

THE PENTAGON

PENTAGON

1
00:00:11,509 --> 00:00:08,390

hey

2
00:00:13,830 --> 00:00:11,519

john happy birthday uh there's no way

3
00:00:15,589 --> 00:00:13,840

that i can like sugarcoat this the i was

4
00:00:17,830 --> 00:00:15,599

talking to a gentleman about the uap

5
00:00:20,070 --> 00:00:17,840

report and he contends the pentagon has

6
00:00:21,830 --> 00:00:20,080

alien bodies and crafts

7
00:00:23,109 --> 00:00:21,840

so i just wanted to run this past you is

8
00:00:26,710 --> 00:00:23,119

this does dod have

9
00:00:34,470 --> 00:00:31,429

uh jeff the the uap

10
00:00:37,190 --> 00:00:34,480

task force is really designed to

11
00:00:37,750 --> 00:00:37,200

uh to take a look at these unexplained

12
00:00:41,190 --> 00:00:37,760

aerial

13
00:00:42,630 --> 00:00:41,200

phenomena try to help us uh

14

00:00:44,389 --> 00:00:42,640

get a better understanding of them again

15

00:00:46,950 --> 00:00:44,399

i'm not going to get ahead of the

16

00:00:48,389 --> 00:00:46,960

uh of the report that the dni will

17

00:00:51,750 --> 00:00:48,399

submit that we are helping

18

00:00:54,389 --> 00:00:51,760

obviously i'm providing input to um

19

00:00:55,990 --> 00:00:54,399

and uh i think i'll just i'll just leave

20

00:00:58,790 --> 00:00:56,000

it at that jeff

21

00:01:00,310 --> 00:00:58,800

louis john can you specifically address

22

00:01:03,830 --> 00:01:00,320

the reporting that's come out

23

00:01:07,109 --> 00:01:03,840

about this uap report um the

24

00:01:07,750 --> 00:01:07,119

reporting that these erps don't appear

25

00:01:09,990 --> 00:01:07,760

to be

26

00:01:10,830 --> 00:01:10,000

alien spacecraft on that there's not

27

00:01:13,270 --> 00:01:10,840

enough

28

00:01:14,070 --> 00:01:13,280

information to actually address what

29

00:01:16,870 --> 00:01:14,080

exactly they

30

00:01:17,429 --> 00:01:16,880

are um and that they're not a uh us

31

00:01:19,830 --> 00:01:17,439

secret

32

00:01:20,710 --> 00:01:19,840

black program yeah look i've seen the

33

00:01:23,270 --> 00:01:20,720

press reporting

34

00:01:23,749 --> 00:01:23,280

on this uh louis but i'm i'm not gonna

35

00:01:25,830 --> 00:01:23,759

comment

36

00:01:27,990 --> 00:01:25,840

one way or the other about the reporting

37

00:01:29,990 --> 00:01:28,000

or certainly about

38

00:01:31,350 --> 00:01:30,000

the work of the task force and the

39

00:01:32,789 --> 00:01:31,360

coming report by the

40

00:01:34,390 --> 00:01:32,799

director of national intelligence i

41

00:01:36,469 --> 00:01:34,400

won't get ahead of that process

42

00:01:38,149 --> 00:01:36,479

so can you rule out specifically that

43

00:01:39,749 --> 00:01:38,159

these are not alien spacecraft

44

00:01:41,190 --> 00:01:39,759

i i think i've answered your question

45

00:01:43,270 --> 00:01:41,200

i'm not gonna get ahead

46

00:01:45,270 --> 00:01:43,280

uh of a report that hasn't been filed to

47

00:01:47,510 --> 00:01:45,280

congress and i'm certainly not gonna

48

00:01:48,870 --> 00:01:47,520

speak about uh intelligence issues here

49

00:01:51,030 --> 00:01:48,880

from uh the podium
