

SOMEWHERE IN THE SKIES

WITNESS ACCOUNTS

VOLUME EIGHTEEN

1
00:00:00,000 --> 00:00:09,589

[Music]

2
00:00:14,610 --> 00:00:12,549

this is somewhere in the skies with ryan

3
00:00:36,790 --> 00:00:14,620

spread

4
00:00:42,630 --> 00:00:39,270

hi ryan this is robbie

5
00:00:45,670 --> 00:00:42,640

i'm an air force veteran from the 1970s

6
00:00:47,510 --> 00:00:45,680

i enjoyed my time in the air force

7
00:00:51,910 --> 00:00:47,520

i was stationed at shepherd air force

8
00:00:56,630 --> 00:00:54,470

on a saturday night around midnight

9
00:00:58,709 --> 00:00:56,640

myself and two

10
00:01:00,310 --> 00:00:58,719

other airmen friends of mine

11
00:01:02,950 --> 00:01:00,320

we were

12
00:01:04,229 --> 00:01:02,960

sitting heading east

13
00:01:06,230 --> 00:01:04,239

we didn't have any money so we hadn't

14

00:01:08,950 --> 00:01:06,240

been drinking or anything

15

00:01:10,630 --> 00:01:08,960

we were just southwest of shepherd air

16

00:01:13,750 --> 00:01:10,640

force base

17

00:01:16,630 --> 00:01:13,760

low overcast skies

18

00:01:18,870 --> 00:01:16,640

we could see the uh kind of the glow of

19

00:01:20,870 --> 00:01:18,880

uh wichita falls texas off the bottom of

20

00:01:22,070 --> 00:01:20,880

the clouds

21

00:01:23,510 --> 00:01:22,080

um

22

00:01:26,310 --> 00:01:23,520

traveling

23

00:01:27,350 --> 00:01:26,320

west to east kind of over our right

24

00:01:30,149 --> 00:01:27,360

shoulder

25

00:01:31,550 --> 00:01:30,159

uh two lights came into view about as

26

00:01:34,710 --> 00:01:31,560

bright as uh

27

00:01:36,950 --> 00:01:34,720

1970s headlights you know each one was

28

00:01:40,550 --> 00:01:36,960

about right as a headlight

29

00:01:42,550 --> 00:01:40,560

uh traveling west east the first one uh

30

00:01:46,310 --> 00:01:42,560

i'd say it was doing 100 miles an hour

31

00:01:49,350 --> 00:01:46,320

second one going maybe 200 miles an hour

32

00:01:51,350 --> 00:01:49,360

they were i'm guessing a thousand foot

33

00:01:53,590 --> 00:01:51,360

above the ground

34

00:01:54,630 --> 00:01:53,600

we didn't think much of it it was common

35

00:01:57,190 --> 00:01:54,640

to see

36

00:01:59,030 --> 00:01:57,200

aircraft in the in the area especially

37

00:02:01,510 --> 00:01:59,040

you know around shepherd we figured they

38

00:02:03,910 --> 00:02:01,520

might be t38s

39

00:02:07,749 --> 00:02:03,920

they travel together often

40

00:02:10,790 --> 00:02:07,759

anyway we didn't observe any

41

00:02:12,869 --> 00:02:10,800

strobes or nav lights the red green navs

42

00:02:15,670 --> 00:02:12,879

that the aircraft have

43

00:02:18,470 --> 00:02:15,680

anyway uh we just kind of watched it we

44

00:02:22,150 --> 00:02:18,480

weren't thinking much of it just talking

45

00:02:24,309 --> 00:02:22,160

well the instant that the second light

46

00:02:26,790 --> 00:02:24,319

which was traveling approximately twice

47

00:02:28,630 --> 00:02:26,800

as fast as the lead light

48

00:02:30,630 --> 00:02:28,640

uh the instant that the second light

49

00:02:32,710 --> 00:02:30,640

caught up with the first

50

00:02:36,150 --> 00:02:32,720

it became one light

51
00:02:37,670 --> 00:02:36,160
not any brighter about the same as a as

52
00:02:40,949 --> 00:02:37,680
a headline

53
00:02:43,750 --> 00:02:40,959
but also at that instant it's shot

54
00:02:45,670 --> 00:02:43,760
straight up vertical

55
00:02:47,990 --> 00:02:45,680
from a

56
00:02:49,589 --> 00:02:48,000
zero vertical speed to thousands of

57
00:02:51,589 --> 00:02:49,599
miles an hour

58
00:02:54,070 --> 00:02:51,599
i've worked around all kind of

59
00:02:57,509 --> 00:02:54,080
supersonic aircraft and and high-tech

60
00:02:59,190 --> 00:02:57,519
weapons i have never seen anything in

61
00:03:02,630 --> 00:02:59,200
all the years

62
00:03:07,110 --> 00:03:02,640
travel nearly that speed nothing nothing

63
00:03:09,910 --> 00:03:07,120

at all um we talked about it briefly

64

00:03:12,390 --> 00:03:09,920

uh kind of what is that

65

00:03:14,949 --> 00:03:12,400

and then we didn't report it because we

66

00:03:18,390 --> 00:03:14,959

didn't know how to or where to and you

67

00:03:22,149 --> 00:03:20,630

since that time i've been in aviation

68

00:03:24,149 --> 00:03:22,159

all my life

69

00:03:27,030 --> 00:03:24,159

i've met other airmen

70

00:03:29,670 --> 00:03:27,040

air force and uh and navy

71

00:03:32,070 --> 00:03:29,680

that have similar and some far more

72

00:03:33,509 --> 00:03:32,080

spectacular stories

73

00:03:35,750 --> 00:03:33,519

than that

74

00:03:37,910 --> 00:03:35,760

i do want to share that i was stationed

75

00:03:41,030 --> 00:03:37,920

at canon

76
00:03:45,670 --> 00:03:41,040
in 75 i went from shepherd to cannon air

77
00:03:49,030 --> 00:03:45,680
force base in january 1976

78
00:03:50,789 --> 00:03:49,040
i did not observe this but i was friends

79
00:03:54,470 --> 00:03:50,799
with some of the security police the air

80
00:03:56,630 --> 00:03:54,480
force security police the sps

81
00:03:58,309 --> 00:03:56,640
and uh they would come stay at my place

82
00:04:00,470 --> 00:03:58,319
i had a little place out the back gate

83
00:04:02,710 --> 00:04:00,480
and you know we'd come they'd hang out

84
00:04:06,789 --> 00:04:02,720
we became fairly good friends

85
00:04:10,390 --> 00:04:06,799
anyway they observed in january 1976

86
00:04:11,990 --> 00:04:10,400
ufos on the flight line spectacular

87
00:04:13,990 --> 00:04:12,000
my

88
00:04:17,270 --> 00:04:14,000

vision of it as they described it is

89

00:04:19,189 --> 00:04:17,280

like what we saw in close encounters of

90

00:04:22,629 --> 00:04:19,199

the third kind

91

00:04:26,070 --> 00:04:22,639

you know that size that kind of lights

92

00:04:29,270 --> 00:04:26,080

this was multiple nights it was reported

93

00:04:31,670 --> 00:04:29,280

by cannon air force base command

94

00:04:34,070 --> 00:04:31,680

to washington dc it made the local

95

00:04:36,710 --> 00:04:34,080

newspapers you know

96

00:04:39,510 --> 00:04:36,720

um but it was the stories of the sps who

97

00:04:41,830 --> 00:04:39,520

actually witnessed it and it was their

98

00:04:42,790 --> 00:04:41,840

terror

99

00:04:44,390 --> 00:04:42,800

uh

100

00:04:46,950 --> 00:04:44,400

that i remember

101

00:04:49,350 --> 00:04:46,960

uh they got into heated debates

102

00:04:51,590 --> 00:04:49,360

some were angry that uh had been turned

103

00:04:54,390 --> 00:04:51,600

in because it was devastating to their

104

00:04:56,469 --> 00:04:54,400

career there was a horrible stigma about

105

00:04:57,350 --> 00:04:56,479

reporting these things

106

00:04:59,830 --> 00:04:57,360

uh

107

00:05:01,749 --> 00:04:59,840

my lifetime of dealing with pilots air

108

00:05:03,909 --> 00:05:01,759

force pilots especially

109

00:05:07,029 --> 00:05:03,919

whenever you brought up the conversation

110

00:05:09,189 --> 00:05:07,039

of hey have you ever seen a ufo uap

111

00:05:10,469 --> 00:05:09,199

there's a look on their face that comes

112

00:05:11,830 --> 00:05:10,479

across

113

00:05:14,070 --> 00:05:11,840

that

114

00:05:16,469 --> 00:05:14,080

it's not right it you can see they their

115

00:05:18,070 --> 00:05:16,479

eyes divert and uh

116

00:05:20,230 --> 00:05:18,080

that's been that way my whole life

117

00:05:22,469 --> 00:05:20,240

dealing with uh former military pilots

118

00:05:23,670 --> 00:05:22,479

is i don't know what it is again it's

119

00:05:25,270 --> 00:05:23,680

the stigma

120

00:05:27,830 --> 00:05:25,280

but you know i don't know what the air

121

00:05:31,189 --> 00:05:27,840

force or navy tells them

122

00:05:34,070 --> 00:05:31,199

anyway uh that's the uh

123

00:05:35,510 --> 00:05:34,080

i absolutely believe those sps

124

00:05:37,270 --> 00:05:35,520

and uh

125

00:05:41,029 --> 00:05:37,280

i wish someone would kind of look into

126

00:05:43,990 --> 00:05:41,039

that i i don't understand why

127

00:05:46,550 --> 00:05:44,000

um so many of these uaps ufos have what

128

00:05:48,629 --> 00:05:46,560

appears to be nav lights

129

00:05:50,330 --> 00:05:48,639

you know i mean do they have to follow

130

00:05:51,510 --> 00:05:50,340

faa regulations

131

00:05:53,830 --> 00:05:51,520

[Music]

132

00:05:56,150 --> 00:05:53,840

are they

133

00:05:57,990 --> 00:05:56,160

if they're human i don't understand how

134

00:06:00,629 --> 00:05:58,000

we did it because you know the maneuvers

135

00:06:02,230 --> 00:06:00,639

defy physics as i believe humans

136

00:06:03,990 --> 00:06:02,240

understand it today

137

00:06:06,390 --> 00:06:04,000

and it's been going on since at least

138

00:06:07,430 --> 00:06:06,400

the 40s and really probably long before

139

00:06:11,029 --> 00:06:07,440

that

140

00:06:12,790 --> 00:06:11,039

so uh but if it's not let's just say

141

00:06:14,790 --> 00:06:12,800

humans that we know

142

00:06:16,550 --> 00:06:14,800

um there must be some kind of rules that

143

00:06:17,909 --> 00:06:16,560

say they got to have not have lights

144

00:06:19,110 --> 00:06:17,919

also it's kind of

145

00:06:21,510 --> 00:06:19,120

kind of weird

146

00:06:22,550 --> 00:06:21,520

uh that the ufos that reported that

147

00:06:24,469 --> 00:06:22,560

canon

148

00:06:27,189 --> 00:06:24,479

uh did have lights

149

00:06:29,909 --> 00:06:27,199

and that these documents are available

150

00:06:31,270 --> 00:06:29,919

i found recently online

151
00:06:34,150 --> 00:06:31,280
so uh

152
00:06:35,909 --> 00:06:34,160
you know the description of the ufos

153
00:06:38,870 --> 00:06:35,919
and the newspaper clippings and that

154
00:06:41,270 --> 00:06:38,880
kind of stuff anyway ryan uh i was never

155
00:06:42,870 --> 00:06:41,280
scared it makes me curious more than

156
00:06:44,309 --> 00:06:42,880
anything

157
00:06:47,029 --> 00:06:44,319
and uh

158
00:06:48,629 --> 00:06:47,039
i want to thank you for the great shows

159
00:06:52,150 --> 00:06:48,639
i really love your

160
00:06:54,870 --> 00:06:52,160
uh sincerity and uh your eagerness and

161
00:06:58,150 --> 00:06:54,880
your interest it really shows

162
00:07:00,710 --> 00:06:58,160
look forward to uh listening and uh

163
00:07:04,710 --> 00:07:00,720

to further shows again ron thank you so

164

00:07:09,909 --> 00:07:07,430

hi ryan my name is vivian

165

00:07:11,990 --> 00:07:09,919

i'm 34 years old and i currently live in

166

00:07:13,830 --> 00:07:12,000

china but the event i'm about to

167

00:07:16,309 --> 00:07:13,840

describe happened in a place called

168

00:07:19,189 --> 00:07:16,319

black river which is a rural sparsely

169

00:07:20,629 --> 00:07:19,199

populated suburb about 50 minutes drive

170

00:07:22,550 --> 00:07:20,639

from the little town i grew up in in

171

00:07:24,710 --> 00:07:22,560

north queensland on the east coast of

172

00:07:27,589 --> 00:07:24,720

australia

173

00:07:29,110 --> 00:07:27,599

i think it was here in 1997 because i

174

00:07:31,350 --> 00:07:29,120

remember around this time was when

175

00:07:33,189 --> 00:07:31,360

princess diana was killed in paris so i

176

00:07:35,270 --> 00:07:33,199

believe this could be correct

177

00:07:37,589 --> 00:07:35,280

and if so that puts me at 10 years old

178

00:07:40,070 --> 00:07:37,599

at the time

179

00:07:41,830 --> 00:07:40,080

so this happened one early evening i

180

00:07:43,670 --> 00:07:41,840

think it must have been in the winter so

181

00:07:45,430 --> 00:07:43,680

around june or july

182

00:07:47,110 --> 00:07:45,440

because i remember it was getting dark

183

00:07:49,110 --> 00:07:47,120

early in the day

184

00:07:50,469 --> 00:07:49,120

i was with my mom and my dad and we were

185

00:07:52,950 --> 00:07:50,479

getting ready to leave the large

186

00:07:55,350 --> 00:07:52,960

property our horses were kept on

187

00:07:57,670 --> 00:07:55,360

this property was quite remote reached

188

00:07:59,830 --> 00:07:57,680

only by a dirt road and the property

189

00:08:01,510 --> 00:07:59,840

itself was just bush and backed onto

190

00:08:05,430 --> 00:08:01,520

government land

191

00:08:07,430 --> 00:08:05,440

there were no houses on it or around it

192

00:08:09,430 --> 00:08:07,440

and the property had no electricity and

193

00:08:11,589 --> 00:08:09,440

there were no street lights so

194

00:08:13,510 --> 00:08:11,599

it was quite dark at night

195

00:08:15,350 --> 00:08:13,520

on this particular evening we were

196

00:08:17,430 --> 00:08:15,360

waiting for our two horses to finish

197

00:08:19,270 --> 00:08:17,440

eating their food so we could pack up

198

00:08:20,790 --> 00:08:19,280

their feed buckets and head home and i

199

00:08:23,110 --> 00:08:20,800

remember we were just standing around

200

00:08:25,749 --> 00:08:23,120

our car at the entrance to the property

201

00:08:27,909 --> 00:08:25,759

just talking and brushing the horses

202

00:08:29,670 --> 00:08:27,919

i remember it was a clear dark night

203

00:08:32,149 --> 00:08:29,680

there must not have been much moon

204

00:08:35,430 --> 00:08:32,159

because i remember it was very dark but

205

00:08:37,190 --> 00:08:35,440

the sky was very clear and full of stars

206

00:08:39,029 --> 00:08:37,200

as we were standing there one of my

207

00:08:40,469 --> 00:08:39,039

parents i'm not sure now if it was my

208

00:08:43,430 --> 00:08:40,479

mum or my dad

209

00:08:45,110 --> 00:08:43,440

said what do you suppose that is and i

210

00:08:47,829 --> 00:08:45,120

looked up and saw

211

00:08:49,750 --> 00:08:47,839

a reddish orange ball of light hovering

212

00:08:52,230 --> 00:08:49,760

above mount black which is a

213

00:08:54,790 --> 00:08:52,240

pyramid-shaped small mountain visible

214

00:08:57,110 --> 00:08:54,800

and not too far from the property

215

00:08:59,350 --> 00:08:57,120

it's hard for me to say how far away the

216

00:09:01,750 --> 00:08:59,360

light was or how far above mount black

217

00:09:03,590 --> 00:09:01,760

it was but it appeared to be larger than

218

00:09:04,870 --> 00:09:03,600

the lights of a plane or a helicopter at

219

00:09:06,630 --> 00:09:04,880

that distance

220

00:09:08,949 --> 00:09:06,640

i remember describing it later like a

221

00:09:10,870 --> 00:09:08,959

miniature sun it was so bright it was

222

00:09:13,110 --> 00:09:10,880

hovering above the top of the mountain

223

00:09:14,949 --> 00:09:13,120

and stationary we watched it for some

224

00:09:17,750 --> 00:09:14,959

minutes before things started to get

225

00:09:19,750 --> 00:09:17,760

weird so after a while it started to

226
00:09:22,310 --> 00:09:19,760
move but not in the way that any aerial

227
00:09:24,470 --> 00:09:22,320
craft at the time moved the best way i

228
00:09:26,150 --> 00:09:24,480
can describe it is that it zipped along

229
00:09:26,949 --> 00:09:26,160
it zipped across some and then would

230
00:09:28,310 --> 00:09:26,959
stop

231
00:09:30,470 --> 00:09:28,320
and then it would dip straight up and

232
00:09:32,790 --> 00:09:30,480
stop then it would zip down again but on

233
00:09:34,550 --> 00:09:32,800
a diagonal and then it would stop

234
00:09:36,870 --> 00:09:34,560
it was able to accelerate from a

235
00:09:39,750 --> 00:09:36,880
stationary position to an incredible

236
00:09:41,430 --> 00:09:39,760
speed so fast and also to stop

237
00:09:43,750 --> 00:09:41,440
so suddenly it didn't seem to be

238
00:09:45,509 --> 00:09:43,760

affected by inertia at all

239

00:09:47,430 --> 00:09:45,519

so it carried on with these movements

240

00:09:49,350 --> 00:09:47,440

for maybe five or so minutes it was

241

00:09:51,670 --> 00:09:49,360

almost as if it was making

242

00:09:53,190 --> 00:09:51,680

some kind of shape or pattern in the sky

243

00:09:54,949 --> 00:09:53,200

with the movements

244

00:09:56,790 --> 00:09:54,959

we were watching it the whole time and i

245

00:09:58,389 --> 00:09:56,800

mean my eyes were glued to this thing

246

00:10:00,710 --> 00:09:58,399

because even though i didn't really know

247

00:10:02,710 --> 00:10:00,720

about ufos at that time i knew

248

00:10:04,230 --> 00:10:02,720

intuitively that what i was seeing was

249

00:10:06,790 --> 00:10:04,240

something that did not and could not be

250

00:10:07,910 --> 00:10:06,800

a conventional aircraft or a military

251
00:10:09,829 --> 00:10:07,920
craft

252
00:10:11,829 --> 00:10:09,839
the speed at which it moved and the way

253
00:10:13,910 --> 00:10:11,839
it moved i just knew we were watching

254
00:10:15,670 --> 00:10:13,920
something really special and so we

255
00:10:17,430 --> 00:10:15,680
watched it zip along making these

256
00:10:18,870 --> 00:10:17,440
strange movements

257
00:10:21,030 --> 00:10:18,880
and then it stopped and hovered

258
00:10:23,190 --> 00:10:21,040
completely stationary

259
00:10:25,269 --> 00:10:23,200
then in less than a second it shot

260
00:10:27,350 --> 00:10:25,279
straight up into the sky and was gone

261
00:10:29,110 --> 00:10:27,360
and i mean the speed it shot upwards was

262
00:10:30,389 --> 00:10:29,120
like in the blink of an eye it was that

263
00:10:32,389 --> 00:10:30,399

fast

264

00:10:34,230 --> 00:10:32,399

when that happened i remember my mum was

265

00:10:36,630 --> 00:10:34,240

like okay time to go

266

00:10:38,470 --> 00:10:36,640

and we all pretty much ran for the car i

267

00:10:40,069 --> 00:10:38,480

think my parents were pretty freaked out

268

00:10:41,829 --> 00:10:40,079

and the whole drive home i remember just

269

00:10:44,230 --> 00:10:41,839

sitting in the back seat totally in

270

00:10:46,550 --> 00:10:44,240

shock listening as my parents debated

271

00:10:48,710 --> 00:10:46,560

about what the heck we all just saw

272

00:10:50,790 --> 00:10:48,720

being around 10 at the time i didn't

273

00:10:52,870 --> 00:10:50,800

really tell anyone about it until years

274

00:10:54,470 --> 00:10:52,880

later though i did often talk about it

275

00:10:56,310 --> 00:10:54,480

with my parents

276
00:10:57,750 --> 00:10:56,320
memories stayed with me though as clear

277
00:11:00,230 --> 00:10:57,760
as day through all the years it

278
00:11:02,710 --> 00:11:00,240
definitely ignited in me a desire to

279
00:11:04,949 --> 00:11:02,720
know more about the ufo phenomena and

280
00:11:06,949 --> 00:11:04,959
the universe in general

281
00:11:09,190 --> 00:11:06,959
i have many times over the years search

282
00:11:11,430 --> 00:11:09,200
databases and newspaper records to try

283
00:11:13,990 --> 00:11:11,440
and find any other accounts that match

284
00:11:16,310 --> 00:11:14,000
what i saw that night

285
00:11:18,790 --> 00:11:16,320
it's definitely shaped the person that i

286
00:11:20,949 --> 00:11:18,800
am today and stirred in me i want of

287
00:11:23,110 --> 00:11:20,959
something more than just the acceptance

288
00:11:25,110 --> 00:11:23,120

of a mundane earthbound life

289

00:11:27,430 --> 00:11:25,120

i do believe whatever or whoever was

290

00:11:29,269 --> 00:11:27,440

controlling that craft that night was

291

00:11:31,509 --> 00:11:29,279

not from this world and believing that

292

00:11:33,590 --> 00:11:31,519

actually brings me optimism and i think

293

00:11:35,590 --> 00:11:33,600

that if humans could just think outside

294

00:11:37,670 --> 00:11:35,600

of our earthbound life there could be an

295

00:11:38,630 --> 00:11:37,680

incredible potential for us to explore

296

00:11:40,470 --> 00:11:38,640

space

297

00:11:42,150 --> 00:11:40,480

and inch closer to understanding our

298

00:11:43,750 --> 00:11:42,160

place in the universe and how we got

299

00:11:45,750 --> 00:11:43,760

here

300

00:11:48,630 --> 00:11:45,760

i have never had any doubt about what i

301
00:11:50,550 --> 00:11:48,640
saw i never thought oh maybe we were

302
00:11:52,389 --> 00:11:50,560
wrong maybe it was a plane

303
00:11:54,150 --> 00:11:52,399
no

304
00:11:56,230 --> 00:11:54,160
what we witnessed that night was just so

305
00:11:58,470 --> 00:11:56,240
far beyond human capability that it

306
00:12:00,150 --> 00:11:58,480
wasn't even a question to me that what

307
00:12:01,750 --> 00:12:00,160
we saw was something other than a

308
00:12:04,710 --> 00:12:01,760
visiting ufo

309
00:12:06,389 --> 00:12:04,720
so yeah that's my story

310
00:12:08,790 --> 00:12:06,399
to this day i continue to search the

311
00:12:10,629 --> 00:12:08,800
skies no matter where i am in the world

312
00:12:12,230 --> 00:12:10,639
and on a few occasions i've seen things

313
00:12:13,990 --> 00:12:12,240

that made me wonder

314

00:12:15,430 --> 00:12:14,000

but um i've never seen anything again

315

00:12:17,990 --> 00:12:15,440

that matched what i saw that night in

316

00:12:19,110 --> 00:12:18,000

1997. though i hope one day maybe i will

317

00:12:24,949 --> 00:12:19,120

again

318

00:12:29,509 --> 00:12:27,110

i'm rafi and

319

00:12:32,949 --> 00:12:29,519

i want to talk about one of my

320

00:12:34,230 --> 00:12:32,959

singular specific experiences

321

00:12:36,949 --> 00:12:34,240

which i had

322

00:12:38,550 --> 00:12:36,959

many many years ago

323

00:12:41,030 --> 00:12:38,560

and

324

00:12:44,230 --> 00:12:41,040

it is because i was a young child at the

325

00:12:45,269 --> 00:12:44,240

time no more than seven years old

326

00:12:49,110 --> 00:12:45,279

that

327

00:12:52,069 --> 00:12:49,120

i've always been very open-minded

328

00:12:55,110 --> 00:12:52,079

about the existence of unidentified

329

00:12:59,509 --> 00:12:57,750

and other phenomenon or similar

330

00:13:01,030 --> 00:12:59,519

phenomenon

331

00:13:02,550 --> 00:13:01,040

because when we're children we're

332

00:13:03,910 --> 00:13:02,560

open-minded

333

00:13:05,829 --> 00:13:03,920

we're not

334

00:13:08,470 --> 00:13:05,839

burdened by the baggage of

335

00:13:11,430 --> 00:13:08,480

self-censorship

336

00:13:14,550 --> 00:13:11,440

that adults are

337

00:13:17,910 --> 00:13:14,560

and i was basically

338

00:13:21,430 --> 00:13:17,920

a young kid seven years old

339

00:13:24,629 --> 00:13:21,440

on holiday with a family

340

00:13:26,230 --> 00:13:24,639

and we're walking down a riverside path

341

00:13:32,389 --> 00:13:26,240

very

342

00:13:34,230 --> 00:13:32,399

on our way to the beach

343

00:13:36,150 --> 00:13:34,240

and

344

00:13:38,629 --> 00:13:36,160

my brother ran ahead my little brother

345

00:13:40,550 --> 00:13:38,639

so my parents kind of ran on to catch up

346

00:13:42,230 --> 00:13:40,560

with him because he was the less

347

00:13:44,470 --> 00:13:42,240

responsible one

348

00:13:48,310 --> 00:13:44,480

still is

349

00:13:51,430 --> 00:13:48,320

and i sort of fell behind because

350

00:13:53,590 --> 00:13:51,440

i was just fascinated by the

351

00:13:55,350 --> 00:13:53,600

flow of the river the sound of the river

352

00:13:57,910 --> 00:13:55,360

everything about it just rather like

353

00:14:00,629 --> 00:13:57,920

this river here

354

00:14:02,470 --> 00:14:00,639

there's something magical about water

355

00:14:03,269 --> 00:14:02,480

something significant

356

00:14:06,710 --> 00:14:03,279

that

357

00:14:08,310 --> 00:14:06,720

grown-ups tend to censor out

358

00:14:10,230 --> 00:14:08,320

but young children

359

00:14:12,550 --> 00:14:10,240

are much more aware of which is probably

360

00:14:14,310 --> 00:14:12,560

why they go splashing in puddles and

361

00:14:16,150 --> 00:14:14,320

paddling in rivers and throwing stones

362

00:14:18,790 --> 00:14:16,160

in rivers all these sorts of wonderful

363

00:14:22,550 --> 00:14:21,189

and suddenly the atmosphere around me

364

00:14:26,230 --> 00:14:22,560

changed

365

00:14:28,310 --> 00:14:26,240

i felt completely on my own

366

00:14:30,550 --> 00:14:28,320

in the environment

367

00:14:32,949 --> 00:14:30,560

without anybody else being there

368

00:14:35,670 --> 00:14:32,959

and a small

369

00:14:38,230 --> 00:14:35,680

spherical sphere

370

00:14:40,710 --> 00:14:38,240

it was glowing with tiny minuscule

371

00:14:42,870 --> 00:14:40,720

sparks emanating from it

372

00:14:45,430 --> 00:14:42,880

completely silent

373

00:14:47,030 --> 00:14:45,440

floated down the middle of the river

374

00:14:48,710 --> 00:14:47,040

slowly

375

00:14:50,069 --> 00:14:48,720

suspended

376
00:14:51,110 --> 00:14:50,079
two feet

377
00:14:52,389 --> 00:14:51,120
off

378
00:14:57,430 --> 00:14:52,399
the water

379
00:14:59,910 --> 00:14:57,440
it just was

380
00:15:00,870 --> 00:14:59,920
drifting literally with the speed of the

381
00:15:03,269 --> 00:15:00,880
river

382
00:15:08,470 --> 00:15:07,189
and it seemed to shimmer like a pearl

383
00:15:10,949 --> 00:15:08,480
and

384
00:15:13,750 --> 00:15:10,959
i wasn't particularly frightened i was

385
00:15:15,670 --> 00:15:13,760
just fascinated and

386
00:15:17,829 --> 00:15:15,680
i just stood

387
00:15:19,750 --> 00:15:17,839
and stared at it

388
00:15:21,350 --> 00:15:19,760

and it traveled a bit further down the

389

00:15:22,550 --> 00:15:21,360

river about 10

390

00:15:25,590 --> 00:15:22,560

meters

391

00:15:27,590 --> 00:15:25,600

in front of me and then stopped

392

00:15:30,310 --> 00:15:27,600

and then it drifted

393

00:15:32,470 --> 00:15:30,320

back rising slightly

394

00:15:34,470 --> 00:15:32,480

as it came

395

00:15:35,590 --> 00:15:34,480

to what to a point where it was level

396

00:15:36,790 --> 00:15:35,600

with me

397

00:15:41,030 --> 00:15:36,800

and about

398

00:15:43,829 --> 00:15:41,040

six to eight feet above my head height

399

00:15:45,670 --> 00:15:43,839

and i just felt that i was being

400

00:15:48,389 --> 00:15:45,680

communicated with

401
00:15:50,470 --> 00:15:48,399
in a way that i couldn't possibly

402
00:15:53,350 --> 00:15:50,480
understand

403
00:15:55,430 --> 00:15:53,360
it's almost like some presence was just

404
00:15:57,829 --> 00:15:55,440
acknowledging this curious little

405
00:15:59,749 --> 00:15:57,839
humanoid child

406
00:16:02,550 --> 00:15:59,759
before

407
00:16:04,710 --> 00:16:02,560
it rapidly headed

408
00:16:07,430 --> 00:16:04,720
back down following the river

409
00:16:09,670 --> 00:16:07,440
and disappeared completely disappeared

410
00:16:12,550 --> 00:16:09,680
it's almost as if it was as

411
00:16:14,310 --> 00:16:12,560
it was fading away down the river

412
00:16:15,350 --> 00:16:14,320
it was fading away

413
00:16:17,509 --> 00:16:15,360

from

414

00:16:17,780 --> 00:16:17,519

sight

415

00:16:18,870 --> 00:16:17,790

and

416

00:16:22,150 --> 00:16:18,880

[Music]

417

00:16:24,470 --> 00:16:22,160

i've never forgotten that

418

00:16:26,870 --> 00:16:24,480

it didn't last very long

419

00:16:30,230 --> 00:16:26,880

but it left a very strong

420

00:16:34,069 --> 00:16:30,240

impression and particularly because

421

00:16:35,509 --> 00:16:34,079

i was a kid seven-year-old kid

422

00:16:37,590 --> 00:16:35,519

and

423

00:16:40,629 --> 00:16:37,600

nothing prepared me for it

424

00:16:43,590 --> 00:16:40,639

and nothing warned me against it

425

00:16:47,189 --> 00:16:43,600

i simply took the experience

426

00:16:51,430 --> 00:16:49,430

so

427

00:16:54,150 --> 00:16:51,440

i didn't even mention it to anybody at

428

00:16:56,949 --> 00:16:54,160

the time but in later years

429

00:16:59,590 --> 00:16:56,959

when the topic of

430

00:17:02,949 --> 00:16:59,600

conversation is turned round to more

431

00:17:08,069 --> 00:17:05,590

ufo phenomenon

432

00:17:09,510 --> 00:17:08,079

spirits ghosts i mean this is a question

433

00:17:11,909 --> 00:17:09,520

i've always been asked as a funeral

434

00:17:13,590 --> 00:17:11,919

director do ghosts exists and the answer

435

00:17:15,750 --> 00:17:13,600

simply yes they do

436

00:17:17,029 --> 00:17:15,760

if you acknowledge them they exist in

437

00:17:19,350 --> 00:17:17,039

some form

438

00:17:21,750 --> 00:17:19,360

if they did not exist we would not have

439

00:17:23,909 --> 00:17:21,760

a name for them a word for them

440

00:17:25,350 --> 00:17:23,919

or a concept of them

441

00:17:28,630 --> 00:17:25,360

simple as that

442

00:17:32,630 --> 00:17:28,640

there's nothing fancy about it

443

00:17:37,830 --> 00:17:35,510

it's because i'm open-minded when people

444

00:17:41,190 --> 00:17:37,840

when the topic of conversation comes up

445

00:17:43,350 --> 00:17:41,200

and i say i believe that ufos exist

446

00:17:46,870 --> 00:17:43,360

and i've seen new efforts

447

00:17:49,270 --> 00:17:46,880

and that was the first sighting

448

00:17:51,750 --> 00:17:49,280

people start to open up a little bit

449

00:17:53,430 --> 00:17:51,760

people who would normally keep quiet and

450

00:17:55,110 --> 00:17:53,440

say nothing and keep

451
00:17:58,070 --> 00:17:55,120
the lips sealed

452
00:18:01,350 --> 00:17:58,080
because of fear being fearful of scorn

453
00:18:02,710 --> 00:18:01,360
ridicule and disbelief suddenly start to

454
00:18:04,470 --> 00:18:02,720
communicate

455
00:18:08,070 --> 00:18:04,480
and these communications are really

456
00:18:13,430 --> 00:18:09,909
they certainly exist

457
00:18:17,669 --> 00:18:13,440
but one of the misunderstandings is that

458
00:18:21,270 --> 00:18:17,679
ufos are unidentified aerial phenomenon

459
00:18:24,230 --> 00:18:21,280
are extraterrestrial is partly true

460
00:18:26,470 --> 00:18:24,240
there are also terrestrial aerial

461
00:18:28,310 --> 00:18:26,480
phenomena which are not easily

462
00:18:30,070 --> 00:18:28,320
identified

463
00:18:33,909 --> 00:18:30,080

unless

464

00:18:33,919 --> 00:18:38,230
communicate in certain circles

465

00:18:42,150 --> 00:18:39,909
but that's the way of the world that's

466

00:18:43,190 --> 00:18:42,160
what it is one of the skills in life is

467

00:18:46,150 --> 00:18:43,200
to

468

00:18:48,549 --> 00:18:46,160
accept what we must

469

00:18:50,950 --> 00:18:48,559
learn what we can

470

00:18:56,470 --> 00:18:50,960
and change what we need to

471

00:18:59,990 --> 00:18:58,310
the incident i had

472

00:19:01,909 --> 00:19:00,000
happened in

473

00:19:04,070 --> 00:19:01,919
late 1980

474

00:19:06,150 --> 00:19:04,080
i was sitting around the kitchen table

475

00:19:08,150 --> 00:19:06,160
with three other people we were actually

476
00:19:09,510 --> 00:19:08,160
playing a game back in the 80s called

477
00:19:11,590 --> 00:19:09,520
masterpiece

478
00:19:13,909 --> 00:19:11,600
i was facing the window

479
00:19:16,310 --> 00:19:13,919
which looked south

480
00:19:19,750 --> 00:19:16,320
towards a forest

481
00:19:21,990 --> 00:19:19,760
and about 100 yards away and probably a

482
00:19:23,750 --> 00:19:22,000
mile of cemetery on the other side of

483
00:19:27,350 --> 00:19:23,760
this forest

484
00:19:28,390 --> 00:19:27,360
as uh i looked up i could see two

485
00:19:30,310 --> 00:19:28,400
orange

486
00:19:31,270 --> 00:19:30,320
pea-sized

487
00:19:33,029 --> 00:19:31,280
lights

488
00:19:35,350 --> 00:19:33,039

about two miles away

489

00:19:37,110 --> 00:19:35,360

uh over the cemetery

490

00:19:40,390 --> 00:19:37,120

uh i thought this was odd because

491

00:19:42,549 --> 00:19:40,400

there's there was never any planes or

492

00:19:44,310 --> 00:19:42,559

any type of air traffic

493

00:19:46,710 --> 00:19:44,320

in that area

494

00:19:48,630 --> 00:19:46,720

uh i said to everybody sitting around

495

00:19:51,110 --> 00:19:48,640

the table oh look there's a helicopter

496

00:19:53,110 --> 00:19:51,120

over top of the forest

497

00:19:54,710 --> 00:19:53,120

nobody really seemed to

498

00:19:55,830 --> 00:19:54,720

take note of it

499

00:19:58,390 --> 00:19:55,840

as i

500

00:20:00,549 --> 00:19:58,400

went to play my card

501
00:20:03,029 --> 00:20:00,559
i looked up again

502
00:20:05,510 --> 00:20:03,039
and within a blink of an eye those

503
00:20:06,950 --> 00:20:05,520
orange colored p shapes

504
00:20:07,830 --> 00:20:06,960
became

505
00:20:10,230 --> 00:20:07,840
huge

506
00:20:12,149 --> 00:20:10,240
basketball lights

507
00:20:13,430 --> 00:20:12,159
within a second

508
00:20:16,710 --> 00:20:13,440
hovering

509
00:20:18,470 --> 00:20:16,720
just over the edge of the treetops

510
00:20:21,510 --> 00:20:18,480
i stood up

511
00:20:23,270 --> 00:20:21,520
looked and the left one blinked out and

512
00:20:25,029 --> 00:20:23,280
then the right one blinked out

513
00:20:27,430 --> 00:20:25,039

just like a light switch

514

00:20:28,470 --> 00:20:27,440

i said to everybody what the hell was

515

00:20:30,470 --> 00:20:28,480

that

516

00:20:32,149 --> 00:20:30,480

we ran outside took a look

517

00:20:34,390 --> 00:20:32,159

nothing in the air

518

00:20:36,549 --> 00:20:34,400

there was no sound

519

00:20:37,909 --> 00:20:36,559

the orange lights were

520

00:20:41,350 --> 00:20:37,919

were

521

00:20:43,669 --> 00:20:41,360

like

522

00:20:45,669 --> 00:20:43,679

what i what i thought of was

523

00:20:47,510 --> 00:20:45,679

the enterprise on star trek when their

524

00:20:49,909 --> 00:20:47,520

lights spin and there's that orange

525

00:20:51,510 --> 00:20:49,919

swirl that's what these look like

526
00:20:52,470 --> 00:20:51,520
for the second that they were sitting

527
00:20:55,270 --> 00:20:52,480
there

528
00:20:57,909 --> 00:20:55,280
it was fascinating it's it's

529
00:21:01,029 --> 00:20:57,919
been in my mind for 40 years

530
00:21:03,990 --> 00:21:01,039
trying to figure out what that was

531
00:21:05,029 --> 00:21:04,000
the biggest thing was how quick it moved

532
00:21:10,870 --> 00:21:05,039
from

533
00:21:11,990 --> 00:21:10,880
like i said in a blink of an eye it was

534
00:21:13,750 --> 00:21:12,000
there

535
00:21:15,990 --> 00:21:13,760
just amazing

536
00:21:18,310 --> 00:21:16,000
you know from that point on i uh i

537
00:21:19,510 --> 00:21:18,320
started to look up in the sky all the

538
00:21:21,110 --> 00:21:19,520

time

539

00:21:22,390 --> 00:21:21,120

i was looking i was trying to find

540

00:21:23,669 --> 00:21:22,400

something that

541

00:21:25,750 --> 00:21:23,679

maybe that

542

00:21:27,669 --> 00:21:25,760

i would see again

543

00:21:30,470 --> 00:21:27,679

i haven't done that haven't seen another

544

00:21:32,950 --> 00:21:30,480

thing but i'm hopefully one day that i

545

00:21:34,149 --> 00:21:32,960

that i would it was very exhilarating to

546

00:21:36,789 --> 00:21:34,159

see that

547

00:21:38,710 --> 00:21:36,799

and i'm always looking up in the sky and

548

00:21:40,789 --> 00:21:38,720

seeing if there is is something

549

00:21:42,470 --> 00:21:40,799

somewhere in the sky

550

00:21:49,190 --> 00:21:42,480

that i could see it was quite the

551
00:21:52,950 --> 00:21:51,110
what's up guys ryan sprague here and i'm

565

00:22:33,110 --> 00:22:31,669

hello i've been wanting to tell this

566

00:22:34,310 --> 00:22:33,120

story for

567

00:22:35,430 --> 00:22:34,320

forever

568

00:22:37,350 --> 00:22:35,440

and

569

00:22:38,630 --> 00:22:37,360

a lot of people

570

00:22:40,390 --> 00:22:38,640

basically

571

00:22:43,830 --> 00:22:40,400

nobody that i know

572

00:22:49,029 --> 00:22:43,840

see this coming from me because

573

00:22:51,750 --> 00:22:49,039

um i'm seen as a reasonable person in my

574

00:22:54,230 --> 00:22:51,760

circle of friends or like anyone for

575

00:22:56,390 --> 00:22:54,240

that matter sees me like a reasonable

576
00:22:57,830 --> 00:22:56,400
person like a really

577
00:22:58,710 --> 00:22:57,840
rational

578
00:23:00,950 --> 00:22:58,720
and

579
00:23:02,710 --> 00:23:00,960
driven human being

580
00:23:08,230 --> 00:23:02,720
so when i

581
00:23:09,110 --> 00:23:08,240
tell them that i saw an ufo like a crazy

582
00:23:16,549 --> 00:23:09,120
like

583
00:23:19,110 --> 00:23:16,559
that's not you

584
00:23:20,470 --> 00:23:19,120
i know it doesn't sound like me

585
00:23:21,270 --> 00:23:20,480
if you know me

586
00:23:23,909 --> 00:23:21,280
but

587
00:23:24,870 --> 00:23:23,919
this happened to me i'm i'm not making

588
00:23:26,630 --> 00:23:24,880

this up

589

00:23:29,350 --> 00:23:26,640

um

590

00:23:33,029 --> 00:23:29,360

it's it's pretty crazy

591

00:23:36,870 --> 00:23:33,039

so hence i also have another witness but

592

00:23:39,510 --> 00:23:36,880

the tricky thing is that the the the

593

00:23:43,430 --> 00:23:39,520

other witness aka my mom

594

00:23:47,110 --> 00:23:43,440

has a slightly different version from me

595

00:23:49,909 --> 00:23:47,120

i know what i saw i saw what i saw i

596

00:23:52,549 --> 00:23:49,919

know that was real if my mom saw

597

00:23:55,190 --> 00:23:52,559

something else like something more

598

00:23:56,710 --> 00:23:55,200

i don't know i don't know if

599

00:23:59,430 --> 00:23:56,720

i didn't see it

600

00:24:02,710 --> 00:23:59,440

so i just know what i saw

601
00:24:03,750 --> 00:24:02,720
this happened in the island of ischia

602
00:24:07,110 --> 00:24:03,760
that

603
00:24:08,470 --> 00:24:07,120
i don't know if you know it is an island

604
00:24:10,390 --> 00:24:08,480
in the

605
00:24:12,950 --> 00:24:10,400
gulf of naples

606
00:24:15,750 --> 00:24:12,960
in southern italy

607
00:24:18,870 --> 00:24:15,760
and it's a

608
00:24:21,110 --> 00:24:18,880
a terribly beautiful place like it's a

609
00:24:23,110 --> 00:24:21,120
breath taking place i

610
00:24:26,950 --> 00:24:23,120
i do recommend you to go there on

611
00:24:30,149 --> 00:24:26,960
vacation and it's no stranger to ufo

612
00:24:32,070 --> 00:24:30,159
sightings so yeah me and my mom were on

613
00:24:35,990 --> 00:24:32,080

vacation

614

00:24:37,990 --> 00:24:36,000

and every night we like to take a stroll

615

00:24:39,510 --> 00:24:38,000

down the streets of the island because

616

00:24:40,710 --> 00:24:39,520

it's uh it's

617

00:24:43,110 --> 00:24:40,720

safer

618

00:24:47,590 --> 00:24:43,120

and so we were like walking down the

619

00:24:49,750 --> 00:24:47,600

street and we walked all the way to um

620

00:24:53,110 --> 00:24:49,760

castelloragonese

621

00:24:56,710 --> 00:24:53,120

i think i can translate it as aragonese

622

00:24:57,510 --> 00:24:56,720

castle it's basically a castle that's in

623

00:25:03,029 --> 00:24:57,520

the

624

00:25:04,070 --> 00:25:03,039

ground with a bridge

625

00:25:07,510 --> 00:25:04,080

with a

626
00:25:11,750 --> 00:25:07,520
stone bridge and so like you can walk

627
00:25:15,669 --> 00:25:11,760
your way from the the island to this

628
00:25:17,909 --> 00:25:15,679
smaller island where the castle is

629
00:25:20,549 --> 00:25:17,919
and a lot of people go there at night

630
00:25:24,549 --> 00:25:20,559
because the castle is is closed at night

631
00:25:25,430 --> 00:25:24,559
but it's lit up it's it looks beautiful

632
00:25:29,110 --> 00:25:25,440
and

633
00:25:32,149 --> 00:25:29,120
way there

634
00:25:34,310 --> 00:25:32,159
and we were like on the stone bridge

635
00:25:36,950 --> 00:25:34,320
because a lot of people go there at

636
00:25:38,549 --> 00:25:36,960
night it's a very romantic place really

637
00:25:41,430 --> 00:25:38,559
cute place

638
00:25:43,110 --> 00:25:41,440

and then and there is a small seat all

639

00:25:45,669 --> 00:25:43,120

along the bridge

640

00:25:47,750 --> 00:25:45,679

i was sitting on the top and and i was

641

00:25:49,350 --> 00:25:47,760

looking at the sky and me and my mom we

642

00:25:51,350 --> 00:25:49,360

were looking at the sky and

643

00:25:53,590 --> 00:25:51,360

it was like the time i want to see the

644

00:25:55,430 --> 00:25:53,600

timeline place so that i can i don't

645

00:25:58,310 --> 00:25:55,440

know that

646

00:26:00,789 --> 00:25:58,320

maybe someone working in the field can

647

00:26:02,789 --> 00:26:00,799

figure out something like what happened

648

00:26:05,029 --> 00:26:02,799

on this freaking day it was in the i

649

00:26:07,110 --> 00:26:05,039

don't know this yeah it was

650

00:26:08,149 --> 00:26:07,120

friday the 12th

651
00:26:09,350 --> 00:26:08,159
um

652
00:26:11,510 --> 00:26:09,360
july

653
00:26:15,430 --> 00:26:11,520
of 2019

654
00:26:18,390 --> 00:26:15,440
and the timing was around 10 p.m

655
00:26:20,470 --> 00:26:18,400
me and my mom uh we were sitting there

656
00:26:21,909 --> 00:26:20,480
and we were looking at the sky because

657
00:26:24,950 --> 00:26:21,919
where we live

658
00:26:27,750 --> 00:26:24,960
we live in the city so you know it's a

659
00:26:29,190 --> 00:26:27,760
pretty big deal to see the sky at night

660
00:26:31,830 --> 00:26:29,200
for real

661
00:26:35,750 --> 00:26:31,840
and we were looking at the stars

662
00:26:36,950 --> 00:26:35,760
and all of the sudden the stars start

663
00:26:38,549 --> 00:26:36,960

moving

664

00:26:39,430 --> 00:26:38,559

like we see

665

00:26:42,950 --> 00:26:39,440

a

666

00:26:45,110 --> 00:26:42,960

like moving

667

00:26:46,310 --> 00:26:45,120

in the sky

668

00:26:49,269 --> 00:26:46,320

flying

669

00:26:52,070 --> 00:26:49,279

in formation in a very

670

00:26:54,950 --> 00:26:52,080

neat formation it was a pretty oblong

671

00:26:57,510 --> 00:26:54,960

formation they were really spaced out

672

00:26:59,830 --> 00:26:57,520

amongst one another and they were like

673

00:27:02,390 --> 00:26:59,840

i can't remember how i didn't count them

674

00:27:05,269 --> 00:27:02,400

but maybe 12

675

00:27:07,029 --> 00:27:05,279

15 something like that they were

676

00:27:08,630 --> 00:27:07,039

like a lot of them

677

00:27:11,190 --> 00:27:08,640

and they were like traveling through the

678

00:27:12,470 --> 00:27:11,200

sky and they looked like stars and they

679

00:27:15,110 --> 00:27:12,480

looked like

680

00:27:18,230 --> 00:27:15,120

basically very very very

681

00:27:22,710 --> 00:27:18,240

high vehicles like some some kind of

682

00:27:25,990 --> 00:27:22,720

plane that was flying really high in sky

683

00:27:28,310 --> 00:27:26,000

and so i was like who is flying at night

684

00:27:29,750 --> 00:27:28,320

in this formation

685

00:27:31,590 --> 00:27:29,760

at this time

686

00:27:32,549 --> 00:27:31,600

and we were like

687

00:27:36,230 --> 00:27:32,559

whoa

688

00:27:38,710 --> 00:27:36,240

we saw an ufo we saw some ufos that was

689

00:27:40,950 --> 00:27:38,720

crazy that's a pretty big

690

00:27:41,400 --> 00:27:40,960

kind of sighting

691

00:27:42,470 --> 00:27:41,410

and

692

00:27:43,430 --> 00:27:42,480

[Music]

693

00:27:46,630 --> 00:27:43,440

boy

694

00:27:49,510 --> 00:27:46,640

if we were in for a treat like we

695

00:27:51,029 --> 00:27:49,520

thought it was it wasn't it was only

696

00:27:52,230 --> 00:27:51,039

just beginning

697

00:27:56,310 --> 00:27:52,240

because

698

00:27:57,990 --> 00:27:56,320

we looked again at the sky i can't quite

699

00:27:59,269 --> 00:27:58,000

explain it

700

00:28:00,389 --> 00:27:59,279

i

701
00:28:03,029 --> 00:28:00,399
we saw

702
00:28:05,830 --> 00:28:03,039
rings of lights

703
00:28:07,430 --> 00:28:05,840
they were like connecting and

704
00:28:09,430 --> 00:28:07,440
snapping

705
00:28:11,750 --> 00:28:09,440
they were like made of

706
00:28:14,549 --> 00:28:11,760
plasma look like

707
00:28:16,549 --> 00:28:14,559
they were rings of lights

708
00:28:19,190 --> 00:28:16,559
floating in the sky

709
00:28:21,510 --> 00:28:19,200
i think they were really high

710
00:28:23,669 --> 00:28:21,520
and if i have to

711
00:28:26,950 --> 00:28:23,679
like think about the size

712
00:28:28,950 --> 00:28:26,960
i think that if they came down they

713
00:28:31,750 --> 00:28:28,960

would have taken maybe

714

00:28:33,669 --> 00:28:31,760

i don't know like maybe half for a

715

00:28:37,590 --> 00:28:33,679

quarter of the bay

716

00:28:41,269 --> 00:28:37,600

i think loki but surely they would have

717

00:28:43,590 --> 00:28:41,279

they were bigger than the castle surely

718

00:28:44,549 --> 00:28:43,600

and they were like pretty high in the

719

00:28:46,870 --> 00:28:44,559

sky

720

00:28:50,310 --> 00:28:46,880

i think i think they were a little lower

721

00:28:53,350 --> 00:28:50,320

compared to the fleet we saw first

722

00:28:55,190 --> 00:28:53,360

but they were like i can't count count

723

00:28:57,510 --> 00:28:55,200

them either but it's

724

00:29:00,310 --> 00:28:57,520

and it's a very disorganized formation

725

00:29:01,669 --> 00:29:00,320

like they weren't flying in formation

726
00:29:03,510 --> 00:29:01,679
like the fleet

727
00:29:05,430 --> 00:29:03,520
it was just a

728
00:29:08,389 --> 00:29:05,440
a huge bundle

729
00:29:10,630 --> 00:29:08,399
of rings made of light

730
00:29:12,470 --> 00:29:10,640
like oval rings made of light and they

731
00:29:14,710 --> 00:29:12,480
were like connecting and snapping

732
00:29:16,870 --> 00:29:14,720
connecting and snapping and floating and

733
00:29:20,870 --> 00:29:16,880
swimming through the sky and they were

734
00:29:23,190 --> 00:29:20,880
like getting into conglomerates into

735
00:29:25,190 --> 00:29:23,200
can i say like crumbs and then they were

736
00:29:27,909 --> 00:29:25,200
like separating because they level like

737
00:29:31,110 --> 00:29:27,919
two or three of them and then

738
00:29:33,830 --> 00:29:31,120

four five six all together and then snap

739

00:29:35,990 --> 00:29:33,840

and then snap and there were also sparks

740

00:29:38,789 --> 00:29:36,000

flying through this

741

00:29:41,430 --> 00:29:38,799

big group of things

742

00:29:43,510 --> 00:29:41,440

and it was like you know when fireworks

743

00:29:45,350 --> 00:29:43,520

go off and there are those little sparks

744

00:29:47,990 --> 00:29:45,360

flying those little sparks they were

745

00:29:48,870 --> 00:29:48,000

like emitting those little sparks

746

00:29:55,269 --> 00:29:48,880

and

747

00:29:57,430 --> 00:29:55,279

they weren't like a plain white they

748

00:29:59,430 --> 00:29:57,440

were they were really really colorful

749

00:30:02,789 --> 00:29:59,440

they were like for me

750

00:30:05,269 --> 00:30:02,799

this is where my story my mom's story

751

00:30:09,029 --> 00:30:05,279

started diverging a little

752

00:30:10,470 --> 00:30:09,039

i saw a prevalence of greens reds and

753

00:30:14,310 --> 00:30:10,480

yellow

754

00:30:16,630 --> 00:30:14,320

my mom agrees but she says that she also

755

00:30:19,110 --> 00:30:16,640

saw some blue and pink

756

00:30:22,870 --> 00:30:19,120

i didn't see as much of a blue and pink

757

00:30:25,990 --> 00:30:22,880

in my opinion but i saw what i saw i saw

758

00:30:28,710 --> 00:30:26,000

green yellow and red rings

759

00:30:31,750 --> 00:30:28,720

and there were like at least two of them

760

00:30:33,909 --> 00:30:31,760

they were like these two big groups of

761

00:30:36,230 --> 00:30:33,919

like connected rings and then one of

762

00:30:40,630 --> 00:30:36,240

them like kind of dissipated and the

763

00:30:42,950 --> 00:30:40,640

other one instead kept being like

764

00:30:46,389 --> 00:30:42,960

i can make up words

765

00:30:49,190 --> 00:30:46,399

it it kept itself together and they were

766

00:30:52,549 --> 00:30:49,200

like they looked like they were rolling

767

00:30:55,350 --> 00:30:52,559

or like swimming through the sky is like

768

00:30:57,990 --> 00:30:55,360

it was like the the fleet we saw first

769

00:31:00,630 --> 00:30:58,000

like acted as a sort of bodyguard for

770

00:31:01,430 --> 00:31:00,640

these things in the sky

771

00:31:07,029 --> 00:31:01,440

and

772

00:31:11,269 --> 00:31:07,039

i i was like this is not

773

00:31:15,029 --> 00:31:11,279

surely this is not a

774

00:31:16,870 --> 00:31:15,039

vehicle like these are not planes are

775

00:31:19,190 --> 00:31:16,880

these are not ships

776

00:31:20,389 --> 00:31:19,200

spaceships or whatever

777

00:31:23,590 --> 00:31:20,399

and

778

00:31:26,070 --> 00:31:23,600

neither they are living beings right

779

00:31:29,830 --> 00:31:26,080

because the only way i can describe it

780

00:31:33,509 --> 00:31:29,840

is that they were living light living

781

00:31:36,950 --> 00:31:33,519

plasma because they didn't looked like

782

00:31:38,470 --> 00:31:36,960

living conscious beings they had nothing

783

00:31:40,789 --> 00:31:38,480

human or

784

00:31:43,669 --> 00:31:40,799

like animal-esque

785

00:31:46,470 --> 00:31:43,679

if i can say so they were literally

786

00:31:48,870 --> 00:31:46,480

rings of light but they looked like they

787

00:31:51,909 --> 00:31:48,880

knew where to go they were like flying

788

00:31:54,630 --> 00:31:51,919

together in this very disorganized

789

00:31:56,549 --> 00:31:54,640

group formation they were rolling and

790

00:31:58,630 --> 00:31:56,559

swimming for the skies so it to me it

791

00:32:01,029 --> 00:31:58,640

looked like they

792

00:32:03,830 --> 00:32:01,039

they had a sort of i don't know

793

00:32:06,310 --> 00:32:03,840

intelligence like they were like

794

00:32:10,870 --> 00:32:06,320

we go this way but they didn't look

795

00:32:16,389 --> 00:32:14,630

and i the closest thing that i can

796

00:32:17,909 --> 00:32:16,399

compare them to

797

00:32:19,269 --> 00:32:17,919

is a

798

00:32:22,870 --> 00:32:19,279

power up

799

00:32:25,830 --> 00:32:22,880

that i that you can find in a video game

800

00:32:28,870 --> 00:32:25,840

called chicken invaders and invaders

801
00:32:31,430 --> 00:32:28,880
invaders yeah invaders and you will see

802
00:32:34,230 --> 00:32:31,440
like the first search the first search

803
00:32:37,110 --> 00:32:34,240
result the first pick is this like like

804
00:32:39,669 --> 00:32:37,120
i told you this triangle made of

805
00:32:43,269 --> 00:32:39,679
three uh oval

806
00:32:46,630 --> 00:32:43,279
rings of light connected red

807
00:32:48,789 --> 00:32:46,640
yellow and green and that is exactly

808
00:32:50,789 --> 00:32:48,799
what i saw in the sky i and i'm not

809
00:32:53,590 --> 00:32:50,799
making this up because i showed it to my

810
00:32:55,669 --> 00:32:53,600
mom and my mom was like holy crap this

811
00:32:57,830 --> 00:32:55,679
is our ufo

812
00:32:59,509 --> 00:32:57,840
and so like it's not that i that i'm

813
00:33:01,909 --> 00:32:59,519

like oh my god you saw it in the sky

814

00:33:05,430 --> 00:33:01,919

because you play the game no no no like

815

00:33:08,470 --> 00:33:05,440

it's it's just a com a very very very

816

00:33:09,430 --> 00:33:08,480

neat comparison

817

00:33:11,669 --> 00:33:09,440

so

818

00:33:14,230 --> 00:33:11,679

you can imagine how high i felt but not

819

00:33:15,509 --> 00:33:14,240

her mom felt because my mom she was

820

00:33:21,269 --> 00:33:15,519

chill

821

00:33:22,549 --> 00:33:21,279

aliens i knew they existed

822

00:33:23,350 --> 00:33:22,559

she was like

823

00:33:30,389 --> 00:33:23,360

hi

824

00:33:31,350 --> 00:33:30,399

i was screaming i was like i scram

825

00:33:44,710 --> 00:33:31,360

like

826

00:33:47,029 --> 00:33:44,720

the night sky and then the aliens

827

00:33:49,590 --> 00:33:47,039

whatever whatever they were i was like i

828

00:33:51,029 --> 00:33:49,600

don't accept this i don't accept this

829

00:33:53,190 --> 00:33:51,039

that's

830

00:33:55,269 --> 00:33:53,200

i i i was

831

00:33:57,830 --> 00:33:55,279

flabbergasted so

832

00:33:59,990 --> 00:33:57,840

i was screaming in this belief like i

833

00:34:03,350 --> 00:34:00,000

don't accept this and

834

00:34:06,070 --> 00:34:03,360

i also like slowly made myself

835

00:34:08,389 --> 00:34:06,080

made made my way back a little lower

836

00:34:09,750 --> 00:34:08,399

like i told you i was sitting on

837

00:34:11,349 --> 00:34:09,760

this sort of

838

00:34:13,990 --> 00:34:11,359

bench let's call it bench and then it

839

00:34:16,550 --> 00:34:14,000

was there was a lower bench and i

840

00:34:19,190 --> 00:34:16,560

went from this to this because i was

841

00:34:22,550 --> 00:34:19,200

like i'm gonna fall i'm gonna legit fall

842

00:34:24,629 --> 00:34:22,560

onto the rocks and so i i i said lower

843

00:34:27,030 --> 00:34:24,639

because i was like

844

00:34:29,510 --> 00:34:27,040

let me take a safer seat let me take it

845

00:34:30,629 --> 00:34:29,520

i i'm not feeling well

846

00:34:35,030 --> 00:34:30,639

and

847

00:34:39,669 --> 00:34:35,040

so my mom ripped out her camera but our

848

00:34:40,869 --> 00:34:39,679

attack gadgets back then and loki now

849

00:34:44,230 --> 00:34:40,879

sucked

850

00:34:46,710 --> 00:34:44,240

my mom has a very sucky camera when she

851
00:34:49,349 --> 00:34:46,720
took the camera and started recording

852
00:34:52,550 --> 00:34:49,359
like it came out out really sucky you

853
00:34:55,430 --> 00:34:52,560
can only see a bunch of lights and

854
00:34:57,109 --> 00:34:55,440
it doesn't look really you know

855
00:34:59,349 --> 00:34:57,119
it doesn't

856
00:35:01,829 --> 00:34:59,359
like you you don't see the ringlets in

857
00:35:03,349 --> 00:35:01,839
there you know

858
00:35:05,670 --> 00:35:03,359
look

859
00:35:08,390 --> 00:35:05,680
how they actually did like you only see

860
00:35:09,589 --> 00:35:08,400
like some shiny dots in the sky it looks

861
00:35:11,109 --> 00:35:09,599
horrible

862
00:35:14,550 --> 00:35:11,119
and so uh

863
00:35:16,470 --> 00:35:14,560

we don't have basically anything to

864

00:35:17,510 --> 00:35:16,480

prove what we saw because

865

00:35:25,829 --> 00:35:17,520

the

866

00:35:26,870 --> 00:35:25,839

anything like it's just like dark sky

867

00:35:29,670 --> 00:35:26,880

and some

868

00:35:31,270 --> 00:35:29,680

random sparkly dots

869

00:35:34,150 --> 00:35:31,280

so yeah

870

00:35:37,670 --> 00:35:34,160

only to make matters worse

871

00:35:39,990 --> 00:35:37,680

i regret this is the decision that i

872

00:35:41,990 --> 00:35:40,000

will regret my entire life

873

00:35:43,030 --> 00:35:42,000

to not scream

874

00:35:45,030 --> 00:35:43,040

people

875

00:35:49,589 --> 00:35:45,040

look up

876
00:35:50,390 --> 00:35:49,599
freak looked the f up nobody was looking

877
00:35:54,550 --> 00:35:50,400
up

878
00:35:57,030 --> 00:35:54,560
i swear nobody like there there were a

879
00:35:59,990 --> 00:35:57,040
few people around us it wasn't crowded

880
00:36:02,710 --> 00:36:00,000
because at that moment in the night like

881
00:36:04,950 --> 00:36:02,720
it's pretty lonely and

882
00:36:07,270 --> 00:36:04,960
it's peaceful but at least a couple

883
00:36:08,710 --> 00:36:07,280
people like there were a couple people

884
00:36:12,870 --> 00:36:08,720
around us

885
00:36:17,190 --> 00:36:12,880
and i and my mom like we didn't scream

886
00:36:18,790 --> 00:36:17,200
people look up like there are literal

887
00:36:21,990 --> 00:36:18,800
ufos

888
00:36:23,430 --> 00:36:22,000

over our heads i i didn't do nothing i

889

00:36:25,430 --> 00:36:23,440

was in shock

890

00:36:26,950 --> 00:36:25,440

but i still regret that i didn't do

891

00:36:31,190 --> 00:36:26,960

nothing and

892

00:36:34,710 --> 00:36:31,200

all the time

893

00:36:36,790 --> 00:36:34,720

we should have like scrat scream to the

894

00:36:37,990 --> 00:36:36,800

top of our lungs but we didn't do

895

00:36:41,829 --> 00:36:38,000

anything

896

00:36:44,870 --> 00:36:41,839

and so yeah this is our our secret our

897

00:36:47,270 --> 00:36:44,880

our thing nobody else saw it and it's

898

00:36:50,550 --> 00:36:47,280

ridiculous because in that spot of the

899

00:36:52,310 --> 00:36:50,560

bridge it's lonely but if you walk your

900

00:36:54,310 --> 00:36:52,320

way towards

901
00:36:56,870 --> 00:36:54,320
the island it the bridge is really

902
00:36:58,150 --> 00:36:56,880
crowded like a lot of people go there to

903
00:37:02,630 --> 00:36:58,160
to party

904
00:37:04,950 --> 00:37:02,640
and so like how how stupid humans are

905
00:37:07,270 --> 00:37:04,960
like there is like a bunch of people

906
00:37:09,349 --> 00:37:07,280
there nobody looks up to the sky to that

907
00:37:13,589 --> 00:37:09,359
monstrosity

908
00:37:15,829 --> 00:37:13,599
like i swear it hits you really hard and

909
00:37:17,910 --> 00:37:15,839
they were actually really pretty and

910
00:37:20,550 --> 00:37:17,920
so yeah i don't i don't wanna

911
00:37:23,990 --> 00:37:20,560
no offense alien like i didn't say

912
00:37:27,670 --> 00:37:24,000
monstrosity as an offense

913
00:37:29,589 --> 00:37:27,680

and yeah i was like also terrified i was

914

00:37:31,910 --> 00:37:29,599

downright terrified because i was like

915

00:37:34,710 --> 00:37:31,920

these are here and they're like they're

916

00:37:37,270 --> 00:37:34,720

so close to the earth and

917

00:37:39,349 --> 00:37:37,280

what are they going to do like i was

918

00:37:41,510 --> 00:37:39,359

like are they gonna like laser me right

919

00:37:44,150 --> 00:37:41,520

now like i'm looking at them do they

920

00:37:46,470 --> 00:37:44,160

want me to look at them or like how are

921

00:37:48,829 --> 00:37:46,480

they gonna get defensive and like i said

922

00:37:52,390 --> 00:37:48,839

like shoot a laser or anything i was

923

00:37:55,349 --> 00:37:52,400

like so i i also i think i also didn't

924

00:37:57,670 --> 00:37:55,359

scream because i was like

925

00:38:00,310 --> 00:37:57,680

oh freak they're gonna

926
00:38:01,349 --> 00:38:00,320
they're gonna laser me

927
00:38:07,670 --> 00:38:01,359
and

928
00:38:08,870 --> 00:38:07,680
then i'm like i wish i i saw them again

929
00:38:10,790 --> 00:38:08,880
like i

930
00:38:12,470 --> 00:38:10,800
i wish that i will see them again one

931
00:38:13,829 --> 00:38:12,480
day because they look cute they look

932
00:38:18,310 --> 00:38:13,839
hella cute

933
00:38:21,990 --> 00:38:18,320
and and so yeah after this uh really

934
00:38:24,630 --> 00:38:22,000
chaotic moment of this

935
00:38:28,230 --> 00:38:24,640
really shocking moment me and my mom we

936
00:38:30,230 --> 00:38:28,240
went to a bar and we ordered two lava

937
00:38:33,510 --> 00:38:30,240
cakes and

938
00:38:36,310 --> 00:38:33,520

tried to calm ourselves down in front of

939

00:38:37,510 --> 00:38:36,320

the chocolate lava cakes because

940

00:38:40,710 --> 00:38:37,520

that was like

941

00:38:42,310 --> 00:38:40,720

the right thing to do in that moment

942

00:38:47,750 --> 00:38:42,320

so yeah and that's

943

00:38:52,390 --> 00:38:50,630

hey ryan what's up my name is david all

944

00:38:55,349 --> 00:38:52,400

right so first off let's start this

945

00:38:57,910 --> 00:38:55,359

story off with a dream that i had

946

00:39:02,950 --> 00:38:57,920

back around 2016.

947

00:39:04,310 --> 00:39:02,960

i'm asleep and i wake up and it is cold

948

00:39:11,589 --> 00:39:04,320

and

949

00:39:15,430 --> 00:39:11,599

is

950

00:39:17,750 --> 00:39:15,440

gone it's it's just like it never

951
00:39:19,910 --> 00:39:17,760
existed it was almost like they built a

952
00:39:22,790 --> 00:39:19,920
house with no roof uh

953
00:39:25,270 --> 00:39:22,800
i could see this craft up above

954
00:39:29,270 --> 00:39:25,280
this this big bright

955
00:39:31,670 --> 00:39:29,280
circular disc object and

956
00:39:32,470 --> 00:39:31,680
i remember a beam coming down it was

957
00:39:35,670 --> 00:39:32,480
like

958
00:39:38,550 --> 00:39:35,680
whitish yellowish in color and

959
00:39:41,750 --> 00:39:38,560
it picked me up into the air i couldn't

960
00:39:44,550 --> 00:39:41,760
remember watching

961
00:39:47,109 --> 00:39:44,560
as as i was gaining altitude rising up

962
00:39:49,430 --> 00:39:47,119
in the ship i was looking down watching

963
00:39:51,829 --> 00:39:49,440

my feet dangling i remember looking at

964

00:39:53,270 --> 00:39:51,839

my socks and i remember how cold it was

965

00:39:55,829 --> 00:39:53,280

in the dream

966

00:39:58,550 --> 00:39:55,839

um when i got into the craft and and i

967

00:40:01,030 --> 00:39:58,560

want to say this i was so happy

968

00:40:03,270 --> 00:40:01,040

that that they were here you know that

969

00:40:06,309 --> 00:40:03,280

the truth is finally came

970

00:40:08,069 --> 00:40:06,319

um when i got into the craft there was

971

00:40:11,030 --> 00:40:08,079

other people in there they didn't know

972

00:40:12,550 --> 00:40:11,040

what was going on i didn't either

973

00:40:14,470 --> 00:40:12,560

but

974

00:40:16,710 --> 00:40:14,480

the other people didn't have the feeling

975

00:40:19,270 --> 00:40:16,720

i had that's for sure

976
00:40:22,150 --> 00:40:19,280
um and and i don't remember anything

977
00:40:23,270 --> 00:40:22,160
else about that dream but it was cool

978
00:40:27,990 --> 00:40:23,280
right

979
00:40:31,030 --> 00:40:28,000
um let's fast forward a couple months uh

980
00:40:32,550 --> 00:40:31,040
me and my girlfriend rose at the time

981
00:40:34,150 --> 00:40:32,560
right

982
00:40:35,030 --> 00:40:34,160
were driving

983
00:40:37,589 --> 00:40:35,040
through

984
00:40:39,190 --> 00:40:37,599
hamilton new jersey uh

985
00:40:42,630 --> 00:40:39,200
where

986
00:40:44,870 --> 00:40:42,640
and

987
00:40:47,589 --> 00:40:44,880
we're going out towards

988
00:40:50,150 --> 00:40:47,599

yardville bordentown area

989

00:40:52,550 --> 00:40:50,160

and there's a spot that we used to go to

990

00:40:54,870 --> 00:40:52,560

because it was right off the road and

991

00:40:57,190 --> 00:40:54,880

nobody could see you

992

00:40:59,829 --> 00:40:57,200

it was just like completely surrounded

993

00:41:02,710 --> 00:40:59,839

by trees because they were gonna

994

00:41:06,790 --> 00:41:02,720

build uh housing development but they

995

00:41:07,589 --> 00:41:06,800

never did it back there i guess you know

996

00:41:12,390 --> 00:41:07,599

the

997

00:41:14,630 --> 00:41:12,400

but it was just

998

00:41:17,430 --> 00:41:14,640

nothing you know there was about a

999

00:41:21,109 --> 00:41:17,440

quarter mile road that led down there

1000

00:41:22,550 --> 00:41:21,119

just a strip surrounded by um

1001
00:41:24,950 --> 00:41:22,560
woods

1002
00:41:26,870 --> 00:41:24,960
so we used to go back there and we would

1003
00:41:28,309 --> 00:41:26,880
sit in the back of the hatch of the car

1004
00:41:30,630 --> 00:41:28,319
at the honda

1005
00:41:32,550 --> 00:41:30,640
and we would look up into the sky we

1006
00:41:35,349 --> 00:41:32,560
would watch the stars because we used to

1007
00:41:38,390 --> 00:41:35,359
love doing that uh that was

1008
00:41:40,950 --> 00:41:38,400
something that we we did often and and

1009
00:41:42,870 --> 00:41:40,960
we love doing it and we believe that

1010
00:41:45,030 --> 00:41:42,880
there's something else out there you

1011
00:41:47,270 --> 00:41:45,040
know i want to say that when i was

1012
00:41:49,430 --> 00:41:47,280
younger i didn't believe in anything

1013
00:41:52,390 --> 00:41:49,440

like this and i thought that anybody

1014

00:41:54,069 --> 00:41:52,400

that did was crazy you know

1015

00:41:55,670 --> 00:41:54,079

and i came

1016

00:41:57,910 --> 00:41:55,680

to believe

1017

00:42:00,150 --> 00:41:57,920

there's things going on that

1018

00:42:03,430 --> 00:42:00,160

we don't know about or that that we

1019

00:42:05,589 --> 00:42:03,440

can't explain and humans don't know and

1020

00:42:07,030 --> 00:42:05,599

everything you know people act like

1021

00:42:08,870 --> 00:42:07,040

they're god and that they know

1022

00:42:12,069 --> 00:42:08,880

everything and just because they can't

1023

00:42:14,150 --> 00:42:12,079

see something and doesn't exist well

1024

00:42:15,510 --> 00:42:14,160

you can't see oxygen

1025

00:42:18,230 --> 00:42:15,520

can you

1026

00:42:21,829 --> 00:42:18,240

but it keeps us alive

1027

00:42:22,950 --> 00:42:21,839

uh i sort of try to keep open mind about

1028

00:42:27,430 --> 00:42:22,960

things

1029

00:42:28,390 --> 00:42:27,440

over the world

1030

00:42:32,950 --> 00:42:28,400

by

1031

00:42:35,670 --> 00:42:32,960

people uh in in huge numbers

1032

00:42:37,750 --> 00:42:35,680

uh i i think that's very alarming i

1033

00:42:42,150 --> 00:42:37,760

think it's scary

1034

00:42:44,470 --> 00:42:42,160

but um i'm sorry when when we were back

1035

00:42:47,190 --> 00:42:44,480

in this area

1036

00:42:52,870 --> 00:42:49,670

i remember that we saw these lights off

1037

00:42:55,430 --> 00:42:52,880

in the distance it it looked like uh a

1038

00:42:58,790 --> 00:42:55,440

bright light white light sort of like

1039

00:42:59,670 --> 00:42:58,800

maybe with like a yellowish 10 at times

1040

00:43:01,349 --> 00:42:59,680

and

1041

00:43:03,510 --> 00:43:01,359

we're like joking with each other

1042

00:43:06,230 --> 00:43:03,520

because we're trying to figure out what

1043

00:43:09,109 --> 00:43:06,240

it is and we're like shooting each

1044

00:43:11,510 --> 00:43:09,119

other's ideas down you know it can't be

1045

00:43:12,870 --> 00:43:11,520

this because of this or that

1046

00:43:15,270 --> 00:43:12,880

and

1047

00:43:16,870 --> 00:43:15,280

i remember um

1048

00:43:18,550 --> 00:43:16,880

you know it was just something that we

1049

00:43:20,710 --> 00:43:18,560

took notice of

1050

00:43:23,349 --> 00:43:20,720

uh there was a lot of other air traffic

1051

00:43:25,829 --> 00:43:23,359

in the area because i do live by a lot

1052

00:43:27,750 --> 00:43:25,839

of military bases there was helicopters

1053

00:43:31,829 --> 00:43:27,760

in the area also

1054

00:43:34,950 --> 00:43:31,839

uh passenger planes going by big ones uh

1055

00:43:37,750 --> 00:43:34,960

but these objects were just sort of

1056

00:43:39,190 --> 00:43:37,760

floating there for a long time too it

1057

00:43:41,990 --> 00:43:39,200

seemed like

1058

00:43:45,109 --> 00:43:42,000

and um

1059

00:43:48,790 --> 00:43:45,119

we actually noticed other ones often in

1060

00:43:49,829 --> 00:43:48,800

other parts and and then we would sort

1061

00:43:52,150 --> 00:43:49,839

of just

1062

00:43:54,950 --> 00:43:52,160

not know where they went unless maybe we

1063

00:43:57,750 --> 00:43:54,960

lost track of them but

1064

00:44:00,470 --> 00:43:57,760

i remember that i was holding her we

1065

00:44:01,990 --> 00:44:00,480

were looking face to face and um

1066

00:44:04,710 --> 00:44:02,000

you know it was an intimate moment

1067

00:44:07,510 --> 00:44:04,720

because at the time i loved this this

1068

00:44:10,550 --> 00:44:07,520

girl and i remember just looking in her

1069

00:44:11,510 --> 00:44:10,560

eyes she was beautiful that night

1070

00:44:14,550 --> 00:44:11,520

and

1071

00:44:17,589 --> 00:44:14,560

you know it was uh

1072

00:44:18,470 --> 00:44:17,599

it was a good memory you know

1073

00:44:22,069 --> 00:44:18,480

but

1074

00:44:23,510 --> 00:44:22,079

as as i'm looking at her i realized that

1075

00:44:25,910 --> 00:44:23,520

there's

1076
00:44:27,430 --> 00:44:25,920
lasers everywhere

1077
00:44:28,950 --> 00:44:27,440
and i'm like

1078
00:44:32,550 --> 00:44:28,960
what the f

1079
00:44:35,430 --> 00:44:32,560
look look

1080
00:44:37,910 --> 00:44:35,440
um you could see these laser dots on top

1081
00:44:40,309 --> 00:44:37,920
of tree lines okay

1082
00:44:42,150 --> 00:44:40,319
so it wasn't coming from somebody on the

1083
00:44:44,630 --> 00:44:42,160
ground i could tell you that

1084
00:44:46,710 --> 00:44:44,640
because you could see it on top of the

1085
00:44:49,750 --> 00:44:46,720
tree lines uh

1086
00:44:52,190 --> 00:44:49,760
it was surrounding us literally about

1087
00:44:56,309 --> 00:44:52,200
the size of like a football field and a

1088
00:44:57,670 --> 00:44:56,319

360 degree angle okay

1089

00:44:59,270 --> 00:44:57,680

um

1090

00:45:03,430 --> 00:44:59,280

it was

1091

00:45:06,069 --> 00:45:03,440

really cool i was i was really happy

1092

00:45:08,230 --> 00:45:06,079

we we saw it and we were literally

1093

00:45:10,950 --> 00:45:08,240

jumping up and down shaking our hands

1094

00:45:13,750 --> 00:45:10,960

and airs like little kids in christmas

1095

00:45:15,030 --> 00:45:13,760

you know it just felt like such a cool

1096

00:45:16,710 --> 00:45:15,040

thing

1097

00:45:19,430 --> 00:45:16,720

and um

1098

00:45:21,589 --> 00:45:19,440

i remember that it didn't hurt our skin

1099

00:45:22,870 --> 00:45:21,599

it didn't burn our eyes

1100

00:45:25,349 --> 00:45:22,880

and

1101

00:45:27,430 --> 00:45:25,359

i remember one thing one thing that was

1102

00:45:30,150 --> 00:45:27,440

alarming i know that lasers can cause

1103

00:45:32,550 --> 00:45:30,160

cancer and other type of damage

1104

00:45:35,430 --> 00:45:32,560

um i didn't get sick or anything like

1105

00:45:36,950 --> 00:45:35,440

that or experience any type of pain or

1106

00:45:39,190 --> 00:45:36,960

discomfort

1107

00:45:42,870 --> 00:45:39,200

but um i swear i wanted to get out of

1108

00:45:46,950 --> 00:45:42,880

there i want to do so also i want to say

1109

00:45:49,270 --> 00:45:46,960

that i acknowledge their presence by

1110

00:45:50,950 --> 00:45:49,280

blinking my high beams on and off three

1111

00:45:53,270 --> 00:45:50,960

times and

1112

00:45:54,150 --> 00:45:53,280

then turning my lights on and off three

1113

00:45:55,430 --> 00:45:54,160

times

1114

00:45:58,150 --> 00:45:55,440

and then we

1115

00:46:01,030 --> 00:45:58,160

uh drove out of there and we were

1116

00:46:04,790 --> 00:46:01,040

driving back towards like trenton trent

1117

00:46:07,109 --> 00:46:04,800

makes world takes bridge and uh it felt

1118

00:46:10,390 --> 00:46:07,119

like they were almost following us

1119

00:46:12,069 --> 00:46:10,400

uh before that though before we went to

1120

00:46:14,630 --> 00:46:12,079

the trenton mace world takes bridge

1121

00:46:17,990 --> 00:46:14,640

around that area we were driving through

1122

00:46:20,470 --> 00:46:18,000

hamilton square also and we could still

1123

00:46:22,550 --> 00:46:20,480

see these lights which we thought that

1124

00:46:28,790 --> 00:46:22,560

it could be these ones

1125

00:46:33,750 --> 00:46:31,670

you know that's that's just the paranoia

1126
00:46:37,270 --> 00:46:33,760
and then because you know when you have

1127
00:46:39,109 --> 00:46:37,280
an experience like that it's

1128
00:46:41,589 --> 00:46:39,119
it's it's really

1129
00:46:43,750 --> 00:46:41,599
something crazy and i don't know what it

1130
00:46:46,390 --> 00:46:43,760
was you know i don't know what the craft

1131
00:46:48,870 --> 00:46:46,400
was because i couldn't see the object i

1132
00:46:51,829 --> 00:46:48,880
couldn't see what shape it was

1133
00:46:54,230 --> 00:46:51,839
all i saw was the light and whatever was

1134
00:46:56,950 --> 00:46:54,240
shining the laser on us what was amazing

1135
00:46:58,390 --> 00:46:56,960
is that the lasers were

1136
00:47:00,630 --> 00:46:58,400
still

1137
00:47:03,589 --> 00:47:00,640
and we couldn't even see a craft

1138
00:47:06,390 --> 00:47:03,599

anywhere near us at that point so that

1139

00:47:08,630 --> 00:47:06,400

that was pretty crazy you know that's

1140

00:47:10,630 --> 00:47:08,640

some

1141

00:47:12,710 --> 00:47:10,640

pretty good technology

1142

00:47:14,069 --> 00:47:12,720

i gotta say

1143

00:47:15,670 --> 00:47:14,079

so

1144

00:47:18,870 --> 00:47:15,680

um

1145

00:47:20,470 --> 00:47:18,880

yeah you know i i want to say also that

1146

00:47:24,870 --> 00:47:20,480

around that time

1147

00:47:27,030 --> 00:47:24,880

i had uh sleep paralysis

1148

00:47:29,589 --> 00:47:27,040

experience

1149

00:47:32,470 --> 00:47:29,599

and i could see something it felt like

1150

00:47:35,190 --> 00:47:32,480

something was behind me okay and i still

1151
00:47:37,670 --> 00:47:35,200
get creeped out even thinking about it

1152
00:47:39,589 --> 00:47:37,680
and i couldn't see what it was because

1153
00:47:41,510 --> 00:47:39,599
it was just a dark figure it looked like

1154
00:47:44,549 --> 00:47:41,520
i had a hood on it looked like it was

1155
00:47:48,630 --> 00:47:44,559
all black but with substance to it

1156
00:47:49,990 --> 00:47:48,640
and it was scary as

1157
00:47:52,870 --> 00:47:50,000
anything

1158
00:47:54,390 --> 00:47:52,880
okay it's like

1159
00:47:56,390 --> 00:47:54,400
something you

1160
00:47:58,549 --> 00:47:56,400
just one of the worst feelings you could

1161
00:47:59,990 --> 00:47:58,559
ever experience and then you start

1162
00:48:01,510 --> 00:48:00,000
worrying about

1163
00:48:04,230 --> 00:48:01,520

other people in the house is this

1164

00:48:05,270 --> 00:48:04,240
happening also at the same time

1165

00:48:09,430 --> 00:48:05,280
so

1166

00:48:11,430 --> 00:48:09,440
it's it's disturbing to say the least

1167

00:48:14,309 --> 00:48:11,440
but um

1168

00:48:17,109 --> 00:48:14,319
yeah i i want to urge people if you see

1169

00:48:18,829 --> 00:48:17,119
something say something because this is

1170

00:48:21,750 --> 00:48:18,839
the most

1171

00:48:24,150 --> 00:48:21,760
significant thing

1172

00:48:25,270 --> 00:48:24,160
that we could think of

1173

00:48:27,670 --> 00:48:25,280
you know

1174

00:48:31,030 --> 00:48:27,680
and i believe that there's things being

1175

00:48:34,230 --> 00:48:31,040
suppressed i'm finally happy at least

1176
00:48:36,150 --> 00:48:34,240
that the government's admitting to ufos

1177
00:48:38,230 --> 00:48:36,160
and stuff like that

1178
00:48:39,829 --> 00:48:38,240
um

1179
00:48:43,829 --> 00:48:39,839
so yeah

1180
00:48:47,750 --> 00:48:43,839
uh where was this a military craft that

1181
00:48:51,109 --> 00:48:47,760
shine shine the laser on us

1182
00:48:53,750 --> 00:48:51,119
if it was why would they be doing that

1183
00:48:56,630 --> 00:48:53,760
what's the purpose of that is it maybe

1184
00:48:57,750 --> 00:48:56,640
just like a training exercise for some

1185
00:49:00,390 --> 00:48:57,760
type of

1186
00:49:01,430 --> 00:49:00,400
bomber maybe i don't know

1187
00:49:04,390 --> 00:49:01,440
uh

1188
00:49:07,030 --> 00:49:04,400

i'd love to know you know i'd i'd love

1189

00:49:10,710 --> 00:49:07,040

to hear feedback on this

1190

00:49:12,150 --> 00:49:10,720

if anybody's had a similar experience

1191

00:49:16,309 --> 00:49:12,160

you know

1192

00:49:18,230 --> 00:49:16,319

but uh i just want to say thank you for

1193

00:49:20,950 --> 00:49:18,240

hearing my story

1194

00:49:22,710 --> 00:49:20,960

i think it's awesome what you're doing

1195

00:49:25,589 --> 00:49:22,720

man you know

1196

00:49:27,270 --> 00:49:25,599

uh keep up the great work dude

1197

00:49:31,030 --> 00:49:27,280

and uh

1198

00:49:33,030 --> 00:49:31,040

you know i just want to say

1199

00:49:36,230 --> 00:49:33,040

be safe

1200

00:49:37,190 --> 00:49:36,240

these times are crazy right now

1201
00:49:38,309 --> 00:49:37,200
and

1202
00:49:40,390 --> 00:49:38,319
it's

1203
00:49:42,549 --> 00:49:40,400
i want to say to everybody keep your

1204
00:49:43,589 --> 00:49:42,559
heads up through this

1205
00:49:46,069 --> 00:49:43,599
and

1206
00:49:47,190 --> 00:49:46,079
have the strength to keep moving on all

1207
00:49:49,349 --> 00:49:47,200
right

1208
00:49:58,540 --> 00:49:49,359
if anyone hasn't said it today i love
