

**SOMEWHERE
IN THE
SKIES**

**THEN & NOW:
UFOS AND THE GOVERNMENT**

1
00:00:00,920 --> 00:00:22,950

[Music]

2
00:00:26,800 --> 00:00:23,429

this

3
00:00:28,830 --> 00:00:26,810

is somewhere in the skies with ryan

4
00:00:48,630 --> 00:00:28,840

[Music]

5
00:00:52,470 --> 00:00:50,790

hey guys what's going on ryan sprague

6
00:00:53,270 --> 00:00:52,480

here from somewhere in the skies and

7
00:00:56,470 --> 00:00:53,280

welcome

8
00:00:56,869 --> 00:00:56,480

to a very special presentation tonight

9
00:00:59,270 --> 00:00:56,879

this

10
00:01:00,310 --> 00:00:59,280

live stream that i uh i wanted to share

11
00:01:03,750 --> 00:01:00,320

with you guys um

12
00:01:05,429 --> 00:01:03,760

before i do that i had no idea that our

13
00:01:06,630 --> 00:01:05,439

good friends at the unidentified

14

00:01:08,950 --> 00:01:06,640

celebrity review

15

00:01:09,670 --> 00:01:08,960

were going live at this very moment as

16

00:01:15,270 --> 00:01:09,680

well

17

00:01:17,190 --> 00:01:15,280

going live over on his show meanwhile

18

00:01:19,109 --> 00:01:17,200

here on earth so to both of these

19

00:01:22,550 --> 00:01:19,119

gentlemen i do apologize

20

00:01:25,590 --> 00:01:22,560

um i'm new to this monday live stream

21

00:01:27,830 --> 00:01:25,600

thing so please forgive me i hope um

22

00:01:30,789 --> 00:01:27,840

i hope we can all uh be a part of each

23

00:01:32,950 --> 00:01:30,799

other's shows uh moving forward so um

24

00:01:35,030 --> 00:01:32,960

go watch unidentified celebrity review

25

00:01:36,950 --> 00:01:35,040

after this and go watch meanwhile

26
00:01:40,149 --> 00:01:36,960
here on earth with peter robbins at the

27
00:01:42,550 --> 00:01:40,159
kgra network on youtube uh

28
00:01:44,069 --> 00:01:42,560
so the reason i am here with you guys

29
00:01:46,630 --> 00:01:44,079
tonight is uh

30
00:01:47,749 --> 00:01:46,640
there has been so much talk lately of

31
00:01:50,389 --> 00:01:47,759
this uap

32
00:01:52,310 --> 00:01:50,399
report that's coming from the pentagon

33
00:01:54,550 --> 00:01:52,320
and it's almost become

34
00:01:55,990 --> 00:01:54,560
this almost mythical creature something

35
00:01:58,709 --> 00:01:56,000
that we're hoping

36
00:02:00,709 --> 00:01:58,719
will be big um that this will be grand

37
00:02:02,469 --> 00:02:00,719
disclosure for everyone but uh i think

38
00:02:03,910 --> 00:02:02,479

most of us at this point know uh that's

39

00:02:06,230 --> 00:02:03,920

probably not gonna be the case

40

00:02:07,429 --> 00:02:06,240

but we should be excited nonetheless

41

00:02:08,630 --> 00:02:07,439

that we're getting anything

42

00:02:10,949 --> 00:02:08,640

from the government when it comes to

43

00:02:12,790 --> 00:02:10,959

ufos but that is um that's kind of what

44

00:02:16,309 --> 00:02:12,800

we're going to be talking about tonight

45

00:02:18,470 --> 00:02:16,319

is um the tumultuous history

46

00:02:20,309 --> 00:02:18,480

with the government uh the united states

47

00:02:23,750 --> 00:02:20,319

government in specific

48

00:02:25,270 --> 00:02:23,760

with uh the uap topic ufos so um

49

00:02:27,030 --> 00:02:25,280

you know for those of you who are

50

00:02:27,910 --> 00:02:27,040

veterans in this field and have been

51

00:02:29,589 --> 00:02:27,920

looking into it

52

00:02:31,750 --> 00:02:29,599

this might be treading a lot of the

53

00:02:33,190 --> 00:02:31,760

stuff you already know but for anyone

54

00:02:34,869 --> 00:02:33,200

new watching this who

55

00:02:36,390 --> 00:02:34,879

you know kind of wants to get caught up

56

00:02:38,470 --> 00:02:36,400

on the the very

57

00:02:40,309 --> 00:02:38,480

interesting history of ufos in the

58

00:02:43,270 --> 00:02:40,319

government um this is for you

59

00:02:45,030 --> 00:02:43,280

so um either way veterans newbies alike

60

00:02:47,190 --> 00:02:45,040

i hope you'll appreciate this

61

00:02:49,030 --> 00:02:47,200

tonight um it is a presentation so i

62

00:02:50,790 --> 00:02:49,040

have a bunch of slides for you guys

63

00:02:52,390 --> 00:02:50,800

i'm going to be reading from my script

64

00:02:53,830 --> 00:02:52,400

as some of you may know when i'm not a

65

00:02:56,070 --> 00:02:53,840

ufo researcher

66

00:02:57,509 --> 00:02:56,080

i'm a playwright so i'm a slave to a

67

00:02:58,949 --> 00:02:57,519

script so please forgive me for that

68

00:03:00,790 --> 00:02:58,959

this is my first time

69

00:03:02,309 --> 00:03:00,800

putting this presentation together um

70

00:03:04,229 --> 00:03:02,319

but we will get through it together

71

00:03:05,430 --> 00:03:04,239

but before we do that i do want to say

72

00:03:07,750 --> 00:03:05,440

hello to everyone

73

00:03:09,509 --> 00:03:07,760

in the chat we've got night gazer

74

00:03:12,149 --> 00:03:09,519

invisible night school

75

00:03:13,750 --> 00:03:12,159

ethereal aura is here wayne is here gaza

76

00:03:15,910 --> 00:03:13,760

is here artemis is here

77

00:03:17,990 --> 00:03:15,920

thank you thank you to all of you guys

78

00:03:21,110 --> 00:03:18,000

for being here tonight

79

00:03:23,750 --> 00:03:21,120

hello ufo knots

80

00:03:25,430 --> 00:03:23,760

this is awesome again i know there's a

81

00:03:25,830 --> 00:03:25,440

lot of live streams going on tonight so

82

00:03:35,830 --> 00:03:25,840

i

83

00:03:39,110 --> 00:03:35,840

channel so

84

00:03:41,350 --> 00:03:39,120

um i do a show every week

85

00:03:42,710 --> 00:03:41,360

um whether it's through podcast form or

86

00:03:44,149 --> 00:03:42,720

youtube so um

87

00:03:46,470 --> 00:03:44,159

any help you're willing to give the show

88

00:03:47,750 --> 00:03:46,480

is always appreciated you can start by

89

00:03:49,350 --> 00:03:47,760

liking this video

90

00:03:51,589 --> 00:03:49,360

subscribing to the channel right there

91

00:03:53,830 --> 00:03:51,599

on youtube um or if you want to help the

92

00:03:56,470 --> 00:03:53,840

show even more the super chat is open

93

00:03:57,750 --> 00:03:56,480

so your comments will go to the top um

94

00:03:59,990 --> 00:03:57,760

and your questions

95

00:04:02,229 --> 00:04:00,000

as well if you decide to use the super

96

00:04:02,949 --> 00:04:02,239

chat or if you want to join my patreon

97

00:04:05,910 --> 00:04:02,959

campaign

98

00:04:07,270 --> 00:04:05,920

it's patreon.com somewhereskies and

99

00:04:08,149 --> 00:04:07,280

that's where you get a ton of bonus

100

00:04:10,309 --> 00:04:08,159

material

101
00:04:11,750 --> 00:04:10,319
and rewards for uh becoming a member a

102
00:04:14,070 --> 00:04:11,760
patreon subscriber

103
00:04:16,069 --> 00:04:14,080
um you get early additions to all of my

104
00:04:17,509 --> 00:04:16,079
shows and uh so many other perks and

105
00:04:21,509 --> 00:04:17,519
rewards so go check that out

106
00:04:22,950 --> 00:04:21,519
at patreon.com somewhere skies i promise

107
00:04:25,350 --> 00:04:22,960
that's all the marketing i'm gonna do

108
00:04:28,310 --> 00:04:25,360
with you guys um so yeah

109
00:04:29,909 --> 00:04:28,320
i guess um again forgive me if i trip

110
00:04:32,310 --> 00:04:29,919
through this thing um

111
00:04:33,030 --> 00:04:32,320
it's my first time doing this but let's

112
00:04:36,390 --> 00:04:33,040
start

113
00:04:39,670 --> 00:04:36,400

with the history of the ufos and uh

114

00:04:40,629 --> 00:04:39,680

government so bear with me here as i

115

00:04:42,310 --> 00:04:40,639

navigate through

116

00:04:44,150 --> 00:04:42,320

all of the stuff i tried to prepare for

117

00:04:48,070 --> 00:04:44,160

you guys

118

00:04:49,030 --> 00:04:48,080

so yes this is kind of where it all

119

00:04:50,629 --> 00:04:49,040

began

120

00:04:52,710 --> 00:04:50,639

uh can you guys hear me while these

121

00:04:54,070 --> 00:04:52,720

photos are up here please let me know

122

00:04:55,830 --> 00:04:54,080

because that would be deadly

123

00:04:58,390 --> 00:04:55,840

if not you're just staring at an object

124

00:05:01,590 --> 00:04:58,400

in silence um

125

00:05:03,350 --> 00:05:01,600

so washington dc uh

126

00:05:05,430 --> 00:05:03,360

well let's go back a little bit kenneth

127

00:05:07,350 --> 00:05:05,440

arnold uh had his famous

128

00:05:08,950 --> 00:05:07,360

flying saucer sighting over mount

129

00:05:12,310 --> 00:05:08,960

rainier in washington on

130

00:05:14,710 --> 00:05:12,320

june 24 1947 and then we had the roswell

131

00:05:18,070 --> 00:05:14,720

crash in july of 47 as well

132

00:05:21,270 --> 00:05:18,080

and then in 1952 there was a

133

00:05:24,070 --> 00:05:21,280

major wave of ufos cited over washington

134

00:05:24,390 --> 00:05:24,080

dc and even over the capital uh jets

135

00:05:26,629 --> 00:05:24,400

were

136

00:05:28,469 --> 00:05:26,639

scrambled and they still couldn't figure

137

00:05:31,510 --> 00:05:28,479

out what these things were

138

00:05:34,550 --> 00:05:31,520

and um panic was setting in so

139

00:05:36,629 --> 00:05:34,560

the pentagon and the air force wanted to

140

00:05:38,469 --> 00:05:36,639

you know sort of set the record straight

141

00:05:41,110 --> 00:05:38,479

on their dealings with uh

142

00:05:42,629 --> 00:05:41,120

this new ufo craze things were

143

00:05:44,070 --> 00:05:42,639

supposedly crashing things are being

144

00:05:45,830 --> 00:05:44,080

reported all over

145

00:05:47,350 --> 00:05:45,840

they're swarming over our nation's

146

00:05:50,710 --> 00:05:47,360

capital so

147

00:05:52,469 --> 00:05:50,720

what did they do they um they created a

148

00:05:54,230 --> 00:05:52,479

project now we all know about project

149

00:05:56,230 --> 00:05:54,240

blue book which we'll get to but

150

00:05:57,909 --> 00:05:56,240

there had actually been two air force

151

00:06:01,189 --> 00:05:57,919

projects prior to blue book

152

00:06:04,550 --> 00:06:01,199

project sign and project grudge which uh

153

00:06:06,230 --> 00:06:04,560

which ran from 1949 to early 1950

154

00:06:08,150 --> 00:06:06,240

and by the time grudge was around the

155

00:06:11,830 --> 00:06:08,160

air force wanted to

156

00:06:14,070 --> 00:06:11,840

basically debunk the ufo craze that had

157

00:06:18,550 --> 00:06:14,080

sort of swept the nation so let me get

158

00:06:21,909 --> 00:06:20,469

that face should look familiar to a lot

159

00:06:23,830 --> 00:06:21,919

of you out there

160

00:06:25,029 --> 00:06:23,840

um yeah this is when project blue book

161

00:06:27,909 --> 00:06:25,039

was created

162

00:06:29,029 --> 00:06:27,919

and uh it was more of a publicity stunt

163

00:06:31,270 --> 00:06:29,039

on the surface

164

00:06:32,550 --> 00:06:31,280

to explain away ufos and uh one of the

165

00:06:34,230 --> 00:06:32,560

most notable people

166

00:06:36,550 --> 00:06:34,240

who worked with project blue book was

167

00:06:40,070 --> 00:06:36,560

astronomer j allen heineck

168

00:06:40,550 --> 00:06:40,080

and he was hired to basically debunk ufo

169

00:06:43,830 --> 00:06:40,560

reports

170

00:06:45,510 --> 00:06:43,840

exactly what the air force wanted and um

171

00:06:47,749 --> 00:06:45,520

yeah any reports brought to law

172

00:06:48,550 --> 00:06:47,759

enforcement aviation companies and of

173

00:06:50,790 --> 00:06:48,560

course

174

00:06:53,270 --> 00:06:50,800

reports brought to the air force so the

175

00:06:56,230 --> 00:06:53,280

program ran until 1969

176

00:06:57,029 --> 00:06:56,240

with a total of over 12 000 sightings

177

00:06:59,909 --> 00:06:57,039

reported

178

00:07:01,270 --> 00:06:59,919

and about 700 of them remaining

179

00:07:02,790 --> 00:07:01,280

unexplained

180

00:07:05,110 --> 00:07:02,800

which is pretty interesting if you ask

181

00:07:08,629 --> 00:07:05,120

me but um let's move back

182

00:07:12,390 --> 00:07:08,639

to uh 1952 during the

183

00:07:17,589 --> 00:07:15,189

so this is what was called the robertson

184

00:07:18,790 --> 00:07:17,599

panel the number of ufo reports had

185

00:07:22,230 --> 00:07:18,800

climbed so much

186

00:07:24,150 --> 00:07:22,240

to a record high in 52 53 and

187

00:07:25,909 --> 00:07:24,160

this panic actually led the central

188

00:07:27,909 --> 00:07:25,919

intelligence agency

189

00:07:29,270 --> 00:07:27,919

to prompt the us government to establish

190

00:07:31,029 --> 00:07:29,280

an expert panel

191

00:07:33,110 --> 00:07:31,039

of scientists to investigate the

192

00:07:33,749 --> 00:07:33,120

phenomena uh the panel was headed by

193

00:07:36,309 --> 00:07:33,759

howard p

194

00:07:38,070 --> 00:07:36,319

robertson a physicist at california

195

00:07:39,990 --> 00:07:38,080

institute of technology

196

00:07:41,510 --> 00:07:40,000

and uh included other physicists a

197

00:07:44,710 --> 00:07:41,520

rocket engineer and

198

00:07:46,550 --> 00:07:44,720

j alan heineck the sole astronomer

199

00:07:49,670 --> 00:07:46,560

the robertson panel met for three days

200

00:07:51,749 --> 00:07:49,680

in 53 and interviewed military officers

201
00:07:54,070 --> 00:07:51,759
and the head of project blue book and

202
00:07:55,350 --> 00:07:54,080
they also reviewed films and photographs

203
00:07:58,469 --> 00:07:55,360
of ufos

204
00:07:59,350 --> 00:07:58,479
and their conclusions were as you see

205
00:08:01,189 --> 00:07:59,360
there

206
00:08:02,629 --> 00:08:01,199
90 of the sightings could be easily

207
00:08:04,790 --> 00:08:02,639
attributed to

208
00:08:06,710 --> 00:08:04,800
astronomical and meteorologic phenomena

209
00:08:07,830 --> 00:08:06,720
such as bright planets stars meteors

210
00:08:10,869 --> 00:08:07,840
auroras

211
00:08:13,110 --> 00:08:10,879
iron ion clouds and so much more

212
00:08:14,390 --> 00:08:13,120
or to such earthly objects as aircraft

213
00:08:17,189 --> 00:08:14,400

balloons birds and

214

00:08:18,469 --> 00:08:17,199

searchlights there was no obvious

215

00:08:20,469 --> 00:08:18,479

security threat

216

00:08:21,950 --> 00:08:20,479

and there was no evidence to support the

217

00:08:27,670 --> 00:08:21,960

notion that this was an

218

00:08:31,589 --> 00:08:27,680

extraterrestrial visitation

219

00:08:34,550 --> 00:08:31,599

basically after um this panel concluded

220

00:08:36,230 --> 00:08:34,560

general john a samford the air force

221

00:08:38,310 --> 00:08:36,240

intelligence director at the time

222

00:08:40,389 --> 00:08:38,320

he gave a press conference at the

223

00:08:46,070 --> 00:08:40,399

pentagon and he stated the following

224

00:08:51,190 --> 00:08:48,790

i am here to discuss the so-called

225

00:08:52,870 --> 00:08:51,200

flying saucers the air force interest in

226

00:08:54,630 --> 00:08:52,880

this problem

227

00:08:56,470 --> 00:08:54,640

has been due to our feeling of an

228

00:09:00,070 --> 00:08:56,480

obligation to

229

00:09:01,110 --> 00:09:00,080

identify and analyze to the best of our

230

00:09:04,150 --> 00:09:01,120

ability anything

231

00:09:05,190 --> 00:09:04,160

in the air that may have the possibility

232

00:09:07,430 --> 00:09:05,200

of threat

233

00:09:09,110 --> 00:09:07,440

or menace to the united states in

234

00:09:12,790 --> 00:09:09,120

pursuit of this obligation

235

00:09:13,269 --> 00:09:12,800

since 1947 we have received and analyzed

236

00:09:16,230 --> 00:09:13,279

between

237

00:09:18,870 --> 00:09:16,240

one and two thousand reports that have

238

00:09:21,110 --> 00:09:18,880

come to us from all kinds of sources

239

00:09:22,310 --> 00:09:21,120

of this great massive reports we have

240

00:09:25,509 --> 00:09:22,320

been able

241

00:09:26,550 --> 00:09:25,519

adequately to explain the great bulk of

242

00:09:31,990 --> 00:09:26,560

them

243

00:09:34,550 --> 00:09:32,000

however there have been a certain

244

00:09:36,550 --> 00:09:34,560

percentage of this volume of reports

245

00:09:37,990 --> 00:09:36,560

that have been made by credible

246

00:09:41,350 --> 00:09:38,000

observers

247

00:09:44,230 --> 00:09:41,360

of relatively incredible things

248

00:09:44,630 --> 00:09:44,240

we can say that the recent sightings are

249

00:09:47,430 --> 00:09:44,640

in

250

00:09:48,389 --> 00:09:47,440

no way connected with any secret

251
00:09:54,230 --> 00:09:48,399
development

252
00:10:00,949 --> 00:09:57,750
so yeah that was from a long time ago

253
00:10:02,389 --> 00:10:00,959
and we're hearing almost the same thing

254
00:10:03,910 --> 00:10:02,399
coming from the pentagon

255
00:10:05,829 --> 00:10:03,920
today which we will get to a little bit

256
00:10:07,750 --> 00:10:05,839
later but um it's pretty interesting how

257
00:10:09,190 --> 00:10:07,760
this is mirroring a lot of what went on

258
00:10:12,389 --> 00:10:09,200
during the robertson

259
00:10:13,750 --> 00:10:12,399
panel and whatnot but um yeah so j

260
00:10:15,910 --> 00:10:13,760
ellen heineck was a part of the

261
00:10:17,910 --> 00:10:15,920
robertson panel he was brought in

262
00:10:19,190 --> 00:10:17,920
to look at these things with fellow

263
00:10:22,949 --> 00:10:19,200

scientists and

264

00:10:25,509 --> 00:10:22,959

and everyone in between and um he was

265

00:10:26,230 --> 00:10:25,519

kind of disappointed in the conclusions

266

00:10:29,430 --> 00:10:26,240

that they

267

00:10:30,389 --> 00:10:29,440

came to and he made that very uh very

268

00:10:32,550 --> 00:10:30,399

apparent

269

00:10:33,990 --> 00:10:32,560

especially and there was a documentary

270

00:10:36,790 --> 00:10:34,000

that rod serling

271

00:10:37,670 --> 00:10:36,800

actually narrated called uh ufos it has

272

00:10:39,750 --> 00:10:37,680

begun

273

00:10:40,949 --> 00:10:39,760

so i'm gonna let jl and heinek actually

274

00:10:41,910 --> 00:10:40,959

tell you his thoughts on how the

275

00:10:44,550 --> 00:10:41,920

robertson

276

00:10:45,670 --> 00:10:44,560

panel went what they did and uh why he

277

00:10:47,750 --> 00:10:45,680

thinks that um

278

00:10:51,190 --> 00:10:47,760

yeah wasn't what he expected so take a

279

00:10:54,790 --> 00:10:52,470

i was called into the meeting on

280

00:10:56,710 --> 00:10:54,800

thursday the

281

00:10:57,829 --> 00:10:56,720

panel members were seated around this

282

00:11:00,069 --> 00:10:57,839

table

283

00:11:01,910 --> 00:11:00,079

it was a rather somber and impressive

284

00:11:03,750 --> 00:11:01,920

occasion actually

285

00:11:05,750 --> 00:11:03,760

but then for the past four years i had

286

00:11:07,910 --> 00:11:05,760

been scientific advisor to the us air

287

00:11:09,990 --> 00:11:07,920

force on this very problem

288

00:11:11,509 --> 00:11:10,000

there were two films that were of

289

00:11:15,269 --> 00:11:11,519

particular interest to the

290

00:11:17,750 --> 00:11:15,279

panel at that time one was a film taken

291

00:11:19,750 --> 00:11:17,760

by a navy officer while on vacation in

292

00:11:22,230 --> 00:11:19,760

utah near tremonton utah

293

00:11:23,110 --> 00:11:22,240

the utah film had already been subjected

294

00:11:25,990 --> 00:11:23,120

to some

295

00:11:27,829 --> 00:11:26,000

thousand or so man hours of analysis by

296

00:11:34,949 --> 00:11:27,839

the navy's photographic interpretation

297

00:11:39,030 --> 00:11:37,590

so the panel got up from their chairs

298

00:11:40,630 --> 00:11:39,040

and crouched around the

299

00:11:42,069 --> 00:11:40,640

walls and family films they asked to

300

00:11:44,389 --> 00:11:42,079

have the films run several times as a

301
00:11:47,110 --> 00:11:44,399
matter of fact

302
00:11:48,550 --> 00:11:47,120
now the navy had on the basis of their

303
00:11:51,190 --> 00:11:48,560
detailed analysis

304
00:11:52,710 --> 00:11:51,200
of the utah films they had concluded

305
00:11:53,670 --> 00:11:52,720
that the objects shown on the films

306
00:11:55,590 --> 00:11:53,680
could not be

307
00:11:57,430 --> 00:11:55,600
birds balloons aircraft and so forth but

308
00:12:00,150 --> 00:11:57,440
indeed that they were self-luminous

309
00:12:01,190 --> 00:12:00,160
unidentified objects despite this

310
00:12:03,750 --> 00:12:01,200
conclusion

311
00:12:05,030 --> 00:12:03,760
the panel rejected it and concluded that

312
00:12:07,269 --> 00:12:05,040
the objects were

313
00:12:09,509 --> 00:12:07,279

birds they couldn't be unidentified

314

00:12:11,670 --> 00:12:09,519

therefore they had to be birds

315

00:12:12,949 --> 00:12:11,680

i came away from the meeting and from

316

00:12:16,550 --> 00:12:12,959

the room with the

317

00:12:19,670 --> 00:12:16,560

distinct feeling however that the panel

318

00:12:23,190 --> 00:12:19,680

had deliberately moved to debunk

319

00:12:26,069 --> 00:12:23,200

the whole subject and not to give it

320

00:12:30,470 --> 00:12:26,079

the serious scientific attention which

321

00:12:35,110 --> 00:12:33,269

right so after that basically once

322

00:12:37,670 --> 00:12:35,120

project blue book uh

323

00:12:38,629 --> 00:12:37,680

kind of concluded which we will get to

324

00:12:41,030 --> 00:12:38,639

um

325

00:12:42,230 --> 00:12:41,040

hynek kind of left thinking a lot of

326

00:12:44,389 --> 00:12:42,240

this is real

327

00:12:45,269 --> 00:12:44,399

a lot of these anomalies i cannot

328

00:12:46,870 --> 00:12:45,279

explain

329

00:12:49,430 --> 00:12:46,880

they cannot be debunked and he would

330

00:12:50,470 --> 00:12:49,440

actually go on to form his own ufo

331

00:12:53,590 --> 00:12:50,480

organization

332

00:12:55,350 --> 00:12:53,600

to investigate ufos so talk about like a

333

00:12:56,069 --> 00:12:55,360

turn of the tides when it comes to be

334

00:12:57,829 --> 00:12:56,079

going in

335

00:13:00,150 --> 00:12:57,839

to debunk and then coming out on the

336

00:13:01,110 --> 00:13:00,160

other side um not so much a believer i

337

00:13:03,509 --> 00:13:01,120

would say but an

338

00:13:04,150 --> 00:13:03,519

acknowledger of the fact that ufo

339

00:13:06,550 --> 00:13:04,160

phenomena

340

00:13:09,030 --> 00:13:06,560

is far more complex than we could ever

341

00:13:12,389 --> 00:13:09,040

possibly imagine or find answers to

342

00:13:14,870 --> 00:13:12,399

um now during his time though

343

00:13:16,550 --> 00:13:14,880

when he was sent in to debunk a lot of

344

00:13:17,190 --> 00:13:16,560

these things there was a very famous

345

00:13:18,949 --> 00:13:17,200

incident

346

00:13:20,949 --> 00:13:18,959

in michigan which a lot of you probably

347

00:13:24,550 --> 00:13:20,959

know about the infamous

348

00:13:25,430 --> 00:13:24,560

swamp gas explanation so a ton of people

349

00:13:27,509 --> 00:13:25,440

in michigan

350

00:13:29,350 --> 00:13:27,519

had reported seeing these really strange

351

00:13:31,030 --> 00:13:29,360

aluminum illuminated

352

00:13:32,470 --> 00:13:31,040

lights and discs and everything in

353

00:13:35,590 --> 00:13:32,480

between and

354

00:13:37,110 --> 00:13:35,600

um heinek came there and after doing a

355

00:13:39,110 --> 00:13:37,120

thorough investigation

356

00:13:40,550 --> 00:13:39,120

he gave a press conference in michigan

357

00:13:43,590 --> 00:13:40,560

uh detroit i believe

358

00:13:46,550 --> 00:13:43,600

to be exact and um told

359

00:13:47,269 --> 00:13:46,560

everyone that what they saw was swamp

360

00:13:49,910 --> 00:13:47,279

gas

361

00:13:50,470 --> 00:13:49,920

this natural phenomena that exists in

362

00:13:53,990 --> 00:13:50,480

the very

363

00:13:56,310 --> 00:13:54,000

gaseous um belly of swamps where

364

00:13:57,350 --> 00:13:56,320

you know all this pressure and um and

365

00:13:59,509 --> 00:13:57,360

stuff just

366

00:14:00,389 --> 00:13:59,519

explodes to the surface in illuminated

367

00:14:03,030 --> 00:14:00,399

light in that

368

00:14:04,550 --> 00:14:03,040

somehow all of these people had mistaken

369

00:14:07,269 --> 00:14:04,560

that for a ufo

370

00:14:08,949 --> 00:14:07,279

um so you can imagine a lot of the

371

00:14:10,790 --> 00:14:08,959

residents were pissed off

372

00:14:12,150 --> 00:14:10,800

when he uh when he brought this theory

373

00:14:15,509 --> 00:14:12,160

forward a lot of them

374

00:14:17,509 --> 00:14:15,519

knew that he was just um saying this to

375

00:14:18,470 --> 00:14:17,519

make the air force happy and the public

376

00:14:21,030 --> 00:14:18,480

overall

377

00:14:22,310 --> 00:14:21,040

but um there was one guy who was really

378

00:14:24,949 --> 00:14:22,320

pissed off about it

379

00:14:26,150 --> 00:14:24,959

and uh made his thoughts known and that

380

00:14:29,350 --> 00:14:26,160

was um

381

00:14:32,470 --> 00:14:29,360

a congressman and a future president

382

00:14:32,949 --> 00:14:32,480

which was gerald ford so um yeah let's

383

00:14:36,629 --> 00:14:32,959

move

384

00:14:40,790 --> 00:14:36,639

to the gerald ford affair

385

00:14:47,269 --> 00:14:44,870

so in april of 1966

386

00:14:49,189 --> 00:14:47,279

gerald ford um who at the time like i

387

00:14:51,670 --> 00:14:49,199

mentioned was a michigan congressman

388

00:14:52,870 --> 00:14:51,680

was very disappointed in the air force's

389

00:14:55,509 --> 00:14:52,880

explanations

390

00:14:57,509 --> 00:14:55,519

that were brought forward on the ufos

391

00:14:59,269 --> 00:14:57,519

and um he actually requested

392

00:15:01,189 --> 00:14:59,279

congressional hearings

393

00:15:02,470 --> 00:15:01,199

to take place to further understand the

394

00:15:04,150 --> 00:15:02,480

ufo issue

395

00:15:06,230 --> 00:15:04,160

um again you got to think we're dealing

396

00:15:08,870 --> 00:15:06,240

with the cold war during this time

397

00:15:11,030 --> 00:15:08,880

tensions are high we have to take these

398

00:15:13,990 --> 00:15:11,040

unknown things in our skies

399

00:15:15,750 --> 00:15:14,000

seriously and it didn't seem to be that

400

00:15:16,870 --> 00:15:15,760

way yeah the air force was looking into

401
00:15:18,389 --> 00:15:16,880
it but they were

402
00:15:20,069 --> 00:15:18,399
explaining away everything without

403
00:15:23,110 --> 00:15:20,079
really looking into it

404
00:15:26,230 --> 00:15:23,120
so um ford wanted some sort of

405
00:15:29,350 --> 00:15:26,240
official committee to really

406
00:15:31,110 --> 00:15:29,360
figure this out once and for all um the

407
00:15:33,110 --> 00:15:31,120
hearings did take place

408
00:15:35,749 --> 00:15:33,120
yes there were congressional hearings on

409
00:15:38,069 --> 00:15:35,759
ufos even though that's not talked about

410
00:15:39,749 --> 00:15:38,079
a lot um and this committee was formed

411
00:15:41,749 --> 00:15:39,759
at the request of the air force

412
00:15:43,910 --> 00:15:41,759
to review the most interesting material

413
00:15:46,710 --> 00:15:43,920

gathered by project blue book

414

00:15:49,189 --> 00:15:46,720

and this was known as the condon

415

00:15:52,550 --> 00:15:49,199

committee

416

00:15:55,910 --> 00:15:52,560

and that right there is edward

417

00:15:57,670 --> 00:15:55,920

u condon um the committee was named

418

00:15:59,749 --> 00:15:57,680

after him he was a physicist

419

00:16:02,230 --> 00:15:59,759

who headed the investigation so for

420

00:16:04,790 --> 00:16:02,240

almost two years after ford's request

421

00:16:05,670 --> 00:16:04,800

this committee made a detailed study of

422

00:16:08,629 --> 00:16:05,680

59

423

00:16:09,350 --> 00:16:08,639

ufo cases released its results under the

424

00:16:11,590 --> 00:16:09,360

title

425

00:16:12,389 --> 00:16:11,600

scientific study of unidentified flying

426
00:16:15,430 --> 00:16:12,399
objects

427
00:16:17,030 --> 00:16:15,440
also known as the condon report and um

428
00:16:18,790 --> 00:16:17,040
the report was reviewed by a special

429
00:16:19,990 --> 00:16:18,800
committee of the national academy of

430
00:16:22,790 --> 00:16:20,000
sciences

431
00:16:24,949 --> 00:16:22,800
a total of 37 scientists wrote chapters

432
00:16:27,030 --> 00:16:24,959
or parts of a chapter for the report

433
00:16:28,230 --> 00:16:27,040
which covered investigations into these

434
00:16:30,310 --> 00:16:28,240
sightings and

435
00:16:32,069 --> 00:16:30,320
just like the robertson panel the

436
00:16:33,829 --> 00:16:32,079
committee concluded that there was no

437
00:16:35,670 --> 00:16:33,839
evidence of anything other

438
00:16:38,389 --> 00:16:35,680

than commonplace phenomena in the

439

00:16:43,590 --> 00:16:38,399

reports and that ufos did not

440

00:16:46,629 --> 00:16:43,600

warrant further investigation um

441

00:16:47,509 --> 00:16:46,639

so that's kind of where we laid with

442

00:16:51,189 --> 00:16:47,519

these two

443

00:16:53,509 --> 00:16:51,199

very deflated projects or committees or

444

00:16:56,629 --> 00:16:53,519

panels that looked into ufos at the time

445

00:16:59,350 --> 00:16:56,639

within government and um this next video

446

00:17:00,870 --> 00:16:59,360

i'm going to show you is from 1966

447

00:17:03,269 --> 00:17:00,880

and it's with lieutenant colonel

448

00:17:05,990 --> 00:17:03,279

lawrence tacker who was the chiefs

449

00:17:08,230 --> 00:17:06,000

spokesperson on the ufo matter for the

450

00:17:14,150 --> 00:17:08,240

air force chief spokesperson so um

451
00:17:18,230 --> 00:17:16,069
the air force has been accused from time

452
00:17:19,909 --> 00:17:18,240
to time of hiding information about

453
00:17:21,829 --> 00:17:19,919
ufo what do you have to say to that kind

454
00:17:23,669 --> 00:17:21,839
of happening these charges are

455
00:17:25,429 --> 00:17:23,679
absolutely untrue

456
00:17:28,710 --> 00:17:25,439
actually the united states air force

457
00:17:30,230 --> 00:17:28,720
releases statistics on the ufo phenomena

458
00:17:31,750 --> 00:17:30,240
through the department of defense press

459
00:17:33,590 --> 00:17:31,760
desk periodically

460
00:17:35,830 --> 00:17:33,600
and we've always honored accredited

461
00:17:38,549 --> 00:17:35,840
media when they want to investigate

462
00:17:39,029 --> 00:17:38,559
a given specific signing there's nothing

463
00:17:43,510 --> 00:17:39,039

to hack

464

00:17:46,870 --> 00:17:45,909

i doubt there's nothing to hide but okay

465

00:17:49,990 --> 00:17:46,880

air force

466

00:17:51,909 --> 00:17:50,000

um we won't go there uh but sort of

467

00:17:53,110 --> 00:17:51,919

i guess what we could take from the

468

00:17:56,870 --> 00:17:53,120

condon committee

469

00:18:00,630 --> 00:17:56,880

um is that uh

470

00:18:03,350 --> 00:18:00,640

content actually made up his mind about

471

00:18:04,390 --> 00:18:03,360

this not being extraterrestrial this not

472

00:18:08,230 --> 00:18:04,400

being um

473

00:18:10,390 --> 00:18:08,240

unexplainable he made these conclusions

474

00:18:12,470 --> 00:18:10,400

basically when the committee first

475

00:18:14,630 --> 00:18:12,480

started and before it ended

476

00:18:16,150 --> 00:18:14,640

he already knew the conclusions that he

477

00:18:19,590 --> 00:18:16,160

wanted this community

478

00:18:22,150 --> 00:18:19,600

uh to come to the conclusion so um

479

00:18:22,870 --> 00:18:22,160

yeah again just another way to kind of

480

00:18:24,710 --> 00:18:22,880

um brush

481

00:18:26,070 --> 00:18:24,720

all this under the rug and have the

482

00:18:28,789 --> 00:18:26,080

public move on

483

00:18:29,590 --> 00:18:28,799

from this topic and uh it kind of stayed

484

00:18:31,190 --> 00:18:29,600

that way

485

00:18:33,750 --> 00:18:31,200

for a while and again i know there's

486

00:18:36,070 --> 00:18:33,760

probably other little things i'm missing

487

00:18:37,990 --> 00:18:36,080

um that a lot of the ufo vets can fill

488

00:18:40,950 --> 00:18:38,000

in the gaps with but um

489

00:18:42,070 --> 00:18:40,960

officially in congress in the government

490

00:18:44,870 --> 00:18:42,080

with the air force

491

00:18:46,870 --> 00:18:44,880

this is kind of it um but we'll find out

492

00:18:50,150 --> 00:18:46,880

that that's not always the case

493

00:18:51,669 --> 00:18:50,160

so project blue book ended in 1969

494

00:18:53,990 --> 00:18:51,679

coming to the conclusions of the

495

00:18:54,870 --> 00:18:54,000

continent committee and we really didn't

496

00:18:58,070 --> 00:18:54,880

have

497

00:18:59,029 --> 00:18:58,080

anything um after that for a while um

498

00:19:00,630 --> 00:18:59,039

now there is a

499

00:19:02,630 --> 00:19:00,640

really interesting event that i do want

500

00:19:03,830 --> 00:19:02,640

to share with you guys that kind of has

501
00:19:06,710 --> 00:19:03,840
to do with government

502
00:19:08,070 --> 00:19:06,720
if you do consider the united nations um

503
00:19:10,870 --> 00:19:08,080
in that realm

504
00:19:12,150 --> 00:19:10,880
so i'm gonna share this with you guys

505
00:19:13,590 --> 00:19:12,160
here

506
00:19:18,549 --> 00:19:13,600
thank you for bearing with me through

507
00:19:22,950 --> 00:19:21,350
so yeah the united nations got involved

508
00:19:26,390 --> 00:19:22,960
with ufos

509
00:19:29,590 --> 00:19:26,400
um this came

510
00:19:31,590 --> 00:19:29,600
in uh 1978 and a

511
00:19:33,590 --> 00:19:31,600
assembly was brought together so

512
00:19:35,909 --> 00:19:33,600
basically the prime minister

513
00:19:36,870 --> 00:19:35,919

of grenada at the time uh sir eric

514

00:19:38,710 --> 00:19:36,880

matthew gary

515

00:19:40,549 --> 00:19:38,720

was convinced the united nations had not

516

00:19:41,110 --> 00:19:40,559

adequately responded to what he was

517

00:19:44,230 --> 00:19:41,120

calling

518

00:19:45,190 --> 00:19:44,240

the ufo phenomenon gary had a vision of

519

00:19:48,310 --> 00:19:45,200

a global

520

00:19:49,750 --> 00:19:48,320

task force very interesting comprised of

521

00:19:51,110 --> 00:19:49,760

representatives from the world's most

522

00:19:52,870 --> 00:19:51,120

powerful nations

523

00:19:54,150 --> 00:19:52,880

its purpose was according to one

524

00:19:55,750 --> 00:19:54,160

document quote

525

00:19:57,830 --> 00:19:55,760

undertaking coordinating and

526
00:19:59,909 --> 00:19:57,840
disseminating the results of research

527
00:20:02,470 --> 00:19:59,919
into unidentified fine objects and

528
00:20:04,470 --> 00:20:02,480
related phenomena end quote

529
00:20:06,710 --> 00:20:04,480
uh gary needed some credible testimony

530
00:20:07,990 --> 00:20:06,720
to really punch up this pitch to the

531
00:20:10,390 --> 00:20:08,000
united nations

532
00:20:11,190 --> 00:20:10,400
for his task force so he um he actually

533
00:20:13,750 --> 00:20:11,200
reached out to

534
00:20:14,789 --> 00:20:13,760
lee spiegel um who some of you may

535
00:20:16,789 --> 00:20:14,799
actually know

536
00:20:17,990 --> 00:20:16,799
he is a journalist here in new york city

537
00:20:19,669 --> 00:20:18,000
where i live

538
00:20:21,590 --> 00:20:19,679

he's written for the huffington post and

539

00:20:24,549 --> 00:20:21,600

he has been covering ufos

540

00:20:26,230 --> 00:20:24,559

for a really long time and um so with

541

00:20:28,149 --> 00:20:26,240

the help of lee spiegel

542

00:20:30,470 --> 00:20:28,159

um who's made a lot of connections in

543

00:20:32,789 --> 00:20:30,480

the ufo world while um producing

544

00:20:35,029 --> 00:20:32,799

a documentary back in the day for cbs

545

00:20:38,310 --> 00:20:35,039

and in all of his other ufo research

546

00:20:41,110 --> 00:20:38,320

um gary enlisted a panel of experts

547

00:20:41,909 --> 00:20:41,120

who met with un secretary general kurt

548

00:20:45,190 --> 00:20:41,919

walltime

549

00:20:45,750 --> 00:20:45,200

in july of 1978 so that picture below

550

00:20:48,630 --> 00:20:45,760

there

551
00:20:50,149 --> 00:20:48,640
pictured from left is actually astronaut

552
00:20:52,630 --> 00:20:50,159
colonel gordon cooper

553
00:20:54,950 --> 00:20:52,640
astronomer jacques valet astronomer

554
00:20:57,669 --> 00:20:54,960
astrophysicist claude o'hare

555
00:20:59,909 --> 00:20:57,679
astronomer j ellen heineck grenada prime

556
00:21:02,549 --> 00:20:59,919
minister sir eric gary

557
00:21:04,630 --> 00:21:02,559
and then um let's see who else do we

558
00:21:07,110 --> 00:21:04,640
have there lee spiegel obviously

559
00:21:09,510 --> 00:21:07,120
leonard stringfield and um the

560
00:21:12,390 --> 00:21:09,520
university of colorado psychologist

561
00:21:14,549 --> 00:21:12,400
david saunders um so yeah the

562
00:21:15,990 --> 00:21:14,559
presentation was very well received by

563
00:21:18,070 --> 00:21:16,000

the general assembly

564

00:21:20,149 --> 00:21:18,080

so real well received in fact that the

565

00:21:22,549 --> 00:21:20,159

um the un circulated a

566

00:21:24,230 --> 00:21:22,559

cable on december 8th basically

567

00:21:27,110 --> 00:21:24,240

encouraging nations interested

568

00:21:27,830 --> 00:21:27,120

in the proposal to go conduct their own

569

00:21:30,230 --> 00:21:27,840

research

570

00:21:31,190 --> 00:21:30,240

and uh you know basically bring it back

571

00:21:32,630 --> 00:21:31,200

to the sem

572

00:21:34,270 --> 00:21:32,640

assembly and it could be further

573

00:21:38,149 --> 00:21:34,280

discussed um

574

00:21:41,270 --> 00:21:38,159

unfortunately um this

575

00:21:42,310 --> 00:21:41,280

really sucks um the prime minister of

576
00:21:44,549 --> 00:21:42,320
grenada

577
00:21:45,750 --> 00:21:44,559
he was the one who spearheaded this

578
00:21:48,630 --> 00:21:45,760
whole thing

579
00:21:49,350 --> 00:21:48,640
and only a year later he was ousted by a

580
00:21:52,310 --> 00:21:49,360
coup

581
00:21:55,029 --> 00:21:52,320
and obviously had lost what power he had

582
00:21:58,230 --> 00:21:55,039
in grenada and clearly had other things

583
00:22:01,430 --> 00:21:58,240
to attend do back home so um

584
00:22:03,510 --> 00:22:01,440
this event just it kind of fizzled

585
00:22:05,190 --> 00:22:03,520
um and it would be a really long time

586
00:22:08,549 --> 00:22:05,200
for anything after that but

587
00:22:09,909 --> 00:22:08,559
i did get these screen grabs here that i

588
00:22:10,710 --> 00:22:09,919

wanted to share with you guys this is

589

00:22:14,230 --> 00:22:10,720

actually

590

00:22:17,750 --> 00:22:14,240

j allen heineck at the un event

591

00:22:19,350 --> 00:22:17,760

and also jacques valet speak in the

592

00:22:21,190 --> 00:22:19,360

united nations yeah

593

00:22:22,310 --> 00:22:21,200

jacques excuse me you've got a heineken

594

00:22:24,630 --> 00:22:22,320

in the back there as well and

595

00:22:27,029 --> 00:22:24,640

representatives from grenada

596

00:22:27,830 --> 00:22:27,039

right behind them so this was such a

597

00:22:29,510 --> 00:22:27,840

cool thing

598

00:22:30,950 --> 00:22:29,520

and it doesn't get talked about that

599

00:22:33,909 --> 00:22:30,960

often so

600

00:22:34,470 --> 00:22:33,919

um you can see small snippets of this

601
00:22:36,470 --> 00:22:34,480
event

602
00:22:38,950 --> 00:22:36,480
in james fox's new documentary the

603
00:22:40,710 --> 00:22:38,960
phenomenon so i highly suggest

604
00:22:42,310 --> 00:22:40,720
checking that out and my special thanks

605
00:22:43,029 --> 00:22:42,320
goes out to lee spiegel for sharing

606
00:22:46,710 --> 00:22:43,039
these

607
00:22:49,350 --> 00:22:46,720
images with me today um

608
00:22:50,870 --> 00:22:49,360
so the next thing i'm going to talk

609
00:22:54,470 --> 00:22:50,880
about with you guys

610
00:22:58,710 --> 00:22:54,480
is an event that basically

611
00:23:02,230 --> 00:22:58,720
fast forwards us all the way up to um

612
00:23:04,470 --> 00:23:02,240
all the way up to 2013. uh but i should

613
00:23:07,909 --> 00:23:04,480

mention there was

614

00:23:09,830 --> 00:23:07,919

an event that took place in uh 2001 it

615

00:23:10,870 --> 00:23:09,840

was called the disclosure project it was

616

00:23:12,710 --> 00:23:10,880

headed by

617

00:23:14,870 --> 00:23:12,720

stephen greer who is a very

618

00:23:17,350 --> 00:23:14,880

controversial figure in the ufo field

619

00:23:19,430 --> 00:23:17,360

but he did incredible work in the early

620

00:23:20,390 --> 00:23:19,440

2000s gathering all of these military

621

00:23:23,510 --> 00:23:20,400

witnesses

622

00:23:25,110 --> 00:23:23,520

intelligence agents and um getting them

623

00:23:26,470 --> 00:23:25,120

together at the national press club in

624

00:23:29,190 --> 00:23:26,480

washington dc

625

00:23:30,310 --> 00:23:29,200

and basically giving testimony of events

626

00:23:33,510 --> 00:23:30,320

they'd been a part of

627

00:23:36,070 --> 00:23:33,520

or investigated or looked into and uh

628

00:23:38,470 --> 00:23:36,080

it was incredible it truly was an

629

00:23:41,590 --> 00:23:38,480

amazing event and it kind of became

630

00:23:43,269 --> 00:23:41,600

the um you know the predecessor of an

631

00:23:47,029 --> 00:23:43,279

event that would take place

632

00:23:51,750 --> 00:23:47,039

in washington again in 2013.

633

00:23:54,950 --> 00:23:51,760

so boom citizen hearing on ufo

634

00:23:57,110 --> 00:23:54,960

disclosure that is my mentor right there

635

00:23:59,990 --> 00:23:57,120

in the front mr peter robbins

636

00:24:02,789 --> 00:24:00,000

um who some of you may know may not know

637

00:24:05,269 --> 00:24:02,799

he is a very well-known ufo researcher

638

00:24:06,149 --> 00:24:05,279

and um yeah a citizen hearing on ufo

639

00:24:07,430 --> 00:24:06,159
disclosure

640

00:24:10,549 --> 00:24:07,440
so let's go through this quick from

641

00:24:13,029 --> 00:24:10,559
april 29th to may 3rd 2013

642

00:24:14,470 --> 00:24:13,039
researchers activists military agency

643

00:24:17,269 --> 00:24:14,480
political witnesses

644

00:24:17,990 --> 00:24:17,279
um representing 10 countries gave

645

00:24:21,029 --> 00:24:18,000
testimony

646

00:24:23,269 --> 00:24:21,039
in washington to six former members of

647

00:24:26,310 --> 00:24:23,279
the united states congress about events

648

00:24:29,590 --> 00:24:26,320
and evidence indicating a ufo presence

649

00:24:31,110 --> 00:24:29,600
engaging the human race the citizen

650

00:24:33,909 --> 00:24:31,120
hearing on disclosure was an

651
00:24:34,549 --> 00:24:33,919
unprecedented event in terms of size

652
00:24:37,029 --> 00:24:34,559
scope

653
00:24:37,590 --> 00:24:37,039
and the involvement of former members of

654
00:24:40,149 --> 00:24:37,600
the us

655
00:24:44,950 --> 00:24:40,159
congress i'm going to show you a few of

656
00:24:50,950 --> 00:24:48,630
got these we have

657
00:24:52,630 --> 00:24:50,960
some very well-known people in the ufo

658
00:24:55,269 --> 00:24:52,640
field richard dolan stan t

659
00:24:57,750 --> 00:24:55,279
friedman uh grant cameron linda mullen

660
00:25:02,390 --> 00:24:57,760
howe giving testimony at the event

661
00:25:04,870 --> 00:25:02,400
um we also had who else was here we had

662
00:25:07,510 --> 00:25:04,880
the members of the rendelsham forest

663
00:25:10,230 --> 00:25:07,520

incident witnesses to that uh you see

664

00:25:13,029 --> 00:25:10,240

james penis in there and john burroughs

665

00:25:13,990 --> 00:25:13,039

john gave a very passionate testimony

666

00:25:15,029 --> 00:25:14,000

about um

667

00:25:17,590 --> 00:25:15,039

you know his involvement in the

668

00:25:19,190 --> 00:25:17,600

rendition case and health effects that

669

00:25:21,909 --> 00:25:19,200

he had thereafter

670

00:25:23,590 --> 00:25:21,919

and how the uh basically the event the

671

00:25:26,630 --> 00:25:23,600

veterans administration

672

00:25:29,350 --> 00:25:26,640

was not going to help him with ailments

673

00:25:32,070 --> 00:25:29,360

that were caused by this ufo event

674

00:25:33,190 --> 00:25:32,080

and um even his health records had been

675

00:25:35,350 --> 00:25:33,200

classified

676

00:25:37,350 --> 00:25:35,360

so he couldn't even get those to bring

677

00:25:39,590 --> 00:25:37,360

to the veteran affairs to get him that

678

00:25:40,870 --> 00:25:39,600

help he needed that dude almost died and

679

00:25:42,549 --> 00:25:40,880

they weren't willing to help him because

680

00:25:43,190 --> 00:25:42,559

they weren't willing to acknowledge that

681

00:25:45,669 --> 00:25:43,200

uh

682

00:25:46,390 --> 00:25:45,679

some weird ufo event had caused this and

683

00:25:49,510 --> 00:25:46,400

that the

684

00:25:51,430 --> 00:25:49,520

the us air force was a part of it in

685

00:25:53,269 --> 00:25:51,440

some way shape or form and um he

686

00:25:55,590 --> 00:25:53,279

eventually won a lawsuit

687

00:25:57,669 --> 00:25:55,600

uh through senator mccain helping them

688

00:26:01,029 --> 00:25:57,679

out and through his lawyer

689

00:26:03,350 --> 00:26:01,039

and he got the um the the

690

00:26:04,390 --> 00:26:03,360

surgery that he needed to basically save

691

00:26:06,630 --> 00:26:04,400

his life

692

00:26:08,789 --> 00:26:06,640

and we do have senator mccain to thank

693

00:26:12,789 --> 00:26:08,799

for that and this is the first time ever

694

00:26:15,909 --> 00:26:12,799

basically when um the veteran affairs

695

00:26:18,070 --> 00:26:15,919

said on the record that

696

00:26:19,029 --> 00:26:18,080

an event a ufo event that happened in

697

00:26:22,230 --> 00:26:19,039

1980

698

00:26:24,630 --> 00:26:22,240

caused the elements to this air force

699

00:26:25,510 --> 00:26:24,640

personnel this serviceman so incredible

700

00:26:28,789 --> 00:26:25,520

incredible

701
00:26:29,430 --> 00:26:28,799
and um look you had people like um lynn

702
00:26:33,830 --> 00:26:29,440
woolsey

703
00:26:37,190 --> 00:26:33,840
and mike gravel who were there

704
00:26:43,590 --> 00:26:40,630
we also had uh robert salas

705
00:26:44,549 --> 00:26:43,600
who was actually um you know part of a

706
00:26:47,029 --> 00:26:44,559
minute mech crew

707
00:26:49,590 --> 00:26:47,039
minutemen crew excuse me that worked on

708
00:26:53,110 --> 00:26:49,600
a nuclear site called maelstrom so

709
00:26:55,110 --> 00:26:53,120
um let's see here

710
00:26:57,029 --> 00:26:55,120
i should mention to you guys like before

711
00:26:57,990 --> 00:26:57,039
we go any further this was a mock

712
00:27:00,950 --> 00:26:58,000
hearing

713
00:27:02,470 --> 00:27:00,960

so like it was set up and it was kind of

714

00:27:04,310 --> 00:27:02,480

you know staged but

715

00:27:06,070 --> 00:27:04,320

nonetheless it was a very powerful event

716

00:27:07,350 --> 00:27:06,080

with former congress members who have a

717

00:27:10,630 --> 00:27:07,360

lot of connections

718

00:27:11,669 --> 00:27:10,640

in washington still so um yeah yeah

719

00:27:15,630 --> 00:27:11,679

really interesting

720

00:27:16,789 --> 00:27:15,640

if you go to um to the

721

00:27:19,990 --> 00:27:16,799

citizenhearing.org

722

00:27:22,789 --> 00:27:20,000

right you can hear

723

00:27:23,590 --> 00:27:22,799

all 30 hours of testimony from all of

724

00:27:25,750 --> 00:27:23,600

these people

725

00:27:27,110 --> 00:27:25,760

um it's incredible it really is let me

726

00:27:29,909 --> 00:27:27,120

get mr gravel

727

00:27:31,110 --> 00:27:29,919

off the screen there doesn't look like

728

00:27:34,389 --> 00:27:31,120

he's the one talking

729

00:27:35,830 --> 00:27:34,399

hey there i am um again thank you for

730

00:27:37,590 --> 00:27:35,840

for dealing with all of these uh

731

00:27:38,870 --> 00:27:37,600

technical stuff guys i'll get better at

732

00:27:41,350 --> 00:27:38,880

this as time goes on

733

00:27:42,149 --> 00:27:41,360

so let's talk about um robert salas for

734

00:27:45,909 --> 00:27:42,159

a minute

735

00:27:48,549 --> 00:27:45,919

so um robert salas he was a former u.s

736

00:27:50,149 --> 00:27:48,559

air force nuclear launch officer and he

737

00:27:52,470 --> 00:27:50,159

testified at this event

738

00:27:54,230 --> 00:27:52,480

um about ufos being cited over maelstrom

739

00:27:57,590 --> 00:27:54,240

air force base in montana

740

00:28:00,630 --> 00:27:57,600

this is back in 1967 and uh

741

00:28:03,830 --> 00:28:00,640

these ufos somehow

742

00:28:04,630 --> 00:28:03,840

were able to shut off the nuclear

743

00:28:07,669 --> 00:28:04,640

missiles

744

00:28:10,710 --> 00:28:07,679

to render them utterly useless

745

00:28:12,230 --> 00:28:10,720

if needed so you can imagine

746

00:28:13,750 --> 00:28:12,240

you know the tension that was going on

747

00:28:15,590 --> 00:28:13,760

then and um

748

00:28:16,789 --> 00:28:15,600

yeah most of this was covered up for a

749

00:28:19,990 --> 00:28:16,799

really long time

750

00:28:21,590 --> 00:28:20,000

robert salas has since come forward and

751

00:28:23,510 --> 00:28:21,600

talked about his involvement

752

00:28:25,350 --> 00:28:23,520

with all of this and um look these

753

00:28:27,909 --> 00:28:25,360

nuclear occurrences

754

00:28:30,870 --> 00:28:27,919

with ufos being cited over nuclear

755

00:28:33,590 --> 00:28:30,880

missile silos um nuclear plants

756

00:28:34,549 --> 00:28:33,600

uh energy plants are very common very

757

00:28:36,549 --> 00:28:34,559

prolific

758

00:28:37,990 --> 00:28:36,559

and there's tons of them so robert

759

00:28:38,630 --> 00:28:38,000

actually came to this event to tell

760

00:28:41,990 --> 00:28:38,640

congress

761

00:28:43,430 --> 00:28:42,000

these different events and i've got a

762

00:28:44,870 --> 00:28:43,440

small clip here

763

00:28:47,510 --> 00:28:44,880

that i want to share with you guys from

764

00:28:51,269 --> 00:28:47,520

robert salas's testimony so

765

00:28:55,110 --> 00:28:51,279

give me one sec here recently let's say

766

00:28:56,389 --> 00:28:55,120

2010 there was a shutdown of 50 missiles

767

00:28:58,950 --> 00:28:56,399

in parentheses

768

00:29:00,549 --> 00:28:58,960

air force base this was announced by the

769

00:29:03,029 --> 00:29:00,559

air force

770

00:29:05,430 --> 00:29:03,039

but we do have witnesses that have come

771

00:29:08,470 --> 00:29:05,440

forward called civilian at air force

772

00:29:10,549 --> 00:29:08,480

that said they saw an object in the sky

773

00:29:11,510 --> 00:29:10,559

shutdowns this is still being

774

00:29:15,190 --> 00:29:11,520

investigated

775

00:29:18,870 --> 00:29:15,200

but these incidents are still going on

776

00:29:21,669 --> 00:29:18,880

these objects know in great detail

777

00:29:24,389 --> 00:29:21,679

how our missiles operate they know ours

778

00:29:26,710 --> 00:29:24,399

but we don't know bears

779

00:29:29,430 --> 00:29:26,720

that's right and they they can shut down

780

00:29:31,830 --> 00:29:29,440

our missiles anytime

781

00:29:33,510 --> 00:29:31,840

uh they have proven that uh they know in

782

00:29:36,630 --> 00:29:33,520

great detail how they operate

783

00:29:38,070 --> 00:29:36,640

and so um

784

00:29:40,070 --> 00:29:38,080

if you release that information to

785

00:29:43,190 --> 00:29:40,080

public um what do you say

786

00:29:44,870 --> 00:29:43,200

then about you know

787

00:29:47,990 --> 00:29:44,880

what kind of defense do we have against

788

00:29:51,909 --> 00:29:49,909

very troubling if you really think about

789

00:29:53,750 --> 00:29:51,919

it what kind of defense do we have

790

00:29:55,269 --> 00:29:53,760

if these sort of events are being kind

791

00:29:58,310 --> 00:29:55,279

of brushed under the rug

792

00:30:00,070 --> 00:29:58,320

and um other military branches aren't

793

00:30:01,590 --> 00:30:00,080

aware of it they're not being told about

794

00:30:02,870 --> 00:30:01,600

it like a lot of these ufo events

795

00:30:04,630 --> 00:30:02,880

happening right now

796

00:30:07,110 --> 00:30:04,640

the information isn't being shared

797

00:30:09,909 --> 00:30:07,120

government-wide and that's why

798

00:30:12,149 --> 00:30:09,919

they're calling for all of these um

799

00:30:13,350 --> 00:30:12,159

military branches all the intelligence

800

00:30:15,269 --> 00:30:13,360

agencies

801
00:30:17,269 --> 00:30:15,279
to just bring their information together

802
00:30:18,310 --> 00:30:17,279
and try to figure out what this ufo

803
00:30:20,389 --> 00:30:18,320
stuff is

804
00:30:22,230 --> 00:30:20,399
and uh we've made some progress i think

805
00:30:25,669 --> 00:30:22,240
but we'll get to that we'll get to that

806
00:30:26,870 --> 00:30:25,679
um so yeah this event went on 30 hours

807
00:30:28,549 --> 00:30:26,880
of testimony

808
00:30:30,310 --> 00:30:28,559
and um you know whether or not these

809
00:30:31,430 --> 00:30:30,320
former congress people actually got

810
00:30:34,950 --> 00:30:31,440
anything out of it

811
00:30:37,669 --> 00:30:34,960
is um is for them and them alone to know

812
00:30:38,389 --> 00:30:37,679
but uh some of them did talk about you

813
00:30:39,830 --> 00:30:38,399

know

814

00:30:41,590 --> 00:30:39,840

what they took from the whole event and

815

00:30:43,029 --> 00:30:41,600

i did want to share with you some of

816

00:30:45,190 --> 00:30:43,039

those conclusions

817

00:30:46,630 --> 00:30:45,200

from representatives merrill cook

818

00:30:49,430 --> 00:30:46,640

carolyn kilpatrick

819

00:30:50,710 --> 00:30:49,440

and roscoe bartlett so take a look at

820

00:30:59,430 --> 00:30:50,720

this

821

00:31:02,630 --> 00:31:01,830

more with the quality of the witness

822

00:31:08,710 --> 00:31:02,640

than i ever

823

00:31:10,549 --> 00:31:08,720

moving me to think that a lot of further

824

00:31:11,509 --> 00:31:10,559

investigation with more resources need

825

00:31:15,190 --> 00:31:11,519

to be

826

00:31:17,350 --> 00:31:15,200

done including what i think is some push

827

00:31:19,110 --> 00:31:17,360

to the united states government to put

828

00:31:22,549 --> 00:31:19,120

more resources into this

829

00:31:23,509 --> 00:31:22,559

i am convinced of these sightings the

830

00:31:25,830 --> 00:31:23,519

truthfulness

831

00:31:26,789 --> 00:31:25,840

i have no doubt about what these people

832

00:31:30,310 --> 00:31:26,799

are testifying

833

00:31:31,909 --> 00:31:30,320

when we have clearly unexplained

834

00:31:33,990 --> 00:31:31,919

objects out there that our government

835

00:31:36,470 --> 00:31:34,000

recognizes

836

00:31:38,070 --> 00:31:36,480

where i'm not sure we've totally met the

837

00:31:40,630 --> 00:31:38,080

burden of proof

838

00:31:41,909 --> 00:31:40,640

is whether those have extraterrestrial

839

00:31:44,230 --> 00:31:41,919

origins

840

00:31:45,110 --> 00:31:44,240

so that's that's where i am in this and

841

00:31:49,990 --> 00:31:45,120

uh

842

00:31:51,350 --> 00:31:50,000

with people who put this together to get

843

00:31:53,190 --> 00:31:51,360

this kind of this number of

844

00:31:54,470 --> 00:31:53,200

witnesses and people together in one

845

00:31:57,350 --> 00:31:54,480

place

846

00:31:58,549 --> 00:31:57,360

so that we can find out exactly what the

847

00:32:01,430 --> 00:31:58,559

current

848

00:32:03,110 --> 00:32:01,440

standing of this very interesting area

849

00:32:04,549 --> 00:32:03,120

you know i come to this as a neophyte

850

00:32:06,230 --> 00:32:04,559

i'm not at all

851
00:32:07,990 --> 00:32:06,240
versed on the issue as most people in

852
00:32:10,149 --> 00:32:08,000
the room are and certainly our

853
00:32:11,750 --> 00:32:10,159
excellent professional testimony of

854
00:32:13,590 --> 00:32:11,760
people who have brought information

855
00:32:15,590 --> 00:32:13,600
so i'm here to learn this is only the

856
00:32:17,350 --> 00:32:15,600
second day when i was invited about a

857
00:32:19,430 --> 00:32:17,360
month ago i did the research i looked at

858
00:32:20,549 --> 00:32:19,440
the 1968 congressional report from the

859
00:32:22,310 --> 00:32:20,559
science committee

860
00:32:25,110 --> 00:32:22,320
as well as other things and brought me

861
00:32:27,669 --> 00:32:25,120
to this place these two days of

862
00:32:29,509 --> 00:32:27,679
actual information and how it plays in

863
00:32:31,190 --> 00:32:29,519

our country and the world is something

864

00:32:32,870 --> 00:32:31,200

that i'm most excited about learning and

865

00:32:34,549 --> 00:32:32,880

i know by friday i'll be

866

00:32:36,870 --> 00:32:34,559

extra better at it but i think the

867

00:32:37,830 --> 00:32:36,880

congress has a role to play i think we

868

00:32:40,149 --> 00:32:37,840

ought to mobilize

869

00:32:41,269 --> 00:32:40,159

countries across the world who are more

870

00:32:43,110 --> 00:32:41,279

into this and i think we ought to

871

00:32:44,070 --> 00:32:43,120

educate americans as to what it is and

872

00:32:46,070 --> 00:32:44,080

what it might become

873

00:32:47,590 --> 00:32:46,080

and i'm concerned i'm concerned like

874

00:32:49,110 --> 00:32:47,600

some of these men who've given their

875

00:32:51,190 --> 00:32:49,120

lives in the military

876

00:32:52,950 --> 00:32:51,200

and have been witnesses of some of this

877

00:32:54,470 --> 00:32:52,960

that we're studying this week

878

00:32:56,470 --> 00:32:54,480

and then they have health care problems

879

00:32:58,230 --> 00:32:56,480

and can't get get them taken care of i'm

880

00:33:00,389 --> 00:32:58,240

concerned about that as an appropriator

881

00:33:01,750 --> 00:33:00,399

for over 12 years in the congress

882

00:33:03,269 --> 00:33:01,760

those who give their lives for our

883

00:33:06,230 --> 00:33:03,279

country ought to be able to get the

884

00:33:08,230 --> 00:33:06,240

service of our country when they need it

885

00:33:09,990 --> 00:33:08,240

well i accepted the invitation to be a

886

00:33:11,909 --> 00:33:10,000

part of this panel because

887

00:33:13,590 --> 00:33:11,919

i carry a constitution and the first

888

00:33:14,230 --> 00:33:13,600

amendment says that the citizens have a

889

00:33:16,310 --> 00:33:14,240

right

890

00:33:17,430 --> 00:33:16,320

to petition the government for redress

891

00:33:19,110 --> 00:33:17,440

of grievances

892

00:33:21,509 --> 00:33:19,120

they have a grievance they have there's

893

00:33:23,190 --> 00:33:21,519

not been a hearing on ufos for a very

894

00:33:24,630 --> 00:33:23,200

long time they want a hearing i think

895

00:33:26,070 --> 00:33:24,640

they deserve a hearing so if this would

896

00:33:26,950 --> 00:33:26,080

help to get a hearing i wanted to be a

897

00:33:28,630 --> 00:33:26,960

part of that

898

00:33:30,470 --> 00:33:28,640

now what's happened during this time gee

899

00:33:32,389 --> 00:33:30,480

you know the cloak of secrecy has become

900

00:33:34,389 --> 00:33:32,399

more and more obvious to me and me

901
00:33:35,909 --> 00:33:34,399
asking myself these are honest good

902
00:33:37,669 --> 00:33:35,919
people that made the decisions to pull

903
00:33:40,070 --> 00:33:37,679
this cloak of secrecy over this

904
00:33:41,590 --> 00:33:40,080
why did they do that i think we need to

905
00:33:43,350 --> 00:33:41,600
understand why they did it so that we

906
00:33:44,710 --> 00:33:43,360
can get the thing reversed

907
00:33:46,710 --> 00:33:44,720
you know there's something out there

908
00:33:48,389 --> 00:33:46,720
there's clearly something out there

909
00:33:51,830 --> 00:33:48,399
you know and the american people have a

910
00:33:55,350 --> 00:33:53,909
all right to know amen roscoe i i

911
00:33:58,070 --> 00:33:55,360
couldn't agree with you more man

912
00:33:59,269 --> 00:33:58,080
um we did have a a question in the chat

913
00:34:01,029 --> 00:33:59,279

someone asked

914

00:34:02,710 --> 00:34:01,039

what about luella zonda what do you guys

915

00:34:03,669 --> 00:34:02,720

think of him and funny you should

916

00:34:06,310 --> 00:34:03,679

mention that

917

00:34:07,190 --> 00:34:06,320

that's where we are heading next guys um

918

00:34:10,149 --> 00:34:07,200

so

919

00:34:11,909 --> 00:34:10,159

yeah after these congressional hearings

920

00:34:15,190 --> 00:34:11,919

these mock congressional hearings

921

00:34:17,750 --> 00:34:15,200

um in 2013 things were pretty quiet for

922

00:34:20,230 --> 00:34:17,760

a while we all went on with our research

923

00:34:21,750 --> 00:34:20,240

and um you know kept this notion that

924

00:34:23,430 --> 00:34:21,760

we're never going to get this

925

00:34:25,750 --> 00:34:23,440

disclosure from the government they're

926
00:34:28,750 --> 00:34:25,760
not looking into ufos anymore

927
00:34:30,389 --> 00:34:28,760
and everything in between and then boom

928
00:34:33,829 --> 00:34:30,399
2017 hits

929
00:34:37,270 --> 00:34:33,839
with the new york times article and

930
00:34:40,310 --> 00:34:37,280
there are our players now

931
00:34:42,790 --> 00:34:40,320
from 2017 on uh

932
00:34:44,710 --> 00:34:42,800
the topic exploded in the mainstream

933
00:34:45,750 --> 00:34:44,720
with an article released by best-selling

934
00:34:48,069 --> 00:34:45,760
author and journalist

935
00:34:49,030 --> 00:34:48,079
leslie kane and ralph blumenthal a new

936
00:34:51,669 --> 00:34:49,040
york times reporter

937
00:34:52,629 --> 00:34:51,679
and pulitzer prize winner we learned

938
00:34:55,990 --> 00:34:52,639

that the government

939

00:34:57,990 --> 00:34:56,000

wasn't done investigating ufos

940

00:35:00,310 --> 00:34:58,000

and while project blue book was out in

941

00:35:03,750 --> 00:35:00,320

the public another program

942

00:35:06,710 --> 00:35:03,760

went on there after but in the shadows

943

00:35:07,829 --> 00:35:06,720

of black budget so yeah let's take a

944

00:35:10,390 --> 00:35:07,839

look at a

945

00:35:12,069 --> 00:35:10,400

news clip when this all kind of kind of

946

00:35:14,230 --> 00:35:12,079

first came to light

947

00:35:16,790 --> 00:35:14,240

tonight cnn has learned the pentagon had

948

00:35:17,430 --> 00:35:16,800

a secretive program to research ufos

949

00:35:19,589 --> 00:35:17,440

like the one

950

00:35:21,270 --> 00:35:19,599

fraver spotted the project was called

951

00:35:22,790 --> 00:35:21,280

the advanced aviation threat

952

00:35:25,510 --> 00:35:22,800

identification program

953

00:35:26,870 --> 00:35:25,520

run by an official named luis elizondo i

954

00:35:27,829 --> 00:35:26,880

think this is a national security

955

00:35:30,950 --> 00:35:27,839

imperative

956

00:35:32,710 --> 00:35:30,960

we have clear things that we do not

957

00:35:36,150 --> 00:35:32,720

understand how they work

958

00:35:38,710 --> 00:35:36,160

operating in areas that we can't control

959

00:35:39,510 --> 00:35:38,720

a defense official tells cnn the program

960

00:35:41,910 --> 00:35:39,520

cost at least

961

00:35:44,870 --> 00:35:41,920

22 million dollars over five years

962

00:35:46,470 --> 00:35:44,880

before it was shut down in 2012.

963

00:35:49,190 --> 00:35:46,480

according to the new york times and

964

00:35:50,870 --> 00:35:49,200

politico which first reported this story

965

00:35:52,470 --> 00:35:50,880

tens of millions of dollars for the

966

00:35:54,550 --> 00:35:52,480

project were pushed through

967

00:35:57,349 --> 00:35:54,560

by former senate majority leader harry

968

00:36:01,430 --> 00:35:59,430

yeah so we kind of all know what

969

00:36:02,630 --> 00:36:01,440

unraveled since then which is what we're

970

00:36:04,230 --> 00:36:02,640

gonna get to

971

00:36:05,670 --> 00:36:04,240

next so i'm gonna return to this image

972

00:36:07,589 --> 00:36:05,680

for a moment here guys

973

00:36:10,069 --> 00:36:07,599

uh let's talk about what happened since

974

00:36:12,790 --> 00:36:10,079

we learned about atip and um

975

00:36:13,190 --> 00:36:12,800

you know where where it all lands today

976

00:36:15,270 --> 00:36:13,200

uh

977

00:36:17,910 --> 00:36:15,280

up to what's going on right now with

978

00:36:21,349 --> 00:36:17,920

this pentagon ufo report that's supposed

979

00:36:24,069 --> 00:36:21,359

to be released uh any day now any minute

980

00:36:26,710 --> 00:36:24,079

so a tip was headed by luis elizondo who

981

00:36:28,550 --> 00:36:26,720

um you saw on the cnn video

982

00:36:30,790 --> 00:36:28,560

and um he was a former us army

983

00:36:33,109 --> 00:36:30,800

counterintelligence special agent

984

00:36:35,190 --> 00:36:33,119

and uh a former employee of the office

985

00:36:38,150 --> 00:36:35,200

of the under secretary of defense

986

00:36:38,710 --> 00:36:38,160

for intelligence so he resigned from the

987

00:36:41,190 --> 00:36:38,720

program

988

00:36:42,630 --> 00:36:41,200

because he was not being taken seriously

989

00:36:43,589 --> 00:36:42,640

within the pentagon with what he was

990

00:36:45,510 --> 00:36:43,599

bringing them

991

00:36:46,630 --> 00:36:45,520

you know this ridicule factor and stigma

992

00:36:48,470 --> 00:36:46,640

with ufos

993

00:36:49,670 --> 00:36:48,480

was still very much alive even though

994

00:36:53,589 --> 00:36:49,680

this program

995

00:36:55,829 --> 00:36:53,599

was going on um but yeah he resigned

996

00:36:56,950 --> 00:36:55,839

and uh he pushed for more study into

997

00:36:59,270 --> 00:36:56,960

this topic

998

00:37:00,310 --> 00:36:59,280

from the government now being outside of

999

00:37:02,470 --> 00:37:00,320

the government

1000

00:37:03,990 --> 00:37:02,480

and meanwhile and that's luis elizondo

1001
00:37:06,069 --> 00:37:04,000
there with the goatee

1002
00:37:07,510 --> 00:37:06,079
there in the bottom picture next to mr

1003
00:37:11,109 --> 00:37:07,520
tom delong who

1004
00:37:13,109 --> 00:37:11,119
is a a story in itself but this all

1005
00:37:15,670 --> 00:37:13,119
really happened because of tom delong

1006
00:37:17,109 --> 00:37:15,680
the former front man at blink 182 that

1007
00:37:18,870 --> 00:37:17,119
will be a different lecture

1008
00:37:21,030 --> 00:37:18,880
for a different time but um the

1009
00:37:22,630 --> 00:37:21,040
gentleman in the sunglasses next to luis

1010
00:37:24,790 --> 00:37:22,640
elizondo

1011
00:37:26,470 --> 00:37:24,800
is christopher mellen the former deputy

1012
00:37:27,349 --> 00:37:26,480
assistant secretary of defense for

1013
00:37:29,109 --> 00:37:27,359

intelligence

1014

00:37:30,630 --> 00:37:29,119

and former staff director of the united

1015

00:37:33,589 --> 00:37:30,640

states senate select

1016

00:37:35,990 --> 00:37:33,599

committee on intelligence and he

1017

00:37:38,230 --> 00:37:36,000

actually drafted a request to the

1018

00:37:39,430 --> 00:37:38,240

senate intelligence committee very

1019

00:37:42,950 --> 00:37:39,440

recently

1020

00:37:45,670 --> 00:37:42,960

and asked the pentagon to create a uap

1021

00:37:46,390 --> 00:37:45,680

report with collected data and evidence

1022

00:37:49,910 --> 00:37:46,400

of uh

1023

00:37:50,790 --> 00:37:49,920

ufo reports within the military and uh

1024

00:37:54,150 --> 00:37:50,800

brief

1025

00:37:55,910 --> 00:37:54,160

congress on this issue and um

1026

00:37:57,349 --> 00:37:55,920

some of this report was request

1027

00:37:59,349 --> 00:37:57,359

requested to be made

1028

00:38:00,470 --> 00:37:59,359

public to everyone which is what we are

1029

00:38:03,430 --> 00:38:00,480

waiting for

1030

00:38:03,990 --> 00:38:03,440

on pins and needles every day now might

1031

00:38:06,630 --> 00:38:04,000

be even

1032

00:38:07,589 --> 00:38:06,640

when you possibly see this this little

1033

00:38:10,710 --> 00:38:07,599

presentation

1034

00:38:11,990 --> 00:38:10,720

um you know hopefully hopefully we'll

1035

00:38:15,910 --> 00:38:12,000

see it very soon

1036

00:38:18,710 --> 00:38:15,920

but uh i actually had the very um

1037

00:38:20,470 --> 00:38:18,720

i guess you know fortune of interviewing

1038

00:38:23,190 --> 00:38:20,480

luis elizondo and

1039

00:38:24,390 --> 00:38:23,200

christopher mellon moments after news

1040

00:38:27,349 --> 00:38:24,400

broke that uh

1041

00:38:28,069 --> 00:38:27,359

this report thing was actually gonna

1042

00:38:29,750 --> 00:38:28,079

happen

1043

00:38:32,630 --> 00:38:29,760

um for those of you who don't know there

1044

00:38:33,510 --> 00:38:32,640

was this small little caveat within that

1045

00:38:36,550 --> 00:38:33,520

huge

1046

00:38:38,950 --> 00:38:36,560

uh 2020 covet relief build that uh

1047

00:38:41,990 --> 00:38:38,960

former president donald trump signed in

1048

00:38:43,430 --> 00:38:42,000

into action and within this tiny tiny

1049

00:38:46,310 --> 00:38:43,440

thing in the um

1050

00:38:47,030 --> 00:38:46,320

the authorization act was about this

1051

00:38:48,950 --> 00:38:47,040

report

1052

00:38:50,310 --> 00:38:48,960

being requested from the senate

1053

00:38:54,150 --> 00:38:50,320

intelligence committee

1054

00:38:56,870 --> 00:38:54,160

to um naval intelligence uh department

1055

00:38:58,630 --> 00:38:56,880

of defense and uh basically everyone

1056

00:39:01,670 --> 00:38:58,640

within government to be like

1057

00:39:02,790 --> 00:39:01,680

stop stovepiping what you know about

1058

00:39:05,030 --> 00:39:02,800

these topics

1059

00:39:06,310 --> 00:39:05,040

share your information and let's figure

1060

00:39:08,230 --> 00:39:06,320

out what this is could this

1061

00:39:10,310 --> 00:39:08,240

this could be potentially a threat to

1062

00:39:11,990 --> 00:39:10,320

our nation and other nations

1063

00:39:13,430 --> 00:39:12,000

as well and that's kind of where we

1064

00:39:15,829 --> 00:39:13,440

stand today but um

1065

00:39:16,630 --> 00:39:15,839

right after we heard that this report

1066

00:39:19,430 --> 00:39:16,640

was gonna

1067

00:39:20,950 --> 00:39:19,440

actually happen um like i said i talked

1068

00:39:22,310 --> 00:39:20,960

to both of these gentlemen

1069

00:39:24,230 --> 00:39:22,320

and i just wanted to share a couple

1070

00:39:27,430 --> 00:39:24,240

quotes that they gave to me

1071

00:39:29,109 --> 00:39:27,440

over at uh over at the debrief

1072

00:39:30,630 --> 00:39:29,119

so christopher mullin said it's now fair

1073

00:39:32,310 --> 00:39:30,640

to say that the request for an

1074

00:39:34,069 --> 00:39:32,320

unclassified report on the uap

1075

00:39:36,630 --> 00:39:34,079

phenomenon enjoys the support of both

1076

00:39:38,870 --> 00:39:36,640

parties in both houses of congress

1077

00:39:40,950 --> 00:39:38,880

assuming the exact executive branch

1078

00:39:42,950 --> 00:39:40,960

honors this important request

1079

00:39:44,470 --> 00:39:42,960

the nation will at long last have an

1080

00:39:47,430 --> 00:39:44,480

objective basis

1081

00:39:49,990 --> 00:39:47,440

for assessing the validity of the issue

1082

00:39:51,990 --> 00:39:50,000

and its national security implications

1083

00:39:54,470 --> 00:39:52,000

this is an extraordinary and long

1084

00:39:56,870 --> 00:39:54,480

overdue opportunity

1085

00:39:59,190 --> 00:39:56,880

and elizondo went on to tell me this

1086

00:40:01,430 --> 00:39:59,200

report when submitted will serve as a

1087

00:40:04,150 --> 00:40:01,440

litmus to determine how seriously

1088

00:40:05,589 --> 00:40:04,160

the pentagon takes this topic and even

1089

00:40:08,630 --> 00:40:05,599

more so the authority

1090

00:40:11,349 --> 00:40:08,640

and the will of congress let me remind

1091

00:40:15,990 --> 00:40:11,359

the pentagon that the world is watching

1092

00:40:21,109 --> 00:40:19,270

so yeah i thought that was pretty cool

1093

00:40:23,349 --> 00:40:21,119

that these guys were willing to say

1094

00:40:24,309 --> 00:40:23,359

these things and to again hold the fire

1095

00:40:28,390 --> 00:40:24,319

under

1096

00:40:31,510 --> 00:40:28,400

executive branch and

1097

00:40:32,630 --> 00:40:31,520

under the military to to say the public

1098

00:40:35,190 --> 00:40:32,640

wants to know

1099

00:40:36,710 --> 00:40:35,200

and we're taking this topic seriously so

1100

00:40:38,390 --> 00:40:36,720

yeah that's um

1101

00:40:39,829 --> 00:40:38,400

i thought that was pretty cool um let's

1102

00:40:40,390 --> 00:40:39,839

see what do i have here next for you

1103

00:40:43,030 --> 00:40:40,400

guys

1104

00:40:44,710 --> 00:40:43,040

um and i should mention there is a

1105

00:40:47,109 --> 00:40:44,720

pentagon task force

1106

00:40:48,550 --> 00:40:47,119

that's submitting this report that's

1107

00:40:51,349 --> 00:40:48,560

working on all of this too

1108

00:40:52,790 --> 00:40:51,359

so never in my ufological days did i

1109

00:40:55,670 --> 00:40:52,800

think there would be

1110

00:40:57,270 --> 00:40:55,680

a pentagon task force looking into ufos

1111

00:40:59,910 --> 00:40:57,280

aside from eight tip

1112

00:41:01,510 --> 00:40:59,920

again another story for another time uh

1113

00:41:02,950 --> 00:41:01,520

i'm gonna go in the chat here just for a

1114

00:41:03,349 --> 00:41:02,960

minute i'm not ignoring you guys i'm

1115

00:41:05,109 --> 00:41:03,359

just

1116

00:41:07,190 --> 00:41:05,119

i had no idea how long this presentation

1117

00:41:11,910 --> 00:41:07,200

would take so i kind of wanted to

1118

00:41:15,829 --> 00:41:11,920

barrel through it um let's see here

1119

00:41:17,910 --> 00:41:15,839

hi audrey hi gaza hi warlink hi steven

1120

00:41:20,710 --> 00:41:17,920

hi james thank you everyone for being

1121

00:41:23,109 --> 00:41:20,720

here guys i really appreciate it um

1122

00:41:24,470 --> 00:41:23,119

this is this is going so well way better

1123

00:41:26,069 --> 00:41:24,480

than i anticipated so

1124

00:41:27,829 --> 00:41:26,079

thank you for dealing with all of my

1125

00:41:29,349 --> 00:41:27,839

technical things here um

1126

00:41:31,109 --> 00:41:29,359

the next thing i wanted to share with

1127

00:41:31,910 --> 00:41:31,119

you guys uh and i'm gonna have to do a

1128

00:41:33,750 --> 00:41:31,920

share screen

1129

00:41:34,950 --> 00:41:33,760

for this one these other videos i have

1130

00:41:37,829 --> 00:41:34,960

like all ready to go

1131

00:41:39,829 --> 00:41:37,839

um so bear with me uh but these are

1132

00:41:42,950 --> 00:41:39,839

comments that have actually been made

1133

00:41:44,230 --> 00:41:42,960

by recent congress members and senators

1134

00:41:47,990 --> 00:41:44,240

and representatives

1135

00:41:49,589 --> 00:41:48,000

about this report coming out so you know

1136

00:41:51,109 --> 00:41:49,599

it's pretty interesting these aren't

1137

00:41:53,190 --> 00:41:51,119

former uh

1138

00:41:54,950 --> 00:41:53,200

people who were in office these are

1139

00:41:58,069 --> 00:41:54,960

people in office right now

1140

00:42:00,550 --> 00:41:58,079

who have been briefed on this issue

1141

00:42:01,190 --> 00:42:00,560

and have seen the classified report so

1142

00:42:03,430 --> 00:42:01,200

um

1143

00:42:04,390 --> 00:42:03,440

yeah we have senator martin heinrich of

1144

00:42:06,390 --> 00:42:04,400

new mexico

1145

00:42:08,470 --> 00:42:06,400

senator mark kelly of arizona who was

1146

00:42:09,589 --> 00:42:08,480

also a former astronaut so he's got a

1147

00:42:11,190 --> 00:42:09,599

little cool story

1148

00:42:12,870 --> 00:42:11,200

to share with you guys in this interview

1149

00:42:15,190 --> 00:42:12,880

and senator tim burchett

1150

00:42:16,950 --> 00:42:15,200

of tennessee um they all had some really

1151

00:42:19,270 --> 00:42:16,960

interesting things to say so

1152

00:42:25,430 --> 00:42:19,280

again bear with me here while i queue up

1153

00:42:31,670 --> 00:42:30,630

all right here we go what do you think

1154

00:42:34,230 --> 00:42:31,680

about all this ufo

1155

00:42:35,670 --> 00:42:34,240

stuff going on right now uh i think we

1156

00:42:36,790 --> 00:42:35,680

need to get to the bottom of it it's

1157

00:42:39,829 --> 00:42:36,800

pretty intriguing

1158

00:42:40,790 --> 00:42:39,839

i don't know what it is but anytime you

1159

00:42:44,309 --> 00:42:40,800

have uh

1160

00:42:45,750 --> 00:42:44,319

legitimate uh pilots describing

1161

00:42:48,950 --> 00:42:45,760

something that

1162

00:42:52,470 --> 00:42:48,960

doesn't seem to conform to uh

1163

00:42:56,950 --> 00:42:52,480

uh the the laws of physics that

1164

00:42:59,349 --> 00:42:56,960

govern aviation and is in

1165

00:43:00,550 --> 00:42:59,359

u.s airspace i think it's something we

1166

00:43:02,390 --> 00:43:00,560

need to get to the bottom

1167

00:43:04,550 --> 00:43:02,400

bigger thing to worry about if it's a

1168

00:43:07,270 --> 00:43:04,560

foreign government or if it's aliens

1169

00:43:08,790 --> 00:43:07,280

oh option b much bigger you think the

1170

00:43:12,870 --> 00:43:08,800

aliens would be worse

1171

00:43:16,710 --> 00:43:12,880

uh i i cannot imagine

1172

00:43:17,670 --> 00:43:16,720

if we have uh if there is a foreign

1173

00:43:19,589 --> 00:43:17,680

government that had

1174

00:43:21,270 --> 00:43:19,599

these kinds of capabilities i think we

1175

00:43:24,950 --> 00:43:21,280

would see uh

1176

00:43:28,390 --> 00:43:24,960

other indications of advanced technology

1177

00:43:31,430 --> 00:43:28,400

i can't imagine that

1178

00:43:33,109 --> 00:43:31,440

that what has been described or or shown

1179

00:43:37,990 --> 00:43:33,119

in some of the videos

1180

00:43:41,109 --> 00:43:38,000

is of uh belongs to any government that

1181

00:43:45,109 --> 00:43:41,119

i'm aware i'm not really a betting man

1182

00:43:48,230 --> 00:43:45,119

but the way uh these things

1183

00:43:49,270 --> 00:43:48,240

operate you know they certainly you

1184

00:43:52,230 --> 00:43:49,280

wouldn't want a human

1185

00:43:53,349 --> 00:43:52,240

being or any living creature in

1186

00:43:56,230 --> 00:43:53,359

something that

1187

00:43:58,309 --> 00:43:56,240

moves that fast and changes direction

1188

00:44:00,790 --> 00:43:58,319

that quickly

1189

00:44:02,309 --> 00:44:00,800

so like i said i've i have no idea what

1190

00:44:03,430 --> 00:44:02,319

it is but i think we should figure it

1191

00:44:06,390 --> 00:44:03,440

out

1192

00:44:08,230 --> 00:44:06,400

this is pretty interesting so on my

1193

00:44:10,870 --> 00:44:08,240

third space shuttle flight

1194

00:44:12,710 --> 00:44:10,880

we thought we had a piece of debris

1195

00:44:14,069 --> 00:44:12,720

floating above the payload bay

1196

00:44:15,910 --> 00:44:14,079

and it was right before i was closing

1197

00:44:17,109 --> 00:44:15,920

the payload bay and i was really

1198

00:44:18,870 --> 00:44:17,119

concerned

1199

00:44:20,309 --> 00:44:18,880

about what was this because it looked

1200

00:44:21,670 --> 00:44:20,319

like it was about this big

1201
00:44:23,349 --> 00:44:21,680
and i was concerned it may have came

1202
00:44:24,870 --> 00:44:23,359
come off the payload bay doors

1203
00:44:26,550 --> 00:44:24,880
or some other equipment in the payload

1204
00:44:27,430 --> 00:44:26,560
bay we're getting ready to close them

1205
00:44:30,950 --> 00:44:27,440
could it be

1206
00:44:33,430 --> 00:44:30,960
something that uh would interrupt

1207
00:44:36,710 --> 00:44:33,440
the successful closing and we need these

1208
00:44:39,990 --> 00:44:36,720
doors to close before we can re-enter

1209
00:44:41,270 --> 00:44:40,000
take pictures of this and

1210
00:44:42,710 --> 00:44:41,280
before we sent the pictures to the

1211
00:44:43,990 --> 00:44:42,720
ground i said to mike fossum and say hey

1212
00:44:47,510 --> 00:44:44,000
give me the camera

1213
00:44:47,750 --> 00:44:47,520

so i and this is this is a nikon d5 and

1214

00:44:55,030 --> 00:44:47,760

i

1215

00:44:57,270 --> 00:44:55,040

away as that door

1216

00:44:58,950 --> 00:44:57,280

right i zoom in on it and i keep zooming

1217

00:45:02,710 --> 00:44:58,960

in on it you know what it was

1218

00:45:06,309 --> 00:45:02,720

it was the space station 60 miles away

1219

00:45:08,150 --> 00:45:06,319

so my point is sometimes you see stuff

1220

00:45:09,910 --> 00:45:08,160

and it looks like one thing and it's

1221

00:45:11,510 --> 00:45:09,920

actually another a space station that

1222

00:45:13,829 --> 00:45:11,520

weighed a million pounds

1223

00:45:15,670 --> 00:45:13,839

size of a football field 60 miles away

1224

00:45:17,270 --> 00:45:15,680

and i thought it was that distance and

1225

00:45:18,069 --> 00:45:17,280

all six of us onboard the space shuttle

1226

00:45:20,550 --> 00:45:18,079

did

1227

00:45:21,109 --> 00:45:20,560

are these ufos a national defense

1228

00:45:22,630 --> 00:45:21,119

concern

1229

00:45:24,790 --> 00:45:22,640

national security interview depends on

1230

00:45:28,390 --> 00:45:24,800

what it is what it is i mean if

1231

00:45:30,150 --> 00:45:28,400

if we if we um

1232

00:45:32,309 --> 00:45:30,160

you know we'll see the report you know

1233

00:45:34,230 --> 00:45:32,319

if there's i'm as interested

1234

00:45:35,670 --> 00:45:34,240

as as you would see again i don't know

1235

00:45:36,550 --> 00:45:35,680

if there's a classified version of it

1236

00:45:39,190 --> 00:45:36,560

i'll find out

1237

00:45:40,630 --> 00:45:39,200

uh in a week but we are always concerned

1238

00:45:41,990 --> 00:45:40,640

i am the chairman of emerging threats

1239

00:45:43,109 --> 00:45:42,000

and capabilities on senate armed

1240

00:45:46,950 --> 00:45:43,119

services

1241

00:45:49,030 --> 00:45:46,960

so if our adversaries have developed

1242

00:45:50,790 --> 00:45:49,040

you know technology that we don't

1243

00:45:53,430 --> 00:45:50,800

understand and have made

1244

00:45:55,030 --> 00:45:53,440

you know sometimes countries make techno

1245

00:45:56,470 --> 00:45:55,040

technological leaps

1246

00:45:58,069 --> 00:45:56,480

that we don't anticipate if somebody

1247

00:46:00,470 --> 00:45:58,079

made a technological leap

1248

00:46:02,630 --> 00:46:00,480

it's important that we know about it

1249

00:46:04,390 --> 00:46:02,640

congressman i know right now um

1250

00:46:06,069 --> 00:46:04,400

with president biden when he's going to

1251

00:46:07,750 --> 00:46:06,079

Speak to um Putin

1252

00:46:10,790 --> 00:46:07,760

that he's talking he's going to ask him

1253

00:46:12,069 --> 00:46:10,800

about the UFO thing and stuff like that

1254

00:46:13,990 --> 00:46:12,079

I think that's ridiculous if the

1255

00:46:15,910 --> 00:46:14,000

Russians had UFO technology

1256

00:46:17,190 --> 00:46:15,920

I mean they would own us right now they

1257

00:46:17,750 --> 00:46:17,200

used to say that they've heard people

1258

00:46:19,430 --> 00:46:17,760

talk about

1259

00:46:21,030 --> 00:46:19,440

how the Nazis had it in the second world

1260

00:46:23,030 --> 00:46:21,040

world if they did they would have won

1261

00:46:24,630 --> 00:46:23,040

that is ridiculous it has to be

1262

00:46:26,309 --> 00:46:24,640

something that's that's out of our

1263

00:46:29,510 --> 00:46:26,319

galaxy it just has to be if

1264

00:46:31,430 --> 00:46:29,520

it if it in impact is real because

1265

00:46:33,829 --> 00:46:31,440

you have always been a straight shooter

1266

00:46:35,990 --> 00:46:33,839

it's been like i know when um it's

1267

00:46:37,829 --> 00:46:36,000

been bipartisan but the one thing i've

1268

00:46:39,670 --> 00:46:37,839

noticed is

1269

00:46:41,910 --> 00:46:39,680

it doesn't matter which president is

1270

00:46:43,270 --> 00:46:41,920

nobody ever talks about the uh they

1271

00:46:44,230 --> 00:46:43,280

always say they're gonna do something

1272

00:46:46,470 --> 00:46:44,240

about it and then they get in

1273

00:46:47,750 --> 00:46:46,480

office and honestly i thought trump was

1274

00:46:48,630 --> 00:46:47,760

gonna do something i was gonna release

1275

00:46:49,990 --> 00:46:48,640

the files but

1276

00:46:51,910 --> 00:46:50,000

you know they release these files are

1277

00:46:54,470 --> 00:46:51,920

redacted it's just a big blob

1278

00:46:55,270 --> 00:46:54,480

white out and uh clearly something's

1279

00:46:57,510 --> 00:46:55,280

going on

1280

00:46:58,870 --> 00:46:57,520

that we can't handle i mean ufos were in

1281

00:47:00,950 --> 00:46:58,880

the bible

1282

00:47:03,030 --> 00:47:00,960

read ezekiel talks about the wheel

1283

00:47:04,470 --> 00:47:03,040

flying around so i mean

1284

00:47:06,390 --> 00:47:04,480

they've been around since we've been

1285

00:47:07,270 --> 00:47:06,400

around and um somebody needs to come up

1286

00:47:08,790 --> 00:47:07,280

with some answers

1287

00:47:10,870 --> 00:47:08,800

so even when something's supposed to be

1288

00:47:12,470 --> 00:47:10,880

released coming up in a few

1289

00:47:14,550 --> 00:47:12,480

weeks or months what do you think is

1290

00:47:16,630 --> 00:47:14,560

going to be in that i don't believe it i

1291

00:47:17,910 --> 00:47:16,640

i think roswell was covered up i think

1292

00:47:19,589 --> 00:47:17,920

um

1293

00:47:21,109 --> 00:47:19,599

you know more people believe in ufos and

1294

00:47:22,710 --> 00:47:21,119

believe in congress for good reason

1295

00:47:23,430 --> 00:47:22,720

because of the jack lake stuff we do

1296

00:47:24,950 --> 00:47:23,440

like that

1297

00:47:27,030 --> 00:47:24,960

we we talk about we're going to release

1298

00:47:28,549 --> 00:47:27,040

it and then we never do or we release

1299

00:47:30,950 --> 00:47:28,559

something that's so redacted

1300

00:47:32,069 --> 00:47:30,960

that it's just ridiculous the air force

1301

00:47:34,790 --> 00:47:32,079

had a release of

1302

00:47:36,309 --> 00:47:34,800

uh on roswell which was the big the big

1303

00:47:38,309 --> 00:47:36,319

deal i think from 48

1304

00:47:40,150 --> 00:47:38,319

and the big cover up there and and the

1305

00:47:41,589 --> 00:47:40,160

guy that did it was a smart aleck and he

1306

00:47:43,030 --> 00:47:41,599

kind of smirked the whole time and

1307

00:47:44,710 --> 00:47:43,040

nobody took it serious they ought to

1308

00:47:47,589 --> 00:47:44,720

take it serious american public wants to

1309

00:47:50,790 --> 00:47:47,599

know and frankly we deserve to know

1310

00:47:53,030 --> 00:47:50,800

i love that uh tim burchett

1311

00:47:53,829 --> 00:47:53,040

just laying down everything ezekiel's

1312

00:47:57,910 --> 00:47:53,839

wheel

1313

00:47:59,589 --> 00:47:57,920

trusting you know uap over congress um

1314

00:48:01,030 --> 00:47:59,599

yeah he made some interesting points i

1315

00:48:01,990 --> 00:48:01,040

thought it was funny too that actually

1316

00:48:03,829 --> 00:48:02,000

the first clip

1317

00:48:07,030 --> 00:48:03,839

in the last clip we watched were both

1318

00:48:08,549 --> 00:48:07,040

interviews from tmz of all places that

1319

00:48:09,270 --> 00:48:08,559

got these interviews with congress

1320

00:48:11,270 --> 00:48:09,280

people

1321

00:48:13,109 --> 00:48:11,280

um yeah i thought that was pretty

1322

00:48:16,309 --> 00:48:13,119

interesting um

1323

00:48:17,430 --> 00:48:16,319

so i think tim burchett actually made a

1324

00:48:20,390 --> 00:48:17,440

really good point

1325

00:48:21,190 --> 00:48:20,400

of um people don't have a lot of trust

1326

00:48:25,270 --> 00:48:21,200

in

1327

00:48:27,109 --> 00:48:25,280

reason

1328

00:48:28,630 --> 00:48:27,119

very little ever seems to really get

1329

00:48:30,549 --> 00:48:28,640

done um

1330

00:48:31,990 --> 00:48:30,559

and in terms of not trusting the

1331

00:48:35,750 --> 00:48:32,000

government you know we

1332

00:48:38,549 --> 00:48:35,760

we live in an age now of just rampant uh

1333

00:48:39,990 --> 00:48:38,559

conspiracy theory so of course a lot of

1334

00:48:43,430 --> 00:48:40,000

people don't trust the government

1335

00:48:47,670 --> 00:48:43,440

so um there might be some truth to that

1336

00:48:51,349 --> 00:48:47,680

and actually rewinding back to 2013

1337

00:48:54,150 --> 00:48:51,359

when uh mike revell when he kind of um

1338

00:48:54,870 --> 00:48:54,160

to the audience there at the event he

1339

00:48:56,790 --> 00:48:54,880

said

1340

00:48:58,549 --> 00:48:56,800

this is great that you're telling us all

1341

00:49:00,069 --> 00:48:58,559

these things that you want change to be

1342

00:49:02,790 --> 00:49:00,079

enacted within congress

1343

00:49:04,470 --> 00:49:02,800

when it comes to ufos but um you might

1344

00:49:05,030 --> 00:49:04,480

be looking at the wrong place so

1345

00:49:06,470 --> 00:49:05,040

actually

1346

00:49:08,150 --> 00:49:06,480

i'm gonna go ahead and play this video

1347

00:49:10,069 --> 00:49:08,160

for you guys because i found this

1348

00:49:12,630 --> 00:49:10,079

pretty telling from a former congress

1349

00:49:14,470 --> 00:49:12,640

member and uh what he had to say

1350

00:49:16,549 --> 00:49:14,480

so let me go ahead and play that for you

1351

00:49:19,510 --> 00:49:16,559

now and we are stuck

1352

00:49:21,030 --> 00:49:19,520

in in a system a structure of governance

1353

00:49:23,270 --> 00:49:21,040

that's 250 years old

1354

00:49:25,510 --> 00:49:23,280

that is totally irrelevant to dealing

1355

00:49:27,430 --> 00:49:25,520

with our problems that we face today

1356

00:49:29,750 --> 00:49:27,440

say oh we're going to go to the congress

1357

00:49:31,270 --> 00:49:29,760

i got to tell you i've said that earlier

1358

00:49:33,510 --> 00:49:31,280

in the week it's a dead letter

1359

00:49:34,309 --> 00:49:33,520

and hold your breath it's never going to

1360

00:49:35,910 --> 00:49:34,319

happen

1361

00:49:37,670 --> 00:49:35,920

and it's not that i'm demeaning the

1362

00:49:40,549 --> 00:49:37,680

congress i've been there

1363

00:49:42,630 --> 00:49:40,559

and i'll tell you that that they they

1364

00:49:44,309 --> 00:49:42,640

don't have the power that you think they

1365

00:49:45,030 --> 00:49:44,319

have but when you have a structure of

1366

00:49:47,270 --> 00:49:45,040

government

1367

00:49:48,470 --> 00:49:47,280

that doesn't permit the people to take

1368

00:49:51,349 --> 00:49:48,480

responsibility

1369

00:49:52,390 --> 00:49:51,359

you guarantee the continuation of civic

1370

00:49:55,190 --> 00:49:52,400

adolescence

1371

00:49:56,309 --> 00:49:55,200

there's only two venues for change one

1372

00:49:59,270 --> 00:49:56,319

is the government

1373

00:50:00,150 --> 00:49:59,280

wherein structurally the problem exists

1374

00:50:03,190 --> 00:50:00,160

and the other

1375

00:50:06,470 --> 00:50:03,200

is the people the answer is the people

1376

00:50:07,190 --> 00:50:06,480

it's not your leaders don't trust your

1377

00:50:10,390 --> 00:50:07,200

leaders

1378

00:50:13,589 --> 00:50:10,400

marcus cicero defined freedom

1379

00:50:16,870 --> 00:50:13,599

as participation in power

1380

00:50:17,430 --> 00:50:16,880

you will never never see fundamental

1381

00:50:21,190 --> 00:50:17,440

change

1382

00:50:24,829 --> 00:50:21,200

in our society or global society until

1383

00:50:26,230 --> 00:50:24,839

the power can be relegated to the people

1384

00:50:29,349 --> 00:50:26,240

directly

1385

00:50:32,069 --> 00:50:29,359

i have personally unreserved

1386

00:50:33,990 --> 00:50:32,079

faith in the people and if you don't

1387

00:50:37,430 --> 00:50:34,000

have faith in the people

1388

00:50:39,829 --> 00:50:37,440

what do you have faith in the leaders

1389

00:50:41,510 --> 00:50:39,839

and that's exactly where we're at today

1390

00:50:44,470 --> 00:50:41,520

there's a lot more out there

1391

00:50:45,910 --> 00:50:44,480

that could benefit the human race but we

1392

00:50:46,630 --> 00:50:45,920

can't get our hands on it because we

1393

00:50:48,630 --> 00:50:46,640

don't have this

1394

00:50:53,990 --> 00:50:48,640

we don't have the structure of

1395

00:50:56,309 --> 00:50:54,000

governance to be able to go at it

1396

00:50:58,870 --> 00:50:56,319

yeah so again my special thanks to ruben

1397

00:51:00,390 --> 00:50:58,880

langdon and uh jeremy corbell for

1398

00:51:01,910 --> 00:51:00,400

providing a lot of these clips from the

1399

00:51:04,069 --> 00:51:01,920

citizen hearing but uh

1400

00:51:04,950 --> 00:51:04,079

getting back to that that was pretty

1401

00:51:06,630 --> 00:51:04,960

pretty interesting

1402

00:51:09,190 --> 00:51:06,640

that a former congress person would say

1403

00:51:10,710 --> 00:51:09,200

that like don't trust your leaders

1404

00:51:12,790 --> 00:51:10,720

if you really want the information on

1405

00:51:15,670 --> 00:51:12,800

this because uh you ain't gonna get it

1406

00:51:18,710 --> 00:51:15,680

um which is sobering in some ways but i

1407

00:51:21,270 --> 00:51:18,720

do think there is some truth to uh

1408

00:51:22,870 --> 00:51:21,280

the people having the power and i think

1409

00:51:24,309 --> 00:51:22,880

that's kind of what we're seeing play

1410

00:51:27,670 --> 00:51:24,319

out with people like

1411

00:51:30,230 --> 00:51:27,680

luis elizondo who is now really

1412

00:51:32,150 --> 00:51:30,240

really putting the pentagon and the

1413

00:51:34,630 --> 00:51:32,160

department of defense um

1414

00:51:35,990 --> 00:51:34,640

you know putting their feet in the fire

1415

00:51:37,670 --> 00:51:36,000

and backing them into a corner

1416

00:51:39,589 --> 00:51:37,680

so that they do have to get this

1417

00:51:41,349 --> 00:51:39,599

information out to the public that the

1418

00:51:43,030 --> 00:51:41,359

public so rightfully

1419

00:51:44,390 --> 00:51:43,040

deserves to an extent we all know

1420

00:51:46,390 --> 00:51:44,400

national security

1421

00:51:48,069 --> 00:51:46,400

is an issue and that a lot of things

1422

00:51:48,950 --> 00:51:48,079

cannot be told to the public for that

1423

00:51:52,150 --> 00:51:48,960

reason

1424

00:51:54,710 --> 00:51:52,160

understandable but i think there's

1425

00:51:56,150 --> 00:51:54,720

also a large portion of all this that

1426

00:51:58,549 --> 00:51:56,160

they could share with us

1427

00:51:59,910 --> 00:51:58,559

and that could benefit humanity that

1428

00:52:01,910 --> 00:51:59,920

they're not sharing with us

1429

00:52:03,430 --> 00:52:01,920

as well so again just my personal

1430

00:52:06,150 --> 00:52:03,440

opinion um

1431

00:52:06,950 --> 00:52:06,160

but yeah when the power is given to the

1432

00:52:09,349 --> 00:52:06,960

people

1433

00:52:10,710 --> 00:52:09,359

i think that's where it's at but the

1434

00:52:14,710 --> 00:52:10,720

conundrum is how do you

1435

00:52:17,589 --> 00:52:14,720

enact actual change unless you do it

1436

00:52:18,549 --> 00:52:17,599

within the government so um it's a

1437

00:52:20,309 --> 00:52:18,559

catch-22

1438

00:52:22,230 --> 00:52:20,319

it really is and i think that's where we

1439

00:52:23,829 --> 00:52:22,240

are today and i think that's the

1440

00:52:25,109 --> 00:52:23,839

struggle with what is going to happen

1441

00:52:27,990 --> 00:52:25,119

with this pentagon

1442

00:52:28,870 --> 00:52:28,000

uap report and whatever happens after

1443

00:52:30,790 --> 00:52:28,880

that as well

1444

00:52:32,230 --> 00:52:30,800

but um there's another video i wanted to

1445

00:52:35,270 --> 00:52:32,240

share with you guys

1446

00:52:36,790 --> 00:52:35,280

uh and this is with uh sean cahill and

1447

00:52:37,990 --> 00:52:36,800

christopher mellon from an interview

1448

00:52:41,349 --> 00:52:38,000

they did with um

1449

00:52:42,790 --> 00:52:41,359

with cuomo over on cnn so um you know we

1450

00:52:44,950 --> 00:52:42,800

know who

1451
00:52:46,549 --> 00:52:44,960
uh christopher mellon is but sean cahill

1452
00:52:49,430 --> 00:52:46,559
for any of you who don't know

1453
00:52:50,470 --> 00:52:49,440
he is a uh investigative filmmaker and a

1454
00:52:53,270 --> 00:52:50,480
retired u.s

1455
00:52:55,030 --> 00:52:53,280
navy chief master at arms he served on

1456
00:52:55,750 --> 00:52:55,040
board the uss princeton during the

1457
00:52:59,589 --> 00:52:55,760
infamous

1458
00:53:01,910 --> 00:52:59,599
tic tac uap event of

1459
00:53:03,510 --> 00:53:01,920
uh he was in this interview with chris

1460
00:53:05,109 --> 00:53:03,520
mellon and um

1461
00:53:06,950 --> 00:53:05,119
yeah let's dissect a little about what

1462
00:53:08,870 --> 00:53:06,960
these guys talk about after we watch

1463
00:53:11,430 --> 00:53:08,880

this

1464

00:53:12,950 --> 00:53:11,440

but why now what's new in terms of the

1465

00:53:14,710 --> 00:53:12,960

urgency chris and i'll ask you both

1466

00:53:16,470 --> 00:53:14,720

about this

1467

00:53:19,109 --> 00:53:16,480

sure happy to address that so what

1468

00:53:22,230 --> 00:53:19,119

happened was a couple of years ago

1469

00:53:24,230 --> 00:53:22,240

lou elizondo and the pentagon who was

1470

00:53:25,829 --> 00:53:24,240

managing this activity with almost no

1471

00:53:28,630 --> 00:53:25,839

resources

1472

00:53:29,430 --> 00:53:28,640

he and i and a few others became aware

1473

00:53:31,510 --> 00:53:29,440

that

1474

00:53:33,270 --> 00:53:31,520

this was going on on a very significant

1475

00:53:35,670 --> 00:53:33,280

scale on the east coast at the time and

1476

00:53:38,230 --> 00:53:35,680

our pilots were not getting any support

1477

00:53:39,190 --> 00:53:38,240

the intel community was not responding

1478

00:53:41,030 --> 00:53:39,200

nobody was

1479

00:53:42,710 --> 00:53:41,040

was helping these guys out and it wasn't

1480

00:53:44,069 --> 00:53:42,720

being reported up the chain

1481

00:53:45,829 --> 00:53:44,079

it wasn't until that got into the new

1482

00:53:46,870 --> 00:53:45,839

york times and got to the attention of

1483

00:53:50,230 --> 00:53:46,880

congress

1484

00:53:51,990 --> 00:53:50,240

that finally our our leadership in both

1485

00:53:54,630 --> 00:53:52,000

branches of government became aware

1486

00:53:56,390 --> 00:53:54,640

this was going on so this has only just

1487

00:53:59,589 --> 00:53:56,400

come to light

1488

00:54:00,390 --> 00:53:59,599

uh sean what do you think is the likely

1489

00:54:02,470 --> 00:54:00,400

universe of

1490

00:54:03,589 --> 00:54:02,480

explanation that will come up at the end

1491

00:54:06,710 --> 00:54:03,599

of these reports

1492

00:54:07,829 --> 00:54:06,720

and addressing of this chris i think

1493

00:54:09,990 --> 00:54:07,839

that we're going to find that this

1494

00:54:13,030 --> 00:54:10,000

phenomenon represents a very large

1495

00:54:14,870 --> 00:54:13,040

spectrum of different things uh edges of

1496

00:54:16,950 --> 00:54:14,880

that spectrum are going to be near pure

1497

00:54:18,870 --> 00:54:16,960

technology of our adversaries

1498

00:54:20,069 --> 00:54:18,880

here on earth at the other end of that

1499

00:54:21,430 --> 00:54:20,079

spectrum is going to be something that

1500

00:54:22,790 --> 00:54:21,440

we don't yet understand and haven't

1501
00:54:24,790 --> 00:54:22,800
identified yet so

1502
00:54:26,069 --> 00:54:24,800
i hesitate to speculate on the source

1503
00:54:28,069 --> 00:54:26,079
but i can tell you that i don't believe

1504
00:54:29,750 --> 00:54:28,079
that this is within our arsenal of any

1505
00:54:32,069 --> 00:54:29,760
human technology at the moment

1506
00:54:33,430 --> 00:54:32,079
i'm a fact-first kind of guy on this i'm

1507
00:54:34,710 --> 00:54:33,440
open to everything because there's so

1508
00:54:35,750 --> 00:54:34,720
much i've learned in life that i would

1509
00:54:38,309 --> 00:54:35,760
never imagined

1510
00:54:39,270 --> 00:54:38,319
but i do know this uh i worry about the

1511
00:54:41,990 --> 00:54:39,280
safety

1512
00:54:43,589 --> 00:54:42,000
of uh men and women like you sean and

1513
00:54:45,109 --> 00:54:43,599

chris the people who wind up having to

1514

00:54:45,750 --> 00:54:45,119

cross the policy line to get into

1515

00:54:47,430 --> 00:54:45,760

practice

1516

00:54:49,510 --> 00:54:47,440

i worry that you're safe i worry that

1517

00:54:51,270 --> 00:54:49,520

people aren't beating us at our own game

1518

00:54:52,870 --> 00:54:51,280

and that we have to learn through

1519

00:54:53,750 --> 00:54:52,880

spending blood and treasure that was

1520

00:54:56,789 --> 00:54:53,760

unnecessary

1521

00:54:59,030 --> 00:54:56,799

so any exploration any research

1522

00:55:00,470 --> 00:54:59,040

any report any hearing that helps us

1523

00:55:00,870 --> 00:55:00,480

understand how to keep our fighting men

1524

00:55:02,309 --> 00:55:00,880

and way

1525

00:55:05,190 --> 00:55:02,319

women safe is the only way to honor your

1526

00:55:09,430 --> 00:55:06,630

yes i thought that was a pretty good

1527

00:55:10,710 --> 00:55:09,440

interview um i'm glad sean was able to

1528

00:55:13,750 --> 00:55:10,720

kind of uh

1529

00:55:15,589 --> 00:55:13,760

demystify this whole idea that um we're

1530

00:55:17,430 --> 00:55:15,599

saying that these are alien no

1531

00:55:19,670 --> 00:55:17,440

we have absolutely no idea what we are

1532

00:55:19,990 --> 00:55:19,680

saying however and what the pentagon has

1533

00:55:24,470 --> 00:55:20,000

since

1534

00:55:26,710 --> 00:55:24,480

stated is that um out of 120 cases

1535

00:55:27,910 --> 00:55:26,720

that they have looked at so far that

1536

00:55:31,349 --> 00:55:27,920

none of these cases

1537

00:55:34,549 --> 00:55:31,359

involve any sort of um advanced

1538

00:55:35,910 --> 00:55:34,559

us technology and probably not that of a

1539

00:55:38,470 --> 00:55:35,920

rival nation

1540

00:55:40,150 --> 00:55:38,480

either so you know what else could it be

1541

00:55:41,990 --> 00:55:40,160

that's the real question um

1542

00:55:44,150 --> 00:55:42,000

but what i find really interesting is

1543

00:55:45,190 --> 00:55:44,160

that sean is saying this christopher

1544

00:55:47,030 --> 00:55:45,200

mellon is saying this

1545

00:55:48,950 --> 00:55:47,040

luis elizondo is saying this the

1546

00:55:51,430 --> 00:55:48,960

pentagon is saying this

1547

00:55:52,069 --> 00:55:51,440

that what we're dealing with is not us

1548

00:55:55,270 --> 00:55:52,079

tech

1549

00:55:57,829 --> 00:55:55,280

and if we rewind all the way back

1550

00:55:59,109 --> 00:55:57,839

to what stanford was saying back in you

1551
00:56:02,710 --> 00:55:59,119
know the 50s

1552
00:56:03,430 --> 00:56:02,720
it's the same message we're looking into

1553
00:56:09,829 --> 00:56:03,440
it

1554
00:56:11,270 --> 00:56:09,839
eventually um so i found that really

1555
00:56:14,549 --> 00:56:11,280
interesting we sort of have

1556
00:56:15,510 --> 00:56:14,559
this um this turn of phrase that back in

1557
00:56:17,349 --> 00:56:15,520
the 50s is

1558
00:56:19,190 --> 00:56:17,359
mirroring what we're hearing from the

1559
00:56:22,950 --> 00:56:19,200
pentagon today

1560
00:56:25,030 --> 00:56:22,960
um so yeah again um we have to keep in

1561
00:56:27,030 --> 00:56:25,040
mind that the term flying saucer

1562
00:56:28,710 --> 00:56:27,040
was used during the time of panic of

1563
00:56:30,069 --> 00:56:28,720

these things in our skies back with

1564

00:56:32,230 --> 00:56:30,079

kenneth arnold

1565

00:56:33,190 --> 00:56:32,240

and um you know this ufo wave in

1566

00:56:35,910 --> 00:56:33,200

washington

1567

00:56:38,390 --> 00:56:35,920

dc and then the air force actually

1568

00:56:41,510 --> 00:56:38,400

coined the term unidentified

1569

00:56:45,510 --> 00:56:41,520

flying objects excuse me uh ufo

1570

00:56:48,710 --> 00:56:45,520

to kind of downplay the um the more

1571

00:56:50,870 --> 00:56:48,720

sensational or high strangeness claims

1572

00:56:53,109 --> 00:56:50,880

of these ufos

1573

00:56:55,510 --> 00:56:53,119

and this was to like i said tell the

1574

00:56:57,349 --> 00:56:55,520

public it's unidentified now but we will

1575

00:56:59,190 --> 00:56:57,359

most likely identify it

1576
00:57:00,549 --> 00:56:59,200
and now in the past few years we've gone

1577
00:57:03,270 --> 00:57:00,559
from unidentified fine

1578
00:57:04,470 --> 00:57:03,280
object to unidentified aerial phenomena

1579
00:57:07,670 --> 00:57:04,480
uap

1580
00:57:08,549 --> 00:57:07,680
so it once again it comes from the

1581
00:57:11,270 --> 00:57:08,559
government

1582
00:57:12,150 --> 00:57:11,280
and might be a tactic to either i don't

1583
00:57:13,829 --> 00:57:12,160
know

1584
00:57:15,190 --> 00:57:13,839
shed the ridicule maybe the stigma of

1585
00:57:17,349 --> 00:57:15,200
ufos or

1586
00:57:18,630 --> 00:57:17,359
it's to confuse us even more and keep

1587
00:57:21,109 --> 00:57:18,640
the mystery going

1588
00:57:22,069 --> 00:57:21,119

until the public sort of forgets about

1589

00:57:24,230 --> 00:57:22,079

it and um

1590

00:57:26,390 --> 00:57:24,240

you know the message is the same now

1591

00:57:28,549 --> 00:57:26,400

with the pentagon task force as it was

1592

00:57:30,549 --> 00:57:28,559

back in the 50s with sanford so

1593

00:57:32,309 --> 00:57:30,559

i found that pretty interesting i know

1594

00:57:33,829 --> 00:57:32,319

some of you probably do not agree

1595

00:57:35,349 --> 00:57:33,839

with any of these things i'm saying

1596

00:57:37,510 --> 00:57:35,359

which is completely fine

1597

00:57:39,030 --> 00:57:37,520

who am i to say who are you to say we're

1598

00:57:42,309 --> 00:57:39,040

in this together but um

1599

00:57:45,349 --> 00:57:42,319

yeah so what people are reporting is not

1600

00:57:48,390 --> 00:57:45,359

united states technology so

1601
00:57:50,069 --> 00:57:48,400
who is it that kind of remains

1602
00:57:51,589 --> 00:57:50,079
the biggest question you know either way

1603
00:57:54,950 --> 00:57:51,599
the term uap

1604
00:57:57,190 --> 00:57:54,960
uh seems to be here to say to stay

1605
00:57:58,150 --> 00:57:57,200
and um who will be the next to

1606
00:58:01,109 --> 00:57:58,160
investigate it

1607
00:58:03,190 --> 00:58:01,119
you know if this is all a threat who'll

1608
00:58:08,630 --> 00:58:03,200
protect us you know what um

1609
00:58:11,349 --> 00:58:08,640
what permanent department or i guess uh

1610
00:58:12,309 --> 00:58:11,359
let's say military branch might be there

1611
00:58:15,990 --> 00:58:12,319
to protect us

1612
00:58:20,549 --> 00:58:16,000
from these threats if they are alien

1613
00:58:22,710 --> 00:58:20,559

um i got some ideas i got some ideas

1614

00:58:24,630 --> 00:58:22,720

some people look to the stars and ask

1615

00:58:28,150 --> 00:58:24,640

what if

1616

00:58:30,870 --> 00:58:28,160

our job is to have an answer we have to

1617

00:58:32,870 --> 00:58:30,880

imagine what will be imagined

1618

00:58:34,950 --> 00:58:32,880

plan for what's possible while it's

1619

00:58:36,630 --> 00:58:34,960

still impossible

1620

00:58:38,309 --> 00:58:36,640

maybe you weren't put here just to ask

1621

00:58:41,510 --> 00:58:38,319

the questions

1622

00:58:45,190 --> 00:58:41,520

maybe you were put here to be the answer

1623

00:58:53,910 --> 00:58:51,349

isn't on this planet

1624

00:58:56,150 --> 00:58:53,920

i'm just saying i'm not saying it's true

1625

00:58:58,950 --> 00:58:56,160

but we have to ask these questions

1626
00:58:59,750 --> 00:58:58,960
you know is this a tactic to get more

1627
00:59:02,069 --> 00:58:59,760
people

1628
00:59:03,589 --> 00:59:02,079
interested and excited about space force

1629
00:59:05,589 --> 00:59:03,599
um could be

1630
00:59:06,710 --> 00:59:05,599
um luis elizondo has said that is not

1631
00:59:08,950 --> 00:59:06,720
the case so

1632
00:59:09,910 --> 00:59:08,960
um you know you could take his word for

1633
00:59:12,390 --> 00:59:09,920
it or we can

1634
00:59:13,829 --> 00:59:12,400
continue to dig deeper and ask these

1635
00:59:16,309 --> 00:59:13,839
tougher questions of

1636
00:59:17,430 --> 00:59:16,319
everything going on right now with ufos

1637
00:59:20,950 --> 00:59:17,440
and the government

1638
00:59:22,710 --> 00:59:20,960

um so yeah i guess kind of

1639

00:59:25,270 --> 00:59:22,720

what i want to leave with you guys with

1640

00:59:26,390 --> 00:59:25,280

for this uh presentation portion of this

1641

00:59:29,829 --> 00:59:26,400

live stream

1642

00:59:30,390 --> 00:59:29,839

is um this report it's coming out any

1643

00:59:32,230 --> 00:59:30,400

day

1644

00:59:33,589 --> 00:59:32,240

um we have no idea what it's going to

1645

00:59:35,670 --> 00:59:33,599

entail um

1646

00:59:37,109 --> 00:59:35,680

like i said people are excited people um

1647

00:59:41,109 --> 00:59:37,119

aren't holding their breath

1648

00:59:44,390 --> 00:59:41,119

but i look at it this way um it's more

1649

00:59:45,190 --> 00:59:44,400

ufo cases hopefully that the public will

1650

00:59:49,349 --> 00:59:45,200

get to see

1651
00:59:51,910 --> 00:59:49,359
that have happened from you know 2004

1652
00:59:53,349 --> 00:59:51,920
and forward they're not going to tell us

1653
00:59:54,470 --> 00:59:53,359
what happened at roswell

1654
00:59:56,950 --> 00:59:54,480
they're not going to tell us what

1655
00:59:59,030 --> 00:59:56,960
happened in rendelsham forest

1656
01:00:02,069 --> 00:59:59,040
any of that we're talking about current

1657
01:00:04,549 --> 01:00:02,079
day ufo cases which is very

1658
01:00:05,510 --> 01:00:04,559
exciting again will we see any of that i

1659
01:00:08,789 --> 01:00:05,520
don't know

1660
01:00:09,510 --> 01:00:08,799
um i have heard rumors that we will see

1661
01:00:11,589 --> 01:00:09,520
some

1662
01:00:12,630 --> 01:00:11,599
interesting things the new york times

1663
01:00:15,270 --> 01:00:12,640

has apparently

1664

01:00:16,549 --> 01:00:15,280
seen the classified report and um

1665

01:00:17,990 --> 01:00:16,559
supposedly there's some pretty

1666

01:00:19,190 --> 01:00:18,000
interesting stuff in there

1667

01:00:21,589 --> 01:00:19,200
we will have to wait and see what

1668

01:00:24,950 --> 01:00:21,599
happens with that but um

1669

01:00:27,910 --> 01:00:24,960
this is kind of leading me to this

1670

01:00:29,109 --> 01:00:27,920
bigger question if we zoom out for a

1671

01:00:33,510 --> 01:00:29,119
minute here and

1672

01:00:36,069 --> 01:00:33,520
let's say just one one ufo case

1673

01:00:37,030 --> 01:00:36,079
in all of the history of the ufo

1674

01:00:40,309 --> 01:00:37,040
phenomenon

1675

01:00:41,109 --> 01:00:40,319
what if one of them was alien that's all

1676

01:00:44,069 --> 01:00:41,119

we need

1677

01:00:45,990 --> 01:00:44,079

just that one single case the rest of

1678

01:00:48,470 --> 01:00:46,000

them could have other explanations

1679

01:00:49,109 --> 01:00:48,480

whether conventional or anomalous but

1680

01:00:53,190 --> 01:00:49,119

one

1681

01:00:56,309 --> 01:00:53,200

would need

1682

01:00:58,150 --> 01:00:56,319

to change the world

1683

01:01:00,309 --> 01:00:58,160

um the fact that we now know we are not

1684

01:01:02,950 --> 01:01:00,319

alone and we've been visited is um

1685

01:01:03,510 --> 01:01:02,960

it's profound and it could really

1686

01:01:05,750 --> 01:01:03,520

shatter

1687

01:01:06,789 --> 01:01:05,760

every paradigm that we've ever

1688

01:01:09,349 --> 01:01:06,799

encountered

1689

01:01:10,870 --> 01:01:09,359

on this planet so i think that's

1690

01:01:11,750 --> 01:01:10,880

exciting and i actually found this

1691

01:01:14,549 --> 01:01:11,760

really

1692

01:01:16,150 --> 01:01:14,559

interesting interview um that kind of

1693

01:01:17,430 --> 01:01:16,160

had to do with all of this about the

1694

01:01:20,789 --> 01:01:17,440

report coming out

1695

01:01:21,910 --> 01:01:20,799

but it wasn't one that um really made

1696

01:01:23,670 --> 01:01:21,920

the rounds

1697

01:01:25,190 --> 01:01:23,680

and not with people you would really

1698

01:01:28,470 --> 01:01:25,200

think of um

1699

01:01:32,950 --> 01:01:28,480

so i'm going to show you a gentleman

1700

01:01:36,870 --> 01:01:36,309

so this is professor tim marithi uh he

1701
01:01:38,789 --> 01:01:36,880
is the

1702
01:01:40,710 --> 01:01:38,799
head of programming at the institute for

1703
01:01:43,589 --> 01:01:40,720
justice and reconciliation

1704
01:01:45,270 --> 01:01:43,599
he is based in cape town and um is a

1705
01:01:47,589 --> 01:01:45,280
professor of african studies

1706
01:01:50,470 --> 01:01:47,599
at the center for african studies the

1707
01:01:52,950 --> 01:01:50,480
university of free state south africa

1708
01:01:54,710 --> 01:01:52,960
he has over 23 years of experience in

1709
01:01:57,190 --> 01:01:54,720
the fields of peace security

1710
01:01:58,309 --> 01:01:57,200
international justice governance and

1711
01:02:00,789 --> 01:01:58,319
development

1712
01:02:01,829 --> 01:02:00,799
um so yeah this last video that i'm

1713
01:02:05,430 --> 01:02:01,839

going to show you guys

1714

01:02:07,589 --> 01:02:05,440

is uh with the sabc which is the south

1715

01:02:10,630 --> 01:02:07,599

african broadcasting corporation

1716

01:02:12,710 --> 01:02:10,640

um where pedro nadoro a news anchor

1717

01:02:13,910 --> 01:02:12,720

talked to tim marithi and i'm just going

1718

01:02:16,150 --> 01:02:13,920

to play it for you guys

1719

01:02:17,750 --> 01:02:16,160

and we can um hopefully discuss a little

1720

01:02:20,710 --> 01:02:17,760

bit about it after

1721

01:02:21,829 --> 01:02:20,720

let me find that video for you here so

1722

01:02:23,349 --> 01:02:21,839

the three current

1723

01:02:24,870 --> 01:02:23,359

theories about what potentially they

1724

01:02:26,789 --> 01:02:24,880

could be um

1725

01:02:27,990 --> 01:02:26,799

you know the u.s government is notorious

1726
01:02:29,670 --> 01:02:28,000
for in fact

1727
01:02:31,029 --> 01:02:29,680
releasing slowly releasing new

1728
01:02:33,270 --> 01:02:31,039
technology

1729
01:02:34,789 --> 01:02:33,280
to the public and uh and gradually

1730
01:02:36,150 --> 01:02:34,799
saying okay look we finally built this

1731
01:02:37,829 --> 01:02:36,160
thing this is how it flies

1732
01:02:40,309 --> 01:02:37,839
so that's one theory it could be u.s new

1733
01:02:42,630 --> 01:02:40,319
tech it could be also china russia

1734
01:02:44,150 --> 01:02:42,640
eu japan maybe also they've got new tech

1735
01:02:46,630 --> 01:02:44,160
we don't we don't know about

1736
01:02:48,390 --> 01:02:46,640
and the third theory that is is is the

1737
01:02:49,990 --> 01:02:48,400
most kind of intriguing for me is that

1738
01:02:52,150 --> 01:02:50,000

this potentially is

1739

01:02:53,510 --> 01:02:52,160

an extraterrestrial civilization that is

1740

01:02:55,750 --> 01:02:53,520

in fact interacting

1741

01:02:57,349 --> 01:02:55,760

with humanity for the first time uh for

1742

01:03:00,470 --> 01:02:57,359

the reasons that i mentioned

1743

01:03:02,470 --> 01:03:00,480

um that we are at a technological uh

1744

01:03:04,470 --> 01:03:02,480

point now where we can not only film

1745

01:03:07,109 --> 01:03:04,480

them but perhaps even understand

1746

01:03:08,789 --> 01:03:07,119

the dynamics the the mechanics and the

1747

01:03:11,910 --> 01:03:08,799

you know the the engineering

1748

01:03:13,190 --> 01:03:11,920

that goes into into into enabling craft

1749

01:03:16,150 --> 01:03:13,200

to do this we know

1750

01:03:16,950 --> 01:03:16,160

the theories out there in terms of of of

1751

01:03:19,430 --> 01:03:16,960

these uh

1752

01:03:21,349 --> 01:03:19,440

you know anti-gravity uh flight in fact

1753

01:03:22,950 --> 01:03:21,359

if anyone does a search they will find

1754

01:03:24,549 --> 01:03:22,960

that the information is known the

1755

01:03:26,230 --> 01:03:24,559

practicality of doing it

1756

01:03:27,750 --> 01:03:26,240

though has not been uh has not been

1757

01:03:29,829 --> 01:03:27,760

achieved yet so

1758

01:03:31,109 --> 01:03:29,839

perhaps this is the time that we are

1759

01:03:33,190 --> 01:03:31,119

seeing that there are other

1760

01:03:35,510 --> 01:03:33,200

civilizations out there that are in fact

1761

01:03:37,510 --> 01:03:35,520

prepared to to engage with humanity and

1762

01:03:39,190 --> 01:03:37,520

and maybe even help us maybe even help

1763

01:03:41,349 --> 01:03:39,200

us deal with with a covet

1764

01:03:43,349 --> 01:03:41,359

virus that's still uh you know in our

1765

01:03:45,670 --> 01:03:43,359

society

1766

01:03:47,589 --> 01:03:45,680

i mean you know the more we talk about

1767

01:03:49,109 --> 01:03:47,599

this and the idea that there could be

1768

01:03:51,510 --> 01:03:49,119

other civilizations

1769

01:03:52,390 --> 01:03:51,520

of course people will be thinking what

1770

01:03:55,510 --> 01:03:52,400

is going on

1771

01:03:56,549 --> 01:03:55,520

um but let's assume for a second that

1772

01:03:59,349 --> 01:03:56,559

there could be

1773

01:04:00,789 --> 01:03:59,359

other civilizations i mean to think that

1774

01:04:03,589 --> 01:04:00,799

this tiny little planet

1775

01:04:05,190 --> 01:04:03,599

called earth in this massive universe

1776

01:04:07,750 --> 01:04:05,200

exists a lot alone

1777

01:04:09,190 --> 01:04:07,760

perhaps maybe the starting point but

1778

01:04:10,829 --> 01:04:09,200

what might it mean

1779

01:04:12,470 --> 01:04:10,839

if let's say there are other

1780

01:04:14,309 --> 01:04:12,480

civilizations what could it mean for

1781

01:04:16,069 --> 01:04:14,319

humanity

1782

01:04:18,069 --> 01:04:16,079

well i think it would be a real game

1783

01:04:20,630 --> 01:04:18,079

changer in terms of even our

1784

01:04:22,069 --> 01:04:20,640

own the way we deal with each other as

1785

01:04:24,630 --> 01:04:22,079

human beings you know we're so

1786

01:04:26,309 --> 01:04:24,640

busy fighting and we're engaged in

1787

01:04:28,870 --> 01:04:26,319

factionalism if we

1788

01:04:30,630 --> 01:04:28,880

if we discover that in fact that there

1789

01:04:31,270 --> 01:04:30,640

is there are other civilizations out

1790

01:04:33,190 --> 01:04:31,280

there

1791

01:04:34,470 --> 01:04:33,200

it helps it it makes us think and look

1792

01:04:36,390 --> 01:04:34,480

at each other as

1793

01:04:37,910 --> 01:04:36,400

oh wow okay so maybe we shouldn't really

1794

01:04:40,390 --> 01:04:37,920

be doing all of this uh

1795

01:04:42,230 --> 01:04:40,400

you know uh kind of factionalism and

1796

01:04:43,910 --> 01:04:42,240

battles that that we engage in

1797

01:04:46,549 --> 01:04:43,920

and begin to see ourselves differently

1798

01:04:48,069 --> 01:04:46,559

that this is this is our home the earth

1799

01:04:50,069 --> 01:04:48,079

and there are other homes out there that

1800

01:04:51,589 --> 01:04:50,079

we need to start engaging with

1801

01:04:52,870 --> 01:04:51,599

now there's a challenge in terms of

1802

01:04:54,150 --> 01:04:52,880

making sure that mentally we are

1803

01:04:55,670 --> 01:04:54,160

prepared to deal with this you know

1804

01:04:57,750 --> 01:04:55,680

there's a lot of dogma

1805

01:04:58,710 --> 01:04:57,760

um you know some for some people their

1806

01:05:01,190 --> 01:04:58,720

religious uh

1807

01:05:02,470 --> 01:05:01,200

upbringing doesn't really permit them to

1808

01:05:04,309 --> 01:05:02,480

think in these terms

1809

01:05:06,470 --> 01:05:04,319

there's a very strong narrative that

1810

01:05:07,510 --> 01:05:06,480

they get and uh so there's a mental

1811

01:05:09,589 --> 01:05:07,520

preparation

1812

01:05:11,349 --> 01:05:09,599

and preparedness that does need to take

1813

01:05:12,710 --> 01:05:11,359

place we really don't know what's coming

1814

01:05:13,670 --> 01:05:12,720

now with all this information that's

1815

01:05:14,870 --> 01:05:13,680

being released

1816

01:05:16,549 --> 01:05:14,880

but the fact that we have this

1817

01:05:17,510 --> 01:05:16,559

information happening disclosures

1818

01:05:21,829 --> 01:05:17,520

happening

1819

01:05:23,430 --> 01:05:21,839

and confirmation of the reality of uh

1820

01:05:25,430 --> 01:05:23,440

you know these crafts that we don't

1821

01:05:27,670 --> 01:05:25,440

understand i think it's important for us

1822

01:05:29,349 --> 01:05:27,680

as as citizens of the world to actually

1823

01:05:33,430 --> 01:05:29,359

begin to engage more seriously with this

1824

01:05:39,430 --> 01:05:36,870

yeah so i love that let me get mr tim's

1825

01:05:39,910 --> 01:05:39,440

uh beautiful headshot off the screen

1826

01:05:44,549 --> 01:05:39,920

there

1827

01:05:46,309 --> 01:05:44,559

interview i love the um

1828

01:05:48,470 --> 01:05:46,319

sort of you know the nature of the

1829

01:05:50,390 --> 01:05:48,480

conversation you know we could talk all

1830

01:05:51,349 --> 01:05:50,400

we want about ufos and the government

1831

01:05:53,270 --> 01:05:51,359

but um

1832

01:05:55,349 --> 01:05:53,280

there's bigger questions to be asked

1833

01:05:57,510 --> 01:05:55,359

again if any of these

1834

01:05:58,870 --> 01:05:57,520

are from another planet another universe

1835

01:06:02,630 --> 01:05:58,880

another dimension

1836

01:06:05,670 --> 01:06:02,640

um it changes everything and it makes us

1837

01:06:06,710 --> 01:06:05,680

have to really question everything we've

1838

01:06:10,710 --> 01:06:06,720

ever been taught

1839

01:06:12,309 --> 01:06:10,720

and um and move into a new reality

1840

01:06:13,829 --> 01:06:12,319

it really does everything would

1841

01:06:16,950 --> 01:06:13,839

fundamentally change

1842

01:06:20,549 --> 01:06:16,960

if again any of these ufos are

1843

01:06:22,630 --> 01:06:20,559

of non-human origin so um

1844

01:06:23,750 --> 01:06:22,640

yeah i guess that's kind of why i want

1845

01:06:25,910 --> 01:06:23,760

to leave it for this

1846

01:06:27,270 --> 01:06:25,920

presentation portion of this guys um

1847

01:06:29,910 --> 01:06:27,280

again this uap

1848

01:06:31,349 --> 01:06:29,920

report should be coming out any day now

1849

01:06:33,270 --> 01:06:31,359

and um

1850

01:06:34,870 --> 01:06:33,280

i'll just say this temper your

1851

01:06:38,630 --> 01:06:34,880

expectations

1852

01:06:40,870 --> 01:06:38,640

be excited but also just know that

1853

01:06:42,390 --> 01:06:40,880

every time this has happened every time

1854

01:06:44,069 --> 01:06:42,400

the government has promised us

1855

01:06:46,950 --> 01:06:44,079

information on ufos

1856

01:06:48,150 --> 01:06:46,960

we're often let down and um we've dealt

1857

01:06:50,390 --> 01:06:48,160

with this before

1858

01:06:51,750 --> 01:06:50,400

so um i really hope history is not

1859

01:06:54,390 --> 01:06:51,760

repeating itself

1860

01:06:55,510 --> 01:06:54,400

um a really interesting thing that luis

1861

01:06:58,470 --> 01:06:55,520

elizondo

1862

01:07:00,309 --> 01:06:58,480

said recently on uh the disclosure team

1863

01:07:04,390 --> 01:07:00,319

podcast and youtube channel

1864

01:07:05,270 --> 01:07:04,400

um and also that uh that ufo podcast is

1865

01:07:09,190 --> 01:07:05,280

brought up is

1866

01:07:11,349 --> 01:07:09,200

um luis elizondou does believe that this

1867

01:07:14,630 --> 01:07:11,359

report will be very mundane

1868

01:07:15,349 --> 01:07:14,640

and um will not share a lot with the

1869

01:07:18,630 --> 01:07:15,359

public

1870

01:07:20,150 --> 01:07:18,640

and he doesn't like that and he has said

1871

01:07:22,309 --> 01:07:20,160

on the record

1872

01:07:25,190 --> 01:07:22,319

we have a contingency plan if that's the

1873

01:07:26,710 --> 01:07:25,200

case so i really do think elizondo knows

1874

01:07:29,029 --> 01:07:26,720

more than he's letting on

1875

01:07:31,109 --> 01:07:29,039

and i also think that he has a backup

1876

01:07:34,630 --> 01:07:31,119

plan if this uap report

1877

01:07:37,829 --> 01:07:34,640

is not what people uh expected wanted

1878

01:07:40,549 --> 01:07:37,839

deserve is probably the right word so um

1879

01:07:41,510 --> 01:07:40,559

i look forward to whatever happens um i

1880

01:07:43,990 --> 01:07:41,520

can tell you this

1881

01:07:45,430 --> 01:07:44,000

we're all gonna be on ufo twitter and on

1882

01:07:48,710 --> 01:07:45,440

youtube talking about it

1883

01:07:52,069 --> 01:07:48,720

for months after which um hey

1884

01:07:54,390 --> 01:07:52,079

we're living in the year the decade of

1885

01:07:56,470 --> 01:07:54,400

ufos and that's all we could ever ever

1886

01:07:57,750 --> 01:07:56,480

ask for so um yeah

1887

01:07:59,990 --> 01:07:57,760

that's kind of where i'm gonna leave it

1888

01:08:00,630 --> 01:08:00,000

for uh this part of the conversation

1889

01:08:03,510 --> 01:08:00,640

guys

1890

01:08:05,109 --> 01:08:03,520

so i hope you enjoyed that i'm gonna go

1891

01:08:07,349 --> 01:08:05,119

back to the comments here

1892

01:08:08,390 --> 01:08:07,359

thank you thank you everyone who um

1893

01:08:10,230 --> 01:08:08,400

hopped in and

1894

01:08:11,670 --> 01:08:10,240

gave their comments and and made it

1895

01:08:14,230 --> 01:08:11,680

through that was a marathon

1896

01:08:15,510 --> 01:08:14,240

so um yeah let's see what everyone's

1897

01:08:17,510 --> 01:08:15,520

talking about here a lot of people are

1898

01:08:20,309 --> 01:08:17,520

talking about the classified annex

1899

01:08:22,149 --> 01:08:20,319

which again it could be true could not i

1900

01:08:23,910 --> 01:08:22,159

can't confirm that the new york times

1901

01:08:25,829 --> 01:08:23,920

has seen that these are rumors that i've

1902

01:08:28,950 --> 01:08:25,839

heard um

1903

01:08:30,470 --> 01:08:28,960

but yeah let's um let's see what

1904

01:08:32,470 --> 01:08:30,480

everyone has to say here

1905

01:08:34,149 --> 01:08:32,480

oh someone mentioned kehoe that's what

1906

01:08:37,269 --> 01:08:34,159

kihoe seemed to think

1907

01:08:40,390 --> 01:08:37,279

um mentioning

1908

01:08:43,269 --> 01:08:40,400

kehoe i have for you guys

1909

01:08:44,789 --> 01:08:43,279

a list of ufo books i think you should

1910

01:08:45,829 --> 01:08:44,799

check out if you really want to learn

1911

01:08:48,630 --> 01:08:45,839

more about

1912

01:08:50,630 --> 01:08:48,640

ufos and the government and the military

1913

01:08:51,749 --> 01:08:50,640

again if you're new to this topic i hope

1914

01:08:53,590 --> 01:08:51,759

this will help you

1915

01:08:54,789 --> 01:08:53,600

i hope this is a primer for what will

1916

01:08:57,430 --> 01:08:54,799

become a

1917

01:08:58,149 --> 01:08:57,440

bigger part of your life and um and your

1918

01:09:00,709 --> 01:08:58,159

research

1919

01:09:01,910 --> 01:09:00,719

so anyone new to this topic thank you

1920

01:09:04,390 --> 01:09:01,920

for checking this out

1921

01:09:05,990 --> 01:09:04,400

um let me give you some recommendations

1922

01:09:09,590 --> 01:09:06,000

i've got here

1923

01:09:11,510 --> 01:09:09,600

uh we've got ufos by leslie kane

1924

01:09:13,189 --> 01:09:11,520

um generals pilots and government

1925

01:09:16,709 --> 01:09:13,199

officials go on the record

1926

01:09:18,789 --> 01:09:16,719

this is a freaking um

1927

01:09:20,630 --> 01:09:18,799

bible for anyone out there who wants to

1928

01:09:23,990 --> 01:09:20,640

look into ufos in the government

1929

01:09:25,669 --> 01:09:24,000

so many amazing testimony from uh pilots

1930

01:09:27,110 --> 01:09:25,679

and government officials and

1931

01:09:29,030 --> 01:09:27,120

and everyone in between talking about

1932

01:09:30,709 --> 01:09:29,040

ufos the most credible cases

1933

01:09:32,550 --> 01:09:30,719

you can think of so definitely check

1934

01:09:35,669 --> 01:09:32,560

this one out um

1935

01:09:36,229 --> 01:09:35,679

what else do we have here someone

1936

01:09:38,870 --> 01:09:36,239

mentioned

1937

01:09:40,229 --> 01:09:38,880

kiho we have the flying saucer

1938

01:09:43,349 --> 01:09:40,239

conspiracy

1939

01:09:45,269 --> 01:09:43,359

um which is if you don't know who kiho

1940

01:09:47,669 --> 01:09:45,279

is go look him up right now

1941

01:09:48,470 --> 01:09:47,679

he is one of the most tenacious ufo

1942

01:09:50,470 --> 01:09:48,480

researchers

1943

01:09:52,390 --> 01:09:50,480

that was out there challenging the

1944

01:09:54,070 --> 01:09:52,400

government before anyone else

1945

01:09:56,070 --> 01:09:54,080

would and i give him all the credit in

1946

01:09:57,750 --> 01:09:56,080

the world for doing that he truly has

1947

01:10:01,669 --> 01:09:57,760

paved the way for many of us today

1948

01:10:03,030 --> 01:10:01,679

uh elizondo included so i think he's

1949

01:10:05,590 --> 01:10:03,040

he's awesome and that's definitely a

1950

01:10:08,709 --> 01:10:05,600

book you should check out we have got

1951

01:10:10,390 --> 01:10:08,719

oh this one's falling apart on me this

1952

01:10:12,149 --> 01:10:10,400

is a collector's edition the report on

1953

01:10:14,310 --> 01:10:12,159

unidentified fine objects

1954

01:10:15,990 --> 01:10:14,320

by edward j rupelt who was actually the

1955

01:10:19,110 --> 01:10:16,000

head of project blue book

1956

01:10:21,189 --> 01:10:19,120

for a while um and came out with

1957

01:10:22,149 --> 01:10:21,199

this book after project blue book was

1958

01:10:24,149 --> 01:10:22,159

kind of

1959

01:10:25,750 --> 01:10:24,159

shut down and everything and gave his

1960

01:10:27,510 --> 01:10:25,760

thoughts and opinions on

1961

01:10:28,790 --> 01:10:27,520

on the ufo phenomenon and what they did

1962

01:10:30,709 --> 01:10:28,800

at project blue book

1963

01:10:32,630 --> 01:10:30,719

so definitely check this one out it is

1964

01:10:35,669 --> 01:10:32,640

definitely you have to have this

1965

01:10:36,470 --> 01:10:35,679

in your arsenal um another one i'm

1966

01:10:39,030 --> 01:10:36,480

reading

1967

01:10:40,310 --> 01:10:39,040

right now that i've read in the past is

1968

01:10:44,470 --> 01:10:40,320

mirage men

1969

01:10:45,270 --> 01:10:44,480

by mark pinkleton and um pilkington

1970

01:10:46,870 --> 01:10:45,280

excuse me

1971

01:10:48,790 --> 01:10:46,880

mark pilkington mark if you're watching

1972

01:10:50,630 --> 01:10:48,800

this i apologize brother um this is a

1973

01:10:54,470 --> 01:10:50,640

book all about

1974

01:10:55,830 --> 01:10:54,480

disinformation and how the air force how

1975

01:10:59,030 --> 01:10:55,840

the government um

1976

01:11:02,790 --> 01:10:59,040

intelligence agencies have used the ufo

1977

01:11:03,910 --> 01:11:02,800

mythos and the ufo issue um to disinform

1978

01:11:07,189 --> 01:11:03,920

both the public and

1979

01:11:09,189 --> 01:11:07,199

other nations and um have

1980

01:11:10,950 --> 01:11:09,199

sometimes even infiltrated the ufo

1981

01:11:12,790 --> 01:11:10,960

community to see what they're looking at

1982

01:11:14,870 --> 01:11:12,800

i mean hey if um

1983

01:11:17,030 --> 01:11:14,880

you know you have former military people

1984

01:11:18,390 --> 01:11:17,040

getting involved in the ufo topic

1985

01:11:20,470 --> 01:11:18,400

and they're going to these conferences

1986

01:11:21,189 --> 01:11:20,480

talking about well i worked on this top

1987

01:11:23,990 --> 01:11:21,199

secret thing

1988

01:11:24,550 --> 01:11:24,000

um that's not cool that's not cool so

1989

01:11:28,149 --> 01:11:24,560

they

1990

01:11:28,950 --> 01:11:28,159

conferences and kind of scope out what

1991

01:11:32,790 --> 01:11:28,960

people were looking

1992

01:11:37,750 --> 01:11:32,800

into um i know for a fact that there

1993

01:11:39,110 --> 01:11:37,760

was a afo afosi i believe it was office

1994

01:11:41,750 --> 01:11:39,120

of special investigations

1995

01:11:42,390 --> 01:11:41,760

for the air force um a former agent of

1996

01:11:44,790 --> 01:11:42,400

them

1997

01:11:46,390 --> 01:11:44,800

was at many ufo conferences that i

1998

01:11:49,910 --> 01:11:46,400

attended and spoke at

1999

01:11:51,910 --> 01:11:49,920

um looking into people so it is what it

2000

01:11:54,149 --> 01:11:51,920

is i think it's a very good book there

2001
01:11:54,870 --> 01:11:54,159
is a documentary as well i highly

2002
01:11:57,270 --> 01:11:54,880
suggest

2003
01:11:58,470 --> 01:11:57,280
you check those out because there is a

2004
01:12:01,510 --> 01:11:58,480
lot of disinformation

2005
01:12:03,110 --> 01:12:01,520
in this field in this topic and um you

2006
01:12:05,189 --> 01:12:03,120
got to try to figure out

2007
01:12:06,630 --> 01:12:05,199
what um what's real what's not and

2008
01:12:09,030 --> 01:12:06,640
everything in between so

2009
01:12:10,229 --> 01:12:09,040
um that's all i got for you guys my

2010
01:12:12,390 --> 01:12:10,239
recommendations

2011
01:12:13,350 --> 01:12:12,400
that's the history of ufos in the

2012
01:12:16,950 --> 01:12:13,360
government

2013
01:12:18,709 --> 01:12:16,960

um let's see disclosure team thanks for

2014

01:12:21,350 --> 01:12:18,719

mentioning ryan of course my man

2015

01:12:21,990 --> 01:12:21,360

if anyone has not checked out disclosure

2016

01:12:23,350 --> 01:12:22,000

teams youtube

2017

01:12:25,030 --> 01:12:23,360

channel go over there right now and

2018

01:12:26,950 --> 01:12:25,040

subscribe click like

2019

01:12:31,430 --> 01:12:26,960

and watch his interview he did today

2020

01:12:35,030 --> 01:12:31,440

with luis elizondo it was fantastic

2021

01:12:36,390 --> 01:12:35,040

let's see here um

2022

01:12:38,630 --> 01:12:36,400

audrey says i just rewatched the

2023

01:12:39,189 --> 01:12:38,640

mirageman documentary super interesting

2024

01:12:41,590 --> 01:12:39,199

yeah

2025

01:12:43,189 --> 01:12:41,600

it really is audrey um revisiting the

2026

01:12:43,910 --> 01:12:43,199

book really brought back some memories

2027

01:12:45,830 --> 01:12:43,920

too for me

2028

01:12:47,910 --> 01:12:45,840

um that are not uh featured in the

2029

01:12:49,110 --> 01:12:47,920

documentary so definitely go back to the

2030

01:12:53,390 --> 01:12:49,120

book if you can

2031

01:12:57,350 --> 01:12:53,400

um yup disclosure team says rick dodie

2032

01:12:59,350 --> 01:12:57,360

ufology's number one enemy again

2033

01:13:01,750 --> 01:12:59,360

google rick doty i'm not going to go

2034

01:13:02,070 --> 01:13:01,760

into it here um for you newbies out

2035

01:13:03,510 --> 01:13:02,080

there

2036

01:13:05,669 --> 01:13:03,520

um so yeah let's do a little

2037

01:13:09,430 --> 01:13:05,679

housekeeping so

2038

01:13:13,350 --> 01:13:09,440

today um live on use youtube

2039

01:13:17,110 --> 01:13:13,360

i took part in a awesome discussion

2040

01:13:20,390 --> 01:13:17,120

with my boy max over in amsterdam

2041

01:13:23,510 --> 01:13:20,400

on his show victon met moskowitz

2042

01:13:26,229 --> 01:13:23,520

with max moskowitz um we talked

2043

01:13:27,270 --> 01:13:26,239

all about everything going on in the ufo

2044

01:13:30,870 --> 01:13:27,280

world now

2045

01:13:33,750 --> 01:13:30,880

um we talked about in a very interesting

2046

01:13:34,950 --> 01:13:33,760

dutch ufo case at a nuclear site that i

2047

01:13:37,750 --> 01:13:34,960

had never even

2048

01:13:38,070 --> 01:13:37,760

heard of so um i hope you'll go check

2049

01:13:41,910 --> 01:13:38,080

out

2050

01:13:44,630 --> 01:13:41,920

moscowitz

2051
01:13:46,709 --> 01:13:44,640
and um subscribe there as well

2052
01:13:48,310 --> 01:13:46,719
disclosure team did hop in with us

2053
01:13:49,830 --> 01:13:48,320
vinnie did for a little bit

2054
01:13:52,550 --> 01:13:49,840
um and we talked about his interview

2055
01:13:54,950 --> 01:13:52,560
with lou and we just we just really

2056
01:13:57,750 --> 01:13:54,960
ran the gamut it was so much fun so

2057
01:14:01,430 --> 01:13:57,760
please please please go check that out

2058
01:14:04,149 --> 01:14:01,440
um june 25th through june 28th

2059
01:14:05,110 --> 01:14:04,159
is contact in the desert well it's

2060
01:14:08,310 --> 01:14:05,120
pretty cool

2061
01:14:10,630 --> 01:14:08,320
look the poster is hands um

2062
01:14:13,110 --> 01:14:10,640
look at your boy i'm in row number two

2063
01:14:15,430 --> 01:14:13,120

there right next to russell targ

2064

01:14:16,790 --> 01:14:15,440

of all people the remote viewing guy

2065

01:14:19,590 --> 01:14:16,800

that's so cool um

2066

01:14:21,430 --> 01:14:19,600

i didn't notice that before so yeah um

2067

01:14:23,350 --> 01:14:21,440

contact in the desert is happening june

2068

01:14:25,590 --> 01:14:23,360

25th through june 28th

2069

01:14:27,590 --> 01:14:25,600

over two weeks to view the event it is a

2070

01:14:30,070 --> 01:14:27,600

virtual event this year

2071

01:14:31,990 --> 01:14:30,080

i am giving a talk about the human

2072

01:14:33,430 --> 01:14:32,000

approach to the ufo phenomenon

2073

01:14:36,709 --> 01:14:33,440

where you hear from many witnesses to

2074

01:14:37,590 --> 01:14:36,719

ufo events including military witnesses

2075

01:14:40,550 --> 01:14:37,600

as well

2076

01:14:41,590 --> 01:14:40,560

i also will be conducting a panel

2077

01:14:44,709 --> 01:14:41,600

discussion

2078

01:14:47,110 --> 01:14:44,719

with three former navy personnel who are

2079

01:14:50,149 --> 01:14:47,120

part of the now famous tic tac event uh

2080

01:14:52,229 --> 01:14:50,159

go fest and gimbal events as well and

2081

01:14:54,709 --> 01:14:52,239

get their human side to these

2082

01:14:57,430 --> 01:14:54,719

these things too so i hope you will

2083

01:14:59,189 --> 01:14:57,440

check out contact in the desert dot com

2084

01:15:00,550 --> 01:14:59,199

and get your tickets there they have

2085

01:15:02,550 --> 01:15:00,560

weekend passes

2086

01:15:04,550 --> 01:15:02,560

available my events are on saturday and

2087

01:15:06,630 --> 01:15:04,560

sunday so if you just want to check out

2088

01:15:10,229 --> 01:15:06,640

the weekend events you can do that

2089

01:15:13,750 --> 01:15:10,239

um or you can get the entire conference

2090

01:15:14,470 --> 01:15:13,760

for three days of um just incredible

2091

01:15:16,790 --> 01:15:14,480

events

2092

01:15:18,709 --> 01:15:16,800

um and look you know i know some of

2093

01:15:20,630 --> 01:15:18,719

these people may not be up your alley

2094

01:15:22,470 --> 01:15:20,640

and you may not agree with a lot of them

2095

01:15:24,229 --> 01:15:22,480

but um you get to pick and choose what

2096

01:15:26,709 --> 01:15:24,239

you want to watch and don't watch so

2097

01:15:28,870 --> 01:15:26,719

i think that's pretty cool um mj

2098

01:15:31,910 --> 01:15:28,880

binnayas is going to be there

2099

01:15:33,270 --> 01:15:31,920

who else do we have avi loeb is going to

2100

01:15:36,470 --> 01:15:33,280

be there as well which is

2101
01:15:37,350 --> 01:15:36,480
really cool um nick redfearn whitley

2102
01:15:40,149 --> 01:15:37,360
strieber

2103
01:15:41,590 --> 01:15:40,159
kevin knuth uh the list goes on and on

2104
01:15:44,790 --> 01:15:41,600
cheryl costa

2105
01:15:46,390 --> 01:15:44,800
as well um yeah yeah so i hope you will

2106
01:15:50,149 --> 01:15:46,400
check that out guys

2107
01:15:53,030 --> 01:15:50,159
and um i just released today actually

2108
01:15:54,790 --> 01:15:53,040
my discussion with christina gomez from

2109
01:15:57,750 --> 01:15:54,800
the paradigm shifts youtube

2110
01:15:58,709 --> 01:15:57,760
channel and also a contributor to the

2111
01:16:01,270 --> 01:15:58,719
debrief

2112
01:16:03,189 --> 01:16:01,280
um we talked about everything from how

2113
01:16:06,070 --> 01:16:03,199

she got involved in ufos

2114

01:16:07,750 --> 01:16:06,080

to uh her reporting over at the debrief

2115

01:16:09,030 --> 01:16:07,760

uh we talked all about the scientific

2116

01:16:11,189 --> 01:16:09,040

developments

2117

01:16:12,390 --> 01:16:11,199

as of late and how those can contribute

2118

01:16:15,430 --> 01:16:12,400

to the ufo

2119

01:16:17,270 --> 01:16:15,440

uh conversation and um

2120

01:16:20,149 --> 01:16:17,280

yeah it's a lot of fun we talked about

2121

01:16:22,229 --> 01:16:20,159

really old uso cases

2122

01:16:24,870 --> 01:16:22,239

uh you know ufo objects that have been

2123

01:16:26,790 --> 01:16:24,880

seen to go into or come out of the water

2124

01:16:28,390 --> 01:16:26,800

and she brought two cases to me that

2125

01:16:30,870 --> 01:16:28,400

were not from decades ago

2126
01:16:31,750 --> 01:16:30,880
but centuries ago which i thought was

2127
01:16:34,950 --> 01:16:31,760
pretty cool

2128
01:16:38,550 --> 01:16:34,960
and um next week on summer in the skies

2129
01:16:39,669 --> 01:16:38,560
we have a very special very extended

2130
01:16:43,590 --> 01:16:39,679
interview

2131
01:16:45,189 --> 01:16:43,600
with uh a saucer spook walter bosley a

2132
01:16:48,550 --> 01:16:45,199
former fbi

2133
01:16:49,110 --> 01:16:48,560
um and afosi agent will be on the show

2134
01:16:52,229 --> 01:16:49,120
to talk

2135
01:16:54,070 --> 01:16:52,239
all about his crazy adventures

2136
01:16:55,350 --> 01:16:54,080
working in counter intelligence counter

2137
01:16:57,750 --> 01:16:55,360
terrorism

2138
01:16:58,870 --> 01:16:57,760

and all these really weird things that

2139

01:17:01,189 --> 01:16:58,880

happened to him

2140

01:17:03,189 --> 01:17:01,199

throughout his life when it comes to uh

2141

01:17:05,830 --> 01:17:03,199

ufos and everything in between

2142

01:17:07,750 --> 01:17:05,840

so be on the lookout for that i think

2143

01:17:11,750 --> 01:17:07,760

it's gonna really start some

2144

01:17:13,590 --> 01:17:11,760

interesting conversations um

2145

01:17:15,270 --> 01:17:13,600

but yeah that's kind of it guys that's

2146

01:17:16,149 --> 01:17:15,280

everything coming up on somewhere in the

2147

01:17:18,790 --> 01:17:16,159

skies

2148

01:17:20,070 --> 01:17:18,800

that is um you know all the things i've

2149

01:17:22,149 --> 01:17:20,080

been up to

2150

01:17:25,270 --> 01:17:22,159

follow me on twitter at summer skies

2151
01:17:29,270 --> 01:17:25,280
follow me on instagram at summerskiespod

2152
01:17:31,910 --> 01:17:29,280
and um oh if if you're interested

2153
01:17:32,630 --> 01:17:31,920
uh right now over on my twitter account

2154
01:17:35,430 --> 01:17:32,640
um

2155
01:17:36,870 --> 01:17:35,440
we started this thing this hashtag ufo

2156
01:17:39,350 --> 01:17:36,880
twitter selfie

2157
01:17:41,110 --> 01:17:39,360
campaign um so i've got a post over

2158
01:17:43,590 --> 01:17:41,120
there and it's got like

2159
01:17:44,950 --> 01:17:43,600
hundreds of people who have shown their

2160
01:17:47,510 --> 01:17:44,960
faces to the world

2161
01:17:48,790 --> 01:17:47,520
and proudly embraced ufo twitter and

2162
01:17:51,189 --> 01:17:48,800
it's just been amazing

2163
01:17:53,350 --> 01:17:51,199

seeing how many uh different diverse

2164

01:17:55,590 --> 01:17:53,360

people are involved in this topic

2165

01:17:56,630 --> 01:17:55,600

want to find answers are excited for

2166

01:17:59,189 --> 01:17:56,640

what may be

2167

01:18:00,229 --> 01:17:59,199

to come with the uap report or just the

2168

01:18:02,070 --> 01:18:00,239

ufo topic

2169

01:18:03,270 --> 01:18:02,080

in general and some of them just getting

2170

01:18:05,510 --> 01:18:03,280

involved now

2171

01:18:06,310 --> 01:18:05,520

so um hey if you're new to this we

2172

01:18:08,870 --> 01:18:06,320

welcome you

2173

01:18:10,229 --> 01:18:08,880

with open arms we need all the people we

2174

01:18:11,030 --> 01:18:10,239

can get to try to unravel these

2175

01:18:13,430 --> 01:18:11,040

mysteries so

2176

01:18:15,189 --> 01:18:13,440

yeah go over to twitter at summer skies

2177

01:18:16,790 --> 01:18:15,199

and uh post your selfie there

2178

01:18:18,390 --> 01:18:16,800

i'm hoping to do something cool with all

2179

01:18:20,070 --> 01:18:18,400

the photos and

2180

01:18:21,750 --> 01:18:20,080

bring something to you guys to bring our

2181

01:18:24,310 --> 01:18:21,760

whole ufo twitter family

2182

01:18:26,310 --> 01:18:24,320

together our very dysfunctional family

2183

01:18:28,149 --> 01:18:26,320

uh to say the least but um

2184

01:18:31,030 --> 01:18:28,159

let's go back to the chat here before we

2185

01:18:34,470 --> 01:18:31,040

kind of close things down

2186

01:18:35,510 --> 01:18:34,480

um oh give us a link i don't know if

2187

01:18:39,110 --> 01:18:35,520

you're talking to

2188

01:18:41,590 --> 01:18:39,120

me william but contactingthedesert.com

2189

01:18:43,270 --> 01:18:41,600

james says um awesome stream thank you

2190

01:18:45,669 --> 01:18:43,280

so much james thank you for being here i

2191

01:18:48,950 --> 01:18:45,679

appreciate that

2192

01:18:53,990 --> 01:18:51,270

check your instagram dms ryan let's chat

2193

01:18:59,270 --> 01:18:54,000

soon brother you got it my man

2194

01:19:01,590 --> 01:18:59,280

uh awesome ufo guy spaceman is here

2195

01:19:02,390 --> 01:19:01,600

that's all i got guys um so yeah if you

2196

01:19:04,470 --> 01:19:02,400

have any

2197

01:19:05,510 --> 01:19:04,480

questions or or comments you want to put

2198

01:19:09,110 --> 01:19:05,520

in the chat

2199

01:19:11,189 --> 01:19:09,120

um please feel free but other than that

2200

01:19:13,110 --> 01:19:11,199

thank you thank you so much for joining

2201

01:19:15,750 --> 01:19:13,120

me tonight for the live stream

2202

01:19:17,750 --> 01:19:15,760

for um you know bearing with me through

2203

01:19:19,910 --> 01:19:17,760

all that reading from a script but uh

2204

01:19:21,030 --> 01:19:19,920

i hope you enjoyed all those videos i'm

2205

01:19:23,350 --> 01:19:21,040

gonna try to um

2206

01:19:24,470 --> 01:19:23,360

curate this talk a little more get it

2207

01:19:26,709 --> 01:19:24,480

nice and tight and

2208

01:19:27,750 --> 01:19:26,719

put it out to the public so you are the

2209

01:19:30,149 --> 01:19:27,760

first people

2210

01:19:31,350 --> 01:19:30,159

to ever see it i hope you enjoyed it i

2211

01:19:33,350 --> 01:19:31,360

hope you're excited

2212

01:19:34,709 --> 01:19:33,360

about the pending uap report no matter

2213

01:19:37,830 --> 01:19:34,719

what it says or doesn't

2214

01:19:40,070 --> 01:19:37,840

say but um yeah that's all i got for you

2215

01:19:42,950 --> 01:19:40,080

guys so if there are not any questions

2216

01:19:43,990 --> 01:19:42,960

um please go check out the podcast

2217

01:19:45,510 --> 01:19:44,000

somewhere in the skies

2218

01:19:47,270 --> 01:19:45,520

release that new episode today with

2219

01:19:49,430 --> 01:19:47,280

christina and

2220

01:19:50,790 --> 01:19:49,440

um audrey says great show great live

2221

01:19:51,990 --> 01:19:50,800

stream thank you guys i really

2222

01:19:54,709 --> 01:19:52,000

appreciate that

2223

01:19:56,470 --> 01:19:54,719

um please go check out the unidentified

2224

01:19:57,110 --> 01:19:56,480

celebrity review they are probably still

2225

01:19:59,110 --> 01:19:57,120

going

2226

01:20:00,310 --> 01:19:59,120

right now over there with um they're

2227

01:20:02,790 --> 01:20:00,320

talking to skeptic

2228

01:20:03,590 --> 01:20:02,800

mick west tonight so that should be

2229

01:20:06,149 --> 01:20:03,600

interesting

2230

01:20:06,870 --> 01:20:06,159

head on over there right now um i might

2231

01:20:09,110 --> 01:20:06,880

hop in

2232

01:20:10,149 --> 01:20:09,120

in a little bit as well also check out

2233

01:20:13,030 --> 01:20:10,159

peter robbins

2234

01:20:13,669 --> 01:20:13,040

meanwhile here on earth on youtube and

2235

01:20:15,669 --> 01:20:13,679

um

2236

01:20:17,750 --> 01:20:15,679

that's all i got guys thank you for

2237

01:20:19,110 --> 01:20:17,760

being here thank you for being a part of

2238

01:20:21,669 --> 01:20:19,120

the conversation

2239

01:20:23,030 --> 01:20:21,679

and um let's circle back once this

2240

01:20:25,350 --> 01:20:23,040

report comes out

2241

01:20:27,430 --> 01:20:25,360

so i will leave you with my slogan as

2242

01:20:29,669 --> 01:20:27,440

always keep your feet on the ground

2243

01:20:30,709 --> 01:20:29,679

but never stop searching somewhere in

2244

01:20:33,590 --> 01:20:30,719

the skies

2245

01:20:34,629 --> 01:20:33,600

have a great night and uh we'll see you

2246

01:20:35,180 --> 01:20:34,639

around the bend

2247

01:20:44,550 --> 01:20:35,190

take care

2248

01:20:58,830 --> 01:20:47,760

this is somewhere in the skies with ryan

2249

01:21:00,530 --> 01:20:58,840

[Music]
