

SOMEWHERE IN THE SKIES

ASK ME ANYTHING
≡≡≡ VOLUME ONE ≡≡≡

1
00:00:03,330 --> 00:00:25,750

[Music]

2
00:00:29,029 --> 00:00:26,390

what is

3
00:00:30,230 --> 00:00:29,039

up youtube thank you so much for joining

4
00:00:33,430 --> 00:00:30,240

me tonight for this

5
00:00:33,910 --> 00:00:33,440

inaugural episode of ask me anything

6
00:00:35,430 --> 00:00:33,920

here

7
00:00:37,750 --> 00:00:35,440

on summer in the skies i've done a bunch

8
00:00:39,190 --> 00:00:37,760

of informal things like this before but

9
00:00:42,150 --> 00:00:39,200

this is actually going to be

10
00:00:42,790 --> 00:00:42,160

a main episode so your questions might

11
00:00:45,830 --> 00:00:42,800

make it

12
00:00:47,590 --> 00:00:45,840

into the podcast this week uh thank you

13
00:00:50,630 --> 00:00:47,600

so much for everyone being here

14

00:00:53,830 --> 00:00:50,640

i see the chats already going nuts hi

15

00:00:56,709 --> 00:00:53,840

uh pintons i think is your name

16

00:00:58,790 --> 00:00:56,719

robert uh jazz is here jazz you better

17

00:00:59,590 --> 00:00:58,800

have a martini in your hands brother

18

00:01:02,790 --> 00:00:59,600

because

19

00:01:03,750 --> 00:01:02,800

my first listener question here for the

20

00:01:05,910 --> 00:01:03,760

ask me anything

21

00:01:07,350 --> 00:01:05,920

comes from howard and it says will this

22

00:01:09,510 --> 00:01:07,360

be like the drunk

23

00:01:10,870 --> 00:01:09,520

tweet that you did how much alcohol will

24

00:01:13,670 --> 00:01:10,880

you be consuming

25

00:01:15,270 --> 00:01:13,680

prior or during this well the question

26

00:01:18,070 --> 00:01:15,280

the answer to that howard

27

00:01:18,870 --> 00:01:18,080

is how long will it take to drink this

28

00:01:20,149 --> 00:01:18,880

bottle

29

00:01:22,230 --> 00:01:20,159

of bourbon that's how long we're gonna

30

00:01:23,910 --> 00:01:22,240

be here i'm just kidding i will not be

31

00:01:27,350 --> 00:01:23,920

able to drink that much

32

00:01:28,070 --> 00:01:27,360

and i just dumped my water um but cheers

33

00:01:31,109 --> 00:01:28,080

everybody

34

00:01:35,030 --> 00:01:31,119

i am drinking bourbon so if you are here

35

00:01:40,789 --> 00:01:38,069

oh off to a good start we've got

36

00:01:41,910 --> 00:01:40,799

robert here we've got jazz who else is

37

00:01:44,789 --> 00:01:41,920

here

38

00:01:46,230 --> 00:01:44,799

um looks like that's all we have in the

39

00:01:49,109 --> 00:01:46,240

chat so far

40

00:01:49,830 --> 00:01:49,119

but uh welcome welcome to the ask me

41

00:01:52,310 --> 00:01:49,840

anything

42

00:01:54,069 --> 00:01:52,320

uh now this is pretty cool what i

43

00:01:57,350 --> 00:01:54,079

decided to do with this is

44

00:02:00,310 --> 00:01:57,360

uh my patreon subscribers actually get

45

00:02:02,389 --> 00:02:00,320

a priority spot in line to ask questions

46

00:02:05,190 --> 00:02:02,399

so if you are a patreon subscriber

47

00:02:07,109 --> 00:02:05,200

i did put a uh you know sort of a feeler

48

00:02:09,029 --> 00:02:07,119

out early for you guys to

49

00:02:10,229 --> 00:02:09,039

ask me some questions and i also put it

50

00:02:13,190 --> 00:02:10,239

on my social media

51
00:02:14,790 --> 00:02:13,200
so i have a lot of pre questions here

52
00:02:15,910 --> 00:02:14,800
that i'm going to answer already but

53
00:02:18,390 --> 00:02:15,920
please feel free

54
00:02:18,949 --> 00:02:18,400
to ask in the chat as well i will try my

55
00:02:20,790 --> 00:02:18,959
best

56
00:02:22,630 --> 00:02:20,800
to get to everything but i got a ton of

57
00:02:25,110 --> 00:02:22,640
them which is pretty cool i'm

58
00:02:27,110 --> 00:02:25,120
extremely honored and flattered that

59
00:02:29,750 --> 00:02:27,120
anyone wanted to even take part in this

60
00:02:31,830 --> 00:02:29,760
so thank you thank you um so yes our

61
00:02:32,949 --> 00:02:31,840
patreon subscribers first and also

62
00:02:35,990 --> 00:02:32,959
you'll notice that

63
00:02:38,869 --> 00:02:36,000

uh dollar sign button under the live

64

00:02:40,150 --> 00:02:38,879

chat that is a super chat um if you want

65

00:02:42,470 --> 00:02:40,160

to help out the show

66

00:02:43,990 --> 00:02:42,480

you just click on that give whatever you

67

00:02:44,790 --> 00:02:44,000

want as little as big as you want

68

00:02:47,110 --> 00:02:44,800

doesn't matter

69

00:02:47,830 --> 00:02:47,120

the money goes to helping somewhere in

70

00:02:50,150 --> 00:02:47,840

the skies

71

00:02:52,150 --> 00:02:50,160

and getting um getting the show up to

72

00:02:52,710 --> 00:02:52,160

the quality that i want and i hope you

73

00:02:55,030 --> 00:02:52,720

want

74

00:02:56,470 --> 00:02:55,040

as supporters as well so yeah that is

75

00:02:58,070 --> 00:02:56,480

the super chat your

76
00:03:00,229 --> 00:02:58,080
comments your questions will go right to

77
00:03:01,030 --> 00:03:00,239
the top of the chat if you decide to do

78
00:03:03,990 --> 00:03:01,040
that as well

79
00:03:04,630 --> 00:03:04,000
so without wasting any more time let's

80
00:03:08,070 --> 00:03:04,640
get

81
00:03:10,869 --> 00:03:08,080
to our first patreon questions

82
00:03:11,670 --> 00:03:10,879
uh barry on patreon asks what is your

83
00:03:15,030 --> 00:03:11,680
personal

84
00:03:18,229 --> 00:03:15,040
favorite ufo story or case and why

85
00:03:18,990 --> 00:03:18,239
um this is pretty easy for me uh this is

86
00:03:22,949 --> 00:03:19,000
actually the

87
00:03:26,149 --> 00:03:22,959
1976 tehran ufo incident in which

88
00:03:29,190 --> 00:03:26,159

parvis jafari in iranian fighter pilot

89

00:03:31,270 --> 00:03:29,200

uh actually general parvish jafari

90

00:03:32,710 --> 00:03:31,280

um there were ufos being sighted over

91

00:03:34,710 --> 00:03:32,720

the city of tehran

92

00:03:36,710 --> 00:03:34,720

and um they sent up one plane to

93

00:03:38,309 --> 00:03:36,720

investigate and

94

00:03:39,589 --> 00:03:38,319

everything on the plane malfunctioned

95

00:03:41,270 --> 00:03:39,599

when it got close to whatever this

96

00:03:43,750 --> 00:03:41,280

object was in the sky

97

00:03:45,270 --> 00:03:43,760

and uh pilot got scared came back and

98

00:03:48,470 --> 00:03:45,280

said i'm not i'm not

99

00:03:49,750 --> 00:03:48,480

i'm done with this so general jafari

100

00:03:50,229 --> 00:03:49,760

he's like all right i'll take care of

101
00:03:52,710 --> 00:03:50,239
this

102
00:03:53,509 --> 00:03:52,720
so he gets in his plane he goes up there

103
00:03:57,270 --> 00:03:53,519
he

104
00:03:58,949 --> 00:03:57,280
and all of his

105
00:04:01,110 --> 00:03:58,959
equipment starts malfunctioning again

106
00:04:01,990 --> 00:04:01,120
just like the other pilot um even his

107
00:04:04,550 --> 00:04:02,000
weapons

108
00:04:06,229 --> 00:04:04,560
won't work he gets a lock on this object

109
00:04:09,030 --> 00:04:06,239
that uh he believes is

110
00:04:09,750 --> 00:04:09,040
a potential threat and nothing weapons

111
00:04:11,750 --> 00:04:09,760
won't work

112
00:04:13,350 --> 00:04:11,760
so he starts having this dog chase with

113
00:04:16,469 --> 00:04:13,360

this ufo

114

00:04:18,710 --> 00:04:16,479

uh it's chasing him he's chasing it it's

115

00:04:19,909 --> 00:04:18,720

a crazy story a crazy greatest story if

116

00:04:22,230 --> 00:04:19,919

you haven't heard about it

117

00:04:23,430 --> 00:04:22,240

um and this was actually the first ufo

118

00:04:27,030 --> 00:04:23,440

case that i ever

119

00:04:29,350 --> 00:04:27,040

received in foia response to

120

00:04:30,790 --> 00:04:29,360

and that is in thanks to john greenwald

121

00:04:32,710 --> 00:04:30,800

jr of the black vault

122

00:04:34,469 --> 00:04:32,720

for helping me do that i've got it

123

00:04:37,350 --> 00:04:34,479

framed in the apartment

124

00:04:39,350 --> 00:04:37,360

and everything it was my first ever foia

125

00:04:39,909 --> 00:04:39,360

request and i was amazed at what i got

126
00:04:42,469 --> 00:04:39,919
back

127
00:04:44,310 --> 00:04:42,479
um and if you really want to go deep

128
00:04:45,830 --> 00:04:44,320
into that case i highly suggest

129
00:04:47,749 --> 00:04:45,840
going back into the archives of

130
00:04:49,590 --> 00:04:47,759
somewhere in the skies i have a very

131
00:04:53,270 --> 00:04:49,600
special episode dedicated the

132
00:04:56,629 --> 00:04:53,280
to the iran incident tehran ufo incident

133
00:04:58,310 --> 00:04:56,639
and uh why the united states uh was so

134
00:05:01,350 --> 00:04:58,320
heavily involved in the case

135
00:05:02,310 --> 00:05:01,360
and also my personal thoughts on what it

136
00:05:03,990 --> 00:05:02,320
possibly

137
00:05:05,430 --> 00:05:04,000
could have been that they saw in the sky

138
00:05:06,070 --> 00:05:05,440

that night so again go back into the

139

00:05:08,870 --> 00:05:06,080

archives

140

00:05:10,150 --> 00:05:08,880

and look for the tehran ufo incident so

141

00:05:11,270 --> 00:05:10,160

thank you barry that's a great way to

142

00:05:13,270 --> 00:05:11,280

start this thing off

143

00:05:14,629 --> 00:05:13,280

uh let's see who else we got here hello

144

00:05:18,469 --> 00:05:14,639

sean hello

145

00:05:21,510 --> 00:05:18,479

we've got gene here as well um

146

00:05:23,590 --> 00:05:21,520

i said hi to robert

147

00:05:26,469 --> 00:05:23,600

welcome welcome from central florida

148

00:05:30,390 --> 00:05:26,479

robert welcome thanks for being here man

149

00:05:32,390 --> 00:05:30,400

um yeah so let's get going with our next

150

00:05:35,189 --> 00:05:32,400

one here

151
00:05:37,189 --> 00:05:35,199
uh james on patreon asks since i dove

152
00:05:39,909 --> 00:05:37,199
down the proverbial rabbit hole

153
00:05:41,350 --> 00:05:39,919
head first with a strong wind at my back

154
00:05:43,189 --> 00:05:41,360
just over a year ago one of the most

155
00:05:44,230 --> 00:05:43,199
fascinating aspects of the ufo

156
00:05:47,029 --> 00:05:44,240
phenomenon for me

157
00:05:49,029 --> 00:05:47,039
is the use of bodies of water by these

158
00:05:51,830 --> 00:05:49,039
unknowns for travel

159
00:05:53,830 --> 00:05:51,840
possibly an energy source do you have

160
00:05:55,189 --> 00:05:53,840
any thoughts or hypotheses regarding

161
00:05:57,749 --> 00:05:55,199
ufos interaction

162
00:05:59,430 --> 00:05:57,759
with oceans and lakes uh it just seems

163
00:06:01,830 --> 00:05:59,440

to be a strong common thread

164

00:06:03,909 --> 00:06:01,840

among reports yeah that is such a good

165

00:06:06,230 --> 00:06:03,919

question james i know a lot of um

166

00:06:08,710 --> 00:06:06,240

the navy is obviously looking into a lot

167

00:06:10,950 --> 00:06:08,720

of that since the now famous 2004

168

00:06:12,230 --> 00:06:10,960

nimitz event uh took place over the

169

00:06:15,029 --> 00:06:12,240

pacific ocean

170

00:06:16,870 --> 00:06:15,039

uh commander david fravor the pilot who

171

00:06:17,510 --> 00:06:16,880

first went up and tried to tangle with

172

00:06:19,830 --> 00:06:17,520

the tic tac

173

00:06:21,110 --> 00:06:19,840

ufo uh remember seeing something in the

174

00:06:23,029 --> 00:06:21,120

ocean as well

175

00:06:25,029 --> 00:06:23,039

um the same with the female pilot alex

176

00:06:26,870 --> 00:06:25,039

dietrich that's recently come forward

177

00:06:28,469 --> 00:06:26,880

so there's got to be something to it we

178

00:06:31,590 --> 00:06:28,479

know so little

179

00:06:32,710 --> 00:06:31,600

about what's underwater as we do as

180

00:06:34,629 --> 00:06:32,720

what's up in the sky

181

00:06:37,029 --> 00:06:34,639

so i do think there's a lot to it you

182

00:06:38,309 --> 00:06:37,039

look at um the areas near catalina

183

00:06:39,110 --> 00:06:38,319

island out there where this event

184

00:06:42,070 --> 00:06:39,120

happened

185

00:06:43,029 --> 00:06:42,080

and there's very strange electromagnetic

186

00:06:45,350 --> 00:06:43,039

anomalies

187

00:06:47,430 --> 00:06:45,360

under the water there so could this be

188

00:06:51,189 --> 00:06:47,440

some sort of energy source for these

189

00:06:52,390 --> 00:06:51,199

ufos i don't know um it's just as good a

190

00:06:55,270 --> 00:06:52,400

theory as any

191

00:06:56,710 --> 00:06:55,280

and uh again who knows who knows but i

192

00:06:57,670 --> 00:06:56,720

do think a lot of the answers we're

193

00:06:59,589 --> 00:06:57,680

seeking

194

00:07:01,110 --> 00:06:59,599

somewhere up there are actually probably

195

00:07:03,029 --> 00:07:01,120

down there so um

196

00:07:04,790 --> 00:07:03,039

yeah great great question thank you for

197

00:07:08,309 --> 00:07:04,800

asking that um

198

00:07:08,950 --> 00:07:08,319

what else we got here is our third and

199

00:07:12,469 --> 00:07:08,960

final

200

00:07:13,029 --> 00:07:12,479

patreon question tony asks how can the

201
00:07:15,270 --> 00:07:13,039
government

202
00:07:16,070 --> 00:07:15,280
and luis elizondo claim definitely that

203
00:07:18,390 --> 00:07:16,080
these things are not

204
00:07:20,390 --> 00:07:18,400
et craft but yet claim they don't know

205
00:07:21,670 --> 00:07:20,400
what they are or where they come from

206
00:07:22,870 --> 00:07:21,680
that's my question

207
00:07:25,029 --> 00:07:22,880
and i would love to hear what you think

208
00:07:27,909 --> 00:07:25,039
about it um so to my knowledge i don't

209
00:07:29,510 --> 00:07:27,919
believe that luis elizondo personally

210
00:07:31,430 --> 00:07:29,520
ever said that he didn't think this was

211
00:07:33,189 --> 00:07:31,440
alien he's very careful about

212
00:07:35,110 --> 00:07:33,199
not really giving his personal opinions

213
00:07:36,469 --> 00:07:35,120

on this stuff he's slipped a couple

214

00:07:38,550 --> 00:07:36,479

times in podcasts

215

00:07:40,469 --> 00:07:38,560

unfortunately not on mine he seemed to

216

00:07:43,749 --> 00:07:40,479

be on his uh intelligence

217

00:07:44,070 --> 00:07:43,759

agent game with that one but um i don't

218

00:07:45,830 --> 00:07:44,080

know

219

00:07:48,070 --> 00:07:45,840

i mean that that new york times article

220

00:07:49,990 --> 00:07:48,080

recently that had an original headline

221

00:07:51,110 --> 00:07:50,000

that said like pentagon looked into it

222

00:07:53,670 --> 00:07:51,120

it's not aliens

223

00:07:55,189 --> 00:07:53,680

they changed the headline like an hour

224

00:07:57,990 --> 00:07:55,199

later to say

225

00:07:58,629 --> 00:07:58,000

not but quite possibly might be who

226

00:08:01,350 --> 00:07:58,639

knows

227

00:08:01,670 --> 00:08:01,360

so i found that really fascinating and

228

00:08:03,830 --> 00:08:01,680

um

229

00:08:05,430 --> 00:08:03,840

i think it's still on the table when it

230

00:08:08,070 --> 00:08:05,440

comes to the pentagon's

231

00:08:09,110 --> 00:08:08,080

ufo report that's about to come out in a

232

00:08:11,430 --> 00:08:09,120

couple weeks now

233

00:08:12,950 --> 00:08:11,440

and you know atip and all the programs

234

00:08:14,790 --> 00:08:12,960

that have looked into this

235

00:08:17,110 --> 00:08:14,800

i don't think anything's off the table

236

00:08:18,950 --> 00:08:17,120

and again all of these ufos probably

237

00:08:21,749 --> 00:08:18,960

come from different sources

238

00:08:22,390 --> 00:08:21,759

and possibly other intelligence or other

239

00:08:24,629 --> 00:08:22,400

nations

240

00:08:26,309 --> 00:08:24,639

there's just uh there's endless answers

241

00:08:28,710 --> 00:08:26,319

to it tony so um

242

00:08:30,230 --> 00:08:28,720

yeah i think uh i think i'll leave it at

243

00:08:31,589 --> 00:08:30,240

that who knows what they're gonna say in

244

00:08:34,070 --> 00:08:31,599

this report i doubt

245

00:08:35,990 --> 00:08:34,080

it'll have anything to do with aliens um

246

00:08:38,070 --> 00:08:36,000

that would be a very ambitious

247

00:08:40,790 --> 00:08:38,080

first claim to make out of the gate with

248

00:08:42,389 --> 00:08:40,800

this task force but um who knows

249

00:08:44,389 --> 00:08:42,399

stranger things have happened man so

250

00:08:45,350 --> 00:08:44,399

thank you tony thank you to my patreon

251
00:08:46,949 --> 00:08:45,360
subscribers

252
00:08:48,790 --> 00:08:46,959
for submitting those if you do want to

253
00:08:52,150 --> 00:08:48,800
join the patreon and help out the show

254
00:08:55,269 --> 00:08:52,160
go to patreon.com somewhere skies

255
00:08:57,269 --> 00:08:55,279
little shameless marketing there let's

256
00:09:01,030 --> 00:08:57,279
see who else we got here dt

257
00:09:03,910 --> 00:09:01,040
hello hi cody how's it going man um

258
00:09:06,230 --> 00:09:03,920
let's see let me see if i can find any

259
00:09:07,750 --> 00:09:06,240
questions in here

260
00:09:09,509 --> 00:09:07,760
sean says do you remember hearing about

261
00:09:11,990 --> 00:09:09,519
the woman in manhattan that allegedly

262
00:09:13,829 --> 00:09:12,000
was abducted out of her bedroom window

263
00:09:15,750 --> 00:09:13,839

cops a few blocks away saw something

264

00:09:16,710 --> 00:09:15,760

happen too but i don't hear a lot about

265

00:09:19,030 --> 00:09:16,720

this story

266

00:09:19,910 --> 00:09:19,040

sean i'm so so happy you mentioned that

267

00:09:23,350 --> 00:09:19,920

man so

268

00:09:27,110 --> 00:09:23,360

um maybe five years ago at this point

269

00:09:27,829 --> 00:09:27,120

i wrote a very detailed expose on this

270

00:09:30,870 --> 00:09:27,839

very

271

00:09:33,030 --> 00:09:30,880

event for open minds magazine and uh

272

00:09:33,829 --> 00:09:33,040

yeah this took place over the brooklyn

273

00:09:37,190 --> 00:09:33,839

bridge

274

00:09:39,110 --> 00:09:37,200

a woman named uh linda napolitano

275

00:09:40,710 --> 00:09:39,120

i believe was her name she did have a

276

00:09:43,269 --> 00:09:40,720

pseudonym at one point

277

00:09:44,790 --> 00:09:43,279

um corteo linda cortile i believe uh i

278

00:09:46,230 --> 00:09:44,800

don't know which was the pseudonym and

279

00:09:47,750 --> 00:09:46,240

which wasn't you'll have to forgive me

280

00:09:51,030 --> 00:09:47,760

it's been a while but yeah

281

00:09:52,470 --> 00:09:51,040

this woman claimed that um some beans

282

00:09:55,750 --> 00:09:52,480

came into her room

283

00:09:58,790 --> 00:09:55,760

and uh floated her out a solid window

284

00:09:59,350 --> 00:09:58,800

and out over um the river and into their

285

00:10:02,550 --> 00:09:59,360

craft

286

00:10:05,269 --> 00:10:02,560

and yes several police officers

287

00:10:06,389 --> 00:10:05,279

and um even a member of the un

288

00:10:08,310 --> 00:10:06,399

supposedly

289

00:10:09,670 --> 00:10:08,320

were witness to this over the brooklyn

290

00:10:11,590 --> 00:10:09,680

bridge that night so

291

00:10:13,509 --> 00:10:11,600

it's a crazy case a lot of people don't

292

00:10:15,590 --> 00:10:13,519

believe it um

293

00:10:18,550 --> 00:10:15,600

they they think it might all have been a

294

00:10:19,910 --> 00:10:18,560

big ruse that bud hopkins the famous

295

00:10:22,710 --> 00:10:19,920

abduction researcher

296

00:10:23,430 --> 00:10:22,720

got himself entangled in but um hey who

297

00:10:25,509 --> 00:10:23,440

am i to say

298

00:10:26,470 --> 00:10:25,519

i just reported what has been said about

299

00:10:28,790 --> 00:10:26,480

the case

300

00:10:30,150 --> 00:10:28,800

um i know she still lives here in the

301
00:10:33,190 --> 00:10:30,160
city so maybe i should

302
00:10:34,870 --> 00:10:33,200
try to make uh a trek into manhattan to

303
00:10:36,550 --> 00:10:34,880
see if i can catch up with her but um

304
00:10:39,750 --> 00:10:36,560
yeah pretty crazy case i'm glad you

305
00:10:45,509 --> 00:10:43,750
all right who else we got here jimmy

306
00:10:49,110 --> 00:10:45,519
welcome

307
00:10:52,150 --> 00:10:49,120
where them ali is bro i love it thanks

308
00:10:54,870 --> 00:10:52,160
jimmy thanks for being here man

309
00:10:56,870 --> 00:10:54,880
um let's move to our next question here

310
00:10:58,949 --> 00:10:56,880
johnbot on twitter asks

311
00:11:00,949 --> 00:10:58,959
what's your first science fiction

312
00:11:04,069 --> 00:11:00,959
viewing experience

313
00:11:07,190 --> 00:11:04,079

oh that's a good one um

314

00:11:09,910 --> 00:11:07,200

it probably was e.t

315

00:11:12,150 --> 00:11:09,920

um if i'm remembering correctly uh but i

316

00:11:14,310 --> 00:11:12,160

also remember seeing terminator

317

00:11:16,389 --> 00:11:14,320

at much too young of an age to be seeing

318

00:11:17,829 --> 00:11:16,399

that movie i remember it really scared

319

00:11:20,069 --> 00:11:17,839

me so did e.t

320

00:11:20,949 --> 00:11:20,079

as well but um i'm gonna have to say

321

00:11:23,829 --> 00:11:20,959

either e.t

322

00:11:25,030 --> 00:11:23,839

or very very early episodes of the

323

00:11:27,990 --> 00:11:25,040

twilight zone

324

00:11:29,590 --> 00:11:28,000

um i remember it being on television and

325

00:11:31,750 --> 00:11:29,600

i didn't really

326

00:11:33,750 --> 00:11:31,760

understand kind of the you know the

327

00:11:34,870 --> 00:11:33,760

subjects behind a lot of the episodes

328

00:11:36,949 --> 00:11:34,880

and the uh

329

00:11:38,310 --> 00:11:36,959

sort of existential questions being

330

00:11:40,550 --> 00:11:38,320

asked in it but

331

00:11:42,150 --> 00:11:40,560

for some reason i was just drawn to that

332

00:11:44,230 --> 00:11:42,160

show from a very young age

333

00:11:46,550 --> 00:11:44,240

it seemed like every episode kind of

334

00:11:47,110 --> 00:11:46,560

played out as a stage play it was a lot

335

00:11:49,110 --> 00:11:47,120

of just

336

00:11:50,949 --> 00:11:49,120

people talking back and forth and that

337

00:11:52,870 --> 00:11:50,959

would ultimately lead to um

338

00:11:54,550 --> 00:11:52,880

my career choice of becoming a

339

00:11:55,590 --> 00:11:54,560

playwright i looked at a lot of early

340

00:11:58,389 --> 00:11:55,600

rob sterling

341

00:11:59,829 --> 00:11:58,399

scripts and everything and um yeah yeah

342

00:12:00,870 --> 00:11:59,839

i want to say it was either e.t or the

343

00:12:02,790 --> 00:12:00,880

twilight zone

344

00:12:05,430 --> 00:12:02,800

or my first endeavors into science

345

00:12:08,470 --> 00:12:05,440

fiction and ever since i have become a

346

00:12:11,910 --> 00:12:08,480

crazy star wars fan obviously and

347

00:12:14,310 --> 00:12:11,920

x-files fans so yeah

348

00:12:15,030 --> 00:12:14,320

uh let's see kevin on twitter asks do

349

00:12:16,949 --> 00:12:15,040

you believe

350

00:12:20,310 --> 00:12:16,959

in mick west or do you think he is a

351

00:12:22,230 --> 00:12:20,320

balloon or some kind of optical coach

352

00:12:23,590 --> 00:12:22,240

in our sensors i i should have read this

353

00:12:25,670 --> 00:12:23,600

one ahead of time

354

00:12:27,670 --> 00:12:25,680

that's hilarious so if you guys don't

355

00:12:29,750 --> 00:12:27,680

know mick west is probably the most

356

00:12:31,030 --> 00:12:29,760

outspoken uh skeptic right now in the

357

00:12:32,230 --> 00:12:31,040

ufo

358

00:12:34,150 --> 00:12:32,240

community i don't know what you would

359

00:12:36,230 --> 00:12:34,160

even call it and um

360

00:12:38,230 --> 00:12:36,240

he's tried his best to debunk all these

361

00:12:40,230 --> 00:12:38,240

navy ufo videos and

362

00:12:41,750 --> 00:12:40,240

and these videos that jeremy corbell and

363

00:12:43,670 --> 00:12:41,760

george knapp have released

364

00:12:45,350 --> 00:12:43,680

and look he's come up with some really

365

00:12:46,069 --> 00:12:45,360

compelling explanations for some of

366

00:12:49,670 --> 00:12:46,079

these

367

00:12:51,350 --> 00:12:49,680

some of them and um other than that uh

368

00:12:53,110 --> 00:12:51,360

he's a very nice guy

369

00:12:54,389 --> 00:12:53,120

i'm just gonna say that up front i know

370

00:12:56,550 --> 00:12:54,399

a lot of people hate him

371

00:12:58,629 --> 00:12:56,560

and think he's the enemy but uh i've had

372

00:13:00,069 --> 00:12:58,639

really good conversations with him

373

00:13:02,389 --> 00:13:00,079

and i think it's really important to

374

00:13:04,629 --> 00:13:02,399

have people like mick west in this whole

375

00:13:05,990 --> 00:13:04,639

ufo thing or else it's just an echo

376

00:13:08,150 --> 00:13:06,000

chamber of people being like it's

377

00:13:09,910 --> 00:13:08,160

aliens it's interdimensional it's this

378

00:13:10,550 --> 00:13:09,920

uh when in reality there could be some

379

00:13:14,150 --> 00:13:10,560

very

380

00:13:16,389 --> 00:13:14,160

prosaic yet exciting explanations for

381

00:13:17,910 --> 00:13:16,399

a lot of these ufos so yeah that's kind

382

00:13:18,230 --> 00:13:17,920

of my take on it i think it's pretty

383

00:13:21,110 --> 00:13:18,240

cool

384

00:13:23,590 --> 00:13:21,120

the dude made um the tony hawk

385

00:13:25,509 --> 00:13:23,600

playstation game so give him some credit

386

00:13:27,350 --> 00:13:25,519

where credit is due um that's my

387

00:13:30,710 --> 00:13:27,360

thoughts on mcquest

388

00:13:32,550 --> 00:13:30,720

uh let's see here

389

00:13:34,310 --> 00:13:32,560

go to our next one here who else do we

390

00:13:39,430 --> 00:13:34,320

have in the chat here um

391

00:13:43,350 --> 00:13:41,030

here's a good one if you could invite

392

00:13:44,550 --> 00:13:43,360

any three people dead or alive to dinner

393

00:13:45,829 --> 00:13:44,560

who would you pick and why

394

00:13:48,389 --> 00:13:45,839

that sounds like one of the questions

395

00:13:49,350 --> 00:13:48,399

they ask you on like inside the actor's

396

00:13:51,509 --> 00:13:49,360

studio

397

00:13:53,189 --> 00:13:51,519

or something i love it i love it um

398

00:13:55,670 --> 00:13:53,199

invite three people dead are alive

399

00:13:57,350 --> 00:13:55,680

um well obviously jay allen heineck uh

400

00:13:58,710 --> 00:13:57,360

the famed astronomer who worked for

401
00:14:01,350 --> 00:13:58,720

project blue book

402
00:14:02,629 --> 00:14:01,360

went in to uh explain away all these ufo

403
00:14:04,230 --> 00:14:02,639

cases for the government

404
00:14:06,069 --> 00:14:04,240

and came out on the other side thinking

405
00:14:07,829 --> 00:14:06,079

whoa there's way more to this than

406
00:14:10,230 --> 00:14:07,839

i ever could have thought so he's

407
00:14:13,350 --> 00:14:10,240

definitely one of my heroes um

408
00:14:16,389 --> 00:14:13,360

who else oh

409
00:14:17,750 --> 00:14:16,399

uh i'm gonna have to say sam shepard the

410
00:14:18,710 --> 00:14:17,760

playwright he's one of my favorite

411
00:14:20,949 --> 00:14:18,720

playwrights

412
00:14:21,990 --> 00:14:20,959

um i just absolutely love everything

413
00:14:25,430 --> 00:14:22,000

he's done

414

00:14:27,189 --> 00:14:25,440

his tone his style his um his structure

415

00:14:30,310 --> 00:14:27,199

of dialogue and his plays

416

00:14:30,790 --> 00:14:30,320

uh yeah he's just it spoke to me at a

417

00:14:33,110 --> 00:14:30,800

very

418

00:14:34,470 --> 00:14:33,120

early age when i saw his work so i would

419

00:14:36,550 --> 00:14:34,480

love to pick his brain

420

00:14:37,670 --> 00:14:36,560

on how he came up with all these ideas i

421

00:14:39,430 --> 00:14:37,680

know a lot of them

422

00:14:41,590 --> 00:14:39,440

came from personal experience with this

423

00:14:44,629 --> 00:14:41,600

very dysfunctional family

424

00:14:45,189 --> 00:14:44,639

um which a lot of playwrights often use

425

00:14:46,949 --> 00:14:45,199

that

426

00:14:48,470 --> 00:14:46,959

as well i'm not one of them i have one

427

00:14:49,670 --> 00:14:48,480

of the best families ever and i feel

428

00:14:51,509 --> 00:14:49,680

very fortunate

429

00:14:53,110 --> 00:14:51,519

for that and then other playwrights

430

00:14:56,829 --> 00:14:53,120

playwrights use a lot of this

431

00:14:56,839 --> 00:15:01,670

third third person

432

00:15:01,680 --> 00:15:04,870

ah man

433

00:15:09,670 --> 00:15:07,910

that's a tough one i i honestly i

434

00:15:14,629 --> 00:15:09,680

i haven't put much thought into this

435

00:15:19,269 --> 00:15:17,110

oh i'm gonna say jesse marcel senior

436

00:15:19,990 --> 00:15:19,279

first officer on site at the roswell ufo

437

00:15:23,269 --> 00:15:20,000

crash

438

00:15:24,870 --> 00:15:23,279

i would want to know over whatever ham

439

00:15:27,269 --> 00:15:24,880

and potatoes what that guy

440

00:15:28,470 --> 00:15:27,279

really saw out there and and uh what he

441

00:15:30,069 --> 00:15:28,480

thinks happened

442

00:15:32,629 --> 00:15:30,079

so yeah those would be my three right

443

00:15:37,030 --> 00:15:35,269

hi michael hello rolando thank you so

444

00:15:40,310 --> 00:15:37,040

much for joining me guys

445

00:15:42,470 --> 00:15:40,320

um michael asks did you ever do a cherry

446

00:15:44,150 --> 00:15:42,480

creek new york case podcast

447

00:15:45,990 --> 00:15:44,160

i know you were looking into it yes i

448

00:15:47,590 --> 00:15:46,000

believe i did with rob

449

00:15:49,829 --> 00:15:47,600

christopherson from the our strange

450

00:15:50,310 --> 00:15:49,839

skies podcast we both are from new york

451
00:15:52,470 --> 00:15:50,320
state

452
00:15:54,629 --> 00:15:52,480
so i have had him come on for one of our

453
00:15:57,189 --> 00:15:54,639
ufo happy hour episodes

454
00:15:59,030 --> 00:15:57,199
and we only talked about new york ufo

455
00:16:01,509 --> 00:15:59,040
cases and i believe either

456
00:16:02,389 --> 00:16:01,519
i did or rob talked about cherry creek

457
00:16:04,629 --> 00:16:02,399
michaels so

458
00:16:06,470 --> 00:16:04,639
um a really entertaining episode i would

459
00:16:09,590 --> 00:16:06,480
definitely go back in the archives and

460
00:16:11,910 --> 00:16:09,600
and uh take a look at that one

461
00:16:12,870 --> 00:16:11,920
alicia says jazz what's the drink of the

462
00:16:15,350 --> 00:16:12,880
day boo

463
00:16:16,790 --> 00:16:15,360

i know what he's drinking i i know it's

464

00:16:18,550 --> 00:16:16,800

gin that's all i know

465

00:16:21,509 --> 00:16:18,560

i don't know what's in the martini with

466

00:16:25,430 --> 00:16:21,519

that but um yeah

467

00:16:26,310 --> 00:16:25,440

cheers um awesome well i'm gonna go back

468

00:16:30,310 --> 00:16:26,320

to these pre

469

00:16:33,509 --> 00:16:30,320

questions that i got with you guys um

470

00:16:35,990 --> 00:16:33,519

oh all right this is a very special one

471

00:16:37,269 --> 00:16:36,000

so i was asked by several people both on

472

00:16:40,629 --> 00:16:37,279

twitter patreon

473

00:16:42,629 --> 00:16:40,639

and reddit um as well

474

00:16:45,990 --> 00:16:42,639

they wanted to know what does my family

475

00:16:47,910 --> 00:16:46,000

think about what i do in the ufo world

476

00:16:49,110 --> 00:16:47,920

what did they think when you first got

477

00:16:51,670 --> 00:16:49,120

interested and

478

00:16:53,910 --> 00:16:51,680

have their thoughts changed about that

479

00:16:54,150 --> 00:16:53,920

so yeah this was a very popular question

480

00:17:02,710 --> 00:16:54,160

i

481

00:17:05,029 --> 00:17:02,720

prepared these answers for you guys

482

00:17:05,750 --> 00:17:05,039

um so you could get it from from their

483

00:17:07,110 --> 00:17:05,760

mouths

484

00:17:08,870 --> 00:17:07,120

so what i'm going to do right now is

485

00:17:09,510 --> 00:17:08,880

play a couple of those clips for my

486

00:17:10,789 --> 00:17:09,520

family

487

00:17:13,990 --> 00:17:10,799

for you guys to hear what they thought

488

00:17:15,590 --> 00:17:14,000

about me uh becoming a ufologist being

489

00:17:16,870 --> 00:17:15,600

so interested in this stuff

490

00:17:19,590 --> 00:17:16,880

and what they think about all the stuff

491

00:17:22,710 --> 00:17:19,600

going on right now so bear with me

492

00:17:25,029 --> 00:17:22,720

and um yeah you're gonna hear from first

493

00:17:26,309 --> 00:17:25,039

sue and doug spread my parents so yeah

494

00:17:28,710 --> 00:17:26,319

enjoy this

495

00:17:30,230 --> 00:17:28,720

you know back at that time you actually

496

00:17:31,190 --> 00:17:30,240

started drawing little green men and

497

00:17:34,390 --> 00:17:31,200

stuff

498

00:17:37,270 --> 00:17:34,400

and um just seemed like

499

00:17:39,190 --> 00:17:37,280

you became interested in it and wanted

500

00:17:40,870 --> 00:17:39,200

to know more about it and everything so

501
00:17:47,190 --> 00:17:40,880

you

502
00:17:50,230 --> 00:17:47,200

age

503
00:17:52,310 --> 00:17:50,240

when we're up there in alexandria bay

504
00:17:54,710 --> 00:17:52,320

you saw something and i come out on the

505
00:17:56,630 --> 00:17:54,720

dock and there was something up there i

506
00:17:57,990 --> 00:17:56,640

i didn't quite know what it was and you

507
00:18:00,150 --> 00:17:58,000

kind of took right off with it

508
00:18:02,630 --> 00:18:00,160

and investigated it more after that and

509
00:18:05,430 --> 00:18:02,640

i kind of let it go by the wayside so

510
00:18:06,710 --> 00:18:05,440

i commend you for doing that at such a

511
00:18:09,190 --> 00:18:06,720

young age

512
00:18:10,390 --> 00:18:09,200

i was a little worried about it about

513
00:18:13,430 --> 00:18:10,400

you and about it

514

00:18:14,390 --> 00:18:13,440

it's because you never know i truly

515

00:18:16,549 --> 00:18:14,400

believe that there is

516

00:18:17,590 --> 00:18:16,559

other life out there but with all the

517

00:18:19,909 --> 00:18:17,600

the recent

518

00:18:21,150 --> 00:18:19,919

news and what have it that's going on

519

00:18:23,830 --> 00:18:21,160

with the

520

00:18:25,350 --> 00:18:23,840

unidentified aerial phenomenon what the

521

00:18:26,470 --> 00:18:25,360

pentagon is supposed to be coming out

522

00:18:29,029 --> 00:18:26,480

with

523

00:18:29,590 --> 00:18:29,039

it's brought it to the forefront now and

524

00:18:31,110 --> 00:18:29,600

it's

525

00:18:33,510 --> 00:18:31,120

i'm really glad you stuck with it

526

00:18:35,590 --> 00:18:33,520

because i mean this is really

527

00:18:36,630 --> 00:18:35,600

right down you know right in your grasp

528

00:18:38,870 --> 00:18:36,640

now it's

529

00:18:40,710 --> 00:18:38,880

it's something that you've been really

530

00:18:41,590 --> 00:18:40,720

looking for and looking forward to and

531

00:18:43,590 --> 00:18:41,600

now

532

00:18:45,669 --> 00:18:43,600

something is going to become of it

533

00:18:47,590 --> 00:18:45,679

because there's something going on

534

00:18:49,190 --> 00:18:47,600

don't know what it is we don't know what

535

00:18:51,669 --> 00:18:49,200

it is you don't know what it is

536

00:18:54,310 --> 00:18:51,679

and it's it'll be interesting to find

537

00:18:56,870 --> 00:18:54,320

out what they come out with in june

538

00:18:57,510 --> 00:18:56,880

um that's when you started drawing all

539

00:19:00,630 --> 00:18:57,520

your little

540

00:19:04,230 --> 00:19:00,640

green people and you would draw um

541

00:19:06,070 --> 00:19:04,240

spaceships and you did it all the time

542

00:19:06,470 --> 00:19:06,080

it wasn't something like you did once

543

00:19:08,789 --> 00:19:06,480

and

544

00:19:10,470 --> 00:19:08,799

that was it i mean i'd always find

545

00:19:12,390 --> 00:19:10,480

things laying around with

546

00:19:15,270 --> 00:19:12,400

you know little martians on it or

547

00:19:17,430 --> 00:19:15,280

whatever and i used to think

548

00:19:18,710 --> 00:19:17,440

you know i just i i just kind of i never

549

00:19:22,230 --> 00:19:18,720

said anything

550

00:19:25,029 --> 00:19:22,240

and you know i was a little apprehensive

551
00:19:26,310 --> 00:19:25,039
about the whole thing like why why does

552
00:19:29,190 --> 00:19:26,320
he have such a

553
00:19:30,870 --> 00:19:29,200
a connection with this or you know why

554
00:19:31,590 --> 00:19:30,880
is this all i'm finding laying around

555
00:19:33,750 --> 00:19:31,600
the house

556
00:19:36,150 --> 00:19:33,760
you know so i was a little bit worried

557
00:19:39,350 --> 00:19:36,160
not really worried but wondering

558
00:19:40,310 --> 00:19:39,360
more wondering why like why is he into

559
00:19:43,190 --> 00:19:40,320
this so much

560
00:19:44,150 --> 00:19:43,200
i may even i've questioned you at that

561
00:19:47,110 --> 00:19:44,160
point but i

562
00:19:48,870 --> 00:19:47,120
don't remember so i you know dad and i

563
00:19:51,270 --> 00:19:48,880

just thought it was more like

564

00:19:53,270 --> 00:19:51,280

just something you like to draw and we

565

00:19:55,990 --> 00:19:53,280

didn't really make a big deal out of it

566

00:19:56,710 --> 00:19:56,000

although i always wondered why why is it

567

00:19:59,029 --> 00:19:56,720

this

568

00:20:00,230 --> 00:19:59,039

you know as you got older you you did

569

00:20:02,710 --> 00:20:00,240

more of it

570

00:20:06,149 --> 00:20:02,720

and then you know you'd be bringing

571

00:20:08,549 --> 00:20:06,159

books home and reading books on ufos and

572

00:20:09,830 --> 00:20:08,559

life on other planets and then i thought

573

00:20:12,789 --> 00:20:09,840

oh boy

574

00:20:13,669 --> 00:20:12,799

now what do we have here you know and

575

00:20:16,710 --> 00:20:13,679

yeah

576

00:20:17,750 --> 00:20:16,720

i was a little concerned i just figured

577

00:20:19,830 --> 00:20:17,760

it was an interest

578

00:20:20,789 --> 00:20:19,840

and it'd be something yeah he'll get

579

00:20:23,590 --> 00:20:20,799

over it

580

00:20:26,950 --> 00:20:23,600

you know whatever he'll move on well

581

00:20:29,990 --> 00:20:26,960

then as time went on and then

582

00:20:33,110 --> 00:20:30,000

you really that was not the case

583

00:20:33,590 --> 00:20:33,120

no no i mean you became heavily involved

584

00:20:36,630 --> 00:20:33,600

and

585

00:20:38,470 --> 00:20:36,640

the fact that

586

00:20:40,549 --> 00:20:38,480

this is something that you liked and

587

00:20:41,590 --> 00:20:40,559

something you really enjoyed doing and

588

00:20:45,029 --> 00:20:41,600

looking into

589

00:20:45,350 --> 00:20:45,039

and sharing and you know even though dan

590

00:20:47,990 --> 00:20:45,360

and i

591

00:20:48,549 --> 00:20:48,000

were you know 100 percent sure about any

592

00:20:50,950 --> 00:20:48,559

of it

593

00:20:52,310 --> 00:20:50,960

you know we wanted to support you no

594

00:20:54,310 --> 00:20:52,320

matter what

595

00:20:55,669 --> 00:20:54,320

you know and what you're doing now i

596

00:20:58,230 --> 00:20:55,679

mean to me

597

00:20:59,510 --> 00:20:58,240

and to dad and i'm sure to many others

598

00:21:00,710 --> 00:20:59,520

you're probably one of the most

599

00:21:03,510 --> 00:21:00,720

respected

600

00:21:05,750 --> 00:21:03,520

ufologists out there right now and a lot

601
00:21:09,669 --> 00:21:05,760
of people turn to you for information

602
00:21:12,950 --> 00:21:09,679
and i mean it's amazing now what we hear

603
00:21:13,990 --> 00:21:12,960
all over the place about you and things

604
00:21:16,390 --> 00:21:14,000
that you've done and

605
00:21:17,990 --> 00:21:16,400
things you are doing and you know it

606
00:21:20,390 --> 00:21:18,000
makes dad and i think a little bit more

607
00:21:23,830 --> 00:21:20,400
serious about it i mean nowadays it is

608
00:21:25,270 --> 00:21:23,840
a big deal and dad and i have learned so

609
00:21:27,430 --> 00:21:25,280
much from you

610
00:21:29,590 --> 00:21:27,440
that i'm really excited for them to come

611
00:21:32,230 --> 00:21:29,600
out with the information i can't wait

612
00:21:33,590 --> 00:21:32,240
to hear what they have to say i mean if

613
00:21:36,070 --> 00:21:33,600

they're holding something back

614

00:21:37,750 --> 00:21:36,080

that we all should know about then i

615

00:21:39,909 --> 00:21:37,760

truly believe they should

616

00:21:41,350 --> 00:21:39,919

share it i mean why are they keeping a

617

00:21:45,029 --> 00:21:41,360

secret

618

00:21:47,510 --> 00:21:45,039

you know if it's not a big deal and and

619

00:21:48,710 --> 00:21:47,520

why is everything secret secret bring it

620

00:21:51,430 --> 00:21:48,720

out share it

621

00:21:52,070 --> 00:21:51,440

let people research it more you know i

622

00:21:55,430 --> 00:21:52,080

think you'd get

623

00:21:59,510 --> 00:21:55,440

more people involved if they really knew

624

00:22:01,029 --> 00:21:59,520

that there is something i'm i'm excited

625

00:22:04,390 --> 00:22:01,039

about it i can't wait to hear what they

626

00:22:08,630 --> 00:22:06,789

ah man that was so awesome that was the

627

00:22:11,190 --> 00:22:08,640

first time i really ever

628

00:22:13,029 --> 00:22:11,200

asked my parents that question so um i

629

00:22:13,430 --> 00:22:13,039

have to thank all of you that submitted

630

00:22:15,270 --> 00:22:13,440

that

631

00:22:16,630 --> 00:22:15,280

it was so cool to hear their thoughts on

632

00:22:19,110 --> 00:22:16,640

it for me personally

633

00:22:21,029 --> 00:22:19,120

and i hope for you too they're so cool

634

00:22:21,590 --> 00:22:21,039

about all the stuff that i do whether it

635

00:22:24,870 --> 00:22:21,600

was

636

00:22:26,950 --> 00:22:24,880

uh baseball growing up or or theater or

637

00:22:29,110 --> 00:22:26,960

ufos they have supported me

638

00:22:31,430 --> 00:22:29,120

all the way and i i'm so glad that

639

00:22:33,430 --> 00:22:31,440

they're still along for this crazy ride

640

00:22:35,270 --> 00:22:33,440

and um that they're taking it more

641

00:22:35,990 --> 00:22:35,280

seriously like a lot of other people out

642

00:22:37,830 --> 00:22:36,000

here

643

00:22:39,669 --> 00:22:37,840

uh that don't think about these topics

644

00:22:41,190 --> 00:22:39,679

from day to day um i have one more

645

00:22:42,470 --> 00:22:41,200

family member i want to share a brief

646

00:22:45,110 --> 00:22:42,480

clip with you guys from

647

00:22:46,870 --> 00:22:45,120

this is my amazing and supportive sister

648

00:22:47,990 --> 00:22:46,880

my younger sister and uh

649

00:22:50,310 --> 00:22:48,000

i wanted to know what it was like

650

00:22:52,630 --> 00:22:50,320

growing up with that weird ufo

651
00:22:53,990 --> 00:22:52,640
brother so um bear with me here you're

652
00:22:56,549 --> 00:22:54,000
gonna hear from her

653
00:22:57,110 --> 00:22:56,559
right now growing up with my brother was

654
00:22:59,669 --> 00:22:57,120
always an

655
00:23:01,909 --> 00:22:59,679
adventure ever since i can remember he

656
00:23:04,870 --> 00:23:01,919
has always been interested in ufos

657
00:23:05,990 --> 00:23:04,880
and or aliens he always believed that

658
00:23:09,270 --> 00:23:06,000
there was

659
00:23:10,789 --> 00:23:09,280
quote something out there personally

660
00:23:12,070 --> 00:23:10,799
when i was younger i would think that it

661
00:23:14,390 --> 00:23:12,080
was kind of weird

662
00:23:15,909 --> 00:23:14,400
like rye come on you really think there

663
00:23:17,750 --> 00:23:15,919

are little green creatures out there

664

00:23:19,110 --> 00:23:17,760

that fly these little saucers around in

665

00:23:21,029 --> 00:23:19,120

the sky

666

00:23:23,029 --> 00:23:21,039

he would always be reading about ufos

667

00:23:25,510 --> 00:23:23,039

and staying up late to do research

668

00:23:27,350 --> 00:23:25,520

pretty much every chance that he got as

669

00:23:29,029 --> 00:23:27,360

they have gotten older

670

00:23:31,190 --> 00:23:29,039

and the more that i have actually taken

671

00:23:32,470 --> 00:23:31,200

the time to listen to the research that

672

00:23:34,070 --> 00:23:32,480

ryan has done

673

00:23:36,310 --> 00:23:34,080

my views and thoughts have definitely

674

00:23:37,909 --> 00:23:36,320

changed the amount of people that have

675

00:23:39,830 --> 00:23:37,919

come to my brother with stories of

676

00:23:41,350 --> 00:23:39,840

having their own experiences

677

00:23:43,669 --> 00:23:41,360

you really just can't make some of this

678

00:23:45,269 --> 00:23:43,679

stuff up honestly my brother is one of

679

00:23:47,269 --> 00:23:45,279

the smartest people i know and i

680

00:23:50,470 --> 00:23:47,279

definitely have more of an interest now

681

00:23:53,430 --> 00:23:50,480

in ufology because of him so

682

00:23:57,750 --> 00:23:53,440

no right you're not weird or crazy but i

683

00:24:01,029 --> 00:23:59,990

um i think it cut off a little early

684

00:24:03,510 --> 00:24:01,039

there what she said is

685

00:24:04,230 --> 00:24:03,520

i still do believe that you are an alien

686

00:24:05,990 --> 00:24:04,240

so

687

00:24:07,750 --> 00:24:06,000

i have to thank my sister for sending

688

00:24:09,110 --> 00:24:07,760

that in to me and my parents you guys

689

00:24:12,390 --> 00:24:09,120

were such good sports

690

00:24:13,350 --> 00:24:12,400

about doing that and surprise for all of

691

00:24:15,350 --> 00:24:13,360

our listeners

692

00:24:16,950 --> 00:24:15,360

i didn't just ask them these two

693

00:24:19,110 --> 00:24:16,960

questions i got their thoughts

694

00:24:21,430 --> 00:24:19,120

on a lot of other stuff too the pentagon

695

00:24:23,510 --> 00:24:21,440

and and luis elizado and

696

00:24:25,029 --> 00:24:23,520

and some weird experiences my parents

697

00:24:27,190 --> 00:24:25,039

have had growing up and stuff

698

00:24:28,549 --> 00:24:27,200

so um i will be releasing that as a

699

00:24:30,310 --> 00:24:28,559

bonus extended

700

00:24:31,990 --> 00:24:30,320

interview with the sprague family

701
00:24:35,029 --> 00:24:32,000
hopefully coming soon so stick

702
00:24:36,630 --> 00:24:35,039
with me on that um awesome let's see

703
00:24:38,549 --> 00:24:36,640
what else we have here

704
00:24:40,230 --> 00:24:38,559
thank you thank you everyone for saying

705
00:24:43,350 --> 00:24:40,240
those very nice things about

706
00:24:45,750 --> 00:24:43,360
my family and i uh let's get to our next

707
00:24:47,510 --> 00:24:45,760
question here with all of the years of

708
00:24:48,549 --> 00:24:47,520
knowledge and experience that you've had

709
00:24:53,590 --> 00:24:48,559
with the subject

710
00:24:58,149 --> 00:24:56,950
that's a good question i think what

711
00:25:01,590 --> 00:24:58,159
terrifies me most

712
00:25:04,549 --> 00:25:01,600
is that if and that's a huge if

713
00:25:04,870 --> 00:25:04,559

if the pentagon or the government does

714

00:25:08,149 --> 00:25:04,880

know

715

00:25:12,149 --> 00:25:08,159

anything about this topic uh that

716

00:25:13,830 --> 00:25:12,159

we're never gonna get the true story um

717

00:25:15,269 --> 00:25:13,840

i i personally don't think they know a

718

00:25:16,789 --> 00:25:15,279

lot about what we're dealing with when

719

00:25:19,190 --> 00:25:16,799

it comes to ufos but

720

00:25:20,230 --> 00:25:19,200

they probably do know some stuff and a

721

00:25:21,750 --> 00:25:20,240

good buddy of mine

722

00:25:23,430 --> 00:25:21,760

uh robbie graham has always said you

723

00:25:23,830 --> 00:25:23,440

know maybe they don't know what's going

724

00:25:27,590 --> 00:25:23,840

on

725

00:25:30,710 --> 00:25:27,600

the narrative they put out there

726

00:25:32,149 --> 00:25:30,720

so um i do think that and i do see that

727

00:25:33,830 --> 00:25:32,159

sort of playing out with a lot of the

728

00:25:36,310 --> 00:25:33,840

stuff going on right now and

729

00:25:37,909 --> 00:25:36,320

how the mainstream media is uh kind of

730

00:25:40,310 --> 00:25:37,919

approaching it how

731

00:25:42,230 --> 00:25:40,320

how the military is approaching it so so

732

00:25:43,510 --> 00:25:42,240

who knows um but yeah i think it's scary

733

00:25:45,669 --> 00:25:43,520

to think that but

734

00:25:47,269 --> 00:25:45,679

this amazing technology out there can

735

00:25:50,470 --> 00:25:47,279

exist whether it's

736

00:25:53,909 --> 00:25:50,480

you know anti-gravity free energy

737

00:25:56,390 --> 00:25:53,919

um or using anything else as a fuel

738

00:25:58,549 --> 00:25:56,400

for some sort of craft other than you

739

00:25:59,990 --> 00:25:58,559

know fossil fuels and destroying our

740

00:26:03,669 --> 00:26:00,000

planet uh

741

00:26:05,830 --> 00:26:03,679

if that technology could benefit us

742

00:26:07,110 --> 00:26:05,840

somehow and we can use it and we can

743

00:26:10,149 --> 00:26:07,120

grow and evolve

744

00:26:12,950 --> 00:26:10,159

um my biggest fear is that it'll be used

745

00:26:14,310 --> 00:26:12,960

for military for the warfare and that

746

00:26:15,590 --> 00:26:14,320

we'll never truly know what our

747

00:26:17,590 --> 00:26:15,600

potential could be

748

00:26:18,870 --> 00:26:17,600

because of that so yeah that's kind of

749

00:26:21,029 --> 00:26:18,880

my biggest fear when it comes to

750

00:26:22,950 --> 00:26:21,039

everything i've learned and everything i

751
00:26:25,510 --> 00:26:22,960
kind of look into so i hope that answers

752
00:26:31,110 --> 00:26:25,520
that sherry

753
00:26:36,230 --> 00:26:32,870
what are you guys drinking let me know

754
00:26:40,950 --> 00:26:39,110
uh anonymous says big fan of your work

755
00:26:42,310 --> 00:26:40,960
mr sprague is someone who has had a few

756
00:26:44,470 --> 00:26:42,320
personal sightings

757
00:26:45,510 --> 00:26:44,480
i know without a doubt there is

758
00:26:47,590 --> 00:26:45,520
something out there

759
00:26:48,870 --> 00:26:47,600
i'm excited to see what is released in

760
00:26:51,430 --> 00:26:48,880
the coming weeks

761
00:26:52,710 --> 00:26:51,440
me too me too i know a lot of people are

762
00:26:54,470 --> 00:26:52,720
a lot of people are

763
00:26:56,390 --> 00:26:54,480

you know tempering their expectations

764

00:26:58,149 --> 00:26:56,400

which is understandable

765

00:27:00,950 --> 00:26:58,159

the uh new york times leaked recently

766

00:27:03,190 --> 00:27:00,960

about what the pentagon looked at is uh

767

00:27:04,549 --> 00:27:03,200

it was sobering and um but it was

768

00:27:05,190 --> 00:27:04,559

interesting too i mean the fact that

769

00:27:07,909 --> 00:27:05,200

they

770

00:27:09,669 --> 00:27:07,919

admitted uh yeah we looked at like 120

771

00:27:12,390 --> 00:27:09,679

cases and none of them are us

772

00:27:13,750 --> 00:27:12,400

technology uh that was kind of not what

773

00:27:16,549 --> 00:27:13,760

i was expecting to hear

774

00:27:17,909 --> 00:27:16,559

uh in in in terms of that so um who

775

00:27:19,750 --> 00:27:17,919

knows if they're telling the truth about

776

00:27:23,029 --> 00:27:19,760

that but that was interesting that they

777

00:27:24,870 --> 00:27:23,039

they came up with that so yeah let's see

778

00:27:26,230 --> 00:27:24,880

alicia says when our siblings call us

779

00:27:29,510 --> 00:27:26,240

hands yep

780

00:27:31,909 --> 00:27:29,520

it's so true so true alicia says

781

00:27:34,710 --> 00:27:31,919

water as fuel the government and big oil

782

00:27:36,710 --> 00:27:34,720

would be screwed if that got out exactly

783

00:27:38,710 --> 00:27:36,720

yeah suppressing technology has always

784

00:27:39,190 --> 00:27:38,720

been a big thing when it comes to this

785

00:27:42,230 --> 00:27:39,200

topic

786

00:27:45,190 --> 00:27:42,240

you know if the technology is out there

787

00:27:46,950 --> 00:27:45,200

to um have these trans medium craft and

788

00:27:50,310 --> 00:27:46,960

not work off of

789

00:27:53,350 --> 00:27:50,320

fuel um we'll probably never see it

790

00:27:54,950 --> 00:27:53,360

um until it's too late so cody says beer

791

00:27:55,350 --> 00:27:54,960

beer beer what beer are you drinking my

792

00:27:57,510 --> 00:27:55,360

man

793

00:27:59,269 --> 00:27:57,520

let me know in the comments a cold bud

794

00:28:01,430 --> 00:27:59,279

travis is drinking

795

00:28:04,710 --> 00:28:01,440

sounds good man i only had a guinness in

796

00:28:06,389 --> 00:28:04,720

the fridge so i'm sticking with whiskey

797

00:28:07,990 --> 00:28:06,399

uh christopher welcome christopher

798

00:28:09,590 --> 00:28:08,000

thanks for being here

799

00:28:11,669 --> 00:28:09,600

he says i don't drink but a little bud

800

00:28:13,190 --> 00:28:11,679

makes me almost any makes almost any

801

00:28:16,389 --> 00:28:13,200

conversation interesting

802

00:28:18,630 --> 00:28:16,399

very true very true man i look super

803

00:28:21,350 --> 00:28:18,640

white as a ghost hold on turn down my

804

00:28:24,310 --> 00:28:21,360

ring light here

805

00:28:26,389 --> 00:28:24,320

that's too dark you guys let me know um

806

00:28:28,549 --> 00:28:26,399

let's get to our next listener question

807

00:28:32,070 --> 00:28:28,559

course cody's drinking cores silver

808

00:28:36,630 --> 00:28:34,870

all right oh here's one and yeah guys if

809

00:28:37,510 --> 00:28:36,640

you want um i know probably a lot of

810

00:28:39,590 --> 00:28:37,520

people are here

811

00:28:40,549 --> 00:28:39,600

because of my ufo work but like i said

812

00:28:43,110 --> 00:28:40,559

i'm a playwright

813

00:28:43,990 --> 00:28:43,120

uh as well in new york city um if you

814

00:28:46,630 --> 00:28:44,000

have any questions

815

00:28:48,789 --> 00:28:46,640

about theater or like my my that world

816

00:28:50,549 --> 00:28:48,799

like i'm happy to talk about that too

817

00:28:51,830 --> 00:28:50,559

i don't get to talk about it often to be

818

00:28:53,510 --> 00:28:51,840

honest so yes

819

00:28:55,430 --> 00:28:53,520

you can throw some questions in the

820

00:28:55,990 --> 00:28:55,440

comments if you'd like don't worry about

821

00:28:58,470 --> 00:28:56,000

it

822

00:29:00,389 --> 00:28:58,480

if not um fill up on facebook asks

823

00:29:01,510 --> 00:29:00,399

what's the best bit about being a new

824

00:29:03,590 --> 00:29:01,520

york playwright

825

00:29:05,029 --> 00:29:03,600

have you experienced any negativity or

826

00:29:06,710 --> 00:29:05,039

closed opportunities

827

00:29:08,470 --> 00:29:06,720

in your professional life due to your

828

00:29:11,510 --> 00:29:08,480

open involvement in

829

00:29:11,990 --> 00:29:11,520

the ufo scene wow that's a really good

830

00:29:15,590 --> 00:29:12,000

question

831

00:29:17,510 --> 00:29:15,600

um i think the most incredible thing

832

00:29:19,590 --> 00:29:17,520

about being a playwright in new york

833

00:29:21,909 --> 00:29:19,600

for me is seeing other artists

834

00:29:23,110 --> 00:29:21,919

everywhere i live in astoria queens

835

00:29:25,269 --> 00:29:23,120

which a lot of people call

836

00:29:27,110 --> 00:29:25,279

call actoria because there's so many

837

00:29:29,590 --> 00:29:27,120

actors that live here as well

838

00:29:31,029 --> 00:29:29,600

and um every type of artist musicians

839

00:29:34,230 --> 00:29:31,039

writers actors

840

00:29:35,190 --> 00:29:34,240

um painters what have you um digital

841

00:29:38,710 --> 00:29:35,200

artists

842

00:29:40,870 --> 00:29:38,720

uh seeing them hustle every single day

843

00:29:42,630 --> 00:29:40,880

and seeing how passionate they are

844

00:29:43,830 --> 00:29:42,640

whether you know they get the job or not

845

00:29:46,630 --> 00:29:43,840

they are sacrificing

846

00:29:48,789 --> 00:29:46,640

so much for their art and um i just

847

00:29:49,990 --> 00:29:48,799

think it's a beautiful thing it's cliché

848

00:29:53,110 --> 00:29:50,000

but yeah we all

849

00:29:54,549 --> 00:29:53,120

are struggling artists so um yeah

850

00:29:56,070 --> 00:29:54,559

and you know i've been there i've had

851

00:29:57,110 --> 00:29:56,080

the rejections i've had the bad

852

00:29:59,430 --> 00:29:57,120

experiences

853

00:30:00,789 --> 00:29:59,440

but um it just makes the the good

854

00:30:02,470 --> 00:30:00,799

experiences and that

855

00:30:03,990 --> 00:30:02,480

you know that moment when i do get one

856

00:30:06,389 --> 00:30:04,000

of my plays produced

857

00:30:08,389 --> 00:30:06,399

on stage that just makes it all worth it

858

00:30:11,750 --> 00:30:08,399

so yeah i love living here

859

00:30:15,269 --> 00:30:11,760

i love it um as for my ufo work like

860

00:30:19,190 --> 00:30:15,279

um has it affected my other work

861

00:30:20,870 --> 00:30:19,200

at first i had an inkling that it might

862

00:30:23,029 --> 00:30:20,880

so i actually had two different websites

863

00:30:25,269 --> 00:30:23,039

i had their ryan sprague

864

00:30:26,630 --> 00:30:25,279

playwright world website and then i had

865

00:30:29,669 --> 00:30:26,640

somewhere in the skies

866

00:30:31,110 --> 00:30:29,679

and um you know eventually my worlds

867

00:30:33,350 --> 00:30:31,120

just started colliding and i

868

00:30:34,389 --> 00:30:33,360

started putting a lot of my playwriting

869

00:30:37,750 --> 00:30:34,399

uh

870

00:30:38,149 --> 00:30:37,760

i guess skills into my ufo work in terms

871

00:30:40,310 --> 00:30:38,159

of

872

00:30:42,149 --> 00:30:40,320

characters you know that's what i do as

873

00:30:44,470 --> 00:30:42,159

a playwright i create characters

874

00:30:45,190 --> 00:30:44,480

i have to create their situations their

875

00:30:48,230 --> 00:30:45,200

motives

876

00:30:50,950 --> 00:30:48,240

their objectives their obstacles and

877

00:30:51,830 --> 00:30:50,960

ultimately their uh their conclusions or

878

00:30:54,149 --> 00:30:51,840

how they change

879

00:30:55,269 --> 00:30:54,159

so i wanted to focus on the people in

880

00:30:57,909 --> 00:30:55,279

the ufo world

881

00:30:59,590 --> 00:30:57,919

and kind of use that like what motivated

882

00:31:01,830 --> 00:30:59,600

them to get interested in this topic

883

00:31:03,990 --> 00:31:01,840

um how did they feel during the

884

00:31:05,669 --> 00:31:04,000

experience what did they interpret it as

885

00:31:07,430 --> 00:31:05,679

and ultimately how did they come out on

886

00:31:08,870 --> 00:31:07,440

the other side of a change so

887

00:31:10,549 --> 00:31:08,880

again that's kind of how i mixed my

888

00:31:13,430 --> 00:31:10,559

worlds together now

889

00:31:14,149 --> 00:31:13,440

i'm even writing some ufo plays which i

890

00:31:16,149 --> 00:31:14,159

hope

891

00:31:17,830 --> 00:31:16,159

i can share with you guys soon um so

892

00:31:21,110 --> 00:31:17,840

yeah that's a really good question

893

00:31:23,990 --> 00:31:21,120

thank you phillip uh

894

00:31:26,230 --> 00:31:24,000

in the same vein sarah on facebook asks

895

00:31:26,630 --> 00:31:26,240

how many dramatic works stage plays in

896

00:31:29,190 --> 00:31:26,640

film

897

00:31:30,230 --> 00:31:29,200

delve into the topic of ufos and do they

898

00:31:33,029 --> 00:31:30,240

do well

899

00:31:33,669 --> 00:31:33,039

um yeah so to my knowledge sarah not

900

00:31:37,350 --> 00:31:33,679

many

901
00:31:39,190 --> 00:31:37,360
i i can recall maybe one or two

902
00:31:40,710 --> 00:31:39,200
little musicals or plays that i've heard

903
00:31:42,149 --> 00:31:40,720
of there is a play

904
00:31:44,389 --> 00:31:42,159
about the betty and barney hill

905
00:31:46,870 --> 00:31:44,399
abduction which um

906
00:31:48,230 --> 00:31:46,880
peter robbins my mentor both in the ufo

907
00:31:50,630 --> 00:31:48,240
field and the ufo

908
00:31:52,549 --> 00:31:50,640
and the playwriting field um saw a

909
00:31:54,470 --> 00:31:52,559
reading of and he said it was fantastic

910
00:31:56,070 --> 00:31:54,480
so i'm hoping to see more development

911
00:31:59,990 --> 00:31:56,080
with that soon here in new york

912
00:32:01,990 --> 00:32:00,000
um but yeah um i don't recall

913
00:32:03,110 --> 00:32:02,000

really ever seeing anything else ufo

914

00:32:06,070 --> 00:32:03,120

related

915

00:32:07,909 --> 00:32:06,080

on stage um i hope to be one of the

916

00:32:09,750 --> 00:32:07,919

first one of the pioneers and

917

00:32:11,990 --> 00:32:09,760

start a new trend in playwriting with

918

00:32:13,430 --> 00:32:12,000

that so yeah we'll see maybe we'll see a

919

00:32:15,909 --> 00:32:13,440

flying saucer land

920

00:32:16,630 --> 00:32:15,919

on a Broadway stage someday alongside

921

00:32:18,389 --> 00:32:16,640

the uh

922

00:32:20,470 --> 00:32:18,399

the chandelier and phantom of the opera

923

00:32:21,269 --> 00:32:20,480

who knows so thank you sarah thanks for

924

00:32:23,830 --> 00:32:21,279

asking that

925

00:32:25,590 --> 00:32:23,840

uh let me check the comments here cody

926

00:32:29,190 --> 00:32:25,600

says how was hawaii

927

00:32:30,870 --> 00:32:29,200

it was amazing man as always um

928

00:32:32,549 --> 00:32:30,880

yeah i think i have a pre question about

929

00:32:34,470 --> 00:32:32,559

hawaii i'll get to you soon

930

00:32:36,230 --> 00:32:34,480

um jazz says if zero point energy is

931

00:32:37,190 --> 00:32:36,240

real and we get it the planet probably

932

00:32:40,389 --> 00:32:37,200

has it about

933

00:32:43,190 --> 00:32:40,399

has about six months left

934

00:32:44,230 --> 00:32:43,200

oh jazz i love you you cynical cynical

935

00:32:46,230 --> 00:32:44,240

men

936

00:32:48,230 --> 00:32:46,240

love you bro my sister's here hello

937

00:32:52,549 --> 00:32:48,240

chrissy thank you so much for

938

00:32:56,310 --> 00:32:54,470

oh travis says have you watched the

939

00:32:58,149 --> 00:32:56,320

series debris yet on

940

00:32:59,590 --> 00:32:58,159

nbc i think the end of the season it

941

00:33:00,070 --> 00:32:59,600

kind of alludes to what you were worried

942

00:33:02,710 --> 00:33:00,080

of

943

00:33:04,630 --> 00:33:02,720

not to spoil it i really enjoyed it no i

944

00:33:05,269 --> 00:33:04,640

haven't um i've been meaning to catch it

945

00:33:07,190 --> 00:33:05,279

though

946

00:33:09,190 --> 00:33:07,200

um so hopefully i'll be able to watch

947

00:33:13,029 --> 00:33:09,200

that soon right now i'm

948

00:33:13,909 --> 00:33:13,039

watching uh what am i watching a lot of

949

00:33:15,830 --> 00:33:13,919

dateline

950

00:33:17,750 --> 00:33:15,840

i'm into true crime right now which is

951

00:33:19,269 --> 00:33:17,760

not a good thing i gotta get out of it

952

00:33:21,430 --> 00:33:19,279

it's making me very paranoid i don't

953

00:33:23,029 --> 00:33:21,440

trust anyone anymore um

954

00:33:26,230 --> 00:33:23,039

but yeah i'm definitely gonna check out

955

00:33:29,350 --> 00:33:26,240

debris i've heard very good things

956

00:33:31,669 --> 00:33:29,360

let's see what else

957

00:33:33,430 --> 00:33:31,679

hey hey there peoples bushibado thank

958

00:33:36,870 --> 00:33:33,440

you so much for being here

959

00:33:38,470 --> 00:33:36,880

always good to see you here so yeah guys

960

00:33:41,669 --> 00:33:38,480

if any questions about theater

961

00:33:42,149 --> 00:33:41,679

my life uh life in general ufos i don't

962

00:33:44,149 --> 00:33:42,159

care

963

00:33:45,830 --> 00:33:44,159

give it to me in the chat um but i'm

964

00:33:49,190 --> 00:33:45,840

gonna keep rolling on with these

965

00:33:53,830 --> 00:33:52,149

i should mention right now if you guys

966

00:33:55,590 --> 00:33:53,840

are familiar with the debrief

967

00:33:57,590 --> 00:33:55,600

um chrissy newton is doing a

968

00:34:00,389 --> 00:33:57,600

conversation with alien girl

969

00:34:01,029 --> 00:34:00,399

right now over on her youtube channel so

970

00:34:02,549 --> 00:34:01,039

um

971

00:34:04,470 --> 00:34:02,559

we're kind of competing tonight so

972

00:34:05,509 --> 00:34:04,480

hopefully they'll hop over here after or

973

00:34:07,669 --> 00:34:05,519

i will do that

974

00:34:09,669 --> 00:34:07,679

over there but be sure to check that out

975

00:34:11,190 --> 00:34:09,679

um go check out chrissy newton's twitter

976

00:34:14,950 --> 00:34:11,200

i know she has a link to that

977

00:34:16,950 --> 00:34:14,960

so yeah um catherine on facebook asks

978

00:34:18,869 --> 00:34:16,960

are there any statistics to show that

979

00:34:21,270 --> 00:34:18,879

people with outdoor hobbies

980

00:34:22,790 --> 00:34:21,280

like gardening or golfing experience

981

00:34:25,669 --> 00:34:22,800

more ufo sightings

982

00:34:26,069 --> 00:34:25,679

um yes actually i think that is very

983

00:34:30,069 --> 00:34:26,079

true

984

00:34:31,510 --> 00:34:30,079

uh a local ufo researcher in syracuse

985

00:34:33,669 --> 00:34:31,520

where i'm originally from

986

00:34:34,629 --> 00:34:33,679

cheryl costa she actually just came out

987

00:34:37,430 --> 00:34:34,639

with um

988

00:34:38,470 --> 00:34:37,440

a second volume of her book i have it

989

00:34:39,990 --> 00:34:38,480

here

990

00:34:41,750 --> 00:34:40,000

this was a pre question so i did a

991

00:34:45,430 --> 00:34:41,760

little planning um

992

00:34:48,470 --> 00:34:45,440

yeah so this is you see that there

993

00:34:49,030 --> 00:34:48,480

um ufo settings desk reference this is

994

00:34:51,909 --> 00:34:49,040

just

995

00:34:52,710 --> 00:34:51,919

an incredible book cheryl and uh her

996

00:34:55,270 --> 00:34:52,720

spouse

997

00:34:57,430 --> 00:34:55,280

just they created these amazing graphs

998

00:34:59,349 --> 00:34:57,440

and statistics about ufo sightings

999

00:35:00,870 --> 00:34:59,359

all over the country down to like this

1000

00:35:03,109 --> 00:35:00,880

zip code so you start

1001
00:35:05,349 --> 00:35:03,119
with state and they go all the way down

1002
00:35:08,150 --> 00:35:05,359
how many ufos are seen in this

1003
00:35:08,870 --> 00:35:08,160
county um this shape this year it's

1004
00:35:11,349 --> 00:35:08,880
insane

1005
00:35:13,670 --> 00:35:11,359
this is their second volume it's it's

1006
00:35:14,069 --> 00:35:13,680
essential for any ufo researcher out

1007
00:35:15,670 --> 00:35:14,079
there

1008
00:35:17,190 --> 00:35:15,680
um cheryl will be on somewhere in this

1009
00:35:20,230 --> 00:35:17,200
guy soon to talk about it

1010
00:35:21,430 --> 00:35:20,240
but i do recall in the first volume she

1011
00:35:23,510 --> 00:35:21,440
did mention

1012
00:35:25,589 --> 00:35:23,520
um and in an interview i did with her

1013
00:35:27,670 --> 00:35:25,599

that yeah um a lot of people that

1014

00:35:29,349 --> 00:35:27,680

go outside whether on smoke breaks or

1015

00:35:31,829 --> 00:35:29,359

they work outside

1016

00:35:33,829 --> 00:35:31,839

um or they're walking their dog tend to

1017

00:35:35,270 --> 00:35:33,839

have more ufo sightings obviously

1018

00:35:37,190 --> 00:35:35,280

because they're outside more

1019

00:35:39,109 --> 00:35:37,200

so um yeah i'd be really interested to

1020

00:35:40,710 --> 00:35:39,119

see the the actual numbers on that i

1021

00:35:43,510 --> 00:35:40,720

don't have that offhand but um

1022

00:35:44,550 --> 00:35:43,520

yes please definitely check out this

1023

00:35:46,630 --> 00:35:44,560

behemoth

1024

00:35:48,310 --> 00:35:46,640

of a book and this is just one volume

1025

00:35:50,150 --> 00:35:48,320

she's got another one

1026
00:35:51,349 --> 00:35:50,160
out earlier and another one coming out

1027
00:35:53,670 --> 00:35:51,359
to come up to uh

1028
00:35:56,550 --> 00:35:53,680
2021 so yeah check that out thank you

1029
00:35:59,589 --> 00:35:56,560
for asking that catherine

1030
00:36:00,870 --> 00:35:59,599
who else we got here triangle cody says

1031
00:36:05,829 --> 00:36:00,880
triangle

1032
00:36:07,349 --> 00:36:05,839
that's what he's asking walker welcome

1033
00:36:09,190 --> 00:36:07,359
welcome thanks for your great

1034
00:36:11,510 --> 00:36:09,200
professionalism in the field ryan

1035
00:36:13,589 --> 00:36:11,520
i saw your piece on australian tv and it

1036
00:36:16,630 --> 00:36:13,599
was fantastic wow thank you

1037
00:36:18,230 --> 00:36:16,640
um that was a while ago i remember um

1038
00:36:20,150 --> 00:36:18,240

maybe a little under a year ago but i

1039

00:36:22,550 --> 00:36:20,160

did recently release it again

1040

00:36:24,230 --> 00:36:22,560

um because i thought it was it was it

1041

00:36:25,910 --> 00:36:24,240

was about time to get it back out there

1042

00:36:27,750 --> 00:36:25,920

australia's in the news right now with

1043

00:36:31,109 --> 00:36:27,760

that amazing documentary

1044

00:36:32,390 --> 00:36:31,119

that seven news now just put out and um

1045

00:36:35,430 --> 00:36:32,400

yeah i thought it was a wonderful

1046

00:36:37,670 --> 00:36:35,440

conversation i've been told a lot of uh

1047

00:36:38,950 --> 00:36:37,680

news in australia does not take the ufo

1048

00:36:40,390 --> 00:36:38,960

topic seriously

1049

00:36:42,150 --> 00:36:40,400

just like a lot of other places in the

1050

00:36:42,870 --> 00:36:42,160

world but um so i didn't know what to

1051

00:36:44,630 --> 00:36:42,880

expect

1052

00:36:46,069 --> 00:36:44,640

when i went into that so when i talked

1053

00:36:48,470 --> 00:36:46,079

to the anchor uh

1054

00:36:49,750 --> 00:36:48,480

angela cox you know i i wasn't sure was

1055

00:36:51,270 --> 00:36:49,760

she gonna make fun of me was i gonna

1056

00:36:53,829 --> 00:36:51,280

hear x-files music

1057

00:36:54,550 --> 00:36:53,839

and i mean maybe a couple smirks here

1058

00:36:57,510 --> 00:36:54,560

and there and

1059

00:36:59,109 --> 00:36:57,520

um condescending questions kind of

1060

00:37:00,870 --> 00:36:59,119

sprinkled in but overall i thought it

1061

00:37:03,030 --> 00:37:00,880

was a really good conversation i got to

1062

00:37:05,030 --> 00:37:03,040

talk about australian ufo cases

1063

00:37:06,790 --> 00:37:05,040

that i've never talked about before so

1064

00:37:07,430 --> 00:37:06,800

yeah again anything to get the word out

1065

00:37:08,870 --> 00:37:07,440

there and

1066

00:37:10,790 --> 00:37:08,880

for more people to get interested in

1067

00:37:11,510 --> 00:37:10,800

this topic i think is amazing so thank

1068

00:37:15,109 --> 00:37:11,520

you walker

1069

00:37:20,069 --> 00:37:18,150

all right let's move to

1070

00:37:21,349 --> 00:37:20,079

our next facebook question brian on

1071

00:37:22,870 --> 00:37:21,359

facebook asks

1072

00:37:24,550 --> 00:37:22,880

how are you able to split your time

1073

00:37:28,390 --> 00:37:24,560

between new york city and

1074

00:37:30,870 --> 00:37:28,400

hawaii so much yeah um

1075

00:37:31,829 --> 00:37:30,880

i wish there was like a really exciting

1076

00:37:33,990 --> 00:37:31,839

i wish like

1077

00:37:35,829 --> 00:37:34,000

robert bigelow is funding me to go to

1078

00:37:37,670 --> 00:37:35,839

hawaii and investigate like underwater

1079

00:37:41,109 --> 00:37:37,680

ufos or something but um

1080

00:37:43,109 --> 00:37:41,119

in all honesty my amazing partner her

1081

00:37:46,630 --> 00:37:43,119

parents live on one of the islands

1082

00:37:48,950 --> 00:37:46,640

and uh and they always have

1083

00:37:50,069 --> 00:37:48,960

like frequent flyer miles that they're

1084

00:37:52,470 --> 00:37:50,079

willing to give us to

1085

00:37:53,510 --> 00:37:52,480

escape new york every now and again you

1086

00:37:54,390 --> 00:37:53,520

know through their businesses and

1087

00:37:57,349 --> 00:37:54,400

whatnot and

1088

00:37:59,510 --> 00:37:57,359

we always have a place to crash and um a

1089

00:38:00,630 --> 00:37:59,520

rusty little ford focus to drive around

1090

00:38:04,230 --> 00:38:00,640

the island so

1091

00:38:06,630 --> 00:38:04,240

um that's how i wish i had a more

1092

00:38:08,390 --> 00:38:06,640

jet-setter explanation for that but um

1093

00:38:10,069 --> 00:38:08,400

no it's amazing and um

1094

00:38:12,710 --> 00:38:10,079

i treasure every moment there and i

1095

00:38:13,670 --> 00:38:12,720

truly thank my amazing girlfriend and

1096

00:38:16,710 --> 00:38:13,680

her parents for

1097

00:38:17,990 --> 00:38:16,720

um allowing me that opportunity so yeah

1098

00:38:21,190 --> 00:38:18,000

there's the question to the

1099

00:38:23,750 --> 00:38:21,200

the hawaii mystery um

1100

00:38:25,430 --> 00:38:23,760

big pickle on twitter asks when are you

1101

00:38:28,950 --> 00:38:25,440

going to release another book

1102

00:38:31,270 --> 00:38:28,960

uh that's a good question um hopefully

1103

00:38:32,950 --> 00:38:31,280

within i don't know the next six months

1104

00:38:35,109 --> 00:38:32,960

that sounds pretty ambitious

1105

00:38:37,190 --> 00:38:35,119

um let's say hopefully in a year i am

1106

00:38:39,829 --> 00:38:37,200

working diligently on a new book it's

1107

00:38:40,790 --> 00:38:39,839

unlike anything i've written before and

1108

00:38:43,670 --> 00:38:40,800

uh

1109

00:38:45,589 --> 00:38:43,680

it's gonna be pretty powerful i think um

1110

00:38:47,349 --> 00:38:45,599

again i'm putting microscopes on people

1111

00:38:50,390 --> 00:38:47,359

that aren't that well known out there

1112

00:38:52,550 --> 00:38:50,400

both in the ufo research field and um

1113

00:38:54,390 --> 00:38:52,560

and abroad and i think it's really gonna

1114

00:38:55,829 --> 00:38:54,400

contribute something new to this topic

1115

00:38:58,310 --> 00:38:55,839

and i'm so excited so

1116

00:38:59,430 --> 00:38:58,320

yeah look for that soon uh karen on

1117

00:39:02,630 --> 00:38:59,440

twitter asks

1118

00:39:05,030 --> 00:39:02,640

when are you going on a book tour

1119

00:39:06,870 --> 00:39:05,040

hopefully when that book comes out so

1120

00:39:08,790 --> 00:39:06,880

whatever that is karen um i

1121

00:39:09,990 --> 00:39:08,800

i would love to do a tour now that like

1122

00:39:12,870 --> 00:39:10,000

we're allowed to

1123

00:39:15,030 --> 00:39:12,880

fly places now and um have live events i

1124

00:39:18,310 --> 00:39:15,040

hope i can make that happen soon

1125

00:39:21,589 --> 00:39:18,320

uh let's see what else we have here

1126

00:39:23,190 --> 00:39:21,599

did um australia mention the west all

1127

00:39:25,270 --> 00:39:23,200

incident not in my

1128

00:39:26,230 --> 00:39:25,280

interview robert which i should have

1129

00:39:27,990 --> 00:39:26,240

mentioned that one

1130

00:39:29,349 --> 00:39:28,000

it being one of the biggest ones out

1131

00:39:31,349 --> 00:39:29,359

there but um

1132

00:39:33,190 --> 00:39:31,359

no i was kind of under the uh a time

1133

00:39:34,550 --> 00:39:33,200

crunch with them i was a little nervous

1134

00:39:36,950 --> 00:39:34,560

because i didn't know seven news

1135

00:39:38,470 --> 00:39:36,960

australia was as big as it was i didn't

1136

00:39:40,950 --> 00:39:38,480

know it was like one of the

1137

00:39:43,270 --> 00:39:40,960

biggest news stations in australia so

1138

00:39:45,190 --> 00:39:43,280

yeah kind of slit my mind man so

1139

00:39:47,750 --> 00:39:45,200

um there's enough out there i don't know

1140

00:39:50,790 --> 00:39:47,760

if i could do that case justice

1141

00:39:52,790 --> 00:39:50,800

um let's see here it's working

1142

00:39:53,990 --> 00:39:52,800

in australia thanks to the efforts of

1143

00:39:55,589 --> 00:39:54,000

people like yourself

1144

00:39:58,550 --> 00:39:55,599

thank you walker that really means a lot

1145

00:40:03,030 --> 00:40:01,430

all right ufophenom on twitter asks it's

1146

00:40:05,030 --> 00:40:03,040

mid-year so what are your top five

1147

00:40:09,430 --> 00:40:05,040

ufology events so far

1148

00:40:11,910 --> 00:40:09,440

oh man i i can't even remember what's

1149

00:40:14,230 --> 00:40:11,920

happened like yesterday my memory is so

1150

00:40:16,309 --> 00:40:14,240

terrible obviously the pentagon ufo

1151

00:40:20,950 --> 00:40:16,319

report coming out is a big one

1152

00:40:25,349 --> 00:40:23,670

all these like crazy powerful people

1153

00:40:26,150 --> 00:40:25,359

talking about ufos has been pretty

1154

00:40:29,910 --> 00:40:26,160

interesting

1155

00:40:33,030 --> 00:40:29,920

whether it's like congress members or uh

1156

00:40:35,270 --> 00:40:33,040

you know um senator harry reid

1157

00:40:37,190 --> 00:40:35,280

uh all of that i think it's all really

1158

00:40:38,710 --> 00:40:37,200

exciting and um

1159

00:40:40,390 --> 00:40:38,720

yeah put in the comments what you guys

1160

00:40:42,309 --> 00:40:40,400

think the top stories have been because

1161

00:40:43,829 --> 00:40:42,319

i'm like black blanking out right now

1162

00:40:46,790 --> 00:40:43,839

that's such a good question

1163

00:40:47,430 --> 00:40:46,800

that i did not prepare for um but yeah i

1164

00:40:49,190 --> 00:40:47,440

think there's

1165

00:40:51,589 --> 00:40:49,200

a lot of exciting developments in the

1166

00:40:54,069 --> 00:40:51,599

world of um space exploration

1167

00:40:55,910 --> 00:40:54,079

and ways of trying to discover life on

1168

00:40:58,309 --> 00:40:55,920

other planets which i know is separate

1169

00:40:59,910 --> 00:40:58,319

from the whole ufo thing but um yeah

1170

00:41:00,950 --> 00:40:59,920

check out some of my articles over at

1171

00:41:03,510 --> 00:41:00,960

the debrief

1172

00:41:04,309 --> 00:41:03,520

um i talk a lot about um how we are

1173

00:41:05,750 --> 00:41:04,319

currently

1174

00:41:07,829 --> 00:41:05,760

using what we're learning about

1175

00:41:09,030 --> 00:41:07,839

antarctica and how we can apply that to

1176

00:41:09,670 --> 00:41:09,040

looking for life elsewhere in the

1177

00:41:11,829 --> 00:41:09,680

universe

1178

00:41:12,790 --> 00:41:11,839

um so yeah that that's all i got but

1179

00:41:14,870 --> 00:41:12,800

yeah please

1180

00:41:15,829 --> 00:41:14,880

um feel free to put anything in the

1181

00:41:17,670 --> 00:41:15,839

comments

1182

00:41:19,190 --> 00:41:17,680

bushibada says what particular case or

1183

00:41:21,750 --> 00:41:19,200

event do you think is

1184

00:41:23,030 --> 00:41:21,760

on or want on the list of 120 in the

1185

00:41:25,910 --> 00:41:23,040

coming report

1186

00:41:27,990 --> 00:41:25,920

oh that's such a good question i'm

1187

00:41:31,510 --> 00:41:28,000

guessing i mean they have to all be

1188

00:41:32,870 --> 00:41:31,520

military involved some sort of ufo seen

1189

00:41:35,430 --> 00:41:32,880

by military or

1190

00:41:37,030 --> 00:41:35,440

incurred on restricted airspace so it's

1191

00:41:39,750 --> 00:41:37,040

going to be a lot of military stuff

1192

00:41:41,349 --> 00:41:39,760

pushabata so um yeah look forward to

1193

00:41:42,230 --> 00:41:41,359

that i don't personally know of any of

1194

00:41:45,430 --> 00:41:42,240

the cases

1195

00:41:47,430 --> 00:41:45,440

that we're looking into but um i've got

1196

00:41:48,470 --> 00:41:47,440

kind of a cool story coming up soon

1197

00:41:50,390 --> 00:41:48,480

hopefully

1198

00:41:51,990 --> 00:41:50,400

over at the debrief about some military

1199

00:41:54,470 --> 00:41:52,000

ufo encounters so

1200

00:41:57,270 --> 00:41:54,480

stay tuned for that as well maybe it's

1201

00:41:58,950 --> 00:41:57,280

even in the report i couldn't tell you

1202

00:42:01,829 --> 00:41:58,960

i'm not on the good side of the pentagon

1203

00:42:03,670 --> 00:42:01,839

spokespeople right now

1204

00:42:05,589 --> 00:42:03,680

says do you think with the decades of

1205

00:42:08,630 --> 00:42:05,599

supposed scientific research

1206

00:42:10,309 --> 00:42:08,640

the us government has been doing uh with

1207

00:42:11,589 --> 00:42:10,319

little to no hypothesis on what the

1208

00:42:14,470 --> 00:42:11,599

phenomenon is

1209

00:42:16,390 --> 00:42:14,480

that they may need to change uh to using

1210

00:42:19,430 --> 00:42:16,400

woish tactics um

1211

00:42:21,109 --> 00:42:19,440

good question alicia i think uh it seems

1212

00:42:24,069 --> 00:42:21,119

they're just as stumped as

1213

00:42:25,190 --> 00:42:24,079

as we are and um they're looking at this

1214

00:42:28,950 --> 00:42:25,200

from a very clean

1215

00:42:31,109 --> 00:42:28,960

clinical sort of data-driven

1216

00:42:32,309 --> 00:42:31,119

analysis as the government would in the

1217

00:42:34,790 --> 00:42:32,319

military from a

1218

00:42:36,470 --> 00:42:34,800

potential threat aspect so um yeah i

1219

00:42:37,829 --> 00:42:36,480

think if they really want to get answers

1220

00:42:39,270 --> 00:42:37,839

to it they're probably gonna have to get

1221

00:42:41,750 --> 00:42:39,280

a little bit more in the

1222

00:42:44,150 --> 00:42:41,760

whatever consciousness camp or uh

1223

00:42:44,870 --> 00:42:44,160

quantum theory camp i don't know who

1224

00:42:46,230 --> 00:42:44,880

knows

1225

00:42:47,990 --> 00:42:46,240

what kind of scientists they have

1226

00:42:49,670 --> 00:42:48,000

working inside the uh

1227

00:42:51,589 --> 00:42:49,680

the government with that kind of stuff i

1228

00:42:52,309 --> 00:42:51,599

know there's tons outside of the

1229

00:42:54,150 --> 00:42:52,319

government

1230

00:42:56,550 --> 00:42:54,160

that would like to be working with them

1231

00:42:57,430 --> 00:42:56,560

uh like the scientific coalition for uap

1232

00:43:00,309 --> 00:42:57,440

studies

1233

00:43:01,990 --> 00:43:00,319

um they recently petitioned the senate

1234

00:43:02,550 --> 00:43:02,000

intelligence committee and the pentagon

1235

00:43:04,550 --> 00:43:02,560

saying

1236

00:43:05,750 --> 00:43:04,560

yo we got brilliant minds out here who

1237

00:43:07,349 --> 00:43:05,760

have explained

1238

00:43:09,109 --> 00:43:07,359

some of these cases that you're still

1239

00:43:11,750 --> 00:43:09,119

saying you can explain

1240

00:43:12,710 --> 00:43:11,760

so you might want to use us for this um

1241

00:43:15,829 --> 00:43:12,720

so yeah

1242

00:43:19,109 --> 00:43:15,839

um i don't know i don't know more woo

1243

00:43:22,470 --> 00:43:19,119

is never bad i guess

1244

00:43:26,710 --> 00:43:22,480

all right let's move on

1245

00:43:28,230 --> 00:43:26,720

here um these are some questions from

1246

00:43:30,630 --> 00:43:28,240

reddit actually

1247

00:43:33,109 --> 00:43:30,640

uh tried and true methods on reddit asks

1248

00:43:35,990 --> 00:43:33,119

in light of all this new information

1249

00:43:38,230 --> 00:43:36,000

um or should i say newly confirmed where

1250

00:43:39,190 --> 00:43:38,240

do you land on bob lazar's credibility

1251
00:43:41,190 --> 00:43:39,200
these days

1252
00:43:42,390 --> 00:43:41,200
do you think he's an outright liar about

1253
00:43:44,230 --> 00:43:42,400
his time at s4

1254
00:43:46,630 --> 00:43:44,240
or maybe it's more of a gray area like

1255
00:43:48,790 --> 00:43:46,640
he possibly worked with exotic materials

1256
00:43:50,710 --> 00:43:48,800
and experimental aircraft at the base

1257
00:43:51,510 --> 00:43:50,720
but exaggerated their origins and his

1258
00:43:53,510 --> 00:43:51,520
involvement

1259
00:43:54,950 --> 00:43:53,520
or is he vindicated now i'd love to hear

1260
00:43:58,870 --> 00:43:54,960
your take wow

1261
00:44:01,510 --> 00:43:58,880
um there's a lot to unpack there um

1262
00:44:04,150 --> 00:44:01,520
yeah so tried and true methods i i was

1263
00:44:05,829 --> 00:44:04,160

very in the pro bob lazar camp early on

1264

00:44:07,510 --> 00:44:05,839

because i wanted to believe

1265

00:44:09,589 --> 00:44:07,520

it was all true that this dude worked on

1266

00:44:11,670 --> 00:44:09,599

flying saucers out of area 51

1267

00:44:12,710 --> 00:44:11,680

or site four i should say more

1268

00:44:14,630 --> 00:44:12,720

specifically

1269

00:44:16,309 --> 00:44:14,640

and you know as the years go on as you

1270

00:44:17,750 --> 00:44:16,319

often do in this topic you become much

1271

00:44:20,870 --> 00:44:17,760

more skeptical of things

1272

00:44:24,150 --> 00:44:20,880

or um you know a lot more level-headed

1273

00:44:24,950 --> 00:44:24,160

and i am kind of 50 50 on bob now i do

1274

00:44:28,069 --> 00:44:24,960

believe

1275

00:44:33,030 --> 00:44:28,079

he

1276

00:44:33,990 --> 00:44:33,040

worked on something highly advanced and

1277

00:44:36,230 --> 00:44:34,000

exotic

1278

00:44:37,109 --> 00:44:36,240

um and i do believe he saw what he says

1279

00:44:39,109 --> 00:44:37,119

he saw

1280

00:44:41,589 --> 00:44:39,119

now whether or not that was actual alien

1281

00:44:41,990 --> 00:44:41,599

craft or if that was what he was told it

1282

00:44:45,670 --> 00:44:42,000

was

1283

00:44:48,230 --> 00:44:45,680

and hoped he'd go out

1284

00:44:49,510 --> 00:44:48,240

in the public and to all this crazy ufo

1285

00:44:52,790 --> 00:44:49,520

stuff um

1286

00:44:54,150 --> 00:44:52,800

it's all on the table so um i know a lot

1287

00:44:56,309 --> 00:44:54,160

of people don't believe a word he says

1288

00:44:57,990 --> 00:44:56,319

and i completely understand that

1289

00:45:00,790 --> 00:44:58,000

i'm holding out hope that some of it's

1290

00:45:03,829 --> 00:45:00,800

true but again welcome to ufology so

1291

00:45:04,950 --> 00:45:03,839

um 50 50 maybe um actually that's a

1292

00:45:08,710 --> 00:45:04,960

little generous

1293

00:45:11,750 --> 00:45:08,720

i'd say i'm um 40

1294

00:45:16,069 --> 00:45:11,760

what is it 40 50 60 70 80 90

1295

00:45:20,309 --> 00:45:16,079

40 60 on the rest so um yeah 40 against

1296

00:45:24,230 --> 00:45:20,319

um believing him all right

1297

00:45:29,190 --> 00:45:26,390

what is your favorite play of all time

1298

00:45:35,750 --> 00:45:33,030

um my favorite play of all time

1299

00:45:38,150 --> 00:45:35,760

would have to be the pillow man by

1300

00:45:41,510 --> 00:45:38,160

martin mcdonough an irish playwright

1301

00:45:45,430 --> 00:45:41,520

um it is about this uh

1302

00:45:45,990 --> 00:45:45,440

this writer who um is living in a police

1303

00:45:49,030 --> 00:45:46,000

state

1304

00:45:50,710 --> 00:45:49,040

and he's being interrogated about the

1305

00:45:53,510 --> 00:45:50,720

gruesome content

1306

00:45:55,430 --> 00:45:53,520

of these horrible sort of grim like

1307

00:45:58,470 --> 00:45:55,440

fairy tale stories that he's told

1308

00:46:00,150 --> 00:45:58,480

about um just really bad stuff

1309

00:46:01,750 --> 00:46:00,160

and he's being interrogated because

1310

00:46:04,870 --> 00:46:01,760

someone is actually

1311

00:46:08,150 --> 00:46:04,880

doing these child murders out there

1312

00:46:11,430 --> 00:46:08,160

based on his stories it's absolutely

1313

00:46:12,150 --> 00:46:11,440

terrifying and beautiful and dark and

1314

00:46:15,030 --> 00:46:12,160

funny

1315

00:46:15,430 --> 00:46:15,040

and um just so much in the span of one

1316

00:46:17,270 --> 00:46:15,440

play

1317

00:46:18,470 --> 00:46:17,280

and martin mcdonough is so good at doing

1318

00:46:19,750 --> 00:46:18,480

that um

1319

00:46:21,670 --> 00:46:19,760

i remember seeing the Broadway

1320

00:46:25,190 --> 00:46:21,680

production that had billy crudup

1321

00:46:26,150 --> 00:46:25,200

and um uh jeff goldblum in it which was

1322

00:46:27,910 --> 00:46:26,160

amazing

1323

00:46:29,750 --> 00:46:27,920

and there were people like leaving the

1324

00:46:30,550 --> 00:46:29,760

theater they were so disturbed by some

1325

00:46:32,550 --> 00:46:30,560

of it so

1326

00:46:34,470 --> 00:46:32,560

yeah again if i can make that impact

1327

00:46:36,550 --> 00:46:34,480

someday on a play in one of my plays

1328

00:46:37,829 --> 00:46:36,560

um i think i've done my job and actually

1329

00:46:39,990 --> 00:46:37,839

i think i did

1330

00:46:42,309 --> 00:46:40,000

um one of my plays is about a serial

1331

00:46:45,829 --> 00:46:42,319

killer and i remember

1332

00:46:47,829 --> 00:46:45,839

at one of the productions in my play um

1333

00:46:49,430 --> 00:46:47,839

it opens on like an empty apartment in

1334

00:46:52,630 --> 00:46:49,440

the dark and then

1335

00:46:54,390 --> 00:46:52,640

a window is open from the outside a dark

1336

00:46:57,349 --> 00:46:54,400

figure comes in

1337

00:46:58,870 --> 00:46:57,359

closes the window and then you know

1338

00:46:59,349 --> 00:46:58,880

there's a knock on the door the lights

1339

00:47:01,750 --> 00:46:59,359

come on

1340

00:47:03,109 --> 00:47:01,760

and the figure like runs into a bedroom

1341

00:47:04,390 --> 00:47:03,119

so you have no idea

1342

00:47:06,150 --> 00:47:04,400

if you're gonna see him again what's

1343

00:47:08,630 --> 00:47:06,160

gonna happen but i remember

1344

00:47:10,309 --> 00:47:08,640

the first night that the play premiered

1345

00:47:11,589 --> 00:47:10,319

um when that happened

1346

00:47:13,349 --> 00:47:11,599

the when the guy like ran into the

1347

00:47:14,150 --> 00:47:13,359

bedroom a guy in the front row got up

1348

00:47:16,870 --> 00:47:14,160

and he just said

1349

00:47:18,309 --> 00:47:16,880

nope and he walked out of the theater so

1350

00:47:20,790 --> 00:47:18,319

i guess i did my job

1351

00:47:22,470 --> 00:47:20,800

um yeah yeah i'll leave it at that

1352

00:47:24,150 --> 00:47:22,480

martin mcdonough's the pillow man check

1353

00:47:27,109 --> 00:47:24,160

it out and check out anything by

1354

00:47:28,790 --> 00:47:27,119

um adam rapp as well he's another really

1355

00:47:30,710 --> 00:47:28,800

really good playwright that i like and

1356

00:47:33,030 --> 00:47:30,720

anything by rebecca gilman

1357

00:47:34,630 --> 00:47:33,040

um i'm i could just keep going on but

1358

00:47:37,430 --> 00:47:34,640

you asked me about my favorites so there

1359

00:47:41,589 --> 00:47:39,430

let's see what is your favorite part

1360

00:47:43,430 --> 00:47:41,599

that you've played in a play

1361

00:47:45,030 --> 00:47:43,440

oh that's such a good one so yeah i've

1362

00:47:49,990 --> 00:47:45,040

um

1363

00:47:53,430 --> 00:47:50,000

have played

1364

00:47:55,589 --> 00:47:53,440

a life-sized toy polar bear

1365

00:47:56,549 --> 00:47:55,599

uh i've done a lot of things for the

1366

00:47:59,510 --> 00:47:56,559

sake of theater

1367

00:48:00,870 --> 00:47:59,520

um but i would say um i have two i have

1368

00:48:01,670 --> 00:48:00,880

two favorites and i'm sorry i have to

1369

00:48:04,950 --> 00:48:01,680

give you two

1370

00:48:08,790 --> 00:48:04,960

um valver from cyrano de bergerac

1371

00:48:10,630 --> 00:48:08,800

i got to play this amazing um sort of um

1372

00:48:11,829 --> 00:48:10,640

you know what would you call it enemy of

1373

00:48:13,750 --> 00:48:11,839

cyrano de bergerac

1374

00:48:15,910 --> 00:48:13,760

i got to speak french for the first time

1375

00:48:17,910 --> 00:48:15,920

ever i got to learn how to fence

1376

00:48:20,549 --> 00:48:17,920

and um it was awesome and i did it for

1377

00:48:22,309 --> 00:48:20,559

like three months on a national tour so

1378

00:48:23,990 --> 00:48:22,319

it was so much fun doing that that was

1379

00:48:25,990 --> 00:48:24,000

one of my best memories

1380

00:48:28,470 --> 00:48:26,000

in theater uh my other one would have to

1381

00:48:31,430 --> 00:48:28,480

be that i was going to mention was um

1382

00:48:32,950 --> 00:48:31,440

hans bete i played a german-american

1383

00:48:37,349 --> 00:48:32,960

nuclear physicist

1384

00:48:41,030 --> 00:48:37,359

in this really super absurdist

1385

00:48:42,950 --> 00:48:41,040

uh sort of time traveling play where uh

1386

00:48:44,309 --> 00:48:42,960

yeah i got to play a nuclear physicist

1387

00:48:45,990 --> 00:48:44,319

an actual person

1388

00:48:47,990 --> 00:48:46,000

so i had to do a lot of research on the

1389

00:48:50,710 --> 00:48:48,000

guy and um how to portray

1390

00:48:52,549 --> 00:48:50,720

him how to use a german accent which uh

1391

00:48:52,870 --> 00:48:52,559

a lot of people can attest i'm not good

1392

00:48:56,150 --> 00:48:52,880

at

1393

00:48:57,910 --> 00:48:56,160

accents um but i did it and um it was

1394

00:48:58,870 --> 00:48:57,920

awesome i learned so much about the guy

1395

00:49:01,510 --> 00:48:58,880

you know he was

1396

00:49:03,910 --> 00:49:01,520

part of creating the first atom bomb and

1397

00:49:06,390 --> 00:49:03,920

after that became a very staunch uh

1398

00:49:07,270 --> 00:49:06,400

sort of detractor of the entire nuclear

1399

00:49:09,910 --> 00:49:07,280

race and

1400

00:49:11,589 --> 00:49:09,920

how horrible it was um that we were

1401

00:49:12,309 --> 00:49:11,599

using these things or building these

1402

00:49:14,870 --> 00:49:12,319

things

1403

00:49:16,630 --> 00:49:14,880

in excess during the cold war so he had

1404

00:49:17,589 --> 00:49:16,640

a really really interesting life and i

1405

00:49:20,230 --> 00:49:17,599

got to play him

1406

00:49:22,150 --> 00:49:20,240

on stage and uh the play was so cool it

1407

00:49:24,150 --> 00:49:22,160

was like three different timelines

1408

00:49:25,829 --> 00:49:24,160

that all started to meld together once

1409

00:49:28,150 --> 00:49:25,839

the atom bomb exploded

1410

00:49:28,950 --> 00:49:28,160

in like the the middle time period it

1411

00:49:30,710 --> 00:49:28,960

was so cool

1412

00:49:32,470 --> 00:49:30,720

um i don't remember the plate right was

1413

00:49:35,190 --> 00:49:32,480

but it was a very good memory

1414

00:49:35,990 --> 00:49:35,200

and actually the the actual hans bette

1415

00:49:37,990 --> 00:49:36,000

died

1416

00:49:39,750 --> 00:49:38,000

i believe the night of our dress

1417

00:49:41,750 --> 00:49:39,760

rehearsal for the play so

1418

00:49:42,950 --> 00:49:41,760

it was a very poetic experience for me

1419

00:49:44,950 --> 00:49:42,960

as well um

1420

00:49:46,470 --> 00:49:44,960

oh and one more i played danny zuko in

1421

00:49:49,589 --> 00:49:46,480

greece so who doesn't want to be a

1422

00:49:53,109 --> 00:49:49,599

t-bird so that was a lot of fun too

1423

00:49:54,549 --> 00:49:53,119

um let's see here i really went on with

1424

00:49:58,150 --> 00:49:54,559

those ones guys see what happens when

1425

00:50:01,990 --> 00:49:58,160

you get me talking about theater

1426

00:50:07,430 --> 00:50:02,000

um hello luis the duke of dank is here

1427

00:50:11,030 --> 00:50:09,030

i think that's all our new people if i'm

1428

00:50:14,069 --> 00:50:11,040

forgetting you please say hello

1429

00:50:15,190 --> 00:50:14,079

um and also again the super chat is open

1430

00:50:17,030 --> 00:50:15,200

so if you um

1431

00:50:18,549 --> 00:50:17,040

you feel like helping the show out

1432

00:50:20,309 --> 00:50:18,559

that's there it'll put your comments to

1433

00:50:21,670 --> 00:50:20,319

the top and your questions and i will

1434

00:50:23,430 --> 00:50:21,680

try my best to get to them

1435

00:50:26,950 --> 00:50:23,440

let me make sure i'm not missing any

1436

00:50:29,430 --> 00:50:26,960

that would be horrible

1437

00:50:32,069 --> 00:50:29,440

yeah it doesn't look like it um awesome

1438

00:50:35,109 --> 00:50:32,079

let's get to our next one here

1439

00:50:37,349 --> 00:50:35,119

oh ben ben on twitter asks in your

1440

00:50:38,710 --> 00:50:37,359

episode with former air force security

1441

00:50:42,230 --> 00:50:38,720

forces officer

1442

00:50:44,309 --> 00:50:42,240

jeremy mcgowan what was in the crate

1443

00:50:45,750 --> 00:50:44,319

that he talked about and where does he

1444

00:50:47,430 --> 00:50:45,760

think it ended up

1445

00:50:49,670 --> 00:50:47,440

so yeah this was actually one of the

1446

00:50:51,190 --> 00:50:49,680

pre-questions i got so i actually

1447

00:50:51,829 --> 00:50:51,200

reached out to jeremy because i wasn't

1448

00:50:53,349 --> 00:50:51,839

sure

1449

00:50:55,109 --> 00:50:53,359

if i could share that at the time of the

1450

00:50:57,349 --> 00:50:55,119

episode he wasn't willing to talk about

1451

00:50:59,990 --> 00:50:57,359

it but i think he's kind of um

1452

00:51:01,990 --> 00:51:00,000

loosened loosened up about that so i did

1453

00:51:04,390 --> 00:51:02,000

get his actual thoughts on that so um

1454

00:51:07,109 --> 00:51:04,400

bear with me one moment here i'm going

1455

00:51:11,430 --> 00:51:07,119

to pull up his answer

1456

00:51:14,549 --> 00:51:12,870

yeah so this is what jeremy told me

1457

00:51:16,470 --> 00:51:14,559

about the crate in the desert

1458

00:51:18,069 --> 00:51:16,480

my personal belief based on my research

1459

00:51:20,069 --> 00:51:18,079

and the corroborating statements of both

1460

00:51:22,270 --> 00:51:20,079

luis elizondo and tim mcmillan

1461

00:51:23,589 --> 00:51:22,280

is that the crate contained a russian

1462

00:51:25,670 --> 00:51:23,599

ss-24

1463

00:51:26,870 --> 00:51:25,680

this is a nuclear device capable of

1464

00:51:29,910 --> 00:51:26,880

holding 10

1465

00:51:31,349 --> 00:51:29,920

active warheads in this instance it

1466

00:51:33,109 --> 00:51:31,359

apparently contained 8

1467

00:51:34,710 --> 00:51:33,119

of the 10 warheads and was mostly

1468

00:51:35,510 --> 00:51:34,720

stripped of shielding for weight

1469

00:51:38,309 --> 00:51:35,520

reduction

1470

00:51:39,829 --> 00:51:38,319

during transport while i can't verify it

1471

00:51:42,710 --> 00:51:39,839

outside of a single source

1472

00:51:43,510 --> 00:51:42,720

i was told that the device was taken to

1473

00:51:46,230 --> 00:51:43,520

egypt

1474

00:51:48,470 --> 00:51:46,240

and placed in service so that if need be

1475

00:51:49,270 --> 00:51:48,480

the us could launch a first strike in

1476

00:51:51,829 --> 00:51:49,280

the middle east

1477

00:51:52,630 --> 00:51:51,839

and blame russia as it would be russian

1478

00:51:55,670 --> 00:51:52,640

radiation

1479

00:51:58,069 --> 00:51:55,680

signatures but again i have yet to

1480

00:52:00,710 --> 00:51:58,079

confirm that

1481

00:52:02,470 --> 00:52:00,720

so yeah pretty nuts if any of that's

1482

00:52:05,990 --> 00:52:02,480

true and pretty dark and

1483

00:52:07,510 --> 00:52:06,000

um and bad if true as well so please go

1484

00:52:09,109 --> 00:52:07,520

back check out the crate in the desert

1485

00:52:10,630 --> 00:52:09,119

episode with jeremy mcgowan

1486

00:52:12,790 --> 00:52:10,640

he was guarding this crate in the middle

1487

00:52:14,710 --> 00:52:12,800

of a jordan in the jordanian desert

1488

00:52:16,710 --> 00:52:14,720

he wasn't told what was in it why why he

1489

00:52:17,510 --> 00:52:16,720

was guarding it but he had a ufo

1490

00:52:20,230 --> 00:52:17,520

sighting

1491

00:52:21,750 --> 00:52:20,240

that happened directly over the crate

1492

00:52:22,230 --> 00:52:21,760

and he believes that whatever is in the

1493

00:52:24,390 --> 00:52:22,240

crate

1494

00:52:25,589 --> 00:52:24,400

that the ufo was definitely interested

1495

00:52:28,069 --> 00:52:25,599

in it so um

1496

00:52:29,270 --> 00:52:28,079

yeah that episode gave me the chills and

1497

00:52:30,549 --> 00:52:29,280

it's still one of our most highly

1498

00:52:32,710 --> 00:52:30,559

downloaded episodes so

1499

00:52:33,750 --> 00:52:32,720

i hope that answers your question ben

1500

00:52:36,870 --> 00:52:33,760

and again if true

1501
00:52:42,230 --> 00:52:36,880
man that is some dark dark [\h__\h] that

1502
00:52:48,790 --> 00:52:44,150
all right let me go back to the comments

1503
00:52:53,190 --> 00:52:51,910
uh luis says i'm 18 years old and in my

1504
00:52:55,430 --> 00:52:53,200
school in germany

1505
00:52:57,270 --> 00:52:55,440
a lot of guys speak about sudden ufo

1506
00:53:00,069 --> 00:52:57,280
action in your country

1507
00:53:01,349 --> 00:53:00,079
in the us yeah luis thank you so much

1508
00:53:04,390 --> 00:53:01,359
for joining us man

1509
00:53:05,829 --> 00:53:04,400
um so this is making international

1510
00:53:07,270 --> 00:53:05,839
headlines everything going on in the

1511
00:53:09,430 --> 00:53:07,280
united states right now

1512
00:53:11,670 --> 00:53:09,440
when it comes to ufos our government is

1513
00:53:13,589 --> 00:53:11,680

finally taking it seriously not that

1514

00:53:15,270 --> 00:53:13,599

they haven't sometimes in the past

1515

00:53:16,950 --> 00:53:15,280

but they seem to be the most vocal about

1516

00:53:18,790 --> 00:53:16,960

it right now but um

1517

00:53:21,510 --> 00:53:18,800

look man i know for a fact that there's

1518

00:53:23,750 --> 00:53:21,520

a lot of amazing german cases out there

1519

00:53:25,750 --> 00:53:23,760

so i highly suggest you do some research

1520

00:53:29,190 --> 00:53:25,760

on that i'm sure you already have

1521

00:53:31,990 --> 00:53:29,200

um but ask around start um

1522

00:53:33,670 --> 00:53:32,000

looking for you know news outlets in

1523

00:53:35,990 --> 00:53:33,680

germany that might be willing to

1524

00:53:37,510 --> 00:53:36,000

to talk about ufos and stuff you guys

1525

00:53:39,510 --> 00:53:37,520

had a crazy

1526

00:53:40,950 --> 00:53:39,520

case where a ufo was cited over a

1527

00:53:42,790 --> 00:53:40,960

nuclear installation

1528

00:53:44,150 --> 00:53:42,800

and instead of turning the weapons off

1529

00:53:46,630 --> 00:53:44,160

turn them on

1530

00:53:48,150 --> 00:53:46,640

so yeah feasibly that ufo in germany

1531

00:53:49,910 --> 00:53:48,160

could have destroyed the world but um

1532

00:53:51,589 --> 00:53:49,920

yeah that's pretty interesting thank you

1533

00:53:52,950 --> 00:53:51,599

for sharing that that's so cool to hear

1534

00:53:55,510 --> 00:53:52,960

that you know this is making

1535

00:53:55,990 --> 00:53:55,520

international headlines so um stick with

1536

00:53:57,589 --> 00:53:56,000

us

1537

00:53:59,030 --> 00:53:57,599

luis hopefully we'll have some answers

1538

00:54:02,150 --> 00:53:59,040

for you soon on this whole

1539

00:54:03,910 --> 00:54:02,160

ufo front in the frame says hey ryan

1540

00:54:05,430 --> 00:54:03,920

great to tune in bret from australia

1541

00:54:07,589 --> 00:54:05,440

thanks for joining me brett

1542

00:54:09,750 --> 00:54:07,599

awesome man um we're just talking all

1543

00:54:09,990 --> 00:54:09,760

about the the ufo stuff going on over

1544

00:54:11,750 --> 00:54:10,000

there

1545

00:54:14,549 --> 00:54:11,760

with the new documentary on seven news

1546

00:54:16,710 --> 00:54:14,559

now and everything in between so

1547

00:54:19,430 --> 00:54:16,720

hello over there what time is it please

1548

00:54:24,309 --> 00:54:19,440

let me know what time it is

1549

00:54:27,589 --> 00:54:24,319

um let's see here

1550

00:54:29,270 --> 00:54:27,599

our next question comes from miss third

1551
00:54:31,190 --> 00:54:29,280
douglas on twitter

1552
00:54:33,030 --> 00:54:31,200
says have you come across anyone that

1553
00:54:34,710 --> 00:54:33,040
has initiated contact

1554
00:54:36,789 --> 00:54:34,720
if so how'd they do it and from what

1555
00:54:38,789 --> 00:54:36,799
experience research reporting

1556
00:54:40,950 --> 00:54:38,799
and uh is there any commonalities that

1557
00:54:43,349 --> 00:54:40,960
come through that could lead one to form

1558
00:54:45,349 --> 00:54:43,359
a basis for a reach out and say hey

1559
00:54:47,030 --> 00:54:45,359
kind of contact that's such a good

1560
00:54:47,829 --> 00:54:47,040
question and i have to be completely

1561
00:54:49,990 --> 00:54:47,839
honest

1562
00:54:51,190 --> 00:54:50,000
not one that i really know an answer to

1563
00:54:52,390 --> 00:54:51,200

i know a lot of people who have

1564

00:54:55,829 --> 00:54:52,400

attempted this

1565

00:54:56,870 --> 00:54:55,839

uh what do they call it um close contact

1566

00:54:59,190 --> 00:54:56,880

of the fifth kind

1567

00:55:00,870 --> 00:54:59,200

where we initiate contact with beings

1568

00:55:04,549 --> 00:55:00,880

some people say they can do it through

1569

00:55:08,150 --> 00:55:04,559

you know meditative states or um

1570

00:55:12,069 --> 00:55:08,160

through astral projection or even using

1571

00:55:13,910 --> 00:55:12,079

um certain mind-altering drugs so hey

1572

00:55:15,990 --> 00:55:13,920

i'm not condoning that but i'm not

1573

00:55:19,030 --> 00:55:16,000

against it either like do you

1574

00:55:21,510 --> 00:55:19,040

i remember paul heineck the son of um

1575

00:55:22,789 --> 00:55:21,520

j allen heineck on my show really

1576

00:55:25,190 --> 00:55:22,799

surprised me

1577

00:55:27,349 --> 00:55:25,200

when uh he said that yeah he went on

1578

00:55:29,670 --> 00:55:27,359

some crazy trips drug wise just to see

1579

00:55:31,910 --> 00:55:29,680

if he could make contact with these uh

1580

00:55:33,589 --> 00:55:31,920

beings that his father might have

1581

00:55:34,710 --> 00:55:33,599

investigated for the government so yeah

1582

00:55:37,589 --> 00:55:34,720

that really threw me

1583

00:55:39,829 --> 00:55:37,599

for a loop um so yes i have no personal

1584

00:55:43,109 --> 00:55:39,839

experience with contacting

1585

00:55:45,190 --> 00:55:43,119

aliens interdimensional beings uh time

1586

00:55:47,270 --> 00:55:45,200

travelers from the future but um

1587

00:55:49,190 --> 00:55:47,280

hey if that's your thing try it like

1588

00:55:51,589 --> 00:55:49,200

what what's the worst that can happen

1589

00:55:52,950 --> 00:55:51,599

um i don't know what the worst is that

1590

00:55:54,630 --> 00:55:52,960

can happen actually so

1591

00:55:55,990 --> 00:55:54,640

just be careful just be careful if you

1592

00:56:00,230 --> 00:55:56,000

choose to do it

1593

00:56:02,230 --> 00:56:00,240

um let's see it's 9 55 a.m

1594

00:56:04,230 --> 00:56:02,240

in australia right now you're having

1595

00:56:04,950 --> 00:56:04,240

your coffee i'm having my whiskey cheers

1596

00:56:09,190 --> 00:56:04,960

brett

1597

00:56:09,200 --> 00:56:13,109

jamie let's see what jamie has to say

1598

00:56:18,390 --> 00:56:16,230

hey ryan jamie here from uh ri

1599

00:56:20,230 --> 00:56:18,400

question give given all of the close

1600

00:56:21,910 --> 00:56:20,240

encounters with our military do you know

1601
00:56:22,789 --> 00:56:21,920
of a situation where we might have fired

1602
00:56:26,630 --> 00:56:22,799
upon the uap

1603
00:56:28,309 --> 00:56:26,640
craft um several i know pravis jafari

1604
00:56:31,910 --> 00:56:28,319
tried to fire upon the craft

1605
00:56:34,710 --> 00:56:31,920
during the 76 tehran incident um

1606
00:56:36,710 --> 00:56:34,720
i know a lot of you seasoned ufologists

1607
00:56:38,630 --> 00:56:36,720
in the chat will know better than me

1608
00:56:41,270 --> 00:56:38,640
there was another case where a gentleman

1609
00:56:44,470 --> 00:56:41,280
did actually shoot at an object

1610
00:56:47,829 --> 00:56:44,480
that he was pursuing um and hit it

1611
00:56:49,750 --> 00:56:47,839
um man there's there's

1612
00:56:51,270 --> 00:56:49,760
there's some out there but um i haven't

1613
00:56:52,870 --> 00:56:51,280

personally looked into them

1614

00:56:55,109 --> 00:56:52,880

so uh yeah i wish i had a better answer

1615

00:56:56,630 --> 00:56:55,119

for that but yes a lot of pilots and

1616

00:56:58,470 --> 00:56:56,640

whatnot have tried

1617

00:57:00,309 --> 00:56:58,480

and their weapons immediately

1618

00:57:01,589 --> 00:57:00,319

malfunction so there has to be something

1619

00:57:03,349 --> 00:57:01,599

to that as well

1620

00:57:04,870 --> 00:57:03,359

uh jamie so thank you for that question

1621

00:57:06,870 --> 00:57:04,880

i'm gonna look deeper into that one for

1622

00:57:10,630 --> 00:57:06,880

you

1623

00:57:12,630 --> 00:57:10,640

cheers um

1624

00:57:14,309 --> 00:57:12,640

let's see let's move to our next

1625

00:57:16,150 --> 00:57:14,319

question here we're getting to the

1626
00:57:17,349 --> 00:57:16,160
the bottom here guys so thank you for

1627
00:57:18,789 --> 00:57:17,359
sticking with me

1628
00:57:20,390 --> 00:57:18,799
through this we've almost been going for

1629
00:57:22,390 --> 00:57:20,400
an hour that's a lot

1630
00:57:24,549 --> 00:57:22,400
so um thank you thank you for being here

1631
00:57:28,710 --> 00:57:24,559
thank you for everyone who contributed

1632
00:57:31,430 --> 00:57:28,720
uh let's see jackalope jake

1633
00:57:32,150 --> 00:57:31,440
on twitter asks have there ever been ufo

1634
00:57:33,910 --> 00:57:32,160
or uap

1635
00:57:36,470 --> 00:57:33,920
sightings occurring during inclement

1636
00:57:37,990 --> 00:57:36,480
weather thunderstorms hurricanes

1637
00:57:39,589 --> 00:57:38,000
yeah do you think lightning would

1638
00:57:41,030 --> 00:57:39,599

interfere with the capabilities

1639

00:57:43,109 --> 00:57:41,040

of these crap that's such a good

1640

00:57:44,230 --> 00:57:43,119

question yeah i mean a lot of people

1641

00:57:46,390 --> 00:57:44,240

think that uh

1642

00:57:48,549 --> 00:57:46,400

the roswell ufo crash was due in part to

1643

00:57:49,030 --> 00:57:48,559

a crazy lightning storm that was going

1644

00:57:50,630 --> 00:57:49,040

on

1645

00:57:52,470 --> 00:57:50,640

and the craft actually got struck by

1646

00:57:55,270 --> 00:57:52,480

lightning and that's what took it down

1647

00:57:56,309 --> 00:57:55,280

um other people think it was shot down

1648

00:57:57,589 --> 00:57:56,319

so uh

1649

00:57:59,349 --> 00:57:57,599

i think yeah that could be an

1650

00:58:00,950 --> 00:57:59,359

explanation from what may have possibly

1651
00:58:03,670 --> 00:58:00,960
happened in roswell

1652
00:58:06,230 --> 00:58:03,680
um i'm sure cheryl costa has a lot to

1653
00:58:09,349 --> 00:58:06,240
say about weather when it comes to ufo

1654
00:58:10,950 --> 00:58:09,359
patterns and statistics but as far as i

1655
00:58:12,549 --> 00:58:10,960
know there there have been cases out

1656
00:58:14,069 --> 00:58:12,559
there where weather has played a part in

1657
00:58:15,829 --> 00:58:14,079
this there was a um

1658
00:58:17,270 --> 00:58:15,839
there was a video in amsterdam which i

1659
00:58:20,069 --> 00:58:17,280
actually have on on

1660
00:58:20,549 --> 00:58:20,079
cue here for you guys where a um a ufo

1661
00:58:23,829 --> 00:58:20,559
was

1662
00:58:26,870 --> 00:58:23,839
even a movie

1663
00:58:28,069 --> 00:58:26,880

back in i want to say the early 90s um

1664

00:58:30,069 --> 00:58:28,079

that i'm going to share with you guys

1665

00:58:33,589 --> 00:58:30,079

here it was actually called

1666

00:58:35,030 --> 00:58:33,599

tornadoes in ufos which is insane i got

1667

00:58:36,710 --> 00:58:35,040

to get my hands on this thing

1668

00:58:39,589 --> 00:58:36,720

just to frame it they've of course got

1669

00:58:42,390 --> 00:58:39,599

the creepy communion alien on there

1670

00:58:44,230 --> 00:58:42,400

um but what i wanted to share with you

1671

00:58:46,390 --> 00:58:44,240

guys about this one the weather thing is

1672

00:58:47,270 --> 00:58:46,400

this video out of amsterdam where ufos

1673

00:58:49,510 --> 00:58:47,280

recited

1674

00:58:50,390 --> 00:58:49,520

during a tornado so um yeah let me know

1675

00:59:11,349 --> 00:58:50,400

what you think of this

1676

00:59:14,710 --> 00:59:13,589

so yeah that uh that one's pretty

1677

00:59:16,230 --> 00:59:14,720

interesting let me know what you think

1678

00:59:17,030 --> 00:59:16,240

about that in the chat uh i don't know

1679

00:59:18,870 --> 00:59:17,040

if you could really

1680

00:59:21,990 --> 00:59:18,880

really see but there were like those

1681

00:59:23,990 --> 00:59:22,000

illuminated almost cylindrical orbs

1682

00:59:25,430 --> 00:59:24,000

going in and out of the tornado so like

1683

00:59:28,549 --> 00:59:25,440

was it was some sort of

1684

00:59:30,150 --> 00:59:28,559

like weather tracking drone or i don't

1685

00:59:31,349 --> 00:59:30,160

know we need more data on this video

1686

00:59:33,510 --> 00:59:31,359

when it was taken

1687

00:59:35,270 --> 00:59:33,520

um we do know it was in amsterdam but

1688

00:59:36,870 --> 00:59:35,280

i'll do some more research on it but i

1689

00:59:39,910 --> 00:59:36,880

thought that was pretty interesting

1690

00:59:41,510 --> 00:59:39,920

they're uh checking out our weather oh

1691

00:59:43,109 --> 00:59:41,520

james thank you so much for this

1692

00:59:45,030 --> 00:59:43,119

super chat brother i really appreciate

1693

00:59:46,470 --> 00:59:45,040

that let's see what you got to say here

1694

00:59:48,470 --> 00:59:46,480

ryan what are your thoughts on these

1695

00:59:49,190 --> 00:59:48,480

unknowns interacting with our bodies of

1696

00:59:51,349 --> 00:59:49,200

water

1697

00:59:52,710 --> 00:59:51,359

um oh we answered that one james

1698

00:59:54,230 --> 00:59:52,720

actually earlier

1699

00:59:56,150 --> 00:59:54,240

um i don't know if you were here for

1700

00:59:57,109 --> 00:59:56,160

that but yeah i have a lot of thoughts

1701

00:59:59,109 --> 00:59:57,119

about it i'll i'll

1702

01:00:00,150 --> 00:59:59,119

um i'll just go over it really briefly

1703

01:00:01,750 --> 01:00:00,160

again with you here

1704

01:00:03,750 --> 01:00:01,760

if you don't mind i believe there's a

1705

01:00:04,710 --> 01:00:03,760

very strong connection between water and

1706

01:00:06,789 --> 01:00:04,720

ufos

1707

01:00:08,150 --> 01:00:06,799

uh we have ivan sanderson who wrote an

1708

01:00:10,309 --> 01:00:08,160

amazing book

1709

01:00:11,990 --> 01:00:10,319

called invisible residence about this

1710

01:00:15,349 --> 01:00:12,000

and he wrote this back in like the

1711

01:00:16,870 --> 01:00:15,359

70s or 80s so um this thing with ufos

1712

01:00:18,549 --> 01:00:16,880

and water has been around for a while we

1713

01:00:21,030 --> 01:00:18,559

have so many uso

1714

01:00:21,910 --> 01:00:21,040

cases obviously the now famous tic tac

1715

01:00:23,510 --> 01:00:21,920

ufo event

1716

01:00:25,190 --> 01:00:23,520

we talked about earlier where they saw

1717

01:00:26,549 --> 01:00:25,200

something in the water possibly

1718

01:00:29,109 --> 01:00:26,559

connected with the tic tac

1719

01:00:31,510 --> 01:00:29,119

we had that current ufo sighting in

1720

01:00:32,630 --> 01:00:31,520

hawaii where a blue ufo seemed to land

1721

01:00:35,109 --> 01:00:32,640

in the water and

1722

01:00:37,510 --> 01:00:35,119

disappear and um so many others i had

1723

01:00:40,630 --> 01:00:37,520

several in my book where a guy had a um

1724

01:00:41,829 --> 01:00:40,640

a man-made lake in his backyard and even

1725

01:00:43,829 --> 01:00:41,839

ufos found their way

1726

01:00:45,750 --> 01:00:43,839

into that and he was having a bunch of

1727

01:00:46,870 --> 01:00:45,760

weird ufo sightings happen in and around

1728

01:00:48,549 --> 01:00:46,880

that water so

1729

01:00:50,150 --> 01:00:48,559

i highly think there's something to it

1730

01:00:50,789 --> 01:00:50,160

maybe it's a source of energy for these

1731

01:00:53,270 --> 01:00:50,799

things

1732

01:00:54,470 --> 01:00:53,280

maybe these electromagnetic anomalies

1733

01:00:54,950 --> 01:00:54,480

under the water have something to do

1734

01:00:57,430 --> 01:00:54,960

with it

1735

01:00:58,470 --> 01:00:57,440

or maybe that's where they came from um

1736

01:01:01,349 --> 01:00:58,480

i heard this super

1737

01:01:02,390 --> 01:01:01,359

trippy explanation earlier where like

1738

01:01:04,870 --> 01:01:02,400

aliens

1739

01:01:06,390 --> 01:01:04,880

you know crash landed in the water here

1740

01:01:09,430 --> 01:01:06,400

millions of years ago

1741

01:01:11,430 --> 01:01:09,440

and took up residence underwater first

1742

01:01:12,789 --> 01:01:11,440

and then we came around after another

1743

01:01:14,950 --> 01:01:12,799

meteor hit the earth

1744

01:01:17,430 --> 01:01:14,960

and um they've been living under there

1745

01:01:19,190 --> 01:01:17,440

ever since and we've been up here so uh

1746

01:01:21,270 --> 01:01:19,200

maybe that's what's going on we maybe we

1747

01:01:21,750 --> 01:01:21,280

have neighbors much closer than we think

1748

01:01:23,990 --> 01:01:21,760

so

1749

01:01:26,150 --> 01:01:24,000

yeah that'll give you that james um for

1750

01:01:27,750 --> 01:01:26,160

the underwater question um

1751
01:01:30,309 --> 01:01:27,760
i have more news coming out about that

1752
01:01:30,710 --> 01:01:30,319
soon too about underwater ufos so stay

1753
01:01:33,910 --> 01:01:30,720
tuned

1754
01:01:37,430 --> 01:01:33,920
um let's see

1755
01:01:38,069 --> 01:01:37,440
robert says here military's experiment

1756
01:01:39,670 --> 01:01:38,079
with microwave

1757
01:01:41,510 --> 01:01:39,680
radio transmission it fried the

1758
01:01:45,589 --> 01:01:41,520
occupants ooh that's creepy

1759
01:01:51,990 --> 01:01:45,599
um i i yeah i don't like that

1760
01:01:53,510 --> 01:01:52,000
um let's see

1761
01:01:55,670 --> 01:01:53,520
robert says how about straight up face

1762
01:01:56,710 --> 01:01:55,680
to face in 95 stumbled on it in indian

1763
01:01:59,190 --> 01:01:56,720

falls new york

1764

01:02:00,950 --> 01:01:59,200

92 miles west of syracuse not fun i

1765

01:02:03,670 --> 01:02:00,960

think robert's talking about um

1766

01:02:06,309 --> 01:02:03,680

there was a case at indian point nuclear

1767

01:02:08,230 --> 01:02:06,319

facility in new york where ufo

1768

01:02:09,430 --> 01:02:08,240

were seen over a nuclear reactor which

1769

01:02:11,029 --> 01:02:09,440

was super scary

1770

01:02:14,069 --> 01:02:11,039

um i talked about that case in our new

1771

01:02:17,430 --> 01:02:14,079

york ufo's episode as well

1772

01:02:20,870 --> 01:02:17,440

um all right jakey the duke

1773

01:02:24,309 --> 01:02:20,880

of dank on twitter um asks me what is

1774

01:02:27,990 --> 01:02:24,319

my favorite ska band in song

1775

01:02:32,390 --> 01:02:28,000

wow that's going back early 2000s

1776

01:02:34,470 --> 01:02:32,400

maybe late 90s for me um

1777

01:02:35,910 --> 01:02:34,480

less than jake that is by far my

1778

01:02:38,069 --> 01:02:35,920

favorite ska van

1779

01:02:39,750 --> 01:02:38,079

um easily i could have said like mighty

1780

01:02:43,430 --> 01:02:39,760

buddy bostones

1781

01:02:46,549 --> 01:02:43,440

uh who else was out there at the time uh

1782

01:02:48,230 --> 01:02:46,559

goldfinger a few others but i really i

1783

01:02:50,630 --> 01:02:48,240

really dug less than jake

1784

01:02:51,750 --> 01:02:50,640

um anthem was the name of the album that

1785

01:02:54,870 --> 01:02:51,760

i really like

1786

01:02:57,990 --> 01:02:54,880

uh what else yeah

1787

01:02:59,990 --> 01:02:58,000

so much good songs on there uh

1788

01:03:02,870 --> 01:03:00,000

song look what happened science is

1789

01:03:05,270 --> 01:03:02,880

selling yourself short um

1790

01:03:07,190 --> 01:03:05,280

yeah yeah check out that album it really

1791

01:03:07,750 --> 01:03:07,200

brings me back to the ska days which i

1792

01:03:09,910 --> 01:03:07,760

miss

1793

01:03:11,670 --> 01:03:09,920

uh maybe it'll make a comeback you know

1794

01:03:14,870 --> 01:03:11,680

that seems to be what happens in music

1795

01:03:17,270 --> 01:03:14,880

so so yeah um oh

1796

01:03:19,109 --> 01:03:17,280

okay so this was probably one of the

1797

01:03:22,069 --> 01:03:19,119

most popular questions

1798

01:03:23,670 --> 01:03:22,079

that was asked for this q a and that is

1799

01:03:27,430 --> 01:03:23,680

um

1800

01:03:30,150 --> 01:03:27,440

uh the triangle ufo photo

1801

01:03:31,430 --> 01:03:30,160

uh now a lot of people have have

1802

01:03:33,829 --> 01:03:31,440

thoughts that maybe the

1803

01:03:35,029 --> 01:03:33,839

debrief that i write for were was going

1804

01:03:38,069 --> 01:03:35,039

to release this

1805

01:03:39,349 --> 01:03:38,079

now famous rumored triangle emerging

1806

01:03:41,990 --> 01:03:39,359

from the ocean

1807

01:03:43,750 --> 01:03:42,000

and a photo taken by a fighter pilot and

1808

01:03:45,190 --> 01:03:43,760

that this is part of the uap report

1809

01:03:47,109 --> 01:03:45,200

that's going to be coming out soon

1810

01:03:48,390 --> 01:03:47,119

and maybe we'll see the photo maybe we

1811

01:03:51,349 --> 01:03:48,400

won't um but

1812

01:03:52,230 --> 01:03:51,359

i i always wanted to i want to remind

1813

01:03:55,430 --> 01:03:52,240

people that

1814

01:03:56,870 --> 01:03:55,440

i actually released the photo and nobody

1815

01:03:59,750 --> 01:03:56,880

paid attention to it

1816

01:04:01,029 --> 01:03:59,760

they like totally ignored it so um i

1817

01:04:03,990 --> 01:04:01,039

guess since you know this is

1818

01:04:05,589 --> 01:04:04,000

our inaugural q a i will post that for

1819

01:04:06,230 --> 01:04:05,599

you guys the debrief might be a little

1820

01:04:09,270 --> 01:04:06,240

mad

1821

01:04:13,430 --> 01:04:09,280

and the pentagon but um yeah

1822

01:04:16,630 --> 01:04:13,440

i i'm gonna i'm gonna do it um

1823

01:04:16,640 --> 01:04:22,069

there it is guys wow

1824

01:04:25,109 --> 01:04:24,470

if that doesn't prove that these things

1825

01:04:27,430 --> 01:04:25,119

are real i

1826

01:04:30,470 --> 01:04:27,440

i just don't know what is so there is

1827

01:04:33,109 --> 01:04:30,480

the triangle ufo photo for the

1828

01:04:33,750 --> 01:04:33,119

eight of you that asked that question so

1829

01:04:37,750 --> 01:04:33,760

yeah

1830

01:04:41,829 --> 01:04:37,760

little joke i liked it

1831

01:04:44,950 --> 01:04:41,839

i liked it all right

1832

01:04:46,789 --> 01:04:44,960

let's see what else we got here i'm

1833

01:04:50,069 --> 01:04:46,799

getting some pissed-off

1834

01:04:52,230 --> 01:04:50,079

comments in the chat um

1835

01:04:54,630 --> 01:04:52,240

that's all i have for pre-questions guys

1836

01:04:56,630 --> 01:04:54,640

so yeah if you have any more questions

1837

01:04:58,309 --> 01:04:56,640

you'd like to ask throw them in the chat

1838

01:04:59,829 --> 01:04:58,319

we've been going a little over an hour

1839

01:05:03,190 --> 01:04:59,839

that's pretty long for uh

1840

01:05:05,190 --> 01:05:03,200

and ask me anything sort of situation um

1841

01:05:06,710 --> 01:05:05,200

so yeah if you want throw them in right

1842

01:05:08,549 --> 01:05:06,720

now otherwise i'm just gonna talk a

1843

01:05:12,230 --> 01:05:08,559

little shop for you guys

1844

01:05:14,710 --> 01:05:12,240

um about stuff that i'm doing so um

1845

01:05:17,029 --> 01:05:14,720

for anyone who doesn't know i am

1846

01:05:20,150 --> 01:05:17,039

speaking at and hosting a panel

1847

01:05:22,309 --> 01:05:20,160

at contact in the desert a virtual

1848

01:05:24,069 --> 01:05:22,319

ufo conference happening june 25th

1849

01:05:26,710 --> 01:05:24,079

through june 28th

1850

01:05:27,589 --> 01:05:26,720

uh no everything was pre-recorded uh for

1851
01:05:30,470 --> 01:05:27,599
this virtual

1852
01:05:31,589 --> 01:05:30,480
event so i had the amazing opportunity

1853
01:05:34,710 --> 01:05:31,599
to do a

1854
01:05:36,069 --> 01:05:34,720
panel discussion with three military ufo

1855
01:05:39,190 --> 01:05:36,079
encounter witnesses

1856
01:05:41,829 --> 01:05:39,200
uh gary voorhees and uh jason turner

1857
01:05:43,910 --> 01:05:41,839
from the nimitz tic tac ufo event and

1858
01:05:44,789 --> 01:05:43,920
matthew roberts who was actually witness

1859
01:05:47,910 --> 01:05:44,799
to the

1860
01:05:49,750 --> 01:05:47,920
gimbal and go fast ufo events as well

1861
01:05:52,309 --> 01:05:49,760
and the videos involved with that

1862
01:05:54,069 --> 01:05:52,319
so i got to talk to these guys all about

1863
01:05:56,230 --> 01:05:54,079

what they saw what they experienced

1864

01:05:57,750 --> 01:05:56,240

and obviously knowing me i dug really

1865

01:06:00,150 --> 01:05:57,760

deep into the human side

1866

01:06:01,829 --> 01:06:00,160

of their experiences but um i actually

1867

01:06:03,109 --> 01:06:01,839

have a small teaser clip

1868

01:06:05,029 --> 01:06:03,119

that i'm going to share from the panel

1869

01:06:06,789 --> 01:06:05,039

with you guys right now about something

1870

01:06:08,789 --> 01:06:06,799

pretty interesting that gary

1871

01:06:10,950 --> 01:06:08,799

brought to my attention now we have the

1872

01:06:11,910 --> 01:06:10,960

um you know the tracks that were on

1873

01:06:15,109 --> 01:06:11,920

radar

1874

01:06:17,510 --> 01:06:15,119

operator

1875

01:06:18,549 --> 01:06:17,520

kevin day was the first to see these tic

1876

01:06:21,270 --> 01:06:18,559

tacs on radar

1877

01:06:22,950 --> 01:06:21,280

he was the one who tracked them and sent

1878

01:06:25,109 --> 01:06:22,960

the intercept up to uh

1879

01:06:26,390 --> 01:06:25,119

to catch that to catch the tic tac that

1880

01:06:30,309 --> 01:06:26,400

fravor saw and everything

1881

01:06:32,069 --> 01:06:30,319

so um gary actually told me he's the guy

1882

01:06:34,549 --> 01:06:32,079

who worked on the systems the radar

1883

01:06:36,069 --> 01:06:34,559

systems uh that there were possible

1884

01:06:38,309 --> 01:06:36,079

tracks found

1885

01:06:39,190 --> 01:06:38,319

underwater at the same time and that

1886

01:06:41,190 --> 01:06:39,200

blew my mind

1887

01:06:42,309 --> 01:06:41,200

i had absolutely no idea about that so

1888

01:06:44,950 --> 01:06:42,319

i'm gonna share

1889

01:06:46,069 --> 01:06:44,960

this clip with you guys right now about

1890

01:06:47,670 --> 01:06:46,079

that and um

1891

01:06:49,109 --> 01:06:47,680

yeah this is what you have to look

1892

01:06:53,850 --> 01:06:49,119

forward to at my

1893

01:07:00,789 --> 01:06:57,430

[Music]

1894

01:07:02,390 --> 01:07:00,799

well i get um i get commercial pilots

1895

01:07:04,870 --> 01:07:02,400

sending me emails about

1896

01:07:06,549 --> 01:07:04,880

events that they have uh making sure

1897

01:07:07,589 --> 01:07:06,559

that i understand that everything's off

1898

01:07:10,630 --> 01:07:07,599

the record

1899

01:07:13,510 --> 01:07:10,640

um then i get a former military

1900

01:07:14,549 --> 01:07:13,520

i've had a couple of guys from iraq come

1901

01:07:16,870 --> 01:07:14,559

out and tell me about

1902

01:07:17,750 --> 01:07:16,880

things that they saw out in the desert

1903

01:07:19,750 --> 01:07:17,760

um

1904

01:07:21,109 --> 01:07:19,760

all off the record but you know still

1905

01:07:23,510 --> 01:07:21,119

you know they feel like they can

1906

01:07:24,630 --> 01:07:23,520

confide in me oh this this did happen

1907

01:07:27,829 --> 01:07:24,640

you know

1908

01:07:30,390 --> 01:07:27,839

they were just happy just to

1909

01:07:31,349 --> 01:07:30,400

tell somebody that they you know what

1910

01:07:33,750 --> 01:07:31,359

happened

1911

01:07:35,270 --> 01:07:33,760

and then i get the former shipmates that

1912

01:07:38,549 --> 01:07:35,280

were there at the event

1913

01:07:39,750 --> 01:07:38,559

that basically they either through

1914

01:07:41,510 --> 01:07:39,760

the fact that they still work for the

1915

01:07:42,789 --> 01:07:41,520

park department of defense or they're

1916

01:07:44,630 --> 01:07:42,799

still in the service

1917

01:07:46,069 --> 01:07:44,640

or they just don't want you know they

1918

01:07:47,270 --> 01:07:46,079

have their own businesses and don't want

1919

01:07:50,549 --> 01:07:47,280

their names attached

1920

01:07:52,470 --> 01:07:50,559

to this um you know they kind of live

1921

01:07:54,950 --> 01:07:52,480

vicariously through us

1922

01:07:57,109 --> 01:07:54,960

you know they they keep track and i

1923

01:07:58,870 --> 01:07:57,119

forbid if i say anything wrong about any

1924

01:08:00,870 --> 01:07:58,880

system or anything that happened

1925

01:08:02,549 --> 01:08:00,880

i mean they're just like hey man um just

1926

01:08:03,109 --> 01:08:02,559

to let you know this is actually how it

1927

01:08:05,109 --> 01:08:03,119

happened

1928

01:08:06,390 --> 01:08:05,119

you know and then then i'll get you know

1929

01:08:07,750 --> 01:08:06,400

the best way to get get

1930

01:08:09,109 --> 01:08:07,760

get things out of them is tell them

1931

01:08:10,549 --> 01:08:09,119

they're wrong and then they'll tell you

1932

01:08:11,990 --> 01:08:10,559

or say something wrong and then they'll

1933

01:08:15,670 --> 01:08:12,000

tell you all about

1934

01:08:17,030 --> 01:08:15,680

where you messed up which is why

1935

01:08:18,550 --> 01:08:17,040

you know which is a you know a lot of

1936

01:08:18,870 --> 01:08:18,560

reason why i got the information about

1937

01:08:23,510 --> 01:08:18,880

the

1938

01:08:24,950 --> 01:08:23,520

gonna be you know

1939

01:08:26,950 --> 01:08:24,960

i guarantee that's going to blow up on

1940

01:08:27,430 --> 01:08:26,960

twitter once that once once they hear

1941

01:08:29,669 --> 01:08:27,440

that

1942

01:08:30,470 --> 01:08:29,679

you know and it's it's been a point of

1943

01:08:33,189 --> 01:08:30,480

contention

1944

01:08:34,950 --> 01:08:33,199

you know and you know i have up until

1945

01:08:35,910 --> 01:08:34,960

just the other day i've never been able

1946

01:08:37,590 --> 01:08:35,920

to verify

1947

01:08:39,349 --> 01:08:37,600

the story that i was given about the

1948

01:08:41,189 --> 01:08:39,359

underwater tracks

1949

01:08:43,749 --> 01:08:41,199

and so now i at least know what the kid

1950

01:08:45,510 --> 01:08:43,759

was talking about you know so

1951

01:08:47,110 --> 01:08:45,520

that made me feel a lot better because i

1952

01:08:48,789 --> 01:08:47,120

kind of felt like oh man i

1953

01:08:50,229 --> 01:08:48,799

you know i hate to mislead people but

1954

01:08:51,829 --> 01:08:50,239

you know that's what i was told

1955

01:08:53,189 --> 01:08:51,839

you know at least that's what i remember

1956

01:08:53,749 --> 01:08:53,199

what i was told because you remember

1957

01:08:56,149 --> 01:08:53,759

this

1958

01:08:57,910 --> 01:08:56,159

ages ago for us right right you know and

1959

01:08:59,189 --> 01:08:57,920

honestly i only focused on the fact that

1960

01:09:04,550 --> 01:08:59,199

we were tracking

1961

01:09:07,370 --> 01:09:04,560

a ufo there was enough there

1962

01:09:20,070 --> 01:09:07,380

for me

1963

01:09:24,309 --> 01:09:22,390

all right so there was our teaser from

1964

01:09:25,910 --> 01:09:24,319

the contact in the desert panel

1965

01:09:28,390 --> 01:09:25,920

i really hope you guys will check it out

1966

01:09:28,950 --> 01:09:28,400

we had an amazing conversation over

1967

01:09:33,349 --> 01:09:28,960

there

1968

01:09:36,070 --> 01:09:33,359

contact in the desert i'm giving my

1969

01:09:37,430 --> 01:09:36,080

no famous ufo talk as well a human

1970

01:09:38,950 --> 01:09:37,440

approach to the ufo

1971

01:09:40,630 --> 01:09:38,960

phenomenon that i've given at other

1972

01:09:42,709 --> 01:09:40,640

conferences as well

1973

01:09:45,430 --> 01:09:42,719

so yeah please check that out um like

1974

01:09:46,229 --> 01:09:45,440

the the ad said um day passes weekend

1975

01:09:48,709 --> 01:09:46,239

passes

1976

01:09:50,390 --> 01:09:48,719

uh for the event are available so go to

1977

01:09:53,269 --> 01:09:50,400

contact in the desert

1978

01:09:55,470 --> 01:09:53,279

dot com for that the live virtual event

1979

01:09:58,470 --> 01:09:55,480

happening june 25th through june

1980

01:10:00,149 --> 01:09:58,480

28th it's going to be super fun um

1981

01:10:02,390 --> 01:10:00,159

i want to give you guys an idea of

1982

01:10:05,669 --> 01:10:02,400

what's to come on somewhere

1983

01:10:09,669 --> 01:10:05,679

in the skies uh one of our

1984

01:10:10,709 --> 01:10:09,679

upcoming guests is christina gomez from

1985

01:10:14,070 --> 01:10:10,719

the paradigm

1986

01:10:16,149 --> 01:10:14,080

channel

1987

01:10:17,189 --> 01:10:16,159

and the debrief she's going to be

1988

01:10:19,990 --> 01:10:17,199

joining me to talk about

1989

01:10:21,590 --> 01:10:20,000

all about how she got involved with ufos

1990

01:10:23,189 --> 01:10:21,600

what she thinks is going on

1991

01:10:25,030 --> 01:10:23,199

what she has going on over at the

1992

01:10:27,110 --> 01:10:25,040

debrief and everything

1993

01:10:28,149 --> 01:10:27,120

in between this is part of my new series

1994

01:10:30,470 --> 01:10:28,159

ufos

1995

01:10:31,270 --> 01:10:30,480

2021 which jason mcclellan was on

1996

01:10:33,590 --> 01:10:31,280

recently

1997

01:10:35,510 --> 01:10:33,600

and mike demonte so i'm really looking

1998

01:10:37,590 --> 01:10:35,520

forward to getting her perspectives

1999

01:10:38,870 --> 01:10:37,600

on that our next guest that's going to

2000

01:10:41,110 --> 01:10:38,880

be coming up on the show

2001

01:10:43,189 --> 01:10:41,120

is toby ball he is the host of the

2002

01:10:46,870 --> 01:10:43,199

strange arrivals podcast

2003

01:10:48,310 --> 01:10:46,880

on uh i heart radio and uh aaron manky's

2004

01:10:49,830 --> 01:10:48,320

podcast network

2005

01:10:51,430 --> 01:10:49,840

and we're going to talk all about his

2006

01:10:53,110 --> 01:10:51,440

first season of the show about the betty

2007

01:10:55,990 --> 01:10:53,120

and bernie hill abduction

2008

01:10:57,350 --> 01:10:56,000

and his new season which is all about

2009

01:11:00,229 --> 01:10:57,360

the rendelsham

2010

01:11:03,030 --> 01:11:00,239

case the socorro ufo crash and uh

2011

01:11:06,070 --> 01:11:03,040

disinformation and intelligence agencies

2012

01:11:08,149 --> 01:11:06,080

so that's gonna be cool i am biased i am

2013

01:11:10,229 --> 01:11:08,159

featured in this podcast so

2014

01:11:11,990 --> 01:11:10,239

i hope you guys will check it out it has

2015

01:11:14,709 --> 01:11:12,000

a lot to do with what's going on

2016

01:11:16,390 --> 01:11:14,719

in the ufo world today um and then

2017

01:11:17,430 --> 01:11:16,400

lastly for another guest we're going to

2018

01:11:19,990 --> 01:11:17,440

be talking to

2019

01:11:21,669 --> 01:11:20,000

is uh grimy randall um he's going to

2020

01:11:22,390 --> 01:11:21,679

come on the show to talk all about foo

2021

01:11:24,390 --> 01:11:22,400

fighters

2022

01:11:26,470 --> 01:11:24,400

not the band um but these strange

2023

01:11:29,030 --> 01:11:26,480

illuminated spheres that were seen

2024

01:11:30,149 --> 01:11:29,040

near us and enemy fighter planes back in

2025

01:11:33,510 --> 01:11:30,159

the 40s

2026

01:11:35,510 --> 01:11:33,520

and you know back then both us and um

2027

01:11:37,669 --> 01:11:35,520

and the enemies thought that it was the

2028

01:11:38,709 --> 01:11:37,679

technology of the others but no one took

2029

01:11:40,470 --> 01:11:38,719

credit for it

2030

01:11:42,790 --> 01:11:40,480

um so yeah these are some of the first

2031

01:11:45,750 --> 01:11:42,800

several ufo reports by military

2032

01:11:46,950 --> 01:11:45,760

and where dave girl got the name for the

2033

01:11:48,149 --> 01:11:46,960

band foo fighters

2034

01:11:49,270 --> 01:11:48,159

so yeah that's going to be pretty

2035

01:11:51,510 --> 01:11:49,280

awesome we're going to talk about

2036

01:11:53,910 --> 01:11:51,520

grammy's upcoming book all about

2037

01:11:55,910 --> 01:11:53,920

the foo fighters and his extensive

2038

01:11:59,030 --> 01:11:55,920

knowledge on military aircraft and

2039

01:12:00,229 --> 01:11:59,040

um yeah black program so that's gonna be

2040

01:12:02,229 --> 01:12:00,239

pretty cool

2041

01:12:03,990 --> 01:12:02,239

well that's kind of it guys that's all i

2042

01:12:05,270 --> 01:12:04,000

got for you let me go back in the chat

2043

01:12:08,310 --> 01:12:05,280

one more time here

2044

01:12:09,270 --> 01:12:08,320

um i just released a witness accounts

2045

01:12:11,750 --> 01:12:09,280

episode

2046

01:12:12,310 --> 01:12:11,760

where you tell your ufo stories on the

2047

01:12:14,709 --> 01:12:12,320

show

2048

01:12:16,229 --> 01:12:14,719

i've got amazing feedback about this

2049

01:12:17,350 --> 01:12:16,239

past week's episode it was a very

2050

01:12:19,510 --> 01:12:17,360

emotional one

2051

01:12:21,270 --> 01:12:19,520

um you know the last story really

2052

01:12:25,189 --> 01:12:21,280

chugged at a lot of people's uh

2053

01:12:27,030 --> 01:12:25,199

um chugged let me chug some whiskey

2054

01:12:29,189 --> 01:12:27,040

um tugged at a lot of people's heart

2055

01:12:32,070 --> 01:12:29,199

strings and uh

2056

01:12:33,830 --> 01:12:32,080

some powerful cases a mass ufo sighting

2057

01:12:36,950 --> 01:12:33,840

at a detention center

2058

01:12:39,110 --> 01:12:36,960

pretty crazy we had our youngest ever

2059

01:12:41,270 --> 01:12:39,120

ufo witness come on the show to talk

2060

01:12:44,070 --> 01:12:41,280

about a tic tac ufo

2061

01:12:44,630 --> 01:12:44,080

that she saw i believe she was 11 years

2062

01:12:46,390 --> 01:12:44,640

old

2063

01:12:48,790 --> 01:12:46,400

so she came on the show with her dad to

2064

01:12:51,030 --> 01:12:48,800

talk about this tic-tac ufo that they

2065

01:12:53,270 --> 01:12:51,040

saw um so that was pretty cool

2066

01:12:54,870 --> 01:12:53,280

i was not expecting that at all so i

2067

01:12:57,430 --> 01:12:54,880

hope you'll check out that episode

2068

01:12:58,790 --> 01:12:57,440

and i hope if you've had a ufo sighting

2069

01:13:00,950 --> 01:12:58,800

or um

2070

01:13:02,790 --> 01:13:00,960

experience that you'll reach out to me

2071

01:13:03,189 --> 01:13:02,800

and um come on the show and talk about

2072

01:13:06,709 --> 01:13:03,199

it

2073

01:13:14,709 --> 01:13:06,719

you

2074

01:13:17,830 --> 01:13:14,719

and um i'm up to like volume 17

2075

01:13:19,350 --> 01:13:17,840

i believe or 16 so far and they are some

2076
01:13:20,470 --> 01:13:19,360
of the most popular episodes of summer

2077
01:13:22,229 --> 01:13:20,480
in the skies so

2078
01:13:23,750 --> 01:13:22,239
be please become a part of that you can

2079
01:13:25,510 --> 01:13:23,760
reach out to me um

2080
01:13:27,110 --> 01:13:25,520
on the website there's a contact tab at

2081
01:13:29,350 --> 01:13:27,120
somewhere in the skies dot com

2082
01:13:32,149 --> 01:13:29,360
or message me on facebook twitter

2083
01:13:34,390 --> 01:13:32,159
whatever at summer skies on twitter um

2084
01:13:36,950 --> 01:13:34,400
we have a very active facebook group

2085
01:13:38,390 --> 01:13:36,960
called summer on the skies podcast so

2086
01:13:40,790 --> 01:13:38,400
reach out to me on there

2087
01:13:42,070 --> 01:13:40,800
and ask for a request and invite and

2088
01:13:45,590 --> 01:13:42,080

i'll let you in

2089

01:13:48,550 --> 01:13:45,600

um and we're expecting this uap report

2090

01:13:50,229 --> 01:13:48,560

any day now guys you know 25th is i

2091

01:13:50,790 --> 01:13:50,239

believe or 28th one of those is when

2092

01:13:52,390 --> 01:13:50,800

it's

2093

01:13:53,830 --> 01:13:52,400

supposed to come out or the deadline is

2094

01:13:56,310 --> 01:13:53,840

we might get it before

2095

01:13:57,590 --> 01:13:56,320

we might get it 10 months from that two

2096

01:13:59,030 --> 01:13:57,600

years from that who knows

2097

01:14:01,110 --> 01:13:59,040

but i have faith that we're gonna get

2098

01:14:02,630 --> 01:14:01,120

something and uh that will have a lot of

2099

01:14:04,630 --> 01:14:02,640

new stuff to be talking about

2100

01:14:06,070 --> 01:14:04,640

in the coming weeks which i'm really

2101

01:14:07,910 --> 01:14:06,080

really excited about

2102

01:14:09,350 --> 01:14:07,920

let me know what you think about the

2103

01:14:11,110 --> 01:14:09,360

upcoming uap report

2104

01:14:12,550 --> 01:14:11,120

if you think it's gonna be good bad

2105

01:14:15,750 --> 01:14:12,560

nothing um

2106

01:14:17,510 --> 01:14:15,760

profound um let me know please reach out

2107

01:14:19,270 --> 01:14:17,520

to me there's a voicemail tab

2108

01:14:21,910 --> 01:14:19,280

on the website as well where you can

2109

01:14:25,270 --> 01:14:21,920

leave me like a brief i think 40 second

2110

01:14:27,110 --> 01:14:25,280

uh voicemail um and i'll play it on an

2111

01:14:29,590 --> 01:14:27,120

upcoming episode of the show too

2112

01:14:30,390 --> 01:14:29,600

um so yeah that's all i got for you guys

2113

01:14:34,149 --> 01:14:30,400

um

2114

01:14:37,430 --> 01:14:34,159

let me check the chat one more time

2115

01:14:41,030 --> 01:14:37,440

here uh robert says

2116

01:14:42,630 --> 01:14:41,040

i i would enjoy accompanying you to a

2117

01:14:44,149 --> 01:14:42,640

conference someday i know most of them

2118

01:14:46,630 --> 01:14:44,159

in most reports but cannot

2119

01:14:49,030 --> 01:14:46,640

get off of work i totally get it man

2120

01:14:51,189 --> 01:14:49,040

dude i'm just going back to work

2121

01:14:52,390 --> 01:14:51,199

in a couple months and i'm both looking

2122

01:14:54,550 --> 01:14:52,400

forward to it and

2123

01:14:57,350 --> 01:14:54,560

not because i've enjoyed all this free

2124

01:14:59,590 --> 01:14:57,360

time in this pandemic world but um

2125

01:15:01,669 --> 01:14:59,600

nah i'm happy to be getting back soon so

2126

01:15:04,149 --> 01:15:01,679

um yeah we'll have to catch a conference

2127

01:15:06,550 --> 01:15:04,159

someday man that'll be super fun

2128

01:15:07,669 --> 01:15:06,560

uh let's see dennis says great idea with

2129

01:15:10,790 --> 01:15:07,679

the ama

2130

01:15:12,709 --> 01:15:10,800

and um glad broadway is reopening

2131

01:15:14,149 --> 01:15:12,719

yes dennis i'm very glad not just

2132

01:15:15,910 --> 01:15:14,159

because i work on broadway

2133

01:15:17,430 --> 01:15:15,920

but i just think now is a perfect time

2134

01:15:19,030 --> 01:15:17,440

for live theater again

2135

01:15:20,550 --> 01:15:19,040

i think we're going to see some amazing

2136

01:15:22,229 --> 01:15:20,560

new works coming out

2137

01:15:24,229 --> 01:15:22,239

with all this time people have had at

2138

01:15:26,310 --> 01:15:24,239

home i'm sure there have been a lot of

2139

01:15:27,910 --> 01:15:26,320

playwrights out there including myself

2140

01:15:30,229 --> 01:15:27,920

taking advantage of that free time to

2141

01:15:32,709 --> 01:15:30,239

write some new powerful

2142

01:15:34,390 --> 01:15:32,719

stuff to get out there um they always

2143

01:15:35,910 --> 01:15:34,400

say you know shakespeare

2144

01:15:37,750 --> 01:15:35,920

what was that shakespeare wrote his

2145

01:15:40,550 --> 01:15:37,760

plays during uh

2146

01:15:42,550 --> 01:15:40,560

during a pandemic and a lot of other

2147

01:15:45,189 --> 01:15:42,560

stuff happened during the spanish flu

2148

01:15:47,030 --> 01:15:45,199

with a artist renaissance so yeah i'm

2149

01:15:48,870 --> 01:15:47,040

super excited um

2150

01:15:50,390 --> 01:15:48,880

both for my job to come back and for the

2151

01:15:52,550 --> 01:15:50,400

world to have live theater

2152

01:15:53,910 --> 01:15:52,560

and music again a lot of concerts are

2153

01:15:56,229 --> 01:15:53,920

reopening right now

2154

01:15:57,669 --> 01:15:56,239

and and stuff like that so yeah i think

2155

01:15:59,030 --> 01:15:57,679

we're on our way guys i think we're on

2156

01:16:01,350 --> 01:15:59,040

our way to some

2157

01:16:02,550 --> 01:16:01,360

some new normal as everyone's calling it

2158

01:16:06,709 --> 01:16:02,560

so yeah

2159

01:16:07,669 --> 01:16:06,719

yeah we'll see all right that's gonna do

2160

01:16:10,310 --> 01:16:07,679

it guys

2161

01:16:12,310 --> 01:16:10,320

um if i missed your questions i

2162

01:16:15,590 --> 01:16:12,320

apologize we're gonna keep doing these

2163

01:16:16,630 --> 01:16:15,600

so um thank you this was so incredibly

2164

01:16:19,510 --> 01:16:16,640

successful

2165

01:16:21,669 --> 01:16:19,520

and fun and um yeah i hope you'll join

2166

01:16:24,390 --> 01:16:21,679

me at contact in the desert

2167

01:16:25,030 --> 01:16:24,400

very soon uh look for the podcast every

2168

01:16:27,270 --> 01:16:25,040

monday

2169

01:16:29,430 --> 01:16:27,280

wherever you get your podcasts check out

2170

01:16:31,110 --> 01:16:29,440

my very active youtube page

2171

01:16:34,709 --> 01:16:31,120

as well where you're watching this right

2172

01:16:37,590 --> 01:16:34,719

now and uh be sure to subscribe to that

2173

01:16:39,430 --> 01:16:37,600

and uh other than that like i said let's

2174

01:16:41,430 --> 01:16:39,440

circle back after this uap

2175

01:16:42,870 --> 01:16:41,440

report comes around and we'll have

2176

01:16:44,870 --> 01:16:42,880

plenty more to talk about

2177

01:16:47,510 --> 01:16:44,880

so i want to thank all of you guys for

2178

01:16:50,149 --> 01:16:47,520

coming for taking part in this

2179

01:16:51,030 --> 01:16:50,159

and um and for all of your amazing

2180

01:16:52,950 --> 01:16:51,040

support

2181

01:16:55,030 --> 01:16:52,960

uh with the show and with everything i

2182

01:16:57,110 --> 01:16:55,040

do so please be safe

2183

01:16:58,070 --> 01:16:57,120

please be healthy thank you to my

2184

01:17:00,390 --> 01:16:58,080

wonderful family

2185

01:17:01,590 --> 01:17:00,400

for contributing to this episode as well

2186

01:17:03,270 --> 01:17:01,600

and giving their thoughts

2187

01:17:04,870 --> 01:17:03,280

and to everyone out there i'll leave you

2188

01:17:06,870 --> 01:17:04,880

with our slogan as always

2189

01:17:07,910 --> 01:17:06,880

keep your feet on the ground but never
