

SOMEWHERE IN THE SKIES

≡≡≡ INCIDENT AT ≡≡≡
LAKE ANTEN
AND OTHER NORDIC UFOS

1
00:00:05,110 --> 00:00:02,869

[Music]

2
00:00:08,310 --> 00:00:05,120

hey guys ryan here the summer in the

3
00:00:10,470 --> 00:00:08,320

skies podcast is a labor of love every

4
00:00:12,950 --> 00:00:10,480

week and with that comes many different

5
00:00:15,589 --> 00:00:12,960

costs to keep the show running that's

6
00:00:17,670 --> 00:00:15,599

where our patreon campaign comes in you

7
00:00:19,990 --> 00:00:17,680

give what you think the show is worth

8
00:00:21,910 --> 00:00:20,000

there's different rewards available all

9
00:00:24,470 --> 00:00:21,920

the time including shout outs on the

10
00:00:27,349 --> 00:00:24,480

show early editions of main episodes

11
00:00:29,830 --> 00:00:27,359

bonus episodes and content and very soon

12
00:00:33,190 --> 00:00:29,840

monthly patron hangouts where we sit

13
00:00:34,870 --> 00:00:33,200

back and chat all things ufos so i hope

14

00:00:37,430 --> 00:00:34,880

you'll consider becoming a patreon

15

00:00:40,709 --> 00:00:37,440

subscriber today to learn more and to

16

00:00:42,950 --> 00:00:40,719

join visit patreon.com

17

00:00:55,189 --> 00:00:42,960

somewhereskies thank you for your

18

00:01:00,229 --> 00:00:58,069

the ana bakken region of sweden boasts

19

00:01:03,110 --> 00:01:00,239

an authentic countryside setting with

20

00:01:04,789 --> 00:01:03,120

many rugged forests clear lakes and

21

00:01:08,070 --> 00:01:04,799

mountainous terrain

22

00:01:11,750 --> 00:01:08,080

all a perfect setting for a ufo incident

23

00:01:13,510 --> 00:01:11,760

that occurred in 1970 over lake anten

24

00:01:16,550 --> 00:01:13,520

leaving multiple witnesses from

25

00:01:19,590 --> 00:01:16,560

different areas completely stunned and

26

00:01:21,270 --> 00:01:19,600

putting sweden firmly in the annals of

27

00:01:24,550 --> 00:01:21,280

ufo history

28

00:01:29,930 --> 00:01:24,560

this is the incident at anten lake in

29

00:01:29,940 --> 00:01:39,429

[Music]

30

00:01:44,180 --> 00:01:42,389

this is somewhere in the skies with ryan

31

00:02:09,669 --> 00:01:44,190

sprague

32

00:02:16,309 --> 00:02:13,510

it was the evening of august 29 1970 at

33

00:02:18,949 --> 00:02:16,319

approximately 11 30 p.m

34

00:02:21,270 --> 00:02:18,959

just outside of gothenburg near lake

35

00:02:24,470 --> 00:02:21,280

anten multiple residents of the area

36

00:02:26,710 --> 00:02:24,480

would witness something truly bizarre

37

00:02:29,270 --> 00:02:26,720

reports would suggest that at least 20

38

00:02:31,670 --> 00:02:29,280

witnesses local to the area would

39

00:02:34,150 --> 00:02:31,680

observe a brilliant colored sphere

40

00:02:36,550 --> 00:02:34,160

moving just above the treetops which

41

00:02:38,390 --> 00:02:36,560

were illuminated in the wash of the glow

42

00:02:40,470 --> 00:02:38,400

from the object

43

00:02:43,830 --> 00:02:40,480

one witness described the object as

44

00:02:45,910 --> 00:02:43,840

oblong with a dome-shaped top to it

45

00:02:48,309 --> 00:02:45,920

several other witnesses would describe a

46

00:02:51,430 --> 00:02:48,319

soft humming sound that appeared to

47

00:02:55,030 --> 00:02:51,440

accompany the appearance of the object

48

00:02:57,350 --> 00:02:55,040

another witness mr carlson a local farm

49

00:02:59,190 --> 00:02:57,360

owner claimed the following

50

00:03:00,149 --> 00:02:59,200

i was about to go to bed a little before

51

00:03:02,149 --> 00:03:00,159

midnight

52

00:03:04,229 --> 00:03:02,159

i happened to look out the window

53

00:03:05,990 --> 00:03:04,239

and that's when i noticed that the cars

54

00:03:07,589 --> 00:03:06,000

outside were all stopping in the middle

55

00:03:09,830 --> 00:03:07,599

of the road

56

00:03:11,589 --> 00:03:09,840

i couldn't understand why

57

00:03:13,190 --> 00:03:11,599

that's when my son ran in the room and

58

00:03:15,190 --> 00:03:13,200

he told me something red in color was

59

00:03:16,790 --> 00:03:15,200

moving over the town

60

00:03:19,750 --> 00:03:16,800

that's when i saw what he was talking

61

00:03:22,229 --> 00:03:19,760

about a strong red light was moving

62

00:03:25,110 --> 00:03:22,239

erratically over the treetops

63

00:03:27,750 --> 00:03:25,120

it behaved so strangely

64

00:03:30,869 --> 00:03:27,760

speeding up and slowing down

65

00:03:33,509 --> 00:03:30,879

then it would disappear and reappear a

66

00:03:36,070 --> 00:03:33,519

short time later in a different spot

67

00:03:37,830 --> 00:03:36,080

carlson along with his wife and son

68

00:03:40,309 --> 00:03:37,840

would continue to watch the bizarre

69

00:03:41,830 --> 00:03:40,319

light as they transverse the nearby

70

00:03:44,949 --> 00:03:41,840

skies

71

00:03:46,390 --> 00:03:44,959

that's when it began to descend

72

00:03:47,750 --> 00:03:46,400

it appeared to land in the meadow in

73

00:03:50,070 --> 00:03:47,760

front of the forest

74

00:03:52,789 --> 00:03:50,080

then we could see several yellow and

75

00:03:55,110 --> 00:03:52,799

white beams emanating from the object

76

00:03:58,229 --> 00:03:55,120

we watched it for several hours

77

00:04:00,070 --> 00:03:58,239

concerned but more curious than anything

78

00:04:01,030 --> 00:04:00,080

eventually we decided to finally go to

79

00:04:03,830 --> 00:04:01,040

bed

80

00:04:05,990 --> 00:04:03,840

it was still there as we all fell asleep

81

00:04:08,470 --> 00:04:06,000

although the carlson family wouldn't see

82

00:04:10,789 --> 00:04:08,480

what happened it was reported that the

83

00:04:14,229 --> 00:04:10,799

object had disappeared from the forest

84

00:04:15,589 --> 00:04:14,239

at some point another witness was one mr

85

00:04:17,749 --> 00:04:15,599

nielsen

86

00:04:19,749 --> 00:04:17,759

he was one of the motorists who had

87

00:04:22,230 --> 00:04:19,759

stopped his car on the road that night

88

00:04:24,950 --> 00:04:22,240

to watch the craft overhead

89

00:04:26,830 --> 00:04:24,960

he claimed that around 11 30 pm

90

00:04:29,270 --> 00:04:26,840

he and a friend were driving along the

91

00:04:32,310 --> 00:04:29,280

highway that's when they noticed a red

92

00:04:33,990 --> 00:04:32,320

light moving to and fro and up and down

93

00:04:37,350 --> 00:04:34,000

in the sky

94

00:04:40,550 --> 00:04:37,360

every now and then it would stand still

95

00:04:43,030 --> 00:04:40,560

the traffic all stood still as well

96

00:04:45,030 --> 00:04:43,040

everyone watching the object

97

00:04:47,510 --> 00:04:45,040

they watched for about 10 minutes before

98

00:04:49,830 --> 00:04:47,520

the traffic started moving and they had

99

00:04:53,110 --> 00:04:49,840

no choice but to drive on

100

00:04:55,430 --> 00:04:53,120

at around the same time one mrs aronson

101
00:04:58,310 --> 00:04:55,440
along with a friend witnessed a bright

102
00:05:01,029 --> 00:04:58,320
illuminated ball which was moving across

103
00:05:03,189 --> 00:05:01,039
the sky just above the trees

104
00:05:06,390 --> 00:05:03,199
she would further describe the object as

105
00:05:09,670 --> 00:05:06,400
being an extremely bright red

106
00:05:11,590 --> 00:05:09,680
another motorist mrs olsen was driving

107
00:05:12,629 --> 00:05:11,600
home with her husband after visiting

108
00:05:14,469 --> 00:05:12,639
friends

109
00:05:17,110 --> 00:05:14,479
they would notice a strange glowing

110
00:05:18,230 --> 00:05:17,120
object at just short of half past

111
00:05:19,749 --> 00:05:18,240
midnight

112
00:05:23,110 --> 00:05:19,759
they would describe the object as

113
00:05:25,110 --> 00:05:23,120

looking similar to a rear lamp on a car

114

00:05:27,990 --> 00:05:25,120

and watched it for three to four minutes

115

00:05:30,070 --> 00:05:28,000

before carrying on their way

116

00:05:32,710 --> 00:05:30,080

as well as the witnesses on the road

117

00:05:34,710 --> 00:05:32,720

near the carlson's farm there were eight

118

00:05:37,510 --> 00:05:34,720

further witnesses who would observe

119

00:05:40,870 --> 00:05:37,520

events from the other side of town

120

00:05:42,310 --> 00:05:40,880

for example one mr johansson would claim

121

00:05:44,469 --> 00:05:42,320

the following

122

00:05:46,629 --> 00:05:44,479

my wife two friends and i first

123

00:05:50,310 --> 00:05:46,639

witnessed a bright red ball above the

124

00:05:53,029 --> 00:05:50,320

area at around 11 45 pm it appeared to

125

00:05:55,350 --> 00:05:53,039

be the size of a full moon aside from

126

00:05:57,590 --> 00:05:55,360

the bizarre movement only the bright

127

00:06:00,629 --> 00:05:57,600

glowing red color indicated that it

128

00:06:03,510 --> 00:06:00,639

wasn't in fact our celestial companion

129

00:06:06,070 --> 00:06:03,520

we watched the object move up and down

130

00:06:09,110 --> 00:06:06,080

and to and fro over the top of the trees

131

00:06:10,950 --> 00:06:09,120

of the forest at one point we even saw

132

00:06:12,390 --> 00:06:10,960

something like a beam of light coming

133

00:06:14,950 --> 00:06:12,400

from the ground

134

00:06:17,430 --> 00:06:14,960

the light was constant and reflected off

135

00:06:19,670 --> 00:06:17,440

the surface of the nearby lake

136

00:06:21,830 --> 00:06:19,680

i was so intrigued that i asked the

137

00:06:23,430 --> 00:06:21,840

husband of one of our friends to drive

138

00:06:24,390 --> 00:06:23,440

to the source of the light near the

139

00:06:30,390 --> 00:06:24,400

forest

140

00:06:31,830 --> 00:06:30,400

another vehicle a blue saab with two men

141

00:06:33,909 --> 00:06:31,840

watching the light

142

00:06:35,270 --> 00:06:33,919

after brief discussions about it with

143

00:06:38,469 --> 00:06:35,280

these two men

144

00:06:40,870 --> 00:06:38,479

the light suddenly disappeared

145

00:06:43,510 --> 00:06:40,880

johansen and the other witnesses in his

146

00:06:47,029 --> 00:06:43,520

car would see the strange glowing object

147

00:06:50,070 --> 00:06:47,039

again at around 1am from their home

148

00:06:53,189 --> 00:06:50,080

strangely johansson also found

149

00:06:54,870 --> 00:06:53,199

unexplained indentations on the ground

150

00:06:57,830 --> 00:06:54,880

near to where the lights appeared to be

151
00:07:00,550 --> 00:06:57,840
shining upward the previous evening the

152
00:07:04,070 --> 00:07:00,560
indentations were approximately 10 feet

153
00:07:07,029 --> 00:07:04,080
apart in an equilateral triangle

154
00:07:09,670 --> 00:07:07,039
even stranger there was a near perfect

155
00:07:13,189 --> 00:07:09,680
circle approximately 40 centimeters in

156
00:07:15,270 --> 00:07:13,199
width and around 7 centimeters in depth

157
00:07:17,670 --> 00:07:15,280
the depth of these impressions would

158
00:07:19,909 --> 00:07:17,680
suggest that the object that made them

159
00:07:21,830 --> 00:07:19,919
was extremely heavy

160
00:07:24,230 --> 00:07:21,840
johansson would phone a local

161
00:07:26,150 --> 00:07:24,240
investigator the following morning to

162
00:07:28,870 --> 00:07:26,160
analyze the trace evidence of what

163
00:07:30,469 --> 00:07:28,880

johansen believed was from the object

164

00:07:34,070 --> 00:07:30,479

the night prior

165

00:07:35,909 --> 00:07:34,080

the investigator one mr limu would state

166

00:07:38,070 --> 00:07:35,919

the following

167

00:07:41,029 --> 00:07:38,080

due to the depth of each indentation

168

00:07:44,710 --> 00:07:41,039

point this would suggest that the object

169

00:07:45,909 --> 00:07:44,720

had an overall weight of approximately 5

170

00:07:48,230 --> 00:07:45,919

tons

171

00:07:50,390 --> 00:07:48,240

even how the indentations were made

172

00:07:53,589 --> 00:07:50,400

would suggest that the object that made

173

00:07:55,749 --> 00:07:53,599

them had most likely come from above

174

00:07:57,510 --> 00:07:55,759

this of course would not only match the

175

00:07:59,909 --> 00:07:57,520

eyewitness statements that claimed to

176
00:08:02,710 --> 00:07:59,919
see the glowing object land in a meadow

177
00:08:05,430 --> 00:08:02,720
near the forest but also that the light

178
00:08:07,430 --> 00:08:05,440
seen by multiple witnesses were and by

179
00:08:09,589 --> 00:08:07,440
large in the same area as the

180
00:08:12,070 --> 00:08:09,599
indentations now were

181
00:08:14,710 --> 00:08:12,080
furthermore given there were no broken

182
00:08:16,710 --> 00:08:14,720
trees or branches around the indentation

183
00:08:20,790 --> 00:08:16,720
i would estimate that the object could

184
00:08:23,189 --> 00:08:20,800
have been a maximum of 28 feet across

185
00:08:25,909 --> 00:08:23,199
word began to spread about this unusual

186
00:08:28,150 --> 00:08:25,919
craft seen over lake on 10 and in the

187
00:08:30,550 --> 00:08:28,160
surrounding forest and subsequent

188
00:08:32,709 --> 00:08:30,560

investigations would also take place to

189

00:08:35,029 --> 00:08:32,719

determine what it was

190

00:08:37,909 --> 00:08:35,039

based on information from the police and

191

00:08:40,790 --> 00:08:37,919

the press as well as an investigation by

192

00:08:43,190 --> 00:08:40,800

tage ericsson of the research institute

193

00:08:45,750 --> 00:08:43,200

for national defense a general

194

00:08:47,829 --> 00:08:45,760

explanation began to take hold that the

195

00:08:50,870 --> 00:08:47,839

entire incident wasn't something

196

00:08:55,350 --> 00:08:50,880

supernatural or otherworldly

197

00:08:57,350 --> 00:08:55,360

it was simply a hoax eriksen believed

198

00:09:00,470 --> 00:08:57,360

that it was either specifically or

199

00:09:02,949 --> 00:09:00,480

something akin to a hot air balloon set

200

00:09:05,910 --> 00:09:02,959

aloft by at least two people

201
00:09:08,470 --> 00:09:05,920
those people eriksen insinuated that the

202
00:09:10,470 --> 00:09:08,480
hoaxers were the two men in the blue

203
00:09:12,310 --> 00:09:10,480
saab that johansson and the other

204
00:09:13,829 --> 00:09:12,320
witnesses had spoken to at the edge of

205
00:09:16,710 --> 00:09:13,839
the forest

206
00:09:19,269 --> 00:09:16,720
however when ufo researchers interviewed

207
00:09:21,829 --> 00:09:19,279
the alleged hoaxers they denied being

208
00:09:23,750 --> 00:09:21,839
both the perpetrators of the hoax or the

209
00:09:24,949 --> 00:09:23,760
two men at the scene on the night in

210
00:09:26,630 --> 00:09:24,959
question

211
00:09:29,750 --> 00:09:26,640
they would also rightly point out that

212
00:09:31,750 --> 00:09:29,760
their car was a green fiat one report

213
00:09:33,990 --> 00:09:31,760

even suggested that the reasons for

214

00:09:37,509 --> 00:09:34,000

promoting the balloon hoax story were to

215

00:09:41,030 --> 00:09:37,519

calm the old man johansson who lived at

216

00:09:42,630 --> 00:09:41,040

the property where the object had landed

217

00:09:45,430 --> 00:09:42,640

it should also be noted that

218

00:09:47,110 --> 00:09:45,440

radioactivity tests were taken as well

219

00:09:48,710 --> 00:09:47,120

from the soil around the supposed

220

00:09:51,110 --> 00:09:48,720

landing site

221

00:09:53,110 --> 00:09:51,120

the tests conducted by the chalmers

222

00:09:57,110 --> 00:09:53,120

institute of technology and nuclear

223

00:09:59,430 --> 00:09:57,120

chemistry yielded no unusual results

224

00:10:00,990 --> 00:09:59,440

there's also a question of tire marks

225

00:10:03,030 --> 00:10:01,000

allegedly found on the lawn

226

00:10:04,470 --> 00:10:03,040

neurohanson's house

227

00:10:07,190 --> 00:10:04,480

could these have been made by the

228

00:10:10,069 --> 00:10:07,200

vehicle of the hoaxers or might they

229

00:10:13,670 --> 00:10:10,079

have been from the mystery blue saab

230

00:10:15,750 --> 00:10:13,680

if so just who was driving that vehicle

231

00:10:18,150 --> 00:10:15,760

were they merely investigating the light

232

00:10:21,110 --> 00:10:18,160

like johansson or might they have been

233

00:10:23,110 --> 00:10:21,120

at the location in a official capacity

234

00:10:25,590 --> 00:10:23,120

of some sort

235

00:10:27,430 --> 00:10:25,600

of the sighting at anten lake

236

00:10:29,190 --> 00:10:27,440

investigators would eventually conclude

237

00:10:32,630 --> 00:10:29,200

that the incident either was a clever

238

00:10:35,670 --> 00:10:32,640

hoax or that the object whatever it was

239

00:10:37,750 --> 00:10:35,680

was something truly unknown

240

00:10:40,150 --> 00:10:37,760

but perhaps even more interesting at

241

00:10:42,310 --> 00:10:40,160

least according to reports at the time

242

00:10:44,630 --> 00:10:42,320

is that the region in question had

243

00:10:49,190 --> 00:10:44,640

experienced about a dozen very similar

244

00:10:50,949 --> 00:10:49,200

sightings going back to the fall of 1969

245

00:10:53,990 --> 00:10:50,959

most of these encounters would be

246

00:10:55,990 --> 00:10:54,000

described as almost identical red or

247

00:10:58,230 --> 00:10:56,000

yellow objects

248

00:11:00,870 --> 00:10:58,240

perhaps even more interesting was the

249

00:11:03,430 --> 00:11:00,880

strange humming or as one witness would

250

00:11:05,750 --> 00:11:03,440

recall a whistling noise that also

251

00:11:06,949 --> 00:11:05,760

accompanied these sightings

252

00:11:10,870 --> 00:11:06,959

could these have been the same

253

00:11:12,829 --> 00:11:10,880

mysterious object cited over antenn lake

254

00:11:15,590 --> 00:11:12,839

while the antenna lake incident is

255

00:11:18,389 --> 00:11:15,600

intriguing even more intriguing is that

256

00:11:21,509 --> 00:11:18,399

many other sightings occurred over other

257

00:11:23,030 --> 00:11:21,519

nordic countries in the early 1970s as

258

00:11:25,350 --> 00:11:23,040

well

259

00:11:26,949 --> 00:11:25,360

although the exact date is unknown the

260

00:11:30,230 --> 00:11:26,959

following incident was said to have

261

00:11:32,790 --> 00:11:30,240

taken place in october of 1970

262

00:11:35,670 --> 00:11:32,800

at around 11 30 p.m on the night in

263

00:11:39,670 --> 00:11:35,680

question over the town of helleland in

264

00:11:41,670 --> 00:11:39,680

norway a motorist ryder sylvester would

265

00:11:44,150 --> 00:11:41,680

arrive home following a particularly

266

00:11:46,710 --> 00:11:44,160

grueling journey from a business trip as

267

00:11:49,269 --> 00:11:46,720

a market advisor that's when he noticed

268

00:11:51,430 --> 00:11:49,279

a bright glowing light overhead

269

00:11:53,509 --> 00:11:51,440

he would however despite the incident

270

00:11:56,230 --> 00:11:53,519

weighing on his mind continue to

271

00:11:59,590 --> 00:11:56,240

negotiate the relatively quiet roads

272

00:12:02,470 --> 00:11:59,600

under the constant downpour of rain

273

00:12:04,389 --> 00:12:02,480

salvesin had been driving for around six

274

00:12:06,949 --> 00:12:04,399

hours he would continue to keep the

275

00:12:09,430 --> 00:12:06,959

object in his sight and carried on along

276

00:12:11,350 --> 00:12:09,440

his route desperate to get home

277

00:12:13,670 --> 00:12:11,360

when he arrived home he would go

278

00:12:15,670 --> 00:12:13,680

straight inside and immediately tell his

279

00:12:17,430 --> 00:12:15,680

wife about the incident

280

00:12:19,990 --> 00:12:17,440

he would state to her that he had

281

00:12:22,069 --> 00:12:20,000

undergone a strange experience that he

282

00:12:24,389 --> 00:12:22,079

had no explanation for

283

00:12:27,590 --> 00:12:24,399

what's more it was both a frightening

284

00:12:29,670 --> 00:12:27,600

sight but at the same time fantastic

285

00:12:33,190 --> 00:12:29,680

he would then relate the incident to his

286

00:12:35,750 --> 00:12:33,200

enthralled and slightly confused wife in

287

00:12:38,310 --> 00:12:35,760

fall i'd set off on my journey around 5

288

00:12:40,790 --> 00:12:38,320

30 p.m and while the journey was largely

289

00:12:43,350 --> 00:12:40,800

uneventful at first i soon noticed a

290

00:12:45,590 --> 00:12:43,360

dazzling light in the skies overhead

291

00:12:47,430 --> 00:12:45,600

it was so bright that i had to stop my

292

00:12:48,389 --> 00:12:47,440

vehicle in order to attempt to look at

293

00:12:50,230 --> 00:12:48,399

it

294

00:12:52,230 --> 00:12:50,240

when i opened the car door i noticed i

295

00:12:54,310 --> 00:12:52,240

noticed a bright circular object above

296

00:12:55,190 --> 00:12:54,320

the roadway the object was completely

297

00:12:57,030 --> 00:12:55,200

silent

298

00:12:58,629 --> 00:12:57,040

and would move forward with speed before

299

00:13:01,110 --> 00:12:58,639

coming to a stop

300

00:13:03,030 --> 00:13:01,120

it would repeat this several times

301
00:13:05,110 --> 00:13:03,040
the next thing i realized however the

302
00:13:07,590 --> 00:13:05,120
object was only several feet from my

303
00:13:09,430 --> 00:13:07,600
vehicle i reached into the open window

304
00:13:11,350 --> 00:13:09,440
of the car and grabbed my notepaper in

305
00:13:12,470 --> 00:13:11,360
order to compose a sketch of the bizarre

306
00:13:15,110 --> 00:13:12,480
object

307
00:13:17,190 --> 00:13:15,120
it was for lack of better words a

308
00:13:19,670 --> 00:13:17,200
classic flying saucer

309
00:13:22,949 --> 00:13:19,680
there were no doors windows or hatches

310
00:13:25,190 --> 00:13:22,959
neither were there any joints grooves or

311
00:13:27,269 --> 00:13:25,200
any type of connecting seam

312
00:13:29,829 --> 00:13:27,279
the only differentiating feature of the

313
00:13:32,069 --> 00:13:29,839

metallic exterior was a part at the edge

314

00:13:34,629 --> 00:13:32,079

of the body that had the appearance of

315

00:13:36,389 --> 00:13:34,639

corrugated iron i couldn't be certain

316

00:13:38,629 --> 00:13:36,399

but but the object was close to me for

317

00:13:41,110 --> 00:13:38,639

what felt like a minute or so

318

00:13:43,189 --> 00:13:41,120

then without warning it it shot straight

319

00:13:45,670 --> 00:13:43,199

up in the air at great speed the next

320

00:13:47,670 --> 00:13:45,680

thing i knew i was falling to the ground

321

00:13:50,949 --> 00:13:47,680

landing in a sitting position knocked

322

00:13:53,110 --> 00:13:50,959

off balance by the blast of the takeoff

323

00:13:55,269 --> 00:13:53,120

as selvessen was coming to his senses

324

00:13:57,350 --> 00:13:55,279

with the realization that he had fallen

325

00:13:59,189 --> 00:13:57,360

to the ground he was also coming to

326

00:14:01,590 --> 00:13:59,199

terms with the fact that he had also

327

00:14:03,590 --> 00:14:01,600

heard a loud cracking sound

328

00:14:05,590 --> 00:14:03,600

when he pulled himself to his feet he

329

00:14:07,350 --> 00:14:05,600

could see a large crack in the front

330

00:14:09,910 --> 00:14:07,360

window of his car

331

00:14:11,829 --> 00:14:09,920

he instinctively looked up to the sky

332

00:14:14,389 --> 00:14:11,839

and noticed that the disc was now

333

00:14:17,430 --> 00:14:14,399

nothing more than a bright red yellow

334

00:14:20,230 --> 00:14:17,440

object similar to a fireball

335

00:14:22,230 --> 00:14:20,240

then it vanished out of sight

336

00:14:24,629 --> 00:14:22,240

he returned his attention to his car

337

00:14:26,949 --> 00:14:24,639

once more he noticed there was broken

338

00:14:29,189 --> 00:14:26,959

and splintered glass on the seats and

339

00:14:31,590 --> 00:14:29,199

the floor it was around this time that

340

00:14:33,189 --> 00:14:31,600

he realized he'd cut himself when he had

341

00:14:35,269 --> 00:14:33,199

fallen to the ground

342

00:14:37,110 --> 00:14:35,279

careful not to injure himself further he

343

00:14:38,870 --> 00:14:37,120

returned inside his vehicle and then

344

00:14:40,790 --> 00:14:38,880

started the engine

345

00:14:42,550 --> 00:14:40,800

after moving the vehicle to the side of

346

00:14:44,870 --> 00:14:42,560

the road out of the way of any oncoming

347

00:14:46,069 --> 00:14:44,880

traffic he would quickly sweep the seats

348

00:14:48,470 --> 00:14:46,079

of glass

349

00:14:51,670 --> 00:14:48,480

then after testing the lights breaks an

350

00:14:53,829 --> 00:14:51,680

engine he would set out on his way home

351
00:14:55,990 --> 00:14:53,839
several hours later he would inform his

352
00:14:58,150 --> 00:14:56,000
wife of the incident

353
00:15:01,670 --> 00:14:58,160
around two months later in january of

354
00:15:04,230 --> 00:15:01,680
1971 this time in finland another

355
00:15:07,430 --> 00:15:04,240
similar incident would unfold

356
00:15:09,910 --> 00:15:07,440
47 year old mano talasa was eating

357
00:15:13,189 --> 00:15:09,920
breakfast with his wife marta at their

358
00:15:15,189 --> 00:15:13,199
farmhouse in the village of sappoonki

359
00:15:17,030 --> 00:15:15,199
marta would state the following about

360
00:15:19,110 --> 00:15:17,040
what happened next

361
00:15:21,509 --> 00:15:19,120
it was while we were eating that we

362
00:15:23,269 --> 00:15:21,519
noticed a bright light heading toward us

363
00:15:25,750 --> 00:15:23,279

through the kitchen window this light

364

00:15:28,470 --> 00:15:25,760

appeared to be at a low altitude and was

365

00:15:30,230 --> 00:15:28,480

not moving particularly fast

366

00:15:32,790 --> 00:15:30,240

but most unnerving was the fact that

367

00:15:35,030 --> 00:15:32,800

this lighted object would land directly

368

00:15:37,350 --> 00:15:35,040

outside our kitchen window

369

00:15:40,069 --> 00:15:37,360

the light was blinding in fact the

370

00:15:42,470 --> 00:15:40,079

entire area in the vicinity of our home

371

00:15:43,590 --> 00:15:42,480

and beyond was covered in a light blue

372

00:15:45,509 --> 00:15:43,600

glow

373

00:15:47,430 --> 00:15:45,519

we watched this bright object for

374

00:15:50,150 --> 00:15:47,440

several moments outside the window

375

00:15:52,790 --> 00:15:50,160

before suddenly it took off into the sky

376

00:15:54,550 --> 00:15:52,800

and disappeared as it did so all of the

377

00:15:57,189 --> 00:15:54,560

electricity in our home went out for

378

00:15:58,870 --> 00:15:57,199

several minutes before turning back on

379

00:16:01,350 --> 00:15:58,880

the pair would then go about their

380

00:16:04,150 --> 00:16:01,360

normal daily chores attempting to put

381

00:16:06,710 --> 00:16:04,160

the bizarre episode out of their minds

382

00:16:08,710 --> 00:16:06,720

however when daylight began to fade they

383

00:16:09,590 --> 00:16:08,720

would notice something outside their

384

00:16:12,069 --> 00:16:09,600

home

385

00:16:14,470 --> 00:16:12,079

there was a strange indentation in the

386

00:16:16,389 --> 00:16:14,480

snow exactly the same place where the

387

00:16:18,949 --> 00:16:16,399

glowing object had landed

388

00:16:21,990 --> 00:16:18,959

it appeared to be three indentations

389

00:16:23,670 --> 00:16:22,000

that formed an equilateral triangle but

390

00:16:25,829 --> 00:16:23,680

even more interesting was that in the

391

00:16:28,310 --> 00:16:25,839

middle of the triangle all of the snow

392

00:16:29,749 --> 00:16:28,320

had been completely melted the grass

393

00:16:32,069 --> 00:16:29,759

showing through

394

00:16:34,949 --> 00:16:32,079

even stranger still the grass appeared

395

00:16:38,230 --> 00:16:34,959

to have changed color to a sickly gray

396

00:16:40,389 --> 00:16:38,240

blue mono the husband would take a

397

00:16:41,509 --> 00:16:40,399

sample of the earth in this particular

398

00:16:43,350 --> 00:16:41,519

spot

399

00:16:45,590 --> 00:16:43,360

the following day he would visit the

400

00:16:47,590 --> 00:16:45,600

local newspaper offices

401
00:16:49,910 --> 00:16:47,600
the newspaper would begin to investigate

402
00:16:52,389 --> 00:16:49,920
the incident and would soon discover

403
00:16:54,710 --> 00:16:52,399
that the talasas were not the only ones

404
00:16:56,710 --> 00:16:54,720
to witness the bizarre object

405
00:16:59,269 --> 00:16:56,720
not only did their immediate neighbors

406
00:17:01,910 --> 00:16:59,279
witness the strange glowing object land

407
00:17:04,549 --> 00:17:01,920
and take off from the tolosus property

408
00:17:07,750 --> 00:17:04,559
but several other witnesses some up to

409
00:17:09,350 --> 00:17:07,760
three miles away also saw the mysterious

410
00:17:11,590 --> 00:17:09,360
object

411
00:17:13,990 --> 00:17:11,600
there are other intriguing details to

412
00:17:16,069 --> 00:17:14,000
note for example the object could

413
00:17:18,949 --> 00:17:16,079

definitely not be explained away like a

414

00:17:21,829 --> 00:17:18,959

balloon of any kind due to its movements

415

00:17:24,390 --> 00:17:21,839

into a relatively strong wind

416

00:17:26,549 --> 00:17:24,400

even more interesting several scientists

417

00:17:28,950 --> 00:17:26,559

who examine the soil samples would

418

00:17:31,510 --> 00:17:28,960

suggest something along the lines of a

419

00:17:33,590 --> 00:17:31,520

meteorite or a lightning strike to have

420

00:17:34,710 --> 00:17:33,600

caused the change in the elements of the

421

00:17:37,270 --> 00:17:34,720

soil

422

00:17:39,669 --> 00:17:37,280

however a meteor could be ruled out

423

00:17:41,750 --> 00:17:39,679

almost immediately given the number of

424

00:17:44,549 --> 00:17:41,760

witnesses a meteor would have been

425

00:17:47,590 --> 00:17:44,559

easily recognizable to most if not all

426

00:17:51,110 --> 00:17:47,600

of them furthermore the first sighting

427

00:17:55,669 --> 00:17:51,120

in the village was at 5 58 am with the

428

00:17:57,990 --> 00:17:55,679

last at 6 15 am with that of the telasus

429

00:18:00,470 --> 00:17:58,000

lightning could also be ruled out as the

430

00:18:02,870 --> 00:18:00,480

sightings of the strange lighted object

431

00:18:05,029 --> 00:18:02,880

lasted almost 20 minutes

432

00:18:06,150 --> 00:18:05,039

no lightning strike could ever last that

433

00:18:10,789 --> 00:18:06,160

long

434

00:18:13,110 --> 00:18:10,799

whatever it truly was remains a mystery

435

00:18:15,350 --> 00:18:13,120

returning to sweden the following case

436

00:18:19,029 --> 00:18:15,360

file comes directly from the research

437

00:18:20,470 --> 00:18:19,039

and voice of author and occultist fred

438

00:18:24,310 --> 00:18:20,480

anderson

439

00:18:27,029 --> 00:18:24,320

on march 23 of 1974 in the community of

440

00:18:29,830 --> 00:18:27,039

valentina north of stockholm something

441

00:18:33,990 --> 00:18:29,840

utterly strange happened so strange that

442

00:18:36,390 --> 00:18:34,000

it's still talked about 48 years later

443

00:18:39,830 --> 00:18:36,400

he leviane deseane who had celebrated her

444

00:18:42,150 --> 00:18:39,840

36th birthday a few days earlier was at

445

00:18:44,870 --> 00:18:42,160

home with her three children cecilia

446

00:18:46,470 --> 00:18:44,880

elizabeth and robert

447

00:18:50,070 --> 00:18:46,480

when some friends canceled their

448

00:18:53,029 --> 00:18:50,080

appointment at 7 30 pm she picked up the

449

00:18:54,150 --> 00:18:53,039

phone to call her parents sveya and

450

00:18:56,789 --> 00:18:54,160

hildor

451
00:18:59,190 --> 00:18:56,799
in the area of orchestra just a

452
00:19:01,510 --> 00:18:59,200
13-minute car drive away

453
00:19:03,590 --> 00:19:01,520
to see how they were doing

454
00:19:06,150 --> 00:19:03,600
for reasons unknown she couldn't get

455
00:19:08,630 --> 00:19:06,160
through which made her worried

456
00:19:11,270 --> 00:19:08,640
so worried that she took the kids loaded

457
00:19:14,390 --> 00:19:11,280
them into the car and started driving to

458
00:19:15,590 --> 00:19:14,400
her parents desolate isolated country

459
00:19:17,750 --> 00:19:15,600
home

460
00:19:20,310 --> 00:19:17,760
while driving up to lindholmer road to

461
00:19:21,510 --> 00:19:20,320
orchestra she noticed something in the

462
00:19:24,230 --> 00:19:21,520
sky

463
00:19:26,390 --> 00:19:24,240

a strong circular shaved light that

464

00:19:28,710 --> 00:19:26,400

seemed to be following them

465

00:19:30,549 --> 00:19:28,720

it first showed up near the vasa school

466

00:19:33,190 --> 00:19:30,559

and was visible until they reached the

467

00:19:35,430 --> 00:19:33,200

orchestra sports field where it suddenly

468

00:19:38,950 --> 00:19:35,440

shrunk to the size of an orange and

469

00:19:41,110 --> 00:19:38,960

quickly disappeared up into the sky

470

00:19:44,549 --> 00:19:41,120

they didn't think too much about it

471

00:19:47,190 --> 00:19:44,559

maybe it was a bright star a planet or

472

00:19:49,669 --> 00:19:47,200

even a helicopter in the distance

473

00:19:51,909 --> 00:19:49,679

but the odd light was still in hilly's

474

00:19:54,870 --> 00:19:51,919

mind as she drove her car up to her

475

00:19:57,270 --> 00:19:54,880

parents yard at malmann five

476

00:19:59,270 --> 00:19:57,280

a traditional swedish two-story red

477

00:20:01,590 --> 00:19:59,280

house with white dreams

478

00:20:04,070 --> 00:20:01,600

her father hildor met them on the porch

479

00:20:06,149 --> 00:20:04,080

and told hillary that the telephone was

480

00:20:09,029 --> 00:20:06,159

out of order and the television was

481

00:20:11,830 --> 00:20:09,039

suffering from technical interference

482

00:20:15,029 --> 00:20:11,840

the latter annoyed him it was almost 8

483

00:20:16,950 --> 00:20:15,039

pm and with only 2 tv channels in sweden

484

00:20:19,750 --> 00:20:16,960

it wasn't uncommon to sit down after

485

00:20:21,510 --> 00:20:19,760

dinner to watch the evening news

486

00:20:24,470 --> 00:20:21,520

he levy told him about the light that

487

00:20:26,950 --> 00:20:24,480

was following them and almost instantly

488

00:20:30,470 --> 00:20:26,960

they saw something at the other side of

489

00:20:33,110 --> 00:20:30,480

the road where the old query lies

490

00:20:36,310 --> 00:20:33,120

a strong bright light hovering above the

491

00:20:39,510 --> 00:20:36,320

trees and beside it a smaller ball of

492

00:20:41,510 --> 00:20:39,520

light moving in a zigzag pattern

493

00:20:43,669 --> 00:20:41,520

soon they saw that the lights belonged

494

00:20:46,549 --> 00:20:43,679

to some kind of craft

495

00:20:48,950 --> 00:20:46,559

oval shaped with three beams coming up

496

00:20:51,590 --> 00:20:48,960

from the ground into the ship

497

00:20:53,750 --> 00:20:51,600

the whole family froze in terror and the

498

00:20:55,830 --> 00:20:53,760

kids started to scream

499

00:20:58,070 --> 00:20:55,840

hillary's daughter threw herself on the

500

00:21:00,390 --> 00:20:58,080

ground and refused to get up

501
00:21:03,270 --> 00:21:00,400
suddenly the craft shrank to the size of

502
00:21:05,990 --> 00:21:03,280
an orange lifting vertically with

503
00:21:07,270 --> 00:21:06,000
incredible speed and disappeared out of

504
00:21:09,350 --> 00:21:07,280
sight

505
00:21:12,149 --> 00:21:09,360
when everyone calmed down they decided

506
00:21:15,190 --> 00:21:12,159
to go to hilvi's brother hilding in

507
00:21:17,590 --> 00:21:15,200
skiratbakken five minutes away by car

508
00:21:20,149 --> 00:21:17,600
during the short drive the alleged ufo

509
00:21:22,870 --> 00:21:20,159
was not seen from their point of view

510
00:21:25,510 --> 00:21:22,880
but on arrival hilding's wife met them

511
00:21:28,070 --> 00:21:25,520
outside and immediately asked them about

512
00:21:30,870 --> 00:21:28,080
the light following their car

513
00:21:33,590 --> 00:21:30,880

something hilvy hadn't noticed

514

00:21:36,390 --> 00:21:33,600

at this moment both families were scared

515

00:21:38,950 --> 00:21:36,400

and he olivia decided to leave both out

516

00:21:41,350 --> 00:21:38,960

of fear and curiosity

517

00:21:44,470 --> 00:21:41,360

after all that had happened she really

518

00:21:46,870 --> 00:21:44,480

wanted to see the estranged object again

519

00:21:49,830 --> 00:21:46,880

hilding took his own car to escort them

520

00:21:52,870 --> 00:21:49,840

and soon saw a hat-shaped object fly

521

00:21:54,789 --> 00:21:52,880

above and in front of his vehicle and

522

00:21:57,750 --> 00:21:54,799

behind hillary's

523

00:21:59,750 --> 00:21:57,760

not long after the larger

524

00:22:02,870 --> 00:21:59,760

object was observed at the distance of

525

00:22:05,510 --> 00:22:02,880

400 meters in front of them hovering in

526
00:22:06,950 --> 00:22:05,520
the air approximately 10 meters above

527
00:22:09,909 --> 00:22:06,960
the ground

528
00:22:12,870 --> 00:22:09,919
hilivi noticed how the smaller orange

529
00:22:15,350 --> 00:22:12,880
colored ball floated nearby

530
00:22:18,149 --> 00:22:15,360
the two objects started following hilvey

531
00:22:20,870 --> 00:22:18,159
and her children but somehow in all this

532
00:22:23,430 --> 00:22:20,880
terror curiosity began to grow even

533
00:22:24,950 --> 00:22:23,440
stronger and she parked the car to see

534
00:22:27,430 --> 00:22:24,960
what was going on

535
00:22:29,990 --> 00:22:27,440
the light was now above them and filled

536
00:22:31,590 --> 00:22:30,000
the car with a strong light

537
00:22:32,950 --> 00:22:31,600
hillary stopped her daughter from

538
00:22:35,029 --> 00:22:32,960

leaving the car

539

00:22:37,510 --> 00:22:35,039

she later claimed that something told

540

00:22:40,070 --> 00:22:37,520

her to go outside

541

00:22:42,789 --> 00:22:40,080

after a while the bright large object

542

00:22:45,510 --> 00:22:42,799

went away but before it vanished it

543

00:22:48,950 --> 00:22:45,520

stopped at a barn hovered for a while

544

00:22:50,870 --> 00:22:48,960

and then ventured further out of sight

545

00:22:52,789 --> 00:22:50,880

in total during the whole evening

546

00:22:56,470 --> 00:22:52,799

hillary estimates that she and her

547

00:22:58,789 --> 00:22:56,480

family saw the phenomenon for 40 minutes

548

00:23:01,350 --> 00:22:58,799

the day after hillary called the police

549

00:23:04,070 --> 00:23:01,360

to report the incident but they were

550

00:23:06,070 --> 00:23:04,080

clearly very uninterested

551
00:23:08,710 --> 00:23:06,080
instead she called swedish national

552
00:23:11,750 --> 00:23:08,720
defense research institute

553
00:23:14,789 --> 00:23:11,760
who politely took down her statement

554
00:23:17,750 --> 00:23:14,799
their ufo administrator toggy ericsson a

555
00:23:20,230 --> 00:23:17,760
job he had had since 1965

556
00:23:23,029 --> 00:23:20,240
was a hardcore skeptic and suggested it

557
00:23:25,590 --> 00:23:23,039
was some kind of a balloons a standard

558
00:23:28,870 --> 00:23:25,600
answer he often gave to such incidents

559
00:23:31,029 --> 00:23:28,880
but his mind was about to be changed

560
00:23:33,669 --> 00:23:31,039
a while later a representative from the

561
00:23:35,990 --> 00:23:33,679
police contact hillary and apologized

562
00:23:39,110 --> 00:23:36,000
for how she was treated because she

563
00:23:41,830 --> 00:23:39,120

wasn't alone in her strange otherworldly

564

00:23:45,029 --> 00:23:41,840

ufo experience

565

00:23:49,029 --> 00:23:45,039

during march 23 and 24 the police

566

00:23:52,070 --> 00:23:49,039

collected 76 reports from 31 witnesses

567

00:23:54,070 --> 00:23:52,080

in total all from different parts of the

568

00:23:57,110 --> 00:23:54,080

valentina area

569

00:24:00,230 --> 00:23:57,120

each of them describing the same strange

570

00:24:02,549 --> 00:24:00,240

eerie light sometimes describing it as

571

00:24:05,190 --> 00:24:02,559

oval or egg-shaped

572

00:24:07,350 --> 00:24:05,200

a former blacksmith 90 year old called

573

00:24:10,310 --> 00:24:07,360

you once on was convinced the sun had

574

00:24:12,630 --> 00:24:10,320

risen early when he saw the craft as the

575

00:24:14,789 --> 00:24:12,640

light was so strong

576

00:24:17,110 --> 00:24:14,799

in the end there were 43 days of

577

00:24:19,909 --> 00:24:17,120

sightings in the area during the spring

578

00:24:22,390 --> 00:24:19,919

of 1974.

579

00:24:25,350 --> 00:24:22,400

the night before all of this school

580

00:24:28,149 --> 00:24:25,360

janitor jose hagger was going home after

581

00:24:30,470 --> 00:24:28,159

a social gathering in markham

582

00:24:33,190 --> 00:24:30,480

along his path close to the ground he

583

00:24:36,230 --> 00:24:33,200

noticed a strange light

584

00:24:38,230 --> 00:24:36,240

it grew increasingly stronger moving

585

00:24:41,029 --> 00:24:38,240

closer to him

586

00:24:43,190 --> 00:24:41,039

out of curiosity he walked towards it

587

00:24:45,350 --> 00:24:43,200

and was thrown down to the ground by a

588

00:24:48,149 --> 00:24:45,360

powerful force

589

00:24:50,870 --> 00:24:48,159

a while later he found himself outside

590

00:24:53,669 --> 00:24:50,880

his home in lindholmen with a bleeding

591

00:24:57,510 --> 00:24:53,679

wound in the head bruises to his face

592

00:25:00,070 --> 00:24:57,520

and no memory of what happened to him

593

00:25:01,590 --> 00:25:00,080

he woke up his wife frantically ringing

594

00:25:03,350 --> 00:25:01,600

the doorbell

595

00:25:05,830 --> 00:25:03,360

the day after he called the national

596

00:25:08,630 --> 00:25:05,840

defense who recommended him to contact

597

00:25:10,710 --> 00:25:08,640

hardy bornholm who later became more

598

00:25:12,870 --> 00:25:10,720

involved in the case as an official

599

00:25:15,269 --> 00:25:12,880

investigator and collector of

600

00:25:19,190 --> 00:25:15,279

information

601
00:25:21,830 --> 00:25:19,200
on april 1st and may 24th the same year

602
00:25:23,669 --> 00:25:21,840
he met chief physician tour arvidsson at

603
00:25:25,830 --> 00:25:23,679
the dundrid hospital

604
00:25:27,510 --> 00:25:25,840
and went through two hypnotic

605
00:25:29,990 --> 00:25:27,520
regressions

606
00:25:33,510 --> 00:25:30,000
just described how he was taken aboard

607
00:25:34,430 --> 00:25:33,520
some kind of craft and was examined by

608
00:25:36,710 --> 00:25:34,440
four

609
00:25:39,350 --> 00:25:36,720
semi-transparent men

610
00:25:41,510 --> 00:25:39,360
in the second session describing them as

611
00:25:44,149 --> 00:25:41,520
native americans

612
00:25:47,750 --> 00:25:44,159
they might also have worn hoodies as

613
00:25:50,310 --> 00:25:47,760

they had no noses or ears

614

00:25:52,630 --> 00:25:50,320

the beings gave him a mission but he was

615

00:25:56,390 --> 00:25:52,640

vague about the details other than his

616

00:25:58,470 --> 00:25:56,400

mission might happen in the year 2000

617

00:26:00,950 --> 00:25:58,480

according to josta they also put some

618

00:26:04,070 --> 00:26:00,960

kind of instrument against his forehead

619

00:26:06,390 --> 00:26:04,080

which caused a burning pain

620

00:26:08,950 --> 00:26:06,400

outside of the incident in valentina

621

00:26:11,110 --> 00:26:08,960

yusta also claimed that since childhood

622

00:26:12,789 --> 00:26:11,120

after an accident in which he fell from

623

00:26:14,870 --> 00:26:12,799

a tree and lost an eye

624

00:26:17,830 --> 00:26:14,880

to have a higher sensibility for

625

00:26:19,350 --> 00:26:17,840

precognition and other extra sensory

626
00:26:21,430 --> 00:26:19,360
perceptions

627
00:26:23,269 --> 00:26:21,440
just was described as a down to earth

628
00:26:26,870 --> 00:26:23,279
man that didn't place too much

629
00:26:29,590 --> 00:26:26,880
importance in his experiences

630
00:26:31,350 --> 00:26:29,600
from this experience in 1974 he received

631
00:26:33,190 --> 00:26:31,360
a wound in the forehead and was

632
00:26:34,230 --> 00:26:33,200
something that considered burn marks at

633
00:26:37,830 --> 00:26:34,240
the time

634
00:26:40,070 --> 00:26:37,840
but seen more closely related to bruises

635
00:26:42,789 --> 00:26:40,080
he never claimed his experience was

636
00:26:44,549 --> 00:26:42,799
related to aliens he just didn't know

637
00:26:47,510 --> 00:26:44,559
what happened to him

638
00:26:49,430 --> 00:26:47,520

hilly was offered a hypnosis session but

639

00:26:50,830 --> 00:26:49,440

refused because she didn't suffer any

640

00:26:53,990 --> 00:26:50,840

kind of memory

641

00:26:56,390 --> 00:26:54,000

loss other witnesses could corroborate

642

00:26:58,549 --> 00:26:56,400

justice experience

643

00:27:00,950 --> 00:26:58,559

a woman cyclist had seen the light at

644

00:27:03,909 --> 00:27:00,960

the same place on the same time

645

00:27:06,310 --> 00:27:03,919

two men unaware of each other claimed to

646

00:27:08,789 --> 00:27:06,320

have seen a metallic object at the field

647

00:27:10,870 --> 00:27:08,799

where just had his encounter

648

00:27:13,510 --> 00:27:10,880

and a couple had seen what they first

649

00:27:16,950 --> 00:27:13,520

thought was a new water tower with

650

00:27:19,750 --> 00:27:16,960

lights coming out from his top windows

651
00:27:21,269 --> 00:27:19,760
but understood later there was no water

652
00:27:24,950 --> 00:27:21,279
tower there

653
00:27:27,269 --> 00:27:24,960
other witnesses experienced bodily pain

654
00:27:30,310 --> 00:27:27,279
including hillary who explained her pain

655
00:27:32,630 --> 00:27:30,320
as if she were about to break into two

656
00:27:35,510 --> 00:27:32,640
pieces at the waist

657
00:27:38,070 --> 00:27:35,520
there was vomiting migraine and a higher

658
00:27:40,950 --> 00:27:38,080
level of white blood cells

659
00:27:42,389 --> 00:27:40,960
one side effect of radioactivity but

660
00:27:44,230 --> 00:27:42,399
also stress

661
00:27:45,830 --> 00:27:44,240
when hillary returned to the quarry

662
00:27:47,750 --> 00:27:45,840
together with her husband and a

663
00:27:51,029 --> 00:27:47,760

representative from the national home

664

00:27:53,750 --> 00:27:51,039

defense hardybornholm they found three

665

00:27:57,110 --> 00:27:53,760

smaller veg shaped marks in the ground

666

00:27:59,190 --> 00:27:57,120

and several trees had lost their tops

667

00:28:01,669 --> 00:27:59,200

a while later the national defense

668

00:28:04,710 --> 00:28:01,679

research institute arrived at the scene

669

00:28:07,510 --> 00:28:04,720

specifically at the ancient vos akulen

670

00:28:11,750 --> 00:28:07,520

in the small community of lindholmen to

671

00:28:14,230 --> 00:28:11,760

take samples of burned grass and soil

672

00:28:16,470 --> 00:28:14,240

according to witnesses they were wearing

673

00:28:18,950 --> 00:28:16,480

protective clothing the

674

00:28:20,950 --> 00:28:18,960

commander-in-chief at the time stieixin

675

00:28:22,950 --> 00:28:20,960

agreement ordered the home defense to

676

00:28:25,510 --> 00:28:22,960

place people on two positions in the

677

00:28:27,909 --> 00:28:25,520

area in the weeks that followed to be

678

00:28:30,549 --> 00:28:27,919

able to study a possible return of the

679

00:28:32,789 --> 00:28:30,559

phenomenon from different angles

680

00:28:34,070 --> 00:28:32,799

it was officially declared a military

681

00:28:36,230 --> 00:28:34,080

exercise

682

00:28:38,470 --> 00:28:36,240

operation s

683

00:28:41,029 --> 00:28:38,480

according to documents from the swedish

684

00:28:42,950 --> 00:28:41,039

national defense research institute

685

00:28:45,590 --> 00:28:42,960

it was concluded that there was an

686

00:28:46,710 --> 00:28:45,600

alleged physical object over valentina

687

00:28:49,269 --> 00:28:46,720

that night

688

00:28:51,190 --> 00:28:49,279

but no one could come up with a logical

689

00:28:53,269 --> 00:28:51,200

explanation

690

00:28:55,750 --> 00:28:53,279

what's lesser known is that the first

691

00:28:58,470 --> 00:28:55,760

sighting of the area had already

692

00:29:01,510 --> 00:28:58,480

happened months earlier it was on new

693

00:29:04,630 --> 00:29:01,520

year's eve in tuschalma less than 10

694

00:29:07,269 --> 00:29:04,640

kilometers from the later incidents

695

00:29:09,830 --> 00:29:07,279

it was between 1 and 2 a.m in the

696

00:29:12,230 --> 00:29:09,840

morning and a company of four to five

697

00:29:15,510 --> 00:29:12,240

people were walking home from a new year

698

00:29:17,990 --> 00:29:15,520

celebration at the neighbor's house

699

00:29:21,029 --> 00:29:18,000

in front of them a big cigar-shaped

700

00:29:23,830 --> 00:29:21,039

object with a strong luminous light and

701
00:29:26,549 --> 00:29:23,840
a row of windows who came floating above

702
00:29:28,070 --> 00:29:26,559
the ground and stopped by the edge of a

703
00:29:30,149 --> 00:29:28,080
forest

704
00:29:32,389 --> 00:29:30,159
they studied the object for

705
00:29:35,510 --> 00:29:32,399
depending on which witness you ask

706
00:29:37,750 --> 00:29:35,520
between seven seconds and two minutes

707
00:29:39,990 --> 00:29:37,760
then it dissolved and disappeared in

708
00:29:43,110 --> 00:29:40,000
front of their eyes

709
00:29:45,750 --> 00:29:43,120
it was 10 minus celsius no wind and

710
00:29:49,190 --> 00:29:45,760
neither of the witnesses had any logical

711
00:29:50,789 --> 00:29:49,200
explanation for what they had seen

712
00:29:53,430 --> 00:29:50,799
some of the sightings could have been

713
00:29:56,149 --> 00:29:53,440

stars planets satellites and even

714

00:29:59,190 --> 00:29:56,159

airplanes coming in and out of arlanda

715

00:30:02,149 --> 00:29:59,200

airport 30 kilometers away but the

716

00:30:04,549 --> 00:30:02,159

landing of the oval shaped craft is not

717

00:30:06,710 --> 00:30:04,559

in the realm of those theories

718

00:30:09,669 --> 00:30:06,720

on the downside the investigation at the

719

00:30:12,549 --> 00:30:09,679

time was conducted towards a flying

720

00:30:14,789 --> 00:30:12,559

saucer alien bias this might have

721

00:30:17,350 --> 00:30:14,799

affected the memories of experience of

722

00:30:20,470 --> 00:30:17,360

those involved for example during the

723

00:30:22,630 --> 00:30:20,480

hypnosis sessions leading questions may

724

00:30:24,950 --> 00:30:22,640

have been asked

725

00:30:27,430 --> 00:30:24,960

on the other hand the witnesses have

726

00:30:30,230 --> 00:30:27,440

stood by the stories ever since

727

00:30:31,669 --> 00:30:30,240

with little to no detail changing over

728

00:30:33,909 --> 00:30:31,679

the years

729

00:30:37,190 --> 00:30:33,919

it should be noted that the esoteric

730

00:30:39,590 --> 00:30:37,200

connection is strong both in regard to

731

00:30:43,029 --> 00:30:39,600

where eusta haggar was allegedly

732

00:30:44,389 --> 00:30:43,039

abducted on an ancient hill near two

733

00:30:46,870 --> 00:30:44,399

runestones

734

00:30:49,350 --> 00:30:46,880

and his overall experience was before

735

00:30:51,190 --> 00:30:49,360

under and after the incident

736

00:30:53,830 --> 00:30:51,200

but what makes the story even more

737

00:30:57,430 --> 00:30:53,840

interesting is that hillary had a

738

00:31:00,149 --> 00:30:57,440

near-death experience as a child exactly

739

00:31:02,470 --> 00:31:00,159

at the same spot where the ufo hovered

740

00:31:04,389 --> 00:31:02,480

near her parents house

741

00:31:06,230 --> 00:31:04,399

the quarry was used as a place for

742

00:31:08,789 --> 00:31:06,240

swimming during the summer the

743

00:31:11,430 --> 00:31:08,799

four-year-old hilvy fell into the water

744

00:31:13,830 --> 00:31:11,440

and lost consciousness

745

00:31:16,070 --> 00:31:13,840

she basically drowned

746

00:31:18,470 --> 00:31:16,080

after being saved by her father she

747

00:31:21,750 --> 00:31:18,480

remembered how she was surrounded by

748

00:31:23,269 --> 00:31:21,760

beautiful lights and a general sense of

749

00:31:26,230 --> 00:31:23,279

peace

750

00:31:28,310 --> 00:31:26,240

is it too much of a coincidence that

751

00:31:30,470 --> 00:31:28,320

this much later

752

00:31:31,990 --> 00:31:30,480

was also the place for her close

753

00:31:33,990 --> 00:31:32,000

encounter

754

00:31:37,669 --> 00:31:34,000

for hillary this had a connection of

755

00:31:41,509 --> 00:31:37,679

some sort and it means something to her

756

00:31:44,389 --> 00:31:41,519

no matter what the valentina ufo flap

757

00:31:46,789 --> 00:31:44,399

will continue to be a magnificent

758

00:31:48,990 --> 00:31:46,799

mystery

759

00:31:51,430 --> 00:31:49,000

returning back to finland two

760

00:31:53,110 --> 00:31:51,440

extraordinary close encounters were said

761

00:31:55,269 --> 00:31:53,120

to have occurred

762

00:31:57,590 --> 00:31:55,279

the incidents in question happen just

763

00:32:01,669 --> 00:31:57,600

over a year apart from each other at

764

00:32:05,269 --> 00:32:01,679

locations separated by 300 miles

765

00:32:08,870 --> 00:32:05,279

on the afternoon of january 7th 1970 at

766

00:32:10,070 --> 00:32:08,880

around 4 45 pm near the small village of

767

00:32:13,269 --> 00:32:10,080

injarvi

768

00:32:15,269 --> 00:32:13,279

woodman heinenen and escoviro were each

769

00:32:17,350 --> 00:32:15,279

scheme down one of the snow-covered

770

00:32:20,549 --> 00:32:17,360

hills in the region towards one of the

771

00:32:22,870 --> 00:32:20,559

glades they would use as a resting spot

772

00:32:25,590 --> 00:32:22,880

although it was not yet dark the sky had

773

00:32:28,310 --> 00:32:25,600

taken a dark orange glow announcing the

774

00:32:30,789 --> 00:32:28,320

immediate arrival of the night a few

775

00:32:33,909 --> 00:32:30,799

stars were already visible and the sky

776

00:32:36,710 --> 00:32:33,919

itself was clear and cloudless it was

777

00:32:38,630 --> 00:32:36,720

cold and rapidly getting colder below

778

00:32:40,549 --> 00:32:38,640

freezing temperatures

779

00:32:43,110 --> 00:32:40,559

as they were resting and catching their

780

00:32:44,549 --> 00:32:43,120

breath a buzzing noise suddenly became

781

00:32:47,110 --> 00:32:44,559

apparent to them

782

00:32:49,430 --> 00:32:47,120

as did the strange light moving quickly

783

00:32:51,590 --> 00:32:49,440

across the darkening sky

784

00:32:53,110 --> 00:32:51,600

each watched the object as it approached

785

00:32:56,310 --> 00:32:53,120

their location

786

00:32:58,710 --> 00:32:56,320

as it moved closer it also descended the

787

00:33:01,190 --> 00:32:58,720

faint buzzing was now considerably

788

00:33:03,750 --> 00:33:01,200

louder proving that whatever this object

789

00:33:04,950 --> 00:33:03,760

was it was definitely the source of the

790

00:33:08,230 --> 00:33:04,960

noise

791

00:33:09,750 --> 00:33:08,240

suddenly this craft stopped its descent

792

00:33:12,470 --> 00:33:09,760

and hovered

793

00:33:15,509 --> 00:33:12,480

a red gray mist appeared to cloak the

794

00:33:19,430 --> 00:33:15,519

object moving in a swirling motion

795

00:33:21,590 --> 00:33:19,440

the descent began again only much slower

796

00:33:25,190 --> 00:33:21,600

they would describe the craft as round

797

00:33:27,350 --> 00:33:25,200

or disc shaped but with a flat underside

798

00:33:30,070 --> 00:33:27,360

it also had the appearance of a metallic

799

00:33:32,389 --> 00:33:30,080

exterior the object would halt its

800

00:33:33,350 --> 00:33:32,399

descent at around 12 feet from the

801
00:33:35,909 --> 00:33:33,360
ground

802
00:33:37,669 --> 00:33:35,919
so close that heinenen would claim that

803
00:33:40,549 --> 00:33:37,679
he could have touched it if he had

804
00:33:42,950 --> 00:33:40,559
reached up with his ski pole

805
00:33:45,350 --> 00:33:42,960
heinenen would further claim the top of

806
00:33:48,789 --> 00:33:45,360
the craft featured a dome and three

807
00:33:51,669 --> 00:33:48,799
spheres or domes spaced equidistantly

808
00:33:53,269 --> 00:33:51,679
along a raised part on the lower edge

809
00:33:56,710 --> 00:33:53,279
in the middle of the underside of the

810
00:33:59,029 --> 00:33:56,720
craft was a projected tube as the men

811
00:34:01,909 --> 00:33:59,039
watched an intense beam of light

812
00:34:03,190 --> 00:34:01,919
suddenly flashed from this tube directly

813
00:34:05,509 --> 00:34:03,200

downwards

814

00:34:07,909 --> 00:34:05,519

this light would illuminate the snow on

815

00:34:10,550 --> 00:34:07,919

the ground before disappearing

816

00:34:12,389 --> 00:34:10,560

this was repeated several times

817

00:34:15,030 --> 00:34:12,399

it was as the two men watched this

818

00:34:17,430 --> 00:34:15,040

bizarre light display that heinen had

819

00:34:20,230 --> 00:34:17,440

the sudden feeling that somebody had

820

00:34:21,750 --> 00:34:20,240

seized his waist from behind and pulled

821

00:34:25,829 --> 00:34:21,760

him backward

822

00:34:27,589 --> 00:34:25,839

it was then that he saw the creature

823

00:34:30,389 --> 00:34:27,599

standing in the middle of the beam of

824

00:34:33,349 --> 00:34:30,399

light was a small humanoid about three

825

00:34:34,869 --> 00:34:33,359

feet in height in its hands was a dark

826
00:34:37,030 --> 00:34:34,879
black box

827
00:34:39,430 --> 00:34:37,040
he could see a yellow glow that seemed

828
00:34:41,510 --> 00:34:39,440
to come from inside the box

829
00:34:44,230 --> 00:34:41,520
the creature was dressed in a green

830
00:34:47,510 --> 00:34:44,240
overall type outfit and what skin was

831
00:34:49,909 --> 00:34:47,520
exposed was pale like wax

832
00:34:51,990 --> 00:34:49,919
the arms and legs were extremely thin

833
00:34:53,349 --> 00:34:52,000
while on its feet or a pair of green

834
00:34:55,430 --> 00:34:53,359
boots

835
00:34:57,750 --> 00:34:55,440
viho would recall that the frame of the

836
00:35:00,550 --> 00:34:57,760
creature was like a child and that it

837
00:35:02,870 --> 00:35:00,560
wore a conical helmet on its head which

838
00:35:04,950 --> 00:35:02,880

was shining like metal

839

00:35:07,190 --> 00:35:04,960

without warning the creature turned the

840

00:35:07,910 --> 00:35:07,200

box towards heinenen pointing it towards

841

00:35:10,470 --> 00:35:07,920

him

842

00:35:13,670 --> 00:35:10,480

as if it were a weapon

843

00:35:16,069 --> 00:35:13,680

a red grey mist formed out of nowhere

844

00:35:17,990 --> 00:35:16,079

and large sparks started to fly from the

845

00:35:20,310 --> 00:35:18,000

illuminated snow

846

00:35:22,870 --> 00:35:20,320

many of these sparks would hit heinenen

847

00:35:24,790 --> 00:35:22,880

but they did not cause any injury

848

00:35:27,109 --> 00:35:24,800

veho would recall how the sparks were

849

00:35:29,349 --> 00:35:27,119

shining in several colors

850

00:35:31,190 --> 00:35:29,359

as this was happening the creature was

851
00:35:34,310 --> 00:35:31,200
no longer visible

852
00:35:37,430 --> 00:35:34,320
the thick red mist covered it entirely

853
00:35:39,670 --> 00:35:37,440
then without warning the beam melted

854
00:35:42,310 --> 00:35:39,680
flew up like a flickering flame and was

855
00:35:45,190 --> 00:35:42,320
sucked into the gap of the craft

856
00:35:46,870 --> 00:35:45,200
the mist the light and the creature were

857
00:35:49,510 --> 00:35:46,880
now gone

858
00:35:51,990 --> 00:35:49,520
heinonen however was unable to move his

859
00:35:53,829 --> 00:35:52,000
right side following the incident and

860
00:35:55,349 --> 00:35:53,839
his friend would have to assist him in

861
00:35:58,310 --> 00:35:55,359
their journey home

862
00:36:00,390 --> 00:35:58,320
although this paralysis was temporary

863
00:36:02,310 --> 00:36:00,400

the incident would have a profound

864

00:36:04,310 --> 00:36:02,320

effect on heinenen

865

00:36:06,710 --> 00:36:04,320

he would report numerous sightings

866

00:36:09,349 --> 00:36:06,720

following the initial encounter one of

867

00:36:12,150 --> 00:36:09,359

these was a meeting with a blonde alien

868

00:36:14,870 --> 00:36:12,160

who he attempted to photograph which in

869

00:36:17,349 --> 00:36:14,880

turn caused her to disappear

870

00:36:20,870 --> 00:36:17,359

while many cite these claims as reason

871

00:36:22,950 --> 00:36:20,880

to dismiss the imjarvi incident entirely

872

00:36:26,630 --> 00:36:22,960

other witnesses that evening would

873

00:36:30,230 --> 00:36:26,640

suggest the encounter to be true around

874

00:36:32,550 --> 00:36:30,240

10 miles away in paisjarvi elna satari

875

00:36:34,550 --> 00:36:32,560

was doing chores on her farm when she

876

00:36:38,069 --> 00:36:34,560

saw an intensely bright light in the

877

00:36:40,390 --> 00:36:38,079

direction of heinenen in viho's location

878

00:36:44,390 --> 00:36:40,400

the time of the sighting was just before

879

00:36:46,870 --> 00:36:44,400

5 pm just over 6 miles away in paso a

880

00:36:49,190 --> 00:36:46,880

young boy collecting firewood before it

881

00:36:52,470 --> 00:36:49,200

became too dark to do so would see the

882

00:36:54,870 --> 00:36:52,480

bizarre bright light also

883

00:36:57,510 --> 00:36:54,880

perhaps an even more bizarre incident

884

00:37:00,150 --> 00:36:57,520

happened in the summer of 1970 when the

885

00:37:02,790 --> 00:37:00,160

two men along with a swedish journalist

886

00:37:05,670 --> 00:37:02,800

a photographer and an interpreter went

887

00:37:07,990 --> 00:37:05,680

to the location of the incident

888

00:37:10,470 --> 00:37:08,000

as they stood talking each of the three

889

00:37:13,750 --> 00:37:10,480

visitors hands suddenly glowed in

890

00:37:16,069 --> 00:37:13,760

intensely bright and unnatural red at

891

00:37:18,470 --> 00:37:16,079

the same time heinenen suddenly

892

00:37:20,069 --> 00:37:18,480

experienced an intense headache much

893

00:37:22,550 --> 00:37:20,079

like the one he experienced in the

894

00:37:25,270 --> 00:37:22,560

aftermath of the sighting

895

00:37:26,550 --> 00:37:25,280

needless to say the expedition was cut

896

00:37:29,190 --> 00:37:26,560

short

897

00:37:33,030 --> 00:37:29,200

regardless of heinenen's later claims

898

00:37:36,069 --> 00:37:33,040

this incident of january 7 1970 remains

899

00:37:40,230 --> 00:37:36,079

open to investigation

900

00:37:42,870 --> 00:37:40,240

shortly after 8 p.m on february 2nd 1971

901
00:37:46,150 --> 00:37:42,880
sinika khutenan and her friend known

902
00:37:49,750 --> 00:37:46,160
only as mrs mannin were driving towards

903
00:37:51,910 --> 00:37:49,760
ulu in the kaminki region of finland

904
00:37:53,910 --> 00:37:51,920
as they did so each had noticed a

905
00:37:55,190 --> 00:37:53,920
strange light behind them in the night

906
00:37:57,109 --> 00:37:55,200
sky

907
00:37:59,109 --> 00:37:57,119
as they continued to watch the lights

908
00:38:00,150 --> 00:37:59,119
suddenly rushed towards their moving

909
00:38:02,230 --> 00:38:00,160
vehicle

910
00:38:05,030 --> 00:38:02,240
it then proceeded to keep pace with them

911
00:38:06,950 --> 00:38:05,040
cruising along their left hand side

912
00:38:09,670 --> 00:38:06,960
they would bring the car to a stop near

913
00:38:12,710 --> 00:38:09,680

a field at the side of the road suddenly

914

00:38:16,069 --> 00:38:12,720

the light vanished in its place however

915

00:38:18,790 --> 00:38:16,079

was a strange three foot tall creature

916

00:38:21,670 --> 00:38:18,800

it adorned a helmet in a brown green

917

00:38:23,510 --> 00:38:21,680

suit this strange creature crossed the

918

00:38:26,150 --> 00:38:23,520

road in front of them and disappeared

919

00:38:29,190 --> 00:38:26,160

into the woodlands opposite the field

920

00:38:31,510 --> 00:38:29,200

not wanting to stay kootenan slammed her

921

00:38:33,109 --> 00:38:31,520

foot down on the gas pedal and didn't

922

00:38:35,589 --> 00:38:33,119

remove it until they reached their

923

00:38:37,589 --> 00:38:35,599

destination of ulu

924

00:38:39,270 --> 00:38:37,599

neither of the women would report the

925

00:38:41,430 --> 00:38:39,280

incident initially

926
00:38:44,790 --> 00:38:41,440
not until an apparent encounter in the

927
00:38:47,430 --> 00:38:44,800
same region on february 5th

928
00:38:50,150 --> 00:38:47,440
as the snow continued to fall well into

929
00:38:53,670 --> 00:38:50,160
the late afternoon lumberjacks peter

930
00:38:55,750 --> 00:38:53,680
aleranta and esko snek finally decided

931
00:38:57,589 --> 00:38:55,760
they were done for the day and begin to

932
00:39:00,310 --> 00:38:57,599
pack up their equipment

933
00:39:02,710 --> 00:39:00,320
it was a little after 3 p.m but the sky

934
00:39:05,030 --> 00:39:02,720
was a gloomy white and the snow showed

935
00:39:07,430 --> 00:39:05,040
no sign of abating

936
00:39:10,069 --> 00:39:07,440
as eleranta turned off his industrial

937
00:39:13,349 --> 00:39:10,079
style chainsaw he noticed a metallic

938
00:39:16,150 --> 00:39:13,359

object hovering just above the trees

939

00:39:17,910 --> 00:39:16,160

the object was like two saucers on top

940

00:39:20,470 --> 00:39:17,920

of each other with what appeared to be

941

00:39:23,670 --> 00:39:20,480

four legs on its underside

942

00:39:26,470 --> 00:39:23,680

it began to descend towards the forest

943

00:39:28,470 --> 00:39:26,480

as it did so a circular window or

944

00:39:29,510 --> 00:39:28,480

doorway opened on the bottom of the

945

00:39:32,069 --> 00:39:29,520

craft

946

00:39:34,870 --> 00:39:32,079

it continued downwards seemingly coming

947

00:39:36,710 --> 00:39:34,880

to a stop in a small clearing about 50

948

00:39:38,550 --> 00:39:36,720

feet in front of them

949

00:39:40,870 --> 00:39:38,560

the lumberjack continued to watch the

950

00:39:43,109 --> 00:39:40,880

scene as his partner finished his last

951
00:39:46,630 --> 00:39:43,119
cut of the day and was unaware of the

952
00:39:49,190 --> 00:39:46,640
bizarre event unfolding before him

953
00:39:51,990 --> 00:39:49,200
from the circular gap a three foot tall

954
00:39:54,950 --> 00:39:52,000
humanoid creature dressed in a one-piece

955
00:39:56,790 --> 00:39:54,960
green outfit emerged the creature

956
00:39:59,990 --> 00:39:56,800
appeared to be wearing a helmet with a

957
00:40:01,829 --> 00:40:00,000
faceplate similar to scuba divers

958
00:40:04,069 --> 00:40:01,839
as soon as the creature touched down in

959
00:40:06,950 --> 00:40:04,079
the snow-covered forest floor it began

960
00:40:08,950 --> 00:40:06,960
to make its way towards the two men

961
00:40:11,270 --> 00:40:08,960
the movements of the creature were

962
00:40:14,630 --> 00:40:11,280
similar to an astronaut's motions on the

963
00:40:16,230 --> 00:40:14,640

moon as it appeared to jump or hop

964

00:40:18,710 --> 00:40:16,240

towards them

965

00:40:20,870 --> 00:40:18,720

at this moment alaranta flicked the

966

00:40:22,950 --> 00:40:20,880

switch on his chainsaw

967

00:40:24,870 --> 00:40:22,960

this it seemed alerted his fellow

968

00:40:26,870 --> 00:40:24,880

lumberjack who looked up to see the

969

00:40:27,990 --> 00:40:26,880

bizarre entity heading in their

970

00:40:30,790 --> 00:40:28,000

direction

971

00:40:33,349 --> 00:40:30,800

for reasons he couldn't explain snek

972

00:40:36,230 --> 00:40:33,359

advanced towards the humanoid his

973

00:40:39,190 --> 00:40:36,240

chainsaw still switched on held out in

974

00:40:41,910 --> 00:40:39,200

front of him as if ready to attack

975

00:40:43,990 --> 00:40:41,920

the creature continued to advance until

976
00:40:47,190 --> 00:40:44,000
it finally turned and headed back

977
00:40:50,230 --> 00:40:47,200
towards the saucer-like craft alaranta

978
00:40:52,550 --> 00:40:50,240
moved forward now also joining snek as

979
00:40:54,630 --> 00:40:52,560
he advanced towards the craft

980
00:40:57,829 --> 00:40:54,640
as each man got closer they could see

981
00:40:59,670 --> 00:40:57,839
several other humanoid creatures inside

982
00:41:01,430 --> 00:40:59,680
the craft suddenly began to hover

983
00:41:04,630 --> 00:41:01,440
slightly above the ground as if

984
00:41:07,589 --> 00:41:04,640
expecting the arrival of the creature

985
00:41:10,150 --> 00:41:07,599
aleranta lunged forward and grabbed the

986
00:41:12,710 --> 00:41:10,160
heel of the strange figure in an effort

987
00:41:15,430 --> 00:41:12,720
to stop it from boarding

988
00:41:19,510 --> 00:41:15,440

when he did so however a jolt of pure

989

00:41:21,589 --> 00:41:19,520

pain like hot iron entered his hand

990

00:41:23,670 --> 00:41:21,599

according to reports in local newspapers

991

00:41:26,470 --> 00:41:23,680

at the time the wound would remain

992

00:41:29,190 --> 00:41:26,480

volatile for several months

993

00:41:31,670 --> 00:41:29,200

needless to say alaranta had let go of

994

00:41:35,109 --> 00:41:31,680

the creature who then motioned itself

995

00:41:37,109 --> 00:41:35,119

upwards and into the craft gusts of air

996

00:41:39,829 --> 00:41:37,119

begin to swirl around the clearing as

997

00:41:42,550 --> 00:41:39,839

the craft began its rapid ascent

998

00:41:44,790 --> 00:41:42,560

within a matter of seconds it completely

999

00:41:47,190 --> 00:41:44,800

vanished out of sight

1000

00:41:49,510 --> 00:41:47,200

there were several markings in the snow

1001
00:41:51,750 --> 00:41:49,520
following the craft's disappearance but

1002
00:41:52,950 --> 00:41:51,760
nothing else remained of the visitor's

1003
00:41:55,270 --> 00:41:52,960
presence

1004
00:41:57,670 --> 00:41:55,280
each of the men suffered a mild form of

1005
00:41:59,910 --> 00:41:57,680
paralysis in the minutes following the

1006
00:42:02,790 --> 00:41:59,920
encounter and would not be able to leave

1007
00:42:04,870 --> 00:42:02,800
for around an hour the incident would

1008
00:42:07,430 --> 00:42:04,880
attract the attention of both national

1009
00:42:09,910 --> 00:42:07,440
and international media as well as

1010
00:42:11,270 --> 00:42:09,920
numerous ufo investigators over the

1011
00:42:14,829 --> 00:42:11,280
years

1012
00:42:20,470 --> 00:42:18,069
divided so what exactly are we to make

1013
00:42:23,510 --> 00:42:20,480

of the lake antenna case and the many

1014

00:42:26,309 --> 00:42:23,520

others reported in the nordic regions

1015

00:42:28,950 --> 00:42:26,319

could they all somehow be connected and

1016

00:42:32,069 --> 00:42:28,960

if so how do these incidents fit into

1017

00:42:35,190 --> 00:42:32,079

the wider ufo question

1018

00:42:37,910 --> 00:42:35,200

as always it is the who and why that

1019

00:42:39,910 --> 00:42:37,920

lurk in the background of these accounts

1020

00:42:42,470 --> 00:42:39,920

what might the purpose have been of

1021

00:42:45,270 --> 00:42:42,480

these landing incidents

1022

00:42:47,990 --> 00:42:45,280

and why would these alleged objects land

1023

00:42:49,589 --> 00:42:48,000

for such a brief time and then just take

1024

00:42:51,829 --> 00:42:49,599

off again

1025

00:42:54,069 --> 00:42:51,839

could it be that these craft are not

1026

00:42:57,430 --> 00:42:54,079

alien in origin but are instead some

1027

00:42:59,670 --> 00:42:57,440

sort of top secret military aircraft

1028

00:43:02,710 --> 00:42:59,680

and if that is the case the same

1029

00:43:04,630 --> 00:43:02,720

question applies what is the purpose of

1030

00:43:06,550 --> 00:43:04,640

the landings

1031

00:43:08,870 --> 00:43:06,560

with new sightings reported even up

1032

00:43:10,710 --> 00:43:08,880

until today in the nordic countries as

1033

00:43:12,470 --> 00:43:10,720

well as more and more government and

1034

00:43:15,190 --> 00:43:12,480

official military files being

1035

00:43:17,750 --> 00:43:15,200

declassified around the world the amount

1036

00:43:21,109 --> 00:43:17,760

of data we will have at our collective

1037

00:43:23,910 --> 00:43:21,119

fingertips is only set to grow

1038

00:43:26,630 --> 00:43:23,920

and maybe with that data patterns will

1039

00:43:29,190 --> 00:43:26,640

emerge and connections will almost

1040

00:43:31,910 --> 00:43:29,200

certainly be made to bring us one step

1041

00:43:34,950 --> 00:43:31,920

closer to finding the answers to the

1042

00:43:42,870 --> 00:43:34,960

elusive mysteries that lay somewhere in

1043

00:43:47,910 --> 00:43:45,030

this episode was co-researched and

1044

00:43:51,710 --> 00:43:47,920

co-written by marcus loth and fred

1045

00:43:54,870 --> 00:43:51,720

anderson to learn more from marcus visit

1046

00:43:57,190 --> 00:43:54,880

ufoinsight.com for fred you can find his

00:43:59,510 --> 00:43:57,200

link tree in the show notes

1048

00:44:01,589 --> 00:43:59,520

voice over for this episode was provided

1049

00:44:05,190 --> 00:44:01,599

by the following individuals

1050

00:44:07,030 --> 00:44:05,200

ron slotnick jane moore bruce priddy and

1051
00:44:08,710 --> 00:44:07,040
nicholas westemeyer

1052
00:44:10,790 --> 00:44:08,720
their work can be found in their

1053
00:44:11,750 --> 00:44:10,800
respective links in the show notes as

1054
00:44:13,750 --> 00:44:11,760
well

1055
00:44:15,990 --> 00:44:13,760
if you haven't already please consider

1056
00:44:19,589 --> 00:44:16,000
rating and reviewing the show on apple

1057
00:44:22,069 --> 00:44:19,599
podcasts spotify or wherever possible it

1058
00:44:24,710 --> 00:44:22,079
truly helps us gain visibility and find

1059
00:44:26,870 --> 00:44:24,720
new listeners on these platforms also

1060
00:44:29,190 --> 00:44:26,880
word of mouth remains the best way to

1061
00:44:31,829 --> 00:44:29,200
share the show so please share it with

1062
00:44:33,990 --> 00:44:31,839
your friends family co-workers or that

1063
00:44:36,470 --> 00:44:34,000

random stranger in line at your local

1064

00:44:38,910 --> 00:44:36,480

coffee shop you can follow us on twitter

1065

00:44:40,470 --> 00:44:38,920

at summerskies and instagram at

1066

00:44:43,670 --> 00:44:40,480

summerskiespod
