to a very special and kind of

5  
00:00:13,430 --> 00:00:12,719  
off-the-cuff episode of somewhere in the

6  
00:00:16,470 --> 00:00:13,440  
skies

7  
00:00:18,710 --> 00:00:16,480  
we have some very exciting breaking news

8  
00:00:20,950 --> 00:00:18,720  
from our very good friend

9  
00:00:22,790 --> 00:00:20,960  
uh jeremy corbell very good friend i

10  
00:00:25,029 --> 00:00:22,800  
forgot his name for a second there

11  
00:00:27,349 --> 00:00:25,039  
um our very very good friend

12  
00:00:29,990 --> 00:00:27,359  
investigative filmmaker jeremy corbell

13  
00:00:33,030 --> 00:00:30,000

but more importantly look who we have

14

00:00:36,150 --> 00:00:33,040

with us today jason how you doing buddy

15

00:00:38,229 --> 00:00:36,160

i'm good you're a very good friend i

16

00:00:40,549 --> 00:00:38,239

forgot your name

17

00:00:41,510 --> 00:00:40,559

ryan of course ryan sprague how are you

18

00:00:43,830 --> 00:00:41,520

buddy

19

00:00:44,549 --> 00:00:43,840

it's been a while brother i know i know

20

00:00:46,869 --> 00:00:44,559

i've been uh

21

00:00:48,549 --> 00:00:46,879

kind of holed up and live in the hermit

22

00:00:50,549 --> 00:00:48,559

life lately i'm uh

23

00:00:51,830 --> 00:00:50,559

i'm as you can see not in my normal

24

00:00:55,189 --> 00:00:51,840

setting once again

25

00:00:56,869 --> 00:00:55,199

i escaped new york for the god

26

00:00:58,310 --> 00:00:56,879

i think the third time now since the

27

00:01:00,389 --> 00:00:58,320

lockdown so um

28

00:01:02,229 --> 00:01:00,399

i'm in hawaii so you'll probably hear a

29

00:01:04,869 --> 00:01:02,239

lot of birds chirping and

30

00:01:06,950 --> 00:01:04,879

dogs barking but um it's better than

31

00:01:09,510 --> 00:01:06,960

sirens and ambulances

32

00:01:11,109 --> 00:01:09,520

and and all that crazy stuff in new york

33

00:01:13,270 --> 00:01:11,119

so how are you doing

34

00:01:15,670 --> 00:01:13,280

um with everything everyone's getting

35

00:01:18,149 --> 00:01:15,680

vaccinated the world is reopening

36

00:01:19,190 --> 00:01:18,159

how's it going over there in arizona

37

00:01:21,270 --> 00:01:19,200

dude things are good

38

00:01:22,950 --> 00:01:21,280

things are good i mean it feels like

39

00:01:25,109 --> 00:01:22,960

we're slowly coming back to life

40

00:01:26,550 --> 00:01:25,119

things are getting back to normal trips

41

00:01:28,070 --> 00:01:26,560

are starting to be planned it's an

42

00:01:31,590 --> 00:01:28,080

exciting time so

43

00:01:34,230 --> 00:01:31,600

yeah yeah but i won't be back to

44

00:01:35,749 --> 00:01:34,240

being completely great until you and i

45

00:01:39,109 --> 00:01:35,759

can finally get together again

46

00:01:41,190 --> 00:01:39,119

and get into trouble in real life

47

00:01:42,149 --> 00:01:41,200

as we always do and we're already making

48

00:01:44,230 --> 00:01:42,159

those plans off

49

00:01:45,670 --> 00:01:44,240

air we've already kind of discussed when

50

00:01:48,230 --> 00:01:45,680

we're gonna make that happen

51  
00:01:49,030 --> 00:01:48,240  
and i'm excited man finally my job on

52  
00:01:51,429 --> 00:01:49,040  
broadway

53  
00:01:53,429 --> 00:01:51,439  
is hopefully coming back a lot of

54  
00:01:56,069 --> 00:01:53,439  
broadway shows have announced through

55  
00:01:56,630 --> 00:01:56,079  
yeah thank you yeah um now whether or

56  
00:01:59,270 --> 00:01:56,640  
not my

57  
00:02:01,910 --> 00:01:59,280  
specific job on Broadway is coming back

58  
00:02:03,910 --> 00:02:01,920  
has yet to be seen but Broadway itself

59  
00:02:05,030 --> 00:02:03,920  
is returning and i think we need live

60  
00:02:08,150 --> 00:02:05,040  
theater now

61  
00:02:10,630 --> 00:02:08,160  
more than ever so um hey

62  
00:02:12,550 --> 00:02:10,640  
yeah me too man not just because it pays

63  
00:02:14,630 --> 00:02:12,560

the bills but it's just like

64

00:02:15,910 --> 00:02:14,640

i live and breathe theater i i know

65

00:02:18,150 --> 00:02:15,920

people who

66

00:02:19,750 --> 00:02:18,160

watch and support a lot of what i do

67

00:02:22,150 --> 00:02:19,760

know that that's what i do

68

00:02:23,430 --> 00:02:22,160

i live in new york i'm a struggling

69

00:02:25,430 --> 00:02:23,440

artist playwright

70

00:02:28,070 --> 00:02:25,440

actor director whatever you want to call

71

00:02:31,910 --> 00:02:28,080

it uh so i'm excited but um

72

00:02:33,830 --> 00:02:31,920

more exciting is all this crazy ufo news

73

00:02:35,910 --> 00:02:33,840

that we're gonna talk about today um

74

00:02:37,589 --> 00:02:35,920

let's see who we got in the chat first

75

00:02:40,790 --> 00:02:37,599

scott austin's here

76

00:02:41,750 --> 00:02:40,800

uh ben welcome to the show ben ben is

77

00:02:45,030 --> 00:02:41,760

actually

78

00:02:47,910 --> 00:02:45,040

um sounds muffled is that me do i sound

79

00:02:51,589 --> 00:02:51,270

i don't know um yeah let us know ben in

80

00:02:55,350 --> 00:02:51,599

the

81

00:02:57,990 --> 00:02:55,360

second place

82

00:02:59,670 --> 00:02:58,000

for my ultimate summer in the skies fan

83

00:03:03,110 --> 00:02:59,680

art contest he did the uh

84

00:03:05,509 --> 00:03:03,120

the tic tac attack the terror in tehran

85

00:03:06,309 --> 00:03:05,519

uh the foo fighters one oh my god he

86

00:03:08,869 --> 00:03:06,319

sounds amazing

87

00:03:10,229 --> 00:03:08,879

no jason sends me so many and he's done

88

00:03:12,229 --> 00:03:10,239

such a great job

89

00:03:13,430 --> 00:03:12,239

you know not just with this contest but

90

00:03:15,990 --> 00:03:13,440

over the years

91

00:03:17,190 --> 00:03:16,000

and i think what you need to do with

92

00:03:19,350 --> 00:03:17,200

those ryan

93

00:03:21,430 --> 00:03:19,360

is you need to work with him and there

94

00:03:25,030 --> 00:03:21,440

needs to be somewhere in the skies

95

00:03:26,470 --> 00:03:25,040

graphic novel you pretty much already

96

00:03:28,949 --> 00:03:26,480

have half the novel there

97

00:03:30,390 --> 00:03:28,959

i've got it already there i know i know

98

00:03:31,990 --> 00:03:30,400

it's already there well i'm really

99

00:03:33,509 --> 00:03:32,000

looking forward to continuing

100

00:03:35,030 --> 00:03:33,519

to work with ben i think he's in

101  
00:03:37,430 --> 00:03:35,040  
australia um

102  
00:03:39,030 --> 00:03:37,440  
so we're definitely gonna get some sort

103  
00:03:40,070 --> 00:03:39,040  
of graphic novel thing going i've

104  
00:03:42,630 --> 00:03:40,080  
already talked to

105  
00:03:44,390 --> 00:03:42,640  
a lot of the artists who submitted about

106  
00:03:45,589 --> 00:03:44,400  
doing stuff like that and i was just so

107  
00:03:47,270 --> 00:03:45,599  
incredibly honored

108  
00:03:49,030 --> 00:03:47,280  
for all the submissions so if anyone out

109  
00:03:50,949 --> 00:03:49,040  
there is watching or listening

110  
00:03:53,030 --> 00:03:50,959  
and took part in the fan art contest

111  
00:03:54,869 --> 00:03:53,040  
thank you i was uh beyond

112  
00:03:56,789 --> 00:03:54,879  
overwhelmed by that but this isn't about

113  
00:03:59,110 --> 00:03:56,799

me jason let's talk

114

00:04:00,070 --> 00:03:59,120

about the breaking news from our very

115

00:04:04,229 --> 00:04:00,080

good friend jeremy

116

00:04:06,789 --> 00:04:04,239

corbell and that is the uh the omaha

117

00:04:07,270 --> 00:04:06,799

uh spherical ufo video that he dropped

118

00:04:09,030 --> 00:04:07,280

so

119

00:04:11,429 --> 00:04:09,040

before we even talk about it i'm gonna

120

00:04:11,750 --> 00:04:11,439

go ahead and play the video that jeremy

121

00:04:15,270 --> 00:04:11,760

and

122

00:04:18,229 --> 00:04:15,280

i believe uh even um

123

00:04:18,949 --> 00:04:18,239

george knapp also released today on the

124

00:04:23,430 --> 00:04:18,959

omaha

125

00:04:37,189 --> 00:04:23,440

so let's go ahead and play that while uh

126

00:04:37,199 --> 00:05:28,790

or not or not almost

127

00:05:36,390 --> 00:05:32,710

yeah we have a 31 knot sustained with

128

00:05:41,270 --> 00:05:36,400

top side august 40

129

00:05:46,629 --> 00:05:44,310

ah man that's pretty crazy i mean again

130

00:05:48,150 --> 00:05:46,639

jeremy's dropped some some stuff in the

131

00:05:49,029 --> 00:05:48,160

past couple weeks that's been very

132

00:05:51,830 --> 00:05:49,039

contentious

133

00:05:53,029 --> 00:05:51,840

uh the pyramid video first and foremost

134

00:05:55,590 --> 00:05:53,039

and now this

135

00:05:57,749 --> 00:05:55,600

and i i you know again whenever videos

136

00:05:58,629 --> 00:05:57,759

come out i know jason probably just like

137

00:06:00,710 --> 00:05:58,639

you i'm like

138

00:06:03,029 --> 00:06:00,720

all right here we go here comes the

139

00:06:05,110 --> 00:06:03,039

weeks of arguments and debates

140

00:06:07,510 --> 00:06:05,120

and uh everything in between so jeremy

141

00:06:09,350 --> 00:06:07,520

definitely knows what he's doing but um

142

00:06:11,110 --> 00:06:09,360

initial reactions what do you think of

143

00:06:13,830 --> 00:06:11,120

the video

144

00:06:14,870 --> 00:06:13,840

this is cool you know we have certainly

145

00:06:18,150 --> 00:06:14,880

been hyped up

146

00:06:21,189 --> 00:06:18,160

in uh just just the last year really um

147

00:06:23,510 --> 00:06:21,199

to this trans-medium vehicle

148

00:06:24,469 --> 00:06:23,520

uh you know discussion about vehicles

149

00:06:27,909 --> 00:06:24,479

being able to

150

00:06:29,909 --> 00:06:27,919

both fly in the sky and enter the water

151  
00:06:31,909 --> 00:06:29,919  
maneuver under water and even in some

152  
00:06:34,309 --> 00:06:31,919  
cases re-emerge from the water and

153  
00:06:36,870 --> 00:06:34,319  
go back to flying in the sky very cool

154  
00:06:39,270 --> 00:06:36,880  
stuff not the typical stuff we see

155  
00:06:41,189 --> 00:06:39,280  
with a lot of ufo videos so this is very

156  
00:06:44,070 --> 00:06:41,199  
cool you got to consider the

157  
00:06:44,790 --> 00:06:44,080  
the origin of the video from a military

158  
00:06:47,670 --> 00:06:44,800  
source

159  
00:06:48,950 --> 00:06:47,680  
and already thanks to just amazing

160  
00:06:50,629 --> 00:06:48,960  
researchers and this one i think the

161  
00:06:52,870 --> 00:06:50,639  
credit goes to micah hanks

162  
00:06:54,070 --> 00:06:52,880  
at the debrief already got confirmation

163  
00:06:56,390 --> 00:06:54,080

from susan goff

164

00:06:57,350 --> 00:06:56,400

that this is in fact an authentic video

165

00:07:00,390 --> 00:06:57,360

it was

166

00:07:01,830 --> 00:07:00,400

shot by navy personnel so that has been

167

00:07:04,469 --> 00:07:01,840

authenticated

168

00:07:06,150 --> 00:07:04,479

at least confirmed that it comes from a

169

00:07:08,550 --> 00:07:06,160

a navy source

170

00:07:11,270 --> 00:07:08,560

but beyond that of course they refuse to

171

00:07:15,189 --> 00:07:11,280

comment or say anything additional about

172

00:07:17,029 --> 00:07:15,199

um you know what the the uap task force

173

00:07:18,070 --> 00:07:17,039

is doing with this why it was included

174

00:07:20,710 --> 00:07:18,080

in a briefing

175

00:07:21,110 --> 00:07:20,720

whether it's considered an unknown still

176  
00:07:23,749 --> 00:07:21,120  
so

177  
00:07:25,830 --> 00:07:23,759  
lots of unanswered questions but in

178  
00:07:26,790 --> 00:07:25,840  
jeremy's release he provides lots of

179  
00:07:29,110 --> 00:07:26,800  
details

180  
00:07:30,950 --> 00:07:29,120  
and again we don't know you know those

181  
00:07:32,550 --> 00:07:30,960  
details we don't have official

182  
00:07:34,550 --> 00:07:32,560  
confirmation on those details

183  
00:07:35,909 --> 00:07:34,560  
but he does a good job of laying it out

184  
00:07:39,029 --> 00:07:35,919  
and both

185  
00:07:41,110 --> 00:07:39,039  
jeremy and george knapp on their

186  
00:07:43,189 --> 00:07:41,120  
individual websites they have the

187  
00:07:44,390 --> 00:07:43,199  
the sort of dialogue that we heard going

188  
00:07:45,749 --> 00:07:44,400

on there in the video

189

00:07:47,350 --> 00:07:45,759

if you weren't able to get what was

190

00:07:48,629 --> 00:07:47,360

being discussed so that you know add

191

00:07:50,790 --> 00:07:48,639

some context and some

192

00:07:51,749 --> 00:07:50,800

some intrigue to the video as well it's

193

00:07:54,469 --> 00:07:51,759

really cool to watch

194

00:07:55,909 --> 00:07:54,479

but you know as with all of these things

195

00:07:57,990 --> 00:07:55,919

we're kind of left with more questions

196

00:08:01,189 --> 00:07:58,000

than anything you know we can look at it

197

00:08:03,270 --> 00:08:01,199

as as viewers as an audience and go wow

198

00:08:05,990 --> 00:08:03,280

that that seems pretty remarkable

199

00:08:08,790 --> 00:08:06,000

at face value and you know that's how it

200

00:08:11,350 --> 00:08:08,800

works with most ufo photos and videos

201  
00:08:12,550 --> 00:08:11,360  
yeah exactly i mean we always have to

202  
00:08:14,469 --> 00:08:12,560  
remain cautious

203  
00:08:16,710 --> 00:08:14,479  
until we get more data and everything

204  
00:08:17,350 --> 00:08:16,720  
but um you know i will say you're right

205  
00:08:19,749 --> 00:08:17,360  
i think

206  
00:08:21,430 --> 00:08:19,759  
jeremy laid the context out for this one

207  
00:08:23,749 --> 00:08:21,440  
pretty well it wasn't just

208  
00:08:25,749 --> 00:08:23,759  
a blurry video that we knew nothing

209  
00:08:27,589 --> 00:08:25,759  
about when it happened where it happened

210  
00:08:30,150 --> 00:08:27,599  
i mean let's give a little background

211  
00:08:31,189 --> 00:08:30,160  
here um jeremy said that this footage

212  
00:08:33,670 --> 00:08:31,199  
was filmed

213  
00:08:37,829 --> 00:08:33,680

in the combat combat information center

214

00:08:40,870 --> 00:08:37,839

on the uss omaha on july 15 2019

215

00:08:41,350 --> 00:08:40,880

in a warning area off san diego so again

216

00:08:43,909 --> 00:08:41,360

we're

217

00:08:44,870 --> 00:08:43,919

moving back to the west coast where all

218

00:08:46,790 --> 00:08:44,880

these things

219

00:08:48,949 --> 00:08:46,800

seem to be happening uh the footage

220

00:08:49,990 --> 00:08:48,959

depicts uap event series that reached a

221

00:08:52,470 --> 00:08:50,000

crescendo

222

00:08:53,110 --> 00:08:52,480

with an unknown target entering the

223

00:08:55,350 --> 00:08:53,120

water

224

00:08:57,910 --> 00:08:55,360

like you mentioned again trans medium we

225

00:09:00,389 --> 00:08:57,920

have an object going into the ocean

226

00:09:02,150 --> 00:09:00,399

uh and these guys on the omaha pretty

227

00:09:05,509 --> 00:09:02,160

surprised that it did that

228

00:09:06,790 --> 00:09:05,519

um but like you mentioned uh we still

229

00:09:09,509 --> 00:09:06,800

don't know what it is

230

00:09:11,509 --> 00:09:09,519

one of the people on the omaha did one

231

00:09:13,750 --> 00:09:11,519

of the crew men did talk to jeremy

232

00:09:15,509 --> 00:09:13,760

and said in the end i'm 50 50 that it's

233

00:09:17,750 --> 00:09:15,519

man-made tech from somewhere

234

00:09:20,070 --> 00:09:17,760

either way it's world-changing because

235

00:09:22,230 --> 00:09:20,080

of the incredible energy capacity

236

00:09:24,230 --> 00:09:22,240

of the craft so again whether we're

237

00:09:25,350 --> 00:09:24,240

dealing with something extraterrestrial

238

00:09:28,550 --> 00:09:25,360

or from

239

00:09:29,509 --> 00:09:28,560

a uh rival nation the technology being

240

00:09:32,630 --> 00:09:29,519

displayed

241

00:09:34,870 --> 00:09:32,640

i think is again what always astounds me

242

00:09:36,070 --> 00:09:34,880

and continues to astound the people

243

00:09:38,389 --> 00:09:36,080

shooting these videos

244

00:09:39,430 --> 00:09:38,399

so yeah i'm really looking forward to

245

00:09:42,389 --> 00:09:39,440

where this story

246

00:09:43,910 --> 00:09:42,399

is going i know like we said with these

247

00:09:45,110 --> 00:09:43,920

videos we're going to see a lot of

248

00:09:48,070 --> 00:09:45,120

breakdowns in the

249

00:09:50,470 --> 00:09:48,080

next couple days we'll probably see

250

00:09:52,870 --> 00:09:50,480

mainstream media picking it up again

251  
00:09:53,670 --> 00:09:52,880  
um because that seems to be what's

252  
00:09:55,030 --> 00:09:53,680  
happening

253  
00:09:56,630 --> 00:09:55,040  
as of late we've got some other

254  
00:09:57,190 --> 00:09:56,640  
mainstream stories we're going to talk

255  
00:09:58,790 --> 00:09:57,200  
about

256  
00:10:00,389 --> 00:09:58,800  
in a little bit but yeah anything else

257  
00:10:02,949 --> 00:10:00,399  
you want to add to this omaha

258  
00:10:04,230 --> 00:10:02,959  
breaking story story by uh jeremy

259  
00:10:06,230 --> 00:10:04,240  
corbell

260  
00:10:07,350 --> 00:10:06,240  
yeah i mean again i think it's it's

261  
00:10:10,630 --> 00:10:07,360  
pretty exciting

262  
00:10:12,389 --> 00:10:10,640  
um exciting footage um

263  
00:10:14,389 --> 00:10:12,399

and it'll be interesting to see how it

264

00:10:16,150 --> 00:10:14,399

plays out but it is important for

265

00:10:18,550 --> 00:10:16,160

people to remember that we are working

266

00:10:20,790 --> 00:10:18,560

with extremely limited data here

267

00:10:21,990 --> 00:10:20,800

we don't know the context in which it

268

00:10:23,590 --> 00:10:22,000

was filmed

269

00:10:25,430 --> 00:10:23,600

we don't know if you know this was part

270

00:10:25,750 --> 00:10:25,440

of an exercise that the people filming

271

00:10:27,910 --> 00:10:25,760

it

272

00:10:29,430 --> 00:10:27,920

were well aware of what was going on you

273

00:10:32,550 --> 00:10:29,440

know but it just seems

274

00:10:35,030 --> 00:10:32,560

we and looks weird on the camera

275

00:10:36,949 --> 00:10:35,040

on the video as they're doing it and so

276

00:10:39,350 --> 00:10:36,959

i mean we really don't know we know that

277

00:10:40,790 --> 00:10:39,360

uh it was reportedly tracked on radar

278

00:10:43,509 --> 00:10:40,800

which is is helpful

279

00:10:44,710 --> 00:10:43,519

but again there's lots and lots and lots

280

00:10:47,269 --> 00:10:44,720

of just

281

00:10:48,710 --> 00:10:47,279

missing details that we don't have so

282

00:10:49,990 --> 00:10:48,720

we're left with a lot of assumptions

283

00:10:51,829 --> 00:10:50,000

that's all we can do

284

00:10:53,030 --> 00:10:51,839

and we can hope that we get more

285

00:10:56,069 --> 00:10:53,040

information but

286

00:10:57,910 --> 00:10:56,079

again if this is part of a military

287

00:10:59,670 --> 00:10:57,920

training exercise or even if it's not

288

00:11:01,829 --> 00:10:59,680

even if it is a true unknown

289

00:11:03,990 --> 00:11:01,839

i mean it raises a lot of questions too

290

00:11:06,710 --> 00:11:04,000

as to why this video

291

00:11:07,430 --> 00:11:06,720

is an unclassified video would the

292

00:11:09,910 --> 00:11:07,440

military

293

00:11:12,150 --> 00:11:09,920

really release a video and and have it

294

00:11:13,829 --> 00:11:12,160

be unclassified

295

00:11:15,590 --> 00:11:13,839

if it were a true unknown if the

296

00:11:16,150 --> 00:11:15,600

military did not know what it was if

297

00:11:18,150 --> 00:11:16,160

they thought

298

00:11:19,350 --> 00:11:18,160

it was a threat and obviously anything

299

00:11:23,509 --> 00:11:19,360

they don't know what it is

300

00:11:25,670 --> 00:11:23,519

it is viewed as a threat so why is this

301  
00:11:27,190 --> 00:11:25,680  
the leak leaking information is a

302  
00:11:30,310 --> 00:11:27,200  
completely separate issue

303  
00:11:31,190 --> 00:11:30,320  
but the fact that this not only is

304  
00:11:34,389 --> 00:11:31,200  
reportedly

305  
00:11:35,590 --> 00:11:34,399  
an unclassified video but also the

306  
00:11:38,949 --> 00:11:35,600  
second it drops

307  
00:11:40,949 --> 00:11:38,959  
the pentagon is happy to say yes

308  
00:11:43,670 --> 00:11:40,959  
we're happy to confirm that that came

309  
00:11:46,630 --> 00:11:43,680  
from official navy sources

310  
00:11:49,030 --> 00:11:46,640  
that is such a good point i mean yeah

311  
00:11:51,430 --> 00:11:49,040  
what is going on yeah we i mean we had

312  
00:11:52,150 --> 00:11:51,440  
the three original navy videos that

313  
00:11:54,310 --> 00:11:52,160

dropped

314

00:11:55,590 --> 00:11:54,320  
um that we know were given to

315

00:11:57,670 --> 00:11:55,600  
christopher mellon

316

00:11:58,949 --> 00:11:57,680  
released to the new york times and look

317

00:12:00,949 --> 00:11:58,959  
how long it took

318

00:12:02,790 --> 00:12:00,959  
for the pentagon to comment or

319

00:12:04,710 --> 00:12:02,800  
officially acknowledge the videos

320

00:12:05,910 --> 00:12:04,720  
but you're right now that the task force

321

00:12:08,389 --> 00:12:05,920  
is in motion

322

00:12:10,069 --> 00:12:08,399  
that the report is going to be due in

323

00:12:10,790 --> 00:12:10,079  
supposedly june we'll see if that

324

00:12:13,509 --> 00:12:10,800  
happens

325

00:12:14,870 --> 00:12:13,519  
um why are they so quick to be like yup

326

00:12:17,910 --> 00:12:14,880

that is yup yup yup

327

00:12:18,949 --> 00:12:17,920

i do wonder too why not only the videos

328

00:12:22,150 --> 00:12:18,959

are being released but

329

00:12:24,230 --> 00:12:22,160

why are they being leaked and to whom

330

00:12:26,870 --> 00:12:24,240

i think we we always have to keep in

331

00:12:27,269 --> 00:12:26,880

mind who's getting this stuff whether

332

00:12:31,190 --> 00:12:27,279

it's

333

00:12:34,230 --> 00:12:31,200

jeremy or the debrief or uh rogue planet

334

00:12:35,910 --> 00:12:34,240

or literally anyone why are they um why

335

00:12:37,670 --> 00:12:35,920

are they doing it the motive behind

336

00:12:39,990 --> 00:12:37,680

leaking these things who's doing it

337

00:12:41,030 --> 00:12:40,000

and we might not ever know those answers

338

00:12:43,910 --> 00:12:41,040

but uh yeah man

339

00:12:45,670 --> 00:12:43,920

i think it's it's good i'll take all the

340

00:12:47,750 --> 00:12:45,680

uap videos we can

341

00:12:49,829 --> 00:12:47,760

even if they're unclassified or even if

342

00:12:52,949 --> 00:12:49,839

they're um you know

343

00:12:54,790 --> 00:12:52,959

not even if they are explained um

344

00:12:55,670 --> 00:12:54,800

they're still cool to look at and to try

345

00:12:59,430 --> 00:12:55,680

to figure out

346

00:13:02,310 --> 00:12:59,440

so um yeah yeah well cool let's um

347

00:13:04,870 --> 00:13:02,320

i guess move on to our our next story

348

00:13:07,190 --> 00:13:04,880

and you did mention micah hanks over at

349

00:13:08,069 --> 00:13:07,200

the debrief this was a story that the

350

00:13:11,030 --> 00:13:08,079

debrief

351  
00:13:12,790 --> 00:13:11,040  
broke um maybe about a week ago or so

352  
00:13:16,389 --> 00:13:12,800  
with um tim mcmillan

353  
00:13:17,590 --> 00:13:16,399  
uh this was the um the ig evaluating the

354  
00:13:20,629 --> 00:13:17,600  
uap

355  
00:13:23,509 --> 00:13:20,639  
task force um yeah this is pretty

356  
00:13:25,430 --> 00:13:23,519  
interesting we're learning that uh the

357  
00:13:27,670 --> 00:13:25,440  
task force now has someone

358  
00:13:29,030 --> 00:13:27,680  
overseeing the work that they're doing

359  
00:13:31,030 --> 00:13:29,040  
they seem to not be too

360  
00:13:32,629 --> 00:13:31,040  
happy with how they're handling the

361  
00:13:34,629 --> 00:13:32,639  
whole issue over there

362  
00:13:37,110 --> 00:13:34,639  
so uh yeah looks like we're gonna get

363  
00:13:38,069 --> 00:13:37,120

the uh the general going in to kind of

364

00:13:39,590 --> 00:13:38,079

evaluate

365

00:13:41,590 --> 00:13:39,600

what's going on so what do you make of

366

00:13:44,629 --> 00:13:41,600

this whole story

367

00:13:47,110 --> 00:13:44,639

well it's interesting and again we're

368

00:13:50,310 --> 00:13:47,120

just left with assumption we don't know

369

00:13:53,430 --> 00:13:50,320

what prompted this uh

370

00:13:56,150 --> 00:13:53,440

involvement of the inspector general um

371

00:14:01,269 --> 00:13:56,160

we also know that i think the report or

372

00:14:04,230 --> 00:14:02,790

not take that long so they may have

373

00:14:05,189 --> 00:14:04,240

already concluded what they needed to

374

00:14:08,949 --> 00:14:05,199

conclude but

375

00:14:11,910 --> 00:14:08,959

but regardless we have only

376

00:14:12,949 --> 00:14:11,920

a few options here as to why the ig

377

00:14:15,110 --> 00:14:12,959

would get involved

378

00:14:17,189 --> 00:14:15,120

and you look at the purpose of the ig

379

00:14:18,949 --> 00:14:17,199

what they do the department of defense

380

00:14:21,110 --> 00:14:18,959

office of inspector general

381

00:14:22,710 --> 00:14:21,120

they their mission they have three

382

00:14:24,710 --> 00:14:22,720

bullet points of their mission

383

00:14:25,990 --> 00:14:24,720

the first is to detect and deter fraud

384

00:14:28,470 --> 00:14:26,000

waste and abuse in the department of

385

00:14:30,710 --> 00:14:28,480

defense programs in operation

386

00:14:33,350 --> 00:14:30,720

if that's why they're involved with

387

00:14:35,990 --> 00:14:33,360

what's going on with this report request

388

00:14:36,790 --> 00:14:36,000

that's not really a good sign you know

389

00:14:39,110 --> 00:14:36,800

that would

390

00:14:40,069 --> 00:14:39,120

indicate that somebody views this as a

391

00:14:43,189 --> 00:14:40,079

waste of time

392

00:14:45,110 --> 00:14:43,199

a waste of money um and not not worth

393

00:14:47,189 --> 00:14:45,120

a worthwhile effort that wouldn't be

394

00:14:49,110 --> 00:14:47,199

good um the second

395

00:14:51,030 --> 00:14:49,120

part of their mission is to promote the

396

00:14:54,150 --> 00:14:51,040

economy efficiency

397

00:14:56,550 --> 00:14:54,160

and effectiveness of the dod that's

398

00:14:58,150 --> 00:14:56,560

likely what's going on here

399

00:14:59,590 --> 00:14:58,160

because somebody may have raised a

400

00:15:02,790 --> 00:14:59,600

concern that

401  
00:15:05,030 --> 00:15:02,800  
the this process wasn't going as as

402  
00:15:09,269 --> 00:15:05,040  
speedy as they would like it to

403  
00:15:12,550 --> 00:15:09,279  
or that understandably there are actors

404  
00:15:16,550 --> 00:15:12,560  
in this process who aren't cooperating

405  
00:15:19,350 --> 00:15:16,560  
and that right there is what prompted

406  
00:15:23,189 --> 00:15:19,360  
the report request to start with

407  
00:15:26,710 --> 00:15:23,199  
we have this already strange issue of

408  
00:15:27,670 --> 00:15:26,720  
of ufos but you have a government and

409  
00:15:29,670 --> 00:15:27,680  
military

410  
00:15:31,269 --> 00:15:29,680  
that doesn't like to talk to each other

411  
00:15:33,350 --> 00:15:31,279  
you've got these different agencies and

412  
00:15:35,030 --> 00:15:33,360  
different branches of the military

413  
00:15:36,470 --> 00:15:35,040

that are sort of in competition even

414

00:15:38,389 --> 00:15:36,480

though they're on the same side

415

00:15:40,870 --> 00:15:38,399

they're doing their own thing and not

416

00:15:43,350 --> 00:15:40,880

necessarily wanting to share

417

00:15:44,470 --> 00:15:43,360

all the data with the other branches and

418

00:15:46,870 --> 00:15:44,480

agencies

419

00:15:47,509 --> 00:15:46,880

and so this report request was primarily

420

00:15:50,949 --> 00:15:47,519

made

421

00:15:52,949 --> 00:15:50,959

to try to facilitate some information

422

00:15:55,269 --> 00:15:52,959

sharing and come up with a plan

423

00:15:56,470 --> 00:15:55,279

for these agencies and departments to

424

00:15:58,870 --> 00:15:56,480

share information

425

00:16:00,629 --> 00:15:58,880

so they get a better picture of what's

426

00:16:02,550 --> 00:16:00,639

going on in the world of ufos

427

00:16:05,030 --> 00:16:02,560

and what these other branches are

428

00:16:06,629 --> 00:16:05,040

experiencing and how they're handling it

429

00:16:08,470 --> 00:16:06,639

all of that so it's a big communication

430

00:16:11,749 --> 00:16:08,480

problem from the outset

431

00:16:12,150 --> 00:16:11,759

so it makes sense that the ig would come

432

00:16:18,710 --> 00:16:12,160

in

433

00:16:19,430 --> 00:16:18,720

facilitate some uh you know

434

00:16:21,430 --> 00:16:19,440

communication

435

00:16:23,189 --> 00:16:21,440

and get that information sharing to

436

00:16:24,150 --> 00:16:23,199

happen i think that's probably what's

437

00:16:25,749 --> 00:16:24,160

happening here

438

00:16:27,590 --> 00:16:25,759

but we don't know the third part of

439

00:16:28,310 --> 00:16:27,600

their mission is to help ensure ethical

440

00:16:31,430 --> 00:16:28,320

conduct

441

00:16:34,230 --> 00:16:31,440

throughout the dod again

442

00:16:36,710 --> 00:16:34,240

we could see many problems here and as

443

00:16:40,150 --> 00:16:36,720

we just talked about this

444

00:16:43,749 --> 00:16:40,160

seemingly rampant leaking of information

445

00:16:46,069 --> 00:16:43,759

from the uap task force what is going on

446

00:16:47,829 --> 00:16:46,079

like and they're only one of the actors

447

00:16:49,430 --> 00:16:47,839

in this report request they're not the

448

00:16:51,590 --> 00:16:49,440

ones putting the report together

449

00:16:53,269 --> 00:16:51,600

they're one of the people one of the

450

00:16:55,189 --> 00:16:53,279

groups that was asked to assemble

451  
00:16:57,350 --> 00:16:55,199  
information for this report

452  
00:16:58,389 --> 00:16:57,360  
so the fact that already in briefings

453  
00:17:00,470 --> 00:16:58,399  
they're giving

454  
00:17:01,670 --> 00:17:00,480  
their information their videos their

455  
00:17:04,710 --> 00:17:01,680  
photos are leaking

456  
00:17:06,390 --> 00:17:04,720  
out to everybody it

457  
00:17:08,309 --> 00:17:06,400  
certainly would raise questions i would

458  
00:17:11,669 --> 00:17:08,319  
think in in the government

459  
00:17:15,669 --> 00:17:11,679  
and so ig possibly stepping in to

460  
00:17:18,710 --> 00:17:15,679  
ensure ethical conduct that that's a

461  
00:17:20,630 --> 00:17:18,720  
real possibility as well i think right

462  
00:17:22,949 --> 00:17:20,640  
right ethical conduct meaning

463  
00:17:24,470 --> 00:17:22,959

probably whoever's leaking all this

464

00:17:27,270 --> 00:17:24,480

stuff as well

465

00:17:28,789 --> 00:17:27,280

you really do have to wonder right yeah

466

00:17:30,950 --> 00:17:28,799

and they just rolled this thing out they

467

00:17:33,190 --> 00:17:30,960

just started this process and already

468

00:17:33,990 --> 00:17:33,200

it's just falling apart you know they've

469

00:17:36,950 --> 00:17:34,000

got no

470

00:17:38,710 --> 00:17:36,960

no integrity with the whole process it's

471

00:17:40,789 --> 00:17:38,720

it's just red flags all over the place

472

00:17:43,510 --> 00:17:40,799

and and can't be good for the longevity

473

00:17:45,510 --> 00:17:43,520

of any sort of ufo project

474

00:17:47,350 --> 00:17:45,520

right well let me ask you that i mean

475

00:17:49,430 --> 00:17:47,360

project blue book ran for

476

00:17:51,830 --> 00:17:49,440

you know how many years do you think

477

00:17:55,669 --> 00:17:51,840

something like this uip task force

478

00:17:57,590 --> 00:17:55,679

is going to um become a consistent thing

479

00:17:59,750 --> 00:17:57,600

i mean right now it's looking like

480

00:18:01,270 --> 00:17:59,760

it's uh working out a lot of kinks and

481

00:18:02,549 --> 00:18:01,280

they have no idea what the hell they're

482

00:18:04,950 --> 00:18:02,559

really doing but

483

00:18:06,630 --> 00:18:04,960

um you know i talked to christopher

484

00:18:10,630 --> 00:18:06,640

mellon i think yesterday

485

00:18:13,510 --> 00:18:10,640

about this uh will there be a consistent

486

00:18:14,950 --> 00:18:13,520

you know sort of branch or office set up

487

00:18:17,590 --> 00:18:14,960

not just a task force

488

00:18:18,070 --> 00:18:17,600

you know we know task forces as we go

489

00:18:20,150 --> 00:18:18,080

after

490

00:18:21,830 --> 00:18:20,160

something we solve it we move on task

491

00:18:23,830 --> 00:18:21,840

force sort of dissipates

492

00:18:26,150 --> 00:18:23,840

but will this become an official program

493

00:18:28,630 --> 00:18:26,160

like atip again what do you think

494

00:18:30,150 --> 00:18:28,640

right yeah that's that's a good question

495

00:18:33,510 --> 00:18:30,160

and and you're right task force

496

00:18:36,150 --> 00:18:33,520

are are specific to a task they are

497

00:18:37,669 --> 00:18:36,160

temporary and uh you know often very

498

00:18:40,630 --> 00:18:37,679

short-lived they're they're just these

499

00:18:42,150 --> 00:18:40,640

these brief things that come on to to do

500

00:18:44,470 --> 00:18:42,160

a purpose and they're done

501  
00:18:46,549 --> 00:18:44,480  
in this case it seems to be to help get

502  
00:18:50,070 --> 00:18:46,559  
information for this report

503  
00:18:52,710 --> 00:18:50,080  
um as far as a permanent

504  
00:18:54,830 --> 00:18:52,720  
group specifically looking at the ufo

505  
00:18:58,070 --> 00:18:54,840  
issue and actually doing

506  
00:18:58,470 --> 00:18:58,080  
investigation i think it's looking more

507  
00:19:00,310 --> 00:18:58,480  
and more

508  
00:19:03,190 --> 00:19:00,320  
like something like that will probably

509  
00:19:03,590 --> 00:19:03,200  
happen however i don't see it running as

510  
00:19:05,750 --> 00:19:03,600  
long

511  
00:19:08,710 --> 00:19:05,760  
as something like project blue book

512  
00:19:10,390 --> 00:19:08,720  
because here's the other confusing thing

513  
00:19:12,870 --> 00:19:10,400

the military and the government have

514

00:19:14,789 --> 00:19:12,880

been down this road so many times before

515

00:19:16,230 --> 00:19:14,799

and they've reached con conclusions so

516

00:19:19,909 --> 00:19:16,240

many times before

517

00:19:22,630 --> 00:19:19,919

so why would they then do the same thing

518

00:19:24,230 --> 00:19:22,640

again and again and again and likely

519

00:19:25,750 --> 00:19:24,240

reach the same conclusion

520

00:19:27,190 --> 00:19:25,760

it seems like a waste of time and a

521

00:19:28,470 --> 00:19:27,200

waste of money and maybe that's why the

522

00:19:31,110 --> 00:19:28,480

ig is getting involved

523

00:19:32,630 --> 00:19:31,120

but it's already gone down this road and

524

00:19:35,830 --> 00:19:32,640

like you said

525

00:19:37,830 --> 00:19:35,840

researched it for decades and

526  
00:19:39,350 --> 00:19:37,840  
reached an ultimate conclusion of number

527  
00:19:40,070 --> 00:19:39,360  
one they don't pose a threat but number

528  
00:19:41,510 --> 00:19:40,080  
two

529  
00:19:43,830 --> 00:19:41,520  
we're not really going to gain anything

530  
00:19:46,950 --> 00:19:43,840  
new by continuing to

531  
00:19:48,950 --> 00:19:46,960  
spend the time and energy into

532  
00:19:50,710 --> 00:19:48,960  
looking at this there's no more we can

533  
00:19:52,470 --> 00:19:50,720  
do let's move on

534  
00:19:53,909 --> 00:19:52,480  
and that's what they've done that's what

535  
00:19:57,350 --> 00:19:53,919  
the uk did

536  
00:19:59,270 --> 00:19:57,360  
it in honestly and you know this as ufo

537  
00:19:59,990 --> 00:19:59,280  
researchers we we live and breathe this

538  
00:20:03,350 --> 00:20:00,000

stuff

539

00:20:07,110 --> 00:20:03,360

but that's the hard reality of ufos

540

00:20:09,350 --> 00:20:07,120

it's an unsolvable mystery because ufos

541

00:20:11,590 --> 00:20:09,360

aren't one singular thing we group them

542

00:20:13,750 --> 00:20:11,600

into the ufo phenomenon

543

00:20:15,510 --> 00:20:13,760

just because that's you know they're

544

00:20:16,149 --> 00:20:15,520

related in that sense and that they're

545

00:20:18,310 --> 00:20:16,159

they're

546

00:20:20,070 --> 00:20:18,320

mysterious things in the sky and the

547

00:20:23,430 --> 00:20:20,080

water and other places too

548

00:20:26,230 --> 00:20:23,440

but it's a very broad

549

00:20:27,350 --> 00:20:26,240

you know sort of collection of various

550

00:20:29,909 --> 00:20:27,360

things that are happening

551  
00:20:31,350 --> 00:20:29,919  
most of which are completely unrelated

552  
00:20:34,470 --> 00:20:31,360  
every ufo sighting is

553  
00:20:35,990 --> 00:20:34,480  
different every ufo is different

554  
00:20:38,070 --> 00:20:36,000  
they share some similarities and some

555  
00:20:40,070 --> 00:20:38,080  
might be related but

556  
00:20:42,470 --> 00:20:40,080  
they're all separate incidents so just

557  
00:20:45,830 --> 00:20:42,480  
because you solve one or identify one

558  
00:20:48,549 --> 00:20:45,840  
that doesn't mean that all ufos are that

559  
00:20:50,390 --> 00:20:48,559  
you know it and it's not even giving you

560  
00:20:53,990 --> 00:20:50,400  
a small piece of a puzzle

561  
00:20:56,070 --> 00:20:54,000  
it's just i don't know it's such a grand

562  
00:20:57,350 --> 00:20:56,080  
thing that has so many different

563  
00:21:00,950 --> 00:20:57,360

elements to it

564

00:21:02,149 --> 00:21:00,960

that studying one ufo is not going to

565

00:21:05,510 --> 00:21:02,159

give you the answers

566

00:21:07,430 --> 00:21:05,520

to the phenomenon you know so

567

00:21:08,870 --> 00:21:07,440

i i think it's a winless battle i really

568

00:21:11,590 --> 00:21:08,880

do um

569

00:21:12,549 --> 00:21:11,600

but that being said i never think we

570

00:21:14,390 --> 00:21:12,559

should stop

571

00:21:16,630 --> 00:21:14,400

looking into it it is a mystery and it

572

00:21:18,390 --> 00:21:16,640

deserves to be studied and i

573

00:21:20,070 --> 00:21:18,400

firmly believe that the scientific

574

00:21:21,430 --> 00:21:20,080

community should be the ones looking

575

00:21:22,789 --> 00:21:21,440

into this because the governments

576

00:21:24,470 --> 00:21:22,799

in the military have done what they're

577

00:21:25,669 --> 00:21:24,480

doing and they're looking at it from a

578

00:21:28,710 --> 00:21:25,679

military

579

00:21:31,350 --> 00:21:28,720

threat perspective but this goes

580

00:21:32,950 --> 00:21:31,360

way beyond you know their their

581

00:21:33,590 --> 00:21:32,960

viewpoint what they're used to looking

582

00:21:35,750 --> 00:21:33,600

at

583

00:21:37,830 --> 00:21:35,760

and we need the scientific community the

584

00:21:39,110 --> 00:21:37,840

mainstream scientific community taking

585

00:21:41,990 --> 00:21:39,120

this seriously

586

00:21:43,590 --> 00:21:42,000

and doing an ongoing evaluation of it

587

00:21:46,390 --> 00:21:43,600

because it's something that's always

588

00:21:47,830 --> 00:21:46,400

changing and always different it's a

589

00:21:48,870 --> 00:21:47,840

frustrating thing again they're not

590

00:21:50,789 --> 00:21:48,880

going to find answers

591

00:21:52,310 --> 00:21:50,799

but they might be able to solve some

592

00:21:53,350 --> 00:21:52,320

things they might be able to be able to

593

00:21:55,669 --> 00:21:53,360

provide insight

594

00:21:57,430 --> 00:21:55,679

into some things and as you know ryan

595

00:21:58,549 --> 00:21:57,440

i'm a proponent of doing all the things

596

00:22:01,350 --> 00:21:58,559

all the time

597

00:22:02,549 --> 00:22:01,360

so i don't i certainly don't think that

598

00:22:05,669 --> 00:22:02,559

the government should stop

599

00:22:07,909 --> 00:22:05,679

you know i do think that there is a

600

00:22:08,870 --> 00:22:07,919

potential threat there when you don't

601  
00:22:10,870 --> 00:22:08,880  
know what something

602  
00:22:12,630 --> 00:22:10,880  
in your airspace is that's obviously a

603  
00:22:14,630 --> 00:22:12,640  
potential threat it doesn't mean that

604  
00:22:16,310 --> 00:22:14,640  
whatever is in the sky being seen

605  
00:22:17,830 --> 00:22:16,320  
is hostile it means that it's a

606  
00:22:19,270 --> 00:22:17,840  
potential threat because you have no

607  
00:22:21,110 --> 00:22:19,280  
idea what it is

608  
00:22:23,350 --> 00:22:21,120  
so obviously the military needs to look

609  
00:22:25,669 --> 00:22:23,360  
into that and one could argue

610  
00:22:27,590 --> 00:22:25,679  
they do i mean that's what the military

611  
00:22:28,470 --> 00:22:27,600  
does that's what the air force is

612  
00:22:30,310 --> 00:22:28,480  
charged with

613  
00:22:31,830 --> 00:22:30,320

and perhaps why the air force who's

614

00:22:32,950 --> 00:22:31,840

already gone down this road so many

615

00:22:35,669 --> 00:22:32,960

times before

616

00:22:36,149 --> 00:22:35,679

has been very silent in letting the navy

617

00:22:38,630 --> 00:22:36,159

you know

618

00:22:40,710 --> 00:22:38,640

yap all at once because the air force

619

00:22:43,750 --> 00:22:40,720

this is what they do this is their

620

00:22:44,470 --> 00:22:43,760

day-to-day job they are charged with our

621

00:22:48,310 --> 00:22:44,480

airspace

622

00:22:50,630 --> 00:22:48,320

so

623

00:22:52,390 --> 00:22:50,640

you know that's what the military is and

624

00:22:55,029 --> 00:22:52,400

that's what the military does

625

00:22:55,750 --> 00:22:55,039

so separating it out into something

626  
00:22:58,310 --> 00:22:55,760  
different

627  
00:22:59,909 --> 00:22:58,320  
seems kind of silly but at the same time

628  
00:23:00,710 --> 00:22:59,919  
with the limited information we're

629  
00:23:03,110 --> 00:23:00,720  
getting

630  
00:23:04,630 --> 00:23:03,120  
it seems like it might be necessary so

631  
00:23:06,549 --> 00:23:04,640  
who knows i mean we're again

632  
00:23:08,710 --> 00:23:06,559  
with all things ufo and certainly with

633  
00:23:11,909 --> 00:23:08,720  
the government and understandably so

634  
00:23:14,870 --> 00:23:11,919  
we're only getting very small bits of

635  
00:23:15,270 --> 00:23:14,880  
information and we're not uh privy to

636  
00:23:19,110 --> 00:23:15,280  
what

637  
00:23:20,149 --> 00:23:19,120  
doing right yeah we aren't getting the

638  
00:23:22,390 --> 00:23:20,159

full picture and

639

00:23:23,190 --> 00:23:22,400

they seem to love to do these things in

640

00:23:27,029 --> 00:23:23,200

little

641

00:23:29,510 --> 00:23:27,039

good point of the

642

00:23:30,390 --> 00:23:29,520

scientific community uh we had a really

643

00:23:33,830 --> 00:23:30,400

good story

644

00:23:36,710 --> 00:23:33,840

um that we we did over at uh

645

00:23:39,110 --> 00:23:36,720

medium actually with on the trail of

646

00:23:41,350 --> 00:23:39,120

ufos with bryce sable

647

00:23:43,029 --> 00:23:41,360

where i spoke to robert powell at the

648

00:23:46,310 --> 00:23:43,039

scientific coalition for

649

00:23:49,350 --> 00:23:46,320

uap studies and they were able to get 55

650

00:23:52,070 --> 00:23:49,360

members of the scu to go

651  
00:23:53,669 --> 00:23:52,080  
on the record sign a petition to the

652  
00:23:57,029 --> 00:23:53,679  
senate intelligence committee

653  
00:23:59,190 --> 00:23:57,039  
and you know seemingly the pentagon uh

654  
00:24:01,590 --> 00:23:59,200  
to work with them you have these

655  
00:24:04,549 --> 00:24:01,600  
brilliant minds from all over the world

656  
00:24:05,350 --> 00:24:04,559  
interested in the uap topic ready to do

657  
00:24:06,710 --> 00:24:05,360  
science

658  
00:24:09,110 --> 00:24:06,720  
ready to show them what they've

659  
00:24:11,990 --> 00:24:09,120  
discovered about you know the tic tac

660  
00:24:12,950 --> 00:24:12,000  
video or uh the aguadia puerto rico

661  
00:24:15,590 --> 00:24:12,960  
airport

662  
00:24:16,149 --> 00:24:15,600  
case and uh bring it to them to be like

663  
00:24:17,669 --> 00:24:16,159

hey

664

00:24:19,029 --> 00:24:17,679

you know if you're looking at this and

665

00:24:20,470 --> 00:24:19,039

it's a potential threat and you want to

666

00:24:22,710 --> 00:24:20,480

understand the technology

667

00:24:24,950 --> 00:24:22,720

here's some physicists here's some

668

00:24:27,430 --> 00:24:24,960

people that do this kind of science

669

00:24:28,789 --> 00:24:27,440

like let's work with them so um i

670

00:24:29,269 --> 00:24:28,799

thought that was pretty cool to see that

671

00:24:32,310 --> 00:24:29,279

they

672

00:24:33,750 --> 00:24:32,320

lot of the

673

00:24:35,669 --> 00:24:33,760

academics and scientists in the

674

00:24:37,190 --> 00:24:35,679

coalition were willing to put their

675

00:24:38,710 --> 00:24:37,200

names out there and be like

676  
00:24:40,789 --> 00:24:38,720  
there's something to this we got to look

677  
00:24:43,750 --> 00:24:40,799  
into this so yeah let's hope

678  
00:24:45,029 --> 00:24:43,760  
it's so so valuable and from a

679  
00:24:47,750 --> 00:24:45,039  
government standpoint from

680  
00:24:49,029 --> 00:24:47,760  
from government studies military studies

681  
00:24:50,950 --> 00:24:49,039  
that is sorely needed

682  
00:24:53,510 --> 00:24:50,960  
because people need to remember that

683  
00:24:56,310 --> 00:24:53,520  
people in the uap task force people

684  
00:24:57,830 --> 00:24:56,320  
you know assigned to various posts

685  
00:25:00,870 --> 00:24:57,840  
within the military to

686  
00:25:03,029 --> 00:25:00,880  
look at ufos are very

687  
00:25:04,230 --> 00:25:03,039  
unlikely to be people who are familiar

688  
00:25:06,870 --> 00:25:04,240

with ufos

689

00:25:08,390 --> 00:25:06,880

with ufo history with really anything

690

00:25:11,830 --> 00:25:08,400

related to ufos

691

00:25:13,669 --> 00:25:11,840

so it's very valuable to have the input

692

00:25:15,110 --> 00:25:13,679

from from people on the outside people

693

00:25:18,390 --> 00:25:15,120

have looked into this before

694

00:25:20,710 --> 00:25:18,400

including from a uh you know

695

00:25:21,669 --> 00:25:20,720

an explanation or even a debunking

696

00:25:23,669 --> 00:25:21,679

standpoint

697

00:25:25,430 --> 00:25:23,679

because we in the ufo community are

698

00:25:28,549 --> 00:25:25,440

hyper focused on this stuff

699

00:25:29,669 --> 00:25:28,559

and we for lack of a better or not lack

700

00:25:32,630 --> 00:25:29,679

of a better this is

701  
00:25:33,269 --> 00:25:32,640  
the best expression um bursting the

702  
00:25:36,390 --> 00:25:33,279  
bubble

703  
00:25:38,789 --> 00:25:36,400  
or bursting a balloon because that is

704  
00:25:40,870 --> 00:25:38,799  
what we've been able to do by analyzing

705  
00:25:42,630 --> 00:25:40,880  
and being so hyper focused on so many

706  
00:25:45,750 --> 00:25:42,640  
videos and photos over the years

707  
00:25:47,430 --> 00:25:45,760  
that if we see not that we're we're

708  
00:25:48,390 --> 00:25:47,440  
experts by any means nobody's an expert

709  
00:25:51,190 --> 00:25:48,400  
in ufos

710  
00:25:54,470 --> 00:25:51,200  
but we've seen videos of balloons before

711  
00:25:56,549 --> 00:25:54,480  
doing crazy things we've seen videos of

712  
00:25:59,430 --> 00:25:56,559  
chinese lanterns doing strange things in

713  
00:26:02,310 --> 00:25:59,440

the sky we've seen videos of

714

00:26:04,149 --> 00:26:02,320

blimps you know for certain perspectives

715

00:26:06,630 --> 00:26:04,159

that look very bizarre in the night sky

716

00:26:08,390 --> 00:26:06,640

and look like they're doing some alien

717

00:26:09,990 --> 00:26:08,400

otherworldly maneuvers

718

00:26:11,990 --> 00:26:10,000

i mean this is stuff that we've seen

719

00:26:14,149 --> 00:26:12,000

before and been disappointed because

720

00:26:15,750 --> 00:26:14,159

we've found terrestrial explanations for

721

00:26:18,870 --> 00:26:15,760

things conventional explanations

722

00:26:21,909 --> 00:26:18,880

but that is really ninety percent of

723

00:26:23,350 --> 00:26:21,919

a ufo researcher's job i think so that's

724

00:26:25,830 --> 00:26:23,360

just responsible

725

00:26:27,269 --> 00:26:25,840

investigation right there and that is

726

00:26:28,149 --> 00:26:27,279

what i think the government needs right

727

00:26:29,830 --> 00:26:28,159

now because

728

00:26:31,269 --> 00:26:29,840

again these are just people they're not

729

00:26:32,470 --> 00:26:31,279

trained in this stuff they're just

730

00:26:36,470 --> 00:26:32,480

normal people

731

00:26:37,909 --> 00:26:36,480

and when you see something that is

732

00:26:39,669 --> 00:26:37,919

unusual to you something you haven't

733

00:26:41,269 --> 00:26:39,679

seen before and uh

734

00:26:42,789 --> 00:26:41,279

you know something in an environment or

735

00:26:44,230 --> 00:26:42,799

a situation that

736

00:26:46,310 --> 00:26:44,240

you haven't seen before it's gonna look

737

00:26:49,590 --> 00:26:46,320

alien it's gonna look very foreign

738

00:26:50,950 --> 00:26:49,600

so you know and that still happens to us

739

00:26:53,510 --> 00:26:50,960

all the time because we are always

740

00:26:56,070 --> 00:26:53,520

exposed to to new experiences

741

00:26:58,310 --> 00:26:56,080

that is just part of being human i mean

742

00:26:59,110 --> 00:26:58,320

i'm i'm an extraterrestrial myself so i

743

00:27:01,830 --> 00:26:59,120

can't speak

744

00:27:02,710 --> 00:27:01,840

all that much but i mean you know what

745

00:27:04,870 --> 00:27:02,720

i'm saying i mean

746

00:27:06,070 --> 00:27:04,880

it's just something that comes with with

747

00:27:08,230 --> 00:27:06,080

years of being exposed

748

00:27:10,470 --> 00:27:08,240

to this and being hyper focused on it

749

00:27:11,669 --> 00:27:10,480

that not other people really have the

750

00:27:13,750 --> 00:27:11,679

the benefit of having in their

751  
00:27:16,310 --> 00:27:13,760  
wheelhouse yeah

752  
00:27:17,110 --> 00:27:16,320  
i think the more i get into the ufo

753  
00:27:20,149 --> 00:27:17,120  
topic

754  
00:27:23,909 --> 00:27:20,159  
and the more i start to um

755  
00:27:24,789 --> 00:27:23,919  
i guess get more scientifically based

756  
00:27:27,029 --> 00:27:24,799  
with it you know i

757  
00:27:28,950 --> 00:27:27,039  
am a guy who comes from a world of

758  
00:27:29,830 --> 00:27:28,960  
telling stories so i love witness

759  
00:27:31,590 --> 00:27:29,840  
testimony

760  
00:27:33,350 --> 00:27:31,600  
i love telling ufo stories i love

761  
00:27:35,990 --> 00:27:33,360  
hearing ufo stories

762  
00:27:37,430 --> 00:27:36,000  
but i think i'm kind of entering a new

763  
00:27:39,269 --> 00:27:37,440

age of my own

764

00:27:41,510 --> 00:27:39,279

i wouldn't even call it investigation

765

00:27:44,470 --> 00:27:41,520

because i'm not really an investigator

766

00:27:45,430 --> 00:27:44,480

um but my research is i'm excited to

767

00:27:48,070 --> 00:27:45,440

find prosaic

768

00:27:49,110 --> 00:27:48,080

explanations for a lot of these things

769

00:27:52,149 --> 00:27:49,120

because i think that's

770

00:27:54,389 --> 00:27:52,159

awesome that that technology does exist

771

00:27:56,389 --> 00:27:54,399

on this planet now if it's in the hands

772

00:27:58,230 --> 00:27:56,399

of an adversary who wants to use it

773

00:28:00,230 --> 00:27:58,240

against the united states that's another

774

00:28:01,909 --> 00:28:00,240

problem but we're not seeing that we're

775

00:28:05,190 --> 00:28:01,919

not seeing these technology

776  
00:28:06,710 --> 00:28:05,200  
displayed in a very malevolent nature

777  
00:28:08,870 --> 00:28:06,720  
they might be like you said that

778  
00:28:10,630 --> 00:28:08,880  
potential threat will always be there

779  
00:28:12,230 --> 00:28:10,640  
because we don't know what it is and the

780  
00:28:13,110 --> 00:28:12,240  
potential threat can come in how we

781  
00:28:16,710 --> 00:28:13,120  
react

782  
00:28:17,990 --> 00:28:16,720  
to it as well um but yeah i think it's

783  
00:28:21,590 --> 00:28:18,000  
awesome when we can

784  
00:28:22,950 --> 00:28:21,600  
have scientists uh or photographic or

785  
00:28:25,750 --> 00:28:22,960  
video analysts

786  
00:28:26,789 --> 00:28:25,760  
explain what we're looking at and not

787  
00:28:29,269 --> 00:28:26,799  
debunk but

788  
00:28:30,149 --> 00:28:29,279

you know just analyze it and say hey i

789

00:28:32,710 --> 00:28:30,159

don't think we're

790

00:28:33,750 --> 00:28:32,720

dealing with you know a craft from zeta

791

00:28:35,830 --> 00:28:33,760

reticuli

792

00:28:38,470 --> 00:28:35,840

this is what it could be i think that's

793

00:28:40,630 --> 00:28:38,480

cool and i think um the ufo community

794

00:28:42,470 --> 00:28:40,640

has to be more open to that and not

795

00:28:45,590 --> 00:28:42,480

immediately dismiss

796

00:28:47,430 --> 00:28:45,600

the uh the skeptics out there um

797

00:28:48,950 --> 00:28:47,440

coming up with explanations for this

798

00:28:52,230 --> 00:28:48,960

we're gonna see a ton

799

00:28:54,789 --> 00:28:52,240

of um presumed or uh

800

00:28:55,909 --> 00:28:54,799

uh theories on what jeremy corbell

801  
00:28:57,669 --> 00:28:55,919  
released today

802  
00:28:59,830 --> 00:28:57,679  
coming out in the next couple days we

803  
00:29:01,350 --> 00:28:59,840  
know that that's how these things work

804  
00:29:03,350 --> 00:29:01,360  
and we're going to see people arguing in

805  
00:29:04,630 --> 00:29:03,360  
the first 30 minutes we already saw 30

806  
00:29:06,789 --> 00:29:04,640  
minutes dude

807  
00:29:07,830 --> 00:29:06,799  
even in the chat here nick west already

808  
00:29:10,389 --> 00:29:07,840  
yeah balloon so

809  
00:29:11,269 --> 00:29:10,399  
i mean it happens and look that stuff is

810  
00:29:13,909 --> 00:29:11,279  
very valuable

811  
00:29:15,590 --> 00:29:13,919  
and it's it's extremely valuable and

812  
00:29:17,830 --> 00:29:15,600  
important for the ufo community

813  
00:29:20,230 --> 00:29:17,840

to accept that as an important part of

814

00:29:23,190 --> 00:29:20,240

ufo research because it really is

815

00:29:25,350 --> 00:29:23,200

and it only does a disservice to the

816

00:29:28,630 --> 00:29:25,360

credibility of ufo research

817

00:29:30,470 --> 00:29:28,640

to come out you know with your your bull

818

00:29:32,230 --> 00:29:30,480

horn and announcing everything is

819

00:29:34,549 --> 00:29:32,240

is extraterrestrial spacecraft or the

820

00:29:36,310 --> 00:29:34,559

most most amazing ufo video

821

00:29:38,630 --> 00:29:36,320

ever seen and everybody needs to see

822

00:29:41,269 --> 00:29:38,640

this and this is world changing

823

00:29:41,830 --> 00:29:41,279

because you know what things really

824

00:29:43,830 --> 00:29:41,840

aren't

825

00:29:45,350 --> 00:29:43,840

like that i mean they are to us in the

826

00:29:46,789 --> 00:29:45,360

ufo community but

827

00:29:48,710 --> 00:29:46,799

the world's going to watch stuff like

828

00:29:50,549 --> 00:29:48,720

that it'll

829

00:29:52,310 --> 00:29:50,559

you know make its rounds on twitter and

830

00:29:55,190 --> 00:29:52,320

on media outlets around the world

831

00:29:56,230 --> 00:29:55,200

for for a few days but then people move

832

00:29:58,149 --> 00:29:56,240

on i mean

833

00:29:59,269 --> 00:29:58,159

it's not going to change their lives we

834

00:30:00,789 --> 00:29:59,279

get excited about it

835

00:30:02,789 --> 00:30:00,799

because it's what we do and it's where

836

00:30:05,029 --> 00:30:02,799

our fascination and interests lie

837

00:30:06,389 --> 00:30:05,039

but that's the way it works and we only

838

00:30:09,350 --> 00:30:06,399

look ridiculous

839

00:30:10,230 --> 00:30:09,360

and it makes the whole subject of ufos

840

00:30:13,110 --> 00:30:10,240

seem like

841

00:30:13,909 --> 00:30:13,120

that that old stereotype of of crazy

842

00:30:16,549 --> 00:30:13,919

nuts

843

00:30:17,750 --> 00:30:16,559

when we loudly proclaim things every

844

00:30:20,950 --> 00:30:17,760

single video

845

00:30:23,909 --> 00:30:20,960

as being an alien spaceship and

846

00:30:25,510 --> 00:30:23,919

ridiculing and chastising anybody who

847

00:30:28,149 --> 00:30:25,520

comes up with a plausible

848

00:30:29,029 --> 00:30:28,159

or alternative explanation it's really

849

00:30:32,149 --> 00:30:29,039

sloppy

850

00:30:34,310 --> 00:30:32,159

it's detrimental to legitimate ufo study

851

00:30:36,310 --> 00:30:34,320

and i i agree with you ryan i think i

852

00:30:37,909 --> 00:30:36,320

think any time you can come up with a

853

00:30:40,630 --> 00:30:37,919

prosaic explanation

854

00:30:42,789 --> 00:30:40,640

it is a fantastic win and it's a great

855

00:30:44,549 --> 00:30:42,799

learning experience it really helps ufo

856

00:30:46,870 --> 00:30:44,559

research is going forward

857

00:30:48,230 --> 00:30:46,880

to be able to identify things that we've

858

00:30:50,630 --> 00:30:48,240

identified in the past

859

00:30:52,950 --> 00:30:50,640

to get past that and you know focus on

860

00:30:55,029 --> 00:30:52,960

the more more exciting things

861

00:30:56,389 --> 00:30:55,039

yep and that's exactly what this comment

862

00:30:58,710 --> 00:30:56,399

here from tanino

863

00:30:59,909 --> 00:30:58,720

uh says the debugging is exactly what

864

00:31:02,149 --> 00:30:59,919

helps us recognize

865

00:31:03,350 --> 00:31:02,159

what's worth digging deeper into i think

866

00:31:06,470 --> 00:31:03,360

he summarized that

867

00:31:07,269 --> 00:31:06,480

very well once we have an explanation we

868

00:31:09,750 --> 00:31:07,279

can then

869

00:31:10,870 --> 00:31:09,760

infuse that into every new ufo case

870

00:31:12,870 --> 00:31:10,880

going forward

871

00:31:14,070 --> 00:31:12,880

build off of it and be like huh we still

872

00:31:16,230 --> 00:31:14,080

have a true unknown

873

00:31:17,350 --> 00:31:16,240

so yeah it's exciting it's absolutely

874

00:31:19,590 --> 00:31:17,360

exciting um

875

00:31:20,630 --> 00:31:19,600

well i guess let's move on to our next

876

00:31:24,230 --> 00:31:20,640

story bit

877

00:31:26,950 --> 00:31:24,240

more on the i'd say contentious side

878

00:31:27,990 --> 00:31:26,960

my hero in the ufo field and i know many

879

00:31:30,870 --> 00:31:28,000

others as well

880

00:31:33,830 --> 00:31:30,880

jacques valet computer scientist ufo

881

00:31:37,669 --> 00:31:33,840

researcher folklorist renaissance man

882

00:31:40,310 --> 00:31:37,679

in every way shape and form uh was

883

00:31:41,350 --> 00:31:40,320

going to be coming out with a book uh

884

00:31:43,509 --> 00:31:41,360

that we

885

00:31:44,710 --> 00:31:43,519

presumed he was writing by himself all

886

00:31:48,070 --> 00:31:44,720

about his work

887

00:31:49,590 --> 00:31:48,080

with uh possible materials recovered

888

00:31:52,230 --> 00:31:49,600

from ufo craft

889

00:31:52,870 --> 00:31:52,240

and everyone was super excited um it

890

00:31:55,350 --> 00:31:52,880

finally

891

00:31:56,389 --> 00:31:55,360

went up on amazon for pre-order and i

892

00:31:58,070 --> 00:31:56,399

know everyone was

893

00:31:59,750 --> 00:31:58,080

like click click click click and then

894

00:32:02,230 --> 00:31:59,760

boom it disappeared

895

00:32:04,549 --> 00:32:02,240

so immediately everyone shouted cover up

896

00:32:06,870 --> 00:32:04,559

they got to him it's not coming out now

897

00:32:08,149 --> 00:32:06,880

and then a couple days later uh

898

00:32:11,029 --> 00:32:08,159

something

899

00:32:13,269 --> 00:32:11,039

breaks that uh jacques valet is working

900

00:32:16,149 --> 00:32:13,279

with italian ufo researcher

901  
00:32:16,950 --> 00:32:16,159  
paola harris uh the book has been

902  
00:32:19,269 --> 00:32:16,960  
re-edited

903  
00:32:20,470 --> 00:32:19,279  
things have been included into it and

904  
00:32:23,029 --> 00:32:20,480  
this is a case

905  
00:32:25,029 --> 00:32:23,039  
um that i was not familiar with jason

906  
00:32:29,029 --> 00:32:25,039  
the trinity ufo case

907  
00:32:30,870 --> 00:32:29,039  
a possible ufo crash prior to roswell so

908  
00:32:33,430 --> 00:32:30,880  
before we get into the contention

909  
00:32:34,389 --> 00:32:33,440  
with who jacques working with and uh

910  
00:32:36,710 --> 00:32:34,399  
even the case

911  
00:32:38,389 --> 00:32:36,720  
have you heard of the trinity case and

912  
00:32:39,990 --> 00:32:38,399  
is there anything you can tell us about

913  
00:32:43,110 --> 00:32:40,000

it

914

00:32:44,389 --> 00:32:43,120

yeah absolutely so you know first of all

915

00:32:46,870 --> 00:32:44,399

i was

916

00:32:48,230 --> 00:32:46,880

very very caught off guard and surprised

917

00:32:49,509 --> 00:32:48,240

when i saw that that's what this book

918

00:32:52,149 --> 00:32:49,519

was going to be about

919

00:32:54,149 --> 00:32:52,159

um and even more surprised to see

920

00:32:58,070 --> 00:32:54,159

jacques vale's involvement with it

921

00:33:00,710 --> 00:32:58,080

um but first yeah the the case from 1945

922

00:33:01,269 --> 00:33:00,720

it's been around for for quite a while

923

00:33:04,470 --> 00:33:01,279

um

924

00:33:06,789 --> 00:33:04,480

and many many ufo researchers have spent

925

00:33:10,149 --> 00:33:06,799

quite a bit of time looking into it

926

00:33:12,789 --> 00:33:10,159

um but it really involves

927

00:33:13,750 --> 00:33:12,799

two key witnesses at least to this point

928

00:33:17,190 --> 00:33:13,760

we know there are more

929

00:33:19,750 --> 00:33:17,200

in this new book coming out but

930

00:33:21,269 --> 00:33:19,760

these two boys were aged seven and nine

931

00:33:23,590 --> 00:33:21,279

i believe at the time

932

00:33:25,509 --> 00:33:23,600

and this is in new mexico at the the

933

00:33:26,789 --> 00:33:25,519

trinity site which is now part of white

934

00:33:30,389 --> 00:33:26,799

sands missile range

935

00:33:31,190 --> 00:33:30,399

but this was where part of the manhattan

936

00:33:34,549 --> 00:33:31,200

project

937

00:33:37,430 --> 00:33:34,559

the first nuclear detonation took place

938

00:33:38,950 --> 00:33:37,440

and these boys during that that summer

939

00:33:42,870 --> 00:33:38,960

they they were there

940

00:33:45,830 --> 00:33:42,880

um during the the nuclear test and

941

00:33:46,789 --> 00:33:45,840

shortly after that they claimed that up

942

00:33:49,909 --> 00:33:46,799

on a ridge they

943

00:33:53,029 --> 00:33:49,919

they saw a a ufo crash

944

00:33:56,710 --> 00:33:53,039

and a subsequent uh retrieval

945

00:33:58,950 --> 00:33:56,720

that took place by the air force um

946

00:33:59,990 --> 00:33:58,960

and it was a really interesting

947

00:34:03,029 --> 00:34:00,000

retrieval too

948

00:34:05,669 --> 00:34:03,039

where like the the soldiers came

949

00:34:07,269 --> 00:34:05,679

to the house and asked if they could cut

950

00:34:10,069 --> 00:34:07,279

part of the fence away

951  
00:34:11,829 --> 00:34:10,079  
because they needed to expand the area

952  
00:34:12,710 --> 00:34:11,839  
so they could bring in heavy machinery

953  
00:34:15,750 --> 00:34:12,720  
to recover

954  
00:34:17,349 --> 00:34:15,760  
a research balloon um

955  
00:34:19,430 --> 00:34:17,359  
so they they brought in machinery they

956  
00:34:21,669 --> 00:34:19,440  
like built

957  
00:34:24,389 --> 00:34:21,679  
like used road building equipment and

958  
00:34:26,550 --> 00:34:24,399  
made made an expanded road to bring in

959  
00:34:29,270 --> 00:34:26,560  
like a big flatbed truck to load

960  
00:34:31,430 --> 00:34:29,280  
whatever craft this was that crashed

961  
00:34:33,190 --> 00:34:31,440  
these witnesses claimed they even saw

962  
00:34:36,790 --> 00:34:33,200  
alien bodies

963  
00:34:40,310 --> 00:34:36,800

and claimed to have both recovered

964

00:34:41,990 --> 00:34:40,320

material and also like sort of concealed

965

00:34:44,149 --> 00:34:42,000

it like threw it down in this trench

966

00:34:45,109 --> 00:34:44,159

so people would be able to find it later

967

00:34:47,109 --> 00:34:45,119

and

968

00:34:48,869 --> 00:34:47,119

these guys over the years tried to get

969

00:34:50,230 --> 00:34:48,879

they tried to raise money and tried to

970

00:34:51,030 --> 00:34:50,240

get people to go out and do an

971

00:34:54,389 --> 00:34:51,040

excavation

972

00:34:58,069 --> 00:34:54,399

to uncover some of this material um

973

00:34:59,030 --> 00:34:58,079

i know personally you know at open minds

974

00:35:00,950 --> 00:34:59,040

we were

975

00:35:02,390 --> 00:35:00,960

and many other people too apparently

976  
00:35:04,310 --> 00:35:02,400  
many other researchers

977  
00:35:06,630 --> 00:35:04,320  
were approached by some of these people

978  
00:35:07,589 --> 00:35:06,640  
involved wanting tens of thousands of

979  
00:35:11,190 --> 00:35:07,599  
dollars

980  
00:35:12,950 --> 00:35:11,200  
uh to buy this alleged alien material

981  
00:35:14,310 --> 00:35:12,960  
um you know so there were there were

982  
00:35:16,069 --> 00:35:14,320  
many red flags for

983  
00:35:17,750 --> 00:35:16,079  
for a lot of us and you know anytime

984  
00:35:20,069 --> 00:35:17,760  
that happens that that leaves a bad

985  
00:35:23,829 --> 00:35:20,079  
taste in your mouth it raises red flags

986  
00:35:25,109 --> 00:35:23,839  
so i mean i just from my personal

987  
00:35:26,470 --> 00:35:25,119  
knowledge of it in my personal

988  
00:35:30,630 --> 00:35:26,480

experience with it

989

00:35:33,430 --> 00:35:30,640

i'm i'm very skeptical um very

990

00:35:34,550 --> 00:35:33,440

very not not a fan of this case that

991

00:35:37,270 --> 00:35:34,560

being said though

992

00:35:38,069 --> 00:35:37,280

i am objective and open-minded and of

993

00:35:40,550 --> 00:35:38,079

course

994

00:35:42,069 --> 00:35:40,560

i will get the book i will read it and

995

00:35:43,750 --> 00:35:42,079

lastly i checked i think the kindle

996

00:35:43,990 --> 00:35:43,760

version is actually available for sale

997

00:35:47,430 --> 00:35:44,000

right

998

00:35:50,550 --> 00:35:47,440

now so that is available on amazon

999

00:35:51,990 --> 00:35:50,560

um but you know where where jacques

1000

00:35:56,069 --> 00:35:52,000

valet comes in

1001

00:35:59,430 --> 00:35:56,079

yes he is an icon of ufo research

1002

00:36:01,190 --> 00:35:59,440

i respect him immensely um

1003

00:36:03,829 --> 00:36:01,200

and and not saying that anything in this

1004

00:36:06,310 --> 00:36:03,839

book you know won't be

1005

00:36:07,510 --> 00:36:06,320

very exciting or or you know

1006

00:36:08,870 --> 00:36:07,520

earth-shattering or

1007

00:36:10,790 --> 00:36:08,880

there'll be you know some some

1008

00:36:12,950 --> 00:36:10,800

interesting uh metal early

1009

00:36:13,910 --> 00:36:12,960

metallurgy testing that that is revealed

1010

00:36:15,589 --> 00:36:13,920

in this

1011

00:36:18,230 --> 00:36:15,599

that's what i'm hoping for and i will

1012

00:36:20,310 --> 00:36:18,240

look at but we also have to keep in mind

1013

00:36:23,349 --> 00:36:20,320

and this is another very important part

1014

00:36:25,990 --> 00:36:23,359

of being a responsible ufo researcher

1015

00:36:26,870 --> 00:36:26,000

is you know that great line from the

1016

00:36:29,670 --> 00:36:26,880

x-files

1017

00:36:30,150 --> 00:36:29,680

trusts no one that's going a little far

1018

00:36:33,270 --> 00:36:30,160

you know

1019

00:36:35,829 --> 00:36:33,280

but it's the right sentiment because

1020

00:36:36,870 --> 00:36:35,839

we have to be careful not to put people

1021

00:36:39,750 --> 00:36:36,880

not to put anybody

1022

00:36:40,790 --> 00:36:39,760

up on a pedestal so high that we fall

1023

00:36:44,069 --> 00:36:40,800

into

1024

00:36:45,750 --> 00:36:44,079

hero worship and we're blindly following

1025

00:36:47,750 --> 00:36:45,760

things people say just because we

1026

00:36:50,470 --> 00:36:47,760

respect them or because

1027

00:36:52,550 --> 00:36:50,480

they're heralded as as heroes in the ufo

1028

00:36:54,550 --> 00:36:52,560

field

1029

00:36:56,069 --> 00:36:54,560

you really really have to remain

1030

00:36:58,069 --> 00:36:56,079

objective no matter where the

1031

00:37:00,150 --> 00:36:58,079

information is coming from

1032

00:37:01,910 --> 00:37:00,160

um you have to remain objective and

1033

00:37:05,349 --> 00:37:01,920

understand that people are still

1034

00:37:07,349 --> 00:37:05,359

just people we're all just humans and

1035

00:37:09,430 --> 00:37:07,359

someone like jacques not saying this is

1036

00:37:11,510 --> 00:37:09,440

the case but you have to remember

1037

00:37:15,510 --> 00:37:11,520

he's been in this game for a very long

1038

00:37:17,829 --> 00:37:15,520

time he's 81 years old i believe

1039

00:37:18,790 --> 00:37:17,839

we've seen so many you know very

1040

00:37:20,870 --> 00:37:18,800

credible people

1041

00:37:22,550 --> 00:37:20,880

very high high-ranking military

1042

00:37:25,670 --> 00:37:22,560

officials government officials

1043

00:37:27,589 --> 00:37:25,680

paul hellyer who is also um

1044

00:37:30,150 --> 00:37:27,599

tied to this book a little bit because

1045

00:37:31,829 --> 00:37:30,160

uh paula harris is a big fan of his and

1046

00:37:34,069 --> 00:37:31,839

and you know has done some work with him

1047

00:37:36,310 --> 00:37:34,079

and had him speak at her conference and

1048

00:37:38,470 --> 00:37:36,320

i think he has a blurb on on this book

1049

00:37:41,750 --> 00:37:38,480

but paul hellyer's like 97

1050

00:37:44,950 --> 00:37:41,760

you know and he's made some incredible

1051

00:37:47,270 --> 00:37:44,960

wild claims um you know but

1052

00:37:48,230 --> 00:37:47,280

primarily based on things he read

1053

00:37:51,349 --> 00:37:48,240

primarily

1054

00:37:54,870 --> 00:37:51,359

uh you know timothy goods books um

1055

00:37:56,310 --> 00:37:54,880

so it becomes more and more

1056

00:37:58,390 --> 00:37:56,320

i don't know you have to tiptoe a little

1057

00:37:59,190 --> 00:37:58,400

bit when when people start getting older

1058

00:38:01,270 --> 00:37:59,200

and older

1059

00:38:03,109 --> 00:38:01,280

and in the case of jacques we don't know

1060

00:38:04,870 --> 00:38:03,119

how much he was involved in this either

1061

00:38:07,190 --> 00:38:04,880

you know i mean like yeah you're asking

1062

00:38:10,630 --> 00:38:07,200

me to write a book with you i'd go

1063

00:38:13,030 --> 00:38:10,640

ryan okay i like you enough

1064

00:38:14,710 --> 00:38:13,040

i guess i'll do it um you can put my

1065

00:38:16,390 --> 00:38:14,720

name on the book but i'm not going to do

1066

00:38:18,470 --> 00:38:16,400

anything you do it i'm too busy

1067

00:38:19,750 --> 00:38:18,480

all right we don't know i'm not saying

1068

00:38:21,430 --> 00:38:19,760

that's what happened and i

1069

00:38:23,030 --> 00:38:21,440

i seriously doubt it i mean jacques is

1070

00:38:25,349 --> 00:38:23,040

very very methodical

1071

00:38:26,390 --> 00:38:25,359

and uh you know he's very interested in

1072

00:38:29,430 --> 00:38:26,400

in evidence and

1073

00:38:30,790 --> 00:38:29,440

in testing and and the science so i

1074

00:38:31,349 --> 00:38:30,800

suspect there'll be something good in

1075

00:38:33,589 --> 00:38:31,359

here

1076

00:38:35,190 --> 00:38:33,599

i can't wait to read the book but you

1077

00:38:36,630 --> 00:38:35,200

know from the details we have in my

1078

00:38:39,670 --> 00:38:36,640

personal experience

1079

00:38:42,710 --> 00:38:39,680

i do not like this case at all yeah

1080

00:38:44,550 --> 00:38:42,720

see and that's kind of uh where i lay

1081

00:38:45,190 --> 00:38:44,560

right now too i know when the news first

1082

00:38:47,829 --> 00:38:45,200

broke

1083

00:38:49,510 --> 00:38:47,839

i immediately hopped on the shaming

1084

00:38:52,470 --> 00:38:49,520

bandwagon that we do

1085

00:38:54,710 --> 00:38:52,480

on twitter and everything of oh my god

1086

00:38:55,190 --> 00:38:54,720

you know what he's working on this case

1087

00:38:56,790 --> 00:38:55,200

and

1088

00:38:58,550 --> 00:38:56,800

you know i reached out to you a couple

1089

00:39:00,150 --> 00:38:58,560

other people you said the case isn't

1090

00:39:02,390 --> 00:39:00,160

like really worth the time

1091

00:39:03,990 --> 00:39:02,400

but um look i mean michael says right

1092

00:39:05,750 --> 00:39:04,000

here paiola harris has

1093

00:39:08,470 --> 00:39:05,760

credibility problems alien mummy

1094

00:39:11,750 --> 00:39:08,480

exploitation star brother contactee

1095

00:39:14,470 --> 00:39:11,760

cultism and um we can't ignore that

1096

00:39:15,190 --> 00:39:14,480

i think that's where my trepidation lay

1097

00:39:17,750 --> 00:39:15,200

in

1098

00:39:18,870 --> 00:39:17,760

jacques connection to this is um the

1099

00:39:21,589 --> 00:39:18,880

controversial stuff

1100

00:39:21,990 --> 00:39:21,599

that his co-author has been involved

1101

00:39:25,190 --> 00:39:22,000

with

1102

00:39:27,270 --> 00:39:25,200

but but i haven't read the book

1103

00:39:29,030 --> 00:39:27,280

i don't know the research they did we

1104

00:39:30,069 --> 00:39:29,040

don't know the results shock has come up

1105

00:39:33,270 --> 00:39:30,079

with with these

1106

00:39:35,030 --> 00:39:33,280

materials so just like you um i'm

1107

00:39:36,630 --> 00:39:35,040

i'm going to read it i'm going to remain

1108

00:39:38,230 --> 00:39:36,640

objective i'm going to take a look at it

1109

00:39:39,510 --> 00:39:38,240

because like you said

1110

00:39:41,430 --> 00:39:39,520

they might have found some

1111

00:39:43,349 --> 00:39:41,440

groundbreaking new

1112

00:39:44,630 --> 00:39:43,359

information about it like you mentioned

1113

00:39:45,990 --> 00:39:44,640

there's another witness that came

1114

00:39:48,069 --> 00:39:46,000

forward which is

1115

00:39:49,349 --> 00:39:48,079

good it's just testimony but it's

1116

00:39:52,390 --> 00:39:49,359

something so

1117

00:39:53,109 --> 00:39:52,400

yeah i'm gonna read it um and look it

1118

00:39:54,550 --> 00:39:53,119

over and

1119

00:39:56,550 --> 00:39:54,560

just like everything else in the field

1120

00:39:58,710 --> 00:39:56,560

we're gonna debate it to the end of time

1121

00:39:59,990 --> 00:39:58,720

we're not going to find any answers and

1122

00:40:01,910 --> 00:40:00,000

we're going to move on to the next

1123

00:40:04,230 --> 00:40:01,920

mystery because that's what we do

1124

00:40:05,030 --> 00:40:04,240

we continue to chase the mystery i mean

1125

00:40:08,390 --> 00:40:05,040

this this

1126

00:40:10,230 --> 00:40:08,400

is a a very interesting field to be

1127

00:40:12,550 --> 00:40:10,240

involved in and

1128

00:40:14,710 --> 00:40:12,560

you know we're dealing with you know

1129

00:40:16,950 --> 00:40:14,720

like i said an unsolvable mystery here

1130

00:40:17,750 --> 00:40:16,960

but but one that's very polarizing too

1131

00:40:20,790 --> 00:40:17,760

and a lot of

1132

00:40:23,990 --> 00:40:20,800

these rabbit holes you go down you know

1133

00:40:26,470 --> 00:40:24,000

can be quite quite shady to some um

1134

00:40:27,670 --> 00:40:26,480

and as are the personalities involved

1135

00:40:29,349 --> 00:40:27,680

and

1136

00:40:31,030 --> 00:40:29,359

i've had to learn over the years to be

1137

00:40:32,710 --> 00:40:31,040

more tolerant of that

1138

00:40:34,790 --> 00:40:32,720

you know just because somebody has an

1139

00:40:36,470 --> 00:40:34,800

affiliation with somebody else

1140

00:40:38,710 --> 00:40:36,480

it doesn't mean i discount their work

1141

00:40:41,750 --> 00:40:38,720

right you know completely

1142

00:40:43,430 --> 00:40:41,760

i've known paula for for many many years

1143

00:40:46,390 --> 00:40:43,440

you know she's been a friend

1144

00:40:48,630 --> 00:40:46,400

um but you're right i mean many people

1145

00:40:49,990 --> 00:40:48,640

view her as having a credibility problem

1146

00:40:51,589 --> 00:40:50,000

because of the people she's

1147

00:40:53,270 --> 00:40:51,599

she's associated herself with and some

1148

00:40:56,230 --> 00:40:53,280

of the work she's done i mean she was a

1149

00:40:56,790 --> 00:40:56,240

big big corso person she worked you know

1150

00:40:59,910 --> 00:40:56,800

uh

1151  
00:41:01,589 --> 00:40:59,920  
very closely with with colonel corso and

1152  
00:41:03,670 --> 00:41:01,599  
uh

1153  
00:41:04,630 --> 00:41:03,680  
jaime musan you know that's somebody

1154  
00:41:07,270 --> 00:41:04,640  
that she's also

1155  
00:41:08,790 --> 00:41:07,280  
you know very very close with and you

1156  
00:41:09,829 --> 00:41:08,800  
know we could throw that right back in

1157  
00:41:13,030 --> 00:41:09,839  
my face too

1158  
00:41:14,550 --> 00:41:13,040  
i mean i've said this before but jaime

1159  
00:41:16,710 --> 00:41:14,560  
for

1160  
00:41:18,150 --> 00:41:16,720  
very strange reasons was actually at my

1161  
00:41:21,190 --> 00:41:18,160  
wedding right

1162  
00:41:24,309 --> 00:41:21,200  
so i guess i have credibility issues too

1163  
00:41:26,710 --> 00:41:24,319

um we all do brother

1164

00:41:27,990 --> 00:41:26,720

all of these people it doesn't matter

1165

00:41:30,710 --> 00:41:28,000

how i view

1166

00:41:33,349 --> 00:41:30,720

personally their research or the things

1167

00:41:35,270 --> 00:41:33,359

they personally believe

1168

00:41:36,630 --> 00:41:35,280

i can still consider them my friends and

1169

00:41:38,309 --> 00:41:36,640

i do i mean

1170

00:41:40,950 --> 00:41:38,319

that's something that i think is hugely

1171

00:41:42,630 --> 00:41:40,960

missing right now our ufo conferences

1172

00:41:45,270 --> 00:41:42,640

because we've talked about this so much

1173

00:41:48,390 --> 00:41:45,280

over the years ryan but

1174

00:41:49,430 --> 00:41:48,400

social media is you know people sitting

1175

00:41:52,390 --> 00:41:49,440

behind computers

1176

00:41:54,150 --> 00:41:52,400

and and not being humans with each other

1177

00:41:55,910 --> 00:41:54,160

not interacting not having civil

1178

00:41:58,309 --> 00:41:55,920

conversations and understanding

1179

00:42:00,150 --> 00:41:58,319

that we all have this common interest we

1180

00:42:00,550 --> 00:42:00,160

don't all believe the same things and we

1181

00:42:02,710 --> 00:42:00,560

shouldn't

1182

00:42:04,630 --> 00:42:02,720

and we don't have to because ufos is not

1183

00:42:05,910 --> 00:42:04,640

a religion we're all going

1184

00:42:07,670 --> 00:42:05,920

through this journey ourselves and

1185

00:42:09,109 --> 00:42:07,680

making our own determinations

1186

00:42:10,790 --> 00:42:09,119

but we're still all people with this

1187

00:42:13,349 --> 00:42:10,800

interest and

1188

00:42:14,230 --> 00:42:13,359

we're all still humans we are part of a

1189

00:42:17,109 --> 00:42:14,240

society

1190

00:42:18,790 --> 00:42:17,119

and when you go to ufo conferences you

1191

00:42:21,829 --> 00:42:18,800

understand that you feel

1192

00:42:22,950 --> 00:42:21,839

part of this community where people have

1193

00:42:25,270 --> 00:42:22,960

differing viewpoints

1194

00:42:27,109 --> 00:42:25,280

but you're still part of that community

1195

00:42:30,230 --> 00:42:27,119

you still are civil to each other

1196

00:42:32,630 --> 00:42:30,240

and you have civil debate

1197

00:42:34,390 --> 00:42:32,640

you discuss ideas and share ideas and

1198

00:42:36,309 --> 00:42:34,400

communicate with each other like humans

1199

00:42:37,829 --> 00:42:36,319

not attacking viciously like you do

1200

00:42:40,150 --> 00:42:37,839

behind a computer screen

1201  
00:42:41,030 --> 00:42:40,160  
but that's something that you see at ufo

1202  
00:42:43,109 --> 00:42:41,040  
conferences

1203  
00:42:44,470 --> 00:42:43,119  
you see these people who and it'll be

1204  
00:42:46,069 --> 00:42:44,480  
great for people who have never been to

1205  
00:42:47,829 --> 00:42:46,079  
ufo conference to go to one where some

1206  
00:42:51,030 --> 00:42:47,839  
of these people are speakers

1207  
00:42:51,750 --> 00:42:51,040  
and see people who they've only seen and

1208  
00:42:53,750 --> 00:42:51,760  
assumed

1209  
00:42:54,950 --> 00:42:53,760  
based on what they've experienced with

1210  
00:42:56,550 --> 00:42:54,960  
social media that

1211  
00:42:58,390 --> 00:42:56,560  
you know people are enemies or that they

1212  
00:42:59,349 --> 00:42:58,400  
hate each other and see them going out

1213  
00:43:01,510 --> 00:42:59,359

to lunch together

1214

00:43:03,829 --> 00:43:01,520

grabbing drinks together sharing the

1215

00:43:06,230 --> 00:43:03,839

stage together and being friends

1216

00:43:07,510 --> 00:43:06,240

most ufo researchers are friends at

1217

00:43:09,589 --> 00:43:07,520

least that's how it's been

1218

00:43:10,870 --> 00:43:09,599

i mean you go to ufo conference and you

1219

00:43:12,950 --> 00:43:10,880

know i had to

1220

00:43:14,630 --> 00:43:12,960

and you certainly too when uh you know

1221

00:43:15,510 --> 00:43:14,640

we had you at the the international ufo

1222

00:43:18,309 --> 00:43:15,520

conference

1223

00:43:19,589 --> 00:43:18,319

um you know you're surrounded by these

1224

00:43:21,109 --> 00:43:19,599

people these people who

1225

00:43:24,550 --> 00:43:21,119

you know have been icons in the ufo

1226

00:43:26,550 --> 00:43:24,560

research field for for decades

1227

00:43:28,150 --> 00:43:26,560

and you you get the chance to interact

1228

00:43:31,109 --> 00:43:28,160

with them to spend time with them

1229

00:43:31,589 --> 00:43:31,119

as well as all the attendees i mean

1230

00:43:33,430 --> 00:43:31,599

you're just

1231

00:43:34,870 --> 00:43:33,440

it's kind of a weird family you know

1232

00:43:35,510 --> 00:43:34,880

you're just part of the same crazy

1233

00:43:37,589 --> 00:43:35,520

family

1234

00:43:38,790 --> 00:43:37,599

it is a great feeling i love that i miss

1235

00:43:41,589 --> 00:43:38,800

that and

1236

00:43:42,550 --> 00:43:41,599

most of the people in the ufo research

1237

00:43:44,230 --> 00:43:42,560

community

1238

00:43:46,150 --> 00:43:44,240

i have become friends with over the

1239

00:43:47,510 --> 00:43:46,160

years i still consider them my friends

1240

00:43:49,829 --> 00:43:47,520

no matter how

1241

00:43:51,829 --> 00:43:49,839

outlandish some of their research might

1242

00:43:53,190 --> 00:43:51,839

be or some of their personal beliefs

1243

00:43:56,230 --> 00:43:53,200

might be

1244

00:43:58,069 --> 00:43:56,240

they're still my friends you know i will

1245

00:44:00,309 --> 00:43:58,079

i try not to but i will publicly say

1246

00:44:01,990 --> 00:44:00,319

sometimes when i disagree with

1247

00:44:03,750 --> 00:44:02,000

with certain people or i think that

1248

00:44:06,390 --> 00:44:03,760

they're absolutely ridiculous

1249

00:44:07,510 --> 00:44:06,400

um and are making unfounded claims and

1250

00:44:10,790 --> 00:44:07,520

dangerously

1251

00:44:11,349 --> 00:44:10,800

misinforming people but on the other

1252

00:44:14,390 --> 00:44:11,359

hand

1253

00:44:15,510 --> 00:44:14,400

i still consider them friends because

1254

00:44:17,829 --> 00:44:15,520

although i joke about being an

1255

00:44:20,829 --> 00:44:17,839

extraterrestrial i am actually a human

1256

00:44:20,839 --> 00:44:36,710

sometimes

1257

00:44:41,030 --> 00:44:38,309

i think he froze on me ryan i have a

1258

00:44:59,670 --> 00:44:41,040

frozen ryan face

1259

00:45:07,510 --> 00:45:03,030

ryan was abducted ryan

1260

00:45:20,069 --> 00:45:09,430

it's okay ryan come back you're one of

1261

00:45:24,309 --> 00:45:21,349

well that's what ryan gets for being in

1262

00:45:24,790 --> 00:45:24,319

hawaii see magic happens in hawaii and i

1263

00:45:27,910 --> 00:45:24,800

guess

1264

00:45:32,069 --> 00:45:27,920

being frozen is part of that magic

1265

00:45:33,510 --> 00:45:32,079

but to my point uh yeah ufo conferences

1266

00:45:35,190 --> 00:45:33,520

are you know i didn't know what to

1267

00:45:36,390 --> 00:45:35,200

expect the first time that i went to a

1268

00:45:39,589 --> 00:45:36,400

ufo conference

1269

00:45:41,190 --> 00:45:39,599

it was kind of a a unique experience but

1270

00:45:44,230 --> 00:45:41,200

then when i got personally involved

1271

00:45:45,109 --> 00:45:44,240

in in organizing and running ufo

1272

00:45:47,510 --> 00:45:45,119

conferences

1273

00:45:49,190 --> 00:45:47,520

it just changed my view completely um

1274

00:45:52,230 --> 00:45:49,200

and one of the coolest things

1275

00:45:53,349 --> 00:45:52,240

to witness ryan was like that experience

1276  
00:45:55,270 --> 00:45:53,359  
that people would have when they would

1277  
00:45:57,910 --> 00:45:55,280  
have that realization that

1278  
00:45:59,990 --> 00:45:57,920  
not only were these ufo researchers that

1279  
00:46:01,510 --> 00:46:00,000  
people had read about and seen on tv

1280  
00:46:03,430 --> 00:46:01,520  
approachable and they could you know

1281  
00:46:05,510 --> 00:46:03,440  
have intimate

1282  
00:46:07,270 --> 00:46:05,520  
uh one-on-one conversations with but

1283  
00:46:10,630 --> 00:46:07,280  
also that realization of

1284  
00:46:12,790 --> 00:46:10,640  
oh people aren't yelling at each other

1285  
00:46:13,670 --> 00:46:12,800  
people aren't hating on each other you

1286  
00:46:16,630 --> 00:46:13,680  
know

1287  
00:46:17,190 --> 00:46:16,640  
they're they're actually being social

1288  
00:46:19,910 --> 00:46:17,200

and

1289

00:46:21,270 --> 00:46:19,920

this is kind of interesting to see it's

1290

00:46:23,349 --> 00:46:21,280

not what i expected at all

1291

00:46:28,309 --> 00:46:23,359

so i love seeing that people get to

1292

00:46:31,349 --> 00:46:28,319

experience that again soon

1293

00:46:33,030 --> 00:46:31,359

absolutely and dude you killed it i know

1294

00:46:34,950 --> 00:46:33,040

i was frozen there for

1295

00:46:36,790 --> 00:46:34,960

a little bit everyone is commenting they

1296

00:46:41,990 --> 00:46:36,800

got him yeah my um

1297

00:46:45,430 --> 00:46:42,000

full disclosure i am off to me

1298

00:46:47,750 --> 00:46:45,440

there we go um i am off the mainland so

1299

00:46:49,430 --> 00:46:47,760

internet's been a little spotty so thank

1300

00:46:52,390 --> 00:46:49,440

you everyone for dealing with that

1301

00:46:53,829 --> 00:46:52,400

jason included um you vamped for me

1302

00:46:55,349 --> 00:46:53,839

brother you killed it i really

1303

00:46:59,510 --> 00:46:55,359

appreciate it um

1304

00:47:01,829 --> 00:46:59,520

no you're so right yeah yeah um

1305

00:47:03,190 --> 00:47:01,839

it's just like anything like it's the

1306

00:47:07,030 --> 00:47:03,200

same with i'm like

1307

00:47:10,150 --> 00:47:07,040

really really getting back into wwf

1308

00:47:13,510 --> 00:47:10,160

lately which is hilarious peacock

1309

00:47:17,109 --> 00:47:13,520

has um dropped every single pay-per-view

1310

00:47:19,270 --> 00:47:17,119

every monday night raw since like 1993

1311

00:47:22,150 --> 00:47:19,280

on their streaming network and i'm just

1312

00:47:23,270 --> 00:47:22,160

having a field day reliving my teenage

1313

00:47:25,270 --> 00:47:23,280

years over there

1314

00:47:26,309 --> 00:47:25,280

but um you know you see the wrestlers

1315

00:47:28,630 --> 00:47:26,319

they're in there

1316

00:47:30,069 --> 00:47:28,640

killing each other and then after the

1317

00:47:32,630 --> 00:47:30,079

show they're out having a beer

1318

00:47:33,990 --> 00:47:32,640

they're best friends like a lot that's

1319

00:47:36,630 --> 00:47:34,000

just how it goes

1320

00:47:38,069 --> 00:47:36,640

like there's one there's you get your

1321

00:47:40,069 --> 00:47:38,079

information out there at these ufo

1322

00:47:41,510 --> 00:47:40,079

conferences it might get heated you

1323

00:47:42,390 --> 00:47:41,520

might debate a lot of things because

1324

00:47:44,710 --> 00:47:42,400

that's because

1325

00:47:46,390 --> 00:47:44,720

because we're passionate and we we have

1326

00:47:47,910 --> 00:47:46,400

very strong feelings and

1327

00:47:50,230 --> 00:47:47,920

convictions about certain things but

1328

00:47:52,309 --> 00:47:50,240

that doesn't mean you can't have a beer

1329

00:47:53,750 --> 00:47:52,319

and hash it out after which is what we

1330

00:47:57,430 --> 00:47:53,760

do um

1331

00:47:58,230 --> 00:47:57,440

well let's um i guess move on to someone

1332

00:48:02,230 --> 00:47:58,240

else

1333

00:48:04,230 --> 00:48:02,240

that's a good segue there yeah peacock

1334

00:48:05,270 --> 00:48:04,240

that really is good job brother good

1335

00:48:08,470 --> 00:48:05,280

transition

1336

00:48:10,069 --> 00:48:08,480

um coming to the peacock network which i

1337

00:48:10,790 --> 00:48:10,079

highly recommend to everyone out there

1338

00:48:13,910 --> 00:48:10,800

they got a

1339

00:48:17,430 --> 00:48:13,920

ton of good shows on there is a new show

1340

00:48:20,630 --> 00:48:17,440

starring musician demi lovato

1341

00:48:24,150 --> 00:48:20,640

uh she is i'm gonna read this right here

1342

00:48:25,270 --> 00:48:24,160

um unidentified with demi lovato which

1343

00:48:27,430 --> 00:48:25,280

we will talk about

1344

00:48:29,750 --> 00:48:27,440

follows lovato and her skeptical best

1345

00:48:32,390 --> 00:48:29,760

friend matthew and her sister dallas

1346

00:48:33,270 --> 00:48:32,400

as they help uncover the truth about the

1347

00:48:35,190 --> 00:48:33,280

ufo

1348

00:48:37,589 --> 00:48:35,200

phenomena good luck with that demi um

1349

00:48:39,589 --> 00:48:37,599

while consulting with leading experts

1350

00:48:41,990 --> 00:48:39,599

demi dallas and matthew will investigate

1351  
00:48:43,030 --> 00:48:42,000  
recent eyewitness encounters which is

1352  
00:48:45,750 --> 00:48:43,040  
kind of cool

1353  
00:48:46,950 --> 00:48:45,760  
um uncover secret government reports and

1354  
00:48:50,390 --> 00:48:46,960  
conduct tests

1355  
00:48:52,870 --> 00:48:50,400  
at known ufo hot spots so again

1356  
00:48:54,790 --> 00:48:52,880  
this is another thing that i rushed to

1357  
00:48:57,109 --> 00:48:54,800  
judgment on on social media

1358  
00:48:58,069 --> 00:48:57,119  
and i was all like really like there's

1359  
00:49:00,950 --> 00:48:58,079  
so many

1360  
00:49:02,230 --> 00:49:00,960  
ufo female researchers who should be

1361  
00:49:05,109 --> 00:49:02,240  
doing this blah blah blah

1362  
00:49:05,670 --> 00:49:05,119  
but um she's very passionate you can

1363  
00:49:07,910 --> 00:49:05,680

tell

1364

00:49:09,030 --> 00:49:07,920

i know demi's had her own ufo

1365

00:49:10,790 --> 00:49:09,040

experiences

1366

00:49:13,430 --> 00:49:10,800

and the fact that they're looking at

1367

00:49:14,390 --> 00:49:13,440

modern day eyewitness accounts and doing

1368

00:49:16,630 --> 00:49:14,400

tests

1369

00:49:17,750 --> 00:49:16,640

that's awesome i think that's gonna be

1370

00:49:19,829 --> 00:49:17,760

really cool

1371

00:49:21,270 --> 00:49:19,839

um it's only gonna be like a three or

1372

00:49:23,349 --> 00:49:21,280

four part series

1373

00:49:25,030 --> 00:49:23,359

so it's not like this thing is like you

1374

00:49:26,309 --> 00:49:25,040

know gonna turn into the next ufo

1375

00:49:27,829 --> 00:49:26,319

hunters it could

1376

00:49:29,990 --> 00:49:27,839

maybe she'll get picked up and they'll

1377

00:49:31,349 --> 00:49:30,000

keep doing this for years and years but

1378

00:49:33,670 --> 00:49:31,359

um what do you think what do you think

1379

00:49:36,230 --> 00:49:33,680

of the demi lovato news in this new show

1380

00:49:38,470 --> 00:49:36,240

coming to peacock you know i'm kind of

1381

00:49:40,069 --> 00:49:38,480

desensitized at this point because this

1382

00:49:41,910 --> 00:49:40,079

has become an old hat

1383

00:49:44,150 --> 00:49:41,920

right i mean so many celebrities have

1384

00:49:47,510 --> 00:49:44,160

had ufo and ufo-related shows

1385

00:49:47,990 --> 00:49:47,520

so this isn't something new and it makes

1386

00:49:49,990 --> 00:49:48,000

sense

1387

00:49:52,230 --> 00:49:50,000

from a marketing perspective and that's

1388

00:49:55,430 --> 00:49:52,240

what tv is it's not about

1389

00:49:56,309 --> 00:49:55,440

uncovering truth about ufos or educating

1390

00:49:58,549 --> 00:49:56,319

the public

1391

00:50:00,230 --> 00:49:58,559

it's about entertainment that's what tv

1392

00:50:01,829 --> 00:50:00,240

is they want ratings

1393

00:50:03,829 --> 00:50:01,839

so you know that's why you go to

1394

00:50:07,270 --> 00:50:03,839

celebrities to host your show

1395

00:50:09,990 --> 00:50:07,280

but you know william shatner does ufos

1396

00:50:11,990 --> 00:50:10,000

uh you know remember sean ryder in the

1397

00:50:13,910 --> 00:50:12,000

uk did a show about ufos

1398

00:50:15,829 --> 00:50:13,920

um the osborne's have done ufos the

1399

00:50:18,549 --> 00:50:15,839

kardashians have done ufos

1400

00:50:20,150 --> 00:50:18,559

i mean this is celebrities and ufos have

1401

00:50:22,630 --> 00:50:20,160

have been a thing

1402

00:50:24,790 --> 00:50:22,640

for so long i mean going back in the day

1403

00:50:27,829 --> 00:50:24,800

jonathan frakes hosted a ufo show

1404

00:50:30,150 --> 00:50:27,839

it was a mystery show but yeah i mean

1405

00:50:31,270 --> 00:50:30,160

this is something that is not new and i

1406

00:50:33,270 --> 00:50:31,280

totally understand

1407

00:50:34,630 --> 00:50:33,280

because i work in marketing this is

1408

00:50:37,829 --> 00:50:34,640

makes total sense

1409

00:50:39,430 --> 00:50:37,839

but i i think it's great because i've

1410

00:50:41,349 --> 00:50:39,440

always been a proponent of

1411

00:50:42,790 --> 00:50:41,359

highlighting celebrities who speak

1412

00:50:45,030 --> 00:50:42,800

publicly about ufos

1413

00:50:46,390 --> 00:50:45,040

for the same reason that people you know

1414

00:50:49,270 --> 00:50:46,400

do the same thing for

1415

00:50:49,829 --> 00:50:49,280

for military people speaking about ufos

1416

00:50:51,910 --> 00:50:49,839

you know

1417

00:50:52,870 --> 00:50:51,920

one certainly that lends a little more

1418

00:50:55,190 --> 00:50:52,880

credibility

1419

00:50:56,069 --> 00:50:55,200

however celebrities have a much wider

1420

00:50:58,549 --> 00:50:56,079

audience

1421

00:50:59,510 --> 00:50:58,559

so when you can have people who have a

1422

00:51:01,510 --> 00:50:59,520

gigantic

1423

00:51:02,870 --> 00:51:01,520

you know millions of millions of

1424

00:51:04,870 --> 00:51:02,880

followers who

1425

00:51:06,230 --> 00:51:04,880

not only listen to what you say but when

1426

00:51:09,030 --> 00:51:06,240

it comes to celebrities

1427

00:51:10,870 --> 00:51:09,040

as crazy as it is this is the reality

1428

00:51:14,390 --> 00:51:10,880

they have millions of people

1429

00:51:17,430 --> 00:51:14,400

who will believe what

1430

00:51:20,150 --> 00:51:17,440

their heroes believe they will

1431

00:51:20,950 --> 00:51:20,160

want to do what their heroes do so if

1432

00:51:23,190 --> 00:51:20,960

they hear

1433

00:51:25,990 --> 00:51:23,200

somebody they idolize say i believe in

1434

00:51:28,870 --> 00:51:26,000

ufos or i've seen ufos

1435

00:51:31,030 --> 00:51:28,880

or i'm going to go and do this and

1436

00:51:32,790 --> 00:51:31,040

investigate ufos

1437

00:51:34,390 --> 00:51:32,800

you've got millions of people who are

1438

00:51:35,430 --> 00:51:34,400

all of a sudden who might not have

1439

00:51:38,150 --> 00:51:35,440

considered that before

1440

00:51:40,309 --> 00:51:38,160

going wow well if this person believes

1441

00:51:43,030 --> 00:51:40,319

ufos then then maybe i should

1442

00:51:45,270 --> 00:51:43,040

take a look at this and if they're going

1443

00:51:47,430 --> 00:51:45,280

to these hot spots and doing tests

1444

00:51:49,750 --> 00:51:47,440

maybe that's something i want to do you

1445

00:51:50,230 --> 00:51:49,760

know and it opens people up to doing

1446

00:51:52,470 --> 00:51:50,240

their

1447

00:51:53,829 --> 00:51:52,480

own research into ufos and that is the

1448

00:51:56,069 --> 00:51:53,839

most important thing

1449

00:51:57,750 --> 00:51:56,079

you and i brother we are proponents of

1450

00:51:59,910 --> 00:51:57,760

public education when it comes to this

1451  
00:52:02,230 --> 00:51:59,920  
reaching out to the general public

1452  
00:52:04,069 --> 00:52:02,240  
giving them information uh you know

1453  
00:52:05,750 --> 00:52:04,079  
objective unbiased information

1454  
00:52:07,030 --> 00:52:05,760  
and encouraging people to do their own

1455  
00:52:08,150 --> 00:52:07,040  
research and i think when you have

1456  
00:52:11,190 --> 00:52:08,160  
celebrities involved

1457  
00:52:12,870 --> 00:52:11,200  
that's exactly what it does you know

1458  
00:52:15,910 --> 00:52:12,880  
that's exactly what

1459  
00:52:18,790 --> 00:52:15,920  
to the stars academy did with tom delong

1460  
00:52:19,589 --> 00:52:18,800  
that is you know really it opened the

1461  
00:52:21,910 --> 00:52:19,599  
doors to

1462  
00:52:23,510 --> 00:52:21,920  
a lot of the stuff we're seeing today

1463  
00:52:26,309 --> 00:52:23,520

you know people can

1464

00:52:27,910 --> 00:52:26,319

can bad mouth all tom all they want and

1465

00:52:30,309 --> 00:52:27,920

and think that there was

1466

00:52:32,150 --> 00:52:30,319

you know some crazy shenanigans that

1467

00:52:35,349 --> 00:52:32,160

went down that led to

1468

00:52:37,990 --> 00:52:35,359

to lou and everybody else departing but

1469

00:52:39,990 --> 00:52:38,000

the reality is lou wouldn't have had a

1470

00:52:41,670 --> 00:52:40,000

platform and nobody would have cared

1471

00:52:43,750 --> 00:52:41,680

if he hadn't been part of tom delong's

1472

00:52:46,230 --> 00:52:43,760

organization and had that stage

1473

00:52:47,190 --> 00:52:46,240

and it would have wouldn't have wouldn't

1474

00:52:50,950 --> 00:52:47,200

have had the impact

1475

00:52:52,390 --> 00:52:50,960

that it has so i think celebrity uh

1476

00:52:55,030 --> 00:52:52,400

celebrities speaking out on this topic

1477

00:52:58,390 --> 00:52:55,040

is incredibly valuable incredibly huge

1478

00:52:59,030 --> 00:52:58,400

but on the other hand being somebody in

1479

00:52:59,990 --> 00:52:59,040

this field

1480

00:53:01,910 --> 00:53:00,000

you know i always have that same

1481

00:53:04,069 --> 00:53:01,920

reaction as you ryan well oh really

1482

00:53:06,710 --> 00:53:04,079

there's so many better people who are

1483

00:53:08,549 --> 00:53:06,720

well equipped for doing this

1484

00:53:10,390 --> 00:53:08,559

legitimately right we're looking at it

1485

00:53:12,630 --> 00:53:10,400

from a research standpoint from doing

1486

00:53:14,630 --> 00:53:12,640

actual investigation that's not what

1487

00:53:17,670 --> 00:53:14,640

tv's about it really isn't

1488

00:53:18,630 --> 00:53:17,680

that's so true and also i always have

1489

00:53:20,230 --> 00:53:18,640

the same reaction as

1490

00:53:21,750 --> 00:53:20,240

not always but most most of the time

1491

00:53:26,069 --> 00:53:21,760

with the same reaction as you t i'm all

1492

00:53:29,270 --> 00:53:27,829

they wanted me and they were asking me

1493

00:53:29,670 --> 00:53:29,280

who they should have on that show with

1494

00:53:33,990 --> 00:53:29,680

me

1495

00:53:37,430 --> 00:53:34,000

is such a good point

1496

00:53:39,109 --> 00:53:37,440

full disclosure um i

1497

00:53:42,230 --> 00:53:39,119

i don't think i even shared this with

1498

00:53:44,950 --> 00:53:42,240

you jason i was approached by nbc

1499

00:53:46,630 --> 00:53:44,960

for a show just like this so i'm

1500

00:53:47,109 --> 00:53:46,640

thinking this is what it turned out to

1501  
00:53:49,750 --> 00:53:47,119  
be

1502  
00:53:52,069 --> 00:53:49,760  
and they got demi lovato and but you're

1503  
00:53:55,510 --> 00:53:52,079  
you're so right brother i was bitter

1504  
00:53:57,190 --> 00:53:55,520  
it was stupid and there's no you know

1505  
00:53:58,950 --> 00:53:57,200  
i have been a proponent of getting

1506  
00:53:59,670 --> 00:53:58,960  
younger people involved for so many

1507  
00:54:01,910 --> 00:53:59,680  
years

1508  
00:54:04,150 --> 00:54:01,920  
for so for me to immediately shame a

1509  
00:54:04,950 --> 00:54:04,160  
celebrity for having an interest in the

1510  
00:54:07,430 --> 00:54:04,960  
topic

1511  
00:54:08,069 --> 00:54:07,440  
um having an experience within that

1512  
00:54:09,510 --> 00:54:08,079  
topic

1513  
00:54:11,190 --> 00:54:09,520

and then going out to investigate it

1514

00:54:13,349 --> 00:54:11,200

like i have no place doing that

1515

00:54:15,750 --> 00:54:13,359

and like you said um she's going to

1516

00:54:18,710 --> 00:54:15,760

bring so many younger people

1517

00:54:19,589 --> 00:54:18,720

uh into this world to look at the topic

1518

00:54:20,950 --> 00:54:19,599

and like you said

1519

00:54:23,270 --> 00:54:20,960

that's what we're all about public

1520

00:54:25,670 --> 00:54:23,280

education and while it may be tv

1521

00:54:27,270 --> 00:54:25,680

there's always a small nugget of

1522

00:54:29,589 --> 00:54:27,280

learning in these shows

1523

00:54:30,549 --> 00:54:29,599

um but yeah first and foremost it's

1524

00:54:32,710 --> 00:54:30,559

entertainment

1525

00:54:34,950 --> 00:54:32,720

second of all it's infotainment so

1526

00:54:37,270 --> 00:54:34,960

hopefully we'll see some new cases

1527

00:54:38,789 --> 00:54:37,280

some new witness testimony and uh

1528

00:54:41,190 --> 00:54:38,799

hopefully some awesome

1529

00:54:42,230 --> 00:54:41,200

scientific experiments if she's really

1530

00:54:44,150 --> 00:54:42,240

gonna go down that route

1531

00:54:47,750 --> 00:54:44,160

yeah but here's the thing i mean again

1532

00:54:49,829 --> 00:54:47,760

back to our earlier point of

1533

00:54:51,030 --> 00:54:49,839

the the damage that it can do being a

1534

00:54:53,750 --> 00:54:51,040

ufo fan

1535

00:54:55,030 --> 00:54:53,760

and you know coming out and just pushing

1536

00:54:57,270 --> 00:54:55,040

everything

1537

00:54:59,270 --> 00:54:57,280

even remotely related to ufos like this

1538

00:54:59,990 --> 00:54:59,280

show like telling everybody oh go watch

1539

00:55:02,230 --> 00:55:00,000

this show

1540

00:55:04,150 --> 00:55:02,240

yeah it's a celebrity hosted show about

1541

00:55:05,589 --> 00:55:04,160

ufos it's going to be on peacock

1542

00:55:07,270 --> 00:55:05,599

you must watch this show because it's

1543

00:55:09,190 --> 00:55:07,280

about ufos

1544

00:55:10,470 --> 00:55:09,200

i wouldn't go that far you know i think

1545

00:55:11,510 --> 00:55:10,480

people who are just getting into this

1546

00:55:13,270 --> 00:55:11,520

it's fine to watch

1547

00:55:14,870 --> 00:55:13,280

but at the same time shows like this and

1548

00:55:15,990 --> 00:55:14,880

and knowing dummy and probably some of

1549

00:55:16,710 --> 00:55:16,000

those experiments that are going to

1550

00:55:18,309 --> 00:55:16,720

happen

1551  
00:55:20,150 --> 00:55:18,319  
are probably going to be based on

1552  
00:55:21,589 --> 00:55:20,160  
stephen grier's work and

1553  
00:55:23,349 --> 00:55:21,599  
i wouldn't be surprised if steven greer

1554  
00:55:25,829 --> 00:55:23,359  
makes an appearance because you know

1555  
00:55:27,030 --> 00:55:25,839  
she has you've been vocal about her

1556  
00:55:29,270 --> 00:55:27,040  
experiences

1557  
00:55:30,549 --> 00:55:29,280  
with uh with steven greer and the the

1558  
00:55:33,270 --> 00:55:30,559  
experiences that she's had

1559  
00:55:34,950 --> 00:55:33,280  
so i would not doubt for a second that

1560  
00:55:35,670 --> 00:55:34,960  
that's going to be an element of this

1561  
00:55:38,069 --> 00:55:35,680  
show

1562  
00:55:39,670 --> 00:55:38,079  
which you know we could debate and you

1563  
00:55:40,630 --> 00:55:39,680

know wonder how much harm that's going

1564

00:55:43,829 --> 00:55:40,640

to cause

1565

00:55:46,069 --> 00:55:43,839

but really we can really

1566

00:55:46,950 --> 00:55:46,079

chill out take a chill pill and step

1567

00:55:49,589 --> 00:55:46,960

back and relax

1568

00:55:50,549 --> 00:55:49,599

and say look it's a tv show if it gets

1569

00:55:53,589 --> 00:55:50,559

people interested

1570

00:55:55,109 --> 00:55:53,599

that's fantastic you know again ufos is

1571

00:55:55,750 --> 00:55:55,119

not a religion we're not preaching to

1572

00:55:59,270 --> 00:55:55,760

people

1573

00:56:05,109 --> 00:55:59,280

that

1574

00:56:06,309 --> 00:56:05,119

i'm honestly i think it's great i think

1575

00:56:09,190 --> 00:56:06,319

any ufo show

1576

00:56:10,470 --> 00:56:09,200

is is good i'm glad there's that content

1577

00:56:13,510 --> 00:56:10,480

and i'm glad that people

1578

00:56:16,069 --> 00:56:13,520

are are being exposed from from

1579

00:56:16,870 --> 00:56:16,079

all sorts of angles being exposed to the

1580

00:56:20,230 --> 00:56:16,880

fact that

1581

00:56:21,990 --> 00:56:20,240

ufos are real so yeah yep and uh

1582

00:56:23,190 --> 00:56:22,000

i didn't mean for anyone to catch my

1583

00:56:23,750 --> 00:56:23,200

little face palm there when you

1584

00:56:25,910 --> 00:56:23,760

mentioned

1585

00:56:28,870 --> 00:56:25,920

steven grier i was supposed to keep you

1586

00:56:32,630 --> 00:56:31,109

yeah we again like if that turns out to

1587

00:56:35,990 --> 00:56:32,640

be the case um

1588

00:56:38,470 --> 00:56:36,000

so be it um but hey that's that's

1589

00:56:40,390 --> 00:56:38,480

infotainment i guess well let's talk a

1590

00:56:42,950 --> 00:56:40,400

little about um

1591

00:56:44,150 --> 00:56:42,960

not entertainment but uh some actual

1592

00:56:46,230 --> 00:56:44,160

mainstream

1593

00:56:48,470 --> 00:56:46,240

coverage that the ufo topics got in

1594

00:56:50,710 --> 00:56:48,480

recently i mean we had uh

1595

00:56:52,549 --> 00:56:50,720

what we have gideon lewis krauss came

1596

00:56:54,230 --> 00:56:52,559

out with that massive beast of an

1597

00:56:56,549 --> 00:56:54,240

article in the new yorker

1598

00:56:58,950 --> 00:56:56,559

and then um just yesterday or the day

1599

00:57:00,950 --> 00:56:58,960

before ezra klein came out with an

1600

00:57:03,190 --> 00:57:00,960

article in the new york times

1601  
00:57:04,069 --> 00:57:03,200  
so did you have a chance to read either

1602  
00:57:07,190 --> 00:57:04,079  
of these

1603  
00:57:08,230 --> 00:57:07,200  
jason and any new stuff or revelations

1604  
00:57:09,990 --> 00:57:08,240  
you took away from them

1605  
00:57:12,470 --> 00:57:10,000  
or yeah just your gut feeling about

1606  
00:57:15,270 --> 00:57:12,480  
these two uh mainstream articles

1607  
00:57:17,349 --> 00:57:15,280  
in uh the new yorker and new york times

1608  
00:57:20,309 --> 00:57:17,359  
yeah so i did read these and

1609  
00:57:22,390 --> 00:57:20,319  
ultimately what what i think the big

1610  
00:57:25,430 --> 00:57:22,400  
takeaway here is

1611  
00:57:26,390 --> 00:57:25,440  
um and what i mainly get from it seeing

1612  
00:57:29,829 --> 00:57:26,400  
this kind of stuff

1613  
00:57:33,109 --> 00:57:29,839

is that exactly what we want to see

1614

00:57:37,109 --> 00:57:33,119  
from everyday people finally

1615

00:57:39,990 --> 00:57:37,119  
you know taking the chance to

1616

00:57:41,190 --> 00:57:40,000  
peer through the stigma and say okay

1617

00:57:44,549 --> 00:57:41,200  
i've been seeing all this

1618

00:57:47,030 --> 00:57:44,559  
this ufo banter going on and these ufo

1619

00:57:50,069 --> 00:57:47,040  
headlines and ufo videos

1620

00:57:51,829 --> 00:57:50,079  
what is this all about because in my

1621

00:57:53,510 --> 00:57:51,839  
mind ufos are just silly

1622

00:57:55,349 --> 00:57:53,520  
so they actually take a look they see

1623

00:57:56,630 --> 00:57:55,359  
what's going on they see that

1624

00:57:58,710 --> 00:57:56,640  
the military is talking about this the

1625

00:58:01,990 --> 00:57:58,720  
pentagon is talking about this

1626  
00:58:05,349 --> 00:58:02,000  
we have authenticated videos from

1627  
00:58:08,230 --> 00:58:05,359  
from from the pentagon and we're seeing

1628  
00:58:08,870 --> 00:58:08,240  
that ufos are a thing we don't know what

1629  
00:58:11,990 --> 00:58:08,880  
they are

1630  
00:58:14,069 --> 00:58:12,000  
we know that the military is

1631  
00:58:15,910 --> 00:58:14,079  
giving us a narrative that there are

1632  
00:58:18,069 --> 00:58:15,920  
unidentified objects

1633  
00:58:19,510 --> 00:58:18,079  
that their pilots are encountering and

1634  
00:58:21,270 --> 00:58:19,520  
their pilots

1635  
00:58:23,510 --> 00:58:21,280  
are outmaneuvered they even if they

1636  
00:58:23,910 --> 00:58:23,520  
needed to to engage these things they

1637  
00:58:26,950 --> 00:58:23,920  
are

1638  
00:58:29,349 --> 00:58:26,960

unable to do so that is alarming

1639

00:58:30,390 --> 00:58:29,359

and i still don't think the large

1640

00:58:31,990 --> 00:58:30,400

majority like

1641

00:58:33,430 --> 00:58:32,000

i know the large majority of the general

1642

00:58:36,150 --> 00:58:33,440

public still

1643

00:58:38,870 --> 00:58:36,160

has not accepted that fact that we have

1644

00:58:40,549 --> 00:58:38,880

unknowns in our airspace

1645

00:58:42,549 --> 00:58:40,559

for whatever reason it's very strange

1646

00:58:44,069 --> 00:58:42,559

and i think the alien part of it

1647

00:58:45,510 --> 00:58:44,079

really gets mixed into there so they

1648

00:58:46,789 --> 00:58:45,520

just dismiss it and say oh of course

1649

00:58:49,829 --> 00:58:46,799

there aren't aliens

1650

00:58:50,950 --> 00:58:49,839

but number one we don't know that but

1651  
00:58:53,589 --> 00:58:50,960  
number two

1652  
00:58:54,230 --> 00:58:53,599  
that's kind of inconsequential to the

1653  
00:58:56,230 --> 00:58:54,240  
very

1654  
00:58:58,390 --> 00:58:56,240  
basic fact that ufos are real we're

1655  
00:59:01,190 --> 00:58:58,400  
still back at that that very baby step

1656  
00:59:02,230 --> 00:59:01,200  
of of the public knowing that ufos are

1657  
00:59:04,950 --> 00:59:02,240  
in fact real

1658  
00:59:06,549 --> 00:59:04,960  
um what they are is the big question so

1659  
00:59:08,710 --> 00:59:06,559  
the one in the uh

1660  
00:59:09,829 --> 00:59:08,720  
the opinion piece in the new york times

1661  
00:59:11,109 --> 00:59:09,839  
i'm talking about uh you know

1662  
00:59:13,109 --> 00:59:11,119  
considering aliens

1663  
00:59:14,549 --> 00:59:13,119

uh i was put off by the title at first

1664

00:59:16,710 --> 00:59:14,559

because that's something that

1665

00:59:17,750 --> 00:59:16,720

i think a lot of people especially with

1666

00:59:19,990 --> 00:59:17,760

a lot of the

1667

00:59:21,990 --> 00:59:20,000

recent videos and even some of the the

1668

00:59:23,670 --> 00:59:22,000

military narrative being pushed

1669

00:59:26,230 --> 00:59:23,680

is that we're dealing with

1670

00:59:28,390 --> 00:59:26,240

extraterrestrial spacecraft

1671

00:59:30,150 --> 00:59:28,400

that is jumping the gun in my opinion

1672

00:59:31,670 --> 00:59:30,160

it's certainly a possibility and one

1673

00:59:33,990 --> 00:59:31,680

that an objective researcher

1674

00:59:35,030 --> 00:59:34,000

can always entertain and i certainly

1675

00:59:38,069 --> 00:59:35,040

always keep that

1676  
00:59:39,750 --> 00:59:38,079  
possibility but you know that is jumping

1677  
00:59:41,109 --> 00:59:39,760  
the gun without sufficient evidence to

1678  
00:59:45,270 --> 00:59:41,119  
support that

1679  
00:59:47,430 --> 00:59:45,280  
and i think it's kind of insulting to

1680  
00:59:49,670 --> 00:59:47,440  
it's insulting and embarrassing i think

1681  
00:59:52,630 --> 00:59:49,680  
for for people to

1682  
00:59:53,750 --> 00:59:52,640  
jump to extraterrestrial just because

1683  
00:59:56,069 --> 00:59:53,760  
it's something that

1684  
00:59:57,589 --> 00:59:56,079  
is strange to us or or we don't

1685  
00:59:59,270 --> 00:59:57,599  
personally understand

1686  
01:00:00,870 --> 00:59:59,280  
we see that a lot with ancient aliens

1687  
01:00:03,030 --> 01:00:00,880  
with with the pyramids

1688  
01:00:04,549 --> 01:00:03,040

you know and i think that's insulting to

1689

01:00:08,549 --> 01:00:04,559

the humans who

1690

01:00:10,309 --> 01:00:08,559

did uh die building the pyramids and

1691

01:00:12,150 --> 01:00:10,319

doing incredible things humans have

1692

01:00:14,549 --> 01:00:12,160

accomplished incredible things i have a

1693

01:00:16,150 --> 01:00:14,559

low opinion of of humans i think humans

1694

01:00:18,390 --> 01:00:16,160

are pretty awful most of the time

1695

01:00:19,349 --> 01:00:18,400

so i think you know for me to say that

1696

01:00:21,270 --> 01:00:19,359

is pretty huge

1697

01:00:22,390 --> 01:00:21,280

but i do think humans have accomplished

1698

01:00:24,549 --> 01:00:22,400

quite a lot

1699

01:00:26,230 --> 01:00:24,559

and uh i do think there's a lot that

1700

01:00:27,270 --> 01:00:26,240

happens in our world and things we

1701

01:00:30,630 --> 01:00:27,280

experience

1702

01:00:31,910 --> 01:00:30,640

that you know we we can't explain in the

1703

01:00:33,109 --> 01:00:31,920

moment things that are strange and

1704

01:00:35,510 --> 01:00:33,119

bizarre to us

1705

01:00:36,950 --> 01:00:35,520

but to say i don't know what that is

1706

01:00:40,230 --> 01:00:36,960

therefore aliens

1707

01:00:42,789 --> 01:00:40,240

is it's it's really stupid it is it's

1708

01:00:44,309 --> 01:00:42,799

irresponsible it's not scientific and

1709

01:00:46,069 --> 01:00:44,319

it's the wrong way to go

1710

01:00:48,069 --> 01:00:46,079

um if we are being visited by

1711

01:00:49,510 --> 01:00:48,079

extraterrestrials

1712

01:00:52,150 --> 01:00:49,520

you know still i think that kind of

1713

01:00:54,309 --> 01:00:52,160

thinking is irresponsible

1714

01:00:55,990 --> 01:00:54,319

to just say i don't know what that is

1715

01:00:58,870 --> 01:00:56,000

that's bizarre um

1716

01:00:59,750 --> 01:00:58,880

on on these uh you know computer systems

1717

01:01:02,069 --> 01:00:59,760

on these uh

1718

01:01:03,990 --> 01:01:02,079

you know satellites and different things

1719

01:01:04,870 --> 01:01:04,000

this dot looks weird so it must be

1720

01:01:07,349 --> 01:01:04,880

aliens

1721

01:01:08,870 --> 01:01:07,359

i i don't think that helps move ufo

1722

01:01:11,030 --> 01:01:08,880

research forward at all

1723

01:01:12,549 --> 01:01:11,040

i think that's sloppy and i think again

1724

01:01:15,030 --> 01:01:12,559

to our previous point

1725

01:01:16,789 --> 01:01:15,040

that just opens the door to more ufo

1726

01:01:19,190 --> 01:01:16,799

ridicule and people

1727

01:01:20,950 --> 01:01:19,200

not being willing to take the ufo

1728

01:01:24,230 --> 01:01:20,960

subject seriously

1729

01:01:26,230 --> 01:01:24,240

yeah absolutely and i think uh the thing

1730

01:01:29,270 --> 01:01:26,240

to keep in mind with these two

1731

01:01:31,589 --> 01:01:29,280

recent articles that came out with um

1732

01:01:32,950 --> 01:01:31,599

uh i believe there's gonna be a podcast

1733

01:01:35,349 --> 01:01:32,960

attached to one of them

1734

01:01:36,870 --> 01:01:35,359

i believe it was the new yorker magazine

1735

01:01:39,109 --> 01:01:36,880

they're doing a podcast cool

1736

01:01:40,470 --> 01:01:39,119

that's again like this is the stuff that

1737

01:01:41,829 --> 01:01:40,480

sheds the stigma

1738

01:01:43,829 --> 01:01:41,839

and i think that's what we're seeing

1739

01:01:47,750 --> 01:01:43,839

with the uap task force

1740

01:01:51,030 --> 01:01:47,760

uh as well is destigmatizing it

1741

01:01:52,950 --> 01:01:51,040

so that the pilots and the carrier crew

1742

01:01:55,510 --> 01:01:52,960

members will come forward

1743

01:01:56,150 --> 01:01:55,520

you know adam kehoe this uh this guy who

1744

01:01:59,510 --> 01:01:56,160

writes

1745

01:02:01,589 --> 01:01:59,520

his own blog he put it best that

1746

01:02:04,150 --> 01:02:01,599

one of the biggest threats isn't the

1747

01:02:05,910 --> 01:02:04,160

ufos themselves it's not reporting it

1748

01:02:07,670 --> 01:02:05,920

because it could be a threat but it's

1749

01:02:08,789 --> 01:02:07,680

not getting reported and that's because

1750

01:02:11,510 --> 01:02:08,799

of the stigma

1751

01:02:13,349 --> 01:02:11,520

in it so um bravo to adam for covering

1752

01:02:15,750 --> 01:02:13,359

that i know he's not the first to do it

1753

01:02:17,109 --> 01:02:15,760

but he he put it so concisely and i

1754

01:02:20,230 --> 01:02:17,119

think that's what we're seeing

1755

01:02:22,549 --> 01:02:20,240

you know we're seeing literally almost

1756

01:02:23,750 --> 01:02:22,559

you know without even a day in between

1757

01:02:26,789 --> 01:02:23,760

all of these mainstream

1758

01:02:28,549 --> 01:02:26,799

outlets covering ufos again and whether

1759

01:02:30,390 --> 01:02:28,559

that's a concerted effort by certain

1760

01:02:34,390 --> 01:02:30,400

individuals to get this out

1761

01:02:36,789 --> 01:02:34,400

there or it's because of the pending uap

1762

01:02:38,950 --> 01:02:36,799

report countdown i mean we're getting

1763

01:02:40,390 --> 01:02:38,960

excited the public is getting excited

1764

01:02:42,950 --> 01:02:40,400

what is the pentagon

1765

01:02:44,549 --> 01:02:42,960

gonna say probably not a whole lot i'm

1766

01:02:46,789 --> 01:02:44,559

still under that assumption

1767

01:02:48,150 --> 01:02:46,799

um the good stuff is possibly what's

1768

01:02:51,349 --> 01:02:48,160

getting leaked right now

1769

01:02:53,349 --> 01:02:51,359

um or or not i don't know but um yeah i

1770

01:02:56,470 --> 01:02:53,359

think the thing to keep in mind always

1771

01:02:58,789 --> 01:02:56,480

is uh ufos are real

1772

01:02:59,510 --> 01:02:58,799

you put it best brother the government

1773

01:03:00,789 --> 01:02:59,520

in the u.s

1774

01:03:02,710 --> 01:03:00,799

and other governments around the world

1775

01:03:05,349 --> 01:03:02,720

have acknowledged that ufos

1776

01:03:07,109 --> 01:03:05,359

exist that is while it may be a baby

1777

01:03:08,789 --> 01:03:07,119

step it's a huge step

1778

01:03:10,150 --> 01:03:08,799

in the evolution of the discourse on

1779

01:03:11,510 --> 01:03:10,160

this topic so

1780

01:03:12,870 --> 01:03:11,520

i think that's pretty awesome so for

1781

01:03:14,549 --> 01:03:12,880

researchers need to keep in mind and

1782

01:03:16,069 --> 01:03:14,559

it's a hard one too i mean for people

1783

01:03:18,549 --> 01:03:16,079

who have been hyper focused on this for

1784

01:03:20,549 --> 01:03:18,559

so many years you know we forget that we

1785

01:03:21,670 --> 01:03:20,559

forget that so often because we live and

1786

01:03:24,390 --> 01:03:21,680

read this stuff

1787

01:03:25,990 --> 01:03:24,400

but we need to always remember that

1788

01:03:27,510 --> 01:03:26,000

we're still back at that initial baby

1789

01:03:30,630 --> 01:03:27,520

step with the general public

1790

01:03:33,270 --> 01:03:30,640

the general public still doesn't realize

1791

01:03:34,470 --> 01:03:33,280

and still doesn't accept that ufos are

1792

01:03:36,470 --> 01:03:34,480

actually a thing

1793

01:03:39,510 --> 01:03:36,480

you know it's why you always see the

1794

01:03:42,630 --> 01:03:39,520

things are ufos real

1795

01:03:43,109 --> 01:03:42,640

we're back at that step so we are but uh

1796

01:03:45,910 --> 01:03:43,119

you know

1797

01:03:46,789 --> 01:03:45,920

it's it's such a perf a profound

1798

01:03:49,670 --> 01:03:46,799

question

1799

01:03:49,990 --> 01:03:49,680

that that baby step is actually huge

1800

01:03:52,630 --> 01:03:50,000

it's

1801

01:03:54,150 --> 01:03:52,640

absolutely huge and i think we really

1802

01:03:56,950 --> 01:03:54,160

are

1803

01:03:58,950 --> 01:03:56,960

i don't like to get too too hopeful but

1804

01:04:00,789 --> 01:03:58,960

i think we are in a paradigm shift in

1805

01:04:03,029 --> 01:04:00,799

how this topic is dealt with

1806

01:04:04,069 --> 01:04:03,039

um i think we're gonna see so much more

1807

01:04:07,109 --> 01:04:04,079

coming out

1808

01:04:08,870 --> 01:04:07,119

i'm super excited about all of it to be

1809

01:04:11,430 --> 01:04:08,880

completely honest but um

1810

01:04:12,230 --> 01:04:11,440

yeah i'm excited to hear what jason

1811

01:04:14,230 --> 01:04:12,240

mcclellan

1812

01:04:16,789 --> 01:04:14,240

is up to next we've been going for about

1813

01:04:18,710 --> 01:04:16,799

an hour jason thank you for giving me

1814

01:04:21,270 --> 01:04:18,720

your time brother to do all this

1815

01:04:23,589 --> 01:04:21,280

but um before we wrap things up what do

1816

01:04:25,589 --> 01:04:23,599

you got going on over at rogue planet

1817

01:04:27,589 --> 01:04:25,599

is there anything else you can share

1818

01:04:29,589 --> 01:04:27,599

with other projects you're possibly

1819

01:04:32,789 --> 01:04:29,599

doing in the ufo sphere

1820

01:04:35,190 --> 01:04:32,799

and yeah give it to us my man sure

1821

01:04:35,910 --> 01:04:35,200

so i guess a couple of things i can

1822

01:04:39,829 --> 01:04:35,920

share

1823

01:04:41,190 --> 01:04:39,839

is that i've got some some tv projects

1824

01:04:44,789 --> 01:04:41,200

in the works

1825

01:04:47,190 --> 01:04:44,799

um we've got some

1826  
01:04:49,430 --> 01:04:47,200  
show changes at rogue planet we're going

1827  
01:04:52,470 --> 01:04:49,440  
to be

1828  
01:04:53,190 --> 01:04:52,480  
modifying what we do with our ufo

1829  
01:04:56,230 --> 01:04:53,200  
podcast

1830  
01:04:59,589 --> 01:04:56,240  
unknown um probably

1831  
01:05:01,750 --> 01:04:59,599  
starting with with 2022 so

1832  
01:05:02,789 --> 01:05:01,760  
in the new year we're going to take on a

1833  
01:05:04,630 --> 01:05:02,799  
new format

1834  
01:05:06,150 --> 01:05:04,640  
um and that's all i'll say about that

1835  
01:05:09,190 --> 01:05:06,160  
but i'm really excited about that

1836  
01:05:10,710 --> 01:05:09,200  
and that involves you um you and i are

1837  
01:05:13,990 --> 01:05:10,720  
going to have some fun

1838  
01:05:15,589 --> 01:05:14,000

in 2022 so that's cool um

1839

01:05:17,589 --> 01:05:15,599

and it might be on the same topic as

1840

01:05:19,670 --> 01:05:17,599

some upcoming tv stuff

1841

01:05:22,870 --> 01:05:19,680

and let's see how much more vague and

1842

01:05:24,870 --> 01:05:22,880

jeremy corbell like can i be

1843

01:05:26,230 --> 01:05:24,880

that's the problem with these projects

1844

01:05:27,670 --> 01:05:26,240

man um but

1845

01:05:28,950 --> 01:05:27,680

the other thing i can't announce is that

1846

01:05:31,190 --> 01:05:28,960

what we're another thing we're doing

1847

01:05:33,430 --> 01:05:31,200

with the podcast with with unknown

1848

01:05:34,309 --> 01:05:33,440

and the changes there is we are going to

1849

01:05:37,910 --> 01:05:34,319

separate out

1850

01:05:40,390 --> 01:05:37,920

our wildly popular ufo happy hour

1851  
01:05:41,910 --> 01:05:40,400  
and ufo happy hour is going to become

1852  
01:05:45,430 --> 01:05:41,920  
its own standalone

1853  
01:05:47,270 --> 01:05:45,440  
show so it will be a monthly podcast

1854  
01:05:48,829 --> 01:05:47,280  
that has a video component to as we'll

1855  
01:05:51,990 --> 01:05:48,839  
do the video as well

1856  
01:05:54,230 --> 01:05:52,000  
where ryan and i and our our fellow rug

1857  
01:05:57,670 --> 01:05:54,240  
planetees will get together every month

1858  
01:05:59,510 --> 01:05:57,680  
grab a drink and talk about the ufo news

1859  
01:06:01,990 --> 01:05:59,520  
that has taken place and caught

1860  
01:06:03,190 --> 01:06:02,000  
headlines for that month so ufo happy

1861  
01:06:06,470 --> 01:06:03,200  
hour is going to be

1862  
01:06:07,750 --> 01:06:06,480  
its own standalone brand new show i'm

1863  
01:06:09,670 --> 01:06:07,760

super excited man

1864

01:06:11,190 --> 01:06:09,680

tell us a little about uh the other

1865

01:06:11,829 --> 01:06:11,200

podcast too the one you're doing with

1866

01:06:14,230 --> 01:06:11,839

shane

1867

01:06:15,109 --> 01:06:14,240

over there as well at rogue planet oh

1868

01:06:17,670 --> 01:06:15,119

yeah so we

1869

01:06:19,670 --> 01:06:17,680

we recently rolled out a show called um

1870

01:06:21,430 --> 01:06:19,680

old-fashioned ufos

1871

01:06:23,510 --> 01:06:21,440

and you know at rogue planet we

1872

01:06:27,510 --> 01:06:23,520

certainly like to drink

1873

01:06:29,990 --> 01:06:27,520

yay yeah yeah bourbon is gone

1874

01:06:31,109 --> 01:06:30,000

but uh so old-fashioned ufos we take two

1875

01:06:32,630 --> 01:06:31,119

things we love

1876

01:06:34,630 --> 01:06:32,640

old fashions so we drink an old

1877

01:06:37,349 --> 01:06:34,640

fashioned on the show and we talk about

1878

01:06:38,950 --> 01:06:37,359

old cases we're we're both fans of

1879

01:06:40,710 --> 01:06:38,960

historical cases i think historical

1880

01:06:42,390 --> 01:06:40,720

cases have immense value

1881

01:06:44,470 --> 01:06:42,400

and i think they get left behind a lot

1882

01:06:45,990 --> 01:06:44,480

because people in the ufo field are kind

1883

01:06:46,470 --> 01:06:46,000

of tired of hearing about them over and

1884

01:06:48,630 --> 01:06:46,480

over

1885

01:06:50,069 --> 01:06:48,640

but i think they have incredible value

1886

01:06:51,750 --> 01:06:50,079

and certainly

1887

01:06:55,109 --> 01:06:51,760

a lot of what we do at rogue planet is

1888

01:06:57,670 --> 01:06:55,119

not uh specific or catered to

1889

01:06:59,029 --> 01:06:57,680

to the ufo community you know a big big

1890

01:07:01,349 --> 01:06:59,039

important part of what we do

1891

01:07:03,430 --> 01:07:01,359

is is trying to to reach out to the

1892

01:07:05,990 --> 01:07:03,440

general public and educate

1893

01:07:07,750 --> 01:07:06,000

do public education so that's what we do

1894

01:07:09,829 --> 01:07:07,760

we revisit these these old-fashioned

1895

01:07:11,430 --> 01:07:09,839

cases while drinking an old fashion

1896

01:07:14,069 --> 01:07:11,440

and uh you know kind of go through and

1897

01:07:15,990 --> 01:07:14,079

give an overview of of these old cases

1898

01:07:17,510 --> 01:07:16,000

the investigations that took place and

1899

01:07:20,549 --> 01:07:17,520

some of the conclusions so

1900

01:07:23,190 --> 01:07:20,559

that's been been a lot of fun awesome

1901

01:07:24,470 --> 01:07:23,200

yeah i hope to um to partake in one of

1902

01:07:26,549 --> 01:07:24,480

those soon with you guys

1903

01:07:28,710 --> 01:07:26,559

because uh the minute you said

1904

01:07:31,990 --> 01:07:28,720

old-fashioned my stomach started

1905

01:07:34,069 --> 01:07:32,000

rumbling i'm uh i'm i'm feeding to get

1906

01:07:36,150 --> 01:07:34,079

back to my bartending job just so i can

1907

01:07:38,069 --> 01:07:36,160

make some drinks again and uh

1908

01:07:39,589 --> 01:07:38,079

part's sake with you guys um that's

1909

01:07:41,670 --> 01:07:39,599

that's awesome brother um

1910

01:07:43,670 --> 01:07:41,680

well i have some exciting news there is

1911

01:07:46,230 --> 01:07:43,680

a podcast that just dropped

1912

01:07:47,510 --> 01:07:46,240

recently called strange arrivals that's

1913

01:07:50,549 --> 01:07:47,520

over on uh

1914

01:07:52,630 --> 01:07:50,559

aaron menke's podcast network and it's

1915

01:07:56,230 --> 01:07:52,640

awesome it's hosted by toby ball

1916

01:07:59,670 --> 01:07:56,240

and um it's all about rendelsham and

1917

01:08:00,069 --> 01:07:59,680

um sort of the disinformation that has

1918

01:08:01,910 --> 01:08:00,079

been

1919

01:08:03,750 --> 01:08:01,920

kind of run rampant in the field

1920

01:08:05,750 --> 01:08:03,760

throughout the decades whether it's with

1921

01:08:07,750 --> 01:08:05,760

the intelligence community

1922

01:08:09,750 --> 01:08:07,760

a la richard dodie who might be even

1923

01:08:10,710 --> 01:08:09,760

watching this if you are richard we're

1924

01:08:13,990 --> 01:08:10,720

coming for you

1925

01:08:15,190 --> 01:08:14,000

um yeah so check out stranger rivals i

1926

01:08:17,510 --> 01:08:15,200

just dropped this first

1927

01:08:18,390 --> 01:08:17,520

episode with uh john burroughs and jim

1928

01:08:21,590 --> 01:08:18,400

peniston

1929

01:08:23,510 --> 01:08:21,600

um i am featured in this podcast so that

1930

01:08:24,870 --> 01:08:23,520

is probably the ego driven reason i'm

1931

01:08:27,910 --> 01:08:24,880

bringing it up right now

1932

01:08:30,390 --> 01:08:27,920

but it actually has to do with um

1933

01:08:31,829 --> 01:08:30,400

with a lot of the topics discussed in an

1934

01:08:34,709 --> 01:08:31,839

upcoming guest of the show

1935

01:08:35,590 --> 01:08:34,719

uh his new book sausage spooks and kooks

1936

01:08:38,470 --> 01:08:35,600

by adam go

1937

01:08:40,630 --> 01:08:38,480

rightly i love this book man it's so

1938

01:08:42,390 --> 01:08:40,640

good i just i'm breezing through it

1939

01:08:43,749 --> 01:08:42,400

um a lot of the things you know that we

1940

01:08:46,789 --> 01:08:43,759

know about the whole

1941

01:08:47,990 --> 01:08:46,799

bennowitz affair and um you know linda

1942

01:08:50,229 --> 01:08:48,000

molten howe and

1943

01:08:52,309 --> 01:08:50,239

her cattle mutilation documentary and

1944

01:08:55,349 --> 01:08:52,319

how dodie was connected to that

1945

01:08:56,229 --> 01:08:55,359

and just a lot of the the um the process

1946

01:08:58,309 --> 01:08:56,239

of belief

1947

01:08:59,430 --> 01:08:58,319

in how it often clouds the judgment in

1948

01:09:01,749 --> 01:08:59,440

the ufo field

1949

01:09:03,349 --> 01:09:01,759

and how intelligence communities might

1950

01:09:05,510 --> 01:09:03,359

take advantage of that

1951

01:09:06,950 --> 01:09:05,520

so are we possibly seeing a lot of that

1952

01:09:09,030 --> 01:09:06,960

happening right now

1953

01:09:10,630 --> 01:09:09,040

in the ufo field adam asks a lot of

1954

01:09:11,430 --> 01:09:10,640

these questions so we're going to have

1955

01:09:14,070 --> 01:09:11,440

him on the show

1956

01:09:16,229 --> 01:09:14,080

soon uh check out stranger rivals check

1957

01:09:18,070 --> 01:09:16,239

out all the rogue planet podcasts

1958

01:09:19,590 --> 01:09:18,080

and yeah anything else jason before we

1959

01:09:20,630 --> 01:09:19,600

wrap things up here brother

1960

01:09:21,990 --> 01:09:20,640

you know you're talking about rental

1961

01:09:23,510 --> 01:09:22,000

show it made me think of two things

1962

01:09:26,470 --> 01:09:23,520

number one it made me think of

1963

01:09:27,749 --> 01:09:26,480

our buddy uh robbie graham just went to

1964

01:09:29,910 --> 01:09:27,759

rental shrimp forest

1965

01:09:31,510 --> 01:09:29,920

yeah his birthday that's awesome and we

1966

01:09:33,269 --> 01:09:31,520

should also go there sometime and go

1967

01:09:34,390 --> 01:09:33,279

with robbie and go to reynoldson force

1968

01:09:36,390 --> 01:09:34,400

that would be rad

1969

01:09:38,630 --> 01:09:36,400

but number two what would make an

1970

01:09:40,309 --> 01:09:38,640

amazing drunken podcast sometime

1971

01:09:42,070 --> 01:09:40,319

is to get some of the renders from guys

1972

01:09:44,070 --> 01:09:42,080

on to

1973

01:09:45,910 --> 01:09:44,080

we definitely need to have them drunk

1974

01:09:48,709 --> 01:09:45,920

but to have them

1975

01:09:52,149 --> 01:09:48,719

share some of their thoughts about

1976

01:09:57,510 --> 01:09:55,189

just saying say about that just yep yeah

1977

01:09:59,910 --> 01:09:57,520

we've we've heard some stories for sure

1978

01:10:01,990 --> 01:09:59,920

awesome my man well more stories to be

1979

01:10:04,790 --> 01:10:02,000

told in the coming days as

1980

01:10:07,430 --> 01:10:04,800

this new video unravels into the

1981

01:10:10,149 --> 01:10:07,440

mainstream by jeremy corbell new stories

1982

01:10:10,470 --> 01:10:10,159

abound with tv shows podcasts everything

1983

01:10:12,550 --> 01:10:10,480

so

1984

01:10:13,669 --> 01:10:12,560

i want to thank everyone for watching

1985

01:10:15,990 --> 01:10:13,679

for listening

1986

01:10:17,189 --> 01:10:16,000

um thank you for dealing with my spotty

1987

01:10:19,830 --> 01:10:17,199

internet jason

1988

01:10:21,510 --> 01:10:19,840

and everyone in the audience and i have

1989

01:10:23,590 --> 01:10:21,520

to thank you again for coming on summer

1990

01:10:24,950 --> 01:10:23,600

in the skies today brother

1991

01:10:26,950 --> 01:10:24,960

always a pleasure ryan i love you

1992

01:10:28,630 --> 01:10:26,960

brother you too my man

1993

01:10:30,229 --> 01:10:28,640

and we will cut it there thank you
