

1
00:00:03,110 --> 00:00:01,829
travis

2
00:00:04,789 --> 00:00:03,120
thanks john i wanted to ask you about

3
00:00:07,269 --> 00:00:04,799
this new uap

4
00:00:09,830 --> 00:00:07,279
office that was created by deputy

5
00:00:10,629 --> 00:00:09,840
secretary hicks and announced last week

6
00:00:11,669 --> 00:00:10,639
um

7
00:00:13,910 --> 00:00:11,679
the

8
00:00:20,150 --> 00:00:13,920
aerial object identification and

9
00:00:24,310 --> 00:00:21,830
is there it's a mouthful was there any

10
00:00:25,990 --> 00:00:24,320
coordination with lawmakers on capitol

11
00:00:28,470 --> 00:00:26,000
bill they're proposing

12
00:00:30,390 --> 00:00:28,480
related legislation like representative

13
00:00:31,830 --> 00:00:30,400

gallego and senator

14

00:00:34,870 --> 00:00:31,840

gillibrand

15

00:00:37,990 --> 00:00:34,880

and secondly some former pentagon

16

00:00:40,549 --> 00:00:38,000

officials who had worked on this issue

17

00:00:42,709 --> 00:00:40,559

chris mellon and lou elizondo have said

18

00:00:44,709 --> 00:00:42,719

that this is an effort for the pentagon

19

00:00:46,869 --> 00:00:44,719

to be less transparent

20

00:00:48,869 --> 00:00:46,879

on uaps and i was just wondering if you

21

00:00:51,670 --> 00:00:48,879

if you had any response

22

00:00:53,430 --> 00:00:51,680

on the first one um i can't i can't

23

00:00:55,990 --> 00:00:53,440

speak to pending legislation obviously

24

00:00:57,750 --> 00:00:56,000

i'd refer to those members but uh but we

25

00:00:58,869 --> 00:00:57,760

absolutely kept members of congress

26

00:01:00,310 --> 00:00:58,879

informed

27

00:01:05,270 --> 00:01:00,320

as we

28

00:01:07,350 --> 00:01:05,280

this group together and and announced it

29

00:01:09,429 --> 00:01:07,360

um and it is

30

00:01:12,230 --> 00:01:09,439

to your second question it is really

31

00:01:14,710 --> 00:01:12,240

designed to help us better coordinate

32

00:01:16,950 --> 00:01:14,720

the reporting processes

33

00:01:20,149 --> 00:01:16,960

the actual reports themselves and the

34

00:01:22,710 --> 00:01:20,159

analysis of those reports so that

35

00:01:26,870 --> 00:01:24,310

getting them sort of piecemeal and ad

36

00:01:29,030 --> 00:01:26,880

hoc as we've been getting them from uh

37

00:01:30,870 --> 00:01:29,040

from from the services

38

00:01:32,550 --> 00:01:30,880

this is a way to coordinate the the

39

00:01:34,550 --> 00:01:32,560

input so that we can

40

00:01:36,950 --> 00:01:34,560

there's a common set of parameters for

41

00:01:38,710 --> 00:01:36,960

how to report them and to analyze them

42

00:01:41,350 --> 00:01:38,720

and then to assess what we've got and

43

00:01:42,870 --> 00:01:41,360

not all reports are going to manifest

44

00:01:44,870 --> 00:01:42,880

themselves in something that we consider

45

00:01:47,510 --> 00:01:44,880

a national security threat

46

00:01:48,710 --> 00:01:47,520

so this is a chance for us to to be a

47

00:01:50,710 --> 00:01:48,720

much more

48

00:01:52,069 --> 00:01:50,720

organized in the way we process these

49

00:01:54,310 --> 00:01:52,079

reports

50

00:01:57,030 --> 00:01:54,320

and as we have we will certainly

51
00:01:59,749 --> 00:01:57,040
continue to be as transparent as we can

52
00:02:01,270 --> 00:01:59,759
about uh these phenomena and uh and and

53
00:02:02,069 --> 00:02:01,280
the impact that they may or may not be

54
00:02:04,069 --> 00:02:02,079
having

55
00:02:06,550 --> 00:02:04,079
on our ability to operate is there any

56
00:02:09,190 --> 00:02:06,560
specific commitment to release some data

57
00:02:10,949 --> 00:02:09,200
or information on these to the public at

58
00:02:13,030 --> 00:02:10,959
some point something beyond the briefing

59
00:02:15,430 --> 00:02:13,040
to congress a closing yeah i mean i

60
00:02:17,430 --> 00:02:15,440
don't have a specific report to to

61
00:02:19,270 --> 00:02:17,440
announce today that on any kind of a

62
00:02:21,190 --> 00:02:19,280
frequent basis that we would do but i

63
00:02:23,430 --> 00:02:21,200

can assure you that our intention is to

64

00:02:25,910 --> 00:02:23,440

be as transparent about uh this

65

00:02:27,830 --> 00:02:25,920

phenomena as as we can again try this

66

00:02:29,910 --> 00:02:27,840

understanding that um

67

00:02:31,270 --> 00:02:29,920

uh that

68

00:02:32,630 --> 00:02:31,280

that there'll be national security

69

00:02:34,150 --> 00:02:32,640

considerations that we have to keep in

70

00:02:35,910 --> 00:02:34,160

mind but we'll be as transparent as we

71

00:02:36,949 --> 00:02:35,920

can but not i don't want to leave you

72

00:02:39,589 --> 00:02:36,959

with the impression that there'll be

73

00:02:41,910 --> 00:02:39,599

sort of a regular drum beat of uh you

74

00:02:43,350 --> 00:02:41,920

know of some kind of report that uh that
