

THE PENTAGON

WASHINGTON

PARTMENT OF DEFENSE

1  
00:00:08,790 --> 00:00:07,030  
hi john thanks for doing this

2  
00:00:10,470 --> 00:00:08,800  
yes sir um a quick question on the the

3  
00:00:12,549 --> 00:00:10,480  
coming uap reports

4  
00:00:14,230 --> 00:00:12,559  
um there's been some reporting that this

5  
00:00:15,829 --> 00:00:14,240  
could be coming as soon as this week or

6  
00:00:17,510 --> 00:00:15,839  
maybe even tomorrow can you say anything

7  
00:00:18,550 --> 00:00:17,520  
about what timing we should actually

8  
00:00:21,990 --> 00:00:18,560  
expect

9  
00:00:25,670 --> 00:00:22,000  
the what report matt sorry the uap

10  
00:00:26,310 --> 00:00:25,680  
report ufo report uh that that is uh

11  
00:00:28,790 --> 00:00:26,320  
really for

12  
00:00:30,230 --> 00:00:28,800  
the dni to speak to matt as you know

13  
00:00:32,630 --> 00:00:30,240

this is a a report

14

00:00:33,510 --> 00:00:32,640

a congressionally mandated report uh dni

15

00:00:36,069 --> 00:00:33,520

is in the lead

16

00:00:38,470 --> 00:00:36,079

uh it will be dni who will be making

17

00:00:39,030 --> 00:00:38,480

that report obviously dod has a role in

18

00:00:43,590 --> 00:00:39,040

helping

19

00:00:45,430 --> 00:00:43,600

that will be in that report but

20

00:00:46,790 --> 00:00:45,440

as for specific timing i'd refer you to

21

00:00:48,709 --> 00:00:46,800

the dni

22

00:00:50,310 --> 00:00:48,719

uh barb did you have your hand up i did

23

00:00:50,709 --> 00:00:50,320

i wanted to follow up on a couple of

24

00:00:54,549 --> 00:00:50,719

things

25

00:00:57,350 --> 00:00:54,559

um and the very last follow up and i

26  
00:00:58,310 --> 00:00:57,360  
hesitate to be asking this but on the

27  
00:01:00,790 --> 00:00:58,320  
unmanned

28  
00:01:01,910 --> 00:01:00,800  
aerial phenomenon report because you

29  
00:01:03,750 --> 00:01:01,920  
said

30  
00:01:05,270 --> 00:01:03,760  
because many of these site reported

31  
00:01:06,310 --> 00:01:05,280  
sightings have been from military

32  
00:01:08,230 --> 00:01:06,320  
personnel

33  
00:01:10,630 --> 00:01:08,240  
and because you said that dod is

34  
00:01:13,830 --> 00:01:10,640  
assisting with this effort

35  
00:01:15,190 --> 00:01:13,840  
can you tell us anything about what you

36  
00:01:21,109 --> 00:01:15,200  
have been able to

37  
00:01:25,429 --> 00:01:23,429  
the science fiction scenario of any kind

38  
00:01:26,630 --> 00:01:25,439

of life form is this mechanical

39

00:01:30,390 --> 00:01:26,640

phenomena

40

00:01:33,429 --> 00:01:30,400

is this uh perhaps atmospheric

41

00:01:35,270 --> 00:01:33,439

can you can you just say for people who

42

00:01:38,069 --> 00:01:35,280

are interested that you have ruled out

43

00:01:39,990 --> 00:01:38,079

there's any life forms out there

44

00:01:41,910 --> 00:01:40,000

i would be getting ahead of a report

45

00:01:43,030 --> 00:01:41,920

that hasn't been submitted to congress

46

00:01:45,190 --> 00:01:43,040

yet and that's

47

00:01:46,149 --> 00:01:45,200

never a good idea for a spokesman in

48

00:01:47,670 --> 00:01:46,159

this town so

49

00:01:50,469 --> 00:01:47,680

i don't want to get ahead of the report

50

00:01:51,830 --> 00:01:50,479

we'll uh and i refer you to dni to speak

51

00:01:53,830 --> 00:01:51,840

to that you can rule out

52

00:01:55,670 --> 00:01:53,840

at this point i am not going to get

53

00:01:56,709 --> 00:01:55,680

ahead of a report that this agency is

54

00:01:58,389 --> 00:01:56,719

not writing

55

00:02:01,109 --> 00:01:58,399

uh in response to a congressional

56

00:02:03,910 --> 00:02:01,119

mandate um that i would refer you to dni

57

00:02:05,670 --> 00:02:03,920

for for more detail about that thanks i

58

00:02:06,630 --> 00:02:05,680

think i've got time for one more and i

59

00:02:09,190 --> 00:02:06,640

apologize for the

60

00:02:10,790 --> 00:02:09,200

the time crunch today but um i do have

61

00:02:13,670 --> 00:02:10,800

to

62

00:02:14,790 --> 00:02:13,680

get going here uh paul shinkman from us

63

00:02:15,990 --> 00:02:14,800

news

64

00:02:18,070 --> 00:02:16,000

and then one last question on the

65

00:02:18,710 --> 00:02:18,080

pentagon's contributions to the ufo

66

00:02:19,910 --> 00:02:18,720

report

67

00:02:21,750 --> 00:02:19,920

i've been speaking with a series of

68

00:02:22,630 --> 00:02:21,760

experts abroad who have expressed some

69

00:02:24,229 --> 00:02:22,640

concern about

70

00:02:26,470 --> 00:02:24,239

similar investigations in other

71

00:02:27,589 --> 00:02:26,480

countries having too much of a military

72

00:02:30,070 --> 00:02:27,599

focus and not enough

73

00:02:31,509 --> 00:02:30,080

input from civilian scientists i wonder

74

00:02:33,030 --> 00:02:31,519

if that's a concern that the pentagon

75

00:02:35,110 --> 00:02:33,040

has shared and whether that came up at

76

00:02:41,670 --> 00:02:35,120

all during this most recent a review

77

00:02:50,070 --> 00:02:46,150

study again on mandated by congress

78

00:02:53,110 --> 00:02:50,080

we're providing context and information

79

00:02:55,830 --> 00:02:53,120

um that we have uh on these

80

00:02:57,030 --> 00:02:55,840

uh phenomena and our focus is on again

81

00:02:59,910 --> 00:02:57,040

on supporting

82

00:03:00,550 --> 00:02:59,920

uh the dni's efforts to produce this

83

00:03:02,710 --> 00:03:00,560

report

84

00:03:03,750 --> 00:03:02,720

uh that's that's where our focus is and

85

00:03:05,910 --> 00:03:03,760

uh and

86

00:03:07,910 --> 00:03:05,920

and again that's our that's our lane

87

00:03:09,750 --> 00:03:07,920

that's our place to be in is to provide

88

00:03:10,949 --> 00:03:09,760

uh the kind of contacts that we have the

89

00:03:13,830 --> 00:03:10,959

information that we have

90

00:03:15,430 --> 00:03:13,840

uh to help uh the dni uh produce this
