

1
00:00:05,110 --> 00:00:03,030
americans have long been fascinated

2
00:00:07,110 --> 00:00:05,120
by ufos and the public has seen the

3
00:00:09,750 --> 00:00:07,120
videos that our navy pilots have taken

4
00:00:12,870 --> 00:00:09,760
but do you think that we have been

5
00:00:15,509 --> 00:00:12,880
contacted by extraterrestrials

6
00:00:16,230 --> 00:00:15,519
well i have talked to those navy pilots

7
00:00:19,269 --> 00:00:16,240
and they

8
00:00:21,269 --> 00:00:19,279
are sure that they saw something real

9
00:00:23,429 --> 00:00:21,279
and of course we've seen their video

10
00:00:27,349 --> 00:00:23,439
from their jets

11
00:00:30,390 --> 00:00:27,359
what is it we don't know

12
00:00:31,910 --> 00:00:30,400
so now that i'm here at nasa i've turned

13
00:00:35,190 --> 00:00:31,920

to our scientist

14

00:00:37,190 --> 00:00:35,200

and i've said would you

15

00:00:38,709 --> 00:00:37,200

looking at it from a scientific

16

00:00:41,350 --> 00:00:38,719

standpoint

17

00:00:44,950 --> 00:00:41,360

see if you can determine so that we can

18

00:00:47,590 --> 00:00:44,960

have a better idea we don't know

19

00:00:48,470 --> 00:00:47,600

if it's extraterrestrial we don't know

20

00:00:55,430 --> 00:00:48,480

if it's an

21

00:00:57,350 --> 00:00:55,440

phenomenon we don't think so because of

22

00:01:01,510 --> 00:00:57,360

the characteristics that those

23

00:01:04,229 --> 00:01:01,520

navy jet pilots described as they saw it

24

00:01:05,350 --> 00:01:04,239

move around against the wind the wind's

25

00:01:10,070 --> 00:01:05,360

120

26
00:01:11,910 --> 00:01:10,080
west the bottom line is we want to know

27
00:01:13,270 --> 00:01:11,920
and that's what we're trying to do what

28
00:01:14,550 --> 00:01:13,280
do you think it is i mean what's your

29
00:01:17,590 --> 00:01:14,560
personal take on it

30
00:01:19,910 --> 00:01:17,600
i don't have an idea that's why i turned

31
00:01:21,910 --> 00:01:19,920
to our scientists

32
00:01:24,390 --> 00:01:21,920
and what have they said to you well

33
00:01:25,990 --> 00:01:24,400
they're looking into it

34
00:01:27,910 --> 00:01:26,000
would you like me to call you when i get

35
00:01:29,510 --> 00:01:27,920
an answer please because i want to know

36
00:01:30,789 --> 00:01:29,520
just as much as you want to know just as

37
00:01:32,630 --> 00:01:30,799
much as the public wants to know of

38
00:01:35,429 --> 00:01:32,640

course and you know the pentagon

39

00:01:36,630 --> 00:01:35,439

they will soon release their report on

40

00:01:38,630 --> 00:01:36,640

ufos

41

00:01:39,990 --> 00:01:38,640

but when you know when people think of

42

00:01:43,030 --> 00:01:40,000

mysterious things flying

43

00:01:45,590 --> 00:01:43,040

in the sky and aliens they think of nasa

44

00:01:46,870 --> 00:01:45,600

so what have you guys been briefed about

45

00:01:49,830 --> 00:01:46,880

in terms of this report

46

00:01:51,670 --> 00:01:49,840

have you been involved in any way i was

47

00:01:54,310 --> 00:01:51,680

actually briefed on this a couple of

48

00:01:56,950 --> 00:01:54,320

years ago in my capacity on the senate

49

00:01:59,590 --> 00:01:56,960

armed services committee

50

00:02:00,789 --> 00:01:59,600

nasa appropriately is going to look at

51
00:02:03,270 --> 00:02:00,799
it through the lens

52
00:02:05,270 --> 00:02:03,280
of its scientists and that's what we're

53
00:02:05,590 --> 00:02:05,280
doing but do you think the agency should

54
00:02:09,029 --> 00:02:05,600
be

55
00:02:11,110 --> 00:02:09,039
more involved at this point well we are

56
00:02:13,430 --> 00:02:11,120
and i've started it i've been here a

57
00:02:14,790 --> 00:02:13,440
month and i've started it

58
00:02:16,710 --> 00:02:14,800
and are you guys working with the

59
00:02:20,309 --> 00:02:16,720
pentagon then on that report

60
00:02:22,710 --> 00:02:20,319
we are not directly working with them

61
00:02:24,710 --> 00:02:22,720
but i can guarantee you if we find
