

COFFEE FOR
SASQUATCH

SECOND EDITION

FIRE OFFICER'S GUIDE TO DISASTER CONTROL

WILLIAM M. KRAMER, Ph.D.
CHARLES W. BAHME, J.D.

1
00:00:03,590 --> 00:00:01,429

[Music]

2
00:00:06,789 --> 00:00:03,600

hey guys ryan here the summer in the

3
00:00:08,950 --> 00:00:06,799

skies podcast is a labor of love every

4
00:00:11,430 --> 00:00:08,960

week and with that comes many different

5
00:00:14,150 --> 00:00:11,440

costs to keep the show running that's

6
00:00:16,150 --> 00:00:14,160

where our patreon campaign comes in you

7
00:00:18,550 --> 00:00:16,160

give what you think the show is worth

8
00:00:20,470 --> 00:00:18,560

there's different rewards available all

9
00:00:23,029 --> 00:00:20,480

the time including shout outs on the

10
00:00:25,830 --> 00:00:23,039

show early editions of main episodes

11
00:00:28,390 --> 00:00:25,840

bonus episodes and content and very soon

12
00:00:31,669 --> 00:00:28,400

monthly patron hangouts where we sit

13
00:00:33,430 --> 00:00:31,679

back and chat all things ufos so i hope

14

00:00:35,990 --> 00:00:33,440

you'll consider becoming a patreon

15

00:00:39,270 --> 00:00:36,000

subscriber today to learn more and to

16

00:00:41,510 --> 00:00:39,280

join visit patreon.com

17

00:00:48,130 --> 00:00:41,520

somewhereskies thank you for your

18

00:00:48,140 --> 00:00:58,869

[Music]

19

00:01:03,630 --> 00:01:01,830

this is somewhere in the skies with ryan

20

00:01:22,870 --> 00:01:03,640

spread

21

00:01:28,550 --> 00:01:25,109

what's up guys ryan sprague here from

22

00:01:31,910 --> 00:01:28,560

somewhere in the skies and uh this is a

23

00:01:34,870 --> 00:01:31,920

very impromptu very laid-back live

24

00:01:36,630 --> 00:01:34,880

stream i am doing tonight um i didn't

25

00:01:39,109 --> 00:01:36,640

even really have time to set up my

26

00:01:41,749 --> 00:01:39,119

studio here my lighting i look like a

27

00:01:43,429 --> 00:01:41,759

ghost i apologize

28

00:01:46,630 --> 00:01:43,439

for that i don't know if this is making

29

00:01:49,670 --> 00:01:46,640

anything better um that being said um

30

00:01:52,630 --> 00:01:49,680

this is gonna be fun i think i hope you

31

00:01:54,149 --> 00:01:52,640

guys like what we're doing tonight um so

32

00:01:55,350 --> 00:01:54,159

this actually what we're gonna be

33

00:01:58,310 --> 00:01:55,360

talking about tonight came to my

34

00:02:01,190 --> 00:01:58,320

attention by um a gentleman named shane

35

00:02:02,630 --> 00:02:01,200

s who is one of my patreon subscribers

36

00:02:04,870 --> 00:02:02,640

and uh we've been emailing back and

37

00:02:07,270 --> 00:02:04,880

forth a few times about ufos and he

38

00:02:09,990 --> 00:02:07,280

brought this to my attention after i

39

00:02:12,309 --> 00:02:10,000

recently had dan warren on the live

40

00:02:15,110 --> 00:02:12,319

stream talking about this uh very

41

00:02:18,070 --> 00:02:15,120

mysterious chapter 13 in a

42

00:02:22,550 --> 00:02:18,080

united states air force academy textbook

43

00:02:24,790 --> 00:02:22,560

in uh physics course all about ufos so

44

00:02:27,110 --> 00:02:24,800

out of nowhere to be completely honest

45

00:02:30,550 --> 00:02:27,120

um shane brought to my attention that

46

00:02:33,670 --> 00:02:30,560

there is a chapter 13 in another book

47

00:02:36,070 --> 00:02:33,680

and this had to do with fire officers um

48

00:02:39,030 --> 00:02:36,080

so for fire departments and whatnot it

49

00:02:42,070 --> 00:02:39,040

is the fire officer's guide to disaster

50

00:02:45,589 --> 00:02:42,080

control and just like in this air force

51
00:02:47,509 --> 00:02:45,599
academy textbook this was chapter 13 in

52
00:02:51,589 --> 00:02:47,519
a quote-unquote manual

53
00:02:53,830 --> 00:02:51,599
about ufos so i i could not not talk

54
00:02:56,070 --> 00:02:53,840
about this i know that this has been out

55
00:02:57,910 --> 00:02:56,080
in the public many ufo researchers know

56
00:02:59,430 --> 00:02:57,920
about it it's been talked about there's

57
00:03:01,589 --> 00:02:59,440
been new segments on it one of which i'm

58
00:03:02,869 --> 00:03:01,599
going to share with you tonight um but i

59
00:03:05,190 --> 00:03:02,879
thought it'd be really cool to kind of

60
00:03:07,190 --> 00:03:05,200
just run through the chapter um i have

61
00:03:09,270 --> 00:03:07,200
not been able to go over the entire

62
00:03:11,830 --> 00:03:09,280
chapter like i said i just learned about

63
00:03:15,270 --> 00:03:11,840

this hours ago and i

64

00:03:17,509 --> 00:03:15,280

um i am currently unemployed again here

65

00:03:20,390 --> 00:03:17,519

in new york city we're having a very

66

00:03:22,550 --> 00:03:20,400

very bad uh time on broadway when it

67

00:03:25,270 --> 00:03:22,560

comes to the omicron variant

68

00:03:27,270 --> 00:03:25,280

and covid so um i've got some nice free

69

00:03:28,869 --> 00:03:27,280

and i thought why not do these live

70

00:03:30,550 --> 00:03:28,879

streams these are always fun so i'm

71

00:03:32,309 --> 00:03:30,560

gonna go through this chapter with you

72

00:03:34,149 --> 00:03:32,319

guys pick out some of the stuff i

73

00:03:35,589 --> 00:03:34,159

thought was kind of cool and interesting

74

00:03:38,149 --> 00:03:35,599

and i'm just going to explore the

75

00:03:40,070 --> 00:03:38,159

chapter with you um so we might go line

76

00:03:41,589 --> 00:03:40,080

by line um

77

00:03:43,430 --> 00:03:41,599

i don't know i don't know how this is

78

00:03:45,270 --> 00:03:43,440

going to go uh you might be bored out of

79

00:03:48,470 --> 00:03:45,280

your mind or i would love for you guys

80

00:03:50,710 --> 00:03:48,480

to chime in in the chat um i did put let

81

00:03:53,509 --> 00:03:50,720

me go ahead and do this one more time

82

00:03:55,509 --> 00:03:53,519

i put a link to the chapter

83

00:03:59,190 --> 00:03:55,519

um a pdf

84

00:04:01,190 --> 00:03:59,200

uh that you can actually um

85

00:04:02,630 --> 00:04:01,200

you can actually read along with me if

86

00:04:03,670 --> 00:04:02,640

you want let me see if i can send it

87

00:04:05,910 --> 00:04:03,680

again

88

00:04:08,309 --> 00:04:05,920

in the chat

89

00:04:10,710 --> 00:04:08,319

uh beanie thank you so much for the kind

90

00:04:14,229 --> 00:04:10,720

words yes it's been a tough few years

91

00:04:16,069 --> 00:04:14,239

for broadway um let me know guys if that

92

00:04:19,110 --> 00:04:16,079

link works for you

93

00:04:21,670 --> 00:04:19,120

um otherwise i should be able to just

94

00:04:24,150 --> 00:04:21,680

here here okay

95

00:04:26,230 --> 00:04:24,160

so john greenwald of the black vault of

96

00:04:28,550 --> 00:04:26,240

course is the person i turn to when it

97

00:04:31,990 --> 00:04:28,560

comes with any documents pertaining to

98

00:04:34,870 --> 00:04:32,000

ufos he always he i should say he never

99

00:04:35,990 --> 00:04:34,880

lets me down okay so ignore that first

100

00:04:37,749 --> 00:04:36,000

link

101
00:04:39,990 --> 00:04:37,759
go click on the one i just put in the

102
00:04:41,510 --> 00:04:40,000
chat there um that is the chapter on

103
00:04:44,150 --> 00:04:41,520
ufos

104
00:04:45,350 --> 00:04:44,160
titled enemy attack and ufo potential

105
00:04:47,430 --> 00:04:45,360
which we're going to talk about in a

106
00:04:49,510 --> 00:04:47,440
little bit um but let's say hi want to

107
00:04:51,909 --> 00:04:49,520
say hi to everyone for joining me james

108
00:04:53,909 --> 00:04:51,919
is here hello james hello b

109
00:04:56,390 --> 00:04:53,919
and i really appreciate you being here

110
00:04:57,830 --> 00:04:56,400
matthew riot is here as always one of

111
00:04:59,990 --> 00:04:57,840
our biggest supporters here somewhere in

112
00:05:02,870 --> 00:05:00,000
the sky so thank you matthew um we've

113
00:05:05,270 --> 00:05:02,880

got vast twilight podcast here jason

114

00:05:08,310 --> 00:05:05,280

faye is here um

115

00:05:10,629 --> 00:05:08,320

muskoka jay is here hello folks he says

116

00:05:12,310 --> 00:05:10,639

awesome thank you guys thanks for being

117

00:05:13,749 --> 00:05:12,320

here um

118

00:05:15,749 --> 00:05:13,759

take a look at the chapter let me know

119

00:05:17,430 --> 00:05:15,759

what you think chime in with what um you

120

00:05:21,110 --> 00:05:17,440

think we should be looking at tonight in

121

00:05:23,510 --> 00:05:21,120

that um but before we do that let's get

122

00:05:25,830 --> 00:05:23,520

some news out of the way um i just found

123

00:05:28,150 --> 00:05:25,840

this actually so for those of you who

124

00:05:30,710 --> 00:05:28,160

don't know i am a screenwriter here in

125

00:05:32,310 --> 00:05:30,720

new york city um i am coming out with my

126

00:05:34,710 --> 00:05:32,320

second feature film

127

00:05:37,749 --> 00:05:34,720

later this year and uh it's gonna be a

128

00:05:40,790 --> 00:05:37,759

horror movie and i am

129

00:05:43,430 --> 00:05:40,800

yeah freaking excited about this um so

130

00:05:45,350 --> 00:05:43,440

about almost 10 years ago now wow that

131

00:05:48,150 --> 00:05:45,360

makes me feel old um

132

00:05:49,749 --> 00:05:48,160

i wrote a play about jack the ripper i

133

00:05:51,350 --> 00:05:49,759

was commissioned to write this play it

134

00:05:53,270 --> 00:05:51,360

was not my decision to write a play

135

00:05:54,629 --> 00:05:53,280

about jack the ripper but i got hired to

136

00:05:56,469 --> 00:05:54,639

write a play and that was the only

137

00:05:58,950 --> 00:05:56,479

stipulation gotta be about jack the

138

00:06:01,350 --> 00:05:58,960

ripper and um i'd never written a period

139

00:06:03,510 --> 00:06:01,360

piece i'd never written you know

140

00:06:05,430 --> 00:06:03,520

heightened language or british dialogue

141

00:06:07,029 --> 00:06:05,440

or anything like that so i said can i

142

00:06:09,590 --> 00:06:07,039

make it my own and they said yeah

143

00:06:11,670 --> 00:06:09,600

absolutely so i decided to set it in

144

00:06:14,629 --> 00:06:11,680

modern day new york city well

145

00:06:17,430 --> 00:06:14,639

90s mid 90s new york city to be exact

146

00:06:19,909 --> 00:06:17,440

and um i took all the original players

147

00:06:23,350 --> 00:06:19,919

in the um alleged jack the ripper

148

00:06:25,670 --> 00:06:23,360

murders and and case and i threw him

149

00:06:27,990 --> 00:06:25,680

into an apartment on the lower east side

150

00:06:29,510 --> 00:06:28,000

of manhattan in new york city and uh

151

00:06:32,230 --> 00:06:29,520

it's been one of my most successful

152

00:06:34,309 --> 00:06:32,240

plays to date uh but one of our

153

00:06:35,990 --> 00:06:34,319

listeners here at somewhere in the skies

154

00:06:38,950 --> 00:06:36,000

one of our supporters

155

00:06:40,710 --> 00:06:38,960

he actually reached out to me and um

156

00:06:42,309 --> 00:06:40,720

said he was a horror filmmaker and

157

00:06:44,390 --> 00:06:42,319

immediately i'm like i wonder what he

158

00:06:46,790 --> 00:06:44,400

would think about this so i sent him the

159

00:06:49,589 --> 00:06:46,800

script to the play and

160

00:06:50,870 --> 00:06:49,599

boom it it clicked um he absolutely

161

00:06:53,350 --> 00:06:50,880

loved it and he said i want to make a

162

00:06:55,189 --> 00:06:53,360

movie out of this and ever since then uh

163

00:06:57,830 --> 00:06:55,199

dennis kahlo the filmmaker here in new

164

00:07:01,350 --> 00:06:57,840

york city um is the person who's going

165

00:07:03,749 --> 00:07:01,360

to be adapting and making my play which

166

00:07:05,110 --> 00:07:03,759

was titled east and red into a horror

167

00:07:07,670 --> 00:07:05,120

film later this year i'm going to be

168

00:07:09,589 --> 00:07:07,680

working right beside him making this

169

00:07:11,189 --> 00:07:09,599

movie with him as well and we have

170

00:07:14,390 --> 00:07:11,199

retitled it it's going to be called

171

00:07:17,029 --> 00:07:14,400

fiend and uh i'm i can't even begin to

172

00:07:20,550 --> 00:07:17,039

describe how excited i am um he's a

173

00:07:21,510 --> 00:07:20,560

brilliant filmmaker and um just has such

174

00:07:36,550 --> 00:07:21,520

a

175

00:07:41,830 --> 00:07:36,560

so

176

00:07:43,990 --> 00:07:41,840

that is a tangent wow hello hello who

177

00:07:45,430 --> 00:07:44,000

else we got here mark thanks so much

178

00:07:47,430 --> 00:07:45,440

buddy thank you so much for the super

179

00:07:49,110 --> 00:07:47,440

chat i saw you on ancient aliens you

180

00:07:51,350 --> 00:07:49,120

were amazing on the show great work i

181

00:07:52,790 --> 00:07:51,360

really appreciate that mark um i've been

182

00:07:55,830 --> 00:07:52,800

very critical of ancient aliens in the

183

00:07:57,589 --> 00:07:55,840

past but they finally pulled me in and i

184

00:07:58,469 --> 00:07:57,599

can honestly say i've had nothing but

185

00:08:00,790 --> 00:07:58,479

amazing

186

00:08:02,550 --> 00:08:00,800

experiences with them that's not to say

187

00:08:04,950 --> 00:08:02,560

i am not critical of some of the things

188

00:08:06,469 --> 00:08:04,960

they have brought up in the past um some

189

00:08:08,629 --> 00:08:06,479

of the controversies surrounding the

190

00:08:11,990 --> 00:08:08,639

whole ancient alien theory when it comes

191

00:08:15,029 --> 00:08:12,000

to uh different cultures and their uh

192

00:08:18,710 --> 00:08:15,039

ingenuity and their skills and abilities

193

00:08:20,469 --> 00:08:18,720

um being thrown onto aliens um that's

194

00:08:21,990 --> 00:08:20,479

besides the point the things i'm talking

195

00:08:24,629 --> 00:08:22,000

about in ancient aliens are a lot of the

196

00:08:27,029 --> 00:08:24,639

modern day stuff going on with pentagon

197

00:08:28,469 --> 00:08:27,039

and the government and ufos uh i know

198

00:08:31,189 --> 00:08:28,479

there's going to be an episode coming up

199

00:08:33,269 --> 00:08:31,199

about world governments and ufos and

200

00:08:35,029 --> 00:08:33,279

actually tomorrow is a brand new episode

201
00:08:36,389 --> 00:08:35,039
that i'm going to be featured in i'm

202
00:08:37,829 --> 00:08:36,399
talking about something really

203
00:08:39,909 --> 00:08:37,839
interesting and a little outside of my

204
00:08:41,509 --> 00:08:39,919
wheelhouse um but yeah we're gonna be

205
00:08:42,469 --> 00:08:41,519
talking about um

206
00:08:44,470 --> 00:08:42,479
um

207
00:08:47,030 --> 00:08:44,480
sacred sites where ufos have been

208
00:08:48,710 --> 00:08:47,040
spotted and uh i had some stuff to say

209
00:08:50,949 --> 00:08:48,720
about that so i hope you guys will check

210
00:08:52,870 --> 00:08:50,959
out the new episode of ancient aliens at

211
00:08:55,350 --> 00:08:52,880
i believe 9 p.m

212
00:08:57,269 --> 00:08:55,360
uh eight central on the history channel

213
00:08:59,670 --> 00:08:57,279

tomorrow so thank you mark i appreciate

214

00:09:01,990 --> 00:08:59,680

the super chat there my man um i might

215

00:09:06,389 --> 00:09:02,000

as well put it out there guys i'm not

216

00:09:08,949 --> 00:09:06,399

working so um hey this is my job being

217

00:09:10,310 --> 00:09:08,959

here with you guys and um coming up with

218

00:09:13,670 --> 00:09:10,320

interesting things to talk about in the

219

00:09:15,190 --> 00:09:13,680

ufo world so the super chat is open um

220

00:09:16,550 --> 00:09:15,200

super stickers if you do want to help

221

00:09:18,550 --> 00:09:16,560

support someone in the skies that's a

222

00:09:20,310 --> 00:09:18,560

great way to do it i will highlight your

223

00:09:21,910 --> 00:09:20,320

questions and your comments and they

224

00:09:24,310 --> 00:09:21,920

don't even have to be about what we're

225

00:09:26,710 --> 00:09:24,320

talking about tonight this chapter 13

226

00:09:28,470 --> 00:09:26,720

and this fire officer's guide um

227

00:09:30,470 --> 00:09:28,480

whatever you want to talk about ask me

228

00:09:33,269 --> 00:09:30,480

questions about anything um we'll make

229

00:09:35,110 --> 00:09:33,279

this in ask me anything and um the other

230

00:09:38,230 --> 00:09:35,120

stuff we're going to be talking about

231

00:09:40,389 --> 00:09:38,240

thank you mark now to get to the news um

232

00:09:42,550 --> 00:09:40,399

i learned on deadline today let me go

233

00:09:46,230 --> 00:09:42,560

ahead and just pull this up

234

00:09:51,590 --> 00:09:49,350

on deadline that which is a website of

235

00:09:53,269 --> 00:09:51,600

um that is like the most up-to-date

236

00:09:55,910 --> 00:09:53,279

current news about new projects coming

237

00:09:58,790 --> 00:09:55,920

out in the world of television and film

238

00:10:01,190 --> 00:09:58,800

and um if i can zoom in let's see if i

239

00:10:02,829 --> 00:10:01,200

can do this

240

00:10:05,509 --> 00:10:02,839

sweet

241

00:10:06,710 --> 00:10:05,519

um this popped up

242

00:10:12,069 --> 00:10:06,720

cnn

243

00:10:14,710 --> 00:10:12,079

series i believe on ufos let me go ahead

244

00:10:16,550 --> 00:10:14,720

and read this ufos unspools the secret

245

00:10:18,150 --> 00:10:16,560

history behind the american government's

246

00:10:19,750 --> 00:10:18,160

decades-long investigation into the

247

00:10:21,030 --> 00:10:19,760

existence of u

248

00:10:22,550 --> 00:10:21,040

a p

249

00:10:24,150 --> 00:10:22,560

from the creators of the hit series

250

00:10:25,590 --> 00:10:24,160

surviving death

251
00:10:27,910 --> 00:10:25,600
so there's a little hint of what this

252
00:10:29,509 --> 00:10:27,920
project is uh this provocative five-part

253
00:10:31,590 --> 00:10:29,519
series investigates what the government

254
00:10:34,069 --> 00:10:31,600
shared with the public versus what went

255
00:10:36,230 --> 00:10:34,079
on in the shadows how citizens

256
00:10:38,389 --> 00:10:36,240
investigate the cases and pushed back to

257
00:10:40,389 --> 00:10:38,399
more for more transparency and what the

258
00:10:42,550 --> 00:10:40,399
future holds for this mystery which is

259
00:10:45,190 --> 00:10:42,560
now formally under investigation by the

260
00:10:48,870 --> 00:10:45,200
u.s government ufos premieres this

261
00:10:50,230 --> 00:10:48,880
summer on cnn okay so

262
00:10:51,910 --> 00:10:50,240
maybe i'm just putting two and two

263
00:10:54,150 --> 00:10:51,920

together they said the creators of

264

00:10:56,310 --> 00:10:54,160

surviving death which was a book by

265

00:10:58,710 --> 00:10:56,320

leslie kane which ultimately became a

266

00:11:01,590 --> 00:10:58,720

netflix original series under the same

267

00:11:04,069 --> 00:11:01,600

title surviving death um which i had

268

00:11:06,230 --> 00:11:04,079

leslie to talk about on the show um if

269

00:11:08,389 --> 00:11:06,240

you haven't listened to that episode

270

00:11:10,389 --> 00:11:08,399

please go listen to it i had her and my

271

00:11:12,870 --> 00:11:10,399

good buddy mike anthony who's also a

272

00:11:15,829 --> 00:11:12,880

bartender here in new york city um who

273

00:11:18,550 --> 00:11:15,839

was a part of this series as well uh he

274

00:11:19,910 --> 00:11:18,560

lost his father um i want to say maybe

275

00:11:22,949 --> 00:11:19,920

five six

276

00:11:24,310 --> 00:11:22,959

years ago and um had a very

277

00:11:26,069 --> 00:11:24,320

profound

278

00:11:27,990 --> 00:11:26,079

life after death what he believes

279

00:11:29,910 --> 00:11:28,000

experience in communicating with his

280

00:11:32,550 --> 00:11:29,920

father so he was featured in leslie

281

00:11:34,790 --> 00:11:32,560

kane's uh documentary series i actually

282

00:11:36,470 --> 00:11:34,800

put them in touch together after uh my

283

00:11:38,790 --> 00:11:36,480

kid told me about this incident with his

284

00:11:41,269 --> 00:11:38,800

father and they've become like

285

00:11:42,389 --> 00:11:41,279

co-investigators and um it's amazing

286

00:11:45,350 --> 00:11:42,399

it's amazing how

287

00:11:46,949 --> 00:11:45,360

small these worlds really are um but to

288

00:11:49,590 --> 00:11:46,959

get back to the point i digress i

289

00:11:51,829 --> 00:11:49,600

believe this cnn series is um going to

290

00:11:53,670 --> 00:11:51,839

be featuring leslie kane uh we heard

291

00:11:54,949 --> 00:11:53,680

maybe a year or so ago that there was

292

00:11:57,750 --> 00:11:54,959

going to be

293

00:12:00,150 --> 00:11:57,760

some sort of movie or series television

294

00:12:02,550 --> 00:12:00,160

series about um leslie kane's work in

295

00:12:05,590 --> 00:12:02,560

bringing out the story that we all read

296

00:12:07,670 --> 00:12:05,600

in the new york times in 2017 um along

297

00:12:09,030 --> 00:12:07,680

with ralph boomenthal and helene cooper

298

00:12:11,430 --> 00:12:09,040

the other authors

299

00:12:13,750 --> 00:12:11,440

and i believe this project also will be

300

00:12:15,750 --> 00:12:13,760

featuring louis elizondo

301
00:12:17,509 --> 00:12:15,760
and um possibly christopher mellon i

302
00:12:19,269 --> 00:12:17,519
don't know i don't know if it's like a

303
00:12:21,190 --> 00:12:19,279
fictionalized version or if it's a

304
00:12:22,949 --> 00:12:21,200
docu-series but it does sound like this

305
00:12:25,350 --> 00:12:22,959
is leaning more towards a docu-series

306
00:12:28,310 --> 00:12:25,360
like we saw with like the jj abrams

307
00:12:30,230 --> 00:12:28,320
thing um as well so

308
00:12:32,230 --> 00:12:30,240
i don't care i'm excited i can't wait to

309
00:12:34,310 --> 00:12:32,240
see what comes of it bn thank you so

310
00:12:36,710 --> 00:12:34,320
much for the super chat when the aliens

311
00:12:38,629 --> 00:12:36,720
give you more um of a job than the

312
00:12:41,509 --> 00:12:38,639
humans do screw covet man hope things

313
00:12:44,150 --> 00:12:41,519

get better for Broadway me too man um

314

00:12:46,790 --> 00:12:44,160

besides it being like how i make a

315

00:12:49,430 --> 00:12:46,800

living um working on Broadway i'm a

316

00:12:51,910 --> 00:12:49,440

playwright and a screenwriter and i

317

00:12:54,150 --> 00:12:51,920

am so unbelievably fortunate to have a

318

00:12:56,470 --> 00:12:54,160

job where i get to see theater every

319

00:12:58,629 --> 00:12:56,480

single night of the week um so i can't

320

00:13:01,430 --> 00:12:58,639

lie when i say um it's not just about

321

00:13:02,949 --> 00:13:01,440

the money for me i i love my job and i

322

00:13:05,750 --> 00:13:02,959

know not a lot of people in the world

323

00:13:07,829 --> 00:13:05,760

can say that and i feel so fortunate and

324

00:13:10,470 --> 00:13:07,839

i can't wait for it to come back um i'm

325

00:13:12,629 --> 00:13:10,480

getting a little choked up sorry um

326

00:13:14,629 --> 00:13:12,639

so yeah hopefully broadway will be back

327

00:13:17,190 --> 00:13:14,639

soon so thank you bn every little bit

328

00:13:19,190 --> 00:13:17,200

helps and i really do appreciate that

329

00:13:21,110 --> 00:13:19,200

um let's see who else we got here john

330

00:13:25,350 --> 00:13:21,120

is here hello john

331

00:13:27,430 --> 00:13:25,360

um stephen hello steven hello glenn

332

00:13:29,590 --> 00:13:27,440

awesome awesome thanks again for the

333

00:13:32,710 --> 00:13:29,600

super chats guys i appreciate that let's

334

00:13:35,829 --> 00:13:32,720

move on to our next little um

335

00:13:37,910 --> 00:13:35,839

i guess news if you want to consider it

336

00:13:39,430 --> 00:13:37,920

news um

337

00:13:41,430 --> 00:13:39,440

it's about

338

00:13:43,350 --> 00:13:41,440

this little guy here

339

00:13:46,069 --> 00:13:43,360

i put this on my social media so i don't

340

00:13:47,110 --> 00:13:46,079

know if you guys care or not but i was

341

00:13:49,590 --> 00:13:47,120

made

342

00:13:51,189 --> 00:13:49,600

into an action figure

343

00:13:53,110 --> 00:13:51,199

um

344

00:13:56,069 --> 00:13:53,120

i don't know i think the action figure

345

00:13:59,350 --> 00:13:56,079

looks more like chris pine in that very

346

00:14:00,870 --> 00:13:59,360

cool heroic way um

347

00:14:04,069 --> 00:14:00,880

i'm looking a little bit more like a

348

00:14:05,829 --> 00:14:04,079

ghost right now um but this is made by a

349

00:14:08,310 --> 00:14:05,839

gentleman named charlie who owns

350

00:14:11,269 --> 00:14:08,320

charlie's custom toys um you can find

351

00:14:13,350 --> 00:14:11,279

his link um in my instagram post that i

352

00:14:15,110 --> 00:14:13,360

made about the action figure so this guy

353

00:14:17,750 --> 00:14:15,120

is a big fan of somewhere in the skies

354

00:14:20,470 --> 00:14:17,760

and um a lot of other paranormal shows

355

00:14:23,269 --> 00:14:20,480

and paranormal personalities ufo

356

00:14:25,829 --> 00:14:23,279

researchers and he has gone out of his

357

00:14:27,430 --> 00:14:25,839

way to make these brilliant little

358

00:14:31,990 --> 00:14:27,440

action figures to make us all look

359

00:14:33,750 --> 00:14:32,000

really cool um and i had no idea and uh

360

00:14:35,910 --> 00:14:33,760

when i got this in the mail i almost

361

00:14:38,069 --> 00:14:35,920

dropped it i was like so beyond myself

362

00:14:40,870 --> 00:14:38,079

so yeah that is the

363

00:14:43,189 --> 00:14:40,880

right spread action figure it feels so

364

00:14:44,470 --> 00:14:43,199

weird to say that it's so cool even on

365

00:14:47,590 --> 00:14:44,480

the back here

366

00:14:49,750 --> 00:14:47,600

he's got like a little bio of my

367

00:14:51,430 --> 00:14:49,760

television shows i've done

368

00:14:53,829 --> 00:14:51,440

about my book

369

00:14:55,829 --> 00:14:53,839

um and then he's got a couple other

370

00:14:58,230 --> 00:14:55,839

researchers here shannon legrow of into

371

00:14:59,829 --> 00:14:58,240

the fray radio uh jennifer marshall who

372

00:15:02,069 --> 00:14:59,839

is my co-investigative partner on

373

00:15:04,949 --> 00:15:02,079

mystery dakota and of course jason

374

00:15:07,990 --> 00:15:04,959

mcclellan my one of my best friends um

375

00:15:09,990 --> 00:15:08,000

not just in the ufo world but in life um

376

00:15:12,389 --> 00:15:10,000

who you're gonna be seeing on summer in

377

00:15:14,550 --> 00:15:12,399

the sky is very soon i'll have more to

378

00:15:16,389 --> 00:15:14,560

share about that but yeah the rhinestone

379

00:15:17,829 --> 00:15:16,399

action figure maybe it'll be for sale

380

00:15:19,750 --> 00:15:17,839

someday i don't know but i am going to

381

00:15:22,150 --> 00:15:19,760

treasure that thing for the rest of my

382

00:15:24,550 --> 00:15:22,160

life so thank you to charlie and um

383

00:15:27,590 --> 00:15:24,560

please go support his work he makes

384

00:15:30,230 --> 00:15:27,600

custom toys of comic book characters and

385

00:15:32,590 --> 00:15:30,240

cartoons and people in the paranormal so

386

00:15:35,749 --> 00:15:32,600

again go to um you can go to

387

00:15:38,230 --> 00:15:35,759

summerskiespod on instagram and his link

388

00:15:40,389 --> 00:15:38,240

should be right in the comments there

389

00:15:43,030 --> 00:15:40,399

for my action figure post

390

00:15:46,629 --> 00:15:43,040

um let's see what else we got here rad

391

00:15:48,870 --> 00:15:46,639

everything action spread um i i wish i

392

00:15:51,189 --> 00:15:48,880

wish i was as cool as he made me out to

393

00:15:53,110 --> 00:15:51,199

be and i have it um

394

00:15:55,350 --> 00:15:53,120

in safe keeping but he actually did a

395

00:15:57,670 --> 00:15:55,360

mini version of my book that the action

396

00:16:00,629 --> 00:15:57,680

figure can hold on to so that was

397

00:16:02,470 --> 00:16:00,639

extremely nice of him as well so yeah

398

00:16:04,470 --> 00:16:02,480

very touch charlie if you're watching or

399

00:16:06,710 --> 00:16:04,480

listening thank you thank you so much

400

00:16:08,550 --> 00:16:06,720

brother um that truly

401
00:16:11,030 --> 00:16:08,560
made um

402
00:16:13,030 --> 00:16:11,040
a tough time in my life a lot easier to

403
00:16:15,110 --> 00:16:13,040
deal with man so thank you thank you

404
00:16:17,670 --> 00:16:15,120
from the bottom of my heart hello we got

405
00:16:20,710 --> 00:16:17,680
more tv uh morkvis studios is here as

406
00:16:23,590 --> 00:16:20,720
always um always appreciate that support

407
00:16:25,829 --> 00:16:23,600
from you my friend and um let's move to

408
00:16:27,030 --> 00:16:25,839
this so i'm just gonna play this video

409
00:16:29,350 --> 00:16:27,040
for you guys

410
00:16:32,470 --> 00:16:29,360
and um i'll come back on the other side

411
00:16:35,030 --> 00:16:32,480
uh to get your thoughts on this i can't

412
00:16:37,829 --> 00:16:35,040
say much about the video just yet and i

413
00:16:39,509 --> 00:16:37,839

know that's what people hate to hear um

414

00:16:41,509 --> 00:16:39,519

but this has been out in the public so

415

00:16:44,150 --> 00:16:41,519

this isn't something i

416

00:16:46,069 --> 00:16:44,160

am exclusive to or anything like that

417

00:16:47,430 --> 00:16:46,079

but i am going to have a guest on an

418

00:16:49,509 --> 00:16:47,440

upcoming episode of summer in the skies

419

00:16:51,350 --> 00:16:49,519

to come on and talk about this video and

420

00:16:54,790 --> 00:16:51,360

several other videos that he has

421

00:16:57,670 --> 00:16:54,800

acquired and um are doing very in-depth

422

00:16:59,110 --> 00:16:57,680

analysis on um so yeah let me go ahead

423

00:17:00,310 --> 00:16:59,120

and let me know in the chat if you've

424

00:17:02,389 --> 00:17:00,320

ever seen

425

00:17:03,829 --> 00:17:02,399

this video i would love to know what you

426
00:17:05,350 --> 00:17:03,839
think

427
00:17:06,949 --> 00:17:05,360
let's see

428
00:17:18,069 --> 00:17:06,959
give me one sec to pull this up for you

429
00:17:23,270 --> 00:17:20,549
see we do have a time stamp there this

430
00:17:25,669 --> 00:17:23,280
is from 1991. i'm gonna let it play for

431
00:18:06,070 --> 00:17:25,679
a little while here

432
00:18:06,080 --> 00:18:17,590
that thing is boogieing

433
00:18:19,590 --> 00:18:18,390
the

434
00:18:21,510 --> 00:18:19,600
sort of

435
00:18:23,990 --> 00:18:21,520
plasma effect around whatever this

436
00:18:26,789 --> 00:18:24,000
object is is what really stood out to me

437
00:18:29,510 --> 00:18:26,799
and obviously the very quick

438
00:18:32,310 --> 00:18:29,520

uh movements sharp 90 degree turns and

439

00:18:35,190 --> 00:18:32,320

whatnot this thing is making um

440

00:18:38,070 --> 00:18:35,200

bn says some sort of bubble

441

00:18:40,390 --> 00:18:38,080

i don't know um i can't pretend to have

442

00:18:41,350 --> 00:18:40,400

any idea what we are looking at here

443

00:18:43,110 --> 00:18:41,360

um

444

00:18:45,510 --> 00:18:43,120

let's see how much longer we have i

445

00:18:47,590 --> 00:18:45,520

think it starts to fade out here

446

00:18:51,270 --> 00:18:47,600

goes off into the distance

447

00:18:53,510 --> 00:18:51,280

and disappears yeah so

448

00:18:54,710 --> 00:18:53,520

all i can tell you guys right now about

449

00:18:56,470 --> 00:18:54,720

this video

450

00:18:58,710 --> 00:18:56,480

is um

451
00:19:00,230 --> 00:18:58,720
it came from area 51.

452
00:19:03,350 --> 00:19:00,240
uh

453
00:19:05,270 --> 00:19:03,360
this was acquired by a ufo researcher

454
00:19:07,430 --> 00:19:05,280
who collected a bunch of different ufo

455
00:19:09,990 --> 00:19:07,440
videos back in the 90s

456
00:19:12,230 --> 00:19:10,000
after himself going out to the base and

457
00:19:15,350 --> 00:19:12,240
uh filming some weird stuff very similar

458
00:19:17,510 --> 00:19:15,360
to what john lear and um

459
00:19:19,350 --> 00:19:17,520
uh bob lazar the videos that they

460
00:19:22,630 --> 00:19:19,360
brought forward as well

461
00:19:25,110 --> 00:19:22,640
um so yeah that video really stuck with

462
00:19:27,110 --> 00:19:25,120
me when the um upcoming guest of someone

463
00:19:29,909 --> 00:19:27,120

this guy sent it to me and it was one of

464

00:19:32,630 --> 00:19:29,919

a few videos he sent and like i said he

465

00:19:34,310 --> 00:19:32,640

has a new endeavor where he and some

466

00:19:36,630 --> 00:19:34,320

other photo and video analysts are going

467

00:19:38,870 --> 00:19:36,640

to go through these old ufo videos from

468

00:19:41,110 --> 00:19:38,880

area 51 and try to figure out what's

469

00:19:43,110 --> 00:19:41,120

going on in these but that one really

470

00:19:45,590 --> 00:19:43,120

really caught my attention mark v studio

471

00:19:47,270 --> 00:19:45,600

says uh was it s4 because it reminded me

472

00:19:50,230 --> 00:19:47,280

big time of lazar

473

00:19:51,990 --> 00:19:50,240

all i could say is this was at area 51.

474

00:19:54,390 --> 00:19:52,000

i don't know if this was at the alleged

475

00:19:57,270 --> 00:19:54,400

site four that was our talked about um

476

00:20:00,710 --> 00:19:57,280

but this was seen in the vicini vicinity

477

00:20:02,549 --> 00:20:00,720

of groom lake somewhere we will get more

478

00:20:05,110 --> 00:20:02,559

information when this guest comes on the

479

00:20:07,270 --> 00:20:05,120

show and that won't be too long um

480

00:20:09,190 --> 00:20:07,280

you're gonna recognize this guest too

481

00:20:11,510 --> 00:20:09,200

i can't really say why

482

00:20:13,190 --> 00:20:11,520

or how but when i found out that he was

483

00:20:16,390 --> 00:20:13,200

a patreon subscriber to someone in the

484

00:20:18,789 --> 00:20:16,400

skies and he told me who he was um

485

00:20:21,750 --> 00:20:18,799

i almost flipped out i remember i

486

00:20:23,830 --> 00:20:21,760

actually um immediately texted two of my

487

00:20:25,750 --> 00:20:23,840

closest friends andrew and nick who've

488

00:20:27,350 --> 00:20:25,760

been on the show in the past and i

489

00:20:29,029 --> 00:20:27,360

showed them a photo of who this person

490

00:20:29,830 --> 00:20:29,039

was and they both were like oh my god

491

00:20:31,990 --> 00:20:29,840

that's

492

00:20:33,669 --> 00:20:32,000

insane so yes i'm very excited about

493

00:20:36,070 --> 00:20:33,679

this upcoming interview with the

494

00:20:37,510 --> 00:20:36,080

gentleman who brought this video to me

495

00:20:40,149 --> 00:20:37,520

and um what they're figuring out about

496

00:20:43,990 --> 00:20:40,159

it um so stay tuned for that

497

00:20:45,270 --> 00:20:44,000

uh let's see sport model more kavis we

498

00:20:47,510 --> 00:20:45,280

have the same

499

00:20:49,590 --> 00:20:47,520

same mindset on this one man um i

500

00:20:51,830 --> 00:20:49,600

believe the analysis does

501
00:20:53,990 --> 00:20:51,840
sort of look into the sports model that

502
00:20:56,070 --> 00:20:54,000
bob was first talked about as well

503
00:20:57,990 --> 00:20:56,080
um let's see nicholas says saying that

504
00:21:00,470 --> 00:20:58,000
it was a researcher from and around here

505
00:21:01,590 --> 00:21:00,480
that narrows it down quite a bit

506
00:21:02,470 --> 00:21:01,600
um

507
00:21:07,190 --> 00:21:02,480
yeah

508
00:21:08,070 --> 00:21:07,200
guarantee you nick this is not someone

509
00:21:10,390 --> 00:21:08,080
um

510
00:21:12,789 --> 00:21:10,400
you would expect and not someone that

511
00:21:13,750 --> 00:21:12,799
well known in the ufo community so so

512
00:21:16,470 --> 00:21:13,760
yeah

513
00:21:19,190 --> 00:21:16,480

um let's see image analysis team is here

514

00:21:21,750 --> 00:21:19,200

i shot that footage holy crap

515

00:21:24,390 --> 00:21:21,760

that's amazing so we are going to have

516

00:21:25,990 --> 00:21:24,400

you and we are going to have um

517

00:21:28,310 --> 00:21:26,000

one of the members of your team on the

518

00:21:31,590 --> 00:21:28,320

show very soon they reached out to me

519

00:21:33,190 --> 00:21:31,600

and um this video really really tripped

520

00:21:35,110 --> 00:21:33,200

me out man caught my attention so i

521

00:21:36,549 --> 00:21:35,120

can't wait to talk to you guys and tell

522

00:21:38,789 --> 00:21:36,559

them about the endeavors you guys are

523

00:21:41,909 --> 00:21:38,799

doing over there thank you thank you for

524

00:21:43,110 --> 00:21:41,919

being here i really appreciate that

525

00:21:44,470 --> 00:21:43,120

um

526
00:21:45,750 --> 00:21:44,480
other than

527
00:21:52,630 --> 00:21:45,760
that

528
00:21:54,390 --> 00:21:52,640
guys um

529
00:21:55,909 --> 00:21:54,400
let's get to this let's get to the

530
00:21:58,950 --> 00:21:55,919
reason we're here to talk about this

531
00:21:59,830 --> 00:21:58,960
chapter um so what

532
00:22:00,789 --> 00:21:59,840
this

533
00:22:02,870 --> 00:22:00,799
is

534
00:22:04,630 --> 00:22:02,880
i should say um

535
00:22:06,630 --> 00:22:04,640
let me go ahead and pull it up for you

536
00:22:09,110 --> 00:22:06,640
here

537
00:22:11,270 --> 00:22:09,120
give me one sec

538
00:22:15,110 --> 00:22:11,280

it shook me as well image analysis team

539

00:22:17,830 --> 00:22:15,120

says yeah man um thank you first of all

540

00:22:20,230 --> 00:22:17,840

for putting that video out and um i hope

541

00:22:21,510 --> 00:22:20,240

it was okay that i played that um i did

542

00:22:22,870 --> 00:22:21,520

a condensed version because i didn't

543

00:22:25,110 --> 00:22:22,880

want to give away some of the analysis

544

00:22:27,190 --> 00:22:25,120

you guys are doing um but yeah i can't

545

00:22:29,430 --> 00:22:27,200

wait to dig into that further with you

546

00:22:31,029 --> 00:22:29,440

guys so thank you i i can't believe

547

00:22:34,070 --> 00:22:31,039

you're in the chat this is freaking

548

00:22:36,789 --> 00:22:34,080

crazy i love it i love it um let's pull

549

00:22:39,110 --> 00:22:36,799

it up here what we're talking about

550

00:22:41,909 --> 00:22:39,120

tonight i am not a musical theater

551
00:22:44,710 --> 00:22:43,270
i've also had a couple drinks if you

552
00:22:47,270 --> 00:22:44,720
haven't um

553
00:22:49,510 --> 00:22:47,280
been able to tell i'm drinking

554
00:22:52,390 --> 00:22:49,520
sam adams pumpkin beer

555
00:22:56,710 --> 00:22:52,400
for any of my boston people out there

556
00:23:00,149 --> 00:22:58,470
bien says i'm honestly shook if that's

557
00:23:01,909 --> 00:23:00,159
straight up area 51 footage thank you

558
00:23:04,149 --> 00:23:01,919
for releasing it it is

559
00:23:06,470 --> 00:23:04,159
it is um

560
00:23:08,470 --> 00:23:06,480
so yeah i can't wait to learn more

561
00:23:12,149 --> 00:23:08,480
let's get to it guys the fire officer's

562
00:23:14,070 --> 00:23:12,159
guide to disaster control again i have

563
00:23:16,710 --> 00:23:14,080

shane to thank for bringing this to my

564

00:23:19,110 --> 00:23:16,720

attention i am not pretending i

565

00:23:21,029 --> 00:23:19,120

uncovered this or that it is a

566

00:23:22,630 --> 00:23:21,039

revelation or brand new but it was brand

567

00:23:24,950 --> 00:23:22,640

new to me and i thought it'd be cool to

568

00:23:27,110 --> 00:23:24,960

discuss tonight so um

569

00:23:29,909 --> 00:23:27,120

i guess let's just talk a little about

570

00:23:32,390 --> 00:23:29,919

what this thing is um it's a guide to

571

00:23:34,310 --> 00:23:32,400

disaster control so basically this is

572

00:23:36,310 --> 00:23:34,320

something that would come out

573

00:23:38,950 --> 00:23:36,320

that the fire departments across the

574

00:23:41,669 --> 00:23:38,960

united states uh would use uh for

575

00:23:44,950 --> 00:23:41,679

preparedness for any situation that

576

00:23:48,310 --> 00:23:44,960

might arise when it comes to um

577

00:23:51,110 --> 00:23:48,320

attacks or disasters and of course like

578

00:23:54,310 --> 00:23:51,120

i mentioned earlier there was a chapter

579

00:23:57,110 --> 00:23:54,320

put at the end of this manual chapter 13

580

00:23:59,110 --> 00:23:57,120

about ufos but um for any of you who

581

00:24:02,310 --> 00:23:59,120

weren't with me a couple weeks ago let

582

00:24:04,870 --> 00:24:02,320

me go ahead and um i want to play what

583

00:24:07,350 --> 00:24:04,880

me and dan warren and luisa uh well i

584

00:24:09,750 --> 00:24:07,360

almost said luis elizando

585

00:24:12,070 --> 00:24:09,760

luis jimenez talked about and this was

586

00:24:15,029 --> 00:24:12,080

this air force academy chapter on ufos

587

00:24:17,430 --> 00:24:15,039

in one of their textbooks and dan warren

588

00:24:20,549 --> 00:24:17,440

who has the um the fifth pillar of

589

00:24:23,190 --> 00:24:20,559

emphasis tick tock channel um made like

590

00:24:25,029 --> 00:24:23,200

this 10 part tick tock series about this

591

00:24:26,789 --> 00:24:25,039

chapter in the air force thing so i had

592

00:24:28,630 --> 00:24:26,799

him come on the show and talk all about

593

00:24:31,350 --> 00:24:28,640

it break it down for us but i'm going to

594

00:24:34,789 --> 00:24:31,360

play the first of the tic tac videos

595

00:24:36,230 --> 00:24:34,799

tick tock videos god tic tac

596

00:24:37,830 --> 00:24:36,240

tic tac is never going to be the same

597

00:24:39,350 --> 00:24:37,840

guys let's be honest um it's going to be

598

00:24:41,750 --> 00:24:39,360

a freudian slip forever now when it

599

00:24:44,549 --> 00:24:41,760

comes to ufos um let me go ahead and

600

00:24:46,310 --> 00:24:44,559

play the first video of the tick tock

601
00:24:47,510 --> 00:24:46,320
that dan warren put out about the air

602
00:24:48,950 --> 00:24:47,520
force chapter and some of the

603
00:24:51,110 --> 00:24:48,960
resemblances

604
00:24:53,110 --> 00:24:51,120
it has to uh this chapter as well this

605
00:24:55,350 --> 00:24:53,120
may be hard to believe but the u.s air

606
00:24:59,350 --> 00:24:55,360
force academy used to educate its cadets

607
00:25:00,950 --> 00:24:59,360
about ufos between 1968 and 1970

608
00:25:03,430 --> 00:25:00,960
and this wasn't just some professor's

609
00:25:05,029 --> 00:25:03,440
opinion this was in their textbook

610
00:25:06,950 --> 00:25:05,039
which was confirmed by the deputy

611
00:25:09,190 --> 00:25:06,960
director of public information at the

612
00:25:11,750 --> 00:25:09,200
air force academy the cadets that

613
00:25:13,750 --> 00:25:11,760

enrolled in physics 370 were required to

614

00:25:16,470 --> 00:25:13,760

have a textbook titled introductory

615

00:25:18,710 --> 00:25:16,480

space science the very last chapter in

616

00:25:20,470 --> 00:25:18,720

this textbook was titled unidentified

617

00:25:22,070 --> 00:25:20,480

flying objects

618

00:25:23,510 --> 00:25:22,080

and according to the lee more advanced

619

00:25:25,990 --> 00:25:23,520

the students were taught to stop

620

00:25:28,870 --> 00:25:26,000

scoffing at ufos and instead to keep an

621

00:25:30,870 --> 00:25:28,880

open mind on the subject this course was

622

00:25:32,789 --> 00:25:30,880

an elective that attracted about 20

623

00:25:34,470 --> 00:25:32,799

students per semester

624

00:25:36,710 --> 00:25:34,480

that means for the five semesters that

625

00:25:40,950 --> 00:25:36,720

this was in place about a hundred cadets

626
00:25:45,830 --> 00:25:43,590
so yeah if anyone hasn't seen the entire

627
00:25:47,990 --> 00:25:45,840
kind of breakdown that dan did um if

628
00:25:50,070 --> 00:25:48,000
you're on tick tock head over there and

629
00:25:52,549 --> 00:25:50,080
you can watch it there fifth pillar of

630
00:25:54,710 --> 00:25:52,559
emphasis is his handle um or go to his

631
00:25:56,390 --> 00:25:54,720
youtube channel fifth pillar of emphasis

632
00:25:58,870 --> 00:25:56,400
as well he's put the entire

633
00:26:02,230 --> 00:25:58,880
um string of videos together into one

634
00:26:04,070 --> 00:26:02,240
cohesive video for you over there um and

635
00:26:07,029 --> 00:26:04,080
yeah that was pretty interesting a

636
00:26:07,830 --> 00:26:07,039
chapter on ufos in the air force academy

637
00:26:09,909 --> 00:26:07,840
uh

638
00:26:11,510 --> 00:26:09,919

book on physics and we kind of dug

639

00:26:13,269 --> 00:26:11,520

through what we thought was interesting

640

00:26:15,510 --> 00:26:13,279

and what not and a lot of it was stuff

641

00:26:18,149 --> 00:26:15,520

we knew it was things pulled directly

642

00:26:20,950 --> 00:26:18,159

from project blue book um

643

00:26:23,430 --> 00:26:20,960

or things pulled from the work of dr j

644

00:26:25,269 --> 00:26:23,440

allen heineck as well um and that's kind

645

00:26:27,110 --> 00:26:25,279

of what this chapter is too that we're

646

00:26:29,110 --> 00:26:27,120

going to be talking about tonight

647

00:26:30,549 --> 00:26:29,120

but there are some pretty cool things as

648

00:26:33,350 --> 00:26:30,559

well first i want to talk about the

649

00:26:36,549 --> 00:26:33,360

authors of this chapter um and that was

650

00:26:38,950 --> 00:26:36,559

dr william cramer and um charles

651
00:26:41,909 --> 00:26:38,960
chuck obama and i'm just going to go

652
00:26:44,149 --> 00:26:41,919
through briefly these guys credentials

653
00:26:46,230 --> 00:26:44,159
and why they were a part of this manual

654
00:26:49,269 --> 00:26:46,240
um so william cramer

655
00:26:51,029 --> 00:26:49,279
was a baccalaureate degree um

656
00:26:52,470 --> 00:26:51,039
holder in industrial management and

657
00:26:54,950 --> 00:26:52,480
business administration

658
00:26:56,950 --> 00:26:54,960
master's degree in industrial relations

659
00:26:59,909 --> 00:26:56,960
and a phd in administrative management

660
00:27:02,070 --> 00:26:59,919
from the university of cincinnati um

661
00:27:03,590 --> 00:27:02,080
let's see he has edited numerous course

662
00:27:05,830 --> 00:27:03,600
guides for the open learning fire

663
00:27:08,549 --> 00:27:05,840

service program and publish numerous

664

00:27:10,230 --> 00:27:08,559

fire service journal articles um and

665

00:27:12,149 --> 00:27:10,240

then we have chuck bomb

666

00:27:13,830 --> 00:27:12,159

and bombay bomb i'm not sure how to

667

00:27:15,830 --> 00:27:13,840

pronounce that um he's the author of

668

00:27:17,669 --> 00:27:15,840

many fire service articles as well as

669

00:27:19,750 --> 00:27:17,679

books including the handbook of disaster

670

00:27:21,510 --> 00:27:19,760

control predecessor to the fire

671

00:27:23,750 --> 00:27:21,520

officer's guide to disaster control

672

00:27:25,590 --> 00:27:23,760

which we're talking about tonight um

673

00:27:28,230 --> 00:27:25,600

he's written guides to dangerous

674

00:27:30,549 --> 00:27:28,240

chemicals fire protection for chemicals

675

00:27:32,470 --> 00:27:30,559

uh let's see fire officers guide you

676
00:27:34,149 --> 00:27:32,480
emergency action

677
00:27:35,909 --> 00:27:34,159
the list goes on and on these guys are

678
00:27:38,149 --> 00:27:35,919
highly credentialed and they are the

679
00:27:39,830 --> 00:27:38,159
ones to be writing a manual like this

680
00:27:44,789 --> 00:27:39,840
and they wrote

681
00:27:47,190 --> 00:27:44,799
chapter 13 in this thing about ufos

682
00:27:48,389 --> 00:27:47,200
chapter 13 in the air force textbook

683
00:27:50,870 --> 00:27:48,399
chapter 13

684
00:27:52,470 --> 00:27:50,880
in the fire officers manual i don't know

685
00:27:54,710 --> 00:27:52,480
if there's some weird connection there

686
00:27:56,630 --> 00:27:54,720
maybe it's you know all these things are

687
00:27:57,990 --> 00:27:56,640
12 chapters and then they squeeze that

688
00:27:59,510 --> 00:27:58,000

last chapter in there of what they

689

00:28:02,470 --> 00:27:59,520

really want to talk about which seems to

690

00:28:03,909 --> 00:28:02,480

be ufos i don't know um but i thought

691

00:28:06,230 --> 00:28:03,919

that was pretty interesting that in both

692

00:28:07,110 --> 00:28:06,240

books they were chapter 13. it's got

693

00:28:12,149 --> 00:28:07,120

such a

694

00:28:14,389 --> 00:28:12,159

what like

695

00:28:18,470 --> 00:28:14,399

atmosphere to it anyways so

696

00:28:20,230 --> 00:28:18,480

so yeah um let's see here hmm mork of

697

00:28:22,310 --> 00:28:20,240

these studios says

698

00:28:23,590 --> 00:28:22,320

uh bn says what i'm curious about is how

699

00:28:25,510 --> 00:28:23,600

did these guys get enough clearance to

700

00:28:27,750 --> 00:28:25,520

factually say what they say and how did

701

00:28:31,190 --> 00:28:27,760

it make it to print that's the question

702

00:28:32,070 --> 00:28:31,200

ben why are these things in there and um

703

00:28:36,789 --> 00:28:32,080

why

704

00:28:39,269 --> 00:28:36,799

lot of the chapter i will admit is

705

00:28:42,230 --> 00:28:39,279

things told directly quotes from ufo

706

00:28:43,669 --> 00:28:42,240

researchers or um things from project

707

00:28:45,909 --> 00:28:43,679

blue book or things like that which

708

00:28:48,470 --> 00:28:45,919

we're going to kind of run through um so

709

00:28:51,750 --> 00:28:48,480

a lot of it was a lot of copy and paste

710

00:28:54,070 --> 00:28:51,760

to be honest but again this is a book

711

00:28:57,110 --> 00:28:54,080

that's made for firefighters for

712

00:28:59,909 --> 00:28:57,120

emergency workers for things like fema

713

00:29:02,230 --> 00:28:59,919

um to prepare for literally any

714

00:29:04,230 --> 00:29:02,240

situation um so

715

00:29:06,149 --> 00:29:04,240

that's kind of their reasoning from what

716

00:29:08,710 --> 00:29:06,159

i've been told and what we'll hear from

717

00:29:11,350 --> 00:29:08,720

bill cramer one of the writers about why

718

00:29:12,470 --> 00:29:11,360

this is here we have to prepare for any

719

00:29:14,149 --> 00:29:12,480

situation

720

00:29:16,470 --> 00:29:14,159

um and i think it was the same with the

721

00:29:17,669 --> 00:29:16,480

air force academy as well like

722

00:29:19,430 --> 00:29:17,679

what if this could happen we're not

723

00:29:21,510 --> 00:29:19,440

saying it's real we're not saying that

724

00:29:23,110 --> 00:29:21,520

it's extraterrestrial but what if it

725

00:29:25,510 --> 00:29:23,120

happened how would we deal with it and

726

00:29:28,070 --> 00:29:25,520

we need to know that um so yeah i i

727

00:29:29,909 --> 00:29:28,080

think that's kind of the why but when we

728

00:29:31,909 --> 00:29:29,919

get deeper into the chapter um i'd love

729

00:29:33,269 --> 00:29:31,919

to hear your guys thoughts um it's very

730

00:29:35,110 --> 00:29:33,279

curious no matter what i would have to

731

00:29:37,430 --> 00:29:35,120

agree i would definitely have to agree

732

00:29:39,110 --> 00:29:37,440

on that um

733

00:29:40,950 --> 00:29:39,120

nick says it's fairly well known within

734

00:29:42,789 --> 00:29:40,960

the fire police law enforcement circles

735

00:29:44,789 --> 00:29:42,799

i can only say that roughly half a dozen

736

00:29:46,630 --> 00:29:44,799

firefighters have discussed this chapter

737

00:29:50,070 --> 00:29:46,640

with me over the years

738

00:29:52,149 --> 00:29:50,080

so again like this isn't just some

739

00:29:54,310 --> 00:29:52,159

make-believe thing like this was real

740

00:29:56,470 --> 00:29:54,320

this was in textbooks and you can buy

741

00:29:58,310 --> 00:29:56,480

this this book this manual you can buy

742

00:30:00,389 --> 00:29:58,320

it on amazon i don't have a link for it

743

00:30:02,630 --> 00:30:00,399

but if you put the title in you can

744

00:30:04,950 --> 00:30:02,640

definitely um it's out there you can

745

00:30:07,669 --> 00:30:04,960

obtain this thing um

746

00:30:09,830 --> 00:30:07,679

so what i think we'll do guys is i'm

747

00:30:11,269 --> 00:30:09,840

just gonna run through some of this

748

00:30:13,990 --> 00:30:11,279

and um

749

00:30:17,110 --> 00:30:14,000

see what you guys find most appealing

750

00:30:18,470 --> 00:30:17,120

um here's like the breakdown of chapter

751
00:30:20,389 --> 00:30:18,480
13

752
00:30:21,510 --> 00:30:20,399
as you'll see it's been

753
00:30:24,950 --> 00:30:21,520
called

754
00:30:26,149 --> 00:30:24,960
um enemy attack and ufo potential what

755
00:30:28,310 --> 00:30:26,159
is war

756
00:30:30,950 --> 00:30:28,320
causes of war effects of nuclear attacks

757
00:30:35,190 --> 00:30:30,960
and then we get down to ufo threat a

758
00:30:37,750 --> 00:30:35,200
fact um an adverse potential of ufos

759
00:30:39,909 --> 00:30:37,760
which is really interesting and ufos and

760
00:30:43,430 --> 00:30:39,919
emergency action

761
00:30:47,510 --> 00:30:45,510
let's see

762
00:30:48,950 --> 00:30:47,520
ufo threat of fact

763
00:30:52,630 --> 00:30:48,960

so i mean that's pretty interesting

764

00:30:53,750 --> 00:30:52,640

right there ufo threat of fat um

765

00:30:55,669 --> 00:30:53,760

i don't know if a lot of people would

766

00:30:56,870 --> 00:30:55,679

agree with that that ufos are a threat

767

00:30:59,590 --> 00:30:56,880

that seems to be what we're hearing a

768

00:31:01,110 --> 00:30:59,600

lot nowadays um that it could be a

769

00:31:03,350 --> 00:31:01,120

potential threat so we need to look into

770

00:31:05,190 --> 00:31:03,360

it that's good we should be looking into

771

00:31:06,549 --> 00:31:05,200

it it could be a potential threat we

772

00:31:08,470 --> 00:31:06,559

don't know because we do not know what

773

00:31:11,190 --> 00:31:08,480

we're dealing with and neither does our

774

00:31:14,230 --> 00:31:11,200

military so um yeah if we're talking

775

00:31:17,909 --> 00:31:14,240

about emergency workers or fire fighters

776

00:31:20,470 --> 00:31:17,919

or anyone in that realm of safety and um

777

00:31:22,710 --> 00:31:20,480

and protection i guess uh

778

00:31:24,470 --> 00:31:22,720

this could be a threat um in this

779

00:31:26,549 --> 00:31:24,480

chapter we'll turn our attention to the

780

00:31:29,830 --> 00:31:26,559

very real threat posed by unidentified

781

00:31:33,110 --> 00:31:29,840

flying objects whether they exist or not

782

00:31:35,269 --> 00:31:33,120

um they talk about the orson welles show

783

00:31:37,669 --> 00:31:35,279

and um kind of the panic that was caused

784

00:31:39,310 --> 00:31:37,679

by that which has been drastically i

785

00:31:43,590 --> 00:31:39,320

believe um

786

00:31:45,590 --> 00:31:43,600

overstated and uh exaggerated um but it

787

00:31:47,509 --> 00:31:45,600

people freaked out and i'm sure there

788

00:31:49,350 --> 00:31:47,519

were people who thought it was real and

789

00:31:50,950 --> 00:31:49,360

and apparently there were some deaths

790

00:31:54,630 --> 00:31:50,960

involved i don't know if that's part of

791

00:31:57,830 --> 00:31:54,640

the exaggeration or not um

792

00:31:59,350 --> 00:31:57,840

but let's see what else we have here

793

00:32:01,830 --> 00:31:59,360

in the first part throughout this book

794

00:32:03,590 --> 00:32:01,840

many of the references to actual events

795

00:32:05,909 --> 00:32:03,600

are based on the experiences of both of

796

00:32:08,230 --> 00:32:05,919

the authors however

797

00:32:10,149 --> 00:32:08,240

in the area of ufos and their potential

798

00:32:12,789 --> 00:32:10,159

we are relying largely on the research

799

00:32:14,950 --> 00:32:12,799

and experiences of charles bomb chuck

800

00:32:17,430 --> 00:32:14,960

has made a considerable study of these

801
00:32:19,909 --> 00:32:17,440
of of this subject

802
00:32:22,149 --> 00:32:19,919
and um is acquiring many publications

803
00:32:24,070 --> 00:32:22,159
and vcr tapes well that's a throwback

804
00:32:26,149 --> 00:32:24,080
this book is from 1992. i forgot to

805
00:32:28,389 --> 00:32:26,159
mention that guys um to augment his

806
00:32:30,710 --> 00:32:28,399
library on this and related phenomena so

807
00:32:32,230 --> 00:32:30,720
what it sounded like to me is one of the

808
00:32:35,110 --> 00:32:32,240
authors of this book who happened to

809
00:32:37,590 --> 00:32:35,120
also do a lot of work in um fire safety

810
00:32:39,029 --> 00:32:37,600
and um putting these books together

811
00:32:41,750 --> 00:32:39,039
was the ufo guy

812
00:32:44,710 --> 00:32:41,760
and um hey can't fault him for that i'm

813
00:32:47,350 --> 00:32:44,720

a ufo guy you're a ufo guy ufo woman ufo

814

00:32:48,789 --> 00:32:47,360

person and um if they could slip a

815

00:32:51,509 --> 00:32:48,799

chapter into one of their books about

816

00:32:53,430 --> 00:32:51,519

ufos i'm sure that was you know

817

00:32:55,669 --> 00:32:53,440

a uh gold star

818

00:32:58,950 --> 00:32:55,679

on the uh the old board there for them

819

00:33:01,110 --> 00:32:58,960

so maybe that's why maybe that's why um

820

00:33:03,269 --> 00:33:01,120

let's see what you guys are saying here

821

00:33:05,350 --> 00:33:03,279

in the chat before i move on

822

00:33:06,870 --> 00:33:05,360

um

823

00:33:09,509 --> 00:33:06,880

let's see

824

00:33:11,029 --> 00:33:09,519

nick says ryan as you know my father was

825

00:33:13,029 --> 00:33:11,039

lieutenant in the milwaukee fire

826

00:33:15,990 --> 00:33:13,039

department with 31 years of service wow

827

00:33:18,230 --> 00:33:16,000

nick that's incredible um wow thank you

828

00:33:20,389 --> 00:33:18,240

thank you for his service his closest

829

00:33:21,830 --> 00:33:20,399

friend on the job was a deputy chief he

830

00:33:24,389 --> 00:33:21,840

spoke with me at length and referred to

831

00:33:27,190 --> 00:33:24,399

heinek by name

832

00:33:29,669 --> 00:33:27,200

that's pretty freaking cool that is cool

833

00:33:32,230 --> 00:33:29,679

um vash twilight says coming from an ems

834

00:33:34,230 --> 00:33:32,240

background i think one the first section

835

00:33:36,870 --> 00:33:34,240

is legit meaning that it discusses

836

00:33:39,830 --> 00:33:36,880

invasion and what to do in that scenario

837

00:33:41,509 --> 00:33:39,840

foreign power invasion and what to do um

838

00:33:44,470 --> 00:33:41,519

yeah that's very true

839

00:33:46,630 --> 00:33:44,480

again this this book is about what to do

840

00:33:48,149 --> 00:33:46,640

in any situation whether it's a foreign

841

00:33:50,950 --> 00:33:48,159

adversary attacking us here in the

842

00:33:53,750 --> 00:33:50,960

united states or something we just can't

843

00:33:55,269 --> 00:33:53,760

simply explain which ufos are one of and

844

00:33:57,750 --> 00:33:55,279

they're not saying they're alien they're

845

00:33:59,190 --> 00:33:57,760

saying these are unidentified phenomena

846

00:34:01,750 --> 00:33:59,200

that could

847

00:34:05,269 --> 00:34:01,760

cause a disaster and we need to be ready

848

00:34:07,350 --> 00:34:05,279

to deal with it and help people so um

849

00:34:08,550 --> 00:34:07,360

yeah yeah i think that's that's a good

850

00:34:10,069 --> 00:34:08,560

thing that's a good way to put it

851
00:34:11,669 --> 00:34:10,079
fascinating um

852
00:34:14,389 --> 00:34:11,679
let's see you said also number two the

853
00:34:16,069 --> 00:34:14,399
ufo part is a training think outside the

854
00:34:17,990 --> 00:34:16,079
box scenario to prepare for things

855
00:34:20,790 --> 00:34:18,000
outside of the norm but in hindsight it

856
00:34:23,430 --> 00:34:20,800
seems to be pretty fortuitous yes

857
00:34:25,270 --> 00:34:23,440
i think that this chapter was probably

858
00:34:26,950 --> 00:34:25,280
put in this book and also in the air

859
00:34:30,389 --> 00:34:26,960
force academy book

860
00:34:32,550 --> 00:34:30,399
for cadets and for firefighters and emts

861
00:34:33,990 --> 00:34:32,560
and everyone to think outside of what

862
00:34:36,950 --> 00:34:34,000
they normally would because the minute

863
00:34:38,950 --> 00:34:36,960

you become complacent um and routine is

864

00:34:42,149 --> 00:34:38,960

when you know that part of the brain

865

00:34:44,149 --> 00:34:42,159

stops working of um what to do in a

866

00:34:46,790 --> 00:34:44,159

situation you are you have not seen

867

00:34:50,470 --> 00:34:46,800

before and i know police officers and

868

00:34:52,230 --> 00:34:50,480

emt workers and and fire fighters like

869

00:34:53,829 --> 00:34:52,240

they have to be ready for something that

870

00:34:57,589 --> 00:34:53,839

they don't quite expect and that's why

871

00:34:59,190 --> 00:34:57,599

those jobs are extremely dangerous um

872

00:35:00,550 --> 00:34:59,200

i'm sure they see the same things day in

873

00:35:02,390 --> 00:35:00,560

and day out in some ways but there's

874

00:35:05,349 --> 00:35:02,400

gonna come a time where something really

875

00:35:07,670 --> 00:35:05,359

throws him for a loop and a ufo invasion

876

00:35:09,510 --> 00:35:07,680

or even just a close encounter which

877

00:35:12,710 --> 00:35:09,520

many firefighters and police officers

878

00:35:14,630 --> 00:35:12,720

and emts have had um what to do and

879

00:35:16,630 --> 00:35:14,640

we're gonna get to that as well the

880

00:35:20,310 --> 00:35:16,640

physiological effects which was in here

881

00:35:22,230 --> 00:35:20,320

too which is really interesting um

882

00:35:24,310 --> 00:35:22,240

let's see steven says

883

00:35:26,790 --> 00:35:24,320

um what do you say here same very real

884

00:35:29,030 --> 00:35:26,800

threat and exist or not the same

885

00:35:31,349 --> 00:35:29,040

in the same sentence i get that i get

886

00:35:33,750 --> 00:35:31,359

that i do um

887

00:35:36,550 --> 00:35:33,760

let's see important thing to note is

888

00:35:38,710 --> 00:35:36,560

that in subsequent editions subsequent

889

00:35:40,790 --> 00:35:38,720

excuse me i've been told i say that word

890

00:35:42,550 --> 00:35:40,800

wrong all the time and i know i do

891

00:35:44,630 --> 00:35:42,560

subsequent editions the ufo chapter

892

00:35:46,630 --> 00:35:44,640

remains interesting

893

00:35:49,430 --> 00:35:46,640

that's very interesting

894

00:35:50,950 --> 00:35:49,440

um greetings from poland uh what do you

895

00:35:53,270 --> 00:35:50,960

think about elizondo's statement this

896

00:35:55,510 --> 00:35:53,280

topic looks very serious it is very

897

00:35:57,589 --> 00:35:55,520

serious thank you for joining us all the

898

00:35:59,589 --> 00:35:57,599

way from poland um i appreciate you

899

00:36:01,270 --> 00:35:59,599

being here i'm not sure what topic

900

00:36:03,510 --> 00:36:01,280

you're referring to if it's ufos in

901
00:36:05,829 --> 00:36:03,520

general um

902
00:36:10,230 --> 00:36:05,839

all i'm going to say is um when it comes

903
00:36:13,030 --> 00:36:11,670

stay tuned to somewhere in the skies in

904
00:36:14,710 --> 00:36:13,040

the next few weeks that's all i'm going

905
00:36:16,550 --> 00:36:14,720

to say

906
00:36:18,390 --> 00:36:16,560

more quickly it says hey bring it up but

907
00:36:21,270 --> 00:36:18,400

think of 911 they weren't prepared but

908
00:36:24,069 --> 00:36:21,280

darn did they step up i could understand

909
00:36:26,950 --> 00:36:24,079

preparing for anything yeah it's true um

910
00:36:27,390 --> 00:36:26,960

let's move back to the chapter here

911
00:36:28,550 --> 00:36:27,400

um

912
00:36:30,870 --> 00:36:28,560

[Music]

913
00:36:35,589 --> 00:36:33,109

and forgive me for just scrolling guys

914

00:36:38,230 --> 00:36:35,599

i'm exploring this like you i can admit

915

00:36:39,510 --> 00:36:38,240

i have not been able to read everything

916

00:36:42,550 --> 00:36:39,520

um

917

00:36:45,829 --> 00:36:44,550

background information with no intention

918

00:36:48,390 --> 00:36:45,839

of trying to prove or disprove the

919

00:36:50,310 --> 00:36:48,400

authenticity of numerous ufo encounters

920

00:36:52,069 --> 00:36:50,320

related by credible witnesses including

921

00:36:54,150 --> 00:36:52,079

airline and military pilots astronauts

922

00:36:57,190 --> 00:36:54,160

police officers firefighters members of

923

00:36:59,030 --> 00:36:57,200

congress and even u.s president or i us

924

00:37:00,870 --> 00:36:59,040

president at the time that this was

925

00:37:02,710 --> 00:37:00,880

written the balance of this chapter will

926
00:37:06,310 --> 00:37:02,720
be to present a brief history and nature

927
00:37:08,230 --> 00:37:06,320
of ufos and their alleged occupants

928
00:37:10,390 --> 00:37:08,240
really interesting that um we're kind of

929
00:37:14,310 --> 00:37:10,400
starting with the history of ufology

930
00:37:18,950 --> 00:37:17,430
what are ufos william shakespeare put a

931
00:37:21,030 --> 00:37:18,960
fitting observation in the mouth of

932
00:37:23,190 --> 00:37:21,040
hamlet the prince of denmark that went

933
00:37:26,390 --> 00:37:23,200
like this there are more things in

934
00:37:29,349 --> 00:37:26,400
heaven and earth ratio that are dreamed

935
00:37:31,270 --> 00:37:29,359
in your philosophy

936
00:37:32,870 --> 00:37:31,280
and scene

937
00:37:34,550 --> 00:37:32,880
that's my broadway coming out whether

938
00:37:36,950 --> 00:37:34,560

hamlet was referring to those strange

939

00:37:39,109 --> 00:37:36,960

lights or objects that appear in the sky

940

00:37:41,670 --> 00:37:39,119

or near the ground

941

00:37:43,910 --> 00:37:41,680

and have no known cause we will never

942

00:37:45,829 --> 00:37:43,920

know but the world book in

943

00:37:49,430 --> 00:37:45,839

world book encyclopedia defines such

944

00:37:51,349 --> 00:37:49,440

things as ufos

945

00:37:52,550 --> 00:37:51,359

so we're getting like a crash course in

946

00:37:55,670 --> 00:37:52,560

ufos

947

00:37:57,990 --> 00:37:55,680

in the first few things here

948

00:38:01,670 --> 00:37:58,000

they have the classification system that

949

00:38:02,630 --> 00:38:01,680

dr j allen heineck came up with um let's

950

00:38:04,950 --> 00:38:02,640

see

951
00:38:07,670 --> 00:38:04,960
nocturnal lights daylight discs close

952
00:38:08,470 --> 00:38:07,680
encounters radar readings

953
00:38:09,910 --> 00:38:08,480
and um

954
00:38:13,589 --> 00:38:09,920
[Music]

955
00:38:15,190 --> 00:38:13,599
so that's pretty cool shapes of ufos

956
00:38:17,910 --> 00:38:15,200
all different times

957
00:38:21,109 --> 00:38:17,920
types of ufos have been reported flying

958
00:38:24,230 --> 00:38:21,119
saucers glowing tubes semi-spherical

959
00:38:26,790 --> 00:38:24,240
apertures um reddish orange glows or

960
00:38:28,310 --> 00:38:26,800
fire like or sparky discharges which

961
00:38:30,870 --> 00:38:28,320
would definitely be of interest to

962
00:38:32,710 --> 00:38:30,880
firefighters for sure and how to deal

963
00:38:35,109 --> 00:38:32,720

with that just imagine i'm like with a

964

00:38:36,630 --> 00:38:35,119

host spraying a ufo

965

00:38:38,870 --> 00:38:36,640

i'm sure it's happened

966

00:38:41,190 --> 00:38:38,880

i'm definitely sure it's happened

967

00:38:44,470 --> 00:38:41,200

let's see here

968

00:38:46,630 --> 00:38:44,480

um nick says said deputy chief was um

969

00:38:48,310 --> 00:38:46,640

let's see a ufo guy but i know that he

970

00:38:50,630 --> 00:38:48,320

made a point of hammering this chapter

971

00:38:53,510 --> 00:38:50,640

into the heads of cadets at the fire

972

00:38:54,950 --> 00:38:53,520

academy when he talked courses wow

973

00:38:58,390 --> 00:38:54,960

that's interesting nick you really

974

00:39:01,190 --> 00:38:58,400

wanted people to to talk about this

975

00:39:03,109 --> 00:39:01,200

um let's see

976
00:39:05,430 --> 00:39:03,119
image analysis says luis and yourself

977
00:39:08,230 --> 00:39:05,440
are two of the main heroes of ufology

978
00:39:11,030 --> 00:39:08,240
these days keep up the good work that's

979
00:39:13,109 --> 00:39:11,040
beyond flattering and um well i don't

980
00:39:15,349 --> 00:39:13,119
agree with you i appreciate the

981
00:39:17,270 --> 00:39:15,359
sentiment um everything i've learned

982
00:39:20,950 --> 00:39:17,280
comes from my incredible mentor peter

983
00:39:22,230 --> 00:39:20,960
robbins and uh lee spiegel and um

984
00:39:25,510 --> 00:39:22,240
all the

985
00:39:27,430 --> 00:39:25,520
big names out there who um i'm simply

986
00:39:29,109 --> 00:39:27,440
resting on their shoulders at this point

987
00:39:30,710 --> 00:39:29,119
but that's extremely kind of you so

988
00:39:32,950 --> 00:39:30,720

thank you thank you

989

00:39:34,630 --> 00:39:32,960

oh can we see the appendix yes i will

990

00:39:37,430 --> 00:39:34,640

definitely get to the appendix of this

991

00:39:39,670 --> 00:39:37,440

um they give a really cool um list of

992

00:39:40,550 --> 00:39:39,680

books to read about ufos and stuff like

993

00:39:41,670 --> 00:39:40,560

that

994

00:39:43,270 --> 00:39:41,680

um

995

00:39:45,030 --> 00:39:43,280

so i will definitely try to touch on

996

00:39:46,150 --> 00:39:45,040

that with you guys give me one moment

997

00:39:48,710 --> 00:39:46,160

here

998

00:39:51,990 --> 00:39:48,720

i am readjusting some of my stuff in the

999

00:39:57,750 --> 00:39:54,950

been having some issues with my uh

1000

00:40:00,310 --> 00:39:57,760

my charging platforms is everything

1001
00:40:02,630 --> 00:40:00,320
charging okay cool all right we're good

1002
00:40:03,510 --> 00:40:02,640
welcome to a live stream guys welcome

1003
00:40:07,510 --> 00:40:03,520
welcome

1004
00:40:12,950 --> 00:40:09,670
so they're going to the history of ufos

1005
00:40:15,510 --> 00:40:12,960
um what was interesting um not so much a

1006
00:40:18,630 --> 00:40:15,520
compare i guess a comparison but not a

1007
00:40:20,230 --> 00:40:18,640
connection um this air force academy

1008
00:40:22,710 --> 00:40:20,240
thing when they went into the history of

1009
00:40:25,829 --> 00:40:22,720
ufos they went back to the ancient times

1010
00:40:28,230 --> 00:40:25,839
in terms of like why some alien race

1011
00:40:30,710 --> 00:40:28,240
would come to earth and seed our planet

1012
00:40:33,349 --> 00:40:30,720
and the evolution of humans through that

1013
00:40:35,510 --> 00:40:33,359

it was a crazy crazy crazy story in in

1014

00:40:37,270 --> 00:40:35,520

that chapter here we have it starting

1015

00:40:39,829 --> 00:40:37,280

with what a lot of us know is the modern

1016

00:40:42,230 --> 00:40:39,839

ufo era and that started around world

1017

00:40:44,870 --> 00:40:42,240

war ii with the foo fighters um

1018

00:40:47,190 --> 00:40:44,880

where there's foo there's fire

1019

00:40:49,589 --> 00:40:47,200

nice little pun there in this um fire

1020

00:40:51,829 --> 00:40:49,599

officer's handbook in the middle of the

1021

00:40:54,630 --> 00:40:51,839

1900s flying saucers were increasingly

1022

00:40:55,910 --> 00:40:54,640

observed in the united states and other

1023

00:40:57,750 --> 00:40:55,920

countries

1024

00:41:00,069 --> 00:40:57,760

they talk about the university of

1025

00:41:02,870 --> 00:41:00,079

colorado we're hired by the air force

1026
00:41:05,670 --> 00:41:02,880
from 66 to 68 to study this type of

1027
00:41:08,470 --> 00:41:05,680
aerial phenomena most could be ex

1028
00:41:10,630 --> 00:41:08,480
explained as stars venus meteors planets

1029
00:41:13,270 --> 00:41:10,640
balloons rockets blah blah blah blah

1030
00:41:16,550 --> 00:41:13,280
blah some atmospheric conditions

1031
00:41:18,230 --> 00:41:16,560
optical illusions all the same debunking

1032
00:41:20,470 --> 00:41:18,240
crap that blue book and the condit

1033
00:41:22,150 --> 00:41:20,480
committee went through um

1034
00:41:24,069 --> 00:41:22,160
after investigating more than 12 000

1035
00:41:25,109 --> 00:41:24,079
reports the u.s air force was unable to

1036
00:41:30,150 --> 00:41:25,119
explain

1037
00:41:32,790 --> 00:41:30,160
apparently apparently concluded that the

1038
00:41:33,589 --> 00:41:32,800

national security was not threatened by

1039

00:41:36,230 --> 00:41:33,599

them

1040

00:41:38,550 --> 00:41:36,240

um that's what we were told uh but now

1041

00:41:40,630 --> 00:41:38,560

we have sort of a turnabout face

1042

00:41:42,550 --> 00:41:40,640

with the navy and the pentagon saying

1043

00:41:45,589 --> 00:41:42,560

they could be a threat um to national

1044

00:41:47,430 --> 00:41:45,599

security especially in an age of drones

1045

00:41:49,030 --> 00:41:47,440

so we got to figure it out we got to

1046

00:41:50,950 --> 00:41:49,040

shed the stigma we need these things

1047

00:41:53,430 --> 00:41:50,960

reported because it could be a potential

1048

00:41:58,790 --> 00:41:55,190

um let's see

1049

00:42:01,510 --> 00:41:58,800

a lot of talking about ufo organizations

1050

00:42:02,390 --> 00:42:01,520

let's see this is 92 so yeah we got a

1051
00:42:06,150 --> 00:42:02,400
lot of the

1052
00:42:08,230 --> 00:42:06,160
the good players nightcap mufon cause

1053
00:42:10,710 --> 00:42:08,240
um ground saucer watch that's one i

1054
00:42:13,510 --> 00:42:10,720
haven't heard in a while kufos which was

1055
00:42:15,750 --> 00:42:13,520
the um organization run and started by

1056
00:42:18,230 --> 00:42:15,760
jay allen heineck and apro the aerial

1057
00:42:22,470 --> 00:42:18,240
phenomena research organization

1058
00:42:26,950 --> 00:42:22,480
um why the secrecy they say

1059
00:42:31,270 --> 00:42:29,349
deduce that

1060
00:42:33,109 --> 00:42:31,280
if we don't know what it is we don't

1061
00:42:35,750 --> 00:42:33,119
want to panic the public

1062
00:42:37,589 --> 00:42:35,760
and say we don't know what it is so what

1063
00:42:39,910 --> 00:42:37,599

we do find out we need to keep close to

1064

00:42:42,630 --> 00:42:39,920

the chest until we can fully understand

1065

00:42:44,390 --> 00:42:42,640

this stuff they talk about donald keough

1066

00:42:46,630 --> 00:42:44,400

his work and how he was trying to

1067

00:42:48,390 --> 00:42:46,640

unravel the truth embargo on ufos when

1068

00:42:51,109 --> 00:42:48,400

it comes to the air force

1069

00:42:54,390 --> 00:42:51,119

and the pentagon so a lot of this is the

1070

00:42:55,750 --> 00:42:54,400

history of ufos um which is cool but

1071

00:42:57,829 --> 00:42:55,760

it's not really anything we haven't

1072

00:43:00,550 --> 00:42:57,839

heard before wasn't really expecting

1073

00:43:02,470 --> 00:43:00,560

that this is an interesting um

1074

00:43:04,790 --> 00:43:02,480

part of it that we'll get to but let's

1075

00:43:08,150 --> 00:43:04,800

see what you guys are saying

1076

00:43:11,990 --> 00:43:10,150

some of the excerpts from this are

1077

00:43:15,990 --> 00:43:12,000

insane bn let us know what you found

1078

00:43:18,470 --> 00:43:16,000

insane about it please um for sure

1079

00:43:20,309 --> 00:43:18,480

tommy is here hey ryan can you show us

1080

00:43:23,430 --> 00:43:20,319

the picture behind you your left

1081

00:43:26,630 --> 00:43:23,440

shoulder looks like a blue ufo

1082

00:43:29,270 --> 00:43:26,640

the blue ufo

1083

00:43:31,430 --> 00:43:29,280

tommy um let me take

1084

00:43:33,510 --> 00:43:31,440

this off is it this one

1085

00:43:35,270 --> 00:43:33,520

that i'm pointing to right now

1086

00:43:38,069 --> 00:43:35,280

let me know

1087

00:43:39,349 --> 00:43:38,079

if that's the one you're referring to um

1088

00:43:41,030 --> 00:43:39,359

and i'll definitely put it up to the

1089

00:43:43,510 --> 00:43:41,040

camera

1090

00:43:45,430 --> 00:43:43,520

uh scary stuff nothing completely new

1091

00:43:48,309 --> 00:43:45,440

but still interesting

1092

00:43:51,190 --> 00:43:48,319

yeah so let's get back to the chapter

1093

00:43:52,790 --> 00:43:51,200

ufo missions i found this really

1094

00:43:54,710 --> 00:43:52,800

interesting many reasons have been

1095

00:43:56,870 --> 00:43:54,720

advanced for the purpose of the ufo's

1096

00:43:58,150 --> 00:43:56,880

visits to our planet although some of

1097

00:44:01,270 --> 00:43:58,160

the persons who apparently have been

1098

00:44:03,670 --> 00:44:01,280

subject of genetic investigation such as

1099

00:44:06,630 --> 00:44:03,680

the family of whitley strieber

1100

00:44:09,030 --> 00:44:06,640

this chapter is talking about communion

1101
00:44:11,910 --> 00:44:09,040
and whitley streeper i found this

1102
00:44:13,670 --> 00:44:11,920
both hilarious and very interesting

1103
00:44:15,510 --> 00:44:13,680
i'm talking about mr strieber's

1104
00:44:18,950 --> 00:44:15,520
abductions

1105
00:44:21,510 --> 00:44:18,960
um what else he talks about incident at

1106
00:44:24,470 --> 00:44:21,520
exeter the john fuller book

1107
00:44:29,670 --> 00:44:27,270
really really interesting stuff um into

1108
00:44:31,510 --> 00:44:29,680
the history of ufology

1109
00:44:34,069 --> 00:44:31,520
again like is this to really throw off

1110
00:44:35,750 --> 00:44:34,079
those reading it and have them really

1111
00:44:37,910 --> 00:44:35,760
open their minds

1112
00:44:40,950 --> 00:44:37,920
that some of this could be true who's to

1113
00:44:41,910 --> 00:44:40,960

say it's not we have yet to definitively

1114

00:44:44,790 --> 00:44:41,920

prove

1115

00:44:46,470 --> 00:44:44,800

um a lot of ufos and a lot of claims by

1116

00:44:48,950 --> 00:44:46,480

abductees we were not there when it

1117

00:44:52,069 --> 00:44:48,960

happened we can't definitively say it

1118

00:44:55,030 --> 00:44:52,079

did not happen and i've been guilty of

1119

00:44:55,750 --> 00:44:55,040

calling people liars or fantasy prone

1120

00:44:57,990 --> 00:44:55,760

but

1121

00:44:59,510 --> 00:44:58,000

i tend to think that the older i get the

1122

00:45:01,589 --> 00:44:59,520

more skeptical i become but the more

1123

00:45:03,589 --> 00:45:01,599

respectful i am as well that i was not

1124

00:45:05,990 --> 00:45:03,599

there when these things happen so

1125

00:45:07,670 --> 00:45:06,000

really interesting that um a lot of this

1126

00:45:09,990 --> 00:45:07,680

is in this chapter

1127

00:45:11,270 --> 00:45:10,000

adverse potential of ufos now this is

1128

00:45:14,150 --> 00:45:11,280

where i think

1129

00:45:17,589 --> 00:45:14,160

the meat of why this chapter is in here

1130

00:45:20,150 --> 00:45:17,599

is here and that is what harm these ufos

1131

00:45:23,109 --> 00:45:20,160

could cause not an invasion so much but

1132

00:45:27,030 --> 00:45:23,119

even just a close encounter um so let's

1133

00:45:29,990 --> 00:45:27,040

talk about that in just a minute here

1134

00:45:32,390 --> 00:45:30,000

oh our friend from poland says i saw

1135

00:45:36,870 --> 00:45:32,400

a triangle ufo once

1136

00:45:38,390 --> 00:45:36,880

ufo fleet three times wow

1137

00:45:40,150 --> 00:45:38,400

it's hard to explain oh yeah i agree

1138

00:45:42,390 --> 00:45:40,160

with you man

1139

00:45:44,470 --> 00:45:42,400

or madam i do apologize i gotta stop

1140

00:45:48,069 --> 00:45:44,480

using um

1141

00:45:52,150 --> 00:45:48,079

gender identifiers i i know that a lot

1142

00:45:55,750 --> 00:45:54,309

uh can you underline the what the what

1143

00:45:57,829 --> 00:45:55,760

the f-ness

1144

00:45:59,990 --> 00:45:57,839

almost got me there um of this chapter

1145

00:46:01,670 --> 00:46:00,000

in such a manual the guy who wrote this

1146

00:46:04,230 --> 00:46:01,680

must have been seriously switched onto

1147

00:46:05,990 --> 00:46:04,240

ufos that's what i'm gathering i believe

1148

00:46:07,829 --> 00:46:06,000

that one or both of these guys were

1149

00:46:09,829 --> 00:46:07,839

really interested in ufos and that's why

1150

00:46:12,069 --> 00:46:09,839

we're seeing it um

1151

00:46:13,750 --> 00:46:12,079

very very very interesting

1152

00:46:15,990 --> 00:46:13,760

um

1153

00:46:18,390 --> 00:46:16,000

sometimes i call my mom man yeah i got

1154

00:46:20,630 --> 00:46:18,400

to use that term for everyone

1155

00:46:21,990 --> 00:46:20,640

let's see here adverse potential of ufos

1156

00:46:24,150 --> 00:46:22,000

this is where i kind of want to read

1157

00:46:25,670 --> 00:46:24,160

verbatim some of this stuff guys um so

1158

00:46:26,870 --> 00:46:25,680

do forgive me but again i'm just

1159

00:46:28,870 --> 00:46:26,880

exploring this

1160

00:46:31,349 --> 00:46:28,880

like you guys are in real time

1161

00:46:33,589 --> 00:46:31,359

regardless of its past evaluations the

1162

00:46:35,829 --> 00:46:33,599

air force could be wrong about a number

1163

00:46:37,910 --> 00:46:35,839

of things it can't even guess within a

1164

00:46:39,750 --> 00:46:37,920

couple of billion dollars what one of

1165

00:46:41,910 --> 00:46:39,760

its planes is going to cost maybe

1166

00:46:44,390 --> 00:46:41,920

despite the skepticism of the scientists

1167

00:46:47,430 --> 00:46:44,400

and other investigators the ufos sent

1168

00:46:49,589 --> 00:46:47,440

from other planets do exist

1169

00:46:51,270 --> 00:46:49,599

and have visited earth

1170

00:46:52,309 --> 00:46:51,280

not exactly sure where that quote comes

1171

00:46:54,470 --> 00:46:52,319

from

1172

00:46:56,309 --> 00:46:54,480

um

1173

00:46:59,109 --> 00:46:56,319

but they start to talk about some of the

1174

00:47:01,109 --> 00:46:59,119

effects are as follows of these ufos

1175

00:47:02,710 --> 00:47:01,119

uh two principle hazard noted within

1176

00:47:04,630 --> 00:47:02,720

relation to ufos have been attributed to

1177

00:47:06,630 --> 00:47:04,640

powerful electrical fields which they

1178

00:47:09,430 --> 00:47:06,640

can project in a general or localized

1179

00:47:11,829 --> 00:47:09,440

area and the psychological effects they

1180

00:47:16,150 --> 00:47:11,839

have produced on the general populace or

1181

00:47:18,870 --> 00:47:16,160

individual uh force field impact

1182

00:47:20,549 --> 00:47:18,880

wow uh the disruption of air and ground

1183

00:47:23,349 --> 00:47:20,559

travel has often been reported in the

1184

00:47:25,030 --> 00:47:23,359

presence of ufos ignition systems of

1185

00:47:26,790 --> 00:47:25,040

auto and aircraft engines have

1186

00:47:29,190 --> 00:47:26,800

apparently been affected by energized

1187

00:47:31,990 --> 00:47:29,200

force fields to such an extent as to

1188

00:47:33,430 --> 00:47:32,000

stop their operation um

1189

00:47:35,030 --> 00:47:33,440

i'm going to stop right there for a

1190

00:47:36,549 --> 00:47:35,040

moment i do want to mention we're

1191

00:47:38,470 --> 00:47:36,559

actually going to be having uh kevin

1192

00:47:39,829 --> 00:47:38,480

randall on the show in the coming weeks

1193

00:47:42,950 --> 00:47:39,839

to talk about his new book about the

1194

00:47:45,910 --> 00:47:42,960

leveling texas ufos and the whole book

1195

00:47:49,349 --> 00:47:45,920

is about how these ufos affected engines

1196

00:47:52,069 --> 00:47:49,359

and planes and um in cars and had

1197

00:47:53,990 --> 00:47:52,079

effects on the witnesses as well so yeah

1198

00:47:55,670 --> 00:47:54,000

this is really interesting that this is

1199

00:47:56,790 --> 00:47:55,680

in here um we're going to be talking to

1200

00:48:00,230 --> 00:47:56,800

kevin

1201

00:48:02,549 --> 00:48:00,240

soon about that um

1202

00:48:04,470 --> 00:48:02,559

let's see sorry i meant the big one the

1203

00:48:08,950 --> 00:48:04,480

artwork of somewhere in the skies oh

1204

00:48:10,390 --> 00:48:08,960

tommy yes um that is

1205

00:48:13,030 --> 00:48:10,400

uh that is

1206

00:48:16,470 --> 00:48:13,040

a custom piece of art

1207

00:48:18,549 --> 00:48:16,480

um by nick chev he was part of our fan

1208

00:48:20,470 --> 00:48:18,559

art contest where i have like over 50

1209

00:48:22,549 --> 00:48:20,480

submissions of fan artists somewhere in

1210

00:48:25,109 --> 00:48:22,559

the skies that my uh my merchandise

1211

00:48:27,030 --> 00:48:25,119

company put on and he was the winner um

1212

00:48:30,150 --> 00:48:27,040

so you can get this lovely guy on a

1213

00:48:32,069 --> 00:48:30,160

poster a t-shirt a magnet um it's all in

1214

00:48:33,349 --> 00:48:32,079

the summer in the sky store um and i

1215

00:48:35,910 --> 00:48:33,359

think the links are down in the show

1216

00:48:37,829 --> 00:48:35,920

notes there if you're interested um yeah

1217

00:48:39,750 --> 00:48:37,839

that's that was the winner of our fan

1218

00:48:41,270 --> 00:48:39,760

art contest and i love love love love

1219

00:48:42,309 --> 00:48:41,280

love it so thank you to nick if he's

1220

00:48:43,910 --> 00:48:42,319

watching

1221

00:48:45,510 --> 00:48:43,920

um

1222

00:48:47,750 --> 00:48:45,520

let's see here

1223

00:48:50,630 --> 00:48:47,760

i'd argue ryan regardless of gender dude

1224

00:48:52,150 --> 00:48:50,640

is an acceptable identifier it is but

1225

00:48:54,069 --> 00:48:52,160

that's not what we're here to talk about

1226

00:48:56,069 --> 00:48:54,079

tonight but i appreciate it nick for

1227

00:48:57,670 --> 00:48:56,079

sure my man

1228

00:48:59,270 --> 00:48:57,680

my person

1229

00:49:00,710 --> 00:48:59,280

see what i did there

1230

00:49:04,309 --> 00:49:00,720

gosh

1231

00:49:09,910 --> 00:49:06,630

uh let's see what else we have here oh

1232

00:49:12,309 --> 00:49:09,920

they go into a case in 78 from bueno air

1233

00:49:13,910 --> 00:49:12,319

buenos aires a strange force shut off

1234

00:49:15,430 --> 00:49:13,920

their engine and headlights of the um

1235

00:49:19,109 --> 00:49:15,440

citriion c

1236

00:49:21,430 --> 00:49:19,119

g cg lifted it 15 feet off the road then

1237

00:49:23,510 --> 00:49:21,440

set it down a minute later at 75 miles

1238

00:49:25,190 --> 00:49:23,520

to the north the driver noticed yellow

1239

00:49:27,270 --> 00:49:25,200

and violet light shining in his rear

1240

00:49:29,589 --> 00:49:27,280

view mirror while driving the last leg

1241

00:49:31,190 --> 00:49:29,599

of a long stock car race and he realized

1242

00:49:33,349 --> 00:49:31,200

that it was approaching too fast to be a

1243

00:49:35,750 --> 00:49:33,359

competitor a month later a colombian

1244

00:49:38,069 --> 00:49:35,760

bank manager and a navy officer had

1245

00:49:41,349 --> 00:49:38,079

their car headlights go off when buzzed

1246

00:49:41,359 --> 00:49:45,030

really really interesting

1247

00:49:48,630 --> 00:49:46,950

ooh they talk about the case in mexico

1248

00:49:50,549 --> 00:49:48,640

city where the um

1249

00:49:53,190 --> 00:49:50,559

the piper plane

1250

00:49:55,670 --> 00:49:53,200

was uh literally surrounded by three

1251

00:49:58,790 --> 00:49:55,680

flying saucers i actually covered that

1252

00:50:00,950 --> 00:49:58,800

case in an episode of case files so if

1253

00:50:02,309 --> 00:50:00,960

you guys are not subscribed to the

1254

00:50:04,309 --> 00:50:02,319

youtube channel that you're watching

1255

00:50:06,710 --> 00:50:04,319

right now please subscribe please click

1256

00:50:08,870 --> 00:50:06,720

the like button please share this video

1257

00:50:11,270 --> 00:50:08,880

um but i do a series called case files

1258

00:50:13,030 --> 00:50:11,280

where i go through a ufo case in like

1259

00:50:15,030 --> 00:50:13,040

less than five to eight minutes and give

1260

00:50:17,750 --> 00:50:15,040

you the rundown about it and so you can

1261

00:50:19,829 --> 00:50:17,760

move on with your day um and i did cover

1262

00:50:21,829 --> 00:50:19,839

that case with carlos de los santos i

1263

00:50:25,109 --> 00:50:21,839

believe was the gentleman's name where

1264

00:50:28,630 --> 00:50:25,119

three ufos surrounded his plane hid it

1265

00:50:31,750 --> 00:50:28,640

and then sent his plane into a spiral he

1266

00:50:33,670 --> 00:50:31,760

almost died and was saved by the ufos

1267

00:50:34,790 --> 00:50:33,680

i'm not kidding you so yeah that's

1268

00:50:36,870 --> 00:50:34,800

really interesting that they bring this

1269

00:50:38,309 --> 00:50:36,880

case up in this chapter

1270

00:50:40,470 --> 00:50:38,319

and then the other big one they talk

1271

00:50:42,870 --> 00:50:40,480

about is communication disruption

1272

00:50:44,390 --> 00:50:42,880

um radio transmissions whether it's with

1273

00:50:46,150 --> 00:50:44,400

pilots in these ufos trying to

1274

00:50:48,549 --> 00:50:46,160

communicate with them seems close to

1275

00:50:51,030 --> 00:50:48,559

impossible so they cannot communicate

1276

00:50:53,190 --> 00:50:51,040

with the ufo they cannot identify the

1277

00:50:55,829 --> 00:50:53,200

thing in front of them so it could be a

1278

00:50:57,430 --> 00:50:55,839

threat and that's extremely dangerous so

1279

00:50:59,589 --> 00:50:57,440

yeah i'm happy they brought that up as

1280

00:51:02,230 --> 00:50:59,599

well

1281

00:51:04,790 --> 00:51:02,240

regional power blackouts yeah of course

1282

00:51:06,630 --> 00:51:04,800

emts fema fire departments are gonna be

1283

00:51:08,549 --> 00:51:06,640

called in when there are blackouts

1284

00:51:10,390 --> 00:51:08,559

there's gonna be emergencies happening

1285

00:51:12,390 --> 00:51:10,400

all over the place you've got like the

1286

00:51:14,470 --> 00:51:12,400

famous blackout in new york city i know

1287

00:51:17,030 --> 00:51:14,480

oh they mention it right here actually

1288

00:51:18,549 --> 00:51:17,040

blacked out all of new york um where

1289

00:51:20,950 --> 00:51:18,559

ufos had

1290

00:51:23,750 --> 00:51:20,960

been seen um during that blackout the

1291

00:51:25,349 --> 00:51:23,760

famous blackout um so yeah yeah of

1292

00:51:27,270 --> 00:51:25,359

course these are things that

1293

00:51:28,630 --> 00:51:27,280

firefighters need to be prepared for

1294

00:51:32,549 --> 00:51:28,640

that the blackout could have been caused

1295

00:51:33,750 --> 00:51:32,559

by ufos so it's one of many explanations

1296

00:51:35,589 --> 00:51:33,760

um

1297

00:51:38,069 --> 00:51:35,599

yeah so let's see what else love it

1298

00:51:40,950 --> 00:51:38,079

tommy says thanks man

1299

00:51:42,870 --> 00:51:40,960

the last funny thing is i saw a fleet oh

1300

00:51:44,950 --> 00:51:42,880

he's talking about his ufo settings i'm

1301
00:51:48,950 --> 00:51:44,960
gonna have to look at these later my man

1302
00:51:54,630 --> 00:51:51,270
hey love that poster thank you teddy i

1303
00:51:59,430 --> 00:51:57,190
um i'm gonna put this up vass says third

1304
00:52:01,750 --> 00:51:59,440
thing in fire department ems we have

1305
00:52:04,549 --> 00:52:01,760
what's called duty to act if you are on

1306
00:52:06,230 --> 00:52:04,559
duty you must help those in medical need

1307
00:52:08,390 --> 00:52:06,240
if you come across them maybe this

1308
00:52:11,030 --> 00:52:08,400
drives home that it includes everyone

1309
00:52:13,349 --> 00:52:11,040
even aliens yeah i've heard that and you

1310
00:52:16,150 --> 00:52:13,359
know you've got this idea too of like if

1311
00:52:17,910 --> 00:52:16,160
a doctor's in a house they need to uh or

1312
00:52:20,950 --> 00:52:17,920
anywhere they need to help someone if

1313
00:52:22,230 --> 00:52:20,960

they're in trouble um or citizens even

1314

00:52:25,109 --> 00:52:22,240

like you could be arrested for not

1315

00:52:27,349 --> 00:52:25,119

helping someone that's in trouble um you

1316

00:52:29,030 --> 00:52:27,359

can literally be arrested for that um i

1317

00:52:30,470 --> 00:52:29,040

don't know how often it's it's actually

1318

00:52:32,630 --> 00:52:30,480

used but yeah i could understand that

1319

00:52:34,230 --> 00:52:32,640

when it comes to emts if they have the

1320

00:52:35,910 --> 00:52:34,240

power and ability to help someone in a

1321

00:52:37,990 --> 00:52:35,920

situation no matter how weird the

1322

00:52:39,349 --> 00:52:38,000

situation is um it could even be a

1323

00:52:42,069 --> 00:52:39,359

threat to that

1324

00:52:43,990 --> 00:52:42,079

firefighter or emt themselves they need

1325

00:52:46,870 --> 00:52:44,000

to help so why not be prepared for

1326

00:52:48,470 --> 00:52:46,880

everything even aliens

1327

00:52:50,230 --> 00:52:48,480

let's see

1328

00:52:51,510 --> 00:52:50,240

nick says ryan you know how long i've

1329

00:52:54,790 --> 00:52:51,520

been in the field to have my father's

1330

00:52:57,109 --> 00:52:54,800

friend respected mfd deputy chiefs cite

1331

00:52:58,950 --> 00:52:57,119

the cash landrum case and bent waters

1332

00:53:01,270 --> 00:52:58,960

case specifically threw me for a loop

1333

00:53:03,349 --> 00:53:01,280

i'm sure man i am sure talk about

1334

00:53:05,030 --> 00:53:03,359

physiological effects

1335

00:53:06,470 --> 00:53:05,040

man that will lose our two prime

1336

00:53:08,710 --> 00:53:06,480

examples which i'm sure are somewhere in

1337

00:53:11,190 --> 00:53:08,720

this chapter about people being

1338

00:53:14,630 --> 00:53:11,200

physically affected by ufos um with the

1339

00:53:18,710 --> 00:53:14,640

cash landrum incident uh everyone

1340

00:53:20,309 --> 00:53:18,720

involved suffered radiation burns um

1341

00:53:21,589 --> 00:53:20,319

i believe one or two of them died

1342

00:53:24,230 --> 00:53:21,599

because of it

1343

00:53:25,829 --> 00:53:24,240

and that's a crazy case and they tried

1344

00:53:28,710 --> 00:53:25,839

to sue the

1345

00:53:30,549 --> 00:53:28,720

uh air force because they believed that

1346

00:53:32,230 --> 00:53:30,559

whatever they saw was an air force

1347

00:53:33,430 --> 00:53:32,240

project and the air force said nope

1348

00:53:34,710 --> 00:53:33,440

wasn't ours we're not taking

1349

00:53:36,950 --> 00:53:34,720

responsibility we're not giving you any

1350

00:53:39,910 --> 00:53:36,960

money to get help or anything i'm really

1351
00:53:41,589 --> 00:53:39,920
sad really really sad case um then you

1352
00:53:43,589 --> 00:53:41,599
have the bent waters case where one of

1353
00:53:45,829 --> 00:53:43,599
the witnesses who touched the craft that

1354
00:53:47,589 --> 00:53:45,839
landed in the forest in 1980 the rendish

1355
00:53:49,670 --> 00:53:47,599
from forest case for those of you who

1356
00:53:51,910 --> 00:53:49,680
want to look into it um he touched this

1357
00:53:54,150 --> 00:53:51,920
ufo and um

1358
00:53:56,710 --> 00:53:54,160
had really weird physical effects that

1359
00:53:57,829 --> 00:53:56,720
caused heart failure in him many many

1360
00:53:59,589 --> 00:53:57,839
years later

1361
00:54:01,910 --> 00:53:59,599
and he went to veteran affairs and said

1362
00:54:04,069 --> 00:54:01,920
i need surgery or i'm going to die um i

1363
00:54:05,190 --> 00:54:04,079

believe this was caused by radiation or

1364

00:54:07,670 --> 00:54:05,200

something that i

1365

00:54:10,549 --> 00:54:07,680

i had happened to me back when i saw ufo

1366

00:54:12,549 --> 00:54:10,559

and veteran affairs was like no no we're

1367

00:54:14,230 --> 00:54:12,559

not going to help you with that no no

1368

00:54:16,150 --> 00:54:14,240

they sealed his records he couldn't even

1369

00:54:18,710 --> 00:54:16,160

get his medical records when they found

1370

00:54:20,710 --> 00:54:18,720

out that this dude was at bentwaters um

1371

00:54:23,349 --> 00:54:20,720

and part of this event and he had to

1372

00:54:24,390 --> 00:54:23,359

fight for years to get his records

1373

00:54:26,230 --> 00:54:24,400

unsealed

1374

00:54:29,670 --> 00:54:26,240

and to get medical assistance from the

1375

00:54:31,829 --> 00:54:29,680

va to literally save his life and um i

1376

00:54:33,829 --> 00:54:31,839

believe even john mccain got involved

1377

00:54:35,510 --> 00:54:33,839

and helped fight for this dude and um

1378

00:54:37,670 --> 00:54:35,520

his name is john burroughs he was part

1379

00:54:40,549 --> 00:54:37,680

of the now famous rental shrimp forest

1380

00:54:43,109 --> 00:54:40,559

incident and he got the help he needed

1381

00:54:45,670 --> 00:54:43,119

um he got surgery saved his life and

1382

00:54:47,750 --> 00:54:45,680

it's the first time i believe documented

1383

00:54:49,829 --> 00:54:47,760

that the veteran affairs said

1384

00:54:51,910 --> 00:54:49,839

we helped this guy because of a ufo

1385

00:54:54,870 --> 00:54:51,920

event that happened to him in 1980 so

1386

00:54:56,870 --> 00:54:54,880

crazy crazy but it's all also more

1387

00:54:58,789 --> 00:54:56,880

telling of why this chapter is here and

1388

00:55:00,710 --> 00:54:58,799

the effects that efo could have on

1389

00:55:04,470 --> 00:55:00,720

people

1390

00:55:08,950 --> 00:55:06,950

what else we got here

1391

00:55:11,670 --> 00:55:08,960

don't forget those likes people yes

1392

00:55:14,470 --> 00:55:11,680

please like the video um share it if you

1393

00:55:16,309 --> 00:55:14,480

have not subscribe and super chat and

1394

00:55:17,750 --> 00:55:16,319

super stickers are open for any new

1395

00:55:19,510 --> 00:55:17,760

people watching if you want to help

1396

00:55:21,589 --> 00:55:19,520

support some of the skies that is a

1397

00:55:23,430 --> 00:55:21,599

great way to do it um i'll throw your

1398

00:55:25,190 --> 00:55:23,440

comments up i'll throw your questions up

1399

00:55:26,309 --> 00:55:25,200

and try to answer them to the best of my

1400

00:55:27,910 --> 00:55:26,319

knowledge it can be about what we're

1401

00:55:31,030 --> 00:55:27,920

talking about tonight or anything you

1402

00:55:33,109 --> 00:55:31,040

want i am yours i'm here for you guys

1403

00:55:35,349 --> 00:55:33,119

and to go through this chapter too which

1404

00:55:38,230 --> 00:55:35,359

i found very fascinating

1405

00:55:41,109 --> 00:55:38,240

um where were we with the chapter

1406

00:55:43,190 --> 00:55:41,119

um let's see

1407

00:55:45,109 --> 00:55:43,200

i didn't even see this fireball's over

1408

00:55:47,589 --> 00:55:45,119

syracuse come on

1409

00:55:50,069 --> 00:55:47,599

i'm from syracuse new york i didn't see

1410

00:55:52,870 --> 00:55:50,079

this part before i got here guys um this

1411

00:55:54,390 --> 00:55:52,880

is pretty cool um airplane pilots

1412

00:55:55,990 --> 00:55:54,400

reported that ufos are being chased

1413

00:55:57,750 --> 00:55:56,000

across pennsylvania

1414

00:56:00,829 --> 00:55:57,760

electronics and construction engineers

1415

00:56:04,390 --> 00:56:00,839

who are driving in the area of

1416

00:56:06,710 --> 00:56:04,400

syracuse in the house airport saw ufos

1417

00:56:09,910 --> 00:56:06,720

moving about 5 30 p.m

1418

00:56:11,510 --> 00:56:09,920

um just prior to the great blackout a

1419

00:56:13,349 --> 00:56:11,520

veteran flight instructor who had been

1420

00:56:15,510 --> 00:56:13,359

flying over syracuse on a training

1421

00:56:17,430 --> 00:56:15,520

flight saw a glowing globe over the

1422

00:56:19,030 --> 00:56:17,440

power lines leading to niagara falls

1423

00:56:21,430 --> 00:56:19,040

generating plan

1424

00:56:23,270 --> 00:56:21,440

hundreds of others saw the glowing

1425

00:56:26,710 --> 00:56:23,280

object in the sky on the night of the

1426

00:56:29,030 --> 00:56:26,720

big power failure

1427

00:56:31,030 --> 00:56:29,040

dang that's so cool i think i knew about

1428

00:56:33,910 --> 00:56:31,040

that case but i i haven't really looked

1429

00:56:35,829 --> 00:56:33,920

into it um but that leads me to

1430

00:56:38,230 --> 00:56:35,839

something i don't know if they really

1431

00:56:40,870 --> 00:56:38,240

talk about it in here um but we'll talk

1432

00:56:43,109 --> 00:56:40,880

about it right now is um

1433

00:56:45,349 --> 00:56:43,119

they mentioned power plants that's a big

1434

00:56:47,270 --> 00:56:45,359

thing in the ufo field right now too is

1435

00:56:49,510 --> 00:56:47,280

ufos and nukes

1436

00:56:52,630 --> 00:56:49,520

ufos have been witnessed and cited over

1437

00:56:55,430 --> 00:56:52,640

nuclear installations for decades

1438

00:56:58,390 --> 00:56:55,440

hundreds of cases of these things um we

1439

00:57:00,390 --> 00:56:58,400

had um robert salas on the show maybe a

1440

00:57:02,710 --> 00:57:00,400

month or so ago um which originally

1441

00:57:04,950 --> 00:57:02,720

aired on peter robbins show meanwhile

1442

00:57:08,230 --> 00:57:04,960

here on earth where we talked to robert

1443

00:57:10,870 --> 00:57:08,240

salas about being a nuclear literally

1444

00:57:12,470 --> 00:57:10,880

like the head of a nuclear base

1445

00:57:15,349 --> 00:57:12,480

underground where new

1446

00:57:17,270 --> 00:57:15,359

nuclear missiles were being um housed

1447

00:57:19,030 --> 00:57:17,280

and it was his job to

1448

00:57:20,470 --> 00:57:19,040

push that button if push came to shove

1449

00:57:22,630 --> 00:57:20,480

and we had to do it

1450

00:57:25,030 --> 00:57:22,640

and he and several others had a very

1451

00:57:29,589 --> 00:57:25,040

dramatic ufo sighting over their base uh

1452

00:57:31,109 --> 00:57:29,599

this is maelstrom air force base and um

1453

00:57:33,510 --> 00:57:31,119

i don't know how else to say it the

1454

00:57:36,069 --> 00:57:33,520

missiles were affected by the ufos shut

1455

00:57:38,710 --> 00:57:36,079

them down which is insane and there are

1456

00:57:40,470 --> 00:57:38,720

hundreds of cases of this happening um

1457

00:57:42,230 --> 00:57:40,480

robert and many others went in front of

1458

00:57:45,030 --> 00:57:42,240

the national press club several times

1459

00:57:47,430 --> 00:57:45,040

now to talk about this and within weeks

1460

00:57:51,190 --> 00:57:47,440

of them doing this event in washington

1461

00:57:53,270 --> 00:57:51,200

we got this new pentagon uap uh group

1462

00:57:55,670 --> 00:57:53,280

that's going to be starting up this year

1463

00:57:58,710 --> 00:57:55,680

uh so yeah interesting times we're

1464

00:58:00,150 --> 00:57:58,720

living in for sure and all that more

1465

00:58:02,950 --> 00:58:00,160

reflective with this chapter we're

1466

00:58:07,349 --> 00:58:02,960

talking about tonight as well um see i

1467

00:58:07,359 --> 00:58:10,309

let's see

1468

00:58:14,950 --> 00:58:12,069

i am so sorry i can't pronounce your

1469

00:58:16,710 --> 00:58:14,960

name i'm so sorry but i'm putting it up

1470

00:58:18,470 --> 00:58:16,720

here ryan do you believe disclosure will

1471

00:58:20,950 --> 00:58:18,480

happen personally if this will be truth

1472

00:58:23,109 --> 00:58:20,960

i'm not convinced this is a good idea

1473

00:58:24,710 --> 00:58:23,119

i think disclosure has already happened

1474

00:58:27,750 --> 00:58:24,720

i mean we've had the us government say

1475

00:58:29,030 --> 00:58:27,760

ufos exists that's all i ever wanted

1476

00:58:30,230 --> 00:58:29,040

um

1477

00:58:32,230 --> 00:58:30,240

they haven't said what they are because

1478

00:58:34,230 --> 00:58:32,240

i don't think they know what they are

1479

00:58:37,270 --> 00:58:34,240

so i think for every person who's seen a

1480

00:58:39,109 --> 00:58:37,280

ufo or had some sort of experience

1481

00:58:42,150 --> 00:58:39,119

that's disclosure for them

1482

00:58:44,069 --> 00:58:42,160

and i saw ufo that was disclosure for me

1483

00:58:46,470 --> 00:58:44,079

so i think we need to move past this

1484

00:58:48,870 --> 00:58:46,480

idea of striving for disclosure from the

1485

00:58:50,789 --> 00:58:48,880

u.s government uh we believe they have

1486

00:58:52,230 --> 00:58:50,799

been lying to us for many years so why

1487

00:58:53,030 --> 00:58:52,240

are we going to believe anything they

1488

00:58:58,150 --> 00:58:53,040

say

1489

00:59:00,069 --> 00:58:58,160

ah this is so tough

1490

00:59:03,270 --> 00:59:00,079

it's not that i don't trust that the

1491

00:59:07,270 --> 00:59:05,990

doesn't want the best for their people i

1492

00:59:08,710 --> 00:59:07,280

believe they do

1493

00:59:11,349 --> 00:59:08,720

and maybe some of the lives they have

1494

00:59:14,870 --> 00:59:11,359

told were to protect us

1495

00:59:16,390 --> 00:59:14,880

i don't know i honestly can't say um and

1496

00:59:18,069 --> 00:59:16,400

that's a very

1497

00:59:20,710 --> 00:59:18,079

you know slippery slope to go down in

1498

00:59:22,710 --> 00:59:20,720

terms of that um so whether you believe

1499

00:59:24,789 --> 00:59:22,720

the government is lying to us about ufos

1500

00:59:27,589 --> 00:59:24,799

or not whether you believe they know

1501
00:59:29,430 --> 00:59:27,599
everything or don't know anything um has

1502
00:59:31,910 --> 00:59:29,440
yet to be determined i personally don't

1503
00:59:33,829 --> 00:59:31,920
think they know a lot and while they

1504
00:59:35,349 --> 00:59:33,839
tried to deny a lot of it back during

1505
00:59:37,910 --> 00:59:35,359
the blue book days

1506
00:59:39,670 --> 00:59:37,920
i think they made a mature uh decision

1507
00:59:41,349 --> 00:59:39,680
and are now looking at it in a different

1508
00:59:42,870 --> 00:59:41,359
lens and saying hey we don't know a lot

1509
00:59:44,549 --> 00:59:42,880
of what's going on and we should

1510
00:59:46,630 --> 00:59:44,559
probably look into it and we don't have

1511
00:59:48,630 --> 00:59:46,640
the capabilities to really understand it

1512
00:59:50,870 --> 00:59:48,640
so we should probably figure that out

1513
00:59:52,870 --> 00:59:50,880

with our leading scientists and whatnot

1514

00:59:54,950 --> 00:59:52,880

so hopefully that's the direction

1515

00:59:56,950 --> 00:59:54,960

they're going in and not in this is just

1516

00:59:58,630 --> 00:59:56,960

another way to control the narrative and

1517

01:00:00,470 --> 00:59:58,640

stamp it down and be another project

1518

01:00:03,510 --> 01:00:00,480

blue book i don't know only time will

1519

01:00:06,630 --> 01:00:03,520

tell um but don't i just i will say

1520

01:00:08,549 --> 01:00:06,640

don't waste your time on disclosure um

1521

01:00:09,589 --> 01:00:08,559

because it's already here

1522

01:00:10,870 --> 01:00:09,599

and

1523

01:00:12,630 --> 01:00:10,880

it's never going to come in the form i

1524

01:00:14,710 --> 01:00:12,640

think a lot of people think where

1525

01:00:16,309 --> 01:00:14,720

you know white house lawn scenario where

1526

01:00:18,630 --> 01:00:16,319

the president of the united states says

1527

01:00:19,910 --> 01:00:18,640

ufos exist because hey the world's a

1528

01:00:22,069 --> 01:00:19,920

hell of a lot bigger than the united

1529

01:00:24,150 --> 01:00:22,079

states and it's going to take a lot more

1530

01:00:25,910 --> 01:00:24,160

world leaders to confirm that and agree

1531

01:00:28,470 --> 01:00:25,920

with that and see how the world should

1532

01:00:29,750 --> 01:00:28,480

move on from that moment on so i don't

1533

01:00:31,750 --> 01:00:29,760

know i don't know there's so many

1534

01:00:33,750 --> 01:00:31,760

hypotheticals when it comes to all that

1535

01:00:34,870 --> 01:00:33,760

and i change my mind every day to be

1536

01:00:37,750 --> 01:00:34,880

honest

1537

01:00:42,230 --> 01:00:40,069

let's see

1538

01:00:43,990 --> 01:00:42,240

greetings hello robert welcome welcome

1539

01:00:45,910 --> 01:00:44,000

welcome everyone

1540

01:00:49,109 --> 01:00:45,920

if you're just joining us we are talking

1541

01:00:52,470 --> 01:00:49,119

about the fire officers manual and their

1542

01:00:54,150 --> 01:00:52,480

mysterious chapter 13 on ufos um you

1543

01:00:56,630 --> 01:00:54,160

know what i'm going to do guys i have a

1544

01:00:59,109 --> 01:00:56,640

brief video about a new segment that

1545

01:01:01,589 --> 01:00:59,119

covered this chapter um and i'd like to

1546

01:01:02,870 --> 01:01:01,599

see what they have to say about it um

1547

01:01:05,750 --> 01:01:02,880

vass says

1548

01:01:08,150 --> 01:01:05,760

hell of a warning on page 469 good

1549

01:01:09,910 --> 01:01:08,160

advice me thanks vest tell us what

1550

01:01:12,789 --> 01:01:09,920

you're talking about man so we can

1551

01:01:15,349 --> 01:01:12,799

expedite and get to what that is um but

1552

01:01:16,789 --> 01:01:15,359

go ahead and watch this video first guys

1553

01:01:18,470 --> 01:01:16,799

about um

1554

01:01:19,910 --> 01:01:18,480

this chapter and what they said back in

1555

01:01:21,670 --> 01:01:19,920

92

1556

01:01:23,750 --> 01:01:21,680

sightings like the phoenix lights have

1557

01:01:26,710 --> 01:01:23,760

generated questions and made believers

1558

01:01:29,589 --> 01:01:26,720

out of skeptics and this 600 page guide

1559

01:01:31,910 --> 01:01:29,599

may lend credibility to ufos it's the

1560

01:01:33,430 --> 01:01:31,920

fire officer's guide to disaster control

1561

01:01:35,670 --> 01:01:33,440

and said to be found in fire houses

1562

01:01:38,230 --> 01:01:35,680

across the u.s the book covers

1563

01:01:40,870 --> 01:01:38,240

everything from fires to floods but it's

1564

01:01:43,510 --> 01:01:40,880

chapter 13 that takes an unusual twist

1565

01:01:46,150 --> 01:01:43,520

in firefighting techniques titled enemy

1566

01:01:47,990 --> 01:01:46,160

attack and ufo potential it would not be

1567

01:01:49,829 --> 01:01:48,000

remiss to give some thought to the part

1568

01:01:52,549 --> 01:01:49,839

that fire departments might play in the

1569

01:01:54,069 --> 01:01:52,559

event of the unexpected arrival of ufos

1570

01:01:56,069 --> 01:01:54,079

in their communities

1571

01:01:57,510 --> 01:01:56,079

the book written by two retired

1572

01:02:00,069 --> 01:01:57,520

firefighters addresses what first

1573

01:02:01,670 --> 01:02:00,079

responders could encounter you may have

1574

01:02:03,750 --> 01:02:01,680

engine trouble upon approaching the

1575

01:02:05,990 --> 01:02:03,760

scene and radio contact could be lost

1576

01:02:07,910 --> 01:02:06,000

with your dispatcher if at night your

1577

01:02:10,069 --> 01:02:07,920

headlight could go out the city could be

1578

01:02:11,589 --> 01:02:10,079

blacked out and your portable generators

1579

01:02:14,230 --> 01:02:11,599

may malfunction no this took me by

1580

01:02:16,549 --> 01:02:14,240

surprise believers like jim mann see the

1581

01:02:18,390 --> 01:02:16,559

book as an opportunity this is a real

1582

01:02:21,270 --> 01:02:18,400

phenomena that we should deal with we

1583

01:02:23,349 --> 01:02:21,280

should deal with seriously so is it for

1584

01:02:26,309 --> 01:02:23,359

training purposes or is it enough to

1585

01:02:27,430 --> 01:02:26,319

warrant a ufo education red alert this

1586

01:02:29,910 --> 01:02:27,440

is something that could really happen in

1587

01:02:31,750 --> 01:02:29,920

our lifetime it even asks how do you

1588

01:02:33,349 --> 01:02:31,760

treat injured aliens are first

1589

01:02:35,910 --> 01:02:33,359

responders aware of the potential

1590

01:02:38,069 --> 01:02:35,920

physical injuries some fire chiefs have

1591

01:02:40,150 --> 01:02:38,079

little confidence in disaster plans

1592

01:02:41,670 --> 01:02:40,160

especially those dealing with ufos or

1593

01:02:43,750 --> 01:02:41,680

enemy attack

1594

01:02:45,829 --> 01:02:43,760

we contacted several fire agencies

1595

01:02:48,870 --> 01:02:45,839

regarding this book and some even called

1596

01:02:51,029 --> 01:02:48,880

us however not one admitted to using it

1597

01:02:52,950 --> 01:02:51,039

for training although some are aware it

1598

01:02:54,390 --> 01:02:52,960

exists yeah you know what chris it just

1599

01:02:57,670 --> 01:02:54,400

shows you that

1600

01:03:01,029 --> 01:02:57,680

uh serious professional people

1601

01:03:04,870 --> 01:03:02,710

this whole

1602

01:03:07,430 --> 01:03:04,880

subject of ufos and et's they're

1603

01:03:09,029 --> 01:03:07,440

starting to take this seriously jim mann

1604

01:03:11,109 --> 01:03:09,039

investigates sightings and encounters

1605

01:03:13,670 --> 01:03:11,119

for the mutual ufo network known as

1606

01:03:16,390 --> 01:03:13,680

mufon this is a real threat to this

1607

01:03:18,710 --> 01:03:16,400

planet mufon has its own investigative

1608

01:03:20,870 --> 01:03:18,720

guide seen here publicly for the first

1609

01:03:22,309 --> 01:03:20,880

time and i don't think we're crackpots i

1610

01:03:24,390 --> 01:03:22,319

think that we're just

1611

01:03:26,789 --> 01:03:24,400

people that

1612

01:03:28,390 --> 01:03:26,799

want to be aware of what's going on we

1613

01:03:29,900 --> 01:03:28,400

don't know where we came from we don't

1614

01:03:31,109 --> 01:03:29,910

know where we're going

1615

01:03:33,510 --> 01:03:31,119

[Music]

1616

01:03:35,829 --> 01:03:33,520

and one of the authors of this book says

1617

01:03:38,630 --> 01:03:35,839

many people miss the point regarding

1618

01:03:41,670 --> 01:03:38,640

that chapter in ufos saying previously

1619

01:03:44,230 --> 01:03:41,680

quote whether they exist or not is not

1620

01:03:46,549 --> 01:03:44,240

the issue it's the perceived existence

1621

01:03:48,950 --> 01:03:46,559

which creates the potential for panic

1622

01:03:51,270 --> 01:03:48,960

injury and even death

1623

01:03:54,549 --> 01:03:51,280

reporting live christopher sun abc 15

1624

01:04:00,150 --> 01:03:57,510

yeah so that was pretty cool um within

1625

01:04:02,470 --> 01:04:00,160

the limited time i had to kind of throw

1626
01:04:05,270 --> 01:04:02,480
together this um episode tonight i was

1627
01:04:07,910 --> 01:04:05,280
able to find that new segment um talking

1628
01:04:10,710 --> 01:04:07,920
about helping injured aliens that didn't

1629
01:04:13,670 --> 01:04:10,720
even dawn on me like yeah if a ufo

1630
01:04:15,029 --> 01:04:13,680
crashes we need to help those beings as

1631
01:04:17,829 --> 01:04:15,039
well we have just as much of a

1632
01:04:19,829 --> 01:04:17,839
responsibility to do that as if humans

1633
01:04:22,309 --> 01:04:19,839
got injured oh

1634
01:04:25,270 --> 01:04:22,319
god that didn't even cross my mind um so

1635
01:04:27,829 --> 01:04:25,280
yeah just imagine if we had uh you know

1636
01:04:29,990 --> 01:04:27,839
emts on site when uh the roswell ufo

1637
01:04:31,750 --> 01:04:30,000
crash happened did they help the aliens

1638
01:04:34,630 --> 01:04:31,760

i don't know i don't know that's a

1639

01:04:36,390 --> 01:04:34,640

mystery yet to be fully decoded that's a

1640

01:04:37,430 --> 01:04:36,400

mysterious decoded reference for any of

1641

01:04:39,349 --> 01:04:37,440

you out there

1642

01:04:42,309 --> 01:04:39,359

new season coming

1643

01:04:44,150 --> 01:04:42,319

in the summer i think um anyways i

1644

01:04:46,710 --> 01:04:44,160

thought it was cool that they quoted one

1645

01:04:48,950 --> 01:04:46,720

of the authors of this chapter um and i

1646

01:04:49,990 --> 01:04:48,960

did want to expand on that um the quote

1647

01:04:51,829 --> 01:04:50,000

that he was talking about so i'm going

1648

01:04:54,789 --> 01:04:51,839

to go ahead and read bill cramer one of

1649

01:04:56,870 --> 01:04:54,799

the authors um these are direct quotes

1650

01:04:58,789 --> 01:04:56,880

from him about the chapter

1651

01:05:00,710 --> 01:04:58,799

uh let's see here it is no laughing

1652

01:05:02,870 --> 01:05:00,720

matter many people miss the point of the

1653

01:05:04,950 --> 01:05:02,880

chapter about ufos whether they exist or

1654

01:05:06,630 --> 01:05:04,960

not is not the issue it's the perceived

1655

01:05:08,870 --> 01:05:06,640

existence which creates the potential

1656

01:05:11,270 --> 01:05:08,880

for panic injury and even death i know

1657

01:05:13,510 --> 01:05:11,280

they said that in the new segment um but

1658

01:05:16,630 --> 01:05:13,520

he does expand he says here

1659

01:05:18,710 --> 01:05:16,640

i use the term ufo lit literally to

1660

01:05:21,109 --> 01:05:18,720

refer to any unidentified flying object

1661

01:05:23,430 --> 01:05:21,119

not just to mean an alien spaceship as

1662

01:05:25,589 --> 01:05:23,440

the term is usually associated

1663

01:05:27,589 --> 01:05:25,599

unidentified simply means nobody knows

1664

01:05:29,510 --> 01:05:27,599

what it is but it still scares the hell

1665

01:05:30,950 --> 01:05:29,520

out of people there have been a number

1666

01:05:33,190 --> 01:05:30,960

of incidents over the years that have

1667

01:05:35,910 --> 01:05:33,200

induced panic going back to the famous

1668

01:05:38,230 --> 01:05:35,920

orson welles radio presentation of war

1669

01:05:40,230 --> 01:05:38,240

of the worlds in 1938 when some

1670

01:05:43,990 --> 01:05:40,240

listeners feared that there was a real

1671

01:05:46,309 --> 01:05:44,000

martian or misidentified german attack

1672

01:05:49,109 --> 01:05:46,319

underway and reportedly fled the region

1673

01:05:51,829 --> 01:05:49,119

or took up arms more recent incidents

1674

01:05:55,670 --> 01:05:51,839

include a perceived religious sighting

1675

01:05:57,829 --> 01:05:55,680

in new york that caused traffic problems

1676

01:05:59,910 --> 01:05:57,839

yeah so that comes straight from the

1677

01:06:01,910 --> 01:05:59,920

author of this chapter a lot of this has

1678

01:06:03,910 --> 01:06:01,920

to do with what we are actually going to

1679

01:06:06,710 --> 01:06:03,920

talk about next and that is the panic

1680

01:06:08,150 --> 01:06:06,720

hazard just like he said um

1681

01:06:10,630 --> 01:06:08,160

what happened with war of the worlds we

1682

01:06:13,430 --> 01:06:10,640

don't not want another scenario where if

1683

01:06:15,990 --> 01:06:13,440

this happens and if we do learn that

1684

01:06:17,829 --> 01:06:16,000

ufos have landed and they're

1685

01:06:19,430 --> 01:06:17,839

from another planet or we don't know

1686

01:06:21,430 --> 01:06:19,440

where they're from that people aren't

1687

01:06:24,390 --> 01:06:21,440

freaking out and grabbing arms and going

1688

01:06:26,150 --> 01:06:24,400

out and shooting at the ufos or shooting

1689

01:06:27,990 --> 01:06:26,160

at each other um

1690

01:06:30,230 --> 01:06:28,000

we all have those scenarios in our head

1691

01:06:33,029 --> 01:06:30,240

of how we would react in situations like

1692

01:06:35,589 --> 01:06:33,039

an alien invasion or zombies or or

1693

01:06:37,670 --> 01:06:35,599

anything even a real world terrorist

1694

01:06:39,750 --> 01:06:37,680

attack a lot of us don't know what we

1695

01:06:40,390 --> 01:06:39,760

would do in those situations until we're

1696

01:06:45,670 --> 01:06:40,400

in

1697

01:06:48,789 --> 01:06:45,680

what if aliens were here what if the ufo

1698

01:06:50,470 --> 01:06:48,799

did land what if 20 ufos landed um one

1699

01:06:53,430 --> 01:06:50,480

in every country around the world like a

1700

01:06:55,109 --> 01:06:53,440

rival style like what would we do and

1701
01:06:57,670 --> 01:06:55,119
those are the questions being posed in

1702
01:07:00,870 --> 01:06:57,680
this chapter um so yeah it's pretty cool

1703
01:07:03,589 --> 01:07:00,880
to hear the author say this wasn't like

1704
01:07:05,829 --> 01:07:03,599
a practical joke or it's not worth

1705
01:07:07,910 --> 01:07:05,839
snickering at like we need you guys to

1706
01:07:08,950 --> 01:07:07,920
be prepared if this happens

1707
01:07:09,829 --> 01:07:08,960
that's it

1708
01:07:15,190 --> 01:07:09,839
point

1709
01:07:17,589 --> 01:07:15,200
be a threat um

1710
01:07:19,670 --> 01:07:17,599
let's see what else here

1711
01:07:21,430 --> 01:07:19,680
oh wow yeah more confusion says germs

1712
01:07:22,390 --> 01:07:21,440
bacteria anything could all play a role

1713
01:07:23,430 --> 01:07:22,400

too

1714

01:07:26,230 --> 01:07:23,440

i mean

1715

01:07:29,270 --> 01:07:26,240

you know what if these were alien and

1716

01:07:30,870 --> 01:07:29,280

they came here and they landed and the

1717

01:07:32,710 --> 01:07:30,880

aliens got out

1718

01:07:35,750 --> 01:07:32,720

and immediately

1719

01:07:37,029 --> 01:07:35,760

whatever their biological makeup is is

1720

01:07:39,430 --> 01:07:37,039

so

1721

01:07:42,309 --> 01:07:39,440

dangerous or you know

1722

01:07:44,789 --> 01:07:42,319

uh infectious to us here on earth that

1723

01:07:46,470 --> 01:07:44,799

it causes a pandemic i i don't know like

1724

01:07:49,589 --> 01:07:46,480

but those are things that could happen

1725

01:07:51,029 --> 01:07:49,599

so again we gotta we gotta

1726

01:07:52,710 --> 01:07:51,039

figure out how to deal with that so

1727

01:07:54,470 --> 01:07:52,720

that's such a good point such as such a

1728

01:07:56,870 --> 01:07:54,480

good point

1729

01:07:58,470 --> 01:07:56,880

ethereal aura welcome to the show war of

1730

01:08:00,150 --> 01:07:58,480

the worlds weren't a lot of people

1731

01:08:02,710 --> 01:08:00,160

freaked out they did flood the phone

1732

01:08:04,789 --> 01:08:02,720

lines um but that wasn't uh that wasn't

1733

01:08:05,990 --> 01:08:04,799

that hard in those days very true very

1734

01:08:09,270 --> 01:08:06,000

true

1735

01:08:11,510 --> 01:08:09,280

um let's see here

1736

01:08:13,270 --> 01:08:11,520

looks like we got a couple bots in the

1737

01:08:15,750 --> 01:08:13,280

chat so i'm just cleaning those out

1738

01:08:17,590 --> 01:08:15,760

quick i need to get a moderator in here

1739

01:08:19,829 --> 01:08:17,600

um reach out to me if you guys want to

1740

01:08:22,550 --> 01:08:19,839

be moderators for someone in the skies i

1741

01:08:24,550 --> 01:08:22,560

would love it an alien with a cold could

1742

01:08:26,309 --> 01:08:24,560

wipe out the planet if the strain is

1743

01:08:28,630 --> 01:08:26,319

unresisted

1744

01:08:31,430 --> 01:08:28,640

very true being very very true

1745

01:08:33,030 --> 01:08:31,440

uh let's see what else we have here guys

1746

01:08:35,110 --> 01:08:33,040

um

1747

01:08:38,390 --> 01:08:35,120

and who was it in the chat vast vast

1748

01:08:43,110 --> 01:08:38,400

twilight podcast said page 16 there's

1749

01:08:43,120 --> 01:08:46,470

um

1750

01:08:46,480 --> 01:08:53,269

let's see let's see

1751

01:08:56,870 --> 01:08:55,269

emergency action

1752

01:08:58,470 --> 01:08:56,880

let's go ahead and read this here from

1753

01:09:00,309 --> 01:08:58,480

the chapter in view of the fact that

1754

01:09:02,789 --> 01:09:00,319

many ufologists believe that we are fast

1755

01:09:04,950 --> 01:09:02,799

approaching a time when overt landings

1756

01:09:06,309 --> 01:09:04,960

of ufos will become less remarkable and

1757

01:09:07,910 --> 01:09:06,319

in the absence of our knowing whether

1758

01:09:10,229 --> 01:09:07,920

their visits are

1759

01:09:12,149 --> 01:09:10,239

friendly or hostile it would not be

1760

01:09:14,390 --> 01:09:12,159

remiss to give some thought to the part

1761

01:09:16,950 --> 01:09:14,400

that fire departments might play in the

1762

01:09:19,349 --> 01:09:16,960

event of the unexpected arrival of ufos

1763

01:09:21,590 --> 01:09:19,359

in their communities for example what

1764

01:09:23,510 --> 01:09:21,600

would be your course of action as an

1765

01:09:25,829 --> 01:09:23,520

incident commander at the scene of a

1766

01:09:28,950 --> 01:09:25,839

school ground where a ufo is crashed

1767

01:09:31,749 --> 01:09:28,960

into a boiler room rupturing a fuel line

1768

01:09:33,669 --> 01:09:31,759

and igniting as a gerd in spilling oil

1769

01:09:36,630 --> 01:09:33,679

endangering the occupants of the craft

1770

01:09:38,709 --> 01:09:36,640

who are trapped in the wreckage

1771

01:09:41,110 --> 01:09:38,719

what a scenario that's

1772

01:09:43,910 --> 01:09:41,120

wow i feel like i'm reading a screenplay

1773

01:09:46,470 --> 01:09:43,920

um endangering the occupants if your

1774

01:09:48,390 --> 01:09:46,480

rescue attempts are successful and two

1775

01:09:50,630 --> 01:09:48,400

of the five small alien creatures are

1776

01:09:52,470 --> 01:09:50,640

injured but still alive how do you

1777

01:09:55,270 --> 01:09:52,480

dispose of the dead and treat the

1778

01:09:57,430 --> 01:09:55,280

survivals how would the presence of

1779

01:10:00,550 --> 01:09:57,440

children on the school grounds affect

1780

01:10:03,430 --> 01:10:00,560

your actions what persons and agencies

1781

01:10:04,950 --> 01:10:03,440

would be notified

1782

01:10:07,430 --> 01:10:04,960

that's

1783

01:10:09,910 --> 01:10:07,440

gosh i mean i don't know

1784

01:10:11,830 --> 01:10:09,920

but how to be in that situation i i

1785

01:10:13,669 --> 01:10:11,840

can't even imagine so

1786

01:10:15,590 --> 01:10:13,679

good i'm glad these questions are being

1787

01:10:17,910 --> 01:10:15,600

posed so if it happens they will know

1788

01:10:19,910 --> 01:10:17,920

how to deal with it um

1789

01:10:22,950 --> 01:10:19,920

let me see have to rewatch the first

1790

01:10:24,790 --> 01:10:22,960

hour ethereal yeah go ahead go back and

1791

01:10:25,590 --> 01:10:24,800

watch um we're talking about the chapter

1792

01:10:28,830 --> 01:10:25,600

here

1793

01:10:32,550 --> 01:10:28,840

um in the fire officers manual

1794

01:10:35,830 --> 01:10:32,560

um it's really interesting

1795

01:10:38,310 --> 01:10:35,840

um let's see

1796

01:10:40,470 --> 01:10:38,320

oh they even quote frank edwards his

1797

01:10:42,790 --> 01:10:40,480

book on flying saucers for

1798

01:10:44,550 --> 01:10:42,800

warning quote near approaches of ufos

1799

01:10:47,669 --> 01:10:44,560

can be harmful to human beings do not

1800

01:10:49,990 --> 01:10:47,679

stand under a ufo do not that is

1801
01:10:52,149 --> 01:10:50,000
hovering at low altitude do not touch or

1802
01:10:54,790 --> 01:10:52,159
attempt to touch uh do not touch or

1803
01:10:56,630 --> 01:10:54,800
attempt to touch a ufo that has landed

1804
01:10:59,350 --> 01:10:56,640
in either case the safe thing to do is

1805
01:11:01,590 --> 01:10:59,360
to get away from it very quickly and let

1806
01:11:03,510 --> 01:11:01,600
the military take over there is a

1807
01:11:06,070 --> 01:11:03,520
possibility of radiation

1808
01:11:07,990 --> 01:11:06,080
danger and uh there are known cases

1809
01:11:11,189 --> 01:11:08,000
where persons have been burned by rays

1810
01:11:13,110 --> 01:11:11,199
emanating from ufos don't take chances

1811
01:11:16,550 --> 01:11:13,120
with ufos

1812
01:11:21,590 --> 01:11:19,270
uh in the view of federal law empowering

1813
01:11:23,990 --> 01:11:21,600

nasa's administrator to impound without

1814

01:11:26,229 --> 01:11:24,000

a hearing anyone who touches ufo or its

1815

01:11:27,910 --> 01:11:26,239

occupants it would be inadvisable to

1816

01:11:30,470 --> 01:11:27,920

make personal contact unless you are

1817

01:11:34,470 --> 01:11:30,480

willing to submit to nasa's quarantine

1818

01:11:36,229 --> 01:11:34,480

requirements should the law be invoked

1819

01:11:38,470 --> 01:11:36,239

crazy

1820

01:11:41,669 --> 01:11:38,480

uh they go into jacques valet talking

1821

01:11:43,189 --> 01:11:41,679

about um

1822

01:11:44,950 --> 01:11:43,199

a lot of different things from his book

1823

01:11:47,430 --> 01:11:44,960

invisible college cautions that we

1824

01:11:50,070 --> 01:11:47,440

should consider psychic effects such as

1825

01:11:51,910 --> 01:11:50,080

space-time distortion experienced by

1826

01:11:54,149 --> 01:11:51,920

recipients of craft-like devices which

1827

01:11:57,590 --> 01:11:54,159

appear to fade away dematerialize and

1828

01:11:58,550 --> 01:11:57,600

then reappear of alien strange voices or

1829

01:12:01,030 --> 01:11:58,560

thoughts

1830

01:12:03,430 --> 01:12:01,040

that may affect involuntary changes in

1831

01:12:09,030 --> 01:12:03,440

the manner in which witnesses may react

1832

01:12:12,149 --> 01:12:10,709

wow

1833

01:12:14,310 --> 01:12:12,159

it looks like we're kind of getting to

1834

01:12:16,550 --> 01:12:14,320

the end of the chapter here guys there's

1835

01:12:18,709 --> 01:12:16,560

so much i did not

1836

01:12:21,990 --> 01:12:18,719

talk about that i highly suggest you

1837

01:12:24,870 --> 01:12:22,000

read for yourselves um

1838

01:12:28,390 --> 01:12:26,390

let me go to the chat here see what you

1839

01:12:33,189 --> 01:12:28,400

guys are saying

1840

01:12:37,270 --> 01:12:35,510

uh nicholas says the reference to school

1841

01:12:40,310 --> 01:12:37,280

children brings to mind the south

1842

01:12:43,430 --> 01:12:40,320

african case yes um the zimbabwe rue

1843

01:12:46,149 --> 01:12:43,440

zimbabwe case um that uh

1844

01:12:48,149 --> 01:12:46,159

john mack investigated he actually flew

1845

01:12:50,390 --> 01:12:48,159

all the way to zimbabwe

1846

01:12:52,149 --> 01:12:50,400

days i want to say after that event

1847

01:12:53,990 --> 01:12:52,159

happened in the schoolyard and

1848

01:12:55,830 --> 01:12:54,000

interviewed the children the witnesses

1849

01:12:56,709 --> 01:12:55,840

of that um

1850

01:13:01,910 --> 01:12:56,719

and

1851

01:13:04,390 --> 01:13:01,920

60 school children

1852

01:13:07,189 --> 01:13:04,400

watched as some sort of being or beings

1853

01:13:08,870 --> 01:13:07,199

came out of this craft um kind of walked

1854

01:13:12,070 --> 01:13:08,880

around for a little bit

1855

01:13:14,070 --> 01:13:12,080

um got close up to the children and

1856

01:13:15,830 --> 01:13:14,080

telepathically communicated with them

1857

01:13:17,270 --> 01:13:15,840

and like this all sounds like science

1858

01:13:19,910 --> 01:13:17,280

fiction but

1859

01:13:22,550 --> 01:13:19,920

it's so well documented and so many of

1860

01:13:24,870 --> 01:13:22,560

those child witnesses now as adults

1861

01:13:26,630 --> 01:13:24,880

stick to the story um two of which i've

1862

01:13:28,390 --> 01:13:26,640

spoken to personally and have

1863

01:13:29,830 --> 01:13:28,400

interviewed on someone in the skies

1864

01:13:33,189 --> 01:13:29,840

about the event and how it affected

1865

01:13:36,470 --> 01:13:33,199

their lives um i did recently put one of

1866

01:13:38,229 --> 01:13:36,480

my lectures on um patreon so if you're a

1867

01:13:41,510 --> 01:13:38,239

member of our patreon campaign you can

1868

01:13:44,470 --> 01:13:41,520

watch my my lecture about the human

1869

01:13:46,790 --> 01:13:44,480

uh effects of ufo events and how they

1870

01:13:49,510 --> 01:13:46,800

affect people on every level and i did

1871

01:13:51,110 --> 01:13:49,520

interview one of the witnesses about uh

1872

01:13:55,030 --> 01:13:51,120

how her life was affected dramatically

1873

01:13:57,110 --> 01:13:55,040

by the ruiz zimbabwe uh ufo case and how

1874

01:13:59,430 --> 01:13:57,120

it changed her life uh so yeah you can

1875

01:14:02,950 --> 01:13:59,440

go find that on our patreon right now

1876

01:14:05,669 --> 01:14:02,960

patreon.com summerskies oh i should

1877

01:14:08,630 --> 01:14:05,679

mention while we're on patreon um

1878

01:14:10,310 --> 01:14:08,640

today i released a special episode on

1879

01:14:12,550 --> 01:14:10,320

the main feed of summer in the skies the

1880

01:14:15,910 --> 01:14:12,560

podcast and on right here on the youtube

1881

01:14:17,990 --> 01:14:15,920

channel uh uh four bonus episodes that

1882

01:14:20,390 --> 01:14:18,000

are over on our patreon uh it gives you

1883

01:14:22,310 --> 01:14:20,400

a little taste and example of the bonus

1884

01:14:24,390 --> 01:14:22,320

episodes that i release for patreon

1885

01:14:26,950 --> 01:14:24,400

subscribers uh you also get early

1886

01:14:30,470 --> 01:14:26,960

editions of the main episodes uh you get

1887

01:14:32,630 --> 01:14:30,480

one-on-one chats with me um and a lot of

1888

01:14:34,310 --> 01:14:32,640

other extra content so i wanted to give

1889

01:14:36,630 --> 01:14:34,320

everyone who's not a member a taste of

1890

01:14:38,870 --> 01:14:36,640

what you can expect at the patreon

1891

01:14:40,950 --> 01:14:38,880

campaign so right now you can go listen

1892

01:14:43,110 --> 01:14:40,960

to four of our bonus episodes from

1893

01:14:45,110 --> 01:14:43,120

patreon um right on the main feed of

1894

01:14:47,669 --> 01:14:45,120

somewhere in the sky so yeah i hope you

1895

01:14:50,070 --> 01:14:47,679

will check that out another shameless

1896

01:14:51,220 --> 01:14:50,080

plug

1897

01:14:55,430 --> 01:14:51,230

what is everyone saying

1898

01:14:59,990 --> 01:14:58,149

nicholas says the australian case too

1899

01:15:02,870 --> 01:15:00,000

yes

1900

01:15:04,630 --> 01:15:02,880

yeah so many weird schoolyard

1901

01:15:07,990 --> 01:15:04,640

uh sightings that have happened and

1902

01:15:09,350 --> 01:15:08,000

landing so yeah we need to bring in

1903

01:15:10,390 --> 01:15:09,360

whatever is going to contain the

1904

01:15:13,110 --> 01:15:10,400

situation

1905

01:15:14,870 --> 01:15:13,120

whether it's fire emt police officers

1906

01:15:16,149 --> 01:15:14,880

military uh to figure out what the hell

1907

01:15:19,270 --> 01:15:16,159

is going on because there have been way

1908

01:15:22,149 --> 01:15:19,280

too many school ufo landings for my

1909

01:15:26,149 --> 01:15:24,709

let's see tommy says this ufo chapter

1910

01:15:28,709 --> 01:15:26,159

has more detail than the rest of the

1911

01:15:30,470 --> 01:15:28,719

disaster control chapters put together

1912

01:15:35,510 --> 01:15:30,480

the detail

1913

01:15:38,630 --> 01:15:35,520

ryan i know tommy um again i don't know

1914

01:15:40,709 --> 01:15:38,640

if it's the passion of the writers to

1915

01:15:43,910 --> 01:15:40,719

really get their ufo knowledge out there

1916

01:15:45,590 --> 01:15:43,920

and flex it and get it published somehow

1917

01:15:47,990 --> 01:15:45,600

and it's through one of these manuals

1918

01:15:50,070 --> 01:15:48,000

but i do understand why it's here and

1919

01:15:52,709 --> 01:15:50,080

why it remained in the book because it

1920

01:15:54,950 --> 01:15:52,719

is a scenario that we have to be ready

1921

01:15:56,870 --> 01:15:54,960

for and i did mention this on the air

1922

01:15:58,950 --> 01:15:56,880

force academy episode with dan warren

1923

01:16:01,030 --> 01:15:58,960

and luis simenes that um there's a

1924

01:16:02,630 --> 01:16:01,040

contingency plan for everything

1925

01:16:06,070 --> 01:16:02,640

literally everything we did mention

1926

01:16:09,669 --> 01:16:06,080

zombies there is there are plans set up

1927

01:16:12,790 --> 01:16:09,679

if there is a ufo invasion if there is a

1928

01:16:15,510 --> 01:16:12,800

zombie-like uh infection going on around

1929

01:16:18,229 --> 01:16:15,520

the world or whatnot or or literally the

1930

01:16:21,510 --> 01:16:18,239

dead coming back to to exact revenge or

1931

01:16:23,189 --> 01:16:21,520

eat our brains um there are so many

1932

01:16:25,430 --> 01:16:23,199

things set in place for stuff like this

1933

01:16:27,270 --> 01:16:25,440

so while the chapter doesn't surprise me

1934

01:16:29,669 --> 01:16:27,280

it does surprise me in terms of the

1935

01:16:32,070 --> 01:16:29,679

content and how uh

1936

01:16:34,470 --> 01:16:32,080

descriptive and hypothetical it is and

1937

01:16:35,990 --> 01:16:34,480

what do they know and why is it truly

1938

01:16:38,310 --> 01:16:36,000

here we may never

1939

01:16:41,189 --> 01:16:38,320

never know um

1940

01:16:42,630 --> 01:16:41,199

let me go once again up into the chat um

1941

01:16:44,950 --> 01:16:42,640

so what i think i'm gonna do guys is

1942

01:16:47,270 --> 01:16:44,960

start wrapping things up um we've

1943

01:16:50,550 --> 01:16:47,280

covered enough i highly suggest you go

1944

01:16:54,070 --> 01:16:50,560

read the chapter uh once again um i will

1945

01:16:56,229 --> 01:16:54,080

put the link for it in the show notes um

1946

01:16:57,510 --> 01:16:56,239

but let's go to the conclusions that the

1947

01:16:59,430 --> 01:16:57,520

chapter drew i think that would be

1948

01:17:01,110 --> 01:16:59,440

pretty cool um

1949

01:17:06,709 --> 01:17:01,120

they do have that

1950

01:17:06,719 --> 01:17:12,310

conclusion

1951

01:17:16,229 --> 01:17:14,390

some fire chiefs have little confidence

1952

01:17:19,189 --> 01:17:16,239

in disaster plans especially those

1953

01:17:20,790 --> 01:17:19,199

dealing with ufos or enemy attack if you

1954

01:17:23,189 --> 01:17:20,800

develop a plan that sets forth your

1955

01:17:25,110 --> 01:17:23,199

responsibilities resources organizations

1956

01:17:27,430 --> 01:17:25,120

supplies information telephone numbers

1957

01:17:29,430 --> 01:17:27,440

and special data that will be useful in

1958

01:17:31,830 --> 01:17:29,440

obtaining help in fulfilling your role

1959

01:17:34,310 --> 01:17:31,840

in disaster control commit it to an

1960

01:17:36,550 --> 01:17:34,320

electronic medium a computer with a

1961

01:17:39,350 --> 01:17:36,560

capability for continuous updating

1962

01:17:41,430 --> 01:17:39,360

through modern word processing remember

1963

01:17:43,350 --> 01:17:41,440

this is written in 1992.

1964

01:17:45,189 --> 01:17:43,360

bring it forth when the need requires

1965

01:17:46,870 --> 01:17:45,199

with a good plan good leadership and

1966

01:17:49,830 --> 01:17:46,880

adequate resources

1967

01:17:53,350 --> 01:17:49,840

you may save many lives in any disaster

1968

01:17:54,950 --> 01:17:53,360

including attack from possible enemies

1969

01:17:57,590 --> 01:17:54,960

or ufos

1970

01:17:59,750 --> 01:17:57,600

so yeah again like

1971

01:18:01,830 --> 01:17:59,760

this entire manual

1972

01:18:05,510 --> 01:18:01,840

um is made for

1973

01:18:09,270 --> 01:18:05,520

preparedness in any situation so i think

1974

01:18:10,470 --> 01:18:09,280

it's so cool that once again chapter 13

1975

01:18:11,669 --> 01:18:10,480

in another

1976

01:18:15,270 --> 01:18:11,679

official

1977

01:18:17,189 --> 01:18:15,280

book manual textbook um

1978

01:18:20,870 --> 01:18:17,199

is about ufos and i thought it was so

1979

01:18:22,709 --> 01:18:20,880

cool that this came to my attention um

1980

01:18:24,790 --> 01:18:22,719

literally within weeks of dan warren

1981

01:18:26,550 --> 01:18:24,800

putting out this air force academy thing

1982

01:18:29,590 --> 01:18:26,560

um which is so

1983

01:18:31,590 --> 01:18:29,600

cool i'm sure there are so many other

1984

01:18:33,350 --> 01:18:31,600

books and flyers and pamphlets that

1985

01:18:35,510 --> 01:18:33,360

military branches have put out

1986

01:18:38,229 --> 01:18:35,520

throughout the years i know isaac coy

1987

01:18:41,270 --> 01:18:38,239

the the ufo researcher has highlighted

1988

01:18:43,590 --> 01:18:41,280

some of those kirk collins as well um in

1989

01:18:45,990 --> 01:18:43,600

their work so i'm going to seek those

1990

01:18:48,709 --> 01:18:46,000

out and see what else is out there on

1991

01:18:51,590 --> 01:18:48,719

ufos but i thought this is really cool i

1992

01:18:53,510 --> 01:18:51,600

was really happy to have nick and and

1993

01:18:54,950 --> 01:18:53,520

other people in the chat talking about

1994

01:18:57,350 --> 01:18:54,960

their experiences with this kind of

1995

01:18:59,030 --> 01:18:57,360

stuff hello cosmic kev

1996

01:19:01,110 --> 01:18:59,040

welcome to the show we're just wrapping

1997

01:19:02,550 --> 01:19:01,120

things up but take a look back at what

1998

01:19:04,630 --> 01:19:02,560

we've been talking about tonight it was

1999

01:19:06,070 --> 01:19:04,640

a lot of fun um

2000

01:19:08,630 --> 01:19:06,080

let's see

2001
01:19:10,550 --> 01:19:08,640
um bn says basically saying some people

2002
01:19:13,189 --> 01:19:10,560
refuse to take the serious so here's who

2003
01:19:15,990 --> 01:19:13,199
to call yeah and again like this was the

2004
01:19:17,910 --> 01:19:16,000
whole issue with um the stigma attached

2005
01:19:19,910 --> 01:19:17,920
to reporting ufos in the military and

2006
01:19:23,110 --> 01:19:19,920
it's been that way for many years and

2007
01:19:25,030 --> 01:19:23,120
that is changing the pentagon the uap

2008
01:19:25,990 --> 01:19:25,040
task force the department of defense is

2009
01:19:28,470 --> 01:19:26,000
saying

2010
01:19:30,870 --> 01:19:28,480
report these things we need to shed the

2011
01:19:32,790 --> 01:19:30,880
ridicule in reporting ufos we're not

2012
01:19:34,709 --> 01:19:32,800
going to put you on desk duty we're not

2013
01:19:36,790 --> 01:19:34,719

going to make fun of you these could be

2014

01:19:39,030 --> 01:19:36,800

a potential threat to national security

2015

01:19:41,270 --> 01:19:39,040

and we need to know about them please

2016

01:19:42,550 --> 01:19:41,280

report them so

2017

01:19:45,590 --> 01:19:42,560

i think it's the same with something

2018

01:19:47,110 --> 01:19:45,600

like this like it's funny to think oh

2019

01:19:49,189 --> 01:19:47,120

little green men and

2020

01:19:50,390 --> 01:19:49,199

flying saucers and this and that but at

2021

01:19:52,470 --> 01:19:50,400

the end of the day like

2022

01:19:54,790 --> 01:19:52,480

this could happen and even if it's not

2023

01:19:56,630 --> 01:19:54,800

aliens if we don't know who it is or why

2024

01:19:58,950 --> 01:19:56,640

it's happening uh it could be a big

2025

01:19:59,990 --> 01:19:58,960

problem and it could be a threat and

2026

01:20:03,750 --> 01:20:00,000

our

2027

01:20:05,510 --> 01:20:03,760

and to help us and save us

2028

01:20:07,350 --> 01:20:05,520

they need to know how to deal with it so

2029

01:20:09,590 --> 01:20:07,360

i think it's pretty cool that this

2030

01:20:11,910 --> 01:20:09,600

chapter is out there you could buy the

2031

01:20:14,870 --> 01:20:11,920

textbook like i said still just type

2032

01:20:17,510 --> 01:20:14,880

the title into um amazon it should pop

2033

01:20:20,390 --> 01:20:17,520

up um but if

2034

01:20:22,390 --> 01:20:20,400

there is nothing else guys um

2035

01:20:26,229 --> 01:20:22,400

you can ask me some questions here as we

2036

01:20:28,390 --> 01:20:26,239

wrap things up um i'm going to just

2037

01:20:30,709 --> 01:20:28,400

leave it at that check it out check out

2038

01:20:33,350 --> 01:20:30,719

the chapter um let me know what you

2039

01:20:36,070 --> 01:20:33,360

think in the comments after this live

2040

01:20:37,590 --> 01:20:36,080

stream uh comments will be open i'd love

2041

01:20:40,310 --> 01:20:37,600

to hear what you think what you found

2042

01:20:42,310 --> 01:20:40,320

most interesting about the chapter and

2043

01:20:45,030 --> 01:20:42,320

maybe we'll have to have a follow-up um

2044

01:20:47,590 --> 01:20:45,040

maybe we will find some firefighters or

2045

01:20:49,830 --> 01:20:47,600

people who actually did come across this

2046

01:20:51,030 --> 01:20:49,840

chapter and i would love love love to

2047

01:20:54,070 --> 01:20:51,040

hear their thoughts on what they thought

2048

01:20:55,910 --> 01:20:54,080

about it um so yeah someone in the chat

2049

01:20:58,470 --> 01:20:55,920

also mentioned the references in this

2050

01:20:59,590 --> 01:20:58,480

appendix here it is an incredible

2051
01:21:02,229 --> 01:20:59,600
resource

2052
01:21:05,270 --> 01:21:02,239
of um things to do with

2053
01:21:07,350 --> 01:21:05,280
ufos and um

2054
01:21:09,270 --> 01:21:07,360
chemical warfare

2055
01:21:11,830 --> 01:21:09,280
nuclear weapons

2056
01:21:13,270 --> 01:21:11,840
just a litany of different things so

2057
01:21:15,750 --> 01:21:13,280
it's obvious that the writers of the

2058
01:21:18,709 --> 01:21:15,760
chapter did their homework it's very

2059
01:21:20,790 --> 01:21:18,719
clear on that um so again

2060
01:21:23,830 --> 01:21:20,800
i'm seeing the word ufo and blue book

2061
01:21:26,550 --> 01:21:23,840
pop up everywhere in here so cool oh

2062
01:21:30,229 --> 01:21:26,560
stan friedman's name cosmic watergate

2063
01:21:32,870 --> 01:21:30,239

rest in peace my friend rest in peace

2064

01:21:34,629 --> 01:21:32,880

i'm gonna be replaying my

2065

01:21:36,310 --> 01:21:34,639

episode number 50 of somewhere in the

2066

01:21:38,550 --> 01:21:36,320

skies um

2067

01:21:40,870 --> 01:21:38,560

in a few months on the anniversary of

2068

01:21:43,510 --> 01:21:40,880

stan friedman's death uh i'm gonna do a

2069

01:21:45,590 --> 01:21:43,520

replay of my interview with him um an

2070

01:21:48,390 --> 01:21:45,600

interview that just changed my life and

2071

01:21:50,870 --> 01:21:48,400

i was so honored to have and so nervous

2072

01:21:52,629 --> 01:21:50,880

to conduct um so yeah if you haven't

2073

01:21:54,310 --> 01:21:52,639

heard that episode you'll get to hear it

2074

01:21:55,830 --> 01:21:54,320

again um in a couple months and

2075

01:21:57,590 --> 01:21:55,840

somewhere in the skies i'm going to

2076

01:21:58,950 --> 01:21:57,600

replay it for you guys with some

2077

01:22:00,550 --> 01:21:58,960

commentary

2078

01:22:03,110 --> 01:22:00,560

um

2079

01:22:03,910 --> 01:22:03,120

let's see here oh i wasn't even showing

2080

01:22:06,310 --> 01:22:03,920

you

2081

01:22:08,149 --> 01:22:06,320

ugh the references i'm sorry

2082

01:22:10,070 --> 01:22:08,159

just you're just staring at my mug the

2083

01:22:11,270 --> 01:22:10,080

whole time yeah so they do have a big

2084

01:22:12,950 --> 01:22:11,280

appendix

2085

01:22:16,149 --> 01:22:12,960

um

2086

01:22:24,149 --> 01:22:18,310

really cool

2087

01:22:28,470 --> 01:22:26,390

that's about it guys

2088

01:22:30,870 --> 01:22:28,480

i'm hyper scrolling to the top to get

2089

01:22:35,830 --> 01:22:30,880

back to the uh

2090

01:22:38,790 --> 01:22:36,950

there it is

2091

01:22:40,229 --> 01:22:38,800

the fire officer's guide to disaster

2092

01:22:43,270 --> 01:22:40,239

control

2093

01:22:45,510 --> 01:22:43,280

check it out online i'm glad that you um

2094

01:22:48,149 --> 01:22:45,520

followed me on this fun journey tonight

2095

01:22:50,790 --> 01:22:48,159

of exploration thank you tommy thank you

2096

01:22:53,590 --> 01:22:50,800

uh thank you to bn thank you to everyone

2097

01:22:55,990 --> 01:22:53,600

in the chat um thank you again to vest

2098

01:22:58,229 --> 01:22:56,000

twilight for the super super chat buddy

2099

01:22:59,830 --> 01:22:58,239

enjoyed it we are almos we are all

2100

01:23:01,750 --> 01:22:59,840

musicians at the podcast and have

2101
01:23:03,270 --> 01:23:01,760
friends that play on broadway as well we

2102
01:23:05,510 --> 01:23:03,280
get it it's a kick in the head for the

2103
01:23:08,229 --> 01:23:05,520
arts to be affected again it really is

2104
01:23:10,790 --> 01:23:08,239
man i'm glad you uh you can uh relate

2105
01:23:13,510 --> 01:23:10,800
and um yeah again like i'm just a

2106
01:23:15,270 --> 01:23:13,520
bartender on broadway but it does affect

2107
01:23:18,870 --> 01:23:15,280
me it's my livelihood and the fact that

2108
01:23:21,590 --> 01:23:18,880
we are now closed again um it sucks the

2109
01:23:24,470 --> 01:23:21,600
shows are still happening um but my job

2110
01:23:27,189 --> 01:23:24,480
personally as a bartender uh

2111
01:23:29,430 --> 01:23:27,199
is non-existent um so it sucks i feel

2112
01:23:31,590 --> 01:23:29,440
kind of like the kid left out

2113
01:23:34,550 --> 01:23:31,600

in gym class while the rest get to go

2114

01:23:36,390 --> 01:23:34,560

play and have fun um i'm i'm stuck here

2115

01:23:38,790 --> 01:23:36,400

but there's nothing i would rather be

2116

01:23:41,510 --> 01:23:38,800

doing if i'm not working than talking

2117

01:23:43,270 --> 01:23:41,520

about ufos so this was you guys you

2118

01:23:46,070 --> 01:23:43,280

really helped me tonight you're making

2119

01:23:48,229 --> 01:23:46,080

me feel like uh like it's all worth it

2120

01:23:50,310 --> 01:23:48,239

and um that we can have really fun

2121

01:23:51,990 --> 01:23:50,320

discussions about stuff like this again

2122

01:23:54,310 --> 01:23:52,000

this isn't gonna change anything it's

2123

01:23:57,270 --> 01:23:54,320

not gonna change anyone's minds on ufos

2124

01:24:00,709 --> 01:23:57,280

it's been talked about before um it is

2125

01:24:02,470 --> 01:24:00,719

not a revelation um but i just

2126

01:24:05,590 --> 01:24:02,480

discovered it so it's a revelation for

2127

01:24:07,910 --> 01:24:05,600

me so let me live it let you out there

2128

01:24:09,510 --> 01:24:07,920

who didn't know about it live it um

2129

01:24:12,149 --> 01:24:09,520

shane who brought this to my attention

2130

01:24:14,310 --> 01:24:12,159

let him live it and um just

2131

01:24:16,790 --> 01:24:14,320

have fun have fun with this topic while

2132

01:24:20,229 --> 01:24:16,800

this is serious about emergencies and

2133

01:24:22,870 --> 01:24:20,239

hazards and and and stuff like that like

2134

01:24:25,669 --> 01:24:22,880

take some solace in knowing that this is

2135

01:24:27,830 --> 01:24:25,679

crazy there's manuals and textbooks out

2136

01:24:29,910 --> 01:24:27,840

there having to do with ufos i believe

2137

01:24:32,149 --> 01:24:29,920

it's the university of michigan who is

2138

01:24:34,470 --> 01:24:32,159

putting a ufo course online within the

2139

01:24:36,790 --> 01:24:34,480

next couple weeks um go to my twitter

2140

01:24:38,470 --> 01:24:36,800

account at summerskies i do have a link

2141

01:24:41,030 --> 01:24:38,480

to the course you can watch the online

2142

01:24:43,910 --> 01:24:41,040

version of it um it's one of my last few

2143

01:24:46,470 --> 01:24:43,920

tweets so go to at summerskies on

2144

01:24:48,550 --> 01:24:46,480

twitter follow us there for the podcast

2145

01:24:51,110 --> 01:24:48,560

and um yeah go

2146

01:24:53,270 --> 01:24:51,120

university of michigan um we are seeing

2147

01:24:55,189 --> 01:24:53,280

ufo courses pop up in universities all

2148

01:24:57,510 --> 01:24:55,199

over the country and presumably the

2149

01:24:59,750 --> 01:24:57,520

world as well not just the united states

2150

01:25:02,070 --> 01:24:59,760

um so yeah yeah i look forward to more

2151

01:25:05,990 --> 01:25:02,080

ufo courses being taught in school as

2152

01:25:06,870 --> 01:25:06,000

well in every way shape and form

2153

01:25:08,390 --> 01:25:06,880

um

2154

01:25:09,750 --> 01:25:08,400

thanks ryan love the live stream would

2155

01:25:12,709 --> 01:25:09,760

love to see more of them i'm going to

2156

01:25:15,510 --> 01:25:12,719

try i got the time if i can do it i'm

2157

01:25:17,990 --> 01:25:15,520

gonna do it um it's obvious you guys dig

2158

01:25:20,070 --> 01:25:18,000

it uh with our amount of views and

2159

01:25:21,590 --> 01:25:20,080

everything so i appreciate that i

2160

01:25:23,990 --> 01:25:21,600

appreciate you taking time out of your

2161

01:25:26,550 --> 01:25:24,000

night to listen to me babble on about

2162

01:25:29,030 --> 01:25:26,560

this stuff and um i love having you

2163

01:25:32,310 --> 01:25:29,040

involved so if any of you want to become

2164

01:25:34,390 --> 01:25:32,320

moderators please reach out to me um if

2165

01:25:36,070 --> 01:25:34,400

you want to hop on the show and talk

2166

01:25:37,430 --> 01:25:36,080

about this stuff with me i'm always

2167

01:25:39,750 --> 01:25:37,440

willing to do that

2168

01:25:42,149 --> 01:25:39,760

you can contact me through the website

2169

01:25:44,470 --> 01:25:42,159

to set something up like that uh just go

2170

01:25:46,470 --> 01:25:44,480

to somewhere in the skies dot com and go

2171

01:25:48,390 --> 01:25:46,480

to the contact tab and don't be afraid

2172

01:25:51,430 --> 01:25:48,400

to reach out to me um that goes for if

2173

01:25:53,590 --> 01:25:51,440

you've had a ufo sighting as well um if

2174

01:25:55,590 --> 01:25:53,600

you want to be featured on an upcoming

2175

01:25:57,510 --> 01:25:55,600

witness accounts episode of the show

2176
01:25:59,669 --> 01:25:57,520
where i literally have you come on and

2177
01:26:01,830 --> 01:25:59,679
talk about your ufo sightings in your

2178
01:26:04,229 --> 01:26:01,840
own words i'm not there it's just you

2179
01:26:06,470 --> 01:26:04,239
recording it sending it to me and i play

2180
01:26:08,470 --> 01:26:06,480
it with others as well um you can use

2181
01:26:10,709 --> 01:26:08,480
your name or you don't have to

2182
01:26:12,709 --> 01:26:10,719
uh it's a chance for you to get it off

2183
01:26:14,709 --> 01:26:12,719
your chest and talk about it with people

2184
01:26:15,830 --> 01:26:14,719
who understand what you've been through

2185
01:26:17,990 --> 01:26:15,840
and um

2186
01:26:19,830 --> 01:26:18,000
and like hearing about this stuff the

2187
01:26:21,669 --> 01:26:19,840
more people who talk about it the more

2188
01:26:23,990 --> 01:26:21,679

normal it becomes and we're living in an

2189

01:26:26,310 --> 01:26:24,000

age where this topic is being accepted

2190

01:26:27,350 --> 01:26:26,320

more than ever before so

2191

01:26:29,669 --> 01:26:27,360

feel

2192

01:26:32,790 --> 01:26:29,679

fortunate that we're living in a time

2193

01:26:34,149 --> 01:26:32,800

now where we can talk about ufos for an

2194

01:26:35,270 --> 01:26:34,159

hour and a half

2195

01:26:37,590 --> 01:26:35,280

and um

2196

01:26:39,830 --> 01:26:37,600

most people aren't laughing about it and

2197

01:26:43,430 --> 01:26:39,840

we've come a long way we truly truly

2198

01:26:45,590 --> 01:26:43,440

have so i appreciate everyone who um is

2199

01:26:48,390 --> 01:26:45,600

in this journey with me to try to find

2200

01:26:50,790 --> 01:26:48,400

the truth about ufos um

2201

01:26:52,950 --> 01:26:50,800

none of us are experts none of us truly

2202

01:26:56,149 --> 01:26:52,960

know what's going on and those who say

2203

01:26:57,430 --> 01:26:56,159

they do know what's going on

2204

01:26:58,550 --> 01:26:57,440

those aren't the people you want to be

2205

01:27:00,870 --> 01:26:58,560

listening to

2206

01:27:03,350 --> 01:27:00,880

this is a constant journey of learning

2207

01:27:05,510 --> 01:27:03,360

um the phenomena seems to always be two

2208

01:27:07,750 --> 01:27:05,520

steps ahead of us but maybe one day

2209

01:27:09,830 --> 01:27:07,760

it'll be one step and then maybe we will

2210

01:27:12,709 --> 01:27:09,840

be in step with it

2211

01:27:14,229 --> 01:27:12,719

soon i can't tell you but um

2212

01:27:16,390 --> 01:27:14,239

if it doesn't happen in my lifetime i

2213

01:27:17,830 --> 01:27:16,400

hope it happens to my kids for sure um

2214

01:27:18,950 --> 01:27:17,840

but i think i'm going to wrap it up

2215

01:27:21,430 --> 01:27:18,960

there guys

2216

01:27:23,590 --> 01:27:21,440

um i'm with you brother thank you

2217

01:27:25,270 --> 01:27:23,600

thank you bien says it's an amazing to

2218

01:27:26,950 --> 01:27:25,280

have a normal discussion on it it truly

2219

01:27:29,110 --> 01:27:26,960

is so

2220

01:27:31,270 --> 01:27:29,120

with that guys um check out ancient

2221

01:27:32,390 --> 01:27:31,280

aliens tomorrow night friday at 9 p.m on

2222

01:27:36,070 --> 01:27:32,400

the history channel

2223

01:27:38,550 --> 01:27:36,080

uh i will be featured in that episode um

2224

01:27:41,189 --> 01:27:38,560

and other than that you can catch the

2225

01:27:43,430 --> 01:27:41,199

podcast every monday uh wherever you get

2226

01:27:45,990 --> 01:27:43,440

podcasts um make sure you're subscribed

2227

01:27:47,510 --> 01:27:46,000

to the youtube channel right here and uh

2228

01:27:49,590 --> 01:27:47,520

turn on notifications you'll be the

2229

01:27:50,470 --> 01:27:49,600

first to know when new videos come out

2230

01:27:52,310 --> 01:27:50,480

um

2231

01:27:55,270 --> 01:27:52,320

like the video share it

2232

01:27:57,669 --> 01:27:55,280

and uh that's all i can ask of you so um

2233

01:28:00,470 --> 01:27:57,679

from me to you have a wonderful

2234

01:28:03,030 --> 01:28:00,480

wonderful night have a good weekend to

2235

01:28:05,350 --> 01:28:03,040

all of you out there and um i will leave

2236

01:28:07,110 --> 01:28:05,360

you as always with our motto here at

2237

01:28:08,390 --> 01:28:07,120

somewhere in the skies but before i do

2238

01:28:10,229 --> 01:28:08,400

that it looks like we have someone new

2239

01:28:11,669 --> 01:28:10,239

here right ahead hey ryan this is the

2240

01:28:13,510 --> 01:28:11,679

first time catching you live i love your

2241

01:28:15,830 --> 01:28:13,520

work hopefully you get back on broadway

2242

01:28:18,790 --> 01:28:15,840

soon thank you i truly truly appreciate

2243

01:28:20,390 --> 01:28:18,800

that i really do tim f good stream

2244

01:28:22,550 --> 01:28:20,400

thanks tim thanks for being here brother

2245

01:28:24,310 --> 01:28:22,560

you're always here to support and i

2246

01:28:25,350 --> 01:28:24,320

really really appreciate that morkavi

2247

01:28:27,270 --> 01:28:25,360

studio

2248

01:28:31,110 --> 01:28:27,280

all of you all of you in the chat nick

2249

01:28:32,229 --> 01:28:31,120

rossler cosmic kev ethereal aura

2250

01:28:33,750 --> 01:28:32,239

tommy

2251

01:28:36,229 --> 01:28:33,760

um

2252

01:28:38,790 --> 01:28:36,239

tukas i hope i'm saying that right if

2253

01:28:41,510 --> 01:28:38,800

i'm not i do apologize bn

2254

01:28:43,350 --> 01:28:41,520

um who else do we have fun size phil

2255

01:28:44,709 --> 01:28:43,360

nick um

2256

01:28:47,189 --> 01:28:44,719

ah nick

2257

01:28:49,270 --> 01:28:47,199

uh nat nat is here as well thank you

2258

01:28:51,910 --> 01:28:49,280

guys thank you to everyone um i could

2259

01:28:54,629 --> 01:28:51,920

say names all night i really could i

2260

01:28:56,310 --> 01:28:54,639

really appreciate all the support um so

2261

01:28:58,390 --> 01:28:56,320

if you want to further support somewhere

2262

01:29:00,470 --> 01:28:58,400

in the skies you can leave a super chat

2263

01:29:03,189 --> 01:29:00,480

or a super sticker on your way out or

2264

01:29:05,189 --> 01:29:03,199

you can join the patreon campaign for a

2265

01:29:08,550 --> 01:29:05,199

ton of bonus content that's just

2266

01:29:11,189 --> 01:29:08,560

patreon.com somewhereskies and that's it

2267

01:29:13,430 --> 01:29:11,199

guys i'm going to say good night after

2268

01:29:16,070 --> 01:29:13,440

i've said that 10 times already thank

2269

01:29:18,070 --> 01:29:16,080

you for joining me tonight and as always

2270

01:29:29,590 --> 01:29:18,080

keep your feet on the ground but never

2271

01:29:34,360 --> 01:29:32,550

this is somewhere in the skies with ryan
