

SOMEWHERE IN THE SKIES

UFOS AND HIGH STRANGENESS
OVER WHITEMAN AFB
WITH ADRIAN REISTER (USAF)

1
00:00:09,930 --> 00:00:08,230
this is somewhere in the skies with ryan

2
00:00:28,310 --> 00:00:09,940
sprague

3
00:00:30,390 --> 00:00:28,320
[Music]

4
00:00:32,310 --> 00:00:30,400
hey guys ryan sprague here from

5
00:00:33,750 --> 00:00:32,320
somewhere in the skies and welcome to

6
00:00:36,229 --> 00:00:33,760
yet another

7
00:00:38,150 --> 00:00:36,239
special live stream we are doing tonight

8
00:00:40,630 --> 00:00:38,160
at somewhere in the skies we are live on

9
00:00:42,069 --> 00:00:40,640
facebook we are live on youtube if

10
00:00:43,990 --> 00:00:42,079
you're watching on facebook just do

11
00:00:45,830 --> 00:00:44,000
yourself a favor go over to youtube it's

12
00:00:48,549 --> 00:00:45,840
a lot easier i'm not gonna see your

13
00:00:50,389 --> 00:00:48,559

comments on facebook unfortunately um

14

00:00:52,869 --> 00:00:50,399

there's something with this program that

15

00:00:55,110 --> 00:00:52,879

makes it very hard to do that but we're

16

00:00:57,430 --> 00:00:55,120

gonna be having a chat party over on

17

00:00:59,910 --> 00:00:57,440

youtube so head on over and watch us

18

00:01:02,310 --> 00:00:59,920

there if you're not already um yeah

19

00:01:05,109 --> 00:01:02,320

we're gonna be talking to a gentleman

20

00:01:08,630 --> 00:01:05,119

today um this story broke basically

21

00:01:10,070 --> 00:01:08,640

yesterday on the 12th and um we do have

22

00:01:12,390 --> 00:01:10,080

christopher sharp

23

00:01:14,310 --> 00:01:12,400

of uh the liberation times to thank for

24

00:01:17,429 --> 00:01:14,320

bringing this story forward and

25

00:01:20,550 --> 00:01:17,439

introducing us all to our guest today um

26

00:01:23,670 --> 00:01:20,560

his name is adrian reister uh he is

27

00:01:24,870 --> 00:01:23,680

former usaf and um

28

00:01:26,870 --> 00:01:24,880

basically

29

00:01:29,510 --> 00:01:26,880

chris broke this story and it's about

30

00:01:31,830 --> 00:01:29,520

adrian's experiences that he had as a

31

00:01:36,230 --> 00:01:31,840

nuclear technician at whiteman air force

32

00:01:37,910 --> 00:01:36,240

base between the years of 2003 and 2007.

33

00:01:40,870 --> 00:01:37,920

i know on somewhere in the skies we've

34

00:01:42,950 --> 00:01:40,880

talked a lot about uh ufos over over

35

00:01:45,510 --> 00:01:42,960

nuclear installations and

36

00:01:46,789 --> 00:01:45,520

um power plants and stuff like that so

37

00:01:49,350 --> 00:01:46,799

this is going to be pretty interesting

38

00:01:52,230 --> 00:01:49,360

to hear new stories about these things

39

00:01:53,830 --> 00:01:52,240

happening in very dramatic fashion

40

00:01:54,870 --> 00:01:53,840

nonetheless while

41

00:01:57,109 --> 00:01:54,880

actual

42

00:01:59,990 --> 00:01:57,119

nuclear ordinance was being transported

43

00:02:01,990 --> 00:02:00,000

so um before we get to that the super

44

00:02:03,830 --> 00:02:02,000

chat and super stickers are open so if

45

00:02:06,389 --> 00:02:03,840

you do want to help someone in the skies

46

00:02:08,630 --> 00:02:06,399

tonight and get your questions answered

47

00:02:10,469 --> 00:02:08,640

by adrian we will try our hardest to get

48

00:02:13,270 --> 00:02:10,479

to those i already have a bunch of

49

00:02:15,350 --> 00:02:13,280

listener questions already stacked up

50

00:02:17,510 --> 00:02:15,360

here so without further ado i'm gonna

51
00:02:19,190 --> 00:02:17,520
bring him in and um we're gonna get to

52
00:02:22,309 --> 00:02:19,200
know adrian a little bit before we get

53
00:02:23,670 --> 00:02:22,319
into his experiences so adrian thank you

54
00:02:24,869 --> 00:02:23,680
for joining me today on somewhere in the

55
00:02:26,309 --> 00:02:24,879
skies

56
00:02:28,949 --> 00:02:26,319
how's it going man

57
00:02:30,869 --> 00:02:28,959
good good i'm so happy you were able to

58
00:02:33,589 --> 00:02:30,879
do this i know as soon as this story

59
00:02:36,470 --> 00:02:33,599
broke i am sure that you got contacted

60
00:02:37,270 --> 00:02:36,480
by a lot of the ufo community

61
00:02:39,430 --> 00:02:37,280
yeah

62
00:02:42,070 --> 00:02:39,440
and i was one of those people who uh

63
00:02:43,750 --> 00:02:42,080

immediately you know stalked you down

64

00:02:45,750 --> 00:02:43,760

and um you were so gracious with

65

00:02:47,990 --> 00:02:45,760

accepting this invitation so thank you

66

00:02:49,589 --> 00:02:48,000

for being here not a problem man it's

67

00:02:52,229 --> 00:02:49,599

it's my pleasure

68

00:02:56,390 --> 00:02:52,239

cool well i mean for those who may not

69

00:02:59,030 --> 00:02:56,400

know um you know me included really uh

70

00:03:01,030 --> 00:02:59,040

who you are where you come from and all

71

00:03:04,229 --> 00:03:01,040

that could you sort of paint a picture

72

00:03:04,949 --> 00:03:04,239

for us of um how you got um interested

73

00:03:09,030 --> 00:03:04,959

in

74

00:03:11,110 --> 00:03:09,040

be a nuclear technician yeah however you

75

00:03:15,110 --> 00:03:11,120

want to paint that picture for us

76

00:03:16,790 --> 00:03:15,120

sure cool well um so i went to basic or

77

00:03:18,550 --> 00:03:16,800

the air force pretty much

78

00:03:20,710 --> 00:03:18,560

right out of high school

79

00:03:23,270 --> 00:03:20,720

um

80

00:03:25,110 --> 00:03:23,280

honestly i i slept a lot through high

81

00:03:26,949 --> 00:03:25,120

school i i didn't do a lot of my

82

00:03:29,430 --> 00:03:26,959

homework i could pass the tests fairly

83

00:03:31,430 --> 00:03:29,440

easily and that was not the issue it was

84

00:03:33,670 --> 00:03:31,440

just doing my homework right

85

00:03:36,309 --> 00:03:33,680

right so i didn't really have

86

00:03:38,149 --> 00:03:36,319

great grades but you know i was able to

87

00:03:39,430 --> 00:03:38,159

get in the air force and

88

00:03:42,229 --> 00:03:39,440

i had about

89

00:03:43,030 --> 00:03:42,239

i think it was a 97 on my asb so pretty

90

00:03:44,470 --> 00:03:43,040

much

91

00:03:45,750 --> 00:03:44,480

everything was open to me in the air

92

00:03:47,910 --> 00:03:45,760

force and

93

00:03:50,789 --> 00:03:47,920

i had actually originally

94

00:03:52,550 --> 00:03:50,799

went in to go as uh eod explosive

95

00:03:54,630 --> 00:03:52,560

ordnance disposal

96

00:03:55,990 --> 00:03:54,640

um i don't know if anybody's familiar

97

00:03:57,589 --> 00:03:56,000

with that it is

98

00:04:00,710 --> 00:03:57,599

essentially the bomb squad of the

99

00:04:04,630 --> 00:04:01,509

and

100

00:04:06,710 --> 00:04:04,640

you know it's it is a really intensive

101

00:04:09,670 --> 00:04:06,720

very difficult course

102

00:04:11,990 --> 00:04:09,680

and unfortunately i i washed out of that

103

00:04:13,350 --> 00:04:12,000

course and you know it was just one of

104

00:04:16,789 --> 00:04:13,360

those things

105

00:04:18,229 --> 00:04:16,799

um so after that you know i was kind of

106

00:04:19,110 --> 00:04:18,239

a what they call a student out of

107

00:04:21,189 --> 00:04:19,120

training

108

00:04:22,550 --> 00:04:21,199

uh for about a month or two

109

00:04:24,390 --> 00:04:22,560

and then that was when they decided they

110

00:04:25,990 --> 00:04:24,400

were gonna throw me a nuclear weapons

111

00:04:28,310 --> 00:04:26,000

hey you can't work on

112

00:04:29,830 --> 00:04:28,320

regular bombs but you know what we're

113

00:04:31,749 --> 00:04:29,840

gonna have you work on these nuclear

114

00:04:34,870 --> 00:04:31,759

ones over here makes sense that's

115

00:04:36,950 --> 00:04:34,880

logical totally man

116

00:04:38,870 --> 00:04:36,960

so

117

00:04:40,469 --> 00:04:38,880

you know um

118

00:04:42,710 --> 00:04:40,479

i didn't really have any other choice

119

00:04:45,430 --> 00:04:42,720

but to accept hey yeah i guess i'm gonna

120

00:04:47,749 --> 00:04:45,440

go work on nuclear weapons um

121

00:04:50,550 --> 00:04:47,759

but you know it was a fairly interesting

122

00:04:52,710 --> 00:04:50,560

career field um

123

00:04:54,629 --> 00:04:52,720

there's a lot of secret stuff in it oh

124

00:04:57,110 --> 00:04:54,639

i'm sure yeah i know probably the stuff

125

00:04:58,230 --> 00:04:57,120

our audience really wants to know but um

126

00:05:00,710 --> 00:04:58,240

what i mean

127

00:05:02,790 --> 00:05:00,720

what is what is like a typical day what

128

00:05:05,029 --> 00:05:02,800

did it look like for you as a technician

129

00:05:07,189 --> 00:05:05,039

i know it probably varied when your

130

00:05:08,950 --> 00:05:07,199

duties changed and whatnot but like are

131

00:05:11,749 --> 00:05:08,960

we talking like every day you were

132

00:05:13,590 --> 00:05:11,759

around these weapons and either

133

00:05:15,270 --> 00:05:13,600

usually working with them transporting

134

00:05:17,189 --> 00:05:15,280

no okay not every day

135

00:05:19,749 --> 00:05:17,199

um

136

00:05:21,430 --> 00:05:19,759

without going into two big specifics

137

00:05:22,710 --> 00:05:21,440

they have things called maintenance

138

00:05:25,990 --> 00:05:22,720

cycles

139

00:05:28,469 --> 00:05:26,000

you're gonna see a lot more weapons than

140

00:05:29,670 --> 00:05:28,479

when you know other things happen

141

00:05:30,870 --> 00:05:29,680

um

142

00:05:32,710 --> 00:05:30,880

so

143

00:05:33,830 --> 00:05:32,720

during those times is when you know you

144

00:05:35,189 --> 00:05:33,840

you're gonna be spending a little bit

145

00:05:37,029 --> 00:05:35,199

more time

146

00:05:37,990 --> 00:05:37,039

actually inside

147

00:05:40,870 --> 00:05:38,000

the

148

00:05:42,790 --> 00:05:40,880

stuff

149

00:05:45,430 --> 00:05:42,800

uh as a lower

150

00:05:47,590 --> 00:05:45,440

ranked airman however um if you haven't

151
00:05:50,310 --> 00:05:47,600
had you know your training crew you

152
00:05:52,469 --> 00:05:50,320
haven't gotten your training yet or

153
00:05:54,230 --> 00:05:52,479
um

154
00:05:55,670 --> 00:05:54,240
just they need extra bodies you're going

155
00:05:57,670 --> 00:05:55,680
to be holding a gun

156
00:05:59,590 --> 00:05:57,680
right okay and that's essentially what i

157
00:06:02,390 --> 00:05:59,600
did for the prayer first

158
00:06:04,950 --> 00:06:02,400
year or two when i was at bay on base

159
00:06:06,150 --> 00:06:04,960
and uh you know for one of those

160
00:06:07,990 --> 00:06:06,160
instances

161
00:06:08,870 --> 00:06:08,000
we'll go on to that later i'm sure

162
00:06:11,110 --> 00:06:08,880
um

163
00:06:13,029 --> 00:06:11,120

but i've i've held a lot of

164

00:06:15,110 --> 00:06:13,039

m16s just

165

00:06:16,870 --> 00:06:15,120

looking at the sky looking at the grass

166

00:06:18,150 --> 00:06:16,880

you know

167

00:06:20,390 --> 00:06:18,160

i've

168

00:06:23,270 --> 00:06:20,400

the the area that i worked at was right

169

00:06:25,270 --> 00:06:23,280

next to the flight line so i've been

170

00:06:28,710 --> 00:06:25,280

able to see b2s take off i've been able

171

00:06:30,550 --> 00:06:28,720

to see f-17 or f-117s

172

00:06:32,469 --> 00:06:30,560

pretty much everything in the inventory

173

00:06:34,550 --> 00:06:32,479

that the air force has short of like

174

00:06:36,230 --> 00:06:34,560

really big planes and just really

175

00:06:39,029 --> 00:06:36,240

specialized planes

176

00:06:41,749 --> 00:06:39,039

then i've i've probably seen it you know

177

00:06:44,870 --> 00:06:41,759

so you have you are well aware of the

178

00:06:46,950 --> 00:06:44,880

most advanced aircraft um probably out

179

00:06:49,749 --> 00:06:46,960

there today yeah being launched from

180

00:06:52,230 --> 00:06:49,759

your base right okay yeah interest

181

00:06:53,909 --> 00:06:52,240

um was this was this the only base you

182

00:06:55,510 --> 00:06:53,919

were stationed at um yeah in your time

183

00:06:58,469 --> 00:06:55,520

in the air force

184

00:06:59,990 --> 00:06:58,479

well i mean basic training was lackland

185

00:07:00,950 --> 00:07:00,000

air force base

186

00:07:03,029 --> 00:07:00,960

um

187

00:07:04,150 --> 00:07:03,039

and then for the eod training was

188

00:07:06,550 --> 00:07:04,160

technically

189

00:07:09,510 --> 00:07:06,560

lackland as well but it was like an uh

190

00:07:12,790 --> 00:07:09,520

an annex uh called medina

191

00:07:14,629 --> 00:07:12,800

um and after that when i got to the nuke

192

00:07:15,589 --> 00:07:14,639

school was in

193

00:07:17,270 --> 00:07:15,599

um

194

00:07:19,110 --> 00:07:17,280

wichita falls

195

00:07:20,950 --> 00:07:19,120

and then after that is in i got

196

00:07:24,790 --> 00:07:20,960

stationed at whiteman

197

00:07:27,430 --> 00:07:24,800

okay gotcha now in terms of um dealing

198

00:07:29,670 --> 00:07:27,440

with these weapons i know like you said

199

00:07:32,390 --> 00:07:29,680

a lot of the time it was guarding um and

200

00:07:35,029 --> 00:07:32,400

whatnot but like did you have to learn

201
00:07:37,350 --> 00:07:35,039
the ins and outs of every nuclear

202
00:07:39,909 --> 00:07:37,360
uh weapon on the base or how did that

203
00:07:42,830 --> 00:07:39,919
work just in case i would imagine

204
00:07:45,350 --> 00:07:42,840
um you typically

205
00:07:46,790 --> 00:07:45,360
um i'm not gonna say typically because

206
00:07:50,150 --> 00:07:46,800
like i said i only have experience from

207
00:07:53,189 --> 00:07:50,160
my first base my base we only had

208
00:07:56,710 --> 00:07:53,199
a handful of nuclear assets that we were

209
00:07:59,110 --> 00:07:56,720
required to like know in and out right

210
00:08:01,270 --> 00:07:59,120
and as you go from base to base they

211
00:08:03,350 --> 00:08:01,280
kind of refresh you on different things

212
00:08:05,270 --> 00:08:03,360
like if you're at a bomber base and you

213
00:08:06,790 --> 00:08:05,280

go to a missile air base they're gonna

214

00:08:09,029 --> 00:08:06,800

they're gonna have to teach you how to

215

00:08:10,830 --> 00:08:09,039

do missiles all over again despite the

216

00:08:13,430 --> 00:08:10,840

fact that you've already

217

00:08:15,749 --> 00:08:13,440

they for for your tech school what they

218

00:08:18,550 --> 00:08:15,759

do is like give you a very

219

00:08:20,390 --> 00:08:18,560

not even a basic education they kind of

220

00:08:23,990 --> 00:08:20,400

show you what this is and what that is

221

00:08:25,749 --> 00:08:24,000

and different things to look for and

222

00:08:28,070 --> 00:08:25,759

when you get to your base they have what

223

00:08:30,469 --> 00:08:28,080

you call to's and

224

00:08:31,830 --> 00:08:30,479

essentially if it's not on the to you

225

00:08:33,430 --> 00:08:31,840

don't do it

226

00:08:36,709 --> 00:08:33,440

right your your

227

00:08:39,670 --> 00:08:36,719

trained monkeys if monkeys could read

228

00:08:42,550 --> 00:08:39,680

they could do nuclear weapon

229

00:08:47,750 --> 00:08:45,110

hey but there's a lot of jobs like that

230

00:08:51,750 --> 00:08:47,760

there's nothing wrong with that

231

00:08:55,030 --> 00:08:53,590

um

232

00:08:55,829 --> 00:08:55,040

[h__\h] i forgot what was up at where was

233

00:08:58,790 --> 00:08:55,839

that

234

00:09:01,110 --> 00:08:58,800

oh no no so yeah so like um you you

235

00:09:02,630 --> 00:09:01,120

would physically deal with these nukes

236

00:09:05,750 --> 00:09:02,640

at time and you also had to know how

237

00:09:09,110 --> 00:09:05,760

they how they function okay yes cool

238

00:09:10,310 --> 00:09:09,120

cool wow i can't even imagine like the

239

00:09:15,269 --> 00:09:10,320

the

240

00:09:17,110 --> 00:09:15,279

stuff and now i'm like a writer and i'm

241

00:09:19,190 --> 00:09:17,120

just imagining like

242

00:09:22,550 --> 00:09:19,200

the pressure and the stress that you

243

00:09:24,470 --> 00:09:22,560

guys must be under um you know maybe on

244

00:09:26,470 --> 00:09:24,480

a daily basis i don't know you tell me

245

00:09:29,030 --> 00:09:26,480

but like i can't imagine like having

246

00:09:31,590 --> 00:09:29,040

those sorts of things at your fingertips

247

00:09:32,470 --> 00:09:31,600

i've spoken to launch officers who have

248

00:09:34,070 --> 00:09:32,480

seen

249

00:09:36,550 --> 00:09:34,080

some of the stuff we're gonna talk about

250

00:09:39,590 --> 00:09:36,560

tonight as well over their installations

251
00:09:42,389 --> 00:09:39,600
and knowing that like this could be it

252
00:09:44,870 --> 00:09:42,399
like either either we got to push it or

253
00:09:46,949 --> 00:09:44,880
they've been dismantled somehow um

254
00:09:49,750 --> 00:09:46,959
i can't even imagine on a typical day

255
00:09:52,710 --> 00:09:49,760
working there let alone when there's ufo

256
00:09:54,550 --> 00:09:52,720
uh sightings over installation man

257
00:09:55,509 --> 00:09:54,560
it's actually fairly boring on a typical

258
00:09:58,310 --> 00:09:55,519
day

259
00:10:00,550 --> 00:09:58,320
so this is fairly boring okay

260
00:10:02,150 --> 00:10:00,560
okay there's a lot of down time well not

261
00:10:04,069 --> 00:10:02,160
not even down time but

262
00:10:06,069 --> 00:10:04,079
there's a lot of maintenance there's a

263
00:10:08,470 --> 00:10:06,079

lot of maintenance to be done aside from

264

00:10:11,190 --> 00:10:08,480

the weapons are our actual like support

265

00:10:14,150 --> 00:10:11,200

systems we have to maintain as well like

266

00:10:14,949 --> 00:10:14,160

our our launch loader adapters our plas

267

00:10:16,949 --> 00:10:14,959

our

268

00:10:18,550 --> 00:10:16,959

you know different trailers

269

00:10:20,069 --> 00:10:18,560

all the different kinds of things

270

00:10:21,190 --> 00:10:20,079

forklifts

271

00:10:23,990 --> 00:10:21,200

and uh

272

00:10:26,150 --> 00:10:24,000

you know we also have a support section

273

00:10:28,790 --> 00:10:26,160

well i'll go into about that later as

274

00:10:31,190 --> 00:10:28,800

well where they also issue toolboxes and

275

00:10:33,110 --> 00:10:31,200

chemicals and gloves and you know

276

00:10:34,870 --> 00:10:33,120

anything that can support the nuclear

277

00:10:35,910 --> 00:10:34,880

operation right

278

00:10:37,509 --> 00:10:35,920

right

279

00:10:39,670 --> 00:10:37,519

it's interesting

280

00:10:42,389 --> 00:10:39,680

okay yeah and you know we have a few

281

00:10:43,990 --> 00:10:42,399

others in here who have held similar

282

00:10:45,910 --> 00:10:44,000

positions and everything you're saying

283

00:10:48,630 --> 00:10:45,920

man is checking out i do want to let

284

00:10:51,750 --> 00:10:48,640

everyone in the chat know we have vetted

285

00:10:53,829 --> 00:10:51,760

adrian he's legit he is who he says he

286

00:10:55,430 --> 00:10:53,839

is because that is the first question on

287

00:10:57,990 --> 00:10:55,440

a lot of people's minds when military

288

00:11:00,389 --> 00:10:58,000

people come forward um so no i

289

00:11:01,990 --> 00:11:00,399

appreciate you doing that dd214 right

290

00:11:06,870 --> 00:11:02,000

here

291

00:11:09,030 --> 00:11:06,880

be my guest but i trust you um i i

292

00:11:11,670 --> 00:11:09,040

worked with christopher sharp to um to

293

00:11:14,710 --> 00:11:11,680

do that as well so no um we appreciate

294

00:11:16,310 --> 00:11:14,720

that so i guess before we get to what i

295

00:11:18,389 --> 00:11:16,320

know everyone wants to hear about the

296

00:11:20,710 --> 00:11:18,399

incident um we'll get there guys we'll

297

00:11:22,550 --> 00:11:20,720

get there um how did you get hooked up

298

00:11:24,310 --> 00:11:22,560

with chris like how did this all come

299

00:11:25,990 --> 00:11:24,320

about where you finally

300

00:11:28,069 --> 00:11:26,000

came forward and talked about this stuff

301

00:11:31,030 --> 00:11:28,079

did someone reach out to you or there

302

00:11:32,470 --> 00:11:31,040

had to be a time where you told somebody

303

00:11:33,910 --> 00:11:32,480

and it kind of

304

00:11:37,350 --> 00:11:33,920

trickled out like how did that all

305

00:11:39,030 --> 00:11:37,360

happen if i might ask so probably around

306

00:11:42,710 --> 00:11:39,040

the beginning of the year i started

307

00:11:45,509 --> 00:11:42,720

listening to uh that ufo podcast

308

00:11:47,350 --> 00:11:45,519

awesome with with andy you know

309

00:11:48,870 --> 00:11:47,360

and uh so

310

00:11:50,389 --> 00:11:48,880

you know as as i was listening

311

00:11:52,069 --> 00:11:50,399

throughout the year i finally was like

312

00:11:56,230 --> 00:11:52,079

you know what they're starting to talk

313

00:11:58,310 --> 00:11:56,240

about like shadow people so maybe i can

314

00:12:01,190 --> 00:11:58,320

what i essentially what i did was like i

315

00:12:02,310 --> 00:12:01,200

i commented on somebody else's topic on

316

00:12:04,710 --> 00:12:02,320

in twitter

317

00:12:07,190 --> 00:12:04,720

and i was like hey i'm i'm a nuclear

318

00:12:09,829 --> 00:12:07,200

weapons tech and hey i've seen stuff too

319

00:12:12,470 --> 00:12:09,839

and that's pretty much when chris found

320

00:12:13,590 --> 00:12:12,480

me and he was like hey come talk to me

321

00:12:15,430 --> 00:12:13,600

yeah

322

00:12:17,509 --> 00:12:15,440

dude if i had seen that

323

00:12:21,110 --> 00:12:17,519

i would have been all over it but no i'm

324

00:12:22,949 --> 00:12:21,120

happy i i um i saw chris's article like

325

00:12:25,670 --> 00:12:22,959

literally i think within

326

00:12:28,310 --> 00:12:25,680

maybe a minute or so of him posting it i

327

00:12:31,110 --> 00:12:28,320

already was trying to track you down

328

00:12:34,150 --> 00:12:31,120

okay that's pretty cool um well let's

329

00:12:36,310 --> 00:12:34,160

get into it if you don't mind um and i'm

330

00:12:38,710 --> 00:12:36,320

gonna get to some of the chat here after

331

00:12:40,870 --> 00:12:38,720

we hear about your your experiences um

332

00:12:43,269 --> 00:12:40,880

sure but yes andy's going to be in there

333

00:12:45,990 --> 00:12:43,279

already absolutely and i've got a bunch

334

00:12:47,590 --> 00:12:46,000

here for you too andy's going to his ego

335

00:12:48,949 --> 00:12:47,600

is going to go up

336

00:12:50,629 --> 00:12:48,959

after he hears

337

00:12:52,550 --> 00:12:50,639

you're the reason

338

00:12:54,310 --> 00:12:52,560

that you came forward but um yes

339

00:12:57,190 --> 00:12:54,320

mcgrillen is the best i agree

340

00:13:00,550 --> 00:12:57,200

christopher plane for sure um

341

00:13:02,230 --> 00:13:00,560

so let's get into it 2003 to 2006 is

342

00:13:04,949 --> 00:13:02,240

when you were stationed right at

343

00:13:08,310 --> 00:13:04,959

whiteman is that correct yes okay well

344

00:13:12,790 --> 00:13:08,320

so i i originally got into the air force

345

00:13:15,190 --> 00:13:12,800

in 2003 and it wasn't until like 2000

346

00:13:16,790 --> 00:13:15,200

probably like

347

00:13:21,190 --> 00:13:16,800

i want to say

348

00:13:22,949 --> 00:13:21,200

the beginning of 2004 like january

349

00:13:24,629 --> 00:13:22,959

because it just it had taken me about a

350

00:13:25,509 --> 00:13:24,639

year to get through training you know

351
00:13:26,629 --> 00:13:25,519
right

352
00:13:29,750 --> 00:13:26,639
and that's

353
00:13:34,069 --> 00:13:29,760
i was in the air force from 2003 to 2007

354
00:13:35,910 --> 00:13:34,079
but i wasn't at white man until 2004.

355
00:13:37,990 --> 00:13:35,920
for a nuclear technician i would hope

356
00:13:39,509 --> 00:13:38,000
you'd get a a good enough time in

357
00:13:42,069 --> 00:13:39,519
training yeah

358
00:13:43,990 --> 00:13:42,079
that makes perfect sense to me um well

359
00:13:45,670 --> 00:13:44,000
okay so could you paint us a picture

360
00:13:47,910 --> 00:13:45,680
maybe of the first

361
00:13:50,550 --> 00:13:47,920
um experience you had what were you

362
00:13:52,710 --> 00:13:50,560
doing that night was it night um what

363
00:13:54,790 --> 00:13:52,720

were your duties and then yeah what

364

00:13:56,389 --> 00:13:54,800

happened if you don't mind um

365

00:13:57,509 --> 00:13:56,399

are you okay if i go full screen too

366

00:13:59,670 --> 00:13:57,519

adrian no

367

00:14:01,670 --> 00:13:59,680

okay awesome all right

368

00:14:04,150 --> 00:14:01,680

have at it thank you

369

00:14:06,790 --> 00:14:04,160

so i'm not i can't really i don't really

370

00:14:08,870 --> 00:14:06,800

want to go into detail on

371

00:14:11,030 --> 00:14:08,880

what time the movement was because i'm

372

00:14:13,670 --> 00:14:11,040

sure they still use that kind of time

373

00:14:15,269 --> 00:14:13,680

period right but i will just say it was

374

00:14:19,269 --> 00:14:15,279

dark enough for me to see that there

375

00:14:20,389 --> 00:14:19,279

were stars and stuff in the sky okay

376

00:14:22,550 --> 00:14:20,399

um

377

00:14:24,230 --> 00:14:22,560

and essentially was what i was doing is

378

00:14:25,269 --> 00:14:24,240

um we were

379

00:14:27,030 --> 00:14:25,279

probably

380

00:14:28,710 --> 00:14:27,040

right in the middle of a maintenance

381

00:14:32,069 --> 00:14:28,720

cycle you know

382

00:14:35,030 --> 00:14:32,079

and uh they needed gun guard

383

00:14:37,350 --> 00:14:35,040

and as you are transporting a weapon or

384

00:14:40,310 --> 00:14:37,360

you have a structure that has weapons in

385

00:14:42,310 --> 00:14:40,320

it you gotta have a gun guard posted for

386

00:14:44,870 --> 00:14:42,320

you know security

387

00:14:47,269 --> 00:14:44,880

as well as a gun card posted wherever

388

00:14:49,990 --> 00:14:47,279

the weapon is going to be going to right

389

00:14:52,629 --> 00:14:50,000

and uh on top of this there's 24 7

390

00:14:55,110 --> 00:14:52,639

security by security forces so there's

391

00:14:57,590 --> 00:14:55,120

it's it's just kind of redundant thing

392

00:14:59,110 --> 00:14:57,600

uh final denial act

393

00:15:01,269 --> 00:14:59,120

um

394

00:15:03,030 --> 00:15:01,279

and so as this transport team has

395

00:15:04,550 --> 00:15:03,040

radioed to me that they're they've

396

00:15:05,430 --> 00:15:04,560

they're now transporting the weapon i

397

00:15:08,949 --> 00:15:05,440

see

398

00:15:10,230 --> 00:15:08,959

that there's kind of like a uh

399

00:15:12,949 --> 00:15:10,240

an orb

400

00:15:13,829 --> 00:15:12,959

for lack of better definition or you

401
00:15:15,750 --> 00:15:13,839
know

402
00:15:17,430 --> 00:15:15,760
it was just kind of bobbing there above

403
00:15:19,750 --> 00:15:17,440
the the tree line i thought yeah okay

404
00:15:21,430 --> 00:15:19,760
you know maybe that's a star you know

405
00:15:23,430 --> 00:15:21,440
i've i've seen stars they kind of do

406
00:15:25,110 --> 00:15:23,440
that sometimes you know

407
00:15:27,990 --> 00:15:25,120
and you know the weapon is still being

408
00:15:30,550 --> 00:15:28,000
transported down and i'm still kind of

409
00:15:31,670 --> 00:15:30,560
looking around surveilling this my job

410
00:15:33,030 --> 00:15:31,680
you know

411
00:15:35,350 --> 00:15:33,040
um

412
00:15:37,030 --> 00:15:35,360
and as the weapon kind of or the

413
00:15:39,590 --> 00:15:37,040

transport team kind of pulls up with the

414

00:15:41,749 --> 00:15:39,600

weapon i this uh

415

00:15:43,990 --> 00:15:41,759

orb kind of shoots up

416

00:15:45,829 --> 00:15:44,000

real quick above the tree line

417

00:15:48,310 --> 00:15:45,839

and it kind of bobs there for a little

418

00:15:49,749 --> 00:15:48,320

bit and you know the transport team is

419

00:15:51,269 --> 00:15:49,759

moving forward and backing the weapon

420

00:15:52,790 --> 00:15:51,279

into the facility

421

00:15:54,710 --> 00:15:52,800

uh and then

422

00:15:57,189 --> 00:15:54,720

once they had secured the weapon inside

423

00:16:01,590 --> 00:15:57,199

the building this orb just kind of

424

00:16:06,629 --> 00:16:04,389

how um about how big would you say i

425

00:16:09,350 --> 00:16:06,639

like i mean in terms of like distance

426
00:16:12,550 --> 00:16:09,360
and how high up was it i know it's

427
00:16:15,189 --> 00:16:12,560
probably hard to gauge but um

428
00:16:16,629 --> 00:16:15,199
any further detail on that

429
00:16:18,389 --> 00:16:16,639
if

430
00:16:20,069 --> 00:16:18,399
for my

431
00:16:22,230 --> 00:16:20,079
guesstimation like

432
00:16:24,790 --> 00:16:22,240
right off side of base there's a bunch

433
00:16:26,470 --> 00:16:24,800
of like pig farms and uh

434
00:16:29,430 --> 00:16:26,480
just different kind of farms and fields

435
00:16:30,790 --> 00:16:29,440
and that kind of stuff and if

436
00:16:32,470 --> 00:16:30,800
if i had to guess i would say it was

437
00:16:35,189 --> 00:16:32,480
right above those

438
00:16:37,189 --> 00:16:35,199

kind of maybe

439

00:16:39,829 --> 00:16:37,199

maybe a mile or two away you know kind

440

00:16:42,470 --> 00:16:39,839

of this way and then up i i couldn't

441

00:16:44,389 --> 00:16:42,480

tell you how far up it was um

442

00:16:45,350 --> 00:16:44,399

and if a size

443

00:16:51,590 --> 00:16:45,360

i

444

00:16:54,710 --> 00:16:51,600

um

445

00:16:55,829 --> 00:16:54,720

it was just but this uh this 90 degree

446

00:16:58,470 --> 00:16:55,839

sort of

447

00:17:00,710 --> 00:16:58,480

you know acceleration i guess or

448

00:17:04,069 --> 00:17:00,720

movement um that had to have stuck out

449

00:17:07,110 --> 00:17:04,079

to you is something oh yeah

450

00:17:09,669 --> 00:17:07,120

yeah and it was kind of like okay well

451

00:17:11,429 --> 00:17:09,679

that was weird but

452

00:17:13,270 --> 00:17:11,439

it didn't seem threatening at the time

453

00:17:15,909 --> 00:17:13,280

and my my job at that time is just to

454

00:17:18,069 --> 00:17:15,919

determine what what's a threat

455

00:17:20,069 --> 00:17:18,079

you know i'm i'm i'm literally there

456

00:17:21,990 --> 00:17:20,079

with a gun to make sure that nothing is

457

00:17:24,630 --> 00:17:22,000

coming in to grab our weapons and if

458

00:17:26,710 --> 00:17:24,640

it's gone or something has disappeared

459

00:17:28,230 --> 00:17:26,720

yeah it's cool i just i think i just saw

460

00:17:30,150 --> 00:17:28,240

ufo but

461

00:17:32,150 --> 00:17:30,160

whatever you know i got [h__h] to do

462

00:17:33,830 --> 00:17:32,160

inside now

463

00:17:35,909 --> 00:17:33,840

that makes sense man i mean a lot of

464

00:17:38,310 --> 00:17:35,919

people even in the civilian world when

465

00:17:40,710 --> 00:17:38,320

they see a ufo like everyone's like why

466

00:17:42,630 --> 00:17:40,720

didn't you like

467

00:17:44,789 --> 00:17:42,640

why wasn't your camera out or why didn't

468

00:17:46,789 --> 00:17:44,799

you like phone the police anything why

469

00:17:48,630 --> 00:17:46,799

didn't you do anything because a lot of

470

00:17:50,950 --> 00:17:48,640

people aren't prepared for those

471

00:17:54,310 --> 00:17:50,960

situations and you also had a task at

472

00:17:56,390 --> 00:17:54,320

hand i guess on top of that um

473

00:17:59,270 --> 00:17:56,400

camera phones were kind of

474

00:18:01,430 --> 00:17:59,280

barely coming out back then right

475

00:18:03,669 --> 00:18:01,440

oh 304 yeah

476

00:18:05,909 --> 00:18:03,679

and and if you did have a camera on your

477

00:18:07,190 --> 00:18:05,919

phone you were pretty much obligated to

478

00:18:09,990 --> 00:18:07,200

either break it

479

00:18:13,830 --> 00:18:10,000

or cover it up paint it over you're not

480

00:18:16,470 --> 00:18:13,840

allowed to have cameras inside a top

481

00:18:18,630 --> 00:18:16,480

weapon storage area that makes sense

482

00:18:19,990 --> 00:18:18,640

yeah which you know that's interesting

483

00:18:22,310 --> 00:18:20,000

to me because you know we hear about

484

00:18:24,630 --> 00:18:22,320

these like these snoopy teams in the

485

00:18:26,950 --> 00:18:24,640

navy that are on like the submarines and

486

00:18:29,350 --> 00:18:26,960

whatnot and it's like their job to

487

00:18:31,270 --> 00:18:29,360

record things and all these videos that

488

00:18:33,750 --> 00:18:31,280

were leaked were like from cell phones

489

00:18:36,230 --> 00:18:33,760

they weren't like the official cameras

490

00:18:37,990 --> 00:18:36,240

so i that always makes me wonder like

491

00:18:40,310 --> 00:18:38,000

are they gonna get in trouble for stuff

492

00:18:43,669 --> 00:18:40,320

like that like that's not saying

493

00:18:45,590 --> 00:18:43,679

everybody didn't break their phone or

494

00:18:49,830 --> 00:18:45,600

paint over their camera but that was

495

00:18:51,510 --> 00:18:49,840

what was required you know by mandate

496

00:18:53,669 --> 00:18:51,520

so um what

497

00:18:55,510 --> 00:18:53,679

if i can ask i i know you said um you

498

00:18:57,029 --> 00:18:55,520

don't want to say what night and time

499

00:18:58,710 --> 00:18:57,039

but uh

500

00:19:01,270 --> 00:18:58,720

what could you tell us maybe what year

501
00:19:03,750 --> 00:19:01,280
that was adrian if you do recall i

502
00:19:06,470 --> 00:19:03,760
believe that was actually in 2005

503
00:19:08,150 --> 00:19:06,480
five okay now was that the initial

504
00:19:10,630 --> 00:19:08,160
experience you had yes that was the

505
00:19:12,789 --> 00:19:10,640
first one that i've i came across yeah

506
00:19:15,590 --> 00:19:12,799
right and then you had one more ufo

507
00:19:17,029 --> 00:19:15,600
sighting if i'm correct okay yes um

508
00:19:19,909 --> 00:19:17,039
would you want to share that one next or

509
00:19:23,350 --> 00:19:19,919
it's totally up to you man sure um okay

510
00:19:25,510 --> 00:19:23,360
in in that specific instance um this is

511
00:19:27,190 --> 00:19:25,520
the the third instance um we'll talk

512
00:19:28,310 --> 00:19:27,200
about the middle one here in a minute

513
00:19:29,830 --> 00:19:28,320

i'm sure

514

00:19:31,350 --> 00:19:29,840

um

515

00:19:33,990 --> 00:19:31,360

so the third one it wasn't really

516

00:19:37,190 --> 00:19:34,000

anything like that it was essentially

517

00:19:38,390 --> 00:19:37,200

an orb kind of just hanging out over i

518

00:19:39,909 --> 00:19:38,400

wouldn't even say over the flight line

519

00:19:41,270 --> 00:19:39,919

it was just kind of

520

00:19:43,669 --> 00:19:41,280

a little bit over the base and then it

521

00:19:45,350 --> 00:19:43,679

just kind of

522

00:19:46,710 --> 00:19:45,360

faded and it was gone

523

00:19:47,590 --> 00:19:46,720

you know

524

00:19:49,190 --> 00:19:47,600

um

525

00:19:52,549 --> 00:19:49,200

and that was essentially when i was

526
00:19:54,789 --> 00:19:52,559
again holding gun uh we had an exclusion

527
00:19:56,470 --> 00:19:54,799
area for contractors to come in and that

528
00:19:58,310 --> 00:19:56,480
way they didn't have to have

529
00:20:00,549 --> 00:19:58,320
uh classified clearances in order to

530
00:20:01,510 --> 00:20:00,559
work in the the storage area

531
00:20:04,390 --> 00:20:01,520
and

532
00:20:06,789 --> 00:20:04,400
we essentially created like a

533
00:20:09,669 --> 00:20:06,799
what they called the free zone

534
00:20:11,350 --> 00:20:09,679
and you know my job is to watch them and

535
00:20:13,430 --> 00:20:11,360
everything else going around and that's

536
00:20:15,350 --> 00:20:13,440
just something i saw kind of an

537
00:20:17,350 --> 00:20:15,360
orb kind of blinking blinking and then

538
00:20:18,950 --> 00:20:17,360

it was just gone

539

00:20:21,190 --> 00:20:18,960

and for all i know

540

00:20:23,909 --> 00:20:21,200

i i wouldn't even particularly say that

541

00:20:26,230 --> 00:20:23,919

was a uap

542

00:20:29,510 --> 00:20:26,240

it feels maybe even a little different

543

00:20:31,110 --> 00:20:29,520

it was very similar to in in color and

544

00:20:33,430 --> 00:20:31,120

size and

545

00:20:35,990 --> 00:20:33,440

you know pretty much everything exact

546

00:20:38,470 --> 00:20:36,000

but i i couldn't tell you if that was a

547

00:20:41,430 --> 00:20:38,480

uap or not man i

548

00:20:44,149 --> 00:20:41,440

know that yeah no i mean and again like

549

00:20:46,789 --> 00:20:44,159

even as a quote unquote ufo

550

00:20:48,470 --> 00:20:46,799

investigator or a trained observer like

551
00:20:51,190 --> 00:20:48,480
yourself looking for threats

552
00:20:52,710 --> 00:20:51,200
i mean your job is to explain what it is

553
00:20:55,110 --> 00:20:52,720
not to say that's a

554
00:20:57,430 --> 00:20:55,120
spaceship from zeta reticuli so right

555
00:20:58,630 --> 00:20:57,440
like no i totally get it i totally get

556
00:20:59,510 --> 00:20:58,640
it um

557
00:21:01,430 --> 00:20:59,520
so

558
00:21:04,070 --> 00:21:01,440
before we get to i know the experience a

559
00:21:09,510 --> 00:21:04,080
lot of people are talking about on ufo

560
00:21:14,549 --> 00:21:12,310
no you these were not reported um was

561
00:21:16,070 --> 00:21:14,559
there anyone else around you who

562
00:21:17,909 --> 00:21:16,080
happened to see these things or did

563
00:21:20,789 --> 00:21:17,919

anyone talk about it or were these

564

00:21:21,830 --> 00:21:20,799

singular experiences for you

565

00:21:23,990 --> 00:21:21,840

they were pretty much singular

566

00:21:26,470 --> 00:21:24,000

experiences for me man like

567

00:21:29,029 --> 00:21:26,480

the transport team was busy

568

00:21:31,590 --> 00:21:29,039

stowing the weapon um

569

00:21:35,590 --> 00:21:31,600

i'm the only one out there with a gun

570

00:21:38,390 --> 00:21:35,600

holding a gun outside the facility now i

571

00:21:39,909 --> 00:21:38,400

i can't say for sure and nobody else saw

572

00:21:41,510 --> 00:21:39,919

it but

573

00:21:44,149 --> 00:21:41,520

i was the only one

574

00:21:45,270 --> 00:21:44,159

that was around me that that was able to

575

00:21:48,149 --> 00:21:45,280

see it

576
00:21:49,750 --> 00:21:48,159
okay gotcha yeah again like you guys are

577
00:21:51,350 --> 00:21:49,760
you're a little busy doing other stuff i

578
00:21:55,029 --> 00:21:51,360
get it i get right um

579
00:21:56,950 --> 00:21:55,039
okay so let's just let's dive in this is

580
00:21:58,470 --> 00:21:56,960
the experience i think that caught a lot

581
00:22:00,390 --> 00:21:58,480
of people's attention

582
00:22:03,190 --> 00:22:00,400
you know we've heard of ufos over the

583
00:22:05,510 --> 00:22:03,200
bases um but

584
00:22:08,950 --> 00:22:05,520
shadow figures not something us in the

585
00:22:10,870 --> 00:22:08,960
ufo world deal with um on a daily basis

586
00:22:12,710 --> 00:22:10,880
not things we really deal with in this

587
00:22:14,630 --> 00:22:12,720
field at all it's usually

588
00:22:16,789 --> 00:22:14,640

pushed to the corners of the paranormal

589

00:22:17,510 --> 00:22:16,799

right uh the supernatural what have you

590

00:22:20,549 --> 00:22:17,520

but

591

00:22:22,230 --> 00:22:20,559

uh this happened to you at least you you

592

00:22:25,270 --> 00:22:22,240

believe it happened to you so i would

593

00:22:27,190 --> 00:22:25,280

love um if you don't mind man um

594

00:22:29,029 --> 00:22:27,200

as long as short as you want going into

595

00:22:30,950 --> 00:22:29,039

detail i know there's stuff you probably

596

00:22:33,669 --> 00:22:30,960

can't share exactly where you were and

597

00:22:35,270 --> 00:22:33,679

whatnot but um yeah tell us this story

598

00:22:36,390 --> 00:22:35,280

if you don't mind

599

00:22:38,230 --> 00:22:36,400

um

600

00:22:39,590 --> 00:22:38,240

so i wanna i wanna preface this by

601
00:22:42,230 --> 00:22:39,600
saying

602
00:22:44,310 --> 00:22:42,240
i had originally said anything about

603
00:22:47,590 --> 00:22:44,320
this particular instance because

604
00:22:49,350 --> 00:22:47,600
in my experience or my um

605
00:22:51,110 --> 00:22:49,360
in my

606
00:22:52,710 --> 00:22:51,120
any information that i've gotten you

607
00:22:54,630 --> 00:22:52,720
know i've i've watched ghost hunters for

608
00:22:56,549 --> 00:22:54,640
years you know

609
00:22:59,590 --> 00:22:56,559
to me shadow people were mostly

610
00:23:02,390 --> 00:22:59,600
associated with like ghosts right right

611
00:23:05,350 --> 00:23:02,400
the paranormal stuff like that and

612
00:23:06,789 --> 00:23:05,360
when i started seeing that um

613
00:23:09,430 --> 00:23:06,799

the shadow people were more being

614

00:23:10,870 --> 00:23:09,440

reported towards uap especially that

615

00:23:13,350 --> 00:23:10,880

nellis incident

616

00:23:15,590 --> 00:23:13,360

that really kind of like oh man you know

617

00:23:16,549 --> 00:23:15,600

if they were seeing something like that

618

00:23:17,590 --> 00:23:16,559

then

619

00:23:19,270 --> 00:23:17,600

maybe

620

00:23:22,390 --> 00:23:19,280

what i saw here

621

00:23:23,190 --> 00:23:22,400

could have been the same thing right

622

00:23:23,909 --> 00:23:23,200

and

623

00:23:31,669 --> 00:23:23,919

in

624

00:23:32,630 --> 00:23:31,679

all the absorbances that i've seen from

625

00:23:35,110 --> 00:23:32,640

this

626

00:23:37,350 --> 00:23:35,120

everybody else's experiences with shadow

627

00:23:40,230 --> 00:23:37,360

people on the ghost side as well

628

00:23:41,350 --> 00:23:40,240

it feels kind of like it's one the same

629

00:23:42,950 --> 00:23:41,360

thing

630

00:23:45,110 --> 00:23:42,960

just about

631

00:23:47,269 --> 00:23:45,120

it feels like one in the same thing

632

00:23:51,190 --> 00:23:47,279

um i could be wrong you know i'm not i'm

633

00:23:53,430 --> 00:23:51,200

not an expert no none of us are

634

00:23:56,789 --> 00:23:53,440

but uh so yeah that's that's all i

635

00:23:57,750 --> 00:23:56,799

wanted to say by prefacing that um cool

636

00:24:01,590 --> 00:23:57,760

so

637

00:24:02,390 --> 00:24:01,600

this instance was i think in 2006

638

00:24:05,750 --> 00:24:02,400

um

639

00:24:08,230 --> 00:24:05,760

it was in probably the fall

640

00:24:10,070 --> 00:24:08,240

no it was the spring

641

00:24:11,990 --> 00:24:10,080

it was the spring because that's when we

642

00:24:14,310 --> 00:24:12,000

usually get new recruits

643

00:24:17,510 --> 00:24:14,320

um

644

00:24:19,990 --> 00:24:17,520

uh we were out of a maintenance cycle so

645

00:24:21,029 --> 00:24:20,000

there wasn't any maintenance being done

646

00:24:22,950 --> 00:24:21,039

and

647

00:24:23,909 --> 00:24:22,960

typically whenever we're not doing any

648

00:24:25,430 --> 00:24:23,919

maintenance

649

00:24:27,110 --> 00:24:25,440

we're training crews

650

00:24:28,870 --> 00:24:27,120

the more people we got

651
00:24:30,070 --> 00:24:28,880
the easier it is for everybody else

652
00:24:32,950 --> 00:24:30,080
right

653
00:24:34,390 --> 00:24:32,960
um so we have a training crew in the

654
00:24:35,430 --> 00:24:34,400
back um

655
00:24:38,310 --> 00:24:35,440
and as

656
00:24:39,669 --> 00:24:38,320
a training crew has a training bomb open

657
00:24:41,909 --> 00:24:39,679
it's still considered technically

658
00:24:42,950 --> 00:24:41,919
classified and in doing so we have to

659
00:24:44,630 --> 00:24:42,960
lock up

660
00:24:46,789 --> 00:24:44,640
the building you know we pin it from the

661
00:24:48,470 --> 00:24:46,799
inside we have pins on the top and the

662
00:24:51,029 --> 00:24:48,480
bottom of the doors

663
00:24:53,750 --> 00:24:51,039

and then um if

664

00:24:55,269 --> 00:24:53,760

the building hasn't been um

665

00:24:56,870 --> 00:24:55,279

opened or that door hasn't been opened

666

00:24:59,029 --> 00:24:56,880

in you know a day or two it probably

667

00:25:00,950 --> 00:24:59,039

still has this tamper-proof seal

668

00:25:03,269 --> 00:25:00,960

and oh okay that's

669

00:25:05,669 --> 00:25:03,279

that's a big thing in a lot of places is

670

00:25:06,950 --> 00:25:05,679

those tamper proof seals is

671

00:25:08,710 --> 00:25:06,960

there's no

672

00:25:12,230 --> 00:25:08,720

getting past that man you know they

673

00:25:13,029 --> 00:25:12,240

can't you can't fake that right right um

674

00:25:14,950 --> 00:25:13,039

so

675

00:25:18,310 --> 00:25:14,960

you know the the training crews in the

676
00:25:20,310 --> 00:25:18,320
back um i'm in the weapons support area

677
00:25:22,789 --> 00:25:20,320
because i had i had just transitioned

678
00:25:25,590 --> 00:25:22,799
from uh doing

679
00:25:27,590 --> 00:25:25,600
the the nuclear operations side to doing

680
00:25:30,710 --> 00:25:27,600
weapon support side i was essentially

681
00:25:32,710 --> 00:25:30,720
issuing toolboxes uh chemicals

682
00:25:35,110 --> 00:25:32,720
uh helping issue any anything they

683
00:25:36,230 --> 00:25:35,120
needed for their training you know

684
00:25:38,549 --> 00:25:36,240
and

685
00:25:40,390 --> 00:25:38,559
as they were locked away i was you know

686
00:25:42,630 --> 00:25:40,400
on the computer doing my own thing you

687
00:25:44,149 --> 00:25:42,640
know we had i think an armory or

688
00:25:45,590 --> 00:25:44,159

something that that we were looking at

689

00:25:47,269 --> 00:25:45,600

buying at the time

690

00:25:49,190 --> 00:25:47,279

um and as i'm sitting there on the

691

00:25:51,110 --> 00:25:49,200

computer just kind of clicking i think

692

00:25:52,070 --> 00:25:51,120

what i hear is like

693

00:25:53,830 --> 00:25:52,080

uh

694

00:25:55,190 --> 00:25:53,840

like water dropping

695

00:25:58,310 --> 00:25:55,200

or

696

00:25:59,110 --> 00:25:58,320

maybe footsteps barefoot steps

697

00:26:01,430 --> 00:25:59,120

and

698

00:26:04,070 --> 00:26:01,440

which is a possibility we have you know

699

00:26:05,990 --> 00:26:04,080

an eye wash station and we have those uh

700

00:26:08,230 --> 00:26:06,000

the emergency showers

701
00:26:09,669 --> 00:26:08,240
and you know so i i turn around i look

702
00:26:12,470 --> 00:26:09,679
up and i'm trying to see you know is

703
00:26:14,390 --> 00:26:12,480
this is there anything there is i i

704
00:26:17,430 --> 00:26:14,400
think i hear somebody walking or

705
00:26:19,110 --> 00:26:17,440
footsteps or is it water or because if

706
00:26:21,269 --> 00:26:19,120
it's water i gotta i gotta clean that

707
00:26:22,230 --> 00:26:21,279
you know

708
00:26:24,070 --> 00:26:22,240
um

709
00:26:26,070 --> 00:26:24,080
and so i did i didn't see anything and

710
00:26:27,669 --> 00:26:26,080
i'm looking at the the shower and it

711
00:26:29,830 --> 00:26:27,679
wasn't leaking so

712
00:26:31,029 --> 00:26:29,840
all right well i'm just [h__h] hearing

713
00:26:32,710 --> 00:26:31,039

things you know

714

00:26:33,909 --> 00:26:32,720

and i go back to doing whatever i was

715

00:26:36,230 --> 00:26:33,919

doing

716

00:26:38,470 --> 00:26:36,240

and uh you know maybe

717

00:26:40,310 --> 00:26:38,480

a minute or two passes and i start

718

00:26:42,390 --> 00:26:40,320

hearing those sounds again you know this

719

00:26:44,070 --> 00:26:42,400

time a little bit louder kind of

720

00:26:45,990 --> 00:26:44,080

barefoot on

721

00:26:47,510 --> 00:26:46,000

painted cement sound if you know what

722

00:26:48,310 --> 00:26:47,520

that sounds like

723

00:26:50,230 --> 00:26:48,320

uh

724

00:26:51,269 --> 00:26:50,240

kind of like at a swimming pool you know

725

00:26:52,789 --> 00:26:51,279

okay

726

00:26:53,750 --> 00:26:52,799

kind of like that

727

00:26:56,789 --> 00:26:53,760

um

728

00:26:59,029 --> 00:26:56,799

that wet barefoot sound on on on

729

00:27:02,310 --> 00:26:59,039

concrete yeah yeah yeah and

730

00:27:04,789 --> 00:27:02,320

this time it's it's pretty distinct and

731

00:27:06,470 --> 00:27:04,799

i just whirl around and i stand up and i

732

00:27:07,750 --> 00:27:06,480

look past the service counter and all i

733

00:27:09,750 --> 00:27:07,760

can see is

734

00:27:11,190 --> 00:27:09,760

or all i can

735

00:27:14,070 --> 00:27:11,200

say is um

736

00:27:20,870 --> 00:27:15,430

blob

737

00:27:22,470 --> 00:27:20,880

the shape of a person in

738

00:27:24,070 --> 00:27:22,480

i was trying to describe it to my wife

739

00:27:25,590 --> 00:27:24,080

and she's like so like

740

00:27:27,350 --> 00:27:25,600

kind of like

741

00:27:29,190 --> 00:27:27,360

a gingerbread man

742

00:27:30,950 --> 00:27:29,200

but like

743

00:27:34,149 --> 00:27:30,960

fuzzy right

744

00:27:35,669 --> 00:27:34,159

and that's kind of

745

00:27:36,549 --> 00:27:35,679

essentially what it was

746

00:27:38,310 --> 00:27:36,559

yeah

747

00:27:40,470 --> 00:27:38,320

kind of it was a little bit narrower

748

00:27:41,669 --> 00:27:40,480

than your classic gingerbread man you

749

00:27:44,310 --> 00:27:41,679

know kind of

750

00:27:47,110 --> 00:27:44,320

a shape of a real person you know

751
00:27:48,870 --> 00:27:47,120
um about they were asking me

752
00:27:49,909 --> 00:27:48,880
last night i was on a podcast about how

753
00:27:53,110 --> 00:27:49,919
tall

754
00:27:53,909 --> 00:27:53,120
and you know i'm i'm five foot four man

755
00:27:56,310 --> 00:27:53,919
so

756
00:27:58,549 --> 00:27:56,320
i know your pain and everybody is taller

757
00:28:00,230 --> 00:27:58,559
than me

758
00:28:02,230 --> 00:28:00,240
so you know i

759
00:28:03,430 --> 00:28:02,240
guesstimating this thing to be about six

760
00:28:05,110 --> 00:28:03,440
foot tall

761
00:28:06,950 --> 00:28:05,120
um it was

762
00:28:07,990 --> 00:28:06,960
again i want to say very

763
00:28:08,950 --> 00:28:08,000

blurry

764

00:28:10,870 --> 00:28:08,960

um

765

00:28:13,350 --> 00:28:10,880

and very opaque

766

00:28:14,389 --> 00:28:13,360

like towards the center very opaque and

767

00:28:16,549 --> 00:28:14,399

again

768

00:28:17,590 --> 00:28:16,559

another way for me to

769

00:28:20,149 --> 00:28:17,600

uh

770

00:28:23,029 --> 00:28:20,159

describe the color is if you've known or

771

00:28:24,870 --> 00:28:23,039

if you've seen that uh

772

00:28:26,789 --> 00:28:24,880

that dye that

773

00:28:29,909 --> 00:28:26,799

pretty much absorbs all light have you

774

00:28:32,149 --> 00:28:29,919

seen that oh they just came out

775

00:28:34,789 --> 00:28:32,159

midnight black like kind of like it

776

00:28:37,430 --> 00:28:34,799

doesn't reflect any okay kind of absorbs

777

00:28:39,269 --> 00:28:37,440

light yeah yes okay yes

778

00:28:41,269 --> 00:28:39,279

essentially like

779

00:28:42,230 --> 00:28:41,279

what it looked like it or the color of

780

00:28:45,909 --> 00:28:42,240

it right

781

00:28:47,990 --> 00:28:45,919

and as i get up and i i'm starting to

782

00:28:50,389 --> 00:28:48,000

make my my motions towards chasing this

783

00:28:52,870 --> 00:28:50,399

thing down and it just zips down the

784

00:28:55,590 --> 00:28:52,880

the the wall and turns the corner into

785

00:28:56,950 --> 00:28:55,600

the admin section and i'm just [h__\h]

786

00:28:59,190 --> 00:28:56,960

booking it you know

787

00:29:01,990 --> 00:28:59,200

and as i turn the corner i don't i don't

788

00:29:04,549 --> 00:29:02,000

see anything i don't hear anything

789

00:29:06,549 --> 00:29:04,559

you know and it's now my obligation to

790

00:29:09,750 --> 00:29:06,559

go around and look for this thing you

791

00:29:13,269 --> 00:29:09,760

know and as i'm going through i don't

792

00:29:16,149 --> 00:29:13,279

i don't see anything like underneath

793

00:29:18,870 --> 00:29:16,159

chairs or tables and we only have a

794

00:29:21,110 --> 00:29:18,880

snack bar in that section some offices

795

00:29:23,190 --> 00:29:21,120

um you know a

796

00:29:24,870 --> 00:29:23,200

conference room there's not really a lot

797

00:29:27,350 --> 00:29:24,880

of places for this thing to hide in you

798

00:29:29,110 --> 00:29:27,360

know and in order for it to have left

799

00:29:30,950 --> 00:29:29,120

the actual building

800

00:29:34,070 --> 00:29:30,960

was the only way was through the front

801
00:29:34,950 --> 00:29:34,080
door and as as i've described it before

802
00:29:37,029 --> 00:29:34,960
um

803
00:29:39,110 --> 00:29:37,039
it's an airlock system style

804
00:29:41,350 --> 00:29:39,120
door you know you you essentially go

805
00:29:43,269 --> 00:29:41,360
through one set of doors right you go

806
00:29:45,029 --> 00:29:43,279
into like an anti-chamber

807
00:29:47,750 --> 00:29:45,039
and then from the anti-chamber somebody

808
00:29:49,430 --> 00:29:47,760
lets you actually into the building

809
00:29:51,110 --> 00:29:49,440
and then you go through the secondary

810
00:29:54,549 --> 00:29:51,120
set of doors

811
00:29:56,310 --> 00:29:54,559
uh not an air lock as in removing air

812
00:29:58,710 --> 00:29:56,320
just kind of that

813
00:30:00,789 --> 00:29:58,720

barrier system you know

814

00:30:02,630 --> 00:30:00,799

and in order for hit anything to have

815

00:30:03,909 --> 00:30:02,640

left the building it needed to leave

816

00:30:05,430 --> 00:30:03,919

that which is

817

00:30:07,669 --> 00:30:05,440

pretty noisy you're going to know

818

00:30:09,269 --> 00:30:07,679

whenever somebody's leaving the building

819

00:30:10,549 --> 00:30:09,279

you know you can almost hear it in the

820

00:30:13,110 --> 00:30:10,559

back of the bay

821

00:30:16,070 --> 00:30:13,120

you know yeah

822

00:30:17,190 --> 00:30:16,080

why are you armed at this time adrian no

823

00:30:19,110 --> 00:30:17,200

no

824

00:30:21,110 --> 00:30:19,120

all right i was just curious

825

00:30:24,310 --> 00:30:21,120

yeah you don't arm unless there's an

826

00:30:26,149 --> 00:30:24,320

actual asset in the building or there's

827

00:30:27,590 --> 00:30:26,159

an asset in

828

00:30:29,430 --> 00:30:27,600

transport

829

00:30:30,630 --> 00:30:29,440

gotcha okay

830

00:30:33,269 --> 00:30:30,640

so

831

00:30:34,470 --> 00:30:33,279

how did this end for you i mean i i

832

00:30:37,029 --> 00:30:34,480

can't even imagine what was going

833

00:30:38,549 --> 00:30:37,039

through your head first of all but like

834

00:30:42,149 --> 00:30:38,559

did you

835

00:30:44,789 --> 00:30:42,159

i i know again the stigma of reporting

836

00:30:48,230 --> 00:30:44,799

paranormal or ufo sort of things in the

837

00:30:51,269 --> 00:30:48,240

military is one thing but like

838

00:30:53,669 --> 00:30:51,279

what were you thinking did you

839

00:30:56,710 --> 00:30:53,679

did you think this was like an intruder

840

00:30:59,190 --> 00:30:56,720

or that the world was ending or you were

841

00:31:00,470 --> 00:30:59,200

getting haunted like i i guess yeah what

842

00:31:03,029 --> 00:31:00,480

was going through your head at that i

843

00:31:05,350 --> 00:31:03,039

didn't know what the hell i had seen man

844

00:31:09,029 --> 00:31:05,360

like as far as i knew it was it was a

845

00:31:10,070 --> 00:31:09,039

ghost you know like okay and and even if

846

00:31:13,110 --> 00:31:10,080

i had

847

00:31:15,350 --> 00:31:13,120

thought it was some kind of incursion or

848

00:31:17,750 --> 00:31:15,360

infiltration of some sort

849

00:31:19,269 --> 00:31:17,760

i don't have any physical evidence on me

850

00:31:20,870 --> 00:31:19,279

that there was somebody here you know

851
00:31:22,630 --> 00:31:20,880
there's no sensors being tripped there's

852
00:31:23,990 --> 00:31:22,640
no video evidence there's there's

853
00:31:25,830 --> 00:31:24,000
nothing there's essentially me saying

854
00:31:27,990 --> 00:31:25,840
hey i think i saw something running down

855
00:31:30,389 --> 00:31:28,000
the hallway you know

856
00:31:33,190 --> 00:31:30,399
they're going like oh yeah

857
00:31:35,909 --> 00:31:33,200
sure you did uh-huh um

858
00:31:37,350 --> 00:31:35,919
uh we're gonna call the mental facility

859
00:31:39,269 --> 00:31:37,360
people

860
00:31:41,029 --> 00:31:39,279
because when when you have top secret

861
00:31:42,070 --> 00:31:41,039
clearance man and you have prp at the

862
00:31:43,830 --> 00:31:42,080
same time

863
00:31:44,789 --> 00:31:43,840

it's a very stigmatized thing that you

864

00:31:46,470 --> 00:31:44,799

cannot

865

00:31:47,669 --> 00:31:46,480

lose your top secret clearance or your

866

00:31:49,269 --> 00:31:47,679

prp because you're going to lose your

867

00:31:50,470 --> 00:31:49,279

job right they're going to find a way to

868

00:31:51,830 --> 00:31:50,480

for you to get out

869

00:31:53,269 --> 00:31:51,840

right they will find a way for you to

870

00:31:54,310 --> 00:31:53,279

leave the military

871

00:31:56,549 --> 00:31:54,320

and

872

00:32:00,230 --> 00:31:56,559

i've i've seen people raise questions of

873

00:32:02,870 --> 00:32:00,240

oh well prp is really not a reason to

874

00:32:04,470 --> 00:32:02,880

remain silent well sure

875

00:32:06,950 --> 00:32:04,480

it's not

876

00:32:09,830 --> 00:32:06,960

but i i really don't like being called

877

00:32:11,909 --> 00:32:09,840

crazy either you know i don't well

878

00:32:14,230 --> 00:32:11,919

yeah man and i mean in your defense as

879

00:32:17,909 --> 00:32:14,240

well like how many pilots haven't

880

00:32:19,590 --> 00:32:17,919

reported things how many um you know

881

00:32:20,789 --> 00:32:19,600

people on the ground who've had

882

00:32:21,509 --> 00:32:20,799

successes

883

00:32:23,269 --> 00:32:21,519

yeah

884

00:32:24,230 --> 00:32:23,279

on top of that i'm

885

00:32:25,990 --> 00:32:24,240

20

886

00:32:28,870 --> 00:32:26,000

years old at the time

887

00:32:31,990 --> 00:32:28,880

i'm just a kid man you know maybe 19 you

888

00:32:33,430 --> 00:32:32,000

know i i i don't i don't actually really

889

00:32:35,590 --> 00:32:33,440

really remember what age i was at the

890

00:32:38,389 --> 00:32:35,600

time but man it was

891

00:32:39,590 --> 00:32:38,399

i was young you know young

892

00:32:43,269 --> 00:32:39,600

and

893

00:32:45,029 --> 00:32:43,279

yeah exactly as as i see mr crowley down

894

00:32:47,669 --> 00:32:45,039

there just say they

895

00:32:49,830 --> 00:32:47,679

they find a way for you to leave

896

00:32:50,710 --> 00:32:49,840

they'll start they'll start a paperwork

897

00:32:53,029 --> 00:32:50,720

trail

898

00:32:55,190 --> 00:32:53,039

well that and i'm sure there are psych

899

00:32:57,190 --> 00:32:55,200

evils after you report something like

900

00:33:00,789 --> 00:32:57,200

this we hear pilots are grounded and

901
00:33:03,350 --> 00:33:00,799
never fly again i get it man and luckily

902
00:33:05,110 --> 00:33:03,360
hopefully things are changing in certain

903
00:33:07,110 --> 00:33:05,120
branches of the military i do want to

904
00:33:10,870 --> 00:33:07,120
get your thoughts on that a little later

905
00:33:11,830 --> 00:33:10,880
on the air force versus others but um so

906
00:33:14,470 --> 00:33:11,840
you know

907
00:33:17,029 --> 00:33:14,480
you didn't find any presence of this

908
00:33:19,029 --> 00:33:17,039
this shadow figure and then

909
00:33:21,029 --> 00:33:19,039
that's it was that your last experience

910
00:33:22,549 --> 00:33:21,039
you had while at whiteman that was my

911
00:33:24,310 --> 00:33:22,559
last experience at whiteman well

912
00:33:27,190 --> 00:33:24,320
technically it was my second experience

913
00:33:28,950 --> 00:33:27,200

my last brain was was that orb that just

914

00:33:30,389 --> 00:33:28,960

blinked and disappeared

915

00:33:32,950 --> 00:33:30,399

and that

916

00:33:35,269 --> 00:33:32,960

that was my last experience i mean

917

00:33:36,950 --> 00:33:35,279

shortly there after i i

918

00:33:39,830 --> 00:33:36,960

separated anyway so

919

00:33:42,070 --> 00:33:39,840

okay okay um

920

00:33:43,269 --> 00:33:42,080

before we um get to some of the bigger

921

00:33:44,950 --> 00:33:43,279

questions

922

00:33:47,509 --> 00:33:44,960

do you think any of these events were

923

00:33:48,710 --> 00:33:47,519

connected in any way like is there some

924

00:33:50,870 --> 00:33:48,720

sort of

925

00:33:52,870 --> 00:33:50,880

string theory between what you saw in

926
00:33:53,990 --> 00:33:52,880
the sky in the shadow i know that's a

927
00:33:56,389 --> 00:33:54,000
total

928
00:33:58,389 --> 00:33:56,399
theorizing question but yeah what do you

929
00:34:00,149 --> 00:33:58,399
think

930
00:34:02,710 --> 00:34:00,159
man i couldn't i couldn't say that they

931
00:34:05,830 --> 00:34:02,720
were corroborated with each other

932
00:34:08,069 --> 00:34:05,840
um they were just

933
00:34:09,750 --> 00:34:08,079
if i had seen one within a week of each

934
00:34:11,909 --> 00:34:09,760
other or of

935
00:34:14,149 --> 00:34:11,919
of each other of the shadow person and

936
00:34:16,470 --> 00:34:14,159
an orb or whatever but

937
00:34:19,829 --> 00:34:16,480
these were very separate instances over

938
00:34:21,190 --> 00:34:19,839

a spread amount of time and right i

939

00:34:23,270 --> 00:34:21,200

probably should have but i didn't

940

00:34:25,430 --> 00:34:23,280

actually go outside to see if there was

941

00:34:27,430 --> 00:34:25,440

an orb in the sky the night that i saw

942

00:34:28,710 --> 00:34:27,440

a shadow person and again i didn't even

943

00:34:31,589 --> 00:34:28,720

know that it was

944

00:34:33,430 --> 00:34:31,599

uap related you know or ufo at that time

945

00:34:35,109 --> 00:34:33,440

related

946

00:34:37,190 --> 00:34:35,119

and so

947

00:34:38,629 --> 00:34:37,200

had you um had you had any interest in

948

00:34:40,230 --> 00:34:38,639

ufos or

949

00:34:42,310 --> 00:34:40,240

paranormal or anything before you went

950

00:34:43,589 --> 00:34:42,320

in yeah oh yeah i mean i've always been

951

00:34:46,230 --> 00:34:43,599

interested in my whole life my

952

00:34:48,389 --> 00:34:46,240

grandfather was kind of instilled that

953

00:34:50,389 --> 00:34:48,399

in me he was always he was the one that

954

00:34:51,510 --> 00:34:50,399

originally was interested in this

955

00:34:52,389 --> 00:34:51,520

and you know

956

00:34:53,750 --> 00:34:52,399

um

957

00:34:54,950 --> 00:34:53,760

when i was a kid my parents actually

958

00:34:56,790 --> 00:34:54,960

took me to

959

00:34:58,790 --> 00:34:56,800

we're driving through and we saw the

960

00:34:59,910 --> 00:34:58,800

martha lights and that was pretty

961

00:35:01,829 --> 00:34:59,920

interesting

962

00:35:04,390 --> 00:35:01,839

yeah that was i highly recommend that to

963

00:35:07,349 --> 00:35:04,400

anybody go go look at the marfa lights

964

00:35:08,870 --> 00:35:07,359

that's in uh texas right yes is that is

965

00:35:09,990 --> 00:35:08,880

that where you're originally from if you

966

00:35:13,030 --> 00:35:10,000

don't know

967

00:35:15,589 --> 00:35:13,040

um i am well yeah i'm from texas i'm i'm

968

00:35:18,790 --> 00:35:15,599

from el paso texas yeah okay

969

00:35:20,630 --> 00:35:18,800

cool cool um yeah martha lights that's

970

00:35:23,589 --> 00:35:20,640

that's a phenomenon that deserves a lot

971

00:35:25,030 --> 00:35:23,599

more attention man um well okay i mean

972

00:35:26,790 --> 00:35:25,040

there's so many different avenues we

973

00:35:27,990 --> 00:35:26,800

could take i mean the first is the fact

974

00:35:29,510 --> 00:35:28,000

that like

975

00:35:31,430 --> 00:35:29,520

if this

976
00:35:34,310 --> 00:35:31,440
was some sort of

977
00:35:35,349 --> 00:35:34,320
intelligence or sentient thing that was

978
00:35:36,550 --> 00:35:35,359
in there

979
00:35:38,790 --> 00:35:36,560
with you

980
00:35:40,790 --> 00:35:38,800
that is disturbing i mean the

981
00:35:41,750 --> 00:35:40,800
implication to something like that it's

982
00:35:43,990 --> 00:35:41,760
just

983
00:35:46,310 --> 00:35:44,000
and then you think so many other people

984
00:35:49,430 --> 00:35:46,320
in your position have had similar

985
00:35:51,030 --> 00:35:49,440
experiences on bases or in other areas

986
00:35:52,710 --> 00:35:51,040
as well um

987
00:35:54,710 --> 00:35:52,720
what do you think about the whole

988
00:35:56,710 --> 00:35:54,720

potential threat of something like that

989

00:35:58,790 --> 00:35:56,720

again i know you didn't report it and

990

00:36:00,790 --> 00:35:58,800

that's like gonna piss off so many

991

00:36:03,190 --> 00:36:00,800

people but again

992

00:36:05,589 --> 00:36:03,200

we understand why you wouldn't do that

993

00:36:07,910 --> 00:36:05,599

but like the potential threat of

994

00:36:10,470 --> 00:36:07,920

something like that just uh uh gives me

995

00:36:12,230 --> 00:36:10,480

chills just knowing you know and i have

996

00:36:14,069 --> 00:36:12,240

to agree with them you know i i probably

997

00:36:15,270 --> 00:36:14,079

should have reported it but

998

00:36:22,790 --> 00:36:15,280

there wasn't

999

00:36:23,990 --> 00:36:22,800

this for or you know there was no

1000

00:36:28,870 --> 00:36:24,000

did you see

1001
00:36:30,390 --> 00:36:28,880
that but then report it here you know if

1002
00:36:32,550 --> 00:36:30,400
you've seen shadow people report it to

1003
00:36:34,630 --> 00:36:32,560
this guy you know that's

1004
00:36:34,960 --> 00:36:34,640
that was never a thing man you know

1005
00:36:36,310 --> 00:36:34,970
um

1006
00:36:37,990 --> 00:36:36,320
[Music]

1007
00:36:41,190 --> 00:36:38,000
yeah

1008
00:36:43,589 --> 00:36:41,200
that's such a good point um well

1009
00:36:46,390 --> 00:36:43,599
okay so i guess where i want to take it

1010
00:36:47,589 --> 00:36:46,400
next man if you don't mind um

1011
00:36:50,950 --> 00:36:47,599
nuclear

1012
00:36:52,150 --> 00:36:50,960
bases and ufos in general i mean

1013
00:36:54,310 --> 00:36:52,160

hundreds

1014

00:36:56,870 --> 00:36:54,320

of these incidents have been reported

1015

00:36:59,349 --> 00:36:56,880

probably hundreds have not been so we

1016

00:37:01,430 --> 00:36:59,359

don't know the true number but do you

1017

00:37:03,990 --> 00:37:01,440

personally think there is

1018

00:37:06,950 --> 00:37:04,000

a connection between

1019

00:37:09,510 --> 00:37:06,960

uap whatever that phenomena represents

1020

00:37:10,550 --> 00:37:09,520

and in interest in our nuclear assets

1021

00:37:12,470 --> 00:37:10,560

here on the planet what are your

1022

00:37:13,430 --> 00:37:12,480

personal thoughts on that

1023

00:37:15,910 --> 00:37:13,440

okay

1024

00:37:18,150 --> 00:37:15,920

um so going back to your question before

1025

00:37:19,190 --> 00:37:18,160

about the threat uh yes sorry i'm

1026
00:37:22,870 --> 00:37:19,200
getting ahead of you you're good i'm

1027
00:37:25,589 --> 00:37:22,880
gonna kind of wrap this all up into one

1028
00:37:27,270 --> 00:37:25,599
the orbs themselves did not

1029
00:37:29,030 --> 00:37:27,280
seem like threats to me because

1030
00:37:30,470 --> 00:37:29,040
otherwise i would have

1031
00:37:31,990 --> 00:37:30,480
that's even

1032
00:37:33,990 --> 00:37:32,000
more of a thing that i think i would

1033
00:37:36,710 --> 00:37:34,000
have reported the orbs

1034
00:37:38,150 --> 00:37:36,720
you know but again they were not

1035
00:37:39,910 --> 00:37:38,160
they're just lights in the sky at that

1036
00:37:42,310 --> 00:37:39,920
point you know they're not things on the

1037
00:37:43,750 --> 00:37:42,320
ground with a weapon pointed at me so i

1038
00:37:45,910 --> 00:37:43,760

they're not a threat

1039

00:37:47,990 --> 00:37:45,920

and then so

1040

00:37:49,190 --> 00:37:48,000

on top of that the shadow person i

1041

00:37:52,390 --> 00:37:49,200

didn't even know

1042

00:37:54,550 --> 00:37:52,400

what it was so how can i tell if that's

1043

00:37:56,550 --> 00:37:54,560

a threat or not if it's a ghost how is

1044

00:37:57,910 --> 00:37:56,560

that a threat

1045

00:37:59,910 --> 00:37:57,920

you know

1046

00:38:00,790 --> 00:37:59,920

if it's a ghost how is that a threat if

1047

00:38:04,390 --> 00:38:00,800

it's

1048

00:38:05,589 --> 00:38:04,400

we're not in the rainbow guys yeah right

1049

00:38:08,150 --> 00:38:05,599

totally

1050

00:38:10,950 --> 00:38:08,160

and i didn't know that this was

1051

00:38:12,870 --> 00:38:10,960

like i i i want to just

1052

00:38:15,670 --> 00:38:12,880

hammer on that man i did not know that

1053

00:38:17,270 --> 00:38:15,680

this was associated with uap

1054

00:38:19,910 --> 00:38:17,280

phenomenon i

1055

00:38:21,670 --> 00:38:19,920

for all i knew was a ghost you know i i

1056

00:38:23,349 --> 00:38:21,680

had thought that white one was

1057

00:38:24,560 --> 00:38:23,359

built on top of an indian burial ground

1058

00:38:26,390 --> 00:38:24,570

for all i knew you know

1059

00:38:28,710 --> 00:38:26,400

[Laughter]

1060

00:38:30,150 --> 00:38:28,720

who knows i know that you know well

1061

00:38:33,030 --> 00:38:30,160

that's a that's a

1062

00:38:35,990 --> 00:38:33,040

a good point actually i mean we we

1063

00:38:37,109 --> 00:38:36,000

always think of military bases and ufos

1064

00:38:39,589 --> 00:38:37,119

but like

1065

00:38:40,790 --> 00:38:39,599

imagine the history of things that have

1066

00:38:41,670 --> 00:38:40,800

happened

1067

00:38:43,910 --> 00:38:41,680

during

1068

00:38:45,990 --> 00:38:43,920

the you know these bases being in

1069

00:38:47,910 --> 00:38:46,000

service and not in service and what was

1070

00:38:50,790 --> 00:38:47,920

there before it of course is going to be

1071

00:38:52,710 --> 00:38:50,800

paranormal activity as well so

1072

00:38:54,710 --> 00:38:52,720

yeah dude i mean the possibilities are

1073

00:38:56,069 --> 00:38:54,720

endless but yeah sorry i don't want to

1074

00:38:57,109 --> 00:38:56,079

interrupt your thought there you're good

1075

00:38:58,950 --> 00:38:57,119

man

1076

00:39:00,950 --> 00:38:58,960

and then so

1077

00:39:03,750 --> 00:39:00,960

to shift it over to

1078

00:39:06,630 --> 00:39:03,760

the association with uaps and nuclear

1079

00:39:08,870 --> 00:39:06,640

bases right yeah somebody did mention

1080

00:39:11,270 --> 00:39:08,880

that there's a lot of sightings that are

1081

00:39:12,870 --> 00:39:11,280

outside of nuclear bases there's like 95

1082

00:39:14,950 --> 00:39:12,880

percent of sightings outside of nuclear

1083

00:39:16,710 --> 00:39:14,960

bases and

1084

00:39:18,790 --> 00:39:16,720

those are a lot of those are probably

1085

00:39:21,109 --> 00:39:18,800

very credible witnesses as well

1086

00:39:25,510 --> 00:39:23,829

the reason i think that nuclear bases

1087

00:39:27,990 --> 00:39:25,520

are being looked at more

1088

00:39:29,030 --> 00:39:28,000

hard is because they're nuclear bases

1089

00:39:31,109 --> 00:39:29,040

you know

1090

00:39:32,710 --> 00:39:31,119

once we have these uap associated with

1091

00:39:34,230 --> 00:39:32,720

them and they're they seem kind of

1092

00:39:37,109 --> 00:39:34,240

interested in them

1093

00:39:39,990 --> 00:39:37,119

they might be interested in

1094

00:39:41,589 --> 00:39:40,000

maybe stopping us from doing something

1095

00:39:42,390 --> 00:39:41,599

maybe they're

1096

00:39:44,630 --> 00:39:42,400

because

1097

00:39:46,230 --> 00:39:44,640

if you if you look back at history

1098

00:39:49,349 --> 00:39:46,240

the last two nuclear weapons that were

1099

00:39:53,030 --> 00:39:49,359

used were in world war ii right

1100

00:39:54,230 --> 00:39:53,040

and we haven't used them since then and

1101
00:39:56,310 --> 00:39:54,240
once we

1102
00:39:57,990 --> 00:39:56,320
entered into the treaty with russia we

1103
00:40:00,390 --> 00:39:58,000
stopped testing them

1104
00:40:02,950 --> 00:40:00,400
and we haven't used nuclear weapons even

1105
00:40:05,270 --> 00:40:02,960
tested a nuclear weapon in

1106
00:40:07,430 --> 00:40:05,280
50 odd years you know

1107
00:40:10,950 --> 00:40:07,440
and so they might

1108
00:40:11,610 --> 00:40:10,960
try to be preventing that you know

1109
00:40:13,270 --> 00:40:11,620
they could be

1110
00:40:15,030 --> 00:40:13,280
[Music]

1111
00:40:17,190 --> 00:40:15,040
trying to gain information about them

1112
00:40:19,589 --> 00:40:17,200
maybe they don't actually use nuclear

1113
00:40:20,390 --> 00:40:19,599

energy maybe they use something else

1114

00:40:21,589 --> 00:40:20,400

right

1115

00:40:23,589 --> 00:40:21,599

um

1116

00:40:26,630 --> 00:40:23,599

maybe

1117

00:40:29,190 --> 00:40:26,640

they have their own treaties

1118

00:40:32,470 --> 00:40:29,200

that are preventing them from letting

1119

00:40:35,109 --> 00:40:32,480

us use more nuclear weapons right

1120

00:40:38,550 --> 00:40:35,119

for all we know

1121

00:40:41,589 --> 00:40:38,560

uaps could be a myriad of other things

1122

00:40:45,109 --> 00:40:42,950

try not to

1123

00:40:45,829 --> 00:40:45,119

take me for my word or not not my word

1124

00:40:46,630 --> 00:40:45,839

but

1125

00:40:48,309 --> 00:40:46,640

like

1126

00:40:50,950 --> 00:40:48,319

don't read too far into this but let's

1127

00:40:52,870 --> 00:40:50,960

say they're aliens right

1128

00:40:54,950 --> 00:40:52,880

if they're aliens who's to say it's one

1129

00:40:56,710 --> 00:40:54,960

species of aliens right

1130

00:40:58,630 --> 00:40:56,720

it could be multiple species of aliens

1131

00:40:59,510 --> 00:40:58,640

that have had maybe a treaty with each

1132

00:41:02,069 --> 00:40:59,520

other

1133

00:41:03,510 --> 00:41:02,079

right to allow us to

1134

00:41:05,589 --> 00:41:03,520

develop and

1135

00:41:07,270 --> 00:41:05,599

maybe not kill ourselves until we can

1136

00:41:10,230 --> 00:41:07,280

reach a certain amount of stage where

1137

00:41:12,710 --> 00:41:10,240

they can actually contact us again right

1138

00:41:14,230 --> 00:41:12,720

and that's

1139

00:41:17,030 --> 00:41:14,240

that's

1140

00:41:18,710 --> 00:41:17,040

what i hope for

1141

00:41:23,109 --> 00:41:18,720

but we'll see

1142

00:41:25,270 --> 00:41:23,119

i i hope if there are various races or

1143

00:41:27,510 --> 00:41:25,280

intelligence out there that they

1144

00:41:29,670 --> 00:41:27,520

want to send us a message a message of

1145

00:41:31,270 --> 00:41:29,680

don't use these but like you said like

1146

00:41:33,190 --> 00:41:31,280

there could be one that wants to turn

1147

00:41:35,030 --> 00:41:33,200

them on one that wants to turn them off

1148

00:41:37,430 --> 00:41:35,040

one that wants to see what we do with

1149

00:41:40,230 --> 00:41:37,440

them and one that wants to

1150

00:41:43,190 --> 00:41:40,240

literally uh

1151
00:41:45,750 --> 00:41:43,200
pro not proactively but actively engage

1152
00:41:47,430 --> 00:41:45,760
with these weapons somehow so

1153
00:41:49,349 --> 00:41:47,440
possibilities are endless man and i

1154
00:41:51,589 --> 00:41:49,359
think it's those questions those

1155
00:41:53,910 --> 00:41:51,599
theories um that tell us a lot about

1156
00:41:55,270 --> 00:41:53,920
ourselves you know no matter what if

1157
00:41:57,750 --> 00:41:55,280
they want to turn them on or off it's

1158
00:42:00,150 --> 00:41:57,760
the fact that a lot of unexplained

1159
00:42:02,710 --> 00:42:00,160
phenomena is happening over these bases

1160
00:42:05,430 --> 00:42:02,720
so we should pay attention to that and

1161
00:42:08,230 --> 00:42:05,440
wonder why that's happening um on either

1162
00:42:10,390 --> 00:42:08,240
end of the spectrum in my opinion but um

1163
00:42:12,470 --> 00:42:10,400

yeah um i've got one more question for

1164

00:42:14,630 --> 00:42:12,480

you adrian before i move to listener

1165

00:42:18,630 --> 00:42:14,640

questions if that's cool yeah

1166

00:42:20,390 --> 00:42:18,640

awesome man um so the air force

1167

00:42:23,270 --> 00:42:20,400

elephant in the room haven't been the

1168

00:42:24,309 --> 00:42:23,280

most transparent or honest about ufos

1169

00:42:26,230 --> 00:42:24,319

they were

1170

00:42:27,670 --> 00:42:26,240

essentially the branch of the military

1171

00:42:30,470 --> 00:42:27,680

um that

1172

00:42:32,470 --> 00:42:30,480

uh quote-unquote covered up the

1173

00:42:36,550 --> 00:42:32,480

phenomena from the very beginning if you

1174

00:42:38,550 --> 00:42:36,560

consider roswell or kenneth arnold or

1175

00:42:40,710 --> 00:42:38,560

all that stuff in the 40s that happened

1176
00:42:41,750 --> 00:42:40,720
they were kind of the first to stamp it

1177
00:42:43,990 --> 00:42:41,760
down in

1178
00:42:47,109 --> 00:42:44,000
project blue book project grudge project

1179
00:42:49,030 --> 00:42:47,119
sign all these air force uh funded in

1180
00:42:51,750 --> 00:42:49,040
some ways and also um

1181
00:42:54,790 --> 00:42:51,760
run organizations to kind of downplay

1182
00:42:57,349 --> 00:42:54,800
the phenomena and explain it away um

1183
00:43:00,150 --> 00:42:57,359
which you know yeah they should try to

1184
00:43:01,829 --> 00:43:00,160
do that um but they don't have the best

1185
00:43:04,870 --> 00:43:01,839
track record when it comes to

1186
00:43:07,349 --> 00:43:04,880
transparency and honesty um

1187
00:43:08,550 --> 00:43:07,359
nor are they today i mean we're living

1188
00:43:11,750 --> 00:43:08,560

in a world now where we're getting a

1189

00:43:13,750 --> 00:43:11,760

pentagon ufo unit and the most silent on

1190

00:43:15,829 --> 00:43:13,760

all of this seems to have been

1191

00:43:18,870 --> 00:43:15,839

the air force so i'd love to get your

1192

00:43:21,430 --> 00:43:18,880

thoughts as former usaf on on that why

1193

00:43:23,270 --> 00:43:21,440

do you think that is um what role do you

1194

00:43:25,750 --> 00:43:23,280

think the air force

1195

00:43:30,150 --> 00:43:25,760

uh played then and plays now in this

1196

00:43:33,190 --> 00:43:30,160

whole i guess ufo issue

1197

00:43:34,309 --> 00:43:33,200

so we'll go back to like

1198

00:43:36,150 --> 00:43:34,319

roswell

1199

00:43:38,309 --> 00:43:36,160

right

1200

00:43:39,510 --> 00:43:38,319

the air force was originally the one

1201
00:43:40,950 --> 00:43:39,520
that kind of

1202
00:43:43,270 --> 00:43:40,960
took well it was actually i think the

1203
00:43:44,550 --> 00:43:43,280
army air force at that time but the air

1204
00:43:45,510 --> 00:43:44,560
force

1205
00:43:48,390 --> 00:43:45,520
was

1206
00:43:50,790 --> 00:43:48,400
the initial people there that kind of

1207
00:43:54,390 --> 00:43:50,800
ran that operation they kind of

1208
00:43:56,870 --> 00:43:54,400
and ever since then they've been in the

1209
00:43:59,190 --> 00:43:56,880
foreground of this you know

1210
00:44:01,430 --> 00:43:59,200
um i would say that

1211
00:44:04,870 --> 00:44:01,440
they

1212
00:44:07,109 --> 00:44:04,880
i'm not

1213
00:44:09,030 --> 00:44:07,119

i don't know you know i

1214

00:44:10,710 --> 00:44:09,040

i have no access to this i have no idea

1215

00:44:12,550 --> 00:44:10,720

but this is just my

1216

00:44:15,109 --> 00:44:12,560

guesstimation you know

1217

00:44:16,390 --> 00:44:15,119

but they have to have something you know

1218

00:44:18,470 --> 00:44:16,400

they've

1219

00:44:19,670 --> 00:44:18,480

collected something in roswell

1220

00:44:20,630 --> 00:44:19,680

they collected

1221

00:44:24,309 --> 00:44:20,640

different

1222

00:44:25,190 --> 00:44:24,319

crashes you know

1223

00:44:26,550 --> 00:44:25,200

um

1224

00:44:29,030 --> 00:44:26,560

so they there's got to be some

1225

00:44:30,950 --> 00:44:29,040

documentation there whether it's uap

1226

00:44:32,230 --> 00:44:30,960

or weather balloon related i don't know

1227

00:44:33,589 --> 00:44:32,240

why they haven't released this

1228

00:44:35,190 --> 00:44:33,599

documentation

1229

00:44:37,990 --> 00:44:35,200

yeah so

1230

00:44:39,109 --> 00:44:38,000

70 years later you have to wonder you

1231

00:44:39,990 --> 00:44:39,119

know right

1232

00:44:40,950 --> 00:44:40,000

um

1233

00:44:42,309 --> 00:44:40,960

and so

1234

00:44:43,990 --> 00:44:42,319

you know throughout history the air

1235

00:44:45,030 --> 00:44:44,000

force has been kind of seen

1236

00:44:48,069 --> 00:44:45,040

as this

1237

00:44:49,109 --> 00:44:48,079

this uh organization that is the

1238

00:44:52,150 --> 00:44:49,119

forefront

1239

00:44:54,630 --> 00:44:52,160

of uap right well they got project blue

1240

00:44:56,390 --> 00:44:54,640

book oh they got this and they got that

1241

00:44:58,630 --> 00:44:56,400

and they're looking at ufos and they're

1242

00:45:00,390 --> 00:44:58,640

really not they're just kind of making

1243

00:45:03,109 --> 00:45:00,400

it go away

1244

00:45:06,550 --> 00:45:03,119

and i think now

1245

00:45:08,470 --> 00:45:06,560

they're being kind of

1246

00:45:11,349 --> 00:45:08,480

stonewally

1247

00:45:14,309 --> 00:45:12,230

they were

1248

00:45:16,069 --> 00:45:14,319

they used to be at the forefront now

1249

00:45:17,990 --> 00:45:16,079

they're kind of i think they might be

1250

00:45:20,309 --> 00:45:18,000

just holding back and waiting to see

1251
00:45:21,510 --> 00:45:20,319
what's going on what happens

1252
00:45:23,510 --> 00:45:21,520
right

1253
00:45:25,349 --> 00:45:23,520
and then from there

1254
00:45:27,589 --> 00:45:25,359
and i'm i'm talking about the air force

1255
00:45:30,829 --> 00:45:27,599
as an organization

1256
00:45:33,589 --> 00:45:30,839
it's it's really difficult to

1257
00:45:35,589 --> 00:45:33,599
characterize the organization and not

1258
00:45:37,430 --> 00:45:35,599
talk about the people you know right

1259
00:45:39,430 --> 00:45:37,440
because there's a lot of people in the

1260
00:45:42,710 --> 00:45:39,440
in the air force i'm sure that want this

1261
00:45:44,230 --> 00:45:42,720
to come out as well you know good point

1262
00:45:45,589 --> 00:45:44,240
i'm

1263
00:45:47,349 --> 00:45:45,599

probably

1264

00:45:49,270 --> 00:45:47,359

pretty sure actually

1265

00:45:50,309 --> 00:45:49,280

yeah man i mean we do we do look at

1266

00:45:51,990 --> 00:45:50,319

these things

1267

00:45:54,309 --> 00:45:52,000

you know the military branches or even

1268

00:45:57,309 --> 00:45:54,319

the government as this like capital g or

1269

00:45:59,910 --> 00:45:57,319

like this um you know

1270

00:46:01,829 --> 00:45:59,920

monotheistic thing when in reality it is

1271

00:46:04,309 --> 00:46:01,839

it's comprised of thousands of people

1272

00:46:06,870 --> 00:46:04,319

with their own individual beliefs and

1273

00:46:08,790 --> 00:46:06,880

principles i totally get that um

1274

00:46:10,309 --> 00:46:08,800

yeah yeah that's a good point really

1275

00:46:13,510 --> 00:46:10,319

it's

1276

00:46:15,270 --> 00:46:13,520

uh disclosure is only held back by maybe

1277

00:46:16,550 --> 00:46:15,280

a handful of people

1278

00:46:19,030 --> 00:46:16,560

maybe

1279

00:46:19,990 --> 00:46:19,040

two hands full of people that's it yeah

1280

00:46:21,589 --> 00:46:20,000

you know

1281

00:46:25,349 --> 00:46:21,599

people high up

1282

00:46:27,109 --> 00:46:25,359

um so it's it's i don't want to demonize

1283

00:46:29,270 --> 00:46:27,119

the air force in that

1284

00:46:31,109 --> 00:46:29,280

that regard because

1285

00:46:33,270 --> 00:46:31,119

they're they're acting within our

1286

00:46:34,630 --> 00:46:33,280

country's best interest but i don't

1287

00:46:36,790 --> 00:46:34,640

think that

1288

00:46:38,390 --> 00:46:36,800

the people at the top are acting within

1289

00:46:41,030 --> 00:46:38,400

our best interest

1290

00:46:43,510 --> 00:46:41,040

if that makes sense absolutely man i get

1291

00:46:46,069 --> 00:46:43,520

it i totally get it yeah and i mean uh

1292

00:46:48,630 --> 00:46:46,079

the word disclosure um i'll touch on

1293

00:46:50,470 --> 00:46:48,640

that briefly with you we are living in

1294

00:46:51,829 --> 00:46:50,480

crazy times never in my lifetime did i

1295

00:46:53,510 --> 00:46:51,839

think we would see

1296

00:46:55,510 --> 00:46:53,520

the government getting so heavily

1297

00:46:57,589 --> 00:46:55,520

involved in this topic again i thought

1298

00:46:59,430 --> 00:46:57,599

they were done with it and a lot has

1299

00:47:02,470 --> 00:46:59,440

happened you know since that new york

1300

00:47:05,270 --> 00:47:02,480

times article came out since the navy

1301
00:47:07,190 --> 00:47:05,280
tic tac ufos and the things going on on

1302
00:47:09,589 --> 00:47:07,200
the east coast blah blah blah um

1303
00:47:12,150 --> 00:47:09,599
the conversation has just exploded and

1304
00:47:13,910 --> 00:47:12,160
it's more mainstream i think than ever

1305
00:47:15,349 --> 00:47:13,920
before so um

1306
00:47:17,670 --> 00:47:15,359
do you think

1307
00:47:19,670 --> 00:47:17,680
what's going on now with this pentagon

1308
00:47:21,109 --> 00:47:19,680
unit that's being formed we're going to

1309
00:47:23,190 --> 00:47:21,119
get like

1310
00:47:24,950 --> 00:47:23,200
i think annual reports to the public

1311
00:47:27,990 --> 00:47:24,960
about uap a lot of it's going to be

1312
00:47:29,750 --> 00:47:28,000
classified obviously but um is this do

1313
00:47:31,589 --> 00:47:29,760

you think a good thing for those who

1314

00:47:33,589 --> 00:47:31,599

really want the answers to all of this

1315

00:47:35,270 --> 00:47:33,599

or is like you said is this just another

1316

00:47:37,510 --> 00:47:35,280

way for them to kind of

1317

00:47:39,190 --> 00:47:37,520

control the narrative and

1318

00:47:41,510 --> 00:47:39,200

or is this all just an intelligence game

1319

00:47:43,829 --> 00:47:41,520

we have to keep in mind russia china and

1320

00:47:46,230 --> 00:47:43,839

um and that whole aspect to all of this

1321

00:47:47,430 --> 00:47:46,240

too they say it's not them but i don't

1322

00:47:48,710 --> 00:47:47,440

personally

1323

00:47:50,790 --> 00:47:48,720

believe that

1324

00:47:53,510 --> 00:47:50,800

some of it is probably foreign

1325

00:47:55,430 --> 00:47:53,520

technology but yeah that was a big broad

1326
00:47:56,710 --> 00:47:55,440
stroke of a question but yeah what do

1327
00:47:58,950 --> 00:47:56,720
you think about everything going on

1328
00:48:00,549 --> 00:47:58,960
today with the pentagon and is this

1329
00:48:03,030 --> 00:48:00,559
disclosure is this just another way to

1330
00:48:05,589 --> 00:48:03,040
hide it all

1331
00:48:07,270 --> 00:48:05,599
i think it feels legitimate enough that

1332
00:48:08,069 --> 00:48:07,280
it will be disclosure

1333
00:48:10,710 --> 00:48:08,079
are

1334
00:48:12,470 --> 00:48:10,720
in my opinion the biggest issue like i

1335
00:48:13,510 --> 00:48:12,480
said the air force

1336
00:48:15,510 --> 00:48:13,520
people

1337
00:48:18,390 --> 00:48:15,520
it's not the organization it's not the

1338
00:48:21,430 --> 00:48:18,400

office it's the people in the office

1339

00:48:23,030 --> 00:48:21,440

so if the person there doesn't want to

1340

00:48:24,309 --> 00:48:23,040

do anything or

1341

00:48:26,150 --> 00:48:24,319

is

1342

00:48:28,710 --> 00:48:26,160

counter uap

1343

00:48:29,510 --> 00:48:28,720

it's it's going to be not productive you

1344

00:48:30,950 --> 00:48:29,520

know

1345

00:48:32,470 --> 00:48:30,960

and that's who

1346

00:48:34,069 --> 00:48:32,480

wha that's what we have to be very

1347

00:48:36,470 --> 00:48:34,079

careful about who we put in those

1348

00:48:38,150 --> 00:48:36,480

offices or in those positions you know

1349

00:48:40,630 --> 00:48:38,160

and i'm not saying we have to throw in

1350

00:48:42,950 --> 00:48:40,640

the most crazy ufo guy you know

1351
00:48:44,950 --> 00:48:42,960
uh we'll go throw andy in the office you

1352
00:48:46,870 --> 00:48:44,960
know

1353
00:48:48,549 --> 00:48:46,880
if they're hiring dude

1354
00:48:51,030 --> 00:48:48,559
man

1355
00:48:52,950 --> 00:48:51,040
a little objective sometimes

1356
00:48:55,349 --> 00:48:52,960
hopefully that's what they want but yeah

1357
00:48:58,309 --> 00:48:56,230
i mean

1358
00:48:59,829 --> 00:48:58,319
why not just if if they're looking for

1359
00:49:01,589 --> 00:48:59,839
people to throw in that office i'd like

1360
00:49:04,069 --> 00:49:01,599
to throw my hat in there too you know

1361
00:49:05,750 --> 00:49:04,079
right but

1362
00:49:07,750 --> 00:49:05,760
again we just have to be very careful on

1363
00:49:09,750 --> 00:49:07,760

who we select and make sure they're not

1364

00:49:10,710 --> 00:49:09,760

the mick west's and make sure they're

1365

00:49:11,990 --> 00:49:10,720

not

1366

00:49:14,390 --> 00:49:12,000

the the

1367

00:49:16,390 --> 00:49:14,400

stephen griers you know i knew you were

1368

00:49:18,069 --> 00:49:16,400

gonna say that name so

1369

00:49:20,069 --> 00:49:18,079

i don't mean to harp on stephen greer

1370

00:49:22,470 --> 00:49:20,079

because he

1371

00:49:23,829 --> 00:49:22,480

at the very beginning was very crucial

1372

00:49:26,309 --> 00:49:23,839

in getting this

1373

00:49:28,150 --> 00:49:26,319

absolutely this conversation started and

1374

00:49:31,589 --> 00:49:28,160

i will not take that away from him yeah

1375

00:49:33,349 --> 00:49:31,599

we are very we owe a lot to him you know

1376

00:49:34,309 --> 00:49:33,359

and

1377

00:49:36,390 --> 00:49:34,319

maybe

1378

00:49:38,309 --> 00:49:36,400

for all we know he's still telling the

1379

00:49:40,309 --> 00:49:38,319

truth and we're just being a bunch of

1380

00:49:42,390 --> 00:49:40,319

idiots you know i'm not trying to

1381

00:49:44,230 --> 00:49:42,400

disprove the guy i've said that in the

1382

00:49:45,829 --> 00:49:44,240

past too man what if these people are

1383

00:49:47,270 --> 00:49:45,839

right what if these people who have

1384

00:49:49,750 --> 00:49:47,280

claimed they've

1385

00:49:51,829 --> 00:49:49,760

flown to venus or

1386

00:49:54,790 --> 00:49:51,839

been channeling aliens or whatever

1387

00:49:56,950 --> 00:49:54,800

steven grier's talking about the latest

1388

00:49:59,829 --> 00:49:56,960

sort of stuff what if they are right i i

1389

00:50:01,910 --> 00:49:59,839

i can't say they're not if if we're

1390

00:50:05,030 --> 00:50:01,920

seeing shadow people who's to say what

1391

00:50:07,670 --> 00:50:05,040

he's seeing isn't real either no i mean

1392

00:50:10,069 --> 00:50:07,680

it's until we have the truth

1393

00:50:13,109 --> 00:50:10,079

anything is on the table pretty much

1394

00:50:15,190 --> 00:50:13,119

yeah very good point um well i know a

1395

00:50:17,030 --> 00:50:15,200

lot of people in the chat are dying to

1396

00:50:19,670 --> 00:50:17,040

ask some questions i do have some

1397

00:50:21,670 --> 00:50:19,680

questions here guys so if you do want uh

1398

00:50:23,670 --> 00:50:21,680

we'll try to get to some of the

1399

00:50:25,270 --> 00:50:23,680

questions in the chat here guys um if

1400

00:50:27,190 --> 00:50:25,280

you want to help the show the super chat

1401

00:50:29,589 --> 00:50:27,200

is open that'll get you bumped to the

1402

00:50:31,990 --> 00:50:29,599

top but i do have some already here for

1403

00:50:33,910 --> 00:50:32,000

you man so um i can just start firing

1404

00:50:35,510 --> 00:50:33,920

off right now if you want if you're good

1405

00:50:39,109 --> 00:50:35,520

with that yeah

1406

00:50:41,430 --> 00:50:39,119

cool cool um so um ben prime esquire on

1407

00:50:44,230 --> 00:50:41,440

twitter asks when pursuing the shadow

1408

00:50:46,069 --> 00:50:44,240

intruder uh was its movements and gate

1409

00:50:49,430 --> 00:50:46,079

like a human or was there anything about

1410

00:50:51,589 --> 00:50:49,440

its movement that seemed strange or like

1411

00:50:55,349 --> 00:50:51,599

super

1412

00:50:56,790 --> 00:50:55,359

unusual or abnormal yeah

1413

00:50:58,549 --> 00:50:56,800

anything like that

1414

00:51:01,670 --> 00:50:58,559

well it didn't float

1415

00:51:03,750 --> 00:51:01,680

um okay it didn't fly

1416

00:51:07,750 --> 00:51:03,760

it was

1417

00:51:09,670 --> 00:51:07,760

it's if it's gonna be running it's gonna

1418

00:51:11,109 --> 00:51:09,680

be a little bit faster than i am

1419

00:51:13,670 --> 00:51:11,119

um so

1420

00:51:16,549 --> 00:51:13,680

i did see its

1421

00:51:19,270 --> 00:51:16,559

legs moving as it was running so it was

1422

00:51:20,470 --> 00:51:19,280

like i would assume still kind of

1423

00:51:22,710 --> 00:51:20,480

gravity

1424

00:51:23,750 --> 00:51:22,720

was had some kind of effect on it you

1425

00:51:25,109 --> 00:51:23,760

know

1426
00:51:28,790 --> 00:51:25,119
um

1427
00:51:32,549 --> 00:51:30,470
who knows you know

1428
00:51:34,870 --> 00:51:32,559
but if it's if it's literally running

1429
00:51:36,950 --> 00:51:34,880
and i can hear barefoots

1430
00:51:38,950 --> 00:51:36,960
to me that says that gravity still

1431
00:51:41,349 --> 00:51:38,960
affects it a little bit you know

1432
00:51:42,710 --> 00:51:41,359
and yeah interesting good point yeah and

1433
00:51:45,829 --> 00:51:42,720
i really respect that you're willing to

1434
00:51:48,549 --> 00:51:45,839
say i don't know on any of this because

1435
00:51:51,270 --> 00:51:48,559
yeah i mean who who's to really say so

1436
00:51:53,670 --> 00:51:51,280
no that's that's a good sign um

1437
00:51:56,309 --> 00:51:53,680
so aspiring insight on twitter asks did

1438
00:51:58,710 --> 00:51:56,319

you experience any hitchhiker effects

1439

00:52:01,109 --> 00:51:58,720

like reported at skinwalker ranch i mean

1440

00:52:02,790 --> 00:52:01,119

did any of this sort of phenomena follow

1441

00:52:04,630 --> 00:52:02,800

your homeman after you left the air

1442

00:52:06,870 --> 00:52:04,640

force or

1443

00:52:11,270 --> 00:52:06,880

not that i can tell i mean i've

1444

00:52:17,109 --> 00:52:13,829

i can't tell if it's bad luck or just

1445

00:52:19,589 --> 00:52:17,119

hitchhiker effect but yeah is from

1446

00:52:21,190 --> 00:52:19,599

everything that i've experienced man i i

1447

00:52:23,829 --> 00:52:21,200

haven't had that

1448

00:52:25,589 --> 00:52:23,839

thing following me like that

1449

00:52:27,990 --> 00:52:25,599

no sort of um

1450

00:52:29,430 --> 00:52:28,000

after effects or other experiences that

1451
00:52:30,150 --> 00:52:29,440
you can think of

1452
00:52:31,270 --> 00:52:30,160
no

1453
00:52:36,630 --> 00:52:31,280
good

1454
00:52:38,710 --> 00:52:36,640
yeah yeah cool um let's see

1455
00:52:41,190 --> 00:52:38,720
uh becky on twitter asks

1456
00:52:44,069 --> 00:52:41,200
did you discuss your encounters with any

1457
00:52:46,710 --> 00:52:44,079
friends or colleagues at the base um and

1458
00:52:49,030 --> 00:52:46,720
did any of them have similar experiences

1459
00:52:51,670 --> 00:52:49,040
anyone else on base ever share anything

1460
00:52:53,270 --> 00:52:51,680
weird with you while you were there

1461
00:52:54,549 --> 00:52:53,280
um

1462
00:52:56,549 --> 00:52:54,559
usually whenever you come across

1463
00:52:57,829 --> 00:52:56,559

something weird it's it's under the

1464

00:53:00,230 --> 00:52:57,839

guise of like

1465

00:53:01,910 --> 00:53:00,240

man i thought i saw a ghost yesterday or

1466

00:53:04,630 --> 00:53:01,920

hey uh

1467

00:53:07,430 --> 00:53:04,640

it's ghost related because that is a lot

1468

00:53:09,430 --> 00:53:07,440

easier for people to kind of digest than

1469

00:53:10,710 --> 00:53:09,440

aliens i guess you know

1470

00:53:12,230 --> 00:53:10,720

um yeah

1471

00:53:15,030 --> 00:53:12,240

but so

1472

00:53:15,910 --> 00:53:15,040

a lot of those conversations were under

1473

00:53:18,150 --> 00:53:15,920

that

1474

00:53:20,950 --> 00:53:18,160

guise of oh well

1475

00:53:24,630 --> 00:53:20,960

i thought i heard a ghost yesterday and

1476

00:53:26,950 --> 00:53:24,640

or oh i i uh

1477

00:53:29,829 --> 00:53:26,960

you know just i felt cold or

1478

00:53:31,270 --> 00:53:29,839

just ghost related phenomenon and

1479

00:53:33,430 --> 00:53:31,280

it was

1480

00:53:34,950 --> 00:53:33,440

okay cool all right

1481

00:53:37,349 --> 00:53:34,960

whatever man

1482

00:53:39,750 --> 00:53:37,359

and there were a lot of things that

1483

00:53:41,190 --> 00:53:39,760

this sounds really weird i'm just gonna

1484

00:53:43,910 --> 00:53:41,200

stick it in the vault and leave it let

1485

00:53:45,990 --> 00:53:43,920

it sit there you know

1486

00:53:47,670 --> 00:53:46,000

totally i get it i get it this is a good

1487

00:53:50,150 --> 00:53:47,680

one right here christopher plane says

1488

00:53:51,990 --> 00:53:50,160

who was the first person you told

1489

00:53:53,349 --> 00:53:52,000

after uh i guess any of these

1490

00:53:58,630 --> 00:53:53,359

experiences

1491

00:54:02,549 --> 00:54:00,870

i don't even think i told my wife

1492

00:54:05,270 --> 00:54:02,559

i don't even think that's what my wife

1493

00:54:08,470 --> 00:54:05,280

i've because so she found out yesterday

1494

00:54:10,630 --> 00:54:08,480

with the rest of us right

1495

00:54:11,829 --> 00:54:10,640

so this thing has been kind of

1496

00:54:13,589 --> 00:54:11,839

in my vault

1497

00:54:14,950 --> 00:54:13,599

i call it my vault because it's it's the

1498

00:54:15,990 --> 00:54:14,960

place that i stick things and i don't

1499

00:54:18,630 --> 00:54:16,000

want to think about them and they're

1500

00:54:21,270 --> 00:54:18,640

gone for it's fair you know

1501
00:54:22,710 --> 00:54:21,280
um i pretty much got that from the show

1502
00:54:24,150 --> 00:54:22,720
adventure time you know where finn kind

1503
00:54:25,990 --> 00:54:24,160
of just sticks things in the back of his

1504
00:54:28,630 --> 00:54:26,000
head and they disappear

1505
00:54:29,829 --> 00:54:28,640
um life lessons from adventure time i

1506
00:54:31,380 --> 00:54:29,839
love right

1507
00:54:33,910 --> 00:54:31,390
you're a man after my heart

1508
00:54:35,430 --> 00:54:33,920
[Laughter]

1509
00:54:37,190 --> 00:54:35,440
and uh so

1510
00:54:39,990 --> 00:54:37,200
you know i kind of it's been sitting

1511
00:54:41,910 --> 00:54:40,000
back there and i never really it gave it

1512
00:54:44,549 --> 00:54:41,920
a second thought until

1513
00:54:46,309 --> 00:54:44,559

maybe a couple months ago and the first

1514

00:54:47,670 --> 00:54:46,319

person i told was

1515

00:54:51,430 --> 00:54:47,680

maybe chris

1516

00:54:53,190 --> 00:54:51,440

i had actually told

1517

00:54:56,230 --> 00:54:53,200

that's awesome man and again i do want

1518

00:54:58,309 --> 00:54:56,240

to um uh commend chris on getting this

1519

00:55:00,150 --> 00:54:58,319

out and commend you for

1520

00:55:02,150 --> 00:55:00,160

trusting him with this it was a

1521

00:55:03,910 --> 00:55:02,160

wonderful article i did link it at the

1522

00:55:06,549 --> 00:55:03,920

top guys but if not go over to

1523

00:55:08,630 --> 00:55:06,559

liberation times and it's probably still

1524

00:55:11,109 --> 00:55:08,640

the featured article over there um to

1525

00:55:14,630 --> 00:55:11,119

check it out um about everything we're

1526
00:55:16,710 --> 00:55:14,640
talking about tonight um my my my dad

1527
00:55:17,670 --> 00:55:16,720
actually is in the chat here man he

1528
00:55:19,670 --> 00:55:17,680
never

1529
00:55:21,829 --> 00:55:19,680
chimes in but he was really interested

1530
00:55:23,510 --> 00:55:21,839
to hear your stories tonight so he asks

1531
00:55:25,750 --> 00:55:23,520
what did your wife say when you did tell

1532
00:55:27,430 --> 00:55:25,760
her about this

1533
00:55:29,589 --> 00:55:27,440
um she was like

1534
00:55:30,950 --> 00:55:29,599
well she my wife is very supportive of

1535
00:55:32,069 --> 00:55:30,960
me and

1536
00:55:33,670 --> 00:55:32,079
you know

1537
00:55:36,470 --> 00:55:33,680
we we've been kind of

1538
00:55:39,190 --> 00:55:36,480

or i i have been kind of

1539

00:55:41,430 --> 00:55:39,200

open about the uap topic for

1540

00:55:43,430 --> 00:55:41,440

you know for a while now and as i'm

1541

00:55:45,349 --> 00:55:43,440

telling her this she goes oh that's

1542

00:55:46,309 --> 00:55:45,359

that's weird man you know this

1543

00:55:47,589 --> 00:55:46,319

that's interesting you should tell

1544

00:55:48,789 --> 00:55:47,599

somebody that

1545

00:55:51,190 --> 00:55:48,799

you know

1546

00:55:52,630 --> 00:55:51,200

and just talk about it and kind of get

1547

00:55:53,430 --> 00:55:52,640

out what you got to say about it you

1548

00:55:56,390 --> 00:55:53,440

know

1549

00:55:57,349 --> 00:55:56,400

and yeah she's been supportive and

1550

00:55:59,270 --> 00:55:57,359

i can't

1551
00:56:01,109 --> 00:55:59,280
fault her for that you know man that's

1552
00:56:03,430 --> 00:56:01,119
all you can ask for i have a very

1553
00:56:04,789 --> 00:56:03,440
supportive significant other two who

1554
00:56:07,030 --> 00:56:04,799
deals with these

1555
00:56:09,349 --> 00:56:07,040
ufo things that are

1556
00:56:12,390 --> 00:56:09,359
basically my second significant other so

1557
00:56:15,430 --> 00:56:14,630
i spent a lot of time listening

1558
00:56:17,349 --> 00:56:15,440
yeah

1559
00:56:19,829 --> 00:56:17,359
yes they do yes they do and they are

1560
00:56:21,270 --> 00:56:19,839
very supportive um michael huntington

1561
00:56:23,109 --> 00:56:21,280
who's also in the chat right now he

1562
00:56:25,190 --> 00:56:23,119
asked over on twitter too

1563
00:56:27,109 --> 00:56:25,200

what was the culture at the base like in

1564

00:56:29,510 --> 00:56:27,119

regards to the subject we kind of talked

1565

00:56:32,390 --> 00:56:29,520

about that but he also mentions that um

1566

00:56:34,630 --> 00:56:32,400

the 509th bomb group was connected to

1567

00:56:36,309 --> 00:56:34,640

roswell and also with your base as well

1568

00:56:38,789 --> 00:56:36,319

did anyone talk about roswell at the

1569

00:56:41,030 --> 00:56:38,799

base any um stories ever

1570

00:56:41,829 --> 00:56:41,040

go through there that you heard no

1571

00:56:44,870 --> 00:56:41,839

no

1572

00:56:46,870 --> 00:56:44,880

i which i also i it's something i

1573

00:56:48,870 --> 00:56:46,880

brought up to chris sharp as well as i

1574

00:56:51,030 --> 00:56:48,880

found it really fascinating when it once

1575

00:56:53,510 --> 00:56:51,040

i got to whiteman i found out that it

1576
00:56:56,309 --> 00:56:53,520
was a 509th bomb wing and i was like

1577
00:56:59,510 --> 00:56:56,319
that sounds familiar why does the 509

1578
00:57:01,190 --> 00:56:59,520
sound familiar and yeah

1579
00:57:04,309 --> 00:57:01,200
through my research doing

1580
00:57:06,150 --> 00:57:04,319
ufo stuff roswell's obviously

1581
00:57:07,829 --> 00:57:06,160
the hallmark you know that's the first

1582
00:57:10,309 --> 00:57:07,839
thing you stop at and

1583
00:57:12,549 --> 00:57:10,319
hey the 519th bomb wing oh that's where

1584
00:57:14,069 --> 00:57:12,559
i know them from you know

1585
00:57:15,910 --> 00:57:14,079
and if i had known that i would have

1586
00:57:18,870 --> 00:57:15,920
taken more pictures while i was

1587
00:57:20,470 --> 00:57:18,880
stationed there yeah dude i get it um

1588
00:57:21,910 --> 00:57:20,480

what's your favorite case that's a

1589

00:57:24,069 --> 00:57:21,920

personal question of mine do you have a

1590

00:57:27,109 --> 00:57:24,079

favorite ufo case

1591

00:57:28,309 --> 00:57:27,119

i i don't really have a favorite case

1592

00:57:29,910 --> 00:57:28,319

i've

1593

00:57:31,910 --> 00:57:29,920

i kind of listened to everything and i

1594

00:57:33,270 --> 00:57:31,920

take everything as a whole man like

1595

00:57:35,670 --> 00:57:33,280

everything from

1596

00:57:38,230 --> 00:57:35,680

ancient aliens all the way to quantum

1597

00:57:39,109 --> 00:57:38,240

theory you know

1598

00:57:41,270 --> 00:57:39,119

nice

1599

00:57:42,950 --> 00:57:41,280

run the gamut i love it hey this is and

1600

00:57:45,510 --> 00:57:42,960

this is coming from a guy who's now on

1601
00:57:46,789 --> 00:57:45,520
ancient aliens after talking bad about

1602
00:57:48,150 --> 00:57:46,799
the show for

1603
00:57:50,789 --> 00:57:48,160
almost

1604
00:57:53,349 --> 00:57:50,799
god 10 years now they they finally roped

1605
00:57:55,430 --> 00:57:53,359
me in so i'm i'm with you i'm kind of

1606
00:57:58,309 --> 00:57:55,440
you know everything's on the table until

1607
00:58:00,789 --> 00:57:58,319
it's not so i'm open to a lot more than

1608
00:58:02,950 --> 00:58:00,799
i used to be to be completely honest i

1609
00:58:05,270 --> 00:58:02,960
become skeptical in some ways and more

1610
00:58:07,910 --> 00:58:05,280
open to others so that's it's welcome to

1611
00:58:09,910 --> 00:58:07,920
ufology it's a good thing to have a

1612
00:58:11,349 --> 00:58:09,920
healthy skepticism yeah because

1613
00:58:12,470 --> 00:58:11,359

otherwise you're not not going to be

1614

00:58:15,030 --> 00:58:12,480

able to rule out

1615

00:58:18,390 --> 00:58:15,040

the ass that the fantastical you know

1616

00:58:20,950 --> 00:58:18,400

the stuff that's just so out there that

1617

00:58:22,950 --> 00:58:20,960

it doesn't make sense you know yep

1618

00:58:24,789 --> 00:58:22,960

absolutely thank you to jordan for the

1619

00:58:26,870 --> 00:58:24,799

super sticker yeah guys if you want to

1620

00:58:28,789 --> 00:58:26,880

um ask adrian a question before we start

1621

00:58:30,630 --> 00:58:28,799

wrapping things up here he's been very

1622

00:58:32,710 --> 00:58:30,640

gracious with his time um throw him in

1623

00:58:34,630 --> 00:58:32,720

the super chat i will try to get to him

1624

00:58:36,710 --> 00:58:34,640

um but i'm gonna go right to the next

1625

00:58:39,270 --> 00:58:36,720

one here adrian um

1626

00:58:42,150 --> 00:58:39,280

jb on twitter asks did you have any

1627

00:58:43,750 --> 00:58:42,160

unusual dreams in the days uh leading up

1628

00:58:45,990 --> 00:58:43,760

to or after

1629

00:58:49,270 --> 00:58:46,000

any of these events do you think dreams

1630

00:58:51,030 --> 00:58:49,280

play any role in in this sort of stuff

1631

00:58:52,470 --> 00:58:51,040

no that

1632

00:58:55,270 --> 00:58:52,480

dreams are

1633

00:58:58,069 --> 00:58:55,280

a different thing for me because

1634

00:59:00,470 --> 00:58:58,079

i don't typically remember my dreams or

1635

00:59:02,230 --> 00:59:00,480

have dreams i don't

1636

00:59:04,470 --> 00:59:02,240

i don't remember my dreams or like i

1637

00:59:07,270 --> 00:59:04,480

said i don't i don't have them so me

1638

00:59:09,430 --> 00:59:07,280

either interesting i

1639

00:59:12,150 --> 00:59:09,440

i couldn't tell you if i had

1640

00:59:13,670 --> 00:59:12,160

weird dreams or not i i just i don't

1641

00:59:16,549 --> 00:59:13,680

remember them so

1642

00:59:19,349 --> 00:59:16,559

yeah yeah okay that's totally fair yeah

1643

00:59:21,349 --> 00:59:19,359

because a lot of people do often

1644

00:59:24,069 --> 00:59:21,359

relate the two especially when it comes

1645

00:59:26,230 --> 00:59:24,079

to like abductions and alien abductions

1646

00:59:28,870 --> 00:59:26,240

sleep paralysis dreams

1647

00:59:30,309 --> 00:59:28,880

hypnagogic dreams so that's a fair

1648

00:59:31,750 --> 00:59:30,319

question but the fact that you don't

1649

00:59:34,230 --> 00:59:31,760

remember your dreams that says it right

1650

00:59:36,470 --> 00:59:34,240

there my man um and the day you do

1651
00:59:38,390 --> 00:59:36,480
it probably means something so yeah

1652
00:59:40,470 --> 00:59:38,400
every once in a while i'll remember like

1653
00:59:42,309 --> 00:59:40,480
a dream or two or like snippets out of a

1654
00:59:45,109 --> 00:59:42,319
dream but that's about it

1655
00:59:46,549 --> 00:59:45,119
yeah yeah same it's kind of little tiny

1656
00:59:49,510 --> 00:59:46,559
fragments like

1657
00:59:51,510 --> 00:59:49,520
yeah one little film piece of a whole

1658
00:59:55,030 --> 00:59:51,520
roll or something i get it

1659
00:59:57,670 --> 00:59:55,040
um cool uh chirpsgolden on twitter asks

1660
00:59:59,510 --> 00:59:57,680
were there any odors present during the

1661
01:00:01,430 --> 00:59:59,520
encounter with the shadow person and

1662
01:00:04,390 --> 01:00:01,440
what were your sleeping habits like

1663
01:00:06,230 --> 01:00:04,400

following the the days after i mean

1664

01:00:08,870 --> 01:00:06,240

could you sleep after this event dude i

1665

01:00:10,630 --> 01:00:08,880

can imagine it was pretty uh weird and i

1666

01:00:13,109 --> 01:00:10,640

don't know traumatic dramatic i don't

1667

01:00:15,750 --> 01:00:13,119

know um yeah

1668

01:00:17,670 --> 01:00:15,760

well i'm an insomniac so

1669

01:00:18,630 --> 01:00:17,680

okay i don't sleep very much to begin

1670

01:00:21,270 --> 01:00:18,640

with

1671

01:00:27,190 --> 01:00:24,950

um so i'd probably say i i

1672

01:00:29,510 --> 01:00:27,200

i slept about the same

1673

01:00:30,309 --> 01:00:29,520

if maybe a little less maybe a little

1674

01:00:32,150 --> 01:00:30,319

less

1675

01:00:33,750 --> 01:00:32,160

it didn't really

1676
01:00:35,670 --> 01:00:33,760
bother me because like i said i kind of

1677
01:00:38,549 --> 01:00:35,680
just put it out of sight out of mind and

1678
01:00:40,950 --> 01:00:38,559
it just disappeared for me i didn't

1679
01:00:43,910 --> 01:00:40,960
i compartmentalized it essentially you

1680
01:00:45,349 --> 01:00:43,920
know right put it in the vault i get it

1681
01:00:47,430 --> 01:00:45,359
i totally get it

1682
01:00:49,670 --> 01:00:47,440
um cool well i've got one more twitter

1683
01:00:52,390 --> 01:00:49,680
question here for you um if you guys

1684
01:00:53,589 --> 01:00:52,400
want to put a question in do it now um

1685
01:00:57,430 --> 01:00:53,599
we're going to be wrapping things up

1686
01:01:00,069 --> 01:00:57,440
here but uh fake jalal on twitter asks

1687
01:01:02,710 --> 01:01:00,079
what is your perception of uh

1688
01:01:04,470 --> 01:01:02,720

reality after having these experiences

1689

01:01:06,470 --> 01:01:04,480

and have you had any um

1690

01:01:09,430 --> 01:01:06,480

significant changes in your life or

1691

01:01:11,589 --> 01:01:09,440

lifestyle after these encounters they're

1692

01:01:13,750 --> 01:01:11,599

getting deep

1693

01:01:15,510 --> 01:01:13,760

i wouldn't say i've any had any like

1694

01:01:16,950 --> 01:01:15,520

significant changes in my life or

1695

01:01:18,150 --> 01:01:16,960

lifestyle

1696

01:01:19,109 --> 01:01:18,160

um

1697

01:01:21,990 --> 01:01:19,119

maybe

1698

01:01:24,630 --> 01:01:22,000

i would say i look up a lot more often

1699

01:01:27,030 --> 01:01:24,640

you know i

1700

01:01:30,950 --> 01:01:29,670

critically think more often or not more

1701

01:01:33,349 --> 01:01:30,960

often but i'm

1702

01:01:34,390 --> 01:01:33,359

i've taken a lot more critical thinking

1703

01:01:35,829 --> 01:01:34,400

i

1704

01:01:38,150 --> 01:01:35,839

tend to

1705

01:01:39,349 --> 01:01:38,160

rule out more stuff than i i don't you

1706

01:01:40,870 --> 01:01:39,359

know

1707

01:01:42,630 --> 01:01:40,880

um

1708

01:01:45,030 --> 01:01:42,640

and i just

1709

01:01:48,549 --> 01:01:45,040

healthy skepticism is is really what

1710

01:01:51,829 --> 01:01:50,069

came out of this all for me you know

1711

01:01:53,510 --> 01:01:51,839

kind of well i've seen this and i've

1712

01:01:55,670 --> 01:01:53,520

seen this and i've seen this and you

1713

01:01:57,349 --> 01:01:55,680

know i have this to go off of and i now

1714

01:01:59,510 --> 01:01:57,359

i've seen this and this doesn't make any

1715

01:02:00,390 --> 01:01:59,520

sense to me so i'm just gonna throw it

1716

01:02:03,029 --> 01:02:00,400

out or

1717

01:02:04,710 --> 01:02:03,039

i gotta figure out how to fit in this

1718

01:02:07,670 --> 01:02:04,720

square pig in this round hole somehow

1719

01:02:10,230 --> 01:02:07,680

you know right

1720

01:02:12,069 --> 01:02:10,240

interesting yeah i you know and i'm a

1721

01:02:13,190 --> 01:02:12,079

person of um

1722

01:02:15,349 --> 01:02:13,200

the human

1723

01:02:17,589 --> 01:02:15,359

uh aftermath of these sort of things man

1724

01:02:20,710 --> 01:02:17,599

like how does it affect your belief

1725

01:02:23,990 --> 01:02:20,720

system your relationships um how does it

1726

01:02:26,390 --> 01:02:24,000

change you as a person so i mean i i

1727

01:02:29,270 --> 01:02:26,400

think it's good that like in some ways

1728

01:02:30,470 --> 01:02:29,280

you're like okay this has opened up

1729

01:02:32,710 --> 01:02:30,480

certain

1730

01:02:34,390 --> 01:02:32,720

aspects of what what this all could be

1731

01:02:36,150 --> 01:02:34,400

but i also have to be very careful and

1732

01:02:36,950 --> 01:02:36,160

not to go too far out you know that

1733

01:02:38,069 --> 01:02:36,960

whole

1734

01:02:39,510 --> 01:02:38,079

cliche

1735

01:02:41,430 --> 01:02:39,520

you know your brains will fall out if

1736

01:02:42,230 --> 01:02:41,440

you're too open-minded sort of things

1737

01:02:44,230 --> 01:02:42,240

right

1738

01:02:46,309 --> 01:02:44,240

yeah it's good to keep it kind of

1739

01:02:48,309 --> 01:02:46,319

grounded that's our slogan here keep

1740

01:02:50,710 --> 01:02:48,319

your feet on the ground but don't stop

1741

01:02:52,870 --> 01:02:50,720

searching you know so i totally get that

1742

01:02:54,870 --> 01:02:52,880

i totally get that um let's see if we

1743

01:02:56,630 --> 01:02:54,880

have anything in the chat here before we

1744

01:02:58,710 --> 01:02:56,640

wrap up uh christopher plane says does

1745

01:03:02,710 --> 01:02:58,720

adrian find himself building mashed

1746

01:03:07,349 --> 01:03:05,349

can't say that i have

1747

01:03:09,430 --> 01:03:07,359

not not happened and no close encounters

1748

01:03:10,710 --> 01:03:09,440

are the third kind no can't say that i

1749

01:03:13,349 --> 01:03:10,720

have

1750

01:03:16,470 --> 01:03:13,359

i wish that would be amazing

1751

01:03:18,870 --> 01:03:16,480

please take me i'm ready to go take them

1752

01:03:20,230 --> 01:03:18,880

to uh what is it superstition mountain

1753

01:03:21,430 --> 01:03:20,240

is that yeah

1754

01:03:23,589 --> 01:03:21,440

yeah yeah

1755

01:03:25,829 --> 01:03:23,599

fair enough i mean you know any uap is

1756

01:03:27,430 --> 01:03:25,839

out there man if if y'all uaps are

1757

01:03:29,430 --> 01:03:27,440

listening i'm ready to go

1758

01:03:31,109 --> 01:03:29,440

i got my backpack

1759

01:03:32,630 --> 01:03:31,119

he's ready he's ready for another

1760

01:03:34,549 --> 01:03:32,640

experience um

1761

01:03:36,069 --> 01:03:34,559

i guess kind of my last question for you

1762

01:03:39,029 --> 01:03:36,079

adrian um

1763

01:03:40,630 --> 01:03:39,039

why'd you come forward what really

1764

01:03:41,990 --> 01:03:40,640

compelled you i know you said you you

1765

01:03:45,270 --> 01:03:42,000

know you listen to andy's show and

1766

01:03:47,430 --> 01:03:45,280

whatnot but was there any like really

1767

01:03:49,510 --> 01:03:47,440

deep conviction as to why you wanted to

1768

01:03:51,190 --> 01:03:49,520

share these why you were willing to

1769

01:03:53,349 --> 01:03:51,200

come out and say this because look no

1770

01:03:55,750 --> 01:03:53,359

matter how mainstream ufos become or

1771

01:03:57,589 --> 01:03:55,760

whatever or the paranormal there are

1772

01:04:00,390 --> 01:03:57,599

going to be people who scoff at it or

1773

01:04:02,150 --> 01:04:00,400

think oh he imagined this or he was he

1774

01:04:03,910 --> 01:04:02,160

was definitely high that night at work

1775

01:04:07,190 --> 01:04:03,920

or you know that that's always going to

1776
01:04:08,710 --> 01:04:07,200
be there but what really compelled you i

1777
01:04:11,430 --> 01:04:08,720
guess deep down

1778
01:04:13,109 --> 01:04:11,440
to share these stories with us

1779
01:04:15,589 --> 01:04:13,119
essentially man like

1780
01:04:17,910 --> 01:04:15,599
there's no reporting mechanism for

1781
01:04:20,390 --> 01:04:17,920
anybody right and

1782
01:04:22,789 --> 01:04:20,400
they want more transparency in the uap

1783
01:04:24,950 --> 01:04:22,799
topic right especially with this new

1784
01:04:26,470 --> 01:04:24,960
office that has come to light

1785
01:04:28,150 --> 01:04:26,480
and you know

1786
01:04:29,990 --> 01:04:28,160
all these people that have had prefix

1787
01:04:32,309 --> 01:04:30,000
experiences there's not been anything

1788
01:04:33,430 --> 01:04:32,319

for them to come out or a way for them

1789

01:04:35,990 --> 01:04:33,440

to come out or maybe even feel

1790

01:04:38,150 --> 01:04:36,000

comfortable to come out and say anything

1791

01:04:40,470 --> 01:04:38,160

and it it's

1792

01:04:43,029 --> 01:04:40,480

through me doing this that i i'm hoping

1793

01:04:44,710 --> 01:04:43,039

that i make a wide enough

1794

01:04:49,270 --> 01:04:44,720

uh

1795

01:04:50,549 --> 01:04:49,280

path for them to kind of follow through

1796

01:04:58,870 --> 01:04:50,559

or

1797

01:05:01,190 --> 01:04:58,880

out what they have to say you know yeah

1798

01:05:02,630 --> 01:05:01,200

and ultimately man it's it's about the

1799

01:05:04,470 --> 01:05:02,640

people

1800

01:05:06,549 --> 01:05:04,480

there's i'm sure

1801
01:05:08,390 --> 01:05:06,559
people that have had experiences similar

1802
01:05:09,750 --> 01:05:08,400
to mine that

1803
01:05:10,710 --> 01:05:09,760
don't feel comfortable coming out and

1804
01:05:14,309 --> 01:05:10,720
saying this

1805
01:05:15,349 --> 01:05:14,319
or don't feel comfortable you know

1806
01:05:16,870 --> 01:05:15,359
just

1807
01:05:18,380 --> 01:05:16,880
telling other people what they've saw

1808
01:05:19,990 --> 01:05:18,390
seen you know

1809
01:05:22,470 --> 01:05:20,000
[Music]

1810
01:05:25,109 --> 01:05:22,480
and again like top secret clearance and

1811
01:05:26,710 --> 01:05:25,119
prp it's it's a big thing and

1812
01:05:29,029 --> 01:05:26,720
if they're going to end up losing their

1813
01:05:32,150 --> 01:05:29,039

prp or toxic see top secret clearance

1814

01:05:36,549 --> 01:05:32,160

over this why why say anything so

1815

01:05:39,270 --> 01:05:36,559

maybe they really need to just start

1816

01:05:40,309 --> 01:05:39,280

allowing them to say something you know

1817

01:05:42,069 --> 01:05:40,319

um

1818

01:05:44,789 --> 01:05:42,079

i'm i'm all for

1819

01:05:47,750 --> 01:05:44,799

uip transparency i

1820

01:05:49,430 --> 01:05:47,760

what was it um

1821

01:05:51,349 --> 01:05:49,440

uh

1822

01:05:52,630 --> 01:05:51,359

what would they have

1823

01:05:55,910 --> 01:05:52,640

uh

1824

01:05:57,349 --> 01:05:55,920

amnesty uap amnesty is is something that

1825

01:05:59,829 --> 01:05:57,359

i would like to

1826

01:06:02,309 --> 01:05:59,839

hashtag you know i've seen it before

1827

01:06:04,710 --> 01:06:02,319

hashtag uap msc

1828

01:06:06,710 --> 01:06:04,720

and because people they need we need the

1829

01:06:08,390 --> 01:06:06,720

truth honestly is essentially what i'm

1830

01:06:10,470 --> 01:06:08,400

trying to get at is i would just like

1831

01:06:11,910 --> 01:06:10,480

the truth and i think

1832

01:06:13,349 --> 01:06:11,920

we deserve it

1833

01:06:14,950 --> 01:06:13,359

at this point

1834

01:06:16,950 --> 01:06:14,960

awesome do you think we'll ever get

1835

01:06:18,870 --> 01:06:16,960

there at least in

1836

01:06:21,430 --> 01:06:18,880

we were born in the same year so in our

1837

01:06:23,829 --> 01:06:21,440

lifetime i think we'll get there

1838

01:06:25,589 --> 01:06:23,839

i'm i'm hoping so i mean

1839

01:06:28,309 --> 01:06:25,599

things have certainly picked up pace

1840

01:06:29,670 --> 01:06:28,319

within the last even the last year you

1841

01:06:33,109 --> 01:06:29,680

know yeah

1842

01:06:33,990 --> 01:06:33,119

it's it's been a breakneck speed so

1843

01:06:38,069 --> 01:06:34,000

i'm

1844

01:06:39,750 --> 01:06:38,079

five to ten years probably we'll see

1845

01:06:42,230 --> 01:06:39,760

something

1846

01:06:45,270 --> 01:06:42,240

i love that i love the optimism for sure

1847

01:06:46,390 --> 01:06:45,280

man um well i mean obviously thank you

1848

01:06:49,029 --> 01:06:46,400

for your service

1849

01:06:50,950 --> 01:06:49,039

to our country um but thank you also for

1850

01:06:53,029 --> 01:06:50,960

being willing to talk about this because

1851

01:06:54,549 --> 01:06:53,039

i do think you're going to compel others

1852

01:06:56,789 --> 01:06:54,559

and empower others to come forward not

1853

01:06:59,430 --> 01:06:56,799

just military but um in the civilian

1854

01:07:02,549 --> 01:06:59,440

world as well i can't tell you after you

1855

01:07:04,150 --> 01:07:02,559

know i i came out with my book in 2020

1856

01:07:07,190 --> 01:07:04,160

where i interviewed the chief radar

1857

01:07:08,390 --> 01:07:07,200

operator of the tic tac event and this

1858

01:07:11,190 --> 01:07:08,400

affected him

1859

01:07:14,309 --> 01:07:11,200

so greatly and keeping it down hidden in

1860

01:07:17,349 --> 01:07:14,319

that vault like you said for so long it

1861

01:07:19,510 --> 01:07:17,359

almost ruined his life so when he saw

1862

01:07:22,309 --> 01:07:19,520

you know commander fravor on television

1863

01:07:26,549 --> 01:07:22,319

talking about it it was like 20 years

1864

01:07:28,309 --> 01:07:26,559

just like off his shoulders man um and i

1865

01:07:30,390 --> 01:07:28,319

can't tell you after that chapter and my

1866

01:07:31,990 --> 01:07:30,400

book came out after all these reports

1867

01:07:33,910 --> 01:07:32,000

came out and everything how many

1868

01:07:36,789 --> 01:07:33,920

military people came to people like me

1869

01:07:39,270 --> 01:07:36,799

and andy and and journalists and

1870

01:07:41,589 --> 01:07:39,280

and and everyone in between and said

1871

01:07:44,150 --> 01:07:41,599

finally like i can talk about this

1872

01:07:45,109 --> 01:07:44,160

without you know there's a stigma

1873

01:07:48,230 --> 01:07:45,119

for me

1874

01:07:50,950 --> 01:07:48,240

yeah so i mean it's people like you who

1875

01:07:52,549 --> 01:07:50,960

are willing to to do that that um we

1876

01:07:55,109 --> 01:07:52,559

really appreciate in the ufo world

1877

01:07:57,829 --> 01:07:55,119

because you do lend a certain

1878

01:07:59,829 --> 01:07:57,839

credibility and legitimacy um

1879

01:08:01,750 --> 01:07:59,839

maybe more than a civilian i don't

1880

01:08:04,069 --> 01:08:01,760

really like having that debate of

1881

01:08:06,789 --> 01:08:04,079

trained observers and you know the

1882

01:08:08,230 --> 01:08:06,799

barista at the coffee shop but um

1883

01:08:09,430 --> 01:08:08,240

the more people who come forward and

1884

01:08:11,670 --> 01:08:09,440

talk about this the more we can

1885

01:08:12,870 --> 01:08:11,680

normalize it for everyone so um yeah

1886

01:08:14,710 --> 01:08:12,880

first and foremost i want to thank you

1887

01:08:16,630 --> 01:08:14,720

for that

1888

01:08:18,870 --> 01:08:16,640

yeah nope no problem

1889

01:08:21,349 --> 01:08:18,880

awesome man pleasure man

1890

01:08:23,669 --> 01:08:21,359

awesome uh let's see uh if we have

1891

01:08:25,990 --> 01:08:23,679

anything left in the chat here before we

1892

01:08:27,669 --> 01:08:26,000

say goodnight to you man um

1893

01:08:29,910 --> 01:08:27,679

everyone's just loving it that's what i

1894

01:08:32,149 --> 01:08:29,920

like to hear we didn't piss anyone off

1895

01:08:33,669 --> 01:08:32,159

or anything like that um

1896

01:08:35,910 --> 01:08:33,679

i don't see how that could happen man

1897

01:08:37,990 --> 01:08:35,920

you've been so open with us um are you

1898

01:08:40,309 --> 01:08:38,000

willing to share uh where we can reach

1899

01:08:42,149 --> 01:08:40,319

you is we got your twitter handle sure

1900

01:08:43,349 --> 01:08:42,159

here but um if anyone wants to reach out

1901

01:08:45,110 --> 01:08:43,359

to you

1902

01:08:47,030 --> 01:08:45,120

um

1903

01:08:48,390 --> 01:08:47,040

is this the best place yeah twitter's

1904

01:08:50,470 --> 01:08:48,400

probably the best place to reach me out

1905

01:08:53,189 --> 01:08:50,480

to me with uap stuff because that's

1906

01:08:54,229 --> 01:08:53,199

where i spend most of my time doing uap

1907

01:08:55,349 --> 01:08:54,239

stuff

1908

01:08:57,669 --> 01:08:55,359

nice

1909

01:08:59,590 --> 01:08:57,679

awesome um awesome michael says thank

1910

01:09:01,910 --> 01:08:59,600

you guys christopher says thank you for

1911

01:09:03,430 --> 01:09:01,920

sharing oh this is fascinating dude i

1912

01:09:06,229 --> 01:09:03,440

really appreciate you taking the time to

1913

01:09:08,630 --> 01:09:06,239

do it um i know you're gonna be on the

1914

01:09:10,950 --> 01:09:08,640

unidentified celebrity review next week

1915

01:09:13,030 --> 01:09:10,960

with luis jimenez um

1916

01:09:14,789 --> 01:09:13,040

i can't wait to tune into that hopefully

1917

01:09:18,070 --> 01:09:14,799

this was you know kind of the

1918

01:09:20,470 --> 01:09:18,080

introduction um for what's gonna be

1919

01:09:22,390 --> 01:09:20,480

unraveled over there next week so once

1920

01:09:25,189 --> 01:09:22,400

again man i'll say goodnight to you

1921

01:09:27,990 --> 01:09:25,199

before i um do my little talk shop thing

1922

01:09:30,309 --> 01:09:28,000

here debrief um so thank you thank you

1923

01:09:32,709 --> 01:09:30,319

for for coming forward thank you for

1924

01:09:34,950 --> 01:09:32,719

working with chris and um yeah have a

1925

01:09:37,269 --> 01:09:34,960

great night thanks man

1926

01:09:40,630 --> 01:09:37,279

awesome take care adrian you too all

1927

01:09:45,990 --> 01:09:44,309

awesome guys that was so much fun um i

1928

01:09:49,829 --> 01:09:46,000

i can't believe within the span of like

1929

01:09:52,229 --> 01:09:49,839

48 hours i met adrian here um digitally

1930

01:09:55,350 --> 01:09:52,239

and he just uh he seems like a really

1931

01:09:57,510 --> 01:09:55,360

cool guy very genuine in his experiences

1932

01:09:59,030 --> 01:09:57,520

and and what happened to him and again

1933

01:10:01,430 --> 01:09:59,040

like that's what we need in this field

1934

01:10:03,669 --> 01:10:01,440

there's more people to talk about it

1935

01:10:05,270 --> 01:10:03,679

make it normal and um

1936

01:10:07,350 --> 01:10:05,280

the floodgates just opened wide there

1937

01:10:10,070 --> 01:10:07,360

will be too many people who've had

1938

01:10:12,070 --> 01:10:10,080

experiences to deny these phenomena

1939

01:10:14,229 --> 01:10:12,080

exist and we're

1940

01:10:17,270 --> 01:10:14,239

baby steps we're making it you know the

1941

01:10:19,350 --> 01:10:17,280

us government says ufos exist they are

1942

01:10:21,270 --> 01:10:19,360

real they are a legitimate phenomenon

1943

01:10:23,189 --> 01:10:21,280

that's huge now the question is what are

1944

01:10:25,350 --> 01:10:23,199

they where do they come from what do

1945

01:10:27,510 --> 01:10:25,360

they want and there's probably a million

1946

01:10:29,189 --> 01:10:27,520

questions to ask after that as well

1947

01:10:30,790 --> 01:10:29,199

warlock thank you so much for the super

1948

01:10:32,709 --> 01:10:30,800

chat i appreciate thank you to everyone

1949

01:10:34,709 --> 01:10:32,719

in the chat tonight um for asking

1950

01:10:36,790 --> 01:10:34,719

questions for your donations i really

1951

01:10:37,590 --> 01:10:36,800

appreciate it adrian's in the chat as

1952

01:10:39,270 --> 01:10:37,600

well

1953

01:10:40,950 --> 01:10:39,280

um it was a pleasure if i didn't get

1954

01:10:42,950 --> 01:10:40,960

your questions feel free to post them to

1955

01:10:46,070 --> 01:10:42,960

me on twitter that's awesome guys reach

1956

01:10:48,310 --> 01:10:46,080

out to him there and um i will once

1957

01:10:51,669 --> 01:10:48,320

again i will share his twitter handle in

1958

01:10:53,110 --> 01:10:51,679

the show notes and um other than that uh

1959

01:10:55,910 --> 01:10:53,120

be on the lookout for a new episode of

1960

01:10:58,470 --> 01:10:55,920

ancient aliens premiering on friday um i

1961

01:11:00,470 --> 01:10:58,480

think i'm in that one i'm not positive

1962

01:11:03,110 --> 01:11:00,480

um but yeah friday's at nine on the

1963

01:11:05,350 --> 01:11:03,120

history channel um

1964

01:11:07,750 --> 01:11:05,360

other than that the show is every monday

1965

01:11:09,910 --> 01:11:07,760

if you haven't already please subscribe

1966

01:11:11,430 --> 01:11:09,920

to the channel here and click the like

1967

01:11:13,110 --> 01:11:11,440

button it really helps really goes a

1968

01:11:15,750 --> 01:11:13,120

long way share the show with your

1969

01:11:18,390 --> 01:11:15,760

friends it would be much appreciated and

1970

01:11:21,270 --> 01:11:18,400

um rate and review the podcast wherever

1971

01:11:22,870 --> 01:11:21,280

you get your podcast apple spotify um i

1972

01:11:24,630 --> 01:11:22,880

think spotify has a place where you can

1973

01:11:26,630 --> 01:11:24,640

rate and review now so that's pretty

1974

01:11:28,229 --> 01:11:26,640

cool that really helps out the show more

1975

01:11:30,550 --> 01:11:28,239

than you guys think it you know it

1976

01:11:33,189 --> 01:11:30,560

boosts us up signal boosts us up into

1977

01:11:35,910 --> 01:11:33,199

the um the featured things over there so

1978

01:11:37,750 --> 01:11:35,920

i really appreciate that um love to

1979

01:11:40,149 --> 01:11:37,760

everyone in the chat douglas sprague my

1980

01:11:42,229 --> 01:11:40,159

father thank you for joining me tonight

1981

01:11:43,750 --> 01:11:42,239

we're gonna have to get doug on the show

1982

01:11:45,990 --> 01:11:43,760

at some point to talk about what it's

1983

01:11:48,790 --> 01:11:46,000

like having a son like me into this

1984

01:11:50,310 --> 01:11:48,800

crazy ufo world but um thank you guys

1985

01:11:52,390 --> 01:11:50,320

thanks for joining me tonight share the

1986

01:11:54,229 --> 01:11:52,400

show if you don't mind i would really

1987

01:11:57,510 --> 01:11:54,239

appreciate it and again my special

1988

01:11:59,750 --> 01:11:57,520

thanks to adrian for coming on so with

1989

01:12:01,830 --> 01:11:59,760

that i am going to say good night with a

1990

01:12:03,910 --> 01:12:01,840

little commercial here for our patreon

1991

01:12:06,470 --> 01:12:03,920

but have a great night thank you for

1992

01:12:08,470 --> 01:12:06,480

joining me and of course as always keep

1993

01:12:10,790 --> 01:12:08,480

your feet on the ground but never stop

1994

01:12:11,980 --> 01:12:10,800

searching somewhere in the skies take

1995

01:12:13,189 --> 01:12:11,990

care guys

1996

01:12:15,350 --> 01:12:13,199

[Music]

1997

01:12:18,550 --> 01:12:15,360

hey guys ryan here the summer in the

1998

01:12:20,709 --> 01:12:18,560

skies podcast is a labor of love every

1999

01:12:23,189 --> 01:12:20,719

week and with that comes many different

2000

01:12:25,910 --> 01:12:23,199

costs to keep the show running that's

2001

01:12:27,990 --> 01:12:25,920

where our patreon campaign comes in you

2002

01:12:30,390 --> 01:12:28,000

give what you think the show is worth

2003

01:12:32,310 --> 01:12:30,400

there's different rewards available all

2004

01:12:34,790 --> 01:12:32,320

the time including shout outs on the

2005

01:12:37,669 --> 01:12:34,800

show early editions of main episodes

2006

01:12:40,149 --> 01:12:37,679

bonus episodes and content and very soon

2007

01:12:43,510 --> 01:12:40,159

monthly patron hangouts where we sit

2008

01:12:45,189 --> 01:12:43,520

back and chat all things ufos so i hope

2009

01:12:47,750 --> 01:12:45,199

you'll consider becoming a patreon

2010

01:12:51,030 --> 01:12:47,760

subscriber today to learn more and to

2011

01:12:53,830 --> 01:12:51,040

join visit [patreon.com](https://www.patreon.com)
