[Music]

5
00:00:40,950 --> 00:00:39,200
hello my name is brian wellman i

6
00:00:45,430 --> 00:00:40,960
currently live in tennessee

7
00:00:47,990 --> 00:00:45,440
but uh in september of 2019

8
00:00:49,190 --> 00:00:48,000
i was visiting moab utah with my dad on

9
00:00:53,510 --> 00:00:49,200
vacation

10
00:00:56,950 --> 00:00:53,520
and we were in canyonlands national park

11
00:00:59,189 --> 00:00:56,960
i had taken an online

12
00:01:01,670 --> 00:00:59,199
night photography class and i wanted to

13
00:01:04,469 --> 00:01:01,680

take some milky way photos

14

00:01:07,270 --> 00:01:04,479

so we did this we decided to go out that

15

00:01:08,789 --> 00:01:07,280

night and do that we had uh

16

00:01:10,550 --> 00:01:08,799

one last night where the moon was going

17

00:01:11,990 --> 00:01:10,560

to be down about i can't remember the

18

00:01:14,870 --> 00:01:12,000

exact time around 10 30 at

19

00:01:16,630 --> 00:01:14,880

night and then we should have you know

20

00:01:18,630 --> 00:01:16,640

pretty good night sky

21

00:01:20,630 --> 00:01:18,640

it was cloudy and raining in some areas

22

00:01:23,350 --> 00:01:20,640

but it was clearing off

23

00:01:25,510 --> 00:01:23,360

we did still have some clouds but not

24

00:01:29,350 --> 00:01:25,520

really bad

25

00:01:31,510 --> 00:01:29,360

we my father was sick that night um

26
00:01:32,789 --> 00:01:31,520
and we were trying to decide when we

27
00:01:34,789 --> 00:01:32,799
were gonna go

28
00:01:36,469 --> 00:01:34,799
i wanted to sleep a little bit and then

29
00:01:37,830 --> 00:01:36,479
get up at like two or three in the

30
00:01:39,670 --> 00:01:37,840
morning and go

31
00:01:41,670 --> 00:01:39,680
but he thought since he was sick it

32
00:01:43,350 --> 00:01:41,680
would be best to go

33
00:01:45,270 --> 00:01:43,360
early in the night and then he could

34
00:01:48,389 --> 00:01:45,280
sleep uninterrupted

35
00:01:50,149 --> 00:01:48,399
and hopefully feel better so we

36
00:01:52,950 --> 00:01:50,159
headed out to canyonlands probably

37
00:01:55,190 --> 00:01:52,960
between 9 30 and 10.

38
00:01:57,350 --> 00:01:55,200

i know we got there before the moon was

39

00:01:58,950 --> 00:01:57,360
down uh i had set up my camera

40

00:02:01,510 --> 00:01:58,960
beforehand

41

00:02:02,789 --> 00:02:01,520
and um all the settings that i needed

42

00:02:04,630 --> 00:02:02,799
for

43

00:02:06,950 --> 00:02:04,640
uh some milky way photos i had the

44

00:02:09,430 --> 00:02:06,960
camera on a tripod etc

45

00:02:11,190 --> 00:02:09,440
um so we got there we we just drove into

46

00:02:13,430 --> 00:02:11,200
the park we were going to look for a

47

00:02:15,750 --> 00:02:13,440
um you know a good place to set up where

48

00:02:18,710 --> 00:02:15,760
hopefully we wouldn't have

49

00:02:20,470 --> 00:02:18,720
any cars or anyone around so we ended up

50

00:02:24,229 --> 00:02:20,480
driving into

51
00:02:26,710 --> 00:02:24,239
shaffer canyon overlook which is uh

52
00:02:27,589 --> 00:02:26,720
quite a nice overlook there towards the

53
00:02:30,949 --> 00:02:27,599
east

54
00:02:34,869 --> 00:02:30,959
um as the moon was setting to the west

55
00:02:36,550 --> 00:02:34,879
behind me if i remember correctly

56
00:02:37,910 --> 00:02:36,560
so i was set up i had the tripod pulled

57
00:02:39,990 --> 00:02:37,920
out and

58
00:02:41,750 --> 00:02:40,000
uh has just just practiced taking a

59
00:02:43,110 --> 00:02:41,760
couple shots as i waited for the moon to

60
00:02:45,190 --> 00:02:43,120
go down

61
00:02:46,790 --> 00:02:45,200
um shortly after the moon went down

62
00:02:47,990 --> 00:02:46,800
actually before i was really taking any

63
00:02:50,790 --> 00:02:48,000

photos i noticed

64

00:02:51,830 --> 00:02:50,800

um you're coming from kind of the

65

00:02:54,630 --> 00:02:51,840

southeast

66

00:02:55,990 --> 00:02:54,640

um a streak in the sky and i didn't

67

00:02:57,350 --> 00:02:56,000

think much of it thought it was probably

68

00:03:00,630 --> 00:02:57,360

a shooting star

69

00:03:03,350 --> 00:03:00,640

or you know meteor and i went back to

70

00:03:05,110 --> 00:03:03,360

getting ready to take some photos and uh

71

00:03:07,670 --> 00:03:05,120

wasn't within

72

00:03:09,830 --> 00:03:07,680

it was within a minute probably that i

73

00:03:13,350 --> 00:03:09,840

saw a streak in the same

74

00:03:14,710 --> 00:03:13,360

general area in the sky so i stopped and

75

00:03:17,190 --> 00:03:14,720

i looked

76

00:03:18,149 --> 00:03:17,200

and i noticed uh three lights which i

77

00:03:19,589 --> 00:03:18,159

thought looked like they were in

78

00:03:21,430 --> 00:03:19,599

formation

79

00:03:23,750 --> 00:03:21,440

and i thought wow that's a ufo so i ran

80

00:03:26,229 --> 00:03:23,760

over to my dad he was sitting in

81

00:03:27,830 --> 00:03:26,239

sitting in the car um because again he

82

00:03:30,309 --> 00:03:27,840

didn't feel well

83

00:03:31,670 --> 00:03:30,319

and i said hey dad i think we got a ufo

84

00:03:33,589 --> 00:03:31,680

and he said yeah i've been watching it

85

00:03:36,949 --> 00:03:33,599

he said it uh

86

00:03:37,589 --> 00:03:36,959

it came over um this kind of like cliff

87

00:03:42,309 --> 00:03:37,599

or

88

00:03:44,550 --> 00:03:42,319

hill there and and moved slowly

89

00:03:47,430 --> 00:03:44,560

and then a couple times it streaked um

90

00:03:50,470 --> 00:03:47,440

into a position where it was probably

91

00:03:54,309 --> 00:03:50,480

uh you know degree wise from us probably

92

00:03:56,949 --> 00:03:54,319

75 degrees in the sky there

93

00:04:00,309 --> 00:03:56,959

so we watched it and it uh moved a

94

00:04:03,589 --> 00:04:00,319

little closer and slowly in

95

00:04:06,710 --> 00:04:03,599

and again at that point i thought it was

96

00:04:08,630 --> 00:04:06,720

three different objects

97

00:04:10,229 --> 00:04:08,640

so we watched a little bit and it uh it

98

00:04:11,110 --> 00:04:10,239

moved around and made some incredible

99

00:04:14,149 --> 00:04:11,120

movements

100

00:04:17,509 --> 00:04:14,159

um you know streaking through the sky

101

00:04:19,509 --> 00:04:17,519

uh it was completely silent

102

00:04:20,949 --> 00:04:19,519

it looked like it moved back and then

103

00:04:23,110 --> 00:04:20,959

back kind of close to where it was

104

00:04:26,469 --> 00:04:23,120

before a couple of times

105

00:04:26,790 --> 00:04:26,479

and uh really interesting um directly

106

00:04:29,990 --> 00:04:26,800

due

107

00:04:32,469 --> 00:04:30,000

east there was a white light very bright

108

00:04:34,790 --> 00:04:32,479

white light in the sky and i was talking

109

00:04:37,510 --> 00:04:34,800

to my dad and he said he had seen that

110

00:04:39,030 --> 00:04:37,520

almost since we had been there and at

111

00:04:41,670 --> 00:04:39,040

times he thought it was maybe someone

112

00:04:43,110 --> 00:04:41,680

with a flashlight

113

00:04:44,390 --> 00:04:43,120

maybe someone with a real bright light

114

00:04:44,950 --> 00:04:44,400

but he watched it for a while and was

115

00:04:48,230 --> 00:04:44,960

making

116

00:04:49,749 --> 00:04:48,240

really erratic movements and uh

117

00:04:51,590 --> 00:04:49,759

he said he actually watched it for for

118

00:04:53,990 --> 00:04:51,600

quite some time didn't know what it was

119

00:04:55,670 --> 00:04:54,000

uh so we you know i saw that ufo off to

120

00:04:57,749 --> 00:04:55,680

the side to the east and then we had the

121

00:04:59,590 --> 00:04:57,759

one that had come from the southeast

122

00:05:01,510 --> 00:04:59,600

um they each had like different color

123

00:05:04,230 --> 00:05:01,520

lights the one

124

00:05:06,070 --> 00:05:04,240

that had kind of done streaks in had

125

00:05:07,110 --> 00:05:06,080

whitish blue lights

126

00:05:09,110 --> 00:05:07,120

again at this time i thought it was

127

00:05:09,590 --> 00:05:09,120

three different objects then the one

128

00:05:11,350 --> 00:05:09,600

that was

129

00:05:12,870 --> 00:05:11,360

the bright light to the east was just

130

00:05:15,350 --> 00:05:12,880

looked like one bright

131

00:05:16,950 --> 00:05:15,360

white light and it moved very radically

132

00:05:18,710 --> 00:05:16,960

throughout the canyons um it looked like

133

00:05:20,230 --> 00:05:18,720

a ping pong ball it was moving so fast

134

00:05:21,510 --> 00:05:20,240

and erratically down and in and out of

135

00:05:23,430 --> 00:05:21,520

the canyons

136

00:05:24,790 --> 00:05:23,440

um just fastening we had no idea what

137

00:05:26,950 --> 00:05:24,800

that what that was

138

00:05:28,950 --> 00:05:26,960

i was about this time that i noticed

139

00:05:30,710 --> 00:05:28,960

three red lights

140

00:05:32,629 --> 00:05:30,720

and they were kind of in the east too

141

00:05:34,230 --> 00:05:32,639

and they were um again look like

142

00:05:35,830 --> 00:05:34,240

something in formation

143

00:05:38,310 --> 00:05:35,840

and uh that's that's what i thought it

144

00:05:41,590 --> 00:05:38,320

was that they were in formation

145

00:05:43,830 --> 00:05:41,600

at one point they looked like they did

146

00:05:45,590 --> 00:05:43,840

a pivot and plunged towards the ground

147

00:05:47,189 --> 00:05:45,600

which it really caught my

148

00:05:49,990 --> 00:05:47,199

my breath because i thought wow it's

149

00:05:52,230 --> 00:05:50,000

that's going to explode into the ground

150

00:05:53,909 --> 00:05:52,240

and they just disappear there's no no

151
00:05:55,749 --> 00:05:53,919
sound nothing happened no explosion

152
00:05:57,189 --> 00:05:55,759
and they were gone uh they would

153
00:05:59,029 --> 00:05:57,199
reappear

154
00:06:00,870 --> 00:05:59,039
uh and you know within a few minutes and

155
00:06:03,270 --> 00:06:00,880
i saw that one again

156
00:06:05,990 --> 00:06:03,280
so um you know at times there were three

157
00:06:08,870 --> 00:06:06,000
different ufos in the sky at one time

158
00:06:10,070 --> 00:06:08,880
that we that we were able to see i

159
00:06:11,189 --> 00:06:10,080
remembered i had a small pair of

160
00:06:12,870 --> 00:06:11,199
binoculars and i

161
00:06:15,510 --> 00:06:12,880
i got those out of the car and i put it

162
00:06:17,029 --> 00:06:15,520
on put those binoculars on the first one

163
00:06:18,550 --> 00:06:17,039

that had come in which it had stayed

164

00:06:21,830 --> 00:06:18,560

pretty much in the same spot you know

165

00:06:24,710 --> 00:06:21,840

with besides moving back and forth

166

00:06:25,990 --> 00:06:24,720

a few times and it was then i realized

167

00:06:26,790 --> 00:06:26,000

that it wasn't three different crap but

168

00:06:29,990 --> 00:06:26,800

it was one

169

00:06:32,390 --> 00:06:30,000

triangular craft it was a black triangle

170

00:06:33,830 --> 00:06:32,400

with the white bluish lights on it

171

00:06:36,390 --> 00:06:33,840

so i gave my dad the binoculars and we

172

00:06:38,469 --> 00:06:36,400

both took a couple turns looking at it

173

00:06:39,830 --> 00:06:38,479

just an amazing sight through the

174

00:06:43,110 --> 00:06:39,840

binoculars

175

00:06:45,430 --> 00:06:43,120

that was

176
00:06:46,550 --> 00:06:45,440
towards the east uh the white the bright

177
00:06:48,790 --> 00:06:46,560
light the bright

178
00:06:50,870 --> 00:06:48,800
white one and i noticed when i had

179
00:06:53,350 --> 00:06:50,880
binoculars on it it was also a

180
00:06:55,189 --> 00:06:53,360
triangle the white light was so bright

181
00:06:57,029 --> 00:06:55,199
actually three lights were so bright it

182
00:06:59,029 --> 00:06:57,039
looked like one bright light

183
00:07:00,390 --> 00:06:59,039
but it was also a triangle and it was uh

184
00:07:03,589 --> 00:07:00,400
the one that was bouncing around

185
00:07:05,510 --> 00:07:03,599
within the canyons i found the one with

186
00:07:09,029 --> 00:07:05,520
the red lights on the corners

187
00:07:12,070 --> 00:07:09,039
and uh again another triangle um

188
00:07:15,189 --> 00:07:12,080

this this uh this encounter this

189

00:07:17,189 --> 00:07:15,199

these uh triangles are there for for two

190

00:07:19,510 --> 00:07:17,199

hours the the time we were there

191

00:07:21,029 --> 00:07:19,520

um during that time i had taken an

192

00:07:22,070 --> 00:07:21,039

online class so i was really determined

193

00:07:24,469 --> 00:07:22,080

to try to get some nice skype

194

00:07:26,950 --> 00:07:24,479

photography which i was able to do

195

00:07:29,990 --> 00:07:26,960

um unfortunately i was only able to get

196

00:07:32,629 --> 00:07:30,000

some photographs of the white one

197

00:07:33,990 --> 00:07:32,639

as it was silhouetted on the lasalle

198

00:07:35,189 --> 00:07:34,000

mountains which were due east from

199

00:07:38,469 --> 00:07:35,199

canyonlands

200

00:07:41,830 --> 00:07:38,479

but we did observe those those uh

201
00:07:43,830 --> 00:07:41,840
triangles for for within those two hours

202
00:07:45,029 --> 00:07:43,840
i saw a lot of weird erratic movements

203
00:07:46,869 --> 00:07:45,039
from them

204
00:07:49,510 --> 00:07:46,879
they were able to streak what looked

205
00:07:52,629 --> 00:07:49,520
like miles across the sky

206
00:07:53,909 --> 00:07:52,639
in a fraction or a second

207
00:07:55,670 --> 00:07:53,919
they would even look like they

208
00:07:56,550 --> 00:07:55,680
disappeared and would appear in another

209
00:07:58,070 --> 00:07:56,560
area

210
00:08:00,070 --> 00:07:58,080
sometimes it looked like a just big

211
00:08:02,869 --> 00:08:00,080
streak of light and they'd appear

212
00:08:04,710 --> 00:08:02,879
you know at the end of that streak i

213
00:08:07,430 --> 00:08:04,720

never saw a center light

214

00:08:09,029 --> 00:08:07,440

my dad did notice with the one white one

215

00:08:11,189 --> 00:08:09,039

that was really bright

216

00:08:12,469 --> 00:08:11,199

that it pivoted what looked to be

217

00:08:14,629 --> 00:08:12,479

vertical

218

00:08:16,629 --> 00:08:14,639

and it turned and he saw a white light

219

00:08:18,150 --> 00:08:16,639

in the center fire on

220

00:08:20,230 --> 00:08:18,160

and it looked like when that light came

221

00:08:22,710 --> 00:08:20,240

on it propelled itself across the sky

222

00:08:23,670 --> 00:08:22,720

so i did not see that but he did and i

223

00:08:26,469 --> 00:08:23,680

thought that was a very

224

00:08:28,950 --> 00:08:26,479

interesting observation i would have

225

00:08:31,189 --> 00:08:28,960

liked to have seen it but

226

00:08:32,709 --> 00:08:31,199

i continued to watch them the white the

227

00:08:33,990 --> 00:08:32,719

one with the bluish white lights and the

228

00:08:36,070 --> 00:08:34,000

one with red lights

229

00:08:37,430 --> 00:08:36,080

interacted for a while the white one had

230

00:08:38,790 --> 00:08:37,440

pulled back again

231

00:08:40,389 --> 00:08:38,800

and i noticed they look like they were

232

00:08:41,990 --> 00:08:40,399

kind of rotating around each other i'm

233

00:08:44,230 --> 00:08:42,000

not sure what they were doing

234

00:08:45,110 --> 00:08:44,240

i'm kind of like orbiting each other or

235

00:08:47,430 --> 00:08:45,120

just

236

00:08:48,470 --> 00:08:47,440

you know flying around each other that

237

00:08:51,509 --> 00:08:48,480

lasted a little bit

238

00:08:53,110 --> 00:08:51,519

we observed that with binoculars i did

239

00:08:54,630 --> 00:08:53,120

again tried to take a couple pictures

240

00:08:55,910 --> 00:08:54,640

those just did not turn out i didn't see

241

00:08:57,670 --> 00:08:55,920

anything of the other

242

00:08:59,269 --> 00:08:57,680

craft the only one i saw any pictures of

243

00:09:00,470 --> 00:08:59,279

was the one that was with white bright

244

00:09:02,949 --> 00:09:00,480

lights

245

00:09:05,110 --> 00:09:02,959

so again you know the i didn't really

246

00:09:08,070 --> 00:09:05,120

feel any fear

247

00:09:09,269 --> 00:09:08,080

it was more this is amazing um they did

248

00:09:11,030 --> 00:09:09,279

kind of circle

249

00:09:13,190 --> 00:09:11,040

felt like we were being surrounded at

250

00:09:14,470 --> 00:09:13,200

one time and i felt a little

251
00:09:16,150 --> 00:09:14,480
you know a little apprehension there was

252
00:09:17,430 --> 00:09:16,160
like wow we're completely surrounded but

253
00:09:18,870 --> 00:09:17,440
i knew

254
00:09:20,470 --> 00:09:18,880
at any point you know with the

255
00:09:22,470 --> 00:09:20,480
sophistication of what we were seeing

256
00:09:25,030 --> 00:09:22,480
that they could do anything i wanted

257
00:09:27,110 --> 00:09:25,040
again my father was sick so around

258
00:09:27,509 --> 00:09:27,120
midnight maybe a little after we decided

259
00:09:30,310 --> 00:09:27,519
to

260
00:09:31,590 --> 00:09:30,320
go ahead and wrap things up and and go

261
00:09:33,350 --> 00:09:31,600
the craft were still

262
00:09:35,269 --> 00:09:33,360
there they were still maneuvering

263
00:09:36,790 --> 00:09:35,279

through the canyons and up in the air

264

00:09:38,870 --> 00:09:36,800

i'm not sure what they were doing i

265

00:09:41,670 --> 00:09:38,880

speculate uh

266

00:09:43,750 --> 00:09:41,680

that they were mapping or were doing a

267

00:09:45,910 --> 00:09:43,760

reconnaissance of the area

268

00:09:47,829 --> 00:09:45,920

um i was in military intelligence that

269

00:09:50,470 --> 00:09:47,839

just looked like they were really

270

00:09:52,150 --> 00:09:50,480

gathering information of the terrain

271

00:09:53,829 --> 00:09:52,160

which the white one was again was in and

272

00:09:55,670 --> 00:09:53,839

out of the canyons

273

00:09:57,269 --> 00:09:55,680

and all over so i don't know if it was

274

00:09:58,870 --> 00:09:57,279

mapping the only two things that could

275

00:10:00,230 --> 00:09:58,880

come to mind for me is they were mapping

276

00:10:01,990 --> 00:10:00,240

or doing a reconnaissance

277

00:10:03,670 --> 00:10:02,000

or they were looking for something so

278

00:10:06,230 --> 00:10:03,680

i'm not sure what they were doing

279

00:10:08,069 --> 00:10:06,240

we left we started driving down from

280

00:10:10,790 --> 00:10:08,079

canyonlands coming off the

281

00:10:11,350 --> 00:10:10,800

the ridges there and i do remember you

282

00:10:14,550 --> 00:10:11,360

know

283

00:10:16,550 --> 00:10:14,560

i just was looking at one to make sure

284

00:10:18,230 --> 00:10:16,560

we didn't have any lost time which

285

00:10:21,430 --> 00:10:18,240

you know i don't think we had any lost

286

00:10:23,829 --> 00:10:21,440

time at all just an incredible encounter

287

00:10:24,630 --> 00:10:23,839

with the three of three ufos that lasted

288

00:10:26,790 --> 00:10:24,640

uh

289

00:10:28,389 --> 00:10:26,800

you know at least two hours there almost

290

00:10:30,630 --> 00:10:28,399

two hours

291

00:10:32,389 --> 00:10:30,640

but it's something i'll never forget i

292

00:10:32,870 --> 00:10:32,399

reached a couple of things i reached out

293

00:10:35,670 --> 00:10:32,880

to

294

00:10:36,389 --> 00:10:35,680

an author dave marlar who has written a

295

00:10:38,230 --> 00:10:36,399

book about

296

00:10:40,389 --> 00:10:38,240

triangles which if you read the book

297

00:10:43,030 --> 00:10:40,399

they've been cited for many

298

00:10:44,710 --> 00:10:43,040

many years not just since the 70s but

299

00:10:48,550 --> 00:10:44,720

going back through time

300

00:10:50,470 --> 00:10:48,560

i also was in an episode of unidentified

301

00:10:51,670 --> 00:10:50,480

um they did an episode on black

302

00:10:54,069 --> 00:10:51,680

triangles

303

00:10:54,949 --> 00:10:54,079

uh i stayed anonymous there i was just

304

00:10:56,790 --> 00:10:54,959

uh

305

00:10:58,310 --> 00:10:56,800

was apprehensive about you know putting

306

00:10:59,269 --> 00:10:58,320

my name out there but now i you know i

307

00:11:01,670 --> 00:10:59,279

realized it's

308

00:11:03,350 --> 00:11:01,680

you know there's nothing nothing to to

309

00:11:04,710 --> 00:11:03,360

hide from you know as far as my name i

310

00:11:05,910 --> 00:11:04,720

don't mind that people know

311

00:11:08,230 --> 00:11:05,920

and i'm more than happy to answer

312

00:11:10,230 --> 00:11:08,240

questions that anybody would have

313

00:11:11,350 --> 00:11:10,240

um but that was interesting being on

314

00:11:14,069 --> 00:11:11,360

that episode of

315

00:11:15,509 --> 00:11:14,079

unidentified they did a really good job

316

00:11:16,870 --> 00:11:15,519

but there were some things they left out

317

00:11:18,870 --> 00:11:16,880

some things they kind of twisted around

318

00:11:20,150 --> 00:11:18,880

i guess probably to try to make it a

319

00:11:23,030 --> 00:11:20,160

more interesting story

320

00:11:23,670 --> 00:11:23,040

but um yeah it's uh season two and it's

321

00:11:27,509 --> 00:11:23,680

uh

322

00:11:31,509 --> 00:11:27,519

thank you for your time

323

00:11:35,590 --> 00:11:34,389

hi i'm lee i live in manchester in the

324

00:11:38,710 --> 00:11:35,600

uk

325

00:11:41,190 --> 00:11:38,720

and i'm 35 years old i was around

326

00:11:41,990 --> 00:11:41,200

8 or 9 at the time and i was traveling

327

00:11:45,190 --> 00:11:42,000

in a car from

328

00:11:47,269 --> 00:11:45,200

blackpool to mukbang to manchester

329

00:11:49,350 --> 00:11:47,279

in the car there was myself and my

330

00:11:52,949 --> 00:11:49,360

brother who is two years younger than me

331

00:11:55,190 --> 00:11:52,959

and my mom and my dad so we were driving

332

00:11:57,430 --> 00:11:55,200

down a country country road on the way

333

00:11:58,790 --> 00:11:57,440

home it was pitch black

334

00:12:00,470 --> 00:11:58,800

and we were the only car on the road

335

00:12:02,629 --> 00:12:00,480

from what i remember

336

00:12:03,670 --> 00:12:02,639

the car we were driving in it was an old

337

00:12:06,069 --> 00:12:03,680

black sail astra

338

00:12:07,509 --> 00:12:06,079

and it had one of the old sunroofs that

339

00:12:09,509 --> 00:12:07,519

they don't think they do anymore

340

00:12:11,750 --> 00:12:09,519

and i just remember looking up and

341

00:12:14,710 --> 00:12:11,760

seeing this black triangle in the sky

342

00:12:15,430 --> 00:12:14,720

and so i said to me mum look at that mum

343

00:12:17,910 --> 00:12:15,440

what's that

344

00:12:18,470 --> 00:12:17,920

so my mum looked up she she said i don't

345

00:12:20,150 --> 00:12:18,480

know

346

00:12:22,150 --> 00:12:20,160

i remember shaking my brother to wake

347

00:12:23,509 --> 00:12:22,160

him up because he was asleep at the time

348

00:12:25,269 --> 00:12:23,519

fortunately i don't remember what my

349

00:12:26,310 --> 00:12:25,279

brother said because it was a long time

350

00:12:28,150 --> 00:12:26,320

ago

351

00:12:29,990 --> 00:12:28,160

i remember my dad asking what was what's

352

00:12:31,509 --> 00:12:30,000

going on so we told him

353

00:12:33,590 --> 00:12:31,519

however he couldn't really do much

354

00:12:35,829 --> 00:12:33,600

except carry on driving

355

00:12:36,949 --> 00:12:35,839

so as we looked up we watched this

356

00:12:39,670 --> 00:12:36,959

object for around

357

00:12:41,190 --> 00:12:39,680

two minutes and then it just disappeared

358

00:12:44,230 --> 00:12:41,200

no sound

359

00:12:46,069 --> 00:12:44,240

no lights he was just gone

360

00:12:47,670 --> 00:12:46,079

it's stuck with me ever since and i

361

00:12:48,310 --> 00:12:47,680

still bring you up now to talk about

362

00:12:51,110 --> 00:12:48,320

with my mum

363

00:12:52,710 --> 00:12:51,120

and she she remembers it vividly as well

364

00:12:53,590 --> 00:12:52,720

it's just a shame we had no recording

365

00:12:55,509 --> 00:12:53,600

equipment because

366

00:12:57,269 --> 00:12:55,519

back then it was just the big camcorder

367

00:12:57,750 --> 00:12:57,279

things that we we had but we didn't

368

00:13:00,710 --> 00:12:57,760

really

369

00:13:01,829 --> 00:13:00,720

didn't carry at the time so that's a bit

370

00:13:03,910 --> 00:13:01,839

of a regret

371

00:13:05,990 --> 00:13:03,920

i don't remember feeling scared or

372

00:13:08,310 --> 00:13:06,000

frightened i just remember looking

373

00:13:09,269 --> 00:13:08,320

in amazement more than anything and ever

374

00:13:12,230 --> 00:13:09,279

since then i've been

375

00:13:14,150 --> 00:13:12,240

interested in ufos and uaps and anything

376

00:13:16,389 --> 00:13:14,160

to do with space

377

00:13:17,829 --> 00:13:16,399

and it's left me 100 convinced that

378

00:13:19,590 --> 00:13:17,839

we're not alone

379

00:13:21,350 --> 00:13:19,600

when i get an opportunity i always look

380

00:13:22,790 --> 00:13:21,360

up to the sky to see if we can see

381

00:13:24,629 --> 00:13:22,800

anything else and

382

00:13:27,030 --> 00:13:24,639

but unfortunately i've not seen anything

383

00:13:29,110 --> 00:13:27,040

since thank you ryan for giving me the

384

00:13:30,629 --> 00:13:29,120

opportunity to tell my story um i know

385

00:13:33,190 --> 00:13:30,639

it's only sharp

386

00:13:34,960 --> 00:13:33,200

i keep the good work on the podcast and

387

00:13:37,110 --> 00:13:34,970

keep looking up

388

00:13:40,870 --> 00:13:37,120

[Music]

389

00:13:42,310 --> 00:13:40,880

hi my name is kyle and uh this is my

390

00:13:45,910 --> 00:13:42,320

sighting

391

00:13:49,509 --> 00:13:45,920

in 2003 i was living in the town

392

00:13:50,550 --> 00:13:49,519

of belvedere illinois and my brother and

393

00:13:54,069 --> 00:13:50,560

i were playing

394

00:13:58,230 --> 00:13:54,079

um horse in our driveway and we had

395

00:14:01,269 --> 00:13:58,240

a hoop that was on our garage and it was

396

00:14:03,829 --> 00:14:01,279

facing west and my brother had tossed

397

00:14:06,949 --> 00:14:03,839

the ball in and bounced off the hoop

398

00:14:10,069 --> 00:14:06,959

and i go to follow the hoop with my eyes

399

00:14:14,389 --> 00:14:10,079

as it goes into the trees and i see this

400

00:14:18,710 --> 00:14:14,399

dark charcoal colored triangular shape

401
00:14:19,750 --> 00:14:18,720
and it was probably 2 000 to 2500 feet

402
00:14:22,870 --> 00:14:19,760
in the air

403
00:14:26,550 --> 00:14:22,880
uh almost almost directly above and

404
00:14:28,870 --> 00:14:26,560
to the front or to the west of us and

405
00:14:31,509 --> 00:14:28,880
it didn't have any like solid edges it

406
00:14:34,389 --> 00:14:31,519
was all rounded on the sides

407
00:14:35,750 --> 00:14:34,399
and the back and in the back in a

408
00:14:39,829 --> 00:14:35,760
recessed section

409
00:14:43,670 --> 00:14:39,839
there were two like circle

410
00:14:46,710 --> 00:14:43,680
nozzles on each side and a

411
00:14:47,509 --> 00:14:46,720
longer uh elongated oval in the center

412
00:14:51,269 --> 00:14:47,519
but it was

413
00:14:54,949 --> 00:14:51,279

like recessed inside of the that flat

414

00:14:57,670 --> 00:14:54,959

that edge of the triangle and

415

00:14:57,990 --> 00:14:57,680

i looked at my brother and i was like

416

00:15:00,550 --> 00:14:58,000

what's

417

00:15:01,110 --> 00:15:00,560

that at the time i was really interested

418

00:15:04,230 --> 00:15:01,120

in

419

00:15:06,310 --> 00:15:04,240

you know our modern jets and uh mostly

420

00:15:08,550 --> 00:15:06,320

world war ii aircraft

421

00:15:09,750 --> 00:15:08,560

and i was like i i've never seen

422

00:15:11,910 --> 00:15:09,760

anything like that

423

00:15:14,310 --> 00:15:11,920

and uh that weekend we were supposed to

424

00:15:17,350 --> 00:15:14,320

go to our grandparents house

425

00:15:19,350 --> 00:15:17,360

and um we did

426

00:15:21,509 --> 00:15:19,360

and i we talked to my my

427

00:15:23,350 --> 00:15:21,519

step-grandfather about it and

428

00:15:24,790 --> 00:15:23,360

we spent two hours on the internet

429

00:15:27,110 --> 00:15:24,800

trying to find something that matched

430

00:15:30,389 --> 00:15:27,120

our description and

431

00:15:33,350 --> 00:15:30,399

we never found it and

432

00:15:33,910 --> 00:15:33,360

shortly after that i started having

433

00:15:37,990 --> 00:15:33,920

bouts

434

00:15:39,269 --> 00:15:38,000

of um sleep paralysis

435

00:15:41,430 --> 00:15:39,279

i would wake up in the middle of the

436

00:15:44,629 --> 00:15:41,440

night and

437

00:15:47,749 --> 00:15:44,639

i would be frozen and i couldn't move

438

00:15:51,670 --> 00:15:47,759

my fingers or my toes

439

00:15:55,030 --> 00:15:51,680

and i couldn't scream and

440

00:15:58,150 --> 00:15:55,040

it was really hard

441

00:16:01,430 --> 00:15:58,160

and i didn't know what to do about it um

442

00:16:03,749 --> 00:16:01,440

i continued having the sleep paralysis

443

00:16:05,110 --> 00:16:03,759

for years after that and i eventually

444

00:16:07,670 --> 00:16:05,120

just

445

00:16:08,150 --> 00:16:07,680

figured out that i had to relax and

446

00:16:11,910 --> 00:16:08,160

breathe

447

00:16:15,189 --> 00:16:11,920

and close my eyes and focus on moving

448

00:16:18,710 --> 00:16:15,199

things that to get my body working again

449

00:16:21,829 --> 00:16:18,720

and um

450

00:16:24,870 --> 00:16:21,839

shortly after the first incident

451
00:16:26,069 --> 00:16:24,880
i was getting off the bus with my friend

452
00:16:29,030 --> 00:16:26,079
nick

453
00:16:30,310 --> 00:16:29,040
and as we got off the bus we saw these

454
00:16:33,269 --> 00:16:30,320
two jets chase

455
00:16:35,269 --> 00:16:33,279
something that was smoldering in the air

456
00:16:37,509 --> 00:16:35,279
and we asked our

457
00:16:39,990 --> 00:16:37,519
reading teacher the next day who was a

458
00:16:41,430 --> 00:16:40,000
uh air force reservist

459
00:16:43,189 --> 00:16:41,440
and she said she didn't know anything

460
00:16:45,189 --> 00:16:43,199
about it she'd ask and we of course

461
00:16:48,389 --> 00:16:45,199
never heard anything

462
00:16:51,670 --> 00:16:48,399
but after that um i

463
00:16:52,310 --> 00:16:51,680

started having real vivid uh lucid

464

00:16:54,949 --> 00:16:52,320

dreams

465

00:16:55,829 --> 00:16:54,959

and uh that's something i still have to

466

00:16:59,829 --> 00:16:55,839

this day i

467

00:17:02,949 --> 00:16:59,839

i don't correlate these incidents

468

00:17:05,909 --> 00:17:02,959

and put them together but it seems

469

00:17:07,350 --> 00:17:05,919

that it's something that happens to

470

00:17:11,909 --> 00:17:07,360

people who witness

471

00:17:17,110 --> 00:17:11,919

the dark triangles and yeah that's

472

00:17:21,829 --> 00:17:19,510

hello my name's michael um i'm

473

00:17:24,949 --> 00:17:21,839

originally from the united kingdom

474

00:17:28,390 --> 00:17:24,959

from a place called liverpool um i

475

00:17:30,830 --> 00:17:28,400

migrated and i now live in perth western

476
00:17:34,150 --> 00:17:30,840
australia

477
00:17:37,110 --> 00:17:34,160
um i'd like to tell you

478
00:17:40,070 --> 00:17:37,120
what happened to me and my girlfriend at

479
00:17:43,350 --> 00:17:40,080
the time who went on to become my wife

480
00:17:47,230 --> 00:17:43,360
um the event

481
00:17:50,150 --> 00:17:47,240
took place in

482
00:17:53,590 --> 00:17:50,160
1997 i actually know precisely when it

483
00:17:57,029 --> 00:17:53,600
took place it was the 28th of march

484
00:17:57,830 --> 00:17:57,039
and i'll tell you a bit more about that

485
00:18:01,290 --> 00:17:57,840
why i know

486
00:18:03,029 --> 00:18:01,300
the date a little bit later and

487
00:18:06,070 --> 00:18:03,039
[Music]

488
00:18:09,110 --> 00:18:06,080

what happened was we were in a car

489

00:18:12,950 --> 00:18:09,120

traveling between

490

00:18:14,870 --> 00:18:12,960

formby and southport and west lancashire

491

00:18:17,990 --> 00:18:14,880

in the united kingdom

492

00:18:21,190 --> 00:18:18,000

and we were on the way to a party

493

00:18:24,230 --> 00:18:21,200

it was about it was

494

00:18:27,669 --> 00:18:24,240

like early evening it was still light

495

00:18:31,270 --> 00:18:27,679

but it was starting to um

496

00:18:33,270 --> 00:18:31,280

go dark and we were quite excited we

497

00:18:34,950 --> 00:18:33,280

hadn't been drinking or anything we were

498

00:18:36,710 --> 00:18:34,960

just on the way to the party because we

499

00:18:39,909 --> 00:18:36,720

were driving

500

00:18:42,390 --> 00:18:39,919

um and

501
00:18:43,110 --> 00:18:42,400
we were on like quite a it's quite a

502
00:18:45,909 --> 00:18:43,120
rural

503
00:18:47,430 --> 00:18:45,919
road it's because it's on the coast and

504
00:18:50,710 --> 00:18:47,440
southport's like a

505
00:18:53,590 --> 00:18:50,720
seaside town and

506
00:18:54,950 --> 00:18:53,600
as we're driving i was listening to the

507
00:18:58,390 --> 00:18:54,960
radio

508
00:19:00,710 --> 00:18:58,400
and it mentioned that hal's bob comet

509
00:19:01,990 --> 00:19:00,720
would be visible in the northern

510
00:19:06,070 --> 00:19:02,000
hemisphere

511
00:19:07,669 --> 00:19:06,080
skies and that night and i was intrigued

512
00:19:11,990 --> 00:19:07,679
by that

513
00:19:15,430 --> 00:19:12,000

mostly because several days beforehand

514

00:19:16,870 --> 00:19:15,440

and the cult members from the heavens

515

00:19:20,230 --> 00:19:16,880

gate sect

516

00:19:20,789 --> 00:19:20,240

had committed suicide and for those of

517

00:19:24,310 --> 00:19:20,799

you

518

00:19:27,190 --> 00:19:24,320

who remember or for

519

00:19:28,150 --> 00:19:27,200

those of you who don't the story goes

520

00:19:32,230 --> 00:19:28,160

that

521

00:19:33,590 --> 00:19:32,240

the cult members committed suicide

522

00:19:35,190 --> 00:19:33,600

because they believed that they were

523

00:19:38,310 --> 00:19:35,200

going to be transported

524

00:19:41,510 --> 00:19:38,320

onto a ufo that was hidden in

525

00:19:43,430 --> 00:19:41,520

hal's bob comet now i'm not making a

526

00:19:44,789 --> 00:19:43,440

judgment on that i'm i'm just letting

527

00:19:47,669 --> 00:19:44,799

you know what i saw

528

00:19:48,390 --> 00:19:47,679

anyway but i was intrigued by that

529

00:19:51,190 --> 00:19:48,400

anyway

530

00:19:53,029 --> 00:19:51,200

and that's the one of the reasons why i

531

00:19:55,029 --> 00:19:53,039

i was interested to see whether i could

532

00:19:58,150 --> 00:19:55,039

see this particular comet

533

00:19:59,590 --> 00:19:58,160

so as we're driving i started looking

534

00:20:01,990 --> 00:19:59,600

out the window

535

00:20:03,270 --> 00:20:02,000

and just to see if i could see anything

536

00:20:07,190 --> 00:20:03,280

as we were driving

537

00:20:09,990 --> 00:20:07,200

driving past and then

538

00:20:11,750 --> 00:20:10,000

as would i as my wife was driving i i

539

00:20:13,190 --> 00:20:11,760

was in the passenger seat i noticed

540

00:20:17,190 --> 00:20:13,200

something

541

00:20:20,630 --> 00:20:17,200

out the side window and i could see

542

00:20:22,310 --> 00:20:20,640

quite a large object in the sky kind of

543

00:20:24,549 --> 00:20:22,320

coming into view

544

00:20:25,430 --> 00:20:24,559

so i couldn't quite make it out so i

545

00:20:27,350 --> 00:20:25,440

asked my wife

546

00:20:29,029 --> 00:20:27,360

to pull over so i could get a better

547

00:20:30,630 --> 00:20:29,039

look so we pulled over at the side of

548

00:20:33,510 --> 00:20:30,640

the road

549

00:20:34,070 --> 00:20:33,520

and literally it was it was quite

550

00:20:37,029 --> 00:20:34,080

bizarre

551
00:20:39,830 --> 00:20:37,039
because i distinctly remember looking

552
00:20:42,310 --> 00:20:39,840
trying to make out what i could see

553
00:20:43,590 --> 00:20:42,320
and it was quite an overcast day march

554
00:20:45,350 --> 00:20:43,600
days in the uk

555
00:20:47,029 --> 00:20:45,360
can be quite wintry and it was quite

556
00:20:50,390 --> 00:20:47,039
overcast there was a lot of

557
00:20:51,750 --> 00:20:50,400
cloud cover but the clouds just opened

558
00:20:54,230 --> 00:20:51,760
up

559
00:20:55,110 --> 00:20:54,240
to reveal i couldn't see the whole

560
00:20:58,470 --> 00:20:55,120
object

561
00:21:01,750 --> 00:20:58,480
i could only see one side of it

562
00:21:05,270 --> 00:21:01,760
but it was just enormous

563
00:21:07,909 --> 00:21:05,280

i mean gigantic

564

00:21:09,510 --> 00:21:07,919

like people have asked me to explain how

565

00:21:12,470 --> 00:21:09,520

big

566

00:21:13,110 --> 00:21:12,480

i'm talking like half a mile to a mile

567

00:21:16,549 --> 00:21:13,120

across

568

00:21:19,110 --> 00:21:16,559

i mean this thing was enormous

569

00:21:20,310 --> 00:21:19,120

and i couldn't see all of it because

570

00:21:23,990 --> 00:21:20,320

some of it was still

571

00:21:27,029 --> 00:21:24,000

hidden in the cloud

572

00:21:29,110 --> 00:21:27,039

i did make a report of this many years

573

00:21:32,310 --> 00:21:29,120

later to a ufo site

574

00:21:34,710 --> 00:21:32,320

and i've looked at it and i i've

575

00:21:36,230 --> 00:21:34,720

mentioned on that that it was just cigar

576
00:21:39,270 --> 00:21:36,240
shaped

577
00:21:42,470 --> 00:21:39,280
that's not a memory i have now

578
00:21:43,990 --> 00:21:42,480
i may have thought one side of it was

579
00:21:47,029 --> 00:21:44,000
cigar shape but i couldn't

580
00:21:49,190 --> 00:21:47,039
see the whole object anyway i couldn't

581
00:21:51,270 --> 00:21:49,200
i couldn't make out any distinctive

582
00:21:53,750 --> 00:21:51,280
features of the object

583
00:21:55,830 --> 00:21:53,760
i couldn't make out whether it was metal

584
00:22:00,549 --> 00:21:55,840
what it was made of

585
00:22:02,990 --> 00:22:00,559
it was gray in color very bland looking

586
00:22:05,510 --> 00:22:03,000
but what i certainly could see is

587
00:22:08,789 --> 00:22:05,520
three-dimensional structure

588
00:22:09,990 --> 00:22:08,799

and i could see it was an object and it

589

00:22:13,029 --> 00:22:10,000

wasn't moving

590

00:22:16,070 --> 00:22:13,039

and i remember looking and thinking

591

00:22:20,149 --> 00:22:16,080

how is that object able

592

00:22:24,549 --> 00:22:20,159

to stay perfectly still and not move

593

00:22:26,789 --> 00:22:24,559

my wife was was seeing exactly the same

594

00:22:30,549 --> 00:22:26,799

as what i was seeing so it wasn't

595

00:22:32,710 --> 00:22:30,559

like a delusion or a mirage

596

00:22:34,070 --> 00:22:32,720

we were talking while we were while we

597

00:22:36,870 --> 00:22:34,080

were looking at it

598

00:22:38,149 --> 00:22:36,880

how how high was it it was quite high

599

00:22:41,270 --> 00:22:38,159

i'd say at least 10

600

00:22:46,230 --> 00:22:41,280

000 feet maybe 15 000 feet it was right

601
00:22:49,270 --> 00:22:46,240
up there but it was just giant

602
00:22:52,070 --> 00:22:49,280
the strange thing was that

603
00:22:53,029 --> 00:22:52,080
whilst we're watching it we noticed that

604
00:22:59,590 --> 00:22:53,039
there was

605
00:23:02,549 --> 00:22:59,600
light-colored small objects very bright

606
00:23:03,190 --> 00:23:02,559
very intense colored i think one was

607
00:23:06,870 --> 00:23:03,200
green

608
00:23:11,510 --> 00:23:06,880
one was red and one was yellow i'm not

609
00:23:15,270 --> 00:23:11,520
100 sure now on the colors

610
00:23:18,230 --> 00:23:15,280
but they were definitely

611
00:23:19,590 --> 00:23:18,240
kind of connected to the main craft in

612
00:23:22,230 --> 00:23:19,600
the sense that

613
00:23:24,950 --> 00:23:22,240

they were interacting with it and the

614

00:23:28,070 --> 00:23:24,960

the interesting thing was

615

00:23:30,789 --> 00:23:28,080

they were basically darting

616

00:23:32,950 --> 00:23:30,799

haphazardly across the horizon the

617

00:23:36,149 --> 00:23:32,960

panoramic horizon

618

00:23:39,350 --> 00:23:36,159

and the speed that they were moving

619

00:23:42,149 --> 00:23:39,360

literally one would go from one end of

620

00:23:43,110 --> 00:23:42,159

the horizon to the the other in a blink

621

00:23:46,950 --> 00:23:43,120

of an

622

00:23:49,190 --> 00:23:46,960

eye and i remember thinking at the time

623

00:23:51,830 --> 00:23:49,200

that's not physically possible to move

624

00:23:54,070 --> 00:23:51,840

with that speed

625

00:23:56,870 --> 00:23:54,080

it was almost like at the speed of light

626
00:23:58,789 --> 00:23:56,880
i mean it was just incredible speeds

627
00:24:01,510 --> 00:23:58,799
it was just these things were just

628
00:24:04,549 --> 00:24:01,520
darting around the main craft

629
00:24:04,950 --> 00:24:04,559
again they look like solid objects they

630
00:24:09,110 --> 00:24:04,960
weren't

631
00:24:11,430 --> 00:24:09,120
lasers it was difficult to kind of

632
00:24:13,830 --> 00:24:11,440
work out how big they were they were

633
00:24:15,430 --> 00:24:13,840
quite small in comparison to the big

634
00:24:17,510 --> 00:24:15,440
craft

635
00:24:20,070 --> 00:24:17,520
but that doesn't mean to say that they

636
00:24:21,190 --> 00:24:20,080
were they were tiny either it was just

637
00:24:24,230 --> 00:24:21,200
difficult to

638
00:24:28,390 --> 00:24:24,240

to work out they were circular very all

639

00:24:34,230 --> 00:24:32,390

we observed this i was i'll be honest

640

00:24:35,350 --> 00:24:34,240

with you i was freaking out i was so

641

00:24:37,510 --> 00:24:35,360

excited

642

00:24:39,590 --> 00:24:37,520

my wife was getting schooled up my

643

00:24:40,070 --> 00:24:39,600

girlfriend he went on to be my wife was

644

00:24:42,789 --> 00:24:40,080

getting

645

00:24:43,990 --> 00:24:42,799

quite scared and she was urging me to

646

00:24:45,669 --> 00:24:44,000

leave

647

00:24:47,750 --> 00:24:45,679

and because we were going to be late for

648

00:24:49,590 --> 00:24:47,760

the party

649

00:24:51,669 --> 00:24:49,600

i really didn't want to go but

650

00:24:53,750 --> 00:24:51,679

eventually after 5 or 10 minutes of

651

00:24:55,510 --> 00:24:53,760

watching this show

652

00:24:57,190 --> 00:24:55,520

i couldn't wait to get back into the car

653

00:25:00,630 --> 00:24:57,200

because i wanted to get to the party and

654

00:25:02,549 --> 00:25:00,640

tell everyone what was going on

655

00:25:05,590 --> 00:25:02,559

we got back into the car we started

656

00:25:08,710 --> 00:25:05,600

driving towards southport

657

00:25:11,190 --> 00:25:08,720

as we're driving it was probably

658

00:25:15,110 --> 00:25:11,200

five ten minutes and it was starting to

659

00:25:17,510 --> 00:25:15,120

go dark

660

00:25:19,029 --> 00:25:17,520

we were coming into the outskirts of

661

00:25:22,630 --> 00:25:19,039

southport which is like

662

00:25:26,390 --> 00:25:22,640

quite a small town really and

663

00:25:30,149 --> 00:25:26,400

and we were hitting some busier roads

664

00:25:32,950 --> 00:25:30,159

and all of a sudden

665

00:25:33,669 --> 00:25:32,960

as we're talking about what we've seen

666

00:25:37,070 --> 00:25:33,679

there was

667

00:25:40,470 --> 00:25:37,080

an enormous flash of

668

00:25:44,230 --> 00:25:40,480

instantaneous light within

669

00:25:44,950 --> 00:25:44,240

the car itself which basically blinded

670

00:25:48,870 --> 00:25:44,960

us

671

00:25:52,549 --> 00:25:48,880

through the sunroof

672

00:25:54,149 --> 00:25:52,559

or the the windscreen it lasted about a

673

00:25:56,549 --> 00:25:54,159

second or so

674

00:26:00,310 --> 00:25:56,559

my wife who was driving was completely

675

00:26:03,350 --> 00:26:00,320

blinded and had to do an emergency stop

676
00:26:06,470 --> 00:26:03,360
but then as soon as it hit the car

677
00:26:10,149 --> 00:26:06,480
and hit us the light was gone

678
00:26:13,269 --> 00:26:10,159
it lasted like a second

679
00:26:16,390 --> 00:26:13,279
and afterwards we i was just

680
00:26:18,870 --> 00:26:16,400
i just looked at my wife and said

681
00:26:20,390 --> 00:26:18,880
did you did you just witness what i've

682
00:26:21,510 --> 00:26:20,400
just witnessed and she just based out

683
00:26:23,990 --> 00:26:21,520
crying

684
00:26:26,470 --> 00:26:24,000
i mean it was there's the interesting

685
00:26:29,789 --> 00:26:26,480
thing about what happened to us

686
00:26:32,470 --> 00:26:29,799
is these are the two most

687
00:26:33,750 --> 00:26:32,480
extraordinary things that have ever

688
00:26:38,710 --> 00:26:33,760

happened

689

00:26:41,350 --> 00:26:38,720

within a 10 minute period

690

00:26:43,430 --> 00:26:41,360

i'm absolutely certain that whatever

691

00:26:47,350 --> 00:26:43,440

came into the car it wasn't

692

00:26:52,630 --> 00:26:47,360

like a faulty speed camera or whatever

693

00:26:55,750 --> 00:26:52,640

and it wasn't it wasn't like a laser

694

00:26:58,789 --> 00:26:55,760

this thing took over the center

695

00:27:01,909 --> 00:26:58,799

that the whole car

696

00:27:02,470 --> 00:27:01,919

inside the car we couldn't see anything

697

00:27:05,269 --> 00:27:02,480

we were

698

00:27:06,630 --> 00:27:05,279

absolutely blinded by the most intense

699

00:27:09,909 --> 00:27:06,640

white light

700

00:27:10,470 --> 00:27:09,919

i've ever witnessed and as i say after

701
00:27:15,510 --> 00:27:10,480
it went

702
00:27:18,710 --> 00:27:15,520
after it had finished it it was gone

703
00:27:20,710 --> 00:27:18,720
my wife i was so excited

704
00:27:22,149 --> 00:27:20,720
i wanted to get to the party and tell

705
00:27:25,350 --> 00:27:22,159
everyone

706
00:27:26,070 --> 00:27:25,360
my wife begged me not to talk about it

707
00:27:31,430 --> 00:27:26,080
because

708
00:27:32,549 --> 00:27:31,440
of the taboo nature of this phenomena

709
00:27:34,630 --> 00:27:32,559
phenomenon

710
00:27:36,070 --> 00:27:34,640
and for some reason people are just not

711
00:27:39,190 --> 00:27:36,080
willing to accept that

712
00:27:40,470 --> 00:27:39,200
these things happen this thing has

713
00:27:44,310 --> 00:27:40,480

stayed with me

714

00:27:45,909 --> 00:27:44,320

i'm and my wife when we're no longer

715

00:27:47,669 --> 00:27:45,919

together now unfortunately although

716

00:27:51,990 --> 00:27:47,679

we've got a good relationship

717

00:27:56,070 --> 00:27:52,000

for over 20 years what 30 years

718

00:28:00,070 --> 00:27:56,080

and it it still strikes me as the most

719

00:28:02,630 --> 00:28:00,080

bizarre episode in my life

720

00:28:04,710 --> 00:28:02,640

and she won't talk about it i've tried

721

00:28:06,389 --> 00:28:04,720

to get her to talk about it i think

722

00:28:07,669 --> 00:28:06,399

because she doesn't quite understand

723

00:28:10,149 --> 00:28:07,679

what happened

724

00:28:11,750 --> 00:28:10,159

she'd rather not think about it because

725

00:28:14,950 --> 00:28:11,760

it doesn't fit into

726

00:28:18,630 --> 00:28:14,960

the way she wants the world to work

727

00:28:22,630 --> 00:28:18,640

what do i think it was um

728

00:28:26,710 --> 00:28:22,640

i don't know i i don't think it was

729

00:28:30,149 --> 00:28:26,720

um of this whale because i don't see

730

00:28:33,190 --> 00:28:30,159

how anything that i saw we've got that

731

00:28:36,710 --> 00:28:33,200

sort of technology and the speeds

732

00:28:37,430 --> 00:28:36,720

that i saw on that day and then what

733

00:28:40,710 --> 00:28:37,440

happened

734

00:28:43,990 --> 00:28:40,720

afterwards and there was an

735

00:28:48,070 --> 00:28:44,000

element after that we both said

736

00:28:50,470 --> 00:28:48,080

that we felt as if we'd been probed and

737

00:28:51,669 --> 00:28:50,480

we felt a little bit weird afterwards

738

00:28:54,070 --> 00:28:51,679

there wasn't any time

739

00:28:56,470 --> 00:28:54,080

distortion or anything it was just the

740

00:28:59,510 --> 00:28:56,480

light came and then it went

741

00:29:01,830 --> 00:28:59,520

um i i tried to kind of

742

00:29:03,269 --> 00:29:01,840

scour and do some research to see if

743

00:29:06,470 --> 00:29:03,279

anybody else had seen

744

00:29:10,070 --> 00:29:06,480

anything similar that night

745

00:29:13,830 --> 00:29:10,080

but i wasn't able to find any anything

746

00:29:17,269 --> 00:29:13,840

um that recorded this particular event

747

00:29:19,029 --> 00:29:17,279

as i say it took place on i believe

748

00:29:20,710 --> 00:29:19,039

i think it was a saturday night because

749

00:29:25,430 --> 00:29:20,720

we were going to a party

750

00:29:28,630 --> 00:29:25,440

it's the 28th of march 1997.

751
00:29:31,909 --> 00:29:28,640
the heavens gate cult members

752
00:29:33,750 --> 00:29:31,919
had committed suicide i believe a couple

753
00:29:37,029 --> 00:29:33,760
of days earlier

754
00:29:40,789 --> 00:29:37,039
and it was at the time when

755
00:29:45,350 --> 00:29:40,799
howl's bob and comet was

756
00:29:48,549 --> 00:29:45,360
was still um in in the area

757
00:29:51,909 --> 00:29:48,559
um i hope you enjoyed the story

758
00:29:54,950 --> 00:29:51,919
and it certainly changed my life

759
00:29:58,630 --> 00:29:54,960
it gave me a fresh perspective

760
00:30:00,789 --> 00:29:58,640
on kind of what is important in life

761
00:30:01,990 --> 00:30:00,799
i certainly am a believer that we're not

762
00:30:05,430 --> 00:30:02,000
the only

763
00:30:08,230 --> 00:30:05,440

um life force in this universe

764

00:30:09,909 --> 00:30:08,240

and thank you ryan for giving me the

765

00:30:18,549 --> 00:30:09,919

opportunity

766

00:30:21,830 --> 00:30:20,389

what's up guys ryan sprague here and i'm

767

00:30:24,230 --> 00:30:21,840

just dropping in to remind you

[Music]

783

00:31:01,430 --> 00:30:59,840

hey how's it going ryan and somewhere in

784

00:31:04,870 --> 00:31:01,440

the skies podcast

785

00:31:05,990 --> 00:31:04,880

uh my name is roz and uh this is my

786

00:31:09,350 --> 00:31:06,000

story

787

00:31:12,710 --> 00:31:09,360

so it begins when i was around

788

00:31:14,470 --> 00:31:12,720

16 years old and i was at a buddy's

789

00:31:17,110 --> 00:31:14,480

house of mine

790

00:31:18,230 --> 00:31:17,120

and um we were we were just watching a

791

00:31:20,630 --> 00:31:18,240

movie um

792

00:31:22,470 --> 00:31:20,640

in his living room it was it was around

793

00:31:24,789 --> 00:31:22,480

nine o'clock at night

794

00:31:26,870 --> 00:31:24,799

winter time so it was pretty cold out uh

795

00:31:28,950 --> 00:31:26,880

and it had been dark for a while

796

00:31:30,070 --> 00:31:28,960

and we we were in his uh living room

797

00:31:33,509 --> 00:31:30,080

watching a movie

798

00:31:36,630 --> 00:31:33,519

all the lights out and um the way his

799

00:31:37,590 --> 00:31:36,640

living room is oriented uh you have you

800

00:31:40,389 --> 00:31:37,600

know the couch

801
00:31:41,669 --> 00:31:40,399
is facing the tv and then the tv has two

802
00:31:43,990 --> 00:31:41,679
windows behind it

803
00:31:44,870 --> 00:31:44,000
so we were looking at the tv along with

804
00:31:47,269 --> 00:31:44,880
facing these

805
00:31:48,230 --> 00:31:47,279
windows and the windows had the blinds

806
00:31:51,269 --> 00:31:48,240
down

807
00:31:53,509 --> 00:31:51,279
so we're sitting there and then a

808
00:31:55,029 --> 00:31:53,519
freaking super bright light that was

809
00:31:56,870 --> 00:31:55,039
moving

810
00:31:58,149 --> 00:31:56,880
started to come through the windows

811
00:32:01,350 --> 00:31:58,159
behind the tv

812
00:32:02,470 --> 00:32:01,360
with the blinds down that's how bright

813
00:32:06,149 --> 00:32:02,480

it was so we were like

814

00:32:09,190 --> 00:32:06,159

you know what the heck is that um

815

00:32:11,909 --> 00:32:09,200

and the where my friend lived he

816

00:32:12,389 --> 00:32:11,919

uh it was pretty rural and he had a

817

00:32:14,630 --> 00:32:12,399

field

818

00:32:15,909 --> 00:32:14,640

right behind his house so our first

819

00:32:18,630 --> 00:32:15,919

thought was

820

00:32:19,350 --> 00:32:18,640

did a tractor turn on its headlights or

821

00:32:21,990 --> 00:32:19,360

something

822

00:32:23,830 --> 00:32:22,000

and they're coming through into the the

823

00:32:26,710 --> 00:32:23,840

living room

824

00:32:27,590 --> 00:32:26,720

but we got up you know this this took

825

00:32:30,789 --> 00:32:27,600

place within

826

00:32:32,470 --> 00:32:30,799

seconds and um so we immediately popped

827

00:32:34,230 --> 00:32:32,480

up and and went out his back door to go

828

00:32:37,830 --> 00:32:34,240

check out what it was

829

00:32:39,669 --> 00:32:37,840

and uh in the sky around i want to say

830

00:32:42,710 --> 00:32:39,679

two football fields away

831

00:32:44,710 --> 00:32:42,720

is a fireball it is

832

00:32:46,789 --> 00:32:44,720

i always said it was it was around the

833

00:32:50,470 --> 00:32:46,799

size of an suv

834

00:32:53,190 --> 00:32:50,480

and this fireball it almost looked like

835

00:32:54,950 --> 00:32:53,200

your cliché picture of the sun

836

00:32:56,710 --> 00:32:54,960

just shrink down to the size of a

837

00:32:58,789 --> 00:32:56,720

minivan and uh

838

00:33:00,230 --> 00:32:58,799

it was so close it was actually

839

00:33:03,669 --> 00:33:00,240

unbelievable

840

00:33:06,789 --> 00:33:03,679

and it was moving slowly across the sky

841

00:33:09,029 --> 00:33:06,799

not doing anything just moving uh and

842

00:33:09,990 --> 00:33:09,039

we we went to us we went to school with

843

00:33:11,430 --> 00:33:10,000

uh

844

00:33:13,350 --> 00:33:11,440

a friend of ours who lived down the

845

00:33:14,389 --> 00:33:13,360

street from my buddy and we immediately

846

00:33:16,389 --> 00:33:14,399

called her up

847

00:33:18,149 --> 00:33:16,399

because it was actually heading right in

848

00:33:20,549 --> 00:33:18,159

the direction of her house

849

00:33:22,070 --> 00:33:20,559

so we called her and uh we told her you

850

00:33:24,230 --> 00:33:22,080

know you got to go outside and look

851
00:33:27,029 --> 00:33:24,240
what's coming over your house right now

852
00:33:28,310 --> 00:33:27,039
and as she uh as she was about to go

853
00:33:31,190 --> 00:33:28,320
outside

854
00:33:32,149 --> 00:33:31,200
the best way i can describe it the the

855
00:33:36,149 --> 00:33:32,159
fireball

856
00:33:39,350 --> 00:33:36,159
collapsed in on itself um and was gone

857
00:33:42,870 --> 00:33:39,360
um so yeah that that is

858
00:33:45,830 --> 00:33:42,880
that is the the story um

859
00:33:47,430 --> 00:33:45,840
and i know you wanted to uh wanted me to

860
00:33:49,909 --> 00:33:47,440
include how it made me feel

861
00:33:51,190 --> 00:33:49,919
and i think the best way i can describe

862
00:33:53,590 --> 00:33:51,200
it is

863
00:33:55,350 --> 00:33:53,600

it made me pretty excited like i said

864

00:33:57,430 --> 00:33:55,360

this happened when i was around 16 so it

865

00:33:59,350 --> 00:33:57,440

was definitely the event that

866

00:34:01,110 --> 00:33:59,360

pushed me into getting super interested

867

00:34:03,750 --> 00:34:01,120

in the whole in the whole ufo

868

00:34:04,230 --> 00:34:03,760

subject and uh yeah it made me it made

869

00:34:07,669 --> 00:34:04,240

me

870

00:34:09,510 --> 00:34:07,679

pretty happy because i love ufos so much

871

00:34:10,710 --> 00:34:09,520

and i'm lucky to be able to have a story

872

00:34:12,389 --> 00:34:10,720

of my own so

873

00:34:14,470 --> 00:34:12,399

that is that is everything thank you

874

00:34:18,629 --> 00:34:14,480

ryan thank you uh somewhere in the sky's

875

00:34:21,909 --> 00:34:20,950

hi ryan this is shawn and my oldest

876
00:34:25,190 --> 00:34:21,919
daughter

877
00:34:27,109 --> 00:34:25,200
ava who's 11 years old uh we're from

878
00:34:30,470 --> 00:34:27,119
calgary alberta canada

879
00:34:33,109 --> 00:34:30,480
and on august 8th of this year we're

880
00:34:34,550 --> 00:34:33,119
camping and we're in rocky mountain

881
00:34:35,109 --> 00:34:34,560
house which is a couple hours north of

882
00:34:37,109 --> 00:34:35,119
us

883
00:34:40,389 --> 00:34:37,119
and we're heading north towards our

884
00:34:43,510 --> 00:34:40,399
campsite uh when my daughter saw

885
00:34:45,589 --> 00:34:43,520
uh what she thought was an airplane

886
00:34:46,869 --> 00:34:45,599
but she said it looked weird so she

887
00:34:49,190 --> 00:34:46,879
yelled what

888
00:34:49,909 --> 00:34:49,200

is that because i was tracking it from

889

00:34:53,109 --> 00:34:49,919

when it was

890

00:34:53,589 --> 00:34:53,119

in the middle of our windshield to where

891

00:34:56,869 --> 00:34:53,599

it was

892

00:34:59,910 --> 00:34:56,879

pretty much directly uh

893

00:35:01,190 --> 00:34:59,920

beside me and uh so i looked at it and

894

00:35:03,349 --> 00:35:01,200

sure enough i could see it and it was

895

00:35:06,150 --> 00:35:03,359

about 3 000 feet

896

00:35:07,670 --> 00:35:06,160

above us um and it was uh about the size

897

00:35:09,990 --> 00:35:07,680

of an airplane

898

00:35:11,510 --> 00:35:10,000

easily but it was going really really

899

00:35:12,390 --> 00:35:11,520

fast and i was shocked i just didn't

900

00:35:14,390 --> 00:35:12,400

know what to do i

901
00:35:16,150 --> 00:35:14,400
there was no one else on the road it was

902
00:35:18,069 --> 00:35:16,160
it was unbelievable i had never seen

903
00:35:18,950 --> 00:35:18,079
anything like it uh it was completely

904
00:35:21,030 --> 00:35:18,960
white

905
00:35:23,109 --> 00:35:21,040
it looked exactly like uh what you would

906
00:35:25,190 --> 00:35:23,119
think a double-sided egg would look like

907
00:35:27,349 --> 00:35:25,200
you know if you had the thin end on both

908
00:35:30,550 --> 00:35:27,359
ends instead of like a thin and thick

909
00:35:32,150 --> 00:35:30,560
um is that about was flying at a 30

910
00:35:33,270 --> 00:35:32,160
degree angle kind of like almost like

911
00:35:36,790 --> 00:35:33,280
belly up

912
00:35:40,230 --> 00:35:36,800
and it was moving hella fast

913
00:35:41,270 --> 00:35:40,240

um and it kind of slowed down uh once we

914

00:35:43,589 --> 00:35:41,280

saw it

915

00:35:44,630 --> 00:35:43,599

and it had a shimmery look to it almost

916

00:35:47,990 --> 00:35:44,640

kind of like

917

00:35:49,510 --> 00:35:48,000

it was blurry so it was traveling

918

00:35:52,710 --> 00:35:49,520

directly west

919

00:35:53,270 --> 00:35:52,720

we went uh i tried to find a spot to

920

00:35:54,630 --> 00:35:53,280

pull over

921

00:35:56,790 --> 00:35:54,640

i asked my daughter to grab the

922

00:35:59,109 --> 00:35:56,800

binoculars that were right beside her

923

00:36:00,470 --> 00:35:59,119

she went reached over to grab them and

924

00:36:02,710 --> 00:36:00,480

she turned back

925

00:36:03,910 --> 00:36:02,720

and she saw it drop a thousand feet

926
00:36:06,870 --> 00:36:03,920
straight down

927
00:36:10,150 --> 00:36:06,880
and i found a spot to pull over uh and i

928
00:36:12,470 --> 00:36:10,160
went to reach over to grab my cell phone

929
00:36:13,430 --> 00:36:12,480
but as i was grabbing myself and i was

930
00:36:15,990 --> 00:36:13,440
looking left

931
00:36:17,430 --> 00:36:16,000
i s i saw it actually do a hard 90

932
00:36:19,510 --> 00:36:17,440
straight north

933
00:36:21,109 --> 00:36:19,520
into a cloud and then i grabbed my cell

934
00:36:22,230 --> 00:36:21,119
phone i was going to take a video now

935
00:36:25,270 --> 00:36:22,240
that we are parked

936
00:36:26,310 --> 00:36:25,280
and we looked at it and we couldn't find

937
00:36:29,510 --> 00:36:26,320
it anymore

938
00:36:31,829 --> 00:36:29,520

and uh my wife for whatever reason her

939

00:36:33,910 --> 00:36:31,839

she just could not look up she said she

940

00:36:34,870 --> 00:36:33,920

just had this some compulsion to look

941

00:36:36,390 --> 00:36:34,880

straight down

942

00:36:38,470 --> 00:36:36,400

same with my other daughter she just

943

00:36:40,790 --> 00:36:38,480

they both just could not

944

00:36:41,829 --> 00:36:40,800

look at it for some reason like sarah

945

00:36:44,390 --> 00:36:41,839

said it was a plane

946

00:36:45,910 --> 00:36:44,400

and uh she couldn't look up she couldn't

947

00:36:48,150 --> 00:36:45,920

even look at it for some reason

948

00:36:49,670 --> 00:36:48,160

and now every time we talk about it

949

00:36:52,230 --> 00:36:49,680

she's quite uneasy

950

00:36:52,950 --> 00:36:52,240

um and then hannah yeah for same same

951
00:36:54,950 --> 00:36:52,960
reason

952
00:36:56,310 --> 00:36:54,960
she just literally couldn't look up for

953
00:36:58,310 --> 00:36:56,320
some reason so

954
00:36:59,349 --> 00:36:58,320
it was kind of weird so ava and i were

955
00:37:02,470 --> 00:36:59,359
the only ones

956
00:37:03,030 --> 00:37:02,480
that got to see that particular egg uh

957
00:37:05,270 --> 00:37:03,040
so then

958
00:37:07,349 --> 00:37:05,280
that was neat we were just shocked

959
00:37:10,390 --> 00:37:07,359
couldn't believe we had seen that

960
00:37:10,950 --> 00:37:10,400
so then we continued on to the campsite

961
00:37:15,109 --> 00:37:10,960
and we

962
00:37:17,589 --> 00:37:15,119
parents who were camping with us and

963
00:37:19,750 --> 00:37:17,599

asked we started asking my mom about her

964

00:37:23,270 --> 00:37:19,760

experience which was back in

965

00:37:26,390 --> 00:37:23,280

when she was nine or ten and

966

00:37:27,990 --> 00:37:26,400

eight yeah yeah and uh she had a close

967

00:37:30,870 --> 00:37:28,000

encounter the third kind and

968

00:37:31,190 --> 00:37:30,880

she said how the way we were reacting

969

00:37:37,430 --> 00:37:31,200

was

970

00:37:37,829 --> 00:37:37,440

young child and then ava and i decided

971

00:37:40,310 --> 00:37:37,839

to

972

00:37:42,310 --> 00:37:40,320

draw uh a picture separately of what we

973

00:37:44,069 --> 00:37:42,320

saw and we drew the same thing

974

00:37:46,150 --> 00:37:44,079

like a double-sided egg almost like a

975

00:37:49,030 --> 00:37:46,160

tic-tac but fat in the middle

976
00:37:51,190 --> 00:37:49,040
and uh we even drew i drew like little

977
00:37:53,349 --> 00:37:51,200
squiggles around and so did she

978
00:37:55,990 --> 00:37:53,359
so yeah that was our that's our story

979
00:37:59,510 --> 00:37:56,000
and then as far as like feelings uh

980
00:38:00,950 --> 00:37:59,520
i've had this obsessive like compulsion

981
00:38:03,190 --> 00:38:00,960
now to

982
00:38:04,550 --> 00:38:03,200
constantly look in the sky i've had

983
00:38:06,630 --> 00:38:04,560
another experience

984
00:38:08,150 --> 00:38:06,640
since then and ava's had how many have

985
00:38:11,510 --> 00:38:08,160
you had now i've had five

986
00:38:13,430 --> 00:38:11,520
five experiences yeah uh since then

987
00:38:15,109 --> 00:38:13,440
my recent one was when we were i went

988
00:38:17,910 --> 00:38:15,119

out hunting

989

00:38:19,270 --> 00:38:17,920

up by white court in november uh third

990

00:38:22,550 --> 00:38:19,280

week of november

991

00:38:23,910 --> 00:38:22,560

and we were sleeping in a tent it was

992

00:38:26,230 --> 00:38:23,920

minus 20

993

00:38:27,589 --> 00:38:26,240

and we heard i everybody was asleep it

994

00:38:28,390 --> 00:38:27,599

was about two or three in the morning i

995

00:38:31,510 --> 00:38:28,400

woke up

996

00:38:33,109 --> 00:38:31,520

and i heard this what's what sounded to

997

00:38:35,109 --> 00:38:33,119

me like a swooshing sound

998

00:38:36,150 --> 00:38:35,119

i thought was a plane but it's like a

999

00:38:40,870 --> 00:38:36,160

swoosh

1000

00:38:43,990 --> 00:38:40,880

it came over top of the

1001

00:38:46,870 --> 00:38:44,000

the tent i could hear just stop above us

1002

00:38:47,510 --> 00:38:46,880

and then i fell asleep and then uh when

1003

00:38:50,069 --> 00:38:47,520

we

1004

00:38:50,710 --> 00:38:50,079

woke up i remembered it but that's all i

1005

00:38:52,550 --> 00:38:50,720

remembered

1006

00:38:53,990 --> 00:38:52,560

and i asked everybody normally everyone

1007

00:38:54,550 --> 00:38:54,000

gets up to go pee in the middle of the

1008

00:38:57,829 --> 00:38:54,560

night at

1009

00:39:01,190 --> 00:38:57,839

uh oh hunting because everyone's had

1010

00:39:02,950 --> 00:39:01,200

a few drinks and no one actually woke up

1011

00:39:04,790 --> 00:39:02,960

that night everyone said they slept the

1012

00:39:05,589 --> 00:39:04,800

greatest they've slept in a couple years

1013

00:39:08,790 --> 00:39:05,599

and

1014

00:39:10,710 --> 00:39:08,800

it's been really weird it felt like like

1015

00:39:12,390 --> 00:39:10,720

these two experiences have made me feel

1016

00:39:15,430 --> 00:39:12,400

like it it's almost like

1017

00:39:17,589 --> 00:39:15,440

watching but i don't know how else to

1018

00:39:21,990 --> 00:39:17,599

explain it i don't know how you feel

1019

00:39:25,430 --> 00:39:22,000

i feel fine it's it's weird because

1020

00:39:28,710 --> 00:39:25,440

my dad's like was scared

1021

00:39:31,430 --> 00:39:28,720

and i was didn't feel anything

1022

00:39:34,470 --> 00:39:31,440

like i felt normal when they showed when

1023

00:39:40,870 --> 00:39:37,430

hi ryan um thank you very much for the

1024

00:39:44,230 --> 00:39:40,880

opportunity to be able to tell my story

1025

00:39:45,069 --> 00:39:44,240

my ufo sighting happened i think it was

1026

00:39:48,069 --> 00:39:45,079

like

1027

00:39:51,270 --> 00:39:48,079

1997. i was

1028

00:39:55,349 --> 00:39:51,280

a social worker working in a

1029

00:39:57,430 --> 00:39:55,359

camp that was for kids it was basically

1030

00:39:58,870 --> 00:39:57,440

i mean it was basically like a detention

1031

00:40:00,310 --> 00:39:58,880

center um

1032

00:40:02,230 --> 00:40:00,320

but it was out in the middle of the

1033

00:40:05,270 --> 00:40:02,240

desert um it was in

1034

00:40:06,870 --> 00:40:05,280

alfreda arizona which is very close to

1035

00:40:09,829 --> 00:40:06,880

the border of mexico and

1036

00:40:10,790 --> 00:40:09,839

really just out in the middle of nowhere

1037

00:40:13,190 --> 00:40:10,800

um

1038

00:40:13,829 --> 00:40:13,200

so the kids lived at the camp and the

1039

00:40:16,870 --> 00:40:13,839

staff

1040

00:40:19,750 --> 00:40:16,880

lived at the camp and

1041

00:40:20,470 --> 00:40:19,760

the way it was set up there was an area

1042

00:40:24,710 --> 00:40:20,480

where

1043

00:40:28,069 --> 00:40:24,720

the kids stayed and then there was

1044

00:40:31,349 --> 00:40:28,079

like the dorms or whatever

1045

00:40:32,309 --> 00:40:31,359

where the staff lived and there was a

1046

00:40:35,430 --> 00:40:32,319

little path

1047

00:40:37,910 --> 00:40:35,440

that went from the the

1048

00:40:38,710 --> 00:40:37,920

staff housing to the area where the kids

1049

00:40:41,910 --> 00:40:38,720

lived

1050

00:40:43,190 --> 00:40:41,920

and that path was not lit it was pretty

1051
00:40:45,430 --> 00:40:43,200
dark

1052
00:40:47,270 --> 00:40:45,440
like i said it was the desert but there

1053
00:40:50,309 --> 00:40:47,280
was a little path

1054
00:40:54,150 --> 00:40:50,319
that went between the two places

1055
00:40:57,510 --> 00:40:54,160
so uh i was walking with another

1056
00:41:00,870 --> 00:40:57,520
staff member along this path

1057
00:41:01,430 --> 00:41:00,880
and i'm just telling you it it's really

1058
00:41:04,710 --> 00:41:01,440
dark

1059
00:41:08,390 --> 00:41:04,720
um you can see every star

1060
00:41:11,270 --> 00:41:08,400
in the sky um it's just

1061
00:41:13,109 --> 00:41:11,280
i don't know i've never i've it's never

1062
00:41:14,790 --> 00:41:13,119
i've never lived in a place where the

1063
00:41:16,870 --> 00:41:14,800

sky was really that clear because it's

1064

00:41:18,630 --> 00:41:16,880

the desert there's no clouds

1065

00:41:20,470 --> 00:41:18,640

um and i live in washington now so

1066

00:41:23,109 --> 00:41:20,480

there's always clouds

1067

00:41:23,750 --> 00:41:23,119

but uh but it's out in the middle of

1068

00:41:26,150 --> 00:41:23,760

nowhere

1069

00:41:27,190 --> 00:41:26,160

and the sky is just really clear you can

1070

00:41:29,270 --> 00:41:27,200

see all the stars

1071

00:41:30,950 --> 00:41:29,280

so i'm walking along with this other

1072

00:41:32,630 --> 00:41:30,960

staff member and we're talking

1073

00:41:33,990 --> 00:41:32,640

i have no idea what we were talking

1074

00:41:37,430 --> 00:41:34,000

about and then

1075

00:41:39,589 --> 00:41:37,440

for whatever reason um we stopped and

1076

00:41:41,430 --> 00:41:39,599

we looked up and i don't know why we did

1077

00:41:45,030 --> 00:41:41,440

that but we did

1078

00:41:48,630 --> 00:41:45,040

and there were three lights in the sky

1079

00:41:50,230 --> 00:41:48,640

and they were very very far away so

1080

00:41:51,750 --> 00:41:50,240

you know we could tell immediately that

1081

00:41:54,870 --> 00:41:51,760

it wasn't a

1082

00:41:56,630 --> 00:41:54,880

it wasn't planes um or a plane at the

1083

00:41:59,829 --> 00:41:56,640

time i thought it was

1084

00:42:01,750 --> 00:41:59,839

one i thought it was one aircraft

1085

00:42:03,510 --> 00:42:01,760

um and that's where these lights were

1086

00:42:06,550 --> 00:42:03,520

coming from but

1087

00:42:09,349 --> 00:42:06,560

then they the the three lights

1088

00:42:09,829 --> 00:42:09,359

moved away from each other and so that

1089

00:42:13,190 --> 00:42:09,839

was

1090

00:42:15,270 --> 00:42:13,200

and we were both

1091

00:42:17,510 --> 00:42:15,280

looking at it so we were like wait what

1092

00:42:18,950 --> 00:42:17,520

is that because they

1093

00:42:21,190 --> 00:42:18,960

they moved away from each other so

1094

00:42:21,910 --> 00:42:21,200

unless it was like an aircraft that was

1095

00:42:24,790 --> 00:42:21,920

like

1096

00:42:27,829 --> 00:42:24,800

stretching i don't know i don't know of

1097

00:42:29,589 --> 00:42:27,839

any aircraft that does that

1098

00:42:31,349 --> 00:42:29,599

it just didn't make any sense so then we

1099

00:42:31,750 --> 00:42:31,359

knew at that point that we were looking

1100

00:42:39,510 --> 00:42:31,760

at

1101
00:42:42,470 --> 00:42:39,520
point we're just kind of standing there

1102
00:42:44,150 --> 00:42:42,480
and we're not really saying anything and

1103
00:42:47,109 --> 00:42:44,160
or at least i don't remember

1104
00:42:48,309 --> 00:42:47,119
that we were saying anything and then

1105
00:42:51,910 --> 00:42:48,319
all of a sudden

1106
00:42:54,950 --> 00:42:51,920
um the lights go back into

1107
00:42:58,630 --> 00:42:54,960
a triangular formation

1108
00:43:01,910 --> 00:42:58,640
and they just take off across the sky

1109
00:43:05,670 --> 00:43:01,920
and we're like okay and i

1110
00:43:06,150 --> 00:43:05,680
i don't remember what we said i don't

1111
00:43:09,270 --> 00:43:06,160
think

1112
00:43:10,230 --> 00:43:09,280
we said like i i just don't we didn't

1113
00:43:12,550 --> 00:43:10,240

say anything of

1114

00:43:14,870 --> 00:43:12,560

of significance i remember the feeling

1115

00:43:17,510 --> 00:43:14,880

that i had that was like

1116

00:43:19,430 --> 00:43:17,520

oh my goodness like what what did i just

1117

00:43:23,109 --> 00:43:19,440

see it was like

1118

00:43:26,309 --> 00:43:23,119

it was like confusion basically and

1119

00:43:28,950 --> 00:43:26,319

uh we just started walking and

1120

00:43:30,470 --> 00:43:28,960

back to we were walking actually we we

1121

00:43:32,470 --> 00:43:30,480

started making our way

1122

00:43:33,990 --> 00:43:32,480

towards the camp which where the kids

1123

00:43:35,270 --> 00:43:34,000

were which is where we were going in the

1124

00:43:38,790 --> 00:43:35,280

first place

1125

00:43:42,710 --> 00:43:38,800

so as we came up to the clearing where

1126

00:43:44,470 --> 00:43:42,720

the kids were um a few of the kids came

1127

00:43:46,309 --> 00:43:44,480

running up and i remember one of them

1128

00:43:49,910 --> 00:43:46,319

came and these are like

1129

00:43:51,829 --> 00:43:49,920

teenagers um and they're like teenagers

1130

00:43:53,910 --> 00:43:51,839

from the inner city

1131

00:43:54,950 --> 00:43:53,920

kids that are there because they had

1132

00:43:57,030 --> 00:43:54,960

committed

1133

00:43:58,710 --> 00:43:57,040

serious crimes some of them some of them

1134

00:44:01,750 --> 00:43:58,720

very serious

1135

00:44:02,710 --> 00:44:01,760

and one of the kids came up and he was

1136

00:44:06,470 --> 00:44:02,720

like

1137

00:44:10,069 --> 00:44:06,480

miss d uh did you see that ufo

1138

00:44:12,230 --> 00:44:10,079

i'm like yes and the other kids are like

1139

00:44:13,910 --> 00:44:12,240

did you see it you see that ufo across

1140

00:44:17,109 --> 00:44:13,920

the sky and i'm like

1141

00:44:19,510 --> 00:44:17,119

yes and there was just like a feeling of

1142

00:44:20,630 --> 00:44:19,520

a little bit of excitement in the camp

1143

00:44:24,230 --> 00:44:20,640

but

1144

00:44:26,630 --> 00:44:24,240

to be very honest um it wasn't

1145

00:44:28,230 --> 00:44:26,640

like what you would think where people

1146

00:44:30,870 --> 00:44:28,240

would just be like

1147

00:44:31,510 --> 00:44:30,880

i don't even know like freaking out

1148

00:44:34,790 --> 00:44:31,520

about it

1149

00:44:37,349 --> 00:44:34,800

uh they really weren't it was it was

1150

00:44:39,670 --> 00:44:37,359

like this really subdued

1151
00:44:41,270 --> 00:44:39,680
feeling of just like wow like what did

1152
00:44:44,710 --> 00:44:41,280
we just see

1153
00:44:46,950 --> 00:44:44,720
and also you know no matter i

1154
00:44:48,710 --> 00:44:46,960
i think what it is is that you know no

1155
00:44:51,190 --> 00:44:48,720
matter what we saw

1156
00:44:52,069 --> 00:44:51,200
we were still in the situation where

1157
00:44:55,270 --> 00:44:52,079
these kids

1158
00:44:57,270 --> 00:44:55,280
were um incarcerated and

1159
00:44:59,190 --> 00:44:57,280
we were working with them and it was a

1160
00:45:01,910 --> 00:44:59,200
very difficult situation

1161
00:45:03,510 --> 00:45:01,920
and so there was this feeling of like

1162
00:45:06,390 --> 00:45:03,520
well we just saw

1163
00:45:07,190 --> 00:45:06,400

a ufo in the sky but it doesn't it

1164

00:45:10,309 --> 00:45:07,200

doesn't really

1165

00:45:12,309 --> 00:45:10,319

change our situation and so

1166

00:45:15,030 --> 00:45:12,319

it's interesting because you know one of

1167

00:45:18,230 --> 00:45:15,040

the questions that you ask is like

1168

00:45:21,750 --> 00:45:18,240

how did you feel about it and

1169

00:45:25,829 --> 00:45:21,760

i have to be honest and say like i i

1170

00:45:30,630 --> 00:45:25,839

i really have wanted to and been curious

1171

00:45:33,349 --> 00:45:30,640

i have wanted my whole life to see a ufo

1172

00:45:34,390 --> 00:45:33,359

and i've always been curious about them

1173

00:45:36,790 --> 00:45:34,400

but

1174

00:45:37,589 --> 00:45:36,800

in this moment when we had actually seen

1175

00:45:41,270 --> 00:45:37,599

one

1176

00:45:43,109 --> 00:45:41,280

i i don't know how to describe

1177

00:45:44,829 --> 00:45:43,119

how i felt about it because it was

1178

00:45:48,710 --> 00:45:44,839

almost like

1179

00:45:50,470 --> 00:45:48,720

okay yeah like okay yeah there was like

1180

00:45:54,230 --> 00:45:50,480

a ufo in the sky

1181

00:45:57,030 --> 00:45:54,240

and of course there was and

1182

00:45:59,190 --> 00:45:57,040

and and that was kind of the feeling it

1183

00:46:01,589 --> 00:45:59,200

wasn't anything like this

1184

00:46:04,069 --> 00:46:01,599

big amazement where we're all just like

1185

00:46:06,390 --> 00:46:04,079

freaking out all night over it

1186

00:46:07,589 --> 00:46:06,400

it was like it was like it was always

1187

00:46:09,349 --> 00:46:07,599

supposed to be there

1188

00:46:10,950 --> 00:46:09,359

and we were supposed to see it and now

1189

00:46:12,870 --> 00:46:10,960

we just have to

1190

00:46:13,990 --> 00:46:12,880

get back to this difficult life that we

1191

00:46:17,829 --> 00:46:14,000

were living at that

1192

00:46:19,910 --> 00:46:17,839

time um looking back at it now

1193

00:46:22,150 --> 00:46:19,920

uh and just thinking about the situation

1194

00:46:24,710 --> 00:46:22,160

i was in because i will just say

1195

00:46:25,510 --> 00:46:24,720

that this camp that i was working at was

1196

00:46:29,190 --> 00:46:25,520

absolutely

1197

00:46:30,309 --> 00:46:29,200

a horrible place and there was a lot of

1198

00:46:34,069 --> 00:46:30,319

abuse there

1199

00:46:35,589 --> 00:46:34,079

there was racism there it was a terrible

1200

00:46:38,150 --> 00:46:35,599

terrible situation and i believe that

1201
00:46:41,589 --> 00:46:38,160
they are not there anymore

1202
00:46:45,430 --> 00:46:41,599
which is a good thing um but

1203
00:46:47,910 --> 00:46:45,440
it was such a bad situation that

1204
00:46:49,190 --> 00:46:47,920
there was always this feeling that the

1205
00:46:51,030 --> 00:46:49,200
staff or the people

1206
00:46:53,270 --> 00:46:51,040
not the staff not the regular staff but

1207
00:46:56,309 --> 00:46:53,280
the people that were running the place

1208
00:46:57,190 --> 00:46:56,319
were constantly trying to dehumanize the

1209
00:46:59,270 --> 00:46:57,200
kids

1210
00:47:01,109 --> 00:46:59,280
i mean basically so that they could

1211
00:47:01,829 --> 00:47:01,119
justify how they were being treated

1212
00:47:04,950 --> 00:47:01,839
there

1213
00:47:07,510 --> 00:47:04,960

and my job was to

1214

00:47:09,109 --> 00:47:07,520

advocate for them which was a very very

1215

00:47:12,870 --> 00:47:09,119

difficult job

1216

00:47:15,990 --> 00:47:12,880

so now looking back at it it just really

1217

00:47:19,510 --> 00:47:16,000

makes me feel their humanity

1218

00:47:21,990 --> 00:47:19,520

um even more than i did before because

1219

00:47:23,270 --> 00:47:22,000

we were all in the situation like we

1220

00:47:26,950 --> 00:47:23,280

were all

1221

00:47:28,790 --> 00:47:26,960

where there were there were these very

1222

00:47:31,349 --> 00:47:28,800

clear roles they were like

1223

00:47:32,390 --> 00:47:31,359

the kids who you know we were supposed

1224

00:47:35,910 --> 00:47:32,400

to control

1225

00:47:37,750 --> 00:47:35,920

and you know their humanity was always

1226
00:47:38,950 --> 00:47:37,760
being taken away and then there was a

1227
00:47:41,510 --> 00:47:38,960
staff

1228
00:47:43,109 --> 00:47:41,520
and they had like this real dominant

1229
00:47:46,790 --> 00:47:43,119
position over the kids

1230
00:47:49,589 --> 00:47:46,800
but ultimately we were all human beings

1231
00:47:51,990 --> 00:47:49,599
and just looking back at it that's what

1232
00:47:55,349 --> 00:47:52,000
it reminds me of it reminds me

1233
00:47:58,390 --> 00:47:55,359
of our humanity that

1234
00:48:00,630 --> 00:47:58,400
you know even though we were in this

1235
00:48:02,470 --> 00:48:00,640
this little universe together where

1236
00:48:04,549 --> 00:48:02,480
things were really awful and the roles

1237
00:48:07,829 --> 00:48:04,559
were really

1238
00:48:09,990 --> 00:48:07,839

really unjust we were still just

1239

00:48:11,430 --> 00:48:10,000

little tiny humans on the earth looking

1240

00:48:13,190 --> 00:48:11,440

up in the sky

1241

00:48:14,630 --> 00:48:13,200

and seeing something that we didn't

1242

00:48:17,510 --> 00:48:14,640

understand

1243

00:48:18,470 --> 00:48:17,520

so that's how that's how i feel about it

1244

00:48:21,670 --> 00:48:18,480

now

1245

00:48:24,069 --> 00:48:21,680

looking back um thank you ryan

1246

00:48:26,069 --> 00:48:24,079

for giving me a chance to tell my story

1247

00:48:29,430 --> 00:48:26,079

and i love your podcast

1248

00:48:36,200 --> 00:48:29,440

it makes me feel like i'm less alone
