

SOMEWHERE IN THE SKIES

THE ABDUCTIONS
OF DENISE STONER

1
00:00:04,150 --> 00:00:01,990

[Music]

2
00:00:07,430 --> 00:00:04,160

hey guys ryan here the summer in the

3
00:00:09,589 --> 00:00:07,440

skies podcast is a labor of love every

4
00:00:12,070 --> 00:00:09,599

week and with that comes many different

5
00:00:14,709 --> 00:00:12,080

costs to keep the show running that's

6
00:00:16,790 --> 00:00:14,719

where our patreon campaign comes in you

7
00:00:19,109 --> 00:00:16,800

give what you think the show is worth

8
00:00:21,029 --> 00:00:19,119

there's different rewards available all

9
00:00:23,590 --> 00:00:21,039

the time including shout outs on the

10
00:00:26,390 --> 00:00:23,600

show early editions of main episodes

11
00:00:28,950 --> 00:00:26,400

bonus episodes and content and very soon

12
00:00:32,229 --> 00:00:28,960

monthly patron hangouts where we sit

13
00:00:33,990 --> 00:00:32,239

back and chat all things ufos so i hope

14

00:00:36,549 --> 00:00:34,000

you'll consider becoming a patreon

15

00:00:39,830 --> 00:00:36,559

subscriber today to learn more and to

16

00:00:42,069 --> 00:00:39,840

join visit patreon.com

17

00:00:47,000 --> 00:00:42,079

somewhereskies thank you for your

18

00:01:00,790 --> 00:00:57,750

[Music]

19

00:01:03,830 --> 00:01:00,800

for many you claim alien abductions it's

20

00:01:05,429 --> 00:01:03,840

a lonely road in trying to understand

21

00:01:07,910 --> 00:01:05,439

what has happened

22

00:01:10,789 --> 00:01:07,920

your loved ones your friends and those

23

00:01:13,270 --> 00:01:10,799

around you may not even believe you

24

00:01:16,190 --> 00:01:13,280

throughout my years of research and

25

00:01:19,510 --> 00:01:16,200

interviewing many claimed abductees or

26

00:01:21,749 --> 00:01:19,520

experiencers it's often most difficult

27

00:01:24,070 --> 00:01:21,759

when it comes to a significant other

28

00:01:27,590 --> 00:01:24,080

supporting their partner's incredible

29

00:01:29,670 --> 00:01:27,600

claims in fact many times it can make or

30

00:01:32,230 --> 00:01:29,680

break a relationship

31

00:01:33,990 --> 00:01:32,240

but what happens when it's more than one

32

00:01:36,390 --> 00:01:34,000

claimed deduction

33

00:01:38,789 --> 00:01:36,400

and what happens when your significant

34

00:01:42,389 --> 00:01:38,799

other was there when more than one of

35

00:01:44,630 --> 00:01:42,399

these experiences occurred

36

00:01:48,149 --> 00:01:44,640

these are the abductions

37

00:01:50,230 --> 00:01:48,159

of denise stoner i look over at ed

38

00:01:52,550 --> 00:01:50,240

and he's frozen to the steering wheel i

39

00:01:54,870 --> 00:01:52,560

can't get his attention whatsoever

40

00:01:57,350 --> 00:01:54,880

he's just frozen

41

00:01:59,880 --> 00:01:57,360

they are bringing me away and up

42

00:02:14,390 --> 00:01:59,890

up into the craft

43

00:02:21,700 --> 00:02:17,270

this is somewhere in the skies with ryan

44

00:02:21,710 --> 00:02:52,309

[Music]

45

00:02:58,630 --> 00:02:55,509

it was august 13th 1982

46

00:03:01,350 --> 00:02:58,640

colorado denise stoner along with her

47

00:03:03,589 --> 00:03:01,360

husband ed and their teenage daughter

48

00:03:06,390 --> 00:03:03,599

were on their way to a vacation retreat

49

00:03:07,830 --> 00:03:06,400

at the grace acre ranch just outside of

50

00:03:09,350 --> 00:03:07,840

denver

51
00:03:12,070 --> 00:03:09,360
they had arranged to meet stoner's

52
00:03:13,350 --> 00:03:12,080
parents as well as family friends at the

53
00:03:15,110 --> 00:03:13,360
retreat

54
00:03:16,630 --> 00:03:15,120
with all of them going ahead of the

55
00:03:19,110 --> 00:03:16,640
stoners

56
00:03:20,790 --> 00:03:19,120
they expected to arrive there around 8

57
00:03:23,430 --> 00:03:20,800
30 p.m

58
00:03:26,229 --> 00:03:23,440
but denise her husband ed and their

59
00:03:28,229 --> 00:03:26,239
daughter would ultimately arrive much

60
00:03:31,190 --> 00:03:28,239
later than that

61
00:03:33,190 --> 00:03:31,200
they had left denver at around 5 pm and

62
00:03:36,149 --> 00:03:33,200
immediatly took to the back roads in

63
00:03:40,070 --> 00:03:36,159

order to escape the rush hour traffic

64

00:03:42,309 --> 00:03:40,080

by 6 30 they had arrived at kenosha pass

65

00:03:45,030 --> 00:03:42,319

which not only gave ed a chance to pull

66

00:03:48,149 --> 00:03:45,040

over and stretch his legs but also

67

00:03:50,789 --> 00:03:48,159

offered fantastic views of the south

68

00:03:53,429 --> 00:03:50,799

park valley below

69

00:03:55,830 --> 00:03:53,439

it was after ed restarted the car and

70

00:03:59,270 --> 00:03:55,840

set off down kenosha pass that the

71

00:04:01,750 --> 00:03:59,280

evening took a drastic turn

72

00:04:04,309 --> 00:04:01,760

while stoner and ed chatted as they

73

00:04:06,390 --> 00:04:04,319

drove toward jefferson their daughter

74

00:04:08,470 --> 00:04:06,400

slept in the backseat

75

00:04:10,630 --> 00:04:08,480

it was as they passed through jefferson

76

00:04:12,949 --> 00:04:10,640

that stoner noticed two yellow white

77

00:04:14,789 --> 00:04:12,959

lights in the sky

78

00:04:16,550 --> 00:04:14,799

they appeared to be heading in their

79

00:04:19,189 --> 00:04:16,560

direction

80

00:04:21,430 --> 00:04:19,199

eventually the lights were directly over

81

00:04:24,230 --> 00:04:21,440

the top of the car

82

00:04:27,270 --> 00:04:24,240

then without warning the car suddenly

83

00:04:29,110 --> 00:04:27,280

moved sideways off the road and into the

84

00:04:31,110 --> 00:04:29,120

desert surroundings

85

00:04:32,950 --> 00:04:31,120

stoner would recall

86

00:04:35,270 --> 00:04:32,960

it was as if the car was being dragged

87

00:04:37,590 --> 00:04:35,280

by some kind of invisible rope we could

88

00:04:40,390 --> 00:04:37,600

do nothing at all to resist the pull

89

00:04:41,749 --> 00:04:40,400

all the while the lights remain directly

90

00:04:44,230 --> 00:04:41,759

overhead

91

00:04:47,590 --> 00:04:44,240

the next thing the family remembered was

92

00:04:50,390 --> 00:04:47,600

being out of the valley entirely driving

93

00:04:51,990 --> 00:04:50,400

toward trout creek pass

94

00:04:54,230 --> 00:04:52,000

it felt like only seconds had passed

95

00:04:56,550 --> 00:04:54,240

since we were pulled off the road

96

00:04:59,990 --> 00:04:56,560

but it was no longer daylight it was

97

00:05:02,469 --> 00:05:00,000

dark out and now almost 11 p.m

98

00:05:06,469 --> 00:05:02,479

ed quickly calculated that they had

99

00:05:08,070 --> 00:05:06,479

covered almost 40 miles with no memory

100

00:05:11,990 --> 00:05:08,080

of what had happened

101
00:05:14,550 --> 00:05:12,000
and they had lost almost four hours

102
00:05:16,870 --> 00:05:14,560
even stranger despite them being 40

103
00:05:19,110 --> 00:05:16,880
miles from their previous location when

104
00:05:23,110 --> 00:05:19,120
the lights had arrived the car's

105
00:05:24,629 --> 00:05:23,120
odometer had not registered those miles

106
00:05:26,629 --> 00:05:24,639
it was as if we'd been picked up and

107
00:05:28,310 --> 00:05:26,639
placed 40 miles down the road and set

108
00:05:30,870 --> 00:05:28,320
back on our way

109
00:05:33,189 --> 00:05:30,880
the stoners couldn't help an unsettling

110
00:05:36,230 --> 00:05:33,199
feeling running through them as they

111
00:05:39,430 --> 00:05:36,240
continued on to the retreat 90 minutes

112
00:05:41,110 --> 00:05:39,440
late and with no idea why

113
00:05:43,990 --> 00:05:41,120

by the time they arrived at their

114

00:05:47,189 --> 00:05:44,000

destination it was only 15 minutes

115

00:05:49,749 --> 00:05:47,199

before midnight stoner's parents and the

116

00:05:53,350 --> 00:05:49,759

family friends were at the roadside of

117

00:05:55,749 --> 00:05:53,360

the retreat a mixture of anxiety and

118

00:05:57,350 --> 00:05:55,759

relief on their faces

119

00:05:59,670 --> 00:05:57,360

they would tell them that they were

120

00:06:02,550 --> 00:05:59,680

contemplating calling the police and

121

00:06:04,230 --> 00:06:02,560

filing a missing person's report we

122

00:06:05,990 --> 00:06:04,240

decided we had no other option but to

123

00:06:06,870 --> 00:06:06,000

tell our worried family exactly what had

124

00:06:08,629 --> 00:06:06,880

happened

125

00:06:10,870 --> 00:06:08,639

although they initially thought this

126
00:06:13,830 --> 00:06:10,880
could have been some sort of elaborate

127
00:06:15,909 --> 00:06:13,840
prank the rest of the family and family

128
00:06:19,350 --> 00:06:15,919
friends realized that whatever had

129
00:06:22,070 --> 00:06:19,360
happened it had truly terrified and

130
00:06:24,469 --> 00:06:22,080
mystified the stoners

131
00:06:27,110 --> 00:06:24,479
following the weekend away the stoners

132
00:06:29,110 --> 00:06:27,120
returned home to denver

133
00:06:30,550 --> 00:06:29,120
i contemplated that night in my mind for

134
00:06:32,390 --> 00:06:30,560
many years

135
00:06:33,909 --> 00:06:32,400
coming to no conclusions as to what

136
00:06:36,629 --> 00:06:33,919
happened during that missing time with

137
00:06:41,990 --> 00:06:38,950
it wouldn't be until almost three

138
00:06:43,830 --> 00:06:42,000

decades later until stoner spoke of that

139

00:06:46,150 --> 00:06:43,840

night again

140

00:06:48,790 --> 00:06:46,160

she would meet a woman by the name of

141

00:06:52,550 --> 00:06:48,800

kathleen martin who would ultimately

142

00:06:55,029 --> 00:06:52,560

change denise's life forever

143

00:06:57,110 --> 00:06:55,039

kathleen martin had earned a degree in

144

00:06:59,749 --> 00:06:57,120

social work from the university of new

145

00:07:01,830 --> 00:06:59,759

hampshire she also participated in

146

00:07:03,909 --> 00:07:01,840

graduate studies in education while

147

00:07:05,990 --> 00:07:03,919

working as a teacher and education

148

00:07:07,990 --> 00:07:06,000

services coordinator

149

00:07:10,950 --> 00:07:08,000

she also spent time volunteering at the

150

00:07:13,830 --> 00:07:10,960

new hampshire state psychiatric hospital

151
00:07:16,629 --> 00:07:13,840
martin was a dedicated individual

152
00:07:18,790 --> 00:07:16,639
a lifelong learner even while she passed

153
00:07:21,270 --> 00:07:18,800
on her knowledge to others

154
00:07:23,110 --> 00:07:21,280
she would spend the next 15 years in the

155
00:07:25,350 --> 00:07:23,120
education system

156
00:07:28,150 --> 00:07:25,360
and while her work as an educator always

157
00:07:28,950 --> 00:07:28,160
shown bright and she was well known for

158
00:07:32,150 --> 00:07:28,960
it

159
00:07:35,270 --> 00:07:32,160
martin was also known for something else

160
00:07:36,950 --> 00:07:35,280
she was the niece of betty hill the wife

161
00:07:39,830 --> 00:07:36,960
of barney hill

162
00:07:41,749 --> 00:07:39,840
this married couple would arguably not

163
00:07:43,029 --> 00:07:41,759

only be some of the first individuals to

164

00:07:46,070 --> 00:07:43,039

have claimed to have had a close

165

00:07:48,629 --> 00:07:46,080

encounter with a ufo but also to have

166

00:07:51,589 --> 00:07:48,639

been abducted by the supposed non-human

167

00:07:54,070 --> 00:07:51,599

pilots of the ufo

168

00:07:57,270 --> 00:07:54,080

here is martin summarizing the initial

169

00:08:00,950 --> 00:07:57,280

close encounter of her aunt and uncle

170

00:08:03,990 --> 00:08:00,960

that harrowing night in 1961.

171

00:08:05,510 --> 00:08:04,000

betty had a vacation from her job as a

172

00:08:08,150 --> 00:08:05,520

social worker for the state of new

173

00:08:10,790 --> 00:08:08,160

hampshire barney worked for the post

174

00:08:12,469 --> 00:08:10,800

office neither believed in

175

00:08:14,550 --> 00:08:12,479

ufo reality

176
00:08:17,430 --> 00:08:14,560
at that time they had never read a book

177
00:08:19,670 --> 00:08:17,440
on the topic they took a brief vacation

178
00:08:22,950 --> 00:08:19,680
to niagara falls onto

179
00:08:24,790 --> 00:08:22,960
toronto onto montreal and they were

180
00:08:29,430 --> 00:08:24,800
driving home through the white mountains

181
00:08:31,430 --> 00:08:29,440
of new hampshire on september 19 1961

182
00:08:35,029 --> 00:08:31,440
when they had

183
00:08:37,909 --> 00:08:35,039
a close encounter with the ufo it came

184
00:08:42,469 --> 00:08:37,919
so close that it was within a hundred

185
00:08:45,110 --> 00:08:42,479
feet estimated by them of their location

186
00:08:48,230 --> 00:08:45,120
barney got out of the car with

187
00:08:51,350 --> 00:08:48,240
his binoculars he looked up at it and

188
00:08:53,509 --> 00:08:51,360

according to the air force report

189

00:08:55,350 --> 00:08:53,519

and the report that they made to the

190

00:08:57,110 --> 00:08:55,360

national investigations committee on

191

00:09:00,389 --> 00:08:57,120

aerial phenomena

192

00:09:03,269 --> 00:09:00,399

very shortly thereafter they observed a

193

00:09:06,710 --> 00:09:03,279

craft that was approximately a hundred

194

00:09:08,310 --> 00:09:06,720

feet above them it was extremely large

195

00:09:11,190 --> 00:09:08,320

they told the air force that it was as

196

00:09:13,350 --> 00:09:11,200

large as a dinner plate at arm's length

197

00:09:14,870 --> 00:09:13,360

this was very close to them it was

198

00:09:17,750 --> 00:09:14,880

observed by

199

00:09:20,710 --> 00:09:17,760

at least a dozen additional people it

200

00:09:22,389 --> 00:09:20,720

was on radar on the air force's two

201
00:09:24,790 --> 00:09:22,399
radar stations

202
00:09:27,350 --> 00:09:24,800
and a follow-up study by the air force

203
00:09:28,949 --> 00:09:27,360
stated that this was a bona fide

204
00:09:31,030 --> 00:09:28,959
sighting

205
00:09:32,710 --> 00:09:31,040
eventually it would be revealed that

206
00:09:35,110 --> 00:09:32,720
both betty and barney hill believed that

207
00:09:37,030 --> 00:09:35,120
they had suffered missing time during

208
00:09:39,829 --> 00:09:37,040
this event and that they had been

209
00:09:41,509 --> 00:09:39,839
kidnapped by something non-human that

210
00:09:43,590 --> 00:09:41,519
night

211
00:09:46,550 --> 00:09:43,600
naturally the story of this interracial

212
00:09:48,829 --> 00:09:46,560
couple in the 60s drew a lot of

213
00:09:51,269 --> 00:09:48,839

attention when it was leaked to the

214

00:09:54,630 --> 00:09:51,279

public and it became one of the most

215

00:09:57,430 --> 00:09:54,640

well documented investigated and most

216

00:09:59,110 --> 00:09:57,440

famous alien abduction cases in ufo

217

00:10:01,190 --> 00:09:59,120

history

218

00:10:03,269 --> 00:10:01,200

martin having been a witness to the

219

00:10:05,590 --> 00:10:03,279

aftermath of the events as a child with

220

00:10:07,670 --> 00:10:05,600

her aunt and uncle stood by their

221

00:10:09,590 --> 00:10:07,680

testimony she would eventually become

222

00:10:10,710 --> 00:10:09,600

the foremost investigator on the

223

00:10:12,949 --> 00:10:10,720

incident

224

00:10:15,190 --> 00:10:12,959

and one of the leading researchers on

225

00:10:18,870 --> 00:10:15,200

the alien abduction phenomenon in

226

00:10:21,030 --> 00:10:18,880

general even up until today martin and

227

00:10:23,829 --> 00:10:21,040

her husband had relocated from new

228

00:10:26,150 --> 00:10:23,839

hampshire to florida in 2009

229

00:10:28,790 --> 00:10:26,160

soon after martin began attending

230

00:10:32,069 --> 00:10:28,800

meetings for the local chapter of a

231

00:10:34,710 --> 00:10:32,079

civilian run organization known as mufon

232

00:10:37,509 --> 00:10:34,720

the mutual ufo network

233

00:10:41,350 --> 00:10:37,519

there she met state section director and

234

00:10:44,470 --> 00:10:41,360

chief investigator denise stoner

235

00:10:47,110 --> 00:10:44,480

apparently the experience or experiences

236

00:10:47,990 --> 00:10:47,120

of stoner had made a huge impact on her

237

00:10:50,470 --> 00:10:48,000

life

238

00:10:52,710 --> 00:10:50,480

even without having any answers

239

00:10:55,030 --> 00:10:52,720

it was through mufon that she would

240

00:10:57,350 --> 00:10:55,040

attempt to find those answers

241

00:10:58,870 --> 00:10:57,360

with the help of martin i asked kathleen

242

00:11:00,949 --> 00:10:58,880

martin if she would be willing to look

243

00:11:02,630 --> 00:11:00,959

into my case and perhaps find some

244

00:11:05,590 --> 00:11:02,640

answers to fill in the gaps of missing

245

00:11:07,590 --> 00:11:05,600

time my family and i had experienced

246

00:11:10,230 --> 00:11:07,600

stoner and martin begin a working

247

00:11:12,870 --> 00:11:10,240

relationship from that moment on martin

248

00:11:15,269 --> 00:11:12,880

agreed to investigate stoner's incident

249

00:11:18,150 --> 00:11:15,279

which would ultimately involve hypnotic

250

00:11:20,550 --> 00:11:18,160

regression of stoner in order to attempt

251
00:11:22,389 --> 00:11:20,560
to unlock some of the memories that may

252
00:11:24,870 --> 00:11:22,399
have been pushed into the deepest

253
00:11:26,949 --> 00:11:24,880
corners of stoner's mind

254
00:11:30,150 --> 00:11:26,959
the first session would take place on

255
00:11:31,910 --> 00:11:30,160
july 7th of 2011.

256
00:11:35,509 --> 00:11:31,920
martin would take stoner back to the

257
00:11:37,269 --> 00:11:35,519
night of august 13th 1982 when she and

258
00:11:40,230 --> 00:11:37,279
her family were driving down that

259
00:11:42,710 --> 00:11:40,240
darkened road in colorado

260
00:11:44,870 --> 00:11:42,720
she would soon recall the strange lights

261
00:11:45,910 --> 00:11:44,880
she had noticed in the sky coming toward

262
00:11:49,030 --> 00:11:45,920
them

263
00:11:51,670 --> 00:11:49,040

under hypnosis stoner stated there were

264

00:11:54,069 --> 00:11:51,680

three big lights off in the valley

265

00:11:55,670 --> 00:11:54,079

they're coming down to the valley ground

266

00:11:58,310 --> 00:11:55,680

they don't look right

267

00:12:00,470 --> 00:11:58,320

there are no roads out there

268

00:12:03,350 --> 00:12:00,480

when martin asked owner to describe the

269

00:12:04,550 --> 00:12:03,360

lights further she responded they are

270

00:12:06,150 --> 00:12:04,560

huge

271

00:12:08,550 --> 00:12:06,160

bright and white

272

00:12:11,110 --> 00:12:08,560

they're rotating slowly

273

00:12:12,550 --> 00:12:11,120

they're attached to another object

274

00:12:15,110 --> 00:12:12,560

they look like

275

00:12:16,949 --> 00:12:15,120

two plates surrounding the light

276

00:12:18,389 --> 00:12:16,959

the lights were directly over the top of

277

00:12:20,629 --> 00:12:18,399

their vehicle

278

00:12:21,750 --> 00:12:20,639

at this point the car began to move

279

00:12:23,590 --> 00:12:21,760

sideways

280

00:12:25,750 --> 00:12:23,600

stoner instinctively looked into the

281

00:12:28,389 --> 00:12:25,760

back seat to see if her daughter was

282

00:12:30,389 --> 00:12:28,399

awake for the sudden movement but she

283

00:12:32,710 --> 00:12:30,399

remained asleep

284

00:12:34,230 --> 00:12:32,720

i'm now outside of the car

285

00:12:37,110 --> 00:12:34,240

the lights are separating from the

286

00:12:39,430 --> 00:12:37,120

plates and are coming down to the ground

287

00:12:41,670 --> 00:12:39,440

i can sense someone else there

288

00:12:44,150 --> 00:12:41,680

but i couldn't see them

289

00:12:46,629 --> 00:12:44,160

all i know is i'm supposed to go into

290

00:12:49,750 --> 00:12:46,639

the center of the lights

291

00:12:53,590 --> 00:12:49,760

then an already bizarre and unnerving

292

00:12:57,030 --> 00:12:53,600

situation took another drastic turn

293

00:12:59,670 --> 00:12:57,040

there's this glob of lighted jelly

294

00:13:01,990 --> 00:12:59,680

it's twice the size of my head

295

00:13:04,790 --> 00:13:02,000

it's floating toward me

296

00:13:07,269 --> 00:13:04,800

the plates are a craft of some sort

297

00:13:09,829 --> 00:13:07,279

it's lowering to the ground

298

00:13:11,509 --> 00:13:09,839

now there's this black obsidian colored

299

00:13:13,269 --> 00:13:11,519

opening this

300

00:13:15,829 --> 00:13:13,279

this craft

301
00:13:17,910 --> 00:13:15,839
it's shaped like an hourglass

302
00:13:18,870 --> 00:13:17,920
i know i'm supposed to step into this

303
00:13:21,190 --> 00:13:18,880
opening

304
00:13:22,710 --> 00:13:21,200
but i'm afraid

305
00:13:24,550 --> 00:13:22,720
but i do

306
00:13:27,910 --> 00:13:24,560
i step into it

307
00:13:29,829 --> 00:13:27,920
as soon as i do i'm sucked into it

308
00:13:32,310 --> 00:13:29,839
and i'm in it

309
00:13:34,870 --> 00:13:32,320
i'm inside the craft

310
00:13:38,069 --> 00:13:34,880
stoner then recalled that the jelly-like

311
00:13:40,150 --> 00:13:38,079
substance was now completely gone and

312
00:13:43,110 --> 00:13:40,160
that she was in a room surrounded by

313
00:13:45,590 --> 00:13:43,120

slick silver walls

314

00:13:48,470 --> 00:13:45,600

the lighting inside the room was dim and

315

00:13:50,230 --> 00:13:48,480

she couldn't see where it came from as

316

00:13:52,230 --> 00:13:50,240

she looked around the room she was

317

00:13:54,629 --> 00:13:52,240

startled when she noticed several

318

00:13:56,870 --> 00:13:54,639

figures in the room

319

00:13:58,870 --> 00:13:56,880

as she moved toward them she realized

320

00:14:00,870 --> 00:13:58,880

that whatever they were

321

00:14:02,389 --> 00:14:00,880

they were not human

322

00:14:03,670 --> 00:14:02,399

they're gray

323

00:14:06,790 --> 00:14:03,680

small

324

00:14:08,790 --> 00:14:06,800

they have huge black misty eyes

325

00:14:10,710 --> 00:14:08,800

they have no clothes on

326

00:14:12,870 --> 00:14:10,720

they're in a perfect line

327

00:14:15,189 --> 00:14:12,880

shoulder to shoulder staring straight

328

00:14:16,870 --> 00:14:15,199

ahead and not moving

329

00:14:18,230 --> 00:14:16,880

something tells me they are soldiers of

330

00:14:21,110 --> 00:14:18,240

some kind

331

00:14:23,509 --> 00:14:21,120

as she looked on at these beings another

332

00:14:25,990 --> 00:14:23,519

figure soon came from around a corner of

333

00:14:27,269 --> 00:14:26,000

a curve in the room and was heading

334

00:14:29,750 --> 00:14:27,279

toward her

335

00:14:31,430 --> 00:14:29,760

it bent down to her level it's much

336

00:14:34,069 --> 00:14:31,440

taller than the others

337

00:14:35,990 --> 00:14:34,079

its eyes are blinking vertically

338

00:14:39,110 --> 00:14:36,000

it puts its face close to mine and it

339

00:14:40,870 --> 00:14:39,120

blinks but its eyelids blink vertically

340

00:14:43,110 --> 00:14:40,880

the eyes are yellow

341

00:14:44,710 --> 00:14:43,120

tall and narrow more to the side of its

342

00:14:47,829 --> 00:14:44,720

head than in front

343

00:14:51,269 --> 00:14:47,839

it has no nose and a tiny red mouth

344

00:14:54,230 --> 00:14:51,279

it is three long fingers and one thumb

345

00:14:55,509 --> 00:14:54,240

its body is oddly jointed and extremely

346

00:14:57,509 --> 00:14:55,519

thin

347

00:15:00,550 --> 00:14:57,519

around its fragile frame it wore a dark

348

00:15:03,509 --> 00:15:00,560

jacket that reached down to its legs it

349

00:15:05,509 --> 00:15:03,519

is a stand-up collar like a priest wears

350

00:15:07,030 --> 00:15:05,519

its mouth doesn't move but it's speaking

351
00:15:08,550 --> 00:15:07,040
to me

352
00:15:10,150 --> 00:15:08,560
not verbally

353
00:15:13,350 --> 00:15:10,160
it's in my mind

354
00:15:15,750 --> 00:15:13,360
talking to me inside my head somehow

355
00:15:17,750 --> 00:15:15,760
we have to go in

356
00:15:20,389 --> 00:15:17,760
but i don't want to

357
00:15:22,470 --> 00:15:20,399
i want to go back to my car

358
00:15:24,230 --> 00:15:22,480
it tells me you can't go back until i do

359
00:15:26,710 --> 00:15:24,240
what i have to do

360
00:15:30,310 --> 00:15:26,720
it was at this point in stoner's session

361
00:15:34,069 --> 00:15:30,320
that she became very anxious and scared

362
00:15:36,389 --> 00:15:34,079
and martin opted to end the session

363
00:15:39,790 --> 00:15:36,399

the next hypnotic regression would take

364

00:15:41,509 --> 00:15:39,800

place several months later on october 26

365

00:15:44,069 --> 00:15:41,519

2011.

366

00:15:46,470 --> 00:15:44,079

however before it would take place

367

00:15:48,629 --> 00:15:46,480

stoner informed martin of several

368

00:15:51,990 --> 00:15:48,639

details she had managed to recall

369

00:15:54,389 --> 00:15:52,000

consciously since their last meeting

370

00:15:57,110 --> 00:15:54,399

for example she would claim that despite

371

00:15:57,910 --> 00:15:57,120

how terrifying the taller being was to

372

00:16:00,069 --> 00:15:57,920

her

373

00:16:01,990 --> 00:16:00,079

she could sense it was highly

374

00:16:04,230 --> 00:16:02,000

intelligent

375

00:16:07,829 --> 00:16:04,240

she had further recalled that when the

376

00:16:10,230 --> 00:16:07,839

car moved sideways it was in fact lifted

377

00:16:12,629 --> 00:16:10,240

several feet from the ground

378

00:16:14,629 --> 00:16:12,639

she also recalled passing by a nearby

379

00:16:17,509 --> 00:16:14,639

ranch when they went

380

00:16:19,829 --> 00:16:17,519

she couldn't recall how or why she got

381

00:16:22,389 --> 00:16:19,839

out of the vehicle but she was certain

382

00:16:25,590 --> 00:16:22,399

that her husband and daughter all

383

00:16:27,509 --> 00:16:25,600

remained inside however it was when

384

00:16:29,910 --> 00:16:27,519

martin took stoner back to where they

385

00:16:31,829 --> 00:16:29,920

had left off in their last session where

386

00:16:35,350 --> 00:16:31,839

some of the most remarkable

387

00:16:37,269 --> 00:16:35,360

recollections allegedly came to light

388

00:16:39,030 --> 00:16:37,279

i'm following this being into the room

389

00:16:40,710 --> 00:16:39,040

as instructed

390

00:16:43,030 --> 00:16:40,720

in this room there are several other

391

00:16:44,870 --> 00:16:43,040

beings identical to this one

392

00:16:45,990 --> 00:16:44,880

it's saying something to me again in my

393

00:16:47,590 --> 00:16:46,000

head

394

00:16:49,350 --> 00:16:47,600

it wants me to get on the table in the

395

00:16:51,829 --> 00:16:49,360

middle of the room

396

00:16:55,030 --> 00:16:51,839

they have to perform a test on me

397

00:16:58,230 --> 00:16:55,040

i'm reluctant but i do it

398

00:17:00,150 --> 00:16:58,240

what happened next was invasive and

399

00:17:02,790 --> 00:17:00,160

highly traumatic

400

00:17:05,189 --> 00:17:02,800

the being lifted the cuff off the jeans

401
00:17:07,590 --> 00:17:05,199
on stoner's right ankle

402
00:17:10,789 --> 00:17:07,600
the next thing she recalled was feeling

403
00:17:13,750 --> 00:17:10,799
a sting in her foot like a long needle

404
00:17:15,029 --> 00:17:13,760
or wire had been directly inserted into

405
00:17:17,350 --> 00:17:15,039
her leg

406
00:17:19,029 --> 00:17:17,360
and into her vein

407
00:17:21,669 --> 00:17:19,039
the being tells me that the wire will

408
00:17:23,350 --> 00:17:21,679
remain in place for a period of time and

409
00:17:25,990 --> 00:17:23,360
that it will be there so the ones on

410
00:17:28,789 --> 00:17:26,000
earth will be able to recognize me

411
00:17:30,710 --> 00:17:28,799
following this a strange instrument

412
00:17:33,110 --> 00:17:30,720
appeared from behind the being and the

413
00:17:35,990 --> 00:17:33,120

being then used it to place something

414

00:17:38,070 --> 00:17:36,000

inside of stoners tear duct

415

00:17:39,990 --> 00:17:38,080

it's like a little white bead

416

00:17:41,750 --> 00:17:40,000

it's being put into my eye by some sort

417

00:17:43,110 --> 00:17:41,760

of metal pinchers with a point at the

418

00:17:44,950 --> 00:17:43,120

end

419

00:17:46,470 --> 00:17:44,960

the being is telling me it will fall out

420

00:17:48,950 --> 00:17:46,480

in a few days

421

00:17:50,870 --> 00:17:48,960

the being then took a diamond-shaped

422

00:17:52,710 --> 00:17:50,880

instrument and pushed it down on

423

00:17:55,029 --> 00:17:52,720

stoner's abdomen

424

00:17:58,150 --> 00:17:55,039

according to stoner when the instrument

425

00:18:01,190 --> 00:17:58,160

passed over where her ovaries were it

426

00:18:03,430 --> 00:18:01,200

caused a burning sensation

427

00:18:04,789 --> 00:18:03,440

i ask what the purpose of this test is

428

00:18:06,390 --> 00:18:04,799

for

429

00:18:08,150 --> 00:18:06,400

and the being tells me that it is not

430

00:18:10,630 --> 00:18:08,160

for me to know

431

00:18:13,830 --> 00:18:10,640

and that i'm part of the whole

432

00:18:16,390 --> 00:18:13,840

stoner would also recall a strange 3d

433

00:18:19,270 --> 00:18:16,400

holographic type of technology that

434

00:18:21,350 --> 00:18:19,280

displayed pictures of earth and other

435

00:18:23,669 --> 00:18:21,360

far-off planets

436

00:18:27,110 --> 00:18:23,679

the being would also make her aware that

437

00:18:31,590 --> 00:18:27,120

they had visited her many times before

438

00:18:34,230 --> 00:18:31,600

of which she had absolutely no memory of

439

00:18:38,470 --> 00:18:34,240

martin ended this session and picked up

440

00:18:40,950 --> 00:18:38,480

again on november 4th 2011.

441

00:18:43,830 --> 00:18:40,960

during this session martin managed to

442

00:18:47,270 --> 00:18:43,840

extract some intricate descriptions of

443

00:18:49,270 --> 00:18:47,280

the craft itself by stoner i'm in a room

444

00:18:51,430 --> 00:18:49,280

with its own atmosphere

445

00:18:53,590 --> 00:18:51,440

it feels like it wants to spin but it's

446

00:18:55,590 --> 00:18:53,600

not the room is almost in complete

447

00:18:57,669 --> 00:18:55,600

blackness apart from a pole that goes

448

00:18:59,270 --> 00:18:57,679

from the ceiling to the floor

449

00:19:01,270 --> 00:18:59,280

there's a mechanical device wrapped

450

00:19:04,390 --> 00:19:01,280

around the pole and two arms that come

451
00:19:05,590 --> 00:19:04,400
out on each side this device it seems

452
00:19:07,110 --> 00:19:05,600
alive

453
00:19:09,350 --> 00:19:07,120
it's in motion

454
00:19:11,909 --> 00:19:09,360
i think it's operating the craft

455
00:19:15,590 --> 00:19:11,919
following this the being took stoner out

456
00:19:18,549 --> 00:19:15,600
of the strange and disorienting room

457
00:19:20,950 --> 00:19:18,559
as soon as she left the room she felt as

458
00:19:22,870 --> 00:19:20,960
if she had just left something that was

459
00:19:25,270 --> 00:19:22,880
pressurized

460
00:19:27,430 --> 00:19:25,280
it was at this point that stoner blacked

461
00:19:29,990 --> 00:19:27,440
out and found herself back in the

462
00:19:32,070 --> 00:19:30,000
vehicle with her family

463
00:19:35,110 --> 00:19:32,080

but this wasn't the only experience

464

00:19:36,710 --> 00:19:35,120

donor had with missing time as martin

465

00:19:39,029 --> 00:19:36,720

would soon learn

466

00:19:41,669 --> 00:19:39,039

something happened to stoner and her

467

00:19:45,990 --> 00:19:41,679

husband on the other side of the united

468

00:19:48,870 --> 00:19:46,000

states almost a decade later

469

00:19:50,630 --> 00:19:48,880

martin would once again put stoner under

470

00:19:53,590 --> 00:19:50,640

to attempt to retrieve the memories of

471

00:19:55,990 --> 00:19:53,600

an event that occurred on october 20

472

00:19:58,310 --> 00:19:56,000

1991

473

00:20:01,430 --> 00:19:58,320

on the day in question stoner and her

474

00:20:04,070 --> 00:20:01,440

husband ed had spent the day diving in a

475

00:20:07,830 --> 00:20:04,080

lake in florida and were traveling back

476

00:20:10,149 --> 00:20:07,840

to their motel the steamboat dive in

477

00:20:13,029 --> 00:20:10,159

it was a route that they had taken many

478

00:20:15,430 --> 00:20:13,039

times before and should see them arrive

479

00:20:16,630 --> 00:20:15,440

at their motel in a little over 15

480

00:20:18,870 --> 00:20:16,640

minutes

481

00:20:20,950 --> 00:20:18,880

after eating dinner the stoners called

482

00:20:23,110 --> 00:20:20,960

it a night and went to bed looking

483

00:20:24,789 --> 00:20:23,120

forward to another day of diving in the

484

00:20:27,270 --> 00:20:24,799

morning

485

00:20:29,750 --> 00:20:27,280

however the night would bring with it

486

00:20:32,390 --> 00:20:29,760

another strange event

487

00:20:34,549 --> 00:20:32,400

for reasons she couldn't explain in the

488

00:20:37,110 --> 00:20:34,559

middle of the night stoner got out of

489

00:20:39,669 --> 00:20:37,120

bed dressed and made her way to their

490

00:20:41,669 --> 00:20:39,679

vehicle outside the motel

491

00:20:44,070 --> 00:20:41,679

although she wasn't entirely sure where

492

00:20:46,470 --> 00:20:44,080

she was going and struggled to later

493

00:20:50,470 --> 00:20:46,480

recall exactly where she had been she

494

00:20:53,190 --> 00:20:50,480

made her way to a very remote location

495

00:20:56,870 --> 00:20:53,200

this is where the memory ended and where

496

00:20:58,710 --> 00:20:56,880

the hypnosis session began

497

00:21:02,470 --> 00:20:58,720

stoner recalled heading away from the

498

00:21:04,070 --> 00:21:02,480

motel and down a lonely dark road she

499

00:21:06,549 --> 00:21:04,080

would eventually pull over at the

500

00:21:08,630 --> 00:21:06,559

roadside on a little dirt road in

501
00:21:11,750 --> 00:21:08,640
between two trees

502
00:21:13,430 --> 00:21:11,760
i can see an opening between the trees

503
00:21:15,350 --> 00:21:13,440
there's a strange object there that i

504
00:21:17,190 --> 00:21:15,360
can't quite make out

505
00:21:18,149 --> 00:21:17,200
it looks almost like the top of a water

506
00:21:20,470 --> 00:21:18,159
tower

507
00:21:22,470 --> 00:21:20,480
but very low to the ground

508
00:21:25,110 --> 00:21:22,480
she remained in the car

509
00:21:27,029 --> 00:21:25,120
her attention drawn toward the two trees

510
00:21:29,990 --> 00:21:27,039
in front of her

511
00:21:32,710 --> 00:21:30,000
stoner slowly crept the car closer to

512
00:21:35,510 --> 00:21:32,720
this object to get a better look

513
00:21:38,630 --> 00:21:35,520

the closer she got the more she realized

514

00:21:39,750 --> 00:21:38,640

this was not a water tower or anything

515

00:21:42,070 --> 00:21:39,760

like that

516

00:21:43,190 --> 00:21:42,080

there was a ramp stretching out from the

517

00:21:46,789 --> 00:21:43,200

opening

518

00:21:48,870 --> 00:21:46,799

and at the top of the ramp a tall figure

519

00:21:52,630 --> 00:21:48,880

as stoner appeared upward at the tall

520

00:21:54,789 --> 00:21:52,640

being two small grey figures emerged

521

00:21:56,470 --> 00:21:54,799

from the opening and headed straight

522

00:21:58,549 --> 00:21:56,480

towards her

523

00:22:00,950 --> 00:21:58,559

with these they were able to remove

524

00:22:03,750 --> 00:22:00,960

stoner from her car taking her up the

525

00:22:06,630 --> 00:22:03,760

ramp and into the opening

526

00:22:09,510 --> 00:22:06,640

and once again she found herself in a

527

00:22:11,110 --> 00:22:09,520

strange room although this time there

528

00:22:14,390 --> 00:22:11,120

was no table

529

00:22:17,029 --> 00:22:14,400

it was simply an empty room except for a

530

00:22:18,870 --> 00:22:17,039

odd looking chair

531

00:22:22,070 --> 00:22:18,880

i feel dazed

532

00:22:25,029 --> 00:22:22,080

almost like a dreamy type feeling

533

00:22:27,350 --> 00:22:25,039

the small beings place me in this chair

534

00:22:29,029 --> 00:22:27,360

the tall being is approaching me

535

00:22:31,590 --> 00:22:29,039

i notice that there is something that

536

00:22:34,710 --> 00:22:31,600

resembles a staple gun almost

537

00:22:36,630 --> 00:22:34,720

and it's attached to the chair

538

00:22:38,549 --> 00:22:36,640

the tall being takes this

539

00:22:40,230 --> 00:22:38,559

device or gun

540

00:22:41,750 --> 00:22:40,240

and presses it against the side of my

541

00:22:43,830 --> 00:22:41,760

head

542

00:22:49,110 --> 00:22:43,840

it feels

543

00:22:51,190 --> 00:22:49,120

with that the two grey figures took her

544

00:22:53,430 --> 00:22:51,200

from the chair and proceeded to bring

545

00:22:56,549 --> 00:22:53,440

her back to her car

546

00:22:58,630 --> 00:22:56,559

then things became even stranger as she

547

00:23:00,630 --> 00:22:58,640

recalled what she believed to have been

548

00:23:02,710 --> 00:23:00,640

the craft

549

00:23:05,430 --> 00:23:02,720

it's dark all around me except for this

550

00:23:07,750 --> 00:23:05,440

gray diamond with rounded edges

551
00:23:10,149 --> 00:23:07,760
bright red lights on those edges

552
00:23:11,190 --> 00:23:10,159
whatever this is it's spinning

553
00:23:14,630 --> 00:23:11,200
faster

554
00:23:16,310 --> 00:23:14,640
it's taking off in the sky

555
00:23:18,149 --> 00:23:16,320
it disappears

556
00:23:20,070 --> 00:23:18,159
next thing i remember i'm on the side of

557
00:23:22,470 --> 00:23:20,080
the road in the car

558
00:23:24,230 --> 00:23:22,480
i don't remember the ride home all i

559
00:23:25,669 --> 00:23:24,240
remember is returning to the motel and

560
00:23:27,830 --> 00:23:25,679
climbing into the bed

561
00:23:30,230 --> 00:23:27,840
but when i look at the pillowcase

562
00:23:32,630 --> 00:23:30,240
there's blood on it

563
00:23:34,070 --> 00:23:32,640

incidentally when this last detail is

564

00:23:36,870 --> 00:23:34,080

brought up to martin during the

565

00:23:39,110 --> 00:23:36,880

regression she did indeed examine the

566

00:23:42,870 --> 00:23:39,120

sight of stoner's head into her

567

00:23:45,669 --> 00:23:42,880

amazement and dismay there was in fact a

568

00:23:48,710 --> 00:23:45,679

small staple-like scar where stoner

569

00:23:51,510 --> 00:23:48,720

recalled the figure placing the device

570

00:23:53,269 --> 00:23:51,520

and as it would soon turn out stoner

571

00:23:56,710 --> 00:23:53,279

wouldn't be the only one with a bizarre

572

00:23:58,950 --> 00:23:56,720

story being pieced together in her mind

573

00:24:03,990 --> 00:23:58,960

these next memories would also involve

574

00:24:08,630 --> 00:24:06,470

you like stories of the strange the

575

00:24:11,510 --> 00:24:08,640

weird and the unexplained then we want

576
00:24:14,230 --> 00:24:11,520
you to check out jim harold's campfire

577
00:24:17,029 --> 00:24:14,240
the concept is pretty simple jim talks

578
00:24:19,110 --> 00:24:17,039
to regular people about strange stuff

579
00:24:22,789 --> 00:24:19,120
that happens to them and yes that

580
00:24:25,350 --> 00:24:22,799
includes ufos along with cryptids ghosts

581
00:24:28,470 --> 00:24:25,360
and head scratchers he doesn't

582
00:24:30,549 --> 00:24:28,480
exaggerate or play a lot of spooky music

583
00:24:33,430 --> 00:24:30,559
kind of like i'm doing right now the

584
00:24:36,230 --> 00:24:33,440
stories speak for themselves one's like

585
00:24:38,870 --> 00:24:36,240
a ghost story involving serial killer

586
00:24:42,230 --> 00:24:38,880
ted bundy or the young man who

587
00:24:44,710 --> 00:24:42,240
encountered an eight-legged demon then

588
00:24:47,430 --> 00:24:44,720

there's the story of an alien abduction

589

00:24:50,310 --> 00:24:47,440

by what could be considered a reptilian

590

00:24:52,710 --> 00:24:50,320

now not all the stories are horrifying

591

00:24:55,669 --> 00:24:52,720

some are actually pretty heartwarming

592

00:24:57,990 --> 00:24:55,679

like a visit from a past loved one or a

593

00:25:00,789 --> 00:24:58,000

peaceful near-death experience

594

00:25:03,830 --> 00:25:00,799

regardless these are true and

595

00:25:05,830 --> 00:25:03,840

fascinating stories told by ordinary

596

00:25:07,510 --> 00:25:05,840

people who've had extraordinary

597

00:25:10,149 --> 00:25:07,520

experiences

598

00:25:13,590 --> 00:25:10,159

tune in to jim harold's campfire on

599

00:25:16,070 --> 00:25:13,600

apple podcasts spotify or wherever you

600

00:25:17,269 --> 00:25:16,080

listen to somewhere in the skies and

601
00:25:20,710 --> 00:25:17,279
remember

602
00:25:24,470 --> 00:25:22,390
the stoners had planned to spend their

603
00:25:26,630 --> 00:25:24,480
final day diving and after getting out

604
00:25:28,630 --> 00:25:26,640
of bed and eating breakfast at a nearby

605
00:25:31,750 --> 00:25:28,640
diner they packed the equipment into the

606
00:25:34,310 --> 00:25:31,760
car and set out on their destination

607
00:25:36,390 --> 00:25:34,320
however as they approached a small farm

608
00:25:39,110 --> 00:25:36,400
on the roadside things took an

609
00:25:41,669 --> 00:25:39,120
unsettling turn

610
00:25:44,070 --> 00:25:41,679
at the very back of the barn on the farm

611
00:25:47,430 --> 00:25:44,080
stoner could see several oddly shaped

612
00:25:49,590 --> 00:25:47,440
objects she quickly alerted egg to these

613
00:25:52,149 --> 00:25:49,600

asking what he thought they were the

614

00:25:54,870 --> 00:25:52,159

closer they got to the barn the objects

615

00:25:56,789 --> 00:25:54,880

appeared distinctly triangular shaped

616

00:25:59,669 --> 00:25:56,799

and also appeared to have some kind of

617

00:26:02,230 --> 00:25:59,679

net like covering over them

618

00:26:03,669 --> 00:26:02,240

ed responded that they were most likely

619

00:26:06,310 --> 00:26:03,679

chicken coops

620

00:26:08,870 --> 00:26:06,320

denise was not convinced and asked that

621

00:26:11,029 --> 00:26:08,880

they go and take a closer look

622

00:26:12,470 --> 00:26:11,039

before they could though everything

623

00:26:14,789 --> 00:26:12,480

changed

624

00:26:17,269 --> 00:26:14,799

suddenly instead of driving along the

625

00:26:19,990 --> 00:26:17,279

quiet road near the farmhouse they found

626
00:26:22,070 --> 00:26:20,000
themselves near the interstate highway

627
00:26:23,830 --> 00:26:22,080
approaching lake city

628
00:26:27,110 --> 00:26:23,840
it would later work out that they were

629
00:26:29,990 --> 00:26:27,120
almost 30 miles from the farmhouse and

630
00:26:31,590 --> 00:26:30,000
while half an hour had seemingly gone by

631
00:26:34,070 --> 00:26:31,600
to them it appeared that they had

632
00:26:35,669 --> 00:26:34,080
arrived there in what seemed like an

633
00:26:37,430 --> 00:26:35,679
instant

634
00:26:39,430 --> 00:26:37,440
they would turn their car around and

635
00:26:41,590 --> 00:26:39,440
head back in the direction of their

636
00:26:43,990 --> 00:26:41,600
original destination

637
00:26:46,710 --> 00:26:44,000
they would eventually pass the barn and

638
00:26:50,390 --> 00:26:46,720

much to their confusion the four strange

639

00:26:53,590 --> 00:26:50,400

triangular objects were no longer there

640

00:26:56,149 --> 00:26:53,600

both of them felt extremely unsettled

641

00:26:58,070 --> 00:26:56,159

and each realized at least in the back

642

00:27:00,789 --> 00:26:58,080

of their minds that whatever just

643

00:27:05,110 --> 00:27:00,799

happened was an echo of what they'd

644

00:27:07,110 --> 00:27:05,120

experienced in colorado in 1982

645

00:27:09,750 --> 00:27:07,120

martin would also take statements from

646

00:27:10,870 --> 00:27:09,760

ed to examine his version of these

647

00:27:13,110 --> 00:27:10,880

events

648

00:27:15,029 --> 00:27:13,120

he would state the following

649

00:27:17,269 --> 00:27:15,039

we were driving along the quiet road

650

00:27:19,029 --> 00:27:17,279

near the farm and barn when denise

651
00:27:20,470 --> 00:27:19,039
pointed out several strange objects in

652
00:27:22,710 --> 00:27:20,480
the field

653
00:27:25,669 --> 00:27:22,720
i turned and saw these strange shiny

654
00:27:28,149 --> 00:27:25,679
metal objects that came to a point

655
00:27:30,310 --> 00:27:28,159
but within seconds of noticing them i

656
00:27:32,149 --> 00:27:30,320
could suddenly see a sign for i-75

657
00:27:33,909 --> 00:27:32,159
coming up in the distance

658
00:27:35,029 --> 00:27:33,919
we run a completely different stretch of

659
00:27:37,190 --> 00:27:35,039
road

660
00:27:39,190 --> 00:27:37,200
i pulled over and tell denise

661
00:27:41,350 --> 00:27:39,200
it just happened to us again

662
00:27:43,269 --> 00:27:41,360
it feels exactly the same as that night

663
00:27:45,430 --> 00:27:43,279

in colorado

664

00:27:48,230 --> 00:27:45,440

martin asked ed if he'd agree to a

665

00:27:49,990 --> 00:27:48,240

hypnosis session to which he did and the

666

00:27:52,549 --> 00:27:50,000

alleged true events that happened in

667

00:27:54,389 --> 00:27:52,559

that missing time slowly came to the

668

00:27:58,070 --> 00:27:54,399

surface for ed

669

00:27:59,909 --> 00:27:58,080

i see the shiny objects near the barn

670

00:28:03,190 --> 00:27:59,919

and everything is becoming dark all

671

00:28:05,350 --> 00:28:03,200

around us it feels it feels like we're

672

00:28:07,669 --> 00:28:05,360

in some kind of vacuum

673

00:28:10,630 --> 00:28:07,679

i turned to say something to denise and

674

00:28:12,870 --> 00:28:10,640

i realized she's not there

675

00:28:14,789 --> 00:28:12,880

she's not in the car with me

676
00:28:16,710 --> 00:28:14,799
i look out into the darkness and there's

677
00:28:18,070 --> 00:28:16,720
this door opening

678
00:28:19,909 --> 00:28:18,080
i see this

679
00:28:22,630 --> 00:28:19,919
tall figure

680
00:28:24,950 --> 00:28:22,640
and it's carrying denise in its long

681
00:28:27,029 --> 00:28:24,960
skinny arms

682
00:28:29,669 --> 00:28:27,039
ed then recalled this being bringing

683
00:28:31,830 --> 00:28:29,679
denise to the car and literally dropping

684
00:28:34,070 --> 00:28:31,840
her into the passenger seat

685
00:28:37,029 --> 00:28:34,080
before he could react the being returned

686
00:28:39,590 --> 00:28:37,039
to the doorway which then closed placing

687
00:28:41,510 --> 00:28:39,600
ed and denise in darkness

688
00:28:44,630 --> 00:28:41,520

the next thing he knew he was on the

689

00:28:47,190 --> 00:28:44,640

road approaching lake city martin would

690

00:28:50,710 --> 00:28:47,200

perform one last regression with denise

691

00:28:52,630 --> 00:28:50,720

stoner in relation to this 1992 event

692

00:28:55,269 --> 00:28:52,640

she would pick up in the car just after

693

00:28:56,630 --> 00:28:55,279

the two saw the object in the field i

694

00:28:59,110 --> 00:28:56,640

look over at ed

695

00:29:01,590 --> 00:28:59,120

and he's frozen to the steering wheel

696

00:29:02,789 --> 00:29:01,600

i can't get his attention whatsoever

697

00:29:03,750 --> 00:29:02,799

he's just

698

00:29:06,070 --> 00:29:03,760

frozen

699

00:29:07,750 --> 00:29:06,080

and i see the tall being and the grays

700

00:29:09,750 --> 00:29:07,760

the small ones

701

00:29:11,669 --> 00:29:09,760

i'm floating

702

00:29:14,549 --> 00:29:11,679

like there's no gravity

703

00:29:16,630 --> 00:29:14,559

they are bringing me away and up

704

00:29:19,110 --> 00:29:16,640

up into the craft

705

00:29:21,510 --> 00:29:19,120

another interesting detail was denise

706

00:29:23,510 --> 00:29:21,520

stoner's response to martin asking what

707

00:29:24,549 --> 00:29:23,520

had happened to the truck and where it

708

00:29:26,630 --> 00:29:24,559

had gone

709

00:29:29,190 --> 00:29:26,640

they're sending it away somewhere almost

710

00:29:31,190 --> 00:29:29,200

like it's in a bubble that has no weight

711

00:29:33,110 --> 00:29:31,200

like they are pushing it away

712

00:29:35,269 --> 00:29:33,120

shortly after noticing that she could no

713

00:29:37,430 --> 00:29:35,279

longer see the truck stoner saw the

714

00:29:39,909 --> 00:29:37,440

triangular craft in front of her and

715

00:29:42,070 --> 00:29:39,919

noted that she was being taken toward it

716

00:29:43,830 --> 00:29:42,080

martin then asked if she knew why they

717

00:29:45,029 --> 00:29:43,840

were taking her again

718

00:29:47,269 --> 00:29:45,039

it has something to do with the thing in

719

00:29:48,630 --> 00:29:47,279

my head the tall being is examining the

720

00:29:50,310 --> 00:29:48,640

part of my head that he had placed the

721

00:29:52,710 --> 00:29:50,320

staple gun-like device to the night

722

00:29:54,950 --> 00:29:52,720

before as he talks to me in my mind

723

00:29:57,110 --> 00:29:54,960

again it's telling me not to be afraid

724

00:29:59,669 --> 00:29:57,120

and that i'll be taken back soon

725

00:30:02,230 --> 00:29:59,679

the next thing she realized the car door

726
00:30:04,789 --> 00:30:02,240
was shut and the beings were gone she

727
00:30:05,830 --> 00:30:04,799
would claim it was almost like a bubble

728
00:30:07,909 --> 00:30:05,840
popping

729
00:30:09,590 --> 00:30:07,919
and then they were back on the road and

730
00:30:12,549 --> 00:30:09,600
that's when they realized that they were

731
00:30:14,710 --> 00:30:12,559
going in the complete opposite direction

732
00:30:17,909 --> 00:30:14,720
and that something truly strange had

733
00:30:22,470 --> 00:30:19,909
the work between martin and stoner

734
00:30:25,430 --> 00:30:22,480
continued and as they dug deeper into

735
00:30:27,750 --> 00:30:25,440
her memories it soon became clear at

736
00:30:29,990 --> 00:30:27,760
least to them that these experiences

737
00:30:32,470 --> 00:30:30,000
didn't begin in colorado

738
00:30:34,950 --> 00:30:32,480

they began when stoner was a mere two

739

00:30:37,190 --> 00:30:34,960

and a half years old and living in

740

00:30:39,350 --> 00:30:37,200

hartford west virginia

741

00:30:41,350 --> 00:30:39,360

on one particular evening stoner's

742

00:30:43,430 --> 00:30:41,360

mother was in the hospital about to give

743

00:30:46,070 --> 00:30:43,440

birth to stoner's sister and she was

744

00:30:48,149 --> 00:30:46,080

being cared for by her grandfather i'm

745

00:30:50,710 --> 00:30:48,159

looking out of a window at the house and

746

00:30:52,549 --> 00:30:50,720

i see an egg-shaped object i asked my

747

00:30:53,590 --> 00:30:52,559

grandfather why humpty dumpty was in the

748

00:30:55,510 --> 00:30:53,600

sky

749

00:30:57,750 --> 00:30:55,520

her grandfather suddenly had a look of

750

00:30:59,909 --> 00:30:57,760

fear wash over him as he noticed the

751

00:31:02,310 --> 00:30:59,919

object she had pointed out

752

00:31:04,630 --> 00:31:02,320

and at this point he seemingly changed

753

00:31:06,389 --> 00:31:04,640

the subject and informed her that it was

754

00:31:08,950 --> 00:31:06,399

her bedtime

755

00:31:12,310 --> 00:31:08,960

however this was just the start of the

756

00:31:14,389 --> 00:31:12,320

evening's strange and unsettling events

757

00:31:15,750 --> 00:31:14,399

i'm lying in my room and that's when i

758

00:31:17,430 --> 00:31:15,760

see it

759

00:31:18,789 --> 00:31:17,440

there's this

760

00:31:21,110 --> 00:31:18,799

thing

761

00:31:23,350 --> 00:31:21,120

this being that appears

762

00:31:25,909 --> 00:31:23,360

but it's not coming through a door

763

00:31:27,990 --> 00:31:25,919

it's coming straight through the wall

764

00:31:29,350 --> 00:31:28,000

this being was small

765

00:31:31,750 --> 00:31:29,360

it was gray

766

00:31:33,990 --> 00:31:31,760

it held a light of some sort in one hand

767

00:31:35,430 --> 00:31:34,000

and extended the other hand for stoner

768

00:31:37,430 --> 00:31:35,440

to take it

769

00:31:39,110 --> 00:31:37,440

i feel no fear

770

00:31:41,990 --> 00:31:39,120

i take its hand and start to follow it

771

00:31:43,750 --> 00:31:42,000

out of my room and down the hallway

772

00:31:46,149 --> 00:31:43,760

the being lifted the light it was

773

00:31:48,470 --> 00:31:46,159

carrying and pointed it directly at a

774

00:31:51,190 --> 00:31:48,480

wall in the hallway walked toward the

775

00:31:54,710 --> 00:31:51,200

wall and disappeared the next thing i

776

00:31:56,149 --> 00:31:54,720

know i'm inside a large dome-shaped room

777

00:31:57,430 --> 00:31:56,159

and there's a lot of other children

778

00:31:58,950 --> 00:31:57,440

around me

779

00:32:01,669 --> 00:31:58,960

it appears as if these beings are

780

00:32:03,190 --> 00:32:01,679

teaching something to the other children

781

00:32:05,830 --> 00:32:03,200

what they're teaching

782

00:32:08,470 --> 00:32:05,840

i have no idea

783

00:32:11,110 --> 00:32:08,480

stoner's next memory is waking up in her

784

00:32:12,630 --> 00:32:11,120

bed the next morning confused and

785

00:32:14,870 --> 00:32:12,640

terrified

786

00:32:16,710 --> 00:32:14,880

and this was only the beginning

787

00:32:18,710 --> 00:32:16,720

as stoner would work with martin to

788

00:32:21,430 --> 00:32:18,720

uncover many other experiences

789

00:32:24,070 --> 00:32:21,440

throughout her life with these beings

790

00:32:26,470 --> 00:32:24,080

and perhaps it wasn't just she and ed

791

00:32:27,750 --> 00:32:26,480

that these events had allegedly happened

792

00:32:29,990 --> 00:32:27,760

to

793

00:32:32,470 --> 00:32:30,000

she recalled that her grandfather during

794

00:32:35,269 --> 00:32:32,480

the initial experience at age two looked

795

00:32:37,990 --> 00:32:35,279

as though he knew what was happening and

796

00:32:40,549 --> 00:32:38,000

had some sort of scared yet familiar

797

00:32:42,630 --> 00:32:40,559

sense of the craft outside the home

798

00:32:45,029 --> 00:32:42,640

another event of interest was around the

799

00:32:46,710 --> 00:32:45,039

same time when stoner was two years old

800

00:32:49,590 --> 00:32:46,720

when she awoke one night to find that

801
00:32:51,750 --> 00:32:49,600
her baby's sister was not in her crib

802
00:32:53,750 --> 00:32:51,760
this would seemingly happen on several

803
00:32:55,350 --> 00:32:53,760
occasions when her parents began

804
00:32:57,350 --> 00:32:55,360
noticing that their daughter was missing

805
00:32:59,990 --> 00:32:57,360
from her bed in the middle of the night

806
00:33:02,789 --> 00:33:00,000
assuming she was escaping her crib and

807
00:33:05,110 --> 00:33:02,799
wandering downstairs her father placed a

808
00:33:08,630 --> 00:33:05,120
wooden fence of sorts around it using

809
00:33:11,029 --> 00:33:08,640
plywood however stoner would recall that

810
00:33:13,669 --> 00:33:11,039
she knew this wouldn't work as she had

811
00:33:16,950 --> 00:33:13,679
witnessed the tall being reaching into

812
00:33:18,789 --> 00:33:16,960
the crib and taking her sister with it

813
00:33:21,350 --> 00:33:18,799

as her sister never seemed to come to

814

00:33:24,870 --> 00:33:21,360

any harm as a result of this stoner

815

00:33:26,870 --> 00:33:24,880

opted not to say anything to her parents

816

00:33:29,029 --> 00:33:26,880

another unsettling incident occurred

817

00:33:30,950 --> 00:33:29,039

several years later stoner would

818

00:33:33,509 --> 00:33:30,960

suddenly realize that instead of being

819

00:33:34,630 --> 00:33:33,519

in her bed at home she was in a nearby

820

00:33:37,029 --> 00:33:34,640

park

821

00:33:39,750 --> 00:33:37,039

when she looked around she saw the tall

822

00:33:42,070 --> 00:33:39,760

being standing behind her

823

00:33:44,470 --> 00:33:42,080

she noticed that it had a strange device

824

00:33:47,190 --> 00:33:44,480

that appeared to be attached to its arm

825

00:33:49,269 --> 00:33:47,200

it appeared similar to an oil can with a

826

00:33:51,269 --> 00:33:49,279

tube at the end that dripped a strange

827

00:33:53,830 --> 00:33:51,279

liquid toward the ground

828

00:33:57,029 --> 00:33:53,840

stoner suddenly became scared and turned

829

00:33:59,830 --> 00:33:57,039

to run but as she did so she believed

830

00:34:01,750 --> 00:33:59,840

she saw the being's arm extending almost

831

00:34:03,990 --> 00:34:01,760

reaching her shoulder

832

00:34:06,710 --> 00:34:04,000

by the time she had run a short distance

833

00:34:08,230 --> 00:34:06,720

to the corner of the park the figure was

834

00:34:10,629 --> 00:34:08,240

in pursuit

835

00:34:12,869 --> 00:34:10,639

even worse the arm with the tube reached

836

00:34:15,030 --> 00:34:12,879

her ear and she felt a drop of the

837

00:34:17,750 --> 00:34:15,040

liquid fall inside

838

00:34:19,750 --> 00:34:17,760

as it did so a voice appeared in her

839

00:34:21,990 --> 00:34:19,760

mind telling her that they would be able

840

00:34:23,430 --> 00:34:22,000

to keep track of her now as she got

841

00:34:25,510 --> 00:34:23,440

older

842

00:34:27,669 --> 00:34:25,520

the next thing stoner realized she was

843

00:34:30,389 --> 00:34:27,679

back in her bed once more and the early

844

00:34:32,149 --> 00:34:30,399

morning sun was beginning to rise

845

00:34:36,790 --> 00:34:32,159

although she couldn't explain what had

846

00:34:38,869 --> 00:34:36,800

happened she knew that it wasn't a dream

847

00:34:41,510 --> 00:34:38,879

martin would examine several more of

848

00:34:44,310 --> 00:34:41,520

stoner's experiences in her book the

849

00:34:47,190 --> 00:34:44,320

alien abduction files and would come to

850

00:34:49,349 --> 00:34:47,200

some intriguing conclusions

851
00:34:51,829 --> 00:34:49,359
she would perform a questionnaire study

852
00:34:54,950 --> 00:34:51,839
of 50 people who claim that they had

853
00:34:56,950 --> 00:34:54,960
similar experiences to Denise Stoner in

854
00:34:59,430 --> 00:34:56,960
many of the details fit well with

855
00:35:01,910 --> 00:34:59,440
Stoner's version of events

856
00:35:04,150 --> 00:35:01,920
for example many believe that they have

857
00:35:06,150 --> 00:35:04,160
been subject to abductions since

858
00:35:09,910 --> 00:35:06,160
childhood and that the abductions have

859
00:35:12,470 --> 00:35:09,920
taken place regularly into adulthood

860
00:35:14,870 --> 00:35:12,480
similarly many abductees according to

861
00:35:17,670 --> 00:35:14,880
Martin's study had been abducted when in

862
00:35:19,910 --> 00:35:17,680
the company of others like a spouse for

863
00:35:22,310 --> 00:35:19,920

example and while they were largely

864

00:35:24,630 --> 00:35:22,320

unaware of what had taken place they

865

00:35:27,109 --> 00:35:24,640

would often sense that something out of

866

00:35:29,829 --> 00:35:27,119

the ordinary had occurred

867

00:35:32,230 --> 00:35:29,839

again many other claimed abductees could

868

00:35:34,550 --> 00:35:32,240

recall parts of the strange incidents

869

00:35:37,829 --> 00:35:34,560

usually the beginning and would often

870

00:35:39,829 --> 00:35:37,839

recall further details in dreams

871

00:35:43,750 --> 00:35:39,839

and most could recall the majority of

872

00:35:46,470 --> 00:35:43,760

the encounters with the use of hypnosis

873

00:35:49,190 --> 00:35:46,480

even the details of the abductions can

874

00:35:51,589 --> 00:35:49,200

be found across many similar cases

875

00:35:53,030 --> 00:35:51,599

the fact that some kind of examination

876
00:35:55,349 --> 00:35:53,040
had taken place

877
00:35:57,190 --> 00:35:55,359
or that records of their examinations

878
00:35:59,430 --> 00:35:57,200
were maintained

879
00:36:02,230 --> 00:35:59,440
and even that many of them are tracked

880
00:36:03,589 --> 00:36:02,240
can all be found in many other abduction

881
00:36:05,910 --> 00:36:03,599
cases

882
00:36:08,310 --> 00:36:05,920
perhaps another intriguing detail is

883
00:36:11,109 --> 00:36:08,320
that many abductees including Denise

884
00:36:12,630 --> 00:36:11,119
Stoner noted that electronic equipment

885
00:36:15,190 --> 00:36:12,640
in their homes would suddenly

886
00:36:17,109 --> 00:36:15,200
malfunction in the days following an

887
00:36:20,069 --> 00:36:17,119
experience

888
00:36:23,109 --> 00:36:20,079

in a similar detail abductees would also

889

00:36:26,069 --> 00:36:23,119

note that strange paranormal activity

890

00:36:30,390 --> 00:36:26,079

followed such encounters such as shadow

891

00:36:32,790 --> 00:36:30,400

figures light orbs and strange noises

892

00:36:35,670 --> 00:36:32,800

some even reported that items around the

893

00:36:37,670 --> 00:36:35,680

house simply went missing

894

00:36:39,670 --> 00:36:37,680

there have even been reports of sudden

895

00:36:43,109 --> 00:36:39,680

psychic abilities that are often

896

00:36:45,349 --> 00:36:43,119

reported if only temporary

897

00:36:48,230 --> 00:36:45,359

martin would also note that both denise

898

00:36:50,870 --> 00:36:48,240

and ed stoner were honest grounded

899

00:36:53,109 --> 00:36:50,880

hard-working individuals who are

900

00:36:56,470 --> 00:36:53,119

considered by all who know them as

901
00:36:59,750 --> 00:36:56,480
credible people of excellent character

902
00:37:02,550 --> 00:36:59,760
what's more neither were seeking fame or

903
00:37:04,069 --> 00:37:02,560
fortune as a result of their claims

904
00:37:06,790 --> 00:37:04,079
and conducted their side of the

905
00:37:09,030 --> 00:37:06,800
investigation away from the public eye

906
00:37:13,109 --> 00:37:09,040
until the publication of their accounts

907
00:37:18,310 --> 00:37:15,829
for many ufo researchers the denise

908
00:37:20,870 --> 00:37:18,320
stoner incidents are some of the most

909
00:37:22,390 --> 00:37:20,880
detailed alleged alien abduction cases

910
00:37:24,230 --> 00:37:22,400
on record

911
00:37:27,109 --> 00:37:24,240
many of the details offered in their

912
00:37:29,190 --> 00:37:27,119
accounts resonate nicely with others

913
00:37:31,270 --> 00:37:29,200

that are on record in the research files

914

00:37:32,950 --> 00:37:31,280
of multiple investigators and

915

00:37:35,270 --> 00:37:32,960
researchers

916

00:37:37,670 --> 00:37:35,280
perhaps not least that many alien

917

00:37:39,910 --> 00:37:37,680
abductees are subjected to repeat

918

00:37:41,670 --> 00:37:39,920
abductions throughout their lives

919

00:37:43,670 --> 00:37:41,680
as well as the fact that immediate

920

00:37:46,069 --> 00:37:43,680
family members of these abductees are

921

00:37:48,710 --> 00:37:46,079
often also found to have been regularly

922

00:37:51,750 --> 00:37:48,720
abducted with some cases stretching

923

00:37:53,910 --> 00:37:51,760
across generations

924

00:37:56,790 --> 00:37:53,920
after examining the denise stoner

925

00:38:01,190 --> 00:37:56,800
accounts what can we truly make of the

926
00:38:03,349 --> 00:38:01,200
reasons why these abductions took place

927
00:38:06,069 --> 00:38:03,359
it appears for example that a certain

928
00:38:07,430 --> 00:38:06,079
amount of tracking and record keeping is

929
00:38:09,270 --> 00:38:07,440
taking place

930
00:38:11,829 --> 00:38:09,280
hence the repeat abductions and

931
00:38:14,069 --> 00:38:11,839
procedures that make stoner and other

932
00:38:17,430 --> 00:38:14,079
abductees recognizable to the

933
00:38:19,990 --> 00:38:17,440
intelligences behind the abductions

934
00:38:22,550 --> 00:38:20,000
we also see a running pattern with those

935
00:38:26,069 --> 00:38:22,560
abducted being part of some kind of mass

936
00:38:27,990 --> 00:38:26,079
experimentation and monitoring operation

937
00:38:30,310 --> 00:38:28,000
but to what ends

938
00:38:32,790 --> 00:38:30,320

and if we are truly to ever come into

939

00:38:35,670 --> 00:38:32,800

contact with these captors on a mass

940

00:38:38,390 --> 00:38:35,680

scale might we finally know the reasons

941

00:38:40,069 --> 00:38:38,400

they've done such traumatic things to

942

00:38:42,710 --> 00:38:40,079

humans

943

00:38:44,790 --> 00:38:42,720

but perhaps even more importantly if

944

00:38:47,829 --> 00:38:44,800

they can control us in the ways

945

00:38:50,310 --> 00:38:47,839

abductees claim what will stop them from

946

00:38:51,910 --> 00:38:50,320

completely controlling us as an entire

947

00:38:54,150 --> 00:38:51,920

species

948

00:38:57,109 --> 00:38:54,160

the answers to these incredible

949

00:38:59,349 --> 00:38:57,119

questions are unimaginable just as the

950

00:39:01,990 --> 00:38:59,359

claims of denise stoner and many others

951
00:39:04,870 --> 00:39:02,000
are unimaginable as well

952
00:39:07,510 --> 00:39:04,880
and once again we find ourselves in the

953
00:39:10,550 --> 00:39:07,520
midst of compelling stories

954
00:39:13,270 --> 00:39:10,560
but very little compelling evidence save

955
00:39:15,349 --> 00:39:13,280
the highly controversial act of hypnosis

956
00:39:18,630 --> 00:39:15,359
having been conducted

957
00:39:21,430 --> 00:39:18,640
inherently the most controversial aspect

958
00:39:24,150 --> 00:39:21,440
of the abduction phenomenon overall

959
00:39:27,109 --> 00:39:24,160
how do you even begin to study something

960
00:39:28,870 --> 00:39:27,119
that refuses to rarely leave any

961
00:39:31,430 --> 00:39:28,880
physical imprint

962
00:39:34,069 --> 00:39:31,440
how do you conduct an investigation when

963
00:39:36,310 --> 00:39:34,079

most of what is remembered was blacked

964

00:39:37,589 --> 00:39:36,320

out of the memory of the claimed

965

00:39:39,990 --> 00:39:37,599

abductee

966

00:39:42,710 --> 00:39:40,000

and can we trust the memories that

967

00:39:45,349 --> 00:39:42,720

supposedly come to the surface

968

00:39:48,230 --> 00:39:45,359

these are the understandable inherent

969

00:39:50,710 --> 00:39:48,240

arguments by skeptics of the phenomenon

970

00:39:51,829 --> 00:39:50,720

and one of those skeptics was john e

971

00:39:57,589 --> 00:39:51,839

mack

972

00:39:59,430 --> 00:39:57,599

harvard he was also a pulitzer

973

00:40:02,390 --> 00:39:59,440

prize-winning author

974

00:40:05,349 --> 00:40:02,400

in 1994 he wrote a best-selling book

975

00:40:06,870 --> 00:40:05,359

titled abduction human encounters with

976
00:40:09,109 --> 00:40:06,880
aliens

977
00:40:11,349 --> 00:40:09,119
after looking heavily into the abduction

978
00:40:14,470 --> 00:40:11,359
phenomenon and interviewing those who

979
00:40:15,670 --> 00:40:14,480
claimed such experiences across a wide

980
00:40:18,710 --> 00:40:15,680
spectrum

981
00:40:21,910 --> 00:40:18,720
he believed that most of them could not

982
00:40:25,589 --> 00:40:21,920
be explained by mental illness sleep

983
00:40:27,990 --> 00:40:25,599
paralysis seizures or dreams

984
00:40:30,630 --> 00:40:28,000
and that these individuals firmly

985
00:40:33,430 --> 00:40:30,640
believed these events happened to them

986
00:40:36,390 --> 00:40:33,440
mack spent years trying to unravel the

987
00:40:39,190 --> 00:40:36,400
mystery coming to the same frustrating

988
00:40:42,150 --> 00:40:39,200

fact that perhaps the answers wouldn't

989

00:40:43,990 --> 00:40:42,160

be revealed through psychiatry nor the

990

00:40:46,309 --> 00:40:44,000

sciences in general

991

00:40:48,710 --> 00:40:46,319

we're dealing with a phenomenon which

992

00:40:51,430 --> 00:40:48,720

violates our sense of reality

993

00:40:53,670 --> 00:40:51,440

and which operates in this gray area

994

00:40:56,390 --> 00:40:53,680

between the physical world and the

995

00:40:57,589 --> 00:40:56,400

subjective or mythic or other realm

996

00:40:59,990 --> 00:40:57,599

world

997

00:41:02,390 --> 00:41:00,000

we're being asked to

998

00:41:04,630 --> 00:41:02,400

prove this by the methods of the

999

00:41:08,470 --> 00:41:04,640

physical sciences alone but those

1000

00:41:11,910 --> 00:41:08,480

methods in my view will not yield the

1001

00:41:14,870 --> 00:41:11,920

this will not yield its secrets

1002

00:41:17,190 --> 00:41:14,880

so here we are even up until today still

1003

00:41:21,589 --> 00:41:17,200

questioning if the alien abduction

1004

00:41:24,630 --> 00:41:21,599

phenomenon is actually happening or not

1005

00:41:25,990 --> 00:41:24,640

especially for people like denise and ed

1006

00:41:28,550 --> 00:41:26,000

stoner

1007

00:41:31,430 --> 00:41:28,560

either way the experiences of the

1008

00:41:32,710 --> 00:41:31,440

stoners have become a part of ufo

1009

00:41:35,589 --> 00:41:32,720

history

1010

00:41:37,670 --> 00:41:35,599

with the unfolding story continuing even

1011

00:41:41,030 --> 00:41:37,680

up until today

1012

00:41:44,069 --> 00:41:41,040

and perhaps one day denise stoner will

1013

00:41:47,240 --> 00:41:44,079

find the answers to her questions

1014

00:42:05,570 --> 00:41:47,250

somewhere in the skies

1015

00:42:10,150 --> 00:42:07,910

[Music]

1016

00:42:12,710 --> 00:42:10,160

this episode was co-researched and

1017

00:42:16,390 --> 00:42:12,720

written by marcus loth to learn more

1018

00:42:20,309 --> 00:42:18,790

special thanks to kathleen martin and

1019

00:42:22,069 --> 00:42:20,319

denise stoner

1020

00:42:25,190 --> 00:42:22,079

much of the material in the making of

1021

00:42:27,670 --> 00:42:25,200

this episode was inspired by their book

1022

00:42:30,630 --> 00:42:27,680

the alien abduction files the most

1023

00:42:32,230 --> 00:42:30,640

startling cases of human alien contact

1024

00:42:35,030 --> 00:42:32,240

ever reported

1025

00:42:37,270 --> 00:42:35,040

also to our voiceover performers who

1026

00:42:40,470 --> 00:42:37,280

contributed their time and talents to

1027

00:42:43,190 --> 00:42:40,480

this episode to emily tuchman and jason

1028

00:42:45,510 --> 00:42:43,200

mcclellan my special thanks to you both

1029

00:42:49,349 --> 00:42:45,520

as well you can learn more about emily

1030

00:42:51,109 --> 00:42:49,359

and jason at the links in our show notes

1031

00:42:53,030 --> 00:42:51,119

if you haven't already please take just

1032

00:42:55,589 --> 00:42:53,040

a few moments to rate and review

1033

00:42:57,910 --> 00:42:55,599

somewhere in the skies on apple podcasts

1034

00:42:58,710 --> 00:42:57,920

spotify or wherever you listen to the

1035

00:43:00,870 --> 00:42:58,720

show

1036

00:43:03,190 --> 00:43:00,880

please also subscribe to our youtube

1037

00:43:05,990 --> 00:43:03,200

channel as well for special live streams

1038

00:43:07,589 --> 00:43:06,000

case files and so much more

1039

00:43:10,150 --> 00:43:07,599

you can find us on twitter at

1040

00:43:12,230 --> 00:43:10,160

summerskies and on instagram at

1041

00:43:14,870 --> 00:43:12,240

summerskiespod

1042

00:43:16,950 --> 00:43:14,880

thank you for listening and remember

1043

00:43:22,350 --> 00:43:16,960

keep your feet on the ground but never

1044

00:43:22,360 --> 00:43:33,030

[Music]

1045

00:43:37,030 --> 00:43:34,950

somewhere in the skies is produced by

1046

00:43:38,950 --> 00:43:37,040

third kind productions in association
