[Music]

2
00:00:16,950 --> 00:00:12,549

this is somewhere in the skies with ryan

3
00:00:16,960 --> 00:00:31,750

[Music]

4
00:00:36,630 --> 00:00:33,750

hey guys ryan sprague here from

5
00:00:38,869 --> 00:00:36,640

somewhere in the skies and i am really

6
00:00:41,350 --> 00:00:38,879

excited about this interview it has been

7
00:00:42,709 --> 00:00:41,360

a long time coming and he should have

8
00:00:45,670 --> 00:00:42,719

been on the show

9
00:00:47,830 --> 00:00:45,680

so many times by now but we have a very

10
00:00:49,270 --> 00:00:47,840

good reason tonight he just came out

11
00:00:52,310 --> 00:00:49,280

with a brand new book that we're going

12
00:00:55,110 --> 00:00:52,320

to talk about and that's canada's ufos

13
00:00:57,990 --> 00:00:55,120

declassified and we have the author and

14

00:01:00,790 --> 00:00:58,000

preeminent canadian ufo researcher chris

15

00:01:02,630 --> 00:01:00,800

rakowski is with us today so let's not

16

00:01:04,070 --> 00:01:02,640

waste any more time we're going to talk

17

00:01:07,190 --> 00:01:04,080

about the book we're going to talk about

18

00:01:10,070 --> 00:01:07,200

a very interesting story out of canada

19

00:01:13,030 --> 00:01:10,080

with the uh with the defense minister

20

00:01:14,950 --> 00:01:13,040

and chris connection to that as well so

21

00:01:16,789 --> 00:01:14,960

without further ado chris welcome to

22

00:01:18,950 --> 00:01:16,799

somewhere in the skies

23

00:01:20,469 --> 00:01:18,960

thanks glad to be here it's my pleasure

24

00:01:23,270 --> 00:01:20,479

man like i said this has been a long

25

00:01:25,590 --> 00:01:23,280

time coming well hey let's not really

26

00:01:28,070 --> 00:01:25,600

you know waste any time this big story i

27

00:01:30,230 --> 00:01:28,080

want to talk to you about out of canada

28

00:01:33,429 --> 00:01:30,240

you have the canadian defense minister

29

00:01:35,030 --> 00:01:33,439

who actually was briefed on ufos and

30

00:01:36,230 --> 00:01:35,040

correct me if i'm wrong this was prior

31

00:01:39,270 --> 00:01:36,240

to the u.s

32

00:01:41,270 --> 00:01:39,280

intel report that came out as well but

33

00:01:43,510 --> 00:01:41,280

you were kind of at the forefront of

34

00:01:45,270 --> 00:01:43,520

this you were a big part of this story

35

00:01:47,910 --> 00:01:45,280

um would you mind telling our audience a

36

00:01:50,310 --> 00:01:47,920

little about what this story was and uh

37

00:01:53,429 --> 00:01:50,320

your involvement with it

38

00:01:55,670 --> 00:01:53,439

well sure um as many of your listeners

39

00:01:56,950 --> 00:01:55,680

may not know but i've been involved in

40

00:01:59,190 --> 00:01:56,960

ufology

41

00:02:02,230 --> 00:01:59,200

for a number of years now back i started

42

00:02:04,389 --> 00:02:02,240

in the 70s so yes i'm really really old

43

00:02:07,270 --> 00:02:04,399

and um

44

00:02:09,589 --> 00:02:07,280

along the way i became involved with

45

00:02:11,190 --> 00:02:09,599

getting material from the uh

46

00:02:13,589 --> 00:02:11,200

the various government departments in

47

00:02:16,070 --> 00:02:13,599

canada that we're

48

00:02:17,910 --> 00:02:16,080

receiving and responsible for looking

49

00:02:22,390 --> 00:02:17,920

into ufos

50

00:02:24,150 --> 00:02:22,400

and um back in 2021

51
00:02:26,869 --> 00:02:24,160
i had been contacted by the canadian

52
00:02:30,150 --> 00:02:26,879
department of national defense

53
00:02:32,229 --> 00:02:30,160
for information regarding

54
00:02:34,150 --> 00:02:32,239
what types of materials should the

55
00:02:36,390 --> 00:02:34,160
minister of national defense be told

56
00:02:38,710 --> 00:02:36,400
about regarding the history of ufos in

57
00:02:40,150 --> 00:02:38,720
canada and what's currently being done

58
00:02:42,869 --> 00:02:40,160
and since i've been doing this for a

59
00:02:45,030 --> 00:02:42,879
while and uh i've actually been in

60
00:02:46,949 --> 00:02:45,040
correspondence with uh

61
00:02:49,270 --> 00:02:46,959
with military and

62
00:02:50,949 --> 00:02:49,280
other aviation people in canada for

63
00:02:53,110 --> 00:02:50,959

quite a number of years now

64

00:02:55,030 --> 00:02:53,120

they look to me for assistance

65

00:02:56,070 --> 00:02:55,040

and you know doing my civic duty of

66

00:02:58,550 --> 00:02:56,080

course

67

00:03:00,070 --> 00:02:58,560

i came up with a series of things to

68

00:03:02,309 --> 00:03:00,080

provide to the minister of national

69

00:03:05,350 --> 00:03:02,319

defense so to put this in perspective

70

00:03:07,190 --> 00:03:05,360

just imagine if the secretary of defense

71

00:03:09,190 --> 00:03:07,200

in the united states

72

00:03:11,430 --> 00:03:09,200

was going to be briefed on the subject

73

00:03:13,509 --> 00:03:11,440

of uap that's the equivalent up here in

74

00:03:14,470 --> 00:03:13,519

canada for what happened

75

00:03:16,309 --> 00:03:14,480

so

76

00:03:18,630 --> 00:03:16,319

i provided the information and that was

77

00:03:20,949 --> 00:03:18,640

actually the last i heard of it i wasn't

78

00:03:23,350 --> 00:03:20,959

part of the actual briefing

79

00:03:25,750 --> 00:03:23,360

i wasn't told when it was going to occur

80

00:03:27,030 --> 00:03:25,760

simply that i provided information

81

00:03:28,869 --> 00:03:27,040

and then

82

00:03:30,390 --> 00:03:28,879

this year

83

00:03:32,470 --> 00:03:30,400

some diligent

84

00:03:35,270 --> 00:03:32,480

doc uh

85

00:03:37,990 --> 00:03:35,280

discoverers here in canada been filing

86

00:03:39,270 --> 00:03:38,000

various access information requests in

87

00:03:40,869 --> 00:03:39,280

canada they're not freedom of

88

00:03:42,149 --> 00:03:40,879

information requests their access

89

00:03:43,750 --> 00:03:42,159

information request a little bit

90

00:03:45,910 --> 00:03:43,760

different they have some different

91

00:03:48,070 --> 00:03:45,920

connotations but the same idea yes the

92

00:03:49,030 --> 00:03:48,080

government give me everything you have

93

00:03:51,190 --> 00:03:49,040

and

94

00:03:53,350 --> 00:03:51,200

one person came up with they had heard

95

00:03:55,830 --> 00:03:53,360

that there was a briefing somehow

96

00:03:58,710 --> 00:03:55,840

and he asked for the briefing

97

00:04:00,149 --> 00:03:58,720

and what happened was that they the

98

00:04:03,830 --> 00:04:00,159

the government didn't release the

99

00:04:06,869 --> 00:04:03,840

briefing itself but released some slides

100

00:04:08,229 --> 00:04:06,879

some power points uh that were part of

101
00:04:09,670 --> 00:04:08,239
the briefing and a little bit of

102
00:04:10,470 --> 00:04:09,680
information when it occurred and so

103
00:04:14,229 --> 00:04:10,480
forth

104
00:04:16,229 --> 00:04:14,239
and in this in these slides uh the

105
00:04:17,749 --> 00:04:16,239
canadian government and and defense

106
00:04:19,749 --> 00:04:17,759
described what was going on in canada

107
00:04:22,870 --> 00:04:19,759
over the years sort of the history going

108
00:04:25,990 --> 00:04:22,880
back uh in into the 50s up to the 60s

109
00:04:27,430 --> 00:04:26,000
70s 80s and and modern times

110
00:04:28,790 --> 00:04:27,440
and noting that a fellow named chris

111
00:04:31,270 --> 00:04:28,800
rakowski

112
00:04:33,189 --> 00:04:31,280
was in fact uh receiving

113
00:04:35,110 --> 00:04:33,199

ufo reports from the ministry of

114

00:04:37,430 --> 00:04:35,120

national defense and transport canada

115

00:04:39,030 --> 00:04:37,440

the equivalent of the faa

116

00:04:40,950 --> 00:04:39,040

and that

117

00:04:43,830 --> 00:04:40,960

i know that was the current status at

118

00:04:46,150 --> 00:04:43,840

that time and what's interesting is

119

00:04:47,590 --> 00:04:46,160

that my photo is actually on one of

120

00:04:49,830 --> 00:04:47,600

these slides

121

00:04:51,830 --> 00:04:49,840

so uh the military including the

122

00:04:53,350 --> 00:04:51,840

minister of national defense knows what

123

00:04:54,629 --> 00:04:53,360

i look like

124

00:04:57,030 --> 00:04:54,639

which is kind of interesting but there

125

00:04:59,110 --> 00:04:57,040

was a there was a the briefing itself

126

00:05:00,950 --> 00:04:59,120

and some discussion that ensued after it

127

00:05:02,710 --> 00:05:00,960

uh that we don't have any for any

128

00:05:04,150 --> 00:05:02,720

information exactly what occurred but i

129

00:05:05,990 --> 00:05:04,160

imagine people are trying to track that

130

00:05:08,390 --> 00:05:06,000

down as well

131

00:05:10,710 --> 00:05:08,400

really interesting again kind of putting

132

00:05:12,629 --> 00:05:10,720

it into perspective like you said i'm

133

00:05:14,469 --> 00:05:12,639

trying to imagine like what would happen

134

00:05:17,029 --> 00:05:14,479

if i got like an email that day being

135

00:05:19,189 --> 00:05:17,039

like yeah we need you to brief you know

136

00:05:21,749 --> 00:05:19,199

whoever the current defense minister

137

00:05:23,909 --> 00:05:21,759

director is here in the united states so

138

00:05:25,830 --> 00:05:23,919

i mean what does that look like like did

139

00:05:28,070 --> 00:05:25,840

it was it just like a random email you

140

00:05:30,230 --> 00:05:28,080

got from a government-issued email

141

00:05:32,070 --> 00:05:30,240

address or were these individuals that

142

00:05:33,590 --> 00:05:32,080

you've been in contact with throughout

143

00:05:36,390 --> 00:05:33,600

the years because i know a lot of the

144

00:05:38,390 --> 00:05:36,400

files on ufos throughout the decades

145

00:05:41,350 --> 00:05:38,400

have gone directly to you you are the

146

00:05:44,230 --> 00:05:41,360

go-to guy in your entire country which

147

00:05:46,150 --> 00:05:44,240

still astounds me um yeah what is it

148

00:05:47,430 --> 00:05:46,160

what does that look like

149

00:05:49,189 --> 00:05:47,440

yeah as a matter of fact it was one of

150

00:05:49,990 --> 00:05:49,199

the people who uh

151
00:05:51,990 --> 00:05:50,000
uh

152
00:05:53,830 --> 00:05:52,000
in one of the the military offices who

153
00:05:54,950 --> 00:05:53,840
had contacted me

154
00:05:57,189 --> 00:05:54,960
and uh

155
00:06:00,150 --> 00:05:57,199
somebody was actually posted with the uh

156
00:06:01,110 --> 00:06:00,160
with the minister's office uh himself

157
00:06:03,830 --> 00:06:01,120
and

158
00:06:06,629 --> 00:06:03,840
you know i i i you know very often i am

159
00:06:09,029 --> 00:06:06,639
getting requests from a military

160
00:06:11,029 --> 00:06:09,039
uh do i have this information or they're

161
00:06:12,390 --> 00:06:11,039
sending me a case or something like that

162
00:06:13,909 --> 00:06:12,400
but once in a while they'll send me

163
00:06:16,550 --> 00:06:13,919

something like you know we have a

164

00:06:17,670 --> 00:06:16,560

request asking about this particular

165

00:06:19,189 --> 00:06:17,680

case

166

00:06:21,270 --> 00:06:19,199

and it mentions you in the official

167

00:06:23,029 --> 00:06:21,280

document do you mind if we release your

168

00:06:25,909 --> 00:06:23,039

name i said no that's you know that's

169

00:06:27,830 --> 00:06:25,919

fine so i have been in contact with this

170

00:06:29,590 --> 00:06:27,840

particular this person who had contacted

171

00:06:31,350 --> 00:06:29,600

me and i didn't have a problem with it

172

00:06:33,590 --> 00:06:31,360

because you know i've been doing this

173

00:06:34,390 --> 00:06:33,600

and uh again it's it's the type of thing

174

00:06:35,189 --> 00:06:34,400

that

175

00:06:39,670 --> 00:06:35,199

uh

176

00:06:41,270 --> 00:06:39,680

suppose but the idea is that you know i

177

00:06:43,110 --> 00:06:41,280

think this is important information and

178

00:06:45,590 --> 00:06:43,120

the reason that i've been actually

179

00:06:46,790 --> 00:06:45,600

presenting some of these cases and it's

180

00:06:48,950 --> 00:06:46,800

it's uh

181

00:06:51,510 --> 00:06:48,960

you know i would get a a case

182

00:06:52,950 --> 00:06:51,520

uh typically from uh

183

00:06:54,710 --> 00:06:52,960

the part of a national defense about a

184

00:06:57,029 --> 00:06:54,720

pilot who had seen something

185

00:06:59,350 --> 00:06:57,039

i review it and take a look at it and

186

00:07:02,309 --> 00:06:59,360

very often i've been posting this on my

187

00:07:04,070 --> 00:07:02,319

blog or on facebook or presenting it at

188

00:07:06,309 --> 00:07:04,080

some conferences or seminars or

189

00:07:07,909 --> 00:07:06,319

workshops so it's not the type of thing

190

00:07:10,710 --> 00:07:07,919

that that is

191

00:07:13,189 --> 00:07:10,720

completely classified

192

00:07:15,270 --> 00:07:13,199

there's a few things as in my my book

193

00:07:17,189 --> 00:07:15,280

that do get declassified eventually from

194

00:07:19,350 --> 00:07:17,199

a higher level and i can talk about

195

00:07:20,390 --> 00:07:19,360

those but you know by and large these

196

00:07:23,990 --> 00:07:20,400

are things that are generally

197

00:07:26,710 --> 00:07:24,000

unclassified what's curious is that

198

00:07:29,110 --> 00:07:26,720

transport canada which is the canadian

199

00:07:30,950 --> 00:07:29,120

equivalent of the faa

200

00:07:33,510 --> 00:07:30,960

routinely

201
00:07:35,189 --> 00:07:33,520
makes available to the public anyone who

202
00:07:38,469 --> 00:07:35,199
wants

203
00:07:40,230 --> 00:07:38,479
information about ufos that pilots are

204
00:07:43,110 --> 00:07:40,240
seeing and in canada they're still

205
00:07:45,909 --> 00:07:43,120
actually called ufos um the the

206
00:07:47,909 --> 00:07:45,919
abbreviation uap is not used by canada

207
00:07:51,510 --> 00:07:47,919
at least in transport canada

208
00:07:52,710 --> 00:07:51,520
um and over the past 20 years or so a

209
00:07:53,909 --> 00:07:52,720
number of people have filed these

210
00:07:55,270 --> 00:07:53,919
requests and i've been getting these

211
00:07:57,270 --> 00:07:55,280
requests directly but there's something

212
00:07:58,469 --> 00:07:57,280
like 500

213
00:08:01,189 --> 00:07:58,479

cases where

214

00:08:03,589 --> 00:08:01,199

transport canada has received

215

00:08:05,830 --> 00:08:03,599

sightings from pilots and air traffic

216

00:08:08,469 --> 00:08:05,840

controllers and so forth directly to

217

00:08:11,029 --> 00:08:08,479

their office and we know all about them

218

00:08:13,830 --> 00:08:11,039

and we have details and in some cases

219

00:08:15,510 --> 00:08:13,840

there are additional uh documents to

220

00:08:17,430 --> 00:08:15,520

support some of them

221

00:08:19,189 --> 00:08:17,440

so you know in canada you know we might

222

00:08:20,550 --> 00:08:19,199

be considered a little more transparent

223

00:08:22,469 --> 00:08:20,560

than the united states

224

00:08:24,070 --> 00:08:22,479

i often say that you know ever since

225

00:08:27,270 --> 00:08:24,080

blue book ended

226

00:08:28,869 --> 00:08:27,280

back in 1969 and early 1970

227

00:08:31,270 --> 00:08:28,879

you know we really haven't had any

228

00:08:32,949 --> 00:08:31,280

information about what the united states

229

00:08:35,909 --> 00:08:32,959

government has been doing with regard to

230

00:08:38,310 --> 00:08:35,919

uh ufos or now uap up until when we

231

00:08:42,550 --> 00:08:38,320

found out about this this project that

232

00:08:44,070 --> 00:08:42,560

ran from 2007 to 2012 but that that gap

233

00:08:45,509 --> 00:08:44,080

you know is still there that we don't

234

00:08:47,269 --> 00:08:45,519

know a lot about although people like

235

00:08:49,670 --> 00:08:47,279

paul dean and

236

00:08:51,750 --> 00:08:49,680

jan aldrich and others have been working

237

00:08:52,470 --> 00:08:51,760

very diligently to to fill in some of

238

00:08:54,870 --> 00:08:52,480

that

239

00:08:57,590 --> 00:08:54,880

whereas in canada uh the canadian

240

00:08:59,110 --> 00:08:57,600

government has a record of investigating

241

00:09:00,870 --> 00:08:59,120

uh and

242

00:09:02,710 --> 00:09:00,880

studying the ufo reports and

243

00:09:05,829 --> 00:09:02,720

interviewing witnesses right from the

244

00:09:07,670 --> 00:09:05,839

40s up until the present and we have

245

00:09:09,350 --> 00:09:07,680

many of those cases i have

246

00:09:10,710 --> 00:09:09,360

literally hundreds and hundreds of these

247

00:09:13,269 --> 00:09:10,720

cases

248

00:09:15,670 --> 00:09:13,279

that we've looked at and i've been

249

00:09:17,990 --> 00:09:15,680

publishing details of some of them in my

250

00:09:20,710 --> 00:09:18,000

annual canadian ufo survey

251
00:09:24,150 --> 00:09:20,720
so you know we we do have a little more

252
00:09:25,910 --> 00:09:24,160
going in that sense and and yet it's in

253
00:09:27,509 --> 00:09:25,920
response to

254
00:09:31,430 --> 00:09:27,519
um the

255
00:09:34,230 --> 00:09:31,440
uap task force um and the attention that

256
00:09:36,550 --> 00:09:34,240
uh uh that's going on with regard to

257
00:09:38,949 --> 00:09:36,560
congressional hearings and so forth

258
00:09:40,710 --> 00:09:38,959
and testimony now as a result of the

259
00:09:42,949 --> 00:09:40,720
nimitz uh

260
00:09:44,070 --> 00:09:42,959
tic tacs and things like that that the

261
00:09:45,910 --> 00:09:44,080
canadian

262
00:09:47,750 --> 00:09:45,920
politicians are getting a little more

263
00:09:49,670 --> 00:09:47,760

interested uh

264

00:09:51,350 --> 00:09:49,680

it seemed that the politicians

265

00:09:54,070 --> 00:09:51,360

themselves in canada were a little

266

00:09:57,190 --> 00:09:54,080

hands-off until recently and now they're

267

00:09:59,590 --> 00:09:57,200

really starting to get more involved

268

00:10:01,269 --> 00:09:59,600

right and again that's what excites me

269

00:10:04,470 --> 00:10:01,279

most no matter what everyone thinks

270

00:10:07,590 --> 00:10:04,480

about if progress is being made with the

271

00:10:09,750 --> 00:10:07,600

overall ufo conversation in terms of um

272

00:10:11,910 --> 00:10:09,760

you know here in america with the

273

00:10:13,910 --> 00:10:11,920

pentagon and the hearings and everything

274

00:10:17,269 --> 00:10:13,920

uh you know you could argue that for

275

00:10:20,710 --> 00:10:17,279

sure that this actually might hinder the

276

00:10:21,590 --> 00:10:20,720

transparency that could occur but um i i

277

00:10:23,430 --> 00:10:21,600

do

278

00:10:25,990 --> 00:10:23,440

think it's it's good

279

00:10:28,470 --> 00:10:26,000

that now canada is sort of following

280

00:10:31,110 --> 00:10:28,480

suit and also brazil is going to be

281

00:10:33,110 --> 00:10:31,120

having their own congressional hearings

282

00:10:35,350 --> 00:10:33,120

later this month where i know

283

00:10:37,590 --> 00:10:35,360

uh people like robert salas a gentleman

284

00:10:40,069 --> 00:10:37,600

involved with a nuclear

285

00:10:41,590 --> 00:10:40,079

ufo case here in the states ufo scene

286

00:10:44,069 --> 00:10:41,600

over a nuclear installation that he

287

00:10:46,310 --> 00:10:44,079

witnessed uh will be testifying at the

288

00:10:48,949 --> 00:10:46,320

brazilian congressional hearing along

289

00:10:51,750 --> 00:10:48,959

with luis elizondo and and other

290

00:10:54,230 --> 00:10:51,760

individuals as well so yeah it you know

291

00:10:56,310 --> 00:10:54,240

it can't hurt i guess that's the best

292

00:10:58,389 --> 00:10:56,320

way i can put it um

293

00:11:00,389 --> 00:10:58,399

we'll see you know only time will tell

294

00:11:02,230 --> 00:11:00,399

what what we'll actually get out of all

295

00:11:04,949 --> 00:11:02,240

of this when it comes to government in

296

00:11:07,030 --> 00:11:04,959

ufos but um it's pretty interesting

297

00:11:08,630 --> 00:11:07,040

pretty interesting in my opinion yeah

298

00:11:10,630 --> 00:11:08,640

and i actually giving a presentation at

299

00:11:12,870 --> 00:11:10,640

the brazilian ufo conference uh that's

300

00:11:15,430 --> 00:11:12,880

coming up in a few weeks too really i

301
00:11:18,069 --> 00:11:15,440
did not know that wow yeah

302
00:11:19,990 --> 00:11:18,079
yeah um and so there's you know a lot of

303
00:11:20,949 --> 00:11:20,000
involvement and a lot of interest in the

304
00:11:22,949 --> 00:11:20,959
subject

305
00:11:24,710 --> 00:11:22,959
and uh and even though the canadian

306
00:11:27,190 --> 00:11:24,720
politicians may have been a little slow

307
00:11:28,470 --> 00:11:27,200
to act in response to what's going on in

308
00:11:31,829 --> 00:11:28,480
the states

309
00:11:32,949 --> 00:11:31,839
i mean canada canadian politicians have

310
00:11:35,190 --> 00:11:32,959
um

311
00:11:36,870 --> 00:11:35,200
been presented with information and have

312
00:11:39,990 --> 00:11:36,880
requested information

313
00:11:42,230 --> 00:11:40,000

ufos have been mentioned in the canadian

314

00:11:44,069 --> 00:11:42,240

parliament dozens of times i don't know

315

00:11:47,030 --> 00:11:44,079

how many times ufo's been mentioned in

316

00:11:49,430 --> 00:11:47,040

congress itself on the floor but in

317

00:11:52,389 --> 00:11:49,440

canada it's it's happened quite a bit

318

00:11:54,629 --> 00:11:52,399

and uh there actually has been a a

319

00:11:57,269 --> 00:11:54,639

previous uh briefing to the canadian

320

00:11:59,110 --> 00:11:57,279

senate and i've been contacted by some

321

00:12:01,269 --> 00:11:59,120

of the politicians sitting members of

322

00:12:03,509 --> 00:12:01,279

parliament and a member of the canadian

323

00:12:06,150 --> 00:12:03,519

senate because you know they're

324

00:12:07,590 --> 00:12:06,160

this is something that is worth studying

325

00:12:09,430 --> 00:12:07,600

you know and

326

00:12:11,910 --> 00:12:09,440

i make that the case not necessarily

327

00:12:14,150 --> 00:12:11,920

with regard to aliens but in regard to

328

00:12:15,430 --> 00:12:14,160

safety and defense and and uh you know

329

00:12:16,949 --> 00:12:15,440

that's the approach from the united

330

00:12:19,030 --> 00:12:16,959

states as well

331

00:12:20,790 --> 00:12:19,040

absolutely right and you know i think

332

00:12:22,550 --> 00:12:20,800

that kind of brings us

333

00:12:24,389 --> 00:12:22,560

up to current day with this book that

334

00:12:27,829 --> 00:12:24,399

you just released

335

00:12:29,590 --> 00:12:27,839

again canada's ufos declassified so um

336

00:12:33,030 --> 00:12:29,600

i'd love to start chris with the origin

337

00:12:36,710 --> 00:12:33,040

story of the book um now i'd love to

338

00:12:38,470 --> 00:12:36,720

know how did you obtain all of these uh

339

00:12:39,990 --> 00:12:38,480

again i know that people have reached

340

00:12:42,310 --> 00:12:40,000

out to you and you have reached out to

341

00:12:44,870 --> 00:12:42,320

individuals within the government and uh

342

00:12:47,509 --> 00:12:44,880

your book is just jam-packed with

343

00:12:49,430 --> 00:12:47,519

declassified files from all different

344

00:12:51,509 --> 00:12:49,440

organizations and institutions and

345

00:12:52,949 --> 00:12:51,519

whatnot and the one i think that really

346

00:12:55,590 --> 00:12:52,959

caught my attention and maybe it's

347

00:12:58,550 --> 00:12:55,600

because i'm an american and i'm very

348

00:12:59,990 --> 00:12:58,560

familiar with project blue book um we

349

00:13:02,389 --> 00:13:00,000

had here in the states something known

350

00:13:04,230 --> 00:13:02,399

as the robertson panel um which was a

351
00:13:06,310 --> 00:13:04,240
very controversial thing during the blue

352
00:13:07,829 --> 00:13:06,320
book days and now i'm learning that

353
00:13:10,949 --> 00:13:07,839
there was something in canada called the

354
00:13:12,230 --> 00:13:10,959
robertson briefing which really confused

355
00:13:14,150 --> 00:13:12,240
the heck out of me i'm like are these

356
00:13:16,949 --> 00:13:14,160
things connected what's going on here

357
00:13:20,470 --> 00:13:16,959
until i read your book and finally um

358
00:13:21,509 --> 00:13:20,480
realized exactly what this was how

359
00:13:24,150 --> 00:13:21,519
um

360
00:13:27,829 --> 00:13:24,160
i guess grand it really was and uh how

361
00:13:30,710 --> 00:13:27,839
important it was in shaping kind of a a

362
00:13:32,069 --> 00:13:30,720
large portion of your book so um yeah

363
00:13:34,389 --> 00:13:32,079

would you mind giving us the origin

364

00:13:36,470 --> 00:13:34,399

story of how the book came to be and

365

00:13:38,550 --> 00:13:36,480

what this robertson briefing is this

366

00:13:39,670 --> 00:13:38,560

really intrigues me

367

00:13:41,829 --> 00:13:39,680

well sure

368

00:13:43,910 --> 00:13:41,839

the background is that um you know the

369

00:13:46,310 --> 00:13:43,920

canadian government has

370

00:13:49,509 --> 00:13:46,320

been involved in investigating and

371

00:13:52,150 --> 00:13:49,519

researching a of ufos

372

00:13:54,550 --> 00:13:52,160

for many decades uh in the 40s and into

373

00:13:56,710 --> 00:13:54,560

the 50s it was the responsibility of the

374

00:14:00,230 --> 00:13:56,720

royal canadian air force

375

00:14:02,870 --> 00:14:00,240

in about the mid 1960s

376

00:14:05,829 --> 00:14:02,880

because largely because of blue book and

377

00:14:06,870 --> 00:14:05,839

grudge and and uh uh some of the

378

00:14:09,189 --> 00:14:06,880

american

379

00:14:11,110 --> 00:14:09,199

uh comments that were going on the

380

00:14:13,430 --> 00:14:11,120

military in canada also wanted to get

381

00:14:14,949 --> 00:14:13,440

out of the ufo business uh they didn't

382

00:14:17,509 --> 00:14:14,959

think it was a defense problem you hear

383

00:14:19,350 --> 00:14:17,519

that comment all the time they wanted it

384

00:14:21,269 --> 00:14:19,360

to be passed off somewhere but they

385

00:14:23,910 --> 00:14:21,279

still wanted to have sort of a

386

00:14:25,509 --> 00:14:23,920

an arm's length association with it so

387

00:14:27,990 --> 00:14:25,519

what happened was that the

388

00:14:29,990 --> 00:14:28,000

national research council of canada

389

00:14:32,150 --> 00:14:30,000

which i guess the closest equivalent

390

00:14:33,269 --> 00:14:32,160

would be the smithsonian

391

00:14:35,829 --> 00:14:33,279

um

392

00:14:39,750 --> 00:14:35,839

was given responsibility to receive and

393

00:14:42,470 --> 00:14:39,760

investigate ufo reports in canada

394

00:14:45,430 --> 00:14:42,480

and um the problem was that they're

395

00:14:47,110 --> 00:14:45,440

based in uh ottawa in the you know in

396

00:14:48,710 --> 00:14:47,120

the government uh center

397

00:14:50,550 --> 00:14:48,720

so they needed a way of getting it

398

00:14:51,670 --> 00:14:50,560

reports from all across the entire

399

00:14:53,990 --> 00:14:51,680

country

400

00:14:56,790 --> 00:14:54,000

and what they had was a very ready-made

401
00:14:57,750 --> 00:14:56,800
system the royal canadian mounted police

402
00:14:59,910 --> 00:14:57,760
has

403
00:15:01,910 --> 00:14:59,920
detachments and offices right across the

404
00:15:03,910 --> 00:15:01,920
country and many many major and smaller

405
00:15:06,790 --> 00:15:03,920
cities and towns

406
00:15:09,670 --> 00:15:06,800
and so they enlisted the the police to

407
00:15:12,069 --> 00:15:09,680
investigate ufo reports from the public

408
00:15:13,910 --> 00:15:12,079
and from pilots and military personnel

409
00:15:15,829 --> 00:15:13,920
and send them into the national research

410
00:15:17,829 --> 00:15:15,839
council who would then take part in some

411
00:15:19,910 --> 00:15:17,839
investigations so that took place

412
00:15:21,430 --> 00:15:19,920
starting in about the 1960s that

413
00:15:25,829 --> 00:15:21,440

remained in place

414

00:15:28,230 --> 00:15:25,839

until about the 19 mid 1990s

415

00:15:31,350 --> 00:15:28,240

and after that we started getting into

416

00:15:33,110 --> 00:15:31,360

transport canada and some of the uh

417

00:15:35,590 --> 00:15:33,120

my involvement a little more directly in

418

00:15:37,350 --> 00:15:35,600

getting cases from national defense

419

00:15:39,670 --> 00:15:37,360

but during that time when the national

420

00:15:41,990 --> 00:15:39,680

research council was investigating

421

00:15:43,110 --> 00:15:42,000

they compiled many many hundreds of

422

00:15:45,350 --> 00:15:43,120

documents

423

00:15:47,030 --> 00:15:45,360

in fact uh at one count there was

424

00:15:50,470 --> 00:15:47,040

something like nine or ten thousand

425

00:15:52,150 --> 00:15:50,480

separate documents about ufos

426
00:15:54,949 --> 00:15:52,160
and um

427
00:15:58,550 --> 00:15:54,959
in a little after the year 2000 maybe

428
00:15:59,430 --> 00:15:58,560
about 2003 2005 into the 2008

429
00:16:01,749 --> 00:15:59,440
um

430
00:16:03,430 --> 00:16:01,759
uh the records for the national research

431
00:16:05,590 --> 00:16:03,440
council of canada

432
00:16:08,790 --> 00:16:05,600
every year were transferred to the

433
00:16:11,350 --> 00:16:08,800
national archives of canada so uh ufo

434
00:16:13,590 --> 00:16:11,360
reports for all of 1972

435
00:16:14,550 --> 00:16:13,600
at the end of 1972 for example went to

436
00:16:19,269 --> 00:16:14,560
the

437
00:16:21,269 --> 00:16:19,279
and

438
00:16:23,030 --> 00:16:21,279

the archives is open to the public a

439

00:16:25,269 --> 00:16:23,040

canadian citizen can walk into the

440

00:16:27,990 --> 00:16:25,279

archives and do research and

441

00:16:30,389 --> 00:16:28,000

i'd like to have people negotiate and

442

00:16:34,069 --> 00:16:30,399

visited i just have to get your official

443

00:16:37,030 --> 00:16:34,079

card uh and uh um you know cass allowed

444

00:16:38,790 --> 00:16:37,040

you to get access to a lot of the files

445

00:16:41,590 --> 00:16:38,800

and so i got access to a lot of the

446

00:16:43,749 --> 00:16:41,600

paper copies of the ufo files

447

00:16:46,150 --> 00:16:43,759

and then

448

00:16:47,269 --> 00:16:46,160

because there is so much interest in the

449

00:16:49,350 --> 00:16:47,279

subject

450

00:16:52,629 --> 00:16:49,360

in the mid-2000s

451
00:16:55,590 --> 00:16:52,639
libraries and archives canada digitized

452
00:16:58,230 --> 00:16:55,600
nine or ten thousand separate documents

453
00:17:00,310 --> 00:16:58,240
from various agencies the air force and

454
00:17:02,949 --> 00:17:00,320
uh national defense and transport and so

455
00:17:04,710 --> 00:17:02,959
forth and made them available online so

456
00:17:05,990 --> 00:17:04,720
a lot of people in canada

457
00:17:09,429 --> 00:17:06,000
grabbed them

458
00:17:12,150 --> 00:17:09,439
and downloaded them i i think uh

459
00:17:14,309 --> 00:17:12,160
the archives for ufos and uh in

460
00:17:16,230 --> 00:17:14,319
scandinavia as i copy

461
00:17:17,909 --> 00:17:16,240
isaac coy as a copy and i think a lot of

462
00:17:19,590 --> 00:17:17,919
other people have copies but there's so

463
00:17:20,309 --> 00:17:19,600

much material in there it's hard to sort

464

00:17:21,270 --> 00:17:20,319

out

465

00:17:24,870 --> 00:17:21,280

so

466

00:17:26,949 --> 00:17:24,880

largely on the national research council

467

00:17:28,309 --> 00:17:26,959

files i delved into

468

00:17:30,070 --> 00:17:28,319

what was there and i went through each

469

00:17:32,390 --> 00:17:30,080

document trying to find some of the more

470

00:17:34,230 --> 00:17:32,400

interesting cases and some evidence of

471

00:17:37,430 --> 00:17:34,240

what really was going on in the canadian

472

00:17:39,350 --> 00:17:37,440

government now i have to say that

473

00:17:41,110 --> 00:17:39,360

there's a phd thesis

474

00:17:44,470 --> 00:17:41,120

by a fellow named matthew hayes which

475

00:17:46,230 --> 00:17:44,480

just came out a few months ago in canada

476
00:17:48,390 --> 00:17:46,240
looking at what the canadian government

477
00:17:50,230 --> 00:17:48,400
really thought about ufos

478
00:17:52,950 --> 00:17:50,240
um and it wasn't very positive but it's

479
00:17:53,990 --> 00:17:52,960
a it's an incredible detailed doctoral

480
00:17:57,029 --> 00:17:54,000
thesis

481
00:17:58,789 --> 00:17:57,039
um and uh you know it is you know it's

482
00:18:00,710 --> 00:17:58,799
uh um

483
00:18:03,029 --> 00:18:00,720
you know one of those uh things that a

484
00:18:04,230 --> 00:18:03,039
good ufologist might get you know as a

485
00:18:06,710 --> 00:18:04,240
as a backup

486
00:18:08,470 --> 00:18:06,720
but in terms of the actual cases because

487
00:18:10,630 --> 00:18:08,480
he was looking at the the letters to and

488
00:18:12,789 --> 00:18:10,640

from various agencies he didn't look too

489

00:18:14,549 --> 00:18:12,799

much into the cases themselves i want to

490

00:18:16,470 --> 00:18:14,559

know are there any interesting cases in

491

00:18:18,390 --> 00:18:16,480

there that that should have been looked

492

00:18:21,029 --> 00:18:18,400

into a little bit more and what happened

493

00:18:22,870 --> 00:18:21,039

to some of the investigations

494

00:18:24,630 --> 00:18:22,880

so i went through every document and i

495

00:18:26,630 --> 00:18:24,640

found some real gems in there and one of

496

00:18:31,590 --> 00:18:26,640

them was this thing called the robertson

497

00:18:35,590 --> 00:18:33,110

when um

498

00:18:38,150 --> 00:18:35,600

the minister of national defense was was

499

00:18:40,230 --> 00:18:38,160

uh leaving his office and a new one was

500

00:18:42,070 --> 00:18:40,240

was coming in the one that was leaving

501
00:18:44,549 --> 00:18:42,080
by the way was paul hellyer who a lot of

502
00:18:45,669 --> 00:18:44,559
ufo types will know

503
00:18:49,029 --> 00:18:45,679
by name

504
00:18:51,350 --> 00:18:49,039
the new one was called leo cadu

505
00:18:54,070 --> 00:18:51,360
and he needed to be brief now this

506
00:18:56,870 --> 00:18:54,080
echoes directly what was going on just

507
00:18:59,350 --> 00:18:56,880
uh just last year of course

508
00:19:01,909 --> 00:18:59,360
and what's curious is we we don't have

509
00:19:04,630 --> 00:19:01,919
the slides from this from that briefing

510
00:19:06,230 --> 00:19:04,640
from 1967 but we have the briefing

511
00:19:10,150 --> 00:19:06,240
itself

512
00:19:13,190 --> 00:19:10,160
and it's amazing it's 28 pages long and

513
00:19:15,990 --> 00:19:13,200

it lays out the policy of national

514

00:19:17,750 --> 00:19:16,000

defense and what to do about ufos it

515

00:19:19,070 --> 00:19:17,760

describes what's going on in the states

516

00:19:20,230 --> 00:19:19,080

it describes

517

00:19:21,350 --> 00:19:20,240

[Music]

518

00:19:24,230 --> 00:19:21,360

some of

519

00:19:26,150 --> 00:19:24,240

the procedures and the analyses and it

520

00:19:29,590 --> 00:19:26,160

has a section in which

521

00:19:31,750 --> 00:19:29,600

they list six cases that can't be

522

00:19:34,549 --> 00:19:31,760

explained in fact uh there's actually a

523

00:19:36,950 --> 00:19:34,559

statement in uh this briefing

524

00:19:38,870 --> 00:19:36,960

where national defense and uh the

525

00:19:42,150 --> 00:19:38,880

orokini and mounted police both say that

526

00:19:44,710 --> 00:19:42,160

some of these cases cannot be explained

527

00:19:47,669 --> 00:19:44,720

and these were the top six cases out of

528

00:19:49,350 --> 00:19:47,679

many hundreds that had been received

529

00:19:52,230 --> 00:19:49,360

and

530

00:19:54,789 --> 00:19:52,240

it's such a very important document that

531

00:19:57,190 --> 00:19:54,799

in the book i insisted that we that the

532

00:19:58,630 --> 00:19:57,200

publisher actually reproduce all 28

533

00:20:00,310 --> 00:19:58,640

pages yeah

534

00:20:02,230 --> 00:20:00,320

of this document so you can see for

535

00:20:04,310 --> 00:20:02,240

yourself which are the most interesting

536

00:20:07,990 --> 00:20:04,320

cases and and the ones that the canadian

537

00:20:10,230 --> 00:20:08,000

government itself couldn't explain

538

00:20:11,270 --> 00:20:10,240

very interesting yeah it's like sort of

539

00:20:13,909 --> 00:20:11,280

to me

540

00:20:17,350 --> 00:20:13,919

echoing either project blue book with

541

00:20:19,549 --> 00:20:17,360

some 700 cases that remain unexplained

542

00:20:22,950 --> 00:20:19,559

or even more currently you know these

543

00:20:27,029 --> 00:20:22,960

144 cases that the us pentagon and

544

00:20:29,270 --> 00:20:27,039

defense agency looked at um 144 and they

545

00:20:31,830 --> 00:20:29,280

were able to explain one you know so

546

00:20:34,390 --> 00:20:31,840

it's very telling in six hey that's a

547

00:20:36,950 --> 00:20:34,400

lot when it comes to national defense

548

00:20:38,870 --> 00:20:36,960

um that's a lot of cases that remain

549

00:20:41,350 --> 00:20:38,880

unsolved and could be a potential threat

550

00:20:42,789 --> 00:20:41,360

in some way shape or form uh

551
00:20:46,070 --> 00:20:42,799
although yeah

552
00:20:47,510 --> 00:20:46,080
although i'll quibble with the 144 okay

553
00:20:49,110 --> 00:20:47,520
in that if you actually read what's in

554
00:20:51,190 --> 00:20:49,120
the task force it doesn't say that those

555
00:20:53,350 --> 00:20:51,200
ones couldn't be explained what it says

556
00:20:54,789 --> 00:20:53,360
if you really look at the the paragraph

557
00:20:55,830 --> 00:20:54,799
a little bit below there it says these

558
00:20:57,590 --> 00:20:55,840
are the ones

559
00:20:59,350 --> 00:20:57,600
um that

560
00:21:01,590 --> 00:20:59,360
for the most part didn't have enough

561
00:21:03,750 --> 00:21:01,600
information in order to explain them in

562
00:21:05,190 --> 00:21:03,760
other words they had a uh an idea

563
00:21:06,789 --> 00:21:05,200

perhaps that they were a balloon or a

564

00:21:08,789 --> 00:21:06,799

plane or something but didn't couldn't

565

00:21:10,710 --> 00:21:08,799

uh identify exactly which plane or

566

00:21:13,430 --> 00:21:10,720

balloon or whatever except for the one

567

00:21:15,669 --> 00:21:13,440

that was a deflating balloon right um

568

00:21:17,590 --> 00:21:15,679

and that's different because in the

569

00:21:19,669 --> 00:21:17,600

robertson briefing in canada they

570

00:21:21,750 --> 00:21:19,679

actually talk about how many cases had

571

00:21:23,990 --> 00:21:21,760

actually been received and which ones

572

00:21:26,070 --> 00:21:24,000

fell into the interesting

573

00:21:27,510 --> 00:21:26,080

uh and don't seem to have an explanation

574

00:21:29,510 --> 00:21:27,520

but we don't have enough

575

00:21:31,350 --> 00:21:29,520

information to say for sure

576

00:21:34,070 --> 00:21:31,360

and so that's that's the equivalent

577

00:21:36,549 --> 00:21:34,080

there uh so there certainly were many

578

00:21:38,390 --> 00:21:36,559

more cases in canada noted in the

579

00:21:40,549 --> 00:21:38,400

robertson briefing that were of the

580

00:21:41,750 --> 00:21:40,559

quality of what was noted in the uap

581

00:21:44,789 --> 00:21:41,760

task force

582

00:21:46,470 --> 00:21:44,799

but uh uh there were only those six that

583

00:21:47,909 --> 00:21:46,480

they said we really don't know which

584

00:21:49,830 --> 00:21:47,919

ones those are

585

00:21:52,310 --> 00:21:49,840

gotcha that thank you for clearing that

586

00:21:54,470 --> 00:21:52,320

up that actually makes a lot more sense

587

00:21:57,270 --> 00:21:54,480

now that i think about it um well you

588

00:21:58,549 --> 00:21:57,280

know in that comparison chris um those

589

00:22:01,590 --> 00:21:58,559

six cases

590

00:22:03,750 --> 00:22:01,600

what for you were some of the most uh

591

00:22:04,950 --> 00:22:03,760

intriguing or telling cases that really

592

00:22:07,350 --> 00:22:04,960

made you think

593

00:22:09,669 --> 00:22:07,360

that this yeah this is one that really

594

00:22:11,350 --> 00:22:09,679

needs to get out there and um we should

595

00:22:13,350 --> 00:22:11,360

probably find the answers to any really

596

00:22:15,350 --> 00:22:13,360

stick out in your mind

597

00:22:17,350 --> 00:22:15,360

well there's two that might be familiar

598

00:22:18,310 --> 00:22:17,360

to some of your

599

00:22:20,630 --> 00:22:18,320

viewers

600

00:22:22,950 --> 00:22:20,640

one is the falcon lake case uh which

601
00:22:25,510 --> 00:22:22,960
happened in 1967 and shag harbor which

602
00:22:29,110 --> 00:22:25,520
also happened in 1967.

603
00:22:31,029 --> 00:22:29,120
um very briefly falcon lake was

604
00:22:33,909 --> 00:22:31,039
where a fellow was a bit of a rock hound

605
00:22:37,110 --> 00:22:33,919
he's described as an amateur prospector

606
00:22:38,789 --> 00:22:37,120
um was in this area in manitoba uh very

607
00:22:42,230 --> 00:22:38,799
rocky very rugged

608
00:22:44,230 --> 00:22:42,240
um he was chipping away at a rock stop

609
00:22:46,230 --> 00:22:44,240
for lunch in the middle of the day and

610
00:22:48,950 --> 00:22:46,240
he saw what can only be described as

611
00:22:52,149 --> 00:22:48,960
hollywood style flying saucers descend

612
00:22:56,470 --> 00:22:52,159
one landed on a a rock flat rock

613
00:22:59,510 --> 00:22:56,480

outcropping 150 away 150 feet away or so

614

00:23:02,149 --> 00:22:59,520

um it was domed disc shaped uh lights

615

00:23:04,470 --> 00:23:02,159

coming from it uh had a little door

616

00:23:06,230 --> 00:23:04,480

um that opened on one side from which

617

00:23:07,750 --> 00:23:06,240

more light came out

618

00:23:11,270 --> 00:23:07,760

and then there was sort of an exhaust

619

00:23:12,549 --> 00:23:11,280

vent like a grill or something uh off to

620

00:23:15,110 --> 00:23:12,559

one side

621

00:23:16,950 --> 00:23:15,120

and he at first um

622

00:23:19,270 --> 00:23:16,960

didn't think it was anything from outer

623

00:23:20,390 --> 00:23:19,280

space he thought it was some sort of uh

624

00:23:22,549 --> 00:23:20,400

american

625

00:23:24,630 --> 00:23:22,559

uh secret landing vehicle in fact this

626
00:23:26,950 --> 00:23:24,640
was just about the time when the apollo

627
00:23:30,390 --> 00:23:26,960
program was starting up uh the tragic

628
00:23:32,470 --> 00:23:30,400
apollo 1 had just occurred

629
00:23:33,909 --> 00:23:32,480
and um

630
00:23:35,029 --> 00:23:33,919
there was this possibility of landing on

631
00:23:36,789 --> 00:23:35,039
the moon so we thought maybe this was

632
00:23:38,549 --> 00:23:36,799
something for the americans that you

633
00:23:40,789 --> 00:23:38,559
know went astray or are they flying it

634
00:23:42,789 --> 00:23:40,799
over canada and it broke down so because

635
00:23:44,070 --> 00:23:42,799
he thought it was an american device he

636
00:23:45,350 --> 00:23:44,080
walked up to

637
00:23:47,590 --> 00:23:45,360
uh

638
00:23:49,830 --> 00:23:47,600

this after a while because he heard some

639

00:23:51,750 --> 00:23:49,840

voices coming from inside from through

640

00:23:53,590 --> 00:23:51,760

this doorway thinking he was an american

641

00:23:55,830 --> 00:23:53,600

uh ship

642

00:23:57,350 --> 00:23:55,840

and he called out hey you know yankee

643

00:23:59,590 --> 00:23:57,360

boys i'll give you a hand fixing your

644

00:24:01,750 --> 00:23:59,600

broken down flying machine

645

00:24:03,909 --> 00:24:01,760

and the voices stopped and he thought oh

646

00:24:05,669 --> 00:24:03,919

it's not american it's russian so he

647

00:24:07,510 --> 00:24:05,679

called out because it happened to be to

648

00:24:08,950 --> 00:24:07,520

be a bit of a polyglot he had been in

649

00:24:11,430 --> 00:24:08,960

the military as well

650

00:24:13,269 --> 00:24:11,440

uh in in a couple of other languages

651
00:24:15,190 --> 00:24:13,279
nothing but by this time he was standing

652
00:24:17,350 --> 00:24:15,200
in front of it he touched the side of it

653
00:24:20,710 --> 00:24:17,360
when he bent to look in the this little

654
00:24:23,590 --> 00:24:20,720
doorway his gloved hand which was uh

655
00:24:27,029 --> 00:24:23,600
covered in a rubberized glove

656
00:24:29,029 --> 00:24:27,039
it melted um this door shut the

657
00:24:31,269 --> 00:24:29,039
entire thing rotated so there's this

658
00:24:33,669 --> 00:24:31,279
exhaust vent right in front of him out

659
00:24:35,190 --> 00:24:33,679
comes a blast of hot gas setting his

660
00:24:37,110 --> 00:24:35,200
clothes on fire setting fire to the

661
00:24:38,390 --> 00:24:37,120
leaves and pine needles around him the

662
00:24:39,669 --> 00:24:38,400
thing took so

663
00:24:40,549 --> 00:24:39,679

took off

664

00:24:46,870 --> 00:24:40,559

um

665

00:24:48,630 --> 00:24:46,880

tries to stamp out the little fire

666

00:24:50,870 --> 00:24:48,640

that's smoldering

667

00:24:52,630 --> 00:24:50,880

and he manages to get back to

668

00:24:54,950 --> 00:24:52,640

civilization

669

00:24:57,510 --> 00:24:54,960

uh and he went to emergency at the

670

00:24:58,390 --> 00:24:57,520

hospital where he was treated for burns

671

00:25:02,070 --> 00:24:58,400

and

672

00:25:03,510 --> 00:25:02,080

the royal canadian air force both

673

00:25:06,630 --> 00:25:03,520

investigated

674

00:25:08,549 --> 00:25:06,640

and they found the site uh where

675

00:25:11,269 --> 00:25:08,559

something had been you know there that

676
00:25:12,789 --> 00:25:11,279
were burned uh pine needles and leaves

677
00:25:15,430 --> 00:25:12,799
in a circle

678
00:25:17,110 --> 00:25:15,440
also there is radioactive material found

679
00:25:20,549 --> 00:25:17,120
at the site as well

680
00:25:22,789 --> 00:25:20,559
and all of this is documented

681
00:25:23,909 --> 00:25:22,799
in these files

682
00:25:26,870 --> 00:25:23,919
and

683
00:25:30,149 --> 00:25:26,880
there's the interrogation of the witness

684
00:25:31,909 --> 00:25:30,159
his family uh the the people who ran the

685
00:25:33,750 --> 00:25:31,919
hotel uh

686
00:25:36,470 --> 00:25:33,760
where he had stayed overnight uh the

687
00:25:39,350 --> 00:25:36,480
bartender like in everybody uh people

688
00:25:41,190 --> 00:25:39,360

followed his kids home from school

689

00:25:43,669 --> 00:25:41,200

they talked to his place of work there

690

00:25:46,070 --> 00:25:43,679

was an analysis of the radioactive

691

00:25:47,190 --> 00:25:46,080

material found at the site and then in

692

00:25:49,190 --> 00:25:47,200

addition

693

00:25:50,710 --> 00:25:49,200

a year later he went back to the site

694

00:25:53,269 --> 00:25:50,720

and dug a little bit further into the

695

00:25:54,950 --> 00:25:53,279

rock through some cracks and he found

696

00:25:57,590 --> 00:25:54,960

radioactive

697

00:25:59,990 --> 00:25:57,600

metal that appeared to have been melted

698

00:26:01,350 --> 00:26:00,000

and melted into these cracks

699

00:26:04,070 --> 00:26:01,360

and

700

00:26:07,510 --> 00:26:04,080

that material was also tested not only

701
00:26:09,750 --> 00:26:07,520
by canadian laboratories but also

702
00:26:11,750 --> 00:26:09,760
i think the university of illinois took

703
00:26:14,070 --> 00:26:11,760
a crack at it i think it was sent down

704
00:26:15,669 --> 00:26:14,080
to april the lorenzen's had

705
00:26:17,510 --> 00:26:15,679
some analysis done

706
00:26:19,830 --> 00:26:17,520
you know we have the the actual

707
00:26:22,310 --> 00:26:19,840
metallurgical analysis of this

708
00:26:24,710 --> 00:26:22,320
uh the the fact that was radioactive

709
00:26:27,190 --> 00:26:24,720
plus we have the

710
00:26:29,110 --> 00:26:27,200
uh the medical records he went to the

711
00:26:31,590 --> 00:26:29,120
mayo clinic we have the mayo clinic

712
00:26:34,789 --> 00:26:31,600
records this is probably one of the best

713
00:26:36,310 --> 00:26:34,799

documented cases in all of ufology the

714

00:26:37,750 --> 00:26:36,320

only thing prob the only problem with it

715

00:26:39,750 --> 00:26:37,760

is a single witness case that yet we

716

00:26:41,669 --> 00:26:39,760

have so much physical evidence throw

717

00:26:43,990 --> 00:26:41,679

that out the window

718

00:26:44,789 --> 00:26:44,000

and the the government says it doesn't

719

00:26:47,510 --> 00:26:44,799

know

720

00:26:50,310 --> 00:26:47,520

what happened it cannot cannot explain

721

00:26:51,830 --> 00:26:50,320

it that's just one of the cases of the

722

00:26:53,909 --> 00:26:51,840

six that they thought were was pretty

723

00:26:55,350 --> 00:26:53,919

profound and it gives you an idea of the

724

00:26:56,549 --> 00:26:55,360

quality of some of the cases that are in

725

00:26:59,909 --> 00:26:56,559

these files

726

00:27:02,950 --> 00:26:59,919

right yeah again quality over quantity i

727

00:27:04,710 --> 00:27:02,960

think is the key thing here um and we

728

00:27:08,710 --> 00:27:04,720

should mention that book right behind

729

00:27:11,510 --> 00:27:08,720

you you co-wrote with uh was it his son

730

00:27:13,909 --> 00:27:11,520

uh the witness was that yeah okay

731

00:27:16,070 --> 00:27:13,919

yeah when they appeared wonderful i

732

00:27:18,149 --> 00:27:16,080

highly suggest people check it out

733

00:27:19,909 --> 00:27:18,159

yeah just a handful of years ago i

734

00:27:21,909 --> 00:27:19,919

co-wrote the book with this witness's

735

00:27:23,669 --> 00:27:21,919

son when they appeared

736

00:27:25,510 --> 00:27:23,679

the title has nothing to do with aliens

737

00:27:28,070 --> 00:27:25,520

but it has to do with the fact that

738

00:27:31,190 --> 00:27:28,080

military people showed up on the this

739

00:27:32,149 --> 00:27:31,200

family's doorstep uh spent many days and

740

00:27:32,950 --> 00:27:32,159

nights

741

00:27:37,750 --> 00:27:32,960

uh

742

00:27:39,830 --> 00:27:37,760

quite an ordeal for the family it's an

743

00:27:41,830 --> 00:27:39,840

in-depth study of what happens to a

744

00:27:43,430 --> 00:27:41,840

witness of a ufo

745

00:27:44,950 --> 00:27:43,440

yep and again that's what we're all

746

00:27:48,070 --> 00:27:44,960

about here at somewhere in the skies

747

00:27:50,389 --> 00:27:48,080

it's kind of that human humanistic uh

748

00:27:52,070 --> 00:27:50,399

lens in which to look at these phenomena

749

00:27:54,070 --> 00:27:52,080

and how it impacts people's lives but

750

00:27:55,510 --> 00:27:54,080

not just the witness their family you

751
00:27:58,230 --> 00:27:55,520
know like you said the children were

752
00:28:00,950 --> 00:27:58,240
very traumatized by all the attention

753
00:28:03,190 --> 00:28:00,960
the father got about this and you know

754
00:28:05,909 --> 00:28:03,200
all these government people hounding

755
00:28:08,230 --> 00:28:05,919
them and and news reporters skeptics

756
00:28:10,950 --> 00:28:08,240
believers everything in between um it

757
00:28:12,870 --> 00:28:10,960
does take a toll on on people's lives

758
00:28:15,110 --> 00:28:12,880
even if they weren't directly involved

759
00:28:17,110 --> 00:28:15,120
so yeah again that's what i love about

760
00:28:18,389 --> 00:28:17,120
that case and it was really cool to know

761
00:28:20,549 --> 00:28:18,399
that some of these declassified

762
00:28:22,549 --> 00:28:20,559
documents were pertaining to the falcon

763
00:28:24,470 --> 00:28:22,559

lake incident which i in the united

764

00:28:27,909 --> 00:28:24,480

states feel doesn't get the recognition

765

00:28:30,470 --> 00:28:27,919

it truly deserves uh it should be more

766

00:28:32,310 --> 00:28:30,480

well-known than a lot of american ufo

767

00:28:34,789 --> 00:28:32,320

cases but yeah

768

00:28:35,990 --> 00:28:34,799

such as the way the media works

769

00:28:39,269 --> 00:28:36,000

as a matter of fact the site is

770

00:28:41,590 --> 00:28:39,279

accessible and um it's not quite at the

771

00:28:44,789 --> 00:28:41,600

level of roswell but uh the town

772

00:28:46,389 --> 00:28:44,799

actually sells t-shirts and mugs and all

773

00:28:48,710 --> 00:28:46,399

that sort of stuff they're working on a

774

00:28:50,789 --> 00:28:48,720

marker and that type of thing and it's

775

00:28:51,990 --> 00:28:50,799

curious also that it's in an isolated

776

00:28:54,789 --> 00:28:52,000

area i mean

777

00:28:56,470 --> 00:28:54,799

uh it's hard to get to in fact i'm going

778

00:28:59,510 --> 00:28:56,480

out there next week

779

00:29:01,350 --> 00:28:59,520

um with a a tour group

780

00:29:03,909 --> 00:29:01,360

and the only way in that's really

781

00:29:06,549 --> 00:29:03,919

practical is to go in by horseback and

782

00:29:08,950 --> 00:29:06,559

it's a 45 minute horse ride horseback

783

00:29:10,950 --> 00:29:08,960

ride in and a 45

784

00:29:13,430 --> 00:29:10,960

minute horseback ride out over some

785

00:29:16,149 --> 00:29:13,440

pretty rugged terrain this isn't ponies

786

00:29:18,389 --> 00:29:16,159

following one another this is this is uh

787

00:29:20,310 --> 00:29:18,399

cl horses climbing rock cliffs and

788

00:29:21,830 --> 00:29:20,320

things like that so it's wow it's quite

789

00:29:24,389 --> 00:29:21,840

a challenge

790

00:29:29,430 --> 00:29:24,399

i love that boots on the ground if i've

791

00:29:34,870 --> 00:29:31,590

hey guys ryan here the summer in the

792

00:29:37,029 --> 00:29:34,880

skies podcast is a labor of love every

793

00:29:39,510 --> 00:29:37,039

week and with that comes many different

794

00:29:42,149 --> 00:29:39,520

costs to keep the show running that's

795

00:29:44,310 --> 00:29:42,159

where our patreon campaign comes in you

796

00:29:46,630 --> 00:29:44,320

give what you think the show is worth

797

00:29:48,549 --> 00:29:46,640

there's different rewards available all

798

00:29:51,110 --> 00:29:48,559

the time including shout outs on the

799

00:29:53,909 --> 00:29:51,120

show early editions of main episodes

800

00:29:56,470 --> 00:29:53,919

bonus episodes and content and very soon

801
00:29:59,750 --> 00:29:56,480
monthly patron hangouts where we sit

802
00:30:01,510 --> 00:29:59,760
back and chat all things ufos so i hope

803
00:30:04,070 --> 00:30:01,520
you'll consider becoming a patreon

804
00:30:07,830 --> 00:30:04,080
subscriber today to learn more and to

805
00:30:10,310 --> 00:30:07,840
join visit patreon.com

806
00:30:18,149 --> 00:30:10,320
skies thank you for your support and

807
00:30:22,230 --> 00:30:20,470
well i mean falcon lake that's one thing

808
00:30:24,149 --> 00:30:22,240
but another case that caught my

809
00:30:26,389 --> 00:30:24,159
attention in the book was something that

810
00:30:28,870 --> 00:30:26,399
happened at clan lake

811
00:30:31,669 --> 00:30:28,880
not an area i'm familiar with and we're

812
00:30:34,710 --> 00:30:31,679
talking again physical evidence trace

813
00:30:37,430 --> 00:30:34,720

evidence left behind by these ufo events

814

00:30:39,669 --> 00:30:37,440

and were documented in some way shape or

815

00:30:42,630 --> 00:30:39,679

form by official

816

00:30:45,110 --> 00:30:42,640

uh investigators and and and documents

817

00:30:46,710 --> 00:30:45,120

were created so um yeah would you mind

818

00:30:48,710 --> 00:30:46,720

maybe briefly running us through the

819

00:30:49,590 --> 00:30:48,720

clan lake incident and why you thought

820

00:30:52,310 --> 00:30:49,600

it was

821

00:30:54,230 --> 00:30:52,320

integral to including in the book

822

00:30:56,230 --> 00:30:54,240

sure clan lake is in the northwest

823

00:30:58,549 --> 00:30:56,240

territories of canada so it's uh it's

824

00:31:02,149 --> 00:30:58,559

quite a bit far north

825

00:31:05,990 --> 00:31:02,159

again and in particularly a very very

826

00:31:08,070 --> 00:31:06,000

isolated area fly-in only and as a

827

00:31:10,070 --> 00:31:08,080

matter of fact this was 1960 so you're

828

00:31:11,830 --> 00:31:10,080

going back a few years but

829

00:31:12,710 --> 00:31:11,840

but bear with me here

830

00:31:15,029 --> 00:31:12,720

that

831

00:31:16,789 --> 00:31:15,039

a hunter had been dropped off by a float

832

00:31:18,549 --> 00:31:16,799

plane and they were going to leave him

833

00:31:20,470 --> 00:31:18,559

there for a week or two and then come

834

00:31:22,630 --> 00:31:20,480

back and get him so he had us all his

835

00:31:26,549 --> 00:31:22,640

provisions the plane had just left and

836

00:31:28,870 --> 00:31:26,559

as he is working on his his camp

837

00:31:30,389 --> 00:31:28,880

um he hears a loud

838

00:31:32,149 --> 00:31:30,399

rumbling noise and he thought another

839

00:31:33,750 --> 00:31:32,159

float plane is coming by he looks up

840

00:31:36,310 --> 00:31:33,760

can't see anything

841

00:31:37,669 --> 00:31:36,320

uh turns his back to the lake

842

00:31:38,470 --> 00:31:37,679

to the lake because he's working on his

843

00:31:40,870 --> 00:31:38,480

camp

844

00:31:44,230 --> 00:31:40,880

and he hears something whistling coming

845

00:31:45,110 --> 00:31:44,240

down behind him he turns just in time to

846

00:31:47,590 --> 00:31:45,120

see

847

00:31:49,269 --> 00:31:47,600

something metallic with spikes

848

00:31:51,990 --> 00:31:49,279

spinning and spinning and spinning

849

00:31:54,789 --> 00:31:52,000

descending onto the lake and as it hits

850

00:31:57,669 --> 00:31:54,799

the lake it splashes and throws water in

851
00:31:59,909 --> 00:31:57,679
all directions and slowly spins slower

852
00:32:02,310 --> 00:31:59,919
and slower and goes below the surface of

853
00:32:07,269 --> 00:32:05,509
so he uh boats over to where this hap

854
00:32:10,710 --> 00:32:07,279
where he saw this

855
00:32:12,149 --> 00:32:10,720
and uh in you could see that the reeds

856
00:32:13,830 --> 00:32:12,159
in the marshy area at the side of the

857
00:32:17,269 --> 00:32:13,840
lake had been torn out and there seems

858
00:32:19,830 --> 00:32:17,279
to be a big muddy gouge under the water

859
00:32:21,750 --> 00:32:19,840
uh and he took one of his uh his paddles

860
00:32:23,509 --> 00:32:21,760
and was poking the the bottom to see if

861
00:32:25,269 --> 00:32:23,519
he could touch anything but couldn't

862
00:32:26,870 --> 00:32:25,279
touch anything

863
00:32:30,950 --> 00:32:26,880

and there was nothing else he could do

864

00:32:31,830 --> 00:32:30,960

so he kind of went back to hunting

865

00:32:35,750 --> 00:32:31,840

and

866

00:32:37,669 --> 00:32:35,760

civilization he went to the royal

867

00:32:39,830 --> 00:32:37,679

canadian mounted police office

868

00:32:41,669 --> 00:32:39,840

explained what had happened and the

869

00:32:43,750 --> 00:32:41,679

mounties thought oh maybe a plane went

870

00:32:47,029 --> 00:32:43,760

down or you know a chunk of a plane or

871

00:32:49,190 --> 00:32:47,039

something so they flew back with him and

872

00:32:51,509 --> 00:32:49,200

they probed with some long poles again

873

00:32:53,750 --> 00:32:51,519

they couldn't find anything

874

00:32:56,389 --> 00:32:53,760

um but they informed the national

875

00:32:57,750 --> 00:32:56,399

research council about this as well

876

00:33:00,149 --> 00:32:57,760

and the national research council

877

00:33:01,669 --> 00:33:00,159

thought maybe it was a meteorite

878

00:33:03,590 --> 00:33:01,679

that you know

879

00:33:06,070 --> 00:33:03,600

very bright and

880

00:33:08,070 --> 00:33:06,080

had fallen and maybe it was spinning

881

00:33:09,909 --> 00:33:08,080

when it came in

882

00:33:11,750 --> 00:33:09,919

but there is some discussion about what

883

00:33:14,149 --> 00:33:11,760

to do by this time it was starting to be

884

00:33:15,990 --> 00:33:14,159

fall and the lake was going to freeze

885

00:33:17,430 --> 00:33:16,000

they left into the spring

886

00:33:19,190 --> 00:33:17,440

in the spring they were trying to get a

887

00:33:20,950 --> 00:33:19,200

scientist out with a

888

00:33:23,029 --> 00:33:20,960

magnetic field detector to see if they

889

00:33:25,029 --> 00:33:23,039

could spot it and this went on actually

890

00:33:27,190 --> 00:33:25,039

for many many months eventually they

891

00:33:29,430 --> 00:33:27,200

said you know what let's just leave it

892

00:33:31,110 --> 00:33:29,440

let's just forget all about it

893

00:33:34,230 --> 00:33:31,120

which i thought was kind of curious

894

00:33:36,710 --> 00:33:34,240

because number one if it's a meteor or

895

00:33:38,310 --> 00:33:36,720

meteorite that large you'd think that

896

00:33:39,590 --> 00:33:38,320

science would be all over this thing

897

00:33:40,870 --> 00:33:39,600

right you'd think that this would be

898

00:33:43,350 --> 00:33:40,880

invaluable

899

00:33:44,789 --> 00:33:43,360

okay maybe it was a satellite a chunk of

900

00:33:47,830 --> 00:33:44,799

a satellite

901
00:33:49,590 --> 00:33:47,840
well if it wasn't our satellite it was

902
00:33:52,230 --> 00:33:49,600
their satellite and you'd think that

903
00:33:53,750 --> 00:33:52,240
you'd want to retrieve that too and yet

904
00:33:56,950 --> 00:33:53,760
there is no attempt

905
00:33:58,630 --> 00:33:56,960
after uh you know 18 months or so and

906
00:34:00,389 --> 00:33:58,640
the whole thing was forgotten and only

907
00:34:02,149 --> 00:34:00,399
found through an examination of some of

908
00:34:04,389 --> 00:34:02,159
these documents so you wonder what was

909
00:34:06,549 --> 00:34:04,399
really going on what was found what you

910
00:34:08,950 --> 00:34:06,559
know was anything going to be found

911
00:34:12,230 --> 00:34:08,960
uh what was this because

912
00:34:13,270 --> 00:34:12,240
there actually is kind of a a sequel to

913
00:34:16,629 --> 00:34:13,280

this

914

00:34:19,430 --> 00:34:16,639

um in that i'm in the 1980s

915

00:34:22,470 --> 00:34:19,440

a russian satellite crashed in the

916

00:34:24,790 --> 00:34:22,480

northwest territories not all that far

917

00:34:27,750 --> 00:34:24,800

away from from this spot

918

00:34:30,310 --> 00:34:27,760

it was cosmos 954

919

00:34:33,589 --> 00:34:30,320

and it was a fairly large russian

920

00:34:35,990 --> 00:34:33,599

satellite that had a nuclear

921

00:34:38,149 --> 00:34:36,000

power source on board

922

00:34:41,190 --> 00:34:38,159

and when it crashed into a you know

923

00:34:44,629 --> 00:34:41,200

thankfully relatively unpopulated area

924

00:34:47,349 --> 00:34:44,639

um uh it it you know crashed and split

925

00:34:49,990 --> 00:34:47,359

apart into many many pieces

926
00:34:52,389 --> 00:34:50,000
but many of the pieces were radioactive

927
00:34:54,389 --> 00:34:52,399
so the united states

928
00:34:56,149 --> 00:34:54,399
and canada both went into a joint

929
00:34:57,109 --> 00:34:56,159
retrieval operation

930
00:34:58,310 --> 00:34:57,119
um

931
00:35:01,829 --> 00:34:58,320
they

932
00:35:03,589 --> 00:35:01,839
the largest piece was the size of a

933
00:35:04,950 --> 00:35:03,599
refrigerator the smallest was the head

934
00:35:05,910 --> 00:35:04,960
of a pin

935
00:35:08,390 --> 00:35:05,920
uh the

936
00:35:10,870 --> 00:35:08,400
operation took many many weeks there

937
00:35:12,790 --> 00:35:10,880
were actually some uh some settlements

938
00:35:14,870 --> 00:35:12,800

some some people were living in the area

939

00:35:16,550 --> 00:35:14,880

they had to be tested and examined

940

00:35:18,230 --> 00:35:16,560

there's some current concern about

941

00:35:20,870 --> 00:35:18,240

environmental effects

942

00:35:22,790 --> 00:35:20,880

uh i think there was like a very rare

943

00:35:25,510 --> 00:35:22,800

heron or something that that there was

944

00:35:27,829 --> 00:35:25,520

its uh nesting grounds that was affected

945

00:35:29,990 --> 00:35:27,839

things like that um and it caused quite

946

00:35:31,750 --> 00:35:30,000

a concern it was a huge investigation as

947

00:35:32,710 --> 00:35:31,760

a matter of fact russia was handed a

948

00:35:34,390 --> 00:35:32,720

bill for

949

00:35:37,349 --> 00:35:34,400

uh several hundred thousand dollars

950

00:35:39,190 --> 00:35:37,359

which it never paid but um but it was

951
00:35:40,870 --> 00:35:39,200
quite a quite an operation and it was

952
00:35:43,990 --> 00:35:40,880
fully documented

953
00:35:46,069 --> 00:35:44,000
and this document is available as well

954
00:35:47,589 --> 00:35:46,079
and that's from a satellite and they

955
00:35:48,630 --> 00:35:47,599
retrieve things as small as the head of

956
00:35:51,349 --> 00:35:48,640
a pin

957
00:35:52,870 --> 00:35:51,359
and yet whatever happened in 1960 at

958
00:35:56,470 --> 00:35:52,880
clan lake

959
00:35:59,430 --> 00:35:56,480
they gave up on why i don't know

960
00:36:01,270 --> 00:35:59,440
that is very interesting i didn't know

961
00:36:03,349 --> 00:36:01,280
about the follow-up so yeah it does

962
00:36:06,390 --> 00:36:03,359
truly make you wonder what happened

963
00:36:07,750 --> 00:36:06,400

decades before that wow um that's really

964

00:36:10,230 --> 00:36:07,760

cool really cool and again we have the

965

00:36:12,390 --> 00:36:10,240

documents to back this up which is why i

966

00:36:13,109 --> 00:36:12,400

love the book so much um

967

00:36:14,710 --> 00:36:13,119

well

968

00:36:16,710 --> 00:36:14,720

physical effects chris that's something

969

00:36:18,950 --> 00:36:16,720

i want to talk to you about too uh we

970

00:36:20,870 --> 00:36:18,960

just had a story come out here in the

971

00:36:23,430 --> 00:36:20,880

states recently that the pentagon did

972

00:36:26,550 --> 00:36:23,440

look into physical effects on witnesses

973

00:36:29,109 --> 00:36:26,560

when it comes to seeing ufos or claimed

974

00:36:30,950 --> 00:36:29,119

close encounters whether it's um you

975

00:36:35,030 --> 00:36:30,960

know some say they were paralyzed by

976
00:36:36,790 --> 00:36:35,040
ufos or there was brain damage or uh

977
00:36:40,470 --> 00:36:36,800
stuff like that that happened to them

978
00:36:43,349 --> 00:36:40,480
after seeing a ufo um i'm curious did

979
00:36:46,310 --> 00:36:43,359
you come across any cases like that um

980
00:36:47,270 --> 00:36:46,320
within these files or or just cases in

981
00:36:49,910 --> 00:36:47,280
general

982
00:36:52,950 --> 00:36:49,920
uh that you know of where people were

983
00:36:55,430 --> 00:36:52,960
physically and sometimes dramatically

984
00:36:57,829 --> 00:36:55,440
affected by these ufos they were seeing

985
00:36:59,109 --> 00:36:57,839
anything in the files like that

986
00:37:01,430 --> 00:36:59,119
actually there's quite a lot in the

987
00:37:02,870 --> 00:37:01,440
files like that apart from the one that

988
00:37:05,190 --> 00:37:02,880

i just mentioned falcon lake where the

989

00:37:07,430 --> 00:37:05,200

fellow was physically burned and he also

990

00:37:08,550 --> 00:37:07,440

had some chemical burns uh on his

991

00:37:09,829 --> 00:37:08,560

abdomen

992

00:37:11,829 --> 00:37:09,839

i think the thing to note about some of

993

00:37:12,710 --> 00:37:11,839

these claimed effects a lot of them came

994

00:37:15,109 --> 00:37:12,720

from

995

00:37:17,430 --> 00:37:15,119

i think john schussler's potpourri where

996

00:37:18,790 --> 00:37:17,440

it was sort of a a collection of stories

997

00:37:20,790 --> 00:37:18,800

that he had heard and none of them were

998

00:37:23,349 --> 00:37:20,800

actually documented and it was included

999

00:37:25,750 --> 00:37:23,359

as a as kind of a note and an appendix

1000

00:37:26,870 --> 00:37:25,760

and that made it into a report about uap

1001

00:37:29,190 --> 00:37:26,880

so

1002

00:37:31,430 --> 00:37:29,200

you know there are cases like that uh

1003

00:37:33,510 --> 00:37:31,440

although this particular report that was

1004

00:37:36,630 --> 00:37:33,520

referenced isn't the best source for

1005

00:37:39,109 --> 00:37:36,640

that but we do have documents in canada

1006

00:37:41,109 --> 00:37:39,119

at least uh that testify to this in

1007

00:37:43,270 --> 00:37:41,119

addition to the falcon lake case

1008

00:37:46,470 --> 00:37:43,280

um there were

1009

00:37:49,349 --> 00:37:46,480

a case in uh rivers manitoba actually uh

1010

00:37:51,190 --> 00:37:49,359

armed forces personnel were involved

1011

00:37:53,589 --> 00:37:51,200

there were eight or nine military

1012

00:37:55,430 --> 00:37:53,599

personnel who all reported a a loud

1013

00:37:56,710 --> 00:37:55,440

rumbling noise and a bright light

1014

00:37:59,510 --> 00:37:56,720

descended

1015

00:38:01,430 --> 00:37:59,520

there was actually a a soldier who was

1016

00:38:03,750 --> 00:38:01,440

driving with his girlfriend he was off

1017

00:38:06,550 --> 00:38:03,760

duty or off hours

1018

00:38:08,470 --> 00:38:06,560

and uh he's driving in in the car with

1019

00:38:09,829 --> 00:38:08,480

his girlfriend and this object came over

1020

00:38:11,910 --> 00:38:09,839

his car

1021

00:38:15,589 --> 00:38:11,920

there was a bright intense light and

1022

00:38:17,670 --> 00:38:15,599

this heat that enveloped the entire car

1023

00:38:19,349 --> 00:38:17,680

when he got back to the base the car was

1024

00:38:20,870 --> 00:38:19,359

impounded

1025

00:38:24,630 --> 00:38:20,880

by the motor pool

1026

00:38:25,670 --> 00:38:24,640

uh the the auto body uh officer

1027

00:38:27,510 --> 00:38:25,680

said that

1028

00:38:29,349 --> 00:38:27,520

there was some some dust on the car he

1029

00:38:31,349 --> 00:38:29,359

had never been see had seen anything

1030

00:38:34,630 --> 00:38:31,359

like it before there was some bubbling

1031

00:38:36,150 --> 00:38:34,640

of the paint uh that was on the on this

1032

00:38:38,310 --> 00:38:36,160

particular car

1033

00:38:40,150 --> 00:38:38,320

um and you know there there are quite a

1034

00:38:41,990 --> 00:38:40,160

few interesting cases like that a lot of

1035

00:38:44,870 --> 00:38:42,000

tidbits where people seem to have been

1036

00:38:47,589 --> 00:38:44,880

affected uh and felt some effects from

1037

00:38:48,710 --> 00:38:47,599

the uh from the uh the case there was a

1038

00:38:50,790 --> 00:38:48,720

case in

1039

00:38:53,270 --> 00:38:50,800

uh i believe it was nova scotia where

1040

00:38:56,069 --> 00:38:53,280

there was a train uh a train man

1041

00:38:58,230 --> 00:38:56,079

actually on the caboose i believe who uh

1042

00:39:00,550 --> 00:38:58,240

an object swooped over the

1043

00:39:02,550 --> 00:39:00,560

uh the train as it was traveling and he

1044

00:39:04,230 --> 00:39:02,560

felt some intense heat there's even a

1045

00:39:05,589 --> 00:39:04,240

case that i document in the book of a

1046

00:39:06,630 --> 00:39:05,599

veterinary

1047

00:39:07,829 --> 00:39:06,640

effect

1048

00:39:09,349 --> 00:39:07,839

where

1049

00:39:11,430 --> 00:39:09,359

a woman

1050

00:39:12,470 --> 00:39:11,440

was at her

1051
00:39:13,349 --> 00:39:12,480
corral

1052
00:39:15,030 --> 00:39:13,359
and

1053
00:39:18,230 --> 00:39:15,040
just inside the barn

1054
00:39:19,270 --> 00:39:18,240
and a ufo was seen in the sky it shot a

1055
00:39:23,990 --> 00:39:19,280
beam

1056
00:39:27,670 --> 00:39:24,000
like a pencil into the barn

1057
00:39:28,390 --> 00:39:27,680
and uh her horses uh were so agitated

1058
00:39:29,829 --> 00:39:28,400
that

1059
00:39:31,430 --> 00:39:29,839
one actually

1060
00:39:34,710 --> 00:39:31,440
has sort of

1061
00:39:36,630 --> 00:39:34,720
knocked its uh hoof right through a wall

1062
00:39:38,630 --> 00:39:36,640
uh and was injured and there seemed to

1063
00:39:41,190 --> 00:39:38,640

be some some something wrong with one of

1064

00:39:42,790 --> 00:39:41,200

its uh on the side of its neck so there

1065

00:39:43,990 --> 00:39:42,800

was a veterinary effect that was

1066

00:39:46,550 --> 00:39:44,000

reported

1067

00:39:49,270 --> 00:39:46,560

from a ufo as well so there are cases

1068

00:39:51,270 --> 00:39:49,280

where there are physical effects seen by

1069

00:39:52,790 --> 00:39:51,280

experienced by witnesses

1070

00:39:55,109 --> 00:39:52,800

but it's interesting to actually look at

1071

00:39:57,829 --> 00:39:55,119

some of the documentation where this is

1072

00:40:01,190 --> 00:39:57,839

actually laid out in some detail

1073

00:40:03,990 --> 00:40:01,200

right again yeah you know that's if it's

1074

00:40:06,470 --> 00:40:04,000

down on paper it doesn't necessarily

1075

00:40:08,829 --> 00:40:06,480

make it true but it shows that it was

1076

00:40:12,069 --> 00:40:08,839

worth investigating and i think that's

1077

00:40:13,670 --> 00:40:12,079

what what's most important um well you

1078

00:40:15,510 --> 00:40:13,680

know we don't want to give away a lot of

1079

00:40:17,030 --> 00:40:15,520

the good stories chris because obviously

1080

00:40:18,309 --> 00:40:17,040

i want people to read the book like i

1081

00:40:20,150 --> 00:40:18,319

did but um

1082

00:40:21,510 --> 00:40:20,160

the last thing i really want to touch on

1083

00:40:23,829 --> 00:40:21,520

with you in terms of some of the

1084

00:40:26,550 --> 00:40:23,839

documents that you did uncover and put

1085

00:40:29,510 --> 00:40:26,560

in the book were something we don't talk

1086

00:40:31,670 --> 00:40:29,520

about that much anymore in the ufo world

1087

00:40:34,390 --> 00:40:31,680

and that's crop circles you know this

1088

00:40:36,550 --> 00:40:34,400

was a big thing back in the 80s the 90s

1089

00:40:38,390 --> 00:40:36,560

especially over in europe and whatnot

1090

00:40:41,109 --> 00:40:38,400

but we have them all over here in the

1091

00:40:43,109 --> 00:40:41,119

midwest in the u.s and all over canada

1092

00:40:45,430 --> 00:40:43,119

as well and you actually

1093

00:40:48,150 --> 00:40:45,440

came across some documents pertaining to

1094

00:40:50,870 --> 00:40:48,160

crop circles in the book would you mind

1095

00:40:52,309 --> 00:40:50,880

sharing with us a little bit about that

1096

00:40:55,190 --> 00:40:52,319

sure and as you mentioned you know this

1097

00:40:57,270 --> 00:40:55,200

was 80s and 90s although um i i think i

1098

00:40:58,630 --> 00:40:57,280

saw a post just the other day that uh

1099

00:41:00,630 --> 00:40:58,640

there's some formations that have been

1100

00:41:01,589 --> 00:41:00,640

found this year already in england oh

1101

00:41:03,270 --> 00:41:01,599

interesting

1102

00:41:06,950 --> 00:41:03,280

but we always associate you know the

1103

00:41:08,630 --> 00:41:06,960

real crop circles with england right

1104

00:41:10,870 --> 00:41:08,640

and yet

1105

00:41:13,349 --> 00:41:10,880

in the the documentation of some of the

1106

00:41:16,470 --> 00:41:13,359

files that were declassified

1107

00:41:18,950 --> 00:41:16,480

uh there was a case of a crop circle um

1108

00:41:22,710 --> 00:41:18,960

in place called duamel alberta

1109

00:41:25,589 --> 00:41:22,720

it's a good cattle and farming country

1110

00:41:27,109 --> 00:41:25,599

and a farmer came across

1111

00:41:28,550 --> 00:41:27,119

some rings

1112

00:41:31,510 --> 00:41:28,560

in his field

1113

00:41:33,030 --> 00:41:31,520

and so he notified the authorities

1114

00:41:34,710 --> 00:41:33,040

actually it was a roundabout way he

1115

00:41:36,550 --> 00:41:34,720

actually uh

1116

00:41:39,349 --> 00:41:36,560

somebody from the local school saw it

1117

00:41:41,990 --> 00:41:39,359

and this guy happened to be a ufo fan so

1118

00:41:43,990 --> 00:41:42,000

he ended up notifying some authorities

1119

00:41:45,990 --> 00:41:44,000

anyways the military went out and it was

1120

00:41:46,950 --> 00:41:46,000

investigated by the royal canadian air

1121

00:41:49,589 --> 00:41:46,960

force

1122

00:41:51,589 --> 00:41:49,599

now that by itself may not seem all that

1123

00:41:53,589 --> 00:41:51,599

interesting although well royal canadian

1124

00:41:55,190 --> 00:41:53,599

air force investigating a crop circle

1125

00:41:58,550 --> 00:41:55,200

that's rather unique

1126
00:42:03,430 --> 00:41:58,560
except that this occurred in 1967

1127
00:42:05,270 --> 00:42:03,440
uh long before anything was even uh uh

1128
00:42:06,550 --> 00:42:05,280
you know thought about in

1129
00:42:08,150 --> 00:42:06,560
england

1130
00:42:11,270 --> 00:42:08,160
and there's actually photographs of

1131
00:42:13,670 --> 00:42:11,280
these uh these rings that were fairly

1132
00:42:15,990 --> 00:42:13,680
large uh documented real canadian air

1133
00:42:19,430 --> 00:42:16,000
force investigated in fact

1134
00:42:21,109 --> 00:42:19,440
a report on the air force investigation

1135
00:42:22,150 --> 00:42:21,119
is contained in these documents in the

1136
00:42:26,230 --> 00:42:22,160
files

1137
00:42:30,710 --> 00:42:28,470
rings and markings in a field associated

1138
00:42:32,790 --> 00:42:30,720

with ufos even though the farmer never

1139

00:42:34,230 --> 00:42:32,800

said that anybody had seen a ufo and

1140

00:42:37,270 --> 00:42:34,240

nobody came forward to say they had seen

1141

00:42:38,870 --> 00:42:37,280

a ufo it was associated with ufos

1142

00:42:39,990 --> 00:42:38,880

according to the royal canadian air

1143

00:42:43,109 --> 00:42:40,000

force

1144

00:42:45,109 --> 00:42:43,119

and uh they investigated they took soil

1145

00:42:46,710 --> 00:42:45,119

samples they measured they you know did

1146

00:42:49,190 --> 00:42:46,720

you know examined in

1147

00:42:51,349 --> 00:42:49,200

in three ways from tuesday it was you

1148

00:42:52,630 --> 00:42:51,359

know they did a fairly detailed analysis

1149

00:42:55,750 --> 00:42:52,640

of this

1150

00:42:58,550 --> 00:42:55,760

and they produced a report an actual

1151

00:43:00,550 --> 00:42:58,560

uh study and we we think of the uap

1152

00:43:02,069 --> 00:43:00,560

studies and all the the the position

1153

00:43:04,790 --> 00:43:02,079

papers and whatever that were found down

1154

00:43:07,270 --> 00:43:04,800

there i forgot how many 86 or something

1155

00:43:08,309 --> 00:43:07,280

well this is one from from canada about

1156

00:43:10,309 --> 00:43:08,319

uh

1157

00:43:13,190 --> 00:43:10,319

crop circles or rings found in a field

1158

00:43:15,510 --> 00:43:13,200

because of associated thought to be ufos

1159

00:43:18,550 --> 00:43:15,520

from 1967

1160

00:43:19,750 --> 00:43:18,560

a very interesting scientific report

1161

00:43:21,349 --> 00:43:19,760

and

1162

00:43:23,670 --> 00:43:21,359

in addition

1163

00:43:26,390 --> 00:43:23,680

there was one document that said that a

1164

00:43:29,349 --> 00:43:26,400
ministerial inquiry was ordered

1165

00:43:31,589 --> 00:43:29,359
to look into this particular case

1166

00:43:34,790 --> 00:43:31,599
so the minister of national defense who

1167

00:43:37,270 --> 00:43:34,800
at that time was actually paul hellyer

1168

00:43:40,390 --> 00:43:37,280
ordered an inquiry into the crop circle

1169

00:43:42,150 --> 00:43:40,400
that was found in canada in 1967.

1170

00:43:44,309 --> 00:43:42,160
uh you never heard paul talk about this

1171

00:43:46,390 --> 00:43:44,319
by the way um yeah in any of his recent

1172

00:43:47,510 --> 00:43:46,400
stuff it's none of his books

1173

00:43:49,430 --> 00:43:47,520
but

1174

00:43:51,670 --> 00:43:49,440
and yet this was something that that he

1175

00:43:53,190 --> 00:43:51,680
himself wanted to know more about and we

1176
00:43:55,510 --> 00:43:53,200
have the documentation that something

1177
00:43:57,750 --> 00:43:55,520
occurred again imagine if

1178
00:44:00,950 --> 00:43:57,760
the secretary of defense

1179
00:44:02,870 --> 00:44:00,960
ordered an investigation into

1180
00:44:03,829 --> 00:44:02,880
ufos or crop circles in the united

1181
00:44:05,589 --> 00:44:03,839
states

1182
00:44:07,349 --> 00:44:05,599
tremendously important

1183
00:44:11,430 --> 00:44:07,359
and yet

1184
00:44:14,630 --> 00:44:11,440
uh you know

1185
00:44:17,349 --> 00:44:14,640
maybe 50 to 75 miles

1186
00:44:19,829 --> 00:44:17,359
uh north of the american border

1187
00:44:22,790 --> 00:44:19,839
you know something uh quite interesting

1188
00:44:25,670 --> 00:44:22,800

was going on and so canada has had

1189

00:44:27,990 --> 00:44:25,680

uh involvement in ufology all along you

1190

00:44:29,910 --> 00:44:28,000

know in the united states had blue book

1191

00:44:31,750 --> 00:44:29,920

actually had two projects project magnet

1192

00:44:33,829 --> 00:44:31,760

and project second story

1193

00:44:36,150 --> 00:44:33,839

they also were looking into ufos and

1194

00:44:39,349 --> 00:44:36,160

national defense and transport and to

1195

00:44:42,069 --> 00:44:39,359

this day transport canada uh invites or

1196

00:44:44,230 --> 00:44:42,079

asks or demands pilots report ufos to

1197

00:44:45,670 --> 00:44:44,240

them and uh cases are continually being

1198

00:44:47,190 --> 00:44:45,680

reported to them and also through

1199

00:44:49,190 --> 00:44:47,200

national defense so

1200

00:44:51,510 --> 00:44:49,200

you know in many ways canada might be i

1201
00:44:52,309 --> 00:44:51,520
don't know ahead of the curve ahead of

1202
00:44:54,069 --> 00:44:52,319
what

1203
00:44:56,069 --> 00:44:54,079
is going through maybe they should be

1204
00:44:57,349 --> 00:44:56,079
taking the navy and the united states

1205
00:44:59,430 --> 00:44:57,359
air force should be taking tips from

1206
00:45:01,109 --> 00:44:59,440
what canada is doing rather than what

1207
00:45:03,270 --> 00:45:01,119
seems to be going on

1208
00:45:05,109 --> 00:45:03,280
that's such a good point i was gonna say

1209
00:45:07,510 --> 00:45:05,119
you know america thinks it's always at

1210
00:45:10,069 --> 00:45:07,520
the forefront of everything and we

1211
00:45:12,390 --> 00:45:10,079
influence other places but yeah i think

1212
00:45:14,390 --> 00:45:12,400
you guys were ahead of us in terms of uh

1213
00:45:17,510 --> 00:45:14,400

how important it is to actually report

1214

00:45:20,550 --> 00:45:17,520

these things and to destigmatize the

1215

00:45:22,710 --> 00:45:20,560

nature of reporting um maybe we would be

1216

00:45:25,190 --> 00:45:22,720

a lot further than we are now here in

1217

00:45:27,589 --> 00:45:25,200

the us where i think our government has

1218

00:45:30,069 --> 00:45:27,599

been backed into a corner and has to now

1219

00:45:32,550 --> 00:45:30,079

admit things that they denied or lied

1220

00:45:34,630 --> 00:45:32,560

about whereas canada seems to be like

1221

00:45:36,870 --> 00:45:34,640

yeah just nobody ever asked but here

1222

00:45:37,750 --> 00:45:36,880

there you go here you go right here

1223

00:45:40,870 --> 00:45:37,760

yeah

1224

00:45:41,750 --> 00:45:40,880

no i i love that i love that idea um

1225

00:45:43,670 --> 00:45:41,760

well

1226

00:45:46,309 --> 00:45:43,680

i want to know chris in writing this

1227

00:45:47,589 --> 00:45:46,319

book and coming across these cases and

1228

00:45:49,990 --> 00:45:47,599

and doing the work you've done

1229

00:45:52,550 --> 00:45:50,000

throughout all the years uh what

1230

00:45:54,309 --> 00:45:52,560

surprised you most in researching for

1231

00:45:56,790 --> 00:45:54,319

this book anything really stand out is

1232

00:45:58,230 --> 00:45:56,800

being like huh you know i went in

1233

00:46:00,950 --> 00:45:58,240

wanting to write about one thing and i

1234

00:46:02,790 --> 00:46:00,960

came out on the other side um

1235

00:46:05,270 --> 00:46:02,800

learning something myself which i think

1236

00:46:07,109 --> 00:46:05,280

any author should do when writing a book

1237

00:46:09,270 --> 00:46:07,119

um what was that journey like for you

1238

00:46:11,030 --> 00:46:09,280

and any big revelations by the end of

1239

00:46:12,710 --> 00:46:11,040

all this

1240

00:46:15,829 --> 00:46:12,720

well sure there

1241

00:46:17,589 --> 00:46:15,839

i have to say that this is kind of um

1242

00:46:20,630 --> 00:46:17,599

the first part i don't want to say the

1243

00:46:22,910 --> 00:46:20,640

first book in a series but this uh only

1244

00:46:25,829 --> 00:46:22,920

goes up until about

1245

00:46:28,470 --> 00:46:25,839

1971 or something like that or into the

1246

00:46:31,030 --> 00:46:28,480

early 1970s

1247

00:46:32,710 --> 00:46:31,040

and not quite into the 80s

1248

00:46:33,910 --> 00:46:32,720

there were many many more more files

1249

00:46:35,990 --> 00:46:33,920

many of which have had not been

1250

00:46:37,910 --> 00:46:36,000

digitized but we've been able to find

1251
00:46:39,990 --> 00:46:37,920
many of them ourselves plus everything

1252
00:46:41,589 --> 00:46:40,000
that's occurred since then

1253
00:46:43,430 --> 00:46:41,599
so this is actually just a snapshot of

1254
00:46:45,030 --> 00:46:43,440
what had been occurring

1255
00:46:47,670 --> 00:46:45,040
and whereas the united states uh

1256
00:46:48,790 --> 00:46:47,680
viewpoint was that uh ufos and flying

1257
00:46:51,109 --> 00:46:48,800
saucers

1258
00:46:53,349 --> 00:46:51,119
might have represented some sort of uh

1259
00:46:54,630 --> 00:46:53,359
security threat uh some matter for

1260
00:46:57,190 --> 00:46:54,640
defense

1261
00:46:59,589 --> 00:46:57,200
because in canada the responsibility for

1262
00:47:01,990 --> 00:46:59,599
ufos was given to the national research

1263
00:47:05,109 --> 00:47:02,000

council a scientific body

1264

00:47:08,069 --> 00:47:05,119

uh that the view was looked at more of a

1265

00:47:10,790 --> 00:47:08,079

of a scientific issue more of a condom

1266

00:47:12,390 --> 00:47:10,800

issue if you want to use that analogy

1267

00:47:14,150 --> 00:47:12,400

uh even though conan of course was

1268

00:47:16,390 --> 00:47:14,160

sponsored by the united states air force

1269

00:47:19,430 --> 00:47:16,400

so there was this this dynamic going

1270

00:47:22,230 --> 00:47:19,440

back and forth and some some tug of war

1271

00:47:23,829 --> 00:47:22,240

but in canada because of the scientific

1272

00:47:25,910 --> 00:47:23,839

viewpoint

1273

00:47:27,109 --> 00:47:25,920

many of the scientists involved

1274

00:47:28,230 --> 00:47:27,119

did not

1275

00:47:30,470 --> 00:47:28,240

really

1276

00:47:32,309 --> 00:47:30,480

get all that worked up about ufos they

1277

00:47:35,030 --> 00:47:32,319

were sure that people were making stuff

1278

00:47:37,190 --> 00:47:35,040

up or misindi misidentifying things in

1279

00:47:39,430 --> 00:47:37,200

many cases they did turn out to be such

1280

00:47:42,549 --> 00:47:39,440

and one thing i do in my book is

1281

00:47:43,750 --> 00:47:42,559

i do uh show that many cases where

1282

00:47:45,910 --> 00:47:43,760

explained

1283

00:47:47,910 --> 00:47:45,920

and do have viable explanations but

1284

00:47:50,150 --> 00:47:47,920

there were some that that didn't seem to

1285

00:47:51,750 --> 00:47:50,160

have such easy explanations

1286

00:47:53,670 --> 00:47:51,760

but because

1287

00:47:55,910 --> 00:47:53,680

the the government had this attitude

1288

00:47:57,430 --> 00:47:55,920

that it was a scientific problem and

1289

00:47:59,670 --> 00:47:57,440

it's just a matter of people learning a

1290

00:48:01,270 --> 00:47:59,680

little bit more about ufos and what's in

1291

00:48:03,510 --> 00:48:01,280

the sky and everything would be

1292

00:48:05,510 --> 00:48:03,520

hunky-dory after that

1293

00:48:06,790 --> 00:48:05,520

um that

1294

00:48:09,990 --> 00:48:06,800

um

1295

00:48:11,430 --> 00:48:10,000

i i thought that perhaps they they

1296

00:48:13,829 --> 00:48:11,440

really weren't doing their job they

1297

00:48:15,030 --> 00:48:13,839

really were uh not investigating as much

1298

00:48:17,270 --> 00:48:15,040

as they could as a matter of fact

1299

00:48:19,589 --> 00:48:17,280

recently there's been some discussion on

1300

00:48:21,030 --> 00:48:19,599

ufo twitter places like that

1301
00:48:22,549 --> 00:48:21,040
that say the canadian government you

1302
00:48:24,230 --> 00:48:22,559
know

1303
00:48:25,910 --> 00:48:24,240
hasn't been doing anything at all with

1304
00:48:27,670 --> 00:48:25,920
regard to ufos

1305
00:48:28,870 --> 00:48:27,680
and they better get their act together

1306
00:48:31,030 --> 00:48:28,880
because look what the united states is

1307
00:48:33,030 --> 00:48:31,040
doing whereas

1308
00:48:35,109 --> 00:48:33,040
the documentation shows the reverse that

1309
00:48:37,829 --> 00:48:35,119
canadian government took ufos very

1310
00:48:39,270 --> 00:48:37,839
seriously on a number of levels uh the

1311
00:48:41,430 --> 00:48:39,280
royal canadian mounted police and the

1312
00:48:43,030 --> 00:48:41,440
hurricane air force and certain

1313
00:48:44,150 --> 00:48:43,040

individuals within the national research

1314

00:48:48,309 --> 00:48:44,160

council

1315

00:48:50,549 --> 00:48:48,319

did in-depth studies of a lot of cases

1316

00:48:52,870 --> 00:48:50,559

not just falcon lake but certainly uh a

1317

00:48:54,710 --> 00:48:52,880

number of others and that amounted to

1318

00:48:56,790 --> 00:48:54,720

dozens and dozens in some cases hundreds

1319

00:48:58,549 --> 00:48:56,800

of pages of documentation and

1320

00:49:00,790 --> 00:48:58,559

investigation

1321

00:49:03,109 --> 00:49:00,800

so i think the biggest problem was that

1322

00:49:05,349 --> 00:49:03,119

the government departments themselves

1323

00:49:07,910 --> 00:49:05,359

uh were not connected i think the

1324

00:49:09,990 --> 00:49:07,920

problem was communication whereas

1325

00:49:11,990 --> 00:49:10,000

the ministry of transport wasn't talking

1326
00:49:13,910 --> 00:49:12,000
to national defense national defense

1327
00:49:16,390 --> 00:49:13,920
wasn't talking to the scientists they

1328
00:49:18,309 --> 00:49:16,400
seemed to be very siloed and

1329
00:49:20,069 --> 00:49:18,319
and compartmentalized

1330
00:49:21,990 --> 00:49:20,079
and that was the the biggest problem

1331
00:49:23,829 --> 00:49:22,000
that i saw and yet

1332
00:49:24,630 --> 00:49:23,839
there were enough really good cases in

1333
00:49:26,150 --> 00:49:24,640
there

1334
00:49:27,750 --> 00:49:26,160
uh that they should have been

1335
00:49:29,750 --> 00:49:27,760
investigated i mean there were cases

1336
00:49:32,150 --> 00:49:29,760
where objects landed

1337
00:49:34,710 --> 00:49:32,160
on roadways leaving behind

1338
00:49:36,790 --> 00:49:34,720

marks in the asphalt and nobody seemed

1339

00:49:38,630 --> 00:49:36,800

to investigate those there were

1340

00:49:39,829 --> 00:49:38,640

some close encounter cases where

1341

00:49:41,990 --> 00:49:39,839

individuals

1342

00:49:44,069 --> 00:49:42,000

seem to have seen entities and

1343

00:49:46,069 --> 00:49:44,079

those weren't followed up on so i think

1344

00:49:47,030 --> 00:49:46,079

the problem was follow-up but also

1345

00:49:48,309 --> 00:49:47,040

because

1346

00:49:49,670 --> 00:49:48,319

uh there didn't seem to be any

1347

00:49:52,470 --> 00:49:49,680

consistent

1348

00:49:53,910 --> 00:49:52,480

um and organized investigative body and

1349

00:49:55,430 --> 00:49:53,920

what i'm hoping

1350

00:49:56,470 --> 00:49:55,440

and i think what most people are hoping

1351
00:49:58,630 --> 00:49:56,480
from

1352
00:50:01,430 --> 00:49:58,640
the united states example is that there

1353
00:50:03,990 --> 00:50:01,440
will be a consistent investigative body

1354
00:50:06,309 --> 00:50:04,000
uh not just instrumented

1355
00:50:08,630 --> 00:50:06,319
uh sightings to be considered like what

1356
00:50:10,870 --> 00:50:08,640
we seem to be hearing now from

1357
00:50:13,670 --> 00:50:10,880
um project galileo and

1358
00:50:15,030 --> 00:50:13,680
uh and some of the other organizations

1359
00:50:16,630 --> 00:50:15,040
that are going to be using all sky

1360
00:50:18,309 --> 00:50:16,640
cameras and whatnot

1361
00:50:20,069 --> 00:50:18,319
because there is a human element here

1362
00:50:23,030 --> 00:50:20,079
that has to be taken into consideration

1363
00:50:26,150 --> 00:50:23,040

i mean for the most part uh these are

1364

00:50:28,390 --> 00:50:26,160

uh you know eyewitnesses and with

1365

00:50:29,349 --> 00:50:28,400

associated physical effects and whereas

1366

00:50:32,150 --> 00:50:29,359

we know

1367

00:50:33,670 --> 00:50:32,160

eyewitnesses are are not absolutely

1368

00:50:35,270 --> 00:50:33,680

reliable and there's many cases where

1369

00:50:37,109 --> 00:50:35,280

eyewitnesses have been terribly wrong

1370

00:50:38,870 --> 00:50:37,119

including pilots and

1371

00:50:42,309 --> 00:50:38,880

uh and other people with

1372

00:50:45,109 --> 00:50:42,319

pretty decent observing capabilities

1373

00:50:48,470 --> 00:50:45,119

but eyewitness testimony is good enough

1374

00:50:50,870 --> 00:50:48,480

to convict people in a court of law and

1375

00:50:52,390 --> 00:50:50,880

human observers during the early days of

1376

00:50:55,510 --> 00:50:52,400

space flight

1377

00:50:58,470 --> 00:50:55,520

were invaluable in assessing uh what was

1378

00:51:01,030 --> 00:50:58,480

going on in space and uh the defense

1379

00:51:03,510 --> 00:51:01,040

threat when sputnik went up uh there was

1380

00:51:04,630 --> 00:51:03,520

a lot of reliance on uh

1381

00:51:07,270 --> 00:51:04,640

civilian

1382

00:51:09,670 --> 00:51:07,280

observations of sputnik for example uh

1383

00:51:12,710 --> 00:51:09,680

and more recently um

1384

00:51:15,270 --> 00:51:12,720

in aerospace and uh in

1385

00:51:16,549 --> 00:51:15,280

aircraft dynamics uh you know plane

1386

00:51:18,390 --> 00:51:16,559

spotters

1387

00:51:20,549 --> 00:51:18,400

it's a real thing where people you know

1388

00:51:22,390 --> 00:51:20,559

observe planes flying overhead and this

1389

00:51:23,910 --> 00:51:22,400

is how some intelligence was acquired

1390

00:51:25,829 --> 00:51:23,920

with regarding the development of the

1391

00:51:29,349 --> 00:51:25,839

spell stealth bomber

1392

00:51:32,150 --> 00:51:29,359

so um there is valuable uh information

1393

00:51:35,670 --> 00:51:32,160

that can be gleaned from eyewitnesses uh

1394

00:51:38,549 --> 00:51:35,680

in addition to uh you know

1395

00:51:40,309 --> 00:51:38,559

sightings and and uh detections made

1396

00:51:41,910 --> 00:51:40,319

made with technology

1397

00:51:44,069 --> 00:51:41,920

and i think the marriage of the two is

1398

00:51:46,870 --> 00:51:44,079

what we're looking for hopefully united

1399

00:51:49,510 --> 00:51:46,880

states and hopefully something will come

1400

00:51:51,990 --> 00:51:49,520

of it in canada as well

1401
00:51:54,710 --> 00:51:52,000
yeah i love that again you know mixing

1402
00:51:57,270 --> 00:51:54,720
the witness testimony with the um the

1403
00:51:58,870 --> 00:51:57,280
data i think is crucial we need both

1404
00:52:01,510 --> 00:51:58,880
sides of the coin if we're ever going to

1405
00:52:03,270 --> 00:52:01,520
truly figure out what's going on i mean

1406
00:52:06,069 --> 00:52:03,280
you look at the tic tac event and all we

1407
00:52:09,030 --> 00:52:06,079
had at first was the video neverland's

1408
00:52:11,109 --> 00:52:09,040
like okay cool but what is it who saw it

1409
00:52:13,109 --> 00:52:11,119
like what's the story behind this and

1410
00:52:14,790 --> 00:52:13,119
then we got the story and you can start

1411
00:52:16,950 --> 00:52:14,800
to paint that bigger picture of what

1412
00:52:19,910 --> 00:52:16,960
actually happened how many were involved

1413
00:52:21,030 --> 00:52:19,920

how many saw it and um i i think you're

1414

00:52:22,710 --> 00:52:21,040

right i think there needs to be a

1415

00:52:24,790 --> 00:52:22,720

cohesion and that's kind of what i think

1416

00:52:27,430 --> 00:52:24,800

this new program here in the united

1417

00:52:29,109 --> 00:52:27,440

states is going to try to do too is um

1418

00:52:31,270 --> 00:52:29,119

you know stop

1419

00:52:32,870 --> 00:52:31,280

doing this over here with the defense

1420

00:52:34,470 --> 00:52:32,880

intelligence and the department of

1421

00:52:37,349 --> 00:52:34,480

energy and this and that and let's all

1422

00:52:40,069 --> 00:52:37,359

come together and say what we know about

1423

00:52:42,150 --> 00:52:40,079

ufos and bring all that information

1424

00:52:46,390 --> 00:52:42,160

together and try to understand what

1425

00:52:48,549 --> 00:52:46,400

could be either a life-changing profound

1426

00:52:51,270 --> 00:52:48,559

discovery or

1427

00:52:53,270 --> 00:52:51,280

a huge huge huge threat so

1428

00:52:55,190 --> 00:52:53,280

who knows who truly knows but yeah and

1429

00:52:56,470 --> 00:52:55,200

look at the history of it too because

1430

00:52:57,750 --> 00:52:56,480

yeah yeah

1431

00:52:58,470 --> 00:52:57,760

you know what we've been hearing about

1432

00:52:59,430 --> 00:52:58,480

the

1433

00:53:01,349 --> 00:52:59,440

navy

1434

00:53:03,510 --> 00:53:01,359

and just recently from the air force is

1435

00:53:05,829 --> 00:53:03,520

that they it's they're acting as if blue

1436

00:53:07,109 --> 00:53:05,839

book didn't exist right which i think is

1437

00:53:08,630 --> 00:53:07,119

a big mistake because there's a lot of

1438

00:53:10,630 --> 00:53:08,640

good data in there including some

1439

00:53:12,309 --> 00:53:10,640

instrumentative reserve observations by

1440

00:53:13,670 --> 00:53:12,319

military personnel

1441

00:53:15,349 --> 00:53:13,680

uh so i don't think they have to

1442

00:53:17,829 --> 00:53:15,359

reinvent the wheel in fact i was

1443

00:53:19,510 --> 00:53:17,839

concerned when the task force report

1444

00:53:20,870 --> 00:53:19,520

came out and they said there really

1445

00:53:22,950 --> 00:53:20,880

wasn't a mechanism in place for

1446

00:53:25,270 --> 00:53:22,960

reporting uap and how could that

1447

00:53:28,870 --> 00:53:25,280

possibly be because there there are so

1448

00:53:30,390 --> 00:53:28,880

many uh reports on file um and you know

1449

00:53:32,069 --> 00:53:30,400

you just have to look at history so i'm

1450

00:53:34,230 --> 00:53:32,079

hoping that there will be some

1451
00:53:35,750 --> 00:53:34,240
consideration of looking not only at the

1452
00:53:37,430 --> 00:53:35,760
historical

1453
00:53:39,270 --> 00:53:37,440
information for united states but also

1454
00:53:41,910 --> 00:53:39,280
from other countries like canada which

1455
00:53:43,190 --> 00:53:41,920
has an amazing uh documented record of

1456
00:53:45,190 --> 00:53:43,200
investigation or research at the

1457
00:53:47,030 --> 00:53:45,200
government level but also civilian

1458
00:53:48,870 --> 00:53:47,040
research i mean the fact that my

1459
00:53:51,430 --> 00:53:48,880
civilian research was

1460
00:53:53,750 --> 00:53:51,440
uh was considered important enough to

1461
00:53:55,750 --> 00:53:53,760
uh you know to be given to a defense

1462
00:53:57,030 --> 00:53:55,760
minister to be included in a briefing on

1463
00:54:00,309 --> 00:53:57,040

the status of

1464

00:54:02,150 --> 00:54:00,319

uh of ufos in our country uh shows that

1465

00:54:05,430 --> 00:54:02,160

there is some consideration being given

1466

00:54:07,750 --> 00:54:05,440

to uh the data collection itself and uh

1467

00:54:10,230 --> 00:54:07,760

you know i'm hoping i can be part of the

1468

00:54:13,030 --> 00:54:10,240

uh the the mechanism or system going

1469

00:54:15,510 --> 00:54:13,040

forward uh in fact when a canadian

1470

00:54:17,030 --> 00:54:15,520

politician who's got some press recently

1471

00:54:18,790 --> 00:54:17,040

larry maguire

1472

00:54:21,190 --> 00:54:18,800

came public he came out of the closet

1473

00:54:23,109 --> 00:54:21,200

with regarding to ufos

1474

00:54:25,829 --> 00:54:23,119

with a statement and he asked a question

1475

00:54:27,589 --> 00:54:25,839

in a parliamentary committee about uap

1476

00:54:30,069 --> 00:54:27,599

uh especially those around nuclear

1477

00:54:32,710 --> 00:54:30,079

facilities in canada um

1478

00:54:34,710 --> 00:54:32,720

uh it's noted that he uh you know

1479

00:54:37,510 --> 00:54:34,720

reached out and was given information

1480

00:54:40,230 --> 00:54:37,520

and was briefed by louis elizondo and

1481

00:54:41,910 --> 00:54:40,240

hal putoff and uh i think robert powell

1482

00:54:42,789 --> 00:54:41,920

from scu

1483

00:54:44,230 --> 00:54:42,799

but

1484

00:54:46,230 --> 00:54:44,240

one of the first people he reached out

1485

00:54:47,670 --> 00:54:46,240

to was me and i briefed him for uh quite

1486

00:54:50,390 --> 00:54:47,680

some time as well

1487

00:54:52,390 --> 00:54:50,400

uh so you know there are a number of

1488

00:54:55,109 --> 00:54:52,400

sources um

1489

00:54:57,190 --> 00:54:55,119

in the united states where uh

1490

00:54:59,270 --> 00:54:57,200

ufo information is kept but the canadian

1491

00:55:01,430 --> 00:54:59,280

connection is very solid

1492

00:55:03,270 --> 00:55:01,440

and uh you know the politicians on both

1493

00:55:06,630 --> 00:55:03,280

sides of the the border

1494

00:55:08,950 --> 00:55:06,640

have a lot of resources to reach out to

1495

00:55:11,190 --> 00:55:08,960

yeah absolutely um and you know what

1496

00:55:12,870 --> 00:55:11,200

that gives me hope for the future it

1497

00:55:15,030 --> 00:55:12,880

really does when it comes to this topic

1498

00:55:18,309 --> 00:55:15,040

um so i guess two last questions for you

1499

00:55:20,150 --> 00:55:18,319

chris um the obvious one being where can

1500

00:55:22,230 --> 00:55:20,160

we find the book and all of your work

1501

00:55:25,190 --> 00:55:22,240

but i think the more um

1502

00:55:27,190 --> 00:55:25,200

important question for ufology overall

1503

00:55:29,589 --> 00:55:27,200

as someone who's been in this field for

1504

00:55:31,510 --> 00:55:29,599

a long time like yourself um you know

1505

00:55:33,030 --> 00:55:31,520

and myself included i'm no longer

1506

00:55:35,589 --> 00:55:33,040

considered one of the younger people in

1507

00:55:37,750 --> 00:55:35,599

this field which is depressing in some

1508

00:55:40,150 --> 00:55:37,760

ways but also very exciting we have a

1509

00:55:41,829 --> 00:55:40,160

lot of younger people getting involved

1510

00:55:45,190 --> 00:55:41,839

getting interested like you mentioned

1511

00:55:48,390 --> 00:55:45,200

ufo twitter is a thing which

1512

00:55:50,069 --> 00:55:48,400

is so weird and um and just i never

1513

00:55:52,390 --> 00:55:50,079

thought we would get to this point in

1514

00:55:53,750 --> 00:55:52,400

this conversation but we are and there

1515

00:55:56,230 --> 00:55:53,760

are younger people who are really

1516

00:55:57,990 --> 00:55:56,240

excited about this topic so um yeah

1517

00:56:00,069 --> 00:55:58,000

where can we get the book and let us

1518

00:56:02,630 --> 00:56:00,079

know what you think we should be looking

1519

00:56:04,390 --> 00:56:02,640

forward to in the years coming up with

1520

00:56:06,390 --> 00:56:04,400

ufology and what advice would you give

1521

00:56:08,789 --> 00:56:06,400

people first getting involved with this

1522

00:56:11,589 --> 00:56:08,799

topic um what can they learn from our

1523

00:56:13,829 --> 00:56:11,599

mistakes and and some of our successes i

1524

00:56:15,990 --> 00:56:13,839

guess

1525

00:56:18,150 --> 00:56:16,000

well sure and i'll answer that part

1526

00:56:21,750 --> 00:56:18,160

first i think people who are relatively

1527

00:56:23,910 --> 00:56:21,760

new to the field um really should take a

1528

00:56:24,870 --> 00:56:23,920

hard cold look at what's been already

1529

00:56:26,150 --> 00:56:24,880

done

1530

00:56:28,150 --> 00:56:26,160

um

1531

00:56:30,470 --> 00:56:28,160

you know there's a lot of people who

1532

00:56:32,710 --> 00:56:30,480

knew the field who had never read a

1533

00:56:34,069 --> 00:56:32,720

report on unidentified flying objects by

1534

00:56:36,789 --> 00:56:34,079

edward ruppelt

1535

00:56:39,589 --> 00:56:36,799

one of the classic and seminal works uh

1536

00:56:41,750 --> 00:56:39,599

reed heineck reed keel you know they

1537

00:56:44,630 --> 00:56:41,760

read jenny randles there's some

1538

00:56:47,510 --> 00:56:44,640

some really good books um out there i

1539

00:56:50,069 --> 00:56:47,520

mean i the this book that uh that we

1540

00:56:52,549 --> 00:56:50,079

have right now from mine canada's ufo

1541

00:56:54,710 --> 00:56:52,559

declassified is my tenth book

1542

00:56:56,309 --> 00:56:54,720

um and uh

1543

00:56:58,789 --> 00:56:56,319

uh you know there's so much information

1544

00:57:00,309 --> 00:56:58,799

to cover a lot of uh

1545

00:57:02,069 --> 00:57:00,319

people have been active in the field for

1546

00:57:03,990 --> 00:57:02,079

many many years

1547

00:57:06,470 --> 00:57:04,000

and there's a sort of a i think a

1548

00:57:08,470 --> 00:57:06,480

reluctance to look upon

1549

00:57:10,630 --> 00:57:08,480

the older stuff as being any at all

1550

00:57:12,549 --> 00:57:10,640

relevant but i think that people are new

1551
00:57:13,829 --> 00:57:12,559
to the field are really missing out on

1552
00:57:15,030 --> 00:57:13,839
some of the stuff that's been done i

1553
00:57:16,950 --> 00:57:15,040
mean

1554
00:57:19,109 --> 00:57:16,960
one of the things that struck me in

1555
00:57:19,829 --> 00:57:19,119
canada was how much has already been

1556
00:57:22,390 --> 00:57:19,839
done

1557
00:57:24,470 --> 00:57:22,400
uh in the fact that you know canada had

1558
00:57:26,789 --> 00:57:24,480
crop circles in 67

1559
00:57:28,470 --> 00:57:26,799
we have trace cases we had radioactive

1560
00:57:29,430 --> 00:57:28,480
material being tested in laboratories

1561
00:57:32,230 --> 00:57:29,440
there's this big thing about

1562
00:57:33,349 --> 00:57:32,240
metamaterials being found from crashed

1563
00:57:35,510 --> 00:57:33,359

ufos

1564

00:57:37,510 --> 00:57:35,520

that are you know the the size of a dime

1565

00:57:39,990 --> 00:57:37,520

or something well the stuff from falcon

1566

00:57:41,750 --> 00:57:40,000

lake uh one of the pieces of metal is

1567

00:57:43,349 --> 00:57:41,760

about five inches long

1568

00:57:45,109 --> 00:57:43,359

um and you know

1569

00:57:46,789 --> 00:57:45,119

much larger than uh

1570

00:57:50,390 --> 00:57:46,799

some of the others in fact in my book i

1571

00:57:52,470 --> 00:57:50,400

describe a case uh where um

1572

00:57:57,430 --> 00:57:52,480

there's an object that was thought to be

1573

00:58:01,349 --> 00:57:59,990

size of a large uh uh

1574

00:58:03,990 --> 00:58:01,359

refrigerator

1575

00:58:05,990 --> 00:58:04,000

uh and tested by laboratories so a lot

1576

00:58:08,150 --> 00:58:06,000

of the the stuff that's really hot right

1577

00:58:10,950 --> 00:58:08,160

now has precedence and has been looked

1578

00:58:12,390 --> 00:58:10,960

at in a number of ways so i would say

1579

00:58:14,470 --> 00:58:12,400

we'll look at some of the historical

1580

00:58:16,390 --> 00:58:14,480

stuff and uh don't ignore it in fact

1581

00:58:19,190 --> 00:58:16,400

there's a resurgence of interest in some

1582

00:58:21,109 --> 00:58:19,200

of you know some old cases that have had

1583

00:58:23,190 --> 00:58:21,119

explanations that people are now

1584

00:58:25,270 --> 00:58:23,200

reassessing in some cases that's

1585

00:58:27,829 --> 00:58:25,280

worthwhile in some cases it's not worth

1586

00:58:30,230 --> 00:58:27,839

bothering about because they're hoaxes

1587

00:58:31,910 --> 00:58:30,240

and have some explanations so

1588

00:58:34,390 --> 00:58:31,920

rely on some of the people who have been

1589

00:58:36,230 --> 00:58:34,400

around a while but in terms of my

1590

00:58:38,789 --> 00:58:36,240

material

1591

00:58:41,190 --> 00:58:38,799

certainly can go to amazon i think at

1592

00:58:43,349 --> 00:58:41,200

least a half dozen or or more of my

1593

00:58:44,630 --> 00:58:43,359

books are on amazon so you can find me

1594

00:58:46,069 --> 00:58:44,640

there

1595

00:58:48,150 --> 00:58:46,079

i'm also on

1596

00:58:50,390 --> 00:58:48,160

social media

1597

00:58:52,230 --> 00:58:50,400

facebook i'm on instagram

1598

00:58:54,630 --> 00:58:52,240

uh on twitter

1599

00:58:57,030 --> 00:58:54,640

um and i have some youtube channel

1600

00:58:58,870 --> 00:58:57,040

youtube channels as well

1601
00:59:00,309 --> 00:58:58,880
um so there's a lot of ways to get in

1602
00:59:01,430 --> 00:59:00,319
touch with me i have a

1603
00:59:03,710 --> 00:59:01,440
a blog

1604
00:59:06,309 --> 00:59:03,720
which is very simple

1605
00:59:08,549 --> 00:59:06,319
forum.blogspot.com is where i uh

1606
00:59:10,870 --> 00:59:08,559
actually publish a lot of documents that

1607
00:59:12,710 --> 00:59:10,880
nobody's seen before about ufos and

1608
00:59:13,510 --> 00:59:12,720
comment on what's going on

1609
00:59:15,750 --> 00:59:13,520
so

1610
00:59:17,109 --> 00:59:15,760
uh you know there are people around

1611
00:59:19,270 --> 00:59:17,119
and

1612
00:59:22,470 --> 00:59:19,280
in terms of facebook i'm one of the

1613
00:59:25,190 --> 00:59:22,480

moderators of uh ufo updates uh the

1614

00:59:28,150 --> 00:59:25,200

classic uh discussion forum for ufos

1615

00:59:29,030 --> 00:59:28,160

that started in the 1990s by earl bruce

1616

00:59:32,230 --> 00:59:29,040

knapp

1617

00:59:33,990 --> 00:59:32,240

and i was asked to uh to be

1618

00:59:36,630 --> 00:59:34,000

one of the moderators of the new version

1619

00:59:38,150 --> 00:59:36,640

on facebook uh very honored by that

1620

00:59:39,990 --> 00:59:38,160

we're trying to keep up as much as we

1621

00:59:41,349 --> 00:59:40,000

can i realize there's a lot of facebook

1622

00:59:44,230 --> 00:59:41,359

groups out there

1623

00:59:46,549 --> 00:59:44,240

um but we try to you know to just talk

1624

00:59:49,349 --> 00:59:46,559

about some of the more interesting cases

1625

00:59:50,789 --> 00:59:49,359

uh in a form that's uh relatively easily

1626

00:59:53,030 --> 00:59:50,799

accessible

1627

00:59:55,270 --> 00:59:53,040

yeah probably one of my favorite groups

1628

00:59:57,670 --> 00:59:55,280

they're not afraid to tell you you know

1629

00:59:59,829 --> 00:59:57,680

if you're wrong or um where we should be

1630

01:00:01,670 --> 00:59:59,839

looking and we need that we definitely

1631

01:00:03,670 --> 01:00:01,680

need that in this field not as bad as

1632

01:00:05,349 --> 01:00:03,680

ufo watchdog but we're close

1633

01:00:07,589 --> 01:00:05,359

that's very true i don't know if

1634

01:00:09,510 --> 01:00:07,599

anything will ever reach that level but

1635

01:00:13,109 --> 01:00:09,520

hey we got to keep ourselves humble

1636

01:00:14,710 --> 01:00:13,119

somehow um well chris i think again you

1637

01:00:17,190 --> 01:00:14,720

know not just the book but the work you

1638

01:00:19,190 --> 01:00:17,200

do is invaluable to this conversation

1639

01:00:21,270 --> 01:00:19,200

and i don't know where we would be

1640

01:00:24,150 --> 01:00:21,280

without the work you've done there in

1641

01:00:26,470 --> 01:00:24,160

canada my northern neighbor and um and

1642

01:00:28,230 --> 01:00:26,480

where it's all heading so um i want to

1643

01:00:30,870 --> 01:00:28,240

congratulate you on the book i hope

1644

01:00:33,349 --> 01:00:30,880

everyone will check it out and i want to

1645

01:00:35,190 --> 01:00:33,359

thank you for the very first time for

1646

01:00:37,030 --> 01:00:35,200

coming on somewhere in the skies it's

1647

01:00:38,580 --> 01:00:37,040

truly been an honor

1648

01:01:17,830 --> 01:00:38,590

thank you

1649

01:01:19,510 --> 01:01:17,840
