

SOMEWHERE IN THE SKIES

THE UFO BURN VICTIM

WITH DAVID MARLER

1
00:00:00,000 --> 00:00:09,589

[Music]

2
00:00:14,920 --> 00:00:12,470

this is somewhere in the skies with ryan

3
00:00:40,310 --> 00:00:14,930

spread

4
00:00:45,110 --> 00:00:42,470

hey guys ryan hopping in before this

5
00:00:47,430 --> 00:00:45,120

week's episode i'm currently working on

6
00:00:49,830 --> 00:00:47,440

some top secret projects that i should

7
00:00:52,150 --> 00:00:49,840

be able to share with you all very soon

8
00:00:54,389 --> 00:00:52,160

this has left me with very little time

9
00:00:56,950 --> 00:00:54,399

between my day job here in new york city

10
00:00:59,510 --> 00:00:56,960

in time to produce a new show this week

11
00:01:02,709 --> 00:00:59,520

so i decided to unlock one of our most

12
00:01:05,030 --> 00:01:02,719

popular patreon episodes to all of you

13
00:01:08,469 --> 00:01:05,040

this was an extended conversation with

14

00:01:10,950 --> 00:01:08,479

ufo researcher david marlar we chatted

15

00:01:13,350 --> 00:01:10,960

for over two hours over on the main

16

00:01:15,990 --> 00:01:13,360

podcast feed all about his work into

17

00:01:17,190 --> 00:01:16,000

researching the black triangle ufo

18

00:01:19,350 --> 00:01:17,200

phenomenon

19

00:01:21,270 --> 00:01:19,360

so if you haven't heard that episode i'd

20

00:01:23,990 --> 00:01:21,280

highly suggest checking it out it's

21

00:01:26,870 --> 00:01:24,000

number 203 in the archives

22

00:01:29,190 --> 00:01:26,880

but there was also one case that marlar

23

00:01:31,350 --> 00:01:29,200

personally investigated that always

24

00:01:34,950 --> 00:01:31,360

intrigued me and that was a little-known

25

00:01:37,190 --> 00:01:34,960

ufo incident in which a child was badly

26

00:01:39,350 --> 00:01:37,200

burned by a ufo

27

00:01:41,749 --> 00:01:39,360

martler hopped over to patreon to give

28

00:01:45,429 --> 00:01:41,759

us another half hour of his in-depth

29

00:01:48,550 --> 00:01:45,439

research on a case in 1964 in hobbes new

30

00:01:50,310 --> 00:01:48,560

mexico where charles keith davis a young

31

00:01:52,710 --> 00:01:50,320

boy at the time noticed something

32

00:01:55,990 --> 00:01:52,720

strange in the sky that seemed to be

33

00:01:58,389 --> 00:01:56,000

getting closer as this object ascended

34

00:01:59,590 --> 00:01:58,399

charles noticed a bright flame bursting

35

00:02:03,270 --> 00:01:59,600

from it

36

00:02:04,550 --> 00:02:03,280

soon he was entirely engulfed in a fiery

37

00:02:07,510 --> 00:02:04,560

blaze

38

00:02:09,990 --> 00:02:07,520

and that was only the beginning

39

00:02:12,949 --> 00:02:10,000

in this episode marlar walks us through

40

00:02:15,910 --> 00:02:12,959

the case and shares exclusive audio from

41

00:02:18,309 --> 00:02:15,920

the boy's grandmother marlar also shares

42

00:02:22,309 --> 00:02:18,319

exclusive audio from an interview he

43

00:02:23,910 --> 00:02:22,319

conducted with charles 57 years after

44

00:02:26,550 --> 00:02:23,920

that harrowing day

45

00:02:28,949 --> 00:02:26,560

i sincerely hope you enjoy this patreon

please go check that out over two hours

61

of just an incredible conversation with

62
00:03:22,309 --> 00:03:18,319
um one of the best ufo researchers out

63
00:03:23,990 --> 00:03:22,319

there today and he is actually giving us

64

00:03:27,030 --> 00:03:24,000

so much of his time tonight he's going

65

00:03:29,190 --> 00:03:27,040

to tell us about a very interesting case

66

00:03:32,070 --> 00:03:29,200

out of 1964

67

00:03:33,990 --> 00:03:32,080

that has uh physiological effects on a

68

00:03:36,309 --> 00:03:34,000

witness i'm going to bring them in right

69

00:03:38,470 --> 00:03:36,319

now for our patreon feed david welcome

70

00:03:40,869 --> 00:03:38,480

back to summer in the skies thank you

71

00:03:43,270 --> 00:03:40,879

ryan i appreciate it yeah this is a very

72

00:03:45,750 --> 00:03:43,280

interesting case uh this is one i read

73

00:03:47,750 --> 00:03:45,760

about years ago when i was really very

74

00:03:49,589 --> 00:03:47,760

young in the ufo field and just kind of

75

00:03:51,589 --> 00:03:49,599

trying to glamour onto anything i could

76

00:03:54,149 --> 00:03:51,599

in the way of information

77

00:03:57,110 --> 00:03:54,159

and actually apro the aerial phenomenon

78

00:04:00,869 --> 00:03:57,120

research organization uh did an article

79

00:04:04,149 --> 00:04:00,879

on this in their apro bulletin in 1964.

80

00:04:06,710 --> 00:04:04,159

and 64 was a pivotal year uh this

81

00:04:08,070 --> 00:04:06,720

occurred in hobbes new mexico which for

82

00:04:09,830 --> 00:04:08,080

those that have gone to roswell new

83

00:04:11,990 --> 00:04:09,840

mexico hobbs is even further to the

84

00:04:14,390 --> 00:04:12,000

southeast from roswell so it's really

85

00:04:17,990 --> 00:04:14,400

out in the middle of nowhere and

86

00:04:19,990 --> 00:04:18,000

this occurred on june 2nd 1964

87

00:04:22,550 --> 00:04:20,000

and what's intriguing about this is it

88

00:04:25,110 --> 00:04:22,560

just wasn't the sighting of a ufo it was

89

00:04:27,270 --> 00:04:25,120

the sighting in an apparent burn case

90

00:04:30,230 --> 00:04:27,280

where an eight-year-old boy who was the

91

00:04:33,670 --> 00:04:30,240

primary witness in this case was burned

92

00:04:37,350 --> 00:04:33,680

uh by flames that came from head to toe

93

00:04:38,230 --> 00:04:37,360

yet he was only burned from his jawline

94

00:04:40,390 --> 00:04:38,240

up

95

00:04:41,590 --> 00:04:40,400

and so i'll set the stage for this but i

96

00:04:42,629 --> 00:04:41,600

just want to kind of start off by

97

00:04:44,070 --> 00:04:42,639

letting you know what we're going to be

98

00:04:46,390 --> 00:04:44,080

talking about

99

00:04:48,950 --> 00:04:46,400

uh what's interesting about this though

100

00:04:50,950 --> 00:04:48,960

despite this uh severe nature of it it

101
00:04:53,510 --> 00:04:50,960
really wasn't investigated thoroughly

102
00:04:55,790 --> 00:04:53,520
other than an article written by uh

103
00:05:00,469 --> 00:04:55,800
coral and jim lorenzen with apro in

104
00:05:03,189 --> 00:05:00,479
1964. uh four years later one of my

105
00:05:05,270 --> 00:05:03,199
huge uh mentors if you will even though

106
00:05:07,749 --> 00:05:05,280
i never knew him because he died years

107
00:05:09,749 --> 00:05:07,759
before i was involved in ufos dr james

108
00:05:12,070 --> 00:05:09,759
mcdonald who i think is truly one of the

109
00:05:15,670 --> 00:05:12,080
the best ufo researchers that ever

110
00:05:18,550 --> 00:05:15,680
existed uh james mcdonald was getting

111
00:05:20,310 --> 00:05:18,560
interested in ufos in the mid 60s and

112
00:05:23,510 --> 00:05:20,320
started looking into some of these older

113
00:05:25,710 --> 00:05:23,520

cases and in 1968

114

00:05:27,270 --> 00:05:25,720

he had stumbled across this case from

115

00:05:30,390 --> 00:05:27,280

1964.

116

00:05:33,510 --> 00:05:30,400

uh i was able to get copies of some

117

00:05:36,469 --> 00:05:33,520

audio recordings he had done in 68 with

118

00:05:39,270 --> 00:05:36,479

the eight-year-old boy who is now 12

119

00:05:41,510 --> 00:05:39,280

and the mother and the grandmother

120

00:05:44,390 --> 00:05:41,520

now what's interesting is uh this is not

121

00:05:47,670 --> 00:05:44,400

just a solitary witness case uh the

122

00:05:50,310 --> 00:05:47,680

grandson the boy uh who was eight years

123

00:05:52,469 --> 00:05:50,320

old was burned and saw the object but so

124

00:05:54,629 --> 00:05:52,479

too did the grandmother who was only

125

00:05:56,950 --> 00:05:54,639

standing about eight to twelve feet away

126

00:05:59,909 --> 00:05:56,960

when this whole episode occurred

127

00:06:02,629 --> 00:05:59,919

now to set the stage uh hobbs new mexico

128

00:06:03,909 --> 00:06:02,639

you know very small mainstream america

129

00:06:06,150 --> 00:06:03,919

town

130

00:06:09,350 --> 00:06:06,160

the family owned a series of businesses

131

00:06:11,189 --> 00:06:09,360

in hobbs new mexico one of which was the

132

00:06:13,990 --> 00:06:11,199

local laundromat

133

00:06:16,150 --> 00:06:14,000

and in this particular case uh

134

00:06:18,550 --> 00:06:16,160

charles who is the name of the boy

135

00:06:21,590 --> 00:06:18,560

charles had just arrived there and he

136

00:06:22,790 --> 00:06:21,600

stated to me in later interviews that

137

00:06:24,070 --> 00:06:22,800

the the

138

00:06:25,749 --> 00:06:24,080

family businesses were kind of like a

139

00:06:27,189 --> 00:06:25,759

second home you know when the parents

140

00:06:29,270 --> 00:06:27,199

were working or grandparents were

141

00:06:30,790 --> 00:06:29,280

working he would just kind of hang out

142

00:06:33,749 --> 00:06:30,800

while they did their work after school

143

00:06:35,189 --> 00:06:33,759

or on weekends and he had arrived at the

144

00:06:41,670 --> 00:06:35,199

laundromat

145

00:06:44,150 --> 00:06:41,680

uh streets in hobbs new mexico

146

00:06:47,510 --> 00:06:44,160

immediately behind the laundromat was

147

00:06:49,430 --> 00:06:47,520

just a dirt parking lot and as charles

148

00:06:51,670 --> 00:06:49,440

told me even though there was the front

149

00:06:53,029 --> 00:06:51,680

door off the main street

150

00:06:54,550 --> 00:06:53,039

more often than not people would just

151

00:06:56,150 --> 00:06:54,560

pull into the back and go in the back

152

00:06:57,990 --> 00:06:56,160

entrance so

153

00:07:00,309 --> 00:06:58,000

charles is playing this is around

154

00:07:02,790 --> 00:07:00,319

roughly four in the afternoon and it was

155

00:07:06,309 --> 00:07:02,800

a nice sunny day uh in june in new

156

00:07:08,950 --> 00:07:06,319

mexico and he was playing when all of a

157

00:07:11,749 --> 00:07:08,960

sudden he looks up

158

00:07:14,469 --> 00:07:11,759

and he sees what he described as a black

159

00:07:16,390 --> 00:07:14,479

top shaped looking object

160

00:07:17,589 --> 00:07:16,400

kind of rounded on top and then pointed

161

00:07:18,870 --> 00:07:17,599

at the bottom

162

00:07:21,350 --> 00:07:18,880

and uh

163

00:07:23,749 --> 00:07:21,360

he looked at this and immediately knew

164

00:07:26,550 --> 00:07:23,759

this was something out of the ordinary

165

00:07:28,070 --> 00:07:26,560

and he said i instinctively felt like it

166

00:07:30,790 --> 00:07:28,080

was looking at me

167

00:07:33,510 --> 00:07:30,800

and i felt like i just had to move so

168

00:07:35,350 --> 00:07:33,520

he moved to the left the object which

169

00:07:37,909 --> 00:07:35,360

was hovering over a building across the

170

00:07:40,230 --> 00:07:37,919

alley from immediately behind the lot

171

00:07:42,390 --> 00:07:40,240

where he was playing uh moved to the

172

00:07:44,790 --> 00:07:42,400

left it mimicked his behavior

173

00:07:46,629 --> 00:07:44,800

he then moved to the right and then the

174

00:07:49,589 --> 00:07:46,639

object moved to the right it was like

175

00:07:51,589 --> 00:07:49,599

mirroring his behaviors he then crouched

176

00:07:54,710 --> 00:07:51,599

down behind a little concrete block that

177

00:07:57,110 --> 00:07:54,720

was there uh in the middle of the lot

178

00:07:58,550 --> 00:07:57,120

and then he stood up and moved to the

179

00:08:01,110 --> 00:07:58,560

left or right again

180

00:08:03,189 --> 00:08:01,120

at which point when he stood up the

181

00:08:04,790 --> 00:08:03,199

object moved towards him like a bullet

182

00:08:06,230 --> 00:08:04,800

as he described it

183

00:08:09,029 --> 00:08:06,240

instinctively

184

00:08:10,710 --> 00:08:09,039

he flinched and put his arms up and

185

00:08:12,869 --> 00:08:10,720

closed his eyes he said just

186

00:08:15,189 --> 00:08:12,879

instinctively it's like he said he even

187

00:08:16,469 --> 00:08:15,199

told me in my interview it's like if

188

00:08:17,670 --> 00:08:16,479

you're out in the street and you see a

189

00:08:19,830 --> 00:08:17,680

car coming and you know you don't have

190

00:08:21,270 --> 00:08:19,840

time to move you just instinctively kind

191

00:08:22,710 --> 00:08:21,280

of do this

192

00:08:24,550 --> 00:08:22,720

when he did this

193

00:08:26,550 --> 00:08:24,560

the object moved directly over his head

194

00:08:28,390 --> 00:08:26,560

about a foot above his head

195

00:08:30,390 --> 00:08:28,400

belched flames down

196

00:08:32,550 --> 00:08:30,400

which at this point the grandmother's

197

00:08:33,829 --> 00:08:32,560

attention was drawn to him she was

198

00:08:36,149 --> 00:08:33,839

standing in the back door of the

199

00:08:38,550 --> 00:08:36,159

laundromat and when the object moved at

200

00:08:40,790 --> 00:08:38,560

him like a bullet she heard a whooshing

201
00:08:42,230 --> 00:08:40,800
sound and that's what drew her attention

202
00:08:44,949 --> 00:08:42,240
to look out the back door of the

203
00:08:47,269 --> 00:08:44,959
laundromat where she saw her grandson

204
00:08:50,150 --> 00:08:47,279
with this object above him

205
00:08:51,590 --> 00:08:50,160
and helplessly she watched this

206
00:08:53,190 --> 00:08:51,600
rain of fire

207
00:08:55,750 --> 00:08:53,200
come belching out of the bottom of this

208
00:08:57,350 --> 00:08:55,760
object she described and this is what's

209
00:08:59,509 --> 00:08:57,360
interesting about the case is not only

210
00:09:02,870 --> 00:08:59,519
what happened but what didn't happen

211
00:09:04,470 --> 00:09:02,880
she described to mcdonald in 68 and in

212
00:09:06,710 --> 00:09:04,480
other news accounts because this was

213
00:09:09,509 --> 00:09:06,720

documented in the local newspapers

214

00:09:11,110 --> 00:09:09,519

that the fire came out and bathed him

215

00:09:12,949 --> 00:09:11,120

from head to toe

216

00:09:15,590 --> 00:09:12,959

and then the fire went back up into the

217

00:09:17,750 --> 00:09:15,600

object and the object took off and made

218

00:09:18,710 --> 00:09:17,760

another whooshing sound

219

00:09:20,710 --> 00:09:18,720

now

220

00:09:22,310 --> 00:09:20,720

as you can imagine the grandmother was

221

00:09:23,990 --> 00:09:22,320

shocked and horrified and even four

222

00:09:26,310 --> 00:09:24,000

years later you hear the guilt in her

223

00:09:28,550 --> 00:09:26,320

voice talking to dr james mcdonald

224

00:09:30,870 --> 00:09:28,560

because she didn't do anything to like

225

00:09:33,670 --> 00:09:30,880

protect him or save him from enduring

226
00:09:41,330 --> 00:09:33,680
this i looked out and my grandson was

227
00:09:45,509 --> 00:09:42,710
[Music]

228
00:09:47,509 --> 00:09:45,519
and it was right over his head was

229
00:09:49,829 --> 00:09:47,519
standing straight up

230
00:09:51,430 --> 00:09:49,839
and i was so astonished that i couldn't

231
00:09:54,310 --> 00:09:51,440
say anything

232
00:09:57,030 --> 00:09:54,320
i could see him and under this star

233
00:09:57,990 --> 00:09:57,040
this fire had him all covered to the

234
00:10:00,230 --> 00:09:58,000
ground

235
00:10:03,030 --> 00:10:00,240
and i could see him and under this car

236
00:10:04,710 --> 00:10:03,040
and and i could see him trying to say

237
00:10:06,710 --> 00:10:04,720
something and

238
00:10:08,310 --> 00:10:06,720

just a few minutes

239

00:10:10,470 --> 00:10:08,320

he screamed

240

00:10:12,310 --> 00:10:10,480

and this thing just

241

00:10:15,030 --> 00:10:12,320

like that and left

242

00:10:17,190 --> 00:10:15,040

and he ran to me and when he did the uh

243

00:10:19,990 --> 00:10:17,200

the outside of his

244

00:10:23,829 --> 00:10:20,000

flesh was falling off of his face

245

00:10:27,030 --> 00:10:23,839

and the hair was burned on his forehead

246

00:10:29,190 --> 00:10:27,040

uh so far up it had burned

247

00:10:30,150 --> 00:10:29,200

the top of his hair off

248

00:10:36,710 --> 00:10:30,160

and

249

00:10:39,509 --> 00:10:36,720

that was there with me uh said oh put

250

00:10:41,829 --> 00:10:39,519

some water on it and i said no but about

251
00:10:44,310 --> 00:10:41,839
that time uh

252
00:10:47,430 --> 00:10:44,320
i pulled him away from me he was locked

253
00:10:49,910 --> 00:10:47,440
around my waist and

254
00:10:51,269 --> 00:10:49,920
i said to him i said

255
00:10:52,470 --> 00:10:51,279
oh

256
00:10:55,590 --> 00:10:52,480
the skin

257
00:10:57,670 --> 00:10:55,600
was falling off of his face and so about

258
00:10:59,190 --> 00:10:57,680
that time

259
00:11:00,710 --> 00:10:59,200
his grandpa

260
00:11:05,030 --> 00:11:00,720
a grandfather

261
00:11:07,350 --> 00:11:05,040
my first husband uh drove up and i said

262
00:11:08,949 --> 00:11:07,360
a charles was burned real bad take him

263
00:11:16,230 --> 00:11:08,959

to the

264

00:11:18,790 --> 00:11:16,240

what's interesting about this is we

265

00:11:20,710 --> 00:11:18,800

don't just take this boy or now man's

266

00:11:23,509 --> 00:11:20,720

testimony at face value

267

00:11:26,069 --> 00:11:23,519

uh mcdonald interviewed you know the boy

268

00:11:28,790 --> 00:11:26,079

the grandmother and the mother four

269

00:11:30,710 --> 00:11:28,800

years after the event more importantly

270

00:11:32,870 --> 00:11:30,720

we have contemporaneous reports in the

271

00:11:35,670 --> 00:11:32,880

form of the newspaper articles which

272

00:11:37,750 --> 00:11:35,680

literally chronicled the whole episode

273

00:11:39,750 --> 00:11:37,760

from when it happened to the subsequent

274

00:11:40,949 --> 00:11:39,760

days and how his recovery was doing in

275

00:11:41,670 --> 00:11:40,959

the hospital

276

00:11:43,910 --> 00:11:41,680

so

277

00:11:45,750 --> 00:11:43,920

we have all of this well documented from

278

00:11:47,910 --> 00:11:45,760

the time period the other thing that's

279

00:11:50,870 --> 00:11:47,920

interesting is in the newspaper accounts

280

00:11:52,230 --> 00:11:50,880

the local police were investigating

281

00:11:54,629 --> 00:11:52,240

this case trying to figure out what

282

00:11:57,190 --> 00:11:54,639

happened you know did the grandmother

283

00:11:59,030 --> 00:11:57,200

abuse the boy what's going on did it

284

00:12:01,829 --> 00:11:59,040

really happen and what's interesting

285

00:12:04,230 --> 00:12:01,839

ryan is as you read the day by day play

286

00:12:06,629 --> 00:12:04,240

by play in the newspaper

287

00:12:09,190 --> 00:12:06,639

they start off very skeptical

288

00:12:10,790 --> 00:12:09,200

they think initially well maybe he was

289

00:12:12,710 --> 00:12:10,800

playing with matches

290

00:12:14,870 --> 00:12:12,720

well maybe he was near one of the air

291

00:12:17,110 --> 00:12:14,880

vents to the laundromat and a piece of

292

00:12:18,870 --> 00:12:17,120

lent that caught fire blew and hit his

293

00:12:20,550 --> 00:12:18,880

head they were trying like ufo

294

00:12:22,389 --> 00:12:20,560

investigators to find every practical

295

00:12:25,110 --> 00:12:22,399

explanation possible

296

00:12:26,790 --> 00:12:25,120

and at the end of this whole period of

297

00:12:29,910 --> 00:12:26,800

like a week week and a half of newspaper

298

00:12:32,069 --> 00:12:29,920

articles you see systematically all

299

00:12:33,269 --> 00:12:32,079

those prosaic explanations go by the

300

00:12:35,030 --> 00:12:33,279

wayside

301
00:12:37,110 --> 00:12:35,040
and they were left with a question mark

302
00:12:38,949 --> 00:12:37,120
they didn't know what happened but none

303
00:12:40,629 --> 00:12:38,959
of the other x they looked for matches

304
00:12:42,389 --> 00:12:40,639
they couldn't find any matches they

305
00:12:43,750 --> 00:12:42,399
looked to see was there any dryer vent

306
00:12:45,190 --> 00:12:43,760
stuff that blew out might have caught

307
00:12:47,750 --> 00:12:45,200
fire they couldn't find anything like

308
00:12:49,350 --> 00:12:47,760
that uh they looked for accelerant you

309
00:12:51,670 --> 00:12:49,360
know was he playing with gasoline and

310
00:12:54,310 --> 00:12:51,680
somehow set it up they couldn't find any

311
00:12:55,829 --> 00:12:54,320
accelerant another interesting uh

312
00:12:58,790 --> 00:12:55,839
insight that the newspaper accounts

313
00:12:59,990 --> 00:12:58,800

afford us is the fact that the fbi was

314

00:13:01,750 --> 00:13:00,000

called in

315

00:13:04,710 --> 00:13:01,760

and the fbi

316

00:13:05,590 --> 00:13:04,720

uh had the skin scrapings of the boy's

317

00:13:06,389 --> 00:13:05,600

skin

318

00:13:08,710 --> 00:13:06,399

hair

319

00:13:10,790 --> 00:13:08,720

his t-shirt that he wore and the

320

00:13:12,310 --> 00:13:10,800

grandmothers there's different accounts

321

00:13:14,710 --> 00:13:12,320

one says her blouse the other one says

322

00:13:17,190 --> 00:13:14,720

an apron she was wearing but whatever

323

00:13:19,190 --> 00:13:17,200

she was wearing where he made con direct

324

00:13:21,269 --> 00:13:19,200

contact immediately after

325

00:13:22,710 --> 00:13:21,279

they they took that as well

326

00:13:25,030 --> 00:13:22,720

and it was sent off to the fbi

327

00:13:27,829 --> 00:13:25,040

laboratories for analysis

328

00:13:29,829 --> 00:13:27,839

in 1968 the mother with a lot of

329

00:13:31,829 --> 00:13:29,839

consternation in her voice said you know

330

00:13:34,069 --> 00:13:31,839

the fbi never did get back with us and

331

00:13:35,670 --> 00:13:34,079

tell us anything and my grandmother was

332

00:13:37,829 --> 00:13:35,680

mad because she never did get her blouse

333

00:13:38,710 --> 00:13:37,839

back

334

00:13:43,030 --> 00:13:38,720

so

335

00:13:45,350 --> 00:13:43,040

long story short i ran across these

336

00:13:47,670 --> 00:13:45,360

recordings and without going into a lot

337

00:13:49,430 --> 00:13:47,680

of detail i was able to track down the

338

00:13:51,910 --> 00:13:49,440

eight-year-old boy

339

00:13:54,310 --> 00:13:51,920

he actually changed his name nothing to

340

00:13:56,389 --> 00:13:54,320

do with the ufo case but his mother

341

00:13:59,430 --> 00:13:56,399

later remarried and then he took on his

342

00:14:01,269 --> 00:13:59,440

adopted father's name so nothing nothing

343

00:14:03,030 --> 00:14:01,279

nefarious nothing to do with a ufo

344

00:14:04,790 --> 00:14:03,040

cover-up or anything like that

345

00:14:06,870 --> 00:14:04,800

but i was able to track him down after

346

00:14:08,870 --> 00:14:06,880

realizing this after kind of piecing

347

00:14:11,030 --> 00:14:08,880

together different elements and i was

348

00:14:12,870 --> 00:14:11,040

able to find him he still lives in south

349

00:14:14,310 --> 00:14:12,880

the southwest portion of the united

350

00:14:18,629 --> 00:14:14,320

states

351

00:14:20,870 --> 00:14:18,639

and i uh interviewed him repeatedly uh

352

00:14:23,670 --> 00:14:20,880

he has a a a business in the town where

353

00:14:25,670 --> 00:14:23,680

he lives uh he's an upstanding citizen

354

00:14:27,509 --> 00:14:25,680

uh you know he's well known within the

355

00:14:29,990 --> 00:14:27,519

community although he's never publicly

356

00:14:31,189 --> 00:14:30,000

talked about any of this

357

00:14:33,430 --> 00:14:31,199

and then

358

00:14:36,629 --> 00:14:33,440

i've gotten to know his wife as well

359

00:14:38,470 --> 00:14:36,639

and his wife and he both told me

360

00:14:39,750 --> 00:14:38,480

until you came along

361

00:14:42,230 --> 00:14:39,760

my wife

362

00:14:43,910 --> 00:14:42,240

has never heard this whole story she

363

00:14:45,350 --> 00:14:43,920

knew about it after we had been dating

364

00:14:47,990 --> 00:14:45,360

and we knew we were going to get married

365

00:14:49,350 --> 00:14:48,000

i eventually told her about it and she

366

00:14:50,710 --> 00:14:49,360

would always periodically say do you

367

00:14:52,230 --> 00:14:50,720

want to tell me more about what happened

368

00:14:54,230 --> 00:14:52,240

in 64 do you want to talk about that

369

00:14:56,790 --> 00:14:54,240

incident and he said no never he goes

370

00:14:57,590 --> 00:14:56,800

it's not until you came to talk about

371

00:14:59,910 --> 00:14:57,600

this

372

00:15:01,670 --> 00:14:59,920

that she's finally heard the full story

373

00:15:03,430 --> 00:15:01,680

and then subsequent to that i found all

374

00:15:05,670 --> 00:15:03,440

the newspaper articles which they didn't

375

00:15:08,470 --> 00:15:05,680

have and i found a lot of additional

376

00:15:11,750 --> 00:15:08,480

information i filed a foia request with

377

00:15:14,949 --> 00:15:11,760

the fbi relative to the fbi laboratory

378

00:15:17,030 --> 00:15:14,959

analysis of what they collected and i

379

00:15:19,350 --> 00:15:17,040

immediately got a letter of reply back

380

00:15:21,509 --> 00:15:19,360

stating that because it involves

381

00:15:23,509 --> 00:15:21,519

third-party individuals and privacy

382

00:15:24,790 --> 00:15:23,519

issues i could not request that

383

00:15:26,949 --> 00:15:24,800

information

384

00:15:29,189 --> 00:15:26,959

so i sat there for all of 10 seconds and

385

00:15:31,990 --> 00:15:29,199

thought okay well i know the guy who had

386

00:15:34,150 --> 00:15:32,000

happened to so i redrafted the foia in

387

00:15:36,310 --> 00:15:34,160

his name sent it to him and he said

388

00:15:38,710 --> 00:15:36,320

charles and i call him chuck he goes by

389

00:15:40,389 --> 00:15:38,720

chuck um i said chuck do you mind

390

00:15:41,990 --> 00:15:40,399

resubmitting this in your name because

391

00:15:44,710 --> 00:15:42,000

they can't say it's third party and we

392

00:15:47,269 --> 00:15:44,720

can't release it so he submitted that uh

393

00:15:48,870 --> 00:15:47,279

right before kovid and we don't know

394

00:15:50,389 --> 00:15:48,880

where they're at with foia request right

395

00:15:52,150 --> 00:15:50,399

now because of covet so we don't know if

396

00:15:54,150 --> 00:15:52,160

it's just tied up in red tape if it's in

397

00:15:56,550 --> 00:15:54,160

the queue and they'll eventually get to

398

00:15:58,069 --> 00:15:56,560

it but he did resubmit that in his name

399

00:16:03,749 --> 00:15:58,079

it'd be really interesting if we found

400

00:16:09,590 --> 00:16:06,230

see

418

00:16:49,509 --> 00:16:47,920

[Music]

419

00:16:51,670 --> 00:16:49,519

your audience is sitting there thinking

420

00:16:53,189 --> 00:16:51,680

well dave said the police investigated i

421

00:16:55,829 --> 00:16:53,199

also consulted with the hobbes new

422

00:16:57,670 --> 00:16:55,839

mexico police department oh okay i have

423

00:16:59,670 --> 00:16:57,680

to tell you they were extremely

424

00:17:01,110 --> 00:16:59,680

professional regardless of what i was

425

00:17:03,910 --> 00:17:01,120

asking for you know being involved in

426

00:17:06,069 --> 00:17:03,920

ufo research they were it was all via

427

00:17:07,829 --> 00:17:06,079

email and phone but they were extremely

428

00:17:09,590 --> 00:17:07,839

polite and respectful and they said you

429

00:17:12,549 --> 00:17:09,600

know dave when did that happen i said

430

00:17:15,669 --> 00:17:12,559

what happened in 1964 june 2nd 1964 they

431

00:17:17,750 --> 00:17:15,679

said well we have some historic records

432

00:17:18,870 --> 00:17:17,760

going back uh but we don't know how far

433

00:17:20,549 --> 00:17:18,880

back they go

434

00:17:22,710 --> 00:17:20,559

and we also have some old ones on

435

00:17:23,990 --> 00:17:22,720

microfilm but they were very kind and

436

00:17:26,230 --> 00:17:24,000

they checked and they said you know dave

437

00:17:27,669 --> 00:17:26,240

we did go through our microfilm holdings

438

00:17:30,390 --> 00:17:27,679

we don't have anything that goes back

439

00:17:32,950 --> 00:17:30,400

even close to 1964. so but they did

440

00:17:34,310 --> 00:17:32,960

check which was at least nice and i was

441

00:17:36,070 --> 00:17:34,320

going to check with the hospital and

442

00:17:37,590 --> 00:17:36,080

actually i did call

443

00:17:39,830 --> 00:17:37,600

i work in healthcare i've been in

444

00:17:42,070 --> 00:17:39,840

healthcare for over 20 years i know what

445

00:17:43,590 --> 00:17:42,080

the record retention laws are today with

446

00:17:45,350 --> 00:17:43,600

regard to medical retention and you're

447

00:17:48,710 --> 00:17:45,360

lucky if they keep anything beyond 10

448

00:17:50,070 --> 00:17:48,720

years let alone this span of time but

449

00:17:51,669 --> 00:17:50,080

they didn't know who i was and i just

450

00:17:54,150 --> 00:17:51,679

called and i said i have i'm calling on

451

00:17:56,789 --> 00:17:54,160

behalf of a friend who had a

452

00:17:58,549 --> 00:17:56,799

a bad accident back in 1964 and i was

453

00:18:00,070 --> 00:17:58,559

just curious who he had any i had to at

454

00:18:02,070 --> 00:18:00,080

least call to say i did it otherwise i'm

455

00:18:03,669 --> 00:18:02,080

not a good researcher and they kind of

456

00:18:06,070 --> 00:18:03,679

almost laughed and no we don't have

457

00:18:07,669 --> 00:18:06,080

records going back that far so i did

458

00:18:10,630 --> 00:18:07,679

consult with the hospital as well so our

459

00:18:13,430 --> 00:18:10,640

best our best case scenario is if we can

460

00:18:15,110 --> 00:18:13,440

get the fbi laboratory results and not

461

00:18:16,549 --> 00:18:15,120

that it may tell us much other than well

462

00:18:18,310 --> 00:18:16,559

it was burned there was no accelerant

463

00:18:20,470 --> 00:18:18,320

detected but at least it's one more

464

00:18:21,510 --> 00:18:20,480

piece of validation that the fbi was

465

00:18:24,470 --> 00:18:21,520

involved

466

00:18:26,950 --> 00:18:24,480

beyond exactly charles remembers the fbi

467

00:18:28,310 --> 00:18:26,960

being there uh as he said you know when

468

00:18:30,789 --> 00:18:28,320

you're eight years old and you're in the

469

00:18:32,230 --> 00:18:30,799

hospital and you know these these these

470

00:18:34,150 --> 00:18:32,240

government guys come in and they've got

471

00:18:36,150 --> 00:18:34,160

you know sidearms he goes when you're

472

00:18:37,270 --> 00:18:36,160

eight years old that's cool he goes you

473

00:18:41,350 --> 00:18:37,280

remember

474

00:18:43,430 --> 00:18:41,360

and he also said that he felt like the

475

00:18:45,510 --> 00:18:43,440

fbi treated him uh with a little bit

476

00:18:47,029 --> 00:18:45,520

more respect and less skepticism than

477

00:18:48,789 --> 00:18:47,039

the local police did which i thought was

478

00:18:50,470 --> 00:18:48,799

an interesting observation for an

479

00:18:53,270 --> 00:18:50,480

eight-year-old to kind of pick up on

480

00:18:55,029 --> 00:18:53,280

that remember it but um he's never

481

00:18:57,430 --> 00:18:55,039

talked about this publicly since it

482

00:18:58,870 --> 00:18:57,440

happened he really just wanted to move

483

00:18:59,830 --> 00:18:58,880

on with his life

484

00:19:01,669 --> 00:18:59,840

he

485

00:19:03,190 --> 00:19:01,679

and i have to emphasize this again for

486

00:19:05,510 --> 00:19:03,200

the skeptics out there

487

00:19:07,830 --> 00:19:05,520

did not believe in ufos before

488

00:19:10,230 --> 00:19:07,840

did not think this was a ufo other than

489

00:19:11,990 --> 00:19:10,240

a true unidentified flying object and

490

00:19:13,590 --> 00:19:12,000

even today would not consider himself a

491

00:19:15,350 --> 00:19:13,600

ufo believer

492

00:19:16,870 --> 00:19:15,360

he and his family were devout

493

00:19:19,190 --> 00:19:16,880

pentecostals

494

00:19:21,590 --> 00:19:19,200

back in 1964. i think that's very

495

00:19:23,190 --> 00:19:21,600

important these are not the people that

496

00:19:24,870 --> 00:19:23,200

are going to concoct the ufo story this

497

00:19:26,470 --> 00:19:24,880

is the furthest thing probably from

498

00:19:28,950 --> 00:19:26,480

their reality

499

00:19:30,390 --> 00:19:28,960

um and so again they were upstanding

500

00:19:32,470 --> 00:19:30,400

business people they had multiple

501
00:19:33,669 --> 00:19:32,480
businesses there's no reason that they

502
00:19:35,750 --> 00:19:33,679
would want to do this to ruin their

503
00:19:36,549 --> 00:19:35,760
reputation by concocting a story like

504
00:19:37,350 --> 00:19:36,559
this

505
00:19:43,110 --> 00:19:37,360
um

506
00:19:44,950 --> 00:19:43,120
james mcdonald followed up on it and

507
00:19:46,789 --> 00:19:44,960
then kind of following in his footsteps

508
00:19:49,029 --> 00:19:46,799
i wanted to track this guy down years

509
00:19:50,390 --> 00:19:49,039
later one because other than mcdonald

510
00:19:52,630 --> 00:19:50,400
doing phone interviews that was the

511
00:19:54,710 --> 00:19:52,640
extent of the investigation and even

512
00:19:56,710 --> 00:19:54,720
coral and jim lorenzo with apro

513
00:19:58,470 --> 00:19:56,720

they never made a trip to hobbs so it

514

00:19:59,510 --> 00:19:58,480

was all done by phone

515

00:20:01,590 --> 00:19:59,520

and so

516

00:20:03,190 --> 00:20:01,600

how could you not investigate this case

517

00:20:05,350 --> 00:20:03,200

i mean it's physical evidence of

518

00:20:06,390 --> 00:20:05,360

something very traumatic occurring

519

00:20:08,230 --> 00:20:06,400

and so

520

00:20:09,830 --> 00:20:08,240

uh i went to the university of new

521

00:20:11,669 --> 00:20:09,840

mexico where i do a lot of historical

522

00:20:13,270 --> 00:20:11,679

research they have exhaustive microfilm

523

00:20:16,390 --> 00:20:13,280

holdings for newspapers that aren't

524

00:20:18,630 --> 00:20:16,400

digitized one of those are the hobbs new

525

00:20:19,990 --> 00:20:18,640

mexico newspapers which gave me all

526

00:20:22,310 --> 00:20:20,000

these additional details and

527

00:20:24,230 --> 00:20:22,320

verification in addition to some other

528

00:20:26,870 --> 00:20:24,240

newspapers from the regional area the

529

00:20:28,950 --> 00:20:26,880

county newspaper and even there were as

530

00:20:30,630 --> 00:20:28,960

the reports went as far as lubbock and

531

00:20:31,590 --> 00:20:30,640

odessa texas where i found some

532

00:20:32,830 --> 00:20:31,600

additional

533

00:20:34,789 --> 00:20:32,840

references

534

00:20:37,590 --> 00:20:34,799

um but

535

00:20:40,549 --> 00:20:37,600

despite the fact he was covered in fire

536

00:20:42,950 --> 00:20:40,559

he was only burned from the jawline up

537

00:20:44,950 --> 00:20:42,960

uh there was slight redness to his neck

538

00:20:47,990 --> 00:20:44,960

in in the back but not severe it was

539

00:20:50,470 --> 00:20:48,000

more like a sunburn but uh the newspaper

540

00:20:53,430 --> 00:20:50,480

accounts uh state that he had suffered

541

00:20:55,990 --> 00:20:53,440

second-degree burns um the mother

542

00:20:57,669 --> 00:20:56,000

grandmother and boy attested to the fact

543

00:21:00,149 --> 00:20:57,679

in 68 that it was second and third

544

00:21:01,590 --> 00:21:00,159

degree burns and even today charles says

545

00:21:02,470 --> 00:21:01,600

well it was second and third degree

546

00:21:04,310 --> 00:21:02,480

burns

547

00:21:06,470 --> 00:21:04,320

the most bizarre thing is despite being

548

00:21:07,909 --> 00:21:06,480

bathed head to toe he only had the

549

00:21:09,590 --> 00:21:07,919

injuries here

550

00:21:11,669 --> 00:21:09,600

it's interesting because the

551
00:21:14,310 --> 00:21:11,679
descriptions in the newspaper

552
00:21:16,549 --> 00:21:14,320
mirror what james mcdonald was told by

553
00:21:18,310 --> 00:21:16,559
the the grandmother and the mother

554
00:21:20,149 --> 00:21:18,320
they said his ears were so severely

555
00:21:21,990 --> 00:21:20,159
burned they were turned inside out and

556
00:21:25,029 --> 00:21:22,000
looked like ground beef

557
00:21:27,029 --> 00:21:25,039
his lips were swelled and burned and his

558
00:21:29,270 --> 00:21:27,039
face had swelled up so bad you couldn't

559
00:21:31,510 --> 00:21:29,280
even see his eyes they were sunken in

560
00:21:33,990 --> 00:21:31,520
because the face had swelled so bad

561
00:21:35,750 --> 00:21:34,000
and so i mean severe injuries

562
00:21:37,750 --> 00:21:35,760
but the most bizarre thing and again

563
00:21:39,669 --> 00:21:37,760

documented in the newspapers from the

564

00:21:41,430 --> 00:21:39,679

time i mean this is all confirmed we're

565

00:21:42,830 --> 00:21:41,440

not taking the witnesses

566

00:21:45,830 --> 00:21:42,840

despite this

567

00:21:47,590 --> 00:21:45,840

craziness these inconsistencies adding

568

00:21:49,590 --> 00:21:47,600

to the inconsistencies of the fact he

569

00:21:51,510 --> 00:21:49,600

had no permanent scarring

570

00:21:54,070 --> 00:21:51,520

wow

571

00:21:57,190 --> 00:21:54,080

some sort of deformity right oh

572

00:21:59,270 --> 00:21:57,200

deformity i when i first met the man in

573

00:22:00,390 --> 00:21:59,280

you know we talked the whole time i'm

574

00:22:01,750 --> 00:22:00,400

doing the initial interview and i've

575

00:22:02,789 --> 00:22:01,760

interviewed him like three or four times

576

00:22:04,710 --> 00:22:02,799

now

577

00:22:06,710 --> 00:22:04,720

the the whole time i'm just sitting

578

00:22:09,029 --> 00:22:06,720

there and i'm like scanning his head his

579

00:22:10,149 --> 00:22:09,039

face his ears his lips i mean looking at

580

00:22:11,909 --> 00:22:10,159

his neck

581

00:22:13,590 --> 00:22:11,919

and i'm like and i finally said at one

582

00:22:15,350 --> 00:22:13,600

point on the videotaped interview

583

00:22:17,510 --> 00:22:15,360

because it started with audio interviews

584

00:22:19,669 --> 00:22:17,520

and then i i built a trust now i'm happy

585

00:22:21,830 --> 00:22:19,679

to say now i'm very good friends with

586

00:22:23,590 --> 00:22:21,840

him and his wife as is my wife who went

587

00:22:25,669 --> 00:22:23,600

down to do help assist with the

588

00:22:27,430 --> 00:22:25,679

interviews um

589

00:22:29,029 --> 00:22:27,440

he

590

00:22:31,750 --> 00:22:29,039

can't explain it

591

00:22:32,950 --> 00:22:31,760

i'm charles keith davis from hobbs new

592

00:22:35,190 --> 00:22:32,960

mexico

593

00:22:38,470 --> 00:22:35,200

and in 1964

594

00:22:40,870 --> 00:22:38,480

i encountered a strange object

595

00:22:42,149 --> 00:22:40,880

during daylight hours at my grandparents

596

00:22:44,789 --> 00:22:42,159

laundry mat

597

00:22:46,630 --> 00:22:44,799

that appeared over

598

00:22:47,990 --> 00:22:46,640

some apartment buildings

599

00:22:51,029 --> 00:22:48,000

that

600

00:22:51,909 --> 00:22:51,039

was in the shape of a top

601
00:22:54,950 --> 00:22:51,919
that

602
00:22:57,110 --> 00:22:54,960
was been described as a ufo or whatever

603
00:22:57,990 --> 00:22:57,120
you want to describe it but

604
00:23:00,870 --> 00:22:58,000
it

605
00:23:03,029 --> 00:23:00,880
followed me and

606
00:23:05,430 --> 00:23:03,039
swooped on my body and gave me second

607
00:23:07,750 --> 00:23:05,440
and third degree burns on my face

608
00:23:09,270 --> 00:23:07,760
my grandmother witnessed part of it

609
00:23:10,789 --> 00:23:09,280
brady smith

610
00:23:12,630 --> 00:23:10,799
and

611
00:23:14,630 --> 00:23:12,640
i don't know what it was

612
00:23:16,149 --> 00:23:14,640
i just know that i encountered something

613
00:23:18,549 --> 00:23:16,159

very unusual

614

00:23:19,350 --> 00:23:18,559

that we've kind of kept under the closet

615

00:23:23,270 --> 00:23:19,360

for

616

00:23:25,110 --> 00:23:23,280

55 years and uh up until dave came we

617

00:23:26,950 --> 00:23:25,120

haven't talked about it much it's kind

618

00:23:28,630 --> 00:23:26,960

of been like i'm not going to say a

619

00:23:29,830 --> 00:23:28,640

family secret but there's so many

620

00:23:31,590 --> 00:23:29,840

skeptics

621

00:23:33,110 --> 00:23:31,600

out there that it's not something you

622

00:23:34,710 --> 00:23:33,120

want to talk about

623

00:23:36,870 --> 00:23:34,720

and

624

00:23:37,990 --> 00:23:36,880

if you ask me what it is or what it was

625

00:23:40,230 --> 00:23:38,000

i don't know

626
00:23:42,310 --> 00:23:40,240
i just know it wasn't something you see

627
00:23:44,070 --> 00:23:42,320
every day or i've ever seen in my

628
00:23:45,669 --> 00:23:44,080
lifetime again

629
00:23:48,470 --> 00:23:45,679
if it was

630
00:23:49,430 --> 00:23:48,480
domestic or from outer space i have no

631
00:23:54,710 --> 00:23:49,440
idea

632
00:23:57,350 --> 00:23:54,720
it it swooped toward me

633
00:23:59,110 --> 00:23:57,360
engulfed my body when it left i had

634
00:24:01,669 --> 00:23:59,120
second and third degree burns from my

635
00:24:03,029 --> 00:24:01,679
face up i i just remember feeling

636
00:24:06,789 --> 00:24:03,039
engulfed

637
00:24:09,190 --> 00:24:06,799
i don't remember feeling it burning me

638
00:24:11,750 --> 00:24:09,200

the best i could describe it's in golf

639

00:24:14,230 --> 00:24:11,760

and maybe you're gasping for air because

640

00:24:16,070 --> 00:24:14,240

you have a lack of oxygen i just knew

641

00:24:17,190 --> 00:24:16,080

when it engulfed me something was wrong

642

00:24:18,870 --> 00:24:17,200

real wrong

643

00:24:21,269 --> 00:24:18,880

you don't have any excuse my dumb

644

00:24:24,390 --> 00:24:21,279

terminology not regular wrong but

645

00:24:26,310 --> 00:24:24,400

serious wrong right and i needed to get

646

00:24:28,470 --> 00:24:26,320

out of this involvement though

647

00:24:30,390 --> 00:24:28,480

and i just remember like somebody

648

00:24:32,149 --> 00:24:30,400

grabbed me but nobody was grabbing me i

649

00:24:33,750 --> 00:24:32,159

was just

650

00:24:34,630 --> 00:24:33,760

yeah i was in golf

651
00:24:37,990 --> 00:24:34,640
and

652
00:24:39,909 --> 00:24:38,000
there was an immediate panic

653
00:24:43,110 --> 00:24:39,919
but in hindsight

654
00:24:44,630 --> 00:24:43,120
and i'm being very sincere

655
00:24:46,710 --> 00:24:44,640
i think i would have

656
00:24:49,269 --> 00:24:46,720
so i knew something was wrong

657
00:24:51,190 --> 00:24:49,279
when it poof right you know you know

658
00:24:51,990 --> 00:24:51,200
something's wrong right

659
00:24:53,750 --> 00:24:52,000
but

660
00:24:55,909 --> 00:24:53,760
when it actually got me something was

661
00:24:58,310 --> 00:24:55,919
real wrong i don't know how to describe

662
00:25:01,510 --> 00:24:58,320
that i don't think i felt the sense that

663
00:25:03,430 --> 00:25:01,520

i was gonna die but i felt the sense i

664

00:25:05,990 --> 00:25:03,440

had to get away from it since

665

00:25:08,470 --> 00:25:06,000

now i had to get away now yeah or it was

666

00:25:10,630 --> 00:25:08,480

going to be tragic okay but i felt no

667

00:25:12,070 --> 00:25:10,640

pain i saw no fire

668

00:25:40,149 --> 00:25:12,080

i

669

00:25:43,110 --> 00:25:40,159

there's no answers any more than we have

670

00:25:45,590 --> 00:25:43,120

the day that the occurrence occurred

671

00:25:47,590 --> 00:25:45,600

i i asked him i said chuck i said to

672

00:25:49,750 --> 00:25:47,600

look at you today and to hear your

673

00:25:52,390 --> 00:25:49,760

description of what transpired in 64 i

674

00:25:53,590 --> 00:25:52,400

said how do you account for no injuries

675

00:25:56,149 --> 00:25:53,600

no scars

676

00:25:57,990 --> 00:25:56,159

and his his answer is it's just typical

677

00:25:59,190 --> 00:25:58,000

chuck if you get to know him he's like

678

00:26:01,269 --> 00:25:59,200

the only thing i can tell you is the

679

00:26:03,510 --> 00:26:01,279

strangest things are true all these

680

00:26:06,230 --> 00:26:03,520

years he and his family amongst

681

00:26:07,990 --> 00:26:06,240

themselves labored under the idea that

682

00:26:10,710 --> 00:26:08,000

whatever this thing was

683

00:26:12,789 --> 00:26:10,720

it must have been some military craft

684

00:26:15,350 --> 00:26:12,799

that went off course from white sands

685

00:26:16,470 --> 00:26:15,360

proving ground and somehow inadvertently

686

00:26:18,549 --> 00:26:16,480

burned him

687

00:26:20,549 --> 00:26:18,559

that was pretty much how they resolved

688

00:26:21,990 --> 00:26:20,559

it in their mind and they just

689

00:26:24,549 --> 00:26:22,000

made peace with it and moved on with

690

00:26:26,630 --> 00:26:24,559

their lives and he told me

691

00:26:28,710 --> 00:26:26,640

and this is a whole other another show i

692

00:26:29,909 --> 00:26:28,720

guess ryan this is what i guess we call

693

00:26:32,230 --> 00:26:29,919

a teaser

694

00:26:34,230 --> 00:26:32,240

in investigating that case because it

695

00:26:37,190 --> 00:26:34,240

was so compelling and the witness still

696

00:26:38,789 --> 00:26:37,200

after decades later is still

697

00:26:41,110 --> 00:26:38,799

going by their story

698

00:26:42,390 --> 00:26:41,120

and the details i might add the details

699

00:26:44,549 --> 00:26:42,400

he gave me

700

00:26:46,230 --> 00:26:44,559

matched what macdonald had noted and

701
00:26:48,230 --> 00:26:46,240
matched with the lorenzens that noted

702
00:26:50,470 --> 00:26:48,240
there was no deviation in the reports it

703
00:26:51,990 --> 00:26:50,480
was still consistent

704
00:26:54,630 --> 00:26:52,000
but what was interesting is the fact

705
00:26:57,669 --> 00:26:54,640
that you know as as i'm interviewing him

706
00:26:59,510 --> 00:26:57,679
and talking to him uh i started to think

707
00:27:01,190 --> 00:26:59,520
okay this is a very compelling case are

708
00:27:02,710 --> 00:27:01,200
there other cases out there and again

709
00:27:05,110 --> 00:27:02,720
big picture as i always like to call

710
00:27:07,350 --> 00:27:05,120
myself looking at patterns in the data

711
00:27:09,190 --> 00:27:07,360
i found out that

712
00:27:11,269 --> 00:27:09,200
four weeks to the day

713
00:27:14,149 --> 00:27:11,279

and this is an interesting thing the

714

00:27:16,710 --> 00:27:14,159

sighting happened on tuesday june 2nd

715

00:27:18,470 --> 00:27:16,720

for chuck when he was burned

716

00:27:19,669 --> 00:27:18,480

four weeks later

717

00:27:23,110 --> 00:27:19,679

tuesday

718

00:27:25,430 --> 00:27:23,120

in livonia georgia we had a businessman

719

00:27:27,909 --> 00:27:25,440

that was documented in project blue book

720

00:27:29,350 --> 00:27:27,919

files documented in numerous newspaper

721

00:27:32,070 --> 00:27:29,360

accounts from the time period which i

722

00:27:34,310 --> 00:27:32,080

have a businessman driving home around

723

00:27:36,789 --> 00:27:34,320

one in the morning had his arm out of

724

00:27:39,269 --> 00:27:36,799

the car driving on a hot summer night in

725

00:27:42,389 --> 00:27:39,279

in georgia had a

726

00:27:44,389 --> 00:27:42,399

top shaped ufo fly around his vehicle

727

00:27:47,190 --> 00:27:44,399

made three or four passes

728

00:27:49,990 --> 00:27:47,200

had burners on the underside which he

729

00:27:51,990 --> 00:27:50,000

sketched where fire was belching out and

730

00:27:54,389 --> 00:27:52,000

the words that the grandmother used to

731

00:27:56,549 --> 00:27:54,399

dr mcdonald and to others

732

00:27:59,750 --> 00:27:56,559

she said it was a black top shaped

733

00:28:02,789 --> 00:27:59,760

object with burners on the underside

734

00:28:05,029 --> 00:28:02,799

and this black clock shaped object

735

00:28:07,510 --> 00:28:05,039

flew around this gentleman's car left

736

00:28:09,190 --> 00:28:07,520

markings on the vehicle itself and

737

00:28:11,269 --> 00:28:09,200

burned his arm which was sticking out

738

00:28:13,830 --> 00:28:11,279

not severely but enough to to cause

739

00:28:16,310 --> 00:28:13,840

redness and a little bit of swelling

740

00:28:18,310 --> 00:28:16,320

the air force was notified they pretty

741

00:28:21,110 --> 00:28:18,320

much discounted it

742

00:28:22,870 --> 00:28:21,120

the newspaper accounts chronicled it in

743

00:28:24,630 --> 00:28:22,880

very good detail

744

00:28:26,630 --> 00:28:24,640

what's interesting is

745

00:28:29,430 --> 00:28:26,640

the same tuesday other witnesses had

746

00:28:33,669 --> 00:28:29,440

cited the top shaped ufo and in the two

747

00:28:36,070 --> 00:28:33,679

to three weeks after that on tuesdays

748

00:28:38,549 --> 00:28:36,080

multiple witnesses within an 85 mile

749

00:28:41,110 --> 00:28:38,559

radius of northeast georgia all

750

00:28:42,789 --> 00:28:41,120

described a black top shaped object

751
00:28:48,149 --> 00:28:42,799
belching fire

752
00:28:51,350 --> 00:28:48,159
reported by multiple witnesses and all

753
00:28:54,070 --> 00:28:51,360
of them occurred on tuesday nights until

754
00:28:55,990 --> 00:28:54,080
around the second or third week in july

755
00:28:58,630 --> 00:28:56,000
a report in the newspaper popped up and

756
00:29:00,149 --> 00:28:58,640
there was a sighting on a thursday

757
00:29:02,070 --> 00:29:00,159
and after that

758
00:29:04,310 --> 00:29:02,080
it's almost like for lack of a better

759
00:29:06,310 --> 00:29:04,320
term the cycle was broken and there were

760
00:29:08,549 --> 00:29:06,320
no more reports

761
00:29:10,789 --> 00:29:08,559
what it means ryan i have no freaking

762
00:29:12,710 --> 00:29:10,799
clue

763
00:29:13,830 --> 00:29:12,720

i can only report the data what it means

764

00:29:16,710 --> 00:29:13,840

i don't know

765

00:29:19,269 --> 00:29:16,720

but it really bolsters and reinforces

766

00:29:21,269 --> 00:29:19,279

the validity of what chuck described

767

00:29:23,669 --> 00:29:21,279

because his was the first sighting

768

00:29:25,269 --> 00:29:23,679

and then again expanding the parameters

769

00:29:26,950 --> 00:29:25,279

of the historical research going through

770

00:29:29,510 --> 00:29:26,960

my databases and going through the files

771

00:29:31,990 --> 00:29:29,520

i have here jacques valet in one of his

772

00:29:34,630 --> 00:29:32,000

very early books described one of the

773

00:29:36,549 --> 00:29:34,640

best european cases ever in an area

774

00:29:38,549 --> 00:29:36,559

called vensor caramay

775

00:29:40,789 --> 00:29:38,559

in southeast france

776

00:29:43,830 --> 00:29:40,799

where it was one of the best documented

777

00:29:46,389 --> 00:29:43,840

european ufo cases where the witnesses

778

00:29:48,389 --> 00:29:46,399

described a top shaped ufo

779

00:29:50,789 --> 00:29:48,399

and i took the sketch that chuck gave me

780

00:29:53,510 --> 00:29:50,799

i took the sketch the witnesses provided

781

00:29:55,669 --> 00:29:53,520

it's identical in shape and dimensions

782

00:29:57,190 --> 00:29:55,679

even more so and this is an obscure case

783

00:29:58,950 --> 00:29:57,200

for someone that's not into ufos you

784

00:29:59,669 --> 00:29:58,960

really have to look hard to find this

785

00:30:02,310 --> 00:29:59,679

one

786

00:30:05,110 --> 00:30:02,320

and what's interesting is the dimensions

787

00:30:06,630 --> 00:30:05,120

in feet that chuck provided me just in

788

00:30:09,909 --> 00:30:06,640

the last two years since i started

789

00:30:12,070 --> 00:30:09,919

interviewing him in width and height

790

00:30:15,269 --> 00:30:12,080

matched the dimensions

791

00:30:19,750 --> 00:30:15,279

with a very small small margin of error

792

00:30:22,549 --> 00:30:19,760

to the sketch that was sketched in 1957

793

00:30:24,470 --> 00:30:22,559

uh of this french top shaped object only

794

00:30:26,710 --> 00:30:24,480

they described it in meters but when you

795

00:30:29,830 --> 00:30:26,720

convert the meters to feet it was the

796

00:30:31,669 --> 00:30:29,840

same basic dimensions

797

00:30:34,230 --> 00:30:31,679

wow

798

00:30:36,389 --> 00:30:34,240

that that's insane

799

00:30:39,430 --> 00:30:36,399

not only i mean just not only the

800

00:30:40,470 --> 00:30:39,440

dimensions but just the fact that it

801
00:30:42,710 --> 00:30:40,480
happened

802
00:30:44,870 --> 00:30:42,720
on another continent

803
00:30:47,110 --> 00:30:44,880
in a different time period and the

804
00:30:48,870 --> 00:30:47,120
french case it was the same object and

805
00:30:51,350 --> 00:30:48,880
it was bobbing and moving in a very

806
00:30:53,110 --> 00:30:51,360
similar fashion but it didn't have any

807
00:30:54,870 --> 00:30:53,120
fire in that particular case but there

808
00:30:57,269 --> 00:30:54,880
was some magnetization of some street

809
00:30:58,149 --> 00:30:57,279
signs where the object had flown past

810
00:31:00,549 --> 00:30:58,159
so

811
00:31:02,549 --> 00:31:00,559
yeah and then even further back than

812
00:31:04,470 --> 00:31:02,559
that if that's not good enough in

813
00:31:06,549 --> 00:31:04,480

project blue book files i found a case

814

00:31:08,789 --> 00:31:06,559
from 1952

815

00:31:11,750 --> 00:31:08,799
in levelland texas which is just about

816

00:31:13,909 --> 00:31:11,760
80 to 85 miles northeast of hobbs

817

00:31:15,590 --> 00:31:13,919
and it was a blue book case which they

818

00:31:18,070 --> 00:31:15,600
labeled unidentified on my dad they

819

00:31:19,750 --> 00:31:18,080
didn't say it was just ball lightning or

820

00:31:22,230 --> 00:31:19,760
the planet venus

821

00:31:24,310 --> 00:31:22,240
two witnesses observed two top shaped

822

00:31:27,750 --> 00:31:24,320
objects that were revolving

823

00:31:30,830 --> 00:31:27,760
and they described fire smoke or steam

824

00:31:34,630 --> 00:31:30,840
that was jettisoning out the bottom

825

00:31:36,310 --> 00:31:34,640
hmm there you go again the data doesn't

826

00:31:38,389 --> 00:31:36,320

lie

827

00:31:40,310 --> 00:31:38,399

random people making stuff up we're not

828

00:31:42,149 --> 00:31:40,320

going to find consistencies like that in

829

00:31:44,070 --> 00:31:42,159

disparate reports that these people

830

00:31:46,549 --> 00:31:44,080

could not have been aware of at the time

831

00:31:49,350 --> 00:31:46,559

when they made these reports and you

832

00:31:50,789 --> 00:31:49,360

know i mean the researcher in me goes

833

00:31:53,029 --> 00:31:50,799

back to the whole

834

00:31:55,029 --> 00:31:53,039

scheduled tuesday thing like i i'm

835

00:31:57,350 --> 00:31:55,039

thinking maybe that was the night that

836

00:31:59,909 --> 00:31:57,360

they were testing some experimental

837

00:32:01,590 --> 00:31:59,919

aircraft that would explain claims it

838

00:32:04,149 --> 00:32:01,600

would explain risk that but we don't

839

00:32:06,070 --> 00:32:04,159

know and i think it's important uh for

840

00:32:07,830 --> 00:32:06,080

someone like chuck to say i don't know

841

00:32:10,630 --> 00:32:07,840

what happened to me i mean that's

842

00:32:12,310 --> 00:32:10,640

possibly the best answer he could give

843

00:32:13,909 --> 00:32:12,320

well what's funny is i presented this

844

00:32:15,909 --> 00:32:13,919

information once i started really

845

00:32:17,590 --> 00:32:15,919

putting it all together and i went back

846

00:32:20,149 --> 00:32:17,600

and i met with chuck and his wife and i

847

00:32:21,990 --> 00:32:20,159

presented all this and he sat there and

848

00:32:23,509 --> 00:32:22,000

you got to know he is the most normal

849

00:32:25,830 --> 00:32:23,519

person you could ever meet just the

850

00:32:27,350 --> 00:32:25,840

average joe but he sits there and he

851
00:32:29,110 --> 00:32:27,360
leans back like this and he's stroking

852
00:32:30,070 --> 00:32:29,120
his mustache and he's like

853
00:32:32,070 --> 00:32:30,080
you know

854
00:32:33,590 --> 00:32:32,080
all these years i labored under the idea

855
00:32:35,830 --> 00:32:33,600
it was something military i didn't even

856
00:32:37,350 --> 00:32:35,840
think about ufos but he goes

857
00:32:39,430 --> 00:32:37,360
i have to tell you after you shared all

858
00:32:42,710 --> 00:32:39,440
this with me you got me thinking it's

859
00:32:44,630 --> 00:32:42,720
like was it something else so he's not

860
00:32:46,549 --> 00:32:44,640
sure he'll tell you he doesn't know what

861
00:32:48,310 --> 00:32:46,559
it was and he said we'll probably never

862
00:32:50,070 --> 00:32:48,320
know what it was but he goes it was

863
00:32:53,350 --> 00:32:50,080

there and

864

00:32:54,149 --> 00:32:53,360

you know the facts are it's our yeah and

865

00:32:59,269 --> 00:32:54,159

so

866

00:33:01,909 --> 00:32:59,279

kind of series of revelations seeing how

867

00:33:04,310 --> 00:33:01,919

this pattern emerged what it means again

868

00:33:05,669 --> 00:33:04,320

i don't know but again it just i don't

869

00:33:07,430 --> 00:33:05,679

mean to sound like a broken record it

870

00:33:10,230 --> 00:33:07,440

underscores why we have to have access

871

00:33:12,549 --> 00:33:10,240

to as much data as possible and we can

872

00:33:14,230 --> 00:33:12,559

start finding those there are patterns

873

00:33:15,750 --> 00:33:14,240

in the data we just need to find them

874

00:33:18,149 --> 00:33:15,760

it's kind of like michelangelo right

875

00:33:19,430 --> 00:33:18,159

when he carved david he saw the statue

876

00:33:21,430 --> 00:33:19,440

in the stone he just had to chip the

877

00:33:23,669 --> 00:33:21,440

rest away it's just like that's how we

878

00:33:24,789 --> 00:33:23,679

are we we gotta find those patterns

879

00:33:26,870 --> 00:33:24,799

they're there

880

00:33:29,509 --> 00:33:26,880

uh i'm certain of it it's just taking

881

00:33:31,029 --> 00:33:29,519

the time and it takes a lot of research

882

00:33:32,389 --> 00:33:31,039

you know it's separating the wheat from

883

00:33:34,549 --> 00:33:32,399

the chaff but

884

00:33:36,310 --> 00:33:34,559

when you have these cases involving

885

00:33:38,789 --> 00:33:36,320

physiological effects when you have

886

00:33:41,350 --> 00:33:38,799

these cases that have been documented

887

00:33:43,110 --> 00:33:41,360

well in newspaper accounts it goes

888

00:33:46,149 --> 00:33:43,120

beyond just taking the eyewitness

889

00:33:47,990 --> 00:33:46,159

testimony at face value and

890

00:33:50,630 --> 00:33:48,000

it's it's fascinating and that's what

891

00:33:52,950 --> 00:33:50,640

again fuels me uh you know finding these

892

00:33:54,710 --> 00:33:52,960

things that we didn't know about before

893

00:33:56,950 --> 00:33:54,720

and chuck thinking what happened was

894

00:33:58,870 --> 00:33:56,960

just an isolated case and just to

895

00:34:01,269 --> 00:33:58,880

provide context chuck's sighting

896

00:34:04,710 --> 00:34:01,279

happened june 2nd 1964. it was april

897

00:34:06,870 --> 00:34:04,720

24th 1964 just a few months before we

898

00:34:10,470 --> 00:34:06,880

had the lonnie zamora sighting here in

899

00:34:12,470 --> 00:34:10,480

new mexico 64 was a huge wave of ufo

900

00:34:14,230 --> 00:34:12,480

sightings in new mexico

901
00:34:15,510 --> 00:34:14,240
which was really typified by the the

902
00:34:17,589 --> 00:34:15,520
lonnie zamora sighting which had

903
00:34:20,069 --> 00:34:17,599
garnered more media attention than any

904
00:34:22,470 --> 00:34:20,079
of the others yeah there has to be some

905
00:34:26,230 --> 00:34:22,480
sort of connection if anyone can make it

906
00:34:28,470 --> 00:34:26,240
dave i know it's you my man so thank you

907
00:34:30,069 --> 00:34:28,480
yeah right no pressure thank you for

908
00:34:32,869 --> 00:34:30,079
sharing that story with our patreon

909
00:34:35,190 --> 00:34:32,879
subscribers um but uh before we go of

910
00:34:36,790 --> 00:34:35,200
course for them listening uh where can

911
00:34:38,950 --> 00:34:36,800
we find everything you're up to and

912
00:34:41,030 --> 00:34:38,960
where can we find your book sure

913
00:34:43,950 --> 00:34:41,040

absolutely the best place is my website

914

00:34:46,950 --> 00:34:43,960

www.davidmarler

915

00:34:49,430 --> 00:34:46,960

m-a-r-l-e-r ufo.com

916

00:34:51,349 --> 00:34:49,440

uh there's a link there for amazon uh i

917

00:34:53,270 --> 00:34:51,359

mentioned before there's a bad amazon

918

00:34:54,629 --> 00:34:53,280

link that's floating around out there

919

00:34:55,909 --> 00:34:54,639

some people said i clicked on it and it

920

00:34:58,550 --> 00:34:55,919

said your book's not available it is

921

00:35:00,069 --> 00:34:58,560

available uh just go to my website the

922

00:35:01,670 --> 00:35:00,079

link's right on the main page as well as

923

00:35:04,150 --> 00:35:01,680

some of the the work i've done with

924

00:35:06,470 --> 00:35:04,160

chris on unidentified and uh the

925

00:35:08,550 --> 00:35:06,480

phenomenon and some other things so

926

00:35:10,310 --> 00:35:08,560

uh yeah never a dull moment ryan there's

927

00:35:13,190 --> 00:35:10,320

always something to do

928

00:35:14,630 --> 00:35:13,200

absolutely man and you you're doing it

929

00:35:16,710 --> 00:35:14,640

so i gotta thank you for all the work

930

00:35:19,430 --> 00:35:16,720

you've done and for sticking around for

931
