

**"THE WARMINSTER THING"**

1  
00:00:16,710 --> 00:00:05,829  
they called it

2  
00:00:19,349 --> 00:00:16,720  
the warminster thing

3  
00:00:20,550 --> 00:00:19,359  
i saw this thing go over what they call

4  
00:00:22,390 --> 00:00:20,560  
the thing you know

5  
00:00:23,990 --> 00:00:22,400  
and it was exactly like a railway

6  
00:00:26,950 --> 00:00:24,000  
carriage

7  
00:00:27,750 --> 00:00:26,960  
you know litter it started up overhead

8  
00:00:30,070 --> 00:00:27,760  
there

9  
00:00:32,389 --> 00:00:30,080  
and i saw it and watched it right at his

10  
00:00:34,389 --> 00:00:32,399  
side right over the hills

11  
00:00:36,150 --> 00:00:34,399  
but i looked in that direction there was

12  
00:00:39,430 --> 00:00:36,160  
a silver plane

13  
00:00:41,430 --> 00:00:39,440

and a pink one like a between a pink and

14

00:00:44,150 --> 00:00:41,440

a red cerise color then

15

00:00:44,869 --> 00:00:44,160

right side by side and they were in that

16

00:00:46,310 --> 00:00:44,879

direction

17

00:00:48,869 --> 00:00:46,320

and there was no club and i don't know

18

00:00:52,389 --> 00:00:48,879

where it went to i heard his noises

19

00:00:56,950 --> 00:00:52,399

hell of a noise it was and um came

20

00:01:00,869 --> 00:00:56,960

down you know it was a bit misty foggy

21

00:01:02,389 --> 00:01:00,879

and uh well it was like as if a tin can

22

00:01:04,149 --> 00:01:02,399

was filled with nuts and bolts you know

23

00:01:06,070 --> 00:01:04,159

and somebody was rattling it what i did

24

00:01:07,109 --> 00:01:06,080

see was a green shimmering light for

25

00:01:08,789 --> 00:01:07,119

about quarter of an hour

26

00:01:10,310 --> 00:01:08,799

but it's hard to explain just like a

27

00:01:11,350 --> 00:01:10,320

bright light with a red light in the

28

00:01:14,390 --> 00:01:11,360

middle

29

00:01:17,030 --> 00:01:14,400

i should get cigar shape

30

00:01:18,870 --> 00:01:17,040

glowing at each end i saw something over

31

00:01:19,510 --> 00:01:18,880

there between those two bungalows and to

32

00:01:21,910 --> 00:01:19,520

me

33

00:01:22,870 --> 00:01:21,920

it looked as if it was about 500 feet

34

00:01:27,109 --> 00:01:22,880

high

35

00:01:27,990 --> 00:01:27,119

resembles something like a comet but

36

00:01:30,710 --> 00:01:28,000

comets are white

37

00:01:31,109 --> 00:01:30,720

so uh this one was orange oval colour so

38

00:01:33,109 --> 00:01:31,119

it

39

00:01:35,270 --> 00:01:33,119

certainly wasn't a comet there very well

40

00:01:37,109 --> 00:01:35,280

might be something in the stratosphere

41

00:01:38,870 --> 00:01:37,119

i mean we're sending spaceships to other

42

00:01:39,990 --> 00:01:38,880

planets and i can't see any reason why

43

00:01:42,230 --> 00:01:40,000

if there is life on another

44

00:01:43,109 --> 00:01:42,240

planet they shouldn't be sending a craft

45

00:01:45,990 --> 00:01:43,119

to us

46

00:01:47,270 --> 00:01:46,000

obviously these things whatever they are

47

00:01:49,910 --> 00:01:47,280

infinitely maneuverable

48

00:01:51,830 --> 00:01:49,920

they're certainly beyond our ability to

49

00:01:53,109 --> 00:01:51,840

catch we can't put salt on their tails

50

00:01:56,870 --> 00:01:53,119

as it were

51  
00:01:57,990 --> 00:01:56,880  
tell me what you saw just an object in

52  
00:02:01,670 --> 00:01:58,000  
the sky

53  
00:02:03,590 --> 00:02:01,680  
what did it look like like a saucer

54  
00:02:05,510 --> 00:02:03,600  
yes and were there any lights or

55  
00:02:07,350 --> 00:02:05,520  
anything no it's just a white object of

56  
00:02:09,510 --> 00:02:07,360  
this stuff

57  
00:02:10,469 --> 00:02:09,520  
we were busy in here but we had to come

58  
00:02:11,910 --> 00:02:10,479  
back in

59  
00:02:13,910 --> 00:02:11,920  
but the three soldiers that were there

60  
00:02:15,350 --> 00:02:13,920  
with us they also saw it

61  
00:02:17,670 --> 00:02:15,360  
and they described it more or less like

62  
00:02:18,949 --> 00:02:17,680  
a lampshade

63  
00:02:20,790 --> 00:02:18,959

well although i've seen it it hasn't

64

00:02:21,350 --> 00:02:20,800

convinced me i still don't think there's

65

00:02:24,949 --> 00:02:21,360

anything

66

00:02:25,830 --> 00:02:24,959

in itself i think it's just a lord of

67

00:02:28,229 --> 00:02:25,840

truth

68

00:02:29,830 --> 00:02:28,239

that's all hundreds perhaps thousands of

69

00:02:32,070 --> 00:02:29,840

people were convinced that creatures

70

00:02:34,630 --> 00:02:32,080

from outer space had arrived

71

00:02:35,270 --> 00:02:34,640

excitement grew to fear so much so that

72

00:02:38,790 --> 00:02:35,280

on august

73

00:02:40,790 --> 00:02:38,800

27 1965 the council chairman took the

74

00:02:41,589 --> 00:02:40,800

extraordinary step of calling a public

75

00:02:43,990 --> 00:02:41,599

meeting

76

00:02:47,030 --> 00:02:44,000

the town hall was besieged and the war

77

00:02:48,949 --> 00:02:47,040

minster legend had begun

78

00:02:50,390 --> 00:02:48,959

i have never seen anything like it that

79

00:02:53,670 --> 00:02:50,400

friday evening

80

00:02:57,110 --> 00:02:53,680

it was fantastic the people in the town

81

00:02:59,430 --> 00:02:57,120

the reporters all the dailies

82

00:03:00,949 --> 00:02:59,440

my phone didn't stop ringing we had them

83

00:03:02,869 --> 00:03:00,959

knocking at the doors

84

00:03:04,309 --> 00:03:02,879

i've never seen anything like it the

85

00:03:06,790 --> 00:03:04,319

only thing i could do

86

00:03:08,550 --> 00:03:06,800

on the monday morning i went on holiday

87

00:03:13,990 --> 00:03:08,560

to get away from it

88

00:03:16,790 --> 00:03:14,000

it started off christmas eve 1964

89

00:03:19,430 --> 00:03:16,800

which we published a very respected

90

00:03:20,390 --> 00:03:19,440

member of orminster's postmaster

91

00:03:23,430 --> 00:03:20,400

actually

92

00:03:26,949 --> 00:03:23,440

he reckoned he had strange noises

93

00:03:30,869 --> 00:03:26,959

on christmas eve rattling on the roof

94

00:03:32,869 --> 00:03:30,879

no known calls and really i suppose

95

00:03:34,550 --> 00:03:32,879

that's what started it and from then it

96

00:03:37,430 --> 00:03:34,560

snowballed

97

00:03:38,630 --> 00:03:37,440

reports multiplied eerie shapes ghostly

98

00:03:40,710 --> 00:03:38,640

lights in the sky

99

00:03:42,470 --> 00:03:40,720

and more than anything that awful

100

00:03:44,309 --> 00:03:42,480

terrifying noise

101  
00:03:46,070 --> 00:03:44,319  
from all over the world the watchers

102  
00:03:47,990 --> 00:03:46,080  
came scanning the skies from the

103  
00:03:48,789 --> 00:03:48,000  
hilltops around this wiltshire market

104  
00:03:51,190 --> 00:03:48,799  
town

105  
00:03:52,229 --> 00:03:51,200  
in four months 400 sightings had been

106  
00:03:53,990 --> 00:03:52,239  
reported

107  
00:03:56,149 --> 00:03:54,000  
in the pubs and in the shops the talk

108  
00:03:58,390 --> 00:03:56,159  
was of little else but the thing

109  
00:04:00,710 --> 00:03:58,400  
and generations of television reporters

110  
00:04:02,550 --> 00:04:00,720  
were to cut their teeth on the mystery

111  
00:04:04,470 --> 00:04:02,560  
and this wiltshire town is back in the

112  
00:04:06,550 --> 00:04:04,480  
news again because yet another attempt

113  
00:04:08,949 --> 00:04:06,560

is now being made to identify

114

00:04:10,710 --> 00:04:08,959

the warminster thing now the warminster

115

00:04:13,030 --> 00:04:10,720

thing as some people already know

116

00:04:14,710 --> 00:04:13,040

is the term given to mysterious objects

117

00:04:15,990 --> 00:04:14,720

which have been seen in the sky around

118

00:04:18,150 --> 00:04:16,000

these parts

119

00:04:19,509 --> 00:04:18,160

and this latest investigation the most

120

00:04:21,590 --> 00:04:19,519

comprehensive yet

121

00:04:23,189 --> 00:04:21,600

is being undertaken by an organization

122

00:04:25,030 --> 00:04:23,199

called bufora

123

00:04:27,110 --> 00:04:25,040

now that stands for the british

124

00:04:30,469 --> 00:04:27,120

unidentified flying object

125

00:04:32,150 --> 00:04:30,479

research association it seemed

126

00:04:34,629 --> 00:04:32,160

incredible but in warminster

127

00:04:36,629 --> 00:04:34,639

excitement was it fever pitch surely

128

00:04:40,230 --> 00:04:36,639

they argued the sheer weight of evidence

129

00:04:42,469 --> 00:04:40,240

meant that something was going on

130

00:04:43,749 --> 00:04:42,479

we have no doubt whatsoever that the

131

00:04:45,990 --> 00:04:43,759

phenomena

132

00:04:47,990 --> 00:04:46,000

at war minster the suns and the stats

133

00:04:49,030 --> 00:04:48,000

are connected with and caused by flying

134

00:04:50,310 --> 00:04:49,040

sources

135

00:04:52,150 --> 00:04:50,320

and therefore of course it is our

136

00:04:53,749 --> 00:04:52,160

business we are investigating have been

137

00:04:56,310 --> 00:04:53,759

since the

138

00:04:58,150 --> 00:04:56,320

phenomena were widely reported now the

139

00:05:00,629 --> 00:04:58,160

all-important question does this thing

140

00:05:02,150 --> 00:05:00,639

really exist or is it just a joke it

141

00:05:05,110 --> 00:05:02,160

exists undoubtedly

142

00:05:06,550 --> 00:05:05,120

we have very a very wide range of

143

00:05:08,710 --> 00:05:06,560

testimonies from people all

144

00:05:10,390 --> 00:05:08,720

walks of life they are testing through

145

00:05:12,070 --> 00:05:10,400

that fade

146

00:05:14,390 --> 00:05:12,080

the sights and sounds around here leave

147

00:05:17,749 --> 00:05:14,400

no doubt that what we're dealing with it

148

00:05:21,189 --> 00:05:17,759

is a flying saucer or its flying saucers

149

00:05:23,510 --> 00:05:21,199

and of course the existence of those

150

00:05:25,270 --> 00:05:23,520

is i think unquestionable would you say

151

00:05:26,950 --> 00:05:25,280

that we face any danger from these

152

00:05:29,909 --> 00:05:26,960

flying sources

153

00:05:31,189 --> 00:05:29,919

i would say it can't be ruled out so far

154

00:05:33,270 --> 00:05:31,199

of course there have been there have

155

00:05:35,110 --> 00:05:33,280

been no

156

00:05:37,270 --> 00:05:35,120

overt acts of hostility which can

157

00:05:38,950 --> 00:05:37,280

definitely be established to be such

158

00:05:40,230 --> 00:05:38,960

there are some disturbing incidents but

159

00:05:41,749 --> 00:05:40,240

of course it's possible that another

160

00:05:44,150 --> 00:05:41,759

interpretation ought to be put

161

00:05:46,870 --> 00:05:44,160

on these things i don't think we need to

162

00:05:48,790 --> 00:05:46,880

be afraid to go to bed tonight but uh

163

00:05:50,469 --> 00:05:48,800

one never knows of course in the long

164

00:05:52,950 --> 00:05:50,479

run

165

00:05:54,390 --> 00:05:52,960

but real or imagined warminster was in

166

00:05:56,710 --> 00:05:54,400

ferment

167

00:05:59,270 --> 00:05:56,720

indeed it was activity was centered on

168

00:06:01,430 --> 00:05:59,280

the two great hills outside the town

169

00:06:03,430 --> 00:06:01,440

reports seemingly reliable spoke of

170

00:06:04,550 --> 00:06:03,440

whole flocks of pigeons struck dead in

171

00:06:06,790 --> 00:06:04,560

mid-flight

172

00:06:08,629 --> 00:06:06,800

soil samples from key areas turned up

173

00:06:12,150 --> 00:06:08,639

the remains of moles and mice

174

00:06:13,830 --> 00:06:12,160

their bodies riddled with tiny holes

175

00:06:15,909 --> 00:06:13,840

it was the greatest story the little

176

00:06:17,590 --> 00:06:15,919

warminster journal ever had

177

00:06:20,150 --> 00:06:17,600

it had all begun quietly enough at

178

00:06:20,950 --> 00:06:20,160

christmas tucked away beneath their new

179

00:06:23,830 --> 00:06:20,960

year calendar

180

00:06:24,710 --> 00:06:23,840

was a report of a noise unearthly and

181

00:06:26,710 --> 00:06:24,720

terrifying

182

00:06:28,790 --> 00:06:26,720

suddenly the silence was broken by a

183

00:06:30,070 --> 00:06:28,800

crackling sound emanating from the bell

184

00:06:31,590 --> 00:06:30,080

hill direction

185

00:06:33,590 --> 00:06:31,600

at first she thought that it was simply

186

00:06:35,749 --> 00:06:33,600

a lorry unloading on the hill

187

00:06:37,749 --> 00:06:35,759

but it passed over her head and became

188

00:06:39,909 --> 00:06:37,759

louder and louder

189

00:06:42,070 --> 00:06:39,919

letters began to arrive more reports

190

00:06:44,150 --> 00:06:42,080

followed but even then the story was

191

00:06:44,790 --> 00:06:44,160

almost hidden below the births marriages

192

00:06:47,909 --> 00:06:44,800

and deaths

193

00:06:49,909 --> 00:06:47,919

the farming reports and the adverts that

194

00:06:51,430 --> 00:06:49,919

menacing vibrating noise has been heard

195

00:06:53,589 --> 00:06:51,440

again in warminster

196

00:06:54,870 --> 00:06:53,599

the shock waves of sound which can kill

197

00:06:57,830 --> 00:06:54,880

and name birds

198

00:06:58,469 --> 00:06:57,840

and stun the senses of rational people

199

00:07:01,110 --> 00:06:58,479

finally

200

00:07:03,270 --> 00:07:01,120

belatedly it made the headline and after

201  
00:07:05,029 --> 00:07:03,280  
that and for the next 10 years or more

202  
00:07:07,270 --> 00:07:05,039  
stories about creatures from other

203  
00:07:08,890 --> 00:07:07,280  
planets became part of the staple diet

204  
00:07:10,469 --> 00:07:08,900  
in the newspaper columns

205  
00:07:12,629 --> 00:07:10,479  
[Music]

206  
00:07:14,790 --> 00:07:12,639  
barely two days after the public meeting

207  
00:07:16,150 --> 00:07:14,800  
held in warminster town hall to discuss

208  
00:07:18,469 --> 00:07:16,160  
and try to identify

209  
00:07:19,350 --> 00:07:18,479  
the thing it has been seen by at least

210  
00:07:22,150 --> 00:07:19,360  
five people

211  
00:07:23,589 --> 00:07:22,160  
over the bank holiday period whether you

212  
00:07:25,270 --> 00:07:23,599  
believed it all or not

213  
00:07:28,830 --> 00:07:25,280

the stories of the experiences of the

214

00:07:30,870 --> 00:07:28,840

people of warminster became ever more

215

00:07:32,870 --> 00:07:30,880

gripping

216

00:07:34,390 --> 00:07:32,880

he was shaking in every limb when he

217

00:07:36,629 --> 00:07:34,400

staggered indoors

218

00:07:38,710 --> 00:07:36,639

his family were most concerned but it

219

00:07:40,309 --> 00:07:38,720

was some time before he told them of his

220

00:07:42,870 --> 00:07:40,319

peculiar experience

221

00:07:45,350 --> 00:07:42,880

on that walk through the darkness he saw

222

00:07:47,510 --> 00:07:45,360

nothing it was a noise that made the

223

00:07:51,749 --> 00:07:47,520

strong lads knees knock

224

00:07:55,749 --> 00:07:53,670

people were rushing here from all parts

225

00:07:57,029 --> 00:07:55,759

of the country who were interested in

226

00:07:59,670 --> 00:07:57,039

ufos

227

00:08:00,390 --> 00:07:59,680

um we hadn't heard much about it until

228

00:08:03,110 --> 00:08:00,400

then

229

00:08:03,589 --> 00:08:03,120

but we had a number of callers at the

230

00:08:05,589 --> 00:08:03,599

office

231

00:08:08,550 --> 00:08:05,599

wanting to know what was going on and

232

00:08:11,029 --> 00:08:08,560

they were going up on the plane and

233

00:08:12,150 --> 00:08:11,039

spotting at night and staying up there

234

00:08:14,790 --> 00:08:12,160

all night

235

00:08:15,430 --> 00:08:14,800

well by the time they'd been up there in

236

00:08:18,550 --> 00:08:15,440

the dark

237

00:08:20,869 --> 00:08:18,560

and looking at the sky i think they saw

238

00:08:22,710 --> 00:08:20,879

a lot more than was really there

239

00:08:24,070 --> 00:08:22,720

obviously some people really thought

240

00:08:27,029 --> 00:08:24,080

they saw something

241

00:08:29,270 --> 00:08:27,039

and but i'm sure that everybody who's

242

00:08:31,350 --> 00:08:29,280

been out and looked at the stars

243

00:08:33,190 --> 00:08:31,360

but by the time you've stood gazing at

244

00:08:35,589 --> 00:08:33,200

them for 10 minutes they all appear to

245

00:08:38,149 --> 00:08:35,599

be moving about

246

00:08:39,190 --> 00:08:38,159

but one photographer mr gordon faulkner

247

00:08:40,790 --> 00:08:39,200

had better luck

248

00:08:42,949 --> 00:08:40,800

he managed to take a picture of a flying

249

00:08:44,949 --> 00:08:42,959

saucer that hit the british press in a

250

00:08:47,030 --> 00:08:44,959

big way and then went round the world

251  
00:08:48,870 --> 00:08:47,040  
mr falconer in fact has done much to put

252  
00:08:51,430 --> 00:08:48,880  
warminster on the flying saucer map

253  
00:08:52,550 --> 00:08:51,440  
this is how he got his picture i had a

254  
00:08:54,070 --> 00:08:52,560  
camera with me

255  
00:08:55,590 --> 00:08:54,080  
i was taking it down to my sister who

256  
00:08:58,310 --> 00:08:55,600  
wanted to borrow it

257  
00:09:00,070 --> 00:08:58,320  
and uh well as i said i just had the

258  
00:09:03,110 --> 00:09:00,080  
camera with me and

259  
00:09:03,590 --> 00:09:03,120  
pure luck i just took a picture the

260  
00:09:05,350 --> 00:09:03,600  
object

261  
00:09:07,030 --> 00:09:05,360  
was staying still all this time was it

262  
00:09:09,030 --> 00:09:07,040  
or was it now it was moving

263  
00:09:11,590 --> 00:09:09,040

but moving slowly it was moving fairly

264

00:09:14,470 --> 00:09:11,600

fast i wouldn't like to say how fast but

265

00:09:15,829 --> 00:09:14,480

i couldn't say how fast now some people

266

00:09:17,190 --> 00:09:15,839

have said that when they try to take a

267

00:09:19,509 --> 00:09:17,200

picture of one of these things there's

268

00:09:21,509 --> 00:09:19,519

been some mysterious force or radiation

269

00:09:24,230 --> 00:09:21,519

that stopped camera from working did you

270

00:09:25,829 --> 00:09:24,240

find this and then stop my camera anyway

271

00:09:27,990 --> 00:09:25,839

have you had people say that this

272

00:09:28,310 --> 00:09:28,000

picture is a fake of course i have yes i

273

00:09:29,829 --> 00:09:28,320

mean

274

00:09:31,509 --> 00:09:29,839

what do you say to them when they say

275

00:09:33,910 --> 00:09:31,519

that they're entitled to their own

276

00:09:35,269 --> 00:09:33,920

opinion i know it's not a fake

277

00:09:36,949 --> 00:09:35,279

and it doesn't really bother me what

278

00:09:39,269 --> 00:09:36,959

other people think

279

00:09:40,150 --> 00:09:39,279

some people nonetheless are distinctly

280

00:09:42,550 --> 00:09:40,160

bothered

281

00:09:44,550 --> 00:09:42,560

colonel allen for instance i think the

282

00:09:47,110 --> 00:09:44,560

whole thing's a lot of nonsense

283

00:09:49,509 --> 00:09:47,120

why do you say that well to begin with

284

00:09:52,710 --> 00:09:49,519

there isn't a single

285

00:09:53,829 --> 00:09:52,720

uh sighting by somebody who's should we

286

00:09:57,030 --> 00:09:53,839

say in

287

00:09:58,870 --> 00:09:57,040

qualified uh to give a

288

00:10:01,030 --> 00:09:58,880

impartial scientific assessment of the

289

00:10:02,710 --> 00:10:01,040

sighting now you believe

290

00:10:04,069 --> 00:10:02,720

i think that it's possible to fake

291

00:10:05,829 --> 00:10:04,079

photographs of these objects

292

00:10:07,110 --> 00:10:05,839

fairly easily in fact you've done it

293

00:10:09,190 --> 00:10:07,120

yourself yes

294

00:10:10,710 --> 00:10:09,200

have you done this yes well i had one

295

00:10:14,230 --> 00:10:10,720

color film left on

296

00:10:18,310 --> 00:10:14,240

on a a reel and uh

297

00:10:21,350 --> 00:10:18,320

so i produced i produced this and

298

00:10:23,190 --> 00:10:21,360

this is exactly what well the

299

00:10:24,790 --> 00:10:23,200

the flying object was actually drawn on

300

00:10:27,110 --> 00:10:24,800

a piece of paper

301  
00:10:28,230 --> 00:10:27,120  
and uh cut out in outline and then

302  
00:10:30,710 --> 00:10:28,240  
photographed

303  
00:10:32,310 --> 00:10:30,720  
against a blue bath towel on the ground

304  
00:10:33,910 --> 00:10:32,320  
whilst i stood on a step ladder leaning

305  
00:10:35,590 --> 00:10:33,920  
against the wall of the house

306  
00:10:36,949 --> 00:10:35,600  
and i moved the camera slightly as i

307  
00:10:37,509 --> 00:10:36,959  
took the photograph so as to blur the

308  
00:10:39,030 --> 00:10:37,519  
thing

309  
00:10:40,870 --> 00:10:39,040  
and what are the reactions of the

310  
00:10:41,750 --> 00:10:40,880  
believers to this photograph have you

311  
00:10:43,829 --> 00:10:41,760  
shown it to anything well

312  
00:10:46,150 --> 00:10:43,839  
no i've kept it fairly quiet because i

313  
00:10:49,190 --> 00:10:46,160

had intended originally to bring it out

314

00:10:52,069 --> 00:10:49,200

uh whilst admitting it was a fake

315

00:10:53,030 --> 00:10:52,079

next time the thing blew up as i'm sure

316

00:10:56,949 --> 00:10:53,040

it will do

317

00:11:02,550 --> 00:11:00,069

number 42 chapel street war minster is

318

00:11:04,150 --> 00:11:02,560

out of this world it's britain's first

319

00:11:06,790 --> 00:11:04,160

satellite station for tracking

320

00:11:09,190 --> 00:11:06,800

unidentified flying objects using

321

00:11:11,590 --> 00:11:09,200

binoculars in the high-powered telescope

322

00:11:12,949 --> 00:11:11,600

the ufo brigade are mixing up a storm in

323

00:11:15,269 --> 00:11:12,959

the wiltshire heavens

324

00:11:17,190 --> 00:11:15,279

looking for close encounters of the

325

00:11:19,670 --> 00:11:17,200

third kind well i was in the army at the

326

00:11:21,750 --> 00:11:19,680

time and it was way back in 64 and uh

327

00:11:23,990 --> 00:11:21,760

myself and two friends were down

328

00:11:25,590 --> 00:11:24,000

the local park just over the road there

329

00:11:27,350 --> 00:11:25,600

and uh

330

00:11:29,190 --> 00:11:27,360

we saw these people looking into the sky

331

00:11:30,870 --> 00:11:29,200

and lo and behold there was a ufo

332

00:11:32,870 --> 00:11:30,880

well i think it was a ufo it was just

333

00:11:34,630 --> 00:11:32,880

cigar shaped you know the typical

334

00:11:35,990 --> 00:11:34,640

gray cigar shaped and hovered for about

335

00:11:42,640 --> 00:11:36,000

20 minutes over the church and that was

336

00:11:50,710 --> 00:11:42,650

all the actual town

337

00:11:54,550 --> 00:11:52,710

it's from this vantage point on cradle

338

00:11:56,949 --> 00:11:54,560

hill high over warminster

339

00:11:58,790 --> 00:11:56,959

to the british ufo society are hitching

340

00:12:00,710 --> 00:11:58,800

their wagon to a star

341

00:12:01,829 --> 00:12:00,720

as real or imaginary as you care to

342

00:12:04,069 --> 00:12:01,839

believe

343

00:12:05,990 --> 00:12:04,079

they claim the skies around war minister

344

00:12:07,990 --> 00:12:06,000

are littered with ufo junk

345

00:12:10,629 --> 00:12:08,000

which shines on the faithful who come

346

00:12:13,110 --> 00:12:10,639

here from all over the world

347

00:12:15,110 --> 00:12:13,120

on a clear day they say you can see

348

00:12:17,030 --> 00:12:15,120

practically anything

349

00:12:19,350 --> 00:12:17,040

strange lights of brilliant color have

350

00:12:21,269 --> 00:12:19,360

been reported streaking across the sky

351  
00:12:23,829 --> 00:12:21,279  
sometimes hovering for several minutes

352  
00:12:25,430 --> 00:12:23,839  
before disappearing into the hillside

353  
00:12:27,990 --> 00:12:25,440  
more exaggerated claims

354  
00:12:29,509 --> 00:12:28,000  
speak of elf-like visitors coming down

355  
00:12:31,430 --> 00:12:29,519  
from flying saucers

356  
00:12:34,550 --> 00:12:31,440  
and interrupting army maneuvers at the

357  
00:12:36,829 --> 00:12:34,560  
nearby royal school of infantry

358  
00:12:38,870 --> 00:12:36,839  
but seeing is believing say the ufo

359  
00:12:41,110 --> 00:12:38,880  
society and it's true

360  
00:12:42,550 --> 00:12:41,120  
that more and more people disillusioned

361  
00:12:44,949 --> 00:12:42,560  
with life on earth

362  
00:12:46,389 --> 00:12:44,959  
want to believe in a force outside their

363  
00:12:48,470 --> 00:12:46,399

understanding

364

00:12:50,470 --> 00:12:48,480

for this reason the ufo people are

365

00:12:52,230 --> 00:12:50,480

offering star weekends

366

00:12:54,949 --> 00:12:52,240

with bed and breakfast tossed in between

367

00:12:56,710 --> 00:12:54,959

the odd galactic happening

368

00:12:59,190 --> 00:12:56,720

but the town of warminster which is

369

00:13:02,710 --> 00:12:59,200

preparing for its summer tourist season

370

00:13:04,310 --> 00:13:02,720

thinks ufos are strictly non-new

371

00:13:06,470 --> 00:13:04,320

overtures to the local chamber of

372

00:13:08,310 --> 00:13:06,480

commerce for more hotel accommodation

373

00:13:11,509 --> 00:13:08,320

went down with as much conviction as

374

00:13:13,990 --> 00:13:11,519

finding a black hole on salisbury plain

375

00:13:15,750 --> 00:13:14,000

but undeterred the ufo society are

376

00:13:17,509 --> 00:13:15,760

fighting on

377

00:13:19,990 --> 00:13:17,519

inside a cottage they've bought and

378

00:13:22,069 --> 00:13:20,000

renovated for eleven thousand pounds

379

00:13:23,190 --> 00:13:22,079

they're hoping to wet the imagination of

380

00:13:26,069 --> 00:13:23,200

star trekkers

381

00:13:26,629 --> 00:13:26,079

with ufo badges stickers note paper

382

00:13:29,990 --> 00:13:26,639

books

383

00:13:32,949 --> 00:13:30,000

and t-shirts a massive literature is

384

00:13:35,350 --> 00:13:32,959

being gathered to awaken skeptical minds

385

00:13:36,150 --> 00:13:35,360

photographs of actual sightings are on

386

00:13:37,430 --> 00:13:36,160

display

387

00:13:40,230 --> 00:13:37,440

although few of them have been

388

00:13:42,470 --> 00:13:40,240

authenticated it's said that ninety

389

00:13:44,870 --> 00:13:42,480

percent of all reported sightings can be

390

00:13:48,150 --> 00:13:44,880

explained by natural phenomena

391

00:13:50,629 --> 00:13:48,160

but what about the other ten percent

392

00:13:51,910 --> 00:13:50,639

sally pike believes she witnessed the

393

00:13:53,670 --> 00:13:51,920

real thing

394

00:13:56,790 --> 00:13:53,680

the closest sighting i've ever had i

395

00:13:58,550 --> 00:13:56,800

believe was um star hill at mormonster

396

00:14:01,670 --> 00:13:58,560

and that was a really good one you know

397

00:14:03,750 --> 00:14:01,680

it was close up oh i should say that

398

00:14:06,230 --> 00:14:03,760

quarter of a mile i suppose a large

399

00:14:08,150 --> 00:14:06,240

orange globe floating across from the

400

00:14:09,590 --> 00:14:08,160

stonehenge direction right in front of

401  
00:14:11,750 --> 00:14:09,600  
about 12 of us

402  
00:14:13,509 --> 00:14:11,760  
you know who were present at the time it

403  
00:14:15,670 --> 00:14:13,519  
was just twilight

404  
00:14:16,710 --> 00:14:15,680  
and through binoculars when you observe

405  
00:14:19,189 --> 00:14:16,720  
this you could see the

406  
00:14:21,189 --> 00:14:19,199  
traditional disc shape with the sort of

407  
00:14:22,870 --> 00:14:21,199  
orange light flashing on the top and it

408  
00:14:26,230 --> 00:14:22,880  
followed the contours of the hill

409  
00:14:28,150 --> 00:14:26,240  
at star and came down you know fairly

410  
00:14:29,030 --> 00:14:28,160  
close at hand and it sort of hovered it

411  
00:14:32,150 --> 00:14:29,040  
was an actual

412  
00:14:35,189 --> 00:14:32,160  
beautiful shot you know like as if it

413  
00:14:36,870 --> 00:14:35,199

posed specially for us and then whilst

414

00:14:37,189 --> 00:14:36,880

everybody watched it the light on the

415

00:14:40,550 --> 00:14:37,199

top

416

00:14:43,350 --> 00:14:40,560

changed from the un orange to a white

417

00:14:44,069 --> 00:14:43,360

and it seemed to spin and it you know

418

00:14:45,750 --> 00:14:44,079

it's visible

419

00:14:48,310 --> 00:14:45,760

there for about i think it was two

420

00:14:50,389 --> 00:14:48,320

minutes the british ufo society claimed

421

00:14:52,310 --> 00:14:50,399

that people who come to war minster in

422

00:14:54,790 --> 00:14:52,320

search of terrestrial phenomena

423

00:14:56,470 --> 00:14:54,800

feel a form of magnetic attraction which

424

00:14:58,310 --> 00:14:56,480

draws them here

425

00:14:59,829 --> 00:14:58,320

that may be as high flown as martians

426

00:15:01,430 --> 00:14:59,839

eating mashed potato

427

00:15:03,110 --> 00:15:01,440

but it certainly helps newspaper

428

00:15:05,430 --> 00:15:03,120

circulations

429

00:15:07,189 --> 00:15:05,440

if warminster is to become a happy

430

00:15:08,230 --> 00:15:07,199

holiday ground for star struck

431

00:15:11,030 --> 00:15:08,240

earthlings

432

00:15:12,629 --> 00:15:11,040

what's on offer ken rogers a ufo

433

00:15:15,110 --> 00:15:12,639

director explains

434

00:15:17,670 --> 00:15:15,120

well we can put you up for weekends or

435

00:15:19,269 --> 00:15:17,680

even weeks holidays if he wants to

436

00:15:20,790 --> 00:15:19,279

there's a shortage of accommodation in

437

00:15:22,710 --> 00:15:20,800

the town hotel wise

438

00:15:24,150 --> 00:15:22,720

and here people can come and sky watch

439

00:15:25,509 --> 00:15:24,160

at night come in sort of in the early

440

00:15:26,710 --> 00:15:25,519

hours of the morning and so on

441

00:15:28,949 --> 00:15:26,720

they could also come and during the

442

00:15:31,590 --> 00:15:28,959

daytime and study for literature

443

00:15:32,310 --> 00:15:31,600

uh right to do research and so on if i

444

00:15:34,550 --> 00:15:32,320

didn't

445

00:15:36,150 --> 00:15:34,560

see a ufo would you give me my money

446

00:15:37,590 --> 00:15:36,160

back we can't guarantee that you'll see

447

00:15:37,990 --> 00:15:37,600

a ufo we can't guarantee that anybody

448

00:15:39,910 --> 00:15:38,000

will

449

00:15:42,069 --> 00:15:39,920

see anything inexplicable there's been

450

00:15:43,030 --> 00:15:42,079

so much evidence from just local towns

451

00:15:44,550 --> 00:15:43,040

people and from people

452

00:15:46,389 --> 00:15:44,560

from all over the country and many parts

453

00:15:48,470 --> 00:15:46,399

of the world who have come here and seen

454

00:15:50,069 --> 00:15:48,480

and the walmart is the most likely place

455

00:15:51,110 --> 00:15:50,079

to come in any part of the country than

456

00:15:53,670 --> 00:15:51,120

anywhere else

457

00:15:54,629 --> 00:15:53,680

and so it's up to the entire company of

458

00:15:56,870 --> 00:15:54,639

flying saucers

459

00:15:58,230 --> 00:15:56,880

cigar-shaped objects bright lights and

460

00:16:00,389 --> 00:15:58,240

supporting androids

461

00:16:02,629 --> 00:16:00,399

to get their little show lit up over the

462

00:16:05,670 --> 00:16:02,639

skies of warminster this summer

463

00:16:06,389 --> 00:16:05,680

the british ufo society are hoping the

464

00:16:16,710 --> 00:16:06,399

force

465

00:16:20,310 --> 00:16:18,790

it's the interplanetary traffic which

466

00:16:22,870 --> 00:16:20,320

singles out warminster

467

00:16:23,350 --> 00:16:22,880

for two decades has been haunted by the

468

00:16:26,550 --> 00:16:23,360

thing

469

00:16:29,670 --> 00:16:26,560

afternoon

470

00:16:31,509 --> 00:16:29,680

it was just rain clouds but there's

471

00:16:32,310 --> 00:16:31,519

nothing like a good anniversary

472

00:16:34,949 --> 00:16:32,320

exhibition

473

00:16:36,949 --> 00:16:34,959

even if it is about the unexplained

474

00:16:38,550 --> 00:16:36,959

twenty years worth of speculation and

475

00:16:41,509 --> 00:16:38,560

study is on show

476

00:16:42,069 --> 00:16:41,519

it goes to prove that in ufo ratings war

477

00:16:44,150 --> 00:16:42,079

mister

478

00:16:45,189 --> 00:16:44,160

is definitely the final frontier for

479

00:16:48,870 --> 00:16:45,199

flying saucers

480

00:16:51,350 --> 00:16:48,880

and little green men the thing was heard

481

00:16:53,910 --> 00:16:51,360

a long time before it was seen during

482

00:16:55,350 --> 00:16:53,920

the summer of 1964 people in the

483

00:16:57,749 --> 00:16:55,360

district of warminster

484

00:16:58,870 --> 00:16:57,759

were startled by sharp crackling noises

485

00:17:02,389 --> 00:16:58,880

in the sky

486

00:17:04,630 --> 00:17:02,399

then during the summer of 1965 the thing

487

00:17:06,230 --> 00:17:04,640

was spotted here in the village

488

00:17:08,390 --> 00:17:06,240

churchyard of hatesbury

489

00:17:10,150 --> 00:17:08,400

the vicar his wife and son were

490

00:17:13,429 --> 00:17:10,160

mesmerized for half an hour

491

00:17:15,590 --> 00:17:13,439

by a fiery red cigar shape in the sky

492

00:17:16,710 --> 00:17:15,600

it was the first of many sightings to

493

00:17:19,590 --> 00:17:16,720

come

494

00:17:21,590 --> 00:17:19,600

it sparked a sky watch space groupies

495

00:17:23,350 --> 00:17:21,600

with telescopes camped out

496

00:17:25,510 --> 00:17:23,360

scientists from all over the world came

497

00:17:26,150 --> 00:17:25,520

to study something that mostly wasn't

498

00:17:29,350 --> 00:17:26,160

there

499

00:17:31,909 --> 00:17:29,360

the lucky ones witnessed strange sights

500

00:17:33,750 --> 00:17:31,919

i was invited up here in eastern 1966 by

501  
00:17:35,510 --> 00:17:33,760  
the local journalist who then said

502  
00:17:36,789 --> 00:17:35,520  
come up onto cradle hill and on any

503  
00:17:37,909 --> 00:17:36,799  
clear night will guarantee you'll see

504  
00:17:40,150 --> 00:17:37,919  
something inexplicable

505  
00:17:40,950 --> 00:17:40,160  
i thought i was nickel you know i came

506  
00:17:42,870 --> 00:17:40,960  
up here

507  
00:17:45,029 --> 00:17:42,880  
and lo and behold at about 9 30 in the

508  
00:17:46,150 --> 00:17:45,039  
evening a good formation of five lights

509  
00:17:48,789 --> 00:17:46,160  
suddenly appeared in the sky

510  
00:17:49,990 --> 00:17:48,799  
just where we are now and appeared from

511  
00:17:52,230 --> 00:17:50,000  
nowhere from the sky

512  
00:17:53,510 --> 00:17:52,240  
and went across in that direction

513  
00:17:55,669 --> 00:17:53,520

towards clay hill

514

00:17:56,710 --> 00:17:55,679

and then the lead one went way faster

515

00:17:58,789 --> 00:17:56,720

and it ended up

516

00:18:00,150 --> 00:17:58,799

going into what we call a base star and

517

00:18:01,510 --> 00:18:00,160

it went inside the belly of the thing

518

00:18:03,270 --> 00:18:01,520

and of course this base star wasn't real

519

00:18:05,350 --> 00:18:03,280

star it was a craft

520

00:18:06,950 --> 00:18:05,360

and no logical explanation for that none

521

00:18:08,470 --> 00:18:06,960

whatsoever it wasn't the army

522

00:18:12,830 --> 00:18:08,480

it wasn't aircraft it wasn't a weather

523

00:18:17,029 --> 00:18:14,230

ufo

524

00:18:17,350 --> 00:18:17,039

from all the books i've read i would say

525

00:18:20,630 --> 00:18:17,360

that

526

00:18:23,909 --> 00:18:20,640

uh 99

527

00:18:24,870 --> 00:18:23,919

chance that there are visitors that come

528

00:18:25,909 --> 00:18:24,880

here and

529

00:18:27,750 --> 00:18:25,919

we don't know much about them the

530

00:18:27,990 --> 00:18:27,760

americans are very cagey about all these

531

00:18:29,990 --> 00:18:28,000

things

532

00:18:32,150 --> 00:18:30,000

you know don't bother to look very much

533

00:18:33,590 --> 00:18:32,160

so yeah

534

00:18:36,789 --> 00:18:33,600

not interested no a lot of people go out

535

00:18:42,710 --> 00:18:40,070

i was in a flight to spain one year

536

00:18:44,390 --> 00:18:42,720

i went to the cockpit of the plane and i

537

00:18:47,430 --> 00:18:44,400

said to the pilot

538

00:18:49,190 --> 00:18:47,440

you ever seen the flying saucers no yes

539

00:18:51,110 --> 00:18:49,200

they frequently fly along beside me in

540

00:18:53,990 --> 00:18:51,120

the cockpit

541

00:18:55,590 --> 00:18:54,000

what you know about there and he wasn't

542

00:18:58,230 --> 00:18:55,600

he wasn't pulling my leg

543

00:18:59,590 --> 00:18:58,240

i suppose there must be something yeah

544

00:19:01,669 --> 00:18:59,600

silly if there ain't

545

00:19:03,590 --> 00:19:01,679

a big place in it a bit bigger than

546

00:19:04,630 --> 00:19:03,600

warmest there's got to be something

547

00:19:07,750 --> 00:19:04,640

are you going to be on top of the hill

548

00:19:10,549 --> 00:19:07,760

tonight i doubt it you see i'm 81

549

00:19:11,669 --> 00:19:10,559

plus and uh i don't do much wandering

550

00:19:14,310 --> 00:19:11,679

around at night like

551  
00:19:16,470 --> 00:19:14,320  
i might have done if i was your age well

552  
00:19:18,549 --> 00:19:16,480  
it certainly changed the life of one man

553  
00:19:19,510 --> 00:19:18,559  
the local newspaper reporter arthur

554  
00:19:21,430 --> 00:19:19,520  
shuttlewood

555  
00:19:22,870 --> 00:19:21,440  
without reservation he believed that

556  
00:19:26,070 --> 00:19:22,880  
someone or something

557  
00:19:27,590 --> 00:19:26,080  
was trying to make contact a lot of

558  
00:19:28,230 --> 00:19:27,600  
people when i've recapped on their

559  
00:19:30,070 --> 00:19:28,240  
stories

560  
00:19:31,990 --> 00:19:30,080  
they've had that same sensation that

561  
00:19:33,990 --> 00:19:32,000  
they feel they feel better

562  
00:19:35,510 --> 00:19:34,000  
perhaps not physically but mentally and

563  
00:19:37,590 --> 00:19:35,520

spiritually particularly

564

00:19:38,710 --> 00:19:37,600

they want to achieve something for the

565

00:19:40,710 --> 00:19:38,720

benefit of mankind

566

00:19:41,990 --> 00:19:40,720

i don't think i ever have you know but

567

00:19:43,190 --> 00:19:42,000

you do get that feeling that's

568

00:19:45,270 --> 00:19:43,200

inculcated in you

569

00:19:47,029 --> 00:19:45,280

by this experience i think would it be

570

00:19:48,630 --> 00:19:47,039

going too far to say that you feel

571

00:19:49,990 --> 00:19:48,640

you've had something like a religious

572

00:19:53,430 --> 00:19:50,000

experience

573

00:19:56,310 --> 00:19:53,440

um yes i i don't think that would be

574

00:19:57,029 --> 00:19:56,320

uh exaggerating you do you you seem to

575

00:19:58,950 --> 00:19:57,039

have a new

576

00:20:00,470 --> 00:19:58,960

outlook a new mental outlook on life and

577

00:20:03,669 --> 00:20:00,480

you want to help people

578

00:20:05,750 --> 00:20:03,679

this is most peculiar perhaps and uh

579

00:20:07,510 --> 00:20:05,760

it's almost incredible to you no doubt

580

00:20:09,190 --> 00:20:07,520

but i felt that sensation

581

00:20:11,350 --> 00:20:09,200

i wanted to see it again and i wanted to

582

00:20:13,590 --> 00:20:11,360

convince whoever was on board

583

00:20:15,830 --> 00:20:13,600

that we weren't antagonistic and we

584

00:20:16,710 --> 00:20:15,840

wanted to warmly welcome them if they

585

00:20:18,470 --> 00:20:16,720

cared to land

586

00:20:21,029 --> 00:20:18,480

and of course they have landed they have

587

00:20:22,870 --> 00:20:21,039

landed now a lot of people agree

588

00:20:24,950 --> 00:20:22,880

the mystery of these extraordinary

589

00:20:27,270 --> 00:20:24,960

circles which appeared in a cornfield at

590

00:20:30,210 --> 00:20:27,280

westbury exactly two years ago has never

591

00:20:35,669 --> 00:20:32,630

[Music]

592

00:20:38,789 --> 00:20:35,679

i think we are looking at a new

593

00:20:40,310 --> 00:20:38,799

form of energy the vortex itself i

594

00:20:43,430 --> 00:20:40,320

believe is created by

595

00:20:45,190 --> 00:20:43,440

a new kind of energy probably related to

596

00:20:48,390 --> 00:20:45,200

magnetism

597

00:20:52,789 --> 00:20:48,400

i think the magnetic field of the planet

598

00:20:55,830 --> 00:20:52,799

may well be being manipulated

599

00:20:59,750 --> 00:20:55,840

in an intelligent fashion

600

00:21:03,669 --> 00:20:59,760

and the evidence is beginning to support

601  
00:21:06,710 --> 00:21:03,679  
the theory that we are there is

602  
00:21:10,149 --> 00:21:06,720  
an intelligent a thinking

603  
00:21:11,830 --> 00:21:10,159  
behind this mr andrews claims to have

604  
00:21:14,630 --> 00:21:11,840  
been consulted by the government

605  
00:21:15,270 --> 00:21:14,640  
and the royal family about the circles

606  
00:21:17,590 --> 00:21:15,280  
he says

607  
00:21:18,630 --> 00:21:17,600  
the circle phenomenon is building to a

608  
00:21:20,789 --> 00:21:18,640  
climax

609  
00:21:23,260 --> 00:21:20,799  
now he wants government money to fund

610  
00:21:28,870 --> 00:21:23,270  
further investigation

611  
00:21:33,110 --> 00:21:31,110  
since man conquered space travel it

612  
00:21:36,070 --> 00:21:33,120  
seemed less and less fantastic that

613  
00:21:37,430 --> 00:21:36,080

other beings may have been doing it too

614

00:21:39,430 --> 00:21:37,440

over the decades there have been

615

00:21:42,070 --> 00:21:39,440

countless ufo claims

616

00:21:42,710 --> 00:21:42,080

strange lights in the sky powerful force

617

00:21:45,510 --> 00:21:42,720

fields

618

00:21:47,190 --> 00:21:45,520

even spaceships themselves it's not

619

00:21:48,950 --> 00:21:47,200

surprising then that some think the

620

00:21:49,990 --> 00:21:48,960

circles are caused by the classic

621

00:22:00,480 --> 00:21:50,000

circular motion

622

00:22:04,870 --> 00:22:02,630

[Music]

623

00:22:07,029 --> 00:22:04,880

the aliens may have materialized in

624

00:22:08,710 --> 00:22:07,039

sleek craft at the speed of light

625

00:22:10,870 --> 00:22:08,720

but it was in his three-wheeler that

626  
00:22:11,750 --> 00:22:10,880  
ufologist ken rogers came to wheelchair

627  
00:22:16,549 --> 00:22:11,760  
last week

628  
00:22:19,930 --> 00:22:19,029  
a few days eufo spotting in the wessex

629  
00:22:22,870 --> 00:22:19,940  
triangle

630  
00:22:25,510 --> 00:22:22,880  
[Music]

631  
00:22:26,070 --> 00:22:25,520  
he's been convinced since he was 16 that

632  
00:22:28,470 --> 00:22:26,080  
intelligent

633  
00:22:29,270 --> 00:22:28,480  
beings from another world started human

634  
00:22:31,029 --> 00:22:29,280  
life on earth

635  
00:22:32,310 --> 00:22:31,039  
and they now return to monitor our

636  
00:22:34,390 --> 00:22:32,320  
progress

637  
00:22:36,390 --> 00:22:34,400  
he's president of a ufo group called the

638  
00:22:37,990 --> 00:22:36,400

unexplained society

639

00:22:40,470 --> 00:22:38,000

but he has an explanation for the

640

00:22:43,669 --> 00:22:40,480

circles but they're the marks left by

641

00:22:47,350 --> 00:22:46,230

what you'd first see is a strange glow

642

00:22:49,270 --> 00:22:47,360

up in the sky

643

00:22:50,789 --> 00:22:49,280

it would then come down you may hear a

644

00:22:55,029 --> 00:22:50,799

strange buzzing sound

645

00:22:57,029 --> 00:22:55,039

or high-pitched wine then it would hover

646

00:22:58,950 --> 00:22:57,039

and then gradually sort of if you can

647

00:23:02,390 --> 00:22:58,960

imagine it materialize

648

00:23:05,909 --> 00:23:02,400

into a saucer shaped object and then

649

00:23:07,990 --> 00:23:05,919

gradually come down hover

650

00:23:09,190 --> 00:23:08,000

then both would come out of the sides

651  
00:23:13,430 --> 00:23:09,200  
and probe into the

652  
00:23:15,110 --> 00:23:13,440  
crop very few ufo sightings have

653  
00:23:16,070 --> 00:23:15,120  
actually shown a convincing link with

654  
00:23:17,830 --> 00:23:16,080  
the circles

655  
00:23:20,149 --> 00:23:17,840  
but a wheelchair couple reports seeing

656  
00:23:21,990 --> 00:23:20,159  
lights and feeling a strange force field

657  
00:23:23,830 --> 00:23:22,000  
when they walked into a circle near

658  
00:23:25,510 --> 00:23:23,840  
silbury hill

659  
00:23:27,270 --> 00:23:25,520  
basically we had a very powerful

660  
00:23:30,549 --> 00:23:27,280  
experience whereby

661  
00:23:32,470 --> 00:23:30,559  
we found the place where this ufo or

662  
00:23:34,070 --> 00:23:32,480  
spaceship landed and there's a strong

663  
00:23:34,870 --> 00:23:34,080

energy there which we could definitely

664

00:23:36,630 --> 00:23:34,880

feel

665

00:23:38,630 --> 00:23:36,640

and when i was looking at hannah the

666

00:23:41,830 --> 00:23:38,640

whole sky went pitch black

667

00:23:45,510 --> 00:23:41,840

which was before that a fiery sunset

668

00:23:48,230 --> 00:23:45,520

and she became shining white light

669

00:23:50,470 --> 00:23:48,240

i also saw the horizon which was a

670

00:23:54,070 --> 00:23:50,480

beautiful sunset turned pitch black

671

00:23:55,909 --> 00:23:54,080

and richard embodied in silver light

672

00:23:57,110 --> 00:23:55,919

also i had a lot of heat going through

673

00:23:59,750 --> 00:23:57,120

my body

674

00:24:02,549 --> 00:23:59,760

and through my arms and it was just an

675

00:24:05,750 --> 00:24:02,559

incredible experience

676  
00:24:07,669 --> 00:24:05,760  
the skeptics say even if ufos do exist

677  
00:24:09,590 --> 00:24:07,679  
why would they leave such obvious marks

678  
00:24:11,350 --> 00:24:09,600  
in the wiltshire corn

679  
00:24:13,029 --> 00:24:11,360  
there's two schools of thought here

680  
00:24:15,190 --> 00:24:13,039  
either

681  
00:24:16,310 --> 00:24:15,200  
they left the calling cards letting us

682  
00:24:18,710 --> 00:24:16,320  
know that they've been here

683  
00:24:20,149 --> 00:24:18,720  
they are watching us secondly they

684  
00:24:20,630 --> 00:24:20,159  
probably are landing in other areas as

685  
00:24:22,230 --> 00:24:20,640  
well

686  
00:24:23,669 --> 00:24:22,240  
and it's only we actually see them when

687  
00:24:27,430 --> 00:24:23,679  
they land in

688  
00:24:29,110 --> 00:24:27,440

fully grown crop fields even the ufo

689

00:24:30,950 --> 00:24:29,120

believers are divided

690

00:24:37,750 --> 00:24:30,960

some groups say there isn't any real

691

00:24:41,350 --> 00:24:39,510

many of the circles have been found on

692

00:24:43,190 --> 00:24:41,360

or near salisbury plain

693

00:24:45,990 --> 00:24:43,200

the site of one of the army's busiest

694

00:24:48,149 --> 00:24:46,000

training areas

695

00:24:50,310 --> 00:24:48,159

the ministry of defense admits to having

696

00:24:52,950 --> 00:24:50,320

damaged crops with vehicles and even

697

00:24:55,029 --> 00:24:52,960

helicopter rotor blades in the past

698

00:25:02,660 --> 00:24:55,039

but they point out when they leave their

699

00:25:05,830 --> 00:25:04,070

[Music]

700

00:25:07,110 --> 00:25:05,840

circles have even cropped up on army

701  
00:25:09,350 --> 00:25:07,120  
land

702  
00:25:11,190 --> 00:25:09,360  
today their range control officer is

703  
00:25:14,320 --> 00:25:11,200  
visiting a tenant farm on the edge of

704  
00:25:18,789 --> 00:25:14,330  
the imbe ranges

705  
00:25:22,789 --> 00:25:20,870  
two years running bernard elliot and his

706  
00:25:24,149 --> 00:25:22,799  
wife have woken up one morning to find

707  
00:25:27,590 --> 00:25:24,159  
their barley has been flat

708  
00:25:30,070 --> 00:25:27,600  
same as they were last year that's right

709  
00:25:31,190 --> 00:25:30,080  
this year it's been one large circle and

710  
00:25:32,710 --> 00:25:31,200  
four satellites

711  
00:25:34,789 --> 00:25:32,720  
it's not spiky like it is now it's

712  
00:25:37,350 --> 00:25:34,799  
actually growing

713  
00:25:38,070 --> 00:25:37,360

yes right what what's the military doing

714

00:25:39,750 --> 00:25:38,080

in this area

715

00:25:41,430 --> 00:25:39,760

as you know or something like that well

716

00:25:41,990 --> 00:25:41,440

we behave ourselves on your land or we

717

00:25:45,430 --> 00:25:42,000

do our best

718

00:25:46,630 --> 00:25:45,440

to i can't think of any military

719

00:25:47,669 --> 00:25:46,640

activity and i've checked the range

720

00:25:49,909 --> 00:25:47,679

calendars

721

00:25:51,669 --> 00:25:49,919

that could cause this either ground

722

00:25:54,830 --> 00:25:51,679

troops or vehicles or

723

00:25:56,549 --> 00:25:54,840

um or aircraft i mean it's really just a

724

00:25:58,630 --> 00:25:56,559

puzzle

725

00:26:02,630 --> 00:25:58,640

if it isn't the army mr elliott reckons

726

00:26:05,830 --> 00:26:02,640

it's either a hoax or an alien visitor

727

00:26:08,070 --> 00:26:05,840

that space up there is that large

728

00:26:10,070 --> 00:26:08,080

and if it's as big as people tell us it

729

00:26:11,590 --> 00:26:10,080

is well we can't be that naive to think

730

00:26:15,830 --> 00:26:11,600

that we're the only

731

00:26:19,669 --> 00:26:17,510

the army has taken the problem so

732

00:26:21,190 --> 00:26:19,679

seriously they've even used vehicles and

733

00:26:22,950 --> 00:26:21,200

helicopters to conduct their own

734

00:26:24,630 --> 00:26:22,960

experiments to confirm they're not

735

00:26:26,390 --> 00:26:24,640

responsible

736

00:26:28,310 --> 00:26:26,400

but with the experimental air base at

737

00:26:30,390 --> 00:26:28,320

nearby boscom down

738

00:26:33,190 --> 00:26:30,400

couldn't the circles be caused by secret

739

00:26:36,630 --> 00:26:33,200

radar or communication trials

740

00:26:39,110 --> 00:26:36,640

i've been through the whole list of um

741

00:26:40,549 --> 00:26:39,120

of exercises and trials and there's

742

00:26:41,990 --> 00:26:40,559

nothing that would uh

743

00:26:43,510 --> 00:26:42,000

possibly produce the sort of effect that

744

00:26:44,549 --> 00:26:43,520

we've seen today but they wouldn't tell

745

00:26:46,630 --> 00:26:44,559

you about it anyway

746

00:26:47,590 --> 00:26:46,640

but i know before they come on here they

747

00:26:48,630 --> 00:26:47,600

have to actually tell me what they're

748

00:26:50,630 --> 00:26:48,640

going to do

749

00:26:52,470 --> 00:26:50,640

uh and i i'm always at liberty to go

750

00:26:55,990 --> 00:26:52,480

inspect to see what they're doing

751  
00:26:57,750 --> 00:26:56,000  
and i've seen or i'm aware

752  
00:26:59,029 --> 00:26:57,760  
that the sort of equipments that have

753  
00:27:00,390 --> 00:26:59,039  
been trialled here would not produce

754  
00:27:03,750 --> 00:27:00,400  
that

755  
00:27:05,750 --> 00:27:03,760  
phenomenon even if the military is

756  
00:27:07,990 --> 00:27:05,760  
behind it it seems highly unlikely

757  
00:27:10,950 --> 00:27:08,000  
they'd have kept it hidden for so long

758  
00:27:11,830 --> 00:27:10,960  
even if they needed to as for alien

759  
00:27:13,990 --> 00:27:11,840  
visitors

760  
00:27:15,990 --> 00:27:14,000  
it still remains strange that no one's

761  
00:27:21,669 --> 00:27:16,000  
ever seen a spaceship making such

762  
00:27:23,510 --> 00:27:21,679  
obvious marks in our crops

763  
00:27:25,990 --> 00:27:23,520

the world's weather has fascinated and

764

00:27:27,830 --> 00:27:26,000

confounded man since time began

765

00:27:30,070 --> 00:27:27,840

although its mechanisms are now largely

766

00:27:31,990 --> 00:27:30,080

understood it remains an untamed and

767

00:27:40,070 --> 00:27:32,000

sometimes mysterious force

768

00:27:44,070 --> 00:27:42,230

great wind movements like hurricanes can

769

00:27:46,070 --> 00:27:44,080

now be observed by satellite

770

00:27:47,830 --> 00:27:46,080

and their course predicted but now

771

00:27:48,630 --> 00:27:47,840

there's talk of something new in the

772

00:27:50,789 --> 00:27:48,640

skies

773

00:27:52,789 --> 00:27:50,799

an invisible atmospheric force which

774

00:27:57,350 --> 00:27:52,799

leaves not destruction in its wake

775

00:28:01,430 --> 00:27:59,909

it's the theory of dr terence meaden an

776

00:28:02,870 --> 00:28:01,440

independent meteorologist

777

00:28:04,549 --> 00:28:02,880

who's prepared to battle with the

778

00:28:07,430 --> 00:28:04,559

scientific establishment to get his

779

00:28:09,190 --> 00:28:07,440

radical new ideas accepted

780

00:28:11,269 --> 00:28:09,200

he's the director of the tornado and

781

00:28:13,029 --> 00:28:11,279

storm research organisation based at

782

00:28:15,590 --> 00:28:13,039

bradford on avon in wheelchair

783

00:28:17,510 --> 00:28:15,600

he's been an advisor to the cgb on the

784

00:28:19,590 --> 00:28:17,520

effects of tornadoes on nuclear

785

00:28:21,590 --> 00:28:19,600

installations

786

00:28:23,350 --> 00:28:21,600

and he's convinced that it's a cousin of

787

00:28:24,310 --> 00:28:23,360

the tornado which is descending over

788

00:28:27,029 --> 00:28:24,320

southern england

789

00:28:27,830 --> 00:28:27,039

and causing the circles but unlike this

790

00:28:29,830 --> 00:28:27,840

tornado

791

00:28:31,510 --> 00:28:29,840

the mass of wind is stationary and

792

00:28:33,510 --> 00:28:31,520

electrically charged

793

00:28:35,909 --> 00:28:33,520

dr meden maintains that the circles are

794

00:28:38,630 --> 00:28:35,919

created by a spinning ball of air

795

00:28:40,149 --> 00:28:38,640

sparkling with electricity it descends

796

00:28:42,230 --> 00:28:40,159

pushing the corn down

797

00:28:44,470 --> 00:28:42,240

and leaving a spiraling pattern in its

798

00:28:46,310 --> 00:28:44,480

wake then it recedes or simply

799

00:28:48,230 --> 00:28:46,320

disappears into nothing

800

00:28:49,830 --> 00:28:48,240

if he's right he's discovered a new

801  
00:28:51,830 --> 00:28:49,840  
meteorological phenomenon

802  
00:28:54,149 --> 00:28:51,840  
which challenges preconceptions about

803  
00:28:56,710 --> 00:28:54,159  
the world around us

804  
00:28:58,070 --> 00:28:56,720  
i see a way in which it's possible that

805  
00:29:02,870 --> 00:28:58,080  
vortices can be formed

806  
00:29:05,110 --> 00:29:02,880  
in the atmosphere by natural means

807  
00:29:06,310 --> 00:29:05,120  
you can call that weather if you like

808  
00:29:07,990 --> 00:29:06,320  
it's

809  
00:29:10,549 --> 00:29:08,000  
it is something natural in the

810  
00:29:12,230 --> 00:29:10,559  
atmosphere i do believe

811  
00:29:14,070 --> 00:29:12,240  
dr meadon accounts for the number of

812  
00:29:15,830 --> 00:29:14,080  
circles in the west country by the fact

813  
00:29:17,590 --> 00:29:15,840

that we're looking harder for them

814

00:29:19,669 --> 00:29:17,600

he also believes that the lie of the

815

00:29:21,110 --> 00:29:19,679

land creates favorable conditions for

816

00:29:22,230 --> 00:29:21,120

the vortices to be formed in the

817

00:29:24,230 --> 00:29:22,240

atmosphere

818

00:29:26,789 --> 00:29:24,240

and he's worked out what it may be like

819

00:29:29,190 --> 00:29:26,799

to witness a circle forming

820

00:29:29,909 --> 00:29:29,200

there would have been a tremendous rush

821

00:29:33,269 --> 00:29:29,919

of

822

00:29:38,149 --> 00:29:33,279

air at the stage spiraling around

823

00:29:41,750 --> 00:29:39,669

accompanied i believe with a humming

824

00:29:44,470 --> 00:29:41,760

noise

825

00:29:46,549 --> 00:29:44,480

and if it happened by night possibly

826

00:29:47,909 --> 00:29:46,559

accompanied by a light as well

827

00:29:49,669 --> 00:29:47,919

but then we cannot tell whether this

828

00:29:51,110 --> 00:29:49,679

formed by day or by night

829

00:29:52,310 --> 00:29:51,120

pretty terrifying actually if you happen

830

00:29:53,430 --> 00:29:52,320

to be around at the time what would have

831

00:29:56,070 --> 00:29:53,440

happened if you were probably enough to

832

00:29:58,389 --> 00:29:56,080

knock you over

833

00:30:00,149 --> 00:29:58,399

dr meden says it's a complex electrical

834

00:30:01,990 --> 00:30:00,159

effect from that wind which creates the

835

00:30:04,230 --> 00:30:02,000

smaller satellite rings

836

00:30:06,549 --> 00:30:04,240

his theory is closely argued and has won

837

00:30:08,230 --> 00:30:06,559

the cautious backing of a few scientists

838

00:30:10,789 --> 00:30:08,240

although most weather experts remain

839

00:30:12,549 --> 00:30:10,799

skeptical dr medan says his research

840

00:30:14,549 --> 00:30:12,559

will be completed in two years

841

00:30:22,080 --> 00:30:14,559

at the moment it's the only scientific

842

00:30:34,830 --> 00:30:22,090

theory available

843

00:30:42,549 --> 00:30:36,950

so

844

00:30:43,990 --> 00:30:42,559

strange circular shapes have been

845

00:30:46,149 --> 00:30:44,000

appearing in the crops

846

00:30:48,070 --> 00:30:46,159

particularly in the area that was once

847

00:30:51,190 --> 00:30:48,080

king arthur's wessex

848

00:30:55,909 --> 00:30:51,200

could it be that someone or something is

849

00:30:59,750 --> 00:30:57,669

everywhere you look in this part of

850

00:31:02,870 --> 00:30:59,760

england there are circles

851  
00:31:04,470 --> 00:31:02,880  
round barrows tumuli constant reminders

852  
00:31:06,149 --> 00:31:04,480  
of an age gone by

853  
00:31:08,230 --> 00:31:06,159  
and the special significance which

854  
00:31:09,190 --> 00:31:08,240  
salisbury plain had for the early

855  
00:31:11,190 --> 00:31:09,200  
britons

856  
00:31:12,549 --> 00:31:11,200  
and the druids who built their most

857  
00:31:19,590 --> 00:31:12,559  
sacred temple here

858  
00:31:21,750 --> 00:31:19,600  
in the form of a circle

859  
00:31:23,029 --> 00:31:21,760  
crop circles have been found as far

860  
00:31:25,269 --> 00:31:23,039  
afield as brazil

861  
00:31:27,190 --> 00:31:25,279  
and japan but here in the south of

862  
00:31:29,750 --> 00:31:27,200  
england they're being recorded at a rate

863  
00:31:31,830 --> 00:31:29,760

of about 100 every year

864

00:31:33,430 --> 00:31:31,840

there are those however who believe that

865

00:31:34,549 --> 00:31:33,440

a different form of airborne

866

00:31:36,630 --> 00:31:34,559

transportation

867

00:31:37,909 --> 00:31:36,640

is actually responsible for causing the

868

00:31:39,669 --> 00:31:37,919

circles

869

00:31:42,310 --> 00:31:39,679

there's a lot of military activity in

870

00:31:44,470 --> 00:31:42,320

the area middle wallop is the main base

871

00:31:46,710 --> 00:31:44,480

for naval helicopters

872

00:31:48,070 --> 00:31:46,720

a few years ago colonel grevel edgecombe

873

00:31:50,310 --> 00:31:48,080

was surprised to find

874

00:31:53,029 --> 00:31:50,320

the finger of suspicion being pointed at

875

00:31:56,070 --> 00:31:53,039

his pilots

876  
00:31:58,149 --> 00:31:56,080  
a local farmer or landowner around here

877  
00:31:59,590 --> 00:31:58,159  
rang up and said what have you chaps

878  
00:32:02,789 --> 00:31:59,600  
been up to

879  
00:32:04,710 --> 00:32:02,799  
and i said what he said in my corn

880  
00:32:06,389 --> 00:32:04,720  
and i said let's have a look trundled

881  
00:32:08,230 --> 00:32:06,399  
over and there are these extraordinary

882  
00:32:10,310 --> 00:32:08,240  
circles in his core

883  
00:32:11,350 --> 00:32:10,320  
and he was doing it lightheartedly but

884  
00:32:14,470 --> 00:32:11,360  
um

885  
00:32:15,669 --> 00:32:14,480  
quite clearly on our helicopter well why

886  
00:32:17,350 --> 00:32:15,679  
was it quite clearly not your

887  
00:32:21,269 --> 00:32:17,360  
helicopters doing it

888  
00:32:21,750 --> 00:32:21,279

well when you see these the corn is laid

889

00:32:24,310 --> 00:32:21,760

down

890

00:32:25,430 --> 00:32:24,320

in a spiral circle and the edges all

891

00:32:28,789 --> 00:32:25,440

around the circle are

892

00:32:30,950 --> 00:32:28,799

absolutely untouched absolutely sure

893

00:32:32,070 --> 00:32:30,960

where the helicopter the wind from the

894

00:32:34,950 --> 00:32:32,080

helicopter blows

895

00:32:37,669 --> 00:32:34,960

down and outwards and the grass or the

896

00:32:40,950 --> 00:32:37,679

corn would be dished out in a saucer

897

00:32:43,190 --> 00:32:40,960

a helicopter produces a wind downwards

898

00:32:45,110 --> 00:32:43,200

and that is not to make an absolute

899

00:32:47,029 --> 00:32:45,120

share cut you couldn't possibly do it

900

00:32:48,470 --> 00:32:47,039

because the helicopter would have to

901  
00:32:50,630 --> 00:32:48,480  
even if it could make it into that

902  
00:32:52,630 --> 00:32:50,640  
spiral would have to arrive in one spot

903  
00:32:53,269 --> 00:32:52,640  
and disappear again without even moving

904  
00:32:56,470 --> 00:32:53,279  
to get a

905  
00:33:05,029 --> 00:32:56,480  
perfect circle that you end up it's

906  
00:33:09,750 --> 00:33:07,590  
so it's unlikely that it's caused by the

907  
00:33:12,710 --> 00:33:09,760  
downdraft of a helicopter

908  
00:33:13,590 --> 00:33:12,720  
we have a good eyewitness account from

909  
00:33:15,990 --> 00:33:13,600  
melvin bell

910  
00:33:16,950 --> 00:33:16,000  
who lives in wheelchair and who when

911  
00:33:19,830 --> 00:33:16,960  
riding

912  
00:33:21,590 --> 00:33:19,840  
on horseback one evening saw such a

913  
00:33:25,190 --> 00:33:21,600

circle being formed

914

00:33:28,470 --> 00:33:25,200

this was near bratton and he

915

00:33:31,110 --> 00:33:28,480

said that the spiral

916

00:33:32,149 --> 00:33:31,120

circle was laid out as he watched it and

917

00:33:34,789 --> 00:33:32,159

that in addition

918

00:33:37,190 --> 00:33:34,799

he could see dust and debris spiraling

919

00:33:39,110 --> 00:33:37,200

upwards around the edges

920

00:33:40,870 --> 00:33:39,120

all there was really was a like a world

921

00:33:42,870 --> 00:33:40,880

when very much same as you were getting

922

00:33:45,029 --> 00:33:42,880

a shop increasing that where rubbish

923

00:33:47,110 --> 00:33:45,039

just goes in the circle and comes

924

00:33:48,230 --> 00:33:47,120

from the ground and they just left a

925

00:33:50,870 --> 00:33:48,240

circle in the ground and

926  
00:33:52,070 --> 00:33:50,880  
really that's all there was this is what

927  
00:33:53,909 --> 00:33:52,080  
i've been using to explain

928  
00:33:55,430 --> 00:33:53,919  
some of the more unusual properties of

929  
00:33:57,830 --> 00:33:55,440  
the crop circles

930  
00:33:59,110 --> 00:33:57,840  
in fact what this is representing is

931  
00:34:03,269 --> 00:33:59,120  
nothing more than the foot

932  
00:34:05,590 --> 00:34:03,279  
of a fairly conventional whirlwind that

933  
00:34:06,470 --> 00:34:05,600  
many whirlwinds have been known to have

934  
00:34:09,270 --> 00:34:06,480  
in addition

935  
00:34:10,470 --> 00:34:09,280  
an external sheath and if an external

936  
00:34:13,430 --> 00:34:10,480  
sheath of this salt

937  
00:34:14,790 --> 00:34:13,440  
also comes down to ground level then one

938  
00:34:17,190 --> 00:34:14,800

will get

939

00:34:17,829 --> 00:34:17,200

simply an annular ring cut out into the

940

00:34:20,389 --> 00:34:17,839

crop

941

00:34:22,310 --> 00:34:20,399

and is it possible that the outer circle

942

00:34:23,190 --> 00:34:22,320

would turn in a different way would spin

943

00:34:26,550 --> 00:34:23,200

in a different way

944

00:34:28,389 --> 00:34:26,560

from the inner vortex that is a

945

00:34:30,310 --> 00:34:28,399

necessary consequence really of the

946

00:34:31,909 --> 00:34:30,320

conservation of angular momentum

947

00:34:35,109 --> 00:34:31,919

that the two are turning in opposite

948

00:34:36,550 --> 00:34:35,119

sensors of course not all crop circles

949

00:34:38,550 --> 00:34:36,560

have an outer ring

950

00:34:40,389 --> 00:34:38,560

others like the ones colin andrews

951  
00:34:41,990 --> 00:34:40,399  
showed me have two

952  
00:34:44,950 --> 00:34:42,000  
i mean as far as this formation is

953  
00:34:46,790 --> 00:34:44,960  
concerned it's only the second time

954  
00:34:48,629 --> 00:34:46,800  
uh throughout the world this this has

955  
00:34:49,349 --> 00:34:48,639  
ever been saved well that's with the

956  
00:34:52,950 --> 00:34:49,359  
with the

957  
00:34:53,909 --> 00:34:52,960  
rings but one of the things that

958  
00:34:56,230 --> 00:34:53,919  
surprises me

959  
00:34:57,510 --> 00:34:56,240  
is that this is going a different way

960  
00:34:59,109 --> 00:34:57,520  
from that band

961  
00:35:00,870 --> 00:34:59,119  
and from the band there one's going

962  
00:35:02,390 --> 00:35:00,880  
clockwise one's going anti-clockwise

963  
00:35:03,510 --> 00:35:02,400

that's absolutely consistent with

964

00:35:05,750 --> 00:35:03,520

everything we see

965

00:35:07,030 --> 00:35:05,760

these structures are a balanced entity

966

00:35:07,270 --> 00:35:07,040

the other thing is i mean you've got the

967

00:35:10,069 --> 00:35:07,280

cl

968

00:35:11,349 --> 00:35:10,079

the crop is standing perfectly around

969

00:35:13,430 --> 00:35:11,359

the edge of it isn't it i mean

970

00:35:15,030 --> 00:35:13,440

absolutely yes it is it's bought up

971

00:35:15,990 --> 00:35:15,040

right there is no lateral movement

972

00:35:18,470 --> 00:35:16,000

whatsoever

973

00:35:20,390 --> 00:35:18,480

it gives very much the impression that

974

00:35:21,349 --> 00:35:20,400

something either from underneath or from

975

00:35:24,310 --> 00:35:21,359

above

976  
00:35:26,310 --> 00:35:24,320  
has pushed itself into the clock without

977  
00:35:27,990 --> 00:35:26,320  
any lateral movement whatsoever

978  
00:35:29,349 --> 00:35:28,000  
are there any other phenomena there are

979  
00:35:32,950 --> 00:35:29,359  
a number of

980  
00:35:36,390 --> 00:35:32,960  
fringe phenomena events which we feel

981  
00:35:39,510 --> 00:35:36,400  
it is worthy of our time one such event

982  
00:35:41,270 --> 00:35:39,520  
occurred on i think 10 days ago just

983  
00:35:41,829 --> 00:35:41,280  
over the brown this hill here to the

984  
00:35:45,270 --> 00:35:41,839  
south

985  
00:35:47,670 --> 00:35:45,280  
east at kilmister of eligible kilbuster

986  
00:35:49,109 --> 00:35:47,680  
a lady there rushed out into her back

987  
00:35:52,150 --> 00:35:49,119  
garden

988  
00:35:55,349 --> 00:35:52,160

after hearing an extremely loud bang

989

00:35:57,190 --> 00:35:55,359

to find that a galvanized water trough

990

00:35:58,390 --> 00:35:57,200

cattle trough containing about 80

991

00:36:00,710 --> 00:35:58,400

gallons of water

992

00:36:02,470 --> 00:36:00,720

and weighing approximately half a ton

993

00:36:04,790 --> 00:36:02,480

connected to an underground water

994

00:36:06,870 --> 00:36:04,800

pipe had propelled itself through the

995

00:36:09,510 --> 00:36:06,880

air for no apparent reason

996

00:36:10,550 --> 00:36:09,520

without touching the ground once the

997

00:36:13,349 --> 00:36:10,560

water

998

00:36:15,349 --> 00:36:13,359

i should add had disappeared what

999

00:36:17,990 --> 00:36:15,359

explanation have you got for that

1000

00:36:19,990 --> 00:36:18,000

i don't i don't frankly i have not got

1001

00:36:22,870 --> 00:36:20,000

an explanation

1002

00:36:23,750 --> 00:36:22,880

we are looking here at a relatively new

1003

00:36:27,270 --> 00:36:23,760

phenomenon

1004

00:36:30,310 --> 00:36:27,280

happening throughout the world

1005

00:36:32,470 --> 00:36:30,320

and cries out for understanding one a

1006

00:36:33,910 --> 00:36:32,480

scientific explanation might seem the

1007

00:36:36,230 --> 00:36:33,920

most plausible

1008

00:36:37,510 --> 00:36:36,240

but why are the circles here in ancient

1009

00:36:39,910 --> 00:36:37,520

wessex

1010

00:36:42,310 --> 00:36:39,920

could it be that the answer is hidden in

1011

00:36:44,310 --> 00:36:42,320

the mists of time

1012

00:36:46,150 --> 00:36:44,320

i think stonehenge might well have a

1013

00:36:49,589 --> 00:36:46,160

part to play in all this

1014

00:36:52,829 --> 00:36:49,599

particularly with regard to this country

1015

00:36:55,510 --> 00:36:52,839

we noted some time ago that the

1016

00:36:57,990 --> 00:36:55,520

dimensions of these formations

1017

00:36:59,190 --> 00:36:58,000

were consistent with the dimensions of

1018

00:37:03,109 --> 00:36:59,200

the circles

1019

00:37:06,230 --> 00:37:03,119

within stonehenge itself not only that

1020

00:37:09,910 --> 00:37:06,240

but that some of the ley lines running

1021

00:37:12,230 --> 00:37:09,920

through and to stonehenge also we feel

1022

00:37:16,230 --> 00:37:12,240

may well have a part to play in the

1023

00:37:20,150 --> 00:37:18,550

so what secrets lie under the ancient

1024

00:37:22,710 --> 00:37:20,160

burial mounds

1025

00:37:24,310 --> 00:37:22,720

how important are the ley lines are the

1026

00:37:26,550 --> 00:37:24,320

magnetic fields

1027

00:37:28,470 --> 00:37:26,560

or is it just an unhappy coincidence

1028

00:37:29,990 --> 00:37:28,480

that brought the pilot of a harrier jump

1029

00:37:33,829 --> 00:37:30,000

jet into this area

1030

00:37:36,069 --> 00:37:33,839

on the 22nd of october 1987.

1031

00:37:37,829 --> 00:37:36,079

shortly after takeoff all radio contact

1032

00:37:40,230 --> 00:37:37,839

with the plane was lost

1033

00:37:41,750 --> 00:37:40,240

it was found flying without a pilot over

1034

00:37:44,310 --> 00:37:41,760

the southern tip of ireland

1035

00:37:46,310 --> 00:37:44,320

and later crashed into the atlantic the

1036

00:37:50,310 --> 00:37:46,320

body of the pilot was later found

1037

00:37:54,870 --> 00:37:50,320

not far from stonehenge only yards away

1038

00:37:58,550 --> 00:37:54,880

in the same field were four crop circles

1039

00:38:00,710 --> 00:37:58,560

i was there within an hour and a half

1040

00:38:02,230 --> 00:38:00,720

of the report of the unfortunate pilot's

1041

00:38:03,750 --> 00:38:02,240

body being found

1042

00:38:05,270 --> 00:38:03,760

what were your feelings when you visited

1043

00:38:07,589 --> 00:38:05,280

the site well

1044

00:38:08,950 --> 00:38:07,599

clearly of sadness uh for the loss of

1045

00:38:12,470 --> 00:38:08,960

the pilots

1046

00:38:12,950 --> 00:38:12,480

but uh frankly it sent a chill down my

1047

00:38:16,550 --> 00:38:12,960

back

1048

00:38:18,790 --> 00:38:16,560

the fact that i had previously had

1049

00:38:20,790 --> 00:38:18,800

an inner feeling when i heard about the

1050

00:38:23,430 --> 00:38:20,800

accident of the aircraft

1051  
00:38:25,190 --> 00:38:23,440  
not knowing even where it was and where

1052  
00:38:27,030 --> 00:38:25,200  
it actually taken place

1053  
00:38:28,230 --> 00:38:27,040  
i just literally had an inner feeling

1054  
00:38:30,390 --> 00:38:28,240  
that there might well be

1055  
00:38:32,470 --> 00:38:30,400  
some association with our phenomenon and

1056  
00:38:32,790 --> 00:38:32,480  
it turned out to be absolutely precisely

1057  
00:38:35,349 --> 00:38:32,800  
so

1058  
00:38:36,310 --> 00:38:35,359  
i can't account for that and what about

1059  
00:38:38,390 --> 00:38:36,320  
the ufo

1060  
00:38:41,349 --> 00:38:38,400  
that pat and jack collins reported

1061  
00:38:43,750 --> 00:38:41,359  
seeing one night on stockbridge down

1062  
00:38:45,990 --> 00:38:43,760  
as we came over the brow of the hill

1063  
00:38:48,630 --> 00:38:46,000

behind you

1064

00:38:50,870 --> 00:38:48,640

then you said to me didn't you cool look

1065

00:38:54,310 --> 00:38:50,880

look at that

1066

00:38:58,310 --> 00:38:54,320

there was this

1067

00:39:00,790 --> 00:38:58,320

circle with lights around the edge

1068

00:39:02,230 --> 00:39:00,800

and would appear to have been spokes

1069

00:39:05,430 --> 00:39:02,240

which were also

1070

00:39:07,990 --> 00:39:05,440

lit i saw this enormous big thing it was

1071

00:39:09,589 --> 00:39:08,000

like sort of looking at a great wheel at

1072

00:39:12,310 --> 00:39:09,599

a fairground it looked that

1073

00:39:13,670 --> 00:39:12,320

size like jack said it was lit up the

1074

00:39:16,950 --> 00:39:13,680

whole way round

1075

00:39:20,069 --> 00:39:16,960

and the spoke with clear like electric

1076

00:39:21,270 --> 00:39:20,079

light bulb lights and the like spokes of

1077

00:39:23,910 --> 00:39:21,280

the wheels

1078

00:39:26,710 --> 00:39:23,920

of us wheel and they were all lit up as

1079

00:39:28,790 --> 00:39:26,720

well and it was standing up on end

1080

00:39:30,710 --> 00:39:28,800

by the sound of it stephen spielberg was

1081

00:39:33,970 --> 00:39:30,720

pretty close to the mark when he made

1082

00:39:35,829 --> 00:39:33,980

close encounters of the third kind

1083

00:39:37,589 --> 00:39:35,839

[Music]

1084

00:39:39,109 --> 00:39:37,599

what did the philosopher say once are

1085

00:39:40,790 --> 00:39:39,119

more things in heaven and earth for the

1086

00:39:43,349 --> 00:39:40,800

dream robbing our philosophy

1087

00:39:44,790 --> 00:39:43,359

i don't know well i definitely think

1088

00:39:47,990 --> 00:39:44,800

it's something

1089

00:39:48,470 --> 00:39:48,000

it's not from this earth because as i

1090

00:39:52,150 --> 00:39:48,480

say

1091

00:39:53,910 --> 00:39:52,160

they're so the way that corn is swept

1092

00:39:57,349 --> 00:39:53,920

around in them

1093

00:39:59,510 --> 00:39:57,359

and you've got the four evenly spaced

1094

00:40:00,950 --> 00:39:59,520

where i should think feet have come down

1095

00:40:04,390 --> 00:40:00,960

or something

1096

00:40:05,670 --> 00:40:04,400

uh out on the you you get the great big

1097

00:40:06,790 --> 00:40:05,680

one in the middle and you've got the

1098

00:40:09,589 --> 00:40:06,800

four

1099

00:40:10,470 --> 00:40:09,599

outside ones i mean they're so evenly

1100

00:40:13,630 --> 00:40:10,480

spaced

1101

00:40:15,510 --> 00:40:13,640

that it's gotta be something like that

1102

00:40:17,750 --> 00:40:15,520

[Music]

1103

00:40:19,910 --> 00:40:17,760

talking about feet on the ground the

1104

00:40:21,349 --> 00:40:19,920

military kept pretty quiet about this

1105

00:40:23,510 --> 00:40:21,359

four-legged friend

1106

00:40:25,349 --> 00:40:23,520

there's no doubt that some of the ufo

1107

00:40:27,910 --> 00:40:25,359

sightings on salisbury plain

1108

00:40:29,349 --> 00:40:27,920

can be put down to unmanned gadgets like

1109

00:40:35,750 --> 00:40:29,359

this spy in the sky

1110

00:40:39,270 --> 00:40:37,270

astronomer and country parson the

1111

00:40:41,030 --> 00:40:39,280

reverend inge had until recently a

1112

00:40:43,190 --> 00:40:41,040

parish near saul's replane

1113

00:40:45,190 --> 00:40:43,200

mr inge told us how he deals with people

1114

00:40:45,990 --> 00:40:45,200

who believe these things come from outer

1115

00:40:47,990 --> 00:40:46,000

space

1116

00:40:49,589 --> 00:40:48,000

two ladies wrote to me from an address

1117

00:40:51,030 --> 00:40:49,599

in bristol

1118

00:40:53,510 --> 00:40:51,040

and they said they were walking on a

1119

00:40:56,790 --> 00:40:53,520

hill a high hill outside

1120

00:40:57,910 --> 00:40:56,800

warminster and suddenly without any

1121

00:41:01,109 --> 00:40:57,920

warning from a wood

1122

00:41:02,790 --> 00:41:01,119

nearby two of the strangest little

1123

00:41:04,390 --> 00:41:02,800

flying machines they'd ever seen

1124

00:41:05,270 --> 00:41:04,400

suddenly shot up into the air with a

1125

00:41:07,030 --> 00:41:05,280

terrific

1126

00:41:08,950 --> 00:41:07,040

and flames and smoke and they

1127

00:41:10,630 --> 00:41:08,960

disappeared right up the way they went

1128

00:41:13,030 --> 00:41:10,640

over the horizon

1129

00:41:14,230 --> 00:41:13,040

and they were so astonished that they

1130

00:41:15,990 --> 00:41:14,240

thought they must be seeing things they

1131

00:41:18,390 --> 00:41:16,000

didn't like to mention it

1132

00:41:20,630 --> 00:41:18,400

and they did take the trouble to sit

1133

00:41:23,190 --> 00:41:20,640

down and write about this

1134

00:41:25,109 --> 00:41:23,200

and in that connection i want to say

1135

00:41:27,430 --> 00:41:25,119

what they saw i'm sure

1136

00:41:28,710 --> 00:41:27,440

is that what has already been shown on

1137

00:41:31,349 --> 00:41:28,720

film bbc

1138

00:41:31,829 --> 00:41:31,359

film that came from the united states of

1139

00:41:34,950 --> 00:41:31,839

these

1140

00:41:37,030 --> 00:41:34,960

one-man helicopters that are

1141

00:41:38,390 --> 00:41:37,040

jet propelled as well you have the rope

1142

00:41:41,030 --> 00:41:38,400

over your head and the man is

1143

00:41:43,030 --> 00:41:41,040

has it strapped on his back and i met

1144

00:41:45,109 --> 00:41:43,040

another man later on as i say

1145

00:41:46,870 --> 00:41:45,119

just now he actually saw one of these

1146

00:41:49,030 --> 00:41:46,880

come down alongside his car and he

1147

00:41:51,349 --> 00:41:49,040

stopped and he saw the man

1148

00:41:53,270 --> 00:41:51,359

pull out a map consult the map see where

1149

00:41:54,150 --> 00:41:53,280

he was fold it up again put it in his

1150

00:41:56,069 --> 00:41:54,160

pocket

1151  
00:41:57,430 --> 00:41:56,079  
question everything and press the button

1152  
00:41:59,030 --> 00:41:57,440  
the way he went up in a

1153  
00:42:00,390 --> 00:41:59,040  
in the sheet of flame now that was

1154  
00:42:01,990 --> 00:42:00,400  
fighting the life out of anybody if they

1155  
00:42:02,390 --> 00:42:02,000  
didn't know what it was and the stories

1156  
00:42:04,550 --> 00:42:02,400  
about

1157  
00:42:06,390 --> 00:42:04,560  
men coming from outer space would be

1158  
00:42:07,510 --> 00:42:06,400  
almost justified in that case if you

1159  
00:42:09,990 --> 00:42:07,520  
didn't know what it was

1160  
00:42:11,270 --> 00:42:10,000  
but there is nothing to worry about

1161  
00:42:13,030 --> 00:42:11,280  
after all none of these things have

1162  
00:42:13,750 --> 00:42:13,040  
killed anybody yet or it's like i know

1163  
00:42:15,030 --> 00:42:13,760

injured them

1164

00:42:16,150 --> 00:42:15,040

except perhaps the brave people that are

1165

00:42:17,349 --> 00:42:16,160

taking part in them and then you

1166

00:42:19,510 --> 00:42:17,359

wouldn't hear very much about that but

1167

00:42:21,270 --> 00:42:19,520

would you go so far as to encourage

1168

00:42:23,270 --> 00:42:21,280

ordinary people to think these did come

1169

00:42:24,870 --> 00:42:23,280

from outer space so that the services

1170

00:42:26,390 --> 00:42:24,880

could carry on with their experimenting

1171

00:42:27,510 --> 00:42:26,400

behind this sort of smoke screen would

1172

00:42:30,630 --> 00:42:27,520

you know

1173

00:42:32,390 --> 00:42:30,640

no not a bit uh i i wouldn't know

1174

00:42:33,829 --> 00:42:32,400

that that would be deception wouldn't it

1175

00:42:35,349 --> 00:42:33,839

uh i would simply say look

1176

00:42:36,950 --> 00:42:35,359

you've seen something that perhaps you

1177

00:42:39,270 --> 00:42:36,960

weren't supposed to see

1178

00:42:41,030 --> 00:42:39,280

i can assure you that there's no danger

1179

00:42:43,030 --> 00:42:41,040

from it and if you see it again

1180

00:42:45,030 --> 00:42:43,040

just remember that it's it's really in

1181

00:42:46,230 --> 00:42:45,040

your own interest and in the interest of

1182

00:42:48,870 --> 00:42:46,240

this country that these things are

1183

00:42:50,470 --> 00:42:48,880

happening and

1184

00:42:52,950 --> 00:42:50,480

just go to sleep on it and don't worry

1185

00:42:55,910 --> 00:42:52,960

about it so i'm personally

1186

00:42:56,870 --> 00:42:55,920

my uh message to the people of

1187

00:42:58,870 --> 00:42:56,880

warminster is

1188

00:42:59,990 --> 00:42:58,880

don't forget that you live on the edge

1189

00:43:02,309 --> 00:43:00,000

the perimeter

1190

00:43:04,630 --> 00:43:02,319

of an experimental area where brave men

1191

00:43:08,150 --> 00:43:04,640

are doing experiments

1192

00:43:09,780 --> 00:43:08,160

in connection with all three

1193

00:43:11,190 --> 00:43:09,790

of the forces

1194

00:43:12,710 --> 00:43:11,200

[Music]

1195

00:43:15,190 --> 00:43:12,720

you're the editor of the local

1196

00:43:16,710 --> 00:43:15,200

newsletter about ufos what um a lot of

1197

00:43:18,150 --> 00:43:16,720

people do say it's the army around here

1198

00:43:19,510 --> 00:43:18,160

that are causing the warmest thing which

1199

00:43:21,270 --> 00:43:19,520

we've traced back through history

1200

00:43:23,750 --> 00:43:21,280

the cases occurring before the army came

1201  
00:43:25,430 --> 00:43:23,760  
here and also we've got cases on record

1202  
00:43:26,710 --> 00:43:25,440  
of army personnel out on maneuvers

1203  
00:43:27,589 --> 00:43:26,720  
actually seeing things themselves that

1204  
00:43:30,309 --> 00:43:27,599  
they can't explain

1205  
00:43:32,390 --> 00:43:30,319  
what about the answer lying in the soil

1206  
00:43:33,670 --> 00:43:32,400  
have they examined that theory equally

1207  
00:43:35,829 --> 00:43:33,680  
closely

1208  
00:43:37,910 --> 00:43:35,839  
we asked mike hodgson from the soil

1209  
00:43:39,589 --> 00:43:37,920  
survey and land research centre

1210  
00:43:41,670 --> 00:43:39,599  
to come along to france's shepherd's

1211  
00:43:42,470 --> 00:43:41,680  
farm in wiltshire where circles appear

1212  
00:43:44,950 --> 00:43:42,480  
regularly

1213  
00:43:46,470 --> 00:43:44,960

to see what he could dig up i must say

1214

00:43:47,829 --> 00:43:46,480

that there are many features in the

1215

00:43:50,870 --> 00:43:47,839

landscape which are well known to

1216

00:43:53,990 --> 00:43:50,880

archaeologists and soil scientists

1217

00:43:55,990 --> 00:43:54,000

which are based on crop marks which are

1218

00:43:58,309 --> 00:43:56,000

based on soil

1219

00:44:00,309 --> 00:43:58,319

and these are often archaeological round

1220

00:44:02,710 --> 00:44:00,319

barrows things of this kind

1221

00:44:04,550 --> 00:44:02,720

but they're all related to either

1222

00:44:07,990 --> 00:44:04,560

differences in soil nutrition

1223

00:44:10,069 --> 00:44:08,000

or in soil depth soil depth of course

1224

00:44:11,510 --> 00:44:10,079

affects the water supply to the growing

1225

00:44:13,990 --> 00:44:11,520

plant during the

1226  
00:44:15,910 --> 00:44:14,000  
during the summer season there's still a

1227  
00:44:16,470 --> 00:44:15,920  
possibility of something like that here

1228  
00:44:20,710 --> 00:44:16,480  
but my

1229  
00:44:22,550 --> 00:44:20,720  
my instinct is that perhaps there isn't

1230  
00:44:23,829 --> 00:44:22,560  
chemical causes have been dismissed

1231  
00:44:26,470 --> 00:44:23,839  
because the circles are so

1232  
00:44:26,870 --> 00:44:26,480  
geometric but fungal infections can

1233  
00:44:29,990 --> 00:44:26,880  
cause

1234  
00:44:31,030 --> 00:44:30,000  
fairy rings in grass as a true scientist

1235  
00:44:32,870 --> 00:44:31,040  
mike hodgson took

1236  
00:44:34,790 --> 00:44:32,880  
several samples before passing an

1237  
00:44:36,630 --> 00:44:34,800  
opinion now what i'm looking for is a

1238  
00:44:41,670 --> 00:44:36,640

bit of

1239

00:44:41,680 --> 00:44:48,870

it's going ever so slightly

1240

00:44:52,150 --> 00:44:50,710

what do you think causes these crop

1241

00:44:54,630 --> 00:44:52,160

circles

1242

00:44:55,430 --> 00:44:54,640

this particular crop circle i remain uh

1243

00:44:58,790 --> 00:44:55,440

agnostic

1244

00:45:01,349 --> 00:44:58,800

certainly certainly not little green men

1245

00:45:02,829 --> 00:45:01,359

um i would always be in a soil and on

1246

00:45:04,790 --> 00:45:02,839

myself i would always look for a

1247

00:45:07,589 --> 00:45:04,800

terrestrial

1248

00:45:09,190 --> 00:45:07,599

cause for this and i i'd like to stress

1249

00:45:11,589 --> 00:45:09,200

it very often

1250

00:45:13,750 --> 00:45:11,599

actually even if it's a fungal disease

1251  
00:45:16,630 --> 00:45:13,760  
the fungal disease could be related

1252  
00:45:18,470 --> 00:45:16,640  
to soil france's shepherd doesn't

1253  
00:45:20,309 --> 00:45:18,480  
believe a word of it

1254  
00:45:21,510 --> 00:45:20,319  
history of this field is that my

1255  
00:45:22,630 --> 00:45:21,520  
family's owned it for about four

1256  
00:45:25,109 --> 00:45:22,640  
generations

1257  
00:45:26,630 --> 00:45:25,119  
since the late twenties and um we've had

1258  
00:45:27,030 --> 00:45:26,640  
a period of about 60 years without

1259  
00:45:30,550 --> 00:45:27,040  
seeing

1260  
00:45:31,750 --> 00:45:30,560  
any circles at all and then 1983

1261  
00:45:33,589 --> 00:45:31,760  
rather shortage of news in the

1262  
00:45:36,390 --> 00:45:33,599  
newspapers and

1263  
00:45:38,069 --> 00:45:36,400

a daily express reporter reported seeing

1264

00:45:39,349 --> 00:45:38,079

a circle here early one morning

1265

00:45:41,109 --> 00:45:39,359

from the top of the hill behind you

1266

00:45:42,630 --> 00:45:41,119

there and um

1267

00:45:44,550 --> 00:45:42,640

i've got a view that perhaps you might

1268

00:45:46,950 --> 00:45:44,560

have made the circle for a story

1269

00:45:47,589 --> 00:45:46,960

because next day there was a three-page

1270

00:45:49,430 --> 00:45:47,599

article

1271

00:45:50,950 --> 00:45:49,440

in the daily express which is a heck of

1272

00:45:52,710 --> 00:45:50,960

a lot of lines

1273

00:45:55,030 --> 00:45:52,720

in the national newspaper about crop

1274

00:45:55,829 --> 00:45:55,040

circles okay why do you think it's a

1275

00:45:57,750 --> 00:45:55,839

hoax

1276

00:46:00,150 --> 00:45:57,760

well because if we look into the center

1277

00:46:01,589 --> 00:46:00,160

over there you'll see that that ground

1278

00:46:03,670 --> 00:46:01,599

has been trampled down

1279

00:46:05,430 --> 00:46:03,680

much more than on the edge because i

1280

00:46:06,069 --> 00:46:05,440

reckon a group of people have linked

1281

00:46:08,230 --> 00:46:06,079

arms

1282

00:46:09,829 --> 00:46:08,240

walked around in a circle the person on

1283

00:46:11,750 --> 00:46:09,839

the edge has traveled fastest than the

1284

00:46:14,309 --> 00:46:11,760

chap in the center who stood on the spot

1285

00:46:15,190 --> 00:46:14,319

therefore he stood the corn down more in

1286

00:46:17,589 --> 00:46:15,200

the center

1287

00:46:18,870 --> 00:46:17,599

you can clearly see this also i reckon

1288

00:46:19,910 --> 00:46:18,880

it was done at night time because the

1289

00:46:21,910 --> 00:46:19,920

people didn't want to be

1290

00:46:23,349 --> 00:46:21,920

spotted because i'd be on their backs if

1291

00:46:25,510 --> 00:46:23,359

they were caught

1292

00:46:27,190 --> 00:46:25,520

and after dark probably a few pints of

1293

00:46:28,950 --> 00:46:27,200

the local 6x inside them

1294

00:46:30,470 --> 00:46:28,960

they've lurched rather into the corn

1295

00:46:31,910 --> 00:46:30,480

because the line is not

1296

00:46:33,510 --> 00:46:31,920

sharp but there's little marks where

1297

00:46:35,270 --> 00:46:33,520

people have drunkenly swaggered out of

1298

00:46:37,510 --> 00:46:35,280

line

1299

00:46:38,630 --> 00:46:37,520

we put francis shepard's theory to the

1300

00:46:40,829 --> 00:46:38,640

test

1301

00:46:46,150 --> 00:46:40,839

i'll go in first yeah stick to the tram

1302

00:46:49,670 --> 00:46:48,309

we enlisted the help of a young farmer's

1303

00:46:51,589 --> 00:46:49,680

tug-of-war team

1304

00:46:53,829 --> 00:46:51,599

would it be possible we wondered to

1305

00:46:56,230 --> 00:46:53,839

create a crop circle without leaving any

1306

00:46:58,309 --> 00:46:56,240

trace of human involvement

1307

00:46:59,270 --> 00:46:58,319

they looked surprisingly practiced as

1308

00:47:01,589 --> 00:46:59,280

they made their way

1309

00:47:03,670 --> 00:47:01,599

down the track left by the sprayers to

1310

00:47:05,270 --> 00:47:03,680

the spot that we'd chosen

1311

00:47:14,150 --> 00:47:05,280

they were armed with nothing more than a

1312

00:47:20,790 --> 00:47:17,510

all right let's keep this tight

1313

00:47:20,800 --> 00:47:36,829

tight net keep it tight

1314

00:47:40,710 --> 00:47:38,470

is

1315

00:47:43,829 --> 00:47:40,720

i'm doing about three times the whip of

1316

00:47:55,510 --> 00:47:46,230

and he's got size 11's on it i've heard

1317

00:47:59,349 --> 00:47:57,430

it was roughly at this point that

1318

00:48:01,510 --> 00:47:59,359

serious doubts crept in

1319

00:48:02,470 --> 00:48:01,520

and all thoughts of little green men

1320

00:48:14,549 --> 00:48:02,480

were replaced by

1321

00:48:18,870 --> 00:48:16,390

can you see the paper tomorrow another

1322

00:48:21,270 --> 00:48:18,880

one needs a few final touches done to it

1323

00:48:22,630 --> 00:48:21,280

sort of the manicure of the sun yes yes

1324

00:48:24,470 --> 00:48:22,640

what are you going to do to manicure it

1325

00:48:25,589 --> 00:48:24,480

then well we sort of comb it spread the

1326

00:48:27,030 --> 00:48:25,599

wheat out on the ground

1327

00:48:28,470 --> 00:48:27,040

even it up make it look a lot of

1328

00:48:29,510 --> 00:48:28,480

spaceships you do look as though you've

1329

00:48:34,630 --> 00:48:29,520

done it before

1330

00:48:36,390 --> 00:48:34,640

well yeah that i just rent a circle yeah

1331

00:48:38,150 --> 00:48:36,400

seriously have you done it before well

1332

00:48:40,309 --> 00:48:38,160

that that well that would be telling

1333

00:48:41,910 --> 00:48:40,319

yeah trade secrets yes i wouldn't like

1334

00:48:43,349 --> 00:48:41,920

to say i think there'll be many farmers

1335

00:48:46,710 --> 00:48:43,359

in hampshire that might be knocking on

1336

00:48:50,790 --> 00:48:49,270

mrs taylor and andrews however took it

1337

00:48:53,270 --> 00:48:50,800

all in their stride

1338

00:48:55,190 --> 00:48:53,280

and went about examining the hope circle

1339

00:48:58,309 --> 00:48:55,200

just as meticulously as they do

1340

00:49:01,510 --> 00:48:58,319

the real thing see

1341

00:49:04,710 --> 00:49:01,520

uh busty inside here you've got

1342

00:49:06,150 --> 00:49:04,720

you see this two inch three inch gap

1343

00:49:08,470 --> 00:49:06,160

between the light of the plant and the

1344

00:49:09,270 --> 00:49:08,480

surrounding wall this gap here this is

1345

00:49:12,309 --> 00:49:09,280

something we would

1346

00:49:15,030 --> 00:49:12,319

never find because of course this is a

1347

00:49:16,150 --> 00:49:15,040

concentric flow as opposed to the

1348

00:49:18,150 --> 00:49:16,160

genuine phenomena

1349

00:49:19,510 --> 00:49:18,160

it's in fact in many respects it's too

1350

00:49:21,349 --> 00:49:19,520

perfect

1351

00:49:23,109 --> 00:49:21,359

it's too good it's circular as opposed

1352

00:49:24,710 --> 00:49:23,119

to the elliptical

1353

00:49:26,230 --> 00:49:24,720

shape as well you can see that this is

1354

00:49:28,470 --> 00:49:26,240

absolutely circular

1355

00:49:31,829 --> 00:49:28,480

i mean it's very neat and it's very well

1356

00:49:35,190 --> 00:49:31,839

done but it very clearly is a hoax

1357

00:49:36,950 --> 00:49:35,200

we identify very quickly those circles

1358

00:49:37,829 --> 00:49:36,960

that are hoaxed and we have seen three

1359

00:49:40,549 --> 00:49:37,839

this year

1360

00:49:41,270 --> 00:49:40,559

that have been hoaxed uh the lie of the

1361

00:49:43,990 --> 00:49:41,280

plants

1362

00:49:45,589 --> 00:49:44,000

uh within within the genuine phenomenon

1363

00:49:48,470 --> 00:49:45,599

is entirely different

1364

00:49:49,349 --> 00:49:48,480

to anything that uh can be host and has

1365

00:49:51,990 --> 00:49:49,359

been hoaxed

1366

00:49:53,109 --> 00:49:52,000

have you ever been taken in not as yet

1367

00:49:55,190 --> 00:49:53,119

not as yet

1368

00:49:56,870 --> 00:49:55,200

but we don't set up to be taken in we

1369

00:49:59,030 --> 00:49:56,880

obviously

1370

00:50:02,470 --> 00:49:59,040

we are wanting to get on with the job

1371

00:50:04,790 --> 00:50:02,480

and to break beyond this hoax nonsense

1372

00:50:05,670 --> 00:50:04,800

there is a genuine phenomenon here one

1373

00:50:10,870 --> 00:50:05,680

which now

1374

00:50:14,390 --> 00:50:13,589

but this one as they say could run and

1375

00:50:16,309 --> 00:50:14,400

run

1376

00:50:18,549 --> 00:50:16,319

no matter which theory you support

1377

00:50:20,870 --> 00:50:18,559

whether you think it's an elaborate hoax

1378

00:50:22,950 --> 00:50:20,880

a stationary whirlwind or believe in

1379

00:50:24,390 --> 00:50:22,960

colin andrews unexplained phenomenon

1380

00:50:26,630 --> 00:50:24,400

from outer space

1381

00:50:28,309 --> 00:50:26,640

collecting the data to support the claim

1382

00:50:30,870 --> 00:50:28,319

is full of frustration

1383

00:50:32,950 --> 00:50:30,880

it's a race against time and just when

1384

00:50:35,270 --> 00:50:32,960

you think you might be getting there

1385

00:50:37,030 --> 00:50:35,280

someone always comes along and destroys

1386

00:50:39,670 --> 00:50:37,040

the evidence

1387

00:50:41,589 --> 00:50:39,680

ken rogers is chairman of the national

1388

00:50:44,630 --> 00:50:41,599

unexplained society

1389

00:50:46,630 --> 00:50:44,640

which boasts two thousand members

1390

00:50:48,390 --> 00:50:46,640

yeah wind conditions you can understand

1391

00:50:50,069 --> 00:50:48,400

what uh uh many whirlwinds

1392

00:50:51,829 --> 00:50:50,079

farmers know what a mini world wind

1393

00:50:53,589 --> 00:50:51,839

looks like in their fields is it

1394

00:50:55,270 --> 00:50:53,599

perfectly symmetrical you only have to

1395

00:50:55,829 --> 00:50:55,280

look as i say before the television

1396

00:50:57,910 --> 00:50:55,839

pictures

1397

00:50:58,870 --> 00:50:57,920

the the perfect circle in the middle

1398

00:51:00,790 --> 00:50:58,880

followed by the four

1399

00:51:02,150 --> 00:51:00,800

outer circles outside which is typical

1400

00:51:07,589 --> 00:51:02,160

as far as we're concerned

1401  
00:51:11,190 --> 00:51:09,510  
but even the skeptics were hard put to

1402  
00:51:13,190 --> 00:51:11,200  
dismiss some of the reports

1403  
00:51:15,109 --> 00:51:13,200  
in the village of steeple ashton dozens

1404  
00:51:16,230 --> 00:51:15,119  
experienced an encounter of the most

1405  
00:51:17,750 --> 00:51:16,240  
peculiar kind

1406  
00:51:19,030 --> 00:51:17,760  
the chapter in the blue sweater now you

1407  
00:51:20,390 --> 00:51:19,040  
you've got a good view of it what do you

1408  
00:51:27,109 --> 00:51:20,400  
think it was

1409  
00:51:28,230 --> 00:51:27,119  
that's crazy yep why do you think that

1410  
00:51:30,390 --> 00:51:28,240  
in all seriousness

1411  
00:51:33,349 --> 00:51:30,400  
well i hope for the middle but it was

1412  
00:51:35,190 --> 00:51:33,359  
sort of hard from the edge outside

1413  
00:51:36,549 --> 00:51:35,200

the clouds couldn't pass through the

1414

00:51:37,990 --> 00:51:36,559

outside of it could go through the

1415

00:51:39,190 --> 00:51:38,000

middle though

1416

00:51:41,910 --> 00:51:39,200

have you ever seen anything like it

1417

00:51:44,230 --> 00:51:41,920

before no not nothing like that

1418

00:51:45,349 --> 00:51:44,240

and how long were you able to see it i

1419

00:51:48,150 --> 00:51:45,359

was up in the window so

1420

00:51:49,349 --> 00:51:48,160

about three minutes three minutes was it

1421

00:51:51,030 --> 00:51:49,359

sort of hovering or

1422

00:51:52,790 --> 00:51:51,040

no it's just going around like a whale

1423

00:51:54,630 --> 00:51:52,800

just going over

1424

00:51:56,950 --> 00:51:54,640

you got a good view of it describe it to

1425

00:51:58,950 --> 00:51:56,960

me well sort of um black

1426  
00:52:00,150 --> 00:51:58,960  
blackish gray you were in going across

1427  
00:52:01,829 --> 00:52:00,160  
the sky

1428  
00:52:03,430 --> 00:52:01,839  
and it was dark on one side and in the

1429  
00:52:03,750 --> 00:52:03,440  
bottom had a sort of little line through

1430  
00:52:08,790 --> 00:52:03,760  
it

1431  
00:52:10,790 --> 00:52:08,800  
miss green did you see that the phantom

1432  
00:52:12,470 --> 00:52:10,800  
object yourself i saw it yes

1433  
00:52:14,230 --> 00:52:12,480  
how would you describe it uh very much

1434  
00:52:16,230 --> 00:52:14,240  
as the children did as a it appeared to

1435  
00:52:17,990 --> 00:52:16,240  
be a smoke crane

1436  
00:52:20,230 --> 00:52:18,000  
but you know that's the best way that i

1437  
00:52:22,069 --> 00:52:20,240  
can describe it as a smoke thing

1438  
00:52:24,309 --> 00:52:22,079

any theories as to what are no theories

1439

00:52:25,589 --> 00:52:24,319

at all none at all

1440

00:52:27,990 --> 00:52:25,599

i mean obviously people are going to

1441

00:52:28,630 --> 00:52:28,000

speculate men from mars or what have you

1442

00:52:30,790 --> 00:52:28,640

i mean

1443

00:52:32,230 --> 00:52:30,800

the only thing i can say really is i'm

1444

00:52:32,710 --> 00:52:32,240

glad there were a lot of other people

1445

00:52:36,150 --> 00:52:32,720

saw it

1446

00:52:38,230 --> 00:52:36,160

at the same time as i do down in the

1447

00:52:39,190 --> 00:52:38,240

town at least one group of people were

1448

00:52:41,589 --> 00:52:39,200

over the moon

1449

00:52:42,710 --> 00:52:41,599

the traders an invasion of sorts had

1450

00:52:45,030 --> 00:52:42,720

certainly arrived

1451  
00:52:45,990 --> 00:52:45,040  
but it was of a very different kind not

1452  
00:52:48,630 --> 00:52:46,000  
little green men

1453  
00:52:50,549 --> 00:52:48,640  
but tourists thousands of them if the

1454  
00:52:51,190 --> 00:52:50,559  
war minster thing wasn't exactly a put

1455  
00:52:53,109 --> 00:52:51,200  
up job

1456  
00:52:54,790 --> 00:52:53,119  
at least the town's shrewd businessmen

1457  
00:52:56,790 --> 00:52:54,800  
knew a good thing when they saw it

1458  
00:52:57,910 --> 00:52:56,800  
it did wonders for trade i'm sure the

1459  
00:52:59,750 --> 00:52:57,920  
traders did some

1460  
00:53:01,190 --> 00:52:59,760  
did some business i'm sure it is because

1461  
00:53:04,710 --> 00:53:01,200  
there were hundreds of people coming

1462  
00:53:09,109 --> 00:53:07,589  
yes this is enough showing all the 11

1463  
00:53:11,910 --> 00:53:09,119

ley lines that run through

1464

00:53:14,069 --> 00:53:11,920

indeed ufos were tailor-made for tourism

1465

00:53:16,470 --> 00:53:14,079

because it is unique in the world for

1466

00:53:18,230 --> 00:53:16,480

this number of ley lines crossing this

1467

00:53:19,990 --> 00:53:18,240

is the original photograph that a

1468

00:53:20,309 --> 00:53:20,000

gentleman actually sent us three weeks

1469

00:53:24,309 --> 00:53:20,319

ago

1470

00:53:26,630 --> 00:53:24,319

to see the crossing

1471

00:53:27,990 --> 00:53:26,640

interest became so great one couple even

1472

00:53:30,390 --> 00:53:28,000

set up a ufo bed and

1473

00:53:32,309 --> 00:53:30,400

breakfast hotel marmalade and martians

1474

00:53:34,630 --> 00:53:32,319

on the menu in the mornings

1475

00:53:36,630 --> 00:53:34,640

the idea was an immediate success it

1476  
00:53:38,069 --> 00:53:36,640  
could only have happened in warminster

1477  
00:53:42,710 --> 00:53:38,079  
and of course the americans in

1478  
00:53:44,470 --> 00:53:42,720  
particular loved it

1479  
00:53:46,309 --> 00:53:44,480  
well because there was a tremendous need

1480  
00:53:48,069 --> 00:53:46,319  
in wall minster and we'd

1481  
00:53:49,510 --> 00:53:48,079  
we'd heard from arthur shuttlewood with

1482  
00:53:50,950 --> 00:53:49,520  
about people knocking on his door all

1483  
00:53:52,549 --> 00:53:50,960  
hours of the day and night all the year

1484  
00:53:54,790 --> 00:53:52,559  
round not just the summer

1485  
00:53:56,710 --> 00:53:54,800  
um wanting to know about the hills what

1486  
00:53:57,349 --> 00:53:56,720  
he's seen could he take them up on the

1487  
00:53:59,589 --> 00:53:57,359  
hills

1488  
00:54:01,430 --> 00:53:59,599

where can they stay the night where the

1489

00:54:03,670 --> 00:54:01,440

army is and all this sort of thing

1490

00:54:05,910 --> 00:54:03,680

but why do you believe so strongly that

1491

00:54:08,150 --> 00:54:05,920

there are ufos from another planet

1492

00:54:09,430 --> 00:54:08,160

i've seen quite a few of them some of

1493

00:54:12,870 --> 00:54:09,440

them very close up

1494

00:54:14,470 --> 00:54:12,880

such as in north wales i've seen what i

1495

00:54:16,549 --> 00:54:14,480

thought was a mother ship about the size

1496

00:54:19,589 --> 00:54:16,559

of a jumbo jet without wings

1497

00:54:21,349 --> 00:54:19,599

about as close as 300 yards

1498

00:54:22,790 --> 00:54:21,359

coming up a valley completely

1499

00:54:25,349 --> 00:54:22,800

soundlessly

1500

00:54:27,109 --> 00:54:25,359

very large very silvery and beautiful

1501  
00:54:29,349 --> 00:54:27,119  
and it stopped and did a complete right

1502  
00:54:32,390 --> 00:54:29,359  
turn into the side of the mountain

1503  
00:54:35,430 --> 00:54:32,400  
and how close was this this was about

1504  
00:54:37,430 --> 00:54:35,440  
300 feet above a lake and about 300

1505  
00:54:39,030 --> 00:54:37,440  
yards away and it was midday with no

1506  
00:54:41,750 --> 00:54:39,040  
clouds or anything

1507  
00:54:43,670 --> 00:54:41,760  
there's got to be other life than this

1508  
00:54:47,670 --> 00:54:43,680  
tiny little planet

1509  
00:54:49,030 --> 00:54:47,680  
and um we saw when we came on holiday to

1510  
00:54:51,270 --> 00:54:49,040  
warminster we saw one

1511  
00:54:52,549 --> 00:54:51,280  
zigzagging over the top of us it had a

1512  
00:54:59,510 --> 00:54:52,559  
sort of bow wave

1513  
00:55:03,190 --> 00:55:01,270

the little market town stayed in the

1514

00:55:05,190 --> 00:55:03,200

limelight for more than a decade

1515

00:55:06,789 --> 00:55:05,200

it somehow became accepted as a place

1516

00:55:12,470 --> 00:55:06,799

where the unusual was

1517

00:55:18,829 --> 00:55:14,390

the very name developed a ring which in

1518

00:55:18,839 --> 00:55:22,790

warminster

1519

00:55:28,870 --> 00:55:26,150

[Music]

1520

00:55:30,390 --> 00:55:28,880

but why here it's true the town stands

1521

00:55:32,829 --> 00:55:30,400

on the edge of salisbury plain a

1522

00:55:34,710 --> 00:55:32,839

mysterious enough place at the best of

1523

00:55:37,750 --> 00:55:34,720

times

1524

00:55:41,190 --> 00:55:37,760

shuttlewood had his own theory well

1525

00:55:42,630 --> 00:55:41,200

we've often pondered why but it could be

1526

00:55:45,990 --> 00:55:42,640

that it lies

1527

00:55:48,710 --> 00:55:46,000

on the direct area route between

1528

00:55:49,510 --> 00:55:48,720

glastonbury a place of mystery as you

1529

00:55:53,030 --> 00:55:49,520

know

1530

00:55:53,829 --> 00:55:53,040

to to our west and stonehenge to our

1531

00:55:57,349 --> 00:55:53,839

east

1532

00:55:58,230 --> 00:55:57,359

on that direct area line is where the

1533

00:56:04,549 --> 00:55:58,240

majority

1534

00:56:08,069 --> 00:56:06,150

that's amazing the number of books has

1535

00:56:09,270 --> 00:56:08,079

been published on it uh the walmart's

1536

00:56:12,309 --> 00:56:09,280

the mystery

1537

00:56:13,349 --> 00:56:12,319

more ufos over warminster ufos geese in

1538

00:56:15,109 --> 00:56:13,359

the new age

1539

00:56:16,549 --> 00:56:15,119

warnings from flying friends all just

1540

00:56:18,470 --> 00:56:16,559

about warminster

1541

00:56:20,710 --> 00:56:18,480

um most of the ufo books you pick up now

1542

00:56:21,750 --> 00:56:20,720

in america you look at the index pages

1543

00:56:22,950 --> 00:56:21,760

and they've all got chapters about

1544

00:56:24,549 --> 00:56:22,960

walmart's doing

1545

00:56:26,150 --> 00:56:24,559

it's incredible amount of interest

1546

00:56:26,630 --> 00:56:26,160

outside the town that's been created by

1547

00:56:29,589 --> 00:56:26,640

this

1548

00:56:31,349 --> 00:56:29,599

strange ufo phenomenon uh it wasn't a

1549

00:56:33,190 --> 00:56:31,359

publicity stunt it wasn't a hoax you

1550

00:56:35,510 --> 00:56:33,200

were quite genuine and what do you think

1551  
00:56:36,870 --> 00:56:35,520  
they've been one or two hoaxes yes over

1552  
00:56:37,990 --> 00:56:36,880  
the years people sent out lots of

1553  
00:56:39,030 --> 00:56:38,000  
balloons and so on they haven't really

1554  
00:56:41,190 --> 00:56:39,040  
sort of fooled us

1555  
00:56:42,870 --> 00:56:41,200  
and you look back in history in the

1556  
00:56:45,109 --> 00:56:42,880  
1920s the local head

1557  
00:56:46,230 --> 00:56:45,119  
postmaster collected folklore and

1558  
00:56:47,829 --> 00:56:46,240  
legends of the area

1559  
00:56:48,870 --> 00:56:47,839  
and strange stories about ghosts and

1560  
00:56:49,990 --> 00:56:48,880  
poltergeists and so on because they

1561  
00:56:51,270 --> 00:56:50,000  
didn't know about ufos then

1562  
00:56:53,430 --> 00:56:51,280  
because they're a modern technology

1563  
00:56:56,390 --> 00:56:53,440

thing youtubers probably are the ghosts

1564

00:56:58,630 --> 00:56:56,400

of modern technology

1565

00:56:59,829 --> 00:56:58,640

well yes i think there is something but

1566

00:57:02,710 --> 00:56:59,839

what i don't know

1567

00:57:03,990 --> 00:57:02,720

do you remember the ufos in space yes

1568

00:57:06,150 --> 00:57:04,000

did you believe in it

1569

00:57:07,750 --> 00:57:06,160

um well i think there might be something

1570

00:57:10,870 --> 00:57:07,760

funny about this guy i

1571

00:57:13,750 --> 00:57:10,880

think there's so much in there

1572

00:57:15,670 --> 00:57:13,760

that you can't really tell you sound as

1573

00:57:17,430 --> 00:57:15,680

if you might just believe in them

1574

00:57:19,670 --> 00:57:17,440

well i don't know there might be

1575

00:57:22,710 --> 00:57:19,680

something in but i never found anything

1576

00:57:24,549 --> 00:57:22,720

not myself personally so you don't

1577

00:57:27,589 --> 00:57:24,559

really think they came from outer space

1578

00:57:28,470 --> 00:57:27,599

oh no no not yet i think they might

1579

00:57:31,430 --> 00:57:28,480

later on but

1580

00:57:32,230 --> 00:57:31,440

not yet are they going to come back one

1581

00:57:34,390 --> 00:57:32,240

day

1582

00:57:35,990 --> 00:57:34,400

well history shows but possibly that

1583

00:57:37,589 --> 00:57:36,000

they did come back in the

1584

00:57:39,589 --> 00:57:37,599

in the 60s because as i said in the

1585

00:57:40,710 --> 00:57:39,599

1920s there was strange phenomenon

1586

00:57:42,710 --> 00:57:40,720

and in a book called the history of

1587

00:57:43,990 --> 00:57:42,720

mormons to written 115 years ago there's

1588

00:57:44,470 --> 00:57:44,000

a whole chapter about phenomena in the

1589

00:57:46,549 --> 00:57:44,480

town

1590

00:57:48,470 --> 00:57:46,559

so it may well be a recurring thing it's

1591

00:57:49,990 --> 00:57:48,480

just that it happened in a time when we

1592

00:57:52,309 --> 00:57:50,000

were into spaceships

1593

00:57:55,030 --> 00:57:52,319

um traveling to the moon and so on that

1594

00:57:57,270 --> 00:57:55,040

we've used this ufo

1595

00:57:58,710 --> 00:57:57,280

label we've termed it the spaceships

1596

00:57:59,990 --> 00:57:58,720

because we're living in the space age

1597

00:58:02,230 --> 00:58:00,000

it's probably possibly a phenomenon

1598

00:58:02,950 --> 00:58:02,240

that's part of this town and always has

1599

00:58:05,750 --> 00:58:02,960

been

1600

00:58:06,630 --> 00:58:05,760

that reoccurs and depending on the time

1601  
00:58:08,150 --> 00:58:06,640  
scale

1602  
00:58:10,230 --> 00:58:08,160  
like once it was called angels and

1603  
00:58:12,710 --> 00:58:10,240  
demons and things falling out of the sky

1604  
00:58:13,750 --> 00:58:12,720  
and now we turn them as um as flying

1605  
00:58:15,190 --> 00:58:13,760  
saucers

1606  
00:58:17,109 --> 00:58:15,200  
it must have been about eight years or

1607  
00:58:20,230 --> 00:58:17,119  
more probably more

1608  
00:58:21,109 --> 00:58:20,240  
we're going towards uh westby to pick my

1609  
00:58:22,870 --> 00:58:21,119  
son up

1610  
00:58:24,870 --> 00:58:22,880  
from woman still put my son coming on a

1611  
00:58:27,589 --> 00:58:24,880  
train i had my other son with me

1612  
00:58:29,670 --> 00:58:27,599  
and it was pelting down with rain and we

1613  
00:58:33,510 --> 00:58:29,680

saw this thing coming across the sky

1614

00:58:35,190 --> 00:58:33,520

like a cigar that had been reported and

1615

00:58:36,789 --> 00:58:35,200

we didn't believe anything probably till

1616

00:58:39,510 --> 00:58:36,799

the next day and

1617

00:58:40,950 --> 00:58:39,520

uh it was reported in the press that

1618

00:58:44,950 --> 00:58:40,960

something was sighted

1619

00:58:46,710 --> 00:58:44,960

on the way from um bradford on 8th

1620

00:58:48,630 --> 00:58:46,720

towards broome and this was right in the

1621

00:58:50,150 --> 00:58:48,640

flight so i mean what could you

1622

00:58:51,750 --> 00:58:50,160

think of it whether it was just a cost

1623

00:58:53,670 --> 00:58:51,760

of living going up quicker than

1624

00:58:55,510 --> 00:58:53,680

something you know there's nothing we

1625

00:58:57,349 --> 00:58:55,520

could decide on but

1626

00:58:59,190 --> 00:58:57,359

people really do believe there is

1627

00:59:02,230 --> 00:58:59,200

something

1628

00:59:04,309 --> 00:59:02,240

we have sent voyages into space

1629

00:59:06,789 --> 00:59:04,319

why can't other baby people be sending

1630

00:59:08,710 --> 00:59:06,799

them to us no on that basis

1631

00:59:10,950 --> 00:59:08,720

uh i think they could very well be

1632

00:59:12,309 --> 00:59:10,960

something i'm not personally convinced

1633

00:59:15,270 --> 00:59:12,319

but there we are

1634

00:59:17,990 --> 00:59:15,280

they were skeptical when uh certain

1635

00:59:22,230 --> 00:59:18,000

people postulated that this earth planet

1636

00:59:24,549 --> 00:59:22,240

was round they were proved wrong

1637

00:59:26,710 --> 00:59:24,559

the evidence shows the weight of

1638

00:59:28,230 --> 00:59:26,720

evidence the thousand files of it

1639

00:59:30,710 --> 00:59:28,240

but something definitely strange

1640

00:59:32,789 --> 00:59:30,720

happened in this town a few people

1641

00:59:34,230 --> 00:59:32,799

just really have come to me or

1642

00:59:38,150 --> 00:59:34,240

approached me

1643

00:59:41,670 --> 00:59:38,160

but not in any sense of worry i have had

1644

00:59:43,109 --> 00:59:41,680

one man who came to ask me what i

1645

00:59:46,150 --> 00:59:43,119

thought of the thing

1646

00:59:47,430 --> 00:59:46,160

theologically my answer to him was that

1647

00:59:50,309 --> 00:59:47,440

whether or not

1648

00:59:52,549 --> 00:59:50,319

the thing was a real thing it did not

1649

00:59:56,870 --> 00:59:52,559

seem to me to be relevant

1650

00:59:58,230 --> 00:59:56,880

to to the end of the judgment

1651

01:00:00,710 --> 00:59:58,240

nor that it had any religious

1652

01:00:02,549 --> 01:00:00,720

significance did you feel inclined to

1653

01:00:04,630 --> 01:00:02,559

pooh-pooh what he was saying or did you

1654

01:00:06,150 --> 01:00:04,640

take it dead seriously

1655

01:00:08,309 --> 01:00:06,160

i took it seriously in the sense that he

1656

01:00:11,349 --> 01:00:08,319

himself was dead serious

1657

01:00:13,750 --> 01:00:11,359

and uh to that extent i i had respect

1658

01:00:17,589 --> 01:00:13,760

for what he said

1659

01:00:20,630 --> 01:00:17,599

but this attitude is one which

1660

01:00:24,069 --> 01:00:20,640

i find personally very difficult to

1661

01:00:25,270 --> 01:00:24,079

cotton on to because i don't think that

1662

01:00:27,510 --> 01:00:25,280

speaking theologically

1663

01:00:29,750 --> 01:00:27,520

the then god works in these ways

1664

01:00:31,670 --> 01:00:29,760

whenever i come to warminster now

1665

01:00:33,270 --> 01:00:31,680

i'm always reminded of an american

1666

01:00:35,430 --> 01:00:33,280

television film about

1667

01:00:37,990 --> 01:00:35,440

a little town in the states where the

1668

01:00:40,950 --> 01:00:38,000

people were perfectly normal by day

1669

01:00:42,069 --> 01:00:40,960

but come the night they became zombies

1670

01:00:45,510 --> 01:00:42,079

taken over by

1671

01:00:47,109 --> 01:00:45,520

aliens from outer space well warminster

1672

01:00:49,510 --> 01:00:47,119

folks certainly look as if they're

1673

01:00:52,069 --> 01:00:49,520

controlling their own lives

1674

01:00:53,829 --> 01:00:52,079

ufos take the very colored shapes of

1675

01:00:56,470 --> 01:00:53,839

glowing spheres

1676  
01:00:58,390 --> 01:00:56,480  
luminous pear drops ovular jewels that

1677  
01:01:00,870 --> 01:00:58,400  
range from blood red rubies

1678  
01:01:02,549 --> 01:01:00,880  
to winking diamonds of flashing lights

1679  
01:01:05,349 --> 01:01:02,559  
from lustrous daytime

1680  
01:01:07,990 --> 01:01:05,359  
pearls of shimmering surface to fiery

1681  
01:01:11,349 --> 01:01:08,000  
emeralds separate the nocturnal heavens

1682  
01:01:13,910 --> 01:01:11,359  
with fluorescent brilliance wow

1683  
01:01:15,270 --> 01:01:13,920  
but people were seeing or hearing

1684  
01:01:17,510 --> 01:01:15,280  
strange things

1685  
01:01:18,870 --> 01:01:17,520  
i just suddenly said um there's a light

1686  
01:01:20,069 --> 01:01:18,880  
up in the sky

1687  
01:01:22,630 --> 01:01:20,079  
he rushed out to get his little

1688  
01:01:25,349 --> 01:01:22,640

telescope so we all had a glance and

1689

01:01:29,030 --> 01:01:25,359

sure enough there was a shining object

1690

01:01:32,390 --> 01:01:29,040

well having investigated this phenomenon

1691

01:01:35,430 --> 01:01:32,400

for the past three or four years my

1692

01:01:38,230 --> 01:01:35,440

principal conclusion is that

1693

01:01:39,990 --> 01:01:38,240

it is due to an object coming into our

1694

01:01:42,390 --> 01:01:40,000

atmosphere from outer space it would

1695

01:01:42,950 --> 01:01:42,400

like a cigar like a big cigar just going

1696

01:01:46,710 --> 01:01:42,960

up

1697

01:01:50,230 --> 01:01:48,630

well i got two daughters i swear on

1698

01:01:52,870 --> 01:01:50,240

their on their lives

1699

01:01:53,670 --> 01:01:52,880

it would seem that e.t or whoever else

1700

01:01:56,150 --> 01:01:53,680

was involved

1701  
01:01:57,510 --> 01:01:56,160  
has gone home there are those who are

1702  
01:01:59,670 --> 01:01:57,520  
convinced it was the military

1703  
01:02:02,150 --> 01:01:59,680  
testing devices on salisbury playing

1704  
01:02:03,510 --> 01:02:02,160  
just a hand grenade's throw from cradle

1705  
01:02:06,150 --> 01:02:03,520  
hill

1706  
01:02:07,349 --> 01:02:06,160  
this is how one writer described the

1707  
01:02:08,870 --> 01:02:07,359  
ufos

1708  
01:02:10,549 --> 01:02:08,880  
seen through a telescope at night a

1709  
01:02:13,510 --> 01:02:10,559  
hovering spacecraft is

1710  
01:02:14,390 --> 01:02:13,520  
a glorious firefly of radiating color

1711  
01:02:16,870 --> 01:02:14,400  
changes

1712  
01:02:18,870 --> 01:02:16,880  
pulsating from center to outward edges

1713  
01:02:22,069 --> 01:02:18,880

in a continuous stream of patterns

1714

01:02:24,710 --> 01:02:22,079

white amber green and red

1715

01:02:25,910 --> 01:02:24,720

well cynics like me might say just like

1716

01:02:28,950 --> 01:02:25,920

the flashing lights

1717

01:02:32,829 --> 01:02:28,960

of a military helicopter oh well

1718

01:02:34,080 --> 01:02:32,839

all part of warminster's history or is

1719

01:02:39,510 --> 01:02:34,090

it

1720

01:02:41,910 --> 01:02:39,520

[Music]

1721

01:02:43,109 --> 01:02:41,920

mr mrs payne saw the thing late one

1722

01:02:45,349 --> 01:02:43,119

night when they were returning to

1723

01:02:47,910 --> 01:02:45,359

warminster on mr payne's motorbike

1724

01:02:48,549 --> 01:02:47,920

just before they were married well we

1725

01:02:51,430 --> 01:02:48,559

saw these

1726

01:02:53,750 --> 01:02:51,440

massive sort of discs appear from a

1727

01:02:57,109 --> 01:02:53,760

clamp of trees

1728

01:02:57,910 --> 01:02:57,119

and i said to my he was my boyfriend

1729

01:03:01,190 --> 01:02:57,920

then

1730

01:03:02,710 --> 01:03:01,200

good heavens what on earth is that and

1731

01:03:05,510 --> 01:03:02,720

of course the bike had broken down you

1732

01:03:07,270 --> 01:03:05,520

say and he's arriving no idea

1733

01:03:09,430 --> 01:03:07,280

so we stood there looking at it you know

1734

01:03:12,150 --> 01:03:09,440

bigger and bigger and came towards us

1735

01:03:14,309 --> 01:03:12,160

which absolutely just struck down we

1736

01:03:16,630 --> 01:03:14,319

didn't know what it was

1737

01:03:19,190 --> 01:03:16,640

a few miles outside warminster is the

1738

01:03:21,270 --> 01:03:19,200

elizabethan mansion of longleat

1739

01:03:23,430 --> 01:03:21,280

nigel minge the son of lord wayne as

1740

01:03:24,470 --> 01:03:23,440

butler describes the thing as it came

1741

01:03:27,589 --> 01:03:24,480

his way

1742

01:03:29,589 --> 01:03:27,599

well i was out one night and

1743

01:03:30,950 --> 01:03:29,599

a friend who i know who lives just

1744

01:03:33,109 --> 01:03:30,960

across the road

1745

01:03:35,829 --> 01:03:33,119

he said he'd seen it i didn't believe

1746

01:03:37,510 --> 01:03:35,839

him but uh he told me to come out so i

1747

01:03:39,430 --> 01:03:37,520

went out with him and we walked around

1748

01:03:41,589 --> 01:03:39,440

for about half an hour

1749

01:03:43,349 --> 01:03:41,599

and then we were sort of looking around

1750

01:03:45,430 --> 01:03:43,359

the sky the whole time

1751

01:03:46,950 --> 01:03:45,440

hoping to see it we were just on the

1752

01:03:49,029 --> 01:03:46,960

verge of coming in

1753

01:03:50,789 --> 01:03:49,039

when we saw it and it went right across

1754

01:03:53,190 --> 01:03:50,799

the horizon

1755

01:03:54,710 --> 01:03:53,200

yes where did it go exactly well if i

1756

01:03:57,670 --> 01:03:54,720

can show you just out here

1757

01:03:59,109 --> 01:03:57,680

it appeared from behind this tree i went

1758

01:04:00,390 --> 01:03:59,119

right over the sky and disappeared just

1759

01:04:01,670 --> 01:04:00,400

before it got to that tree

1760

01:04:03,430 --> 01:04:01,680

and what did you feel like when you saw

1761

01:04:05,349 --> 01:04:03,440

it well i was surprised not

1762

01:04:08,549 --> 01:04:05,359

shocked but i always had an open mind

1763

01:04:10,069 --> 01:04:08,559

about it but now i believe in it

1764

01:04:11,990 --> 01:04:10,079

how many other war means to people

1765

01:04:13,829 --> 01:04:12,000

believe in it or perhaps we ought to

1766

01:04:15,589 --> 01:04:13,839

say how many warmings to people are

1767

01:04:16,150 --> 01:04:15,599

willing to confess that they believe in

1768

01:04:18,069 --> 01:04:16,160

it

1769

01:04:19,990 --> 01:04:18,079

so far as we can judge there seem to be

1770

01:04:21,829 --> 01:04:20,000

believers disbelievers

1771

01:04:23,270 --> 01:04:21,839

and don't knows in about equal

1772

01:04:24,950 --> 01:04:23,280

proportions

1773

01:04:27,270 --> 01:04:24,960

and quite a number of people in each

1774

01:04:29,029 --> 01:04:27,280

category appear to be more than a little

1775

01:04:31,029 --> 01:04:29,039

worried about the whole business

1776

01:04:32,950 --> 01:04:31,039

the story ricocheted round the world for

1777

01:04:35,430 --> 01:04:32,960

example after the um

1778

01:04:37,510 --> 01:04:35,440

first big sighting of the aerial cigar

1779

01:04:39,190 --> 01:04:37,520

which was to the south there

1780

01:04:41,430 --> 01:04:39,200

and that was by the vicar and his family

1781

01:04:42,309 --> 01:04:41,440

of hate spree 17 young people at

1782

01:04:44,710 --> 01:04:42,319

warminster

1783

01:04:46,470 --> 01:04:44,720

the hospital physiotherapist miss long

1784

01:04:48,870 --> 01:04:46,480

the horlocks who described

1785

01:04:49,910 --> 01:04:48,880

two flaming red pokers which is rather

1786

01:04:51,829 --> 01:04:49,920

graphic of course

1787

01:04:53,029 --> 01:04:51,839

but i could see what they meant having

1788

01:04:55,109 --> 01:04:53,039

seen the thing myself

1789

01:04:57,270 --> 01:04:55,119

now i think i can see what they meant by

1790

01:05:00,549 --> 01:04:57,280

that description now would you tell us

1791

01:05:02,549 --> 01:05:00,559

exactly what you did see well i saw

1792

01:05:03,589 --> 01:05:02,559

this will always be indelible on my mind

1793

01:05:07,029 --> 01:05:03,599

because um

1794

01:05:08,069 --> 01:05:07,039

it was 3 42 p.m on the last tuesday that

1795

01:05:10,870 --> 01:05:08,079

september the 28th

1796

01:05:12,069 --> 01:05:10,880

last tuesday in september and i was

1797

01:05:14,950 --> 01:05:12,079

going upstairs

1798

01:05:16,390 --> 01:05:14,960

we live in rather high up flat over

1799

01:05:18,150 --> 01:05:16,400

monumental masons

1800

01:05:19,510 --> 01:05:18,160

they call us death row incidentally

1801  
01:05:21,349 --> 01:05:19,520  
because we have the hospital

1802  
01:05:23,430 --> 01:05:21,359  
doctors undertaker and then we're the

1803  
01:05:25,910 --> 01:05:23,440  
monumental masons next door

1804  
01:05:27,750 --> 01:05:25,920  
but apart from that macabre observation

1805  
01:05:28,710 --> 01:05:27,760  
um i went upstairs and i was completing

1806  
01:05:30,789 --> 01:05:28,720  
a story

1807  
01:05:31,750 --> 01:05:30,799  
for a magazine which is coming out in

1808  
01:05:34,630 --> 01:05:31,760  
april on

1809  
01:05:37,349 --> 01:05:34,640  
a woman lion tamer who can also tame all

1810  
01:05:39,670 --> 01:05:37,359  
sorts of jungle cats in the same cage

1811  
01:05:41,750 --> 01:05:39,680  
mary chipperfield you probably had her

1812  
01:05:43,109 --> 01:05:41,760  
and i went up for my notes but my

1813  
01:05:47,109 --> 01:05:43,119

attention was arrested

1814

01:05:48,950 --> 01:05:47,119

by this huge cigar shape in the sky

1815

01:05:50,870 --> 01:05:48,960

now had i normally been walking

1816

01:05:52,630 --> 01:05:50,880

underneath that i'm sure it would have

1817

01:05:56,069 --> 01:05:52,640

assumed the proportions of nothing

1818

01:05:57,670 --> 01:05:56,079

but a dense white cloud but from the

1819

01:05:58,710 --> 01:05:57,680

angle of vision that i had from the top

1820

01:06:02,230 --> 01:05:58,720

of our house

1821

01:06:02,950 --> 01:06:02,240

i could see a peculiar hump a yellow or

1822

01:06:05,670 --> 01:06:02,960

an amber

1823

01:06:07,349 --> 01:06:05,680

burnished protrusion from the top and

1824

01:06:08,230 --> 01:06:07,359

i'd never seen anything like this in all

1825

01:06:10,470 --> 01:06:08,240

my life

1826

01:06:11,589 --> 01:06:10,480

and it was nine months after the this

1827

01:06:13,430 --> 01:06:11,599

thing started

1828

01:06:15,109 --> 01:06:13,440

and i i honestly don't think i've been

1829

01:06:16,549 --> 01:06:15,119

conditioned to all that extent

1830

01:06:18,470 --> 01:06:16,559

although i've lived in the center or the

1831

01:06:21,109 --> 01:06:18,480

vortex of this mystery

1832

01:06:22,549 --> 01:06:21,119

let's face it it's a mystery but i

1833

01:06:24,950 --> 01:06:22,559

wasn't convinced

1834

01:06:26,150 --> 01:06:24,960

even uh in spite of the the high caliber

1835

01:06:27,190 --> 01:06:26,160

of witnesses i wasn't convinced that

1836

01:06:30,150 --> 01:06:27,200

this thing existed

1837

01:06:31,589 --> 01:06:30,160

but i saw this with my own eyes i dashed

1838

01:06:33,589 --> 01:06:31,599

straight away for a camera

1839

01:06:35,510 --> 01:06:33,599

i got the camera lined up and the

1840

01:06:38,549 --> 01:06:35,520

setting was was about eight it's a

1841

01:06:40,870 --> 01:06:38,559

beautiful clear afternoon

1842

01:06:41,589 --> 01:06:40,880

out of the window this thing came along

1843

01:06:45,190 --> 01:06:41,599

over

1844

01:06:48,710 --> 01:06:45,200

west to southeast

1845

01:06:51,270 --> 01:06:48,720

gliding along a gentle giant in the sky

1846

01:06:51,990 --> 01:06:51,280

um i trained my camera on it and i felt

1847

01:06:54,710 --> 01:06:52,000

the camera

1848

01:06:55,349 --> 01:06:54,720

jumping about in my hands that was the

1849

01:06:58,710 --> 01:06:55,359

first

1850

01:07:01,270 --> 01:06:58,720

unusual aspect it didn't frighten me

1851  
01:07:01,990 --> 01:07:01,280  
but i felt like sharp prickling knee

1852  
01:07:04,789 --> 01:07:02,000  
needles

1853  
01:07:06,390 --> 01:07:04,799  
down that side of the hand the wrist

1854  
01:07:08,230 --> 01:07:06,400  
that side of the face

1855  
01:07:09,750 --> 01:07:08,240  
and my eye watered for two months

1856  
01:07:12,789 --> 01:07:09,760  
afterwards on that side

1857  
01:07:14,710 --> 01:07:12,799  
that was the exposed side to this thing

1858  
01:07:17,270 --> 01:07:14,720  
now that proved to me that whatever was

1859  
01:07:20,230 --> 01:07:17,280  
on board or whoever was on board

1860  
01:07:21,190 --> 01:07:20,240  
could see me could see this apparatus of

1861  
01:07:23,910 --> 01:07:21,200  
mine

1862  
01:07:26,549 --> 01:07:23,920  
it it threw out some concentrated force

1863  
01:07:29,029 --> 01:07:26,559

field i'm quite serious about this

1864

01:07:29,670 --> 01:07:29,039

which deliberately was a deliberate

1865

01:07:32,309 --> 01:07:29,680

intent of

1866

01:07:33,430 --> 01:07:32,319

gumming up the camera and of course they

1867

01:07:36,230 --> 01:07:33,440

succeeded because

1868

01:07:38,789 --> 01:07:36,240

nothing developed from 25 feet of film

1869

01:07:40,630 --> 01:07:38,799

except an 8 feet portion

1870

01:07:43,029 --> 01:07:40,640

burnt right through that's all i had on

1871

01:07:45,270 --> 01:07:43,039

my camera if they're trying to make

1872

01:07:47,190 --> 01:07:45,280

a major impact one would think they

1873

01:07:48,549 --> 01:07:47,200

wanted all the possible publicity why

1874

01:07:49,910 --> 01:07:48,559

should they want then to gum up the

1875

01:07:52,470 --> 01:07:49,920

camera

1876

01:07:53,029 --> 01:07:52,480

well i think uh the reason that struck

1877

01:07:56,549 --> 01:07:53,039

me

1878

01:07:57,990 --> 01:07:56,559

stopped i didn't didn't notice that

1879

01:08:00,549 --> 01:07:58,000

until afterwards

1880

01:08:01,910 --> 01:08:00,559

um i think that i don't think that

1881

01:08:02,950 --> 01:08:01,920

they're so worried perhaps about

1882

01:08:05,670 --> 01:08:02,960

photography

1883

01:08:06,870 --> 01:08:05,680

but if they're thousands of years

1884

01:08:09,750 --> 01:08:06,880

advanced

1885

01:08:11,589 --> 01:08:09,760

from you know over us and they've

1886

01:08:14,789 --> 01:08:11,599

learned perhaps thousands of years ago

1887

01:08:17,030 --> 01:08:14,799

to outlaw war and you notice that the

1888

01:08:18,309 --> 01:08:17,040

heaviest sightings of these people on

1889

01:08:21,349 --> 01:08:18,319

this earth are just

1890

01:08:22,870 --> 01:08:21,359

preceding a world war or some nuclear

1891

01:08:25,990 --> 01:08:22,880

experimentation

1892

01:08:28,709 --> 01:08:26,000

some danger threshold shall we say

1893

01:08:29,590 --> 01:08:28,719

uh if that's the case and they saw the

1894

01:08:31,829 --> 01:08:29,600

camera there

1895

01:08:33,030 --> 01:08:31,839

was to prevent them being at no more

1896

01:08:35,829 --> 01:08:33,040

than half a mile up

1897

01:08:36,630 --> 01:08:35,839

at that time i'm sure thinking

1898

01:08:38,470 --> 01:08:36,640

automatically

1899

01:08:40,070 --> 01:08:38,480

here's one of those crazy earth men and

1900

01:08:43,030 --> 01:08:40,080

he's got a gun on us

1901

01:08:43,510 --> 01:08:43,040

i think that that's it's a fear uh that

1902

01:08:45,590 --> 01:08:43,520

they

1903

01:08:46,789 --> 01:08:45,600

have that i might have opened up on them

1904

01:08:49,510 --> 01:08:46,799

you know with a machine gun

1905

01:08:50,229 --> 01:08:49,520

for all they knew i think that uh that's

1906

01:08:52,550 --> 01:08:50,239

why they

1907

01:08:54,309 --> 01:08:52,560

dumbed up there's no shortage of people

1908

01:08:57,030 --> 01:08:54,319

who've seen peculiar sights

1909

01:08:58,950 --> 01:08:57,040

and heard peculiar signs mrs heads got

1910

01:09:01,749 --> 01:08:58,960

the most vivid recollections

1911

01:09:02,229 --> 01:09:01,759

i was broke up really enemy swat sleep i

1912

01:09:04,829 --> 01:09:02,239

had

1913

01:09:06,550 --> 01:09:04,839

by this noise first of all it was like

1914

01:09:09,669 --> 01:09:06,560

hail

1915

01:09:11,990 --> 01:09:09,679

and then it got nearer onto the roof

1916

01:09:14,070 --> 01:09:12,000

and it was like a lot of cats scratching

1917

01:09:15,510 --> 01:09:14,080

or like an aerial scratching a bench you

1918

01:09:18,149 --> 01:09:15,520

know up there

1919

01:09:20,390 --> 01:09:18,159

and then i thought we said well on earth

1920

01:09:23,189 --> 01:09:20,400

is that

1921

01:09:24,550 --> 01:09:23,199

i got i i left in bed for quite a while

1922

01:09:27,590 --> 01:09:24,560

and i got quite hot

1923

01:09:29,110 --> 01:09:27,600

i got panicky you know so i did venture

1924

01:09:31,269 --> 01:09:29,120

and i paid a bed

1925

01:09:32,309 --> 01:09:31,279

and i looked over the window and there

1926

01:09:34,550 --> 01:09:32,319

wasn't a drop of

1927

01:09:36,550 --> 01:09:34,560

rain it was all dry everything was as

1928

01:09:39,349 --> 01:09:36,560

dry as a bone

1929

01:09:41,110 --> 01:09:39,359

but after that went over i heard a

1930

01:09:44,229 --> 01:09:41,120

whimpering noise

1931

01:09:45,269 --> 01:09:44,239

and like someone going that was a noise

1932

01:09:48,070 --> 01:09:45,279

it was

1933

01:09:49,669 --> 01:09:48,080

and i thought whatever is it and i sat

1934

01:09:51,110 --> 01:09:49,679

on the side of the bed and pushed jeans

1935

01:09:51,990 --> 01:09:51,120

in with me and she said whatever it's

1936

01:09:53,669 --> 01:09:52,000

not even you

1937

01:09:55,430 --> 01:09:53,679

i said do you hear that noise she said

1938

01:09:56,790 --> 01:09:55,440

no nothing don't wake me up she went to

1939

01:09:58,790 --> 01:09:56,800

sleep again

1940

01:10:01,030 --> 01:09:58,800

so the dog downstairs she didn't bark

1941

01:10:04,130 --> 01:10:01,040

but she was making that roughing noise

1942

01:10:05,270 --> 01:10:04,140

you know looks like they do and

1943

01:10:08,070 --> 01:10:05,280

[Music]

1944

01:10:09,110 --> 01:10:08,080

afterwards when i turned over on my side

1945

01:10:12,070 --> 01:10:09,120

and i got into bed

1946

01:10:14,470 --> 01:10:12,080

it looked as though there was a light

1947

01:10:15,750 --> 01:10:14,480

like the cloud going over a moon

1948

01:10:18,149 --> 01:10:15,760

i don't know whether anything passed

1949

01:10:19,350 --> 01:10:18,159

over then but there is no planes nothing

1950

01:10:21,030 --> 01:10:19,360

at all in sight

1951

01:10:22,709 --> 01:10:21,040

i pull the blankets up over my head and

1952

01:10:24,630 --> 01:10:22,719

think damn the army i wish they'd shut

1953

01:10:27,430 --> 01:10:24,640

up and go to sleep

1954

01:10:29,030 --> 01:10:27,440

in bed or out miss anderson has both

1955

01:10:31,110 --> 01:10:29,040

feet right on the ground

1956

01:10:33,669 --> 01:10:31,120

she's no intention of being taken in by

1957

01:10:35,750 --> 01:10:33,679

any talk of visitors from other planets

1958

01:10:37,350 --> 01:10:35,760

last summer i got up one morning looked

1959

01:10:40,709 --> 01:10:37,360

out of my bedroom window

1960

01:10:43,189 --> 01:10:40,719

and we had got army in green camouflage

1961

01:10:45,270 --> 01:10:43,199

jackets with

1962

01:10:47,990 --> 01:10:45,280

leaves in their steel helmets romping

1963

01:10:50,149 --> 01:10:48,000

around the the estate yard and the

1964

01:10:51,990 --> 01:10:50,159

woody beds beyond you could call those

1965

01:10:54,550 --> 01:10:52,000

little green men i suppose

1966

01:10:56,630 --> 01:10:54,560

now what do you think about this uh

1967

01:11:00,390 --> 01:10:56,640

general mystique that's developed about

1968

01:11:04,229 --> 01:11:03,189

um i think it's a pity that so many

1969

01:11:06,709 --> 01:11:04,239

people

1970

01:11:08,310 --> 01:11:06,719

are ready to make categorical statements

1971

01:11:10,790 --> 01:11:08,320

about a thing that nobody has bothered

1972

01:11:13,910 --> 01:11:10,800

to investigate

1973

01:11:18,630 --> 01:11:13,920

as far as i have been able to discover

1974

01:11:21,910 --> 01:11:18,640

there has been no coordinated

1975

01:11:27,430 --> 01:11:21,920

observation no scientific

1976

01:11:29,910 --> 01:11:27,440

inquiry as to what's happening

1977

01:11:31,110 --> 01:11:29,920

various individuals have seen various

1978

01:11:34,709 --> 01:11:31,120

things

1979

01:11:39,750 --> 01:11:34,719

and have immediately drawn their own

1980

01:11:42,790 --> 01:11:41,350

well if there's anything going on in

1981

01:11:43,830 --> 01:11:42,800

brackets kind of thing i'd like to know

1982

01:11:45,350 --> 01:11:43,840

what it is

1983

01:11:47,990 --> 01:11:45,360

if there's any nice little men about

1984

01:11:49,510 --> 01:11:48,000

spares from venus mars anywhere

1985

01:11:51,830 --> 01:11:49,520

have them come here by all means i mean

1986

01:11:53,270 --> 01:11:51,840

we'd like to know them

1987

01:11:55,669 --> 01:11:53,280

and if it's giving people something to

1988

01:11:58,070 --> 01:11:55,679

talk about we'll bring trade to the town

1989

01:11:59,350 --> 01:11:58,080

fair enough go on with the whole thing

1990

01:12:00,790 --> 01:11:59,360

so we continue to watch it for one and

1991

01:12:01,830 --> 01:12:00,800

then it started this very erratic

1992

01:12:03,590 --> 01:12:01,840

movement again

1993

01:12:06,149 --> 01:12:03,600

so i said is it the star and he said no

1994

01:12:08,149 --> 01:12:06,159

it isn't and then he believed

1995

01:12:09,270 --> 01:12:08,159

as well as me that there was definitely

1996

01:12:11,830 --> 01:12:09,280

something around

1997

01:12:13,270 --> 01:12:11,840

i believe in it because uh whereas those

1998

01:12:14,070 --> 01:12:13,280

who haven't seen and don't believe it

1999

01:12:16,709 --> 01:12:14,080

those who have

2000

01:12:17,430 --> 01:12:16,719

seen it must believe in it uh it's as

2001

01:12:19,830 --> 01:12:17,440

simple as that

2002

01:12:21,110 --> 01:12:19,840

those who see believe those who don't

2003

01:12:23,669 --> 01:12:21,120

see scoff

2004

01:12:25,189 --> 01:12:23,679

i don't believe them i just don't

2005

01:12:28,470 --> 01:12:25,199

believe in it at all i think this

2006

01:12:29,510 --> 01:12:28,480

is a it's something that's um it's not

2007

01:12:31,510 --> 01:12:29,520

proved

2008

01:12:33,430 --> 01:12:31,520

i just don't believe they exist until

2009

01:12:36,070 --> 01:12:33,440

they are actually proven

2010

01:12:38,390 --> 01:12:36,080

as a thing you know i mean they can show

2011

01:12:40,870 --> 01:12:38,400

photos but i think there's something

2012

01:12:42,550 --> 01:12:40,880

to explain it all but this is the fact i

2013

01:12:44,709 --> 01:12:42,560

have seen it

2014

01:12:45,910 --> 01:12:44,719

fact we're coming over the plane one

2015

01:12:48,950 --> 01:12:45,920

night

2016

01:12:50,790 --> 01:12:48,960

uh we're traveling rather fast they're

2017

01:12:53,110 --> 01:12:50,800

just overtaken so my wife said

2018

01:12:54,630 --> 01:12:53,120

stop stop well it appeared to be round

2019

01:12:56,630 --> 01:12:54,640

to me

2020

01:12:57,910 --> 01:12:56,640

but my husband was driving rather fast

2021

01:12:58,630 --> 01:12:57,920

and he wouldn't stop to have a look at

2022

01:13:00,310 --> 01:12:58,640

his egg

2023

01:13:01,830 --> 01:13:00,320

and then when we got home she explained

2024

01:13:03,430 --> 01:13:01,840

to me this is the thing she had seen

2025

01:13:04,870 --> 01:13:03,440

herself before and she wanted me to stop

2026

01:13:06,550 --> 01:13:04,880

save but i myself have

2027

01:13:09,510 --> 01:13:06,560

only seen the movement of it from

2028

01:13:11,590 --> 01:13:09,520

terrific distance terrific speech

2029

01:13:12,950 --> 01:13:11,600

that's all i can tell you and i firmly

2030

01:13:14,630 --> 01:13:12,960

believe in doesn't bother me

2031

01:13:17,030 --> 01:13:14,640

i'm a christian i don't care about ed

2032

01:13:20,149 --> 01:13:17,040

talk have you seen anything else

2033

01:13:21,990 --> 01:13:20,159

since yes i have seen it once

2034

01:13:24,070 --> 01:13:22,000

or i think a few months later as i was

2035

01:13:25,910 --> 01:13:24,080

looking out from my back windows

2036

01:13:27,910 --> 01:13:25,920

it was above the trees and that then it

2037

01:13:30,070 --> 01:13:27,920

was swaying

2038

01:13:31,270 --> 01:13:30,080

did it look the same yes it did it had

2039

01:13:35,030 --> 01:13:31,280

the red light as well

2040

01:13:36,550 --> 01:13:35,040

as the previous one what sort of shape

2041

01:13:41,430 --> 01:13:36,560

did it have

2042

01:13:43,430 --> 01:13:41,440

well it made a round you know

2043

01:13:45,510 --> 01:13:43,440

you can't really describe it just

2044

01:13:48,550 --> 01:13:45,520

between those two bungalows

2045

01:13:51,590 --> 01:13:48,560

over there i saw this thing

2046

01:13:53,910 --> 01:13:51,600

and it was very bright white

2047

01:13:55,270 --> 01:13:53,920

but it was sort of dome shaped you know

2048

01:13:57,350 --> 01:13:55,280

like a saucer

2049

01:13:58,390 --> 01:13:57,360

mrs atwell a pilot's wife had a most

2050

01:13:59,990 --> 01:13:58,400

moving experience

2051  
01:14:03,510 --> 01:14:00,000  
after which she'll never feel quite the

2052  
01:14:06,149 --> 01:14:03,520  
same again the noise woke me

2053  
01:14:07,270 --> 01:14:06,159  
tell me the droning they were like sound

2054  
01:14:09,189 --> 01:14:07,280  
waves

2055  
01:14:11,270 --> 01:14:09,199  
never heard anything like it before

2056  
01:14:14,550 --> 01:14:11,280  
never

2057  
01:14:16,550 --> 01:14:14,560  
loud oh terribly loud

2058  
01:14:19,189 --> 01:14:16,560  
that's why i can't understand why my

2059  
01:14:21,510 --> 01:14:19,199  
neighbors didn't hear it

2060  
01:14:22,950 --> 01:14:21,520  
because i'm not a light sleep i i sleep

2061  
01:14:25,110 --> 01:14:22,960  
soundly

2062  
01:14:27,030 --> 01:14:25,120  
and none of your neighbors heard no even

2063  
01:14:28,709 --> 01:14:27,040

my little boy was fast asleep

2064

01:14:30,229 --> 01:14:28,719

i went in to see him i was too

2065

01:14:32,550 --> 01:14:30,239

frightened really to think

2066

01:14:34,790 --> 01:14:32,560

i shall never forget it it was about

2067

01:14:39,669 --> 01:14:34,800

here in this direction i live over

2068

01:14:47,189 --> 01:14:43,990

500 feet high too very bright very white

2069

01:14:48,630 --> 01:14:47,199

and obviously um metallic i didn't see

2070

01:14:51,270 --> 01:14:48,640

any lights on it

2071

01:14:52,070 --> 01:14:51,280

but it was the noise which frightened me

2072

01:14:55,189 --> 01:14:52,080

it was a

2073

01:14:59,110 --> 01:14:55,199

terrible high-pitched droning

2074

01:15:00,310 --> 01:14:59,120

sound i just

2075

01:15:01,510 --> 01:15:00,320

i just don't know how to describe

2076  
01:15:03,030 --> 01:15:01,520  
because i've never heard anything quite

2077  
01:15:04,390 --> 01:15:03,040  
like it before

2078  
01:15:07,030 --> 01:15:04,400  
john what sort of things have you seen

2079  
01:15:09,510 --> 01:15:07,040  
in the past well since i've been here

2080  
01:15:10,070 --> 01:15:09,520  
since 1969 i've seen a lot of things

2081  
01:15:12,790 --> 01:15:10,080  
from this

2082  
01:15:13,990 --> 01:15:12,800  
area here cradle hill mainly orange

2083  
01:15:15,990 --> 01:15:14,000  
pulsating objects

2084  
01:15:17,430 --> 01:15:16,000  
a couple of years ago when the spasms

2085  
01:15:20,070 --> 01:15:17,440  
started i've seen

2086  
01:15:21,430 --> 01:15:20,080  
things coming over here from the north

2087  
01:15:24,950 --> 01:15:21,440  
here and from the

2088  
01:15:27,350 --> 01:15:24,960

east here quite good objects very low

2089

01:15:29,350 --> 01:15:27,360

pulsating orange globes of light

2090

01:15:31,030 --> 01:15:29,360

definitely not aircraft

2091

01:15:32,390 --> 01:15:31,040

apart from these objects and the white

2092

01:15:34,229 --> 01:15:32,400

pulsators which

2093

01:15:35,750 --> 01:15:34,239

are quite numerous here i have seen a

2094

01:15:37,750 --> 01:15:35,760

landing at star hill

2095

01:15:39,270 --> 01:15:37,760

which consists of three revolving lights

2096

01:15:43,750 --> 01:15:39,280

coming there

2097

01:15:46,950 --> 01:15:43,760

yes on august 27th 1969

2098

01:15:48,870 --> 01:15:46,960

i saw two points of light in south wales

2099

01:15:50,390 --> 01:15:48,880

coming this direction i'm not wholly

2100

01:15:51,750 --> 01:15:50,400

convinced that they were ufos

2101  
01:15:54,149 --> 01:15:51,760  
they were merely points of light but

2102  
01:15:55,910 --> 01:15:54,159  
they zigzagged and they did appear

2103  
01:15:58,790 --> 01:15:55,920  
from maps they appeared to be coming

2104  
01:16:00,550 --> 01:15:58,800  
towards warminster

2105  
01:16:02,070 --> 01:16:00,560  
other people saw rather spectacular

2106  
01:16:04,950 --> 01:16:02,080  
things on this hill

2107  
01:16:07,669 --> 01:16:04,960  
that night they saw two objects they

2108  
01:16:10,709 --> 01:16:07,679  
sought them here

2109  
01:16:13,590 --> 01:16:10,719  
they sought them over there

2110  
01:16:15,590 --> 01:16:13,600  
they sought the things over there they

2111  
01:16:17,750 --> 01:16:15,600  
sought them everywhere around here

2112  
01:16:19,830 --> 01:16:17,760  
some of them thought they even saw them

2113  
01:16:21,350 --> 01:16:19,840

but others had rather different views

2114

01:16:25,750 --> 01:16:21,360

it's the beer around here

2115

01:16:28,870 --> 01:16:25,760

what you mean hallucinations yeah

2116

01:16:31,750 --> 01:16:28,880

i saw a big ball of fire go across

2117

01:16:33,669 --> 01:16:31,760

from the coming from the camp way to the

2118

01:16:37,350 --> 01:16:33,679

walls frome

2119

01:16:37,360 --> 01:16:54,310

air ballooned with the doofus on

2120

01:16:58,630 --> 01:16:56,229

a public meeting chaired by the then

2121

01:17:01,830 --> 01:16:58,640

council leader emeline reese

2122

01:17:03,270 --> 01:17:01,840

pandemonium there were hundreds of

2123

01:17:06,070 --> 01:17:03,280

people there

2124

01:17:08,070 --> 01:17:06,080

it was scheduled to start at half past

2125

01:17:10,149 --> 01:17:08,080

seven

2126  
01:17:11,830 --> 01:17:10,159  
i had a message about quarter to sixing

2127  
01:17:13,430 --> 01:17:11,840  
i ought to do something about it and get

2128  
01:17:15,030 --> 01:17:13,440  
down to the town hall because people

2129  
01:17:17,590 --> 01:17:15,040  
couldn't get in

2130  
01:17:18,950 --> 01:17:17,600  
and i had great difficulty myself about

2131  
01:17:21,990 --> 01:17:18,960  
quarter past seven

2132  
01:17:25,270 --> 01:17:22,000  
to get into the meeting it was going in

2133  
01:17:28,550 --> 01:17:25,280  
very well in full swing and the

2134  
01:17:32,470 --> 01:17:28,560  
post office brought in this telegram

2135  
01:17:34,149 --> 01:17:32,480  
investigations completed invasion fears

2136  
01:17:37,910 --> 01:17:34,159  
unjustified

2137  
01:17:40,790 --> 01:17:37,920  
carry on emilyn signed doctor who

2138  
01:17:41,510 --> 01:17:40,800

of course this was quite a relief at

2139

01:17:43,270 --> 01:17:41,520

that time

2140

01:17:44,870 --> 01:17:43,280

and of course everybody burst into fits

2141

01:17:48,070 --> 01:17:44,880

of laughter

2142

01:17:51,110 --> 01:17:48,080

i had innumerable about letters

2143

01:17:53,669 --> 01:17:51,120

um a lot from the united kingdom

2144

01:17:55,669 --> 01:17:53,679

but a vast number from america and quite

2145

01:17:58,390 --> 01:17:55,679

sensible letters

2146

01:17:59,750 --> 01:17:58,400

and i replied to them all and i've had

2147

01:18:01,350 --> 01:17:59,760

quite a lot of correspondence in the

2148

01:18:04,310 --> 01:18:01,360

intermediate years

2149

01:18:06,149 --> 01:18:04,320

i've had nothing in the last five or six

2150

01:18:08,470 --> 01:18:06,159

it's died it's natural death

2151  
01:18:09,669 --> 01:18:08,480  
warming society did spawn the british

2152  
01:18:12,630 --> 01:18:09,679  
ufo society

2153  
01:18:13,669 --> 01:18:12,640  
tenaciously scanning the heavens today

2154  
01:18:16,470 --> 01:18:13,679  
back in town

2155  
01:18:16,950 --> 01:18:16,480  
traffic still flows earthly mortals

2156  
01:18:19,510 --> 01:18:16,960  
still

2157  
01:18:21,510 --> 01:18:19,520  
shop but the cash registers do miss

2158  
01:18:25,990 --> 01:18:21,520  
those heydays

2159  
01:18:28,390 --> 01:18:26,000  
i keep an open mind why warming

2160  
01:18:30,550 --> 01:18:28,400  
your guess is as good as mine but let's

2161  
01:18:33,189 --> 01:18:30,560  
have another one soon

2162  
01:18:33,830 --> 01:18:33,199  
so whether some people saw the thing or

2163  
01:18:35,510 --> 01:18:33,840

not

2164

01:18:37,350 --> 01:18:35,520

the traders of warminster would

2165

01:18:41,560 --> 01:18:37,360

certainly like it back soon

2166

01:18:48,870 --> 01:18:41,570

please before the army shoot it down

2167

01:18:52,550 --> 01:18:51,350

i hate to say this it sounds a bit big

2168

01:18:55,430 --> 01:18:52,560

headed but

2169

01:18:55,990 --> 01:18:55,440

i've seen dozens of them and i've been

2170

01:18:57,910 --> 01:18:56,000

quite

2171

01:18:59,510 --> 01:18:57,920

convinced in my mind you know that these

2172

01:19:01,669 --> 01:18:59,520

are not just satellites they're not just

2173

01:19:04,790 --> 01:19:01,679

roving planes or helicopters

2174

01:19:05,350 --> 01:19:04,800

these do extraordinary things maneuvers

2175

01:19:08,390 --> 01:19:05,360

that

2176

01:19:09,990 --> 01:19:08,400

concepts

2177

01:19:11,990 --> 01:19:10,000

you've seen them here behind you on the

2178

01:19:15,430 --> 01:19:12,000

side of cradle hill here

2179

01:19:18,229 --> 01:19:15,440

uh over the cops there over an ancient

2180

01:19:20,470 --> 01:19:18,239

iron age settlement and fort there

2181

01:19:22,390 --> 01:19:20,480

beyond us here at clay hill

2182

01:19:24,390 --> 01:19:22,400

i've seen them in this vicinity for the

2183

01:19:26,310 --> 01:19:24,400

last six years

2184

01:19:28,550 --> 01:19:26,320

all those years ago someone else moved

2185

01:19:30,390 --> 01:19:28,560

to warminster drawn by the unexplained

2186

01:19:33,030 --> 01:19:30,400

happenings around the town

2187

01:19:34,070 --> 01:19:33,040

this face on the hillside in 1966 was

2188

01:19:36,790 --> 01:19:34,080

ken rogers

2189

01:19:37,270 --> 01:19:36,800

and time hasn't altered his views same

2190

01:19:40,229 --> 01:19:37,280

man

2191

01:19:41,750 --> 01:19:40,239

same place 19 years later was it all

2192

01:19:44,070 --> 01:19:41,760

just mass hysteria

2193

01:19:45,270 --> 01:19:44,080

ken rogers doesn't think so he says his

2194

01:19:47,030 --> 01:19:45,280

time wasn't wasted

2195

01:19:49,430 --> 01:19:47,040

and he still believes there's something

2196

01:19:50,790 --> 01:19:49,440

about warminster

2197

01:19:53,030 --> 01:19:50,800

you actually moved to warwickshire

2198

01:19:53,750 --> 01:19:53,040

because of the ufos yes i felt that at

2199

01:19:55,990 --> 01:19:53,760

the time

2200

01:19:57,669 --> 01:19:56,000

that there were things happening the

2201

01:20:00,870 --> 01:19:57,679

authorities and the scientists

2202

01:20:03,430 --> 01:20:00,880

weren't taking seriously enough i

2203

01:20:05,110 --> 01:20:03,440

came down here i interviewed lots of the

2204

01:20:07,510 --> 01:20:05,120

local uh

2205

01:20:08,870 --> 01:20:07,520

witnesses and that convinced me i think

2206

01:20:12,550 --> 01:20:08,880

more than anything

2207

01:20:14,070 --> 01:20:12,560

really down to earth local people

2208

01:20:16,310 --> 01:20:14,080

and i had nothing to gain from sort of

2209

01:20:19,350 --> 01:20:16,320

lying or imagining these things

2210

01:20:22,950 --> 01:20:19,360

and they told a similar story strange

2211

01:20:24,950 --> 01:20:22,960

noises on rooftops followed by uh

2212

01:20:26,390 --> 01:20:24,960

sightings of fiery cigar-shaped objects

2213

01:20:29,750 --> 01:20:26,400

in the sky

2214

01:20:33,110 --> 01:20:31,750

all sorts of people still these things

2215

01:20:35,430 --> 01:20:33,120

um local

2216

01:20:37,350 --> 01:20:35,440

vikko and his wife the physiotherapist

2217

01:20:38,790 --> 01:20:37,360

the head postmaster

2218

01:20:40,390 --> 01:20:38,800

so what sort of things did you actually

2219

01:20:42,550 --> 01:20:40,400

see that up here on cradle hill

2220

01:20:44,229 --> 01:20:42,560

looking back i remember seeing

2221

01:20:46,550 --> 01:20:44,239

shimmering orbs of light in the sky

2222

01:20:49,830 --> 01:20:46,560

silver discoids um

2223

01:20:51,270 --> 01:20:49,840

things called amber gamblers things uh

2224

01:20:53,510 --> 01:20:51,280

orange lights that suddenly would appear

2225

01:20:54,950 --> 01:20:53,520

in the sky and it'll gamble along before

2226  
01:20:57,030 --> 01:20:54,960  
suddenly turning off at right angles and

2227  
01:20:58,629 --> 01:20:57,040  
disappearing into thin air

2228  
01:21:00,629 --> 01:20:58,639  
you would see amazing i was actually

2229  
01:21:02,149 --> 01:21:00,639  
convinced that i'm published i'm

2230  
01:21:05,350 --> 01:21:02,159  
convinced that war minister

2231  
01:21:07,750 --> 01:21:05,360  
in the 60s was invaded by

2232  
01:21:10,149 --> 01:21:07,760  
either extraterrestrials or visitors

2233  
01:21:12,229 --> 01:21:10,159  
from interdimensions

2234  
01:21:15,189 --> 01:21:12,239  
and the evidence alone shows that

2235  
01:21:17,030 --> 01:21:15,199  
something strange was happening

2236  
01:21:19,110 --> 01:21:17,040  
up on the hill arthur shuttlewood was

2237  
01:21:21,189 --> 01:21:19,120  
convinced something was happening

2238  
01:21:23,510 --> 01:21:21,199

he gathered dozens of reports from local

2239

01:21:25,590 --> 01:21:23,520

people ordinary folk who in the words of

2240

01:21:26,950 --> 01:21:25,600

one observer were not easily given to

2241

01:21:29,189 --> 01:21:26,960

flights of fancy

2242

01:21:32,629 --> 01:21:29,199

or were they shuttlewood a former

2243

01:21:36,070 --> 01:21:32,639

policeman had no doubts

2244

01:21:38,470 --> 01:21:36,080

uh the figures um they're rather round

2245

01:21:39,510 --> 01:21:38,480

headed very tall between seven and eight

2246

01:21:41,590 --> 01:21:39,520

feet tall

2247

01:21:43,830 --> 01:21:41,600

this appear to have known eggs joined

2248

01:21:46,950 --> 01:21:43,840

straight down onto the shoulders

2249

01:21:49,910 --> 01:21:46,960

long gangling limbs

2250

01:21:51,750 --> 01:21:49,920

and you don't see any features but you

2251

01:21:54,790 --> 01:21:51,760

see the solid outline of the

2252

01:21:55,430 --> 01:21:54,800

figure the entity if you like and the

2253

01:21:58,390 --> 01:21:55,440

rest

2254

01:22:00,149 --> 01:21:58,400

the interior part is transparent you're

2255

01:22:01,830 --> 01:22:00,159

suddenly aware that they're there

2256

01:22:03,350 --> 01:22:01,840

and as though sometimes as though

2257

01:22:04,310 --> 01:22:03,360

they've been riveted there but in an

2258

01:22:06,629 --> 01:22:04,320

invisible form

2259

01:22:07,590 --> 01:22:06,639

crazy sounds crazy of course it sounds

2260

01:22:10,070 --> 01:22:07,600

crazy

2261

01:22:11,669 --> 01:22:10,080

uh but they suddenly appear and if you

2262

01:22:13,350 --> 01:22:11,679

find a torch on them

2263

01:22:15,030 --> 01:22:13,360

you know you're rather agitated by the

2264

01:22:16,870 --> 01:22:15,040

sheer height of these figures

2265

01:22:18,070 --> 01:22:16,880

they're quite terrifying really you

2266

01:22:20,470 --> 01:22:18,080

shine a torch on them

2267

01:22:21,189 --> 01:22:20,480

and they disappear absolutely

2268

01:22:23,030 --> 01:22:21,199

materialize

2269

01:22:24,470 --> 01:22:23,040

and then they come up closer to you

2270

01:22:26,550 --> 01:22:24,480

which is again frightening

2271

01:22:28,390 --> 01:22:26,560

i've had the back of my jacket tugged

2272

01:22:30,790 --> 01:22:28,400

several times up here

2273

01:22:31,510 --> 01:22:30,800

and i've suspected practical jokers you

2274

01:22:33,110 --> 01:22:31,520

know

2275

01:22:34,629 --> 01:22:33,120

because we do get jokers obviously in

2276

01:22:36,470 --> 01:22:34,639

this subject but

2277

01:22:38,629 --> 01:22:36,480

most people are serious about it and you

2278

01:22:42,229 --> 01:22:38,639

look around nothing nobody

2279

01:22:43,910 --> 01:22:42,239

at all the watch went on but many of the

2280

01:22:45,990 --> 01:22:43,920

locals remained unimpressed

2281

01:22:47,990 --> 01:22:46,000

if there was an answer they had it

2282

01:22:49,750 --> 01:22:48,000

murmuring darkly of the military goings

2283

01:22:51,750 --> 01:22:49,760

on around salisbury plain

2284

01:22:53,510 --> 01:22:51,760

and the secret experimental aircraft

2285

01:22:55,110 --> 01:22:53,520

establishment at boscon down

2286

01:22:57,110 --> 01:22:55,120

heaven alone knew what they got up to

2287

01:23:00,709 --> 01:22:57,120

over there but shuttlewood

2288

01:23:05,030 --> 01:23:03,990

i think that originally they came from

2289

01:23:08,229 --> 01:23:05,040

some planet

2290

01:23:11,750 --> 01:23:08,239

about three million years ago this one

2291

01:23:15,110 --> 01:23:11,760

cosmic surveying race and they begat

2292

01:23:17,830 --> 01:23:15,120

man in the image that they then were

2293

01:23:18,790 --> 01:23:17,840

so they come back with parental concern

2294

01:23:27,510 --> 01:23:18,800

now

2295

01:23:31,590 --> 01:23:29,510

but not everyone felt comfortable with

2296

01:23:33,830 --> 01:23:31,600

warminster's new reputation

2297

01:23:34,629 --> 01:23:33,840

if you were a woman person and you went

2298

01:23:37,350 --> 01:23:34,639

away

2299

01:23:39,030 --> 01:23:37,360

anywhere um and someone said to you

2300

01:23:40,229 --> 01:23:39,040

where'd you come from and you said

2301

01:23:44,470 --> 01:23:40,239

walminster

2302

01:23:48,790 --> 01:23:44,480

they expected you to have horns

2303

01:23:51,430 --> 01:23:48,800

and look green we did

2304

01:23:52,390 --> 01:23:51,440

personally i did get quite a lot of leg

2305

01:23:56,310 --> 01:23:52,400

pulling when

2306

01:23:58,149 --> 01:23:56,320

i met people away from orminster

2307

01:24:00,790 --> 01:23:58,159

they they just didn't believe what was

2308

01:24:03,430 --> 01:24:00,800

going on and they thought it was all

2309

01:24:05,270 --> 01:24:03,440

a great joke the majority of people i

2310

01:24:06,470 --> 01:24:05,280

met while i was away

2311

01:24:08,310 --> 01:24:06,480

but there were a lot of very sensible

2312

01:24:09,110 --> 01:24:08,320

people it wasn't just nuts or cranks who

2313

01:24:11,110 --> 01:24:09,120

saw these things

2314

01:24:12,550 --> 01:24:11,120

oh no no i think they definitely saw

2315

01:24:14,390 --> 01:24:12,560

things um

2316

01:24:16,070 --> 01:24:14,400

what they were i wouldn't know and

2317

01:24:22,229 --> 01:24:16,080

that's what the investigation is

2318

01:24:25,510 --> 01:24:23,669

see the trouble with this area is you

2319

01:24:29,510 --> 01:24:25,520

get army helicopters

2320

01:24:33,030 --> 01:24:29,520

we've invented this very uh basic

2321

01:24:35,270 --> 01:24:33,040

ufo detector and what it is is we

2322

01:24:36,070 --> 01:24:35,280

have it pointing it's like a compass we

2323

01:24:38,310 --> 01:24:36,080

have it pointing at

2324

01:24:39,910 --> 01:24:38,320

magnetic north and it's connected to a

2325

01:24:42,709 --> 01:24:39,920

buzzer

2326

01:24:44,709 --> 01:24:42,719

and then set it up on sky watches switch

2327

01:24:46,470 --> 01:24:44,719

it on and then should you

2328

01:24:48,229 --> 01:24:46,480

come over emitting any electromagnetic

2329

01:24:51,910 --> 01:24:48,239

frequencies

2330

01:24:54,950 --> 01:24:51,920

the compass needle will get deflected and

2331

01:24:56,149 --> 01:24:54,960

set up an alarm giving us some

2332

01:24:56,870 --> 01:24:56,159

indication that something may be in the

2333

01:24:58,709 --> 01:24:56,880

area

2334

01:25:01,350 --> 01:24:58,719

and we look up and hopefully we see

2335

01:25:04,870 --> 01:25:01,360

something they seem to come over from

2336

01:25:08,229 --> 01:25:04,880

over there they come over and they

2337

01:25:10,070 --> 01:25:08,239

sort of go in different sort of shapes

2338

01:25:11,510 --> 01:25:10,080

and stuff come over different colors and

2339

01:25:12,709 --> 01:25:11,520

stuff

2340

01:25:14,550 --> 01:25:12,719

i mean i've come here a couple of times

2341

01:25:17,270 --> 01:25:14,560

we've been with each operations on and

2342

01:25:19,669 --> 01:25:17,280

they say they don't come around then so

2343

01:25:20,950 --> 01:25:19,679

but i believe one day i'll see one

2344

01:25:22,709 --> 01:25:20,960

well i've been up there several times

2345

01:25:23,990 --> 01:25:22,719

and i've never seen anything

2346

01:25:31,669 --> 01:25:24,000

but because you know there's been quite

2347

01:25:36,229 --> 01:25:34,629

up to cradle hill and then just uh past

2348

01:25:39,590 --> 01:25:36,239

the farmhouse

2349

01:25:42,390 --> 01:25:39,600

i became aware of this grey thing

2350

01:25:43,990 --> 01:25:42,400

lying in the road and was just

2351  
01:25:45,669 --> 01:25:44,000  
absolutely dead scared you know

2352  
01:25:47,590 --> 01:25:45,679  
it was just a sphere it was just like a

2353  
01:25:47,990 --> 01:25:47,600  
fog really but it was perfectly outlined

2354  
01:25:50,790 --> 01:25:48,000  
it was

2355  
01:25:52,870 --> 01:25:50,800  
the typical classical flying saucer you

2356  
01:25:55,350 --> 01:25:52,880  
see in photographs and so on

2357  
01:25:57,030 --> 01:25:55,360  
and it just lay there right across the

2358  
01:26:00,070 --> 01:25:57,040  
road

2359  
01:26:01,510 --> 01:26:00,080  
and i just went absolutely hot uh

2360  
01:26:03,270 --> 01:26:01,520  
i didn't know what to make of it it was

2361  
01:26:04,709 --> 01:26:03,280  
similar to like doctor who's tardis if

2362  
01:26:06,390 --> 01:26:04,719  
like it was half here and half not as if

2363  
01:26:08,550 --> 01:26:06,400

it was in another dimension

2364

01:26:10,149 --> 01:26:08,560

it's an incredible experience and i

2365

01:26:13,270 --> 01:26:10,159

don't expect people to believe unless

2366

01:26:13,910 --> 01:26:13,280

it happens to them have you made up your

2367

01:26:16,310 --> 01:26:13,920

mind yet

2368

2371

01:26:39,980 --> 01:26:21,280

somebody's trying to tell me something

2372

01:27:19,200 --> 01:26:43,840
