

SOMEWHERE IN THE SKIES

UFOS AND NUKES CONNECTION

WITH ROBERT SALAS

1
00:00:04,470 --> 00:00:02,710
hey what's up everyone ryan sprague here

2
00:00:06,710 --> 00:00:04,480
before we get to this special panel

3
00:00:09,030 --> 00:00:06,720
discussion i have some people to thank

4
00:00:11,509 --> 00:00:09,040
for making it happen first and foremost

5
00:00:14,150 --> 00:00:11,519
peter robbins this panel originally

6
00:00:16,870 --> 00:00:14,160
aired on peter robin's radio show

7
00:00:18,790 --> 00:00:16,880
meanwhile here on earth on the kgra

8
00:00:21,109 --> 00:00:18,800
network please be sure to check out the

9
00:00:24,070 --> 00:00:21,119
extended version of this conversation by

10
00:00:26,150 --> 00:00:24,080
joining the kgra members only site where

11
00:00:28,710 --> 00:00:26,160
you'll have access to hundreds of

12
00:00:31,750 --> 00:00:28,720
episodes from all of kgra's stable of

13
00:00:34,389 --> 00:00:31,760

shows use the discount code peter when

14

00:00:37,510 --> 00:00:34,399

signing up for 30 off your subscription

15

00:00:39,590 --> 00:00:37,520

price you can also subscribe to the kgra

16

00:00:42,630 --> 00:00:39,600

youtube channel to watch all interviews

17

00:00:45,110 --> 00:00:42,640

live for 24 hours this was an awesome

18

00:00:47,029 --> 00:00:45,120

panel discussion that three-fourths of

19

00:00:49,830 --> 00:00:47,039

the rogue planet team got to take part

20

00:00:52,470 --> 00:00:49,840

in myself jason mcclellan and shane

21

00:00:55,110 --> 00:00:52,480

heard we got to speak with robert salas

22

00:00:57,750 --> 00:00:55,120

all about his upcoming ufos and nukes

23

00:01:00,389 --> 00:00:57,760

conference happening october 19th at the

24

00:01:02,389 --> 00:01:00,399

national press club in washington dc

25

00:01:04,950 --> 00:01:02,399

this event will be live streamed for

26

00:01:07,109 --> 00:01:04,960

free on youtube all links are in the

27

00:01:10,390 --> 00:01:07,119

show notes special thanks once again to

28

00:01:13,070 --> 00:01:10,400

peter robbins bill skywatcher kgra and

29

00:01:22,550 --> 00:01:13,080

to robert salas i hope you enjoy

30

00:01:25,510 --> 00:01:22,560

[Music]

31

00:01:27,670 --> 00:01:25,520

this is somewhere in the skies with ryan

32

00:01:44,389 --> 00:01:27,680

sprague

33

00:01:48,950 --> 00:01:45,270

bob

34

00:01:51,590 --> 00:01:48,960

obviously i want to begin with you um

35

00:01:54,389 --> 00:01:51,600

some time back you announced

36

00:01:57,510 --> 00:01:54,399

that you were creating this initiative

37

00:02:00,230 --> 00:01:57,520

for this new event which will take place

38

00:02:03,270 --> 00:02:00,240

next month on october 19th

39

00:02:06,630 --> 00:02:03,280

can you tell us something about

40

00:02:08,949 --> 00:02:06,640

how you came to put this together

41

00:02:12,150 --> 00:02:08,959

your reasons for doing it and what we

42

00:02:14,710 --> 00:02:12,160

can expect to see uh on october 19th at

43

00:02:16,710 --> 00:02:14,720

the national press club

44

00:02:19,190 --> 00:02:16,720

yeah thanks peter um

45

00:02:21,030 --> 00:02:19,200

i think we have a very unique point in

46

00:02:22,390 --> 00:02:21,040

time here uh

47

00:02:25,030 --> 00:02:22,400

now that the

48

00:02:27,990 --> 00:02:25,040

dod the uh

49

00:02:30,630 --> 00:02:28,000

has admitted that this phenomenon is

50

00:02:32,390 --> 00:02:30,640

real it's not imaginary

51

00:02:34,710 --> 00:02:32,400

uh officially

52

00:02:36,790 --> 00:02:34,720

uh and in writing and and we we haven't

53

00:02:39,509 --> 00:02:36,800

heard those kind of words from uh from

54

00:02:43,670 --> 00:02:39,519

the government before um

55

00:02:48,390 --> 00:02:45,830

but i felt

56

00:02:51,910 --> 00:02:48,400

strongly uh after the report came out

57

00:02:53,670 --> 00:02:51,920

that um we were in for kind of a repeat

58

00:02:56,309 --> 00:02:53,680

of what we've seen before with this

59

00:02:58,229 --> 00:02:56,319

phenomenon that is um

60

00:03:00,550 --> 00:02:58,239

we would get a little bit of

61

00:03:01,990 --> 00:03:00,560

acknowledgement of this and that

62

00:03:04,630 --> 00:03:02,000

but nothing

63

00:03:07,509 --> 00:03:04,640

of substance

64

00:03:09,270 --> 00:03:07,519

i'm convinced that

65

00:03:11,670 --> 00:03:09,280

in order to get

66

00:03:13,509 --> 00:03:11,680

to the issue to the substance of the

67

00:03:15,190 --> 00:03:13,519

matter uh we're going to have to have

68

00:03:17,750 --> 00:03:15,200

open hearings

69

00:03:19,670 --> 00:03:17,760

yes yeah and in order to have open

70

00:03:20,790 --> 00:03:19,680

hearings we're going to have to put

71

00:03:22,470 --> 00:03:20,800

pressure

72

00:03:24,470 --> 00:03:22,480

on congress i know there's been a couple

73

00:03:27,270 --> 00:03:24,480

of congressmen and

74

00:03:30,869 --> 00:03:27,280

uh senator maybe uh who

75

00:03:32,630 --> 00:03:30,879

uh have mentioned open hearings

76

00:03:34,869 --> 00:03:32,640

uh but

77

00:03:36,229 --> 00:03:34,879

uh knowing what i

78

00:03:38,229 --> 00:03:36,239

do about

79

00:03:40,229 --> 00:03:38,239

uh past events

80

00:03:43,190 --> 00:03:40,239

uh of course i've been researching this

81

00:03:46,149 --> 00:03:43,200

for over 25 years in public

82

00:03:48,229 --> 00:03:46,159

for over 25 years

83

00:03:50,550 --> 00:03:48,239

what usually happens is we get a little

84

00:03:55,670 --> 00:03:50,560

trips and drabs and

85

00:03:59,110 --> 00:03:57,030

but

86

00:04:01,270 --> 00:03:59,120

so the purpose of this

87

00:04:02,789 --> 00:04:01,280

press conference

88

00:04:05,350 --> 00:04:02,799

is uh

89

00:04:07,750 --> 00:04:05,360
in particular to focus on the ufo

90

00:04:09,030 --> 00:04:07,760
nuclear weapons connection

91

00:04:12,229 --> 00:04:09,040
which has

92

00:04:15,030 --> 00:04:12,239
uh seemingly not been

93

00:04:17,509 --> 00:04:15,040
talked about too much in the media yes

94

00:04:20,069 --> 00:04:17,519
absolutely uh

95

00:04:23,189 --> 00:04:20,079
so we're gonna bring forward uh myself

96

00:04:25,909 --> 00:04:23,199
and three other strong witnesses

97

00:04:29,749 --> 00:04:25,919
all ex-military

98

00:04:31,990 --> 00:04:29,759
and we're gonna give our details on very

99

00:04:33,670 --> 00:04:32,000
specific incidents

100

00:04:35,909 --> 00:04:33,680
but they only represent the tip of the

101
00:04:37,749 --> 00:04:35,919
iceberg as you know yes

102
00:04:39,909 --> 00:04:37,759
there have been hundreds

103
00:04:43,510 --> 00:04:39,919
literally hundreds

104
00:04:45,909 --> 00:04:43,520
of incidents that have been documented

105
00:04:47,990 --> 00:04:45,919
primarily by robert hastings in his book

106
00:04:50,870 --> 00:04:48,000
ufos nukes and i want to give a big

107
00:04:51,990 --> 00:04:50,880
shout out to robert uh

108
00:04:53,030 --> 00:04:52,000
um

109
00:04:54,950 --> 00:04:53,040
he's not

110
00:04:56,550 --> 00:04:54,960
feeling well these days otherwise he'd

111
00:04:59,189 --> 00:04:56,560
be

112
00:05:00,950 --> 00:04:59,199
along my side at the press conference

113
00:05:03,029 --> 00:05:00,960

but

114

00:05:05,990 --> 00:05:03,039

he has been very helpful to me in

115

00:05:09,189 --> 00:05:06,000

getting things put together and uh

116

00:05:10,629 --> 00:05:09,199

and so he'll be missed but um

117

00:05:13,909 --> 00:05:10,639

that's the purpose we're gonna have

118

00:05:15,990 --> 00:05:13,919

these people talk uh their stories and

119

00:05:16,870 --> 00:05:16,000

uh and provide

120

00:05:20,310 --> 00:05:16,880

uh

121

00:05:23,590 --> 00:05:20,320

detailed evidence of of what transpired

122

00:05:26,150 --> 00:05:23,600

we'll also have a

123

00:05:28,629 --> 00:05:26,160

press package um

124

00:05:29,830 --> 00:05:28,639

uh to give to the press present

125

00:05:32,550 --> 00:05:29,840

excellent

126

00:05:35,990 --> 00:05:32,560

and uh it will be live streamed

127

00:05:38,390 --> 00:05:36,000

outstanding uh free for everyone to

128

00:05:39,990 --> 00:05:38,400

watch

129

00:05:42,070 --> 00:05:40,000

um um

130

00:05:45,110 --> 00:05:42,080

a question as um

131

00:05:47,189 --> 00:05:45,120

a natural archivist and knowing the

132

00:05:50,710 --> 00:05:47,199

impact that

133

00:05:52,870 --> 00:05:50,720

authentic declassified documents

134

00:05:55,270 --> 00:05:52,880

not some thing put together in

135

00:05:56,550 --> 00:05:55,280

somebody's basement but absolutely

136

00:05:58,150 --> 00:05:56,560

guilt-edged

137

00:06:00,469 --> 00:05:58,160

can have

138

00:06:01,909 --> 00:06:00,479

on a reader who is simply unfamiliar

139

00:06:03,749 --> 00:06:01,919

with them

140

00:06:04,790 --> 00:06:03,759

the five of us have looked at these

141

00:06:07,749 --> 00:06:04,800

things

142

00:06:09,990 --> 00:06:07,759

for years if not decades and

143

00:06:12,469 --> 00:06:10,000

you know it's kind of second nature but

144

00:06:13,350 --> 00:06:12,479

will you are you considering including

145

00:06:15,909 --> 00:06:13,360

any

146

00:06:17,749 --> 00:06:15,919

official declassified documentation in

147

00:06:19,270 --> 00:06:17,759

the press packages

148

00:06:20,950 --> 00:06:19,280

absolutely

149

00:06:23,350 --> 00:06:20,960

the press package will include some

150

00:06:25,189 --> 00:06:23,360

declassified documents

151

00:06:27,189 --> 00:06:25,199

i have already uh

152

00:06:28,870 --> 00:06:27,199

come up with what i call my briefing

153

00:06:32,390 --> 00:06:28,880

book

154

00:06:34,550 --> 00:06:32,400

it's been sent to members of congress

155

00:06:37,830 --> 00:06:34,560

and senators

156

00:06:40,469 --> 00:06:37,840

uh they've acknowledged receipt

157

00:06:41,510 --> 00:06:40,479

so there's no way they can

158

00:06:43,510 --> 00:06:41,520

state

159

00:06:45,830 --> 00:06:43,520

that uh they don't know about these

160

00:06:48,950 --> 00:06:45,840

things so they don't have official

161

00:06:51,110 --> 00:06:48,960

records of them yes and by them i mean

162

00:06:53,270 --> 00:06:51,120

these incidents involving ufos and

163

00:06:56,150 --> 00:06:53,280

nuclear weapons bases

164

00:06:59,270 --> 00:06:56,160

uh so the idea here now is to put

165

00:07:03,749 --> 00:07:01,189

have open hearings so we can bring more

166

00:07:06,550 --> 00:07:03,759

witnesses forward of course

167

00:07:10,390 --> 00:07:06,560

many of the witnesses

168

00:07:13,749 --> 00:07:10,400

are in the background still because of

169

00:07:15,110 --> 00:07:13,759

you know the usual reasons yeah

170

00:07:16,469 --> 00:07:15,120

ridicule

171

00:07:17,990 --> 00:07:16,479

fear of loss of

172

00:07:19,589 --> 00:07:18,000

job or

173

00:07:21,909 --> 00:07:19,599

sure

174

00:07:22,710 --> 00:07:21,919

what have you

175

00:07:25,670 --> 00:07:22,720

but

176

00:07:27,270 --> 00:07:25,680

if hearings are open to the public and

177

00:07:28,790 --> 00:07:27,280

they are official

178

00:07:30,550 --> 00:07:28,800

government hearings i'm sure a lot of

179

00:07:32,550 --> 00:07:30,560

them will come forward

180

00:07:34,390 --> 00:07:32,560

now another question for you before i

181

00:07:36,550 --> 00:07:34,400

open up

182

00:07:41,029 --> 00:07:36,560

to our panel here any questions that

183

00:07:43,589 --> 00:07:41,039

they may want to begin putting forward

184

00:07:46,710 --> 00:07:43,599

is this happening on a day when congress

185

00:07:49,589 --> 00:07:46,720

is in session have you uh checked

186

00:07:52,390 --> 00:07:49,599

uh yes i'm uh

187

00:07:54,869 --> 00:07:52,400

i was assured of course we don't

188

00:07:56,869 --> 00:07:54,879

know for sure but i'm i'm pretty well

189

00:07:59,830 --> 00:07:56,879

assured that congress

190

00:08:01,749 --> 00:07:59,840

will be in session during that week

191

00:08:05,110 --> 00:08:01,759

the week of the 18th

192

00:08:08,230 --> 00:08:05,120

through the 22nd of october

193

00:08:11,270 --> 00:08:08,240

okay i was hoping to have uh

194

00:08:14,869 --> 00:08:11,280

meetings with members of congress

195

00:08:20,230 --> 00:08:18,309

requests for meetings and

196

00:08:22,869 --> 00:08:20,240

i've had

197

00:08:24,070 --> 00:08:22,879

some nibbles but nothing definite yet

198

00:08:28,230 --> 00:08:24,080

okay

199

00:08:29,430 --> 00:08:28,240

very good um gentlemen uh ryan jason

200

00:08:32,709 --> 00:08:29,440

shane

201
00:08:37,269 --> 00:08:34,790
sure i'll i'll i'll start and i do want

202
00:08:38,949 --> 00:08:37,279
to apologize my my mic was on mute

203
00:08:40,550 --> 00:08:38,959
during your introductions peter i wasn't

204
00:08:42,389 --> 00:08:40,560
ignoring anyone

205
00:08:44,310 --> 00:08:42,399
but hopefully you can hear me now

206
00:08:46,790 --> 00:08:44,320
unforgivable racist

207
00:08:49,269 --> 00:08:46,800
push the button why am i here and not my

208
00:08:52,949 --> 00:08:49,279
good first uh good impression with with

209
00:08:56,150 --> 00:08:52,959
mr salas um i'd love to ask you bob um

210
00:08:58,949 --> 00:08:56,160
we got this report recently we are

211
00:09:01,750 --> 00:08:58,959
supposedly getting uh or they're trying

212
00:09:04,550 --> 00:09:01,760
to pass a bill for the 2022

213
00:09:07,829 --> 00:09:04,560

authorization act for a permanent ufo

214

00:09:09,910 --> 00:09:07,839

office and it seems that the one glaring

215

00:09:12,310 --> 00:09:09,920

agency that we're hearing nothing from

216

00:09:14,470 --> 00:09:12,320

is the department of energy which

217

00:09:17,110 --> 00:09:14,480

presumably would be the one

218

00:09:20,070 --> 00:09:17,120

that i i think would handle these

219

00:09:22,949 --> 00:09:20,080

nuclear situations with uap so i was

220

00:09:25,910 --> 00:09:22,959

curious if there was any ever dealings

221

00:09:28,230 --> 00:09:25,920

you had with the department of energy in

222

00:09:30,870 --> 00:09:28,240

you know briefing and at the national

223

00:09:33,590 --> 00:09:30,880

press club and uh why why do you think

224

00:09:36,070 --> 00:09:33,600

that this preliminary assessment we got

225

00:09:38,230 --> 00:09:36,080

um didn't mention any you know they they

226

00:09:40,070 --> 00:09:38,240

mentioned restricted airspace uh but

227

00:09:42,150 --> 00:09:40,080

there was no mention of nuclear sites

228

00:09:43,750 --> 00:09:42,160

why do you think that is and why aren't

229

00:09:45,590 --> 00:09:43,760

we hearing anything from the department

230

00:09:48,150 --> 00:09:45,600

of energy those would be my my two

231

00:09:51,190 --> 00:09:48,160

questions great

232

00:09:54,470 --> 00:09:51,200

yeah well uh i have not had any deals

233

00:09:57,590 --> 00:09:54,480

with the department of energy i'm uh i'm

234

00:10:01,509 --> 00:09:57,600

i know they are uh responsible for the

235

00:10:04,550 --> 00:10:01,519

production i think of nuclear weapons

236

00:10:06,790 --> 00:10:04,560

uh and uh originally they they were in

237

00:10:08,230 --> 00:10:06,800

charge of the entire atomic program but

238

00:10:09,430 --> 00:10:08,240

um

239

00:10:11,430 --> 00:10:09,440

uh

240

00:10:14,870 --> 00:10:11,440

i'm more interested in getting into the

241

00:10:16,389 --> 00:10:14,880

files of the cia tia

242

00:10:19,590 --> 00:10:16,399

darpa

243

00:10:22,310 --> 00:10:19,600

uh and those those other agencies uh

244

00:10:25,030 --> 00:10:22,320

it's it's encouraging the dia defense

245

00:10:26,389 --> 00:10:25,040

intelligence agency is um

246

00:10:28,389 --> 00:10:26,399

uh

247

00:10:30,630 --> 00:10:28,399

was one of the first that was contacted

248

00:10:32,949 --> 00:10:30,640

by harry reid

249

00:10:34,949 --> 00:10:32,959

or actually they contacted him uh when

250

00:10:36,790 --> 00:10:34,959

he set up atip

251
00:10:40,310 --> 00:10:36,800
um

252
00:10:42,710 --> 00:10:40,320
we know we know the agencies that have

253
00:10:45,350 --> 00:10:42,720
these secrets uh

254
00:10:48,630 --> 00:10:45,360
all locked up uh it's just a matter of

255
00:10:51,430 --> 00:10:48,640
uh prying those open

256
00:10:53,190 --> 00:10:51,440
and congress has the power to do that

257
00:10:54,230 --> 00:10:53,200
no question

258
00:10:56,790 --> 00:10:54,240
so

259
00:10:59,030 --> 00:10:56,800
that's why open hearings are critical

260
00:11:00,790 --> 00:10:59,040
yeah uh i'm sorry ryan what was your

261
00:11:02,710 --> 00:11:00,800
second question uh

262
00:11:04,710 --> 00:11:02,720
i i think you basically answered it but

263
00:11:07,030 --> 00:11:04,720

yeah why do you think in the

264

00:11:09,269 --> 00:11:07,040

preliminary assessment we got that there

265

00:11:10,949 --> 00:11:09,279

was no mention of nuclear site

266

00:11:13,590 --> 00:11:10,959

incursions uh you know we heard

267

00:11:15,269 --> 00:11:13,600

restricted air space but no mention

268

00:11:17,350 --> 00:11:15,279

whatsoever if they're going to go with

269

00:11:19,670 --> 00:11:17,360

this potential threat thing why wouldn't

270

00:11:21,350 --> 00:11:19,680

they mention nuclear sites at all in

271

00:11:23,750 --> 00:11:21,360

your personal opinion yeah that's a

272

00:11:25,350 --> 00:11:23,760

mystery to me too um

273

00:11:30,389 --> 00:11:25,360

and that's another reason i want to

274

00:11:35,110 --> 00:11:32,389

you know the

275

00:11:36,790 --> 00:11:35,120

first instance that i was able to

276

00:11:38,630 --> 00:11:36,800

research

277

00:11:41,750 --> 00:11:38,640

ufos being involved in looking at

278

00:11:43,670 --> 00:11:41,760

nuclear facilities was

279

00:11:46,310 --> 00:11:43,680

hanford nuclear site

280

00:11:49,350 --> 00:11:46,320

where they were producing plutonium

281

00:11:51,990 --> 00:11:49,360

in 1945

282

00:11:54,389 --> 00:11:52,000

even before the first atomic bomb

283

00:11:57,829 --> 00:11:54,399

test

284

00:11:59,350 --> 00:11:57,839

ufos were intercepted on radar

285

00:12:01,269 --> 00:11:59,360

uh

286

00:12:04,230 --> 00:12:01,279

pursuit aircraft were sent out against

287

00:12:06,230 --> 00:12:04,240

them and uh

288

00:12:08,710 --> 00:12:06,240

and then from there on uh

289

00:12:10,470 --> 00:12:08,720

it was continuous there was continuous

290

00:12:12,629 --> 00:12:10,480

interest

291

00:12:15,190 --> 00:12:12,639

in the area of ufos and

292

00:12:17,430 --> 00:12:15,200

nuclear facilities

293

00:12:20,389 --> 00:12:17,440

if i may jump in for a moment i i've

294

00:12:21,269 --> 00:12:20,399

given that question some thought as well

295

00:12:23,670 --> 00:12:21,279

and

296

00:12:24,389 --> 00:12:23,680

not surprising to us

297

00:12:27,750 --> 00:12:24,399

when

298

00:12:29,269 --> 00:12:27,760

the report dropped in june

299

00:12:31,430 --> 00:12:29,279

um

300

00:12:33,190 --> 00:12:31,440

shakespeare as usual got it right and it

301
00:12:35,509 --> 00:12:33,200
wasn't quite much to do wasn't

302
00:12:36,790 --> 00:12:35,519
completely much ado about nothing

303
00:12:38,470 --> 00:12:36,800
but

304
00:12:40,310 --> 00:12:38,480
you know it was so

305
00:12:42,790 --> 00:12:40,320
coy with a hammer

306
00:12:45,670 --> 00:12:42,800
it might be the russians it might be the

307
00:12:48,230 --> 00:12:45,680
chinese it might be some super secret

308
00:12:50,470 --> 00:12:48,240
agency or office within our government

309
00:12:53,269 --> 00:12:50,480
or military industrial complex that we

310
00:12:56,069 --> 00:12:53,279
the navy are not aware of or who knows

311
00:12:58,790 --> 00:12:56,079
it might just be

312
00:13:01,509 --> 00:12:58,800
this of course is

313
00:13:03,030 --> 00:13:01,519

nonsensical in that we know as well as

314

00:13:04,629 --> 00:13:03,040

we can know

315

00:13:07,670 --> 00:13:04,639

that they know

316

00:13:10,389 --> 00:13:07,680

that there is a very real likelihood

317

00:13:13,670 --> 00:13:10,399

that some stress not all truly anomalous

318

00:13:15,670 --> 00:13:13,680

ufos do represent advanced technology

319

00:13:17,030 --> 00:13:15,680

from parts unknown under intelligent

320

00:13:18,310 --> 00:13:17,040

control

321

00:13:21,670 --> 00:13:18,320

but

322

00:13:24,949 --> 00:13:21,680

for me that report

323

00:13:26,790 --> 00:13:24,959

was not the report it was the first of

324

00:13:29,269 --> 00:13:26,800

if they can get away with it many many

325

00:13:30,710 --> 00:13:29,279

many reports that they will drag along

326

00:13:32,470 --> 00:13:30,720

for the next several hundred years if

327

00:13:35,509 --> 00:13:32,480

they possibly could

328

00:13:38,150 --> 00:13:35,519

each one we've discovered something else

329

00:13:39,189 --> 00:13:38,160

or we have a little more information to

330

00:13:43,110 --> 00:13:39,199

give you

331

00:13:44,870 --> 00:13:43,120

what we can be assured of is that they

332

00:13:46,710 --> 00:13:44,880

will not

333

00:13:48,629 --> 00:13:46,720

willingly ever

334

00:13:51,910 --> 00:13:48,639

put anything in

335

00:13:54,310 --> 00:13:51,920

that they feel might panic the public or

336

00:13:56,710 --> 00:13:54,320

sound too science fictiony

337

00:13:57,829 --> 00:13:56,720

or be too exotic

338

00:14:00,470 --> 00:13:57,839

hence

339

00:14:01,509 --> 00:14:00,480

we'll never hear in any of the reports

340

00:14:04,389 --> 00:14:01,519

that come

341

00:14:05,990 --> 00:14:04,399

about abductions about

342

00:14:09,269 --> 00:14:06,000

um

343

00:14:12,150 --> 00:14:09,279

missing pregnancies about hybrids about

344

00:14:13,509 --> 00:14:12,160

these areas of study that are quite real

345

00:14:16,389 --> 00:14:13,519

but to the general public are

346

00:14:17,829 --> 00:14:16,399

problematic and if we were to say

347

00:14:23,430 --> 00:14:17,839

these

348

00:14:26,310 --> 00:14:23,440

the power to shut down

349

00:14:27,430 --> 00:14:26,320

our most advanced most deadly weapon

350

00:14:30,310 --> 00:14:27,440

systems

351
00:14:33,110 --> 00:14:30,320
that could be upsetting for some people

352
00:14:35,750 --> 00:14:33,120
but in fact it's a core fact as you know

353
00:14:38,790 --> 00:14:35,760
better than most people bob yeah yeah

354
00:14:41,750 --> 00:14:38,800
that would be a major story but the even

355
00:14:44,710 --> 00:14:41,760
the bigger story is

356
00:14:47,030 --> 00:14:44,720
uh the very fact that government our

357
00:14:48,550 --> 00:14:47,040
government uh and other governments

358
00:14:50,470 --> 00:14:48,560
around the world

359
00:14:53,750 --> 00:14:50,480
have been keeping these secrets for

360
00:14:54,550 --> 00:14:53,760
decades yes decades literally uh

361
00:14:56,790 --> 00:14:54,560
and

362
00:14:59,269 --> 00:14:56,800
i think that's the

363
00:15:00,230 --> 00:14:59,279

the big uh

364

00:15:03,110 --> 00:15:00,240

uh

365

00:15:05,350 --> 00:15:03,120

big elephant in the room that the

366

00:15:06,389 --> 00:15:05,360

governments just don't want to admit to

367

00:15:07,910 --> 00:15:06,399

that

368

00:15:09,590 --> 00:15:07,920

they have indeed been keeping these

369

00:15:11,430 --> 00:15:09,600

secrets and

370

00:15:14,550 --> 00:15:11,440

i think that's the

371

00:15:18,870 --> 00:15:14,560

the really big story here um again

372

00:15:20,790 --> 00:15:18,880

before turning it back to our panel um

373

00:15:22,230 --> 00:15:20,800

military hubris

374

00:15:23,189 --> 00:15:22,240

human ego

375

00:15:26,550 --> 00:15:23,199

uh

376

00:15:28,550 --> 00:15:26,560

the idea that if we were to make even a

377

00:15:30,310 --> 00:15:28,560

token admission

378

00:15:32,949 --> 00:15:30,320

either via the president's office or

379

00:15:35,350 --> 00:15:32,959

what have you it would mean admitting

380

00:15:37,990 --> 00:15:35,360

that the leading figures in our

381

00:15:40,870 --> 00:15:38,000

government who were briefed to know what

382

00:15:42,470 --> 00:15:40,880

was going on have all been unindicted

383

00:15:44,629 --> 00:15:42,480

co-conspirators and the greatest

384

00:15:47,030 --> 00:15:44,639

cover-up in the history of humanity and

385

00:15:48,389 --> 00:15:47,040

they're a little sensitive about that

386

00:15:49,269 --> 00:15:48,399

go figure

387

00:15:50,629 --> 00:15:49,279

um

388

00:15:54,710 --> 00:15:50,639

gentlemen

389

00:15:57,189 --> 00:15:54,720

next question for robert salas well i'll

390

00:15:59,430 --> 00:15:57,199

jump in with one and first of all bob i

391

00:16:01,350 --> 00:15:59,440

just want to congratulate you and say

392

00:16:03,350 --> 00:16:01,360

kudos for putting this together i mean

393

00:16:05,269 --> 00:16:03,360

that is no small task and it's it's

394

00:16:07,509 --> 00:16:05,279

hugely appreciated i was really excited

395

00:16:10,069 --> 00:16:07,519

to see when i saw that you'd manage to

396

00:16:12,710 --> 00:16:10,079

put this together but i know we've all

397

00:16:14,389 --> 00:16:12,720

been excitedly watching

398

00:16:16,790 --> 00:16:14,399

you know kind of the the shift in public

399

00:16:18,230 --> 00:16:16,800

attitude toward this topic we've seen

400

00:16:21,110 --> 00:16:18,240

the government's

401
00:16:22,949 --> 00:16:21,120
maybe renewed interest in this subject

402
00:16:24,470 --> 00:16:22,959
a lot going on right now

403
00:16:25,829 --> 00:16:24,480
certainly the climate seems to have

404
00:16:26,710 --> 00:16:25,839
shifted a little bit

405
00:16:28,389 --> 00:16:26,720
but

406
00:16:30,710 --> 00:16:28,399
how do you see

407
00:16:32,870 --> 00:16:30,720
the attitude within the government um

408
00:16:35,509 --> 00:16:32,880
and their reaction to an event like this

409
00:16:37,509 --> 00:16:35,519
at the the press club

410
00:16:39,829 --> 00:16:37,519
as being any different from how it's

411
00:16:41,670 --> 00:16:39,839
been the several times before that there

412
00:16:43,670 --> 00:16:41,680
have been ufo-related events at the

413
00:16:45,030 --> 00:16:43,680

national press club and when this topic

414

00:16:46,790 --> 00:16:45,040

i mean this is certainly not the first

415

00:16:48,629 --> 00:16:46,800

time you brought this topic to the

416

00:16:50,230 --> 00:16:48,639

public's attention and you've spoken

417

00:16:52,470 --> 00:16:50,240

before about it at the national press

418

00:16:54,710 --> 00:16:52,480

club so how do you see this event given

419

00:16:56,069 --> 00:16:54,720

the current uh temperament the current

420

00:16:57,829 --> 00:16:56,079

climate with this topic how do you see

421

00:17:01,189 --> 00:16:57,839

it being different this time around

422

00:17:02,550 --> 00:17:01,199

well a couple of ways

423

00:17:05,829 --> 00:17:02,560

jason

424

00:17:07,350 --> 00:17:05,839

uh number one uh i'm not alone in this

425

00:17:10,630 --> 00:17:07,360

uh

426
00:17:14,549 --> 00:17:10,640
we're gonna have

427
00:17:15,829 --> 00:17:14,559
have to have a public outcry uh for more

428
00:17:16,630 --> 00:17:15,839
information

429
00:17:18,710 --> 00:17:16,640
the

430
00:17:20,710 --> 00:17:18,720
odni house of

431
00:17:23,590 --> 00:17:20,720
defense

432
00:17:27,029 --> 00:17:23,600
national intelligence

433
00:17:29,669 --> 00:17:27,039
in its report stated they have to look

434
00:17:32,789 --> 00:17:29,679
into the possibility that this is a

435
00:17:35,909 --> 00:17:32,799
national security issue that's in

436
00:17:38,950 --> 00:17:35,919
writing that's in print

437
00:17:41,029 --> 00:17:38,960
and congress knows it

438
00:17:43,350 --> 00:17:41,039

the dod knows it

439

00:17:46,310 --> 00:17:43,360

and they're going to have to address it

440

00:17:48,710 --> 00:17:46,320

well i'm pressing the issue on ufos and

441

00:17:52,150 --> 00:17:48,720

nukes and that is definitely

442

00:17:54,630 --> 00:17:52,160

an area of interest of national security

443

00:17:57,990 --> 00:17:54,640

so there's no backing away from that

444

00:18:00,549 --> 00:17:58,000

topic now it's um

445

00:18:01,430 --> 00:18:00,559

it's on public record and uh and so i'm

446

00:18:04,549 --> 00:18:01,440

gonna

447

00:18:06,789 --> 00:18:04,559

press the issue with this press club

448

00:18:08,470 --> 00:18:06,799

and it will be the reason i wanted

449

00:18:10,390 --> 00:18:08,480

it uh

450

00:18:13,430 --> 00:18:10,400

to be a um

451

00:18:14,950 --> 00:18:13,440

uh stream live all

452

00:18:17,750 --> 00:18:14,960

all over the world basically because

453

00:18:21,750 --> 00:18:17,760

it's going to be on youtube

454

00:18:24,390 --> 00:18:21,760

is to bring public pressure to bear

455

00:18:27,190 --> 00:18:24,400

on our congress our government

456

00:18:29,510 --> 00:18:27,200

to look into this particular topic which

457

00:18:33,029 --> 00:18:29,520

they have not done

458

00:18:36,950 --> 00:18:35,029

uh does that answer

459

00:18:39,830 --> 00:18:36,960

it certainly does absolutely and i agree

460

00:18:42,950 --> 00:18:39,840

with you completely i mean it for

461

00:18:44,549 --> 00:18:42,960

us right here we five it seems weird to

462

00:18:46,310 --> 00:18:44,559

keep repeating these things over and

463

00:18:48,150 --> 00:18:46,320

over and over but you're exactly right i

464

00:18:49,029 --> 00:18:48,160

mean the general public

465

00:18:50,710 --> 00:18:49,039

still

466

00:18:52,870 --> 00:18:50,720

even though these stories have been told

467

00:18:55,029 --> 00:18:52,880

countless times they're still not aware

468

00:18:56,470 --> 00:18:55,039

that these things are happening and even

469

00:18:58,630 --> 00:18:56,480

i always have to remind people going

470

00:19:00,870 --> 00:18:58,640

back to very baby steps even though the

471

00:19:03,029 --> 00:19:00,880

government has been saying these things

472

00:19:04,789 --> 00:19:03,039

on the record the large majority of the

473

00:19:08,630 --> 00:19:04,799

general public is still stuck at that

474

00:19:10,870 --> 00:19:08,640

very baby step uh believing that ufos

475

00:19:12,630 --> 00:19:10,880

just unknown objects exist in our

476

00:19:13,990 --> 00:19:12,640

airspace that's the baby step we're

477

00:19:18,789 --> 00:19:14,000

still stuck at with a lot of the general

478

00:19:20,070 --> 00:19:18,799

public exactly exactly right jason

479

00:19:22,050 --> 00:19:20,080

we need to get

480

00:19:23,270 --> 00:19:22,060

the public to fully

481

00:19:26,390 --> 00:19:23,280

[Music]

482

00:19:29,590 --> 00:19:26,400

not only realize but but accept the idea

483

00:19:30,549 --> 00:19:29,600

that we are indeed being visited um

484

00:19:33,750 --> 00:19:30,559

uh

485

00:19:36,310 --> 00:19:33,760

know

486

00:19:39,110 --> 00:19:36,320

are these extraterrestrial objects is a

487

00:19:40,310 --> 00:19:39,120

relatively simple logic

488

00:19:45,510 --> 00:19:40,320

and

489

00:19:47,909 --> 00:19:45,520

it's it's very easy if these

490

00:19:48,870 --> 00:19:47,919

uh what has been observed

491

00:19:50,789 --> 00:19:48,880

uh

492

00:19:52,870 --> 00:19:50,799

could not have been produced on planet

493

00:19:54,390 --> 00:19:52,880

earth then it must have been produced

494

00:19:57,750 --> 00:19:54,400

elsewhere

495

00:19:59,110 --> 00:19:57,760

uh and by these observations you know

496

00:20:02,070 --> 00:19:59,120

uh the

497

00:20:03,909 --> 00:20:02,080

extreme speeds uh flying uh

498

00:20:06,310 --> 00:20:03,919

above um

499

00:20:08,470 --> 00:20:06,320

you know mach five

500

00:20:10,870 --> 00:20:08,480

making 90 degree turns

501
00:20:12,390 --> 00:20:10,880
silently hovering

502
00:20:16,230 --> 00:20:12,400
those kinds of things

503
00:20:19,750 --> 00:20:18,630
and you know frankly on a very elemental

504
00:20:21,590 --> 00:20:19,760
level

505
00:20:23,190 --> 00:20:21,600
it doesn't really matter at this stage

506
00:20:25,110 --> 00:20:23,200
in the game at the very very

507
00:20:27,110 --> 00:20:25,120
introductory exploration of this it

508
00:20:28,549 --> 00:20:27,120
doesn't matter where they're from right

509
00:20:30,390 --> 00:20:28,559
if they're extraterrestrial or not the

510
00:20:32,070 --> 00:20:30,400
very fact that they exist and they're

511
00:20:32,870 --> 00:20:32,080
doing what they do

512
00:20:35,669 --> 00:20:32,880
that

513
00:20:37,750 --> 00:20:35,679

should concern some people and encourage

514

00:20:38,950 --> 00:20:37,760

everybody to want to look into it more

515

00:20:40,149 --> 00:20:38,960

so

516

00:20:41,990 --> 00:20:40,159

you know that's good to see you right

517

00:20:43,669 --> 00:20:42,000

now from the scientific community and we

518

00:20:47,909 --> 00:20:43,679

do have the scientific community taking

519

00:20:50,149 --> 00:20:47,919

a look now yes absolutely uh recently um

520

00:20:51,990 --> 00:20:50,159

ai double a is it

521

00:20:54,070 --> 00:20:52,000

that organization aeronautics and

522

00:20:54,789 --> 00:20:54,080

astronautics

523

00:20:59,190 --> 00:20:54,799

has

524

00:21:01,270 --> 00:20:59,200

we have more and more

525

00:21:03,830 --> 00:21:01,280

uh i know avialopa harvard

526
00:21:05,270 --> 00:21:03,840
astrophysicist is taking a strong

527
00:21:08,630 --> 00:21:05,280
interest in it

528
00:21:09,830 --> 00:21:08,640
and uh michoku etc

529
00:21:11,909 --> 00:21:09,840
so

530
00:21:13,669 --> 00:21:11,919
i think it's coming things are changing

531
00:21:15,270 --> 00:21:13,679
i definitely

532
00:21:17,510 --> 00:21:15,280
think things are changing in the

533
00:21:18,630 --> 00:21:17,520
scientific community and in the public

534
00:21:21,590 --> 00:21:18,640
in general

535
00:21:22,870 --> 00:21:21,600
without question and for well over three

536
00:21:25,430 --> 00:21:22,880
years now

537
00:21:27,909 --> 00:21:25,440
uh there has been

538
00:21:29,750 --> 00:21:27,919

an incredibly noticeable

539

00:21:30,710 --> 00:21:29,760

uh dissipation

540

00:21:32,549 --> 00:21:30,720

in

541

00:21:33,750 --> 00:21:32,559

the power of ridicule

542

00:21:36,710 --> 00:21:33,760

um

543

00:21:41,029 --> 00:21:38,470

most people that had an interest in the

544

00:21:43,270 --> 00:21:41,039

subject but weren't you know identified

545

00:21:45,590 --> 00:21:43,280

with it like we are

546

00:21:48,310 --> 00:21:45,600

would essentially keep it to themselves

547

00:21:51,110 --> 00:21:48,320

or share it with people that they knew

548

00:21:52,870 --> 00:21:51,120

it was okay to share it with without a

549

00:21:55,430 --> 00:21:52,880

fear of ridicule and one thing i think

550

00:21:58,230 --> 00:21:55,440

we can say now that is creating a

551
00:22:00,789 --> 00:21:58,240
healthier and healthier climate for

552
00:22:03,029 --> 00:22:00,799
information like this to be

553
00:22:04,789 --> 00:22:03,039
presented in a compelling way

554
00:22:07,029 --> 00:22:04,799
is more and more people care less and

555
00:22:09,510 --> 00:22:07,039
less what other people think about what

556
00:22:11,029 --> 00:22:09,520
they think about this subject and that's

557
00:22:12,630 --> 00:22:11,039
landmark

558
00:22:14,549 --> 00:22:12,640
it also

559
00:22:15,590 --> 00:22:14,559
makes perfect sense

560
00:22:21,990 --> 00:22:15,600
that

561
00:22:24,789 --> 00:22:22,000
as powerful as it was in 2013 with steve

562
00:22:26,630 --> 00:22:24,799
bassett's remarkable disclosure event at

563
00:22:27,830 --> 00:22:26,640

the national press club

564

00:22:30,390 --> 00:22:27,840

to have

565

00:22:32,789 --> 00:22:30,400

uh for people like me there testifying

566

00:22:34,549 --> 00:22:32,799

as well as people like you with a solid

567

00:22:37,909 --> 00:22:34,559

military background

568

00:22:39,029 --> 00:22:37,919

is to do this with colleagues

569

00:22:41,430 --> 00:22:39,039

with

570

00:22:44,070 --> 00:22:41,440

guilt ed's military backgrounds it has a

571

00:22:46,390 --> 00:22:44,080

certain gravitas that

572

00:22:49,590 --> 00:22:46,400

most regular folks respect

573

00:22:51,270 --> 00:22:49,600

oh you know you served you had this rank

574

00:22:53,350 --> 00:22:51,280

you alleged to have been involved in

575

00:22:54,470 --> 00:22:53,360

this incident i will take you more

576

00:22:57,029 --> 00:22:54,480

seriously

577

00:22:58,549 --> 00:22:57,039

than somebody with a civilian background

578

00:23:03,110 --> 00:22:58,559

right or wrong that's the way we

579

00:23:07,990 --> 00:23:05,270

what's up guys ryan dropping in to wish

580

00:23:09,990 --> 00:23:08,000

you all a very happy halloween season

581

00:23:13,350 --> 00:23:10,000

and what better way to celebrate than

582

00:23:16,149 --> 00:23:13,360

with jim harold's campfire podcast with

583

00:23:18,789 --> 00:23:16,159

over 500 episodes of campfire you'll

584

00:23:21,350 --> 00:23:18,799

hear stories that will bend your reality

585

00:23:23,750 --> 00:23:21,360

and leave you truly spooked

586

00:23:26,630 --> 00:23:23,760

the concept is pretty simple

587

00:23:29,510 --> 00:23:26,640

jim talks to regular folks about strange

588

00:23:32,549 --> 00:23:29,520

stuff that happens to them and yes that

589

00:23:35,830 --> 00:23:32,559

includes ufos and uaps along with

590

00:23:38,710 --> 00:23:35,840

cryptids and of course ghosts

591

00:23:41,430 --> 00:23:38,720

now not all the stories are horrifying

592

00:23:44,070 --> 00:23:41,440

some are pretty heartwarming like a

593

00:23:46,470 --> 00:23:44,080

visit from a past loved one or a

594

00:23:49,750 --> 00:23:46,480

peaceful near-death experience

595

00:23:52,390 --> 00:23:49,760

regardless they are true and fascinating

596

00:23:55,590 --> 00:23:52,400

stories as told by ordinary people

597

00:23:58,630 --> 00:23:55,600

who've had extraordinary experiences

598

00:24:01,750 --> 00:23:58,640

so pull up a log and tune in to jim

599

00:24:04,470 --> 00:24:01,760

harold's campfire on apple podcasts

600

00:24:06,070 --> 00:24:04,480

spotify or wherever you listen to

601
00:24:07,350 --> 00:24:06,080
somewhere in the skies

602
00:24:15,430 --> 00:24:07,360
and remember

603
00:24:19,110 --> 00:24:17,269
what's up guys ryan sprague here and i'm

604
00:24:21,669 --> 00:24:19,120
just dropping in to remind you about our

605
00:24:23,750 --> 00:24:21,679
patreon campaign somewhere in the skies

606
00:24:25,510 --> 00:24:23,760
is always free to consume but it's not

607
00:24:28,310 --> 00:24:25,520
free to create so if you want to help

608
00:24:30,870 --> 00:24:28,320
the show on a monthly basis we have tons

609
00:24:33,430 --> 00:24:30,880
of rewards for you in return including

610
00:24:36,630 --> 00:24:33,440
shout outs on the show and website bonus

611
00:24:38,870 --> 00:24:36,640
content and episodes and free merch

612
00:24:41,590 --> 00:24:38,880
want to be my guest or pick a topic for

613
00:24:43,190 --> 00:24:41,600

the show you can do that too so if you'd

614

00:24:44,830 --> 00:24:43,200

like to learn more and to help support

615

00:24:48,310 --> 00:24:44,840

the show visit

616

00:24:49,340 --> 00:24:48,320

patreon.com summerskies thank you and

617

00:24:52,070 --> 00:24:49,350

keep looking up

618

00:24:53,590 --> 00:24:52,080

[Music]

619

00:24:56,470 --> 00:24:53,600

i'd love to piggyback off of that

620

00:24:58,230 --> 00:24:56,480

quickly peter um the stigma and ridicule

621

00:25:00,390 --> 00:24:58,240

shedding that was one of the big things

622

00:25:02,149 --> 00:25:00,400

they said in that assessment is they

623

00:25:04,630 --> 00:25:02,159

want to shed the stigma within the

624

00:25:08,070 --> 00:25:04,640

military so that they will report these

625

00:25:10,149 --> 00:25:08,080

things and that was extremely uh

626

00:25:13,350 --> 00:25:10,159

hopeful to hear that and i can only

627

00:25:15,669 --> 00:25:13,360

imagine and also the dod saying if you

628

00:25:17,669 --> 00:25:15,679

see a ufo or uap you have to report it

629

00:25:19,990 --> 00:25:17,679

within i think two weeks or something

630

00:25:21,269 --> 00:25:20,000

they said i mean this is uncanny what

631

00:25:22,870 --> 00:25:21,279

they're kind of

632

00:25:24,870 --> 00:25:22,880

we've never seen anything like that so

633

00:25:27,590 --> 00:25:24,880

i'd love to know bob um

634

00:25:28,549 --> 00:25:27,600

since this report has come out and since

635

00:25:31,190 --> 00:25:28,559

you know

636

00:25:33,110 --> 00:25:31,200

that ridicule factor is shedding within

637

00:25:35,590 --> 00:25:33,120

the military and i guess in the

638

00:25:38,710 --> 00:25:35,600

intelligence agencies are you seeing an

639

00:25:42,149 --> 00:25:38,720

influx of more reports of nuclear

640

00:25:44,230 --> 00:25:42,159

ufo uh sightings or um will we hear of

641

00:25:45,990 --> 00:25:44,240

new cases at the at the conference

642

00:25:48,710 --> 00:25:46,000

possibly

643

00:25:49,909 --> 00:25:48,720

uh yes i'll uh

644

00:25:51,029 --> 00:25:49,919

i'll mention

645

00:25:55,669 --> 00:25:51,039

uh

646

00:25:59,430 --> 00:25:55,679

the four that will be

647

00:26:03,110 --> 00:25:59,440

speaking i'll mention other witnesses

648

00:26:05,510 --> 00:26:03,120

of course some of them have passed

649

00:26:11,510 --> 00:26:08,470

just as a teaser

650

00:26:13,110 --> 00:26:11,520

there's information of fairly recent

651
00:26:16,149 --> 00:26:13,120
cases

652
00:26:17,269 --> 00:26:16,159
of ufos over nuclear weapons facilities

653
00:26:20,549 --> 00:26:17,279
uh

654
00:26:22,870 --> 00:26:20,559
that i'll just mention but um

655
00:26:25,350 --> 00:26:22,880
again some of these witnesses are

656
00:26:30,630 --> 00:26:25,360
reluctant to come forward

657
00:26:34,950 --> 00:26:31,669
so

658
00:26:36,710 --> 00:26:34,960
and don't want to be named

659
00:26:38,870 --> 00:26:36,720
but so even though

660
00:26:39,909 --> 00:26:38,880
the ridicule factor is just one factor

661
00:26:42,149 --> 00:26:39,919
of course

662
00:26:46,149 --> 00:26:42,159
the other factor is

663
00:26:49,750 --> 00:26:46,159

concern about their careers their jobs

664

00:26:52,710 --> 00:26:49,760

even concerned about their safety

665

00:26:53,990 --> 00:26:52,720

so these are still hurdles that need to

666

00:26:56,230 --> 00:26:54,000

be overcome

667

00:26:57,430 --> 00:26:56,240

and i think open hearings will go a

668

00:26:59,430 --> 00:26:57,440

great

669

00:27:00,310 --> 00:26:59,440

uh deal

670

00:27:03,990 --> 00:27:00,320

to

671

00:27:07,990 --> 00:27:05,110

you know

672

00:27:09,110 --> 00:27:08,000

i i had a question for for bob if i

673

00:27:11,590 --> 00:27:09,120

could

674

00:27:13,350 --> 00:27:11,600

um first of all i wanted to say you know

675

00:27:15,669 --> 00:27:13,360

thank you for the presentation you made

676

00:27:18,070 --> 00:27:15,679

at the mufon uh symposium it was

677

00:27:20,310 --> 00:27:18,080

fascinating i learned a lot from that it

678

00:27:21,110 --> 00:27:20,320

was really great so i really appreciated

679

00:27:24,710 --> 00:27:21,120

that

680

00:27:27,350 --> 00:27:24,720

um kind of tagging along on this this uh

681

00:27:29,830 --> 00:27:27,360

recently released report

682

00:27:31,269 --> 00:27:29,840

uh one thing i think is an elephant in

683

00:27:33,029 --> 00:27:31,279

the room first of all i really

684

00:27:37,029 --> 00:27:33,039

appreciate that the navy's you know

685

00:27:39,350 --> 00:27:37,039

taking the lead uh on this topic and um

686

00:27:41,590 --> 00:27:39,360

you know this investigation and so forth

687

00:27:43,590 --> 00:27:41,600

but what really stands out to me is

688

00:27:45,269 --> 00:27:43,600

where's the air force on this thing i

689

00:27:47,590 --> 00:27:45,279

mean um

690

00:27:49,909 --> 00:27:47,600

do you think that they they just have

691

00:27:51,350 --> 00:27:49,919

had enough after project blue book and

692

00:27:53,750 --> 00:27:51,360

they're just keeping their head down and

693

00:27:54,470 --> 00:27:53,760

they don't want to participate anymore

694

00:28:00,070 --> 00:27:54,480

or

695

00:28:02,470 --> 00:28:00,080

me it just it screams loudly where are

696

00:28:04,149 --> 00:28:02,480

they in and what are they doing they

697

00:28:06,549 --> 00:28:04,159

probably have a

698

00:28:08,950 --> 00:28:06,559

bunch of information behind the scenes

699

00:28:10,710 --> 00:28:08,960

um that could be of use and i don't know

700

00:28:12,310 --> 00:28:10,720

if they're cooperating i suppose they

701
00:28:14,070 --> 00:28:12,320
must be with the

702
00:28:16,310 --> 00:28:14,080
congressional report and all those

703
00:28:19,029 --> 00:28:16,320
requirements

704
00:28:22,070 --> 00:28:19,039
yeah shane that's a great question

705
00:28:24,230 --> 00:28:22,080
i'm chuckling um

706
00:28:25,990 --> 00:28:24,240
first of all i'm an air force academy

707
00:28:29,029 --> 00:28:26,000
grad right and i

708
00:28:31,750 --> 00:28:29,039
i consider myself a professional uh

709
00:28:34,710 --> 00:28:31,760
lifetime officer before i resigned but

710
00:28:40,310 --> 00:28:37,669
the air force uh is probably hiding

711
00:28:41,669 --> 00:28:40,320
their head in shame right now

712
00:28:43,350 --> 00:28:41,679
because

713
00:28:46,950 --> 00:28:43,360

even though they

714

00:28:49,510 --> 00:28:46,960

you know in 1969 they issued a statement

715

00:28:51,269 --> 00:28:49,520

on ufos stating

716

00:28:52,789 --> 00:28:51,279

they were not of national security

717

00:28:54,789 --> 00:28:52,799

interests and

718

00:28:57,990 --> 00:28:54,799

as a result of

719

00:28:59,909 --> 00:28:58,000

the so-called condon investigation

720

00:29:01,830 --> 00:28:59,919

which was a complete whitewash by the

721

00:29:04,549 --> 00:29:01,840

way and i talked about that at the

722

00:29:07,430 --> 00:29:04,559

length in my latest book

723

00:29:12,710 --> 00:29:10,789

since 1969 the official position of the

724

00:29:14,630 --> 00:29:12,720

air force is

725

00:29:16,470 --> 00:29:14,640

what i just said it's not of great

726

00:29:18,630 --> 00:29:16,480

interest to them it's not a

727

00:29:22,070 --> 00:29:18,640

national security issue

728

00:29:24,549 --> 00:29:22,080

and therefore we're not going to

729

00:29:28,310 --> 00:29:24,559

evaluate reports ask for reports or

730

00:29:30,149 --> 00:29:28,320

study reports on ufos

731

00:29:32,470 --> 00:29:30,159

but it wasn't long after that they

732

00:29:34,950 --> 00:29:32,480

started having

733

00:29:37,110 --> 00:29:34,960

more sightings over nuclear bases and i

734

00:29:38,789 --> 00:29:37,120

know 1975

735

00:29:41,510 --> 00:29:38,799

for example

736

00:29:42,870 --> 00:29:41,520

there were again um

737

00:29:45,669 --> 00:29:42,880

signings

738

00:29:47,350 --> 00:29:45,679

uh at mountain air force base

739

00:29:49,269 --> 00:29:47,360

76

740

00:29:50,149 --> 00:29:49,279

77

741

00:29:52,830 --> 00:29:50,159

uh

742

00:29:55,750 --> 00:29:52,840

on and on 79

743

00:29:57,269 --> 00:29:55,760

uh i could i could list quite a few

744

00:30:01,190 --> 00:29:57,279

instances

745

00:30:02,950 --> 00:30:01,200

up until like i say uh 2018

746

00:30:06,470 --> 00:30:02,960

2018

747

00:30:08,950 --> 00:30:06,480

uh reports of nuclear

748

00:30:11,430 --> 00:30:08,960

incursions by ufos

749

00:30:14,230 --> 00:30:11,440

at nuclear weapons bases so

750

00:30:16,070 --> 00:30:14,240

the air force is trying to hide but uh i

751

00:30:17,269 --> 00:30:16,080

don't think they'll be successful for

752

00:30:21,830 --> 00:30:17,279

long

753

00:30:23,510 --> 00:30:21,840

at least not after our presentations

754

00:30:26,070 --> 00:30:23,520

um great

755

00:30:32,870 --> 00:30:30,389

as a young student of of ufology um

756

00:30:36,470 --> 00:30:32,880

i encountered the

757

00:30:38,470 --> 00:30:36,480

work of dr edward ew condon who headed

758

00:30:40,789 --> 00:30:38,480

up that committee and the more i learned

759

00:30:43,990 --> 00:30:40,799

about him the more he seemed the exact

760

00:30:45,190 --> 00:30:44,000

wrong person for the job uh dedicated to

761

00:30:47,909 --> 00:30:45,200

debunking

762

00:30:49,830 --> 00:30:47,919

and i'm tempted to say irreverent as it

763

00:30:50,470 --> 00:30:49,840

is it might be more appropriate to call

764

00:30:52,149 --> 00:30:50,480

it

765

00:30:52,950 --> 00:30:52,159

the condom report

766

00:30:55,190 --> 00:30:52,960

but

767

00:30:57,990 --> 00:30:55,200

it's my show and i can say that

768

00:31:02,710 --> 00:31:01,269

can you say that on air peter

769

00:31:09,590 --> 00:31:02,720

let's all say it together a condom

770

00:31:14,470 --> 00:31:12,230

um i think that's okay in this day and

771

00:31:17,110 --> 00:31:14,480

age um

772

00:31:19,669 --> 00:31:18,549

the reality

773

00:31:20,950 --> 00:31:19,679

of

774

00:31:22,950 --> 00:31:20,960

being

775

00:31:25,190 --> 00:31:22,960

a military officer

776

00:31:26,149 --> 00:31:25,200

and being caught up in an event like

777

00:31:28,389 --> 00:31:26,159

this

778

00:31:30,470 --> 00:31:28,399

is an abstraction

779

00:31:31,430 --> 00:31:30,480

to any one of us that has not had it

780

00:31:34,630 --> 00:31:31,440

happen

781

00:31:37,190 --> 00:31:34,640

and over the decades i've spoken with a

782

00:31:38,470 --> 00:31:37,200

small number of former military

783

00:31:40,630 --> 00:31:38,480

personnel

784

00:31:42,549 --> 00:31:40,640

who have shared with me bits and pieces

785

00:31:44,470 --> 00:31:42,559

of events

786

00:31:47,190 --> 00:31:44,480

i know we're not here to talk about your

787

00:31:51,269 --> 00:31:47,200

book bob but can

788

00:31:54,389 --> 00:31:51,279

the the impact of that event in 1967

789

00:31:56,710 --> 00:31:54,399

has to had to have transformed you

790

00:31:58,549 --> 00:31:56,720

obviously you couldn't go

791

00:32:00,710 --> 00:31:58,559

public as uh

792

00:32:03,430 --> 00:32:00,720

you know a zealot to get to the bottom

793

00:32:05,269 --> 00:32:03,440

of this in public at that time

794

00:32:07,110 --> 00:32:05,279

but

795

00:32:10,149 --> 00:32:07,120

could you characterize the change that

796

00:32:12,789 --> 00:32:10,159

you went through having lived through

797

00:32:16,149 --> 00:32:12,799

watching you know essentially the nukes

798

00:32:18,950 --> 00:32:16,159

uh the the ufos that were above ground

799

00:32:20,149 --> 00:32:18,960

that you were hearing referred to

800

00:32:25,669 --> 00:32:20,159

you know

801
00:32:32,630 --> 00:32:30,470
uh yeah peter uh i can tell you that was

802
00:32:34,710 --> 00:32:32,640
life-changing no doubt about it before

803
00:32:36,789 --> 00:32:34,720
the incident um

804
00:32:37,990 --> 00:32:36,799
i didn't think about ufos at all even

805
00:32:40,870 --> 00:32:38,000
though there were

806
00:32:44,549 --> 00:32:40,880
newspaper reports in the great falls

807
00:32:46,389 --> 00:32:44,559
tribune all that week in previous weeks

808
00:32:47,430 --> 00:32:46,399
i was reading reports about lights in

809
00:32:50,389 --> 00:32:47,440
the sky

810
00:32:52,630 --> 00:32:50,399
i just laughed it off um

811
00:32:53,509 --> 00:32:52,640
i'll tell you what really got to me

812
00:32:55,190 --> 00:32:53,519
was

813
00:32:58,389 --> 00:32:55,200

the

814

00:33:00,230 --> 00:32:58,399

object fear those guys upstairs were

815

00:33:03,110 --> 00:33:00,240

feeling as they were

816

00:33:05,190 --> 00:33:03,120

uh confronting this object they were

817

00:33:08,389 --> 00:33:05,200

very very close to it

818

00:33:10,870 --> 00:33:08,399

there was a pulsating red-orange light

819

00:33:11,669 --> 00:33:10,880

just hovering there silently

820

00:33:16,230 --> 00:33:11,679

uh

821

00:33:18,389 --> 00:33:16,240

the next day of course i was sworn to

822

00:33:20,549 --> 00:33:18,399

secrecy had to sign a

823

00:33:23,430 --> 00:33:20,559

nondisclosure statement

824

00:33:26,070 --> 00:33:23,440

but the uh the guards

825

00:33:28,389 --> 00:33:26,080

a group of the guards called me at home

826

00:33:30,470 --> 00:33:28,399

the next morning

827

00:33:32,149 --> 00:33:30,480

after

828

00:33:34,070 --> 00:33:32,159

it happened and

829

00:33:36,070 --> 00:33:34,080

begged me literally begged me to come

830

00:33:38,549 --> 00:33:36,080

and talk to them

831

00:33:40,630 --> 00:33:38,559

and see if we could figure out what the

832

00:33:42,950 --> 00:33:40,640

heck was going on

833

00:33:45,750 --> 00:33:42,960

and i had to turn them down uh

834

00:33:48,149 --> 00:33:45,760

to me that was uh

835

00:33:49,990 --> 00:33:48,159

that was what stuck with me that's just

836

00:33:53,590 --> 00:33:50,000

let's just say that it just stuck with

837

00:33:55,990 --> 00:33:53,600

me for over 27 years

838

00:33:59,190 --> 00:33:56,000

that i had to stay silent about this

839

00:34:02,149 --> 00:33:59,200

yeah yeah and thank god for

840

00:34:05,509 --> 00:34:02,159

peter i'm sorry ray fowler

841

00:34:06,870 --> 00:34:05,519

yes who you're aware of i'm sure sure

842

00:34:09,750 --> 00:34:06,880

who is your

843

00:34:11,990 --> 00:34:09,760

who is still alive by the way he sure is

844

00:34:13,030 --> 00:34:12,000

working on a new book

845

00:34:16,550 --> 00:34:13,040

he is

846

00:34:19,190 --> 00:34:16,560

and if it wasn't for him i i certainly

847

00:34:21,750 --> 00:34:19,200

could not have uh

848

00:34:23,669 --> 00:34:21,760

come forward because it was his

849

00:34:26,629 --> 00:34:23,679

uh story in this in the christian

850

00:34:29,510 --> 00:34:26,639

science monitor in 1973

851
00:34:32,629 --> 00:34:29,520
that uh timothy good somehow got a hold

852
00:34:35,750 --> 00:34:32,639
of and put in his book above top secret

853
00:34:39,430 --> 00:34:35,760
and a result of mike uh

854
00:34:41,510 --> 00:34:39,440
reading a a small paragraph in that book

855
00:34:43,030 --> 00:34:41,520
that um

856
00:34:45,349 --> 00:34:43,040
i had

857
00:34:48,389 --> 00:34:45,359
i decided to come forward after

858
00:34:50,310 --> 00:34:48,399
receiving documents from the air force

859
00:34:51,990 --> 00:34:50,320
under the free innovation the freedom of

860
00:34:54,310 --> 00:34:52,000
information act

861
00:34:57,510 --> 00:34:54,320
well not surprisingly bob

862
00:35:00,310 --> 00:34:57,520
uh ray fowler wrote

863
00:35:01,349 --> 00:35:00,320

a really elegant um

864

00:35:02,790 --> 00:35:01,359

forward

865

00:35:06,390 --> 00:35:02,800

to um

866

00:35:07,510 --> 00:35:06,400

your and james klotz's book faded giant

867

00:35:10,310 --> 00:35:07,520

and

868

00:35:11,349 --> 00:35:10,320

if i may take a liberty um

869

00:35:15,670 --> 00:35:11,359

the

870

00:35:18,150 --> 00:35:15,680

weapons technology when you were a

871

00:35:20,710 --> 00:35:18,160

a nuclear missiles officer

872

00:35:24,630 --> 00:35:20,720

you were um overseeing

873

00:35:26,310 --> 00:35:24,640

a battery of minutemen missiles correct

874

00:35:27,430 --> 00:35:26,320

right middlemen won

875

00:35:30,870 --> 00:35:27,440

yeah

876
00:35:32,710 --> 00:35:30,880
if i may um i've collected some images

877
00:35:34,150 --> 00:35:32,720
here and i just like to go through them

878
00:35:36,870 --> 00:35:34,160
fairly quickly

879
00:35:39,030 --> 00:35:36,880
this is a fairly substantial missile and

880
00:35:41,990 --> 00:35:39,040
i know that

881
00:35:44,390 --> 00:35:42,000
even all these years later

882
00:35:47,270 --> 00:35:44,400
it would be inappropriate to ask you

883
00:35:49,510 --> 00:35:47,280
specifics about

884
00:35:51,510 --> 00:35:49,520
its power um

885
00:35:53,510 --> 00:35:51,520
how many

886
00:35:55,589 --> 00:35:53,520
megatons etc

887
00:35:59,349 --> 00:35:55,599
but

888
00:36:01,910 --> 00:35:59,359

i just wanted to sometimes images and

889

00:36:04,550 --> 00:36:01,920

again i'm a very visual person

890

00:36:05,589 --> 00:36:04,560

can bring a point home and underscore

891

00:36:09,349 --> 00:36:05,599

words

892

00:36:10,950 --> 00:36:09,359

we have these underground at locations

893

00:36:12,710 --> 00:36:10,960

around this country

894

00:36:14,150 --> 00:36:12,720

in other countries

895

00:36:16,150 --> 00:36:14,160

ready to go

896

00:36:17,270 --> 00:36:16,160

on a moment's notice

897

00:36:22,230 --> 00:36:17,280

and

898

00:36:24,150 --> 00:36:22,240

realize you were there

899

00:36:26,790 --> 00:36:24,160

as a schematic

900

00:36:30,390 --> 00:36:26,800

as schematics like this illustrate

901
00:36:30,400 --> 00:36:33,109
and

902
00:36:36,710 --> 00:36:34,470
ah that's

903
00:36:38,950 --> 00:36:36,720
part of another thing but yeah the

904
00:36:40,790 --> 00:36:38,960
reality of

905
00:36:41,670 --> 00:36:40,800
being stationed

906
00:36:42,790 --> 00:36:41,680
there

907
00:36:45,270 --> 00:36:42,800
um

908
00:36:47,670 --> 00:36:45,280
in the middle of a very remote area

909
00:36:48,870 --> 00:36:47,680
and that blast door you know you could

910
00:36:50,710 --> 00:36:48,880
go by

911
00:36:53,910 --> 00:36:50,720
if there were roads you know 100 feet

912
00:36:57,190 --> 00:36:53,920
away and not even see that blast door

913
00:36:58,870 --> 00:36:57,200

right there anyway i i just wanted to um

914

00:37:00,390 --> 00:36:58,880

share those with you as well as this

915

00:37:04,710 --> 00:37:00,400

portrait of a very

916

00:37:11,750 --> 00:37:07,990

that's a handsome captain yeah

917

00:37:16,230 --> 00:37:14,310

if he said turn that key you should turn

918

00:37:17,190 --> 00:37:16,240

that key

919

00:37:19,030 --> 00:37:17,200

um

920

00:37:21,270 --> 00:37:19,040

very briefly for anybody that's never

921

00:37:23,510 --> 00:37:21,280

visited the national press club

922

00:37:27,190 --> 00:37:23,520

it is a location

923

00:37:28,069 --> 00:37:27,200

with the uh the class i think one could

924

00:37:28,950 --> 00:37:28,079

say

925

00:37:31,670 --> 00:37:28,960

um

926
00:37:34,710 --> 00:37:31,680
that would one would want to see

927
00:37:37,510 --> 00:37:34,720
um for an event like this there is

928
00:37:40,870 --> 00:37:37,520
robert salas off to the left

929
00:37:46,630 --> 00:37:40,880
and these shots were taken by me in

930
00:37:46,640 --> 00:37:49,510
another one there

931
00:37:55,270 --> 00:37:52,069
again uh a break time

932
00:37:58,390 --> 00:37:55,280
and um here's a shot of you bob

933
00:38:00,630 --> 00:37:58,400
with somebody who we just lost and who

934
00:38:01,750 --> 00:38:00,640
i'm so glad i got to meet

935
00:38:02,829 --> 00:38:01,760
was

936
00:38:05,670 --> 00:38:02,839
there at the

937
00:38:08,710 --> 00:38:05,680
time actually um

938
00:38:09,589 --> 00:38:08,720

paul hillier is when he came forward he

939

00:38:12,550 --> 00:38:09,599

was

940

00:38:14,870 --> 00:38:12,560

the highest ranking government official

941

00:38:18,069 --> 00:38:14,880

in history to come forward and say i

942

00:38:19,750 --> 00:38:18,079

take this seriously and paul hilliard

943

00:38:23,270 --> 00:38:19,760

was the former

944

00:38:24,790 --> 00:38:23,280

secretary of defense for canada

945

00:38:26,470 --> 00:38:24,800

major player

946

00:38:28,550 --> 00:38:26,480

and uh

947

00:38:32,790 --> 00:38:28,560

us with some of our colleagues at the

948

00:38:38,069 --> 00:38:35,750

yeah it was a spectacular job and again

949

00:38:40,550 --> 00:38:38,079

thanks eternally to

950

00:38:44,390 --> 00:38:40,560

the amazing human machine that we call

951
00:38:47,910 --> 00:38:44,400
steven bassett for creating this

952
00:38:50,150 --> 00:38:47,920
yeah i agree peter uh cms has done a

953
00:38:52,069 --> 00:38:50,160
great job through the years uh

954
00:38:53,589 --> 00:38:52,079
pushing for disclosure

955
00:38:54,790 --> 00:38:53,599
yes uh

956
00:38:59,109 --> 00:38:54,800
and uh

957
00:39:01,109 --> 00:38:59,119
i thoroughly enjoyed that 2013 event

958
00:39:01,990 --> 00:39:01,119
it almost felt like an actual hearing

959
00:39:05,109 --> 00:39:02,000
didn't it

960
00:39:06,550 --> 00:39:05,119
it surely did and again um as anybody

961
00:39:07,510 --> 00:39:06,560
that's not aware

962
00:39:10,870 --> 00:39:07,520
uh

963
00:39:12,390 --> 00:39:10,880

stephen had received a massive donation

964

00:39:15,349 --> 00:39:12,400

to create this

965

00:39:18,790 --> 00:39:15,359

and he had the funds

966

00:39:19,750 --> 00:39:18,800

to hire at an extraordinarily generous

967

00:39:22,390 --> 00:39:19,760

rate

968

00:39:25,990 --> 00:39:22,400

serving senators or congressional

969

00:39:27,990 --> 00:39:26,000

representatives to simply take some time

970

00:39:30,390 --> 00:39:28,000

i think it was scheduled at a time that

971

00:39:32,630 --> 00:39:30,400

congress was not in session

972

00:39:35,430 --> 00:39:32,640

and not surprisingly not a single one of

973

00:39:38,069 --> 00:39:35,440

them showed up but none of them were

974

00:39:41,190 --> 00:39:38,079

willing again to risk ridicule

975

00:39:43,750 --> 00:39:41,200

by being on that panel in this

976

00:39:45,670 --> 00:39:43,760

simulated congressional investigation

977

00:39:48,470 --> 00:39:45,680

and steve did the next best thing and he

978

00:39:49,910 --> 00:39:48,480

re he hired a number of retired

979

00:39:50,950 --> 00:39:49,920

congressional

980

00:39:54,069 --> 00:39:50,960

well

981

00:39:57,030 --> 00:39:54,079

representatives and one retired senator

982

00:39:58,630 --> 00:39:57,040

and it was very interesting

983

00:40:01,349 --> 00:39:58,640

i think they were all honest and they

984

00:40:03,109 --> 00:40:01,359

did as good a job as they could in

985

00:40:06,309 --> 00:40:03,119

doing what they would normally do if it

986

00:40:08,390 --> 00:40:06,319

were a real official event and uh to

987

00:40:10,309 --> 00:40:08,400

watch some of their minds change

988

00:40:12,870 --> 00:40:10,319

and many of them were really frank about

989

00:40:15,510 --> 00:40:12,880

it in their closing remarks so

990

00:40:19,349 --> 00:40:15,520

again you are following in marvelous

991

00:40:21,829 --> 00:40:19,359

footsteps here and the location is the

992

00:40:24,710 --> 00:40:21,839

best location you could have to

993

00:40:26,790 --> 00:40:24,720

underscore the seriousness of this event

994

00:40:28,710 --> 00:40:26,800

next month

995

00:40:30,710 --> 00:40:28,720

uh yes peter um

996

00:40:33,910 --> 00:40:30,720

let me just mention real quickly we've

997

00:40:36,390 --> 00:40:33,920

still got our fundraising event going um

998

00:40:38,950 --> 00:40:36,400

if you visit my

999

00:40:41,670 --> 00:40:38,960

facebook page there's a link there but

1000

00:40:43,510 --> 00:40:41,680

it's a gofundme page

1001

00:40:47,990 --> 00:40:43,520

we're almost to the

1002

00:40:51,670 --> 00:40:48,000

goal of uh 13 000 and uh

1003

00:40:53,510 --> 00:40:51,680

i know that sounds like a lot of money

1004

00:40:57,030 --> 00:40:53,520

but

1005

00:41:00,150 --> 00:40:57,040

it is uh an amount that's uh

1006

00:41:01,349 --> 00:41:00,160

necessary to put this on and do a good

1007

00:41:05,510 --> 00:41:01,359

job

1008

00:41:07,349 --> 00:41:05,520

in fact um of the 13 000 you have raised

1009

00:41:09,829 --> 00:41:07,359

about twelve thousand already haven't

1010

00:41:11,990 --> 00:41:09,839

you yes we're over twelve thousand i

1011

00:41:14,230 --> 00:41:12,000

think we're uh let's count twelve

1012

00:41:16,630 --> 00:41:14,240

thousand one hundred and one

1013

00:41:18,950 --> 00:41:16,640

well this is one of those moments

1014

00:41:20,790 --> 00:41:18,960

where listeners and viewers who are

1015

00:41:23,030 --> 00:41:20,800

interested in this subject

1016

00:41:25,430 --> 00:41:23,040

take it seriously

1017

00:41:26,470 --> 00:41:25,440

and beyond that want to see real change

1018

00:41:28,550 --> 00:41:26,480

occur

1019

00:41:31,030 --> 00:41:28,560

where you can make a difference so

1020

00:41:33,510 --> 00:41:31,040

please consider visiting

1021

00:41:34,390 --> 00:41:33,520

bob's facebook page and making a

1022

00:41:36,390 --> 00:41:34,400

donation

1023

00:41:39,349 --> 00:41:36,400

and let's uh over the top

1024

00:41:42,150 --> 00:41:39,359

peter if i might add

1025

00:41:44,950 --> 00:41:42,160

a special offer just for your audience

1026

00:41:49,829 --> 00:41:47,190

anyone who donates a hundred dollars or

1027

00:41:51,910 --> 00:41:49,839

more i will uh send them one of my my

1028

00:41:54,790 --> 00:41:51,920

book uh faded giant

1029

00:41:57,109 --> 00:41:54,800

uh signed copy and uh

1030

00:41:59,430 --> 00:41:57,119

and uh it'll be sent to their home free

1031

00:42:01,349 --> 00:41:59,440

of charge

1032

00:42:03,829 --> 00:42:01,359

um

1033

00:42:20,630 --> 00:42:03,839

i

1034

00:42:21,589 --> 00:42:20,640

ufos and nukes

1035

00:42:23,030 --> 00:42:21,599

is

1036

00:42:25,990 --> 00:42:23,040

a groundbreaker

1037

00:42:28,870 --> 00:42:26,000

but there are bloody few

1038

00:42:30,630 --> 00:42:28,880

accounts by individuals involved in ufo

1039

00:42:33,270 --> 00:42:30,640

nuclear events

1040

00:42:35,670 --> 00:42:33,280

i i highly recommend it so please

1041

00:42:38,150 --> 00:42:35,680

consider for both of those reasons

1042

00:42:42,390 --> 00:42:38,160

support this work um

1043

00:42:44,630 --> 00:42:42,400

we have now um about five minutes before

1044

00:42:46,950 --> 00:42:44,640

we go to our break

1045

00:42:49,190 --> 00:42:46,960

bob any closing remarks before we turn

1046

00:42:51,589 --> 00:42:49,200

it over to our panel

1047

00:42:56,390 --> 00:42:51,599

i just want to thank everybody

1048

00:42:57,950 --> 00:42:56,400

out there who has donated to this effort

1049

00:43:00,870 --> 00:42:57,960

i i consider it a personal

1050

00:43:04,870 --> 00:43:00,880

responsibility because i had the

1051
00:43:08,309 --> 00:43:06,230
and uh

1052
00:43:10,710 --> 00:43:08,319
these incidents that we'll be talking

1053
00:43:13,589 --> 00:43:10,720
about including my own uh are well

1054
00:43:17,589 --> 00:43:13,599
documented or well supported

1055
00:43:19,510 --> 00:43:17,599
uh they really happen they're real

1056
00:43:21,589 --> 00:43:19,520
and

1057
00:43:24,550 --> 00:43:21,599
again i want to thank everyone because

1058
00:43:27,190 --> 00:43:24,560
this has been a grassroots effort it's

1059
00:43:30,710 --> 00:43:27,200
we've had so many donors come forward uh

1060
00:43:34,470 --> 00:43:30,720
some very generous donors by the way um

1061
00:43:36,790 --> 00:43:34,480
and uh but i appreciate all of them um

1062
00:43:38,829 --> 00:43:36,800
we are going to do the absolute best job

1063
00:43:42,550 --> 00:43:38,839

we can

1064

00:43:45,030 --> 00:43:42,560
of making a strong uh case

1065

00:43:47,750 --> 00:43:45,040
uh for open hearings

1066

00:43:48,710 --> 00:43:47,760
and uh that's our only purpose

1067

00:43:50,309 --> 00:43:48,720
uh

1068

00:43:52,950 --> 00:43:50,319
to get to congress to take this

1069

00:43:56,390 --> 00:43:52,960
seriously because if they don't

1070

00:43:58,309 --> 00:43:56,400
uh they will be uh

1071

00:44:01,910 --> 00:43:58,319
let's say stymied

1072

00:44:03,510 --> 00:44:01,920
uh by those keeping the secrets uh and

1073

00:44:04,790 --> 00:44:03,520
they're gonna drag their feet as long as

1074

00:44:08,470 --> 00:44:04,800
they can

1075

00:44:10,470 --> 00:44:08,480
uh unless we give them a push so yeah

1076

00:44:11,589 --> 00:44:10,480

this is what we're trying to do

1077

00:44:15,270 --> 00:44:11,599

thank you

1078

00:44:16,790 --> 00:44:15,280

bravo my friend um gentlemen ryan jason

1079

00:44:18,870 --> 00:44:16,800

shane

1080

00:44:20,390 --> 00:44:18,880

sum up your thoughts or

1081

00:44:21,270 --> 00:44:20,400

the floor is yours for the next three

1082

00:44:22,550 --> 00:44:21,280

minutes

1083

00:44:24,550 --> 00:44:22,560

go nuts

1084

00:44:27,910 --> 00:44:24,560

well bob i just wanted to say thank you

1085

00:44:29,910 --> 00:44:27,920

um about seven years ago when i first

1086

00:44:33,349 --> 00:44:29,920

met my my partner

1087

00:44:36,150 --> 00:44:33,359

uh i had been very timid to tell

1088

00:44:38,630 --> 00:44:36,160

dates that i was a ufo researcher but

1089

00:44:40,870 --> 00:44:38,640

when i first met her and i told her i

1090

00:44:42,870 --> 00:44:40,880

was a ufo researcher i expected her to

1091

00:44:45,190 --> 00:44:42,880

walk away and never talk to me and her

1092

00:44:49,270 --> 00:44:45,200

first question for me was have you ever

1093

00:44:51,030 --> 00:44:49,280

read faded giant i'm not kidding

1094

00:44:53,030 --> 00:44:51,040

i knew it was meant to be

1095

00:44:54,309 --> 00:44:53,040

we've been together ever since so i have

1096

00:44:56,950 --> 00:44:54,319

to thank you

1097

00:44:59,190 --> 00:44:56,960

for uh for that i truly do and for many

1098

00:45:01,109 --> 00:44:59,200

other things as well where does one find

1099

00:45:06,309 --> 00:45:01,119

a girl like that

1100

00:45:10,230 --> 00:45:08,470

that's great that's a great story she

1101
00:45:13,030 --> 00:45:10,240
read it before you did

1102
00:45:16,950 --> 00:45:14,950
well i just want to say congrats again

1103
00:45:18,230 --> 00:45:16,960
bob i mean i wish you all the luck in

1104
00:45:21,270 --> 00:45:18,240
the world with this thing i think it's

1105
00:45:23,349 --> 00:45:21,280
hugely important so i do hope the press

1106
00:45:25,990 --> 00:45:23,359
and the government uh pay attention and

1107
00:45:27,910 --> 00:45:26,000
take it seriously and

1108
00:45:29,589 --> 00:45:27,920
thank you again for for

1109
00:45:32,230 --> 00:45:29,599
you know telling people how they can can

1110
00:45:33,829 --> 00:45:32,240
donate to to help make this event uh

1111
00:45:35,589 --> 00:45:33,839
more impactful and thank you for the

1112
00:45:37,270 --> 00:45:35,599
generous offer about the book i'm going

1113
00:45:39,109 --> 00:45:37,280

to have to look into that

1114

00:45:40,470 --> 00:45:39,119

okay great

1115

00:45:42,630 --> 00:45:40,480

shane

1116

00:45:44,870 --> 00:45:42,640

yeah same same for me bob thank you so

1117

00:45:46,630 --> 00:45:44,880

much for doing this and and i do

1118

00:45:50,230 --> 00:45:46,640

appreciate the book offer and i'm going

1119

00:45:51,030 --> 00:45:50,240

to take you up on that myself but um

1120

00:45:54,710 --> 00:45:51,040

yeah

1121

00:45:58,630 --> 00:45:54,720

it's uh i i can't think really of a more

1122

00:46:01,589 --> 00:45:58,640

important facet of the uap issue than a

1123

00:46:03,589 --> 00:46:01,599

relationship with our nuclear facilities

1124

00:46:05,829 --> 00:46:03,599

and weapons that kind of thing so i

1125

00:46:08,309 --> 00:46:05,839

think it's hugely important and to me

1126

00:46:10,230 --> 00:46:08,319

it's almost a no-brainer that the

1127

00:46:12,069 --> 00:46:10,240

government itself and the media and

1128

00:46:16,069 --> 00:46:12,079

others would take that that's one of the

1129

00:46:17,750 --> 00:46:16,079

more serious aspects of uap and so i i

1130

00:46:22,390 --> 00:46:17,760

wish you the most success on this

1131

00:46:27,490 --> 00:46:25,270

thank you shane thank you all um uh
