00:22:51,510 --> 00:22:49,280

and there was this um tiny tiny cloud

571

00:22:54,310 --> 00:22:51,520

and it was moving in a very straight

572

00:22:55,590 --> 00:22:54,320

line towards the object um

573

00:22:57,669 --> 00:22:55,600

and it was noticeable because it was the

574

00:22:58,230 --> 00:22:57,679

only cloud visible in the whole sky at

575

00:23:01,270 --> 00:22:58,240

the time

576

00:23:05,350 --> 00:23:01,280

the cloud moved until it covered up

577

00:23:07,590 --> 00:23:05,360

the object so you couldn't see the disk

578

00:23:08,390 --> 00:23:07,600

with the with the lights on it anymore

579

00:23:11,510 --> 00:23:08,400

um

580

00:23:12,789 --> 00:23:11,520

you could just see the cloud and then it

581

00:23:15,510 --> 00:23:12,799

stopped it stopped moving

582

00:23:16,710 --> 00:23:15,520

and it just stayed in one place and then

583

00:23:20,870 --> 00:23:16,720

a bit of time passed

584

00:23:23,270 --> 00:23:20,880

and a plane flew out of the cloud

585

00:23:25,029 --> 00:23:23,280

no plane had flown in nothing had flown

586

00:23:26,710 --> 00:23:25,039

in all of this was very clear so i

587

00:23:29,029 --> 00:23:26,720

wasn't mistaken it for anything else

588

00:23:30,390 --> 00:23:29,039

um and if i had seen the plane going to

589

00:23:32,310 --> 00:23:30,400

the cloud i would have seen it

590

00:23:33,990 --> 00:23:32,320

because i was watching it it had the

591

00:23:36,149 --> 00:23:34,000

whole sky to cross to get to the cloud i

592

00:23:38,549 --> 00:23:36,159

would have seen it somewhere it had the

593

00:23:40,470 --> 00:23:38,559

appearance of a passenger jet plane

594

00:23:41,590 --> 00:23:40,480

flying at whatever cruising altitude

595

00:23:44,870 --> 00:23:41,600

they fly over

596

00:23:46,549 --> 00:23:44,880

plymouth and um i remember seeing planes

597

00:23:48,950 --> 00:23:46,559

flying that high

598

00:23:49,990 --> 00:23:48,960

and there's no airport nearby so they

599

00:23:51,990 --> 00:23:50,000

did just fly over

600

00:23:53,350 --> 00:23:52,000

well there was no airport at the time

601
00:23:54,789 --> 00:23:53,360
nearby

602
00:23:56,630 --> 00:23:54,799
and i don't think we had many planes

603
00:23:59,669 --> 00:23:56,640
flying over that one military so

604
00:24:00,950 --> 00:23:59,679
the nearest airport was a major airport

605
00:24:04,070 --> 00:24:00,960
was 40 miles away

606
00:24:05,830 --> 00:24:04,080
the plane was silent

607
00:24:07,590 --> 00:24:05,840
which i knew was unusual because you

608
00:24:10,070 --> 00:24:07,600
normally hear something

609
00:24:12,230 --> 00:24:10,080
and it had no controls at all which also

610
00:24:14,070 --> 00:24:12,240
again i noted as being unusual

611
00:24:15,510 --> 00:24:14,080
because you would normally see a bloody

612
00:24:19,029 --> 00:24:15,520
great um

613
00:24:22,070 --> 00:24:19,039

control it cloud coming out the back

614

00:24:25,350 --> 00:24:22,080

along you know the long clouds

615

00:24:27,590 --> 00:24:25,360

left behind um so i watched it move it

616

00:24:29,269 --> 00:24:27,600

it just carried on going across the sky

617

00:24:30,070 --> 00:24:29,279

um i can't remember what happened to the

618

00:24:31,669 --> 00:24:30,080

cloud

619

00:24:33,110 --> 00:24:31,679

whether it dissipated or whether it was

620

00:24:34,070 --> 00:24:33,120

still there i can't remember that at all

621

00:24:37,430 --> 00:24:34,080

now

622

00:24:40,630 --> 00:24:37,440

but the plane moved um

623

00:24:42,070 --> 00:24:40,640

towards um i think it was going north it

624

00:24:43,669 --> 00:24:42,080

was moving towards dartmouth from where

625

00:24:47,110 --> 00:24:43,679

i was so

626
00:24:49,110 --> 00:24:47,120
maybe north east and

627
00:24:50,630 --> 00:24:49,120
then it vanished it just disappeared it

628
00:24:51,750 --> 00:24:50,640
just winged out of existence it didn't

629
00:24:54,070 --> 00:24:51,760
fade away

630
00:24:55,350 --> 00:24:54,080
it didn't speed up unless it's unless it

631
00:24:58,230 --> 00:24:55,360
was really fast

632
00:25:00,070 --> 00:24:58,240
so i couldn't see it going um but no it

633
00:25:02,310 --> 00:25:00,080
just went down existence

634
00:25:03,909 --> 00:25:02,320
suddenly gone so i watched i carried on

635
00:25:05,190 --> 00:25:03,919
watching for a while after that i think

636
00:25:08,390 --> 00:25:05,200
i seemed to remember

637
00:25:09,510 --> 00:25:08,400
to see if anything more happened uh

638
00:25:11,590 --> 00:25:09,520

bugs me that i can't remember what

639

00:25:14,870 --> 00:25:11,600

happened to the cloud but

640

00:25:17,909 --> 00:25:14,880

um after that uh i went home

641

00:25:20,149 --> 00:25:17,919

and uh told my parents um my dad said he

642

00:25:21,909 --> 00:25:20,159

was envious is he never even seen a ufo

643

00:25:23,510 --> 00:25:21,919

in fact he said that a few times i think

644

00:25:25,830 --> 00:25:23,520

he was a bit annoyed that he wasn't

645

00:25:27,110 --> 00:25:25,840

there or that i saw one without him i

646

00:25:29,350 --> 00:25:27,120

drew the whole thing out using my

647

00:25:31,269 --> 00:25:29,360

coloured pens i wrote a description

648

00:25:32,710 --> 00:25:31,279

i'd spent the evening doing that i got

649

00:25:34,950 --> 00:25:32,720

feeling it was a sunday

650

00:25:35,830 --> 00:25:34,960

so i had to sunday evenings to sit and

651
00:25:38,710 --> 00:25:35,840
do that

652
00:25:39,430 --> 00:25:38,720
i wish i still had that but i don't uh

653
00:25:42,390 --> 00:25:39,440
probably

654
00:25:43,909 --> 00:25:42,400
lost it fairly quickly to be honest um

655
00:25:45,029 --> 00:25:43,919
my mum threw it out because she wasn't

656
00:25:48,149 --> 00:25:45,039
into it at all

657
00:25:50,149 --> 00:25:48,159
and uh i never reported it either

658
00:25:52,149 --> 00:25:50,159
so although i remember at the time i had

659
00:25:53,350 --> 00:25:52,159
intention to i think in the end i just

660
00:25:55,909 --> 00:25:53,360
wasn't sure who

661
00:25:57,909 --> 00:25:55,919
i could report it to who'd be interested

662
00:25:59,990 --> 00:25:57,919
and it just i just let it go

663
00:26:01,350 --> 00:26:00,000

i was quite excited by it i told quite a

664

00:26:03,830 --> 00:26:01,360

few people at the time

665

00:26:05,190 --> 00:26:03,840

um individually people that i thought i

666

00:26:07,269 --> 00:26:05,200

could trust

667

00:26:09,190 --> 00:26:07,279

um i remember trying to get people at

668

00:26:09,990 --> 00:26:09,200

school trying to tell people at school

669

00:26:12,789 --> 00:26:10,000

about it

670

00:26:13,269 --> 00:26:12,799

and getting my sister in as a as as as a

671

00:26:15,830 --> 00:26:13,279

witness

672

00:26:17,190 --> 00:26:15,840

and she just said i don't remember she

673

00:26:17,510 --> 00:26:17,200

looks like a couple of days later she

674

00:26:19,830 --> 00:26:17,520

said

675

00:26:21,269 --> 00:26:19,840

i don't remember anything so she wasn't

676

00:26:24,310 --> 00:26:21,279

going to talk about it

677

00:26:27,350 --> 00:26:24,320

and uh months later i read

678

00:26:30,870 --> 00:26:27,360

the mothman prophecies by john keel

679

00:26:33,510 --> 00:26:30,880

and there was a case in there of a ufo

680

00:26:34,390 --> 00:26:33,520

simply got covered up by a cloud and

681

00:26:37,510 --> 00:26:34,400

then

682

00:26:39,830 --> 00:26:37,520

a biplane flew out of it and uh

683

00:26:41,830 --> 00:26:39,840

i remember thinking that it sounds a

684

00:26:44,230 --> 00:26:41,840

little bit similar to what i saw

685

00:26:45,430 --> 00:26:44,240

so that and the lights as well it's

686

00:26:47,430 --> 00:26:45,440

similar with the lights and i got a

687

00:26:50,549 --> 00:26:47,440

little bit excited again by that

688

00:26:52,630 --> 00:26:50,559

um because it wasn't that long after

689

00:26:53,590 --> 00:26:52,640

the book had come out so it was that was

690

00:26:55,350 --> 00:26:53,600

quite a recent

691

00:26:57,669 --> 00:26:55,360

i mean i know it was in the 60s but it

692

00:26:58,549 --> 00:26:57,679

was it felt like quite a recent thing to

693

00:27:03,990 --> 00:26:58,559

me

694

00:27:05,029 --> 00:27:04,000

that's it i've seen other things since

695

00:27:07,669 --> 00:27:05,039

but that's the

696

00:27:08,710 --> 00:27:07,679

best thing i've ever seen and that's the

697

00:27:12,310 --> 00:27:08,720

first thing i ever saw

698

00:27:18,230 --> 00:27:15,669

hey ryan kevin here so approximately

699

00:27:19,669 --> 00:27:18,240

almost 10 years ago now i was driving

700

00:27:21,909 --> 00:27:19,679

home on the freeway

701
00:27:23,750 --> 00:27:21,919
maybe two to three in the morning and i

702
00:27:27,029 --> 00:27:23,760
was coming up on the roundabout

703
00:27:29,990 --> 00:27:27,039
to go switch freeways maybe about

704
00:27:31,830 --> 00:27:30,000
a mile from home and i could see these

705
00:27:34,230 --> 00:27:31,840
three red orbs

706
00:27:36,070 --> 00:27:34,240
um floating above the freeway and i just

707
00:27:40,230 --> 00:27:36,080
knew in my gut that it wasn't

708
00:27:42,789 --> 00:27:40,240
anything normal like flying there and

709
00:27:43,510 --> 00:27:42,799
i had been into ufos and things like

710
00:27:46,549 --> 00:27:43,520
that um

711
00:27:47,269 --> 00:27:46,559
just casually as as a kid didn't really

712
00:27:50,070 --> 00:27:47,279
know if i

713
00:27:50,870 --> 00:27:50,080

disbelieved it or did believe it but in

714

00:27:53,029 --> 00:27:50,880

that moment i

715

00:27:54,310 --> 00:27:53,039

i it was kind of like a confirmation for

716

00:27:55,590 --> 00:27:54,320

me that this

717

00:27:58,149 --> 00:27:55,600

these things are real and that's what

718

00:28:00,789 --> 00:27:58,159

this was that i was witnessing

719

00:28:02,389 --> 00:28:00,799

and as i came up around the roundabout i

720

00:28:04,070 --> 00:28:02,399

drove right underneath them

721

00:28:05,830 --> 00:28:04,080

and i would say that if i were to stand

722

00:28:07,830 --> 00:28:05,840

on top of my car

723

00:28:08,870 --> 00:28:07,840

and reach up i could probably touch one

724

00:28:11,269 --> 00:28:08,880

of them

725

00:28:12,630 --> 00:28:11,279

knowing that this was a rare occurrence

726

00:28:15,909 --> 00:28:12,640

i

727

00:28:17,669 --> 00:28:15,919

raced home and my mom would happen to be

728

00:28:19,990 --> 00:28:17,679

up she works late

729

00:28:21,269 --> 00:28:20,000

and i grabbed her i said you got to come

730

00:28:22,789 --> 00:28:21,279

see this

731

00:28:24,230 --> 00:28:22,799

didn't tell her what it was i said you

732

00:28:25,269 --> 00:28:24,240

just have to see it it's very

733

00:28:28,230 --> 00:28:25,279

interesting

734

00:28:29,990 --> 00:28:28,240

we got in the car drove back again i'm

735

00:28:31,269 --> 00:28:30,000

only a mile less than a mile away so it

736

00:28:33,990 --> 00:28:31,279

didn't take long

737

00:28:35,190 --> 00:28:34,000

and they were completely gone like not

738

00:28:37,830 --> 00:28:35,200

even

739

00:28:39,350 --> 00:28:37,840

far away anything like that it was

740

00:28:42,230 --> 00:28:39,360

completely gone

741

00:28:43,669 --> 00:28:42,240

and of course i probably seemed crazy to

742

00:28:45,590 --> 00:28:43,679

my mom at the time because

743

00:28:47,190 --> 00:28:45,600

she here i am at two or three in the

744

00:28:49,990 --> 00:28:47,200

morning grabbing her to

745

00:28:50,950 --> 00:28:50,000

take her to see something and it's not

746

00:28:52,470 --> 00:28:50,960

there anymore

747

00:28:54,549 --> 00:28:52,480

she probably thought i was on drugs or

748

00:28:58,710 --> 00:28:54,559

something but

749

00:29:00,710 --> 00:28:58,720

anyway that was it and at the time i

750

00:29:03,990 --> 00:29:00,720

kind of had a regret

751
00:29:06,789 --> 00:29:04,000
of racing home and

752
00:29:08,310 --> 00:29:06,799
i feel like i should have stopped and

753
00:29:11,029 --> 00:29:08,320
you know maybe

754
00:29:12,789 --> 00:29:11,039
ex had the experience and last a little

755
00:29:15,669 --> 00:29:12,799
bit longer so that i could

756
00:29:16,389 --> 00:29:15,679
you know take more detail into it or

757
00:29:19,990 --> 00:29:16,399
whatever

758
00:29:20,710 --> 00:29:20,000
i was probably close to 18 19 years old

759
00:29:23,190 --> 00:29:20,720
so

760
00:29:24,870 --> 00:29:23,200
i had just started driving out on my own

761
00:29:26,149 --> 00:29:24,880
and things like that so

762
00:29:28,070 --> 00:29:26,159
i would say i was be coming into

763
00:29:31,750 --> 00:29:28,080

adulthood and

764

00:29:36,630 --> 00:29:31,760

having this experience confirmed that

765

00:29:39,510 --> 00:29:36,640

these things were real was kind of a

766

00:29:39,990 --> 00:29:39,520

relief to me because i actually

767

00:29:42,470 --> 00:29:40,000

witnessed

768

00:29:44,950 --> 00:29:42,480

it myself and i didn't have to base it

769

00:29:46,950 --> 00:29:44,960

on anyone else's belief

770

00:29:48,310 --> 00:29:46,960

um but at the same time now thinking

771

00:29:50,870 --> 00:29:48,320

back

772

00:29:53,430 --> 00:29:50,880

it almost taught me that to have a

773

00:29:55,830 --> 00:29:53,440

little bit of sympathy or empathy for

774

00:29:57,029 --> 00:29:55,840

for other witnesses because the first

775

00:29:59,269 --> 00:29:57,039

thing that people do

776

00:30:00,630 --> 00:29:59,279

when they talk about a an experience

777

00:30:02,389 --> 00:30:00,640

that they had it you know

778

00:30:04,149 --> 00:30:02,399

someone's going to say oh there were

779

00:30:07,510 --> 00:30:04,159

seagulls they were

780

00:30:10,549 --> 00:30:07,520

chinese lanterns they were swamp gas

781

00:30:12,950 --> 00:30:10,559

whatever you may have but

782

00:30:14,870 --> 00:30:12,960

in that moment the best way i could

783

00:30:17,430 --> 00:30:14,880

describe them to you would be

784

00:30:19,190 --> 00:30:17,440

a chinese lantern because that's the

785

00:30:21,269 --> 00:30:19,200

closest

786

00:30:22,950 --> 00:30:21,279

physical thing that i could use to

787

00:30:25,990 --> 00:30:22,960

describe it

788

00:30:28,549 --> 00:30:26,000

however that's not what it was and i

789

00:30:29,590 --> 00:30:28,559

i just know it was not three chinese

790

00:30:33,269 --> 00:30:29,600

lanterns it was

791

00:30:35,669 --> 00:30:33,279

in the almost in the middle of nowhere

792

00:30:37,590 --> 00:30:35,679

um i live in i lived in this small town

793

00:30:40,630 --> 00:30:37,600

at the time

794

00:30:42,950 --> 00:30:40,640

so two and three in the morning i

795

00:30:44,630 --> 00:30:42,960

highly doubt someone would be floating

796

00:30:47,350 --> 00:30:44,640

three chinese lanterns in the middle of

797

00:30:51,830 --> 00:30:50,149

beyond that i i know that they were

798

00:30:52,710 --> 00:30:51,840

floating there they weren't flying so

799

00:30:55,990 --> 00:30:52,720

they weren't

800

00:30:59,269 --> 00:30:56,000

going up going down moving at all

801
00:31:00,230 --> 00:30:59,279
they were just there and almost like

802
00:31:03,350 --> 00:31:00,240
they were just

803
00:31:09,110 --> 00:31:07,029
and no

804
00:31:10,710 --> 00:31:09,120
no cables to be seen nothing for them to

805
00:31:12,870 --> 00:31:10,720
be hanging from

806
00:31:14,389 --> 00:31:12,880
but just the way that they were there in

807
00:31:18,630 --> 00:31:14,399
the sky you it was just

808
00:31:22,149 --> 00:31:18,640
as if something was holding them there

809
00:31:25,590 --> 00:31:24,070
i've seen chinese lanterns before i know

810
00:31:27,269 --> 00:31:25,600
that that's not what it was but that's

811
00:31:28,630 --> 00:31:27,279
just the best thing that i could use to

812
00:31:30,149 --> 00:31:28,640
describe it

813
00:31:31,990 --> 00:31:30,159

um so it kind of gives me a lot of

814

00:31:34,950 --> 00:31:32,000

empathy for um

815

00:31:35,750 --> 00:31:34,960

other experiencers because when people

816

00:31:39,990 --> 00:31:35,760

doubt them

817

00:31:41,509 --> 00:31:40,000

you know it's easy to to say oh yeah

818

00:31:43,029 --> 00:31:41,519

kevin saw three chinese lanterns

819

00:31:46,149 --> 00:31:43,039

floating in the sky it was no

820

00:31:47,990 --> 00:31:46,159

it wasn't a big deal but

821

00:31:49,509 --> 00:31:48,000

unless you experience it yourself and

822

00:31:52,149 --> 00:31:49,519

you have

823

00:31:52,630 --> 00:31:52,159

the entire experience it's kind of hard

824

00:31:55,990 --> 00:31:52,640

to

825

00:31:59,509 --> 00:31:56,000

say what someone else is experiencing

826

00:31:59,990 --> 00:31:59,519

because i just had this feeling like in

827

00:32:02,470 --> 00:32:00,000

my gut

828

00:32:03,430 --> 00:32:02,480

that i knew that that's what they were

829

00:32:06,389 --> 00:32:03,440

um i don't know

830

00:32:06,870 --> 00:32:06,399

if that was a feeling coming from what

831

00:32:11,750 --> 00:32:06,880

it was

832

00:32:14,470 --> 00:32:11,760

whatever but

833

00:32:15,590 --> 00:32:14,480

i knew that what i saw was not normal

834

00:32:19,669 --> 00:32:15,600

and it was

835

00:32:22,630 --> 00:32:19,679

confirmed to me so yeah i don't know i'm

836

00:32:23,110 --> 00:32:22,640

looking back this was cell phones were

837

00:32:26,389 --> 00:32:23,120

just

838

00:32:28,070 --> 00:32:26,399

becoming popular weren't very widespread

839

00:32:31,029 --> 00:32:28,080

so it's not like i could have snapped a

840

00:32:33,029 --> 00:32:31,039

photo of it with my cell phone if i did

841

00:32:33,350 --> 00:32:33,039

it was probably less than a megapixel of

842

00:32:48,070 --> 00:32:33,360

a

843

00:32:48,630 --> 00:32:48,080

to record the experience um i guess

844

00:32:50,549 --> 00:32:48,640

that's why

845

00:32:51,669 --> 00:32:50,559

my first thought was to race home and

846

00:32:53,830 --> 00:32:51,679

grab my mom to come

847

00:32:55,990 --> 00:32:53,840

experience it as well because i needed

848

00:33:00,070 --> 00:32:56,000

someone else to back me up and say that

849

00:33:02,070 --> 00:33:00,080

what i had seen was real but i

850

00:33:05,590 --> 00:33:02,080

i it also gives me a lot of empathy for

851
00:33:10,789 --> 00:33:07,190
people always say like why didn't you

852
00:33:12,070 --> 00:33:10,799
record it why didn't you draw a picture

853
00:33:15,830 --> 00:33:12,080
of it why didn't you

854
00:33:17,430 --> 00:33:15,840
do this or that um why is the camera so

855
00:33:19,269 --> 00:33:17,440
shaky

856
00:33:20,789 --> 00:33:19,279
again like unless you're in that in that

857
00:33:23,909 --> 00:33:20,799
moment

858
00:33:27,669 --> 00:33:23,919
you don't know what you're gonna do and

859
00:33:29,350 --> 00:33:27,679
you almost kind of react at a

860
00:33:31,029 --> 00:33:29,360
i don't know what the word to use uh

861
00:33:34,549 --> 00:33:31,039
maybe like a a wild

862
00:33:35,669 --> 00:33:34,559
naturalistic level like you just respond

863
00:33:37,909 --> 00:33:35,679

naturally you don't

864

00:33:39,269 --> 00:33:37,919

think about what's gonna you know oh i

865

00:33:42,310 --> 00:33:39,279

should shoot a camera

866

00:33:45,830 --> 00:33:42,320

a picture of this i should

867

00:33:48,230 --> 00:33:45,840

um grab my video camera you just

868

00:33:50,230 --> 00:33:48,240

you're in such awe of the experience

869

00:33:52,789 --> 00:33:50,240

that you're not thinking

870

00:33:54,470 --> 00:33:52,799

logically of what you should do in that

871

00:33:56,789 --> 00:33:54,480

moment

872

00:33:59,190 --> 00:33:56,799

to prove that this experience happened

873

00:34:01,110 --> 00:33:59,200

you're just experiencing it

874

00:34:03,110 --> 00:34:01,120

and so that gives me a lot of empathy

875

00:34:05,909 --> 00:34:03,120

for for people that

876

00:34:08,389 --> 00:34:05,919

are willing to share this in fact this

877

00:34:12,230 --> 00:34:08,399

is probably the first time i've ever

878

00:34:15,270 --> 00:34:12,240

shared this um publicly just because

879

00:34:17,669 --> 00:34:15,280

it i feel like it wasn't an experience

880

00:34:18,550 --> 00:34:17,679

for me to to share it was just something

881

00:34:21,349 --> 00:34:18,560

that

882

00:34:21,990 --> 00:34:21,359

maybe i needed to see to confirm my

883

00:34:25,030 --> 00:34:22,000

belief

884

00:34:28,230 --> 00:34:25,040

in these things being out there um

885

00:34:31,349 --> 00:34:28,240

again i was just going into adulthood so

886

00:34:32,230 --> 00:34:31,359

maybe it was some type of lesson for me

887

00:34:34,470 --> 00:34:32,240

to say

888

00:34:35,990 --> 00:34:34,480

you know i'm not going off into

889

00:34:39,109 --> 00:34:36,000

adulthood alone i have

890

00:34:40,950 --> 00:34:39,119

um someone looking out for me

891

00:34:42,550 --> 00:34:40,960

um or maybe in the moment just because i

892

00:34:44,470 --> 00:34:42,560

was driving home so late maybe they were

893

00:34:45,990 --> 00:34:44,480

there looking after me to

894

00:34:47,510 --> 00:34:46,000

make sure i got home okay i don't i

895

00:34:50,950 --> 00:34:47,520

really don't know but

896

00:34:52,710 --> 00:34:50,960

all in all it's just like i said

897

00:34:54,550 --> 00:34:52,720

you you can't really judge someone's

898

00:34:57,030 --> 00:34:54,560

experience unless you've experienced

899

00:34:59,030 --> 00:34:57,040

something similar yourself

900

00:35:01,109 --> 00:34:59,040

because you don't know what you're gonna

901
00:35:03,190 --> 00:35:01,119
do in that moment

902
00:35:04,950 --> 00:35:03,200
it's just like someone that's in an

903
00:35:05,270 --> 00:35:04,960
accident when you're looking back you're

904
00:35:06,870 --> 00:35:05,280
out

905
00:35:09,990 --> 00:35:06,880
shoot i wish i would have done this or

906
00:35:13,030 --> 00:35:10,000
that um i wish i would have grabbed my

907
00:35:14,950 --> 00:35:13,040
special um

908
00:35:16,470 --> 00:35:14,960
sentimental item from my house before my

909
00:35:19,589 --> 00:35:16,480
house burnt down

910
00:35:20,390 --> 00:35:19,599
i wish i would have grabbed my phone out

911
00:35:24,390 --> 00:35:20,400
of my car

912
00:35:27,349 --> 00:35:24,400
before the car caught on fire

913
00:35:29,109 --> 00:35:27,359

i don't know just you always have those

914

00:35:30,630 --> 00:35:29,119

regrets because because in the moment

915

00:35:32,870 --> 00:35:30,640

you're not thinking logically you're

916

00:35:35,750 --> 00:35:32,880

just thinking

917

00:35:37,190 --> 00:35:35,760

of the experience and so i think that's

918

00:35:37,910 --> 00:35:37,200

something that everyone should keep in

919

00:35:39,910 --> 00:35:37,920

mind

920

00:35:41,990 --> 00:35:39,920

whether you're an experienter or not

921

00:35:43,750 --> 00:35:42,000

that

922

00:35:47,349 --> 00:35:43,760

just have an open heart and open mind

923

00:35:53,109 --> 00:35:50,470

hello my name is brett i am 47

924

00:35:54,870 --> 00:35:53,119

i live on the gold coast in australia i

925

00:35:56,870 --> 00:35:54,880

wear a few hats for work but i mostly

926

00:35:59,109 --> 00:35:56,880

work as an instructional designer

927

00:36:00,630 --> 00:35:59,119

i also have a professional fine arts and

928

00:36:03,670 --> 00:36:00,640

photography practice

929

00:36:05,270 --> 00:36:03,680

and degrees in teaching and visual arts

930

00:36:06,790 --> 00:36:05,280

the gold coast is a city with a

931

00:36:10,310 --> 00:36:06,800

population of around

932

00:36:12,470 --> 00:36:10,320

680 000 people and as the name suggests

933

00:36:14,230 --> 00:36:12,480

is on the east coast of australia

934

00:36:16,950 --> 00:36:14,240

bordering the states of queensland

935

00:36:18,950 --> 00:36:16,960

and new south wales i live about 15

936

00:36:22,470 --> 00:36:18,960

kilometers away from the beach

937

00:36:26,230 --> 00:36:22,480

this event took place in 2011.

938

00:36:29,270 --> 00:36:26,240

it was about 9 00 p.m it was a dark

939

00:36:31,109 --> 00:36:29,280

evening there was very little moonlight

940

00:36:34,150 --> 00:36:31,119

and the sky was clear

941

00:36:35,270 --> 00:36:34,160

and there was no wind i was taking a bag

942

00:36:38,390 --> 00:36:35,280

of garbage

943

00:36:39,510 --> 00:36:38,400

out to a larger bin that we have around

944

00:36:42,550 --> 00:36:39,520

the side of the house

945

00:36:44,150 --> 00:36:42,560

and faces the south east as i walked

946

00:36:47,030 --> 00:36:44,160

via the property's front to go around

947

00:36:48,710 --> 00:36:47,040

the house's side at about a 75 degree

948

00:36:51,109 --> 00:36:48,720

angle to the horizon

949

00:36:52,790 --> 00:36:51,119

and to the south was an object moving

950

00:36:56,710 --> 00:36:52,800

slowly across the sky

951
00:36:57,270 --> 00:36:56,720
from east to west at roughly 500 to 700

952
00:37:00,069 --> 00:36:57,280
feet

953
00:37:02,150 --> 00:37:00,079
it moved at a steady pace of perhaps 20

954
00:37:05,270 --> 00:37:02,160
to 30 kilometers per hour

955
00:37:07,109 --> 00:37:05,280
which translates to 10 to 15 knots or 12

956
00:37:10,069 --> 00:37:07,119
to 18 miles per hour

957
00:37:11,190 --> 00:37:10,079
beneath it it had three round orbs of

958
00:37:14,230 --> 00:37:11,200
red color

959
00:37:15,430 --> 00:37:14,240
equidistant apart in an equilateral

960
00:37:17,670 --> 00:37:15,440
triangle

961
00:37:19,349 --> 00:37:17,680
the orbs had a steady red glow and

962
00:37:20,069 --> 00:37:19,359
within each of the orbs was another

963
00:37:22,950 --> 00:37:20,079

darker

964

00:37:23,910 --> 00:37:22,960

coloured orb but it was also reddish in

965

00:37:26,310 --> 00:37:23,920

the center

966

00:37:29,829 --> 00:37:26,320

the orbs were fairly close to each other

967

00:37:32,950 --> 00:37:29,839

but not that far apart

968

00:37:33,990 --> 00:37:32,960

the um red glow had the intensity of an

969

00:37:37,430 --> 00:37:34,000

electric hot plate

970

00:37:38,150 --> 00:37:37,440

turned on high it was tough to tell how

971

00:37:40,069 --> 00:37:38,160

big

972

00:37:42,950 --> 00:37:40,079

or what shape the object was because it

973

00:37:45,349 --> 00:37:42,960

was dark and i could only see the orbs

974

00:37:46,710 --> 00:37:45,359

the orbs appeared to be a part of the

975

00:37:48,630 --> 00:37:46,720

same structure

976
00:37:50,550 --> 00:37:48,640
so they didn't appear to be separately

977
00:37:52,870 --> 00:37:50,560
moving objects i would suggest the

978
00:37:56,550 --> 00:37:52,880
object was 30 feet in diameter or

979
00:37:58,150 --> 00:37:56,560
possibly more but i'm only guessing i

980
00:37:59,829 --> 00:37:58,160
can't really tell

981
00:38:01,829 --> 00:37:59,839
the object held a steady course in

982
00:38:02,470 --> 00:38:01,839
altitude for the entire time i watched

983
00:38:06,230 --> 00:38:02,480
it

984
00:38:08,470 --> 00:38:06,240
to me which would have been

985
00:38:11,270 --> 00:38:08,480
five minutes or more the object also

986
00:38:13,430 --> 00:38:11,280
emitted a very unusual sound

987
00:38:15,430 --> 00:38:13,440
if you can imagine the sound of gas

988
00:38:16,950 --> 00:38:15,440

inside a gas bottle when you turn a gas

989

00:38:19,910 --> 00:38:16,960

bottle on or off

990

00:38:22,390 --> 00:38:19,920

it emitted a kind of crackling sound and

991

00:38:25,109 --> 00:38:22,400

the sound was contained within something

992

00:38:27,190 --> 00:38:25,119

as as though it was metallic as though

993

00:38:28,470 --> 00:38:27,200

an echo coming from within a metallic

994

00:38:32,550 --> 00:38:28,480

object

995

00:38:35,670 --> 00:38:32,560

immediately thought it was a fancy

996

00:38:36,470 --> 00:38:35,680

chinese lantern and although not

997

00:38:40,069 --> 00:38:36,480

dismissive

998

00:38:41,750 --> 00:38:40,079

i kind of didn't really

999

00:38:43,510 --> 00:38:41,760

think too much of it because i thought

1000

00:38:45,750 --> 00:38:43,520

oh that's really cool

1001
00:38:48,150 --> 00:38:45,760
but after about 10 or 15 seconds and

1002
00:38:50,790 --> 00:38:48,160
having heard the sound it was making

1003
00:38:51,349 --> 00:38:50,800
and by its size its trajectory its

1004
00:38:54,069 --> 00:38:51,359
course

1005
00:38:55,510 --> 00:38:54,079
its altitude i began to doubt that very

1006
00:38:57,270 --> 00:38:55,520
quickly

1007
00:38:59,510 --> 00:38:57,280
i'm not aware of chinese lands making

1008
00:39:00,230 --> 00:38:59,520
that kind of sound and i have no doubts

1009
00:39:04,550 --> 00:39:00,240
that

1010
00:39:06,950 --> 00:39:04,560
was no wind either

1011
00:39:09,750 --> 00:39:06,960
yet the object retained a steady path

1012
00:39:11,349 --> 00:39:09,760
and wasn't gaining in altitude

1013
00:39:15,030 --> 00:39:11,359

there was no flickering at all from the

1014

00:39:16,870 --> 00:39:15,040

orbs it was a solid constant glow

1015

00:39:18,710 --> 00:39:16,880

i didn't consider it a drone either

1016

00:39:22,150 --> 00:39:18,720

because drones were quite rare

1017

00:39:24,710 --> 00:39:22,160

in australia in 2011 and the sound it

1018

00:39:26,630 --> 00:39:24,720

made was entirely different for a drone

1019

00:39:28,310 --> 00:39:26,640

so that's why i kept watching it i was

1020

00:39:30,790 --> 00:39:28,320

waiting for something to happen

1021

00:39:31,750 --> 00:39:30,800

and it just kept going i considered

1022

00:39:33,430 --> 00:39:31,760

grabbing my phone

1023

00:39:37,910 --> 00:39:33,440

or camera but i thought it might

1024

00:39:41,990 --> 00:39:40,310

so the next morning i looked up any

1025

00:39:44,390 --> 00:39:42,000

local headlines on the internet

1026

00:39:45,910 --> 00:39:44,400

there was nothing i went to work and

1027

00:39:46,790 --> 00:39:45,920

told the small team of four people i

1028

00:39:48,870 --> 00:39:46,800

worked with

1029

00:39:51,109 --> 00:39:48,880

did anyone hear of anything in the news

1030

00:39:52,870 --> 00:39:51,119

about a possible ufo or did anyone see

1031

00:39:55,270 --> 00:39:52,880

anything last night

1032

00:39:55,990 --> 00:39:55,280

and no one did they all listened and

1033

00:39:58,069 --> 00:39:56,000

took it quite

1034

00:39:59,670 --> 00:39:58,079

seriously when i told them what i had

1035

00:40:02,310 --> 00:39:59,680

experienced and they asked the same

1036

00:40:04,230 --> 00:40:02,320

kinds of questions that i asked myself

1037

00:40:05,990 --> 00:40:04,240

and then one of them cracked a joke and

1038

00:40:07,829 --> 00:40:06,000

everyone laughed and that was kind of

1039

00:40:10,550 --> 00:40:07,839

the end of the discussion

1040

00:40:11,990 --> 00:40:10,560

i didn't speak about it much after that

1041

00:40:13,990 --> 00:40:12,000

mainly because i didn't think reporting

1042

00:40:15,510 --> 00:40:14,000

it would have any consequence

1043

00:40:17,190 --> 00:40:15,520

and unless someone stepped forward and

1044

00:40:17,829 --> 00:40:17,200

announced that they had constructed this

1045

00:40:19,750 --> 00:40:17,839

thing

1046

00:40:21,829 --> 00:40:19,760

and could explain what it was then there

1047

00:40:24,870 --> 00:40:21,839

was no telling what it was

1048

00:40:25,430 --> 00:40:24,880

we can only guess although i still don't

1049

00:40:28,470 --> 00:40:25,440

know

1050

00:40:31,430 --> 00:40:28,480

what i saw was and am reluctant to say

1051

00:40:31,910 --> 00:40:31,440

i saw a uap or ufo i do fervently

1052

00:40:35,190 --> 00:40:31,920

believe

1053

00:40:36,710 --> 00:40:35,200

in the phenomena of uaps well i can't

1054

00:40:38,790 --> 00:40:36,720

rule out that some uap

1055

00:40:41,270 --> 00:40:38,800

sightings are the products of u.s black

1056

00:40:43,829 --> 00:40:41,280

budgets i am reasonably certain

1057

00:40:45,990 --> 00:40:43,839

unidentified aerial phenomena of unknown

1058

00:40:48,309 --> 00:40:46,000

origins are visiting us

1059

00:40:50,069 --> 00:40:48,319

what they are how they get here who or

1060

00:40:51,510 --> 00:40:50,079

what controls them are the big

1061

00:40:53,829 --> 00:40:51,520

unanswered questions

1062

00:40:55,589 --> 00:40:53,839

and this is what drives my curiosity and

1063

00:40:59,030 --> 00:40:55,599

desire to study them

1064

00:41:06,150 --> 00:41:02,470

my name is luis jimenez um i am

1065

00:41:08,550 --> 00:41:06,160

an actor in los angeles california and i

1066

00:41:10,630 --> 00:41:08,560

have i run the youtube channel the

1067

00:41:12,069 --> 00:41:10,640

unidentified celebrity review

1068

00:41:13,670 --> 00:41:12,079

if you haven't heard of it please go

1069

00:41:15,990 --> 00:41:13,680

check it out i i'm

1070

00:41:17,990 --> 00:41:16,000

very fascinated by the uap topic of

1071

00:41:20,710 --> 00:41:18,000

course if you do or do not know i've

1072

00:41:22,309 --> 00:41:20,720

i'm also very politically active in

1073

00:41:24,870 --> 00:41:22,319

moving this uap topic

1074

00:41:25,750 --> 00:41:24,880

further into the halls of congress and

1075

00:41:28,470 --> 00:41:25,760

our senators

1076

00:41:29,910 --> 00:41:28,480

um it's i love this topic for a

1077

00:41:31,589 --> 00:41:29,920

multitude of reasons i'm not going to

1078

00:41:33,030 --> 00:41:31,599

get into that here

1079

00:41:34,870 --> 00:41:33,040

because that's not what you're here for

1080

00:41:39,750 --> 00:41:34,880

you're here for my story so

1081

00:41:42,710 --> 00:41:39,760

the year is 1993.

1082

00:41:44,550 --> 00:41:42,720

i was 13 years old i was living in

1083

00:41:48,150 --> 00:41:44,560

cooper city florida

1084

00:41:51,349 --> 00:41:48,160

and it's about 20 miles outside of miami

1085

00:41:52,390 --> 00:41:51,359

so i was 13 years old and my best friend

1086

00:41:55,349 --> 00:41:52,400

at the time

1087

00:41:56,870 --> 00:41:55,359

whose name was tony invited me to a

1088

00:41:58,470 --> 00:41:56,880

birthday party

1089

00:42:00,390 --> 00:41:58,480
of one of his friends now i can't

1090

00:42:02,790 --> 00:42:00,400
remember this girl's name but what i do

1091

00:42:05,030 --> 00:42:02,800
remember is that she didn't live very

1092

00:42:09,030 --> 00:42:05,040
far from me i'd say probably

1093

00:42:10,950 --> 00:42:09,040
two miles tops but you know again my

1094

00:42:13,510 --> 00:42:10,960
my house was one of these very cookie

1095

00:42:16,150 --> 00:42:13,520
cutter developments in her house

1096

00:42:17,510 --> 00:42:16,160
was literally lined up against an entire

1097

00:42:21,190 --> 00:42:17,520
cow pasture

1098

00:42:21,990 --> 00:42:21,200
so you know we get to this party a great

1099

00:42:24,309 --> 00:42:22,000
time you know

1100

00:42:25,270 --> 00:42:24,319
typical kids birthday party but there

1101

00:42:30,550 --> 00:42:25,280

was

1102

00:42:34,390 --> 00:42:30,560

these people had a lot of friends

1103

00:42:35,910 --> 00:42:34,400

and so the this was around

1104

00:42:37,670 --> 00:42:35,920

i'd say summer time it had to have been

1105

00:42:40,309 --> 00:42:37,680

summer and

1106

00:42:41,589 --> 00:42:40,319

the sun went down and the party was

1107

00:42:45,829 --> 00:42:41,599

still going on

1108

00:42:49,349 --> 00:42:45,839

and at some point my friend tony and i

1109

00:42:53,270 --> 00:42:49,359

see this girl who's standing out

1110

00:42:55,829 --> 00:42:53,280

in the middle of this property and

1111

00:42:59,270 --> 00:42:55,839

she's by herself and i think it was

1112

00:43:02,470 --> 00:42:59,280

actually the girl whose party it was

1113

00:43:04,710 --> 00:43:02,480

and and she's looking to the sky and so

1114

00:43:07,430 --> 00:43:04,720

we're like what is she doing

1115

00:43:07,910 --> 00:43:07,440

so we walked over there and we're saying

1116

00:43:09,670 --> 00:43:07,920

hey

1117

00:43:11,270 --> 00:43:09,680

what are you looking at what's going on

1118

00:43:14,069 --> 00:43:11,280

and she points up

1119

00:43:14,710 --> 00:43:14,079

and we see now this is where my memory

1120

00:43:16,550 --> 00:43:14,720

really

1121

00:43:18,069 --> 00:43:16,560

kind of jumbles because you gotta

1122

00:43:21,190 --> 00:43:18,079

understand this is

1123

00:43:23,349 --> 00:43:21,200

a 27 year old memory we we both look up

1124

00:43:27,030 --> 00:43:23,359

and i do remember seeing

1125

00:43:29,829 --> 00:43:27,040

a strange light but it was pretty high

1126
00:43:31,510 --> 00:43:29,839
and it was pretty far away nothing crazy

1127
00:43:33,109 --> 00:43:31,520
unusual about it

1128
00:43:35,910 --> 00:43:33,119
but then this is where my memory really

1129
00:43:39,829 --> 00:43:35,920
jumbles the next thing i remember

1130
00:43:43,430 --> 00:43:39,839
is that this light is hovering

1131
00:43:47,589 --> 00:43:43,440
hundred feet above a cow pasture

1132
00:43:50,309 --> 00:43:47,599
and it's the size of two school buses

1133
00:43:52,230 --> 00:43:50,319
two school buses stacked on top of one

1134
00:43:56,710 --> 00:43:52,240
another

1135
00:43:58,470 --> 00:43:56,720
i don't remember i see man gosh this is

1136
00:43:59,750 --> 00:43:58,480
this is where memories really play

1137
00:44:02,870 --> 00:43:59,760
tricks but

1138
00:44:06,550 --> 00:44:02,880

i remember it having a shape

1139

00:44:08,870 --> 00:44:06,560

but i don't remember any distinct lines

1140

00:44:10,790 --> 00:44:08,880

what i remember the first description i

1141

00:44:12,069 --> 00:44:10,800

thought of when i was explaining it to

1142

00:44:14,550 --> 00:44:12,079

people

1143

00:44:15,270 --> 00:44:14,560

was it looks like a breakfast bowl like

1144

00:44:18,230 --> 00:44:15,280

you would put

1145

00:44:19,750 --> 00:44:18,240

your cereal in and imagine if you took

1146

00:44:23,030 --> 00:44:19,760

that breakfast bowl

1147

00:44:26,309 --> 00:44:23,040

and just made it you know

1148

00:44:28,790 --> 00:44:26,319

one tenth smaller than

1149

00:44:30,150 --> 00:44:28,800

the the original breakfast bowl and then

1150

00:44:30,710 --> 00:44:30,160

you take that breakfast bowl and you

1151

00:44:32,870 --> 00:44:30,720

flip it

1152

00:44:33,990 --> 00:44:32,880

on top of the one sitting on the table

1153

00:44:36,470 --> 00:44:34,000

and you put them together

1154

00:44:38,069 --> 00:44:36,480

at the rim that's kind of what this

1155

00:44:39,349 --> 00:44:38,079

thing looked like and what i really

1156

00:44:42,710 --> 00:44:39,359

remember

1157

00:44:43,510 --> 00:44:42,720

was how bright it was especially in the

1158

00:44:51,270 --> 00:44:43,520

middle

1159

00:44:53,670 --> 00:44:51,280

and the outside aura of it if i remember

1160

00:44:57,910 --> 00:44:53,680

correctly was almost like a green

1161

00:45:01,670 --> 00:44:57,920

hue as soon as i saw it

1162

00:45:05,349 --> 00:45:01,680

i do remember and of course by this time

1163

00:45:06,550 --> 00:45:05,359

the entire party had walked over to

1164

00:45:10,710 --> 00:45:06,560

where we were

1165

00:45:14,309 --> 00:45:10,720

and you were hearing wow oh my god

1166

00:45:15,589 --> 00:45:14,319

what is that what's going on and as this

1167

00:45:19,109 --> 00:45:15,599

is happening

1168

00:45:24,069 --> 00:45:19,119

it was almost like slow motion even as a

1169

00:45:27,589 --> 00:45:24,079

as a 13 year old kid i can remember

1170

00:45:31,190 --> 00:45:27,599

going through my mental rolodex

1171

00:45:35,030 --> 00:45:31,200

of what this object could be

1172

00:45:36,790 --> 00:45:35,040

helicopter no there's no noise

1173

00:45:38,790 --> 00:45:36,800

it's close enough we should hear

1174

00:45:41,270 --> 00:45:38,800

something if it's a helicopter

1175

00:45:42,069 --> 00:45:41,280

is it a blimp no it's not big enough to

1176

00:45:43,990 --> 00:45:42,079

be a blimp

1177

00:45:46,069 --> 00:45:44,000

and i've been around blimps i've been

1178

00:45:50,069 --> 00:45:46,079

around the goodyear blimp

1179

00:45:53,829 --> 00:45:50,079

it's way louder than this

1180

00:45:56,630 --> 00:45:53,839

object is i mean the big goodyear blimp

1181

00:45:58,470 --> 00:45:56,640

and they're very common in this area of

1182

00:45:59,910 --> 00:45:58,480

florida that i lived in blimps are very

1183

00:46:02,150 --> 00:45:59,920

very common because we had the miami

1184

00:46:03,750 --> 00:46:02,160

dolphins that played all the time that's

1185

00:46:04,950 --> 00:46:03,760

not far from our home

1186

00:46:06,550 --> 00:46:04,960

and they're just there's always

1187

00:46:09,589 --> 00:46:06,560

something going on in fort lauderdale or

1188

00:46:10,950 --> 00:46:09,599

miami that requires a goodyear blimp

1189

00:46:13,109 --> 00:46:10,960

so seeing the goodyear blink was

1190

00:46:14,950 --> 00:46:13,119

something that i was very very familiar

1191

00:46:16,950 --> 00:46:14,960

with it was not a blimp

1192

00:46:18,390 --> 00:46:16,960

it could have been a plane because it

1193

00:46:20,630 --> 00:46:18,400

was stationary

1194

00:46:21,829 --> 00:46:20,640

and also what is a plane doing above a

1195

00:46:23,670 --> 00:46:21,839

cow pasture

1196

00:46:25,109 --> 00:46:23,680

i mean i'm literally i'm going through

1197

00:46:27,430 --> 00:46:25,119

this rolodex

1198

00:46:28,470 --> 00:46:27,440

and nothing that i can think of is

1199

00:46:32,150 --> 00:46:28,480

matching

1200

00:46:35,750 --> 00:46:32,160

what i'm looking at so as soon as i

1201
00:46:38,150 --> 00:46:35,760
finish that mental rolodex the immediate

1202
00:46:40,069 --> 00:46:38,160
thought that filled my brain was i want

1203
00:46:43,430 --> 00:46:40,079
to get a better look at it

1204
00:46:47,430 --> 00:46:43,440
so i began to run i started

1205
00:46:50,069 --> 00:46:47,440
running toward this object but to do so

1206
00:46:51,589 --> 00:46:50,079
i had to go back the way i came and go

1207
00:46:54,790 --> 00:46:51,599
around this little

1208
00:46:55,510 --> 00:46:54,800
like berm or fenced area so i can get to

1209
00:46:59,510 --> 00:46:55,520
that dirt

1210
00:47:02,630 --> 00:46:59,520
road that was closer to the cow pasture

1211
00:47:04,870 --> 00:47:02,640
and the this dirt road had trees

1212
00:47:06,150 --> 00:47:04,880
that were i'd say 50 feet taller like

1213
00:47:09,510 --> 00:47:06,160

pine trees

1214

00:47:09,990 --> 00:47:09,520

that line the dirt road and i did not

1215

00:47:12,470 --> 00:47:10,000

take my

1216

00:47:14,150 --> 00:47:12,480

eye off of this object as i was trying

1217

00:47:17,589 --> 00:47:14,160

to run closer to it

1218

00:47:20,870 --> 00:47:17,599

and i did lose it behind these

1219

00:47:21,829 --> 00:47:20,880

trees and the second i got to the dirt

1220

00:47:24,390 --> 00:47:21,839

road

1221

00:47:25,750 --> 00:47:24,400

i lost track of it because it was behind

1222

00:47:28,309 --> 00:47:25,760

these trees

1223

00:47:29,589 --> 00:47:28,319

and then when i got to the road it was

1224

00:47:33,670 --> 00:47:29,599

gone

1225

00:47:37,190 --> 00:47:33,680

i never saw it again i did not see it

1226
00:47:38,390 --> 00:47:37,200
leave i don't remember the descriptions

1227
00:47:41,510 --> 00:47:38,400
of the other people

1228
00:47:43,670 --> 00:47:41,520
that didn't run closer with me what they

1229
00:47:45,670 --> 00:47:43,680
described as it left or what did it look

1230
00:47:48,069 --> 00:47:45,680
like did it zoom off did it blink out

1231
00:47:49,510 --> 00:47:48,079
i don't know i don't remember asking and

1232
00:47:52,470 --> 00:47:49,520
i don't remember

1233
00:47:53,910 --> 00:47:52,480
ants getting that question answered at

1234
00:47:58,630 --> 00:47:53,920
any time

1235
00:48:00,790 --> 00:47:58,640
i was floored

1236
00:48:02,950 --> 00:48:00,800
as a 13 year old kid i had already had

1237
00:48:05,030 --> 00:48:02,960
an interest in ufos

1238
00:48:07,349 --> 00:48:05,040

as a matter of fact the very first thing

1239

00:48:08,790 --> 00:48:07,359

that got me into the ufo topic was the

1240

00:48:11,990 --> 00:48:08,800

bob lazar story

1241

00:48:15,030 --> 00:48:12,000

which had happened four years earlier so

1242

00:48:18,470 --> 00:48:15,040

my curiosity in this topic

1243

00:48:20,630 --> 00:48:18,480

had already been fueled i was already

1244

00:48:23,270 --> 00:48:20,640

looking at ufo books in the library

1245

00:48:25,910 --> 00:48:23,280

it was a topic that i was very very

1246

00:48:27,829 --> 00:48:25,920

familiar with as a 13 year old kid

1247

00:48:29,829 --> 00:48:27,839

so that's why i think i was in a very

1248

00:48:31,109 --> 00:48:29,839

unique position to witness something

1249

00:48:33,190 --> 00:48:31,119

like this

1250

00:48:36,069 --> 00:48:33,200

because i've already had a lot of frame

1251
00:48:38,950 --> 00:48:36,079
of reference especially when it came to

1252
00:48:40,630 --> 00:48:38,960
planes we lived pretty much right

1253
00:48:42,230 --> 00:48:40,640
underneath the flight path

1254
00:48:45,270 --> 00:48:42,240
of the fort lauderdale international

1255
00:48:48,870 --> 00:48:45,280
airport so for an object

1256
00:48:52,470 --> 00:48:48,880
to be in that cow field at that time

1257
00:48:55,109 --> 00:48:52,480
was probably a flight risk

1258
00:48:56,790 --> 00:48:55,119
you know again this is this is the

1259
00:49:00,549 --> 00:48:56,800
landing path

1260
00:49:03,990 --> 00:49:00,559
that you know major commercial airlines

1261
00:49:05,589 --> 00:49:04,000
are using to land their planes so

1262
00:49:08,950 --> 00:49:05,599
you know you see a commercial jet come

1263
00:49:11,430 --> 00:49:08,960

over this property at a pretty low level

1264

00:49:13,430 --> 00:49:11,440

every 15 20 minutes you know back in

1265

00:49:14,549 --> 00:49:13,440

1993 fort lauderdale international

1266

00:49:17,430 --> 00:49:14,559

airport wasn't

1267

00:49:18,390 --> 00:49:17,440

as busy as it is today but you go today

1268

00:49:20,950 --> 00:49:18,400

and you will see

1269

00:49:22,549 --> 00:49:20,960

you will hear airplanes commercial jets

1270

00:49:24,390 --> 00:49:22,559

fly over this property

1271

00:49:26,390 --> 00:49:24,400

every five minutes now i mean there's

1272

00:49:29,030 --> 00:49:26,400

constantly landing

1273

00:49:30,230 --> 00:49:29,040

so it was really easy to determine that

1274

00:49:33,270 --> 00:49:30,240

this thing did not

1275

00:49:35,430 --> 00:49:33,280

fit typical aircraft not to mention

1276

00:49:37,990 --> 00:49:35,440

living in miami every year we had the

1277

00:49:40,150 --> 00:49:38,000

miami international air show

1278

00:49:42,230 --> 00:49:40,160

so i was very familiar with the blue

1279

00:49:44,950 --> 00:49:42,240

angels i was very familiar with

1280

00:49:47,030 --> 00:49:44,960

jet aircraft i had been in jet aircraft

1281

00:49:48,790 --> 00:49:47,040

i mean of course i wasn't a professional

1282

00:49:50,549 --> 00:49:48,800

at 13 i wouldn't be able to

1283

00:49:52,230 --> 00:49:50,559

tell you what kind of jet i was looking

1284

00:49:53,829 --> 00:49:52,240

at when it was flying by

1285

00:49:55,349 --> 00:49:53,839

at a close distance or really far

1286

00:49:57,829 --> 00:49:55,359

distance

1287

00:49:59,990 --> 00:49:57,839

but i i was familiar with the sounds

1288

00:50:00,470 --> 00:50:00,000

with the maneuvers what they look like

1289

00:50:02,710 --> 00:50:00,480

what they

1290

00:50:03,670 --> 00:50:02,720

especially sound like and that's the

1291

00:50:06,790 --> 00:50:03,680

thing that really

1292

00:50:10,069 --> 00:50:06,800

really struck me as so odd about this

1293

00:50:13,030 --> 00:50:10,079

object we were only three or four

1294

00:50:16,309 --> 00:50:13,040

hundred yards away from it and there was

1295

00:50:19,030 --> 00:50:16,319

no sound and

1296

00:50:20,390 --> 00:50:19,040

this is a time before drones this is a

1297

00:50:22,549 --> 00:50:20,400

time before

1298

00:50:24,150 --> 00:50:22,559

any of that kind of technology even

1299

00:50:27,829 --> 00:50:24,160

existed

1300

00:50:32,069 --> 00:50:27,839

so it was profound

1301

00:50:35,109 --> 00:50:32,079

the the way it made me feel was excited

1302

00:50:38,309 --> 00:50:35,119

i've never been that excited

1303

00:50:40,230 --> 00:50:38,319

to have seen something in my life

1304

00:50:42,150 --> 00:50:40,240

i think it did scare some people in the

1305

00:50:44,470 --> 00:50:42,160

crowd but i was

1306

00:50:45,670 --> 00:50:44,480

really excited because i knew what i was

1307

00:50:47,750 --> 00:50:45,680

looking at

1308

00:50:49,270 --> 00:50:47,760

so much so that i tried to get a better

1309

00:50:51,670 --> 00:50:49,280

look at it

1310

00:50:53,510 --> 00:50:51,680

i tried to get a better look of it and

1311

00:50:54,630 --> 00:50:53,520

it just didn't work out i wish i had

1312

00:50:55,829 --> 00:50:54,640

stayed where i was

1313

00:50:57,990 --> 00:50:55,839

because then maybe i would have been

1314

00:51:00,390 --> 00:50:58,000

able to see it take off or

1315

00:51:02,150 --> 00:51:00,400

or blink out or whatever happened but i

1316

00:51:05,910 --> 00:51:02,160

never got the opportunity

1317

00:51:08,470 --> 00:51:05,920

to see that so with that excitement

1318

00:51:09,910 --> 00:51:08,480

you know everybody in the party is now

1319

00:51:12,950 --> 00:51:09,920

talking about this

1320

00:51:13,670 --> 00:51:12,960

and i'm when i tell you there was at

1321

00:51:17,109 --> 00:51:13,680

least

1322

00:51:20,150 --> 00:51:17,119

40 witnesses to this event there was

1323

00:51:22,309 --> 00:51:20,160

40 witnesses to this event so this was i

1324

00:51:24,630 --> 00:51:22,319

was not by myself

1325

00:51:25,990 --> 00:51:24,640

and sure you could say maybe some of the

1326

00:51:27,030 --> 00:51:26,000

parents there were drinking and

1327

00:51:29,589 --> 00:51:27,040

inebriated

1328

00:51:30,309 --> 00:51:29,599

but there was kids there a lot of kids

1329

00:51:33,829 --> 00:51:30,319

and they

1330

00:51:34,710 --> 00:51:33,839

all saw myself included so my best

1331

00:51:37,589 --> 00:51:34,720

friend's

1332

00:51:39,109 --> 00:51:37,599

mom comes to pick us up and i'd say it

1333

00:51:42,309 --> 00:51:39,119

was probably around 9

1334

00:51:45,349 --> 00:51:42,319

30 at night when i got home and i

1335

00:51:49,510 --> 00:51:45,359

burst through the front door at a

1336

00:51:52,470 --> 00:51:49,520

million miles per hour and my entire

1337

00:51:52,950 --> 00:51:52,480

house my sister my little brother my

1338

00:51:59,670 --> 00:51:52,960

mother

1339

00:52:02,309 --> 00:51:59,680

pretty much sleeping everybody was in

1340

00:52:05,510 --> 00:52:02,319

bed or getting ready to pass out

1341

00:52:05,990 --> 00:52:05,520

and i ran into my parents bedroom and i

1342

00:52:09,190 --> 00:52:06,000

was

1343

00:52:13,349 --> 00:52:09,200

just so excited and

1344

00:52:14,230 --> 00:52:13,359

so amped and so i wanted them to hop out

1345

00:52:17,030 --> 00:52:14,240

of bed and

1346

00:52:17,510 --> 00:52:17,040

listen to what i was saying because the

1347

00:52:20,390 --> 00:52:17,520

the

1348

00:52:20,630 --> 00:52:20,400

my life had just profoundly changed and

1349

00:52:29,190 --> 00:52:20,640

i

1350

00:52:32,630 --> 00:52:29,200

wanted them to

1351

00:52:34,870 --> 00:52:32,640

it they was like okay son all right

1352

00:52:36,230 --> 00:52:34,880

let's talk about it tomorrow we'll talk

1353

00:52:39,190 --> 00:52:36,240

about it tomorrow can we

1354

00:52:41,109 --> 00:52:39,200

we we're just trying to get some sleep

1355

00:52:43,430 --> 00:52:41,119

and i didn't sleep for the whole night

1356

00:52:44,470 --> 00:52:43,440

as a matter of fact what was interesting

1357

00:52:46,230 --> 00:52:44,480

is at the time

1358

00:52:47,910 --> 00:52:46,240

i'm trying to remember the name of the

1359

00:52:50,390 --> 00:52:47,920

television show

1360

00:52:50,950 --> 00:52:50,400

but there was an there was a show on fox

1361

00:52:54,230 --> 00:52:50,960

tv

1362

00:52:57,270 --> 00:52:54,240

around this time where you could call in

1363

00:52:58,870 --> 00:52:57,280

and tell the television show about your

1364

00:53:00,950 --> 00:52:58,880

experience

1365

00:53:02,069 --> 00:53:00,960

and i was very detailed i remember the

1366

00:53:05,190 --> 00:53:02,079

direction

1367

00:53:07,910 --> 00:53:05,200

the uh the the way the wind was blowing

1368

00:53:10,230 --> 00:53:07,920

uh what the temperature was like where

1369

00:53:13,190 --> 00:53:10,240

the craft was located

1370

00:53:15,430 --> 00:53:13,200

um in what direction it was when we

1371

00:53:17,750 --> 00:53:15,440

first saw it versus when we saw it over

1372

00:53:20,309 --> 00:53:17,760

the cow field in what direction that

1373

00:53:22,790 --> 00:53:20,319

that was i i laid out so many details

1374

00:53:25,910 --> 00:53:22,800

because they were so fresh on my mind

1375

00:53:28,549 --> 00:53:25,920

to to the voicemail

1376
00:53:29,190 --> 00:53:28,559
of this production company so maybe

1377
00:53:31,510 --> 00:53:29,200
somewhere

1378
00:53:32,790 --> 00:53:31,520
out there there's a recording of my

1379
00:53:35,990 --> 00:53:32,800
testimony

1380
00:53:39,030 --> 00:53:36,000
on what happened with this sighting

1381
00:53:40,390 --> 00:53:39,040
and um it was i'm telling you the most

1382
00:53:45,829 --> 00:53:40,400
profound

1383
00:53:50,069 --> 00:53:45,839
moment of my life and ever since then

1384
00:53:52,950 --> 00:53:50,079
i've been hooked absolutely hooked

1385
00:53:55,990 --> 00:53:52,960
and i've gone down the rabbit holes i've

1386
00:53:58,390 --> 00:53:56,000
worked my way out of rabbit holes

1387
00:54:00,150 --> 00:53:58,400
and i the cool thing is is that it's

1388
00:54:03,430 --> 00:54:00,160

taken me

1389

00:54:07,109 --> 00:54:03,440

27 years to really

1390

00:54:09,109 --> 00:54:07,119

formulate and learn how to talk about

1391

00:54:10,790 --> 00:54:09,119

this experience but not only this

1392

00:54:13,829 --> 00:54:10,800

experience

1393

00:54:16,710 --> 00:54:13,839

but my passion for this field

1394

00:54:18,470 --> 00:54:16,720

and the cool thing about finding this

1395

00:54:21,030 --> 00:54:18,480

passion i think

1396

00:54:22,790 --> 00:54:21,040

in you know the latest part of my life

1397

00:54:26,549 --> 00:54:22,800

at least as of right now

1398

00:54:30,069 --> 00:54:26,559

i started my show a year ago is that

1399

00:54:31,430 --> 00:54:30,079

i could talk about this topic without

1400

00:54:33,349 --> 00:54:31,440

ridicule

1401
00:54:36,309 --> 00:54:33,359
without people looking at me like i have

1402
00:54:40,630 --> 00:54:36,319
two heads this topic is no longer

1403
00:54:44,309 --> 00:54:40,640
saved for the tin foil hat party

1404
00:54:47,670 --> 00:54:44,319
and so you know that was my experience

1405
00:54:50,630 --> 00:54:47,680
that was my aha moment

1406
00:54:52,069 --> 00:54:50,640
and ever since then it i assumed this is

1407
00:54:54,390 --> 00:54:52,079
kind of like what heroin

1408
00:54:55,750 --> 00:54:54,400
is like i've always been looking for

1409
00:54:58,390 --> 00:54:55,760
that fix

1410
00:54:59,589 --> 00:54:58,400
i want to see another one i really

1411
00:55:02,390 --> 00:54:59,599
really do

1412
00:55:03,430 --> 00:55:02,400
i would kill to go back in a time

1413
00:55:08,150 --> 00:55:03,440

machine

1414

00:55:11,829 --> 00:55:08,160

and relive that night that summer night

1415

00:55:13,349 --> 00:55:11,839

in 1993. so

1416

00:55:16,069 --> 00:55:13,359

i just want to say thank you to ryan

1417

00:55:17,270 --> 00:55:16,079

sprague for allowing me to share this

1418

00:55:19,510 --> 00:55:17,280

story

1419

00:55:20,950 --> 00:55:19,520

um it's not one that i like to share

1420

00:55:25,589 --> 00:55:20,960

often because

1421

00:55:28,390 --> 00:55:25,599

of the the way i'm trying to formulate

1422

00:55:28,950 --> 00:55:28,400

my political activism around the uap

1423

00:55:32,390 --> 00:55:28,960

topic

1424

00:55:35,349 --> 00:55:32,400

and bringing personal stories um

1425

00:55:36,470 --> 00:55:35,359

is usually not very helpful in this

1426

00:55:39,510 --> 00:55:36,480

field

1427

00:55:41,270 --> 00:55:39,520

but i do enjoy the opportunity to

1428

00:55:43,430 --> 00:55:41,280

actually tell people because

1429

00:55:45,109 --> 00:55:43,440

uh it is a badge of honor i got to

1430

00:55:47,990 --> 00:55:45,119

witness something

1431

00:55:49,430 --> 00:55:48,000

that very few people have ever ever

1432

00:55:52,789 --> 00:55:49,440

experienced

1433

00:55:54,390 --> 00:55:52,799

and i feel lucky i really really do and

1434

00:55:57,670 --> 00:55:54,400

it's inspired

1435

00:56:01,030 --> 00:55:57,680

every single decision that i've made

1436

00:56:04,390 --> 00:56:01,040

in my life absolutely

1437

00:56:06,630 --> 00:56:04,400

profound so thank you ryan

1438

00:56:08,630 --> 00:56:06,640

thank you to all the fans out there in

1439

00:56:11,109 --> 00:56:08,640

the somewhere in the skies family

1440

00:56:12,870 --> 00:56:11,119

i consider you my family as well ryan

1441

00:56:14,069 --> 00:56:12,880

sprague is one of the best human beings

1442

00:56:16,390 --> 00:56:14,079

on the planet

1443

00:56:19,270 --> 00:56:16,400

and uh and i would do anything for the

1444

00:56:21,030 --> 00:56:19,280

man i'm as i'm sure you guys would so

1445

00:56:23,190 --> 00:56:21,040

show him your love show him your support

1446

00:56:26,150 --> 00:56:23,200

uh because he

1447

00:56:28,230 --> 00:56:26,160

he's always heading up wonderful ideas

1448

00:56:28,870 --> 00:56:28,240

like this and and wonderful ways to

1449

00:56:31,910 --> 00:56:28,880

share

1450

00:56:33,750 --> 00:56:31,920

personal experiences because he's right

1451
00:56:35,910 --> 00:56:33,760
they're important we need to talk about

1452
00:56:38,150 --> 00:56:35,920
them we need to document them

1453
00:56:40,230 --> 00:56:38,160
so that way we can find similarities and

1454
00:56:42,549 --> 00:56:40,240
and this is data and it's good

1455
00:56:44,549 --> 00:56:42,559
data you know unfortunately right now

1456
00:56:45,750 --> 00:56:44,559
it's not the data our congressmen want

1457
00:56:49,589 --> 00:56:45,760
to look at

1458
00:56:52,710 --> 00:56:49,599
but in 15 20 25 years

1459
00:56:55,349 --> 00:56:52,720
i think this data will be will be

1460
00:56:56,630 --> 00:56:55,359
a request from the people that we want

1461
00:56:58,390 --> 00:56:56,640
to tell

1462
00:56:59,829 --> 00:56:58,400
they're going to want to hear this data

1463
00:57:01,349 --> 00:56:59,839

because they're going to have such a

1464

00:57:04,390 --> 00:57:01,359

mountain of data that they're going to

1465

00:57:06,309 --> 00:57:04,400

want to fill in gaps to that data

1466

00:57:07,750 --> 00:57:06,319

and i think that's where we the people

1467

00:57:09,589 --> 00:57:07,760

will come in the people with these

1468

00:57:10,950 --> 00:57:09,599

stories and experiences so thank you

1469

00:57:14,069 --> 00:57:10,960

brian sprague

1470

00:57:14,590 --> 00:57:14,079

and that's it i'm done stay safe and be

1471

00:57:24,829 --> 00:57:14,600

well

1472

00:57:24,839 --> 00:58:00,309

peace

1473

00:58:04,390 --> 00:58:02,309

somewhere in the skies is produced by

1474

00:58:06,829 --> 00:58:04,400

third kind productions in association
