

SOMEWHERE IN THE SKIES

UFOS 2021: PART 3

FEATURING JAMARL THOMAS

1
00:00:05,829 --> 00:00:03,590
today on the show political analyst

2
00:00:07,670 --> 00:00:05,839
host of the fault lines podcast and host

3
00:00:09,500 --> 00:00:07,680
of the progressive soapbox youtube

4
00:00:14,910 --> 00:00:09,510
channel jamal

5
00:00:19,029 --> 00:00:14,920
[Music]

6
00:00:28,830 --> 00:00:22,880
this is somewhere in the skies with ryan

7
00:00:30,930 --> 00:00:28,840
[Music]

8
00:00:41,350 --> 00:00:30,940
spread

9
00:00:45,029 --> 00:00:43,510
thank you so much for joining me for the

10
00:00:45,750 --> 00:00:45,039
very first time on somewhere in the

11
00:00:48,229 --> 00:00:45,760
skies

12
00:00:49,990 --> 00:00:48,239
absolutely man thank you for the invite

13
00:00:52,869 --> 00:00:50,000

of course i i found you through

14

00:00:53,830 --> 00:00:52,879

lou over at the unidentified celebrity

15

00:00:55,830 --> 00:00:53,840

review

16

00:00:57,110 --> 00:00:55,840

and um i've just been following your

17

00:00:59,349 --> 00:00:57,120

work ever since man

18

00:01:00,869 --> 00:00:59,359

and as soon as i heard you talking about

19

00:01:02,950 --> 00:01:00,879

uap i was like oh

20

00:01:05,429 --> 00:01:02,960

he's in now he's got to come on my show

21

00:01:05,830 --> 00:01:05,439

so no the pleasure is online well it's

22

00:01:08,149 --> 00:01:05,840

funny

23

00:01:09,990 --> 00:01:08,159

it feels like i've been invited in from

24

00:01:12,149 --> 00:01:10,000

the code because i've done i've covered

25

00:01:13,510 --> 00:01:12,159

the uap the ufo uap whatever you want to

26

00:01:15,590 --> 00:01:13,520

call it subject for a while

27

00:01:16,710 --> 00:01:15,600

yeah and but i never felt like i was

28

00:01:18,390 --> 00:01:16,720

part of

29

00:01:20,390 --> 00:01:18,400

any kind of community with it it was

30

00:01:23,350 --> 00:01:20,400

just kind of like okay you're

31

00:01:24,469 --> 00:01:23,360

doing politics but you're also covering

32

00:01:27,510 --> 00:01:24,479

the uap

33

00:01:29,510 --> 00:01:27,520

and it's that but it's it's own thing

34

00:01:31,030 --> 00:01:29,520

it's very weird it's very strange but

35

00:01:32,870 --> 00:01:31,040

eventually

36

00:01:34,710 --> 00:01:32,880

when i i felt like i was bleeding from

37

00:01:36,789 --> 00:01:34,720

the code in this kind of weird way

38

00:01:38,069 --> 00:01:36,799

um like i interviewed grant cameron i

39

00:01:39,990 --> 00:01:38,079

interviewed stephen bassett

40

00:01:41,190 --> 00:01:40,000

but eventually i was able to interview

41

00:01:43,670 --> 00:01:41,200

elizondo

42

00:01:44,469 --> 00:01:43,680

um nick pope like i was able to

43

00:01:46,389 --> 00:01:44,479

interview some

44

00:01:47,670 --> 00:01:46,399

big names that was in the industry but

45

00:01:48,310 --> 00:01:47,680

still it felt like it was kind of on the

46

00:01:50,310 --> 00:01:48,320

outside

47

00:01:53,030 --> 00:01:50,320

but no after doing the live stream with

48

00:01:55,270 --> 00:01:53,040

lou it felt like

49

00:01:56,230 --> 00:01:55,280

um david beatty came on dave beatty came

50

00:01:59,270 --> 00:01:56,240

on all right

51
00:02:01,350 --> 00:01:59,280
he's been a recurring person um so yeah

52
00:02:03,030 --> 00:02:01,360
it's been it's been very weird and

53
00:02:04,550 --> 00:02:03,040
headache recently i mean because it does

54
00:02:06,389 --> 00:02:04,560
feel like okay you're part of the ufo

55
00:02:07,670 --> 00:02:06,399
twitter community now

56
00:02:09,510 --> 00:02:07,680
i guess my point is thank you for the

57
00:02:11,430 --> 00:02:09,520
invite i appreciate of course man well

58
00:02:13,750 --> 00:02:11,440
you picked a hell of a time to really

59
00:02:15,110 --> 00:02:13,760
get involved and we will definitely get

60
00:02:17,190 --> 00:02:15,120
there but um

61
00:02:18,470 --> 00:02:17,200
my first question always for new time

62
00:02:20,229 --> 00:02:18,480
guests and you're probably

63
00:02:22,070 --> 00:02:20,239

used to this one by now how'd you get

64

00:02:23,589 --> 00:02:22,080

interested in ufos where did your

65

00:02:25,430 --> 00:02:23,599

interest in this uh

66

00:02:27,430 --> 00:02:25,440

topic this phenomenon where did it truly

67

00:02:28,869 --> 00:02:27,440

start um

68

00:02:30,630 --> 00:02:28,879

if you're willing to share i know i

69

00:02:33,350 --> 00:02:30,640

could be i don't like sharing no

70

00:02:34,150 --> 00:02:33,360

no i'm not trying i've shared before um

71

00:02:36,630 --> 00:02:34,160

so

72

00:02:38,470 --> 00:02:36,640

i started this from the other side of

73

00:02:39,030 --> 00:02:38,480

the uap thing i wasn't with you a piece

74

00:02:40,790 --> 00:02:39,040

i was in

75

00:02:43,509 --> 00:02:40,800

the new ag stuff when i was like 18 and

76

00:02:44,470 --> 00:02:43,519

19. and it was kind of like when i was a

77

00:02:45,830 --> 00:02:44,480

kid

78

00:02:47,350 --> 00:02:45,840

i used to have this thing where it would

79

00:02:48,710 --> 00:02:47,360

feel like something would walk into the

80

00:02:50,630 --> 00:02:48,720

room and sit on the bed

81

00:02:52,229 --> 00:02:50,640

scare the hell out of me and he would do

82

00:02:54,150 --> 00:02:52,239

that for like years

83

00:02:55,509 --> 00:02:54,160

um as i got older i got really

84

00:02:57,990 --> 00:02:55,519

interested in this notion of

85

00:02:59,509 --> 00:02:58,000

um is there something else and coming

86

00:03:01,830 --> 00:02:59,519

across people who say okay there's such

87

00:03:04,710 --> 00:03:01,840

things as spirit guides is like okay

88

00:03:05,750 --> 00:03:04,720

is it real and if so how do you evaluate

89

00:03:08,149 --> 00:03:05,760

it that type of stuff

90

00:03:09,110 --> 00:03:08,159

and for me it was always tested it may

91

00:03:11,509 --> 00:03:09,120

be um

92

00:03:13,030 --> 00:03:11,519

real on this kind of um subjective level

93

00:03:15,750 --> 00:03:13,040

that you can't necessarily

94

00:03:16,309 --> 00:03:15,760

prove in this kind of that type of stuff

95

00:03:19,670 --> 00:03:16,319

and

96

00:03:21,670 --> 00:03:19,680

after like a lot of weird experiences

97

00:03:23,110 --> 00:03:21,680

you know you get into this mind space of

98

00:03:24,789 --> 00:03:23,120

okay there's something

99

00:03:26,229 --> 00:03:24,799

there even if i can't necessarily touch

100

00:03:29,350 --> 00:03:26,239

the thing that's there

101
00:03:32,470 --> 00:03:29,360
um somewhere along the way i got really

102
00:03:34,710 --> 00:03:32,480
into this notion of like

103
00:03:36,149 --> 00:03:34,720
like freaked me out in my life out of

104
00:03:39,270 --> 00:03:36,159
wanting to know

105
00:03:40,869 --> 00:03:39,280
about the ufo stuff and especially when

106
00:03:42,470 --> 00:03:40,879
i got more sophisticated about thinking

107
00:03:44,229 --> 00:03:42,480
about the previous experience i had when

108
00:03:45,830 --> 00:03:44,239
i was younger with um

109
00:03:47,910 --> 00:03:45,840
like trying to find out with their

110
00:03:51,350 --> 00:03:47,920
spirit guys and that type of stuff

111
00:03:53,910 --> 00:03:51,360
and for me it was okay it's not enough

112
00:03:54,550 --> 00:03:53,920
to believe it it's more so you want to

113
00:03:56,470 --> 00:03:54,560

know it

114

00:03:57,589 --> 00:03:56,480

like knowing is different if that makes

115

00:04:00,630 --> 00:03:57,599

sense like um

116

00:04:03,270 --> 00:04:00,640

so my thing was okay i've started to

117

00:04:04,789 --> 00:04:03,280

read everything like the aliens eating

118

00:04:06,309 --> 00:04:04,799

babies i went through all that oh

119

00:04:07,990 --> 00:04:06,319

there's a secret base

120

00:04:09,910 --> 00:04:08,000

where they're doing experiments on human

121

00:04:11,589 --> 00:04:09,920

beings where they're jabbing what's up i

122

00:04:13,750 --> 00:04:11,599

went through all that and eventually i

123

00:04:14,869 --> 00:04:13,760

got to the point of um you believe what

124

00:04:17,189 --> 00:04:14,879

you can defend

125

00:04:18,310 --> 00:04:17,199

like meaning there's no point in having

126

00:04:19,509 --> 00:04:18,320

this stuff out there where you can't

127

00:04:21,990 --> 00:04:19,519

necessarily

128

00:04:23,830 --> 00:04:22,000

touch there's areas on which you can

129

00:04:24,469 --> 00:04:23,840

base a particular belief set in which

130

00:04:26,950 --> 00:04:24,479

you can

131

00:04:28,310 --> 00:04:26,960

defend it um the other part of that was

132

00:04:28,870 --> 00:04:28,320

i still wanted to know whether it was

133

00:04:30,629 --> 00:04:28,880

real

134

00:04:31,990 --> 00:04:30,639

and so just like the new age stuff my

135

00:04:33,110 --> 00:04:32,000

thing was okay how do you evaluate

136

00:04:36,150 --> 00:04:33,120

whether it's real

137

00:04:39,030 --> 00:04:36,160

and honestly when you

138

00:04:40,230 --> 00:04:39,040

really get into it there is almost a

139

00:04:43,590 --> 00:04:40,240

one-to-one

140

00:04:44,870 --> 00:04:43,600

between contact methods for spirit

141

00:04:47,110 --> 00:04:44,880

guides etc

142

00:04:48,710 --> 00:04:47,120

and contact methods for ufos this

143

00:04:51,350 --> 00:04:48,720

one-to-one i swear to god

144

00:04:52,310 --> 00:04:51,360

even from standpoint of abductions when

145

00:04:54,870 --> 00:04:52,320

people are talking about

146

00:04:56,390 --> 00:04:54,880

abductions well if you've ever had a obe

147

00:04:59,270 --> 00:04:56,400

an abduction and obe

148

00:05:00,469 --> 00:04:59,280

feel and sound almost the same not in

149

00:05:01,830 --> 00:05:00,479

every case some cases are physical

150

00:05:04,070 --> 00:05:01,840

phenomena and everything else

151
00:05:06,150 --> 00:05:04,080
and people hate it when people say that

152
00:05:08,230 --> 00:05:06,160
but it is honest to god true

153
00:05:09,749 --> 00:05:08,240
i've had abductions i've had this kind

154
00:05:10,390 --> 00:05:09,759
of contact with spirit guides where

155
00:05:11,590 --> 00:05:10,400
you're

156
00:05:13,350 --> 00:05:11,600
having this meeting and then there's

157
00:05:14,070 --> 00:05:13,360
these weird after effects and stuff like

158
00:05:17,110 --> 00:05:14,080
that

159
00:05:19,749 --> 00:05:17,120
it sounds a lot like a ufo stuff and so

160
00:05:21,510 --> 00:05:19,759
it's like it's really heavy stuff now

161
00:05:23,350 --> 00:05:21,520
that freaked my wife out

162
00:05:25,350 --> 00:05:23,360
because my wife was like she was like

163
00:05:26,390 --> 00:05:25,360

look because i was doing meditations and

164

00:05:29,590 --> 00:05:26,400

everything i was i was

165

00:05:31,270 --> 00:05:29,600

like four boys like all right give it

166

00:05:33,670 --> 00:05:31,280

give it due diligence to see whether you

167

00:05:34,950 --> 00:05:33,680

can prove it my wife was like look it's

168

00:05:37,510 --> 00:05:34,960

not that i believe it but

169

00:05:39,029 --> 00:05:37,520

keep in mind there's two of us here and

170

00:05:42,070 --> 00:05:39,039

if anything happens

171

00:05:43,590 --> 00:05:42,080

like like be aware like on the off

172

00:05:46,230 --> 00:05:43,600

chance

173

00:05:47,670 --> 00:05:46,240

that works um just be aware we're not

174

00:05:49,990 --> 00:05:47,680

you know we're not alone

175

00:05:50,830 --> 00:05:50,000

um it was weird phenomenal and stuff

176

00:05:54,790 --> 00:05:50,840

like that

177

00:05:57,430 --> 00:05:54,800

but it's hard to nail down

178

00:05:58,710 --> 00:05:57,440

subjective experience from meaning it's

179

00:05:59,749 --> 00:05:58,720

hard to know whether your subconscious

180

00:06:02,710 --> 00:05:59,759

is screwing with you

181

00:06:03,350 --> 00:06:02,720

it's that and so especially if you're

182

00:06:05,990 --> 00:06:03,360

not

183

00:06:07,430 --> 00:06:06,000

there with somebody else like i remember

184

00:06:09,990 --> 00:06:07,440

i got pictures

185

00:06:11,189 --> 00:06:10,000

but it's like okay is that photo stuff

186

00:06:13,990 --> 00:06:11,199

and then even when

187

00:06:14,550 --> 00:06:14,000

there were times where i would see a

188

00:06:17,189 --> 00:06:14,560

weird

189

00:06:18,150 --> 00:06:17,199

thing in the sky my wife was with me

190

00:06:19,749 --> 00:06:18,160

once in egypt

191

00:06:21,189 --> 00:06:19,759

and the other time she was with me and

192

00:06:23,189 --> 00:06:21,199

she was like oh i don't remember that

193

00:06:25,590 --> 00:06:23,199

now i was like whatever

194

00:06:27,749 --> 00:06:25,600

but like weird phenomena starts to

195

00:06:29,990 --> 00:06:27,759

happen like even dream states gets

196

00:06:30,950 --> 00:06:30,000

get really weird but beyond that point

197

00:06:32,950 --> 00:06:30,960

though that's

198

00:06:34,629 --> 00:06:32,960

how i got into it i got into this like

199

00:06:37,510 --> 00:06:34,639

heavy head space of

200

00:06:39,029 --> 00:06:37,520

is it true can you evaluate it and just

201
00:06:40,629 --> 00:06:39,039
from my previous experiences

202
00:06:42,629 --> 00:06:40,639
of trying to evaluate the spirit gut

203
00:06:43,189 --> 00:06:42,639
stuff i was kind of in the head space of

204
00:06:44,870 --> 00:06:43,199
okay

205
00:06:46,710 --> 00:06:44,880
is there anybody out there that goes

206
00:06:49,430 --> 00:06:46,720
with the notion of evaluation

207
00:06:52,150 --> 00:06:49,440
mission rama knows one stephen griers

208
00:06:53,830 --> 00:06:52,160
and ce5 which basically is mission rama

209
00:06:55,670 --> 00:06:53,840
and like i said the techniques are

210
00:06:57,830 --> 00:06:55,680
basically the same

211
00:06:58,710 --> 00:06:57,840
it's bizarre and i think it's more

212
00:07:00,870 --> 00:06:58,720
bizarre for me

213
00:07:02,710 --> 00:07:00,880

because for me it makes me have to

214

00:07:07,189 --> 00:07:02,720

reconcile

215

00:07:10,390 --> 00:07:07,199

what what did you contact it's that

216

00:07:11,589 --> 00:07:10,400

because it's like if you the spirit guy

217

00:07:15,029 --> 00:07:11,599

thing was interesting

218

00:07:17,110 --> 00:07:15,039

i um i came across this is dating me

219

00:07:18,870 --> 00:07:17,120

the psychic serial brown and silvia

220

00:07:19,830 --> 00:07:18,880

brown people were like god man she's so

221

00:07:22,070 --> 00:07:19,840

full of it

222

00:07:23,270 --> 00:07:22,080

with one exception though she says if

223

00:07:24,710 --> 00:07:23,280

you want to experience it you can

224

00:07:26,550 --> 00:07:24,720

experience this yourself

225

00:07:28,469 --> 00:07:26,560

well for me that's like yes let's do

226

00:07:30,870 --> 00:07:28,479

that i mean you've just told me

227

00:07:32,150 --> 00:07:30,880

something utterly phenomenal and if that

228

00:07:33,990 --> 00:07:32,160

phenomenal thing is true

229

00:07:35,830 --> 00:07:34,000

it gives you this kind of context on

230

00:07:39,189 --> 00:07:35,840

reality that

231

00:07:42,309 --> 00:07:39,199

we're missing something fundamental

232

00:07:44,070 --> 00:07:42,319

um in a way that we operate and so i was

233

00:07:45,990 --> 00:07:44,080

like all right i've read i bought a book

234

00:07:47,670 --> 00:07:46,000

read through it i make it one day and i

235

00:07:49,029 --> 00:07:47,680

said all right let's do this meditations

236

00:07:51,510 --> 00:07:49,039

like get that stuff started

237

00:07:52,230 --> 00:07:51,520

and when i realized after like maybe a

238

00:07:54,230 --> 00:07:52,240

month or so

239

00:07:55,510 --> 00:07:54,240

that i had a fear hurdle like i would

240

00:07:57,029 --> 00:07:55,520

hit this point where i felt like i was

241

00:07:58,950 --> 00:07:57,039

plugged into an electrical outlet i

242

00:08:00,469 --> 00:07:58,960

could feel like it was charged

243

00:08:02,070 --> 00:08:00,479

and i was freaked out i was like okay i

244

00:08:03,909 --> 00:08:02,080

screw that and i would do that for like

245

00:08:05,990 --> 00:08:03,919

a month like a month on end

246

00:08:07,189 --> 00:08:06,000

and but i kept doing it and i kept

247

00:08:09,670 --> 00:08:07,199

stopping and

248

00:08:11,430 --> 00:08:09,680

eventually got to the point one morning

249

00:08:14,710 --> 00:08:11,440

when i am in bed

250

00:08:16,550 --> 00:08:14,720

um i am just kind of in the headspace

251

00:08:17,909 --> 00:08:16,560

i feel like i'm charged into an outlet

252

00:08:21,189 --> 00:08:17,919

and i let it happen

253

00:08:21,990 --> 00:08:21,199

just let it happen and i hear something

254

00:08:24,390 --> 00:08:22,000

in my room

255

00:08:26,070 --> 00:08:24,400

and i say to myself hello i just said in

256

00:08:27,830 --> 00:08:26,080

my head and i hear something beside my

257

00:08:30,790 --> 00:08:27,840

bed say hello a woman's voice

258

00:08:32,630 --> 00:08:30,800

audibly hello um the very next day now

259

00:08:35,029 --> 00:08:32,640

at this point i am so excited

260

00:08:36,389 --> 00:08:35,039

but i'm flooded with questions like who

261

00:08:37,589 --> 00:08:36,399

are you what's your name et cetera blah

262

00:08:39,909 --> 00:08:37,599

blah blah

263

00:08:40,790 --> 00:08:39,919

yeah i'm so excited um the very next

264

00:08:44,710 --> 00:08:40,800

night i

265

00:08:47,829 --> 00:08:44,720

end up i meet the person

266

00:08:50,550 --> 00:08:47,839

female um older woman and

267

00:08:51,590 --> 00:08:50,560

i am in this obe state well this is a

268

00:08:54,870 --> 00:08:51,600

lucid dream state

269

00:08:57,350 --> 00:08:54,880

okay and i am just i'm

270

00:08:59,269 --> 00:08:57,360

not to go through the experience but i

271

00:09:01,030 --> 00:08:59,279

am standing there i'm hyperventilating

272

00:09:02,790 --> 00:09:01,040

because i'm freaking out

273

00:09:04,070 --> 00:09:02,800

because this is very weird and heady and

274

00:09:05,670 --> 00:09:04,080

i'm thinking i'm just me

275

00:09:06,949 --> 00:09:05,680

and so it's like if you're just you and

276

00:09:08,230 --> 00:09:06,959

you see something just walk through a

277

00:09:09,590 --> 00:09:08,240

wall you're like oh my god what the [h__h]

278

00:09:10,070 --> 00:09:09,600

is going on like you're just freaking

279

00:09:12,230 --> 00:09:10,080

out

280

00:09:13,750 --> 00:09:12,240

it's that yeah and i'm hyperventilating

281

00:09:14,550 --> 00:09:13,760

somebody gives me a bag and says go over

282

00:09:16,710 --> 00:09:14,560

there

283

00:09:18,070 --> 00:09:16,720

and i go over like a move over i'm

284

00:09:19,670 --> 00:09:18,080

hyperventilating and a woman

285

00:09:21,269 --> 00:09:19,680

comes up and she says my name is

286

00:09:23,670 --> 00:09:21,279

so-and-so i can't remember her name

287

00:09:25,750 --> 00:09:23,680

she says i'm your exposé now this takes

288

00:09:28,630 --> 00:09:25,760

place when i'm like 19 years old

289

00:09:30,389 --> 00:09:28,640

and i am blown away by this like blown

290

00:09:33,990 --> 00:09:30,399

away in a weird like in a

291

00:09:36,470 --> 00:09:34,000

mind-blowing state and she gets closer

292

00:09:38,310 --> 00:09:36,480

and closer and eventually i'm like oh my

293

00:09:40,710 --> 00:09:38,320

god i'm about to be molested by this

294

00:09:43,110 --> 00:09:40,720

older woman

295

00:09:43,990 --> 00:09:43,120

but what happens is she emerges herself

296

00:09:47,190 --> 00:09:44,000

with me like

297

00:09:49,110 --> 00:09:47,200

she her body merges into mind meaning

298

00:09:50,550 --> 00:09:49,120

it's not a real body you're not really

299

00:09:51,910 --> 00:09:50,560

there like or

300

00:09:53,430 --> 00:09:51,920

you're really there but there's a body

301
00:09:54,150 --> 00:09:53,440
somewhere else that you know there's

302
00:09:55,990 --> 00:09:54,160
somewhere else

303
00:09:57,509 --> 00:09:56,000
but she is merging herself into you and

304
00:09:58,870 --> 00:09:57,519
there's this like amazing elation

305
00:10:01,590 --> 00:09:58,880
associated with it

306
00:10:02,550 --> 00:10:01,600
um at the end of the experience she says

307
00:10:05,269 --> 00:10:02,560
you're evolving

308
00:10:07,110 --> 00:10:05,279
and she tells me that when she was there

309
00:10:08,949 --> 00:10:07,120
she had to work out with her weight

310
00:10:10,389 --> 00:10:08,959
now this one is a weird one and i was

311
00:10:12,310 --> 00:10:10,399
like what how weird

312
00:10:13,670 --> 00:10:12,320
arbitrary is that but it's not arbitrary

313
00:10:14,550 --> 00:10:13,680

at the time i was freaked out about my

314

00:10:15,750 --> 00:10:14,560

weight because i was

315

00:10:17,829 --> 00:10:15,760

i had lost a lot of weight i wanted to

316

00:10:18,949 --> 00:10:17,839

maintain a weight thing but the way i

317

00:10:22,470 --> 00:10:18,959

looked at it she

318

00:10:24,310 --> 00:10:22,480

it wasn't this thing of um i don't want

319

00:10:27,910 --> 00:10:24,320

to tell you one way or the other

320

00:10:29,269 --> 00:10:27,920

you have to choose it was that because

321

00:10:31,110 --> 00:10:29,279

meaning if i say hey you need to work

322

00:10:31,750 --> 00:10:31,120

out that's a tr that's telling me

323

00:10:33,350 --> 00:10:31,760

something

324

00:10:34,870 --> 00:10:33,360

and in the head space that i was in at

325

00:10:37,110 --> 00:10:34,880

the time was like oh my god

326

00:10:38,550 --> 00:10:37,120

she told me to do this but it's too much

327

00:10:41,030 --> 00:10:38,560

right and so

328

00:10:42,550 --> 00:10:41,040

with me it has to be this kind of like

329

00:10:44,630 --> 00:10:42,560

gentle

330

00:10:45,750 --> 00:10:44,640

this is what i did do what you want it

331

00:10:48,310 --> 00:10:45,760

has me that

332

00:10:50,230 --> 00:10:48,320

i i like i have poured over that

333

00:10:51,430 --> 00:10:50,240

experience and poured out every

334

00:10:53,590 --> 00:10:51,440

goddamn detail of that thing like

335

00:10:55,430 --> 00:10:53,600

nobody's business but the moment that

336

00:10:58,470 --> 00:10:55,440

you have something like that

337

00:11:01,990 --> 00:10:58,480

um your tenor on reality and

338

00:11:03,350 --> 00:11:02,000

what's true changes right the changes

339

00:11:06,389 --> 00:11:03,360

the physical stuff

340

00:11:08,550 --> 00:11:06,399

yes purpose all that stuff and it's like

341

00:11:10,150 --> 00:11:08,560

yes you have a point of view when you're

342

00:11:11,430 --> 00:11:10,160

arguing in a political space because at

343

00:11:11,829 --> 00:11:11,440

that point i would make the argument

344

00:11:15,350 --> 00:11:11,839

that

345

00:11:17,110 --> 00:11:15,360

because it's a political argument i

346

00:11:18,389 --> 00:11:17,120

don't need the secular part of it

347

00:11:20,230 --> 00:11:18,399

but from the standpoint of what i

348

00:11:21,590 --> 00:11:20,240

believe is different and what i believe

349

00:11:24,790 --> 00:11:21,600

is i have no

350

00:11:27,430 --> 00:11:24,800

effing clue what she

351
00:11:28,550 --> 00:11:27,440
is now at the time i would say that's my

352
00:11:30,550 --> 00:11:28,560
spirit guide and then when you think

353
00:11:31,829 --> 00:11:30,560
about it's like oh god you're so naive

354
00:11:33,829 --> 00:11:31,839
what does that need to mean what does

355
00:11:35,670 --> 00:11:33,839
that even mean why are you here

356
00:11:37,350 --> 00:11:35,680
who are you are you a figment of my

357
00:11:38,870 --> 00:11:37,360
subconscious like all of that stuff

358
00:11:40,069 --> 00:11:38,880
comes into play the catch is i never

359
00:11:42,630 --> 00:11:40,079
knew what the word exposure

360
00:11:43,750 --> 00:11:42,640
meant i had to look it up when i woke up

361
00:11:46,230 --> 00:11:43,760
i'd look it up

362
00:11:47,509 --> 00:11:46,240
like i i literally honestly i forgot her

363
00:11:49,430 --> 00:11:47,519

name because i kept

364

00:11:51,350 --> 00:11:49,440

repeating the term exposure in my head i

365

00:11:53,110 --> 00:11:51,360

was like exposed positive exposure don't

366

00:11:55,190 --> 00:11:53,120

forget to remember that yeah

367

00:11:56,310 --> 00:11:55,200

yeah i was out clung to that thing like

368

00:11:57,829 --> 00:11:56,320

dear life

369

00:12:00,710 --> 00:11:57,839

um and the first second day when i woke

370

00:12:04,150 --> 00:12:00,720

up went to the computer plugged it in

371

00:12:05,829 --> 00:12:04,160

yeah it's it's like when you get that

372

00:12:07,430 --> 00:12:05,839

other stuff that's weird it's very

373

00:12:08,310 --> 00:12:07,440

bizarre and i remember like that next

374

00:12:10,230 --> 00:12:08,320

two years

375

00:12:12,150 --> 00:12:10,240

i would have lucid dream states back to

376

00:12:14,710 --> 00:12:12,160

back to back it would never quit

377

00:12:15,350 --> 00:12:14,720

and i got to the point where i realized

378

00:12:18,069 --> 00:12:15,360

hey

379

00:12:18,790 --> 00:12:18,079

can you call for the person and it was

380

00:12:22,230 --> 00:12:18,800

like yes

381

00:12:23,910 --> 00:12:22,240

you can can you ask things yes

382

00:12:25,990 --> 00:12:23,920

now the catch becomes at a certain point

383

00:12:27,990 --> 00:12:26,000

it stopped like within two or three

384

00:12:30,790 --> 00:12:28,000

years the weird phenomenon stopped

385

00:12:31,990 --> 00:12:30,800

and i i got older and i started thinking

386

00:12:35,350 --> 00:12:32,000

to myself

387

00:12:38,310 --> 00:12:35,360

okay is it possible to do that

388

00:12:39,590 --> 00:12:38,320

in going maintaining consciousness

389

00:12:41,509 --> 00:12:39,600

meaning obese

390

00:12:43,829 --> 00:12:41,519

meaning because with the obe you don't

391

00:12:45,670 --> 00:12:43,839

lose ideally you don't lose

392

00:12:47,590 --> 00:12:45,680

there's a breaking consciousness whereas

393

00:12:48,790 --> 00:12:47,600

with the lucid dream state you break in

394

00:12:50,069 --> 00:12:48,800

consciousness in which case you're aware

395

00:12:52,230 --> 00:12:50,079

and then all of a sudden but it's hard

396

00:12:53,910 --> 00:12:52,240

to hold on to the tenor for that right

397

00:12:56,629 --> 00:12:53,920

and so at some point i started saying

398

00:12:59,030 --> 00:12:56,639

all right can i contact her

399

00:13:00,230 --> 00:12:59,040

on my own with a lucid dreams thing i

400

00:13:01,430 --> 00:13:00,240

mean with a obe

401
00:13:03,509 --> 00:13:01,440
and so i went into this thing it was

402
00:13:06,949 --> 00:13:03,519
like all right mission number two

403
00:13:08,069 --> 00:13:06,959
obese now my wife my dear poor wife

404
00:13:10,230 --> 00:13:08,079
has to go through all of these

405
00:13:10,470 --> 00:13:10,240
experiments right like so it's like when

406
00:13:12,790 --> 00:13:10,480
i'm

407
00:13:14,710 --> 00:13:12,800
when i get in the head space and so i

408
00:13:17,430 --> 00:13:14,720
push for it i started

409
00:13:17,910 --> 00:13:17,440
doing i started taking certain um herbs

410
00:13:21,990 --> 00:13:17,920
like

411
00:13:24,790 --> 00:13:22,000
certain things that help with

412
00:13:25,829 --> 00:13:24,800
um provoking or keeping consciousness or

413
00:13:27,990 --> 00:13:25,839

wakefulness

414

00:13:29,829 --> 00:13:28,000

um i started maintaining what is it

415

00:13:30,710 --> 00:13:29,839

maintaining a dream diary all this other

416

00:13:33,110 --> 00:13:30,720

stuff

417

00:13:33,990 --> 00:13:33,120

um i eventually got to the point where i

418

00:13:35,829 --> 00:13:34,000

could

419

00:13:37,030 --> 00:13:35,839

get into this state where your body goes

420

00:13:39,910 --> 00:13:37,040

to sleep

421

00:13:40,550 --> 00:13:39,920

and you are just kind of like keeping

422

00:13:42,550 --> 00:13:40,560

consciousness

423

00:13:43,990 --> 00:13:42,560

like your body's asleep and you're awake

424

00:13:47,189 --> 00:13:44,000

and it's like all right

425

00:13:48,790 --> 00:13:47,199

and then i realized i was still somewhat

426

00:13:50,629 --> 00:13:48,800

of a could i curse

427

00:13:52,150 --> 00:13:50,639

absolutely man i was still a bit of a

428

00:13:53,990 --> 00:13:52,160

[h__\h] and so

429

00:13:56,069 --> 00:13:54,000

i would back away from it i would still

430

00:13:57,269 --> 00:13:56,079

get freaked out like because honestly it

431

00:13:59,509 --> 00:13:57,279

is very weird

432

00:14:00,949 --> 00:13:59,519

like you're like because what happens is

433

00:14:03,910 --> 00:14:00,959

as you as you

434

00:14:05,030 --> 00:14:03,920

as as your body goes to sleep your mind

435

00:14:08,389 --> 00:14:05,040

is still awake

436

00:14:09,829 --> 00:14:08,399

you start hearing weird stuff like like

437

00:14:10,550 --> 00:14:09,839

it's already weird because your body is

438

00:14:11,829 --> 00:14:10,560

asleep

439

00:14:13,110 --> 00:14:11,839

but you start hearing weird stuff like

440

00:14:14,629 --> 00:14:13,120

for me it was like hearing vacuum

441

00:14:17,509 --> 00:14:14,639

cleaners on the side

442

00:14:18,069 --> 00:14:17,519

um i thought i was hearing voices um i

443

00:14:20,870 --> 00:14:18,079

thought

444

00:14:22,470 --> 00:14:20,880

like it's very strange and it's so loud

445

00:14:24,470 --> 00:14:22,480

and it's so freaky

446

00:14:26,949 --> 00:14:24,480

that my first response was okay yeah

447

00:14:30,550 --> 00:14:28,790

like i had to itch my way to it and

448

00:14:31,590 --> 00:14:30,560

eventually i had to shame myself into

449

00:14:33,670 --> 00:14:31,600

going through with it

450

00:14:35,350 --> 00:14:33,680

like it was like listen don't be a [h__\h]

451

00:14:36,710 --> 00:14:35,360

just keep going man just keep going

452

00:14:38,389 --> 00:14:36,720

you're already here you're right here

453

00:14:39,750 --> 00:14:38,399

just keep going and it's like

454

00:14:41,189 --> 00:14:39,760

don't freak out just keep it keep your

455

00:14:41,910 --> 00:14:41,199

head together keep your head together as

456

00:14:43,509 --> 00:14:41,920

it was that

457

00:14:44,949 --> 00:14:43,519

and so eventually you get to the state

458

00:14:46,629 --> 00:14:44,959

where my eyes are closed

459

00:14:47,990 --> 00:14:46,639

and then i realized hey i can see the

460

00:14:49,030 --> 00:14:48,000

room my eyes are closed but i'm looking

461

00:14:51,590 --> 00:14:49,040

at the room

462

00:14:53,269 --> 00:14:51,600

and at that point it's like all right

463

00:14:54,949 --> 00:14:53,279

don't think of anything weird

464

00:14:55,670 --> 00:14:54,959

it was it was that but at the point

465

00:14:57,269 --> 00:14:55,680

where you're saying don't think of

466

00:14:58,150 --> 00:14:57,279

anything weird you're [h__h] yourself

467

00:14:59,910 --> 00:14:58,160

over already right

468

00:15:01,030 --> 00:14:59,920

right that stuff and then that point is

469

00:15:01,509 --> 00:15:01,040

like all right back out back up you

470

00:15:09,430 --> 00:15:01,519

proved

471

00:15:12,870 --> 00:15:09,440

um um proof of concept it was that

472

00:15:14,550 --> 00:15:12,880

um yeah i i was i was

473

00:15:16,870 --> 00:15:14,560

the one that wanted to either

474

00:15:18,629 --> 00:15:16,880

demonstrate that it was false or not

475

00:15:20,069 --> 00:15:18,639

not because of posturing more so i

476

00:15:21,030 --> 00:15:20,079

wanted to know when knowing was

477

00:15:23,670 --> 00:15:21,040

different than just

478

00:15:25,269 --> 00:15:23,680

believing like even because honestly

479

00:15:26,790 --> 00:15:25,279

people could be experiencing things and

480

00:15:27,910 --> 00:15:26,800

those things could be entirely true for

481

00:15:30,069 --> 00:15:27,920

those people

482

00:15:31,509 --> 00:15:30,079

and it's like no it's not what they

483

00:15:33,430 --> 00:15:31,519

think it is but it's

484

00:15:35,269 --> 00:15:33,440

definitely not nothing if that makes

485

00:15:37,030 --> 00:15:35,279

sense yeah um

486

00:15:38,389 --> 00:15:37,040

as i got older and i got more cynical

487

00:15:39,990 --> 00:15:38,399

yeah i got more

488

00:15:41,590 --> 00:15:40,000

more to the point of interrogating that

489

00:15:43,829 --> 00:15:41,600

stuff and

490

00:15:45,670 --> 00:15:43,839

i god man my questions would be so

491

00:15:46,629 --> 00:15:45,680

different like when i was younger i was

492

00:15:48,949 --> 00:15:46,639

such a

493

00:15:50,389 --> 00:15:48,959

child it was like what's your name

494

00:15:53,350 --> 00:15:50,399

what's he heard like it was that like

495

00:15:55,829 --> 00:15:53,360

that type of stuff like what are

496

00:15:56,470 --> 00:15:55,839

like you of what is the meaning of life

497

00:16:00,150 --> 00:15:56,480

you know yeah

498

00:16:03,670 --> 00:16:00,160

right like you're just so shocked by

499

00:16:04,870 --> 00:16:03,680

oh my god i can't believe this is saying

500

00:16:06,629 --> 00:16:04,880

it was that

501
00:16:08,069 --> 00:16:06,639
like this can't be true this can't be

502
00:16:09,670 --> 00:16:08,079
right like if this is but then when you

503
00:16:11,269 --> 00:16:09,680
think about it why can't that be true

504
00:16:12,790 --> 00:16:11,279
like all of this is weird when you think

505
00:16:14,310 --> 00:16:12,800
about it we're just familiar with it

506
00:16:15,910 --> 00:16:14,320
it's familiarity that brings on this

507
00:16:17,670 --> 00:16:15,920
notion that this is not strange all of

508
00:16:18,629 --> 00:16:17,680
the [h__\h] is weird the fact that anything

509
00:16:21,670 --> 00:16:18,639
is

510
00:16:25,749 --> 00:16:21,680
god's sake

511
00:16:27,030 --> 00:16:25,759
like the notion that atoms would cobble

512
00:16:30,069 --> 00:16:27,040
together

513
00:16:31,430 --> 00:16:30,079

like inorganic stuff producing this

514

00:16:32,870 --> 00:16:31,440

notion of

515

00:16:35,030 --> 00:16:32,880

is there something out there in the

516

00:16:37,189 --> 00:16:35,040

universe like that's just

517

00:16:38,949 --> 00:16:37,199

extraordinary like the texture of all

518

00:16:41,110 --> 00:16:38,959

this stuff all this stuff is strange

519

00:16:43,030 --> 00:16:41,120

um no man i had a bunch of weird

520

00:16:44,790 --> 00:16:43,040

experiences when i was younger and so it

521

00:16:46,470 --> 00:16:44,800

it put you or put me in this kind of

522

00:16:49,670 --> 00:16:46,480

headspace of um

523

00:16:52,230 --> 00:16:49,680

what's what's true and

524

00:16:53,350 --> 00:16:52,240

i thought it was always strange that we

525

00:16:56,069 --> 00:16:53,360

were a ball

526
00:16:57,110 --> 00:16:56,079
hurling through space and yet nobody

527
00:16:58,949 --> 00:16:57,120
thought of thinking

528
00:17:00,230 --> 00:16:58,959
hey is it possible that there are other

529
00:17:01,110 --> 00:17:00,240
balls rolling through space with other

530
00:17:02,310 --> 00:17:01,120
beings on it

531
00:17:03,350 --> 00:17:02,320
i just thought it was the weirdest thing

532
00:17:04,789 --> 00:17:03,360
ever and it was like oh dude that's

533
00:17:07,750 --> 00:17:04,799
crazy that's conspiracy theory

534
00:17:09,189 --> 00:17:07,760
so wait so god made a vase around earth

535
00:17:11,350 --> 00:17:09,199
they made a ball around earth

536
00:17:13,429 --> 00:17:11,360
no no no it's not that it would have to

537
00:17:13,909 --> 00:17:13,439
be it would have to be by definition

538
00:17:15,350 --> 00:17:13,919

almost

539

00:17:17,750 --> 00:17:15,360

it's like if you think of the number of

540

00:17:19,750 --> 00:17:17,760

galaxies and it's like expanding

541

00:17:21,429 --> 00:17:19,760

ever expanding ever expanding and it's

542

00:17:24,230 --> 00:17:21,439

like yeah yeah yeah but it's just

543

00:17:25,110 --> 00:17:24,240

us it's just bizarre and so then they

544

00:17:27,110 --> 00:17:25,120

would say

545

00:17:28,549 --> 00:17:27,120

okay well maybe not just us there are

546

00:17:29,909 --> 00:17:28,559

other things out there but they can't

547

00:17:31,909 --> 00:17:29,919

hear how do you know that

548

00:17:33,110 --> 00:17:31,919

well our physics say your physics is 100

549

00:17:34,950 --> 00:17:33,120

years old how do you know that

550

00:17:37,430 --> 00:17:34,960

well i'm neil degrasse tyson and i have

551

00:17:39,669 --> 00:17:37,440

god's knowledge of the universe

552

00:17:41,270 --> 00:17:39,679

he's like get out of here and then you

553

00:17:42,150 --> 00:17:41,280

get the report and you're looking at him

554

00:17:46,390 --> 00:17:42,160

like

555

00:17:49,510 --> 00:17:46,400

all right what's your excuse me

556

00:17:51,510 --> 00:17:49,520

they have no answers right well oh

557

00:17:53,430 --> 00:17:51,520

that is that's such a good connector

558

00:17:54,150 --> 00:17:53,440

right there tomorrow i want to get your

559

00:17:55,909 --> 00:17:54,160

thoughts because

560

00:17:57,750 --> 00:17:55,919

thank you for sharing that origin story

561

00:18:02,150 --> 00:17:57,760

by the way i know it's you know

562

00:18:05,270 --> 00:18:04,310

it's crazy how i always love hearing how

563

00:18:06,870 --> 00:18:05,280

people get

564

00:18:09,350 --> 00:18:06,880

kind of involved with these things but

565

00:18:12,830 --> 00:18:09,360

you did run up it came out of the blue

566

00:18:15,669 --> 00:18:12,840

like it like on it it fell in your head

567

00:18:18,950 --> 00:18:15,679

intense um

568

00:18:21,990 --> 00:18:18,960

unsettling strange

569

00:18:25,190 --> 00:18:22,000

need to understand and know all at once

570

00:18:26,710 --> 00:18:25,200

and it was like freaky it freaked me out

571

00:18:27,510 --> 00:18:26,720

like that just freaked my wife it was

572

00:18:29,750 --> 00:18:27,520

freaking me out

573

00:18:31,510 --> 00:18:29,760

because it was stuff like i remember

574

00:18:33,590 --> 00:18:31,520

sitting one time thinking

575

00:18:35,350 --> 00:18:33,600

if this is real meaning if there's a

576
00:18:36,789 --> 00:18:35,360
bear there and there's something that is

577
00:18:40,230 --> 00:18:36,799
visiting this planet

578
00:18:42,789 --> 00:18:40,240
and and this is and you are accepting

579
00:18:44,070 --> 00:18:42,799
on some level all right if this is real

580
00:18:45,669 --> 00:18:44,080
and you're going through with

581
00:18:47,669 --> 00:18:45,679
pushing and pushing trying to figure out

582
00:18:48,390 --> 00:18:47,679
what's true this is not like the spirit

583
00:18:50,150 --> 00:18:48,400
gut stuff

584
00:18:51,830 --> 00:18:50,160
like this is more like there's a

585
00:18:54,390 --> 00:18:51,840
physical reality to this

586
00:18:55,190 --> 00:18:54,400
supposedly and you can get abducted it

587
00:18:58,070 --> 00:18:55,200
was that

588
00:19:00,070 --> 00:18:58,080

it was did you accept all of this as you

589

00:19:02,870 --> 00:19:00,080

go into the it was all of that right

590

00:19:05,029 --> 00:19:02,880

it was very very heady very very intense

591

00:19:06,549 --> 00:19:05,039

and then at some point it leveled off

592

00:19:07,909 --> 00:19:06,559

and then at the point where he leveled

593

00:19:10,390 --> 00:19:07,919

off it never leveled off to a point of

594

00:19:13,029 --> 00:19:10,400

zero it just kind of level off to okay

595

00:19:14,870 --> 00:19:13,039

this is a balanced level of looking at

596

00:19:15,830 --> 00:19:14,880

the world with other stuff etcetera

597

00:19:17,430 --> 00:19:15,840

etcetera

598

00:19:18,870 --> 00:19:17,440

um at the point where i got back into

599

00:19:20,950 --> 00:19:18,880

got heavy into

600

00:19:22,150 --> 00:19:20,960

the political space the ufo stuff never

601
00:19:24,390 --> 00:19:22,160
went away because

602
00:19:26,789 --> 00:19:24,400
honestly to the level to which you could

603
00:19:29,430 --> 00:19:26,799
defend there was a there there

604
00:19:31,190 --> 00:19:29,440
like even like meaning not trying to

605
00:19:32,950 --> 00:19:31,200
contact anything none of that stuff

606
00:19:34,310 --> 00:19:32,960
just from the standpoint of okay what's

607
00:19:35,990 --> 00:19:34,320
real well

608
00:19:37,190 --> 00:19:36,000
there was a real there there to it and

609
00:19:37,990 --> 00:19:37,200
there was enough evidence to show there

610
00:19:39,430 --> 00:19:38,000
was that they are there to

611
00:19:41,190 --> 00:19:39,440
it so from my perspective yeah you can

612
00:19:43,110 --> 00:19:41,200
argue um up to the point

613
00:19:45,669 --> 00:19:43,120

that you can defend um at the point

614

00:19:47,830 --> 00:19:45,679

where the report came out oh dude

615

00:19:49,830 --> 00:19:47,840

the horse was at the barn yeah and like

616

00:19:50,870 --> 00:19:49,840

we're now at that place tomorrow i think

617

00:19:54,470 --> 00:19:50,880

where

618

00:19:56,789 --> 00:19:54,480

that there there like you said um is now

619

00:19:57,590 --> 00:19:56,799

literally crashing headfirst into

620

00:20:00,950 --> 00:19:57,600

politics

621

00:20:02,310 --> 00:20:00,960

yes and now the us government is saying

622

00:20:04,390 --> 00:20:02,320

there's something there we need to

623

00:20:05,909 --> 00:20:04,400

continue looking into it so i'd love to

624

00:20:06,470 --> 00:20:05,919

get your opinion on that man the report

625

00:20:08,549 --> 00:20:06,480

drops

626
00:20:09,990 --> 00:20:08,559
you were literally on a live stream yeah

627
00:20:11,190 --> 00:20:10,000
when this thing dropped i remember

628
00:20:13,990 --> 00:20:11,200
watching this thing

629
00:20:15,590 --> 00:20:14,000
and to see all of you guys like like

630
00:20:16,950 --> 00:20:15,600
literally be like oh my god it's here

631
00:20:18,390 --> 00:20:16,960
i'm like i'm gonna go through this

632
00:20:20,230 --> 00:20:18,400
i'm okay the floor whenever at the

633
00:20:21,990 --> 00:20:20,240
report right well that's okay

634
00:20:23,430 --> 00:20:22,000
what are your thoughts on it yeah what

635
00:20:24,549 --> 00:20:23,440
are your thoughts on the report i mean i

636
00:20:25,830 --> 00:20:24,559
know a lot of people in the ufo

637
00:20:27,750 --> 00:20:25,840
community were really

638
00:20:29,510 --> 00:20:27,760

let down and they were like there's no

639

00:20:30,230 --> 00:20:29,520

photos there's no videos yeah what do

640

00:20:32,950 --> 00:20:30,240

you think about

641

00:20:35,029 --> 00:20:32,960

that screw that screw that the point of

642

00:20:37,750 --> 00:20:35,039

the report was to

643

00:20:38,630 --> 00:20:37,760

confirm and establish legitimacy that

644

00:20:40,950 --> 00:20:38,640

was the point

645

00:20:41,669 --> 00:20:40,960

it was never going to say aliens are

646

00:20:43,270 --> 00:20:41,679

real

647

00:20:45,510 --> 00:20:43,280

but for all intents and purposes the

648

00:20:47,430 --> 00:20:45,520

report is screaming aliens are real

649

00:20:48,870 --> 00:20:47,440

or something is real that is in a space

650

00:20:49,669 --> 00:20:48,880

that is doing something that is breaking

651
00:20:52,230 --> 00:20:49,679
out paradigm

652
00:20:53,110 --> 00:20:52,240
i mean chris mellon just released um the

653
00:20:57,350 --> 00:20:53,120
nimitz

654
00:21:00,470 --> 00:20:57,360
basically saying

655
00:21:02,549 --> 00:21:00,480
something is dispersing radar it is

656
00:21:04,070 --> 00:21:02,559
making these massive accelerations left

657
00:21:06,310 --> 00:21:04,080
and right like where it's

658
00:21:08,149 --> 00:21:06,320
um making these movements but it has no

659
00:21:08,870 --> 00:21:08,159
visible surface for propulsion and

660
00:21:12,630 --> 00:21:08,880
everything else

661
00:21:14,549 --> 00:21:12,640
it's not us that's what that's the point

662
00:21:15,750 --> 00:21:14,559
that he's trying to make and look

663
00:21:17,669 --> 00:21:15,760

whether you say

664

00:21:19,190 --> 00:21:17,679

it's us or not us the report has

665

00:21:21,990 --> 00:21:19,200

basically said this is real

666

00:21:23,669 --> 00:21:22,000

we have been lying for 70 years the

667

00:21:24,950 --> 00:21:23,679

thing that we said wasn't real the thing

668

00:21:26,070 --> 00:21:24,960

that we said was swamp gas the thing

669

00:21:29,190 --> 00:21:26,080

that we said didn't exist

670

00:21:31,110 --> 00:21:29,200

is real it's real confirm it real that's

671

00:21:32,710 --> 00:21:31,120

what the report is it's confirmation

672

00:21:34,390 --> 00:21:32,720

now i know people in the ufo community

673

00:21:36,310 --> 00:21:34,400

may say they wanted more because in

674

00:21:37,110 --> 00:21:36,320

their heads they were already there

675

00:21:38,549 --> 00:21:37,120

meaning they didn't need the

676
00:21:40,230 --> 00:21:38,559
confirmation they were already there but

677
00:21:42,710 --> 00:21:40,240
the report is not entirely for them

678
00:21:43,430 --> 00:21:42,720
the report is by everybody else who

679
00:21:45,990 --> 00:21:43,440
wasn't

680
00:21:47,270 --> 00:21:46,000
everything else thought this was a

681
00:21:49,110 --> 00:21:47,280
giggle factor and everything else the

682
00:21:51,350 --> 00:21:49,120
report is like no

683
00:21:53,270 --> 00:21:51,360
the google factor is over this is real

684
00:21:54,230 --> 00:21:53,280
and as such as the government of the

685
00:21:56,950 --> 00:21:54,240
united states

686
00:21:58,870 --> 00:21:56,960
every alphabet soup agency stands up and

687
00:22:00,549 --> 00:21:58,880
says yes this report we're standing by

688
00:22:03,350 --> 00:22:00,559

this report it's real

689

00:22:04,470 --> 00:22:03,360

and on top of it's real we are

690

00:22:07,270 --> 00:22:04,480

maneuvering

691

00:22:08,070 --> 00:22:07,280

the mechanisms of government itself to

692

00:22:10,789 --> 00:22:08,080

accrue

693

00:22:12,149 --> 00:22:10,799

information on this topic it's a

694

00:22:14,870 --> 00:22:12,159

fascinating thing to watch

695

00:22:16,230 --> 00:22:14,880

i mean in all honesty i mean it's it's

696

00:22:19,110 --> 00:22:16,240

sausage-making

697

00:22:20,310 --> 00:22:19,120

but in a purple context um look

698

00:22:22,149 --> 00:22:20,320

personally

699

00:22:23,590 --> 00:22:22,159

i think they already know i mean when

700

00:22:26,310 --> 00:22:23,600

you hear mitt romney say

701
00:22:28,070 --> 00:22:26,320
it's not russia it's not china i don't

702
00:22:30,070 --> 00:22:28,080
think it's aliens it's like dude

703
00:22:31,750 --> 00:22:30,080
you've taken everything off the table

704
00:22:32,549 --> 00:22:31,760
you've literally taken everything off

705
00:22:34,789 --> 00:22:32,559
the table

706
00:22:37,110 --> 00:22:34,799
and i think romney is every man honestly

707
00:22:38,149 --> 00:22:37,120
i do i think romney is every person who

708
00:22:40,390 --> 00:22:38,159
says

709
00:22:41,590 --> 00:22:40,400
the paradigm that you've just added to

710
00:22:42,230 --> 00:22:41,600
the table because that's what's been

711
00:22:43,990 --> 00:22:42,240
added

712
00:22:45,590 --> 00:22:44,000
meaning think of all of the stuff that

713
00:22:46,630 --> 00:22:45,600

falls out of the ufo subject that stuff

714

00:22:48,310 --> 00:22:46,640

is on the table

715

00:22:49,669 --> 00:22:48,320

whereas beforehand they would never even

716

00:22:50,870 --> 00:22:49,679

acknowledge it being part of the

717

00:22:53,190 --> 00:22:50,880

conversation that is

718

00:22:54,710 --> 00:22:53,200

major like i know the ufo community want

719

00:22:55,430 --> 00:22:54,720

it more but i don't think they

720

00:22:57,909 --> 00:22:55,440

acknowledge

721

00:22:59,909 --> 00:22:57,919

the amount to which they got like it is

722

00:23:01,029 --> 00:22:59,919

extraordinary there is nothing that has

723

00:23:03,510 --> 00:23:01,039

been out like this

724

00:23:05,190 --> 00:23:03,520

and so it's it's not even like okay

725

00:23:05,750 --> 00:23:05,200

we've seen something in the air we don't

726

00:23:08,630 --> 00:23:05,760

know what

727

00:23:09,029 --> 00:23:08,640

it's like okay we've just based on what

728

00:23:12,390 --> 00:23:09,039

they

729

00:23:14,470 --> 00:23:12,400

gave you it almost eliminates certain

730

00:23:17,190 --> 00:23:14,480

items just because of the technology and

731

00:23:19,750 --> 00:23:17,200

everything else is foreign it's not

732

00:23:20,950 --> 00:23:19,760

what they're describing is not what we

733

00:23:24,070 --> 00:23:20,960

would consider to be

734

00:23:26,549 --> 00:23:24,080

objects that comply to normal physics

735

00:23:27,750 --> 00:23:26,559

so whether it's us or not it breaks up

736

00:23:29,590 --> 00:23:27,760

paradigm

737

00:23:30,870 --> 00:23:29,600

that's what i mean like like i don't

738

00:23:33,110 --> 00:23:30,880

think the community

739

00:23:34,710 --> 00:23:33,120

is acknowledging the extent or the

740

00:23:37,190 --> 00:23:34,720

amount to which they got they got

741

00:23:38,310 --> 00:23:37,200

confirmation and legitimacy all at once

742

00:23:39,590 --> 00:23:38,320

and that's something that they've never

743

00:23:42,710 --> 00:23:39,600

been offered

744

00:23:44,230 --> 00:23:42,720

so i think that's major and now the

745

00:23:47,190 --> 00:23:44,240

fight at this point is

746

00:23:47,750 --> 00:23:47,200

what is it well if the ufo community is

747

00:23:49,830 --> 00:23:47,760

right

748

00:23:51,029 --> 00:23:49,840

and it's the alien hypothesis well that

749

00:23:52,870 --> 00:23:51,039

is the thing that gets

750

00:23:55,269 --> 00:23:52,880

meted out what i think is taking place

751
00:23:57,990 --> 00:23:55,279
is the slow walk

752
00:23:58,789 --> 00:23:58,000
to confirmation where it's we're going

753
00:24:00,870 --> 00:23:58,799
to get the public

754
00:24:02,070 --> 00:24:00,880
acclimated it is going to be one report

755
00:24:03,669 --> 00:24:02,080
after the next

756
00:24:05,990 --> 00:24:03,679
there is no politician that's going to

757
00:24:07,430 --> 00:24:06,000
run out and screaming ufos are alias

758
00:24:09,190 --> 00:24:07,440
none of them are going to do it what

759
00:24:10,549 --> 00:24:09,200
they will do is say we need another

760
00:24:11,110 --> 00:24:10,559
report which they're going to get in 90

761
00:24:13,990 --> 00:24:11,120
days

762
00:24:15,029 --> 00:24:14,000
and they're going to say we need um

763
00:24:16,549 --> 00:24:15,039

congressional hearings we need

764

00:24:18,470 --> 00:24:16,559

congressional hearings which is again

765

00:24:19,750 --> 00:24:18,480

what they're asking for and what they

766

00:24:23,230 --> 00:24:19,760

would do is

767

00:24:25,990 --> 00:24:23,240

use or disperse let's say the

768

00:24:28,870 --> 00:24:26,000

responsibility of acknowledging

769

00:24:29,909 --> 00:24:28,880

what it is onto an agency because keep

770

00:24:31,029 --> 00:24:29,919

in mind from the standpoint of a

771

00:24:32,549 --> 00:24:31,039

politician they don't want to

772

00:24:33,909 --> 00:24:32,559

necessarily come out and say something

773

00:24:34,549 --> 00:24:33,919

that they can be politically attacked

774

00:24:35,990 --> 00:24:34,559

for

775

00:24:37,590 --> 00:24:36,000

what they will do is say okay we're

776

00:24:39,190 --> 00:24:37,600

going to have this agency look into it

777

00:24:41,110 --> 00:24:39,200

so the responsibility

778

00:24:42,710 --> 00:24:41,120

of coming out and saying one thing or

779

00:24:44,870 --> 00:24:42,720

the other is dispersed within the

780

00:24:46,630 --> 00:24:44,880

members of the agency a committee of 10

781

00:24:48,230 --> 00:24:46,640

who are gonna do whatever they'll do

782

00:24:49,990 --> 00:24:48,240

that and that's what they're gonna do in

783

00:24:53,430 --> 00:24:50,000

this issue they're gonna disperse

784

00:24:56,549 --> 00:24:53,440

the responsibility of confirming on one

785

00:24:57,990 --> 00:24:56,559

report or one hearing after the next so

786

00:24:59,430 --> 00:24:58,000

when it finally gets down to the end

787

00:25:02,470 --> 00:24:59,440

it's the last thing

788

00:25:05,190 --> 00:25:02,480

the last um um candy corn

789

00:25:05,990 --> 00:25:05,200

in the box then at that point it's not

790

00:25:08,230 --> 00:25:06,000

any member

791

00:25:09,510 --> 00:25:08,240

saying it it's the group that's my

792

00:25:09,909 --> 00:25:09,520

thought i could be entirely wrong on

793

00:25:11,510 --> 00:25:09,919

that

794

00:25:13,029 --> 00:25:11,520

i mean unless they you know somebody

795

00:25:15,190 --> 00:25:13,039

pull back the lever and say okay screw

796

00:25:17,029 --> 00:25:15,200

it we're no longer doing this until yeah

797

00:25:18,710 --> 00:25:17,039

that can always happen well that's what

798

00:25:20,950 --> 00:25:18,720

they're doing that's what it looks like

799

00:25:22,549 --> 00:25:20,960

yeah yeah right i think that's what it

800

00:25:24,310 --> 00:25:22,559

looks like that's a good way to put it

801
00:25:27,590 --> 00:25:24,320
because i know a lot of this

802
00:25:29,190 --> 00:25:27,600
um is about narrative you know you've

803
00:25:31,110 --> 00:25:29,200
got one side being like

804
00:25:32,870 --> 00:25:31,120
they're not a threat they're peaceful we

805
00:25:33,909 --> 00:25:32,880
need to communicate with them i you knew

806
00:25:35,669 --> 00:25:33,919
it was going there man

807
00:25:37,510 --> 00:25:35,679
and the other side's saying potential

808
00:25:39,110 --> 00:25:37,520
threat we have to look out for this we

809
00:25:39,430 --> 00:25:39,120
need to build up space force blah blah

810
00:25:45,190 --> 00:25:39,440
blah

811
00:25:46,310 --> 00:25:45,200
i mean you you work in washington you

812
00:25:49,510 --> 00:25:46,320
see these people

813
00:25:51,990 --> 00:25:49,520

every day in how they spin

814

00:25:53,750 --> 00:25:52,000

things how they do things like what are

815

00:25:55,830 --> 00:25:53,760

we looking at with this pentagon thing

816

00:25:57,269 --> 00:25:55,840

should we like trust everything they're

817

00:25:58,470 --> 00:25:57,279

saying when it comes to this topic

818

00:26:00,310 --> 00:25:58,480

like yeah we're going to get another

819

00:26:02,549 --> 00:26:00,320

report we're going to have a

820

00:26:03,830 --> 00:26:02,559

hopefully kind of a permanent place

821

00:26:06,710 --> 00:26:03,840

collecting this data

822

00:26:08,310 --> 00:26:06,720

that the dod said like but is that good

823

00:26:10,149 --> 00:26:08,320

like or is that just another way to kind

824

00:26:13,430 --> 00:26:10,159

of contain everything and

825

00:26:16,630 --> 00:26:13,440

uh also get money to like protect our

826

00:26:18,390 --> 00:26:16,640

our our atmosphere from you know

827

00:26:20,149 --> 00:26:18,400

an invasion yeah what do you think of

828

00:26:23,350 --> 00:26:20,159

all that um

829

00:26:24,870 --> 00:26:23,360

so let's take a little bit for the

830

00:26:26,390 --> 00:26:24,880

because moment and bad gets complicated

831

00:26:29,029 --> 00:26:26,400

it does um

832

00:26:31,029 --> 00:26:29,039

and let's go with cause and effect okay

833

00:26:34,630 --> 00:26:31,039

um i do believe

834

00:26:36,149 --> 00:26:34,640

that you will have people who would want

835

00:26:37,750 --> 00:26:36,159

to maintain the integrity

836

00:26:40,310 --> 00:26:37,760

of earth or what they would consider the

837

00:26:42,230 --> 00:26:40,320

sovereignty of earth and that people who

838

00:26:43,750 --> 00:26:42,240

are in intel may want to craft a

839

00:26:45,269 --> 00:26:43,760

narrative to explain

840

00:26:47,590 --> 00:26:45,279

how have you been lying for so many

841

00:26:49,190 --> 00:26:47,600

years and that that narrative may be

842

00:26:50,710 --> 00:26:49,200

coming out with all of this you know the

843

00:26:52,070 --> 00:26:50,720

information is coming out oh golly gee

844

00:26:53,669 --> 00:26:52,080

we just hit our head on this we didn't

845

00:26:55,590 --> 00:26:53,679

know that this was a real thing

846

00:26:57,590 --> 00:26:55,600

we have no idea what it is et cetera et

847

00:26:59,190 --> 00:26:57,600

cetera and the fact of the matter is if

848

00:27:01,110 --> 00:26:59,200

they do know what it is

849

00:27:02,789 --> 00:27:01,120

then they are managing the way this

850

00:27:04,390 --> 00:27:02,799

information gets released now the catch

851
00:27:05,590 --> 00:27:04,400
becomes who's running the ball or what's

852
00:27:10,710 --> 00:27:05,600
being managed

853
00:27:13,110 --> 00:27:10,720
um i look i personally like elizabeth

854
00:27:14,549 --> 00:27:13,120
um but i don't know who he works for so

855
00:27:17,350 --> 00:27:14,559
that screws with me

856
00:27:18,630 --> 00:27:17,360
now what i mean by that is if his

857
00:27:21,430 --> 00:27:18,640
mission seems to be

858
00:27:22,389 --> 00:27:21,440
to get the information out and to kind

859
00:27:24,789 --> 00:27:22,399
of

860
00:27:26,230 --> 00:27:24,799
get and pull this information out so it

861
00:27:27,669 --> 00:27:26,240
becomes okay why now

862
00:27:29,430 --> 00:27:27,679
government tends to not do anything

863
00:27:31,909 --> 00:27:29,440

unless it has some kind of motive behind

864

00:27:33,590 --> 00:27:31,919

the reason that it's doing it is it just

865

00:27:35,350 --> 00:27:33,600

okay we just this is the opportune

866

00:27:38,630 --> 00:27:35,360

moment that we think we can get it up

867

00:27:40,789 --> 00:27:38,640

okay why now also

868

00:27:41,909 --> 00:27:40,799

these guys are spooks right so that

869

00:27:44,149 --> 00:27:41,919

screws with me

870

00:27:45,510 --> 00:27:44,159

being that it's for the last what 70

871

00:27:46,710 --> 00:27:45,520

years these have been the same people

872

00:27:48,230 --> 00:27:46,720

who basically have been hired again and

873

00:27:50,630 --> 00:27:48,240

now lola's and they're saying

874

00:27:52,389 --> 00:27:50,640

trust us um we're the people who've been

875

00:27:53,430 --> 00:27:52,399

hiding it followed me two years in life

876
00:27:56,549 --> 00:27:53,440
all of these years

877
00:27:58,070 --> 00:27:56,559
so there's that part so not knowing the

878
00:27:59,830 --> 00:27:58,080
motivations behind the people who are

879
00:28:02,549 --> 00:27:59,840
basically coming out

880
00:28:03,909 --> 00:28:02,559
um and just because information is being

881
00:28:05,750 --> 00:28:03,919
leaked again

882
00:28:08,230 --> 00:28:05,760
and usually in political circles when

883
00:28:11,029 --> 00:28:08,240
people are leaking information for

884
00:28:12,470 --> 00:28:11,039
an effect we want to put something out

885
00:28:13,430 --> 00:28:12,480
into the public that the media will

886
00:28:15,430 --> 00:28:13,440
consume

887
00:28:16,549 --> 00:28:15,440
that will push a conversation in a

888
00:28:18,710 --> 00:28:16,559

specific direction

889

00:28:19,750 --> 00:28:18,720

that's typically the point of leaks any

890

00:28:20,950 --> 00:28:19,760

people who are typically pointing out

891

00:28:21,990 --> 00:28:20,960

those leaks so typically people will

892

00:28:24,070 --> 00:28:22,000

manage by

893

00:28:25,190 --> 00:28:24,080

intel it goes both ways the reporter

894

00:28:27,350 --> 00:28:25,200

gets the leak the

895

00:28:29,110 --> 00:28:27,360

um intel gets the direction in which

896

00:28:31,269 --> 00:28:29,120

they get to push the conversation

897

00:28:32,950 --> 00:28:31,279

um and so when you have the ufo leaks

898

00:28:34,549 --> 00:28:32,960

and it's like okay one drop after the

899

00:28:37,029 --> 00:28:34,559

next after the next after the next

900

00:28:37,909 --> 00:28:37,039

it seems that somebody is trying to push

901
00:28:39,669 --> 00:28:37,919
something

902
00:28:41,029 --> 00:28:39,679
in a direction and keep the conversation

903
00:28:42,870 --> 00:28:41,039
moving in a particular direction and

904
00:28:44,630 --> 00:28:42,880
keeping this kind of

905
00:28:47,510 --> 00:28:44,640
churning going in mainstream media in

906
00:28:51,029 --> 00:28:47,520
order to push this information out

907
00:28:51,909 --> 00:28:51,039
now we i it's a yes great i wanted this

908
00:28:53,269 --> 00:28:51,919
information out

909
00:28:55,190 --> 00:28:53,279
by the same token i look at it and say

910
00:28:58,630 --> 00:28:55,200
okay well why now and

911
00:29:02,070 --> 00:28:58,640
why um why why the push

912
00:29:05,110 --> 00:29:02,080
for it and what what is the person's aim

913
00:29:05,909 --> 00:29:05,120

or group's aim um in pushing this up if

914

00:29:08,389 --> 00:29:05,919

that makes sense

915

00:29:10,070 --> 00:29:08,399

yeah i get suspicious i get because i

916

00:29:11,430 --> 00:29:10,080

don't necessarily believe

917

00:29:12,950 --> 00:29:11,440

like you have a situation like somebody

918

00:29:14,389 --> 00:29:12,960

like grier who comes and says oh the

919

00:29:16,470 --> 00:29:14,399

aliens are all

920

00:29:18,710 --> 00:29:16,480

hippies and then you have tom de long

921

00:29:21,029 --> 00:29:18,720

the aliens are going to eat us

922

00:29:22,389 --> 00:29:21,039

both of these guys have intel sources

923

00:29:24,149 --> 00:29:22,399

both of these guys are getting

924

00:29:25,590 --> 00:29:24,159

information and by my estimate what i

925

00:29:27,269 --> 00:29:25,600

suspect is happening

926
00:29:28,630 --> 00:29:27,279
is that all of these people are being

927
00:29:32,149 --> 00:29:28,640
lied to on some level

928
00:29:32,710 --> 00:29:32,159
that there's information um a flavor of

929
00:29:35,830 --> 00:29:32,720
truth

930
00:29:36,230 --> 00:29:35,840
in it with a context dropped at least

931
00:29:38,070 --> 00:29:36,240
that's

932
00:29:40,070 --> 00:29:38,080
the way it happens in political circles

933
00:29:42,149 --> 00:29:40,080
like in media they would say okay

934
00:29:44,149 --> 00:29:42,159
here's our view of the story and

935
00:29:44,549 --> 00:29:44,159
there'll be a certain degree of context

936
00:29:46,149 --> 00:29:44,559
that's

937
00:29:48,549 --> 00:29:46,159
dropped in order to give a perspective

938
00:29:51,669 --> 00:29:48,559

for people a particular perspective

939

00:29:52,710 --> 00:29:51,679

my my fear is that it's that part it's

940

00:29:54,230 --> 00:29:52,720

like hey we're going to give you

941

00:29:55,830 --> 00:29:54,240

information okay great

942

00:29:57,110 --> 00:29:55,840

and this information is something that

943

00:29:57,510 --> 00:29:57,120

you guys have wanted for a very long

944

00:30:00,310 --> 00:29:57,520

time

945

00:30:01,110 --> 00:30:00,320

great is it all the information is it

946

00:30:02,789 --> 00:30:01,120

everything

947

00:30:04,149 --> 00:30:02,799

what are you holding back how long did

948

00:30:04,870 --> 00:30:04,159

you know what did you know when did you

949

00:30:06,149 --> 00:30:04,880

know it it's

950

00:30:08,470 --> 00:30:06,159

that type of stuff it's like you've been

951
00:30:10,389 --> 00:30:08,480
live for 70 years you've been telling

952
00:30:12,149 --> 00:30:10,399
people that it's been swap gas

953
00:30:13,830 --> 00:30:12,159
and you've known that it's been

954
00:30:15,430 --> 00:30:13,840
something else this stuff has been going

955
00:30:17,269 --> 00:30:15,440
on since the 40s

956
00:30:19,669 --> 00:30:17,279
and now you're saying that you don't

957
00:30:22,149 --> 00:30:19,679
know what it is so i feel like even that

958
00:30:23,029 --> 00:30:22,159
is somewhat deceptive in information is

959
00:30:25,110 --> 00:30:23,039
coming out

960
00:30:26,470 --> 00:30:25,120
but i do think they're telling us on

961
00:30:31,830 --> 00:30:26,480
some level

962
00:30:32,950 --> 00:30:31,840
um but everything is so into black that

963
00:30:35,590 --> 00:30:32,960

it freaks me out

964

00:30:36,310 --> 00:30:35,600

and so i guess my point is people like

965

00:30:39,590 --> 00:30:36,320

greer

966

00:30:41,110 --> 00:30:39,600

with the threat idea um i would say yes

967

00:30:42,230 --> 00:30:41,120

intel probably wants to maintain

968

00:30:43,750 --> 00:30:42,240

sovereignty of earth from their

969

00:30:46,389 --> 00:30:43,760

perspective it's birth

970

00:30:48,149 --> 00:30:46,399

um yes this full spectrum dominant stuff

971

00:30:50,070 --> 00:30:48,159

that is part of

972

00:30:51,990 --> 00:30:50,080

our thinking of the globe i mean it's

973

00:30:53,590 --> 00:30:52,000

why we it puts us at conflict with all

974

00:30:54,870 --> 00:30:53,600

of these other countries

975

00:30:56,789 --> 00:30:54,880

um i don't know what that looks like

976
00:30:58,310 --> 00:30:56,799
only on a on a global

977
00:31:00,070 --> 00:30:58,320
standpoint though that looks weird on a

978
00:31:01,590 --> 00:31:00,080
global standpoint like america's

979
00:31:02,389 --> 00:31:01,600
dominance over earth like that looks

980
00:31:04,710 --> 00:31:02,399
weird

981
00:31:05,909 --> 00:31:04,720
um the fall black thing i need a little

982
00:31:09,430 --> 00:31:05,919
bit more

983
00:31:11,990 --> 00:31:09,440
than varnavar and bronze secretary

984
00:31:12,470 --> 00:31:12,000
if you're gonna go there that's too good

985
00:31:15,269 --> 00:31:12,480
yeah

986
00:31:16,950 --> 00:31:15,279
it's just so big like meaning i can go

987
00:31:17,990 --> 00:31:16,960
some places with you i can say yes the

988
00:31:19,509 --> 00:31:18,000

threat thing yes

989

00:31:21,509 --> 00:31:19,519

i could see the government wanting to

990

00:31:23,590 --> 00:31:21,519

maintain sovereignty yes i could see

991

00:31:25,590 --> 00:31:23,600

money being dumped into weapons yes i

992

00:31:27,830 --> 00:31:25,600

can see all that stuff happen in fact

993

00:31:29,350 --> 00:31:27,840

even under the best of circumstances the

994

00:31:31,830 --> 00:31:29,360

moment that you say

995

00:31:33,430 --> 00:31:31,840

okay they're not us you will have to

996

00:31:36,470 --> 00:31:33,440

have some kind of governmental or

997

00:31:37,830 --> 00:31:36,480

world or super governmental agency to

998

00:31:39,350 --> 00:31:37,840

deal with it i mean are you really going

999

00:31:40,470 --> 00:31:39,360

to have individual countries dealing

1000

00:31:43,110 --> 00:31:40,480

with

1001
00:31:43,830 --> 00:31:43,120
you know even meaning even if you're not

1002
00:31:45,669 --> 00:31:43,840
dealing with

1003
00:31:51,190 --> 00:31:45,679
anything the moment that you know about

1004
00:31:54,870 --> 00:31:53,029
what's up guys ryan sprague here and i'm

1005
00:31:56,389 --> 00:31:54,880
just dropping in to remind you about our

content with some of the biggest names

1025

00:32:41,830 --> 00:32:38,960

from around the world of ufos

1026
00:32:42,549 --> 00:32:41,840
uap and associated phenomena weekly

1027
00:32:44,389 --> 00:32:42,559
interviews

1028
00:32:45,990 --> 00:32:44,399
roundtable discussions and breaking news

1029
00:32:48,070 --> 00:32:46,000
podcasts with myself

1030
00:32:49,990 --> 00:32:48,080
regular co-host dan and sometimes

1031
00:32:52,070 --> 00:32:50,000
special guests will drop into

1032
00:32:54,389 --> 00:32:52,080
that ufo podcast is available on apple

1033
00:32:55,990 --> 00:32:54,399
podcasts spotify and wherever you can

1034
00:32:57,990 --> 00:32:56,000
download podcasts

1035
00:32:59,990 --> 00:32:58,000
already having hosted names like louise

1036
00:33:03,110 --> 00:33:00,000
elizondo sean cahill

1037
00:33:03,830 --> 00:33:03,120
george knapp avi loeb brandon fugo ralph

1038
00:33:05,830 --> 00:33:03,840

blumenthal

1039

00:33:07,029 --> 00:33:05,840

and many more i hope you come and check

1040

00:33:08,549 --> 00:33:07,039

us out and as always

1041

00:33:12,470 --> 00:33:08,559

keep looking up you never know what you

1042

00:33:17,990 --> 00:33:15,509

i talked to a um a chinese

1043

00:33:19,190 --> 00:33:18,000

astronomer recently who you know is

1044

00:33:21,029 --> 00:33:19,200

working with the

1045

00:33:22,710 --> 00:33:21,039

one of the most sophisticated telescopes

1046

00:33:24,710 --> 00:33:22,720

right now radio telescopes in

1047

00:33:25,830 --> 00:33:24,720

china i think the biggest now since

1048

00:33:27,909 --> 00:33:25,840

arecibo

1049

00:33:29,590 --> 00:33:27,919

fell but um you know the big concern

1050

00:33:32,630 --> 00:33:29,600

there was okay let's say

1051

00:33:33,269 --> 00:33:32,640

china does is the first to um because

1052

00:33:35,029 --> 00:33:33,279

never

1053

00:33:36,950 --> 00:33:35,039

take the techno signatures or make

1054

00:33:37,669 --> 00:33:36,960

contact like would they tell the rest of

1055

00:33:38,950 --> 00:33:37,679

the world or

1056

00:33:40,789 --> 00:33:38,960

what message are they going to

1057

00:33:41,669 --> 00:33:40,799

communicate with the aliens that we

1058

00:33:44,149 --> 00:33:41,679

don't know about

1059

00:33:46,070 --> 00:33:44,159

that's my point right like the

1060

00:33:48,950 --> 00:33:46,080

consequences at that point

1061

00:33:50,549 --> 00:33:48,960

yeah anything become global right what

1062

00:33:52,149 --> 00:33:50,559

what space police are going to be

1063

00:33:53,509 --> 00:33:52,159

policing all of this when it

1064

00:33:55,350 --> 00:33:53,519

when it finally happens if we're going

1065

00:33:55,669 --> 00:33:55,360

to go down the marvel route right so

1066

00:33:56,870 --> 00:33:55,679

well

1067

00:33:59,590 --> 00:33:56,880

but that's what but that's kind of my

1068

00:34:01,110 --> 00:33:59,600

point all of that now on the table

1069

00:34:03,029 --> 00:34:01,120

and and by the way all of it is in the

1070

00:34:04,789 --> 00:34:03,039

black that's on the table because

1071

00:34:07,750 --> 00:34:04,799

depending on it's basically said

1072

00:34:08,470 --> 00:34:07,760

all right ufos are real but no we're not

1073

00:34:09,750 --> 00:34:08,480

going to give you any

1074

00:34:11,270 --> 00:34:09,760

information on it we're just going to

1075

00:34:12,950 --> 00:34:11,280

tell you that they're real meaning we're

1076

00:34:14,310 --> 00:34:12,960

confirming this but no we're not going

1077

00:34:15,109 --> 00:34:14,320

to give you any information beyond the

1078

00:34:17,669 --> 00:34:15,119

confirmation

1079

00:34:19,750 --> 00:34:17,679

that's an untenable position frankly um

1080

00:34:21,030 --> 00:34:19,760

the public should be screaming at them

1081

00:34:21,909 --> 00:34:21,040

what do you mean these things are real

1082

00:34:23,270 --> 00:34:21,919

what do you mean they're in that

1083

00:34:24,550 --> 00:34:23,280

airspace what do you mean this has been

1084

00:34:26,149 --> 00:34:24,560

going on for 70 years and you haven't

1085

00:34:27,750 --> 00:34:26,159

said anything about it have you told the

1086

00:34:29,270 --> 00:34:27,760

president have you told congress

1087

00:34:30,790 --> 00:34:29,280

when did you tell president when did you

1088

00:34:31,589 --> 00:34:30,800

tell congress why have you been lying to

1089

00:34:33,669 --> 00:34:31,599

the public

1090

00:34:35,829 --> 00:34:33,679

like there's so many questions that just

1091

00:34:36,869 --> 00:34:35,839

fall immediately from that and then you

1092

00:34:39,270 --> 00:34:36,879

get into

1093

00:34:41,109 --> 00:34:39,280

the weird stuff like all right what

1094

00:34:43,669 --> 00:34:41,119

about abductions

1095

00:34:44,950 --> 00:34:43,679

what's in the crowd what about like you

1096

00:34:48,230 --> 00:34:44,960

get all of this other stuff

1097

00:34:51,510 --> 00:34:48,240

because they've been lying for so long

1098

00:34:54,230 --> 00:34:51,520

that you've put a paradigm change

1099

00:34:55,190 --> 00:34:54,240

on the table now and the paradigm change

1100

00:34:58,870 --> 00:34:55,200

honestly

1101

00:34:59,990 --> 00:34:58,880

looks more likely than the other items

1102

00:35:02,069 --> 00:35:00,000

you have to deal with that you have to

1103

00:35:05,910 --> 00:35:02,079

answer those questions like for example

1104

00:35:07,910 --> 00:35:05,920

all right um is it russia or is it china

1105

00:35:10,230 --> 00:35:07,920

which one do you think it is

1106

00:35:11,829 --> 00:35:10,240

and is russia or china how did they get

1107

00:35:13,670 --> 00:35:11,839

the breakthrough technology why was the

1108

00:35:15,030 --> 00:35:13,680

technology only used in a very specific

1109

00:35:17,030 --> 00:35:15,040

instance of the craft but not

1110

00:35:18,870 --> 00:35:17,040

necessarily within the context of their

1111

00:35:20,069 --> 00:35:18,880

society when do you think this

1112

00:35:21,349 --> 00:35:20,079

breakthrough occurred how

1113

00:35:24,069 --> 00:35:21,359

is this breakthrough working i mean

1114

00:35:27,349 --> 00:35:24,079

there's so many questions that like

1115

00:35:29,030 --> 00:35:27,359

that fall out of this document

1116

00:35:31,190 --> 00:35:29,040

that either need to be asked that need

1117

00:35:31,589 --> 00:35:31,200

to be raised need to at the very least

1118

00:35:35,030 --> 00:35:31,599

be

1119

00:35:36,790 --> 00:35:35,040

engaged um and yeah i think the dod has

1120

00:35:38,790 --> 00:35:36,800

a lot of answering questions to do

1121

00:35:40,710 --> 00:35:38,800

but i think what it boils down to is is

1122

00:35:43,030 --> 00:35:40,720

it us or not

1123

00:35:43,990 --> 00:35:43,040

and i think it's that that's the crux of

1124

00:35:47,030 --> 00:35:44,000

that's why neil degrasse

1125

00:35:49,349 --> 00:35:47,040

tyson is looking crazy trying to explain

1126
00:35:50,870 --> 00:35:49,359
the physics of the scribe hey maybe the

1127
00:35:52,230 --> 00:35:50,880
sensor's glitched

1128
00:35:54,470 --> 00:35:52,240
and i know people want to think of the

1129
00:35:57,510 --> 00:35:54,480
lobster aliens it's like

1130
00:36:00,310 --> 00:35:57,520
no neil right

1131
00:36:01,510 --> 00:36:00,320
there is a paradigm shift that is being

1132
00:36:03,910 --> 00:36:01,520
broken

1133
00:36:05,430 --> 00:36:03,920
that our brave men and women in uniform

1134
00:36:07,750 --> 00:36:05,440
are saying is taking place

1135
00:36:08,710 --> 00:36:07,760
that the sensors are picking up on that

1136
00:36:11,750 --> 00:36:08,720
they are seeing

1137
00:36:13,190 --> 00:36:11,760
visually and with technology

1138
00:36:14,790 --> 00:36:13,200

and it is not that people just want to

1139

00:36:16,390 --> 00:36:14,800

believe they're aliens it's that you

1140

00:36:18,630 --> 00:36:16,400

need to explain

1141

00:36:19,829 --> 00:36:18,640

the factors all of the factors

1142

00:36:21,510 --> 00:36:19,839

associated with the case

1143

00:36:23,510 --> 00:36:21,520

not just the ones that you like all of

1144

00:36:26,069 --> 00:36:23,520

the factors associated with the case

1145

00:36:27,589 --> 00:36:26,079

and he has no answers and so it's like

1146

00:36:28,470 --> 00:36:27,599

he has to come up with the lobster guide

1147

00:36:30,470 --> 00:36:28,480

nonsense

1148

00:36:32,390 --> 00:36:30,480

right um no man it's a it's a

1149

00:36:34,870 --> 00:36:32,400

fascinating

1150

00:36:36,310 --> 00:36:34,880

it's i don't know it's heady the

1151

00:36:39,349 --> 00:36:36,320

ramifications are so

1152

00:36:41,030 --> 00:36:39,359

big there's so much implication to just

1153

00:36:41,510 --> 00:36:41,040

simply putting this report out and

1154

00:36:43,990 --> 00:36:41,520

saying

1155

00:36:44,790 --> 00:36:44,000

it's an other because then like you said

1156

00:36:47,910 --> 00:36:44,800

what do we

1157

00:36:49,270 --> 00:36:47,920

let's say they do finally say it's alien

1158

00:36:50,630 --> 00:36:49,280

like you said

1159

00:36:52,230 --> 00:36:50,640

then what what about all these

1160

00:36:53,349 --> 00:36:52,240

abductions that supposedly happened what

1161

00:36:55,030 --> 00:36:53,359

about all these um

1162

00:36:57,910 --> 00:36:55,040

crashes what about all these people

1163

00:36:59,109 --> 00:36:57,920

injured by supposed radiation or whatnot

1164

00:37:01,030 --> 00:36:59,119

from ufo landing

1165

00:37:02,150 --> 00:37:01,040

like what's in the craft just what's the

1166

00:37:04,310 --> 00:37:02,160

basic thing of what's

1167

00:37:06,150 --> 00:37:04,320

that and by the way they're staying away

1168

00:37:08,710 --> 00:37:06,160

from that like like the plague

1169

00:37:09,670 --> 00:37:08,720

yeah um because it's because what's it

1170

00:37:13,430 --> 00:37:09,680

gets weird

1171

00:37:14,870 --> 00:37:13,440

like what's in it gets it's so unknown

1172

00:37:16,310 --> 00:37:14,880

it's very strange it's like they have an

1173

00:37:17,910 --> 00:37:16,320

unknown but they have unknowns within

1174

00:37:21,030 --> 00:37:17,920

the context of the unknowns

1175

00:37:22,230 --> 00:37:21,040

and within one unknown it's enough in

1176

00:37:24,390 --> 00:37:22,240

the moment right yeah

1177

00:37:26,069 --> 00:37:24,400

it's like is there there there and the

1178

00:37:29,670 --> 00:37:26,079

report says yes

1179

00:37:31,109 --> 00:37:29,680

and then it becomes okay is it us or not

1180

00:37:32,950 --> 00:37:31,119

and then the report just says we don't

1181

00:37:34,310 --> 00:37:32,960

know we need more information we need

1182

00:37:35,109 --> 00:37:34,320

more information we need more data we

1183

00:37:36,230 --> 00:37:35,119

need more cert

1184

00:37:37,670 --> 00:37:36,240

but the people who are looking at the

1185

00:37:39,510 --> 00:37:37,680

classified data comes back and says

1186

00:37:40,950 --> 00:37:39,520

that's not us

1187

00:37:43,109 --> 00:37:40,960

and like i said chris mellon just

1188

00:37:46,230 --> 00:37:43,119

dropped a report on the nimitz case

1189

00:37:46,550 --> 00:37:46,240

that's not us that's not us there's no

1190

00:37:48,710 --> 00:37:46,560

way

1191

00:37:50,470 --> 00:37:48,720

i mean look unless we had a breakthrough

1192

00:37:52,550 --> 00:37:50,480

in our technology and then the catch

1193

00:37:53,990 --> 00:37:52,560

becomes okay over the course of the last

1194

00:37:56,310 --> 00:37:54,000

let's say 50 years

1195

00:37:58,150 --> 00:37:56,320

there's a bit has there been a change in

1196

00:37:59,349 --> 00:37:58,160

the various types of ufos that we've

1197

00:38:00,310 --> 00:37:59,359

been seeing and perceiving in the

1198

00:38:03,589 --> 00:38:00,320

airspace

1199

00:38:06,390 --> 00:38:03,599

now the reason i asked that is because

1200

00:38:08,150 --> 00:38:06,400

how did they get here if it's a small

1201
00:38:09,430 --> 00:38:08,160
craft that small craft wasn't chucking

1202
00:38:11,670 --> 00:38:09,440
around the galaxy

1203
00:38:13,109 --> 00:38:11,680
how did it get here and if how did it

1204
00:38:15,349 --> 00:38:13,119
get here was there a manufacturing

1205
00:38:16,950 --> 00:38:15,359
facility here has it increased or

1206
00:38:18,470 --> 00:38:16,960
changed over time like all of these

1207
00:38:19,270 --> 00:38:18,480
questions fall out of this particular

1208
00:38:22,630 --> 00:38:19,280
topic

1209
00:38:23,829 --> 00:38:22,640
and um you know 50 years ago

1210
00:38:25,750 --> 00:38:23,839
this could have been data that they've

1211
00:38:27,270 --> 00:38:25,760
been could have been compelling

1212
00:38:29,030 --> 00:38:27,280
and on some level i suspect they weren't

1213
00:38:30,870 --> 00:38:29,040

compiling this data that's why i don't

1214

00:38:33,270 --> 00:38:30,880

buy this like i don't buy

1215

00:38:34,230 --> 00:38:33,280

this roll out like oh golly shucks we

1216

00:38:36,870 --> 00:38:34,240

just stumble across

1217

00:38:38,390 --> 00:38:36,880

ufos and you know i don't buy that yeah

1218

00:38:40,630 --> 00:38:38,400

i don't buy that at all

1219

00:38:42,310 --> 00:38:40,640

yeah i i would have to agree i i'm one

1220

00:38:44,069 --> 00:38:42,320

of those people in this field

1221

00:38:45,510 --> 00:38:44,079

tomorrow who doesn't think the

1222

00:38:47,270 --> 00:38:45,520

government knows much

1223

00:38:49,030 --> 00:38:47,280

i think they know something and like you

1224

00:38:50,950 --> 00:38:49,040

said i think a lot of all of this

1225

00:38:52,630 --> 00:38:50,960

is being managed somehow like you you

1226

00:38:55,109 --> 00:38:52,640

said earlier but

1227

00:38:56,310 --> 00:38:55,119

i don't think they truly know what

1228

00:38:58,150 --> 00:38:56,320

they're but that's the catch

1229

00:38:59,750 --> 00:38:58,160

they may not know much like elizondo

1230

00:39:02,790 --> 00:38:59,760

made the point of saying

1231

00:39:06,790 --> 00:39:02,800

like see his that's what i mean

1232

00:39:08,230 --> 00:39:06,800

he he is under certain rule sets where i

1233

00:39:10,069 --> 00:39:08,240

think what he can do is he can give you

1234

00:39:13,030 --> 00:39:10,079

a flavor of the truth about necessarily

1235

00:39:15,349 --> 00:39:13,040

being specific about the truth and so

1236

00:39:17,990 --> 00:39:15,359

you know this this thing if you drop a

1237

00:39:19,589 --> 00:39:18,000

nuclear sub back in 1540 would they be

1238

00:39:20,950 --> 00:39:19,599

able to figure out how it is even if you

1239

00:39:21,670 --> 00:39:20,960

give them all the resources in the world

1240

00:39:22,950 --> 00:39:21,680

to do it

1241

00:39:25,270 --> 00:39:22,960

and it's like okay well yeah they may be

1242

00:39:26,630 --> 00:39:25,280

able to pull up a door and start using

1243

00:39:28,390 --> 00:39:26,640

it to club people in the head thinking

1244

00:39:31,510 --> 00:39:28,400

this is the greatest weapon ever

1245

00:39:32,870 --> 00:39:31,520

um but it's a door right so it's like

1246

00:39:34,390 --> 00:39:32,880

is it one of those things where the

1247

00:39:35,270 --> 00:39:34,400

government has gotten his hands on

1248

00:39:37,589 --> 00:39:35,280

something

1249

00:39:39,190 --> 00:39:37,599

but it's foreign tech it's not like

1250

00:39:40,630 --> 00:39:39,200

stargate where they just go in and they

1251

00:39:42,150 --> 00:39:40,640

just plug their laptop into a piece of

1252

00:39:44,069 --> 00:39:42,160

foreign technology and start tapping on

1253

00:39:47,589 --> 00:39:44,079

their laptop and stuff happens

1254

00:39:49,670 --> 00:39:47,599

it's like all right how does this work

1255

00:39:51,510 --> 00:39:49,680

and how do we not die in trying to

1256

00:39:52,069 --> 00:39:51,520

figure out how this works because you

1257

00:39:55,430 --> 00:39:52,079

never know

1258

00:39:57,910 --> 00:39:55,440

what if if that report is right

1259

00:39:59,589 --> 00:39:57,920

they may be using some kind of high

1260

00:40:00,950 --> 00:39:59,599

energy thing to change gravity or

1261

00:40:03,109 --> 00:40:00,960

something in order to move the craft

1262

00:40:05,349 --> 00:40:03,119

in regards to the way the craft moves

1263

00:40:06,870 --> 00:40:05,359

and so what there's no way to know what

1264

00:40:08,550 --> 00:40:06,880

that would do and what that looks like

1265

00:40:09,670 --> 00:40:08,560

in regards to how they're managing to

1266

00:40:11,670 --> 00:40:09,680

figure that out

1267

00:40:13,510 --> 00:40:11,680

now are scientists gifted yes but if our

1268

00:40:15,750 --> 00:40:13,520

scientist doesn't even

1269

00:40:17,589 --> 00:40:15,760

accept some of the premises that the

1270

00:40:18,870 --> 00:40:17,599

technology is based on our scientists

1271

00:40:21,910 --> 00:40:18,880

are going to have a hard time figuring

1272

00:40:24,309 --> 00:40:21,920

that stuff out so look it is

1273

00:40:25,750 --> 00:40:24,319

amply possible that yes we recovered a

1274

00:40:26,309 --> 00:40:25,760

craft no we have no idea how that thing

1275

00:40:28,390 --> 00:40:26,319

works

1276

00:40:29,510 --> 00:40:28,400

and if grant cameron is right or if

1277

00:40:31,109 --> 00:40:29,520

bigelow is right where it's like it

1278

00:40:32,870 --> 00:40:31,119

requires consciousness to do it

1279

00:40:35,030 --> 00:40:32,880

we don't even consider that part of the

1280

00:40:36,550 --> 00:40:35,040

equation yeah

1281

00:40:38,069 --> 00:40:36,560

like i've done remote viewing remote

1282

00:40:40,309 --> 00:40:38,079

viewing was one of my other things i was

1283

00:40:44,470 --> 00:40:40,319

testing out to see whether it worked

1284

00:40:46,390 --> 00:40:44,480

and um there is a there there

1285

00:40:47,990 --> 00:40:46,400

and it is very weird and the question

1286

00:40:50,950 --> 00:40:48,000

becomes

1287

00:40:52,730 --> 00:40:50,960

what if we had a civilization that

1288

00:40:53,910 --> 00:40:52,740

didn't have these kind of um

1289

00:40:56,069 --> 00:40:53,920

[Music]

1290

00:40:58,870 --> 00:40:56,079

this strength of this i believe that

1291

00:41:00,710 --> 00:40:58,880

okay thoughts are entirely in your head

1292

00:41:01,910 --> 00:41:00,720

okay what does it look like if your

1293

00:41:03,990 --> 00:41:01,920

science

1294

00:41:05,510 --> 00:41:04,000

studied that like what if your son has

1295

00:41:08,550 --> 00:41:05,520

never had the bias against that

1296

00:41:11,190 --> 00:41:08,560

and meaning if you actually did find out

1297

00:41:11,670 --> 00:41:11,200

hey there's something more to us than us

1298

00:41:21,349 --> 00:41:11,680

in

1299

00:41:23,990 --> 00:41:21,359

where just read your thoughts for the

1300

00:41:25,829 --> 00:41:24,000

craft itself we wouldn't even

1301
00:41:27,510 --> 00:41:25,839
know have it again i mean we don't have

1302
00:41:29,270 --> 00:41:27,520
it like we basically have like very

1303
00:41:30,069 --> 00:41:29,280
beginning level technology that can read

1304
00:41:32,870 --> 00:41:30,079
your thoughts like

1305
00:41:34,230 --> 00:41:32,880
um like mri scanners they could say okay

1306
00:41:35,750 --> 00:41:34,240
you're thinking of a cow right now yes

1307
00:41:38,069 --> 00:41:35,760
i'm thinking of a cow

1308
00:41:39,829 --> 00:41:38,079
you got that now but not something where

1309
00:41:42,069 --> 00:41:39,839
it's like you're

1310
00:41:43,430 --> 00:41:42,079
directing something with your thoughts i

1311
00:41:45,349 --> 00:41:43,440
mean we have craft

1312
00:41:46,710 --> 00:41:45,359
or we have technology where i remember

1313
00:41:48,950 --> 00:41:46,720

the military pilots

1314

00:41:51,589 --> 00:41:48,960

were working with their subconscious and

1315

00:41:53,510 --> 00:41:51,599

they could find targets and stuff faster

1316

00:41:54,950 --> 00:41:53,520

whereas ship meaning the ship was

1317

00:41:55,910 --> 00:41:54,960

engaging in subconscious in a way where

1318

00:41:57,589 --> 00:41:55,920

it could pick up on

1319

00:41:59,589 --> 00:41:57,599

on stuff that they didn't have in their

1320

00:42:00,870 --> 00:41:59,599

conscious mind but it was there

1321

00:42:03,190 --> 00:42:00,880

nonetheless they were picking up in a

1322

00:42:04,870 --> 00:42:03,200

subconscious way like stuff like that

1323

00:42:06,309 --> 00:42:04,880

but we're talking about something that

1324

00:42:08,550 --> 00:42:06,319

we don't entirely

1325

00:42:09,990 --> 00:42:08,560

get and so it's very possible where it's

1326

00:42:11,430 --> 00:42:10,000

like

1327

00:42:12,550 --> 00:42:11,440

yeah we don't know how that works okay

1328

00:42:14,150 --> 00:42:12,560

we're going to investigate and we're

1329

00:42:16,390 --> 00:42:14,160

investigating we're investigating

1330

00:42:17,910 --> 00:42:16,400

and if bottles are no people hate bob

1331

00:42:19,109 --> 00:42:17,920

lazar but if he's right and it's like

1332

00:42:20,309 --> 00:42:19,119

okay we don't have a huge field of

1333

00:42:21,190 --> 00:42:20,319

people doing it and it's a small

1334

00:42:22,870 --> 00:42:21,200

compacted

1335

00:42:24,230 --> 00:42:22,880

yeah it may be stunted in regards to

1336

00:42:25,670 --> 00:42:24,240

what we know in science

1337

00:42:28,710 --> 00:42:25,680

but that's just it and that's kind of

1338

00:42:30,390 --> 00:42:28,720

the problem it's not transparent

1339

00:42:31,750 --> 00:42:30,400

it's not none of this is transparent

1340

00:42:34,710 --> 00:42:31,760

like it's not like

1341

00:42:35,349 --> 00:42:34,720

okay this is what we know we don't know

1342

00:42:37,829 --> 00:42:35,359

much

1343

00:42:39,990 --> 00:42:37,839

we found this et cetera et cetera it's

1344

00:42:42,950 --> 00:42:40,000

real blah blah blah have a good day

1345

00:42:44,630 --> 00:42:42,960

it's not that and it's not okay here's

1346

00:42:45,190 --> 00:42:44,640

the craft going at mach 10 and then

1347

00:42:47,670 --> 00:42:45,200

makes a

1348

00:42:48,870 --> 00:42:47,680

a 90 degree turn um and then plops into

1349

00:42:49,510 --> 00:42:48,880

the water and pops up and goes straight

1350

00:42:51,349 --> 00:42:49,520

into space

1351

00:42:53,109 --> 00:42:51,359

where people are like oh my god it's

1352

00:42:54,309 --> 00:42:53,119

like that meaning they're not trying to

1353

00:42:57,190 --> 00:42:54,319

shockingly break

1354

00:42:59,270 --> 00:42:57,200

and destroy um utterly annihilate your

1355

00:43:00,630 --> 00:42:59,280

paradigm all at once where it expands

1356

00:43:01,510 --> 00:43:00,640

into like a split second

1357

00:43:03,589 --> 00:43:01,520

because the moment that you have

1358

00:43:05,349 --> 00:43:03,599

technology like that oh my god oh my god

1359

00:43:07,190 --> 00:43:05,359

think of what's possible

1360

00:43:08,710 --> 00:43:07,200

at that point and instantaneously

1361

00:43:10,390 --> 00:43:08,720

possible and they're like yeah we're not

1362

00:43:12,870 --> 00:43:10,400

going to do that

1363

00:43:14,390 --> 00:43:12,880

um maybe we're gonna bore the hell out

1364

00:43:16,230 --> 00:43:14,400

of people and do we say okay finally

1365

00:43:17,349 --> 00:43:16,240

it's not us and i go like yes goddamn

1366

00:43:19,829 --> 00:43:17,359

we hadn't already jumped to the bottom

1367

00:43:21,430 --> 00:43:19,839

of the movie

1368

00:43:22,950 --> 00:43:21,440

but but i hope you got a point though

1369

00:43:25,750 --> 00:43:22,960

it's it's very um

1370

00:43:27,829 --> 00:43:25,760

it's a very weird and heady thing that

1371

00:43:28,550 --> 00:43:27,839

has just been added into our reality

1372

00:43:30,710 --> 00:43:28,560

space

1373

00:43:31,829 --> 00:43:30,720

and i don't inquire entirely think that

1374

00:43:35,430 --> 00:43:31,839

people get it yet

1375

00:43:38,430 --> 00:43:35,440

like again even if it is us it still

1376

00:43:39,990 --> 00:43:38,440

breaks our paradigm us yeah

1377

00:43:42,550 --> 00:43:40,000

scientifically

1378

00:43:43,270 --> 00:43:42,560

philosophically politically everything

1379

00:43:45,589 --> 00:43:43,280

like this

1380

00:43:46,390 --> 00:43:45,599

this would change everything if we had

1381

00:43:48,470 --> 00:43:46,400

like

1382

00:43:51,109 --> 00:43:48,480

just the simple answer of where it comes

1383

00:43:53,750 --> 00:43:51,119

from well not so simple but

1384

00:43:55,910 --> 00:43:53,760

even if it is just us that's what we did

1385

00:43:57,910 --> 00:43:55,920

even if it was a situation where

1386

00:44:00,230 --> 00:43:57,920

it's like all right we figured out a way

1387

00:44:03,829 --> 00:44:00,240

to use electricity

1388

00:44:06,950 --> 00:44:03,839

to mimic gravity even if it was that

1389

00:44:09,510 --> 00:44:06,960

that fossil fuels yeah yeah i mean

1390

00:44:10,790 --> 00:44:09,520

that's that blows away a lot of stuff

1391

00:44:12,630 --> 00:44:10,800

that we've been using

1392

00:44:14,309 --> 00:44:12,640

all of a sudden all at once that's what

1393

00:44:16,630 --> 00:44:14,319

i mean whether it's us or not

1394

00:44:17,829 --> 00:44:16,640

us it's groundbreaking it's paradigm

1395

00:44:19,190 --> 00:44:17,839

breaking like i don't need to jump to

1396

00:44:20,309 --> 00:44:19,200

the conclusion of aliens even though

1397

00:44:22,550 --> 00:44:20,319

clearly i think it's not

1398

00:44:24,069 --> 00:44:22,560

i don't think it's us but i don't need

1399

00:44:27,750 --> 00:44:24,079

to argue

1400

00:44:29,030 --> 00:44:27,760

that breaks our paradigm by the way and

1401

00:44:31,829 --> 00:44:29,040

we need to figure out what it is

1402

00:44:33,030 --> 00:44:31,839

i love that that actually bleeds into my

1403

00:44:35,750 --> 00:44:33,040

first listener question

1404

00:44:37,270 --> 00:44:35,760

tomorrow if you don't mind um so you

1405

00:44:39,109 --> 00:44:37,280

know we talked about like this would be

1406

00:44:40,390 --> 00:44:39,119

paradigm shifting the technology being

1407

00:44:42,950 --> 00:44:40,400

represented would

1408

00:44:44,150 --> 00:44:42,960

change everything so now we see like

1409

00:44:47,430 --> 00:44:44,160

china wants to do

1410

00:44:49,510 --> 00:44:47,440

like a uap task force maybe russia

1411

00:44:51,510 --> 00:44:49,520

other countries now want to be looking

1412

00:44:52,069 --> 00:44:51,520

into the stuff of course because america

1413

00:44:59,589 --> 00:44:52,079

is

1414

00:45:02,150 --> 00:44:59,599

of emerging science trying to harness

1415

00:45:04,710 --> 00:45:02,160

the technology these uap represent

1416

00:45:06,150 --> 00:45:04,720

and um you have america now saying it's

1417

00:45:08,630 --> 00:45:06,160

not our secret tech

1418

00:45:09,270 --> 00:45:08,640

we don't think it's russian or china um

1419

00:45:11,349 --> 00:45:09,280

so

1420

00:45:12,790 --> 00:45:11,359

that doesn't leave many other answers

1421

00:45:14,870 --> 00:45:12,800

but um

1422

00:45:17,349 --> 00:45:14,880

let me read you this first listener

1423

00:45:19,109 --> 00:45:17,359

question from jeff he's a big supporter

1424

00:45:20,630 --> 00:45:19,119

of somewhere in the skies here he he

1425

00:45:23,510 --> 00:45:20,640

asks do you think

1426

00:45:24,550 --> 00:45:23,520

that anti-china and russian sentiments

1427

00:45:26,790 --> 00:45:24,560

are becoming

1428

00:45:28,790 --> 00:45:26,800

kind of like a neo-mccarthyism yes that

1429

00:45:29,750 --> 00:45:28,800

will actually limit disclosure and ufo

1430

00:45:32,470 --> 00:45:29,760

transparency

1431

00:45:33,270 --> 00:45:32,480

is this their way of kind of interesting

1432

00:45:35,430 --> 00:45:33,280

you know

1433

00:45:37,030 --> 00:45:35,440

i i mean painting a picture of our

1434

00:45:38,550 --> 00:45:37,040

adversaries i guess

1435

00:45:40,150 --> 00:45:38,560

so that's an interesting question i mean

1436

00:45:41,670 --> 00:45:40,160

like the uap thing

1437

00:45:43,270 --> 00:45:41,680

on some level you would think will force

1438

00:45:45,349 --> 00:45:43,280

the countries to work together

1439

00:45:46,390 --> 00:45:45,359

or something like hope by uniform

1440

00:45:50,470 --> 00:45:46,400

because it's like

1441

00:45:53,030 --> 00:45:50,480

how do you quantify like if you say

1442

00:45:54,470 --> 00:45:53,040

like the military is the entire context

1443

00:45:55,510 --> 00:45:54,480

of this is being shaped through almost a

1444

00:45:58,390 --> 00:45:55,520

national security

1445

00:45:59,910 --> 00:45:58,400

context and so if you say um okay we

1446

00:46:01,430 --> 00:45:59,920

have all of these sightings and we have

1447

00:46:03,349 --> 00:46:01,440

these sightings in these military bases

1448

00:46:05,349 --> 00:46:03,359

okay how do you know that that's

1449

00:46:06,470 --> 00:46:05,359

the majority of sightings like you could

1450

00:46:08,150 --> 00:46:06,480

be coming up with a

1451
00:46:09,829 --> 00:46:08,160
wrong conclusion based on your context

1452
00:46:11,750 --> 00:46:09,839
like a hammer looking for a nail

1453
00:46:13,349 --> 00:46:11,760
like you could say um okay they're

1454
00:46:14,390 --> 00:46:13,359
hanging around on nuclear facilities and

1455
00:46:15,190 --> 00:46:14,400
they're buzzing our ships and they're

1456
00:46:17,349 --> 00:46:15,200
doing this

1457
00:46:18,950 --> 00:46:17,359
but if you take a larger sampling just

1458
00:46:20,790 --> 00:46:18,960
say of all the united states and all the

1459
00:46:23,750 --> 00:46:20,800
sightings that may be a small subset

1460
00:46:24,870 --> 00:46:23,760
of the places where those um craft are

1461
00:46:26,150 --> 00:46:24,880
may or may not be

1462
00:46:27,750 --> 00:46:26,160
but there's no way for you to know

1463
00:46:29,430 --> 00:46:27,760

unless you have a larger subset that is

1464

00:46:31,589 --> 00:46:29,440

beyond just the military

1465

00:46:32,470 --> 00:46:31,599

of capacities of your country um if

1466

00:46:34,470 --> 00:46:32,480

you're thinking about

1467

00:46:36,470 --> 00:46:34,480

that from the standpoint of earth which

1468

00:46:37,430 --> 00:46:36,480

again if you are trying to discern

1469

00:46:40,230 --> 00:46:37,440

whether it's

1470

00:46:40,950 --> 00:46:40,240

you or not you you're going to need more

1471

00:46:43,510 --> 00:46:40,960

than just

1472

00:46:44,870 --> 00:46:43,520

the people or just your country i mean

1473

00:46:46,309 --> 00:46:44,880

you have to discern whether it's russia

1474

00:46:47,670 --> 00:46:46,319

or china on some level you do have to

1475

00:46:49,030 --> 00:46:47,680

work with them in order to figure out

1476

00:46:51,270 --> 00:46:49,040

whether it's them or not

1477

00:46:53,349 --> 00:46:51,280

you can just make accusations like oh

1478

00:46:55,109 --> 00:46:53,359

it's you doing this and everything else

1479

00:46:56,550 --> 00:46:55,119

but the fact is they may be having the

1480

00:46:58,790 --> 00:46:56,560

exact same

1481

00:47:00,790 --> 00:46:58,800

issue that you may be having and the

1482

00:47:04,069 --> 00:47:00,800

only way for you to really know that

1483

00:47:05,430 --> 00:47:04,079

is if you work with them to do so

1484

00:47:07,349 --> 00:47:05,440

and so it's like you would need that

1485

00:47:09,270 --> 00:47:07,359

capability of saying all right

1486

00:47:10,710 --> 00:47:09,280

are you guys having this issue yes okay

1487

00:47:11,510 --> 00:47:10,720

are you guys recording your sightings

1488

00:47:13,430 --> 00:47:11,520

yes okay

1489

00:47:16,790 --> 00:47:13,440

what happened and you need to correlate

1490

00:47:18,470 --> 00:47:16,800

that stuff by the same token

1491

00:47:20,630 --> 00:47:18,480

um domestic matters and everything else

1492

00:47:23,510 --> 00:47:20,640

are going to take priority now

1493

00:47:23,990 --> 00:47:23,520

and even like i said format now because

1494

00:47:26,710 --> 00:47:24,000

the uap

1495

00:47:27,109 --> 00:47:26,720

thing is not it's not real innocence of

1496

00:47:33,510 --> 00:47:27,119

real

1497

00:47:34,470 --> 00:47:33,520

that cold war stuff takes heavy uh much

1498

00:47:35,910 --> 00:47:34,480

more priority

1499

00:47:37,990 --> 00:47:35,920

meaning like for example the united

1500

00:47:40,549 --> 00:47:38,000

states considering china from the u.s

1501
00:47:41,589 --> 00:47:40,559
perspective anything that goes that is

1502
00:47:44,549 --> 00:47:41,599
taking

1503
00:47:45,510 --> 00:47:44,559
um our station either in a political

1504
00:47:52,549 --> 00:47:45,520
space

1505
00:47:53,030 --> 00:47:52,559
challenge to what we consider to be our

1506
00:47:56,230 --> 00:47:53,040
domain

1507
00:47:58,870 --> 00:47:56,240
of world legibility and i think that's

1508
00:48:00,150 --> 00:47:58,880
true um in fact it's not that i think

1509
00:48:01,430 --> 00:48:00,160
it's true it is true

1510
00:48:04,230 --> 00:48:01,440
and so when you have somewhere like

1511
00:48:05,670 --> 00:48:04,240
russia or china our military policy on

1512
00:48:05,990 --> 00:48:05,680
some level was to not have any other

1513
00:48:07,270 --> 00:48:06,000

country

1514

00:48:09,349 --> 00:48:07,280

like the soviet union where they could

1515

00:48:10,390 --> 00:48:09,359

challenge our domain and so having a

1516

00:48:12,950 --> 00:48:10,400

country like china

1517

00:48:14,549 --> 00:48:12,960

get to the point of its tech dominance

1518

00:48:17,190 --> 00:48:14,559

so it's tech um growth

1519

00:48:18,470 --> 00:48:17,200

and its economic growth well economic

1520

00:48:19,910 --> 00:48:18,480

growth allows clout

1521

00:48:21,349 --> 00:48:19,920

and that level of cloud is not

1522

00:48:22,870 --> 00:48:21,359

necessarily something that we like on a

1523

00:48:24,950 --> 00:48:22,880

geopolitical stage

1524

00:48:26,309 --> 00:48:24,960

also beyond that point uh from stanford

1525

00:48:27,349 --> 00:48:26,319

russia with selling weapons and

1526

00:48:28,630 --> 00:48:27,359

everything else

1527

00:48:30,470 --> 00:48:28,640

it is no longer the country that

1528

00:48:31,430 --> 00:48:30,480

basically collapsed it is a country that

1529

00:48:32,950 --> 00:48:31,440

has basically

1530

00:48:34,309 --> 00:48:32,960

grown and developed the sense of zone

1531

00:48:35,109 --> 00:48:34,319

especially selling militaristic

1532

00:48:36,390 --> 00:48:35,119

capability

1533

00:48:38,390 --> 00:48:36,400

and so it's like those two countries

1534

00:48:40,870 --> 00:48:38,400

have basically fused themselves

1535

00:48:41,829 --> 00:48:40,880

because of the way we've attacked both

1536

00:48:44,390 --> 00:48:41,839

we've called what

1537

00:48:45,030 --> 00:48:44,400

is china's committee genocide oh my god

1538

00:48:47,030 --> 00:48:45,040

we've

1539

00:48:49,030 --> 00:48:47,040

called russia everything but a child of

1540

00:48:50,390 --> 00:48:49,040

god and now we're shocked that the two

1541

00:48:50,710 --> 00:48:50,400

countries have basically gotten closer

1542

00:48:53,270 --> 00:48:50,720

and

1543

00:48:54,549 --> 00:48:53,280

closer together so yeah from the

1544

00:48:56,230 --> 00:48:54,559

standpoint of us

1545

00:48:57,750 --> 00:48:56,240

look the hostilities honestly really

1546

00:48:58,710 --> 00:48:57,760

need to come down and i think that was

1547

00:49:01,109 --> 00:48:58,720

the meeting

1548

00:49:02,309 --> 00:49:01,119

between biden and putin from stanford of

1549

00:49:04,150 --> 00:49:02,319

china i don't

1550

00:49:05,829 --> 00:49:04,160

know i mean like that's the wild card

1551

00:49:08,870 --> 00:49:05,839

with a lot of the stuff

1552

00:49:09,910 --> 00:49:08,880

how does the ufo issue hit if it really

1553

00:49:12,150 --> 00:49:09,920

hits

1554

00:49:14,069 --> 00:49:12,160

and does that throw all of the stuff on

1555

00:49:14,870 --> 00:49:14,079

the sidelines where it's like okay yeah

1556

00:49:18,549 --> 00:49:14,880

i know this stuff

1557

00:49:20,549 --> 00:49:18,559

was important but this is now less so

1558

00:49:21,589 --> 00:49:20,559

but it depends on how it hits i mean if

1559

00:49:23,109 --> 00:49:21,599

it's kind of just stays in the

1560

00:49:24,230 --> 00:49:23,119

background then no the issue is not

1561

00:49:25,510 --> 00:49:24,240

going to have any kind of relevance in

1562

00:49:27,190 --> 00:49:25,520

regards to the way they're talking at

1563

00:49:28,069 --> 00:49:27,200

least not on an overt level that we know

1564

00:49:31,109 --> 00:49:28,079

about

1565

00:49:32,470 --> 00:49:31,119

um but if it does it if it does hit

1566

00:49:34,630 --> 00:49:32,480

then that's different i don't know what

1567

00:49:35,750 --> 00:49:34,640

that looks like like i honestly know

1568

00:49:38,549 --> 00:49:35,760

like i don't know what it looks like on

1569

00:49:40,230 --> 00:49:38,559

a day where it's like aliens are real

1570

00:49:41,589 --> 00:49:40,240

and people are like you know freaking

1571

00:49:43,430 --> 00:49:41,599

out some people like dancing on the

1572

00:49:44,950 --> 00:49:43,440

ceilings and stuff like that

1573

00:49:46,790 --> 00:49:44,960

other people are like just terrified and

1574

00:49:47,589 --> 00:49:46,800

buying guns it's like gun purchases of

1575

00:49:49,670 --> 00:49:47,599

skyrocketing

1576

00:49:51,670 --> 00:49:49,680

fifty percent that type of stuff yeah oh

1577

00:49:53,190 --> 00:49:51,680

yeah i don't know man it's a complicated

1578

00:49:56,950 --> 00:49:53,200

question that's a good question

1579

00:49:58,790 --> 00:49:56,960

it is there's a lot a lot to it um

1580

00:50:00,150 --> 00:49:58,800

well okay here's one more political

1581

00:50:03,190 --> 00:50:00,160

listener question for you

1582

00:50:04,549 --> 00:50:03,200

uap technician on twitter asks in this

1583

00:50:07,190 --> 00:50:04,559

political climate

1584

00:50:08,470 --> 00:50:07,200

could a politician run on a uap

1585

00:50:10,870 --> 00:50:08,480

disclosure ticket

1586

00:50:12,549 --> 00:50:10,880

or promote a partial disclosure platform

1587

00:50:15,190 --> 00:50:12,559

and still be successful

1588

00:50:16,230 --> 00:50:15,200

but what they can do is run with this

1589

00:50:17,829 --> 00:50:16,240

notion of

1590

00:50:19,109 --> 00:50:17,839

look this is the national security issue

1591

00:50:19,910 --> 00:50:19,119

that we didn't know about that's the

1592

00:50:22,390 --> 00:50:19,920

issue that they

1593

00:50:24,470 --> 00:50:22,400

are on but not as a major issue like

1594

00:50:26,470 --> 00:50:24,480

rubio can't come on and say

1595

00:50:27,990 --> 00:50:26,480

i think aliens are real can never say it

1596

00:50:29,510 --> 00:50:28,000

rubio will come close

1597

00:50:31,670 --> 00:50:29,520

and he will come out in his document

1598

00:50:33,270 --> 00:50:31,680

saying now that this report is out again

1599

00:50:35,109 --> 00:50:33,280

report is a thing that allows a

1600

00:50:36,549 --> 00:50:35,119

diffusion of responsibility so he

1601
00:50:38,790 --> 00:50:36,559
doesn't have to take it all on his own

1602
00:50:39,990 --> 00:50:38,800
now that this report is out and all of

1603
00:50:42,710 --> 00:50:40,000
these agencies have signed

1604
00:50:44,150 --> 00:50:42,720
up to this report we and our brave men

1605
00:50:45,829 --> 00:50:44,160
and women have been reporting these

1606
00:50:46,549 --> 00:50:45,839
sightings for all of these years that

1607
00:50:47,990 --> 00:50:46,559
it's truthful

1608
00:50:49,910 --> 00:50:48,000
meaning right off the bat now he could

1609
00:50:52,390 --> 00:50:49,920
say what they've been reporting is real

1610
00:50:54,069 --> 00:50:52,400
he can say it now report is that um he

1611
00:50:55,750 --> 00:50:54,079
would get to there

1612
00:50:57,829 --> 00:50:55,760
but you can't say aliens are real and

1613
00:50:59,990 --> 00:50:57,839

when it want to see you can't do that

1614

00:51:01,430 --> 00:51:00,000

like it's too i mean you could be

1615

00:51:02,470 --> 00:51:01,440

castigated in too many ways

1616

00:51:04,069 --> 00:51:02,480

like you could have your opponents

1617

00:51:04,549 --> 00:51:04,079

putting out like giggle factor stuff in

1618

00:51:06,150 --> 00:51:04,559

order to

1619

00:51:08,069 --> 00:51:06,160

like screw with the opponent like screw

1620

00:51:08,870 --> 00:51:08,079

with you you can't do it what you can do

1621

00:51:10,710 --> 00:51:08,880

though is say

1622

00:51:12,549 --> 00:51:10,720

look this is a clear national security

1623

00:51:13,750 --> 00:51:12,559

issue our intelligence services back

1624

00:51:15,510 --> 00:51:13,760

this up and we need to

1625

00:51:17,430 --> 00:51:15,520

see what this is you can do that and you

1626
00:51:18,150 --> 00:51:17,440
can run on whatever campaign you're

1627
00:51:20,150 --> 00:51:18,160
doing

1628
00:51:21,589 --> 00:51:20,160
with that phoenix side issue and rubio

1629
00:51:23,270 --> 00:51:21,599
is going to be the test he's running in

1630
00:51:24,790 --> 00:51:23,280
this campaign now and his campaign is

1631
00:51:26,150 --> 00:51:24,800
basically that

1632
00:51:27,430 --> 00:51:26,160
if this is national security we need to

1633
00:51:28,710 --> 00:51:27,440
do that now the question is is his

1634
00:51:30,549 --> 00:51:28,720
opponent going to hit him on that

1635
00:51:32,470 --> 00:51:30,559
this is going to ask him questions and

1636
00:51:35,109 --> 00:51:32,480
answer questions on it herself

1637
00:51:36,630 --> 00:51:35,119
and so i don't vote republican i'm not

1638
00:51:38,470 --> 00:51:36,640

in florida but this is one of those

1639

00:51:39,990 --> 00:51:38,480

cases where i'm like oh god i

1640

00:51:41,829 --> 00:51:40,000

kind of don't want rubio to lose that

1641

00:51:43,670 --> 00:51:41,839

seat

1642

00:51:45,589 --> 00:51:43,680

and you lose let's see it's like that

1643

00:51:47,349 --> 00:51:45,599

one it's like i'm not a single issue

1644

00:51:48,710 --> 00:51:47,359

voter but on this i feel like oh we

1645

00:51:50,790 --> 00:51:48,720

could we could take the hit on other

1646

00:51:54,230 --> 00:51:50,800

issues rubio needs to stay there

1647

00:51:55,910 --> 00:51:54,240

it's like that um but yeah i mean

1648

00:51:57,910 --> 00:51:55,920

i i don't think you can run with it as a

1649

00:51:59,270 --> 00:51:57,920

singular issue no i do think you can run

1650

00:52:01,910 --> 00:51:59,280

with it as a secondary issue

1651
00:52:03,030 --> 00:52:01,920
yes okay well kind of playing off of

1652
00:52:05,670 --> 00:52:03,040
that um

1653
00:52:06,549 --> 00:52:05,680
last last political question i promise

1654
00:52:09,430 --> 00:52:06,559
oh you're fine

1655
00:52:10,309 --> 00:52:09,440
so like you know it it's no it's pretty

1656
00:52:12,069 --> 00:52:10,319
obvious

1657
00:52:14,230 --> 00:52:12,079
when you look at like who's really

1658
00:52:16,230 --> 00:52:14,240
covering the uap topic and the

1659
00:52:17,750 --> 00:52:16,240
mainstream media the most and the last

1660
00:52:19,589 --> 00:52:17,760
winners the ones that are covering them

1661
00:52:20,870 --> 00:52:19,599
thank you that is my question why is

1662
00:52:23,349 --> 00:52:20,880
this a right-wing

1663
00:52:24,150 --> 00:52:23,359

thing mostly um why are they willing to

1664

00:52:26,150 --> 00:52:24,160

go there

1665

00:52:27,510 --> 00:52:26,160

and uh yeah why do you think that is why

1666

00:52:29,990 --> 00:52:27,520

aren't more uh

1667

00:52:30,870 --> 00:52:30,000

democrats or people on the left really

1668

00:52:32,710 --> 00:52:30,880

cover this

1669

00:52:35,109 --> 00:52:32,720

man i've thought about this and i am not

1670

00:52:36,630 --> 00:52:35,119

entirely sure i think my first thought

1671

00:52:38,549 --> 00:52:36,640

paul the hell if i'm being bluntly

1672

00:52:42,309 --> 00:52:38,559

honest the left

1673

00:52:44,790 --> 00:52:42,319

are more empathetic and care more about

1674

00:52:46,710 --> 00:52:44,800

specific issues so right for example the

1675

00:52:47,270 --> 00:52:46,720

left would say people should have health

1676

00:52:48,870 --> 00:52:47,280

care

1677

00:52:50,309 --> 00:52:48,880

and they would cry on the flag for

1678

00:52:51,430 --> 00:52:50,319

people to have health care or they would

1679

00:52:52,870 --> 00:52:51,440

say people should have

1680

00:52:54,870 --> 00:52:52,880

social security people should have et

1681

00:52:56,150 --> 00:52:54,880

cetera and in doing so what they're

1682

00:52:58,069 --> 00:52:56,160

basically is bathing in

1683

00:52:59,430 --> 00:52:58,079

the pain over and i'm not saying that in

1684

00:53:00,150 --> 00:52:59,440

a negative i'm just saying this is the

1685

00:53:03,510 --> 00:53:00,160

way

1686

00:53:05,030 --> 00:53:03,520

we look at the world there's pain in the

1687

00:53:06,470 --> 00:53:05,040

world we need to lessen the pain in the

1688

00:53:08,150 --> 00:53:06,480

world we need to deal with these things

1689

00:53:11,190 --> 00:53:08,160

that are tangible physical

1690

00:53:14,230 --> 00:53:11,200

and get rid of um the the

1691

00:53:17,109 --> 00:53:14,240

you know the rough edges of our society

1692

00:53:17,430 --> 00:53:17,119

um and if you're thinking in those terms

1693

00:53:20,470 --> 00:53:17,440

then

1694

00:53:22,309 --> 00:53:20,480

aliens might not apply like it's it's so

1695

00:53:24,150 --> 00:53:22,319

straightforward in regards to

1696

00:53:25,430 --> 00:53:24,160

this person is in pain this person is an

1697

00:53:26,390 --> 00:53:25,440

injury i need to get rid of that pain

1698

00:53:27,670 --> 00:53:26,400

somehow i need to

1699

00:53:29,589 --> 00:53:27,680

ensure that person has money in their

1700

00:53:31,750 --> 00:53:29,599

pocket and you sure the elderly person

1701

00:53:33,349 --> 00:53:31,760

has a decent life that type of stuff and

1702

00:53:34,870 --> 00:53:33,359

so it's like when you get to aliens that

1703

00:53:36,470 --> 00:53:34,880

stuff is wool it's kind of

1704

00:53:38,549 --> 00:53:36,480

out there it's almost like a religious

1705

00:53:40,150 --> 00:53:38,559

thing um in the way that they may frame

1706

00:53:41,910 --> 00:53:40,160

it or look at it in their heads

1707

00:53:43,589 --> 00:53:41,920

the right wing doesn't have that issue i

1708

00:53:46,230 --> 00:53:43,599

mean they're less inclined

1709

00:53:47,349 --> 00:53:46,240

of okay they're hungry people yeah so

1710

00:53:49,670 --> 00:53:47,359

what

1711

00:53:51,910 --> 00:53:49,680

um and so you get to the ufo thing and

1712

00:53:54,549 --> 00:53:51,920

it's like hey that's interesting

1713

00:53:54,950 --> 00:53:54,559

like i i look i am totally spitballing i

1714

00:53:57,510 --> 00:53:54,960

am

1715

00:53:58,069 --> 00:53:57,520

talking out of my ass but that's the way

1716

00:54:31,109 --> 00:53:58,079

i

1717

00:54:33,030 --> 00:54:31,119

uh lou over at uh ucr wanted to know

1718

00:54:34,230 --> 00:54:33,040

like what are your colleagues at fault

1719

00:54:36,870 --> 00:54:34,240

lines um

1720

00:54:37,990 --> 00:54:36,880

and everyone think about your kind of

1721

00:54:40,390 --> 00:54:38,000

aggressive

1722

00:54:41,190 --> 00:54:40,400

curiosity in this topic in there what

1723

00:54:42,710 --> 00:54:41,200

you guys think

1724

00:54:44,630 --> 00:54:42,720

of curiosity i love that that's how you

1725

00:54:45,750 --> 00:54:44,640

lose that's how we framed it i'm not

1726

00:54:48,470 --> 00:54:45,760

saying it's aggressive

1727

00:54:49,270 --> 00:54:48,480

no no it is it's damn aggressive and i

1728

00:54:52,470 --> 00:54:49,280

think that's good

1729

00:54:53,109 --> 00:54:52,480

yeah um i so i think i'm the only one on

1730

00:54:56,150 --> 00:54:53,119

the network

1731

00:54:57,829 --> 00:54:56,160

that really like hit that bell hard

1732

00:54:58,950 --> 00:54:57,839

and i didn't know what my boss done i

1733

00:54:59,750 --> 00:54:58,960

was like all right i'm not gonna say

1734

00:55:02,069 --> 00:54:59,760

anything to him

1735

00:55:03,910 --> 00:55:02,079

if he says something to me fair enough

1736

00:55:06,150 --> 00:55:03,920

but they bought me on the channel

1737

00:55:07,430 --> 00:55:06,160

they knew i had my own channel for like

1738

00:55:08,150 --> 00:55:07,440

three years before i ever came on the

1739

00:55:11,270 --> 00:55:08,160

channel

1740

00:55:11,589 --> 00:55:11,280

and they knew what i covered in coming

1741

00:55:15,030 --> 00:55:11,599

on

1742

00:55:16,390 --> 00:55:15,040

push you to cover anything believe it or

1743

00:55:19,430 --> 00:55:16,400

not you cover whatever you want

1744

00:55:20,390 --> 00:55:19,440

it's you right and but you need to be

1745

00:55:22,630 --> 00:55:20,400

able to cover like

1746

00:55:23,670 --> 00:55:22,640

recent news and whatever position you

1747

00:55:24,549 --> 00:55:23,680

take you need to be able to defend the

1748

00:55:28,069 --> 00:55:24,559

position

1749

00:55:31,510 --> 00:55:28,079

that's the main top thing right um and

1750

00:55:32,230 --> 00:55:31,520

so i sheepishly started going into the

1751
00:55:33,670 --> 00:55:32,240
ufo stuff

1752
00:55:35,910 --> 00:55:33,680
and i was pretty defensive about it

1753
00:55:37,349 --> 00:55:35,920
actually i remember when um

1754
00:55:39,589 --> 00:55:37,359
when shane and i first started working

1755
00:55:42,150 --> 00:55:39,599
together and the ufo thing came up

1756
00:55:43,910 --> 00:55:42,160
and i was like yeah man well i'm gonna

1757
00:55:44,230 --> 00:55:43,920
cover this topic if you don't like it we

1758
00:55:45,670 --> 00:55:44,240
can go

1759
00:55:47,510 --> 00:55:45,680
to the management and talk about like it

1760
00:55:49,589 --> 00:55:47,520
was like hardcore it was like whoa

1761
00:55:50,549 --> 00:55:49,599
whoa and i was like all right bring it

1762
00:55:51,990 --> 00:55:50,559
down tone it down

1763
00:55:53,670 --> 00:55:52,000

it's not that bad it's not that serious

1764

00:55:55,510 --> 00:55:53,680

that's not that serious

1765

00:55:56,789 --> 00:55:55,520

like it's like spoiling for a fight over

1766

00:55:58,549 --> 00:55:56,799

right um

1767

00:56:00,309 --> 00:55:58,559

shane was in a position of like all

1768

00:56:03,589 --> 00:56:00,319

right i don't buy this

1769

00:56:05,829 --> 00:56:03,599

however i'm open to hearing you out

1770

00:56:07,109 --> 00:56:05,839

and as i would make one argument after

1771

00:56:08,710 --> 00:56:07,119

the next he would be like

1772

00:56:10,710 --> 00:56:08,720

all right it sounds like this is there

1773

00:56:12,549 --> 00:56:10,720

there too but i'm not entirely there

1774

00:56:14,069 --> 00:56:12,559

when the ufo report came out he says all

1775

00:56:15,670 --> 00:56:14,079

right you're not crazy

1776

00:56:17,349 --> 00:56:15,680

you're not crazy he's like all right

1777

00:56:19,109 --> 00:56:17,359

fair enough there's a [h__h] there

1778

00:56:20,710 --> 00:56:19,119

and he says everybody would have to be

1779

00:56:21,750 --> 00:56:20,720

lying for this to be wrong like he got

1780

00:56:23,510 --> 00:56:21,760

he was there

1781

00:56:24,789 --> 00:56:23,520

and he was like by process of

1782

00:56:26,950 --> 00:56:24,799

elimination

1783

00:56:28,549 --> 00:56:26,960

i don't think it's us like it was that

1784

00:56:30,230 --> 00:56:28,559

right it was like meaning

1785

00:56:31,750 --> 00:56:30,240

by one argument after the next he was

1786

00:56:32,230 --> 00:56:31,760

brought into this notion of okay fair

1787

00:56:34,549 --> 00:56:32,240

enough

1788

00:56:35,670 --> 00:56:34,559

he was never scathingly against it but

1789

00:56:37,510 --> 00:56:35,680

he became more

1790

00:56:38,630 --> 00:56:37,520

is okay fair enough i think this is

1791

00:56:39,430 --> 00:56:38,640

there there i don't know what it is but

1792

00:56:42,309 --> 00:56:39,440

there's a day out there

1793

00:56:43,109 --> 00:56:42,319

fair enough he became there um my boss

1794

00:56:44,230 --> 00:56:43,119

was more like

1795

00:56:46,390 --> 00:56:44,240

yeah they don't know what the [h__h] that

1796

00:56:47,990 --> 00:56:46,400

is i was like whoa

1797

00:56:49,670 --> 00:56:48,000

fair enough i can accept that i can

1798

00:56:51,030 --> 00:56:49,680

accept that i was like i'm good with

1799

00:56:52,470 --> 00:56:51,040

that like i don't need you to jump like

1800

00:56:54,150 --> 00:56:52,480

i said i don't need people

1801
00:56:55,510 --> 00:56:54,160
to jump to the conclusion they're aliens

1802
00:56:56,710 --> 00:56:55,520
i just need people to realize that

1803
00:56:57,589 --> 00:56:56,720
they're there and that there's a

1804
00:57:00,870 --> 00:56:57,599
question

1805
00:57:02,390 --> 00:57:00,880
answered and you need to

1806
00:57:03,829 --> 00:57:02,400
understand and answer the question based

1807
00:57:04,710 --> 00:57:03,839
on the facts that we have available to

1808
00:57:06,470 --> 00:57:04,720
us meaning

1809
00:57:08,309 --> 00:57:06,480
you need to explain that case you need

1810
00:57:08,870 --> 00:57:08,319
to explain all of the data associated

1811
00:57:10,630 --> 00:57:08,880
with that case

1812
00:57:12,710 --> 00:57:10,640
you need to come to a conclusion and it

1813
00:57:13,109 --> 00:57:12,720

can't be you know magic like it's none

1814

00:57:15,349 --> 00:57:13,119

of us

1815

00:57:16,150 --> 00:57:15,359

it's not it's not us not the russians

1816

00:57:18,150 --> 00:57:16,160

that's chinese

1817

00:57:20,309 --> 00:57:18,160

it's not aliens not anything it's like

1818

00:57:21,990 --> 00:57:20,319

all right dude they've just established

1819

00:57:23,589 --> 00:57:22,000

as if they are there so that's not one

1820

00:57:26,309 --> 00:57:23,599

of the options you need to choose

1821

00:57:27,910 --> 00:57:26,319

one of the options yeah like it's that

1822

00:57:29,670 --> 00:57:27,920

no they were they weren't

1823

00:57:30,710 --> 00:57:29,680

nobody stressed me on that in fact they

1824

00:57:31,990 --> 00:57:30,720

stopped bringing me on their show to

1825

00:57:34,710 --> 00:57:32,000

talk about it

1826
00:57:35,349 --> 00:57:34,720
cool i love hearing that well yeah all

1827
00:57:38,870 --> 00:57:35,359
right well

1828
00:57:41,270 --> 00:57:38,880
okay last personal question for you um

1829
00:57:43,109 --> 00:57:41,280
people get involved with this topic for

1830
00:57:44,470 --> 00:57:43,119
you know their own reasons some people

1831
00:57:47,589 --> 00:57:44,480
had an experience

1832
00:57:50,069 --> 00:57:47,599
some just have a burning curiosity um

1833
00:57:51,510 --> 00:57:50,079
or yeah there's so many reasons to be

1834
00:57:54,789 --> 00:57:51,520
interested in ufos

1835
00:57:57,190 --> 00:57:54,799
yeah so like what what do you want out

1836
00:57:59,510 --> 00:57:57,200
of this tomorrow the entire ufo

1837
00:58:01,270 --> 00:57:59,520
question um and where we're at right now

1838
00:58:03,270 --> 00:58:01,280

what do you want do you want answers

1839

00:58:04,789 --> 00:58:03,280

yeah i want to know what's true yeah

1840

00:58:06,390 --> 00:58:04,799

yeah i mean it's that

1841

00:58:08,390 --> 00:58:06,400

now the catch becomes you know can you

1842

00:58:09,750 --> 00:58:08,400

handle the truth i just want to know

1843

00:58:11,270 --> 00:58:09,760

what's true i think people are pretty

1844

00:58:14,710 --> 00:58:11,280

adaptable and flexible

1845

00:58:16,549 --> 00:58:14,720

um in regards to how they deal with that

1846

00:58:18,630 --> 00:58:16,559

information at least that's what i think

1847

00:58:19,589 --> 00:58:18,640

i mean why do why does anybody want

1848

00:58:22,150 --> 00:58:19,599

anything right it's

1849

00:58:22,710 --> 00:58:22,160

that stuff at one point like i said i

1850

00:58:25,990 --> 00:58:22,720

had this

1851

00:58:27,750 --> 00:58:26,000

burning desire to know

1852

00:58:29,270 --> 00:58:27,760

like it was it was like weird it was

1853

00:58:30,309 --> 00:58:29,280

heady it was out of the blue it was

1854

00:58:32,390 --> 00:58:30,319

pretty intense

1855

00:58:33,829 --> 00:58:32,400

and it was like what's true what's true

1856

00:58:35,190 --> 00:58:33,839

and it became that

1857

00:58:36,789 --> 00:58:35,200

and that's kind of where i am with this

1858

00:58:37,190 --> 00:58:36,799

i want to know what's true i've become

1859

00:58:40,630 --> 00:58:37,200

less

1860

00:58:43,270 --> 00:58:40,640

um i become more pensive about it

1861

00:58:43,829 --> 00:58:43,280

if that makes sense like just because

1862

00:58:45,670 --> 00:58:43,839

now

1863

00:58:47,270 --> 00:58:45,680

this stuff is in physical matter reality

1864

00:58:48,950 --> 00:58:47,280

like this is not like

1865

00:58:50,870 --> 00:58:48,960

oh we're just thinking about these

1866

00:58:52,710 --> 00:58:50,880

things and talking about if disclosure

1867

00:58:54,630 --> 00:58:52,720

happens etc etc

1868

00:58:55,990 --> 00:58:54,640

well you have just had confirmation and

1869

00:58:57,750 --> 00:58:56,000

you've had your government basically

1870

00:58:59,190 --> 00:58:57,760

change its systems in order to accrue

1871

00:59:01,670 --> 00:58:59,200

data and everything else

1872

00:59:02,309 --> 00:59:01,680

over ufos basically an x-files division

1873

00:59:04,150 --> 00:59:02,319

created

1874

00:59:05,670 --> 00:59:04,160

and done so in the open with all of the

1875

00:59:07,190 --> 00:59:05,680

intelligence services signing up saying

1876

00:59:09,030 --> 00:59:07,200

yes this is us

1877

00:59:10,230 --> 00:59:09,040

like i said melon just released another

1878

00:59:13,670 --> 00:59:10,240

document

1879

00:59:16,549 --> 00:59:13,680

giving basically technical information

1880

00:59:18,069 --> 00:59:16,559

of an assessment of the nimitz thing um

1881

00:59:20,549 --> 00:59:18,079

your government seems to be

1882

00:59:22,549 --> 00:59:20,559

doing this and so it's like now this is

1883

00:59:23,589 --> 00:59:22,559

real anything that happens is real if

1884

00:59:26,069 --> 00:59:23,599

you spook the public

1885

00:59:28,069 --> 00:59:26,079

that's real if you go out screaming on

1886

00:59:29,589 --> 00:59:28,079

fox news that aliens are eating babies

1887

00:59:31,349 --> 00:59:29,599

or attacking america

1888

00:59:32,870 --> 00:59:31,359

that's real especially if they take it

1889

00:59:35,270 --> 00:59:32,880

and they run with it and they

1890

00:59:36,069 --> 00:59:35,280

they get stuck with that point of view

1891

00:59:39,349 --> 00:59:36,079

as this

1892

00:59:41,349 --> 00:59:39,359

happens meaning it's no longer this um

1893

00:59:43,030 --> 00:59:41,359

conceptual thing anymore everything that

1894

00:59:44,230 --> 00:59:43,040

happens from the standpoint this point

1895

00:59:46,950 --> 00:59:44,240

performed

1896

00:59:47,910 --> 00:59:46,960

on this topic it's legit and if people

1897

00:59:49,670 --> 00:59:47,920

want to make the argument about the

1898

00:59:51,510 --> 00:59:49,680

alien hypothesis fair enough

1899

00:59:53,109 --> 00:59:51,520

and if that hypothesis come to be come

1900

00:59:55,030 --> 00:59:53,119

to fruition fair enough

1901

00:59:57,030 --> 00:59:55,040

but again you're stuck with the paradigm

1902

00:59:57,670 --> 00:59:57,040

shift i think that's the part that's

1903

00:59:59,349 --> 00:59:57,680

that's

1904

01:00:01,109 --> 00:59:59,359

mind-blowing to me and it's like the

1905

01:00:03,589 --> 01:00:01,119

ramifications of it are so big

1906

01:00:05,510 --> 01:00:03,599

that it's hard to wrap your head around

1907

01:00:07,109 --> 01:00:05,520

it it's like everything from science

1908

01:00:10,390 --> 01:00:07,119

technology engineering

1909

01:00:12,950 --> 01:00:10,400

um philosophy hue humanity hue

1910

01:00:14,630 --> 01:00:12,960

who humanity is in the grand scheme of

1911

01:00:15,990 --> 01:00:14,640

this kind of larger space as opposed to

1912

01:00:18,630 --> 01:00:16,000

being a single actor

1913

01:00:19,349 --> 01:00:18,640

dancing about on stage um on a cosmic

1914

01:00:21,030 --> 01:00:19,359

stage

1915

01:00:22,549 --> 01:00:21,040

like all of that stuff changes what does

1916

01:00:24,069 --> 01:00:22,559

it mean for science to tech i mean even

1917

01:00:25,510 --> 01:00:24,079

in the best of circumstances you're

1918

01:00:27,990 --> 01:00:25,520

probably looking at a world that starts

1919

01:00:31,990 --> 01:00:28,000

to get closer together in regards to

1920

01:00:34,470 --> 01:00:32,000

organization not people

1921

01:00:35,990 --> 01:00:34,480

governmental forces even this notion of

1922

01:00:38,069 --> 01:00:36,000

okay how are we going to accrue the

1923

01:00:38,390 --> 01:00:38,079

resources of the planet in order to deal

1924

01:00:40,710 --> 01:00:38,400

with

1925

01:00:42,069 --> 01:00:40,720

planetary threats meaning under the best

1926

01:00:44,150 --> 01:00:42,079

of circumstances military

1927

01:00:45,750 --> 01:00:44,160

is going to get a huge amount of cash

1928

01:00:47,030 --> 01:00:45,760

meaning it doesn't have to be

1929

01:00:48,950 --> 01:00:47,040

we're doing this for the military to get

1930

01:00:49,750 --> 01:00:48,960

a bunch of cash for the military to get

1931

01:00:51,910 --> 01:00:49,760

a bunch of cash

1932

01:00:53,670 --> 01:00:51,920

as it comes up and realizes oh my god

1933

01:00:54,950 --> 01:00:53,680

we're so far behind we have to catch up

1934

01:00:56,390 --> 01:00:54,960

we have to catch up

1935

01:00:58,069 --> 01:00:56,400

science technology all this stuff is

1936

01:00:58,710 --> 01:00:58,079

going to radically change what the world

1937

01:01:01,190 --> 01:00:58,720

looks like

1938

01:01:02,630 --> 01:01:01,200

after that i have no goddamn clue and

1939

01:01:04,870 --> 01:01:02,640

that's kind of my point like it's a

1940

01:01:06,069 --> 01:01:04,880

paradigm shift in in epic proportions

1941

01:01:08,549 --> 01:01:06,079

what does it look like

1942

01:01:09,430 --> 01:01:08,559

when a person can you know live in china

1943

01:01:11,829 --> 01:01:09,440

and work in

1944

01:01:12,870 --> 01:01:11,839

new york because the the device gets it

1945

01:01:15,030 --> 01:01:12,880

from point a to point b

1946

01:01:16,390 --> 01:01:15,040

in let's say 10 minutes or 20 minutes

1947

01:01:17,670 --> 01:01:16,400

because of the speed at which they can

1948

01:01:20,710 --> 01:01:17,680

go from point a to point b

1949

01:01:21,589 --> 01:01:20,720

what does it look like for laws um in

1950

01:01:24,549 --> 01:01:21,599

regards to

1951

01:01:25,190 --> 01:01:24,559

space um like all of that stuff changes

1952

01:01:26,470 --> 01:01:25,200

how do we

1953

01:01:28,069 --> 01:01:26,480

engage with something if we don't

1954

01:01:29,670 --> 01:01:28,079

necessarily even know what the thing is

1955

01:01:30,710 --> 01:01:29,680

because just because we realize okay

1956

01:01:31,990 --> 01:01:30,720

there's something there doesn't mean

1957

01:01:33,670 --> 01:01:32,000

we're engaging with them

1958

01:01:35,349 --> 01:01:33,680

like it doesn't mean that we're oh we're

1959

01:01:37,109 --> 01:01:35,359

making open contact

1960

01:01:38,950 --> 01:01:37,119

no that doesn't mean that at all it just

1961

01:01:41,030 --> 01:01:38,960

means that they are there

1962

01:01:41,990 --> 01:01:41,040

okay there's something we don't know

1963

01:01:44,549 --> 01:01:42,000

what that something is

1964

01:01:45,990 --> 01:01:44,559

like you say we may not have any clue on

1965

01:01:47,589 --> 01:01:46,000

what that stuff is

1966

01:01:49,270 --> 01:01:47,599

meaning the government might be in the

1967

01:01:50,710 --> 01:01:49,280

dark itself

1968

01:01:51,910 --> 01:01:50,720

i still think the government is always

1969

01:01:52,789 --> 01:01:51,920

going to withhold certain bits of

1970

01:01:54,549 --> 01:01:52,799

information but

1971

01:01:56,150 --> 01:01:54,559

it may be in the dark to a greater

1972

01:01:57,829 --> 01:01:56,160

degree than we think they're in the dark

1973

01:02:00,150 --> 01:01:57,839

and so all of that stuff just changes

1974

01:02:01,829 --> 01:02:00,160

like i like we don't even know

1975

01:02:03,190 --> 01:02:01,839

how they got here we don't even know if

1976

01:02:05,430 --> 01:02:03,200

they were already here

1977

01:02:06,630 --> 01:02:05,440

um as we evolved meaning that stuff

1978

01:02:08,069 --> 01:02:06,640

might have just been hey

1979

01:02:10,390 --> 01:02:08,079

no we've always been here underwater

1980

01:02:11,910 --> 01:02:10,400

we're not from elsewhere like all that

1981

01:02:14,309 --> 01:02:11,920

stuff is in the dark

1982

01:02:15,829 --> 01:02:14,319

and i think the weirdest part is what

1983

01:02:18,870 --> 01:02:15,839

does humanity become

1984

01:02:19,190 --> 01:02:18,880

after that and knowing i mean physics

1985

01:02:21,349 --> 01:02:19,200

think

1986

01:02:23,029 --> 01:02:21,359

of physics for the moment you you have a

1987

01:02:24,150 --> 01:02:23,039

situation where physicists are saying

1988

01:02:25,750 --> 01:02:24,160

all right

1989

01:02:27,430 --> 01:02:25,760

if something is here and something is

1990

01:02:28,390 --> 01:02:27,440

doing what they say it's doing and we

1991

01:02:30,230 --> 01:02:28,400

accept that

1992

01:02:32,069 --> 01:02:30,240

okay we need to explain that well what

1993

01:02:33,349 --> 01:02:32,079

does it mean when physics get an answer

1994

01:02:35,349 --> 01:02:33,359

to a question they didn't even know

1995

01:02:36,789 --> 01:02:35,359

existed and what does it look like for

1996

01:02:38,390 --> 01:02:36,799

the technology that's created when they

1997

01:02:39,430 --> 01:02:38,400

do it and yes a lot of this stuff is

1998

01:02:40,309 --> 01:02:39,440

going to get dumped in the military

1999

01:02:41,750 --> 01:02:40,319

because they're going to

2000

01:02:43,510 --> 01:02:41,760

in their heads we got to play catch up

2001
01:02:44,549 --> 01:02:43,520
we got to play catch-up and the neocons

2002
01:02:45,430 --> 01:02:44,559
of the world are going to be like we

2003
01:02:47,190 --> 01:02:45,440
can't

2004
01:02:48,470 --> 01:02:47,200
play second fiddle to these alien

2005
01:02:50,470 --> 01:02:48,480
civilizations that's

2006
01:02:52,150 --> 01:02:50,480
visiting earth and trespassing on our

2007
01:02:53,190 --> 01:02:52,160
secret airspace so whatever they're

2008
01:02:55,029 --> 01:02:53,200
going to say

2009
01:02:56,630 --> 01:02:55,039
um but they are going to want to play

2010
01:02:57,430 --> 01:02:56,640
ketchup they're not going to want to sit

2011
01:03:01,829 --> 01:02:57,440
there

2012
01:03:04,549 --> 01:03:01,839
and have something that is grotesquely

2013
01:03:05,990 --> 01:03:04,559

our technology and when we find out and

2014

01:03:07,270 --> 01:03:06,000

figure out how this stuff is done and we

2015

01:03:08,789 --> 01:03:07,280

will figure out how this stuff is done

2016

01:03:09,510 --> 01:03:08,799

oh my god and what does your world look

2017

01:03:11,510 --> 01:03:09,520

like

2018

01:03:13,670 --> 01:03:11,520

and by the way and that's not just for

2019

01:03:16,309 --> 01:03:13,680

military that falls all the way down

2020

01:03:17,430 --> 01:03:16,319

through your society even in the way you

2021

01:03:19,589 --> 01:03:17,440

see each other

2022

01:03:20,950 --> 01:03:19,599

i mean how does earth see itself at that

2023

01:03:22,789 --> 01:03:20,960

point when it knows

2024

01:03:24,150 --> 01:03:22,799

like it's just very wild and very heady

2025

01:03:25,190 --> 01:03:24,160

to think about and that's been put on

2026

01:03:26,630 --> 01:03:25,200

the table

2027

01:03:28,870 --> 01:03:26,640

that's the point that's the point i'm

2028

01:03:31,910 --> 01:03:28,880

trying to make like for whatever reason

2029

01:03:35,829 --> 01:03:31,920

the left doesn't entirely

2030

01:03:36,950 --> 01:03:35,839

um get the gravity of what has just been

2031

01:03:40,309 --> 01:03:36,960

added

2032

01:03:42,150 --> 01:03:40,319

to the table of possibilities it's that

2033

01:03:45,029 --> 01:03:42,160

and even if you say okay well let's

2034

01:03:46,789 --> 01:03:45,039

assume that it's us okay fair enough

2035

01:03:47,829 --> 01:03:46,799

but you just have still technology that

2036

01:03:48,789 --> 01:03:47,839

is doing something that you need to

2037

01:03:50,150 --> 01:03:48,799

figure out what it's doing and

2038

01:03:51,589 --> 01:03:50,160

somebody's using it and they need to

2039

01:03:53,510 --> 01:03:51,599

explain who's using it

2040

01:03:55,829 --> 01:03:53,520

it's that type of stuff so no man i i

2041

01:03:58,710 --> 01:03:55,839

think the gravity of this is phenomenal

2042

01:04:00,630 --> 01:03:58,720

it is and the questions are being asked

2043

01:04:01,190 --> 01:04:00,640

like you said and they never were before

2044

01:04:03,349 --> 01:04:01,200

so no

2045

01:04:04,230 --> 01:04:03,359

i i i never asked before because it was

2046

01:04:05,750 --> 01:04:04,240

never real

2047

01:04:07,430 --> 01:04:05,760

that's what i'm making like the ufo

2048

01:04:09,510 --> 01:04:07,440

community hates

2049

01:04:11,270 --> 01:04:09,520

that it's like yeah dude we already knew

2050

01:04:14,309 --> 01:04:11,280

that but the rest of the world

2051

01:04:15,349 --> 01:04:14,319

did they just made it this is real this

2052

01:04:17,109 --> 01:04:15,359

is they are there to this

2053

01:04:18,470 --> 01:04:17,119

and so the questions are being asked now

2054

01:04:19,190 --> 01:04:18,480

because now you're talking about a real

2055

01:04:21,510 --> 01:04:19,200

thing

2056

01:04:24,390 --> 01:04:21,520

yep it's different title of the episode

2057

01:04:27,109 --> 01:04:24,400

there is a there there i love it

2058

01:04:28,870 --> 01:04:27,119

last question of course tomorrow i gotta

2059

01:04:29,670 --> 01:04:28,880

ask where can we find everything you're

2060

01:04:31,510 --> 01:04:29,680

up to man

2061

01:04:33,349 --> 01:04:31,520

and um yeah what do you got going on

2062

01:04:35,430 --> 01:04:33,359

lately if there's anything interesting

2063

01:04:36,789 --> 01:04:35,440

my youtube channel uh okay that's at

2064

01:04:39,670 --> 01:04:36,799

jamarl thomas that's

2065

01:04:41,270 --> 01:04:39,680

just my name um and i do fault lines

2066

01:04:42,390 --> 01:04:41,280

that's on radio sputnik that's here in

2067

01:04:45,670 --> 01:04:42,400

washington dc

2068

01:04:46,470 --> 01:04:45,680

um and of course i try to you know i've

2069

01:04:49,109 --> 01:04:46,480

been

2070

01:04:51,270 --> 01:04:49,119

graciously added to the ufo community so

2071

01:04:52,950 --> 01:04:51,280

part of ufo twitter and all that stuff

2072

01:04:54,870 --> 01:04:52,960

and so you can see me at the prague

2073

01:04:57,510 --> 01:04:54,880

soapbox on twitter

2074

01:04:58,870 --> 01:04:57,520

perfect and dude if i can say anything

2075

01:05:01,029 --> 01:04:58,880

it's so refreshing

2076

01:05:02,069 --> 01:05:01,039

and it's so awesome to have you in our

2077

01:05:04,230 --> 01:05:02,079

community now

2078

01:05:05,270 --> 01:05:04,240

we have desperately needed new faces and

2079

01:05:07,430 --> 01:05:05,280

new voices

2080

01:05:08,630 --> 01:05:07,440

and new questions being asked of these

2081

01:05:10,069 --> 01:05:08,640

phenomena that uh

2082

01:05:11,990 --> 01:05:10,079

you know we haven't found answers to in

2083

01:05:13,670 --> 01:05:12,000

the last 70 years so thank you for

2084

01:05:15,990 --> 01:05:13,680

asking those tough questions

2085

01:05:17,190 --> 01:05:16,000

thank you for approaching this topic the

2086

01:05:18,950 --> 01:05:17,200

way you have and uh

2087

01:05:20,549 --> 01:05:18,960

thank you for joining me today thank you

2088

01:05:29,800 --> 01:05:20,559

man i appreciate this

2089

01:05:29,810 --> 01:05:48,829

[Music]

2090

01:05:48,839 --> 01:05:54,820

so

2091
