what's up guys ryan sprague here and i'm

3
00:00:07,829 --> 00:00:06,319

just dropping in to remind you about our

4
00:00:09,750 --> 00:00:07,839

patreon campaign

5
00:00:11,910 --> 00:00:09,760

somewhere in the skies is always free to

6
00:00:13,270 --> 00:00:11,920

consume but it's not free to create

7
00:00:16,070 --> 00:00:13,280

so if you want to help the show on a

8
00:00:18,390 --> 00:00:16,080

monthly basis we have tons of rewards

9
00:00:20,070 --> 00:00:18,400

for you in return including shout outs

10
00:00:22,870 --> 00:00:20,080

on the show and website

11
00:00:23,670 --> 00:00:22,880

bonus content and episodes and free

21

00:01:20,950 --> 00:01:19,759

hello ryan thank you for inviting me to

22

00:01:23,270 --> 00:01:20,960

share my story

23

00:01:25,990 --> 00:01:23,280

my name is ashley i'm 34 years old and i

24

00:01:28,230 --> 00:01:26,000

currently live in ontario canada when

25

00:01:30,310 --> 00:01:28,240

this event took place in 1997

26

00:01:31,749 --> 00:01:30,320

i was 11 years old and i lived with my

27

00:01:34,710 --> 00:01:31,759

family

28

00:01:36,390 --> 00:01:34,720

in hamilton uh one night i went to the

29

00:01:37,910 --> 00:01:36,400

corner store and as i stood at the

30

00:01:38,390 --> 00:01:37,920

crosswalk waiting for the light to

31

00:01:41,510 --> 00:01:38,400

change

32

00:01:44,310 --> 00:01:41,520

i looked up at the sky i noticed

33

00:01:46,389 --> 00:01:44,320

that the sky was totally black and that

34

00:01:49,190 --> 00:01:46,399

there weren't any stars

35

00:01:50,149 --> 00:01:49,200

when i looked all the way up that's when

36

00:01:53,350 --> 00:01:50,159

i saw

37

00:01:56,550 --> 00:01:53,360

these lights that immediately

38

00:01:58,550 --> 00:01:56,560

registered as being a natural

39

00:01:59,830 --> 00:01:58,560

there were about five or six of them

40

00:02:02,230 --> 00:01:59,840

they were stationary

41

00:02:04,630 --> 00:02:02,240

a little bit bigger than stars often

42

00:02:08,710 --> 00:02:04,640

color like a soft orange

43

00:02:12,229 --> 00:02:08,720

and they formed a very large half circle

44

00:02:14,949 --> 00:02:12,239

my best guess would be that i

45

00:02:15,430 --> 00:02:14,959

would be able to place my adult hand

46

00:02:19,270 --> 00:02:15,440

between

47

00:02:19,910 --> 00:02:19,280

each of these lights i had no idea what

48

00:02:22,550 --> 00:02:19,920

it was

49

00:02:24,869 --> 00:02:22,560

all i knew was that the longer i looked

50

00:02:27,030 --> 00:02:24,879

at it the more terrified i felt so i ran

51
00:02:29,030 --> 00:02:27,040
across the street into the store

52
00:02:30,949 --> 00:02:29,040
and wandered around until i felt

53
00:02:33,910 --> 00:02:30,959
comfortable enough to leave

54
00:02:35,350 --> 00:02:33,920
i couldn't have been more than five

55
00:02:37,910 --> 00:02:35,360
minutes

56
00:02:40,070 --> 00:02:37,920
when i left and crossed the street i

57
00:02:41,110 --> 00:02:40,080
made a point of stopping where i saw the

58
00:02:44,309 --> 00:02:41,120
lights and looking up

59
00:02:46,550 --> 00:02:44,319
but the lights were gone my mom

60
00:02:47,350 --> 00:02:46,560
doesn't ever recall talking to me about

61
00:02:49,509 --> 00:02:47,360
it and

62
00:02:51,030 --> 00:02:49,519
i guess i just forgot about it for a

63
00:02:53,030 --> 00:02:51,040

while

64

00:02:54,790 --> 00:02:53,040

i'd always been into ghosts and the

65

00:02:57,670 --> 00:02:54,800

paranormal when i was a kid

66

00:02:59,589 --> 00:02:57,680

and any idea i had on ufos at the time

67

00:03:01,670 --> 00:02:59,599

was based off of

68

00:03:03,830 --> 00:03:01,680

the odd story in a book that i could

69

00:03:06,710 --> 00:03:03,840

take out from the school library or

70

00:03:09,509 --> 00:03:06,720

watching the x-files with my parents

71

00:03:10,309 --> 00:03:09,519

that's until the internet came along and

72

00:03:12,470 --> 00:03:10,319

then i had

73

00:03:14,630 --> 00:03:12,480

even more access to information to

74

00:03:19,190 --> 00:03:14,640

expand my interests

75

00:03:20,390 --> 00:03:19,200

so one day in 2000 2001 i was bored and

76

00:03:24,229 --> 00:03:20,400

started searching for

77

00:03:27,350 --> 00:03:24,239

ufo photos and i found this website

78

00:03:30,390 --> 00:03:27,360

about the famous phoenix light sighting

79

00:03:34,869 --> 00:03:30,400

that took place in 1997

80

00:03:38,070 --> 00:03:34,879

and when i got to the photos

81

00:03:41,670 --> 00:03:38,080

i just remember

82

00:03:45,110 --> 00:03:41,680

getting chills because those photographs

83

00:03:48,710 --> 00:03:45,120

showed the exact same thing

84

00:03:50,390 --> 00:03:48,720

that i saw a few years prior

85

00:03:52,309 --> 00:03:50,400

and i remember just sitting there

86

00:03:55,030 --> 00:03:52,319

thinking about it like

87

00:03:55,750 --> 00:03:55,040

what are the odds that at 11 years old

88

00:03:58,229 --> 00:03:55,760

with

89

00:03:59,270 --> 00:03:58,239

no knowledge that the event in phoenix

90

00:04:01,190 --> 00:03:59,280

took place

91

00:04:03,190 --> 00:04:01,200

would i experience the same thing a

92

00:04:06,309 --> 00:04:03,200

couple of months later

93

00:04:09,429 --> 00:04:06,319

i have no doubts in my mind that

94

00:04:09,910 --> 00:04:09,439

i witnessed a ufo that night i wouldn't

95

00:04:14,229 --> 00:04:09,920

know

96

00:04:17,189 --> 00:04:14,239

how else to explain it

97

00:04:18,949 --> 00:04:17,199

ryan ron zlotnik here a loyal patreon

98

00:04:19,509 --> 00:04:18,959

member and long time follower of your

99

00:04:21,430 --> 00:04:19,519

work

100

00:04:23,270 --> 00:04:21,440

and i'm always inspired by the standout

101
00:04:25,110 --> 00:04:23,280
investigative work that you do

102
00:04:26,950 --> 00:04:25,120
as a strong voice in our community for

103
00:04:29,030 --> 00:04:26,960
the rest of us who have not had the

104
00:04:30,310 --> 00:04:29,040
opportunity to become a prominent figure

105
00:04:32,469 --> 00:04:30,320
in the ufo uap

106
00:04:34,950 --> 00:04:32,479
community so thank you very much for the

107
00:04:37,030 --> 00:04:34,960
role that you play on all of our behalfs

108
00:04:39,189 --> 00:04:37,040
so i appreciate this honor and privilege

109
00:04:41,189 --> 00:04:39,199
to lend my voice for once to tell of my

110
00:04:43,030 --> 00:04:41,199
encounters and share with you

111
00:04:44,870 --> 00:04:43,040
and the rest of our clan as an

112
00:04:46,950 --> 00:04:44,880
introduction i'm originally from a

113
00:04:47,590 --> 00:04:46,960

little town called windsor ontario

114

00:04:49,270 --> 00:04:47,600

canada

115

00:04:51,670 --> 00:04:49,280

which is basically like a suburb of

116

00:04:53,670 --> 00:04:51,680

detroit michigan usa

117

00:04:55,510 --> 00:04:53,680

i grew up in this town until i moved to

118

00:04:56,950 --> 00:04:55,520

michigan in my 40s

119

00:04:58,629 --> 00:04:56,960

no nothing really big comes out of

120

00:04:59,909 --> 00:04:58,639

windsor and thus for making it a little

121

00:05:02,390 --> 00:04:59,919

difficult to find

122

00:05:03,670 --> 00:05:02,400

a lot of ufo reports from there however

123

00:05:05,430 --> 00:05:03,680

as you well know

124

00:05:07,029 --> 00:05:05,440

ufos don't really know political

125

00:05:08,950 --> 00:05:07,039

boundaries nor do they care about

126

00:05:10,710 --> 00:05:08,960

political boundaries

127

00:05:13,270 --> 00:05:10,720

my first encounter was when i was

128

00:05:14,390 --> 00:05:13,280

extremely young so this first account is

129

00:05:16,870 --> 00:05:14,400

less detailed than

130

00:05:17,510 --> 00:05:16,880

my second account will be however it was

131

00:05:19,670 --> 00:05:17,520

no less

132

00:05:20,950 --> 00:05:19,680

real to me and i do have some memories

133

00:05:22,870 --> 00:05:20,960

of it

134

00:05:24,070 --> 00:05:22,880

so windsor being that small town i

135

00:05:26,150 --> 00:05:24,080

mentioned is

136

00:05:28,150 --> 00:05:26,160

overshadowed by detroit's international

137

00:05:28,710 --> 00:05:28,160

airport so we have a lot less air

138

00:05:31,430 --> 00:05:28,720

traffic

139

00:05:32,629 --> 00:05:31,440

on our local city's own airport that

140

00:05:34,870 --> 00:05:32,639

being said

141

00:05:35,830 --> 00:05:34,880

one evening when the sun was nearly down

142

00:05:37,670 --> 00:05:35,840

i must have been

143

00:05:39,749 --> 00:05:37,680

roughly i don't know five or six years

144

00:05:41,749 --> 00:05:39,759

old a long time ago

145

00:05:43,270 --> 00:05:41,759

and i recall a bit of unrest around the

146

00:05:43,909 --> 00:05:43,280

neighborhood when a lot of people are on

147

00:05:46,230 --> 00:05:43,919

the street

148

00:05:47,670 --> 00:05:46,240

looking towards our local airport you

149

00:05:49,909 --> 00:05:47,680

could kind of see the runway in that

150

00:05:52,629 --> 00:05:49,919

from there

151
00:05:53,430 --> 00:05:52,639
and i recall that there was an elongated

152
00:05:55,909 --> 00:05:53,440
oval

153
00:05:58,230 --> 00:05:55,919
yellowish metallic object that seemed to

154
00:05:59,749 --> 00:05:58,240
be kind of hovering over the runway

155
00:06:02,469 --> 00:05:59,759
around you know higher than the air

156
00:06:03,909 --> 00:06:02,479
traffic controller tower but not too

157
00:06:06,950 --> 00:06:03,919
much higher

158
00:06:10,150 --> 00:06:06,960
um probably about the size of a

159
00:06:12,070 --> 00:06:10,160
couple of 747 jets end-to-end

160
00:06:13,510 --> 00:06:12,080
so it's definitely something that uh

161
00:06:14,390 --> 00:06:13,520
shouldn't be there it doesn't belong

162
00:06:16,469 --> 00:06:14,400
there

163
00:06:18,230 --> 00:06:16,479

uh at this point in my life you know

164

00:06:21,110 --> 00:06:18,240

there was no internet

165

00:06:22,790 --> 00:06:21,120

or move on or any easy way to report it

166

00:06:24,309 --> 00:06:22,800

and a lot of the neighbors were pointing

167

00:06:27,189 --> 00:06:24,319

and talking about it

168

00:06:28,309 --> 00:06:27,199

uh with some fear and worry um and of

169

00:06:30,150 --> 00:06:28,319

course there was no

170

00:06:31,510 --> 00:06:30,160

quick snap smartphones able to take

171

00:06:33,590 --> 00:06:31,520

pictures

172

00:06:36,070 --> 00:06:33,600

so we were at a loss for any way of

173

00:06:38,550 --> 00:06:36,080

really recording this very well

174

00:06:40,469 --> 00:06:38,560

but uh you know it was just about people

175

00:06:42,870 --> 00:06:40,479

calling like local news or someone at

176

00:06:45,189 --> 00:06:42,880

the airport trying to get information

177

00:06:46,390 --> 00:06:45,199

uh they said all they said was uh we're

178

00:06:47,510 --> 00:06:46,400

looking into it

179

00:06:48,629 --> 00:06:47,520

but you could see this thing was

180

00:06:50,550 --> 00:06:48,639

hovering in a way it was kind of

181

00:06:51,350 --> 00:06:50,560

preventing planes from like landing or

182

00:06:54,710 --> 00:06:51,360

taking off

183

00:06:55,430 --> 00:06:54,720

on that um my parents were were there as

184

00:06:57,029 --> 00:06:55,440

well so

185

00:06:58,870 --> 00:06:57,039

my father had you know ushered me into

186

00:06:59,830 --> 00:06:58,880

the house before i could really see too

187

00:07:02,309 --> 00:06:59,840

much other than

188

00:07:03,589 --> 00:07:02,319

what i had saw and it seemed to have

189

00:07:05,510 --> 00:07:03,599

been hovering there for

190

00:07:06,950 --> 00:07:05,520

like several minutes probably 10 or 20

191

00:07:08,550 --> 00:07:06,960

minutes

192

00:07:10,309 --> 00:07:08,560

i never really found out the outcome of

193

00:07:11,990 --> 00:07:10,319

that because like i said my parents kind

194

00:07:14,309 --> 00:07:12,000

of ushered me into the house

195

00:07:16,390 --> 00:07:14,319

and then they went back in we haven't

196

00:07:19,510 --> 00:07:16,400

really discussed it ever since then

197

00:07:20,790 --> 00:07:19,520

um but my parents have always been open

198

00:07:23,110 --> 00:07:20,800

believers

199

00:07:24,790 --> 00:07:23,120

and have always been into like sci-fi

200

00:07:26,309 --> 00:07:24,800

and that because i think

201
00:07:27,749 --> 00:07:26,319
that definitely sparked something in

202
00:07:29,670 --> 00:07:27,759
them as well but like i said we don't

203
00:07:32,150 --> 00:07:29,680
really talk about it

204
00:07:33,189 --> 00:07:32,160
my second incident is a lot more clear

205
00:07:36,070 --> 00:07:33,199
and personal to me

206
00:07:37,189 --> 00:07:36,080
and i fully recount it also i gotta say

207
00:07:39,830 --> 00:07:37,199
that after listening

208
00:07:42,550 --> 00:07:39,840
to uh years of your podcasts and various

209
00:07:45,189 --> 00:07:42,560
witness encounters and documented

210
00:07:47,670 --> 00:07:45,199
stories and videos and there's handfuls

211
00:07:49,589 --> 00:07:47,680
of common types of themes of accounts

212
00:07:51,510 --> 00:07:49,599
but i haven't come across one with the

213
00:07:53,029 --> 00:07:51,520

same matched unique trade

214

00:07:54,869 --> 00:07:53,039

and i've always searched to see if

215

00:07:57,270 --> 00:07:54,879

somebody had seen something similar

216

00:07:58,070 --> 00:07:57,280

so yeah i find this one particularly

217

00:08:01,270 --> 00:07:58,080

interesting because

218

00:08:02,790 --> 00:08:01,280

of that so when i was about 13 years old

219

00:08:05,270 --> 00:08:02,800

we were living in a different house from

220

00:08:06,469 --> 00:08:05,280

my earlier account behind my house was a

221

00:08:08,550 --> 00:08:06,479

really large field

222

00:08:09,909 --> 00:08:08,560

and it was underdeveloped even though we

223

00:08:11,990 --> 00:08:09,919

were in the city

224

00:08:14,070 --> 00:08:12,000

on the other side of the field kind of

225

00:08:15,830 --> 00:08:14,080

kitty corner was a 7-11 store

226

00:08:17,749 --> 00:08:15,840

and in that day and age it wasn't

227

00:08:19,350 --> 00:08:17,759

uncommon for parents to send their kids

228

00:08:21,990 --> 00:08:19,360

to buy them cigarettes

229

00:08:23,110 --> 00:08:22,000

yeah i feel old i know so my father

230

00:08:24,710 --> 00:08:23,120

would regularly send

231

00:08:26,869 --> 00:08:24,720

him send me on runs to grab him

232

00:08:27,670 --> 00:08:26,879

cigarettes and since you know obviously

233

00:08:53,990 --> 00:08:27,680

i

234

00:08:56,630 --> 00:08:54,000

had not

235

00:08:57,590 --> 00:08:56,640

moved previously and then suddenly it

236

00:09:00,310 --> 00:08:57,600

started moving

237

00:09:01,430 --> 00:09:00,320

and drifting across the sky in a slow

238

00:09:03,350 --> 00:09:01,440

rhythmic fashion

239

00:09:05,110 --> 00:09:03,360

sort of how you would see like a modern

240

00:09:07,590 --> 00:09:05,120

day satellite in orbit

241

00:09:09,509 --> 00:09:07,600

that's kind of how it looked so after a

242

00:09:10,870 --> 00:09:09,519

few seconds of that constant motion it

243

00:09:12,870 --> 00:09:10,880

sped up a bit

244

00:09:15,190 --> 00:09:12,880

and then after it seemed to traverse

245

00:09:18,070 --> 00:09:15,200

about a quarter of the sky

246

00:09:20,230 --> 00:09:18,080

and then it would stop suddenly again it

247

00:09:22,949 --> 00:09:20,240

was now hovering motionless in place

248

00:09:24,470 --> 00:09:22,959

and i completely stopped walking as my

249

00:09:27,509 --> 00:09:24,480

gaze was frozen on this

250

00:09:29,590 --> 00:09:27,519

little star dot i noticed uh

251

00:09:30,949 --> 00:09:29,600

there was no noticeable sounds or

252

00:09:34,150 --> 00:09:30,959

anything like that

253

00:09:36,230 --> 00:09:34,160

you know what kind of common theme

254

00:09:39,110 --> 00:09:36,240

i didn't feel anything strange it was

255

00:09:41,269 --> 00:09:39,120

just it just seemed like a star that

256

00:09:42,790 --> 00:09:41,279

wasn't moving then it was moving and

257

00:09:46,070 --> 00:09:42,800

then it wasn't moving again

258

00:09:47,350 --> 00:09:46,080

which is very peculiar so then staring

259

00:09:50,790 --> 00:09:47,360

at it after about

260

00:09:52,790 --> 00:09:50,800

oh 10 15 seconds of nothing happening

261

00:09:54,630 --> 00:09:52,800

i'm still locked in on it but then i saw

262

00:09:56,949 --> 00:09:54,640

the strangest thing

263

00:09:58,310 --> 00:09:56,959

i saw what appeared to be a beam of

264

00:10:02,069 --> 00:09:58,320

faint white light

265

00:10:05,030 --> 00:10:02,079

slowly kind of growing out of the star

266

00:10:06,550 --> 00:10:05,040

looking while the star looking dot and

267

00:10:08,310 --> 00:10:06,560

that light kind of reminded me of how

268

00:10:10,870 --> 00:10:08,320

like a lightsaber

269

00:10:11,350 --> 00:10:10,880

turns on so it just kind of grew you

270

00:10:13,430 --> 00:10:11,360

know

271

00:10:14,870 --> 00:10:13,440

coming out of that dot and when it was

272

00:10:17,509 --> 00:10:14,880

about i'll say

273

00:10:18,470 --> 00:10:17,519

an inch long from my perspective on the

274

00:10:21,190 --> 00:10:18,480

ground

275

00:10:22,870 --> 00:10:21,200

against the length of the sky the entire

276

00:10:25,670 --> 00:10:22,880

beam then started to spin

277

00:10:27,430 --> 00:10:25,680

around the central dot and as it spun

278

00:10:29,670 --> 00:10:27,440

the colors oscillated through

279

00:10:31,910 --> 00:10:29,680

all the various colors of the rainbow

280

00:10:33,509 --> 00:10:31,920

but like in no particular order of color

281

00:10:34,389 --> 00:10:33,519

it seemed to be just kind of random as

282

00:10:37,110 --> 00:10:34,399

it spun around

283

00:10:38,230 --> 00:10:37,120

and around and around so it it spun

284

00:10:41,269 --> 00:10:38,240

around this dot

285

00:10:43,670 --> 00:10:41,279

about oh a dozen-ish times or so

286

00:10:45,670 --> 00:10:43,680

and then it abruptly stopped again and

287

00:10:45,990 --> 00:10:45,680

then slowly retracted back into the

288

00:10:47,670 --> 00:10:46,000

center

289

00:10:49,509 --> 00:10:47,680

of the dot like somebody turned off the

290

00:10:51,910 --> 00:10:49,519

lightsaber

291

00:10:52,870 --> 00:10:51,920

so at this point i'm just completely in

292

00:10:56,150 --> 00:10:52,880

shock and awe

293

00:10:58,389 --> 00:10:56,160

and frozen in place you know about

294

00:10:59,509 --> 00:10:58,399

five ten more seconds pass with nothing

295

00:11:01,509 --> 00:10:59,519

happening

296

00:11:02,550 --> 00:11:01,519

and that same familiar ending to most

297

00:11:05,030 --> 00:11:02,560

sightings happened

298

00:11:07,509 --> 00:11:05,040

and that dot just shot off across the

299

00:11:09,030 --> 00:11:07,519

sky at like warp 20 and it was gone that

300

00:11:11,269 --> 00:11:09,040

was the end of it

301

00:11:13,190 --> 00:11:11,279

i was completely frozen in place for

302

00:11:14,949 --> 00:11:13,200

like a couple of minutes after that just

303

00:11:16,710 --> 00:11:14,959

scanning the sky

304

00:11:18,949 --> 00:11:16,720

and feeling a little bit shaken with a

305

00:11:20,150 --> 00:11:18,959

mix of uh feelings of both fear and

306

00:11:23,350 --> 00:11:20,160

amazement

307

00:11:25,509 --> 00:11:23,360

then i finally came to my senses once my

308

00:11:27,350 --> 00:11:25,519

head came back to ground level

309

00:11:28,630 --> 00:11:27,360

and with the cigarette money in my hands

310

00:11:31,190 --> 00:11:28,640

still i just

311

00:11:32,870 --> 00:11:31,200

turned around and bee-lined it back home

312

00:11:34,790 --> 00:11:32,880

came crashing through the door and threw

313

00:11:35,430 --> 00:11:34,800

the money at my father as i ran past him

314

00:11:38,069 --> 00:11:35,440

screaming

315

00:11:40,230 --> 00:11:38,079

get your own damn cigarettes ran into my

316

00:11:41,990 --> 00:11:40,240

room and slammed the door

317

00:11:43,350 --> 00:11:42,000

my father was obviously pretty taken by

318

00:11:45,750 --> 00:11:43,360

surprise by that

319

00:11:47,269 --> 00:11:45,760

you know a little wtf moment that was

320

00:11:49,269 --> 00:11:47,279

definitely not my normal behavior

321

00:11:51,030 --> 00:11:49,279

especially for a 13 year old

322

00:11:52,790 --> 00:11:51,040

so you can imagine he wanted to know

323

00:11:53,590 --> 00:11:52,800

what the hell was going on and i told

324

00:11:56,710 --> 00:11:53,600

him

325

00:11:57,190 --> 00:11:56,720

he kind of listened and didn't make too

326

00:11:59,509 --> 00:11:57,200

much

327

00:12:01,590 --> 00:11:59,519

out of it but i know in his heart he he

328

00:12:04,629 --> 00:12:01,600

knows it was something

329

00:12:06,710 --> 00:12:04,639

looking back um you know it's it seems

330

00:12:09,190 --> 00:12:06,720

funny now but at the time i was

331

00:12:11,430 --> 00:12:09,200

pretty shaken by it and it definitely

332

00:12:14,870 --> 00:12:11,440

solidified my curiosity and interest

333

00:12:15,590 --> 00:12:14,880

for a very long time until i find those

334

00:12:17,750 --> 00:12:15,600

answers

335

00:12:19,590 --> 00:12:17,760

but needless to say i didn't go get

336

00:12:21,190 --> 00:12:19,600

cigarettes for him for a long time after

337

00:12:23,269 --> 00:12:21,200

that night

338

00:12:25,430 --> 00:12:23,279

based on my life's experiences and the

339

00:12:26,949 --> 00:12:25,440

curiosities that were sparked inside me

340

00:12:29,990 --> 00:12:26,959

by everything i've

341

00:12:32,150 --> 00:12:30,000

seen and experienced and read up on

342

00:12:33,670 --> 00:12:32,160

my feelings are pretty solid in the

343

00:12:35,670 --> 00:12:33,680

matter

344

00:12:37,350 --> 00:12:35,680

very similar to your own from listening

345

00:12:39,509 --> 00:12:37,360

to your account and

346

00:12:41,509 --> 00:12:39,519

knowing your own views ryan from many

347

00:12:44,470 --> 00:12:41,519

podcasts that you've shared

348

00:12:45,110 --> 00:12:44,480

you know as as we all well know there

349

00:12:47,110 --> 00:12:45,120

are you know

350

00:12:49,190 --> 00:12:47,120

billions and billions of stars out there

351

00:12:51,990 --> 00:12:49,200

and it's mathematically

352

00:12:53,829 --> 00:12:52,000

impossible that we're the only ones you

353

00:12:56,870 --> 00:12:53,839

know i want to keep religion out of this

354

00:12:57,509 --> 00:12:56,880

but you know if religion suggests that

355

00:12:59,750 --> 00:12:57,519

you know the

356

00:13:00,710 --> 00:12:59,760

god created the universe the heavens and

357

00:13:02,389 --> 00:13:00,720

the earth and

358

00:13:03,829 --> 00:13:02,399

that it should be all there to kind of

359

00:13:07,030 --> 00:13:03,839

service us but

360

00:13:09,590 --> 00:13:07,040

i got to admit i'm i'm not a strong

361

00:13:10,550 --> 00:13:09,600

believer in that philosophy i'm very

362

00:13:13,190 --> 00:13:10,560

much into

363

00:13:15,030 --> 00:13:13,200

astrophysics and understanding the

364

00:13:16,550 --> 00:13:15,040

metaphysical nature of the universe and

365

00:13:20,470 --> 00:13:16,560

the cosmos

366

00:13:22,629 --> 00:13:20,480

and whether or not i feel that

367

00:13:23,590 --> 00:13:22,639

we're being visited by aliens in

368

00:13:26,949 --> 00:13:23,600

spacecrafts

369

00:13:28,069 --> 00:13:26,959

versus our ufos or uaps as they're

370

00:13:31,269 --> 00:13:28,079

called now

371

00:13:34,069 --> 00:13:31,279

simply hire technology from

372

00:13:36,150 --> 00:13:34,079

foreign adversaries which i genuinely

373

00:13:38,550 --> 00:13:36,160

believe is not the case

374

00:13:39,590 --> 00:13:38,560

that any current earth-based adversary

375

00:13:40,310 --> 00:13:39,600

would have that kind of level of

376

00:13:42,389 --> 00:13:40,320

technology

377

00:13:43,590 --> 00:13:42,399

far ahead of us but you know this is

378

00:13:44,710 --> 00:13:43,600

overlapping that uh

379

00:13:46,710 --> 00:13:44,720

all the things that have happened the

380

00:13:47,110 --> 00:13:46,720

last month or so about the uap task

381

00:13:50,870 --> 00:13:47,120

force

382

00:13:52,470 --> 00:13:50,880

report which we won't go into

383

00:13:54,629 --> 00:13:52,480

could it be you know inter-dimensional

384

00:13:56,629 --> 00:13:54,639

could it be time travelers you know us

385

00:13:59,509 --> 00:13:56,639

visiting ourselves

386

00:14:00,710 --> 00:13:59,519

from the future looking back anything is

387

00:14:02,629 --> 00:14:00,720

possible

388

00:14:04,150 --> 00:14:02,639

i'm not going to sit there and put that

389

00:14:06,550 --> 00:14:04,160

hat on and say yep

390

00:14:08,389 --> 00:14:06,560

ufos are aliens but i'm certainly not

391

00:14:11,430 --> 00:14:08,399

going to discount it either

392

00:14:13,030 --> 00:14:11,440

is there a current earth-based

393

00:14:16,310 --> 00:14:13,040

technology

394

00:14:16,949 --> 00:14:16,320

concept that's proven that shows faster

395

00:14:19,590 --> 00:14:16,959

than light

396

00:14:21,590 --> 00:14:19,600

travel which would be required to

397

00:14:23,030 --> 00:14:21,600

traverse the distances even to our

398

00:14:26,389 --> 00:14:23,040

closest neighbor star

399

00:14:28,230 --> 00:14:26,399

like four light years away um

400

00:14:29,670 --> 00:14:28,240

not currently there's certainly

401
00:14:32,550 --> 00:14:29,680
philosophical

402
00:14:34,389 --> 00:14:32,560
concepts astrophysical ideas and

403
00:14:36,949 --> 00:14:34,399
constructs

404
00:14:38,550 --> 00:14:36,959
but i do believe that considering the

405
00:14:40,870 --> 00:14:38,560
universe is created

406
00:14:41,990 --> 00:14:40,880
and expanded out that there could

407
00:14:44,150 --> 00:14:42,000
definitely be

408
00:14:46,550 --> 00:14:44,160
civilizations that were developed you

409
00:14:49,269 --> 00:14:46,560
know millennials ahead of us

410
00:14:51,350 --> 00:14:49,279
um that may have had a heck of a lot

411
00:14:53,910 --> 00:14:51,360
longer to develop technology

412
00:14:55,269 --> 00:14:53,920
that could possibly have allowed them to

413
00:14:58,389 --> 00:14:55,279

unlock a way

414

00:15:01,910 --> 00:14:58,399

to um travel this far

415

00:15:05,350 --> 00:15:01,920

but on the other hand if not then it's

416

00:15:07,670 --> 00:15:05,360

also feasibly impossible to suggest that

417

00:15:08,790 --> 00:15:07,680

people from another world could have

418

00:15:10,389 --> 00:15:08,800

reached us

419

00:15:12,150 --> 00:15:10,399

in their lifetimes unless it was you

420

00:15:13,990 --> 00:15:12,160

know drone automated

421

00:15:15,990 --> 00:15:14,000

uh probes like we've got the voyager

422

00:15:17,509 --> 00:15:16,000

probe sent out you know a millennia ago

423

00:15:20,150 --> 00:15:17,519

by the time it reached us

424

00:15:21,110 --> 00:15:20,160

with a civilization that's long gone

425

00:15:23,350 --> 00:15:21,120

regardless

426

00:15:25,829 --> 00:15:23,360

those are my feelings on the topic and

427

00:15:27,910 --> 00:15:25,839

that's where i stand on everything

428

00:15:29,030 --> 00:15:27,920

thanks for giving me this opportunity

429

00:15:31,189 --> 00:15:29,040

and uh

430

00:15:32,150 --> 00:15:31,199

thank you very much ryan keep fighting

431

00:15:33,540 --> 00:15:32,160

the good fight on

432

00:15:36,069 --> 00:15:33,550

all of our behalfts

433

00:15:38,790 --> 00:15:36,079

[Music]

434

00:15:40,710 --> 00:15:38,800

hey ryan i appreciate the opportunity to

435

00:15:45,030 --> 00:15:40,720

kind of tell what i saw man

436

00:15:47,430 --> 00:15:45,040

um in 2018 bc before covet

437

00:15:49,110 --> 00:15:47,440

i was out with my family on halloween

438

00:15:51,910 --> 00:15:49,120

night

439

00:15:53,350 --> 00:15:51,920

we've got a you know a fairly good sized

440

00:15:54,230 --> 00:15:53,360

neighborhood there's a lot of families a

441

00:15:56,150 --> 00:15:54,240

lot of kids

442

00:15:57,910 --> 00:15:56,160

there's probably a hundred people

443

00:16:01,910 --> 00:15:57,920

walking around

444

00:16:04,230 --> 00:16:01,920

you know in the neighborhood and

445

00:16:06,389 --> 00:16:04,240

as we're approaching one of the houses

446

00:16:08,389 --> 00:16:06,399

my son's running to the front door to go

447

00:16:11,350 --> 00:16:08,399

get some candy and all that good stuff

448

00:16:12,790 --> 00:16:11,360

and i noticed you know two gentlemen

449

00:16:15,110 --> 00:16:12,800

standing off to the side and they're

450

00:16:16,790 --> 00:16:15,120

looking up in the sky kind of looking

451
00:16:18,470 --> 00:16:16,800
around a tree

452
00:16:20,949 --> 00:16:18,480
looking over the roof of the house like

453
00:16:22,389 --> 00:16:20,959
they're just looking at something

454
00:16:24,310 --> 00:16:22,399
and i can hear one of them say you know

455
00:16:27,110 --> 00:16:24,320
oh it's you know look at that

456
00:16:28,389 --> 00:16:27,120
so super curious want to know what's

457
00:16:31,030 --> 00:16:28,399
happening i'll walk up

458
00:16:31,829 --> 00:16:31,040
you know what are you seeing the guy

459
00:16:34,150 --> 00:16:31,839
says man

460
00:16:35,350 --> 00:16:34,160
you know there's i think there's a ufo

461
00:16:38,949 --> 00:16:35,360
in the sky

462
00:16:41,990 --> 00:16:38,959
and i'm like where immediately

463
00:16:42,870 --> 00:16:42,000

and he kind of points to the western sky

464

00:16:44,389 --> 00:16:42,880

and he says you know

465

00:16:46,069 --> 00:16:44,399

if you can look straight ahead you see

466

00:16:47,829 --> 00:16:46,079

that bright bright star

467

00:16:49,670 --> 00:16:47,839

and i look up i see the star he goes

468

00:16:52,550 --> 00:16:49,680

look to the left of it

469

00:16:53,590 --> 00:16:52,560

so i look to the left of the star and

470

00:16:57,350 --> 00:16:53,600

there's a

471

00:17:01,350 --> 00:16:57,360

white glowing object in the sky

472

00:17:02,870 --> 00:17:01,360

hovering and then

473

00:17:04,710 --> 00:17:02,880

like right after that it just starts to

474

00:17:08,870 --> 00:17:04,720

move through the sky

475

00:17:12,309 --> 00:17:08,880

from this west to north

476
00:17:15,750 --> 00:17:12,319
and it didn't make a sound

477
00:17:17,669 --> 00:17:15,760
it solid white um

478
00:17:18,870 --> 00:17:17,679
kind of stopped and then started back up

479
00:17:23,510 --> 00:17:18,880
moving

480
00:17:26,789 --> 00:17:23,520
from like a dead stop to start

481
00:17:33,270 --> 00:17:26,799
um we watched it for

482
00:17:37,029 --> 00:17:33,280
a minute maybe a full minute um

483
00:17:38,230 --> 00:17:37,039
it was like it was unlike anything i've

484
00:17:40,310 --> 00:17:38,240
ever seen

485
00:17:43,669 --> 00:17:40,320
i we live in a military town in florida

486
00:17:45,510 --> 00:17:43,679
we see planes we see helicopters

487
00:17:47,510 --> 00:17:45,520
um you know i've seen the starlink

488
00:17:50,630 --> 00:17:47,520

satellites i've seen the iss

489

00:17:54,630 --> 00:17:50,640

it wasn't any of these things

490

00:17:57,590 --> 00:17:54,640

um the most amazing part of it is

491

00:17:59,430 --> 00:17:57,600

when it was all over and as it was

492

00:18:01,590 --> 00:17:59,440

sinking in

493

00:18:02,789 --> 00:18:01,600

i realized that i didn't reach for my

494

00:18:05,430 --> 00:18:02,799

phone i

495

00:18:07,029 --> 00:18:05,440

i i couldn't even think that fast enough

496

00:18:10,150 --> 00:18:07,039

and so i get that now i get

497

00:18:10,710 --> 00:18:10,160

why we don't see these pictures of

498

00:18:13,110 --> 00:18:10,720

things

499

00:18:15,029 --> 00:18:13,120

because as soon as you see it you're so

500

00:18:16,870 --> 00:18:15,039

focused on trying to

501
00:18:19,029 --> 00:18:16,880
figure out what it is process it you

502
00:18:20,870 --> 00:18:19,039
don't even think about capturing it and

503
00:18:21,750 --> 00:18:20,880
so that was the biggest takeaway i think

504
00:18:23,830 --> 00:18:21,760
for me

505
00:18:24,020 --> 00:18:23,840
as amazing as it was to see the object

506
00:18:25,750 --> 00:18:24,030
and

507
00:18:28,310 --> 00:18:25,760
[Music]

508
00:18:29,909 --> 00:18:28,320
as cool as it was to see it the thing

509
00:18:31,669 --> 00:18:29,919
that stuck with me is the fact that i

510
00:18:33,750 --> 00:18:31,679
didn't i couldn't get it documented

511
00:18:36,870 --> 00:18:33,760
because my brain

512
00:18:37,669 --> 00:18:36,880
just did not work that way um so i get

513
00:18:40,390 --> 00:18:37,679

that now and

514

00:18:41,830 --> 00:18:40,400

that really helped me because you know

515

00:18:43,590 --> 00:18:41,840

now when i hear things and i hear

516

00:18:45,669 --> 00:18:43,600

criticism and i hear

517

00:18:47,270 --> 00:18:45,679

skeptics and you know the question is

518

00:18:49,029 --> 00:18:47,280

well why don't we see pictures and

519

00:18:52,470 --> 00:18:49,039

videos well that's why folks

520

00:18:55,190 --> 00:18:52,480

it's just not it doesn't work like that

521

00:18:56,710 --> 00:18:55,200

you know it just does not work like that

522

00:18:58,710 --> 00:18:56,720

um that's it man

523

00:18:59,830 --> 00:18:58,720

it was one of the coolest things i've

524

00:19:02,310 --> 00:18:59,840

ever seen i

525

00:19:03,510 --> 00:19:02,320

i truly hope i get to see another one

526

00:19:05,830 --> 00:19:03,520

and uh

527

00:19:10,549 --> 00:19:05,840

that's it man i appreciate the time and

528

00:19:13,590 --> 00:19:10,559

uh thanks for everything you do

529

00:19:15,350 --> 00:19:13,600

hi my name is randy i'm 45 years old i

530

00:19:16,870 --> 00:19:15,360

live in the san francisco bay area but

531

00:19:17,830 --> 00:19:16,880

the event i'm going to tell you about

532

00:19:19,990 --> 00:19:17,840

took place

533

00:19:21,270 --> 00:19:20,000

almost 26 years ago when i still lived

534

00:19:22,390 --> 00:19:21,280

in my hometown of palm springs

535

00:19:24,390 --> 00:19:22,400

california

536

00:19:25,750 --> 00:19:24,400

i first recounted this event to ryan

537

00:19:27,990 --> 00:19:25,760

back in 2018

538

00:19:29,110 --> 00:19:28,000

but i figured it was finally time to get

539

00:19:31,110 --> 00:19:29,120

it on the record

540

00:19:32,390 --> 00:19:31,120

so for some setup here it was halloween

541

00:19:34,310 --> 00:19:32,400

night 1995.

542

00:19:35,750 --> 00:19:34,320

it was technically the early morning of

543

00:19:37,669 --> 00:19:35,760

november 1st

544

00:19:39,510 --> 00:19:37,679

i driven to la for a concert on

545

00:19:41,750 --> 00:19:39,520

halloween with three of my friends

546

00:19:42,549 --> 00:19:41,760

and we were headed home it was close to

547

00:19:44,150 --> 00:19:42,559

3am

548

00:19:45,750 --> 00:19:44,160

and we were about 20 miles outside of

549

00:19:47,990 --> 00:19:45,760

palm springs heading east

550

00:19:49,510 --> 00:19:48,000

on interstate 10 we were in cabazon

551
00:19:51,909 --> 00:19:49,520
that's the location of the

552
00:19:53,190 --> 00:19:51,919
world famous life-size dinosaurs that

553
00:19:55,669 --> 00:19:53,200
you'll see now and again on

554
00:19:56,710 --> 00:19:55,679
movies and on tv that was the point when

555
00:19:58,789 --> 00:19:56,720
i first noticed

556
00:20:00,710 --> 00:19:58,799
the light in the sky ahead of us we were

557
00:20:02,870 --> 00:20:00,720
still miles away from it but

558
00:20:04,870 --> 00:20:02,880
you could see this light it was directly

559
00:20:06,310 --> 00:20:04,880
ahead of us it was a bit below the top

560
00:20:07,590 --> 00:20:06,320
of the windshield so it was in my line

561
00:20:09,430 --> 00:20:07,600
of sight so what first caught my

562
00:20:11,750 --> 00:20:09,440
attention about this light

563
00:20:14,390 --> 00:20:11,760

was the brightness it was directly ahead

564

00:20:17,590 --> 00:20:14,400
of us it looked like stadium lights

565

00:20:20,470 --> 00:20:17,600
or a large airliner coming into land

566

00:20:22,230 --> 00:20:20,480
and now there's no stadium in that part

567

00:20:23,430 --> 00:20:22,240
of the desert outside of palm springs

568

00:20:23,990 --> 00:20:23,440
there wasn't at that time and there

569

00:20:26,630 --> 00:20:24,000
isn't now

570

00:20:27,990 --> 00:20:26,640
there were no large light poles with

571

00:20:30,070 --> 00:20:28,000
lights on top of them

572

00:20:32,390 --> 00:20:30,080
this tall there was also no major

573

00:20:35,510 --> 00:20:32,400
airport palm springs airport

574

00:20:36,230 --> 00:20:35,520
that was to the southeast of where this

575

00:20:39,510 --> 00:20:36,240
was

576

00:20:42,149 --> 00:20:39,520

strip

577

00:20:43,750 --> 00:20:42,159

that was due west of this location but

578

00:20:44,870 --> 00:20:43,760

an airplane of this size at least from

579

00:20:46,789 --> 00:20:44,880

what i could tell

580

00:20:48,470 --> 00:20:46,799

would not be able to land at this

581

00:20:50,950 --> 00:20:48,480

airfield so basically

582

00:20:52,710 --> 00:20:50,960

there's this large light in the sky it

583

00:20:54,549 --> 00:20:52,720

wasn't just the brightness of this light

584

00:20:56,390 --> 00:20:54,559

it was the quality of the light and the

585

00:20:59,350 --> 00:20:56,400

fact that it was changing

586

00:21:01,270 --> 00:20:59,360

that really held my interest now when i

587

00:21:04,549 --> 00:21:01,280

say the quality of the light

588

00:21:07,270 --> 00:21:04,559

it was very bright but it was also

589

00:21:07,750 --> 00:21:07,280

cold looking it was this cold bluish

590

00:21:09,590 --> 00:21:07,760

white

591

00:21:11,430 --> 00:21:09,600

and in addition to this it was cycling

592

00:21:14,230 --> 00:21:11,440

between what i

593

00:21:15,430 --> 00:21:14,240

say are low beams and high beams so

594

00:21:18,870 --> 00:21:15,440

basically dimming

595

00:21:22,549 --> 00:21:18,880

and intensifying at a consistent pace

596

00:21:23,270 --> 00:21:22,559

dim bright dim bright it would stay dim

597

00:21:26,950 --> 00:21:23,280

for maybe

598

00:21:28,549 --> 00:21:26,960

another five seconds

599

00:21:31,270 --> 00:21:28,559

and so on when the light was at its

600

00:21:34,789 --> 00:21:31,280

brightest it almost looked like three

601
00:21:37,669 --> 00:21:34,799
horizontal diamonds in the sky they bled

602
00:21:38,149 --> 00:21:37,679
out horizontally almost like lens flare

603
00:21:40,470 --> 00:21:38,159
in

604
00:21:41,669 --> 00:21:40,480
the jj abrams star trek movies i didn't

605
00:21:43,830 --> 00:21:41,679
wear glasses at the time

606
00:21:45,590 --> 00:21:43,840
but i could still see this very

607
00:21:46,950 --> 00:21:45,600
intensely bright light

608
00:21:48,630 --> 00:21:46,960
the other thing that caught my attention

609
00:21:50,230 --> 00:21:48,640
was the fact that this light didn't seem

610
00:21:53,430 --> 00:21:50,240
to be moving towards us

611
00:21:55,270 --> 00:21:53,440
or away from us or moving at all in fact

612
00:21:56,470 --> 00:21:55,280
we were moving towards it so we were

613
00:21:58,070 --> 00:21:56,480

getting closer but it was just staying

614

00:22:01,350 --> 00:21:58,080

in the same place

615

00:22:02,470 --> 00:22:01,360

so after taking this in for 30 seconds

616

00:22:04,870 --> 00:22:02,480

or a minute or so

617

00:22:06,230 --> 00:22:04,880

i pointed it out to my best friend paul

618

00:22:07,110 --> 00:22:06,240

who was in the passenger seat and was

619

00:22:09,190 --> 00:22:07,120

awake my

620

00:22:10,710 --> 00:22:09,200

other two friends were in the back seat

621

00:22:13,270 --> 00:22:10,720

passed out again it was

622

00:22:13,830 --> 00:22:13,280

3am and we just been uh to a concert

623

00:22:15,909 --> 00:22:13,840

that night

624

00:22:17,590 --> 00:22:15,919

so talking with paul he and i thought

625

00:22:19,590 --> 00:22:17,600

for a moment that this could be

626
00:22:21,350 --> 00:22:19,600
maybe the light on the summit station of

627
00:22:23,350 --> 00:22:21,360
the palm springs aerial tramway

628
00:22:25,190 --> 00:22:23,360
which is at the top of mount san jacinto

629
00:22:26,870 --> 00:22:25,200
but that's not actually visible from the

630
00:22:28,470 --> 00:22:26,880
eastern side of the mountain range which

631
00:22:30,310 --> 00:22:28,480
is where we were

632
00:22:31,510 --> 00:22:30,320
so we kept our eye on this thing we

633
00:22:32,470 --> 00:22:31,520
weren't really talking about it that

634
00:22:34,310 --> 00:22:32,480
much just sort of

635
00:22:36,149 --> 00:22:34,320
let's keep an eye on this thing we kept

636
00:22:37,590 --> 00:22:36,159
driving as normal we were maybe driving

637
00:22:39,270 --> 00:22:37,600
a little bit under the speed limit

638
00:22:41,350 --> 00:22:39,280

because we were just focusing on this

639

00:22:42,789 --> 00:22:41,360

strange motionless light in the sky

640

00:22:44,950 --> 00:22:42,799

ahead of us that we were

641

00:22:47,190 --> 00:22:44,960

you know fairly quickly approaching so

642

00:22:48,789 --> 00:22:47,200

as we got closer and closer

643

00:22:50,710 --> 00:22:48,799

maybe just a couple of minutes away from

644

00:22:52,470 --> 00:22:50,720

the light which was getting larger

645

00:22:54,149 --> 00:22:52,480

because it was staying in the same place

646

00:22:56,070 --> 00:22:54,159

but we were getting closer to it

647

00:22:57,590 --> 00:22:56,080

we slowed even more because we needed to

648

00:23:00,870 --> 00:22:57,600

take the turn off for highway

649

00:23:02,630 --> 00:23:00,880

111 that takes you into palm springs so

650

00:23:04,149 --> 00:23:02,640

at this point we're about 10 miles down

651

00:23:05,990 --> 00:23:04,159

the highway 10 miles east

652

00:23:07,669 --> 00:23:06,000

on the highway from where we first

653

00:23:08,390 --> 00:23:07,679

spotted the light and rapidly

654

00:23:10,950 --> 00:23:08,400

approaching it

655

00:23:12,789 --> 00:23:10,960

at this point myself my friend paul we

656

00:23:14,070 --> 00:23:12,799

were we were both experiencing and

657

00:23:15,830 --> 00:23:14,080

communicating to each other this

658

00:23:19,029 --> 00:23:15,840

legitimate sense of disbelief

659

00:23:20,710 --> 00:23:19,039

and i would say awe and shock but i i'd

660

00:23:21,190 --> 00:23:20,720

have to say you know i didn't feel any

661

00:23:23,830 --> 00:23:21,200

fear

662

00:23:25,110 --> 00:23:23,840

i wasn't anxious i was just completely

663

00:23:27,510 --> 00:23:25,120

wrapped in attention

664

00:23:28,549 --> 00:23:27,520

towards this object whatever it was

665

00:23:32,149 --> 00:23:28,559

because it was

666

00:23:32,710 --> 00:23:32,159

so unusual to see something this bright

667

00:23:35,510 --> 00:23:32,720

with this

668

00:23:36,470 --> 00:23:35,520

quality of light and just sitting there

669

00:23:39,110 --> 00:23:36,480

in the sky

670

00:23:40,950 --> 00:23:39,120

if anything i was beside myself at this

671

00:23:41,830 --> 00:23:40,960

point just trying to kind of process

672

00:23:43,750 --> 00:23:41,840

what i was seeing

673

00:23:46,230 --> 00:23:43,760

so we were looking at something that was

674

00:23:48,390 --> 00:23:46,240

emitting this strange otherworldly light

675

00:23:49,830 --> 00:23:48,400

and not only that but it was stuck just

676
00:23:51,669 --> 00:23:49,840
a couple hundred feet in the air

677
00:23:52,950 --> 00:23:51,679
above a rest stop on the side of the

678
00:23:53,830 --> 00:23:52,960
freeway it's actually called the white

679
00:23:55,350 --> 00:23:53,840
water rest stop

680
00:23:57,110 --> 00:23:55,360
there's one on each side of the freeway

681
00:23:57,909 --> 00:23:57,120
it was on the southern side of the

682
00:24:00,230 --> 00:23:57,919
freeway

683
00:24:01,669 --> 00:24:00,240
and so when i say stuck i mean it's like

684
00:24:04,789 --> 00:24:01,679
whatever this was

685
00:24:07,909 --> 00:24:04,799
was sitting on a shelf in the sky

686
00:24:09,350 --> 00:24:07,919
or on a pole so like i said it could

687
00:24:10,549 --> 00:24:09,360
kind of be described as looking like an

688
00:24:13,430 --> 00:24:10,559

intensely bright

689

00:24:14,630 --> 00:24:13,440

stadium light from like a nfl stadium it

690

00:24:15,830 --> 00:24:14,640

wasn't moving an inch

691

00:24:17,269 --> 00:24:15,840

and that was something you could tell

692

00:24:19,269 --> 00:24:17,279

from the direction of the lights as they

693

00:24:20,870 --> 00:24:19,279

damned and brightened they were they

694

00:24:22,549 --> 00:24:20,880

looked like they were facing in the same

695

00:24:24,149 --> 00:24:22,559

direction the entire time now at this

696

00:24:24,870 --> 00:24:24,159

point i should say that we weren't alone

697

00:24:26,870 --> 00:24:24,880

on the freeway

698

00:24:28,230 --> 00:24:26,880

i recall that we were moving slower than

699

00:24:29,510 --> 00:24:28,240

the rest of the traffic because we were

700

00:24:30,950 --> 00:24:29,520

actually looking at this thing

701
00:24:32,630 --> 00:24:30,960
there were a handful of other cars on

702
00:24:34,390 --> 00:24:32,640
the road it was 3am again

703
00:24:35,750 --> 00:24:34,400
on halloween night but there definitely

704
00:24:37,909 --> 00:24:35,760
was was other traffic

705
00:24:40,070 --> 00:24:37,919
it didn't really seem that anyone else

706
00:24:42,470 --> 00:24:40,080
was slowing down or noticing this light

707
00:24:44,070 --> 00:24:42,480
but someone must have seen what we saw

708
00:24:45,350 --> 00:24:44,080
but if they did they they weren't

709
00:24:47,110 --> 00:24:45,360
reacting to it

710
00:24:49,510 --> 00:24:47,120
so as we approach the turn off to

711
00:24:50,070 --> 00:24:49,520
highway 111 there's a ramp that leads up

712
00:24:52,470 --> 00:24:50,080
and over

713
00:24:54,630 --> 00:24:52,480

a flood basin before heading southeast

714

00:24:56,470 --> 00:24:54,640

and then east out to palm springs

715

00:24:57,750 --> 00:24:56,480

so because of this ramp we were able to

716

00:24:59,990 --> 00:24:57,760

climb about 20 feet

717

00:25:01,110 --> 00:25:00,000

up towards the object and got an

718

00:25:04,230 --> 00:25:01,120

unobstructed view

719

00:25:07,110 --> 00:25:04,240

of it there sitting in the sky and so

720

00:25:07,750 --> 00:25:07,120

it was hovering sitting whatever you

721

00:25:09,909 --> 00:25:07,760

want to say

722

00:25:11,669 --> 00:25:09,919

in the sky above this rest stop location

723

00:25:12,230 --> 00:25:11,679

again about a couple hundred feet up in

724

00:25:14,470 --> 00:25:12,240

the air

725

00:25:16,070 --> 00:25:14,480

i'm looking you know kind of straight up

726

00:25:17,830 --> 00:25:16,080

and at an angle towards it

727

00:25:19,830 --> 00:25:17,840

i'd practically taken my foot off the

728

00:25:21,830 --> 00:25:19,840

gas at this point we were just coasting

729

00:25:23,750 --> 00:25:21,840

at the top of this off ramp looking to

730

00:25:25,350 --> 00:25:23,760

the left at this object

731

00:25:27,029 --> 00:25:25,360

so it's at this point that the object

732

00:25:29,510 --> 00:25:27,039

began to move towards us

733

00:25:31,190 --> 00:25:29,520

it moved at an angle down towards the

734

00:25:33,590 --> 00:25:31,200

southwest towards us

735

00:25:35,190 --> 00:25:33,600

it moved over the highway over our car

736

00:25:37,590 --> 00:25:35,200

we'd rolled down our windows

737

00:25:39,190 --> 00:25:37,600

there was absolutely no sound outside

738

00:25:41,269 --> 00:25:39,200

except maybe a little bit of wind

739

00:25:43,110 --> 00:25:41,279

i craned my head out the driver's side

740

00:25:44,870 --> 00:25:43,120

window and looked up at the object

741

00:25:46,549 --> 00:25:44,880

my friend paul was doing the same on the

742

00:25:47,909 --> 00:25:46,559

passenger side what i saw a couple

743

00:25:51,029 --> 00:25:47,919

hundred feet above us now

744

00:25:53,029 --> 00:25:51,039

were three pale lights of the same cold

745

00:25:55,350 --> 00:25:53,039

quality that it seemed from a distance

746

00:25:56,149 --> 00:25:55,360

but they are arranged in an equilateral

747

00:25:58,149 --> 00:25:56,159

triangle

748

00:25:59,510 --> 00:25:58,159

and they were silently drifting across

749

00:26:00,230 --> 00:25:59,520

the highway above our car that was

750

00:26:01,909 --> 00:26:00,240

coasting

751

00:26:04,230 --> 00:26:01,919

so i could tell that these lights were

752

00:26:05,350 --> 00:26:04,240

at the points of an actual object a

753

00:26:07,590 --> 00:26:05,360

physical object

754

00:26:08,549 --> 00:26:07,600

because i could make out the object's

755

00:26:11,269 --> 00:26:08,559

triangular shape

756

00:26:12,950 --> 00:26:11,279

against the starlet sky it was a crystal

757

00:26:13,909 --> 00:26:12,960

clear night the skies of the desert are

758

00:26:15,830 --> 00:26:13,919

filled with stars

759

00:26:17,510 --> 00:26:15,840

and there was some moonlight i was

760

00:26:19,029 --> 00:26:17,520

mostly able to make out the shape

761

00:26:20,789 --> 00:26:19,039

because the object was covering the

762

00:26:23,430 --> 00:26:20,799

stars as it crept over us

763

00:26:25,510 --> 00:26:23,440

but also because its surface was so much

764

00:26:27,190 --> 00:26:25,520

darker than the night sky around it

765

00:26:29,029 --> 00:26:27,200

it can only describe the quality of the

766

00:26:29,990 --> 00:26:29,039

surface by comparing it to something

767

00:26:31,830 --> 00:26:30,000

like vantablack

768

00:26:33,510 --> 00:26:31,840

which is the darkest black that we've

769

00:26:34,149 --> 00:26:33,520

been able to create it essentially

770

00:26:35,750 --> 00:26:34,159

reflected

771

00:26:38,070 --> 00:26:35,760

no visible light to the point that the

772

00:26:40,230 --> 00:26:38,080

lights on the object weren't revealing

773

00:26:42,630 --> 00:26:40,240

any details of its surface if you've

774

00:26:44,630 --> 00:26:42,640

seen an airplane flying at night

775

00:26:45,750 --> 00:26:44,640

with its landing lights on you know what

776

00:26:47,669 --> 00:26:45,760

it looks like when the light

777

00:26:49,669 --> 00:26:47,679

reflects off the fuselage or flex off

778

00:26:50,549 --> 00:26:49,679

the wings it very clearly illuminates

779

00:26:52,230 --> 00:26:50,559

the aircraft

780

00:26:54,789 --> 00:26:52,240

in this case it didn't and so there were

781

00:26:56,470 --> 00:26:54,799

no visible seams or bolts or markings

782

00:26:58,549 --> 00:26:56,480

things that you should have been able to

783

00:27:00,549 --> 00:26:58,559

see at such a close distance

784

00:27:02,549 --> 00:27:00,559

this thing was just a void in the sky

785

00:27:05,669 --> 00:27:02,559

perhaps guessing here

786

00:27:08,310 --> 00:27:05,679

50 to 80 feet on each side with these

787

00:27:09,590 --> 00:27:08,320

cold blue lights at each corner so the

788

00:27:11,990 --> 00:27:09,600

object passed over us

789

00:27:12,789 --> 00:27:12,000

to the southwest my friend paul lost

790

00:27:15,269 --> 00:27:12,799

sight of it

791

00:27:16,230 --> 00:27:15,279

he told me it looked like it blinked out

792

00:27:17,350 --> 00:27:16,240

it was just gone

793

00:27:18,549 --> 00:27:17,360

it was around this point that our two

794

00:27:19,350 --> 00:27:18,559

friends in the back seat were finally

795

00:27:21,750 --> 00:27:19,360

waking up

796

00:27:23,350 --> 00:27:21,760

due to all the shouting and sound that

797

00:27:25,590 --> 00:27:23,360

my friend paul and i were making

798

00:27:27,190 --> 00:27:25,600

so they hadn't actually seen anything i

799

00:27:28,389 --> 00:27:27,200

kept driving and i dropped my friends

800

00:27:30,310 --> 00:27:28,399

off then headed home

801
00:27:32,549 --> 00:27:30,320
along the way paul and i recounted in

802
00:27:34,070 --> 00:27:32,559
detail what had just taken place to our

803
00:27:35,830 --> 00:27:34,080
friends who'd been sleeping

804
00:27:37,269 --> 00:27:35,840
they were basically both incredulous

805
00:27:39,350 --> 00:27:37,279
about everything they thought maybe it

806
00:27:41,830 --> 00:27:39,360
was a plane or helicopter

807
00:27:43,510 --> 00:27:41,840
despite the fact that it was so early in

808
00:27:45,669 --> 00:27:43,520
the morning the low altitude the

809
00:27:47,590 --> 00:27:45,679
location it just didn't make sense to us

810
00:27:49,430 --> 00:27:47,600
so when i finally got home around 4 am i

811
00:27:51,350 --> 00:27:49,440
woke up my parents to tell them what i'd

812
00:27:53,430 --> 00:27:51,360
seen and they seemed somewhat interested

813
00:27:54,710 --> 00:27:53,440

but not that concerned i chalked up

814

00:27:55,669 --> 00:27:54,720

their lack of excitement to the fact

815

00:27:57,909 --> 00:27:55,679

that their son

816

00:27:59,909 --> 00:27:57,919

had just woken them up at 4 am to tell

817

00:28:01,029 --> 00:27:59,919

them he'd seen a ufo but my dad was into

818

00:28:02,230 --> 00:28:01,039

this subject we used to watch the

819

00:28:04,310 --> 00:28:02,240

x-files together

820

00:28:06,470 --> 00:28:04,320

my mom had seen some strange things from

821

00:28:08,789 --> 00:28:06,480

many a night spent sitting on a patio

822

00:28:10,470 --> 00:28:08,799

out in the desert so i went to bed still

823

00:28:12,149 --> 00:28:10,480

thinking about what we'd seen i remember

824

00:28:13,830 --> 00:28:12,159

my overriding thought at the time was

825

00:28:14,870 --> 00:28:13,840

that if we'd seen a quote-unquote real

826

00:28:17,190 --> 00:28:14,880

ufo

827

00:28:18,710 --> 00:28:17,200

that what else could be real what else

828

00:28:21,029 --> 00:28:18,720

out there that we've been told

829

00:28:22,549 --> 00:28:21,039

didn't exist or couldn't exist could

830

00:28:24,470 --> 00:28:22,559

actually exist and that's a thought

831

00:28:26,630 --> 00:28:24,480

that's been with me ever since

832

00:28:27,590 --> 00:28:26,640

i've been interested in ufos since a

833

00:28:29,510 --> 00:28:27,600

really young age

834

00:28:31,830 --> 00:28:29,520

i've always loved science fiction always

835

00:28:33,830 --> 00:28:31,840

fascinated by tales of ufos from

836

00:28:35,510 --> 00:28:33,840

shows like in search of one of the

837

00:28:36,789 --> 00:28:35,520

defining moments of my childhood was the

838

00:28:38,630 --> 00:28:36,799

release of close encounters with the

839

00:28:38,950 --> 00:28:38,640

third kind which absolutely captivated

840

00:28:40,470 --> 00:28:38,960

me

841

00:28:42,070 --> 00:28:40,480

but to say that this event has stuck

842

00:28:42,789 --> 00:28:42,080

with me would be a massive

843

00:28:44,870 --> 00:28:42,799

understatement

844

00:28:46,870 --> 00:28:44,880

i think about it practically every day

845

00:28:48,470 --> 00:28:46,880

and has driven me to study the subject

846

00:28:50,789 --> 00:28:48,480

although i wouldn't say that it's to a

847

00:28:53,190 --> 00:28:50,799

level of a dedicated researcher yet

848

00:28:54,630 --> 00:28:53,200

nevertheless i'd classify this as a true

849

00:28:55,830 --> 00:28:54,640

life-changing event

850

00:28:57,510 --> 00:28:55,840

my friend paul and i discuss it

851
00:28:58,310 --> 00:28:57,520
regularly and we've traded theories over

852
00:28:59,909 --> 00:28:58,320
the years

853
00:29:01,669 --> 00:28:59,919
neither of us is convinced that it was

854
00:29:03,110 --> 00:29:01,679
truly otherworldly

855
00:29:04,870 --> 00:29:03,120
but we do believe that it wasn't

856
00:29:06,230 --> 00:29:04,880
technology that existed in the civilian

857
00:29:08,389 --> 00:29:06,240
world in 1995

858
00:29:10,549 --> 00:29:08,399
or at any point since there was zero

859
00:29:11,750 --> 00:29:10,559
movement when it sat in the sky for 15

860
00:29:13,590 --> 00:29:11,760
to 20 minutes

861
00:29:15,669 --> 00:29:13,600
as we observed it before passing under

862
00:29:17,669 --> 00:29:15,679
it or it passing over us

863
00:29:19,590 --> 00:29:17,679

it didn't make any sound it didn't have

864

00:29:21,350 --> 00:29:19,600

any down watch like a helicopter

865

00:29:23,350 --> 00:29:21,360

if it had been some sort of lighter than

866

00:29:25,110 --> 00:29:23,360

aircraft or some sort of military

867

00:29:25,750 --> 00:29:25,120

dirigible like we've seen in subsequent

868

00:29:27,830 --> 00:29:25,760

years

869

00:29:29,590 --> 00:29:27,840

it surely would have drifted some but it

870

00:29:31,909 --> 00:29:29,600

was just completely

871

00:29:32,789 --> 00:29:31,919

fixed in the sky we've also talked about

872

00:29:34,789 --> 00:29:32,799

the fact that

873

00:29:35,830 --> 00:29:34,799

if this were some true anti-gravity

874

00:29:37,990 --> 00:29:35,840

technology

875

00:29:39,669 --> 00:29:38,000

that you'd probably need to draw upon a

876

00:29:41,750 --> 00:29:39,679

lot of energy to make it work

877

00:29:42,710 --> 00:29:41,760

so nuclear or maybe something even more

878

00:29:44,549 --> 00:29:42,720

exotic

879

00:29:46,389 --> 00:29:44,559

that could pose a danger to the nearby

880

00:29:48,389 --> 00:29:46,399

city or the motorist below

881

00:29:49,750 --> 00:29:48,399

it's basically civilians that's just

882

00:29:52,070 --> 00:29:49,760

something we're not sure humans are

883

00:29:53,830 --> 00:29:52,080

really capable of given the dangers of

884

00:29:55,909 --> 00:29:53,840

fission reactors and events like

885

00:29:57,669 --> 00:29:55,919

chernobyl so to this day i remain

886

00:29:59,430 --> 00:29:57,679

certain that what we saw was no

887

00:30:00,389 --> 00:29:59,440

traditional aircraft that's ever been in

888

00:30:02,230 --> 00:30:00,399

the public eye

889

00:30:03,510 --> 00:30:02,240

from its flight characteristics to the

890

00:30:05,669 --> 00:30:03,520

quality of its lighting

891

00:30:07,510 --> 00:30:05,679

to the surface material i described i've

892

00:30:08,630 --> 00:30:07,520

spent nearly 26 years since that night

893

00:30:10,310 --> 00:30:08,640

searching the skies

894

00:30:11,990 --> 00:30:10,320

hoping for another chance to see what i

895

00:30:13,510 --> 00:30:12,000

saw again or something like it

896

00:30:15,909 --> 00:30:13,520

i reported my signing to the national

897

00:30:16,789 --> 00:30:15,919

ufo reporting center a few years after

898

00:30:18,549 --> 00:30:16,799

the event

899

00:30:20,789 --> 00:30:18,559

partly to ensure that i didn't forget

900

00:30:21,990 --> 00:30:20,799

any details unfortunately i seem to have

901
00:30:24,070 --> 00:30:22,000
been the only person who

902
00:30:25,830 --> 00:30:24,080
experienced this event and reported it

903
00:30:26,549 --> 00:30:25,840
at least if anyone's had a similar

904
00:30:28,470 --> 00:30:26,559
experience

905
00:30:29,990 --> 00:30:28,480
i encourage you to share your story with

906
00:30:31,269 --> 00:30:30,000
ryan and the world

907
00:30:32,870 --> 00:30:31,279
if you'd like to get in touch with me

908
00:30:33,430 --> 00:30:32,880
because you've had a similar experience

909
00:30:35,190 --> 00:30:33,440
or

910
00:30:36,789 --> 00:30:35,200
maybe you were even there that night and

911
00:30:38,549 --> 00:30:36,799
saw the same thing that i did

912
00:30:40,070 --> 00:30:38,559
i'd love to hear from you and ryan has

913
00:30:41,909 --> 00:30:40,080

my details

914

00:30:43,990 --> 00:30:41,919

thanks so much for the opportunity to

915

00:30:46,470 --> 00:30:44,000

finally share my story with others ryan

916

00:30:47,830 --> 00:30:46,480

and for creating this amazing platform

917

00:30:51,830 --> 00:30:47,840

where others can do the same

918

00:30:55,990 --> 00:30:51,840

keep watching the skies

919

00:30:59,509 --> 00:30:58,310

hey guys ryan spreck here when i'm not

920

00:31:02,549 --> 00:30:59,519

making podcasts

921

00:31:03,590 --> 00:31:02,559

i am listening to them seriously i'm

922

00:31:06,149 --> 00:31:03,600

obsessed

923

00:31:06,870 --> 00:31:06,159

and if there's one person and one show i

924

00:31:09,350 --> 00:31:06,880

turn to

925

00:31:10,070 --> 00:31:09,360

every week to hear stories of the

926

00:31:13,190 --> 00:31:10,080

strange

927

00:31:13,669 --> 00:31:13,200

the weird and the unexplained it's of

928

00:31:17,029 --> 00:31:13,679

course

929

00:31:18,630 --> 00:31:17,039

gotta be jim harold's campfire with over

930

00:31:21,430 --> 00:31:18,640

500 episodes

931

00:31:21,990 --> 00:31:21,440

den of geek called jim harold's campfire

932

00:31:24,950 --> 00:31:22,000

the

933

00:31:27,110 --> 00:31:24,960

best tool we have currently in existence

934

00:31:30,149 --> 00:31:27,120

to hear real-life scary stories

935

00:31:33,269 --> 00:31:30,159

from other human beings since the actual

936

00:31:35,509 --> 00:31:33,279

campfire was invented the concept

937

00:31:37,830 --> 00:31:35,519

is pretty simple jim talks to other

938

00:31:38,950 --> 00:31:37,840

regular folks and strange stuff that's

939

00:31:42,630 --> 00:31:38,960

happened to them

940

00:31:46,070 --> 00:31:42,640

and yes that includes ufos and uaps

941

00:31:47,669 --> 00:31:46,080

along with cryptids ghosts and true head

942

00:31:49,669 --> 00:31:47,679

scratching mysteries

943

00:31:51,029 --> 00:31:49,679

one of my all-time favorite stories is

944

00:31:54,070 --> 00:31:51,039

one where a woman almost

945

00:31:55,430 --> 00:31:54,080

ended up being absorbed by a painting in

946

00:31:57,590 --> 00:31:55,440

a mysterious bar

947

00:31:58,870 --> 00:31:57,600

that seemed like something straight out

948

00:32:01,190 --> 00:31:58,880

of the twilight zone

949

00:32:02,149 --> 00:32:01,200

or there's the story of a young man who

950

00:32:05,590 --> 00:32:02,159

encountered a

951
00:32:07,590 --> 00:32:05,600
spider-like creature with baby hands

952
00:32:09,830 --> 00:32:07,600
then there's the story of a woman in

953
00:32:12,630 --> 00:32:09,840
england who encountered what she thought

954
00:32:13,509 --> 00:32:12,640
was a banshee only to suffer a horrible

955
00:32:17,110 --> 00:32:13,519
tragedy

956
00:32:17,750 --> 00:32:17,120
only moments later no not all of the

957
00:32:20,630 --> 00:32:17,760
stories

958
00:32:21,110 --> 00:32:20,640
in jim harold's campfire are horrifying

959
00:32:23,269 --> 00:32:21,120
some

960
00:32:25,350 --> 00:32:23,279
are actually pretty heartwarming like a

961
00:32:28,710 --> 00:32:25,360
visit from a past loved one

962
00:32:30,950 --> 00:32:28,720
or a peaceful near-death experience

963
00:32:32,789 --> 00:32:30,960

regardless there are true and

964

00:32:35,190 --> 00:32:32,799

fascinating stories told

965

00:32:36,389 --> 00:32:35,200

by ordinary people who've had

966

00:32:40,310 --> 00:32:36,399

extraordinary

967

00:32:43,269 --> 00:32:40,320

experiences so pull up a virtual log

968

00:32:44,389 --> 00:32:43,279

get cozy and tune in to jim harold's

969

00:32:47,669 --> 00:32:44,399

campfire

970

00:32:49,909 --> 00:32:47,679

available on apple podcasts spotify

971

00:32:58,950 --> 00:32:49,919

or wherever you listen to somewhere in

972

00:33:03,830 --> 00:33:01,669

okay this is ronnie leblanc from

973

00:33:05,190 --> 00:33:03,840

expedition bigfoot and paranormal caught

974

00:33:07,750 --> 00:33:05,200

on camera

975

00:33:08,310 --> 00:33:07,760

uh some of you may know i've had a lot

976

00:33:11,430 --> 00:33:08,320

of

977

00:33:14,630 --> 00:33:11,440

ufo experiences since i was a kid

978

00:33:16,950 --> 00:33:14,640

and uh my wife has as well

979

00:33:18,149 --> 00:33:16,960

and so last night uh this is the morning

980

00:33:21,669 --> 00:33:18,159

after

981

00:33:25,669 --> 00:33:21,679

last night june 5th 9 45ish

982

00:33:29,110 --> 00:33:25,679

we were in our garage and we were

983

00:33:30,710 --> 00:33:29,120

talking and i'll mention something in a

984

00:33:32,549 --> 00:33:30,720

moment but we

985

00:33:34,710 --> 00:33:32,559

walked out and we're walking to the

986

00:33:36,149 --> 00:33:34,720

house and i looked up above the roof of

987

00:33:40,070 --> 00:33:36,159

the house

988

00:33:43,750 --> 00:33:40,080

and there i saw it was unmistakable

989

00:33:47,750 --> 00:33:43,760

uh two ufos unidentified flying objects

990

00:33:50,870 --> 00:33:47,760

one was red one was green and not like a

991

00:33:53,190 --> 00:33:50,880

flying saucer but almost like an

992

00:33:54,310 --> 00:33:53,200

orb that was kind of shape-shifting and

993

00:33:56,789 --> 00:33:54,320

changing

994

00:33:58,549 --> 00:33:56,799

but these things were chasing each other

995

00:34:01,269 --> 00:33:58,559

in the sky

996

00:34:02,070 --> 00:34:01,279

uh up and down almost like dolphins in

997

00:34:03,990 --> 00:34:02,080

the water

998

00:34:07,509 --> 00:34:04,000

and i just got this thought of like

999

00:34:10,550 --> 00:34:07,519

thunderbirds or almost a biological

1000

00:34:12,950 --> 00:34:10,560

creature more than a craft seeing this

1001
00:34:14,629 --> 00:34:12,960
so my wife is seeing this she's trying

1002
00:34:16,869 --> 00:34:14,639
to get her a phone

1003
00:34:18,829 --> 00:34:16,879
and i didn't want to film this at all i

1004
00:34:21,909 --> 00:34:18,839
was just experiencing this

1005
00:34:23,430 --> 00:34:21,919
um they moved across

1006
00:34:24,869 --> 00:34:23,440
and passed some trees so that we

1007
00:34:26,550 --> 00:34:24,879
couldn't really see them but they were

1008
00:34:29,669 --> 00:34:26,560
low enough

1009
00:34:31,190 --> 00:34:29,679
and made no sound uh

1010
00:34:33,190 --> 00:34:31,200
low enough that you could see them and

1011
00:34:37,510 --> 00:34:33,200
know that this was not a drone

1012
00:34:41,349 --> 00:34:37,520
this was not a plane this was

1013
00:34:42,550 --> 00:34:41,359

straight up ufos so what often happens

1014

00:34:45,909 --> 00:34:42,560

in my experience

1015

00:34:49,190 --> 00:34:45,919

is a couple of things i started feeling

1016

00:34:50,710 --> 00:34:49,200

euphoric like uh just super

1017

00:34:52,950 --> 00:34:50,720

excited watching this because i knew

1018

00:34:55,669 --> 00:34:52,960

this was something extraordinary

1019

00:34:56,550 --> 00:34:55,679

but also when i have these sightings

1020

00:34:59,030 --> 00:34:56,560

typically

1021

00:34:59,750 --> 00:34:59,040

there seems to be almost like this uh

1022

00:35:01,910 --> 00:34:59,760

you know i live

1023

00:35:03,750 --> 00:35:01,920

really close to leominster state forest

1024

00:35:04,630 --> 00:35:03,760

and monsterland which my books are based

1025

00:35:07,030 --> 00:35:04,640

on

1026

00:35:08,710 --> 00:35:07,040

with all this strange activity but when

1027

00:35:11,190 --> 00:35:08,720

we have a ufo sighting like this

1028

00:35:12,310 --> 00:35:11,200

typically there's another one or several

1029

00:35:15,030 --> 00:35:12,320

others that come

1030

00:35:16,790 --> 00:35:15,040

in after this one in the same trajectory

1031

00:35:17,750 --> 00:35:16,800

so i started to talk to my wife like

1032

00:35:20,870 --> 00:35:17,760

let's look

1033

00:35:24,630 --> 00:35:20,880

where this came from it came from um

1034

00:35:27,430 --> 00:35:24,640

east to west in my estimation and uh

1035

00:35:30,390 --> 00:35:27,440

sure enough another one came and this

1036

00:35:33,430 --> 00:35:30,400

one was like this bluish kind of green

1037

00:35:34,069 --> 00:35:33,440

it did the same thing it wasn't like up

1038

00:35:35,589 --> 00:35:34,079

and down

1039

00:35:37,510 --> 00:35:35,599

like kind of changing direction like

1040

00:35:41,349 --> 00:35:37,520

this this last two

1041

00:35:43,030 --> 00:35:41,359

but it moved in the same way silent

1042

00:35:44,790 --> 00:35:43,040

it was spinning and you can hear me at

1043

00:35:46,870 --> 00:35:44,800

the beginning of the video

1044

00:35:48,630 --> 00:35:46,880

that was me talking about that that

1045

00:35:51,510 --> 00:35:48,640

second ufo coming in

1046

00:35:52,550 --> 00:35:51,520

it was spinning and like almost changing

1047

00:35:56,150 --> 00:35:52,560

shape

1048

00:35:57,270 --> 00:35:56,160

uh it was and again it went the same way

1049

00:35:58,870 --> 00:35:57,280

where it went

1050

00:36:01,670 --> 00:35:58,880

beyond some trees and i couldn't get it

1051

00:36:03,750 --> 00:36:01,680

unless i went deep in the backyard

1052

00:36:05,109 --> 00:36:03,760

and you can see we have some different

1053

00:36:07,030 --> 00:36:05,119

lights out

1054

00:36:08,550 --> 00:36:07,040

on the front of the driveway it creates

1055

00:36:10,470 --> 00:36:08,560

some light pollution but you could still

1056

00:36:13,349 --> 00:36:10,480

see this

1057

00:36:14,069 --> 00:36:13,359

so then my wife finally gets her camera

1058

00:36:16,310 --> 00:36:14,079

up

1059

00:36:18,550 --> 00:36:16,320

and we're looking in the path waiting

1060

00:36:20,470 --> 00:36:18,560

for another one to come and i i could

1061

00:36:23,910 --> 00:36:20,480

feel like it was coming

1062

00:36:26,470 --> 00:36:23,920

uh which sounds crazy but anyways

1063

00:36:28,150 --> 00:36:26,480

here it comes and you can see it moving

1064

00:36:30,470 --> 00:36:28,160

and this one moved very

1065

00:36:33,349 --> 00:36:30,480

differently just like the other ones but

1066

00:36:35,270 --> 00:36:33,359

differently than any type of plane

1067

00:36:37,030 --> 00:36:35,280

or anything and you could see planes

1068

00:36:39,910 --> 00:36:37,040

flying by we could see those

1069

00:36:40,310 --> 00:36:39,920

it was very uh distinctive what a plane

1070

00:36:43,030 --> 00:36:40,320

was

1071

00:36:43,750 --> 00:36:43,040

what a drone is i know that stuff so

1072

00:36:47,349 --> 00:36:43,760

seeing this

1073

00:36:49,190 --> 00:36:47,359

and it flew right over our heads

1074

00:36:50,630 --> 00:36:49,200

and the video really doesn't give it any

1075

00:36:55,430 --> 00:36:50,640

justice um

1076

00:36:58,550 --> 00:36:55,440

i i just it was green um

1077

00:37:01,750 --> 00:36:58,560

okay so the crazy thing

1078

00:37:04,550 --> 00:37:01,760

is a minute or so before these

1079

00:37:05,829 --> 00:37:04,560

sightings had occurred as we're sitting

1080

00:37:09,670 --> 00:37:05,839

in our garage

1081

00:37:13,030 --> 00:37:09,680

my wife was touched three

1082

00:37:14,150 --> 00:37:13,040

times on her leg like a ghost like she

1083

00:37:17,430 --> 00:37:14,160

felt like something was

1084

00:37:18,790 --> 00:37:17,440

in the garage with us and i just kind of

1085

00:37:19,990 --> 00:37:18,800

chuckled and laughed and we're sitting

1086

00:37:22,550 --> 00:37:20,000

close to each other

1087

00:37:25,430 --> 00:37:22,560

uh i just kind of laughed about it but

1088

00:37:27,990 --> 00:37:25,440

this happened three times

1089

00:37:29,750 --> 00:37:28,000

and isn't it significant that we saw

1090

00:37:33,270 --> 00:37:29,760

four ufos

1091

00:37:36,069 --> 00:37:33,280

three separate times one after another

1092

00:37:37,510 --> 00:37:36,079

at this same time we were you know blown

1093

00:37:39,430 --> 00:37:37,520

away one of the most amazing things

1094

00:37:40,950 --> 00:37:39,440

if not the most amazing thing i've ever

1095

00:37:42,390 --> 00:37:40,960

seen in my life

1096

00:37:43,590 --> 00:37:42,400

and that video does not give it freaking

1097

00:37:45,190 --> 00:37:43,600

justice but

1098

00:37:46,710 --> 00:37:45,200

[Music]

1099

00:37:49,109 --> 00:37:46,720

after this had occurred and we're

1100

00:37:51,589 --> 00:37:49,119

outside and we're just like blown away

1101
00:37:52,310 --> 00:37:51,599
my head's spinning the energy was off

1102
00:37:53,910 --> 00:37:52,320
the charts

1103
00:37:57,109 --> 00:37:53,920
and what i was feeling it was so

1104
00:38:00,790 --> 00:37:57,119
exciting i wasn't afraid it was exciting

1105
00:38:04,069 --> 00:38:00,800
uh my son who's 10 years old

1106
00:38:07,510 --> 00:38:04,079
was in the house and he said he felt a

1107
00:38:10,550 --> 00:38:07,520
presence behind him as we

1108
00:38:12,150 --> 00:38:10,560
were kind of like talking and stuff he

1109
00:38:15,030 --> 00:38:12,160
could hear us from outside

1110
00:38:15,589 --> 00:38:15,040
as the ufo setting was happening so i

1111
00:38:18,069 --> 00:38:15,599
find that

1112
00:38:20,630 --> 00:38:18,079
extremely significant i also find it

1113
00:38:24,870 --> 00:38:20,640

funny that my wife went grocery shopping

1114

00:38:29,510 --> 00:38:24,880

and picked up a deck of cards

1115

00:38:31,430 --> 00:38:29,520

and as i was grabbing the the the trash

1116

00:38:33,829 --> 00:38:31,440

uh one of these this deck of cards came

1117

00:38:35,910 --> 00:38:33,839

out and it was called stargazer on it

1118

00:38:37,030 --> 00:38:35,920

and it's just kind of funny i always

1119

00:38:39,750 --> 00:38:37,040

look at signs

1120

00:38:41,190 --> 00:38:39,760

and synchronicities and this is one of

1121

00:38:42,310 --> 00:38:41,200

those things and here we are we have the

1122

00:38:44,630 --> 00:38:42,320

ufo

1123

00:38:46,870 --> 00:38:44,640

report that just came out uh the

1124

00:38:48,950 --> 00:38:46,880

government saying

1125

00:38:50,310 --> 00:38:48,960

these are not our technology that's

1126

00:38:52,390 --> 00:38:50,320

confirmed great

1127

00:38:54,470 --> 00:38:52,400

step forward but again they're not going

1128

00:38:56,870 --> 00:38:54,480

to say that these things are alien

1129

00:38:57,510 --> 00:38:56,880

and i can tell you right now what i saw

1130

00:39:00,950 --> 00:38:57,520

uh

1131

00:39:04,390 --> 00:39:00,960

was not human it was not

1132

00:39:07,430 --> 00:39:04,400

a physical uh craft in a way

1133

00:39:10,150 --> 00:39:07,440

like if it was we were seeing

1134

00:39:13,109 --> 00:39:10,160

portions of it like it just seemed to

1135

00:39:16,630 --> 00:39:13,119

shape-shift and change and seem to be

1136

00:39:17,750 --> 00:39:16,640

more biological than than a physical

1137

00:39:22,870 --> 00:39:17,760

craft

1138

00:39:25,430 --> 00:39:22,880

the way it moved was just incr

1139

00:39:27,670 --> 00:39:25,440

incredible there's no way a plane could

1140

00:39:29,349 --> 00:39:27,680

sustain these movements like i said it

1141

00:39:31,109 --> 00:39:29,359

looked like

1142

00:39:33,910 --> 00:39:31,119

and i describe it in the video it moves

1143

00:39:35,750 --> 00:39:33,920

like a bird it seemed to kind of like

1144

00:39:36,950 --> 00:39:35,760

float and flutter and kind of change

1145

00:39:39,990 --> 00:39:36,960

direction and move

1146

00:39:43,030 --> 00:39:40,000

very uh just animalistic

1147

00:39:45,349 --> 00:39:43,040

but i did file a uh mufon

1148

00:39:47,030 --> 00:39:45,359

report last night within 20 minutes of

1149

00:39:48,870 --> 00:39:47,040

this as it was fresh

1150

00:39:51,270 --> 00:39:48,880

but there's these other details that i

1151
00:39:54,870 --> 00:39:51,280
know will get leaved out of the report

1152
00:39:56,069 --> 00:39:54,880
but they lead into the ufo sighting

1153
00:39:59,750 --> 00:39:56,079
having this paranormal

1154
00:40:02,950 --> 00:39:59,760
experience oh and by the way um

1155
00:40:05,109 --> 00:40:02,960
i am getting back into meditating and

1156
00:40:07,510 --> 00:40:05,119
i'm focusing on remote viewing

1157
00:40:08,470 --> 00:40:07,520
so earlier in the day i did have a

1158
00:40:11,109 --> 00:40:08,480
literally

1159
00:40:12,230 --> 00:40:11,119
short five minute meditation session

1160
00:40:14,630 --> 00:40:12,240
trying to bring them

1161
00:40:16,470 --> 00:40:14,640
in and i've done this before a couple

1162
00:40:18,470 --> 00:40:16,480
years ago at cape cod

1163
00:40:20,790 --> 00:40:18,480

and had orange orbs come in but i've

1164

00:40:24,150 --> 00:40:20,800

never had craft like this

1165

00:40:25,349 --> 00:40:24,160

so now i am just super intrigued i did

1166

00:40:28,790 --> 00:40:25,359

not want to go to sleep

1167

00:40:31,430 --> 00:40:28,800

and i'm now i'm like on fire

1168

00:40:32,550 --> 00:40:31,440

but yeah uh there's definitely a

1169

00:40:36,550 --> 00:40:32,560

spiritual

1170

00:40:39,670 --> 00:40:36,560

and a paranormal kind of

1171

00:40:41,510 --> 00:40:39,680

connection to all of this because of

1172

00:40:42,630 --> 00:40:41,520

what happened prior the feeling of a

1173

00:40:46,230 --> 00:40:42,640

presence

1174

00:40:49,270 --> 00:40:46,240

um not only for my wife but my son

1175

00:40:50,150 --> 00:40:49,280

as uh before this happened and weirdly

1176
00:40:52,870 --> 00:40:50,160
enough

1177
00:40:53,349 --> 00:40:52,880
the third ufo that came through that

1178
00:40:55,190 --> 00:40:53,359
looked

1179
00:40:56,470 --> 00:40:55,200
very similar to the fourth one kind of

1180
00:40:58,470 --> 00:40:56,480
different coloring

1181
00:40:59,750 --> 00:40:58,480
i got the feeling it was the same one

1182
00:41:02,470 --> 00:40:59,760
kind of coming in again

1183
00:41:03,750 --> 00:41:02,480
to show us and my wife had that same

1184
00:41:06,870 --> 00:41:03,760
feeling

1185
00:41:08,630 --> 00:41:06,880
interesting stuff but uh there was a

1186
00:41:10,870 --> 00:41:08,640
report that someone saw something

1187
00:41:12,470 --> 00:41:10,880
a couple weeks ago in the same vicinity

1188
00:41:14,630 --> 00:41:12,480

and this was right

1189

00:41:16,150 --> 00:41:14,640

in front of the big dipper and that's

1190

00:41:17,349 --> 00:41:16,160

where they said they had their sighting

1191

00:41:22,550 --> 00:41:17,359

as well so i find that

1192

00:41:29,030 --> 00:41:26,230

hey ryan uh my name is jazz

1193

00:41:31,030 --> 00:41:29,040

you and i already know each other for

1194

00:41:33,270 --> 00:41:31,040

your latest installment of witness

1195

00:41:34,710 --> 00:41:33,280

testimony

1196

00:41:37,270 --> 00:41:34,720

i decided to talk about something that

1197

00:41:40,150 --> 00:41:37,280

happened very recently

1198

00:41:41,349 --> 00:41:40,160

um i went personally i've always been

1199

00:41:43,510 --> 00:41:41,359

interested

1200

00:41:45,109 --> 00:41:43,520

in the whole uap topic i've been writing

1201

00:41:48,309 --> 00:41:45,119

about it for years

1202

00:41:51,670 --> 00:41:48,319

but it's always been sort of

1203

00:41:54,150 --> 00:41:51,680

hypothetical topic of great interest

1204

00:41:55,670 --> 00:41:54,160

and that started to change last year in

1205

00:41:58,230 --> 00:41:55,680

november of last year

1206

00:41:59,670 --> 00:41:58,240

uh my wife and i had two sightings that

1207

00:42:03,270 --> 00:41:59,680

were not

1208

00:42:06,470 --> 00:42:03,280

really very conclusive it happened

1209

00:42:08,470 --> 00:42:06,480

in a period of one week

1210

00:42:10,950 --> 00:42:08,480

we saw a couple of things and filmed

1211

00:42:13,030 --> 00:42:10,960

them and put them up on youtube

1212

00:42:14,710 --> 00:42:13,040

not really conclusive one of them was

1213

00:42:17,829 --> 00:42:14,720

sort of a

1214

00:42:20,230 --> 00:42:17,839

orb of different changing colors

1215

00:42:21,589 --> 00:42:20,240

happened over a ridge to the uh east of

1216

00:42:24,150 --> 00:42:21,599

our house

1217

00:42:25,430 --> 00:42:24,160

uh the second one my wife filmed that

1218

00:42:28,630 --> 00:42:25,440

was mortgage day it looked

1219

00:42:31,589 --> 00:42:28,640

kind of like a really big triangle

1220

00:42:33,030 --> 00:42:31,599

uh in the dark with some weird lights on

1221

00:42:36,470 --> 00:42:33,040

it but again

1222

00:42:40,309 --> 00:42:36,480

nothing too conclusive that really

1223

00:42:43,349 --> 00:42:40,319

changed this year i had

1224

00:42:47,750 --> 00:42:43,359

two sightings personally

1225

00:42:52,390 --> 00:42:47,760

that really shook up my entire view

1226
00:42:55,109 --> 00:42:52,400
of the whole subject uh in june of 2021

1227
00:42:57,510 --> 00:42:55,119
um third week of june i was out on the

1228
00:43:00,870 --> 00:42:57,520
back deck of my house middle of the day

1229
00:43:04,550 --> 00:43:00,880
beautiful day blue sky a few

1230
00:43:07,589 --> 00:43:04,560
fluffy clouds and i was watching

1231
00:43:08,870 --> 00:43:07,599
two planes from a local airport going

1232
00:43:10,710 --> 00:43:08,880
overhead which happens

1233
00:43:13,750 --> 00:43:10,720
every day because we're not too far from

1234
00:43:18,230 --> 00:43:13,760
a regional airport

1235
00:43:22,230 --> 00:43:18,240
going east west but underneath them

1236
00:43:25,349 --> 00:43:22,240
well below them and below cloud level

1237
00:43:30,230 --> 00:43:25,359
i suddenly saw something else

1238
00:43:33,910 --> 00:43:30,240

it was a white oblong shape

1239

00:43:36,309 --> 00:43:33,920

that everybody who follows the subject

1240

00:43:38,710 --> 00:43:36,319

already knows i i immediately well

1241

00:43:41,750 --> 00:43:38,720

within a couple of seconds i thought

1242

00:43:43,349 --> 00:43:41,760

holy cow that's a tic tac because it had

1243

00:43:44,390 --> 00:43:43,359

no wings nothing else it was just

1244

00:43:48,069 --> 00:43:44,400

silently

1245

00:43:50,870 --> 00:43:48,079

gliding along and

1246

00:43:53,670 --> 00:43:50,880

i immediately reached for my pocket to

1247

00:43:56,309 --> 00:43:53,680

grab my phone to get a video

1248

00:43:57,190 --> 00:43:56,319

there upon realizing that my phone which

1249

00:44:01,190 --> 00:43:57,200

had been at like

1250

00:44:03,349 --> 00:44:01,200

15 or something was in my den recharging

1251

00:44:05,109 --> 00:44:03,359

i went crashing through the house

1252

00:44:06,870 --> 00:44:05,119

screaming for my wife to grab her phone

1253

00:44:08,470 --> 00:44:06,880

and run out front

1254

00:44:10,550 --> 00:44:08,480

to catch it on the other side as it went

1255

00:44:12,870 --> 00:44:10,560

by and

1256

00:44:13,990 --> 00:44:12,880

she did later telling me she was worried

1257

00:44:16,550 --> 00:44:14,000

that i

1258

00:44:19,190 --> 00:44:16,560

was she was afraid the house was on fire

1259

00:44:26,069 --> 00:44:23,430

we got out front and she said that she

1260

00:44:27,349 --> 00:44:26,079

momentarily saw us might have seen

1261

00:44:30,710 --> 00:44:27,359

something

1262

00:44:33,750 --> 00:44:30,720

white in the sky but

1263

00:44:35,030 --> 00:44:33,760

didn't catch anything else i got 19

1264

00:44:36,630 --> 00:44:35,040
minutes of

1265

00:44:38,950 --> 00:44:36,640
beautiful footage of a blue sky with

1266

00:44:41,990 --> 00:44:38,960
nothing in it it had disappeared

1267

00:44:43,349 --> 00:44:42,000
but before i crashed the house i mean it

1268

00:44:45,829 --> 00:44:43,359
was there

1269

00:44:46,470 --> 00:44:45,839
it was very clear it was obviously just

1270

00:44:48,390 --> 00:44:46,480
this

1271

00:44:51,589 --> 00:44:48,400
capsule-shaped thing that was going

1272

00:44:53,990 --> 00:44:51,599
across the sky that disappeared

1273

00:44:57,030 --> 00:44:54,000
that had a big impact on us because it

1274

00:44:59,030 --> 00:44:57,040
sort of sent me on this

1275

00:45:01,190 --> 00:44:59,040
negative spiral of being out there all

1276

00:45:01,990 --> 00:45:01,200

the time watching and wanting her to be

1277

00:45:05,270 --> 00:45:02,000

out there

1278

00:45:06,870 --> 00:45:05,280

when she was home you know and nothing

1279

00:45:10,309 --> 00:45:06,880

else happened

1280

00:45:11,349 --> 00:45:10,319

until the past week and at the time of

1281

00:45:14,710 --> 00:45:11,359

this recording

1282

00:45:16,069 --> 00:45:14,720

we're talking about um the beginning of

1283

00:45:19,030 --> 00:45:16,079

august

1284

00:45:19,829 --> 00:45:19,040

of 2021 and i was once again out of my

1285

00:45:23,270 --> 00:45:19,839

backpack

1286

00:45:23,910 --> 00:45:23,280

and the exact same thing showed up in

1287

00:45:27,030 --> 00:45:23,920

the sky

1288

00:45:27,510 --> 00:45:27,040

there were no planes at the time but it

1289

00:45:34,309 --> 00:45:27,520

was

1290

00:45:36,710 --> 00:45:34,319

traveling from west to east uh

1291

00:45:39,270 --> 00:45:36,720

a little ways to the north of my house

1292

00:45:40,870 --> 00:45:39,280

you know pretty much right above us

1293

00:45:42,710 --> 00:45:40,880

and this time i had my phone and i

1294

00:45:45,270 --> 00:45:42,720

pulled it out and i got

1295

00:45:45,990 --> 00:45:45,280

it it took us probably five six seconds

1296

00:45:47,270 --> 00:45:46,000

to register

1297

00:45:50,069 --> 00:45:47,280

and then get the phone out and start

1298

00:45:53,670 --> 00:45:50,079

recording but i did manage to get

1299

00:45:56,710 --> 00:45:53,680

three to four seconds recorded

1300

00:45:58,309 --> 00:45:56,720

that a videographer took for me and got

1301

00:46:02,069 --> 00:45:58,319

the source code

1302

00:46:03,270 --> 00:46:02,079

from my phone and it was once again it

1303

00:46:06,790 --> 00:46:03,280

was this

1304

00:46:09,030 --> 00:46:06,800

object that looked like a tic-tac and

1305

00:46:10,630 --> 00:46:09,040

it had been moving but by the time i got

1306

00:46:11,829 --> 00:46:10,640

the phone out and the videographer

1307

00:46:15,190 --> 00:46:11,839

confirmed this

1308

00:46:18,230 --> 00:46:15,200

it just stopped and it was just hanging

1309

00:46:21,670 --> 00:46:18,240

there in the sky

1310

00:46:23,030 --> 00:46:21,680

and i managed to film it for like i said

1311

00:46:25,510 --> 00:46:23,040

three to four seconds

1312

00:46:27,829 --> 00:46:25,520

and while i still had the phone pointed

1313

00:46:32,390 --> 00:46:27,839

at it and recording it

1314

00:46:35,109 --> 00:46:32,400

it disappeared it didn't fly away

1315

00:46:35,750 --> 00:46:35,119

it looked to me it doesn't really show

1316

00:46:38,309 --> 00:46:35,760

up

1317

00:46:39,990 --> 00:46:38,319

on what there is in the video but

1318

00:46:40,309 --> 00:46:40,000

visually it looked like it had started

1319

00:46:42,470 --> 00:46:40,319

to

1320

00:46:43,589 --> 00:46:42,480

elongate a bit like it became a bit

1321

00:46:47,030 --> 00:46:43,599

longer

1322

00:46:50,470 --> 00:46:47,040

i i don't know that's just my memory

1323

00:46:53,430 --> 00:46:50,480

and then it just in less than a second

1324

00:46:57,030 --> 00:46:53,440

it just faded out it vanished

1325

00:47:00,550 --> 00:46:57,040

so that was twice i saw these objects

1326
00:47:03,829 --> 00:47:00,560
sailing across the sky that

1327
00:47:05,910 --> 00:47:03,839
have no explanation for me

1328
00:47:07,109 --> 00:47:05,920
and prior to this i was always

1329
00:47:08,950 --> 00:47:07,119
interested as i said

1330
00:47:11,270 --> 00:47:08,960
in the topic and it's like people see

1331
00:47:13,270 --> 00:47:11,280
all these wild things and it's

1332
00:47:15,349 --> 00:47:13,280
really crazy and it's fun to talk about

1333
00:47:18,550 --> 00:47:15,359
and

1334
00:47:19,430 --> 00:47:18,560
but it it was a significant moment has

1335
00:47:21,990 --> 00:47:19,440
really changed

1336
00:47:23,589 --> 00:47:22,000
things in our house and in our lives

1337
00:47:27,109 --> 00:47:23,599
because

1338
00:47:31,030 --> 00:47:27,119

it goes from a hypothetical discussion

1339

00:47:33,430 --> 00:47:31,040

to the point where now it's like

1340

00:47:35,270 --> 00:47:33,440

what was that nothing should be able to

1341

00:47:38,790 --> 00:47:35,280

do that

1342

00:47:42,230 --> 00:47:38,800

it it seemed impossible

1343

00:47:43,030 --> 00:47:42,240

and it it really has changed my outlook

1344

00:47:46,069 --> 00:47:43,040

on this

1345

00:47:47,430 --> 00:47:46,079

so since you like

1346

00:47:50,069 --> 00:47:47,440

doing these shows and people sharing

1347

00:47:52,390 --> 00:47:50,079

their experiences this was a

1348

00:47:54,230 --> 00:47:52,400

in a significant way i will say a

1349

00:47:55,510 --> 00:47:54,240

somewhat life-changing experience

1350

00:47:58,150 --> 00:47:55,520

because

1351
00:47:59,910 --> 00:47:58,160
i'm no longer looking at it as well what

1352
00:48:02,230 --> 00:47:59,920
are these people talking about and it's

1353
00:48:06,309 --> 00:48:02,240
like oh i get it

1354
00:48:07,990 --> 00:48:06,319
i say okay and now it's real

1355
00:48:10,630 --> 00:48:08,000
doesn't mean i know what the answers are

1356
00:48:11,750 --> 00:48:10,640
i i don't know what it was where it came

1357
00:48:13,030 --> 00:48:11,760
from

1358
00:48:14,870 --> 00:48:13,040
but that was something that definitely

1359
00:48:17,829 --> 00:48:14,880
shouldn't have been there it shouldn't

1360
00:48:20,790 --> 00:48:17,839
have been doing what it was doing

1361
00:48:22,390 --> 00:48:20,800
and it's really up my eyes in a number

1362
00:48:26,549 --> 00:48:22,400
of ways

1363
00:48:29,750 --> 00:48:28,390

hi ryan thanks for allowing us to share

1364

00:48:31,670 --> 00:48:29,760

our stories with you

1365

00:48:33,349 --> 00:48:31,680

i've personally experienced two separate

1366

00:48:35,510 --> 00:48:33,359

sightings of the same red orb

1367

00:48:37,750 --> 00:48:35,520

in my childhood once when i was very

1368

00:48:39,510 --> 00:48:37,760

young and once again as a teenager

1369

00:48:41,670 --> 00:48:39,520

both instances occurred on the same

1370

00:48:43,349 --> 00:48:41,680

property in rural minnesota

1371

00:48:44,790 --> 00:48:43,359

my first experience was when i was about

1372

00:48:46,230 --> 00:48:44,800

five or six years old

1373

00:48:47,990 --> 00:48:46,240

it was maybe nine or ten o'clock at

1374

00:48:49,910 --> 00:48:48,000

night and my mother and baby sister were

1375

00:48:51,670 --> 00:48:49,920

sleeping in my parents room but i was

1376

00:48:53,430 --> 00:48:51,680

still awake to wake it up for my father

1377

00:48:55,430 --> 00:48:53,440

to come home from work

1378

00:48:56,790 --> 00:48:55,440

it was either late spring or summer and

1379

00:48:58,390 --> 00:48:56,800

i was watching out the window for my

1380

00:49:00,390 --> 00:48:58,400

father's vehicle to come up the county

1381

00:49:01,670 --> 00:49:00,400

road that leads to our driveway

1382

00:49:03,030 --> 00:49:01,680

the lights were off because i didn't

1383

00:49:04,549 --> 00:49:03,040

want to wake up my mother so i was

1384

00:49:06,069 --> 00:49:04,559

standing in a completely dark room

1385

00:49:07,589 --> 00:49:06,079

looking out over a completely dark

1386

00:49:09,829 --> 00:49:07,599

landscape

1387

00:49:12,150 --> 00:49:09,839

i remember not being afraid being

1388

00:49:14,710 --> 00:49:12,160

immediately curious about this large

1389

00:49:16,470 --> 00:49:14,720

red orb that appeared to ascend out of a

1390

00:49:18,549 --> 00:49:16,480

distant field

1391

00:49:20,630 --> 00:49:18,559

this window faces roughly northeast and

1392

00:49:21,910 --> 00:49:20,640

the area is so rural that there are no

1393

00:49:24,710 --> 00:49:21,920

city lights whatsoever

1394

00:49:26,710 --> 00:49:24,720

just farmer's fields and woods we have

1395

00:49:27,510 --> 00:49:26,720

the most beautiful clear skies in rural

1396

00:49:29,190 --> 00:49:27,520

minnesota

1397

00:49:31,030 --> 00:49:29,200

in an immensely gorgeous view of the

1398

00:49:32,309 --> 00:49:31,040

milky way the right night at the right

1399

00:49:34,230 --> 00:49:32,319

time of year

1400

00:49:35,589 --> 00:49:34,240

i usually stayed up as late as i could

1401

00:49:36,950 --> 00:49:35,599

for my father to come home so this

1402

00:49:39,109 --> 00:49:36,960

wasn't a strange thing to wait by the

1403

00:49:40,790 --> 00:49:39,119

window where i could see the road

1404

00:49:42,309 --> 00:49:40,800

but i had never witnessed a red orb

1405

00:49:44,069 --> 00:49:42,319

before

1406

00:49:45,589 --> 00:49:44,079

it didn't have a definitive shape

1407

00:49:47,349 --> 00:49:45,599

besides vaguely round

1408

00:49:49,430 --> 00:49:47,359

but it definitely didn't come up over

1409

00:49:50,390 --> 00:49:49,440

the horizon this red light really did

1410

00:49:52,309 --> 00:49:50,400

seem large

1411

00:49:54,069 --> 00:49:52,319

and bright and ascending out of a

1412

00:49:56,630 --> 00:49:54,079

farmer's field at minimum

1413

00:49:57,990 --> 00:49:56,640

a few miles away it moved relatively

1414

00:50:00,630 --> 00:49:58,000

quickly too and steady

1415

00:50:02,230 --> 00:50:00,640

as it went up into the sky it may have

1416

00:50:03,750 --> 00:50:02,240

only taken a minute or two to completely

1417

00:50:05,030 --> 00:50:03,760

disappear at the steady pace it was

1418

00:50:06,870 --> 00:50:05,040

traveling

1419

00:50:09,349 --> 00:50:06,880

again i wasn't afraid but i do recall

1420

00:50:10,630 --> 00:50:09,359

how vivid the experience was watching

1421

00:50:13,109 --> 00:50:10,640

this large red light

1422

00:50:14,870 --> 00:50:13,119

while standing at the window one

1423

00:50:15,349 --> 00:50:14,880

specific thing about this encounter that

1424

00:50:42,710 --> 00:50:15,359

i

1425

00:50:43,990 --> 00:50:42,720

2000s

1426

00:50:45,829 --> 00:50:44,000

my sister and i didn't want to keep

1427

00:50:47,510 --> 00:50:45,839

sharing a bedroom but my room downstairs

1428

00:50:49,190 --> 00:50:47,520

in the basement wasn't finished yet so i

1429

00:50:49,910 --> 00:50:49,200

slept on the couch the majority of one

1430

00:50:51,589 --> 00:50:49,920

summer

1431

00:50:53,270 --> 00:50:51,599

and i really liked it actually because i

1432

00:50:53,990 --> 00:50:53,280

could look out of a large picture window

1433

00:50:56,309 --> 00:50:54,000

facing east

1434

00:50:57,349 --> 00:50:56,319

while i was resting on the couch again

1435

00:50:59,349 --> 00:50:57,359

no city lights

1436

00:51:00,790 --> 00:50:59,359

just farmers fields and strips of woods

1437

00:51:02,309 --> 00:51:00,800

with one county road to which our

1438

00:51:04,630 --> 00:51:02,319

driveway was attached

1439

00:51:06,230 --> 00:51:04,640

no light absolutely no light whatsoever

1440

00:51:08,230 --> 00:51:06,240

besides starlight

1441

00:51:10,230 --> 00:51:08,240

in this particular night i was almost

1442

00:51:12,870 --> 00:51:10,240

asleep still looking out the window

1443

00:51:15,270 --> 00:51:12,880

though when i saw a large red orb again

1444

00:51:17,589 --> 00:51:15,280

begin to ascend out of a tree line just

1445

00:51:19,670 --> 00:51:17,599

a few miles away from the house

1446

00:51:21,829 --> 00:51:19,680

this time i was really spooked over the

1447

00:51:23,190 --> 00:51:21,839

years since i saw that first red orb my

1448

00:51:24,630 --> 00:51:23,200

father and i would talk about it

1449

00:51:25,829 --> 00:51:24,640

sometimes and wonder what that could

1450

00:51:27,270 --> 00:51:25,839

have been

1451

00:51:28,790 --> 00:51:27,280

the rest of the house was asleep but i

1452

00:51:30,390 --> 00:51:28,800

bolted off the couch and went to wake up

1453

00:51:31,510 --> 00:51:30,400

my father who wasn't thrilled about

1454

00:51:33,270 --> 00:51:31,520

being woken up

1455

00:51:34,870 --> 00:51:33,280

but i knew i sounded panicked enough

1456

00:51:36,390 --> 00:51:34,880

that he did come into the living room to

1457

00:51:37,589 --> 00:51:36,400

take a look out the window

1458

00:51:39,270 --> 00:51:37,599

i remember being worried that he

1459

00:51:41,670 --> 00:51:39,280

wouldn't come fast enough to see the

1460

00:51:43,109 --> 00:51:41,680

light before it disappeared

1461

00:51:44,630 --> 00:51:43,119

in the time it took between when i first

1462

00:51:46,069 --> 00:51:44,640

saw it coming out of the tree lined when

1463

00:51:47,750 --> 00:51:46,079

i got back to the window

1464

00:51:49,990 --> 00:51:47,760

after waking up my father it had

1465

00:51:52,230 --> 00:51:50,000

ascended quite high already

1466

00:51:53,910 --> 00:51:52,240

we watched together for the minute or so

1467

00:51:55,510 --> 00:51:53,920

that i continued to ascend before it

1468

00:51:57,109 --> 00:51:55,520

completely disappeared

1469

00:51:58,790 --> 00:51:57,119

we watched it in silence and it was a

1470

00:52:00,630 --> 00:51:58,800

really special moment in a way to see

1471

00:52:02,230 --> 00:52:00,640

this with my father

1472

00:52:03,910 --> 00:52:02,240

the sighting became kind of a family

1473

00:52:05,510 --> 00:52:03,920

joke though in a good way because his

1474

00:52:07,109 --> 00:52:05,520

reaction after the orb finally

1475

00:52:08,230 --> 00:52:07,119

disappeared in our moment of shared

1476
00:52:11,030 --> 00:52:08,240
silence

1477
00:52:11,910 --> 00:52:11,040
was i don't know what that was go to

1478
00:52:13,589 --> 00:52:11,920
sleep

1479
00:52:15,510 --> 00:52:13,599
so we all laugh about it to this day

1480
00:52:16,950 --> 00:52:15,520
that here i had this kind of shocking

1481
00:52:19,190 --> 00:52:16,960
encounter with the red orb again

1482
00:52:20,630 --> 00:52:19,200
years after my first sighting and my

1483
00:52:22,870 --> 00:52:20,640
father's reaction was

1484
00:52:23,829 --> 00:52:22,880
go to sleep after i don't know what that

1485
00:52:26,069 --> 00:52:23,839
was

1486
00:52:27,670 --> 00:52:26,079
my father knows pretty much everything

1487
00:52:29,910 --> 00:52:27,680
about the property i grew up on

1488
00:52:31,510 --> 00:52:29,920

because he grew up on the same land he

1489

00:52:33,270 --> 00:52:31,520

knows the woods in the fields better

1490

00:52:34,710 --> 00:52:33,280

than anyone else in this area and he

1491

00:52:35,910 --> 00:52:34,720

could probably find his way home in the

1492

00:52:38,790 --> 00:52:35,920

dark from miles away

1493

00:52:40,950 --> 00:52:38,800

he's seen it all and here was a thing he

1494

00:52:42,549 --> 00:52:40,960

didn't know how to explain

1495

00:52:44,549 --> 00:52:42,559

i didn't bother him the way it bothered

1496

00:52:45,510 --> 00:52:44,559

me though he went back to bed and i went

1497

00:52:47,430 --> 00:52:45,520

back to the couch

1498

00:52:48,549 --> 00:52:47,440

and i know i did not sleep the rest of

1499

00:52:50,470 --> 00:52:48,559

the night

1500

00:52:52,790 --> 00:52:50,480

and to the day i moved out and moved

1501

00:52:54,230 --> 00:52:52,800

away i watched for that red orb

1502

00:52:56,549 --> 00:52:54,240

i still check up on the reports from

1503

00:52:57,670 --> 00:52:56,559

that region once in a while and red orbs

1504

00:52:59,990 --> 00:52:57,680

and black triangles

1505

00:53:01,270 --> 00:53:00,000

are apparently pretty common sightings

1506

00:53:03,109 --> 00:53:01,280

out there

1507

00:53:04,870 --> 00:53:03,119

the second encounter felt very different

1508

00:53:06,150 --> 00:53:04,880

from my first even though the red orb

1509

00:53:08,630 --> 00:53:06,160

was practically identical

1510

00:53:09,349 --> 00:53:08,640

in both situations i think i saw the red

1511

00:53:12,150 --> 00:53:09,359

orb with a

1512

00:53:12,710 --> 00:53:12,160

true sense of childlike wonder the first

1513

00:53:14,630 --> 00:53:12,720

time

1514

00:53:16,150 --> 00:53:14,640

that here was this strange thing that it

1515

00:53:16,710 --> 00:53:16,160

never happened before and didn't happen

1516

00:53:19,109 --> 00:53:16,720

again until

1517

00:53:19,910 --> 00:53:19,119

years later the second sighting of the

1518

00:53:21,910 --> 00:53:19,920

red orb

1519

00:53:23,670 --> 00:53:21,920

was frightening i was legitimately

1520

00:53:25,109 --> 00:53:23,680

afraid of it because i think i had spent

1521

00:53:27,589 --> 00:53:25,119

years wondering if it would come back

1522

00:53:28,950 --> 00:53:27,599

and then there it was unexpectedly

1523

00:53:31,109 --> 00:53:28,960

because of living in the country and

1524

00:53:32,950 --> 00:53:31,119

loving stargazing i had read plenty of

1525

00:53:34,549 --> 00:53:32,960

books in the library about stars and

1526

00:53:35,750 --> 00:53:34,559

planets and knew how certain things

1527

00:53:37,510 --> 00:53:35,760

moved in the sky

1528

00:53:39,589 --> 00:53:37,520

if you watch the sky every night you

1529

00:53:40,870 --> 00:53:39,599

know how fast or slow normal things are

1530

00:53:41,990 --> 00:53:40,880

and what to expect throughout the

1531

00:53:44,309 --> 00:53:42,000

seasons

1532

00:53:45,750 --> 00:53:44,319

this was definitely unlike any star

1533

00:53:47,349 --> 00:53:45,760

planet i was used to watching

1534

00:53:49,430 --> 00:53:47,359

and i looked out at that sky nearly

1535

00:53:50,790 --> 00:53:49,440

every night of my childhood

1536

00:53:53,109 --> 00:53:50,800

i don't think it helped that i had been

1537

00:53:55,510 --> 00:53:53,119

re-reading and rereading and re-reading

1538

00:53:57,750 --> 00:53:55,520

the same book about ufos as a kid

1539

00:53:59,109 --> 00:53:57,760

years after my first sighting but well

1540

00:54:00,870 --> 00:53:59,119

before my second

1541

00:54:02,470 --> 00:54:00,880

and my father had asked me what if

1542

00:54:04,870 --> 00:54:02,480

they're not here to do good things

1543

00:54:07,430 --> 00:54:04,880

these things in the ufos people don't

1544

00:54:09,430 --> 00:54:07,440

always have good experiences with them

1545

00:54:11,270 --> 00:54:09,440

and i think that shifted my perspective

1546

00:54:13,109 --> 00:54:11,280

that then influenced my reaction when i

1547

00:54:14,549 --> 00:54:13,119

did finally see that red orb again as a

1548

00:54:16,710 --> 00:54:14,559

teenager

1549

00:54:18,309 --> 00:54:16,720

my grandfather well before i was born

1550

00:54:21,190 --> 00:54:18,319

allegedly saw a strange object

1551
00:54:22,630 --> 00:54:21,200
emerge from a field relatively close by

1552
00:54:24,150 --> 00:54:22,640
he was looking out over the woods after

1553
00:54:24,630 --> 00:54:24,160
coming back from the fields in the early

1554
00:54:26,710 --> 00:54:24,640
evening

1555
00:54:28,309 --> 00:54:26,720
and saw something he couldn't explain

1556
00:54:29,829 --> 00:54:28,319
once my father pointed out the part of

1557
00:54:30,870 --> 00:54:29,839
the property my grandfather thought this

1558
00:54:32,710 --> 00:54:30,880
thing emerged from

1559
00:54:34,309 --> 00:54:32,720
i couldn't walk by it or drive by it

1560
00:54:36,150 --> 00:54:34,319
without thinking about it

1561
00:54:38,069 --> 00:54:36,160
my father himself has shared some

1562
00:54:39,349 --> 00:54:38,079
strange sightings he's had in his life

1563
00:54:40,630 --> 00:54:39,359

on this property

1564

00:54:42,710 --> 00:54:40,640

he said he didn't tell me when i was a

1565

00:54:44,470 --> 00:54:42,720

child because he didn't want to scare me

1566

00:54:45,750 --> 00:54:44,480

they're not my stories to tell but at

1567

00:54:47,349 --> 00:54:45,760

least i'm assured i'm not the only

1568

00:54:48,630 --> 00:54:47,359

member of my family to see things we

1569

00:54:50,069 --> 00:54:48,640

couldn't explain

1570

00:54:51,190 --> 00:54:50,079

thank you for the opportunity to share

1571

00:54:51,990 --> 00:54:51,200

my stories and thank you for the

1572

00:54:55,510 --> 00:54:52,000

wonderful podcast

1573

00:54:59,750 --> 00:54:58,150

my name is abe ali i've told this story

1574

00:55:02,309 --> 00:54:59,760

a few times in my life

1575

00:55:03,589 --> 00:55:02,319

and there this is the the craziest thing

1576

00:55:05,910 --> 00:55:03,599

that's ever happened to me

1577

00:55:07,430 --> 00:55:05,920

so i want to share it with everybody and

1578

00:55:11,109 --> 00:55:07,440

everything else in between

1579

00:55:14,150 --> 00:55:11,119

so back in 1992 i was going to be

1580

00:55:17,190 --> 00:55:14,160

10 years old in december

1581

00:55:20,390 --> 00:55:17,200

so i was 9 years old at the time

1582

00:55:23,510 --> 00:55:20,400

and it was a

1583

00:55:26,470 --> 00:55:23,520

crisp fall evening

1584

00:55:28,309 --> 00:55:26,480

i'm not sure if it was like an august or

1585

00:55:31,349 --> 00:55:28,319

a september night

1586

00:55:32,950 --> 00:55:31,359

but my dad used to like take in me and

1587

00:55:36,470 --> 00:55:32,960

my brother for

1588

00:55:38,630 --> 00:55:36,480

joy rides in the evening

1589

00:55:39,910 --> 00:55:38,640

and when i say the evening i'm talking

1590

00:55:43,990 --> 00:55:39,920

about 9

1591

00:55:46,470 --> 00:55:44,000

30 10 30 p.m

1592

00:55:48,309 --> 00:55:46,480

and he always liked to you know just

1593

00:55:49,510 --> 00:55:48,319

talk to us and

1594

00:55:51,430 --> 00:55:49,520

you know because it was just me and my

1595

00:55:52,950 --> 00:55:51,440

brother and uh

1596

00:55:55,349 --> 00:55:52,960

you know i guess that was a good way of

1597

00:55:58,150 --> 00:55:55,359

kind of spending time with dad

1598

00:56:00,870 --> 00:55:58,160

but this one evening my brother was

1599

00:56:02,470 --> 00:56:00,880

sitting in the front seat with my dad

1600

00:56:05,349 --> 00:56:02,480

and i was sitting in the back seat of

1601
00:56:09,589 --> 00:56:05,359
the car and we took a ride down to cape

1602
00:56:13,510 --> 00:56:09,599
split i'm from the great state of maine

1603
00:56:16,630 --> 00:56:13,520
and cape split is right on the coast

1604
00:56:19,430 --> 00:56:16,640
atlantic ocean of maine and

1605
00:56:22,230 --> 00:56:19,440
this is where we were i grew up in a

1606
00:56:24,230 --> 00:56:22,240
lobster fishing community

1607
00:56:25,829 --> 00:56:24,240
so we were taking a ride and we were

1608
00:56:28,630 --> 00:56:25,839
parked right on

1609
00:56:30,230 --> 00:56:28,640
the shoreline there was a turnout in

1610
00:56:33,589 --> 00:56:30,240
cape split

1611
00:56:37,510 --> 00:56:33,599
so we were sitting there in the car and

1612
00:56:40,230 --> 00:56:37,520
i remember the radio turning static

1613
00:56:40,710 --> 00:56:40,240

and my father was looking out over the

1614

00:56:43,349 --> 00:56:40,720

ocean

1615

00:56:44,309 --> 00:56:43,359

and there were three islands wide open

1616

00:56:47,829 --> 00:56:44,319

ocean

1617

00:56:51,030 --> 00:56:47,839

bright night no clouds

1618

00:56:54,069 --> 00:56:51,040

and my dad

1619

00:56:56,549 --> 00:56:54,079

was telling us to look over to the left

1620

00:56:59,109 --> 00:56:56,559

because there were these two bright

1621

00:56:59,990 --> 00:56:59,119

lights coming up over this center island

1622

00:57:03,109 --> 00:57:00,000

there were three

1623

00:57:05,589 --> 00:57:03,119

islands these two bright lights were

1624

00:57:08,309 --> 00:57:05,599

coming up over the islands

1625

00:57:10,150 --> 00:57:08,319

and the islands were about a mile away

1626
00:57:12,630 --> 00:57:10,160
from us

1627
00:57:13,430 --> 00:57:12,640
and i still have the image in my head my

1628
00:57:16,789 --> 00:57:13,440
father had

1629
00:57:19,829 --> 00:57:16,799
the window rolled down all the way

1630
00:57:21,910 --> 00:57:19,839
there was no sound just

1631
00:57:25,030 --> 00:57:21,920
obviously the waves crashing on to the

1632
00:57:28,630 --> 00:57:25,040
rocks and on the sand beach

1633
00:57:31,589 --> 00:57:28,640
a typical atlantic ocean sound

1634
00:57:32,870 --> 00:57:31,599
and i remember my brother started to go

1635
00:57:35,990 --> 00:57:32,880
crazy

1636
00:57:37,750 --> 00:57:36,000
in the front seat because i don't know

1637
00:57:40,309 --> 00:57:37,760
if he was scared i don't know

1638
00:57:40,870 --> 00:57:40,319

what was going on but he started like

1639

00:57:43,030 --> 00:57:40,880

kicking

1640

00:57:45,349 --> 00:57:43,040

and screaming and punching the window

1641

00:57:48,069 --> 00:57:45,359

and all kinds of stuff

1642

00:57:50,470 --> 00:57:48,079

my dad was telling him calm down calm

1643

00:57:53,270 --> 00:57:50,480

down you know calm down

1644

00:57:55,910 --> 00:57:53,280

relax relax relax calm down bj bj that's

1645

00:58:00,309 --> 00:57:55,920

his name that's my brother's name bj

1646

00:58:03,349 --> 00:58:00,319

bernard jr and the radio was static

1647

00:58:05,030 --> 00:58:03,359

it wasn't static before this but when i

1648

00:58:06,789 --> 00:58:05,040

looked and saw these two bright lights

1649

00:58:10,710 --> 00:58:06,799

hovering over this island

1650

00:58:13,670 --> 00:58:10,720

the radio went static so i was intrigued

1651
00:58:14,630 --> 00:58:13,680
nine years old what what was i looking

1652
00:58:26,230 --> 00:58:14,640
at

1653
00:58:28,710 --> 00:58:26,240
10 to 15 minutes if you know

1654
00:58:29,750 --> 00:58:28,720
as much as i can recall this was back in

1655
00:58:33,829 --> 00:58:29,760
1992

1656
00:58:37,190 --> 00:58:33,839
so uh almost 30 years ago

1657
00:58:39,910 --> 00:58:37,200
and i was looking and

1658
00:58:41,270 --> 00:58:39,920
it was like an amber two amber lights

1659
00:58:43,589 --> 00:58:41,280
and they were bright

1660
00:58:44,390 --> 00:58:43,599
but then they started going up the the

1661
00:58:51,030 --> 00:58:44,400
river

1662
00:58:54,390 --> 00:58:51,040
i guess you could call it and

1663
00:58:57,190 --> 00:58:54,400

so we decided to follow these things

1664

00:58:58,950 --> 00:58:57,200

i remember looking down at the

1665

00:59:02,630 --> 00:58:58,960

speedometer

1666

00:59:04,230 --> 00:59:02,640

and we were going like 75 miles an hour

1667

00:59:06,390 --> 00:59:04,240

and my dad couldn't catch up with these

1668

00:59:08,710 --> 00:59:06,400

things so

1669

00:59:09,750 --> 00:59:08,720

we were going pretty fast and these

1670

00:59:12,710 --> 00:59:09,760

things were moving

1671

00:59:13,910 --> 00:59:12,720

pretty good i remember seeing these

1672

00:59:16,069 --> 00:59:13,920

bright lights

1673

00:59:17,670 --> 00:59:16,079

through the trees when we were on the

1674

00:59:19,589 --> 00:59:17,680

basin road

1675

00:59:20,870 --> 00:59:19,599

i remember looking out and kind of

1676
00:59:23,750 --> 00:59:20,880
seeing

1677
00:59:25,430 --> 00:59:23,760
the lights through the trees every once

1678
00:59:29,109 --> 00:59:25,440
in a while

1679
00:59:30,390 --> 00:59:29,119
and then we came up to the addison

1680
00:59:32,710 --> 00:59:30,400
bridge

1681
00:59:33,670 --> 00:59:32,720
which was about four miles away from

1682
00:59:38,069 --> 00:59:33,680
cape split

1683
00:59:42,470 --> 00:59:38,079
maybe five and we came up to

1684
00:59:45,430 --> 00:59:42,480
the edison bridge and parked there

1685
00:59:46,390 --> 00:59:45,440
i remember my father opened the door and

1686
00:59:49,030 --> 00:59:46,400
we were looking

1687
00:59:50,710 --> 00:59:49,040
to our left because we knew these things

1688
00:59:52,870 --> 00:59:50,720

were coming up the river

1689

00:59:55,589 --> 00:59:52,880

so we were kind of waiting for them to

1690

00:59:58,069 --> 00:59:55,599

see if we could see anything else

1691

01:00:00,069 --> 00:59:58,079

i remember sitting in the back seat just

1692

01:00:02,390 --> 01:00:00,079

looking down at the river

1693

01:00:03,109 --> 01:00:02,400

a couple minutes passed by these lights

1694

01:00:05,990 --> 01:00:03,119

were coming

1695

01:00:07,829 --> 01:00:06,000

at us at this time they're about a half

1696

01:00:11,990 --> 01:00:07,839

a mile away from us

1697

01:00:14,390 --> 01:00:12,000

i have photos and i have documentation

1698

01:00:16,390 --> 01:00:14,400

of this incident which i'll tell you

1699

01:00:19,190 --> 01:00:16,400

about after i tell you my story

1700

01:00:20,789 --> 01:00:19,200

there's another spin to this story that

1701

01:00:21,829 --> 01:00:20,799

you guys are going to be very very

1702

01:00:24,390 --> 01:00:21,839

intrigued about

1703

01:00:26,309 --> 01:00:24,400

and i can't believe it actually what are

1704

01:00:28,390 --> 01:00:26,319

the odds of this

1705

01:00:29,750 --> 01:00:28,400

so let me finish my story first and then

1706

01:00:32,150 --> 01:00:29,760

i'll get into that

1707

01:00:34,069 --> 01:00:32,160

here come these two lights coming

1708

01:00:37,750 --> 01:00:34,079

towards us about a half a mile away

1709

01:00:39,990 --> 01:00:37,760

they're about 250 feet off of the ground

1710

01:00:40,870 --> 01:00:40,000

so that's not very high they were very

1711

01:00:44,230 --> 01:00:40,880

low

1712

01:00:47,589 --> 01:00:44,240

and there was no sound zero sound

1713

01:00:51,349 --> 01:00:47,599

whatsoever we were looking and

1714

01:00:54,230 --> 01:00:51,359

all the sudden they got within

1715

01:00:55,030 --> 01:00:54,240

i would say maybe an eighth of a mile to

1716

01:00:58,390 --> 01:00:55,040

us

1717

01:01:01,349 --> 01:00:58,400

and all i remember was boom

1718

01:01:03,030 --> 01:01:01,359

they were gone within a split second and

1719

01:01:05,190 --> 01:01:03,040

i remember seeing

1720

01:01:07,030 --> 01:01:05,200

i'm getting goosebumps right now i'm

1721

01:01:09,750 --> 01:01:07,040

seriously getting chills

1722

01:01:10,309 --> 01:01:09,760

these things disappeared within a second

1723

01:01:14,150 --> 01:01:10,319

they were

1724

01:01:16,390 --> 01:01:14,160

absolutely gone i heard a sonic boom

1725

01:01:17,829 --> 01:01:16,400

they broke the sound barrier both of

1726

01:01:21,349 --> 01:01:17,839

them

1727

01:01:24,870 --> 01:01:21,359

were absolutely gone disappeared

1728

01:01:26,870 --> 01:01:24,880

gone and i remember looking up

1729

01:01:29,829 --> 01:01:26,880

you could see like a streak streak of

1730

01:01:33,829 --> 01:01:29,839

light go up when they disappeared

1731

01:01:36,710 --> 01:01:33,839

up into the stars and i remember looking

1732

01:01:38,950 --> 01:01:36,720

up at the stars and i couldn't tell

1733

01:01:39,829 --> 01:01:38,960

which star was there and which one

1734

01:01:41,829 --> 01:01:39,839

wasn't

1735

01:01:43,109 --> 01:01:41,839

these things were gone in a matter of a

1736

01:01:46,870 --> 01:01:43,119

millisecond

1737

01:01:49,430 --> 01:01:46,880

it was over it was unbelievable

1738

01:01:50,870 --> 01:01:49,440

in my experience i think about it all

1739

01:01:52,230 --> 01:01:50,880

the time

1740

01:01:54,150 --> 01:01:52,240

i don't know if anybody else has

1741

01:01:55,190 --> 01:01:54,160

experienced the same thing that i've

1742

01:01:58,390 --> 01:01:55,200

experienced

1743

01:02:00,549 --> 01:01:58,400

but that's pretty extraordinary

1744

01:02:02,630 --> 01:02:00,559

it's crazy now i'm going to sit here and

1745

01:02:05,750 --> 01:02:02,640

i'm going to ask you something

1746

01:02:10,230 --> 01:02:05,760

were those human were those

1747

01:02:14,069 --> 01:02:10,240

alien was that something our government

1748

01:02:16,470 --> 01:02:14,079

has created i don't know

1749

01:02:17,750 --> 01:02:16,480

all i know is what i saw and what i

1750

01:02:20,470 --> 01:02:17,760

heard

1751

01:02:21,510 --> 01:02:20,480

that's all i can tell you and i was nine

1752

01:02:23,750 --> 01:02:21,520

years old

1753

01:02:25,750 --> 01:02:23,760

and i remember it just like it was

1754

01:02:27,910 --> 01:02:25,760

yesterday

1755

01:02:29,190 --> 01:02:27,920

i remember talking to my dad and my

1756

01:02:33,190 --> 01:02:29,200

brother

1757

01:02:35,990 --> 01:02:33,200

alive

1758

01:02:37,270 --> 01:02:36,000

we talk about it every once in a while

1759

01:02:40,390 --> 01:02:37,280

he remembers it

1760

01:02:44,230 --> 01:02:40,400

very vividly like i do my dad

1761

01:02:46,710 --> 01:02:44,240

since has passed he passed away in 2007

1762

01:02:47,349 --> 01:02:46,720

but when i became an adult i never

1763

01:02:50,710 --> 01:02:47,359

really

1764

01:02:52,870 --> 01:02:50,720

asked him about that night i wish i

1765

01:02:54,950 --> 01:02:52,880

would have

1766

01:02:58,069 --> 01:02:54,960

the other part that i wanted to tell you

1767

01:03:02,950 --> 01:02:58,079

about is that i'm a wedding dj

1768

01:03:07,029 --> 01:03:02,960

and i was doing a wedding back in 2012

1769

01:03:10,390 --> 01:03:07,039

and i just posted a youtube video

1770

01:03:11,270 --> 01:03:10,400

of my experience i since now have

1771

01:03:13,750 --> 01:03:11,280

deleted it

1772

01:03:16,150 --> 01:03:13,760

i kind of wish i didn't but i just

1773

01:03:19,270 --> 01:03:16,160

posted my experience on youtube

1774

01:03:21,990 --> 01:03:19,280

it was uh like a 10 minute video and

1775

01:03:23,270 --> 01:03:22,000

i was going with the flow at this

1776

01:03:25,990 --> 01:03:23,280

wedding reception

1777

01:03:26,710 --> 01:03:26,000

doing all the announcements entertaining

1778

01:03:28,470 --> 01:03:26,720

the people

1779

01:03:30,630 --> 01:03:28,480

with everything that we were supposed to

1780

01:03:33,510 --> 01:03:30,640

be doing and

1781

01:03:35,190 --> 01:03:33,520

i had a gentleman come up to me and what

1782

01:03:37,910 --> 01:03:35,200

are the odds of this

1783

01:03:39,910 --> 01:03:37,920

i had a gentleman come up to me with his

1784

01:03:43,270 --> 01:03:39,920

ipad in his hand

1785

01:03:46,950 --> 01:03:43,280

and look at me and say is this you

1786

01:03:49,910 --> 01:03:46,960

and he had my youtube video on his ipad

1787

01:03:51,190 --> 01:03:49,920

he was sitting at one of the tables with

1788

01:03:54,309 --> 01:03:51,200

his ipad

1789

01:03:57,510 --> 01:03:54,319

showing like eight people at his table

1790

01:04:00,549 --> 01:03:57,520

showing them my video and me

1791

01:04:03,990 --> 01:04:00,559

talking about my experience

1792

01:04:07,190 --> 01:04:04,000

down in addison maine in cape split

1793

01:04:10,150 --> 01:04:07,200

later on after talking with him

1794

01:04:12,309 --> 01:04:10,160

the gentleman had a home down in cape

1795

01:04:15,270 --> 01:04:12,319

split in 1992.

1796

01:04:16,470 --> 01:04:15,280

right next to where my car while our car

1797

01:04:19,430 --> 01:04:16,480

was parked

1798

01:04:20,069 --> 01:04:19,440

the night we saw these lights come up

1799

01:04:23,510 --> 01:04:20,079

over that

1800

01:04:28,150 --> 01:04:23,520

island and he took pictures

1801

01:04:32,549 --> 01:04:28,160

of these lights and he has now

1802

01:04:35,829 --> 01:04:32,559

sent those pictures to me and i'm so

1803

01:04:39,349 --> 01:04:35,839

unbelievably grateful that i could have

1804

01:04:41,910 --> 01:04:39,359

all this stuff and have this proof

1805

01:04:43,190 --> 01:04:41,920

because it's 100 percent true what are

1806

01:04:47,430 --> 01:04:43,200

the odds

1807

01:04:50,710 --> 01:04:47,440

of somebody capturing those pictures

1808

01:04:53,349 --> 01:04:50,720

the same night me my dad and my brother

1809

01:04:56,789 --> 01:04:53,359

were sitting there in a car

1810

01:04:59,109 --> 01:04:56,799

watching these things this gentleman

1811

01:05:00,710 --> 01:04:59,119

talked to me for over three hours on the

1812

01:05:03,510 --> 01:05:00,720

phone one day

1813

01:05:04,470 --> 01:05:03,520

because he couldn't believe that other

1814

01:05:07,029 --> 01:05:04,480

people

1815

01:05:07,750 --> 01:05:07,039

had seen what he had been seeing that

1816

01:05:10,870 --> 01:05:07,760

night

1817

01:05:15,430 --> 01:05:10,880

he sent me the pictures

1818

01:05:17,589 --> 01:05:15,440

and wow i can't explain to you

1819

01:05:18,950 --> 01:05:17,599

how they make me feel they bring me back

1820

01:05:21,910 --> 01:05:18,960

to the night

1821

01:05:23,109 --> 01:05:21,920

we were there ladies and gentlemen that

1822

01:05:27,029 --> 01:05:23,119

is my story

1823

01:05:30,870 --> 01:05:27,039

a ufo sighting in the experience i had

1824

01:05:32,870 --> 01:05:30,880

back in 1992 when i was nine years old

1825

01:05:34,309 --> 01:05:32,880

i'm very grateful very happy to share it

1826

01:05:35,829 --> 01:05:34,319

with you guys

1827

01:05:53,100 --> 01:05:35,839

now i thank you guys for sitting here

1828

01:05:53,110 --> 01:06:03,190
