

1  
00:00:05,030 --> 00:00:03,409  
greetings ladies and gentlemen and

2  
00:00:05,930 --> 00:00:05,040  
esteemed members of the government of

3  
00:00:08,030 --> 00:00:05,940  
Brazil

4  
00:00:09,950 --> 00:00:08,040  
I apologize for not being able to make

5  
00:00:11,870 --> 00:00:09,960  
this address in person and I hope that

6  
00:00:14,509 --> 00:00:11,880  
my appeal is not diminished in any way

7  
00:00:16,129 --> 00:00:14,519  
due to my inability to be with you today

8  
00:00:18,470 --> 00:00:16,139  
in person

9  
00:00:20,090 --> 00:00:18,480  
my name is Luis Elizondo and I'm a

10  
00:00:21,590 --> 00:00:20,100  
career intelligence officer with the

11  
00:00:25,189 --> 00:00:21,600  
United States government

12  
00:00:27,170 --> 00:00:25,199  
from 2008 to 2017 I had the privilege to

13  
00:00:30,349 --> 00:00:27,180

participate in a small but significant

14

00:00:32,630 --> 00:00:30,359

program within the Pentagon focusing on

15

00:00:35,090 --> 00:00:32,640

the collection of UFO data

16

00:00:36,770 --> 00:00:35,100

in 2010 I was asked to lead the overall

17

00:00:38,510 --> 00:00:36,780

effort which later became a small

18

00:00:41,690 --> 00:00:38,520

footnote to my country's history

19

00:00:43,190 --> 00:00:41,700

involving the dedicated study of this

20

00:00:45,110 --> 00:00:43,200

phenomenon

21

00:00:46,729 --> 00:00:45,120

it was during this time that it became

22

00:00:48,470 --> 00:00:46,739

very evident to all of us involved in

23

00:00:50,869 --> 00:00:48,480

the project that our military was

24

00:00:53,209 --> 00:00:50,879

encountering a technology that far

25

00:00:55,430 --> 00:00:53,219

exceeded our own capabilities

26  
00:00:57,350 --> 00:00:55,440  
furthermore it was abundantly clear that

27  
00:00:59,810 --> 00:00:57,360  
this technology had the ability to gain

28  
00:01:02,150 --> 00:00:59,820  
access to our controlled airspace and

29  
00:01:05,570 --> 00:01:02,160  
once more perform in ways that was

30  
00:01:07,310 --> 00:01:05,580  
unimaginable and yet verifiable by some

31  
00:01:10,910 --> 00:01:07,320  
of our most sophisticated weapon

32  
00:01:13,070 --> 00:01:10,920  
platforms and data collection techniques

33  
00:01:15,230 --> 00:01:13,080  
on a regular routine basis our military

34  
00:01:16,550 --> 00:01:15,240  
equities were coming face to face with

35  
00:01:19,490 --> 00:01:16,560  
these Technologies

36  
00:01:21,469 --> 00:01:19,500  
perplexing our military eyewitnesses and

37  
00:01:24,109 --> 00:01:21,479  
stymying our best efforts to understand

38  
00:01:26,749 --> 00:01:24,119

the unique performance characteristics

39

00:01:28,609 --> 00:01:26,759

furthermore a critical concern was the

40

00:01:30,950 --> 00:01:28,619

apparent interest this phenomenon has

41

00:01:33,530 --> 00:01:30,960

with our nuclear technologies including

42

00:01:34,969 --> 00:01:33,540

power generation weapon systems and

43

00:01:37,310 --> 00:01:34,979

propulsion

44

00:01:39,170 --> 00:01:37,320

recently elected officials in my country

45

00:01:41,510 --> 00:01:39,180

have decided the evidence was too

46

00:01:43,130 --> 00:01:41,520

overwhelming to ignore and called upon

47

00:01:46,190 --> 00:01:43,140

our defense and intelligence communities

48

00:01:48,950 --> 00:01:46,200

to participate in a public hearing of

49

00:01:50,990 --> 00:01:48,960

which I suspect many more will follow

50

00:01:55,310 --> 00:01:51,000

the result of the hearing was simple and

51  
00:01:59,090 --> 00:01:55,320  
yet astonishing one UFOs are real

52  
00:02:03,350 --> 00:01:59,100  
two UFOs most likely represent a real

53  
00:02:04,850 --> 00:02:03,360  
technology and three UFOs are considered

54  
00:02:07,429 --> 00:02:04,860  
a national interest for the United

55  
00:02:11,690 --> 00:02:10,130  
further reinforcing this new priority is

56  
00:02:13,430 --> 00:02:11,700  
a requirement for our defense and

57  
00:02:15,710 --> 00:02:13,440  
intelligence communities to work with

58  
00:02:17,750 --> 00:02:15,720  
partner Nations and allies

59  
00:02:20,030 --> 00:02:17,760  
although I applaud this new renewed

60  
00:02:22,729 --> 00:02:20,040  
interest in a historically forbidden

61  
00:02:24,890 --> 00:02:22,739  
area of study it is with great concern

62  
00:02:27,890 --> 00:02:24,900  
that I worry about any single country

63  
00:02:30,229 --> 00:02:27,900

having Monopoly on the study of what is

64

00:02:33,050 --> 00:02:30,239

now considered Beyond Next Generation

65

00:02:34,790 --> 00:02:33,060

technology and by default controlling

66

00:02:37,850 --> 00:02:34,800

the narrative on this topic

67

00:02:39,830 --> 00:02:37,860

this is precisely the mindset that has

68

00:02:42,470 --> 00:02:39,840

relegated this legitimate study of this

69

00:02:44,150 --> 00:02:42,480

topic to Fringe and pseudoscience for

70

00:02:46,910 --> 00:02:44,160

the last 70 years

71

00:02:49,309 --> 00:02:46,920

ladies and gentlemen today I speak to

72

00:02:51,470 --> 00:02:49,319

you not as a Former Intelligence officer

73

00:02:55,009 --> 00:02:51,480

not as a representative of the U.S

74

00:02:57,470 --> 00:02:55,019

government and not as a UFO expert today

75

00:02:59,750 --> 00:02:57,480

I appeal to you as an ordinary citizen

76

00:03:01,070 --> 00:02:59,760

of the world as your brother

77

00:03:02,869 --> 00:03:01,080

your father

78

00:03:05,390 --> 00:03:02,879

your son

79

00:03:08,869 --> 00:03:05,400

pleading you take this topic seriously

80

00:03:11,210 --> 00:03:08,879

and to do what is necessary not just for

81

00:03:12,410 --> 00:03:11,220

your constituents but for every person

82

00:03:15,649 --> 00:03:12,420

on the planet

83

00:03:19,070 --> 00:03:15,659

today you have a rare opportunity that

84

00:03:21,589 --> 00:03:19,080

comes only once in a lifetime

85

00:03:23,110 --> 00:03:21,599

today I ask you seriously consider the

86

00:03:25,729 --> 00:03:23,120

establishment of a Brazilian

87

00:03:28,309 --> 00:03:25,739

government-sponsored UFO program

88

00:03:30,949 --> 00:03:28,319

that includes scientists and academics

89

00:03:32,750 --> 00:03:30,959

the time has come to remove conspiracy

90

00:03:33,589 --> 00:03:32,760

theory and replace it with quantum

91

00:03:35,930 --> 00:03:33,599

theory

92

00:03:39,470 --> 00:03:35,940

remove stigma and replace it with

93

00:03:41,330 --> 00:03:39,480

Academia remove secrecy and replace it

94

00:03:43,910 --> 00:03:41,340

with transparency

95

00:03:45,830 --> 00:03:43,920

I ask that Brazil help lead the world in

96

00:03:47,089 --> 00:03:45,840

a New Millennium of Enlightenment and

97

00:03:49,729 --> 00:03:47,099

knowledge

98

00:03:51,949 --> 00:03:49,739

I dreamed that one day Brazil May sit

99

00:03:54,770 --> 00:03:51,959

amongst friends perhaps at the United

100

00:03:56,929 --> 00:03:54,780

Nations or perhaps even in San Marino

101  
00:03:59,210 --> 00:03:56,939  
and help Usher in a new era of

102  
00:04:01,009 --> 00:03:59,220  
understanding

103  
00:04:02,630 --> 00:04:01,019  
before I close I'd like to share a

104  
00:04:04,490 --> 00:04:02,640  
little little personal thought if I made

105  
00:04:06,890 --> 00:04:04,500  
with you

106  
00:04:10,789 --> 00:04:06,900  
you are in a very rare opportunity right

107  
00:04:13,610 --> 00:04:10,799  
now as as leaders for for Brazil

108  
00:04:16,430 --> 00:04:13,620  
times and opportunities like this do not

109  
00:04:18,110 --> 00:04:16,440  
happen very often in fact in a in a one

110  
00:04:20,629 --> 00:04:18,120  
person's lifetime they don't they they

111  
00:04:23,230 --> 00:04:20,639  
may not happen at all but as a species

112  
00:04:26,930 --> 00:04:23,240  
as a species these paradigm

113  
00:04:29,570 --> 00:04:26,940

moments for us occur and in fact are a

114

00:04:31,730 --> 00:04:29,580

natural part of our species evolution

115

00:04:33,530 --> 00:04:31,740

one may infer the very first time that

116

00:04:35,530 --> 00:04:33,540

man came out of the cave and looked into

117

00:04:39,110 --> 00:04:35,540

the heavens and realized that the

118

00:04:41,450 --> 00:04:39,120

Shadows that were were being portrayed

119

00:04:43,249 --> 00:04:41,460

on the side of the cave wall were no

120

00:04:45,650 --> 00:04:43,259

longer real that wasn't that wasn't

121

00:04:46,969 --> 00:04:45,660

Mankind's reality and crawling out of

122

00:04:48,469 --> 00:04:46,979

the cave for the first time and

123

00:04:50,689 --> 00:04:48,479

witnessing the heavens maybe that was

124

00:04:53,270 --> 00:04:50,699

the first fundamental Paradigm change

125

00:04:55,249 --> 00:04:53,280

for our species perhaps the second time

126

00:04:58,370 --> 00:04:55,259

was when mankind struck two stones

127

00:05:01,010 --> 00:04:58,380

together and created a spark and that

128

00:05:03,050 --> 00:05:01,020

spark then led to Fire and that fire

129

00:05:06,050 --> 00:05:03,060

illuminated the darkness for which man

130

00:05:08,689 --> 00:05:06,060

was scared at one time and now man could

131

00:05:11,390 --> 00:05:08,699

could now roam freely in the night

132

00:05:14,210 --> 00:05:11,400

illuminating the darkness and perhaps

133

00:05:15,950 --> 00:05:14,220

the last time mankind came to some sort

134

00:05:18,890 --> 00:05:15,960

of Paradigm Moment Like This for our

135

00:05:22,249 --> 00:05:18,900

species was when two people were

136

00:05:24,110 --> 00:05:22,259

standing on a Sandy Beach and one person

137

00:05:25,909 --> 00:05:24,120

looks to the other and says I'm gonna

138

00:05:28,189 --> 00:05:25,919

sail over that Horizon

139

00:05:29,629 --> 00:05:28,199

and of course the other person said no

140

00:05:31,670 --> 00:05:29,639

you don't want to do that because you'll

141

00:05:33,290 --> 00:05:31,680

fall off the Earth and in fact there are

142

00:05:35,510 --> 00:05:33,300

sea monsters out there there's giant

143

00:05:37,310 --> 00:05:35,520

Kraken and they will destroy your ship

144

00:05:38,870 --> 00:05:37,320

and of course now we look back and we

145

00:05:40,969 --> 00:05:38,880

kind of laughed at that but in reality

146

00:05:42,529 --> 00:05:40,979

it turns out there are sea monsters it's

147

00:05:44,689 --> 00:05:42,539

just that those Scene Monsters now have

148

00:05:45,890 --> 00:05:44,699

names they're called great white sharks

149

00:05:47,510 --> 00:05:45,900

they're called blue whales they're

150

00:05:49,430 --> 00:05:47,520

called great squid of the Pacific and

151  
00:05:51,409 --> 00:05:49,440  
and they're not really sea monsters are

152  
00:05:53,210 --> 00:05:51,419  
they they're they're part of our natural

153  
00:05:56,450 --> 00:05:53,220  
world they're part of nature they're

154  
00:05:57,409 --> 00:05:56,460  
part of our our current paradigm and so

155  
00:05:59,870 --> 00:05:57,419  
perhaps

156  
00:06:02,270 --> 00:05:59,880  
with this topic this is yet just another

157  
00:06:04,129 --> 00:06:02,280  
Paradigm moment perhaps we as a species

158  
00:06:06,469 --> 00:06:04,139  
are standing yet on another Sandy Beach

159  
00:06:08,870 --> 00:06:06,479  
and we're looking at the Horizon one

160  
00:06:11,450 --> 00:06:08,880  
more time and we're about to sail over

161  
00:06:14,210 --> 00:06:11,460  
that Horizon together I would submit to

162  
00:06:16,070 --> 00:06:14,220  
you that that change is a very necessary

163  
00:06:18,950 --> 00:06:16,080

and very healthy part of our species

164

00:06:20,990 --> 00:06:18,960

Evolution and I believe we may be at the

165

00:06:23,930 --> 00:06:21,000

precipice yet again of another Paradigm

166

00:06:26,270 --> 00:06:23,940

moment for our species

167

00:06:28,610 --> 00:06:26,280

in closing I'd like to thank you for

168

00:06:30,890 --> 00:06:28,620

allowing me to speak with you today and

169

00:06:32,510 --> 00:06:30,900

thank you truly and humbly for your

170

00:06:34,790 --> 00:06:32,520

attention to this most important matter

171

00:06:36,770 --> 00:06:34,800

again please forgive me for not being

172

00:06:40,249 --> 00:06:36,780

here in person but I am here with you in

173

00:06:43,249 --> 00:06:40,259

spirit and I I sincerely hope that that

174

00:06:46,309 --> 00:06:43,259

uh that you can do what's necessary to

175

00:06:48,469 --> 00:06:46,319

help Propel this topic forward

176

00:06:50,029 --> 00:06:48,479

please make no mistake you are on the
