18

00:01:06,240 --> 00:01:04,070

this is somewhere in the skies with ryan

19

00:01:23,350 --> 00:01:06,250

sprague

20

00:01:28,469 --> 00:01:25,350

welcome everyone to somewhere in the

21

00:01:31,030 --> 00:01:28,479

skies i am your host ryan sprague and i

22

00:01:33,670 --> 00:01:31,040

have been waiting a very long time to

23

00:01:35,990 --> 00:01:33,680

connect with who we'll be speaking to

24

00:01:38,469 --> 00:01:36,000

with today and that is philip mantle he

25

00:01:41,030 --> 00:01:38,479

is one of my favorite ufo researchers

26

00:01:44,630 --> 00:01:41,040

over in the uk he has done everything

27

00:01:47,590 --> 00:01:44,640

from investigating ufo crashes landings

28

00:01:48,950 --> 00:01:47,600

close encounters the alien autopsy as

29

00:01:51,270 --> 00:01:48,960

well which we'll have to talk to him

30

00:01:53,990 --> 00:01:51,280

about on another episode but today we're

31

00:01:57,670 --> 00:01:54,000

here to talk about his new book and that

32

00:02:00,870 --> 00:01:57,680

is ufo landings uk now a lot of people

33

00:02:03,350 --> 00:02:00,880

know the rendushan forest incident uh

34

00:02:06,310 --> 00:02:03,360

you know the roswell crash here in the

35

00:02:09,350 --> 00:02:06,320

united states but the uk has a very

36

00:02:11,990 --> 00:02:09,360

rich history with ufo landings uh a rich

37

00:02:15,190 --> 00:02:12,000

history that i was not fully aware of

38

00:02:17,589 --> 00:02:15,200

until i looked at this huge

39

00:02:19,670 --> 00:02:17,599

compilation that philip has brought to

40

00:02:21,589 --> 00:02:19,680

us in the form of this book so without

41

00:02:23,589 --> 00:02:21,599

further ado i'm going to bring him in

42

00:02:24,710 --> 00:02:23,599

for the very first time to somewhere in

43

00:02:29,750 --> 00:02:24,720

the skies

44

00:02:32,229 --> 00:02:29,760

oh my pleasure good evening ryan

45

00:02:33,830 --> 00:02:32,239

good evening yeah it's just turning noon

46

00:02:35,910 --> 00:02:33,840

over here in the states so i got to

47

00:02:38,150 --> 00:02:35,920

thank you for for spending your night

48

00:02:41,030 --> 00:02:38,160

with me here uh to talk all about your

49

00:02:43,670 --> 00:02:41,040

you your new book uh but you know before

50

00:02:45,750 --> 00:02:43,680

we do that before we talk landings i

51
00:02:47,990 --> 00:02:45,760
always have to ask first-time guests for

52
00:02:50,550 --> 00:02:48,000
those who may not be familiar with you

53
00:02:53,910 --> 00:02:50,560
with your work the quintessential origin

54
00:02:56,070 --> 00:02:53,920
story how did you get involved with ufos

55
00:02:58,229 --> 00:02:56,080
um that one that you're probably used to

56
00:03:00,470 --> 00:02:58,239
answering uh yeah

57
00:03:03,270 --> 00:03:00,480
long time ago ryan i mean when i was you

58
00:03:06,070 --> 00:03:03,280
know a young fellow at high school

59
00:03:08,390 --> 00:03:06,080
i had three or four interests i mean i'd

60
00:03:09,750 --> 00:03:08,400
always had an interest in not all things

61
00:03:11,350 --> 00:03:09,760
paranormal

62
00:03:13,670 --> 00:03:11,360
i mean literally

63
00:03:15,430 --> 00:03:13,680

and i was also interested in the space

64

00:03:19,030 --> 00:03:15,440

race at that time

65

00:03:20,949 --> 00:03:19,040

um and um horror movies

66

00:03:23,589 --> 00:03:20,959

but the paranormal was was top of the

67

00:03:26,869 --> 00:03:23,599

list and i i was fortunate in some

68

00:03:28,630 --> 00:03:26,879

respects that uh literally

69

00:03:31,430 --> 00:03:28,640

the other side of the street from where

70

00:03:32,470 --> 00:03:31,440

i lived my best friend's grandmother uh

71

00:03:34,869 --> 00:03:32,480

lived there

72

00:03:36,949 --> 00:03:34,879

and she used to go to a local

73

00:03:39,990 --> 00:03:36,959

spiritualist church

74

00:03:42,149 --> 00:03:40,000

so i tagged lon a few times i've just

75

00:03:43,750 --> 00:03:42,159

found it fascinating i didn't

76

00:03:45,670 --> 00:03:43,760

necessarily

77

00:03:48,229 --> 00:03:45,680

believe everything they were saying but

78

00:03:49,990 --> 00:03:48,239

i still found it fascinating

79

00:03:51,190 --> 00:03:50,000

i was interested in the space race and

80

00:03:56,470 --> 00:03:51,200

astronomy

81

00:03:59,350 --> 00:03:56,480

i can't remember the title of it all

82

00:04:01,670 --> 00:03:59,360

these years later but it had one chapter

83

00:04:05,030 --> 00:04:01,680

in it about ufos

84

00:04:07,030 --> 00:04:05,040

and it basically dismissed the subject

85

00:04:09,670 --> 00:04:07,040

which i found rather odd to be honest

86

00:04:11,830 --> 00:04:09,680

ryan because elsewhere in this book

87

00:04:14,630 --> 00:04:11,840

there was lots of theoretical things

88

00:04:17,030 --> 00:04:14,640

about you know astronomy

89

00:04:19,990 --> 00:04:17,040

um and i thought well you can theorize

90

00:04:22,710 --> 00:04:20,000

about astronomical uh phenomena but you

91

00:04:24,550 --> 00:04:22,720

don't accept the ufo phenomena i found

92

00:04:26,950 --> 00:04:24,560

it peculiar

93

00:04:28,469 --> 00:04:26,960

um but nonetheless that's that sparked

94

00:04:31,350 --> 00:04:28,479

the interest

95

00:04:33,670 --> 00:04:31,360

so i left high school at the age of 16

96

00:04:36,310 --> 00:04:33,680

with no qualifications didn't know what

97

00:04:38,710 --> 00:04:36,320

i was going to do with myself

98

00:04:41,430 --> 00:04:38,720

but this this interest

99

00:04:43,110 --> 00:04:41,440

was was there so i i read what i could

100

00:04:45,189 --> 00:04:43,120

about it which wasn't a lot you could

101
00:04:46,070 --> 00:04:45,199
get your hands on in those days

102
00:04:47,990 --> 00:04:46,080
um

103
00:04:50,550 --> 00:04:48,000
and then in

104
00:04:53,110 --> 00:04:50,560
in late 1978

105
00:04:56,950 --> 00:04:53,120
uh i went to work in what was 10 west

106
00:04:59,189 --> 00:04:56,960
germany over the winter um i i worked

107
00:05:01,430 --> 00:04:59,199
there couldn't speak

108
00:05:02,230 --> 00:05:01,440
a word of the language

109
00:05:04,390 --> 00:05:02,240
so

110
00:05:06,150 --> 00:05:04,400
i phoned my mother and said can you send

111
00:05:07,749 --> 00:05:06,160
me some books i can sit down on an

112
00:05:10,710 --> 00:05:07,759
evening you know i can sit and watch the

113
00:05:12,629 --> 00:05:10,720

tv but i can't understand it you know

114

00:05:16,150 --> 00:05:12,639

so she sent me a box of books and lo and

115

00:05:18,070 --> 00:05:16,160

behold every single one were ufo books i

116

00:05:20,070 --> 00:05:18,080

don't know where she got them from

117

00:05:21,350 --> 00:05:20,080

so i would sit there on an evening and

118

00:05:24,230 --> 00:05:21,360

read away

119

00:05:25,870 --> 00:05:24,240

so when i returned home in you know i

120

00:05:29,590 --> 00:05:25,880

think it was march

121

00:05:32,150 --> 00:05:29,600

1979 i was i was a i had a bit more

122

00:05:34,150 --> 00:05:32,160

uh information if you like then of

123

00:05:36,390 --> 00:05:34,160

course the spielberg movie close

124

00:05:39,590 --> 00:05:36,400

encounters came out

125

00:05:42,870 --> 00:05:39,600

and i went and watched that and

126

00:05:45,670 --> 00:05:42,880

i used to live then uh about five miles

127

00:05:47,830 --> 00:05:45,680

from the city of leeds in west yorkshire

128

00:05:50,629 --> 00:05:47,840

which is in the north of england

129

00:05:53,189 --> 00:05:50,639

and leeds then as it does now

130

00:05:55,430 --> 00:05:53,199

um publishes an evening newspaper it's

131

00:05:57,590 --> 00:05:55,440

called the yorkshire evening post

132

00:05:59,510 --> 00:05:57,600

now just around the column from where i

133

00:06:01,430 --> 00:05:59,520

live my aunt used to live and she used

134

00:06:03,990 --> 00:06:01,440

to obtain a copy of this every night and

135

00:06:06,629 --> 00:06:04,000

she brought it around one night ryan and

136

00:06:08,469 --> 00:06:06,639

pointed to an advertisement in it coming

137

00:06:10,390 --> 00:06:08,479

up that sunday

138

00:06:12,870 --> 00:06:10,400

was the first ever meeting of the

139

00:06:14,390 --> 00:06:12,880

yorkshire ufo society

140

00:06:15,909 --> 00:06:14,400

in leeds

141

00:06:18,390 --> 00:06:15,919

now in in

142

00:06:19,670 --> 00:06:18,400

in this period of time in the uk on a

143

00:06:21,430 --> 00:06:19,680

sunday

144

00:06:23,189 --> 00:06:21,440

everything used to close i mean

145

00:06:25,510 --> 00:06:23,199

literally everything

146

00:06:27,990 --> 00:06:25,520

so i caught the bus i didn't drive in

147

00:06:29,590 --> 00:06:28,000

those days i caught the bus into leeds

148

00:06:31,510 --> 00:06:29,600

the location was a place called

149

00:06:33,189 --> 00:06:31,520

centenary house

150

00:06:35,749 --> 00:06:33,199

north street leads

151

00:06:37,670 --> 00:06:35,759

in our goals i find the room that hired

152

00:06:40,950 --> 00:06:37,680

a room in one in this building and there

153

00:06:43,189 --> 00:06:40,960

was about 20 or 30 people there

154

00:06:46,469 --> 00:06:43,199

uh great to see a pile of books for sale

155

00:06:49,430 --> 00:06:46,479

that that pleased me now the york's ufo

156

00:06:52,309 --> 00:06:49,440

society it was formed by two brothers

157

00:06:54,309 --> 00:06:52,319

and that is graham and mark birdsall

158

00:06:57,110 --> 00:06:54,319

and they'd obviously been involved in

159

00:06:59,990 --> 00:06:57,120

the subject for a few years they put on

160

00:07:01,510 --> 00:07:00,000

a presentation ryan and you know that

161

00:07:03,029 --> 00:07:01,520

was me

162

00:07:05,270 --> 00:07:03,039

i felt you know

163

00:07:06,230 --> 00:07:05,280

i was home i felt i've found my niche in

164

00:07:08,870 --> 00:07:06,240

life

165

00:07:11,270 --> 00:07:08,880

i just wanted to know more

166

00:07:12,629 --> 00:07:11,280

graham of course went on several some

167

00:07:15,830 --> 00:07:12,639

years later

168

00:07:18,710 --> 00:07:15,840

to successfully edit and publish ufo

169

00:07:20,790 --> 00:07:18,720

magazine here in the uk that sold in its

170

00:07:21,909 --> 00:07:20,800

tens of thousands it was a newsstand

171

00:07:25,430 --> 00:07:21,919

magazine

172

00:07:28,070 --> 00:07:25,440

sadly he died you know uh unexpectedly a

173

00:07:30,710 --> 00:07:28,080

few years back but nonetheless i've i

174

00:07:33,189 --> 00:07:30,720

felt this is it so i actually joined the

175

00:07:35,749 --> 00:07:33,199

yorkshire ufo society i think i paid two

176

00:07:37,589 --> 00:07:35,759

pound for the whole year

177

00:07:40,790 --> 00:07:37,599

and we have to used to have monthly

178

00:07:42,550 --> 00:07:40,800

meetings and by the time you know the

179

00:07:44,950 --> 00:07:42,560

fourth or fifth meeting now you know

180

00:07:47,589 --> 00:07:44,960

we're ready to jump in with both feet

181

00:07:49,110 --> 00:07:47,599

and and that's how it all started had it

182

00:07:50,950 --> 00:07:49,120

had had it not been for that

183

00:07:53,670 --> 00:07:50,960

advertisement in the auction evening

184

00:07:55,510 --> 00:07:53,680

post i would never have known about this

185

00:07:57,909 --> 00:07:55,520

society starting

186

00:07:59,909 --> 00:07:57,919

but i i for me it was the right place at

187

00:08:01,749 --> 00:07:59,919

the right time with the right people i

188

00:08:05,029 --> 00:08:01,759

just felt very fortunate

189

00:08:06,710 --> 00:08:05,039

wow i see i love hearing those those

190

00:08:08,150 --> 00:08:06,720

stories you know many people have a

191

00:08:11,189 --> 00:08:08,160

sighting that's what gets them

192

00:08:13,430 --> 00:08:11,199

interested or like you it's complete

193

00:08:16,629 --> 00:08:13,440

happenstance i recall stanton friedman

194

00:08:17,350 --> 00:08:16,639

even saying he accidentally i believe

195

00:08:20,070 --> 00:08:17,360

uh

196

00:08:22,950 --> 00:08:20,080

received a book in the mail about ufos

197

00:08:24,790 --> 00:08:22,960

flying saucers and it changed his life

198

00:08:26,550 --> 00:08:24,800

he was well that's absolutely

199

00:08:29,110 --> 00:08:26,560

that advertisement in the york should

200

00:08:29,830 --> 00:08:29,120

even impose changed my life yeah you

201
00:08:31,430 --> 00:08:29,840
know

202
00:08:33,430 --> 00:08:31,440
and uh

203
00:08:35,829 --> 00:08:33,440
i'm forever grateful for it you know

204
00:08:37,350 --> 00:08:35,839
because where i lived was a small town

205
00:08:39,110 --> 00:08:37,360
you know there wasn't much happening

206
00:08:41,589 --> 00:08:39,120
wasn't a great deal to do leeds was a

207
00:08:43,829 --> 00:08:41,599
nice enough city still is

208
00:08:45,829 --> 00:08:43,839
but um you know i had no formal

209
00:08:48,710 --> 00:08:45,839
education the high school i went to was

210
00:08:49,670 --> 00:08:48,720
absolutely hopeless but i i always had

211
00:08:53,030 --> 00:08:49,680
this

212
00:08:55,430 --> 00:08:53,040
an example at high school

213
00:08:58,230 --> 00:08:55,440

we it wasn't a church school but one

214

00:09:01,829 --> 00:08:58,240

once a week we used to have um

215

00:09:03,670 --> 00:09:01,839

ri we call it religious instruction

216

00:09:06,150 --> 00:09:03,680

so we were taught that what was in the

217

00:09:08,389 --> 00:09:06,160

bible was verbatim and this is it and

218

00:09:10,630 --> 00:09:08,399

we're taught in one lesson a week

219

00:09:13,750 --> 00:09:10,640

and i was always the idiot at the back

220

00:09:14,949 --> 00:09:13,760

of the room would put his hand up and

221

00:09:16,550 --> 00:09:14,959

you know

222

00:09:17,910 --> 00:09:16,560

i don't think this is this can't be

223

00:09:19,910 --> 00:09:17,920

right you know

224

00:09:22,150 --> 00:09:19,920

so i i think around about the same

225

00:09:23,590 --> 00:09:22,160

period it had literally sat down one you

226

00:09:26,150 --> 00:09:23,600

know every night and read a bit of the

227

00:09:28,070 --> 00:09:26,160

bible until i finished it so i thought

228

00:09:29,509 --> 00:09:28,080

if i'm gonna get in trouble at least i

229

00:09:30,790 --> 00:09:29,519

want to know what i'm getting in trouble

230

00:09:33,509 --> 00:09:30,800

for you know

231

00:09:34,870 --> 00:09:33,519

so i always wanted to understand things

232

00:09:36,710 --> 00:09:34,880

i wasn't just

233

00:09:38,310 --> 00:09:36,720

i wasn't i wasn't happy just sat there

234

00:09:41,509 --> 00:09:38,320

letting other people tell me what was

235

00:09:45,509 --> 00:09:41,519

going on and um you know that continued

236

00:09:48,070 --> 00:09:45,519

when i joined the yorkshire ufo society

237

00:09:50,949 --> 00:09:48,080

amazing question everything question

238

00:09:52,710 --> 00:09:50,959

everything well okay so you know

239

00:09:55,590 --> 00:09:52,720

throughout the years decades you've

240

00:09:59,350 --> 00:09:55,600

researched uh many many cases you've

241

00:10:02,069 --> 00:09:59,360

investigated some personally as well um

242

00:10:03,990 --> 00:10:02,079

and that kind of culminated into one of

243

00:10:06,790 --> 00:10:04,000

many of your books but the one we'll be

244

00:10:08,870 --> 00:10:06,800

talking about today is ufo landings uk

245

00:10:11,750 --> 00:10:08,880

like i mentioned there have been

246

00:10:13,829 --> 00:10:11,760

so many that i was not aware of we know

247

00:10:16,630 --> 00:10:13,839

the pinnacle cases the rendoshams and

248

00:10:18,550 --> 00:10:16,640

whatnot um uh even broadhaven a lot of

249

00:10:21,829 --> 00:10:18,560

people are familiar with that one but

250

00:10:23,269 --> 00:10:21,839

your book has hundreds upon hundreds so

251
00:10:25,750 --> 00:10:23,279
before we even talk about some of the

252
00:10:28,310 --> 00:10:25,760
cases philip where did these come from

253
00:10:30,230 --> 00:10:28,320
how did you obtain these files

254
00:10:32,949 --> 00:10:30,240
that's a good question because you know

255
00:10:34,389 --> 00:10:32,959
when we started right and there was no

256
00:10:38,069 --> 00:10:34,399
internet

257
00:10:39,990 --> 00:10:38,079
right there was no online service so

258
00:10:42,550 --> 00:10:40,000
when you tried to you know research

259
00:10:45,190 --> 00:10:42,560
cases you either did it in person i mean

260
00:10:47,430 --> 00:10:45,200
literally in person

261
00:10:49,590 --> 00:10:47,440
you or you would write that you know the

262
00:10:51,030 --> 00:10:49,600
old-fashioned way you would

263
00:10:53,030 --> 00:10:51,040

write a letter

264

00:10:55,430 --> 00:10:53,040

or phone someone i mean these were about

265

00:10:57,750 --> 00:10:55,440

the only ways you could contact people

266

00:11:00,949 --> 00:10:57,760

we were fortunate when i joined the

267

00:11:03,990 --> 00:11:00,959

yorkshire ufo society as it

268

00:11:06,470 --> 00:11:04,000

went into the 1980s

269

00:11:08,949 --> 00:11:06,480

there is a a national park in north

270

00:11:11,110 --> 00:11:08,959

yorkshire called the yorkshire dales i'd

271

00:11:13,750 --> 00:11:11,120

recommend every american tourist ahead

272

00:11:17,670 --> 00:11:13,760

there it's a beautiful part of the world

273

00:11:19,990 --> 00:11:17,680

and yes i am biased but um it's the it's

274

00:11:22,310 --> 00:11:20,000

it's the part of the world that parts of

275

00:11:24,790 --> 00:11:22,320

it were where the bronte sisters wrote

276

00:11:27,350 --> 00:11:24,800

wuthering heights and so on

277

00:11:29,590 --> 00:11:27,360

but areas in and around the market town

278

00:11:31,990 --> 00:11:29,600

of skipton in the yorkshire dales for

279

00:11:34,069 --> 00:11:32,000

whatever reason ryan

280

00:11:36,870 --> 00:11:34,079

had a lot of sightings

281

00:11:39,509 --> 00:11:36,880

uh being reported and this is you know a

282

00:11:41,750 --> 00:11:39,519

lot of it is what we call semi-rural

283

00:11:43,750 --> 00:11:41,760

uh when you leave the town there are no

284

00:11:46,069 --> 00:11:43,760

cities when you leave the towns there's

285

00:11:48,310 --> 00:11:46,079

villages there's moors

286

00:11:50,389 --> 00:11:48,320

uh especially one place called carlton

287

00:11:53,030 --> 00:11:50,399

moore just outside of skipton

288

00:11:55,269 --> 00:11:53,040

uh it's heather there are no livestock

289

00:11:57,910 --> 00:11:55,279

kept there they they do game bird

290

00:11:59,590 --> 00:11:57,920

shooting there but that's about it

291

00:12:01,829 --> 00:11:59,600

and

292

00:12:03,910 --> 00:12:01,839

we made it our purpose to make ourselves

293

00:12:06,710 --> 00:12:03,920

as visible as possible

294

00:12:10,629 --> 00:12:06,720

we would leave our contact details with

295

00:12:12,790 --> 00:12:10,639

local police stations you know libraries

296

00:12:15,110 --> 00:12:12,800

even put posters up in some of the local

297

00:12:16,790 --> 00:12:15,120

pubs and one of the things when people

298

00:12:18,470 --> 00:12:16,800

contacted one of the things we used to

299

00:12:20,710 --> 00:12:18,480

ask is how have you found us you know

300

00:12:24,629 --> 00:12:20,720

have you found our address or our phone

301

00:12:27,190 --> 00:12:24,639

number so we we knew what was working so

302

00:12:28,310 --> 00:12:27,200

there was a time in the early 1980s that

303

00:12:30,389 --> 00:12:28,320

we were

304

00:12:33,190 --> 00:12:30,399

you know bombarded with sightings from

305

00:12:35,030 --> 00:12:33,200

these areas uh and couldn't couldn't

306

00:12:39,030 --> 00:12:35,040

cope at times almost

307

00:12:41,030 --> 00:12:39,040

so you know i think i i joined ufology

308

00:12:43,190 --> 00:12:41,040

at the right time

309

00:12:45,509 --> 00:12:43,200

i i joined with the right people mark

310

00:12:48,470 --> 00:12:45,519

and graham but birdsell

311

00:12:49,829 --> 00:12:48,480

and we were just fortunate that there

312

00:12:53,030 --> 00:12:49,839

was a lot of things

313

00:12:55,509 --> 00:12:53,040

happening for us to get our teeth into

314

00:12:57,030 --> 00:12:55,519

and um and off we went and we were up

315

00:13:00,389 --> 00:12:57,040

and running out you know i learned to

316

00:13:02,870 --> 00:13:00,399

drive got my own transport and there was

317

00:13:05,509 --> 00:13:02,880

no stopping us uh it was as simple as

318

00:13:08,069 --> 00:13:05,519

that and we made ourselves very very

319

00:13:09,910 --> 00:13:08,079

visible and we do lots of local lectures

320

00:13:12,230 --> 00:13:09,920

i mean we'll do the women's institute

321

00:13:14,389 --> 00:13:12,240

you i mean you name it just to get the

322

00:13:15,750 --> 00:13:14,399

word out that here we were

323

00:13:18,949 --> 00:13:15,760

and and that's how

324

00:13:22,790 --> 00:13:18,959

our information started to be gathered

325

00:13:24,629 --> 00:13:22,800

interesting now um i recall in the book

326

00:13:27,350 --> 00:13:24,639

you had mentioned in the introduction

327

00:13:29,910 --> 00:13:27,360

that you had personally investigated one

328

00:13:32,550 --> 00:13:29,920

of these ufo landings is that true

329

00:13:33,670 --> 00:13:32,560

yeah yeah i mean once once we got up and

330

00:13:36,150 --> 00:13:33,680

running

331

00:13:38,310 --> 00:13:36,160

um the area that i lived in was was

332

00:13:40,470 --> 00:13:38,320

covered by a another newspaper it's

333

00:13:41,280 --> 00:13:40,480

called the wakefield express i'm sure

334

00:13:43,590 --> 00:13:41,290

you've all read it

335

00:13:45,670 --> 00:13:43,600

[Laughter]

336

00:13:48,710 --> 00:13:45,680

i've got it right on my uh my coffee

337

00:13:50,389 --> 00:13:48,720

table yeah and i did a local feature in

338

00:13:52,790 --> 00:13:50,399

it you know that you stand there holding

339

00:13:55,030 --> 00:13:52,800

your camera looking stupid you know

340

00:13:57,990 --> 00:13:55,040

but they ran my phone number

341

00:14:00,470 --> 00:13:58,000

and we had a lady call us um

342

00:14:01,750 --> 00:14:00,480

just a local lady and she said philip

343

00:14:02,790 --> 00:14:01,760

you won't believe me you won't believe

344

00:14:04,389 --> 00:14:02,800

me

345

00:14:05,829 --> 00:14:04,399

i said well give us a chance now you

346

00:14:08,150 --> 00:14:05,839

won't believe me you won't believe me

347

00:14:11,670 --> 00:14:08,160

now the area that i lived in

348

00:14:12,629 --> 00:14:11,680

um was an industrial area uh mainly coal

349

00:14:18,150 --> 00:14:12,639

mines

350

00:14:20,150 --> 00:14:18,160

life um and this lady

351

00:14:22,230 --> 00:14:20,160

only lived a few miles away she lived in

352

00:14:23,509 --> 00:14:22,240

a town called normanton in west

353

00:14:26,150 --> 00:14:23,519

yorkshire

354

00:14:28,389 --> 00:14:26,160

and that was a coal mining town uh at

355

00:14:30,949 --> 00:14:28,399

that point in the history the mines have

356

00:14:32,550 --> 00:14:30,959

all gone now but so

357

00:14:35,189 --> 00:14:32,560

myself and mark bertsell went to see

358

00:14:37,509 --> 00:14:35,199

this lady she called mrs westerman

359

00:14:38,790 --> 00:14:37,519

now mrs westerman lived in a uh

360

00:14:41,829 --> 00:14:38,800

cul-de-sac

361

00:14:43,750 --> 00:14:41,839

and the there was no hounds as opposite

362

00:14:45,350 --> 00:14:43,760

and her house

363

00:14:47,030 --> 00:14:45,360

was a terraced house but it was an el

364

00:14:49,750 --> 00:14:47,040

what we call an elevated house so you

365

00:14:52,949 --> 00:14:49,760

walked up some steps to get into the to

366

00:14:55,110 --> 00:14:52,959

the front door at the bottom of the road

367

00:14:56,230 --> 00:14:55,120

at the end of the cul-de-sac was some

368

00:14:59,430 --> 00:14:56,240

trees

369

00:15:00,629 --> 00:14:59,440

some fields and some electricity pylons

370

00:15:03,829 --> 00:15:00,639

that went and then it came from the

371

00:15:05,990 --> 00:15:03,839

nearby uh power station at ferry bridge

372

00:15:08,310 --> 00:15:06,000

now she had several children it was

373

00:15:09,430 --> 00:15:08,320

about five of them and it was just after

374

00:15:11,590 --> 00:15:09,440

lunch

375

00:15:13,670 --> 00:15:11,600

and they were outside

376

00:15:15,269 --> 00:15:13,680

playing a ball game it was a beautiful

377

00:15:16,150 --> 00:15:15,279

sunny day

378

00:15:18,150 --> 00:15:16,160

and

379

00:15:19,910 --> 00:15:18,160

it was a made-up ball game it's the same

380

00:15:21,030 --> 00:15:19,920

kind of thing i played when i was their

381

00:15:23,670 --> 00:15:21,040

age

382

00:15:25,910 --> 00:15:23,680

and she was actually washing the dishes

383

00:15:27,350 --> 00:15:25,920

after lunch and one of the children came

384

00:15:29,350 --> 00:15:27,360

running in

385

00:15:32,470 --> 00:15:29,360

and said mum mum

386

00:15:33,350 --> 00:15:32,480

there's an airplane crashed in the field

387

00:15:35,110 --> 00:15:33,360

so

388

00:15:37,910 --> 00:15:35,120

she came out the front door and because

389

00:15:39,749 --> 00:15:37,920

it's an elevated house ryan she could

390

00:15:41,110 --> 00:15:39,759

actually see from a front door across

391

00:15:43,749 --> 00:15:41,120

these fields

392

00:15:44,870 --> 00:15:43,759

it's just Philly it wasn't any airplane

393

00:15:48,230 --> 00:15:44,880

it was

394

00:15:50,629 --> 00:15:48,240

something shaped like a Mexican hat

395

00:15:51,670 --> 00:15:50,639

but like a silver grain color on the

396

00:15:53,590 --> 00:15:51,680

ground

397

00:15:55,189 --> 00:15:53,600

so she got all of the children

398

00:15:58,230 --> 00:15:55,199

they walked down to the bottom of the

399

00:16:00,470 --> 00:15:58,240

cul-de-sac through the trees now at one

400

00:16:03,509 --> 00:16:00,480

point you go down a little dip so you

401
00:16:05,269 --> 00:16:03,519
lose sight of the field above you

402
00:16:08,389 --> 00:16:05,279
so she they walked up the other side and

403
00:16:11,030 --> 00:16:08,399
this field was bordered by a small fence

404
00:16:13,749 --> 00:16:11,040
this thing is sat there on the ground

405
00:16:16,069 --> 00:16:13,759
but now there are three tall men

406
00:16:18,790 --> 00:16:16,079
all wearing white suits they had some

407
00:16:20,389 --> 00:16:18,800
kind of visor over their face

408
00:16:22,629 --> 00:16:20,399
she was that close you could say they

409
00:16:24,310 --> 00:16:22,639
didn't have gloves on they had they had

410
00:16:26,629 --> 00:16:24,320
mittens

411
00:16:27,670 --> 00:16:26,639
and they were waving something over the

412
00:16:29,829 --> 00:16:27,680
ground

413
00:16:32,550 --> 00:16:29,839

uh one of the children tried to climb

414

00:16:34,629 --> 00:16:32,560

the fence so but she held him back

415

00:16:36,790 --> 00:16:34,639

and at this point these three beings

416

00:16:40,629 --> 00:16:36,800

walked to the back of this thing it then

417

00:16:43,189 --> 00:16:40,639

rolls up stopped in the air and was gone

418

00:16:43,910 --> 00:16:43,199

whence it came in a flash no noise you

419

00:16:45,189 --> 00:16:43,920

know

420

00:16:46,389 --> 00:16:45,199

nothing

421

00:16:47,670 --> 00:16:46,399

so

422

00:16:49,829 --> 00:16:47,680

she went home

423

00:16:52,230 --> 00:16:49,839

and she sat down that night to watch the

424

00:16:54,629 --> 00:16:52,240

local tv news sites it's going to be on

425

00:16:56,949 --> 00:16:54,639

the tv bound to be there's a major

426

00:16:59,990 --> 00:16:56,959

motorway passes normanton

427

00:17:01,990 --> 00:17:00,000

it's called the m62 thousands of cars go

428

00:17:03,590 --> 00:17:02,000

by it was a beautiful sunny day lots of

429

00:17:05,750 --> 00:17:03,600

people out and about

430

00:17:08,710 --> 00:17:05,760

not a thing i mean nothing

431

00:17:10,230 --> 00:17:08,720

she bought the local newspaper nothing

432

00:17:12,549 --> 00:17:10,240

she even went and asked some of her

433

00:17:13,350 --> 00:17:12,559

neighbors if they'd seen anything

434

00:17:18,710 --> 00:17:13,360

and

435

00:17:20,870 --> 00:17:18,720

interviewed mrs westerman we interviewed

436

00:17:23,029 --> 00:17:20,880

all the children they didn't call it a

437

00:17:25,750 --> 00:17:23,039

spaceship or aliens

438

00:17:27,990 --> 00:17:25,760

and they just said these these tall men

439

00:17:29,350 --> 00:17:28,000

you know this funny shape thing we even

440

00:17:31,750 --> 00:17:29,360

interviewed one of the children's

441

00:17:33,909 --> 00:17:31,760

friends he hadn't seen anything

442

00:17:36,549 --> 00:17:33,919

but he'd gone home for lunch

443

00:17:38,150 --> 00:17:36,559

and when he came back

444

00:17:40,789 --> 00:17:38,160

you know everything was over with and he

445

00:17:44,310 --> 00:17:40,799

was a bit a bit upset because he missed

446

00:17:45,110 --> 00:17:44,320

it all you know he missed the excitement

447

00:17:47,350 --> 00:17:45,120

and

448

00:17:49,270 --> 00:17:47,360

she was mystified i mean she was

449

00:17:50,470 --> 00:17:49,280

perplexed by what she saw in the first

450

00:17:52,390 --> 00:17:50,480

place

451
00:17:54,710 --> 00:17:52,400
but she was even more perplexed by the

452
00:17:56,070 --> 00:17:54,720
fact that no one else seemed to have

453
00:17:57,909 --> 00:17:56,080
seen anything

454
00:17:59,510 --> 00:17:57,919
and and she couldn't get that out of her

455
00:18:01,909 --> 00:17:59,520
head like i said

456
00:18:03,590 --> 00:18:01,919
she lived in a mining town

457
00:18:04,470 --> 00:18:03,600
kind of people i grew up with all my

458
00:18:07,669 --> 00:18:04,480
life

459
00:18:11,510 --> 00:18:07,679
we couldn't find any logical explanation

460
00:18:12,470 --> 00:18:11,520
for this um this sighting and we did try

461
00:18:14,549 --> 00:18:12,480
um

462
00:18:16,549 --> 00:18:14,559
so she was either lying or telling the

463
00:18:17,830 --> 00:18:16,559

truth and i could find no reason why she

464

00:18:20,150 --> 00:18:17,840

would be lying she didn't want any

465

00:18:21,350 --> 00:18:20,160

publicity wouldn't allow a photograph to

466

00:18:24,390 --> 00:18:21,360

be taken

467

00:18:26,710 --> 00:18:24,400

we wrote the arctic this item up in our

468

00:18:28,630 --> 00:18:26,720

in our our own publication that we that

469

00:18:31,190 --> 00:18:28,640

we made at the time but we didn't we

470

00:18:32,950 --> 00:18:31,200

weren't even allowed to use her name

471

00:18:34,789 --> 00:18:32,960

and what's what's peculiar a couple of

472

00:18:37,909 --> 00:18:34,799

years back

473

00:18:40,630 --> 00:18:37,919

i did a podcast for someone and i told

474

00:18:42,549 --> 00:18:40,640

this story but i just forgot to use the

475

00:18:44,390 --> 00:18:42,559

lady's name

476

00:18:45,590 --> 00:18:44,400

it's mrs westerman i thought i just

477

00:18:48,630 --> 00:18:45,600

forgot

478

00:18:49,990 --> 00:18:48,640

and i got an email from a a lady in new

479

00:18:51,830 --> 00:18:50,000

zealand

480

00:18:55,029 --> 00:18:51,840

and she said phillip you know i used to

481

00:18:58,150 --> 00:18:55,039

live in normanton i've now immigrated to

482

00:19:00,630 --> 00:18:58,160

new zealand um what was the the lady's

483

00:19:02,950 --> 00:19:00,640

name as it was mrs westerman

484

00:19:04,870 --> 00:19:02,960

she says my best friend was called

485

00:19:06,870 --> 00:19:04,880

westerman

486

00:19:08,630 --> 00:19:06,880

and she still lives there but she's

487

00:19:12,310 --> 00:19:08,640

changed her name because she's got

488

00:19:14,549 --> 00:19:12,320

married so she emailed her friend and

489

00:19:17,190 --> 00:19:14,559

her friend was one of those children we

490

00:19:19,029 --> 00:19:17,200

interviewed all them years ago

491

00:19:21,909 --> 00:19:19,039

and i got in touch with her

492

00:19:23,110 --> 00:19:21,919

and she confirmed you know what what she

493

00:19:24,549 --> 00:19:23,120

remembered

494

00:19:26,789 --> 00:19:24,559

and uh

495

00:19:29,669 --> 00:19:26,799

but still you know

496

00:19:32,230 --> 00:19:29,679

it seems almost ryan that you had to be

497

00:19:33,830 --> 00:19:32,240

in that place at that time to have

498

00:19:36,630 --> 00:19:33,840

experienced this

499

00:19:38,870 --> 00:19:36,640

oh you know i i'm just saying that it's

500

00:19:41,190 --> 00:19:38,880

just just an opinion of mine

501
00:19:43,350 --> 00:19:41,200
but even all these years later

502
00:19:44,950 --> 00:19:43,360
we were you know these the children now

503
00:19:45,830 --> 00:19:44,960
grown up and had our own family of

504
00:19:47,990 --> 00:19:45,840
course

505
00:19:49,669 --> 00:19:48,000
confirmed that it did happen they didn't

506
00:19:51,830 --> 00:19:49,679
say oh i'm sorry for it we're pulling

507
00:19:52,870 --> 00:19:51,840
your leg you know

508
00:19:55,669 --> 00:19:52,880
and

509
00:19:59,430 --> 00:19:55,679
what it did for me ryan i don't know if

510
00:20:02,230 --> 00:19:59,440
i really needed it but it it cemented my

511
00:20:04,630 --> 00:20:02,240
belief in the ufo phenomenon

512
00:20:07,110 --> 00:20:04,640
and i thought i'm not wasting my time

513
00:20:09,750 --> 00:20:07,120

here there is something worthy of

514

00:20:12,710 --> 00:20:09,760

further research and investigation it's

515

00:20:14,310 --> 00:20:12,720

my time to waste anyway but you know it

516

00:20:18,470 --> 00:20:14,320

wasn't a waste of time there was

517

00:20:20,470 --> 00:20:18,480

something to it after all especially

518

00:20:22,310 --> 00:20:20,480

the people that reported this they were

519

00:20:25,190 --> 00:20:22,320

the kind of people i'd grown up with all

520

00:20:27,110 --> 00:20:25,200

my life you know and i knew them

521

00:20:29,110 --> 00:20:27,120

my father was a coal miner i had friends

522

00:20:30,789 --> 00:20:29,120

work down at the mines and other family

523

00:20:31,669 --> 00:20:30,799

members did

524

00:20:33,590 --> 00:20:31,679

so

525

00:20:35,990 --> 00:20:33,600

i know that's not scientific or anything

526

00:20:37,270 --> 00:20:36,000

like that but it's the kind of community

527

00:20:38,149 --> 00:20:37,280

i grew up in

528

00:20:44,310 --> 00:20:38,159

and

529

00:20:47,190 --> 00:20:44,320

mrs westerman's account on my doorstep

530

00:20:48,470 --> 00:20:47,200

you know couple of miles up the road

531

00:20:50,549 --> 00:20:48,480

just always

532

00:20:52,710 --> 00:20:50,559

were there in the back of my mind

533

00:20:56,070 --> 00:20:52,720

irrespective of what else i was dealing

534

00:20:58,470 --> 00:20:56,080

with or whatever else would come my way

535

00:21:02,149 --> 00:20:58,480

that was already in the file

536

00:21:04,310 --> 00:21:02,159

and um and it continued to to grow as as

537

00:21:06,070 --> 00:21:04,320

as the decades went went by but that's

538

00:21:07,990 --> 00:21:06,080

what it's that's that's the one that

539

00:21:10,070 --> 00:21:08,000

started it all really

540

00:21:11,350 --> 00:21:10,080

and um

541

00:21:13,750 --> 00:21:11,360

yeah

542

00:21:17,590 --> 00:21:13,760

beautiful sunny day everybody out and

543

00:21:19,510 --> 00:21:17,600

about a huge motorway going past

544

00:21:21,990 --> 00:21:19,520

nobody nobody i mean we've run this

545

00:21:24,149 --> 00:21:22,000

feature in the local newspaper here a

546

00:21:26,789 --> 00:21:24,159

couple of times hoping that somebody

547

00:21:29,590 --> 00:21:26,799

else might step forward but but no one

548

00:21:31,270 --> 00:21:29,600

no one so as far as we're aware

549

00:21:33,110 --> 00:21:31,280

you know

550

00:21:34,630 --> 00:21:33,120

the westerman family were the only ones

551
00:21:36,390 --> 00:21:34,640
to see it

552
00:21:38,070 --> 00:21:36,400
wow there you go yeah

553
00:21:39,669 --> 00:21:38,080
i love that i love hearing that and

554
00:21:42,830 --> 00:21:39,679
you're right you know there's a gut

555
00:21:45,110 --> 00:21:42,840
feeling in a lot of ufo

556
00:21:47,190 --> 00:21:45,120
investigations uh you know there's

557
00:21:50,470 --> 00:21:47,200
there's many ways to look at a case

558
00:21:54,070 --> 00:21:50,480
scientifically uh spiritually even

559
00:21:57,750 --> 00:21:54,080
psychologically and then you also have

560
00:21:59,990 --> 00:21:57,760
you know this this just idea of i trust

561
00:22:02,390 --> 00:22:00,000
this person there's no reason for them

562
00:22:04,070 --> 00:22:02,400
to have made this up like you said these

563
00:22:06,149 --> 00:22:04,080

were the types of people you grew up

564

00:22:08,310 --> 00:22:06,159

with these are these are modest humble

565

00:22:10,149 --> 00:22:08,320

people they have nothing to gain by

566

00:22:12,230 --> 00:22:10,159

telling a story like this so then you're

567

00:22:15,190 --> 00:22:12,240

left wondering

568

00:22:17,510 --> 00:22:15,200

this probably happened but what was it

569

00:22:19,830 --> 00:22:17,520

and we may never know and that's

570

00:22:22,070 --> 00:22:19,840

frustrating in some ways and

571

00:22:23,990 --> 00:22:22,080

exciting in others because then like you

572

00:22:27,110 --> 00:22:24,000

said it leads you

573

00:22:29,669 --> 00:22:27,120

to that curiosity of these ufo landings

574

00:22:32,310 --> 00:22:29,679

and then boom an entire new door is open

575

00:22:33,430 --> 00:22:32,320

for you and hundreds of cases start to

576

00:22:35,110 --> 00:22:33,440

spill in

577

00:22:37,430 --> 00:22:35,120

and that's what i liked about the book

578

00:22:40,149 --> 00:22:37,440

is you kind of you you um

579

00:22:42,310 --> 00:22:40,159

compartmentalize these into decades

580

00:22:44,630 --> 00:22:42,320

which i really liked you know 40s 50s

581

00:22:47,110 --> 00:22:44,640

60s and a lot of us here in the united

582

00:22:50,149 --> 00:22:47,120

states when we think of the modern ufo

583

00:22:52,230 --> 00:22:50,159

era it always begins with kenneth arnold

584

00:22:54,950 --> 00:22:52,240

the flying saucer story the classic

585

00:22:57,830 --> 00:22:54,960

story but in your book you actually

586

00:23:00,310 --> 00:22:57,840

start with a lot of cases pre

587

00:23:02,070 --> 00:23:00,320

kenneth arnold that um i was not aware

588

00:23:04,149 --> 00:23:02,080

of and i'm sure a lot of our listeners

589

00:23:06,630 --> 00:23:04,159

are aware of yeah i mean

590

00:23:08,470 --> 00:23:06,640

you know we we always use uh kenneth

591

00:23:10,630 --> 00:23:08,480

arnold is the yardstick but that's when

592

00:23:12,310 --> 00:23:10,640

flying saucers became you know into

593

00:23:14,149 --> 00:23:12,320

popular culture

594

00:23:17,110 --> 00:23:14,159

so there's nothing wrong with that but i

595

00:23:18,070 --> 00:23:17,120

i remember again i i moved a few miles

596

00:23:20,230 --> 00:23:18,080

away

597

00:23:22,630 --> 00:23:20,240

and again i did a um

598

00:23:25,350 --> 00:23:22,640

some years later i did a local another

599

00:23:27,029 --> 00:23:25,360

local newspaper piece

600

00:23:28,070 --> 00:23:27,039

and a gentleman man the name of john

601
00:23:31,270 --> 00:23:28,080
warren

602
00:23:34,950 --> 00:23:31,280
uh contacted me it was an oldish boy

603
00:23:36,470 --> 00:23:34,960
um he retired but he lived nearby

604
00:23:38,470 --> 00:23:36,480
so i went to i went to speak to mr

605
00:23:41,110 --> 00:23:38,480
warren because it was literally you know

606
00:23:43,909 --> 00:23:41,120
a mile or so from where i lived

607
00:23:46,870 --> 00:23:43,919
and he recounted in the event back in

608
00:23:49,590 --> 00:23:46,880
1942

609
00:23:51,909 --> 00:23:49,600
before kenneth arnold um

610
00:23:54,310 --> 00:23:51,919
obviously it was during wartime the

611
00:23:56,789 --> 00:23:54,320
second world war

612
00:23:59,510 --> 00:23:56,799
mr warren was in the royal air force

613
00:24:00,630 --> 00:23:59,520

and stationed at a place called arieth

614

00:24:01,430 --> 00:24:00,640

ludham

615

00:24:03,510 --> 00:24:01,440

in

616

00:24:05,029 --> 00:24:03,520

norfolk

617

00:24:07,110 --> 00:24:05,039

in the uk

618

00:24:09,029 --> 00:24:07,120

and it was it wasn't he couldn't

619

00:24:10,470 --> 00:24:09,039

remember the exact date but he thinks it

620

00:24:11,350 --> 00:24:10,480

was may

621

00:24:13,669 --> 00:24:11,360

and

622

00:24:15,110 --> 00:24:13,679

he'd been out to a local

623

00:24:18,870 --> 00:24:15,120

dance

624

00:24:20,630 --> 00:24:18,880

and it was some 12 miles from

625

00:24:21,510 --> 00:24:20,640

the air base

626
00:24:24,870 --> 00:24:21,520
and

627
00:24:25,750 --> 00:24:24,880
train

628
00:24:29,830 --> 00:24:25,760
back

629
00:24:32,630 --> 00:24:29,840
so there was no other option uh in 1942

630
00:24:34,310 --> 00:24:32,640
but to walk and not only that he was

631
00:24:37,110 --> 00:24:34,320
going to get in trouble

632
00:24:39,430 --> 00:24:37,120
for being late you know

633
00:24:41,269 --> 00:24:39,440
not absent without leave but he was he

634
00:24:42,710 --> 00:24:41,279
was he was going to be in for it if they

635
00:24:44,950 --> 00:24:42,720
found out so

636
00:24:48,230 --> 00:24:44,960
he sets off to walk back

637
00:24:49,830 --> 00:24:48,240
he's nearing the the town of london

638
00:24:50,630 --> 00:24:49,840

and the air base

639

00:24:53,990 --> 00:24:50,640

when

640

00:24:57,590 --> 00:24:54,000

he encounters up ahead of him a

641

00:25:00,789 --> 00:24:57,600

a peculiar looking humanoid

642

00:25:02,390 --> 00:25:00,799

uh just stood at the side of the road

643

00:25:05,909 --> 00:25:02,400

and

644

00:25:08,149 --> 00:25:05,919

it had a box on its chest

645

00:25:10,149 --> 00:25:08,159

and it was shining green light out of

646

00:25:11,669 --> 00:25:10,159

the top of this box i don't if you ever

647

00:25:13,350 --> 00:25:11,679

did it when you were a youngster

648

00:25:15,430 --> 00:25:13,360

yourself around me you got a

649

00:25:17,510 --> 00:25:15,440

you call it a flashlight we call it a

650

00:25:19,430 --> 00:25:17,520

torch and put it under your chin and the

651
00:25:21,990 --> 00:25:19,440
light all shoots up it makes your face

652
00:25:24,230 --> 00:25:22,000
look funny you know yeah it it was the

653
00:25:26,070 --> 00:25:24,240
early days of of apps that you have now

654
00:25:28,390 --> 00:25:26,080
have on the phone to make you your face

655
00:25:30,470 --> 00:25:28,400
look funny or you just get old and grey

656
00:25:33,110 --> 00:25:30,480
like me and it ends up looking funny

657
00:25:35,750 --> 00:25:33,120
anyway you know but this light was

658
00:25:38,310 --> 00:25:35,760
shining up in his in his face and he

659
00:25:41,110 --> 00:25:38,320
said he had a peculiar grin on his on

660
00:25:43,830 --> 00:25:41,120
its face but behind it

661
00:25:46,230 --> 00:25:43,840
uh there was also a dome-shaped object

662
00:25:48,470 --> 00:25:46,240
that was illuminated as well

663
00:25:51,029 --> 00:25:48,480

and it scared the living daylights out

664

00:25:52,950 --> 00:25:51,039

of him remember this is 1942

665

00:25:54,070 --> 00:25:52,960

you know it's you know the middle of the

666

00:25:56,149 --> 00:25:54,080

war

667

00:25:57,830 --> 00:25:56,159

and although i didn't put it in the book

668

00:26:00,310 --> 00:25:57,840

because he asked me not to write this

669

00:26:02,230 --> 00:26:00,320

but he said had he been armed at the

670

00:26:04,149 --> 00:26:02,240

time had he had his sidearm with him he

671

00:26:06,870 --> 00:26:04,159

would have shot it

672

00:26:09,190 --> 00:26:06,880

because this was war time and he knew

673

00:26:12,310 --> 00:26:09,200

it wasn't anything to do with the raf or

674

00:26:14,149 --> 00:26:12,320

the army so i must be the enemy and he

675

00:26:15,430 --> 00:26:14,159

said he would have shot he would have

676

00:26:17,350 --> 00:26:15,440

shot it

677

00:26:20,870 --> 00:26:17,360

but it didn't do anything he

678

00:26:23,750 --> 00:26:20,880

he he scarfed pretty quickly and looking

679

00:26:25,830 --> 00:26:23,760

luckily for him he managed to get back

680

00:26:28,390 --> 00:26:25,840

into the the barracks

681

00:26:29,830 --> 00:26:28,400

through a uh a window his friend let him

682

00:26:31,510 --> 00:26:29,840

in through a window

683

00:26:32,470 --> 00:26:31,520

and he says that you know i told my

684

00:26:34,870 --> 00:26:32,480

friend

685

00:26:38,029 --> 00:26:34,880

uh and he was you know

686

00:26:41,350 --> 00:26:38,039

startled by it so in the in the mid

687

00:26:43,750 --> 00:26:41,360

1960s i think it was mr warren had also

688

00:26:46,149 --> 00:26:43,760

reported the sighting to

689

00:26:48,149 --> 00:26:46,159

the british ufo research association so

690

00:26:50,710 --> 00:26:48,159

i managed to access their file and find

691

00:26:54,390 --> 00:26:50,720

his letter but it was nice to be able to

692

00:26:56,950 --> 00:26:54,400

speak to him in person about something

693

00:26:57,830 --> 00:26:56,960

that happened priyano and it obviously

694

00:26:59,350 --> 00:26:57,840

still

695

00:27:01,350 --> 00:26:59,360

bothered him because

696

00:27:03,430 --> 00:27:01,360

he contacted me

697

00:27:05,510 --> 00:27:03,440

when he saw me in the local newspaper he

698

00:27:06,870 --> 00:27:05,520

still wanted to talk about it all those

699

00:27:10,149 --> 00:27:06,880

years later

700

00:27:12,470 --> 00:27:10,159

and it's just a a you know another

701
00:27:14,630 --> 00:27:12,480
fascinating little landing case that

702
00:27:17,190 --> 00:27:14,640
nobody's ever heard of it's been

703
00:27:18,950 --> 00:27:17,200
languishing in somebody's files

704
00:27:21,110 --> 00:27:18,960
but the good thing was i got to speak to

705
00:27:22,950 --> 00:27:21,120
him in person so you're not just reading

706
00:27:25,269 --> 00:27:22,960
bits of paper you can

707
00:27:27,990 --> 00:27:25,279
you could feel you could feel the the

708
00:27:29,190 --> 00:27:28,000
fascination that this this old boy had

709
00:27:31,909 --> 00:27:29,200
and of course

710
00:27:34,070 --> 00:27:31,919
the era that we're talking about it was

711
00:27:36,470 --> 00:27:34,080
you know the wartime and i can honestly

712
00:27:38,389 --> 00:27:36,480
believe him if he would have shot it you

713
00:27:41,029 --> 00:27:38,399

know i can honestly believe

714

00:27:42,950 --> 00:27:41,039

that you know it it will laugh about it

715

00:27:44,950 --> 00:27:42,960

but it sounds the obvious thing to do to

716

00:27:47,269 --> 00:27:44,960

me this is not us therefore it must be

717

00:27:50,230 --> 00:27:47,279

the enemy i'm gonna shoot the damn thing

718

00:27:51,190 --> 00:27:50,240

and it's right outside the the raf base

719

00:27:54,870 --> 00:27:51,200

um

720

00:27:56,870 --> 00:27:54,880

where he was uh uh stationed so

721

00:27:59,110 --> 00:27:56,880

you know make of it what you will i mean

722

00:28:01,190 --> 00:27:59,120

it just gives you one example

723

00:28:04,310 --> 00:28:01,200

that if you dig these are the type of

724

00:28:05,269 --> 00:28:04,320

things that that come to the surface

725

00:28:07,510 --> 00:28:05,279

wow

726

00:28:10,149 --> 00:28:07,520

yeah that is a fascinating case and you

727

00:28:12,389 --> 00:28:10,159

know this idea of yeah it's a potential

728

00:28:13,909 --> 00:28:12,399

threat especially around a military base

729

00:28:15,990 --> 00:28:13,919

which there were several of those in the

730

00:28:17,750 --> 00:28:16,000

book that you spoke of and that lends a

731

00:28:20,389 --> 00:28:17,760

lot of credibility for a lot of people

732

00:28:22,950 --> 00:28:20,399

who don't you know research ufos like

733

00:28:25,669 --> 00:28:22,960

you and i do on a daily basis when they

734

00:28:28,310 --> 00:28:25,679

hear that military people are witnessing

735

00:28:31,029 --> 00:28:28,320

these pilots people on the ground radar

736

00:28:33,350 --> 00:28:31,039

operators that seems to be what really

737

00:28:36,230 --> 00:28:33,360

catches people's attention well mr

738

00:28:39,669 --> 00:28:36,240

warren was responsible for arming two

739

00:28:42,389 --> 00:28:39,679

squadrons of of uh fighter aircraft uh

740

00:28:44,549 --> 00:28:42,399

arif ludenham so he wasn't just a t-boy

741

00:28:46,630 --> 00:28:44,559

you know he wasn't the colonel either

742

00:28:47,510 --> 00:28:46,640

but he you know he wasn't and like i

743

00:28:49,750 --> 00:28:47,520

said he

744

00:28:51,430 --> 00:28:49,760

he had no he no option but to walk home

745

00:28:52,389 --> 00:28:51,440

that night that when she missed the last

746

00:28:53,510 --> 00:28:52,399

train

747

00:28:54,950 --> 00:28:53,520

that was it

748

00:28:57,990 --> 00:28:54,960

it was it was

749

00:28:59,750 --> 00:28:58,000

so it was 12 miles and he said i hadn't

750

00:29:01,909 --> 00:28:59,760

been on the drink this is because there

751
00:29:04,470 --> 00:29:01,919
wasn't a lot of it anyway and we didn't

752
00:29:06,870 --> 00:29:04,480
have a lot of money either you know

753
00:29:09,110 --> 00:29:06,880
um i think he'd been in all honesty he'd

754
00:29:11,909 --> 00:29:09,120
been chasing the ladies at the dance but

755
00:29:12,710 --> 00:29:11,919
that's another story you know but

756
00:29:15,269 --> 00:29:12,720
you know

757
00:29:17,590 --> 00:29:15,279
fascinating and it makes you wonder ryan

758
00:29:19,350 --> 00:29:17,600
when you come across cases like this he

759
00:29:21,430 --> 00:29:19,360
makes you think well what others are

760
00:29:23,909 --> 00:29:21,440
there out there that we are totally

761
00:29:25,590 --> 00:29:23,919
unaware of and

762
00:29:27,350 --> 00:29:25,600
i'll give you an example it's not in the

763
00:29:28,470 --> 00:29:27,360

book

764

00:29:30,389 --> 00:29:28,480

um

765

00:29:33,590 --> 00:29:30,399

as you mentioned in the introduction i i

766

00:29:34,789 --> 00:29:33,600

was involved in the the alien autopsy

767

00:29:36,549 --> 00:29:34,799

film

768

00:29:39,830 --> 00:29:36,559

uh research

769

00:29:41,750 --> 00:29:39,840

and i made a little four part tv series

770

00:29:44,470 --> 00:29:41,760

tv documentary series about it and it

771

00:29:46,870 --> 00:29:44,480

was broadcast last year

772

00:29:48,389 --> 00:29:46,880

and a local gentleman contacted me on

773

00:29:50,549 --> 00:29:48,399

email list i've got something i'd like

774

00:29:52,230 --> 00:29:50,559

to show you philip

775

00:29:53,029 --> 00:29:52,240

and um

776

00:29:54,710 --> 00:29:53,039

so

777

00:29:57,350 --> 00:29:54,720

when the lockdown the call with lockdown

778

00:30:00,230 --> 00:29:57,360

had finished he he paid me a visit

779

00:30:03,269 --> 00:30:00,240

and this was a the memoirs

780

00:30:05,990 --> 00:30:03,279

of his wife's grandfather

781

00:30:08,630 --> 00:30:06,000

um like i said this area used to be a

782

00:30:10,549 --> 00:30:08,640

big mock big coal mining area he was

783

00:30:13,510 --> 00:30:10,559

actually um

784

00:30:15,510 --> 00:30:13,520

a mining engineer so not a digger of

785

00:30:17,590 --> 00:30:15,520

coal but he used to design

786

00:30:19,350 --> 00:30:17,600

the lift shafts and the loading gear and

787

00:30:21,510 --> 00:30:19,360

all this kind of thing

788

00:30:23,029 --> 00:30:21,520

and before he died

789

00:30:27,110 --> 00:30:23,039

he

790

00:30:27,990 --> 00:30:27,120

extensive you know

791

00:30:30,549 --> 00:30:28,000

um

792

00:30:33,269 --> 00:30:30,559

and as a young boy he used to live near

793

00:30:37,110 --> 00:30:33,279

manchester which is about you know 40

794

00:30:40,149 --> 00:30:37,120

miles from here not that far and and the

795

00:30:42,070 --> 00:30:40,159

these memoirs were in two parts one was

796

00:30:43,590 --> 00:30:42,080

about his life how he

797

00:30:45,190 --> 00:30:43,600

where he grew up

798

00:30:47,350 --> 00:30:45,200

his family

799

00:30:48,950 --> 00:30:47,360

the second part was about his life as a

800

00:30:51,669 --> 00:30:48,960

mining engineer and this chap said the

801
00:30:53,590 --> 00:30:51,679
second half is dreadfully boring

802
00:30:57,110 --> 00:30:53,600
unless you unless you're heavily into

803
00:30:59,110 --> 00:30:57,120
mayan engineering this is dope but

804
00:31:01,190 --> 00:30:59,120
in the other part when he was nine years

805
00:31:03,430 --> 00:31:01,200
old i believe 809

806
00:31:05,110 --> 00:31:03,440
there is the chapter and it just says

807
00:31:06,870 --> 00:31:05,120
the encounter

808
00:31:09,029 --> 00:31:06,880
and it's the largest chapter in the

809
00:31:11,430 --> 00:31:09,039
whole memoirs he printed these things

810
00:31:13,430 --> 00:31:11,440
out himself and just gave them to family

811
00:31:14,710 --> 00:31:13,440
members so they're only about 10 coppers

812
00:31:17,750 --> 00:31:14,720
ever made

813
00:31:20,230 --> 00:31:17,760

so he talks about an encounter

814

00:31:22,470 --> 00:31:20,240
in 1911

815

00:31:24,549 --> 00:31:22,480
and him and his friend were on the way

816

00:31:26,549 --> 00:31:24,559
to a local park

817

00:31:28,389 --> 00:31:26,559
they had to walk to it you know children

818

00:31:29,509 --> 00:31:28,399
didn't get run around in cars in those

819

00:31:30,389 --> 00:31:29,519
days

820

00:31:33,190 --> 00:31:30,399
and

821

00:31:34,710 --> 00:31:33,200
he said we we came to this clearing

822

00:31:36,630 --> 00:31:34,720
and there's this

823

00:31:37,509 --> 00:31:36,640
this thing's on the ground

824

00:31:41,190 --> 00:31:37,519
you know

825

00:31:44,149 --> 00:31:41,200
like a cigar shaped thing on the ground

826

00:31:45,269 --> 00:31:44,159

and the you know they went up to it it

827

00:31:48,870 --> 00:31:45,279

opened up

828

00:31:51,029 --> 00:31:48,880

and there were beings humanoid beings

829

00:31:52,950 --> 00:31:51,039

looked at what we what we'd probably

830

00:31:58,549 --> 00:31:52,960

describe as asian

831

00:32:00,710 --> 00:31:58,559

uh wearing colored clothing and even a

832

00:32:02,310 --> 00:32:00,720

a headgear that looked something like a

833

00:32:04,549 --> 00:32:02,320

turban

834

00:32:06,070 --> 00:32:04,559

and they communicated with them and

835

00:32:07,190 --> 00:32:06,080

conversed with them and then off they

836

00:32:08,470 --> 00:32:07,200

went

837

00:32:10,549 --> 00:32:08,480

and

838

00:32:11,750 --> 00:32:10,559

he reported it to his parents when he

839

00:32:13,669 --> 00:32:11,760

got home and

840

00:32:14,549 --> 00:32:13,679

you know they didn't do anything about

841

00:32:17,269 --> 00:32:14,559

it

842

00:32:19,029 --> 00:32:17,279

but this was the largest chapter in this

843

00:32:22,389 --> 00:32:19,039

gentleman's memoirs

844

00:32:24,549 --> 00:32:22,399

wow and it's but nobody knew anything

845

00:32:26,549 --> 00:32:24,559

about it i mean i put this gentleman's

846

00:32:29,909 --> 00:32:26,559

name in on google

847

00:32:32,310 --> 00:32:29,919

i think i found one mention of him

848

00:32:34,230 --> 00:32:32,320

you know and that was it nothing to do

849

00:32:36,149 --> 00:32:34,240

with ufos and i managed to get an old

850

00:32:39,669 --> 00:32:36,159

photograph of him

851

00:32:42,310 --> 00:32:39,679

but nothing not uh not a whisper

852

00:32:44,389 --> 00:32:42,320

and this was 9 19 1911 you know the

853

00:32:46,230 --> 00:32:44,399

early part of the 20th century before

854

00:32:47,830 --> 00:32:46,240

the first world war

855

00:32:49,669 --> 00:32:47,840

and it had just been sat

856

00:32:51,909 --> 00:32:49,679

gathering dust you know i was only

857

00:32:54,149 --> 00:32:51,919

disappointed that i didn't get to meet

858

00:32:55,430 --> 00:32:54,159

the old boy and speak to him you know in

859

00:32:58,470 --> 00:32:55,440

person

860

00:33:01,029 --> 00:32:58,480

and um this gentleman let me take a a

861

00:33:03,110 --> 00:33:01,039

you know a copy of this this file

862

00:33:04,710 --> 00:33:03,120

uh and i have it but it's not in the

863

00:33:06,470 --> 00:33:04,720

book but i thought i'd mention that

864

00:33:08,630 --> 00:33:06,480

because it's

865

00:33:10,549 --> 00:33:08,640

it's an example we just said you know

866

00:33:12,549 --> 00:33:10,559

what else is lying around out there that

867

00:33:15,669 --> 00:33:12,559

we were not aware of

868

00:33:18,630 --> 00:33:15,679

and and here was one again it came about

869

00:33:19,990 --> 00:33:18,640

because i i appeared on tv

870

00:33:21,990 --> 00:33:20,000

and he must have googled me and he

871

00:33:24,149 --> 00:33:22,000

thought he lives up there i'm easy

872

00:33:26,470 --> 00:33:24,159

enough to find you know i'm not i'm not

873

00:33:28,710 --> 00:33:26,480

living in some some hobbit land in a

874

00:33:31,110 --> 00:33:28,720

little round house you know

875

00:33:32,789 --> 00:33:31,120

and i was forever thankful

876

00:33:34,310 --> 00:33:32,799

and i published the story in a couple of

877

00:33:36,149 --> 00:33:34,320

magazines and i sent this gentleman

878

00:33:37,830 --> 00:33:36,159

copies of it it was you know to share

879

00:33:39,750 --> 00:33:37,840

with the family

880

00:33:42,149 --> 00:33:39,760

but very bizarre

881

00:33:44,310 --> 00:33:42,159

very strange but it shows you what what

882

00:33:47,029 --> 00:33:44,320

else may be lying around that we're

883

00:33:48,549 --> 00:33:47,039

unaware of of these strange strange

884

00:33:51,029 --> 00:33:48,559

accounts you know

885

00:33:52,870 --> 00:33:51,039

and make of it what you will i you know

886

00:33:54,230 --> 00:33:52,880

um there's a lot more to the story than

887

00:33:56,710 --> 00:33:54,240

that but you know

888

00:33:58,389 --> 00:33:56,720

hey i can't remember it all off offhand

889

00:34:01,029 --> 00:33:58,399

and b we're we're

890

00:34:03,750 --> 00:34:01,039

we're limited for time anyway but it

891

00:34:07,110 --> 00:34:03,760

it's an example that is something that's

892

00:34:09,669 --> 00:34:07,120

only in 10 copies of an old boy's

893

00:34:11,430 --> 00:34:09,679

memoirs and it's you will not find it

894

00:34:15,190 --> 00:34:11,440

anywhere else

895

00:34:17,669 --> 00:34:15,200

very interesting again i i like the way

896

00:34:20,710 --> 00:34:17,679

you uh you think about these things

897

00:34:23,349 --> 00:34:20,720

philip of you know how many

898

00:34:27,030 --> 00:34:23,359

lost chapters are there to memoirs out

899

00:34:29,669 --> 00:34:27,040

there or uh you know reports that never

900

00:34:32,470 --> 00:34:29,679

made it to an organization or to the faa

901
00:34:35,430 --> 00:34:32,480
or to the local law enforcement you know

902
00:34:37,589 --> 00:34:35,440
that old saying of like you know

903
00:34:40,230 --> 00:34:37,599
95 percent of people have probably seen

904
00:34:42,950 --> 00:34:40,240
something unexplained in the sky but two

905
00:34:45,990 --> 00:34:42,960
percent maybe report it somewhere so we

906
00:34:47,430 --> 00:34:46,000
can only imagine the untold stories that

907
00:34:49,190 --> 00:34:47,440
are out there so that's really

908
00:34:50,710 --> 00:34:49,200
fascinating well people say to me how

909
00:34:53,909 --> 00:34:50,720
how did you find out these things

910
00:34:55,990 --> 00:34:53,919
phillip well i i always say my my my my

911
00:34:57,430 --> 00:34:56,000
mum god rest her soul

912
00:34:58,870 --> 00:34:57,440
she always used to say to me you'll

913
00:35:00,390 --> 00:34:58,880

never get lost

914

00:35:01,510 --> 00:35:00,400

so long as you have a tongue in your

915

00:35:05,270 --> 00:35:01,520

head

916

00:35:07,750 --> 00:35:05,280

in other words ask just ask and when you

917

00:35:09,190 --> 00:35:07,760

ask the simplest of questions right it's

918

00:35:10,950 --> 00:35:09,200

amazing

919

00:35:12,230 --> 00:35:10,960

of what the answers are that come back

920

00:35:13,990 --> 00:35:12,240

especially when you're dealing with

921

00:35:15,430 --> 00:35:14,000

these things and what things you find i

922

00:35:17,990 --> 00:35:15,440

know i've given you the examples here

923

00:35:19,829 --> 00:35:18,000

where i've been in the local media and

924

00:35:21,430 --> 00:35:19,839

and somebody's contacted me

925

00:35:23,589 --> 00:35:21,440

but a lot of the times we were just

926
00:35:25,030 --> 00:35:23,599
doing the asking you know and putting

927
00:35:27,030 --> 00:35:25,040
ourselves out there and saying have you

928
00:35:28,069 --> 00:35:27,040
seen anything if you have come and tell

929
00:35:33,030 --> 00:35:28,079
us

930
00:35:35,349 --> 00:35:33,040
hundreds of landings have occurred um

931
00:35:37,670 --> 00:35:35,359
are there any more philip that you find

932
00:35:38,870 --> 00:35:37,680
um extra notable that you'd like to

933
00:35:40,870 --> 00:35:38,880
share with us here throughout the

934
00:35:42,950 --> 00:35:40,880
decades well you you know one of the

935
00:35:45,430 --> 00:35:42,960
busiest times

936
00:35:48,230 --> 00:35:45,440
for ufos full stop

937
00:35:50,310 --> 00:35:48,240
was just before i got involved in the uk

938
00:35:52,710 --> 00:35:50,320

i'm talking about it's the the sort of

939

00:35:54,069 --> 00:35:52,720

late 1970s

940

00:35:55,589 --> 00:35:54,079

and um

941

00:35:57,670 --> 00:35:55,599

i think you were i think you mentioned

942

00:35:59,030 --> 00:35:57,680

it anyway there's a an incident that

943

00:36:01,349 --> 00:35:59,040

took place

944

00:36:03,829 --> 00:36:01,359

it was called dec mont woods in

945

00:36:06,230 --> 00:36:03,839

livingston in scotland

946

00:36:07,510 --> 00:36:06,240

and uh it was

947

00:36:11,670 --> 00:36:07,520

um

948

00:36:14,230 --> 00:36:11,680

the late 1970s i think it was 1979

949

00:36:16,230 --> 00:36:14,240

and it involved a um a local gentleman

950

00:36:18,870 --> 00:36:16,240

by the name of robert taylor

951
00:36:21,829 --> 00:36:18,880
mr taylor was a forestry worker

952
00:36:24,069 --> 00:36:21,839
uh hence it happening in deckmont woods

953
00:36:26,150 --> 00:36:24,079
he set off to go to work uh

954
00:36:28,630 --> 00:36:26,160
from livingston and the woods were up on

955
00:36:29,910 --> 00:36:28,640
a hill you know beyond where he lived in

956
00:36:31,670 --> 00:36:29,920
his truck

957
00:36:34,310 --> 00:36:31,680
with his dog

958
00:36:36,790 --> 00:36:34,320
and uh he was a very down-to-earth

959
00:36:39,349 --> 00:36:36,800
gentleman was it was mr taylor and he's

960
00:36:41,910 --> 00:36:39,359
walking down through these woods

961
00:36:44,150 --> 00:36:41,920
and there's a small clearing

962
00:36:46,710 --> 00:36:44,160
and as it comes to this clearing there

963
00:36:48,550 --> 00:36:46,720

is this thing there so again

964

00:36:49,829 --> 00:36:48,560

sat on the ground

965

00:36:51,510 --> 00:36:49,839

it is

966

00:36:53,750 --> 00:36:51,520

dome shaped

967

00:36:55,670 --> 00:36:53,760

it has what he described as a flange

968

00:36:57,750 --> 00:36:55,680

going around the bottom of it

969

00:37:00,069 --> 00:36:57,760

and on this flange were little pointers

970

00:37:01,349 --> 00:37:00,079

sticking up with like a

971

00:37:15,109 --> 00:37:01,359

a

972

00:37:18,390 --> 00:37:15,119

of the the old um

973

00:37:20,310 --> 00:37:18,400

world war ii mines they used out at sea

974

00:37:22,870 --> 00:37:20,320

and they literally plopped across the

975

00:37:24,950 --> 00:37:22,880

you could hit them plopping across the

976

00:37:26,710 --> 00:37:24,960

ground because it was muddy as they came

977

00:37:28,950 --> 00:37:26,720

towards him

978

00:37:31,030 --> 00:37:28,960

um he felt a tug

979

00:37:32,550 --> 00:37:31,040

on either side of his

980

00:37:34,829 --> 00:37:32,560

his trousers

981

00:37:36,630 --> 00:37:34,839

in the middle of his thighs thighs but

982

00:37:38,470 --> 00:37:36,640

outside

983

00:37:40,790 --> 00:37:38,480

there was a high-pitched whistling sound

984

00:37:42,710 --> 00:37:40,800

a smell of sulfur and he was out cold i

985

00:37:44,710 --> 00:37:42,720

mean literally out cold

986

00:37:47,670 --> 00:37:44,720

when he came around

987

00:37:51,030 --> 00:37:47,680

you know his dog is doing some assaults

988

00:37:52,390 --> 00:37:51,040

and this thing has gone i mean literally

989

00:37:55,190 --> 00:37:52,400

so

990

00:37:57,589 --> 00:37:55,200

he staggered to his his truck

991

00:37:59,109 --> 00:37:57,599

tried to drive it and managed to just

992

00:38:00,950 --> 00:37:59,119

get it into a ditch

993

00:38:03,510 --> 00:38:00,960

so he it wasn't far from to where he

994

00:38:05,349 --> 00:38:03,520

lived so he staggered down home

995

00:38:06,790 --> 00:38:05,359

knocked on the door and his wife's there

996

00:38:07,910 --> 00:38:06,800

and she says what's the matter what's

997

00:38:10,230 --> 00:38:07,920

happening you know he's looking a bit

998

00:38:11,829 --> 00:38:10,240

disheveled a bit dirty and he says i've

999

00:38:14,790 --> 00:38:11,839

been attacked

1000

00:38:16,829 --> 00:38:14,800

so she phones the police

1001
00:38:19,750 --> 00:38:16,839
you know the police come and he tells

1002
00:38:21,109 --> 00:38:19,760
them and when the police go to the

1003
00:38:23,430 --> 00:38:21,119
location

1004
00:38:25,430 --> 00:38:23,440
it's exactly where he told them to go

1005
00:38:26,790 --> 00:38:25,440
there are these strange marks in the

1006
00:38:28,790 --> 00:38:26,800
ground there's two that look like

1007
00:38:30,950 --> 00:38:28,800
caterpillar marks and some other

1008
00:38:33,589 --> 00:38:30,960
indentations around them

1009
00:38:35,750 --> 00:38:33,599
uh fortunately for the police and and

1010
00:38:38,310 --> 00:38:35,760
ufo investigators

1011
00:38:39,829 --> 00:38:38,320
um it it was cold that night i believe

1012
00:38:41,910 --> 00:38:39,839
he might have had a bit of snow so it

1013
00:38:45,270 --> 00:38:41,920

froze the muddy ground

1014

00:38:47,190 --> 00:38:45,280

so these imprints were frozen in place

1015

00:38:50,550 --> 00:38:47,200

and the photographs were taken the

1016

00:38:52,069 --> 00:38:50,560

police even drew a sketch of these marks

1017

00:38:54,150 --> 00:38:52,079

and because

1018

00:38:55,910 --> 00:38:54,160

mr taylor was such an upstanding member

1019

00:38:57,190 --> 00:38:55,920

of the community the police actually

1020

00:38:59,430 --> 00:38:57,200

carried out

1021

00:39:01,589 --> 00:38:59,440

a forensic investigation and it's the

1022

00:39:04,470 --> 00:39:01,599

only official

1023

00:39:07,589 --> 00:39:04,480

forensic police investigation of a ufo

1024

00:39:08,390 --> 00:39:07,599

sighting anywhere in the uk

1025

00:39:12,069 --> 00:39:08,400

and

1026

00:39:14,310 --> 00:39:12,079

you know they confirmed the that mr mr

1027

00:39:16,630 --> 00:39:14,320

taylor's trousers were torn where he

1028

00:39:18,230 --> 00:39:16,640

felt these things pulling on him

1029

00:39:20,710 --> 00:39:18,240

went right through

1030

00:39:21,910 --> 00:39:20,720

and these were heavy you know duty work

1031

00:39:23,589 --> 00:39:21,920

trousers

1032

00:39:27,589 --> 00:39:23,599

uh they confirmed that they were

1033

00:39:29,670 --> 00:39:27,599

consistent with a upward pulling motion

1034

00:39:31,430 --> 00:39:29,680

and they kind of you know they conducted

1035

00:39:33,750 --> 00:39:31,440

a full report and i you know i have a

1036

00:39:35,750 --> 00:39:33,760

copy of that police report

1037

00:39:39,030 --> 00:39:35,760

uh again there was a there's a motorway

1038

00:39:41,750 --> 00:39:39,040

runs nearby from from

1039

00:39:43,510 --> 00:39:41,760

edinburgh to glasgow livingston's kind

1040

00:39:45,750 --> 00:39:43,520

of in the middle of those if you know if

1041

00:39:47,349 --> 00:39:45,760

you sign a picture on a map it's not an

1042

00:39:49,030 --> 00:39:47,359

out of the way place in middle of

1043

00:39:50,950 --> 00:39:49,040

nowhere you know

1044

00:39:52,390 --> 00:39:50,960

and i i was fortunate

1045

00:39:55,190 --> 00:39:52,400

my colleague

1046

00:39:58,470 --> 00:39:55,200

malcolm robinson uh from scotland was on

1047

00:40:00,230 --> 00:39:58,480

site within no time at all

1048

00:40:02,230 --> 00:40:00,240

and malcolm has written the definitive

1049

00:40:03,190 --> 00:40:02,240

book on this i mean it is a fantastic

1050

00:40:05,270 --> 00:40:03,200

book

1051

00:40:07,750 --> 00:40:05,280

so just look out for that if you're

1052

00:40:10,870 --> 00:40:07,760

interested but i went with malcolm

1053

00:40:12,790 --> 00:40:10,880

many years later to interview mr taylor

1054

00:40:14,630 --> 00:40:12,800

and he said this is an interesting

1055

00:40:16,950 --> 00:40:14,640

little story

1056

00:40:18,390 --> 00:40:16,960

he told us the account just as he'd done

1057

00:40:19,990 --> 00:40:18,400

with everybody else and we thanked him

1058

00:40:22,870 --> 00:40:20,000

for the time

1059

00:40:25,510 --> 00:40:22,880

and malcolm and i set off up to deckman

1060

00:40:28,630 --> 00:40:25,520

woods and you know the trees have grown

1061

00:40:30,150 --> 00:40:28,640

somewhat in in the years past

1062

00:40:32,470 --> 00:40:30,160

but we found the location and we're

1063

00:40:35,109 --> 00:40:32,480

taking some photographs but it wasn't if

1064

00:40:36,790 --> 00:40:35,119

you didn't know where you were going uh

1065

00:40:39,030 --> 00:40:36,800

ryan he wouldn't have known anything

1066

00:40:41,829 --> 00:40:39,040

about just just trees

1067

00:40:43,430 --> 00:40:41,839

right so i said to malcolm

1068

00:40:45,829 --> 00:40:43,440

that now put a picnic bench there the

1069

00:40:47,829 --> 00:40:45,839

local council put a picnic bench so why

1070

00:40:49,910 --> 00:40:47,839

don't you get a brass plaque made

1071

00:40:53,270 --> 00:40:49,920

i just screw it onto the side of the

1072

00:40:55,190 --> 00:40:53,280

picnic bench you know so malcolm went to

1073

00:40:56,870 --> 00:40:55,200

the local council

1074

00:40:58,870 --> 00:40:56,880

with this idea

1075

00:41:00,069 --> 00:40:58,880

and instead of that they put a huge

1076

00:41:02,470 --> 00:41:00,079

great rock

1077

00:41:03,750 --> 00:41:02,480

there with a big plaque on it

1078

00:41:07,030 --> 00:41:03,760

you know

1079

00:41:08,710 --> 00:41:07,040

commemorating the event and

1080

00:41:11,109 --> 00:41:08,720

i think just the other year they've gone

1081

00:41:14,230 --> 00:41:11,119

a stage further now and put sign posters

1082

00:41:16,069 --> 00:41:14,240

and things explained in it you know and

1083

00:41:18,069 --> 00:41:16,079

and not that they're going to get

1084

00:41:19,349 --> 00:41:18,079

thousands of tourists like they're doing

1085

00:41:21,030 --> 00:41:19,359

roswell but

1086

00:41:23,190 --> 00:41:21,040

you know there are maps there and it

1087

00:41:25,349 --> 00:41:23,200

will take you to the location and that

1088

00:41:27,670 --> 00:41:25,359

just came as an off the cuff

1089

00:41:30,069 --> 00:41:27,680

remark between malcolm and i and fair

1090

00:41:31,750 --> 00:41:30,079

play to him he malcolm took the idea up

1091

00:41:34,950 --> 00:41:31,760

and ran with it and he's done a great

1092

00:41:35,829 --> 00:41:34,960

job but it's again it fascinating case

1093

00:41:37,910 --> 00:41:35,839

was

1094

00:41:39,829 --> 00:41:37,920

you know forensically i have to

1095

00:41:43,270 --> 00:41:39,839

emphasize that word forensically

1096

00:41:45,430 --> 00:41:43,280

investigated by the by the police

1097

00:41:48,470 --> 00:41:45,440

and they could find no explanation for

1098

00:41:51,270 --> 00:41:48,480

it you know again he wasn't lying you

1099

00:41:53,510 --> 00:41:51,280

know you know he had no idea one of the

1100

00:41:55,990 --> 00:41:53,520

curious things about this is you know i

1101

00:41:58,150 --> 00:41:56,000

forgot to mention it myself

1102

00:42:01,109 --> 00:41:58,160

um is that when mr taylor is looking at

1103

00:42:04,230 --> 00:42:01,119

this object on the ground

1104

00:42:08,630 --> 00:42:04,240

the the dome if you like

1105

00:42:11,109 --> 00:42:08,640

is what part of it was transparent

1106

00:42:12,550 --> 00:42:11,119

but that transparency moved

1107

00:42:14,630 --> 00:42:12,560

didn't stay

1108

00:42:17,430 --> 00:42:14,640

all in one place we're not looking at a

1109

00:42:20,230 --> 00:42:17,440

transparent dome without transparency

1110

00:42:23,109 --> 00:42:20,240

moved around the top of this dome

1111

00:42:25,030 --> 00:42:23,119

and and it's i don't you know i don't i

1112

00:42:26,950 --> 00:42:25,040

can't figure that out at all it's very

1113

00:42:28,309 --> 00:42:26,960

puzzling indeed

1114

00:42:29,190 --> 00:42:28,319

and um

1115

00:42:31,670 --> 00:42:29,200

but

1116

00:42:34,550 --> 00:42:31,680

there is a lot more involved in the case

1117

00:42:36,470 --> 00:42:34,560

than i've highlighted but uh just look

1118

00:42:38,470 --> 00:42:36,480

you know look for malcolm's book malcolm

1119

00:42:39,910 --> 00:42:38,480

robinson you you'll not be disappointed

1120

00:42:41,910 --> 00:42:39,920

i can assure you

1121

00:42:44,710 --> 00:42:41,920

but it's another fascinating case this

1122

00:42:46,950 --> 00:42:44,720

one has appeared in the newspapers

1123

00:42:47,910 --> 00:42:46,960

it has appeared on television but it's

1124

00:42:51,030 --> 00:42:47,920

not

1125

00:42:53,190 --> 00:42:51,040

widely well known like rendell shim or i

1126
00:42:54,950 --> 00:42:53,200
or you won't find anything any mention

1127
00:42:56,390 --> 00:42:54,960
of reynolds from forest in my new book

1128
00:42:58,390 --> 00:42:56,400
at all because

1129
00:43:00,150 --> 00:42:58,400
you know there are countless books about

1130
00:43:02,390 --> 00:43:00,160
it so i i didn't need to write about

1131
00:43:04,790 --> 00:43:02,400
that uh i couldn't have done it justice

1132
00:43:06,710 --> 00:43:04,800
just in in just one chapter

1133
00:43:08,790 --> 00:43:06,720
but um

1134
00:43:11,589 --> 00:43:08,800
but the dickman watch case or livingston

1135
00:43:14,069 --> 00:43:11,599
or robert taylor you know is fascinating

1136
00:43:15,190 --> 00:43:14,079
and again i was glad to meet the manning

1137
00:43:16,950 --> 00:43:15,200
himself

1138
00:43:18,230 --> 00:43:16,960

um i was actually

1139

00:43:20,150 --> 00:43:18,240

um

1140

00:43:23,589 --> 00:43:20,160

researching my first book when i spoke

1141

00:43:25,109 --> 00:43:23,599

to mr taylor uh way back in 1994 i

1142

00:43:26,390 --> 00:43:25,119

co-authored a book called without

1143

00:43:28,390 --> 00:43:26,400

consent

1144

00:43:31,430 --> 00:43:28,400

which dealt with abductions and missing

1145

00:43:33,829 --> 00:43:31,440

time cases again only here in the uk

1146

00:43:35,589 --> 00:43:33,839

nowhere else and there was a period of

1147

00:43:36,950 --> 00:43:35,599

missing time that mr taylor couldn't

1148

00:43:39,910 --> 00:43:36,960

account for

1149

00:43:42,069 --> 00:43:39,920

um so that's why i went to interview him

1150

00:43:44,550 --> 00:43:42,079

but he'd never explored it any further

1151
00:43:46,710 --> 00:43:44,560
it was just i don't know you know i was

1152
00:43:47,670 --> 00:43:46,720
out cold i don't know what happened

1153
00:43:50,069 --> 00:43:47,680
you know

1154
00:43:52,309 --> 00:43:50,079
um and i tried to drive my truck and

1155
00:43:53,510 --> 00:43:52,319
ended that ended up in a ditch

1156
00:43:56,150 --> 00:43:53,520
you know

1157
00:43:58,710 --> 00:43:56,160
so but i was glad i was glad i got to

1158
00:43:59,670 --> 00:43:58,720
just to speak to him i really am and and

1159
00:44:00,630 --> 00:43:59,680
he was a

1160
00:44:02,550 --> 00:44:00,640
again

1161
00:44:03,750 --> 00:44:02,560
ryan i know it doesn't mean a lot to a

1162
00:44:05,510 --> 00:44:03,760
lot of people

1163
00:44:07,910 --> 00:44:05,520

but he was such a down-to-earth

1164

00:44:11,030 --> 00:44:07,920

gentleman you know it really was he had

1165

00:44:12,710 --> 00:44:11,040

his job his wife his family and his dog

1166

00:44:13,990 --> 00:44:12,720

and that's all he was really interested

1167

00:44:16,470 --> 00:44:14,000

in you know

1168

00:44:18,550 --> 00:44:16,480

and he he was bewildered by the whole

1169

00:44:20,950 --> 00:44:18,560

event he even right up to the day he

1170

00:44:22,950 --> 00:44:20,960

died i believe he was still

1171

00:44:24,630 --> 00:44:22,960

you know had no idea what happened to

1172

00:44:25,589 --> 00:44:24,640

him that day

1173

00:44:28,470 --> 00:44:25,599

wow

1174

00:44:30,230 --> 00:44:28,480

again you know posing that question why

1175

00:44:32,470 --> 00:44:30,240

why would someone make something like

1176

00:44:34,870 --> 00:44:32,480

this up there's absolutely nothing to

1177

00:44:36,790 --> 00:44:34,880

gain he didn't want notoriety uh he

1178

00:44:38,550 --> 00:44:36,800

reported it to the only people he

1179

00:44:40,710 --> 00:44:38,560

thought he could and that's the police

1180

00:44:43,109 --> 00:44:40,720

his wife did and that makes sense so

1181

00:44:45,030 --> 00:44:43,119

yeah yeah that is a great feeling i've

1182

00:44:46,550 --> 00:44:45,040

been attacked so if you've been attacked

1183

00:44:49,510 --> 00:44:46,560

what do you do

1184

00:44:50,390 --> 00:44:49,520

just the logical thing call the police

1185

00:44:53,349 --> 00:44:50,400

you're right

1186

00:44:56,390 --> 00:44:53,359

yeah i love it um well

1187

00:44:59,910 --> 00:44:56,400

and i do want to talk about there is um

1188

00:45:03,109 --> 00:44:59,920

this subset in the ufo field uh when it

1189

00:45:05,990 --> 00:45:03,119

comes to landings or close encounters

1190

00:45:09,270 --> 00:45:06,000

where school children are involved and

1191

00:45:11,270 --> 00:45:09,280

that seems to be a really big thing uh

1192

00:45:13,670 --> 00:45:11,280

more cases than i ever thought actually

1193

00:45:16,470 --> 00:45:13,680

existed um and we will get there but

1194

00:45:18,790 --> 00:45:16,480

before we get to that pinnacle case in

1195

00:45:20,630 --> 00:45:18,800

in broadhaven philip are there any other

1196

00:45:23,190 --> 00:45:20,640

cases in the book that you really want

1197

00:45:25,430 --> 00:45:23,200

to share with us now um you have a

1198

00:45:27,750 --> 00:45:25,440

chapter called the x-files which of

1199

00:45:33,349 --> 00:45:29,990

i'll go no i'll go back in time to the

1200

00:45:35,349 --> 00:45:33,359

70s again if i may yeah please because

1201

00:45:36,390 --> 00:45:35,359

one of the things i talk about in the

1202

00:45:38,950 --> 00:45:36,400

book is

1203

00:45:41,829 --> 00:45:38,960

the the term that the late alan heineck

1204

00:45:44,710 --> 00:45:41,839

came up with and that's high strangeness

1205

00:45:45,670 --> 00:45:44,720

and as far as he was concerned you know

1206

00:45:46,390 --> 00:45:45,680

um

1207

00:45:49,030 --> 00:45:46,400

this

1208

00:45:51,430 --> 00:45:49,040

the stranger these cases were the closer

1209

00:45:53,829 --> 00:45:51,440

you got to the objects then the less

1210

00:45:56,710 --> 00:45:53,839

likely is that it's a misidentification

1211

00:45:58,150 --> 00:45:56,720

you know we all know ryan that most ufo

1212

00:46:00,390 --> 00:45:58,160

sightings at the end of the day have a

1213

00:46:02,550 --> 00:46:00,400

conventional explanation but when you're

1214

00:46:04,950 --> 00:46:02,560

up close and personal to these things

1215

00:46:06,630 --> 00:46:04,960

it's it's very difficult to say it was

1216

00:46:09,670 --> 00:46:06,640

an airplane

1217

00:46:12,069 --> 00:46:09,680

or it was a star or planet or whatever

1218

00:46:14,069 --> 00:46:12,079

other excuse even heineken fell foul of

1219

00:46:15,510 --> 00:46:14,079

that didn't it with the swamp gas you

1220

00:46:17,270 --> 00:46:15,520

know and he admitted he got that wrong

1221

00:46:19,589 --> 00:46:17,280

many years later

1222

00:46:21,670 --> 00:46:19,599

but um

1223

00:46:24,950 --> 00:46:21,680

there's a place and i can't pronounce it

1224

00:46:27,109 --> 00:46:24,960

correctly so i it seemed wales now the

1225

00:46:29,270 --> 00:46:27,119

welsh language is you know

1226

00:46:31,270 --> 00:46:29,280

uh one-of-a-kind really it's a place

1227

00:46:33,030 --> 00:46:31,280

called maca length

1228

00:46:34,710 --> 00:46:33,040

in in wales

1229

00:46:35,670 --> 00:46:34,720

and it involved a young boy called

1230

00:46:37,270 --> 00:46:35,680

trevor

1231

00:46:39,750 --> 00:46:37,280

you know we've never released his

1232

00:46:42,710 --> 00:46:39,760

surname it happened on

1233

00:46:46,069 --> 00:46:42,720

july the 22nd 1975

1234

00:46:48,470 --> 00:46:46,079

and he was with his father

1235

00:46:50,710 --> 00:46:48,480

and they were heading for the coast

1236

00:46:53,750 --> 00:46:50,720

and the beach

1237

00:46:54,790 --> 00:46:53,760

behind the beach was this large hill

1238

00:46:56,790 --> 00:46:54,800

and

1239

00:46:59,510 --> 00:46:56,800

you know trevor being an adventurous

1240

00:47:01,270 --> 00:46:59,520

young man but i'm i'm up here

1241

00:47:04,230 --> 00:47:01,280

so he you know it wasn't anything

1242

00:47:06,150 --> 00:47:04,240

dangerous he scrambled up the rocks

1243

00:47:07,430 --> 00:47:06,160

and when he got to the top

1244

00:47:10,150 --> 00:47:07,440

he was

1245

00:47:12,630 --> 00:47:10,160

amazed that there was this

1246

00:47:13,750 --> 00:47:12,640

this dome-shaped object with lights all

1247

00:47:16,710 --> 00:47:13,760

around it

1248

00:47:18,950 --> 00:47:16,720

actually there are amongst the rocks and

1249

00:47:21,589 --> 00:47:18,960

and it was done shameless dome was

1250

00:47:24,470 --> 00:47:21,599

transparent

1251
00:47:26,470 --> 00:47:24,480
and what makes it even

1252
00:47:27,910 --> 00:47:26,480
more high strengthens is the creatures

1253
00:47:29,910 --> 00:47:27,920
that he saw in it

1254
00:47:31,750 --> 00:47:29,920
there were two creatures

1255
00:47:33,270 --> 00:47:31,760
that he called

1256
00:47:36,390 --> 00:47:33,280
jelly men

1257
00:47:38,950 --> 00:47:36,400
they were seemed as if they were

1258
00:47:42,630 --> 00:47:38,960
you know bubbling away inside them all

1259
00:47:44,630 --> 00:47:42,640
moving this mass moving inside of them

1260
00:47:45,430 --> 00:47:44,640
and

1261
00:47:47,349 --> 00:47:45,440
it's

1262
00:47:49,109 --> 00:47:47,359
it frightened the hell out of him he ran

1263
00:47:51,349 --> 00:47:49,119

down the rocks

1264

00:47:54,230 --> 00:47:51,359

yelled to his father

1265

00:47:55,670 --> 00:47:54,240

and then turned around and ran back up

1266

00:47:57,270 --> 00:47:55,680

and his father thought he was playing

1267

00:47:59,190 --> 00:47:57,280

some kind of game

1268

00:48:00,630 --> 00:47:59,200

but when his father looked up he could

1269

00:48:02,630 --> 00:48:00,640

see trevor

1270

00:48:04,710 --> 00:48:02,640

hiding behind a rock so he's climbed

1271

00:48:07,270 --> 00:48:04,720

these rocks and he's hiding behind it

1272

00:48:09,589 --> 00:48:07,280

and bobbing up just to

1273

00:48:11,510 --> 00:48:09,599

look at these things so he hid behind

1274

00:48:13,589 --> 00:48:11,520

the rock again and want to combat this

1275

00:48:14,870 --> 00:48:13,599

thing as has gone

1276

00:48:16,150 --> 00:48:14,880

you know

1277

00:48:19,349 --> 00:48:16,160

and

1278

00:48:21,589 --> 00:48:19,359

it is totally bizarre

1279

00:48:24,230 --> 00:48:21,599

what trevor

1280

00:48:26,790 --> 00:48:24,240

described i can't find anything in in in

1281

00:48:30,069 --> 00:48:26,800

the ufo literature that matches what we

1282

00:48:32,230 --> 00:48:30,079

call jelly men yeah and

1283

00:48:34,870 --> 00:48:32,240

and i had to use it it's you know it's a

1284

00:48:36,870 --> 00:48:34,880

case that the some of us us older

1285

00:48:38,470 --> 00:48:36,880

researchers here in the in the uk are

1286

00:48:40,470 --> 00:48:38,480

aware of but

1287

00:48:42,470 --> 00:48:40,480

by no means everybody

1288

00:48:45,030 --> 00:48:42,480

and it shows you how

1289

00:48:48,470 --> 00:48:45,040

really strange some of these incidents

1290

00:48:50,230 --> 00:48:48,480

are you know this is 1975

1291

00:48:52,230 --> 00:48:50,240

so it's you know there are science

1292

00:48:55,030 --> 00:48:52,240

fiction movies that have been out there

1293

00:48:57,270 --> 00:48:55,040

you know but he hasn't got this from any

1294

00:48:59,430 --> 00:48:57,280

science fiction story that i'm aware of

1295

00:49:02,470 --> 00:48:59,440

that made the headlines in wales you

1296

00:49:06,230 --> 00:49:02,480

know as a young lad and it is

1297

00:49:07,910 --> 00:49:06,240

extremely peculiar it really is

1298

00:49:09,430 --> 00:49:07,920

and you know i

1299

00:49:11,990 --> 00:49:09,440

like anything else i don't try and

1300

00:49:15,349 --> 00:49:12,000

indoctrinate with anything that i do

1301

00:49:17,270 --> 00:49:15,359

right i just say here it is

1302

00:49:18,790 --> 00:49:17,280

you can design for yourself you've got a

1303

00:49:21,430 --> 00:49:18,800

brain in your head you don't need me to

1304

00:49:24,150 --> 00:49:21,440

tell you what to do or what to think

1305

00:49:25,030 --> 00:49:24,160

make of it what you will but it shows

1306

00:49:26,950 --> 00:49:25,040

again

1307

00:49:29,109 --> 00:49:26,960

the bizarre nature of some of these

1308

00:49:31,510 --> 00:49:29,119

encounters because if we if we believe

1309

00:49:33,349 --> 00:49:31,520

the tabloid press that it's all the same

1310

00:49:34,870 --> 00:49:33,359

no matter where you go

1311

00:49:36,309 --> 00:49:34,880

things that are reported are the little

1312

00:49:38,710 --> 00:49:36,319

grey guys

1313

00:49:39,430 --> 00:49:38,720

and the only people that report uh you

1314

00:49:41,589 --> 00:49:39,440

know

1315

00:49:43,910 --> 00:49:41,599

hicks out in the middle of the new new

1316

00:49:46,549 --> 00:49:43,920

mexico desert you know and but no

1317

00:49:50,230 --> 00:49:46,559

they're not this was on a beach in wales

1318

00:49:51,829 --> 00:49:50,240

you know in some rocks behind the beach

1319

00:49:55,510 --> 00:49:51,839

so you know

1320

00:49:57,589 --> 00:49:55,520

yeah yeah raf base in 1942 right outside

1321

00:49:59,910 --> 00:49:57,599

the raf base you know

1322

00:50:02,309 --> 00:49:59,920

what what i mean it's just

1323

00:50:04,230 --> 00:50:02,319

and it makes me scratch my head you know

1324

00:50:05,829 --> 00:50:04,240

it's some of these cases when you look

1325

00:50:07,750 --> 00:50:05,839

into them

1326

00:50:09,990 --> 00:50:07,760

you think well i can't deny it but it's

1327

00:50:11,750 --> 00:50:10,000

so bizarre and that that's one example

1328

00:50:14,230 --> 00:50:11,760

of it that when we talk about high

1329

00:50:15,990 --> 00:50:14,240

strangeness his father didn't see the

1330

00:50:17,750 --> 00:50:16,000

thing but his father saw him hiding

1331

00:50:20,790 --> 00:50:17,760

behind the rock because he hid behind

1332

00:50:23,030 --> 00:50:20,800

his rock and he kept popping up

1333

00:50:25,349 --> 00:50:23,040

because at one point this dome started

1334

00:50:28,549 --> 00:50:25,359

to open and that's when he ran

1335

00:50:30,470 --> 00:50:28,559

she thought these things are coming out

1336

00:50:31,750 --> 00:50:30,480

blame him yeah no

1337

00:50:34,549 --> 00:50:31,760

but uh

1338

00:50:36,549 --> 00:50:34,559

but there you go i make but again

1339

00:50:38,549 --> 00:50:36,559

people have said well why

1340

00:50:41,510 --> 00:50:38,559

why were things so active

1341

00:50:45,190 --> 00:50:41,520

in in the late 1970s in the uk my answer

1342

00:50:46,710 --> 00:50:45,200

is i don't know i just do not know but

1343

00:50:50,230 --> 00:50:46,720

if you've gone through

1344

00:50:52,230 --> 00:50:50,240

archives and files like i have

1345

00:50:53,910 --> 00:50:52,240

not only was it very active in the late

1346

00:50:56,710 --> 00:50:53,920

1970s

1347

00:50:59,990 --> 00:50:56,720

these high strangeness cases

1348

00:51:01,030 --> 00:51:00,000

were very active in the late 1970s some

1349

00:51:03,270 --> 00:51:01,040

people

1350

00:51:06,790 --> 00:51:03,280

obviously skeptical

1351
00:51:08,630 --> 00:51:06,800
say it's because star wars you know

1352
00:51:10,309 --> 00:51:08,640
close encounters

1353
00:51:12,870 --> 00:51:10,319
but you know i

1354
00:51:15,109 --> 00:51:12,880
for me that that doesn't explain it all

1355
00:51:18,790 --> 00:51:15,119
you know it can't explain it you know

1356
00:51:21,270 --> 00:51:18,800
it's a nice try but no cigar you know

1357
00:51:23,430 --> 00:51:21,280
but there you go so that that case is in

1358
00:51:25,750 --> 00:51:23,440
the book and you can read there's a

1359
00:51:26,870 --> 00:51:25,760
picture of of what was drawn an artist's

1360
00:51:28,710 --> 00:51:26,880
impression

1361
00:51:30,950 --> 00:51:28,720
you know make of it what you will

1362
00:51:33,430 --> 00:51:30,960
yeah well yeah we should mention too in

1363
00:51:35,109 --> 00:51:33,440

the book you have many uh detailed

1364

00:51:39,030 --> 00:51:35,119

witness sketches

1365

00:51:42,630 --> 00:51:39,040

and of craft of uh humanoids and that

1366

00:51:44,470 --> 00:51:42,640

alone was very uh interesting to just

1367

00:51:47,510 --> 00:51:44,480

skim through the book and look at the

1368

00:51:48,230 --> 00:51:47,520

like you mentioned the bizarre

1369

00:51:50,710 --> 00:51:48,240

uh

1370

00:51:53,270 --> 00:51:50,720

nature of some of these beings a jelly

1371

00:51:54,470 --> 00:51:53,280

bean and yeah you know these beings with

1372

00:51:55,270 --> 00:51:54,480

boxes

1373

00:51:57,349 --> 00:51:55,280

like

1374

00:52:00,069 --> 00:51:57,359

the way they're described it truly makes

1375

00:52:02,470 --> 00:52:00,079

you wonder hey how many different

1376

00:52:04,630 --> 00:52:02,480

intelligences are we dealing with how

1377

00:52:07,829 --> 00:52:04,640

many different phenomena how high

1378

00:52:10,230 --> 00:52:07,839

strangeness do these actually get and uh

1379

00:52:13,589 --> 00:52:10,240

what can we say about the witnesses in

1380

00:52:15,349 --> 00:52:13,599

their perception of these things as well

1381

00:52:17,109 --> 00:52:15,359

it's interesting i mean that that's

1382

00:52:19,910 --> 00:52:17,119

that's where the answers lie and those

1383

00:52:22,230 --> 00:52:19,920

questions you've just posed you know uh

1384

00:52:23,829 --> 00:52:22,240

i have another kind of a favorite case

1385

00:52:26,790 --> 00:52:23,839

but in in the

1386

00:52:29,349 --> 00:52:26,800

late 1970s early 1980s we had a

1387

00:52:33,829 --> 00:52:29,359

well-known pop group in the uk called

1388

00:52:39,270 --> 00:52:35,910

a black guy called errol brown who was a

1389

00:52:42,309 --> 00:52:39,280

beautiful voice great singer well known

1390

00:52:45,190 --> 00:52:42,319

in 1980 they released a song

1391

00:52:46,950 --> 00:52:45,200

called no doubt about it

1392

00:52:48,950 --> 00:52:46,960

and when you listen to the song it's on

1393

00:52:50,309 --> 00:52:48,960

youtube you'll find it hot chocolate no

1394

00:52:53,030 --> 00:52:50,319

doubt about it they're singing about a

1395

00:52:54,549 --> 00:52:53,040

flying saucer landing and the video they

1396

00:52:56,790 --> 00:52:54,559

made to go with it you know it's all

1397

00:52:58,710 --> 00:52:56,800

spacey and what have you

1398

00:53:00,950 --> 00:52:58,720

and i just thought it was just a pop

1399

00:53:03,589 --> 00:53:00,960

song that somebody had written and made

1400

00:53:05,510 --> 00:53:03,599

up but i found out that it's actually

1401

00:53:06,630 --> 00:53:05,520

based on a real event

1402

00:53:08,390 --> 00:53:06,640

now

1403

00:53:10,549 --> 00:53:08,400

none of the members of the pop group hot

1404

00:53:13,670 --> 00:53:10,559

chocolate saw anything

1405

00:53:15,670 --> 00:53:13,680

but the two people that wrote the song

1406

00:53:17,109 --> 00:53:15,680

actually did and one of them is called

1407

00:53:18,870 --> 00:53:17,119

steve glenn

1408

00:53:20,069 --> 00:53:18,880

and i managed to get older steve when i

1409

00:53:22,309 --> 00:53:20,079

was

1410

00:53:24,069 --> 00:53:22,319

researching the book and speak to him

1411

00:53:26,150 --> 00:53:24,079

he's still active in the in the music

1412

00:53:27,670 --> 00:53:26,160

business he he was a

1413

00:53:29,270 --> 00:53:27,680

a singer himself

1414

00:53:31,670 --> 00:53:29,280

i think he even went to number one in

1415

00:53:34,150 --> 00:53:31,680

japan at one point with one of his songs

1416

00:53:35,990 --> 00:53:34,160

but he was more of a songwriter and he

1417

00:53:38,230 --> 00:53:36,000

wrote a lot of songs for a lot of the

1418

00:53:39,589 --> 00:53:38,240

well-known pop stars in the uk in that

1419

00:53:41,750 --> 00:53:39,599

era

1420

00:53:43,670 --> 00:53:41,760

and um

1421

00:53:45,750 --> 00:53:43,680

they're in the south of england and they

1422

00:53:47,829 --> 00:53:45,760

were heading for the recording studio

1423

00:53:49,510 --> 00:53:47,839

one night him and his friend in the car

1424

00:53:50,470 --> 00:53:49,520

and they had another pop group following

1425

00:53:52,790 --> 00:53:50,480

along

1426

00:53:56,150 --> 00:53:52,800

uh behind them in a van

1427

00:53:57,910 --> 00:53:56,160

when they saw this peculiar thing it's a

1428

00:53:58,870 --> 00:53:57,920

huge great

1429

00:54:00,549 --> 00:53:58,880

thing

1430

00:54:01,750 --> 00:54:00,559

so he pulled over at the side of the

1431

00:54:03,589 --> 00:54:01,760

road

1432

00:54:06,470 --> 00:54:03,599

and they they ducked down behind some

1433

00:54:08,790 --> 00:54:06,480

bushes because this thing came to ground

1434

00:54:10,549 --> 00:54:08,800

and he said he shot out these little

1435

00:54:12,549 --> 00:54:10,559

spheres

1436

00:54:13,750 --> 00:54:12,559

almost as if they were like attacking

1437

00:54:16,790 --> 00:54:13,760

them

1438

00:54:19,030 --> 00:54:16,800

so you know they even phoned the police

1439

00:54:20,150 --> 00:54:19,040

uh when this and the police came out and

1440

00:54:21,270 --> 00:54:20,160

spoke to them

1441

00:54:22,870 --> 00:54:21,280

you know it's too late this thing had

1442

00:54:25,750 --> 00:54:22,880

gone by then

1443

00:54:28,309 --> 00:54:25,760

so steve told me he said uh

1444

00:54:30,309 --> 00:54:28,319

we went home that night and we sat down

1445

00:54:32,950 --> 00:54:30,319

with him and his partner

1446

00:54:35,270 --> 00:54:32,960

and they wrote the song no doubt about

1447

00:54:37,109 --> 00:54:35,280

it in about 10 minutes

1448

00:54:39,109 --> 00:54:37,119

and it was i think it was hot

1449

00:54:40,710 --> 00:54:39,119

chocolate's best-selling single it sold

1450

00:54:42,630 --> 00:54:40,720

zillions of them all over the world

1451
00:54:43,670 --> 00:54:42,640
obviously not in the you know

1452
00:54:45,190 --> 00:54:43,680
so

1453
00:54:49,750 --> 00:54:45,200
that is in the book

1454
00:54:50,789 --> 00:54:49,760
there's a pop song inspired by a real

1455
00:54:53,190 --> 00:54:50,799
event

1456
00:54:54,630 --> 00:54:53,200
and in fact i spoke to steve glenn just

1457
00:54:56,870 --> 00:54:54,640
the other day

1458
00:54:58,950 --> 00:54:56,880
uh telling him the books out and

1459
00:55:01,270 --> 00:54:58,960
you know i i needed his address to send

1460
00:55:04,390 --> 00:55:01,280
him a copy because i always said i would

1461
00:55:07,430 --> 00:55:04,400
and he gave me his address and and um

1462
00:55:08,710 --> 00:55:07,440
it's he's now got it so

1463
00:55:10,630 --> 00:55:08,720

there you go

1464

00:55:12,710 --> 00:55:10,640

yeah you know pop we even have a pop

1465

00:55:14,390 --> 00:55:12,720

song inspired by a real event i just

1466

00:55:17,030 --> 00:55:14,400

like what a made-up song you know like

1467

00:55:20,870 --> 00:55:17,040

like they do ryan yeah no it's based on

1468

00:55:22,950 --> 00:55:20,880

a ufo landing case here in the uk right

1469

00:55:25,349 --> 00:55:22,960

and you know like you said written in 10

1470

00:55:27,670 --> 00:55:25,359

minutes all you need for your lyrics is

1471

00:55:30,150 --> 00:55:27,680

uh your witness testimony of what

1472

00:55:32,950 --> 00:55:30,160

happened and throw some rhythm behind it

1473

00:55:36,309 --> 00:55:32,960

and you got a pop song well let's i

1474

00:55:37,510 --> 00:55:36,319

guess kind of bookend this with probably

1475

00:55:40,470 --> 00:55:37,520

one of the

1476

00:55:42,710 --> 00:55:40,480

the most well-known ufo landings in the

1477

00:55:43,589 --> 00:55:42,720

uk and this was in wales this was part

1478

00:55:46,309 --> 00:55:43,599

of a

1479

00:55:48,309 --> 00:55:46,319

um what many consider a ufo flap a lot

1480

00:55:49,670 --> 00:55:48,319

of things were happening in wales at the

1481

00:55:52,470 --> 00:55:49,680

time but this is probably one of the

1482

00:55:54,470 --> 00:55:52,480

most prominent um that i know of here in

1483

00:55:56,710 --> 00:55:54,480

the states and that is the the broad

1484

00:55:58,789 --> 00:55:56,720

haven incident like i mentioned earlier

1485

00:56:02,150 --> 00:55:58,799

school children involved a lot of people

1486

00:56:05,109 --> 00:56:02,160

know the rua zimbabwe case in the 90s

1487

00:56:08,150 --> 00:56:05,119

but this case actually um is a little

1488

00:56:09,829 --> 00:56:08,160

lesser known here so i if you don't mind

1489

00:56:12,870 --> 00:56:09,839

could you tell us a little about this

1490

00:56:15,030 --> 00:56:12,880

case and yeah well broadly about it um i

1491

00:56:17,910 --> 00:56:15,040

mean wales itself is a country you know

1492

00:56:20,309 --> 00:56:17,920

it's only a small place uh it's the it's

1493

00:56:21,589 --> 00:56:20,319

the western bit that sticks out from the

1494

00:56:24,069 --> 00:56:21,599

uk

1495

00:56:25,150 --> 00:56:24,079

and embroidery this happened on february

1496

00:56:28,309 --> 00:56:25,160

the 4th

1497

00:56:30,630 --> 00:56:28,319

1977 and as we were saying earlier a lot

1498

00:56:33,510 --> 00:56:30,640

of things seem to be happening in the in

1499

00:56:35,670 --> 00:56:33,520

the 1970s here in the uk

1500

00:56:37,190 --> 00:56:35,680

and it involved

1501
00:56:40,150 --> 00:56:37,200
14 children

1502
00:56:41,430 --> 00:56:40,160
14 at school at the local school in

1503
00:56:44,230 --> 00:56:41,440
broadhaven

1504
00:56:46,549 --> 00:56:44,240
uh we used to call it playtime but you

1505
00:56:47,990 --> 00:56:46,559
know it was a break at school

1506
00:56:49,990 --> 00:56:48,000
and

1507
00:56:52,549 --> 00:56:50,000
they saw this

1508
00:56:55,910 --> 00:56:52,559
a silver metallic

1509
00:56:57,910 --> 00:56:55,920
object you know land outside

1510
00:56:59,109 --> 00:56:57,920
um with it that's some kind of thing on

1511
00:57:01,990 --> 00:56:59,119
the top

1512
00:57:03,430 --> 00:57:02,000
and i believe there were

1513
00:57:05,270 --> 00:57:03,440

i think six

1514

00:57:07,670 --> 00:57:05,280

of the children

1515

00:57:09,270 --> 00:57:07,680

actually reported seeing humanoid

1516

00:57:10,829 --> 00:57:09,280

figures

1517

00:57:13,750 --> 00:57:10,839

and they were silver

1518

00:57:15,349 --> 00:57:13,760

suited and the only sort of facial

1519

00:57:16,789 --> 00:57:15,359

description that these the children

1520

00:57:19,030 --> 00:57:16,799

would describe they said that these

1521

00:57:21,589 --> 00:57:19,040

creatures had big ears

1522

00:57:23,190 --> 00:57:21,599

you know and

1523

00:57:24,789 --> 00:57:23,200

fortunately

1524

00:57:27,510 --> 00:57:24,799

um

1525

00:57:29,670 --> 00:57:27,520

they were all sat down and and drew

1526

00:57:31,589 --> 00:57:29,680

pictures of these things

1527

00:57:34,870 --> 00:57:31,599

and and we have some of the original

1528

00:57:36,470 --> 00:57:34,880

drawings uh reproduced in my book

1529

00:57:39,109 --> 00:57:36,480

uh it was

1530

00:57:40,870 --> 00:57:39,119

also reported to the ministry of defense

1531

00:57:43,030 --> 00:57:40,880

here in the uk

1532

00:57:45,349 --> 00:57:43,040

who did indeed look into it not not

1533

00:57:47,910 --> 00:57:45,359

extensively but they did look into it

1534

00:57:50,150 --> 00:57:47,920

the local police were involved

1535

00:57:52,870 --> 00:57:50,160

uh but all the things were happening in

1536

00:57:56,549 --> 00:57:52,880

and around wales at the time lots of

1537

00:57:58,549 --> 00:57:56,559

sightings um to such an extent that it

1538

00:58:00,710 --> 00:57:58,559

got this area got nicknamed the

1539

00:58:03,109 --> 00:58:00,720

broadhaven triangle

1540

00:58:05,349 --> 00:58:03,119

so within this specific geographical

1541

00:58:06,870 --> 00:58:05,359

area there was a lot of sightings

1542

00:58:09,750 --> 00:58:06,880

but as i mentioned

1543

00:58:11,750 --> 00:58:09,760

throughout the uk in the late 1970s

1544

00:58:13,430 --> 00:58:11,760

there were a lot of weird and wonderful

1545

00:58:15,270 --> 00:58:13,440

things

1546

00:58:18,630 --> 00:58:15,280

and i don't know about you ryan but you

1547

00:58:21,030 --> 00:58:18,640

know i've i've lectured it at schools

1548

00:58:22,630 --> 00:58:21,040

and i i find the the youngsters i

1549

00:58:23,910 --> 00:58:22,640

probably asked the better questions than

1550

00:58:25,910 --> 00:58:23,920

the grown-ups

1551

00:58:28,470 --> 00:58:25,920

and of course most of them

1552

00:58:30,950 --> 00:58:28,480

don't have the vices that we adults

1553

00:58:33,910 --> 00:58:30,960

accumulate down the years

1554

00:58:34,950 --> 00:58:33,920

and it can be very honest i mean

1555

00:58:37,030 --> 00:58:34,960

you know

1556

00:58:38,950 --> 00:58:37,040

i take my i've got two daughters and i

1557

00:58:39,910 --> 00:58:38,960

take my youngest daughter when she was

1558

00:58:42,549 --> 00:58:39,920

little

1559

00:58:44,630 --> 00:58:42,559

she would be so honest she was blunt you

1560

00:58:47,030 --> 00:58:44,640

know because she said well you always

1561

00:58:49,109 --> 00:58:47,040

told me to tell the truth dad and i said

1562

00:58:50,710 --> 00:58:49,119

yeah and i know sometimes but if

1563

00:58:54,549 --> 00:58:50,720

somebody's ugly you don't have to tell

1564

00:58:59,750 --> 00:58:55,430

so

1565

00:59:02,630 --> 00:58:59,760

children are the best

1566

00:59:04,150 --> 00:59:02,640

witnesses because they just say as they

1567

00:59:06,630 --> 00:59:04,160

see it you know they haven't got the

1568

00:59:09,430 --> 00:59:06,640

vices that we have and and that is a

1569

00:59:13,030 --> 00:59:09,440

prime example here with broadhaven

1570

00:59:15,430 --> 00:59:13,040

and it's sad really that that um

1571

00:59:17,829 --> 00:59:15,440

it's kind of disappeared

1572

00:59:19,510 --> 00:59:17,839

from the public domain it would be i

1573

00:59:21,190 --> 00:59:19,520

haven't been able to do it but i haven't

1574

00:59:23,109 --> 00:59:21,200

tried i'm going to be honest

1575

00:59:24,630 --> 00:59:23,119

just speak some of to speak to some of

1576

00:59:25,910 --> 00:59:24,640

these children now that they've grown up

1577

00:59:27,950 --> 00:59:25,920

i'm sure

1578

00:59:30,710 --> 00:59:27,960

you know there were only youngsters in

1579

00:59:32,549 --> 00:59:30,720

1977 so i want hopefully some of them

1580

00:59:33,829 --> 00:59:32,559

would still be around but it would be

1581

00:59:36,309 --> 00:59:33,839

fascinating

1582

00:59:38,950 --> 00:59:36,319

to speak to them now like i did with the

1583

00:59:40,710 --> 00:59:38,960

children in normanton we found one of

1584

00:59:42,549 --> 00:59:40,720

them was introduced to me you know just

1585

00:59:44,950 --> 00:59:42,559

a couple of years back and she still

1586

00:59:46,630 --> 00:59:44,960

reported the same thing ryan

1587

00:59:49,430 --> 00:59:46,640

and i believe like you mentioned the

1588

00:59:51,109 --> 00:59:49,440

aerial school sighting in the 90s in in

1589

00:59:52,789 --> 00:59:51,119

zimbabwe

1590

00:59:55,030 --> 00:59:52,799

they're all grown up on adults now and

1591

00:59:58,470 --> 00:59:55,040

some of those have been interviewed uh

1592

01:00:00,950 --> 00:59:58,480

west hall in australia in 1966

1593

01:00:02,549 --> 01:00:00,960

shane ryan's done a great job with that

1594

01:00:04,470 --> 01:00:02,559

and and

1595

01:00:06,789 --> 01:00:04,480

you know he's spoken to a lot of the

1596

01:00:08,630 --> 01:00:06,799

children now that are adults and even i

1597

01:00:11,510 --> 01:00:08,640

think one of the teachers

1598

01:00:14,390 --> 01:00:11,520

was also involved at that time so

1599

01:00:15,750 --> 01:00:14,400

schoolyard sightings if you like

1600

01:00:17,430 --> 01:00:15,760

are um

1601
01:00:18,630 --> 01:00:17,440
a bit more common than perhaps we would

1602
01:00:20,470 --> 01:00:18,640
imagine

1603
01:00:22,870 --> 01:00:20,480
and um

1604
01:00:24,470 --> 01:00:22,880
and that's just one example is the broad

1605
01:00:26,150 --> 01:00:24,480
haven sightings

1606
01:00:28,309 --> 01:00:26,160
uh and there's lots of drawings that

1607
01:00:30,150 --> 01:00:28,319
went with it i couldn't really have room

1608
01:00:33,270 --> 01:00:30,160
to reproduce them all but i've put a

1609
01:00:36,150 --> 01:00:33,280
good example of them in the book

1610
01:00:37,589 --> 01:00:36,160
and i think i think observations by

1611
01:00:41,030 --> 01:00:37,599
children

1612
01:00:42,630 --> 01:00:41,040
per se are fascinating but when it comes

1613
01:00:44,390 --> 01:00:42,640

to things like this you know people who

1614

01:00:46,150 --> 01:00:44,400

always say other kids are making it up

1615

01:00:52,069 --> 01:00:46,160

you know

1616

01:00:54,390 --> 01:00:52,079

or one child and his mate will come up

1617

01:00:55,910 --> 01:00:54,400

with a crazy idea and

1618

01:00:58,230 --> 01:00:55,920

that's how it used to work when i was a

1619

01:00:59,910 --> 01:00:58,240

young man my best friend got up to some

1620

01:01:02,230 --> 01:00:59,920

mischief but it was never the whole

1621

01:01:05,030 --> 01:01:02,240

school you know

1622

01:01:07,349 --> 01:01:05,040

so but yeah i mean you're right you're

1623

01:01:09,109 --> 01:01:07,359

right to flag it up ryan because it is a

1624

01:01:11,430 --> 01:01:09,119

fascinating

1625

01:01:14,230 --> 01:01:11,440

story as are the other what you call

1626

01:01:17,030 --> 01:01:14,240

schoolyard sightings as well

1627

01:01:18,390 --> 01:01:17,040

it'd be interesting if to see if in the

1628

01:01:20,789 --> 01:01:18,400

coming years there aren't a few more

1629

01:01:23,270 --> 01:01:20,799

that come out of the woodwork are the

1630

01:01:24,789 --> 01:01:23,280

contemporary ones that happens now

1631

01:01:26,549 --> 01:01:24,799

are things that are you know stuck in

1632

01:01:28,789 --> 01:01:26,559

somebody's filing cabinet and forgotten

1633

01:01:30,710 --> 01:01:28,799

about we shall see

1634

01:01:33,589 --> 01:01:30,720

we shall see yeah

1635

01:01:35,670 --> 01:01:33,599

let's hope hope for the best well um i

1636

01:01:37,430 --> 01:01:35,680

want to ask you this philip

1637

01:01:39,750 --> 01:01:37,440

with a lot of these cases you mentioned

1638

01:01:42,230 --> 01:01:39,760

the high strangeness aspect what these

1639

01:01:45,109 --> 01:01:42,240

humanoids look like um you know the

1640

01:01:47,030 --> 01:01:45,119

craft landing and then taking off but my

1641

01:01:49,910 --> 01:01:47,040

big question when it comes to any of

1642

01:01:50,950 --> 01:01:49,920

these landings that it seems the beings

1643

01:01:53,510 --> 01:01:50,960

come out

1644

01:01:55,349 --> 01:01:53,520

maybe they hang around for a couple

1645

01:01:58,549 --> 01:01:55,359

minutes and then leave

1646

01:02:00,630 --> 01:01:58,559

what do you think if you had to guess

1647

01:02:03,270 --> 01:02:00,640

what is the purpose of these landings

1648

01:02:05,029 --> 01:02:03,280

are they surveying the the earth are

1649

01:02:06,950 --> 01:02:05,039

they here to invade

1650

01:02:08,870 --> 01:02:06,960

what do you think the purpose is well if

1651

01:02:11,029 --> 01:02:08,880

we come to a conclusion that way we have

1652

01:02:13,589 --> 01:02:11,039

to agree that these are beings from

1653

01:02:15,750 --> 01:02:13,599

another world and i would say

1654

01:02:16,950 --> 01:02:15,760

we don't know as yet what these things

1655

01:02:17,990 --> 01:02:16,960

are

1656

01:02:22,789 --> 01:02:18,000

now

1657

01:02:25,829 --> 01:02:22,799

i'm a publisher i run a small

1658

01:02:27,670 --> 01:02:25,839

outfit called flying this press

1659

01:02:29,910 --> 01:02:27,680

and the second book i ever published was

1660

01:02:32,549 --> 01:02:29,920

by a romanian

1661

01:02:35,990 --> 01:02:32,559

scientist called dr dan farkas it's

1662

01:02:37,910 --> 01:02:36,000

simply called ufos over romania

1663

01:02:40,630 --> 01:02:37,920

dan's second book

1664

01:02:43,349 --> 01:02:40,640

was his hypotheses

1665

01:02:45,270 --> 01:02:43,359

of what ufos are and he calls it hyper

1666

01:02:47,510 --> 01:02:45,280

civilizations

1667

01:02:49,270 --> 01:02:47,520

because it's the very question that the

1668

01:02:52,470 --> 01:02:49,280

very thing you just pointed out there

1669

01:02:53,750 --> 01:02:52,480

that that puzzled dan more than anything

1670

01:02:57,670 --> 01:02:53,760

is

1671

01:02:59,829 --> 01:02:57,680

that he calls them the euphonius

1672

01:03:02,150 --> 01:02:59,839

do stupid things

1673

01:03:03,510 --> 01:03:02,160

you know they come they fiddle around

1674

01:03:05,510 --> 01:03:03,520

and they're gone

1675

01:03:07,510 --> 01:03:05,520

you know yeah leaving leaving the poor

1676
01:03:09,029 --> 01:03:07,520
bemused witnesses behind scratching

1677
01:03:10,309 --> 01:03:09,039
their heads

1678
01:03:12,230 --> 01:03:10,319
and

1679
01:03:13,589 --> 01:03:12,240
what he his

1680
01:03:15,430 --> 01:03:13,599
i'm not saying he's right or wrong i'm

1681
01:03:17,510 --> 01:03:15,440
not saying i agree with him but it made

1682
01:03:19,190 --> 01:03:17,520
me think he said

1683
01:03:21,990 --> 01:03:19,200
he honestly believes we are being

1684
01:03:23,990 --> 01:03:22,000
visited by an intelligence not of this

1685
01:03:26,150 --> 01:03:24,000
earth

1686
01:03:28,150 --> 01:03:26,160
where it comes from how it gets here

1687
01:03:30,390 --> 01:03:28,160
what no idea

1688
01:03:32,630 --> 01:03:30,400

but on the evolutionary scale he

1689

01:03:35,190 --> 01:03:32,640

estimates that it's not a few thousand

1690

01:03:37,990 --> 01:03:35,200

years in advance of us it's actually

1691

01:03:40,710 --> 01:03:38,000

millions of years in advance

1692

01:03:42,470 --> 01:03:40,720

and no matter how hard you know we

1693

01:03:45,589 --> 01:03:42,480

humans try

1694

01:03:47,029 --> 01:03:45,599

we're simply not able to understand it

1695

01:03:49,589 --> 01:03:47,039

we're not high enough up the

1696

01:03:51,510 --> 01:03:49,599

evolutionary ladder yet to figure it out

1697

01:03:53,829 --> 01:03:51,520

and it gives an idea he says you know

1698

01:03:56,390 --> 01:03:53,839

you check a flat screen television

1699

01:03:58,870 --> 01:03:56,400

and stick it in an ounce nest

1700

01:04:00,789 --> 01:03:58,880

now the answer know it's there

1701

01:04:03,029 --> 01:04:00,799

they'll crawl all over it maybe some of

1702

01:04:05,670 --> 01:04:03,039

the soldier ants might even attack it

1703

01:04:07,510 --> 01:04:05,680

but never in a million years will they

1704

01:04:10,150 --> 01:04:07,520

be able to figure out

1705

01:04:13,430 --> 01:04:10,160

what the hell it is what it's made of

1706

01:04:15,910 --> 01:04:13,440

and what its purpose is so maybe on that

1707

01:04:16,789 --> 01:04:15,920

scale we are the evolutionary ants you

1708

01:04:19,109 --> 01:04:16,799

know

1709

01:04:21,349 --> 01:04:19,119

that is the difference between us

1710

01:04:23,910 --> 01:04:21,359

and and of course that's one of the

1711

01:04:25,430 --> 01:04:23,920

parameters in the drake equation you

1712

01:04:27,270 --> 01:04:25,440

know you know the astronomer drake and

1713

01:04:29,750 --> 01:04:27,280

about the the possibility of life

1714

01:04:33,270 --> 01:04:29,760

elsewhere in in the universe and one of

1715

01:04:34,789 --> 01:04:33,280

them is the the age of civilizations

1716

01:04:38,150 --> 01:04:34,799

that's that's one of the things that

1717

01:04:40,309 --> 01:04:38,160

make up the drake equation now we as as

1718

01:04:42,390 --> 01:04:40,319

a species never mind a civilization we

1719

01:04:44,230 --> 01:04:42,400

have us as a species

1720

01:04:46,069 --> 01:04:44,240

i've only been around for you know in

1721

01:04:48,390 --> 01:04:46,079

the blink of an eye the dinosaurs ruled

1722

01:04:50,150 --> 01:04:48,400

the earth for millions of years

1723

01:04:52,069 --> 01:04:50,160

before they were wiped out you know

1724

01:04:53,589 --> 01:04:52,079

mankind is you know

1725

01:04:54,950 --> 01:04:53,599

we haven't been here for two minutes

1726

01:04:56,710 --> 01:04:54,960

really

1727

01:04:58,230 --> 01:04:56,720

so you imagine

1728

01:05:00,710 --> 01:04:58,240

let's assume that we don't wipe

1729

01:05:03,109 --> 01:05:00,720

ourselves out one way or another that

1730

01:05:06,230 --> 01:05:03,119

mankind survives for

1731

01:05:07,910 --> 01:05:06,240

the next billion years

1732

01:05:09,750 --> 01:05:07,920

what will we look like what will our

1733

01:05:11,670 --> 01:05:09,760

technology be i mean it's

1734

01:05:13,589 --> 01:05:11,680

forget star trek well beyond all that

1735

01:05:16,150 --> 01:05:13,599

you know you look what we've done since

1736

01:05:17,910 --> 01:05:16,160

the what the the wright brothers first

1737

01:05:20,069 --> 01:05:17,920

flew at kitty hawk

1738

01:05:21,510 --> 01:05:20,079

you know within within within a

1739

01:05:23,349 --> 01:05:21,520

generation

1740

01:05:25,910 --> 01:05:23,359

we went from flying a kitty hawk to

1741

01:05:28,309 --> 01:05:25,920

landing on the moon

1742

01:05:30,069 --> 01:05:28,319

so you know you stick a billion years on

1743

01:05:32,470 --> 01:05:30,079

on the top of that i just think what

1744

01:05:34,549 --> 01:05:32,480

will be like technology and it says

1745

01:05:37,029 --> 01:05:34,559

there may be a civilization or

1746

01:05:40,150 --> 01:05:37,039

civilizations out there

1747

01:05:41,990 --> 01:05:40,160

already at that point that they evolved

1748

01:05:43,109 --> 01:05:42,000

or were created whichever way you want

1749

01:05:45,510 --> 01:05:43,119

to believe

1750

01:05:47,510 --> 01:05:45,520

you know a billion years ago and they've

1751

01:05:49,430 --> 01:05:47,520

stumbled across us

1752

01:05:51,190 --> 01:05:49,440

you know

1753

01:05:53,270 --> 01:05:51,200

swirl swarming about on this little

1754

01:05:54,789 --> 01:05:53,280

planet you know

1755

01:05:56,630 --> 01:05:54,799

and

1756

01:05:58,789 --> 01:05:56,640

it's shown an interest but we're too

1757

01:06:00,630 --> 01:05:58,799

dumb to figure out what it is

1758

01:06:02,549 --> 01:06:00,640

and it makes you wonder for example you

1759

01:06:04,470 --> 01:06:02,559

look you can also look at the the next

1760

01:06:06,870 --> 01:06:04,480

most intelligent creature on earth is

1761

01:06:08,309 --> 01:06:06,880

the dolphin

1762

01:06:09,910 --> 01:06:08,319

and

1763

01:06:14,069 --> 01:06:09,920

scientists believe that the dolphins

1764

01:06:15,910 --> 01:06:14,079

have a rudimentary rudimentary language

1765

01:06:17,270 --> 01:06:15,920

but yet we can't say hello flipper how

1766

01:06:18,950 --> 01:06:17,280

are you doing why do you feel today

1767

01:06:19,910 --> 01:06:18,960

we'll teach you to jump up and catch a

1768

01:06:20,870 --> 01:06:19,920

fish

1769

01:06:23,190 --> 01:06:20,880

you know

1770

01:06:24,950 --> 01:06:23,200

we can't converse with them

1771

01:06:27,190 --> 01:06:24,960

you know and what do the so we don't

1772

01:06:29,270 --> 01:06:27,200

know when they look about the water and

1773

01:06:31,270 --> 01:06:29,280

they see us what they what do they think

1774

01:06:33,270 --> 01:06:31,280

i mean they're self-aware

1775

01:06:35,510 --> 01:06:33,280

you know i think therefore i am the

1776

01:06:39,109 --> 01:06:35,520

dolphins are self-aware

1777

01:06:41,270 --> 01:06:39,119

um what do they think about us

1778

01:06:45,589 --> 01:06:41,280

when they're looking up out of the water

1779

01:06:47,670 --> 01:06:45,599

you know but imagine that in a in a

1780

01:06:49,990 --> 01:06:47,680

expand that between us and another

1781

01:06:51,990 --> 01:06:50,000

civilization elsewhere

1782

01:06:54,470 --> 01:06:52,000

so i don't know but it just made me

1783

01:06:57,670 --> 01:06:54,480

think it really did make me think

1784

01:06:59,910 --> 01:06:57,680

and um because if you think about it

1785

01:07:02,309 --> 01:06:59,920

if we if you and i were astronauts and

1786

01:07:05,109 --> 01:07:02,319

we landed on a planet and we found

1787

01:07:06,789 --> 01:07:05,119

another civilization another life form

1788

01:07:08,470 --> 01:07:06,799

we wouldn't just piddle around and then

1789

01:07:09,430 --> 01:07:08,480

leave it

1790

01:07:10,870 --> 01:07:09,440

you know

1791

01:07:12,309 --> 01:07:10,880

i'm out of there

1792

01:07:15,510 --> 01:07:12,319

you know

1793

01:07:17,910 --> 01:07:15,520

good point yeah but it's a good analogy

1794

01:07:19,270 --> 01:07:17,920

yeah yeah it's it's just it's just food

1795

01:07:21,750 --> 01:07:19,280

for thought

1796

01:07:24,950 --> 01:07:21,760

and all i would say is to anyone you

1797

01:07:27,589 --> 01:07:24,960

know the information is out there just

1798

01:07:30,870 --> 01:07:27,599

pick it up have a look at it and

1799

01:07:32,950 --> 01:07:30,880

draw your own conclusions you know and

1800

01:07:34,710 --> 01:07:32,960

i think you know people like me and my

1801
01:07:37,109 --> 01:07:34,720
colleagues one of the things

1802
01:07:39,029 --> 01:07:37,119
our purpose is to record

1803
01:07:40,789 --> 01:07:39,039
this information though that hopefully

1804
01:07:42,870 --> 01:07:40,799
somebody somewhere will be able to make

1805
01:07:45,190 --> 01:07:42,880
sense of it all it's a bit like the

1806
01:07:46,870 --> 01:07:45,200
early astronomers

1807
01:07:48,549 --> 01:07:46,880
you know they were recording things

1808
01:07:50,549 --> 01:07:48,559
people saying i don't know what this is

1809
01:07:53,270 --> 01:07:50,559
you know for example

1810
01:07:56,390 --> 01:07:53,280
you know i think it was 150 years ago

1811
01:07:58,150 --> 01:07:56,400
stones couldn't fall from the skies you

1812
01:08:00,069 --> 01:07:58,160
look up into the sky ryan there's no

1813
01:08:02,230 --> 01:08:00,079

stones there is there's clouds

1814

01:08:03,430 --> 01:08:02,240

and rainbows but i think there was an

1815

01:08:05,670 --> 01:08:03,440

event

1816

01:08:07,910 --> 01:08:05,680

in the early part of the

1817

01:08:09,990 --> 01:08:07,920

19th century in france

1818

01:08:12,870 --> 01:08:10,000

when a lot of stones did fall from the

1819

01:08:15,190 --> 01:08:12,880

sky and it forced the astronomers to

1820

01:08:16,950 --> 01:08:15,200

admit yes we do know they fall from the

1821

01:08:20,390 --> 01:08:16,960

sky but we just don't know what the hell

1822

01:08:22,950 --> 01:08:20,400

they are anyway so maybe in ufological

1823

01:08:25,749 --> 01:08:22,960

terms we're at that point now we we know

1824

01:08:27,910 --> 01:08:25,759

that ufos exist we know there is a ufo

1825

01:08:28,950 --> 01:08:27,920

phenomena

1826

01:08:29,990 --> 01:08:28,960

but

1827

01:08:31,349 --> 01:08:30,000

you know

1828

01:08:32,870 --> 01:08:31,359

we've got one of those rocks that's

1829

01:08:34,390 --> 01:08:32,880

formed from the sky we've finally

1830

01:08:36,709 --> 01:08:34,400

admitted it but we don't know what their

1831

01:08:39,749 --> 01:08:36,719

they come from what it is what it's made

1832

01:08:41,829 --> 01:08:39,759

of what its purposes etc etc etc i may

1833

01:08:45,110 --> 01:08:41,839

be totally wrong as well of course but

1834

01:08:47,990 --> 01:08:45,120

it's it's just it's just an idea

1835

01:08:50,870 --> 01:08:48,000

i no i love that you're building off of

1836

01:08:53,829 --> 01:08:50,880

what we can now accept and uh

1837

01:08:55,910 --> 01:08:53,839

hopefully globally uh

1838

01:08:57,829 --> 01:08:55,920

begin to understand that yes there is a

1839

01:09:00,709 --> 01:08:57,839

phenomena you know here in the united

1840

01:09:03,349 --> 01:09:00,719

states our government has said yes ufos

1841

01:09:07,269 --> 01:09:03,359

exist now it's a million questions that

1842

01:09:09,030 --> 01:09:07,279

come after that like you said

1843

01:09:10,390 --> 01:09:09,040

our own ministry defense have always

1844

01:09:12,630 --> 01:09:10,400

admitted

1845

01:09:14,550 --> 01:09:12,640

always you go back through the the the

1846

01:09:16,309 --> 01:09:14,560

mod files have always admitted there are

1847

01:09:17,749 --> 01:09:16,319

things in the skies that they can't

1848

01:09:19,510 --> 01:09:17,759

explain

1849

01:09:21,590 --> 01:09:19,520

but then they put a caveat on that we

1850

01:09:24,070 --> 01:09:21,600

didn't find you know there's no threat

1851
01:09:25,510 --> 01:09:24,080
to the air defense of the uk's therefore

1852
01:09:28,070 --> 01:09:25,520
we're not interested

1853
01:09:29,510 --> 01:09:28,080
and you know but they've always admitted

1854
01:09:31,990 --> 01:09:29,520
those things in the sky they can't

1855
01:09:35,510 --> 01:09:32,000
explain it's nothing new

1856
01:09:36,950 --> 01:09:35,520
yeah very good point well um speaking of

1857
01:09:40,070 --> 01:09:36,960
new philip

1858
01:09:42,870 --> 01:09:40,080
what can new people who uh

1859
01:09:45,990 --> 01:09:42,880
you know might have one of these close

1860
01:09:47,829 --> 01:09:46,000
encounters or see a craft landing what

1861
01:09:50,709 --> 01:09:47,839
advice would you give to people like

1862
01:09:53,189 --> 01:09:50,719
this um if this does happen to them if

1863
01:09:53,910 --> 01:09:53,199

these things are truly happening yeah

1864

01:09:55,750 --> 01:09:53,920

well

1865

01:09:57,270 --> 01:09:55,760

i would i would say you know by all

1866

01:09:59,350 --> 01:09:57,280

means report it

1867

01:10:01,110 --> 01:09:59,360

you know but a lot of there's a lot of

1868

01:10:05,189 --> 01:10:01,120

different channels now where you can

1869

01:10:07,510 --> 01:10:05,199

report things in confidence if required

1870

01:10:09,750 --> 01:10:07,520

a lot of the local ufo groups that used

1871

01:10:11,430 --> 01:10:09,760

to be here in the uk have disappeared

1872

01:10:12,870 --> 01:10:11,440

but they're being replaced by other

1873

01:10:15,189 --> 01:10:12,880

online

1874

01:10:16,630 --> 01:10:15,199

assets where you can report things again

1875

01:10:20,070 --> 01:10:16,640

in confidence

1876

01:10:21,910 --> 01:10:20,080

it is vital that you know we we add

1877

01:10:24,149 --> 01:10:21,920

the information to the the pool of

1878

01:10:26,149 --> 01:10:24,159

knowledge that we that we already have

1879

01:10:29,189 --> 01:10:26,159

but think about it carefully

1880

01:10:31,990 --> 01:10:29,199

you know speak to family members first

1881

01:10:33,750 --> 01:10:32,000

you know if it's something so bizarre so

1882

01:10:36,550 --> 01:10:33,760

frightening you may wish to report it to

1883

01:10:39,270 --> 01:10:36,560

the local authorities even the police

1884

01:10:41,590 --> 01:10:39,280

here are still duty-bound to investigate

1885

01:10:44,950 --> 01:10:41,600

and i mentioned there has been one

1886

01:10:47,430 --> 01:10:44,960

full forensic investigation because of

1887

01:10:49,669 --> 01:10:47,440

the gentleman in question uh he was a

1888

01:10:51,430 --> 01:10:49,679

well-known member of the local community

1889

01:10:52,790 --> 01:10:51,440

and that was you know in livingston in

1890

01:10:55,110 --> 01:10:52,800

scotland

1891

01:10:57,590 --> 01:10:55,120

and we we know there are

1892

01:10:58,790 --> 01:10:57,600

lots of independent ufo researchers as

1893

01:11:01,510 --> 01:10:58,800

well so

1894

01:11:03,830 --> 01:11:01,520

you're able to do your homework like

1895

01:11:05,990 --> 01:11:03,840

you couldn't do when i first started

1896

01:11:07,430 --> 01:11:06,000

you can google somebody's name you can

1897

01:11:09,510 --> 01:11:07,440

have a look you can see what they've

1898

01:11:12,470 --> 01:11:09,520

worked on you're thinking that might be

1899

01:11:13,669 --> 01:11:12,480

the right person for me or or not uh

1900

01:11:16,630 --> 01:11:13,679

that is still

1901

01:11:18,470 --> 01:11:16,640

ufo organizations like mufon

1902

01:11:19,669 --> 01:11:18,480

and others in other different countries

1903

01:11:22,790 --> 01:11:19,679

of course

1904

01:11:24,709 --> 01:11:22,800

and um i would say you know step forward

1905

01:11:27,030 --> 01:11:24,719

you don't have to go public

1906

01:11:28,229 --> 01:11:27,040

but by all means share what information

1907

01:11:31,750 --> 01:11:28,239

you have

1908

01:11:33,910 --> 01:11:31,760

with ufo research it it can it could be

1909

01:11:35,750 --> 01:11:33,920

another piece of the of the jigsaw

1910

01:11:36,550 --> 01:11:35,760

puzzle that you're adding who you never

1911

01:11:37,430 --> 01:11:36,560

know

1912

01:11:40,470 --> 01:11:37,440

yeah

1913

01:11:43,270 --> 01:11:40,480

right

1914

01:11:45,830 --> 01:11:43,280

the more people who come forward uh the

1915

01:11:48,870 --> 01:11:45,840

more we normalize this and the more data

1916

01:11:49,910 --> 01:11:48,880

we can add to this growing mystery and

1917

01:11:54,550 --> 01:11:49,920

maybe

1918

01:11:56,630 --> 01:11:54,560

not all of it but hey like you said i'd

1919

01:11:59,189 --> 01:11:56,640

rather have half the puzzle than no

1920

01:12:00,310 --> 01:11:59,199

puzzle at all at least in my lifetime

1921

01:12:03,990 --> 01:12:00,320

yeah

1922

01:12:05,990 --> 01:12:04,000

to kind of wrap things up here phillip

1923

01:12:07,830 --> 01:12:06,000

um you know

1924

01:12:10,950 --> 01:12:07,840

landings is one thing

1925

01:12:13,270 --> 01:12:10,960

abductions is an entirely different

1926

01:12:16,070 --> 01:12:13,280

story it's just elevated to the

1927

01:12:18,149 --> 01:12:16,080

umpteenth level and i know you have done

1928

01:12:20,070 --> 01:12:18,159

a lot of research into a case here in

1929

01:12:23,270 --> 01:12:20,080

the united states and that is the

1930

01:12:26,070 --> 01:12:23,280

pascagoula incident um several books

1931

01:12:28,390 --> 01:12:26,080

that you've published on that and um

1932

01:12:30,070 --> 01:12:28,400

it's a developing story i know you had a

1933

01:12:33,110 --> 01:12:30,080

breaking story recently of another

1934

01:12:35,669 --> 01:12:33,120

witness who came forward um and whatnot

1935

01:12:38,229 --> 01:12:35,679

but yeah would you mind teasing us a

1936

01:12:40,630 --> 01:12:38,239

little of what we can expect yeah

1937

01:12:42,870 --> 01:12:40,640

i mean i got involved in the pascagoula

1938

01:12:46,229 --> 01:12:42,880

case it involved charles hickson who was

1939

01:12:49,669 --> 01:12:46,239

42 and calvin parker who was almost 19

1940

01:12:52,070 --> 01:12:49,679

and it was october the 11th 1973. calvin

1941

01:12:53,350 --> 01:12:52,080

had moved out to to work with charlie in

1942

01:12:56,310 --> 01:12:53,360

the shipyard

1943

01:12:57,910 --> 01:12:56,320

he just got engaged wanted a regular job

1944

01:13:00,149 --> 01:12:57,920

and even though there was an age

1945

01:13:02,709 --> 01:13:00,159

difference the one thing these two guys

1946

01:13:05,830 --> 01:13:02,719

shared was their love of fishing so

1947

01:13:07,750 --> 01:13:05,840

literally calvin's first day at work

1948

01:13:09,350 --> 01:13:07,760

they're coming home he's driving charlie

1949

01:13:12,229 --> 01:13:09,360

says you want to want to go fishing

1950

01:13:14,390 --> 01:13:12,239

tonight yeah so they got the gear

1951

01:13:16,229 --> 01:13:14,400

stopped off bought some bait

1952

01:13:17,669 --> 01:13:16,239

and they drove to the pascagoula river

1953

01:13:19,590 --> 01:13:17,679

in mississippi

1954

01:13:21,669 --> 01:13:19,600

as they're driving into it this place is

1955

01:13:23,350 --> 01:13:21,679

not out of the way so it's not in the

1956

01:13:24,229 --> 01:13:23,360

middle of nowhere it's like some swamp

1957

01:13:27,030 --> 01:13:24,239

land

1958

01:13:28,709 --> 01:13:27,040

you can drive up to it calvin passes a

1959

01:13:30,550 --> 01:13:28,719

no entry sign

1960

01:13:32,630 --> 01:13:30,560

and he says to charlie you know i don't

1961

01:13:34,630 --> 01:13:32,640

what about that i said i take no notice

1962

01:13:36,630 --> 01:13:34,640

so they park the car up they drive past

1963

01:13:38,950 --> 01:13:36,640

another car that's parked up

1964

01:13:41,669 --> 01:13:38,960

they try one spot it's got loads of

1965

01:13:45,030 --> 01:13:41,679

flies biting them and no fish so they

1966

01:13:46,790 --> 01:13:45,040

they try an old abandoned um

1967

01:13:48,310 --> 01:13:46,800

pierre there used to be a shipyard

1968

01:13:50,390 --> 01:13:48,320

there's an old pier

1969

01:13:52,310 --> 01:13:50,400

sort of standing on there

1970

01:13:54,310 --> 01:13:52,320

and calvin's got his

1971

01:13:57,030 --> 01:13:54,320

cast his rod he's lying

1972

01:13:59,350 --> 01:13:57,040

he's looking out

1973

01:14:01,030 --> 01:13:59,360

and you know i've often wondered what

1974

01:14:03,030 --> 01:14:01,040

fishermen think about when they stood

1975

01:14:04,790 --> 01:14:03,040

there not catching any fish you know

1976

01:14:06,390 --> 01:14:04,800

calvin was looking at this ship that was

1977

01:14:08,070 --> 01:14:06,400

going out wondering why how the hell is

1978

01:14:09,270 --> 01:14:08,080

something like that you know how does it

1979

01:14:11,030 --> 01:14:09,280

float

1980

01:14:13,030 --> 01:14:11,040

and then behind him

1981

01:14:14,950 --> 01:14:13,040

came these blue lights

1982

01:14:16,950 --> 01:14:14,960

and they sparkled across the river and

1983

01:14:18,790 --> 01:14:16,960

he thought oh no

1984

01:14:20,550 --> 01:14:18,800

i knew we shouldn't have ignored the no

1985

01:14:22,950 --> 01:14:20,560

entry sign it's the police we're going

1986

01:14:25,189 --> 01:14:22,960

to spend the night in jail

1987

01:14:27,110 --> 01:14:25,199

so he turns around and and you notice

1988

01:14:28,630 --> 01:14:27,120

that charlie's turning around about the

1989

01:14:30,709 --> 01:14:28,640

same time as him

1990

01:14:32,149 --> 01:14:30,719

of course it's not the place

1991

01:14:34,149 --> 01:14:32,159

that is this

1992

01:14:37,110 --> 01:14:34,159

uh what we call a rugby ball an

1993

01:14:37,990 --> 01:14:37,120

oval-shaped object descending

1994

01:14:40,149 --> 01:14:38,000

uh

1995

01:14:41,189 --> 01:14:40,159

it's got two lights at

1996

01:14:43,270 --> 01:14:41,199

one end

1997

01:14:44,390 --> 01:14:43,280

and it stops about two feet off the

1998

01:14:45,990 --> 01:14:44,400

ground

1999

01:14:47,510 --> 01:14:46,000

and it's this thing that's giving off

2000

01:14:49,350 --> 01:14:47,520

the blue light

2001
01:14:50,390 --> 01:14:49,360
on the right hand side this opening

2002
01:14:51,189 --> 01:14:50,400
appears

2003
01:14:53,350 --> 01:14:51,199
and

2004
01:14:55,510 --> 01:14:53,360
the light is even more intense coming

2005
01:14:58,630 --> 01:14:55,520
out of it

2006
01:15:01,590 --> 01:14:58,640
and these three strange humanoid

2007
01:15:03,030 --> 01:15:01,600
beings again float out of this thing

2008
01:15:03,910 --> 01:15:03,040
they don't touch the ground they're

2009
01:15:06,470 --> 01:15:03,920
about

2010
01:15:07,990 --> 01:15:06,480
i know 18 inches off the ground

2011
01:15:10,950 --> 01:15:08,000
their legs are stuck together so the

2012
01:15:14,149 --> 01:15:10,960
legs don't move they've got long arms

2013
01:15:16,390 --> 01:15:14,159

they're grey wrinkly skin creatures with

2014

01:15:18,550 --> 01:15:16,400

mitten or crab like pink you know

2015

01:15:19,830 --> 01:15:18,560

appendages on their hands

2016

01:15:21,910 --> 01:15:19,840

they have

2017

01:15:24,229 --> 01:15:21,920

a protrusion sticking out of every each

2018

01:15:25,510 --> 01:15:24,239

side of the head and one out the front

2019

01:15:28,229 --> 01:15:25,520

two of them grab

2020

01:15:30,709 --> 01:15:28,239

charlie one grabs calvin

2021

01:15:33,990 --> 01:15:30,719

take them towards this thing

2022

01:15:36,310 --> 01:15:34,000

and both charlie and calvin describe

2023

01:15:39,910 --> 01:15:36,320

you know the interior of it as there's

2024

01:15:41,270 --> 01:15:39,920

nothing really there um calvin describes

2025

01:15:42,310 --> 01:15:41,280

it as

2026

01:15:44,550 --> 01:15:42,320

um

2027

01:15:46,390 --> 01:15:44,560

the light comes out of the paint

2028

01:15:49,830 --> 01:15:46,400

you know there's no light fittings no

2029

01:15:53,350 --> 01:15:49,840

bulbs no tubes it's just the walls

2030

01:15:55,510 --> 01:15:53,360

illuminate this dazzling blue light

2031

01:15:57,270 --> 01:15:55,520

they're both placed in different parts

2032

01:15:59,030 --> 01:15:57,280

of this thing so they lose contact with

2033

01:16:00,310 --> 01:15:59,040

each other i'm cutting a long story

2034

01:16:02,229 --> 01:16:00,320

short here ryan

2035

01:16:04,950 --> 01:16:02,239

something comes down out of the ceiling

2036

01:16:07,189 --> 01:16:04,960

and whirls around calvin a similar thing

2037

01:16:09,430 --> 01:16:07,199

happened to charlie

2038

01:16:11,590 --> 01:16:09,440

calvin also sees another creature who

2039

01:16:13,430 --> 01:16:11,600

comes up to him that looks

2040

01:16:15,910 --> 01:16:13,440

almost human

2041

01:16:18,149 --> 01:16:15,920

uh but it's a female

2042

01:16:20,310 --> 01:16:18,159

um but the the middle fingers of these

2043

01:16:21,830 --> 01:16:20,320

female creatures along and she scratches

2044

01:16:23,350 --> 01:16:21,840

calvin and there's another bit of an

2045

01:16:26,149 --> 01:16:23,360

altercation

2046

01:16:27,510 --> 01:16:26,159

they're then placed back out on the pier

2047

01:16:29,030 --> 01:16:27,520

and this thing is

2048

01:16:30,390 --> 01:16:29,040

it's gone

2049

01:16:32,550 --> 01:16:30,400

um

2050

01:16:34,630 --> 01:16:32,560

they at first decide not to tell anybody

2051

01:16:36,390 --> 01:16:34,640

because they say i think we're nuts

2052

01:16:38,070 --> 01:16:36,400

when they get back to calvin's car which

2053

01:16:40,470 --> 01:16:38,080

was brand new

2054

01:16:43,990 --> 01:16:40,480

uh the the the glass falls out of the

2055

01:16:45,350 --> 01:16:44,000

passenger side window it won't start

2056

01:16:47,910 --> 01:16:45,360

takes them quite a while to get it

2057

01:16:50,470 --> 01:16:47,920

started and on route home there

2058

01:16:52,229 --> 01:16:50,480

charlie has a change of heart says no we

2059

01:16:53,350 --> 01:16:52,239

better tell somebody this could be an

2060

01:16:54,630 --> 01:16:53,360

invasion

2061

01:16:56,550 --> 01:16:54,640

what if they come back what if it

2062

01:16:57,510 --> 01:16:56,560

happens for somebody else

2063

01:16:59,189 --> 01:16:57,520

um

2064

01:17:01,430 --> 01:16:59,199

so they're pulling at a local store and

2065

01:17:03,830 --> 01:17:01,440

use the the pay phone

2066

01:17:05,189 --> 01:17:03,840

their first phone kiesler air force base

2067

01:17:07,669 --> 01:17:05,199

which is nearby

2068

01:17:08,709 --> 01:17:07,679

and they say we're not interested

2069

01:17:10,550 --> 01:17:08,719

you know

2070

01:17:12,070 --> 01:17:10,560

ring the authorities so they they ring

2071

01:17:15,830 --> 01:17:12,080

the police

2072

01:17:18,070 --> 01:17:15,840

and escort them into

2073

01:17:20,070 --> 01:17:18,080

into the sheriff's department where

2074

01:17:21,990 --> 01:17:20,080

they're both interviewed

2075

01:17:25,750 --> 01:17:22,000

uh separately

2076

01:17:27,110 --> 01:17:25,760

by sheriff fred diamond and his deputies

2077

01:17:29,189 --> 01:17:27,120

and then they both put in a room

2078

01:17:31,430 --> 01:17:29,199

together and there's a desk there and

2079

01:17:34,149 --> 01:17:31,440

unbeknown to charlie and calvin in this

2080

01:17:35,750 --> 01:17:34,159

desk is a tape recorder plane

2081

01:17:37,350 --> 01:17:35,760

the police think we'll get him now we'll

2082

01:17:40,390 --> 01:17:37,360

leave him for five or ten minutes and

2083

01:17:42,310 --> 01:17:40,400

we'll you know so they do the

2084

01:17:44,470 --> 01:17:42,320

uh a deputy comes and retrieves

2085

01:17:46,390 --> 01:17:44,480

something out of the desk these two guys

2086

01:17:48,470 --> 01:17:46,400

don't know what he's doing and it's the

2087

01:17:50,470 --> 01:17:48,480

tape and they play it back calvin's

2088

01:17:52,470 --> 01:17:50,480

going out of his mind he's almost

2089

01:17:54,550 --> 01:17:52,480

praying you know they're talking about

2090

01:17:56,550 --> 01:17:54,560

what had happened to them so this became

2091

01:17:57,510 --> 01:17:56,560

known as the secret tape

2092

01:17:58,630 --> 01:17:57,520

you know

2093

01:18:01,350 --> 01:17:58,640

and

2094

01:18:04,149 --> 01:18:01,360

somehow the story got out the next day

2095

01:18:06,310 --> 01:18:04,159

the press ascended on the on the place

2096

01:18:08,390 --> 01:18:06,320

charlie and calvin were taken to

2097

01:18:11,189 --> 01:18:08,400

hospital to be checked

2098

01:18:13,669 --> 01:18:11,199

uh they were then ironically

2099

01:18:15,430 --> 01:18:13,679

taken to kiesel air force base

2100

01:18:17,110 --> 01:18:15,440

to be checked for to be checked for

2101

01:18:19,270 --> 01:18:17,120

radiation

2102

01:18:21,910 --> 01:18:19,280

and and that proved zero but they said

2103

01:18:24,830 --> 01:18:21,920

well while you're here gentlemen only

2104

01:18:28,390 --> 01:18:24,840

tells you story you know

2105

01:18:30,070 --> 01:18:28,400

um you know we have the police tape

2106

01:18:32,229 --> 01:18:30,080

there was no recording done at kiesler

2107

01:18:34,070 --> 01:18:32,239

but there was a stenographer so we have

2108

01:18:35,910 --> 01:18:34,080

a transcript of what everything that

2109

01:18:37,430 --> 01:18:35,920

happened at kiesler everybody that was

2110

01:18:40,149 --> 01:18:37,440

there

2111

01:18:42,310 --> 01:18:40,159

and and this story made worldwide news

2112

01:18:43,990 --> 01:18:42,320

charlie dealt with it pretty well calvin

2113

01:18:46,390 --> 01:18:44,000

didn't want anything to do with it when

2114

01:18:48,550 --> 01:18:46,400

he went back home a couple of weeks

2115

01:18:49,430 --> 01:18:48,560

later he had a bit of a breakdown

2116

01:18:50,950 --> 01:18:49,440

and

2117

01:18:53,270 --> 01:18:50,960

didn't really talk much about he didn't

2118

01:18:56,310 --> 01:18:53,280

want to talk about it for years

2119

01:18:58,630 --> 01:18:56,320

now in 1983 charles hickson along with a

2120

01:19:02,229 --> 01:18:58,640

chap called william mendes published a

2121

01:19:04,950 --> 01:19:02,239

book called ufo contact of pascagoula

2122

01:19:06,310 --> 01:19:04,960

charlie died in 2011

2123

01:19:07,910 --> 01:19:06,320

so

2124

01:19:11,430 --> 01:19:07,920

just a couple of years back i got the

2125

01:19:12,790 --> 01:19:11,440

rights to republish charlie's book

2126

01:19:15,350 --> 01:19:12,800

and i thought

2127

01:19:17,350 --> 01:19:15,360

i know he's deceased but i think

2128

01:19:19,669 --> 01:19:17,360

calvin's still around

2129

01:19:22,070 --> 01:19:19,679

maybe i can get an interview with him

2130

01:19:24,229 --> 01:19:22,080

so it took me a while but i i finally

2131

01:19:26,470 --> 01:19:24,239

found him and he was very nice once

2132

01:19:29,189 --> 01:19:26,480

booked him on the phone very polite but

2133

01:19:31,189 --> 01:19:29,199

didn't really say an awful lot you know

2134

01:19:33,510 --> 01:19:31,199

unbeknown to me

2135

01:19:35,430 --> 01:19:33,520

his wife calvin's wife wayne

2136

01:19:36,300 --> 01:19:35,440

only a few weeks beforehand they've been

2137

01:19:37,510 --> 01:19:36,310

to a um

2138

01:19:38,630 --> 01:19:37,520

[Music]

2139

01:19:40,790 --> 01:19:38,640

a funeral

2140

01:19:42,790 --> 01:19:40,800

and calvin had signed the the book

2141

01:19:44,070 --> 01:19:42,800

coming out and people were pointing at

2142

01:19:45,990 --> 01:19:44,080

it and pointing at him you know they

2143

01:19:48,790 --> 01:19:46,000

knew it was then

2144

01:19:50,550 --> 01:19:48,800

she said why don't you write a dumb book

2145

01:19:52,630 --> 01:19:50,560

so i said well if you want to do it i'll

2146

01:19:53,830 --> 01:19:52,640

help you with it so we did we wrote up

2147

01:19:56,310 --> 01:19:53,840

two books

2148

01:19:58,229 --> 01:19:56,320

and once calvin came out of the woodwork

2149

01:20:01,750 --> 01:19:58,239

then so does

2150

01:20:04,870 --> 01:20:01,760

and he um he did a small television

2151
01:20:06,950 --> 01:20:04,880
piece for for the local tv station they

2152
01:20:09,510 --> 01:20:06,960
made like a you know like a mini eight

2153
01:20:11,030 --> 01:20:09,520
minute documentary ryan

2154
01:20:13,910 --> 01:20:11,040
i went out

2155
01:20:16,950 --> 01:20:13,920
and it ended up on youtube

2156
01:20:19,590 --> 01:20:16,960
and one of the comments on it

2157
01:20:22,070 --> 01:20:19,600
um said my mum and dad were on the

2158
01:20:24,709 --> 01:20:22,080
opposite side of the river that night

2159
01:20:27,189 --> 01:20:24,719
and they too saw the ufo

2160
01:20:29,270 --> 01:20:27,199
oh wow although holy ch

2161
01:20:32,229 --> 01:20:29,280
well words to that effect anyway

2162
01:20:34,229 --> 01:20:32,239
you know so i got this lady's name i

2163
01:20:37,189 --> 01:20:34,239

found her on social media

2164

01:20:39,110 --> 01:20:37,199

i contacted her explained who i was and

2165

01:20:41,750 --> 01:20:39,120

i said could we possibly speak to your

2166

01:20:43,030 --> 01:20:41,760

mom and dad please ask them first

2167

01:20:45,030 --> 01:20:43,040

so they did

2168

01:20:46,790 --> 01:20:45,040

this turned out to be mr and mrs blair

2169

01:20:47,669 --> 01:20:46,800

they were living in just down the road

2170

01:20:50,709 --> 01:20:47,679

but in

2171

01:20:52,870 --> 01:20:50,719

over the border in alabama at the time

2172

01:20:55,830 --> 01:20:52,880

and um

2173

01:20:57,750 --> 01:20:55,840

so we spoke to them

2174

01:20:59,189 --> 01:20:57,760

and what they told us was yes indeed

2175

01:21:00,790 --> 01:20:59,199

they were on the opposite side of the

2176

01:21:02,870 --> 01:21:00,800

river that night mr blair worked in the

2177

01:21:06,229 --> 01:21:02,880

fishing industry and he was waiting for

2178

01:21:07,910 --> 01:21:06,239

a boat to come in check him out to work

2179

01:21:10,149 --> 01:21:07,920

and it was late

2180

01:21:11,510 --> 01:21:10,159

so he was not a happy man

2181

01:21:13,830 --> 01:21:11,520

you know

2182

01:21:14,870 --> 01:21:13,840

and she's mrs blessed but on this little

2183

01:21:16,149 --> 01:21:14,880

pier

2184

01:21:18,470 --> 01:21:16,159

and opposite

2185

01:21:21,350 --> 01:21:18,480

i could see this blue thing

2186

01:21:22,870 --> 01:21:21,360

and it's moving around as if it's either

2187

01:21:25,110 --> 01:21:22,880

looking for something or it doesn't know

2188

01:21:26,390 --> 01:21:25,120

where it's going

2189

01:21:28,550 --> 01:21:26,400

and

2190

01:21:30,470 --> 01:21:28,560

then the boat comes in

2191

01:21:32,470 --> 01:21:30,480

so mr blair saw this as well so they're

2192

01:21:34,390 --> 01:21:32,480

walking up the pier

2193

01:21:36,310 --> 01:21:34,400

and she says there's this almighty

2194

01:21:38,790 --> 01:21:36,320

splash

2195

01:21:41,669 --> 01:21:38,800

in the river next to me

2196

01:21:45,189 --> 01:21:41,679

she's gonna look down she says

2197

01:21:46,790 --> 01:21:45,199

there's a gray man in the water

2198

01:21:48,870 --> 01:21:46,800

and it went under the water and never

2199

01:21:51,110 --> 01:21:48,880

came back up

2200

01:21:53,189 --> 01:21:51,120

mr blair said

2201
01:21:55,030 --> 01:21:53,199
after some reluctance he eventually told

2202
01:21:57,270 --> 01:21:55,040
me he says well i saw the he didn't call

2203
01:21:58,709 --> 01:21:57,280
it a grey man he called it the grey

2204
01:22:00,550 --> 01:21:58,719
humanoid

2205
01:22:02,229 --> 01:22:00,560
he says i saw it come back up out of the

2206
01:22:03,350 --> 01:22:02,239
water because he was further along the

2207
01:22:07,110 --> 01:22:03,360
pier

2208
01:22:08,310 --> 01:22:07,120
and it was heading back across the water

2209
01:22:10,790 --> 01:22:08,320
and then

2210
01:22:13,990 --> 01:22:10,800
he'd never spoken about this ever

2211
01:22:15,910 --> 01:22:14,000
they they told her their two daughters

2212
01:22:18,709 --> 01:22:15,920
one of their daughters left that message

2213
01:22:21,590 --> 01:22:18,719

on on youtube

2214

01:22:23,189 --> 01:22:21,600

which led him to it now mrs blase also

2215

01:22:25,189 --> 01:22:23,199

said

2216

01:22:27,110 --> 01:22:25,199

you know phillip i saw charlie and

2217

01:22:29,590 --> 01:22:27,120

calvin on the tv you know if it was the

2218

01:22:31,110 --> 01:22:29,600

next day or the day after

2219

01:22:33,510 --> 01:22:31,120

and she said i often wondered if

2220

01:22:35,669 --> 01:22:33,520

something like that didn't happen to us

2221

01:22:37,590 --> 01:22:35,679

she had these vague recollections of

2222

01:22:38,790 --> 01:22:37,600

seeing something out of her peripheral

2223

01:22:40,709 --> 01:22:38,800

vision

2224

01:22:42,870 --> 01:22:40,719

and she couldn't quite make it out it's

2225

01:22:44,790 --> 01:22:42,880

like you stared at you your screen now

2226

01:22:46,390 --> 01:22:44,800

ryan you know you get this bit is

2227

01:22:49,510 --> 01:22:46,400

blurred out here

2228

01:22:50,550 --> 01:22:49,520

anyway about a year later mr blair took

2229

01:22:51,590 --> 01:22:50,560

ill

2230

01:22:53,110 --> 01:22:51,600

and he was

2231

01:22:55,590 --> 01:22:53,120

in the hospital

2232

01:22:59,270 --> 01:22:55,600

for a an operation and he wasn't it was

2233

01:23:02,470 --> 01:22:59,280

50 50 whether it was gonna make it

2234

01:23:04,629 --> 01:23:02,480

and god bless him he insisted

2235

01:23:06,950 --> 01:23:04,639

that his his wife

2236

01:23:08,229 --> 01:23:06,960

phone me on the mobile phone

2237

01:23:11,350 --> 01:23:08,239

and he said

2238

01:23:13,910 --> 01:23:11,360

we would abduct it as well phillip

2239

01:23:15,590 --> 01:23:13,920

and he told start to tell his wife the

2240

01:23:19,110 --> 01:23:15,600

whole story

2241

01:23:21,030 --> 01:23:19,120

thankfully he did survive the operation

2242

01:23:23,350 --> 01:23:21,040

and he told his wife the whole she was

2243

01:23:25,189 --> 01:23:23,360

as mad as hell with him because he'd

2244

01:23:27,750 --> 01:23:25,199

never told anybody

2245

01:23:30,149 --> 01:23:27,760

she just had these vague memories you

2246

01:23:33,430 --> 01:23:30,159

know these vague little recollections

2247

01:23:35,510 --> 01:23:33,440

and he told us the whole story sadly you

2248

01:23:37,750 --> 01:23:35,520

know a few months down the line mr blair

2249

01:23:39,830 --> 01:23:37,760

passed away so it was almost like

2250

01:23:41,590 --> 01:23:39,840

a deathbed confession

2251

01:23:43,669 --> 01:23:41,600

and we even have a little film of him

2252

01:23:46,070 --> 01:23:43,679

filmed on his wife's mobile phone he

2253

01:23:48,870 --> 01:23:46,080

insisted on doing her doing that

2254

01:23:50,149 --> 01:23:48,880

and he's telling us the story

2255

01:23:51,750 --> 01:23:50,159

so

2256

01:23:52,790 --> 01:23:51,760

just recently and you're the first to

2257

01:23:55,910 --> 01:23:52,800

know this

2258

01:23:58,149 --> 01:23:55,920

mrs blair underwent regressive hypnosis

2259

01:24:00,470 --> 01:23:58,159

with a professional hypnotherapist and

2260

01:24:03,430 --> 01:24:00,480

she has recounted the whole story with a

2261

01:24:05,270 --> 01:24:03,440

whole lot more calvin had previously

2262

01:24:08,870 --> 01:24:05,280

been under hypnosis

2263

01:24:11,669 --> 01:24:08,880

uh well kathleen martin in 2019

2264

01:24:14,229 --> 01:24:11,679

in 1993 calvin had another missing time

2265

01:24:17,350 --> 01:24:14,239

experience so he went under hypnosis

2266

01:24:19,030 --> 01:24:17,360

with none other than bud hopkins

2267

01:24:21,189 --> 01:24:19,040

now

2268

01:24:23,110 --> 01:24:21,199

calvin also went under hypnosis again

2269

01:24:24,790 --> 01:24:23,120

recently we just had the opportunity so

2270

01:24:26,390 --> 01:24:24,800

we thought well we'll do it while we we

2271

01:24:29,430 --> 01:24:26,400

can

2272

01:24:31,350 --> 01:24:29,440

when he's under hypnosis

2273

01:24:34,709 --> 01:24:31,360

he says i'm lying on this

2274

01:24:36,470 --> 01:24:34,719

he calls it a bench or a bed it's just a

2275

01:24:37,990 --> 01:24:36,480

a glass top thing you know what the hell

2276

01:24:41,189 --> 01:24:38,000

it is

2277

01:24:44,310 --> 01:24:41,199

these creatures are there and he says

2278

01:24:45,990 --> 01:24:44,320

they take my shoes and socks off and he

2279

01:24:48,709 --> 01:24:46,000

said they're doing something with me

2280

01:24:51,669 --> 01:24:48,719

foot and it hurts

2281

01:24:53,189 --> 01:24:51,679

and he's describing you know and

2282

01:24:55,030 --> 01:24:53,199

something dripping out of his mouth he's

2283

01:24:56,550 --> 01:24:55,040

not sure if it's blood or whatever he

2284

01:24:58,310 --> 01:24:56,560

says it almost feels it's if they're

2285

01:25:00,310 --> 01:24:58,320

sticking something in his foot and it's

2286

01:25:01,750 --> 01:25:00,320

coming out his mouth he's not saying

2287

01:25:03,270 --> 01:25:01,760

that didn't happen it just gave him that

2288

01:25:04,229 --> 01:25:03,280

impression

2289

01:25:06,310 --> 01:25:04,239

now

2290

01:25:09,590 --> 01:25:06,320

when i when i met calvin for the first

2291

01:25:11,350 --> 01:25:09,600

time and we decided to write his book

2292

01:25:13,910 --> 01:25:11,360

i said to you have you got any

2293

01:25:16,070 --> 01:25:13,920

photographs documents anything this is

2294

01:25:17,830 --> 01:25:16,080

known for them got anything

2295

01:25:20,390 --> 01:25:17,840

everything was swept away in hurricane

2296

01:25:22,310 --> 01:25:20,400

katrina lost everything that's why we

2297

01:25:25,110 --> 01:25:22,320

can't find old photographs of calvin

2298

01:25:26,870 --> 01:25:25,120

when i'm a little they're all gone

2299

01:25:29,669 --> 01:25:26,880

so one of the things i said about dory

2300

01:25:31,990 --> 01:25:29,679

while he's writing i was to

2301

01:25:33,990 --> 01:25:32,000

pester the living daylights out of ufo

2302

01:25:36,550 --> 01:25:34,000

groups and researchers for any

2303

01:25:38,070 --> 01:25:36,560

information or files they had about the

2304

01:25:39,669 --> 01:25:38,080

case

2305

01:25:41,669 --> 01:25:39,679

now highneck had been involved right

2306

01:25:44,550 --> 01:25:41,679

from day one he was he was there within

2307

01:25:46,149 --> 01:25:44,560

two days was dr james harder so

2308

01:25:48,390 --> 01:25:46,159

it just made sense i started at the

2309

01:25:49,990 --> 01:25:48,400

center for ufo studies and i asked them

2310

01:25:53,590 --> 01:25:50,000

have you got anything on the pascagoula

2311

01:25:55,110 --> 01:25:53,600

case they sent me a file pdf file

2312

01:25:57,750 --> 01:25:55,120

most of it was

2313

01:26:01,430 --> 01:25:57,760

you know newspaper cuttings

2314

01:26:03,910 --> 01:26:01,440

however right in the middle of it

2315

01:26:05,430 --> 01:26:03,920

there is a type written one page type

2316

01:26:07,110 --> 01:26:05,440

written document so this is done on an

2317

01:26:09,430 --> 01:26:07,120

old typewriter

2318

01:26:11,189 --> 01:26:09,440

and you can tell it has because

2319

01:26:13,110 --> 01:26:11,199

the date's been put on it wrong and

2320

01:26:17,030 --> 01:26:13,120

they've typed over it

2321

01:26:18,870 --> 01:26:17,040

so it's dated the 13th of october 1973

2322

01:26:21,270 --> 01:26:18,880

so it's two days

2323

01:26:23,270 --> 01:26:21,280

after the encounter

2324

01:26:25,590 --> 01:26:23,280

and it describes

2325

01:26:28,149 --> 01:26:25,600

giving both charlie and calvin a

2326

01:26:31,510 --> 01:26:28,159

physical examination

2327

01:26:36,629 --> 01:26:34,390

and he said that there were inverted

2328

01:26:40,070 --> 01:26:36,639

commerce puncture wounds

2329

01:26:42,870 --> 01:26:40,080

in charlie hixson's arm

2330

01:26:45,430 --> 01:26:42,880

and puncture wounds in calvin parker's

2331

01:26:50,870 --> 01:26:48,709

and those photographs enclosed

2332

01:26:52,709 --> 01:26:50,880

unfortunately

2333

01:26:54,310 --> 01:26:52,719

there were no photographs

2334

01:26:56,229 --> 01:26:54,320

we hadn't

2335

01:26:58,070 --> 01:26:56,239

finished here

2336

01:27:00,070 --> 01:26:58,080

we had this document

2337

01:27:02,470 --> 01:27:00,080

so i said to calvin who examined you

2338

01:27:05,189 --> 01:27:02,480

says it was dr james harder who came

2339

01:27:07,350 --> 01:27:05,199

down it wasn't a medical doctor he just

2340

01:27:08,390 --> 01:27:07,360

said let's strip off and have a look

2341

01:27:10,709 --> 01:27:08,400

you know

2342

01:27:12,550 --> 01:27:10,719

and they sit down to their underwear and

2343

01:27:13,189 --> 01:27:12,560

that's mentioned in this document you

2344

01:27:14,790 --> 01:27:13,199

know

2345

01:27:16,310 --> 01:27:14,800

that their

2346

01:27:20,149 --> 01:27:16,320

their

2347

01:27:22,790 --> 01:27:20,159

england you know wasn't was the only

2348

01:27:26,229 --> 01:27:22,800

thing that he didn't look at

2349

01:27:27,990 --> 01:27:26,239

so about a year later

2350

01:27:30,470 --> 01:27:28,000

uh the same chapter at the center for

2351

01:27:32,550 --> 01:27:30,480

ufo studies who sent me this file sent

2352

01:27:34,149 --> 01:27:32,560

me an email and he said phillip

2353

01:27:35,350 --> 01:27:34,159

i've been going through some old files

2354

01:27:37,910 --> 01:27:35,360

today

2355

01:27:39,510 --> 01:27:37,920

i assume you've got these but i thought

2356

01:27:41,750 --> 01:27:39,520

i'd send them anyway i wasn't looking

2357

01:27:42,709 --> 01:27:41,760

for these by the way i just came across

2358

01:27:46,870 --> 01:27:42,719

them

2359

01:27:47,669 --> 01:27:46,880

these were the photographs to go with

2360

01:27:49,669 --> 01:27:47,679

that

2361

01:27:52,149 --> 01:27:49,679

document

2362

01:27:54,229 --> 01:27:52,159

and there's a photograph of charlie

2363

01:27:56,790 --> 01:27:54,239

ixen's harm

2364

01:27:58,229 --> 01:27:56,800
with these marks on it

2365

01:28:00,070 --> 01:27:58,239
and then you turn the photo over it

2366

01:28:03,510 --> 01:28:00,080
tells you charles 6 and 11th of october

2367

01:28:06,149 --> 01:28:03,520
1973 and there's calvin parker's foot

2368

01:28:07,830 --> 01:28:06,159
with these three marks underneath his

2369

01:28:10,950 --> 01:28:07,840
foot and again on the back of the

2370

01:28:13,270 --> 01:28:10,960
photograph is his name and the date

2371

01:28:14,629 --> 01:28:13,280
so you hear you have calvin recounting

2372

01:28:16,629 --> 01:28:14,639
its story

2373

01:28:18,950 --> 01:28:16,639
they all they always said right from the

2374

01:28:21,270 --> 01:28:18,960
beginning that they they had some cat

2375

01:28:22,550 --> 01:28:21,280
they felt like they've been injected

2376

01:28:23,910 --> 01:28:22,560

see they have

2377

01:28:26,149 --> 01:28:23,920

you know charlie hickson's arm with

2378

01:28:27,350 --> 01:28:26,159

these marks on it they're fresh you can

2379

01:28:30,550 --> 01:28:27,360

see that

2380

01:28:32,629 --> 01:28:30,560

and lo and behold he's you've got calvin

2381

01:28:34,149 --> 01:28:32,639

saying they've taken my shoes and socks

2382

01:28:37,350 --> 01:28:34,159

off and they've stuck something in my

2383

01:28:39,270 --> 01:28:37,360

foot and it hurts

2384

01:28:41,430 --> 01:28:39,280

and here you have a written description

2385

01:28:44,709 --> 01:28:41,440

of these and he puts in inverted commas

2386

01:28:46,310 --> 01:28:44,719

puncture wounds and then a year later

2387

01:28:48,870 --> 01:28:46,320

the photographs

2388

01:28:51,910 --> 01:28:48,880

appear as well

2389

01:28:53,669 --> 01:28:51,920

wow so you know each if you put each

2390

01:28:55,750 --> 01:28:53,679

thing separately doesn't mean a lot but

2391

01:28:58,950 --> 01:28:55,760

when you put it all together

2392

01:29:00,709 --> 01:28:58,960

you think holy smally you know

2393

01:29:02,550 --> 01:29:00,719

and we've had other witnesses come

2394

01:29:03,830 --> 01:29:02,560

forward ryan again

2395

01:29:04,709 --> 01:29:03,840

just to be

2396

01:29:06,950 --> 01:29:04,719

brief

2397

01:29:10,709 --> 01:29:06,960

again another gentleman calvin was doing

2398

01:29:12,070 --> 01:29:10,719

a book signing in in pasagola and this

2399

01:29:14,550 --> 01:29:12,080

gentleman

2400

01:29:17,030 --> 01:29:14,560

elderly looking came up bought a book

2401
01:29:19,830 --> 01:29:17,040
said thank you very much by the way i

2402
01:29:22,310 --> 01:29:19,840
saw the ufo that night and he walked

2403
01:29:23,750 --> 01:29:22,320
away you know

2404
01:29:25,510 --> 01:29:23,760
calvin didn't get his name but

2405
01:29:27,910 --> 01:29:25,520
fortunately somebody was taking

2406
01:29:29,510 --> 01:29:27,920
photographs so we got a photo of him

2407
01:29:32,390 --> 01:29:29,520
buying the book

2408
01:29:34,310 --> 01:29:32,400
so again i put it on social media

2409
01:29:36,149 --> 01:29:34,320
and and um

2410
01:29:37,270 --> 01:29:36,159
a lady contacted me she says i know that

2411
01:29:39,270 --> 01:29:37,280
is

2412
01:29:41,030 --> 01:29:39,280
uh i said well can you ask him if we can

2413
01:29:43,350 --> 01:29:41,040

2413
speak to him she come back said yeah

2414
01:29:45,750 --> 01:29:43,360
he'll speak to you the chap called louis

2415
01:29:47,590 --> 01:29:45,760
lee mr lewis lee

2416
01:29:49,350 --> 01:29:47,600
and he worked in the shipyard on the

2417
01:29:50,950 --> 01:29:49,360
other side of the river says he was a

2418
01:29:52,950 --> 01:29:50,960
crane driver

2419
01:29:56,070 --> 01:29:52,960
he says that night philip i got into my

2420
01:29:57,910 --> 01:29:56,080
cab this is the cab's about 10 or 12

2421
01:29:59,910 --> 01:29:57,920
feet off the ground

2422
01:30:02,470 --> 01:29:59,920
and he says as soon as i got in the cab

2423
01:30:04,310 --> 01:30:02,480
i could see this thing over the river

2424
01:30:05,510 --> 01:30:04,320
and he said you've never seen anything

2425
01:30:07,669 --> 01:30:05,520
like it

2426

01:30:09,030 --> 01:30:07,679

i can't do a mississippi accent i'm

2427

01:30:11,830 --> 01:30:09,040

sorry ryan i'm

2428

01:30:15,350 --> 01:30:11,840

you know fearing that he says it's the

2429

01:30:16,950 --> 01:30:15,360

dandiest thing you've ever seen

2430

01:30:18,709 --> 01:30:16,960

and he's watching it

2431

01:30:21,030 --> 01:30:18,719

and watching it and then his friend

2432

01:30:23,270 --> 01:30:21,040

shouts him because he's got something on

2433

01:30:25,350 --> 01:30:23,280

the end of his crane like you know what

2434

01:30:27,430 --> 01:30:25,360

are you doing

2435

01:30:29,030 --> 01:30:27,440

so he turned away to see to what to his

2436

01:30:31,270 --> 01:30:29,040

job money so when i turned back it was

2437

01:30:32,550 --> 01:30:31,280

gone and he said i told my family about

2438

01:30:35,110 --> 01:30:32,560

it it's about

2439

01:30:37,590 --> 01:30:35,120

i've never not told anybody just

2440

01:30:40,229 --> 01:30:37,600

who the hell do you tell it to

2441

01:30:42,709 --> 01:30:40,239

and that's just one other example

2442

01:30:44,310 --> 01:30:42,719

uh of and others have come forward it

2443

01:30:46,790 --> 01:30:44,320

left right and center

2444

01:30:48,870 --> 01:30:46,800

in 1973

2445

01:30:51,030 --> 01:30:48,880

they all saw charlie and calvin on the

2446

01:30:54,149 --> 01:30:51,040

tv or in the newspaper

2447

01:30:57,030 --> 01:30:54,159

basically people poking fun of them

2448

01:30:59,189 --> 01:30:57,040

but the media today

2449

01:31:00,950 --> 01:30:59,199

when calvin came out of the woodwork and

2450

01:31:03,030 --> 01:31:00,960

wrote his two books

2451

01:31:05,669 --> 01:31:03,040

treated him with respect

2452

01:31:07,110 --> 01:31:05,679

and didn't poke fun at him so i think in

2453

01:31:10,070 --> 01:31:07,120

turn

2454

01:31:12,070 --> 01:31:10,080

that's that that encouraged others

2455

01:31:14,070 --> 01:31:12,080

plus that of an age now where some of

2456

01:31:16,790 --> 01:31:14,080

them don't just couldn't care less what

2457

01:31:20,470 --> 01:31:16,800

anybody thinks anyway you know

2458

01:31:22,870 --> 01:31:20,480

and 1977 sorry 1973 when this happened

2459

01:31:24,550 --> 01:31:22,880

he's not eons ago

2460

01:31:26,950 --> 01:31:24,560

you know i left high school the year

2461

01:31:29,910 --> 01:31:26,960

after and i'm still here so there's a

2462

01:31:31,990 --> 01:31:29,920

lot of people in their 60s and 70s who

2463

01:31:33,990 --> 01:31:32,000

were around at that time and have now

2464

01:31:36,550 --> 01:31:34,000

told their stories and we

2465

01:31:38,790 --> 01:31:36,560

you know even just just recently we

2466

01:31:42,149 --> 01:31:38,800

interviewed eddie hixson

2467

01:31:43,910 --> 01:31:42,159

who is charlie hickson's eldest son

2468

01:31:47,590 --> 01:31:43,920

eddie didn't see anything at the time

2469

01:31:49,750 --> 01:31:47,600

but it did witness some things later

2470

01:31:52,149 --> 01:31:49,760

eddie had just gone to vietnam in the

2471

01:31:53,189 --> 01:31:52,159

military ten days before this incident

2472

01:31:54,950 --> 01:31:53,199

happened

2473

01:31:56,870 --> 01:31:54,960

and he said had i not been in the

2474

01:31:58,950 --> 01:31:56,880

military philip i'd have been there that

2475

01:32:00,550 --> 01:31:58,960

night because he knew calvin they grew

2476

01:32:02,550 --> 01:32:00,560

up together you know i said i'd have

2477

01:32:04,310 --> 01:32:02,560

been there fishing with him

2478

01:32:06,390 --> 01:32:04,320

and um

2479

01:32:08,070 --> 01:32:06,400

you know so we have a full interview

2480

01:32:09,990 --> 01:32:08,080

with him as well and he talks about how

2481

01:32:11,510 --> 01:32:10,000

it affected his father scared the living

2482

01:32:13,669 --> 01:32:11,520

daylights however his mum for the rest

2483

01:32:16,229 --> 01:32:13,679

of her life she was always looking over

2484

01:32:17,189 --> 01:32:16,239

her shoulder like what if what if you

2485

01:32:19,110 --> 01:32:17,199

know

2486

01:32:20,870 --> 01:32:19,120

um

2487

01:32:23,189 --> 01:32:20,880

so there's a lot we're going to watch so

2488

01:32:26,310 --> 01:32:23,199

dr irena scott and i have worked on this

2489

01:32:28,470 --> 01:32:26,320

she's in ohio i would be lost without it

2490

01:32:30,070 --> 01:32:28,480

ryan to be perfectly honest

2491

01:32:33,590 --> 01:32:30,080

and

2492

01:32:35,910 --> 01:32:33,600

we intend to publish this all of this

2493

01:32:38,629 --> 01:32:35,920

and there's a lot more to it next year

2494

01:32:41,430 --> 01:32:38,639

because it's the 50th anniversary so it

2495

01:32:43,030 --> 01:32:41,440

just seems the right time to do it

2496

01:32:45,910 --> 01:32:43,040

and

2497

01:32:48,550 --> 01:32:45,920

it's come you know the case

2498

01:32:52,310 --> 01:32:48,560

found international recognition back in

2499

01:32:53,910 --> 01:32:52,320

1973 it then died again it was gone

2500

01:32:55,510 --> 01:32:53,920

people have forgotten about it but when

2501

01:32:57,350 --> 01:32:55,520

i looked when i give you an example when

2502

01:32:58,470 --> 01:32:57,360

i first started to look for calvin

2503

01:33:00,629 --> 01:32:58,480

parker

2504

01:33:02,709 --> 01:33:00,639

i contacted a ufo researcher in

2505

01:33:03,910 --> 01:33:02,719

mississippi seemed to be the obvious

2506

01:33:04,709 --> 01:33:03,920

thing to do

2507

01:33:07,430 --> 01:33:04,719

yeah

2508

01:33:09,270 --> 01:33:07,440

he'd never heard of it

2509

01:33:11,110 --> 01:33:09,280

never heard of it he just sent me some

2510

01:33:12,790 --> 01:33:11,120

links that he'd found online i said well

2511

01:33:15,510 --> 01:33:12,800

i can find links i don't want links i

2512

01:33:17,189 --> 01:33:15,520

want his phone number you know

2513

01:33:19,270 --> 01:33:17,199

and

2514

01:33:20,550 --> 01:33:19,280

this is where modern technology comes in

2515

01:33:23,030 --> 01:33:20,560

it was a

2516

01:33:24,310 --> 01:33:23,040

podcaster you probably know him martin

2517

01:33:26,790 --> 01:33:24,320

willis

2518

01:33:29,750 --> 01:33:26,800

of course yeah martin had interviewed

2519

01:33:32,070 --> 01:33:29,760

calvin back in 2013.

2520

01:33:34,870 --> 01:33:32,080

he says um

2521

01:33:36,790 --> 01:33:34,880

i think i've got his email

2522

01:33:39,350 --> 01:33:36,800

i don't know if it still works so it was

2523

01:33:40,790 --> 01:33:39,360

martin who introduced me and calvin

2524

01:33:42,790 --> 01:33:40,800

parker

2525

01:33:45,030 --> 01:33:42,800

that's amazing

2526

01:33:47,669 --> 01:33:45,040

i've thanked him numerous times but i'm

2527

01:33:49,030 --> 01:33:47,679

forever forever thankful

2528

01:33:52,550 --> 01:33:49,040

but

2529

01:33:54,870 --> 01:33:52,560

who says podcasts don't uh add to the

2530

01:33:56,310 --> 01:33:54,880

to the research and investigations

2531

01:33:58,629 --> 01:33:56,320

absolutely they do

2532

01:34:01,189 --> 01:33:58,639

and there's a prime example you know

2533

01:34:02,629 --> 01:34:01,199

absolutely and

2534

01:34:04,790 --> 01:34:02,639

you know

2535

01:34:07,110 --> 01:34:04,800

calvin and i would in fact were talking

2536

01:34:08,790 --> 01:34:07,120

this morning we speak regularly become

2537

01:34:10,550 --> 01:34:08,800

friends

2538

01:34:12,229 --> 01:34:10,560

and we never know what's going to happen

2539

01:34:15,669 --> 01:34:12,239

next i mean that the

2540

01:34:17,830 --> 01:34:15,679

a local charity in the town for example

2541

01:34:19,910 --> 01:34:17,840

raised some money and i put a historical

2542

01:34:20,870 --> 01:34:19,920

marker at the location where this thing

2543

01:34:22,629 --> 01:34:20,880

happened

2544

01:34:23,830 --> 01:34:22,639

and it was officially unveiled by the

2545

01:34:25,830 --> 01:34:23,840

mayor

2546

01:34:27,430 --> 01:34:25,840

you know and all that happened

2547

01:34:30,310 --> 01:34:27,440

calvin was stood by it when they

2548

01:34:31,510 --> 01:34:30,320

unveiled it he was crying you know

2549

01:34:34,390 --> 01:34:31,520

and

2550

01:34:37,030 --> 01:34:34,400

it's it is a fascinating story it really

2551

01:34:38,950 --> 01:34:37,040

isn't it's one that continues

2552

01:34:41,590 --> 01:34:38,960

to give there's you know

2553

01:34:43,669 --> 01:34:41,600

there's more things out there and and we

2554

01:34:45,990 --> 01:34:43,679

will see where it all ends up

2555

01:34:47,990 --> 01:34:46,000

but it's a fascinating account calvin's

2556

01:34:50,709 --> 01:34:48,000

books are available

2557

01:34:52,470 --> 01:34:50,719

um pascagoula the closest encounter

2558

01:34:55,669 --> 01:34:52,480

that's his first one

2559

01:34:57,109 --> 01:34:55,679

and pascagoula the story continues is

2560

01:34:59,430 --> 01:34:57,119

the second one

2561

01:35:00,790 --> 01:34:59,440

and dr irina scott

2562

01:35:03,990 --> 01:35:00,800

got her own book called beyond

2563

01:35:06,790 --> 01:35:04,000

pascagoula the rest of the amazing story

2564

01:35:09,270 --> 01:35:06,800

because she is a bona fide scientist

2565

01:35:11,990 --> 01:35:09,280

and lo and behold there's another

2566

01:35:13,270 --> 01:35:12,000

aspect to the story she was she's from

2567

01:35:16,310 --> 01:35:13,280

ohio

2568

01:35:19,030 --> 01:35:16,320

she in on october the 11th 1973 she was

2569

01:35:21,990 --> 01:35:19,040

away from home studying for her i

2570

01:35:24,310 --> 01:35:22,000

believe it was her phd

2571

01:35:26,470 --> 01:35:24,320

when her mother phoned her

2572

01:35:28,070 --> 01:35:26,480

and she says there's been a huge sonic

2573

01:35:33,270 --> 01:35:28,080

boom

2574

01:35:35,510 --> 01:35:33,280

the united states

2575

01:35:37,430 --> 01:35:35,520

and that was on the 11th of october

2576

01:35:38,550 --> 01:35:37,440
1973.

2577

01:35:40,629 --> 01:35:38,560
and

2578

01:35:42,390 --> 01:35:40,639
she's never been able to find

2579

01:35:44,149 --> 01:35:42,400
a rational explanation

2580

01:35:45,669 --> 01:35:44,159
for this sonic boom

2581

01:35:47,510 --> 01:35:45,679
she's looked into everything it's

2582

01:35:49,830 --> 01:35:47,520
recorded on you know

2583

01:35:51,189 --> 01:35:49,840
seismic measurements she claims

2584

01:35:53,189 --> 01:35:51,199
and i believe her because she's the

2585

01:35:58,149 --> 01:35:53,199
scientist not me it is the second

2586

01:36:02,070 --> 01:35:59,990
and it all happened at the same time now

2587

01:36:04,709 --> 01:36:02,080
whether it's connected to to the

2588

01:36:06,950 --> 01:36:04,719

pascagoula incident i don't know right i

2589

01:36:08,870 --> 01:36:06,960

don't know but it was the same same

2590

01:36:11,109 --> 01:36:08,880

night

2591

01:36:13,750 --> 01:36:11,119

if you hear an aircraft

2592

01:36:16,310 --> 01:36:13,760

you know a jet aircraft do a sonic boom

2593

01:36:17,590 --> 01:36:16,320

the radius of the the way you can hear

2594

01:36:18,950 --> 01:36:17,600

it is about

2595

01:36:20,629 --> 01:36:18,960

two miles

2596

01:36:24,390 --> 01:36:20,639

so it'll give you some exa

2597

01:36:26,149 --> 01:36:24,400

the higher the the jet goes

2598

01:36:28,310 --> 01:36:26,159

the less distance you can hear it

2599

01:36:30,629 --> 01:36:28,320

because the atmosphere gets thinner so

2600

01:36:32,390 --> 01:36:30,639

the sound waves don't travel so far

2601

01:36:34,070 --> 01:36:32,400

therefore it diminishes the higher it

2602

01:36:36,310 --> 01:36:34,080

gets

2603

01:36:39,830 --> 01:36:36,320

this went halfway across the united

2604

01:36:44,870 --> 01:36:42,790

yeah that's almost unimaginable then

2605

01:36:47,910 --> 01:36:44,880

yeah and it was that look it was that

2606

01:36:50,390 --> 01:36:47,920

that got irina interested and um

2607

01:36:52,310 --> 01:36:50,400

yeah so there you go so that's an update

2608

01:36:54,149 --> 01:36:52,320

on the pascagoula case there's a lot

2609

01:36:56,790 --> 01:36:54,159

more but we could literally be here all

2610

01:36:59,350 --> 01:36:56,800

night talking about it no let's wait for

2611

01:37:01,590 --> 01:36:59,360

the book ah i'm so excited for that for

2612

01:37:03,750 --> 01:37:01,600

sure well i mean to wrap things up

2613

01:37:05,590 --> 01:37:03,760

philip um

2614

01:37:10,550 --> 01:37:05,600

where can we find

2615

01:37:12,149 --> 01:37:10,560

everything you're up to and uh yeah tell

2616

01:37:13,590 --> 01:37:12,159

the folks at home how they can find you

2617

01:37:17,430 --> 01:37:13,600

if you don't mind yeah the new book is

2618

01:37:19,910 --> 01:37:17,440

it's a simple title uh ufo landings uk

2619

01:37:22,709 --> 01:37:19,920

there's a kindle

2623

01:37:31,270 --> 01:37:28,800

2624

01:37:33,430 --> 01:37:31,280

into an audio book as well

2625

01:37:35,430 --> 01:37:33,440

01:38:12,790 --> 01:38:10,719

fascinating phil i'm so happy i finally

2646

01:38:16,470 --> 01:38:12,800

got to talk to you i know it was a long

2647

01:38:18,790 --> 01:38:16,480

time coming but we covered so much and i

2648

01:38:21,030 --> 01:38:18,800

i'm being honest i cannot wait for that

2649

01:38:22,790 --> 01:38:21,040

new book to come out on pascagoula to

2650

01:38:25,510 --> 01:38:22,800

see what you guys have to see well i i

2651

01:38:27,910 --> 01:38:25,520

literally added the eddie hixson

2652

01:38:30,629 --> 01:38:27,920

interview to the manuscript this morning

2653

01:38:32,070 --> 01:38:30,639

unless anything else comes up

2654

01:38:33,990 --> 01:38:32,080

that will be the last thing i'm going to

2655

01:38:35,510 --> 01:38:34,000

try and speak to eddie over the next few

2656

01:38:37,830 --> 01:38:35,520

days just to see if he's got any old

2657

01:38:39,189 --> 01:38:37,840

photographs of his you know himself and

2658

01:38:41,189 --> 01:38:39,199

his his father

2659

01:38:42,470 --> 01:38:41,199

yeah um that we can that we might be

2660

01:38:43,830 --> 01:38:42,480

able to use

2661

01:38:46,870 --> 01:38:43,840

but that's all i'm you know the

2662

01:38:48,070 --> 01:38:46,880

interview's done it's in and like i say

2663

01:38:50,629 --> 01:38:48,080

um

2664

01:38:53,430 --> 01:38:50,639

look out for it later this year uh

2665

01:38:55,669 --> 01:38:53,440

october november time calvin

2666

01:38:56,870 --> 01:38:55,679

mrs blair

2667

01:38:58,629 --> 01:38:56,880

deputy

2668

01:38:59,990 --> 01:38:58,639

glenn ryder

2669

01:39:02,390 --> 01:39:00,000

and

2670

01:39:04,310 --> 01:39:02,400

another witness called judy branning

2671

01:39:07,030 --> 01:39:04,320

along with wayne that calvin's wife have

2672

01:39:10,390 --> 01:39:07,040

done them they're all featured in a

2673

01:39:13,590 --> 01:39:10,400

30-minute documentary made by sky

2674

01:39:16,070 --> 01:39:13,600

dot sky fox a biggie pardon fox nation

2675

01:39:18,870 --> 01:39:16,080

and it's part of a series

2676
01:39:21,189 --> 01:39:18,880
and it goes out october november asked

2677
01:39:23,990 --> 01:39:21,199
when i get more details i'll let you

2678
01:39:25,510 --> 01:39:24,000
know but so they're all featured briefly

2679
01:39:27,270 --> 01:39:25,520
you know in this little 30-minute

2680
01:39:29,669 --> 01:39:27,280
documentary but it will give you a

2681
01:39:31,350 --> 01:39:29,679
little taste of what what we've been

2682
01:39:34,390 --> 01:39:31,360
what we've been talking about there's a

2683
01:39:36,149 --> 01:39:34,400
lot more but that that'll hopefully

2684
01:39:37,910 --> 01:39:36,159
i mean

2685
01:39:39,109 --> 01:39:37,920
others other people might come forward

2686
01:39:41,430 --> 01:39:39,119
as a result

2687
01:39:43,030 --> 01:39:41,440
right you never know but that'll be out

2688
01:39:45,750 --> 01:39:43,040

later this year

2689

01:39:47,990 --> 01:39:45,760

and um and the book next year at some

2690

01:39:50,790 --> 01:39:48,000

point all been well

2691

01:39:53,030 --> 01:39:50,800

fantastic well philip i have to thank

2692

01:39:55,270 --> 01:39:53,040

2693

01:39:57,270 --> 01:39:55,280

today and for all the invaluable work

2694

2697

01:40:15,740 --> 01:40:05,040

leave it so long till next time we speak
