00:01:50,469 --> 00:01:47,920
to get you ready for the 2021

31
00:01:52,870 --> 00:01:50,479
international ufo congress which is

32
00:01:54,870 --> 00:01:52,880
going completely virtual this year we're

33
00:01:57,590 --> 00:01:54,880
going to talk all about the speakers the

34
00:02:00,950 --> 00:01:57,600
panels and everything they have going on

35
00:02:03,109 --> 00:02:00,960
over there at the iufoc

36
00:02:05,990 --> 00:02:03,119
so with us today is the president of the

37
00:02:09,109 --> 00:02:06,000
congress karen broad and the master

38
00:02:11,430 --> 00:02:09,119

ceremony alejandro rojas so without

39

00:02:14,150 --> 00:02:11,440

further ado let's bring him in

40

00:02:16,070 --> 00:02:14,160

guys welcome to somewhere in the skies

41

00:02:17,990 --> 00:02:16,080

hello thanks for

42

00:02:21,910 --> 00:02:18,000

having us good to be back

43

00:02:24,229 --> 00:02:21,920

of course of course i i wish i wish wish

44

00:02:27,270 --> 00:02:24,239

wish this thing was in person but like

45

00:02:30,550 --> 00:02:27,280

most conferences i completely understand

46

00:02:32,070 --> 00:02:30,560

why this is virtual but i can't lie i do

47

00:02:34,150 --> 00:02:32,080

miss coming to volunteer for the

48

00:02:35,670 --> 00:02:34,160

congress we miss you too

49

00:02:36,949 --> 00:02:35,680

we're gonna really miss being in person

50

00:02:39,190 --> 00:02:36,959

especially because this is the second

51
00:02:41,350 --> 00:02:39,200
one in a row that we have to do this but

52
00:02:42,710 --> 00:02:41,360
hopefully next year we can uh i'll be

53
00:02:44,949 --> 00:02:42,720
back together again and this whole

54
00:02:47,430 --> 00:02:44,959
nightmare of covid will be gone

55
00:02:48,869 --> 00:02:47,440
hopefully i know and hey look this is

56
00:02:49,750 --> 00:02:48,879
this is the way a lot of things are

57
00:02:52,630 --> 00:02:49,760
going

58
00:02:55,350 --> 00:02:52,640
nowadays conferences school um you know

59
00:02:58,149 --> 00:02:55,360
i even read somewhere earlier that say

60
00:03:00,229 --> 00:02:58,159
goodbye to snow days i remember growing

61
00:03:02,550 --> 00:03:00,239
up on the east coast growing up you know

62
00:03:05,509 --> 00:03:02,560
right and you have that

63
00:03:07,670 --> 00:03:05,519

that magical snow day where you me

64

00:03:10,229 --> 00:03:07,680

growing up in colorado snow days were

65

00:03:13,509 --> 00:03:10,239

the best weren't they and it was like

66

00:03:15,990 --> 00:03:13,519

god was on your side that day but now

67

00:03:18,790 --> 00:03:16,000

now they'll just do it virtually you

68

00:03:23,670 --> 00:03:18,800

know

69

00:03:25,030 --> 00:03:23,680

but um let's not waste time guys let's

70

00:03:26,470 --> 00:03:25,040

get into

71

00:03:29,190 --> 00:03:26,480

what is going to be going on at the

72

00:03:31,670 --> 00:03:29,200

congress this year but uh before we get

73

00:03:33,509 --> 00:03:31,680

to the speakers and and everything like

74

00:03:35,670 --> 00:03:33,519

that karen would you mind sort of

75

00:03:38,390 --> 00:03:35,680

running us through how do you do this

76
00:03:40,710 --> 00:03:38,400
how does one go from such a big you know

77
00:03:42,789 --> 00:03:40,720
in-person conference to to something

78
00:03:45,190 --> 00:03:42,799
virtual i know this was last year was

79
00:03:46,869 --> 00:03:45,200
the first time trying it so what is in

80
00:03:48,630 --> 00:03:46,879
store for us this year for the virtual

81
00:03:50,710 --> 00:03:48,640
conference all right well i'll let you

82
00:03:52,470 --> 00:03:50,720
know cool we're going to use a platform

83
00:03:54,470 --> 00:03:52,480
called hoover and they've been winning a

84
00:03:57,110 --> 00:03:54,480
lot of awards because they're doing tons

85
00:03:58,710 --> 00:03:57,120
of different virtual conferences for you

86
00:04:00,789 --> 00:03:58,720
know big huge conferences for

87
00:04:04,869 --> 00:04:00,799
corporations and whatnot so that's a

88
00:04:06,710 --> 00:04:04,879

really uh dependable and um

89

00:04:08,229 --> 00:04:06,720

you know jam-packed app that you can do

90

00:04:09,990 --> 00:04:08,239

a lot of things one of the things you

91

00:04:12,949 --> 00:04:10,000

can do in there is see all the other

92

00:04:14,630 --> 00:04:12,959

attendees so and if an attendee chooses

93

00:04:16,229 --> 00:04:14,640

to they can upload their picture put

94

00:04:18,390 --> 00:04:16,239

information about them and then

95

00:04:19,990 --> 00:04:18,400

everybody can see who's there and um you

96

00:04:22,710 --> 00:04:20,000

can also chat with people you can

97

00:04:24,469 --> 00:04:22,720

introduce yourself and talk you can say

98

00:04:25,830 --> 00:04:24,479

you can go to the virtual meetup room

99

00:04:27,430 --> 00:04:25,840

and say i'm going to

100

00:04:28,710 --> 00:04:27,440

have a meet up for whatever kind of

101
00:04:30,790 --> 00:04:28,720
group that you want

102
00:04:32,390 --> 00:04:30,800
and and put invites out there and then

103
00:04:34,070 --> 00:04:32,400
people join the room and they're just

104
00:04:35,990 --> 00:04:34,080
like in a zoom room just like this so

105
00:04:38,469 --> 00:04:36,000
you can have these virtual parties

106
00:04:39,749 --> 00:04:38,479
within the app while during and after

107
00:04:40,870 --> 00:04:39,759
and anytime during the conference

108
00:04:41,909 --> 00:04:40,880
actually

109
00:04:44,070 --> 00:04:41,919
that's

110
00:04:45,830 --> 00:04:44,080
right now the tickets are just 119 and

111
00:04:47,510 --> 00:04:45,840
that gives you five days that's

112
00:04:49,270 --> 00:04:47,520
wednesday thursday friday saturday

113
00:04:51,510 --> 00:04:49,280

sunday all five days of lectures and

114

00:04:54,629 --> 00:04:51,520

panels and we're gonna have 23

115

00:04:56,469 --> 00:04:54,639

and uh it starts on september 8th and it

116

00:04:58,870 --> 00:04:56,479

goes through the 12.

117

00:05:00,790 --> 00:04:58,880

awesome

118

00:05:02,230 --> 00:05:00,800

register for the uh for the conference

119

00:05:03,430 --> 00:05:02,240

what you're going to do in about a week

120

00:05:05,430 --> 00:05:03,440

you're going to a week before the

121

00:05:07,670 --> 00:05:05,440

conference so that's coming up the

122

00:05:09,749 --> 00:05:07,680

conference is just two weeks away now uh

123

00:05:12,390 --> 00:05:09,759

you're going to get an email and the app

124

00:05:14,230 --> 00:05:12,400

is called hoova h-w-o-v-a

125

00:05:15,990 --> 00:05:14,240

but don't sign in don't try and find it

126

00:05:18,629 --> 00:05:16,000

on the line and try to you know go in

127

00:05:20,070 --> 00:05:18,639

because you won't be able to access the

128

00:05:22,629 --> 00:05:20,080

conference unless you buy a ticket and

129

00:05:24,070 --> 00:05:22,639

put the invite code in so i'm going to

130

00:05:26,070 --> 00:05:24,080

share my screen so you kind of see what

131

00:05:28,950 --> 00:05:26,080

it's like oh perfect yeah i was going to

132

00:05:31,110 --> 00:05:28,960

say i know um i loved using this thing

133

00:05:33,270 --> 00:05:31,120

when you guys were trying it out last

134

00:05:36,070 --> 00:05:33,280

year i i got to like interact with the

135

00:05:38,629 --> 00:05:36,080

people while the talks are going on it

136

00:05:41,189 --> 00:05:38,639

is a really great program and i've done

137

00:05:44,390 --> 00:05:41,199

a couple other virtual conferences this

138

00:05:47,830 --> 00:05:44,400

past year and all i could say is um

139

00:05:50,150 --> 00:05:47,840

it it was not as smooth as an experience

140

00:05:53,909 --> 00:05:50,160

as i'm sure you guys uh will hopefully

141

00:05:56,950 --> 00:05:53,919

have yeah well the app works great it's

142

00:06:00,150 --> 00:05:56,960

really reliable it's pretty simple uh

143

00:06:01,830 --> 00:06:00,160

you know we our crowd is is older

144

00:06:03,749 --> 00:06:01,840

and they can't always figure everything

145

00:06:05,990 --> 00:06:03,759

out but we really didn't have a problem

146

00:06:07,670 --> 00:06:06,000

with people figuring this out and it

147

00:06:09,110 --> 00:06:07,680

just went so smoothly last year it

148

00:06:10,950 --> 00:06:09,120

worked really well

149

00:06:13,830 --> 00:06:10,960

yeah and i'm gonna uh when you get the

150

00:06:15,590 --> 00:06:13,840

email i post um tutorials on there

151
00:06:17,270 --> 00:06:15,600
there's guides and stuff that even

152
00:06:19,270 --> 00:06:17,280
before the conference you can go and

153
00:06:20,710 --> 00:06:19,280
read on up on it and if you think you're

154
00:06:22,550 --> 00:06:20,720
going to have any trouble but once you

155
00:06:24,629 --> 00:06:22,560
get the invite code and you go in you

156
00:06:26,150 --> 00:06:24,639
can either watch it on a computer or you

157
00:06:28,550 --> 00:06:26,160
can watch it on a mobile device like a

158
00:06:30,150 --> 00:06:28,560
tablet or your phone um and you can hook

159
00:06:31,830 --> 00:06:30,160
up your computer to your television if

160
00:06:33,110 --> 00:06:31,840
you can get someone to do that if you

161
00:06:34,469 --> 00:06:33,120
don't know how to get someone to do that

162
00:06:37,029 --> 00:06:34,479
and you can sit and watch it just like

163
00:06:40,469 --> 00:06:37,039

television so this would be the main

164

00:06:42,950 --> 00:06:40,479

screen can you see it yep okay uh so

165

00:06:44,870 --> 00:06:42,960

this uh just your main screen and then

166

00:06:46,230 --> 00:06:44,880

if you want to go to the sessions you

167

00:06:48,710 --> 00:06:46,240

can go here

168

00:06:50,870 --> 00:06:48,720

and see everything that that day so we

169

00:06:53,270 --> 00:06:50,880

went to wednesday and you can see all

170

00:06:54,629 --> 00:06:53,280

the different speakers um like wednesday

171

00:06:56,309 --> 00:06:54,639

night is when we're gonna have lou

172

00:06:58,150 --> 00:06:56,319

elizondo

173

00:06:59,510 --> 00:06:58,160

um and our cocktail party and give out

174

00:07:00,629 --> 00:06:59,520

prizes

175

00:07:01,990 --> 00:07:00,639

and

176

00:07:04,309 --> 00:07:02,000

so every day you can go through the

177

00:07:06,629 --> 00:07:04,319

schedule and see what's going on there

178

00:07:08,550 --> 00:07:06,639

here when you you go the attendees

179

00:07:10,230 --> 00:07:08,560

and you see all the different attendees

180

00:07:11,990 --> 00:07:10,240

right now um

181

00:07:13,430 --> 00:07:12,000

like steve bassett has uploaded his

182

00:07:15,749 --> 00:07:13,440

brian bender

183

00:07:17,430 --> 00:07:15,759

that's so awesome but so you so once

184

00:07:19,909 --> 00:07:17,440

people um upload their picture you can

185

00:07:22,070 --> 00:07:19,919

even see who's there uh the community

186

00:07:23,830 --> 00:07:22,080

tab you can see that they can ask me

187

00:07:25,909 --> 00:07:23,840

anything that they want

188

00:07:28,390 --> 00:07:25,919

virtual meetups uh

189

00:07:31,350 --> 00:07:28,400

announcements icebreakers which is a

190

00:07:32,629 --> 00:07:31,360

chat room you can share articles

191

00:07:33,830 --> 00:07:32,639

um

192

00:07:35,670 --> 00:07:33,840

there's just a ton of things you can

193

00:07:37,350 --> 00:07:35,680

send messages to each other and you can

194

00:07:38,469 --> 00:07:37,360

upload photos because we have a photo

195

00:07:40,629 --> 00:07:38,479

contest

196

00:07:42,469 --> 00:07:40,639

during the conference and there's kind

197

00:07:44,869 --> 00:07:42,479

of i remember that from last year the

198

00:07:46,790 --> 00:07:44,879

photo contest was so much fun yeah we

199

00:07:49,510 --> 00:07:46,800

have a contest that like uh

200

00:07:51,350 --> 00:07:49,520

for the best caption i believe it is um

201
00:07:53,670 --> 00:07:51,360
and then the leaderboard there's a bunch

202
00:07:55,350 --> 00:07:53,680
of different things you can go do like

203
00:07:57,110 --> 00:07:55,360
um go check out the exhibitors there's

204
00:07:59,189 --> 00:07:57,120
also a virtual hall let me put that up

205
00:08:02,390 --> 00:07:59,199
there here's the drawer the exhibitor

206
00:08:05,430 --> 00:08:02,400
hall so right now here's my booth here

207
00:08:08,550 --> 00:08:05,440
and here's site 251

208
00:08:11,029 --> 00:08:08,560
so you can go in and

209
00:08:12,550 --> 00:08:11,039
see what people have

210
00:08:13,430 --> 00:08:12,560
here's some of the stuff that we sell

211
00:08:14,550 --> 00:08:13,440
there

212
00:08:18,790 --> 00:08:14,560
oh cool

213
00:08:20,710 --> 00:08:18,800

famous levitating ufo speaker lance

214

00:08:23,589 --> 00:08:20,720

i love it and you could shop right from

215

00:08:25,510 --> 00:08:23,599

here exactly yeah you can go and contact

216

00:08:27,510 --> 00:08:25,520

the uh vendors whichever way they want

217

00:08:29,350 --> 00:08:27,520

to be contacted they might even they're

218

00:08:31,110 --> 00:08:29,360

allowed to also live stream from their

219

00:08:32,389 --> 00:08:31,120

booth so you could come to this and

220

00:08:34,550 --> 00:08:32,399

people might be just standing there

221

00:08:35,750 --> 00:08:34,560

talking and doing a demonstration of

222

00:08:38,550 --> 00:08:35,760

their products

223

00:08:40,230 --> 00:08:38,560

just like the vendor room i love exactly

224

00:08:41,670 --> 00:08:40,240

so there's a lot of fun things that you

225

00:08:43,430 --> 00:08:41,680

can do

226

00:08:46,310 --> 00:08:43,440

with that

227

00:08:48,389 --> 00:08:46,320

i love it again it's so easy and i think

228

00:08:51,269 --> 00:08:48,399

you know once you get the hang of it by

229

00:08:54,070 --> 00:08:51,279

like you know the first or second talk

230

00:08:56,150 --> 00:08:54,080

it just becomes kind of second nature um

231

00:08:58,870 --> 00:08:56,160

oh that's so cool well let's i guess

232

00:09:01,350 --> 00:08:58,880

let's jump into who we have this year

233

00:09:04,150 --> 00:09:01,360

you guys have quite a lineup

234

00:09:07,269 --> 00:09:04,160

so far um so yeah karen if you want you

235

00:09:09,590 --> 00:09:07,279

can pull up the the website there um and

236

00:09:12,790 --> 00:09:09,600

we'll we'll show them on there but let's

237

00:09:16,150 --> 00:09:12,800

just start let's dive right in with um

238

00:09:19,030 --> 00:09:16,160

mr uh ben hansen returning for the

239

00:09:20,949 --> 00:09:19,040

uptick time to the international ufo

240

00:09:22,710 --> 00:09:20,959

congress so what's been getting talking

241

00:09:23,990 --> 00:09:22,720

about this year alejandro do you want to

242

00:09:26,710 --> 00:09:24,000

take that

243

00:09:29,350 --> 00:09:26,720

i don't think he actually knows yeah i'm

244

00:09:31,190 --> 00:09:29,360

sorry at least

245

00:09:33,190 --> 00:09:31,200

it is good you start with ben in that

246

00:09:35,670 --> 00:09:33,200

he's one of where we always we don't

247

00:09:37,110 --> 00:09:35,680

usually have the speakers twice

248

00:09:40,790 --> 00:09:37,120

you know we don't have them twice a year

249

00:09:41,670 --> 00:09:40,800

but ben usually comes and shows his uh

250

00:09:43,670 --> 00:09:41,680

his

251
00:09:45,750 --> 00:09:43,680
night vision goggles every year

252
00:09:47,990 --> 00:09:45,760
so he's always been there as part of the

253
00:09:50,310 --> 00:09:48,000
conference and that so it's great to

254
00:09:53,509 --> 00:09:50,320
have him every year i meant um that

255
00:09:54,949 --> 00:09:53,519
alejandro doesn't know but i know

256
00:09:56,550 --> 00:09:54,959
oh yeah i don't know what ben's talking

257
00:09:58,150 --> 00:09:56,560
about is actually going to be doing a

258
00:09:59,670 --> 00:09:58,160
panel with mark antonio and they're

259
00:10:01,990 --> 00:09:59,680
going to talk about their new show that

260
00:10:05,910 --> 00:10:02,000
just came out on discovery plus oh

261
00:10:08,389 --> 00:10:05,920
awesome okay the ufo witness right

262
00:10:11,509 --> 00:10:08,399
is that yeah

263
00:10:13,590 --> 00:10:11,519

yeah who knows nowadays

264

00:10:15,509 --> 00:10:13,600

uh yeah that the newest one is already a

265

00:10:17,190 --> 00:10:15,519

ufo witness show

266

00:10:21,509 --> 00:10:17,200

i don't know but i guess you'll have to

267

00:10:21,519 --> 00:10:24,949

why she's the president

268

00:10:32,550 --> 00:10:28,230

i love that um well okay so here's the

269

00:10:33,910 --> 00:10:32,560

one i'm really excited about and um wow

270

00:10:36,310 --> 00:10:33,920

you guys couldn't have got him at a

271

00:10:37,750 --> 00:10:36,320

better time avi loeb

272

00:10:40,710 --> 00:10:37,760

um you know

273

00:10:43,430 --> 00:10:40,720

the guy who has become pretty

274

00:10:45,269 --> 00:10:43,440

pretty big in the mainstream media in

275

00:10:46,590 --> 00:10:45,279

the past year or so with his new book

276

00:10:49,910 --> 00:10:46,600

that came out

277

00:10:51,670 --> 00:10:49,920

extraterrestrial um and his new project

278

00:10:53,030 --> 00:10:51,680

which i'm sure he'll he'll be talking

279

00:10:54,870 --> 00:10:53,040

about so yeah do you guys want to give

280

00:10:57,269 --> 00:10:54,880

us a little information about what avi

281

00:11:00,069 --> 00:10:57,279

loeb will be doing with you guys

282

00:11:02,630 --> 00:11:00,079

uh go ahead alejandro you never freedom

283

00:11:04,710 --> 00:11:02,640

okay yeah avi loeb is

284

00:11:07,269 --> 00:11:04,720

you know what's fun about avilope is of

285

00:11:10,150 --> 00:11:07,279

course he made headlines and has been

286

00:11:12,710 --> 00:11:10,160

making headlines because you know he's a

287

00:11:14,710 --> 00:11:12,720

harvard uh astronomer

288

00:11:15,910 --> 00:11:14,720

and he

289

00:11:18,630 --> 00:11:15,920
came out

290

00:11:19,750 --> 00:11:18,640
you know very strongly saying

291

00:11:22,069 --> 00:11:19,760
hey

292

00:11:24,310 --> 00:11:22,079
not only is this

293

00:11:25,910 --> 00:11:24,320
object this thing that uh came through

294

00:11:28,870 --> 00:11:25,920
the solar system you know first

295

00:11:31,750 --> 00:11:28,880
interstellar object weird it's probably

296

00:11:33,750 --> 00:11:31,760
aliens and uh of course a lot of people

297

00:11:35,990 --> 00:11:33,760
came down on him a lot of his colleagues

298

00:11:37,670 --> 00:11:36,000
and scientists but he really stuck to

299

00:11:39,750 --> 00:11:37,680
his gun saying no

300

00:11:41,750 --> 00:11:39,760
it's not just possible it's probable i

301

00:11:43,190 --> 00:11:41,760

mean he's really convinced this is a

302

00:11:45,990 --> 00:11:43,200

possibility

303

00:11:47,910 --> 00:11:46,000

that's super exciting because i what i

304

00:11:51,430 --> 00:11:47,920

think has been exciting is that even the

305

00:11:54,790 --> 00:11:51,440

first paper that came out about omua mua

306

00:11:57,670 --> 00:11:54,800

speculated that this object could be

307

00:12:00,069 --> 00:11:57,680

extraterrestrial that alone i think is

308

00:12:01,829 --> 00:12:00,079

really exciting that people astronomy

309

00:12:03,990 --> 00:12:01,839

students the people doing these research

310

00:12:06,550 --> 00:12:04,000

papers are feeling comfortable enough to

311

00:12:08,310 --> 00:12:06,560

make that suggestion but now to have

312

00:12:10,470 --> 00:12:08,320

this harvard astronomer one of the

313

00:12:13,910 --> 00:12:10,480

people in the leadership position

314

00:12:15,829 --> 00:12:13,920

at harvard coming out and very strongly

315

00:12:17,990 --> 00:12:15,839

supporting the idea

316

00:12:19,829 --> 00:12:18,000

it's really exciting i think some of the

317

00:12:21,430 --> 00:12:19,839

things that he talks about

318

00:12:23,829 --> 00:12:21,440

those of us who have been in this field

319

00:12:26,389 --> 00:12:23,839

and who have read books from scientists

320

00:12:27,829 --> 00:12:26,399

you know like peter sturrock or dr j

321

00:12:30,870 --> 00:12:27,839

allen heineck

322

00:12:32,790 --> 00:12:30,880

he's hitting on a lot of the same themes

323

00:12:34,790 --> 00:12:32,800

which is interesting because he hasn't

324

00:12:37,030 --> 00:12:34,800

read these books but he's having the

325

00:12:39,590 --> 00:12:37,040

same experience as they are and people

326

00:12:42,230 --> 00:12:39,600

having their clothes their minds closed

327

00:12:44,310 --> 00:12:42,240

and really when it comes to science

328

00:12:46,069 --> 00:12:44,320

that's not good science you need to be

329

00:12:48,949 --> 00:12:46,079

open to possibilities until you can

330

00:12:51,110 --> 00:12:48,959

disprove them so all of that is really

331

00:12:52,629 --> 00:12:51,120

exciting at the beginning of the media

332

00:12:54,790 --> 00:12:52,639

cycle when he came out he was kind of

333

00:12:55,509 --> 00:12:54,800

hesitant to talk about ufos i think and

334

00:12:58,230 --> 00:12:55,519

and

335

00:13:01,430 --> 00:12:58,240

kind of uh

336

00:13:03,990 --> 00:13:01,440

get attached with that kind of idea

337

00:13:05,350 --> 00:13:04,000

but luckily i got to talk to him you

338

00:13:07,509 --> 00:13:05,360

know i had problems getting to him

339

00:13:10,310 --> 00:13:07,519

earlier on more towards the end of that

340

00:13:12,710 --> 00:13:10,320

media cycle when he was really open to

341

00:13:14,870 --> 00:13:12,720

the idea now he's really open to working

342

00:13:17,430 --> 00:13:14,880

with others now he's you know putting

343

00:13:19,030 --> 00:13:17,440

forward that

344

00:13:21,910 --> 00:13:19,040

which has been growing the idea of

345

00:13:23,990 --> 00:13:21,920

techno signatures so we've talked about

346

00:13:26,150 --> 00:13:24,000

xeno archaeology we've had people come

347

00:13:28,470 --> 00:13:26,160

to talk to the conference about that

348

00:13:31,190 --> 00:13:28,480

sort of thing the idea of looking for

349

00:13:33,110 --> 00:13:31,200

potential artifacts from you know

350

00:13:36,069 --> 00:13:33,120

extraterrestrial civilizations on other

351

00:13:37,670 --> 00:13:36,079

planets or even here but now this is

352

00:13:40,870 --> 00:13:37,680

really gaining momentum and they're

353

00:13:42,150 --> 00:13:40,880

using the term techno signatures and

354

00:13:43,910 --> 00:13:42,160

that's something that he's really

355

00:13:45,189 --> 00:13:43,920

tackled to start a group to look into

356

00:13:46,870 --> 00:13:45,199

and that's what he's going to talk more

357

00:13:48,710 --> 00:13:46,880

about so

358

00:13:51,430 --> 00:13:48,720

really exciting times and to have this

359

00:13:54,069 --> 00:13:51,440

guy coming to a ufo conference is pretty

360

00:13:57,110 --> 00:13:54,079

incredible i think it's huge it really

361

00:13:59,350 --> 00:13:57,120

is and i'm so happy to see him finally

362

00:14:02,230 --> 00:13:59,360

doing that we need these rebels in the

363

00:14:05,269 --> 00:14:02,240

scientific community to you know show

364

00:14:07,509 --> 00:14:05,279

the issue with mainstream science and

365

00:14:10,710 --> 00:14:07,519

you know how they're not willing to

366

00:14:13,110 --> 00:14:10,720

change their ways and uh again i think

367

00:14:15,189 --> 00:14:13,120

that's perfect yeah until

368

00:14:16,470 --> 00:14:15,199

the government starts allowing

369

00:14:19,990 --> 00:14:16,480

universities

370

00:14:21,430 --> 00:14:20,000

allowing them to study this as a science

371

00:14:23,269 --> 00:14:21,440

we're not going to go anywhere so the

372

00:14:25,030 --> 00:14:23,279

universities themselves have to be open

373

00:14:26,150 --> 00:14:25,040

to it and the government has to start

374

00:14:27,829 --> 00:14:26,160

getting grants because this is a

375

00:14:29,189 --> 00:14:27,839

legitimate science there's something

376

00:14:31,110 --> 00:14:29,199

happening and we're never going to

377

00:14:32,629 --> 00:14:31,120

figure it out just by trying to guess i

378

00:14:34,790 --> 00:14:32,639

mean we have to have our best people

379

00:14:36,310 --> 00:14:34,800

working on it and that's the people who

380

00:14:37,670 --> 00:14:36,320

you know the scholars the people the

381

00:14:38,550 --> 00:14:37,680

scientists so

382

00:14:39,990 --> 00:14:38,560

um

383

00:14:41,829 --> 00:14:40,000

this is you know paving the way and i

384

00:14:43,110 --> 00:14:41,839

think you know it has i think harvard

385

00:14:45,990 --> 00:14:43,120

actually has

386

00:14:47,269 --> 00:14:46,000

classes now that you can study

387

00:14:49,829 --> 00:14:47,279

you know

388

00:14:52,069 --> 00:14:49,839

whatever these things are so yeah and

389

00:14:54,150 --> 00:14:52,079

we're hearing that more and more in the

390

00:14:56,389 --> 00:14:54,160

collegiate level of you know courses

391

00:14:59,590 --> 00:14:56,399

being taught on ufos whether it's from a

392

00:15:02,550 --> 00:14:59,600

historical context or scientific or

393

00:15:03,829 --> 00:15:02,560

real archaeological uh archaeological

394

00:15:07,269 --> 00:15:03,839

with like brian

395

00:15:09,110 --> 00:15:07,279

michael masters exactly you know

396

00:15:10,790 --> 00:15:09,120

thought like maybe these are just us and

397

00:15:13,750 --> 00:15:10,800

we'd learn how to time travel and they

398

00:15:15,750 --> 00:15:13,760

come back to check on us and

399

00:15:19,110 --> 00:15:15,760

my favorite theory karen that is my

400

00:15:21,350 --> 00:15:19,120

favorite theory i i hope more people

401
00:15:24,069 --> 00:15:21,360
yeah yeah oh well

402
00:15:25,269 --> 00:15:24,079
talking about phds uh you have beverly

403
00:15:27,110 --> 00:15:25,279
rubick

404
00:15:28,949 --> 00:15:27,120
going to be talking as well about um

405
00:15:31,110 --> 00:15:28,959
from the president she's the president

406
00:15:33,189 --> 00:15:31,120
of the institute for frontier science uh

407
00:15:35,670 --> 00:15:33,199
the human energy field

408
00:15:38,389 --> 00:15:35,680
um do either of you want to comment on

409
00:15:39,829 --> 00:15:38,399
on uh dr rubrick and what she's going to

410
00:15:41,269 --> 00:15:39,839
be talking about during the uh the

411
00:15:43,030 --> 00:15:41,279
conference

412
00:15:45,110 --> 00:15:43,040
yeah i'll tell you a little bit about it

413
00:15:47,990 --> 00:15:45,120

um she does do

414

00:15:49,110 --> 00:15:48,000

research in to the human energy field

415

00:15:50,069 --> 00:15:49,120

and

416

00:15:51,030 --> 00:15:50,079

um

417

00:15:52,829 --> 00:15:51,040

sorry

418

00:15:55,829 --> 00:15:52,839

no no no take your

419

00:15:57,670 --> 00:15:55,839

time her phd from berkeley she's a

420

00:15:59,509 --> 00:15:57,680

really smart person and she's just

421

00:16:01,110 --> 00:15:59,519

trying to see like you know the energy

422

00:16:02,470 --> 00:16:01,120

fields and people are more affected by

423

00:16:04,310 --> 00:16:02,480

things than we know

424

00:16:06,710 --> 00:16:04,320

and one of the things unfortunately that

425

00:16:09,350 --> 00:16:06,720

we were gonna she was gonna try to do is

426

00:16:11,269 --> 00:16:09,360

on at the conference she was going to um

427

00:16:13,509 --> 00:16:11,279

do this with experiencers just to see if

428

00:16:15,670 --> 00:16:13,519

she could gather any data that

429

00:16:17,350 --> 00:16:15,680

would um you know put anything together

430

00:16:19,670 --> 00:16:17,360

that would show a difference in the

431

00:16:23,269 --> 00:16:19,680

energy fields of these people but

432

00:16:24,949 --> 00:16:23,279

that being said um she is you know

433

00:16:27,189 --> 00:16:24,959

working on radiation to see how that

434

00:16:28,310 --> 00:16:27,199

affects us and um she's just really

435

00:16:30,870 --> 00:16:28,320

trying to

436

00:16:32,150 --> 00:16:30,880

find out how our bodies and our energy

437

00:16:34,310 --> 00:16:32,160

fields are affected by the different

438

00:16:35,829 --> 00:16:34,320

things in the atmosphere and

439

00:16:38,230 --> 00:16:35,839

in you know hopes of you know

440

00:16:39,110 --> 00:16:38,240

progressing that science along and

441

00:16:41,269 --> 00:16:39,120

um

442

00:16:43,829 --> 00:16:41,279

having it interact with et's

443

00:16:46,230 --> 00:16:43,839

we'll see we'll see yeah i'm looking

444

00:16:47,990 --> 00:16:46,240

forward to that one for sure um well

445

00:16:50,629 --> 00:16:48,000

let's move to kind of one of the big

446

00:16:53,110 --> 00:16:50,639

names again uh someone who you guys just

447

00:16:56,629 --> 00:16:53,120

saw or alejandra i believe you just saw

448

00:16:59,189 --> 00:16:56,639

speak recently uh is brian bender from

449

00:17:00,949 --> 00:16:59,199

politico he's gonna be doing a special

450

00:17:02,310 --> 00:17:00,959

presentation with you guys as well would

451
00:17:06,069 --> 00:17:02,320
you mind going through this one a little

452
00:17:08,470 --> 00:17:06,079
bit tease us yeah i mean

453
00:17:09,669 --> 00:17:08,480
what's really exciting is

454
00:17:10,710 --> 00:17:09,679
to me

455
00:17:12,870 --> 00:17:10,720
um

456
00:17:14,390 --> 00:17:12,880
is that you know for me it's been all

457
00:17:16,789 --> 00:17:14,400
about the mainstream bringing this

458
00:17:19,110 --> 00:17:16,799
information to mainstream media getting

459
00:17:21,909 --> 00:17:19,120
mainstream buy-in that this is a legit

460
00:17:24,870 --> 00:17:21,919
topic and it's really exciting that that

461
00:17:28,549 --> 00:17:24,880
has happened finally after all of these

462
00:17:31,750 --> 00:17:28,559
years and brian bender is an example of

463
00:17:33,430 --> 00:17:31,760

what the mainstream the power of a

464

00:17:34,549 --> 00:17:33,440

mainstream for instance with him

465

00:17:37,270 --> 00:17:34,559

journalists

466

00:17:39,669 --> 00:17:37,280

he's already embedded in washington dc

467

00:17:41,830 --> 00:17:39,679

he already goes to people to talk about

468

00:17:44,470 --> 00:17:41,840

technologies whether it's defense or

469

00:17:46,950 --> 00:17:44,480

space technologies he's got people that

470

00:17:49,510 --> 00:17:46,960

are at washington dc

471

00:17:51,669 --> 00:17:49,520

people at all the big corporations so

472

00:17:53,750 --> 00:17:51,679

when a topic like this comes around he's

473

00:17:55,669 --> 00:17:53,760

a perfect type of person to be able to

474

00:17:57,669 --> 00:17:55,679

go and say hey what do you think of this

475

00:17:59,990 --> 00:17:57,679

stuff what do you think of that stuff

476

00:18:01,990 --> 00:18:00,000

and he's been able to by doing that

477

00:18:04,870 --> 00:18:02,000

break a lot of really important stories

478

00:18:06,870 --> 00:18:04,880

about politicians getting briefed

479

00:18:10,230 --> 00:18:06,880

you know the various politicians getting

480

00:18:12,310 --> 00:18:10,240

comments from politicians uh also being

481

00:18:14,390 --> 00:18:12,320

able to talk to other leadership

482

00:18:16,549 --> 00:18:14,400

in the defense industry

483

00:18:18,150 --> 00:18:16,559

uh you know i had mentioned and we

484

00:18:21,190 --> 00:18:18,160

actually are going to post for free on

485

00:18:23,270 --> 00:18:21,200

the the ufo congress website this week

486

00:18:24,870 --> 00:18:23,280

that lecture that he gave because he

487

00:18:26,470 --> 00:18:24,880

kind of talked about his experience

488

00:18:28,150 --> 00:18:26,480

getting into this and talking to all of

489

00:18:30,310 --> 00:18:28,160

these type of people and what they told

490

00:18:32,390 --> 00:18:30,320

him uh and one of the things i asked him

491

00:18:34,310 --> 00:18:32,400

about was really he was one of the first

492

00:18:36,789 --> 00:18:34,320

when the new york times article came out

493

00:18:38,950 --> 00:18:36,799

in 2017 that kind of broke the story and

494

00:18:41,510 --> 00:18:38,960

got everybody scratching their heads he

495

00:18:43,909 --> 00:18:41,520

was the first to actually ask

496

00:18:45,990 --> 00:18:43,919

politicians these are politicians who

497

00:18:48,230 --> 00:18:46,000

were associated with the space council

498

00:18:50,310 --> 00:18:48,240

so you know coming up with space policy

499

00:18:52,710 --> 00:18:50,320

for the united states what do you think

500

00:18:54,710 --> 00:18:52,720

of this and surprisingly a lot of them

501
00:18:56,390 --> 00:18:54,720
said we think a lot of it this is really

502
00:18:58,310 --> 00:18:56,400
interesting we should be looking into

503
00:19:01,029 --> 00:18:58,320
uaps we should be trying to figure out

504
00:19:02,789 --> 00:19:01,039
what these things are and so now people

505
00:19:04,789 --> 00:19:02,799
are feeling more empowered to be able to

506
00:19:06,310 --> 00:19:04,799
do that and so that's what's really

507
00:19:08,310 --> 00:19:06,320
exciting about brian he'll be

508
00:19:10,230 --> 00:19:08,320
interviewing wife symington who is the

509
00:19:12,470 --> 00:19:10,240
governor of uh

510
00:19:14,150 --> 00:19:12,480
arizona during the phoenix lights who

511
00:19:16,789 --> 00:19:14,160
first kind of poopooed and made fun of

512
00:19:18,950 --> 00:19:16,799
the whole thing but years later thanks

513
00:19:21,669 --> 00:19:18,960

to james fox james fox took a bunch of

514

00:19:23,909 --> 00:19:21,679

witness uh testimony and said hey listen

515

00:19:26,630 --> 00:19:23,919

to what the witnesses want to say to you

516

00:19:28,230 --> 00:19:26,640

fife timing simonton got teary eyed and

517

00:19:30,470 --> 00:19:28,240

said well you know what i gotta admit i

518

00:19:32,789 --> 00:19:30,480

saw that thing too and i regret what i

519

00:19:34,150 --> 00:19:32,799

said and here's what i saw and i don't

520

00:19:35,590 --> 00:19:34,160

think that that thing is from this

521

00:19:37,430 --> 00:19:35,600

planet he said as someone who was in the

522

00:19:39,590 --> 00:19:37,440

air force for many years i don't think

523

00:19:41,909 --> 00:19:39,600

what i saw is of this world

524

00:19:44,230 --> 00:19:41,919

so that's going to be amazing to have

525

00:19:46,070 --> 00:19:44,240

both of these very mainstream people you

526
00:19:47,430 --> 00:19:46,080
know talking about this topic right here

527
00:19:51,510 --> 00:19:47,440
at this table

528
00:19:53,669 --> 00:19:51,520
yeah for right here sitting right here

529
00:19:56,070 --> 00:19:53,679
yeah that's awesome

530
00:19:57,669 --> 00:19:56,080
i love that karen um well let's move to

531
00:19:59,430 --> 00:19:57,679
another one of the the women that's

532
00:20:01,510 --> 00:19:59,440
gonna be speaking at the event and

533
00:20:03,510 --> 00:20:01,520
that's uh katie grabowski now this is

534
00:20:06,230 --> 00:20:03,520
pretty interesting we all know about

535
00:20:08,070 --> 00:20:06,240
skinwalker ranch um you know whether you

536
00:20:10,390 --> 00:20:08,080
watch the history channel television

537
00:20:12,789 --> 00:20:10,400
show or you've read the book by george

538
00:20:14,390 --> 00:20:12,799

knapp um such a mysterious place out in

539

00:20:16,310 --> 00:20:14,400

utah but

540

00:20:18,230 --> 00:20:16,320

we're now learning that decades prior

541

00:20:20,390 --> 00:20:18,240

there was a ranch that is just as

542

00:20:22,870 --> 00:20:20,400

mysterious in colorado

543

00:20:24,950 --> 00:20:22,880

and i believe that's what uh katie's

544

00:20:26,789 --> 00:20:24,960

going to be talking about um so yes

545

00:20:28,149 --> 00:20:26,799

either one of you want to tease us a

546

00:20:29,830 --> 00:20:28,159

little bit about what katie's going to

547

00:20:30,950 --> 00:20:29,840

be talking about i'd love to hear about

548

00:20:33,029 --> 00:20:30,960

this

549

00:20:35,110 --> 00:20:33,039

um well i just know that she

550

00:20:37,270 --> 00:20:35,120

uh is does a lot of research with move

551
00:20:39,909 --> 00:20:37,280
on and interviewing experiencers and

552
00:20:41,669 --> 00:20:39,919
whatnot in colorado um

553
00:20:44,230 --> 00:20:41,679
and she holds a bachelor of science

554
00:20:46,470 --> 00:20:44,240
degree so she is science oriented um

555
00:20:47,750 --> 00:20:46,480
other than that i haven't i'm looking

556
00:20:49,750 --> 00:20:47,760
forward to hearing her too because i

557
00:20:51,990 --> 00:20:49,760
haven't even heard her but um i heard

558
00:20:53,510 --> 00:20:52,000
about her i heard she was incredible the

559
00:20:54,630 --> 00:20:53,520
information she has to share is very

560
00:20:56,230 --> 00:20:54,640
interesting

561
00:20:58,630 --> 00:20:56,240
so that's why i wanted to have her a

562
00:21:00,549 --> 00:20:58,640
part of this conference because um from

563
00:21:03,830 --> 00:21:00,559

what i hear she's got a lot of great

564

00:21:06,390 --> 00:21:03,840

stuff to share i'm sure yeah colorado

565

00:21:08,230 --> 00:21:06,400

has a lot of secrets very deep in those

566

00:21:10,390 --> 00:21:08,240

mountains so i'm sure she'll have some

567

00:21:13,350 --> 00:21:10,400

cool stuff to talk about well let's talk

568

00:21:15,750 --> 00:21:13,360

about two other guys who are known to uh

569

00:21:17,029 --> 00:21:15,760

look into some really weird stuff and

570

00:21:20,070 --> 00:21:17,039

that is the

571

00:21:21,510 --> 00:21:20,080

paranormal rangers we've got let me make

572

00:21:25,590 --> 00:21:21,520

sure i get their names right jonathan

573

00:21:28,950 --> 00:21:25,600

dover and stanley milford um yeah these

574

00:21:31,750 --> 00:21:28,960

guys are like heroes of mine out there

575

00:21:33,430 --> 00:21:31,760

you know not only fighting crime but

576

00:21:35,750 --> 00:21:33,440

fighting the paranormal and

577

00:21:37,029 --> 00:21:35,760

investigating so yeah if either one of

578

00:21:38,630 --> 00:21:37,039

you want to hop in tell us a little

579

00:21:40,630 --> 00:21:38,640

about what they'll be talking about i

580

00:21:42,230 --> 00:21:40,640

just want to

581

00:21:44,870 --> 00:21:42,240

put in here that they're actually going

582

00:21:46,630 --> 00:21:44,880

to be here also right here in person so

583

00:21:49,190 --> 00:21:46,640

that'll be good they get to sit here and

584

00:21:50,950 --> 00:21:49,200

talk to each other and with alejandro so

585

00:21:52,310 --> 00:21:50,960

i'll let alejandro take it from here

586

00:21:54,390 --> 00:21:52,320

cool

587

00:21:55,669 --> 00:21:54,400

yeah we've just get updates from them i

588

00:21:57,110 --> 00:21:55,679

mean uh

589

00:22:00,230 --> 00:21:57,120

their start for those who don't know

590

00:22:05,190 --> 00:22:00,240

they were navajo rangers who are akin to

591

00:22:06,870 --> 00:22:05,200

federal police but in the navajo um um

592

00:22:08,950 --> 00:22:06,880

you know

593

00:22:10,310 --> 00:22:08,960

reservations yeah i couldn't think of

594

00:22:11,430 --> 00:22:10,320

the word for a second

595

00:22:13,029 --> 00:22:11,440

um

596

00:22:14,549 --> 00:22:13,039

and you know but what was different

597

00:22:16,390 --> 00:22:14,559

about them is when they got calls about

598

00:22:17,750 --> 00:22:16,400

paranormal things going on they rolled

599

00:22:20,230 --> 00:22:17,760

they got in their trucks they went out

600

00:22:22,549 --> 00:22:20,240

and checked it out and they experienced

601
00:22:24,470 --> 00:22:22,559
a lot of paranormal themselves a lot of

602
00:22:25,990 --> 00:22:24,480
you who are interested had heard have

603
00:22:27,990 --> 00:22:26,000
heard a lot of their great stories if

604
00:22:29,830 --> 00:22:28,000
you're not familiar then you want to

605
00:22:31,669 --> 00:22:29,840
start hearing what they're talking about

606
00:22:33,430 --> 00:22:31,679
so yeah they've continued to do some

607
00:22:35,190 --> 00:22:33,440
investigations so they're going to talk

608
00:22:36,710 --> 00:22:35,200
and i even had

609
00:22:37,750 --> 00:22:36,720
a sighting with

610
00:22:40,149 --> 00:22:37,760
them

611
00:22:42,149 --> 00:22:40,159
you want to hear that story uh yeah if

612
00:22:43,830 --> 00:22:42,159
you don't mind sharing

613
00:22:47,590 --> 00:22:43,840

yeah so

614

00:22:50,230 --> 00:22:47,600

we they came to talk at the arizona

615

00:22:51,830 --> 00:22:50,240

phoenix mufon and you know when the

616

00:22:54,310 --> 00:22:51,840

weather is good enough it's not too

617

00:22:57,029 --> 00:22:54,320

crazy hot in arizona they'll we'll go

618

00:22:58,710 --> 00:22:57,039

into a skywatch at night and uh stacey

619

00:23:00,070 --> 00:22:58,720

wright organizes that and we go out

620

00:23:01,029 --> 00:23:00,080

there and have fun

621

00:23:02,390 --> 00:23:01,039

and

622

00:23:04,470 --> 00:23:02,400

one time you know they brought their

623

00:23:06,310 --> 00:23:04,480

night vision goggles so we're sky

624

00:23:08,230 --> 00:23:06,320

watching we're passing around the

625

00:23:10,549 --> 00:23:08,240

goggles i finally got my chance and i

626

00:23:13,270 --> 00:23:10,559

was looking up and i saw these

627

00:23:15,190 --> 00:23:13,280

five lights that looked like they were

628

00:23:18,070 --> 00:23:15,200

grouped together and they were all

629

00:23:19,430 --> 00:23:18,080

slowly steadily moving in opposite

630

00:23:21,990 --> 00:23:19,440

directions

631

00:23:23,430 --> 00:23:22,000

uh which is like what the heck is that

632

00:23:25,750 --> 00:23:23,440

you know i couldn't tell they seemed

633

00:23:28,310 --> 00:23:25,760

real high up there i mean they moved

634

00:23:30,310 --> 00:23:28,320

like satellites but you know grouped and

635

00:23:31,909 --> 00:23:30,320

moving apart from each other so i was

636

00:23:33,590 --> 00:23:31,919

like hey is anybody else seeing these

637

00:23:36,549 --> 00:23:33,600

and sure enough john dober had the other

638

00:23:37,830 --> 00:23:36,559

parent he was watching them also so that

639

00:23:39,690 --> 00:23:37,840

was really crazy that was one of the

640

00:23:41,269 --> 00:23:39,700

wildest things i've seen

641

00:23:43,430 --> 00:23:41,279

[Music]

642

00:23:44,789 --> 00:23:43,440

apparently i was there too and i said

643

00:23:52,070 --> 00:23:44,799

that i saw him but i have no

644

00:23:55,750 --> 00:23:54,149

you know i need glasses so i'm pretty

645

00:23:57,990 --> 00:23:55,760

sure i couldn't see that

646

00:24:00,630 --> 00:23:58,000

it's probably just flirting with me

647

00:24:02,710 --> 00:24:00,640

then that could be it what can you say a

648

00:24:06,230 --> 00:24:02,720

couple years before we started going out

649

00:24:13,110 --> 00:24:09,269

uh i love it i love it i love it um

650

00:24:16,070 --> 00:24:13,120

awesome well let's move to um oh here's

651
00:24:18,390 --> 00:24:16,080
a good one mr lee spiegel if you don't

652
00:24:20,549 --> 00:24:18,400
know who lee spiegel is you should if

653
00:24:23,269 --> 00:24:20,559
you're into ufos and he's going to be

654
00:24:26,470 --> 00:24:23,279
talking about one of my favorite moments

655
00:24:29,430 --> 00:24:26,480
in ufo history um when it comes to

656
00:24:32,070 --> 00:24:29,440
kind of the government but the u.n the

657
00:24:33,669 --> 00:24:32,080
first time the u.n got involved with you

658
00:24:35,830 --> 00:24:33,679
the u.n so yeah karen would you mind

659
00:24:37,590 --> 00:24:35,840
telling us a little about this one yeah

660
00:24:40,710 --> 00:24:37,600
they were trying to get a bill passed to

661
00:24:43,350 --> 00:24:40,720
investigate ufos in the u.n and

662
00:24:45,750 --> 00:24:43,360
he managed to get um

663
00:24:47,269 --> 00:24:45,760

help me out alejandro they they it

664

00:24:49,830 --> 00:24:47,279

eventually became they're trying to get

665

00:24:52,710 --> 00:24:49,840

a resolution but they've got a decision

666

00:24:55,269 --> 00:24:52,720

oh sir eric gary he was helping yeah and

667

00:24:57,750 --> 00:24:55,279

what country was he again he was uh the

668

00:25:11,510 --> 00:24:57,760

prime minister of um

669

00:25:14,950 --> 00:25:13,510

earlier lee had made an album where he

670

00:25:17,590 --> 00:25:14,960

went around the country interviewing

671

00:25:19,110 --> 00:25:17,600

ufologists or you you follow this right

672

00:25:20,390 --> 00:25:19,120

i always say it wrong

673

00:25:22,390 --> 00:25:20,400

and

674

00:25:23,750 --> 00:25:22,400

had this on an album a record album all

675

00:25:27,110 --> 00:25:23,760

these different interviews and he used

676

00:25:30,390 --> 00:25:27,120

that to persuade people you know to

677

00:25:32,789 --> 00:25:30,400

about this issue of ufos um but this

678

00:25:34,470 --> 00:25:32,799

this footage was lost i mean

679

00:25:36,870 --> 00:25:34,480

we didn't they didn't know where it was

680

00:25:39,590 --> 00:25:36,880

and it turns out that lee started doing

681

00:25:41,029 --> 00:25:39,600

or actually it was james fox's sister

682

00:25:43,190 --> 00:25:41,039

was doing some research and she said i

683

00:25:45,830 --> 00:25:43,200

found the footage

684

00:25:47,750 --> 00:25:45,840

but it was actually the footage of

685

00:25:49,830 --> 00:25:47,760

a tv station and they tried to charge

686

00:25:51,190 --> 00:25:49,840

lee for it well lee contacted the un and

687

00:25:52,950 --> 00:25:51,200

said nope they don't have the rights to

688

00:25:55,029 --> 00:25:52,960

it we have the rights to it and we're

689

00:25:57,590 --> 00:25:55,039

going to give them to you

690

00:25:59,029 --> 00:25:57,600

lee has the right to or you know the

691

00:26:00,950 --> 00:25:59,039

rights to use

692

00:26:02,630 --> 00:26:00,960

this video and produce anything he wants

693

00:26:04,310 --> 00:26:02,640

to so for the first time he's going to

694

00:26:06,549 --> 00:26:04,320

show clips of this footage and no one's

695

00:26:09,909 --> 00:26:06,559

ever seen this before so uh yeah they

696

00:26:12,870 --> 00:26:09,919

used a tiny bit in the james fox is his

697

00:26:14,230 --> 00:26:12,880

latest uh documentary but there's

698

00:26:16,950 --> 00:26:14,240

hours of it

699

00:26:18,789 --> 00:26:16,960

and lee's got it and you know we got it

700

00:26:21,510 --> 00:26:18,799

because he was the one who it was his

701
00:26:23,990 --> 00:26:21,520
idea and he organized the whole un

702
00:26:26,390 --> 00:26:24,000
presentation and so now he's got this

703
00:26:28,230 --> 00:26:26,400
amazing footage so it's going to be

704
00:26:30,310 --> 00:26:28,240
great to see it i mean like you said

705
00:26:32,149 --> 00:26:30,320
ryan it's one of your favorite events

706
00:26:34,390 --> 00:26:32,159
it's one of my favorite events very few

707
00:26:36,710 --> 00:26:34,400
people know about it even with all the

708
00:26:38,390 --> 00:26:36,720
fervor on this topic really no

709
00:26:40,789 --> 00:26:38,400
mainstream has really picked up this

710
00:26:42,630 --> 00:26:40,799
story to tell this story i hope that

711
00:26:45,110 --> 00:26:42,640
happens at some point

712
00:26:47,669 --> 00:26:45,120
but and uh not only is it an incredible

713
00:26:50,310 --> 00:26:47,679

thing lee spiegel by himself really made

714

00:26:52,789 --> 00:26:50,320

this all happen i mean it was his idea

715

00:26:55,350 --> 00:26:52,799

he sold it to him and then enlisted the

716

00:26:57,190 --> 00:26:55,360

help of valet and and heineken and

717

00:26:59,190 --> 00:26:57,200

spielberg we've got a video on open

718

00:27:01,830 --> 00:26:59,200

minds where he talks about how spielberg

719

00:27:04,710 --> 00:27:01,840

even helped a little bit right making it

720

00:27:07,110 --> 00:27:04,720

funny i i actually i watched the episode

721

00:27:10,789 --> 00:27:07,120

of the x-files recently where they talk

722

00:27:13,430 --> 00:27:10,799

about this u.n meeting with

723

00:27:15,029 --> 00:27:13,440

the ambassador of granada and i'm like

724

00:27:16,549 --> 00:27:15,039

freaking out

725

00:27:18,950 --> 00:27:16,559

like oh my god

726

00:27:21,350 --> 00:27:18,960

yeah i turned to jane my girlfriend and

727

00:27:22,549 --> 00:27:21,360

i was like jane lee spiegel

728

00:27:24,230 --> 00:27:22,559

that what they're talking about right

729

00:27:27,510 --> 00:27:24,240

now

730

00:27:29,350 --> 00:27:27,520

it was yeah we thought that was so great

731

00:27:31,350 --> 00:27:29,360

i sure hope he's seen it i'm sure he has

732

00:27:34,630 --> 00:27:31,360

but oh that was the last season wasn't

733

00:27:38,230 --> 00:27:34,640

it it was now i remember yeah

734

00:27:40,549 --> 00:27:38,240

episode i think yeah yeah it was it was

735

00:27:42,470 --> 00:27:40,559

it's so cool it's so cool it's crazy to

736

00:27:44,470 --> 00:27:42,480

think that you know these people we've

737

00:27:47,029 --> 00:27:44,480

known for years have

738

00:27:48,549 --> 00:27:47,039

their work has been put into pop culture

739

00:27:49,909 --> 00:27:48,559

you know again you look at people like

740

00:27:51,750 --> 00:27:49,919

heineck who

741

00:27:53,510 --> 00:27:51,760

ultimately became a part of close

742

00:27:56,470 --> 00:27:53,520

encounters of the third kind and then

743

00:27:59,830 --> 00:27:56,480

had a tv show about it it's just

744

00:28:01,430 --> 00:27:59,840

it's amazing how many people um

745

00:28:03,590 --> 00:28:01,440

whose lives have been touched by these

746

00:28:05,990 --> 00:28:03,600

people you know and the the hard work

747

00:28:07,830 --> 00:28:06,000

they've done and um that could be said

748

00:28:09,510 --> 00:28:07,840

for a couple of the other people you

749

00:28:12,950 --> 00:28:09,520

guys have let's let's group them

750

00:28:15,269 --> 00:28:12,960

together here we've got um uh we have

751

00:28:17,190 --> 00:28:15,279

part of me steve bassett and nick pope

752

00:28:20,950 --> 00:28:17,200

who are also going to be talking about

753

00:28:23,990 --> 00:28:20,960

um the government and disclosure as the

754

00:28:25,750 --> 00:28:24,000

two are very apt to do um but i know

755

00:28:27,750 --> 00:28:25,760

nick is going to be actually talking a

756

00:28:29,990 --> 00:28:27,760

little bit more about um

757

00:28:32,870 --> 00:28:30,000

what comes next you know we had this

758

00:28:35,110 --> 00:28:32,880

pentagon ufo report come out and you

759

00:28:37,990 --> 00:28:35,120

know whether you liked it or not it was

760

00:28:39,430 --> 00:28:38,000

a big deal so um yeah if you don't mind

761

00:28:41,350 --> 00:28:39,440

one of you guys um you want to talk a

762

00:28:43,269 --> 00:28:41,360

little about what nick and possibly

763

00:28:44,710 --> 00:28:43,279

steven bassett will be talking about as

764

00:28:46,710 --> 00:28:44,720

well

765

00:28:48,950 --> 00:28:46,720

yeah i could make just one quick comment

766

00:28:51,110 --> 00:28:48,960

and then uh it's just that you know both

767

00:28:53,510 --> 00:28:51,120

of these guys deserve a lot of credit as

768

00:28:56,070 --> 00:28:53,520

well in that you know a lot of what's

769

00:28:57,430 --> 00:28:56,080

going on right now is is related to what

770

00:29:00,389 --> 00:28:57,440

they've been working on for years of

771

00:29:03,029 --> 00:29:00,399

course steve bassett uh in washington dc

772

00:29:05,190 --> 00:29:03,039

lobbying to get information out and then

773

00:29:07,190 --> 00:29:05,200

nick pope i think you know when it comes

774

00:29:10,310 --> 00:29:07,200

to some of the government people that

775

00:29:13,510 --> 00:29:10,320

have real government work uh experience

776

00:29:15,350 --> 00:29:13,520

like let's say doctor or john alexander

777

00:29:18,389 --> 00:29:15,360

who was a colonel in the army looking

778

00:29:20,070 --> 00:29:18,399

into this paranormal stuff or nick pope

779

00:29:21,990 --> 00:29:20,080

nick pope guys has been right on the

780

00:29:23,990 --> 00:29:22,000

money the things that nick pope has

781

00:29:25,750 --> 00:29:24,000

talked about what is probably going on

782

00:29:28,230 --> 00:29:25,760

in the government how they may do this

783

00:29:31,190 --> 00:29:28,240

or that he's been right he's got great

784

00:29:33,269 --> 00:29:31,200

experience and he was the louis lozando

785

00:29:35,269 --> 00:29:33,279

he was our louis lozando for many many

786

00:29:37,110 --> 00:29:35,279

years of course he came out of the

787

00:29:40,549 --> 00:29:37,120

british government so americans don't

788

00:29:42,230 --> 00:29:40,559

get as excited um but that's what's

789

00:29:44,149 --> 00:29:42,240

really important about having these guys

790

00:29:45,990 --> 00:29:44,159

right now and and having nick talk about

791

00:29:47,990 --> 00:29:46,000

what's next because he's

792

00:29:49,830 --> 00:29:48,000

got you know he's one of the most

793

00:29:51,510 --> 00:29:49,840

educated on the topic to be able to

794

00:29:54,070 --> 00:29:51,520

discuss such things

795

00:29:55,990 --> 00:29:54,080

yep absolutely and then you know steve

796

00:29:58,230 --> 00:29:56,000

bassett obviously one of the most

797

00:30:00,549 --> 00:29:58,240

passionate speakers out there on

798

00:30:02,230 --> 00:30:00,559

disclosure fighting the good fight as

799

00:30:04,710 --> 00:30:02,240

always i assume this is what he'll be

800

00:30:06,870 --> 00:30:04,720

talking about yeah yeah good old steve

801
00:30:08,710 --> 00:30:06,880
with his passionate speeches i'm looking

802
00:30:10,710 --> 00:30:08,720
forward to another one so

803
00:30:13,669 --> 00:30:10,720
yep it's just like having you know

804
00:30:16,470 --> 00:30:13,679
leonard skinner play free bird for the 1

805
00:30:18,630 --> 00:30:16,480
millionth time

806
00:30:20,789 --> 00:30:18,640
he knows how to get your emotions going

807
00:30:22,870 --> 00:30:20,799
and get the crowd on his side for sure

808
00:30:25,350 --> 00:30:22,880
oh yeah he gets my blood pumping every

809
00:30:29,190 --> 00:30:25,360
time um well let i guess let's move a

810
00:30:31,269 --> 00:30:29,200
little to um the more human side of of

811
00:30:34,389 --> 00:30:31,279
the conference and that's the uh the

812
00:30:36,389 --> 00:30:34,399
experiencers you know something i'm very

813
00:30:38,710 --> 00:30:36,399

uh obviously

814

00:30:41,029 --> 00:30:38,720

in tune with um that's basically my work

815

00:30:43,669 --> 00:30:41,039

is with experiencers and i interviewed

816

00:30:46,310 --> 00:30:43,679

one of actually all three of the people

817

00:30:48,710 --> 00:30:46,320

talking about experiencers uh in your

818

00:30:50,950 --> 00:30:48,720

conference here but um nk crenda she's

819

00:30:53,590 --> 00:30:50,960

kind of new on the scene yeah um a

820

00:30:55,110 --> 00:30:53,600

younger person in the ufo field who i

821

00:30:59,029 --> 00:30:55,120

again had the pleasure of interviewing

822

00:31:01,909 --> 00:30:59,039

in my my most recent book and um really

823

00:31:04,549 --> 00:31:01,919

kind of taking the torch up and working

824

00:31:06,710 --> 00:31:04,559

with these people so yeah do either of

825

00:31:10,549 --> 00:31:06,720

you guys want to chat a little bit about

826

00:31:12,630 --> 00:31:10,559

what yvonne smith nk cranda and um of

827

00:31:15,909 --> 00:31:12,640

course kathleen martin will be speaking

828

00:31:18,870 --> 00:31:15,919

about sure yeah i mean we have yvonne

829

00:31:21,190 --> 00:31:18,880

and uh kathleen and nk all work with

830

00:31:22,789 --> 00:31:21,200

experiencers so they have that um you

831

00:31:24,630 --> 00:31:22,799

know more human side

832

00:31:26,710 --> 00:31:24,640

reporting other people's experiences and

833

00:31:29,350 --> 00:31:26,720

helping them through that trauma so it's

834

00:31:31,029 --> 00:31:29,360

a lot of talk about how you know what

835

00:31:33,590 --> 00:31:31,039

the experiences are feeling what they

836

00:31:36,230 --> 00:31:33,600

report how this affects their life

837

00:31:37,509 --> 00:31:36,240

and you know ways of coping with this so

838

00:31:39,430 --> 00:31:37,519

we're really happy to have them and we

839

00:31:41,430 --> 00:31:39,440

also have a couple other experiences

840

00:31:42,870 --> 00:31:41,440

eric mitchell who also works with

841

00:31:46,789 --> 00:31:42,880

experiencers

842

00:31:50,549 --> 00:31:46,799

matthew roberts and chris pittman was

843

00:31:52,389 --> 00:31:50,559

a ufo i'm sorry a mufon investigator he

844

00:31:53,909 --> 00:31:52,399

and he'd been on ancient aliens he wrote

845

00:31:55,830 --> 00:31:53,919

a book about the bridgewater triangle

846

00:31:58,470 --> 00:31:55,840

well he kind of pulled back

847

00:32:00,230 --> 00:31:58,480

out of the um

848

00:32:03,190 --> 00:32:00,240

out of the field for a while because he

849

00:32:04,870 --> 00:32:03,200

himself was becoming an experiencer of

850

00:32:06,630 --> 00:32:04,880

some really strange phenomena that kind

851

00:32:08,310 --> 00:32:06,640

of scared him actually

852

00:32:10,149 --> 00:32:08,320

so it was a

853

00:32:11,909 --> 00:32:10,159

he was a little bit wary and hesitant

854

00:32:14,470 --> 00:32:11,919

about coming back into the field but he

855

00:32:16,149 --> 00:32:14,480

agreed that he wanted to do it so

856

00:32:17,990 --> 00:32:16,159

um he's going to share what his

857

00:32:19,029 --> 00:32:18,000

experiences are going from an experience

858

00:32:25,029 --> 00:32:19,039

an

859

00:32:27,110 --> 00:32:25,039

i i happened but it did

860

00:32:28,630 --> 00:32:27,120

i i applaud anyone who's willing to do

861

00:32:31,830 --> 00:32:28,640

that because again the more you get into

862

00:32:34,710 --> 00:32:31,840

this field the more uh you know

863

00:32:36,789 --> 00:32:34,720

the more apt it is to happen you know in

864

00:32:37,669 --> 00:32:36,799

some way shape or form i mean it kind of

865

00:32:39,269 --> 00:32:37,679

just

866

00:32:41,269 --> 00:32:39,279

bridges i mean it kind of proves that

867

00:32:43,909 --> 00:32:41,279

there's some kind of bridge

868

00:32:45,590 --> 00:32:43,919

between ufology and consciousness

869

00:32:47,269 --> 00:32:45,600

we don't know what it is yet

870

00:32:49,269 --> 00:32:47,279

but and and all these things kind of

871

00:32:51,269 --> 00:32:49,279

overlap like the skinwalker ranch those

872

00:32:53,350 --> 00:32:51,279

people were having weird paranormal

873

00:32:55,669 --> 00:32:53,360

experiences even when they weren't there

874

00:32:56,789 --> 00:32:55,679

so this thing can follow you and attach

875

00:32:58,710 --> 00:32:56,799

and like

876

00:33:00,950 --> 00:32:58,720

it's just you know hopefully having a

877

00:33:03,029 --> 00:33:00,960

conference and having people together

878

00:33:04,310 --> 00:33:03,039

maybe you know it kind of can put these

879

00:33:06,549 --> 00:33:04,320

things together

880

00:33:08,149 --> 00:33:06,559

um at least it can relate things to you

881

00:33:11,029 --> 00:33:08,159

know from one to the other and people

882

00:33:12,070 --> 00:33:11,039

can start seeing it as one big phenomena

883

00:33:15,029 --> 00:33:12,080

instead of

884

00:33:17,909 --> 00:33:15,039

separate phenomena absolutely and um you

885

00:33:20,230 --> 00:33:17,919

did mention matthew roberts this is a

886

00:33:23,110 --> 00:33:20,240

this is a get i mean this guy has just

887

00:33:24,389 --> 00:33:23,120

recently come forward um and you know we

888

00:33:26,549 --> 00:33:24,399

all know about

889

00:33:29,269 --> 00:33:26,559

the people involved with the tic tac ufo

890

00:33:33,190 --> 00:33:29,279

event now um you know kevin day gary

891

00:33:35,909 --> 00:33:33,200

voorhees um obviously david fravor but

892

00:33:39,509 --> 00:33:35,919

you have the guy who was on the theodore

893

00:33:42,789 --> 00:33:39,519

roosevelt during the gimbal event and

894

00:33:45,350 --> 00:33:42,799

the go fast event so and i know that

895

00:33:47,590 --> 00:33:45,360

wasn't it for him his story continued so

896

00:33:49,909 --> 00:33:47,600

yeah are you excited about that one oh

897

00:33:51,590 --> 00:33:49,919

yeah i mean like once he he investigated

898

00:33:53,590 --> 00:33:51,600

it then things started happening to him

899

00:33:56,230 --> 00:33:53,600

and he started having these conscious

900

00:33:57,909 --> 00:33:56,240

consciousness episodes um where he would

901
00:33:59,590 --> 00:33:57,919

i'm not exactly sure

902
00:34:01,350 --> 00:33:59,600

what he experienced but

903
00:34:02,389 --> 00:34:01,360

it was a very strange experience and

904
00:34:03,669 --> 00:34:02,399

he's

905
00:34:05,669 --> 00:34:03,679

you know really wants to share it with

906
00:34:06,870 --> 00:34:05,679

us so we can understand it a little bit

907
00:34:09,589 --> 00:34:06,880

because i mean it was something he was

908
00:34:11,909 --> 00:34:09,599

completely you know was not expecting

909
00:34:14,149 --> 00:34:11,919

yeah exactly and i know you know even

910
00:34:16,389 --> 00:34:14,159

after being involved with those events

911
00:34:18,869 --> 00:34:16,399

he went on to work for the office of

912
00:34:22,389 --> 00:34:18,879

naval intelligence which we all know

913
00:34:24,470 --> 00:34:22,399

is like in charge of all the ufo stuff

914

00:34:25,669 --> 00:34:24,480

going on right now i mean

915

00:34:27,909 --> 00:34:25,679

maybe

916

00:34:29,990 --> 00:34:27,919

they know he's up there

917

00:34:31,510 --> 00:34:30,000

maybe the message they wanted to send or

918

00:34:32,950 --> 00:34:31,520

whatever you know information they

919

00:34:35,190 --> 00:34:32,960

wanted to

920

00:34:38,069 --> 00:34:35,200

uh transmit maybe they're using him as

921

00:34:40,230 --> 00:34:38,079

some kind of conduit yeah who knows

922

00:34:41,750 --> 00:34:40,240

he's an interesting guy i i had the

923

00:34:43,990 --> 00:34:41,760

pleasure of speaking with him and some

924

00:34:46,230 --> 00:34:44,000

of the stuff he said really really blew

925

00:34:48,629 --> 00:34:46,240

my mind so i'm looking forward to that

926
00:34:51,270 --> 00:34:48,639
um well let's talk about one of the most

927
00:34:53,669 --> 00:34:51,280
recent announcements you guys have made

928
00:34:57,430 --> 00:34:53,679
he is all over the headlines here in

929
00:34:59,109 --> 00:34:57,440
america and also in his homeland i would

930
00:35:02,630 --> 00:34:59,119
say of australia

931
00:35:05,829 --> 00:35:02,640
and that's ross colpart um so yeah tell

932
00:35:06,950 --> 00:35:05,839
us a little bit about ross and maybe um

933
00:35:09,030 --> 00:35:06,960
about what he's going to be talking

934
00:35:10,790 --> 00:35:09,040
about at the conference

935
00:35:12,390 --> 00:35:10,800
yeah well he's sort of a rock star back

936
00:35:15,109 --> 00:35:12,400
in australia he's

937
00:35:17,430 --> 00:35:15,119
produces films he's an author he's on

938
00:35:18,630 --> 00:35:17,440

the 60-minute show there he does

939

00:35:21,109 --> 00:35:18,640

different kind of

940

00:35:23,589 --> 00:35:21,119

special broadcasts of different things

941

00:35:25,270 --> 00:35:23,599

um and he just had a his new book is

942

00:35:28,390 --> 00:35:25,280

called in plain sight and it's going to

943

00:35:29,750 --> 00:35:28,400

be released next month um so we got him

944

00:35:31,510 --> 00:35:29,760

right at the right time before

945

00:35:33,109 --> 00:35:31,520

everything breaks through

946

00:35:35,349 --> 00:35:33,119

but uh he

947

00:35:38,790 --> 00:35:35,359

went you know decided he wanted to do a

948

00:35:39,990 --> 00:35:38,800

book after he did his film the ufo

949

00:35:43,430 --> 00:35:40,000

i want to say it right this time

950

00:35:45,589 --> 00:35:43,440

phenomena phenomenon

951
00:35:47,349 --> 00:35:45,599
i messed it up the other day but um you

952
00:35:49,990 --> 00:35:47,359
know he wanted to follow up with his

953
00:35:52,470 --> 00:35:50,000
book so he went and he um

954
00:35:55,589 --> 00:35:52,480
interviewed witnesses experiencers

955
00:35:57,750 --> 00:35:55,599
military supposedly um

956
00:36:00,550 --> 00:35:57,760
intelligence people intelligence

957
00:36:02,150 --> 00:36:00,560
anonymously so he's got a lot of uh

958
00:36:04,230 --> 00:36:02,160
really neat and things

959
00:36:07,349 --> 00:36:04,240
interviews and from people that no one's

960
00:36:08,630 --> 00:36:07,359
gotten so far so um it's sort of like

961
00:36:10,069 --> 00:36:08,640
you know it's really neat to be able to

962
00:36:11,510 --> 00:36:10,079
have someone in a different country in

963
00:36:13,430 --> 00:36:11,520

these stories that we would no not we

964

00:36:15,190 --> 00:36:13,440

wouldn't normally be able to get he's

965

00:36:16,870 --> 00:36:15,200

going to bring him to us

966

00:36:19,430 --> 00:36:16,880

and he got some really

967

00:36:21,430 --> 00:36:19,440

top secret stuff supposedly

968

00:36:23,430 --> 00:36:21,440

yeah i know there's some stuff that he

969

00:36:25,430 --> 00:36:23,440

hasn't really talked about in interviews

970

00:36:27,750 --> 00:36:25,440

which i'm sure will

971

00:36:30,550 --> 00:36:27,760

be you know sort of a special thing for

972

00:36:32,069 --> 00:36:30,560

those attending the congress as well and

973

00:36:34,710 --> 00:36:32,079

um off the record some of the things

974

00:36:37,030 --> 00:36:34,720

he's told me were pretty um

975

00:36:38,550 --> 00:36:37,040

pretty intense so i'm sure

976
00:36:40,550 --> 00:36:38,560
you know your attendees are gonna get a

977
00:36:42,230 --> 00:36:40,560
little piece of that at the conference

978
00:36:44,310 --> 00:36:42,240
as well and i know one of those people

979
00:36:45,589 --> 00:36:44,320
he interviewed for his documentary and

980
00:36:49,670 --> 00:36:45,599
book was

981
00:36:51,870 --> 00:36:49,680
the man of the decade it seems mr luis

982
00:36:56,069 --> 00:36:51,880
elizondo

983
00:37:01,589 --> 00:36:58,310
hey guys ryan spreck here when i'm not

984
00:37:04,230 --> 00:37:01,599
making podcasts i am listening to them

985
00:37:07,349 --> 00:37:04,240
seriously i'm obsessed and if there's

986
00:37:10,310 --> 00:37:07,359
one person and one show i turn to every

987
00:37:13,750 --> 00:37:10,320
week to hear stories of the strange the

988
00:37:17,109 --> 00:37:13,760

weird and the unexplained it's of course

989

00:37:20,230 --> 00:37:17,119

gotta be jim harold's campfire with over

990

00:37:23,270 --> 00:37:20,240

500 episodes den of geek called jim

991

00:37:25,990 --> 00:37:23,280

harold's campfire the best tool we have

992

00:37:28,870 --> 00:37:26,000

currently in existence to hear real-life

993

00:37:32,390 --> 00:37:28,880

scary stories from other human beings

994

00:37:35,109 --> 00:37:32,400

since the actual campfire was invented

995

00:37:37,589 --> 00:37:35,119

the concept is pretty simple jim talks

996

00:37:39,990 --> 00:37:37,599

to other regular folks and strange stuff

997

00:37:43,270 --> 00:37:40,000

that's happened to them and yes that

998

00:37:46,710 --> 00:37:43,280

includes ufos and uaps along with

999

00:37:49,030 --> 00:37:46,720

cryptids ghosts and true head scratching

1000

00:37:51,030 --> 00:37:49,040

mysteries one of my all-time favorite

1001

00:37:54,150 --> 00:37:51,040

stories is one where a woman almost

1002

00:37:56,230 --> 00:37:54,160

ended up being absorbed by a painting in

1003

00:37:58,390 --> 00:37:56,240

a mysterious bar that seemed like

1004

00:38:00,710 --> 00:37:58,400

something straight out of the twilight

1005

00:38:02,950 --> 00:38:00,720

zone or there's this story of a young

1006

00:38:05,589 --> 00:38:02,960

man who encountered a spider-like

1007

00:38:07,589 --> 00:38:05,599

creature with baby hands

1008

00:38:09,910 --> 00:38:07,599

then there's the story of a woman in

1009

00:38:12,630 --> 00:38:09,920

england who encountered what she thought

1010

00:38:15,510 --> 00:38:12,640

was a banshee only to suffer a horrible

1011

00:38:18,150 --> 00:38:15,520

tragedy only moments later

1012

00:38:21,190 --> 00:38:18,160

no not all of the stories in jim

1013

00:38:23,349 --> 00:38:21,200

harold's campfire are horrifying some

1014

00:38:26,069 --> 00:38:23,359

are actually pretty heartwarming like a

1015

00:38:28,790 --> 00:38:26,079

visit from a past loved one or a

1016

00:38:30,950 --> 00:38:28,800

peaceful near-death experience

1017

00:38:33,910 --> 00:38:30,960

regardless there are true and

1018

00:38:36,470 --> 00:38:33,920

fascinating stories told by ordinary

1019

00:38:38,069 --> 00:38:36,480

people who've had extraordinary

1020

00:38:41,670 --> 00:38:38,079

experiences

1021

00:38:44,470 --> 00:38:41,680

so pull up a virtual log get cozy and

1022

00:38:48,230 --> 00:38:44,480

tune in to jim harold's campfire

1023

00:38:50,069 --> 00:38:48,240

available on apple podcasts spotify or

1024

00:38:54,520 --> 00:38:50,079

wherever you listen to someone in the

1025

00:38:59,589 --> 00:38:57,109

[Music]

1026
00:39:01,510 --> 00:38:59,599
and i know he's not so much doing a you

1027
00:39:02,870 --> 00:39:01,520
know like a lecture but he's going to be

1028
00:39:03,829 --> 00:39:02,880
doing a special

1029
00:39:05,589 --> 00:39:03,839
uh

1030
00:39:07,910 --> 00:39:05,599
what is it karen he's doing something

1031
00:39:09,910 --> 00:39:07,920
with you right a dinner dinner cocktail

1032
00:39:12,870 --> 00:39:09,920
party yeah i mean we usually have our

1033
00:39:14,710 --> 00:39:12,880
wednesday night banquet right to know

1034
00:39:17,109 --> 00:39:14,720
the speakers kind of thing so this year

1035
00:39:18,310 --> 00:39:17,119
we were going to have lou um but even

1036
00:39:19,430 --> 00:39:18,320
though we're not going to be able to be

1037
00:39:21,589 --> 00:39:19,440
in person we're still going to have a

1038
00:39:23,670 --> 00:39:21,599

cocktail hour and he's still going to be

1039

00:39:25,349 --> 00:39:23,680

let's talk about what he's doing catch

1040

00:39:27,670 --> 00:39:25,359

us up on the most recent things he's

1041

00:39:30,710 --> 00:39:27,680

doing and then open it up to questions

1042

00:39:32,470 --> 00:39:30,720

and answers so uh if you get your ticket

1043

00:39:34,069 --> 00:39:32,480

you can get on the app and ask all these

1044

00:39:35,190 --> 00:39:34,079

questions that you've been wanting to

1045

00:39:37,829 --> 00:39:35,200

ask for

1046

00:39:40,630 --> 00:39:37,839

all this time to lou yeah and i know

1047

00:39:43,510 --> 00:39:40,640

people have them because he is a former

1048

00:39:45,190 --> 00:39:43,520

intelligence guy he knows how to uh work

1049

00:39:47,910 --> 00:39:45,200

his way around a question but i know

1050

00:39:49,670 --> 00:39:47,920

he's always so open and willing to talk

1051
00:39:51,829 --> 00:39:49,680
to people at the congress which is

1052
00:39:53,190 --> 00:39:51,839
awesome you know he i think he shares

1053
00:39:54,470 --> 00:39:53,200
what he can

1054
00:39:57,190 --> 00:39:54,480
yeah

1055
00:40:00,470 --> 00:39:57,200
especially now it's great that you know

1056
00:40:03,270 --> 00:40:00,480
we now have elizondo unleashed because

1057
00:40:05,750 --> 00:40:03,280
it took a lot of effort to get that i

1058
00:40:08,309 --> 00:40:05,760
think we had one of the very first you

1059
00:40:10,550 --> 00:40:08,319
know interviews at the congress with him

1060
00:40:12,630 --> 00:40:10,560
after everything went down

1061
00:40:15,270 --> 00:40:12,640
and it was so much work to make that

1062
00:40:17,829 --> 00:40:15,280
happen and negotiate that with uh to the

1063
00:40:19,990 --> 00:40:17,839

stars and everybody uh luckily we had a

1064

00:40:22,790 --> 00:40:20,000

relationship with them already

1065

00:40:24,790 --> 00:40:22,800

but uh it's nice now that he's kind of

1066

00:40:28,069 --> 00:40:24,800

elizondo unleashed he's out there doing

1067

00:40:30,870 --> 00:40:28,079

his own thing and uh he's really

1068

00:40:33,910 --> 00:40:30,880

you know embraced this community

1069

00:40:35,670 --> 00:40:33,920

um so it's it's nice yeah and i guess

1070

00:40:38,150 --> 00:40:35,680

he'll probably um update us on what's

1071

00:40:39,670 --> 00:40:38,160

going on with his uh

1072

00:40:41,349 --> 00:40:39,680

his lawsuit i guess you would call the

1073

00:40:43,670 --> 00:40:41,359

lawsuit against uh

1074

00:40:45,670 --> 00:40:43,680

the government about he feels like he he

1075

00:40:46,870 --> 00:40:45,680

was uh his name was kind of dragged

1076

00:40:49,030 --> 00:40:46,880

through the mud

1077

00:40:50,710 --> 00:40:49,040

and it was you know

1078

00:40:52,950 --> 00:40:50,720

that the way they filled was i was

1079

00:40:55,349 --> 00:40:52,960

attacked you know ryan you know you're

1080

00:40:58,630 --> 00:40:55,359

right in the mix of how heated it got

1081

00:41:00,630 --> 00:40:58,640

and if you supported elizondo and some

1082

00:41:02,069 --> 00:41:00,640

of those guys or if you just

1083

00:41:04,630 --> 00:41:02,079

and it wasn't i didn't feel i was

1084

00:41:07,349 --> 00:41:04,640

supporting him i felt i was reporting

1085

00:41:09,109 --> 00:41:07,359

and the evidence showed he was who he

1086

00:41:11,510 --> 00:41:09,119

said he was despite what the government

1087

00:41:12,790 --> 00:41:11,520

was saying uh or the pentagon was saying

1088

00:41:15,109 --> 00:41:12,800

about him

1089

00:41:17,190 --> 00:41:15,119

he and it and it you know during that

1090

00:41:19,430 --> 00:41:17,200

time he didn't have a lot of people on

1091

00:41:20,710 --> 00:41:19,440

the inside to talk to and karen and i

1092

00:41:22,550 --> 00:41:20,720

you know karen

1093

00:41:25,030 --> 00:41:22,560

we made friends with him and his wife

1094

00:41:26,950 --> 00:41:25,040

and and visited occasionally it really

1095

00:41:30,550 --> 00:41:26,960

took a toll on him it was really

1096

00:41:31,750 --> 00:41:30,560

difficult um you know having kids seeing

1097

00:41:33,910 --> 00:41:31,760

this stuff

1098

00:41:36,230 --> 00:41:33,920

and seeing mainstream media doubting and

1099

00:41:38,790 --> 00:41:36,240

thinking he's lying because the pentagon

1100

00:41:39,990 --> 00:41:38,800

was putting out wrong information and i

1101

00:41:42,069 --> 00:41:40,000

don't think they were doing that

1102

00:41:44,790 --> 00:41:42,079

innocently so

1103

00:41:47,349 --> 00:41:44,800

i think he definitely has a case in uh

1104

00:41:49,030 --> 00:41:47,359

in the public mind if not legally

1105

00:41:51,270 --> 00:41:49,040

that they you know did a lot of damage

1106

00:41:53,349 --> 00:41:51,280

to his reputation and uh and his

1107

00:41:55,750 --> 00:41:53,359

well-being um

1108

00:41:57,190 --> 00:41:55,760

by doing that and i think it was totally

1109

00:41:59,589 --> 00:41:57,200

i don't see any other way to see it

1110

00:42:00,870 --> 00:41:59,599

except for retaliation for him sharing

1111

00:42:03,670 --> 00:42:00,880

information they didn't want him to

1112

00:42:05,109 --> 00:42:03,680

share yeah they would not just none of

1113

00:42:08,470 --> 00:42:05,119

this would have come out without lou

1114

00:42:10,470 --> 00:42:08,480

elizondo he decided that this is what he

1115

00:42:11,910 --> 00:42:10,480

wanted to do and because he didn't he

1116

00:42:13,510 --> 00:42:11,920

thought you know there's these things we

1117

00:42:14,710 --> 00:42:13,520

don't know what they are i've talked to

1118

00:42:15,670 --> 00:42:14,720

the navy people they don't know what

1119

00:42:17,990 --> 00:42:15,680

they are

1120

00:42:20,630 --> 00:42:18,000

they out maneuver us and that is

1121

00:42:22,790 --> 00:42:20,640

something that we need to study i mean

1122

00:42:24,550 --> 00:42:22,800

why wouldn't you you know it's just i

1123

00:42:27,670 --> 00:42:24,560

think it's just fear we've been so

1124

00:42:29,270 --> 00:42:27,680

afraid of trying to uh

1125

00:42:31,750 --> 00:42:29,280

to delve into the subject when they know

1126

00:42:33,270 --> 00:42:31,760

we we are so far behind that we don't

1127

00:42:35,829 --> 00:42:33,280

even know what they're what it is of

1128

00:42:37,750 --> 00:42:35,839

course it's probably technology that

1129

00:42:39,670 --> 00:42:37,760

is beyond us but still

1130

00:42:42,710 --> 00:42:39,680

we need to know that there is something

1131

00:42:45,750 --> 00:42:42,720

out there and so it's all because of lou

1132

00:42:47,190 --> 00:42:45,760

yeah and i would again what i think is

1133

00:42:49,910 --> 00:42:47,200

really good about a lot of the people

1134

00:42:52,230 --> 00:42:49,920

you have speaking this year is these are

1135

00:42:54,710 --> 00:42:52,240

the people who are holding the

1136

00:42:56,630 --> 00:42:54,720

government accountable you know this

1137

00:42:59,030 --> 00:42:56,640

first assessment that they came out with

1138

00:43:01,349 --> 00:42:59,040

with the pentagon it was an assessment

1139

00:43:02,950 --> 00:43:01,359

and you know frankly it let down a lot

1140

00:43:05,270 --> 00:43:02,960

of people which i think was to be

1141

00:43:07,349 --> 00:43:05,280

expected but you know

1142

00:43:10,309 --> 00:43:07,359

they're not gonna just let this go

1143

00:43:13,430 --> 00:43:10,319

elizondo chris mellon brian bender like

1144

00:43:15,430 --> 00:43:13,440

their work in their reporting continues

1145

00:43:18,069 --> 00:43:15,440

after that because that's how we got

1146

00:43:20,230 --> 00:43:18,079

what we got were these tenacious

1147

00:43:21,990 --> 00:43:20,240

journalists like ross coldheart like

1148

00:43:23,670 --> 00:43:22,000

brian bender uh

1149

00:43:25,270 --> 00:43:23,680

you know putting them in the corner and

1150

00:43:27,349 --> 00:43:25,280

saying we're not gonna we're not gonna

1151

00:43:29,510 --> 00:43:27,359

let you go that easy so

1152

00:43:31,910 --> 00:43:29,520

yeah and now the congress is tasked with

1153

00:43:34,550 --> 00:43:31,920

they have to start you know they said we

1154

00:43:36,230 --> 00:43:34,560

want more investigations done so

1155

00:43:38,309 --> 00:43:36,240

that's what's supposed to happen

1156

00:43:40,550 --> 00:43:38,319

yeah and you know to your point i think

1157

00:43:42,390 --> 00:43:40,560

what's really exciting about and i think

1158

00:43:44,390 --> 00:43:42,400

as you guys can see you know because a

1159

00:43:45,910 --> 00:43:44,400

lot of people come to me i want to do

1160

00:43:47,510 --> 00:43:45,920

this with the congress i want to do that

1161

00:43:50,069 --> 00:43:47,520

with the congress and i tell them talk

1162

00:43:51,589 --> 00:43:50,079

to karen karen does this karen puts this

1163

00:43:54,470 --> 00:43:51,599

together people don't believe me they're

1164

00:43:56,630 --> 00:43:54,480

like no you're still the guy no karen's

1165

00:43:58,870 --> 00:43:56,640

a boss karen puts this together she's

1166

00:44:01,829 --> 00:43:58,880

the one who's put together this amazing

1167

00:44:04,069 --> 00:44:01,839

list this year last year year before you

1168

00:44:05,990 --> 00:44:04,079

know i get to make some suggestions but

1169

00:44:07,670 --> 00:44:06,000

i think that my point being that you

1170

00:44:09,030 --> 00:44:07,680

know first of all like as you can see

1171

00:44:11,030 --> 00:44:09,040

karen knows the topic because she's the

1172

00:44:12,710 --> 00:44:11,040

one who puts this together but i think

1173

00:44:14,550 --> 00:44:12,720

what's exciting about this time and

1174

00:44:18,470 --> 00:44:14,560

these speakers also is that we're seeing

1175

00:44:21,109 --> 00:44:18,480

kind of this unfurling um this blooming

1176

00:44:23,109 --> 00:44:21,119

going on where you know when i

1177

00:44:25,030 --> 00:44:23,119

interviewed chris melania and this is

1178

00:44:27,270 --> 00:44:25,040

why i really feel this story is

1179

00:44:29,270 --> 00:44:27,280

important that i wrote about how these

1180

00:44:32,150 --> 00:44:29,280

intelligence agencies all made this

1181

00:44:33,670 --> 00:44:32,160

happen chris mellon had a grand plan he

1182

00:44:35,990 --> 00:44:33,680

couldn't have done it without lou and

1183

00:44:38,550 --> 00:44:36,000

all these other steps coming to fruition

1184

00:44:41,109 --> 00:44:38,560

but i felt he really wanted me to

1185

00:44:43,670 --> 00:44:41,119

understand that there was a game plan

1186

00:44:45,510 --> 00:44:43,680

and there were to break those floodgates

1187

00:44:47,990 --> 00:44:45,520

what he needed to do

1188

00:44:50,470 --> 00:44:48,000

was to get it official on the record

1189

00:44:53,109 --> 00:44:50,480

what we all as researchers knew that the

1190

00:44:55,910 --> 00:44:53,119

military did take uap seriously and they

1191

00:44:57,910 --> 00:44:55,920

did investigate them so we needed lou to

1192

00:45:00,710 --> 00:44:57,920

come out and say this but then he needed

1193

00:45:01,829 --> 00:45:00,720

the government or to kind of take hold

1194

00:45:03,670 --> 00:45:01,839

also and

1195

00:45:06,069 --> 00:45:03,680

lo and behold

1196

00:45:08,950 --> 00:45:06,079

way quicker than they expected the navy

1197

00:45:11,510 --> 00:45:08,960

said okay we gotta fess up we do look at

1198

00:45:14,309 --> 00:45:11,520

these things we do take them seriously

1199

00:45:17,750 --> 00:45:14,319

that legally opened up the floodgates

1200

00:45:20,150 --> 00:45:17,760

legally and um kind of mentally also

1201
00:45:22,550 --> 00:45:20,160
in that you know now chris melling could

1202
00:45:24,950 --> 00:45:22,560
go to the people he worked with in the

1203
00:45:27,510 --> 00:45:24,960
senate and say look guys

1204
00:45:30,230 --> 00:45:27,520
navy has admitted this now they have

1205
00:45:33,349 --> 00:45:30,240
come forth and said this publicly

1206
00:45:35,270 --> 00:45:33,359
you all now have to do your job as far

1207
00:45:37,750 --> 00:45:35,280
as oversight on this to figure out

1208
00:45:41,510 --> 00:45:37,760
what's going on and that kind of

1209
00:45:43,670 --> 00:45:41,520
allowed the legal framework but it also

1210
00:45:47,349 --> 00:45:43,680
created another framework and that was

1211
00:45:50,309 --> 00:45:47,359
for all of mainstream mainstream science

1212
00:45:53,109 --> 00:45:50,319
and otherwise to now start to tip their

1213
00:45:54,950 --> 00:45:53,119

toes into this field and that's what

1214

00:45:57,910 --> 00:45:54,960

we're seeing we're seeing more and more

1215

00:46:00,870 --> 00:45:57,920

people coming forward abby loeb these

1216

00:46:02,710 --> 00:46:00,880

other phds that we've been talking about

1217

00:46:03,670 --> 00:46:02,720

brian bender

1218

00:46:06,309 --> 00:46:03,680

you know

1219

00:46:08,630 --> 00:46:06,319

now they're starting to get slowly get

1220

00:46:10,470 --> 00:46:08,640

involved and that's what i think is

1221

00:46:13,190 --> 00:46:10,480

exciting that we're going to continue to

1222

00:46:14,470 --> 00:46:13,200

watch is these people get involved and

1223

00:46:16,390 --> 00:46:14,480

start to share

1224

00:46:18,390 --> 00:46:16,400

last year we had kevin knuth i know

1225

00:46:21,030 --> 00:46:18,400

you've interviewed him another physicist

1226
00:46:23,030 --> 00:46:21,040
who's i think shared some amazing stuff

1227
00:46:25,589 --> 00:46:23,040
and this is get what's getting really

1228
00:46:27,829 --> 00:46:25,599
exciting is as more of this starts to

1229
00:46:29,190 --> 00:46:27,839
continue to happen and that's what i'm

1230
00:46:31,349 --> 00:46:29,200
really excited about with this

1231
00:46:33,030 --> 00:46:31,359
conference to have these people who have

1232
00:46:34,630 --> 00:46:33,040
been starting to get involved share what

1233
00:46:35,430 --> 00:46:34,640
they've they've discovered or what they

1234
00:46:38,950 --> 00:46:35,440
think

1235
00:46:41,190 --> 00:46:38,960
conversation

1236
00:46:42,470 --> 00:46:41,200
within you know the

1237
00:46:45,510 --> 00:46:42,480
mainstream

1238
00:46:47,750 --> 00:46:45,520

has opened up so much and i think it is

1239

00:46:50,390 --> 00:46:47,760

making like you said alejandro not only

1240

00:46:53,109 --> 00:46:50,400

congress members or people in government

1241

00:46:55,829 --> 00:46:53,119

but the mainstream scientific community

1242

00:46:58,390 --> 00:46:55,839

more open and willing to talk about this

1243

00:47:00,710 --> 00:46:58,400

which is awesome you know kevin and and

1244

00:47:04,069 --> 00:47:00,720

everyone over there at expedition

1245

00:47:07,670 --> 00:47:04,079

uh x uapx or you've got the scientific

1246

00:47:10,630 --> 00:47:07,680

coalition for uap studies with over 50

1247

00:47:11,670 --> 00:47:10,640

scientists and you know people who are

1248

00:47:15,349 --> 00:47:11,680

ready

1249

00:47:17,990 --> 00:47:15,359

to say like use us government use us if

1250

00:47:20,150 --> 00:47:18,000

you really want to do science with this

1251
00:47:22,470 --> 00:47:20,160
topic we're here and we're willing to

1252
00:47:24,230 --> 00:47:22,480
work with you so i'd love to see this

1253
00:47:26,790 --> 00:47:24,240
convergence of the scientific community

1254
00:47:30,150 --> 00:47:26,800
finally getting involved governmentally

1255
00:47:32,549 --> 00:47:30,160
and um and hey i think that's

1256
00:47:33,829 --> 00:47:32,559
one part of the congress and then you've

1257
00:47:36,470 --> 00:47:33,839
got this other part with the

1258
00:47:39,030 --> 00:47:36,480
experiencers and those who have had uh

1259
00:47:41,190 --> 00:47:39,040
paranormal phenomena which is what we

1260
00:47:43,030 --> 00:47:41,200
will hopefully get to eventually within

1261
00:47:44,309 --> 00:47:43,040
government you know now we're dealing

1262
00:47:45,990 --> 00:47:44,319
with very

1263
00:47:48,549 --> 00:47:46,000

nuts and bolts

1264

00:47:50,230 --> 00:47:48,559

craft being monitored by our military

1265

00:47:52,390 --> 00:47:50,240

and that's a huge step that they're

1266

00:47:54,630 --> 00:47:52,400

willing to acknowledge that and as the

1267

00:47:55,670 --> 00:47:54,640

years go on all we can hope for is

1268

00:47:57,030 --> 00:47:55,680

finally

1269

00:48:00,069 --> 00:47:57,040

abductions will be a part of that

1270

00:48:01,990 --> 00:48:00,079

conversation right encounters you know

1271

00:48:04,950 --> 00:48:02,000

this evolution in

1272

00:48:09,990 --> 00:48:04,960

acknowledgement i hope at least right

1273

00:48:11,829 --> 00:48:10,000

right yeah i mean there's such a huge um

1274

00:48:14,309 --> 00:48:11,839

unknown factor out there

1275

00:48:17,349 --> 00:48:14,319

when we went to alien con

1276

00:48:19,270 --> 00:48:17,359

in baltimore and in la there was huge

1277

00:48:21,109 --> 00:48:19,280

amounts of numbers of people that came

1278

00:48:22,630 --> 00:48:21,119

that showed up that watched that show

1279

00:48:24,630 --> 00:48:22,640

that are into this subject but they're

1280

00:48:25,510 --> 00:48:24,640

they're not they've never

1281

00:48:27,030 --> 00:48:25,520

voiced

1282

00:48:28,950 --> 00:48:27,040

that this is something that they're

1283

00:48:30,470 --> 00:48:28,960

interested in they came to our table and

1284

00:48:31,910 --> 00:48:30,480

they were like i've never been to

1285

00:48:34,230 --> 00:48:31,920

anything like this before i don't even

1286

00:48:35,910 --> 00:48:34,240

tell anybody i watched ancient aliens

1287

00:48:38,230 --> 00:48:35,920

well there's a ton of people that are

1288

00:48:39,829 --> 00:48:38,240

into this interested in this subject so

1289

00:48:41,430 --> 00:48:39,839

i think you know the people are going to

1290

00:48:44,630 --> 00:48:41,440

push it and they're going to want to

1291

00:48:47,510 --> 00:48:44,640

expose yeah yeah and i i i you know what

1292

00:48:48,390 --> 00:48:47,520

your comment makes me think of uh is

1293

00:48:50,790 --> 00:48:48,400

this

1294

00:48:52,069 --> 00:48:50,800

documentary series coming out by dean

1295

00:48:53,589 --> 00:48:52,079

eliot

1296

00:48:55,510 --> 00:48:53,599

we were hoping that he would have an

1297

00:48:58,470 --> 00:48:55,520

episode ready for the conference but

1298

00:49:00,870 --> 00:48:58,480

he's not yet but uh you know he's

1299

00:49:02,630 --> 00:49:00,880

working on something that is right up

1300

00:49:05,349 --> 00:49:02,640

the alley of what you're talking about

1301

00:49:07,270 --> 00:49:05,359

it's the evolution of okay we're talking

1302

00:49:10,069 --> 00:49:07,280

about all of these topics but what about

1303

00:49:11,670 --> 00:49:10,079

this stuff going on and he just

1304

00:49:13,510 --> 00:49:11,680

brilliantly

1305

00:49:15,430 --> 00:49:13,520

excellently

1306

00:49:16,390 --> 00:49:15,440

brings people

1307

00:49:19,430 --> 00:49:16,400

there

1308

00:49:20,870 --> 00:49:19,440

uh in a very credible way and i can't

1309

00:49:23,430 --> 00:49:20,880

wait for people to see it because it's

1310

00:49:26,150 --> 00:49:23,440

just incredible yeah there's no reason

1311

00:49:28,309 --> 00:49:26,160

to get that conversation going yeah

1312

00:49:31,190 --> 00:49:28,319

exactly um well

1313

00:49:32,870 --> 00:49:31,200

you did mention dean let's talk about uh

1314

00:49:35,430 --> 00:49:32,880

the film festival if you don't mind

1315

00:49:39,750 --> 00:49:35,440

karen um i i know submissions are still

1316

00:49:45,270 --> 00:49:42,150

bring them in send them you can go to

1317

00:49:47,589 --> 00:49:45,280

the website www.ufo

1318

00:49:50,230 --> 00:49:47,599

go to the um film festival tab at the

1319

00:49:51,910 --> 00:49:50,240

top of the page and in the directions

1320

00:49:53,910 --> 00:49:51,920

and where to send your films and how to

1321

00:49:55,670 --> 00:49:53,920

do that right there on that page so

1322

00:49:59,030 --> 00:49:55,680

we're still accepting submissions so if

1323

00:50:00,230 --> 00:49:59,040

you have any um send them in and also

1324

00:50:02,910 --> 00:50:00,240

that's also where you would get your

1325

00:50:05,030 --> 00:50:02,920

tickets um

1326

00:50:06,710 --> 00:50:05,040

www.ufocongress.com you can buy a ticket

1327

00:50:08,390 --> 00:50:06,720

to the conference you can also buy your

1328

00:50:12,549 --> 00:50:08,400

virtual booth ticket there if you're a

1329

00:50:14,150 --> 00:50:12,559

vendor um and you want to get your uh

1330

00:50:16,069 --> 00:50:14,160

you want to get your booth up there did

1331

00:50:17,910 --> 00:50:16,079

i show that already the exhibitor yeah i

1332

00:50:20,309 --> 00:50:17,920

think i did yeah yeah yeah we'll be on

1333

00:50:21,750 --> 00:50:20,319

there if you get a booth you'll be on

1334

00:50:23,589 --> 00:50:21,760

our website and you'll also be up there

1335

00:50:25,589 --> 00:50:23,599

for six months so it's six months of

1336

00:50:27,109 --> 00:50:25,599

advertising basically and that's just a

1337

00:50:28,390 --> 00:50:27,119

million dollars so

1338

00:50:29,670 --> 00:50:28,400

and i don't want to have that we are

1339

00:50:31,190 --> 00:50:29,680

going to have some panels we're going to

1340

00:50:32,390 --> 00:50:31,200

have an experience or panel like we

1341

00:50:34,390 --> 00:50:32,400

usually do

1342

00:50:35,990 --> 00:50:34,400

um so that'll have the experiences on

1343

00:50:38,470 --> 00:50:36,000

there we're also going to have

1344

00:50:40,630 --> 00:50:38,480

um like you said ben and mark talking

1345

00:50:42,069 --> 00:50:40,640

about their new show we're going to have

1346

00:50:45,750 --> 00:50:42,079

the debrief

1347

00:50:47,510 --> 00:50:45,760

guys that's tim mcmillan mj banayas and

1348

00:50:49,430 --> 00:50:47,520

micah hanks they're going to have a

1349

00:50:52,549 --> 00:50:49,440

panel and update us on what they've been

1350

00:50:55,270 --> 00:50:52,559

uncovering they they have a website and

1351
00:50:58,870 --> 00:50:55,280
they have all sorts of different um

1352
00:51:01,829 --> 00:50:58,880
articles about space and ufos so you'll

1353
00:51:03,270 --> 00:51:01,839
be want to catch that and there was

1354
00:51:05,349 --> 00:51:03,280
another one

1355
00:51:06,790 --> 00:51:05,359
well there's gonna be more panels so we

1356
00:51:08,309 --> 00:51:06,800
like to combine all the people the

1357
00:51:10,390 --> 00:51:08,319
speakers together in different ways to

1358
00:51:12,230 --> 00:51:10,400
come up with really neat panels and have

1359
00:51:14,069 --> 00:51:12,240
people interact with each other yeah

1360
00:51:15,990 --> 00:51:14,079
it's like the all-stars i love those

1361
00:51:18,150 --> 00:51:16,000
panels they can get heated sometimes

1362
00:51:20,150 --> 00:51:18,160
which is what you want though nothing

1363
00:51:25,829 --> 00:51:20,160

like what you want

1364

00:51:29,910 --> 00:51:27,750

that's my goal is to bring up the

1365

00:51:32,150 --> 00:51:29,920

controversial topics hopefully in a way

1366

00:51:35,030 --> 00:51:32,160

that we could talk civilly about these

1367

00:51:36,470 --> 00:51:35,040

things but you know to talk about hey

1368

00:51:39,190 --> 00:51:36,480

you believe this

1369

00:51:39,990 --> 00:51:39,200

and you believe that and as people that

1370

00:51:44,470 --> 00:51:40,000

are

1371

00:51:46,470 --> 00:51:44,480

topic let's talk about that why do you

1372

00:51:48,390 --> 00:51:46,480

believe something differently and and

1373

00:51:51,190 --> 00:51:48,400

where is the common ground and there

1374

00:51:53,109 --> 00:51:51,200

often is common ground and uh i think

1375

00:51:56,069 --> 00:51:53,119

that's fun and it makes it you know more

1376

00:51:57,829 --> 00:51:56,079

of a cohesive kind of community uh i

1377

00:51:59,510 --> 00:51:57,839

think when we can start to do this

1378

00:52:02,230 --> 00:51:59,520

because you that's what kind of creates

1379

00:52:04,230 --> 00:52:02,240

bonds when you're on stage and you have

1380

00:52:04,950 --> 00:52:04,240

an experience especially at experience

1381

00:52:08,069 --> 00:52:04,960

that

1382

00:52:09,910 --> 00:52:08,079

emotes some emotion you know then you're

1383

00:52:12,470 --> 00:52:09,920

like wow you know we've we've really

1384

00:52:14,790 --> 00:52:12,480

shared an experience together so

1385

00:52:16,790 --> 00:52:14,800

um yeah that is a lot of fun

1386

00:52:18,790 --> 00:52:16,800

absolutely and some of my greatest

1387

00:52:20,390 --> 00:52:18,800

memories have always come from the

1388

00:52:22,230 --> 00:52:20,400

congress and some of the

1389

00:52:23,589 --> 00:52:22,240

some of the um you know the most

1390

00:52:25,990 --> 00:52:23,599

enlightening

1391

00:52:28,470 --> 00:52:26,000

uh information i've learned in this

1392

00:52:31,430 --> 00:52:28,480

field has come from the congress so i

1393

00:52:33,829 --> 00:52:31,440

can't wait for it i i wish i could be

1394

00:52:36,150 --> 00:52:33,839

backstage with you guys but i will be

1395

00:52:38,710 --> 00:52:36,160

backstage in spirit and i will

1396

00:52:41,589 --> 00:52:38,720

definitely be attending but uh one more

1397

00:52:43,589 --> 00:52:41,599

time uh can you guys give us the website

1398

00:52:45,670 --> 00:52:43,599

and uh yeah any last words you want to

1399

00:52:48,470 --> 00:52:45,680

get before we wrap things up

1400

00:52:50,950 --> 00:52:48,480

i just wanted to say that 10 years ago

1401
00:52:52,309 --> 00:52:50,960
at the 2011 ufo conference was my first

1402
00:52:53,510 --> 00:52:52,319
conference ever and i didn't know a

1403
00:52:55,510 --> 00:52:53,520
single soul

1404
00:52:58,630 --> 00:52:55,520
so you can see where how my evolution

1405
00:53:00,069 --> 00:52:58,640
went wow nothing very uh

1406
00:53:00,950 --> 00:53:00,079
i'll have to share that story someday

1407
00:53:02,309 --> 00:53:00,960
but there's a lot of these

1408
00:53:05,670 --> 00:53:02,319
synchronicities and these things that

1409
00:53:07,510 --> 00:53:05,680
just happened that got me to this place

1410
00:53:09,910 --> 00:53:07,520
i don't know why but it happened so it's

1411
00:53:11,589 --> 00:53:09,920
kind of i feel like i was meant to to be

1412
00:53:13,030 --> 00:53:11,599
here and to do this and present this

1413
00:53:15,510 --> 00:53:13,040

information to people

1414

00:53:17,430 --> 00:53:15,520

um i want to make a comment and then i

1415

00:53:19,349 --> 00:53:17,440

want karen to wrap it up because karen

1416

00:53:21,109 --> 00:53:19,359

should can share all that where to go

1417

00:53:21,910 --> 00:53:21,119

and everything and put the last word in

1418

00:53:24,230 --> 00:53:21,920

there

1419

00:53:25,990 --> 00:53:24,240

but because she's worked so hard on

1420

00:53:27,589 --> 00:53:26,000

making all of this happen

1421

00:53:28,950 --> 00:53:27,599

uh but

1422

00:53:31,670 --> 00:53:28,960

you know what's great about the

1423

00:53:33,190 --> 00:53:31,680

conference uh and i think you know to

1424

00:53:35,349 --> 00:53:33,200

remind people

1425

00:53:37,990 --> 00:53:35,359

is that the congress and i think you

1426

00:53:39,829 --> 00:53:38,000

know uh you can agree ryan

1427

00:53:41,910 --> 00:53:39,839

it's always been kind of a pacesetter

1428

00:53:43,190 --> 00:53:41,920

for the year what the topics are going

1429

00:53:44,870 --> 00:53:43,200

to be what people are going to be

1430

00:53:46,549 --> 00:53:44,880

talking about because we do bring them

1431

00:53:48,230 --> 00:53:46,559

in we try to get them to talk about

1432

00:53:50,710 --> 00:53:48,240

their most exciting stuff and get those

1433

00:53:54,230 --> 00:53:50,720

controversies going but to discuss in a

1434

00:53:55,910 --> 00:53:54,240

more um you know civil manner and also

1435

00:53:57,910 --> 00:53:55,920

to bring people who you may not have

1436

00:54:00,230 --> 00:53:57,920

heard of but have great information to

1437

00:54:03,030 --> 00:54:00,240

share like we've gone over some of these

1438

00:54:05,750 --> 00:54:03,040

people so it definitely is a community

1439

00:54:07,030 --> 00:54:05,760

thing it is a community feel so some

1440

00:54:09,270 --> 00:54:07,040

people think oh you have to be there

1441

00:54:11,190 --> 00:54:09,280

physically not necessarily when you're

1442

00:54:13,349 --> 00:54:11,200

getting there together the excitement's

1443

00:54:14,630 --> 00:54:13,359

there the excitements in the chat rooms

1444

00:54:16,549 --> 00:54:14,640

and everything

1445

00:54:18,470 --> 00:54:16,559

so i just implore people to join us

1446

00:54:21,030 --> 00:54:18,480

because it is a lot of fun when people

1447

00:54:22,710 --> 00:54:21,040

are real time and you can attest to this

1448

00:54:24,390 --> 00:54:22,720

too ryan you know doing these live

1449

00:54:26,230 --> 00:54:24,400

streams and everything there's something

1450

00:54:27,910 --> 00:54:26,240

to it it's exciting when something's

1451

00:54:30,230 --> 00:54:27,920

live and you're there live and you can

1452

00:54:32,630 --> 00:54:30,240

ask your questions real time and

1453

00:54:35,190 --> 00:54:32,640

interact real time so you know i hope

1454

00:54:37,109 --> 00:54:35,200

people uh do join us

1455

00:54:39,750 --> 00:54:37,119

it's totally worth it and it'll be a lot

1456

00:54:42,230 --> 00:54:39,760

of fun yeah and i should add this was my

1457

00:54:44,710 --> 00:54:42,240

first conference i ever spoke at you

1458

00:54:46,950 --> 00:54:44,720

guys gave me a chance and i was a nobody

1459

00:54:49,030 --> 00:54:46,960

i didn't you know i had i had my book

1460

00:54:49,910 --> 00:54:49,040

out and

1461

00:54:53,270 --> 00:54:49,920

you know

1462
