

"I believe that these extraterrestrial vehicles and their crews are visiting this planet from other planets... I did have observation of many flights of them."  
**COLONEL GORDON COOPER** Astronaut

"The space craft flew out of the blue and landed. The occupant got out and stood on the grass and talked to the man for twenty minutes."

**LT. COLONEL WENDELLE STEVENS**  
 U.S. Air Force Technical Intelligence

"It was almost a mid-air collision with a UFO. It pulled my helicopter up more than a thousand feet."

**LT. COLONEL LAWRENCE COYNE** U.S. Army

"...The phenomenon reported is something real and not visionary or fictitious."

**GENERAL NATHAN TWINING**  
 Chief of Staff, U.S. Air Force

"It was strewn over an area 1/4 of a mile long... we didn't know what it was."

**MAJOR JESSE MARCEL**  
 Intelligence Officer, U.S. Army

"I must insist upon full access to discs recovered... the Army grabbed (one) and would not let us have it for cursory examination."

**J. EDGAR HOOVER** Director, F.B.I.

"Air Force, Navy, and commercial pilots have revealed to me cases when a UFO would fly near them right off their plane's wing... highly secret government UFO investigations are going on that we don't know about."

**SENATOR BARRY GOLDWATER**

"It seemed to move toward us, then partially away, then return, then depart. It was bluish, reddish and luminous."

**JIMMY CARTER**

President of the United States

"Its shape was such that I don't believe it was made by mankind."

**DR. BRUCE MACCABEE**  
 Research Physicist, U.S. Navy

**We dare you not to believe after you've seen...**

# UFO'S ARE REAL

Brandon Chase presents A Group 1 Film **UFO'S ARE REAL**

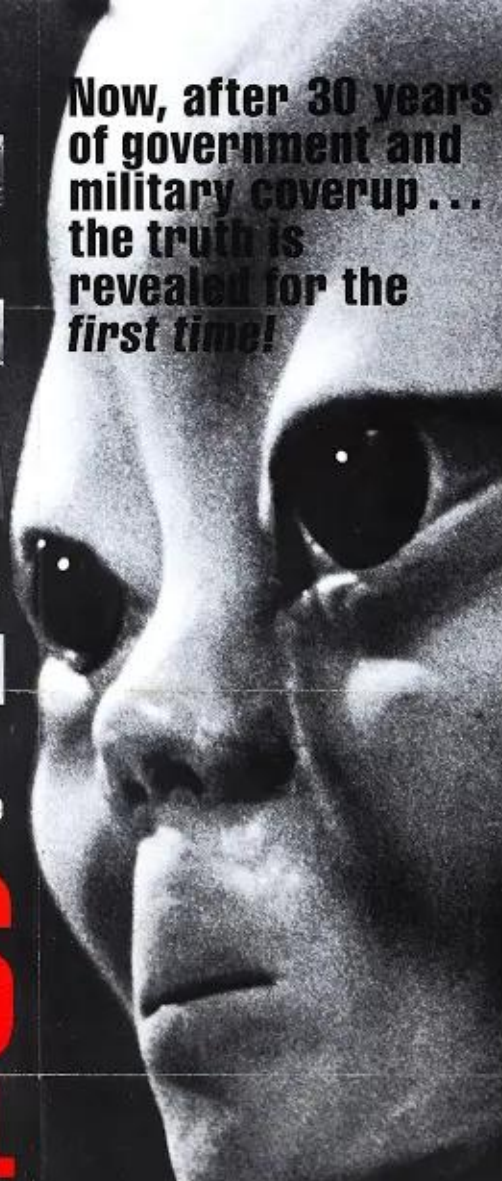

Director of Photography **HAMANIA BAER** Associate Producer **GREG McCARTY** Assistant Director **DANA MacDUFF** Graphics **ED VARELA**

Assistant Editor **BRAD GOLDBERG** Edited by **LAWRENCE ROSS** Music **NEIMAN-TILLAR** Technical Consultant **STANTON FRIEDMAN**

Written by **EDWARD HUNT** and **STANTON FRIEDMAN** Producer **MARIANNE CHASE** Director **EDWARD HUNT**

Color by **DE LUXE** In Stereophonic Sound

**Now, after 30 years of government and military coverup... the truth is revealed for the first time!**

1  
00:00:32,229 --> 00:00:24,760

[Music]

2  
00:00:36,549 --> 00:00:34,630

in november 1961

3  
00:00:38,709 --> 00:00:36,559

a secret meeting of leading government

4  
00:00:40,630 --> 00:00:38,719

sponsored astronomers was held to

5  
00:00:45,230 --> 00:00:40,640

estimate the number of planets in our

6  
00:00:47,430 --> 00:00:45,240

own galaxy with intelligent life

7  
00:00:49,670 --> 00:00:47,440

[Music]

8  
00:00:52,709 --> 00:00:49,680

these scientists concluded that there

9  
00:00:54,630 --> 00:00:52,719

are probably 40 to 50 million

10  
00:00:59,990 --> 00:00:54,640

intelligent extraterrestrial

11  
00:01:03,990 --> 00:01:02,310

there is ever increasing evidence that

12  
00:01:07,350 --> 00:01:04,000

some of these extraterrestrial

13  
00:01:24,340 --> 00:01:07,360

civilizations are visiting the earth

14

00:02:20,630 --> 00:01:26,870

[Applause]

15

00:02:20,640 --> 00:02:27,430

in the air before it began to move

16

00:02:31,509 --> 00:02:29,750

this sighting is only one of the many

17

00:02:34,309 --> 00:02:31,519

pieces of evidence the producers of this

18

00:02:44,390 --> 00:02:34,319

film will present verifying that some

19

00:02:48,390 --> 00:02:46,470

we will reveal formally classified

20

00:02:50,550 --> 00:02:48,400

secret documents which clearly

21

00:02:53,110 --> 00:02:50,560

demonstrate that the government has

22

00:02:56,309 --> 00:02:53,120

knowledge of the extraterrestrial origin

23

00:02:58,470 --> 00:02:56,319

of some ufos and is trying to keep this

24

00:03:00,309 --> 00:02:58,480

fact secret

25

00:03:02,470 --> 00:03:00,319

you will see documented evidence

26

00:03:05,589 --> 00:03:02,480

depicting the appearance of the alien

27

00:03:07,990 --> 00:03:05,599

beings who pilot these ufos and we will

28

00:03:10,790 --> 00:03:08,000

present our conclusions as to what

29

00:03:13,190 --> 00:03:10,800

purpose these alien beings have in

30

00:03:13,720 --> 00:03:13,200

visiting the earth

31

00:03:18,790 --> 00:03:13,730

[Applause]

32

00:03:24,470 --> 00:03:20,790

while in space as command pilot on

33

00:03:26,949 --> 00:03:24,480

gemini 5 astronaut general james mcdivot

34

00:03:29,990 --> 00:03:26,959

saw an unidentified object approach his

35

00:03:32,390 --> 00:03:30,000

spacecraft and then move away when he

36

00:03:35,110 --> 00:03:32,400

tried to film it

37

00:03:38,470 --> 00:03:35,120

one astronaut who actually chased a ufo

38

00:03:41,190 --> 00:03:38,480

while a fighter pilot in germany in 1951

39

00:03:42,949 --> 00:03:41,200

is colonel gordon cooper

40

00:03:45,030 --> 00:03:42,959

one of the original seven mercury

41

00:03:47,190 --> 00:03:45,040

astronauts colonel cooper sent this

42

00:03:52,470 --> 00:03:47,200

letter to the united nations november

43

00:03:54,869 --> 00:03:52,480

9th 1978 to express his view on ufos

44

00:03:57,589 --> 00:03:54,879

i believe that these extraterrestrial

45

00:03:59,990 --> 00:03:57,599

vehicles and their crews are visiting

46

00:04:02,149 --> 00:04:00,000

this planet from other planets which

47

00:04:06,149 --> 00:04:02,159

obviously are a little more technically

48

00:04:08,710 --> 00:04:06,159

advanced than we are here on earth

49

00:04:10,309 --> 00:04:08,720

i am somewhat qualified to discuss them

50

00:04:14,090 --> 00:04:10,319

since i have been into the fringes of

51  
00:04:16,870 --> 00:04:14,100  
the vast areas in which they traveled

52  
00:04:20,229 --> 00:04:16,880  
[Music]

53  
00:04:23,110 --> 00:04:20,239  
also i did have occasion in 1951 to have

54  
00:04:26,310 --> 00:04:23,120  
two days of observation of many flights

55  
00:04:29,030 --> 00:04:26,320  
of them of different sizes flying in

56  
00:04:30,710 --> 00:04:29,040  
fighter formation generally from east to

57  
00:04:32,790 --> 00:04:30,720  
west over europe

58  
00:04:34,469 --> 00:04:32,800  
they were at a higher altitude than we

59  
00:04:42,790 --> 00:04:34,479  
could reach with our jet fighters of

60  
00:04:47,830 --> 00:04:45,590  
we are showing you this film at one half

61  
00:04:50,150 --> 00:04:47,840  
its original speed

62  
00:04:53,990 --> 00:04:50,160  
this unidentified flying object was

63  
00:04:55,749 --> 00:04:54,000

photographed by james waters

64

00:04:58,629 --> 00:04:55,759

toward the middle of the extreme right

65

00:05:00,260 --> 00:04:58,639

of the frame you'll see a second ufo

66

00:05:05,270 --> 00:05:00,270

that appears briefly

67

00:05:42,629 --> 00:05:07,510

as we slow the film you can see that the

68

00:05:46,310 --> 00:05:44,629

now you will see the colorado film at

69

00:05:48,760 --> 00:05:46,320

its original speed

70

00:06:06,550 --> 00:05:48,770

five times in rapid succession

71

00:06:10,780 --> 00:06:08,870

this series of three polaroid pictures

72

00:06:13,909 --> 00:06:10,790

was taken by rex heflin

73

00:06:15,430 --> 00:06:13,919

[Music]

74

00:06:17,830 --> 00:06:15,440

the presence in the photograph of

75

00:06:20,550 --> 00:06:17,840

objects such as telephone poles whose

76  
00:06:23,029 --> 00:06:20,560  
size and distance can easily be measured

77  
00:06:24,710 --> 00:06:23,039  
makes possible a detailed analysis of

78  
00:06:27,029 --> 00:06:24,720  
these photos

79  
00:06:29,590 --> 00:06:27,039  
this analysis indicates that the disc

80  
00:07:05,589 --> 00:06:29,600  
shaped object was approximately 30 feet

81  
00:07:11,670 --> 00:07:07,830  
another picture of a similar disc shaped

82  
00:07:14,830 --> 00:07:11,680  
object was taken by mr emil barnea seven

83  
00:07:18,550 --> 00:07:14,840  
thousand miles away and three years

84  
00:07:20,629 --> 00:07:18,560  
later six years after that another ufo

85  
00:07:23,270 --> 00:07:20,639  
also remarkably similar to the one that

86  
00:08:11,430 --> 00:07:23,280  
mr heflin photographed was photographed

87  
00:08:17,670 --> 00:08:14,550  
this is an official ufo sighting report

88  
00:08:20,629 --> 00:08:17,680

detailing the observation of a ufo by 10

89

00:08:22,790 --> 00:08:20,639  
to 12 people for approximately 10

90

00:08:24,070 --> 00:08:22,800  
minutes the sighting was reported by one

91

00:08:26,710 --> 00:08:24,080  
of the witnesses

92

00:08:29,589 --> 00:08:26,720  
president jimmy carter while governor of

93

00:08:48,480 --> 00:08:32,469  
it could not have been a planet a star

94

00:08:54,070 --> 00:08:52,150  
[Music]

95

00:08:55,829 --> 00:08:54,080  
a professional photographer on board a

96

00:08:57,750 --> 00:08:55,839  
brazilian navy ship that was

97

00:08:59,509 --> 00:08:57,760  
participating in the international

98

00:09:02,150 --> 00:08:59,519  
geophysical year

99

00:09:04,630 --> 00:09:02,160  
the ufo was seen by dozens of other

100

00:09:06,710 --> 00:09:04,640  
witnesses on board the ship

101  
00:09:09,750 --> 00:09:06,720  
computer analysis of these photographs

102  
00:09:12,470 --> 00:09:09,760  
indicates that the ufo was a large

103  
00:09:14,300 --> 00:09:12,480  
saturn-shaped object a great distance

104  
00:09:25,829 --> 00:09:14,310  
from the camera

105  
00:09:31,509 --> 00:09:28,870  
similar saturn-shaped ufos have been

106  
00:09:59,750 --> 00:09:31,519  
photographed in other parts of brazil

107  
00:10:05,030 --> 00:10:02,310  
one of the most active ufo investigators

108  
00:10:07,350 --> 00:10:05,040  
we discovered in our research is retired

109  
00:10:08,710 --> 00:10:07,360  
air force lieutenant colonel wendell

110  
00:10:13,509 --> 00:10:08,720  
stevens

111  
00:10:16,470 --> 00:10:13,519  
duty in the united states air force as a

112  
00:10:18,949 --> 00:10:16,480  
pilot he specialized in air technical

113  
00:10:21,590 --> 00:10:18,959

intelligence and the design of advanced

114

00:10:24,310 --> 00:10:21,600

aircraft he was a graduate of the army

115

00:10:27,110 --> 00:10:24,320

air corps first test pilot school and at

116

00:10:32,470 --> 00:10:27,120

the age of 20 was a project officer on

117

00:10:39,430 --> 00:10:35,269

during world war ii he flew in combat

118

00:10:39,440 --> 00:10:47,110

colonel stevens is still an active pilot

119

00:10:52,389 --> 00:10:49,750

after world war ii he was assigned to an

120

00:10:55,509 --> 00:10:52,399

air base in alaska where he debriefed

121

00:10:58,389 --> 00:10:55,519

b-29 crews who frequently described

122

00:11:01,670 --> 00:10:58,399

encounters with strange circular

123

00:11:04,150 --> 00:11:01,680

aircraft my first experience with

124

00:11:06,310 --> 00:11:04,160

a ufo report personal experience that is

125

00:11:07,829 --> 00:11:06,320

was when one of the crews returned and

126

00:11:08,949 --> 00:11:07,839

said that they saw a bogey it's what

127

00:11:11,269 --> 00:11:08,959

they called them

128

00:11:13,670 --> 00:11:11,279

up there that was moving at high speed

129

00:11:14,389 --> 00:11:13,680

at higher altitude than they could fly

130

00:11:17,030 --> 00:11:14,399

and

131

00:11:19,030 --> 00:11:17,040

the crews later i found out that often

132

00:11:20,949 --> 00:11:19,040

they often referred to them as as enemy

133

00:11:22,389 --> 00:11:20,959

aircraft or russian air craft but

134

00:11:24,710 --> 00:11:22,399

usually bogeys

135

00:11:26,790 --> 00:11:24,720

and they tried to describe it but it

136

00:11:28,630 --> 00:11:26,800

moved it at faster speeds than anything

137

00:11:30,310 --> 00:11:28,640

we had we didn't have jet airplanes then

138

00:11:32,069 --> 00:11:30,320

later we measured one that was flying

139

00:11:34,389 --> 00:11:32,079

seven thousand miles an hour measured it

140

00:11:36,150 --> 00:11:34,399

on radar so these clearly exceeded any

141

00:11:37,430 --> 00:11:36,160

of our capabilities in 1940s any

142

00:11:38,870 --> 00:11:37,440

capabilities of anybody in the world in

143

00:11:40,949 --> 00:11:38,880

1947.

144

00:11:42,949 --> 00:11:40,959

on an average of about twice a month i

145

00:11:44,630 --> 00:11:42,959

would get some kind of a ufo report and

146

00:11:46,630 --> 00:11:44,640

they would see the circular craft

147

00:11:47,829 --> 00:11:46,640

sometimes close sometimes far sometimes

148

00:11:50,389 --> 00:11:47,839

more than one

149

00:11:52,550 --> 00:11:50,399

i remember uh a crew describing one

150

00:11:53,910 --> 00:11:52,560

sitting on this on the ice pack

151  
00:11:55,670 --> 00:11:53,920  
and this is something we couldn't do we

152  
00:11:57,350 --> 00:11:55,680  
didn't have any way to land up there and

153  
00:11:59,590 --> 00:11:57,360  
they seem to be operating in airspace

154  
00:12:01,269 --> 00:11:59,600  
without a visible support base it took a

155  
00:12:03,829 --> 00:12:01,279  
fantastic base for us to maintain the

156  
00:12:06,150 --> 00:12:03,839  
b-20 29s just to support them flying in

157  
00:12:07,829 --> 00:12:06,160  
the arctic i even had one crew describe

158  
00:12:10,069 --> 00:12:07,839  
one that they saw

159  
00:12:12,710 --> 00:12:10,079  
under water that surfaced rose off the

160  
00:12:14,550 --> 00:12:12,720  
water and flew away

161  
00:12:16,150 --> 00:12:14,560  
now this clearly exceeded any design

162  
00:12:17,110 --> 00:12:16,160  
capabilities that we knew of in the

163  
00:12:19,110 --> 00:12:17,120

world

164

00:12:20,629 --> 00:12:19,120

the b-29s flying these reconnaissance

165

00:12:21,829 --> 00:12:20,639

missions were equipped with a variety of

166

00:12:23,509 --> 00:12:21,839

cameras

167

00:12:26,230 --> 00:12:23,519

at various times they got pictures of

168

00:12:28,230 --> 00:12:26,240

these ufos seen in the arctic airspace

169

00:12:29,910 --> 00:12:28,240

on various of the cameras and sometimes

170

00:12:31,910 --> 00:12:29,920

on all of the cameras at least this is

171

00:12:33,430 --> 00:12:31,920

what they reported i never got to see

172

00:12:35,350 --> 00:12:33,440

any of it because we took the film

173

00:12:37,670 --> 00:12:35,360

cartridges out packed it in the box and

174

00:12:39,590 --> 00:12:37,680

shipped it off to washington to anders

175

00:12:41,990 --> 00:12:39,600

air force base where the officer was met

176

00:12:43,110 --> 00:12:42,000

by pentagon intelligence and taken

177

00:12:45,030 --> 00:12:43,120

someplace

178

00:12:46,870 --> 00:12:45,040

i never got any feedback in any of this

179

00:12:49,509 --> 00:12:46,880

i never heard what they developed out of

180

00:12:51,910 --> 00:12:49,519

it but the stories were fantastic this

181

00:12:54,470 --> 00:12:51,920

formally classified letter written by

182

00:12:56,710 --> 00:12:54,480

general nathan twining was the result of

183

00:12:59,910 --> 00:12:56,720

numerous ufo sightings by air force

184

00:13:02,310 --> 00:12:59,920

pilots such as colonel stevens described

185

00:13:05,509 --> 00:13:02,320

concerning flying disc reports

186

00:13:07,670 --> 00:13:05,519

general twining states and we quote

187

00:13:11,509 --> 00:13:07,680

the phenomenon reported is something

188

00:13:13,829 --> 00:13:11,519

real and not visionary or fictitious

189

00:13:15,350 --> 00:13:13,839

there are objects probably approximately

190

00:13:17,910 --> 00:13:15,360

the shape of a disc

191

00:13:21,350 --> 00:13:17,920

of such appreciable size as to appear to

192

00:13:23,750 --> 00:13:21,360

be as large as man-made aircraft

193

00:13:25,750 --> 00:13:23,760

the reported operating characteristics

194

00:13:28,230 --> 00:13:25,760

such as extreme rates of climb

195

00:13:30,470 --> 00:13:28,240

maneuverability must be considered

196

00:13:32,230 --> 00:13:30,480

evasive when cited

197

00:13:34,389 --> 00:13:32,240

some of the objects are controlled

198

00:13:35,990 --> 00:13:34,399

either manually automatically or

199

00:13:37,910 --> 00:13:36,000

remotely

200

00:13:39,910 --> 00:13:37,920

the apparent common description of the

201  
00:13:42,710 --> 00:13:39,920  
object is as follows

202  
00:13:45,430 --> 00:13:42,720  
metallic or light reflecting surface

203  
00:13:48,790 --> 00:13:45,440  
circular or elliptical in shape

204  
00:13:51,269 --> 00:13:48,800  
flat on the bottom and domed on the top

205  
00:13:53,910 --> 00:13:51,279  
end quote this report makes it

206  
00:13:56,389 --> 00:13:53,920  
abundantly clear that the united states

207  
00:13:59,110 --> 00:13:56,399  
military knew of the reality of flying

208  
00:14:02,370 --> 00:13:59,120  
saucers and deliberately kept it a

209  
00:14:08,949 --> 00:14:06,550  
[Music]

210  
00:14:11,829 --> 00:14:08,959  
colonel stevens went on to tell us about

211  
00:14:14,069 --> 00:14:11,839  
two other experiences with ufos while he

212  
00:14:14,949 --> 00:14:14,079  
was on active duty with the u.s air

213  
00:14:16,470 --> 00:14:14,959

force

214

00:14:17,829 --> 00:14:16,480

i know of uh lieutenant colonel for

215

00:14:21,110 --> 00:14:17,839

instance who

216

00:14:22,949 --> 00:14:21,120

was pursuing a a ufo in an f-86 with a

217

00:14:25,670 --> 00:14:22,959

wingman with him

218

00:14:26,870 --> 00:14:25,680

and he armed his camera which involves

219

00:14:28,389 --> 00:14:26,880

the arming switch for guns and

220

00:14:29,670 --> 00:14:28,399

everything else on on the airplane it

221

00:14:30,470 --> 00:14:29,680

goes through an armament fire control

222

00:14:33,590 --> 00:14:30,480

panel

223

00:14:36,150 --> 00:14:33,600

this man lives within 60 miles of here

224

00:14:38,150 --> 00:14:36,160

he armed the the fire control panel to

225

00:14:40,310 --> 00:14:38,160

to take camera pictures with his camera

226

00:14:41,910 --> 00:14:40,320

guns and the whole panel began to smoke

227

00:14:44,230 --> 00:14:41,920

and went on all the electrical systems

228

00:14:45,990 --> 00:14:44,240

and it went out when he got back to base

229

00:14:48,310 --> 00:14:46,000

they found wires fused in it and could

230

00:14:49,430 --> 00:14:48,320

find no reason for it being fused it

231

00:14:52,150 --> 00:14:49,440

took him two weeks to repair the

232

00:14:54,629 --> 00:14:52,160

airplane but he had a visual lock-on

233

00:14:56,470 --> 00:14:54,639

visual contact with the ufo could see

234

00:14:58,470 --> 00:14:56,480

with his eyes it was close enough to see

235

00:15:00,150 --> 00:14:58,480

detail and structure on it and wanted to

236

00:15:01,910 --> 00:15:00,160

film it with his gun cameras

237

00:15:05,030 --> 00:15:01,920

my next experience with what was

238

00:15:07,030 --> 00:15:05,040

probably a real ufo was in 1960 when i

239

00:15:09,509 --> 00:15:07,040

was a squadron commander in florida

240

00:15:11,750 --> 00:15:09,519

i had a squadron test pilot up on a

241

00:15:13,750 --> 00:15:11,760

flight test mission with an f-100 and a

242

00:15:16,389 --> 00:15:13,760

max performance flying test

243

00:15:19,269 --> 00:15:16,399

he was climbing through 18 000 feet when

244

00:15:21,269 --> 00:15:19,279

he saw an object ahead and above him

245

00:15:23,910 --> 00:15:21,279

that looked like the goodyear blimp and

246

00:15:25,829 --> 00:15:23,920

he thought oh my god what can this be

247

00:15:27,509 --> 00:15:25,839

he knows we all know the goodyear blimp

248

00:15:29,269 --> 00:15:27,519

can't get that high

249

00:15:31,990 --> 00:15:29,279

he went into afterburner

250

00:15:33,829 --> 00:15:32,000

to catch up to it and he began to close

251  
00:15:36,069 --> 00:15:33,839  
momentarily on a thing and then he began

252  
00:15:37,749 --> 00:15:36,079  
to only pace it and then it speeded up

253  
00:15:39,509 --> 00:15:37,759  
and just walked away from him climbing

254  
00:15:41,990 --> 00:15:39,519  
away at a steep angle

255  
00:15:43,749 --> 00:15:42,000  
above him i mean an f-100 in afterburner

256  
00:15:45,590 --> 00:15:43,759  
climbing at max speed that's the fastest

257  
00:15:47,670 --> 00:15:45,600  
airplane we got at the time

258  
00:15:50,230 --> 00:15:47,680  
he last saw it speeding away from him

259  
00:15:52,470 --> 00:15:50,240  
above 33 000 feet there's no way in the

260  
00:15:53,910 --> 00:15:52,480  
world any blimp can get up there

261  
00:15:56,389 --> 00:15:53,920  
and he came back and he told me about

262  
00:15:58,310 --> 00:15:56,399  
this experience he was white he was

263  
00:15:59,749 --> 00:15:58,320

it was a traumatic thing because he

264

00:16:02,389 --> 00:15:59,759

realized everybody would realize under

265

00:16:04,150 --> 00:16:02,399

the conditions it's something unearthly

266

00:16:05,829 --> 00:16:04,160

one of the twelve scientists to give

267

00:16:09,269 --> 00:16:05,839

evidence before the us congressional

268

00:16:12,710 --> 00:16:09,279

hearings on ufos is california nuclear

269

00:16:14,790 --> 00:16:12,720

physicist stanton friedman who spent 14

270

00:16:17,269 --> 00:16:14,800

years in private industry working

271

00:16:20,069 --> 00:16:17,279

extensively on classified government

272

00:16:23,030 --> 00:16:20,079

sponsored projects such as this nuclear

273

00:16:24,310 --> 00:16:23,040

rocket engine and other advanced space

274

00:16:27,910 --> 00:16:24,320

systems

275

00:16:31,590 --> 00:16:27,920

since 1970 is the only space scientist

276

00:16:35,269 --> 00:16:31,600

known to be devoting full time to ufos

277

00:16:36,949 --> 00:16:35,279

after 21 years of studying investigation

278

00:16:39,670 --> 00:16:36,959

i'm convinced that the evidence is

279

00:16:42,150 --> 00:16:39,680

simply overwhelming that our planet

280

00:16:43,829 --> 00:16:42,160

earth is being visited by intelligently

281

00:16:46,790 --> 00:16:43,839

controlled vehicles

282

00:16:49,829 --> 00:16:46,800

whose origin is off the earth in other

283

00:16:52,389 --> 00:16:49,839

words some ufos

284

00:16:56,310 --> 00:16:52,399

underlying the sum about 10 times are

285

00:16:58,629 --> 00:16:56,320

somebody else's spacecraft

286

00:17:00,389 --> 00:16:58,639

i'm only concerned with those ufo

287

00:17:01,910 --> 00:17:00,399

reports which indicate things of

288

00:17:05,590 --> 00:17:01,920

definite size

289

00:17:07,270 --> 00:17:05,600

shape surface texture whose behavior

290

00:17:10,230 --> 00:17:07,280

clearly indicates that they were

291

00:17:12,069 --> 00:17:10,240

manufactured somewhere other than earth

292

00:17:14,470 --> 00:17:12,079

the kind of behavior that stanton

293

00:17:16,949 --> 00:17:14,480

friedman is talking about is the ability

294

00:17:20,069 --> 00:17:16,959

to go ten thousand miles per hour in the

295

00:17:22,549 --> 00:17:20,079

atmosphere as observed on radar and make

296

00:17:24,710 --> 00:17:22,559

sharp right angle turns

297

00:17:27,590 --> 00:17:24,720

nobody on planet earth is able to

298

00:17:30,950 --> 00:17:27,600

duplicate that behavior

299

00:17:34,830 --> 00:17:30,960

the observation of ufos is by no means a

300

00:17:34,840 --> 00:17:44,549

[Music]

301  
00:17:50,070 --> 00:17:46,390  
listen to this account by a roman

302  
00:17:52,789 --> 00:17:50,080  
soldier written in 98 a.d

303  
00:17:54,789 --> 00:17:52,799  
at sunset a burning shield passed over

304  
00:17:57,350 --> 00:17:54,799  
the sky at rome

305  
00:17:58,710 --> 00:17:57,360  
it sparkled from the west and passed to

306  
00:18:00,549 --> 00:17:58,720  
the east

307  
00:18:03,350 --> 00:18:00,559  
the roman soldier's description of that

308  
00:18:05,750 --> 00:18:03,360  
burning shield matches very closely what

309  
00:18:09,270 --> 00:18:05,760  
was photographed in salt lake city by mr

310  
00:18:12,710 --> 00:18:09,280  
lauritsen in 1972

311  
00:18:15,590 --> 00:18:12,720  
on september 30th 1870 the london times

312  
00:18:17,669 --> 00:18:15,600  
published this article

313  
00:18:19,190 --> 00:18:17,679

the object was elliptical in shape with

314

00:18:21,350 --> 00:18:19,200

a kind of tail

315

00:18:23,029 --> 00:18:21,360

it crossed the moon from one side to the

316

00:18:24,950 --> 00:18:23,039

other in half a minute

317

00:18:29,909 --> 00:18:24,960

this picture was taken in switzerland

318

00:18:37,029 --> 00:18:34,070

this description was written in 216 bc

319

00:18:44,690 --> 00:18:37,039

at a party east of rome a round shield

320

00:18:51,830 --> 00:18:48,789

[Music]

321

00:18:54,549 --> 00:18:51,840

another manuscript dated 1290 a.d

322

00:18:56,549 --> 00:18:54,559

recorded this ufo sighting

323

00:18:59,270 --> 00:18:56,559

they all rushed out into the open and

324

00:19:01,270 --> 00:18:59,280

behold there was an awful thing

325

00:19:04,150 --> 00:19:01,280

a nearly circular object of silver

326

00:19:06,230 --> 00:19:04,160

appearance not unlike a discus

327

00:19:08,630 --> 00:19:06,240

flying above them all

328

00:19:11,909 --> 00:19:08,640

it excited amongst all the greatest

329

00:19:14,470 --> 00:19:11,919

terror these ancient sightings are not

330

00:19:17,029 --> 00:19:14,480

isolated cases

331

00:19:20,630 --> 00:19:17,039

this modern film seems to fit another

332

00:19:22,630 --> 00:19:20,640

ancient account almost exactly

333

00:19:24,870 --> 00:19:22,640

there appeared in the sky a brilliant

334

00:19:27,830 --> 00:19:24,880

object like an iron bar

335

00:19:30,230 --> 00:19:27,840

long and wide as half the moon

336

00:19:32,310 --> 00:19:30,240

for 15 minutes it hovered motionless

337

00:19:35,110 --> 00:19:32,320

then suddenly the strange object began

338

00:19:37,590 --> 00:19:35,120

to rise in spirals and twist and ride

339

00:19:41,909 --> 00:19:37,600

like the uncoiled mainspring of a watch

340

00:19:48,630 --> 00:19:44,390

that account was written on all saints

341

00:19:50,630 --> 00:19:48,640

day november 1st 1461

342

00:19:53,029 --> 00:19:50,640

but it could almost as easily have been

343

00:19:54,950 --> 00:19:53,039

written describing this film

344

00:19:59,750 --> 00:19:54,960

taken near new zealand by a television

345

00:20:02,789 --> 00:19:59,760

news crew on december 31st 1978

346

00:20:05,029 --> 00:20:02,799

this ufo was observed by five witnesses

347

00:20:07,430 --> 00:20:05,039

beside the cameraman who photographed it

348

00:20:10,070 --> 00:20:07,440

while flying in an airplane

349

00:20:12,549 --> 00:20:10,080

it was also observed on two ground-based

350

00:20:14,870 --> 00:20:12,559

radar sets and on the radar in the

351  
00:20:16,630 --> 00:20:14,880  
airplane

352  
00:20:19,110 --> 00:20:16,640  
perhaps the most interesting part of the

353  
00:20:29,909 --> 00:20:19,120  
entire new zealand film is this

354  
00:20:34,870 --> 00:20:32,149  
during this section of the film the ufo

355  
00:20:42,549 --> 00:20:34,880  
not only changes size and shape

356  
00:20:48,710 --> 00:20:45,190  
dr bruce mcavee has conducted the most

357  
00:20:51,350 --> 00:20:48,720  
thorough investigation of this ufo case

358  
00:20:54,549 --> 00:20:51,360  
he has interviewed extensively all the

359  
00:20:56,630 --> 00:20:54,559  
witnesses and has analyzed the film

360  
00:20:58,149 --> 00:20:56,640  
frame by frame

361  
00:21:01,190 --> 00:20:58,159  
i've concluded that the film does not

362  
00:21:03,909 --> 00:21:01,200  
show venus or jupiter it does not show

363  
00:21:06,230 --> 00:21:03,919

meteors or mating mutton birds it does

364

00:21:07,909 --> 00:21:06,240

not show secret military maneuvers or

365

00:21:09,750 --> 00:21:07,919

the squid fishing fleet

366

00:21:10,789 --> 00:21:09,760

i have concluded that the film is not a

367

00:21:12,710 --> 00:21:10,799

hoax

368

00:21:14,230 --> 00:21:12,720

my investigation of this whole case

369

00:21:16,870 --> 00:21:14,240

leads me to believe that the film shows

370

00:21:18,390 --> 00:21:16,880

a real unidentified flying object

371

00:21:21,350 --> 00:21:18,400

there's a clipping service that

372

00:21:23,430 --> 00:21:21,360

publishes an average of 60 pages a month

373

00:21:26,310 --> 00:21:23,440

of ufo sighting reports gathered from

374

00:21:30,789 --> 00:21:28,710

by only occasionally reporting a ufo

375

00:21:33,750 --> 00:21:30,799

sighting the mass media creates the

376

00:21:36,950 --> 00:21:33,760

mistaken belief that ufo observations

377

00:21:39,669 --> 00:21:36,960

are rare and separated by years

378

00:21:42,710 --> 00:21:39,679

this is untrue

379

00:23:15,270 --> 00:21:42,720

ufo activity is a continuing phenomenon

380

00:23:20,870 --> 00:23:17,830

ted phillips of sedalia missouri seen

381

00:23:23,029 --> 00:23:20,880

here examining a ufo affected area is

382

00:23:25,669 --> 00:23:23,039

acknowledged as the world expert on the

383

00:23:27,110 --> 00:23:25,679

physical traces found at ufo landing

384

00:23:29,590 --> 00:23:27,120

sites

385

00:23:31,830 --> 00:23:29,600

mr phillips is a research associate of

386

00:23:34,230 --> 00:23:31,840

the center for ufo studies and has

387

00:23:36,549 --> 00:23:34,240

conducted specialized research on the

388

00:23:39,190 --> 00:23:36,559

physical traces found at ufo landing

389

00:23:41,830 --> 00:23:39,200

sites for the past nine years

390

00:23:42,669 --> 00:23:41,840

the results of his research are files on

391

00:23:47,909 --> 00:23:42,679

over

392

00:23:50,549 --> 00:23:47,919

1480 ufo landings from 59 countries

393

00:23:53,990 --> 00:23:50,559

mr phillips has personally investigated

394

00:23:56,870 --> 00:23:54,000

over 500 ufo sightings and visited over

395

00:23:59,350 --> 00:23:56,880

300 ufo landing sites

396

00:24:02,070 --> 00:23:59,360

these are soil samples taken from five

397

00:24:04,390 --> 00:24:02,080

recent ufo landing sites and are fairly

398

00:24:06,710 --> 00:24:04,400

representative of some two to three

399

00:24:09,190 --> 00:24:06,720

hundred ufo landing sites that i have

400

00:24:11,990 --> 00:24:09,200

personally been involved with

401  
00:24:14,950 --> 00:24:12,000  
this is a small portion of the soil

402  
00:24:16,789 --> 00:24:14,960  
taken from a ufo landing site in delphos

403  
00:24:19,669 --> 00:24:16,799  
kansas

404  
00:24:22,789 --> 00:24:19,679  
the soil in the ufo landing ring is

405  
00:24:25,909 --> 00:24:22,799  
extremely dehydrated and is unable to

406  
00:24:25,919 --> 00:24:30,630  
instead it simply floats

407  
00:24:36,070 --> 00:24:32,789  
soil taken only a few feet away that was

408  
00:24:39,350 --> 00:24:36,080  
not part of the ufo landing ring behaved

409  
00:24:45,269 --> 00:24:40,950  
within a few seconds it absorbed the

410  
00:24:50,870 --> 00:24:48,549  
besides being unable to absorb water ufo

411  
00:24:53,669 --> 00:24:50,880  
affected soil cannot support sea

412  
00:24:56,310 --> 00:24:53,679  
germination and plant life

413  
00:24:58,470 --> 00:24:56,320

soil taken a few feet away does support

414

00:25:00,789 --> 00:24:58,480

normal plant growth

415

00:25:03,590 --> 00:25:00,799

each of the pins in this map

416

00:25:05,510 --> 00:25:03,600

represents a ufo landing site that has

417

00:25:07,190 --> 00:25:05,520

been reported to ted phillips in the

418

00:25:08,430 --> 00:25:07,200

last eight years

419

00:25:12,630 --> 00:25:08,440

there are over

420

00:25:15,190 --> 00:25:12,640

150 ufo landing sites represented on

421

00:25:17,669 --> 00:25:15,200

this map i've investigated a rather high

422

00:25:20,230 --> 00:25:17,679

percentage of these reports personally

423

00:25:23,430 --> 00:25:20,240

and have found a remarkable consistency

424

00:25:26,149 --> 00:25:23,440

in size and shape uh regarding the ufo

425

00:25:28,789 --> 00:25:26,159

scene and the ground effects resulting

426

00:25:30,789 --> 00:25:28,799

from that ufo landing

427

00:25:33,669 --> 00:25:30,799

we find imprints

428

00:25:36,070 --> 00:25:33,679

left evidently by the landing gear of

429

00:25:37,750 --> 00:25:36,080

the object some of these indicating

430

00:25:39,029 --> 00:25:37,760

tremendous pressure

431

00:25:40,149 --> 00:25:39,039

great weight

432

00:25:43,029 --> 00:25:40,159

generally

433

00:25:45,029 --> 00:25:43,039

found as three or four in number

434

00:25:47,750 --> 00:25:45,039

arranged in either a triangular or

435

00:25:49,909 --> 00:25:47,760

rectangular pattern we have effects on

436

00:25:51,830 --> 00:25:49,919

witnesses such as the witnesses

437

00:25:53,750 --> 00:25:51,840

suffering what appears to be a sunburn

438

00:25:56,230 --> 00:25:53,760

effect on their face neck and hands

439

00:25:58,549 --> 00:25:56,240

following the close approach of a ufo

440

00:26:00,630 --> 00:25:58,559

extreme dryness of the nasal area

441

00:26:02,310 --> 00:26:00,640

extreme dryness of the throat

442

00:26:05,110 --> 00:26:02,320

i have talked with

443

00:26:06,549 --> 00:26:05,120

nearly 2 000 people who have had a ufo

444

00:26:08,390 --> 00:26:06,559

experience

445

00:26:09,830 --> 00:26:08,400

and those people

446

00:26:11,990 --> 00:26:09,840

certainly have convinced me that

447

00:26:16,230 --> 00:26:12,000

something very real is going on

448

00:26:19,430 --> 00:26:16,240

something real is indeed going on

449

00:26:23,430 --> 00:26:19,440

no matter how vivid a hallucination is

450

00:26:27,669 --> 00:26:25,269

eighty percent of the descriptions of a

451  
00:26:30,630 --> 00:26:27,679  
ufo in ted phillips files

452  
00:26:33,669 --> 00:26:30,640  
are of a disc shaped object between 10

453  
00:26:36,310 --> 00:26:33,679  
and 35 feet in diameter

454  
00:26:39,510 --> 00:26:36,320  
over 400 of the landing cases in these

455  
00:26:42,149 --> 00:26:39,520  
files involve more than one witness

456  
00:26:46,070 --> 00:26:42,159  
observing the ufo for longer than one

457  
00:26:46,950 --> 00:26:46,080  
minute at a distance of less than 250

458  
00:26:48,870 --> 00:26:46,960  
feet

459  
00:26:51,669 --> 00:26:48,880  
we're talking about people

460  
00:26:53,110 --> 00:26:51,679  
police officers clergymen newsmen

461  
00:26:54,870 --> 00:26:53,120  
business people

462  
00:26:57,430 --> 00:26:54,880  
people in all walks of life from all

463  
00:27:00,390 --> 00:26:57,440

parts of the country who have had real

464

00:27:01,990 --> 00:27:00,400

ufo experiences and in many cases a very

465

00:27:03,750 --> 00:27:02,000

close range

466

00:27:04,710 --> 00:27:03,760

the interesting thing is that these

467

00:27:06,390 --> 00:27:04,720

people

468

00:27:08,470 --> 00:27:06,400

could witness a murder

469

00:27:11,350 --> 00:27:08,480

could go into court testify to that

470

00:27:13,669 --> 00:27:11,360

effect put a man away for life

471

00:27:15,269 --> 00:27:13,679

and yet those same people have a ufo

472

00:27:16,549 --> 00:27:15,279

experience and their testimony is no

473

00:27:19,269 --> 00:27:16,559

longer valid

474

00:27:20,789 --> 00:27:19,279

that's certainly a very strange set of

475

00:27:21,750 --> 00:27:20,799

double standards that we have in this

476  
00:27:33,110 --> 00:27:21,760  
country

477  
00:27:38,789 --> 00:27:35,669  
another ufo investigator whose research

478  
00:27:42,149 --> 00:27:38,799  
has convinced him that ufos are real is

479  
00:27:43,510 --> 00:27:42,159  
colonel wendell stevens i need proof for

480  
00:27:45,029 --> 00:27:43,520  
myself

481  
00:27:46,310 --> 00:27:45,039  
and i

482  
00:27:48,549 --> 00:27:46,320  
look for proof in everything that

483  
00:27:50,470 --> 00:27:48,559  
happened the a number of things happened

484  
00:27:53,190 --> 00:27:50,480  
in the in alaska that

485  
00:27:54,870 --> 00:27:53,200  
add a lot a lot to my belief patterns

486  
00:27:56,230 --> 00:27:54,880  
but then when i got to investigating my

487  
00:27:58,149 --> 00:27:56,240  
own cases

488  
00:28:00,230 --> 00:27:58,159

and could look people in the eye and i

489

00:28:02,389 --> 00:28:00,240

and i investigated some cases that were

490

00:28:03,430 --> 00:28:02,399

profound cases

491

00:28:04,950 --> 00:28:03,440

then

492

00:28:07,110 --> 00:28:04,960

i became convinced that there's

493

00:28:09,510 --> 00:28:07,120

something here and the something that's

494

00:28:11,350 --> 00:28:09,520

here at least a part of something that's

495

00:28:12,630 --> 00:28:11,360

here is physical

496

00:28:14,310 --> 00:28:12,640

it's tangible

497

00:28:15,669 --> 00:28:14,320

it's just like the

498

00:28:17,029 --> 00:28:15,679

car sitting out there in the street you

499

00:28:20,470 --> 00:28:17,039

can go up and thump it

500

00:28:23,909 --> 00:28:20,480

the evidence is overwhelming that indeed

501  
00:28:28,490 --> 00:28:23,919  
something is here and it is physical and

502  
00:28:28,500 --> 00:28:44,870  
[Music]

503  
00:28:47,669 --> 00:28:46,549  
in the course of lecturing all over the

504  
00:28:49,750 --> 00:28:47,679  
continent

505  
00:28:51,430 --> 00:28:49,760  
i have talked now to more than 90 former

506  
00:28:53,190 --> 00:28:51,440  
military people who have told me of

507  
00:28:55,029 --> 00:28:53,200  
excellent sightings that occurred while

508  
00:28:57,110 --> 00:28:55,039  
they were in the service and where the

509  
00:28:58,710 --> 00:28:57,120  
data didn't go to the old project blue

510  
00:29:01,110 --> 00:28:58,720  
book which we were told was the only

511  
00:29:02,950 --> 00:29:01,120  
government group concerned with ufos but

512  
00:29:04,950 --> 00:29:02,960  
instead typically went to the aerospace

513  
00:29:07,029 --> 00:29:04,960

defense command or the national security

514

00:29:09,110 --> 00:29:07,039

agency and where the security was

515

00:29:11,590 --> 00:29:09,120

clamped down immediately

516

00:29:13,110 --> 00:29:11,600

now i've heard so many of these stories

517

00:29:15,029 --> 00:29:13,120

that i'm either

518

00:29:17,990 --> 00:29:15,039

having to say

519

00:29:19,830 --> 00:29:18,000

that all of these people are lying

520

00:29:22,870 --> 00:29:19,840

or that we're dealing with a cosmic

521

00:29:24,789 --> 00:29:22,880

water game cosmic watergate is an

522

00:29:27,350 --> 00:29:24,799

accurate way to describe the united

523

00:29:29,350 --> 00:29:27,360

states government's official reaction to

524

00:29:31,590 --> 00:29:29,360

ufos

525

00:29:34,389 --> 00:29:31,600

the sharp difference between the fbi's

526

00:29:38,310 --> 00:29:34,399

public statements about ufos and their

527

00:29:40,789 --> 00:29:38,320

real actions is a good example of this

528

00:29:42,710 --> 00:29:40,799

j edgar hoover wrote several letters

529

00:29:45,830 --> 00:29:42,720

stating that the investigation of

530

00:29:47,669 --> 00:29:45,840

unidentified flying objects is not and

531

00:29:49,590 --> 00:29:47,679

never has been within the jurisdiction

532

00:29:51,750 --> 00:29:49,600

of the fbi

533

00:29:56,710 --> 00:29:51,760

j edgar hoover successfully kept the

534

00:29:59,350 --> 00:29:56,720

fbi's ufo file secret until 1976

535

00:30:02,149 --> 00:29:59,360

when dr bruce mcabee received part of

536

00:30:05,190 --> 00:30:02,159

the fbi ufo file as a result of his

537

00:30:06,830 --> 00:30:05,200

freedom of information act request

538

00:30:10,389 --> 00:30:06,840

here are the documents that were

539

00:30:13,110 --> 00:30:10,399

released there are over a thousand pages

540

00:30:15,029 --> 00:30:13,120

which provide information on the fbi's

541

00:30:18,310 --> 00:30:15,039

and the air force's secret

542

00:30:20,630 --> 00:30:18,320

investigations of ufos

543

00:30:23,350 --> 00:30:20,640

this startling document was recovered

544

00:30:25,269 --> 00:30:23,360

from the fbi's secret file

545

00:30:26,549 --> 00:30:25,279

it is in j edgar hoover's own

546

00:30:28,470 --> 00:30:26,559

handwriting

547

00:30:30,230 --> 00:30:28,480

in response to a government request to

548

00:30:33,430 --> 00:30:30,240

investigate ufos

549

00:30:36,310 --> 00:30:33,440

mr hoover wrote and we quote

550

00:30:39,350 --> 00:30:36,320

i would do it but before agreeing to do

551  
00:30:41,350 --> 00:30:39,360  
it we must insist upon full access to

552  
00:30:44,070 --> 00:30:41,360  
disks recovered

553  
00:30:46,470 --> 00:30:44,080  
for instance in the la case the army

554  
00:30:49,029 --> 00:30:46,480  
grabbed it and would not let us have it

555  
00:30:50,789 --> 00:30:49,039  
for cursory examination

556  
00:30:53,350 --> 00:30:50,799  
end quote

557  
00:30:55,909 --> 00:30:53,360  
this memo clearly indicates that mr

558  
00:30:58,470 --> 00:30:55,919  
hoover considered ufos a very serious

559  
00:30:59,909 --> 00:30:58,480  
subject that should receive top level

560  
00:31:01,350 --> 00:30:59,919  
security

561  
00:31:03,430 --> 00:31:01,360  
one of the events that may have

562  
00:31:05,110 --> 00:31:03,440  
contributed to the opinions reflected in

563  
00:31:07,990 --> 00:31:05,120

mr hoover's memo

564

00:31:10,710 --> 00:31:08,000

is the apparent recovery of the wreckage

565

00:31:11,990 --> 00:31:10,720

of a crashed ufo by the united states

566

00:31:14,110 --> 00:31:12,000

army

567

00:31:18,549 --> 00:31:14,120

this happened on july 8

568

00:31:21,110 --> 00:31:18,559

1947 and involves major jesse marcel

569

00:31:23,669 --> 00:31:21,120

who was at that time the intelligence

570

00:31:26,870 --> 00:31:23,679

officer at roswell new mexico army air

571

00:31:28,389 --> 00:31:26,880

force base the only atomic bomb wing in

572

00:31:31,029 --> 00:31:28,399

the world

573

00:31:33,590 --> 00:31:31,039

major marcel is a combat veteran who

574

00:31:35,110 --> 00:31:33,600

shot down five enemy planes in world war

575

00:31:37,509 --> 00:31:35,120

ii

576  
00:31:40,630 --> 00:31:37,519  
a local rancher brought major marcel to

577  
00:31:42,149 --> 00:31:40,640  
a crash site located on a remote area of

578  
00:31:45,029 --> 00:31:42,159  
his ranch

579  
00:31:46,789 --> 00:31:45,039  
they were astonished to find the vast

580  
00:31:48,470 --> 00:31:46,799  
amount of wreckage

581  
00:31:49,590 --> 00:31:48,480  
one thing i was certain of being

582  
00:31:51,509 --> 00:31:49,600  
familiar with

583  
00:31:52,950 --> 00:31:51,519  
all our activities that it was not a

584  
00:31:55,269 --> 00:31:52,960  
weather balloon

585  
00:31:57,110 --> 00:31:55,279  
nor an aircraft nor a missile

586  
00:31:58,710 --> 00:31:57,120  
it was something else which

587  
00:32:01,269 --> 00:31:58,720  
we didn't know what it was they were

588  
00:32:02,789 --> 00:32:01,279

just fragments strewn all over the area

589

00:32:05,269 --> 00:32:02,799

an area about three quarters of a mile

590

00:32:07,110 --> 00:32:05,279

long and several hundred feet wide

591

00:32:08,389 --> 00:32:07,120

so we proceeded to pick up

592

00:32:11,029 --> 00:32:08,399

the parts

593

00:32:12,630 --> 00:32:11,039

a lot of it had a lot of little members

594

00:32:14,470 --> 00:32:12,640

with symbols

595

00:32:16,870 --> 00:32:14,480

that to me i call them hieroglyphics

596

00:32:19,669 --> 00:32:16,880

because i could not interpret them could

597

00:32:20,549 --> 00:32:19,679

not be read they were just like symbols

598

00:32:22,389 --> 00:32:20,559

of

599

00:32:24,389 --> 00:32:22,399

something that meant something these

600

00:32:26,070 --> 00:32:24,399

little numbers could not be

601  
00:32:28,389 --> 00:32:26,080  
broken

602  
00:32:30,389 --> 00:32:28,399  
could not be burned i i even tried to

603  
00:32:32,070 --> 00:32:30,399  
burn that would not burn

604  
00:32:33,750 --> 00:32:32,080  
see that stuff weighs nothing it's not

605  
00:32:35,269 --> 00:32:33,760  
in there thicker than tinfoil in the

606  
00:32:37,190 --> 00:32:35,279  
back of cigarettes

607  
00:32:39,029 --> 00:32:37,200  
see that's right the bend this stuff it

608  
00:32:40,789 --> 00:32:39,039  
says it will not bend

609  
00:32:42,710 --> 00:32:40,799  
it says we did all we could to bend it

610  
00:32:44,789 --> 00:32:42,720  
it would not bend

611  
00:32:47,269 --> 00:32:44,799  
since we even tried making a dead end

612  
00:32:53,350 --> 00:32:47,279  
with a 16 pound sledgehammer

613  
00:32:58,230 --> 00:32:55,750

a woman working in a radio station in

614

00:33:00,950 --> 00:32:58,240

albuquerque new mexico started to

615

00:33:03,430 --> 00:33:00,960

transmit on a newswire the story of

616

00:33:05,430 --> 00:33:03,440

major marcel's recovery of a crashed

617

00:33:07,909 --> 00:33:05,440

flying saucer

618

00:33:09,430 --> 00:33:07,919

the fbi interrupted that communication

619

00:33:13,190 --> 00:33:09,440

with the statement

620

00:33:15,509 --> 00:33:13,200

do not continue this transmission

621

00:33:17,909 --> 00:33:15,519

an official army press release was put

622

00:33:20,070 --> 00:33:17,919

out announcing the capture of portions

623

00:33:21,909 --> 00:33:20,080

of a flying saucer

624

00:33:25,269 --> 00:33:21,919

major marcel escorted the wreckage on a

625

00:33:27,669 --> 00:33:25,279

b-29 to carswell air force base

626

00:33:30,389 --> 00:33:27,679

the press was waiting for him

627

00:33:33,350 --> 00:33:30,399

but he was told not to say anything by

628

00:33:34,789 --> 00:33:33,360

his commander general raymie

629

00:33:37,430 --> 00:33:34,799

the newsman saw very little that

630

00:33:38,950 --> 00:33:37,440

material very small portion of it

631

00:33:40,710 --> 00:33:38,960

and none of the important things like

632

00:33:42,950 --> 00:33:40,720

these uh members that had these

633

00:33:44,710 --> 00:33:42,960

hieroglyphics or markings on

634

00:33:46,630 --> 00:33:44,720

they wanted me to tell them about it and

635

00:33:48,549 --> 00:33:46,640

i couldn't say anything

636

00:33:50,710 --> 00:33:48,559

and when the general came in he told me

637

00:33:51,430 --> 00:33:50,720

not to say anything that he would handle

638

00:33:53,269 --> 00:33:51,440

it

639

00:33:56,310 --> 00:33:53,279

the reason that this story has remained

640

00:33:58,549 --> 00:33:56,320

hidden from the public for over 30 years

641

00:34:00,710 --> 00:33:58,559

is that general raymie released a cover

642

00:34:03,190 --> 00:34:00,720

story at that point saying that the

643

00:34:04,789 --> 00:34:03,200

crashed flying saucer was really a

644

00:34:07,029 --> 00:34:04,799

weather balloon

645

00:34:10,050 --> 00:34:07,039

the press around the world accepted that

646

00:34:13,829 --> 00:34:11,430

[Music]

647

00:34:17,430 --> 00:34:13,839

the documented testimony of one of major

648

00:34:19,510 --> 00:34:17,440

marcel's b-29 crew members reveals that

649

00:34:22,629 --> 00:34:19,520

the ufo wreckage was removed from their

650

00:34:24,470 --> 00:34:22,639

b-29 by armed guards and placed on

651  
00:34:26,389 --> 00:34:24,480  
another aircraft

652  
00:34:28,629 --> 00:34:26,399  
this seems rather strange treatment for

653  
00:34:30,710 --> 00:34:28,639  
the wreckage of a weather balloon

654  
00:34:33,349 --> 00:34:30,720  
more than two dozen people in new mexico

655  
00:34:36,790 --> 00:34:33,359  
associated with the ufo related events

656  
00:34:38,389 --> 00:34:36,800  
of july 1947 have been interviewed

657  
00:34:42,250 --> 00:34:38,399  
we have verified

658  
00:34:43,909 --> 00:34:42,260  
every statement made by jesse marcel

659  
00:34:46,389 --> 00:34:43,919  
[Music]

660  
00:34:48,869 --> 00:34:46,399  
a well-respected new mexican engineer

661  
00:34:51,589 --> 00:34:48,879  
barney barnett has reported that a

662  
00:34:55,909 --> 00:34:51,599  
flying saucer crashed just outside of

663  
00:34:58,230 --> 00:34:55,919

socorro new mexico in early july 1947

664

00:35:00,710 --> 00:34:58,240

since this is the same date and very

665

00:35:03,270 --> 00:35:00,720

close to the location where major marcel

666

00:35:05,990 --> 00:35:03,280

recovered a crashed ufo it seems

667

00:35:08,710 --> 00:35:06,000

probable that the crashed ufo mr barnett

668

00:35:11,750 --> 00:35:08,720

reported is a larger piece of the

669

00:35:14,710 --> 00:35:11,760

crashed ufo major marcel recovered

670

00:35:17,589 --> 00:35:14,720

mr barnett saw a number of dead alien

671

00:35:19,270 --> 00:35:17,599

bodies extracted from that wreckage

672

00:35:21,430 --> 00:35:19,280

he was accompanied by members of an

673

00:35:23,510 --> 00:35:21,440

archaeological expedition

674

00:35:26,310 --> 00:35:23,520

a military group came along

675

00:35:29,860 --> 00:35:26,320

swore everybody to secrecy and carried

676  
00:35:34,790 --> 00:35:29,870  
off the saucer and the dead alien bodies

677  
00:35:40,390 --> 00:35:38,310  
between 1947 and 1952

678  
00:35:45,750 --> 00:35:40,400  
there were more flying saucer sightings

679  
00:35:50,069 --> 00:35:48,630  
this document recovered from the fbi's

680  
00:35:52,230 --> 00:35:50,079  
secret file

681  
00:35:56,230 --> 00:35:52,240  
shows that during this time period there

682  
00:35:59,750 --> 00:35:56,240  
were over 150 sightings of ufos over

683  
00:36:01,910 --> 00:35:59,760  
sensitive us military installations

684  
00:36:04,710 --> 00:36:01,920  
many of these sightings fit the standard

685  
00:36:06,630 --> 00:36:04,720  
disc shaped ufo description and were

686  
00:36:09,349 --> 00:36:06,640  
reported by more than one reliable

687  
00:36:13,750 --> 00:36:11,109  
new mexico was the state

688  
00:36:15,030 --> 00:36:13,760

where all post world war ii rocket shots

689

00:36:17,430 --> 00:36:15,040

were fired

690

00:36:23,670 --> 00:36:17,440

it is also the state where the first

691

00:36:28,150 --> 00:36:26,069

one logical explanation for this large

692

00:36:30,950 --> 00:36:28,160

number of ufo sightings

693

00:36:33,510 --> 00:36:30,960

is that an alien space traveling culture

694

00:36:36,230 --> 00:36:33,520

was observing the earth without making

695

00:36:38,310 --> 00:36:36,240

official contact and gathering military

696

00:36:40,470 --> 00:36:38,320

intelligence on the earth so that they

697

00:36:48,950 --> 00:36:40,480

will be prepared for the day when we

698

00:36:53,109 --> 00:36:51,030

the best known government responses to

699

00:36:55,829 --> 00:36:53,119

the ufo question were the much

700

00:36:58,790 --> 00:36:55,839

publicized u s air force's project blue

701  
00:37:00,630 --> 00:36:58,800  
book and the condon report

702  
00:37:03,109 --> 00:37:00,640  
in spite of the air force's public

703  
00:37:05,030 --> 00:37:03,119  
statements to the contrary a close

704  
00:37:08,990 --> 00:37:05,040  
examination of the evidence in these

705  
00:37:11,589 --> 00:37:09,000  
reports indicates that some ufos are

706  
00:37:14,150 --> 00:37:11,599  
extraterrestrial spacecraft and that the

707  
00:37:16,470 --> 00:37:14,160  
purpose of these reports was to act as

708  
00:37:21,030 --> 00:37:16,480  
public relations cover-ups

709  
00:37:25,109 --> 00:37:22,870  
during the past 10 years i've talked

710  
00:37:27,109 --> 00:37:25,119  
with uh over two dozen military

711  
00:37:28,790 --> 00:37:27,119  
personnel who have

712  
00:37:29,750 --> 00:37:28,800  
confidentially

713  
00:37:36,390 --> 00:37:29,760

uh

714

00:37:38,470 --> 00:37:36,400

not only landings very near or on

715

00:37:40,470 --> 00:37:38,480

military installations in this country

716

00:37:41,670 --> 00:37:40,480

but also cases involving physical

717

00:37:43,190 --> 00:37:41,680

residue

718

00:37:45,190 --> 00:37:43,200

in one instance

719

00:37:46,950 --> 00:37:45,200

an individual assured me that he had

720

00:37:49,430 --> 00:37:46,960

personally seen to the transmission of

721

00:37:51,430 --> 00:37:49,440

this report to project blue book and

722

00:37:53,510 --> 00:37:51,440

this was a report involving a landing

723

00:37:54,790 --> 00:37:53,520

and quite a number of witnesses security

724

00:37:56,630 --> 00:37:54,800

personnel

725

00:37:57,750 --> 00:37:56,640

and if one is to check the blue book

726

00:38:00,630 --> 00:37:57,760

files

727

00:38:02,950 --> 00:38:00,640

public

728

00:38:05,910 --> 00:38:02,960

those cases are not there not a single

729

00:38:08,550 --> 00:38:05,920

case colonel stevens gave us a good

730

00:38:11,349 --> 00:38:08,560

explanation as to why military people

731

00:38:13,750 --> 00:38:11,359

and former military people do not speak

732

00:38:17,349 --> 00:38:13,760

out about their classified experiences

733

00:38:18,790 --> 00:38:17,359

with ufos now when when a person

734

00:38:21,030 --> 00:38:18,800

working in a

735

00:38:23,109 --> 00:38:21,040

security field leaves the field

736

00:38:25,910 --> 00:38:23,119

he's uh reminded of his oaths and he's

737

00:38:27,510 --> 00:38:25,920

sworn not to reveal information uh

738

00:38:29,030 --> 00:38:27,520

handled officially during the time of

739

00:38:30,230 --> 00:38:29,040

his tenure in this this particular

740

00:38:32,150 --> 00:38:30,240

security thing and he's warned of the

741

00:38:34,470 --> 00:38:32,160

penalties it's a ten thousand dollar

742

00:38:36,390 --> 00:38:34,480

fine and ten years in prison and four in

743

00:38:39,270 --> 00:38:36,400

in extreme cases forfeiture of all pay

744

00:38:41,190 --> 00:38:39,280

and allowances do or ever to become do

745

00:38:43,109 --> 00:38:41,200

and so it's hard to find people

746

00:38:44,630 --> 00:38:43,119

who are not vulnerable who don't have

747

00:38:46,790 --> 00:38:44,640

something to lose

748

00:38:49,670 --> 00:38:46,800

by telling what happened to them

749

00:38:50,950 --> 00:38:49,680

the encounter of two iranian jets with

750

00:38:53,190 --> 00:38:50,960

the ufo

751  
00:38:56,390 --> 00:38:53,200  
gives a glimpse of how the government

752  
00:38:57,260 --> 00:38:56,400  
really handles good quality ufo military

753  
00:38:58,630 --> 00:38:57,270  
sightings

754  
00:39:00,710 --> 00:38:58,640  
[Applause]

755  
00:39:03,970 --> 00:39:00,720  
the lead fighter tried to intercept an

756  
00:39:06,550 --> 00:39:03,980  
extremely large bright ufo

757  
00:39:09,670 --> 00:39:06,560  
[Music]

758  
00:39:11,510 --> 00:39:09,680  
as he closed with the ufo his electrical

759  
00:39:14,710 --> 00:39:11,520  
missile control and communication

760  
00:39:22,710 --> 00:39:14,720  
systems malfunctioned

761  
00:39:27,270 --> 00:39:25,190  
he turned away from the ufo and shortly

762  
00:39:32,310 --> 00:39:27,280  
thereafter his systems began to function

763  
00:39:36,470 --> 00:39:33,670

the white house

764

00:39:38,550 --> 00:39:36,480

the cia and several other defense

765

00:39:41,190 --> 00:39:38,560

intelligence agencies received a

766

00:39:42,470 --> 00:39:41,200

classified letter describing the case in

767

00:39:44,790 --> 00:39:42,480

detail

768

00:39:47,109 --> 00:39:44,800

this memo written by general carol h

769

00:39:49,750 --> 00:39:47,119

bolender in 1969

770

00:39:51,910 --> 00:39:49,760

became public in 1979

771

00:39:54,150 --> 00:39:51,920

and revealed that reports of

772

00:39:57,190 --> 00:39:54,160

unidentified flying objects which could

773

00:39:59,750 --> 00:39:57,200

affect national security were not part

774

00:40:02,390 --> 00:39:59,760

of the blue book system

775

00:40:05,750 --> 00:40:02,400

it is clear that the government regards

776

00:40:07,670 --> 00:40:05,760

ufos as a matter of national security

777

00:40:11,190 --> 00:40:07,680

because they can fly rings around our

778

00:40:13,510 --> 00:40:11,200

conventional jets or rockets

779

00:40:15,990 --> 00:40:13,520

the first country to be able to

780

00:40:17,910 --> 00:40:16,000

duplicate the behavior of ufos could

781

00:40:20,550 --> 00:40:17,920

attack any other country in the world

782

00:40:22,470 --> 00:40:20,560

with absolute immunity

783

00:40:24,870 --> 00:40:22,480

you see the single most important aspect

784

00:40:27,430 --> 00:40:24,880

of a flying saucer from a government or

785

00:40:29,270 --> 00:40:27,440

military viewpoint is its potential for

786

00:40:30,550 --> 00:40:29,280

military utilization

787

00:40:33,109 --> 00:40:30,560

the first country to be able to

788

00:40:45,190 --> 00:40:33,119

duplicate the behavior of flying saucer

789

00:40:51,589 --> 00:40:48,950

these recently released secret cia ufo

790

00:40:53,750 --> 00:40:51,599

files indicate intense government

791

00:40:55,589 --> 00:40:53,760

interest in the military potential of

792

00:40:58,550 --> 00:40:55,599

ufos

793

00:41:00,790 --> 00:40:58,560

these files establish that the cia had

794

00:41:05,320 --> 00:41:00,800

agents all around the world gathering

795

00:41:11,910 --> 00:41:10,390

[Music]

796

00:41:14,790 --> 00:41:11,920

this interview with senator barry

797

00:41:16,550 --> 00:41:14,800

goldwater provides an even clearer view

798

00:41:19,109 --> 00:41:16,560

of the government's concern about the

799

00:41:20,950 --> 00:41:19,119

military potential of ufos

800

00:41:24,309 --> 00:41:20,960

senator goldwater was the republican

801  
00:41:26,390 --> 00:41:24,319  
candidate for president in 1964 and is a

802  
00:41:27,990 --> 00:41:26,400  
major general in the united states air

803  
00:41:31,430 --> 00:41:28,000  
force reserve

804  
00:41:34,309 --> 00:41:31,440  
we have verified the following quotes

805  
00:41:37,109 --> 00:41:34,319  
air force navy and commercial pilots

806  
00:41:38,950 --> 00:41:37,119  
have revealed to me cases when a ufo

807  
00:41:42,230 --> 00:41:38,960  
would fly near them right off the

808  
00:41:44,470 --> 00:41:42,240  
plane's wing and then just zoom away at

809  
00:41:47,510 --> 00:41:44,480  
incredible speeds

810  
00:41:49,270 --> 00:41:47,520  
i asked general curtis lemay who for

811  
00:41:51,670 --> 00:41:49,280  
years was head of the strategic air

812  
00:41:54,309 --> 00:41:51,680  
command for permission to check into the

813  
00:41:58,390 --> 00:41:54,319

files and he told me

814

00:42:00,790 --> 00:41:58,400

hell no and don't ask me again

815

00:42:03,510 --> 00:42:00,800

i think some highly secret government

816

00:42:06,710 --> 00:42:03,520

ufo investigations are going on that we

817

00:42:09,670 --> 00:42:06,720

don't know about and probably never will

818

00:42:12,390 --> 00:42:09,680

unless the air force discloses them

819

00:42:15,109 --> 00:42:12,400

someday soon someone is going to have

820

00:42:16,870 --> 00:42:15,119

strong ufo evidence that can't be

821

00:42:19,990 --> 00:42:16,880

explained away

822

00:42:22,390 --> 00:42:20,000

and senator goldwater's quote

823

00:42:24,950 --> 00:42:22,400

there is already strong evidence that

824

00:42:28,710 --> 00:42:24,960

can't be explained away in senator barry

825

00:42:30,870 --> 00:42:28,720

goldwater's own home state of arizona

826

00:42:32,870 --> 00:42:30,880

the evidence revolves around an incident

827

00:42:35,190 --> 00:42:32,880

that took place in the sith graves

828

00:42:37,270 --> 00:42:35,200

national forest

829

00:42:39,990 --> 00:42:37,280

it was in this location that a young

830

00:42:43,270 --> 00:42:40,000

woodcutter named travis walton was

831

00:42:45,829 --> 00:42:43,280

abducted by a ufo

832

00:42:47,589 --> 00:42:45,839

the ufo was witnessed by six of his

833

00:42:50,950 --> 00:42:47,599

fellow workers

834

00:42:53,109 --> 00:42:50,960

at travis's home in snowflake arizona we

835

00:42:55,910 --> 00:42:53,119

interviewed him and one of the witnesses

836

00:42:57,510 --> 00:42:55,920

to the ufo mike rogers

837

00:42:59,990 --> 00:42:57,520

there were seven of us on the way home

838

00:43:02,069 --> 00:43:00,000

from work uh we were riding down a dirt

839

00:43:04,870 --> 00:43:02,079

road and a pickup and uh

840

00:43:06,150 --> 00:43:04,880

we saw an object hovering off to the

841

00:43:09,349 --> 00:43:06,160

side of the road

842

00:43:10,870 --> 00:43:09,359

it was a glowing disc shaped object

843

00:43:14,069 --> 00:43:10,880

it was about

844

00:43:18,950 --> 00:43:16,069

it was hovering about

845

00:43:21,190 --> 00:43:18,960

i'd say 15 to 20 feet off the ground i

846

00:43:23,109 --> 00:43:21,200

got out of the truck and went closer i

847

00:43:25,030 --> 00:43:23,119

wanted to get a closer look at it i

848

00:43:27,670 --> 00:43:25,040

realized for the first time

849

00:43:29,910 --> 00:43:27,680

what what he was doing and i

850

00:43:32,870 --> 00:43:29,920

realized that it was dangerous i

851  
00:43:34,390 --> 00:43:32,880  
expected it to you know fly away

852  
00:43:35,910 --> 00:43:34,400  
when i got

853  
00:43:38,550 --> 00:43:35,920  
closer

854  
00:43:41,670 --> 00:43:38,560  
but instead when i when i got up there

855  
00:43:43,109 --> 00:43:41,680  
it started to move and and to make a

856  
00:43:45,190 --> 00:43:43,119  
loud sound

857  
00:43:46,710 --> 00:43:45,200  
which scared me

858  
00:43:48,309 --> 00:43:46,720  
i yelled at him

859  
00:43:49,589 --> 00:43:48,319  
and i told him you know get the hell

860  
00:43:51,990 --> 00:43:49,599  
away from there

861  
00:43:54,550 --> 00:43:52,000  
i raised up and turned to go and then

862  
00:43:57,109 --> 00:43:54,560  
all of a sudden the object

863  
00:43:59,829 --> 00:43:57,119

apparently

864

00:44:02,300 --> 00:43:59,839

blasted him with some sort of array or

865

00:44:03,589 --> 00:44:02,310

bolt of light or something

866

00:44:07,109 --> 00:44:03,599

[Music]

867

00:44:09,510 --> 00:44:07,119

i felt a numbing shock

868

00:44:11,430 --> 00:44:09,520

and lost consciousness

869

00:44:13,430 --> 00:44:11,440

and that was the last i knew until i

870

00:44:16,710 --> 00:44:13,440

woke up aboard the craft

871

00:44:19,109 --> 00:44:16,720

when i saw this bright blinding light i

872

00:44:21,589 --> 00:44:19,119

turned back just in time to see travis

873

00:44:23,990 --> 00:44:21,599

flying back through the air

874

00:44:26,150 --> 00:44:24,000

he hit the ground about 10 feet or so

875

00:44:27,589 --> 00:44:26,160

from where he had been standing

876  
00:44:29,510 --> 00:44:27,599  
at that point

877  
00:44:32,230 --> 00:44:29,520  
uh with the

878  
00:44:34,309 --> 00:44:32,240  
the blast that the saucer had given him

879  
00:44:36,309 --> 00:44:34,319  
it was such an incredible thing it was

880  
00:44:37,510 --> 00:44:36,319  
just unbelievable i was in an instant

881  
00:44:39,510 --> 00:44:37,520  
panic

882  
00:44:41,190 --> 00:44:39,520  
of the guys behind me somebody says get

883  
00:44:41,910 --> 00:44:41,200  
the hell out of here

884  
00:44:43,670 --> 00:44:41,920  
so

885  
00:44:45,990 --> 00:44:43,680  
i hit the gas

886  
00:44:48,309 --> 00:44:46,000  
and we took off down the road

887  
00:44:51,670 --> 00:44:48,319  
mike rogers and the other five witnesses

888  
00:44:53,829 --> 00:44:51,680

returned only to find travis missing

889

00:44:55,270 --> 00:44:53,839

after they told their astounding story

890

00:44:58,309 --> 00:44:55,280

to the police

891

00:45:00,150 --> 00:44:58,319

they came under suspicion of murder

892

00:45:02,829 --> 00:45:00,160

an intense search for travis walton

893

00:45:05,750 --> 00:45:02,839

proceeded for three days using a large

894

00:45:07,910 --> 00:45:05,760

posse dogs and helicopters

895

00:45:10,309 --> 00:45:07,920

they were unable to find him or any

896

00:45:12,150 --> 00:45:10,319

signs of where he was

897

00:45:15,030 --> 00:45:12,160

finally it was suggested that the six

898

00:45:17,829 --> 00:45:15,040

witnesses take a polygraph test to

899

00:45:21,030 --> 00:45:17,839

establish the truth or fallacy of their

900

00:45:24,790 --> 00:45:22,230

we told them you know we'll take

901  
00:45:25,990 --> 00:45:24,800  
polygraph tests we'll we'll take sodium

902  
00:45:27,829 --> 00:45:26,000  
pentathol

903  
00:45:30,390 --> 00:45:27,839  
hypnosis anything you can give us

904  
00:45:31,589 --> 00:45:30,400  
because this thing really happened and

905  
00:45:33,270 --> 00:45:31,599  
and

906  
00:45:35,109 --> 00:45:33,280  
we don't like this thing about you

907  
00:45:37,670 --> 00:45:35,119  
accusedness of murder which several of

908  
00:45:40,390 --> 00:45:37,680  
them had openly arrangements were made

909  
00:45:42,550 --> 00:45:40,400  
for psy gilson a highly qualified

910  
00:45:45,109 --> 00:45:42,560  
polygraph examiner who was a member of

911  
00:45:47,270 --> 00:45:45,119  
the arizona state polygraph association

912  
00:45:49,589 --> 00:45:47,280  
to conduct the polygraphs on the six

913  
00:45:50,870 --> 00:45:49,599

witnesses to travis walton's ufo

914

00:45:53,349 --> 00:45:50,880

encounter

915

00:45:55,829 --> 00:45:53,359

the utmost care in administering these

916

00:45:58,630 --> 00:45:55,839

lie detector tests was exercised because

917

00:46:01,589 --> 00:45:58,640

the men were under suspicion of murder

918

00:46:03,030 --> 00:46:01,599

once the test got underway uh

919

00:46:04,870 --> 00:46:03,040

he

920

00:46:08,790 --> 00:46:04,880

started changing his mind very quickly

921

00:46:11,750 --> 00:46:08,800

after he tested about three of the six

922

00:46:14,150 --> 00:46:11,760

he seemed to be acting differently by

923

00:46:15,750 --> 00:46:14,160

the time he had tested all of us he

924

00:46:18,710 --> 00:46:15,760

seemed to be a believer

925

00:46:20,470 --> 00:46:18,720

i talked to him after the tests and he

926  
00:46:24,150 --> 00:46:20,480  
indicated to me that

927  
00:46:26,309 --> 00:46:24,160  
that apparently he was wrong

928  
00:46:29,270 --> 00:46:26,319  
unofficially he said

929  
00:46:31,910 --> 00:46:29,280  
that he believed that we had

930  
00:46:34,150 --> 00:46:31,920  
told the truth because

931  
00:46:36,790 --> 00:46:34,160  
five of us passed the test

932  
00:46:39,750 --> 00:46:36,800  
he wrote in his report that we had told

933  
00:46:45,320 --> 00:46:39,760  
the truth that apparently there had been

934  
00:46:50,150 --> 00:46:47,670  
[Music]

935  
00:46:53,270 --> 00:46:50,160  
this was a very emotional thing for

936  
00:46:55,349 --> 00:46:53,280  
travis's family and emotional for us

937  
00:46:57,750 --> 00:46:55,359  
travis was my best friend

938  
00:46:58,790 --> 00:46:57,760

and our whole lives have been disrupted

939

00:47:00,870 --> 00:46:58,800

by this

940

00:47:03,510 --> 00:47:00,880

we wondered if we would ever see him

941

00:47:05,430 --> 00:47:03,520

again when i regained consciousness i

942

00:47:06,790 --> 00:47:05,440

was laying on my back

943

00:47:09,109 --> 00:47:06,800

i uh

944

00:47:11,190 --> 00:47:09,119

i came too slowly

945

00:47:13,750 --> 00:47:11,200

i was in a lot of pain

946

00:47:16,710 --> 00:47:13,760

in my head and chest area

947

00:47:18,870 --> 00:47:16,720

at first i thought i was in a hospital

948

00:47:21,349 --> 00:47:18,880

but when i could finally see i i saw

949

00:47:24,710 --> 00:47:21,359

these beings standing over me and

950

00:47:27,430 --> 00:47:24,720

it i just became hysterical

951  
00:47:28,790 --> 00:47:27,440  
they were about five feet tall they had

952  
00:47:31,349 --> 00:47:28,800  
no hair

953  
00:47:34,150 --> 00:47:31,359  
no eyelashes eyebrows

954  
00:47:37,109 --> 00:47:34,160  
very large heads very large eyes

955  
00:47:39,589 --> 00:47:37,119  
the rest of their features uh nose mouth

956  
00:47:42,950 --> 00:47:39,599  
and ears were small

957  
00:47:45,829 --> 00:47:42,960  
and they were very white looking

958  
00:47:46,870 --> 00:47:45,839  
i knocked them away from me

959  
00:47:49,510 --> 00:47:46,880  
and

960  
00:47:51,510 --> 00:47:49,520  
jumped off the table there

961  
00:47:56,390 --> 00:47:51,520  
and

962  
00:48:05,990 --> 00:47:59,190  
i grabbed an object off of a bench there

963  
00:48:11,349 --> 00:48:07,750

they stopped

964

00:48:12,309 --> 00:48:11,359

and turned around and left the room

965

00:48:15,349 --> 00:48:12,319

um

966

00:48:17,190 --> 00:48:15,359

i was afraid they'd come back so i

967

00:48:19,109 --> 00:48:17,200

left there

968

00:48:20,950 --> 00:48:19,119

looking for a way out

969

00:48:23,750 --> 00:48:20,960

i went into another room where there was

970

00:48:26,309 --> 00:48:23,760

a chair there was some kind of a

971

00:48:28,230 --> 00:48:26,319

projection or some kind of a viewing

972

00:48:29,990 --> 00:48:28,240

thing in this room where you could see a

973

00:48:33,349 --> 00:48:30,000

map of stars

974

00:48:35,990 --> 00:48:33,359

a man came in while i was trying to find

975

00:48:38,870 --> 00:48:36,000

a way out there and this was a

976  
00:48:41,430 --> 00:48:38,880  
human-looking person

977  
00:48:43,109 --> 00:48:41,440  
they'd pass in a crowd this individual

978  
00:48:45,670 --> 00:48:43,119  
and on earth

979  
00:48:46,790 --> 00:48:45,680  
he was bigger than me taller and more

980  
00:48:48,790 --> 00:48:46,800  
muscular

981  
00:48:49,589 --> 00:48:48,800  
very large individual

982  
00:48:51,829 --> 00:48:49,599  
i

983  
00:48:54,390 --> 00:48:51,839  
went up and

984  
00:48:55,349 --> 00:48:54,400  
tried to talk to this guy

985  
00:48:58,069 --> 00:48:55,359  
and

986  
00:49:01,349 --> 00:48:58,079  
he didn't answer me he led me outside of

987  
00:49:03,750 --> 00:49:01,359  
this craft that i was in which was

988  
00:49:07,510 --> 00:49:03,760

apparently parked inside of a large

989

00:49:09,750 --> 00:49:07,520

room or a building or a larger craft and

990

00:49:11,190 --> 00:49:09,760

led me out of this room into another

991

00:49:15,109 --> 00:49:11,200

room where

992

00:49:19,430 --> 00:49:16,570

put me unconscious

993

00:49:21,910 --> 00:49:19,440

[Music]

994

00:49:25,270 --> 00:49:21,920

when i regained consciousness

995

00:49:27,510 --> 00:49:25,280

i found myself laying on the roadway

996

00:49:29,510 --> 00:49:27,520

that i saw a craft hovering there that

997

00:49:32,470 --> 00:49:29,520

just sat there for a second and just

998

00:49:34,549 --> 00:49:32,480

shot straight up

999

00:49:36,950 --> 00:49:34,559

that's the last i've seen him

1000

00:49:38,549 --> 00:49:36,960

i ran down into the town there and

1001  
00:49:39,349 --> 00:49:38,559  
called my family and they came and got

1002  
00:49:41,270 --> 00:49:39,359  
me

1003  
00:49:42,870 --> 00:49:41,280  
when i did hear that he had been

1004  
00:49:44,790 --> 00:49:42,880  
returned

1005  
00:49:46,870 --> 00:49:44,800  
it was almost as unbelievable as the

1006  
00:49:47,270 --> 00:49:46,880  
original thing because he'd been gone so

1007  
00:49:49,109 --> 00:49:47,280  
long

1008  
00:49:51,270 --> 00:49:49,119  
[Music]

1009  
00:49:53,589 --> 00:49:51,280  
one of the biggest shocks i had to deal

1010  
00:49:56,390 --> 00:49:53,599  
with when i was returned was finding out

1011  
00:50:01,270 --> 00:49:56,400  
that this brief period of time had

1012  
00:50:05,430 --> 00:50:02,790  
when i found out i've been gone for that

1013  
00:50:09,109 --> 00:50:05,440

long it was it was

1014

00:50:11,109 --> 00:50:09,119

just you know blew me away my my brother

1015

00:50:13,270 --> 00:50:11,119

you know told me about it

1016

00:50:15,109 --> 00:50:13,280

and i was stunned and he asked me to

1017

00:50:17,030 --> 00:50:15,119

feel my face and i'd had a i had a you

1018

00:50:19,670 --> 00:50:17,040

know a week's growth

1019

00:50:21,109 --> 00:50:19,680

i was really took my mind just to reel

1020

00:50:23,349 --> 00:50:21,119

at that because

1021

00:50:26,470 --> 00:50:23,359

as far as i knew it was the same night

1022

00:50:31,430 --> 00:50:26,480

the thing that bothered me most about

1023

00:50:35,109 --> 00:50:33,270

when they looked at me they just

1024

00:50:38,069 --> 00:50:35,119

seemed like they were looking right

1025

00:50:41,589 --> 00:50:40,230

you just can't understand how it would

1026  
00:50:49,910 --> 00:50:41,599  
be if it were

1027  
00:50:54,470 --> 00:50:51,750  
after his return

1028  
00:50:55,349 --> 00:50:54,480  
travis walton also passed a polygraph

1029  
00:50:59,030 --> 00:50:55,359  
test

1030  
00:51:01,109 --> 00:50:59,040  
verifying the truth of his ufo

1031  
00:51:03,430 --> 00:51:01,119  
experience

1032  
00:51:05,190 --> 00:51:03,440  
to obtain an expert opinion on what

1033  
00:51:07,589 --> 00:51:05,200  
conclusions could be drawn from the

1034  
00:51:08,630 --> 00:51:07,599  
polygraph tests in the travis walton

1035  
00:51:11,670 --> 00:51:08,640  
case

1036  
00:51:15,430 --> 00:51:11,680  
we interviewed edward gelb president of

1037  
00:51:17,270 --> 00:51:15,440  
the american polygraph association

1038  
00:51:19,589 --> 00:51:17,280

hundreds of police departments and

1039

00:51:22,549 --> 00:51:19,599

corporations throughout the world

1040

00:51:24,309 --> 00:51:22,559

utilize the polygraph to separate truth

1041

00:51:27,109 --> 00:51:24,319

from deception

1042

00:51:29,430 --> 00:51:27,119

the 94 percent accuracy of the polygraph

1043

00:51:31,670 --> 00:51:29,440

has been well documented not only in

1044

00:51:32,630 --> 00:51:31,680

real life situations as we've discussed

1045

00:51:34,790 --> 00:51:32,640

here

1046

00:51:36,549 --> 00:51:34,800

but in laboratory and university studies

1047

00:51:37,510 --> 00:51:36,559

that have been conducted throughout the

1048

00:51:40,710 --> 00:51:37,520

world

1049

00:51:43,910 --> 00:51:40,720

the odds against six people successfully

1050

00:51:47,190 --> 00:51:43,920

deceiving a trained polygraph examiner

1051  
00:51:48,950 --> 00:51:47,200  
on a single issue are over a million to

1052  
00:51:50,870 --> 00:51:48,960  
one

1053  
00:51:53,510 --> 00:51:50,880  
the polygraph evidence in the travis

1054  
00:51:59,270 --> 00:51:53,520  
walton case is strong enough to stand as

1055  
00:52:03,589 --> 00:52:01,670  
in order to understand where the beings

1056  
00:52:06,870 --> 00:52:03,599  
that kidnapped travis walton may have

1057  
00:52:10,630 --> 00:52:06,880  
originated we must first understand our

1058  
00:52:16,790 --> 00:52:13,510  
our sun is only one of over a hundred

1059  
00:52:19,990 --> 00:52:16,800  
and fifty billion stars in our galaxy

1060  
00:52:27,030 --> 00:52:22,470  
there are billions and billions of

1061  
00:52:33,510 --> 00:52:30,630  
if only one star in every million has

1062  
00:52:35,670 --> 00:52:33,520  
planets that can support life

1063  
00:52:39,109 --> 00:52:35,680

then there are hundreds of billions of

1064

00:52:41,990 --> 00:52:39,119

life-supporting planets in the universe

1065

00:52:48,230 --> 00:52:42,000

within 55 light years of our own solar

1066

00:52:54,069 --> 00:52:51,430

46 of these near neighbors are similar

1067

00:52:55,990 --> 00:52:54,079

to the sun and can be expected to have

1068

00:52:59,190 --> 00:52:56,000

planets and life

1069

00:53:02,150 --> 00:52:59,200

especially if colonization and migration

1070

00:53:04,230 --> 00:53:02,160

have been going on for part of their 10

1071

00:53:06,069 --> 00:53:04,240

billion year lives

1072

00:53:08,870 --> 00:53:06,079

[Music]

1073

00:53:11,589 --> 00:53:08,880

by examining our own advanced technology

1074

00:53:14,309 --> 00:53:11,599

closely we can get some indications as

1075

00:53:17,030 --> 00:53:14,319

to how the ufo that kidnapped travis

1076  
00:53:18,710 --> 00:53:17,040  
walton may have been propelled and how

1077  
00:53:21,190 --> 00:53:18,720  
it could have traveled through space to

1078  
00:53:27,109 --> 00:53:23,510  
the technology to travel to nearby stars

1079  
00:53:29,190 --> 00:53:27,119  
in our own galaxy now exists just as the

1080  
00:53:32,870 --> 00:53:29,200  
basic technology to go to the moon

1081  
00:53:35,190 --> 00:53:32,880  
existed shortly after world war ii

1082  
00:53:38,390 --> 00:53:35,200  
technological progress is the result of

1083  
00:53:40,150 --> 00:53:38,400  
inventing new systems and not perfecting

1084  
00:53:43,190 --> 00:53:40,160  
old ones

1085  
00:53:46,309 --> 00:53:43,200  
we cross the atlantic ocean 100 times

1086  
00:53:48,470 --> 00:53:46,319  
faster now than 200 years ago not

1087  
00:53:51,430 --> 00:53:48,480  
because we've got boats that go 100

1088  
00:53:53,430 --> 00:53:51,440

times faster but because we now have jet

1089

00:53:57,990 --> 00:53:53,440

airliners

1090

00:54:01,910 --> 00:53:58,000

but 200 years ago they would have

1091

00:54:04,309 --> 00:54:01,920

sounded like the wildest kind of fantasy

1092

00:54:05,910 --> 00:54:04,319

it took magellan two years to sail

1093

00:54:08,710 --> 00:54:05,920

around the planet

1094

00:54:14,790 --> 00:54:08,720

and it only takes a modern astronaut 90

1095

00:54:19,750 --> 00:54:17,430

the apollo project not only proved that

1096

00:54:21,750 --> 00:54:19,760

it was possible for mankind to leave the

1097

00:54:23,589 --> 00:54:21,760

earth and visit our nearest neighbor in

1098

00:54:25,109 --> 00:54:23,599

space the moon

1099

00:54:27,510 --> 00:54:25,119

it revealed that even the most

1100

00:54:29,670 --> 00:54:27,520

prestigious scientists often

1101

00:54:31,430 --> 00:54:29,680

underestimate the ability of human

1102

00:54:33,750 --> 00:54:31,440

ingenuity to accomplish what is

1103

00:54:35,589 --> 00:54:33,760

considered impossible

1104

00:54:37,910 --> 00:54:35,599

in 1957

1105

00:54:40,870 --> 00:54:37,920

lee de forest the inventor of the vacuum

1106

00:54:42,630 --> 00:54:40,880

tube and father of modern electronics

1107

00:54:45,109 --> 00:54:42,640

stated that no matter what the

1108

00:54:47,430 --> 00:54:45,119

inventions of the future man would never

1109

00:54:48,950 --> 00:54:47,440

land on the moon and bring back samples

1110

00:54:51,670 --> 00:54:48,960

to earth

1111

00:54:53,510 --> 00:54:51,680

just 12 years after that millions of

1112

00:54:55,829 --> 00:54:53,520

people on the earth were able to watch

1113

00:55:00,390 --> 00:54:55,839

the first moon landing on television as

1114

00:55:04,950 --> 00:55:03,109

when trying to understand ufos it is

1115

00:55:07,270 --> 00:55:04,960

important to be careful about using the

1116

00:55:09,190 --> 00:55:07,280

word impossible because the history of

1117

00:55:11,109 --> 00:55:09,200

our own technology shows that

1118

00:55:13,430 --> 00:55:11,119

intelligent beings have a habit of

1119

00:55:16,230 --> 00:55:13,440

accomplishing what was once considered

1120

00:55:20,630 --> 00:55:18,630

today some people consider it impossible

1121

00:55:21,829 --> 00:55:20,640

to travel the vast distances between

1122

00:55:23,990 --> 00:55:21,839

stars

1123

00:55:26,630 --> 00:55:24,000

the state of current technology already

1124

00:55:29,750 --> 00:55:26,640

indicates that their ideas will soon be

1125

00:55:32,710 --> 00:55:29,760

as obsolete as mr deforest's statement

1126  
00:55:34,789 --> 00:55:32,720  
that man would never land on the moon

1127  
00:55:37,030 --> 00:55:34,799  
we could build nuclear-powered starships

1128  
00:55:41,430 --> 00:55:37,040  
that could travel in space just the way

1129  
00:55:46,069 --> 00:55:43,270  
these starships could travel to nearby

1130  
00:55:47,430 --> 00:55:46,079  
stars and return within the lifetime of

1131  
00:55:49,750 --> 00:55:47,440  
a man

1132  
00:55:52,069 --> 00:55:49,760  
they would be powered by nuclear fusion

1133  
00:55:53,990 --> 00:55:52,079  
the energy source of the sun and the

1134  
00:55:59,910 --> 00:55:54,000  
same nuclear process used in the

1135  
00:56:04,230 --> 00:56:01,990  
an advanced starship capable of

1136  
00:56:06,150 --> 00:56:04,240  
traveling close to the speed of light

1137  
00:56:08,150 --> 00:56:06,160  
could take advantage of einstein's law

1138  
00:56:11,190 --> 00:56:08,160

of relativity which has now been

1139

00:56:12,950 --> 00:56:11,200

experimentally verified

1140

00:56:15,030 --> 00:56:12,960

as the spaceship approached the speed of

1141

00:56:17,510 --> 00:56:15,040

light the objects that they approach

1142

00:56:19,349 --> 00:56:17,520

would take on a red glow

1143

00:56:20,870 --> 00:56:19,359

time would begin to slow down for the

1144

00:56:22,670 --> 00:56:20,880

crew

1145

00:56:25,510 --> 00:56:22,680

when they reached

1146

00:56:28,150 --> 00:56:25,520

99.999 percent of the speed of light

1147

00:56:31,540 --> 00:56:28,160

they could travel to a star 37 light

1148

00:56:32,630 --> 00:56:31,550

years away in just two months pilot time

1149

00:56:34,150 --> 00:56:32,640

[Music]

1150

00:56:36,950 --> 00:56:34,160

the people that they left behind would

1151  
00:56:42,150 --> 00:56:36,960  
be 37 years older but the crew of this

1152  
00:56:47,270 --> 00:56:44,150  
the space shuttle will be able to lift

1153  
00:56:49,510 --> 00:56:47,280  
portions of a giant nuclear fission or

1154  
00:56:51,589 --> 00:56:49,520  
fusion rocket into orbit around the

1155  
00:56:53,589 --> 00:56:51,599  
earth where it could be assembled from

1156  
00:57:00,510 --> 00:56:53,599  
there it could be launched to other

1157  
00:57:08,069 --> 00:57:05,910  
[Music]

1158  
00:57:16,710 --> 00:57:08,079  
the space shuttle will also be used to

1159  
00:57:21,190 --> 00:57:19,190  
astronauts have already stayed in space

1160  
00:57:23,510 --> 00:57:21,200  
for five months

1161  
00:57:25,750 --> 00:57:23,520  
we are rapidly approaching a time when

1162  
00:57:27,910 --> 00:57:25,760  
they will be a permanent space colony

1163  
00:57:29,460 --> 00:57:27,920

and there will always be earthlings in

1164

00:57:35,850 --> 00:57:29,470

space

1165

00:57:35,860 --> 00:57:44,140

[Applause]

1166

00:57:47,160 --> 00:57:44,260

[Music]

1167

00:57:51,510 --> 00:57:47,170

[Applause]

1168

00:57:54,309 --> 00:57:51,520

[Music]

1169

00:57:56,789 --> 00:57:54,319

our civilization on earth is destined to

1170

00:58:00,789 --> 00:57:56,799

become a space traveling culture and our

1171

00:58:02,630 --> 00:58:00,799

space age is less than 25 years old

1172

00:58:04,789 --> 00:58:02,640

who could possibly estimate the

1173

00:58:07,030 --> 00:58:04,799

technological limits of a space

1174

00:58:11,829 --> 00:58:07,040

traveling culture that is a billion

1175

00:58:16,789 --> 00:58:14,630

this ufo caused severe static on the

1176

00:58:21,580 --> 00:58:16,799

photographer's transistor radio as it

1177

00:58:29,030 --> 00:58:26,710

[Music]

1178

00:58:31,349 --> 00:58:29,040

reports of ufos causing magnetic

1179

00:58:33,829 --> 00:58:31,359

disturbance such as the interruption of

1180

00:58:35,750 --> 00:58:33,839

television and radio transmissions and

1181

00:58:38,309 --> 00:58:35,760

interference with the electrical systems

1182

00:58:40,789 --> 00:58:38,319

of cars are common

1183

00:58:43,750 --> 00:58:40,799

this electrical interference strongly

1184

00:58:46,150 --> 00:58:43,760

suggests that at least one ufo

1185

00:58:48,789 --> 00:58:46,160

atmospheric propulsion system is based

1186

00:58:50,789 --> 00:58:48,799

on some kind of electromagnetic

1187

00:58:52,390 --> 00:58:50,799

propulsion

1188

00:58:54,150 --> 00:58:52,400

the first successful test of an

1189

00:58:57,349 --> 00:58:54,160

electromagnetic propulsion system was

1190

00:58:59,349 --> 00:58:57,359

conducted on earth in 1966 when this

1191

00:59:00,870 --> 00:58:59,359

electromagnetic submarine was first

1192

00:59:03,670 --> 00:59:00,880

demonstrated

1193

00:59:05,430 --> 00:59:03,680

it cost only two thousand dollars to

1194

00:59:07,990 --> 00:59:05,440

build

1195

00:59:12,150 --> 00:59:08,000

its homemade look is reminiscent of the

1196

00:59:15,829 --> 00:59:13,910

it clearly demonstrates the potential

1197

00:59:17,829 --> 00:59:15,839

for magnetic propulsion

1198

00:59:19,630 --> 00:59:17,839

this electromagnetic submarine moves

1199

00:59:22,950 --> 00:59:19,640

through the water as a result of

1200

00:59:27,510 --> 00:59:22,960

electromagnetic forces

1201  
00:59:29,750 --> 00:59:27,520  
it has absolutely no moving parts

1202  
00:59:34,069 --> 00:59:29,760  
ionized air is an electrically

1203  
00:59:35,990 --> 00:59:34,079  
conductive substance just like seawater

1204  
00:59:37,750 --> 00:59:36,000  
this film was taken from a space capsule

1205  
00:59:41,030 --> 00:59:37,760  
returning to earth

1206  
00:59:42,710 --> 00:59:41,040  
it shows air ionized by the extreme heat

1207  
00:59:44,950 --> 00:59:42,720  
of reentry

1208  
00:59:47,510 --> 00:59:44,960  
the glowing ionized air seen around the

1209  
00:59:50,230 --> 00:59:47,520  
space capsule is very similar to the

1210  
00:59:56,120 --> 00:59:50,240  
glowing effect photographed around ufos

1211  
01:00:01,190 --> 00:59:58,950  
[Music]

1212  
01:00:03,990 --> 01:00:01,200  
ufos may be propelled by some sort of

1213  
01:00:06,549 --> 01:00:04,000

advanced electromagnetic system that is

1214

01:00:09,349 --> 01:00:06,559

foreshadowed by this primitive submarine

1215

01:00:17,670 --> 01:00:09,359

just as goddard's rockets foreshadowed

1216

01:00:23,109 --> 01:00:20,630

the travis walton case is not the only

1217

01:00:26,390 --> 01:00:23,119

well-documented instance of a person

1218

01:00:32,080 --> 01:00:26,400

being abducted by a ufo

1219

01:00:43,910 --> 01:00:41,430

[Music]

1220

01:00:46,309 --> 01:00:43,920

perhaps the best known abduction of all

1221

01:00:47,990 --> 01:00:46,319

and one of the earliest reported is the

1222

01:00:51,589 --> 01:00:48,000

abduction of a well-respected new

1223

01:00:55,109 --> 01:00:51,599

england couple betty and barney hill

1224

01:00:57,750 --> 01:00:55,119

barney hill died in february of 1969

1225

01:00:59,910 --> 01:00:57,760

eight years after their ufo experience

1226

01:01:01,270 --> 01:00:59,920

on september twentieth nineteen sixty

1227

01:01:03,109 --> 01:01:01,280

one

1228

01:01:06,870 --> 01:01:03,119

their experience has been described in a

1229

01:01:10,390 --> 01:01:06,880

book the interrupted journey and a movie

1230

01:01:12,710 --> 01:01:10,400

the ufo incident

1231

01:01:14,710 --> 01:01:12,720

betty and barney hill were driving along

1232

01:01:16,390 --> 01:01:14,720

a deserted road at two o'clock in the

1233

01:01:18,870 --> 01:01:16,400

morning on their way to their new

1234

01:01:21,510 --> 01:01:18,880

hampshire home from montreal

1235

01:01:22,710 --> 01:01:21,520

suddenly we began to see a strange light

1236

01:01:25,829 --> 01:01:22,720

in the sky

1237

01:01:27,109 --> 01:01:25,839

which was maneuvering in a very erratic

1238

01:01:30,069 --> 01:01:27,119

pattern

1239

01:01:32,789 --> 01:01:30,079

this light began dr flying along beside

1240

01:01:35,990 --> 01:01:32,799

us and did this for about 30 miles until

1241

01:01:38,470 --> 01:01:36,000

we came to an area known as indian head

1242

01:01:40,069 --> 01:01:38,480

and at that place this light left the

1243

01:01:42,630 --> 01:01:40,079

top of the mountain

1244

01:01:45,349 --> 01:01:42,640

came out over the highway and stopped in

1245

01:01:47,190 --> 01:01:45,359

midair directly in front of us

1246

01:01:48,390 --> 01:01:47,200

bonnie

1247

01:01:50,549 --> 01:01:48,400

jumped out of the cab with the

1248

01:01:52,470 --> 01:01:50,559

binoculars in an attempt to try to

1249

01:01:54,069 --> 01:01:52,480

identify this craft

1250

01:01:56,069 --> 01:01:54,079

because this was we knew nothing about

1251

01:01:58,470 --> 01:01:56,079

ufos at the time

1252

01:02:00,549 --> 01:01:58,480

bonnie walked towards that looking up

1253

01:02:03,430 --> 01:02:00,559

through the binoculars and he could see

1254

01:02:05,430 --> 01:02:03,440

a red light on each side and figures

1255

01:02:06,630 --> 01:02:05,440

standing behind the double row of

1256

01:02:09,029 --> 01:02:06,640

windows

1257

01:02:11,430 --> 01:02:09,039

he panicked and he ran back to the car

1258

01:02:13,190 --> 01:02:11,440

saying they planned to capture us we had

1259

01:02:15,589 --> 01:02:13,200

to get out of there

1260

01:02:17,430 --> 01:02:15,599

and we went speeding down the highway

1261

01:02:20,710 --> 01:02:17,440

and at that point we heard beeping

1262

01:02:23,670 --> 01:02:20,720

sounds and the car vibrated now when we

1263

01:02:26,230 --> 01:02:23,680

arrived home we had many puzzles

1264

01:02:28,630 --> 01:02:26,240

tops of barney's shoes were scuffed our

1265

01:02:30,549 --> 01:02:28,640

watches had stopped functioning there

1266

01:02:33,190 --> 01:02:30,559

were highly polished spots in the trunk

1267

01:02:36,069 --> 01:02:33,200

of the car but the biggest mystery of

1268

01:02:40,309 --> 01:02:36,079

all was the fact that it had taken us

1269

01:02:42,549 --> 01:02:40,319

seven hours to drive 190 miles the hills

1270

01:02:45,270 --> 01:02:42,559

reported their sighting of a ufo to

1271

01:02:47,829 --> 01:02:45,280

nearby pease air force base

1272

01:02:50,710 --> 01:02:47,839

for fear of ridicule they left out their

1273

01:02:52,789 --> 01:02:50,720

observation of alien beings

1274

01:02:55,029 --> 01:02:52,799

during the next two years betty hill was

1275

01:02:57,910 --> 01:02:55,039

haunted by nightmares and barney

1276

01:02:59,430 --> 01:02:57,920

developed a debilitating ulcer

1277

01:03:01,349 --> 01:02:59,440

fearing that the ulcer and nightmares

1278

01:03:04,309 --> 01:03:01,359

were rooted in the two hours of lost

1279

01:03:05,829 --> 01:03:04,319

time the hill sought the help of dr

1280

01:03:08,870 --> 01:03:05,839

benjamin simon

1281

01:03:10,390 --> 01:03:08,880

a psychiatrist and expert in regressive

1282

01:03:14,309 --> 01:03:10,400

hypnosis

1283

01:03:15,670 --> 01:03:14,319

sessions with each of the hills

1284

01:03:17,670 --> 01:03:15,680

separately

1285

01:03:20,069 --> 01:03:17,680

he would induce amnesia in each of the

1286

01:03:22,150 --> 01:03:20,079

hills after every session to make sure

1287

01:03:25,029 --> 01:03:22,160

they couldn't discuss or exchange

1288

01:03:27,829 --> 01:03:25,039

information about what they remembered

1289

01:03:30,549 --> 01:03:27,839

after three months a clear picture of

1290

01:03:32,789 --> 01:03:30,559

their abduction emerged and barney's

1291

01:03:35,990 --> 01:03:32,799

ulcer had been cured

1292

01:03:38,870 --> 01:03:36,000

at that point dr simon played for them a

1293

01:03:41,270 --> 01:03:38,880

composite tape of all of the sessions

1294

01:03:44,069 --> 01:03:41,280

and the hills found out the truth about

1295

01:03:46,069 --> 01:03:44,079

the two missing ours

1296

01:03:48,390 --> 01:03:46,079

it was at this point

1297

01:03:49,990 --> 01:03:48,400

the beings that had been on the craft

1298

01:03:53,029 --> 01:03:50,000

were now standing in the middle of the

1299

01:03:55,670 --> 01:03:53,039

road a dirt road blocking our way

1300

01:03:58,470 --> 01:03:55,680

the cow motor stalled

1301  
01:04:01,270 --> 01:03:58,480  
they separated came up onto each side

1302  
01:04:03,510 --> 01:04:01,280  
took us out of the car and at that point

1303  
01:04:05,430 --> 01:04:03,520  
i realized that they undoubtedly planned

1304  
01:04:08,950 --> 01:04:05,440  
to take us on board

1305  
01:04:11,430 --> 01:04:08,960  
and that even increased my fears so that

1306  
01:04:13,589 --> 01:04:11,440  
actually by the time we had arrived at

1307  
01:04:17,589 --> 01:04:13,599  
the craft i was fighting

1308  
01:04:19,510 --> 01:04:17,599  
when i was in a panic they just held me

1309  
01:04:21,829 --> 01:04:19,520  
after mrs hill's examination by the

1310  
01:04:23,829 --> 01:04:21,839  
aliens had been completed she had an

1311  
01:04:25,349 --> 01:04:23,839  
opportunity to speak with the leader of

1312  
01:04:27,430 --> 01:04:25,359  
the aliens

1313  
01:04:29,750 --> 01:04:27,440

when i asked the leader where he was

1314

01:04:30,789 --> 01:04:29,760

from i said i know you're not from this

1315

01:04:33,589 --> 01:04:30,799

planet

1316

01:04:36,150 --> 01:04:33,599

and this is when i saw the star map it

1317

01:04:39,029 --> 01:04:36,160

looked almost like i was looking out a

1318

01:04:41,430 --> 01:04:39,039

window it had dimension to it it was

1319

01:04:43,670 --> 01:04:41,440

about three or four feet long and about

1320

01:04:45,029 --> 01:04:43,680

two feet high there are all these balls

1321

01:04:47,349 --> 01:04:45,039

of light in it

1322

01:04:50,069 --> 01:04:47,359

and the leader explained to me that the

1323

01:04:52,950 --> 01:04:50,079

heavy lines the places they go all the

1324

01:04:56,549 --> 01:04:52,960

time are frequently the broken lines

1325

01:05:00,069 --> 01:04:56,559

were expeditions he asked me if i knew

1326

01:05:03,029 --> 01:05:00,079

where i was on the map i told him no

1327

01:05:07,029 --> 01:05:03,039

that i knew nothing about astronomy

1328

01:05:09,190 --> 01:05:07,039

and so he said if i did not know

1329

01:05:12,069 --> 01:05:09,200

where i was on the map then there was no

1330

01:05:13,510 --> 01:05:12,079

point of trying to explain it to me

1331

01:05:14,549 --> 01:05:13,520

i just didn't have the necessary

1332

01:05:16,549 --> 01:05:14,559

knowledge

1333

01:05:18,630 --> 01:05:16,559

betty drew the star map she had seen on

1334

01:05:20,470 --> 01:05:18,640

board the spacecraft and it appeared in

1335

01:05:22,630 --> 01:05:20,480

her book

1336

01:05:24,309 --> 01:05:22,640

because there was no indication of which

1337

01:05:26,069 --> 01:05:24,319

star was the sun

1338

01:05:28,470 --> 01:05:26,079

the best way that this map could be

1339

01:05:30,549 --> 01:05:28,480

interpreted would be to build a large

1340

01:05:33,270 --> 01:05:30,559

three-dimensional model of the sun and

1341

01:05:35,670 --> 01:05:33,280

all the stars near the sun

1342

01:05:38,870 --> 01:05:35,680

the one person who decided to take on

1343

01:05:41,270 --> 01:05:38,880

this difficult task was marjory fish

1344

01:05:42,150 --> 01:05:41,280

when i first started i expected to find

1345

01:05:45,109 --> 01:05:42,160

many

1346

01:05:47,510 --> 01:05:45,119

similar patterns to betty's drawing but

1347

01:05:49,670 --> 01:05:47,520

exactly the opposite happened

1348

01:05:51,430 --> 01:05:49,680

because of the peculiar spacing of the

1349

01:05:53,910 --> 01:05:51,440

stars near the sun

1350

01:05:56,309 --> 01:05:53,920

it was impossible for marjory fish to

1351

01:05:58,470 --> 01:05:56,319

find a match of more than four or five

1352

01:05:59,670 --> 01:05:58,480

of the twelve pattern stars in the star

1353

01:06:02,150 --> 01:05:59,680

map

1354

01:06:04,710 --> 01:06:02,160

then she began to focus on the stars

1355

01:06:07,829 --> 01:06:04,720

that were most like the sun and most

1356

01:06:10,309 --> 01:06:07,839

likely to have planets and life

1357

01:06:12,230 --> 01:06:10,319

finally only the very best stars for

1358

01:06:14,710 --> 01:06:12,240

life were left

1359

01:06:15,670 --> 01:06:14,720

when that happened i had a nine point

1360

01:06:17,349 --> 01:06:15,680

match

1361

01:06:20,230 --> 01:06:17,359

in 1969

1362

01:06:23,270 --> 01:06:20,240

a new star catalog came out giving more

1363

01:06:25,750 --> 01:06:23,280

accurate distances between stars

1364

01:06:29,190 --> 01:06:25,760

marjorie made a new model based on those

1365

01:06:32,069 --> 01:06:29,200

distances and disregarded all stars

1366

01:06:34,230 --> 01:06:32,079

except the ones most likely to have

1367

01:06:35,990 --> 01:06:34,240

planets and life

1368

01:06:38,950 --> 01:06:36,000

the whole pattern stood out including

1369

01:06:41,750 --> 01:06:38,960

three background stars this was a very

1370

01:06:43,990 --> 01:06:41,760

very exciting thing for me the 15-point

1371

01:06:46,950 --> 01:06:44,000

match achieved by marjory fish of the

1372

01:06:49,510 --> 01:06:46,960

betty hill star map is unique and goes

1373

01:06:51,270 --> 01:06:49,520

far beyond the laws of chance

1374

01:06:52,630 --> 01:06:51,280

despite the fact that marjorie fish

1375

01:06:54,630 --> 01:06:52,640

tried thousands of different

1376

01:06:57,349 --> 01:06:54,640

combinations of stars to try to match

1377

01:06:59,589 --> 01:06:57,359

betty's pattern she was able to find one

1378

01:07:01,589 --> 01:06:59,599

and only one pattern that matched angle

1379

01:07:03,589 --> 01:07:01,599

for angle line length for line length

1380

01:07:05,430 --> 01:07:03,599

what betty had drawn

1381

01:07:07,109 --> 01:07:05,440

the star pattern makes sense from

1382

01:07:10,710 --> 01:07:07,119

nearest star to nearest star to near a

1383

01:07:13,349 --> 01:07:10,720

star the sun is part of the pattern

1384

01:07:15,510 --> 01:07:13,359

quite remarkably every one of the stars

1385

01:07:16,950 --> 01:07:15,520

in the pattern is the right kind for

1386

01:07:18,710 --> 01:07:16,960

planets in life

1387

01:07:21,990 --> 01:07:18,720

and all of the right kind of stars for

1388

01:07:23,910 --> 01:07:22,000

planets in life in this volume of space

1389

01:07:25,990 --> 01:07:23,920

are part of the pattern the chance of

1390

01:07:28,069 --> 01:07:26,000

that happening by accident all the right

1391

01:07:29,029 --> 01:07:28,079

kind and only the right kind for pattern

1392

01:07:31,589 --> 01:07:29,039

stars

1393

01:07:33,829 --> 01:07:31,599

is one in several thousand

1394

01:07:36,870 --> 01:07:33,839

perhaps most remarkably this work tells

1395

01:07:39,589 --> 01:07:36,880

us where one set of visitors originates

1396

01:07:42,549 --> 01:07:39,599

the base stars zeta one and zeta two

1397

01:07:43,990 --> 01:07:42,559

reticuli are a very special pair of

1398

01:07:47,029 --> 01:07:44,000

stars

1399

01:07:49,270 --> 01:07:47,039

zeta 1 and zeta 2 reticuli are the

1400

01:07:51,589 --> 01:07:49,280

closest to each other pair of stars

1401

01:07:53,750 --> 01:07:51,599

suitable for planets and life in our

1402

01:07:55,510 --> 01:07:53,760

entire neighborhood

1403

01:07:57,510 --> 01:07:55,520

instead of being isolated from their

1404

01:08:00,230 --> 01:07:57,520

neighbors as we are

1405

01:08:02,549 --> 01:08:00,240

zeta one and zeta two are a hundred

1406

01:08:04,470 --> 01:08:02,559

times closer to each other than we are

1407

01:08:06,549 --> 01:08:04,480

to our nearest neighbor

1408

01:08:08,710 --> 01:08:06,559

it would not be surprising if space

1409

01:08:11,029 --> 01:08:08,720

travel developed earlier between such

1410

01:08:13,349 --> 01:08:11,039

close neighbors

1411

01:08:15,829 --> 01:08:13,359

zeta one and two reticuli

1412

01:08:16,709 --> 01:08:15,839

are over a billion years older than

1413

01:08:19,430 --> 01:08:16,719

earth

1414

01:08:22,870 --> 01:08:19,440

clearly giving any beings living there a

1415

01:08:25,269 --> 01:08:22,880

long evolutionary head start on us

1416

01:08:27,669 --> 01:08:25,279

we went to ohio state university to get

1417

01:08:31,189 --> 01:08:27,679

an expert opinion about the validity of

1418

01:08:33,110 --> 01:08:31,199

marjory fish's star map work

1419

01:08:35,669 --> 01:08:33,120

professor walter mitchell has been a

1420

01:08:37,189 --> 01:08:35,679

professional astronomer for over 20

1421

01:08:38,630 --> 01:08:37,199

years

1422

01:08:40,390 --> 01:08:38,640

it took me

1423

01:08:42,149 --> 01:08:40,400

quite a long time to gain a full

1424

01:08:44,309 --> 01:08:42,159

appreciation for the work of marjory

1425

01:08:45,910 --> 01:08:44,319

fish but uh it's become apparent over

1426

01:08:48,070 --> 01:08:45,920

the years that

1427

01:08:51,030 --> 01:08:48,080

first of all the work is without

1428

01:08:53,990 --> 01:08:51,040

question accurate the proven validity of

1429

01:08:56,550 --> 01:08:54,000

her star map enormously increases the

1430

01:08:59,189 --> 01:08:56,560

credibility of the remainder of mrs

1431

01:09:02,070 --> 01:08:59,199

hill's story i was taken into the first

1432

01:09:03,910 --> 01:09:02,080

room barney into the second room

1433

01:09:06,789 --> 01:09:03,920

where we were given

1434

01:09:07,910 --> 01:09:06,799

as the leader as i call him

1435

01:09:09,110 --> 01:09:07,920

gave us

1436

01:09:11,829 --> 01:09:09,120

testing

1437

01:09:14,390 --> 01:09:11,839

they were loving beings and for purposes

1438

01:09:15,910 --> 01:09:14,400

of identification nicole won the leader

1439

01:09:18,470 --> 01:09:15,920

because he seemed to be in charge of the

1440

01:09:20,789 --> 01:09:18,480

project of doing this testing and he was

1441

01:09:23,110 --> 01:09:20,799

the only one who spoke english

1442

01:09:24,229 --> 01:09:23,120

then there was the examiner who did the

1443

01:09:25,829 --> 01:09:24,239

testing

1444

01:09:27,669 --> 01:09:25,839

and then there were nine others we

1445

01:09:29,590 --> 01:09:27,679

called crew members

1446

01:09:32,229 --> 01:09:29,600

they stayed outside the room in the

1447

01:09:35,030 --> 01:09:32,239

corridor our examinations are very much

1448

01:09:39,430 --> 01:09:35,040

similar in that with both bonnie and i

1449

01:09:41,829 --> 01:09:39,440

they checked our eyes ears nose throat

1450

01:09:44,950 --> 01:09:41,839

took samples of our hair

1451  
01:09:46,070 --> 01:09:44,960  
fingernail and they scraped their skin

1452  
01:09:49,269 --> 01:09:46,080  
with me

1453  
01:09:50,550 --> 01:09:49,279  
they touched my body with little points

1454  
01:09:52,070 --> 01:09:50,560  
on wires

1455  
01:09:53,510 --> 01:09:52,080  
they said he was checking my nervous

1456  
01:09:56,149 --> 01:09:53,520  
system

1457  
01:09:59,189 --> 01:09:56,159  
and then they attempted to insert a

1458  
01:10:00,790 --> 01:09:59,199  
needle-like instrument in my navel

1459  
01:10:02,390 --> 01:10:00,800  
i objected that it would hurt and he

1460  
01:10:04,229 --> 01:10:02,400  
said it shouldn't hurt

1461  
01:10:05,350 --> 01:10:04,239  
when he did this it caused a great deal

1462  
01:10:07,270 --> 01:10:05,360  
of pain

1463  
01:10:10,070 --> 01:10:07,280

he said it was a pregnancy test and i

1464

01:10:12,229 --> 01:10:10,080

said well that's no pregnancy test here

1465

01:10:15,669 --> 01:10:12,239

betty hill was right

1466

01:10:18,149 --> 01:10:15,679

in 1961 there was no pregnancy test like

1467

01:10:21,070 --> 01:10:18,159

that here on earth but in the early

1468

01:10:24,229 --> 01:10:21,080

1970s two techniques

1469

01:10:26,950 --> 01:10:24,239

amniocentesis and laparoscopy have both

1470

01:10:28,709 --> 01:10:26,960

come into wide usage

1471

01:10:30,470 --> 01:10:28,719

both are techniques that provide

1472

01:10:32,870 --> 01:10:30,480

information about pregnancy

1473

01:10:37,669 --> 01:10:32,880

and bear a striking resemblance to the

1474

01:10:42,870 --> 01:10:40,149

it's difficult to imagine betty hill

1475

01:10:46,070 --> 01:10:42,880

inventing medical techniques that did

1476

01:10:49,750 --> 01:10:46,080

not yet exist on earth unless her ufo

1477

01:10:52,310 --> 01:10:49,760

experience actually occurred

1478

01:10:54,870 --> 01:10:52,320

when the alien leader saw the pain that

1479

01:10:56,070 --> 01:10:54,880

betty was experiencing he put his hand

1480

01:10:58,390 --> 01:10:56,080

on her head

1481

01:11:00,149 --> 01:10:58,400

and the pain went away

1482

01:11:02,790 --> 01:11:00,159

at this point

1483

01:11:04,870 --> 01:11:02,800

the examiner came running back into the

1484

01:11:07,030 --> 01:11:04,880

room and opened my mouth and started

1485

01:11:09,350 --> 01:11:07,040

tugging at my teeth

1486

01:11:10,310 --> 01:11:09,360

and i said to the leader what is he

1487

01:11:11,350 --> 01:11:10,320

doing

1488

01:11:13,590 --> 01:11:11,360

and he said

1489

01:11:16,149 --> 01:11:13,600

we're very very puzzled

1490

01:11:18,630 --> 01:11:16,159

why are barney's teeth removable and

1491

01:11:20,950 --> 01:11:18,640

yours are not

1492

01:11:23,110 --> 01:11:20,960

at that point we left the craft

1493

01:11:24,709 --> 01:11:23,120

and went back to the car and we stood

1494

01:11:27,590 --> 01:11:24,719

there by the cat and we watched the

1495

01:11:32,470 --> 01:11:27,600

craft leave we saw it become surrounded

1496

01:11:34,790 --> 01:11:32,480

by a fiery revolving mass of some kind

1497

01:11:35,830 --> 01:11:34,800

we could see the ufo in the middle of

1498

01:11:38,070 --> 01:11:35,840

this

1499

01:11:40,790 --> 01:11:38,080

and it lifted up dipped down went right

1500

01:11:43,510 --> 01:11:40,800

straight up and was gone i received a

1501  
01:11:44,950 --> 01:11:43,520  
copy of the radar report from peace air

1502  
01:11:47,030 --> 01:11:44,960  
force base

1503  
01:11:48,070 --> 01:11:47,040  
where they had tracked an unidentified

1504  
01:11:50,790 --> 01:11:48,080  
craft

1505  
01:11:52,870 --> 01:11:50,800  
at 2 14 a.m

1506  
01:11:56,149 --> 01:11:52,880  
in the about the time just about the

1507  
01:11:59,030 --> 01:11:56,159  
time we estimate that the ufo left

1508  
01:12:00,709 --> 01:11:59,040  
we went back and we found the spot where

1509  
01:12:02,790 --> 01:12:00,719  
we were captured

1510  
01:12:05,270 --> 01:12:02,800  
it was not a fantasy

1511  
01:12:07,669 --> 01:12:05,280  
it was a real experience

1512  
01:12:10,470 --> 01:12:07,679  
and i believe that i have enough

1513  
01:12:13,590 --> 01:12:10,480

evidence to establish that i first met

1514

01:12:15,350 --> 01:12:13,600

betty and barney hill in november 1968.

1515

01:12:18,310 --> 01:12:15,360

i've spent a great deal of time since

1516

01:12:20,390 --> 01:12:18,320

then investigating their abduction

1517

01:12:22,470 --> 01:12:20,400

i've talked to dr benjamin simon about

1518

01:12:23,910 --> 01:12:22,480

his hypnosis sessions

1519

01:12:25,189 --> 01:12:23,920

i've listened to the tapes of those

1520

01:12:27,110 --> 01:12:25,199

sessions

1521

01:12:29,750 --> 01:12:27,120

and i've looked at marjory fish's star

1522

01:12:31,510 --> 01:12:29,760

map work in great depth

1523

01:12:33,510 --> 01:12:31,520

it seems clear to me

1524

01:12:35,350 --> 01:12:33,520

that betty and barney hill were taken on

1525

01:12:37,189 --> 01:12:35,360

board a flying saucer in new hampshire

1526

01:12:40,470 --> 01:12:37,199

in 1961.

1527

01:12:42,470 --> 01:12:40,480

the story must be taken at face value

1528

01:12:44,550 --> 01:12:42,480

it's true

1529

01:12:46,790 --> 01:12:44,560

i think for a long long time i had the

1530

01:12:49,030 --> 01:12:46,800

feeling that i had sort of lived through

1531

01:12:51,030 --> 01:12:49,040

a tragedy in some way

1532

01:12:53,430 --> 01:12:51,040

and sometimes even now i still have this

1533

01:12:55,350 --> 01:12:53,440

feeling because it's something that's

1534

01:12:58,709 --> 01:12:55,360

haunting

1535

01:13:01,510 --> 01:12:58,719

is something that's always on my mind

1536

01:13:03,669 --> 01:13:01,520

no matter where i go or what i do

1537

01:13:06,390 --> 01:13:03,679

because i do lead a very active life and

1538

01:13:08,630 --> 01:13:06,400

i have many many interests but always

1539

01:13:10,550 --> 01:13:08,640

that's on the back of my mind it's the

1540

01:13:12,630 --> 01:13:10,560

last thing i think of when i go to bed

1541

01:13:15,990 --> 01:13:12,640

at night and it's the first thing that i

1542

01:13:16,830 --> 01:13:16,000

think of in the morning when i wake up

1543

01:13:19,270 --> 01:13:16,840

and

1544

01:13:21,910 --> 01:13:19,280

uh i expect it'll probably be that way

1545

01:13:24,310 --> 01:13:21,920

for the rest of my life

1546

01:13:27,669 --> 01:13:24,320

ted phillips research into ufo landing

1547

01:13:29,990 --> 01:13:27,679

sites revealed amazing information as to

1548

01:13:32,709 --> 01:13:30,000

the frequency with which alien beings

1549

01:13:34,470 --> 01:13:32,719

have been observed visiting the earth

1550

01:13:36,070 --> 01:13:34,480

you find a surprising number of

1551  
01:13:37,590 --> 01:13:36,080  
instances in which humanoids are

1552  
01:13:40,229 --> 01:13:37,600  
reported

1553  
01:13:43,830 --> 01:13:40,239  
near the landed ufo

1554  
01:13:45,669 --> 01:13:43,840  
some 22 percent or 325 cases

1555  
01:13:48,470 --> 01:13:45,679  
involve humanoids

1556  
01:13:50,709 --> 01:13:48,480  
generally described as small in size

1557  
01:13:52,790 --> 01:13:50,719  
kind of pale gray skin

1558  
01:13:55,910 --> 01:13:52,800  
little if any hair

1559  
01:13:58,070 --> 01:13:55,920  
wide set quite prominent eyes

1560  
01:14:00,950 --> 01:13:58,080  
thin spindly bodies

1561  
01:14:02,950 --> 01:14:00,960  
slightly enlarged heads and wearing

1562  
01:14:05,350 --> 01:14:02,960  
tight-fitting diver's suit as it is

1563  
01:14:06,709 --> 01:14:05,360

generally described in over 50 of the

1564

01:14:08,630 --> 01:14:06,719

cases

1565

01:14:10,870 --> 01:14:08,640

there were found small footprints

1566

01:14:14,229 --> 01:14:10,880

correlating of course with the small

1567

01:14:17,189 --> 01:14:14,239

humanoid scene dr leo sprinkle a state

1568

01:14:19,910 --> 01:14:17,199

psychologist who has examined 20 ufo

1569

01:14:23,990 --> 01:14:19,920

abductees says that they are absolutely

1570

01:14:26,229 --> 01:14:24,000

sane responsible people of great courage

1571

01:14:28,550 --> 01:14:26,239

he could find no mental aberration in

1572

01:14:30,550 --> 01:14:28,560

any of the people that he examined

1573

01:14:32,630 --> 01:14:30,560

people who took the trouble to talk to

1574

01:14:34,630 --> 01:14:32,640

me and investigate the thing

1575

01:14:36,709 --> 01:14:34,640

saw that it you know obviously must have

1576

01:14:38,630 --> 01:14:36,719

happened just as we reported it

1577

01:14:41,669 --> 01:14:38,640

the overwhelming picture that emerges

1578

01:14:43,990 --> 01:14:41,679

from ufo abductions is that the alien

1579

01:14:46,870 --> 01:14:44,000

beings are examining and studying

1580

01:14:54,550 --> 01:14:46,880

earthlings much the way that we examine

1581

01:14:58,310 --> 01:14:56,390

dr james harder

1582

01:15:01,030 --> 01:14:58,320

is a professor of civil engineering at

1583

01:15:03,189 --> 01:15:01,040

the university of california at berkeley

1584

01:15:04,950 --> 01:15:03,199

we visited him at his home

1585

01:15:07,350 --> 01:15:04,960

professor harder is one of the leading

1586

01:15:08,550 --> 01:15:07,360

experts in the world concerning ufo

1587

01:15:10,870 --> 01:15:08,560

abduction

1588

01:15:12,390 --> 01:15:10,880

he is hypnotized both betty hill and

1589

01:15:15,030 --> 01:15:12,400

travis walton

1590

01:15:17,750 --> 01:15:15,040

he was also one of the 12 scientists to

1591

01:15:19,910 --> 01:15:17,760

present overwhelming evidence at the u.s

1592

01:15:23,110 --> 01:15:19,920

congressional hearings indicating that

1593

01:15:24,470 --> 01:15:23,120

some ufos are extraterrestrial

1594

01:15:26,709 --> 01:15:24,480

spacecraft

1595

01:15:28,790 --> 01:15:26,719

professor harter has used hypnosis to

1596

01:15:31,910 --> 01:15:28,800

aid hundreds of people in remembering

1597

01:15:34,470 --> 01:15:31,920

the details of their ufo experiences and

1598

01:15:36,790 --> 01:15:34,480

believes that much of our confusion in

1599

01:15:39,590 --> 01:15:36,800

dealing with a large number of ufo

1600

01:15:41,830 --> 01:15:39,600

abduction reports stems from the fact

1601

01:15:45,669 --> 01:15:41,840

that there are many different alien

1602

01:15:51,750 --> 01:15:49,910

one of these ufo abductees is pat roach

1603

01:15:54,470 --> 01:15:51,760

she and her daughter were apparently

1604

01:15:56,870 --> 01:15:54,480

abducted by alien beings on a flying

1605

01:15:58,070 --> 01:15:56,880

saucer that landed near their home in

1606

01:16:01,189 --> 01:15:58,080

utah

1607

01:16:03,590 --> 01:16:01,199

visualize just what's in front of you

1608

01:16:03,600 --> 01:16:09,430

tell me what it is that your eyes see

1609

01:16:15,830 --> 01:16:11,830

i'd say he's about i'm not good at

1610

01:16:20,149 --> 01:16:17,830

three and a half foot tall

1611

01:16:22,390 --> 01:16:20,159

he is a little people he's skinny but

1612

01:16:25,030 --> 01:16:22,400

he's not

1613

01:16:26,950 --> 01:16:25,040

he's still in proportion

1614

01:16:30,229 --> 01:16:26,960

although his arms are long

1615

01:16:32,390 --> 01:16:30,239

what was it the impression that you got

1616

01:16:34,550 --> 01:16:32,400

they can't really interfere

1617

01:16:36,149 --> 01:16:34,560

they ask me what i liked and what i

1618

01:16:37,830 --> 01:16:36,159

didn't like and

1619

01:16:40,630 --> 01:16:37,840

they asked me

1620

01:16:43,189 --> 01:16:40,640

how i felt about things

1621

01:16:44,950 --> 01:16:43,199

how i felt about

1622

01:16:47,430 --> 01:16:44,960

other people and

1623

01:16:49,510 --> 01:16:47,440

how i felt about pain and

1624

01:16:51,910 --> 01:16:49,520

then they took me back to instances in

1625

01:16:53,830 --> 01:16:51,920

my life where i had these feelings and

1626

01:16:56,790 --> 01:16:53,840

that's not right

1627

01:16:58,310 --> 01:16:56,800

it's not right to do that to people

1628

01:17:00,310 --> 01:16:58,320

they were just trying to learn as much

1629

01:17:01,910 --> 01:17:00,320

as they could

1630

01:17:03,669 --> 01:17:01,920

they wouldn't tell me where my children

1631

01:17:08,630 --> 01:17:03,679

were

1632

01:17:11,430 --> 01:17:10,390

there's nothing going to be bothering

1633

01:17:13,189 --> 01:17:11,440

them

1634

01:17:14,870 --> 01:17:13,199

they're perfectly safe

1635

01:17:18,070 --> 01:17:14,880

there's no reason for you to feel this

1636

01:17:21,750 --> 01:17:19,830

one of the things

1637

01:17:25,750 --> 01:17:21,760

that's a pretty good earmark of

1638

01:17:28,470 --> 01:17:25,760

authenticity beyond any reasonable doubt

1639

01:17:30,470 --> 01:17:28,480

is the welling up of a strong emotional

1640

01:17:32,070 --> 01:17:30,480

reaction during the time that a person

1641

01:17:34,870 --> 01:17:32,080

is reliving

1642

01:17:36,790 --> 01:17:34,880

an experience under hypnosis

1643

01:17:39,990 --> 01:17:36,800

the spontaneity

1644

01:17:41,510 --> 01:17:40,000

the emotional reaction the quick tears

1645

01:17:43,030 --> 01:17:41,520

and terror

1646

01:17:46,070 --> 01:17:43,040

when you come across that sort of thing

1647

01:17:48,149 --> 01:17:46,080

is sometimes awe-inspiring when those

1648

01:17:49,510 --> 01:17:48,159

strange beings started walking up to the

1649

01:17:52,310 --> 01:17:49,520

car

1650

01:17:55,430 --> 01:17:52,320

i was so terrified that even now when i

1651

01:17:58,709 --> 01:17:55,440

think about it i wonder how i actually

1652

01:18:00,630 --> 01:17:58,719

lived through it to be able to see a ufo

1653

01:18:04,070 --> 01:18:00,640

close up

1654

01:18:06,070 --> 01:18:04,080

leaves one feeling very insignificant

1655

01:18:08,470 --> 01:18:06,080

my connection with the ufo phenomena has

1656

01:18:12,550 --> 01:18:08,480

certainly changed my outlook on life

1657

01:18:14,790 --> 01:18:12,560

i i don't i feel much freer knowing that

1658

01:18:16,630 --> 01:18:14,800

there's an infinite

1659

01:18:17,669 --> 01:18:16,640

expansion of knowledge and existence out

1660

01:18:19,270 --> 01:18:17,679

there that

1661

01:18:21,110 --> 01:18:19,280

we aren't stuck with the limitations

1662

01:18:22,950 --> 01:18:21,120

that we think we thought articulated

1663

01:18:24,390 --> 01:18:22,960

words with the occupants and began an

1664

01:18:26,870 --> 01:18:24,400  
exchange of information that has

1665

01:18:29,270 --> 01:18:26,880  
continued on and is going on today still

1666

01:18:31,510 --> 01:18:29,280  
going on today spacecraft flew out of

1667

01:18:33,189 --> 01:18:31,520  
the blue and landed the occupant got out

1668

01:18:34,550 --> 01:18:33,199  
and stood in the grass and sat on the

1669

01:18:36,550 --> 01:18:34,560  
grass and talked to the man and they had

1670

01:18:39,750 --> 01:18:36,560  
an exchange that lasted 20 minutes and

1671

01:18:42,470 --> 01:18:39,760  
there have been 116 contacts since then

1672

01:18:43,750 --> 01:18:42,480  
case involved mr billy meyer in response

1673

01:18:45,430 --> 01:18:43,760  
to his question they said that they come

1674

01:18:47,910 --> 01:18:45,440  
from the pleiades they said that they

1675

01:18:50,790 --> 01:18:47,920  
are here observing humanity

1676

01:18:52,709 --> 01:18:50,800

that they have information some of the

1677

01:18:54,470 --> 01:18:52,719

information is of scientific nature and

1678

01:18:55,669 --> 01:18:54,480

that he would be asked to pass it to

1679

01:18:58,470 --> 01:18:55,679

other people

1680

01:19:00,390 --> 01:18:58,480

they say that they are not gods they are

1681

01:19:02,390 --> 01:19:00,400

not superior people they are men just

1682

01:19:04,630 --> 01:19:02,400

like we are men and he's taken hundreds

1683

01:19:07,669 --> 01:19:04,640

of photographs of the pleiadian

1684

01:19:09,030 --> 01:19:07,679

spacecraft operating in swiss airspace

1685

01:19:11,189 --> 01:19:09,040

this has all been checked by the

1686

01:19:14,310 --> 01:19:11,199

computer the computer says that this

1687

01:19:17,430 --> 01:19:14,320

object is on the order of 20

1688

01:19:19,510 --> 01:19:17,440

feet in diameter and about 120 yards

1689

01:19:21,510 --> 01:19:19,520

away it agrees with what the witness

1690

01:19:22,950 --> 01:19:21,520

said about the diamond he says it's

1691

01:19:25,590 --> 01:19:22,960

seven meters in diamond it's about 21

1692

01:19:27,990 --> 01:19:25,600

feet he took messages he copied notes

1693

01:19:31,110 --> 01:19:28,000

from the pleadians wrote them down over

1694

01:19:32,630 --> 01:19:31,120

2 000 pages worth here's a book of 600

1695

01:19:34,149 --> 01:19:32,640

pages that i have translated into

1696

01:19:40,790 --> 01:19:34,159

english so far and this represents

1697

01:19:45,229 --> 01:19:42,870

we have no case on record with that

1698

01:19:48,550 --> 01:19:45,239

volume of information delivered by

1699

01:19:50,470 --> 01:19:48,560

extraterrestrial contacts to a contactee

1700

01:19:52,390 --> 01:19:50,480

a ufo contactee

1701

01:19:54,790 --> 01:19:52,400

and the information in there is just

1702

01:19:56,790 --> 01:19:54,800

staggering just phenomenal

1703

01:19:58,550 --> 01:19:56,800

the information covers technical and

1704

01:20:00,229 --> 01:19:58,560

scientific data as best they can explain

1705

01:20:02,390 --> 01:20:00,239

it to us in terms of the words that we

1706

01:20:04,870 --> 01:20:02,400

use in our technology it gets into

1707

01:20:07,430 --> 01:20:04,880

spiritual problems spiritual development

1708

01:20:10,470 --> 01:20:07,440

of man and our relationship to deity

1709

01:20:13,110 --> 01:20:10,480

it has it describes uh other existences

1710

01:20:15,110 --> 01:20:13,120

in space other human beings living in

1711

01:20:17,510 --> 01:20:15,120

other planetary environments they're

1712

01:20:19,110 --> 01:20:17,520

here because they're concerned about us

1713

01:20:21,350 --> 01:20:19,120

their younger brothers

1714

01:20:23,270 --> 01:20:21,360

our technical potentials have exceeded

1715

01:20:25,270 --> 01:20:23,280

our spiritual capability of handling the

1716

01:20:27,270 --> 01:20:25,280

information and we are now in a position

1717

01:20:29,430 --> 01:20:27,280

where we can destroy ourselves and we

1718

01:20:31,910 --> 01:20:29,440

don't have a spiritual development to

1719

01:20:34,070 --> 01:20:31,920

prevent it and they will because of this

1720

01:20:35,430 --> 01:20:34,080

we have become a laboratory experiment

1721

01:20:37,189 --> 01:20:35,440

they are waiting to see what we are

1722

01:20:39,030 --> 01:20:37,199

going to do as a matter of fact

1723

01:20:40,550 --> 01:20:39,040

they don't see us solving the problem

1724

01:20:42,709 --> 01:20:40,560

they see us as a

1725

01:20:46,310 --> 01:20:42,719

an insane society rushing headlong to

1726

01:20:49,270 --> 01:20:46,320

destruction and that only a a change of

1727

01:20:50,070 --> 01:20:49,280

mass mind on a mass scale can influence

1728

01:20:51,830 --> 01:20:50,080

it

1729

01:20:53,669 --> 01:20:51,840

and they don't see this happening

1730

01:20:56,850 --> 01:20:53,679

and that's staggering because it's us

1731

01:21:03,350 --> 01:20:56,860

that's involved

1732

01:21:04,229 --> 01:21:03,360

[Music]

1733

01:21:06,149 --> 01:21:04,239

now

1734

01:21:08,310 --> 01:21:06,159

in the 1980s

1735

01:21:11,189 --> 01:21:08,320

with growing public interest and

1736

01:21:13,590 --> 01:21:11,199

acceptance of extraterrestrials

1737

01:21:16,550 --> 01:21:13,600

it is hoped that present and future

1738

01:21:19,030 --> 01:21:16,560

administrations will be more honest and

1739

01:21:25,060 --> 01:21:19,040

forthright in releasing information
