The casual question, "What's up?" lately has taken on new meaning. Some of the things that

NATIONAL UFO REPORTING CENTER: 2,200+ SIGHTINGS

**WISN 12
INVESTIGATES**

1
00:00:04,150 --> 00:00:02,070
just because you don't see it doesn't

2
00:00:06,389 --> 00:00:04,160
mean that it's not there for generations

3
00:00:09,030 --> 00:00:06,399
people have wondered about unexplained

4
00:00:11,190 --> 00:00:09,040
phenomena in the wisconsin skies not a

5
00:00:13,749 --> 00:00:11,200
firm believer in ufos but i keep my mind

6
00:00:15,110 --> 00:00:13,759
open many consider it science fiction do

7
00:00:16,630 --> 00:00:15,120
you believe these reports when you hear

8
00:00:17,610 --> 00:00:16,640
things like that

9
00:00:18,710 --> 00:00:17,620
no

10
00:00:21,029 --> 00:00:18,720
[Laughter]

11
00:00:22,790 --> 00:00:21,039
i do not it's very unusual and then

12
00:00:24,950 --> 00:00:22,800
there's glenn kasmar you've never seen

13
00:00:26,070 --> 00:00:24,960

anything like this before no

14

00:00:31,669 --> 00:00:26,080

no

15

00:00:34,229 --> 00:00:31,679

wisconsin police officer was on patrol

16

00:00:36,310 --> 00:00:34,239

one night 35 years ago when he and

17

00:00:38,389 --> 00:00:36,320

others reported seeing something strange

18

00:00:41,270 --> 00:00:38,399

hovering in the south central wisconsin

19

00:00:43,670 --> 00:00:41,280

sky about 25 miles south of madison i

20

00:00:45,510 --> 00:00:43,680

was really amazed myself because

21

00:00:48,470 --> 00:00:45,520

apparently there there was a number of

22

00:00:51,029 --> 00:00:48,480

sightings what did you see all i saw was

23

00:00:53,750 --> 00:00:51,039

a cluster of lights i did not see a

24

00:00:56,630 --> 00:00:53,760

shape of any

25

00:00:57,750 --> 00:00:56,640

type whatsoever other people have it was

26

00:01:03,029 --> 00:00:57,760

something

27

00:01:05,670 --> 00:01:03,039

here in wisconsin jump out at you well

28

00:01:08,630 --> 00:01:05,680

certainly the the belleville wave they

29

00:01:10,550 --> 00:01:08,640

saw it come past their car we spoke with

30

00:01:12,870 --> 00:01:10,560

don schmidt at his home in washington

31

00:01:14,710 --> 00:01:12,880

county schmidt is an author and longtime

32

00:01:17,510 --> 00:01:14,720

investigator for the privately funded

33

00:01:20,390 --> 00:01:17,520

center for ufo studies in chicago in

34

00:01:22,950 --> 00:01:20,400

1987 he spent months looking into the

35

00:01:26,870 --> 00:01:22,960

belleville case we investigated

36

00:01:29,350 --> 00:01:26,880

41 reports during that time period many

37

00:01:31,830 --> 00:01:29,360

of them involve cylindrical

38

00:01:33,429 --> 00:01:31,840

objects devoid of wings schmidt

39

00:01:36,149 --> 00:01:33,439

concluded that more than a dozen of

40

00:01:37,429 --> 00:01:36,159

those ufo reports could not be explained

41

00:01:39,270 --> 00:01:37,439

but these aren't just stories handed

42

00:01:41,590 --> 00:01:39,280

down through the decades there have been

43

00:01:43,590 --> 00:01:41,600

recent reports of ufo sightings right

44

00:01:45,670 --> 00:01:43,600

here in our area the federal aviation

45

00:01:47,670 --> 00:01:45,680

administration refers anyone reporting

46

00:01:50,230 --> 00:01:47,680

an unexplained sighting to the

47

00:01:52,389 --> 00:01:50,240

independent national ufo reporting

48

00:01:54,710 --> 00:01:52,399

center which lists more than 2 200

49

00:01:56,789 --> 00:01:54,720

reports from wisconsin last april

50

00:01:59,190 --> 00:01:56,799

someone in port washington reported a

51
00:02:01,830 --> 00:01:59,200
disk or saucer-shaped object hovering in

52
00:02:04,630 --> 00:02:01,840
the north sky last october in plymouth

53
00:02:07,030 --> 00:02:04,640
the report of a glowing craft in the sky

54
00:02:09,430 --> 00:02:07,040
changed shape and elevation defying the

55
00:02:12,710 --> 00:02:09,440
laws of physics and in november in

56
00:02:15,589 --> 00:02:12,720
richfield a black triangle shape 300

57
00:02:18,150 --> 00:02:15,599
feet wide 20 feet thick the center does

58
00:02:19,030 --> 00:02:18,160
not investigate the reports what do you

59
00:02:21,110 --> 00:02:19,040
think

60
00:02:22,790 --> 00:02:21,120
when you see these

61
00:02:24,949 --> 00:02:22,800
reports of

62
00:02:27,110 --> 00:02:24,959
ufo sightings here in wisconsin

63
00:02:29,270 --> 00:02:27,120

continuing people do tend to jump to

64

00:02:31,350 --> 00:02:29,280

conclusions jim lattis is an astronomy

65

00:02:33,589 --> 00:02:31,360

historian who heads education outreach

66

00:02:35,509 --> 00:02:33,599

for the uw madison astronomy department

67

00:02:37,270 --> 00:02:35,519

they want something to be

68

00:02:39,270 --> 00:02:37,280

this mysterious thing that they maybe

69

00:02:40,309 --> 00:02:39,280

hope is there there's a whole fleet of

70

00:02:42,309 --> 00:02:40,319

them

71

00:02:44,070 --> 00:02:42,319

there's been renewed interest in ufos in

72

00:02:50,390 --> 00:02:44,080

recent years following the release of

73

00:02:55,430 --> 00:02:52,710

no going against the wind the wind's 120

74

00:02:57,830 --> 00:02:55,440

knots from the west

75

00:02:59,589 --> 00:02:57,840

then last summer's unclassified report

76

00:03:01,990 --> 00:02:59,599

from the u.s director of national

77

00:03:04,070 --> 00:03:02,000

intelligence into unexplained aerial

78

00:03:06,229 --> 00:03:04,080

phenomena concluded that there may be

79

00:03:09,190 --> 00:03:06,239

many explanations but the government

80

00:03:10,790 --> 00:03:09,200

simply can't draw any firm conclusions

81

00:03:13,190 --> 00:03:10,800

but lattice believes there is one

82

00:03:17,110 --> 00:03:13,200

explanation that can probably be ruled

83

00:03:18,390 --> 00:03:17,120

out extraterrestrial visitors are so

84

00:03:20,790 --> 00:03:18,400

unlikely

85

00:03:22,550 --> 00:03:20,800

that there's almost no explanation that

86

00:03:24,789 --> 00:03:22,560

wouldn't be a better explanation in

87

00:03:27,030 --> 00:03:24,799

terms of the likelihood if you want to

88

00:03:29,030 --> 00:03:27,040

guess at an explanation the last guess

89

00:03:30,789 --> 00:03:29,040

you ought to make is aliens while those

90

00:03:33,350 --> 00:03:30,799

who have reported seeing something

91

00:03:36,789 --> 00:03:33,360

unexplained in the skies are left to

92

00:03:37,830 --> 00:03:36,799

keep wondering what do you think it was

93

00:03:42,869 --> 00:03:37,840

i don't know

94

00:03:44,949 --> 00:03:42,879

wainscott wisn 12 news the new defense

95

00:03:47,110 --> 00:03:44,959

department group monitoring unidentified

96

00:03:49,030 --> 00:03:47,120

things in the sky has one of the longest

00:03:51,509 --> 00:03:49,040

names in government it is the airborne
