[Music]

2
00:00:10,150 --> 00:00:07,279

well i get

3
00:00:11,350 --> 00:00:10,160

um i get commercial pilots sending me

4
00:00:14,150 --> 00:00:11,360

emails about

5
00:00:15,509 --> 00:00:14,160

events they have making sure that i

6
00:00:16,470 --> 00:00:15,519

understand that everything's off the

7
00:00:19,910 --> 00:00:16,480

record

8
00:00:21,189 --> 00:00:19,920

um then i get a former military i've had

9
00:00:23,670 --> 00:00:21,199

a couple of guys from

10
00:00:25,750 --> 00:00:23,680

iraq come out and tell me about things

11
00:00:28,550 --> 00:00:25,760

that they saw out in the desert

12
00:00:30,390 --> 00:00:28,560

um all off the record but you know still

13
00:00:31,029 --> 00:00:30,400

you know they feel like they can confide

14

00:00:33,750 --> 00:00:31,039

in me oh

15

00:00:35,350 --> 00:00:33,760

this this did happen you know i just

16

00:00:36,630 --> 00:00:35,360

needed to tell somebody you know they

17

00:00:39,270 --> 00:00:36,640

were just happy just to

18

00:00:40,150 --> 00:00:39,280

tell somebody that they you know what

19

00:00:42,630 --> 00:00:40,160

happened

20

00:00:44,069 --> 00:00:42,640

and then i get the former shipmates that

21

00:00:47,350 --> 00:00:44,079

were there at the event

22

00:00:48,630 --> 00:00:47,360

that basically they either through

23

00:00:50,310 --> 00:00:48,640

the fact that they still work for the

24

00:00:51,670 --> 00:00:50,320

park department of defense or they're

25

00:00:53,430 --> 00:00:51,680

still in the service

26
00:00:54,950 --> 00:00:53,440
or they just don't want you know or they

27
00:00:56,150 --> 00:00:54,960
have their own businesses and don't want

28
00:00:59,430 --> 00:00:56,160
their names attached

29
00:01:01,270 --> 00:00:59,440
to this um you know they kind of live

30
00:01:03,750 --> 00:01:01,280
vicariously through us

31
00:01:04,789 --> 00:01:03,760
you know they they keep track and god

32
00:01:06,630 --> 00:01:04,799
forbid if i say

33
00:01:08,230 --> 00:01:06,640
anything wrong about any system or

34
00:01:09,030 --> 00:01:08,240
anything that happened i mean they're

35
00:01:11,109 --> 00:01:09,040
just like hey man

36
00:01:12,950 --> 00:01:11,119
um just to let you know this is actually

37
00:01:14,630 --> 00:01:12,960
how it happened you know and then

38
00:01:16,469 --> 00:01:14,640

then i'll get you know the best way to

39

00:01:17,190 --> 00:01:16,479

get get get things out of them is tell

40

00:01:18,390 --> 00:01:17,200

them they're wrong

41

00:01:19,590 --> 00:01:18,400

and then they'll tell you or say

42

00:01:20,789 --> 00:01:19,600

something wrong and then they'll tell

43

00:01:21,900 --> 00:01:20,799

you all about

44

00:01:23,830 --> 00:01:21,910

where you messed up

45

00:01:25,510 --> 00:01:23,840

[Music]

46

00:01:26,550 --> 00:01:25,520

which is why you know which is a you

47

00:01:27,670 --> 00:01:26,560

know a lot of reason why i got the

48

00:01:30,550 --> 00:01:27,680

information about the

49

00:01:32,310 --> 00:01:30,560

you know the passive track um that's

50

00:01:33,749 --> 00:01:32,320

gonna be you know

51
00:01:35,830 --> 00:01:33,759
i guarantee that's gonna blow up on

52
00:01:36,230 --> 00:01:35,840
twitter once that once once they hear

53
00:01:38,469 --> 00:01:36,240
that

54
00:01:39,270 --> 00:01:38,479
you know and it's it's been a point of

55
00:01:42,069 --> 00:01:39,280
contention

56
00:01:43,749 --> 00:01:42,079
you know and you know i have up until

57
00:01:44,789 --> 00:01:43,759
just the other day i've never been able

58
00:01:46,469 --> 00:01:44,799
to verify

59
00:01:48,149 --> 00:01:46,479
the story that i was given about the

60
00:01:50,069 --> 00:01:48,159
underwater tracks

61
00:01:52,550 --> 00:01:50,079
and so now i at least know what the kid

62
00:01:54,389 --> 00:01:52,560
was talking about you know so

63
00:01:56,230 --> 00:01:54,399

that made me feel a lot better because i

64

00:01:57,429 --> 00:01:56,240

kind of felt like oh man i you know i

65

00:01:59,190 --> 00:01:57,439

hate to mislead people

66

00:02:00,630 --> 00:01:59,200

but you know that's what i was told you

67

00:02:01,990 --> 00:02:00,640

know at least that's what i remember

68

00:02:03,910 --> 00:02:02,000

what i was told because you remember

69

00:02:05,749 --> 00:02:03,920

this ages ago for us

70

00:02:07,190 --> 00:02:05,759

right right you know and honestly i only

71

00:02:10,389 --> 00:02:07,200

focused on the fact that we were

72

00:02:12,480 --> 00:02:10,399

tracking a ufo

73

00:02:20,830 --> 00:02:12,490

there was enough there

74

00:02:20,840 --> 00:02:23,910

foreign
