

# SOMEWHERE IN THE SKIES

**MEDIA BIAS IN UFO COVERAGE  
WITH RICHARD DOLAN**

1  
00:00:00,000 --> 00:00:09,589

[Music]

2  
00:00:14,910 --> 00:00:12,470

this is somewhere in the skies with ryan

3  
00:00:30,150 --> 00:00:14,920

sprague

4  
00:00:32,790 --> 00:00:30,160

[Music]

5  
00:00:35,430 --> 00:00:32,800

guys i'm super excited and honored to

6  
00:00:38,150 --> 00:00:35,440

have as my first guest on the podcast

7  
00:00:40,630 --> 00:00:38,160

author and historian richard dolan

8  
00:00:42,470 --> 00:00:40,640

uh i thought it appropriate he published

9  
00:00:45,029 --> 00:00:42,480

my book to have him on the actual

10  
00:00:47,510 --> 00:00:45,039

podcast based around that so rich thank

11  
00:00:50,150 --> 00:00:47,520

you so much for joining me today man

12  
00:00:52,229 --> 00:00:50,160

hi ryan oh it's so i'm so happy to be

13  
00:00:53,510 --> 00:00:52,239

your guest and um i didn't realize i was

14

00:00:55,430 --> 00:00:53,520

going to be your first guest so that's

15

00:00:57,029 --> 00:00:55,440

even that's even nicer for me but it's

16

00:00:59,270 --> 00:00:57,039

it's an honor and i'm happy to be here

17

00:01:01,510 --> 00:00:59,280

with you well thanks man so

18

00:01:03,029 --> 00:01:01,520

well the real reason i wanted to have

19

00:01:06,310 --> 00:01:03,039

you on as the first guest to talk to you

20

00:01:07,109 --> 00:01:06,320

today was because recently i attended a

21

00:01:09,270 --> 00:01:07,119

uh

22

00:01:12,149 --> 00:01:09,280

a presentation you gave and i don't

23

00:01:14,390 --> 00:01:12,159

really want to discuss the ufo reality

24

00:01:15,510 --> 00:01:14,400

or question i think we're past that at

25

00:01:18,070 --> 00:01:15,520

this point

26

00:01:20,390 --> 00:01:18,080

in some ways but to really kind of get a

27

00:01:23,990 --> 00:01:20,400

sense of the perception of the topic

28

00:01:27,109 --> 00:01:24,000

from the mainstream media and uh you

29

00:01:30,469 --> 00:01:27,119

recently had a talk called media bias in

30

00:01:32,630 --> 00:01:30,479

ufo coverage culture policy or something

31

00:01:34,469 --> 00:01:32,640

else can you sort of run us through that

32

00:01:36,310 --> 00:01:34,479

talk and what it entailed

33

00:01:38,870 --> 00:01:36,320

absolutely um

34

00:01:40,789 --> 00:01:38,880

you know i was inspired to do this first

35

00:01:41,510 --> 00:01:40,799

of all i've always been interested in

36

00:01:43,670 --> 00:01:41,520

the

37

00:01:45,670 --> 00:01:43,680

relationship of media mainstream media

38

00:01:47,190 --> 00:01:45,680

to the ufo subject

39

00:01:48,230 --> 00:01:47,200

i'm interested in mainstream media in

40

00:01:49,590 --> 00:01:48,240

general

41

00:01:51,350 --> 00:01:49,600

um

42

00:01:53,429 --> 00:01:51,360

years ago when i broke into this field

43

00:01:55,749 --> 00:01:53,439

my first book was published at around

44

00:01:57,109 --> 00:01:55,759

the same time as another book

45

00:01:59,510 --> 00:01:57,119

by a man who became a very good friend

46

00:02:00,709 --> 00:01:59,520

of mine terry hansen who has since

47

00:02:02,870 --> 00:02:00,719

deceased

48

00:02:05,270 --> 00:02:02,880

terry wrote a very excellent book a

49

00:02:06,230 --> 00:02:05,280

classic i would say called the missing

50

00:02:09,270 --> 00:02:06,240

times

51  
00:02:10,389 --> 00:02:09,280  
subtitled um media complicity in the ufo

52  
00:02:11,830 --> 00:02:10,399  
cover-up

53  
00:02:13,350 --> 00:02:11,840  
our books were sort of like bookends

54  
00:02:15,110 --> 00:02:13,360  
with each other i wrote ufos in the

55  
00:02:16,630 --> 00:02:15,120  
national security state he wrote that i

56  
00:02:17,910 --> 00:02:16,640  
was dealing with the political aspects

57  
00:02:20,710 --> 00:02:17,920  
of the cover-up and he was dealing with

58  
00:02:22,150 --> 00:02:20,720  
the media aspects of the cover-up we had

59  
00:02:23,510 --> 00:02:22,160  
a very similar approach and we became

60  
00:02:24,869 --> 00:02:23,520  
friends

61  
00:02:27,589 --> 00:02:24,879  
and um

62  
00:02:30,470 --> 00:02:27,599  
terry didn't write any other books in

63  
00:02:32,309 --> 00:02:30,480

this field but he did he did some

64

00:02:34,949 --> 00:02:32,319

lectures and presentations and we always

65

00:02:36,949 --> 00:02:34,959

stayed in touch until he died

66

00:02:38,710 --> 00:02:36,959

and um i miss him he's he's an old

67

00:02:40,550 --> 00:02:38,720

friend of mine and i realized you know

68

00:02:42,630 --> 00:02:40,560

his work and my work are so compatible

69

00:02:45,509 --> 00:02:42,640

and there really was no one

70

00:02:47,670 --> 00:02:45,519

to my knowledge doing detailed

71

00:02:49,589 --> 00:02:47,680

media analysis of the ufo subject i

72

00:02:50,949 --> 00:02:49,599

thought i would like to do what uh do

73

00:02:52,550 --> 00:02:50,959

one

74

00:02:54,070 --> 00:02:52,560

for the the phoenix conference the

75

00:02:55,589 --> 00:02:54,080

international ufo

76

00:02:58,149 --> 00:02:55,599

congress that we did

77

00:03:00,070 --> 00:02:58,159

and so that's why i did it when you look

78

00:03:02,149 --> 00:03:00,080

at media

79

00:03:03,430 --> 00:03:02,159

and i really wanted to bring his

80

00:03:04,790 --> 00:03:03,440

that whole approach up to date

81

00:03:06,229 --> 00:03:04,800

incidentally and that's what i tried to

82

00:03:07,670 --> 00:03:06,239

do with this

83

00:03:09,030 --> 00:03:07,680

um

84

00:03:11,830 --> 00:03:09,040

a couple of things that you notice about

85

00:03:13,830 --> 00:03:11,840

mainstream media uh before we even get

86

00:03:15,270 --> 00:03:13,840

into ufos is

87

00:03:17,589 --> 00:03:15,280

it's interesting because we went through

88

00:03:21,589 --> 00:03:17,599

the whole election of 20 in 2016 and now

89

00:03:23,509 --> 00:03:21,599

in 2017 and media itself is a story

90

00:03:25,589 --> 00:03:23,519

we hear everyone talking about so-called

91

00:03:26,390 --> 00:03:25,599

fake news and

92

00:03:28,070 --> 00:03:26,400

um

93

00:03:31,270 --> 00:03:28,080

and you know there's lots of ways to

94

00:03:33,670 --> 00:03:31,280

look at this fake news phenomenon

95

00:03:35,830 --> 00:03:33,680

my perspective on it is that the

96

00:03:38,390 --> 00:03:35,840

corporate mainstream media itself is the

97

00:03:39,589 --> 00:03:38,400

primary conveyor and purveyor of fake

98

00:03:41,750 --> 00:03:39,599

news

99

00:03:44,149 --> 00:03:41,760

and i say this not siding with any one

100

00:03:46,949 --> 00:03:44,159

particular political party here

101  
00:03:50,070 --> 00:03:46,959  
but i have been looking at cnn and msnbc

102  
00:03:52,789 --> 00:03:50,080  
and fox and uh pbs

103  
00:03:55,110 --> 00:03:52,799  
and really all of these large

104  
00:03:57,670 --> 00:03:55,120  
corporate dominated uh intelligence

105  
00:03:58,550 --> 00:03:57,680  
community dominated um sources of news

106  
00:04:00,550 --> 00:03:58,560  
as

107  
00:04:02,390 --> 00:04:00,560  
purveyors of fake news

108  
00:04:03,910 --> 00:04:02,400  
and i don't think that i'm simply uh

109  
00:04:05,350 --> 00:04:03,920  
speaking hyperbole i think that there's

110  
00:04:07,110 --> 00:04:05,360  
a lot of facts to back this up and i

111  
00:04:10,550 --> 00:04:07,120  
tried to present some of those during my

112  
00:04:12,630 --> 00:04:10,560  
my talk one of the things that um

113  
00:04:13,910 --> 00:04:12,640

was important for me is just to mention

114

00:04:16,069 --> 00:04:13,920

to people that not only is the

115

00:04:17,670 --> 00:04:16,079

mainstream media not your friend or my

116

00:04:18,949 --> 00:04:17,680

my friend i mean it lies it spins its

117

00:04:21,189 --> 00:04:18,959

sensors

118

00:04:23,590 --> 00:04:21,199

it's owned by just a few very sm

119

00:04:25,350 --> 00:04:23,600

powerful corporations it is merged with

120

00:04:26,950 --> 00:04:25,360

the popular culture entertainment

121

00:04:28,629 --> 00:04:26,960

industry it cooperates with the

122

00:04:29,909 --> 00:04:28,639

intelligence community all of this is

123

00:04:32,390 --> 00:04:29,919

known

124

00:04:33,670 --> 00:04:32,400

people often don't

125

00:04:35,270 --> 00:04:33,680

recognize this they don't pay attention

126

00:04:37,510 --> 00:04:35,280

they don't know their history but the

127

00:04:40,390 --> 00:04:37,520

mainstream media has cooperated with us

128

00:04:43,030 --> 00:04:40,400

intelligence for decades and generations

129

00:04:44,790 --> 00:04:43,040

still does but it also makes us sick and

130

00:04:46,629 --> 00:04:44,800

i mean physically it makes us sick and

131

00:04:47,830 --> 00:04:46,639

intellectually um emotionally it makes

132

00:04:48,710 --> 00:04:47,840

us sick

133

00:04:50,230 --> 00:04:48,720

um

134

00:04:53,189 --> 00:04:50,240

and this is not just me saying it i mean

135

00:04:55,590 --> 00:04:53,199

there are mainstream articles themselves

136

00:04:57,189 --> 00:04:55,600

saying that the selection is making us

137

00:04:59,670 --> 00:04:57,199

sick literally making us sick i have a

138

00:05:00,870 --> 00:04:59,680

buzzfeed article i remembered uh reading

139

00:05:03,909 --> 00:05:00,880

and

140

00:05:06,150 --> 00:05:03,919

that talked about how news is bad for

141

00:05:09,029 --> 00:05:06,160

you like truly news is bad for you and i

142

00:05:10,390 --> 00:05:09,039

thought to myself why would it be

143

00:05:13,029 --> 00:05:10,400

that

144

00:05:15,110 --> 00:05:13,039

being an informed person

145

00:05:16,710 --> 00:05:15,120

is bad for you

146

00:05:18,469 --> 00:05:16,720

um

147

00:05:20,230 --> 00:05:18,479

and of course it's not bad for you or

148

00:05:22,150 --> 00:05:20,240

for me or for listeners to be informed

149

00:05:23,510 --> 00:05:22,160

it's not bad at all i

150

00:05:25,189 --> 00:05:23,520

just because there's an article that

151

00:05:27,189 --> 00:05:25,199

says make you know

152

00:05:29,029 --> 00:05:27,199

news is making you sick

153

00:05:32,390 --> 00:05:29,039

so what i what i've realized is that

154

00:05:35,909 --> 00:05:32,400

it's how our mainstream corporate media

155

00:05:37,670 --> 00:05:35,919

delivers news how it packages news

156

00:05:39,670 --> 00:05:37,680

how it gives the news to us that is

157

00:05:41,749 --> 00:05:39,680

actually unhealthy for us

158

00:05:43,350 --> 00:05:41,759

and of course it is because

159

00:05:45,189 --> 00:05:43,360

all any intelligent person has to do

160

00:05:47,270 --> 00:05:45,199

when looking at the news is realize

161

00:05:50,230 --> 00:05:47,280

how trivial it is

162

00:05:52,629 --> 00:05:50,240

how um sensational it is

163

00:05:54,469 --> 00:05:52,639

how it focuses on one bad thing after

164

00:05:56,309 --> 00:05:54,479

another bad thing without context

165

00:05:57,830 --> 00:05:56,319

without understanding

166

00:06:00,309 --> 00:05:57,840

there have been study after study that

167

00:06:03,110 --> 00:06:00,319

have shown that the more television news

168

00:06:04,629 --> 00:06:03,120

a person watches the less likely they

169

00:06:06,230 --> 00:06:04,639

are to be informed about key issues in

170

00:06:08,790 --> 00:06:06,240

the world the less is it an inverse

171

00:06:10,309 --> 00:06:08,800

relationship oh wow so that's right uh

172

00:06:12,150 --> 00:06:10,319

this the first time i learned this was

173

00:06:14,390 --> 00:06:12,160

over a quarter of a century ago during

174

00:06:16,070 --> 00:06:14,400

the first the persian gulf war

175

00:06:18,230 --> 00:06:16,080

and there was a stunning study i believe

176

00:06:20,070 --> 00:06:18,240

it was done out of the university of

177

00:06:21,990 --> 00:06:20,080

colorado

178

00:06:23,350 --> 00:06:22,000

pretty sure that uh

179

00:06:25,430 --> 00:06:23,360

came to that conclusion it said the more

180

00:06:27,590 --> 00:06:25,440

cnn you watched and it was explicitly

181

00:06:30,070 --> 00:06:27,600

cnn the less likely you were to know

182

00:06:31,990 --> 00:06:30,080

where for example syria was on a map or

183

00:06:33,350 --> 00:06:32,000

like basic things about the middle east

184

00:06:35,110 --> 00:06:33,360

so um

185

00:06:36,870 --> 00:06:35,120

so there's that and back then they said

186

00:06:38,469 --> 00:06:36,880

this is a great failure of our

187

00:06:39,909 --> 00:06:38,479

journalistic profession i'm thinking no

188

00:06:42,870 --> 00:06:39,919

actually it's a great success the whole

189

00:06:45,189 --> 00:06:42,880

point see of tv news and television in

190

00:06:46,550 --> 00:06:45,199

general is to sell you the viewer to the

191

00:06:48,390 --> 00:06:46,560

advertiser

192

00:06:49,510 --> 00:06:48,400

and that that is the

193

00:06:52,070 --> 00:06:49,520

soul point

194

00:06:53,830 --> 00:06:52,080

uh anything else is just gravy so

195

00:06:55,189 --> 00:06:53,840

they'll lure you in

196

00:06:57,029 --> 00:06:55,199

by letting you think you are being

197

00:06:58,629 --> 00:06:57,039

informed because people will do want to

198

00:07:00,390 --> 00:06:58,639

think they're being informed they lure

199

00:07:03,110 --> 00:07:00,400

you in by entertainment which of course

200

00:07:05,110 --> 00:07:03,120

they do much more than information

201  
00:07:06,309 --> 00:07:05,120  
and toward that end they sell you to the

202  
00:07:07,909 --> 00:07:06,319  
advertisers

203  
00:07:09,110 --> 00:07:07,919  
and once we realize that's the point of

204  
00:07:11,110 --> 00:07:09,120  
tv i think it's a little easier to

205  
00:07:12,950 --> 00:07:11,120  
understand so i

206  
00:07:14,309 --> 00:07:12,960  
i would start by saying the mainstream

207  
00:07:16,950 --> 00:07:14,319  
makes us sick but i think mainstream

208  
00:07:19,990 --> 00:07:16,960  
media also makes societies sick i think

209  
00:07:22,550 --> 00:07:20,000  
it destabilizes entire societies

210  
00:07:23,909 --> 00:07:22,560  
if we really uh look at

211  
00:07:24,790 --> 00:07:23,919  
the uh

212  
00:07:25,909 --> 00:07:24,800  
one of the things that i'm very

213  
00:07:28,309 --> 00:07:25,919

interested in these days is the

214

00:07:30,230 --> 00:07:28,319

phenomenon of color revolution that is

215

00:07:31,830 --> 00:07:30,240

constructed revolution by intelligence

216

00:07:33,189 --> 00:07:31,840

communities in conjunction with with

217

00:07:35,189 --> 00:07:33,199

corporate media

218

00:07:36,390 --> 00:07:35,199

to destabilize entire societies we've

219

00:07:38,790 --> 00:07:36,400

seen this going on currently in

220

00:07:40,230 --> 00:07:38,800

venezuela we've seen it a year or two

221

00:07:41,990 --> 00:07:40,240

ago in brazil

222

00:07:43,510 --> 00:07:42,000

where we had what was called a soft coup

223

00:07:45,749 --> 00:07:43,520

against that

224

00:07:46,950 --> 00:07:45,759

perfectly elected government

225

00:07:48,309 --> 00:07:46,960

um

226  
00:07:49,749 --> 00:07:48,319  
and they brought in goldman sachs and

227  
00:07:51,189 --> 00:07:49,759  
the imf and they're running the place

228  
00:07:52,550 --> 00:07:51,199  
where there's one going on currently in

229  
00:07:54,469 --> 00:07:52,560  
macedonia

230  
00:07:56,869 --> 00:07:54,479  
and i personally believe that one has

231  
00:07:59,830 --> 00:07:56,879  
been going on in the united states

232  
00:08:00,869 --> 00:07:59,840  
in opposition to the um the election of

233  
00:08:02,710 --> 00:08:00,879  
trump

234  
00:08:04,309 --> 00:08:02,720  
and again i say this not as a supporter

235  
00:08:06,390 --> 00:08:04,319  
of trump he's said a lot of things in

236  
00:08:08,710 --> 00:08:06,400  
particular in the last month that i'm

237  
00:08:10,150 --> 00:08:08,720  
very strongly opposed to but

238  
00:08:12,950 --> 00:08:10,160

the point is that

239

00:08:14,390 --> 00:08:12,960

mainstream corporate media has helped to

240

00:08:15,670 --> 00:08:14,400

organize in conjunction with us

241

00:08:17,830 --> 00:08:15,680

intelligence

242

00:08:19,430 --> 00:08:17,840

a social movement

243

00:08:21,110 --> 00:08:19,440

and uh and what it has done is it has

244

00:08:23,670 --> 00:08:21,120

destabilized the society what we've

245

00:08:25,670 --> 00:08:23,680

really seen in other words is a

246

00:08:27,029 --> 00:08:25,680

an effort by what people are now calling

247

00:08:28,950 --> 00:08:27,039

the deep state what i've often called

248

00:08:31,589 --> 00:08:28,960

the national security state

249

00:08:34,230 --> 00:08:31,599

as a way to corral a politician that

250

00:08:35,430 --> 00:08:34,240

they don't think is kind of in their in

251

00:08:36,550 --> 00:08:35,440

their pen

252

00:08:38,070 --> 00:08:36,560

but anyway that's an overview of

253

00:08:39,509 --> 00:08:38,080

mainstream now this is a mainstream

254

00:08:42,070 --> 00:08:39,519

media that has also dealt with the ufo

255

00:08:44,470 --> 00:08:42,080

subject and when we

256

00:08:45,269 --> 00:08:44,480

we look at that what i try doing is to

257

00:08:47,030 --> 00:08:45,279

see

258

00:08:49,509 --> 00:08:47,040

through the beginning

259

00:08:51,030 --> 00:08:49,519

of from the 1940s onward mainstream

260

00:08:52,470 --> 00:08:51,040

media

261

00:08:55,509 --> 00:08:52,480

has

262

00:08:58,389 --> 00:08:55,519

consistently been incredibly hostile

263

00:09:00,310 --> 00:08:58,399

to the ufo subject

264

00:09:02,790 --> 00:09:00,320

um

265

00:09:04,949 --> 00:09:02,800

what you find is that smaller media

266

00:09:07,269 --> 00:09:04,959

local media

267

00:09:09,269 --> 00:09:07,279

then and now

268

00:09:11,350 --> 00:09:09,279

um today the equivalent would be

269

00:09:13,269 --> 00:09:11,360

alternative media but back back in the

270

00:09:16,710 --> 00:09:13,279

1940s and 50s and 60s we're talking

271

00:09:18,710 --> 00:09:16,720

newspapers and radio primarily some tv

272

00:09:20,790 --> 00:09:18,720

the local media would always be more

273

00:09:22,470 --> 00:09:20,800

inquisitive and more honest in coming

274

00:09:23,670 --> 00:09:22,480

covering stories about ufos and flying

275

00:09:24,949 --> 00:09:23,680

saucers

276

00:09:27,030 --> 00:09:24,959

anyone who goes through newspaper

277

00:09:29,190 --> 00:09:27,040

clippings of the ufo phenomenon over the

278

00:09:31,509 --> 00:09:29,200

40s and 50s will find that

279

00:09:33,750 --> 00:09:31,519

90 of the best stories are local

280

00:09:36,070 --> 00:09:33,760

newspapers local sources but mainstream

281

00:09:37,110 --> 00:09:36,080

new york times washington post no almost

282

00:09:40,470 --> 00:09:37,120

never

283

00:09:42,870 --> 00:09:40,480

an established

284

00:09:45,350 --> 00:09:42,880

media and established culture

285

00:09:47,990 --> 00:09:45,360

that for whatever reason we can get into

286

00:09:50,389 --> 00:09:48,000

this has decided ufos are not going to

287

00:09:52,310 --> 00:09:50,399

exist on their pages and they have

288

00:09:53,590 --> 00:09:52,320

effectively then right up to the present

289

00:09:56,070 --> 00:09:53,600

day

290

00:09:57,509 --> 00:09:56,080

kept ufos off to the fringe so it's an

291

00:09:58,470 --> 00:09:57,519

interesting thing

292

00:10:00,949 --> 00:09:58,480

um

293

00:10:02,630 --> 00:10:00,959

so yeah and i think what we're looking

294

00:10:05,590 --> 00:10:02,640

at my

295

00:10:07,590 --> 00:10:05,600

basic analysis my conclusion

296

00:10:09,430 --> 00:10:07,600

is that

297

00:10:11,430 --> 00:10:09,440

um it's very obvious to see that the ufo

298

00:10:14,069 --> 00:10:11,440

phenomenon has been

299

00:10:16,310 --> 00:10:14,079

an important part of national security

300

00:10:18,310 --> 00:10:16,320

an important concern

301  
00:10:19,590 --> 00:10:18,320  
and in that lecture and in my career

302  
00:10:21,509 --> 00:10:19,600  
i've often

303  
00:10:23,430 --> 00:10:21,519  
like to quote a few particular documents

304  
00:10:26,230 --> 00:10:23,440  
one of my favorite ones is a cia

305  
00:10:28,150 --> 00:10:26,240  
document from 1952

306  
00:10:29,509 --> 00:10:28,160  
in which the director of scientific

307  
00:10:32,790 --> 00:10:29,519  
intelligence

308  
00:10:35,350 --> 00:10:32,800  
writes to the director of the cia

309  
00:10:36,630 --> 00:10:35,360  
that um these

310  
00:10:37,750 --> 00:10:36,640  
these sightings must have immediate

311  
00:10:39,670 --> 00:10:37,760  
attention that there are sightings of

312  
00:10:41,750 --> 00:10:39,680  
unexplained objects at great altitudes

313  
00:10:43,990 --> 00:10:41,760

and traveling at high speeds near major

314

00:10:45,430 --> 00:10:44,000

u.s defense installations he said that

315

00:10:46,790 --> 00:10:45,440

are of such nature that they are not

316

00:10:49,590 --> 00:10:46,800

attributable

317

00:10:51,750 --> 00:10:49,600

to natural phenomena or known types of

318

00:10:52,630 --> 00:10:51,760

aerial vehicles so

319

00:10:55,430 --> 00:10:52,640

you have

320

00:10:57,190 --> 00:10:55,440

one of a number of statements in the

321

00:10:59,750 --> 00:10:57,200

during the cold war

322

00:11:01,190 --> 00:10:59,760

that are very highly classified

323

00:11:02,949 --> 00:11:01,200

in which this phenomenon clearly is

324

00:11:05,030 --> 00:11:02,959

being taken seriously

325

00:11:07,110 --> 00:11:05,040

and yet our media which is supposed to

326

00:11:09,269 --> 00:11:07,120

be the watchdog the guardian

327

00:11:10,710 --> 00:11:09,279

of the republic really

328

00:11:12,310 --> 00:11:10,720

um

329

00:11:14,069 --> 00:11:12,320

completely dropping the ball so then the

330

00:11:16,949 --> 00:11:14,079

question arises are are they doing this

331

00:11:18,310 --> 00:11:16,959

because of their own journalistic biases

332

00:11:19,829 --> 00:11:18,320

and they're just bought their biases as

333

00:11:21,509 --> 00:11:19,839

human beings or is there something else

334

00:11:23,190 --> 00:11:21,519

going on and what i what i would say is

335

00:11:24,389 --> 00:11:23,200

that there's something more going on the

336

00:11:26,230 --> 00:11:24,399

media has

337

00:11:28,710 --> 00:11:26,240

explicitly been working in conjunction

338

00:11:30,310 --> 00:11:28,720

with the intelligence community

339

00:11:32,389 --> 00:11:30,320

we know this in the ufo field through

340

00:11:35,110 --> 00:11:32,399

something known as the robertson panel

341

00:11:39,350 --> 00:11:35,120

where in early 1953 the last weekend of

342

00:11:42,389 --> 00:11:40,630

did its own

343

00:11:44,230 --> 00:11:42,399

study and debunking of the ufo

344

00:11:47,030 --> 00:11:44,240

phenomenon it was already a rigged game

345

00:11:48,710 --> 00:11:47,040

even then right and they um

346

00:11:50,790 --> 00:11:48,720

they made it as one of their conclusions

347

00:11:52,790 --> 00:11:50,800

to work with major media to debunk the

348

00:11:54,710 --> 00:11:52,800

phenomenon to the public

349

00:11:55,829 --> 00:11:54,720

and we also know outside of the ufo

350

00:11:56,949 --> 00:11:55,839

subject

351  
00:11:58,230 --> 00:11:56,959  
of something known as operation

352  
00:11:59,750 --> 00:11:58,240  
mockingbird

353  
00:12:01,110 --> 00:11:59,760  
which i believe i talked about that a

354  
00:12:03,750 --> 00:12:01,120  
little bit in the lecture

355  
00:12:07,190 --> 00:12:03,760  
mockingbird

356  
00:12:09,269 --> 00:12:07,200  
was a a cia coordinated

357  
00:12:12,550 --> 00:12:09,279  
media control program it went all

358  
00:12:14,310 --> 00:12:12,560  
through the cold war 1940s 50s 60s 70s

359  
00:12:15,509 --> 00:12:14,320  
where the cia would have journalists on

360  
00:12:17,910 --> 00:12:15,519  
its payroll

361  
00:12:19,509 --> 00:12:17,920  
who would report the news

362  
00:12:22,150 --> 00:12:19,519  
in a way that the cia liked it would

363  
00:12:25,190 --> 00:12:22,160

sometimes make up fake stories the cia

364

00:12:27,350 --> 00:12:25,200

would do this they normally would make

365

00:12:29,110 --> 00:12:27,360

up fake stories internationally and let

366

00:12:31,110 --> 00:12:29,120

them come to the u.s

367

00:12:31,990 --> 00:12:31,120

that was their way of doing it safely

368

00:12:33,350 --> 00:12:32,000

but

369

00:12:34,870 --> 00:12:33,360

they controlled spin they controlled

370

00:12:37,190 --> 00:12:34,880

editorial policy we're talking new york

371

00:12:39,350 --> 00:12:37,200

times washington post particularly

372

00:12:41,990 --> 00:12:39,360

and they're always their leaders but

373

00:12:43,990 --> 00:12:42,000

also television cbs did a ufo special in

374

00:12:46,310 --> 00:12:44,000

the 60s featuring walter cronkite the

375

00:12:47,590 --> 00:12:46,320

great american anchorman it was a ufo

376

00:12:49,030 --> 00:12:47,600

debunking piece that was part of the

377

00:12:50,470 --> 00:12:49,040

robertson panel

378

00:12:52,069 --> 00:12:50,480

i would say part of the whole operation

379

00:12:54,150 --> 00:12:52,079

mockingbird i think i look at it all as

380

00:12:56,389 --> 00:12:54,160

one thing one piece

381

00:12:58,470 --> 00:12:56,399

so in other words what i'm saying to you

382

00:13:01,110 --> 00:12:58,480

and to listeners is that mainstream

383

00:13:02,949 --> 00:13:01,120

media has never been an honest player

384

00:13:05,269 --> 00:13:02,959

uh relating to the ufo phenomenon and

385

00:13:07,269 --> 00:13:05,279

it's not an honest player relating

386

00:13:09,269 --> 00:13:07,279

really to anything political

387

00:13:11,590 --> 00:13:09,279

in our society and i think

388

00:13:13,190 --> 00:13:11,600

uh no matter what ones one thinks that

389

00:13:14,629 --> 00:13:13,200

their political orientation is i think

390

00:13:15,910 --> 00:13:14,639

if you do an objective study of the

391

00:13:18,230 --> 00:13:15,920

media you see

392

00:13:20,150 --> 00:13:18,240

they are they're working for an agenda

393

00:13:22,150 --> 00:13:20,160

it's an elite agenda it's an

394

00:13:23,829 --> 00:13:22,160

intelligence community dominated agenda

395

00:13:24,790 --> 00:13:23,839

it's a financial community agenda as

396

00:13:26,870 --> 00:13:24,800

well

397

00:13:29,750 --> 00:13:26,880

and that these all really work together

398

00:13:31,350 --> 00:13:29,760

uh as a control system uh back in the uh

399

00:13:33,110 --> 00:13:31,360

six i've just wrapped this part up here

400

00:13:34,550 --> 00:13:33,120

back in the 60s and 70s and 80s noam

401  
00:13:36,069 --> 00:13:34,560  
chomsky

402  
00:13:38,629 --> 00:13:36,079  
who's still around he's getting up there

403  
00:13:40,069 --> 00:13:38,639  
but chomsky really pioneered

404  
00:13:41,509 --> 00:13:40,079  
this idea

405  
00:13:46,829 --> 00:13:41,519  
of

406  
00:13:50,069 --> 00:13:46,839  
and western propaganda having to be

407  
00:13:51,910 --> 00:13:50,079  
superior to soviet propaganda back then

408  
00:13:54,550 --> 00:13:51,920  
it was the cold war and the russians the

409  
00:13:56,470 --> 00:13:54,560  
communists had this very you know

410  
00:13:58,069 --> 00:13:56,480  
prominent propaganda system

411  
00:13:59,750 --> 00:13:58,079  
but chomsky said look you know there's

412  
00:14:02,470 --> 00:13:59,760  
maybe a little more obvious

413  
00:14:04,069 --> 00:14:02,480

but but ours is better

414

00:14:06,230 --> 00:14:04,079

he said western propaganda really is

415

00:14:07,829 --> 00:14:06,240

better because it has to be better

416

00:14:09,829 --> 00:14:07,839

you know the elites and the soviet union

417

00:14:11,910 --> 00:14:09,839

if you were to uh challenge that system

418

00:14:13,670 --> 00:14:11,920

back in the olden days fine you just get

419

00:14:15,030 --> 00:14:13,680

a 3 a.m knock on the door and they'd

420

00:14:16,870 --> 00:14:15,040

take you off to one of the prisons and

421

00:14:18,710 --> 00:14:16,880

you wouldn't be seen for a while

422

00:14:21,269 --> 00:14:18,720

in the us we didn't have

423

00:14:22,870 --> 00:14:21,279

they didn't have that luxury and so

424

00:14:25,269 --> 00:14:22,880

persuasion had to be

425

00:14:27,990 --> 00:14:25,279

much more insidious much much better and

426

00:14:30,949 --> 00:14:28,000

indeed as chomsky argued for years

427

00:14:33,590 --> 00:14:30,959

it was and is and part of that included

428

00:14:35,910 --> 00:14:33,600

um this illusion of a free process

429

00:14:37,269 --> 00:14:35,920

illusion of freedom which in fact is

430

00:14:40,150 --> 00:14:37,279

much more of a control system than

431

00:14:42,470 --> 00:14:40,160

anything else and that does include ufos

432

00:14:44,550 --> 00:14:42,480

right and what's interesting about that

433

00:14:46,629 --> 00:14:44,560

too rich is that you know i recently

434

00:14:47,430 --> 00:14:46,639

spoke to another journalist who covered

435

00:14:57,829 --> 00:14:47,440

the

436

00:15:00,310 --> 00:14:57,839

this too was an illusion as well while

437

00:15:02,790 --> 00:15:00,320

they while these uh phenomena and

438

00:15:04,550 --> 00:15:02,800

abilities may be real it wasn't even

439

00:15:08,069 --> 00:15:04,560

that that they were studying it was the

440

00:15:11,030 --> 00:15:08,079

impact it had on the enemy and their

441

00:15:13,189 --> 00:15:11,040

their perception of oh the us is this

442

00:15:15,590 --> 00:15:13,199

far ahead in this quote-unquote psychic

443

00:15:18,150 --> 00:15:15,600

warfare um we have to up the ante as

444

00:15:19,990 --> 00:15:18,160

well meanwhile you know they're still

445

00:15:23,269 --> 00:15:20,000

trying to even figure out if this stuff

446

00:15:26,310 --> 00:15:23,279

is real um while pushing another agenda

447

00:15:28,870 --> 00:15:26,320

of oh we're already bending spoons we

448

00:15:31,509 --> 00:15:28,880

we're able to shut off you know

449

00:15:34,069 --> 00:15:31,519

missiles if we so choose to through

450

00:15:36,069 --> 00:15:34,079

someone's mind uh it's fascinated and

451  
00:15:38,470 --> 00:15:36,079  
this could you know correlate to the ufo

452  
00:15:41,110 --> 00:15:38,480  
phenomenon as well and the technology

453  
00:15:42,790 --> 00:15:41,120  
that each country or nation has

454  
00:15:44,870 --> 00:15:42,800  
i would add a couple of uh things to

455  
00:15:46,470 --> 00:15:44,880  
that so i've been interested very

456  
00:15:48,470 --> 00:15:46,480  
interested from the beginning of my

457  
00:15:49,829 --> 00:15:48,480  
study of ufos in in the remote viewing

458  
00:15:51,829 --> 00:15:49,839  
phenomenon

459  
00:15:54,949 --> 00:15:51,839  
the reason i became interested way back

460  
00:15:55,829 --> 00:15:54,959  
even in the 90s was um because i learned

461  
00:15:57,430 --> 00:15:55,839  
that

462  
00:15:59,910 --> 00:15:57,440  
there was this thing called remote

463  
00:16:01,749 --> 00:15:59,920

viewing the cia and us intelligence was

464

00:16:02,949 --> 00:16:01,759

doing it and that these remote viewers

465

00:16:05,430 --> 00:16:02,959

seem to be

466

00:16:06,790 --> 00:16:05,440

in addition to other things seeing ufos

467

00:16:09,110 --> 00:16:06,800

all the time

468

00:16:10,389 --> 00:16:09,120

and i noticed this uh this was a regular

469

00:16:12,150 --> 00:16:10,399

thing

470

00:16:14,150 --> 00:16:12,160

so i thought well what's going on here

471

00:16:16,710 --> 00:16:14,160

so i took some time to really study

472

00:16:18,389 --> 00:16:16,720

remote viewing and i got to know some of

473

00:16:21,670 --> 00:16:18,399

the leading remote viewers of that

474

00:16:23,670 --> 00:16:21,680

program i knew ingo swan

475

00:16:25,829 --> 00:16:23,680

i know joe mcmonagle and lin buchanan

476

00:16:28,150 --> 00:16:25,839

and um some of these other famous remote

477

00:16:30,389 --> 00:16:28,160

viewers and i i'm not a remote viewer

478

00:16:32,389 --> 00:16:30,399

myself but i have studied this

479

00:16:34,230 --> 00:16:32,399

uh i can i can say i would say

480

00:16:35,430 --> 00:16:34,240

confidently that

481

00:16:37,990 --> 00:16:35,440

there's a lot of things going on in that

482

00:16:40,069 --> 00:16:38,000

remote viewing program part of it was

483

00:16:41,829 --> 00:16:40,079

definitely propagandizing against the

484

00:16:43,990 --> 00:16:41,839

russians the soviets thinking you know

485

00:16:45,110 --> 00:16:44,000

wanting them to know that

486

00:16:47,110 --> 00:16:45,120

what are what are the american

487

00:16:49,509 --> 00:16:47,120

capabilities but part of it really was

488

00:16:51,350 --> 00:16:49,519

to develop genuine

489

00:16:53,110 --> 00:16:51,360

espionage capabilities with remote

490

00:16:55,590 --> 00:16:53,120

viewing and some of these guys were off

491

00:16:56,870 --> 00:16:55,600

the charts amazing so they were doing

492

00:16:58,389 --> 00:16:56,880

things

493

00:16:59,350 --> 00:16:58,399

that

494

00:17:02,069 --> 00:16:59,360

like

495

00:17:03,189 --> 00:17:02,079

there was and is something genuine and

496

00:17:05,189 --> 00:17:03,199

powerful

497

00:17:06,870 --> 00:17:05,199

about capabilities relating to remote

498

00:17:09,829 --> 00:17:06,880

viewing this is a real thing

499

00:17:11,270 --> 00:17:09,839

and it's not always 100 accurate and the

500

00:17:13,669 --> 00:17:11,280

real problem with the remote viewing

501  
00:17:15,829 --> 00:17:13,679  
isn't even getting the signal isn't

502  
00:17:18,789 --> 00:17:15,839  
often it's interpreting it

503  
00:17:20,470 --> 00:17:18,799  
so like you'll get a you'll get a vision

504  
00:17:21,510 --> 00:17:20,480  
of something that turns out to be quite

505  
00:17:23,189 --> 00:17:21,520  
accurate

506  
00:17:25,350 --> 00:17:23,199  
but it's if you don't really have a

507  
00:17:27,350 --> 00:17:25,360  
context for what you're looking at

508  
00:17:29,669 --> 00:17:27,360  
you will interpret it often in the wrong

509  
00:17:32,310 --> 00:17:29,679  
way so from an intelligence point of

510  
00:17:35,110 --> 00:17:32,320  
view it's not always useful information

511  
00:17:37,830 --> 00:17:35,120  
and it's a hit or missing scientifically

512  
00:17:38,630 --> 00:17:37,840  
it's fascinating but certainly within

513  
00:17:40,310 --> 00:17:38,640

the

514

00:17:41,510 --> 00:17:40,320

intelligence

515

00:17:43,150 --> 00:17:41,520

community

516

00:17:45,350 --> 00:17:43,160

these people were doing

517

00:17:47,350 --> 00:17:45,360

unbelievable work all through the 70s

518

00:17:48,230 --> 00:17:47,360

and 80s and into the 90s and then of

519

00:17:49,990 --> 00:17:48,240

course

520

00:17:50,950 --> 00:17:50,000

the whole reason we know about it i can

521

00:17:52,310 --> 00:17:50,960

tell you

522

00:17:54,310 --> 00:17:52,320

frankly is that

523

00:17:55,909 --> 00:17:54,320

the journalist jim mars was

524

00:17:58,390 --> 00:17:55,919

writing a um

525

00:18:00,870 --> 00:17:58,400

an expose on it in the mid 90s he jim

526

00:18:03,430 --> 00:18:00,880

mars was going to be the first author

527

00:18:05,430 --> 00:18:03,440

to break the story about remote ewing

528

00:18:08,950 --> 00:18:05,440

and i've spoken to him about this at

529

00:18:11,029 --> 00:18:08,960

length and his book got stymied by his

530

00:18:12,630 --> 00:18:11,039

publisher for several

531

00:18:14,870 --> 00:18:12,640

years

532

00:18:17,110 --> 00:18:14,880

it was just stuck and in the meantime

533

00:18:19,029 --> 00:18:17,120

and they said well we just um i can't

534

00:18:20,950 --> 00:18:19,039

remember the excuses they gave him but

535

00:18:22,150 --> 00:18:20,960

they they effectively put the book on

536

00:18:25,110 --> 00:18:22,160

hold

537

00:18:28,150 --> 00:18:25,120

and in the meantime a guy who

538

00:18:29,270 --> 00:18:28,160

many of us i i think has cia connections

539

00:18:30,710 --> 00:18:29,280

um

540

00:18:32,870 --> 00:18:30,720

trying to remember his name now golly

541

00:18:35,510 --> 00:18:32,880

it'll come to me um he wrote the book he

542

00:18:37,909 --> 00:18:35,520

wrote the first remote viewing book

543

00:18:39,190 --> 00:18:37,919

and i was in the mid 90s it'll come to

544

00:18:41,669 --> 00:18:39,200

me before the end of this

545

00:18:43,110 --> 00:18:41,679

and in that book what he did was

546

00:18:44,870 --> 00:18:43,120

he said

547

00:18:46,150 --> 00:18:44,880

he really played the party line very

548

00:18:47,830 --> 00:18:46,160

well

549

00:18:49,909 --> 00:18:47,840

he he later did a

550

00:18:52,470 --> 00:18:49,919

book that debunked crop circles too

551

00:18:54,470 --> 00:18:52,480  
round and round in circles um

552

00:18:55,990 --> 00:18:54,480  
but anyway what he said was

553

00:18:57,029 --> 00:18:56,000  
yeah you know they did a little bit of

554

00:18:58,870 --> 00:18:57,039  
this they didn't really know what they

555

00:19:00,310 --> 00:18:58,880  
were getting they got a couple of hits

556

00:19:02,549 --> 00:19:00,320  
seems interesting but they didn't really

557

00:19:05,190 --> 00:19:02,559  
have much success with it

558

00:19:07,350 --> 00:19:05,200  
and that was the cia's official

559

00:19:09,430 --> 00:19:07,360  
story when they came out in the mid 90s

560

00:19:11,830 --> 00:19:09,440  
they basically they declassified it

561

00:19:13,830 --> 00:19:11,840  
because jim mars

562

00:19:15,510 --> 00:19:13,840  
was i mean other researchers were about

563

00:19:16,630 --> 00:19:15,520

to blow the lid on it it's the only

564

00:19:18,630 --> 00:19:16,640

reason i think we really know about

565

00:19:20,150 --> 00:19:18,640

remote viewing officially

566

00:19:22,230 --> 00:19:20,160

and they decided to get out ahead of the

567

00:19:23,990 --> 00:19:22,240

story and control the spin

568

00:19:25,909 --> 00:19:24,000

and in that case i mean we're talking

569

00:19:27,029 --> 00:19:25,919

about media here actually

570

00:19:28,630 --> 00:19:27,039

the uh

571

00:19:30,310 --> 00:19:28,640

i think it was nightline with ted koppel

572

00:19:33,110 --> 00:19:30,320

they did a thing on remote viewing and

573

00:19:34,390 --> 00:19:33,120

it was completely in line with the cia's

574

00:19:36,070 --> 00:19:34,400

um

575

00:19:39,430 --> 00:19:36,080

party line and that's what the

576

00:19:40,789 --> 00:19:39,440

mainstream media does they work hand in

577

00:19:43,350 --> 00:19:40,799

glove

578

00:19:44,630 --> 00:19:43,360

with the us intelligence community

579

00:19:45,990 --> 00:19:44,640

and now i mean my goodness something

580

00:19:48,070 --> 00:19:46,000

like the washington post owned by jeff

581

00:19:50,150 --> 00:19:48,080

bezos who owns amazon

582

00:19:51,909 --> 00:19:50,160

we know amazon does all cloud

583

00:19:53,669 --> 00:19:51,919

computing and storage for the cia

584

00:19:55,350 --> 00:19:53,679

they've got a multi multi multi billion

585

00:19:57,510 --> 00:19:55,360

dollar contract and it's not just cia

586

00:19:58,630 --> 00:19:57,520

anymore bezos does the work for the

587

00:20:00,390 --> 00:19:58,640

entire

588

00:20:01,909 --> 00:20:00,400

uh us intelligence community my

589

00:20:04,390 --> 00:20:01,919

understanding is

590

00:20:08,390 --> 00:20:04,400

uh so the washington washington post is

591

00:20:11,270 --> 00:20:08,400

owned by a guy who is deeply in bed

592

00:20:13,590 --> 00:20:11,280

with the us intelligence community

593

00:20:14,390 --> 00:20:13,600

that's just this is one connection so

594

00:20:16,630 --> 00:20:14,400

um

595

00:20:18,149 --> 00:20:16,640

anything i i didn't mean to turn this

596

00:20:19,669 --> 00:20:18,159

around from the remote viewing but to

597

00:20:22,230 --> 00:20:19,679

get back to the media

598

00:20:23,430 --> 00:20:22,240

people need to understand

599

00:20:26,230 --> 00:20:23,440

anything

600

00:20:29,510 --> 00:20:26,240

that comes through um us-dominated

601  
00:20:31,750 --> 00:20:29,520  
establishment media has to be suspect

602  
00:20:34,789 --> 00:20:31,760  
every single thing

603  
00:20:36,710 --> 00:20:34,799  
and um people will often ask me well

604  
00:20:38,310 --> 00:20:36,720  
justice is great dolan so you don't want

605  
00:20:39,669 --> 00:20:38,320  
people to listen to cnn or read in new

606  
00:20:41,669 --> 00:20:39,679  
york times

607  
00:20:43,270 --> 00:20:41,679  
or time magazine or what the heck are we

608  
00:20:45,350 --> 00:20:43,280  
supposed to read how we how are we

609  
00:20:47,510 --> 00:20:45,360  
supposed to get our information right

610  
00:20:49,190 --> 00:20:47,520  
and um

611  
00:20:51,909 --> 00:20:49,200  
i i would the first thing that i would

612  
00:20:53,909 --> 00:20:51,919  
say is that

613  
00:20:54,950 --> 00:20:53,919

we are in a difficult position every one

614

00:20:56,630 --> 00:20:54,960

of us

615

00:20:58,230 --> 00:20:56,640

who is a

616

00:20:59,909 --> 00:20:58,240

thinking

617

00:21:01,190 --> 00:20:59,919

person with some intellectual interests

618

00:21:04,070 --> 00:21:01,200

in this world

619

00:21:05,590 --> 00:21:04,080

and we all have to realize

620

00:21:07,590 --> 00:21:05,600

there's no way around this

621

00:21:09,270 --> 00:21:07,600

that we are surrounded by a very

622

00:21:11,669 --> 00:21:09,280

powerful

623

00:21:13,669 --> 00:21:11,679

media mind control system

624

00:21:16,789 --> 00:21:13,679

end of story it is

625

00:21:18,230 --> 00:21:16,799

and this is not an easy task for us to

626  
00:21:19,669 --> 00:21:18,240  
be

627  
00:21:21,750 --> 00:21:19,679  
educated

628  
00:21:22,630 --> 00:21:21,760  
aware citizens of the world

629  
00:21:24,070 --> 00:21:22,640  
um

630  
00:21:26,630 --> 00:21:24,080  
but one thing that i would encourage

631  
00:21:28,870 --> 00:21:26,640  
people to do is to go to some

632  
00:21:30,710 --> 00:21:28,880  
truly independent alternative media

633  
00:21:32,870 --> 00:21:30,720  
sources the kind of thing that you're

634  
00:21:35,430 --> 00:21:32,880  
doing is one good source

635  
00:21:37,669 --> 00:21:35,440  
you know anything that takes us out of

636  
00:21:38,950 --> 00:21:37,679  
the corporate establishment mainstream

637  
00:21:40,470 --> 00:21:38,960  
is a good thing

638  
00:21:42,630 --> 00:21:40,480

now there's a step there's alternative

639

00:21:45,669 --> 00:21:42,640

media that's actually not that

640

00:21:48,149 --> 00:21:45,679

alternative media um like buzzfeed is

641

00:21:49,830 --> 00:21:48,159

certainly not alternative media they

642

00:21:50,789 --> 00:21:49,840

they'll pander to

643

00:21:52,710 --> 00:21:50,799

um

644

00:21:54,470 --> 00:21:52,720

uh you know generation

645

00:21:56,470 --> 00:21:54,480

the millennials and they'll but but that

646

00:21:57,590 --> 00:21:56,480

doesn't make them alternatives sorry

647

00:21:58,710 --> 00:21:57,600

they're actually totally part of the

648

00:22:00,630 --> 00:21:58,720

establishment

649

00:22:02,470 --> 00:22:00,640

um but there are alternative they're

650

00:22:04,470 --> 00:22:02,480

smaller media

651  
00:22:05,990 --> 00:22:04,480  
and um

652  
00:22:08,310 --> 00:22:06,000  
and we need to find them i go outside

653  
00:22:10,310 --> 00:22:08,320  
the u.s and um

654  
00:22:11,669 --> 00:22:10,320  
i have to go to the media that are that

655  
00:22:13,990 --> 00:22:11,679  
are demonized

656  
00:22:15,750 --> 00:22:14,000  
as so-called fake news because the fact

657  
00:22:17,510 --> 00:22:15,760  
is that these are the only places that i

658  
00:22:19,350 --> 00:22:17,520  
find are

659  
00:22:20,950 --> 00:22:19,360  
generally um providing information that

660  
00:22:23,510 --> 00:22:20,960  
are useful i do read my new york times

661  
00:22:24,710 --> 00:22:23,520  
headlines um on my iphone

662  
00:22:26,710 --> 00:22:24,720  
in all the headlines that everyone else

663  
00:22:29,270 --> 00:22:26,720

gets i get cnn headlines every day and i

664

00:22:30,710 --> 00:22:29,280

i do read cnn stories so i know i feel

665

00:22:31,590 --> 00:22:30,720

as part of my job to know what they're

666

00:22:33,590 --> 00:22:31,600

saying

667

00:22:35,350 --> 00:22:33,600

i read the washington post

668

00:22:39,590 --> 00:22:35,360

every day

669

00:22:41,990 --> 00:22:39,600

so i'm very aware of what mainstream is

670

00:22:45,029 --> 00:22:42,000

saying but i will also read rt

671

00:22:47,750 --> 00:22:45,039

uh that is formerly russia today

672

00:22:49,430 --> 00:22:47,760

discussed as by the current cia director

673

00:22:52,630 --> 00:22:49,440

as a tool of

674

00:22:54,230 --> 00:22:52,640

uh putin's propaganda

675

00:22:55,029 --> 00:22:54,240

nonsense i don't believe that in the

676  
00:22:56,549 --> 00:22:55,039  
least

677  
00:22:58,149 --> 00:22:56,559  
um i don't say that they're right about

678  
00:23:00,549 --> 00:22:58,159  
everything of course but i

679  
00:23:02,310 --> 00:23:00,559  
for news around the world i will always

680  
00:23:03,830 --> 00:23:02,320  
want to know what they have to say

681  
00:23:05,510 --> 00:23:03,840  
always every time

682  
00:23:08,390 --> 00:23:05,520  
and i simply go by the quality of

683  
00:23:10,230 --> 00:23:08,400  
analysis it's always superior i also go

684  
00:23:11,750 --> 00:23:10,240  
to a canadian website that's my favorite

685  
00:23:12,789 --> 00:23:11,760  
website

686  
00:23:14,149 --> 00:23:12,799  
for um

687  
00:23:16,630 --> 00:23:14,159  
history and politics and that's called

688  
00:23:18,470 --> 00:23:16,640

global research dot ca

689

00:23:21,110 --> 00:23:18,480

and that's run by um

690

00:23:22,950 --> 00:23:21,120

a man named michelle shostadovsky

691

00:23:24,470 --> 00:23:22,960

who is doing what i think noam chomsky

692

00:23:26,149 --> 00:23:24,480

should be doing but isn't doing so

693

00:23:27,750 --> 00:23:26,159

schotovsky is doing it he's kind of like

694

00:23:36,310 --> 00:23:27,760

the

695

00:23:37,950 --> 00:23:36,320

of media analysis and political analysis

696

00:23:39,510 --> 00:23:37,960

and so the website he runs

697

00:23:40,710 --> 00:23:39,520

globalresearch.ca it's running out of

698

00:23:43,590 --> 00:23:40,720

montreal

699

00:23:44,789 --> 00:23:43,600

is uh he has superb commentators in my

700

00:23:46,230 --> 00:23:44,799

opinion

701  
00:23:47,669 --> 00:23:46,240  
you know like any of these alternative

702  
00:23:48,470 --> 00:23:47,679  
sites i don't i don't agree with

703  
00:23:49,990 --> 00:23:48,480  
everything that i see on

704  
00:23:51,269 --> 00:23:50,000  
globalresearch.ca

705  
00:23:52,549 --> 00:23:51,279  
and i don't agree with everything i read

706  
00:23:54,710 --> 00:23:52,559  
or see

707  
00:23:56,710 --> 00:23:54,720  
or the take of things in rt but

708  
00:23:58,870 --> 00:23:56,720  
um what i find is that they are a

709  
00:24:00,149 --> 00:23:58,880  
different perspective and usually a much

710  
00:24:02,630 --> 00:24:00,159  
more correct perspective and a more

711  
00:24:05,430 --> 00:24:02,640  
honest one typically right yeah and i

712  
00:24:08,070 --> 00:24:05,440  
mean the mainstream yeah yeah and i mean

713  
00:24:10,390 --> 00:24:08,080

do you research people i mean

714

00:24:12,630 --> 00:24:10,400

it sort of brings me back to uh another

715

00:24:14,710 --> 00:24:12,640

journalist friend of mine who uh

716

00:24:16,870 --> 00:24:14,720

introduced me to the lyrics of a dead

717

00:24:18,870 --> 00:24:16,880

kennedy song and it's quote don't hate

718

00:24:20,470 --> 00:24:18,880

the media become the media so things

719

00:24:22,230 --> 00:24:20,480

like i love the candidates isn't that

720

00:24:25,590 --> 00:24:22,240

awesome

721

00:24:29,190 --> 00:24:25,600

and how long ago was that you know uh

722

00:24:31,269 --> 00:24:29,200

1980 so 1979 yeah a long time ago so

723

00:24:33,990 --> 00:24:31,279

this idea of you know

724

00:24:35,990 --> 00:24:34,000

not only disinformation but media bias

725

00:24:37,909 --> 00:24:36,000

and everything that follows has been

726

00:24:39,830 --> 00:24:37,919

going on for a while guys

727

00:24:42,230 --> 00:24:39,840

um well absolutely the other thing that

728

00:24:43,909 --> 00:24:42,240

i do and this is just a lifelong

729

00:24:45,669 --> 00:24:43,919

advantage i've given myself is that i've

730

00:24:47,830 --> 00:24:45,679

just studied history non-stop i still

731

00:24:49,350 --> 00:24:47,840

study history non-stop on my kindle

732

00:24:52,310 --> 00:24:49,360

reader in my down time i'm reading some

733

00:24:54,710 --> 00:24:52,320

old history book from 100 years ago

734

00:24:56,310 --> 00:24:54,720

so i mean for me in other words i have

735

00:24:59,190 --> 00:24:56,320

i've developed

736

00:25:01,350 --> 00:24:59,200

a good perspective on

737

00:25:02,870 --> 00:25:01,360

history and politics

738

00:25:05,029 --> 00:25:02,880

and so

739

00:25:06,230 --> 00:25:05,039

i mean i just know that

740

00:25:08,470 --> 00:25:06,240

there are certain patterns that have

741

00:25:09,669 --> 00:25:08,480

existed in our world and

742

00:25:10,870 --> 00:25:09,679

i've developed a good historical

743

00:25:12,230 --> 00:25:10,880

foundation i don't know how to tell

744

00:25:13,510 --> 00:25:12,240

someone you there's no way to get these

745

00:25:14,950 --> 00:25:13,520

things quickly

746

00:25:17,190 --> 00:25:14,960

right you know if someone someone's

747

00:25:18,870 --> 00:25:17,200

living the cnn reality if they have that

748

00:25:21,190 --> 00:25:18,880

on their tv the first thing i would tell

749

00:25:22,870 --> 00:25:21,200

people is just turn that stuff off

750

00:25:23,909 --> 00:25:22,880

it's like someone who's who's drinking

751

00:25:26,789 --> 00:25:23,919

uh

752

00:25:28,070 --> 00:25:26,799

cans of coke every day or pepsi and they

753

00:25:29,269 --> 00:25:28,080

want to be healthy i'd say the first

754

00:25:31,990 --> 00:25:29,279

thing you have to do is stop drinking

755

00:25:34,149 --> 00:25:32,000

that stuff because your detoxifying your

756

00:25:35,750 --> 00:25:34,159

body your system all that sugar it will

757

00:25:36,789 --> 00:25:35,760

it will literally kill you i know a man

758

00:25:39,110 --> 00:25:36,799

who actually

759

00:25:41,909 --> 00:25:39,120

i'm convinced died of this

760

00:25:43,510 --> 00:25:41,919

um i think it gave him ms he drank 10

761

00:25:44,870 --> 00:25:43,520

plus cans of coke a day i mean it was

762

00:25:46,230 --> 00:25:44,880

just absurd

763

00:25:47,990 --> 00:25:46,240

um

764

00:25:49,350 --> 00:25:48,000

and it's the same with news you know we

765

00:25:51,029 --> 00:25:49,360

talk about

766

00:25:53,830 --> 00:25:51,039

we have fake we have more than fake news

767

00:25:54,830 --> 00:25:53,840

in our world we have fake food

768

00:25:59,990 --> 00:25:54,840

fake

769

00:26:01,750 --> 00:26:00,000

we honestly i think when we look around

770

00:26:03,990 --> 00:26:01,760

we have almost a fake environment in

771

00:26:06,149 --> 00:26:04,000

many ways um but we definitely have fake

772

00:26:07,590 --> 00:26:06,159

food and fake news

773

00:26:08,950 --> 00:26:07,600

and uh so the first thing you have to do

774

00:26:11,029 --> 00:26:08,960

is you have to stop

775

00:26:12,710 --> 00:26:11,039

bringing the poison in that's rule

776

00:26:13,990 --> 00:26:12,720

number one so you have to stop with cnn

777

00:26:15,750 --> 00:26:14,000

you have to stop with new york times i

778

00:26:16,950 --> 00:26:15,760

mean truly stop

779

00:26:18,470 --> 00:26:16,960

and um

780

00:26:20,390 --> 00:26:18,480

i'll just i'll just do this as an aside

781

00:26:21,510 --> 00:26:20,400

only get into a whole uh hillary trump

782

00:26:22,789 --> 00:26:21,520

thing i mean we're getting kind of past

783

00:26:25,269 --> 00:26:22,799

that anyway

784

00:26:27,350 --> 00:26:25,279

but i will say this um i was a fan of

785

00:26:28,630 --> 00:26:27,360

neither of those candidates um i i was

786

00:26:30,549 --> 00:26:28,640

one of the people at a bernie sign in

787

00:26:31,669 --> 00:26:30,559

front of my house so

788

00:26:33,510 --> 00:26:31,679

um

789

00:26:36,470 --> 00:26:33,520

we might lose or gain some listeners but

790

00:26:38,870 --> 00:26:36,480

that's okay you know whatever um i would

791

00:26:40,549 --> 00:26:38,880

say to people um

792

00:26:42,070 --> 00:26:40,559

i was not a fan of either of the

793

00:26:43,590 --> 00:26:42,080

candidates i used to joke and say i feel

794

00:26:45,350 --> 00:26:43,600

like i'm in the wild west with two

795

00:26:47,430 --> 00:26:45,360

gunslingers shooting at me whatever

796

00:26:48,630 --> 00:26:47,440

wherever i go they're shooting

797

00:26:51,110 --> 00:26:48,640

um

798

00:26:52,470 --> 00:26:51,120

but what what i noticed objectively is

799

00:26:54,549 --> 00:26:52,480

simply that the

800

00:26:57,269 --> 00:26:54,559

establishment media was very very clear

801  
00:26:58,149 --> 00:26:57,279  
as to who they wanted in it was obvious

802  
00:27:01,510 --> 00:26:58,159  
um

803  
00:27:03,190 --> 00:27:01,520  
it was 95 plus literally 95 plus of

804  
00:27:04,950 --> 00:27:03,200  
media establishments wanted hillary

805  
00:27:06,390 --> 00:27:04,960  
clinton in the white house

806  
00:27:08,149 --> 00:27:06,400  
and uh

807  
00:27:10,070 --> 00:27:08,159  
the reason was obvious to me it was

808  
00:27:11,830 --> 00:27:10,080  
obvious because she um

809  
00:27:15,269 --> 00:27:11,840  
she was basically a continuation of the

810  
00:27:17,750 --> 00:27:15,279  
neocon the neoconservative neoliberal

811  
00:27:19,110 --> 00:27:17,760  
uh doctrine uh where trump who's now

812  
00:27:20,549 --> 00:27:19,120  
fulfilling all of those things that

813  
00:27:21,990 --> 00:27:20,559

hillary talked about by the way he's

814

00:27:23,669 --> 00:27:22,000

completely switched over

815

00:27:25,590 --> 00:27:23,679

uh but as a candidate trump was not on

816

00:27:27,110 --> 00:27:25,600

board with that and hillary was so she

817

00:27:28,070 --> 00:27:27,120

was the establishment candidate it was

818

00:27:29,750 --> 00:27:28,080

obvious

819

00:27:31,909 --> 00:27:29,760

um you know she's the one who went to

820

00:27:33,110 --> 00:27:31,919

the bilderberg meeting in 2008 that was

821

00:27:34,470 --> 00:27:33,120

her

822

00:27:35,430 --> 00:27:34,480

she's the one who's worked with the

823

00:27:36,789 --> 00:27:35,440

system

824

00:27:39,590 --> 00:27:36,799

her whole career

825

00:27:41,909 --> 00:27:39,600

and she was a team player and so um all

826  
00:27:42,789 --> 00:27:41,919  
corporate media wanted her on board

827  
00:27:45,110 --> 00:27:42,799  
and

828  
00:27:47,590 --> 00:27:45,120  
knowing that was the the biggest mark

829  
00:27:48,870 --> 00:27:47,600  
against her in my my book personally

830  
00:27:51,350 --> 00:27:48,880  
that there was this

831  
00:27:52,710 --> 00:27:51,360  
lying me mainstream i mean it's it

832  
00:27:54,710 --> 00:27:52,720  
astonished me

833  
00:27:56,549 --> 00:27:54,720  
or all of my uh friends

834  
00:27:58,710 --> 00:27:56,559  
i i i'm someone who i guess would

835  
00:28:00,789 --> 00:27:58,720  
identify as having been on the left

836  
00:28:01,830 --> 00:28:00,799  
my whole life until this last year i

837  
00:28:02,789 --> 00:28:01,840  
don't know what to think of the left

838  
00:28:05,110 --> 00:28:02,799

anymore

839

00:28:07,430 --> 00:28:05,120

but um my friends on the left

840

00:28:09,269 --> 00:28:07,440

none of them trust the cia none of them

841

00:28:10,950 --> 00:28:09,279

tell me they trust the media

842

00:28:13,029 --> 00:28:10,960

until this last year when they all trust

843

00:28:14,870 --> 00:28:13,039

the cia

844

00:28:16,310 --> 00:28:14,880

and i'm like what happened to you people

845

00:28:17,350 --> 00:28:16,320

what happened to my friends they they

846

00:28:19,190 --> 00:28:17,360

all believe

847

00:28:20,630 --> 00:28:19,200

that trump was an agent of putin and

848

00:28:23,830 --> 00:28:20,640

saturn live did the whole thing the

849

00:28:27,830 --> 00:28:23,840

trump putin thing seriously um

850

00:28:30,230 --> 00:28:27,840

anyway um i i feel like the media

851  
00:28:31,909 --> 00:28:30,240  
does create sickness in our society this

852  
00:28:33,029 --> 00:28:31,919  
actually might be a further study of

853  
00:28:35,110 --> 00:28:33,039  
mine

854  
00:28:37,269 --> 00:28:35,120  
um i learned from a

855  
00:28:39,110 --> 00:28:37,279  
a close friend of mine who when people

856  
00:28:40,950 --> 00:28:39,120  
go into therapy

857  
00:28:42,789 --> 00:28:40,960  
the first thing one of the first things

858  
00:28:43,990 --> 00:28:42,799  
that a good therapist will say to them

859  
00:28:45,510 --> 00:28:44,000  
if they're dealing with anxiety and

860  
00:28:47,909 --> 00:28:45,520  
stress and so on

861  
00:28:49,669 --> 00:28:47,919  
is are you watching television news or

862  
00:28:50,950 --> 00:28:49,679  
are you reading news and uh if you are

863  
00:28:51,909 --> 00:28:50,960

stop

864

00:28:53,990 --> 00:28:51,919

wow

865

00:28:56,070 --> 00:28:54,000

yeah so and again this goes back to the

866

00:28:59,510 --> 00:28:56,080

idea that the media does kind of make us

867

00:29:01,510 --> 00:28:59,520

sick and um but it's not all news

868

00:29:03,350 --> 00:29:01,520

you know i i feel that uh being an

869

00:29:04,870 --> 00:29:03,360

informed person

870

00:29:06,549 --> 00:29:04,880

does not make us sick it hasn't made me

871

00:29:08,470 --> 00:29:06,559

sick i feel

872

00:29:09,669 --> 00:29:08,480

i feel great last thing i want to say in

873

00:29:12,630 --> 00:29:09,679

the media and i know you probably want

874

00:29:13,430 --> 00:29:12,640

to switch gears is um for people who are

875

00:29:14,710 --> 00:29:13,440

not

876

00:29:15,669 --> 00:29:14,720

still believing this i would tell them

877

00:29:17,830 --> 00:29:15,679

to um

878

00:29:19,830 --> 00:29:17,840

get get knowledgeable of a couple of

879

00:29:21,990 --> 00:29:19,840

really prominent recent media

880

00:29:23,830 --> 00:29:22,000

whistleblowers there's a lady that i'm a

881

00:29:25,750 --> 00:29:23,840

big fan of name amber lyon

882

00:29:28,230 --> 00:29:25,760

uh three-time emmy award winner

883

00:29:30,470 --> 00:29:28,240

journalist she was with cnn for years

884

00:29:32,549 --> 00:29:30,480

uh back in 2011 she reported on the arab

885

00:29:34,070 --> 00:29:32,559

spring and then she just got sick of it

886

00:29:36,870 --> 00:29:34,080

she said i can't do this anymore and she

887

00:29:38,310 --> 00:29:36,880

just says look governments are paid up

888

00:29:40,710 --> 00:29:38,320

paying us

889

00:29:42,630 --> 00:29:40,720

to create fake news

890

00:29:44,870 --> 00:29:42,640

uh and she talked she when she did the

891

00:29:47,750 --> 00:29:44,880

arab spring back in 2011 she just said

892

00:29:49,990 --> 00:29:47,760

cnn was routinely paid by the us

893

00:29:52,310 --> 00:29:50,000

government and by foreign governments to

894

00:29:54,470 --> 00:29:52,320

selectively report on certain events and

895

00:29:56,070 --> 00:29:54,480

to make up fake news stories

896

00:29:58,389 --> 00:29:56,080

and anyone who's gone into this at all

897

00:29:59,830 --> 00:29:58,399

with fake cnn news i mean there's a

898

00:30:01,590 --> 00:29:59,840

wealth of information to look for

899

00:30:04,789 --> 00:30:01,600

there's another man who i'm a big big

900

00:30:08,230 --> 00:30:04,799

fan of um who recently died his german

901  
00:30:09,590 --> 00:30:08,240  
german journalist named dr uda urfkota

902  
00:30:11,190 --> 00:30:09,600  
and he's on

903  
00:30:14,389 --> 00:30:11,200  
youtube you can find him he talks about

904  
00:30:17,750 --> 00:30:14,399  
how you know we all lie for the cia

905  
00:30:19,830 --> 00:30:17,760  
he was doing stories back um 2010 2011.

906  
00:30:21,590 --> 00:30:19,840  
he said the cia would write this is he

907  
00:30:24,070 --> 00:30:21,600  
said all all european news is controlled

908  
00:30:25,750 --> 00:30:24,080  
by the cia they would literally write

909  
00:30:27,510 --> 00:30:25,760  
stories

910  
00:30:31,110 --> 00:30:27,520  
that he would have to put his byline to

911  
00:30:33,190 --> 00:30:31,120  
on libya on muammar gaddafi in that case

912  
00:30:35,110 --> 00:30:33,200  
and he said if i if i didn't comply i

913  
00:30:37,029 --> 00:30:35,120

would have just lost my job but they

914

00:30:38,630 --> 00:30:37,039

would write the stories my name would be

915

00:30:41,190 --> 00:30:38,640

on it and it would be these all these

916

00:30:42,870 --> 00:30:41,200

hit pieces propaganda pieces that

917

00:30:44,549 --> 00:30:42,880

uh that was european and european

918

00:30:47,669 --> 00:30:44,559

journalism and then i'm a big fan of a

919

00:30:50,389 --> 00:30:47,679

lady named cheryl atkisson former cbs

920

00:30:52,549 --> 00:30:50,399

news and she's out there she's given ted

921

00:30:54,630 --> 00:30:52,559

talks i believe and she talks about like

922

00:30:57,909 --> 00:30:54,640

uh astroturfing which is a very

923

00:30:59,269 --> 00:30:57,919

important phenomenon basically faking

924

00:31:01,669 --> 00:30:59,279

your data

925

00:31:03,190 --> 00:31:01,679

to promote yourself astroturfing happens

926  
00:31:05,509 --> 00:31:03,200  
on wikipedia

927  
00:31:07,110 --> 00:31:05,519  
um she calls an astroturfer's dream come

928  
00:31:08,870 --> 00:31:07,120  
true as wikipedia

929  
00:31:11,830 --> 00:31:08,880  
but

930  
00:31:14,470 --> 00:31:11,840  
how um the news around us is is very

931  
00:31:15,909 --> 00:31:14,480  
deliberately falsified right

932  
00:31:16,870 --> 00:31:15,919  
so there's a lot of information on this

933  
00:31:18,789 --> 00:31:16,880  
out there

934  
00:31:23,509 --> 00:31:18,799  
um

935  
00:31:24,789 --> 00:31:23,519  
happy you're able to steer us towards

936  
00:31:27,110 --> 00:31:24,799  
some uh

937  
00:31:28,389 --> 00:31:27,120  
some sources that we can actually uh

938  
00:31:31,750 --> 00:31:28,399

well

939

00:31:33,990 --> 00:31:31,760

nothing thank you nothing is uh certain

940

00:31:36,630 --> 00:31:34,000

and no source not art i talked about rtn

941

00:31:39,350 --> 00:31:36,640

global research look um i like them very

942

00:31:41,190 --> 00:31:39,360

much i find that they give me a leg up

943

00:31:43,269 --> 00:31:41,200

against uh people who follow the

944

00:31:44,149 --> 00:31:43,279

mainstream that's for sure

945

00:31:50,149 --> 00:31:44,159

um

946

00:31:51,029 --> 00:31:50,159

is certain i mean what we all have to do

947

00:31:52,310 --> 00:31:51,039

is

948

00:31:54,710 --> 00:31:52,320

we have to use our brain we have to

949

00:31:56,950 --> 00:31:54,720

think and it's

950

00:31:58,389 --> 00:31:56,960

you know there's no magic formula

951  
00:32:00,710 --> 00:31:58,399  
i'm sorry to say this to people there's

952  
00:32:03,029 --> 00:32:00,720  
no sure shot way

953  
00:32:04,389 --> 00:32:03,039  
to say oh for sure read this site don't

954  
00:32:06,470 --> 00:32:04,399  
go there

955  
00:32:09,190 --> 00:32:06,480  
what we have to do though is understand

956  
00:32:11,110 --> 00:32:09,200  
first and foremost that we are part of

957  
00:32:14,230 --> 00:32:11,120  
a control system

958  
00:32:16,789 --> 00:32:14,240  
i think once we get that we can begin a

959  
00:32:18,389 --> 00:32:16,799  
process and it can take years for some

960  
00:32:19,990 --> 00:32:18,399  
people depending on how far into the

961  
00:32:21,350 --> 00:32:20,000  
system they are

962  
00:32:23,430 --> 00:32:21,360  
you know it's not as easy like in the

963  
00:32:25,430 --> 00:32:23,440

matrix where you just take the red pill

964

00:32:26,630 --> 00:32:25,440

and all is revealed i i wish it were

965

00:32:29,350 --> 00:32:26,640

that easy

966

00:32:31,430 --> 00:32:29,360

um we are peeling the deception away by

967

00:32:32,870 --> 00:32:31,440

layer after layer after layer and it

968

00:32:34,230 --> 00:32:32,880

does take time and it's emotionally

969

00:32:35,509 --> 00:32:34,240

difficult

970

00:32:37,190 --> 00:32:35,519

um

971

00:32:38,310 --> 00:32:37,200

and i'm doing research on false flags

972

00:32:39,750 --> 00:32:38,320

these days

973

00:32:41,430 --> 00:32:39,760

and what i've

974

00:32:44,630 --> 00:32:41,440

definitely learned is that

975

00:32:46,950 --> 00:32:44,640

one reason false flags are so successful

976  
00:32:48,310 --> 00:32:46,960  
is because they combine our our emotion

977  
00:32:50,389 --> 00:32:48,320  
with our mind

978  
00:32:51,830 --> 00:32:50,399  
so the trauma of a false flag which is

979  
00:32:52,870 --> 00:32:51,840  
always horrible

980  
00:32:56,310 --> 00:32:52,880  
um

981  
00:32:57,509 --> 00:32:56,320  
you know tears at us emotionally and

982  
00:32:59,430 --> 00:32:57,519  
and then

983  
00:33:00,950 --> 00:32:59,440  
what makes them effective is that the

984  
00:33:02,789 --> 00:33:00,960  
authorities will come in immediately

985  
00:33:03,909 --> 00:33:02,799  
with a narrative that appeals to our

986  
00:33:07,509 --> 00:33:03,919  
intellect

987  
00:33:08,630 --> 00:33:07,519  
to the emotion the mind and the heart

988  
00:33:11,110 --> 00:33:08,640

become one

989

00:33:13,669 --> 00:33:11,120

and once we accept that

990

00:33:16,070 --> 00:33:13,679

explanation from the authorities

991

00:33:18,389 --> 00:33:16,080

it becomes wedded to the trauma and it

992

00:33:20,470 --> 00:33:18,399

becomes very very difficult if not

993

00:33:22,789 --> 00:33:20,480

impossible for most people to question

994

00:33:25,509 --> 00:33:22,799

that intellectual explanation

995

00:33:27,669 --> 00:33:25,519

so i think false flags work on this um

996

00:33:30,389 --> 00:33:27,679

it's a very devious uh way that they use

997

00:33:31,669 --> 00:33:30,399

this manipulation it's very effective

998

00:33:32,470 --> 00:33:31,679

so for

999

00:33:33,909 --> 00:33:32,480

and it

1000

00:33:36,149 --> 00:33:33,919

doesn't work simply with false flags it

1001  
00:33:38,710 --> 00:33:36,159  
works with all forms of propaganda

1002  
00:33:39,909 --> 00:33:38,720  
people buy into something and the longer

1003  
00:33:42,549 --> 00:33:39,919  
and longer you buy into something the

1004  
00:33:43,909 --> 00:33:42,559  
harder and harder it is to buy out

1005  
00:33:46,230 --> 00:33:43,919  
absolutely

1006  
00:33:48,789 --> 00:33:46,240  
i couldn't put it better myself um

1007  
00:33:50,789 --> 00:33:48,799  
well in terms of um

1008  
00:33:52,789 --> 00:33:50,799  
love it or hate it rich um

1009  
00:33:54,630 --> 00:33:52,799  
a lot of people

1010  
00:33:56,870 --> 00:33:54,640  
are into this movement and that's the

1011  
00:33:58,710 --> 00:33:56,880  
idea of disclosure um getting back to

1012  
00:34:00,710 --> 00:33:58,720  
the ufo topic oh yes

1013  
00:34:03,669 --> 00:34:00,720

and uh you

1014

00:34:05,990 --> 00:34:03,679

recently looked into uh you came out

1015

00:34:08,069 --> 00:34:06,000

with a small publication about ufos and

1016

00:34:10,470 --> 00:34:08,079

disclosure in the trump era now i just

1017

00:34:13,510 --> 00:34:10,480

want to briefly touch on this because we

1018

00:34:16,550 --> 00:34:13,520

could talk about this forever but um

1019

00:34:20,069 --> 00:34:16,560

this idea that you know we have a

1020

00:34:22,230 --> 00:34:20,079

a potus who is not afraid to tweet at 3

1021

00:34:23,909 --> 00:34:22,240

a.m in the morning something about

1022

00:34:26,710 --> 00:34:23,919

anything um

1023

00:34:28,710 --> 00:34:26,720

so in terms of the ufo question some

1024

00:34:31,510 --> 00:34:28,720

people think that this may

1025

00:34:33,990 --> 00:34:31,520

be the time that we get a tweet in the

1026

00:34:35,829 --> 00:34:34,000

morning about what happened in roswell i

1027

00:34:36,790 --> 00:34:35,839

mean that's that's going a little far

1028

00:34:38,389 --> 00:34:36,800

but

1029

00:34:40,069 --> 00:34:38,399

i was one of the first people i think to

1030

00:34:42,790 --> 00:34:40,079

just put that little idea out there and

1031

00:34:44,629 --> 00:34:42,800

and i almost did it whimsically um

1032

00:34:47,349 --> 00:34:44,639

i wrote a piece on trump and uh

1033

00:34:48,389 --> 00:34:47,359

disclosure the day after he got elected

1034

00:34:50,550 --> 00:34:48,399

i remember

1035

00:34:52,069 --> 00:34:50,560

when yeah when the world when uh most of

1036

00:34:54,069 --> 00:34:52,079

the uh

1037

00:34:55,430 --> 00:34:54,079

the the i guess the the liberal the left

1038

00:34:57,990 --> 00:34:55,440

world was uh

1039

00:34:58,950 --> 00:34:58,000

going into some serious serious serious

1040

00:35:00,550 --> 00:34:58,960

trauma

1041

00:35:02,710 --> 00:35:00,560

over that election

1042

00:35:04,630 --> 00:35:02,720

uh and certainly in the ufo fields uh

1043

00:35:07,109 --> 00:35:04,640

there were a lot of folks you know our

1044

00:35:09,750 --> 00:35:07,119

friend stephen bassett and grant cameron

1045

00:35:12,310 --> 00:35:09,760

uh for two of them really believed

1046

00:35:13,990 --> 00:35:12,320

that hillary clinton was the disclosure

1047

00:35:16,310 --> 00:35:14,000

candidate i mean

1048

00:35:17,990 --> 00:35:16,320

bassett absolutely believed it uh

1049

00:35:19,670 --> 00:35:18,000

actually he he believed furthermore that

1050

00:35:21,349 --> 00:35:19,680

obama would do it before the end of the

1051  
00:35:23,750 --> 00:35:21,359  
uh his term

1052  
00:35:24,870 --> 00:35:23,760  
uh i for my part i publicly stated many

1053  
00:35:26,470 --> 00:35:24,880  
times that i did not believe that that

1054  
00:35:28,390 --> 00:35:26,480  
would happen

1055  
00:35:29,270 --> 00:35:28,400  
but we all thought hillary clinton would

1056  
00:35:30,630 --> 00:35:29,280  
win

1057  
00:35:32,310 --> 00:35:30,640  
uh i certainly thought she was going to

1058  
00:35:33,990 --> 00:35:32,320  
go i thought it was a done deal frankly

1059  
00:35:36,069 --> 00:35:34,000  
the whole system was just rigged on her

1060  
00:35:38,150 --> 00:35:36,079  
behalf that was my opinion

1061  
00:35:39,270 --> 00:35:38,160  
anyway so when trump got elected

1062  
00:35:40,790 --> 00:35:39,280  
i thought well let's just take a look at

1063  
00:35:42,829 --> 00:35:40,800

this situation

1064

00:35:45,910 --> 00:35:42,839

uh this was a guy who at least

1065

00:35:47,430 --> 00:35:45,920

particularly at that time there's been a

1066

00:35:48,790 --> 00:35:47,440

struggle going on since then we need to

1067

00:35:50,470 --> 00:35:48,800

talk about this

1068

00:35:52,390 --> 00:35:50,480

but trump

1069

00:35:54,390 --> 00:35:52,400

seems

1070

00:35:57,270 --> 00:35:54,400

like a guy who um

1071

00:35:59,030 --> 00:35:57,280

he's not he's a disrupter he's a

1072

00:35:59,990 --> 00:35:59,040

disrupter and no matter how one looks at

1073

00:36:02,550 --> 00:36:00,000

him

1074

00:36:04,870 --> 00:36:02,560

he um he's staring up the pot a bit and

1075

00:36:06,150 --> 00:36:04,880

um he was saying things this whole

1076

00:36:07,750 --> 00:36:06,160

as a candidate you know let's make

1077

00:36:10,390 --> 00:36:07,760

friends with russia this was a big thing

1078

00:36:11,829 --> 00:36:10,400

and he got reamed for this by

1079

00:36:13,589 --> 00:36:11,839

all sides of the political spectrum it

1080

00:36:15,670 --> 00:36:13,599

was astonishing to watch

1081

00:36:18,470 --> 00:36:15,680

um and then his anti-globalist thing was

1082

00:36:19,750 --> 00:36:18,480

was very clearly against the the main

1083

00:36:21,589 --> 00:36:19,760

current

1084

00:36:23,910 --> 00:36:21,599

so i thought this is a guy who's become

1085

00:36:27,750 --> 00:36:23,920

an enemy of big parts of the national

1086

00:36:29,349 --> 00:36:27,760

security apparatus that's obvious and

1087

00:36:30,630 --> 00:36:29,359

you know i never thought hillary clinton

1088

00:36:32,550 --> 00:36:30,640

would be a disclosure candidate because

1089

00:36:33,910 --> 00:36:32,560

i saw her as the consummate insider

1090

00:36:36,630 --> 00:36:33,920

trump

1091

00:36:37,750 --> 00:36:36,640

um is not the same type of insider and i

1092

00:36:39,430 --> 00:36:37,760

thought

1093

00:36:41,030 --> 00:36:39,440

i said you're still more likely to win

1094

00:36:43,190 --> 00:36:41,040

getting getting a lottery ticket than

1095

00:36:44,870 --> 00:36:43,200

waiting for a trump disclosure

1096

00:36:47,030 --> 00:36:44,880

and i i think even more strongly that

1097

00:36:48,950 --> 00:36:47,040

now but i thought actually

1098

00:36:50,870 --> 00:36:48,960

this man's personality

1099

00:36:53,030 --> 00:36:50,880

is such that

1100

00:36:55,030 --> 00:36:53,040

he actually might do a 3am tweet do you

1101  
00:36:56,550 --> 00:36:55,040  
say you could just imagine him saying

1102  
00:36:58,069 --> 00:36:56,560  
something like everyone knows ufos are

1103  
00:37:00,150 --> 00:36:58,079  
real

1104  
00:37:02,790 --> 00:37:00,160  
and the funny thing about

1105  
00:37:04,550 --> 00:37:02,800  
trump is like could you imagine unlike

1106  
00:37:08,069 --> 00:37:04,560  
with obama like if obama were to do a

1107  
00:37:09,990 --> 00:37:08,079  
disclosure of ufos had he done so i

1108  
00:37:11,670 --> 00:37:10,000  
think there would have been a much

1109  
00:37:13,990 --> 00:37:11,680  
higher like people would have been like

1110  
00:37:16,470 --> 00:37:14,000  
oh my god i can't believe it trump who's

1111  
00:37:17,750 --> 00:37:16,480  
gonna believe him like i really think

1112  
00:37:19,270 --> 00:37:17,760  
there's a lot of folks who would just

1113  
00:37:21,430 --> 00:37:19,280

say this man is

1114

00:37:24,069 --> 00:37:21,440

you know certifiably insane and people

1115

00:37:27,589 --> 00:37:24,079

think that already so if this were

1116

00:37:29,109 --> 00:37:27,599

to do a disclosure of ufos

1117

00:37:31,750 --> 00:37:29,119

seriously this would be a real problem i

1118

00:37:33,190 --> 00:37:31,760

don't i think

1119

00:37:34,390 --> 00:37:33,200

um

1120

00:37:35,190 --> 00:37:34,400

i think it would be very difficult for

1121

00:37:37,349 --> 00:37:35,200

him

1122

00:37:38,950 --> 00:37:37,359

and when i when i publish this booklet

1123

00:37:40,310 --> 00:37:38,960

it's about a hundred pages long it's

1124

00:37:41,829 --> 00:37:40,320

just under

1125

00:37:43,430 --> 00:37:41,839

um

1126  
00:37:44,870 --> 00:37:43,440  
you know it was already evident to me i

1127  
00:37:45,910 --> 00:37:44,880  
wrote i published it in march about a

1128  
00:37:48,470 --> 00:37:45,920  
month ago

1129  
00:37:49,670 --> 00:37:48,480  
uh it was already clear that he was

1130  
00:37:52,310 --> 00:37:49,680  
losing

1131  
00:37:54,150 --> 00:37:52,320  
his if it was a battle with the deep

1132  
00:37:56,150 --> 00:37:54,160  
state he was losing it even by mid-march

1133  
00:37:57,430 --> 00:37:56,160  
like it was obvious to me that he was

1134  
00:37:59,670 --> 00:37:57,440  
uh on the

1135  
00:38:01,990 --> 00:37:59,680  
he had been out maneuvered completely

1136  
00:38:03,270 --> 00:38:02,000  
outmaneuvered so that any reform of the

1137  
00:38:04,790 --> 00:38:03,280  
intelligence community was not going to

1138  
00:38:06,550 --> 00:38:04,800

happen because they they took out

1139

00:38:07,750 --> 00:38:06,560

michael flynn like immediately he was

1140

00:38:09,750 --> 00:38:07,760

the only person who could have done a

1141

00:38:11,430 --> 00:38:09,760

reform of the intelligence community he

1142

00:38:14,069 --> 00:38:11,440

was the first one out

1143

00:38:15,670 --> 00:38:14,079

in that kind of a specious uh russia

1144

00:38:17,270 --> 00:38:15,680

thing there

1145

00:38:19,510 --> 00:38:17,280

so all of all the loyal people around

1146

00:38:21,270 --> 00:38:19,520

him he's basically surrounded by council

1147

00:38:22,630 --> 00:38:21,280

on foreign relations people globalists

1148

00:38:23,829 --> 00:38:22,640

that's they've they've taken over

1149

00:38:25,829 --> 00:38:23,839

they've got them

1150

00:38:26,950 --> 00:38:25,839

so by mid-march it was evident to me

1151

00:38:29,190 --> 00:38:26,960

that

1152

00:38:31,030 --> 00:38:29,200

uh it's unlikely

1153

00:38:33,510 --> 00:38:31,040

but um

1154

00:38:34,870 --> 00:38:33,520

nonetheless uh

1155

00:38:37,589 --> 00:38:34,880

we're in a situation where there's a

1156

00:38:39,750 --> 00:38:37,599

kind of covert war going on a war of

1157

00:38:41,270 --> 00:38:39,760

leaks for example all of these leaks

1158

00:38:42,790 --> 00:38:41,280

that we're seeing

1159

00:38:45,910 --> 00:38:42,800

uh against and

1160

00:38:47,430 --> 00:38:45,920

against trump and against other people

1161

00:38:48,870 --> 00:38:47,440

are signs that the intelligence

1162

00:38:51,430 --> 00:38:48,880

community

1163

00:38:54,230 --> 00:38:51,440

is fighting itself

1164

00:38:57,430 --> 00:38:54,240

so in that type of a situation it just

1165

00:39:00,710 --> 00:38:57,440

seemed to me there's enough instability

1166

00:39:02,630 --> 00:39:00,720

that there could be some accidental

1167

00:39:04,470 --> 00:39:02,640

or who knows what someone might say what

1168

00:39:06,310 --> 00:39:04,480

the heck just an intentional

1169

00:39:08,550 --> 00:39:06,320

putting this information out there i

1170

00:39:10,390 --> 00:39:08,560

don't think that that's likely

1171

00:39:13,190 --> 00:39:10,400

but um

1172

00:39:15,910 --> 00:39:13,200

but i will say in my own observation

1173

00:39:17,270 --> 00:39:15,920

over political history over the past 50

1174

00:39:20,630 --> 00:39:17,280

plus years

1175

00:39:22,230 --> 00:39:20,640

during times of great instability

1176

00:39:23,670 --> 00:39:22,240

in many nations

1177

00:39:26,470 --> 00:39:23,680

it can happen

1178

00:39:28,390 --> 00:39:26,480

that ufo data leaks out and comes out

1179

00:39:30,790 --> 00:39:28,400

particularly when there's regime change

1180

00:39:32,150 --> 00:39:30,800

when uh when mao died in china this

1181

00:39:34,470 --> 00:39:32,160

happened over there when the soviet

1182

00:39:36,390 --> 00:39:34,480

union broke apart it happened very much

1183

00:39:37,990 --> 00:39:36,400

so there after watergate in our own

1184

00:39:39,990 --> 00:39:38,000

society we strengthened our freedom of

1185

00:39:42,310 --> 00:39:40,000

information act which led to a great

1186

00:39:44,470 --> 00:39:42,320

release of ufo information in spain

1187

00:39:46,950 --> 00:39:44,480

after the dictator franco died in the

1188

00:39:49,829 --> 00:39:46,960

70s it led to a release of ufo data

1189

00:39:50,950 --> 00:39:49,839

there so when there's instability in the

1190

00:39:52,870 --> 00:39:50,960

system

1191

00:39:56,470 --> 00:39:52,880

things come out and that includes ufo

1192

00:39:58,630 --> 00:39:56,480

data we are in a very unstable political

1193

00:40:00,630 --> 00:39:58,640

situation here in the united states

1194

00:40:03,030 --> 00:40:00,640

and so for that reason

1195

00:40:04,230 --> 00:40:03,040

um i could see

1196

00:40:05,670 --> 00:40:04,240

something unexpected something

1197

00:40:08,230 --> 00:40:05,680

accidental happening

1198

00:40:10,710 --> 00:40:08,240

i'm not i don't say bet on it

1199

00:40:12,390 --> 00:40:10,720

um i i don't think there's ever a

1200

00:40:13,589 --> 00:40:12,400

a year where it's a good bet but there

1201  
00:40:14,870 --> 00:40:13,599  
are some years where it might be better

1202  
00:40:17,510 --> 00:40:14,880  
than others

1203  
00:40:19,349 --> 00:40:17,520  
absolutely yeah the the harder you shake

1204  
00:40:21,030 --> 00:40:19,359  
the more that's going to come out but um

1205  
00:40:22,710 --> 00:40:21,040  
who knows who knows what's going to

1206  
00:40:24,550 --> 00:40:22,720  
happen the thing that i try to look at

1207  
00:40:27,349 --> 00:40:24,560  
in this booklet of mine is the

1208  
00:40:30,150 --> 00:40:27,359  
international situation um you know

1209  
00:40:31,990 --> 00:40:30,160  
people for years would ask me well

1210  
00:40:33,190 --> 00:40:32,000  
sure there's a uf oh cover-up in the

1211  
00:40:34,870 --> 00:40:33,200  
united states but what about other

1212  
00:40:36,390 --> 00:40:34,880  
countries what about what about britain

1213  
00:40:37,750 --> 00:40:36,400

what about brazil what about russia what

1214

00:40:38,950 --> 00:40:37,760

about india

1215

00:40:41,990 --> 00:40:38,960

and it's true you know we're in a big

1216

00:40:45,030 --> 00:40:42,000

world so what is it about these other

1217

00:40:47,589 --> 00:40:45,040

nations that allows for this phenomenon

1218

00:40:50,390 --> 00:40:47,599

to be secret and i i really do try in

1219

00:40:53,109 --> 00:40:50,400

this booklet um

1220

00:40:55,670 --> 00:40:53,119

to deal with that issue um and one of

1221

00:40:58,230 --> 00:40:55,680

the things that i point out is

1222

00:40:59,430 --> 00:40:58,240

excuse me is that um

1223

00:41:00,870 --> 00:40:59,440

you know although the united states

1224

00:41:01,589 --> 00:41:00,880

isn't the only nation in the world it is

1225

00:41:02,950 --> 00:41:01,599

still

1226  
00:41:04,870 --> 00:41:02,960  
the dominant

1227  
00:41:08,950 --> 00:41:04,880  
nation in the world by far

1228  
00:41:11,430 --> 00:41:08,960  
and there are only uh a handful

1229  
00:41:14,950 --> 00:41:11,440  
of nations that are

1230  
00:41:16,150 --> 00:41:14,960  
outside of predominant preeminent u.s

1231  
00:41:18,309 --> 00:41:16,160  
influence

1232  
00:41:20,230 --> 00:41:18,319  
all right there's only a few so the us

1233  
00:41:21,990 --> 00:41:20,240  
runs all of the nato countries which are

1234  
00:41:25,190 --> 00:41:22,000  
very powerful the us

1235  
00:41:27,430 --> 00:41:25,200  
has dominant influence over most of

1236  
00:41:31,589 --> 00:41:27,440  
central and south america

1237  
00:41:34,470 --> 00:41:31,599  
the u.s has a very strong influence over

1238  
00:41:36,550 --> 00:41:34,480

most of the significant nations

1239

00:41:38,390 --> 00:41:36,560

in the far east we're talking japan

1240

00:41:39,990 --> 00:41:38,400

south korea

1241

00:41:41,750 --> 00:41:40,000

southeast asia

1242

00:41:44,630 --> 00:41:41,760

australia obviously

1243

00:41:47,190 --> 00:41:44,640

there are only a few

1244

00:41:49,589 --> 00:41:47,200

significant nations that are still

1245

00:41:51,270 --> 00:41:49,599

outside u.s control we're talking russia

1246

00:41:52,150 --> 00:41:51,280

first and foremost china those two big

1247

00:41:53,910 --> 00:41:52,160

ones

1248

00:41:55,270 --> 00:41:53,920

iran

1249

00:41:56,790 --> 00:41:55,280

north korea

1250

00:41:58,790 --> 00:41:56,800

uh syria

1251  
00:42:01,190 --> 00:41:58,800  
although syria is you know the whole

1252  
00:42:03,670 --> 00:42:01,200  
point is to make syria cave but those

1253  
00:42:06,230 --> 00:42:03,680  
those are some of the the key nations

1254  
00:42:08,230 --> 00:42:06,240  
and and really of those

1255  
00:42:10,069 --> 00:42:08,240  
the only the two big ones obviously are

1256  
00:42:11,270 --> 00:42:10,079  
russia and china

1257  
00:42:13,270 --> 00:42:11,280  
um

1258  
00:42:14,950 --> 00:42:13,280  
because of the 200 or so sovereign

1259  
00:42:18,069 --> 00:42:14,960  
nations that exist on this planet only

1260  
00:42:19,829 --> 00:42:18,079  
only a handful maybe maybe 20

1261  
00:42:21,589 --> 00:42:19,839  
have a military intelligence community

1262  
00:42:23,670 --> 00:42:21,599  
that's significant enough that would

1263  
00:42:24,710 --> 00:42:23,680

allow them to

1264

00:42:25,430 --> 00:42:24,720

have

1265

00:42:53,589 --> 00:42:25,440

a

1266

00:42:56,150 --> 00:42:53,599

the time including shout outs on the

1267

00:42:58,950 --> 00:42:56,160

show early editions of main episodes

1268

00:43:01,430 --> 00:42:58,960

bonus episodes and content and very soon

1269

00:43:04,790 --> 00:43:01,440

monthly patron hangouts where we sit

1270

00:43:06,550 --> 00:43:04,800

back and chat all things ufos so i hope

90 of global military spending is um

1277

00:43:30,790 --> 00:43:28,960

wrapped up with the the top 15 20

1278

00:43:35,190 --> 00:43:30,800

nations

1279

00:43:37,190 --> 00:43:35,200

we have to look at in terms of ufo

1280

00:43:38,069 --> 00:43:37,200

secrecy the other nations i think i

1281

00:43:40,790 --> 00:43:38,079

don't really think they have enough

1282

00:43:42,470 --> 00:43:40,800

knowledge or data or ability to have any

1283

00:43:44,470 --> 00:43:42,480

um like they wouldn't be able to

1284

00:43:47,430 --> 00:43:44,480

disclose the ufo reality

1285

00:43:49,270 --> 00:43:47,440

and of the top 20 the us controls um you

1286

00:43:51,910 --> 00:43:49,280

know 17

1287

00:43:53,030 --> 00:43:51,920

18 of them only russia and china are not

1288

00:43:54,309 --> 00:43:53,040

in there so

1289

00:43:56,069 --> 00:43:54,319

we really are looking at russia and

1290

00:43:57,829 --> 00:43:56,079

china for the international scene as far

1291

00:44:00,390 --> 00:43:57,839

as the wild cards go

1292

00:44:01,670 --> 00:44:00,400

and i i see them as very conservative

1293

00:44:02,630 --> 00:44:01,680

generally speaking they're conservative

1294

00:44:04,390 --> 00:44:02,640

nations

1295

00:44:06,069 --> 00:44:04,400

um they don't want they're not

1296

00:44:07,829 --> 00:44:06,079

interested in shaking things up in a

1297

00:44:09,270 --> 00:44:07,839

dramatic way and plus they're both

1298

00:44:12,309 --> 00:44:09,280

heavily dependent

1299

00:44:13,190 --> 00:44:12,319

on hydrocarbons gas and oil

1300

00:44:15,349 --> 00:44:13,200

to me

1301

00:44:16,390 --> 00:44:15,359

i've looked at ufo disclosure always as

1302

00:44:18,470 --> 00:44:16,400

something

1303

00:44:20,550 --> 00:44:18,480

that has energy implications

1304

00:44:22,470 --> 00:44:20,560

i feel that it has to

1305

00:44:24,069 --> 00:44:22,480

because once an acknowledgement of ufos

1306

00:44:26,150 --> 00:44:24,079

is made

1307

00:44:27,990 --> 00:44:26,160

um

1308

00:44:31,030 --> 00:44:28,000

how long will it take people to realize

1309

00:44:33,349 --> 00:44:31,040

oh wow so wait a minute if they're real

1310

00:44:35,589 --> 00:44:33,359

i assume they're not using high octane

1311

00:44:37,109 --> 00:44:35,599

petroleum right

1312

00:44:39,910 --> 00:44:37,119

whatever it is it's better than what

1313

00:44:41,589 --> 00:44:39,920

we're using and so implicit in the ufo

1314

00:44:43,270 --> 00:44:41,599

disclosure

1315

00:44:45,030 --> 00:44:43,280

i've always felt is a post-petroleum

1316

00:44:48,309 --> 00:44:45,040

society and that's i can't think of

1317

00:44:50,150 --> 00:44:48,319

anything more revolutionary in our

1318

00:44:51,829 --> 00:44:50,160

infrastructure than that and i don't

1319

00:44:53,030 --> 00:44:51,839

think russia and china are any more

1320

00:44:55,190 --> 00:44:53,040

interested

1321

00:44:57,270 --> 00:44:55,200

in rocking that boat than the u.s power

1322

00:45:00,150 --> 00:44:57,280

structure right at least right now

1323

00:45:03,510 --> 00:45:00,160

so i see a great deal of um

1324

00:45:05,030 --> 00:45:03,520

of stability coming from those countries

1325

00:45:06,710 --> 00:45:05,040

um although i would actually if there

1326

00:45:08,150 --> 00:45:06,720

was to be a disclosure i would probably

1327

00:45:11,109 --> 00:45:08,160

almost prefer that the chinese or

1328

00:45:12,710 --> 00:45:11,119

russians do it ahead of the americans

1329

00:45:14,870 --> 00:45:12,720

right and i i just because i think the

1330

00:45:16,870 --> 00:45:14,880

americans are just uh they're they've

1331

00:45:19,030 --> 00:45:16,880

been lying for so long and they've been

1332

00:45:20,870 --> 00:45:19,040

running this for so long um

1333

00:45:22,470 --> 00:45:20,880

we i've got to get over the idea i mean

1334

00:45:24,069 --> 00:45:22,480

i'm american i love america i study

1335

00:45:26,470 --> 00:45:24,079

american history every day

1336

00:45:27,589 --> 00:45:26,480

but uh america is not not the good guy

1337

00:45:29,990 --> 00:45:27,599

in this battle

1338

00:45:31,030 --> 00:45:30,000

right and you know capitalization is

1339

00:45:33,829 --> 00:45:31,040

always

1340

00:45:36,710 --> 00:45:33,839

uh an issue with this even if

1341

00:45:39,510 --> 00:45:36,720

you know the reality of ufos were to be

1342

00:45:42,309 --> 00:45:39,520

given to the public and then that you

1343

00:45:44,630 --> 00:45:42,319

know let's say free energy or whatever

1344

00:45:46,950 --> 00:45:44,640

whatever the hell these things

1345

00:45:49,750 --> 00:45:46,960

use this propulsion uh

1346

00:45:51,910 --> 00:45:49,760

you know how how long will it take for

1347

00:45:55,030 --> 00:45:51,920

the government which is a very broad

1348

00:45:56,710 --> 00:45:55,040

term to uh control and contain that to

1349

00:45:57,510 --> 00:45:56,720

capitalize off of it you know what i

1350

00:46:00,309 --> 00:45:57,520

mean

1351

00:46:03,670 --> 00:46:00,319

switching from crude oil to free energy

1352

00:46:06,550 --> 00:46:03,680

um i i'm sure there's some sort of

1353

00:46:09,109 --> 00:46:06,560

plan or agenda in action to

1354

00:46:12,390 --> 00:46:09,119

when if and when that day comes say our

1355

00:46:14,150 --> 00:46:12,400

oil resources completely deplete um how

1356

00:46:16,069 --> 00:46:14,160

will they make the most money off of

1357

00:46:17,030 --> 00:46:16,079

this new form of energy

1358

00:46:18,470 --> 00:46:17,040

let's stay with this thought for a

1359

00:46:20,150 --> 00:46:18,480

minute is it's really an interesting

1360

00:46:21,670 --> 00:46:20,160

thought so there's monetizing the

1361

00:46:23,750 --> 00:46:21,680

technology which i agree with you

1362

00:46:26,550 --> 00:46:23,760

completely has got to be key

1363

00:46:29,430 --> 00:46:26,560

and then the other concern

1364

00:46:31,349 --> 00:46:29,440

so well as far as monetizing

1365

00:46:33,910 --> 00:46:31,359

i mean i wonder if it's possible that

1366

00:46:36,309 --> 00:46:33,920

they haven't figured out an accurate

1367

00:46:38,390 --> 00:46:36,319

good way to monetize us

1368

00:46:39,750 --> 00:46:38,400

so and that might be the real problem

1369

00:46:41,270 --> 00:46:39,760

for example

1370

00:46:43,430 --> 00:46:41,280

you know there are stories and rumors

1371

00:46:45,910 --> 00:46:43,440

and i don't really know if this is the

1372

00:46:47,990 --> 00:46:45,920

truth but you know back when tesla was

1373

00:46:49,990 --> 00:46:48,000

working on his

1374

00:46:51,270 --> 00:46:50,000

his uh energy

1375

00:46:54,069 --> 00:46:51,280

transmitter

1376

00:46:54,870 --> 00:46:54,079

at wycliffe and um warden cliff i think

1377

00:46:56,230 --> 00:46:54,880

right

1378

00:46:59,349 --> 00:46:56,240

and it and

1379

00:47:02,150 --> 00:46:59,359

and jp morgan was financing him

1380

00:47:04,150 --> 00:47:02,160

uh and and tesla's

1381

00:47:05,829 --> 00:47:04,160

uh lab was burned down and everyone

1382

00:47:08,630 --> 00:47:05,839

suspected that jp morgan had a hand in

1383

00:47:11,109 --> 00:47:08,640

it probably did morgan was a the devious

1384

00:47:12,550 --> 00:47:11,119

master of the universe in his day

1385

00:47:14,309 --> 00:47:12,560

and the real creator by the way of the

1386

00:47:15,750 --> 00:47:14,319

modern military industrial complex

1387

00:47:16,550 --> 00:47:15,760

incidentally he did it during world war

1388

00:47:19,030 --> 00:47:16,560

one

1389

00:47:21,349 --> 00:47:19,040

and he he ran the whole thing but the

1390

00:47:22,950 --> 00:47:21,359

point is morgan

1391

00:47:24,549 --> 00:47:22,960

um

1392

00:47:26,150 --> 00:47:24,559

could very well have have destroyed

1393

00:47:27,990 --> 00:47:26,160

tesla's work because he couldn't see how

1394

00:47:29,510 --> 00:47:28,000

to monetize it i mean

1395

00:47:31,829 --> 00:47:29,520

you know we're all working off of oil

1396

00:47:33,349 --> 00:47:31,839

and gas back then especially oil

1397

00:47:35,510 --> 00:47:33,359

so um

1398

00:47:36,630 --> 00:47:35,520

and today how would you monetize free

1399

00:47:38,710 --> 00:47:36,640

energy

1400

00:47:41,109 --> 00:47:38,720

if it's if it's literally or nearly

1401  
00:47:43,030 --> 00:47:41,119  
literally free

1402  
00:47:45,190 --> 00:47:43,040  
you know to give people a tremendous

1403  
00:47:46,470 --> 00:47:45,200  
amount of energy

1404  
00:47:48,390 --> 00:47:46,480  
you're not going to make as much money

1405  
00:47:50,309 --> 00:47:48,400  
off of it you just won't

1406  
00:47:53,190 --> 00:47:50,319  
and so that's a real problem and we are

1407  
00:47:55,829 --> 00:47:53,200  
living in a world that is dominated

1408  
00:47:57,670 --> 00:47:55,839  
by um the extraction of hydrocarbons

1409  
00:48:00,390 --> 00:47:57,680  
from the ground and that's the physical

1410  
00:48:02,710 --> 00:48:00,400  
control over the oil and natural gas

1411  
00:48:05,829 --> 00:48:02,720  
is what dominates u.s policy

1412  
00:48:08,950 --> 00:48:05,839  
that is what it is all about it's 98 99

1413  
00:48:11,750 --> 00:48:08,960

of u.s policy is control over oil and

1414

00:48:13,750 --> 00:48:11,760

natural gas and not just physical oil

1415

00:48:15,589 --> 00:48:13,760

but the sale of oil through petrodollars

1416

00:48:17,510 --> 00:48:15,599

the whole petrodollar system is the

1417

00:48:19,750 --> 00:48:17,520

foundation of u.s policy

1418

00:48:22,790 --> 00:48:19,760

that is forcing oil producing regions to

1419

00:48:24,470 --> 00:48:22,800

sell their oil in u.s dollars

1420

00:48:26,710 --> 00:48:24,480

the petrol dollar system is starting to

1421

00:48:27,750 --> 00:48:26,720

break down russia and china

1422

00:48:29,670 --> 00:48:27,760

are

1423

00:48:31,510 --> 00:48:29,680

breaking it down saddam broke out of it

1424

00:48:32,829 --> 00:48:31,520

in 2000 and that's why the u.s invaded

1425

00:48:35,510 --> 00:48:32,839

iraq back

1426

00:48:39,349 --> 00:48:35,520

then but the system is is inevitably

1427

00:48:41,430 --> 00:48:39,359

breaking but but with free energy um

1428

00:48:43,270 --> 00:48:41,440

you know monetizing this oil and gas

1429

00:48:44,870 --> 00:48:43,280

would be i'm not excuse me monetizing

1430

00:48:46,150 --> 00:48:44,880

the new form of energy would be it's

1431

00:48:49,030 --> 00:48:46,160

very problematic and then the other

1432

00:48:51,430 --> 00:48:49,040

aspect of free energy that might be

1433

00:48:52,790 --> 00:48:51,440

possibly even more problematic

1434

00:48:55,270 --> 00:48:52,800

is

1435

00:48:56,549 --> 00:48:55,280

energy gives you and me and all the

1436

00:48:59,670 --> 00:48:56,559

listeners

1437

00:49:01,430 --> 00:48:59,680

a tremendous amount of power

1438

00:49:05,990 --> 00:49:01,440

figuratively and literally

1439

00:49:09,270 --> 00:49:07,829

not only could you be independent of

1440

00:49:11,349 --> 00:49:09,280

your electrical

1441

00:49:13,510 --> 00:49:11,359

you know you go off the grid essentially

1442

00:49:15,270 --> 00:49:13,520

you wouldn't you don't need

1443

00:49:18,069 --> 00:49:15,280

your utility company

1444

00:49:20,390 --> 00:49:18,079

and you're not dependent

1445

00:49:21,910 --> 00:49:20,400

on that critically important thing for

1446

00:49:23,910 --> 00:49:21,920

your survival

1447

00:49:26,710 --> 00:49:23,920

it would be possible if someone had an

1448

00:49:28,549 --> 00:49:26,720

independent source of energy

1449

00:49:30,470 --> 00:49:28,559

literally to go off the grid and to go

1450

00:49:31,750 --> 00:49:30,480

out into the desert somewhere and you

1451

00:49:33,190 --> 00:49:31,760

could create your own house and you

1452

00:49:33,990 --> 00:49:33,200

could create your own energy system you

1453

00:49:37,990 --> 00:49:34,000

could

1454

00:49:40,150 --> 00:49:38,000

you know synthesize your own water

1455

00:49:42,549 --> 00:49:40,160

through from the air i mean with energy

1456

00:49:44,549 --> 00:49:42,559

everything is solvable

1457

00:49:46,710 --> 00:49:44,559

everything is fixable with sufficient

1458

00:49:48,470 --> 00:49:46,720

energy and so what that does is it gives

1459

00:49:50,150 --> 00:49:48,480

people freedom

1460

00:49:53,190 --> 00:49:50,160

a lot of freedom from the system from

1461

00:49:54,790 --> 00:49:53,200

authority and um i've got to assume

1462

00:49:57,349 --> 00:49:54,800

people at the top are not interested the

1463

00:49:59,910 --> 00:49:57,359

other the other problem with free energy

1464

00:50:01,670 --> 00:49:59,920

is that there is a danger

1465

00:50:04,150 --> 00:50:01,680

uh human beings are dangerous we're not

1466

00:50:07,190 --> 00:50:04,160

nice people we're dangerous people and

1467

00:50:09,109 --> 00:50:07,200

if um i mean individually you and i on a

1468

00:50:11,430 --> 00:50:09,119

good day were nice but

1469

00:50:13,829 --> 00:50:11,440

overall if you give people

1470

00:50:15,910 --> 00:50:13,839

infinite freedom

1471

00:50:19,270 --> 00:50:15,920

we often become very very dangerous and

1472

00:50:22,710 --> 00:50:21,190

and so what if with this free energy not

1473

00:50:24,829 --> 00:50:22,720

only could you heat your house forever

1474

00:50:27,990 --> 00:50:24,839

for free but you can make a really nifty

1475

00:50:29,750 --> 00:50:28,000

bomb um what if if we're using something

1476  
00:50:31,190 --> 00:50:29,760  
like zero point energy if that's the

1477  
00:50:32,390 --> 00:50:31,200  
solution

1478  
00:50:33,589 --> 00:50:32,400  
you um

1479  
00:50:36,470 --> 00:50:33,599  
you know i remember reading a statement

1480  
00:50:37,750 --> 00:50:36,480  
by dr hal put off who i know how

1481  
00:50:38,710 --> 00:50:37,760  
physicist

1482  
00:50:40,549 --> 00:50:38,720  
who's

1483  
00:50:42,150 --> 00:50:40,559  
very much in the forefront of zero point

1484  
00:50:44,069 --> 00:50:42,160  
energy research and he

1485  
00:50:45,190 --> 00:50:44,079  
once speculated you know

1486  
00:50:46,390 --> 00:50:45,200  
what if there's enough energy in this

1487  
00:50:48,309 --> 00:50:46,400  
cup of coffee to blow up half the

1488  
00:50:50,630 --> 00:50:48,319

pacific ocean

1489

00:50:52,150 --> 00:50:50,640

and and he wasn't joking like he doesn't

1490

00:50:54,069 --> 00:50:52,160

know that there is but

1491

00:50:55,589 --> 00:50:54,079

theoretically it could be the amount of

1492

00:50:57,510 --> 00:50:55,599

energy in zero point could be

1493

00:50:59,589 --> 00:50:57,520

insignificant or it could be

1494

00:51:01,990 --> 00:50:59,599

unbelievably vast

1495

00:51:03,109 --> 00:51:02,000

and what if a free energy solution

1496

00:51:05,349 --> 00:51:03,119

allows

1497

00:51:07,030 --> 00:51:05,359

for tremendous extraction of energy or

1498

00:51:09,750 --> 00:51:07,040

production of energy

1499

00:51:11,270 --> 00:51:09,760

that would be very destructive

1500

00:51:12,950 --> 00:51:11,280

and so now we're letting loose this

1501

00:51:15,190 --> 00:51:12,960

genie out of the bottle

1502

00:51:17,750 --> 00:51:15,200

that could be a very dangerous one

1503

00:51:19,430 --> 00:51:17,760

and so this is one one area where i

1504

00:51:21,190 --> 00:51:19,440

might have sympathy right with the

1505

00:51:23,430 --> 00:51:21,200

secret keepers i mean anyone thinking

1506

00:51:25,349 --> 00:51:23,440

this theory would think oh my god

1507

00:51:28,630 --> 00:51:25,359

the problem is

1508

00:51:32,150 --> 00:51:28,640

a we don't know the energy implications

1509

00:51:34,870 --> 00:51:32,160

um the i do know that secrecy has become

1510

00:51:36,630 --> 00:51:34,880

a very destructive

1511

00:51:39,750 --> 00:51:36,640

um

1512

00:51:42,630 --> 00:51:39,760

uh thing for our society that

1513

00:51:44,470 --> 00:51:42,640

for those idealists left who believe in

1514

00:51:46,069 --> 00:51:44,480

freedom and liberty and freedom of

1515

00:51:47,829 --> 00:51:46,079

inquiry it's been very dangerous for

1516

00:51:49,750 --> 00:51:47,839

that it's been very destructive

1517

00:51:51,670 --> 00:51:49,760

and we've moved into a kind of

1518

00:51:52,790 --> 00:51:51,680

neo-fascist oligarchy i don't know how

1519

00:51:54,470 --> 00:51:52,800

else to call it

1520

00:51:56,870 --> 00:51:54,480

so for those things i i'm not a fan of

1521

00:51:58,230 --> 00:51:56,880

that and i believe in um in the sunshine

1522

00:52:00,150 --> 00:51:58,240

of truth

1523

00:52:01,510 --> 00:52:00,160

so for that reason i i'll always believe

1524

00:52:03,270 --> 00:52:01,520

in disclosure

1525

00:52:04,790 --> 00:52:03,280

i have to believe in the truth

1526

00:52:06,549 --> 00:52:04,800

um because if i if i can't believe in

1527

00:52:08,470 --> 00:52:06,559

the truth then that there's nothing else

1528

00:52:10,470 --> 00:52:08,480

really for me to believe in

1529

00:52:12,549 --> 00:52:10,480

and i think that it's still the most

1530

00:52:15,030 --> 00:52:12,559

uh proper foundation for a stable

1531

00:52:17,190 --> 00:52:15,040

society is truth not falsehood

1532

00:52:19,589 --> 00:52:17,200

but um if the truth is that we can't

1533

00:52:21,030 --> 00:52:19,599

control this energy then

1534

00:52:23,589 --> 00:52:21,040

then our world will have to find out

1535

00:52:26,230 --> 00:52:23,599

ways of creating the control and

1536

00:52:28,670 --> 00:52:26,240

are we moving then toward a completely

1537

00:52:33,109 --> 00:52:30,870

inclusive system where everyone is

1538

00:52:35,750 --> 00:52:33,119

monitored where everything is

1539

00:52:37,750 --> 00:52:35,760

being checked by uh you know centralized

1540

00:52:40,069 --> 00:52:37,760

artificial intelligence for example to

1541

00:52:42,630 --> 00:52:40,079

make sure that no one's building

1542

00:52:44,309 --> 00:52:42,640

the world's biggest bomb right

1543

00:52:46,150 --> 00:52:44,319

yeah i mean i i don't know i don't know

1544

00:52:49,190 --> 00:52:46,160

what the solution is we're moving into a

1545

00:52:51,190 --> 00:52:49,200

very uh you know the ufo subject is one

1546

00:52:54,549 --> 00:52:51,200

of several

1547

00:52:56,790 --> 00:52:54,559

uh key issues that are going to drive

1548

00:52:58,790 --> 00:52:56,800

our future it's only one of them it's a

1549

00:53:00,710 --> 00:52:58,800

big one but it's not the only one

1550

00:53:02,549 --> 00:53:00,720

and we're moving into

1551  
00:53:03,829 --> 00:53:02,559  
a very very different world the next 20

1552  
00:53:05,190 --> 00:53:03,839  
years i don't even know who could

1553  
00:53:06,549 --> 00:53:05,200  
predict what our world is going to look

1554  
00:53:08,710 --> 00:53:06,559  
like in 20 years

1555  
00:53:11,349 --> 00:53:08,720  
right it's it's never been more

1556  
00:53:13,109 --> 00:53:11,359  
uncertain i feel uh and that's either

1557  
00:53:14,470 --> 00:53:13,119  
going to be an extremely exciting time

1558  
00:53:17,589 --> 00:53:14,480  
to live in uh

1559  
00:53:19,510 --> 00:53:17,599  
or scary or exciting or all the above

1560  
00:53:21,990 --> 00:53:19,520  
who knows the only time i agree

1561  
00:53:23,430 --> 00:53:22,000  
one of the things that i i did um

1562  
00:53:25,190 --> 00:53:23,440  
that i've been thinking through in this

1563  
00:53:27,270 --> 00:53:25,200

whole disclosure scenario is different

1564

00:53:30,150 --> 00:53:27,280

scenarios of disclosure

1565

00:53:32,630 --> 00:53:30,160

right um when i wrote after disclosure

1566

00:53:34,710 --> 00:53:32,640

six years ago um

1567

00:53:36,870 --> 00:53:34,720

seven wow

1568

00:53:39,109 --> 00:53:36,880

um we really had one fundamental

1569

00:53:41,109 --> 00:53:39,119

disclosure scenario and it's what i

1570

00:53:42,630 --> 00:53:41,119

would now call premature disclosure so

1571

00:53:43,829 --> 00:53:42,640

in other words some something accidental

1572

00:53:45,270 --> 00:53:43,839

happens

1573

00:53:47,990 --> 00:53:45,280

a sighting

1574

00:53:49,430 --> 00:53:48,000

um a leak something unexpected because

1575

00:53:51,750 --> 00:53:49,440

we're in

1576

00:53:53,750 --> 00:53:51,760

a very tumultuous era

1577

00:53:55,750 --> 00:53:53,760

where things are unexpected and

1578

00:53:57,109 --> 00:53:55,760

i've often said disclosure is impossible

1579

00:53:59,270 --> 00:53:57,119

but inevitable

1580

00:54:01,349 --> 00:53:59,280

like that paradox

1581

00:54:03,589 --> 00:54:01,359

and that is indeed a

1582

00:54:05,270 --> 00:54:03,599

a real possible way that

1583

00:54:06,470 --> 00:54:05,280

the disclosure will happen it won't be a

1584

00:54:08,710 --> 00:54:06,480

plan

1585

00:54:11,270 --> 00:54:08,720

but it will happen as a result of

1586

00:54:12,710 --> 00:54:11,280

some accident uh you know wikileaks or

1587

00:54:14,549 --> 00:54:12,720

sighting or something like that but

1588

00:54:16,950 --> 00:54:14,559

there are other scenarios of disclosure

1589

00:54:19,990 --> 00:54:16,960

and actually it occurred to me

1590

00:54:21,829 --> 00:54:20,000

after we wrote after disclosure that um

1591

00:54:23,510 --> 00:54:21,839

maybe the leading candidate isn't that

1592

00:54:24,950 --> 00:54:23,520

one but rather a kind of fascist form of

1593

00:54:25,910 --> 00:54:24,960

disclosure

1594

00:54:27,829 --> 00:54:25,920

um

1595

00:54:29,990 --> 00:54:27,839

in other words we're moving toward we're

1596

00:54:32,230 --> 00:54:30,000

moving into towards some version of a

1597

00:54:33,750 --> 00:54:32,240

neo-fascism i say neo-fascism because

1598

00:54:36,950 --> 00:54:33,760

fascism

1599

00:54:38,390 --> 00:54:36,960

in 2017 is not going to look like 1937

1600

00:54:40,549 --> 00:54:38,400

right with hitler's brown shirts i mean

1601  
00:54:43,270 --> 00:54:40,559  
nothing's ever the same in history we're

1602  
00:54:46,789 --> 00:54:43,280  
in a different era but but a a

1603  
00:54:49,829 --> 00:54:46,799  
new iteration aversion

1604  
00:54:51,829 --> 00:54:49,839  
and it seems to me that once

1605  
00:54:53,670 --> 00:54:51,839  
complete control over the spin over the

1606  
00:54:55,750 --> 00:54:53,680  
propaganda system total control is

1607  
00:54:57,030 --> 00:54:55,760  
assured then maybe we might be moving

1608  
00:54:58,789 --> 00:54:57,040  
into a system where there'll be a

1609  
00:55:01,270 --> 00:54:58,799  
disclosure of some sort

1610  
00:55:03,349 --> 00:55:01,280  
um but i don't think that

1611  
00:55:04,470 --> 00:55:03,359  
that era has arise arisen yet where

1612  
00:55:05,750 --> 00:55:04,480  
we've got

1613  
00:55:07,109 --> 00:55:05,760

where there's total control over the

1614

00:55:09,990 --> 00:55:07,119

spin there's still enough independence

1615

00:55:11,670 --> 00:55:10,000

out there so if there's a disclosure

1616

00:55:14,390 --> 00:55:11,680

it's not clear to me that the government

1617

00:55:16,069 --> 00:55:14,400

or the intelligence community would

1618

00:55:18,309 --> 00:55:16,079

be able to maintain full control over

1619

00:55:20,950 --> 00:55:18,319

the spin they control can they control

1620

00:55:23,190 --> 00:55:20,960

spin from so much and they might for

1621

00:55:25,270 --> 00:55:23,200

this but this is a a big topic this is a

1622

00:55:26,549 --> 00:55:25,280

tough one so i think once they get to a

1623

00:55:28,870 --> 00:55:26,559

point where they're

1624

00:55:31,349 --> 00:55:28,880

convinced that yes we control the news

1625

00:55:32,390 --> 00:55:31,359

we're surveilling people 24 7. we've got

1626  
00:55:33,829 --> 00:55:32,400  
everyone shipped we've got everyone

1627  
00:55:35,510 --> 00:55:33,839  
drugged we've got everyone basically

1628  
00:55:37,990 --> 00:55:35,520  
zoned out when watching dancing with the

1629  
00:55:39,910 --> 00:55:38,000  
stars now we can we can roll this out

1630  
00:55:41,510 --> 00:55:39,920  
because no one knows anything anymore i

1631  
00:55:42,630 --> 00:55:41,520  
mean we've erased

1632  
00:55:43,829 --> 00:55:42,640  
and really all you have to do is look

1633  
00:55:45,910 --> 00:55:43,839  
around you

1634  
00:55:48,789 --> 00:55:45,920  
and it's it's distressing to me

1635  
00:55:50,309 --> 00:55:48,799  
i see so few people with even the most

1636  
00:55:51,829 --> 00:55:50,319  
bare bones understanding of history and

1637  
00:55:52,590 --> 00:55:51,839  
politics

1638  
00:55:55,030 --> 00:55:52,600

it's um

1639

00:55:56,390 --> 00:55:55,040

[Music]

1640

00:55:58,390 --> 00:55:56,400

i don't know if it was any better when i

1641

00:56:01,430 --> 00:55:58,400

was a younger guy

1642

00:56:02,870 --> 00:56:01,440

but i think it was better um i

1643

00:56:04,789 --> 00:56:02,880

i don't know

1644

00:56:07,109 --> 00:56:04,799

there are there's a few people

1645

00:56:09,750 --> 00:56:07,119

nowadays who are kind of awake

1646

00:56:11,829 --> 00:56:09,760

but there's an enormous mass of people

1647

00:56:13,910 --> 00:56:11,839

who i just think are

1648

00:56:16,069 --> 00:56:13,920

as asleep at the switch as ever maybe

1649

00:56:17,109 --> 00:56:16,079

maybe i don't know maybe i'm wrong but

1650

00:56:18,630 --> 00:56:17,119

anyway i think we're moving toward a

1651  
00:56:20,150 --> 00:56:18,640  
fascist kind of disclosure i think

1652  
00:56:21,910 --> 00:56:20,160  
that's the preferred method of

1653  
00:56:23,670 --> 00:56:21,920  
disclosure but there's other

1654  
00:56:25,510 --> 00:56:23,680  
there's other ways there's that

1655  
00:56:27,030 --> 00:56:25,520  
you know an accident can happen a leak

1656  
00:56:28,870 --> 00:56:27,040  
can happen or

1657  
00:56:31,190 --> 00:56:28,880  
best case scenario uh the people

1658  
00:56:33,109 --> 00:56:31,200  
themselves we can drive this process and

1659  
00:56:35,510 --> 00:56:33,119  
i i think that's the healthiest way

1660  
00:56:38,069 --> 00:56:35,520  
because it helps us to reclaim our power

1661  
00:56:39,670 --> 00:56:38,079  
help reclaim the helplessness

1662  
00:56:41,109 --> 00:56:39,680  
to get rid of that which has been

1663  
00:56:44,150 --> 00:56:41,119

encroaching on our lives for the last

1664

00:56:46,309 --> 00:56:44,160

generation or more right well you know

1665

00:56:49,190 --> 00:56:46,319

rich i i do have to bring this up the

1666

00:56:52,150 --> 00:56:49,200

black sheep and ufology at this moment

1667

00:56:55,430 --> 00:56:52,160

in terms of disclosure uh and that's tom

1668

00:56:58,789 --> 00:56:55,440

delong uh what oh indeed what do you

1669

00:57:01,109 --> 00:56:58,799

make of this entire thing going on

1670

00:57:02,309 --> 00:57:01,119

is this guy for real is he actually

1671

00:57:05,109 --> 00:57:02,319

being fed

1672

00:57:07,030 --> 00:57:05,119

disinformation information probably a

1673

00:57:08,710 --> 00:57:07,040

mixture of both or is this all complete

1674

00:57:09,589 --> 00:57:08,720

[h\_\_\h] like what what do you make of

1675

00:57:11,589 --> 00:57:09,599

this

1676

00:57:14,390 --> 00:57:11,599

uh yeah that's a very good question i

1677

00:57:17,910 --> 00:57:14,400

met i met tom delange once uh back in

1678

00:57:19,670 --> 00:57:17,920

2014 he was he i liked him you know he's

1679

00:57:22,150 --> 00:57:19,680

for anyone who's living in a cave he's

1680

00:57:24,150 --> 00:57:22,160

the head lead singer blink 182.

1681

00:57:25,910 --> 00:57:24,160

my daughter who's now 18 you know when

1682

00:57:27,750 --> 00:57:25,920

she was a few years ago she loved blink

1683

00:57:29,829 --> 00:57:27,760

182.

1684

00:57:32,069 --> 00:57:29,839

and um

1685

00:57:34,549 --> 00:57:32,079

and so he's he's into ufos i met him in

1686

00:57:35,430 --> 00:57:34,559

2014 he was really into it then

1687

00:57:37,349 --> 00:57:35,440

um

1688

00:57:39,430 --> 00:57:37,359

this was before he wrote his book

1689

00:57:40,950 --> 00:57:39,440

secret machines

1690

00:57:43,109 --> 00:57:40,960

and

1691

00:57:45,349 --> 00:57:43,119

i um

1692

00:57:47,270 --> 00:57:45,359

i'm very cautious i'm very i actually i

1693

00:57:49,109 --> 00:57:47,280

don't i don't take

1694

00:57:50,630 --> 00:57:49,119

what he's saying at face value i i

1695

00:57:51,750 --> 00:57:50,640

haven't from the beginning and i and i

1696

00:57:53,750 --> 00:57:51,760

will not

1697

00:57:55,990 --> 00:57:53,760

um it seems to me it's way too

1698

00:57:57,349 --> 00:57:56,000

convenient the leakers coming to him

1699

00:57:58,870 --> 00:57:57,359

have convinced him that they're the

1700

00:58:00,630 --> 00:57:58,880

white hats

1701  
00:58:02,470 --> 00:58:00,640  
that uh the secrecy exists for a good

1702  
00:58:03,910 --> 00:58:02,480  
reason and he has said this and that

1703  
00:58:05,750 --> 00:58:03,920  
they're protecting us they're they're

1704  
00:58:07,829 --> 00:58:05,760  
working on our behalf

1705  
00:58:09,670 --> 00:58:07,839  
and i just think that that's a very

1706  
00:58:12,549 --> 00:58:09,680  
self-serving

1707  
00:58:15,109 --> 00:58:12,559  
way to promote the information when i

1708  
00:58:17,589 --> 00:58:15,119  
look at the history of secrecy i do not

1709  
00:58:19,349 --> 00:58:17,599  
see that i see secrecy as a very

1710  
00:58:21,990 --> 00:58:19,359  
self-serving

1711  
00:58:23,990 --> 00:58:22,000  
uh profit driven control control-driven

1712  
00:58:25,349 --> 00:58:24,000  
type of situation

1713  
00:58:27,190 --> 00:58:25,359

where um

1714

00:58:29,430 --> 00:58:27,200

there may very well be people on the

1715

00:58:31,349 --> 00:58:29,440

inside who believe

1716

00:58:32,789 --> 00:58:31,359

that uh they'll they'll rationalize

1717

00:58:34,150 --> 00:58:32,799

anything um you know we're doing this

1718

00:58:35,750 --> 00:58:34,160

for the people but

1719

00:58:37,109 --> 00:58:35,760

in reality i don't

1720

00:58:38,309 --> 00:58:37,119

i don't believe that that is the case i

1721

00:58:40,630 --> 00:58:38,319

think there's way too much profit and

1722

00:58:43,510 --> 00:58:40,640

power involved in the ufo secret

1723

00:58:44,950 --> 00:58:43,520

um having said that are these people for

1724

00:58:47,510 --> 00:58:44,960

real are they giving him genuine

1725

00:58:49,750 --> 00:58:47,520

information

1726

00:58:51,030 --> 00:58:49,760

um bottom line is this none of this is

1727

00:58:54,630 --> 00:58:51,040

really going to make

1728

00:58:57,270 --> 00:58:54,640

much headway until genuine confirmable

1729

00:58:59,190 --> 00:58:57,280

data is released

1730

00:59:00,870 --> 00:58:59,200

otherwise it's just people talking

1731

00:59:03,589 --> 00:59:00,880

right and even if they're head of

1732

00:59:05,430 --> 00:59:03,599

lockheed skunk works even if they uh run

1733

00:59:06,630 --> 00:59:05,440

the lab at wright-patterson

1734

00:59:08,710 --> 00:59:06,640

uh where

1735

00:59:10,549 --> 00:59:08,720

we believe alien tech was being studied

1736

00:59:11,829 --> 00:59:10,559

i mean those are two of his leakers two

1737

00:59:13,829 --> 00:59:11,839

of his people

1738

00:59:14,870 --> 00:59:13,839

um doesn't matter

1739

00:59:17,270 --> 00:59:14,880

it

1740

00:59:20,150 --> 00:59:17,280

these people none of them

1741

00:59:22,069 --> 00:59:20,160

have made a public statement that can be

1742

00:59:22,789 --> 00:59:22,079

directly attributable to them that they

1743

00:59:24,390 --> 00:59:22,799

will

1744

00:59:27,430 --> 00:59:24,400

publicly support

1745

00:59:28,470 --> 00:59:27,440

all right so when the head

1746

00:59:31,109 --> 00:59:28,480

of

1747

00:59:32,390 --> 00:59:31,119

boeing skunk works oh excuse me lucky

1748

00:59:34,710 --> 00:59:32,400

skunk works

1749

00:59:36,470 --> 00:59:34,720

um comes out and says yes i've been

1750

00:59:38,230 --> 00:59:36,480

meeting with tom delange we talked about

1751

00:59:40,150 --> 00:59:38,240

this this is real

1752

00:59:42,309 --> 00:59:40,160

if the head of right pat's

1753

00:59:45,430 --> 00:59:42,319

uh laboratory comes out mccaslin i think

1754

00:59:48,230 --> 00:59:45,440

his name is comes out and says this then

1755

00:59:50,710 --> 00:59:48,240

yes if uh the major general over at

1756

00:59:52,390 --> 00:59:50,720

cheyenne mountain comes out and states

1757

00:59:54,630 --> 00:59:52,400

we're doing this right now these people

1758

00:59:56,870 --> 00:59:54,640

are hiding way in the background and tom

1759

00:59:57,750 --> 00:59:56,880

delange is their front man

1760

00:59:59,349 --> 00:59:57,760

and

1761

01:00:00,630 --> 00:59:59,359

he's putting himself out there but the

1762

01:00:01,750 --> 01:00:00,640

problem with that

1763

01:00:04,309 --> 01:00:01,760

strategy

1764

01:00:06,549 --> 01:00:04,319

is that tom delange is a rock star

1765

01:00:08,710 --> 01:00:06,559

and and i believe he's a good guy but

1766

01:00:10,309 --> 01:00:08,720

that's not enough

1767

01:00:12,789 --> 01:00:10,319

to

1768

01:00:15,030 --> 01:00:12,799

give credibility

1769

01:00:16,870 --> 01:00:15,040

to this phenomenon while these guys are

1770

01:00:18,470 --> 01:00:16,880

hanging out in the background

1771

01:00:21,510 --> 01:00:18,480

no public statements

1772

01:00:23,270 --> 01:00:21,520

and and absolutely no data

1773

01:00:25,270 --> 01:00:23,280

well yeah confirmable information is

1774

01:00:28,150 --> 01:00:25,280

coming out so yeah so all it says is

1775

01:00:29,270 --> 01:00:28,160

talk talk talk it's talk and and to add

1776

01:00:31,430 --> 01:00:29,280

i mean

1777

01:00:33,910 --> 01:00:31,440

their names were never supposed to be

1778

01:00:36,309 --> 01:00:33,920

given until the podesta emails were

1779

01:00:38,470 --> 01:00:36,319

leaked so i mean right there and they're

1780

01:00:41,109 --> 01:00:38,480

even further back in the corner not

1781

01:00:43,109 --> 01:00:41,119

willing to come forward uh or make any

1782

01:00:44,870 --> 01:00:43,119

public sentiment i agree with you and i

1783

01:00:48,069 --> 01:00:44,880

think the podesta angle has been really

1784

01:00:50,150 --> 01:00:48,079

overplayed and played up um

1785

01:00:51,430 --> 01:00:50,160

okay this is where i have yeah i have to

1786

01:00:53,270 --> 01:00:51,440

strongly disagree with my friend

1787

01:00:54,950 --> 01:00:53,280

colleague steven bassett i think uh he

1788

01:00:56,870 --> 01:00:54,960

got this whole thing wrong and grant

1789

01:00:58,789 --> 01:00:56,880

cameron um and i respect them both

1790

01:01:00,710 --> 01:00:58,799

tremendously but i've never agreed with

1791

01:01:02,950 --> 01:01:00,720

him on this where they think podesta is

1792

01:01:04,309 --> 01:01:02,960

genuinely pushing for disclosure i've

1793

01:01:06,150 --> 01:01:04,319

never seen this

1794

01:01:09,030 --> 01:01:06,160

um it's one thing to have an interest in

1795

01:01:10,549 --> 01:01:09,040

ufos which okay he does

1796

01:01:13,349 --> 01:01:10,559

um

1797

01:01:14,390 --> 01:01:13,359

and yes yes podesta made a couple of

1798

01:01:16,630 --> 01:01:14,400

statements

1799

01:01:18,710 --> 01:01:16,640

about ufos in his career he did this he

1800

01:01:21,589 --> 01:01:18,720

did the press conference back in o2 and

1801  
01:01:23,750 --> 01:01:21,599  
he made the tweets the one tweet

1802  
01:01:24,870 --> 01:01:23,760  
disclosure

1803  
01:01:26,789 --> 01:01:24,880  
however

1804  
01:01:29,349 --> 01:01:26,799  
john podesta is one of the most savvy

1805  
01:01:30,390 --> 01:01:29,359  
political operators in the world right

1806  
01:01:31,349 --> 01:01:30,400  
right

1807  
01:01:34,069 --> 01:01:31,359  
um

1808  
01:01:35,430 --> 01:01:34,079  
and i firmly believe

1809  
01:01:37,349 --> 01:01:35,440  
that he

1810  
01:01:39,430 --> 01:01:37,359  
has made

1811  
01:01:41,349 --> 01:01:39,440  
um a recognition

1812  
01:01:44,710 --> 01:01:41,359  
that the ufo subject

1813  
01:01:47,190 --> 01:01:44,720

in 2014 2015 2016 and today

1814

01:01:49,030 --> 01:01:47,200

this is not where it was at in the 1990s

1815

01:01:51,190 --> 01:01:49,040

the 1990s you talk about ufos it's a

1816

01:01:53,910 --> 01:01:51,200

career ender you're done

1817

01:01:55,349 --> 01:01:53,920

hell even in 2008 it torpedoed the

1818

01:01:58,309 --> 01:01:55,359

career of dennis kucinich for his

1819

01:02:00,150 --> 01:01:58,319

presidential candidate candidacy when um

1820

01:02:02,150 --> 01:02:00,160

they just tore him to pieces over the

1821

01:02:03,589 --> 01:02:02,160

fact that he'd been a ufo witness

1822

01:02:05,670 --> 01:02:03,599

he didn't even talk about it and by the

1823

01:02:06,630 --> 01:02:05,680

way he was corroborated by two other

1824

01:02:08,470 --> 01:02:06,640

people

1825

01:02:09,910 --> 01:02:08,480

who said oh yes absolutely it was a

1826  
01:02:11,270 --> 01:02:09,920  
triangle it was unbelievable we were on

1827  
01:02:12,150 --> 01:02:11,280  
the property of shirley maclaine when it

1828  
01:02:13,910 --> 01:02:12,160  
happened

1829  
01:02:15,349 --> 01:02:13,920  
i mean it was a really good sighting

1830  
01:02:16,870 --> 01:02:15,359  
back in the 80s

1831  
01:02:20,470 --> 01:02:16,880  
and kucinich got

1832  
01:02:23,029 --> 01:02:20,480  
reamed in 2008 for that but even since

1833  
01:02:24,789 --> 01:02:23,039  
08 we've gone through a dramatic

1834  
01:02:26,309 --> 01:02:24,799  
transformation of the culture with

1835  
01:02:27,670 --> 01:02:26,319  
youtube and facebook

1836  
01:02:29,589 --> 01:02:27,680  
social media

1837  
01:02:30,630 --> 01:02:29,599  
and i think podesta is a savvy political

1838  
01:02:32,710 --> 01:02:30,640

operator

1839

01:02:35,829 --> 01:02:32,720

has recognized that there are votes to

1840

01:02:37,510 --> 01:02:35,839

be won that ufos are kind of cool they

1841

01:02:39,910 --> 01:02:37,520

actually are kind of cool

1842

01:02:42,150 --> 01:02:39,920

um people are into it there's a

1843

01:02:43,750 --> 01:02:42,160

tremendous market ufos in other words

1844

01:02:46,870 --> 01:02:43,760

are a brand

1845

01:02:48,789 --> 01:02:46,880

yes they're a brand and podesta realizes

1846

01:02:50,309 --> 01:02:48,799

that this brand can be tapped as long as

1847

01:02:52,309 --> 01:02:50,319

you're careful

1848

01:02:53,829 --> 01:02:52,319

like and and he's been very careful he's

1849

01:02:55,349 --> 01:02:53,839

very smart about this and hillary was

1850

01:02:57,349 --> 01:02:55,359

very smart about this

1851

01:02:59,349 --> 01:02:57,359

she let podesta do the talking

1852

01:03:01,109 --> 01:02:59,359

for the most part a little bit then she

1853

01:03:02,710 --> 01:03:01,119

did her thing on jimmy kimmel

1854

01:03:06,230 --> 01:03:02,720

but um

1855

01:03:08,069 --> 01:03:06,240

she never overplayed the ufo part

1856

01:03:10,950 --> 01:03:08,079

they did it just enough to get people

1857

01:03:13,430 --> 01:03:10,960

into ufos to think oh wow wow they're

1858

01:03:15,589 --> 01:03:13,440

into ufos i'm going to vote for her

1859

01:03:17,750 --> 01:03:15,599

and i be i believe that's exactly and

1860

01:03:20,069 --> 01:03:17,760

100 of what it was all about was simply

1861

01:03:21,430 --> 01:03:20,079

to get the vote and i would

1862

01:03:23,109 --> 01:03:21,440

i mean we'll never know because she

1863

01:03:26,150 --> 01:03:23,119

didn't win the election but

1864

01:03:28,470 --> 01:03:26,160

had she won i i would absolutely never

1865

01:03:31,190 --> 01:03:28,480

have expected her to do anything like a

1866

01:03:33,990 --> 01:03:31,200

disclosure never yeah

1867

01:03:36,950 --> 01:03:34,000

uh well in terms of uh

1868

01:03:39,349 --> 01:03:36,960

civilian research into the ufo topic

1869

01:03:42,309 --> 01:03:39,359

rich um i want to touch on

1870

01:03:43,589 --> 01:03:42,319

uh you know the the big one let's say

1871

01:03:45,109 --> 01:03:43,599

mufon

1872

01:03:47,029 --> 01:03:45,119

this is a listener question from i

1873

01:03:49,349 --> 01:03:47,039

believe a field investigator what are

1874

01:03:52,069 --> 01:03:49,359

your thoughts on the functionality and

1875

01:03:54,309 --> 01:03:52,079

the behavior of research organizations

1876

01:03:57,510 --> 01:03:54,319

looking into the ufo topic

1877

01:04:00,390 --> 01:03:57,520

that's a great question um

1878

01:04:02,789 --> 01:04:00,400

i'm uh i'm a strong supporter in the in

1879

01:04:05,670 --> 01:04:02,799

the idea of mufon i think we need

1880

01:04:07,430 --> 01:04:05,680

organizations like mufon

1881

01:04:08,870 --> 01:04:07,440

i i get a little frustrated when people

1882

01:04:10,069 --> 01:04:08,880

say oh we're done we're done with ufo

1883

01:04:12,230 --> 01:04:10,079

reports now let's talk about the

1884

01:04:13,670 --> 01:04:12,240

implications well yes and no we're not

1885

01:04:15,349 --> 01:04:13,680

really done with ufo reports and the

1886

01:04:17,990 --> 01:04:15,359

reason we're not done with them

1887

01:04:22,309 --> 01:04:18,000

is because what we absolutely need are

1888

01:04:24,150 --> 01:04:22,319

well researched solid investigated cases

1889

01:04:27,910 --> 01:04:24,160

uh this strengthens

1890

01:04:29,670 --> 01:04:27,920

the cause for all of us and mufon

1891

01:04:31,670 --> 01:04:29,680

above any other organization that i can

1892

01:04:32,630 --> 01:04:31,680

think of is really best suited to do

1893

01:04:34,230 --> 01:04:32,640

this

1894

01:04:35,829 --> 01:04:34,240

in other words a very strong move on

1895

01:04:37,109 --> 01:04:35,839

investigation

1896

01:04:41,029 --> 01:04:37,119

that

1897

01:04:42,710 --> 01:04:41,039

interviews witnesses it gets

1898

01:04:44,950 --> 01:04:42,720

any kind of evidence that it can put

1899

01:04:47,190 --> 01:04:44,960

forth and and a proper analysis to show

1900

01:04:48,309 --> 01:04:47,200

that such and such a ufo incident is

1901

01:04:50,950 --> 01:04:48,319

genuine and doesn't seem to be

1902

01:04:53,990 --> 01:04:50,960

explainable conventionally we need this

1903

01:04:55,029 --> 01:04:54,000

we need this in 2017 as much as ever

1904

01:04:56,710 --> 01:04:55,039

because a lot of times people think

1905

01:04:57,990 --> 01:04:56,720

about ufos and they think oh that's back

1906

01:05:01,270 --> 01:04:58,000

you know they were ufo sightings in the

1907

01:05:03,510 --> 01:05:01,280

50s so we need this today

1908

01:05:05,510 --> 01:05:03,520

and we need mufon to be at the top of

1909

01:05:07,430 --> 01:05:05,520

its game to do this now the problem has

1910

01:05:09,270 --> 01:05:07,440

always been that mufon

1911

01:05:11,109 --> 01:05:09,280

look there's never been money in mufon

1912

01:05:13,349 --> 01:05:11,119

the investigators who are involved in

1913

01:05:15,670 --> 01:05:13,359

this do this on their own dime their own

1914

01:05:18,230 --> 01:05:15,680

energy their own time commitment

1915

01:05:19,990 --> 01:05:18,240

and some of them do a fantastic job with

1916

01:05:21,190 --> 01:05:20,000

all of those obstacles and they still do

1917

01:05:23,029 --> 01:05:21,200

a great job

1918

01:05:24,630 --> 01:05:23,039

but it's very difficult

1919

01:05:27,349 --> 01:05:24,640

it's very difficult

1920

01:05:28,789 --> 01:05:27,359

uh for years i was a little bit of a

1921

01:05:30,789 --> 01:05:28,799

gadfly i think i'd like to say with

1922

01:05:32,069 --> 01:05:30,799

mufon

1923

01:05:34,230 --> 01:05:32,079

and one of the things that i've always

1924

01:05:36,470 --> 01:05:34,240

said is that mufon needed

1925

01:05:37,750 --> 01:05:36,480

to put together an annual report if

1926

01:05:40,069 --> 01:05:37,760

nothing else

1927

01:05:41,670 --> 01:05:40,079

move on i said stop sucking in the

1928

01:05:42,950 --> 01:05:41,680

information and not giving anything back

1929

01:05:44,069 --> 01:05:42,960

we need to have data what are you

1930

01:05:45,750 --> 01:05:44,079

investigating what are the results of

1931

01:05:46,870 --> 01:05:45,760

your investigation

1932

01:05:49,270 --> 01:05:46,880

and um

1933

01:05:51,109 --> 01:05:49,280

jan harzan and i i say this to his

1934

01:05:52,630 --> 01:05:51,119

credit has

1935

01:05:54,390 --> 01:05:52,640

been attempting to do these annual

1936

01:05:55,910 --> 01:05:54,400

reports um

1937

01:05:57,910 --> 01:05:55,920

i have one of them i think he's been

1938

01:05:59,190 --> 01:05:57,920

doing them every year to put out

1939

01:06:01,109 --> 01:05:59,200

you know

1940

01:06:02,230 --> 01:06:01,119

bare bones like these are the number of

1941

01:06:03,670 --> 01:06:02,240

cases we have these are what we've

1942

01:06:06,710 --> 01:06:03,680

investigated these are our unknowns and

1943

01:06:07,750 --> 01:06:06,720

these are our top unknowns of the year

1944

01:06:09,750 --> 01:06:07,760

and i said

1945

01:06:11,910 --> 01:06:09,760

this is what you need to do move on and

1946

01:06:14,150 --> 01:06:11,920

so i think they're still doing that

1947

01:06:16,630 --> 01:06:14,160

um but there's so much more to go and

1948

01:06:18,309 --> 01:06:16,640

and we're only talking united states

1949

01:06:20,390 --> 01:06:18,319

right the united states has five percent

1950

01:06:22,230 --> 01:06:20,400

four percent of the world's population

1951

01:06:25,510 --> 01:06:22,240

there's a whole big world out there and

1952

01:06:28,870 --> 01:06:25,520

as bad as it is in the us it's vastly

1953

01:06:31,190 --> 01:06:28,880

worse in every other country in terms of

1954

01:06:32,630 --> 01:06:31,200

generating ufo data

1955

01:06:35,589 --> 01:06:32,640

i mean it's frightening to say that the

1956

01:06:37,109 --> 01:06:35,599

us is the best at this us and canada but

1957

01:06:38,710 --> 01:06:37,119

really us

1958

01:06:40,950 --> 01:06:38,720

um

1959

01:06:43,990 --> 01:06:40,960

brazil they have got good ufo researches

1960

01:06:45,750 --> 01:06:44,000

but there's is there a national database

1961

01:06:46,789 --> 01:06:45,760

of sightings no there isn't not to my

1962

01:06:49,430 --> 01:06:46,799

knowledge

1963

01:06:50,950 --> 01:06:49,440

um they it's all sporadic we have the

1964

01:06:52,549 --> 01:06:50,960

mufon database and we have the national

1965

01:06:54,390 --> 01:06:52,559

ufo reporting center here in north

1966

01:06:56,150 --> 01:06:54,400

america so if someone sees what they

1967

01:06:58,150 --> 01:06:56,160

think is a ufo at the very least they

1968

01:07:00,230 --> 01:06:58,160

can report it elsewhere in the world

1969

01:07:02,630 --> 01:07:00,240

they got nothing yeah europe nothing

1970

01:07:06,069 --> 01:07:02,640

britain no nothing really

1971

01:07:07,750 --> 01:07:06,079

germany russia to my knowledge china

1972

01:07:09,829 --> 01:07:07,760

these countries all have good ufo

1973

01:07:12,230 --> 01:07:09,839

researchers in them

1974

01:07:14,230 --> 01:07:12,240

but they need we need data

1975

01:07:16,150 --> 01:07:14,240

and beyond that we need data that's been

1976

01:07:17,349 --> 01:07:16,160

investigated

1977

01:07:19,750 --> 01:07:17,359

and um

1978

01:07:22,069 --> 01:07:19,760

that approaches uh some level of

1979

01:07:23,910 --> 01:07:22,079

scientific

1980

01:07:25,190 --> 01:07:23,920

data because um

1981

01:07:27,190 --> 01:07:25,200

that's really the only way we're gonna

1982

01:07:29,109 --> 01:07:27,200

make a breakthrough we need a good

1983

01:07:31,910 --> 01:07:29,119

sledgehammer to break through this wall

1984

01:07:33,910 --> 01:07:31,920

of secrecy and we can only do it with

1985

01:07:35,990 --> 01:07:33,920

scientific data

1986

01:07:38,549 --> 01:07:36,000

well investigated data and that's what

1987

01:07:39,670 --> 01:07:38,559

mufon should be doing and can do

1988

01:07:41,990 --> 01:07:39,680

um

1989

01:07:43,349 --> 01:07:42,000

i'm speaking at this year's mufon

1990

01:07:45,510 --> 01:07:43,359

symposium

1991

01:07:47,910 --> 01:07:45,520

for the first time in years i i feel

1992

01:07:49,670 --> 01:07:47,920

that i was unofficially banned for uh

1993

01:07:51,670 --> 01:07:49,680

six years

1994

01:07:55,029 --> 01:07:51,680

i mean honestly i think i was that's

1995

01:07:56,390 --> 01:07:55,039

fine um but i'm a little bit

1996

01:07:58,390 --> 01:07:56,400

this is all about they're doing a thing

1997

01:08:00,470 --> 01:07:58,400

on the secret space program

1998

01:08:03,190 --> 01:08:00,480

and um

1999

01:08:03,990 --> 01:08:03,200

and i i'm going to say here here and now

2000

01:08:05,510 --> 01:08:04,000

the

2001

01:08:07,510 --> 01:08:05,520

individuals that i'm going to be on a

2002

01:08:09,990 --> 01:08:07,520

panel with on this are individuals that

2003

01:08:12,390 --> 01:08:10,000

i don't all consider reputable

2004

01:08:14,870 --> 01:08:12,400

and i will be making it very clear

2005

01:08:17,669 --> 01:08:14,880

when i'm at this panel that um i'm not

2006

01:08:20,390 --> 01:08:17,679

starting a war with anyone but i will be

2007

01:08:21,749 --> 01:08:20,400

i will be speaking very candidly

2008

01:08:23,430 --> 01:08:21,759

about the

2009

01:08:24,789 --> 01:08:23,440

failure of a

2010

01:08:26,709 --> 01:08:24,799

number of these other individuals to

2011

01:08:29,030 --> 01:08:26,719

provide any kind of confirmable or

2012

01:08:30,470 --> 01:08:29,040

reasonable or even logical data behind

2013

01:08:34,149 --> 01:08:30,480

them

2014

01:08:37,829 --> 01:08:34,159

what i'm i'm a little bit distressed by

2015

01:08:39,990 --> 01:08:37,839

is that this is a the main feature of

2016

01:08:41,829 --> 01:08:40,000

because it's popular people love to talk

2017

01:08:44,070 --> 01:08:41,839

about the secret space program

2018

01:08:45,749 --> 01:08:44,080

uh if you go to the ufo subject those

2019

01:08:47,349 --> 01:08:45,759

types of books are the top selling books

2020

01:08:49,349 --> 01:08:47,359

these days

2021

01:08:50,789 --> 01:08:49,359

and um

2022

01:08:53,030 --> 01:08:50,799

so it's a matter of giving the people

2023

01:08:56,630 --> 01:08:53,040

what they want however this is not going

2024

01:08:59,269 --> 01:08:56,640

to be done in a scientific detached way

2025

01:09:01,110 --> 01:08:59,279

um and my fear you know move on i i

2026

01:09:03,430 --> 01:09:01,120

participated in a mufon show hanger one

2027

01:09:06,390 --> 01:09:03,440

on tv

2028

01:09:07,910 --> 01:09:06,400

but um which was a good idea and which

2029

01:09:11,189 --> 01:09:07,920

had his own problems to be perfectly

2030

01:09:12,870 --> 01:09:11,199

candid yeah and so my fear is that

2031

01:09:15,349 --> 01:09:12,880

mufon

2032

01:09:18,390 --> 01:09:15,359

mufan's got to be very careful here

2033

01:09:20,870 --> 01:09:18,400

about going into um an area where

2034

01:09:23,269 --> 01:09:20,880

they're just dealing more with public

2035

01:09:24,870 --> 01:09:23,279

relations and less with scientific

2036

01:09:26,950 --> 01:09:24,880

inquiry

2037

01:09:29,349 --> 01:09:26,960

i mean they need pr they need to get the

2038

01:09:31,349 --> 01:09:29,359

word out there absolutely move on

2039

01:09:32,550 --> 01:09:31,359

all through the 80s and 90s utterly

2040

01:09:35,990 --> 01:09:32,560

failed

2041

01:09:37,590 --> 01:09:36,000

at that um mufon's website and you know

2042

01:09:39,510 --> 01:09:37,600

for most of its history has been

2043

01:09:41,910 --> 01:09:39,520

absolute junk they're only now just

2044

01:09:43,510 --> 01:09:41,920

making it something nice

2045

01:09:45,910 --> 01:09:43,520

but uh they still have to remain

2046

01:09:48,470 --> 01:09:45,920

scientific and if they don't do that

2047

01:09:50,149 --> 01:09:48,480

that's their core that is their strength

2048

01:09:51,990 --> 01:09:50,159

their strength is not

2049

01:09:54,790 --> 01:09:52,000

in pretending to have underground base

2050

01:09:56,390 --> 01:09:54,800

files on hanger one or presidential

2051  
01:09:58,709 --> 01:09:56,400  
files of ufos and hank like they did in

2052  
01:10:00,709 --> 01:09:58,719  
hangar one that's not their strength

2053  
01:10:02,550 --> 01:10:00,719  
their strength is in doing

2054  
01:10:04,310 --> 01:10:02,560  
field investigations

2055  
01:10:06,229 --> 01:10:04,320  
and when they move away from that that

2056  
01:10:07,510 --> 01:10:06,239  
is their core that's their core business

2057  
01:10:09,270 --> 01:10:07,520  
as it were

2058  
01:10:12,390 --> 01:10:09,280  
and if they move away from that they are

2059  
01:10:14,709 --> 01:10:12,400  
going to endanger themselves

2060  
01:10:15,669 --> 01:10:14,719  
and they'll just be just another pr

2061  
01:10:17,510 --> 01:10:15,679  
company

2062  
01:10:20,070 --> 01:10:17,520  
selling their brand

2063  
01:10:22,709 --> 01:10:20,080

and if that happens uh then we're all

2064

01:10:25,030 --> 01:10:22,719

we're all worse off

2065

01:10:26,709 --> 01:10:25,040

so um

2066

01:10:28,790 --> 01:10:26,719

i would say yeah

2067

01:10:31,430 --> 01:10:28,800

yeah it's a delicate balance too rich i

2068

01:10:33,669 --> 01:10:31,440

mean in the last week i've spoken to

2069

01:10:36,630 --> 01:10:33,679

several mufon investigators who off the

2070

01:10:39,350 --> 01:10:36,640

top of their head could give me the

2071

01:10:41,910 --> 01:10:39,360

amount of reports from this year on

2072

01:10:44,390 --> 01:10:41,920

cigar-shaped craft or these orbs or

2073

01:10:47,510 --> 01:10:44,400

these discs what have you so that core

2074

01:10:50,310 --> 01:10:47,520

work like you mentioned is being done uh

2075

01:10:52,630 --> 01:10:50,320

but it is not at the forefront and that

2076

01:10:55,189 --> 01:10:52,640

is a delicate balance between wanting to

2077

01:10:59,030 --> 01:10:55,199

get something like hanger one on uh you

2078

01:11:00,950 --> 01:10:59,040

know um a cable network to get that this

2079

01:11:02,310 --> 01:11:00,960

organization out to the public but then

2080

01:11:04,070 --> 01:11:02,320

again

2081

01:11:06,310 --> 01:11:04,080

it's a risky game because the more

2082

01:11:09,510 --> 01:11:06,320

sensational you become with these

2083

01:11:10,950 --> 01:11:09,520

underground files it's tricky i get it i

2084

01:11:13,510 --> 01:11:10,960

totally um they need they need to make

2085

01:11:15,270 --> 01:11:13,520

their money um we can all appreciate

2086

01:11:17,030 --> 01:11:15,280

that you can't run a decent organization

2087

01:11:18,550 --> 01:11:17,040

if you're not getting some cash flow so

2088

01:11:19,750 --> 01:11:18,560

they have to do that

2089

01:11:21,830 --> 01:11:19,760

the way that they've been doing it in

2090

01:11:23,590 --> 01:11:21,840

the past i think was really

2091

01:11:24,709 --> 01:11:23,600

really questionable and in fact i think

2092

01:11:26,709 --> 01:11:24,719

they still do it's like the board

2093

01:11:28,470 --> 01:11:26,719

members of mufon are on the board

2094

01:11:31,430 --> 01:11:28,480

because they pay a lot of money to move

2095

01:11:32,630 --> 01:11:31,440

on right they basically buy their way in

2096

01:11:37,350 --> 01:11:32,640

um

2097

01:11:41,189 --> 01:11:37,360

not not a good way to do it i don't

2098

01:11:42,950 --> 01:11:41,199

think i support this at all

2099

01:11:45,990 --> 01:11:42,960

but

2100

01:11:47,110 --> 01:11:46,000

on the other hand they need to find to

2101  
01:11:49,350 --> 01:11:47,120  
find a way to make the money and now

2102  
01:11:51,830 --> 01:11:49,360  
they're doing it through tv

2103  
01:11:53,830 --> 01:11:51,840  
and through getting their brand out

2104  
01:11:55,350 --> 01:11:53,840  
there which is not the worst way to do

2105  
01:11:57,750 --> 01:11:55,360  
it but they've just got to be very

2106  
01:11:59,430 --> 01:11:57,760  
careful with how they do it exactly and

2107  
01:12:00,950 --> 01:11:59,440  
when you go into tv you're making a deal

2108  
01:12:02,630 --> 01:12:00,960  
with the devil mufon did this back in

2109  
01:12:03,669 --> 01:12:02,640  
the 70s with the national enquirer by

2110  
01:12:05,189 --> 01:12:03,679  
the way

2111  
01:12:06,870 --> 01:12:05,199  
um

2112  
01:12:09,510 --> 01:12:06,880  
and talk about media national enquirer

2113  
01:12:10,870 --> 01:12:09,520

is and was at least was a cia outfit i

2114

01:12:13,270 --> 01:12:10,880

don't know if it still is

2115

01:12:14,709 --> 01:12:13,280

um back in the 70s it was absolutely

2116

01:12:17,270 --> 01:12:14,719

doing work for the cia it was run by a

2117

01:12:20,470 --> 01:12:17,280

guy named gene pope who was a cia

2118

01:12:23,910 --> 01:12:20,480

ex mafioso too but definitely cia

2119

01:12:25,669 --> 01:12:23,920

and um and mufon was

2120

01:12:28,149 --> 01:12:25,679

actually very close with the national

2121

01:12:29,830 --> 01:12:28,159

enquirer for through the 70s

2122

01:12:31,430 --> 01:12:29,840

and um

2123

01:12:33,590 --> 01:12:31,440

a lot of people back then thought why

2124

01:12:36,870 --> 01:12:33,600

are we doing this and um because it's

2125

01:12:39,590 --> 01:12:36,880

really hurting our reputation

2126  
01:12:41,110 --> 01:12:39,600  
and uh mufon leadership's answers walter

2127  
01:12:43,110 --> 01:12:41,120  
andrus running mufon at the time said

2128  
01:12:44,630 --> 01:12:43,120  
look we um

2129  
01:12:46,149 --> 01:12:44,640  
you know any publicity is better than no

2130  
01:12:48,229 --> 01:12:46,159  
publicity i think that was essentially

2131  
01:12:50,070 --> 01:12:48,239  
his answer until he eventually he got

2132  
01:12:51,990 --> 01:12:50,080  
overruled and mufon

2133  
01:12:54,149 --> 01:12:52,000  
pulled its relationship away from the

2134  
01:12:55,590 --> 01:12:54,159  
inquirer but for uh the mid 70s they

2135  
01:12:57,669 --> 01:12:55,600  
were very much in bed with the national

2136  
01:12:58,870 --> 01:12:57,679  
enquirer

2137  
01:13:00,790 --> 01:12:58,880  
and then now now you've got the

2138  
01:13:02,470 --> 01:13:00,800

situation with hanger one it's a similar

2139

01:13:03,910 --> 01:13:02,480

kind of a thing where

2140

01:13:05,510 --> 01:13:03,920

the problem with that show and i'll just

2141

01:13:07,270 --> 01:13:05,520

say this because i was on it for both of

2142

01:13:10,950 --> 01:13:07,280

the seasons

2143

01:13:13,110 --> 01:13:10,960

uh that was a very heavily scripted show

2144

01:13:14,630 --> 01:13:13,120

yes to my knowledge i was i might have

2145

01:13:16,790 --> 01:13:14,640

been the only

2146

01:13:19,270 --> 01:13:16,800

person in all of season two to my

2147

01:13:20,390 --> 01:13:19,280

knowledge who refused to read from a

2148

01:13:22,630 --> 01:13:20,400

script

2149

01:13:25,030 --> 01:13:22,640

um they wanted me to both seasons and i

2150

01:13:27,590 --> 01:13:25,040

said are you are you kidding me

2151

01:13:29,030 --> 01:13:27,600

i said look i'll work with you just

2152

01:13:31,430 --> 01:13:29,040

ask me your questions and i'll do my

2153

01:13:33,430 --> 01:13:31,440

best to answer them uh relevantly yes i

2154

01:13:34,870 --> 01:13:33,440

mean i just for any of the tv shows

2155

01:13:36,550 --> 01:13:34,880

but i'm not gonna read your script i

2156

01:13:38,229 --> 01:13:36,560

mean goodness gracious but they had

2157

01:13:40,470 --> 01:13:38,239

everyone else doing this and they had

2158

01:13:41,510 --> 01:13:40,480

actual voice actors pretending to be ufo

2159

01:13:42,630 --> 01:13:41,520

researchers on there and they had

2160

01:13:43,750 --> 01:13:42,640

producers on there who are not

2161

01:13:45,350 --> 01:13:43,760

researchers

2162

01:13:47,270 --> 01:13:45,360

and and they really harm them and then

2163

01:13:49,669 --> 01:13:47,280

then the whole pretense

2164

01:13:51,270 --> 01:13:49,679

the false pretense that mufon had these

2165

01:13:52,550 --> 01:13:51,280

their files in this place called hanger

2166

01:13:53,669 --> 01:13:52,560

one

2167

01:13:57,669 --> 01:13:53,679

my mother

2168

01:13:59,750 --> 01:13:57,679

always excited when i'm on television

2169

01:14:01,350 --> 01:13:59,760

and uh she got excited about hanger one

2170

01:14:03,350 --> 01:14:01,360

and at the beginning she said so where

2171

01:14:05,830 --> 01:14:03,360

is this hanger one

2172

01:14:07,990 --> 01:14:05,840

and i said look mom there it's just uh

2173

01:14:10,790 --> 01:14:08,000

it's a convenient fiction

2174

01:14:14,550 --> 01:14:10,800

and my mother got so angry

2175

01:14:15,750 --> 01:14:14,560

at being lied to right yeah and um and i

2176

01:14:17,669 --> 01:14:15,760

think her instincts are good you know

2177

01:14:19,669 --> 01:14:17,679

you don't want to be lied to on tv yeah

2178

01:14:21,910 --> 01:14:19,679

um the idea was when dave mcdonald was

2179

01:14:24,470 --> 01:14:21,920

running mufon he did he's an aviator and

2180

01:14:26,790 --> 01:14:24,480

he did store mufon files in a hangar

2181

01:14:28,870 --> 01:14:26,800

and when they were doing the creating

2182

01:14:30,550 --> 01:14:28,880

when they were developing the show

2183

01:14:32,310 --> 01:14:30,560

that was where the mufon files were

2184

01:14:34,709 --> 01:14:32,320

stored in a hanger and they said let's

2185

01:14:36,630 --> 01:14:34,719

call it hanger one of course the images

2186

01:14:38,310 --> 01:14:36,640

of the of the building were all

2187

01:14:39,430 --> 01:14:38,320

fictional i mean right

2188

01:14:41,990 --> 01:14:39,440

like

2189

01:14:44,229 --> 01:14:42,000

um in that part i mean all right you

2190

01:14:45,110 --> 01:14:44,239

want to like give them this enabling

2191

01:14:46,709 --> 01:14:45,120

fiction

2192

01:14:49,189 --> 01:14:46,719

find but then what they would do is move

2193

01:14:51,590 --> 01:14:49,199

on you know we've got our files on

2194

01:14:52,709 --> 01:14:51,600

on this and on that and they they don't

2195

01:14:55,510 --> 01:14:52,719

they don't have their files in those

2196

01:14:57,510 --> 01:14:55,520

cases right but they have a tremendous

2197

01:15:00,070 --> 01:14:57,520

number of case files

2198

01:15:02,229 --> 01:15:00,080

yeah and um they don't have files

2199

01:15:03,590 --> 01:15:02,239

dealing with underground bases right

2200

01:15:04,790 --> 01:15:03,600

they don't have files dealing with the

2201

01:15:07,030 --> 01:15:04,800

president

2202

01:15:08,950 --> 01:15:07,040

that's grant cameron he's got those

2203

01:15:11,830 --> 01:15:08,960

that's his research and a few of us

2204

01:15:13,830 --> 01:15:11,840

other researchers uh

2205

01:15:16,390 --> 01:15:13,840

you know so i mean they were kind of

2206

01:15:18,470 --> 01:15:16,400

making these uh it was getting down this

2207

01:15:21,270 --> 01:15:18,480

slippery road of

2208

01:15:23,430 --> 01:15:21,280

i think the producers really had a good

2209

01:15:25,430 --> 01:15:23,440

intention i i honestly do believe it i

2210

01:15:28,390 --> 01:15:25,440

met i talked with the producers and

2211

01:15:31,430 --> 01:15:28,400

i think they um overall

2212

01:15:32,950 --> 01:15:31,440

wanted to do a good reliable

2213

01:15:35,430 --> 01:15:32,960

show that dealt with genuine issues and

2214

01:15:37,030 --> 01:15:35,440

some of the shows did deal very well

2215

01:15:38,709 --> 01:15:37,040

with these issues

2216

01:15:40,149 --> 01:15:38,719

i want to give them some credit but they

2217

01:15:41,510 --> 01:15:40,159

they hampered themselves and mufon

2218

01:15:44,390 --> 01:15:41,520

hampered itself

2219

01:15:45,350 --> 01:15:44,400

by going in down this road that is

2220

01:15:46,630 --> 01:15:45,360

they're talking about things that are

2221

01:15:47,990 --> 01:15:46,640

not accurate this is the danger with

2222

01:15:50,070 --> 01:15:48,000

television

2223

01:15:51,669 --> 01:15:50,080

anytime you do tv work

2224

01:15:53,990 --> 01:15:51,679

and i i don't know i've done enough of

2225

01:15:54,790 --> 01:15:54,000

it and it's very hard

2226

01:15:56,790 --> 01:15:54,800

um

2227

01:15:58,470 --> 01:15:56,800

these tv producers they're not ufo

2228

01:16:00,950 --> 01:15:58,480

people they don't care they want good

2229

01:16:03,270 --> 01:16:00,960

ratings yes and some of them might care

2230

01:16:05,430 --> 01:16:03,280

a little bit about the subject they they

2231

01:16:06,630 --> 01:16:05,440

do some of them do get interested but

2232

01:16:08,470 --> 01:16:06,640

they don't have a lot of knowledge

2233

01:16:10,550 --> 01:16:08,480

generally speaking and

2234

01:16:12,630 --> 01:16:10,560

and they're out there to get good

2235

01:16:14,390 --> 01:16:12,640

ratings um

2236

01:16:15,590 --> 01:16:14,400

and that's their job their job is to get

2237

01:16:17,590 --> 01:16:15,600

good ratings their job isn't to be

2238

01:16:20,149 --> 01:16:17,600

truthful about ufos

2239

01:16:21,270 --> 01:16:20,159

so i'm not faulting them it's the nature

2240

01:16:23,830 --> 01:16:21,280

of the beast

2241

01:16:25,830 --> 01:16:23,840

but mufon has got to be careful

2242

01:16:27,270 --> 01:16:25,840

that's all and they really i would just

2243

01:16:29,510 --> 01:16:27,280

say to mufon i would say to jan and i

2244

01:16:31,510 --> 01:16:29,520

will say when i see him again don't lose

2245

01:16:32,790 --> 01:16:31,520

sight of your core

2246

01:16:36,390 --> 01:16:32,800

reason to be

2247

01:16:38,470 --> 01:16:36,400

is to have

2248

01:16:41,669 --> 01:16:38,480

and train and

2249

01:16:45,270 --> 01:16:41,679

encourage and inspire good investigators

2250

01:16:47,030 --> 01:16:45,280

to do good work in the field to produce

2251

01:16:48,390 --> 01:16:47,040

good analyses

2252

01:16:50,310 --> 01:16:48,400

of ufo cases

2253

01:16:52,070 --> 01:16:50,320

yes that's what you do and don't lose

2254

01:16:54,070 --> 01:16:52,080

sight of that move on stick to the

2255

01:16:56,550 --> 01:16:54,080

mission guys no i i have hope for the

2256

01:16:58,790 --> 01:16:56,560

future of mufon i really do uh

2257

01:17:00,830 --> 01:16:58,800

rich in terms of uh

2258

01:17:03,990 --> 01:17:00,840

this this may piss off some of our more

2259

01:17:05,590 --> 01:17:04,000

skeptical listeners uh but in closing

2260

01:17:07,430 --> 01:17:05,600

i've got one more listener question for

2261

01:17:09,510 --> 01:17:07,440

you and

2262

01:17:12,950 --> 01:17:09,520

that's what do you think is the best

2263

01:17:13,990 --> 01:17:12,960

evidence we have that ufos have anything

2264

01:17:16,149 --> 01:17:14,000

to do

2265

01:17:18,950 --> 01:17:16,159

with an extraterrestrial intelligence i

2266

01:17:21,030 --> 01:17:18,960

know that's a very loaded question but

2267

01:17:23,590 --> 01:17:21,040

um i i would answer it in two stages

2268

01:17:25,510 --> 01:17:23,600

sorry so stage one is i look at

2269

01:17:28,709 --> 01:17:25,520

confirmed

2270

01:17:31,430 --> 01:17:28,719

government documents i always start with

2271

01:17:32,950 --> 01:17:31,440

that why because i know they're real i

2272

01:17:34,870 --> 01:17:32,960

know there's a paper trail and i know

2273

01:17:37,189 --> 01:17:34,880

that the national security community has

2274

01:17:39,669 --> 01:17:37,199

taken this subject very seriously

2275

01:17:40,630 --> 01:17:39,679

among documents in the paper trail

2276

01:17:42,550 --> 01:17:40,640

are

2277

01:17:45,030 --> 01:17:42,560

radar trackings and visuals of objects

2278

01:17:47,270 --> 01:17:45,040

that are described as disc shaped this

2279

01:17:49,270 --> 01:17:47,280

is back in the 1940s and 50s

2280

01:17:51,110 --> 01:17:49,280

uh sometimes zigzagging sometimes

2281

01:17:53,189 --> 01:17:51,120

instant acceleration always incredible

2282

01:17:54,470 --> 01:17:53,199

maneuverability silent in other words

2283

01:17:57,350 --> 01:17:54,480

extraordinary

2284

01:17:58,709 --> 01:17:57,360

so we know that that part's real

2285

01:18:01,030 --> 01:17:58,719

we know this

2286

01:18:03,110 --> 01:18:01,040

uh it leaves us a couple of options

2287

01:18:05,990 --> 01:18:03,120

extraterrestrial right

2288

01:18:08,310 --> 01:18:06,000

uh black budget classified us black

2289

01:18:09,270 --> 01:18:08,320

budget classified soviet russian and the

2290

01:18:11,270 --> 01:18:09,280

like

2291

01:18:13,110 --> 01:18:11,280

um

2292

01:18:14,790 --> 01:18:13,120

so on that level alone we go through

2293

01:18:15,669 --> 01:18:14,800

process of elimination and we know by

2294

01:18:16,950 --> 01:18:15,679

the way

2295

01:18:18,790 --> 01:18:16,960

that within the us intelligence

2296

01:18:20,790 --> 01:18:18,800

community that the um the glim the

2297

01:18:23,030 --> 01:18:20,800

glimpses that we have of their analyses

2298

01:18:24,229 --> 01:18:23,040

that we are permitted to see

2299

01:18:25,510 --> 01:18:24,239

many of them

2300

01:18:27,430 --> 01:18:25,520

have concluded

2301

01:18:29,510 --> 01:18:27,440

extraterrestrial interplanetary was the

2302

01:18:31,350 --> 01:18:29,520

most likely scenario because

2303

01:18:33,350 --> 01:18:31,360

there was an evidence of a us-based or

2304

01:18:34,870 --> 01:18:33,360

soviet-based technology program that

2305

01:18:36,310 --> 01:18:34,880

could do it and indeed to this day there

2306

01:18:38,950 --> 01:18:36,320

isn't

2307

01:18:41,990 --> 01:18:38,960

um on top of that we have non-military

2308

01:18:44,310 --> 01:18:42,000

evidence so we have evidence of

2309

01:18:47,430 --> 01:18:44,320

people who have had encounters and

2310

01:18:49,189 --> 01:18:47,440

here's the thing that a skeptic

2311

01:18:51,669 --> 01:18:49,199

will argue against which is that the

2312

01:18:54,790 --> 01:18:51,679

evidence for these encounters is not

2313

01:18:56,790 --> 01:18:54,800

uh of a high level of scientific

2314

01:18:58,790 --> 01:18:56,800

credibility in their opinion

2315

01:19:00,310 --> 01:18:58,800

uh i would be inclined to agree with

2316

01:19:01,510 --> 01:19:00,320

that except i would i would have one

2317

01:19:04,310 --> 01:19:01,520

caveat

2318

01:19:05,750 --> 01:19:04,320

the amount of that evidence is is so

2319

01:19:06,630 --> 01:19:05,760

vast at this point

2320

01:19:10,550 --> 01:19:06,640

and

2321

01:19:12,310 --> 01:19:10,560

little bit problematic anyway

2322

01:19:14,390 --> 01:19:12,320

uh there have been

2323

01:19:16,550 --> 01:19:14,400

some very detailed investigations of

2324

01:19:17,910 --> 01:19:16,560

individual cases

2325

01:19:19,510 --> 01:19:17,920

from back to the betty and barney hill

2326

01:19:22,149 --> 01:19:19,520

abduction case

2327

01:19:24,229 --> 01:19:22,159

to the uh even the boaz case in brazil

2328

01:19:26,550 --> 01:19:24,239

from 1957

2329

01:19:27,669 --> 01:19:26,560

to more recent cases in the 70s and 80s

2330

01:19:29,510 --> 01:19:27,679

and 90s

2331

01:19:31,830 --> 01:19:29,520

that have gone through

2332

01:19:33,110 --> 01:19:31,840

detailed analysis the bet andreas and

2333

01:19:34,950 --> 01:19:33,120

luca case

2334

01:19:36,870 --> 01:19:34,960

investigated by ray fowler

2335

01:19:38,310 --> 01:19:36,880

is a very very interesting case hard for

2336

01:19:40,229 --> 01:19:38,320

me to dismiss this

2337

01:19:42,870 --> 01:19:40,239

as anything other than dealing with

2338

01:19:45,669 --> 01:19:42,880

extraterrestrial or non-human entities

2339

01:19:47,430 --> 01:19:45,679

um the work of bud hopkins and john mack

2340

01:19:50,229 --> 01:19:47,440

and dave jacobs and

2341

01:19:51,750 --> 01:19:50,239

nowadays people like kathleen martin and

2342

01:19:55,750 --> 01:19:51,760

um

2343

01:19:58,070 --> 01:19:55,760

these people do regressive hypnosis

2344

01:19:59,510 --> 01:19:58,080

barbara lamb

2345

01:20:00,709 --> 01:19:59,520

i don't even agree with all of the

2346

01:20:03,030 --> 01:20:00,719

conclusions that they have about the

2347

01:20:04,870 --> 01:20:03,040

nature of the phenomenon itself but all

2348

01:20:06,550 --> 01:20:04,880

of these people

2349

01:20:08,709 --> 01:20:06,560

are meeting with

2350

01:20:10,070 --> 01:20:08,719

large numbers

2351

01:20:11,510 --> 01:20:10,080

of individuals who've had what they

2352

01:20:13,270 --> 01:20:11,520

believe are abduction experience or

2353

01:20:15,110 --> 01:20:13,280

encounter experiences

2354

01:20:16,790 --> 01:20:15,120

then the quantity of these individuals

2355

01:20:18,870 --> 01:20:16,800

is so vast and these are not

2356

01:20:21,189 --> 01:20:18,880

psychologically disturbed people

2357

01:20:22,950 --> 01:20:21,199

now is there

2358

01:20:24,709 --> 01:20:22,960

an explanation

2359

01:20:26,390 --> 01:20:24,719

that could account

2360

01:20:28,629 --> 01:20:26,400

for the tremendous consistency of what

2361

01:20:31,830 --> 01:20:28,639

most of these people are saying

2362

01:20:33,910 --> 01:20:31,840

they're having experiences with

2363

01:20:36,149 --> 01:20:33,920

non-human entities who are doing things

2364

01:20:39,110 --> 01:20:36,159  
to their body

2365

01:20:41,430 --> 01:20:39,120  
uh is there some kind of psychological

2366

01:20:42,470 --> 01:20:41,440  
manifestation of something that's

2367

01:20:43,270 --> 01:20:42,480  
causing this

2368

01:20:45,030 --> 01:20:43,280  
well

2369

01:20:46,070 --> 01:20:45,040  
in theory i suppose it's possible we

2370

01:20:48,149 --> 01:20:46,080  
don't know what that is no one's

2371

01:20:49,990 --> 01:20:48,159  
identified it on the other hand knowing

2372

01:20:52,310 --> 01:20:50,000  
that there's a ufo phenomenon that is

2373

01:20:53,750 --> 01:20:52,320  
real and we know it's real

2374

01:20:55,189 --> 01:20:53,760  
because we have the documentation to

2375

01:20:57,189 --> 01:20:55,199  
prove it's real

2376

01:21:00,149 --> 01:20:57,199

and we have the reasons to believe that

2377

01:21:02,310 --> 01:21:00,159

it may indeed be not of our civilization

2378

01:21:04,070 --> 01:21:02,320

so when i combine that evidence

2379

01:21:06,310 --> 01:21:04,080

with the

2380

01:21:07,990 --> 01:21:06,320

very large amount of of uh personal

2381

01:21:09,350 --> 01:21:08,000

testimony that people have of encounters

2382

01:21:12,470 --> 01:21:09,360

with non-human beings in connection with

2383

01:21:14,709 --> 01:21:12,480

ufos subject topics sightings excuse me

2384

01:21:16,870 --> 01:21:14,719

then i have to think that's the most

2385

01:21:18,149 --> 01:21:16,880

by far right it's the most logical

2386

01:21:20,870 --> 01:21:18,159

conclusion

2387

01:21:22,629 --> 01:21:20,880

and it doesn't all come down to uh

2388

01:21:23,430 --> 01:21:22,639

evidence from regressive hypnosis by the

2389

01:21:25,189 --> 01:21:23,440

way

2390

01:21:27,510 --> 01:21:25,199

all right there's a lot of people who've

2391

01:21:30,950 --> 01:21:27,520

had encounters with ufos

2392

01:21:32,390 --> 01:21:30,960

and beings or and or occupants inside

2393

01:21:33,510 --> 01:21:32,400

that have not

2394

01:21:34,790 --> 01:21:33,520

revealed this information through

2395

01:21:36,550 --> 01:21:34,800

hypnosis

2396

01:21:38,709 --> 01:21:36,560

i mean there's an enormous number of

2397

01:21:39,990 --> 01:21:38,719

accounts from around the world not just

2398

01:21:42,629 --> 01:21:40,000

america

2399

01:21:46,070 --> 01:21:42,639

where this is the case so i think that's

2400

01:21:47,270 --> 01:21:46,080

the most likely scenario

2401

01:21:49,030 --> 01:21:47,280

um

2402

01:21:50,870 --> 01:21:49,040

that's not the same as scientific

2403

01:21:52,229 --> 01:21:50,880

laboratory proof but

2404

01:21:54,149 --> 01:21:52,239

it's a messy world out there this is

2405

01:21:56,790 --> 01:21:54,159

what i think we're looking at

2406

01:21:58,229 --> 01:21:56,800

i think it's the best hypothesis by far

2407

01:22:01,030 --> 01:21:58,239

yes and that's why i say i think that's

2408

01:22:02,790 --> 01:22:01,040

why we are dealing with a um

2409

01:22:04,709 --> 01:22:02,800

presence of an other

2410

01:22:06,229 --> 01:22:04,719

uh are they from another planet well i

2411

01:22:08,310 --> 01:22:06,239

would say probably but they could be

2412

01:22:10,149 --> 01:22:08,320

from some other portion of reality that

2413

01:22:11,510 --> 01:22:10,159

i don't quite understand because i'm not

2414

01:22:15,590 --> 01:22:11,520

smart enough because my brain doesn't

2415

01:22:19,830 --> 01:22:17,830

yeah well and i mean rich you and i both

2416

01:22:22,390 --> 01:22:19,840

know as all the listeners that this

2417

01:22:25,750 --> 01:22:22,400

topic in general ufos is not so black

2418

01:22:28,629 --> 01:22:25,760

and white so uh there is no one core

2419

01:22:31,030 --> 01:22:28,639

answer to any of this um

2420

01:22:32,229 --> 01:22:31,040

i had a conversation i i've been

2421

01:22:35,510 --> 01:22:32,239

interrupted you've been so nice to me

2422

01:22:37,270 --> 01:22:35,520

this whole interview ryan all right

2423

01:22:40,310 --> 01:22:37,280

once with a researcher named chris

2424

01:22:42,229 --> 01:22:40,320

o'brien yeah i like chris he um he's

2425

01:22:43,669 --> 01:22:42,239

done great work on cattle mutilations

2426  
01:22:45,669 --> 01:22:43,679  
and not just that though he's done work

2427  
01:22:47,350 --> 01:22:45,679  
on really a lot of the high strangeness

2428  
01:22:48,790 --> 01:22:47,360  
of this whole subject

2429  
01:22:50,629 --> 01:22:48,800  
and um

2430  
01:22:52,870 --> 01:22:50,639  
chris we were talking about this once

2431  
01:22:55,510 --> 01:22:52,880  
and he he said to me

2432  
01:22:58,550 --> 01:22:55,520  
i i said i think um

2433  
01:23:00,790 --> 01:22:58,560  
you know no there's no one

2434  
01:23:02,310 --> 01:23:00,800  
theory that seems to explain all of ufos

2435  
01:23:03,830 --> 01:23:02,320  
and he said i would go further i'd say a

2436  
01:23:06,310 --> 01:23:03,840  
lot of the theories fight against each

2437  
01:23:09,430 --> 01:23:06,320  
other in other words the idea of

2438  
01:23:11,350 --> 01:23:09,440

extraterrestrial or time travelers or

2439

01:23:12,310 --> 01:23:11,360

inter-dimensional

2440

01:23:15,669 --> 01:23:12,320

um

2441

01:23:18,629 --> 01:23:15,679

entities or black budget

2442

01:23:20,310 --> 01:23:18,639

but they are there's all these competing

2443

01:23:22,310 --> 01:23:20,320

theories when we when we ask ourselves

2444

01:23:23,510 --> 01:23:22,320

what is the core what's causing this

2445

01:23:28,629 --> 01:23:23,520

phenomenon

2446

01:23:30,390 --> 01:23:28,639

the earth itself is reality itself

2447

01:23:31,830 --> 01:23:30,400

getting inside our heads to make us see

2448

01:23:33,270 --> 01:23:31,840

these things

2449

01:23:35,110 --> 01:23:33,280

in a way that comports with our own

2450

01:23:36,790 --> 01:23:35,120

cultural and psychological expectations

2451

01:23:38,310 --> 01:23:36,800

i mean if you go through ufo sightings

2452

01:23:40,550 --> 01:23:38,320

over the centuries

2453

01:23:42,149 --> 01:23:40,560

people in medieval times

2454

01:23:44,070 --> 01:23:42,159

bad sightings of things they didn't

2455

01:23:45,590 --> 01:23:44,080

describe the most space men

2456

01:23:47,110 --> 01:23:45,600

in flying saucers because well they

2457

01:23:49,270 --> 01:23:47,120

didn't have that concept

2458

01:23:51,350 --> 01:23:49,280

so they describe things differently

2459

01:23:53,510 --> 01:23:51,360

so is there a phenomenon

2460

01:23:54,870 --> 01:23:53,520

that's causing us to see things the way

2461

01:23:56,709 --> 01:23:54,880

we expect to see them and does that mean

2462

01:23:58,070 --> 01:23:56,719

that they're physically real or not

2463

01:23:59,270 --> 01:23:58,080

that's a psychosocial type of

2464

01:24:00,790 --> 01:23:59,280

explanation

2465

01:24:02,870 --> 01:24:00,800

um

2466

01:24:04,790 --> 01:24:02,880

and then there's the whole idea that are

2467

01:24:06,709 --> 01:24:04,800

we living in a constructed matrix type

2468

01:24:09,830 --> 01:24:06,719

of reality a kind of uh

2469

01:24:11,350 --> 01:24:09,840

you know simulated simulation hypothesis

2470

01:24:13,110 --> 01:24:11,360

but then i think the extraterrestrial

2471

01:24:15,030 --> 01:24:13,120

hypothesis is

2472

01:24:16,790 --> 01:24:15,040

a um

2473

01:24:18,229 --> 01:24:16,800

is still the probably the front runner

2474

01:24:20,790 --> 01:24:18,239

in my opinion

2475

01:24:22,629 --> 01:24:20,800

uh when i look at our own future tech

2476

01:24:24,390 --> 01:24:22,639

our own ability in the next generation

2477

01:24:26,149 --> 01:24:24,400

or two to

2478

01:24:28,229 --> 01:24:26,159

get some part of our civilization

2479

01:24:31,189 --> 01:24:28,239

civilization out to the stars i mean

2480

01:24:33,270 --> 01:24:31,199

we're you and i may not make it but um

2481

01:24:35,189 --> 01:24:33,280

next gen artificial intelligence next

2482

01:24:37,110 --> 01:24:35,199

generation 3d printing

2483

01:24:38,390 --> 01:24:37,120

next generation propulsion yeah i could

2484

01:24:39,350 --> 01:24:38,400

see it happening we could send something

2485

01:24:41,030 --> 01:24:39,360

out there

2486

01:24:42,470 --> 01:24:41,040

and so has another civilization had

2487

01:24:44,470 --> 01:24:42,480

already done that for us are they

2488

01:24:47,669 --> 01:24:44,480

sending their own artificially created

2489

01:24:49,110 --> 01:24:47,679

beings their own avatars who knows i

2490

01:24:50,390 --> 01:24:49,120

think that's probably the most likely

2491

01:24:51,669 --> 01:24:50,400

scenario and i think that's what we're

2492

01:24:53,189 --> 01:24:51,679

dealing with

2493

01:24:56,709 --> 01:24:53,199

i agree it is an

2494

01:24:59,270 --> 01:24:56,719

extremely enticing future to uh

2495

01:25:01,590 --> 01:24:59,280

to live in uh and i i look forward to

2496

01:25:03,270 --> 01:25:01,600

seeing where that goes rich uh what do

2497

01:25:05,270 --> 01:25:03,280

you got coming up my man what can we

2498

01:25:08,310 --> 01:25:05,280

expect from you in the near future well

2499

01:25:12,310 --> 01:25:08,320

i i just shot a uh i had a reshoot but

2500

01:25:14,790 --> 01:25:12,320

we did a uh a full season episode of

2501

01:25:16,790 --> 01:25:14,800

false flags on gaia tv so i've had a

2502

01:25:19,110 --> 01:25:16,800

show on guy it's coming out it'll be out

2503

01:25:20,950 --> 01:25:19,120

this early summer i think

2504

01:25:23,430 --> 01:25:20,960

on the history of false flag operations

2505

01:25:25,189 --> 01:25:23,440

this is not a ufo oriented program at

2506

01:25:26,950 --> 01:25:25,199

all it's all politics it's something

2507

01:25:28,709 --> 01:25:26,960

very different for gaia this is not

2508

01:25:30,870 --> 01:25:28,719

anything like what they do is they're

2509

01:25:32,470 --> 01:25:30,880

taking a chance on me so i'm hoping it

2510

01:25:33,910 --> 01:25:32,480

doesn't fall flat i think it's a good

2511

01:25:35,510 --> 01:25:33,920

show um

2512

01:25:37,590 --> 01:25:35,520

it deals with the phenomenon of false

2513

01:25:39,110 --> 01:25:37,600

flags as it has occurred throughout

2514

01:25:40,470 --> 01:25:39,120

human history particularly in the last

2515

01:25:43,270 --> 01:25:40,480

century

2516

01:25:45,030 --> 01:25:43,280

and uh and focusing really on um

2517

01:25:46,709 --> 01:25:45,040

a lot of the u.s false flags over the

2518

01:25:48,070 --> 01:25:46,719

last 50 years

2519

01:25:49,750 --> 01:25:48,080

it's only scratching the surface there's

2520

01:25:52,310 --> 01:25:49,760

so much more to do but i've written and

2521

01:25:54,070 --> 01:25:52,320

hosted that that'll be out soon

2522

01:25:55,910 --> 01:25:54,080

i'll keep people posted on that as we

2523

01:25:57,830 --> 01:25:55,920

approach airing

2524

01:26:00,390 --> 01:25:57,840

and then in terms of my own uh writing

2525

01:26:02,390 --> 01:26:00,400

and researching um

2526

01:26:04,070 --> 01:26:02,400

uh i'm working on my own publishing

2527

01:26:05,350 --> 01:26:04,080

projects right now i've published a

2528

01:26:07,750 --> 01:26:05,360

bunch of other people's books including

2529

01:26:09,189 --> 01:26:07,760

yours over the last year i've got some

2530

01:26:10,550 --> 01:26:09,199

of my own things i've done this little

2531

01:26:12,870 --> 01:26:10,560

lecture series these booklets that i'm

2532

01:26:14,709 --> 01:26:12,880

putting out but fundamentally i'm i want

2533

01:26:16,390 --> 01:26:14,719

to finish my false flag book

2534

01:26:18,470 --> 01:26:16,400

i'll be doing a number of appearances

2535

01:26:21,990 --> 01:26:18,480

i'll be in joshua tree

2536

01:26:24,149 --> 01:26:22,000

california in late may with my fiance

2537

01:26:26,629 --> 01:26:24,159

tracy who you met a few months ago in

2538

01:26:27,510 --> 01:26:26,639

phoenix yes i did congratulations yeah

2539

01:26:29,270 --> 01:26:27,520

thank you

2546

01:26:44,790 --> 01:26:42,080

i encourage people it's called contact

2547

01:26:46,870 --> 01:26:44,800

with space if you are in europe

2548

01:26:49,189 --> 01:26:46,880

if you can get to athens we will be

2549

2550

01:26:52,470 --> 01:26:51,040

website i've got this linked richard on

2551

01:26:53,510 --> 01:26:52,480

the press.com

2552

01:26:55,430 --> 01:26:53,520

um

2553

01:26:57,590 --> 01:26:55,440

and i'll be in roswell after that and

2554

01:26:59,270 --> 01:26:57,600

i'll be at mufon in las vegas at the end

2555

01:27:01,189 --> 01:26:59,280

of late july

2556

01:27:02,149 --> 01:27:01,199

and i imagine that'll be an interesting

2557

01:27:04,550 --> 01:27:02,159

panel

2558

01:27:06,870 --> 01:27:04,560

i can only imagine well rich i i

2559

01:27:09,510 --> 01:27:06,880

couldn't have asked for a better first

2560

01:27:11,910 --> 01:27:09,520

interview uh we really ran the gamut i

2561

01:27:14,070 --> 01:27:11,920

hope people enjoyed it and uh i can't

2562

01:27:16,070 --> 01:27:14,080

thank you enough for coming on with me

2563

01:27:17,430 --> 01:27:16,080

today for somewhere in the skies

2564

01:27:18,470 --> 01:27:17,440

ryan you were really nice to me you just

2565

01:27:20,709 --> 01:27:18,480

let me roll

2566

01:27:23,510 --> 01:27:20,719

hey man you do the work with this that

2567

01:27:25,270 --> 01:27:23,520

was the plan from the beginning

2568

01:27:26,870 --> 01:27:25,280

it was really nice being on your show

2569

01:27:28,070 --> 01:27:26,880

and um i think it's going to be really

2570

01:27:29,270 --> 01:27:28,080

successful and i just want to say on

2571

01:27:30,629 --> 01:27:29,280

your behalf

2572

01:27:32,550 --> 01:27:30,639

um

2573

01:27:33,830 --> 01:27:32,560

the book you wrote somewhere in the

2574

01:27:35,910 --> 01:27:33,840

skies i

2575

01:27:36,950 --> 01:27:35,920

consider one of the best books of the

2576

01:27:39,270 --> 01:27:36,960

decade

2577

01:27:41,510 --> 01:27:39,280

in this field uh what i like what you

2578

01:27:43,910 --> 01:27:41,520

did is you

2579

01:27:48,229 --> 01:27:43,920

uh i think there was a real lack

2580

01:27:49,669 --> 01:27:48,239

of books about experiences direct

2581

01:27:51,510 --> 01:27:49,679

sightings and experiences of the ufo

2582

01:27:53,910 --> 01:27:51,520

phenomenon you know the um

2583

01:27:55,750 --> 01:27:53,920

the people who did abduction books had

2584

01:27:58,149 --> 01:27:55,760

had been doing this but

2585

01:28:00,950 --> 01:27:58,159

my sense is that there's a lack of these

2586

01:28:02,709 --> 01:28:00,960

books out there and and you don't have

2587

01:28:04,470 --> 01:28:02,719

to do this through abduction research or

2588

01:28:06,070 --> 01:28:04,480

hypnotic regression

2589

01:28:07,030 --> 01:28:06,080

uh you can do it as a journalist as you

2590

01:28:09,590 --> 01:28:07,040

have done

2591

01:28:11,510 --> 01:28:09,600

and so you um you're getting people's

2592

01:28:13,830 --> 01:28:11,520

stories and

2593

01:28:14,629 --> 01:28:13,840

this is really valuable because it's

2594

01:28:16,310 --> 01:28:14,639

it's

2595

01:28:17,750 --> 01:28:16,320

so important for us to understand the

2596

01:28:20,149 --> 01:28:17,760

human

2597

01:28:21,350 --> 01:28:20,159

aspects of this phenomenon how it

2598

01:28:23,669 --> 01:28:21,360

affects us

2599

01:28:25,510 --> 01:28:23,679

the inexplicable nature of what people

2600

01:28:27,510 --> 01:28:25,520

are dealing with

2601

01:28:29,750 --> 01:28:27,520

and i really like the way you did this

2602

01:28:31,910 --> 01:28:29,760

book it's a very well written book

2603

01:28:33,350 --> 01:28:31,920

it's engaging and it's filled with

2604

01:28:34,629 --> 01:28:33,360

interesting ideas which is what makes

2605

01:28:36,709 --> 01:28:34,639

any book interesting if it doesn't have

2606

01:28:38,629 --> 01:28:36,719

interesting ideas and why bother yours

2607

01:28:39,910 --> 01:28:38,639

is interesting in that way and i really

2608

01:28:41,990 --> 01:28:39,920

feel it's a great service that's why i

2609

01:28:43,189 --> 01:28:42,000

was proud to publish it and i want

2610

01:28:44,950 --> 01:28:43,199

everyone to know that this is an

2611

01:28:47,669 --> 01:28:44,960

excellent book and they should

2612

01:28:50,070 --> 01:28:47,679

um they should buy it and read it well

2613

01:28:52,709 --> 01:28:50,080

thank you i was not expecting that but i

2614

01:28:56,229 --> 01:28:52,719

i highly appreciate that coming from you

2615

01:28:58,310 --> 01:28:56,239

um and yeah i hope everyone can someday

2616

01:29:00,790 --> 01:28:58,320

realize that no matter what's at the

2617

01:29:03,910 --> 01:29:00,800

core of these phenomena uh it's it's the

2618

01:29:05,430 --> 01:29:03,920

humans that matter most so thank you

2619

01:29:07,510 --> 01:29:05,440

humans and uh yeah we should be

2620

01:29:08,709 --> 01:29:07,520

interested how does it affect us and i

2621

01:29:10,870 --> 01:29:08,719

like the way you go about it in your

2622

01:29:12,310 --> 01:29:10,880

book thank you so much and again thank

2623

01:29:22,270 --> 01:29:12,320

you for joining us
