

# SOMEWHERE IN THE SKIES

**UFOS 2021: PART 2**  
**FEATURING CRISTINA GOMEZ**

1  
00:00:05,749 --> 00:00:04,150  
today on the show ufo researcher

2  
00:00:07,590 --> 00:00:05,759  
member of the debrief and host of the

3  
00:00:18,310 --> 00:00:07,600  
paradigm shifts youtube channel

4  
00:00:28,830 --> 00:00:22,110  
this is somewhere in the skies with ryan

5  
00:00:30,210 --> 00:00:28,840  
[Music]

6  
00:00:40,630 --> 00:00:30,220  
sprague

7  
00:00:45,190 --> 00:00:43,030  
christina thank you so much for joining

8  
00:00:46,470 --> 00:00:45,200  
me today on somewhere in the skies

9  
00:00:49,430 --> 00:00:46,480  
thank you so much for having me today

10  
00:00:50,470 --> 00:00:49,440  
ryan yeah the tables have turned i was

11  
00:00:53,590 --> 00:00:50,480  
on your show

12  
00:00:56,389 --> 00:00:53,600  
not too long ago and i figured hey this

13  
00:00:59,670 --> 00:00:56,399

is a new voice in the ufo field

14

00:01:00,229 --> 00:00:59,680

um and someone who has really just dove

15

00:01:03,750 --> 00:01:00,239

in

16

00:01:06,710 --> 00:01:03,760

that the challenges of um

17

00:01:08,070 --> 00:01:06,720

70 years of ufo baggage to get caught up

18

00:01:11,270 --> 00:01:08,080

on when it comes to this

19

00:01:12,070 --> 00:01:11,280

topic so um it's a lot i know i've been

20

00:01:15,030 --> 00:01:12,080

there so

21

00:01:16,870 --> 00:01:15,040

um well let's start easy with the origin

22

00:01:17,910 --> 00:01:16,880

story that's the best way to kind of

23

00:01:21,109 --> 00:01:17,920

always do this

24

00:01:24,149 --> 00:01:21,119

um a lot of my listeners wanted to know

25

00:01:26,310 --> 00:01:24,159

how did you first get interested in ufos

26  
00:01:28,070 --> 00:01:26,320  
in the paranormal yeah what kind of got

27  
00:01:30,630 --> 00:01:28,080  
you into all of this

28  
00:01:32,550 --> 00:01:30,640  
so i grew up watching the outer limits

29  
00:01:34,550 --> 00:01:32,560  
the twilight zone with my dad who was

30  
00:01:36,069 --> 00:01:34,560  
always watching reruns and for people

31  
00:01:38,550 --> 00:01:36,079  
that might not know what that show is

32  
00:01:41,590 --> 00:01:38,560  
it's from the very early 1960s still

33  
00:01:42,550 --> 00:01:41,600  
black and white uh awesome voices by the

34  
00:01:45,670 --> 00:01:42,560  
narrator

35  
00:01:49,030 --> 00:01:45,680  
just like classics and it touches a ton

36  
00:01:52,870 --> 00:01:49,040  
of topics such as ufos the paranormal

37  
00:01:55,830 --> 00:01:52,880  
portals bigfoot all of these things

38  
00:01:56,469 --> 00:01:55,840

when this topic was a hundred percent

39

00:01:58,950 --> 00:01:56,479

taboo

40

00:02:00,149 --> 00:01:58,960

no one talks about this but this tv show

41

00:02:02,630 --> 00:02:00,159

was flourishing

42

00:02:03,830 --> 00:02:02,640

um beautifully touching on these topics

43

00:02:06,310 --> 00:02:03,840

especially

44

00:02:07,109 --> 00:02:06,320

for such a young mind like me when i was

45

00:02:08,790 --> 00:02:07,119

like five

46

00:02:11,110 --> 00:02:08,800

six seven watching this and tell us

47

00:02:12,550 --> 00:02:11,120

about i still watch it i'm still

48

00:02:15,670 --> 00:02:12,560

watching it on replay

49

00:02:18,470 --> 00:02:15,680

i never get tired of it so it was it was

50

00:02:18,869 --> 00:02:18,480

that that really sparked my interest and

51  
00:02:20,949 --> 00:02:18,879  
um

52  
00:02:22,550 --> 00:02:20,959  
then you know my dad and i cuz he's a

53  
00:02:23,350 --> 00:02:22,560  
really big influence to what i'm doing

54  
00:02:25,830 --> 00:02:23,360  
today

55  
00:02:27,589 --> 00:02:25,840  
and when we used to go camping we would

56  
00:02:29,910 --> 00:02:27,599  
look up at the stars and

57  
00:02:31,190 --> 00:02:29,920  
he would just tell me these imaginary

58  
00:02:33,990 --> 00:02:31,200  
stories about

59  
00:02:34,710 --> 00:02:34,000  
other civilizations out there in space

60  
00:02:37,350 --> 00:02:34,720  
and it just

61  
00:02:39,270 --> 00:02:37,360  
made it i had so many questions like

62  
00:02:41,270 --> 00:02:39,280  
what's out there what's going on

63  
00:02:42,309 --> 00:02:41,280

do they have a government like we do one

64

00:02:45,350 --> 00:02:42,319

on the on these

65

00:02:47,910 --> 00:02:45,360

more intelligent civilizations so

66

00:02:49,030 --> 00:02:47,920

my imagination would just run i would

67

00:02:51,910 --> 00:02:49,040

muse about this

68

00:02:52,550 --> 00:02:51,920

for years and years and i'm thinking you

69

00:02:55,430 --> 00:02:52,560

know i

70

00:02:55,830 --> 00:02:55,440

i want to learn more about this uh later

71

00:02:57,430 --> 00:02:55,840

on

72

00:02:59,190 --> 00:02:57,440

as the years were progressing and i kind

73

00:02:59,910 --> 00:02:59,200

of had like somewhat of a background

74

00:03:01,830 --> 00:02:59,920

knowledge

75

00:03:03,670 --> 00:03:01,840

a lot of people start on this kind of

76

00:03:04,630 --> 00:03:03,680

topic with campfire stories you know

77

00:03:06,149 --> 00:03:04,640

like s'mores

78

00:03:08,790 --> 00:03:06,159

sitting on a campfire with all your

79

00:03:09,910 --> 00:03:08,800

friends so when i used to go to horse

80

00:03:11,910 --> 00:03:09,920

camp when i did um

81

00:03:13,430 --> 00:03:11,920

western horse riding and competing in

82

00:03:15,750 --> 00:03:13,440

rodeos

83

00:03:16,869 --> 00:03:15,760

so like the very first time i went to

84

00:03:19,430 --> 00:03:16,879

girl camp

85

00:03:20,470 --> 00:03:19,440

and there were campfire stories talking

86

00:03:24,149 --> 00:03:20,480

about ghosts

87

00:03:26,070 --> 00:03:24,159

ufos bigfoot all of these things and

88

00:03:26,630 --> 00:03:26,080

you're getting a different flavor from

89

00:03:28,470 --> 00:03:26,640

when you're

90

00:03:30,710 --> 00:03:28,480

outside in the stars with a bunch of

91

00:03:31,670 --> 00:03:30,720

other people versus watching it on

92

00:03:33,830 --> 00:03:31,680

television

93

00:03:34,789 --> 00:03:33,840

you know what i mean it it adds that

94

00:03:37,750 --> 00:03:34,799

different

95

00:03:39,830 --> 00:03:37,760

kind of spice to your life and in in

96

00:03:40,550 --> 00:03:39,840

some cases it makes it more real because

97

00:03:42,789 --> 00:03:40,560

then you can hear

98

00:03:44,470 --> 00:03:42,799

other people tell their experiences or

99

00:03:46,149 --> 00:03:44,480

even bs the story

100

00:03:47,750 --> 00:03:46,159

it doesn't matter the fact is that

101  
00:03:49,509 --> 00:03:47,760  
you're seeing their expressions and you

102  
00:03:50,470 --> 00:03:49,519  
can see your friends expressions being

103  
00:03:54,550 --> 00:03:50,480  
like

104  
00:03:55,190 --> 00:03:54,560  
in shock you know i i still get that

105  
00:03:56,710 --> 00:03:55,200  
from

106  
00:03:59,030 --> 00:03:56,720  
you know friends and family and

107  
00:04:01,750 --> 00:03:59,040  
colleagues when i tell them yeah

108  
00:04:03,429 --> 00:04:01,760  
a craft landed in uh rendocian forest in

109  
00:04:05,110 --> 00:04:03,439  
1980 and they're like wait what

110  
00:04:07,350 --> 00:04:05,120  
there's like documents on this i'm like

111  
00:04:08,630 --> 00:04:07,360  
yes yep yeah it's crazy

112  
00:04:10,470 --> 00:04:08,640  
even though it's becoming more

113  
00:04:11,589 --> 00:04:10,480

mainstream it's still not mainstream

114

00:04:14,710 --> 00:04:11,599

people don't actually

115

00:04:17,430 --> 00:04:14,720

know these kinds of stories just yet

116

00:04:17,990 --> 00:04:17,440

so then in high school is when i really

117

00:04:20,789 --> 00:04:18,000

started

118

00:04:23,030 --> 00:04:20,799

diving into it like uh watching every

119

00:04:24,710 --> 00:04:23,040

kind of tv documentary that i could

120

00:04:26,469 --> 00:04:24,720

like unsolved mysteries and a bunch of

121

00:04:30,469 --> 00:04:26,479

others on the ufo like on

122

00:04:32,710 --> 00:04:30,479

the ufo topic and the paranormal but i

123

00:04:34,230 --> 00:04:32,720

i was kind of weird in high school i

124

00:04:35,749 --> 00:04:34,240

didn't talk to a lot of people i hung

125

00:04:37,590 --> 00:04:35,759

out in the library

126

00:04:39,270 --> 00:04:37,600

every day i would ditch class to hang

127

00:04:42,790 --> 00:04:39,280

out in the library

128

00:04:44,629 --> 00:04:42,800

and so i i wasn't very comfortable

129

00:04:46,070 --> 00:04:44,639

talking about this topic to others and

130

00:04:47,030 --> 00:04:46,080

you know also in high school you just

131

00:04:48,870 --> 00:04:47,040

want to fit in

132

00:04:50,070 --> 00:04:48,880

you know like you don't want to stand

133

00:04:51,350 --> 00:04:50,080

out you don't want to wear the clothes

134

00:04:53,270 --> 00:04:51,360

that aren't trending

135

00:04:54,950 --> 00:04:53,280

you don't want to talk about topics that

136

00:04:56,070 --> 00:04:54,960

no one else is talking about like that's

137

00:04:59,510 --> 00:04:56,080

a big big

138

00:05:02,310 --> 00:04:59,520

no-no so high school was kind of

139

00:05:03,110 --> 00:05:02,320

not my favorite time of my life but as

140

00:05:05,830 --> 00:05:03,120

soon as i

141

00:05:06,230 --> 00:05:05,840

entered college you know i went far from

142

00:05:11,590 --> 00:05:06,240

home

143

00:05:13,029 --> 00:05:11,600

so i traveled up far gotten to

144

00:05:16,070 --> 00:05:13,039

university

145

00:05:18,150 --> 00:05:16,080

and that's when i wanted to start having

146

00:05:19,990 --> 00:05:18,160

this discussion with like-minded people

147

00:05:22,390 --> 00:05:20,000

or just be just people in general like

148

00:05:24,950 --> 00:05:22,400

my peers i just wanted to really

149

00:05:25,510 --> 00:05:24,960

start talking about it getting other

150

00:05:27,350 --> 00:05:25,520

people's

151  
00:05:29,430 --> 00:05:27,360  
insights getting their opinions getting

152  
00:05:31,430 --> 00:05:29,440  
their stories

153  
00:05:33,350 --> 00:05:31,440  
getting their ideologies on why they

154  
00:05:36,629 --> 00:05:33,360  
think what they do

155  
00:05:37,590 --> 00:05:36,639  
but it still wasn't popular when i

156  
00:05:40,070 --> 00:05:37,600  
entered

157  
00:05:42,230 --> 00:05:40,080  
university it was like it was still a

158  
00:05:43,270 --> 00:05:42,240  
joke topic and people that did talk

159  
00:05:45,590 --> 00:05:43,280  
about it

160  
00:05:48,310 --> 00:05:45,600  
were under some kind of substances and

161  
00:05:50,150 --> 00:05:48,320  
didn't want to talk about it unless

162  
00:05:51,990 --> 00:05:50,160  
they were in that mindset but i wanted

163  
00:05:54,390 --> 00:05:52,000

to do it with the most

164

00:05:55,670 --> 00:05:54,400

clear head possible and really get into

165

00:05:58,469 --> 00:05:55,680

the nitty-gritty

166

00:05:59,909 --> 00:05:58,479

science not not just the opinions not

167

00:06:02,150 --> 00:05:59,919

just the religion like

168

00:06:03,670 --> 00:06:02,160

some people might focus on but like what

169

00:06:07,029 --> 00:06:03,680

we're actually

170

00:06:09,350 --> 00:06:07,039

seeing without bias without

171

00:06:11,350 --> 00:06:09,360

without being like well i think no no i

172

00:06:13,430 --> 00:06:11,360

want to know exactly what it is

173

00:06:14,710 --> 00:06:13,440

of course many people don't know unless

174

00:06:17,029 --> 00:06:14,720

it's an ifo

175

00:06:18,309 --> 00:06:17,039

right an identified flying object then

176  
00:06:19,990 --> 00:06:18,319  
you're like oh yeah it really is a

177  
00:06:22,390 --> 00:06:20,000  
flying crafter oh yeah it really

178  
00:06:24,469 --> 00:06:22,400  
is a weather balloon but for that one

179  
00:06:27,350 --> 00:06:24,479  
percent that we don't know

180  
00:06:29,830 --> 00:06:27,360  
that's the answers that i wanted so i

181  
00:06:31,670 --> 00:06:29,840  
started to analyze public ufo um

182  
00:06:33,990 --> 00:06:31,680  
submissions to from like different

183  
00:06:37,029 --> 00:06:34,000  
platform collections such as mufon and

184  
00:06:39,270 --> 00:06:37,039  
public posts to youtube and i started

185  
00:06:41,990 --> 00:06:39,280  
analyzing them by enhancing the footage

186  
00:06:43,749 --> 00:06:42,000  
slowing it down trying to put in filters

187  
00:06:44,870 --> 00:06:43,759  
to see things that might not be seen

188  
00:06:47,670 --> 00:06:44,880

through the naked eye

189

00:06:50,150 --> 00:06:47,680

and just posting it on my youtube to

190

00:06:52,390 --> 00:06:50,160

analyze this footage without any bias or

191

00:06:53,830 --> 00:06:52,400

any opinions to the best of my ability

192

00:06:56,150 --> 00:06:53,840

so i never added my voice

193

00:06:56,870 --> 00:06:56,160

never added my face for like the first

194

00:06:58,790 --> 00:06:56,880

year

195

00:07:01,110 --> 00:06:58,800

of having this youtube channel because i

196

00:07:04,550 --> 00:07:01,120

just wanted to get the

197

00:07:04,870 --> 00:07:04,560

the truth out there yeah right and i'm

198

00:07:07,270 --> 00:07:04,880

sure

199

00:07:08,390 --> 00:07:07,280

once you did finally get like your your

200

00:07:11,430 --> 00:07:08,400

face out there

201  
00:07:11,909 --> 00:07:11,440  
everyone was like whoa like not only is

202  
00:07:19,270 --> 00:07:11,919  
she

203  
00:07:21,270 --> 00:07:19,280  
not a dude which is um another issue

204  
00:07:22,950 --> 00:07:21,280  
we're gonna talk about in a little bit

205  
00:07:24,710 --> 00:07:22,960  
but um that's so cool i didn't know that

206  
00:07:28,070 --> 00:07:24,720  
you started with like

207  
00:07:29,510 --> 00:07:28,080  
photo and video analyzation um i was not

208  
00:07:30,150 --> 00:07:29,520  
aware of that that's really cool because

209  
00:07:32,309 --> 00:07:30,160  
we need

210  
00:07:33,909 --> 00:07:32,319  
more of that especially right now with

211  
00:07:35,990 --> 00:07:33,919  
all these video leaks

212  
00:07:37,830 --> 00:07:36,000  
right and and you know i was having this

213  
00:07:39,350 --> 00:07:37,840

conversation with alien scientists and

214

00:07:40,790 --> 00:07:39,360

he brought up a really good point it's

215

00:07:44,309 --> 00:07:40,800

like in today's world

216

00:07:47,749 --> 00:07:44,319

we have cgi we have photoshop so it's so

217

00:07:51,110 --> 00:07:47,759

much harder to decipher what we

218

00:07:54,550 --> 00:07:51,120

think is real ufos and what we think

219

00:07:56,710 --> 00:07:54,560

are ifos and and with this footage

220

00:07:58,230 --> 00:07:56,720

it's always grainy it's blurry it's like

221

00:08:01,189 --> 00:07:58,240

all over the place and you're thinking

222

00:08:03,029 --> 00:08:01,199

every time you take a good a good video

223

00:08:04,469 --> 00:08:03,039

well there's a lot of reasons to why

224

00:08:07,589 --> 00:08:04,479

people can't get good videos one of them

225

00:08:11,430 --> 00:08:07,599

being is that cell phones are just not

226

00:08:13,189 --> 00:08:11,440

used for that so but people have to

227

00:08:15,029 --> 00:08:13,199

scroll down through my youtube channel

228

00:08:16,950 --> 00:08:15,039

and you will find them there you know

229

00:08:18,869 --> 00:08:16,960

all these analyzed videos not just from

230

00:08:20,950 --> 00:08:18,879

the us but all over the world i mean

231

00:08:21,990 --> 00:08:20,960

whatever i could get my hands on is what

232

00:08:24,309 --> 00:08:22,000

i would analyze

233

00:08:26,230 --> 00:08:24,319

and and if it did end up getting

234

00:08:28,629 --> 00:08:26,240

debunked i had no problem

235

00:08:29,510 --> 00:08:28,639

saying okay guys i'm sorry it's actually

236

00:08:31,029 --> 00:08:29,520

an ifo

237

00:08:33,430 --> 00:08:31,039

this is what it is and i will put in the

238

00:08:35,589 --> 00:08:33,440

description box but all the other ones

239

00:08:37,110 --> 00:08:35,599

if they're ufos i leave it at that and

240

00:08:38,949 --> 00:08:37,120

people can come up with their own

241

00:08:39,990 --> 00:08:38,959

conclusions on what they think they are

242

00:08:40,870 --> 00:08:40,000

because i'm not going to tell you i'm

243

00:08:43,350 --> 00:08:40,880

not going to say

244

00:08:45,590 --> 00:08:43,360

well i think it's this that's not my

245

00:08:48,389 --> 00:08:45,600

purpose my purpose is to have people

246

00:08:50,389 --> 00:08:48,399

think for themselves and the big reason

247

00:08:51,910 --> 00:08:50,399

to why i have this twitter handle eyes

248

00:08:54,949 --> 00:08:51,920

on the sky is for people to

249

00:08:57,829 --> 00:08:54,959

look up for themselves

250

00:08:59,350 --> 00:08:57,839

and see what they're looking for have

251  
00:09:02,070 --> 00:08:59,360  
that curiosity

252  
00:09:04,790 --> 00:09:02,080  
burst inside of them and be like oh i

253  
00:09:08,310 --> 00:09:04,800  
just saw something crazy

254  
00:09:10,150 --> 00:09:08,320  
right and i think everyone can attest to

255  
00:09:12,470 --> 00:09:10,160  
that in some way shape or form

256  
00:09:14,070 --> 00:09:12,480  
i feel like every person has had

257  
00:09:14,630 --> 00:09:14,080  
something in their life that they can't

258  
00:09:16,790 --> 00:09:14,640  
explain

259  
00:09:18,150 --> 00:09:16,800  
and the biggest thing holding them back

260  
00:09:20,150 --> 00:09:18,160  
from telling someone is

261  
00:09:21,910 --> 00:09:20,160  
uh they're gonna think i'm crazy or you

262  
00:09:23,269 --> 00:09:21,920  
know the whole stigma and ridicule with

263  
00:09:24,870 --> 00:09:23,279

these topics so

264

00:09:27,030 --> 00:09:24,880

like you mentioned that seems to be

265

00:09:28,150 --> 00:09:27,040

changing now especially with your

266

00:09:31,269 --> 00:09:28,160

generation

267

00:09:34,630 --> 00:09:31,279

um i'm on the cusp of like you know

268

00:09:36,389 --> 00:09:34,640

gen x and um millennials so it was a

269

00:09:37,030 --> 00:09:36,399

little better for me but i have so much

270

00:09:39,350 --> 00:09:37,040

faith

271

00:09:41,829 --> 00:09:39,360

that like you guys are going all in

272

00:09:44,710 --> 00:09:41,839

because you have that luxury of knowing

273

00:09:46,389 --> 00:09:44,720

science is at a place at your young age

274

00:09:48,310 --> 00:09:46,399

now where

275

00:09:49,509 --> 00:09:48,320

the possibilities are endless and it's

276  
00:09:51,829 --> 00:09:49,519  
like a given

277  
00:09:53,590 --> 00:09:51,839  
that life exists somewhere else and it's

278  
00:09:56,150 --> 00:09:53,600  
a given that there might be

279  
00:09:58,550 --> 00:09:56,160  
other dimensions like we're really

280  
00:10:01,110 --> 00:09:58,560  
starting to unravel these questions so

281  
00:10:02,949 --> 00:10:01,120  
and not just that yeah it is but not

282  
00:10:04,230 --> 00:10:02,959  
just that i mean these kids have access

283  
00:10:06,790 --> 00:10:04,240  
not only to the internet

284  
00:10:07,750 --> 00:10:06,800  
but all of these tv shows that hit on

285  
00:10:09,590 --> 00:10:07,760  
those topics

286  
00:10:10,870 --> 00:10:09,600  
there are some you know really hit tv

287  
00:10:13,030 --> 00:10:10,880  
shows for kids and for

288  
00:10:14,470 --> 00:10:13,040

the more mature audience about aliens

289

00:10:17,030 --> 00:10:14,480

about portals about

290

00:10:19,190 --> 00:10:17,040

other dimensions we have stargate we

291

00:10:19,670 --> 00:10:19,200

have the newest tv show resident alien

292

00:10:22,230 --> 00:10:19,680

which is

293

00:10:23,430 --> 00:10:22,240

hilarious on the sci-fi channel have you

294

00:10:26,310 --> 00:10:23,440

seen it

295

00:10:27,590 --> 00:10:26,320

i i've seen the pilot uh it's so good oh

296

00:10:29,430 --> 00:10:27,600

so good i know they are

297

00:10:30,870 --> 00:10:29,440

funny it's already gotten uh picked up

298

00:10:33,190 --> 00:10:30,880

for a second season so

299

00:10:34,470 --> 00:10:33,200

good for them i'm excited okay good good

300

00:10:36,710 --> 00:10:34,480

so i was looking forward to it

301  
00:10:39,509 --> 00:10:36,720  
but you're you're having these tv shows

302  
00:10:40,949 --> 00:10:39,519  
even um a cartoon from the early 2000s

303  
00:10:42,790 --> 00:10:40,959  
called invader zim

304  
00:10:45,030 --> 00:10:42,800  
about an alien that comes earth trying

305  
00:10:48,150 --> 00:10:45,040  
to explode it you know kill it

306  
00:10:49,509 --> 00:10:48,160  
and uh never succeeds so and and then

307  
00:10:51,190 --> 00:10:49,519  
there's another show called

308  
00:10:52,630 --> 00:10:51,200  
debris which is a brand new show that

309  
00:10:53,910 --> 00:10:52,640  
came out around the same time as

310  
00:10:55,990 --> 00:10:53,920  
resident alien

311  
00:10:58,630 --> 00:10:56,000  
um that talk that talks about the

312  
00:11:00,150 --> 00:10:58,640  
government finding this debris across

313  
00:11:02,949 --> 00:11:00,160

the globe

314

00:11:03,829 --> 00:11:02,959

and it's creating these weird portals

315

00:11:06,790 --> 00:11:03,839

that this

316

00:11:07,509 --> 00:11:06,800

changing the environment um all of these

317

00:11:10,470 --> 00:11:07,519

things

318

00:11:11,030 --> 00:11:10,480

and so yes our generation my generation

319

00:11:13,910 --> 00:11:11,040

is so

320

00:11:14,310 --> 00:11:13,920

lucky to have this information to get

321

00:11:16,790 --> 00:11:14,320

them

322

00:11:18,550 --> 00:11:16,800

ready for what could be coming in the

323

00:11:21,430 --> 00:11:18,560

future

324

00:11:23,670 --> 00:11:21,440

absolutely yeah i can't wait to see what

325

00:11:25,910 --> 00:11:23,680

comes next especially after

326

00:11:27,350 --> 00:11:25,920

this uap report comes out which we will

327

00:11:29,509 --> 00:11:27,360

get to but um

328

00:11:30,550 --> 00:11:29,519

you know you mentioned you kind of um

329

00:11:32,870 --> 00:11:30,560

you got involved

330

00:11:33,829 --> 00:11:32,880

and it look when i first got involved in

331

00:11:35,590 --> 00:11:33,839

this topic

332

00:11:37,430 --> 00:11:35,600

christina like it was overwhelming i

333

00:11:39,509 --> 00:11:37,440

didn't know what was truth what was

334

00:11:42,389 --> 00:11:39,519

fiction what cases were real

335

00:11:42,870 --> 00:11:42,399

what's been proven hoax but like um and

336

00:11:44,790 --> 00:11:42,880

it's

337

00:11:46,150 --> 00:11:44,800

dizzying and you really can't tell up

338

00:11:48,069 --> 00:11:46,160

from down left from right

339

00:11:49,670 --> 00:11:48,079

and um so i guess my question would be

340

00:11:53,829 --> 00:11:49,680

for you right now

341

00:11:56,629 --> 00:11:53,839

in 2021 after you've kind of now

342

00:11:58,389 --> 00:11:56,639

gone all in on the whole uap thing

343

00:11:59,509 --> 00:11:58,399

what's like your favorite case what's

344

00:12:03,269 --> 00:11:59,519

the one that really

345

00:12:05,829 --> 00:12:03,279

drives you um in the ufo world right now

346

00:12:07,269 --> 00:12:05,839

well first i want to answer the talk

347

00:12:09,910 --> 00:12:07,279

about the point that you mentioned about

348

00:12:11,910 --> 00:12:09,920

there's so much disinformation out there

349

00:12:13,670 --> 00:12:11,920

on the internet so like yes we're very

350

00:12:15,829 --> 00:12:13,680

lucky to have the internet and have all

351  
00:12:17,670 --> 00:12:15,839  
the information to our fingertips

352  
00:12:19,269 --> 00:12:17,680  
but at the same time there is so much

353  
00:12:21,750 --> 00:12:19,279  
that we don't

354  
00:12:23,910 --> 00:12:21,760  
know where to look and it's really hard

355  
00:12:25,590 --> 00:12:23,920  
for all newbies because now that it's

356  
00:12:26,790 --> 00:12:25,600  
hitting the mainstream media people are

357  
00:12:29,910 --> 00:12:26,800  
like oh my gosh

358  
00:12:32,949 --> 00:12:29,920  
ufos the 180 day report

359  
00:12:35,509 --> 00:12:32,959  
gimbal all of these things the tic tac

360  
00:12:37,350 --> 00:12:35,519  
you know but they're they're when you

361  
00:12:38,310 --> 00:12:37,360  
start diving into it like getting

362  
00:12:41,829 --> 00:12:38,320  
serious

363  
00:12:44,150 --> 00:12:41,839

it's hard to look for information so i

364

00:12:46,389 --> 00:12:44,160

really and that's why i really started

365

00:12:47,110 --> 00:12:46,399

just analyzing footage without giving my

366

00:12:49,670 --> 00:12:47,120

opinion

367

00:12:50,949 --> 00:12:49,680

and why i feel like i'm so behind doing

368

00:12:53,350 --> 00:12:50,959

all this um

369

00:12:54,870 --> 00:12:53,360

cases on the research just because

370

00:12:58,389 --> 00:12:54,880

there's so much and you

371

00:12:59,030 --> 00:12:58,399

don't 100 know what's real and what's

372

00:13:00,790 --> 00:12:59,040

not

373

00:13:02,470 --> 00:13:00,800

so it's really good to have people that

374

00:13:05,910 --> 00:13:02,480

are in the field

375

00:13:07,190 --> 00:13:05,920

that you trust that can that can kind of

376

00:13:09,670 --> 00:13:07,200

lead you

377

00:13:10,310 --> 00:13:09,680

in in in a direction and having multiple

378

00:13:12,310 --> 00:13:10,320

people

379

00:13:14,470 --> 00:13:12,320

that specialize in a certain topic the

380

00:13:17,829 --> 00:13:14,480

paranormal or the ufo topic

381

00:13:20,710 --> 00:13:17,839

and um just having a little bit of faith

382

00:13:21,430 --> 00:13:20,720

first off right but also to be a

383

00:13:23,670 --> 00:13:21,440

complete

384

00:13:25,670 --> 00:13:23,680

skeptic you don't want to believe

385

00:13:27,829 --> 00:13:25,680

everything that you're told

386

00:13:30,150 --> 00:13:27,839

you don't want to be a woo-woo you want

387

00:13:31,030 --> 00:13:30,160

to be skeptical and try to find the

388

00:13:34,389 --> 00:13:31,040

facts as

389

00:13:36,389 --> 00:13:34,399

best as possible yep i i think the

390

00:13:37,990 --> 00:13:36,399

safest way to be in this field

391

00:13:39,829 --> 00:13:38,000

and i tell people this all the time is

392

00:13:41,509 --> 00:13:39,839

to be an open-minded skeptic

393

00:13:43,269 --> 00:13:41,519

you know not enough open-minded that

394

00:13:46,470 --> 00:13:43,279

your brains fall out the old

395

00:13:49,910 --> 00:13:46,480

cliche of that but enough to be like

396

00:13:51,350 --> 00:13:49,920

look like maybe science just isn't there

397

00:13:54,230 --> 00:13:51,360

yet and there is

398

00:13:56,230 --> 00:13:54,240

um you know multiple explanations for

399

00:13:58,230 --> 00:13:56,240

what we might be looking at so yeah

400

00:14:00,230 --> 00:13:58,240

that's so that's a really good point ace

401  
00:14:02,710 --> 00:14:00,240  
history is like

402  
00:14:04,629 --> 00:14:02,720  
one aspect of all of this and there's

403  
00:14:07,350 --> 00:14:04,639  
some people who have that down

404  
00:14:09,350 --> 00:14:07,360  
you know to the day the time of every

405  
00:14:11,430 --> 00:14:09,360  
ufo case that's ever been

406  
00:14:13,110 --> 00:14:11,440  
put out there but um i respect that

407  
00:14:13,990 --> 00:14:13,120  
again like you're coming at this from a

408  
00:14:17,269 --> 00:14:14,000  
different approach

409  
00:14:18,069 --> 00:14:17,279  
than just a ufo historian you know

410  
00:14:20,470 --> 00:14:18,079  
you're not like

411  
00:14:22,150 --> 00:14:20,480  
memorizing every single ufo case out

412  
00:14:23,750 --> 00:14:22,160  
there that's been because we have

413  
00:14:26,790 --> 00:14:23,760

important stuff going on

414

00:14:28,710 --> 00:14:26,800

right now um well you are

415

00:14:30,230 --> 00:14:28,720

a student if you don't mind me sharing

416

00:14:33,670 --> 00:14:30,240

that i think you've

417

00:14:34,550 --> 00:14:33,680

publicized that what like what do you

418

00:14:38,629 --> 00:14:34,560

study

419

00:14:41,750 --> 00:14:38,639

does it in any way correlate to what

420

00:14:44,949 --> 00:14:41,760

you're doing in the ufo world and second

421

00:14:45,509 --> 00:14:44,959

i see i i see you laughing what do your

422

00:14:47,430 --> 00:14:45,519

friends

423

00:14:50,069 --> 00:14:47,440

and your schoolmates think about you

424

00:14:51,670 --> 00:14:50,079

being the ufo person

425

00:14:53,750 --> 00:14:51,680

so that's a lot of questions in one and

426

00:14:55,350 --> 00:14:53,760

i'm gonna i'm gonna address all of them

427

00:14:57,829 --> 00:14:55,360

so the first one that you asked that i

428

00:15:01,110 --> 00:14:57,839

didn't answer was my favorite cases

429

00:15:04,310 --> 00:15:01,120

the travis walton case awesome and the

430

00:15:06,389 --> 00:15:04,320

uh whitley strieber case is the book

431

00:15:09,990 --> 00:15:06,399

communion

432

00:15:13,189 --> 00:15:10,000

love them yeah because it has

433

00:15:15,829 --> 00:15:13,199

so much to it it did

434

00:15:16,470 --> 00:15:15,839

i i don't even have words i'm just like

435

00:15:18,870 --> 00:15:16,480

yeah

436

00:15:20,230 --> 00:15:18,880

star trek of like oh my gosh all amazing

437

00:15:23,670 --> 00:15:20,240

um so

438

00:15:24,710 --> 00:15:23,680

as for college yes so i'm in college and

439

00:15:27,430 --> 00:15:24,720

i'm studying

440

00:15:28,550 --> 00:15:27,440

business and communication not what

441

00:15:31,829 --> 00:15:28,560

people would think

442

00:15:34,550 --> 00:15:31,839

for um someone in our field

443

00:15:36,550 --> 00:15:34,560

but when you know because you apply for

444

00:15:38,069 --> 00:15:36,560

college in high school

445

00:15:39,350 --> 00:15:38,079

and in a lot of cases you don't know

446

00:15:40,790 --> 00:15:39,360

what you want to be you just want to

447

00:15:44,069 --> 00:15:40,800

graduate and get out

448

00:15:46,310 --> 00:15:44,079

all right so i picked degrees i

449

00:15:48,150 --> 00:15:46,320

i started with communication and i just

450

00:15:51,829 --> 00:15:48,160

picked it because

451

00:15:55,509 --> 00:15:51,839

um i like people a lot and i like

452

00:15:56,069 --> 00:15:55,519

working with them but before i was all

453

00:15:58,949 --> 00:15:56,079

of this

454

00:15:59,430 --> 00:15:58,959

and i was like a normal you know teenage

455

00:16:01,110 --> 00:15:59,440

kid

456

00:16:02,870 --> 00:16:01,120

i used to work at fast food restaurants

457

00:16:03,590 --> 00:16:02,880

and i loved it i used to work at

458

00:16:06,310 --> 00:16:03,600

chipotle

459

00:16:07,430 --> 00:16:06,320

i used to work at panda express not

460

00:16:11,110 --> 00:16:07,440

because

461

00:16:13,189 --> 00:16:11,120

liked that fast-paced

462

00:16:15,590 --> 00:16:13,199

movement i like to be around food and

463

00:16:18,629 --> 00:16:15,600

around people and to give them a need

464

00:16:20,790 --> 00:16:18,639

being like you're hungry i got you

465

00:16:22,790 --> 00:16:20,800

and that passed over to what i'm doing

466

00:16:23,590 --> 00:16:22,800

now it's like oh you have a need for

467

00:16:26,550 --> 00:16:23,600

information

468

00:16:28,150 --> 00:16:26,560

here you go no bias um it has some nice

469

00:16:30,629 --> 00:16:28,160

of its natural flavor

470

00:16:31,590 --> 00:16:30,639

like salt but i'm not going to add any

471

00:16:34,230 --> 00:16:31,600

of my

472

00:16:35,030 --> 00:16:34,240

jalapeno sauce to it you can add that if

473

00:16:38,230 --> 00:16:35,040

you want

474

00:16:40,470 --> 00:16:38,240

so that that's kind of a weird metaphor

475

00:16:41,670 --> 00:16:40,480

but in my mentality it really makes

476

00:16:44,470 --> 00:16:41,680

sense

477

00:16:45,189 --> 00:16:44,480

yeah i totally get that um again like

478

00:16:47,910 --> 00:16:45,199

you're not

479

00:16:49,110 --> 00:16:47,920

putting your personal bias on this thing

480

00:16:51,110 --> 00:16:49,120

and that's the most

481

00:16:53,350 --> 00:16:51,120

objective way you can approach this i

482

00:16:55,110 --> 00:16:53,360

mean i get emails every day

483

00:16:56,470 --> 00:16:55,120

from people saying what is this in this

484

00:16:59,749 --> 00:16:56,480

video or like

485

00:17:01,590 --> 00:16:59,759

what can you i like i i had a bout of

486

00:17:02,710 --> 00:17:01,600

like sleep paralysis last night but i

487

00:17:04,549 --> 00:17:02,720

think also

488

00:17:05,990 --> 00:17:04,559

like i might have been abducted so what

489

00:17:10,230 --> 00:17:06,000

happened to me and i'm like

490

00:17:12,789 --> 00:17:10,240

i i can't tell you what happened to you

491

00:17:14,710 --> 00:17:12,799

but look this is what i've been told

492

00:17:16,470 --> 00:17:14,720

this is what maybe you should look into

493

00:17:18,230 --> 00:17:16,480

and and go from there i think that's the

494

00:17:20,710 --> 00:17:18,240

responsible thing to do so

495

00:17:21,270 --> 00:17:20,720

yeah that's pretty cool it guiding them

496

00:17:22,630 --> 00:17:21,280

exactly

497

00:17:24,789 --> 00:17:22,640

so what are your uh what are your

498

00:17:27,990 --> 00:17:24,799

schoolmates your friends think about

499

00:17:32,150 --> 00:17:28,000

you having a ufo youtube channel and

500

00:17:35,750 --> 00:17:32,160

um working for the debrief and all that

501  
00:17:38,549 --> 00:17:35,760  
they don't know really

502  
00:17:39,510 --> 00:17:38,559  
really really okay okay that's totally

503  
00:17:42,150 --> 00:17:39,520  
fair

504  
00:17:43,909 --> 00:17:42,160  
um they don't know when it comes to my

505  
00:17:46,230 --> 00:17:43,919  
my family they don't know because they

506  
00:17:47,110 --> 00:17:46,240  
want me to be very focused in my college

507  
00:17:49,990 --> 00:17:47,120  
studies and not have

508  
00:17:51,029 --> 00:17:50,000  
any distractions well this is a pretty

509  
00:17:53,110 --> 00:17:51,039  
big distraction

510  
00:17:55,590 --> 00:17:53,120  
yeah little did they know little did

511  
00:17:57,430 --> 00:17:55,600  
they know i used to be a full honors uh

512  
00:17:59,190 --> 00:17:57,440  
student for the majority of years i was

513  
00:18:01,190 --> 00:17:59,200

in university and then now that i'm

514

00:18:03,510 --> 00:18:01,200

getting so serious into this you know

515

00:18:05,590 --> 00:18:03,520

really pumping out my youtube shifting

516

00:18:07,350 --> 00:18:05,600

the paradigm and the other one

517

00:18:09,190 --> 00:18:07,360

mysteries with the history uh it's

518

00:18:10,950 --> 00:18:09,200

become a really big distraction so

519

00:18:13,110 --> 00:18:10,960

i'm no longer an honor student but i'm

520

00:18:15,430 --> 00:18:13,120

still passing so it's okay

521

00:18:16,310 --> 00:18:15,440

that's all that matters well let's let's

522

00:18:19,350 --> 00:18:16,320

go

523

00:18:21,190 --> 00:18:19,360

channel um

524

00:18:22,870 --> 00:18:21,200

you interviewed this is one of the ones

525

00:18:27,029 --> 00:18:22,880

i recently watched uh

526

00:18:30,310 --> 00:18:27,039

dr jacob uh misra on the debrief

527

00:18:32,230 --> 00:18:30,320

actually um who's a senior research

528

00:18:34,390 --> 00:18:32,240

investigator at blue marble space

529

00:18:36,789 --> 00:18:34,400

institute which i've looked a lot into

530

00:18:37,430 --> 00:18:36,799

in the past their work in exoplanets and

531

00:18:39,830 --> 00:18:37,440

stuff

532

00:18:41,430 --> 00:18:39,840

um so i personally i don't know about

533

00:18:44,070 --> 00:18:41,440

the rest of the viewers and listeners

534

00:18:45,669 --> 00:18:44,080

but i'd love to know how that discussion

535

00:18:48,230 --> 00:18:45,679

went what did you find like most

536

00:18:50,150 --> 00:18:48,240

compelling about what he had to say

537

00:18:52,150 --> 00:18:50,160

so the great thing about the whole thing

538

00:18:53,830 --> 00:18:52,160

because as for the debrief i'm kind of

539

00:18:56,549 --> 00:18:53,840

like their ufo girl i usually

540

00:18:57,990 --> 00:18:56,559

interview you know people that are more

541

00:19:00,230 --> 00:18:58,000

focused in the uap

542

00:19:01,190 --> 00:19:00,240

topic either like james fox who creates

543

00:19:02,789 --> 00:19:01,200

the documentaries

544

00:19:04,549 --> 00:19:02,799

louis lozando who talks about it on the

545

00:19:07,029 --> 00:19:04,559

news every single day being a part of

546

00:19:07,830 --> 00:19:07,039

was once a part of atip um and then

547

00:19:11,830 --> 00:19:07,840

getting this

548

00:19:15,430 --> 00:19:11,840

other stance on it of not talking about

549

00:19:16,390 --> 00:19:15,440

uaps exactly but kind of going around

550

00:19:19,510 --> 00:19:16,400

the topic

551  
00:19:20,070 --> 00:19:19,520  
still talking about space but talking

552  
00:19:24,310 --> 00:19:20,080  
about

553  
00:19:26,710 --> 00:19:24,320  
to happen

554  
00:19:28,390 --> 00:19:26,720  
in order for life to evolve and if you

555  
00:19:31,990 --> 00:19:28,400  
have certain star systems

556  
00:19:35,110 --> 00:19:32,000  
how that affects life on those planets

557  
00:19:39,510 --> 00:19:35,120  
things of this nature so it was really

558  
00:19:42,070 --> 00:19:39,520  
interesting to hear him talk about

559  
00:19:42,630 --> 00:19:42,080  
what his profession is why he does it

560  
00:19:45,590 --> 00:19:42,640  
and

561  
00:19:47,669 --> 00:19:45,600  
but without getting into like the

562  
00:19:48,390 --> 00:19:47,679  
woo-woo stance the crazy stance of like

563  
00:19:51,990 --> 00:19:48,400

oh my gosh

564

00:19:54,630 --> 00:19:52,000

aliens no no it's like there is life

565

00:19:55,029 --> 00:19:54,640

there is life out there and here is what

566

00:19:58,150 --> 00:19:55,039

we

567

00:20:01,510 --> 00:19:58,160

think is happening to these

568

00:20:04,789 --> 00:20:01,520

species um that are growing

569

00:20:06,950 --> 00:20:04,799

on those planets yeah

570

00:20:07,990 --> 00:20:06,960

again i think it's baby steps like we

571

00:20:13,110 --> 00:20:08,000

have to

572

00:20:15,029 --> 00:20:13,120

connected to aliens that's the first

573

00:20:18,070 --> 00:20:15,039

question i always get in interviews is

574

00:20:20,549 --> 00:20:18,080

all right so the navy saw ufo so they

575

00:20:22,789 --> 00:20:20,559

clearly aliens exist right

576

00:20:23,909 --> 00:20:22,799

that no one's saying that like why are

577

00:20:25,909 --> 00:20:23,919

you saying that

578

00:20:27,190 --> 00:20:25,919

yeah that you have to keep them separate

579

00:20:29,669 --> 00:20:27,200

there's absolutely

580

00:20:30,870 --> 00:20:29,679

no definitive evidence that that is the

581

00:20:32,870 --> 00:20:30,880

case so um

582

00:20:34,310 --> 00:20:32,880

again i think that's what's really cool

583

00:20:37,430 --> 00:20:34,320

and it goes back into

584

00:20:40,789 --> 00:20:37,440

ufos it's an unidentified

585

00:20:42,630 --> 00:20:40,799

flying object until it becomes an ifo

586

00:20:43,909 --> 00:20:42,640

and this has been talked about

587

00:20:46,710 --> 00:20:43,919

throughout

588

00:20:48,230 --> 00:20:46,720

all of this 180 day report you're

589

00:20:51,270 --> 00:20:48,240

hearing this all the time

590

00:20:53,590 --> 00:20:51,280

it's like it's a ufo until it becomes

591

00:20:54,870 --> 00:20:53,600

identified until then we don't know what

592

00:20:58,149 --> 00:20:54,880

it is but it's not

593

00:20:59,909 --> 00:20:58,159

saying that it's aliens at all

594

00:21:01,669 --> 00:20:59,919

but it could be and if it was i'm all

595

00:21:04,230 --> 00:21:01,679

for it yeah

596

00:21:05,510 --> 00:21:04,240

i mean aliens are still on the table i

597

00:21:06,789 --> 00:21:05,520

thought it was interesting that the new

598

00:21:09,590 --> 00:21:06,799

york times like

599

00:21:10,549 --> 00:21:09,600

you know that leak said uh pentagon

600

00:21:13,190 --> 00:21:10,559

looked at it

601  
00:21:15,190 --> 00:21:13,200  
um probably not aliens but now they

602  
00:21:17,430 --> 00:21:15,200  
retracted the headline and said

603  
00:21:18,230 --> 00:21:17,440  
could be aliens so i found that pretty

604  
00:21:20,549 --> 00:21:18,240  
interesting

605  
00:21:22,390 --> 00:21:20,559  
everything's still on the table it seems

606  
00:21:24,310 --> 00:21:22,400  
like they're digging a hole from their

607  
00:21:25,909 --> 00:21:24,320  
like digging a hole for themselves going

608  
00:21:27,110 --> 00:21:25,919  
back and forth back and forth even with

609  
00:21:28,710 --> 00:21:27,120  
lou elizondo

610  
00:21:30,549 --> 00:21:28,720  
they're saying he did work for atip no

611  
00:21:32,310 --> 00:21:30,559  
he didn't it's like

612  
00:21:33,669 --> 00:21:32,320  
they're not helping themselves they're

613  
00:21:36,149 --> 00:21:33,679

not helping themselves and that's

614

00:21:37,990 --> 00:21:36,159

something that i really want to touch on

615

00:21:40,310 --> 00:21:38,000

a lot of people are putting all of their

616

00:21:43,510 --> 00:21:40,320

pies all of their eggs in one basket

617

00:21:46,470 --> 00:21:43,520

about this 180 day report

618

00:21:48,549 --> 00:21:46,480

and every single person i ask every

619

00:21:49,669 --> 00:21:48,559

person that either enters my stream or

620

00:21:51,909 --> 00:21:49,679

if i enter theirs

621

00:21:53,270 --> 00:21:51,919

that's always one of the topics and

622

00:21:54,870 --> 00:21:53,280

people are excited about it because

623

00:21:55,350 --> 00:21:54,880

they're like oh the government's going

624

00:21:58,549 --> 00:21:55,360

to

625

00:22:00,470 --> 00:21:58,559

disclose aliens and

626

00:22:02,630 --> 00:22:00,480

i think they're gonna be really

627

00:22:03,830 --> 00:22:02,640

disappointed in what they're going to

628

00:22:05,110 --> 00:22:03,840

read

629

00:22:07,909 --> 00:22:05,120

here's the thing when it comes to

630

00:22:08,230 --> 00:22:07,919

disclosure we know what's happening out

631

00:22:10,950 --> 00:22:08,240

there

632

00:22:13,510 --> 00:22:10,960

we have an idea that we're not alone in

633

00:22:14,070 --> 00:22:13,520

these skies there are uaps that are

634

00:22:17,590 --> 00:22:14,080

flying

635

00:22:19,590 --> 00:22:17,600

over our airspace we know this

636

00:22:20,789 --> 00:22:19,600

so i don't think disclosure is going to

637

00:22:23,270 --> 00:22:20,799

come from the government

638

00:22:24,070 --> 00:22:23,280

it's going to come from us from the

639

00:22:26,789 --> 00:22:24,080

public

640

00:22:27,270 --> 00:22:26,799

that's why we have somewhere in the

641

00:22:30,390 --> 00:22:27,280

skies

642

00:22:32,710 --> 00:22:30,400

we need to have our

643

00:22:33,669 --> 00:22:32,720

eyes on the skies to be our own

644

00:22:37,029 --> 00:22:33,679

disclosure

645

00:22:39,029 --> 00:22:37,039

it is through experiences it is through

646

00:22:40,950 --> 00:22:39,039

seeing is believing that kind of

647

00:22:41,990 --> 00:22:40,960

mentality right the seeing is bleeding

648

00:22:44,070 --> 00:22:42,000

mentality

649

00:22:45,190 --> 00:22:44,080

is when we disclose information for

650

00:22:48,390 --> 00:22:45,200

ourselves

651  
00:22:49,190 --> 00:22:48,400  
and that becomes a virus when that

652  
00:22:51,430 --> 00:22:49,200  
spreads

653  
00:22:54,549 --> 00:22:51,440  
we don't need the government to say oh

654  
00:22:56,390 --> 00:22:54,559  
yeah so uaps they're actually drones and

655  
00:22:59,510 --> 00:22:56,400  
aliens don't exist

656  
00:23:00,789 --> 00:22:59,520  
the public's going to say wrong i

657  
00:23:04,630 --> 00:23:00,799  
encountered something

658  
00:23:06,950 --> 00:23:04,640  
and i know this to be true

659  
00:23:07,669 --> 00:23:06,960  
yeah i think that's a good point it

660  
00:23:09,909 --> 00:23:07,679  
takes

661  
00:23:11,510 --> 00:23:09,919  
you know every person who has an

662  
00:23:13,909 --> 00:23:11,520  
experience to finally

663  
00:23:15,510 --> 00:23:13,919

start talking about it so that enough

664

00:23:17,669 --> 00:23:15,520

people are sharing it

665

00:23:19,270 --> 00:23:17,679

and it becomes normal and then we don't

666

00:23:19,990 --> 00:23:19,280

need like you said the government to

667

00:23:22,950 --> 00:23:20,000

tell us

668

00:23:24,950 --> 00:23:22,960

what is or isn't again i don't give a

669

00:23:27,590 --> 00:23:24,960

crap what we get in this uap

670

00:23:28,149 --> 00:23:27,600

report in terms of what the pentagon

671

00:23:29,750 --> 00:23:28,159

thinks

672

00:23:31,669 --> 00:23:29,760

because i personally don't think they

673

00:23:34,149 --> 00:23:31,679

know much um

674

00:23:35,990 --> 00:23:34,159

i'm looking forward to maybe some of the

675

00:23:39,590 --> 00:23:36,000

cases they share with us

676

00:23:42,230 --> 00:23:39,600

um maybe if they do very good point

677

00:23:42,950 --> 00:23:42,240

um or if they share any videos or

678

00:23:45,430 --> 00:23:42,960

photographs

679

00:23:47,909 --> 00:23:45,440

which you know we will argue about for

680

00:23:50,070 --> 00:23:47,919

the next 10 years like we have for

681

00:23:52,070 --> 00:23:50,080

the tic tac and all this stuff but

682

00:23:53,909 --> 00:23:52,080

that's that's a whole other story

683

00:23:55,350 --> 00:23:53,919

um the whole time they were seagulls

684

00:23:58,149 --> 00:23:55,360

whole time damn it

685

00:23:59,029 --> 00:23:58,159

damn it um well you know besides the

686

00:24:00,789 --> 00:23:59,039

debrief

687

00:24:02,149 --> 00:24:00,799

um what are some of your favorite

688

00:24:03,430 --> 00:24:02,159

interviews you've done over on your

689

00:24:05,750 --> 00:24:03,440

personal channel

690

00:24:06,950 --> 00:24:05,760

with um the paradigm shifts and

691

00:24:08,870 --> 00:24:06,960

everything all of them

692

00:24:09,990 --> 00:24:08,880

all of them all of your children are

693

00:24:12,470 --> 00:24:10,000

your favorite

694

00:24:13,190 --> 00:24:12,480

all of my children yes but here's the

695

00:24:15,830 --> 00:24:13,200

thing again

696

00:24:16,549 --> 00:24:15,840

i'm a complete newbie and the reason to

697

00:24:17,990 --> 00:24:16,559

why i have

698

00:24:20,390 --> 00:24:18,000

shifting the paradigm to the reason to

699

00:24:23,669 --> 00:24:20,400

why i have these interviews is to get

700

00:24:26,789 --> 00:24:23,679

answers from those that are

701  
00:24:28,710 --> 00:24:26,799  
credible in that field because again it

702  
00:24:30,149 --> 00:24:28,720  
is hard to do research and not know

703  
00:24:32,470 --> 00:24:30,159  
what's true and what's not

704  
00:24:33,909 --> 00:24:32,480  
i don't like to be asked questions

705  
00:24:36,070 --> 00:24:33,919  
because they're all opinions because i

706  
00:24:38,390 --> 00:24:36,080  
don't have a lot of knowledge

707  
00:24:39,350 --> 00:24:38,400  
from my own experience and or from doing

708  
00:24:41,750 --> 00:24:39,360  
research

709  
00:24:43,430 --> 00:24:41,760  
but i like to ask questions that i'm

710  
00:24:46,789 --> 00:24:43,440  
having that others are having

711  
00:24:47,430 --> 00:24:46,799  
to help people get inspired about the

712  
00:24:49,990 --> 00:24:47,440  
topic

713  
00:24:51,669 --> 00:24:50,000

but to find the answers that they need

714

00:24:54,950 --> 00:24:51,679

or that they're looking for

715

00:24:57,190 --> 00:24:54,960

from those that specialize in that field

716

00:24:59,029 --> 00:24:57,200

so all of them are my favorite they all

717

00:25:02,549 --> 00:24:59,039

have a different aspect

718

00:25:05,029 --> 00:25:02,559

to this whole uap topic and i'm looking

719

00:25:07,029 --> 00:25:05,039

forward to what the future holds on

720

00:25:08,230 --> 00:25:07,039

other people that might be dropping some

721

00:25:11,269 --> 00:25:08,240

really in from like

722

00:25:11,909 --> 00:25:11,279

really cool information that other

723

00:25:15,590 --> 00:25:11,919

people

724

00:25:17,430 --> 00:25:15,600

including myself might not know about

725

00:25:19,110 --> 00:25:17,440

yeah and you have a wide spectrum of

726

00:25:20,710 --> 00:25:19,120

people that you've invited on the show

727

00:25:22,470 --> 00:25:20,720

so i highly suggest

728

00:25:24,950 --> 00:25:22,480

people go subscribe to the channel so

729

00:25:26,830 --> 00:25:24,960

many amazing conversations you got going

730

00:25:29,269 --> 00:25:26,840

on there but um

731

00:25:30,549 --> 00:25:29,279

well i want to get your thoughts on this

732

00:25:33,909 --> 00:25:30,559

christina um

733

00:25:35,990 --> 00:25:33,919

ancient aliens now this is again

734

00:25:37,110 --> 00:25:36,000

this is aliens in the mainstream more

735

00:25:39,590 --> 00:25:37,120

than anything

736

00:25:41,669 --> 00:25:39,600

um else out there everyone in their

737

00:25:42,230 --> 00:25:41,679

mother has seen the show at some point

738

00:25:45,510 --> 00:25:42,240

so

739

00:25:46,549 --> 00:25:45,520

whole ancient alien theory is that

740

00:25:49,830 --> 00:25:46,559

something you

741

00:25:51,190 --> 00:25:49,840

buy into or have looked into or um

742

00:25:53,430 --> 00:25:51,200

you know for me i find it very

743

00:25:54,549 --> 00:25:53,440

problematic in some ways but um

744

00:25:56,710 --> 00:25:54,559

yeah what do you think what do you think

745

00:25:58,630 --> 00:25:56,720

about ancient aliens no i i

746

00:25:59,830 --> 00:25:58,640

why do you think it's problematic i want

747

00:26:02,230 --> 00:25:59,840

to hear that

748

00:26:04,470 --> 00:26:02,240

absolutely the the thing i find very

749

00:26:07,669 --> 00:26:04,480

problematic is uh this idea that

750

00:26:08,830 --> 00:26:07,679

um you know that certain cultures who

751  
00:26:11,190 --> 00:26:08,840  
have created

752  
00:26:11,590 --> 00:26:11,200  
incredible you know things throughout

753  
00:26:16,070 --> 00:26:11,600  
the

754  
00:26:18,789 --> 00:26:16,080  
alien intervention

755  
00:26:19,590 --> 00:26:18,799  
for that to happen um that cultures were

756  
00:26:24,710 --> 00:26:19,600  
not

757  
00:26:26,390 --> 00:26:24,720  
ingenuity just wasn't there that they

758  
00:26:28,149 --> 00:26:26,400  
were able to do these incredible things

759  
00:26:30,870 --> 00:26:28,159  
like build the pyramids and

760  
00:26:32,630 --> 00:26:30,880  
and whatnot um so i always had an issue

761  
00:26:33,590 --> 00:26:32,640  
with that i don't think they give humans

762  
00:26:36,149 --> 00:26:33,600  
enough credit

763  
00:26:37,029 --> 00:26:36,159

on that show that of course humans are

764

00:26:39,430 --> 00:26:37,039

too dumb

765

00:26:40,950 --> 00:26:39,440

we gotta have aliens come help them and

766

00:26:43,269 --> 00:26:40,960

uh intervene in this

767

00:26:44,950 --> 00:26:43,279

and um yeah so that's kind of the issue

768

00:26:46,789 --> 00:26:44,960

i've come across with the whole

769

00:26:48,549 --> 00:26:46,799

ancient alien theory but i'm also not

770

00:26:50,630 --> 00:26:48,559

throwing it out the window and saying

771

00:26:52,789 --> 00:26:50,640

it hasn't happened because again we

772

00:26:55,110 --> 00:26:52,799

don't know so yeah those are my personal

773

00:26:57,430 --> 00:26:55,120

thoughts

774

00:26:58,630 --> 00:26:57,440

so i would have to say that there's

775

00:26:59,750 --> 00:26:58,640

there's a few things i want to say but

776

00:27:01,269 --> 00:26:59,760

one of them being

777

00:27:02,789 --> 00:27:01,279

is they're one of the very first tv

778

00:27:04,310 --> 00:27:02,799

shows that actually brought it into the

779

00:27:06,870 --> 00:27:04,320

mainstream so even though

780

00:27:07,990 --> 00:27:06,880

we might not agree on exactly what

781

00:27:11,029 --> 00:27:08,000

they're talking about

782

00:27:11,909 --> 00:27:11,039

or the history that they may provide the

783

00:27:13,669 --> 00:27:11,919

public

784

00:27:16,230 --> 00:27:13,679

the fact that they're even talking about

785

00:27:19,269 --> 00:27:16,240

it making it a possibility

786

00:27:20,149 --> 00:27:19,279

with earth's history i think is a really

787

00:27:23,669 --> 00:27:20,159

big step

788

00:27:26,310 --> 00:27:23,679

and and i i think that what we

789

00:27:27,350 --> 00:27:26,320

know of earth's history is just a tiny

790

00:27:29,510 --> 00:27:27,360

bit of what

791

00:27:30,870 --> 00:27:29,520

his of like what's really happened in

792

00:27:33,909 --> 00:27:30,880

history and

793

00:27:35,430 --> 00:27:33,919

there are whole epochs of time missing

794

00:27:37,990 --> 00:27:35,440

from our history classes

795

00:27:39,269 --> 00:27:38,000

because supposedly there were five mass

796

00:27:43,190 --> 00:27:39,279

extinctions

797

00:27:46,870 --> 00:27:43,200

we then we humans are newbies

798

00:27:47,990 --> 00:27:46,880

and there are species much older than

799

00:27:51,029 --> 00:27:48,000

ours

800

00:27:54,310 --> 00:27:51,039

maybe they visited you know why not

801  
00:27:57,350 --> 00:27:54,320  
we don't know so how how

802  
00:28:01,190 --> 00:27:57,360  
they how ancient aliens depicts the

803  
00:28:04,470 --> 00:28:01,200  
carvings the art the stories

804  
00:28:05,350 --> 00:28:04,480  
it's merely a possibility it's merely

805  
00:28:08,630 --> 00:28:05,360  
speculation

806  
00:28:09,590 --> 00:28:08,640  
no one's saying that it's fact but the

807  
00:28:13,190 --> 00:28:09,600  
fact that they're even

808  
00:28:16,149 --> 00:28:13,200  
talking about it again is is big

809  
00:28:18,149 --> 00:28:16,159  
and it's a good thing i think you bring

810  
00:28:19,830 --> 00:28:18,159  
up two good points the first thing is

811  
00:28:21,350 --> 00:28:19,840  
questioning what we've been taught is

812  
00:28:24,070 --> 00:28:21,360  
always very important

813  
00:28:25,110 --> 00:28:24,080

for sure and um and asking those

814

00:28:27,510 --> 00:28:25,120

questions

815

00:28:29,029 --> 00:28:27,520

and second like it has done wonders for

816

00:28:30,950 --> 00:28:29,039

bringing the ufo topic

817

00:28:32,710 --> 00:28:30,960

into the mainstream you know i may have

818

00:28:33,269 --> 00:28:32,720

issues with ancient aliens and

819

00:28:35,830 --> 00:28:33,279

everything

820

00:28:37,750 --> 00:28:35,840

but look i've been on the show i've

821

00:28:39,430 --> 00:28:37,760

spoken at their conferences

822

00:28:42,070 --> 00:28:39,440

so i'm probably not the one that should

823

00:28:45,029 --> 00:28:42,080

be really uh talking too much

824

00:28:45,909 --> 00:28:45,039

negative negativity about him but um the

825

00:28:48,870 --> 00:28:45,919

reason

826

00:28:49,269 --> 00:28:48,880

i did those things christina was because

827

00:28:51,750 --> 00:28:49,279

um

828

00:28:53,269 --> 00:28:51,760

it got it out there like the reason they

829

00:28:54,549 --> 00:28:53,279

had me at their conference wasn't

830

00:28:56,549 --> 00:28:54,559

because i was an ancient

831

00:28:58,310 --> 00:28:56,559

alien theorist it was because i was an

832

00:29:01,350 --> 00:28:58,320

actual ufo researcher

833

00:29:02,230 --> 00:29:01,360

who had decades of um knowledge on the

834

00:29:04,630 --> 00:29:02,240

topic

835

00:29:05,590 --> 00:29:04,640

so they said look most viewers come

836

00:29:08,630 --> 00:29:05,600

watch our show

837

00:29:10,310 --> 00:29:08,640

to be entertained and to um think think

838

00:29:11,750 --> 00:29:10,320

maybe these things are possible

839

00:29:14,070 --> 00:29:11,760

but let's get them caught up on the

840

00:29:14,710 --> 00:29:14,080

history of ufos all the cases that are

841

00:29:16,310 --> 00:29:14,720

out there

842

00:29:18,909 --> 00:29:16,320

the way that scientists are looking at

843

00:29:21,190 --> 00:29:18,919

it and scholars and academics and

844

00:29:22,630 --> 00:29:21,200

psychologists and stuff like that so

845

00:29:23,190 --> 00:29:22,640

that was kind of my reasoning for being

846

00:29:26,789 --> 00:29:23,200

like

847

00:29:29,990 --> 00:29:26,799

okay all right i'll do it i'll do it um

848

00:29:31,830 --> 00:29:30,000

and there we go like hopefully i opened

849

00:29:34,710 --> 00:29:31,840

a couple minds up to looking at the

850

00:29:35,029 --> 00:29:34,720

actual ufo topic out there other than

851  
00:29:37,269 --> 00:29:35,039  
just

852  
00:29:38,149 --> 00:29:37,279  
ancient aliens so yeah i think you bring

853  
00:29:39,750 --> 00:29:38,159  
up good points

854  
00:29:41,269 --> 00:29:39,760  
but also along with that when you're

855  
00:29:44,389 --> 00:29:41,279  
comparing it to other

856  
00:29:45,590 --> 00:29:44,399  
ufo tv shows that are just eyewitness

857  
00:29:48,710 --> 00:29:45,600  
accounts that are just

858  
00:29:49,830 --> 00:29:48,720  
merely opinions or what they saw with

859  
00:29:52,549 --> 00:29:49,840  
ancient aliens

860  
00:29:53,110 --> 00:29:52,559  
they are kind of providing you more

861  
00:29:55,110 --> 00:29:53,120  
facts

862  
00:29:57,510 --> 00:29:55,120  
even though it's more of interpretation

863  
00:29:59,430 --> 00:29:57,520

of what the art might convey

864

00:30:01,029 --> 00:29:59,440

it's more factual because there's

865

00:30:03,029 --> 00:30:01,039

evidence out there

866

00:30:04,389 --> 00:30:03,039

laid out for you for you to look at and

867

00:30:06,230 --> 00:30:04,399

make your own conclusion

868

00:30:07,750 --> 00:30:06,240

while with eyewitness accounts you're

869

00:30:08,230 --> 00:30:07,760

just believing what these people are

870

00:30:10,230 --> 00:30:08,240

saying

871

00:30:11,269 --> 00:30:10,240

and being like yeah definitely happened

872

00:30:14,950 --> 00:30:11,279

or that's

873

00:30:15,269 --> 00:30:14,960

absolute bs so when you are comparing it

874

00:30:18,950 --> 00:30:15,279

to

875

00:30:20,470 --> 00:30:18,960

other ufo tv shows i think they're just

876

00:30:21,990 --> 00:30:20,480

naturally more credible

877

00:30:23,750 --> 00:30:22,000

because of the evidence that they

878

00:30:25,750 --> 00:30:23,760

provide yeah their whole

879

00:30:27,830 --> 00:30:25,760

could it be you know that's kind of the

880

00:30:29,590 --> 00:30:27,840

uh the tagline of ancient aliens

881

00:30:31,350 --> 00:30:29,600

um they're not saying it is but could it

882

00:30:40,870 --> 00:30:31,360

be they do a good job at

883

00:30:44,549 --> 00:30:42,710

what's up guys ryan sprague here and i'm

884

00:30:46,149 --> 00:30:44,559

just dropping in to remind you about our

885

00:30:47,990 --> 00:30:46,159

patreon campaign

886

00:30:50,149 --> 00:30:48,000

somewhere in the skies is always free to

887

00:30:51,510 --> 00:30:50,159

consume but it's not free to create

888

00:30:54,389 --> 00:30:51,520

so if you want to help the show on a

889

00:30:54,870 --> 00:30:54,399

monthly basis we have tons of rewards

890

00:30:56,950 --> 00:30:54,880

for you

891

00:30:58,389 --> 00:30:56,960

in return including shout outs on the

892

00:31:01,190 --> 00:30:58,399

show and website

893

00:31:01,990 --> 00:31:01,200

bonus content and episodes and free

894

00:31:04,310 --> 00:31:02,000

merch

895

00:31:05,110 --> 00:31:04,320

wanna be my guest or pick a topic for

896

00:31:07,269 --> 00:31:05,120

the show

897

00:31:09,350 --> 00:31:07,279

you can do that too so if you'd like to

898

00:31:12,789 --> 00:31:09,360

learn more and to help support the show

899

00:31:18,549 --> 00:31:12,799

visit [patreon.com/summerskies](https://patreon.com/summerskies)

900

00:31:19,350 --> 00:31:18,559

thank you and keep looking up let's talk

901  
00:31:20,870 --> 00:31:19,360  
about

902  
00:31:22,389 --> 00:31:20,880  
history for a little bit i want to get

903  
00:31:25,669 --> 00:31:22,399  
your thoughts on um

904  
00:31:29,509 --> 00:31:25,679  
you did a a episode recently about

905  
00:31:30,389 --> 00:31:29,519  
usos a very hot topic in the ufo world

906  
00:31:33,830 --> 00:31:30,399  
right now

907  
00:31:35,110 --> 00:31:33,840  
uh unidentifiable submerged objects if

908  
00:31:37,909 --> 00:31:35,120  
i'm getting that correctly

909  
00:31:39,269 --> 00:31:37,919  
i should know that as a ufo person um

910  
00:31:40,950 --> 00:31:39,279  
and you did a whole episode you brought

911  
00:31:43,590 --> 00:31:40,960  
a bunch of different cases throughout

912  
00:31:45,350 --> 00:31:43,600  
um god not even just the last few

913  
00:31:48,710 --> 00:31:45,360

decades but centuries

914

00:31:50,950 --> 00:31:48,720

about usos so um what was your favorite

915

00:31:52,310 --> 00:31:50,960

uso case that you looked into for that

916

00:31:53,909 --> 00:31:52,320

episode

917

00:31:55,029 --> 00:31:53,919

so two of them were my favorite one of

918

00:31:57,029 --> 00:31:55,039

them is really short the other one's

919

00:32:01,310 --> 00:31:57,039

kind of longer so i'll go help both

920

00:32:04,389 --> 00:32:01,320

the first one uh was in 14

921

00:32:07,830 --> 00:32:04,399

1492 when columbus sailed the ocean

922

00:32:10,950 --> 00:32:07,840

blue sorry you know

923

00:32:11,830 --> 00:32:10,960

learned it from school but he wrote in

924

00:32:15,350 --> 00:32:11,840

his diary

925

00:32:18,710 --> 00:32:15,360

that he encountered these crafts

926  
00:32:20,310 --> 00:32:18,720  
or these candle lights that were jumping

927  
00:32:23,350 --> 00:32:20,320  
in and out of the water

928  
00:32:24,310 --> 00:32:23,360  
and i really like reading these more

929  
00:32:27,509 --> 00:32:24,320  
ancient

930  
00:32:30,950 --> 00:32:27,519  
or older accounts

931  
00:32:32,710 --> 00:32:30,960  
of um sightings is because

932  
00:32:34,470 --> 00:32:32,720  
hopefully if there's a translation like

933  
00:32:37,909 --> 00:32:34,480  
if there is a translation hopefully

934  
00:32:40,070 --> 00:32:37,919  
they do capture some words that aren't

935  
00:32:40,950 --> 00:32:40,080  
changed through translation so for him

936  
00:32:42,950 --> 00:32:40,960  
he didn't say

937  
00:32:45,110 --> 00:32:42,960  
lights that were jumping up and down he

938  
00:32:47,029 --> 00:32:45,120

said like a flickering candle because

939

00:32:48,549 --> 00:32:47,039

there was no electricity at this time in

940

00:32:51,029 --> 00:32:48,559

1492.

941

00:32:51,750 --> 00:32:51,039

no electricity so if that was translated

942

00:32:53,430 --> 00:32:51,760

differently

943

00:32:54,950 --> 00:32:53,440

that would have a different con like

944

00:32:58,070 --> 00:32:54,960

connotation to it

945

00:32:59,350 --> 00:32:58,080

and and it might lose its credibility a

946

00:33:01,190 --> 00:32:59,360

little bit more

947

00:33:02,710 --> 00:33:01,200

so that one was really interesting i'm

948

00:33:06,310 --> 00:33:02,720

like oh my gosh the most

949

00:33:08,710 --> 00:33:06,320

famous man in the united states

950

00:33:10,950 --> 00:33:08,720

encountered a us and that wasn't his

951  
00:33:12,070 --> 00:33:10,960  
first time there are a few others in his

952  
00:33:15,230 --> 00:33:12,080  
diary that he

953  
00:33:16,710 --> 00:33:15,240  
talks about seeing these weird

954  
00:33:20,230 --> 00:33:16,720  
unexplainable

955  
00:33:22,310 --> 00:33:20,240  
crafts in the air and in the ocean

956  
00:33:23,990 --> 00:33:22,320  
so that one was one of my absolute

957  
00:33:27,269 --> 00:33:24,000  
favorites but the other one

958  
00:33:30,389 --> 00:33:27,279  
that happened in japan in 1803

959  
00:33:33,669 --> 00:33:30,399  
called the utsuru bune and that

960  
00:33:37,029 --> 00:33:33,679  
is translated as hollow ship

961  
00:33:39,590 --> 00:33:37,039  
some say that this story

962  
00:33:40,149 --> 00:33:39,600  
is one of the oldest stories of when

963  
00:33:43,669 --> 00:33:40,159

humans

964

00:33:45,669 --> 00:33:43,679

interacted with um an extraterrestrial

965

00:33:47,590 --> 00:33:45,679

but of course we don't really know that

966

00:33:48,870 --> 00:33:47,600

i could have been maybe in just in japan

967

00:33:50,950 --> 00:33:48,880

and maybe not globally

968

00:33:52,710 --> 00:33:50,960

but again we don't know but this one was

969

00:33:56,789 --> 00:33:52,720

um

970

00:34:00,149 --> 00:33:56,799

in february

971

00:34:04,230 --> 00:34:00,159

22nd of 1803 this really

972

00:34:07,430 --> 00:34:04,240

strange looking boat um washed ashore in

973

00:34:09,510 --> 00:34:07,440

japan in the hitachi province

974

00:34:11,589 --> 00:34:09,520

and it was something that these

975

00:34:12,470 --> 00:34:11,599

fishermen at the time had never seen

976  
00:34:14,550 --> 00:34:12,480  
before it was

977  
00:34:15,589 --> 00:34:14,560  
disc shaped vessel you know it had

978  
00:34:17,990 --> 00:34:15,599  
windows

979  
00:34:20,149 --> 00:34:18,000  
it had metal bands below it and it

980  
00:34:23,030 --> 00:34:20,159  
looked kind of like

981  
00:34:24,389 --> 00:34:23,040  
like a like a rice bowl in in a sense

982  
00:34:25,669 --> 00:34:24,399  
like a rice pit

983  
00:34:27,669 --> 00:34:25,679  
so that's the best way they could

984  
00:34:29,990 --> 00:34:27,679  
describe it is because they have that

985  
00:34:31,430 --> 00:34:30,000  
already in their country a rice pit

986  
00:34:33,349 --> 00:34:31,440  
otherwise how else would you describe it

987  
00:34:36,710 --> 00:34:33,359  
if you don't know what it is

988  
00:34:39,750 --> 00:34:36,720

so when that when this

989

00:34:42,950 --> 00:34:39,760

craft landed on shore

990

00:34:45,990 --> 00:34:42,960

um they saw inside of it that

991

00:34:48,230 --> 00:34:46,000

there were these really strange

992

00:34:49,510 --> 00:34:48,240

writings etched in the wall like very

993

00:34:52,470 --> 00:34:49,520

unusual fabric

994

00:34:53,990 --> 00:34:52,480

never seen before in japan at this time

995

00:34:57,030 --> 00:34:54,000

bed sheets carpet

996

00:34:57,589 --> 00:34:57,040

but there's also a passenger on this on

997

00:35:00,710 --> 00:34:57,599

this ship

998

00:35:04,150 --> 00:35:00,720

a young beautiful woman she had

999

00:35:07,270 --> 00:35:04,160

red hair pale pink skin

1000

00:35:10,390 --> 00:35:07,280

red eyebrows and she wore

1001  
00:35:14,829 --> 00:35:10,400  
a long garment made of a material that

1002  
00:35:16,069 --> 00:35:14,839  
again wasn't known to these japanese

1003  
00:35:19,270 --> 00:35:16,079  
fishermen

1004  
00:35:21,589 --> 00:35:19,280  
what's so fascinating about this story

1005  
00:35:22,950 --> 00:35:21,599  
is this woman we're like oh maybe maybe

1006  
00:35:26,870 --> 00:35:22,960  
she could have been japanese

1007  
00:35:30,630 --> 00:35:26,880  
but red hair was not a thing in japan

1008  
00:35:31,190 --> 00:35:30,640  
having pink colored skin is still not a

1009  
00:35:33,430 --> 00:35:31,200  
thing

1010  
00:35:34,710 --> 00:35:33,440  
anywhere in the world so when these

1011  
00:35:36,390 --> 00:35:34,720  
fishermen try to speak to her in

1012  
00:35:37,109 --> 00:35:36,400  
japanese she didn't understand what they

1013  
00:35:40,390 --> 00:35:37,119

were saying

1014

00:35:40,870 --> 00:35:40,400

and they were so frightened of this

1015

00:35:42,230 --> 00:35:40,880

woman

1016

00:35:44,310 --> 00:35:42,240

because they didn't they didn't want to

1017

00:35:45,910 --> 00:35:44,320

have bad luck right they're more

1018

00:35:47,750 --> 00:35:45,920

they were more superstitious at this

1019

00:35:50,870 --> 00:35:47,760

time and

1020

00:35:52,150 --> 00:35:50,880

what later on from the writings in

1021

00:35:54,870 --> 00:35:52,160

several books that were only written

1022

00:35:58,550 --> 00:35:54,880

about 20 years later after this incident

1023

00:36:00,310 --> 00:35:58,560

um they believed the fishermen believed

1024

00:36:01,750 --> 00:36:00,320

that was later progressed throughout

1025

00:36:02,630 --> 00:36:01,760

history this will make sense while i'm

1026  
00:36:05,750 --> 00:36:02,640  
going

1027  
00:36:06,390 --> 00:36:05,760  
but the symbols that were etched in the

1028  
00:36:09,910 --> 00:36:06,400  
wall

1029  
00:36:10,710 --> 00:36:09,920  
in this rice pit craft could also be

1030  
00:36:13,430 --> 00:36:10,720  
compared

1031  
00:36:16,550 --> 00:36:13,440  
to some of the alien symbols from

1032  
00:36:18,550 --> 00:36:16,560  
roswell new mexico

1033  
00:36:19,910 --> 00:36:18,560  
how credible is that we don't know we

1034  
00:36:21,750 --> 00:36:19,920  
don't have the craft

1035  
00:36:23,510 --> 00:36:21,760  
but from what was documented in the

1036  
00:36:27,030 --> 00:36:23,520  
three books that were written

1037  
00:36:29,750 --> 00:36:27,040  
about this utsuru bune incident

1038  
00:36:30,230 --> 00:36:29,760

those researchers that went back to it

1039

00:36:31,670 --> 00:36:30,240  
from

1040

00:36:34,950 --> 00:36:31,680  
like present-day researchers that went

1041

00:36:37,510 --> 00:36:34,960  
back to um this 1803 story

1042

00:36:39,270 --> 00:36:37,520  
were able to somehow find a correlation

1043

00:36:43,109 --> 00:36:39,280  
between the roswell incident

1044

00:36:45,030 --> 00:36:43,119  
and that one in japan again

1045

00:36:46,150 --> 00:36:45,040  
we don't really know it's all

1046

00:36:48,470 --> 00:36:46,160  
speculation

1047

00:36:50,390 --> 00:36:48,480  
but i find that really fascinating all

1048

00:36:52,829 --> 00:36:50,400  
together that from something

1049

00:36:54,230 --> 00:36:52,839  
200 and something years ago could

1050

00:36:56,550 --> 00:36:54,240  
somehow be

1051  
00:36:57,670 --> 00:36:56,560  
stitched stitched into one of the most

1052  
00:37:00,870 --> 00:36:57,680  
famous

1053  
00:37:01,270 --> 00:37:00,880  
stories of all time the roswell that is

1054  
00:37:04,150 --> 00:37:01,280  
so

1055  
00:37:06,150 --> 00:37:04,160  
cool i know and like look even luis

1056  
00:37:08,870 --> 00:37:06,160  
elizondo has recently come forward i

1057  
00:37:09,670 --> 00:37:08,880  
believe it was with um the washington

1058  
00:37:12,710 --> 00:37:09,680  
post

1059  
00:37:16,069 --> 00:37:12,720  
and said hey tic tac that they saw in

1060  
00:37:17,349 --> 00:37:16,079  
2004 we found documents that people are

1061  
00:37:20,150 --> 00:37:17,359  
seeing these tic tacs

1062  
00:37:21,589 --> 00:37:20,160  
back in like the 40s the 50s so i think

1063  
00:37:21,990 --> 00:37:21,599

that's really interesting that we're

1064

00:37:24,390 --> 00:37:22,000

finding

1065

00:37:25,430 --> 00:37:24,400

patterns with these craft that some of

1066

00:37:28,150 --> 00:37:25,440

them were cited

1067

00:37:29,670 --> 00:37:28,160

you know 40 50 60 years ago and now

1068

00:37:31,510 --> 00:37:29,680

we're still seeing them today

1069

00:37:32,870 --> 00:37:31,520

yeah those those are really interesting

1070

00:37:34,790 --> 00:37:32,880

cases again

1071

00:37:36,550 --> 00:37:34,800

predating everything we thought we knew

1072

00:37:39,910 --> 00:37:36,560

about ufos um

1073

00:37:40,790 --> 00:37:39,920

and culture um and language plays a big

1074

00:37:43,349 --> 00:37:40,800

role in all this

1075

00:37:45,430 --> 00:37:43,359

too like you mentioned like these these

1076  
00:37:46,550 --> 00:37:45,440  
fishermen only had so many words to

1077  
00:37:48,790 --> 00:37:46,560  
describe

1078  
00:37:50,630 --> 00:37:48,800  
what they were seeing um you know the

1079  
00:37:52,790 --> 00:37:50,640  
description of the rice bowl like that's

1080  
00:37:55,829 --> 00:37:52,800  
how they could compare it to something

1081  
00:37:57,270 --> 00:37:55,839  
they recognized um yeah absolutely and

1082  
00:37:58,550 --> 00:37:57,280  
things that we still do today like why

1083  
00:38:00,310 --> 00:37:58,560  
do we call it a tic tac

1084  
00:38:01,750 --> 00:38:00,320  
well because it looks like the tic tac

1085  
00:38:03,910 --> 00:38:01,760  
freshman

1086  
00:38:05,349 --> 00:38:03,920  
that's how our language progresses is

1087  
00:38:07,829 --> 00:38:05,359  
from things that we already

1088  
00:38:10,150 --> 00:38:07,839

know and we added something that we

1089

00:38:10,790 --> 00:38:10,160

don't know but are trying our best to

1090

00:38:13,510 --> 00:38:10,800

explain it

1091

00:38:14,230 --> 00:38:13,520

that's why we have metaphors similes

1092

00:38:17,750 --> 00:38:14,240

well it's

1093

00:38:19,990 --> 00:38:17,760

like this yep

1094

00:38:21,349 --> 00:38:20,000

exactly it defies language this

1095

00:38:24,790 --> 00:38:21,359

phenomenon truly does

1096

00:38:27,670 --> 00:38:24,800

um i know you've looked into hot spots

1097

00:38:29,109 --> 00:38:27,680

with really weird things you know like

1098

00:38:30,790 --> 00:38:29,119

obviously everyone knows

1099

00:38:32,150 --> 00:38:30,800

skinwalker ranch is probably the biggest

1100

00:38:35,190 --> 00:38:32,160

one right now

1101

00:38:37,750 --> 00:38:35,200

um bermuda triangle obviously

1102

00:38:38,710 --> 00:38:37,760

there's so much lore to that but um i

1103

00:38:41,030 --> 00:38:38,720

know you've come across

1104

00:38:43,109 --> 00:38:41,040

other areas where like we're not just

1105

00:38:43,750 --> 00:38:43,119

seeing ufos we're seeing cryptids we're

1106

00:38:46,390 --> 00:38:43,760

seeing

1107

00:38:48,230 --> 00:38:46,400

paranormal activity so yeah what's some

1108

00:38:48,870 --> 00:38:48,240

of the research you've done into these

1109

00:38:50,790 --> 00:38:48,880

uh

1110

00:38:52,310 --> 00:38:50,800

paranormal hot spots throughout the

1111

00:38:55,589 --> 00:38:52,320

world

1112

00:38:59,270 --> 00:38:55,599

it's not just

1113

00:39:01,190 --> 00:38:59,280

one or two places but it's more

1114

00:39:03,349 --> 00:39:01,200

than what we could ever imagine these

1115

00:39:06,230 --> 00:39:03,359

kinds of hot spots these

1116

00:39:07,349 --> 00:39:06,240

certain locations across the globe

1117

00:39:11,430 --> 00:39:07,359

harbor

1118

00:39:13,829 --> 00:39:11,440

a ton of different weird sightings

1119

00:39:15,750 --> 00:39:13,839

that are unexplainable for many and it

1120

00:39:19,190 --> 00:39:15,760

it's not just one or two places

1121

00:39:20,150 --> 00:39:19,200

but it's dozens of places locations on

1122

00:39:23,430 --> 00:39:20,160

earth

1123

00:39:24,550 --> 00:39:23,440

one of them being is called i'm i don't

1124

00:39:25,109 --> 00:39:24,560

want to say it wrong but i'm going to

1125

00:39:28,470 --> 00:39:25,119

say it

1126

00:39:32,550 --> 00:39:28,480

it's called the hoya bacchio forest in

1127

00:39:35,990 --> 00:39:32,560

romania and how it got that name

1128

00:39:38,069 --> 00:39:36,000

is from a shepherd who

1129

00:39:40,790 --> 00:39:38,079

had 200 sheep and he wanted to go

1130

00:39:44,069 --> 00:39:40,800

through the forest as a shortcut

1131

00:39:47,750 --> 00:39:44,079

and his name was hawaya bachio but

1132

00:39:49,670 --> 00:39:47,760

he never exited the forest

1133

00:39:53,030 --> 00:39:49,680

of course how true is that we don't know

1134

00:39:55,510 --> 00:39:53,040

it's from so many centuries ago

1135

00:39:56,630 --> 00:39:55,520

no one knows but it got their name the

1136

00:40:00,069 --> 00:39:56,640

forest got their name

1137

00:40:01,990 --> 00:40:00,079

from that shepherd

1138

00:40:03,430 --> 00:40:02,000

later on in the 1970s is when it's

1139

00:40:06,950 --> 00:40:03,440

really began to

1140

00:40:10,309 --> 00:40:06,960

gain its popularity globally when

1141

00:40:14,150 --> 00:40:10,319

a um a marsh

1142

00:40:16,870 --> 00:40:14,160

a military technician with his

1143

00:40:17,589 --> 00:40:16,880

girlfriend 1970s captured a photo of a

1144

00:40:19,589 --> 00:40:17,599

ufo

1145

00:40:20,950 --> 00:40:19,599

it got published and it went viral i

1146

00:40:22,230 --> 00:40:20,960

guess viral for that time right they

1147

00:40:24,870 --> 00:40:22,240

didn't have internet so i went viral

1148

00:40:26,710 --> 00:40:24,880

through the newspapers

1149

00:40:27,990 --> 00:40:26,720

which takes a little bit more time than

1150

00:40:29,829 --> 00:40:28,000

maybe today

1151

00:40:31,430 --> 00:40:29,839

and that's really where it kicked off

1152

00:40:35,190 --> 00:40:31,440

when it was seeing these

1153

00:40:38,630 --> 00:40:35,200

weird crafts that were flying at intense

1154

00:40:41,990 --> 00:40:38,640

speeds doing turns that are unimaginable

1155

00:40:44,950 --> 00:40:42,000

at the time for

1156

00:40:46,630 --> 00:40:44,960

airplanes that we still can't even do

1157

00:40:48,230 --> 00:40:46,640

today we still cannot replicate

1158

00:40:49,670 --> 00:40:48,240

what tic tacs and what these other

1159

00:40:52,390 --> 00:40:49,680

crafts do today

1160

00:40:53,190 --> 00:40:52,400

so it really shocked this man and it

1161

00:40:56,390 --> 00:40:53,200

became more

1162

00:40:56,950 --> 00:40:56,400

popular to go visit this forest is

1163

00:40:59,030 --> 00:40:56,960

called

1164

00:41:00,150 --> 00:40:59,040

one of the most haunted forests in the

1165

00:41:03,910 --> 00:41:00,160

world because it's not

1166

00:41:07,030 --> 00:41:03,920

just a ufo hot spot but it also

1167

00:41:10,309 --> 00:41:07,040

people also see um

1168

00:41:13,589 --> 00:41:10,319

they also see disembodied people

1169

00:41:16,710 --> 00:41:13,599

like just certain limbs floating um

1170

00:41:20,630 --> 00:41:16,720

screams that don't really have an origin

1171

00:41:22,150 --> 00:41:20,640

shadow people and all of these things

1172

00:41:23,990 --> 00:41:22,160

that would be classified as the

1173

00:41:26,710 --> 00:41:24,000

paranormal that many people

1174

00:41:27,430 --> 00:41:26,720

do not believe even to this day but the

1175

00:41:29,990 --> 00:41:27,440

locals

1176  
00:41:30,950 --> 00:41:30,000  
there in romania don't enter the forest

1177  
00:41:33,829 --> 00:41:30,960  
they say

1178  
00:41:35,589 --> 00:41:33,839  
do not go in the forest um you will not

1179  
00:41:39,109 --> 00:41:35,599  
return

1180  
00:41:41,910 --> 00:41:39,119  
and i'm way too scared to enter

1181  
00:41:43,990 --> 00:41:41,920  
of course people might think it's only a

1182  
00:41:46,790 --> 00:41:44,000  
wives tale to scare their children to be

1183  
00:41:48,470 --> 00:41:46,800  
to behave well and to not run away but a

1184  
00:41:51,750 --> 00:41:48,480  
lot of the locals truly are

1185  
00:41:54,950 --> 00:41:51,760  
scared of the forest those that

1186  
00:41:57,589 --> 00:41:54,960  
have the guts to enter they

1187  
00:41:58,470 --> 00:41:57,599  
complain of physical harm including

1188  
00:42:00,870 --> 00:41:58,480

rashes

1189

00:42:01,990 --> 00:42:00,880

nausea vomiting migraines burns

1190

00:42:05,990 --> 00:42:02,000

scratches anxiety

1191

00:42:08,870 --> 00:42:06,000

and other unusual sensations one

1192

00:42:10,550 --> 00:42:08,880

case that was i don't want to say it was

1193

00:42:11,349 --> 00:42:10,560

fact checked but that was caught on

1194

00:42:14,829 --> 00:42:11,359

camera

1195

00:42:18,069 --> 00:42:14,839

was when a tv show called the

1196

00:42:19,750 --> 00:42:18,079

um destination truth

1197

00:42:21,349 --> 00:42:19,760

entered that forest to document it so

1198

00:42:23,430 --> 00:42:21,359

there's one crew member

1199

00:42:24,950 --> 00:42:23,440

by the name of evan you know he was sat

1200

00:42:26,550 --> 00:42:24,960

he was sat in a clearing

1201  
00:42:27,910 --> 00:42:26,560  
he's probably exhausted carrying all the

1202  
00:42:28,710 --> 00:42:27,920  
camera equipment because we know how

1203  
00:42:32,150 --> 00:42:28,720  
heavy that stuff

1204  
00:42:33,430 --> 00:42:32,160  
is very heavy and uh he sat in a

1205  
00:42:37,270 --> 00:42:33,440  
clearing

1206  
00:42:40,150 --> 00:42:37,280  
taking a break and he hears this

1207  
00:42:42,069 --> 00:42:40,160  
like woman voices right behind him and a

1208  
00:42:45,430 --> 00:42:42,079  
flash of light just like

1209  
00:42:48,790 --> 00:42:45,440  
enter through him he was so terrified

1210  
00:42:50,710 --> 00:42:48,800  
he ran to the other side of the clearing

1211  
00:42:52,470 --> 00:42:50,720  
just like just mortified of the

1212  
00:42:52,790 --> 00:42:52,480  
situation because when he looked behind

1213  
00:43:02,790 --> 00:42:52,800

him

1214

00:43:05,430 --> 00:43:02,800

calmed down he noticed that he had like

1215

00:43:08,790 --> 00:43:05,440

this burning sensation on his arm and

1216

00:43:12,069 --> 00:43:08,800

so he lifts his long sleeve t-shirts

1217

00:43:12,790 --> 00:43:12,079

and he sees scars on his arm and you

1218

00:43:14,790 --> 00:43:12,800

might think

1219

00:43:16,550 --> 00:43:14,800

oh well because he ran he might have ran

1220

00:43:19,190 --> 00:43:16,560

through some tree branches and they

1221

00:43:19,829 --> 00:43:19,200

scratched him all this kind of debunking

1222

00:43:22,550 --> 00:43:19,839

stuff

1223

00:43:24,069 --> 00:43:22,560

possibly but there were no scratches on

1224

00:43:26,790 --> 00:43:24,079

his long sleeve t-shirt

1225

00:43:28,870 --> 00:43:26,800

there was no dirt there was no holes it

1226

00:43:31,510 --> 00:43:28,880

was only after he lifted

1227

00:43:33,990 --> 00:43:31,520

his shirt that he that he saw like claw

1228

00:43:35,750 --> 00:43:34,000

marks on his arm

1229

00:43:37,589 --> 00:43:35,760

so that's a i mean that was really big

1230

00:43:38,870 --> 00:43:37,599

it happened you know i think just what a

1231

00:43:41,910 --> 00:43:38,880

decade ago maybe 10

1232

00:43:42,470 --> 00:43:41,920

years or less and it was caught on

1233

00:43:45,510 --> 00:43:42,480

camera

1234

00:43:46,630 --> 00:43:45,520

so it's pretty horrifying uh for for

1235

00:43:48,870 --> 00:43:46,640

those that live there

1236

00:43:51,109 --> 00:43:48,880

but people that like that kind of

1237

00:43:52,829 --> 00:43:51,119

wanting to be daredevil right will enter

1238

00:43:56,470 --> 00:43:52,839

the forest and wanting to

1239

00:43:57,990 --> 00:43:56,480  
see this weird stuff there's also

1240

00:43:59,670 --> 00:43:58,000  
missing time

1241

00:44:01,670 --> 00:43:59,680  
people believe that it's a portal to

1242

00:44:04,069 --> 00:44:01,680  
another dimension again they see

1243

00:44:05,349 --> 00:44:04,079  
shadow people there was this i'm going

1244

00:44:06,150 --> 00:44:05,359  
to hit one more story it'd be really

1245

00:44:08,630 --> 00:44:06,160  
fast

1246

00:44:09,750 --> 00:44:08,640  
about this uh little girl she was five

1247

00:44:12,630 --> 00:44:09,760  
years old no sorry

1248

00:44:14,950 --> 00:44:12,640  
she was a little girl and she got lost

1249

00:44:18,470 --> 00:44:14,960  
in the forest for five years

1250

00:44:19,750 --> 00:44:18,480  
she just disappeared obviously like

1251

00:44:21,190 --> 00:44:19,760

everyone's so scared they're trying to

1252

00:44:23,750 --> 00:44:21,200

look for her they spent days and days

1253

00:44:26,390 --> 00:44:23,760

and days trying to find this little girl

1254

00:44:26,950 --> 00:44:26,400

five years later she comes back not

1255

00:44:29,030 --> 00:44:26,960

dirty

1256

00:44:31,510 --> 00:44:29,040

didn't age wearing the exact same

1257

00:44:34,630 --> 00:44:31,520

clothes she wore when she disappeared

1258

00:44:37,670 --> 00:44:34,640

clean as and she had no memory

1259

00:44:39,829 --> 00:44:37,680

she had no memory of her even leaving

1260

00:44:41,430 --> 00:44:39,839

so it was kind of like she entered a a

1261

00:44:43,829 --> 00:44:41,440

time portal

1262

00:44:45,109 --> 00:44:43,839

yeah again we don't know she was five

1263

00:44:45,750 --> 00:44:45,119

years old she could have been making it

1264

00:44:47,510 --> 00:44:45,760

up but

1265

00:44:49,510 --> 00:44:47,520

the rest of the town that lives right

1266

00:44:51,270 --> 00:44:49,520

next to this forest

1267

00:44:52,950 --> 00:44:51,280

are eyewitness accounts because they

1268

00:44:54,550 --> 00:44:52,960

said nope this girl was really gone for

1269

00:44:55,990 --> 00:44:54,560

five years and she came back as if

1270

00:44:57,349 --> 00:44:56,000

nothing ever happened she didn't even

1271

00:45:00,470 --> 00:44:57,359

age

1272

00:45:01,270 --> 00:45:00,480

wow that that that one gave me chills

1273

00:45:05,750 --> 00:45:01,280

not the

1274

00:45:08,950 --> 00:45:05,760

forest but oh my god

1275

00:45:09,829 --> 00:45:08,960

like can you imagine like being lost for

1276  
00:45:11,349 --> 00:45:09,839  
five years

1277  
00:45:13,030 --> 00:45:11,359  
when like for you it might have been

1278  
00:45:15,589 --> 00:45:13,040  
like just a couple seconds

1279  
00:45:16,710 --> 00:45:15,599  
but for like us in this dimension in

1280  
00:45:18,630 --> 00:45:16,720  
this time in space

1281  
00:45:20,069 --> 00:45:18,640  
five years goes by and a lot of people

1282  
00:45:23,190 --> 00:45:20,079  
think that's how these things

1283  
00:45:23,990 --> 00:45:23,200  
travel you know it's like yeah it would

1284  
00:45:25,750 --> 00:45:24,000  
take

1285  
00:45:27,030 --> 00:45:25,760  
whatever 100 light years for something

1286  
00:45:29,270 --> 00:45:27,040  
to get here but

1287  
00:45:30,309 --> 00:45:29,280  
maybe it's just the you know blink of an

1288  
00:45:32,309 --> 00:45:30,319

eye for some

1289

00:45:34,390 --> 00:45:32,319

advanced civilization or

1290

00:45:36,790 --> 00:45:34,400

interdimensional being

1291

00:45:38,550 --> 00:45:36,800

exactly and that's why it's so healthy

1292

00:45:43,109 --> 00:45:38,560

to have the mind

1293

00:45:44,950 --> 00:45:43,119

run in a curious with curiosity because

1294

00:45:46,470 --> 00:45:44,960

we can answer these questions at some

1295

00:45:49,349 --> 00:45:46,480

point in time this is why

1296

00:45:50,790 --> 00:45:49,359

we pay scientists to try to find out

1297

00:45:53,190 --> 00:45:50,800

anti-gravity

1298

00:45:55,109 --> 00:45:53,200

crafts it's through that curiosity to

1299

00:45:55,510 --> 00:45:55,119

trying to find the answers to trying to

1300

00:45:59,670 --> 00:45:55,520

be

1301

00:46:01,750 --> 00:45:59,680

to go out into space

1302

00:46:03,510 --> 00:46:01,760

it's because of curiosity it's because

1303

00:46:04,550 --> 00:46:03,520

of wanting to know these answers that

1304

00:46:07,910 --> 00:46:04,560

are already happening

1305

00:46:09,750 --> 00:46:07,920

on earth every single day every day

1306

00:46:11,030 --> 00:46:09,760

i love that well i know you've looked

1307

00:46:13,589 --> 00:46:11,040

into um

1308

00:46:14,230 --> 00:46:13,599

you know superstition mountain bradshaw

1309

00:46:16,790 --> 00:46:14,240

ranch

1310

00:46:19,030 --> 00:46:16,800

the suicide forest in japan so i will

1311

00:46:20,470 --> 00:46:19,040

leave that to the viewers to check out

1312

00:46:22,390 --> 00:46:20,480

your videos and everything that you've

1313

00:46:24,550 --> 00:46:22,400

done on those christina but um

1314

00:46:26,630 --> 00:46:24,560

before we get to the listener questions

1315

00:46:28,470 --> 00:46:26,640

um there's this event coming up that you

1316

00:46:32,230 --> 00:46:28,480

had mentioned briefly to me

1317

00:46:34,309 --> 00:46:32,240

on july 17th um and this has to do with

1318

00:46:35,430 --> 00:46:34,319

eyes on the sky so can you tell us a

1319

00:46:37,349 --> 00:46:35,440

little about that

1320

00:46:38,470 --> 00:46:37,359

before we get to our burning listener

1321

00:46:42,870 --> 00:46:38,480

questions

1322

00:46:45,750 --> 00:46:42,880

oh my gosh absolutely so

1323

00:46:46,870 --> 00:46:45,760

this event is happening pretty soon this

1324

00:46:50,309 --> 00:46:46,880

summer

1325

00:46:53,750 --> 00:46:50,319

and and it's called eyes on the skies

1326

00:46:56,630 --> 00:46:53,760

by this reddit group that

1327

00:46:57,829 --> 00:46:56,640

got exposed to the topic from the

1328

00:47:01,190 --> 00:46:57,839

mainstream media

1329

00:47:03,430 --> 00:47:01,200

touching on ufos almost every single day

1330

00:47:04,230 --> 00:47:03,440

but they were thinking you know we want

1331

00:47:06,470 --> 00:47:04,240

to make it an

1332

00:47:07,510 --> 00:47:06,480

international event for people to look

1333

00:47:10,069 --> 00:47:07,520

up in the skies

1334

00:47:12,390 --> 00:47:10,079

and find answers for themselves because

1335

00:47:14,470 --> 00:47:12,400

they didn't feel like

1336

00:47:15,510 --> 00:47:14,480

the media was giving it enough exposure

1337

00:47:17,510 --> 00:47:15,520

of just of

1338

00:47:19,109 --> 00:47:17,520

just looking out in the skies and seeing

1339

00:47:20,309 --> 00:47:19,119

stuff out there instead we're seeing a

1340

00:47:23,109 --> 00:47:20,319

lot of

1341

00:47:23,589 --> 00:47:23,119

credible people in the military in the

1342

00:47:26,630 --> 00:47:23,599

navy

1343

00:47:27,190 --> 00:47:26,640

talking about the nimitz the gimbal the

1344

00:47:28,950 --> 00:47:27,200

tic tac

1345

00:47:31,349 --> 00:47:28,960

and like yes those are fascinating

1346

00:47:33,030 --> 00:47:31,359

they're opening people's minds

1347

00:47:34,870 --> 00:47:33,040

but for those that maybe are not a part

1348

00:47:35,589 --> 00:47:34,880

of the military um don't have that

1349

00:47:37,030 --> 00:47:35,599

mentality

1350

00:47:39,030 --> 00:47:37,040

they don't really understand what's

1351  
00:47:39,750 --> 00:47:39,040  
going on it's a bit too technical for

1352  
00:47:42,950 --> 00:47:39,760  
them

1353  
00:47:44,710 --> 00:47:42,960  
so these reddit people that later con

1354  
00:47:46,710 --> 00:47:44,720  
that later contacted me through someone

1355  
00:47:48,230 --> 00:47:46,720  
else saying hey we're having this event

1356  
00:47:51,109 --> 00:47:48,240  
july 17th

1357  
00:47:51,990 --> 00:47:51,119  
and we really want to expose it to the

1358  
00:47:54,630 --> 00:47:52,000  
whole world

1359  
00:47:55,910 --> 00:47:54,640  
at some point just to have people look

1360  
00:47:57,910 --> 00:47:55,920  
up in the skies

1361  
00:47:59,349 --> 00:47:57,920  
all over the world and maybe capture

1362  
00:48:03,270 --> 00:47:59,359  
something in london

1363  
00:48:06,069 --> 00:48:03,280

in houston in in tokyo

1364

00:48:07,829 --> 00:48:06,079

just just to have a more collective

1365

00:48:10,870 --> 00:48:07,839

mentality for the public

1366

00:48:13,829 --> 00:48:10,880

to be curious

1367

00:48:16,230 --> 00:48:13,839

so it's still under the works i'm trying

1368

00:48:18,950 --> 00:48:16,240

to help out how i can to get it public

1369

00:48:19,990 --> 00:48:18,960

publicized but i'm looking forward to

1370

00:48:22,549 --> 00:48:20,000

seeing what's going to happen

1371

00:48:24,390 --> 00:48:22,559

of course i will be out july 17th

1372

00:48:27,190 --> 00:48:24,400

looking up in the skies at night and

1373

00:48:29,750 --> 00:48:27,200

hopefully recording some stuff

1374

00:48:31,190 --> 00:48:29,760

but uh overall it's going to be really

1375

00:48:33,109 --> 00:48:31,200

exciting and i'm looking forward to

1376

00:48:35,030 --> 00:48:33,119

seeing people just getting involved

1377

00:48:36,710 --> 00:48:35,040

and it's completely free i mean no one's

1378

00:48:37,430 --> 00:48:36,720

no one's asking for money no one's

1379

00:48:39,910 --> 00:48:37,440

asking them

1380

00:48:41,829 --> 00:48:39,920

to no one's asking anyone to like like

1381

00:48:44,630 --> 00:48:41,839

the facebook page or anything

1382

00:48:46,829 --> 00:48:44,640

it's just to open people's minds to look

1383

00:48:49,349 --> 00:48:46,839

up in the skies instead of on their cell

1384

00:48:51,030 --> 00:48:49,359

phones thank you i was just gonna say

1385

00:48:51,990 --> 00:48:51,040

there's a reason it's called eyes on the

1386

00:48:53,589 --> 00:48:52,000

skies

1387

00:48:55,349 --> 00:48:53,599

if people just looked up they'd be

1388

00:48:56,870 --> 00:48:55,359

amazed at what they could see

1389

00:48:59,510 --> 00:48:56,880

and that's why i think we're seeing a

1390

00:49:01,190 --> 00:48:59,520

lot more ufo reports coming in during

1391

00:49:02,630 --> 00:49:01,200

this pandemic because people have the

1392

00:49:05,270 --> 00:49:02,640

time to like

1393

00:49:07,589 --> 00:49:05,280

go outside they're like hungry to just

1394

00:49:10,549 --> 00:49:07,599

go outside they've been trapped in their

1395

00:49:11,270 --> 00:49:10,559

houses apartments dorms whatever for so

1396

00:49:12,950 --> 00:49:11,280

long

1397

00:49:14,790 --> 00:49:12,960

so i think that's why we're seeing such

1398

00:49:17,670 --> 00:49:14,800

an influx in ufo

1399

00:49:18,390 --> 00:49:17,680

reports and interest in ufos people are

1400

00:49:20,710 --> 00:49:18,400

now home

1401

00:49:22,309 --> 00:49:20,720

and going on the internet and like

1402

00:49:23,589 --> 00:49:22,319

looking into stuff they never looked

1403

00:49:25,510 --> 00:49:23,599

into before so

1404

00:49:27,109 --> 00:49:25,520

i don't know if that's good or bad i

1405

00:49:29,510 --> 00:49:27,119

feel like we're creating a lot more

1406

00:49:32,390 --> 00:49:29,520

conspiracy theorists out there

1407

00:49:33,750 --> 00:49:32,400

as well but um that's really cool i will

1408

00:49:36,069 --> 00:49:33,760

definitely be joining you guys

1409

00:49:37,670 --> 00:49:36,079

imagine if like everyone in the world

1410

00:49:40,150 --> 00:49:37,680

just decided to look up

1411

00:49:40,870 --> 00:49:40,160

at the same time and like record what

1412

00:49:43,349 --> 00:49:40,880

they saw

1413

00:49:44,309 --> 00:49:43,359

like what we could do with that data in

1414

00:49:47,670 --> 00:49:44,319

that evidence

1415

00:49:48,309 --> 00:49:47,680

it's just sad it's amazing exactly and

1416

00:49:49,910 --> 00:49:48,319

if some

1417

00:49:51,510 --> 00:49:49,920

you know there are some oriental

1418

00:49:53,190 --> 00:49:51,520

countries that can get hundreds of

1419

00:49:53,589 --> 00:49:53,200

thousands of people to meditate for 30

1420

00:49:55,510 --> 00:49:53,599

minutes

1421

00:49:56,790 --> 00:49:55,520

all together in the same location i

1422

00:49:59,109 --> 00:49:56,800

don't see why

1423

00:50:00,630 --> 00:49:59,119

we can't just look up with their eyes

1424

00:50:04,710 --> 00:50:00,640

into the sky and have

1425

00:50:06,790 --> 00:50:04,720

that same kind of effect of just that

1426  
00:50:08,630 --> 00:50:06,800  
i don't want to say the word freedom but

1427  
00:50:11,750 --> 00:50:08,640  
in a sense freedom to do

1428  
00:50:13,910 --> 00:50:11,760  
what you want but to do it with others

1429  
00:50:15,510 --> 00:50:13,920  
that's beautiful i love that well i'm

1430  
00:50:17,190 --> 00:50:15,520  
really looking forward to that i will

1431  
00:50:19,270 --> 00:50:17,200  
definitely take part with you guys

1432  
00:50:20,710 --> 00:50:19,280  
um awesome well i hope you'll take part

1433  
00:50:22,549 --> 00:50:20,720  
in these listener questions

1434  
00:50:24,870 --> 00:50:22,559  
with me christina i will fire them off

1435  
00:50:27,030 --> 00:50:24,880  
for you um we had some excited people

1436  
00:50:28,069 --> 00:50:27,040  
um my first one comes from one of my

1437  
00:50:30,470 --> 00:50:28,079  
patrons so

1438  
00:50:32,390 --> 00:50:30,480

my patreon subscribers get priority to

1439

00:50:33,030 --> 00:50:32,400

ask questions of our guests so if you

1440

00:50:35,109 --> 00:50:33,040

want

1441

00:50:36,150 --> 00:50:35,119

to be the first in line to ask our guest

1442

00:50:38,230 --> 00:50:36,160

a question

1443

00:50:39,510 --> 00:50:38,240

help somewhere in the skies and do the

1444

00:50:41,510 --> 00:50:39,520

same for eyes

1445

00:50:42,549 --> 00:50:41,520

on the skies and christina over your

1446

00:50:44,790 --> 00:50:42,559

youtube um

1447

00:50:45,750 --> 00:50:44,800

so our first question from patreon greg

1448

00:50:47,430 --> 00:50:45,760

greg asks

1449

00:50:49,829 --> 00:50:47,440

with the us government about to release

1450

00:50:52,309 --> 00:50:49,839

a report from the uh the pentagon

1451  
00:50:53,270 --> 00:50:52,319  
task force it's important to normalize

1452  
00:50:55,109 --> 00:50:53,280  
the subject

1453  
00:50:57,670 --> 00:50:55,119  
what are some good ways christina that

1454  
00:50:58,630 --> 00:50:57,680  
you think we can shed the stigma and

1455  
00:51:02,230 --> 00:50:58,640  
ridicule

1456  
00:51:03,990 --> 00:51:02,240  
with this whole ufo topic watching these

1457  
00:51:06,950 --> 00:51:04,000  
kinds of live casts

1458  
00:51:07,990 --> 00:51:06,960  
watching them sharing them liking them

1459  
00:51:11,349 --> 00:51:08,000  
talking to others

1460  
00:51:13,829 --> 00:51:11,359  
about them because not everyone

1461  
00:51:15,510 --> 00:51:13,839  
um has the same interests right but it's

1462  
00:51:17,910 --> 00:51:15,520  
having these discussions

1463  
00:51:19,349 --> 00:51:17,920

planting little seeds in people's minds

1464

00:51:21,510 --> 00:51:19,359

without bias without

1465

00:51:22,790 --> 00:51:21,520

forcing your opinion but just talking to

1466

00:51:26,950 --> 00:51:22,800

them about it

1467

00:51:29,430 --> 00:51:26,960

is a really big deal and i i

1468

00:51:31,030 --> 00:51:29,440

it's possible everyone can jump into

1469

00:51:33,270 --> 00:51:31,040

this topic and now with the mainstream

1470

00:51:34,790 --> 00:51:33,280

media touching on it already

1471

00:51:36,069 --> 00:51:34,800

that's a really big deal that's a really

1472

00:51:37,430 --> 00:51:36,079

big deal it's a really big step because

1473

00:51:39,910 --> 00:51:37,440

it's being talked about

1474

00:51:41,349 --> 00:51:39,920

and like louise jimenez says when you're

1475

00:51:43,109 --> 00:51:41,359

uh when you have that brink at the

1476  
00:51:44,710 --> 00:51:43,119  
break at the water cooler drinking water

1477  
00:51:45,349 --> 00:51:44,720  
be like hey did you watch the news about

1478  
00:51:47,270 --> 00:51:45,359  
aliens

1479  
00:51:48,950 --> 00:51:47,280  
you're like no okay well you better go

1480  
00:51:50,069 --> 00:51:48,960  
watch it it's like okay i'm gonna watch

1481  
00:51:53,589 --> 00:51:50,079  
it and then watch

1482  
00:51:57,430 --> 00:51:53,599  
all of these podcasts to get a more

1483  
00:52:00,309 --> 00:51:57,440  
in-depth in-scope tunnel vision

1484  
00:52:01,349 --> 00:52:00,319  
answers to what they're looking for that

1485  
00:52:05,349 --> 00:52:01,359  
maybe the

1486  
00:52:07,109 --> 00:52:05,359  
mainstream media can't really answer

1487  
00:52:08,870 --> 00:52:07,119  
that's so cool and again i think the

1488  
00:52:11,510 --> 00:52:08,880

power lies with

1489

00:52:14,390 --> 00:52:11,520

us you look at something like um george

1490

00:52:17,510 --> 00:52:14,400

knapp and jeremy corbell releasing these

1491

00:52:17,990 --> 00:52:17,520

ufo videos and the reason that they

1492

00:52:19,829 --> 00:52:18,000

didn't come

1493

00:52:21,430 --> 00:52:19,839

out from the mainstream media first is

1494

00:52:24,069 --> 00:52:21,440

because they wouldn't touch it

1495

00:52:25,670 --> 00:52:24,079

it wasn't until after corbell released

1496

00:52:26,069 --> 00:52:25,680

these things and nap released these

1497

00:52:27,990 --> 00:52:26,079

things

1498

00:52:29,190 --> 00:52:28,000

that they're like whoa there's a lot of

1499

00:52:31,190 --> 00:52:29,200

people talking about this

1500

00:52:33,109 --> 00:52:31,200

we should probably cover it so i think

1501  
00:52:35,829 --> 00:52:33,119  
it's important that um

1502  
00:52:37,750 --> 00:52:35,839  
the educating the public on this topic

1503  
00:52:40,309 --> 00:52:37,760  
is not coming from cnn

1504  
00:52:41,190 --> 00:52:40,319  
is not coming from the history channel

1505  
00:52:43,430 --> 00:52:41,200  
fox news

1506  
00:52:45,270 --> 00:52:43,440  
it's coming from things like what you're

1507  
00:52:46,870 --> 00:52:45,280  
doing what i'm doing what luis is doing

1508  
00:52:49,829 --> 00:52:46,880  
and all these passionate people who've

1509  
00:52:52,470 --> 00:52:49,839  
been looking into this topic for so long

1510  
00:52:54,150 --> 00:52:52,480  
and we have to remember that someone

1511  
00:52:54,950 --> 00:52:54,160  
like luis elizondo who worked for the

1512  
00:52:57,510 --> 00:52:54,960  
pentagon

1513  
00:52:59,270 --> 00:52:57,520

specifically told us on somewhere in the

1514

00:53:01,190 --> 00:52:59,280

skies i don't know if he said this

1515

00:53:02,309 --> 00:53:01,200

with you at the debrief but they're

1516

00:53:04,309 --> 00:53:02,319

watching us

1517

00:53:05,670 --> 00:53:04,319

they're on our twitter accounts looking

1518

00:53:08,150 --> 00:53:05,680

at what we're doing

1519

00:53:09,349 --> 00:53:08,160

and the cases we've looked into because

1520

00:53:12,870 --> 00:53:09,359

they have not been doing

1521

00:53:14,470 --> 00:53:12,880

ufo studies for 30 years like a lot of

1522

00:53:15,990 --> 00:53:14,480

these ufo researchers

1523

00:53:18,150 --> 00:53:16,000

a lot of them got put into these

1524

00:53:19,430 --> 00:53:18,160

positions they're behind so

1525

00:53:21,030 --> 00:53:19,440

they're behind and i need the

1526  
00:53:22,790 --> 00:53:21,040  
information so they come to us and be

1527  
00:53:24,309 --> 00:53:22,800  
like

1528  
00:53:26,710 --> 00:53:24,319  
yeah what do you got for me christina i

1529  
00:53:28,549 --> 00:53:26,720  
know it's it's freaky in one way i get a

1530  
00:53:30,950 --> 00:53:28,559  
little paranoid but then i'm like

1531  
00:53:32,790 --> 00:53:30,960  
good i'm glad the work i've done is

1532  
00:53:35,589 --> 00:53:32,800  
actually doing some good

1533  
00:53:36,950 --> 00:53:35,599  
um maybe who knows who knows maybe

1534  
00:53:37,750 --> 00:53:36,960  
they're just like yeah nah they're a

1535  
00:53:39,910 --> 00:53:37,760  
little crazy

1536  
00:53:41,670 --> 00:53:39,920  
well but it also shows that that they're

1537  
00:53:41,990 --> 00:53:41,680  
not in control of the narrative but they

1538  
00:53:44,069 --> 00:53:42,000

don't

1539

00:53:46,390 --> 00:53:44,079

really know what's going on so it goes

1540

00:53:48,309 --> 00:53:46,400

back to the 180 day report

1541

00:53:50,390 --> 00:53:48,319

how much do they really know who's

1542

00:53:52,309 --> 00:53:50,400

writing it where are they getting their

1543

00:53:54,710 --> 00:53:52,319

information from

1544

00:53:55,430 --> 00:53:54,720

yeah truly that's a good point truly

1545

00:53:58,790 --> 00:53:55,440

yeah

1546

00:54:01,750 --> 00:53:58,800

awesome let's

1547

00:54:02,710 --> 00:54:01,760

see what montana casey on twitter asks

1548

00:54:05,750 --> 00:54:02,720

uh

1549

00:54:08,069 --> 00:54:05,760

i have heard i've heard

1550

00:54:10,870 --> 00:54:08,079

you ask many folks what they think the

1551  
00:54:11,430 --> 00:54:10,880  
source of uapr ryan so i would love to

1552  
00:54:14,630 --> 00:54:11,440  
know

1553  
00:54:17,270 --> 00:54:14,640  
what christina thinks the source of uap

1554  
00:54:19,349 --> 00:54:17,280  
are do you have like one singular answer

1555  
00:54:21,670 --> 00:54:19,359  
for that christina or an answer at all

1556  
00:54:24,230 --> 00:54:21,680  
what are you ap where do they come from

1557  
00:54:26,309 --> 00:54:24,240  
what are they doing here look

1558  
00:54:27,990 --> 00:54:26,319  
i'm i'm really reluctant to even

1559  
00:54:28,790 --> 00:54:28,000  
speculate or give my opinion on what

1560  
00:54:31,270 --> 00:54:28,800  
they are because i

1561  
00:54:34,150 --> 00:54:31,280  
really do not have a solid opinion i

1562  
00:54:36,710 --> 00:54:34,160  
mean i'm open-minded to a small

1563  
00:54:37,990 --> 00:54:36,720

minority of compelling sightings being

1564

00:54:40,789 --> 00:54:38,000

from another civilization

1565

00:54:41,829 --> 00:54:40,799

or from another dimension or even from

1566

00:54:44,309 --> 00:54:41,839

the future

1567

00:54:45,430 --> 00:54:44,319

or a hidden race we share with on this

1568

00:54:46,950 --> 00:54:45,440

planet

1569

00:54:48,630 --> 00:54:46,960

um maybe coming from deep under the

1570

00:54:52,069 --> 00:54:48,640

oceans right usos

1571

00:54:55,030 --> 00:54:52,079

but i'm i'm just open-minded uh to many

1572

00:54:57,670 --> 00:54:55,040

sightings being of conventional origin

1573

00:54:58,230 --> 00:54:57,680

like drones or other mundane things i

1574

00:54:59,750 --> 00:54:58,240

mean

1575

00:55:02,470 --> 00:54:59,760

there are a lot of things out there that

1576  
00:55:03,589 --> 00:55:02,480  
are man-made that get misidentified for

1577  
00:55:05,750 --> 00:55:03,599  
the most part so

1578  
00:55:07,670 --> 00:55:05,760  
i'm seeking answers and i'm looking for

1579  
00:55:08,150 --> 00:55:07,680  
the truth so i haven't made up my mind

1580  
00:55:11,030 --> 00:55:08,160  
with a

1581  
00:55:12,150 --> 00:55:11,040  
solid belief or opinion on what they are

1582  
00:55:15,829 --> 00:55:12,160  
but

1583  
00:55:19,750 --> 00:55:15,839  
i do muse a lot about this it's like

1584  
00:55:21,190 --> 00:55:19,760  
it's like we're looking for a mystery

1585  
00:55:23,030 --> 00:55:21,200  
so it's like okay we're looking at a

1586  
00:55:24,549 --> 00:55:23,040  
mystery that's like a mirror that has

1587  
00:55:26,069 --> 00:55:24,559  
broken on the floor and has

1588  
00:55:28,069 --> 00:55:26,079

and it breaks into many different

1589

00:55:28,470 --> 00:55:28,079

fragments and somehow we're trying to

1590

00:55:30,950 --> 00:55:28,480

make

1591

00:55:31,829 --> 00:55:30,960

sense of how we put it all together but

1592

00:55:34,069 --> 00:55:31,839

when a mirror

1593

00:55:36,309 --> 00:55:34,079

breaks on the ground you see different

1594

00:55:36,870 --> 00:55:36,319

facets of the ceiling different facets

1595

00:55:41,670 --> 00:55:36,880

of the

1596

00:55:42,710 --> 00:55:41,680

looks sort of distorted

1597

00:55:44,789 --> 00:55:42,720

and that kind of leads into

1598

00:55:47,109 --> 00:55:44,799

disinformation it's like

1599

00:55:47,990 --> 00:55:47,119

you have so many pieces which ones are

1600

00:55:51,589 --> 00:55:48,000

real which one

1601  
00:55:53,430 --> 00:55:51,599  
are distorted or misinformation and so

1602  
00:55:56,150 --> 00:55:53,440  
if i go the route of thinking that it's

1603  
00:55:58,230 --> 00:55:56,160  
not aliens in these ufos and that it's

1604  
00:56:00,230 --> 00:55:58,240  
our own technology

1605  
00:56:01,750 --> 00:56:00,240  
in some cases i don't feel like it's a

1606  
00:56:04,549 --> 00:56:01,760  
far stretch

1607  
00:56:05,109 --> 00:56:04,559  
and let me tell you a story on that on

1608  
00:56:07,750 --> 00:56:05,119  
why

1609  
00:56:08,710 --> 00:56:07,760  
i think that way because it'll make a

1610  
00:56:12,870 --> 00:56:08,720  
lot more sense

1611  
00:56:15,430 --> 00:56:12,880  
so cool in 1903 the wright brothers

1612  
00:56:17,030 --> 00:56:15,440  
invented the airplane we know this right

1613  
00:56:17,910 --> 00:56:17,040

they were the pioneers of creating the

1614

00:56:21,270 --> 00:56:17,920

very first

1615

00:56:24,549 --> 00:56:21,280

successful airplane this was

1616

00:56:27,190 --> 00:56:24,559

paradigm shifting technology

1617

00:56:29,190 --> 00:56:27,200

but what happens in no time every

1618

00:56:31,190 --> 00:56:29,200

country with a sufficient

1619

00:56:32,789 --> 00:56:31,200

infrastructure is building and flying

1620

00:56:34,309 --> 00:56:32,799

these airplanes

1621

00:56:37,510 --> 00:56:34,319

and then it wasn't until the second

1622

00:56:38,309 --> 00:56:37,520

world war was when the united states

1623

00:56:41,270 --> 00:56:38,319

entered their

1624

00:56:42,230 --> 00:56:41,280

very first air battle between japan and

1625

00:56:44,390 --> 00:56:42,240

germany

1626  
00:56:46,150 --> 00:56:44,400  
here's why i'm saying this the united

1627  
00:56:47,750 --> 00:56:46,160  
states created

1628  
00:56:50,470 --> 00:56:47,760  
the airplane right they invented the

1629  
00:56:51,510 --> 00:56:50,480  
airplane but other countries had already

1630  
00:56:54,549 --> 00:56:51,520  
weaponized

1631  
00:56:56,710 --> 00:56:54,559  
this invention before the country that

1632  
00:57:00,309 --> 00:56:56,720  
invented it

1633  
00:57:01,910 --> 00:57:00,319  
okay so so it was a game-changing

1634  
00:57:05,589 --> 00:57:01,920  
technology that became

1635  
00:57:08,710 --> 00:57:05,599  
a deadly challenge to us and to why

1636  
00:57:10,309 --> 00:57:08,720  
when inventions are now found or things

1637  
00:57:11,109 --> 00:57:10,319  
that are under the works right like

1638  
00:57:13,910 --> 00:57:11,119

maybe some

1639

00:57:16,390 --> 00:57:13,920

things that we see in the sky are kept

1640

00:57:17,829 --> 00:57:16,400

under wraps to the best of its ability

1641

00:57:19,829 --> 00:57:17,839

because look what happened with the

1642

00:57:21,829 --> 00:57:19,839

wright brothers other countries

1643

00:57:23,910 --> 00:57:21,839

got the information and weaponized it

1644

00:57:26,390 --> 00:57:23,920

before the united states was

1645

00:57:27,510 --> 00:57:26,400

the united states did even the united

1646

00:57:30,069 --> 00:57:27,520

states created it

1647

00:57:31,109 --> 00:57:30,079

first is that fair well it depends on

1648

00:57:34,549 --> 00:57:31,119

how fast

1649

00:57:37,990 --> 00:57:34,559

you are in creating these things so

1650

00:57:39,349 --> 00:57:38,000

if if the government did

1651  
00:57:41,030 --> 00:57:39,359  
create these things that we're seeing in

1652  
00:57:44,150 --> 00:57:41,040  
the skies that are going these

1653  
00:57:47,829 --> 00:57:44,160  
insane speeds doing these insane

1654  
00:57:50,950 --> 00:57:47,839  
turns and they're blaming it on aliens

1655  
00:57:52,789 --> 00:57:50,960  
it turns people's eyes

1656  
00:57:54,069 --> 00:57:52,799  
somewhere else while the military is

1657  
00:57:56,710 --> 00:57:54,079  
right here

1658  
00:57:58,150 --> 00:57:56,720  
tweaking their technology not telling

1659  
00:58:00,870 --> 00:57:58,160  
other countries because

1660  
00:58:02,150 --> 00:58:00,880  
the mentality of the military regardless

1661  
00:58:04,230 --> 00:58:02,160  
of what country you're in

1662  
00:58:06,470 --> 00:58:04,240  
is to always have the upper hand to not

1663  
00:58:09,510 --> 00:58:06,480

let your enemies know what you're doing

1664

00:58:10,150 --> 00:58:09,520

and to make sure that you are ahead of

1665

00:58:13,270 --> 00:58:10,160

them in

1666

00:58:17,030 --> 00:58:13,280

every possible way it's whoever

1667

00:58:19,349 --> 00:58:17,040

can sort of like you said weaponize or

1668

00:58:21,990 --> 00:58:19,359

possess that technology first

1669

00:58:22,549 --> 00:58:22,000

like game over to be completely honest

1670

00:58:25,349 --> 00:58:22,559

and you know

1671

00:58:25,829 --> 00:58:25,359

the wright brothers didn't create the

1672

00:58:29,190 --> 00:58:25,839

first

1673

00:58:30,069 --> 00:58:29,200

plane to be used to drop bombs over

1674

00:58:32,470 --> 00:58:30,079

countries

1675

00:58:33,750 --> 00:58:32,480

and to uh you know do these sorts of

1676

00:58:36,390 --> 00:58:33,760

horrible things

1677

00:58:38,309 --> 00:58:36,400

um no it was to achieve flight to do

1678

00:58:41,750 --> 00:58:38,319

what we saw these incredible

1679

00:58:43,990 --> 00:58:41,760

birds do and and possibly ufos too

1680

00:58:44,870 --> 00:58:44,000

so yeah that's a good point very good

1681

00:58:46,789 --> 00:58:44,880

point

1682

00:58:48,390 --> 00:58:46,799

and again it's just speculation you know

1683

00:58:49,670 --> 00:58:48,400

i just think that i muse about outside

1684

00:58:51,670 --> 00:58:49,680

of the box

1685

00:58:53,589 --> 00:58:51,680

so i'm sorry that i didn't really answer

1686

00:58:56,309 --> 00:58:53,599

what i think uaps are just because

1687

00:58:58,309 --> 00:58:56,319

it's such a big question and there's so

1688

00:59:01,510 --> 00:58:58,319

many possibilities

1689

00:59:04,069 --> 00:59:01,520

yes and i loved the mirror sort of

1690

00:59:04,950 --> 00:59:04,079

analogy because it does it reflects

1691

00:59:07,030 --> 00:59:04,960

everything

1692

00:59:08,470 --> 00:59:07,040

a different way the minute you move that

1693

00:59:11,349 --> 00:59:08,480

little piece of the mirror

1694

00:59:12,789 --> 00:59:11,359

so your your your perception and your

1695

00:59:14,870 --> 00:59:12,799

thoughts on it are going to change

1696

00:59:16,069 --> 00:59:14,880

constantly so no i thought that was a

1697

00:59:16,549 --> 00:59:16,079

really good way of answering the

1698

00:59:19,270 --> 00:59:16,559

question

1699

00:59:19,589 --> 00:59:19,280

actually um for what that's worth um

1700

00:59:22,549 --> 00:59:19,599

we'll

1701

00:59:23,910 --> 00:59:22,559

sort of talking about um i guess uh

1702

00:59:27,510 --> 00:59:23,920

military and

1703

00:59:29,670 --> 00:59:27,520

sort of government involvement um

1704

00:59:31,670 --> 00:59:29,680

john bot on twitter wants to know what

1705

00:59:33,990 --> 00:59:31,680

do you make of the whole bob lazar

1706

00:59:36,870 --> 00:59:34,000

story this guy who claims to have

1707

00:59:40,549 --> 00:59:36,880

reverse engineered flying saucers

1708

00:59:43,430 --> 00:59:40,559

out at s4 um you know near area 51

1709

00:59:44,309 --> 00:59:43,440

do you believe any of the story about

1710

00:59:46,230 --> 00:59:44,319

bob lazar

1711

00:59:48,710 --> 00:59:46,240

and all this all this stuff he's claimed

1712

00:59:52,150 --> 00:59:48,720

to have been a part of

1713

00:59:54,230 --> 00:59:52,160

i'm i'm open-minded look i i don't

1714

00:59:56,470 --> 00:59:54,240

i don't want to judge him as true or

1715

00:59:58,549 --> 00:59:56,480

false here's the big thing

1716

00:59:59,510 --> 00:59:58,559

that he did even if he was lying or

1717

01:00:02,309 --> 00:59:59,520

telling the truth

1718

01:00:03,670 --> 01:00:02,319

he brought it to the public made people

1719

01:00:05,670 --> 01:00:03,680

question

1720

01:00:07,190 --> 01:00:05,680

what's happening what's happening what

1721

01:00:10,470 --> 01:00:07,200

the government is funding

1722

01:00:11,270 --> 01:00:10,480

and to try to reverse engineer crafts

1723

01:00:15,030 --> 01:00:11,280

that may be

1724

01:00:17,670 --> 01:00:15,040

that that maybe that they find

1725

01:00:19,990 --> 01:00:17,680

look regardless if it's real or not it's

1726

01:00:21,030 --> 01:00:20,000

opening people's minds including mind to

1727

01:00:24,390 --> 01:00:21,040

the curiosity

1728

01:00:25,270 --> 01:00:24,400

is it happening we don't know we don't

1729

01:00:27,270 --> 01:00:25,280

know

1730

01:00:29,589 --> 01:00:27,280

like whether you believe bob was or not

1731

01:00:32,309 --> 01:00:29,599

like he kind of put area 51

1732

01:00:34,150 --> 01:00:32,319

on the map and he did make us ask these

1733

01:00:36,630 --> 01:00:34,160

very existential questions

1734

01:00:38,150 --> 01:00:36,640

what if we did have a flying saucer what

1735

01:00:40,150 --> 01:00:38,160

if something did crash

1736

01:00:43,030 --> 01:00:40,160

in roswell yeah and it starts that

1737

01:00:43,990 --> 01:00:43,040

curiosity that's what scientists work on

1738

01:00:48,549 --> 01:00:44,000

to

1739

01:00:50,549 --> 01:00:48,559

such as the internet such as computers

1740

01:00:53,430 --> 01:00:50,559

cell phones it's that curiosity what can

1741

01:00:56,470 --> 01:00:53,440

i do to make life better what can i do

1742

01:00:59,190 --> 01:00:56,480

to just make

1743

01:00:59,670 --> 01:00:59,200

everything better than what it is right

1744

01:01:02,390 --> 01:00:59,680

now

1745

01:01:03,990 --> 01:01:02,400

so it all starts with the discussion to

1746

01:01:04,789 --> 01:01:04,000

figure things out you know to figure out

1747

01:01:08,309 --> 01:01:04,799

the mysteries

1748

01:01:12,309 --> 01:01:08,319

to the best of our ability absolutely

1749

01:01:14,710 --> 01:01:12,319

um he kate gamgee on twitter asks

1750

01:01:16,789 --> 01:01:14,720

have you found it hard as a woman to be

1751

01:01:18,710 --> 01:01:16,799

heard or taken seriously

1752

01:01:21,190 --> 01:01:18,720

on these topics in these communities

1753

01:01:23,589 --> 01:01:21,200

that you're a part of

1754

01:01:24,710 --> 01:01:23,599

i will say i am so lucky to start my

1755

01:01:28,309 --> 01:01:24,720

journey

1756

01:01:29,510 --> 01:01:28,319

in 2021 2020 uh just because it's been a

1757

01:01:31,910 --> 01:01:29,520

lot easier than maybe

1758

01:01:34,069 --> 01:01:31,920

for other women that had to endure it in

1759

01:01:35,190 --> 01:01:34,079

the 80s in the 90s linda moulton howe

1760

01:01:36,870 --> 01:01:35,200

leslie keane

1761

01:01:38,390 --> 01:01:36,880

these women that were not taken

1762

01:01:41,510 --> 01:01:38,400

seriously so yes

1763

01:01:45,510 --> 01:01:41,520

it is a bit uh difficult but

1764

01:01:47,190 --> 01:01:45,520

i am so lucky to be where i am right now

1765

01:01:48,630 --> 01:01:47,200

there of course have been some cases

1766

01:01:51,430 --> 01:01:48,640

where i've been ignored

1767

01:01:52,470 --> 01:01:51,440

who i won't name who i really wanted to

1768

01:01:55,270 --> 01:01:52,480

interview

1769

01:01:55,670 --> 01:01:55,280

but i guess they see my age my gender my

1770

01:01:57,990 --> 01:01:55,680

my

1771

01:02:00,230 --> 01:01:58,000

lack of experience and they just ignore

1772

01:02:02,069 --> 01:02:00,240

me so it's a bunch of things it's not

1773

01:02:03,829 --> 01:02:02,079

just being a woman

1774

01:02:05,349 --> 01:02:03,839

there are so many other factors behind

1775

01:02:09,109 --> 01:02:05,359

it but like i said

1776

01:02:11,910 --> 01:02:09,119

uh i'm lucky to start it in this era

1777

01:02:13,589 --> 01:02:11,920

and be taken seriously by many not by

1778

01:02:15,510 --> 01:02:13,599

all but by many

1779

01:02:16,630 --> 01:02:15,520

by many and you know you can only hope

1780

01:02:18,789 --> 01:02:16,640

that those who

1781

01:02:20,230 --> 01:02:18,799

feel that way will eventually come

1782

01:02:22,630 --> 01:02:20,240

around like most people do

1783

01:02:24,150 --> 01:02:22,640

and again your work speaks for your for

1784

01:02:27,670 --> 01:02:24,160

itself it doesn't matter

1785

01:02:28,150 --> 01:02:27,680

what gender or identity or nationality

1786

01:02:30,150 --> 01:02:28,160

or

1787

01:02:31,589 --> 01:02:30,160

whatever like we're all in this together

1788

01:02:33,990 --> 01:02:31,599

to find answers

1789

01:02:35,990 --> 01:02:34,000

so i totally get that and you know i

1790

01:02:36,710 --> 01:02:36,000

also i'm so happy you brought up those

1791

01:02:38,549 --> 01:02:36,720

names

1792

01:02:39,829 --> 01:02:38,559

because these were the women that kind

1793

01:02:42,549 --> 01:02:39,839

of paved the way

1794

01:02:43,910 --> 01:02:42,559

and um went through hell just to get

1795

01:02:44,870 --> 01:02:43,920

their information out there you know

1796

01:02:48,390 --> 01:02:44,880

they could give the

1797

01:02:49,670 --> 01:02:48,400

best lecture for two hours with the most

1798

01:02:52,230 --> 01:02:49,680

compelling evidence

1799

01:02:53,510 --> 01:02:52,240

of all time and what's that dude in the

1800

01:02:56,069 --> 01:02:53,520

front row gonna say

1801

01:02:57,990 --> 01:02:56,079

i don't like the color of her shoes or

1802

01:03:01,349 --> 01:02:58,000

she her hair looked a little

1803

01:03:02,950 --> 01:03:01,359

a little bad not about the amazing

1804

01:03:04,230 --> 01:03:02,960

groundbreaking evidence they brought

1805

01:03:06,069 --> 01:03:04,240

forward but are they going to say that

1806

01:03:08,309 --> 01:03:06,079

about the guy wearing the uh

1807

01:03:09,670 --> 01:03:08,319

the tweed suit and his buttons are all

1808

01:03:11,510 --> 01:03:09,680

done wrong and everything

1809

01:03:14,230 --> 01:03:11,520

no they're not it's just you're

1810

01:03:17,430 --> 01:03:14,240

scrutinized different in these fields as

1811

01:03:17,829 --> 01:03:17,440

you are in many different areas of the

1812

01:03:20,870 --> 01:03:17,839

world

1813

01:03:23,589 --> 01:03:20,880

and um you know fields as well so um

1814

01:03:25,029 --> 01:03:23,599

i i see it changing i'm excited for the

1815

01:03:28,870 --> 01:03:25,039

future of um

1816

01:03:31,029 --> 01:03:28,880

more uh female identifying individuals

1817

01:03:34,150 --> 01:03:31,039

getting involved in this topic

1818

01:03:37,589 --> 01:03:34,160

and um look if you and chrissy

1819

01:03:38,470 --> 01:03:37,599

and um and ufo jane and all these other

1820

01:03:40,150 --> 01:03:38,480

amazing

1821

01:03:42,150 --> 01:03:40,160

women out there are the future of it

1822

01:03:42,549 --> 01:03:42,160

like i have no doubt we're on the right

1823

01:03:44,549 --> 01:03:42,559

path

1824

01:03:45,829 --> 01:03:44,559

so um that's a really good question i'm

1825

01:03:48,150 --> 01:03:45,839

glad she asked that

1826

01:03:49,670 --> 01:03:48,160

it is an issue in this field i wouldn't

1827

01:03:50,309 --> 01:03:49,680

say necessarily it's an issue but it's

1828

01:03:52,789 --> 01:03:50,319

just you know

1829

01:03:53,990 --> 01:03:52,799

one side dominates it more than the

1830

01:03:55,750 --> 01:03:54,000

other but here's the thing

1831

01:03:57,430 --> 01:03:55,760

like you said more women are jumping

1832

01:03:59,349 --> 01:03:57,440

into the topic and the biggest thing to

1833

01:04:00,950 --> 01:03:59,359

why i'm here to why a lot of us join

1834

01:04:02,789 --> 01:04:00,960

this field is not only to find answers

1835

01:04:04,789 --> 01:04:02,799

but to inspire others

1836

01:04:06,470 --> 01:04:04,799

why there's the reason why there's so

1837

01:04:09,109 --> 01:04:06,480

many people in this

1838

01:04:09,829 --> 01:04:09,119

is so that those that are watching can

1839

01:04:12,069 --> 01:04:09,839

find

1840

01:04:13,430 --> 01:04:12,079

one person that they connect to that's

1841

01:04:15,349 --> 01:04:13,440

why we're all different

1842

01:04:17,109 --> 01:04:15,359

and that's why we all tell our stories

1843

01:04:18,230 --> 01:04:17,119

slightly differently so regardless if

1844

01:04:21,029 --> 01:04:18,240

you're a man or a woman

1845

01:04:23,029 --> 01:04:21,039

your age your ethnicity there's going to

1846

01:04:23,589 --> 01:04:23,039

be someone else that's going to connect

1847

01:04:25,510 --> 01:04:23,599

with you

1848

01:04:27,029 --> 01:04:25,520

and they're going to feel involved

1849

01:04:30,630 --> 01:04:27,039

through you

1850

01:04:31,270 --> 01:04:30,640

i love it um all right audrey audrey on

1851  
01:04:34,309 --> 01:04:31,280  
facebook

1852  
01:04:36,630 --> 01:04:34,319  
asks my nieces are starting to research

1853  
01:04:37,270 --> 01:04:36,640  
the uap phenomenon yay audrey that's

1854  
01:04:39,349 --> 01:04:37,280  
awesome

1855  
01:04:40,870 --> 01:04:39,359  
um they're researching it more and more

1856  
01:04:41,910 --> 01:04:40,880  
they've even mentioned starting a

1857  
01:04:44,470 --> 01:04:41,920  
podcast

1858  
01:04:45,109 --> 01:04:44,480  
but they're unsure about how to go about

1859  
01:04:46,710 --> 01:04:45,119  
it so

1860  
01:04:48,950 --> 01:04:46,720  
she wants to know christina do you have

1861  
01:04:50,710 --> 01:04:48,960  
any advice for the her young nieces out

1862  
01:04:54,470 --> 01:04:50,720  
there who want to get involved in

1863  
01:04:56,390 --> 01:04:54,480

both uap research and the podcasting one

1864

01:04:57,589 --> 01:04:56,400

jump in head first you're gonna mess up

1865

01:04:59,990 --> 01:04:57,599

a lot

1866

01:05:00,630 --> 01:05:00,000

you'll only learn as you go along but

1867

01:05:02,710 --> 01:05:00,640

just

1868

01:05:04,950 --> 01:05:02,720

do it watch other people that influence

1869

01:05:06,710 --> 01:05:04,960

you that inspire you

1870

01:05:09,430 --> 01:05:06,720

and just to get kind of get an idea of

1871

01:05:11,270 --> 01:05:09,440

how they reconcile with the information

1872

01:05:14,069 --> 01:05:11,280

that they're given their setup

1873

01:05:15,670 --> 01:05:14,079

but don't wait another day jump in it

1874

01:05:18,710 --> 01:05:15,680

today if you're watching this

1875

01:05:20,230 --> 01:05:18,720

whenever you watch it just start with

1876

01:05:21,349 --> 01:05:20,240

basic equipment you can even do it on

1877

01:05:24,710 --> 01:05:21,359

your cell phone

1878

01:05:26,710 --> 01:05:24,720

and go for it you got this um

1879

01:05:29,109 --> 01:05:26,720

inspirational words from someone on the

1880

01:05:30,390 --> 01:05:29,119

right track here is our last listener

1881

01:05:33,910 --> 01:05:30,400

question christina

1882

01:05:35,589 --> 01:05:33,920

um gerald on twitter asks um

1883

01:05:36,950 --> 01:05:35,599

this actually reminds me of my most

1884

01:05:39,510 --> 01:05:36,960

recent ask me anything

1885

01:05:41,109 --> 01:05:39,520

um i had my parents and sister come on

1886

01:05:41,750 --> 01:05:41,119

the show to talk about what they think

1887

01:05:43,349 --> 01:05:41,760

about

1888

01:05:45,270 --> 01:05:43,359

when i first got involved in this and

1889

01:05:47,910 --> 01:05:45,280

what they think now with everything

1890

01:05:50,710 --> 01:05:47,920

going on with ufos so um

1891

01:05:52,870 --> 01:05:50,720

gerald asks when is christina going to

1892

01:05:55,270 --> 01:05:52,880

tell her parents what she does

1893

01:05:55,990 --> 01:05:55,280

i'm sure they'd actually be very proud

1894

01:05:57,589 --> 01:05:56,000

of her

1895

01:05:59,670 --> 01:05:57,599

um we touched on that a little bit

1896

01:06:01,990 --> 01:05:59,680

earlier but yeah you ever gonna

1897

01:06:03,190 --> 01:06:02,000

you ever gonna tell them that you're um

1898

01:06:06,230 --> 01:06:03,200

you're one of us now

1899

01:06:07,510 --> 01:06:06,240

you're one of us uh probably when i

1900

01:06:09,109 --> 01:06:07,520

graduate college

1901

01:06:11,190 --> 01:06:09,119

when they're like okay you have no more

1902

01:06:13,109 --> 01:06:11,200

distractions you can tell me anything

1903

01:06:14,470 --> 01:06:13,119

but here's the thing when parents say oh

1904

01:06:16,069 --> 01:06:14,480

you can trust me you can tell me

1905

01:06:18,710 --> 01:06:16,079

anything

1906

01:06:20,150 --> 01:06:18,720

you can't believe it's not always true

1907

01:06:22,069 --> 01:06:20,160

yeah it's not always true but yeah but

1908

01:06:23,349 --> 01:06:22,079

when i graduate as one i'll as one i'll

1909

01:06:26,470 --> 01:06:23,359

probably bring it up to them

1910

01:06:29,589 --> 01:06:26,480

be like hey guys guess what

1911

01:06:32,630 --> 01:06:29,599

i i have a side diploma in ufology

1912

01:06:34,710 --> 01:06:32,640

surprise surprise minus the degree part

1913

01:06:37,589 --> 01:06:34,720

just the information part and all the

1914

01:06:39,510 --> 01:06:37,599

hours put into it

1915

01:06:41,750 --> 01:06:39,520

that's what it's all about though it's

1916

01:06:44,549 --> 01:06:41,760

not that piece of paper christina um

1917

01:06:45,990 --> 01:06:44,559

well closing questions for you what do

1918

01:06:48,549 --> 01:06:46,000

you hope to get out of

1919

01:06:50,069 --> 01:06:48,559

all this i mean you know we got your

1920

01:06:53,349 --> 01:06:50,079

reasons as to why you

1921

01:06:55,829 --> 01:06:53,359

kind of got interested got involved but

1922

01:06:56,950 --> 01:06:55,839

for you as an individual what do you

1923

01:06:58,710 --> 01:06:56,960

want out of this

1924

01:07:01,109 --> 01:06:58,720

i've asked this of many people and

1925

01:07:03,190 --> 01:07:01,119

everyone is amazing answers so um

1926

01:07:04,870 --> 01:07:03,200

putting the pressure on you right now

1927

01:07:06,950 --> 01:07:04,880

what does christina want out of

1928

01:07:09,990 --> 01:07:06,960

all of these journeys she's on right now

1929

01:07:14,470 --> 01:07:12,870

i want i want the future to be us

1930

01:07:18,789 --> 01:07:14,480

knowing what's out there

1931

01:07:22,230 --> 01:07:18,799

i want the world i want a world where

1932

01:07:25,430 --> 01:07:22,240

we evolve as a species in

1933

01:07:26,309 --> 01:07:25,440

into space like i i want kids of my

1934

01:07:29,750 --> 01:07:26,319

generation

1935

01:07:33,430 --> 01:07:29,760

kids to come to not

1936

01:07:35,910 --> 01:07:33,440

be in this battle of disclosure in this

1937

01:07:36,549 --> 01:07:35,920

marathon instead of a sprint i want it

1938

01:07:39,990 --> 01:07:36,559

to be an

1939

01:07:42,230 --> 01:07:40,000

open topic for everyone and just to know

1940

01:07:43,670 --> 01:07:42,240

that there's so much more to life than

1941

01:07:45,430 --> 01:07:43,680

what we see on earth there's so much

1942

01:07:47,270 --> 01:07:45,440

more to life than the internet than our

1943

01:07:48,549 --> 01:07:47,280

cell phones than tick tock

1944

01:07:50,870 --> 01:07:48,559

just by looking up into the stars and

1945

01:07:54,630 --> 01:07:50,880

letting your curiosity run

1946

01:07:56,230 --> 01:07:54,640

you can create anything that you want

1947

01:07:58,950 --> 01:07:56,240

people are people are stuck with

1948

01:08:01,990 --> 01:07:58,960

distractions again like the Kardashians

1949

01:08:04,069 --> 01:08:02,000

cell phones wi-fi tick-tock

1950

01:08:07,670 --> 01:08:04,079

all of these things and and it really

1951

01:08:10,789 --> 01:08:07,680

just dumbs down the imagination that we

1952

01:08:13,430 --> 01:08:10,799

all inherently have either through art

1953

01:08:14,069 --> 01:08:13,440

or through trying to invent something or

1954

01:08:17,349 --> 01:08:14,079

by just

1955

01:08:18,630 --> 01:08:17,359

asking really curious questions to

1956

01:08:22,070 --> 01:08:18,640

others

1957

01:08:24,229 --> 01:08:22,080

that's what i'm what i'm hoping

1958

01:08:26,070 --> 01:08:24,239

what i'm hoping to get in the future by

1959

01:08:29,749 --> 01:08:26,080

doing what i'm doing now

1960

01:08:32,390 --> 01:08:29,759

is to inspire people and to know that

1961

01:08:35,430 --> 01:08:32,400

i want we should live in a world where

1962

01:08:38,550 --> 01:08:35,440

we evolve as a species

1963

01:08:40,390 --> 01:08:38,560

i love that again i always tell people

1964

01:08:41,990 --> 01:08:40,400

we're into these topics because of the

1965

01:08:44,149 --> 01:08:42,000

ambition we see

1966

01:08:45,430 --> 01:08:44,159

displayed in these phenomena of like

1967

01:08:47,669 --> 01:08:45,440

what's possible

1968

01:08:49,430 --> 01:08:47,679

that we just don't know how to get there

1969

01:08:51,349 --> 01:08:49,440

yet it's gonna happen

1970

01:08:52,709 --> 01:08:51,359

we're not an earthbound species we're

1971

01:08:53,669 --> 01:08:52,719

curious we've already traveled to the

1972

01:08:56,470 --> 01:08:53,679

moon we have

1973

01:08:57,510 --> 01:08:56,480

uh probes on mars we have we have all of

1974

01:09:01,110 --> 01:08:57,520

these things

1975

01:09:03,990 --> 01:09:01,120

already orbiting in our solar system

1976

01:09:04,950 --> 01:09:04,000

because of our curiosity next is just to

1977

01:09:07,749 --> 01:09:04,960

send ourselves

1978

01:09:09,430 --> 01:09:07,759

out there farther than going to just the

1979

01:09:12,630 --> 01:09:09,440

moon

1980

01:09:15,189 --> 01:09:12,640

yeah i love that i love that what comes

1981

01:09:15,990 --> 01:09:15,199

next so that's my last question for you

1982

01:09:17,829 --> 01:09:16,000

christina

1983

01:09:19,749 --> 01:09:17,839

what comes next for you over at the

1984

01:09:22,070 --> 01:09:19,759

channel over at the debrief

1985

01:09:24,149 --> 01:09:22,080

any big projects you can tell us about

1986

01:09:26,550 --> 01:09:24,159

before you go here

1987

01:09:27,349 --> 01:09:26,560

well today i don't know when this will

1988

01:09:29,829 --> 01:09:27,359

be aired

1989

01:09:31,829 --> 01:09:29,839

but uh today i'm having a show called

1990

01:09:33,749 --> 01:09:31,839

when worlds collide

1991

01:09:35,749 --> 01:09:33,759

uh when the world of law enforcement

1992

01:09:38,550 --> 01:09:35,759

gets confronted by the world of the

1993

01:09:41,189 --> 01:09:38,560

paranormal and the world of ufos

1994

01:09:43,269 --> 01:09:41,199

also um on fridays i have shifting the

1995

01:09:45,910 --> 01:09:43,279

paradigm where i interview ufo

1996

01:09:48,709 --> 01:09:45,920

researchers and enthusiasts on the uap

1997

01:09:50,870 --> 01:09:48,719

topic and i'm trying to have more

1998

01:09:53,910 --> 01:09:50,880

episodes of mysteries with the history

1999

01:09:55,669 --> 01:09:53,920

talking about all topics that fall under

2000

01:09:58,149 --> 01:09:55,679

the umbrella of the paranormal

2001

01:09:59,510 --> 01:09:58,159

awesome christina that's this was a

2002

01:10:01,750 --> 01:09:59,520

marathon we covered

2003

01:10:03,830 --> 01:10:01,760

so much in the span of like an hour i

2004

01:10:05,750 --> 01:10:03,840

don't know about you but i'm exhausted

2005

01:10:07,830 --> 01:10:05,760

so i know you have a show to go prepare

2006

01:10:10,390 --> 01:10:07,840

for so i'm gonna let you go

2007

01:10:12,070 --> 01:10:10,400

but um where can we find everything

2008

01:10:14,470 --> 01:10:12,080

you're up to

2009

01:10:16,630 --> 01:10:14,480

so i put all of my updates on twitter at

2010

01:10:17,990 --> 01:10:16,640

eyes on the skies and then i

2011

01:10:20,229 --> 01:10:18,000

like i said have a youtube channel

2012

01:10:22,870 --> 01:10:20,239

called shifting the parrot

2013

01:10:23,590 --> 01:10:22,880

paradigm shifts ufo channel where i have

2014

01:10:25,430 --> 01:10:23,600

the uh

2015

01:10:28,070 --> 01:10:25,440

show called shifting the paradigm

2016

01:10:30,550 --> 01:10:28,080

getting them confused

2017

01:10:31,910 --> 01:10:30,560

but again all my updates are on twitter

2018

01:10:34,550 --> 01:10:31,920

well this has been

2019

01:10:35,750 --> 01:10:34,560

super refreshing i'm so happy we finally

2020

01:10:37,669 --> 01:10:35,760

made this happen i know we've been

2021

01:10:40,390 --> 01:10:37,679

talking about it for a while so

2022

01:10:41,990 --> 01:10:40,400

you know more than anything welcome

2023

01:10:45,830 --> 01:10:42,000

welcome to the crazy you

2024

01:10:47,110 --> 01:10:45,840

world of ufology um uh i know

2025

01:10:48,630 --> 01:10:47,120

that you're gonna make some amazing

2026

01:10:49,270 --> 01:10:48,640

discoveries along the way and i can't

2027

01:10:53,189 --> 01:10:49,280

see what

2028

01:10:55,189 --> 01:10:53,199

next so thank you thank you for joining

2029

01:11:03,850 --> 01:10:55,199

me today on somewhere in the skies

2030

01:11:36,650 --> 01:11:34,960

[Music]
