

**SOMEWHERE  
IN THE  
SKIES**

**I WAS PARALYZED  
BY A UFO**

[Music]

2  
00:00:16,550 --> 00:00:13,519

on april 5th 2002 the sun a british news

3  
00:00:19,269 --> 00:00:16,560

outlet published an article titled ufo

4  
00:00:22,550 --> 00:00:19,279

encounters left witnesses with radiation

5  
00:00:25,910 --> 00:00:22,560

burns brain problems and damaged nerves

6  
00:00:28,630 --> 00:00:25,920

claims pentagon docs a 1500 page

7  
00:00:31,269 --> 00:00:28,640

pentagon report of previously classified

8  
00:00:33,590 --> 00:00:31,279

documents cataloging accounts from

9  
00:00:36,790 --> 00:00:33,600

witnesses and victims claiming radiation

10  
00:00:39,350 --> 00:00:36,800

burns brain damage even paralysis after

11  
00:00:41,590 --> 00:00:39,360

close encounters with uaps this is the

12  
00:00:44,389 --> 00:00:41,600

most haunting of all the reports from

13  
00:00:47,430 --> 00:00:44,399

from my perspective because it shows

14

00:00:51,189 --> 00:00:47,440

immunological deficiency it shows uh

15

00:00:54,229 --> 00:00:51,199

altering human dna it shows degradation

16

00:00:56,790 --> 00:00:54,239

on a cellular level prepared in 2010 by

17

00:00:59,189 --> 00:00:56,800

the pentagon's secret advanced aerospace

18

00:01:01,110 --> 00:00:59,199

weapons program the report was released

19

00:01:04,310 --> 00:01:01,120

only after a freedom of information

20

00:01:06,789 --> 00:01:04,320

request it found sufficient incidents

21

00:01:09,109 --> 00:01:06,799

accidents have been accurately reported

22

00:01:11,670 --> 00:01:09,119

and medical data acquired asked to

23

00:01:14,789 --> 00:01:11,680

support a hypothesis that some advanced

24

00:01:17,350 --> 00:01:14,799

systems are already deployed and opaque

25

00:01:19,510 --> 00:01:17,360

to full us understandings

26  
00:01:21,830 --> 00:01:19,520  
and while many debate the veracity of

27  
00:01:24,230 --> 00:01:21,840  
where such reports came from and their

28  
00:01:26,510 --> 00:01:24,240  
inclusion in official documents within

29  
00:01:29,270 --> 00:01:26,520  
the pentagon there have been

30  
00:01:31,990 --> 00:01:29,280  
well-documented cases of such physical

31  
00:01:34,069 --> 00:01:32,000  
effects throughout the decades one of

32  
00:01:37,190 --> 00:01:34,079  
the most intriguing came from the

33  
00:01:39,670 --> 00:01:37,200  
official project blue book files wherein

34  
00:01:41,830 --> 00:01:39,680  
a man by the name of william wallace

35  
00:01:45,510 --> 00:01:41,840  
would claim to have been stricken with

36  
00:01:48,069 --> 00:01:45,520  
paralysis during a ufo encounter

37  
00:01:51,190 --> 00:01:48,079  
today we'll cover this incident in

38  
00:01:53,830 --> 00:01:51,200

detail and also explore other cases

39

00:01:55,270 --> 00:01:53,840

where many looked up into the skies and

40

00:01:58,600 --> 00:01:55,280

believed they too

41

00:02:08,150 --> 00:01:58,610

were paralyzed by a ufo

42

00:02:13,520 --> 00:02:11,029

this is somewhere in the skies with ryan

43

00:02:36,390 --> 00:02:13,530

sprague

44

00:02:39,990 --> 00:02:36,400

[Music]

45

00:02:42,790 --> 00:02:40,000

on the evening of march 8 1967 william

46

00:02:45,990 --> 00:02:42,800

wallace and his wife joan were driving

47

00:02:49,350 --> 00:02:46,000

back home to lowminster massachusetts in

48

00:02:51,589 --> 00:02:49,360

their 1955 cadillac after having driven

49

00:02:55,190 --> 00:02:51,599

out to the countryside to enjoy the

50

00:02:57,430 --> 00:02:55,200

scenic snowfall in the nearby forests

51  
00:03:01,030 --> 00:02:57,440  
as they were passing by saint leo's

52  
00:03:03,190 --> 00:03:01,040  
cemetery a thick fog appeared forcing

53  
00:03:05,830 --> 00:03:03,200  
wallace to slow his car

54  
00:03:08,309 --> 00:03:05,840  
as he did according to his report he

55  
00:03:10,149 --> 00:03:08,319  
witnessed a large bright light to the

56  
00:03:12,710 --> 00:03:10,159  
left of the vehicle

57  
00:03:14,550 --> 00:03:12,720  
he asked his wife joan if she had seen

58  
00:03:16,390 --> 00:03:14,560  
it but she hadn't

59  
00:03:18,710 --> 00:03:16,400  
wanting to get another look he turned

60  
00:03:20,630 --> 00:03:18,720  
the car around and approached the

61  
00:03:23,670 --> 00:03:20,640  
cemetery again

62  
00:03:25,509 --> 00:03:23,680  
this time both he and his wife saw the

63  
00:03:27,509 --> 00:03:25,519

strange glow

64

00:03:29,509 --> 00:03:27,519  
and wallace brought the car to a

65

00:03:31,750 --> 00:03:29,519  
complete stop

66

00:03:34,390 --> 00:03:31,760  
he could now clearly see that the light

67

00:03:37,430 --> 00:03:34,400  
was coming from a bizarre floating

68

00:03:38,390 --> 00:03:37,440  
object that was shaped like a flattened

69

00:03:40,550 --> 00:03:38,400  
egg

70

00:03:44,149 --> 00:03:40,560  
it was at this point when the car's

71

00:03:47,670 --> 00:03:44,159  
lights went out the radio fell silent

72

00:03:49,910 --> 00:03:47,680  
and the car completely died

73

00:03:52,390 --> 00:03:49,920  
wallace exited the vehicle to get a

74

00:03:54,949 --> 00:03:52,400  
closer look pointing toward the object

75

00:03:55,990 --> 00:03:54,959  
in order to direct his wife's focus to

76

00:03:58,710 --> 00:03:56,000

it

77

00:04:00,949 --> 00:03:58,720

however no sooner had he done so that he

78

00:04:03,750 --> 00:04:00,959

realized that he was completely

79

00:04:05,670 --> 00:04:03,760

paralyzed and couldn't move

80

00:04:09,350 --> 00:04:05,680

he would recall the following in his

81

00:04:11,830 --> 00:04:09,360

official report to project blue book my

82

00:04:14,309 --> 00:04:11,840

mind was not affected at all you know it

83

00:04:16,710 --> 00:04:14,319

was simply my body that was frozen you

84

00:04:19,590 --> 00:04:16,720

know my only movement came from some

85

00:04:21,590 --> 00:04:19,600

invisible force that seemed to you know

86

00:04:23,749 --> 00:04:21,600

force my pointed arm back sending it

87

00:04:25,430 --> 00:04:23,759

crashing onto the roof of the car

88

00:04:27,510 --> 00:04:25,440

i could hear my wife's panic cries

89

00:04:30,150 --> 00:04:27,520

behind me you know but i was unable to

90

00:04:32,550 --> 00:04:30,160

call back and turn twitter

91

00:04:34,950 --> 00:04:32,560

from jones point of view she would later

92

00:04:37,430 --> 00:04:34,960

write in her report of the incident that

93

00:04:40,390 --> 00:04:37,440

her focus was on her husband as opposed

94

00:04:42,550 --> 00:04:40,400

to the glowing hovering object when the

95

00:04:44,950 --> 00:04:42,560

car went dead i was yelling for bill to

96

00:04:46,550 --> 00:04:44,960

get back in but he did not move from

97

00:04:48,550 --> 00:04:46,560

where he was standing

98

00:04:51,030 --> 00:04:48,560

i slid across the seat and reached for

99

00:04:53,510 --> 00:04:51,040

him but he wasn't reacting at all

100

00:04:55,749 --> 00:04:53,520

i could hear a strange noise that i

101  
00:04:56,790 --> 00:04:55,759  
assumed was coming from whatever he was

102  
00:04:58,790 --> 00:04:56,800  
looking at

103  
00:04:59,830 --> 00:04:58,800  
it was unlike anything i'd ever heard

104  
00:05:01,670 --> 00:04:59,840  
before

105  
00:05:04,870 --> 00:05:01,680  
very troubling

106  
00:05:08,070 --> 00:05:04,880  
the paralysis of wallace lasted for

107  
00:05:10,230 --> 00:05:08,080  
around 30 to 40 seconds in total

108  
00:05:13,110 --> 00:05:10,240  
at the same time as he began to sense

109  
00:05:15,830 --> 00:05:13,120  
slight movement in his body the object

110  
00:05:18,629 --> 00:05:15,840  
was beginning to move away it moved

111  
00:05:20,710 --> 00:05:18,639  
quickly but not instantly

112  
00:05:22,870 --> 00:05:20,720  
as soon as the object had moved away

113  
00:05:25,670 --> 00:05:22,880

like the car engine ticked over the

114

00:05:27,990 --> 00:05:25,680

lights came back on and the radio came

115

00:05:30,230 --> 00:05:28,000

back to life my reactions to everything

116

00:05:32,390 --> 00:05:30,240

seemed slow and sluggish it took me

117

00:05:34,150 --> 00:05:32,400

around like 20 minutes to return to

118

00:05:36,710 --> 00:05:34,160

feeling normal again

119

00:05:38,390 --> 00:05:36,720

but this did not stop wallace from

120

00:05:41,670 --> 00:05:38,400

jumping into the vehicle

121

00:05:43,749 --> 00:05:41,680

and making his way away from the area as

122

00:05:46,790 --> 00:05:43,759

quickly as possible

123

00:05:47,830 --> 00:05:46,800

arriving back home around 1 30 in the

124

00:05:49,749 --> 00:05:47,840

morning

125

00:05:51,430 --> 00:05:49,759

joan would call her mother almost

126

00:05:53,189 --> 00:05:51,440

immediately

127

00:05:55,510 --> 00:05:53,199

according to the information in the

128

00:05:58,150 --> 00:05:55,520

project blue book files her mother asked

129

00:06:00,070 --> 00:05:58,160

her to drive her to her house due to how

130

00:06:03,029 --> 00:06:00,080

upset she sounded

131

00:06:05,909 --> 00:06:03,039

she and wallace did just that

132

00:06:07,990 --> 00:06:05,919

local police were notified and blue book

133

00:06:10,550 --> 00:06:08,000

investigators would soon arrive to take

134

00:06:13,110 --> 00:06:10,560

the report furthermore the statement of

135

00:06:15,909 --> 00:06:13,120

jones mother recalled the exact same

136

00:06:18,390 --> 00:06:15,919

version of events as joan and wallace

137

00:06:20,469 --> 00:06:18,400

had told investigators

138

00:06:22,469 --> 00:06:20,479

in the days that followed the national

139

00:06:25,510 --> 00:06:22,479

investigations committee on aerial

140

00:06:27,909 --> 00:06:25,520

phenomena or nightcap conducted further

141

00:06:30,950 --> 00:06:27,919

interviews with those involved

142

00:06:33,670 --> 00:06:30,960

more details began to come to light

143

00:06:36,070 --> 00:06:33,680

in the nightcap report investigators

144

00:06:38,070 --> 00:06:36,080

would state the following the fog on the

145

00:06:40,790 --> 00:06:38,080

night in question appeared to have been

146

00:06:42,710 --> 00:06:40,800

localized to the cemetery area only

147

00:06:44,150 --> 00:06:42,720

perhaps suggesting that the appearance

148

00:06:46,230 --> 00:06:44,160

had something to do with the claimed

149

00:06:49,270 --> 00:06:46,240

aerial phenomena as opposed to

150

00:06:51,510 --> 00:06:49,280

atmospheric or other weather conditions

151  
00:06:53,990 --> 00:06:51,520  
at the same time or immediately prior to

152  
00:06:56,230 --> 00:06:54,000  
becoming paralyzed william wallace had

153  
00:06:58,790 --> 00:06:56,240  
sensed an electric shock feeling hit his

154  
00:07:01,110 --> 00:06:58,800  
body however whatever was responsible

155  
00:07:03,189 --> 00:07:01,120  
for wallace's sudden inability to move

156  
00:07:05,749 --> 00:07:03,199  
remained invisible to the human eye

157  
00:07:07,830 --> 00:07:05,759  
according to joe and wallace's account

158  
00:07:09,350 --> 00:07:07,840  
additionally when joan had reached out

159  
00:07:11,350 --> 00:07:09,360  
from the car even pulling on her

160  
00:07:12,950 --> 00:07:11,360  
husband's jacket at one stage despite

161  
00:07:14,870 --> 00:07:12,960  
the contact with him

162  
00:07:16,870 --> 00:07:14,880  
while he was paralyzed she didn't feel

163  
00:07:18,950 --> 00:07:16,880

an electric shock nor did she experience

164

00:07:20,870 --> 00:07:18,960

any paralysis herself

165

00:07:23,110 --> 00:07:20,880

in speaking with local police they would

166

00:07:24,790 --> 00:07:23,120

state publicly that it was their feeling

167

00:07:27,430 --> 00:07:24,800

that the wallaces were being truthful in

168

00:07:29,189 --> 00:07:27,440

their report in fact it was suggested

169

00:07:30,790 --> 00:07:29,199

because of this william wallace must

170

00:07:32,309 --> 00:07:30,800

have considered the incident important

171

00:07:35,270 --> 00:07:32,319

enough to put himself in front of the

172

00:07:37,189 --> 00:07:35,280

police voluntarily inviting skepticism

173

00:07:39,830 --> 00:07:37,199

and ridicule for claiming to have been

174

00:07:41,909 --> 00:07:39,840

zapped by a ufo

175

00:07:44,390 --> 00:07:41,919

while law enforcement would seemingly

176

00:07:46,869 --> 00:07:44,400

verify william wallace's credibility in

177

00:07:49,270 --> 00:07:46,879

reporting the account the fact that only

178

00:07:51,110 --> 00:07:49,280

he and his wife were witnesses as well

179

00:07:53,909 --> 00:07:51,120

as the fact that there was no physical

180

00:07:57,189 --> 00:07:53,919

evidence on the car or even on wallace

181

00:07:59,270 --> 00:07:57,199

himself means that the account is open

182

00:08:02,309 --> 00:07:59,280

to such skepticism

183

00:08:05,589 --> 00:08:02,319

in the 2011 issue of the international

184

00:08:08,150 --> 00:08:05,599

ufo reporter journalist michael swords

185

00:08:11,110 --> 00:08:08,160

added that there was no lasting effects

186

00:08:14,230 --> 00:08:11,120

of the paralysis on mr wallace

187

00:08:16,869 --> 00:08:14,240

no burns or other visible injuries and

188

00:08:18,230 --> 00:08:16,879

no way to confirm that any of this

189

00:08:21,029 --> 00:08:18,240  
happened

190

00:08:22,869 --> 00:08:21,039  
so there was a variety of ways to

191

00:08:25,589 --> 00:08:22,879  
interpret this event

192

00:08:27,909 --> 00:08:25,599  
if it's true it could be a hint of some

193

00:08:30,790 --> 00:08:27,919  
kind of technology that induces

194

00:08:34,870 --> 00:08:30,800  
involuntary movements

195

00:08:37,589 --> 00:08:34,880  
this case remained one of over 700 cases

196

00:08:38,630 --> 00:08:37,599  
that project blue book was not able to

197

00:08:40,709 --> 00:08:38,640  
explain

198

00:08:42,949 --> 00:08:40,719  
and would be added to a long list of

199

00:08:46,790 --> 00:08:42,959  
other cases that involved physical

200

00:08:52,550 --> 00:08:49,509  
these cases would stretch across the

201  
00:08:55,030 --> 00:08:52,560  
world and throughout the decades

202  
00:08:57,430 --> 00:08:55,040  
some even being studied by highly

203  
00:09:01,269 --> 00:08:57,440  
credible ufo investigators

204  
00:09:03,350 --> 00:09:01,279  
as well as mainstream doctors

205  
00:09:05,990 --> 00:09:03,360  
a year later following wallace's

206  
00:09:07,670 --> 00:09:06,000  
encounter a bizarre incident would occur

207  
00:09:10,870 --> 00:09:07,680  
in alaska

208  
00:09:13,670 --> 00:09:10,880  
in december of 1968

209  
00:09:15,990 --> 00:09:13,680  
a young boy at the age of five whose

210  
00:09:18,790 --> 00:09:16,000  
name was protected by his family would

211  
00:09:21,110 --> 00:09:18,800  
recount a harrowing event that occurred

212  
00:09:23,990 --> 00:09:21,120  
when he witnessed strange lights outside

213  
00:09:26,310 --> 00:09:24,000

his window that came through the window

214

00:09:27,990 --> 00:09:26,320

and shown a bright beam in the corner of

215

00:09:30,070 --> 00:09:28,000

his bedroom

216

00:09:31,990 --> 00:09:30,080

the incident to the national ufo

217

00:09:34,470 --> 00:09:32,000

reporting center would state the

218

00:09:35,509 --> 00:09:34,480

following according to the young boy at

219

00:09:37,430 --> 00:09:35,519

the time

220

00:09:39,269 --> 00:09:37,440

i wake it up and there was a big pool

221

00:09:41,670 --> 00:09:39,279

right outside my room

222

00:09:42,870 --> 00:09:41,680

i stood up in my bed and walked out the

223

00:09:45,190 --> 00:09:42,880

window

224

00:09:47,030 --> 00:09:45,200

it was very big and i had to close my

225

00:09:48,630 --> 00:09:47,040

eyes cause it was

226

00:09:51,670 --> 00:09:48,640

hurting them

227

00:09:53,269 --> 00:09:51,680

then when i opened my eyes the white was

228

00:09:56,310 --> 00:09:53,279

in my room

229

00:09:59,509 --> 00:09:56,320

i got out of bed and ran towards it

230

00:10:01,190 --> 00:09:59,519

it was a big beam

231

00:10:03,190 --> 00:10:01,200

i went to it

232

00:10:05,350 --> 00:10:03,200

and couldn't move

233

00:10:08,069 --> 00:10:05,360

it was scary

234

00:10:09,590 --> 00:10:08,079

i tried yelling for my mommy and daddy

235

00:10:12,150 --> 00:10:09,600

but i couldn't yell

236

00:10:14,790 --> 00:10:12,160

i did look up though i looked up and

237

00:10:16,470 --> 00:10:14,800

there was something above me i'm a scene

238

00:10:18,790 --> 00:10:16,480

like a robot

239

00:10:20,790 --> 00:10:18,800

the machine started coming down and i

240

00:10:22,550 --> 00:10:20,800

didn't want it to grab me

241

00:10:23,829 --> 00:10:22,560

i think i was stuck in the white for a

242

00:10:25,829 --> 00:10:23,839

long time

243

00:10:28,389 --> 00:10:25,839

and then it went away and i could move

244

00:10:31,110 --> 00:10:28,399

again i ran to my parents and told them

245

00:10:33,190 --> 00:10:31,120

what happened they didn't believe me but

246

00:10:35,750 --> 00:10:33,200

after it happened i could hear something

247

00:10:37,269 --> 00:10:35,760

very loud like when my mom dropped

248

00:10:40,230 --> 00:10:37,279

something on the floor

249

00:10:42,550 --> 00:10:40,240

it was so loud i had to cover my ears

250

00:10:45,190 --> 00:10:42,560

i don't know what the white and machine

251

00:10:46,790 --> 00:10:45,200

were but i just can't forget about it i

252

00:10:49,509 --> 00:10:46,800

just can't

253

00:10:51,910 --> 00:10:49,519

according to the boy many years later he

254

00:10:53,910 --> 00:10:51,920

continued to have vivid dreams of what

255

00:10:56,630 --> 00:10:53,920

had occurred that night

256

00:10:59,990 --> 00:10:56,640

he even recalled similar experiences of

257

00:11:02,949 --> 00:11:00,000

paralysis as time went on and of seeing

258

00:11:05,269 --> 00:11:02,959

strange blue lights either coming or

259

00:11:07,670 --> 00:11:05,279

going from his bedroom

260

00:11:09,350 --> 00:11:07,680

could this all have been a lifetime of

261

00:11:12,949 --> 00:11:09,360

sleep paralysis

262

00:11:16,949 --> 00:11:12,959

or hypnogaga hallucinations

263

00:11:19,829 --> 00:11:16,959

or was it truly something otherworldly

264

00:11:22,790 --> 00:11:19,839

no matter the case the new fork report

265

00:11:25,910 --> 00:11:22,800

remains unexplained and so do the

266

00:11:27,110 --> 00:11:25,920

answers for the young boy in alaska

267

00:11:29,350 --> 00:11:27,120

[Music]

268

00:11:32,389 --> 00:11:29,360

some of the most intriguing ufo

269

00:11:34,870 --> 00:11:32,399

paralysis cases occurred over a decade

270

00:11:39,750 --> 00:11:34,880

prior in france

271

00:11:43,910 --> 00:11:39,760

it was september 10th 1954 in kwara bule

272

00:11:46,150 --> 00:11:43,920

at around 10 30 pm marius dewild was at

273

00:11:48,389 --> 00:11:46,160

home when he heard what sounded like a

274

00:11:50,949 --> 00:11:48,399

disturbance outside

275

00:11:53,590 --> 00:11:50,959

when his dog began to bark repeatedly

276

00:11:56,629 --> 00:11:53,600

dewild looked out the window

277

00:11:59,430 --> 00:11:56,639

the dog was looking upward at the sky

278

00:12:02,150 --> 00:11:59,440

now barking uncontrollably

279

00:12:04,310 --> 00:12:02,160

when dewild looked into the sky himself

280

00:12:05,910 --> 00:12:04,320

that's when he saw what the dog was

281

00:12:09,190 --> 00:12:05,920

barking at

282

00:12:11,030 --> 00:12:09,200

there was a huge dark mass hovering over

283

00:12:12,069 --> 00:12:11,040

the railway tracks only meters from my

284

00:12:13,990 --> 00:12:12,079

home

285

00:12:16,389 --> 00:12:14,000

even more amazing though were two

286

00:12:18,870 --> 00:12:16,399

figures wearing strange tight-fitting

287

00:12:20,389 --> 00:12:18,880

one-piece suits each between three to

288

00:12:22,150 --> 00:12:20,399

four feet tall

289

00:12:23,670 --> 00:12:22,160

i opened the front door and i stepped

290

00:12:24,629 --> 00:12:23,680

outside beginning to walk toward the two

291

00:12:27,030 --> 00:12:24,639

figures

292

00:12:29,590 --> 00:12:27,040

however before i could move any further

293

00:12:31,910 --> 00:12:29,600

a bright laser-like light emerged from

294

00:12:34,790 --> 00:12:31,920

the object and hid me

295

00:12:36,389 --> 00:12:34,800

i was instantly frozen in that spot

296

00:12:38,470 --> 00:12:36,399

although i couldn't move i was still

297

00:12:40,470 --> 00:12:38,480

aware of what was taking place

298

00:12:42,949 --> 00:12:40,480

i watched as these two figures conducted

299

00:12:44,470 --> 00:12:42,959

some sort of study of the ground this

300

00:12:45,829 --> 00:12:44,480

went on for several minutes before they

301  
00:12:47,750 --> 00:12:45,839  
entered the craft

302  
00:12:50,150 --> 00:12:47,760  
after a moment it ascended and

303  
00:12:52,150 --> 00:12:50,160  
disappeared into the night sky

304  
00:12:54,710 --> 00:12:52,160  
as soon as it was gone i was able to

305  
00:12:57,670 --> 00:12:54,720  
move again

306  
00:13:00,790 --> 00:12:57,680  
the following week on september 17th in

307  
00:13:04,389 --> 00:13:00,800  
the city of cenon again at around 10 30

308  
00:13:07,110 --> 00:13:04,399  
p.m vest david felt a sudden prickling

309  
00:13:08,949 --> 00:13:07,120  
sensation as he was cycling along a

310  
00:13:11,670 --> 00:13:08,959  
quiet road

311  
00:13:14,470 --> 00:13:11,680  
he brought the bike to a stop and within

312  
00:13:15,590 --> 00:13:14,480  
moments of doing so realized he couldn't

313  
00:13:17,990 --> 00:13:15,600

move

314

00:13:21,350 --> 00:13:18,000

he noticed there was a dark object in

315

00:13:24,629 --> 00:13:21,360

the road ahead of him even more alarming

316

00:13:27,430 --> 00:13:24,639

a small figure emerged from the object

317

00:13:30,230 --> 00:13:27,440

and walked toward him touching him on

318

00:13:32,710 --> 00:13:30,240

the shoulder when it reached him

319

00:13:35,750 --> 00:13:32,720

it then promptly returned to the dark

320

00:13:37,670 --> 00:13:35,760

vehicle which rose into the air and

321

00:13:42,629 --> 00:13:37,680

disappeared

322

00:13:45,350 --> 00:13:42,639

as soon as it did david could move again

323

00:13:48,790 --> 00:13:45,360

at around 4 30 a.m on the morning of

324

00:13:51,509 --> 00:13:48,800

october 11th in the saucier region

325

00:13:54,310 --> 00:13:51,519

two men were driving along a road when

326

00:13:56,470 --> 00:13:54,320

they each felt a strange sensation like

327

00:13:58,230 --> 00:13:56,480

an electric shock go through their

328

00:14:01,430 --> 00:13:58,240

bodies

329

00:14:03,430 --> 00:14:01,440

at the same time the car engine died and

330

00:14:05,829 --> 00:14:03,440

the headlights went out

331

00:14:08,790 --> 00:14:05,839

even worse each of them realized they

332

00:14:11,110 --> 00:14:08,800

were completely paralyzed

333

00:14:13,590 --> 00:14:11,120

as they looked on in front of them they

334

00:14:16,629 --> 00:14:13,600

each saw a large object in the middle of

335

00:14:19,110 --> 00:14:16,639

the road with three small figures

336

00:14:21,189 --> 00:14:19,120

standing in front of it

337

00:14:24,310 --> 00:14:21,199

they remained there for several moments

338

00:14:25,990 --> 00:14:24,320

before getting inside the object

339

00:14:29,430 --> 00:14:26,000  
which then flew up into the early

340

00:14:31,990 --> 00:14:29,440  
morning sky and disappeared

341

00:14:34,949 --> 00:14:32,000  
as soon as the object vanished the two

342

00:14:37,750 --> 00:14:34,959  
men could move once more and the car

343

00:14:40,629 --> 00:14:37,760  
came back to life

344

00:14:43,269 --> 00:14:40,639  
returning back to the united states at a

345

00:14:48,230 --> 00:14:43,279  
little after 11 pm on the night of june

346

00:14:51,590 --> 00:14:48,240  
15 1964 in lynn massachusetts 20 year

347

00:14:53,750 --> 00:14:51,600  
old student william angelos was at home

348

00:14:56,710 --> 00:14:53,760  
watching television when he noticed a

349

00:14:59,590 --> 00:14:56,720  
sudden pulsing sound that he would liken

350

00:15:01,670 --> 00:14:59,600  
to a rough running piston engine

351  
00:15:04,550 --> 00:15:01,680  
the noise appeared to be coming from

352  
00:15:06,790 --> 00:15:04,560  
right outside the family apartment

353  
00:15:09,030 --> 00:15:06,800  
angelo's mother who had only recently

354  
00:15:11,269 --> 00:15:09,040  
retired to bed for the evening also

355  
00:15:12,470 --> 00:15:11,279  
heard the sound and came rushing out of

356  
00:15:14,949 --> 00:15:12,480  
her room

357  
00:15:17,030 --> 00:15:14,959  
by this time william was approaching the

358  
00:15:19,590 --> 00:15:17,040  
front door of the apartment in order to

359  
00:15:21,670 --> 00:15:19,600  
investigate what the strange noise was

360  
00:15:23,829 --> 00:15:21,680  
he raced down the stairs to the ground

361  
00:15:26,470 --> 00:15:23,839  
floor of the building and peered out

362  
00:15:29,749 --> 00:15:26,480  
into the courtyard of the complex he

363  
00:15:31,910 --> 00:15:29,759

could see a strange red light bathing

364

00:15:34,069 --> 00:15:31,920

everything in its glow

365

00:15:37,030 --> 00:15:34,079

when he looked closer however he could

366

00:15:40,069 --> 00:15:37,040

see that the light was on the underside

367

00:15:42,949 --> 00:15:40,079

of a huge disc shaped craft that was

368

00:15:45,430 --> 00:15:42,959

hovering right above the courtyard

369

00:15:47,829 --> 00:15:45,440

he would recall how the object was dark

370

00:15:50,230 --> 00:15:47,839

and almost colorless

371

00:15:53,430 --> 00:15:50,240

what's more it was seemingly no more

372

00:15:55,910 --> 00:15:53,440

than 20 feet away and only a little over

373

00:15:58,230 --> 00:15:55,920

10 feet above the ground

374

00:16:00,870 --> 00:15:58,240

he noticed how the object had a domed

375

00:16:03,509 --> 00:16:00,880

shape to its top side while underneath

376

00:16:05,350 --> 00:16:03,519

it was completely flat

377

00:16:07,509 --> 00:16:05,360

despite the surreal nature of the

378

00:16:10,790 --> 00:16:07,519

situation the young student stepped

379

00:16:13,509 --> 00:16:10,800

outside in order to get a closer look

380

00:16:16,230 --> 00:16:13,519

as he did so the object began to rise

381

00:16:18,790 --> 00:16:16,240

from the ground and slowly moved off

382

00:16:21,509 --> 00:16:18,800

into the night sky

383

00:16:24,230 --> 00:16:21,519

however as he approached the craft

384

00:16:26,389 --> 00:16:24,240

angelos noticed a numbing sensation

385

00:16:30,710 --> 00:16:26,399

spread throughout his body which

386

00:16:32,550 --> 00:16:30,720

eventually caused a temporary paralysis

387

00:16:34,790 --> 00:16:32,560

only when the object had fully

388

00:16:37,590 --> 00:16:34,800

disappeared from sight did the use of

389

00:16:39,990 --> 00:16:37,600

his muscles return to him

390

00:16:42,069 --> 00:16:40,000

interestingly many other residents of

391

00:16:44,550 --> 00:16:42,079

the apartment building would report

392

00:16:48,280 --> 00:16:44,560

interference with their television sets

393

00:16:50,230 --> 00:16:48,290

and radios at the time of this sighting

402  
00:17:16,870 --> 00:17:14,880  
an account of which appeared in a los

403  
00:17:19,110 --> 00:17:16,880  
andes newspaper

404  
00:17:20,789 --> 00:17:19,120  
she would state the following of the

405  
00:17:22,789 --> 00:17:20,799  
event

406  
00:17:25,669 --> 00:17:22,799  
i was tending to patients when i

407  
00:17:27,429 --> 00:17:25,679  
suddenly heard a loud buzzing sound

408  
00:17:28,549 --> 00:17:27,439  
the next thing i knew there was this

409  
00:17:30,630 --> 00:17:28,559  
powerful

410  
00:17:32,470 --> 00:17:30,640  
glow that lit up the inside of the

411  
00:17:34,310 --> 00:17:32,480  
building from the yard outside

412  
00:17:36,870 --> 00:17:34,320  
at around the same time a feeling of

413  
00:17:39,669 --> 00:17:36,880

nausea came over me causing me to open a

414

00:17:41,909 --> 00:17:39,679

door to get some fresh air it was then

415

00:17:44,230 --> 00:17:41,919

that i noticed that the noise had

416

00:17:45,990 --> 00:17:44,240

stopped but the glow

417

00:17:48,150 --> 00:17:46,000

that was still there it was getting

418

00:17:51,590 --> 00:17:48,160

brighter and brighter

419

00:17:52,870 --> 00:17:51,600

i ventured outside both curious and

420

00:17:55,110 --> 00:17:52,880

scared

421

00:17:58,710 --> 00:17:55,120

when i finally made it outside i was

422

00:17:59,830 --> 00:17:58,720

immediately frozen in place paralyzed

423

00:18:02,789 --> 00:17:59,840

there

424

00:18:04,870 --> 00:18:02,799

directly in front of me was this strange

425

00:18:08,549 --> 00:18:04,880

glowing light it was hovering over the

426  
00:18:10,230 --> 00:18:08,559  
pavement it emitted both a red color and

427  
00:18:11,990 --> 00:18:10,240  
intermittent blue

428  
00:18:15,510 --> 00:18:12,000  
at this point i could feel a burning

429  
00:18:18,310 --> 00:18:15,520  
sensation to my face i managed to barely

430  
00:18:19,990 --> 00:18:18,320  
lift my arms to cover it with my hands

431  
00:18:21,990 --> 00:18:20,000  
a moment later

432  
00:18:23,430 --> 00:18:22,000  
the noise returned

433  
00:18:25,350 --> 00:18:23,440  
i peeked through

434  
00:18:28,789 --> 00:18:25,360  
to see the strange

435  
00:18:29,990 --> 00:18:28,799  
object rising into the air as soon as it

436  
00:18:32,310 --> 00:18:30,000  
disappeared

437  
00:18:35,029 --> 00:18:32,320  
the use of my legs returned and i ran

438  
00:18:36,390 --> 00:18:35,039

back inside calling for other nurses

439

00:18:39,350 --> 00:18:36,400

before i managed to re-enter the

440

00:18:42,950 --> 00:18:39,360

building however my legs completely gave

441

00:18:44,549 --> 00:18:42,960

out and i collapsed to the ground

442

00:18:47,350 --> 00:18:44,559

incidentally it would later be

443

00:18:50,070 --> 00:18:47,360

discovered that pandemic had suffered

444

00:18:52,470 --> 00:18:50,080

burn marks to her face

445

00:18:54,950 --> 00:18:52,480

even more intriguing when investigators

446

00:18:57,270 --> 00:18:54,960

examined the area where pandemic claimed

447

00:19:00,310 --> 00:18:57,280

to have witnessed the strange object

448

00:19:03,110 --> 00:19:00,320

they discovered a lead-colored marking

449

00:19:05,590 --> 00:19:03,120

on the ground as well as a particularly

450

00:19:07,510 --> 00:19:05,600

strong smell of sulfur

451

00:19:09,510 --> 00:19:07,520

a point of interest here is that

452

00:19:11,909 --> 00:19:09,520

although the lead-colored marking

453

00:19:15,350 --> 00:19:11,919

disappeared several days later when the

454

00:19:18,230 --> 00:19:15,360

area gets wet that particular spot dries

455

00:19:20,150 --> 00:19:18,240

within seconds while the area around it

456

00:19:22,950 --> 00:19:20,160

remains soaked

457

00:19:25,350 --> 00:19:22,960

a further interest and perhaps adding to

458

00:19:27,750 --> 00:19:25,360

the credibility of this sighting is that

459

00:19:30,390 --> 00:19:27,760

a physicist with the national atomic

460

00:19:33,590 --> 00:19:30,400

energy commission did examine the

461

00:19:35,990 --> 00:19:33,600

location and discovered a significant

462

00:19:39,100 --> 00:19:36,000

increase in radiation

463

00:19:40,950 --> 00:19:39,110

this case remains unexplained

464

00:19:45,029 --> 00:19:40,960

[Music]

on the evening of october 29th 1977

466

00:19:51,430 --> 00:19:48,480

at around 6 p.m benedito campos was

467

00:19:55,510 --> 00:19:51,440

relaxing at home with his pregnant wife

468

00:19:57,110 --> 00:19:55,520

sylvia mara in the town of moscario in

469

00:19:59,990 --> 00:19:57,120

brazil

470

00:20:02,470 --> 00:20:00,000

what was a particularly quiet night was

471

00:20:05,270 --> 00:20:02,480

suddenly changed by the arrival of a

472

00:20:06,470 --> 00:20:05,280

silver disc shaped object that appeared

473

00:20:09,350 --> 00:20:06,480

in the sky

474

00:20:11,510 --> 00:20:09,360

seemingly from out of nowhere

475

00:20:13,590 --> 00:20:11,520

they could each see the object clearly

476  
00:20:15,990 --> 00:20:13,600  
through the living room window

477  
00:20:19,350 --> 00:20:16,000  
as they continued to watch the strange

478  
00:20:22,070 --> 00:20:19,360  
craft they each saw a green laser-type

479  
00:20:24,870 --> 00:20:22,080  
beam emerged from the underside of the

480  
00:20:27,909 --> 00:20:24,880  
craft they continued to watch until

481  
00:20:30,470 --> 00:20:27,919  
suddenly the green beam shot in their

482  
00:20:33,029 --> 00:20:30,480  
direction pushing through the glass

483  
00:20:36,789 --> 00:20:33,039  
without shattering it

484  
00:20:40,470 --> 00:20:36,799  
moments later the beam hit mara and

485  
00:20:44,470 --> 00:20:40,480  
immediately froze her as if in some sort

486  
00:20:47,110 --> 00:20:44,480  
of strange suspended animation

487  
00:20:49,750 --> 00:20:47,120  
after a few more moments two strange

488  
00:20:51,909 --> 00:20:49,760

figures appeared in the room

489

00:20:54,710 --> 00:20:51,919

in their hands each of them carried a

490

00:20:56,230 --> 00:20:54,720

device that they aimed at both of the

491

00:20:58,549 --> 00:20:56,240

humans

492

00:21:01,750 --> 00:20:58,559

when they did so another green

493

00:21:04,149 --> 00:21:01,760

laser-like beam shot out of it and

494

00:21:06,149 --> 00:21:04,159

struck mara again

495

00:21:09,750 --> 00:21:06,159

although he didn't realize it at the

496

00:21:12,549 --> 00:21:09,760

time benedito was calling out for help

497

00:21:14,549 --> 00:21:12,559

cries that were heard by a neighbor who

498

00:21:16,149 --> 00:21:14,559

rushed to the property carrying his

499

00:21:19,029 --> 00:21:16,159

shotgun

500

00:21:21,909 --> 00:21:19,039

his arrival panicked these creatures who

501

00:21:24,070 --> 00:21:21,919

quickly vacated the house

502

00:21:26,310 --> 00:21:24,080

the husband and wife were taken to the

503

00:21:28,149 --> 00:21:26,320

neighbor's home where they could gather

504

00:21:30,390 --> 00:21:28,159

their thoughts and attempt to come to

505

00:21:32,870 --> 00:21:30,400

terms with what had happened

506

00:21:35,909 --> 00:21:32,880

although mara was in a state of shock

507

00:21:38,390 --> 00:21:35,919

she was otherwise unharmed and she and

508

00:21:39,669 --> 00:21:38,400

her husband returned home a short time

509

00:21:41,830 --> 00:21:39,679

later

510

00:21:44,950 --> 00:21:41,840

when they arrived home the strange

511

00:21:47,510 --> 00:21:44,960

object would return again

512

00:21:50,390 --> 00:21:47,520

this time the ominous light beam would

513

00:21:53,350 --> 00:21:50,400

strike benedito causing him to be

514

00:21:56,450 --> 00:21:53,360

paralyzed for several moments

515

00:21:57,590 --> 00:21:56,460

the object then disappeared in a flash

the entire calaras area would experience

519

00:22:09,100 --> 00:22:05,520

on september 10th 1981 in weston mill

538

00:23:11,110 --> 00:23:08,080

hill plymouth united kingdom 23 year old

539

00:23:13,430 --> 00:23:11,120

denise bishop had just got out of a taxi

540

00:23:15,190 --> 00:23:13,440

and was walking to the door to her home

541

00:23:16,870 --> 00:23:15,200

that she shared with her mother and

542

00:23:19,190 --> 00:23:16,880

sister

543

00:23:21,350 --> 00:23:19,200

however as she walked up the path to the

544

00:23:24,070 --> 00:23:21,360

back door of the house she noticed a

545

00:23:25,590 --> 00:23:24,080

strange bright light coming from behind

546

00:23:27,830 --> 00:23:25,600

the property

547

00:23:30,950 --> 00:23:27,840

when she turned her focus to the source

548

00:23:33,669 --> 00:23:30,960

of the light she saw the following

549

00:23:35,909 --> 00:23:33,679

it was a metallic object it hovered a

550

00:23:38,149 --> 00:23:35,919

short distance from the ground the shape

551  
00:23:40,710 --> 00:23:38,159  
was very odd the only way i could really

552  
00:23:42,870 --> 00:23:40,720  
describe it was well

553  
00:23:45,669 --> 00:23:42,880  
it was in the shape of a crab

554  
00:23:47,190 --> 00:23:45,679  
i couldn't believe what i was seeing i

555  
00:23:49,029 --> 00:23:47,200  
wanted to get in the house as quick as i

556  
00:23:51,750 --> 00:23:49,039  
could but when i went to put my key in

557  
00:23:53,750 --> 00:23:51,760  
the door lock this green beam of light

558  
00:23:57,029 --> 00:23:53,760  
shot out from the craft and hit my hand

559  
00:24:00,630 --> 00:23:57,039  
i dropped the keys and couldn't move

560  
00:24:04,390 --> 00:24:00,640  
not because i was scared which i was but

561  
00:24:06,390 --> 00:24:04,400  
this beam rendered me frozen this lasted

562  
00:24:07,669 --> 00:24:06,400  
for about 30 seconds before the green

563  
00:24:09,110 --> 00:24:07,679

light disappeared

564

00:24:10,710 --> 00:24:09,120

i could move again

565

00:24:11,750 --> 00:24:10,720

but this wasn't the weirdest part of the

566

00:24:13,190 --> 00:24:11,760

incident

567

00:24:14,230 --> 00:24:13,200

instead of reacting to what it just

568

00:24:17,510 --> 00:24:14,240

happened

569

00:24:18,630 --> 00:24:17,520

for some reason i simply picked up my

570

00:24:21,830 --> 00:24:18,640

keys

571

00:24:23,830 --> 00:24:21,840

unlocked the door and went inside

572

00:24:26,070 --> 00:24:23,840

as if nothing had happened

573

00:24:26,789 --> 00:24:26,080

i can't quite explain it it was like

574

00:24:30,149 --> 00:24:26,799

like

575

00:24:32,310 --> 00:24:30,159

a film that had been paused and then the

576  
00:24:34,950 --> 00:24:32,320  
play button was pushed and the film just

577  
00:24:37,110 --> 00:24:34,960  
continued it was just

578  
00:24:39,669 --> 00:24:37,120  
so bizarre

579  
00:24:41,669 --> 00:24:39,679  
denise told her family and boyfriend

580  
00:24:43,909 --> 00:24:41,679  
about what had happened and they

581  
00:24:45,350 --> 00:24:43,919  
encouraged her to report the incident to

582  
00:24:47,669 --> 00:24:45,360  
the police

583  
00:24:50,549 --> 00:24:47,679  
they arrived and questioned her but

584  
00:24:52,149 --> 00:24:50,559  
found no evidence of anything and no

585  
00:24:55,430 --> 00:24:52,159  
other witnesses

586  
00:24:58,230 --> 00:24:55,440  
however a burn mark was quite visible on

587  
00:25:01,990 --> 00:24:58,240  
her hand where the laser beam had

588  
00:25:04,630 --> 00:25:02,000

supposedly hit her analysis of the wound

589

00:25:07,029 --> 00:25:04,640

which was considerably painful to her

590

00:25:09,909 --> 00:25:07,039

would suggest it was the result of an

591

00:25:12,390 --> 00:25:09,919

intense laser burn

592

00:25:14,870 --> 00:25:12,400

the wound would eventually begin to heal

593

00:25:17,590 --> 00:25:14,880

several days after the incident

594

00:25:19,110 --> 00:25:17,600

but denise certainly didn't heal

595

00:25:20,870 --> 00:25:19,120

emotionally

596

00:25:22,470 --> 00:25:20,880

it was by far one of the scariest

597

00:25:23,750 --> 00:25:22,480

moments of my life

598

00:25:25,590 --> 00:25:23,760

and the fact that i still have no

599

00:25:29,350 --> 00:25:25,600

answers to what happened

600

00:25:31,350 --> 00:25:29,360

it will stay with me forever

601  
00:25:34,070 --> 00:25:31,360  
according to an account submitted to the

602  
00:25:37,830 --> 00:25:34,080  
national ufo reporting center in october

603  
00:25:40,830 --> 00:25:37,840  
of 1999 a bizarre incident occurred in

604  
00:25:42,549 --> 00:25:40,840  
juneau alaska in june of

605  
00:25:45,029 --> 00:25:42,559  
1982

606  
00:25:47,669 --> 00:25:45,039  
an anonymous witness at the juno

607  
00:25:49,750 --> 00:25:47,679  
receiving home was smoking a cigarette

608  
00:25:52,710 --> 00:25:49,760  
on the back porch

609  
00:25:56,630 --> 00:25:52,720  
as she did so she witnessed a black

610  
00:25:59,029 --> 00:25:56,640  
sphere hovering around 300 feet away

611  
00:26:02,230 --> 00:25:59,039  
she would state the following

612  
00:26:04,470 --> 00:26:02,240  
the sphere was so dark it was like

613  
00:26:06,630 --> 00:26:04,480

looking at a hole in space

614

00:26:08,230 --> 00:26:06,640

almost as soon as i notice it it started

615

00:26:09,990 --> 00:26:08,240

moving in my direction

616

00:26:11,750 --> 00:26:10,000

there was a distinctly audible hum

617

00:26:13,510 --> 00:26:11,760

accompanying its movement

618

00:26:15,750 --> 00:26:13,520

the object was soon directly over me

619

00:26:18,549 --> 00:26:15,760

when it emitted an intense

620

00:26:19,909 --> 00:26:18,559

fan-shaped orange beam of some kind the

621

00:26:21,750 --> 00:26:19,919

light reached as far as the ground

622

00:26:24,630 --> 00:26:21,760

before it began sweeping from side to

623

00:26:26,310 --> 00:26:24,640

side as if looking for something

624

00:26:28,230 --> 00:26:26,320

i noticed that any objects that came

625

00:26:30,630 --> 00:26:28,240

into contact with the light immediately

626

00:26:31,990 --> 00:26:30,640

glowed a bright orange

627

00:26:34,390 --> 00:26:32,000

i could feel

628

00:26:36,310 --> 00:26:34,400

a sense of fear taking over and i ran

629

00:26:37,510 --> 00:26:36,320

from the oncoming object i was just

630

00:26:39,269 --> 00:26:37,520

about to make it to the front door of my

631

00:26:41,430 --> 00:26:39,279

home when the light from the object

632

00:26:43,110 --> 00:26:41,440

actually touched me that's when my

633

00:26:44,310 --> 00:26:43,120

entire body just

634

00:26:45,669 --> 00:26:44,320

froze

635

00:26:47,269 --> 00:26:45,679

i was stuck in that spot but the

636

00:26:48,870 --> 00:26:47,279

strangest part of it all was the next

637

00:26:51,430 --> 00:26:48,880

thing i knew

638

00:26:53,830 --> 00:26:51,440

i was inside my house sitting on the

639

00:26:55,590 --> 00:26:53,840

couch and i had absolutely no idea how

640

00:26:58,630 --> 00:26:55,600

i'd gotten there

641

00:27:01,110 --> 00:26:58,640

by pure chance though the witness had

642

00:27:07,029 --> 00:27:01,120

been attempting to record shortwave

643

00:27:09,110 --> 00:27:07,039

radio broadcasts on a jvc rc m70 boombox

644

00:27:11,909 --> 00:27:09,120

when she went to check on the recorder

645

00:27:13,750 --> 00:27:11,919

shortly after waking up the tape was

646

00:27:16,789 --> 00:27:13,760

still recording

647

00:27:20,230 --> 00:27:16,799

she rerun the tape and pressed play

648

00:27:21,669 --> 00:27:20,240

all i heard was static however around 20

649

00:27:23,430 --> 00:27:21,679

minutes into the recording the static

650

00:27:25,830 --> 00:27:23,440

was replaced with a very odd warbling

651  
00:27:28,070 --> 00:27:25,840  
noise modulated and remodulated with all

652  
00:27:29,990 --> 00:27:28,080  
kinds of harmonics their

653  
00:27:32,950 --> 00:27:30,000  
sounds were rising and lowering in

654  
00:27:35,269 --> 00:27:32,960  
general pitch with a period of about 20

655  
00:27:37,190 --> 00:27:35,279  
seconds this sounds lasted around 15

656  
00:27:39,430 --> 00:27:37,200  
minutes about the same time as the

657  
00:27:42,389 --> 00:27:39,440  
duration of my sighting

658  
00:27:46,070 --> 00:27:42,399  
unfortunately the tape became lost

659  
00:27:48,630 --> 00:27:46,080  
several years after the encounter

660  
00:27:51,590 --> 00:27:48,640  
it isn't merely ufo sightings that have

661  
00:27:54,950 --> 00:27:51,600  
induced temporary paralysis

662  
00:27:57,830 --> 00:27:54,960  
there are many cases of alien abduction

663  
00:28:00,230 --> 00:27:57,840

where the abductee has stated they have

664

00:28:02,549 --> 00:28:00,240  
been unable to move during their

665

00:28:04,389 --> 00:28:02,559  
respective encounters

666

00:28:06,950 --> 00:28:04,399  
and while many skeptics point to the

667

00:28:08,230 --> 00:28:06,960  
fact that this is a nod towards sleep

668

00:28:13,830 --> 00:28:08,240  
paralysis

669

00:28:16,630 --> 00:28:13,840  
non-human intelligences the fact that

670

00:28:19,029 --> 00:28:16,640  
this detail is reported in many ufo

671

00:28:21,190 --> 00:28:19,039  
sightings might mean we shouldn't

672

00:28:25,669 --> 00:28:21,200  
dismiss the detail in abduction

673

00:28:30,470 --> 00:28:27,510  
perhaps one of the most intriguing

674

00:28:33,669 --> 00:28:30,480  
encounters of ufo paralysis occurred on

675

00:28:36,950 --> 00:28:33,679  
october 27 1973

676

00:28:38,950 --> 00:28:36,960

near rio glacos in argentina

677

00:28:41,669 --> 00:28:38,960

on the night in question at a little

678

00:28:44,789 --> 00:28:41,679

after midnight experienced truck driver

679

00:28:47,590 --> 00:28:44,799

dionysio lanka set out on a long

680

00:28:49,750 --> 00:28:47,600

distance hall he noticed there was a

681

00:28:52,389 --> 00:28:49,760

problem with the right rear tire of the

682

00:28:56,389 --> 00:28:52,399

truck but decided it would last at least

683

00:28:59,269 --> 00:28:56,399

part of the journey and he soon set off

684

00:29:01,830 --> 00:28:59,279

however around 45 minutes later he

685

00:29:04,149 --> 00:29:01,840

noticed the air pressure was much lower

686

00:29:06,789 --> 00:29:04,159

than he had anticipated

687

00:29:09,269 --> 00:29:06,799

at around 1 15 a.m he pulled the truck

688

00:29:11,669 --> 00:29:09,279

over to the side of the road and stepped

689

00:29:12,950 --> 00:29:11,679

out in order to attempt to replace the

690

00:29:15,350 --> 00:29:12,960

tire

691

00:29:17,510 --> 00:29:15,360

he gathered his necessary tools and

692

00:29:18,630 --> 00:29:17,520

walked to the right rear side of the

693

00:29:21,669 --> 00:29:18,640

truck

694

00:29:24,549 --> 00:29:21,679

a few moments later a sudden intense

695

00:29:26,630 --> 00:29:24,559

yellow light appeared ahead of him

696

00:29:28,310 --> 00:29:26,640

approximately at a distance of around a

697

00:29:30,470 --> 00:29:28,320

mile away

698

00:29:33,669 --> 00:29:30,480

and this is where his extraordinary

699

00:29:34,870 --> 00:29:33,679

story truly begins

700

00:29:36,950 --> 00:29:34,880

at first

701  
00:29:38,950 --> 00:29:36,960  
i thought the light was an approaching

702  
00:29:41,350 --> 00:29:38,960  
vehicle so i tried to ignore it working

703  
00:29:43,590 --> 00:29:41,360  
on the tire but the light just kept

704  
00:29:45,110 --> 00:29:43,600  
getting brighter and brighter i looked

705  
00:29:48,549 --> 00:29:45,120  
up again and i noticed that it went from

706  
00:29:51,029 --> 00:29:48,559  
yellow to blue than an intense hot white

707  
00:29:53,110 --> 00:29:51,039  
it was blinding i tried to stand up and

708  
00:29:55,990 --> 00:29:53,120  
cover my eyes but i couldn't i couldn't

709  
00:29:57,830 --> 00:29:56,000  
move my arms i couldn't stand up i was

710  
00:30:00,950 --> 00:29:57,840  
paralyzed

711  
00:30:03,269 --> 00:30:00,960  
the next thing lanka realized above him

712  
00:30:05,750 --> 00:30:03,279  
was some sort of craft

713  
00:30:08,310 --> 00:30:05,760

it looked like two inverted plates

714

00:30:09,909 --> 00:30:08,320

attached to one another creating a

715

00:30:12,470 --> 00:30:09,919

saucer shape

716

00:30:13,909 --> 00:30:12,480

it was suspended about 20 feet off the

717

00:30:16,630 --> 00:30:13,919

ground

718

00:30:17,750 --> 00:30:16,640

but this wasn't what scared lanka the

719

00:30:21,350 --> 00:30:17,760

most

720

00:30:23,110 --> 00:30:21,360

he could sense that someone or something

721

00:30:25,669 --> 00:30:23,120

was behind him

722

00:30:29,110 --> 00:30:25,679

he could see shadows of figures in front

723

00:30:30,310 --> 00:30:29,120

of him but lanka was stuck there unable

724

00:30:32,470 --> 00:30:30,320

to move

725

00:30:36,549 --> 00:30:32,480

that's when he began to yell out who's

726  
00:30:39,590 --> 00:30:36,559  
there who's behind me show yourself the

727  
00:30:43,110 --> 00:30:39,600  
shadows grew bigger as whoever it was

728  
00:30:46,070 --> 00:30:43,120  
now moved directly in front of lanka

729  
00:30:48,950 --> 00:30:46,080  
he was startled to see three figures one

730  
00:30:50,950 --> 00:30:48,960  
male and one female as they turned to

731  
00:30:53,110 --> 00:30:50,960  
face him they each were dressed in a

732  
00:30:53,990 --> 00:30:53,120  
tight-fitting single-piece gray overall

733  
00:30:55,750 --> 00:30:54,000  
suit

734  
00:30:57,350 --> 00:30:55,760  
they wore yellow boots and a pair of

735  
00:30:58,630 --> 00:30:57,360  
long gloves that reached the middle of

736  
00:30:59,990 --> 00:30:58,640  
their arms

737  
00:31:01,909 --> 00:31:00,000  
they appeared to be human but there was

738  
00:31:03,430 --> 00:31:01,919

something different about them their

739

00:31:05,830 --> 00:31:03,440

foreheads were slightly larger than

740

00:31:08,230 --> 00:31:05,840

normal and they had these elongated eyes

741

00:31:10,950 --> 00:31:08,240

that were almost black

742

00:31:13,669 --> 00:31:10,960

these humanoid beings remained standing

743

00:31:16,149 --> 00:31:13,679

there silently observing lanka for

744

00:31:18,549 --> 00:31:16,159

around five minutes

745

00:31:20,470 --> 00:31:18,559

he tried to communicate with them but

746

00:31:22,630 --> 00:31:20,480

they said nothing

747

00:31:24,870 --> 00:31:22,640

they just studied him

748

00:31:27,830 --> 00:31:24,880

then they began to communicate to one

749

00:31:29,430 --> 00:31:27,840

another but not in any language lanka

750

00:31:32,070 --> 00:31:29,440

could understand

751  
00:31:34,870 --> 00:31:32,080  
then one of the humanoids reached out

752  
00:31:37,269 --> 00:31:34,880  
and grabbed lanka's shirt collar

753  
00:31:39,750 --> 00:31:37,279  
i somehow lifted off the ground as if i

754  
00:31:41,509 --> 00:31:39,760  
was floating i tried to yell out but

755  
00:31:43,110 --> 00:31:41,519  
nothing happened another one of these

756  
00:31:45,590 --> 00:31:43,120  
being stepped forward and inserted some

757  
00:31:47,750 --> 00:31:45,600  
kind of small puncture device in my hand

758  
00:31:49,029 --> 00:31:47,760  
i i could see two puncture wounds slowly

759  
00:31:52,549 --> 00:31:49,039  
appear on my hand but i couldn't feel

760  
00:31:54,710 --> 00:31:52,559  
anything and then i blacked out

761  
00:31:55,830 --> 00:31:54,720  
it was around two hours later when he

762  
00:31:58,870 --> 00:31:55,840  
awoke

763  
00:32:00,389 --> 00:31:58,880

he found himself between two cars in the

764

00:32:02,950 --> 00:32:00,399

back of a field

765

00:32:05,669 --> 00:32:02,960

in bahia blanca

766

00:32:08,389 --> 00:32:05,679

this was around six miles from where he

767

00:32:10,950 --> 00:32:08,399

had stopped to change the tire

768

00:32:12,630 --> 00:32:10,960

he had no memory at all of how he had

769

00:32:15,110 --> 00:32:12,640

gotten there

770

00:32:16,149 --> 00:32:15,120

he got to his feet in an attempt to walk

771

00:32:19,269 --> 00:32:16,159

for help

772

00:32:22,789 --> 00:32:19,279

however after taking just a few steps he

773

00:32:25,110 --> 00:32:22,799

collapsed and blacked out

774

00:32:27,909 --> 00:32:25,120

he awoke a short time later and this

775

00:32:30,230 --> 00:32:27,919

time managed to make it onto the highway

776

00:32:31,509 --> 00:32:30,240

where a truck driver eventually spotted

777

00:32:33,590 --> 00:32:31,519

him

778

00:32:37,029 --> 00:32:33,600

he was taken to a police station where

779

00:32:39,909 --> 00:32:37,039

he was in turn taken to a local hospital

780

00:32:42,950 --> 00:32:39,919

he was discovered to have no significant

781

00:32:45,909 --> 00:32:42,960

injuries aside from a barely unnoticed

782

00:32:48,549 --> 00:32:45,919

abrasion on his left eyelid

783

00:32:52,070 --> 00:32:48,559

he was however in a severe state of

784

00:32:54,710 --> 00:32:52,080

distress and with an apparent fear of

785

00:32:56,549 --> 00:32:54,720

anyone touching him on the head

786

00:32:58,789 --> 00:32:56,559

lanka would then be transferred to

787

00:33:00,310 --> 00:32:58,799

another hospital where he would spend

788

00:33:03,350 --> 00:33:00,320

several days

789

00:33:06,070 --> 00:33:03,360

bizarrely on the morning of october 30th

790

00:33:07,990 --> 00:33:06,080

he awoke seemingly free of whatever had

791

00:33:10,310 --> 00:33:08,000

mentally gripped him

792

00:33:12,230 --> 00:33:10,320

he was informed that his truck had been

793

00:33:15,750 --> 00:33:12,240

found where he had pulled it to the side

794

00:33:17,350 --> 00:33:15,760

of the road in order to change the tire

795

00:33:19,509 --> 00:33:17,360

shortly after this

796

00:33:21,830 --> 00:33:19,519

so convinced that something truly

797

00:33:24,950 --> 00:33:21,840

strange had happened he would agree to

798

00:33:27,669 --> 00:33:24,960

be administered with sodium pentathol

799

00:33:28,789 --> 00:33:27,679

a chemical mixture that acts as a truth

800

00:33:30,950 --> 00:33:28,799

serum

801

00:33:32,950 --> 00:33:30,960

he would also agree to be put under

802

00:33:36,710 --> 00:33:32,960

hypnotic regression

803

00:33:39,190 --> 00:33:36,720

the results indeed would be fascinating

804

00:33:40,549 --> 00:33:39,200

i'm going up with these beings into a

805

00:33:42,789 --> 00:33:40,559

beam of light

806

00:33:44,389 --> 00:33:42,799

now i'm in a room with a single window

807

00:33:46,870 --> 00:33:44,399

there's all these strange technological

808

00:33:48,630 --> 00:33:46,880

devices around me there's this radio

809

00:33:51,029 --> 00:33:48,640

device that's talking to me in spanish

810

00:33:53,029 --> 00:33:51,039

it keeps telling me to not be afraid the

811

00:33:55,269 --> 00:33:53,039

next thing i know i'm between two cars

812

00:33:57,430 --> 00:33:55,279

back near the road again

813

00:33:59,990 --> 00:33:57,440

blanca would wrestle with the memories

814

00:34:02,789 --> 00:34:00,000

of that day for many years to come

815

00:34:05,269 --> 00:34:02,799

attempting to make sense of not only the

816

00:34:06,470 --> 00:34:05,279

experience itself but the feeling of

817

00:34:08,950 --> 00:34:06,480

helplessness

818

00:34:10,470 --> 00:34:08,960

when being paralyzed during the entire

819

00:34:12,950 --> 00:34:10,480

affair

820

00:34:13,990 --> 00:34:12,960

i have no idea what truly happened that

821

00:34:16,470 --> 00:34:14,000

night

822

00:34:18,629 --> 00:34:16,480

i know two things whatever that craft

823

00:34:21,510 --> 00:34:18,639

and those beings were they had complete

824

00:34:23,990 --> 00:34:21,520

control over me there was absolutely

825

00:34:25,349 --> 00:34:24,000

nothing i could do to stop them

826

00:34:27,109 --> 00:34:25,359

the second thing

827

00:34:28,790 --> 00:34:27,119

i truly wish i just kept driving that

828

00:34:30,629 --> 00:34:28,800

night with a bad tire

829

00:34:32,829 --> 00:34:30,639

it definitely would have been a risk i

830

00:34:36,149 --> 00:34:32,839

should have

831

00:34:39,669 --> 00:34:36,159

taken with all of these cases of

832

00:34:41,750 --> 00:34:39,679

supposed ufo parallelization we are left

833

00:34:44,710 --> 00:34:41,760

with many questions

834

00:34:47,030 --> 00:34:44,720

what might the reasons be for using such

835

00:34:48,550 --> 00:34:47,040

futuristic and highly advanced

836

00:34:51,190 --> 00:34:48,560

technology

837

00:34:53,270 --> 00:34:51,200

it doesn't appear to so much cause harm

838

00:34:55,109 --> 00:34:53,280

as in almost all people who find

839

00:34:58,710 --> 00:34:55,119

themselves in such a bizarre

840

00:35:00,470 --> 00:34:58,720

circumstance make a full recovery

841

00:35:03,030 --> 00:35:00,480

so here we are talking about a

842

00:35:06,390 --> 00:35:03,040

technology that seems to render all the

843

00:35:08,470 --> 00:35:06,400

muscles in the body completely useless

844

00:35:12,150 --> 00:35:08,480

which also allows the heart and

845

00:35:14,310 --> 00:35:12,160

respiratory system to be completely fine

846

00:35:17,030 --> 00:35:14,320

what's more this appears to wear off

847

00:35:20,870 --> 00:35:17,040

almost immediately as soon as the craft

848

00:35:22,950 --> 00:35:20,880

or occupants leave the area

849

00:35:25,589 --> 00:35:22,960

we might also notice how in many of the

850

00:35:27,750 --> 00:35:25,599

reports of paralysis and ufo close

851  
00:35:30,790 --> 00:35:27,760  
encounters witnesses would feel

852  
00:35:33,829 --> 00:35:30,800  
paralysis coming on before their vehicle

853  
00:35:35,349 --> 00:35:33,839  
slowed down if they were driving

854  
00:35:37,030 --> 00:35:35,359  
was this a case of the vehicle

855  
00:35:39,589 --> 00:35:37,040  
succumbing to whatever technology

856  
00:35:40,550 --> 00:35:39,599  
induced paralysis was used against the

857  
00:35:42,870 --> 00:35:40,560  
witness

858  
00:35:45,190 --> 00:35:42,880  
or might this have been a purposeful

859  
00:35:48,950 --> 00:35:45,200  
disabling of the respective vehicle for

860  
00:35:51,270 --> 00:35:48,960  
the safety of the paralyzed driver

861  
00:35:53,750 --> 00:35:51,280  
and what about the paralysis involved in

862  
00:35:56,310 --> 00:35:53,760  
alien abduction encounters

863  
00:35:59,030 --> 00:35:56,320

is this the same technology used in a

864

00:36:01,910 --> 00:35:59,040

more proactive way one used to

865

00:36:04,069 --> 00:36:01,920

incapacitate the abductee for ease

866

00:36:06,470 --> 00:36:04,079

as opposed to being used only in a

867

00:36:09,349 --> 00:36:06,480

defensive manner when a threat or

868

00:36:12,150 --> 00:36:09,359

discovery is sensed

869

00:36:13,990 --> 00:36:12,160

indeed are these two uses of this

870

00:36:16,390 --> 00:36:14,000

speculative technology the

871

00:36:19,750 --> 00:36:16,400

responsibility of the same alien

872

00:36:22,069 --> 00:36:19,760

intelligence or different ones

873

00:36:24,829 --> 00:36:22,079

could the cause of such paralysis

874

00:36:27,349 --> 00:36:24,839

actually be in the individual's own

875

00:36:29,270 --> 00:36:27,359

mind given that many accounts of close

876

00:36:31,750 --> 00:36:29,280

contact state that these apparent aliens

877

00:36:34,390 --> 00:36:31,760

have the ability to communicate using

878

00:36:38,710 --> 00:36:34,400

telepathy might they also understand the

879

00:36:40,950 --> 00:36:38,720

secrets to other workings of our brains

880

00:36:43,349 --> 00:36:40,960

might that explain the instant release

881

00:36:46,310 --> 00:36:43,359

from paralysis the vast majority of

882

00:36:49,109 --> 00:36:46,320

those who have experienced telov

883

00:36:51,829 --> 00:36:49,119

or might we also consider however

884

00:36:53,510 --> 00:36:51,839

unlikely that this technology is some

885

00:36:56,230 --> 00:36:53,520

kind of

886

00:36:58,550 --> 00:36:56,240

terrestrial invention

887

00:37:00,950 --> 00:36:58,560

one that is in at least one if not

888

00:37:02,710 --> 00:37:00,960

several military's hands

889

00:37:05,190 --> 00:37:02,720

it is certainly not that much of a

890

00:37:07,030 --> 00:37:05,200

stretch of the imagination to think that

891

00:37:09,990 --> 00:37:07,040

such a technology could indeed have been

892

00:37:12,870 --> 00:37:10,000

developed here on earth

893

00:37:15,910 --> 00:37:12,880

as with every different piece of the ufo

894

00:37:18,390 --> 00:37:15,920

jigsaw the study of this aspect of such

895

00:37:20,829 --> 00:37:18,400

close encounters simply throws up more

896

00:37:22,790 --> 00:37:20,839

questions that require

897

00:37:24,950 --> 00:37:22,800

answers

898

00:37:27,430 --> 00:37:24,960

there is no doubt that cases of

899

00:37:29,750 --> 00:37:27,440

temporary paralysis and close contact

900

00:37:31,510 --> 00:37:29,760

ufo sightings are more prevalent

901  
00:37:33,109 --> 00:37:31,520  
throughout history than we might first

902  
00:37:34,790 --> 00:37:33,119  
have thought

903  
00:37:37,190 --> 00:37:34,800  
and while it is a detail that many

904  
00:37:40,390 --> 00:37:37,200  
suggest belongs in the realms of science

905  
00:37:43,030 --> 00:37:40,400  
fiction it's one that ufo researchers

906  
00:37:45,190 --> 00:37:43,040  
investigators and clearly even the

907  
00:37:47,829 --> 00:37:45,200  
united states department of defense and

908  
00:37:50,069 --> 00:37:47,839  
pentagon can't ignore

909  
00:37:52,630 --> 00:37:50,079  
for the first time in more than 50 years

910  
00:37:55,750 --> 00:37:52,640  
congress held a hearing on unidentified

911  
00:37:57,510 --> 00:37:55,760  
flying objects better known as ufos

912  
00:37:59,750 --> 00:37:57,520  
pentagon officials testified yesterday

913  
00:38:02,069 --> 00:37:59,760

that reports of mysterious encounters in

914

00:38:03,829 --> 00:38:02,079

the sky are increasing approaching

915

00:38:06,630 --> 00:38:03,839

nearly 400.

916

00:38:07,990 --> 00:38:06,640

uaps are unexplained it's true

917

00:38:10,150 --> 00:38:08,000

but they are real

918

00:38:11,829 --> 00:38:10,160

they need to be investigated we want to

919

00:38:13,190 --> 00:38:11,839

know what's out there as much as you

920

00:38:15,510 --> 00:38:13,200

want to know what's out there i would

921

00:38:17,750 --> 00:38:15,520

simply say that there are a number of uh

922

00:38:19,750 --> 00:38:17,760

of events in which we do not have an

923

00:38:22,069 --> 00:38:19,760

explanation reports of sightings are

924

00:38:26,470 --> 00:38:22,079

frequent and continuing

925

00:38:29,430 --> 00:38:26,480

on may 17 2022 a congressional ufo

926  
00:38:31,510 --> 00:38:29,440  
hearing took place for the first time in

927  
00:38:33,670 --> 00:38:31,520  
almost 50 years

928  
00:38:36,870 --> 00:38:33,680  
ushering in further involvement of the

929  
00:38:39,190 --> 00:38:36,880  
u.s government with a ufo topic

930  
00:38:41,030 --> 00:38:39,200  
the hearing was conducted by the house

931  
00:38:43,750 --> 00:38:41,040  
of representatives permanent select

932  
00:38:46,230 --> 00:38:43,760  
committee on intelligence and featured

933  
00:38:49,510 --> 00:38:46,240  
two speakers ronald moultrie the

934  
00:38:52,470 --> 00:38:49,520  
pentagon's top intelligence official and

935  
00:38:54,150 --> 00:38:52,480  
scott bray deputy director of naval

936  
00:38:56,470 --> 00:38:54,160  
intelligence

937  
00:38:59,109 --> 00:38:56,480  
the goal of the hearing was to update

938  
00:39:02,310 --> 00:38:59,119

lawmakers on the progress made by a

939

00:39:06,230 --> 00:39:02,320

newly formed ufo task force

940

00:39:10,870 --> 00:39:06,240

the task force was set up after the 2021

941

00:39:14,310 --> 00:39:10,880

pentagon ufo report that documented 144

942

00:39:16,470 --> 00:39:14,320

ufo sightings by military pilots since

943

00:39:21,030 --> 00:39:16,480

2014

944

00:39:23,589 --> 00:39:21,040

only one of those cases was ever solved

945

00:39:27,589 --> 00:39:23,599

leaving a hefty amount of mystery and

946

00:39:31,270 --> 00:39:27,599

concern over what the other 143 cases

947

00:39:33,670 --> 00:39:31,280

truly were and what benefit or threat

948

00:39:35,190 --> 00:39:33,680

the technology being displayed could

949

00:39:38,310 --> 00:39:35,200

represent

950

00:39:41,270 --> 00:39:38,320

such technology if that is indeed what

951  
00:39:43,750 --> 00:39:41,280  
causes this temporary paralysis could in

952  
00:39:45,510 --> 00:39:43,760  
theory be used against humanity on a

953  
00:39:48,150 --> 00:39:45,520  
large scale

954  
00:39:51,109 --> 00:39:48,160  
whether by adversarial humans or

955  
00:39:54,550 --> 00:39:51,119  
possible alien visitors

956  
00:39:57,589 --> 00:39:54,560  
either way it would appear that we have

957  
00:39:59,750 --> 00:39:57,599  
no chance to defend ourselves against

958  
00:40:01,829 --> 00:39:59,760  
the technology that we simply don't

959  
00:40:04,790 --> 00:40:01,839  
understand

960  
00:40:08,829 --> 00:40:04,800  
these were just a handful of accounts of

961  
00:40:12,069 --> 00:40:08,839  
paralysis concerning ufos and close

962  
00:40:13,990 --> 00:40:12,079  
encounters many have most likely gone

963  
00:40:16,790 --> 00:40:14,000

unreported and while many of the

964

00:40:19,190 --> 00:40:16,800

accounts that we noted today appear to

965

00:40:21,910 --> 00:40:19,200

be a defense mechanism to avoid

966

00:40:25,190 --> 00:40:21,920

confrontation like anything else the

967

00:40:27,910 --> 00:40:25,200

same technology can be used for more

968

00:40:31,780 --> 00:40:27,920

malevolent purposes if in the wrong

969

00:40:44,309 --> 00:40:31,790

hands human or otherwise
