100

00:04:57,909 --> 00:04:56,080

in the ufo field uh in the best of ways

101

00:04:59,670 --> 00:04:57,919

184

00:08:34,550 --> 00:08:31,440

graeme rendell is an avid world war ii

185

00:08:35,589 --> 00:08:34,560

researcher and ufologist and he just put

186

00:08:39,909 --> 00:08:35,599

out

187

00:08:41,430 --> 00:08:39,919

i'm just trying to pull up the book if i

188

00:08:43,750 --> 00:08:41,440

can get it real quick it's called ufos

189

00:08:46,389 --> 00:08:43,760

before roswell european foo fighters

190

00:08:47,990 --> 00:08:46,399

1940 to 1945 and one of the most

191

00:08:49,750 --> 00:08:48,000

fascinating things i think that came out

192

00:08:52,070 --> 00:08:49,760

of this conversation

193

00:08:54,710 --> 00:08:52,080

were the amount of things that people

194

00:08:55,670 --> 00:08:54,720

have tried to chalk up the foo fighters

195

00:08:58,470 --> 00:08:55,680

too

196

00:08:59,829 --> 00:08:58,480

uh and so he does a pretty spectacular

197

00:09:02,470 --> 00:08:59,839

job

198

00:09:04,230 --> 00:09:02,480

of debunking a lot of these theories and

199

00:09:05,110 --> 00:09:04,240

hypotheses about what they were because

200

00:09:06,870 --> 00:09:05,120

there's

201
00:09:09,030 --> 00:09:06,880
so little

202
00:09:11,269 --> 00:09:09,040
uh foundation in reality for what a lot

203
00:09:13,430 --> 00:09:11,279
of these folks are saying or he's

204
00:09:15,829 --> 00:09:13,440
basically debunking the debunkers which

205
00:09:17,750 --> 00:09:15,839
is which is pretty fascinating

206
00:09:20,470 --> 00:09:17,760
i love it i love it and again it's an

207
00:09:22,150 --> 00:09:20,480
era of uh this phenomenon that gets

208
00:09:24,790 --> 00:09:22,160
overlooked a lot you know whenever

209
00:09:26,710 --> 00:09:24,800
whenever any ufo documentary starts or

210
00:09:28,870 --> 00:09:26,720
whatever it's always kenneth arnold

211
00:09:31,750 --> 00:09:28,880
first or if they do mention the foo

212
00:09:34,710 --> 00:09:31,760
fighters it's super you know

213
00:09:37,350 --> 00:09:34,720

five seconds of it and and that's it and

214

00:09:39,190 --> 00:09:37,360

it's um you know so i i'm so happy to

215

00:09:40,389 --> 00:09:39,200

see this yeah rather please so yeah i

216

00:09:42,790 --> 00:09:40,399

mean even when they do mention the few

217

00:09:44,870 --> 00:09:42,800

fighters it's all usa foo fighters the

218

00:09:47,269 --> 00:09:44,880

american force right uh and graham went

219

00:09:48,870 --> 00:09:47,279

and like found the british air force

220

00:09:51,829 --> 00:09:48,880

records and was scraping through them

221

00:09:54,389 --> 00:09:51,839

and found new novel reports that are are

222

00:09:57,590 --> 00:09:54,399

fascinating cases where the pilots were

223

00:09:58,710 --> 00:09:57,600

shooting at these foo fighters and saw

224

00:09:59,910 --> 00:09:58,720

the bullets

225

00:10:02,310 --> 00:09:59,920

hit to

226

00:10:03,750 --> 00:10:02,320

literally no effect uh yeah i haven't

227

00:10:05,269 --> 00:10:03,760

actually read the full book yet but i'm

228

00:10:07,910 --> 00:10:05,279

really really dying to i think it's

229

00:10:10,470 --> 00:10:07,920

going to be it sounds really interesting

230

00:10:12,069 --> 00:10:10,480

it does and lou welcome my man hey

231

00:10:13,990 --> 00:10:12,079

thanks for having me

232

00:10:15,350 --> 00:10:14,000

yeah of course i did see your little box

233

00:10:18,389 --> 00:10:15,360

down there and i was like oh he's

234

00:10:20,470 --> 00:10:18,399

probably um you know resetting as it

235

00:10:22,790 --> 00:10:20,480

were and i'm like oh there it is

236

00:10:25,030 --> 00:10:22,800

um john thank you so much for the super

237

00:10:27,269 --> 00:10:25,040

sticker brother i really appreciate that

238

00:10:29,190 --> 00:10:27,279

um we'll be doing that all night guys if

239

00:10:31,829 --> 00:10:29,200

you want to help out the show we'll put

240

00:10:34,790 --> 00:10:31,839

your questions up there um there was one

241

00:10:37,430 --> 00:10:34,800

oh um over on your show um

242

00:10:39,509 --> 00:10:37,440

i i wanted to know and maybe graham can

243

00:10:41,110 --> 00:10:39,519

answer in the chat here uh if he

244

00:10:43,350 --> 00:10:41,120

actually is a fan of the foo fighters

245

00:10:46,389 --> 00:10:43,360

band were you guys able to ask him that

246

00:10:48,150 --> 00:10:46,399

we well so i put your question on the

247

00:10:49,670 --> 00:10:48,160

screen while he was there while he was

248

00:10:53,350 --> 00:10:49,680

in there we didn't ask him but when i

249

00:10:57,430 --> 00:10:55,910

so he was okay wow

250

00:10:59,269 --> 00:10:57,440

come on how can you not like him yeah

251
00:11:01,190 --> 00:10:59,279
how could you not like the foo fighters

252
00:11:03,590 --> 00:11:01,200
i know i don't know especially just for

253
00:11:05,829 --> 00:11:03,600
the name alone i remember

254
00:11:07,829 --> 00:11:05,839
you know hearing that that's that's

255
00:11:09,509 --> 00:11:07,839
obviously where they got their name from

256
00:11:11,430 --> 00:11:09,519
and they did like a special concert in

257
00:11:13,190 --> 00:11:11,440
roswell and whatnot where they kind of

258
00:11:14,949 --> 00:11:13,200
talked about the history and the the

259
00:11:17,910 --> 00:11:14,959
inception of the name of the band which

260
00:11:19,990 --> 00:11:17,920
is pretty cool um and i actually for the

261
00:11:22,069 --> 00:11:20,000
first time ever got to see them they

262
00:11:24,630 --> 00:11:22,079
came and played at city field here in

263
00:11:27,269 --> 00:11:24,640

new york and it was the um the era where

264

00:11:30,389 --> 00:11:27,279

dave girl had like broken his leg and he

265

00:11:33,910 --> 00:11:30,399

like he did the full tour with a broken

266

00:11:35,910 --> 00:11:33,920

leg but he sat in this throne just made

267

00:11:37,750 --> 00:11:35,920

of guitars it was the coolest thing i

268

00:11:38,790 --> 00:11:37,760

remember that ever seen

269

00:11:40,710 --> 00:11:38,800

yeah

270

00:11:43,750 --> 00:11:40,720

we're gonna cancel the tour

271

00:11:45,750 --> 00:11:43,760

yeah yeah graham was probably a fan of

272

00:11:48,230 --> 00:11:45,760

nirvana i feel like to

273

00:11:53,990 --> 00:11:48,240

dislike foo fighters it's like maybe

274

00:11:59,670 --> 00:11:57,110

mainstream yeah that'll be my theory

275

00:12:02,389 --> 00:11:59,680

yeah you're just here he is here

276

00:12:05,590 --> 00:12:02,399

i think you're right i'm a 70s and 80s

277

00:12:13,350 --> 00:12:07,509

he's a wild guess

278

00:12:18,069 --> 00:12:15,509

i bet it's the clash

279

00:12:20,629 --> 00:12:18,079

he's really into i'm just taking a guess

280

00:12:22,550 --> 00:12:20,639

because i'm a i just bought every single

281

00:12:25,590 --> 00:12:22,560

album of the clash and i've been binging

282

00:12:28,389 --> 00:12:25,600

the clash so hard um i think it's the

283

00:12:30,230 --> 00:12:28,399

best band that ever maybe ever lived uh

284

00:12:32,389 --> 00:12:30,240

but you can call in baby

285

00:12:34,150 --> 00:12:32,399

i wonder if graham's into the smith or

286

00:12:48,230 --> 00:12:34,160

the cure

287

00:12:51,050 --> 00:12:49,350

we're going to get a lot of shameless

288

00:12:54,310 --> 00:12:51,060

plugs

289

00:12:57,910 --> 00:12:54,320

[Laughter]

290

00:13:00,470 --> 00:12:57,920

um michael hello alien bookstore or boca

291

00:13:03,110 --> 00:13:00,480

face sorry alien brokenness that's an

292

00:13:07,190 --> 00:13:05,670

um i was gonna say flocka sequels um

293

00:13:09,430 --> 00:13:07,200

graham let us know brother who were your

294

00:13:10,389 --> 00:13:09,440

favorite bands um we have to well

295

00:13:12,790 --> 00:13:10,399

awesome

296

00:13:14,470 --> 00:13:12,800

so you guys had grandma today i can't

297

00:13:16,629 --> 00:13:14,480

wait to get the book i already ordered

298

00:13:20,150 --> 00:13:16,639

it's in the mail um but let's talk a

299

00:13:21,990 --> 00:13:20,160

little about um jane first i know you

300

00:13:24,389 --> 00:13:22,000

recently interviewed mick west who i'm

301

00:13:25,670 --> 00:13:24,399

going to be interviewing this sunday

302

00:13:27,990 --> 00:13:25,680

again if you guys want to get your

303

00:13:30,389 --> 00:13:28,000

question in questions in somewhere in

304

00:13:32,949 --> 00:13:30,399

the skies.com contact tab send them to

305

00:13:35,350 --> 00:13:32,959

me um but how'd it go i i was able to

306

00:13:37,030 --> 00:13:35,360

catch most of it but um what what was

307

00:13:39,189 --> 00:13:37,040

that experience well i thought it went

308

00:13:41,670 --> 00:13:39,199

really well i was really nervous clerp

309

00:13:44,150 --> 00:13:41,680

the alien moderates the chat and i was

310

00:13:46,310 --> 00:13:44,160

nervous he'd have to kick people out

311

00:13:47,750 --> 00:13:46,320

for a lot of people would unsubscribe

312

00:13:50,470 --> 00:13:47,760

because when i first announced that i

313

00:13:52,790 --> 00:13:50,480

was having mcquest on there was a lot of

314

00:13:55,509 --> 00:13:52,800

negative comments like i have nothing to

315

00:13:58,069 --> 00:13:55,519

do with that like how dare you you don't

316

00:14:01,030 --> 00:13:58,079

give them a platform yeah the chat was

317

00:14:01,990 --> 00:14:01,040

like really nice and respectful and i

318

00:14:03,269 --> 00:14:02,000

thought it was a really good

319

00:14:04,949 --> 00:14:03,279

conversation

320

00:14:07,110 --> 00:14:04,959

there might have been people work who

321

00:14:09,750 --> 00:14:07,120

were expecting me to like

322

00:14:10,710 --> 00:14:09,760

get at him and like try to trip him up

323

00:14:11,829 --> 00:14:10,720

or

324

00:14:13,030 --> 00:14:11,839

you know

325

00:14:16,150 --> 00:14:13,040

catch him

326

00:14:18,230 --> 00:14:16,160

saying something i guess dumb about ufos

327

00:14:20,069 --> 00:14:18,240

or debunk the debunker

328

00:14:21,430 --> 00:14:20,079

if you will but i was kind of more

329

00:14:23,509 --> 00:14:21,440

curious

330

00:14:25,350 --> 00:14:23,519

just like more about the human

331

00:14:26,389 --> 00:14:25,360

you know side of things and so we kind

332

00:14:29,030 --> 00:14:26,399

of

333

00:14:31,189 --> 00:14:29,040

talked more i think more along along

334

00:14:33,350 --> 00:14:31,199

those lines you didn't have a powerpoint

335

00:14:34,790 --> 00:14:33,360

presentation already yeah so i wasn't

336

00:14:38,389 --> 00:14:34,800

ready to like

337

00:14:39,910 --> 00:14:38,399

change his mind or you know well

338

00:14:41,509 --> 00:14:39,920

you know yeah

339

00:14:43,990 --> 00:14:41,519

and and that's why i think my interview

340

00:14:45,829 --> 00:14:44,000

will sort of be in the same vein as um

341

00:14:47,750 --> 00:14:45,839

the the human side of it i want to get

342

00:14:50,470 --> 00:14:47,760

to know the guy and i don't want to

343

00:14:52,710 --> 00:14:50,480

spend two hours arguing over the tic tac

344

00:14:54,550 --> 00:14:52,720

video and like what it could be and this

345

00:14:57,670 --> 00:14:54,560

angle and blah blah like that's not for

346

00:14:59,829 --> 00:14:57,680

me to do i i failed every math class i

347

00:15:02,949 --> 00:14:59,839

ever took so i want to i want to know

348

00:15:05,829 --> 00:15:02,959

like you know why what what what led you

349

00:15:07,269 --> 00:15:05,839

down this path to debunk and understand

350

00:15:09,350 --> 00:15:07,279

and i know he talked about it that he

351
00:15:11,509 --> 00:15:09,360
does some good work in other areas too i

352
00:15:13,750 --> 00:15:11,519
think he's talking about he does some

353
00:15:15,910 --> 00:15:13,760
important debunking of some you know

354
00:15:18,870 --> 00:15:15,920
some pretty great wild [h__\h]

355
00:15:21,189 --> 00:15:18,880
which is a few of my outside of ufos

356
00:15:23,030 --> 00:15:21,199
outside of ufos yeah we're gonna get

357
00:15:25,189 --> 00:15:23,040
past ufos in the interview i've got some

358
00:15:27,189 --> 00:15:25,199
questions on other you know conspiracy

359
00:15:29,829 --> 00:15:27,199
theories and whatnot um i do want to

360
00:15:32,470 --> 00:15:29,839
thank john here for the the 10

361
00:15:35,189 --> 00:15:32,480
sticker motorhead rules

362
00:15:36,470 --> 00:15:35,199
i'd have to agree i'd have to agree gosh

363
00:15:37,749 --> 00:15:36,480

i don't know how you guys keep up with

364

00:15:40,949 --> 00:15:37,759

this stuff this is why i need a

365

00:15:43,269 --> 00:15:40,959

moderator and

366

00:15:44,790 --> 00:15:43,279

the clash was i i just said i bought all

367

00:15:47,430 --> 00:15:44,800

their albums

368

00:15:50,150 --> 00:15:47,440

recently i knew they i knew who they

369

00:15:52,310 --> 00:15:50,160

were yeah naz and and

370

00:15:53,670 --> 00:15:52,320

somebody else just said it uh oh matthew

371

00:15:55,749 --> 00:15:53,680

wright i knew

372

00:15:58,550 --> 00:15:55,759

dude i'm very well aware of the class i

373

00:16:01,189 --> 00:15:58,560

just hadn't i didn't have their entire

374

00:16:03,110 --> 00:16:01,199

music and you know anthology now i've

375

00:16:05,430 --> 00:16:03,120

got it and i'm loving it because there

376

00:16:07,110 --> 00:16:05,440

are tunes i haven't heard

377

00:16:09,910 --> 00:16:07,120

right it's so funny you mentioned that

378

00:16:12,629 --> 00:16:09,920

in here in new york now um every street

379

00:16:15,829 --> 00:16:12,639

you walk down there's just boxes and

380

00:16:17,829 --> 00:16:15,839

boxes of people um throwing out their

381

00:16:20,310 --> 00:16:17,839

cds their books because you know they

382

00:16:22,470 --> 00:16:20,320

all you know bought them and got them

383

00:16:23,910 --> 00:16:22,480

out during the the lockdowns and now

384

00:16:25,430 --> 00:16:23,920

everyone's like going back to work like

385

00:16:27,350 --> 00:16:25,440

i don't have space for all this yeah

386

00:16:29,590 --> 00:16:27,360

these tiny new york apartments so dude

387

00:16:32,470 --> 00:16:29,600

i've literally been going up and down

388

00:16:35,910 --> 00:16:32,480

every street like looking for yeah

389

00:16:39,269 --> 00:16:35,920

going through and i found an entire box

390

00:16:41,509 --> 00:16:39,279

of just classic rock cds and it was

391

00:16:43,509 --> 00:16:41,519

amazing i can't wait to sit i can't say

392

00:16:45,509 --> 00:16:43,519

you i did that all the time in new york

393

00:16:46,629 --> 00:16:45,519

city i would if especially if i like was

394

00:16:48,949 --> 00:16:46,639

waiting for somebody to come out of

395

00:16:50,949 --> 00:16:48,959

their apartment i'd be going you know

396

00:16:53,110 --> 00:16:50,959

just casually looking through the trash

397

00:16:55,910 --> 00:16:53,120

being like uh yeah i found golf clubs

398

00:16:57,749 --> 00:16:55,920

i've found really good books i've found

399

00:16:59,269 --> 00:16:57,759

all sorts of stuff in new york city

400

00:17:01,670 --> 00:16:59,279

garbage bikes

401
00:17:03,670 --> 00:17:01,680
yeah it's wild some stuff i hope i

402
00:17:04,470 --> 00:17:03,680
hadn't found either but that's another

403
00:17:05,429 --> 00:17:04,480
story

404
00:17:07,510 --> 00:17:05,439
um

405
00:17:08,390 --> 00:17:07,520
well okay let's talk about it

406
00:17:10,710 --> 00:17:08,400
yeah

407
00:17:12,630 --> 00:17:10,720
where'd this wrap for 12 years i don't

408
00:17:15,270 --> 00:17:12,640
know like i didn't know there were crabs

409
00:17:18,949 --> 00:17:17,510
there were this weekend man holy crap we

410
00:17:20,470 --> 00:17:18,959
got please

411
00:17:23,510 --> 00:17:20,480
and i'm talking about the actual

412
00:17:26,309 --> 00:17:23,520
crustacean crabs uh we had um a flood

413
00:17:27,909 --> 00:17:26,319

here in new york city which was insane

414

00:17:29,909 --> 00:17:27,919

dude i mean we've never experienced that

415

00:17:33,590 --> 00:17:29,919

here to my knowledge really well you had

416

00:17:35,590 --> 00:17:33,600

it you had it during um uh sandy sandy

417

00:17:37,590 --> 00:17:35,600

was the last time that happened yeah i

418

00:17:40,470 --> 00:17:37,600

was here for that and i can tell you it

419

00:17:43,350 --> 00:17:40,480

was pretty rough i remember trying to i

420

00:17:45,430 --> 00:17:43,360

um broadway was still open where i work

421

00:17:45,440 --> 00:17:46,150
