ANYTHING

1
00:00:05,030 --> 00:00:02,710
a labor of love every week and with that

2
00:00:07,110 --> 00:00:05,040
comes many different costs to keep the

3
00:00:09,509 --> 00:00:07,120
show running that's where our patreon

4
00:00:11,190 --> 00:00:09,519
campaign comes in you give what you

5
00:00:13,910 --> 00:00:11,200
think the show is worth there's

6
00:00:15,829 --> 00:00:13,920
different rewards available all the time

7
00:00:18,710 --> 00:00:15,839
including shout outs on the show early

8
00:00:21,590 --> 00:00:18,720
editions of main episodes bonus episodes

9
00:00:24,230 --> 00:00:21,600
and content and very soon monthly patron

10
00:00:26,950 --> 00:00:24,240
hangouts where we sit back and chat all

11
00:00:29,509 --> 00:00:26,960
things ufos so i hope you'll consider

12
00:00:33,910 --> 00:00:29,519
becoming a patreon subscriber today to

13
00:00:36,150 --> 00:00:33,920

learn more and to join visit patreon.com

14

00:00:53,110 --> 00:00:36,160

somewhereskies thank you for your

15

00:00:57,430 --> 00:00:54,549

what's up guys

16

00:00:58,790 --> 00:00:57,440

ryan sprague here um doing a very

17

00:01:01,270 --> 00:00:58,800

impromptu

18

00:01:03,750 --> 00:01:01,280

ask me anything tonight um let me know

19

00:01:06,390 --> 00:01:03,760

if you can see me in the chat if you can

20

00:01:09,510 --> 00:01:06,400

hear me matthew riley says doing this

21

00:01:11,429 --> 00:01:09,520

during ufc blasphemy but i'm here anyway

22

00:01:15,910 --> 00:01:11,439

thank you matthew thanks buddy hey

23

00:01:17,510 --> 00:01:15,920

speaking of uh ufc i'm gonna be having a

24

00:01:19,510 --> 00:01:17,520

former ufc

25

00:01:22,870 --> 00:01:19,520

champion coming on somewhere in the

26

00:01:24,390 --> 00:01:22,880

skies very soon to talk about his ufo

27

00:01:26,870 --> 00:01:24,400

encounters that he had with his

28

00:01:28,789 --> 00:01:26,880

grandfather um so keep a lookout for

29

00:01:31,270 --> 00:01:28,799

that matthew riot he reached out to me

30

00:01:34,310 --> 00:01:31,280

on youtube and um we've been chatting

31

00:01:36,469 --> 00:01:34,320

back and forth and uh i i had no idea

32

00:01:38,390 --> 00:01:36,479

who this guy was and then when i googled

33

00:01:40,390 --> 00:01:38,400

his name it was just like champion

34

00:01:42,630 --> 00:01:40,400

champion champion knockout knockout

35

00:01:45,510 --> 00:01:42,640

knockout so yeah man you're gonna enjoy

36

00:01:47,109 --> 00:01:45,520

that hopefully coming to you very soon

37

00:01:49,749 --> 00:01:47,119

let's say hi to everyone else we've got

38

00:01:52,710 --> 00:01:49,759

bn here as always thank you for being

39

00:01:55,910 --> 00:01:52,720

here robert is here greetings we've got

40

00:01:58,389 --> 00:01:55,920

dope nose hey everyone scott austin my

41

00:02:01,429 --> 00:01:58,399

dude aaron aaron disario is here good

42

00:02:04,870 --> 00:02:01,439

evening ryan welcome welcome everybody

43

00:02:07,030 --> 00:02:04,880

matthew riot of course uh teddy what's

44

00:02:09,510 --> 00:02:07,040

up teddy welcome welcome thank you for

45

00:02:11,510 --> 00:02:09,520

the book selfie teddy recently um really

46

00:02:13,990 --> 00:02:11,520

appreciate the support my man really

47

00:02:16,630 --> 00:02:14,000

really appreciate it ariel elizabeth is

48

00:02:19,430 --> 00:02:16,640

here hey hey buddy what's going on ariel

49

00:02:21,750 --> 00:02:19,440

thank you so much for being here um this

50

00:02:23,030 --> 00:02:21,760

is gonna be just super chill guys i have

51
00:02:25,750 --> 00:02:23,040
like nothing

52
00:02:26,550 --> 00:02:25,760
planned um maybe a few little things but

53
00:02:29,589 --> 00:02:26,560
um

54
00:02:31,670 --> 00:02:29,599
other than that i'm here to answer any

55
00:02:34,710 --> 00:02:31,680
questions you have about anything it can

56
00:02:36,390 --> 00:02:34,720
be about ufos it can be about um

57
00:02:37,509 --> 00:02:36,400
literally anything you want

58
00:02:40,710 --> 00:02:37,519
um

59
00:02:43,430 --> 00:02:40,720
just no politics that's that's all uh i

60
00:02:45,670 --> 00:02:43,440
asked tonight that we not get into that

61
00:02:47,750 --> 00:02:45,680
um we got enough going on in the world

62
00:02:49,350 --> 00:02:47,760
to worry about let's not get into those

63
00:02:52,550 --> 00:02:49,360

discussions but if you want to talk

64

00:02:54,550 --> 00:02:52,560

about anything else ufos um

65

00:02:57,110 --> 00:02:54,560

whatever theater that's what i do here

66

00:02:59,110 --> 00:02:57,120

in new york um anything anything you

67

00:03:02,149 --> 00:02:59,120

want i've got some listener questions

68

00:03:05,070 --> 00:03:02,159

here already um so i will get to those

69

00:03:08,470 --> 00:03:05,080

in just a bit um who else we have making

70

00:03:10,949 --> 00:03:08,480

starwars.net here hello hello hey dude

71

00:03:13,589 --> 00:03:10,959

what's your take on ce5 hey let's just

72

00:03:15,830 --> 00:03:13,599

get into it ce5 um

73

00:03:19,430 --> 00:03:15,840

initiating contact with aliens instead

74

00:03:22,149 --> 00:03:19,440

of them initiating contact with us uh we

75

00:03:23,990 --> 00:03:22,159

are part of the dance we are the ones um

76

00:03:27,750 --> 00:03:24,000

leading and um

77

00:03:29,910 --> 00:03:27,760

and and showing them what's what uh

78

00:03:31,350 --> 00:03:29,920

i don't know i don't know what to make

79

00:03:33,110 --> 00:03:31,360

of ce5

80

00:03:35,589 --> 00:03:33,120

i've never done it i've never been a

81

00:03:38,710 --> 00:03:35,599

part of it i've never witnessed it um

82

00:03:40,149 --> 00:03:38,720

but it's interesting and um

83

00:03:42,070 --> 00:03:40,159

as long as you know

84

00:03:44,149 --> 00:03:42,080

someone's not charging you four grand to

85

00:03:45,910 --> 00:03:44,159

go out somewhere and

86

00:03:48,229 --> 00:03:45,920

shine a flashlight at the sky and have

87

00:03:51,750 --> 00:03:48,239

the ufos come in um

88

00:03:54,149 --> 00:03:51,760

ufos then um all the power to you

89

00:03:56,390 --> 00:03:54,159

whatever you think is um

90

00:03:59,190 --> 00:03:56,400

whatever is good for you uh so i know

91

00:04:00,789 --> 00:03:59,200

that's a super passive answer but um ce5

92

00:04:03,429 --> 00:04:00,799

is just something i have not looked into

93

00:04:05,110 --> 00:04:03,439

so um maybe i should maybe i should look

94

00:04:08,149 --> 00:04:05,120

into it more talk to more people who've

95

00:04:09,830 --> 00:04:08,159

done it um robert hello fellow human

96

00:04:11,110 --> 00:04:09,840

like the plants in the background thank

97

00:04:15,030 --> 00:04:11,120

you ariel

98

00:04:16,710 --> 00:04:15,040

um let's see

99

00:04:19,110 --> 00:04:16,720

oh matthew says i'm gonna want you to

100

00:04:21,270 --> 00:04:19,120

expand on that darren brown experience

101

00:04:23,909 --> 00:04:21,280

oh yeah i remember when you brought that

102

00:04:27,110 --> 00:04:23,919

up so i worked at darren brown's uh most

103

00:04:29,189 --> 00:04:27,120

recent show on broadway and um i'd never

104

00:04:30,950 --> 00:04:29,199

heard of him uh but the first time i

105

00:04:34,070 --> 00:04:30,960

worked there and saw the show it blew me

106

00:04:36,230 --> 00:04:34,080

away um incredible incredible um and

107

00:04:39,430 --> 00:04:36,240

then i found out that he actually was

108

00:04:40,230 --> 00:04:39,440

roommates with a colleague of mine and

109

00:04:48,150 --> 00:04:40,240

um

110

00:04:50,070 --> 00:04:48,160

real than people think so uh yeah

111

00:04:52,150 --> 00:04:50,080

hopefully i'll have more on that for you

112

00:04:54,469 --> 00:04:52,160

soon matthew thanks for asking

113

00:04:56,310 --> 00:04:54,479

that scott austin wow you guys are just

114

00:04:58,710 --> 00:04:56,320

firing away i had all this stuff planned

115

00:05:01,110 --> 00:04:58,720

just in case no one showed up or um no

116

00:05:03,830 --> 00:05:01,120

one asked questions um so this is pretty

117

00:05:05,590 --> 00:05:03,840

cool uh scott austin asks what have you

118

00:05:08,790 --> 00:05:05,600

been writing lately

119

00:05:11,749 --> 00:05:08,800

i have been working on a new book and um

120

00:05:14,310 --> 00:05:11,759

i already have been talking to an artist

121

00:05:16,070 --> 00:05:14,320

who's going to uh design the cover for

122

00:05:17,270 --> 00:05:16,080

it and

123

00:05:20,150 --> 00:05:17,280

he

124

00:05:22,469 --> 00:05:20,160

sent me some mock-ups just from a few

125

00:05:24,790 --> 00:05:22,479

words that i gave him of what the book

126

00:05:26,629 --> 00:05:24,800

represents and um what i'm kind of

127

00:05:30,070 --> 00:05:26,639

looking for and

128

00:05:32,870 --> 00:05:30,080

oh my god i'm i'm so excited um so yeah

129

00:05:33,830 --> 00:05:32,880

i'm working on a new book um it's gonna

130

00:05:36,950 --> 00:05:33,840

be

131

00:05:40,150 --> 00:05:36,960

a lot more um

132

00:05:42,150 --> 00:05:40,160

i guess focused than my original two

133

00:05:43,909 --> 00:05:42,160

editions of somewhere in the skies uh

134

00:05:47,590 --> 00:05:43,919

this will cover people who have had

135

00:05:50,310 --> 00:05:47,600

experiences in the anomalous and um the

136

00:05:52,310 --> 00:05:50,320

paranormal the ufological uh but it's

137

00:05:54,950 --> 00:05:52,320

going to focus each chapter on one

138

00:05:57,670 --> 00:05:54,960

individual and go super super super

139

00:05:59,270 --> 00:05:57,680

super super deep like i am embedding

140

00:06:01,590 --> 00:05:59,280

myself in these people's lives like

141

00:06:04,230 --> 00:06:01,600

never before um i

142

00:06:06,390 --> 00:06:04,240

have traveled all over the country to

143

00:06:08,790 --> 00:06:06,400

research for this book i'm going to be

144

00:06:10,790 --> 00:06:08,800

traveling all over the country again to

145

00:06:13,990 --> 00:06:10,800

interview some people for the book and

146

00:06:15,990 --> 00:06:14,000

going to some very um

147

00:06:18,950 --> 00:06:16,000

interesting

148

00:06:22,070 --> 00:06:18,960

places that have a lot of things going

149

00:06:24,390 --> 00:06:22,080

on uh in the ufo world in the paranormal

150

00:06:26,469 --> 00:06:24,400

world so more on that to come but i'm

151

00:06:30,070 --> 00:06:26,479

really excited about the new book i've

152

00:06:32,710 --> 00:06:30,080

written a few chapters already and um

153

00:06:34,870 --> 00:06:32,720

i've i've had some people looking at

154

00:06:37,909 --> 00:06:34,880

them and they said this is your best

155

00:06:41,029 --> 00:06:37,919

work yet so i'm really really excited

156

00:06:43,189 --> 00:06:41,039

and i hope you guys like it so hopefully

157

00:06:44,309 --> 00:06:43,199

i will have that book out

158

00:06:47,590 --> 00:06:44,319

later

159

00:06:49,589 --> 00:06:47,600

um this year or early next year um i

160

00:06:51,830 --> 00:06:49,599

want to do it right i want to do

161

00:06:54,230 --> 00:06:51,840

everyone in the book justice so

162

00:06:56,070 --> 00:06:54,240

no rush no rush on that but it will be

163

00:06:58,309 --> 00:06:56,080

published with beyond the fray

164

00:07:01,990 --> 00:06:58,319

publishing so yeah yeah i'm really

165

00:07:04,309 --> 00:07:02,000

excited about that thank you for asking

166

00:07:06,870 --> 00:07:04,319

um

167

00:07:08,469 --> 00:07:06,880

aaron says what show my wife and i uh

168

00:07:11,350 --> 00:07:08,479

came to new york a couple times a year

169

00:07:13,589 --> 00:07:11,360

for broadway shows we invested in smokey

170

00:07:16,309 --> 00:07:13,599

joe's cafe oh that's pretty cool man

171

00:07:18,550 --> 00:07:16,319

you're a broadway producer an investor

172

00:07:21,270 --> 00:07:18,560

that's that's really cool i don't think

173

00:07:25,350 --> 00:07:21,280

i saw smokey joe's cafe um

174

00:07:28,070 --> 00:07:25,360

the show was called uh i think secret or

175

00:07:30,150 --> 00:07:28,080

the secret or something like that um and

176

00:07:32,870 --> 00:07:30,160

it was really cool um it was just a lot

177

00:07:35,909 --> 00:07:32,880

of really cool mentalist

178

00:07:37,990 --> 00:07:35,919

uh feats that darren brown did and um

179

00:07:41,350 --> 00:07:38,000

some of them i still don't know how the

180

00:07:44,070 --> 00:07:41,360

heck he even did it um i did magic as a

181

00:07:47,909 --> 00:07:44,080

kid and i did some like research into

182

00:07:51,990 --> 00:07:47,919

like um illusionists and uh and how to

183

00:07:53,510 --> 00:07:52,000

um do kind of mentalist stuff and um i

184

00:07:55,029 --> 00:07:53,520

thought i had some of his stuff figured

185

00:07:57,589 --> 00:07:55,039

out and i was

186

00:07:59,350 --> 00:07:57,599

very very wrong um so yeah yeah

187

00:08:01,430 --> 00:07:59,360

unfortunately that show did close a

188

00:08:02,629 --> 00:08:01,440

while back hopefully he'll come back

189

00:08:04,950 --> 00:08:02,639

with something

190

00:08:08,150 --> 00:08:04,960

bigger and better um once broadway

191

00:08:10,710 --> 00:08:08,160

really gets reopening again there's like

192

00:08:13,790 --> 00:08:10,720

oh god maybe like nine or ten shows on

193

00:08:18,869 --> 00:08:13,800

broadway right now usually there's like

194

00:08:22,469 --> 00:08:18,879

25 to 30 um so we're slowly coming back

195

00:08:24,469 --> 00:08:22,479

um hopefully hopefully broadway will be

196

00:08:27,909 --> 00:08:24,479

back to its um

197

00:08:29,110 --> 00:08:27,919

glitz and glamory self soon so yeah yeah

198

00:08:30,629 --> 00:08:29,120

um

199

00:08:33,029 --> 00:08:30,639

ariel says

200

00:08:35,190 --> 00:08:33,039

i am super impressed you pronounced my

201

00:08:37,430 --> 00:08:35,200

name correctly i love to hear what's

202

00:08:40,550 --> 00:08:37,440

currently going on with your theater job

203

00:08:41,990 --> 00:08:40,560

is it shut down um wow there we go

204

00:08:44,070 --> 00:08:42,000

plays right into what i was just saying

205

00:08:46,230 --> 00:08:44,080

ariel thank you for asking um so yeah

206

00:08:49,430 --> 00:08:46,240

for those who don't know when i'm not

207

00:08:52,790 --> 00:08:49,440

doing ufos uh which is pretty much my

208

00:08:54,470 --> 00:08:52,800

full-time job uh i am a bartender on

209

00:08:55,509 --> 00:08:54,480

broadway that's how i pay the bills i

210

00:08:57,430 --> 00:08:55,519

live in

211

00:08:59,670 --> 00:08:57,440

one of the most expensive cities in the

212

00:09:02,070 --> 00:08:59,680

world and um

213

00:09:04,870 --> 00:09:02,080

ufos just don't pay them new york city

214

00:09:08,790 --> 00:09:04,880

bills uh ufos don't pay any bills to be

215

00:09:11,670 --> 00:09:08,800

honest uh so yeah i guess this is my

216

00:09:13,509 --> 00:09:11,680

kind of um unwitty way of saying the

217

00:09:14,550 --> 00:09:13,519

super chat is open if you want to

218

00:09:16,150 --> 00:09:14,560

support

219

00:09:18,470 --> 00:09:16,160

somewhere in the skies and everything we

220

00:09:20,790 --> 00:09:18,480

do super chat super stickers are open

221

00:09:22,870 --> 00:09:20,800

you can help support the show that way

222

00:09:24,389 --> 00:09:22,880

and help support my endeavors whether

223

00:09:26,870 --> 00:09:24,399

it's writing the books or doing the

224

00:09:28,790 --> 00:09:26,880

podcast everything goes right back into

225

00:09:31,269 --> 00:09:28,800

uh giving you more

226

00:09:34,550 --> 00:09:31,279

more somewhere in the skies in in many

227

00:09:37,030 --> 00:09:34,560

ways shapes and forms uh so yes those

228

00:09:39,110 --> 00:09:37,040

are open um you can become a patreon

229

00:09:41,030 --> 00:09:39,120

subscriber as well and now there's this

230

00:09:42,630 --> 00:09:41,040

new thing i don't know if you noticed in

231

00:09:45,030 --> 00:09:42,640

the chat um

232

00:09:47,110 --> 00:09:45,040

or under the video i should say of uh

233

00:09:49,509 --> 00:09:47,120

you can be a member on youtube where i'm

234

00:09:50,470 --> 00:09:49,519

doing more exclusive content for just

235

00:09:53,350 --> 00:09:50,480

members

236

00:09:55,750 --> 00:09:53,360

and uh it's like a flat rate 4.99 to

237

00:09:59,190 --> 00:09:55,760

join something like that um i'm not even

238

00:10:01,110 --> 00:09:59,200

sure i i i was somehow thrust into

239

00:10:03,110 --> 00:10:01,120

signing up for it and it's there so if

240

00:10:05,030 --> 00:10:03,120

you want to be a member here on youtube

241

00:10:07,910 --> 00:10:05,040

you can uh click that join button right

242

00:10:10,630 --> 00:10:07,920

now i think your even your chats or your

243

00:10:11,750 --> 00:10:10,640

um comments show up in green and get

244

00:10:13,829 --> 00:10:11,760

highlighted

245

00:10:16,470 --> 00:10:13,839

or something like that i i really have

246

00:10:19,430 --> 00:10:16,480

to look more into it to be honest um

247

00:10:21,910 --> 00:10:19,440

so yeah um ariel my job

248

00:10:23,829 --> 00:10:21,920

is not back and um

249

00:10:24,949 --> 00:10:23,839

it's been tough i'm not gonna lie not

250

00:10:27,350 --> 00:10:24,959

just like

251
00:10:28,949 --> 00:10:27,360
financially like everyone has suffered

252
00:10:32,230 --> 00:10:28,959
that through these lockdowns and this

253
00:10:34,630 --> 00:10:32,240
continued pandemic um i'm hoping we're

254
00:10:36,710 --> 00:10:34,640
on the tail end of all this and that the

255
00:10:38,470 --> 00:10:36,720
uh world um

256
00:10:40,069 --> 00:10:38,480
moves on i don't want to say go back to

257
00:10:42,550 --> 00:10:40,079
normal because it's never gonna be what

258
00:10:45,350 --> 00:10:42,560
it was before um and i hate that term

259
00:10:47,670 --> 00:10:45,360
new normal uh so yeah hopefully things

260
00:10:50,150 --> 00:10:47,680
will get back but no my job is not back

261
00:10:51,670 --> 00:10:50,160
unfortunately so that has left me a lot

262
00:10:53,670 --> 00:10:51,680
of free time to do more somewhere in the

263
00:10:57,750 --> 00:10:53,680

skies more stuff like this which is

264

00:10:59,430 --> 00:10:57,760

super fun um but i love my job i i can

265

00:11:02,389 --> 00:10:59,440

honestly say that and i know a lot of

266

00:11:04,550 --> 00:11:02,399

people don't uh so i feel

267

00:11:07,190 --> 00:11:04,560

very blessed to

268

00:11:08,790 --> 00:11:07,200

work in a broadway theater eight shows a

269

00:11:11,670 --> 00:11:08,800

week and um

270

00:11:13,590 --> 00:11:11,680

and get people drunk i guess

271

00:11:15,590 --> 00:11:13,600

um i could do without the bartender i

272

00:11:19,030 --> 00:11:15,600

wish i had another job in broadway but

273

00:11:21,829 --> 00:11:19,040

um it's a super fun job and my

274

00:11:24,870 --> 00:11:21,839

co-workers are awesome um so i'm hoping

275

00:11:26,389 --> 00:11:24,880

to get back to that soon um

276

00:11:28,870 --> 00:11:26,399

otherwise i do have some other job

277

00:11:30,389 --> 00:11:28,880

prospects that i'm looking into as well

278

00:11:32,470 --> 00:11:30,399

but in the meantime just doing

279

00:11:34,550 --> 00:11:32,480

everything i can here at uh somewhere in

280

00:11:37,350 --> 00:11:34,560

the skies headquarters

281

00:11:38,389 --> 00:11:37,360

um speaking of which

282

00:11:40,710 --> 00:11:38,399

i've got

283

00:11:42,470 --> 00:11:40,720

one of these brilliant little mugs from

284

00:11:45,350 --> 00:11:42,480

somewhere in the sky so check out the

285

00:11:47,990 --> 00:11:45,360

merch store as well

286

00:11:50,870 --> 00:11:48,000

you can help represent us in style over

287

00:11:53,829 --> 00:11:50,880

there um so there is a very long-winded

288

00:11:55,990 --> 00:11:53,839

answer to your question

289

00:11:58,629 --> 00:11:56,000

good to catch you live polaris castillo

290

00:12:01,509 --> 00:11:58,639

says uh i know you love film what's your

291

00:12:03,750 --> 00:12:01,519

favorite movie involving aliens that's a

292

00:12:07,670 --> 00:12:03,760

wonderful question and i have a very

293

00:12:11,509 --> 00:12:07,680

quick answer a rival not the arrival but

294

00:12:13,350 --> 00:12:11,519

a rival um just a stunningly beautiful

295

00:12:16,230 --> 00:12:13,360

film in every

296

00:12:19,269 --> 00:12:16,240

sense of the word cinematically um

297

00:12:21,990 --> 00:12:19,279

uh the script was just beautiful uh the

298

00:12:25,350 --> 00:12:22,000

performances were just amazing

299

00:12:28,150 --> 00:12:25,360

and um the aliens were just so unique in

300

00:12:30,710 --> 00:12:28,160

the way that the movie um

301

00:12:32,389 --> 00:12:30,720

chose to tell its own story with time

302

00:12:34,069 --> 00:12:32,399

and language and

303

00:12:35,670 --> 00:12:34,079

and everything like that like what would

304

00:12:36,949 --> 00:12:35,680

you do if um

305

00:12:39,350 --> 00:12:36,959

you knew

306

00:12:42,470 --> 00:12:39,360

how life was gonna turn out and stuff

307

00:12:43,829 --> 00:12:42,480

like that and uh ah god i could just

308

00:12:45,590 --> 00:12:43,839

watch it

309

00:12:48,069 --> 00:12:45,600

time and time and time and time again

310

00:12:49,990 --> 00:12:48,079

and cry every time it's just a beautiful

311

00:12:51,990 --> 00:12:50,000

beautiful film so if you have not seen a

312

00:12:55,670 --> 00:12:52,000

rival i would highly suggest checking

313

00:12:57,190 --> 00:12:55,680

that one out um i also heard oh my gosh

314

00:12:59,269 --> 00:12:57,200

i didn't even see these thank you for

315

00:13:00,629 --> 00:12:59,279

becoming a member aaron i appreciate

316

00:13:03,990 --> 00:13:00,639

that my man

317

00:13:06,629 --> 00:13:04,000

super super kind of you um

318

00:13:08,069 --> 00:13:06,639

let's see here i've got some super chats

319

00:13:09,509 --> 00:13:08,079

as well

320

00:13:12,230 --> 00:13:09,519

guys

321

00:13:14,790 --> 00:13:12,240

i'm just blabbing too much um

322

00:13:16,389 --> 00:13:14,800

andy i did a u-turn in astoria it took

323

00:13:19,590 --> 00:13:16,399

45 minutes

324

00:13:21,269 --> 00:13:19,600

that's funny man um yep astoria queens

325

00:13:23,110 --> 00:13:21,279

um we are

326

00:13:25,110 --> 00:13:23,120

one of the boroughs here in new york

327

00:13:27,829 --> 00:13:25,120

city and uh we have

328

00:13:29,829 --> 00:13:27,839

very rough traffic a lot of the time so

329

00:13:33,670 --> 00:13:29,839

it does not surprise me that it took you

330

00:13:36,230 --> 00:13:33,680

45 minutes um to make that u-turn

331

00:13:38,310 --> 00:13:36,240

uh mark tasaka is here again with the

332

00:13:40,949 --> 00:13:38,320

super chat thanks man i saw you on

333

00:13:42,470 --> 00:13:40,959

another ancient aliens episode i'm going

334

00:13:45,030 --> 00:13:42,480

to start to watch the series because

335

00:13:47,350 --> 00:13:45,040

you're on the show

336

00:13:50,150 --> 00:13:47,360

it's so nice man uh your appearance was

337

00:13:51,670 --> 00:13:50,160

the highlight of the episode wow um i

338

00:13:53,110 --> 00:13:51,680

don't know what to say to that except

339

00:13:54,870 --> 00:13:53,120

thank you uh

340

00:13:57,030 --> 00:13:54,880

it's fun um

341

00:13:58,150 --> 00:13:57,040

ancient aliens you know love it or hate

342

00:14:01,269 --> 00:13:58,160

it uh

343

00:14:04,790 --> 00:14:01,279

it's become such a uh

344

00:14:07,110 --> 00:14:04,800

a staple in pop culture and um

345

00:14:08,470 --> 00:14:07,120

i was a little hesitant when they first

346

00:14:09,750 --> 00:14:08,480

approached me to do it but then when i

347

00:14:12,710 --> 00:14:09,760

saw what they were doing with the new

348

00:14:15,110 --> 00:14:12,720

season i was all in um you know covering

349

00:14:18,069 --> 00:14:15,120

all the stuff going on today so it's not

350

00:14:19,990 --> 00:14:18,079

so ancient anymore um they're kind of

351
00:14:23,110 --> 00:14:20,000
into what's going on now which is really

352
00:14:24,710 --> 00:14:23,120
cool so i said yeah let's do it um and

353
00:14:27,189 --> 00:14:24,720
then they roped me in for a few more

354
00:14:29,030 --> 00:14:27,199
episodes uh to talk about other things

355
00:14:32,150 --> 00:14:29,040
as well so hopefully you'll see me in

356
00:14:33,910 --> 00:14:32,160
upcoming episodes of the show um i think

357
00:14:36,550 --> 00:14:33,920
in two weeks there's an episode coming

358
00:14:38,710 --> 00:14:36,560
out called alien air force and if i

359
00:14:41,590 --> 00:14:38,720
recall i did

360
00:14:43,430 --> 00:14:41,600
do a lot of research and um

361
00:14:45,189 --> 00:14:43,440
and uh interviews for that episode as

362
00:14:46,870 --> 00:14:45,199
well so be on the lookout for that so

363
00:14:50,389 --> 00:14:46,880

thank you mark i really appreciate you

364

00:14:53,509 --> 00:14:50,399

saying that um it's fun it's a fun show

365

00:14:55,910 --> 00:14:53,519

and again if i can get the real ufo

366

00:14:58,629 --> 00:14:55,920

information out there uh the current

367

00:14:59,750 --> 00:14:58,639

stuff the stuff that has been documented

368

00:15:02,629 --> 00:14:59,760

and um

369

00:15:05,350 --> 00:15:02,639

and and vetted and looked over uh

370

00:15:06,069 --> 00:15:05,360

i think i've done my job in getting out

371

00:15:08,389 --> 00:15:06,079

to

372

00:15:10,550 --> 00:15:08,399

the mainstream with ancient aliens so uh

373

00:15:12,949 --> 00:15:10,560

yeah thanks man i i really appreciate

374

00:15:13,829 --> 00:15:12,959

that thank you for the super chat

375

00:15:15,350 --> 00:15:13,839

um

376

00:15:17,990 --> 00:15:15,360

wow i i'm trying to keep up with you

377

00:15:20,710 --> 00:15:18,000

guys here i'm so sorry um

378

00:15:24,150 --> 00:15:20,720

where was i kelly's favorite movie is

379

00:15:27,990 --> 00:15:24,160

contact another amazing alien movie love

380

00:15:29,430 --> 00:15:28,000

it love it um being bn one of my biggest

381

00:15:31,430 --> 00:15:29,440

supporters here at somewhere in the

382

00:15:34,949 --> 00:15:31,440

skies my favorite alien film is the

383

00:15:38,470 --> 00:15:34,959

thing for completely different reasons

384

00:15:41,350 --> 00:15:38,480

um i have never seen the thing um i've

385

00:15:44,550 --> 00:15:41,360

seen so many other things that were

386

00:15:46,710 --> 00:15:44,560

inspired by the thing um i'm thinking

387

00:15:49,030 --> 00:15:46,720

right now of i think it was

388

00:15:50,629 --> 00:15:49,040

season one or two of the x-files they

389

00:15:52,629 --> 00:15:50,639

did a really good episode that was kind

390

00:15:54,710 --> 00:15:52,639

of inspired by the thing where mulder

391

00:15:58,710 --> 00:15:54,720

and scully like went out to this

392

00:16:00,870 --> 00:15:58,720

um abandoned kind of laboratory in

393

00:16:03,590 --> 00:16:00,880

i want to say like

394

00:16:06,230 --> 00:16:03,600

in the arctic somewhere or

395

00:16:08,710 --> 00:16:06,240

yeah yeah like northern canada i want to

396

00:16:11,269 --> 00:16:08,720

say is where they went and um like this

397

00:16:13,030 --> 00:16:11,279

crazy parasitic alien started infecting

398

00:16:15,509 --> 00:16:13,040

everyone blah blah blah clearly an

399

00:16:17,670 --> 00:16:15,519

homage to the thing and um i love it

400

00:16:19,829 --> 00:16:17,680

it's one of my my favorite episodes but

401
00:16:21,829 --> 00:16:19,839
it's not my favorite and um that was one

402
00:16:25,749 --> 00:16:21,839
of our listener questions here for this

403
00:16:27,749 --> 00:16:25,759
ama from don akad um on facebook he

404
00:16:29,749 --> 00:16:27,759
asked what is your favorite episode of

405
00:16:32,230 --> 00:16:29,759
the x-files and i should point out i am

406
00:16:35,269 --> 00:16:32,240
wearing a brand new x-file shirt that i

407
00:16:37,350 --> 00:16:35,279
got this baby actually glows in the dark

408
00:16:39,990 --> 00:16:37,360
um i wish i could test it right now for

409
00:16:41,910 --> 00:16:40,000
you but i got this from um

410
00:16:44,550 --> 00:16:41,920
i believe it was

411
00:16:47,110 --> 00:16:44,560
cavity colors on instagram they were

412
00:16:49,189 --> 00:16:47,120
doing a x-files campaign and they came

413
00:16:51,350 --> 00:16:49,199

out with this really cool shirt licensed

414

00:16:53,430 --> 00:16:51,360

shirt um so yeah check them out on

415

00:16:55,350 --> 00:16:53,440

instagram cavity colors i believe it's

416

00:16:58,069 --> 00:16:55,360

called uh

417

00:17:00,069 --> 00:16:58,079

and um oh yeah my favorite episode

418

00:17:02,470 --> 00:17:00,079

uh that would be jose chung's from outer

419

00:17:04,630 --> 00:17:02,480

space i know it's a lot of ufo people's

420

00:17:06,949 --> 00:17:04,640

favorite episode of the x-files uh for

421

00:17:09,909 --> 00:17:06,959

very good reasons there's so many easter

422

00:17:12,549 --> 00:17:09,919

eggs and call outs to like people in the

423

00:17:15,029 --> 00:17:12,559

ufo field um

424

00:17:16,630 --> 00:17:15,039

um you've got the men in black you've

425

00:17:18,710 --> 00:17:16,640

got a

426

00:17:20,789 --> 00:17:18,720

couple being abducted by aliens and then

427

00:17:23,590 --> 00:17:20,799

the aliens abducting them are then

428

00:17:25,829 --> 00:17:23,600

abducted by aliens as well and then it

429

00:17:27,990 --> 00:17:25,839

turns out that it's a my lab it's like

430

00:17:30,789 --> 00:17:28,000

the military abducted people it it's

431

00:17:32,789 --> 00:17:30,799

just got all this crazy ufo mythology

432

00:17:34,630 --> 00:17:32,799

and it's funny and it was one of the

433

00:17:38,310 --> 00:17:34,640

first times that x-files went kind of in

434

00:17:39,990 --> 00:17:38,320

that funny direction and um yeah if you

435

00:17:41,990 --> 00:17:40,000

have not seen that episode i cannot

436

00:17:44,830 --> 00:17:42,000

recommend it enough jose chung's from

437

00:17:49,110 --> 00:17:44,840

outer space uh check it out for sure

438

00:17:51,110 --> 00:17:49,120

um so before we go any further guys

439

00:17:53,590 --> 00:17:51,120

let's talk about tomorrow here in the

440

00:17:55,830 --> 00:17:53,600

states we've got the super bowl the big

441

00:18:00,230 --> 00:17:55,840

football event american football event

442

00:18:01,990 --> 00:18:00,240

going on and we have um the la rams uh

443

00:18:04,789 --> 00:18:02,000

this is their first super bowl since

444

00:18:07,029 --> 00:18:04,799

1999 and they're gonna be playing the

445

00:18:09,830 --> 00:18:07,039

cincinnati bengals and this is their

446

00:18:12,870 --> 00:18:09,840

first super bowl ever so that'll be

447

00:18:15,990 --> 00:18:12,880

pretty cool to see um i'm calling it now

448

00:18:19,590 --> 00:18:16,000

i think the rams are going to win by 12.

449

00:18:22,549 --> 00:18:19,600

um last time i spoke to some of my very

450

00:18:24,710 --> 00:18:22,559

football oriented friends um i got a

451
00:18:26,789 --> 00:18:24,720
little suggestion from them some so i'm

452
00:18:29,110 --> 00:18:26,799
going with the rams by 12. i don't know

453
00:18:30,789 --> 00:18:29,120
um what this final score will be

454
00:18:33,830 --> 00:18:30,799
obviously but i do think they're going

455
00:18:35,430 --> 00:18:33,840
to win by 12th um but another big thing

456
00:18:38,950 --> 00:18:35,440
with the super bowl here in the united

457
00:18:41,669 --> 00:18:38,960
states are commercials um this is where

458
00:18:44,390 --> 00:18:41,679
companies go all out and put all of

459
00:18:46,150 --> 00:18:44,400
their eggs in one basket and get that

460
00:18:47,669 --> 00:18:46,160
super bowl commercial they spend

461
00:18:49,909 --> 00:18:47,679
literally millions and millions of

462
00:18:51,510 --> 00:18:49,919
dollars to get these things on there and

463
00:18:53,029 --> 00:18:51,520

um there's been some really good

464

00:18:55,029 --> 00:18:53,039

commercials throughout the years played

465

00:18:56,789 --> 00:18:55,039

during the super bowl it's also a place

466

00:19:00,070 --> 00:18:56,799

where a lot of trailers are shown for

467

00:19:01,830 --> 00:19:00,080

movies tv shows stuff like that um so

468

00:19:05,029 --> 00:19:01,840

i'm gonna go through some of what we can

469

00:19:06,950 --> 00:19:05,039

expect from the super bowl uh tomorrow

470

00:19:08,789 --> 00:19:06,960

what trailers might be dropping and

471

00:19:10,710 --> 00:19:08,799

stuff like that but before we do that i

472

00:19:13,510 --> 00:19:10,720

do want to play for you

473

00:19:17,510 --> 00:19:13,520

my all-time favorite super bowl

474

00:19:19,110 --> 00:19:17,520

commercial um let me pull it up here

475

00:19:21,669 --> 00:19:19,120

and um

476

00:19:24,870 --> 00:19:21,679

how do i do this again

477

00:19:28,230 --> 00:19:24,880

oh share screen okay um so before we go

478

00:19:31,350 --> 00:19:28,240

any further this is my all-time favorite

479

00:19:33,990 --> 00:19:31,360

uh super bowl commercial from volts

480

00:19:36,070 --> 00:19:34,000

wagon let's go ahead and want to make

481

00:19:39,440 --> 00:19:36,080

sure this is all set up perfect

482

00:19:40,830 --> 00:19:39,450

go ahead and play that for you guys now

483

00:19:52,789 --> 00:19:40,840

[Applause]

484

00:19:55,750 --> 00:19:52,799

[Music]

485

00:19:58,630 --> 00:19:55,760

amazing that was from volkswagen and

486

00:20:01,909 --> 00:19:58,640

that one just touched my heart as a avid

487

00:20:03,510 --> 00:20:01,919

star wars fan um i i absolutely love

488

00:20:05,830 --> 00:20:03,520

that commercial let me know what your

489

00:20:07,990 --> 00:20:05,840

favorite super bowl commercials are in

490

00:20:10,549 --> 00:20:08,000

the chat here um i'd love to hear which

491

00:20:12,549 --> 00:20:10,559

ones you guys really liked if i do

492

00:20:14,149 --> 00:20:12,559

recall any of them and they're that good

493

00:20:16,630 --> 00:20:14,159

i will pull them up while we're here

494

00:20:18,789 --> 00:20:16,640

tonight and play them for you um let's

495

00:20:21,510 --> 00:20:18,799

see baby vader

496

00:20:25,990 --> 00:20:21,520

it's been too long yes i know i know i

497

00:20:27,990 --> 00:20:26,000

know um let's see what else we have here

498

00:20:30,390 --> 00:20:28,000

everyone said imperial march is my

499

00:20:31,750 --> 00:20:30,400

ringtone my whole family just stared at

500

00:20:34,149 --> 00:20:31,760

me

501

00:20:36,390 --> 00:20:34,159

i know the feeling i know it well um

502

00:20:39,029 --> 00:20:36,400

well speaking of star wars let's get to

503

00:20:41,029 --> 00:20:39,039

the trailers that are supposed to be

504

00:20:43,510 --> 00:20:41,039

dropping tomorrow at the super bowl

505

00:20:46,830 --> 00:20:43,520

before i continue with the ama here guys

506

00:20:50,470 --> 00:20:46,840

um i've got a few

507

00:20:55,029 --> 00:20:50,480

images here that i love to play not play

508

00:20:58,149 --> 00:20:55,039

show um the first obi-wan kenobi the

509

00:21:00,470 --> 00:20:58,159

series is gonna be dropping um

510

00:21:02,630 --> 00:21:00,480

let's see i've got a few little

511

00:21:04,630 --> 00:21:02,640

little tidbits here and when mcgregor

512

00:21:07,590 --> 00:21:04,640

previously portrayed obi-wan in star

513

00:21:10,070 --> 00:21:07,600

wars in the prequel trilogy he will also

514

00:21:12,870 --> 00:21:10,080

be reunited on this series with hayden

515

00:21:14,230 --> 00:21:12,880

christensen who played anakin skywalker

516

00:21:16,390 --> 00:21:14,240

darth vader

517

00:21:19,350 --> 00:21:16,400

and it takes place 10 years after

518

00:21:21,830 --> 00:21:19,360

revenge of the sith and events may force

519

00:21:24,950 --> 00:21:21,840

obi-wan to temporarily emerge from his

520

00:21:27,590 --> 00:21:24,960

exile on tatooine which would once again

521

00:21:29,190 --> 00:21:27,600

make him a target for the empire and his

522

00:21:31,590 --> 00:21:29,200

former apprentice

523

00:21:33,430 --> 00:21:31,600

so this is one of the ones i'm actually

524

00:21:34,470 --> 00:21:33,440

really looking forward to

525

00:21:37,110 --> 00:21:34,480

um

526

00:21:39,350 --> 00:21:37,120

this you know with all these new star

527

00:21:41,669 --> 00:21:39,360

wars disney shows coming out uh i'm

528

00:21:44,549 --> 00:21:41,679

gonna be honest i watched the finale of

529

00:21:46,070 --> 00:21:44,559

boba fett today and um

530

00:21:58,149 --> 00:21:46,080

i

531

00:22:02,870 --> 00:21:58,159

the season where luke showed up and was

532

00:22:05,830 --> 00:22:02,880

training uh grogu which was adorable um

533

00:22:08,950 --> 00:22:05,840

say what you will about how big baby

534

00:22:12,549 --> 00:22:08,960

yoda became came and went um seeing him

535

00:22:14,310 --> 00:22:12,559

again in this series uh was awesome and

536

00:22:16,470 --> 00:22:14,320

that was a really cool episode but what

537

00:22:18,070 --> 00:22:16,480

it was doing in this series

538

00:22:19,350 --> 00:22:18,080

i don't know i would have rather have

539

00:22:22,630 --> 00:22:19,360

seen that in

540

00:22:24,870 --> 00:22:22,640

mando the next season of mandalorian um

541

00:22:27,430 --> 00:22:24,880

i just i don't know i i don't like the

542

00:22:29,750 --> 00:22:27,440

actor who plays boba fett uh

543

00:22:32,230 --> 00:22:29,760

i i just have never liked him even in

544

00:22:33,750 --> 00:22:32,240

the prequels and um

545

00:22:34,710 --> 00:22:33,760

i thought it there was

546

00:22:38,870 --> 00:22:34,720

just

547

00:22:40,310 --> 00:22:38,880

mess so those are my personal thoughts i

548

00:22:42,230 --> 00:22:40,320

know there are probably some fans out

549

00:22:43,190 --> 00:22:42,240

there um let's see what everyone's

550

00:22:44,070 --> 00:22:43,200

saying

551

00:22:46,149 --> 00:22:44,080

uh

552

00:22:48,070 --> 00:22:46,159

let's see i didn't

553

00:22:49,510 --> 00:22:48,080

i didn't do the amazing luke stuff in

554

00:22:51,830 --> 00:22:49,520

the middle i think i would have liked

555

00:22:55,669 --> 00:22:51,840

boba's story more yeah

556

00:22:57,430 --> 00:22:55,679

yeah it was so-so um mark cubby's studio

557

00:22:58,630 --> 00:22:57,440

says ryan tomorrow's my birthday but

558

00:23:00,710 --> 00:22:58,640

unfortunately going to miss the

559

00:23:02,710 --> 00:23:00,720

livestream tomorrow because i'm working

560

00:23:04,950 --> 00:23:02,720

looking forward to catching it after

561

00:23:06,870 --> 00:23:04,960

happy birthday morkview studios happy

562

00:23:10,789 --> 00:23:06,880

early birthday um don't worry about it

563

00:23:12,710 --> 00:23:10,799

man do your thing do your thing

564

00:23:14,470 --> 00:23:12,720

uh luis from the um unidentified

565

00:23:17,590 --> 00:23:14,480

celebrity review is here those damn

566

00:23:20,950 --> 00:23:17,600

space scooters yeah those were weird man

567

00:23:23,270 --> 00:23:20,960

those were definitely weird um

568

00:23:25,909 --> 00:23:23,280

let's see wow i can't even keep up with

569

00:23:27,430 --> 00:23:25,919

the chat here this is so weird oh there

570

00:23:29,990 --> 00:23:27,440

it is

571

00:23:31,990 --> 00:23:30,000

that's why because we have another super

572

00:23:34,630 --> 00:23:32,000

chat ryan what lake was your initial

573

00:23:36,950 --> 00:23:34,640

sighting at andy k asks um thanks for

574

00:23:39,270 --> 00:23:36,960

asking man um this was actually on a

575

00:23:42,630 --> 00:23:39,280

river this is off the st lawrence river

576

00:23:44,630 --> 00:23:42,640

where i had my ufo sighting back in 1995

577

00:23:46,950 --> 00:23:44,640

um and the river actually separated

578

00:23:48,390 --> 00:23:46,960

central new york from canada which is

579

00:23:51,350 --> 00:23:48,400

literally just on the other side of the

580

00:23:54,470 --> 00:23:51,360

river you could wave to the canadians on

581

00:23:55,750 --> 00:23:54,480

the other side and um yeah the ufo i saw

582

00:23:57,830 --> 00:23:55,760

went from

583

00:23:59,510 --> 00:23:57,840

new york went over the river and headed

584

00:24:00,390 --> 00:23:59,520

towards canada so i don't know what

585

00:24:02,230 --> 00:24:00,400

happened

586

00:24:04,549 --> 00:24:02,240

with it after that but um that's

587

00:24:07,430 --> 00:24:04,559

canada's problem now so yeah that was

588

00:24:09,350 --> 00:24:07,440

where my ufo sighting took place so

589

00:24:11,029 --> 00:24:09,360

thank you for asking that

590

00:24:12,789 --> 00:24:11,039

um

591

00:24:13,990 --> 00:24:12,799

moving back

592

00:24:20,149 --> 00:24:14,000

to

593

00:24:23,990 --> 00:24:20,159

gonna drop this one i'm really looking

594

00:24:26,390 --> 00:24:24,000

forward to and that is uh the new

595

00:24:29,430 --> 00:24:26,400

jurassic park that's coming out um

596

00:24:32,070 --> 00:24:29,440

jurassic world excuse me dominion it's

597

00:24:36,470 --> 00:24:32,080

called um let's see this is gonna be the

598

00:24:38,870 --> 00:24:36,480

end of the trilogy um and they're ending

599

00:24:41,110 --> 00:24:38,880

in a big way um chris pratt's coming

600

00:24:42,710 --> 00:24:41,120

back bryce dallas howard um but then

601
00:24:45,350 --> 00:24:42,720
you've also got the jurassic park

602
00:24:47,669 --> 00:24:45,360
originals coming back sam neil laura

603
00:24:50,950 --> 00:24:47,679
dern and jeff goldblum they dropped the

604
00:24:52,390 --> 00:24:50,960
trailer for this recently and um

605
00:24:54,470 --> 00:24:52,400
it looks

606
00:24:57,430 --> 00:24:54,480
really good i haven't even seen the new

607
00:24:58,630 --> 00:24:57,440
ones the jurassic worlds but um this one

608
00:25:01,350 --> 00:24:58,640
looks really

609
00:25:03,350 --> 00:25:01,360
really good and i will definitely try

610
00:25:06,149 --> 00:25:03,360
try to see this one in theaters uh we

611
00:25:08,390 --> 00:25:06,159
also have dropping jordan peels new

612
00:25:12,070 --> 00:25:08,400
horror movie coming out which is called

613
00:25:13,990 --> 00:25:12,080

nope um still very cryptic we know

614

00:25:16,470 --> 00:25:14,000

absolutely nothing about what this

615

00:25:18,870 --> 00:25:16,480

movie's gonna be about but i mean look

616

00:25:21,430 --> 00:25:18,880

at this poster look at that

617

00:25:25,510 --> 00:25:21,440

weird ass ominous cloud

618

00:25:28,070 --> 00:25:25,520

or kite or possibly ufo will this movie

619

00:25:31,430 --> 00:25:28,080

have some sort of ufo tie-in i don't

620

00:25:33,590 --> 00:25:31,440

know um but yeah this is uh this is

621

00:25:35,590 --> 00:25:33,600

definitely one that's very mysterious

622

00:25:38,230 --> 00:25:35,600

and um which i know a lot of people are

623

00:25:40,149 --> 00:25:38,240

looking forward to so we will be seeing

624

00:25:42,310 --> 00:25:40,159

that i'm just going to run through these

625

00:25:45,110 --> 00:25:42,320

quick we've got dr strange multiverse of

626
00:25:47,750 --> 00:25:45,120
madness is gonna be dropping a i believe

627
00:25:50,390 --> 00:25:47,760
a new trailer as well during the super

628
00:25:53,430 --> 00:25:50,400
bowl um and i might add a good friend of

629
00:25:55,830 --> 00:25:53,440
mine uh actually wrote the script for

630
00:25:58,710 --> 00:25:55,840
this movie so i'm really looking forward

631
00:26:01,510 --> 00:25:58,720
to this one so yeah jade if you're

632
00:26:04,470 --> 00:26:01,520
watching or listening shout out i can't

633
00:26:06,630 --> 00:26:04,480
wait to see your movie um we've got moon

634
00:26:09,350 --> 00:26:06,640
knight is going to be dropping something

635
00:26:11,190 --> 00:26:09,360
as well um the oscar isaac show coming

636
00:26:13,510 --> 00:26:11,200
to disney plus

637
00:26:15,830 --> 00:26:13,520
and marvel uh really looking forward to

638
00:26:17,990 --> 00:26:15,840

this one i don't know anything about

639

00:26:19,590 --> 00:26:18,000

moon knight not a character i ever read

640

00:26:21,909 --> 00:26:19,600

comics of or

641

00:26:22,830 --> 00:26:21,919

really looked into um

642

00:26:25,350 --> 00:26:22,840

my

643

00:26:27,669 --> 00:26:25,360

incredibly beautiful and brilliant

644

00:26:29,990 --> 00:26:27,679

fiancee um

645

00:26:31,830 --> 00:26:30,000

was a big fan of moon knight so i trust

646

00:26:33,669 --> 00:26:31,840

her opinion and i

647

00:26:35,909 --> 00:26:33,679

i know that this series is probably

648

00:26:38,230 --> 00:26:35,919

gonna do it justice the trailer alone

649

00:26:40,230 --> 00:26:38,240

that they already showed looked really

650

00:26:41,909 --> 00:26:40,240

really good so definitely looking

651
00:26:42,870 --> 00:26:41,919
forward to that one

652
00:26:44,789 --> 00:26:42,880
um

653
00:26:47,430 --> 00:26:44,799
this is cool peacock is gonna be

654
00:26:49,430 --> 00:26:47,440
dropping a trailer for bel air a new

655
00:26:51,190 --> 00:26:49,440
drama um

656
00:26:53,350 --> 00:26:51,200
so this is gonna be pretty cool it's

657
00:26:55,190 --> 00:26:53,360
produced by will smith and it's a

658
00:26:58,310 --> 00:26:55,200
dramatic take on the fresh prince of

659
00:27:00,870 --> 00:26:58,320
bel-air um obviously updated in today's

660
00:27:02,710 --> 00:27:00,880
world uh so yeah this looks cool i'm

661
00:27:05,029 --> 00:27:02,720
gonna give it a chance i i love the

662
00:27:06,789 --> 00:27:05,039
fresh prince of bel air growing up i

663
00:27:09,190 --> 00:27:06,799

always love will smith in anything he

664

00:27:10,390 --> 00:27:09,200

does so yeah that's another one to look

665

00:27:12,390 --> 00:27:10,400

forward to

666

00:27:14,630 --> 00:27:12,400

um i don't have an image for it but

667

00:27:17,590 --> 00:27:14,640

stranger things season four is gonna be

668

00:27:21,669 --> 00:27:17,600

dropping a trailer and i believe last

669

00:27:24,149 --> 00:27:21,679

but not least on my list here is a new

670

00:27:27,350 --> 00:27:24,159

trailer for top gun maverick uh the

671

00:27:29,590 --> 00:27:27,360

sequel to top gun our beloved movie from

672

00:27:32,070 --> 00:27:29,600

the 80s uh for

673

00:27:34,630 --> 00:27:32,080

i should mention um

674

00:27:35,909 --> 00:27:34,640

back in the day when i was in

675

00:27:37,269 --> 00:27:35,919

i want to say

676

00:27:40,149 --> 00:27:37,279

uh

677

00:27:42,870 --> 00:27:40,159

grade school i wrote a sequel to top gun

678

00:27:43,750 --> 00:27:42,880

and headed it in as my english project

679

00:27:45,350 --> 00:27:43,760

um

680

00:27:47,750 --> 00:27:45,360

it was like

681

00:27:50,710 --> 00:27:47,760

an updated version in the 90s where

682

00:27:52,310 --> 00:27:50,720

maverick was flying a b2 bomber and he

683

00:27:54,470 --> 00:27:52,320

was going to um

684

00:27:57,269 --> 00:27:54,480

uh to take out um

685

00:27:59,909 --> 00:27:57,279

uh what's his name saddam hussein during

686

00:28:02,070 --> 00:27:59,919

persian gulf and whatnot so

687

00:28:03,510 --> 00:28:02,080

yeah that was my sequel to top gun

688

00:28:05,110 --> 00:28:03,520

clearly that's not what they're doing

689

00:28:09,350 --> 00:28:05,120

with this one so i know they didn't

690

00:28:11,909 --> 00:28:09,360

steal my script so yeah yeah top gun no

691

00:28:13,909 --> 00:28:11,919

thanks andy says

692

00:28:15,029 --> 00:28:13,919

um so yeah those are what we can look

693

00:28:16,870 --> 00:28:15,039

forward to

694

00:28:19,750 --> 00:28:16,880

at the super bowl tomorrow

695

00:28:21,990 --> 00:28:19,760

with the bengals and the la rams so look

696

00:28:22,789 --> 00:28:22,000

out for that all my american friends and

697

00:28:24,710 --> 00:28:22,799

um

698

00:28:27,510 --> 00:28:24,720

we'll let you guys know in other

699

00:28:29,350 --> 00:28:27,520

countries uh how these things were i'm

700

00:28:32,870 --> 00:28:29,360

sure they're all drop on youtube right

701
00:28:35,190 --> 00:28:32,880
after anyways so yeah um let's move back

702
00:28:36,310 --> 00:28:35,200
to some listener questions if i have

703
00:28:37,590 --> 00:28:36,320
them

704
00:28:39,750 --> 00:28:37,600
um

705
00:28:43,990 --> 00:28:39,760
i actually had some over on twitter so

706
00:28:48,470 --> 00:28:46,549
andreas on twitter asks why are there so

707
00:28:51,669 --> 00:28:48,480
many variations

708
00:28:53,510 --> 00:28:51,679
and different types of ufos and then why

709
00:28:55,750 --> 00:28:53,520
do they all follow the same elusive

710
00:28:57,830 --> 00:28:55,760
protocols behaviors with regards to

711
00:29:00,310 --> 00:28:57,840
humans that save

712
00:29:01,830 --> 00:29:00,320
good question um i kind of look at it

713
00:29:02,870 --> 00:29:01,840

this way um

714

00:29:05,990 --> 00:29:02,880

you know

715

00:29:07,669 --> 00:29:06,000

look at the freeway or um the autobahn

716

00:29:09,350 --> 00:29:07,679

or anywhere you drive in the world

717

00:29:11,669 --> 00:29:09,360

there's a million different versions of

718

00:29:14,789 --> 00:29:11,679

cars and a lot of different types of

719

00:29:16,710 --> 00:29:14,799

people driving them and each car serves

720

00:29:18,870 --> 00:29:16,720

a certain purpose um

721

00:29:21,909 --> 00:29:18,880

a truck serves a different purpose from

722

00:29:25,350 --> 00:29:21,919

a um a minivan as opposed to a compact

723

00:29:28,230 --> 00:29:25,360

car as opposed to a motorcycle so um the

724

00:29:30,549 --> 00:29:28,240

way i look at it is um there's probably

725

00:29:33,110 --> 00:29:30,559

a lot of different

726

00:29:36,549 --> 00:29:33,120

uh drivers behind the wheels of these

727

00:29:38,789 --> 00:29:36,559

ufos or intelligences or or just

728

00:29:41,029 --> 00:29:38,799

different phenomena occurring um so

729

00:29:43,190 --> 00:29:41,039

that's kind of how i look at it um

730

00:29:45,350 --> 00:29:43,200

you know we look for patterns with ufos

731

00:29:48,549 --> 00:29:45,360

and i think that's the last thing that

732

00:29:50,230 --> 00:29:48,559

um happens when we when we uh

733

00:29:52,950 --> 00:29:50,240

witness these things is

734

00:29:55,590 --> 00:29:52,960

we don't find patterns and they are very

735

00:29:57,350 --> 00:29:55,600

trickster-ish in nature and uh may be

736

00:29:59,510 --> 00:29:57,360

able to mask themselves in different

737

00:30:01,990 --> 00:29:59,520

ways so yeah that would be my answer to

738

00:30:04,470 --> 00:30:02,000

andres's question over on twitter

739

00:30:08,950 --> 00:30:04,480

as well um teddy thank you so much my

740

00:30:13,590 --> 00:30:08,960

man for the the 4.99 super chat there

741

00:30:17,190 --> 00:30:15,510

and if i missed any of your questions

742

00:30:18,789 --> 00:30:17,200

guys um

743

00:30:21,190 --> 00:30:18,799

go ahead and put them back in the chat

744

00:30:23,669 --> 00:30:21,200

again i'm trying to keep up here so i do

745

00:30:26,470 --> 00:30:23,679

apologize uh skyhawk says for your

746

00:30:29,269 --> 00:30:26,480

contact fans visit the large array take

747

00:30:31,269 --> 00:30:29,279

us 60 west out of socorro very cool

748

00:30:32,470 --> 00:30:31,279

place and nice contact info partly

749

00:30:35,590 --> 00:30:32,480

filmed there

750

00:30:40,870 --> 00:30:38,230

oh yeah is he talking about arecibo

751
00:30:43,110 --> 00:30:40,880
if so yeah that thing is gone man

752
00:30:46,950 --> 00:30:43,120
that thing collapsed

753
00:30:51,430 --> 00:30:49,430
purple depths ryan when i first went

754
00:30:53,190 --> 00:30:51,440
all in on the phenomenon i woke up to

755
00:30:55,590 --> 00:30:53,200
loud humming and what i could only

756
00:30:58,230 --> 00:30:55,600
describe as envisioning a ufo through my

757
00:31:01,190 --> 00:30:58,240
ceiling without seeing it with my eyes

758
00:31:02,630 --> 00:31:01,200
um i've chilled out now whoa i would not

759
00:31:06,230 --> 00:31:02,640
be able to have chilled out after that

760
00:31:11,830 --> 00:31:09,669
sad about ari sibo agreed

761
00:31:13,909 --> 00:31:11,840
um let's see i'm just scrolling through

762
00:31:15,909 --> 00:31:13,919
here to see if

763
00:31:18,230 --> 00:31:15,919

i missed anything

764

00:31:21,990 --> 00:31:18,240

any questions sorry questions in the

765

00:31:24,789 --> 00:31:22,000

chat guys um otherwise

766

00:31:27,750 --> 00:31:24,799

um let me go to another question here on

767

00:31:30,389 --> 00:31:27,760

twitter um tp on twitter asks if you

768

00:31:32,470 --> 00:31:30,399

could get the answer to any one question

769

00:31:33,750 --> 00:31:32,480

regarding the phenomenon what would it

770

00:31:35,190 --> 00:31:33,760

be

771

00:31:37,830 --> 00:31:35,200

um

772

00:31:37,840 --> 00:31:42,310

i guess my question would be

773

00:31:47,269 --> 00:31:45,350

where do we play into all this

774

00:31:48,070 --> 00:31:47,279

um

775

00:31:50,149 --> 00:31:48,080

yeah

776

00:31:51,909 --> 00:31:50,159

i i that that that would be it actually

777

00:31:53,909 --> 00:31:51,919

that would be my question where do we

778

00:31:57,350 --> 00:31:53,919

play in all this um

779

00:31:59,430 --> 00:31:57,360

not where do you come from uh

780

00:32:00,389 --> 00:31:59,440

or even why are you here but like where

781

00:32:03,909 --> 00:32:00,399

do we

782

00:32:06,870 --> 00:32:03,919

lay in this greater picture of uh this

783

00:32:07,830 --> 00:32:06,880

mystery i guess that would be it

784

00:32:10,149 --> 00:32:07,840

um

785

00:32:12,230 --> 00:32:10,159

don uh nope i already answered don's

786

00:32:14,630 --> 00:32:12,240

question about x-files robert on

787

00:32:17,029 --> 00:32:14,640

facebook asks have you ever tried ce5

788

00:32:19,590 --> 00:32:17,039

with a group i think i talked about that

789

00:32:20,710 --> 00:32:19,600

actually earlier i have never tried ce5

790

00:32:22,789 --> 00:32:20,720

um

791

00:32:24,950 --> 00:32:22,799

honestly i don't know if i want to

792

00:32:27,990 --> 00:32:24,960

uh kind of scares me

793

00:32:31,190 --> 00:32:28,000

um let's see andy k says ryan any big

794

00:32:34,630 --> 00:32:31,200

new ufo documentaries coming soon

795

00:32:36,389 --> 00:32:34,640

yes um as far as i know there's a few

796

00:32:39,350 --> 00:32:36,399

that are going to be coming out one by

797

00:32:42,870 --> 00:32:39,360

dean aliotto the filmmaker um

798

00:32:44,710 --> 00:32:42,880

it's epic it's gonna be one of the best

799

00:32:48,870 --> 00:32:44,720

ufo documentaries

800

00:32:51,269 --> 00:32:48,880

of uh the next decade i i i've seen some

801
00:32:55,110 --> 00:32:51,279
of it um i may be

802
00:32:57,909 --> 00:32:55,120
in it maybe possibly i don't know um but

803
00:33:00,470 --> 00:32:57,919
it's gonna really blow people away um he

804
00:33:01,909 --> 00:33:00,480
did a beautiful job and uh interviewed a

805
00:33:05,350 --> 00:33:01,919
lot of people that you would never

806
00:33:08,870 --> 00:33:05,360
expect actually to talk about ufos so um

807
00:33:11,909 --> 00:33:08,880
be on the lookout for that and then also

808
00:33:14,470 --> 00:33:11,919
um uh the other big one

809
00:33:17,110 --> 00:33:14,480
is going to be james fox he's doing a

810
00:33:19,029 --> 00:33:17,120
whole documentary on um

811
00:33:23,350 --> 00:33:19,039
uh the ufo crash that happened in

812
00:33:25,990 --> 00:33:23,360
varghinia and um crazy crazy case and he

813
00:33:28,230 --> 00:33:26,000

has found new witnesses he's spoken to

814

00:33:30,710 --> 00:33:28,240

uh military people who are involved with

815

00:33:33,029 --> 00:33:30,720

it and uh i'm really really looking

816

00:33:34,950 --> 00:33:33,039

forward to that one as well so those are

817

00:33:36,230 --> 00:33:34,960

the only ones i really know about um

818

00:33:39,029 --> 00:33:36,240

that are coming out

819

00:33:41,269 --> 00:33:39,039

uh somewhat in the near future i don't

820

00:33:43,350 --> 00:33:41,279

think either has a release date set yet

821

00:33:44,389 --> 00:33:43,360

but um yeah yeah be on the lookout for

822

00:33:48,230 --> 00:33:44,399

those

823

00:33:48,240 --> 00:33:51,350

let's see

824

00:33:55,509 --> 00:33:52,630

sdk

825

00:33:57,509 --> 00:33:55,519

asks ryan have you heard of

826

00:33:59,909 --> 00:33:57,519

have you heard of dr michael master's

827

00:34:01,669 --> 00:33:59,919

theory on the uap phenomenon being us

828

00:34:05,430 --> 00:34:01,679

from the future it's a pretty good

829

00:34:06,470 --> 00:34:05,440

hypothesis uh yes sdk actually um i am a

830

00:34:09,750 --> 00:34:06,480

big fan

831

00:34:12,629 --> 00:34:09,760

of michael master's work and um i think

832

00:34:14,550 --> 00:34:12,639

it's just as viable as any theory um a

833

00:34:16,869 --> 00:34:14,560

lot of people may disagree with me on

834

00:34:19,750 --> 00:34:16,879

that in terms of time travel and whatnot

835

00:34:22,310 --> 00:34:19,760

uh but i think it's a really cool

836

00:34:25,430 --> 00:34:22,320

concept and he kind of goes through um

837

00:34:27,190 --> 00:34:25,440

the idea of what aliens look like to us

838

00:34:29,109 --> 00:34:27,200

when we do come in contact with them and

839

00:34:31,829 --> 00:34:29,119

they're very um

840

00:34:33,750 --> 00:34:31,839

you know uh androgynous and they have

841

00:34:35,430 --> 00:34:33,760

very large heads which would probably

842

00:34:37,349 --> 00:34:35,440

mean they don't use their bodies as much

843

00:34:39,510 --> 00:34:37,359

and maybe their brains needed more room

844

00:34:43,270 --> 00:34:39,520

to expand um

845

00:34:44,470 --> 00:34:43,280

and this idea of like us as humans um

846

00:34:50,629 --> 00:34:44,480

evolving

847

00:34:53,349 --> 00:34:50,639

uh in terms of how we look and um

848

00:34:55,750 --> 00:34:53,359

you know prioritizing uh parts of our

849

00:34:58,710 --> 00:34:55,760

body that we use and stuff like that so

850

00:35:00,230 --> 00:34:58,720

yeah maybe that is us from the future

851
00:35:03,430 --> 00:35:00,240
and they want to come back and see what

852
00:35:06,310 --> 00:35:03,440
once was or um i don't know i don't know

853
00:35:07,910 --> 00:35:06,320
i know some of the um the dudes involved

854
00:35:09,670 --> 00:35:07,920
with the rendochem forest incident

855
00:35:11,910 --> 00:35:09,680
believed that it was us from the future

856
00:35:14,150 --> 00:35:11,920
in fact they were told that um through

857
00:35:16,470 --> 00:35:14,160
weird telepathic messages if you believe

858
00:35:18,150 --> 00:35:16,480
any of that uh so

859
00:35:20,310 --> 00:35:18,160
yeah yeah i think it's a really cool

860
00:35:22,470 --> 00:35:20,320
concept and um

861
00:35:25,750 --> 00:35:22,480
again it's just as viable as any others

862
00:35:27,910 --> 00:35:25,760
interdimensional extraterrestrial or um

863
00:35:29,109 --> 00:35:27,920

i forget what michael masters calls it

864

00:35:30,950 --> 00:35:29,119

but like

865

00:35:33,589 --> 00:35:30,960

temporal

866

00:35:35,030 --> 00:35:33,599

terrestrials or something like that um

867

00:35:37,990 --> 00:35:35,040

yeah yeah i think it's a really cool

868

00:35:41,030 --> 00:35:38,000

concept i'm all in um let's do it us

869

00:35:45,750 --> 00:35:43,910

hello hello to everyone here amber says

870

00:35:47,670 --> 00:35:45,760

first time here love your space thank

871

00:35:50,150 --> 00:35:47,680

you thank you amber i really appreciate

872

00:35:52,470 --> 00:35:50,160

you dropping in joining our crazy family

873

00:35:55,109 --> 00:35:52,480

here at somewhere in the skies um i'm

874

00:35:57,190 --> 00:35:55,119

just doing a really casual ama tonight

875

00:35:58,870 --> 00:35:57,200

so throw any questions you might have in

876

00:36:01,510 --> 00:35:58,880

the chat and i will definitely try to

877

00:36:03,349 --> 00:36:01,520

get to them um

878

00:36:05,430 --> 00:36:03,359

polaris castillo says i don't like

879

00:36:07,750 --> 00:36:05,440

aliens being us from the future it's a

880

00:36:09,910 --> 00:36:07,760

cool idea for a movie or something but i

881

00:36:12,630 --> 00:36:09,920

wanted to be real beings from elsewhere

882

00:36:14,630 --> 00:36:12,640

in the galaxy just not us again

883

00:36:15,990 --> 00:36:14,640

i get it i totally get it i think a lot

884

00:36:19,030 --> 00:36:16,000

of people would feel that way if that

885

00:36:21,030 --> 00:36:19,040

was all it was was us from the future

886

00:36:21,990 --> 00:36:21,040

um oh man

887

00:36:24,230 --> 00:36:22,000

man

888

00:36:28,630 --> 00:36:24,240

now would be the time for them to come

889

00:36:34,230 --> 00:36:30,630

tonight i am drinking scotch

890

00:36:35,510 --> 00:36:34,240

to any of my drinkers out there

891

00:36:37,349 --> 00:36:35,520

um

892

00:36:39,589 --> 00:36:37,359

please partake with me so i don't feel

893

00:36:42,150 --> 00:36:39,599

like i'm the only one drinking

894

00:36:44,630 --> 00:36:42,160

sdk says thanks buddy

895

00:36:47,270 --> 00:36:44,640

uh what is your favorite whiskey or

896

00:36:49,670 --> 00:36:47,280

scotch amber asks wow that was quick

897

00:36:52,150 --> 00:36:49,680

very quick on the uptake there amber um

898

00:36:54,550 --> 00:36:52,160

so my new favorite scotch is definitely

899

00:36:57,750 --> 00:36:54,560

this one that i got um it's called

900

00:37:00,550 --> 00:36:57,760

dalmore and it is um

901
00:37:03,589 --> 00:37:00,560
uh from scotland that's why it's called

902
00:37:05,270 --> 00:37:03,599
the scotch i guess wow way to go ryan um

903
00:37:08,790 --> 00:37:05,280
i had a glass of this when i was in

904
00:37:10,870 --> 00:37:08,800
scotland recently in edinburgh and um oh

905
00:37:13,109 --> 00:37:10,880
my god i instantly fell in love with it

906
00:37:15,270 --> 00:37:13,119
and i came back to

907
00:37:17,589 --> 00:37:15,280
the u.s and new york and i looked for

908
00:37:19,109 --> 00:37:17,599
this scotch everywhere i could not find

909
00:37:21,829 --> 00:37:19,119
it and then i finally was able to track

910
00:37:22,790 --> 00:37:21,839
a bottle down so um i am enjoying it

911
00:37:25,670 --> 00:37:22,800
tonight

912
00:37:27,510 --> 00:37:25,680
celebrating the super bowl tomorrow and

913
00:37:30,230 --> 00:37:27,520

uh celebrating being here with you guys

914

00:37:32,630 --> 00:37:30,240

so thank you thank you way more people

915

00:37:34,829 --> 00:37:32,640

watching this than i expected so the

916

00:37:37,750 --> 00:37:34,839

pressure is

917

00:37:40,150 --> 00:37:37,760

on j ellen heineken says all right all

918

00:37:42,069 --> 00:37:40,160

right i'll get some bourbon go get it

919

00:37:44,150 --> 00:37:42,079

man

920

00:37:46,550 --> 00:37:44,160

you gotta have a bottle of jim beam

921

00:37:48,550 --> 00:37:46,560

lying around

922

00:37:50,230 --> 00:37:48,560

or bullet well it's a good one too i

923

00:37:51,430 --> 00:37:50,240

think i have some yeah i do i've got

924

00:37:54,630 --> 00:37:51,440

some bullet

925

00:37:58,870 --> 00:37:56,310

polaris says i'm already feeling

926

00:38:01,829 --> 00:37:58,880

different with a wine emoji does dr

927

00:38:03,430 --> 00:38:01,839

pepper count heck yeah it does dr pepper

928

00:38:07,270 --> 00:38:03,440

is amazing

929

00:38:07,280 --> 00:38:10,069

let's see

930

00:38:15,910 --> 00:38:13,030

teddy's inks has the same scotch

931

00:38:17,510 --> 00:38:15,920

are you drinking dull more too teddy

932

00:38:20,150 --> 00:38:17,520

let me know man

933

00:38:23,030 --> 00:38:20,160

it is so good

934

00:38:26,630 --> 00:38:23,040

claire says are you a wine drinker uh

935

00:38:29,589 --> 00:38:26,640

yeah i i i love wine i'm a red wine guy

936

00:38:31,670 --> 00:38:29,599

um i don't drink white wine i am

937

00:38:34,150 --> 00:38:31,680

don't put me a mile within a glass of

938

00:38:35,190 --> 00:38:34,160

white wine i just don't like it i never

939

00:38:37,030 --> 00:38:35,200

have

940

00:38:39,270 --> 00:38:37,040

probably never will but i'm a big

941

00:38:41,990 --> 00:38:39,280

cabernet fan uh to be honest i don't

942

00:38:44,550 --> 00:38:42,000

really have a favorite um

943

00:38:48,069 --> 00:38:44,560

there was a winery in excuse me a

944

00:38:51,190 --> 00:38:48,079

vineyard in california of course uh

945

00:38:54,390 --> 00:38:51,200

that used to make a cabernet called the

946

00:38:57,589 --> 00:38:54,400

usual suspect and it was the best wine

947

00:39:00,230 --> 00:38:57,599

i'd ever had and it was like a mid-tier

948

00:39:03,190 --> 00:39:00,240

like i don't know 14.99 a bottle

949

00:39:05,270 --> 00:39:03,200

california wine but i

950

00:39:08,550 --> 00:39:05,280

took one sip and i think i drank the

951
00:39:10,550 --> 00:39:08,560
whole bottle it was just so delicious um

952
00:39:13,910 --> 00:39:10,560
i definitely felt it in the morning but

953
00:39:16,710 --> 00:39:13,920
uh yes i do enjoy a nice glass of red

954
00:39:18,870 --> 00:39:16,720
wine with dinner um every now and again

955
00:39:22,230 --> 00:39:18,880
or when i'm watching downton abbey makes

956
00:39:24,150 --> 00:39:22,240
me feel nice and uh fancy um

957
00:39:26,790 --> 00:39:24,160
so yeah yeah definitely

958
00:39:29,190 --> 00:39:26,800
let's see wanna be green like me

959
00:39:31,109 --> 00:39:29,200
click the join button aaron

960
00:39:34,390 --> 00:39:31,119
you are the best my man always

961
00:39:36,150 --> 00:39:34,400
supporting us and promoting yeah um if

962
00:39:37,910 --> 00:39:36,160
you want to join and become a member of

963
00:39:39,910 --> 00:39:37,920

someone's guys here on youtube click

964

00:39:42,710 --> 00:39:39,920

that join button right under the video

965

00:39:44,870 --> 00:39:42,720

you're going to get exclusive content um

966

00:39:47,510 --> 00:39:44,880

some outtakes and stuff from interviews

967

00:39:50,710 --> 00:39:47,520

that i do and will continue to do

968

00:39:53,030 --> 00:39:50,720

um many videos of me just doing stuff

969

00:39:55,430 --> 00:39:53,040

like this like amas and stuff like that

970

00:39:57,109 --> 00:39:55,440

so yeah if you want to join um click

971

00:39:59,109 --> 00:39:57,119

that join button right at the bottom

972

00:40:00,069 --> 00:39:59,119

there uh thank you aaron you are my

973

00:40:01,589 --> 00:40:00,079

first

974

00:40:03,589 --> 00:40:01,599

member of somewhere in the skies so

975

00:40:06,069 --> 00:40:03,599

thank you my man also click the like

976

00:40:08,470 --> 00:40:06,079

button subscribe if you're not turn on

977

00:40:13,109 --> 00:40:08,480

notifications all that usual youtube

978

00:40:15,430 --> 00:40:13,119

mumbo jumbo um please please do that um

979

00:40:17,829 --> 00:40:15,440

jaylen says wine hangovers are the worst

980

00:40:19,750 --> 00:40:17,839

agreed agreed for some reason they

981

00:40:22,069 --> 00:40:19,760

always are actually no

982

00:40:24,790 --> 00:40:22,079

no tequila hangovers are the worst i've

983

00:40:27,510 --> 00:40:24,800

only had one in my life um

984

00:40:29,750 --> 00:40:27,520

and that was on my birthday i went to

985

00:40:32,069 --> 00:40:29,760

this really cool fun

986

00:40:35,270 --> 00:40:32,079

uh mexican restaurant here in new york

987

00:40:38,230 --> 00:40:35,280

and um they do these drinks it was

988

00:40:40,309 --> 00:40:38,240

called a bulldog and it was a frozen

989

00:40:43,109 --> 00:40:40,319

margarita with like

990

00:40:46,390 --> 00:40:43,119

four shots of different tequilas and

991

00:40:49,190 --> 00:40:46,400

then a corona which they would um like

992

00:40:52,150 --> 00:40:49,200

tip upside down and shove into the icy

993

00:40:54,870 --> 00:40:52,160

frozen margarita so as you're drinking

994

00:40:56,790 --> 00:40:54,880

the tequila the beer would start to pour

995

00:40:59,109 --> 00:40:56,800

into it as well so you're getting like

996

00:41:00,950 --> 00:40:59,119

four shots of tequila and a corona in

997

00:41:04,309 --> 00:41:00,960

one drink and i

998

00:41:06,870 --> 00:41:04,319

just remember what i do remember um that

999

00:41:09,030 --> 00:41:06,880

was not a good hangover so yeah i can't

1000

00:41:11,030 --> 00:41:09,040

get i can't even get near tequila

1001
00:41:13,109 --> 00:41:11,040
anymore it just turns my stomach the

1002
00:41:14,470 --> 00:41:13,119
minute i smell it um which makes it hard

1003
00:41:16,790 --> 00:41:14,480
to be a bartender because a lot of

1004
00:41:19,109 --> 00:41:16,800
people like tequila and i kind of just

1005
00:41:21,190 --> 00:41:19,119
have to close my eyes and uh hold my

1006
00:41:23,030 --> 00:41:21,200
breath when i'm pouring mons thank you

1007
00:41:25,109 --> 00:41:23,040
so much for becoming a member man i

1008
00:41:27,510 --> 00:41:25,119
really appreciate that your support is

1009
00:41:29,349 --> 00:41:27,520
always always appreciated

1010
00:41:30,470 --> 00:41:29,359
isn't that cool guys your name shows up

1011
00:41:33,670 --> 00:41:30,480
in green

1012
00:41:35,109 --> 00:41:33,680
green's my favorite color so

1013
00:41:37,270 --> 00:41:35,119

i don't know

1014

00:41:38,470 --> 00:41:37,280

support the show

1015

00:41:40,870 --> 00:41:38,480

um

1016

00:41:43,910 --> 00:41:40,880

oh wait alien says i like the ufo plaque

1017

00:41:46,390 --> 00:41:43,920

on the wall is it new the plaque

1018

00:41:48,950 --> 00:41:46,400

oh are you talking about this guy

1019

00:41:50,630 --> 00:41:48,960

um the wooden one uh if so that was a

1020

00:41:53,430 --> 00:41:50,640

gift um

1021

00:41:55,829 --> 00:41:53,440

uh what carving that um i got and i

1022

00:41:59,349 --> 00:41:55,839

absolutely love it and i try to switch

1023

00:42:01,670 --> 00:41:59,359

up the hq here all the time um and then

1024

00:42:02,950 --> 00:42:01,680

here is a new addition i have that is

1025

00:42:05,510 --> 00:42:02,960

the front crate

1026
00:42:08,790 --> 00:42:05,520
front page of the roswell daily record

1027
00:42:11,750 --> 00:42:08,800
the famous headline raf captures flying

1028
00:42:12,950 --> 00:42:11,760
saucer on ranch in roswell region um one

1029
00:42:15,510 --> 00:42:12,960
of my favorites

1030
00:42:16,470 --> 00:42:15,520
one of my favorite articles as well

1031
00:42:19,109 --> 00:42:16,480
um

1032
00:42:22,309 --> 00:42:19,119
let's see here

1033
00:42:24,870 --> 00:42:22,319
ryan isn't there a ufo ipa yeah there um

1034
00:42:26,870 --> 00:42:24,880
there's a brewery here in uh

1035
00:42:29,270 --> 00:42:26,880
in america called

1036
00:42:32,230 --> 00:42:29,280
ufo and they make all different beers

1037
00:42:34,150 --> 00:42:32,240
wheat beers um they've got a winter beer

1038
00:42:36,950 --> 00:42:34,160

and they have an ipa just like every

1039

00:42:39,750 --> 00:42:36,960

brewery does i don't get it what is with

1040

00:42:41,430 --> 00:42:39,760

ipa someone in the chat who likes ipas

1041

00:42:44,710 --> 00:42:41,440

tell me i

1042

00:42:45,750 --> 00:42:44,720

have never been a fan um they seem to be

1043

00:42:48,390 --> 00:42:45,760

the most

1044

00:42:50,630 --> 00:42:48,400

popular beer here in the states at least

1045

00:42:53,190 --> 00:42:50,640

that's the most popular beer at my bar

1046

00:42:56,390 --> 00:42:53,200

that i serve at um

1047

00:42:58,309 --> 00:42:56,400

i just don't get it it's so bitter i

1048

00:43:01,430 --> 00:42:58,319

can't even enjoy it tell me what the

1049

00:43:02,390 --> 00:43:01,440

appeal is please somebody somebody

1050

00:43:05,589 --> 00:43:02,400

um

1051

00:43:07,589 --> 00:43:05,599

let's see here i'm gonna lose some ipa

1052

00:43:09,430 --> 00:43:07,599

uh members let's see

1053

00:43:11,270 --> 00:43:09,440

uh mon says just finished reading

1054

00:43:13,829 --> 00:43:11,280

somewhere in the skies a few days ago

1055

00:43:15,829 --> 00:43:13,839

good read thank you mons i appreciate

1056

00:43:18,470 --> 00:43:15,839

that um i poured my heart and soul into

1057

00:43:21,349 --> 00:43:18,480

that second edition and um

1058

00:43:23,829 --> 00:43:21,359

i it i hope it showed i hope it showed

1059

00:43:26,470 --> 00:43:23,839

that um i really put care and time and

1060

00:43:29,430 --> 00:43:26,480

effort into updating the book and

1061

00:43:31,829 --> 00:43:29,440

making it more human than it was before

1062

00:43:33,430 --> 00:43:31,839

so um thank you i really appreciate that

1063

00:43:36,390 --> 00:43:33,440

um yeah if you haven't read the book

1064

00:43:39,589 --> 00:43:36,400

it's on amazon in paperback

1065

00:43:41,030 --> 00:43:39,599

ebook and audiobook actually um so yeah

1066

00:43:42,550 --> 00:43:41,040

check out the book as well somewhere in

1067

00:43:46,069 --> 00:43:42,560

the skies

1068

00:43:48,390 --> 00:43:46,079

um let's see totally can't do ipas

1069

00:43:49,589 --> 00:43:48,400

aaron says with you there ryan ipas are

1070

00:43:52,069 --> 00:43:49,599

too bitter

1071

00:43:54,790 --> 00:43:52,079

totally amber says can't do it my

1072

00:43:56,150 --> 00:43:54,800

daughter loves ipas way too bitter

1073

00:43:58,550 --> 00:43:56,160

oh my gosh

1074

00:44:01,030 --> 00:43:58,560

okay i'm not the only one good some

1075

00:44:02,470 --> 00:44:01,040

folks like it better andy says i guess

1076

00:44:04,710 --> 00:44:02,480

they do

1077

00:44:06,309 --> 00:44:04,720

uh purple dev says ryan do you know if

1078

00:44:08,870 --> 00:44:06,319

green street and nick pope will come

1079

00:44:10,790 --> 00:44:08,880

back with a basement office uh yes

1080

00:44:12,309 --> 00:44:10,800

purple um they're coming back strong

1081

00:44:14,309 --> 00:44:12,319

with the season three

1082

00:44:16,390 --> 00:44:14,319

i don't know if you saw a few episodes

1083

00:44:18,790 --> 00:44:16,400

ago of somewhere in the skies i actually

1084

00:44:21,190 --> 00:44:18,800

got to go to the actual

1085

00:44:22,550 --> 00:44:21,200

basement office here in new york city

1086

00:44:24,790 --> 00:44:22,560

and meet with nick pope and stephen

1087

00:44:27,030 --> 00:44:24,800

green street got to check out the um the

1088

00:44:29,109 --> 00:44:27,040

office and uh and look at what they're

1089

00:44:31,270 --> 00:44:29,119

going to be bringing with season three

1090

00:44:33,430 --> 00:44:31,280

and um i sat him down and interviewed

1091

00:44:35,349 --> 00:44:33,440

him about the new upcoming season so

1092

00:44:38,230 --> 00:44:35,359

yeah go back a few episodes of summer in

1093

00:44:40,150 --> 00:44:38,240

the skies in the archives and um you can

1094

00:44:44,069 --> 00:44:40,160

hear more about what's to come with

1095

00:44:48,150 --> 00:44:46,069

i cannot handle the ipa hate

1096

00:44:50,230 --> 00:44:48,160

unsubscribed

1097

00:44:52,390 --> 00:44:50,240

i'm sorry j allen heineken i should have

1098

00:44:55,430 --> 00:44:52,400

known with your name um that you were

1099

00:44:57,670 --> 00:44:55,440

probably a beer person so i do apologize

1100

00:45:00,150 --> 00:44:57,680

if you took that to heart um please

1101
00:45:02,150 --> 00:45:00,160
don't don't take it personally ooh honey

1102
00:45:03,990 --> 00:45:02,160
brown newcastle beer awaiting aliens

1103
00:45:05,910 --> 00:45:04,000
that's a good one that is definitely a

1104
00:45:06,950 --> 00:45:05,920
good one

1105
00:45:13,750 --> 00:45:06,960
um

1106
00:45:18,550 --> 00:45:16,550
oh my mark ivy studio says there's a bar

1107
00:45:21,349 --> 00:45:18,560
here in downtown fort worth texas that's

1108
00:45:23,990 --> 00:45:21,359
called the flying saucer that's so cool

1109
00:45:26,470 --> 00:45:24,000
oh man i would kill for a bar like in my

1110
00:45:27,430 --> 00:45:26,480
neighborhood that was flying saucer

1111
00:45:29,430 --> 00:45:27,440
themed

1112
00:45:31,670 --> 00:45:29,440
hmm there's an idea

1113
00:45:35,430 --> 00:45:31,680

there's an idea new yorkers

1114

00:45:35,440 --> 00:45:40,309

jane you want to open a bar with me

1115

00:45:44,829 --> 00:45:43,430

oh she's not here i forgot

1116

00:45:47,270 --> 00:45:44,839

she's at

1117

00:45:48,790 --> 00:45:47,280

work that is sad when you don't even

1118

00:45:51,270 --> 00:45:48,800

know if someone else is in your

1119

00:45:56,790 --> 00:45:53,430

uh caiman islander says ipa is the best

1120

00:45:58,309 --> 00:45:56,800

hands down all right enough beer talk i

1121

00:45:59,349 --> 00:45:58,319

know people are probably getting sick of

1122

00:46:02,790 --> 00:45:59,359

it

1123

00:46:04,710 --> 00:46:02,800

any meet and greets coming up amber um

1124

00:46:07,589 --> 00:46:04,720

that's a good question oh yes i'm gonna

1125

00:46:11,510 --> 00:46:07,599

be um i just signed on for my first ufo

1126

00:46:13,750 --> 00:46:11,520

conference of 2022 um it's the ufo

1127

00:46:14,630 --> 00:46:13,760

uh michigan

1128

00:46:15,670 --> 00:46:14,640

con

1129

00:46:16,470 --> 00:46:15,680

tact

1130

00:46:37,589 --> 00:46:16,480

i

1131

00:46:39,190 --> 00:46:37,599

as well and um you can check that out um

1132

00:46:42,550 --> 00:46:39,200

that's the only one i've signed on for

1133

00:46:44,470 --> 00:46:42,560

so far um obviously this all depends on

1134

00:46:47,030 --> 00:46:44,480

the pandemic and what's going on with

1135

00:46:47,910 --> 00:46:47,040

that and um you know

1136

00:46:50,150 --> 00:46:47,920

uh

1137

00:46:52,069 --> 00:46:50,160

protocols and stuff but um yeah i'm

1138

00:46:54,390 --> 00:46:52,079

looking forward to at least going to

1139

00:46:56,870 --> 00:46:54,400

michigan in september and and talking

1140

00:46:58,630 --> 00:46:56,880

i'm gonna have a brand new lecture that

1141

00:47:00,630 --> 00:46:58,640

i'm gonna be giving as well i can't talk

1142

00:47:03,270 --> 00:47:00,640

about it yet but yeah yeah it's gonna be

1143

00:47:04,630 --> 00:47:03,280

pretty cool um

1144

00:47:06,470 --> 00:47:04,640

so yeah hopefully you'll be able to

1145

00:47:08,309 --> 00:47:06,480

check that out uh

1146

00:47:11,190 --> 00:47:08,319

nat murth thank you so much for the

1147

00:47:13,109 --> 00:47:11,200

super chat super sticker i should say um

1148

00:47:16,790 --> 00:47:13,119

i really really appreciate that support

1149

00:47:18,790 --> 00:47:16,800

as usual thank you thank you

1150

00:47:20,549 --> 00:47:18,800

uh sdk says i can't believe that eric

1151

00:47:22,230 --> 00:47:20,559

weinstein has come around on the uap

1152

00:47:25,030 --> 00:47:22,240

subject it took a lot for him to admit

1153

00:47:27,510 --> 00:47:25,040

he was wrong yeah so eric weinstein has

1154

00:47:30,549 --> 00:47:27,520

really um come around and become a big

1155

00:47:32,309 --> 00:47:30,559

proponent of the uap phenomenon and that

1156

00:47:34,390 --> 00:47:32,319

we have to look into it and when someone

1157

00:47:36,630 --> 00:47:34,400

like eric weinstein says we need to look

1158

00:47:39,109 --> 00:47:36,640

into it you look into it it's eric

1159

00:47:41,910 --> 00:47:39,119

weinstein so yeah um i know he did an

1160

00:47:43,109 --> 00:47:41,920

interview recently with i believe it was

1161

00:47:45,430 --> 00:47:43,119

um

1162

00:47:46,870 --> 00:47:45,440

is it lex friedman

1163

00:47:48,870 --> 00:47:46,880

i don't know

1164

00:47:50,870 --> 00:47:48,880

i've actually never watched or listened

1165

00:47:52,390 --> 00:47:50,880

to lex friedman and i wrote a tweet

1166

00:47:54,150 --> 00:47:52,400

about that today and

1167

00:47:56,870 --> 00:47:54,160

asked what's up with this dude why does

1168

00:47:59,990 --> 00:47:56,880

he look like a man in black um he gives

1169

00:48:02,150 --> 00:48:00,000

me really weird vibes and i got a lot of

1170

00:48:03,910 --> 00:48:02,160

um reaction to that tweet so i learned

1171

00:48:04,950 --> 00:48:03,920

my lesson on that

1172

00:48:06,470 --> 00:48:04,960

um

1173

00:48:09,109 --> 00:48:06,480

i'll have to check out one of his

1174

00:48:11,990 --> 00:48:09,119

interviews for sure

1175

00:48:14,790 --> 00:48:12,000

um let's see here

1176

00:48:16,549 --> 00:48:14,800

um i did have let's see

1177

00:48:18,870 --> 00:48:16,559

a question a couple questions here on

1178

00:48:20,790 --> 00:48:18,880

twitter that just came in uh so let me

1179

00:48:22,630 --> 00:48:20,800

go ahead and read one of those ellie k

1180

00:48:24,870 --> 00:48:22,640

on twitter asks if you could willingly

1181

00:48:26,390 --> 00:48:24,880

leave with an extraterrestrial on their

1182

00:48:27,589 --> 00:48:26,400

craft would you

1183

00:48:36,549 --> 00:48:27,599

no

1184

00:48:39,829 --> 00:48:36,559

um i'm good right here on earth i'm a

1185

00:48:41,670 --> 00:48:39,839

very homely person um so yeah i'm gonna

1186

00:48:43,270 --> 00:48:41,680

say no on that one

1187

00:48:45,190 --> 00:48:43,280

um let's see

1188

00:48:48,230 --> 00:48:45,200

if i have any other questions that came

1189

00:48:52,790 --> 00:48:48,240

in here on twitter

1190

00:48:56,710 --> 00:48:55,270

i thought i had one here nope yeah throw

1191

00:48:58,230 --> 00:48:56,720

your questions in the chat guys i think

1192

00:48:59,589 --> 00:48:58,240

i've answered everything

1193

00:49:02,069 --> 00:48:59,599

thus far

1194

00:49:05,109 --> 00:49:02,079

um

1195

00:49:07,190 --> 00:49:05,119

move on to some talk shop stuff if if

1196

00:49:08,390 --> 00:49:07,200

anyone doesn't have any questions

1197

00:49:09,990 --> 00:49:08,400

um

1198

00:49:12,390 --> 00:49:10,000

probably wrap this up shortly i didn't

1199

00:49:14,470 --> 00:49:12,400

want to make it too long um

1200

00:49:16,549 --> 00:49:14,480

hey i'm starving i haven't eaten dinner

1201
00:49:18,710 --> 00:49:16,559
yet and it's literally waiting for me

1202
00:49:20,950 --> 00:49:18,720
got some local chinese food that i can't

1203
00:49:22,710 --> 00:49:20,960
wait to eat um

1204
00:49:25,990 --> 00:49:22,720
so yeah i'll probably start to wrap

1205
00:49:27,670 --> 00:49:26,000
things up a little here guys but please

1206
00:49:29,829 --> 00:49:27,680
throw your questions in i will stay here

1207
00:49:32,150 --> 00:49:29,839
as long as you're asking them honestly

1208
00:49:33,589 --> 00:49:32,160
um it'll just make me

1209
00:49:34,630 --> 00:49:33,599
even more hungry

1210
00:49:38,710 --> 00:49:34,640
um

1211
00:49:43,349 --> 00:49:41,510
dope no says lex friedman's interview

1212
00:49:46,309 --> 00:49:43,359
with david fravor was hours of

1213
00:49:49,109 --> 00:49:46,319

awesomeness i have heard that was a very

1214

00:49:51,109 --> 00:49:49,119

in-depth um interview

1215

00:49:52,309 --> 00:49:51,119

about his involvement with the tic tac

1216

00:49:55,270 --> 00:49:52,319

ufo event so i'll definitely have to

1217

00:49:59,349 --> 00:49:57,190

ndk says ryan have you read the albert

1218

00:50:01,910 --> 00:49:59,359

rosales humanoid books i have not i

1219

00:50:04,230 --> 00:50:01,920

don't know what that is i don't know who

1220

00:50:06,950 --> 00:50:04,240

albert rosales is um but it sounds

1221

00:50:12,390 --> 00:50:06,960

intriguing please send me a link i'd

1222

00:50:12,400 --> 00:50:16,870

let's see let's see

1223

00:50:21,990 --> 00:50:19,109

aaron asks what is your favorite chinese

1224

00:50:24,950 --> 00:50:22,000

food in midtown whoa

1225

00:50:26,390 --> 00:50:24,960

in midtown that's a good

1226

00:50:29,829 --> 00:50:26,400

ah question

1227

00:50:33,270 --> 00:50:31,510

i'm gonna be honest man i don't think

1228

00:50:36,549 --> 00:50:33,280

i've ever been to a chinese food

1229

00:50:38,150 --> 00:50:36,559

restaurant in midtown manhattan um the

1230

00:50:39,430 --> 00:50:38,160

only time i ever get chinese food is

1231

00:50:42,710 --> 00:50:39,440

like

1232

00:50:44,870 --> 00:50:42,720

doing this and i didn't want to cook or

1233

00:50:46,790 --> 00:50:44,880

anything um so i get it here in queens

1234

00:50:47,750 --> 00:50:46,800

where i live um

1235

00:50:54,710 --> 00:50:47,760

i

1236

00:50:58,069 --> 00:50:54,720

manhattan so sorry to bum you out there

1237

00:51:01,190 --> 00:50:58,079

but um my favorite one in here in queens

1238

00:51:02,390 --> 00:51:01,200

is um called golden house it's like 10

1239

00:51:05,430 --> 00:51:02,400

blocks for me

1240

00:51:07,430 --> 00:51:05,440

um and i usually get general so chicken

1241

00:51:10,790 --> 00:51:07,440

or sesame chicken those are probably my

1242

00:51:12,870 --> 00:51:10,800

two faves um chicken with broccoli i'm

1243

00:51:16,549 --> 00:51:12,880

super simple and american when it comes

1244

00:51:19,349 --> 00:51:16,559

to that um we had a very um

1245

00:51:21,589 --> 00:51:19,359

very good new chinese food place open as

1246

00:51:23,990 --> 00:51:21,599

well that i gotta check out um a lot

1247

00:51:26,549 --> 00:51:24,000

more authentic from what i'm told

1248

00:51:29,750 --> 00:51:26,559

whatever that means to us dumb americans

1249

00:51:31,750 --> 00:51:29,760

um and our chinese food but i i hope to

1250

00:51:34,710 --> 00:51:31,760

check that out soon um

1251
00:51:36,230 --> 00:51:34,720
as well that's where i hang out hey man

1252
00:51:38,150 --> 00:51:36,240
you let me know next time you're in new

1253
00:51:39,750 --> 00:51:38,160
york we'll do a hangout and you can show

1254
00:51:40,630 --> 00:51:39,760
me where to find good chinese food

1255
00:51:45,829 --> 00:51:40,640
please

1256
00:51:51,109 --> 00:51:47,990
iman says have you tried the spicy cumin

1257
00:51:54,390 --> 00:51:51,119
lamb noodles at jan famous foods in new

1258
00:51:57,109 --> 00:51:54,400
york i also seek it out when i'm there

1259
00:51:58,549 --> 00:51:57,119
no wow you guys have given me some

1260
00:52:01,670 --> 00:51:58,559
apparently

1261
00:52:03,589 --> 00:52:01,680
when it comes to chinese food i'll have

1262
00:52:06,870 --> 00:52:03,599
to change check that out awaiting alien

1263
00:52:08,549 --> 00:52:06,880

says doho wing in queens still exists

1264

00:52:10,390 --> 00:52:08,559

where did all you people come from with

1265

00:52:12,309 --> 00:52:10,400

your new york chinese food places this

1266

00:52:14,150 --> 00:52:12,319

is amazing thank you awaiting aliens i

1267

00:52:16,069 --> 00:52:14,160

don't know if that still exists i

1268

00:52:18,230 --> 00:52:16,079

haven't heard of it personally um but

1269

00:52:19,990 --> 00:52:18,240

i'll have to check it out

1270

00:52:22,150 --> 00:52:20,000

we have incredible food in queens it's

1271

00:52:25,510 --> 00:52:22,160

one of the most diverse ethnically

1272

00:52:28,069 --> 00:52:25,520

diverse places in the entire country um

1273

00:52:30,870 --> 00:52:28,079

if not the world if i'm not mistaken um

1274

00:52:34,230 --> 00:52:30,880

so you can literally find every single

1275

00:52:36,790 --> 00:52:34,240

type of food in queens it's incredible

1276

00:52:40,230 --> 00:52:36,800

and every variation on it and in

1277

00:52:42,790 --> 00:52:40,240

everything in between um so yeah uh i

1278

00:52:44,230 --> 00:52:42,800

really dig the food here in new york

1279

00:52:47,030 --> 00:52:44,240

for sure i'll have to check out all

1280

00:52:50,069 --> 00:52:47,040

these chinese food places

1281

00:52:53,349 --> 00:52:50,079

amber says got any plans any place

1282

00:52:56,630 --> 00:52:53,359

coming to fruition soon um

1283

00:52:59,349 --> 00:52:56,640

not plays amber but i am going to be

1284

00:53:02,470 --> 00:52:59,359

producing my second feature film this

1285

00:53:05,910 --> 00:53:02,480

year in new york um based on a play of

1286

00:53:06,790 --> 00:53:05,920

mine uh the play is basically a modern

1287

00:53:08,230 --> 00:53:06,800

day

1288

00:53:11,430 --> 00:53:08,240

uh

1289

00:53:13,829 --> 00:53:11,440

not retelling but um it's inspired by

1290

00:53:16,309 --> 00:53:13,839

the jack the ripper murders in white

1291

00:53:19,589 --> 00:53:16,319

chapel in 1888 although mine takes place

1292

00:53:21,910 --> 00:53:19,599

in 1998 in the lower east side of new

1293

00:53:23,670 --> 00:53:21,920

york city and um

1294

00:53:26,790 --> 00:53:23,680

it's been one of my most successful

1295

00:53:29,430 --> 00:53:26,800

plays to date and recently one of this

1296

00:53:32,950 --> 00:53:29,440

is crazy a listener of somewhere in the

1297

00:53:36,230 --> 00:53:32,960

skies a horror filmmaker reached out to

1298

00:53:37,990 --> 00:53:36,240

me and said i love your show um

1299

00:53:40,230 --> 00:53:38,000

you know if there's any scripts you got

1300

00:53:41,349 --> 00:53:40,240

lying around i would love to read them

1301
00:53:43,670 --> 00:53:41,359
sometime

1302
00:53:45,829 --> 00:53:43,680
and i only had one

1303
00:53:48,790 --> 00:53:45,839
kind of horror-esque play i'd ever

1304
00:53:51,270 --> 00:53:48,800
written i was like well here's a play um

1305
00:53:53,910 --> 00:53:51,280
check it out if you want and i think

1306
00:53:55,430 --> 00:53:53,920
within a few hours of me sending it to

1307
00:53:58,069 --> 00:53:55,440
him he said i want to make a movie of

1308
00:54:00,549 --> 00:53:58,079
this and um we started chatting back and

1309
00:54:03,349 --> 00:54:00,559
forth and i've watched some of his his

1310
00:54:04,230 --> 00:54:03,359
short films that he he's made and they

1311
00:54:07,109 --> 00:54:04,240
are

1312
00:54:09,510 --> 00:54:07,119
stunning and amazing and he is such a

1313
00:54:13,109 --> 00:54:09,520

talented filmmaker dennis carlo is his

1314

00:54:16,630 --> 00:54:13,119

name so i am going to be co-producing

1315

00:54:19,430 --> 00:54:16,640

the um film adaptation of my play east

1316

00:54:20,870 --> 00:54:19,440

in red um the movie is going to be a

1317

00:54:24,150 --> 00:54:20,880

different title it's going to be called

1318

00:54:27,270 --> 00:54:24,160

themed which was a big buzzword in a lot

1319

00:54:29,190 --> 00:54:27,280

of the newspaper headlines in 1888 when

1320

00:54:31,510 --> 00:54:29,200

jack the ripper was around

1321

00:54:33,589 --> 00:54:31,520

and we just loved that title horror

1322

00:54:36,069 --> 00:54:33,599

movies always seem to be really do

1323

00:54:39,109 --> 00:54:36,079

really well with like one word title so

1324

00:54:41,349 --> 00:54:39,119

um i was totally fine changing the title

1325

00:54:43,510 --> 00:54:41,359

of that um so yeah we're gonna be

1326

00:54:46,390 --> 00:54:43,520

filming it later this year here in new

1327

00:54:50,309 --> 00:54:46,400

york city and hopefully it'll get out to

1328

00:54:52,150 --> 00:54:50,319

the public sometime in uh 2023

1329

00:54:54,150 --> 00:54:52,160

uh god i don't even know what year it is

1330

00:54:56,870 --> 00:54:54,160

2022. wow

1331

00:54:59,670 --> 00:54:56,880

um so yeah yeah look for that hopefully

1332

00:55:01,750 --> 00:54:59,680

in 2022.

1333

00:55:03,750 --> 00:55:01,760

we'll be doing some fundraising as well

1334

00:55:05,670 --> 00:55:03,760

so i'm gonna be begging all you guys to

1335

00:55:08,150 --> 00:55:05,680

be doing that when i'm not asking you

1336

00:55:10,950 --> 00:55:08,160

for super chats here

1337

00:55:13,190 --> 00:55:10,960

um let's see

1338

00:55:14,789 --> 00:55:13,200

skyhawk says if i wanted to hear about

1339

00:55:18,390 --> 00:55:14,799

food i could listen to christina and

1340

00:55:21,510 --> 00:55:18,400

jimmy talk about ramen noodles

1341

00:55:23,670 --> 00:55:21,520

yes yes i know i know man uh jimmy

1342

00:55:26,150 --> 00:55:23,680

church and christina gomez have a really

1343

00:55:28,950 --> 00:55:26,160

fun show over on christina's youtube

1344

00:55:31,670 --> 00:55:28,960

channel and um they're both very big

1345

00:55:33,589 --> 00:55:31,680

ramen fans uh so apparently they talk

1346

00:55:36,230 --> 00:55:33,599

about that a lot over there so we'll

1347

00:55:38,630 --> 00:55:36,240

keep the food talk to uh christina

1348

00:55:40,470 --> 00:55:38,640

gomez's show

1349

00:55:42,549 --> 00:55:40,480

uh polaris says i love that your work

1350

00:55:44,630 --> 00:55:42,559

with someone in the skies bleeds over

1351
00:55:47,270 --> 00:55:44,640
with your playwright work love it when

1352
00:55:50,710 --> 00:55:47,280
that happens yeah man um for years i

1353
00:55:52,950 --> 00:55:50,720
tried to separate all of my work in the

1354
00:55:55,750 --> 00:55:52,960
uh theater world from my ufo stuff

1355
00:55:58,150 --> 00:55:55,760
because i honestly thought it would um

1356
00:56:00,069 --> 00:55:58,160
it wouldn't do me any good i thought

1357
00:56:01,910 --> 00:56:00,079
people think i was weird and

1358
00:56:03,829 --> 00:56:01,920
and they wouldn't hire me or want to

1359
00:56:06,309 --> 00:56:03,839
produce my stuff and then i realized

1360
00:56:08,230 --> 00:56:06,319
that was a very dumb thing to think uh

1361
00:56:11,030 --> 00:56:08,240
ufos are

1362
00:56:14,950 --> 00:56:11,040
bigger than ever um they are

1363
00:56:17,030 --> 00:56:14,960

mainstream and uh they're real

1364

00:56:20,069 --> 00:56:17,040

they're real what they are we may not

1365

00:56:22,150 --> 00:56:20,079

know but we know for hell for sure

1366

00:56:24,390 --> 00:56:22,160

that they are real um

1367

00:56:26,710 --> 00:56:24,400

so yeah i i'm finding ways to mix my

1368

00:56:28,870 --> 00:56:26,720

worlds now and i'm absolutely

1369

00:56:30,549 --> 00:56:28,880

absolutely loving it

1370

00:56:32,870 --> 00:56:30,559

he says plot twist jack the ripper was

1371

00:56:34,390 --> 00:56:32,880

an alien oh you ruined it man now i'm

1372

00:56:35,670 --> 00:56:34,400

not gonna make the movie

1373

00:56:37,990 --> 00:56:35,680

ah

1374

00:56:39,270 --> 00:56:38,000

mr twist

1375

00:56:41,349 --> 00:56:39,280

that's all right man i'll give you

1376

00:56:43,990 --> 00:56:41,359

credit i'll give you credit on that one

1377

00:56:46,630 --> 00:56:44,000

have you ever investigated wealthy asks

1378

00:56:48,710 --> 00:56:46,640

investigated the avery ufo incident in

1379

00:56:50,789 --> 00:56:48,720

the uk i have not

1380

00:56:52,309 --> 00:56:50,799

um if you have any information about

1381

00:56:55,349 --> 00:56:52,319

that please

1382

00:56:57,190 --> 00:56:55,359

throw a link in the chat or email me

1383

00:56:59,589 --> 00:56:57,200

you can contact me at somewhere in the

1384

00:57:03,030 --> 00:56:59,599

skies.com i would absolutely love to

1385

00:57:05,190 --> 00:57:03,040

hear more about what this incident is um

1386

00:57:08,150 --> 00:57:05,200

and look into it i always love looking

1387

00:57:12,470 --> 00:57:09,910

cases that are new to me

1388

00:57:15,109 --> 00:57:12,480

i should say

1389

00:57:16,870 --> 00:57:15,119

uh let's see

1390

00:57:19,829 --> 00:57:16,880

aaron asks what if we are food for

1391

00:57:23,910 --> 00:57:22,870

to serve men that's all i have to say

1392

00:57:26,390 --> 00:57:23,920

um

1393

00:57:28,230 --> 00:57:26,400

for any twilight zone fans out there

1394

00:57:31,030 --> 00:57:28,240

um it's possible

1395

00:57:32,390 --> 00:57:31,040

i hope not i hope that's not all we are

1396

00:57:33,829 --> 00:57:32,400

but hey if that's

1397

00:57:36,870 --> 00:57:33,839

that's the way the cookie crumbles

1398

00:57:39,270 --> 00:57:36,880

that's the way the uh cookie crumbles

1399

00:57:41,510 --> 00:57:39,280

and we are the cookie

1400

00:57:44,630 --> 00:57:41,520

ryan do you believe that some people uh

1401
00:57:47,270 --> 00:57:44,640
could somehow attract ufos uh yeah we

1402
00:57:48,789 --> 00:57:47,280
talked about that earlier ce5 this um

1403
00:57:51,030 --> 00:57:48,799
kind of movement that's been around for

1404
00:57:53,349 --> 00:57:51,040
a few years now of being able to like

1405
00:57:55,829 --> 00:57:53,359
summon ufos again it's not something

1406
00:57:57,510 --> 00:57:55,839
i've done or had experience with but

1407
00:57:59,829 --> 00:57:57,520
some people have

1408
00:58:00,789 --> 00:57:59,839
said that they've had success with it so

1409
00:58:03,109 --> 00:58:00,799
um

1410
00:58:05,430 --> 00:58:03,119
one of my favorite people james flandali

1411
00:58:06,630 --> 00:58:05,440
is uh one of the guys who

1412
00:58:11,990 --> 00:58:06,640
really

1413
00:58:13,829 --> 00:58:12,000

um he's apparently had a lot of success

1414

00:58:16,390 --> 00:58:13,839

so i got to get him on the show he's a

1415

00:58:19,270 --> 00:58:16,400

really smart cool guy um

1416

00:58:21,829 --> 00:58:19,280

and he looks into a corner of the

1417

00:58:23,750 --> 00:58:21,839

phenomenon that i personally have not

1418

00:58:26,150 --> 00:58:23,760

and i think it's important to

1419

00:58:27,829 --> 00:58:26,160

you know look at all angles of this and

1420

00:58:29,990 --> 00:58:27,839

and work together and try to find

1421

00:58:32,150 --> 00:58:30,000

answers so um yeah i don't know i don't

1422

00:58:35,030 --> 00:58:32,160

know if we can attract them but um

1423

00:58:36,950 --> 00:58:35,040

there's been a lot of talk recently that

1424

00:58:37,829 --> 00:58:36,960

maybe that's what

1425

00:58:40,950 --> 00:58:37,839

um

1426

00:58:44,470 --> 00:58:40,960

our nuclear installations are and that

1427

00:58:49,589 --> 00:58:47,829

world-ending power that we hold

1428

00:58:52,470 --> 00:58:49,599

in our hands um with the press of a

1429

00:58:54,309 --> 00:58:52,480

button which is super freaky um

1430

00:58:56,710 --> 00:58:54,319

and some people even think that that's

1431

00:58:59,190 --> 00:58:56,720

why the tic tac ufo was

1432

00:59:02,150 --> 00:58:59,200

zipping around the uh you know the the

1433

00:59:04,549 --> 00:59:02,160

nimitz carriers out there in 2004 you

1434

00:59:06,710 --> 00:59:04,559

know these subs are these excuse me

1435

00:59:10,150 --> 00:59:06,720

these carriers are powered by nuclear

1436

00:59:12,309 --> 00:59:10,160

energy so maybe it's that uh maybe they

1437

00:59:14,630 --> 00:59:12,319

are using nuclear power as bait and when

1438

00:59:16,870 --> 00:59:14,640

i say they i mean our military to see if

1439

00:59:19,270 --> 00:59:16,880

they can attract ufos to figure out what

1440

00:59:20,630 --> 00:59:19,280

they are i don't know it's an out there

1441

00:59:23,109 --> 00:59:20,640

theory but hey

1442

00:59:25,270 --> 00:59:23,119

like i said everything's on the table um

1443

00:59:29,670 --> 00:59:25,280

so yeah yeah that would be my

1444

00:59:34,150 --> 00:59:30,829

let's

1445

00:59:37,589 --> 00:59:34,160

see jason says howdy welcome welcome

1446

00:59:40,309 --> 00:59:37,599

jason we're happy to have you here

1447

00:59:41,270 --> 00:59:40,319

um nat says will fiend be your first

1448

00:59:44,710 --> 00:59:41,280

movie

1449

00:59:46,789 --> 00:59:44,720

no actually um i recently released my

1450

00:59:50,069 --> 00:59:46,799

first feature film based on another one

1451

00:59:51,270 --> 00:59:50,079

of my plays uh called reverie lane um

1452

00:59:52,870 --> 00:59:51,280

you can find it right here on the

1453

00:59:55,109 --> 00:59:52,880

youtube channel actually go back in the

1454

00:59:57,430 --> 00:59:55,119

archives i did drop the movie right here

1455

00:59:59,670 --> 00:59:57,440

on the youtube channel um it's on vimeo

1456

01:00:01,670 --> 00:59:59,680

as well and that was my first experience

1457

01:00:05,030 --> 01:00:01,680

at making a movie um and it was based on

1458

01:00:06,950 --> 01:00:05,040

one of my plays and um it was it was an

1459

01:00:08,549 --> 01:00:06,960

experience it took a very long time for

1460

01:00:12,150 --> 01:00:08,559

the film to finally

1461

01:00:14,470 --> 01:00:12,160

be made and come out and we stumbled and

1462

01:00:16,309 --> 01:00:14,480

um we failed we succeeded

1463

01:00:19,589 --> 01:00:16,319

and it was everything a first

1464

01:00:21,109 --> 01:00:19,599

uh filmmaking experience should be and i

1465

01:00:23,829 --> 01:00:21,119

am very proud of the work that everyone

1466

01:00:26,069 --> 01:00:23,839

did on the film um um

1467

01:00:28,789 --> 01:00:26,079

and i hope you'll check it out it's a

1468

01:00:31,750 --> 01:00:28,799

story about love and loss and and hope

1469

01:00:34,549 --> 01:00:31,760

and and finding hope through tragedy and

1470

01:00:37,430 --> 01:00:34,559

i know everyone can relate to that in

1471

01:00:39,910 --> 01:00:37,440

some way shape or form and um

1472

01:00:43,030 --> 01:00:39,920

yeah yeah it was it was a very emotional

1473

01:00:45,109 --> 01:00:43,040

story to tell in a very emotional movie

1474

01:00:46,390 --> 01:00:45,119

to make so um yeah you can check it out

1475

01:00:48,710 --> 01:00:46,400

right here on the channel it's called

1476

01:00:54,470 --> 01:00:48,720

reverie lane um let me know what you

1477

01:00:54,480 --> 01:00:58,950

let's see

1478

01:01:04,390 --> 01:01:01,270

what music do you listen to mark abby

1479

01:01:07,910 --> 01:01:04,400

studios asks all kinds um

1480

01:01:10,390 --> 01:01:07,920

i i'm i'm kind of a product of the 90s

1481

01:01:13,349 --> 01:01:10,400

so like i'm really into a lot of their

1482

01:01:15,910 --> 01:01:13,359

90s rock and stuff like that in fact one

1483

01:01:17,829 --> 01:01:15,920

of my favorite bands of all time is the

1484

01:01:20,069 --> 01:01:17,839

band tonic

1485

01:01:22,470 --> 01:01:20,079

and i'm sure a lot of you um

1486

01:01:24,549 --> 01:01:22,480

that's conjuring a lot of images of the

1487

01:01:26,069 --> 01:01:24,559

90s you know they had that song if you

1488

01:01:27,990 --> 01:01:26,079

could only see

1489

01:01:30,390 --> 01:01:28,000

um i think they're on like one of the

1490

01:01:33,030 --> 01:01:30,400

american pie sound tracks

1491

01:01:35,510 --> 01:01:33,040

um but yeah they were like my band back

1492

01:01:37,670 --> 01:01:35,520

in in the 90s emission heart was the

1493

01:01:41,270 --> 01:01:37,680

lead singer and i still follow his work

1494

01:01:44,230 --> 01:01:41,280

even up until today today excuse me um

1495

01:01:47,990 --> 01:01:44,240

and yeah so i'm i'm a big fan of a lot

1496

01:01:49,190 --> 01:01:48,000

of the 90s all rock scene and whatnot um

1497

01:01:51,190 --> 01:01:49,200

and

1498

01:01:53,670 --> 01:01:51,200

right now i've been listening to a lot

1499

01:01:56,630 --> 01:01:53,680

of my other favorite band which is anne

1500

01:01:59,510 --> 01:01:56,640

berlin uh which is a band from like the

1501

01:02:01,109 --> 01:01:59,520

i would say early to mid 2000's uh who

1502

01:02:03,589 --> 01:02:01,119

recently got back together and are

1503

01:02:06,630 --> 01:02:03,599

making a new album and yeah they're kind

1504

01:02:09,750 --> 01:02:06,640

of like in all rock band as well um

1505

01:02:11,750 --> 01:02:09,760

really really really love them and uh a

1506

01:02:14,309 --> 01:02:11,760

lot of music lately i've been listening

1507

01:02:17,109 --> 01:02:14,319

to is classic rock um just because it's

1508

01:02:20,230 --> 01:02:17,119

so easy to listen to and um

1509

01:02:22,549 --> 01:02:20,240

and uh it's a lot of the music i grew up

1510

01:02:24,630 --> 01:02:22,559

on with my father and he brought me to a

1511

01:02:27,190 --> 01:02:24,640

lot of concerts and stuff growing up and

1512

01:02:30,390 --> 01:02:27,200

he was really into like um

1513

01:02:32,390 --> 01:02:30,400

steve miller was his favorite and uh all

1514

01:02:33,829 --> 01:02:32,400

the bands back then foreigner and

1515

01:02:35,829 --> 01:02:33,839

journey and

1516

01:02:38,230 --> 01:02:35,839

a lot of that sort of stuff so i have an

1517

01:02:40,870 --> 01:02:38,240

eclectic taste when it comes to music

1518

01:02:43,270 --> 01:02:40,880

um i also listen to a lot of ambient

1519

01:02:46,789 --> 01:02:43,280

music when i'm writing episodes of the

1520

01:02:49,349 --> 01:02:46,799

podcast or um even writing my plays or

1521

01:02:50,630 --> 01:02:49,359

the book i listen to a lot of like

1522

01:02:52,470 --> 01:02:50,640

um

1523

01:02:55,349 --> 01:02:52,480

what would you call them like space

1524

01:02:57,029 --> 01:02:55,359

ambience scapes and stuff like that uh

1525

01:02:59,029 --> 01:02:57,039

so yeah i really have an eclectic taste

1526
01:03:00,789 --> 01:02:59,039
when it comes to music um the only kind

1527
01:03:03,349 --> 01:03:00,799
of music i don't listen to

1528
01:03:06,309 --> 01:03:03,359
is country music

1529
01:03:08,870 --> 01:03:06,319
and i say that proudly

1530
01:03:11,029 --> 01:03:08,880
aaron says one hit wonder tonic yeah

1531
01:03:12,230 --> 01:03:11,039
that was their big one hit they had a

1532
01:03:14,710 --> 01:03:12,240
few others

1533
01:03:16,950 --> 01:03:14,720
as well um that were played on the radio

1534
01:03:19,349 --> 01:03:16,960
but yeah they were they could definitely

1535
01:03:21,109 --> 01:03:19,359
be in the one hit wonder category for

1536
01:03:23,430 --> 01:03:21,119
sure

1537
01:03:25,510 --> 01:03:23,440
uh polaris says favorite pro wrestler

1538
01:03:28,870 --> 01:03:25,520

male and female wow that's such a good

1539

01:03:28,880 --> 01:03:31,910

let's see

1540

01:03:36,309 --> 01:03:33,910

so for mel i'm gonna have to go with

1541

01:03:37,750 --> 01:03:36,319

chris jericho um

1542

01:03:39,750 --> 01:03:37,760

obviously

1543

01:03:40,710 --> 01:03:39,760

he has a special place in my heart

1544

01:03:42,950 --> 01:03:40,720

because

1545

01:03:44,789 --> 01:03:42,960

he had me as a guest on his podcast

1546

01:03:47,990 --> 01:03:44,799

which is still insane to me if you

1547

01:03:50,069 --> 01:03:48,000

haven't heard go to talk as jericho and

1548

01:03:52,069 --> 01:03:50,079

check out the um interview he did with

1549

01:03:54,549 --> 01:03:52,079

me about ufos that was

1550

01:03:57,190 --> 01:03:54,559

a dream come true for me i still can't

1551

01:04:00,230 --> 01:03:57,200

believe it happened um and he was just

1552

01:04:03,510 --> 01:04:00,240

such a cool cool dude and um he just had

1553

01:04:06,789 --> 01:04:03,520

such an incredible run in um the wcw and

1554

01:04:09,589 --> 01:04:06,799

the wwf um worked his way up

1555

01:04:11,910 --> 01:04:09,599

the wwf would ever consider a superstar

1556

01:04:14,710 --> 01:04:11,920

or a champion and kind of worked against

1557

01:04:16,950 --> 01:04:14,720

that they didn't want him to to do that

1558

01:04:20,630 --> 01:04:16,960

and he worked his way up and became the

1559

01:04:23,829 --> 01:04:20,640

wwf champion and uh became a superstar

1560

01:04:26,630 --> 01:04:23,839

internationally and now works with aew

1561

01:04:29,589 --> 01:04:26,640

and um and is doing amazing things over

1562

01:04:30,870 --> 01:04:29,599

there as well so um yeah chris jericho

1563

01:04:32,789 --> 01:04:30,880

would definitely have to be one of them

1564

01:04:34,069 --> 01:04:32,799

and um

1565

01:04:38,789 --> 01:04:34,079

female

1566

01:04:44,549 --> 01:04:42,870

i'm gonna have to go with leda i i mean

1567

01:04:47,990 --> 01:04:44,559

probably the

1568

01:04:50,630 --> 01:04:48,000

best female wwf professional wrestler in

1569

01:04:52,470 --> 01:04:50,640

my opinion of all time i mean she gave

1570

01:04:54,870 --> 01:04:52,480

her blood sweat and tears for so many

1571

01:04:57,430 --> 01:04:54,880

years working in a male dominated

1572

01:04:59,990 --> 01:04:57,440

industry and just became

1573

01:05:02,549 --> 01:05:00,000

a superstar not a diva as they call him

1574

01:05:06,069 --> 01:05:02,559

in the wwf she wasn't a diva she was a

1575

01:05:09,029 --> 01:05:06,079

professional superstar wrestler and um

1576

01:05:13,109 --> 01:05:09,039

yeah just again just sacrificed her her

1577

01:05:15,670 --> 01:05:13,119

entire uh body and her entire life to

1578

01:05:17,750 --> 01:05:15,680

that craft of professional

1579

01:05:19,349 --> 01:05:17,760

uh what would you call it wrestling

1580

01:05:21,589 --> 01:05:19,359

entertainment sports entertainment

1581

01:05:23,109 --> 01:05:21,599

whatever you want to call it um so yeah

1582

01:05:27,750 --> 01:05:23,119

i would go with jericho and lita are

1583

01:05:31,750 --> 01:05:30,789

um let's see your dad has good taste in

1584

01:05:34,829 --> 01:05:31,760

music

1585

01:05:39,270 --> 01:05:37,750

um unidentified celebrity review louis

1586

01:05:40,549 --> 01:05:39,280

says hank williams you don't know what

1587

01:05:42,150 --> 01:05:40,559

you're missing

1588

01:05:43,829 --> 01:05:42,160

hey williams

1589

01:05:47,029 --> 01:05:43,839

all right i'll go listen to hank

1590

01:05:54,150 --> 01:05:50,789

akashi chris is here hello hello

1591

01:05:54,950 --> 01:05:54,160

welcome i was recently on akashi chris's

1592

01:05:57,990 --> 01:05:54,960

show

1593

01:06:00,069 --> 01:05:58,000

um calling all beings so please go check

1594

01:06:03,829 --> 01:06:00,079

them out if you're not subscribed to

1595

01:06:06,470 --> 01:06:03,839

their youtube channel do it right now

1596

01:06:08,549 --> 01:06:06,480

pause here go over to calling all beings

1597

01:06:10,470 --> 01:06:08,559

and subscribe to their channel oh they

1598

01:06:13,270 --> 01:06:10,480

do an incredible job they are some of

1599

01:06:15,750 --> 01:06:13,280

the nicest people i've ever met when it

1600

01:06:19,270 --> 01:06:15,760

comes to this uh very

1601
01:06:22,390 --> 01:06:19,280
weird and sometimes toxic ufo community

1602
01:06:24,069 --> 01:06:22,400
um they are all about positive vibes and

1603
01:06:26,309 --> 01:06:24,079
just trying to work together to find

1604
01:06:28,549 --> 01:06:26,319
answers so please go check them out for

1605
01:06:31,109 --> 01:06:28,559
sure and subscribe to the unidentified

1606
01:06:33,670 --> 01:06:31,119
celebrity review one of my favorite

1607
01:06:35,829 --> 01:06:33,680
shows um who doesn't want to talk ufos

1608
01:06:38,309 --> 01:06:35,839
five days a week

1609
01:06:42,150 --> 01:06:38,319
a lot of people but luis does

1610
01:06:46,390 --> 01:06:45,589
i'm a huge fan if you haven't noticed

1611
01:06:47,829 --> 01:06:46,400
um

1612
01:06:49,829 --> 01:06:47,839
dope notes says what's your favorite

1613
01:06:51,829 --> 01:06:49,839

musical soundtrack mine is jesus christ

1614

01:06:54,390 --> 01:06:51,839

superstar that is an incredible

1615

01:06:56,950 --> 01:06:54,400

soundtrack very good choice dope knows

1616

01:07:00,789 --> 01:06:56,960

um wow

1617

01:07:06,549 --> 01:07:02,789

i would have to

1618

01:07:11,430 --> 01:07:09,829

ah man that is so tough oh

1619

01:07:13,109 --> 01:07:11,440

american idiot

1620

01:07:15,430 --> 01:07:13,119

uh based on the

1621

01:07:17,589 --> 01:07:15,440

album of the same name by green day uh

1622

01:07:20,150 --> 01:07:17,599

for those who don't know american idiot

1623

01:07:22,870 --> 01:07:20,160

uh was made into a Broadway musical and

1624

01:07:25,029 --> 01:07:22,880

it actually was pretty damn good and the

1625

01:07:26,470 --> 01:07:25,039

orchestrations done by i believe it was

1626
01:07:28,390 --> 01:07:26,480
tom kitt

1627
01:07:31,589 --> 01:07:28,400
did the orchestrations for the broadway

1628
01:07:34,710 --> 01:07:31,599
version of american idiot um just

1629
01:07:35,589 --> 01:07:34,720
elevated this concept album

1630
01:07:37,910 --> 01:07:35,599
to

1631
01:07:39,910 --> 01:07:37,920
incredible levels it's a beautiful

1632
01:07:42,390 --> 01:07:39,920
beautiful soundtrack and i actually

1633
01:07:44,470 --> 01:07:42,400
prefer it too the green day's american

1634
01:07:46,390 --> 01:07:44,480
idiot album um so yeah that would

1635
01:07:48,470 --> 01:07:46,400
probably be my favorite soundtrack would

1636
01:07:50,950 --> 01:07:48,480
be the broadway version of american

1637
01:07:55,029 --> 01:07:53,430
let's see

1638
01:07:58,069 --> 01:07:55,039

deborah asks have you listened to john

1639

01:08:00,069 --> 01:07:58,079

greenwald jr cia interview thoughts i

1640

01:08:02,390 --> 01:08:00,079

have not i've not listened to that i'll

1641

01:08:04,470 --> 01:08:02,400

have to check that out

1642

01:08:07,829 --> 01:08:04,480

uh we love ryan spark thank you akashi

1643

01:08:13,109 --> 01:08:10,309

andy case has already subbed also exo

1644

01:08:15,910 --> 01:08:13,119

academian and liminal phrases

1645

01:08:18,229 --> 01:08:15,920

check those guys out as well

1646

01:08:21,110 --> 01:08:18,239

come on says have you seen uh have you

1647

01:08:24,470 --> 01:08:21,120

seen book of mormon freaking hilarious i

1648

01:08:26,709 --> 01:08:24,480

have um so again you know the one of the

1649

01:08:28,789 --> 01:08:26,719

perks of my job on broadway is i get to

1650

01:08:30,789 --> 01:08:28,799

work at a lot of different shows and

1651

01:08:32,870 --> 01:08:30,799

when i'm not working at them i sometimes

1652

01:08:34,950 --> 01:08:32,880

get like tickets to go see other shows

1653

01:08:36,709 --> 01:08:34,960

and book of mormon was one of those and

1654

01:08:39,590 --> 01:08:36,719

you know it'd been on broadway for years

1655

01:08:41,829 --> 01:08:39,600

and i just never saw it it's like when

1656

01:08:44,870 --> 01:08:41,839

you live in new york yeah as a new

1657

01:08:46,390 --> 01:08:44,880

yorker like you don't go to the statue

1658

01:08:47,990 --> 01:08:46,400

of liberty because it's always gonna be

1659

01:08:50,070 --> 01:08:48,000

there you'll get to it you'll get to it

1660

01:08:51,990 --> 01:08:50,080

and book of mormon was one of those um

1661

01:08:53,990 --> 01:08:52,000

it played for so many years and i never

1662

01:08:56,870 --> 01:08:54,000

saw it so i finally was like i'm gonna

1663

01:08:59,990 --> 01:08:56,880

go see it and i am so happy i did it was

1664

01:09:02,630 --> 01:09:00,000

hilarious it was such a good show the

1665

01:09:04,870 --> 01:09:02,640

music's incredible and um yeah they

1666

01:09:07,349 --> 01:09:04,880

really knocked it out of the park um

1667

01:09:10,229 --> 01:09:07,359

who was a trey parker and matt stone of

1668

01:09:12,070 --> 01:09:10,239

the south park fame and actually i

1669

01:09:13,749 --> 01:09:12,080

recently saw um

1670

01:09:16,630 --> 01:09:13,759

you know stephen sondheim recently

1671

01:09:18,630 --> 01:09:16,640

passed away and there was a photo that

1672

01:09:22,550 --> 01:09:18,640

was going around of a letter he sent to

1673

01:09:25,349 --> 01:09:22,560

matt um matt and trey and said that um

1674

01:09:27,829 --> 01:09:25,359

you guys are amazing this is after that

1675

01:09:29,590 --> 01:09:27,839

movie came out of um team america one of

1676

01:09:31,510 --> 01:09:29,600

their first kind of endeavors in making

1677

01:09:33,990 --> 01:09:31,520

a musical um

1678

01:09:35,749 --> 01:09:34,000

and i got a lot of flack and a lot of

1679

01:09:37,590 --> 01:09:35,759

people didn't like it but um stephen

1680

01:09:39,749 --> 01:09:37,600

sondheim literally wrote them a letter

1681

01:09:42,070 --> 01:09:39,759

and said you guys have a future in

1682

01:09:44,870 --> 01:09:42,080

musical theater and you need to pursue

1683

01:09:47,510 --> 01:09:44,880

that and they did and sondheim came to

1684

01:09:50,390 --> 01:09:47,520

see book of mormon and loved it so there

1685

01:09:51,510 --> 01:09:50,400

you go folks full circle impressing one

1686

01:09:53,430 --> 01:09:51,520

of the um

1687

01:09:55,910 --> 01:09:53,440

the most incredible influential people

1688

01:09:57,590 --> 01:09:55,920

on broadway stephen sondheim with your

1689

01:10:02,790 --> 01:09:57,600

musical about uh

1690

01:10:07,830 --> 01:10:05,189

you are the north star ryan sprague that

1691

01:10:09,270 --> 01:10:07,840

is very kind of you louise

1692

01:10:11,510 --> 01:10:09,280

uh stewart says ryan you should write

1693

01:10:13,430 --> 01:10:11,520

the broadway version of enema of the

1694

01:10:16,630 --> 01:10:13,440

state

1695

01:10:18,390 --> 01:10:16,640

the blink money dtc album that would be

1696

01:10:20,630 --> 01:10:18,400

i don't know if i would even want to see

1697

01:10:22,790 --> 01:10:20,640

that that one um

1698

01:10:25,350 --> 01:10:22,800

but that would be an interesting

1699

01:10:27,390 --> 01:10:25,360

it would be interesting to do a musical

1700

01:10:31,030 --> 01:10:27,400

about everything that's happened since

1701

01:10:33,030 --> 01:10:31,040

2017 like a musical about tom delong

1702

01:10:35,110 --> 01:10:33,040

leaving blink 182

1703

01:10:37,350 --> 01:10:35,120

starting angels and airwaves getting

1704

01:10:39,510 --> 01:10:37,360

really interested in ufos and then

1705

01:10:42,390 --> 01:10:39,520

everything plays out from there elizondo

1706

01:10:44,950 --> 01:10:42,400

chris mellon to the stars academy

1707

01:10:49,430 --> 01:10:44,960

and everything up until today gillibrand

1708

01:10:51,430 --> 01:10:49,440

amendment and pentagon ufos skinwalker

1709

01:10:53,270 --> 01:10:51,440

why am i doing this i need to start

1710

01:10:55,910 --> 01:10:53,280

writing guys let's start wrapping this

1711

01:10:57,830 --> 01:10:55,920

up i've got to go write this musical um

1712

01:10:59,669 --> 01:10:57,840

so if you have any last burning

1713

01:11:01,830 --> 01:10:59,679

questions i'd be happy to

1714

01:11:03,910 --> 01:11:01,840

answer them um throw them in a super

1715

01:11:06,390 --> 01:11:03,920

chat if you'd like to help out the show

1716

01:11:08,630 --> 01:11:06,400

or just throw them in now in capital

1717

01:11:10,630 --> 01:11:08,640

letters and i'll scroll through and try

1718

01:11:12,550 --> 01:11:10,640

to find them um

1719

01:11:15,669 --> 01:11:12,560

but i think that's about it there was a

1720

01:11:18,790 --> 01:11:15,679

few things i wanted to bring up um

1721

01:11:20,390 --> 01:11:18,800

dan zetterstrom and vinnie adams uh if

1722

01:11:23,270 --> 01:11:20,400

you guys don't know who these guys are

1723

01:11:25,750 --> 01:11:23,280

they work with uap media uk um they're

1724

01:11:28,229 --> 01:11:25,760

actually in columbia right now working

1725

01:11:30,630 --> 01:11:28,239

on a documentary called phenomenology

1726

01:11:33,270 --> 01:11:30,640

which covers a lot of the ufo incidents

1727

01:11:34,950 --> 01:11:33,280

that have occurred in colombia and it's

1728

01:11:37,510 --> 01:11:34,960

so cool that they're over there doing

1729

01:11:39,350 --> 01:11:37,520

this and being a part of this and um

1730

01:11:42,310 --> 01:11:39,360

they just posted their most recent

1731

01:11:43,990 --> 01:11:42,320

update about what they got going on um

1732

01:11:45,430 --> 01:11:44,000

let me see if i think i actually have

1733

01:11:47,669 --> 01:11:45,440

it here yeah i'm gonna pull this up and

1734

01:11:50,790 --> 01:11:47,679

play this for you guys quick um this is

1735

01:11:52,470 --> 01:11:50,800

day five of their expedition in colombia

1736

01:11:56,870 --> 01:11:52,480

so let's catch up with the dudes over at

1737

01:11:58,470 --> 01:11:56,880

uh uap colombia and uap media uk

1738

01:12:00,310 --> 01:11:58,480

hey guys how's it going this is day

1739

01:12:01,590 --> 01:12:00,320

number five update from columbia i'm

1740

01:12:03,430 --> 01:12:01,600

here with dan

1741

01:12:05,590 --> 01:12:03,440

so this morning we sat down and did some

1742

01:12:07,430 --> 01:12:05,600

one-on-one interviews just talking about

1743

01:12:09,430 --> 01:12:07,440

our expectations and how things have

1744

01:12:10,390 --> 01:12:09,440

been going this early start of the of

1745

01:12:11,830 --> 01:12:10,400

the trip

1746

01:12:14,390 --> 01:12:11,840

and then we've just got off a zoom call

1747

01:12:15,830 --> 01:12:14,400

with louie elizondo and sean cahill to

1748

01:12:19,350 --> 01:12:15,840

sort of discuss the trip what did you

1749

01:12:21,750 --> 01:12:19,360

think it was amazing lou and sean are so

1750

01:12:23,189 --> 01:12:21,760

gracious with their time for it to us um

1751

01:12:24,950 --> 01:12:23,199

it was nice to be able to introduce them

1752

01:12:27,590 --> 01:12:24,960

to some of the people here uh because we

1753

01:12:30,229 --> 01:12:27,600

have some incredible minds here um and

1754

01:12:32,470 --> 01:12:30,239

and also get some feedback on the cases

1755

01:12:34,630 --> 01:12:32,480

that we're investigating here that did

1756

01:12:36,390 --> 01:12:34,640

have a company in hd video so we were

1757

01:12:37,910 --> 01:12:36,400

able to show that and kind of talk

1758

01:12:39,750 --> 01:12:37,920

theories and next steps in terms of

1759

01:12:41,189 --> 01:12:39,760

investigating this you'll see the

1760

01:12:42,950 --> 01:12:41,199

results of this investigation in the

1761

01:12:45,430 --> 01:12:42,960

documentary so i'm not going to kind of

1762

01:12:47,990 --> 01:12:45,440

ruin it for you now but it's a stellar

1763

01:12:50,630 --> 01:12:48,000

and very intriguing video and they gave

1764

01:12:52,550 --> 01:12:50,640

us a lot to go on um and yeah we're just

1765

01:12:54,709 --> 01:12:52,560

gonna apply everything that they they

1766

01:12:56,149 --> 01:12:54,719

told us to apply yeah what we've got

1767

01:12:59,910 --> 01:12:56,159

going on tonight

1768

01:13:02,790 --> 01:12:59,920

tonight is a social event but with a lot

1769

01:13:04,390 --> 01:13:02,800

of witnesses of the lights so basically

1770

01:13:06,470 --> 01:13:04,400

imagine a party where we're just gonna

1771

01:13:08,229 --> 01:13:06,480

hang out with people and talk ufos which

1772

01:13:09,669 --> 01:13:08,239

sounds like the best part

1773

01:13:11,430 --> 01:13:09,679

quite frankly

1774

01:13:13,030 --> 01:13:11,440

so there you go guys that's today day

1775

01:13:14,149 --> 01:13:13,040

number five and we'll speak to you

1776

01:13:18,870 --> 01:13:14,159

tomorrow

1777

01:13:23,510 --> 01:13:20,950

yeah so that's pretty cool so i'm

1778

01:13:25,510 --> 01:13:23,520

sending my best as always to dan and

1779

01:13:26,870 --> 01:13:25,520

vinnie um good luck over there guys we

1780

01:13:27,510 --> 01:13:26,880

can't wait to see what you come up with

1781

01:13:29,669 --> 01:13:27,520

you

1782

01:13:32,790 --> 01:13:29,679

uh the group over at uap

1783

01:13:34,630 --> 01:13:32,800

columbia um really really cool work and

1784

01:13:37,030 --> 01:13:34,640

they're actually seeing stuff and

1785

01:13:38,950 --> 01:13:37,040

recording phenomenal so you can't ask

1786

01:13:40,390 --> 01:13:38,960

for more than that trust me i've done

1787

01:13:42,709 --> 01:13:40,400

like ufo

1788

01:13:44,310 --> 01:13:42,719

tv and docs and you just wait for stuff

1789

01:13:46,950 --> 01:13:44,320

to happen and it never happens and

1790

01:13:49,189 --> 01:13:46,960

that's bad for tv so good i'm glad they

1791

01:13:50,630 --> 01:13:49,199

have some content and hopefully they'll

1792

01:13:54,310 --> 01:13:50,640

find some answers to what's going on

1793

01:13:56,950 --> 01:13:54,320

there in columbia really really cool um

1794

01:13:59,350 --> 01:13:56,960

i have another listener question here

1795

01:14:01,990 --> 01:13:59,360

from kelly on twitter she asks what are

1796

01:14:04,070 --> 01:14:02,000

your thoughts on the growing hate cancel

1797

01:14:06,550 --> 01:14:04,080

culture that's happening more and more

1798

01:14:08,550 --> 01:14:06,560

on ufo twitter um

1799

01:14:10,149 --> 01:14:08,560

that speaks to you know

1800

01:14:13,110 --> 01:14:10,159

just this larger

1801
01:14:16,950 --> 01:14:13,120
problem we have and that's social media

1802
01:14:20,630 --> 01:14:16,960
and and quote-unquote cancelling um i

1803
01:14:24,790 --> 01:14:20,640
don't have strong thoughts either way on

1804
01:14:28,630 --> 01:14:24,800
what cancel culture is or or what not um

1805
01:14:31,510 --> 01:14:28,640
but i can say that um

1806
01:14:33,350 --> 01:14:31,520
when you are dealing with people who are

1807
01:14:35,110 --> 01:14:33,360
very passionate about certain things

1808
01:14:37,430 --> 01:14:35,120
there's going to be people on the

1809
01:14:40,390 --> 01:14:37,440
extreme other side of the spectrum who

1810
01:14:42,630 --> 01:14:40,400
feel a different way and um

1811
01:14:44,550 --> 01:14:42,640
i'm sure there are things

1812
01:14:47,830 --> 01:14:44,560
that everyone in their lives have said

1813
01:14:49,990 --> 01:14:47,840

that they regret and um there have been

1814

01:14:51,590 --> 01:14:50,000
consequences to those things

1815

01:14:54,149 --> 01:14:51,600
they have said so when it comes to

1816

01:14:57,030 --> 01:14:54,159
critical canceling people um

1817

01:14:58,470 --> 01:14:57,040
that is a consequence of you

1818

01:15:01,189 --> 01:14:58,480
saying something

1819

01:15:04,149 --> 01:15:01,199
in such a large

1820

01:15:07,430 --> 01:15:04,159
way whether it's on ufo twitter or if

1821

01:15:09,189 --> 01:15:07,440
you're a celebrity in hollywood or in

1822

01:15:12,310 --> 01:15:09,199
somewhere in between like there are

1823

01:15:15,830 --> 01:15:12,320
consequences to things we say so

1824

01:15:18,790 --> 01:15:15,840
if you think it's worth it um

1825

01:15:20,630 --> 01:15:18,800
that's up to you to say it um i

1826

01:15:23,830 --> 01:15:20,640

was part of a

1827

01:15:26,709 --> 01:15:23,840

a very small i guess controversy this

1828

01:15:28,470 --> 01:15:26,719

past week um where i had watched an

1829

01:15:30,390 --> 01:15:28,480

episode of the unidentified celebrity

1830

01:15:33,350 --> 01:15:30,400

review and they were talking about alien

1831

01:15:36,470 --> 01:15:33,360

abductions and there was a theory

1832

01:15:40,229 --> 01:15:36,480

of a theory of a theory posed that what

1833

01:15:42,950 --> 01:15:40,239

if some alien abductions could be um

1834

01:15:46,550 --> 01:15:42,960

repressed memories of

1835

01:15:48,950 --> 01:15:46,560

birth of literally like of being born

1836

01:15:51,270 --> 01:15:48,960

and you know you're stepping into this

1837

01:15:53,430 --> 01:15:51,280

world you've never seen before there's

1838

01:15:55,990 --> 01:15:53,440

weird people with masks and you can't

1839

01:15:58,870 --> 01:15:56,000

see their faces and the room smells

1840

01:16:01,750 --> 01:15:58,880

sterile and it looks weird and you can't

1841

01:16:03,350 --> 01:16:01,760

really make anything out and and there's

1842

01:16:06,070 --> 01:16:03,360

this theory that maybe some of these

1843

01:16:09,189 --> 01:16:06,080

abductions could be nightmares or dreams

1844

01:16:11,189 --> 01:16:09,199

of your own birth and that sounds insane

1845

01:16:13,350 --> 01:16:11,199

and it might not even be possible i

1846

01:16:15,110 --> 01:16:13,360

don't know who knows um but it was

1847

01:16:17,590 --> 01:16:15,120

something i post on my twitter and i

1848

01:16:19,669 --> 01:16:17,600

thought huh that's i've never heard of

1849

01:16:22,229 --> 01:16:19,679

that maybe that could explain

1850

01:16:25,270 --> 01:16:22,239

some but clearly not all abduction

1851

01:16:28,950 --> 01:16:25,280

experiences and um

1852

01:16:30,229 --> 01:16:28,960

i oh man uh the responses i got to that

1853

01:16:32,790 --> 01:16:30,239

um

1854

01:16:35,430 --> 01:16:32,800

were varied uh but a lot of people were

1855

01:16:38,390 --> 01:16:35,440

pretty pissed off that i said that um

1856

01:16:41,030 --> 01:16:38,400

that abductions are people's repressed

1857

01:16:42,470 --> 01:16:41,040

memories or dreams of their own birth uh

1858

01:16:44,550 --> 01:16:42,480

a lot of people said that's absolutely

1859

01:16:46,950 --> 01:16:44,560

ridiculous and that's insulting that you

1860

01:16:49,110 --> 01:16:46,960

would say that um as an experimenter i

1861

01:16:52,229 --> 01:16:49,120

find it offensive that you would say

1862

01:16:53,270 --> 01:16:52,239

that what happened to me was that and um

1863

01:17:17,590 --> 01:16:53,280

i

1864

01:17:20,709 --> 01:17:17,600

uh argument

1865

01:17:22,310 --> 01:17:20,719

and whatnot to um talk to these people

1866

01:17:24,630 --> 01:17:22,320

and try to hear their side of it and

1867

01:17:27,350 --> 01:17:24,640

understand and um

1868

01:17:30,149 --> 01:17:27,360

that was my mini controversy and people

1869

01:17:32,709 --> 01:17:30,159

even in the the things were like cancel

1870

01:17:36,070 --> 01:17:32,719

ryan like he's no longer a person for

1871

01:17:38,630 --> 01:17:36,080

experiencers blah blah blah and um i

1872

01:17:42,070 --> 01:17:38,640

that that that was hurtful because i i

1873

01:17:45,350 --> 01:17:42,080

did not intend to uh make light of

1874

01:17:47,430 --> 01:17:45,360

experiencers or claimed abductees i was

1875

01:17:51,030 --> 01:17:47,440

merely posing a theory i had heard on

1876

01:17:54,229 --> 01:17:51,040

another show and um thought me what if

1877

01:17:56,630 --> 01:17:54,239

what if um it's probably not that that's

1878

01:17:59,990 --> 01:17:56,640

probably not an explanation for any of

1879

01:18:02,310 --> 01:18:00,000

these experiences but it could be and um

1880

01:18:03,830 --> 01:18:02,320

who's to really say so um i found myself

1881

01:18:07,270 --> 01:18:03,840

in a little bit of hot water when it

1882

01:18:09,510 --> 01:18:07,280

came to that um but yeah uh cancel

1883

01:18:12,790 --> 01:18:09,520

culture in general um

1884

01:18:15,189 --> 01:18:12,800

i have no real thoughts uh to be

1885

01:18:17,270 --> 01:18:15,199

completely honest um

1886

01:18:19,750 --> 01:18:17,280

maybe i will when it happens to me but

1887

01:18:21,430 --> 01:18:19,760

until then um i'm just gonna try to be

1888

01:18:22,550 --> 01:18:21,440

respectful of everyone's thoughts and

1889

01:18:23,830 --> 01:18:22,560

opinions

1890

01:18:25,030 --> 01:18:23,840

and um

1891

01:18:28,709 --> 01:18:25,040

if it's

1892

01:18:29,910 --> 01:18:28,719

extremely dangerous or hurtful or um

1893

01:18:33,910 --> 01:18:29,920

you know

1894

01:18:36,390 --> 01:18:33,920

falls in the lines of of bigotry or hate

1895

01:18:38,390 --> 01:18:36,400

um that's when i will call it out but

1896

01:18:41,189 --> 01:18:38,400

until then i think it's very important

1897

01:18:43,430 --> 01:18:41,199

to have conversations and and to hear

1898

01:18:44,950 --> 01:18:43,440

people out and to find understanding and

1899

01:18:47,830 --> 01:18:44,960

common ground and that's what i did with

1900

01:18:51,590 --> 01:18:47,840

these experiencers who were offended by

1901

01:18:54,229 --> 01:18:51,600

what i post um so hopefully they'll all

1902

01:18:57,270 --> 01:18:54,239

still um have conversations with me

1903

01:18:59,189 --> 01:18:57,280

further those conversations and um and

1904

01:19:01,669 --> 01:18:59,199

will find common ground that's all i can

1905

01:19:03,430 --> 01:19:01,679

say on that so yeah um

1906

01:19:05,750 --> 01:19:03,440

that's all i can say in terms of twitter

1907

01:19:08,470 --> 01:19:05,760

in general like there are so many sub

1908

01:19:09,830 --> 01:19:08,480

communities and sub uh cultures that

1909

01:19:11,830 --> 01:19:09,840

find themselves

1910

01:19:14,310 --> 01:19:11,840

on twitter doing those and we have that

1911

01:19:16,310 --> 01:19:14,320

with our ufo twitter um and there will

1912

01:19:17,430 --> 01:19:16,320

be arguments and there will be debates

1913

01:19:19,910 --> 01:19:17,440

in

1914

01:19:21,669 --> 01:19:19,920

maybe twitter is not the place for that

1915

01:19:23,669 --> 01:19:21,679

you only have such limited characters to

1916

01:19:25,830 --> 01:19:23,679

do it um

1917

01:19:27,350 --> 01:19:25,840

you know limited words can really be

1918

01:19:30,390 --> 01:19:27,360

interpreted in

1919

01:19:32,470 --> 01:19:30,400

different ways so why not do

1920

01:19:35,510 --> 01:19:32,480

what we should be doing and talking

1921

01:19:37,910 --> 01:19:35,520

either face to face or maybe here on

1922

01:19:39,990 --> 01:19:37,920

some sort of like stream yard thing or

1923

01:19:41,270 --> 01:19:40,000

or on youtube um i don't know but yeah

1924

01:19:42,310 --> 01:19:41,280

that's kind of my thoughts on the whole

1925

01:19:45,510 --> 01:19:42,320

cancel

1926

01:19:48,870 --> 01:19:45,520

culture thing um in general so i hope

1927

01:19:57,110 --> 01:19:49,910

um

1928

01:20:01,270 --> 01:19:59,350

cool

1929

01:20:03,750 --> 01:20:01,280

i think that's it guys that is all that

1930

01:20:06,390 --> 01:20:03,760

is all i have for you um oh be on the

1931

01:20:08,790 --> 01:20:06,400

lookout i should share this

1932

01:20:11,750 --> 01:20:08,800

um fun little

1933

01:20:15,990 --> 01:20:13,830

before we wrap things up

1934

01:20:16,870 --> 01:20:16,000

ah who's that guy

1935

01:20:19,750 --> 01:20:16,880

um

1936

01:20:21,830 --> 01:20:19,760

so this was actually a photo taken of me

1937

01:20:23,910 --> 01:20:21,840

yesterday i was part of a photo shoot

1938

01:20:24,790 --> 01:20:23,920

here in new york um

1939

01:20:27,910 --> 01:20:24,800

this

1940

01:20:29,990 --> 01:20:27,920

really talented photographer ash uh

1941

01:20:32,629 --> 01:20:30,000

reached out to me and she is gonna be

1942

01:20:34,790 --> 01:20:32,639

doing a very special series of

1943

01:20:38,149 --> 01:20:34,800

photography series on people who have

1944

01:20:39,669 --> 01:20:38,159

seen or experienced ufos and i had the

1945

01:20:41,590 --> 01:20:39,679

amazing opportunity to meet with her in

1946

01:20:43,270 --> 01:20:41,600

manhattan yesterday and she took a bunch

1947

01:20:46,390 --> 01:20:43,280

of photos of me this is one from the

1948

01:20:48,790 --> 01:20:46,400

outtakes so i hope this one doesn't make

1949

01:20:51,430 --> 01:20:48,800

it into the final whatever project um

1950

01:20:53,990 --> 01:20:51,440

not a very flattering angle of me but i

1951

01:20:56,070 --> 01:20:54,000

love the lighting i think it's so cool

1952

01:20:58,070 --> 01:20:56,080

and um she does incredible work so i

1953

01:21:00,790 --> 01:20:58,080

can't wait to see what she comes up with

1954

01:21:03,430 --> 01:21:00,800

um but this is kind of my call out to

1955

01:21:06,149 --> 01:21:03,440

any of you who live in the new york area

1956

01:21:09,350 --> 01:21:06,159

um who may have seen a ufo or

1957

01:21:11,590 --> 01:21:09,360

experienced some sort of uh paranormal

1958

01:21:13,990 --> 01:21:11,600

thing um ash would love to talk to you

1959

01:21:16,310 --> 01:21:14,000

and possibly photograph you if that's

1960

01:21:19,030 --> 01:21:16,320

something you are comfortable doing um

1961

01:21:20,390 --> 01:21:19,040

so please reach out to me um again you

1962

01:21:23,750 --> 01:21:20,400

can use the contact

1963

01:21:26,229 --> 01:21:23,760

tab on the website summonsguys.com um

1964

01:21:27,830 --> 01:21:26,239

and uh let me know if you're interested

1965

01:21:30,390 --> 01:21:27,840

she would love to talk to you and

1966

01:21:33,110 --> 01:21:30,400

possibly photograph you for her upcoming

1967

01:21:35,750 --> 01:21:33,120

uh portrait series that she's doing um

1968

01:21:38,149 --> 01:21:35,760

gary voorhees is here what's up brother

1969

01:21:40,550 --> 01:21:38,159

so happy to have you

1970

01:21:42,070 --> 01:21:40,560

uh jaylen heineken says thanks for the

1971

01:21:44,550 --> 01:21:42,080

ama have a nice rest of the week and

1972

01:21:46,870 --> 01:21:44,560

y'all you too my man thank you thank you

1973

01:21:50,470 --> 01:21:46,880

for joining me

1974

01:21:53,189 --> 01:21:50,480

um let me get my mug off of there

1975

01:21:55,030 --> 01:21:53,199

how do i do that

1976

01:21:56,950 --> 01:21:55,040

there we go um

1977

01:22:00,470 --> 01:21:56,960

and the last thing i want to share with

1978

01:22:02,550 --> 01:22:00,480

you guys is a brief brief clip uh from

1979

01:22:04,870 --> 01:22:02,560

my recent interview um our recent

1980

01:22:07,189 --> 01:22:04,880

interview i should say uh with luis

1981

01:22:09,110 --> 01:22:07,199

elizondo and christopher melling uh for

1982

01:22:11,030 --> 01:22:09,120

those of you who don't know they k uh

1983

01:22:12,790 --> 01:22:11,040

christopher mellon came out with a

1984

01:22:14,870 --> 01:22:12,800

really explosive article over at the

1985

01:22:17,189 --> 01:22:14,880

debrief recently kind of calling out the

1986

01:22:19,990 --> 01:22:17,199

air force for um their blatant absence

1987

01:22:22,709 --> 01:22:20,000

from the entire ufo issue and not

1988

01:22:24,870 --> 01:22:22,719

reporting anything to the uap task force

1989

01:22:27,669 --> 01:22:24,880

recently and just how they have been

1990

01:22:29,189 --> 01:22:27,679

completely silent on the entire uap

1991

01:22:31,430 --> 01:22:29,199

issue and um

1992

01:22:35,030 --> 01:22:31,440

chris laid out a ton of cases that did

1993

01:22:36,550 --> 01:22:35,040

involve the air force and um and why

1994

01:22:38,629 --> 01:22:36,560

what questions should we ask of the air

1995

01:22:41,189 --> 01:22:38,639

force when it comes to the uap issue

1996

01:22:43,189 --> 01:22:41,199

moving forward with um this new group

1997

01:22:45,510 --> 01:22:43,199

that's opening up within the pentagon to

1998

01:22:47,910 --> 01:22:45,520

investigate ufos will they be a part of

1999

01:22:50,390 --> 01:22:47,920

the conversation will they report things

2000

01:22:53,830 --> 01:22:50,400

to this uh new group

2001
01:22:55,830 --> 01:22:53,840
hopefully um so yeah i had the amazing

2002
01:22:59,270 --> 01:22:55,840
opportunity to have christopher mellon

2003
01:23:01,270 --> 01:22:59,280
and luis ellison zondo uh join chris uh

2004
01:23:03,669 --> 01:23:01,280
chrissy newton and i on somewhere in the

2005
01:23:07,590 --> 01:23:03,679
skies to talk all about it so what i'm

2006
01:23:10,470 --> 01:23:07,600
gonna do now is play just a brief clip

2007
01:23:12,390 --> 01:23:10,480
from um our conversation

2008
01:23:13,990 --> 01:23:12,400
and uh see what you guys think on the

2009
01:23:21,030 --> 01:23:14,000
other side

2010
01:23:23,830 --> 01:23:22,390
i'll share with you very quickly

2011
01:23:25,830 --> 01:23:23,840
something that's frustrating for chris

2012
01:23:27,910 --> 01:23:25,840
and i um there was there was an

2013
01:23:29,030 --> 01:23:27,920

individual an officer i won't say who or

2014

01:23:31,110 --> 01:23:29,040

the rank

2015

01:23:34,390 --> 01:23:31,120

that was reporting information to the to

2016

01:23:36,709 --> 01:23:34,400

the task force and then was uh what was

2017

01:23:38,229 --> 01:23:36,719

very quickly shut down by his uh chain

2018

01:23:40,390 --> 01:23:38,239

of command saying you will not report

2019

01:23:41,830 --> 01:23:40,400

this information and he was admonished

2020

01:23:43,590 --> 01:23:41,840

and you will not report this information

2021

01:23:44,950 --> 01:23:43,600

to the chain of command

2022

01:23:46,310 --> 01:23:44,960

through the through the task force chain

2023

01:23:48,229 --> 01:23:46,320

of command you're going to keep this

2024

01:23:49,750 --> 01:23:48,239

within air force channels and that's

2025

01:23:51,910 --> 01:23:49,760

problematic because it really flies in

2026

01:23:53,750 --> 01:23:51,920

the face of the intent of congress in my

2027

01:23:55,510 --> 01:23:53,760

opinion chris can probably elaborate a

2028

01:23:57,669 --> 01:23:55,520

little bit more on that but that's not

2029

01:23:59,750 --> 01:23:57,679

what congress wants congress wants a a

2030

01:24:02,149 --> 01:23:59,760

single reporting belly button so to

2031

01:24:04,390 --> 01:24:02,159

speak that all the information from all

2032

01:24:07,510 --> 01:24:04,400

the services can can get looked at and

2033

01:24:10,070 --> 01:24:07,520

triaged and and analyzed

2034

01:24:12,229 --> 01:24:10,080

when the services don't work together

2035

01:24:14,709 --> 01:24:12,239

things things fail this is why we had a

2036

01:24:16,790 --> 01:24:14,719

911 commission report because certain

2037

01:24:18,390 --> 01:24:16,800

elements in the intelligence community

2038

01:24:19,669 --> 01:24:18,400

simply were not sharing information that

2039

01:24:22,149 --> 01:24:19,679

they should have

2040

01:24:24,709 --> 01:24:22,159

one of probably my favorite quotes that

2041

01:24:26,870 --> 01:24:24,719

chris has is talking about

2042

01:24:28,830 --> 01:24:26,880

comparing the us and russia we won the

2043

01:24:31,669 --> 01:24:28,840

cold war not because we kept better

2044

01:24:34,550 --> 01:24:31,679

secrets but because we learned how to

2045

01:24:37,270 --> 01:24:34,560

move information more efficient

2046

01:24:39,110 --> 01:24:37,280

and think about that for a moment

2047

01:24:40,790 --> 01:24:39,120

this is probably a perfect case and

2048

01:24:42,470 --> 01:24:40,800

point on this topic

2049

01:24:44,550 --> 01:24:42,480

if we can figure out a way to move

2050

01:24:47,030 --> 01:24:44,560

information more efficiently

2051

01:24:49,110 --> 01:24:47,040

uh and and not keep this you know within

2052

01:24:50,390 --> 01:24:49,120

the super uber highly classified

2053

01:24:51,990 --> 01:24:50,400

channels that

2054

01:24:53,350 --> 01:24:52,000

it once was

2055

01:24:56,830 --> 01:24:53,360

we probably stand a better chance of

2056

01:25:02,950 --> 01:25:01,189

quicker yeah so um please go check out

2057

01:25:05,750 --> 01:25:02,960

the most recent episode of someone in

2058

01:25:07,350 --> 01:25:05,760

the skies uh co-hosted by chrissy newton

2059

01:25:10,070 --> 01:25:07,360

and featuring christopher mellon and

2060

01:25:13,590 --> 01:25:10,080

luis elizondo we had an amazing

2061

01:25:15,510 --> 01:25:13,600

conversation and um luis uh jimenez from

2062

01:25:17,590 --> 01:25:15,520

the unidentified celebrity review was

2063

01:25:19,910 --> 01:25:17,600

running everything backstage for me

2064

01:25:22,070 --> 01:25:19,920

doing the chat doing the super stickers

2065

01:25:24,390 --> 01:25:22,080

running our cameras and he just did an

2066

01:25:26,310 --> 01:25:24,400

amazing job so i have to thank him a

2067

01:25:28,390 --> 01:25:26,320

million times over for taking the time

2068

01:25:30,790 --> 01:25:28,400

to do that and he did join me and

2069

01:25:33,189 --> 01:25:30,800

chrissy afterwards to sort of debrief on

2070

01:25:35,510 --> 01:25:33,199

what melon and elizondo talked about in

2071

01:25:37,669 --> 01:25:35,520

the interview so yeah um if you haven't

2072

01:25:39,750 --> 01:25:37,679

already it's like one or two videos back

2073

01:25:43,030 --> 01:25:39,760

here on the channel please check that

2074

01:25:45,510 --> 01:25:43,040

out it is our most viewed episode ever

2075

01:25:48,149 --> 01:25:45,520

and climbing so thank you thank you to

2076

01:25:50,629 --> 01:25:48,159

everyone who tuned in who supported it

2077

01:25:52,790 --> 01:25:50,639

and i hope you enjoyed it um

2078

01:25:55,750 --> 01:25:52,800

and it was a frustrating conversation it

2079

01:25:57,669 --> 01:25:55,760

really was and our anger with the air

2080

01:26:00,629 --> 01:25:57,679

force and how they kind of just

2081

01:26:02,070 --> 01:26:00,639

uh stonewalled this topic and um are

2082

01:26:04,790 --> 01:26:02,080

part of the problem when it comes to

2083

01:26:07,270 --> 01:26:04,800

transparency and uh you know maybe some

2084

01:26:09,510 --> 01:26:07,280

of it is for good reason uh but you

2085

01:26:11,990 --> 01:26:09,520

can't tell me all of it is you just can

2086

01:26:14,310 --> 01:26:12,000

and when you are not transparent that's

2087

01:26:16,550 --> 01:26:14,320

when conspiracy theory starts to come in

2088

01:26:18,709 --> 01:26:16,560

and when we when people start making

2089

01:26:20,070 --> 01:26:18,719

their own truths and realities and that

2090

01:26:22,550 --> 01:26:20,080

can be dangerous

2091

01:26:24,470 --> 01:26:22,560

as well so i hope in the future the air

2092

01:26:27,030 --> 01:26:24,480

force will become a bigger part of this

2093

01:26:29,669 --> 01:26:27,040

conversation like the navy has and

2094

01:26:31,350 --> 01:26:29,679

speaking of navy um gary voorhees is

2095

01:26:35,430 --> 01:26:31,360

here in the chat again he was one of the

2096

01:26:37,910 --> 01:26:35,440

witnesses to the 2004 tic tac ufo event

2097

01:26:40,390 --> 01:26:37,920

and he actually says here my captain

2098

01:26:43,270 --> 01:26:40,400

during the 2004 event still to this day

2099

01:26:44,229 --> 01:26:43,280

claims nothing happened

2100

01:26:50,310 --> 01:26:44,239

why

2101

01:26:52,629 --> 01:26:50,320

clear something happened um

2102

01:26:54,870 --> 01:26:52,639

so many of you have come forward we have

2103

01:26:57,430 --> 01:26:54,880

video evidence we have documentation

2104

01:26:59,830 --> 01:26:57,440

like what does he mean nothing happened

2105

01:27:02,470 --> 01:26:59,840

um does he mean it was something

2106

01:27:05,510 --> 01:27:02,480

conventional prosaic or or what i would

2107

01:27:08,310 --> 01:27:05,520

love to expand on that tell you what

2108

01:27:09,990 --> 01:27:08,320

um message me after this it's time it's

2109

01:27:12,470 --> 01:27:10,000

time man for you to come on the show and

2110

01:27:14,950 --> 01:27:12,480

talk about this please i know we said

2111

01:27:18,310 --> 01:27:14,960

we'd push it back because you have a

2112

01:27:20,470 --> 01:27:18,320

documentary coming out um but yeah let's

2113

01:27:24,950 --> 01:27:20,480

talk brother

2114

01:27:30,229 --> 01:27:27,910

ryan is such a trunk i don't want to

2115

01:27:34,229 --> 01:27:30,239

know what that is um

2116

01:27:36,870 --> 01:27:34,239

but thank you i don't know i don't know

2117

01:27:40,070 --> 01:27:36,880

chris says uh that was a great interview

2118

01:27:44,790 --> 01:27:40,080

and you rocked the moderating um ucr

2119

01:27:48,790 --> 01:27:46,550

holy cow says who's streaming next i

2120

01:27:53,750 --> 01:27:48,800

need ufos in my veins

2121

01:27:53,760 --> 01:27:56,870

let's see

2122

01:27:56,880 --> 01:28:02,390

he's weak gary says he is now retired

2123

01:28:05,669 --> 01:28:03,669

um

2124

01:28:07,350 --> 01:28:05,679

awesome all right guys that's gonna wrap

2125

01:28:09,590 --> 01:28:07,360

it up this went way longer than i

2126
01:28:12,229 --> 01:28:09,600
anticipated um i can't thank you enough

2127
01:28:14,550 --> 01:28:12,239
for asking questions and your comments

2128
01:28:16,310 --> 01:28:14,560
for your super stickers super chats for

2129
01:28:18,390 --> 01:28:16,320
those of you who joined as a member

2130
01:28:20,629 --> 01:28:18,400
tonight um again you could do that right

2131
01:28:22,950 --> 01:28:20,639
below the video um i think it's like

2132
01:28:25,030 --> 01:28:22,960
4.99 a month or something and you'll get

2133
01:28:27,910 --> 01:28:25,040
exclusive content from me here on

2134
01:28:31,270 --> 01:28:27,920
youtube um it's pretty cool i i love it

2135
01:28:33,270 --> 01:28:31,280
it's so like easy to do and it's an easy

2136
01:28:36,629 --> 01:28:33,280
way in an efficient way to support the

2137
01:28:38,149 --> 01:28:36,639
channel as well so um again thank you to

2138
01:28:40,310 --> 01:28:38,159

everyone who joined me thank you for

2139

01:28:42,470 --> 01:28:40,320

joining me on your saturday night um

2140

01:28:44,550 --> 01:28:42,480

that means the world to me um for those

2141

01:28:47,590 --> 01:28:44,560

in the states um

2142

01:28:50,950 --> 01:28:47,600

go rams tomorrow for the super bowl i'm

2143

01:28:52,950 --> 01:28:50,960

really um rooting for them as a former

2144

01:28:54,629 --> 01:28:52,960

los angeles resident for a short period

2145

01:28:56,229 --> 01:28:54,639

of time but it would be cool to see the

2146

01:28:58,070 --> 01:28:56,239

bengals win as well since it's their

2147

01:29:01,669 --> 01:28:58,080

first super bowl um but again my

2148

01:29:03,189 --> 01:29:01,679

prediction is the rams by 12. um look

2149

01:29:05,910 --> 01:29:03,199

for all the awesome trailers dropping

2150

01:29:08,709 --> 01:29:05,920

during the super bowl tomorrow as well

2151
01:29:10,310 --> 01:29:08,719
and um that's about it guys brand new

2152
01:29:13,669 --> 01:29:10,320
episode of summer in the skies is

2153
01:29:16,310 --> 01:29:13,679
releasing um tomorrow night on here on

2154
01:29:20,470 --> 01:29:16,320
youtube and then monday morning on all

2155
01:29:23,270 --> 01:29:20,480
podcast outlets um really cool episode

2156
01:29:24,629 --> 01:29:23,280
um this guy from british columbia

2157
01:29:26,550 --> 01:29:24,639
reached out to me and said i want to

2158
01:29:28,229 --> 01:29:26,560
tell you my ufo story and i told him

2159
01:29:30,390 --> 01:29:28,239
yeah we do witness accounts where you

2160
01:29:33,590 --> 01:29:30,400
could tell your story and he said well i

2161
01:29:34,390 --> 01:29:33,600
got a few and by a few he meant ten

2162
01:29:39,189 --> 01:29:34,400
so

2163
01:29:39,990 --> 01:29:39,199

um about 10 of his ufo encounters and

2164

01:29:43,270 --> 01:29:40,000

they're

2165

01:29:45,110 --> 01:29:43,280

really good um really really interesting

2166

01:29:47,830 --> 01:29:45,120

uh so yeah be on the lookout for the

2167

01:29:50,550 --> 01:29:47,840

upcoming episode ufos in british

2168

01:29:53,110 --> 01:29:50,560

columbia coming out sunday night here on

2169

01:29:54,790 --> 01:29:53,120

youtube first in on um all podcast

2170

01:29:56,790 --> 01:29:54,800

outlets after that

2171

01:29:59,149 --> 01:29:56,800

um other than that we're on twitter at

2172

01:30:01,669 --> 01:29:59,159

summerskies instagram

2173

01:30:04,070 --> 01:30:01,679

somewhereskiespod and um check out the

2174

01:30:06,709 --> 01:30:04,080

merch store in the links below

2175

01:30:09,590 --> 01:30:06,719

um last but not least

2176
01:30:13,510 --> 01:30:09,600
and she's gonna hate me for doing this

2177
01:30:17,510 --> 01:30:13,520
but my baby sister christy uh she took

2178
01:30:19,990 --> 01:30:17,520
part in this really cool um local

2179
01:30:22,709 --> 01:30:20,000
bachelor thing on one of our radio

2180
01:30:24,470 --> 01:30:22,719
stations in syracuse new york where she

2181
01:30:27,030 --> 01:30:24,480
went on a date with this guy and then he

2182
01:30:30,550 --> 01:30:27,040
goes on a date with i think four or five

2183
01:30:32,709 --> 01:30:30,560
other women throughout the week and um

2184
01:30:35,510 --> 01:30:32,719
you get to vote for who the best date

2185
01:30:37,990 --> 01:30:35,520
was and who gets to win this really cool

2186
01:30:39,110 --> 01:30:38,000
package in our hometown of like going to

2187
01:30:40,229 --> 01:30:39,120
a hotel

2188
01:30:42,629 --> 01:30:40,239

and um

2189

01:30:45,030 --> 01:30:42,639

uh you get to party with the hosts of

2190

01:30:46,790 --> 01:30:45,040

the radio network and and stuff like

2191

01:30:49,350 --> 01:30:46,800

that and um

2192

01:30:51,669 --> 01:30:49,360

i will say not knowing any of the other

2193

01:30:54,790 --> 01:30:51,679

women that went on dates with this guy

2194

01:30:56,629 --> 01:30:54,800

my sister was the best i know she is

2195

01:30:59,590 --> 01:30:56,639

because she's the nicest

2196

01:31:03,030 --> 01:30:59,600

the funniest and the um most caring

2197

01:31:05,350 --> 01:31:03,040

loving person i've ever met so

2198

01:31:07,830 --> 01:31:05,360

please do me a big favor there's a link

2199

01:31:10,070 --> 01:31:07,840

right there in the youtube show notes i

2200

01:31:12,470 --> 01:31:10,080

believe towards the top it says vote for

2201

01:31:14,709 --> 01:31:12,480

christy all you have to do is go to that

2202

01:31:17,990 --> 01:31:14,719

link go to the bottom and click on

2203

01:31:20,229 --> 01:31:18,000

christy and press vote and i believe

2204

01:31:22,709 --> 01:31:20,239

she's in the lead right now so please

2205

01:31:25,990 --> 01:31:22,719

please do me a huge favor and vote for

2206

01:31:29,510 --> 01:31:26,000

christy at that link um she deserves it

2207

01:31:32,550 --> 01:31:29,520

she really does she is um she works as a

2208

01:31:34,229 --> 01:31:32,560

vet tech in syracuse she loves animals

2209

01:31:36,470 --> 01:31:34,239

and like i said she's just the kindest

2210

01:31:38,470 --> 01:31:36,480

person uh you could ever meet and she

2211

01:31:40,229 --> 01:31:38,480

truly truly deserves to win this thing

2212

01:31:42,470 --> 01:31:40,239

so please go vote for her

2213

01:31:45,590 --> 01:31:42,480

that's it guys um let me see if i have

2214

01:31:47,510 --> 01:31:45,600

anything else here um before we go teddy

2215

01:31:49,669 --> 01:31:47,520

said i voted thank you

2216

01:31:52,229 --> 01:31:49,679

thank you thank you yeah so head on over

2217

01:31:54,709 --> 01:31:52,239

and do that for me guys as a huge favor

2218

01:31:57,030 --> 01:31:54,719

uh to me and um

2219

01:31:59,990 --> 01:31:57,040

by proxy my sister as well vote for

2220

01:32:02,550 --> 01:32:00,000

christy um that's gonna do it thank you

2221

01:32:04,629 --> 01:32:02,560

so much for joining me have a wonderful

2222

01:32:07,350 --> 01:32:04,639

wonderful rest of your weekend and we'll

2223

01:32:09,590 --> 01:32:07,360

talk soon and as always

2224

01:32:11,669 --> 01:32:09,600

keep your feet on the ground but never

2225

01:32:13,080 --> 01:32:11,679

stop searching somewhere in the skies

2226

01:32:14,229 --> 01:32:13,090

take care

2227

01:32:16,390 --> 01:32:14,239

[Music]

2228

01:32:19,590 --> 01:32:16,400

hey guys ryan here the summer in the

2229

01:32:21,750 --> 01:32:19,600

skies podcast is a labor of love every

2230

01:32:24,229 --> 01:32:21,760

week and with that comes many different

2231

01:32:26,950 --> 01:32:24,239

costs to keep the show running that's

2232

01:32:29,030 --> 01:32:26,960

where our patreon campaign comes in you

2233

01:32:31,430 --> 01:32:29,040

give what you think the show is worth

2234

01:32:33,350 --> 01:32:31,440

there's different rewards available all

2235

01:32:35,910 --> 01:32:33,360

the time including shout outs on the

2236

01:32:38,709 --> 01:32:35,920

show early editions of main episodes

2237

01:32:41,189 --> 01:32:38,719

bonus episodes and content and very soon

2238

01:32:44,550 --> 01:32:41,199

monthly patron hangouts where we sit

2239

01:32:46,229 --> 01:32:44,560

back and chat all things ufos so i hope

2240

01:32:48,790 --> 01:32:46,239

you'll consider becoming a patreon

2241

01:32:52,149 --> 01:32:48,800

subscriber today to learn more and to

2242

01:32:54,950 --> 01:32:52,159

join visit patreon.com
