[Music]

22

00:01:31,270 --> 00:01:29,270

hey ryan my name is patrick i'm 30 years

23

00:01:32,870 --> 00:01:31,280

old and i live in germany

24

00:01:34,310 --> 00:01:32,880

thanks for letting me present my case

25

00:01:39,030 --> 00:01:34,320

here

26
00:01:40,469 --> 00:01:39,040
so when i was either 16 or 17 in 2008 or

27
00:01:41,910 --> 00:01:40,479
2009

28
00:01:44,069 --> 00:01:41,920
i had a close encounter with a

29
00:01:46,230 --> 00:01:44,079
triangular ufo with my friend this

30
00:01:47,910 --> 00:01:46,240
happened during our summer vacation we

31
00:01:49,630 --> 00:01:47,920
spent a lot of time together in the

32
00:01:52,710 --> 00:01:49,640
village named huda

33
00:01:55,429 --> 00:01:52,720
h-u-d-e in northern germany we often

34
00:01:57,910 --> 00:01:55,439
stayed up very late one night we decided

35
00:02:00,310 --> 00:01:57,920
to go for a walk it was already after

36
00:02:02,709 --> 00:02:00,320
midnight and at this time there are

37
00:02:04,789 --> 00:02:02,719
hardly any people out in the area we

38
00:02:07,429 --> 00:02:04,799

walked on a deserted two-lane country

39

00:02:09,029 --> 00:02:07,439

road on the bike path we were surrounded

40

00:02:11,430 --> 00:02:09,039

by fields

41

00:02:13,350 --> 00:02:11,440

suddenly i noticed an object moving

42

00:02:15,910 --> 00:02:13,360

directly in our direction from the right

43

00:02:17,910 --> 00:02:15,920

above the field i pointed this out to my

44

00:02:20,949 --> 00:02:17,920

body and we both started spellbound to

45

00:02:23,190 --> 00:02:20,959

watch it floated right over our heads

46

00:02:26,229 --> 00:02:23,200

across the street and very slowly

47

00:02:29,910 --> 00:02:26,239

without making any sound it was dark

48

00:02:32,309 --> 00:02:29,920

maybe black and an equal sided triangle

49

00:02:34,869 --> 00:02:32,319

that was clearly a solid object you

50

00:02:36,949 --> 00:02:34,879

could see it very clearly we only saw

51

00:02:37,910 --> 00:02:36,959

its underside sadly

52

00:02:40,630 --> 00:02:37,920

in each

53

00:02:42,470 --> 00:02:40,640

of the corners was a round whitish light

54

00:02:44,070 --> 00:02:42,480

there was also a round light in the

55

00:02:46,790 --> 00:02:44,080

center in the middle

56

00:02:49,670 --> 00:02:46,800

but it was kind of different i can't

57

00:02:52,470 --> 00:02:49,680

remember the exact color of it it didn't

58

00:02:54,150 --> 00:02:52,480

shine brightly none of the lights did

59

00:02:57,750 --> 00:02:54,160

the lights

60

00:02:59,350 --> 00:02:57,760

were dim as if not wanting to be noticed

61

00:03:01,750 --> 00:02:59,360

or blending

62

00:03:06,229 --> 00:03:01,760

us who knows

63

00:03:08,229 --> 00:03:06,239

as an untrained observer like i am

64

00:03:09,830 --> 00:03:08,239

i could be wrong but it seemed to me

65

00:03:13,030 --> 00:03:09,840

that the

66

00:03:15,509 --> 00:03:13,040

the ufo was flying so low

67

00:03:16,630 --> 00:03:15,519

that i could have thrown a rock at it

68

00:03:19,190 --> 00:03:16,640

i wish

69

00:03:22,309 --> 00:03:19,200

i could remember the event more clearly

70

00:03:24,550 --> 00:03:22,319

but it's been a long time details blur

71

00:03:25,830 --> 00:03:24,560

over time you know

72

00:03:28,710 --> 00:03:25,840

sadly

73

00:03:31,830 --> 00:03:28,720

i said um when we saw it i said straight

74

00:03:35,910 --> 00:03:31,840

to my body that it must be a ufo since i

75

00:03:39,110 --> 00:03:35,920

had seen similar objects before in the

76

00:03:39,990 --> 00:03:39,120

the x-files the series

77

00:03:40,789 --> 00:03:40,000

it

78

00:03:43,509 --> 00:03:40,799

yeah

79

00:03:46,710 --> 00:03:43,519

i seemed to react a lot more to the

80

00:03:48,630 --> 00:03:46,720

sighting than my buddy did strangely

81

00:03:49,750 --> 00:03:48,640

although i had a camera phone in my

82

00:03:52,229 --> 00:03:49,760

pocket

83

00:03:55,030 --> 00:03:52,239

i didn't that took it out

84

00:03:57,830 --> 00:03:55,040

on the one hand i had the thought that

85

00:04:01,110 --> 00:03:57,840

the object might notice this and

86

00:04:03,030 --> 00:04:01,120

i might get into trouble who knows and

87

00:04:05,429 --> 00:04:03,040

on the other hand

88

00:04:06,789 --> 00:04:05,439

i didn't want to miss a second with my

89

00:04:08,470 --> 00:04:06,799

own eyes

90

00:04:11,509 --> 00:04:08,480

on the other side

91

00:04:12,470 --> 00:04:11,519

of the road there was a woe of trees

92

00:04:14,470 --> 00:04:12,480

and

93

00:04:17,189 --> 00:04:14,480

the field there was also higher

94

00:04:19,990 --> 00:04:17,199

overgrown so we didn't follow the object

95

00:04:22,390 --> 00:04:20,000

any further and couldn't observe it

96

00:04:23,670 --> 00:04:22,400

from there anymore

97

00:04:26,790 --> 00:04:23,680

then

98

00:04:28,790 --> 00:04:26,800

after it we both got very scared and

99

00:04:30,550 --> 00:04:28,800

very quickly went back to my friend's

100

00:04:32,469 --> 00:04:30,560

house

101
00:04:33,909 --> 00:04:32,479
it was very scary

102
00:04:36,870 --> 00:04:33,919
to us

103
00:04:38,710 --> 00:04:36,880
actually um this wasn't my only ufo

104
00:04:40,870 --> 00:04:38,720
sighting in my life a paranormal

105
00:04:43,990 --> 00:04:40,880
experience really

106
00:04:46,950 --> 00:04:44,000
however i often only stick to this story

107
00:04:48,230 --> 00:04:46,960
when telling it because otherwise it

108
00:04:50,310 --> 00:04:48,240
just seems

109
00:04:51,749 --> 00:04:50,320
all the more implausible

110
00:05:12,469 --> 00:04:51,759
i

111
00:05:13,510 --> 00:05:12,479
2018

112
00:05:20,230 --> 00:05:13,520
i

113
00:05:23,430 --> 00:05:20,240

gaap

114

00:05:26,629 --> 00:05:23,440

they visited me at home in berlin at the

115

00:05:30,070 --> 00:05:26,639

time and interviewed me twice for

116

00:05:32,070 --> 00:05:30,080

several hours and yeah took their notes

117

00:05:33,670 --> 00:05:32,080

i no longer have any contact with my

118

00:05:35,110 --> 00:05:33,680

buddy however

119

00:05:38,230 --> 00:05:35,120

when i

120

00:05:40,629 --> 00:05:38,240

met with him in 2018 he confirmed to me

121

00:05:43,430 --> 00:05:40,639

that we had indeed seen this

122

00:05:46,629 --> 00:05:43,440

ufo but he doesn't seem to want to talk

123

00:05:49,350 --> 00:05:46,639

much about it himself i

124

00:05:53,029 --> 00:05:49,360

don't know if he's not interested or if

125

00:05:55,590 --> 00:05:53,039

it if it scares him i don't know i don't

126
00:05:57,189 --> 00:05:55,600
have any contact with him

127
00:06:00,710 --> 00:05:57,199
um today

128
00:06:01,990 --> 00:06:00,720
i'm neither a scientist nor a specialist

129
00:06:03,909 --> 00:06:02,000
but

130
00:06:06,230 --> 00:06:03,919
seeing this object stimulated my

131
00:06:09,189 --> 00:06:06,240
imagination whether it was classified

132
00:06:11,670 --> 00:06:09,199
human military technology or non-human

133
00:06:13,510 --> 00:06:11,680
technology just knowing that something

134
00:06:14,390 --> 00:06:13,520
like this can exist

135
00:06:16,629 --> 00:06:14,400
is

136
00:06:19,510 --> 00:06:16,639
such a big thing to me

137
00:06:21,189 --> 00:06:19,520
aliens time travelers beings from

138
00:06:22,950 --> 00:06:21,199

another dimension

139

00:06:25,270 --> 00:06:22,960

even holograms

140

00:06:28,390 --> 00:06:25,280

or at least an unexpected secret

141

00:06:31,909 --> 00:06:28,400

breakthrough an earthly technology

142

00:06:34,629 --> 00:06:31,919

who knows i think everything is possible

143

00:06:37,189 --> 00:06:34,639

if a government really possesses

144

00:06:39,830 --> 00:06:37,199

such technology and keeps it secret just

145

00:06:42,390 --> 00:06:39,840

to protect its own interests it would be

146

00:06:45,510 --> 00:06:42,400

a crime against humanity in my opinion

147

00:06:47,430 --> 00:06:45,520

because it could change the entire world

148

00:06:50,469 --> 00:06:47,440

to the better i think

149

00:06:51,589 --> 00:06:50,479

but i suppose this is what

150

00:06:53,830 --> 00:06:51,599

some called

151
00:06:55,189 --> 00:06:53,840
patriotism

152
00:06:57,350 --> 00:06:55,199
who knows

153
00:06:59,990 --> 00:06:57,360
i mean if it really is a national

154
00:07:02,309 --> 00:07:00,000
security issue for the country to keep

155
00:07:05,270 --> 00:07:02,319
alien-like or alien technology secret in

156
00:07:06,230 --> 00:07:05,280
order to be able to defend itself

157
00:07:08,629 --> 00:07:06,240
if

158
00:07:12,629 --> 00:07:08,639
the worst comes to the worst then the

159
00:07:14,230 --> 00:07:12,639
public will never i think never

160
00:07:17,830 --> 00:07:14,240
be officially

161
00:07:20,710 --> 00:07:17,840
on a legally way aware of the existence

162
00:07:24,870 --> 00:07:20,720
it will always remain secret under the

163
00:07:28,550 --> 00:07:24,880

under the pretense of national security

164

00:07:31,350 --> 00:07:28,560

it would be nice if i wasn't right here

165

00:07:32,550 --> 00:07:31,360

i think we will see we will see

166

00:07:35,589 --> 00:07:32,560

such

167

00:07:38,870 --> 00:07:35,599

um objects were cited during the belgian

168

00:07:43,749 --> 00:07:38,880

ufo wave of um 1989

169

00:07:48,550 --> 00:07:46,150

some may remember that

170

00:07:51,110 --> 00:07:48,560

even fighter jets were sent out in

171

00:07:53,110 --> 00:07:51,120

addition a photograph of such a ufo was

172

00:07:55,670 --> 00:07:53,120

taken

173

00:07:59,510 --> 00:07:55,680

at that time the photographer claims

174

00:08:03,270 --> 00:07:59,520

today that he forged the photo and also

175

00:08:05,110 --> 00:08:03,280

explains how however specialists could

176

00:08:08,710 --> 00:08:05,120

not replicate this

177

00:08:09,510 --> 00:08:08,720

i believe he was forced to lie

178

00:08:13,270 --> 00:08:09,520

and

179

00:08:16,790 --> 00:08:13,280

the picture is indeed real then this is

180

00:08:17,749 --> 00:08:16,800

the best shot of a ufo to date

181

00:08:18,790 --> 00:08:17,759

so

182

00:08:21,830 --> 00:08:18,800

why

183

00:08:24,150 --> 00:08:21,840

thank you thank you very much so much

184

00:08:27,830 --> 00:08:24,160

for giving me the opportunity to share

185

00:08:31,150 --> 00:08:27,840

my story on your podcast if you have any

186

00:08:34,070 --> 00:08:31,160

questions you know how to contact me

187

00:08:36,310 --> 00:08:34,080

[Music]

188

00:08:38,550 --> 00:08:36,320

hey ryan my name is rich i live in erie

189

00:08:40,870 --> 00:08:38,560

pennsylvania and i'm originally from

190

00:08:42,870 --> 00:08:40,880

iowa and i think i have a story about a

191

00:08:44,710 --> 00:08:42,880

triangle that you and your listeners

192

00:08:47,590 --> 00:08:44,720

might be interested in

193

00:08:49,509 --> 00:08:47,600

this story goes back to 1991 when i was

194

00:08:51,829 --> 00:08:49,519

a freshman in high school in northwest

195

00:08:54,790 --> 00:08:51,839

iowa i lived in a really small town of

196

00:08:57,430 --> 00:08:54,800

about you know 12 to 14 000 people

197

00:08:59,030 --> 00:08:57,440

and because of that usually the town

198

00:09:01,590 --> 00:08:59,040

surrounded itself around whatever was

199

00:09:02,470 --> 00:09:01,600

happening uh with the the high school

200

00:09:04,790 --> 00:09:02,480

and

201
00:09:07,509 --> 00:09:04,800
the night that my sighting happened it

202
00:09:08,949 --> 00:09:07,519
was a january or february night and

203
00:09:10,790 --> 00:09:08,959
there was a basketball game that

204
00:09:12,790 --> 00:09:10,800
everybody came to and they did because

205
00:09:15,190 --> 00:09:12,800
we had a really talented athlete so it

206
00:09:17,430 --> 00:09:15,200
was the thing to do in town

207
00:09:19,190 --> 00:09:17,440
and as a result of so many people being

208
00:09:21,509 --> 00:09:19,200
in there the field house got really

209
00:09:22,870 --> 00:09:21,519
really hot so i decided that i'd step

210
00:09:24,310 --> 00:09:22,880
outside from the game because i'm not

211
00:09:26,230 --> 00:09:24,320
really particularly interested in sports

212
00:09:27,990 --> 00:09:26,240
but you know i went so i went outside to

213
00:09:30,870 --> 00:09:28,000

cool down and i walked across the

214

00:09:32,470 --> 00:09:30,880

parking lot to the football field and i

215

00:09:34,150 --> 00:09:32,480

stood up there for a while i remember it

216

00:09:36,550 --> 00:09:34,160

was a really clear night i mean you

217

00:09:38,790 --> 00:09:36,560

could see all of the stars and just

218

00:09:40,790 --> 00:09:38,800

about the time that i started to feel

219

00:09:43,030 --> 00:09:40,800

really cold because northwest iowa gets

220

00:09:44,870 --> 00:09:43,040

you know so terribly freezing up there

221

00:09:47,590 --> 00:09:44,880

and i thought i would go back inside

222

00:09:49,590 --> 00:09:47,600

there was not a sound but i liken it to

223

00:09:51,269 --> 00:09:49,600

a sound but it all of a sudden felt like

224

00:09:53,430 --> 00:09:51,279

there was a buzzing around me kind of

225

00:09:55,670 --> 00:09:53,440

like if you go on a walk in a city and

226

00:09:57,670 --> 00:09:55,680

you walk by a power station and you hear

227

00:09:59,990 --> 00:09:57,680

like that z that kind of thing well

228

00:10:01,750 --> 00:10:00,000

again i didn't hear it but i felt it and

229

00:10:02,949 --> 00:10:01,760

it felt like it was kind of coming down

230

00:10:04,790 --> 00:10:02,959

all around me

231

00:10:06,150 --> 00:10:04,800

and so i looked up just kind of curious

232

00:10:09,590 --> 00:10:06,160

like what is this

233

00:10:10,949 --> 00:10:09,600

and uh no joke above the football field

234

00:10:13,590 --> 00:10:10,959

was this

235

00:10:15,110 --> 00:10:13,600

triangle and it was a solid triangle it

236

00:10:16,630 --> 00:10:15,120

was huge

237

00:10:19,269 --> 00:10:16,640

it was

238

00:10:21,829 --> 00:10:19,279

to my recollection wider than the

239

00:10:23,190 --> 00:10:21,839
football field and i think probably

240

00:10:24,790 --> 00:10:23,200
longer um although it was an

241

00:10:26,230 --> 00:10:24,800
equidistance triangle

242

00:10:28,550 --> 00:10:26,240
and it was just there it was like just

243

00:10:32,150 --> 00:10:28,560
hovering above and i remember it blocked

244

00:10:33,509 --> 00:10:32,160
out the stars and um on each pinpoint

245

00:10:35,670 --> 00:10:33,519
there was like this

246

00:10:38,230 --> 00:10:35,680
whitish blue or bluish white light just

247

00:10:40,630 --> 00:10:38,240
solid not blinking or anything like that

248

00:10:43,990 --> 00:10:40,640
and as i registered oh my god like i'm

249

00:10:45,829 --> 00:10:44,000
seeing this um it this sense of calm

250

00:10:48,630 --> 00:10:45,839
came over me which i couldn't explain

251
00:10:51,110 --> 00:10:48,640
because um you know it was a startling

252
00:10:52,710 --> 00:10:51,120
moment and yet i felt a kind of euphoria

253
00:10:54,069 --> 00:10:52,720
you know like this everything is okay

254
00:10:56,710 --> 00:10:54,079
type of thing

255
00:10:59,110 --> 00:10:56,720
and uh i also had a sense that it was so

256
00:11:00,389 --> 00:10:59,120
close to the ground that if i had a ball

257
00:11:02,150 --> 00:11:00,399
like i could throw and hit it now i

258
00:11:03,910 --> 00:11:02,160
think that's probably an exaggeration

259
00:11:07,190 --> 00:11:03,920
but you know it was close enough it was

260
00:11:08,790 --> 00:11:07,200
so low that it was a bit overwhelming

261
00:11:11,269 --> 00:11:08,800
and uh at about the same time i'm

262
00:11:14,230 --> 00:11:11,279
registering all of this it slowly starts

263
00:11:16,630 --> 00:11:14,240

to turn um and it's doing what i think

264

00:11:18,550 --> 00:11:16,640

is gonna do like a a 360 and i can see

265

00:11:20,790 --> 00:11:18,560

the points of light moving but i

266

00:11:23,509 --> 00:11:20,800

realized that as the the triangle was

267

00:11:25,430 --> 00:11:23,519

slowly turning it was getting smaller

268

00:11:27,829 --> 00:11:25,440

and you know i realized oh my goodness

269

00:11:30,630 --> 00:11:27,839

it's actually picking up altitude and

270

00:11:32,389 --> 00:11:30,640

before it could do a total 360 twist it

271

00:11:34,230 --> 00:11:32,399

just like and it was away just

272

00:11:35,670 --> 00:11:34,240

completely disappeared into the night

273

00:11:36,949 --> 00:11:35,680

sky

274

00:11:39,350 --> 00:11:36,959

and i

275

00:11:41,110 --> 00:11:39,360

i was just left dumbfounded

276

00:11:44,230 --> 00:11:41,120

and the interesting thing about it was

277

00:11:47,430 --> 00:11:44,240

while that feeling of um euphoria and

278

00:11:49,670 --> 00:11:47,440

awe kind of lingered a bit um what what

279

00:11:51,350 --> 00:11:49,680

came next was this feeling of

280

00:11:53,590 --> 00:11:51,360

don't really tell anybody and not

281

00:11:55,509 --> 00:11:53,600

because i was ashamed or it would be

282

00:11:57,670 --> 00:11:55,519

weird i mean who knows how people

283

00:11:59,110 --> 00:11:57,680

respond but you know i just thought no

284

00:12:01,030 --> 00:11:59,120

this kind of a feeling that said this

285

00:12:02,629 --> 00:12:01,040

isn't for people right now i can't

286

00:12:05,030 --> 00:12:02,639

explain it beyond that i didn't lose the

287

00:12:07,269 --> 00:12:05,040

memory but it was always with me i just

288

00:12:10,389 --> 00:12:07,279

didn't talk about it um well fast

289

00:12:11,750 --> 00:12:10,399

forward to 1998 or 1999 i've gone

290

00:12:14,069 --> 00:12:11,760

through high school i've gone through

291

00:12:16,470 --> 00:12:14,079

college i'm now um doing my master's

292

00:12:18,629 --> 00:12:16,480

work in western michigan and i lived and

293

00:12:20,150 --> 00:12:18,639

i worked in two different small towns

294

00:12:22,069 --> 00:12:20,160

and one night as i was driving from

295

00:12:24,949 --> 00:12:22,079

where i lived to where i worked i was

296

00:12:27,990 --> 00:12:24,959

listening to uh talk show on the radio

297

00:12:29,350 --> 00:12:28,000

and it was um some kind of recounting of

298

00:12:31,829 --> 00:12:29,360

a it was a local station and a

299

00:12:32,790 --> 00:12:31,839

recounting of i believe it was a state

300

00:12:35,750 --> 00:12:32,800

trooper

301
00:12:38,389 --> 00:12:35,760
who had reported in seeing a huge black

302
00:12:40,150 --> 00:12:38,399
triangle over western michigan and that

303
00:12:41,350 --> 00:12:40,160
he followed it i believe if i remember

304
00:12:43,750 --> 00:12:41,360
correctly the

305
00:12:46,230 --> 00:12:43,760
faa got involved in tracking it and the

306
00:12:48,710 --> 00:12:46,240
weird thing about that triangle was that

307
00:12:51,269 --> 00:12:48,720
while it sounded as big as what i saw it

308
00:12:53,990 --> 00:12:51,279
disappeared either over or in lake

309
00:12:56,150 --> 00:12:54,000
michigan and as i heard this on you know

310
00:12:57,670 --> 00:12:56,160
public radio being discussed something

311
00:12:59,030 --> 00:12:57,680
just felt like it snapped and unlocked

312
00:13:01,590 --> 00:12:59,040
in me and said oh my you know like that

313
00:13:03,670 --> 00:13:01,600

is exactly what i saw as a kid and i

314

00:13:05,030 --> 00:13:03,680

also felt um this may sound strange to

315

00:13:07,750 --> 00:13:05,040

say it this way but i felt like i could

316

00:13:10,150 --> 00:13:07,760

finally talk about it you know like um i

317

00:13:11,670 --> 00:13:10,160

kind of had evidence now that i had not

318

00:13:12,870 --> 00:13:11,680

made this up in my mind not that i ever

319

00:13:14,230 --> 00:13:12,880

thought that i did

320

00:13:16,710 --> 00:13:14,240

but it was somebody talking about

321

00:13:18,790 --> 00:13:16,720

experience that i had had and i think

322

00:13:20,470 --> 00:13:18,800

part of that was you know growing up in

323

00:13:22,310 --> 00:13:20,480

the culture that we do we've always

324

00:13:24,629 --> 00:13:22,320

heard about whether in science fiction

325

00:13:26,389 --> 00:13:24,639

or on tv like ufos and flying saucers

326

00:13:27,670 --> 00:13:26,399

and i admittedly you know i have

327

00:13:29,430 --> 00:13:27,680

interest in that and i've had interest

328

00:13:32,310 --> 00:13:29,440

in that most of my life

329

00:13:34,389 --> 00:13:32,320

but ufos to me were like discs right so

330

00:13:36,870 --> 00:13:34,399

to see a triangle made zero sense to me

331

00:13:39,189 --> 00:13:36,880

in 1991 and maybe that was part of the

332

00:13:41,509 --> 00:13:39,199

hesitancy of saying anything about it

333

00:13:43,910 --> 00:13:41,519

until later but when i heard uh an

334

00:13:45,829 --> 00:13:43,920

officer and an faa report on the radio

335

00:13:49,430 --> 00:13:45,839

talking about it seriously i think i was

336

00:13:51,670 --> 00:13:49,440

like okay i can talk about it as well um

337

00:13:53,350 --> 00:13:51,680

you know looking back on all of it and

338

00:13:55,030 --> 00:13:53,360

i've had a couple of other experiences

339

00:13:55,990 --> 00:13:55,040

gratefully with other people around in

340

00:13:57,430 --> 00:13:56,000

public

341

00:13:59,590 --> 00:13:57,440

i don't think that triangle was a

342

00:14:01,350 --> 00:13:59,600

military craft i i just don't could i be

343

00:14:04,230 --> 00:14:01,360

wrong about that i could

344

00:14:07,670 --> 00:14:04,240

but it just seemed so otherworldly and i

345

00:14:10,949 --> 00:14:07,680

think we're reaching a point in society

346

00:14:13,269 --> 00:14:10,959

where we are more willing kind of

347

00:14:14,949 --> 00:14:13,279

broadly culturally to ask the question

348

00:14:17,509 --> 00:14:14,959

what would it mean if we were being

349

00:14:20,069 --> 00:14:17,519

visited by other uh intelligent life

350

00:14:23,030 --> 00:14:20,079

forms uh that are not human and part of

351

00:14:24,870 --> 00:14:23,040

me just thinks that that night was

352

00:14:26,069 --> 00:14:24,880

at least a suggestion in the direction

353

00:14:29,110 --> 00:14:26,079

that it's true

354

00:14:31,430 --> 00:14:29,120

my heart believes that it really is um

355

00:14:32,870 --> 00:14:31,440

anecdotal evidence uh that it's true

356

00:14:35,430 --> 00:14:32,880

i've gone on in my life to actually

357

00:14:37,269 --> 00:14:35,440

pursue a phd in religion and ethics not

358

00:14:39,030 --> 00:14:37,279

because of the triangle but one of the

359

00:14:40,069 --> 00:14:39,040

things that i'm now studying and writing

360

00:14:43,350 --> 00:14:40,079

about

361

00:14:45,990 --> 00:14:43,360

are paranormal beliefs in north america

362

00:14:48,550 --> 00:14:46,000

and how those are shaping

363

00:14:50,710 --> 00:14:48,560

religious and ethical concepts and so

364

00:14:53,750 --> 00:14:50,720

i'm hoping to share my triangle story

365

00:14:55,189 --> 00:14:53,760

and the new book that i'm writing and i

366

00:14:57,670 --> 00:14:55,199

look forward to actually teaching your

367

00:15:00,069 --> 00:14:57,680

book in a class at my university this

368

00:15:02,790 --> 00:15:00,079

fall i hope all is well with you and all

369

00:15:03,840 --> 00:15:02,800

your listeners and as we say now keep

370

00:15:06,790 --> 00:15:03,850

looking up

371

00:15:08,949 --> 00:15:06,800

[Music]

372

00:15:11,670 --> 00:15:08,959

i have to start this off by telling you

373

00:15:13,670 --> 00:15:11,680

that my wife marcia dale

374

00:15:15,189 --> 00:15:13,680

he's the biggest

375

00:15:17,430 --> 00:15:15,199

x-files

376

00:15:18,230 --> 00:15:17,440

unsolved mystery

377

00:15:19,509 --> 00:15:18,240

uh

378

00:15:22,230 --> 00:15:19,519

alien

379

00:15:23,430 --> 00:15:22,240

freak that you've ever seen

380

00:15:25,430 --> 00:15:23,440

as a matter of fact i took her to

381

00:15:28,470 --> 00:15:25,440

roswell a couple years ago just because

382

00:15:30,790 --> 00:15:28,480

she's always wanted to go there so

383

00:15:32,629 --> 00:15:30,800

we were we were hanging out this was

384

00:15:36,310 --> 00:15:32,639

about

385

00:15:38,470 --> 00:15:36,320

i don't know somewhere in the 2010s

386

00:15:41,749 --> 00:15:38,480

my son-in-law michael was just my

387

00:15:44,230 --> 00:15:41,759

daughter's boyfriend at the time

388

00:15:46,710 --> 00:15:44,240

and i'll get back to him in a minute so

389

00:15:49,350 --> 00:15:46,720

they weren't there it was

390

00:15:50,629 --> 00:15:49,360

me and some of my kids in marceldale we

391

00:15:51,749 --> 00:15:50,639

were hanging out

392

00:15:54,629 --> 00:15:51,759

and uh

393

00:15:56,949 --> 00:15:54,639

at the time my mom uh was living right

394

00:15:59,990 --> 00:15:56,959

across the yard from us like i had her

395

00:16:01,509 --> 00:16:00,000

house right next to our house

396

00:16:03,670 --> 00:16:01,519

and uh

397

00:16:05,030 --> 00:16:03,680

we were out there hanging out and i i

398

00:16:09,509 --> 00:16:05,040

had gone

399

00:16:11,670 --> 00:16:09,519

to mom's house for some reason and uh

400

00:16:13,509 --> 00:16:11,680

as i was walking back from mom's house

401
00:16:15,350 --> 00:16:13,519
to our house

402
00:16:16,949 --> 00:16:15,360
i just looked up

403
00:16:18,870 --> 00:16:16,959
and uh

404
00:16:20,069 --> 00:16:18,880
there was a giant

405
00:16:22,710 --> 00:16:20,079
black

406
00:16:26,550 --> 00:16:22,720
triangle in the sky

407
00:16:30,310 --> 00:16:26,560
and uh it was just kind of cruising

408
00:16:31,749 --> 00:16:30,320
slowly and silently over the house

409
00:16:34,629 --> 00:16:31,759
and when i say

410
00:16:36,629 --> 00:16:34,639
a giant black triangle i mean like

411
00:16:38,470 --> 00:16:36,639
it covered up most of the sky and it

412
00:16:39,910 --> 00:16:38,480
didn't make a sound

413
00:16:42,389 --> 00:16:39,920

and uh

414

00:16:45,110 --> 00:16:42,399

i to this day could give a crap if

415

00:16:46,470 --> 00:16:45,120

anybody uh believes it or not but uh

416

00:16:48,310 --> 00:16:46,480

because i saw it

417

00:16:50,710 --> 00:16:48,320

and i had been drinking but i hadn't

418

00:16:53,590 --> 00:16:50,720

been drinking that much

419

00:16:56,069 --> 00:16:53,600

so i knew that marcia dale

420

00:16:59,990 --> 00:16:56,079

like it was it would mean a lot to her

421

00:17:02,550 --> 00:17:00,000

to see it so i hauled ass in the house

422

00:17:05,029 --> 00:17:02,560

and i got her up

423

00:17:07,669 --> 00:17:05,039

got her outside and it was gone like it

424

00:17:10,710 --> 00:17:07,679

was gone and she was so mad i think

425

00:17:12,710 --> 00:17:10,720

she's still to this day mad at me we'll

426

00:17:14,870 --> 00:17:12,720

we'll hear from her so

427

00:17:16,069 --> 00:17:14,880

now i told you about my son-in-law

428

00:17:18,870 --> 00:17:16,079

michael

429

00:17:22,710 --> 00:17:18,880

him and uh brittany my daughter was on a

430

00:17:25,110 --> 00:17:22,720

date uh michael and b knuckle finally

431

00:17:26,390 --> 00:17:25,120

showed back up at the house

432

00:17:27,909 --> 00:17:26,400

and uh

433

00:17:28,950 --> 00:17:27,919

michael was sitting there all kind of

434

00:17:29,990 --> 00:17:28,960

quiet

435

00:17:32,549 --> 00:17:30,000

and uh

436

00:17:34,470 --> 00:17:32,559

i had not brought this up because you

437

00:17:35,350 --> 00:17:34,480

know we were still

438

00:17:39,430 --> 00:17:35,360

kind of

439

00:17:41,029 --> 00:17:39,440

what i'd seen but i hadn't brought it up

440

00:17:43,350 --> 00:17:41,039

and michael's sitting there all quiet

441

00:17:45,669 --> 00:17:43,360

and then he's like uh he asked me if i

442

00:17:47,669 --> 00:17:45,679

believed in ufos just out of the blue i

443

00:17:49,909 --> 00:17:47,679

was kind of like what and he so he

444

00:17:52,150 --> 00:17:49,919

proceeded to tell me that as they were

445

00:17:53,510 --> 00:17:52,160

driving the back road over here that

446

00:17:57,029 --> 00:17:53,520

guess what

447

00:17:59,510 --> 00:17:57,039

they saw a giant black triangle

448

00:18:00,630 --> 00:17:59,520

triangle in the sky

449

00:18:02,230 --> 00:18:00,640

and uh

450

00:18:04,710 --> 00:18:02,240

he didn't really know what to think

451

00:18:06,470 --> 00:18:04,720

about it or do and so then i told him

452

00:18:09,350 --> 00:18:06,480

that well it flew right here over the

453

00:18:10,710 --> 00:18:09,360

house because i saw it and so take it

454

00:18:14,710 --> 00:18:10,720

for what it is

455

00:18:16,710 --> 00:18:14,720

that's my one and only ufo story and uh

456

00:18:18,630 --> 00:18:16,720

i call it a ufo because i feel like it

457

00:18:20,310 --> 00:18:18,640

was probably just some kind of a

458

00:18:22,230 --> 00:18:20,320

some kind of a jet i've been in the air

459

00:18:24,310 --> 00:18:22,240

force for a long time or i was in the

460

00:18:26,070 --> 00:18:24,320

air force for a long time so

461

00:18:27,510 --> 00:18:26,080

there's nothing that we

462

00:18:29,270 --> 00:18:27,520

i don't uh

463

00:18:31,430 --> 00:18:29,280

i don't put anything

464

00:18:32,870 --> 00:18:31,440

beyond our capabilities

465

00:18:34,549 --> 00:18:32,880

but i will tell you

466

00:18:35,750 --> 00:18:34,559

it was a giant

467

00:18:37,510 --> 00:18:35,760

black

468

00:18:40,390 --> 00:18:37,520

silent triangle

469

00:18:41,510 --> 00:18:40,400

that i could make out and it was kind of

470

00:18:43,190 --> 00:18:41,520

just

471

00:18:44,630 --> 00:18:43,200

the dusk

472

00:18:47,669 --> 00:18:44,640

and uh

473

00:18:48,470 --> 00:18:47,679

it didn't make a sound and it was huge

474

00:18:50,950 --> 00:18:48,480

so

475

00:18:52,870 --> 00:18:50,960

take that for what it is and

476

00:18:54,950 --> 00:18:52,880

and now let's hear martha dale side of

477

00:18:57,110 --> 00:18:54,960

the story so i'm gonna tell the tale

478

00:18:58,150 --> 00:18:57,120

about the triangle ufo babe what's your

479

00:19:02,230 --> 00:18:58,160

thoughts

480

00:19:05,350 --> 00:19:04,070

we were out sitting on the porch

481

00:19:07,510 --> 00:19:05,360

drinking

482

00:19:09,510 --> 00:19:07,520

of course i had to go to the bathroom

483

00:19:11,029 --> 00:19:09,520

i was going to a bathroom and jimmy runs

484

00:19:13,350 --> 00:19:11,039

into the house

485

00:19:14,950 --> 00:19:13,360

i was like masha marsha come out here

486

00:19:17,350 --> 00:19:14,960

you gotta look at this

487

00:19:19,190 --> 00:19:17,360

of course i was in the middle of going

488

00:19:22,549 --> 00:19:19,200

and then when i go out there it was damn

489

00:19:23,990 --> 00:19:22,559

gone i was just like so disappointed

490

00:19:24,910 --> 00:19:24,000

yeah all right baby you'll see another

491

00:19:26,789 --> 00:19:24,920

one someday

492

00:19:29,270 --> 00:19:26,799

[Music]

493

00:19:30,580 --> 00:19:29,280

whatever you still love me yes of course

494

00:19:34,950 --> 00:19:30,590

i still love it

495

00:19:37,110 --> 00:19:34,960

[Music]

496

00:19:39,110 --> 00:19:37,120

hey what's up guys dennis here i just

497

00:19:41,110 --> 00:19:39,120

wanted to share my story with you guys

498

00:19:43,750 --> 00:19:41,120

and hopefully someone out there

499

00:19:47,510 --> 00:19:43,760

resonates with my story and can share an

500

00:19:49,190 --> 00:19:47,520

experience that they had that is similar

501
00:19:49,990 --> 00:19:49,200
to what i'm you know about to tell you

502
00:19:52,870 --> 00:19:50,000
guys

503
00:19:54,470 --> 00:19:52,880
so basically this happened to me back in

504
00:19:56,310 --> 00:19:54,480
2007

505
00:19:57,830 --> 00:19:56,320
it was in the middle of summer i was at

506
00:19:59,990 --> 00:19:57,840
ice house

507
00:20:02,549 --> 00:20:00,000
reservoir in california

508
00:20:05,270 --> 00:20:02,559
and it was me and my three friends

509
00:20:06,630 --> 00:20:05,280
we drove up in my toyota prius up this

510
00:20:08,710 --> 00:20:06,640
little mountain

511
00:20:10,950 --> 00:20:08,720
and uh up this mountain there was like

512
00:20:13,029 --> 00:20:10,960
this little lake up there

513
00:20:14,310 --> 00:20:13,039

and it was clear skies when we got there

514

00:20:15,990 --> 00:20:14,320

but it was in the middle of the night it

515

00:20:19,110 --> 00:20:16,000

was probably like midnight or something

516

00:20:20,630 --> 00:20:19,120

it was dark okay and there was one other

517

00:20:24,549 --> 00:20:20,640

person that was

518

00:20:26,950 --> 00:20:24,559

up there he was across the lake and

519

00:20:28,230 --> 00:20:26,960

you can see a campfire so there wasn't

520

00:20:30,070 --> 00:20:28,240

any other person that we knew that was

521

00:20:31,590 --> 00:20:30,080

up there besides my three friends and

522

00:20:33,430 --> 00:20:31,600

this other person

523

00:20:34,390 --> 00:20:33,440

and it was really quiet it was really

524

00:20:36,549 --> 00:20:34,400

quiet you can hear

525

00:20:38,070 --> 00:20:36,559

the heartbeat though the wind was calm

526

00:20:39,830 --> 00:20:38,080

you know it's just really quiet you can

527

00:20:41,430 --> 00:20:39,840

hear a whisper basically you can whisper

528

00:20:42,390 --> 00:20:41,440

you can hear each other

529

00:20:45,190 --> 00:20:42,400

and

530

00:20:46,070 --> 00:20:45,200

on this particular night

531

00:20:48,230 --> 00:20:46,080

when

532

00:20:49,990 --> 00:20:48,240

my friends and i looked over the horizon

533

00:20:52,549 --> 00:20:50,000

we saw a star

534

00:20:54,870 --> 00:20:52,559

and you know that's common stars are

535

00:20:57,110 --> 00:20:54,880

common in the sky but these stars were

536

00:20:59,510 --> 00:20:57,120

bright like they

537

00:21:00,710 --> 00:20:59,520

like almost like a planet bright

538

00:21:01,990 --> 00:21:00,720

and

539

00:21:03,830 --> 00:21:02,000

there was three of them that were

540

00:21:05,909 --> 00:21:03,840

visible but one of them

541

00:21:08,710 --> 00:21:05,919

um

542

00:21:10,390 --> 00:21:08,720

was brighter than the most

543

00:21:13,029 --> 00:21:10,400

but

544

00:21:14,149 --> 00:21:13,039

we we stared at the star for some time

545

00:21:18,789 --> 00:21:14,159

and

546

00:21:21,750 --> 00:21:18,799

see this light or star moving in the sky

547

00:21:23,430 --> 00:21:21,760

like it was moving up and down and left

548

00:21:24,950 --> 00:21:23,440

and right like it was slowly moving at

549

00:21:26,470 --> 00:21:24,960

first we just thought maybe it was a

550

00:21:28,149 --> 00:21:26,480

satellite right

551
00:21:30,549 --> 00:21:28,159
and all of a sudden it just started

552
00:21:32,630 --> 00:21:30,559
shifting from left

553
00:21:34,390 --> 00:21:32,640
to right like it was drifting like

554
00:21:36,230 --> 00:21:34,400
wasn't sure it was a balloon but it

555
00:21:37,830 --> 00:21:36,240
wasn't a balloon or a blimp there's no

556
00:21:40,070 --> 00:21:37,840
way a blimp can move

557
00:21:42,710 --> 00:21:40,080
in you know

558
00:21:45,510 --> 00:21:42,720
in the fashion that it was

559
00:21:47,430 --> 00:21:45,520
and uh so we it wasn't a satellite there

560
00:21:48,710 --> 00:21:47,440
was no way it was satellite

561
00:21:49,669 --> 00:21:48,720
so

562
00:21:51,669 --> 00:21:49,679
about

563
00:21:52,950 --> 00:21:51,679

a minute later the light starts to go

564

00:21:54,710 --> 00:21:52,960

down

565

00:21:57,029 --> 00:21:54,720

behind the horizon like it disappears

566

00:21:59,590 --> 00:21:57,039

over the horizon so we lost sight of it

567

00:22:01,669 --> 00:21:59,600

but we're like interesting what that was

568

00:22:03,029 --> 00:22:01,679

but about 10 seconds later the light

569

00:22:04,070 --> 00:22:03,039

comes back

570

00:22:06,870 --> 00:22:04,080

and

571

00:22:09,029 --> 00:22:06,880

this time we noticed that

572

00:22:10,630 --> 00:22:09,039

it was coming towards us this little

573

00:22:12,710 --> 00:22:10,640

light was coming towards us like it was

574

00:22:15,510 --> 00:22:12,720

moving towards us and it gave me this

575

00:22:17,669 --> 00:22:15,520

eerie sense of feeling like

576
00:22:20,549 --> 00:22:17,679
it knew we were there like someone knew

577
00:22:23,029 --> 00:22:20,559
we were there and it knew that we on the

578
00:22:25,669 --> 00:22:23,039
mountain were aware of its presence so

579
00:22:26,470 --> 00:22:25,679
it kind of made my hair stand up as it

580
00:22:30,390 --> 00:22:26,480
started

581
00:22:31,909 --> 00:22:30,400
to fly towards us i should say i guess

582
00:22:33,750 --> 00:22:31,919
and

583
00:22:35,430 --> 00:22:33,760
all of a sudden

584
00:22:37,430 --> 00:22:35,440
as it gets closer

585
00:22:38,870 --> 00:22:37,440
from the horizon like the far out there

586
00:22:42,630 --> 00:22:38,880
like way out there like on the edge of

587
00:22:47,830 --> 00:22:42,640
the horizon we can see as it gets closer

588
00:22:53,110 --> 00:22:49,750

as it gets closer we can we see the

589

00:22:55,029 --> 00:22:53,120

light disappear and all of a sudden this

590

00:22:57,510 --> 00:22:55,039

up in the up in the sky

591

00:22:59,510 --> 00:22:57,520

this shape takes place and the shape was

592

00:23:00,710 --> 00:22:59,520

like a triangle

593

00:23:02,789 --> 00:23:00,720

and

594

00:23:05,110 --> 00:23:02,799

how it gets close to us like it starts

595

00:23:07,590 --> 00:23:05,120

to fly directly over us like of all

596

00:23:10,070 --> 00:23:07,600

places it flew it flew right over us it

597

00:23:12,950 --> 00:23:10,080

wasn't a bird it wasn't a kite

598

00:23:15,029 --> 00:23:12,960

it was like a aircraft

599

00:23:17,029 --> 00:23:15,039

but the funny thing is

600

00:23:21,029 --> 00:23:17,039

i shouldn't even say this is funny it

601
00:23:22,470 --> 00:23:21,039
was quiet like it just floated overhead

602
00:23:24,390 --> 00:23:22,480
no sound

603
00:23:26,390 --> 00:23:24,400
and just a red blinking light at the

604
00:23:27,830 --> 00:23:26,400
tail just to make it look like oh it's

605
00:23:28,950 --> 00:23:27,840
an aircraft

606
00:23:30,630 --> 00:23:28,960
really

607
00:23:33,510 --> 00:23:30,640
you were a star

608
00:23:37,029 --> 00:23:33,520
that was like who knows how many miles

609
00:23:39,110 --> 00:23:37,039
out way on the edge of the horizon like

610
00:23:40,870 --> 00:23:39,120
maybe 100 miles or so

611
00:23:41,909 --> 00:23:40,880
but all of a sudden you fly over and

612
00:23:45,350 --> 00:23:41,919
you're like

613
00:23:47,830 --> 00:23:45,360

oh i'm quiet there's no sound so i

614

00:23:49,190 --> 00:23:47,840

thought that was really interesting

615

00:23:50,950 --> 00:23:49,200

and

616

00:23:52,470 --> 00:23:50,960

we all looked at each other we were like

617

00:23:55,110 --> 00:23:52,480

uh

618

00:23:56,230 --> 00:23:55,120

what the did we just witness

619

00:23:58,149 --> 00:23:56,240

and

620

00:24:00,630 --> 00:23:58,159

15 seconds later something must have

621

00:24:01,909 --> 00:24:00,640

made a noise like for example you know

622

00:24:04,230 --> 00:24:01,919

on the freeway there's like the metal

623

00:24:05,990 --> 00:24:04,240

guard rail to prevent you from falling

624

00:24:07,909 --> 00:24:06,000

off to the side or whatever

625

00:24:09,510 --> 00:24:07,919

well sounded like someone took a rock

626

00:24:11,909 --> 00:24:09,520

and just threw it on it and just made

627

00:24:14,149 --> 00:24:11,919

this ripple noise we're like

628

00:24:15,590 --> 00:24:14,159

we are not alone so we got in the car

629

00:24:19,430 --> 00:24:15,600

and we left

630

00:24:21,190 --> 00:24:19,440

so i i think that after that night after

631

00:24:23,190 --> 00:24:21,200

that experience it made me believe that

632

00:24:25,830 --> 00:24:23,200

aliens are real and

633

00:24:27,669 --> 00:24:25,840

after now that the government is coming

634

00:24:29,510 --> 00:24:27,679

out with oh yeah

635

00:24:31,190 --> 00:24:29,520

aliens are real um yeah they've been

636

00:24:33,350 --> 00:24:31,200

real you guys just have been covering it

637

00:24:35,430 --> 00:24:33,360

up so i thought that was a really

638

00:24:37,110 --> 00:24:35,440

strange experience that night just

639

00:24:39,350 --> 00:24:37,120

to see this aircraft shaped like a

640

00:24:41,830 --> 00:24:39,360

triangle it's a black aircraft shaped

641

00:24:42,870 --> 00:24:41,840

like a triangle had a red light near the

642

00:24:45,590 --> 00:24:42,880

bottom

643

00:24:47,190 --> 00:24:45,600

on the back there in the tail underneath

644

00:24:49,750 --> 00:24:47,200

maybe three lights i can't remember but

645

00:24:52,710 --> 00:24:49,760

it was red and it was triangle it was

646

00:24:54,549 --> 00:24:52,720

black and just flew overhead made no

647

00:24:57,029 --> 00:24:54,559

noise like you know when a plane flies

648

00:24:59,909 --> 00:24:57,039

over any aircraft flies over you can

649

00:25:01,430 --> 00:24:59,919

hear it we didn't hear anything

650

00:25:03,190 --> 00:25:01,440

so

651
00:25:05,029 --> 00:25:03,200
that was like one of those moments in

652
00:25:06,710 --> 00:25:05,039
life where i will never forget my

653
00:25:09,669 --> 00:25:06,720
friends still to this day

654
00:25:12,390 --> 00:25:09,679
swear that what we saw was an alien

655
00:25:14,230 --> 00:25:12,400
aircraft and i believe it was

656
00:25:16,470 --> 00:25:14,240
and my friends still to this day can

657
00:25:18,470 --> 00:25:16,480
vividly explain

658
00:25:20,070 --> 00:25:18,480
in detail what they saw so i was the

659
00:25:23,350 --> 00:25:20,080
only one who'd seen it we weren't drunk

660
00:25:25,350 --> 00:25:23,360
we weren't high um but another day

661
00:25:27,830 --> 00:25:25,360
recently probably like three years ago

662
00:25:29,510 --> 00:25:27,840
here in tacoma washington i was with my

663
00:25:31,269 --> 00:25:29,520

best friend and

664

00:25:33,510 --> 00:25:31,279

we looked up in the sky we so happened

665

00:25:35,190 --> 00:25:33,520

to see this green bright light like a

666

00:25:37,029 --> 00:25:35,200

like a flash just

667

00:25:38,310 --> 00:25:37,039

like in just one concentrated air just

668

00:25:40,470 --> 00:25:38,320

flash

669

00:25:43,590 --> 00:25:40,480

we thought a transformer had blown we

670

00:25:45,510 --> 00:25:43,600

thought maybe it was like static

671

00:25:47,510 --> 00:25:45,520

electricity in the sky but

672

00:25:50,230 --> 00:25:47,520

nothing nobody reported anything there

673

00:25:52,549 --> 00:25:50,240

wasn't any explosions it was just a

674

00:25:54,070 --> 00:25:52,559

bright green flash

675

00:25:57,350 --> 00:25:54,080

and it just

676
00:25:59,029 --> 00:25:57,360
there was no noise it was just a light

677
00:26:00,310 --> 00:25:59,039
there there was no way explaining it

678
00:26:01,830 --> 00:26:00,320
there wasn't

679
00:26:05,190 --> 00:26:01,840
like

680
00:26:06,950 --> 00:26:05,200
didn't capture if i captured a video it

681
00:26:08,789 --> 00:26:06,960
would have been like wow great but you

682
00:26:10,070 --> 00:26:08,799
know it happened so quick

683
00:26:12,149 --> 00:26:10,080
so me and my best friend were like what

684
00:26:13,590 --> 00:26:12,159
the hell was that like like we looked up

685
00:26:15,990 --> 00:26:13,600
on the news we

686
00:26:17,830 --> 00:26:16,000
tried to think of rational explanations

687
00:26:19,029 --> 00:26:17,840
of what it could have been

688
00:26:20,950 --> 00:26:19,039

but

689

00:26:22,789 --> 00:26:20,960

you know what i think it was aliens i

690

00:26:25,110 --> 00:26:22,799

think they were traveling through

691

00:26:26,950 --> 00:26:25,120

through the universe and they created

692

00:26:29,350 --> 00:26:26,960

this like this light

693

00:26:31,909 --> 00:26:29,360

that was like so bright

694

00:26:33,269 --> 00:26:31,919

and it was green it was a green light

695

00:26:34,870 --> 00:26:33,279

like uh

696

00:26:36,390 --> 00:26:34,880

i'm not sure what kind of green but it

697

00:26:39,909 --> 00:26:36,400

wasn't like a dark green it was more

698

00:26:41,269 --> 00:26:39,919

like a light light green you know

699

00:26:43,029 --> 00:26:41,279

and um

700

00:26:45,110 --> 00:26:43,039

i thought it was a transformer that had

701
00:26:45,990 --> 00:26:45,120
blown and caused the

702
00:26:48,470 --> 00:26:46,000
uh

703
00:26:50,950 --> 00:26:48,480
electricity to like

704
00:26:52,870 --> 00:26:50,960
reflect in the sky or some right

705
00:26:54,870 --> 00:26:52,880
but that wasn't it

706
00:26:57,350 --> 00:26:54,880
so there's a lot of occurrences in my

707
00:27:00,630 --> 00:26:57,360
life that i've noticed

708
00:27:02,870 --> 00:27:00,640
um that are just unexplainable

709
00:27:04,870 --> 00:27:02,880
and in particular it's that one that one

710
00:27:07,669 --> 00:27:04,880
night when i was in ice house reservoir

711
00:27:10,230 --> 00:27:07,679
so i've i've seen like military

712
00:27:11,669 --> 00:27:10,240
aircrafts that look like that

713
00:27:13,590 --> 00:27:11,679

that aircraft that i thought i saw that

714

00:27:15,830 --> 00:27:13,600

night in california ice house

715

00:27:17,669 --> 00:27:15,840

it was the same shape same triangle

716

00:27:19,750 --> 00:27:17,679

and i thought it was a military aircraft

717

00:27:22,470 --> 00:27:19,760

but i was like but aircrafts are

718

00:27:25,350 --> 00:27:22,480

supposed to produce noise like they have

719

00:27:27,590 --> 00:27:25,360

propellers of some side by other fuel or

720

00:27:30,070 --> 00:27:27,600

turbine or

721

00:27:31,430 --> 00:27:30,080

some type of energy source to move that

722

00:27:33,110 --> 00:27:31,440

aircraft and it's going to cause some

723

00:27:35,029 --> 00:27:33,120

type of noise right

724

00:27:36,630 --> 00:27:35,039

at least from my experience i've never

725

00:27:39,430 --> 00:27:36,640

heard of an airplane fly overhead dead

726
00:27:41,510 --> 00:27:39,440
silent unless it's gliding but that's

727
00:27:43,110 --> 00:27:41,520
what it sounded like

728
00:27:45,430 --> 00:27:43,120
didn't sound but that's what it looked

729
00:27:49,029 --> 00:27:45,440
like it was just gliding

730
00:27:51,029 --> 00:27:49,039
gliding overhead a big triangle aircraft

731
00:27:53,110 --> 00:27:51,039
we couldn't see it was just a silhouette

732
00:27:56,789 --> 00:27:53,120
flying overhead and

733
00:27:57,750 --> 00:27:56,799
it made no noise i'm so freaked out so

734
00:27:59,590 --> 00:27:57,760
like

735
00:28:02,549 --> 00:27:59,600
we're gonna put this to rest ufos are

736
00:28:04,950 --> 00:28:02,559
real there's no doubt about it there's

737
00:28:07,269 --> 00:28:04,960
no conspiracy theories anymore there's

738
00:28:08,870 --> 00:28:07,279

too many evidence that's coming up

739

00:28:11,269 --> 00:28:08,880

left and right and this is coming from

740

00:28:12,630 --> 00:28:11,279

someone who's just a normal guy like i

741

00:28:14,950 --> 00:28:12,640

haven't done my research i haven't dug

742

00:28:18,149 --> 00:28:14,960

up any articles or anything

743

00:28:19,669 --> 00:28:18,159

so if i'm saying is real and the

744

00:28:21,669 --> 00:28:19,679

government's saying it's real i've seen

745

00:28:23,510 --> 00:28:21,679

some my friends see some other

746

00:28:24,950 --> 00:28:23,520

people seen some you've probably

747

00:28:27,350 --> 00:28:24,960

seen some you're probably typing

748

00:28:29,190 --> 00:28:27,360

some as i'm talking like i said and

749

00:28:30,470 --> 00:28:29,200

it's real guys i don't know what else to

750

00:28:35,110 --> 00:28:30,480

say

751
00:28:39,669 --> 00:28:37,430
hi ryan my name is heather and i live in

752
00:28:41,909 --> 00:28:39,679
the dallas texas area

753
00:28:43,909 --> 00:28:41,919
thank you so much for considering me and

754
00:28:45,590 --> 00:28:43,919
allowing me to share my experiences with

755
00:28:47,029 --> 00:28:45,600
you and your listeners on somewhere in

756
00:28:50,070 --> 00:28:47,039
the skies

757
00:28:52,549 --> 00:28:50,080
before i moved to texas back in 1997 i

758
00:28:55,830 --> 00:28:52,559
lived outside of cleveland ohio

759
00:28:58,070 --> 00:28:55,840
i'm from a small town about 45 minutes

760
00:28:59,350 --> 00:28:58,080
from cleveland but i lived close to

761
00:29:02,950 --> 00:28:59,360
downtown

762
00:29:05,110 --> 00:29:02,960
that year i had two ufo experiences

763
00:29:06,710 --> 00:29:05,120

one the first one occurred in runaway

764

00:29:09,269 --> 00:29:06,720

bay jamaica

765

00:29:12,389 --> 00:29:09,279

i had taken a short four day three night

766

00:29:14,070 --> 00:29:12,399

weekend vacation 25 years ago today

767

00:29:16,310 --> 00:29:14,080

i took a friend of mine who was in a

768

00:29:18,470 --> 00:29:16,320

branch of the u.s military

769

00:29:21,190 --> 00:29:18,480

it was a smaller resort about an hour

770

00:29:22,710 --> 00:29:21,200

from ocho rios the first day we met a

771

00:29:25,110 --> 00:29:22,720

british couple

772

00:29:28,070 --> 00:29:25,120

our age so we piled around with them all

773

00:29:31,750 --> 00:29:28,080

weekend on the second evening we had

774

00:29:33,990 --> 00:29:31,760

something absolutely crazy happen to us

775

00:29:36,470 --> 00:29:34,000

we found we had found a cove the night

776

00:29:38,950 --> 00:29:36,480

before on the edge of the resort right

777

00:29:41,110 --> 00:29:38,960

on the beach that faced north we could

778

00:29:42,549 --> 00:29:41,120

sit there and talk and laugh and we

779

00:29:44,230 --> 00:29:42,559

didn't really have to worry about

780

00:29:47,510 --> 00:29:44,240

disturbing anyone

781

00:29:50,549 --> 00:29:47,520

it was around 10 p.m to 11 p.m on that

782

00:29:53,350 --> 00:29:50,559

evening it was a very clear sky bright

783

00:29:55,510 --> 00:29:53,360

moon an unimpeded view of the sea

784

00:29:56,710 --> 00:29:55,520

melding into the north horizon it was

785

00:29:58,870 --> 00:29:56,720

gorgeous

786

00:30:01,350 --> 00:29:58,880

not being there for very long we all

787

00:30:03,750 --> 00:30:01,360

noticed a very bright very intense light

788

00:30:05,830 --> 00:30:03,760

coming from the point of the horizon

789

00:30:07,750 --> 00:30:05,840

where the water meets the sky

790

00:30:09,750 --> 00:30:07,760

as it started to approach us we all

791

00:30:11,590 --> 00:30:09,760

noticed that it was about 200 feet off

792

00:30:13,830 --> 00:30:11,600

the ground which didn't really make any

793

00:30:14,870 --> 00:30:13,840

sense because it seemed too low to be an

794

00:30:17,350 --> 00:30:14,880

airplane

795

00:30:20,470 --> 00:30:17,360

it also didn't display any international

796

00:30:22,789 --> 00:30:20,480

flight lights that all aircraft display

797

00:30:25,430 --> 00:30:22,799

there was no flashing white flashing

798

00:30:28,230 --> 00:30:25,440

green or flashing red which really kind

799

00:30:30,950 --> 00:30:28,240

of stuck out to my military friend as it

800

00:30:34,789 --> 00:30:30,960

came closer we all saw very clearly a

801
00:30:36,950 --> 00:30:34,799
black metallic large triangle with three

802
00:30:40,230 --> 00:30:36,960
white what i would call recessed type

803
00:30:42,310 --> 00:30:40,240
lights in each corner and a solid larger

804
00:30:44,389 --> 00:30:42,320
red light in the center

805
00:30:47,110 --> 00:30:44,399
as it approached us and then went over

806
00:30:49,269 --> 00:30:47,120
us we could see a waviness to the bottom

807
00:30:50,470 --> 00:30:49,279
of the object i couldn't tell if it was

808
00:30:52,389 --> 00:30:50,480
a texture

809
00:30:54,789 --> 00:30:52,399
or if it was the heat coming off the

810
00:30:56,149 --> 00:30:54,799
object but it just seemed really

811
00:30:59,509 --> 00:30:56,159
smooth and

812
00:31:01,110 --> 00:30:59,519
metallic black no rivets anywhere it

813
00:31:05,350 --> 00:31:01,120

didn't seem like something that was

814

00:31:06,149 --> 00:31:05,360

manufactured by humans and as we watched

815

00:31:08,710 --> 00:31:06,159

the

816

00:31:11,909 --> 00:31:08,720

object flew over us

817

00:31:14,710 --> 00:31:11,919

and made no noise whatsoever we all

818

00:31:17,509 --> 00:31:14,720

noticed at the same time that the low

819

00:31:19,990 --> 00:31:17,519

tide waves the gentle waves lapping up

820

00:31:22,549 --> 00:31:20,000

onto the beach were a lot louder than

821

00:31:24,950 --> 00:31:22,559

the object that was going over us we all

822

00:31:26,630 --> 00:31:24,960

turned and watched it head to the toward

823

00:31:29,110 --> 00:31:26,640

the foothills of the blue mountains

824

00:31:30,630 --> 00:31:29,120

which were behind us

825

00:31:32,389 --> 00:31:30,640

and i think we all thought it was going

826

00:31:33,190 --> 00:31:32,399

to fly off because we actually didn't

827

00:31:35,830 --> 00:31:33,200

stay

828

00:31:37,990 --> 00:31:35,840

turned around for very long watching it

829

00:31:38,950 --> 00:31:38,000

when we all turned to face the ocean

830

00:31:41,750 --> 00:31:38,960

again

831

00:31:44,470 --> 00:31:41,760

within a minute there was another very

832

00:31:47,110 --> 00:31:44,480

intense white light coming from the same

833

00:31:49,430 --> 00:31:47,120

position as we saw the first one and i

834

00:31:52,549 --> 00:31:49,440

think i was the one that said i'm going

835

00:31:54,549 --> 00:31:52,559

to die if that is another one and it was

836

00:31:57,509 --> 00:31:54,559

exactly the same thing as the first

837

00:31:59,990 --> 00:31:57,519

black triangle 200 feet off the ground

838

00:32:03,110 --> 00:32:00,000

three white lights a large center red

839

00:32:05,590 --> 00:32:03,120

one both were very low within a minute

840

00:32:07,830 --> 00:32:05,600

of each other taking the exact same path

841

00:32:10,230 --> 00:32:07,840

from the exact same position from the

842

00:32:12,710 --> 00:32:10,240

north horizon they both

843

00:32:15,190 --> 00:32:12,720

passed us taking the same path in front

844

00:32:17,909 --> 00:32:15,200

of those mountains not flying that

845

00:32:19,830 --> 00:32:17,919

quickly we were shocked freaked out and

846

00:32:22,389 --> 00:32:19,840

no we weren't smoking pot because we

847

00:32:24,070 --> 00:32:22,399

were in jamaica as the second joined

848

00:32:25,990 --> 00:32:24,080

with the first one in the position it

849

00:32:28,149 --> 00:32:26,000

was before we turned around

850

00:32:30,470 --> 00:32:28,159

we all freaked out even more stunned

851
00:32:33,269 --> 00:32:30,480
that what we were seeing there were two

852
00:32:35,029 --> 00:32:33,279
triangles hovering in the background in

853
00:32:37,110 --> 00:32:35,039
front of these mountains

854
00:32:39,190 --> 00:32:37,120
the british people were joking about

855
00:32:41,509 --> 00:32:39,200
agent moulder coming running across the

856
00:32:42,950 --> 00:32:41,519
beach i guess the x-files had just aired

857
00:32:45,509 --> 00:32:42,960
in the uk

858
00:32:48,310 --> 00:32:45,519
these two triangles met up in the sky

859
00:32:51,029 --> 00:32:48,320
which looked like inches from each other

860
00:32:53,269 --> 00:32:51,039
from a distance

861
00:32:56,470 --> 00:32:53,279
they sat there hovering for what i would

862
00:32:58,630 --> 00:32:56,480
say was probably about 10 or 15 minutes

863
00:33:00,789 --> 00:32:58,640

and it didn't make any noise still

864

00:33:02,710 --> 00:33:00,799

there's just in the background hovering

865

00:33:04,710 --> 00:33:02,720

in front of these mountains there's no

866

00:33:07,269 --> 00:33:04,720

flashing lights nothing ever really

867

00:33:09,350 --> 00:33:07,279

changed except they were fully hovering

868

00:33:11,430 --> 00:33:09,360

and there was no way that we could tell

869

00:33:14,950 --> 00:33:11,440

that they should be hovering and then

870

00:33:16,950 --> 00:33:14,960

bam in a blink like a shot out of a gun

871

00:33:18,710 --> 00:33:16,960

one went to the right one went to our

872

00:33:21,190 --> 00:33:18,720

left and

873

00:33:23,590 --> 00:33:21,200

boom gone gone forever there was no

874

00:33:25,750 --> 00:33:23,600

sonic boom it was as silent as it was

875

00:33:28,070 --> 00:33:25,760

when they approached us we were all

876

00:33:30,549 --> 00:33:28,080

freaking out yelling with the two

877

00:33:32,070 --> 00:33:30,559

strangers who just experienced the same

878

00:33:34,149 --> 00:33:32,080

thing that we did

879

00:33:36,310 --> 00:33:34,159

never had such a thing happen like this

880

00:33:38,789 --> 00:33:36,320

before i think we were all completely

881

00:33:42,630 --> 00:33:38,799

shocked two soundless black triangle

882

00:33:45,029 --> 00:33:42,640

looking very ufoe looking objects that

883

00:33:47,029 --> 00:33:45,039

just flew over us and hovered in the

884

00:33:47,909 --> 00:33:47,039

background and then in a blink we're

885

00:33:50,230 --> 00:33:47,919

gone

886

00:33:52,070 --> 00:33:50,240

what i know now about sud objects i

887

00:33:54,950 --> 00:33:52,080

didn't find out until probably about

888

00:33:58,230 --> 00:33:54,960

2002 after seeing a history channel show

889

00:34:00,470 --> 00:33:58,240

about black triangle ufos these objects

890

00:34:03,029 --> 00:34:00,480

before us came from probably the cuban

891

00:34:06,389 --> 00:34:03,039

airspace they were flying south toward

892

00:34:09,270 --> 00:34:06,399

jamaica as we stood on a jamaican beach

893

00:34:12,149 --> 00:34:09,280

i have to assume since cuba was to our

894

00:34:15,270 --> 00:34:12,159

north that it passed over the ocean into

895

00:34:18,230 --> 00:34:15,280

a foreign territory so i'm not sure back

896

00:34:20,790 --> 00:34:18,240

then what the usa was up to or if this

897

00:34:22,790 --> 00:34:20,800

was u.s black ops they certainly look

898

00:34:25,990 --> 00:34:22,800

different than the ones i have found

899

00:34:28,869 --> 00:34:26,000

more recently videos pics anything on

900

00:34:31,589 --> 00:34:28,879

the internet in modern times

901
00:34:33,190 --> 00:34:31,599
i was not a converter computer person i

902
00:34:35,190 --> 00:34:33,200
didn't know anyone that had a computer

903
00:34:37,430 --> 00:34:35,200
back in 1997

904
00:34:40,550 --> 00:34:37,440
it was expensive there weren't a lot of

905
00:34:43,190 --> 00:34:40,560
websites so it wasn't anything i really

906
00:34:45,349 --> 00:34:43,200
got into so there weren't any type of

907
00:34:47,349 --> 00:34:45,359
google searches or ways i could figure

908
00:34:49,109 --> 00:34:47,359
out what had just happened to us the

909
00:34:51,030 --> 00:34:49,119
world's internet was not at my

910
00:34:52,629 --> 00:34:51,040
fingertips and neither was the world's

911
00:34:55,190 --> 00:34:52,639
information

912
00:34:57,270 --> 00:34:55,200
my second experience happened september

913
00:35:00,069 --> 00:34:57,280

of 1997.

914

00:35:02,550 --> 00:35:00,079

i was dating a guy from a small town

915

00:35:04,550 --> 00:35:02,560

called worcester ohio i lived about an

916

00:35:06,470 --> 00:35:04,560

hour away so i would have to stay over

917

00:35:07,670 --> 00:35:06,480

with him when i came out to hang out

918

00:35:09,270 --> 00:35:07,680

with him

919

00:35:11,829 --> 00:35:09,280

so i didn't have to travel back through

920

00:35:14,710 --> 00:35:11,839

the dark through amish country on these

921

00:35:16,870 --> 00:35:14,720

small windy roads so that evening we had

922

00:35:18,870 --> 00:35:16,880

watched movies went to bed i don't think

923

00:35:20,630 --> 00:35:18,880

it was very late and in the middle of

924

00:35:22,470 --> 00:35:20,640

the night the scariest thing that has

925

00:35:23,670 --> 00:35:22,480

ever happened to me

926

00:35:26,150 --> 00:35:23,680

took place

927

00:35:28,390 --> 00:35:26,160

i can remember vividly and i don't know

928

00:35:31,109 --> 00:35:28,400

if this has anything to do with it the

929

00:35:33,510 --> 00:35:31,119

exact dream i was having before i awoke

930

00:35:35,829 --> 00:35:33,520

i was dressed in victorian clothing a

931

00:35:38,390 --> 00:35:35,839

white frilly dress sitting in the back

932

00:35:40,630 --> 00:35:38,400

of an open carriage and what i know now

933

00:35:41,589 --> 00:35:40,640

was more than likely st james park in

934

00:35:44,310 --> 00:35:41,599

london

935

00:35:46,790 --> 00:35:44,320

i've been there in more recent years as

936

00:35:49,990 --> 00:35:46,800

i rode along in a horse-drawn carriage a

937

00:35:51,510 --> 00:35:50,000

man dressed very smartly atop a a big

938

00:35:54,390 --> 00:35:51,520

black horse

939

00:35:55,109 --> 00:35:54,400

with a top hat and tails on approached

940

00:35:57,910 --> 00:35:55,119

us

941

00:36:00,230 --> 00:35:57,920

as our carriage slowed he tipped his hat

942

00:36:02,069 --> 00:36:00,240

and started to say something and then i

943

00:36:02,870 --> 00:36:02,079

woke up to the biggest nightmare of my

944

00:36:05,349 --> 00:36:02,880

life

945

00:36:08,390 --> 00:36:05,359

i was absolutely terrified trying to

946

00:36:11,750 --> 00:36:08,400

grasp what was happening being blinded

947

00:36:14,550 --> 00:36:11,760

by a very intense very sterile what i

948

00:36:17,030 --> 00:36:14,560

call white blue light it filled every

949

00:36:19,589 --> 00:36:17,040

inch of the room the outer areas of the

950

00:36:22,470 --> 00:36:19,599

room had a blue tinge but the center of

951
00:36:24,069 --> 00:36:22,480
the room was so bright i could see every

952
00:36:26,790 --> 00:36:24,079
detail

953
00:36:29,109 --> 00:36:26,800
finding myself i was flipped on my back

954
00:36:31,349 --> 00:36:29,119
and not the way i'd fallen asleep this

955
00:36:34,630 --> 00:36:31,359
guy had a very crappy mattress that only

956
00:36:37,270 --> 00:36:34,640
sat on a box spring the mattress sat

957
00:36:39,829 --> 00:36:37,280
on the floor with no frame and the

958
00:36:42,230 --> 00:36:39,839
mattress also had this awful golly in

959
00:36:44,790 --> 00:36:42,240
the middle of it that made you roll into

960
00:36:47,190 --> 00:36:44,800
it even if you were on your back so you

961
00:36:48,870 --> 00:36:47,200
always had to sleep on your side

962
00:36:51,430 --> 00:36:48,880
which was my left

963
00:36:53,430 --> 00:36:51,440

when my eyes finally focused i saw three

964

00:36:55,190 --> 00:36:53,440

beings in the room and then i discovered

965

00:36:57,990 --> 00:36:55,200

that i was completely

966

00:37:01,109 --> 00:36:58,000

paralyzed and i was trying to fight to

967

00:37:02,150 --> 00:37:01,119

move and or scream and i couldn't do

968

00:37:04,550 --> 00:37:02,160

anything

969

00:37:07,030 --> 00:37:04,560

and it felt like i was in a fight for my

970

00:37:09,829 --> 00:37:07,040

life nothing was working

971

00:37:12,390 --> 00:37:09,839

it was like i was trying to keep my eyes

972

00:37:14,390 --> 00:37:12,400

open but they were being forced shut

973

00:37:16,950 --> 00:37:14,400

they were there were two beings at the

974

00:37:19,829 --> 00:37:16,960

foot of the bed with what i would call

975

00:37:21,270 --> 00:37:19,839

two gray aliens they seem to be smaller

976
00:37:23,510 --> 00:37:21,280
so i have to

977
00:37:25,910 --> 00:37:23,520
assume that there's different

978
00:37:28,310 --> 00:37:25,920
species out there

979
00:37:30,470 --> 00:37:28,320
and where i watched as the smaller one

980
00:37:33,750 --> 00:37:30,480
in front of me raised his left hand and

981
00:37:35,510 --> 00:37:33,760
extended three very long skeleton-like

982
00:37:38,150 --> 00:37:35,520
very thin fingers

983
00:37:39,190 --> 00:37:38,160
as i struggled to access the rest of the

984
00:37:41,430 --> 00:37:39,200
room

985
00:37:43,510 --> 00:37:41,440
i saw a larger one a couple inches

986
00:37:46,150 --> 00:37:43,520
taller than the doorknob standing in the

987
00:37:50,069 --> 00:37:46,160
open doorway of the bedroom

988
00:37:53,430 --> 00:37:50,079

his very defined shadow of his very thin

989

00:37:56,870 --> 00:37:53,440

body and this huge enormous head

990

00:37:59,589 --> 00:37:56,880

that shadow washed onto the wall of now

991

00:38:01,750 --> 00:37:59,599

what was lit with the white blue light

992

00:38:04,230 --> 00:38:01,760

but the edges of the hallway i could see

993

00:38:06,710 --> 00:38:04,240

were pitch blackness

994

00:38:11,349 --> 00:38:06,720

blackness was filling every corner

995

00:38:13,270 --> 00:38:11,359

outside of that small area of the wall

996

00:38:15,670 --> 00:38:13,280

i saw his head turned left and then

997

00:38:18,069 --> 00:38:15,680

turned right and he's proceeded down the

998

00:38:21,430 --> 00:38:18,079

right out of view down the hallway i

999

00:38:24,470 --> 00:38:21,440

laid there struggling sweating profusely

1000

00:38:26,630 --> 00:38:24,480

crying hot messy tears trying to watch

1001
00:38:29,430 --> 00:38:26,640
what was happening seeing my ex laying

1002
00:38:31,990 --> 00:38:29,440
to my right motionless on his right side

1003
00:38:34,630 --> 00:38:32,000
i could hear and feel this humming that

1004
00:38:36,150 --> 00:38:34,640
filled the room and my rapid heartbeat

1005
00:38:38,230 --> 00:38:36,160
in my ears

1006
00:38:39,910 --> 00:38:38,240
i finally thought i'm being distracted

1007
00:38:42,710 --> 00:38:39,920
by all of this

1008
00:38:45,589 --> 00:38:42,720
by what is happening visually so i just

1009
00:38:48,470 --> 00:38:45,599
let my eyes close and i tried to focus

1010
00:38:51,270 --> 00:38:48,480
in on some part of my body so i focused

1011
00:38:53,349 --> 00:38:51,280
in on my right hand which was paralyzed

1012
00:38:55,670 --> 00:38:53,359
laying next to me on the bed

1013
00:38:56,630 --> 00:38:55,680

if i cut if i could move a finger i kept

1014

00:38:58,950 --> 00:38:56,640

thinking

1015

00:39:01,750 --> 00:38:58,960

maybe that'll help i need to see if i

1016

00:39:03,990 --> 00:39:01,760

can reach out and touch my boyfriend

1017

00:39:06,390 --> 00:39:04,000

i could see the picture of my hand and

1018

00:39:08,630 --> 00:39:06,400

my head perfectly and was willing it to

1019

00:39:12,550 --> 00:39:08,640

move and nothing was working and finally

1020

00:39:15,109 --> 00:39:12,560

in what seemed to be hours of struggling

1021

00:39:17,349 --> 00:39:15,119

covered in hot sticky sweat

1022

00:39:19,270 --> 00:39:17,359

which was probably only a few minutes i

1023

00:39:22,069 --> 00:39:19,280

finally was able to move the pinky on my

1024

00:39:25,109 --> 00:39:22,079

right hand a millimeter and suddenly

1025

00:39:27,829 --> 00:39:25,119

just like that it all stopped like it

1026

00:39:31,109 --> 00:39:27,839

was all sucked out of the window boom it

1027

00:39:33,030 --> 00:39:31,119

was gone no more light no more figures

1028

00:39:35,510 --> 00:39:33,040

no more humming noises

1029

00:39:38,310 --> 00:39:35,520

i could feel i was totally free so i

1030

00:39:41,510 --> 00:39:38,320

rolled onto my left side facing the wall

1031

00:39:43,829 --> 00:39:41,520

i was completely sobbing uncontrollably

1032

00:39:46,550 --> 00:39:43,839

when i heard three voices

1033

00:39:48,390 --> 00:39:46,560

which i've tried to imagine how i would

1034

00:39:50,310 --> 00:39:48,400

tell this story

1035

00:39:52,550 --> 00:39:50,320

because it doesn't make any sense to me

1036

00:39:54,790 --> 00:39:52,560

and forever i kept thinking that i only

1037

00:39:56,630 --> 00:39:54,800

heard it in my left ear

1038

00:39:59,510 --> 00:39:56,640

but my left ear was down on the mattress

1039

00:40:01,030 --> 00:39:59,520

so it didn't seem like that was possible

1040

00:40:03,750 --> 00:40:01,040

but then i remembered i had this

1041

00:40:06,230 --> 00:40:03,760

sensation in the front left lobe of my

1042

00:40:07,829 --> 00:40:06,240

head that i can still kind of imagine

1043

00:40:09,030 --> 00:40:07,839

when i think about it

1044

00:40:12,069 --> 00:40:09,040

i know

1045

00:40:13,829 --> 00:40:12,079

now that this was something telepathic i

1046

00:40:17,109 --> 00:40:13,839

heard a language i have never heard

1047

00:40:19,510 --> 00:40:17,119

before and an octave too high for humans

1048

00:40:21,710 --> 00:40:19,520

i had i heard words being said that i

1049

00:40:25,190 --> 00:40:21,720

didn't understand until i heard

1050

00:40:27,510 --> 00:40:25,200

simultaneously the english translation

1051
00:40:28,950 --> 00:40:27,520
said in the same octave by the same

1052
00:40:31,670 --> 00:40:28,960
three voices

1053
00:40:33,750 --> 00:40:31,680
we will be back for you

1054
00:40:35,190 --> 00:40:33,760
i laid there in the fetal position too

1055
00:40:37,750 --> 00:40:35,200
scared to move

1056
00:40:40,230 --> 00:40:37,760
i sobbed for what seemed like hours i

1057
00:40:42,069 --> 00:40:40,240
was too scared to wake up my boyfriend i

1058
00:40:42,870 --> 00:40:42,079
was so afraid that he would not believe

1059
00:40:47,430 --> 00:40:42,880
me

1060
00:40:48,870 --> 00:40:47,440
laid there trying to figure out what

1061
00:40:50,630 --> 00:40:48,880
just happened to me

1062
00:40:53,030 --> 00:40:50,640
knowing that i was wide awake this

1063
00:40:55,510 --> 00:40:53,040

entire time i tried to process

1064

00:40:56,870 --> 00:40:55,520

everything catalog cataloging every

1065

00:41:00,230 --> 00:40:56,880

moment

1066

00:41:01,430 --> 00:41:00,240

every detail as i laid shaking was going

1067

00:41:03,829 --> 00:41:01,440

through my head

1068

00:41:06,470 --> 00:41:03,839

sobbing as quietly as i could for what

1069

00:41:08,069 --> 00:41:06,480

seemed like hours i was trying so hard

1070

00:41:09,990 --> 00:41:08,079

not to wake him up

1071

00:41:11,750 --> 00:41:10,000

until i watched dawn filter through this

1072

00:41:15,270 --> 00:41:11,760

very same window

1073

00:41:17,349 --> 00:41:15,280

awakening this gray ohio morning

1074

00:41:20,390 --> 00:41:17,359

feeling very comforted that at least it

1075

00:41:22,630 --> 00:41:20,400

was daylight and this event was over

1076

00:41:24,630 --> 00:41:22,640

i finally couldn't lay there any longer

1077

00:41:26,790 --> 00:41:24,640

he's still sleeping to my right so i

1078

00:41:28,950 --> 00:41:26,800

wiggled off the edge of the bed walked

1079

00:41:31,190 --> 00:41:28,960

through the apartment which is really

1080

00:41:34,390 --> 00:41:31,200

weird knowing that some creature just

1081

00:41:36,950 --> 00:41:34,400

walked these same steps that i'm taking

1082

00:41:38,950 --> 00:41:36,960

i found the front door and both locks

1083

00:41:40,870 --> 00:41:38,960

were still locked both things were in

1084

00:41:43,510 --> 00:41:40,880

the locked position

1085

00:41:45,750 --> 00:41:43,520

i went outside in his ratty concert

1086

00:41:48,069 --> 00:41:45,760

t-shirt and boxer shorts appeared around

1087

00:41:49,990 --> 00:41:48,079

the corner to the right of the house

1088

00:41:51,829 --> 00:41:50,000

there was an abandoned factory with an

1089

00:41:53,910 --> 00:41:51,839

empty parking lot

1090

00:41:55,510 --> 00:41:53,920

that was the side that the house of the

1091

00:41:56,630 --> 00:41:55,520

house that the light had gone through

1092

00:41:58,710 --> 00:41:56,640

the window

1093

00:41:59,750 --> 00:41:58,720

there were no marks there were no street

1094

00:42:01,750 --> 00:41:59,760

lights

1095

00:42:03,910 --> 00:42:01,760

nothing was there i don't know what i

1096

00:42:06,470 --> 00:42:03,920

expected to find and still too scared to

1097

00:42:09,109 --> 00:42:06,480

go inspect it closer so i sat down on

1098

00:42:10,069 --> 00:42:09,119

his front yard and sobbed like a crazy

1099

00:42:12,150 --> 00:42:10,079

person

1100

00:42:13,750 --> 00:42:12,160

hoping it was way too early for any of

1101

00:42:16,069 --> 00:42:13,760

the neighbors to see me

1102

00:42:18,470 --> 00:42:16,079

it was i was sitting on dewey grass as

1103

00:42:21,109 --> 00:42:18,480

this light mist came from the morning

1104

00:42:23,190 --> 00:42:21,119

all over me never have i done anything

1105

00:42:25,670 --> 00:42:23,200

like this before but it was like i

1106

00:42:28,309 --> 00:42:25,680

needed to see outside i didn't want to

1107

00:42:31,589 --> 00:42:28,319

wake him as weird as that sounds this

1108

00:42:33,990 --> 00:42:31,599

was a new relationship i liked this guy

1109

00:42:36,309 --> 00:42:34,000

plus in a weird way the ground

1110

00:42:38,630 --> 00:42:36,319

felt kind of grounding to me

1111

00:42:41,030 --> 00:42:38,640

i don't think i was taken and maybe they

1112

00:42:43,109 --> 00:42:41,040

weren't even there for me i don't know i

1113

00:42:46,309 --> 00:42:43,119

remember the very next day as i went to

1114

00:42:48,950 --> 00:42:46,319

leave in his very messy bachelor pad

1115

00:42:51,190 --> 00:42:48,960

apartment i saw a book sitting on a

1116

00:42:52,950 --> 00:42:51,200

chair in the corner that i had never

1117

00:42:54,870 --> 00:42:52,960

noticed before

1118

00:42:55,990 --> 00:42:54,880

being over at his place it was called

1119

00:42:58,470 --> 00:42:56,000

communion

1120

00:43:00,630 --> 00:42:58,480

i didn't even know what that was i never

1121

00:43:03,349 --> 00:43:00,640

even heard of it but the illustration

1122

00:43:05,190 --> 00:43:03,359

sent ice-cold chills up my spine i asked

1123

00:43:07,190 --> 00:43:05,200

him motioning to the book is this your

1124

00:43:08,950 --> 00:43:07,200

book have you read this book

1125

00:43:10,150 --> 00:43:08,960

he said yeah you should read it it's a

1126

00:43:12,470 --> 00:43:10,160

great book

1127

00:43:13,990 --> 00:43:12,480

hoping he would say something like

1128

00:43:16,950 --> 00:43:14,000

you'll never believe what has happened

1129

00:43:19,030 --> 00:43:16,960

to me which he didn't but what he said

1130

00:43:21,589 --> 00:43:19,040

has always stuck with me since that

1131

00:43:24,150 --> 00:43:21,599

moment as i motioned to the book with

1132

00:43:26,950 --> 00:43:24,160

i'm sure a very shocked look on my face

1133

00:43:28,470 --> 00:43:26,960

i said has anything weird ever happened

1134

00:43:29,910 --> 00:43:28,480

here before

1135

00:43:31,750 --> 00:43:29,920

and then he said

1136

00:43:33,910 --> 00:43:31,760

you wouldn't be the first person to tell

1137

00:43:36,950 --> 00:43:33,920

me something weird has happened here i

1138

00:43:38,550 --> 00:43:36,960

was totally silent wanted to laugh but

1139

00:43:41,109 --> 00:43:38,560

wanted to cry and i didn't even know

1140

00:43:43,270 --> 00:43:41,119

what to say so i left

1141

00:43:45,030 --> 00:43:43,280

then my third experience happened way

1142

00:43:48,230 --> 00:43:45,040

more recently

1143

00:43:49,750 --> 00:43:48,240

i had moved to texas in 1998

1144

00:43:51,910 --> 00:43:49,760

and i live

1145

00:43:54,870 --> 00:43:51,920

in the dallas area

1146

00:43:57,510 --> 00:43:54,880

since about 12 years ago

1147

00:43:59,670 --> 00:43:57,520

i had yet another experience but this

1148

00:44:01,030 --> 00:43:59,680

one was in my backyard this is like

1149

00:44:02,950 --> 00:44:01,040

number three

1150

00:44:05,109 --> 00:44:02,960

my husband and i had been

1151

00:44:06,870 --> 00:44:05,119

planting bobs in our flat flower beds

1152

00:44:10,630 --> 00:44:06,880

all day and i remember the day because

1153

00:44:13,109 --> 00:44:10,640

it was sunday october 23rd 2016

1154

00:44:14,950 --> 00:44:13,119

around 6 pm it was the last day of the

1155

00:44:17,109 --> 00:44:14,960

texas state fair

1156

00:44:19,109 --> 00:44:17,119

so we had just finished a very long day

1157

00:44:20,309 --> 00:44:19,119

of working really hard in the yard and

1158

00:44:22,470 --> 00:44:20,319

we were going to hang out in our

1159

00:44:23,829 --> 00:44:22,480

backyard with our dogs when i heard my

1160

00:44:25,349 --> 00:44:23,839

husband say

1161

00:44:26,630 --> 00:44:25,359

look at that weird drone over the

1162

00:44:28,390 --> 00:44:26,640

neighbor's house

1163

00:44:30,150 --> 00:44:28,400

which took me a few seconds to even

1164

00:44:32,150 --> 00:44:30,160

understand what he was saying

1165

00:44:35,109 --> 00:44:32,160

and then he's kind of pointing and

1166

00:44:37,670 --> 00:44:35,119

looking toward the neighbor's pecan tree

1167

00:44:40,550 --> 00:44:37,680

so i was moving around in my yard to try

1168

00:44:42,870 --> 00:44:40,560

to peer around this very tall 100 year

1169

00:44:45,750 --> 00:44:42,880

old pecan tree in their backyard

1170

00:44:48,790 --> 00:44:45,760

and then i saw it there was a large

1171

00:44:51,430 --> 00:44:48,800

metallic gray very dark gray what i

1172

00:44:53,510 --> 00:44:51,440

would call shield-shaped craft hovering

1173

00:44:56,309 --> 00:44:53,520

above my neighbor's backyard

1174

00:44:59,589 --> 00:44:56,319

i watched it freaking out as it slowly

1175

00:45:01,349 --> 00:44:59,599

moved from their yard into my yard over

1176

00:45:05,109 --> 00:45:01,359

my husband and i

1177

00:45:08,069 --> 00:45:05,119

to then slowly moving over to our roof

1178

00:45:10,550 --> 00:45:08,079

it slowly pivoted when it got to our

1179

00:45:11,990 --> 00:45:10,560

roof and it showed a curved space in the

1180

00:45:14,470 --> 00:45:12,000

back of the craft

1181

00:45:16,230 --> 00:45:14,480

the area suddenly lit up red and then

1182

00:45:19,030 --> 00:45:16,240

found back and forth like kit from

1183

00:45:21,270 --> 00:45:19,040

knight rider it was segmented it was a

1184

00:45:23,910 --> 00:45:21,280

segmented light that moved from each

1185

00:45:25,990 --> 00:45:23,920

position left to right lighting each one

1186

00:45:28,230 --> 00:45:26,000

up red until it was solid red all the

1187

00:45:31,030 --> 00:45:28,240

way to the right and then it would start

1188

00:45:33,430 --> 00:45:31,040

back over to the left and continue the

1189

00:45:36,950 --> 00:45:33,440

sequence i started screaming to my

1190

00:45:39,030 --> 00:45:36,960

husband what is that what that is that

1191

00:45:40,950 --> 00:45:39,040

that is not a drone what are you talking

1192

00:45:42,230 --> 00:45:40,960

about that is not a drone oh my god it's

1193

00:45:43,829 --> 00:45:42,240

recording us

1194

00:45:45,910 --> 00:45:43,839

from the front it looked like a very

1195

00:45:47,030 --> 00:45:45,920

small version of the stuff bomber until

1196

00:45:48,790 --> 00:45:47,040

it pivoted

1197

00:45:50,870 --> 00:45:48,800

my brain couldn't really make out what

1198

00:45:52,230 --> 00:45:50,880

shape it was except for shield shape

1199

00:45:53,589 --> 00:45:52,240

because that's the only thing i could

1200

00:45:55,430 --> 00:45:53,599

make sense of

1201
00:45:58,550 --> 00:45:55,440
which i still have never found to this

1202
00:46:01,030 --> 00:45:58,560
day on the web no sound no propellers

1203
00:46:03,829 --> 00:46:01,040
probably about 50 or 75 feet off the

1204
00:46:05,430 --> 00:46:03,839
ground if it's a drone that's fine just

1205
00:46:07,109 --> 00:46:05,440
a little creepy someone in the

1206
00:46:09,430 --> 00:46:07,119
neighborhoods recording people in their

1207
00:46:11,589 --> 00:46:09,440
backyards just would like to know what

1208
00:46:13,270 --> 00:46:11,599
it was my husband and i watched as it

1209
00:46:15,990 --> 00:46:13,280
slowly moved from the neighbors giant

1210
00:46:18,710 --> 00:46:16,000
pecan tree across the backyard to our

1211
00:46:22,150 --> 00:46:18,720
house which seemed like it only took

1212
00:46:24,550 --> 00:46:22,160
maybe a minute it was moving so slowly

1213
00:46:27,270 --> 00:46:24,560

and then it when it moved over our roof

1214

00:46:30,630 --> 00:46:27,280

line it seemed like it barely cleared

1215

00:46:32,390 --> 00:46:30,640

our second story home roofline

1216

00:46:34,230 --> 00:46:32,400

it's smoke i guess you would call it

1217

00:46:35,430 --> 00:46:34,240

glided i don't know what the best word

1218

00:46:37,670 --> 00:46:35,440

would be

1219

00:46:40,550 --> 00:46:37,680

but it went out of view on the top of my

1220

00:46:41,589 --> 00:46:40,560

house and the house is so long and

1221

00:46:44,230 --> 00:46:41,599

narrow

1222

00:46:47,109 --> 00:46:44,240

but it's a large house that it had to go

1223

00:46:49,270 --> 00:46:47,119

over several peaks of the roof so i

1224

00:46:51,430 --> 00:46:49,280

thought i'll get a much better view if i

1225

00:46:53,349 --> 00:46:51,440

run to the front yard so i booked it

1226

00:46:55,190 --> 00:46:53,359

running as fast as i could to the front

1227

00:46:58,710 --> 00:46:55,200

yard which is probably about

1228

00:47:00,710 --> 00:46:58,720

50 60 feet from the back to the front

1229

00:47:03,030 --> 00:47:00,720

i was expecting to see it better from up

1230

00:47:05,510 --> 00:47:03,040

there but when i got up there to my

1231

00:47:07,589 --> 00:47:05,520

surprise it was not there at all i

1232

00:47:09,190 --> 00:47:07,599

looked around quickly and then turned

1233

00:47:11,510 --> 00:47:09,200

toward the street

1234

00:47:13,670 --> 00:47:11,520

and i'm still not seeing it anywhere i

1235

00:47:15,589 --> 00:47:13,680

even thought maybe it hadn't even gotten

1236

00:47:17,910 --> 00:47:15,599

to the front yard or it went back to the

1237

00:47:19,510 --> 00:47:17,920

back i wasn't really quite sure

1238

00:47:21,990 --> 00:47:19,520

didn't have a phone to be able to text

1239

00:47:24,549 --> 00:47:22,000

my husband where it was and then i

1240

00:47:27,270 --> 00:47:24,559

happened to look down the side road

1241

00:47:29,430 --> 00:47:27,280

beside us and about a half mile down the

1242

00:47:32,630 --> 00:47:29,440

road i saw it

1243

00:47:35,109 --> 00:47:32,640

i saw it move slowly

1244

00:47:38,230 --> 00:47:35,119

directly north of us and i watched it

1245

00:47:40,230 --> 00:47:38,240

for about 20 minutes from the front yard

1246

00:47:43,510 --> 00:47:40,240

and it just became this black dot on the

1247

00:47:46,150 --> 00:47:43,520

horizon backlit by a big developing

1248

00:47:47,349 --> 00:47:46,160

storm that was light gray that was

1249

00:47:50,069 --> 00:47:47,359

moving in

1250

00:47:51,990 --> 00:47:50,079

i saw it bounce once and then it shot

1251
00:47:54,790 --> 00:47:52,000
straight up in the air and was gone

1252
00:47:57,270 --> 00:47:54,800
forever i observed air track traffic

1253
00:47:59,829 --> 00:47:57,280
above it and below it that i'm assuming

1254
00:48:02,549 --> 00:47:59,839
we're landing planes going into dfw

1255
00:48:04,309 --> 00:48:02,559
airport i even called the non-emergency

1256
00:48:06,470 --> 00:48:04,319
number of the police hoping that someone

1257
00:48:09,270 --> 00:48:06,480
had called it in they hadn't heard a

1258
00:48:11,990 --> 00:48:09,280
word i called all three local tv

1259
00:48:13,510 --> 00:48:12,000
stations two of which acted like i was a

1260
00:48:15,589 --> 00:48:13,520
complete nutter

1261
00:48:18,390 --> 00:48:15,599
one was nice enough to say hey if you

1262
00:48:21,030 --> 00:48:18,400
hold i'll call the airports he came back

1263
00:48:24,069 --> 00:48:21,040

about 10 or 15 minutes later and said

1264

00:48:26,549 --> 00:48:24,079

well neither dfw or left field showed

1265

00:48:29,030 --> 00:48:26,559

anything on radar and haven't had any

1266

00:48:31,349 --> 00:48:29,040

calls but that's a really weird story

1267

00:48:34,150 --> 00:48:31,359

and i was like you have no idea how

1268

00:48:36,549 --> 00:48:34,160

weird it was it made no noise when we

1269

00:48:38,230 --> 00:48:36,559

saw it there were no propellers i didn't

1270

00:48:40,309 --> 00:48:38,240

tell this guy that

1271

00:48:42,710 --> 00:48:40,319

my second experience i have tried to

1272

00:48:45,510 --> 00:48:42,720

block out of my memory for almost 25

1273

00:48:47,829 --> 00:48:45,520

years but i can't i think about it i

1274

00:48:50,150 --> 00:48:47,839

dream about it i dream that i'm being

1275

00:48:53,750 --> 00:48:50,160

sucked up in the air by my back floating

1276

00:48:55,910 --> 00:48:53,760

face down arms extended hands extended

1277

00:48:58,549 --> 00:48:55,920

screaming for my friends to help me as

1278

00:49:00,790 --> 00:48:58,559

they stare at me near the ceiling

1279

00:49:03,270 --> 00:49:00,800

i have tried to research this experience

1280

00:49:05,430 --> 00:49:03,280

as much as i possibly can i have tried

1281

00:49:08,470 --> 00:49:05,440

to forget about it i've tried to make

1282

00:49:11,270 --> 00:49:08,480

excuses for it but i know i was wide

1283

00:49:13,430 --> 00:49:11,280

awake i know what i saw i know what i

1284

00:49:15,910 --> 00:49:13,440

felt and i know what i heard

1285

00:49:18,710 --> 00:49:15,920

until recently i never told a soul not

1286

00:49:20,549 --> 00:49:18,720

even my ex not even my husband now know

1287

00:49:22,950 --> 00:49:20,559

the details

1288

00:49:25,030 --> 00:49:22,960

it just felt ridiculous i thought no one

1289

00:49:27,430 --> 00:49:25,040

would even believe me

1290

00:49:29,589 --> 00:49:27,440

with my ex he just we had just started

1291

00:49:31,750 --> 00:49:29,599

dating when this occurred

1292

00:49:34,309 --> 00:49:31,760

i'm hoping sharing my story will help

1293

00:49:36,069 --> 00:49:34,319

others out there i also hope maybe my

1294

00:49:38,950 --> 00:49:36,079

night terrors will end

1295

00:49:40,150 --> 00:49:38,960

and most of all i also hope that maybe

1296

00:49:42,390 --> 00:49:40,160

one day

1297

00:49:43,510 --> 00:49:42,400

the more people share their experiences

1298

00:49:45,750 --> 00:49:43,520

like this

1299

00:49:47,430 --> 00:49:45,760

we maybe one day we'll know what has

1300

00:49:49,750 --> 00:49:47,440

happened to all of us

1301
00:49:51,750 --> 00:49:49,760
and the biggest one for me personally

1302
00:49:53,109 --> 00:49:51,760
maybe the day will come that i no longer

1303
00:49:55,270 --> 00:49:53,119
fear the night

1304
00:49:57,430 --> 00:49:55,280
thank you so much ryan for allowing me

1305
00:49:59,190 --> 00:49:57,440
to share my experiences i truly

1306
00:50:01,670 --> 00:49:59,200
appreciate you considering me for

1307
00:50:03,670 --> 00:50:01,680
somewhere in the skies and i really hope

1308
00:50:05,670 --> 00:50:03,680
this will help other people who are

1309
00:50:11,140 --> 00:50:05,680
dealing with the same things thanks so
