

SOMEWHERE IN THE SKIES

INSIDE THE USAF ACADEMY'S
UFO CHAPTER

WITH DAN WARREN

1
00:00:00,170 --> 00:00:07,030

[Music]

2
00:00:11,640 --> 00:00:09,910

this is somewhere in the skies with ryan

3
00:00:30,310 --> 00:00:11,650

spread

4
00:00:32,310 --> 00:00:30,320

[Music]

5
00:00:34,389 --> 00:00:32,320

hey guys ryan sprague here from

6
00:00:35,910 --> 00:00:34,399

somewhere in the skies and welcome to a

7
00:00:37,910 --> 00:00:35,920

very special

8
00:00:41,510 --> 00:00:37,920

sort of impromptu live stream we're

9
00:00:44,150 --> 00:00:41,520

doing tonight um some really cool stuff

10
00:00:45,430 --> 00:00:44,160

has come to light by our guests tonight

11
00:00:46,790 --> 00:00:45,440

and we're going to highlight it here

12
00:00:49,029 --> 00:00:46,800

tonight on somewhere in the skies we're

13
00:00:51,510 --> 00:00:49,039

going to break it down go through it and

14

00:00:53,510 --> 00:00:51,520

um all that other stuff so i'm really

15

00:00:55,350 --> 00:00:53,520

excited to have with me for the very

16

00:00:57,430 --> 00:00:55,360

first time today on summer in the skies

17

00:01:00,150 --> 00:00:57,440

dan warren which we will be bringing him

18

00:01:02,549 --> 00:01:00,160

in in just a little bit but before we do

19

00:01:04,549 --> 00:01:02,559

that um i want to thank everyone for

20

00:01:08,710 --> 00:01:04,559

tuning in to the season premiere of

21

00:01:11,109 --> 00:01:08,720

ancient aliens this past week um i

22

00:01:13,350 --> 00:01:11,119

am on ancient aliens i never in my life

23

00:01:15,670 --> 00:01:13,360

thought i would be saying that um you

24

00:01:19,510 --> 00:01:15,680

know i've been critical of the show in

25

00:01:22,710 --> 00:01:19,520

the past and um now i'm on it so there

26

00:01:24,950 --> 00:01:22,720

you go um i agreed to do the show if it

27

00:01:26,789 --> 00:01:24,960

was gonna be about um a lot of the

28

00:01:29,990 --> 00:01:26,799

modern day stuff going on with the

29

00:01:32,069 --> 00:01:30,000

pentagon and ufos and and all that and

30

00:01:33,990 --> 00:01:32,079

the more i got talking to the people

31

00:01:35,350 --> 00:01:34,000

over at ancient aliens the more um i

32

00:01:37,350 --> 00:01:35,360

realized they're really going for

33

00:01:40,789 --> 00:01:37,360

something new with the show in their

34

00:01:43,190 --> 00:01:40,799

18th season so yeah um look for me on

35

00:01:44,789 --> 00:01:43,200

future episodes as well this season but

36

00:01:47,109 --> 00:01:44,799

i want to thank everyone for sharing the

37

00:01:49,270 --> 00:01:47,119

show for tuning in i was told that it

38

00:01:51,429 --> 00:01:49,280

was one of the highest rated episodes

39

00:01:53,429 --> 00:01:51,439

they've had in a really long time so

40

00:01:57,590 --> 00:01:53,439

thank you thank you for the support on

41

00:01:59,350 --> 00:01:57,600

that um other than that um super chat

42

00:02:01,350 --> 00:01:59,360

and super stickers are open tonight if

43

00:02:02,789 --> 00:02:01,360

you want to help out the show you can do

44

00:02:04,870 --> 00:02:02,799

it that way we'll highlight your

45

00:02:07,270 --> 00:02:04,880

comments maybe we'll be able to get to

46

00:02:10,229 --> 00:02:07,280

some questions with our guest dan warren

47

00:02:12,630 --> 00:02:10,239

um but yeah that's all i got but we do

48

00:02:15,430 --> 00:02:12,640

have a special co-host joining me

49

00:02:17,750 --> 00:02:15,440

tonight as well so let's bring him in

50

00:02:19,750 --> 00:02:17,760

you love him you hate him

51
00:02:21,589 --> 00:02:19,760
here he is i know man that's my new

52
00:02:23,990 --> 00:02:21,599
thing for you

53
00:02:26,949 --> 00:02:24,000
wow all right cool

54
00:02:27,910 --> 00:02:26,959
it's a good thing it's really accurate

55
00:02:29,430 --> 00:02:27,920
exactly

56
00:02:30,790 --> 00:02:29,440
how you doing man how are you doing well

57
00:02:32,630 --> 00:02:30,800
man how are you thanks for the invite

58
00:02:34,869 --> 00:02:32,640
appreciate it of course and thank you

59
00:02:37,910 --> 00:02:34,879
for joining us on your day off over at

60
00:02:39,910 --> 00:02:37,920
ucr i really appreciate it um i you were

61
00:02:41,509 --> 00:02:39,920
the first person i thought of to come in

62
00:02:43,670 --> 00:02:41,519
for this thing with dan because he

63
00:02:46,229 --> 00:02:43,680

dropped this thing on tick tock a couple

64

00:02:47,190 --> 00:02:46,239

days ago and it blew

65

00:02:48,470 --> 00:02:47,200

up

66

00:02:52,949 --> 00:02:48,480

it's honestly

67

00:02:55,830 --> 00:02:52,959

like yeah i mean i have you talked to

68

00:02:59,270 --> 00:02:55,840

lee spiegel about this document

69

00:03:01,589 --> 00:02:59,280

so i know dan has in the past and i know

70

00:03:04,790 --> 00:03:01,599

he was one of the reasons that dan went

71

00:03:07,270 --> 00:03:04,800

digging for this and um i recall lee

72

00:03:08,390 --> 00:03:07,280

maybe bringing this up on your show as

73

00:03:10,309 --> 00:03:08,400

well

74

00:03:13,830 --> 00:03:10,319

a little bit but the way dan warren

75

00:03:15,830 --> 00:03:13,840

breaks it down is hands down the best

76

00:03:17,670 --> 00:03:15,840

breakdown of this this air force

77

00:03:19,030 --> 00:03:17,680

document that i've seen but yeah i want

78

00:03:20,229 --> 00:03:19,040

to get into it with him because there's

79

00:03:21,830 --> 00:03:20,239

a ton of questions he's going to be on

80

00:03:23,030 --> 00:03:21,840

my show next week too so you know

81

00:03:24,789 --> 00:03:23,040

depending on how much time we have here

82

00:03:25,910 --> 00:03:24,799

we may have some backup questions when

83

00:03:29,990 --> 00:03:25,920

he comes back

84

00:03:35,030 --> 00:03:34,229

likely said if it's real if it's really

85

00:03:40,470 --> 00:03:35,040

real

86

00:03:42,149 --> 00:03:40,480

uh and i'm sure dan does as well and i

87

00:03:45,350 --> 00:03:42,159

believe it is a real document it is a

88

00:03:46,949 --> 00:03:45,360

real air force manual um

89

00:03:48,390 --> 00:03:46,959

it's the closest thing to a smoking gun

90

00:03:51,110 --> 00:03:48,400

that we've ever had

91

00:03:52,470 --> 00:03:51,120

it's pretty cool and you know i know

92

00:03:53,990 --> 00:03:52,480

what i would share but some people

93

00:03:56,149 --> 00:03:54,000

brought up some great points about it to

94

00:03:58,710 --> 00:03:56,159

me when we had a post discussion in the

95

00:04:00,550 --> 00:03:58,720

uh in the discord so people were like

96

00:04:02,309 --> 00:04:00,560

but think about it this way in this way

97

00:04:03,830 --> 00:04:02,319

so i want to run by those by dan and by

98

00:04:05,429 --> 00:04:03,840

you and see what you guys think or or

99

00:04:07,190 --> 00:04:05,439

what you guys have heard about it

100

00:04:09,350 --> 00:04:07,200

absolutely and i know dan even brings

101
00:04:11,750 --> 00:04:09,360
that up in the the videos as well and

102
00:04:13,830 --> 00:04:11,760
we're chatting offline about um some

103
00:04:15,990 --> 00:04:13,840
people think this is nothing some people

104
00:04:18,469 --> 00:04:16,000
think it's pretty cool but it's

105
00:04:20,870 --> 00:04:18,479
something and it's worth talking about

106
00:04:22,790 --> 00:04:20,880
and i hadn't heard of it before so i

107
00:04:24,790 --> 00:04:22,800
immediately um

108
00:04:27,350 --> 00:04:24,800
started reading the chapter i'm like wow

109
00:04:29,350 --> 00:04:27,360
could you imagine going to an academy

110
00:04:32,870 --> 00:04:29,360
and busting open that book and then you

111
00:04:34,870 --> 00:04:32,880
see this a chapter on ufos well imagine

112
00:04:36,310 --> 00:04:34,880
the class that you went to that you

113
00:04:38,070 --> 00:04:36,320

reviewed this in

114

00:04:40,790 --> 00:04:38,080

yeah that's the thing that blows my mind

115

00:04:43,030 --> 00:04:40,800

is that there was there was there was a

116

00:04:46,310 --> 00:04:43,040

day where you went into class and this

117

00:04:48,150 --> 00:04:46,320

is the chapter you reviewed with

118

00:04:50,150 --> 00:04:48,160

a a professor

119

00:04:53,670 --> 00:04:50,160

you know it's crazy an air force

120

00:04:55,749 --> 00:04:53,680

professor essentially so yeah it's

121

00:04:57,510 --> 00:04:55,759

it's wild i have some theories is i have

122

00:04:59,189 --> 00:04:57,520

some pretty good reasons as to why they

123

00:05:01,830 --> 00:04:59,199

would write something like that

124

00:05:03,830 --> 00:05:01,840

but again yeah i mean let's let's let's

125

00:05:06,710 --> 00:05:03,840

see what that says let's bring him in

126

00:05:09,510 --> 00:05:06,720

yeah the man of the hour um he's on tick

127

00:05:13,189 --> 00:05:09,520

tock as fifth pillar of emphasis he's an

128

00:05:14,950 --> 00:05:13,199

engineer he's a ufo researcher as well

129

00:05:16,550 --> 00:05:14,960

dan warren welcome to somewhere in the

130

00:05:18,150 --> 00:05:16,560

sky is my man hey thanks for having me

131

00:05:19,749 --> 00:05:18,160

right don't call me a researcher people

132

00:05:23,270 --> 00:05:19,759

are going to throw a flag on that i

133

00:05:25,270 --> 00:05:23,280

investigate the ufo i don't know man we

134

00:05:26,790 --> 00:05:25,280

are a good researcher you've done a hell

135

00:05:29,029 --> 00:05:26,800

of a lot more research than a lot of

136

00:05:30,710 --> 00:05:29,039

people who claim to be researchers i can

137

00:05:32,469 --> 00:05:30,720

tell you i mean if you want to call

138

00:05:34,150 --> 00:05:32,479

yourself an armchair researcher just to

139

00:05:35,430 --> 00:05:34,160

be serious yeah

140

00:05:37,029 --> 00:05:35,440

caveat

141

00:05:39,350 --> 00:05:37,039

there's an asterisk next to the word

142

00:05:41,590 --> 00:05:39,360

researcher in my title that's there we

143

00:05:44,070 --> 00:05:41,600

go we'll go with that you're too polite

144

00:05:46,710 --> 00:05:44,080

my man well um hey it's your first time

145

00:05:48,390 --> 00:05:46,720

on the show um you know this might be

146

00:05:50,790 --> 00:05:48,400

the first time for a lot of my my

147

00:05:52,230 --> 00:05:50,800

viewers or listeners uh seeing you i

148

00:05:54,150 --> 00:05:52,240

know you've been on a few other shows as

149

00:05:55,909 --> 00:05:54,160

well but would you mind kind of telling

150

00:05:59,110 --> 00:05:55,919

us a little about yourself how did you

151

00:06:01,189 --> 00:05:59,120

get interested first in ufos and uh

152

00:06:03,990 --> 00:06:01,199

maybe what got you to go over to tick

153

00:06:06,950 --> 00:06:04,000

tock a uh an app that i'm still trying

154

00:06:08,230 --> 00:06:06,960

to understand myself oh man i don't know

155

00:06:10,309 --> 00:06:08,240

i don't know but you're killing it over

156

00:06:12,309 --> 00:06:10,319

there so yeah give us the origin story

157

00:06:14,950 --> 00:06:12,319

if you don't mind yeah so i've i've

158

00:06:17,510 --> 00:06:14,960

always been a fan of the the bigger

159

00:06:18,550 --> 00:06:17,520

mysteries in the world so

160

00:06:20,309 --> 00:06:18,560

um

161

00:06:21,510 --> 00:06:20,319

since my childhood i've always looked

162

00:06:23,670 --> 00:06:21,520

into books

163

00:06:25,510 --> 00:06:23,680

uh in the library that kind of piqued my

164

00:06:27,670 --> 00:06:25,520

interest like loch ness monster and

165

00:06:30,070 --> 00:06:27,680

every everybody was in the into bigfoot

166

00:06:32,070 --> 00:06:30,080

and things like that uh when you're kids

167

00:06:34,550 --> 00:06:32,080

uh that got me into the

168

00:06:37,350 --> 00:06:34,560

uh ancient histories and ancient origins

169

00:06:39,830 --> 00:06:37,360

of mankind so i dug into that that's

170

00:06:41,749 --> 00:06:39,840

carried over into a fascination with the

171

00:06:43,350 --> 00:06:41,759

the bigger questions in life and that's

172

00:06:46,070 --> 00:06:43,360

what one of the biggest ones of course

173

00:06:47,990 --> 00:06:46,080

is is are we alone in the universe so

174

00:06:49,830 --> 00:06:48,000

that's where i started getting

175

00:06:52,230 --> 00:06:49,840

interested in that when i was young of

176
00:06:53,510 --> 00:06:52,240
course x-files was around when i was in

177
00:06:56,230 --> 00:06:53,520
my teens

178
00:06:58,790 --> 00:06:56,240
and it just continued to go from there

179
00:06:59,830 --> 00:06:58,800
it's a topic that has

180
00:07:02,230 --> 00:06:59,840
had my

181
00:07:04,950 --> 00:07:02,240
dedicated interest for a while and then

182
00:07:07,909 --> 00:07:04,960
it would wane because of the the stigma

183
00:07:09,430 --> 00:07:07,919
associated with it i'd be embarrassed to

184
00:07:11,189 --> 00:07:09,440
let people know that i'm interested in

185
00:07:13,430 --> 00:07:11,199
this topic even so i would kind of shy

186
00:07:15,909 --> 00:07:13,440
away from it thinking that i'm wasting

187
00:07:18,950 --> 00:07:15,919
my time and investigating something like

188
00:07:20,710 --> 00:07:18,960

this and then i'll get back into it

189

00:07:23,350 --> 00:07:20,720

you just get in the pool and you get out

190

00:07:26,710 --> 00:07:23,360

of the pool you jump in you jump out and

191

00:07:29,589 --> 00:07:26,720

um i got back into it fairly heavily

192

00:07:32,150 --> 00:07:29,599

in 2017 a little bit before then

193

00:07:33,189 --> 00:07:32,160

and the timing was right at that point

194

00:07:36,469 --> 00:07:33,199

um

195

00:07:38,870 --> 00:07:36,479

ttsa came out lou came out

196

00:07:42,550 --> 00:07:38,880

but the guy that really got my attention

197

00:07:45,909 --> 00:07:42,560

was steve justice because he is

198

00:07:47,510 --> 00:07:45,919

a fellow technical minded dude like me

199

00:07:49,749 --> 00:07:47,520

i'm a mechanical engineer he's an

200

00:07:51,749 --> 00:07:49,759

aerospace engineer

201
00:07:54,550 --> 00:07:51,759
he was the top of the pyramid when it

202
00:07:56,150 --> 00:07:54,560
comes to high-tech aerospace so for him

203
00:07:59,110 --> 00:07:56,160
to step out

204
00:08:01,270 --> 00:07:59,120
on that stage meant a lot to me

205
00:08:02,869 --> 00:08:01,280
because i know what that means to be at

206
00:08:05,029 --> 00:08:02,879
the level he was

207
00:08:06,869 --> 00:08:05,039
um and for him to give that up and and

208
00:08:09,110 --> 00:08:06,879
step on a stage with tom delong it

209
00:08:11,670 --> 00:08:09,120
really got my attention so i became a

210
00:08:13,830 --> 00:08:11,680
first-round investor in tcsa

211
00:08:15,990 --> 00:08:13,840
mainly so that i i could have skin in

212
00:08:17,990 --> 00:08:16,000
the game be interested in

213
00:08:21,589 --> 00:08:18,000

the topic even more it's it's like

214

00:08:23,510 --> 00:08:21,599

gambling on a sports game if you watch a

215

00:08:24,710 --> 00:08:23,520

game a basketball game you're going to

216

00:08:26,790 --> 00:08:24,720

be interested in it but if you have

217

00:08:29,029 --> 00:08:26,800

money on the game you are definitely

218

00:08:30,390 --> 00:08:29,039

going to be focusing on the the nuances

219

00:08:32,149 --> 00:08:30,400

of the game

220

00:08:33,990 --> 00:08:32,159

the comp the

221

00:08:35,670 --> 00:08:34,000

percentage the the three point of

222

00:08:37,350 --> 00:08:35,680

three-pointers that are going down

223

00:08:39,909 --> 00:08:37,360

everything like that so that's what it

224

00:08:41,350 --> 00:08:39,919

was something i could do to help me stay

225

00:08:44,389 --> 00:08:41,360

focused on the topic and not want to

226

00:08:46,310 --> 00:08:44,399

back out of it like i have in the past

227

00:08:49,190 --> 00:08:46,320

and and then we get to

228

00:08:51,590 --> 00:08:49,200

uh more modern or just recent years like

229

00:08:53,509 --> 00:08:51,600

2000 and uh

230

00:08:55,030 --> 00:08:53,519

2020 of course everybody got bored

231

00:08:57,350 --> 00:08:55,040

sitting at home for so long so i was

232

00:08:59,990 --> 00:08:57,360

trying to think of stuff to do

233

00:09:02,150 --> 00:09:00,000

besides just consume so i i reached out

234

00:09:03,670 --> 00:09:02,160

to lou actually when i first started

235

00:09:06,550 --> 00:09:03,680

saying hey

236

00:09:07,910 --> 00:09:06,560

i heard uh lou elizondo talk about

237

00:09:09,030 --> 00:09:07,920

getting off the couch and getting

238

00:09:11,269 --> 00:09:09,040

involved

239

00:09:13,190 --> 00:09:11,279

i i felt like he was talking to me when

240

00:09:14,630 --> 00:09:13,200

he said it i want to do something i

241

00:09:16,389 --> 00:09:14,640

don't know what yet so i reached out to

242

00:09:17,750 --> 00:09:16,399

lou gimenez

243

00:09:20,230 --> 00:09:17,760

and just kind of asked him for some

244

00:09:21,430 --> 00:09:20,240

advice and he gave me some so that kind

245

00:09:23,350 --> 00:09:21,440

of started

246

00:09:24,790 --> 00:09:23,360

the ball the snowball rolling down the

247

00:09:27,110 --> 00:09:24,800

hill

248

00:09:29,590 --> 00:09:27,120

i started on youtube but i'll be honest

249

00:09:32,150 --> 00:09:29,600

my my production skills my editing

250

00:09:35,030 --> 00:09:32,160

skills not up to par like you guys are

251
00:09:37,990 --> 00:09:35,040
hands down like running away with it so

252
00:09:40,949 --> 00:09:38,000
i looked at tick tock after

253
00:09:42,550 --> 00:09:40,959
andrew andreas freeman stahl pointed out

254
00:09:43,590 --> 00:09:42,560
that he was getting some major views

255
00:09:44,310 --> 00:09:43,600
just by

256
00:09:51,350 --> 00:09:44,320
re

257
00:09:53,030 --> 00:09:51,360
was like well i'll give it a shot i went

258
00:09:55,269 --> 00:09:53,040
out there and looked no there's no

259
00:09:56,470 --> 00:09:55,279
competition for what i do on tick tock

260
00:09:59,030 --> 00:09:56,480
right now so

261
00:10:02,230 --> 00:09:59,040
so that that's a big plus for somebody

262
00:10:03,750 --> 00:10:02,240
just trying to get into it and the

263
00:10:05,269 --> 00:10:03,760

entry level

264

00:10:07,190 --> 00:10:05,279

technical knowledge that you need to

265

00:10:09,670 --> 00:10:07,200

start making tick-tock videos lowest

266

00:10:12,150 --> 00:10:09,680

that you're gonna find it is an app that

267

00:10:14,790 --> 00:10:12,160

has everything you need to start today

268

00:10:18,069 --> 00:10:14,800

so anyone can do it and that included me

269

00:10:19,990 --> 00:10:18,079

i'm anyone i'm just like anybody else so

270

00:10:20,870 --> 00:10:20,000

i started doing it and

271

00:10:22,870 --> 00:10:20,880

started

272

00:10:25,269 --> 00:10:22,880

with anything the more you do it the

273

00:10:26,790 --> 00:10:25,279

more efficient you become at it the more

274

00:10:29,110 --> 00:10:26,800

competent you

275

00:10:30,870 --> 00:10:29,120

become um and so that's where it's kind

276

00:10:33,269 --> 00:10:30,880

of rolled into and

277

00:10:35,509 --> 00:10:33,279

i've i've started to incorporate the use

278

00:10:37,829 --> 00:10:35,519

of my computer to try to increase the

279

00:10:39,350 --> 00:10:37,839

quality of it

280

00:10:41,670 --> 00:10:39,360

it's it's a

281

00:10:43,910 --> 00:10:41,680

it's an app it that allows me to be very

282

00:10:45,829 --> 00:10:43,920

flexible i can cover whatever i want

283

00:10:47,590 --> 00:10:45,839

because i'm only doing short little

284

00:10:49,829 --> 00:10:47,600

videos about i'm not doing a lot of

285

00:10:52,069 --> 00:10:49,839

super deep dives except for this last

286

00:10:54,150 --> 00:10:52,079

time that worked out really well so

287

00:10:57,590 --> 00:10:54,160

maybe i should be doing deep dives more

288

00:11:00,069 --> 00:10:57,600

deserved a deep dive man yeah for sure

289

00:11:03,030 --> 00:11:00,079

that's where that's this origin story so

290

00:11:06,230 --> 00:11:03,040

a lifelong interest in the topic that's

291

00:11:07,990 --> 00:11:06,240

waned just like anybody else um

292

00:11:10,230 --> 00:11:08,000

got off the couch and got involved and

293

00:11:11,990 --> 00:11:10,240

started having the conversation

294

00:11:14,550 --> 00:11:12,000

exactly and that's why we're having this

295

00:11:16,790 --> 00:11:14,560

conversation today um and that's so cool

296

00:11:19,350 --> 00:11:16,800

well you said like steve justice was the

297

00:11:22,069 --> 00:11:19,360

guy who kind of reinvigorated you like

298

00:11:25,990 --> 00:11:22,079

and saying like that was one of me you

299

00:11:28,389 --> 00:11:26,000

know a fellow engineer um i don't

300

00:11:31,350 --> 00:11:28,399

engineers are not people i think of a

301

00:11:33,110 --> 00:11:31,360

lot when i think of the ufo topic but

302

00:11:35,389 --> 00:11:33,120

they just dawned on me of course they're

303

00:11:38,150 --> 00:11:35,399

going to be interested like this could

304

00:11:41,190 --> 00:11:38,160

revolutionize technology forever when it

305

00:11:42,710 --> 00:11:41,200

comes to engineering of anything so

306

00:11:45,190 --> 00:11:42,720

that's pretty cool man that he's the one

307

00:11:46,949 --> 00:11:45,200

that kind of showed you like it's okay

308

00:11:49,269 --> 00:11:46,959

in my profession to be interested in

309

00:11:51,509 --> 00:11:49,279

this and and to talk about it

310

00:11:54,550 --> 00:11:51,519

nuts and bolts like that

311

00:11:57,269 --> 00:11:54,560

i was all nuts and bolts for

312

00:12:01,030 --> 00:11:57,279

my entire life because i'm mechanically

313

00:12:03,350 --> 00:12:01,040

inclined it's what i'm drawn to until

314

00:12:05,990 --> 00:12:03,360

these recent years have come out where

315

00:12:09,110 --> 00:12:06,000

there's more to it than just nuts and

316

00:12:12,230 --> 00:12:09,120

bolts so that's been kind of

317

00:12:13,990 --> 00:12:12,240

a turn that i didn't expect a change a

318

00:12:15,509 --> 00:12:14,000

shifting course that wasn't that kind of

319

00:12:17,110 --> 00:12:15,519

caught me off guard when we started

320

00:12:18,629 --> 00:12:17,120

talking about other aspects of the

321

00:12:21,590 --> 00:12:18,639

phenomena

322

00:12:23,990 --> 00:12:21,600

besides nuts and bolts yeah yeah welcome

323

00:12:25,990 --> 00:12:24,000

to ufology it'll do that it'll do that

324

00:12:27,910 --> 00:12:26,000

for sure well i mean a lot of people in

325

00:12:30,389 --> 00:12:27,920

the chat dan are asking what are we

326

00:12:33,670 --> 00:12:30,399

talking about like what is this thing

327

00:12:35,750 --> 00:12:33,680

that um you found you dug up and uh

328

00:12:37,670 --> 00:12:35,760

brought forth on tick tock so i think

329

00:12:40,470 --> 00:12:37,680

what i'm gonna do actually is we're

330

00:12:41,829 --> 00:12:40,480

going to watch the first video of the

331

00:12:44,870 --> 00:12:41,839

tick tock thread that you put out i

332

00:12:46,790 --> 00:12:44,880

think it was 11 videos total um

333

00:12:48,310 --> 00:12:46,800

okay cool so let's go ahead and play

334

00:12:50,470 --> 00:12:48,320

that now and we'll come back on the

335

00:12:52,790 --> 00:12:50,480

other side and um

336

00:12:54,710 --> 00:12:52,800

get your thoughts on

337

00:12:56,870 --> 00:12:54,720

tell us what you thought about this how

338

00:13:01,829 --> 00:12:56,880

you found it and all that all right my

339

00:13:05,990 --> 00:13:04,230

if i can do this talk about technical

340

00:13:07,990 --> 00:13:06,000

stuff here we go this may be hard to

341

00:13:10,389 --> 00:13:08,000

believe but the u.s air force academy

342

00:13:14,150 --> 00:13:10,399

used to educate its cadets about ufos

343

00:13:15,910 --> 00:13:14,160

between 1968 and 1970 and this wasn't

344

00:13:17,509 --> 00:13:15,920

just some professor's opinion this was

345

00:13:19,110 --> 00:13:17,519

in their textbook

346

00:13:21,030 --> 00:13:19,120

which was confirmed by the deputy

347

00:13:23,350 --> 00:13:21,040

director of public information at the

348

00:13:25,910 --> 00:13:23,360

air force academy the cadets that

349

00:13:27,910 --> 00:13:25,920

enrolled in physics 370 were required to

350

00:13:30,629 --> 00:13:27,920

have a textbook titled introductory

351

00:13:32,790 --> 00:13:30,639

space science the very last chapter in

352

00:13:34,550 --> 00:13:32,800

this textbook was titled unidentified

353

00:13:36,230 --> 00:13:34,560

flying objects

354

00:13:37,590 --> 00:13:36,240

and according to the lee more advanced

355

00:13:40,069 --> 00:13:37,600

the students were taught to stop

356

00:13:42,230 --> 00:13:40,079

scoffing at ufos and instead to keep an

357

00:13:43,750 --> 00:13:42,240

open mind on the subject

358

00:13:46,870 --> 00:13:43,760

this course was an elective that

359

00:13:48,629 --> 00:13:46,880

attracted about 20 students per semester

360

00:13:50,790 --> 00:13:48,639

that means for the five semesters that

361

00:13:52,870 --> 00:13:50,800

this was in place about a hundred cadets

362

00:13:54,790 --> 00:13:52,880

were exposed to this information

363

00:13:56,150 --> 00:13:54,800

but i got my hands on a copy of it so

364

00:13:57,910 --> 00:13:56,160

i'm going to expose the rest of the

365

00:13:59,670 --> 00:13:57,920

world to this information so make sure

366

00:14:02,230 --> 00:13:59,680

you hit that follow button

367

00:14:03,829 --> 00:14:02,240

this textbook was written in 1968 back

368

00:14:06,550 --> 00:14:03,839

when the air force was still collecting

369

00:14:08,550 --> 00:14:06,560

ufo reports through project blue book

370

00:14:11,189 --> 00:14:08,560

but since the air force sponsored condon

371

00:14:12,870 --> 00:14:11,199

report came out in early 1969 and stated

372

00:14:14,949 --> 00:14:12,880

that nothing had come from the study of

373

00:14:17,030 --> 00:14:14,959

ufos in two decades they decided to

374

00:14:18,949 --> 00:14:17,040

remove it from the curriculum

375

00:14:20,790 --> 00:14:18,959

the findings of the condom report also

376

00:14:22,790 --> 00:14:20,800

resulted in the termination of project

377

00:14:24,629 --> 00:14:22,800

blue book in that same year

378

00:14:25,990 --> 00:14:24,639

project blue book concluded by stating

379

00:14:28,230 --> 00:14:26,000

the following

380

00:14:30,150 --> 00:14:28,240

no ufo reported investigated and

381

00:14:32,230 --> 00:14:30,160

evaluated by the air force has ever

382

00:14:34,710 --> 00:14:32,240

given any indication of threat to our

383

00:14:36,470 --> 00:14:34,720

national security there has been no

384

00:14:38,069 --> 00:14:36,480

evidence discovered by the air force

385

00:14:40,310 --> 00:14:38,079

that sightings categorized as

386

00:14:42,230 --> 00:14:40,320

unidentified represent technological

387

00:14:44,710 --> 00:14:42,240

developments beyond the range of present

388

00:14:46,790 --> 00:14:44,720

day scientific knowledge there's been no

389

00:14:48,790 --> 00:14:46,800

indication that sightings categorized as

390

00:14:49,990 --> 00:14:48,800

unidentified are extraterrestrial

391

00:14:51,829 --> 00:14:50,000

vehicles

392

00:14:53,750 --> 00:14:51,839

based on those conclusions the air force

393

00:14:55,269 --> 00:14:53,760

removed their chapter about ufos and

394

00:14:58,550 --> 00:14:55,279

replaced it with a chapter called

395

00:15:00,310 --> 00:14:58,560

unidentified aerial phenomena which just

396

00:15:02,230 --> 00:15:00,320

so happens to be the term that they used

397

00:15:03,350 --> 00:15:02,240

in the gillibrand rubio gallego

398

00:15:05,430 --> 00:15:03,360

amendment

399

00:15:07,030 --> 00:15:05,440

which establishes the next incarnation

400

00:15:10,150 --> 00:15:07,040

of project blue book thanks to the

401
00:15:11,590 --> 00:15:10,160
signing of the ndaa for 2022

402
00:15:14,230 --> 00:15:11,600
so you're not going to want to miss what

403
00:15:17,030 --> 00:15:14,240
comes next

404
00:15:19,030 --> 00:15:17,040
nice man what's it like seeing yourself

405
00:15:22,150 --> 00:15:19,040
it's it's really hard to watch those

406
00:15:24,470 --> 00:15:22,160
videos when it's you looking back at you

407
00:15:26,710 --> 00:15:24,480
i hate watching my videos

408
00:15:30,150 --> 00:15:26,720
i can imagine well let's talk about the

409
00:15:32,710 --> 00:15:30,160
content chapter 33 of this textbook can

410
00:15:34,470 --> 00:15:32,720
you tell us a little maybe about um what

411
00:15:35,350 --> 00:15:34,480
textbook this was in

412
00:15:37,269 --> 00:15:35,360
where

413
00:15:39,829 --> 00:15:37,279

and um yeah who

414

00:15:41,749 --> 00:15:39,839

who put this thing out there um yeah any

415

00:15:43,269 --> 00:15:41,759

information you can give us on what we

416

00:15:46,069 --> 00:15:43,279

were looking at there

417

00:15:49,030 --> 00:15:46,079

so i i think the best story is the one

418

00:15:51,990 --> 00:15:49,040

that lee spiegel tells about how he came

419

00:15:55,430 --> 00:15:52,000

to know that this thing existed because

420

00:15:57,910 --> 00:15:55,440

i found out about it from his interviews

421

00:15:59,189 --> 00:15:57,920

uh with micah hanks is the first time i

422

00:16:00,550 --> 00:15:59,199

heard it and then i heard it on lou's

423

00:16:03,590 --> 00:16:00,560

show as well

424

00:16:06,069 --> 00:16:03,600

and he got introduced to it by none

425

00:16:08,790 --> 00:16:06,079

other than jay allen heineck and anytime

426
00:16:09,590 --> 00:16:08,800
that guy's name is involved to me that

427
00:16:11,670 --> 00:16:09,600
that

428
00:16:13,590 --> 00:16:11,680
catches my attention so

429
00:16:15,829 --> 00:16:13,600
i thought that was amazing when i found

430
00:16:17,910 --> 00:16:15,839
that out so i turned around and started

431
00:16:20,550 --> 00:16:17,920
to search for this document and i found

432
00:16:21,269 --> 00:16:20,560
it on coupon.org

433
00:16:23,350 --> 00:16:21,279
but

434
00:16:25,910 --> 00:16:23,360
since then i have also found that this

435
00:16:29,030 --> 00:16:25,920
mystery wire or mystery wires put out a

436
00:16:31,550 --> 00:16:29,040
scanned copy of the chapters but it's a

437
00:16:34,949 --> 00:16:31,560
little bit more legible on the

438
00:16:36,710 --> 00:16:34,959

coupon.org site than this this one you

439

00:16:38,949 --> 00:16:36,720

can also copy and paste it off the other

440

00:16:39,910 --> 00:16:38,959

one um but

441

00:16:43,350 --> 00:16:39,920

there's

442

00:16:46,230 --> 00:16:43,360

the context is always important i always

443

00:16:47,110 --> 00:16:46,240

like one of the in the goals of my tic

444

00:16:49,990 --> 00:16:47,120

tocs

445

00:16:52,550 --> 00:16:50,000

the goals of my videos are to provide

446

00:16:54,710 --> 00:16:52,560

context to the situations that are

447

00:16:57,350 --> 00:16:54,720

currently arising that people that are

448

00:16:59,189 --> 00:16:57,360

new to the subject might not be aware of

449

00:17:02,069 --> 00:16:59,199

i always use the example of if i say

450

00:17:05,270 --> 00:17:02,079

something happened in 1947

451
00:17:08,309 --> 00:17:05,280
everybody knows what 1947 means to

452
00:17:10,470 --> 00:17:08,319
somebody that's en engaged in this topic

453
00:17:12,150 --> 00:17:10,480
not everybody knows that people that are

454
00:17:13,909 --> 00:17:12,160
just getting into it are gonna need a

455
00:17:15,510 --> 00:17:13,919
little bit of background so i try to

456
00:17:18,470 --> 00:17:15,520
provide a background

457
00:17:20,789 --> 00:17:18,480
to the information that i provide so

458
00:17:23,990 --> 00:17:20,799
the very first chapter or the the the

459
00:17:26,710 --> 00:17:24,000
opening of the coupon.org provides the

460
00:17:29,590 --> 00:17:26,720
context for what i just talked about on

461
00:17:31,909 --> 00:17:29,600
on that video that the lee more advanced

462
00:17:36,549 --> 00:17:31,919
actually found out about it vetted the

463
00:17:38,470 --> 00:17:36,559

information in 1970 and and made it

464

00:17:40,950 --> 00:17:38,480

an article about it

465

00:17:43,510 --> 00:17:40,960

but getting to the book it was

466

00:17:45,430 --> 00:17:43,520

introduced in 1968

467

00:17:47,270 --> 00:17:45,440

and

468

00:17:49,750 --> 00:17:47,280

like i said three

469

00:17:51,350 --> 00:17:49,760

maybe five semesters worth of students

470

00:17:53,350 --> 00:17:51,360

pass through it it looks like it's a

471

00:17:54,070 --> 00:17:53,360

junior level class because it was taught

472

00:17:57,029 --> 00:17:54,080

in

473

00:17:58,870 --> 00:17:57,039

a course called physics 370.

474

00:18:02,070 --> 00:17:58,880

the textbook that it was written is

475

00:18:05,029 --> 00:18:02,080

called introductory space science

476

00:18:06,230 --> 00:18:05,039

so i took two physics classes in college

477

00:18:08,390 --> 00:18:06,240

and

478

00:18:09,669 --> 00:18:08,400

i don't remember anything fun

479

00:18:12,310 --> 00:18:09,679

about those

480

00:18:13,909 --> 00:18:12,320

two semesters

481

00:18:15,750 --> 00:18:13,919

all right maybe it was three semesters

482

00:18:16,549 --> 00:18:15,760

but don't tell anybody

483

00:18:17,590 --> 00:18:16,559

um

484

00:18:20,070 --> 00:18:17,600

but

485

00:18:22,310 --> 00:18:20,080

it it was tough it was a battle to get

486

00:18:24,470 --> 00:18:22,320

through it i can't imagine

487

00:18:27,750 --> 00:18:24,480

getting something like this

488

00:18:30,150 --> 00:18:27,760

slipped into it so dude i mean this i

489

00:18:32,630 --> 00:18:30,160

just want to read this from joseph quick

490

00:18:35,110 --> 00:18:32,640

dad turn to chapter 33 class we're about

491

00:18:38,310 --> 00:18:35,120

to blow your goddamn mind that's just

492

00:18:40,789 --> 00:18:38,320

that's exactly what i imagine

493

00:18:42,470 --> 00:18:40,799

so my my understanding is that the two

494

00:18:43,270 --> 00:18:42,480

gentlemen that wrote it

495

00:18:45,669 --> 00:18:43,280

were

496

00:18:47,990 --> 00:18:45,679

affiliated with project blue book i

497

00:18:50,310 --> 00:18:48,000

haven't vetted that information but

498

00:18:52,549 --> 00:18:50,320

ever since this went out on twitter and

499

00:18:55,110 --> 00:18:52,559

i mean let's face it eric weinstein

500

00:18:57,590 --> 00:18:55,120

weinstein blew this thing up when he

501
00:18:59,430 --> 00:18:57,600
retweeted it that's when the masses

502
00:19:01,029 --> 00:18:59,440
found out about it it was doing okay

503
00:19:02,950 --> 00:19:01,039
until then but he

504
00:19:04,870 --> 00:19:02,960
really put the nitrous on it when he

505
00:19:06,390 --> 00:19:04,880
retweeted it so thank you eric if you

506
00:19:09,270 --> 00:19:06,400
ever see this

507
00:19:11,270 --> 00:19:09,280
i i bought him a virtual drink

508
00:19:13,430 --> 00:19:11,280
i went up with my wife last night and

509
00:19:15,110 --> 00:19:13,440
bought him a drink and posted a picture

510
00:19:18,390 --> 00:19:15,120
about it and i told him i bought you a

511
00:19:20,950 --> 00:19:18,400
drink i hope you like whiskey and water

512
00:19:21,990 --> 00:19:20,960
and i drank it for you too so

513
00:19:24,310 --> 00:19:22,000

we're good

514

00:19:26,230 --> 00:19:24,320

yeah it was a major donald g carpenter

515

00:19:27,909 --> 00:19:26,240

and lieutenant colonel edward r

516

00:19:30,630 --> 00:19:27,919

thurkelson

517

00:19:31,669 --> 00:19:30,640

yep okay those guys yeah so

518

00:19:34,950 --> 00:19:31,679

that's

519

00:19:36,230 --> 00:19:34,960

um i mean because we discussed this too

520

00:19:38,150 --> 00:19:36,240

on the show and then we had a post

521

00:19:39,270 --> 00:19:38,160

discussion like i said earlier on on the

522

00:19:41,190 --> 00:19:39,280

discord

523

00:19:43,909 --> 00:19:41,200

and

524

00:19:46,630 --> 00:19:43,919

i was blown away by this document i was

525

00:19:49,190 --> 00:19:46,640

absolutely floored like this existed

526

00:19:52,070 --> 00:19:49,200

this was in an air force manual

527

00:19:53,830 --> 00:19:52,080

and this was taught in a class like i

528

00:19:55,430 --> 00:19:53,840

cannot imagine

529

00:19:58,070 --> 00:19:55,440

the questions

530

00:19:59,830 --> 00:19:58,080

or the reasons why this is even in there

531

00:20:01,909 --> 00:19:59,840

why is this in there even if it's only

532

00:20:04,310 --> 00:20:01,919

for two or three semesters how many

533

00:20:07,029 --> 00:20:04,320

semesters was it dan three it was from

534

00:20:08,870 --> 00:20:07,039

68 to 70 i think that means three to

535

00:20:11,350 --> 00:20:08,880

five semesters i don't know exactly yeah

536

00:20:13,590 --> 00:20:11,360

at least um

537

00:20:16,149 --> 00:20:13,600

man we gotta find someone who took that

538

00:20:18,870 --> 00:20:16,159

course well i'm curious to know what

539

00:20:21,430 --> 00:20:18,880

else major donald g carpenter and

540

00:20:23,430 --> 00:20:21,440

lieutenant colonel edward thurkelson

541

00:20:25,110 --> 00:20:23,440

also wrote what other kind of papers

542

00:20:27,029 --> 00:20:25,120

they wrote i think that's something

543

00:20:28,149 --> 00:20:27,039

worthy of looking into

544

00:20:30,390 --> 00:20:28,159

um

545

00:20:32,390 --> 00:20:30,400

because if they

546

00:20:34,310 --> 00:20:32,400

want to just know what their writing

547

00:20:36,230 --> 00:20:34,320

style is like maybe it does match this

548

00:20:38,950 --> 00:20:36,240

sort of text

549

00:20:40,710 --> 00:20:38,960

maybe they wrote other papers that have

550

00:20:42,710 --> 00:20:40,720

to do with this topic i don't know if

551
00:20:44,710 --> 00:20:42,720
anybody's looked into that

552
00:20:46,549 --> 00:20:44,720
i would imagine so considering how long

553
00:20:49,110 --> 00:20:46,559
this information's been out

554
00:20:51,270 --> 00:20:49,120
but yeah i mean it's

555
00:20:53,669 --> 00:20:51,280
this is something i had no idea about

556
00:20:54,630 --> 00:20:53,679
and i've been into this topic for a long

557
00:20:57,190 --> 00:20:54,640
time

558
00:20:59,669 --> 00:20:57,200
and yeah when when i also found out i

559
00:21:01,190 --> 00:20:59,679
was like wait a second uh

560
00:21:04,230 --> 00:21:01,200
uh

561
00:21:06,470 --> 00:21:04,240
um who recommended this paper like who

562
00:21:08,470 --> 00:21:06,480
found this how did this happen and and

563
00:21:10,630 --> 00:21:08,480

where it came from i was like this is

564

00:21:13,190 --> 00:21:10,640

insane how is this not

565

00:21:14,630 --> 00:21:13,200

front page news

566

00:21:17,270 --> 00:21:14,640

how did this how did this people not

567

00:21:18,870 --> 00:21:17,280

notice this in 1968 there's so many

568

00:21:21,270 --> 00:21:18,880

questions about this

569

00:21:22,630 --> 00:21:21,280

this chapter um what's your biggest

570

00:21:25,669 --> 00:21:22,640

question dan

571

00:21:28,390 --> 00:21:25,679

how are there so much best uh how

572

00:21:29,669 --> 00:21:28,400

specific information included in this i

573

00:21:31,510 --> 00:21:29,679

mean it's

574

00:21:34,070 --> 00:21:31,520

uh there's some information that i i

575

00:21:35,270 --> 00:21:34,080

tried to vet myself like they talk about

576

00:21:37,669 --> 00:21:35,280

in particular

577

00:21:40,149 --> 00:21:37,679

i was drawn to the history section of it

578

00:21:43,270 --> 00:21:40,159

where they say that they have uh

579

00:21:46,149 --> 00:21:43,280

carvings from the sahara from 1940s or

580

00:21:48,950 --> 00:21:46,159

from 47 000 years ago

581

00:21:51,669 --> 00:21:48,960

depicting a human-shaped creature with a

582

00:21:53,190 --> 00:21:51,679

helmet and it looks like a trunk

583

00:21:54,630 --> 00:21:53,200

elephant trunk coming off of it which

584

00:21:57,430 --> 00:21:54,640

would be a breathing apparatus that was

585

00:22:00,230 --> 00:21:57,440

one of the things that they referenced

586

00:22:02,630 --> 00:22:00,240

i could not find anything that documents

587

00:22:04,390 --> 00:22:02,640

that provides a image of what they were

588

00:22:06,390 --> 00:22:04,400

talking about because

589

00:22:07,430 --> 00:22:06,400

so those are the biggest questions i

590

00:22:10,470 --> 00:22:07,440

have is

591

00:22:11,590 --> 00:22:10,480

that's a very specific and bold claim to

592

00:22:13,270 --> 00:22:11,600

say that

593

00:22:14,870 --> 00:22:13,280

it's been global in nature i don't think

594

00:22:16,870 --> 00:22:14,880

that's a question i don't know anybody

595

00:22:18,070 --> 00:22:16,880

that argues that it's all right so there

596

00:22:20,549 --> 00:22:18,080

are some people that will argue it's

597

00:22:23,350 --> 00:22:20,559

just an american issue

598

00:22:25,270 --> 00:22:23,360

but ever most people say it's global in

599

00:22:27,029 --> 00:22:25,280

nature but the time like that's the

600

00:22:29,830 --> 00:22:27,039

question i want to know and that's the

601
00:22:32,390 --> 00:22:29,840
question that i think is going to

602
00:22:34,470 --> 00:22:32,400
come forward before

603
00:22:36,710 --> 00:22:34,480
who it is i think they're going to talk

604
00:22:39,270 --> 00:22:36,720
about when this started

605
00:22:40,870 --> 00:22:39,280
so for it to be 47 000 years ago

606
00:22:43,830 --> 00:22:40,880
specifically is when this thing was

607
00:22:46,950 --> 00:22:43,840
engaging in whatever it was uh started

608
00:22:49,270 --> 00:22:46,960
engaging with us it's very specific

609
00:22:51,990 --> 00:22:49,280
and it's a very bold claim so that to me

610
00:22:54,549 --> 00:22:52,000
is what stands out yeah the specificity

611
00:22:56,870 --> 00:22:54,559
of it is also what stood out to me but

612
00:22:58,230 --> 00:22:56,880
i'm curious um

613
00:23:00,549 --> 00:22:58,240

what do you think the motivation of

614

00:23:03,590 --> 00:23:00,559

putting this into a manual is

615

00:23:05,510 --> 00:23:03,600

so that that was my uh third video was

616

00:23:06,549 --> 00:23:05,520

basically saying like hey suspend your

617

00:23:09,990 --> 00:23:06,559

judgment

618

00:23:11,909 --> 00:23:10,000

right don't don't focus on

619

00:23:14,470 --> 00:23:11,919

do i believe every word that they're

620

00:23:17,190 --> 00:23:14,480

telling me focus on why

621

00:23:18,950 --> 00:23:17,200

would the air force be exposing their

622

00:23:21,909 --> 00:23:18,960

future leaders because it's

623

00:23:23,909 --> 00:23:21,919

it's not like this is basic training uh

624

00:23:25,430 --> 00:23:23,919

right boot camp this is

625

00:23:27,110 --> 00:23:25,440

like the the

626

00:23:29,669 --> 00:23:27,120

i'll call him the elite of the air force

627

00:23:32,950 --> 00:23:29,679

the brain i mean a major

628

00:23:35,029 --> 00:23:32,960

wrote this yeah and a lieutenant colonel

629

00:23:37,190 --> 00:23:35,039

so why it's not just like two schmoes

630

00:23:38,070 --> 00:23:37,200

writing this this chapter

631

00:23:40,070 --> 00:23:38,080

right

632

00:23:42,870 --> 00:23:40,080

well and then two the the other thing

633

00:23:45,029 --> 00:23:42,880

that really stuck out to me um i had it

634

00:23:47,510 --> 00:23:45,039

up on the screen earlier was the uh the

635

00:23:49,430 --> 00:23:47,520

physiological effects now this is you

636

00:23:51,830 --> 00:23:49,440

know something that i know they looked

637

00:23:53,510 --> 00:23:51,840

into with atip and and it's been around

638

00:23:55,510 --> 00:23:53,520

forever like what are the physical

639

00:23:57,990 --> 00:23:55,520

effects of these close encounter

640

00:24:00,390 --> 00:23:58,000

experiences and um i found it really

641

00:24:02,230 --> 00:24:00,400

interesting that that was also included

642

00:24:03,669 --> 00:24:02,240

in this chapter as well and a lot of

643

00:24:05,669 --> 00:24:03,679

people are like yeah this is just like

644

00:24:07,909 --> 00:24:05,679

what blue book was looking at and of

645

00:24:09,909 --> 00:24:07,919

course yeah no that seems to be the case

646

00:24:12,870 --> 00:24:09,919

but why was it in

647

00:24:15,430 --> 00:24:12,880

an air force academy manual is my big

648

00:24:17,190 --> 00:24:15,440

question and why like you said were they

649

00:24:19,430 --> 00:24:17,200

being so specific and what they wanted

650

00:24:21,029 --> 00:24:19,440

these students to know um that's what

651
00:24:22,870 --> 00:24:21,039
really caught my attention i don't know

652
00:24:25,110 --> 00:24:22,880
am i am i wrong on that the

653
00:24:27,510 --> 00:24:25,120
physiological effects that i always go

654
00:24:28,470 --> 00:24:27,520
back to that that that's that's what

655
00:24:31,190 --> 00:24:28,480
we've been

656
00:24:33,269 --> 00:24:31,200
kind of studying for many years and what

657
00:24:34,230 --> 00:24:33,279
we hopefully will be studying in this

658
00:24:37,590 --> 00:24:34,240
new

659
00:24:39,750 --> 00:24:37,600
whatever dod program or gila brand thing

660
00:24:41,669 --> 00:24:39,760
whatever that amalgamation is going to

661
00:24:44,230 --> 00:24:41,679
become we're going to be looking at the

662
00:24:45,750 --> 00:24:44,240
physical effects again and hopefully the

663
00:24:47,110 --> 00:24:45,760

air force is going to be involved i

664

00:24:48,950 --> 00:24:47,120

don't know i don't know what one thing

665

00:24:51,350 --> 00:24:48,960

that was somewhat shocking to me is the

666

00:24:53,110 --> 00:24:51,360

information and the perspective that was

667

00:24:54,470 --> 00:24:53,120

the picture that was painted in this

668

00:24:56,870 --> 00:24:54,480

chapter

669

00:24:59,029 --> 00:24:56,880

man it still rings true today like it

670

00:25:02,070 --> 00:24:59,039

doesn't feel like we've gained a lot of

671

00:25:03,590 --> 00:25:02,080

ground since 1968 when this thing was

672

00:25:04,710 --> 00:25:03,600

written we're still asking those same

673

00:25:06,470 --> 00:25:04,720

questions

674

00:25:08,310 --> 00:25:06,480

that that's another thing that kind of

675

00:25:10,149 --> 00:25:08,320

shocked me is

676

00:25:12,470 --> 00:25:10,159

i've got the same questions now that

677

00:25:14,710 --> 00:25:12,480

these guys had back then

678

00:25:17,590 --> 00:25:14,720

when do the answers start to

679

00:25:19,510 --> 00:25:17,600

to get exposed to us but again but i'm

680

00:25:22,470 --> 00:25:19,520

curious to know what you think is the

681

00:25:24,230 --> 00:25:22,480

reason why they included this chapter

682

00:25:25,110 --> 00:25:24,240

oh you used to know what your hypothesis

683

00:25:28,070 --> 00:25:25,120

is so

684

00:25:30,789 --> 00:25:28,080

so there's the what i read hypothesis

685

00:25:32,870 --> 00:25:30,799

which is well it was a exercise in

686

00:25:36,710 --> 00:25:32,880

thinking outside of the box and trying

687

00:25:38,789 --> 00:25:36,720

to stay open-minded and

688

00:25:42,470 --> 00:25:38,799

not jumping to conclusions just

689

00:25:43,269 --> 00:25:42,480

absorbing the information and trying to

690

00:25:45,750 --> 00:25:43,279

not

691

00:25:47,990 --> 00:25:45,760

stand on one side of the line or of the

692

00:25:49,669 --> 00:25:48,000

other so

693

00:25:51,830 --> 00:25:49,679

rigidly

694

00:25:53,990 --> 00:25:51,840

what why i think it's in there

695

00:25:56,950 --> 00:25:54,000

i mean i think it's the air force was

696

00:25:58,630 --> 00:25:56,960

investigating ufos they had collected a

697

00:25:59,750 --> 00:25:58,640

lot of information through project blue

698

00:26:04,710 --> 00:25:59,760

book

699

00:26:06,310 --> 00:26:04,720

like like i suspect chris mellon

700

00:26:08,789 --> 00:26:06,320

held the hand of the person writing the

701
00:26:10,149 --> 00:26:08,799
gila brand amendment i feel like people

702
00:26:11,510 --> 00:26:10,159
in blue book were holding the hand of

703
00:26:13,669 --> 00:26:11,520
the people writing this chapter and

704
00:26:15,110 --> 00:26:13,679
saying hey put this in there leave leave

705
00:26:16,870 --> 00:26:15,120
that out this is

706
00:26:19,750 --> 00:26:16,880
and this is me speculating i don't want

707
00:26:22,230 --> 00:26:19,760
anyone to think i have any proof of this

708
00:26:23,029 --> 00:26:22,240
but i think it's in there as a form of

709
00:26:25,669 --> 00:26:23,039
hey

710
00:26:27,190 --> 00:26:25,679
this might if blue book continued i

711
00:26:28,630 --> 00:26:27,200
wonder if this would become even more

712
00:26:29,750 --> 00:26:28,640
elaborate i wonder if it was the

713
00:26:32,070 --> 00:26:29,760

beginning of

714

00:26:34,149 --> 00:26:32,080

hey we're moving forward with this we

715

00:26:36,149 --> 00:26:34,159

need you guys to be aware of it before

716

00:26:38,390 --> 00:26:36,159

the rest of the general public becomes

717

00:26:40,870 --> 00:26:38,400

aware of this so that we can be

718

00:26:43,190 --> 00:26:40,880

a few steps ahead we need our leaders to

719

00:26:45,430 --> 00:26:43,200

be ready for this in the future but then

720

00:26:48,310 --> 00:26:45,440

that's exactly change things

721

00:26:50,149 --> 00:26:48,320

right then yeah and we'll get to that um

722

00:26:52,950 --> 00:26:50,159

alex says just in case happens

723

00:26:54,070 --> 00:26:52,960

maybe that's so true we know there are

724

00:26:55,830 --> 00:26:54,080

within government there are

725

00:26:58,390 --> 00:26:55,840

contingencies for

726

00:27:00,710 --> 00:26:58,400

everything weather weather natural

727

00:27:02,630 --> 00:27:00,720

disasters um

728

00:27:05,190 --> 00:27:02,640

whatever terrorist attacks um but

729

00:27:07,269 --> 00:27:05,200

there's also i've been told there are

730

00:27:10,230 --> 00:27:07,279

contingency plans if we are to make

731

00:27:12,390 --> 00:27:10,240

contact or if there is an invasion from

732

00:27:13,750 --> 00:27:12,400

another planet i could be you know

733

00:27:15,830 --> 00:27:13,760

completely

734

00:27:17,190 --> 00:27:15,840

being told you know disinformation on

735

00:27:19,430 --> 00:27:17,200

that but i have heard that there are

736

00:27:20,950 --> 00:27:19,440

contingencies for things like this so

737

00:27:23,110 --> 00:27:20,960

yeah maybe again they're trying to get

738

00:27:25,590 --> 00:27:23,120

ahead of it ahead of the game um so

739

00:27:27,510 --> 00:27:25,600

they're not looking like they are today

740

00:27:29,190 --> 00:27:27,520

saying we have no idea what any of this

741

00:27:31,590 --> 00:27:29,200

is it's not russia it's not china we

742

00:27:34,710 --> 00:27:31,600

don't know but it's in our airspace and

743

00:27:36,470 --> 00:27:34,720

we can't do anything about it so

744

00:27:38,549 --> 00:27:36,480

here's the thing that i kind of gather

745

00:27:40,149 --> 00:27:38,559

when i was reading it because the thing

746

00:27:41,590 --> 00:27:40,159

that keeps flashing in my brain when i

747

00:27:43,350 --> 00:27:41,600

read it is

748

00:27:46,070 --> 00:27:43,360

being trying to put myself in the

749

00:27:48,549 --> 00:27:46,080

perspective of being in that classroom

750

00:27:50,549 --> 00:27:48,559

and what kind of questions popped up

751
00:27:53,110 --> 00:27:50,559
after reading through this

752
00:27:55,669 --> 00:27:53,120
or or coming into class and going okay

753
00:27:57,430 --> 00:27:55,679
everybody chapter 33

754
00:27:59,430 --> 00:27:57,440
go ahead what are your questions and

755
00:28:01,350 --> 00:27:59,440
then people start firing away

756
00:28:03,269 --> 00:28:01,360
what's i mean i'm sure

757
00:28:04,630 --> 00:28:03,279
be like okay why is this in here number

758
00:28:06,950 --> 00:28:04,640
one but i think

759
00:28:09,590 --> 00:28:06,960
the thing that i sort of theorized and

760
00:28:11,190 --> 00:28:09,600
against speculation city here

761
00:28:14,470 --> 00:28:11,200
uh is that

762
00:28:17,990 --> 00:28:14,480
this was a way for a couple of years

763
00:28:20,549 --> 00:28:18,000

after blue book to answer

764

00:28:23,430 --> 00:28:20,559

a whole bunch of questions

765

00:28:26,630 --> 00:28:23,440

that might come up after an ex an

766

00:28:29,510 --> 00:28:26,640

experience it a an experience

767

00:28:31,350 --> 00:28:29,520

or after a personal sighting

768

00:28:33,990 --> 00:28:31,360

by an air force officer because i think

769

00:28:36,070 --> 00:28:34,000

this is a perfect opportunity to be like

770

00:28:38,389 --> 00:28:36,080

these are the answers you guys you don't

771

00:28:41,909 --> 00:28:38,399

have to report it you don't have to it

772

00:28:44,789 --> 00:28:41,919

takes all the curiosity out of what this

773

00:28:46,789 --> 00:28:44,799

phenomenon could be it really does kind

774

00:28:49,110 --> 00:28:46,799

of give you a whole bunch of answers and

775

00:28:51,510 --> 00:28:49,120

things to look at if you're interested

776

00:28:52,950 --> 00:28:51,520

but it and it leads you sort of in in a

777

00:28:55,830 --> 00:28:52,960

in a pretty

778

00:28:59,830 --> 00:28:57,830

it's a cool direction that this manual

779

00:29:01,190 --> 00:28:59,840

leads you down and

780

00:29:02,870 --> 00:29:01,200

and

781

00:29:05,669 --> 00:29:02,880

it's almost like

782

00:29:07,350 --> 00:29:05,679

teaching a kid how to play with fire

783

00:29:08,630 --> 00:29:07,360

uh how to but instead of playing with

784

00:29:10,789 --> 00:29:08,640

fire you teach them how to build a

785

00:29:13,110 --> 00:29:10,799

campsite how to respect the fire how to

786

00:29:15,269 --> 00:29:13,120

put out uh once the fires you're done

787

00:29:17,350 --> 00:29:15,279

with it um all of the things that is

788

00:29:19,190 --> 00:29:17,360

responsible about making a fire why you

789

00:29:21,510 --> 00:29:19,200

should be responsible with a fire so

790

00:29:23,190 --> 00:29:21,520

that way when their buddy a few months

791

00:29:24,950 --> 00:29:23,200

down the road it's like hey let's play

792

00:29:25,990 --> 00:29:24,960

with these matches he's like yeah i'm

793

00:29:28,630 --> 00:29:26,000

good i

794

00:29:30,389 --> 00:29:28,640

i know how to build a fire i'm good um

795

00:29:32,470 --> 00:29:30,399

this is what this kind of feels like so

796

00:29:35,590 --> 00:29:32,480

that way if if you have an air force

797

00:29:38,710 --> 00:29:35,600

pilot or colonel that gets a report from

798

00:29:42,470 --> 00:29:38,720

one of his men or sees one himself

799

00:29:44,149 --> 00:29:42,480

he could go oh yeah chapter 33 oh also i

800

00:29:47,110 --> 00:29:44,159

should probably shut up about this

801
00:29:49,110 --> 00:29:47,120
because the ramifications are

802
00:29:51,110 --> 00:29:49,120
are because they also go through in this

803
00:29:52,389 --> 00:29:51,120
manual the punishments of reporting

804
00:29:54,070 --> 00:29:52,399
these things

805
00:29:57,190 --> 00:29:54,080
they tell you straight up like you'll

806
00:29:59,510 --> 00:29:57,200
probably get demoted you'll probably be

807
00:30:02,310 --> 00:29:59,520
possibly fired or or

808
00:30:05,110 --> 00:30:02,320
or labeled clinically insane

809
00:30:06,549 --> 00:30:05,120
and it's like

810
00:30:07,830 --> 00:30:06,559
you know so it's like here here are the

811
00:30:09,909 --> 00:30:07,840
answers so that way you don't have to be

812
00:30:11,590 --> 00:30:09,919
curious and then they and then that

813
00:30:14,070 --> 00:30:11,600

helps them keep the

814

00:30:15,990 --> 00:30:14,080

this this the circulation of secrecy

815

00:30:17,750 --> 00:30:16,000

intact because they just take the

816

00:30:20,149 --> 00:30:17,760

curiosity out of it i don't know that's

817

00:30:21,269 --> 00:30:20,159

kind of what i felt when i read it it

818

00:30:23,269 --> 00:30:21,279

was like

819

00:30:25,350 --> 00:30:23,279

here you go hear the answers

820

00:30:27,029 --> 00:30:25,360

that way you don't have to ask so one of

821

00:30:28,870 --> 00:30:27,039

the things that i've asked myself is how

822

00:30:32,070 --> 00:30:28,880

come they wrote this chapter basically

823

00:30:34,230 --> 00:30:32,080

saying here's a chapter about ufos why

824

00:30:35,350 --> 00:30:34,240

didn't they write a chapter saying ufos

825

00:30:36,870 --> 00:30:35,360

aren't real

826

00:30:39,110 --> 00:30:36,880

and here's why

827

00:30:41,430 --> 00:30:39,120

but you should still take these it could

828

00:30:43,909 --> 00:30:41,440

be these other things instead like how

829

00:30:46,950 --> 00:30:43,919

come they didn't frame it with

830

00:30:49,350 --> 00:30:46,960

this isn't a real thing right

831

00:30:51,430 --> 00:30:49,360

you guys need to know that it's not and

832

00:30:53,990 --> 00:30:51,440

this is what the other possibilities are

833

00:30:55,669 --> 00:30:54,000

that are left on the table right right

834

00:30:59,029 --> 00:30:55,679

well because i feel like the rest of the

835

00:31:03,190 --> 00:31:01,110

different ways of clarifying what your

836

00:31:04,710 --> 00:31:03,200

job is you know what and how to see

837

00:31:06,710 --> 00:31:04,720

things in the sky and how to read your

838

00:31:08,149 --> 00:31:06,720

instruments and know where you are in

839

00:31:09,669 --> 00:31:08,159

the in the sky or whatever the

840

00:31:11,509 --> 00:31:09,679

battlefield whatever else they're

841

00:31:14,630 --> 00:31:11,519

learning i'm assuming it's like you said

842

00:31:17,190 --> 00:31:14,640

it's not basic training um but it's you

843

00:31:19,590 --> 00:31:17,200

know uh i i'm assuming the rest of the

844

00:31:20,549 --> 00:31:19,600

book is just a lot more clarification a

845

00:31:22,789 --> 00:31:20,559

lot more

846

00:31:25,350 --> 00:31:22,799

almost reading like stereo instructions

847

00:31:27,750 --> 00:31:25,360

really boring chapters whereas this was

848

00:31:30,310 --> 00:31:27,760

probably the funnest day they had

849

00:31:32,310 --> 00:31:30,320

in the whole semester

850

00:31:34,149 --> 00:31:32,320

yeah that's a good point man that's like

851

00:31:36,389 --> 00:31:34,159

the day when the teacher puts like a

852

00:31:38,950 --> 00:31:36,399

video on instead of lecturing you're

853

00:31:41,110 --> 00:31:38,960

like oh finally like something a little

854

00:31:44,070 --> 00:31:41,120

different um i can't imagine what lunch

855

00:31:46,630 --> 00:31:44,080

discussion was after this class

856

00:31:48,710 --> 00:31:46,640

exactly michael said fema has engaged in

857

00:31:52,149 --> 00:31:48,720

zombie apocalypse training yeah man they

858

00:31:53,750 --> 00:31:52,159

have contingencies for everything um dan

859

00:31:55,990 --> 00:31:53,760

there was something you brought up that

860

00:32:00,710 --> 00:31:56,000

um i do kind of want to talk about and

861

00:32:03,190 --> 00:32:00,720

that's stripping it of the curiosity um

862

00:32:07,350 --> 00:32:03,200

the content report so that thing came

863

00:32:10,389 --> 00:32:07,360

out obviously deflated a lot of ufo uh

864

00:32:13,269 --> 00:32:10,399

believers out there um and probably

865

00:32:14,710 --> 00:32:13,279

satisfied a lot of scientists out there

866

00:32:17,909 --> 00:32:14,720

um but

867

00:32:19,830 --> 00:32:17,919

that is when i believe this chapter was

868

00:32:21,590 --> 00:32:19,840

pulled it was pulled from the textbook

869

00:32:24,870 --> 00:32:21,600

is that correct yes

870

00:32:28,070 --> 00:32:24,880

the condon report came out in 69 late i

871

00:32:30,149 --> 00:32:28,080

think it was december 69 i might i might

872

00:32:31,909 --> 00:32:30,159

have the month off but yeah it had been

873

00:32:33,509 --> 00:32:31,919

in circulation this chapter was in the

874

00:32:36,789 --> 00:32:33,519

book in 68

875

00:32:38,710 --> 00:32:36,799

the condom report came out in 69

876

00:32:40,789 --> 00:32:38,720

which this this party kind of cracks me

877

00:32:43,590 --> 00:32:40,799

up they didn't want to pay to reprint

878

00:32:46,310 --> 00:32:43,600

the main the entire book so they left it

879

00:32:47,269 --> 00:32:46,320

in for another semester or two and so

880

00:32:49,990 --> 00:32:47,279

they could

881

00:32:52,070 --> 00:32:50,000

reprint the books so there can't be that

882

00:32:55,669 --> 00:32:52,080

many of these things floating out there

883

00:32:56,870 --> 00:32:55,679

like it's got to be just such a rare

884

00:32:59,509 --> 00:32:56,880

piece of

885

00:33:01,909 --> 00:32:59,519

american history that that is floating

886

00:33:03,750 --> 00:33:01,919

around so like like jane heineck showing

887

00:33:05,830 --> 00:33:03,760

it to lee spiegel man

888

00:33:07,190 --> 00:33:05,840

my hands would have been shaken it would

889

00:33:09,590 --> 00:33:07,200

have been awesome

890

00:33:11,029 --> 00:33:09,600

but yeah um i i think the condor report

891

00:33:13,190 --> 00:33:11,039

came out and

892

00:33:14,789 --> 00:33:13,200

they revised the chapter they didn't

893

00:33:16,549 --> 00:33:14,799

remove it they said all right we're

894

00:33:19,669 --> 00:33:16,559

going to put something in there that

895

00:33:21,830 --> 00:33:19,679

conforms to the findings that were put

896

00:33:24,470 --> 00:33:21,840

forth in the content report so they

897

00:33:27,269 --> 00:33:24,480

actually provided more possible

898

00:33:27,909 --> 00:33:27,279

explanations to the uap phenomenon which

899

00:33:31,750 --> 00:33:27,919

is

900

00:33:33,830 --> 00:33:31,760

we're talking uap now instead of ufos

901

00:33:36,789 --> 00:33:33,840

but they didn't go into the

902

00:33:38,630 --> 00:33:36,799

the history they didn't go into the

903

00:33:41,029 --> 00:33:38,640

alien species like they did in the

904

00:33:42,630 --> 00:33:41,039

previous one they stripped it of all the

905

00:33:45,669 --> 00:33:42,640

um

906

00:33:48,070 --> 00:33:45,679

specificity uh type items and went very

907

00:33:50,789 --> 00:33:48,080

vague in general

908

00:33:53,590 --> 00:33:50,799

right yeah and just changing that one

909

00:33:55,909 --> 00:33:53,600

from ufo to phenomena i mean that's

910

00:33:57,269 --> 00:33:55,919

enough to be like okay they're they're

911

00:33:59,909 --> 00:33:57,279

definitely going for something different

912

00:34:01,750 --> 00:33:59,919

here like we are today and

913

00:34:03,350 --> 00:34:01,760

we're learning uap has been around for a

914

00:34:06,070 --> 00:34:03,360

hell of a lot longer than we thought it

915

00:34:08,470 --> 00:34:06,080

was well just in the first two pages it

916

00:34:11,510 --> 00:34:08,480

gives you the descriptions the size the

917

00:34:13,829 --> 00:34:11,520

shape the luminosity the colors the

918

00:34:16,310 --> 00:34:13,839

behavior of these objects the locations

919

00:34:20,550 --> 00:34:16,320

altitudes directions path patterns of

920

00:34:23,270 --> 00:34:20,560

paths flight characteristics uh uh

921

00:34:25,909 --> 00:34:23,280

periodicity of of sightings time

922

00:34:29,030 --> 00:34:25,919

duration curiosity of inquisitiveness

923

00:34:32,230 --> 00:34:29,040

hostilities hostility like these are

924

00:34:33,270 --> 00:34:32,240

insane as associated effects after

925

00:34:40,069 --> 00:34:33,280

effects

926
00:34:42,710 --> 00:34:40,079
animals depressed or flattened areas

927
00:34:46,629 --> 00:34:42,720
dead or missing animals mentally

928
00:34:48,950 --> 00:34:46,639
disturbed people or missing items

929
00:34:50,710 --> 00:34:48,960
mentally disturbed people that's it

930
00:34:52,710 --> 00:34:50,720
definitely like after effects like no

931
00:34:55,430 --> 00:34:52,720
that that's after so

932
00:34:56,389 --> 00:34:55,440
i think that that is basically summing

933
00:34:57,990 --> 00:34:56,399
up

934
00:35:01,190 --> 00:34:58,000
you could be abducted you could be

935
00:35:02,950 --> 00:35:01,200
burned uh you know on some levels uh you

936
00:35:04,870 --> 00:35:02,960
could be you could you could be

937
00:35:06,630 --> 00:35:04,880
depressed those things could happen to

938
00:35:08,109 --> 00:35:06,640

your crops if you live on a farm things

939

00:35:09,990 --> 00:35:08,119

could go missing they're little

940

00:35:11,750 --> 00:35:10,000

kleptomaniacs like

941

00:35:14,950 --> 00:35:11,760

there's all sorts that mentally

942

00:35:17,190 --> 00:35:14,960

disturbed like having to deal with say

943

00:35:18,950 --> 00:35:17,200

a scary abduction scenario

944

00:35:20,550 --> 00:35:18,960

right you know i don't think that means

945

00:35:22,230 --> 00:35:20,560

like they found mentally disturbed

946

00:35:24,069 --> 00:35:22,240

people around there is i guess actually

947

00:35:25,910 --> 00:35:24,079

we should probably clarify that well i

948

00:35:27,750 --> 00:35:25,920

would think it would be more like ptsd

949

00:35:30,390 --> 00:35:27,760

type symptoms correct yeah that's

950

00:35:32,069 --> 00:35:30,400

surfaced after an encounter correct a

951
00:35:32,870 --> 00:35:32,079
lot of people are asking where they can

952
00:35:34,550 --> 00:35:32,880
read

953
00:35:35,829 --> 00:35:34,560
this chapter by the way guys i just put

954
00:35:37,430 --> 00:35:35,839
a link in the

955
00:35:39,910 --> 00:35:37,440
in the chat there for you over at

956
00:35:41,670 --> 00:35:39,920
mystery wire but um was it cufos you

957
00:35:46,470 --> 00:35:41,680
said damn that had a better version of

958
00:35:51,349 --> 00:35:48,310
just search for introductory space

959
00:35:53,430 --> 00:35:51,359
science and you'll be able to find it uh

960
00:35:54,710 --> 00:35:53,440
via google links

961
00:35:58,069 --> 00:35:54,720
um so

962
00:35:59,910 --> 00:35:58,079
as an engineer dan i'd love to know like

963
00:36:02,150 --> 00:35:59,920

what in this chapter since it's a book

964

00:36:04,310 --> 00:36:02,160

on physics and everything um

965

00:36:05,430 --> 00:36:04,320

what as an engineer did you find most

966

00:36:07,270 --> 00:36:05,440

compelling

967

00:36:08,950 --> 00:36:07,280

about the chapter anything really stick

968

00:36:10,870 --> 00:36:08,960

out to you is compelling in terms of

969

00:36:12,470 --> 00:36:10,880

that

970

00:36:15,270 --> 00:36:12,480

as an engineer

971

00:36:17,589 --> 00:36:15,280

uh i i'm gonna struggle to answer this

972

00:36:20,870 --> 00:36:17,599

one i'm afraid uh they don't really get

973

00:36:23,510 --> 00:36:20,880

into the propulsion systems or how they

974

00:36:24,790 --> 00:36:23,520

were manufactured the the material

975

00:36:27,349 --> 00:36:24,800

science

976

00:36:30,550 --> 00:36:27,359

the like i'm always fascinated by

977

00:36:32,870 --> 00:36:30,560

fasteners like to me like i if it

978

00:36:34,470 --> 00:36:32,880

doesn't have rivets and screws

979

00:36:36,069 --> 00:36:34,480

then it is

980

00:36:38,390 --> 00:36:36,079

a 3d printer

981

00:36:41,750 --> 00:36:38,400

type product or it's something beyond

982

00:36:44,870 --> 00:36:41,760

our our known manufacturing capabilities

983

00:36:45,990 --> 00:36:44,880

so that's that's what i look for um

984

00:36:47,990 --> 00:36:46,000

on

985

00:36:50,390 --> 00:36:48,000

there's nothing in there in particular

986

00:36:52,470 --> 00:36:50,400

that's engineering related i guess i

987

00:36:55,030 --> 00:36:52,480

don't have to conclude

988

00:36:57,829 --> 00:36:55,040

no that's fine man what was the most fun

989

00:37:01,030 --> 00:36:57,839

part of reading this document for you oh

990

00:37:02,790 --> 00:37:01,040

absolutely it was the retelling of the

991

00:37:05,109 --> 00:37:02,800

uh

992

00:37:06,470 --> 00:37:05,119

species that orbited the earth yeah it

993

00:37:10,069 --> 00:37:06,480

was so weird

994

00:37:15,990 --> 00:37:13,030

like that that was how they started one

995

00:37:17,990 --> 00:37:16,000

of the sections and i just

996

00:37:20,470 --> 00:37:18,000

i mean let's just call it what it is

997

00:37:22,550 --> 00:37:20,480

they described an alien

998

00:37:24,470 --> 00:37:22,560

species migrating to earth

999

00:37:26,710 --> 00:37:24,480

they got in a fight with each other had

1000

00:37:27,750 --> 00:37:26,720

a civil war one of them

1001
00:37:31,190 --> 00:37:27,760
threw a

1002
00:37:32,790 --> 00:37:31,200
a nuke at the other one destroyed them

1003
00:37:34,870 --> 00:37:32,800
went into deep depression and then left

1004
00:37:36,950 --> 00:37:34,880
forever like okay that's what they

1005
00:37:39,670 --> 00:37:36,960
described okay let's talk about this for

1006
00:37:41,510 --> 00:37:39,680
a second because this is crazy because

1007
00:37:43,910 --> 00:37:41,520
like this is the part where i'm just

1008
00:37:45,030 --> 00:37:43,920
like come on dude like

1009
00:37:47,190 --> 00:37:45,040
it's almost

1010
00:37:49,349 --> 00:37:47,200
but then you see the the

1011
00:37:50,950 --> 00:37:49,359
rock carvings uh that they talk about in

1012
00:37:53,589 --> 00:37:50,960
the sahara where they're wearing like

1013
00:37:55,190 --> 00:37:53,599

wood looks like space helmets

1014

00:37:57,030 --> 00:37:55,200

um

1015

00:37:59,430 --> 00:37:57,040

well that wasn't the actual one that was

1016

00:38:02,390 --> 00:37:59,440

one that i found that was similar to a

1017

00:38:05,349 --> 00:38:02,400

depiction but the the 47 000 year old

1018

00:38:06,310 --> 00:38:05,359

description of the person wearing uh

1019

00:38:08,390 --> 00:38:06,320

breathing

1020

00:38:10,069 --> 00:38:08,400

i couldn't find a picture or the well

1021

00:38:12,150 --> 00:38:10,079

but just the descriptions of them in the

1022

00:38:13,030 --> 00:38:12,160

carvings in ireland that they discussed

1023

00:38:16,069 --> 00:38:13,040

um

1024

00:38:24,069 --> 00:38:20,870

if there was an ancient

1025

00:38:26,150 --> 00:38:24,079

uh alien race that migrated to earth

1026
00:38:27,190 --> 00:38:26,160
and the

1027
00:38:34,950 --> 00:38:27,200
the

1028
00:38:40,230 --> 00:38:37,430
well i mean we should be finding this

1029
00:38:42,870 --> 00:38:40,240
tech everywhere no

1030
00:38:47,829 --> 00:38:46,390
there are indications uh and it's i'm

1031
00:38:49,190 --> 00:38:47,839
not gonna be able to tell you like forty

1032
00:38:51,109 --> 00:38:49,200
seven thousand a year whenever that

1033
00:38:53,670 --> 00:38:51,119
event happened they found something but

1034
00:38:55,910 --> 00:38:53,680
they did find like the spike in nuclear

1035
00:38:58,790 --> 00:38:55,920
activity and i always pronounced nuclear

1036
00:39:00,550 --> 00:38:58,800
wrong so i'm sorry people that are gonna

1037
00:39:02,230 --> 00:39:00,560
look

1038
00:39:04,550 --> 00:39:02,240

some people like some people love

1039

00:39:06,550 --> 00:39:04,560

cilantro some people it tastes like soap

1040

00:39:08,470 --> 00:39:06,560

yeah that's fine

1041

00:39:10,630 --> 00:39:08,480

but like the there was a spike in

1042

00:39:13,109 --> 00:39:10,640

radiate radiation around the globe

1043

00:39:15,109 --> 00:39:13,119

during the uh

1044

00:39:16,870 --> 00:39:15,119

why is it slipping my mind right now

1045

00:39:20,630 --> 00:39:16,880

tusk uh

1046

00:39:33,670 --> 00:39:23,589

uh yeah that huge explosion russian

1047

00:39:37,109 --> 00:39:35,190

sorry

1048

00:39:39,190 --> 00:39:37,119

but from my understanding there is

1049

00:39:40,710 --> 00:39:39,200

radioactivity readings in locations

1050

00:39:43,910 --> 00:39:40,720

around the world some of them are i

1051

00:39:46,310 --> 00:39:43,920

guess it can happen naturally

1052

00:39:48,150 --> 00:39:46,320

which still is fascinating to me that

1053

00:39:49,510 --> 00:39:48,160

that can be a natural occurrence i

1054

00:39:51,349 --> 00:39:49,520

believe that's something that happened

1055

00:39:54,069 --> 00:39:51,359

over in the middle east and in some

1056

00:39:56,230 --> 00:39:54,079

location um i've forgotten exactly where

1057

00:39:57,990 --> 00:39:56,240

they they found evidence of it but it

1058

00:39:59,990 --> 00:39:58,000

was from a long time ago like a million

1059

00:40:01,990 --> 00:40:00,000

years ago and they still find

1060

00:40:04,550 --> 00:40:02,000

fallout from that so it can be a

1061

00:40:06,390 --> 00:40:04,560

naturally occurring process from

1062

00:40:07,750 --> 00:40:06,400

the few articles i've read about it i'm

1063

00:40:09,109 --> 00:40:07,760

not an expert

1064

00:40:11,750 --> 00:40:09,119

but yeah i would think there'd be some

1065

00:40:13,270 --> 00:40:11,760

kind of evidence associated with it but

1066

00:40:15,670 --> 00:40:13,280

what

1067

00:40:17,349 --> 00:40:15,680

like oral history

1068

00:40:19,670 --> 00:40:17,359

i mean it sounds like sodom and gomorrah

1069

00:40:20,470 --> 00:40:19,680

type of thing it sounds like stories

1070

00:40:23,750 --> 00:40:20,480

from

1071

00:40:27,430 --> 00:40:23,760

our ancient ancestors before writing

1072

00:40:30,150 --> 00:40:27,440

could occur it almost sounds like dune

1073

00:40:33,349 --> 00:40:30,160

like like there were these gods that

1074

00:40:34,550 --> 00:40:33,359

came down in these massive ships to come

1075

00:40:35,910 --> 00:40:34,560

and collect

1076

00:40:37,190 --> 00:40:35,920

spice

1077

00:40:39,589 --> 00:40:37,200

you know and

1078

00:40:42,710 --> 00:40:39,599

and the locals rebelled and dug

1079

00:40:44,630 --> 00:40:42,720

underground and it's almost as if like

1080

00:40:47,430 --> 00:40:44,640

these gods that came down had issues

1081

00:40:49,510 --> 00:40:47,440

with the gods that were there

1082

00:40:52,390 --> 00:40:49,520

and then took them out with some sort of

1083

00:40:55,109 --> 00:40:52,400

catastrophic event and then maybe

1084

00:40:58,309 --> 00:40:55,119

the remnants of what was ever left over

1085

00:41:01,510 --> 00:40:58,319

from those gods is kind of who we are

1086

00:41:04,470 --> 00:41:01,520

today and that's maybe how this hybrid

1087

00:41:07,510 --> 00:41:04,480

theory plays into this whole thing uh

1088

00:41:09,670 --> 00:41:07,520

where maybe the gods you know ended up

1089

00:41:11,430 --> 00:41:09,680

meeting with the with you know the

1090

00:41:15,670 --> 00:41:11,440

mortals on earth

1091

00:41:17,190 --> 00:41:15,680

and and then boom human um

1092

00:41:19,510 --> 00:41:17,200

we're just kind of sitting here waiting

1093

00:41:21,750 --> 00:41:19,520

for them to come back one day i i don't

1094

00:41:23,670 --> 00:41:21,760

think it's so wild to think of it's

1095

00:41:25,510 --> 00:41:23,680

almost like the fifth element

1096

00:41:28,710 --> 00:41:25,520

meets dune

1097

00:41:31,109 --> 00:41:28,720

yeah it make you know it it scares me to

1098

00:41:33,109 --> 00:41:31,119

think about this but also this idea of

1099

00:41:35,910 --> 00:41:33,119

like a lot of these

1100

00:41:37,750 --> 00:41:35,920

unknown artifacts that we found and we

1101

00:41:39,829 --> 00:41:37,760

don't know where they came from or what

1102

00:41:42,390 --> 00:41:39,839

they were used for but they're there

1103

00:41:44,069 --> 00:41:42,400

we've uncovered them we have them uh but

1104

00:41:46,309 --> 00:41:44,079

we don't know exactly what they were

1105

00:41:48,870 --> 00:41:46,319

used for and it scares me it's kind of

1106

00:41:50,790 --> 00:41:48,880

like that you know in contact where they

1107

00:41:52,870 --> 00:41:50,800

build the craft

1108

00:41:55,270 --> 00:41:52,880

and they're like this could be

1109

00:41:57,190 --> 00:41:55,280

we could be building the weapon to

1110

00:41:59,430 --> 00:41:57,200

destroy ourselves that's what always

1111

00:42:01,589 --> 00:41:59,440

scares me you know with these craft that

1112

00:42:04,870 --> 00:42:01,599

have supposedly crashed with these

1113

00:42:06,630 --> 00:42:04,880

pieces of debris that we found um is it

1114

00:42:09,430 --> 00:42:06,640

possible that this could be some sort of

1115

00:42:12,790 --> 00:42:09,440

trojan horse thing and they're like all

1116

00:42:14,870 --> 00:42:12,800

right um either this is gonna like

1117

00:42:17,750 --> 00:42:14,880

change our technology and we're gonna

1118

00:42:20,069 --> 00:42:17,760

leapfrog ahead of every country and uh

1119

00:42:21,430 --> 00:42:20,079

be the prominent power or we're building

1120

00:42:23,589 --> 00:42:21,440

our own

1121

00:42:25,750 --> 00:42:23,599

device to destroy ourselves i don't know

1122

00:42:27,190 --> 00:42:25,760

i don't know um i have what are your

1123

00:42:30,069 --> 00:42:27,200

thoughts about

1124

00:42:31,829 --> 00:42:30,079

this whole ufo disclosure topic like i

1125

00:42:33,670 --> 00:42:31,839

feel like i'm doing the right thing that

1126

00:42:35,670 --> 00:42:33,680

i'm i'm pushing forward trying to get

1127

00:42:36,870 --> 00:42:35,680

the information out because i i want the

1128

00:42:39,109 --> 00:42:36,880

information

1129

00:42:41,270 --> 00:42:39,119

but then i in the back of my mind i

1130

00:42:43,190 --> 00:42:41,280

start to question myself like they've

1131

00:42:45,510 --> 00:42:43,200

they've been hiding this

1132

00:42:47,349 --> 00:42:45,520

and they've been hiding it for a reason

1133

00:42:48,630 --> 00:42:47,359

am i doing the right thing by trying to

1134

00:42:51,990 --> 00:42:48,640

push this

1135

00:42:53,670 --> 00:42:52,000

uh disclosure issue forward and try to i

1136

00:42:55,829 --> 00:42:53,680

want the information am i being greedy

1137

00:42:58,069 --> 00:42:55,839

am i being selfish should i have no

1138

00:42:59,430 --> 00:42:58,079

should i not be doing that am i creating

1139

00:43:02,470 --> 00:42:59,440

am i contributing to something that's

1140

00:43:03,910 --> 00:43:02,480

going to be a net negative to humanity i

1141

00:43:06,790 --> 00:43:03,920

view it as a an

1142

00:43:08,630 --> 00:43:06,800

enormous positive for humanity myself

1143

00:43:10,950 --> 00:43:08,640

but then in the back of my mind there's

1144

00:43:13,030 --> 00:43:10,960

always that nagging thought like

1145

00:43:14,550 --> 00:43:13,040

maybe i shouldn't be doing this maybe we

1146

00:43:16,550 --> 00:43:14,560

shouldn't be doing this maybe we don't

1147

00:43:18,790 --> 00:43:16,560

want to know maybe we can't handle it i

1148

00:43:20,870 --> 00:43:18,800

i want to sleep at night like i have

1149

00:43:22,150 --> 00:43:20,880

those questions that fly through my head

1150

00:43:24,790 --> 00:43:22,160

at times too

1151

00:43:26,390 --> 00:43:24,800

yeah well i mean swink mccloud makes a

1152

00:43:28,470 --> 00:43:26,400

good point we got to find out more about

1153

00:43:30,470 --> 00:43:28,480

these two authors that's so true i mean

1154

00:43:32,710 --> 00:43:30,480

that would answer a lot of our questions

1155

00:43:35,270 --> 00:43:32,720

you know could this be some weird fanfic

1156

00:43:37,510 --> 00:43:35,280

that they wrote about ufos just to mess

1157

00:43:39,030 --> 00:43:37,520

with people no they wouldn't put it in

1158

00:43:41,349 --> 00:43:39,040

an official textbook if that were the

1159

00:43:42,870 --> 00:43:41,359

case at least i don't think they would

1160

00:43:44,550 --> 00:43:42,880

um i mean

1161

00:43:45,990 --> 00:43:44,560

they could also it could be just as

1162

00:43:47,430 --> 00:43:46,000

simple and i know some people probably

1163

00:43:48,710 --> 00:43:47,440

won't like this but it could be just as

1164

00:43:50,950 --> 00:43:48,720

simple as

1165

00:43:52,710 --> 00:43:50,960

to throw the idea out there for a couple

1166

00:43:54,710 --> 00:43:52,720

semesters and gather intelligence on

1167

00:43:55,829 --> 00:43:54,720

what people think about it the idea of

1168

00:43:58,630 --> 00:43:55,839

it

1169

00:43:59,349 --> 00:43:58,640

yeah good point yeah a lot of this could

1170

00:44:01,670 --> 00:43:59,359

be

1171

00:44:03,510 --> 00:44:01,680

who's gonna say what what's gonna come

1172

00:44:05,270 --> 00:44:03,520

yeah could be an intelligence game of

1173

00:44:07,430 --> 00:44:05,280

some sort you know a lot of people think

1174

00:44:09,109 --> 00:44:07,440

with lazar and stuff they fed him all

1175

00:44:11,589 --> 00:44:09,119

this stuff to see what he would go

1176

00:44:14,309 --> 00:44:11,599

public with if he would leak this stuff

1177

00:44:16,309 --> 00:44:14,319

so i don't know you know lazarus side we

1178

00:44:18,470 --> 00:44:16,319

know that they've done that in the past

1179

00:44:20,390 --> 00:44:18,480

maybe these guys were writing this as

1180

00:44:22,870 --> 00:44:20,400

like you said like uh like a movie

1181

00:44:25,510 --> 00:44:22,880

script and maybe they were the influence

1182

00:44:27,750 --> 00:44:25,520

for eric davis writing his supposed

1183

00:44:30,390 --> 00:44:27,760

movie script

1184

00:44:31,589 --> 00:44:30,400

oh man i knew we could somehow bring it

1185

00:44:34,630 --> 00:44:31,599

to the um

1186

00:44:37,510 --> 00:44:34,640

the wilson doctor i mean honestly you

1187

00:44:39,589 --> 00:44:37,520

could start a brand new x-files and the

1188

00:44:43,510 --> 00:44:39,599

first episode could be

1189

00:44:45,190 --> 00:44:43,520

the discovery of this manual like right

1190

00:44:47,270 --> 00:44:45,200

right honestly you can make a movie

1191

00:44:48,309 --> 00:44:47,280

about it or to definitely base a tv show

1192

00:44:50,870 --> 00:44:48,319

off of it

1193

00:44:53,430 --> 00:44:50,880

and some some sort of new paranormal

1194

00:44:55,670 --> 00:44:53,440

investigative duo you know

1195

00:44:57,750 --> 00:44:55,680

get on that dan that's all you man i can

1196

00:44:59,349 --> 00:44:57,760

help you write a dialogue if you want i

1197

00:45:00,950 --> 00:44:59,359

want to find out where they found their

1198

00:45:02,950 --> 00:45:00,960

information to put this all together

1199

00:45:05,109 --> 00:45:02,960

like it's great that we have it in this

1200

00:45:07,510 --> 00:45:05,119

condensed form it had to have come from

1201

00:45:09,190 --> 00:45:07,520

a broad range

1202

00:45:11,510 --> 00:45:09,200

people say it's just typical ufo

1203

00:45:12,790 --> 00:45:11,520

mythology or whatever but it's very

1204

00:45:15,349 --> 00:45:12,800

specific

1205

00:45:18,710 --> 00:45:15,359

well by 1968 though the united states

1206

00:45:21,030 --> 00:45:18,720

military had pretty much secured the

1207

00:45:22,710 --> 00:45:21,040

entire planet

1208

00:45:25,589 --> 00:45:22,720

you know they they

1209

00:45:27,589 --> 00:45:25,599

i mean i'm sure there was many as they

1210

00:45:30,829 --> 00:45:27,599

call spoils of war

1211

00:45:35,589 --> 00:45:30,839

after the second world war and um

1212

00:45:38,870 --> 00:45:35,599

possibly books and and information lost

1213

00:45:41,430 --> 00:45:38,880

uh data through the years that maybe has

1214

00:45:43,030 --> 00:45:41,440

been seen by very few human eyes and you

1215

00:45:45,510 --> 00:45:43,040

know maybe this was just their way of

1216

00:45:49,990 --> 00:45:47,910

paraphrasing it you know right and at

1217

00:45:52,309 --> 00:45:50,000

the same time we were also the united

1218

00:45:55,109 --> 00:45:52,319

states was securing space

1219

00:45:57,510 --> 00:45:55,119

the moon like we went to the moon in 69.

1220

00:45:59,430 --> 00:45:57,520

like this yeah yep well this is yeah

1221

00:46:01,750 --> 00:45:59,440

this is right uh leading up to the space

1222

00:46:03,750 --> 00:46:01,760

race you're right like yeah like

1223

00:46:05,270 --> 00:46:03,760

i mean who knows yeah maybe they're like

1224

00:46:07,270 --> 00:46:05,280

hey we're going to space we need to get

1225

00:46:09,430 --> 00:46:07,280

people prepared for this and so they put

1226

00:46:11,030 --> 00:46:09,440

it in there and then maybe figured out

1227

00:46:13,109 --> 00:46:11,040

oh we'll beat the russians to the moon

1228

00:46:15,109 --> 00:46:13,119

and then just call it a day and then

1229

00:46:17,109 --> 00:46:15,119

stop well i guess you could also make

1230

00:46:18,870 --> 00:46:17,119

that comparison to the james webb tel

1231

00:46:20,230 --> 00:46:18,880

webb telescope and then bringing bill

1232

00:46:22,230 --> 00:46:20,240

well i guess they didn't they didn't

1233

00:46:24,069 --> 00:46:22,240

bring bill nelson on but

1234

00:46:28,150 --> 00:46:24,079

bill nelson got brought on as a nasa

1235

00:46:29,750 --> 00:46:28,160

administrator earlier in 2021 in advance

1236

00:46:31,670 --> 00:46:29,760

of the james webb telescope maybe they

1237

00:46:33,430 --> 00:46:31,680

were concerned like hey we need to start

1238

00:46:34,309 --> 00:46:33,440

saying like we might see something that

1239

00:46:35,670 --> 00:46:34,319

we

1240

00:46:38,069 --> 00:46:35,680

don't

1241

00:46:40,150 --> 00:46:38,079

really expect to see and we need to be

1242

00:46:41,750 --> 00:46:40,160

prepared for that such a good point man

1243

00:46:44,390 --> 00:46:41,760

i mean that's what i'm hoping with the

1244

00:46:48,150 --> 00:46:44,400

james webb and with the galileo project

1245

00:46:51,190 --> 00:46:48,160

is like avi lopez said the skies are not

1246

00:46:53,990 --> 00:46:51,200

classified per se so like the government

1247

00:46:56,390 --> 00:46:54,000

can do everything they want to like

1248

00:46:59,670 --> 00:46:56,400

you know stamp down the ufo thing when

1249

00:47:03,589 --> 00:46:59,680

it comes to military uh you know

1250

00:47:06,069 --> 00:47:03,599

what space um but they can't control the

1251
00:47:07,670 --> 00:47:06,079
entire planet's skies so when you do

1252
00:47:09,990 --> 00:47:07,680
have something like james webb out there

1253
00:47:12,790 --> 00:47:10,000
you do have things like galileo coming

1254
00:47:15,670 --> 00:47:12,800
up these are ripple effects from what

1255
00:47:17,750 --> 00:47:15,680
the government or pentagon did or did

1256
00:47:19,270 --> 00:47:17,760
not do and the response they get from

1257
00:47:21,510 --> 00:47:19,280
the public of

1258
00:47:23,349 --> 00:47:21,520
that's not enough like we're not happy

1259
00:47:25,829 --> 00:47:23,359
with that so we're gonna go and do this

1260
00:47:29,109 --> 00:47:25,839
instead and try to stop us try to stop

1261
00:47:30,950 --> 00:47:29,119
us so that's why i i think a lot of um

1262
00:47:33,190 --> 00:47:30,960
i i love that this was in a physics book

1263
00:47:35,990 --> 00:47:33,200

and i love that the conversation now in

1264

00:47:39,190 --> 00:47:36,000

2022 is leaning a lot more into the

1265

00:47:41,910 --> 00:47:39,200

science of ufos and the the exploration

1266

00:47:44,950 --> 00:47:41,920

of space rather than just the pentagon i

1267

00:47:46,470 --> 00:47:44,960

think since 2017 that's all we've been

1268

00:47:49,270 --> 00:47:46,480

focusing on is the government's

1269

00:47:51,109 --> 00:47:49,280

involvement with this topic um you know

1270

00:47:52,950 --> 00:47:51,119

even up until this conversation with the

1271

00:47:55,670 --> 00:47:52,960

air force but

1272

00:47:58,309 --> 00:47:55,680

the chapter ends um we won't give away

1273

00:48:01,190 --> 00:47:58,319

everything but the chapter ends with

1274

00:48:03,430 --> 00:48:01,200

science and like how we need to continue

1275

00:48:05,510 --> 00:48:03,440

looking at the ufo phenomenon because of

1276

00:48:06,630 --> 00:48:05,520

the benefits it could give us in terms

1277

00:48:08,790 --> 00:48:06,640

of science

1278

00:48:10,630 --> 00:48:08,800

um so that was my long-winded way of

1279

00:48:12,710 --> 00:48:10,640

saying um

1280

00:48:14,710 --> 00:48:12,720

what do you make of this whole chapter

1281

00:48:17,190 --> 00:48:14,720

like what is the message

1282

00:48:18,950 --> 00:48:17,200

that you think we should take away from

1283

00:48:21,270 --> 00:48:18,960

all of this dad i know that's a broad

1284

00:48:24,069 --> 00:48:21,280

big question but um yeah what do you

1285

00:48:25,829 --> 00:48:24,079

think we should look uh look forward to

1286

00:48:27,589 --> 00:48:25,839

by looking back at this chapter in this

1287

00:48:30,630 --> 00:48:27,599

air force manual

1288

00:48:32,309 --> 00:48:30,640

the the process is long and arduous like

1289

00:48:35,270 --> 00:48:32,319

this isn't a quick

1290

00:48:37,589 --> 00:48:35,280

quick solution like i i was i was on

1291

00:48:39,589 --> 00:48:37,599

board with richard dolan's uh tipping

1292

00:48:41,670 --> 00:48:39,599

point theory where enough information

1293

00:48:44,790 --> 00:48:41,680

would come out that it would just be uh

1294

00:48:47,190 --> 00:48:44,800

at an avalanche of follow-up information

1295

00:48:49,829 --> 00:48:47,200

based on what we've seen from 2017 and

1296

00:48:53,750 --> 00:48:49,839

now the differences that we've seen from

1297

00:48:56,470 --> 00:48:53,760

1968 to now it seems like it is a long

1298

00:48:58,230 --> 00:48:56,480

drawn-out process to get any information

1299

00:48:59,750 --> 00:48:58,240

out in the public and that's

1300

00:49:00,950 --> 00:48:59,760

discouraging

1301

00:49:03,030 --> 00:49:00,960

to some

1302

00:49:05,750 --> 00:49:03,040

but not to me because

1303

00:49:07,349 --> 00:49:05,760

the journey is the adventure in this

1304

00:49:08,309 --> 00:49:07,359

particular case

1305

00:49:10,710 --> 00:49:08,319

uh

1306

00:49:11,750 --> 00:49:10,720

we're all here we are all seeking

1307

00:49:13,190 --> 00:49:11,760

answers

1308

00:49:15,190 --> 00:49:13,200

we all want to know more we're all

1309

00:49:17,190 --> 00:49:15,200

digging we wouldn't be digging like this

1310

00:49:19,430 --> 00:49:17,200

if we had the answers already we would

1311

00:49:20,870 --> 00:49:19,440

just be like okay well somebody's on it

1312

00:49:22,950 --> 00:49:20,880

we're gonna

1313

00:49:25,589 --> 00:49:22,960

wait and see what they tell us but now

1314

00:49:27,589 --> 00:49:25,599

it's all of us individuals around the

1315

00:49:30,549 --> 00:49:27,599

globe i mean we're a global effort

1316

00:49:32,710 --> 00:49:30,559

pushing on one topic trying to get to

1317

00:49:34,870 --> 00:49:32,720

the bottom of it so the overarching

1318

00:49:36,630 --> 00:49:34,880

thing to me is patience

1319

00:49:40,069 --> 00:49:36,640

think for yourself

1320

00:49:42,470 --> 00:49:40,079

and continue to push

1321

00:49:45,829 --> 00:49:42,480

exactly i i couldn't agree more man um i

1322

00:49:46,790 --> 00:49:45,839

do want to read this one quote from the

1323

00:49:47,990 --> 00:49:46,800

chapter

1324

00:49:49,670 --> 00:49:48,000

which kind of ties into what you're

1325

00:49:51,750 --> 00:49:49,680

saying although the conding committee

1326

00:49:54,230 --> 00:49:51,760

cautioned that nothing worthwhile was

1327

00:49:56,150 --> 00:49:54,240

likely to result from such research it

1328

00:49:57,990 --> 00:49:56,160

suggested that all of the agencies of

1329

00:49:59,910 --> 00:49:58,000

the federal government and private

1330

00:50:02,630 --> 00:49:59,920

foundations should be willing to

1331

00:50:05,030 --> 00:50:02,640

consider ufo research proposals along

1332

00:50:08,150 --> 00:50:05,040

with the others submitted to them on an

1333

00:50:09,990 --> 00:50:08,160

open-minded unprejudiced basis

1334

00:50:12,549 --> 00:50:10,000

i mean that says it all right there

1335

00:50:14,870 --> 00:50:12,559

we're saying that now today the pentagon

1336

00:50:17,109 --> 00:50:14,880

is saying that like we need to shed the

1337

00:50:18,790 --> 00:50:17,119

stigma and we need to look into this

1338

00:50:21,030 --> 00:50:18,800

because it could

1339

00:50:23,589 --> 00:50:21,040

benefit us if we can exploit that

1340

00:50:26,630 --> 00:50:23,599

technology as the military likes to say

1341

00:50:28,950 --> 00:50:26,640

um how will it benefit us so i think

1342

00:50:30,870 --> 00:50:28,960

you're right a lot hasn't changed since

1343

00:50:33,030 --> 00:50:30,880

this chapter was in this book or even

1344

00:50:35,190 --> 00:50:33,040

before that and we're asking the same

1345

00:50:35,990 --> 00:50:35,200

questions today and we're we're hoping

1346

00:50:38,069 --> 00:50:36,000

to

1347

00:50:39,589 --> 00:50:38,079

exploit the technology we see displayed

1348

00:50:41,430 --> 00:50:39,599

in uap

1349

00:50:44,309 --> 00:50:41,440

but we can't understand it we still

1350

00:50:47,670 --> 00:50:44,319

can't understand it and that's both

1351
00:50:50,150 --> 00:50:47,680
scary frustrating exciting everything um

1352
00:50:51,190 --> 00:50:50,160
which you know welcome to ufology i

1353
00:50:54,950 --> 00:50:51,200
guess well

1354
00:50:57,349 --> 00:50:54,960
in the book itself it says like it is

1355
00:50:59,190 --> 00:50:57,359
hard for our scientists to explain

1356
00:51:01,190 --> 00:50:59,200
stephen greenstreet was on ancient

1357
00:51:03,190 --> 00:51:01,200
aliens with you and he was pointing out

1358
00:51:04,870 --> 00:51:03,200
that in the uap

1359
00:51:06,390 --> 00:51:04,880
preliminary assessment

1360
00:51:09,589 --> 00:51:06,400
it says that the performance

1361
00:51:11,190 --> 00:51:09,599
characteristic characteristics um we

1362
00:51:13,030 --> 00:51:11,200
need to do more science to be able to

1363
00:51:14,870 --> 00:51:13,040

understand them i'm not quoting it word

1364

00:51:17,910 --> 00:51:14,880

for word of course but that's still to

1365

00:51:19,750 --> 00:51:17,920

me what like i miss that gym in

1366

00:51:21,510 --> 00:51:19,760

in the preliminary assessment that our

1367

00:51:23,829 --> 00:51:21,520

science hasn't caught up to what these

1368

00:51:25,829 --> 00:51:23,839

things are our science can't explain it

1369

00:51:27,510 --> 00:51:25,839

that that's a biggie

1370

00:51:28,870 --> 00:51:27,520

sorry my kids are running around in the

1371

00:51:32,150 --> 00:51:28,880

hallway

1372

00:51:33,829 --> 00:51:32,160

oh gosh no man no no no not at all luis

1373

00:51:36,069 --> 00:51:33,839

you got any more questions for dan

1374

00:51:39,030 --> 00:51:36,079

before we start to wrap things up here

1375

00:51:40,549 --> 00:51:39,040

um well i mean just the one thing that

1376

00:51:43,270 --> 00:51:40,559

was also really interesting and again

1377

00:51:45,349 --> 00:51:43,280

this is just the first few pages um it

1378

00:51:48,230 --> 00:51:45,359

talks about hoaxes and rantings due to

1379

00:51:49,750 --> 00:51:48,240

unstable personalities and you know

1380

00:51:52,470 --> 00:51:49,760

basically saying that some suggest that

1381

00:51:54,150 --> 00:51:52,480

these ufo reports are just hoaxes

1382

00:51:55,990 --> 00:51:54,160

um and and

1383

00:51:57,990 --> 00:51:56,000

it's true in some cases but there's a

1384

00:52:00,069 --> 00:51:58,000

lot of cases where these are coming from

1385

00:52:04,230 --> 00:52:00,079

pilots but the first the first thing

1386

00:52:06,230 --> 00:52:04,240

that they reference is a a case that is

1387

00:52:09,349 --> 00:52:06,240

they consider not a hoax which is the

1388

00:52:11,190 --> 00:52:09,359

lonnie zamora case in new mexico um and

1389

00:52:13,589 --> 00:52:11,200

that's uh that's one case that they

1390

00:52:14,950 --> 00:52:13,599

focus on in this report and just sort of

1391

00:52:17,270 --> 00:52:14,960

highlight as

1392

00:52:20,390 --> 00:52:17,280

yeah this isn't this isn't a hoax this

1393

00:52:21,990 --> 00:52:20,400

is some some you know hubcap in the sky

1394

00:52:24,950 --> 00:52:22,000

taking a picture kind of thing this is a

1395

00:52:27,030 --> 00:52:24,960

real case that's also the case that my

1396

00:52:30,150 --> 00:52:27,040

my understanding is that that flipped

1397

00:52:32,309 --> 00:52:30,160

jay allen heineck from skeptic and not

1398

00:52:34,790 --> 00:52:32,319

really believing to be in not being able

1399

00:52:37,510 --> 00:52:34,800

to deny it i believe the lonnie zamora

1400

00:52:39,670 --> 00:52:37,520

case they also reference and and tell

1401
00:52:42,870 --> 00:52:39,680
people to take a close look at betty and

1402
00:52:46,309 --> 00:52:42,880
barney hill as well yeah i saw that yeah

1403
00:52:48,150 --> 00:52:46,319
um the the socorro case i always love

1404
00:52:49,910 --> 00:52:48,160
the part of the story that a lot of

1405
00:52:51,910 --> 00:52:49,920
people don't talk about

1406
00:52:54,230 --> 00:52:51,920
blue book it was like hynek and a few

1407
00:52:56,710 --> 00:52:54,240
other agents or whatnot with the air

1408
00:52:58,390 --> 00:52:56,720
force were heading out there because

1409
00:53:00,470 --> 00:52:58,400
they clearly wanted to be the first to

1410
00:53:02,950 --> 00:53:00,480
get to the site when it happened and

1411
00:53:04,470 --> 00:53:02,960
their car broke down and heineck got

1412
00:53:06,950 --> 00:53:04,480
pissed he's like we need to get there

1413
00:53:08,470 --> 00:53:06,960

like this is an active investigation um

1414

00:53:09,910 --> 00:53:08,480

we could find trace evidence and they're

1415

00:53:11,750 --> 00:53:09,920

like yeah we gotta wait for another

1416

00:53:14,390 --> 00:53:11,760

government car might be another hour or

1417

00:53:17,750 --> 00:53:14,400

so and heinek was literally like

1418

00:53:19,750 --> 00:53:17,760

you guys i'm gonna hitchhike so he

1419

00:53:22,549 --> 00:53:19,760

gets out he hitchhikes all the way to

1420

00:53:24,630 --> 00:53:22,559

socorro and he was the first one on site

1421

00:53:26,790 --> 00:53:24,640

um you know besides zamora and a few of

1422

00:53:28,790 --> 00:53:26,800

the local law enforcement just to get

1423

00:53:30,950 --> 00:53:28,800

there to investigate i love that story i

1424

00:53:32,790 --> 00:53:30,960

love hearing that and pardon my french

1425

00:53:37,030 --> 00:53:32,800

there i didn't mean

1426

00:53:41,430 --> 00:53:39,270

i did have one last question for dan uh

1427

00:53:44,390 --> 00:53:41,440

what do what are the biggest uh

1428

00:53:45,510 --> 00:53:44,400

detractors of this manual or chapter

1429

00:53:47,670 --> 00:53:45,520

that you've

1430

00:53:50,549 --> 00:53:47,680

received or heard where you're like okay

1431

00:53:52,950 --> 00:53:50,559

that might carry some water uh well it's

1432

00:53:55,990 --> 00:53:52,960

the weirdest one to me is why are we

1433

00:53:57,910 --> 00:53:56,000

even talking about this this is old news

1434

00:53:59,589 --> 00:53:57,920

but yeah like like

1435

00:54:03,109 --> 00:53:59,599

i didn't know

1436

00:54:05,030 --> 00:54:03,119

yeah like it's it's new to me it's new

1437

00:54:07,430 --> 00:54:05,040

to a lot of people like

1438

00:54:08,630 --> 00:54:07,440

i had one guy say oh this came out 25

1439

00:54:10,710 --> 00:54:08,640

years ago and i'm like dude do you know

1440

00:54:12,549 --> 00:54:10,720

how many people are under 25 on this

1441

00:54:15,990 --> 00:54:12,559

planet like that

1442

00:54:17,670 --> 00:54:16,000

nonetheless yeah oh yeah by the way

1443

00:54:20,390 --> 00:54:17,680

um that was another thing i got a lot of

1444

00:54:22,710 --> 00:54:20,400

shots across the bow about uh

1445

00:54:24,470 --> 00:54:22,720

now it's on tick tock like

1446

00:54:26,069 --> 00:54:24,480

it's just like a southern accent as soon

1447

00:54:28,710 --> 00:54:26,079

as you say the word tick-tock people

1448

00:54:31,190 --> 00:54:28,720

deduct 10 iq points so

1449

00:54:33,910 --> 00:54:31,200

like there's no respect for tick-tock in

1450

00:54:36,630 --> 00:54:33,920

the ufology at the moment but it's it's

1451

00:54:38,870 --> 00:54:36,640

changing hey gotta be the first for

1452

00:54:40,470 --> 00:54:38,880

something man and i really think you're

1453

00:54:41,670 --> 00:54:40,480

you're doing that you're like avi lope

1454

00:54:44,150 --> 00:54:41,680

you're putting yourself on the front

1455

00:54:48,710 --> 00:54:46,150

that's really much

1456

00:54:51,829 --> 00:54:48,720

i don't even have a front porch yeah

1457

00:54:53,589 --> 00:54:51,839

fair enough fair enough no but i and i

1458

00:54:56,230 --> 00:54:53,599

kind of put this on twitter today as

1459

00:54:59,190 --> 00:54:56,240

well and you know i'm known as the nice

1460

00:55:01,670 --> 00:54:59,200

guy in ufology but when it comes to

1461

00:55:04,630 --> 00:55:01,680

people who were shaming you for doing

1462

00:55:07,030 --> 00:55:04,640

this and saying it's been out there it's

1463

00:55:08,870 --> 00:55:07,040

nothing um

1464

00:55:10,950 --> 00:55:08,880

that's irrelevant

1465

00:55:12,390 --> 00:55:10,960

it's new to a lot of people it was a

1466

00:55:16,309 --> 00:55:12,400

revelation to me i didn't know this

1467

00:55:19,589 --> 00:55:16,319

chapter existed so why not talk about it

1468

00:55:21,349 --> 00:55:19,599

why not put it out on a platform of um

1469

00:55:24,870 --> 00:55:21,359

millennials and younger who have

1470

00:55:27,990 --> 00:55:24,880

absolutely no idea what roswell is what

1471

00:55:30,710 --> 00:55:28,000

rendelsham is what the ufo topic is what

1472

00:55:33,589 --> 00:55:30,720

it was and what it's going to be so i

1473

00:55:35,510 --> 00:55:33,599

mean i think it's awesome like who cares

1474

00:55:37,349 --> 00:55:35,520

if others have talked about it if it's

1475

00:55:40,390 --> 00:55:37,359

nothing um it's worth having the

1476

00:55:42,950 --> 00:55:40,400

conversation and it's getting eyes on it

1477

00:55:44,630 --> 00:55:42,960

and we can have those conversations so

1478

00:55:46,630 --> 00:55:44,640

um to those people out there who did

1479

00:55:48,710 --> 00:55:46,640

that all i want to say is

1480

00:55:50,470 --> 00:55:48,720

shut up move on

1481

00:55:51,589 --> 00:55:50,480

go do what you do

1482

00:55:53,030 --> 00:55:51,599

and um

1483

00:55:55,030 --> 00:55:53,040

skulk in the corner like we're gonna

1484

00:55:57,109 --> 00:55:55,040

have fun talking about this or at least

1485

00:55:58,549 --> 00:55:57,119

watch the video before you criticize it

1486

00:56:02,230 --> 00:55:58,559

like based on their comments they

1487

00:56:04,390 --> 00:56:02,240

haven't even watched the videos

1488

00:56:05,990 --> 00:56:04,400

that's exactly what i said in here and

1489

00:56:07,910 --> 00:56:06,000

yeah there's a lot of that he didn't

1490

00:56:09,510 --> 00:56:07,920

even read the book like how how can you

1491

00:56:11,910 --> 00:56:09,520

criticize this and say it's a nothing

1492

00:56:13,910 --> 00:56:11,920

burger if you haven't read it if you

1493

00:56:15,990 --> 00:56:13,920

haven't done any looking into it some

1494

00:56:18,230 --> 00:56:16,000

guy told you about it and you took his

1495

00:56:20,069 --> 00:56:18,240

word like come on man

1496

00:56:23,109 --> 00:56:20,079

yeah well and that's that's the issue

1497

00:56:25,349 --> 00:56:23,119

with skeptics and we all should be

1498

00:56:26,390 --> 00:56:25,359

skeptical all the time like i'm not

1499

00:56:29,349 --> 00:56:26,400

saying

1500

00:56:35,589 --> 00:56:29,359

they

1501

00:56:38,630 --> 00:56:35,599

look at anything you have a skeptic come

1502

00:56:41,670 --> 00:56:38,640

on news with um you know

1503

00:56:44,230 --> 00:56:41,680

former deputy base commander uh charles

1504

00:56:47,190 --> 00:56:44,240

hall who said hey i was in rendelsham

1505

00:56:49,670 --> 00:56:47,200

1980. uh you craft landed i've got audio

1506

00:56:51,510 --> 00:56:49,680

of it as it was happening and you know

1507

00:56:52,950 --> 00:56:51,520

they turned to the skeptic who just says

1508

00:56:55,910 --> 00:56:52,960

it was the lighthouse it was the

1509

00:56:58,069 --> 00:56:55,920

lighthouse out there and he's like oh

1510

00:57:00,470 --> 00:56:58,079

yeah okay so i know where the lighthouse

1511

00:57:02,710 --> 00:57:00,480

is i'm not an idiot i'm the deputy base

1512

00:57:05,510 --> 00:57:02,720

commander and also what year did this

1513

00:57:07,829 --> 00:57:05,520

happen mr skeptic oh i don't know oh you

1514

00:57:10,150 --> 00:57:07,839

don't even know what year the ufo case

1515

00:57:12,150 --> 00:57:10,160

occurred that you're on television now

1516

00:57:15,589 --> 00:57:12,160

trying to debunk cool just just making

1517

00:57:17,670 --> 00:57:15,599

sure so that is that's a problem i i run

1518

00:57:18,950 --> 00:57:17,680

into too man is they don't even look

1519

00:57:20,549 --> 00:57:18,960

they probably didn't even look at your

1520

00:57:21,910 --> 00:57:20,559

videos before they came out and started

1521

00:57:24,870 --> 00:57:21,920

putting these new

1522

00:57:26,789 --> 00:57:24,880

reactions out there so it is what it is

1523

00:57:29,990 --> 00:57:26,799

unfortunately so one of my one of my

1524

00:57:32,150 --> 00:57:30,000

favorite quotes in ufology is i want to

1525

00:57:34,390 --> 00:57:32,160

say his name is robert jacobs dr robert

1526

00:57:36,549 --> 00:57:34,400

jacobs he's the guy that saw

1527

00:57:39,109 --> 00:57:36,559

filmed the ufo as the

1528

00:57:41,670 --> 00:57:39,119

uh warhead was going through the sky and

1529

00:57:43,270 --> 00:57:41,680

it oh right went in the three o'clock

1530

00:57:45,670 --> 00:57:43,280

twelve o'clock nine o'clock position and

1531

00:57:47,670 --> 00:57:45,680

shot a beam at it and then it fell down

1532

00:57:49,270 --> 00:57:47,680

and he gets so mad because like he

1533

00:57:51,589 --> 00:57:49,280

recounts the story he's like i know what

1534

00:57:57,430 --> 00:57:51,599

i saw my favorite quote is

1535

00:58:01,270 --> 00:57:59,430

i love it what do you do you have any

1536

00:58:03,829 --> 00:58:01,280

plans on what your next deep dive is

1537

00:58:05,030 --> 00:58:03,839

gonna be uh i'm taking a break from deep

1538

00:58:08,309 --> 00:58:05,040

dives for a while that you guys don't

1539

00:58:10,150 --> 00:58:08,319

realize how much like that was 175

1540

00:58:12,630 --> 00:58:10,160

background slides on that like the

1541

00:58:15,430 --> 00:58:12,640

fatigue was setting in towards you sent

1542

00:58:17,910 --> 00:58:15,440

me the the slide uh presentation i still

1543

00:58:19,430 --> 00:58:17,920

have to get my way through all of it um

1544

00:58:21,430 --> 00:58:19,440

well i do want to ask you this dan

1545

00:58:23,270 --> 00:58:21,440

before we go um

1546

00:58:26,309 --> 00:58:23,280

when it comes to the air force they've

1547

00:58:28,630 --> 00:58:26,319

been very quiet on everything going on

1548

00:58:30,710 --> 00:58:28,640

right now so do you think that's gonna

1549

00:58:32,470 --> 00:58:30,720

change are we gonna start hearing more

1550

00:58:34,789 --> 00:58:32,480

from the air force moving forward when

1551

00:58:36,789 --> 00:58:34,799

it comes to this topic or will they once

1552

00:58:38,950 --> 00:58:36,799

again be the ones being a part of the

1553

00:58:40,710 --> 00:58:38,960

cover-up at the very uh you know since

1554

00:58:42,230 --> 00:58:40,720

they were at the very start of it

1555

00:58:43,990 --> 00:58:42,240

basing it on

1556

00:58:45,670 --> 00:58:44,000

um

1557

00:58:49,109 --> 00:58:45,680

what's his name the new

1558

00:58:51,190 --> 00:58:49,119

secretary of the air force kendrick

1559

00:58:53,829 --> 00:58:51,200

i think fred kendrick is his name or

1560

00:58:55,589 --> 00:58:53,839

kendall kendall that's it uh i don't i

1561

00:58:57,430 --> 00:58:55,599

don't see it happen he basically said oh

1562

00:58:58,870 --> 00:58:57,440

yeah it's not something we're concerned

1563

00:59:01,109 --> 00:58:58,880

about it's not something we're gonna

1564

00:59:03,670 --> 00:59:01,119

look into until we're concerned about it

1565

00:59:07,270 --> 00:59:03,680

so you can

1566

00:59:09,589 --> 00:59:07,280

take that type of a mentality and just

1567

00:59:11,109 --> 00:59:09,599

plead ignorance and say oh yeah well we

1568

00:59:13,430 --> 00:59:11,119

we didn't think that it was anything to

1569

00:59:17,430 --> 00:59:13,440

look into we're looking into it on our

1570

00:59:18,950 --> 00:59:17,440

own we're not telling you about it but

1571

00:59:20,950 --> 00:59:18,960

they've got their justification for

1572

00:59:23,430 --> 00:59:20,960

sitting on their hands

1573

00:59:26,069 --> 00:59:23,440

yeah what do you think lou

1574

00:59:28,710 --> 00:59:26,079

um well i'd like to see how long they

1575

00:59:30,309 --> 00:59:28,720

sit on the hands once this new office

1576

00:59:32,150 --> 00:59:30,319

gets established and

1577

00:59:33,670 --> 00:59:32,160

maybe their budget gets cut by this new

1578

00:59:35,270 --> 00:59:33,680

office because they're not sharing

1579

00:59:38,789 --> 00:59:35,280

enough information

1580

00:59:40,470 --> 00:59:38,799

maybe mr kendall changes his tune

1581

00:59:42,069 --> 00:59:40,480

i mean i don't know i don't know you

1582

00:59:43,829 --> 00:59:42,079

know yeah maybe we're going to get that

1583

00:59:45,430 --> 00:59:43,839

chapter

1584

00:59:47,190 --> 00:59:45,440

the new office is supposed to work right

1585

00:59:48,309 --> 00:59:47,200

then i mean essentially

1586

00:59:51,109 --> 00:59:48,319

um

1587

00:59:52,309 --> 00:59:51,119

you know so we'll see but i mean if i

1588

00:59:55,030 --> 00:59:52,319

feel like

1589

00:59:56,950 --> 00:59:55,040

that's especially if you're taking over

1590

00:59:59,109 --> 00:59:56,960

the air force i feel like that's a

1591

01:00:00,470 --> 00:59:59,119

pretty safe statement just to just put

1592

01:00:03,109 --> 01:00:00,480

out be like yep we're not interested in

1593

01:00:05,430 --> 01:00:03,119

this gonna go status quo until i have to

1594

01:00:07,190 --> 01:00:05,440

do otherwise and maybe that office will

1595

01:00:08,789 --> 01:00:07,200

make him do otherwise

1596

01:00:11,589 --> 01:00:08,799

so i mean at least he leaves the door

1597

01:00:13,589 --> 01:00:11,599

the door open to changing it

1598

01:00:15,990 --> 01:00:13,599

if i'm not mistaken i think four of the

1599

01:00:18,230 --> 01:00:16,000

co-sponsors of the gila brand amendment

1600

01:00:21,109 --> 01:00:18,240

were also on the appropriations

1601
01:00:22,309 --> 01:00:21,119
committee so there's like a direct

1602
01:00:23,990 --> 01:00:22,319
uh

1603
01:00:26,309 --> 01:00:24,000
chain or link

1604
01:00:28,950 --> 01:00:26,319
to the money for the performance of

1605
01:00:31,270 --> 01:00:28,960
their their uap duties

1606
01:00:32,549 --> 01:00:31,280
and that doesn't even include the

1607
01:00:35,270 --> 01:00:32,559
the

1608
01:00:36,710 --> 01:00:35,280
uh national security element to it as

1609
01:00:38,950 --> 01:00:36,720
well i mean there's a chain of command

1610
01:00:43,109 --> 01:00:38,960
there as well when it comes to national

1611
01:00:45,270 --> 01:00:43,119
security issues and and the uh

1612
01:00:46,950 --> 01:00:45,280
the committees that also have have to do

1613
01:00:47,750 --> 01:00:46,960

with that aspect of the conversation as

1614

01:00:48,710 --> 01:00:47,760

well

1615

01:00:51,190 --> 01:00:48,720

yeah

1616

01:00:54,549 --> 01:00:51,200

exactly so it says can we uh can we have

1617

01:00:57,270 --> 01:00:54,559

a vote from the panel is it real i i i

1618

01:00:59,829 --> 01:00:57,280

think he's referring to the chapter

1619

01:01:02,470 --> 01:00:59,839

um i'll vote yeah that chapter is real i

1620

01:01:03,430 --> 01:01:02,480

mean resounding yes it's real it was in

1621

01:01:06,549 --> 01:01:03,440

the book

1622

01:01:08,789 --> 01:01:06,559

um you know a matter of it was like

1623

01:01:11,270 --> 01:01:08,799

it was taught to air force students

1624

01:01:14,069 --> 01:01:11,280

yeah jaylen heineck shared it with

1625

01:01:16,549 --> 01:01:14,079

someone that has shared it with us so i

1626
01:01:19,109 --> 01:01:16,559
know that's not him coming to my house

1627
01:01:21,270 --> 01:01:19,119
and laying it on my kitchen table but

1628
01:01:23,109 --> 01:01:21,280
it's as good as it's gonna get

1629
01:01:26,150 --> 01:01:23,119
yeah agreed yeah that was a good

1630
01:01:28,150 --> 01:01:26,160
question alex no i i do firmly believe

1631
01:01:31,190 --> 01:01:28,160
it was real and dan i'm so happy you

1632
01:01:33,750 --> 01:01:31,200
brought it um to a audience who has

1633
01:01:36,549 --> 01:01:33,760
never heard about this chapter including

1634
01:01:39,270 --> 01:01:36,559
myself and wow i think it's awesome

1635
01:01:41,589 --> 01:01:39,280
yeah i think it's i think it's the

1636
01:01:43,750 --> 01:01:41,599
reason why it's awesome is because we

1637
01:01:46,549 --> 01:01:43,760
yeah maybe you're right

1638
01:01:48,470 --> 01:01:46,559

guy we have heard this story before but

1639

01:01:49,670 --> 01:01:48,480

it's never been presented in such an

1640

01:01:52,470 --> 01:01:49,680

easy

1641

01:01:55,990 --> 01:01:52,480

way to understand as the way you did

1642

01:01:59,349 --> 01:01:56,000

with your with your 11 or 12 part series

1643

01:02:00,870 --> 01:01:59,359

i'm the fast food version yeah ufology

1644

01:02:03,829 --> 01:02:00,880

and yeah that's 11.

1645

01:02:06,390 --> 01:02:03,839

but that's so but it's i mean still fast

1646

01:02:07,670 --> 01:02:06,400

food they're two minutes and 50 seconds

1647

01:02:10,470 --> 01:02:07,680

almost each vid they're almost three

1648

01:02:12,549 --> 01:02:10,480

minutes long each video times 11 videos

1649

01:02:16,150 --> 01:02:12,559

that's a half hour of content that's not

1650

01:02:18,150 --> 01:02:16,160

just some fast food video so you know

1651
01:02:19,990 --> 01:02:18,160
you need to tip your hat to yourself a

1652
01:02:23,430 --> 01:02:20,000
little bit like this is a really great

1653
01:02:27,510 --> 01:02:23,440
research thing that breaks down

1654
01:02:29,029 --> 01:02:27,520
an air force manual training class in a

1655
01:02:31,910 --> 01:02:29,039
very simple

1656
01:02:34,870 --> 01:02:31,920
easy to digest understandable way that

1657
01:02:37,750 --> 01:02:34,880
saves the house mom or the dad who's

1658
01:02:38,789 --> 01:02:37,760
busy or the person who's

1659
01:02:41,190 --> 01:02:38,799
at work

1660
01:02:42,630 --> 01:02:41,200
you know uh just flipping on his lunch

1661
01:02:45,349 --> 01:02:42,640
looking for something to entertain

1662
01:02:46,710 --> 01:02:45,359
himself like this is a beautiful

1663
01:02:47,990 --> 01:02:46,720

beautiful

1664

01:02:52,710 --> 01:02:48,000

little

1665

01:02:55,430 --> 01:02:52,720

of private museum of this document and

1666

01:02:58,150 --> 01:02:55,440

it's cool man and i think it's important

1667

01:03:00,069 --> 01:02:58,160

and you did an amazing job on it so

1668

01:03:02,470 --> 01:03:00,079

congratulations

1669

01:03:04,630 --> 01:03:02,480

i think it's presenting this story in a

1670

01:03:06,549 --> 01:03:04,640

really fresh way to a whole new group of

1671

01:03:08,870 --> 01:03:06,559

people that may have never heard about

1672

01:03:11,029 --> 01:03:08,880

this before even if you have this is a

1673

01:03:13,829 --> 01:03:11,039

great way to share it with your friends

1674

01:03:15,910 --> 01:03:13,839

that maybe either never have or have and

1675

01:03:18,150 --> 01:03:15,920

it's presented in a really just fun way

1676

01:03:20,630 --> 01:03:18,160

to watch so so

1677

01:03:21,910 --> 01:03:20,640

that was the goal like i i always get in

1678

01:03:23,990 --> 01:03:21,920

conversations with people who are like

1679

01:03:27,029 --> 01:03:24,000

oh you need to read this book or read

1680

01:03:30,630 --> 01:03:27,039

this article and i always go yeah that

1681

01:03:34,549 --> 01:03:32,710

got a short version so i'm trying to i'm

1682

01:03:36,789 --> 01:03:34,559

trying to read for people make it easy

1683

01:03:37,829 --> 01:03:36,799

to consume and provide the context

1684

01:03:39,349 --> 01:03:37,839

around

1685

01:03:40,950 --> 01:03:39,359

whatever the information is so that

1686

01:03:43,510 --> 01:03:40,960

people can have a better

1687

01:03:45,190 --> 01:03:43,520

feel for the significance of what i'm

1688

01:03:46,630 --> 01:03:45,200

trying to talk about or the event that

1689

01:03:48,390 --> 01:03:46,640
has just occurred

1690

01:03:51,270 --> 01:03:48,400
yeah exactly

1691

01:03:54,069 --> 01:03:51,280
i just put a link uh oh god i think i

1692

01:03:57,510 --> 01:03:54,079
did i just put a ridiculously long link

1693

01:03:59,510 --> 01:03:57,520
in the chat of your uh your tick tock um

1694

01:04:00,870 --> 01:03:59,520
but why don't you just give it to us

1695

01:04:02,390 --> 01:04:00,880
just in case because it looks like i

1696

01:04:04,309 --> 01:04:02,400
screwed something yeah i know you might

1697

01:04:07,270 --> 01:04:04,319
tell us where we can find it

1698

01:04:09,670 --> 01:04:07,280
uh just the fifth pillar of emphasis and

1699

01:04:10,870 --> 01:04:09,680
um i have a youtube channel as well that

1700

01:04:12,549 --> 01:04:10,880
i'm trying to grow i'm gonna start

1701

01:04:13,589 --> 01:04:12,559

putting some longer content on there

1702

01:04:15,589 --> 01:04:13,599

i'll probably

1703

01:04:17,589 --> 01:04:15,599

compile all these videos into one and

1704

01:04:19,670 --> 01:04:17,599

put them on my youtube channel so it's

1705

01:04:22,150 --> 01:04:19,680

uh the fifth pillar of emphasis there as

1706

01:04:23,750 --> 01:04:22,160

well uh you can find me on tick tock at

1707

01:04:26,230 --> 01:04:23,760

dan warren at

1708

01:04:28,470 --> 01:04:26,240

hey look over there look is spelled with

1709

01:04:30,230 --> 01:04:28,480

a u instead of two o's because someone

1710

01:04:32,390 --> 01:04:30,240

else beat me to it

1711

01:04:34,069 --> 01:04:32,400

uh but yeah like just look for the fifth

1712

01:04:36,069 --> 01:04:34,079

pillar of emphasis on tick tock you can

1713

01:04:39,349 --> 01:04:36,079

even type just ufo and you're gonna see

1714

01:04:41,510 --> 01:04:39,359

my ugly mug and click on the plus button

1715

01:04:43,750 --> 01:04:41,520

and also alex garcia i just sent you the

1716

01:04:45,510 --> 01:04:43,760

pdf of it so you can

1717

01:04:47,029 --> 01:04:45,520

you can just open up the pdf if you want

1718

01:04:48,710 --> 01:04:47,039

to check it out there too because i that

1719

01:04:50,150 --> 01:04:48,720

was sent to me by lee spiegel he's got

1720

01:04:51,190 --> 01:04:50,160

it on pdf

1721

01:04:53,670 --> 01:04:51,200

um

1722

01:04:55,029 --> 01:04:53,680

so where can you post a pdf i think

1723

01:04:56,549 --> 01:04:55,039

we've posted it definitely on our

1724

01:04:58,789 --> 01:04:56,559

discord but not everybody's part of my

1725

01:05:00,390 --> 01:04:58,799

discord but um

1726

01:05:02,309 --> 01:05:00,400

you know i've got a pdf of it if you

1727

01:05:03,510 --> 01:05:02,319

want just give me a shout and i'll send

1728

01:05:05,670 --> 01:05:03,520

it to you

1729

01:05:07,510 --> 01:05:05,680

cool i love it nightgazer says dan

1730

01:05:10,470 --> 01:05:07,520

you're great at cutting and condensing

1731

01:05:12,309 --> 01:05:10,480

down super clear presentations and then

1732

01:05:14,390 --> 01:05:12,319

michael huntington says great job the

1733

01:05:15,829 --> 01:05:14,400

more education about ufo history the

1734

01:05:18,150 --> 01:05:15,839

better so many in the field these days

1735

01:05:20,870 --> 01:05:18,160

don't know ufology i could not agree

1736

01:05:22,789 --> 01:05:20,880

more with my on that um so hey man

1737

01:05:25,029 --> 01:05:22,799

you're doing a service you're fighting

1738

01:05:28,870 --> 01:05:25,039

the fight and you're on the front lines

1739

01:05:30,950 --> 01:05:28,880

on a social media site that um a lot of

1740

01:05:33,990 --> 01:05:30,960

the people in ufology aren't even aware

1741

01:05:36,789 --> 01:05:34,000

of so i highly suggest everyone go go

1742

01:05:39,430 --> 01:05:36,799

get on tick tock go follow fifth pillar

1743

01:05:41,750 --> 01:05:39,440

of emphasis um because you do make it

1744

01:05:43,349 --> 01:05:41,760

very digestible and that's a sign of a

1745

01:05:45,829 --> 01:05:43,359

good teacher man so you taught me

1746

01:05:47,910 --> 01:05:45,839

tonight um i have to thank you for doing

1747

01:05:51,589 --> 01:05:47,920

this i know you and luis are gonna go

1748

01:05:53,670 --> 01:05:51,599

much deeper on his show next week so um

1749

01:05:55,589 --> 01:05:53,680

yeah one more time dan before i let you

1750

01:05:57,670 --> 01:05:55,599

go here brother tell us where we can

1751

01:05:58,950 --> 01:05:57,680

find everything you're up to

1752

01:06:00,630 --> 01:05:58,960

um

1753

01:06:02,549 --> 01:06:00,640

i want to just real quick say thank you

1754

01:06:04,309 --> 01:06:02,559

to eric weinstein for

1755

01:06:07,029 --> 01:06:04,319

retweeting it of course thank you very

1756

01:06:09,029 --> 01:06:07,039

much um but yeah find me at the fifth

1757

01:06:12,390 --> 01:06:09,039

pillar of emphasis just look for ufo on

1758

01:06:13,910 --> 01:06:12,400

tick tock uh find me on twitter at hey

1759

01:06:16,710 --> 01:06:13,920

look over there

1760

01:06:19,109 --> 01:06:16,720

i have a link to my tick tock on my

1761

01:06:20,950 --> 01:06:19,119

twitter profile so you can find me that

1762

01:06:22,150 --> 01:06:20,960

way and go to youtube subscribe to my

1763

01:06:24,069 --> 01:06:22,160

channel so i can start doing live

1764

01:06:27,270 --> 01:06:24,079

streams because i'm i'm not even close

1765

01:06:29,829 --> 01:06:27,280

i'm still a fledgling youtuber

1766

01:06:32,069 --> 01:06:29,839

hey man i'm me too me too we'll we'll

1767

01:06:33,829 --> 01:06:32,079

get there together for sure all right

1768

01:06:35,510 --> 01:06:33,839

brother i'm gonna let you go i'm gonna

1769

01:06:37,670 --> 01:06:35,520

say goodnight to luis and then i'm gonna

1770

01:06:39,510 --> 01:06:37,680

talk some shop with my my viewers but

1771

01:06:41,029 --> 01:06:39,520

dan i have to thank you so much for

1772

01:06:43,029 --> 01:06:41,039

coming on somewhere in the skies tonight

1773

01:06:45,670 --> 01:06:43,039

my name thank you for having me pleasure

1774

01:06:47,430 --> 01:06:45,680

meeting you young don we'll see you

1775

01:06:49,589 --> 01:06:47,440

we'll see you next week buddy see you

1776

01:06:51,589 --> 01:06:49,599

later nuts yeah not so much young

1777

01:06:53,109 --> 01:06:51,599

anymore but it's very nice of you

1778

01:06:54,630 --> 01:06:53,119

brother all right have a great night all

1779

01:06:56,710 --> 01:06:54,640

right thank you

1780

01:06:58,829 --> 01:06:56,720

take care

1781

01:07:01,910 --> 01:06:58,839

dude that was amazing that was my first

1782

01:07:02,950 --> 01:07:01,920

time talking to dan i and again

1783

01:07:05,190 --> 01:07:02,960

like

1784

01:07:07,029 --> 01:07:05,200

bringing this forward to an audience

1785

01:07:08,870 --> 01:07:07,039

who's never heard of it is the most

1786

01:07:12,069 --> 01:07:08,880

important thing you can do in this field

1787

01:07:13,589 --> 01:07:12,079

so um i'm so happy we were able to just

1788

01:07:14,789 --> 01:07:13,599

scratch the surface of it with them

1789

01:07:17,109 --> 01:07:14,799

tonight but i know you're going to have

1790

01:07:18,710 --> 01:07:17,119

them on next week probably to dive a

1791

01:07:20,950 --> 01:07:18,720

little deeper into this

1792

01:07:22,789 --> 01:07:20,960

uh yeah i mean yeah we could we could

1793

01:07:24,870 --> 01:07:22,799

definitely dive into it again it's fun

1794

01:07:25,510 --> 01:07:24,880

dan i mean you know dan also

1795

01:07:41,029 --> 01:07:25,520

i

1796

01:07:42,870 --> 01:07:41,039

local rep so he's actually he's got a

1797

01:07:45,990 --> 01:07:42,880

dialogue with him so

1798

01:07:48,150 --> 01:07:46,000

um yeah dan is an incredibly intelligent

1799

01:07:49,990 --> 01:07:48,160

guy one of the good guys in this fight

1800

01:07:52,230 --> 01:07:50,000

for sure absolutely i'm so very

1801
01:07:54,549 --> 01:07:52,240
level-headed very

1802
01:07:56,950 --> 01:07:54,559
approachable um

1803
01:07:59,029 --> 01:07:56,960
just just wants to help and again he's

1804
01:08:01,270 --> 01:07:59,039
just an absolute asset

1805
01:08:04,630 --> 01:08:01,280
uh when it comes to this discussion and

1806
01:08:07,109 --> 01:08:04,640
and one of the new just awesome voices

1807
01:08:09,589 --> 01:08:07,119
yeah topic for sure he's the real young

1808
01:08:11,750 --> 01:08:09,599
gun let's be completely honest but um

1809
01:08:13,670 --> 01:08:11,760
what else you got going on over at ucr

1810
01:08:16,870 --> 01:08:13,680
this week my man give it to us what can

1811
01:08:19,030 --> 01:08:16,880
we do uh well tomorrow

1812
01:08:19,910 --> 01:08:19,040
who do we have tomorrow oh yeah we got

1813
01:08:21,749 --> 01:08:19,920

um

1814

01:08:22,709 --> 01:08:21,759

preston dennett tomorrow which would be

1815

01:08:24,630 --> 01:08:22,719

cool

1816

01:08:27,269 --> 01:08:24,640

and then on friday we got jack shaw he's

1817

01:08:28,870 --> 01:08:27,279

going to come and talk about his uh uh

1818

01:08:31,510 --> 01:08:28,880

article that he wrote in the debrief

1819

01:08:35,110 --> 01:08:31,520

about the michigan lights

1820

01:08:36,630 --> 01:08:35,120

and uh yeah and then next week we got uh

1821

01:08:37,749 --> 01:08:36,640

john ramirez coming back and we're also

1822

01:08:39,829 --> 01:08:37,759

going to have sean webb join that

1823

01:08:40,630 --> 01:08:39,839

conversation so that'll be very cool as

1824

01:08:42,229 --> 01:08:40,640

well

1825

01:08:44,630 --> 01:08:42,239

cool cool i'm looking forward to the

1826

01:08:47,110 --> 01:08:44,640

jazz one that michigan case is one of my

1827

01:08:50,829 --> 01:08:47,120

all-time favorites i'm uh what's uh

1828

01:08:57,189 --> 01:08:54,709

honestly it would have to be um

1829

01:08:57,990 --> 01:08:57,199

just the amount of attention paid to it

1830

01:09:00,470 --> 01:08:58,000

by

1831

01:09:02,789 --> 01:09:00,480

you know the radar operators the locals

1832

01:09:05,349 --> 01:09:02,799

the weather people that were involved um

1833

01:09:07,189 --> 01:09:05,359

there's just so much testimony of

1834

01:09:09,030 --> 01:09:07,199

credible individuals

1835

01:09:10,709 --> 01:09:09,040

involved with it that we can pull from

1836

01:09:12,550 --> 01:09:10,719

and you really can't ask for more than

1837

01:09:15,430 --> 01:09:12,560

that so that's a cool case man it's a

1838

01:09:17,430 --> 01:09:15,440

cool case for sure yeah i believe you

1839

01:09:18,950 --> 01:09:17,440

should you know you should talk to as

1840

01:09:21,749 --> 01:09:18,960

well um

1841

01:09:24,630 --> 01:09:21,759

bill k i i don't know how to pronounce

1842

01:09:26,950 --> 01:09:24,640

his last name colin then kolinsky maybe

1843

01:09:27,990 --> 01:09:26,960

um he's a mufon investigator out in

1844

01:09:31,749 --> 01:09:28,000

michigan

1845

01:09:33,510 --> 01:09:31,759

um who looked heavily into it as well um

1846

01:09:35,030 --> 01:09:33,520

i'll have to i'll get you a link for him

1847

01:09:36,789 --> 01:09:35,040

but um

1848

01:09:38,789 --> 01:09:36,799

yeah i'm looking forward to it you got a

1849

01:09:39,990 --> 01:09:38,799

good week going on over there my man so

1850

01:09:41,269 --> 01:09:40,000

again

1851

01:09:43,189 --> 01:09:41,279

where can we find everything you're up

1852

01:09:44,390 --> 01:09:43,199

to before we let you go um you can find

1853

01:09:46,070 --> 01:09:44,400

me on my twitter handle right here at

1854

01:09:48,630 --> 01:09:46,080

los angeles uh you can find us at the

1855

01:09:50,950 --> 01:09:48,640

unidentified celebrity review on youtube

1856

01:09:53,349 --> 01:09:50,960

uh and yeah pretty easy

1857

01:09:56,149 --> 01:09:53,359

easy mcleod says the audio duh yeah i

1858

01:09:58,709 --> 01:09:56,159

should have there's audio um to the

1859

01:10:00,149 --> 01:09:58,719

michigan case as well which is pretty

1860

01:10:01,830 --> 01:10:00,159

pretty awesome they're they're pretty

1861

01:10:04,149 --> 01:10:01,840

spooked in that audio from what i

1862

01:10:06,149 --> 01:10:04,159

remember so yeah we can't ask for more

1863

01:10:07,990 --> 01:10:06,159

than that for sure awesome my man i'm

1864

01:10:09,750 --> 01:10:08,000

gonna let you know we could perhaps ask

1865

01:10:12,070 --> 01:10:09,760

for more than that right we we could we

1866

01:10:13,669 --> 01:10:12,080

always connected i mean like i'd like to

1867

01:10:16,390 --> 01:10:13,679

see the craft

1868

01:10:19,430 --> 01:10:17,669

i'm probably not going to get it but

1869

01:10:21,110 --> 01:10:19,440

i'll ask for it

1870

01:10:22,470 --> 01:10:21,120
