

SOMEWHERE IN THE SKIES

MYSTERY AT THE
MAGIC MESA: SOLVED
WITH CARL THE CRUSHER

1
00:00:00,420 --> 00:00:09,990

[Music]

2
00:00:14,700 --> 00:00:12,950

this is somewhere in the skies with ryan

3
00:00:38,549 --> 00:00:14,710

sprague

4
00:00:40,950 --> 00:00:38,559

somewhere in the skies and first of all

5
00:00:43,430 --> 00:00:40,960

i have to thank my co-host and our guest

6
00:00:46,069 --> 00:00:43,440

today i literally just ran from

7
00:00:47,510 --> 00:00:46,079

manhattan to make it home here to queens

8
00:00:49,590 --> 00:00:47,520

in time to do this and the new york

9
00:00:52,630 --> 00:00:49,600

subways are the worst so we didn't have

10
00:00:54,709 --> 00:00:52,640

a lot of time to um preamble and warm up

11
00:00:56,549 --> 00:00:54,719

with this but these both both of these

12
00:00:59,430 --> 00:00:56,559

people are pros so this is going to be a

13
00:01:01,349 --> 00:00:59,440

lot of fun it's gonna be super casual

14

00:01:03,110 --> 00:01:01,359

and um this is

15

00:01:05,429 --> 00:01:03,120

a really interesting conversation we're

16

00:01:07,910 --> 00:01:05,439

gonna be having this isn't just about

17

00:01:10,870 --> 00:01:07,920

ufos we're gonna dive deep into a lot of

18

00:01:13,670 --> 00:01:10,880

different phenomena tonight at a very

19

00:01:16,230 --> 00:01:13,680

uh i wouldn't say popular we know about

20

00:01:18,390 --> 00:01:16,240

utah for many reasons uh one of them

21

00:01:20,230 --> 00:01:18,400

being skinwalker ranch but tonight is

22

00:01:22,310 --> 00:01:20,240

not just about skinwalker ranch we're

23

00:01:25,270 --> 00:01:22,320

going to be talking about um all over

24

00:01:27,590 --> 00:01:25,280

utah specifically in the basin and a

25

00:01:29,510 --> 00:01:27,600

couple of the mesas but there has been a

26

00:01:32,069 --> 00:01:29,520

lot of chatter and talk lately about the

27

00:01:33,590 --> 00:01:32,079

research being done by our guest today

28

00:01:35,670 --> 00:01:33,600

you may know him from his youtube

29

00:01:38,950 --> 00:01:35,680

channel carl the crusher he's got a

30

00:01:40,550 --> 00:01:38,960

podcast carl vibe um carl andreson's

31

00:01:43,670 --> 00:01:40,560

going to be joining us tonight to talk

32

00:01:45,910 --> 00:01:43,680

all about the magic mesa this really

33

00:01:48,310 --> 00:01:45,920

mysterious mesa in utah that he has been

34

00:01:50,550 --> 00:01:48,320

investigating for some uh really strange

35

00:01:53,350 --> 00:01:50,560

phenomena that has been occurring there

36

00:01:55,030 --> 00:01:53,360

and has he possibly found answers to it

37

00:01:57,350 --> 00:01:55,040

we're going to talk about that tonight

38

00:01:59,990 --> 00:01:57,360

as well and it's possible connections to

39

00:02:01,830 --> 00:02:00,000

other places like skinwalker ranch so

40

00:02:04,469 --> 00:02:01,840

before we bring carl in i'm going to

41

00:02:07,670 --> 00:02:04,479

bring in our coast our co-host for

42

00:02:10,469 --> 00:02:07,680

tonight she is back finally my co-pilot

43

00:02:13,030 --> 00:02:10,479

we have chrissy newton what's up chrissy

44

00:02:14,550 --> 00:02:13,040

not much not much good to see you ryan i

45

00:02:16,710 --> 00:02:14,560

know it's been a while you've been all

46

00:02:20,309 --> 00:02:16,720

over the place i know you and carl were

47

00:02:22,470 --> 00:02:20,319

in um utah recently and uh you've just

48

00:02:24,710 --> 00:02:22,480

been bouncing all over i know you're out

49

00:02:26,790 --> 00:02:24,720

of canada right now we won't disclose

50

00:02:29,110 --> 00:02:26,800

where you are but um yeah how's

51
00:02:31,670 --> 00:02:29,120
everything been going and um how are you

52
00:02:33,830 --> 00:02:31,680
keeping up with all the latest ufo news

53
00:02:35,430 --> 00:02:33,840
oh my gosh there's so much ufo news but

54
00:02:38,229 --> 00:02:35,440
i like when there's a lot of ufo news

55
00:02:39,830 --> 00:02:38,239
good keeps us busy uh it's it's been

56
00:02:41,190 --> 00:02:39,840
good i'm like carl yeah i got to spend

57
00:02:42,470 --> 00:02:41,200
like a lot of time with carl and i get

58
00:02:44,710 --> 00:02:42,480
to know him got to know him really

59
00:02:46,150 --> 00:02:44,720
really well at the convention and just

60
00:02:47,589 --> 00:02:46,160
talking about the work that he's doing

61
00:02:49,430 --> 00:02:47,599
so i'm excited that we get to actually

62
00:02:51,670 --> 00:02:49,440
chat with him tonight so it's it's good

63
00:02:53,910 --> 00:02:51,680

to be back too thank you thank you it's

64

00:02:55,350 --> 00:02:53,920

good to have you back and again i was

65

00:02:57,990 --> 00:02:55,360

able to watch this presentation that

66

00:03:00,869 --> 00:02:58,000

carl gave at uh the disclosure event

67

00:03:03,589 --> 00:03:00,879

recently that you were also at and um it

68

00:03:06,869 --> 00:03:03,599

blew a lot of people away again this is

69

00:03:09,270 --> 00:03:06,879

new new stuff out there uh that no one's

70

00:03:11,030 --> 00:03:09,280

ever really looked at or investigated

71

00:03:12,630 --> 00:03:11,040

and um i was

72

00:03:14,869 --> 00:03:12,640

highly highly impressed with the

73

00:03:16,790 --> 00:03:14,879

research that carl did you know this

74

00:03:20,470 --> 00:03:16,800

wasn't about you know being all

75

00:03:22,550 --> 00:03:20,480

mysterious and um and cagey and uh

76

00:03:24,710 --> 00:03:22,560

shadowy he wanted to find answers to

77

00:03:26,789 --> 00:03:24,720

something going on in a mesa there in

78

00:03:28,390 --> 00:03:26,799

utah and he possibly

79

00:03:29,509 --> 00:03:28,400

did and we're going to talk all about it

80

00:03:32,390 --> 00:03:29,519

tonight we're going to take a look at

81

00:03:34,070 --> 00:03:32,400

some of the content about the mesa that

82

00:03:35,670 --> 00:03:34,080

he's brought forward so what do you say

83

00:03:38,070 --> 00:03:35,680

should we bring him in that sounds good

84

00:03:40,070 --> 00:03:38,080

yes let's do it let's get into it yeah

85

00:03:41,509 --> 00:03:40,080

finally carl welcome to somewhere in the

86

00:03:43,589 --> 00:03:41,519

sky

87

00:03:46,550 --> 00:03:43,599

hey what's up guys

88

00:03:49,670 --> 00:03:46,560

not not much man except for um you know

89

00:03:51,509 --> 00:03:49,680

this mesa just driving everybody nuts

90

00:03:53,910 --> 00:03:51,519

and um you know

91

00:03:56,470 --> 00:03:53,920

oh god i don't even know where to begin

92

00:03:58,390 --> 00:03:56,480

so um let's go let's start at the

93

00:04:01,270 --> 00:03:58,400

beginning i guess it's always the best

94

00:04:03,190 --> 00:04:01,280

way to do this um for any of our viewers

95

00:04:05,670 --> 00:04:03,200

here at summer in the skies or listeners

96

00:04:07,990 --> 00:04:05,680

who are not familiar with you and your

97

00:04:10,070 --> 00:04:08,000

work um yeah could you tell chrissy and

98

00:04:12,869 --> 00:04:10,080

i a little about what got you into all

99

00:04:16,150 --> 00:04:12,879

this strange stuff not just in utah but

100

00:04:17,509 --> 00:04:16,160

um you know ufos the paranormal and in

101
00:04:19,830 --> 00:04:17,519
general what got you into all this

102
00:04:20,949 --> 00:04:19,840
what's your peter parker story

103
00:04:23,909 --> 00:04:20,959
yeah

104
00:04:26,870 --> 00:04:23,919
that's a good question uh it starts

105
00:04:29,670 --> 00:04:26,880
for me a lot growing up really i grew up

106
00:04:31,909 --> 00:04:29,680
with a really interesting dad who

107
00:04:33,350 --> 00:04:31,919
retired from the military and then just

108
00:04:36,550 --> 00:04:33,360
kind of had a very

109
00:04:38,790 --> 00:04:36,560
normal uh simple life and

110
00:04:40,310 --> 00:04:38,800
but we found out later after he passed

111
00:04:43,270 --> 00:04:40,320
away that he had

112
00:04:45,110 --> 00:04:43,280
um this thing called cosmic clearance

113
00:04:47,990 --> 00:04:45,120

which is like a nato clearance and he

114

00:04:50,230 --> 00:04:48,000

was over right on the border of western

115

00:04:52,150 --> 00:04:50,240

east germany right at the beginning of

116

00:04:54,150 --> 00:04:52,160

the cold war era and all that stuff at

117

00:04:57,110 --> 00:04:54,160

the end of world war ii and he was

118

00:04:59,670 --> 00:04:57,120

always very interesting and way into

119

00:05:02,629 --> 00:04:59,680

movies about ufos and science fiction

120

00:05:03,590 --> 00:05:02,639

stuff and always talking about it asking

121

00:05:05,270 --> 00:05:03,600

uh

122

00:05:07,749 --> 00:05:05,280

interesting philosophical questions

123

00:05:09,189 --> 00:05:07,759

about extraterrestrials and and things

124

00:05:10,870 --> 00:05:09,199

like that so i always grew up with an

125

00:05:12,469 --> 00:05:10,880

open mind but i also

126

00:05:14,150 --> 00:05:12,479

grew up with a lot of

127

00:05:16,950 --> 00:05:14,160

experiences like

128

00:05:20,310 --> 00:05:16,960

i had a few sleep paralysis experiences

129

00:05:22,550 --> 00:05:20,320

and like out of body type

130

00:05:24,550 --> 00:05:22,560

experiences where i saw

131

00:05:26,790 --> 00:05:24,560

what i would consider things in my

132

00:05:27,749 --> 00:05:26,800

bedroom and outside my window and stuff

133

00:05:30,390 --> 00:05:27,759

like that

134

00:05:32,950 --> 00:05:30,400

so i grew up uh with some interesting

135

00:05:35,749 --> 00:05:32,960

questions that i had you know so that as

136

00:05:38,469 --> 00:05:35,759

i got older i guess

137

00:05:40,790 --> 00:05:38,479

you know i had one experience up camping

138

00:05:43,350 --> 00:05:40,800

probably i think it was eight years ago

139

00:05:46,550 --> 00:05:43,360

now eight nine years ago where i was

140

00:05:48,870 --> 00:05:46,560

just on a film project with a crew

141

00:05:50,950 --> 00:05:48,880

and had kind of a paranormal encounter

142

00:05:53,350 --> 00:05:50,960

up in the woods

143

00:05:55,110 --> 00:05:53,360

that was very fascinating where we saw

144

00:05:57,110 --> 00:05:55,120

this big shadow figure move through the

145

00:05:58,309 --> 00:05:57,120

trees and then an orb of light fly

146

00:06:00,390 --> 00:05:58,319

overhead

147

00:06:03,029 --> 00:06:00,400

and that that kind of freaked me out and

148

00:06:04,950 --> 00:06:03,039

i got kind of out of it for a while

149

00:06:06,469 --> 00:06:04,960

because i i i didn't even want to go

150

00:06:07,590 --> 00:06:06,479

camping or anything for like a year

151
00:06:08,309 --> 00:06:07,600
after that

152
00:06:10,629 --> 00:06:08,319
but

153
00:06:11,670 --> 00:06:10,639
you know in the last like year or so i

154
00:06:14,390 --> 00:06:11,680
went through

155
00:06:16,070 --> 00:06:14,400
a divorce and went on my own and so

156
00:06:18,629 --> 00:06:16,080
instead of doing a bunch of family

157
00:06:20,790 --> 00:06:18,639
content on my youtube channel like i had

158
00:06:22,230 --> 00:06:20,800
been doing i was like i want to go solo

159
00:06:24,790 --> 00:06:22,240
and do my own thing

160
00:06:27,350 --> 00:06:24,800
so i got really into this idea that

161
00:06:29,909 --> 00:06:27,360
there's all these ancient locations and

162
00:06:31,749 --> 00:06:29,919
petroglyphs around where i live uh

163
00:06:35,029 --> 00:06:31,759

from the grand canyon all the way over

164

00:06:37,670 --> 00:06:35,039

to area 51 to levlock cave where there's

165

00:06:40,070 --> 00:06:37,680

myths about giants and stuff buried in

166

00:06:42,309 --> 00:06:40,080

there and all the way up to skinwalker

167

00:06:44,950 --> 00:06:42,319

ranch in the uintah basin i realized i

168

00:06:47,270 --> 00:06:44,960

was surrounded with this whole

169

00:06:49,110 --> 00:06:47,280

area that was full of stuff and so i

170

00:06:51,430 --> 00:06:49,120

thought why don't i go hiking and check

171

00:06:53,110 --> 00:06:51,440

it out and i can do this for a living on

172

00:06:54,950 --> 00:06:53,120

my youtube channel and

173

00:06:56,790 --> 00:06:54,960

i think i kind of bit off

174

00:06:58,710 --> 00:06:56,800

more than i realize because

175

00:07:00,309 --> 00:06:58,720

now it's sort of consumed my life and i

176
00:07:02,390 --> 00:07:00,319
have a you know a whole new group of

177
00:07:04,309 --> 00:07:02,400
friends and do a lot of research and

178
00:07:07,270 --> 00:07:04,319
i've had a whole new set of

179
00:07:09,350 --> 00:07:07,280
kind of uh life-altering experiences and

180
00:07:11,270 --> 00:07:09,360
including the the mesa and trying to

181
00:07:12,629 --> 00:07:11,280
figure that out has been a real

182
00:07:15,029 --> 00:07:12,639
challenge

183
00:07:17,830 --> 00:07:15,039
yeah yeah i know and i know everyone

184
00:07:19,990 --> 00:07:17,840
wants to get right to the mesa i do too

185
00:07:22,070 --> 00:07:20,000
um but i think it'd be cool if we

186
00:07:23,830 --> 00:07:22,080
actually started with um

187
00:07:25,510 --> 00:07:23,840
with these petroglyphs and stuff that

188
00:07:26,950 --> 00:07:25,520

you found now like you mentioned i know

189

00:07:28,830 --> 00:07:26,960

a lot of places

190

00:07:32,070 --> 00:07:28,840

have these sorts of things i was in

191

00:07:33,670 --> 00:07:32,080

arizona not too long ago where i was

192

00:07:36,550 --> 00:07:33,680

able to go up into one of the mountain

193

00:07:37,830 --> 00:07:36,560

ranges in phoenix with a zuni tri

194

00:07:40,550 --> 00:07:37,840

builder and see some of these

195

00:07:42,870 --> 00:07:40,560

petroglyphs and they blew me away man

196

00:07:44,390 --> 00:07:42,880

and a lot of what you've seen is similar

197

00:07:46,230 --> 00:07:44,400

to a lot of the things

198

00:07:47,909 --> 00:07:46,240

i have seen so you truly have to wonder

199

00:07:49,670 --> 00:07:47,919

you know are these different

200

00:07:51,589 --> 00:07:49,680

tribes cultures

201
00:07:55,189 --> 00:07:51,599
seeing the same things and etching these

202
00:07:57,189 --> 00:07:55,199
same things into these uh mesas or these

203
00:07:59,830 --> 00:07:57,199
rocks or these mountains you truly do

204
00:08:01,749 --> 00:07:59,840
have to wonder um i do have

205
00:08:04,070 --> 00:08:01,759
i i think we can play this while we're

206
00:08:05,110 --> 00:08:04,080
still talking um some of the footage

207
00:08:07,670 --> 00:08:05,120
that you got of some of these

208
00:08:09,029 --> 00:08:07,680
petroglyphs and um yeah if you want you

209
00:08:10,830 --> 00:08:09,039
can walk us through what we're looking

210
00:08:12,790 --> 00:08:10,840
at here maybe

211
00:08:14,790 --> 00:08:12,800
great

212
00:08:17,670 --> 00:08:14,800
yeah so these are right behind my house

213
00:08:18,469 --> 00:08:17,680

these ones are looking at right now

214

00:08:20,790 --> 00:08:18,479

now

215

00:08:23,189 --> 00:08:20,800

out of all the petroglyphs that i see

216

00:08:25,589 --> 00:08:23,199

these ones behind my house are probably

217

00:08:27,670 --> 00:08:25,599

the ones that are the most normal

218

00:08:29,350 --> 00:08:27,680

meaning like depictions of normal daily

219

00:08:31,430 --> 00:08:29,360

life mm-hmm

220

00:08:32,230 --> 00:08:31,440

here pause it right here ryan real quick

221

00:08:34,949 --> 00:08:32,240

yeah

222

00:08:37,750 --> 00:08:34,959

this is actually the mesa so i'm

223

00:08:39,670 --> 00:08:37,760

pointing at the oh itself so these are

224

00:08:42,070 --> 00:08:39,680

right near it okay okay those are horned

225

00:08:44,710 --> 00:08:42,080

figures across the valley up on the

226

00:08:45,590 --> 00:08:44,720

cliff side on the opposite side

227

00:08:46,389 --> 00:08:45,600

uh

228

00:08:48,310 --> 00:08:46,399

yeah

229

00:08:50,790 --> 00:08:48,320

wow so that's pretty cool and there's a

230

00:08:52,710 --> 00:08:50,800

bunch of that that get more elaborate up

231

00:08:55,269 --> 00:08:52,720

the cliff side so yeah let's see what

232

00:08:57,030 --> 00:08:55,279

else i have here i didn't cut too much

233

00:08:58,870 --> 00:08:57,040

oh this is one of the artifacts you

234

00:09:02,150 --> 00:08:58,880

found too right

235

00:09:05,110 --> 00:09:02,160

yeah i honestly wonder it's hard to tell

236

00:09:07,509 --> 00:09:05,120

on the camera but it looks like a piece

237

00:09:09,829 --> 00:09:07,519

of moldavite

238

00:09:12,070 --> 00:09:09,839

it could there's lots of flint napping

239

00:09:13,750 --> 00:09:12,080

everywhere and kidnapping

240

00:09:16,230 --> 00:09:13,760

it could be that but it looks like a

241

00:09:18,150 --> 00:09:16,240

little piece of moldavite almost only

242

00:09:19,829 --> 00:09:18,160

that it's not green it's like a white

243

00:09:22,470 --> 00:09:19,839

creamy white color

244

00:09:24,389 --> 00:09:22,480

interesting multiplayer is like volcanic

245

00:09:26,070 --> 00:09:24,399

or like a glass that comes off of a

246

00:09:27,269 --> 00:09:26,080

meteorite impact

247

00:09:30,150 --> 00:09:27,279

oh wow

248

00:09:31,750 --> 00:09:30,160

okay okay it's not experienced

249

00:09:33,350 --> 00:09:31,760

yeah there has been noted in the utah

250

00:09:35,509 --> 00:09:33,360

basin and you went to basin that there

251

00:09:37,269 --> 00:09:35,519

is there was a meteorite

252

00:09:39,190 --> 00:09:37,279

that hit i don't know when if carl if

253

00:09:41,670 --> 00:09:39,200

you know the date on that but they talk

254

00:09:43,509 --> 00:09:41,680

about that uh with blind frog branch

255

00:09:45,670 --> 00:09:43,519

allegedly as well

256

00:09:48,470 --> 00:09:45,680

yeah there's a lot of i'm not sure on

257

00:09:49,990 --> 00:09:48,480

the date range either uh how long ago it

258

00:09:51,829 --> 00:09:50,000

could have been

259

00:09:54,310 --> 00:09:51,839

or if it had to do with like bonneville

260

00:09:56,630 --> 00:09:54,320

lake uh being full and then suddenly

261

00:09:59,030 --> 00:09:56,640

draining and having to do with an impact

262

00:10:00,949 --> 00:09:59,040

or something up there but yeah moldavite

263

00:10:02,389 --> 00:10:00,959

glass somebody that knows more could

264

00:10:04,949 --> 00:10:02,399

tell me if they look at the picture

265

00:10:06,710 --> 00:10:04,959

closer but it what it is is it's like

266

00:10:08,310 --> 00:10:06,720

sand that gets hit

267

00:10:09,509 --> 00:10:08,320

really close to the impact of the

268

00:10:11,430 --> 00:10:09,519

meteorite

269

00:10:14,310 --> 00:10:11,440

and then it gets thrown up into the

270

00:10:16,069 --> 00:10:14,320

clouds and then turns into glass as it

271

00:10:17,829 --> 00:10:16,079

cools off and then falls back down

272

00:10:18,870 --> 00:10:17,839

almost like glitter onto the onto the

273

00:10:20,470 --> 00:10:18,880

ground

274

00:10:22,710 --> 00:10:20,480

and then like millions of years later

275

00:10:24,949 --> 00:10:22,720

you go pick it up in little

276

00:10:28,389 --> 00:10:24,959

pieces and stuff but and there's a lot

277

00:10:30,310 --> 00:10:28,399

of like folklore around it being like

278

00:10:32,550 --> 00:10:30,320

bad luck to take it unless somebody like

279

00:10:34,630 --> 00:10:32,560

gives it to you as a gift and stuff

280

00:10:36,069 --> 00:10:34,640

right yeah that reminds me so much of

281

00:10:39,030 --> 00:10:36,079

like you're not supposed to take

282

00:10:41,910 --> 00:10:39,040

anything from uh the islands of hawaii

283

00:10:43,910 --> 00:10:41,920

too like you take volcanic rock and pele

284

00:10:45,670 --> 00:10:43,920

the goddess is gonna definitely follow

285

00:10:48,150 --> 00:10:45,680

you home and you don't want to do that

286

00:10:50,230 --> 00:10:48,160

so yeah that is interesting the folklore

287

00:10:52,630 --> 00:10:50,240

and the tales that are told of do not

288

00:10:54,870 --> 00:10:52,640

disturb the area and i know that was

289

00:10:56,550 --> 00:10:54,880

kind of a big challenge for you

290

00:10:59,030 --> 00:10:56,560

and why we're not going to say

291

00:11:01,030 --> 00:10:59,040

specifically where this this mesa is

292

00:11:03,030 --> 00:11:01,040

because of the land it's on and the

293

00:11:06,230 --> 00:11:03,040

respect that you've paid to that and the

294

00:11:08,230 --> 00:11:06,240

owners of the where the mesa is um so

295

00:11:09,829 --> 00:11:08,240

yeah maybe tell us a little about that

296

00:11:11,990 --> 00:11:09,839

if you don't mind you don't have to give

297

00:11:13,990 --> 00:11:12,000

us obviously the specific location of

298

00:11:16,550 --> 00:11:14,000

where your research is being done but

299

00:11:19,030 --> 00:11:16,560

this is in utah correct

300

00:11:21,430 --> 00:11:19,040

yeah it's in southern utah uh kind of

301
00:11:24,150 --> 00:11:21,440
near nevada i live just right on the

302
00:11:27,269 --> 00:11:24,160
border of arizona and southern utah

303
00:11:28,949 --> 00:11:27,279
kind of two hours from area 51 and two

304
00:11:30,710 --> 00:11:28,959
hours from the grand canyon kind of

305
00:11:33,269 --> 00:11:30,720
right in that sweet spot

306
00:11:35,509 --> 00:11:33,279
surrounded by a bunch of cool stuff and

307
00:11:37,190 --> 00:11:35,519
uh yeah so i get to go over there all

308
00:11:39,030 --> 00:11:37,200
the time there's a lot of cool stuff in

309
00:11:41,030 --> 00:11:39,040
the whole area from

310
00:11:42,710 --> 00:11:41,040
where i live all the way to where the

311
00:11:44,550 --> 00:11:42,720
mace is at and

312
00:11:46,389 --> 00:11:44,560
and beyond there's a lot of you could

313
00:11:49,190 --> 00:11:46,399

drive and i could take you from spot to

314

00:11:51,110 --> 00:11:49,200

spot to spot and like it's fascinating

315

00:11:52,310 --> 00:11:51,120

what you find but um

316

00:11:54,150 --> 00:11:52,320

you know kind of

317

00:11:55,750 --> 00:11:54,160

like why i want to protect the areas

318

00:11:59,190 --> 00:11:55,760

because there is

319

00:12:02,790 --> 00:11:59,200

tons and tons of ancient artifacts and

320

00:12:04,949 --> 00:12:02,800

petroglyphs uh pottery arrowheads all

321

00:12:07,190 --> 00:12:04,959

over the ground and so i mostly want to

322

00:12:08,710 --> 00:12:07,200

protect it for that and

323

00:12:10,230 --> 00:12:08,720

you know i wouldn't want a lot of people

324

00:12:12,710 --> 00:12:10,240

going and just picking it up as

325

00:12:14,310 --> 00:12:12,720

souvenirs all over the place but also

326

00:12:17,509 --> 00:12:14,320

i'm still researching it because

327

00:12:18,949 --> 00:12:17,519

although i have kind of uh with the help

328

00:12:21,269 --> 00:12:18,959

of everybody

329

00:12:23,590 --> 00:12:21,279

on patreon supporting so i could afford

330

00:12:25,750 --> 00:12:23,600

to go do the research but also

331

00:12:27,750 --> 00:12:25,760

uh having being able to have people come

332

00:12:30,150 --> 00:12:27,760

and help me and bring better equipment

333

00:12:32,310 --> 00:12:30,160

help me answer a lot of questions there

334

00:12:33,990 --> 00:12:32,320

uh that the family that's been

335

00:12:35,990 --> 00:12:34,000

experiencing phenomena there's been

336

00:12:36,829 --> 00:12:36,000

wondering about for like over a decade

337

00:12:39,190 --> 00:12:36,839

you

338

00:12:41,269 --> 00:12:39,200

know so there's been a family that's

339

00:12:42,629 --> 00:12:41,279

been seeing these lights on the hillside

340

00:12:44,870 --> 00:12:42,639

at this mesa

341

00:12:46,550 --> 00:12:44,880

appearing in different geometric shapes

342

00:12:48,949 --> 00:12:46,560

and almost interacting with them and

343

00:12:50,949 --> 00:12:48,959

acting very strange and paranormal and

344

00:12:52,470 --> 00:12:50,959

this has been going on for like over 10

345

00:12:55,269 --> 00:12:52,480

years and they couldn't figure it out

346

00:12:57,590 --> 00:12:55,279

using spotlights and headlights hiking

347

00:13:00,069 --> 00:12:57,600

up on the mesa hiking around

348

00:13:02,949 --> 00:13:00,079

looking for cars and headlights nobody

349

00:13:05,190 --> 00:13:02,959

could figure any solution

350

00:13:07,509 --> 00:13:05,200

to it at all or debunk it

351
00:13:09,430 --> 00:13:07,519
and so they were you know hearing stuff

352
00:13:10,470 --> 00:13:09,440
this new show like skinwalker ranch

353
00:13:12,710 --> 00:13:10,480
comes on

354
00:13:16,150 --> 00:13:12,720
and there's right in the intro of the tv

355
00:13:18,470 --> 00:13:16,160
show they show the mesa light up with

356
00:13:20,870 --> 00:13:18,480
this fluorescent light you know yeah

357
00:13:23,350 --> 00:13:20,880
and so the family they saw my work on

358
00:13:25,030 --> 00:13:23,360
youtube doing research up in the area

359
00:13:26,310 --> 00:13:25,040
they saw that i was actually having

360
00:13:27,910 --> 00:13:26,320
experiences

361
00:13:30,230 --> 00:13:27,920
near the petroglyphs and so they

362
00:13:31,990 --> 00:13:30,240
contacted me and asked me to help them

363
00:13:33,269 --> 00:13:32,000

figure out what was going on and start

364

00:13:35,509 --> 00:13:33,279

looking into it

365

00:13:36,710 --> 00:13:35,519

and so that's what we did and in the

366

00:13:39,350 --> 00:13:36,720

beginning

367

00:13:42,310 --> 00:13:39,360

it was like it's mind-blowing and not

368

00:13:44,550 --> 00:13:42,320

only the lights on the mesa but the

369

00:13:46,790 --> 00:13:44,560

amplified coincidence events that

370

00:13:49,829 --> 00:13:46,800

happened and that occur so like

371

00:13:52,470 --> 00:13:49,839

the the whole valley seems to be almost

372

00:13:54,230 --> 00:13:52,480

like interactive and responsive

373

00:13:55,269 --> 00:13:54,240

and this idea of like protecting the

374

00:13:57,189 --> 00:13:55,279

valley

375

00:13:58,389 --> 00:13:57,199

is there's another reason for that it's

376

00:14:01,269 --> 00:13:58,399

because there is

377

00:14:03,829 --> 00:14:01,279

stories and evidence of people coming in

378

00:14:06,389 --> 00:14:03,839

disturbing it and trying to do

379

00:14:08,629 --> 00:14:06,399

kind of like modern

380

00:14:10,230 --> 00:14:08,639

touristy things in the valley associated

381

00:14:12,150 --> 00:14:10,240

with the petroglyphs

382

00:14:14,310 --> 00:14:12,160

and the people that have like poured

383

00:14:15,670 --> 00:14:14,320

concrete and disturbed the land and done

384

00:14:18,230 --> 00:14:15,680

stuff they like

385

00:14:20,949 --> 00:14:18,240

died of heart attacks and weird stuff

386

00:14:22,949 --> 00:14:20,959

and even people that i have taken

387

00:14:24,870 --> 00:14:22,959

to those spots where those areas have

388

00:14:27,110 --> 00:14:24,880

been disturbed i've had people get very

389

00:14:29,269 --> 00:14:27,120

sick and get bloody noses and

390

00:14:30,710 --> 00:14:29,279

and get sick and want to leave and i

391

00:14:32,069 --> 00:14:30,720

have to take them out of there and weird

392

00:14:33,750 --> 00:14:32,079

stuff happens

393

00:14:35,189 --> 00:14:33,760

and so it's not just the lights on the

394

00:14:36,949 --> 00:14:35,199

hill it's the whole

395

00:14:39,670 --> 00:14:36,959

valley and the energy there is very

396

00:14:41,750 --> 00:14:39,680

strange um yeah sounds a lot like

397

00:14:44,310 --> 00:14:41,760

skinwalker ranch we hear these stories

398

00:14:46,470 --> 00:14:44,320

about radiation poisoning and people

399

00:14:48,230 --> 00:14:46,480

just all of a sudden dropping and we're

400

00:14:49,030 --> 00:14:48,240

seeing it play out on their television

401
00:14:51,430 --> 00:14:49,040
show

402
00:14:53,590 --> 00:14:51,440
as well um that is very fascinating to

403
00:14:56,230 --> 00:14:53,600
me that there seems to be a correlation

404
00:14:57,269 --> 00:14:56,240
with a lot of these places in utah in

405
00:15:00,389 --> 00:14:57,279
the same

406
00:15:02,790 --> 00:15:00,399
uh physiological effects or um sometimes

407
00:15:04,310 --> 00:15:02,800
even emotional effects on people you

408
00:15:07,430 --> 00:15:04,320
know i remember speaking to a native

409
00:15:09,750 --> 00:15:07,440
american in utah who

410
00:15:11,829 --> 00:15:09,760
just walked into like

411
00:15:13,670 --> 00:15:11,839
four feet from where he was before and

412
00:15:15,430 --> 00:15:13,680
he just started bawling his eyes out and

413
00:15:17,829 --> 00:15:15,440

he couldn't explain why

414

00:15:20,150 --> 00:15:17,839

and we do hear that in in a lot of these

415

00:15:23,509 --> 00:15:20,160

different phenomenological things as

416

00:15:25,750 --> 00:15:23,519

well so yeah very very interesting yeah

417

00:15:27,910 --> 00:15:25,760

all of you into basin is just there's a

418

00:15:30,230 --> 00:15:27,920

lot of paranormal activity because it's

419

00:15:32,310 --> 00:15:30,240

massive it's not just a skinwalker ranch

420

00:15:34,230 --> 00:15:32,320

and blind frog ranch you know when i

421

00:15:36,470 --> 00:15:34,240

might make a micah hanks and i were

422

00:15:39,030 --> 00:15:36,480

there for about 10 days and we were

423

00:15:41,590 --> 00:15:39,040

researching and talking to locals

424

00:15:42,710 --> 00:15:41,600

and their experiences and for them it's

425

00:15:44,389 --> 00:15:42,720

you know it's it's everywhere the

426

00:15:46,150 --> 00:15:44,399

phenomenon's just not in within

427

00:15:47,829 --> 00:15:46,160

skinwalker so i think it's important for

428

00:15:50,550 --> 00:15:47,839

people to know that the unt basin is

429

00:15:52,470 --> 00:15:50,560

just it's rich of all different things

430

00:15:54,790 --> 00:15:52,480

there's also a lot of health concerns in

431

00:15:56,790 --> 00:15:54,800

the united basin as well like there's

432

00:15:58,949 --> 00:15:56,800

people getting migraines you know kids

433

00:16:00,949 --> 00:15:58,959

getting migraines mass amounts of tumors

434

00:16:02,870 --> 00:16:00,959

there's lots of things happening and

435

00:16:05,110 --> 00:16:02,880

that also could be from you know the

436

00:16:07,670 --> 00:16:05,120

nuclear fallout from the 1950s when it

437

00:16:09,350 --> 00:16:07,680

came over from nevada and came uh went

438

00:16:11,509 --> 00:16:09,360

towards the uinta basin so that could

439

00:16:13,189 --> 00:16:11,519

radiation mode are still splitting from

440

00:16:16,310 --> 00:16:13,199

nuclear testing

441

00:16:18,550 --> 00:16:16,320

then so it's it's really wild um and the

442

00:16:20,629 --> 00:16:18,560

mesa i know like they always say in uh

443

00:16:22,389 --> 00:16:20,639

skinwalker that they that dr travis

444

00:16:23,990 --> 00:16:22,399

taylor was trying to figure that out so

445

00:16:26,230 --> 00:16:24,000

i'm really excited to hear what you have

446

00:16:28,710 --> 00:16:26,240

to say carl and if you've talked to dr

447

00:16:30,310 --> 00:16:28,720

travis taylor about your findings um

448

00:16:31,749 --> 00:16:30,320

because he's been trying to find it for

449

00:16:33,590 --> 00:16:31,759

so long he's been trying to research

450

00:16:36,230 --> 00:16:33,600

this for so long as well because what

451
00:16:38,550 --> 00:16:36,240
you saw is exactly what he has seen in

452
00:16:40,710 --> 00:16:38,560
the show as well as showing us the show

453
00:16:42,629 --> 00:16:40,720
why don't we um should we show it

454
00:16:45,590 --> 00:16:42,639
christine yeah you guys might yeah i

455
00:16:46,790 --> 00:16:45,600
think let's yeah for any of our viewers

456
00:16:48,389 --> 00:16:46,800
watching this on youtube we're going to

457
00:16:50,389 --> 00:16:48,399
show some of the footage of the

458
00:16:52,710 --> 00:16:50,399
phenomenon on the mesa which again

459
00:16:55,590 --> 00:16:52,720
first time i saw this it was just

460
00:16:57,350 --> 00:16:55,600
stunning i i got chills um and clearly

461
00:17:00,150 --> 00:16:57,360
so did carl you could hear it in his

462
00:17:02,150 --> 00:17:00,160
voice so let's go ahead and uh we'll

463
00:17:05,350 --> 00:17:02,160

pull that up here for you guys to watch

464

00:17:07,990 --> 00:17:05,360

test here's the black light

465

00:17:09,829 --> 00:17:08,000

wow you can see the wrong one sorry

466

00:17:12,230 --> 00:17:09,839

where is it

467

00:17:14,549 --> 00:17:12,240

this is the black light

468

00:17:15,429 --> 00:17:14,559

oh did i i missed it here hold on guys i

469

00:17:18,710 --> 00:17:15,439

got it

470

00:17:20,630 --> 00:17:18,720

okay welcome to live

471

00:17:23,029 --> 00:17:20,640

the black light still the video still

472

00:17:25,909 --> 00:17:23,039

shows the phenomenon it does skip just a

473

00:17:29,669 --> 00:17:25,919

little bit here we go all right yup no

474

00:17:31,830 --> 00:17:29,679

you're right carl uh let's do this

475

00:17:33,990 --> 00:17:31,840

da

476

00:17:37,029 --> 00:17:34,000

you could tell how unprepared i am

477

00:17:37,039 --> 00:17:42,150

gotta look there it is yeah there we go

478

00:17:46,549 --> 00:17:44,070

it's like there's a fire in there or

479

00:17:48,870 --> 00:17:46,559

something it's going up see it going up

480

00:17:52,230 --> 00:17:48,880

yep oh yeah that's great

481

00:17:54,470 --> 00:17:52,240

your laser was perfectly on it

482

00:17:59,270 --> 00:17:54,480

that is crazy

483

00:18:03,510 --> 00:18:01,110

to the right like it looks like it's on

484

00:18:06,390 --> 00:18:03,520

fire on the right side it looks like

485

00:18:17,029 --> 00:18:08,549

it's got like a defined edge right here

486

00:18:20,470 --> 00:18:18,070

look at it

487

00:18:26,310 --> 00:18:20,480

holy cow

488

00:18:31,270 --> 00:18:29,990

it's coming down the mesa look at it

489

00:18:33,590 --> 00:18:31,280

and

490

00:18:36,070 --> 00:18:33,600

the whole mesa is lit up

491

00:18:38,630 --> 00:18:36,080

you see it on camera yeah yeah that is

492

00:18:42,150 --> 00:18:38,640

crazy oh things lit up it's like an

493

00:18:42,950 --> 00:18:42,160

iridescent glow

494

00:18:44,630 --> 00:18:42,960

gone

495

00:18:51,110 --> 00:18:44,640

oh there were shadows going across it

496

00:18:54,470 --> 00:18:52,789

dang okay

497

00:18:56,070 --> 00:18:54,480

so

498

00:18:57,830 --> 00:18:56,080

it is beautiful though it really is

499

00:18:59,750 --> 00:18:57,840

beautiful it is something to see i wish

500

00:19:01,750 --> 00:18:59,760

i wish i saw that when i was in utah to

501
00:19:04,470 --> 00:19:01,760
be honest

502
00:19:05,830 --> 00:19:04,480
if i missed that apparently this thing

503
00:19:07,830 --> 00:19:05,840
is amazing

504
00:19:10,070 --> 00:19:07,840
are we at the edge

505
00:19:11,270 --> 00:19:10,080
yeah it's totally repeatable and it was

506
00:19:13,830 --> 00:19:11,280
happening

507
00:19:16,150 --> 00:19:13,840
on a continual basis and that was

508
00:19:17,669 --> 00:19:16,160
eventually part of what became the

509
00:19:19,510 --> 00:19:17,679
giveaway for me

510
00:19:21,350 --> 00:19:19,520
it was the repeatability of it and the

511
00:19:23,029 --> 00:19:21,360
dependability of it became something

512
00:19:24,789 --> 00:19:23,039
that was like okay

513
00:19:26,150 --> 00:19:24,799

i can narrow in on this you know and

514

00:19:28,390 --> 00:19:26,160

then it was like

515

00:19:29,669 --> 00:19:28,400

scooby-doo time

516

00:19:31,510 --> 00:19:29,679

you know

517

00:19:34,390 --> 00:19:31,520

i guess who wouldn't when he took off

518

00:19:39,430 --> 00:19:37,590

we'll get there to continue yeah um

519

00:19:41,669 --> 00:19:39,440

what who were you with when this went

520

00:19:43,590 --> 00:19:41,679

down carl would you mind uh maybe

521

00:19:45,909 --> 00:19:43,600

filling us in on who your investigative

522

00:19:47,750 --> 00:19:45,919

team was and uh what was going through

523

00:19:50,230 --> 00:19:47,760

your heads when you guys first saw this

524

00:19:51,830 --> 00:19:50,240

i mean did you have any theories

525

00:19:53,990 --> 00:19:51,840

immediately as you were watching it or

526

00:19:54,950 --> 00:19:54,000

was it more like holy this is

527

00:19:57,350 --> 00:19:54,960

happening

528

00:20:00,230 --> 00:19:57,360

yeah and it was a mix of both so in the

529

00:20:02,230 --> 00:20:00,240

beginning i went to go alone and then i

530

00:20:04,070 --> 00:20:02,240

i thought okay this is a bad idea i

531

00:20:05,750 --> 00:20:04,080

don't want to go like by myself because

532

00:20:07,510 --> 00:20:05,760

the family you know has been

533

00:20:10,149 --> 00:20:07,520

experiencing it there

534

00:20:12,549 --> 00:20:10,159

uh on the mesa and they told me

535

00:20:15,190 --> 00:20:12,559

stories about you know shadow figures

536

00:20:18,390 --> 00:20:15,200

they saw like a herd of like ghost

537

00:20:20,870 --> 00:20:18,400

buffalo run past them basically like

538

00:20:23,430 --> 00:20:20,880

uh and seen shapes move around you know

539

00:20:26,070 --> 00:20:23,440

on the hillside ufos in the sky all

540

00:20:27,669 --> 00:20:26,080

kinds of stuff and so i go to this gas

541

00:20:30,390 --> 00:20:27,679

station nearby

542

00:20:32,789 --> 00:20:30,400

and decided to message a buddy who also

543

00:20:34,470 --> 00:20:32,799

does similar research but he doesn't

544

00:20:36,549 --> 00:20:34,480

ever want to reveal his identity he does

545

00:20:39,430 --> 00:20:36,559

a lot of other work on the side that he

546

00:20:41,350 --> 00:20:39,440

has to keep private so i messaged him

547

00:20:43,190 --> 00:20:41,360

and he just happened to be

548

00:20:44,390 --> 00:20:43,200

in the parking lot at the same gas

549

00:20:46,310 --> 00:20:44,400

station

550

00:20:48,230 --> 00:20:46,320

uh where i was at and he was like no way

551

00:20:50,070 --> 00:20:48,240

i'm like outside in the parking lot so i

552

00:20:51,909 --> 00:20:50,080

went out and i was like dude just come

553

00:20:53,190 --> 00:20:51,919

with me so he actually went with me that

554

00:20:54,549 --> 00:20:53,200

first night

555

00:20:56,470 --> 00:20:54,559

and then when i went there the

556

00:20:58,630 --> 00:20:56,480

maintenance guy who

557

00:21:01,029 --> 00:20:58,640

was there that showed up to open the

558

00:21:03,270 --> 00:21:01,039

gate um he was like so what are you guys

559

00:21:04,630 --> 00:21:03,280

doing and uh so i just told him i was

560

00:21:07,190 --> 00:21:04,640

like we're here doing paranormal

561

00:21:08,549 --> 00:21:07,200

investigating looking for ufos

562

00:21:09,590 --> 00:21:08,559

there's all these strange things and

563

00:21:15,909 --> 00:21:09,600

he's like

564

00:21:17,990 --> 00:21:15,919

stay and hang out and so i was like sure

565

00:21:19,750 --> 00:21:18,000

and so he was the other guy

566

00:21:21,990 --> 00:21:19,760

and he was there and just had his little

567

00:21:23,350 --> 00:21:22,000

dog with him so the first night it was

568

00:21:25,430 --> 00:21:23,360

the three of us

569

00:21:27,590 --> 00:21:25,440

and then after that

570

00:21:29,190 --> 00:21:27,600

i went back by myself probably four or

571

00:21:32,070 --> 00:21:29,200

five times alone

572

00:21:34,630 --> 00:21:32,080

and then i went back

573

00:21:37,110 --> 00:21:34,640

with charlie from blind frog ranch and

574

00:21:38,950 --> 00:21:37,120

spent like two days there and then

575

00:21:43,029 --> 00:21:38,960

i've gone back alone again i went back

576

00:21:45,110 --> 00:21:43,039

with my brother and then with uh

577

00:21:47,270 --> 00:21:45,120

another person who

578

00:21:50,230 --> 00:21:47,280

came with military grade

579

00:21:52,549 --> 00:21:50,240

equipment and then i can't say who he is

580

00:21:54,390 --> 00:21:52,559

but the two of us ended up solving a lot

581

00:21:55,669 --> 00:21:54,400

of it because of his equipment revealing

582

00:21:58,710 --> 00:21:55,679

a lot

583

00:22:01,510 --> 00:21:58,720

interesting yes interesting chrissy do

584

00:22:03,830 --> 00:22:01,520

you have any follow-ups to uh the mesa

585

00:22:06,470 --> 00:22:03,840

phenomena before we kind of look at some

586

00:22:08,149 --> 00:22:06,480

of the stuff carl uh was able to debunk

587

00:22:09,110 --> 00:22:08,159

some of the explanations people kind of

588

00:22:11,669 --> 00:22:09,120

threw out

589

00:22:13,590 --> 00:22:11,679

having not knowing anything about you

590

00:22:15,190 --> 00:22:13,600

know what he was doing um yeah any

591

00:22:16,870 --> 00:22:15,200

follow-ups to that

592

00:22:19,110 --> 00:22:16,880

after you kind of

593

00:22:20,950 --> 00:22:19,120

feel like you solved the mystery

594

00:22:22,950 --> 00:22:20,960

did you feel that your thoughts before

595

00:22:25,590 --> 00:22:22,960

were just not as correct as they were

596

00:22:27,029 --> 00:22:25,600

maybe now because i'm so curious to what

597

00:22:28,549 --> 00:22:27,039

mystery is

598

00:22:29,909 --> 00:22:28,559

yeah see there's a point where you you

599

00:22:31,029 --> 00:22:29,919

know you're just like oh man and then

600

00:22:33,029 --> 00:22:31,039

did it make you think about other

601
00:22:35,270 --> 00:22:33,039
phenomenon too in that area because

602
00:22:36,950 --> 00:22:35,280
there's obviously a lot going on and you

603
00:22:38,310 --> 00:22:36,960
know some of it could be true some of it

604
00:22:40,230 --> 00:22:38,320
could not be a lot of it could be

605
00:22:41,990 --> 00:22:40,240
folklore there's so much folklore if

606
00:22:43,029 --> 00:22:42,000
you've read skinwalkers at the pentagon

607
00:22:44,470 --> 00:22:43,039
or you've

608
00:22:46,390 --> 00:22:44,480
read that well of course that's to say

609
00:22:48,230 --> 00:22:46,400
the two books if you read both you'll

610
00:22:50,230 --> 00:22:48,240
know that there's a lot of conversations

611
00:22:52,549 --> 00:22:50,240
about sasquatch being there coming out

612
00:22:55,110 --> 00:22:52,559
of portals in skinwalker area like

613
00:22:56,390 --> 00:22:55,120

there's a lot of different tales and

614

00:22:57,669 --> 00:22:56,400

seeing if they're true or not so like

615

00:22:59,669 --> 00:22:57,679

what were your thoughts when you were

616

00:23:02,230 --> 00:22:59,679

like oh maybe i figured this out and

617

00:23:03,750 --> 00:23:02,240

then to kind of like where you were in

618

00:23:05,110 --> 00:23:03,760

your research and where you are now

619

00:23:07,270 --> 00:23:05,120

that's part of it that's super

620

00:23:08,470 --> 00:23:07,280

fascinating to me like you know chrissy

621

00:23:09,909 --> 00:23:08,480

when we were up there like when you're

622

00:23:11,909 --> 00:23:09,919

up in the basin

623

00:23:13,350 --> 00:23:11,919

there's another part of i don't know

624

00:23:15,750 --> 00:23:13,360

what you call it the phenomenon but

625

00:23:16,950 --> 00:23:15,760

there's a psychological aspect to it as

626

00:23:19,190 --> 00:23:16,960

well where

627

00:23:21,830 --> 00:23:19,200

chris bartel and i over

628

00:23:22,950 --> 00:23:21,840

many conversations and and stuff talking

629

00:23:25,029 --> 00:23:22,960

about this

630

00:23:27,750 --> 00:23:25,039

uh chris he was a

631

00:23:30,230 --> 00:23:27,760

security guy at skinwalker ranch during

632

00:23:32,789 --> 00:23:30,240

the whole uh bigelow era

633

00:23:34,549 --> 00:23:32,799

and he uh him and i we we started

634

00:23:36,549 --> 00:23:34,559

breaking a lot of the different levels

635

00:23:37,750 --> 00:23:36,559

of the phenomena down and what's real

636

00:23:39,510 --> 00:23:37,760

and what's not

637

00:23:41,669 --> 00:23:39,520

and we started we came up with this term

638

00:23:42,710 --> 00:23:41,679

we call skinwalker fever

639

00:23:44,310 --> 00:23:42,720

where

640

00:23:46,070 --> 00:23:44,320

there's a level of people you know when

641

00:23:48,310 --> 00:23:46,080

you go to conventions or when you go

642

00:23:51,029 --> 00:23:48,320

around certain areas where

643

00:23:53,269 --> 00:23:51,039

there's almost like a fever or a mindset

644

00:23:55,750 --> 00:23:53,279

a psychological mindset that can get a

645

00:23:57,750 --> 00:23:55,760

grip on a group of people that you can

646

00:23:59,350 --> 00:23:57,760

uh take part of it's almost like a

647

00:24:01,830 --> 00:23:59,360

belief system where

648

00:24:04,230 --> 00:24:01,840

every single dust particles like an orb

649

00:24:06,470 --> 00:24:04,240

and every twig snapping in the dark is a

650

00:24:08,870 --> 00:24:06,480

werewolf all of a sudden you know and

651
00:24:10,870 --> 00:24:08,880
your senses become really heightened and

652
00:24:12,789 --> 00:24:10,880
there becomes like a feedback loop of

653
00:24:13,990 --> 00:24:12,799
people around you who are kind of of the

654
00:24:15,029 --> 00:24:14,000
same

655
00:24:17,190 --> 00:24:15,039
bias

656
00:24:19,909 --> 00:24:17,200
toward the phenomena being real in a

657
00:24:21,990 --> 00:24:19,919
certain way and it will affect your

658
00:24:23,909 --> 00:24:22,000
results if you're trying to be

659
00:24:24,789 --> 00:24:23,919
credible so you can get

660
00:24:26,870 --> 00:24:24,799
uh

661
00:24:29,830 --> 00:24:26,880
sucked into the hype or sucked into your

662
00:24:32,549 --> 00:24:29,840
emotions you're sucked into a theory

663
00:24:35,029 --> 00:24:32,559

and then that can lead down conclusions

664

00:24:37,110 --> 00:24:35,039

that are really difficult for your ego

665

00:24:38,950 --> 00:24:37,120

to swallow when you finally reach them

666

00:24:40,630 --> 00:24:38,960

you know when they conflict with what

667

00:24:41,590 --> 00:24:40,640

you've been telling everybody or what

668

00:24:42,870 --> 00:24:41,600

you've been

669

00:24:44,950 --> 00:24:42,880

running around being like i don't know

670

00:24:46,630 --> 00:24:44,960

what this is or especially if you know

671

00:24:48,789 --> 00:24:46,640

people have been financially supporting

672

00:24:50,789 --> 00:24:48,799

you like i have a whole patreon page

673

00:24:53,190 --> 00:24:50,799

where people were helping me solve the

674

00:24:55,269 --> 00:24:53,200

mesa and do research there so when i

675

00:24:57,430 --> 00:24:55,279

solve it part of it in two months that's

676
00:24:59,750 --> 00:24:57,440
like part of the good news it shouldn't

677
00:25:01,350 --> 00:24:59,760
be part of the bad news right we're

678
00:25:02,789 --> 00:25:01,360
figuring it out so

679
00:25:04,789 --> 00:25:02,799
but yeah there is

680
00:25:06,390 --> 00:25:04,799
there is that mindset that can come over

681
00:25:07,909 --> 00:25:06,400
people and so

682
00:25:10,310 --> 00:25:07,919
being aware of that

683
00:25:12,630 --> 00:25:10,320
is fascinating but also

684
00:25:14,710 --> 00:25:12,640
i there's a part of it where i'm very

685
00:25:16,230 --> 00:25:14,720
interested in the man the

686
00:25:17,029 --> 00:25:16,240
meditation

687
00:25:20,310 --> 00:25:17,039
the

688
00:25:22,149 --> 00:25:20,320

remote viewing and manifestation side of

689

00:25:23,909 --> 00:25:22,159

the concept of the nature of reality

690

00:25:25,750 --> 00:25:23,919

that we don't understand

691

00:25:27,669 --> 00:25:25,760

that might be disrupted or different in

692

00:25:29,909 --> 00:25:27,679

some of these areas where

693

00:25:31,909 --> 00:25:29,919

what we perceive as like

694

00:25:34,390 --> 00:25:31,919

you know people losing their grip and

695

00:25:36,549 --> 00:25:34,400

everything seems a certain way

696

00:25:39,190 --> 00:25:36,559

is a part of the phenomenon and there is

697

00:25:42,070 --> 00:25:39,200

an interplay there that has to do with

698

00:25:44,230 --> 00:25:42,080

uh that has a side effect on the

699

00:25:46,470 --> 00:25:44,240

subconscious mind and which is it the

700

00:25:48,390 --> 00:25:46,480

chicken or the egg you know and so

701
00:25:50,710 --> 00:25:48,400
i'm really interested in all aspects of

702
00:25:52,630 --> 00:25:50,720
that and i'm willing to explore all of

703
00:25:54,870 --> 00:25:52,640
them i'm not i'm not afraid of it so

704
00:25:56,710 --> 00:25:54,880
it's it's really interesting to me the

705
00:25:59,430 --> 00:25:56,720
meditation thing is interesting because

706
00:26:02,070 --> 00:25:59,440
when uh they meditated on skinwalker and

707
00:26:03,990 --> 00:26:02,080
again i think this is all of the uinta

708
00:26:04,789 --> 00:26:04,000
basin it's i wouldn't just say it's just

709
00:26:07,110 --> 00:26:04,799
one

710
00:26:09,269 --> 00:26:07,120
area that this happens in but when they

711
00:26:11,269 --> 00:26:09,279
disturb the phenomenon

712
00:26:13,269 --> 00:26:11,279
when somebody meditated if you can read

713
00:26:14,950 --> 00:26:13,279

that in the first book colin kolohere

714

00:26:16,950 --> 00:26:14,960

speaks about that he actually asked

715

00:26:18,950 --> 00:26:16,960

somebody that somebody asked to come on

716

00:26:20,630 --> 00:26:18,960

to the ranch and to meditate and when he

717

00:26:21,990 --> 00:26:20,640

did it

718

00:26:23,669 --> 00:26:22,000

like the phenomenon just started to

719

00:26:25,029 --> 00:26:23,679

happen even more

720

00:26:26,710 --> 00:26:25,039

and then almost in a way of like you

721

00:26:29,350 --> 00:26:26,720

know less of the words attacked the

722

00:26:31,590 --> 00:26:29,360

person that was meditating so i'm

723

00:26:34,310 --> 00:26:31,600

curious to see when you do meditation

724

00:26:36,549 --> 00:26:34,320

within the you went to basin in general

725

00:26:38,710 --> 00:26:36,559

what reacts to it uh because again i

726

00:26:40,149 --> 00:26:38,720

don't think it's just geography it's

727

00:26:41,909 --> 00:26:40,159

just based in one section for the

728

00:26:44,149 --> 00:26:41,919

phenomenon i think it's the whole it's

729

00:26:46,070 --> 00:26:44,159

the whole area um you know it doesn't

730

00:26:48,390 --> 00:26:46,080

have like these parameters it has to sit

731

00:26:50,310 --> 00:26:48,400

in right so i'd be curious i'd like to

732

00:26:52,149 --> 00:26:50,320

keep us up to date with that please yeah

733

00:26:54,789 --> 00:26:52,159

yeah that's something ongoing that i do

734

00:26:57,350 --> 00:26:54,799

and it's kind of the core of what led me

735

00:26:59,110 --> 00:26:57,360

along the path of the the mesa and

736

00:27:01,830 --> 00:26:59,120

around up around skinwalker ranch and

737

00:27:04,390 --> 00:27:01,840

all of that is this idea of like these

738

00:27:07,269 --> 00:27:04,400

petroglyph areas and maybe even the

739

00:27:09,269 --> 00:27:07,279

symbols of the petroglyphs or the

740

00:27:11,750 --> 00:27:09,279

geology itself

741

00:27:14,470 --> 00:27:11,760

has something to do with this resonant

742

00:27:16,549 --> 00:27:14,480

frequency or vibrational harmony that's

743

00:27:18,870 --> 00:27:16,559

very similar to what's used in a lot of

744

00:27:21,669 --> 00:27:18,880

these secret programs like

745

00:27:24,070 --> 00:27:21,679

binaural audio tunes and hemisync stuff

746

00:27:27,269 --> 00:27:24,080

that affects your consciousness for

747

00:27:29,110 --> 00:27:27,279

meditation remote viewing or telepathy i

748

00:27:31,750 --> 00:27:29,120

almost wondered if going into some of

749

00:27:33,269 --> 00:27:31,760

these canyons or ancient valleys where

750

00:27:35,430 --> 00:27:33,279

they were doing these rituals or

751
00:27:37,909 --> 00:27:35,440
ceremonies at these petroglyph sites was

752
00:27:40,230 --> 00:27:37,919
part of an ancient way of tapping into

753
00:27:42,789 --> 00:27:40,240
the subconscious potential of

754
00:27:45,350 --> 00:27:42,799
humanity and what they were doing

755
00:27:47,990 --> 00:27:45,360
and maybe contacting other entities or

756
00:27:50,870 --> 00:27:48,000
other dimensions of reality or other

757
00:27:52,710 --> 00:27:50,880
tribes over long distances who knows

758
00:27:54,470 --> 00:27:52,720
having all kinds of altered

759
00:27:56,630 --> 00:27:54,480
consciousness experiences that you can

760
00:27:58,230 --> 00:27:56,640
have and then carving them on the rocks

761
00:27:59,990 --> 00:27:58,240
but all of that's really fascinating to

762
00:28:02,149 --> 00:28:00,000
me so that's kind of what i've been

763
00:28:04,870 --> 00:28:02,159

doing is going to these spots and

764

00:28:07,110 --> 00:28:04,880

meditating at these locations and

765

00:28:08,950 --> 00:28:07,120

looking for clues and trying to see

766

00:28:11,430 --> 00:28:08,960

where they point but also taking up like

767

00:28:13,110 --> 00:28:11,440

a tri-filled meter and radiation

768

00:28:15,110 --> 00:28:13,120

detector and trying to see if i can

769

00:28:17,029 --> 00:28:15,120

actually gather evidence with a and

770

00:28:19,269 --> 00:28:17,039

capture something on night vision and do

771

00:28:21,190 --> 00:28:19,279

paranormal stuff as well so it's just

772

00:28:23,269 --> 00:28:21,200

been kind of a cool opportunity to look

773

00:28:25,350 --> 00:28:23,279

at all of it and then also look up in

774

00:28:27,430 --> 00:28:25,360

the sky and see if there's anything

775

00:28:29,430 --> 00:28:27,440

flying around associated with it because

776

00:28:31,590 --> 00:28:29,440

yeah it seems like it's all connected or

777

00:28:33,350 --> 00:28:31,600

or there's something about

778

00:28:34,710 --> 00:28:33,360

the government's secret programs that

779

00:28:36,070 --> 00:28:34,720

that wants us to think it's all

780

00:28:38,789 --> 00:28:36,080

connected and i don't know which is

781

00:28:42,070 --> 00:28:38,799

which which up from down left for i know

782

00:28:44,149 --> 00:28:42,080

man well um you know when you first uh

783

00:28:46,549 --> 00:28:44,159

released the first video obviously

784

00:28:50,710 --> 00:28:46,559

everyone looked at it and they were

785

00:28:53,430 --> 00:28:50,720

amazed and then some people immediately

786

00:28:56,230 --> 00:28:53,440

went at you with oh it's like it's

787

00:28:58,389 --> 00:28:56,240

headlights clearly like we're not idiots

788

00:29:00,710 --> 00:28:58,399

here carl we know that's headlights so

789

00:29:03,110 --> 00:29:00,720

what do you do you go back and you

790

00:29:05,510 --> 00:29:03,120

literally prove that it's not and i'd

791

00:29:07,909 --> 00:29:05,520

love to show a little bit of that here

792

00:29:10,389 --> 00:29:07,919

if you don't mind of your debunking of

793

00:29:13,430 --> 00:29:10,399

the headlights mesa and glowing on it

794

00:29:15,990 --> 00:29:13,440

itself that's my truck headlights

795

00:29:18,389 --> 00:29:16,000

through the night vision

796

00:29:20,230 --> 00:29:18,399

right there

797

00:29:25,990 --> 00:29:20,240

okay so that's what that looks like let

798

00:29:28,149 --> 00:29:27,029

yeah this is going to be really

799

00:29:42,630 --> 00:29:28,159

interesting

800

00:29:47,750 --> 00:29:44,870

because here i'm about i'd say

801
00:29:49,350 --> 00:29:47,760
300 yards away from the mesa

802
00:29:51,269 --> 00:29:49,360
okay

803
00:29:53,269 --> 00:29:51,279
ah

804
00:29:58,470 --> 00:29:53,279
there it is look see

805
00:30:02,310 --> 00:30:00,630
it's totally different look i got the

806
00:30:03,110 --> 00:30:02,320
proof right there it's not headlights i

807
00:30:04,870 --> 00:30:03,120
just

808
00:30:07,029 --> 00:30:04,880
shine that truck headlights right on it

809
00:30:09,110 --> 00:30:07,039
and it doesn't do that so weird right

810
00:30:10,230 --> 00:30:09,120
in the world they're wild

811
00:30:12,310 --> 00:30:10,240
wow

812
00:30:15,750 --> 00:30:12,320
look

813
00:30:19,350 --> 00:30:15,760

i can see that with my own eyes

814

00:30:23,430 --> 00:30:20,950

carl i'm gonna pause it right here what

815

00:30:25,590 --> 00:30:23,440

color was the actual phenomenon because

816

00:30:28,070 --> 00:30:25,600

here we're seeing you know one like a

817

00:30:29,990 --> 00:30:28,080

it's more like a white color so people

818

00:30:31,590 --> 00:30:30,000

are probably wondering what camera it is

819

00:30:33,990 --> 00:30:31,600

it's this uh

820

00:30:37,669 --> 00:30:34,000

psionics aurora

821

00:30:39,510 --> 00:30:37,679

black night vision it's a 720p

822

00:30:42,149 --> 00:30:39,520

night vision camera i just got off of

823

00:30:44,710 --> 00:30:42,159

amazon uh that's the one it's a really

824

00:30:46,710 --> 00:30:44,720

good night vision camera but it

825

00:30:48,230 --> 00:30:46,720

ultimately doesn't have like

826
00:30:51,029 --> 00:30:48,240
like the crispest

827
00:30:53,830 --> 00:30:51,039
resolution that's just the 720p

828
00:30:55,510 --> 00:30:53,840
uh frames but it's more

829
00:30:58,310 --> 00:30:55,520
more of like a white

830
00:30:59,750 --> 00:30:58,320
uh translucent color with like a

831
00:31:02,149 --> 00:30:59,760
holographic

832
00:31:03,909 --> 00:31:02,159
glowing effects to it it looks more like

833
00:31:05,430 --> 00:31:03,919
the northern lights when you see it like

834
00:31:07,509 --> 00:31:05,440
it's raised and

835
00:31:09,269 --> 00:31:07,519
glowing above the mesa

836
00:31:11,110 --> 00:31:09,279
compared to like headlights up close

837
00:31:12,789 --> 00:31:11,120
like that right that don't that don't do

838
00:31:14,630 --> 00:31:12,799

anything you know

839

00:31:16,549 --> 00:31:14,640

could you film it without the nike with

840

00:31:18,070 --> 00:31:16,559

the without the night vision were you

841

00:31:20,389 --> 00:31:18,080

able to film it just like with the

842

00:31:22,549 --> 00:31:20,399

handycam and be able to capture like

843

00:31:23,909 --> 00:31:22,559

that white instead of like the night

844

00:31:26,230 --> 00:31:23,919

vision would you be able to use just

845

00:31:28,549 --> 00:31:26,240

like your iphone to capture that as well

846

00:31:31,110 --> 00:31:28,559

i tried and tried yeah i tried with my

847

00:31:33,590 --> 00:31:31,120

cell phone i tried with other cameras uh

848

00:31:35,909 --> 00:31:33,600

even with a black light and the cell

849

00:31:36,710 --> 00:31:35,919

phone multiple times

850

00:31:37,669 --> 00:31:36,720

uh

851

00:31:40,470 --> 00:31:37,679

and

852

00:31:42,230 --> 00:31:40,480

one of the the last night when i was

853

00:31:44,149 --> 00:31:42,240

really trying to do a lot of that ended

854

00:31:45,590 --> 00:31:44,159

up being the night when we had the

855

00:31:47,909 --> 00:31:45,600

high-powered night vision there the

856

00:31:49,669 --> 00:31:47,919

military grade stuff and ended up

857

00:31:51,509 --> 00:31:49,679

figuring it all out because then i was

858

00:31:53,750 --> 00:31:51,519

able to just put my phone right up to

859

00:31:56,070 --> 00:31:53,760

that and film through it straight up and

860

00:31:58,310 --> 00:31:56,080

then that revealed a lot more details

861

00:32:00,549 --> 00:31:58,320

and then we were able to backtrack stuff

862

00:32:02,630 --> 00:32:00,559

that we had already checked

863

00:32:03,430 --> 00:32:02,640

like three or four times and we went

864

00:32:05,590 --> 00:32:03,440

back

865

00:32:08,950 --> 00:32:05,600

and rechecked it and then finally

866

00:32:10,710 --> 00:32:08,960

figured some of it out not all of it but

867

00:32:12,070 --> 00:32:10,720

we'll get there guys we'll get there i

868

00:32:14,870 --> 00:32:12,080

know everyone just wants to know what

869

00:32:16,710 --> 00:32:14,880

the hell is that clearly um let's show

870

00:32:18,389 --> 00:32:16,720

this one you mentioned the black light

871

00:32:20,549 --> 00:32:18,399

so this is you shining a black light on

872

00:32:22,149 --> 00:32:20,559

the mesa it's going all the way you can

873

00:32:25,590 --> 00:32:22,159

see the bugs and everything flying

874

00:32:29,669 --> 00:32:27,909

so this clearly wasn't just one of you

875

00:32:31,909 --> 00:32:29,679

or your friends like shining a black

876

00:32:34,630 --> 00:32:31,919

light on the base geology on the map

877

00:32:37,029 --> 00:32:34,640

right itself

878

00:32:39,909 --> 00:32:37,039

no reflections

879

00:32:41,190 --> 00:32:39,919

no fluorescing lights

880

00:32:45,110 --> 00:32:41,200

it doesn't seem to have anything to do

881

00:32:50,710 --> 00:32:47,750

oh there it is coming down to mesa

882

00:32:51,830 --> 00:32:50,720

it's crazy every time i know i couldn't

883

00:32:56,149 --> 00:32:51,840

figure it out

884

00:33:00,710 --> 00:32:58,549

so it is repeatable guys this is a few

885

00:33:04,070 --> 00:33:00,720

nights later

886

00:33:06,389 --> 00:33:04,080

um oh my gosh it really is beautiful

887

00:33:07,190 --> 00:33:06,399

it is it's it is it's gorgeous and i

888

00:33:09,909 --> 00:33:07,200

mean

889

00:33:12,149 --> 00:33:09,919

i don't i almost don't care what it is

890

00:33:14,710 --> 00:33:12,159

you're being completely honest but um

891

00:33:17,509 --> 00:33:14,720

wow wow um whoops

892

00:33:19,990 --> 00:33:17,519

what am i doing here

893

00:33:21,990 --> 00:33:20,000

there you guys are there we go again the

894

00:33:25,509 --> 00:33:22,000

beauty of live streams um

895

00:33:27,590 --> 00:33:25,519

so i guess to go from there you know

896

00:33:28,710 --> 00:33:27,600

these were some of the things that you

897

00:33:30,549 --> 00:33:28,720

were able to

898

00:33:33,029 --> 00:33:30,559

explain that this was not a black light

899

00:33:36,389 --> 00:33:33,039

on the mesa these were not uh these are

900

00:33:39,110 --> 00:33:36,399

not lights from any vehicle um

901
00:33:41,110 --> 00:33:39,120
so what were some of those other

902
00:33:43,430 --> 00:33:41,120
theories carl i know you mentioned you

903
00:33:44,950 --> 00:33:43,440
know you did some meditation and tried

904
00:33:47,269 --> 00:33:44,960
to tap into

905
00:33:50,389 --> 00:33:47,279
phenomena consciously or or

906
00:33:52,470 --> 00:33:50,399
subconsciously even um but

907
00:33:54,310 --> 00:33:52,480
what when you walked away after that

908
00:33:55,830 --> 00:33:54,320
first night of filming it and everything

909
00:33:57,669 --> 00:33:55,840
um were

910
00:33:58,789 --> 00:33:57,679
were there any theories being bumped

911
00:34:01,350 --> 00:33:58,799
around between you and your

912
00:34:03,990 --> 00:34:01,360
investigation partners on what it could

913
00:34:07,590 --> 00:34:04,000

be um you know maybe a prosaic

914

00:34:09,270 --> 00:34:07,600

explanation yeah the main one initially

915

00:34:11,270 --> 00:34:09,280

is like you're right like everybody's

916

00:34:13,669 --> 00:34:11,280

like it's got to be headlights and

917

00:34:15,109 --> 00:34:13,679

that's the initial reaction your head's

918

00:34:17,349 --> 00:34:15,119

whipping around and you're looking

919

00:34:19,909 --> 00:34:17,359

around for headlights and so you know we

920

00:34:23,109 --> 00:34:19,919

go up to the other side of the ravine

921

00:34:25,349 --> 00:34:23,119

turn around we watch all the vehicles we

922

00:34:26,710 --> 00:34:25,359

watch for hours and stay up and it does

923

00:34:28,790 --> 00:34:26,720

not seem

924

00:34:29,589 --> 00:34:28,800

correlated to headlights at all we even

925

00:34:31,589 --> 00:34:29,599

watch

926

00:34:33,510 --> 00:34:31,599

with the night vision it doesn't seem

927

00:34:36,149 --> 00:34:33,520

correlated i bring multiple people up

928

00:34:37,349 --> 00:34:36,159

there even with the airplanes and stuff

929

00:34:39,270 --> 00:34:37,359

flying over

930

00:34:41,589 --> 00:34:39,280

and satellites going over but that was

931

00:34:43,750 --> 00:34:41,599

all like the main theories then there

932

00:34:45,669 --> 00:34:43,760

was also like maybe it was some kind of

933

00:34:48,470 --> 00:34:45,679

you know satellite imagery and there was

934

00:34:51,109 --> 00:34:48,480

something about the night vision being

935

00:34:52,790 --> 00:34:51,119

able to pick up some kind of geological

936

00:34:55,109 --> 00:34:52,800

scanning that was going on but that

937

00:34:58,390 --> 00:34:55,119

didn't add up or make any kind of sense

938

00:35:00,550 --> 00:34:58,400

because it was so specific to this mesa

939

00:35:03,030 --> 00:35:00,560

it was like so targeted you know

940

00:35:05,670 --> 00:35:03,040

and here was the part that was

941

00:35:08,390 --> 00:35:05,680

the most difficult with all of it and

942

00:35:10,950 --> 00:35:08,400

and and still a mystery is the fact that

943

00:35:15,030 --> 00:35:10,960

the the petroglyphs themselves

944

00:35:17,910 --> 00:35:15,040

are so full of clues that seem to have

945

00:35:20,470 --> 00:35:17,920

spirals and characters that tell a story

946

00:35:22,950 --> 00:35:20,480

and they have actual arrows pointing off

947

00:35:23,990 --> 00:35:22,960

of some of them that seem to lead

948

00:35:26,470 --> 00:35:24,000

somewhere

949

00:35:28,790 --> 00:35:26,480

and ultimately because of the family and

950

00:35:31,349 --> 00:35:28,800

the lights on the mesa that was

951
00:35:33,270 --> 00:35:31,359
what it was believed to point to this is

952
00:35:35,510 --> 00:35:33,280
it you know this is where the phenomena

953
00:35:37,829 --> 00:35:35,520
is this must be what they're looking at

954
00:35:39,030 --> 00:35:37,839
everything seems to point to that

955
00:35:40,550 --> 00:35:39,040
most of all

956
00:35:43,270 --> 00:35:40,560
there's these

957
00:35:45,750 --> 00:35:43,280
uh ceremonial medicine wheels down in

958
00:35:47,589 --> 00:35:45,760
the valley and even one up on top of the

959
00:35:49,270 --> 00:35:47,599
mesa itself

960
00:35:51,670 --> 00:35:49,280
and the rituals that would be done

961
00:35:53,670 --> 00:35:51,680
around these ceremonial wheels

962
00:35:54,630 --> 00:35:53,680
specifically have to do with the north

963
00:35:57,430 --> 00:35:54,640

star

964

00:35:59,750 --> 00:35:57,440

and the big dipper and

965

00:36:02,230 --> 00:35:59,760

the whole movement of the solar system

966

00:36:04,950 --> 00:36:02,240

in the universe and space-time and

967

00:36:07,910 --> 00:36:04,960

opening portals into other dimensions of

968

00:36:09,750 --> 00:36:07,920

reality and these ceremonial wheels are

969

00:36:12,150 --> 00:36:09,760

real and there's one in the valley and

970

00:36:14,630 --> 00:36:12,160

one right on top of the mesa and

971

00:36:15,510 --> 00:36:14,640

everything lines up for these lights to

972

00:36:17,349 --> 00:36:15,520

occur

973

00:36:19,589 --> 00:36:17,359

but we still had this open mind like

974

00:36:21,030 --> 00:36:19,599

it's got to be something like headlights

975

00:36:22,710 --> 00:36:21,040

it could be

976

00:36:25,190 --> 00:36:22,720

one of the theories was that it could

977

00:36:28,550 --> 00:36:25,200

have to do with the geology maybe

978

00:36:30,630 --> 00:36:28,560

the uh crystals have of an evaporative

979

00:36:33,349 --> 00:36:30,640

uh crystal geology

980

00:36:35,829 --> 00:36:33,359

that makes like a quartz or a gypsum or

981

00:36:38,230 --> 00:36:35,839

something that under pressure could give

982

00:36:40,710 --> 00:36:38,240

off a glowing light or some kind of a

983

00:36:42,310 --> 00:36:40,720

sparkling effect maybe there's old

984

00:36:45,670 --> 00:36:42,320

power lines or something under the

985

00:36:47,589 --> 00:36:45,680

ground that's arcing through the mesa

986

00:36:50,790 --> 00:36:47,599

who knows there could be something to do

987

00:36:52,710 --> 00:36:50,800

with meteors uh coming over and

988

00:36:54,390 --> 00:36:52,720

flashing off the rocks through the solar

989

00:36:57,030 --> 00:36:54,400

system some kind of

990

00:36:59,349 --> 00:36:57,040

new northern lights phenomena

991

00:37:00,950 --> 00:36:59,359

the theories and the the

992

00:37:02,790 --> 00:37:00,960

oral traditions from the native

993

00:37:05,030 --> 00:37:02,800

americans around

994

00:37:07,270 --> 00:37:05,040

say that there was an ancient shaman

995

00:37:10,150 --> 00:37:07,280

that came into the valley that stopped

996

00:37:11,589 --> 00:37:10,160

some kind of a disaster from occurring

997

00:37:14,150 --> 00:37:11,599

and then

998

00:37:16,630 --> 00:37:14,160

lived in the valley and some of them say

999

00:37:18,790 --> 00:37:16,640

that he lives inside the mesa and other

1000

00:37:22,790 --> 00:37:18,800

ones say that he died and was buried

1001
00:37:25,190 --> 00:37:22,800
inside the mesa so there's so much like

1002
00:37:26,710 --> 00:37:25,200
evidence pointing to this mesa having

1003
00:37:29,190 --> 00:37:26,720
something to do with it and then on top

1004
00:37:30,710 --> 00:37:29,200
of it as these lights and not only that

1005
00:37:31,990 --> 00:37:30,720
when we go there and when i would take

1006
00:37:35,030 --> 00:37:32,000
different groups we would have

1007
00:37:36,630 --> 00:37:35,040
experiences so we go down in the valley

1008
00:37:38,230 --> 00:37:36,640
now keep in mind something that we've

1009
00:37:41,190 --> 00:37:38,240
figured out and this is true for

1010
00:37:42,870 --> 00:37:41,200
skinwalker ranch and all up in the uinta

1011
00:37:44,630 --> 00:37:42,880
basin too is there's this native

1012
00:37:46,630 --> 00:37:44,640
american theme to all of these

1013
00:37:48,790 --> 00:37:46,640

supernatural experiences

1014

00:37:50,790 --> 00:37:48,800

that occur when people start talking

1015

00:37:52,790 --> 00:37:50,800

about paranormal

1016

00:37:55,670 --> 00:37:52,800

everything that has happened to me

1017

00:37:57,829 --> 00:37:55,680

has had this crux of the native american

1018

00:37:59,430 --> 00:37:57,839

backbone to it that's been undeniable

1019

00:38:02,150 --> 00:37:59,440

even the meditation

1020

00:38:04,390 --> 00:38:02,160

experiences that have kind of happened

1021

00:38:05,829 --> 00:38:04,400

but like we've been down by this uh

1022

00:38:09,349 --> 00:38:05,839

medicine wheel

1023

00:38:11,349 --> 00:38:09,359

and been there at night and then we

1024

00:38:13,349 --> 00:38:11,359

heard like what sounded like someone

1025

00:38:15,829 --> 00:38:13,359

whistling like you would call for a dog

1026
00:38:17,910 --> 00:38:15,839
or something and then we heard like a

1027
00:38:20,470 --> 00:38:17,920
horse run right past this and we all

1028
00:38:22,470 --> 00:38:20,480
heard it but nobody saw anything it was

1029
00:38:23,510 --> 00:38:22,480
like you know like a ghost horse running

1030
00:38:25,589 --> 00:38:23,520
by

1031
00:38:27,030 --> 00:38:25,599
and there's these amplified events that

1032
00:38:29,030 --> 00:38:27,040
happen where like

1033
00:38:30,630 --> 00:38:29,040
like right when my brother is like

1034
00:38:32,630 --> 00:38:30,640
you know it's actually really peaceful

1035
00:38:34,870 --> 00:38:32,640
down here like right as he's finishing

1036
00:38:36,630 --> 00:38:34,880
the sentence something like screams from

1037
00:38:38,630 --> 00:38:36,640
the bushes behind us like

1038
00:38:40,550 --> 00:38:38,640

like really loud and then you hear

1039

00:38:42,550 --> 00:38:40,560

something running around in the trees

1040

00:38:44,230 --> 00:38:42,560

and it like freaks everybody out and

1041

00:38:46,870 --> 00:38:44,240

that kind of stuff just like happens

1042

00:38:48,310 --> 00:38:46,880

like a ton down in there that is hard to

1043

00:38:50,470 --> 00:38:48,320

explain

1044

00:38:52,390 --> 00:38:50,480

but uh we're trying to figure it all out

1045

00:38:54,630 --> 00:38:52,400

there's still like a lot of weird

1046

00:38:56,310 --> 00:38:54,640

mysteries to it and so some of it had to

1047

00:38:58,150 --> 00:38:56,320

do with the native american stuff like

1048

00:38:59,589 --> 00:38:58,160

the lights having to do with

1049

00:39:02,069 --> 00:38:59,599

maybe a

1050

00:39:04,470 --> 00:39:02,079

residual energy from the the rituals

1051
00:39:06,390 --> 00:39:04,480
that were occurring in ancient times and

1052
00:39:07,430 --> 00:39:06,400
maybe that's the same at skinwalker

1053
00:39:09,670 --> 00:39:07,440
ranch

1054
00:39:12,950 --> 00:39:09,680
uh and i don't know maybe it could be a

1055
00:39:14,870 --> 00:39:12,960
dimensional opening like uh a wrinkle in

1056
00:39:17,510 --> 00:39:14,880
time where the future in the past kind

1057
00:39:19,829 --> 00:39:17,520
of unfolded into a pinched location and

1058
00:39:21,589 --> 00:39:19,839
this valley is one of those spots so

1059
00:39:23,750 --> 00:39:21,599
that was one of the theories it was all

1060
00:39:25,829 --> 00:39:23,760
over the place what could be going on

1061
00:39:28,710 --> 00:39:25,839
so uh yeah

1062
00:39:31,589 --> 00:39:28,720
you're muted right

1063
00:39:34,150 --> 00:39:31,599

thanks my man thank you so much um well

1064

00:39:35,589 --> 00:39:34,160

well as you were saying all that i i'm

1065

00:39:37,829 --> 00:39:35,599

thinking about

1066

00:39:39,190 --> 00:39:37,839

an experience i had and i'm just going

1067

00:39:40,870 --> 00:39:39,200

to go ahead and share it here i could

1068

00:39:42,630 --> 00:39:40,880

get in trouble but i don't care at this

1069

00:39:45,750 --> 00:39:42,640

point it's been a year and a half since

1070

00:39:47,670 --> 00:39:45,760

i did this investigation um

1071

00:39:49,670 --> 00:39:47,680

when you mentioned the

1072

00:39:51,430 --> 00:39:49,680

vortexes you know these things that you

1073

00:39:53,270 --> 00:39:51,440

found on the rocks that were literally

1074

00:39:55,910 --> 00:39:53,280

pointing towards the mesa

1075

00:39:59,430 --> 00:39:55,920

when i was traveling with the suny tribe

1076
00:40:01,270 --> 00:39:59,440
elder and we went to this area this mesa

1077
00:40:02,630 --> 00:40:01,280
as well um

1078
00:40:06,470 --> 00:40:02,640
where we saw

1079
00:40:08,390 --> 00:40:06,480
almost identical vortex petroglyphs

1080
00:40:11,030 --> 00:40:08,400
where were they pointing to

1081
00:40:13,030 --> 00:40:11,040
it was literally the mountain range

1082
00:40:15,030 --> 00:40:13,040
where the phoenix lights disappeared

1083
00:40:17,510 --> 00:40:15,040
into oh wow

1084
00:40:19,270 --> 00:40:17,520
and as you were telling me that i it

1085
00:40:21,430 --> 00:40:19,280
just gave me chills because i'm like

1086
00:40:23,349 --> 00:40:21,440
okay you have possibly these native

1087
00:40:25,270 --> 00:40:23,359
americans in utah

1088
00:40:27,109 --> 00:40:25,280

saying that these vortexes are a certain

1089

00:40:29,349 --> 00:40:27,119

thing that things come in and out of

1090

00:40:31,270 --> 00:40:29,359

that we communicate with

1091

00:40:34,150 --> 00:40:31,280

either other tribes or different

1092

00:40:36,630 --> 00:40:34,160

entities from elsewhere and then

1093

00:40:39,190 --> 00:40:36,640

i have a zuni tribe elder in another

1094

00:40:42,230 --> 00:40:39,200

state telling me the same thing that

1095

00:40:45,109 --> 00:40:42,240

these ufos are coming in and out

1096

00:40:47,270 --> 00:40:45,119

it just blows my mind there has to be

1097

00:40:49,270 --> 00:40:47,280

some sort of connection like you said

1098

00:40:52,550 --> 00:40:49,280

what is it how much do we make of those

1099

00:40:54,550 --> 00:40:52,560

connections only time will tell but um i

1100

00:40:55,990 --> 00:40:54,560

i had to share that because it was

1101

00:40:57,750 --> 00:40:56,000

strikingly similar to what you

1102

00:41:00,950 --> 00:40:57,760

experienced i think that's at the core

1103

00:41:02,950 --> 00:41:00,960

of it man to me i that's uh and how do i

1104

00:41:05,190 --> 00:41:02,960

back that up or prove it you know and i

1105

00:41:07,670 --> 00:41:05,200

try that's why i try to take devices and

1106

00:41:09,829 --> 00:41:07,680

everything in there everything from

1107

00:41:12,230 --> 00:41:09,839

you know buddhist meditation bowls that

1108

00:41:15,109 --> 00:41:12,240

i'll carry in my backpack to try and

1109

00:41:17,349 --> 00:41:15,119

test like the resident harmony of a

1110

00:41:19,190 --> 00:41:17,359

canyon i'll even do like

1111

00:41:20,950 --> 00:41:19,200

uh chanting or singing i'll take

1112

00:41:22,470 --> 00:41:20,960

portable speakers and play different

1113

00:41:24,309 --> 00:41:22,480

frequencies

1114

00:41:25,990 --> 00:41:24,319
and then different devices like a

1115

00:41:28,550 --> 00:41:26,000
tri-filled meter

1116

00:41:30,630 --> 00:41:28,560
radiation sensor different you know

1117

00:41:33,109 --> 00:41:30,640
paranormal ghost boxes and stuff like

1118

00:41:35,109 --> 00:41:33,119
that to try and look at all of it with

1119

00:41:37,030 --> 00:41:35,119
an open mind to see what i get and then

1120

00:41:38,630 --> 00:41:37,040
narrow in on it as people say well that

1121

00:41:40,710 --> 00:41:38,640
doesn't work that doesn't do that or

1122

00:41:41,670 --> 00:41:40,720
whatever then i just try to keep getting

1123

00:41:43,270 --> 00:41:41,680
closer

1124

00:41:44,870 --> 00:41:43,280
but among all that i'm also paying

1125

00:41:47,030 --> 00:41:44,880
attention to those experience that i'm

1126
00:41:49,349 --> 00:41:47,040
having like if i come back from a place

1127
00:41:51,430 --> 00:41:49,359
do i have nightmares for like a week are

1128
00:41:53,510 --> 00:41:51,440
the smoke alarms in my house all going

1129
00:41:54,870 --> 00:41:53,520
off like crazy and am i experiencing

1130
00:41:56,630 --> 00:41:54,880
other stuff like

1131
00:41:58,870 --> 00:41:56,640
you know up at skinwalker ranch they

1132
00:42:00,630 --> 00:41:58,880
they have this thing called whether it's

1133
00:42:03,109 --> 00:42:00,640
ethical or not i don't know a lot of

1134
00:42:05,030 --> 00:42:03,119
people were used like human bio sensors

1135
00:42:06,790 --> 00:42:05,040
you know walking around whether they

1136
00:42:08,790 --> 00:42:06,800
knew they were or not

1137
00:42:11,270 --> 00:42:08,800
like my buddy chris bartel

1138
00:42:12,950 --> 00:42:11,280

and used like a human guinea pig to walk

1139

00:42:14,470 --> 00:42:12,960

around out there to see if anything

1140

00:42:16,230 --> 00:42:14,480

happened to him and then

1141

00:42:17,910 --> 00:42:16,240

having brain scans done and stuff and

1142

00:42:19,270 --> 00:42:17,920

i'm not having any of that but i do have

1143

00:42:21,109 --> 00:42:19,280

effects where i'll come back from a

1144

00:42:23,030 --> 00:42:21,119

canyon and

1145

00:42:25,109 --> 00:42:23,040

i'll do like a meditation

1146

00:42:26,550 --> 00:42:25,119

play a frequency in a slot canyon and by

1147

00:42:28,870 --> 00:42:26,560

the time i

1148

00:42:30,790 --> 00:42:28,880

i get back to my truck i'm like super

1149

00:42:33,109 --> 00:42:30,800

sick and throwing up and i have to take

1150

00:42:35,030 --> 00:42:33,119

like three days to recover and

1151

00:42:36,950 --> 00:42:35,040

and it like can really affect you so i

1152

00:42:40,390 --> 00:42:36,960

wonder if they were doing

1153

00:42:42,550 --> 00:42:40,400

you know rituals or banging on drums or

1154

00:42:44,390 --> 00:42:42,560

you know blowing through antler whistles

1155

00:42:45,430 --> 00:42:44,400

and things bone whistles and

1156

00:42:47,829 --> 00:42:45,440

creating

1157

00:42:49,589 --> 00:42:47,839

frequencies that were

1158

00:42:51,750 --> 00:42:49,599

the same as what they're doing in some

1159

00:42:54,150 --> 00:42:51,760

of these secret programs at a high level

1160

00:42:55,829 --> 00:42:54,160

today but they were just tapped into it

1161

00:42:57,750 --> 00:42:55,839

in a different from a different

1162

00:43:00,710 --> 00:42:57,760

perspective and a different approach

1163

00:43:02,630 --> 00:43:00,720

yeah that we've forgotten you know along

1164

00:43:04,309 --> 00:43:02,640

with a lot of other things yeah i'm

1165

00:43:06,069 --> 00:43:04,319

curious to see because

1166

00:43:08,710 --> 00:43:06,079

in the knits one of the knits reports

1167

00:43:10,630 --> 00:43:08,720

and i spoke to dr colin kalaher about

1168

00:43:12,230 --> 00:43:10,640

and path to the skinwalker in the book

1169

00:43:14,630 --> 00:43:12,240

in the end of like one of the last

1170

00:43:16,309 --> 00:43:14,640

chapters is called revolutionary science

1171

00:43:17,670 --> 00:43:16,319

and he speaks about exactly what you're

1172

00:43:19,910 --> 00:43:17,680

talking about carl like his

1173

00:43:22,150 --> 00:43:19,920

recommendation outside of doing all

1174

00:43:23,510 --> 00:43:22,160

these different hypothesis about

1175

00:43:25,710 --> 00:43:23,520

mental health which could be like

1176
00:43:27,910 --> 00:43:25,720
schizophrenia that's happening on there

1177
00:43:29,589 --> 00:43:27,920
hallucinations they're saying that even

1178
00:43:31,990 --> 00:43:29,599
like wind currents could be traveling

1179
00:43:33,190 --> 00:43:32,000
with like um some form like psychedelics

1180
00:43:35,430 --> 00:43:33,200
that could be in it you know if you're

1181
00:43:37,589 --> 00:43:35,440
burning bushes that might turn into some

1182
00:43:39,510 --> 00:43:37,599
form of psychedelic so they looked at a

1183
00:43:41,990 --> 00:43:39,520
reported hypothesis and then one of the

1184
00:43:43,829 --> 00:43:42,000
last one was obviously like an uh

1185
00:43:46,390 --> 00:43:43,839
something that wasn't human as a

1186
00:43:48,470 --> 00:43:46,400
hypothesis and then what he suggested

1187
00:43:49,910 --> 00:43:48,480
was that they would go on the ranch and

1188
00:43:52,069 --> 00:43:49,920

and i don't know we'd have to talk to

1189

00:43:54,150 --> 00:43:52,079

brendan about that if they've done what

1190

00:43:55,670 --> 00:43:54,160

you've been doing in that space because

1191

00:43:57,190 --> 00:43:55,680

that was what he

1192

00:43:58,790 --> 00:43:57,200

said that they should be doing next is

1193

00:44:00,790 --> 00:43:58,800

all the revolutionary science the

1194

00:44:01,829 --> 00:44:00,800

challenge that we get into is that all

1195

00:44:04,470 --> 00:44:01,839

of that would be considered

1196

00:44:06,470 --> 00:44:04,480

pseudoscience and scientists have a

1197

00:44:08,230 --> 00:44:06,480

really hard time being able to measure

1198

00:44:10,790 --> 00:44:08,240

that and to figure out if that's

1199

00:44:12,710 --> 00:44:10,800

something that um is valid for them to

1200

00:44:14,470 --> 00:44:12,720

be able to say that this is what this is

1201

00:44:16,230 --> 00:44:14,480

how the phenomenon's working toward or

1202

00:44:18,230 --> 00:44:16,240

what's happening with it but you should

1203

00:44:20,630 --> 00:44:18,240

really document that and then share your

1204

00:44:22,470 --> 00:44:20,640

findings with brendan and with

1205

00:44:24,309 --> 00:44:22,480

even within skinwalker around those

1206

00:44:25,349 --> 00:44:24,319

areas it doesn't again have to be in

1207

00:44:27,109 --> 00:44:25,359

that one

1208

00:44:29,589 --> 00:44:27,119

specific area

1209

00:44:31,349 --> 00:44:29,599

outside of vernal because that is what

1210

00:44:33,190 --> 00:44:31,359

dr colin color hair and you should speak

1211

00:44:35,190 --> 00:44:33,200

with him too because that's what he

1212

00:44:36,390 --> 00:44:35,200

recommended in those areas and they

1213

00:44:38,950 --> 00:44:36,400

might have been for sure doing in the

1214

00:44:41,589 --> 00:44:38,960

past i saw those those like ver those

1215

00:44:43,750 --> 00:44:41,599

spirals too at mcconkey ranch when i was

1216

00:44:45,109 --> 00:44:43,760

there and they were all over the place

1217

00:44:47,510 --> 00:44:45,119

and the progression of them was

1218

00:44:49,589 --> 00:44:47,520

unbelievable from like early

1219

00:44:50,710 --> 00:44:49,599

you know a lot earlier of petroglyphs

1220

00:44:52,230 --> 00:44:50,720

all the way up to something that looked

1221

00:44:55,270 --> 00:44:52,240

like aztec even though it probably

1222

00:44:57,829 --> 00:44:55,280

wasn't aztec but it the it was a very

1223

00:44:59,589 --> 00:44:57,839

consistent thrall so i would yeah with

1224

00:45:01,270 --> 00:44:59,599

that said i think you should talk to dr

1225

00:45:02,950 --> 00:45:01,280

colin culler here because he that

1226

00:45:05,109 --> 00:45:02,960

exactly what you're doing is what he

1227

00:45:06,950 --> 00:45:05,119

recommended in the early 90s

1228

00:45:10,069 --> 00:45:06,960

definitely yeah i've been texting with

1229

00:45:11,670 --> 00:45:10,079

brandon fuggle back and forth quite a bit

1230

00:45:13,430 --> 00:45:11,680

since going up there i did get to go to

1231

00:45:15,750 --> 00:45:13,440

skinwalker ranch and

1232

00:45:18,550 --> 00:45:15,760

do some work with chris bartell and

1233

00:45:20,630 --> 00:45:18,560

james keenan and we went with about half

1234

00:45:23,430 --> 00:45:20,640

of the skinwalker ranch team to do a lot

1235

00:45:26,230 --> 00:45:23,440

of he went to basin research expanded

1236

00:45:28,950 --> 00:45:26,240

off the ranch and then ended up at

1237

00:45:30,710 --> 00:45:28,960

the ranch and uh thomas winterson took

1238

00:45:33,030 --> 00:45:30,720

me out to look at the petroglyphs and a

1239

00:45:33,910 --> 00:45:33,040

couple of things there didn't have a ton

1240

00:45:38,470 --> 00:45:33,920

of

1241

00:45:40,470 --> 00:45:38,480

interested to see how how it is all

1242

00:45:41,990 --> 00:45:40,480

connected from that ancient past

1243

00:45:44,470 --> 00:45:42,000

perspective to

1244

00:45:46,550 --> 00:45:44,480

how we can pick up on that today if it

1245

00:45:48,309 --> 00:45:46,560

is something that we've lost how do we

1246

00:45:49,270 --> 00:45:48,319

do that is it through the meditation

1247

00:45:51,589 --> 00:45:49,280

approach

1248

00:45:53,190 --> 00:45:51,599

were they doing like peyote or some kind

1249

00:45:54,790 --> 00:45:53,200

of psychedelics and that's what we're

1250

00:45:57,190 --> 00:45:54,800

seeing on the rocks

1251

00:45:59,109 --> 00:45:57,200

is there a consciousness

1252

00:46:01,750 --> 00:45:59,119

interfacing with reality and a

1253

00:46:03,589 --> 00:46:01,760

manifestation aspect that you hear

1254

00:46:05,190 --> 00:46:03,599

talked about because you know

1255

00:46:07,589 --> 00:46:05,200

you start talking about that like can

1256

00:46:09,430 --> 00:46:07,599

your mind really shape your reality and

1257

00:46:11,670 --> 00:46:09,440

form your reality and change it and are

1258

00:46:12,470 --> 00:46:11,680

these things real could they actually be

1259

00:46:15,990 --> 00:46:12,480

real

1260

00:46:18,230 --> 00:46:16,000

and you know quantum entanglement and

1261

00:46:20,870 --> 00:46:18,240

superposition and things like that all

1262

00:46:21,670 --> 00:46:20,880

starts to make it plausible this idea

1263

00:46:24,870 --> 00:46:21,680

that

1264

00:46:26,630 --> 00:46:24,880

the double split experiment uh where

1265

00:46:28,390 --> 00:46:26,640

if you look at something or if it's

1266

00:46:30,630 --> 00:46:28,400

observed the observer

1267

00:46:33,910 --> 00:46:30,640

affects the outcome of reality it

1268

00:46:35,910 --> 00:46:33,920

collapses reality from a waveform into

1269

00:46:38,630 --> 00:46:35,920

particle almost like it procedurally

1270

00:46:40,550 --> 00:46:38,640

generates like a video game you know

1271

00:46:43,109 --> 00:46:40,560

so it's very strange and still

1272

00:46:44,710 --> 00:46:43,119

mysterious i don't think we know as much

1273

00:46:47,030 --> 00:46:44,720

as we think we know about the true

1274

00:46:49,670 --> 00:46:47,040

nature of reality and so some of these

1275

00:46:51,510 --> 00:46:49,680

places i think give us a glimpse into

1276

00:46:52,309 --> 00:46:51,520

that and we should be open-minded to it

1277

00:46:54,470 --> 00:46:52,319

and

1278

00:46:56,390 --> 00:46:54,480

that comes with looking into the native

1279

00:46:58,150 --> 00:46:56,400

american and the ancient perspective and

1280

00:47:00,069 --> 00:46:58,160

how they were approaching it and trying

1281

00:47:01,750 --> 00:47:00,079

to deal with it during their time

1282

00:47:03,990 --> 00:47:01,760

because who knows maybe a thousand years

1283

00:47:05,430 --> 00:47:04,000

ago or further the earth was in a

1284

00:47:07,270 --> 00:47:05,440

different place

1285

00:47:09,430 --> 00:47:07,280

in in reality or the fact that they

1286

00:47:12,150 --> 00:47:09,440

weren't all hijacked by radio

1287

00:47:14,309 --> 00:47:12,160

frequencies and 5g signals and satellite

1288

00:47:16,470 --> 00:47:14,319

they were more connected to the earth

1289

00:47:18,230 --> 00:47:16,480

frequencies in the universe

1290

00:47:21,190 --> 00:47:18,240

and their consciousness was connected in

1291

00:47:23,750 --> 00:47:21,200

a different way we just don't know so i

1292

00:47:26,710 --> 00:47:23,760

just try to keep an open mind and when i

1293

00:47:29,430 --> 00:47:26,720

do i always have experiences that's such

1294

00:47:33,030 --> 00:47:29,440

a good point you know the more

1295

00:47:37,109 --> 00:47:33,040

radio waves and signals we put out there

1296

00:47:38,870 --> 00:47:37,119

it it could become a blockage of what

1297

00:47:41,750 --> 00:47:38,880

should be there and the harmony that

1298

00:47:42,870 --> 00:47:41,760

should be existing in an area and you do

1299

00:47:44,150 --> 00:47:42,880

have to wonder

1300

00:47:46,549 --> 00:47:44,160

these um

1301
00:47:48,630 --> 00:47:46,559
small glimpses as you said like the mesa

1302
00:47:51,589 --> 00:47:48,640
and skinwalker ranch

1303
00:47:54,309 --> 00:47:51,599
is this the phenomena or whatever it is

1304
00:47:57,190 --> 00:47:54,319
screaming like stop like you don't need

1305
00:47:59,190 --> 00:47:57,200
to of this 5g you don't need to have a

1306
00:48:01,430 --> 00:47:59,200
million different satellites going at

1307
00:48:03,190 --> 00:48:01,440
once just so we can like say oh i'm

1308
00:48:05,670 --> 00:48:03,200
going to be home at 6 00 p.m for dinner

1309
00:48:08,069 --> 00:48:05,680
you know like stop just stop with all of

1310
00:48:09,910 --> 00:48:08,079
this um you have to wonder is it

1311
00:48:13,270 --> 00:48:09,920
screaming to us like

1312
00:48:16,950 --> 00:48:13,280
we're still here don't forget us and um

1313
00:48:18,710 --> 00:48:16,960

yeah ultimately we're probably gonna win

1314

00:48:21,510 --> 00:48:18,720

not that it's you know a fight or a

1315

00:48:22,790 --> 00:48:21,520

battle but in the end like the world the

1316

00:48:25,030 --> 00:48:22,800

earth will

1317

00:48:27,430 --> 00:48:25,040

will win will succeed when it comes to

1318

00:48:28,069 --> 00:48:27,440

all of this i think in our our evolution

1319

00:48:29,750 --> 00:48:28,079

or

1320

00:48:32,230 --> 00:48:29,760

devolution if you want to look at it

1321

00:48:34,230 --> 00:48:32,240

that way um you truly do have to wonder

1322

00:48:36,549 --> 00:48:34,240

i have no idea what i'm saying somebody

1323

00:48:38,470 --> 00:48:36,559

please take this

1324

00:48:40,790 --> 00:48:38,480

well i think we go we watch carl's

1325

00:48:44,630 --> 00:48:40,800

footage now and he tells us what's going

1326

00:48:46,790 --> 00:48:44,640

on oh my gosh yeah okay so let's let's

1327

00:48:48,390 --> 00:48:46,800

let's fast forward um we talked about

1328

00:48:51,589 --> 00:48:48,400

some of the theories of what it could be

1329

00:48:53,430 --> 00:48:51,599

prosaic or not prosaic um

1330

00:48:55,670 --> 00:48:53,440

you were able to debunk some things that

1331

00:48:58,950 --> 00:48:55,680

people did say that it definitely was

1332

00:49:01,990 --> 00:48:58,960

which it definitely was not um so where

1333

00:49:03,910 --> 00:49:02,000

does the investigation stand now carl i

1334

00:49:05,670 --> 00:49:03,920

know you've hinted at there might be an

1335

00:49:07,990 --> 00:49:05,680

explanation and this might even have

1336

00:49:10,549 --> 00:49:08,000

connections to other phenomena happening

1337

00:49:11,750 --> 00:49:10,559

in the basin and and further beyond yeah

1338

00:49:14,870 --> 00:49:11,760

give it to us man whatever you're

1339

00:49:19,430 --> 00:49:14,880

willing to share about what is the magic

1340

00:49:22,630 --> 00:49:19,440

mesa yeah so the magic mesa itself is a

1341

00:49:24,069 --> 00:49:22,640

combination of some really uh unique

1342

00:49:27,190 --> 00:49:24,079

things all

1343

00:49:30,309 --> 00:49:27,200

aligning just in the right way

1344

00:49:31,270 --> 00:49:30,319

to where you could debunk it and look at

1345

00:49:38,069 --> 00:49:31,280

it

1346

00:49:40,309 --> 00:49:38,079

then finally

1347

00:49:41,990 --> 00:49:40,319

just in the right way at the right time

1348

00:49:44,069 --> 00:49:42,000

it it does

1349

00:49:45,750 --> 00:49:44,079

replicate and recreate it so i still

1350

00:49:47,670 --> 00:49:45,760

have more work to do

1351
00:49:48,630 --> 00:49:47,680
but i'm confident enough to say that

1352
00:49:50,710 --> 00:49:48,640
there was

1353
00:49:52,309 --> 00:49:50,720
so you see in the video when we debunk

1354
00:49:54,470 --> 00:49:52,319
it with the headlights

1355
00:49:56,870 --> 00:49:54,480
so what we did was with the truck with

1356
00:49:58,790 --> 00:49:56,880
baja lights parked right up close

1357
00:50:00,950 --> 00:49:58,800
turned all the lights on

1358
00:50:01,750 --> 00:50:00,960
and shine it right up on the mesa and

1359
00:50:04,309 --> 00:50:01,760
then

1360
00:50:06,470 --> 00:50:04,319
underneath my headlights even up close

1361
00:50:08,549 --> 00:50:06,480
you still see the phenomena appear on

1362
00:50:10,710 --> 00:50:08,559
the mountain side on the hillside

1363
00:50:13,109 --> 00:50:10,720

so you think okay that can't be it

1364

00:50:15,750 --> 00:50:13,119

so then we go up on the ridge uh where

1365

00:50:18,309 --> 00:50:15,760

the petroglyphs are and stand over there

1366

00:50:20,630 --> 00:50:18,319

and shine spotlights and we even stood

1367

00:50:22,180 --> 00:50:20,640

there for hours and watched cars go by

1368

00:50:25,349 --> 00:50:22,190

and didn't see anything

1369

00:50:31,430 --> 00:50:28,069

time trying to do everything from black

1370

00:50:33,030 --> 00:50:31,440

lights to lasers to i even recently flew

1371

00:50:35,270 --> 00:50:33,040

a drone up there i haven't even got to

1372

00:50:37,670 --> 00:50:35,280

that footage yet and processed it

1373

00:50:40,470 --> 00:50:37,680

um but i finally had my friend come with

1374

00:50:42,230 --> 00:50:40,480

his military grade night vision stuff

1375

00:50:45,109 --> 00:50:42,240

and it revealed

1376

00:50:46,230 --> 00:50:45,119

two little clues down in one

1377

00:50:49,030 --> 00:50:46,240

corner

1378

00:50:52,390 --> 00:50:49,040

of the night vision footage at one

1379

00:50:55,190 --> 00:50:52,400

moment that i was like that looks like a

1380

00:50:57,510 --> 00:50:55,200

street sign it looks like a like a stop

1381

00:50:59,670 --> 00:50:57,520

sign and i was like there's no way and i

1382

00:51:02,390 --> 00:50:59,680

couldn't believe it i was so blown away

1383

00:51:03,109 --> 00:51:02,400

because we had gone down every road

1384

00:51:05,190 --> 00:51:03,119

with

1385

00:51:07,109 --> 00:51:05,200

lights on and everything

1386

00:51:08,549 --> 00:51:07,119

we'd stood there for hours and watched

1387

00:51:10,790 --> 00:51:08,559

cars go by

1388

00:51:13,190 --> 00:51:10,800

nothing and we filmed it and then i was

1389

00:51:16,069 --> 00:51:13,200

like i swear this looks like a like a

1390

00:51:18,309 --> 00:51:16,079

street sign for just like a split second

1391

00:51:20,230 --> 00:51:18,319

and so then we were like we have to go

1392

00:51:22,630 --> 00:51:20,240

double check all this and so we started

1393

00:51:24,069 --> 00:51:22,640

going back and back and back and so what

1394

00:51:26,630 --> 00:51:24,079

ended up happening

1395

00:51:28,549 --> 00:51:26,640

was i stood at the base of the mesa

1396

00:51:30,950 --> 00:51:28,559

while he got in my truck and just

1397

00:51:32,470 --> 00:51:30,960

started retracing steps that we've been

1398

00:51:35,270 --> 00:51:32,480

these roads that we've been down a

1399

00:51:36,790 --> 00:51:35,280

million times i swear for like the last

1400

00:51:37,750 --> 00:51:36,800

two months we've driven down these a

1401
00:51:40,150 --> 00:51:37,760
bunch

1402
00:51:41,750 --> 00:51:40,160
but what ended up happening was he drove

1403
00:51:43,430 --> 00:51:41,760
down this one road that i was like i

1404
00:51:44,870 --> 00:51:43,440
swear this has got to be the road it's

1405
00:51:47,510 --> 00:51:44,880
got to be this one

1406
00:51:49,349 --> 00:51:47,520
and even when he did it it did not

1407
00:51:51,670 --> 00:51:49,359
recreate the phenomenon so i was like

1408
00:51:53,430 --> 00:51:51,680
that's not it that's not it you know so

1409
00:51:54,710 --> 00:51:53,440
he said hang on let me drive a little

1410
00:51:57,829 --> 00:51:54,720
further

1411
00:51:58,870 --> 00:51:57,839
so he actually went three miles away

1412
00:52:00,230 --> 00:51:58,880
okay

1413
00:52:02,390 --> 00:52:00,240

from the mesa

1414

00:52:04,549 --> 00:52:02,400

and turned around and it still didn't do

1415

00:52:06,950 --> 00:52:04,559

it and i said do it one more time and

1416

00:52:07,750 --> 00:52:06,960

turn the baja lights on

1417

00:52:09,510 --> 00:52:07,760

and

1418

00:52:11,109 --> 00:52:09,520

just drive like you're kind of looking

1419

00:52:13,109 --> 00:52:11,119

at your phone like drive around it's

1420

00:52:15,589 --> 00:52:13,119

like i've got that's got to be it so

1421

00:52:17,829 --> 00:52:15,599

when he turned like the high

1422

00:52:19,349 --> 00:52:17,839

beams on and he went clear to the back

1423

00:52:21,829 --> 00:52:19,359

of the road

1424

00:52:23,829 --> 00:52:21,839

then just from that angle

1425

00:52:24,710 --> 00:52:23,839

there's one spot where the road dips

1426

00:52:26,950 --> 00:52:24,720

down

1427

00:52:30,710 --> 00:52:26,960

and then comes up and swerves

1428

00:52:33,109 --> 00:52:30,720

and just for like maybe 10 seconds

1429

00:52:35,030 --> 00:52:33,119

almost exactly we were able to recreate

1430

00:52:36,549 --> 00:52:35,040

the lights on the mesa

1431

00:52:39,109 --> 00:52:36,559

and only then

1432

00:52:41,430 --> 00:52:39,119

and if you go any other angle from any

1433

00:52:42,950 --> 00:52:41,440

other road or up close

1434

00:52:45,510 --> 00:52:42,960

the geology

1435

00:52:46,549 --> 00:52:45,520

and the way the rocks have slid

1436

00:52:49,670 --> 00:52:46,559

and the way

1437

00:52:51,270 --> 00:52:49,680

the volcanic black rocks are you cannot

1438

00:52:53,670 --> 00:52:51,280

get the same

1439

00:52:56,710 --> 00:52:53,680

mirrored glowing holographic light

1440

00:52:57,990 --> 00:52:56,720

effect unless it's for some reason

1441

00:53:01,030 --> 00:52:58,000

high beams

1442

00:53:03,670 --> 00:53:01,040

from three three miles to like uh

1443

00:53:05,990 --> 00:53:03,680

two and three quarter miles away as soon

1444

00:53:07,990 --> 00:53:06,000

as you get closer it just like

1445

00:53:10,710 --> 00:53:08,000

flourishes and disappears

1446

00:53:13,190 --> 00:53:10,720

any other road nothing

1447

00:53:14,549 --> 00:53:13,200

nowhere else even the same road without

1448

00:53:17,430 --> 00:53:14,559

high beams on

1449

00:53:19,270 --> 00:53:17,440

nothing but once you do it exactly right

1450

00:53:21,510 --> 00:53:19,280

like somebody coming from the back

1451

00:53:24,230 --> 00:53:21,520

country road and they forget their high

1452

00:53:26,710 --> 00:53:24,240

beams on and it's a modern vehicle with

1453

00:53:27,670 --> 00:53:26,720

led lights on or like a truck high

1454

00:53:29,829 --> 00:53:27,680

enough

1455

00:53:32,470 --> 00:53:29,839

then and only then

1456

00:53:35,109 --> 00:53:32,480

it creates the lights and so

1457

00:53:37,030 --> 00:53:35,119

there's there's that one thing that does

1458

00:53:39,990 --> 00:53:37,040

it so unless there's some other

1459

00:53:42,150 --> 00:53:40,000

phenomena of lights appearing i have to

1460

00:53:43,829 --> 00:53:42,160

say that that's got to be it but it took

1461

00:53:45,190 --> 00:53:43,839

us two months

1462

00:53:47,910 --> 00:53:45,200

of debunking

1463

00:53:49,270 --> 00:53:47,920

freaking everything to finally find

1464

00:53:52,150 --> 00:53:49,280

that one

1465

00:53:55,190 --> 00:53:52,160

tiny little stretch that creates all of

1466

00:53:56,390 --> 00:53:55,200

those effects and so you have to wonder

1467

00:53:58,630 --> 00:53:56,400

then

1468

00:54:00,390 --> 00:53:58,640

if you go onto the reservation into

1469

00:54:01,270 --> 00:54:00,400

different areas up in the basin if

1470

00:54:02,870 --> 00:54:01,280

that's

1471

00:54:05,109 --> 00:54:02,880

what they're catching on their security

1472

00:54:07,589 --> 00:54:05,119

camera up there on that mesa too some

1473

00:54:09,990 --> 00:54:07,599

kind of a weird spectrum of light

1474

00:54:11,910 --> 00:54:10,000

based on the geology in fact when james

1475

00:54:13,910 --> 00:54:11,920

keenan and chris bartel and i were up

1476
00:54:15,589 --> 00:54:13,920
there we actually this is one of the

1477
00:54:16,630 --> 00:54:15,599
rocks from

1478
00:54:19,030 --> 00:54:16,640
the

1479
00:54:22,549 --> 00:54:19,040
mesa office skinwalker ranch

1480
00:54:25,270 --> 00:54:22,559
up on the top and it has that same

1481
00:54:27,030 --> 00:54:25,280
black glossy volcanic kind of

1482
00:54:28,710 --> 00:54:27,040
sheen it's really hard to tell in this

1483
00:54:30,309 --> 00:54:28,720
lighting but if you take it outside it

1484
00:54:33,670 --> 00:54:30,319
almost has this like

1485
00:54:34,870 --> 00:54:33,680
black purple greenish iridescent effect

1486
00:54:36,549 --> 00:54:34,880
that

1487
00:54:39,430 --> 00:54:36,559
maybe it has something to do with it so

1488
00:54:40,470 --> 00:54:39,440

i still need to test like these kind of

1489

00:54:42,630 --> 00:54:40,480

rocks

1490

00:54:44,309 --> 00:54:42,640

and that volcanic rock and you get just

1491

00:54:46,069 --> 00:54:44,319

at the right angle

1492

00:54:48,789 --> 00:54:46,079

and it creates like this boom this

1493

00:54:51,670 --> 00:54:48,799

glowing almost a holographic

1494

00:54:53,670 --> 00:54:51,680

iridescent weird aura that appears

1495

00:54:54,309 --> 00:54:53,680

and it's totally supernatural looking

1496

00:55:00,069 --> 00:54:54,319

and

1497

00:55:02,390 --> 00:55:00,079

this poor family for the long longest

1498

00:55:04,710 --> 00:55:02,400

time for 10 years you know

1499

00:55:06,390 --> 00:55:04,720

you know it's really but uh yeah and

1500

00:55:08,309 --> 00:55:06,400

it's on the the intro at skinwalker

1501

00:55:10,390 --> 00:55:08,319

ranch now i can't say that that's great

1502

00:55:12,470 --> 00:55:10,400

what's going on there right i don't know

1503

00:55:15,270 --> 00:55:12,480

if that's the entire light phenomenon

1504

00:55:17,510 --> 00:55:15,280

even at the mesa here but when i i mean

1505

00:55:18,870 --> 00:55:17,520

i got video footage now on my night

1506

00:55:21,349 --> 00:55:18,880

vision camera

1507

00:55:24,309 --> 00:55:21,359

with my friend driving in the truck and

1508

00:55:26,230 --> 00:55:24,319

it's so similar that i'm convinced that

1509

00:55:28,150 --> 00:55:26,240

that that one

1510

00:55:29,430 --> 00:55:28,160

tiny stretch of road

1511

00:55:30,870 --> 00:55:29,440

with weird

1512

00:55:33,510 --> 00:55:30,880

somebody forgetting and leaving their

1513

00:55:35,109 --> 00:55:33,520

high beams on has to explain a lot of

1514

00:55:37,589 --> 00:55:35,119

what that family's been experiencing

1515

00:55:39,750 --> 00:55:37,599

there not all of it but a lot of it so i

1516

00:55:41,670 --> 00:55:39,760

still want to keep going and figure out

1517

00:55:43,430 --> 00:55:41,680

like what the heck else is going on with

1518

00:55:44,870 --> 00:55:43,440

all the native american supernatural

1519

00:55:46,309 --> 00:55:44,880

stuff and where do the petroglyphs

1520

00:55:47,510 --> 00:55:46,319

really lead

1521

00:55:49,589 --> 00:55:47,520

why is their

1522

00:55:51,750 --> 00:55:49,599

ceremonial wheels that line up on the

1523

00:55:52,870 --> 00:55:51,760

mesa and what really is going on there

1524

00:55:55,670 --> 00:55:52,880

and why

1525

00:55:58,309 --> 00:55:55,680

uh i don't know but that is ultimately

1526

00:56:00,069 --> 00:55:58,319

what it is is i i think the majority of

1527

00:56:01,750 --> 00:56:00,079

what people are experiencing is just

1528

00:56:03,750 --> 00:56:01,760

that one

1529

00:56:05,109 --> 00:56:03,760

weird stretch of headlights so the

1530

00:56:06,630 --> 00:56:05,119

people that right up front were like

1531

00:56:09,510 --> 00:56:06,640

it's got to be headlights it's got to be

1532

00:56:10,950 --> 00:56:09,520

headlights i honestly believe

1533

00:56:11,670 --> 00:56:10,960

uh that

1534

00:56:13,270 --> 00:56:11,680

for

1535

00:56:15,349 --> 00:56:13,280

everything that it's worth they could

1536

00:56:17,190 --> 00:56:15,359

have stood there and walked around and

1537

00:56:18,950 --> 00:56:17,200

spent like a good week trying to figure

1538

00:56:20,150 --> 00:56:18,960

it out and not been able to figure it

1539

00:56:21,589 --> 00:56:20,160

out either

1540

00:56:23,430 --> 00:56:21,599

but it took

1541

00:56:25,430 --> 00:56:23,440

me getting actually a lot of

1542

00:56:27,829 --> 00:56:25,440

professional help to come in i had a lot

1543

00:56:29,190 --> 00:56:27,839

of people help me even contacted the

1544

00:56:30,870 --> 00:56:29,200

night vision company and they couldn't

1545

00:56:32,950 --> 00:56:30,880

figure it out either yeah i saw that

1546

00:56:35,990 --> 00:56:32,960

email exchange they were like we're just

1547

00:56:37,109 --> 00:56:36,000

as stumped as you are man yeah

1548

00:56:39,270 --> 00:56:37,119

wow

1549

00:56:41,589 --> 00:56:39,280

well i'm curious to see what dr travis

1550

00:56:43,589 --> 00:56:41,599

taylor would say i'm very scared with

1551

00:56:46,549 --> 00:56:43,599

you gotta give him the car

1552

00:56:49,190 --> 00:56:46,559

yes um carl um you mentioned the family

1553

00:56:52,150 --> 00:56:49,200

had other experiences is that something

1554

00:56:55,109 --> 00:56:52,160

you can share um i understand if not but

1555

00:56:57,190 --> 00:56:55,119

like you said this could explain the the

1556

00:56:59,430 --> 00:56:57,200

lights on the mesa but uh

1557

00:57:01,829 --> 00:56:59,440

this isn't it and you know this is only

1558

00:57:03,190 --> 00:57:01,839

uh a precursor to other things they've

1559

00:57:05,349 --> 00:57:03,200

experienced is there anything you can

1560

00:57:06,630 --> 00:57:05,359

share about what else they have uh

1561

00:57:09,270 --> 00:57:06,640

experienced there

1562

00:57:11,589 --> 00:57:09,280

well i've even seen like kind of

1563

00:57:13,750 --> 00:57:11,599

unassociated with the mesa itself i've

1564

00:57:15,510 --> 00:57:13,760

seen like what look like balls of light

1565

00:57:16,870 --> 00:57:15,520

come up out of the ground and then go

1566

00:57:18,789 --> 00:57:16,880

back down

1567

00:57:20,710 --> 00:57:18,799

that look like something standing up and

1568

00:57:23,910 --> 00:57:20,720

then ducking back down

1569

00:57:25,670 --> 00:57:23,920

we've heard the the weird auditory stuff

1570

00:57:27,910 --> 00:57:25,680

it gets like

1571

00:57:30,710 --> 00:57:27,920

like um like i said the amplified

1572

00:57:32,870 --> 00:57:30,720

coincidences start to occur where

1573

00:57:35,990 --> 00:57:32,880

um like i was standing at one time and i

1574

00:57:38,710 --> 00:57:36,000

had my hand on a barbed wire fence and

1575

00:57:40,789 --> 00:57:38,720

just like my brother i said uh

1576

00:57:42,470 --> 00:57:40,799

you know i've as many times as i've been

1577

00:57:44,789 --> 00:57:42,480

here and as creepy as it can get and

1578

00:57:46,870 --> 00:57:44,799

i've never had anything bad happen to me

1579

00:57:48,630 --> 00:57:46,880

and right as i said that the barbed wire

1580

00:57:51,109 --> 00:57:48,640

like snapped in half

1581

00:57:53,349 --> 00:57:51,119

and it curled back and like snagged onto

1582

00:57:55,910 --> 00:57:53,359

my shirt and almost hit me in the face

1583

00:57:58,230 --> 00:57:55,920

and everybody was like what the hell you

1584

00:57:59,589 --> 00:57:58,240

know and so it was just like weird stuff

1585

00:58:01,670 --> 00:57:59,599

like that happens you know like when

1586

00:58:02,870 --> 00:58:01,680

you're when you're dreaming at night and

1587

00:58:04,789 --> 00:58:02,880

it's like

1588

00:58:06,870 --> 00:58:04,799

if you're if you think it it kind of

1589

00:58:07,750 --> 00:58:06,880

like instantly happens it almost feels

1590

00:58:12,390 --> 00:58:07,760

like

1591

00:58:13,910 --> 00:58:12,400

interactive and i can see why you get

1592

00:58:17,589 --> 00:58:13,920

this sense of like

1593

00:58:18,789 --> 00:58:17,599

the the trickster effect going on where

1594

00:58:20,870 --> 00:58:18,799

like what your

1595

00:58:23,109 --> 00:58:20,880

subconscious is

1596

00:58:25,190 --> 00:58:23,119

concerned about like it's almost like

1597

00:58:27,430 --> 00:58:25,200

opposite day like weird little things

1598

00:58:29,510 --> 00:58:27,440

start to pop up and the family's been

1599

00:58:31,670 --> 00:58:29,520

experiencing all that kind of paranormal

1600

00:58:33,030 --> 00:58:31,680

stuff the whole the whole time as well

1601
00:58:35,990 --> 00:58:33,040
from hearing

1602
00:58:37,750 --> 00:58:36,000
noises to seeing uh like what looks like

1603
00:58:39,990 --> 00:58:37,760
a herd of buffalo running through the

1604
00:58:41,190 --> 00:58:40,000
valley like just shadow shadows and

1605
00:58:43,829 --> 00:58:41,200
hearing them

1606
00:58:46,230 --> 00:58:43,839
seeing uh like what looks like a woman

1607
00:58:48,390 --> 00:58:46,240
in a white dress like walking along the

1608
00:58:50,789 --> 00:58:48,400
hillside

1609
00:58:53,190 --> 00:58:50,799
i've been up at the petroglyph site

1610
00:58:54,069 --> 00:58:53,200
on the other side of the valley

1611
00:59:00,870 --> 00:58:54,079
and

1612
00:59:02,950 --> 00:59:00,880
meditations for i did that multiple

1613
00:59:05,190 --> 00:59:02,960

times over the course of a year

1614

00:59:07,510 --> 00:59:05,200

and then i found out later

1615

00:59:09,270 --> 00:59:07,520

that uh that that rock that i was

1616

00:59:12,230 --> 00:59:09,280

sitting on was the

1617

00:59:14,630 --> 00:59:12,240

ancient shaman's seat that he would sit

1618

00:59:16,069 --> 00:59:14,640

on to do his rituals or meditate and i

1619

00:59:18,069 --> 00:59:16,079

had no idea

1620

00:59:20,069 --> 00:59:18,079

and some of the meditation experiences

1621

00:59:21,829 --> 00:59:20,079

that i was having there were pretty

1622

00:59:23,990 --> 00:59:21,839

interesting too where

1623

00:59:25,430 --> 00:59:24,000

you know i would swear somebody was

1624

00:59:26,870 --> 00:59:25,440

walking up through the crack of the

1625

00:59:28,549 --> 00:59:26,880

rocks and then i turned my head and

1626
00:59:31,430 --> 00:59:28,559
there's just nobody there

1627
00:59:32,630 --> 00:59:31,440
and uh hear things i've had my

1628
00:59:34,549 --> 00:59:32,640
paranormal

1629
00:59:36,390 --> 00:59:34,559
equipment like my rim pod just go

1630
00:59:38,630 --> 00:59:36,400
bonkers on me there like a couple of

1631
00:59:40,309 --> 00:59:38,640
times i'll set it there and nothing's

1632
00:59:41,270 --> 00:59:40,319
happening and then it just starts going

1633
00:59:43,349 --> 00:59:41,280
off like

1634
00:59:45,030 --> 00:59:43,359
some kind of weird energy's moving

1635
00:59:47,109 --> 00:59:45,040
through

1636
00:59:50,390 --> 00:59:47,119
but the family has seen you know balls

1637
00:59:52,630 --> 00:59:50,400
of light um we've seen lights in the sky

1638
00:59:54,710 --> 00:59:52,640

move around uh

1639

00:59:57,190 --> 00:59:54,720

that could be satellites some of them

1640

00:59:59,349 --> 00:59:57,200

have turned and arced and made different

1641

01:00:00,710 --> 00:59:59,359

directional changes and stuff but i

1642

01:00:02,470 --> 01:00:00,720

don't know i've never seen like an

1643

01:00:04,950 --> 01:00:02,480

actual vivid like craft that i could

1644

01:00:06,309 --> 01:00:04,960

save as like a a sauce or a tic tac or

1645

01:00:08,470 --> 01:00:06,319

anything it's just been like you know

1646

01:00:10,870 --> 01:00:08,480

the little dots in the sky but there's

1647

01:00:14,390 --> 01:00:10,880

been a lot of stuff yeah

1648

01:00:16,230 --> 01:00:14,400

oh you're a mute right muted right

1649

01:00:17,510 --> 01:00:16,240

i'm too darn polite i keep meeting my

1650

01:00:19,430 --> 01:00:17,520

mic that's because i live right next to

1651

01:00:21,990 --> 01:00:19,440

the subway i apologize

1652

01:00:23,750 --> 01:00:22,000

um i we do have a video of one of the

1653

01:00:25,670 --> 01:00:23,760

ufos you caught which we'll share in a

1654

01:00:29,109 --> 01:00:25,680

little bit here um at a different

1655

01:00:31,910 --> 01:00:29,119

location um but wow

1656

01:00:35,510 --> 01:00:31,920

see again the minute you explained what

1657

01:00:37,589 --> 01:00:35,520

the the magic mesa was or wasn't um like

1658

01:00:39,990 --> 01:00:37,599

my heart dropped for a second and then

1659

01:00:41,750 --> 01:00:40,000

you picked it right back up because that

1660

01:00:44,230 --> 01:00:41,760

is only one

1661

01:00:46,390 --> 01:00:44,240

explanation and only one phenomena

1662

01:00:48,230 --> 01:00:46,400

that's occurring in this area but that's

1663

01:00:49,990 --> 01:00:48,240

what it's about you look at like the

1664

01:00:52,710 --> 01:00:50,000

investigations at blind frog or

1665

01:00:54,549 --> 01:00:52,720

skinwalker or any other location like

1666

01:00:57,510 --> 01:00:54,559

you start checking things off and that's

1667

01:00:59,750 --> 01:00:57,520

what you do you know as a ufo researcher

1668

01:01:02,230 --> 01:00:59,760

it's not my job to prove ufos are aliens

1669

01:01:04,230 --> 01:01:02,240

it's my job to prove you know that it's

1670

01:01:06,630 --> 01:01:04,240

everything but aliens until you are

1671

01:01:09,750 --> 01:01:06,640

literally left with nothing else and

1672

01:01:11,190 --> 01:01:09,760

then it's a true unexplained so um again

1673

01:01:13,510 --> 01:01:11,200

you know while some might be like all

1674

01:01:17,270 --> 01:01:13,520

right well that's it magic mesa solved

1675

01:01:19,829 --> 01:01:17,280

it's not it's not solved it's only um

1676
01:01:22,069 --> 01:01:19,839
deepening the actual mystery going on

1677
01:01:23,990 --> 01:01:22,079
there we can move on to what that life

1678
01:01:25,670 --> 01:01:24,000
phenomenon was and on to the other

1679
01:01:27,589 --> 01:01:25,680
things so

1680
01:01:30,230 --> 01:01:27,599
we're getting checking the the aspect of

1681
01:01:32,309 --> 01:01:30,240
the lights and now double checking and

1682
01:01:33,990 --> 01:01:32,319
keeping track of that road to see if

1683
01:01:35,589 --> 01:01:34,000
that explains it all because there's a

1684
01:01:37,670 --> 01:01:35,599
good point stuff coming up out of the

1685
01:01:40,150 --> 01:01:37,680
ground and the other levels of it i just

1686
01:01:41,829 --> 01:01:40,160
want to announce what we find as we find

1687
01:01:43,270 --> 01:01:41,839
it and everything so there isn't any

1688
01:01:45,829 --> 01:01:43,280

kind of like

1689

01:01:47,910 --> 01:01:45,839

deception going on or dishonesty or

1690

01:01:50,309 --> 01:01:47,920

whatever because that that truly isn't

1691

01:01:51,990 --> 01:01:50,319

what it's about for me it's about

1692

01:01:54,230 --> 01:01:52,000

uh that truth because it's only a

1693

01:01:56,230 --> 01:01:54,240

problem if you're if your ego's hung up

1694

01:01:58,230 --> 01:01:56,240

on it like because then all of a sudden

1695

01:02:00,390 --> 01:01:58,240

you're tempted to be like well

1696

01:02:02,630 --> 01:02:00,400

man you know well chrissy knows this i

1697

01:02:03,910 --> 01:02:02,640

could with the mesa just with the lights

1698

01:02:05,670 --> 01:02:03,920

itself

1699

01:02:07,990 --> 01:02:05,680

and how hard it would have been to

1700

01:02:10,309 --> 01:02:08,000

debunk i could have figured out what

1701

01:02:11,990 --> 01:02:10,319

this was and i'm not trying to toot my

1702

01:02:14,710 --> 01:02:12,000

own horn but it would i had people that

1703

01:02:16,870 --> 01:02:14,720

wanted to do a documentary series

1704

01:02:19,190 --> 01:02:16,880

and turn it into a whole tv show and

1705

01:02:21,589 --> 01:02:19,200

everything like a whole deal

1706

01:02:23,510 --> 01:02:21,599

but it was just like in the end what

1707

01:02:25,029 --> 01:02:23,520

everybody wanted to make a documentary

1708

01:02:27,510 --> 01:02:25,039

about i could have milked for a long

1709

01:02:29,750 --> 01:02:27,520

time but it's headlights it is and the

1710

01:02:31,270 --> 01:02:29,760

people that were yelling that at me even

1711

01:02:33,510 --> 01:02:31,280

though we could not figure it out for

1712

01:02:35,910 --> 01:02:33,520

two months they were right and the only

1713

01:02:38,390 --> 01:02:35,920

time that's a problem is if your ego is

1714

01:02:39,829 --> 01:02:38,400

all hurt by the truth and it just isn't

1715

01:02:42,390 --> 01:02:39,839

i want to know the truth as much as

1716

01:02:46,150 --> 01:02:42,400

anybody so i don't care like yeah that's

1717

01:02:47,750 --> 01:02:46,160

really my feelings i i truly respect

1718

01:02:49,670 --> 01:02:47,760

yeah i think it's important that we try

1719

01:02:51,349 --> 01:02:49,680

to figure out what's going on and be

1720

01:02:52,870 --> 01:02:51,359

able to check that box and be like okay

1721

01:02:55,270 --> 01:02:52,880

we solve that yeah and on to the next

1722

01:02:56,950 --> 01:02:55,280

mystery you know at the uap task force

1723

01:02:58,549 --> 01:02:56,960

that's what they were doing mainly too

1724

01:03:00,870 --> 01:02:58,559

you know i was talking to jay stratton

1725

01:03:02,950 --> 01:03:00,880

about that when i was at scu and jay

1726

01:03:04,950 --> 01:03:02,960

stratton would say you know we're we'd

1727

01:03:06,630 --> 01:03:04,960

want to know like we want to be able to

1728

01:03:08,230 --> 01:03:06,640

say like yes we can figure it out it's

1729

01:03:09,910 --> 01:03:08,240

birds yes we figured out was drones

1730

01:03:12,390 --> 01:03:09,920

because we can go to the next thing that

1731

01:03:14,870 --> 01:03:12,400

we can't figure out so it makes sense

1732

01:03:16,549 --> 01:03:14,880

and i i respect that immensely carl well

1733

01:03:18,470 --> 01:03:16,559

sometimes you know well chrissy knows

1734

01:03:20,789 --> 01:03:18,480

too sometimes i'll get like almost a

1735

01:03:22,549 --> 01:03:20,799

little bit militant like i want the

1736

01:03:24,549 --> 01:03:22,559

truth like i'll get like almost like

1737

01:03:26,870 --> 01:03:24,559

debunking like crazy

1738

01:03:28,549 --> 01:03:26,880

conspiracy i'll go down a rabbit hole

1739

01:03:31,190 --> 01:03:28,559

trying to figure it out

1740

01:03:33,829 --> 01:03:31,200

and luckily i always try to surround

1741

01:03:35,349 --> 01:03:33,839

myself with friends too that will

1742

01:03:37,270 --> 01:03:35,359

reel me in because i don't want to just

1743

01:03:39,750 --> 01:03:37,280

sit and drink the kool-aid and believe

1744

01:03:41,589 --> 01:03:39,760

it all but i also want to be open-minded

1745

01:03:43,109 --> 01:03:41,599

so that i'm not closed off because if it

1746

01:03:45,510 --> 01:03:43,119

does require

1747

01:03:47,829 --> 01:03:45,520

your consciousness to be open in order

1748

01:03:49,510 --> 01:03:47,839

to perceive certain experiences i want

1749

01:03:51,750 --> 01:03:49,520

to be able to do that too

1750

01:03:53,510 --> 01:03:51,760

so i'm trying to have all that in mind

1751
01:03:55,589 --> 01:03:53,520
and part of it is just having

1752
01:03:56,710 --> 01:03:55,599
yeah like a good team around you so that

1753
01:04:00,069 --> 01:03:56,720
people

1754
01:04:01,670 --> 01:04:00,079
keep you from getting skin walker fever

1755
01:04:04,710 --> 01:04:01,680
bring you back down when you start

1756
01:04:06,710 --> 01:04:04,720
floating up they're like no no no

1757
01:04:09,270 --> 01:04:06,720
it's a dust particle it's number orb

1758
01:04:11,589 --> 01:04:09,280
you're good right well you did mention

1759
01:04:13,589 --> 01:04:11,599
that you were speaking to brandon fogle

1760
01:04:17,430 --> 01:04:13,599
so a lot of people are going to kill me

1761
01:04:19,589 --> 01:04:17,440
if i don't ask um what is he think i

1762
01:04:22,150 --> 01:04:19,599
mean that again maybe that could

1763
01:04:24,710 --> 01:04:22,160

somewhat explain the ridge uh at

1764

01:04:26,630 --> 01:04:24,720

skinwalker ranch but maybe not but um

1765

01:04:27,990 --> 01:04:26,640

when you brought this to him what did

1766

01:04:30,549 --> 01:04:28,000

what did he have to say did he have

1767

01:04:32,230 --> 01:04:30,559

anything to add or detract from it or

1768

01:04:34,150 --> 01:04:32,240

yeah if you're willing to share again i

1769

01:04:36,549 --> 01:04:34,160

know this is a private conversation the

1770

01:04:38,710 --> 01:04:36,559

similarities are right there you know

1771

01:04:40,549 --> 01:04:38,720

the the way that it appears and and how

1772

01:04:42,789 --> 01:04:40,559

it gets captured on camera with night

1773

01:04:43,510 --> 01:04:42,799

vision it totally looks very similar and

1774

01:04:45,670 --> 01:04:43,520

so

1775

01:04:47,829 --> 01:04:45,680

it's to me is really reassuring

1776

01:04:48,789 --> 01:04:47,839

everything that i have thrown at brandon

1777

01:04:50,630 --> 01:04:48,799

fugle

1778

01:04:53,349 --> 01:04:50,640

is even like i was just saying some of

1779

01:04:55,990 --> 01:04:53,359

the hard-hitting like conspiracy stuff

1780

01:04:58,549 --> 01:04:56,000

from the previous era

1781

01:05:01,270 --> 01:04:58,559

you know spending time with chris bartel

1782

01:05:02,950 --> 01:05:01,280

and the community i've got a lot of

1783

01:05:03,670 --> 01:05:02,960

friends and people that i know up there

1784

01:05:05,109 --> 01:05:03,680

that

1785

01:05:07,829 --> 01:05:05,119

have worked around

1786

01:05:10,710 --> 01:05:07,839

the ranch and other areas that have had

1787

01:05:11,750 --> 01:05:10,720

good and bad experiences with the

1788

01:05:16,309 --> 01:05:11,760

the

1789

01:05:19,029 --> 01:05:16,319

and to me my experience communicating

1790

01:05:20,630 --> 01:05:19,039

with bran and fugal up to now has been

1791

01:05:22,549 --> 01:05:20,640

that everything that i have put in front

1792

01:05:24,470 --> 01:05:22,559

of his face being like well what about

1793

01:05:26,309 --> 01:05:24,480

this and what about that and i don't

1794

01:05:28,390 --> 01:05:26,319

want to even come and work there if it's

1795

01:05:30,470 --> 01:05:28,400

going to be like this you know if you

1796

01:05:32,870 --> 01:05:30,480

can't explain that he's just been

1797

01:05:33,990 --> 01:05:32,880

confident like he's aware of it and

1798

01:05:37,270 --> 01:05:34,000

honestly

1799

01:05:40,069 --> 01:05:37,280

a lot of i think why he's brought

1800

01:05:41,510 --> 01:05:40,079

chris bartel and james keenan and even

1801

01:05:43,990 --> 01:05:41,520

myself around

1802

01:05:46,150 --> 01:05:44,000

uh and back up there is to try and help

1803

01:05:47,430 --> 01:05:46,160

clear up a lot of that confusion from

1804

01:05:50,150 --> 01:05:47,440

the previous

1805

01:05:52,069 --> 01:05:50,160

era and a lot of the different um

1806

01:05:54,150 --> 01:05:52,079

exploratory

1807

01:05:55,829 --> 01:05:54,160

research that was going on there

1808

01:05:57,349 --> 01:05:55,839

that is still

1809

01:05:59,029 --> 01:05:57,359

a lot of people are not even allowed to

1810

01:06:01,190 --> 01:05:59,039

talk about that was going on that's

1811

01:06:03,029 --> 01:06:01,200

right that muddies a lot of the waters

1812

01:06:04,950 --> 01:06:03,039

about what's true and what's not up

1813

01:06:06,470 --> 01:06:04,960

there in the basin and around the

1814

01:06:08,309 --> 01:06:06,480

skinwalker ranch

1815

01:06:10,470 --> 01:06:08,319

and so having

1816

01:06:13,109 --> 01:06:10,480

people like us come up there

1817

01:06:15,829 --> 01:06:13,119

and go through it helps us cut through

1818

01:06:18,470 --> 01:06:15,839

that skin walker fever cut through the

1819

01:06:21,029 --> 01:06:18,480

history cut through the all the lies

1820

01:06:22,870 --> 01:06:21,039

around it and resonate the truth up to

1821

01:06:24,870 --> 01:06:22,880

the surface and so when we see things

1822

01:06:27,430 --> 01:06:24,880

like the mesa

1823

01:06:30,230 --> 01:06:27,440

and we work together to solve that it is

1824

01:06:33,029 --> 01:06:30,240

ends up being about finding the truth

1825

01:06:34,789 --> 01:06:33,039

there is that aspect of like yeah we're

1826
01:06:36,789 --> 01:06:34,799
like i have a youtube channel and he's

1827
01:06:39,109 --> 01:06:36,799
got a television show and there is like

1828
01:06:41,109 --> 01:06:39,119
a way of disseminating it out into the

1829
01:06:43,430 --> 01:06:41,119
public and you have to like keep a

1830
01:06:45,349 --> 01:06:43,440
certain amount of like views going in

1831
01:06:47,589 --> 01:06:45,359
order to pay the bills and the people

1832
01:06:50,390 --> 01:06:47,599
that work for you and stuff but it's

1833
01:06:52,230 --> 01:06:50,400
ultimately about doing that in a way

1834
01:06:54,870 --> 01:06:52,240
that brings the truth to the surface and

1835
01:06:56,950 --> 01:06:54,880
the limited time that you have

1836
01:06:59,190 --> 01:06:56,960
to put it out there to the public

1837
01:07:00,950 --> 01:06:59,200
what's going on up there in the basin

1838
01:07:03,270 --> 01:07:00,960

and the stuff that we're doing around

1839

01:07:05,430 --> 01:07:03,280

skinwalker ranch that's

1840

01:07:07,270 --> 01:07:05,440

parallel to the ranch itself is way

1841

01:07:09,270 --> 01:07:07,280

bigger than that

1842

01:07:11,430 --> 01:07:09,280

we've spent a lot of time well not a lot

1843

01:07:12,230 --> 01:07:11,440

of time we've spent time

1844

01:07:14,470 --> 01:07:12,240

with

1845

01:07:16,710 --> 01:07:14,480

some of the skinwalker ranch team

1846

01:07:19,109 --> 01:07:16,720

up going into caves

1847

01:07:22,230 --> 01:07:19,119

into

1848

01:07:25,029 --> 01:07:22,240

sinkholes aqueduct systems

1849

01:07:26,870 --> 01:07:25,039

using ground penetrating radar

1850

01:07:28,470 --> 01:07:26,880

detection equipment

1851

01:07:31,190 --> 01:07:28,480

looking for caves looking at the

1852

01:07:33,750 --> 01:07:31,200

petroglyphs and none of that's even with

1853

01:07:36,390 --> 01:07:33,760

camera crew around or anything it's just

1854

01:07:39,430 --> 01:07:36,400

by invitation to try and figure out what

1855

01:07:41,510 --> 01:07:39,440

is going on and what is happening which

1856

01:07:43,190 --> 01:07:41,520

to me gives me confidence that there is

1857

01:07:44,309 --> 01:07:43,200

there is something real and that they're

1858

01:07:46,789 --> 01:07:44,319

on to it

1859

01:07:48,549 --> 01:07:46,799

uh and you know and i was you know shown

1860

01:07:50,470 --> 01:07:48,559

a few things and had some conversations

1861

01:07:52,230 --> 01:07:50,480

that i'm not allowed to talk about

1862

01:07:54,150 --> 01:07:52,240

that also gives me confidence that

1863

01:07:57,589 --> 01:07:54,160

brandon is really trying

1864

01:07:59,670 --> 01:07:57,599

to sort through all the the bull crap of

1865

01:08:02,150 --> 01:07:59,680

like the people that have revolved

1866

01:08:04,069 --> 01:08:02,160

around the ranch in the past and get to

1867

01:08:05,670 --> 01:08:04,079

the bottom of it and and get some

1868

01:08:07,510 --> 01:08:05,680

answers for the community and people

1869

01:08:09,190 --> 01:08:07,520

that are curious

1870

01:08:10,950 --> 01:08:09,200

it's good to hear yeah

1871

01:08:13,910 --> 01:08:10,960

yeah for sure i know i mean i've talked

1872

01:08:15,829 --> 01:08:13,920

to brandon prior all three of us have on

1873

01:08:17,829 --> 01:08:15,839

different occasions and um

1874

01:08:19,590 --> 01:08:17,839

he seems very genuine that's just my gut

1875

01:08:21,910 --> 01:08:19,600

feeling like could i be wrong of course

1876

01:08:23,510 --> 01:08:21,920

i've been wrong about many ufo witnesses

1877

01:08:26,309 --> 01:08:23,520

who've come to me and i found out that

1878

01:08:27,669 --> 01:08:26,319

they were lying fabricating or had some

1879

01:08:30,309 --> 01:08:27,679

sort of mental

1880

01:08:32,229 --> 01:08:30,319

issue um and that's sad and that's just

1881

01:08:34,789 --> 01:08:32,239

part of the territory but i don't get

1882

01:08:36,390 --> 01:08:34,799

that i i don't get that and i i've been

1883

01:08:39,590 --> 01:08:36,400

kind of on this um

1884

01:08:42,229 --> 01:08:39,600

hating bigelow kick lately and um i'm

1885

01:08:45,269 --> 01:08:42,239

not that kind of person but i i get

1886

01:08:47,030 --> 01:08:45,279

frustrated at the lack of transparency

1887

01:08:49,749 --> 01:08:47,040

that occurred during the bigelow days

1888

01:08:51,990 --> 01:08:49,759

and i'm sure uh chris bartel did as well

1889

01:08:54,470 --> 01:08:52,000

and others who worked there they want

1890

01:08:56,470 --> 01:08:54,480

what they saw there or experienced or

1891

01:08:57,590 --> 01:08:56,480

the data that was collected out there

1892

01:09:00,789 --> 01:08:57,600

but

1893

01:09:03,590 --> 01:09:00,799

bigelow's not willing to do that and um

1894

01:09:05,910 --> 01:09:03,600

say what you will about a tv show but

1895

01:09:08,630 --> 01:09:05,920

brandon has brought more to the public

1896

01:09:11,669 --> 01:09:08,640

about this ranch in three seasons than

1897

01:09:13,189 --> 01:09:11,679

bigelow did his entire time there so i

1898

01:09:15,110 --> 01:09:13,199

applaud him for that yeah is it a tv

1899

01:09:17,030 --> 01:09:15,120

show yeah are some people making money

1900

01:09:18,550 --> 01:09:17,040

of course it's television like that's

1901

01:09:20,789 --> 01:09:18,560

just the way it is that doesn't mean

1902

01:09:23,110 --> 01:09:20,799

brandon's the one making money i'm sure

1903

01:09:25,669 --> 01:09:23,120

he's losing money on a lot of this stuff

1904

01:09:27,669 --> 01:09:25,679

too um you know especially with the

1905

01:09:29,749 --> 01:09:27,679

high-tech experiments they've been doing

1906

01:09:32,229 --> 01:09:29,759

so yeah yeah that's kind of my two cents

1907

01:09:33,269 --> 01:09:32,239

i want to know what bigelow experienced

1908

01:09:36,630 --> 01:09:33,279

there but

1909

01:09:38,149 --> 01:09:36,640

i really think that while bigelow

1910

01:09:40,870 --> 01:09:38,159

you know played some games with the

1911

01:09:44,149 --> 01:09:40,880

phenomenon brandon is like in the super

1912

01:09:47,110 --> 01:09:44,159

bowl like he's like focused and he's

1913

01:09:49,030 --> 01:09:47,120

ready to really discover what's going on

1914

01:09:51,110 --> 01:09:49,040

not just a skinwalker ranch but like you

1915

01:09:53,430 --> 01:09:51,120

said the surrounding areas as well

1916

01:09:55,030 --> 01:09:53,440

they're exploring further out this

1917

01:09:57,669 --> 01:09:55,040

season in their show which i thought was

1918

01:09:59,590 --> 01:09:57,679

pretty cool too so um yeah again that's

1919

01:10:00,870 --> 01:09:59,600

my two cents on skinwalker ranch i don't

1920

01:10:03,030 --> 01:10:00,880

know if you guys want to add anything

1921

01:10:04,470 --> 01:10:03,040

else to that i would just say that like

1922

01:10:06,630 --> 01:10:04,480

as a metaphor

1923

01:10:08,550 --> 01:10:06,640

and people can take this literally if

1924

01:10:11,350 --> 01:10:08,560

they want to or not but it would be the

1925

01:10:13,669 --> 01:10:11,360

difference between like one generation

1926

01:10:17,110 --> 01:10:13,679

approaching the research more

1927

01:10:18,310 --> 01:10:17,120

with like ouija boards and another

1928

01:10:21,030 --> 01:10:18,320

generation

1929

01:10:21,750 --> 01:10:21,040

approaching it with like with science

1930

01:10:25,510 --> 01:10:21,760

and

1931

01:10:28,310 --> 01:10:25,520

different right

1932

01:10:30,390 --> 01:10:28,320

uh and and one approach is telling the

1933

01:10:32,229 --> 01:10:30,400

people involved what they're doing and

1934

01:10:33,830 --> 01:10:32,239

them all being on board and wanting to

1935

01:10:35,750 --> 01:10:33,840

do it and the other one is

1936

01:10:38,229 --> 01:10:35,760

not telling anybody and using people

1937

01:10:40,149 --> 01:10:38,239

like guinea pigs which is also different

1938

01:10:42,149 --> 01:10:40,159

and so there are a lot of questions that

1939

01:10:43,189 --> 01:10:42,159

i have about previous the previous era

1940

01:10:44,950 --> 01:10:43,199

as well

1941

01:10:47,270 --> 01:10:44,960

that you know we don't have to get into

1942

01:10:49,350 --> 01:10:47,280

but it it you know it does make me

1943

01:10:51,030 --> 01:10:49,360

question the intentions of the original

1944

01:10:52,709 --> 01:10:51,040

program and what they were trying to do

1945

01:10:56,390 --> 01:10:52,719

but i do feel like what

1946

01:10:59,189 --> 01:10:56,400

what uh brandon's trying to do now is is

1947

01:11:00,950 --> 01:10:59,199

on the right track and it is surprising

1948

01:11:03,830 --> 01:11:00,960

that that travis is there and that he

1949

01:11:06,470 --> 01:11:03,840

was on the uap task force and everything

1950

01:11:08,149 --> 01:11:06,480

i have of course i just did the onion

1951

01:11:09,990 --> 01:11:08,159

i'll say

1952

01:11:11,990 --> 01:11:10,000

i can say i probably knew about two

1953

01:11:13,350 --> 01:11:12,000

weeks before everyone else on that

1954

01:11:14,950 --> 01:11:13,360

that's it

1955

01:11:16,550 --> 01:11:14,960

i only knew about two weeks ahead and i

1956

01:11:18,630 --> 01:11:16,560

probably shouldn't have

1957

01:11:21,270 --> 01:11:18,640

i have here's how it played out in my

1958

01:11:23,750 --> 01:11:21,280

head he had one too many bourbons at

1959

01:11:25,910 --> 01:11:23,760

this disclosure event you both were at

1960

01:11:28,470 --> 01:11:25,920

and he just let it out to you and

1961

01:11:30,550 --> 01:11:28,480

chrissy and then you guys just had to

1962

01:11:32,630 --> 01:11:30,560

sit on it until uh it was announced

1963

01:11:33,830 --> 01:11:32,640

right is that is that exactly what

1964

01:11:35,750 --> 01:11:33,840
happened

1965

01:11:37,430 --> 01:11:35,760
close enough i'm just you know i'm just

1966

01:11:39,510 --> 01:11:37,440
i think that the like the bigelos

1967

01:11:41,830 --> 01:11:39,520
bigelow knows so much you know he does

1968

01:11:43,590 --> 01:11:41,840
and he has so much footage even just

1969

01:11:45,270 --> 01:11:43,600
from like the path of skinwalker like

1970

01:11:47,189 --> 01:11:45,280
those if you've read the book like

1971

01:11:50,550 --> 01:11:47,199
ripping out of the telephone

1972

01:11:52,229 --> 01:11:50,560
cords up on um that they actually were

1973

01:11:54,390 --> 01:11:52,239
filming and

1974

01:11:56,070 --> 01:11:54,400
they have no idea who ripped it out or

1975

01:11:58,470 --> 01:11:56,080
what ripped it out but they have that on

1976

01:12:00,709 --> 01:11:58,480

video and he won't release that like he

1977

01:12:02,149 --> 01:12:00,719

has so much stuff and they actually did

1978

01:12:04,149 --> 01:12:02,159

a lot of

1979

01:12:05,830 --> 01:12:04,159

a massive investigation he just you know

1980

01:12:08,229 --> 01:12:05,840

bigelow just has so much of it and he

1981

01:12:09,750 --> 01:12:08,239

won't let it go and i think he you know

1982

01:12:11,350 --> 01:12:09,760

when i talk to george knapp george says

1983

01:12:13,270 --> 01:12:11,360

he probably never will because he

1984

01:12:16,070 --> 01:12:13,280

doesn't care about the general public

1985

01:12:17,830 --> 01:12:16,080

you know it's his research so that's sad

1986

01:12:19,430 --> 01:12:17,840

the only thing that i would say and i

1987

01:12:21,990 --> 01:12:19,440

talked to travis taylor about this as

1988

01:12:23,350 --> 01:12:22,000

well when i was in utah the only thing

1989

01:12:25,350 --> 01:12:23,360

i'll say is they're doing a lot of

1990

01:12:28,149 --> 01:12:25,360

research but the only criticism i have

1991

01:12:30,470 --> 01:12:28,159

is that the science is not as strong as

1992

01:12:33,189 --> 01:12:30,480

it could be for the fact that when they

1993

01:12:35,830 --> 01:12:33,199

had those llamas in the pen they had no

1994

01:12:37,910 --> 01:12:35,840

cameras on the actual pen they had them

1995

01:12:39,990 --> 01:12:37,920

from a distance so i asked travis about

1996

01:12:41,030 --> 01:12:40,000

that and i said you know it's really

1997

01:12:43,270 --> 01:12:41,040

it's challenging because if you're

1998

01:12:44,790 --> 01:12:43,280

looking to do science that's not proper

1999

01:12:46,950 --> 01:12:44,800

science because you're not having the

2000

01:12:48,950 --> 01:12:46,960

proper equipment and he agree he agreed

2001
01:12:50,310 --> 01:12:48,960
to that he said you know and i said you

2002
01:12:52,470 --> 01:12:50,320
should be putting the science team

2003
01:12:54,229 --> 01:12:52,480
involved in it not so much you know

2004
01:12:56,390 --> 01:12:54,239
prometheus the production company it

2005
01:12:58,229 --> 01:12:56,400
should be you doing it then if anything

2006
01:13:00,229 --> 01:12:58,239
i would i would keep saying that to

2007
01:13:02,149 --> 01:13:00,239
people that want to watch the show and

2008
01:13:04,630 --> 01:13:02,159
getting travis to have his own science

2009
01:13:05,990 --> 01:13:04,640
team um running it not so much the

2010
01:13:07,110 --> 01:13:06,000
production team because that's when

2011
01:13:08,870 --> 01:13:07,120
you're going to get different science

2012
01:13:10,790 --> 01:13:08,880
coming through so that's my only

2013
01:13:12,390 --> 01:13:10,800

criticism to that because

2014

01:13:13,750 --> 01:13:12,400

i think travis would agree and a lot of

2015

01:13:16,149 --> 01:13:13,760

other people would agree watching it

2016

01:13:19,350 --> 01:13:16,159

that do you know when you're doing that

2017

01:13:22,149 --> 01:13:19,360

much research you know you want the best

2018

01:13:23,270 --> 01:13:22,159

and highest quality possible right so

2019

01:13:24,709 --> 01:13:23,280

but you're right i'm glad that they're

2020

01:13:27,189 --> 01:13:24,719

actually doing something compared to

2021

01:13:29,430 --> 01:13:27,199

like bigelow not releasing anything from

2022

01:13:30,709 --> 01:13:29,440

the 90s unfortunately yeah and yes so

2023

01:13:32,070 --> 01:13:30,719

much material

2024

01:13:33,990 --> 01:13:32,080

i'll be honest with you some of the

2025

01:13:35,910 --> 01:13:34,000

stuff that i've shown that that brandon

2026

01:13:38,149 --> 01:13:35,920

and his team were doing that eric bard's

2027

01:13:40,229 --> 01:13:38,159

got going on there at skinwalker ranch

2028

01:13:41,110 --> 01:13:40,239

kind of it blew my mind it's pretty high

2029

01:13:43,669 --> 01:13:41,120

level

2030

01:13:46,390 --> 01:13:43,679

what they're doing to try and track and

2031

01:13:48,630 --> 01:13:46,400

pinpoint things down i think uh what

2032

01:13:52,229 --> 01:13:48,640

they do edit for the show

2033

01:13:55,110 --> 01:13:52,239

is just like the crust it's a thin slice

2034

01:13:57,830 --> 01:13:55,120

that has a story arc to it and like

2035

01:14:00,390 --> 01:13:57,840

honestly even the stuff that like

2036

01:14:03,590 --> 01:14:00,400

uh me and james and chris went and did

2037

01:14:05,669 --> 01:14:03,600

with half of the skinwalker team that i

2038

01:14:07,910 --> 01:14:05,679

was the only one i think that was even

2039

01:14:10,149 --> 01:14:07,920

filming anything i've been uploading on

2040

01:14:12,470 --> 01:14:10,159

my youtube channel and stuff anything

2041

01:14:13,350 --> 01:14:12,480

from that trip at all

2042

01:14:16,149 --> 01:14:13,360

and

2043

01:14:18,390 --> 01:14:16,159

it was like we did a ton for like a week

2044

01:14:21,030 --> 01:14:18,400

climbing all over that place and and it

2045

01:14:23,750 --> 01:14:21,040

was everybody was trying to find pieces

2046

01:14:25,669 --> 01:14:23,760

to the puzzle to that place to the ranch

2047

01:14:27,350 --> 01:14:25,679

and it didn't even have anything to do

2048

01:14:28,709 --> 01:14:27,360

with the show it had to do with finding

2049

01:14:31,110 --> 01:14:28,719

answers and so

2050

01:14:32,149 --> 01:14:31,120

yeah all of that is encouraging to me

2051

01:14:34,149 --> 01:14:32,159

yeah and i don't think they're going to

2052

01:14:35,750 --> 01:14:34,159

always wonder i always wonder when i get

2053

01:14:37,430 --> 01:14:35,760

brought into these places and i want to

2054

01:14:38,709 --> 01:14:37,440

make this clear

2055

01:14:41,590 --> 01:14:38,719

that like

2056

01:14:43,830 --> 01:14:41,600

i'm a very good useful idiot it's good

2057

01:14:45,030 --> 01:14:43,840

to bring somebody who has a big youtube

2058

01:14:47,830 --> 01:14:45,040

channel in

2059

01:14:50,310 --> 01:14:47,840

to be like to spot a ghost or to see a

2060

01:14:52,470 --> 01:14:50,320

ufo and to validate some location and to

2061

01:14:54,310 --> 01:14:52,480

shout it to the world you know and turn

2062

01:14:56,709 --> 01:14:54,320

around like a parrot and

2063

01:14:59,030 --> 01:14:56,719

bring everybody on my podcast and and

2064

01:14:59,830 --> 01:14:59,040

that's okay that i have that reputation

2065

01:15:02,310 --> 01:14:59,840

because

2066

01:15:03,750 --> 01:15:02,320

uh i make a lot of friends but

2067

01:15:06,229 --> 01:15:03,760

ultimately

2068

01:15:07,750 --> 01:15:06,239

uh the reputation that i want is don't

2069

01:15:10,229 --> 01:15:07,760

invite me over unless you want me to

2070

01:15:12,550 --> 01:15:10,239

find the truth and that's why what i

2071

01:15:13,990 --> 01:15:12,560

keep trying to push it at brandon's face

2072

01:15:14,870 --> 01:15:14,000

and everybody up there at skinwalker

2073

01:15:16,470 --> 01:15:14,880

ranch

2074

01:15:18,310 --> 01:15:16,480

and they just keep wanting us to come

2075

01:15:19,830 --> 01:15:18,320

back and keep working there so it's

2076

01:15:21,270 --> 01:15:19,840

encouraging to me

2077

01:15:24,709 --> 01:15:21,280

that's crazy

2078

01:15:26,470 --> 01:15:24,719

um well videos let's show one more video

2079

01:15:28,470 --> 01:15:26,480

and then guys if you have any questions

2080

01:15:30,310 --> 01:15:28,480

for carl about the mesa about his work

2081

01:15:32,229 --> 01:15:30,320

anything please throw it in the super

2082

01:15:33,910 --> 01:15:32,239

chat um he's willing to stick around for

2083

01:15:36,229 --> 01:15:33,920

a few minutes at least to answer those

2084

01:15:39,510 --> 01:15:36,239

for you uh so um yeah go ahead and put

2085

01:15:40,550 --> 01:15:39,520

those in the chat now but um you did go

2086

01:15:42,790 --> 01:15:40,560

to

2087

01:15:45,910 --> 01:15:42,800

the place the mecca for ufo people

2088

01:15:48,630 --> 01:15:45,920

besides maybe roswell area 51. you went

2089

01:15:50,870 --> 01:15:48,640

to groom lake uh i you saw your video

2090

01:15:54,550 --> 01:15:50,880

you went to the mailbox you hit all the

2091

01:15:57,669 --> 01:15:54,560

right spots man and what happens a

2092

01:15:59,910 --> 01:15:57,679

vlogger a youtuber captures ufo

2093

01:16:01,590 --> 01:15:59,920

phenomena i've gone there so many times

2094

01:16:04,630 --> 01:16:01,600

and i've never captured anything but of

2095

01:16:07,189 --> 01:16:04,640

course you got it so let's go ahead and

2096

01:16:09,910 --> 01:16:07,199

show some of the ufo video that you

2097

01:16:12,870 --> 01:16:09,920

caught over um groom lake this was

2098

01:16:16,470 --> 01:16:12,880

really interesting they're there

2099

01:16:20,070 --> 01:16:18,470

so this is in nevada guys yeah the three

2100

01:16:22,070 --> 01:16:20,080

lights yeah what is that what year was

2101
01:16:24,229 --> 01:16:22,080
this carl

2102
01:16:25,189 --> 01:16:24,239
oh geez because i went back and filmed

2103
01:16:27,270 --> 01:16:25,199
more

2104
01:16:28,709 --> 01:16:27,280
after this um

2105
01:16:30,950 --> 01:16:28,719
this was

2106
01:16:32,950 --> 01:16:30,960
i think like last october look at that

2107
01:16:33,830 --> 01:16:32,960
they're going up in the sky

2108
01:16:35,669 --> 01:16:33,840
yeah

2109
01:16:37,990 --> 01:16:35,679
this is right in the area where bob

2110
01:16:40,790 --> 01:16:38,000
lazar said that to look

2111
01:16:42,950 --> 01:16:40,800
to park and look to the south

2112
01:16:44,790 --> 01:16:42,960
what is that

2113
01:16:50,910 --> 01:16:44,800

was this on a friday i always hear the

2114

01:16:54,870 --> 01:16:53,110

[Music]

2115

01:16:58,390 --> 01:16:54,880

i think this i don't remember what night

2116

01:17:03,110 --> 01:17:00,310

yeah so i was on groomed lake road i

2117

01:17:05,510 --> 01:17:03,120

just adjusted uh filming

2118

01:17:07,510 --> 01:17:05,520

straight south over this whole valley

2119

01:17:11,030 --> 01:17:07,520

where there's just like nothing

2120

01:17:13,430 --> 01:17:11,040

ah wow oh i need to cover this light up

2121

01:17:15,590 --> 01:17:13,440

yeah and i think we have a little you

2122

01:17:17,270 --> 01:17:15,600

zoom in and do more of that sure what's

2123

01:17:20,070 --> 01:17:17,280

happening i'm gonna zoom back out so you

2124

01:17:21,669 --> 01:17:20,080

can see okay that's single zoom

2125

01:17:22,550 --> 01:17:21,679

okay now there's just a single light

2126

01:17:23,990 --> 01:17:22,560

again

2127

01:17:26,790 --> 01:17:24,000

i always try to narrate because

2128

01:17:28,149 --> 01:17:26,800

everybody criticizes like what cameron

2129

01:17:30,149 --> 01:17:28,159

what you know what

2130

01:17:31,830 --> 01:17:30,159

no yeah you did the right i'm like i'm

2131

01:17:36,070 --> 01:17:31,840

shaking sorry i'm shaking so i always

2132

01:17:40,870 --> 01:17:38,310

yeah so we get a little better look here

2133

01:17:46,470 --> 01:17:40,880

stationary oh this is weird here

2134

01:17:50,870 --> 01:17:48,950

this was before i owned night vision so

2135

01:17:52,709 --> 01:17:50,880

this was just with my cell phone and

2136

01:17:54,950 --> 01:17:52,719

then i have like a little scope that

2137

01:17:58,149 --> 01:17:54,960

attaches that like extends the field

2138

01:17:59,669 --> 01:17:58,159

like 16 times okay but with my normal

2139

01:18:01,110 --> 01:17:59,679

vision you know how it is like when you

2140

01:18:03,350 --> 01:18:01,120

try to take a picture of the moon it

2141

01:18:05,350 --> 01:18:03,360

just sucks like oh it's compared to what

2142

01:18:07,430 --> 01:18:05,360

you see with your own eyes every time

2143

01:18:09,830 --> 01:18:07,440

yeah yeah this thing looked huge in the

2144

01:18:13,030 --> 01:18:09,840

sky like like it was floating up and

2145

01:18:15,030 --> 01:18:13,040

rotating away from me

2146

01:18:18,070 --> 01:18:15,040

so i guess could you maybe give us a

2147

01:18:20,390 --> 01:18:18,080

little context carl like the setup of um

2148

01:18:22,070 --> 01:18:20,400

did you just happen to spot this as you

2149

01:18:24,149 --> 01:18:22,080

were waiting how long were you waiting

2150

01:18:26,390 --> 01:18:24,159

for something to show up i always loved

2151
01:18:28,470 --> 01:18:26,400
to hear kind of the story around the

2152
01:18:30,870 --> 01:18:28,480
video because i always get sent videos

2153
01:18:32,470 --> 01:18:30,880
and like you said um the story people

2154
01:18:34,149 --> 01:18:32,480
have to tell is extraordinary and then i

2155
01:18:36,070 --> 01:18:34,159
look at the video and i'm like it's the

2156
01:18:37,590 --> 01:18:36,080
moon it's a dot like

2157
01:18:40,390 --> 01:18:37,600
there that's why i think it's so

2158
01:18:43,189 --> 01:18:40,400
important to have witness testimony um

2159
01:18:45,590 --> 01:18:43,199
with a video so yeah maybe give us a

2160
01:18:48,470 --> 01:18:45,600
little of the backstory behind um you

2161
01:18:49,990 --> 01:18:48,480
know your your trip there and how you

2162
01:18:52,149 --> 01:18:50,000
were told and where you were told to

2163
01:18:53,910 --> 01:18:52,159

look and yeah what what you

2164

01:18:54,950 --> 01:18:53,920

thought and felt when you finally saw

2165

01:18:57,030 --> 01:18:54,960

something

2166

01:18:59,270 --> 01:18:57,040

yeah so i have a few different places

2167

01:19:01,430 --> 01:18:59,280

that i like to go just based on going

2168

01:19:02,870 --> 01:19:01,440

there and figuring out where stuff is in

2169

01:19:04,229 --> 01:19:02,880

line of sight because it's kind of hard

2170

01:19:06,229 --> 01:19:04,239

you can look on

2171

01:19:07,750 --> 01:19:06,239

like on google earth and try to plan it

2172

01:19:10,070 --> 01:19:07,760

out but until you get there you don't

2173

01:19:11,669 --> 01:19:10,080

realize like oh like i thought i could

2174

01:19:13,270 --> 01:19:11,679

park right here but it doesn't make

2175

01:19:15,350 --> 01:19:13,280

sense because there's like this big hill

2176
01:19:17,270 --> 01:19:15,360
in the way and i can't see anything

2177
01:19:19,669 --> 01:19:17,280
and so when you finally get there it

2178
01:19:20,709 --> 01:19:19,679
starts to make sense so one of the spots

2179
01:19:22,870 --> 01:19:20,719
is like

2180
01:19:25,110 --> 01:19:22,880
groom lake road on the east side of area

2181
01:19:27,110 --> 01:19:25,120
51 if you park there

2182
01:19:29,110 --> 01:19:27,120
after dark

2183
01:19:31,990 --> 01:19:29,120
and the sky is clear you can see all

2184
01:19:34,310 --> 01:19:32,000
kinds of weird stuff take off over the

2185
01:19:38,709 --> 01:19:34,320
west horizon over the mountains

2186
01:19:40,310 --> 01:19:38,719
if you see uh red lights appear on the

2187
01:19:42,070 --> 01:19:40,320
mountain range to the west that's

2188
01:19:44,229 --> 01:19:42,080

because they've got huge

2189

01:19:45,990 --> 01:19:44,239

like 50 caliber

2190

01:19:48,149 --> 01:19:46,000

thermal night vision

2191

01:19:49,669 --> 01:19:48,159

guns pointed at you

2192

01:19:51,990 --> 01:19:49,679

looking at you to see what you're doing

2193

01:19:54,790 --> 01:19:52,000

from the mountain range um but if you

2194

01:19:56,790 --> 01:19:54,800

look to the west there or to the south

2195

01:19:57,990 --> 01:19:56,800

from that road that is like a public

2196

01:19:59,430 --> 01:19:58,000

dirt road

2197

01:20:02,390 --> 01:19:59,440

i have had

2198

01:20:04,870 --> 01:20:02,400

uh area 51 security come up and point

2199

01:20:07,110 --> 01:20:04,880

their spotlights in my truck and kind of

2200

01:20:09,189 --> 01:20:07,120

bug me until i left and stuff

2201
01:20:10,550 --> 01:20:09,199
but you technically can park there and

2202
01:20:12,950 --> 01:20:10,560
look and if you so if you look to the

2203
01:20:14,070 --> 01:20:12,960
west and the south and up in the sky

2204
01:20:15,510 --> 01:20:14,080
you'll see

2205
01:20:16,950 --> 01:20:15,520
weird stuff a lot of it you have to

2206
01:20:18,390 --> 01:20:16,960
assume is you know

2207
01:20:21,189 --> 01:20:18,400
test flights

2208
01:20:23,430 --> 01:20:21,199
um so my plan was to go

2209
01:20:26,870 --> 01:20:23,440
film in the daytime because i'm you know

2210
01:20:29,030 --> 01:20:26,880
a filmmaker and so i go to groom lake

2211
01:20:31,750 --> 01:20:29,040
road and and then i go up to the black

2212
01:20:33,669 --> 01:20:31,760
mailbox and film there and look around

2213
01:20:35,110 --> 01:20:33,679

which is also a really great spot you

2214

01:20:36,550 --> 01:20:35,120

can see everything and all the way to

2215

01:20:38,229 --> 01:20:36,560

the south as well

2216

01:20:40,709 --> 01:20:38,239

but then you go up to rachel nevada

2217

01:20:42,870 --> 01:20:40,719

which is where the little alien is

2218

01:20:44,950 --> 01:20:42,880

and whenever i try to film in there i

2219

01:20:47,990 --> 01:20:44,960

get told to stop or kicked out

2220

01:20:49,910 --> 01:20:48,000

so i don't film inside just film outside

2221

01:20:51,430 --> 01:20:49,920

but there's a lot of cool stories about

2222

01:20:52,950 --> 01:20:51,440

that place too

2223

01:20:55,030 --> 01:20:52,960

now if you go

2224

01:20:57,030 --> 01:20:55,040

past on the main highway just on the

2225

01:20:59,430 --> 01:20:57,040

north side of the little alien if you go

2226

01:21:01,990 --> 01:20:59,440

past that to the west there are some

2227

01:21:05,110 --> 01:21:02,000

dirt roads where there's a north kind of

2228

01:21:07,750 --> 01:21:05,120

secret entrance into area 51 from there

2229

01:21:09,110 --> 01:21:07,760

and if you go down by the farmers

2230

01:21:11,270 --> 01:21:09,120

circles

2231

01:21:13,590 --> 01:21:11,280

on the dirt roads there

2232

01:21:16,070 --> 01:21:13,600

you can actually hear during the daytime

2233

01:21:18,390 --> 01:21:16,080

all of the top gun pilot training

2234

01:21:19,350 --> 01:21:18,400

sonic booms going off like all day you

2235

01:21:20,790 --> 01:21:19,360

can hear

2236

01:21:23,110 --> 01:21:20,800

you can't even see anything when you

2237

01:21:25,110 --> 01:21:23,120

look up in the sky you can see some i've

2238

01:21:27,110 --> 01:21:25,120

seen stealth bombers and different stuff

2239

01:21:29,189 --> 01:21:27,120

fly around

2240

01:21:31,350 --> 01:21:29,199

um but you can hear

2241

01:21:33,750 --> 01:21:31,360

all kinds of sonic booms and weird stuff

2242

01:21:35,430 --> 01:21:33,760

flying overhead that you can't even see

2243

01:21:36,709 --> 01:21:35,440

and at night there you can see a lot of

2244

01:21:38,390 --> 01:21:36,719

stuff too

2245

01:21:39,830 --> 01:21:38,400

so that was my whole plan was time to do

2246

01:21:40,870 --> 01:21:39,840

that whole loop

2247

01:21:43,030 --> 01:21:40,880

um

2248

01:21:45,430 --> 01:21:43,040

so the later when i've gone back i

2249

01:21:48,390 --> 01:21:45,440

filmed a lot of weird stuff in that spot

2250

01:21:51,270 --> 01:21:48,400

up west and north of area 51.

2251

01:21:53,030 --> 01:21:51,280

but this particular video i had gone up

2252

01:21:55,110 --> 01:21:53,040

to the little alien

2253

01:21:57,270 --> 01:21:55,120

and was headed back i'd stopped at the

2254

01:21:59,350 --> 01:21:57,280

black mailbox and not really seen

2255

01:22:01,270 --> 01:21:59,360

anything other than just satellites and

2256

01:22:03,590 --> 01:22:01,280

small stuff in the sky

2257

01:22:04,950 --> 01:22:03,600

and then i decided to park

2258

01:22:12,390 --> 01:22:04,960

at the

2259

01:22:13,590 --> 01:22:12,400

and the lights appeared and i hurried

2260

01:22:16,070 --> 01:22:13,600

and got my

2261

01:22:17,990 --> 01:22:16,080

the scope on my phone ready and uh and

2262

01:22:21,110 --> 01:22:18,000

then it like appeared again and i got it

2263

01:22:23,510 --> 01:22:21,120

again now they do do a lot of

2264

01:22:25,189 --> 01:22:23,520

bomber testing and test flight runs even

2265

01:22:29,350 --> 01:22:25,199

when the weather's bad they'll do like

2266

01:22:31,669 --> 01:22:29,360

ac130 and like uh warthog ground

2267

01:22:33,750 --> 01:22:31,679

uh targeting stuff so it could be some

2268

01:22:35,669 --> 01:22:33,760

kind of like ground

2269

01:22:37,910 --> 01:22:35,679

flare system that they were doing

2270

01:22:40,950 --> 01:22:37,920

targeting on i don't know but from my

2271

01:22:44,070 --> 01:22:40,960

perspective it looked like a huge

2272

01:22:45,830 --> 01:22:44,080

sideways craft that was rolling away

2273

01:22:48,629 --> 01:22:45,840

from me like a

2274

01:22:49,910 --> 01:22:48,639

like a disc that was going up in the sky

2275

01:22:53,990 --> 01:22:49,920

i don't know

2276

01:22:56,149 --> 01:22:54,000

that's what you're saying

2277

01:22:57,990 --> 01:22:56,159

any noise did he hear anything

2278

01:22:59,830 --> 01:22:58,000

no the wind was that was the other thing

2279

01:23:01,189 --> 01:22:59,840

is the wind was blowing like pretty hard

2280

01:23:02,629 --> 01:23:01,199

and so i didn't even get out of the

2281

01:23:03,750 --> 01:23:02,639

truck because i was filming through the

2282

01:23:07,910 --> 01:23:03,760

windshield

2283

01:23:10,149 --> 01:23:07,920

so now i couldn't hear anything it was

2284

01:23:12,149 --> 01:23:10,159

just the wind blowing

2285

01:23:15,189 --> 01:23:12,159

i had a similar experience down groom

2286

01:23:17,430 --> 01:23:15,199

lake when i went to area 51 too uh i was

2287

01:23:19,830 --> 01:23:17,440

yeah and well not in not inciting but

2288

01:23:21,590 --> 01:23:19,840

with the camos coming out and i think

2289

01:23:23,910 --> 01:23:21,600

that there's a sensor in the road so

2290

01:23:25,830 --> 01:23:23,920

what we realized was when we turned down

2291

01:23:27,110 --> 01:23:25,840

groom like there's that little mountain

2292

01:23:29,270 --> 01:23:27,120

in the distance you know what i'm

2293

01:23:30,550 --> 01:23:29,280

talking about carl and they set up there

2294

01:23:33,189 --> 01:23:30,560

with their truck

2295

01:23:35,270 --> 01:23:33,199

and once they once we turned right on

2296

01:23:36,950 --> 01:23:35,280

the road in the middle of the night like

2297

01:23:38,470 --> 01:23:36,960

well it was going to it was around like

2298

01:23:40,550 --> 01:23:38,480

6 00 p.m so it was

2299

01:23:42,790 --> 01:23:40,560

the sun was going down and so they put

2300

01:23:44,470 --> 01:23:42,800

their spotlight right on us and followed

2301

01:23:47,990 --> 01:23:44,480

us it's about 10 minutes to get to that

2302

01:23:49,750 --> 01:23:48,000

back gate at least and when they watched

2303

01:23:52,229 --> 01:23:49,760

us get closer they came off their little

2304

01:23:54,229 --> 01:23:52,239

hill and then were driving towards us so

2305

01:23:56,310 --> 01:23:54,239

we ran out and took some photos but yeah

2306

01:23:58,470 --> 01:23:56,320

we watched the camos come at us as well

2307

01:23:59,750 --> 01:23:58,480

so there i think that there's a sensor

2308

01:24:02,149 --> 01:23:59,760

in the ground

2309

01:24:04,550 --> 01:24:02,159

yeah definitely they have ground sensors

2310

01:24:07,830 --> 01:24:04,560

i've been out in the middle of uh

2311

01:24:10,550 --> 01:24:07,840

dry lake beds out there that are like 45

2312

01:24:12,310 --> 01:24:10,560

minutes away from area 51 in the middle

2313

01:24:14,390 --> 01:24:12,320

of nowhere and

2314

01:24:15,910 --> 01:24:14,400

there's like runway tracks from

2315

01:24:18,070 --> 01:24:15,920

airplanes and you don't know if it's

2316

01:24:20,470 --> 01:24:18,080

like drug cartels outside of vegas

2317

01:24:22,870 --> 01:24:20,480

dropping stuff you know possibly right

2318

01:24:25,350 --> 01:24:22,880

there is like big landing gear tracks

2319

01:24:26,629 --> 01:24:25,360

like from heavy planes landing and stuff

2320

01:24:28,709 --> 01:24:26,639

and i found

2321

01:24:30,790 --> 01:24:28,719

hatches and pipes that are locked with

2322

01:24:33,350 --> 01:24:30,800

solar panels on them like there's

2323

01:24:35,830 --> 01:24:33,360

underground entrances honestly when you

2324

01:24:37,669 --> 01:24:35,840

look like area 51

2325

01:24:38,550 --> 01:24:37,679

and just that

2326

01:24:41,430 --> 01:24:38,560

whole

2327

01:24:44,390 --> 01:24:41,440

base all the way to nellis to

2328

01:24:49,189 --> 01:24:44,400

indian springs all the way up to dugway

2329

01:24:52,229 --> 01:24:49,199

in in utah is all one huge system like

2330

01:24:53,030 --> 01:24:52,239

almost the whole state of nevada really

2331

01:24:54,470 --> 01:24:53,040

is

2332

01:24:57,270 --> 01:24:54,480

a base

2333

01:24:59,430 --> 01:24:57,280

and all the way up into part of utah and

2334

01:25:01,990 --> 01:24:59,440

the whole northern part of nevada is

2335

01:25:04,390 --> 01:25:02,000

just bombing ranges where they do

2336

01:25:06,709 --> 01:25:04,400

airplane bombing runs and stuff and

2337

01:25:09,030 --> 01:25:06,719

different flight tests and everything so

2338

01:25:09,750 --> 01:25:09,040

yeah the whole state is that's what it

2339

01:25:12,709 --> 01:25:09,760

is

2340

01:25:13,910 --> 01:25:12,719

crazy well i um i i got a quick story

2341

01:25:16,310 --> 01:25:13,920

for you guys i don't know if i've

2342

01:25:18,950 --> 01:25:16,320

actually ever shared this on the podcast

2343

01:25:21,830 --> 01:25:18,960

um so yeah i did a tv show where we went

2344

01:25:23,990 --> 01:25:21,840

to the gates of area 51 and you guys

2345

01:25:26,390 --> 01:25:24,000

know with television like things get

2346

01:25:27,590 --> 01:25:26,400

edited out that you wish didn't and this

2347

01:25:29,510 --> 01:25:27,600

was actually

2348

01:25:31,750 --> 01:25:29,520

one of those things that didn't make it

2349

01:25:33,750 --> 01:25:31,760

on air that um i was like how could you

2350

01:25:36,550 --> 01:25:33,760

not have put that in the show but again

2351

01:25:39,350 --> 01:25:36,560

i'm not an editor so it's not my job um

2352

01:25:41,750 --> 01:25:39,360

but i was with um a paranormal

2353

01:25:43,990 --> 01:25:41,760

investigator tracy austin and my

2354

01:25:46,229 --> 01:25:44,000

investigative partner jennifer marshall

2355

01:25:49,830 --> 01:25:46,239

and we're in our car heading towards the

2356

01:25:51,430 --> 01:25:49,840

gate and like you guys said um they they

2357

01:25:53,750 --> 01:25:51,440

have things in the ground they are

2358

01:25:56,070 --> 01:25:53,760

listening to you they are monitoring you

2359

01:25:58,310 --> 01:25:56,080

they can see you from miles and miles

2360

01:26:01,189 --> 01:25:58,320

away so i think we are about

2361

01:26:03,350 --> 01:26:01,199

i'm gonna say a good three four mile

2362

01:26:05,430 --> 01:26:03,360

still from the gate the back gate i

2363

01:26:06,870 --> 01:26:05,440

believe it was and um

2364

01:26:09,510 --> 01:26:06,880

we're driving

2365

01:26:12,390 --> 01:26:09,520

and we had walkie talk was it walkie

2366

01:26:14,470 --> 01:26:12,400

talkies yeah we had walkie talkies where

2367

01:26:16,790 --> 01:26:14,480

we had our crew behind us in a van you

2368

01:26:18,310 --> 01:26:16,800

know the camera guys and all that and

2369

01:26:20,229 --> 01:26:18,320

they're telling us like okay you guys

2370

01:26:22,790 --> 01:26:20,239

are getting a little closer like when we

2371

01:26:23,669 --> 01:26:22,800

get this far pull over we'll set up blah

2372

01:26:26,310 --> 01:26:23,679

blah blah

2373

01:26:27,830 --> 01:26:26,320

um so as we're driving

2374

01:26:31,110 --> 01:26:27,840

all of a sudden

2375

01:26:32,790 --> 01:26:31,120

all of the walkie-talkies go dead like

2376

01:26:35,110 --> 01:26:32,800

just completely dead they stopped

2377

01:26:37,669 --> 01:26:35,120

working we can't communicate so we're

2378

01:26:40,310 --> 01:26:37,679

like look i'm driving was i driving

2379

01:26:41,590 --> 01:26:40,320

no jennifer was driving and we all look

2380

01:26:44,470 --> 01:26:41,600

back and we're like what do we do and

2381

01:26:46,070 --> 01:26:44,480

they're like keep going keep going um

2382

01:26:47,030 --> 01:26:46,080

all the walkies go dead and then

2383

01:26:48,390 --> 01:26:47,040

jennifer

2384

01:26:50,629 --> 01:26:48,400

for some reason she's like i'm gonna

2385

01:26:52,950 --> 01:26:50,639

turn the radio on and see like if any

2386

01:26:54,950 --> 01:26:52,960

there's any interference so she turns

2387

01:26:57,270 --> 01:26:54,960

the radio on to the am

2388

01:26:59,510 --> 01:26:57,280

and i'm not kidding you out of nowhere

2389

01:27:02,709 --> 01:26:59,520

it's just this voice

2390

01:27:05,990 --> 01:27:02,719

and it's saying it's reading our license

2391

01:27:06,990 --> 01:27:06,000

plate back to us over the radio yeah so

2392

01:27:09,669 --> 01:27:07,000

it's like

2393

01:27:12,790 --> 01:27:09,679

g4h23 coming up on the east gate or

2394

01:27:13,750 --> 01:27:12,800

whatever southgate um two miles out and

2395

01:27:15,590 --> 01:27:13,760

we're like

2396

01:27:17,990 --> 01:27:15,600

well that's not our crew that's not our

2397

01:27:20,229 --> 01:27:18,000

director they're not messing with us it

2398

01:27:21,510 --> 01:27:20,239

was literally what i believe was base

2399

01:27:24,470 --> 01:27:21,520

security

2400

01:27:26,470 --> 01:27:24,480

somehow got onto our radio and was

2401

01:27:28,629 --> 01:27:26,480

reading our license plate back to us and

2402

01:27:31,830 --> 01:27:28,639

i took it as a message like we know

2403

01:27:33,669 --> 01:27:31,840

you're here we know you're coming and uh

2404

01:27:35,750 --> 01:27:33,679

like you guys said it might have just

2405

01:27:37,750 --> 01:27:35,760

been like camo dudes messing with us

2406

01:27:39,910 --> 01:27:37,760

what else are they gonna do for like a

2407

01:27:42,149 --> 01:27:39,920

12-hour shift they love messing with

2408

01:27:44,629 --> 01:27:42,159

these people they talk yeah

2409

01:27:46,790 --> 01:27:44,639

and i was so scared i like turned as

2410

01:27:49,189 --> 01:27:46,800

white as a ghost i'm like shaking

2411

01:27:50,709 --> 01:27:49,199

jennifer for me navy vet is like ryan

2412

01:27:52,709 --> 01:27:50,719

condom calm down

2413

01:27:55,189 --> 01:27:52,719

and it was just like i'm like how did

2414

01:27:57,189 --> 01:27:55,199

that not make it into the show but um

2415

01:27:58,390 --> 01:27:57,199

that was my experience towards the gate

2416

01:28:00,870 --> 01:27:58,400

was uh

2417

01:28:02,790 --> 01:28:00,880

possibly base security

2418

01:28:04,310 --> 01:28:02,800

reading my license plate back to me and

2419

01:28:05,510 --> 01:28:04,320

that was enough for me to be like okay

2420

01:28:06,709 --> 01:28:05,520

all right that's as close as we're

2421

01:28:08,149 --> 01:28:06,719

getting that's close

2422

01:28:09,990 --> 01:28:08,159

seriously

2423

01:28:11,910 --> 01:28:10,000

somebody in there is like they know your

2424

01:28:14,550 --> 01:28:11,920

name and they're like he was born on

2425

01:28:16,390 --> 01:28:14,560

this day yes oh he's a leo happy

2426

01:28:17,510 --> 01:28:16,400

birthday i think let's send them a

2427

01:28:19,910 --> 01:28:17,520

message

2428

01:28:21,830 --> 01:28:19,920

let's read back his browser history from

2429

01:28:25,590 --> 01:28:21,840

last week oh god please no that's the

2430

01:28:30,470 --> 01:28:27,510

oh man well that was that was such a

2431

01:28:32,870 --> 01:28:30,480

cool video carl again like very few

2432

01:28:34,870 --> 01:28:32,880

actually go to area 51 and see

2433

01:28:36,950 --> 01:28:34,880

something anomalous like you said there

2434

01:28:38,149 --> 01:28:36,960

are test flights all the time could this

2435

01:28:39,910 --> 01:28:38,159

have been something like that yeah of

2436

01:28:42,550 --> 01:28:39,920

course of course but it was pretty

2437

01:28:44,229 --> 01:28:42,560

interesting i'm not going to lie um so

2438

01:28:46,149 --> 01:28:44,239

what do you think do you think it was

2439

01:28:48,070 --> 01:28:46,159

top secret tech was this

2440

01:28:50,390 --> 01:28:48,080

or that was this the reverse engineer

2441

01:28:53,030 --> 01:28:50,400

craft lazar talked about like what do

2442

01:28:54,470 --> 01:28:53,040

you think it was even uh i'm of the

2443

01:28:57,110 --> 01:28:54,480

mindset

2444

01:29:01,189 --> 01:28:57,120

and that even if it is some kind of a

2445

01:29:03,590 --> 01:29:01,199

ground targeting flare system it is a

2446

01:29:04,550 --> 01:29:03,600

secret unknown ground targeting flare

2447

01:29:08,310 --> 01:29:04,560

system

2448

01:29:11,669 --> 01:29:08,320

so it is still some unknown uh secret

2449

01:29:14,550 --> 01:29:11,679

uh system that they have but what i

2450

01:29:18,390 --> 01:29:14,560

saw and how it was moving from

2451

01:29:20,950 --> 01:29:18,400

what looked like uh low in the valley up

2452

01:29:24,390 --> 01:29:20,960

in the sky and the size of it

2453

01:29:27,430 --> 01:29:24,400

how it was moving up um and not affected

2454

01:29:29,990 --> 01:29:27,440

by the high winds and the shifting winds

2455

01:29:32,550 --> 01:29:30,000

the whole thing to me was really strange

2456

01:29:34,790 --> 01:29:32,560

you know i'm skeptical open-minded to it

2457

01:29:36,950 --> 01:29:34,800

just being flares i know that they just

2458

01:29:39,189 --> 01:29:36,960

do testing stuff so you know obviously

2459

01:29:41,350 --> 01:29:39,199

it could have just been testing it could

2460

01:29:44,229 --> 01:29:41,360

be some kind of projection equipment i

2461

01:29:46,470 --> 01:29:44,239

don't know but to me it looked like a it

2462

01:29:49,750 --> 01:29:46,480

was like a classic

2463

01:29:50,830 --> 01:29:49,760

sighting you know like seeing some big

2464

01:29:52,550 --> 01:29:50,840

sort of

2465

01:29:54,790 --> 01:29:52,560

weird

2466

01:29:57,750 --> 01:29:54,800

inverted saucer shaped thing sort of

2467

01:30:00,629 --> 01:29:57,760

glowing and rotating away from me and

2468

01:30:03,030 --> 01:30:00,639

i walked into the little alien and

2469

01:30:05,910 --> 01:30:03,040

looked at pictures on the wall of

2470

01:30:08,950 --> 01:30:05,920

glowing looking ufo craft that looked

2471

01:30:10,870 --> 01:30:08,960

very similar but you know i've also had

2472

01:30:12,550 --> 01:30:10,880

you know friends and heard reports and

2473

01:30:13,990 --> 01:30:12,560

stuff that say if we knew what was

2474

01:30:16,149 --> 01:30:14,000

actually flying around and what we were

2475

01:30:17,750 --> 01:30:16,159

testing out there it would answer a lot

2476

01:30:19,030 --> 01:30:17,760

of our questions so i think it's kind of

2477

01:30:20,629 --> 01:30:19,040

a mixed bag

2478

01:30:23,270 --> 01:30:20,639

i'm of the belief that there's a mixed

2479

01:30:24,070 --> 01:30:23,280

bag between actual phenomena

2480

01:30:25,990 --> 01:30:24,080

other

2481

01:30:27,990 --> 01:30:26,000

entities and craft whether it be time

2482

01:30:30,629 --> 01:30:28,000

travel stuff or from

2483

01:30:31,350 --> 01:30:30,639

advanced entities from another dimension

2484

01:30:34,790 --> 01:30:31,360

or

2485

01:30:36,950 --> 01:30:34,800

whatever

2486

01:30:39,030 --> 01:30:36,960

i don't know um

2487

01:30:41,189 --> 01:30:39,040

but i'm open-minded to all of it even

2488

01:30:43,350 --> 01:30:41,199

our connection with it and what

2489

01:30:45,830 --> 01:30:43,360

has to do with us and and our

2490

01:30:48,229 --> 01:30:45,840

perceptions of reality and how they can

2491

01:30:51,030 --> 01:30:48,239

seem to mess with that too yeah

2492

01:30:53,669 --> 01:30:51,040

absolutely um well on a personal level

2493

01:30:55,830 --> 01:30:53,679

what do you think of lazar do you buy

2494

01:30:58,149 --> 01:30:55,840

into this guy's story i mean it changes

2495

01:31:00,790 --> 01:30:58,159

for me every day it's the most bipolar

2496

01:31:02,790 --> 01:31:00,800

thing in this entire ufo topic

2497

01:31:04,629 --> 01:31:02,800

um yeah what do you think brilliant do

2498

01:31:06,709 --> 01:31:04,639

you have any personal opinions on him or

2499

01:31:08,950 --> 01:31:06,719

what he's brought forward or what george

2500

01:31:11,189 --> 01:31:08,960

knapp has brought forward jeremy corbell

2501

01:31:12,870 --> 01:31:11,199

um yeah what what are your honest

2502

01:31:14,830 --> 01:31:12,880

thoughts and opinions on bob lazar if

2503

01:31:16,550 --> 01:31:14,840

you're willing to share put you on the

2504

01:31:19,590 --> 01:31:16,560

spot

2505

01:31:22,070 --> 01:31:19,600

i don't know bob um i think

2506

01:31:24,390 --> 01:31:22,080

i think a lot of what he has

2507

01:31:26,149 --> 01:31:24,400

done and what i think the team is doing

2508

01:31:27,830 --> 01:31:26,159

what they're doing is compelling and

2509

01:31:29,350 --> 01:31:27,840

really interesting and has opened a lot

2510

01:31:30,790 --> 01:31:29,360

of people's minds

2511

01:31:32,629 --> 01:31:30,800

around the possibilities and the

2512

01:31:34,709 --> 01:31:32,639

questions but i really don't know if

2513

01:31:36,709 --> 01:31:34,719

it's valid or not i have just as many

2514

01:31:38,390 --> 01:31:36,719

skeptical questions around some of the

2515

01:31:41,189 --> 01:31:38,400

programs and the

2516

01:31:43,669 --> 01:31:41,199

the characters and people involved like

2517

01:31:46,070 --> 01:31:43,679

why is it that a lot of these people who

2518

01:31:47,350 --> 01:31:46,080

are so interested in this topic at a

2519

01:31:48,229 --> 01:31:47,360

high level

2520

01:31:50,149 --> 01:31:48,239

from

2521

01:31:52,470 --> 01:31:50,159

you know revolving around skinwalker

2522

01:31:54,709 --> 01:31:52,480

ranch the bigelow era

2523

01:31:57,750 --> 01:31:54,719

uh

2524

01:31:59,510 --> 01:31:57,760

yeah all that group lazar everybody kind

2525

01:32:01,750 --> 01:31:59,520

of the whole when you connect all the

2526

01:32:03,110 --> 01:32:01,760

dots a lot of the big players why were

2527

01:32:05,189 --> 01:32:03,120

they

2528

01:32:07,669 --> 01:32:05,199

really in the early days like laser

2529

01:32:09,510 --> 01:32:07,679

satellite physicists they were building

2530

01:32:12,310 --> 01:32:09,520

laser communication systems and

2531

01:32:14,950 --> 01:32:12,320

satellite systems and stuff and bigelow

2532

01:32:17,270 --> 01:32:14,960

owns a satellite company and almost like

2533

01:32:18,470 --> 01:32:17,280

so i'm always like skeptical too like

2534

01:32:20,470 --> 01:32:18,480

are they

2535

01:32:22,310 --> 01:32:20,480

trying to use that because they're

2536

01:32:24,629 --> 01:32:22,320

they're the same people that started the

2537

01:32:26,709 --> 01:32:24,639

stanford research institute programs for

2538

01:32:28,709 --> 01:32:26,719

remote viewing and telepathy to spy on

2539

01:32:31,750 --> 01:32:28,719

the russians so are they trying to

2540

01:32:33,510 --> 01:32:31,760

amplify human consciousness with

2541

01:32:35,990 --> 01:32:33,520

lasers and satellites or are they trying

2542

01:32:37,910 --> 01:32:36,000

to read people's minds is there some

2543

01:32:39,750 --> 01:32:37,920

other layer to this they don't want us

2544

01:32:41,990 --> 01:32:39,760

to know and that's why the bigelow era

2545

01:32:42,950 --> 01:32:42,000

has been sealed all this time

2546

01:32:47,030 --> 01:32:42,960

so

2547

01:32:49,510 --> 01:32:47,040

that involvement like bob lazar and

2548

01:32:52,390 --> 01:32:49,520

and how that all came out and some of

2549

01:32:56,310 --> 01:32:52,400

that is still really questionable to me

2550

01:32:59,110 --> 01:32:56,320

and so i don't know but uh

2551

01:33:01,110 --> 01:32:59,120

i don't know i would say stay skeptical

2552

01:33:03,110 --> 01:33:01,120

and open-minded and everything and just

2553

01:33:04,070 --> 01:33:03,120

do this is why i'm so compelled to do my

2554

01:33:06,470 --> 01:33:04,080

own work

2555

01:33:08,310 --> 01:33:06,480

a lot to go out and look for myself

2556

01:33:10,470 --> 01:33:08,320

to meet people for myself to keep an

2557

01:33:12,390 --> 01:33:10,480

open mind i'll get hyped about stuff

2558

01:33:14,790 --> 01:33:12,400

sometimes but then when you dig into it

2559

01:33:16,870 --> 01:33:14,800

you're like ah man it's not it's not

2560

01:33:18,149 --> 01:33:16,880

real and you get mad you know yeah

2561

01:33:19,750 --> 01:33:18,159

that's the name of the game and you

2562

01:33:21,110 --> 01:33:19,760

gotta buckle up if you're gonna get into

2563

01:33:23,510 --> 01:33:21,120

this kind of work it's kind of like that

2564

01:33:25,510 --> 01:33:23,520

but i don't know i think bob lazar is

2565

01:33:27,910 --> 01:33:25,520

very interesting

2566

01:33:29,830 --> 01:33:27,920

but i right now i have too many weird

2567

01:33:31,910 --> 01:33:29,840

questions about

2568

01:33:33,590 --> 01:33:31,920

some of the some of it some of the story

2569

01:33:35,430 --> 01:33:33,600

and the character attributes around the

2570

01:33:37,669 --> 01:33:35,440

integrity of it all

2571

01:33:39,030 --> 01:33:37,679

absolutely yeah i think again it'll be

2572

01:33:41,270 --> 01:33:39,040

it's part of

2573

01:33:43,350 --> 01:33:41,280

uh the mythology now and that's kind of

2574

01:33:45,510 --> 01:33:43,360

where i think it stands same one things

2575

01:33:47,189 --> 01:33:45,520

like roswell and like will we ever truly

2576

01:33:49,110 --> 01:33:47,199

know if lazar was telling the truth i

2577

01:33:51,669 --> 01:33:49,120

don't know uh what crashing rajo i don't

2578

01:33:53,990 --> 01:33:51,679

know but um it's a part of the history

2579

01:33:56,950 --> 01:33:54,000

and you can't deny that and it's shaped

2580

01:33:59,110 --> 01:33:56,960

and molded what ufology has become today

2581

01:34:01,110 --> 01:33:59,120

whether we like it or not so

2582

01:34:03,510 --> 01:34:01,120

yeah it is what it is but i think what

2583

01:34:05,510 --> 01:34:03,520

you said i don't know is probably the

2584

01:34:07,510 --> 01:34:05,520

best answer anyone could give when it

2585

01:34:09,430 --> 01:34:07,520

comes to all of this

2586

01:34:12,070 --> 01:34:09,440

anyone who pretends to have the answers

2587

01:34:13,110 --> 01:34:12,080

that's who i say run away as fast as you

2588

01:34:14,629 --> 01:34:13,120

can

2589

01:34:17,430 --> 01:34:14,639

because

2590

01:34:19,750 --> 01:34:17,440

anyone who has the ego to say they know

2591

01:34:22,229 --> 01:34:19,760

the answers to this is not somebody i

2592

01:34:24,470 --> 01:34:22,239

personally would want to work with or be

2593

01:34:26,470 --> 01:34:24,480

involved with because i don't think

2594

01:34:28,390 --> 01:34:26,480

we're ever truly going to know what

2595

01:34:30,390 --> 01:34:28,400

happened you know at the mesa what's

2596

01:34:33,030 --> 01:34:30,400

happening on skinwalker ranch what

2597

01:34:35,189 --> 01:34:33,040

crashed in roswell um i think these

2598

01:34:37,030 --> 01:34:35,199

things are part of the journey and it's

2599

01:34:39,830 --> 01:34:37,040

what makes life interesting and makes

2600

01:34:41,189 --> 01:34:39,840

these pursuits we the three of us do uh

2601

01:34:43,030 --> 01:34:41,199

in my opinion

2602

01:34:44,149 --> 01:34:43,040

worth it i i don't think i want the

2603

01:34:46,470 --> 01:34:44,159

answers they're either going to be

2604

01:34:49,109 --> 01:34:46,480

depressing they're going to be too scary

2605

01:34:51,109 --> 01:34:49,119

or somewhere in between but um yeah i

2606

01:34:52,950 --> 01:34:51,119

love that's why i look like i met you

2607

01:34:55,430 --> 01:34:52,960

two who become really good friends

2608

01:34:57,189 --> 01:34:55,440

through just these topics and that's

2609

01:34:58,310 --> 01:34:57,199

enough for me personally that's enough

2610

01:35:00,790 --> 01:34:58,320

for me

2611

01:35:02,629 --> 01:35:00,800

yeah and i think if we when we decide or

2612

01:35:04,390 --> 01:35:02,639

at some point we maybe figure it

2613

01:35:06,790 --> 01:35:04,400

something that we're never even gonna

2614

01:35:08,390 --> 01:35:06,800

know or thought of before i really do

2615

01:35:11,109 --> 01:35:08,400

feel that you know it's

2616

01:35:12,390 --> 01:35:11,119

we only know what we know and it you

2617

01:35:14,229 --> 01:35:12,400

know and

2618

01:35:15,910 --> 01:35:14,239

and that's the thing you know we start

2619

01:35:18,470 --> 01:35:15,920

hopefully potentially getting smarter as

2620

01:35:19,990 --> 01:35:18,480

we grow and evolve as a species but i

2621

01:35:21,510 --> 01:35:20,000

think it's going to take a really long

2622

01:35:23,830 --> 01:35:21,520

time and i don't think i'm going to be

2623

01:35:25,750 --> 01:35:23,840

alive for the time we figure it out but

2624

01:35:27,510 --> 01:35:25,760

it doesn't mean that generations to come

2625

01:35:29,910 --> 01:35:27,520

won't listen to other podcasts or

2626
01:35:31,750 --> 01:35:29,920
everybody's work and say hey and there's

2627
01:35:33,750 --> 01:35:31,760
so much more of it than there's ever

2628
01:35:35,990 --> 01:35:33,760
been from around the world and people

2629
01:35:37,590 --> 01:35:36,000
interconnecting and solving mysteries

2630
01:35:40,070 --> 01:35:37,600
together and creating relationships and

2631
01:35:41,510 --> 01:35:40,080
friendships so i agree that's just as

2632
01:35:43,350 --> 01:35:41,520
important as it is to solving the

2633
01:35:45,270 --> 01:35:43,360
mystery but i think that the work that

2634
01:35:47,030 --> 01:35:45,280
everybody's doing now collectively and

2635
01:35:49,430 --> 01:35:47,040
putting it on youtube or just sharing it

2636
01:35:51,270 --> 01:35:49,440
writing books podcasts like can you

2637
01:35:53,350 --> 01:35:51,280
imagine if that was done 75 years ago

2638
01:35:59,990 --> 01:35:53,360

where we'd be it'd be unbelievable i

2639

01:36:03,109 --> 01:36:01,750

so this is like a whole new generation

2640

01:36:04,950 --> 01:36:03,119

that's just giving research which i

2641

01:36:06,790 --> 01:36:04,960

think is lovely because then when we're

2642

01:36:08,629 --> 01:36:06,800

passed they're going to look at it and

2643

01:36:10,390 --> 01:36:08,639

be like well we had this base to start

2644

01:36:12,390 --> 01:36:10,400

from and even more and now look at the

2645

01:36:13,590 --> 01:36:12,400

type of technology we have to use this

2646

01:36:14,709 --> 01:36:13,600

you know it's not just night vision

2647

01:36:16,149 --> 01:36:14,719

anymore

2648

01:36:18,229 --> 01:36:16,159

so

2649

01:36:20,229 --> 01:36:18,239

and like we've been talking about people

2650

01:36:23,030 --> 01:36:20,239

have to i think if they really want

2651
01:36:25,430 --> 01:36:23,040
disclosure they can't be picky about it

2652
01:36:27,669 --> 01:36:25,440
they have to be willing to also swallow

2653
01:36:29,270 --> 01:36:27,679
the jagged pills along with the ones

2654
01:36:31,750 --> 01:36:29,280
that they're hoping for because

2655
01:36:32,950 --> 01:36:31,760
everybody you know at a certain aspect

2656
01:36:35,270 --> 01:36:32,960
is hoping

2657
01:36:37,189 --> 01:36:35,280
with a bias that like

2658
01:36:39,750 --> 01:36:37,199
what will come out what will be found

2659
01:36:41,669 --> 01:36:39,760
what will get disclosed or revealed will

2660
01:36:42,950 --> 01:36:41,679
fit in line with what they think and

2661
01:36:45,350 --> 01:36:42,960
what they're hoping and that it will be

2662
01:36:46,629 --> 01:36:45,360
good for everybody you know in a way

2663
01:36:48,390 --> 01:36:46,639

um but

2664

01:36:49,350 --> 01:36:48,400

ultimately some of the answers are going

2665

01:36:52,310 --> 01:36:49,360

to be

2666

01:36:54,470 --> 01:36:52,320

uh maybe like you can't dig on the ranch

2667

01:36:56,070 --> 01:36:54,480

because an old lady owns the mineral

2668

01:36:58,709 --> 01:36:56,080

rights there and so you can't go below

2669

01:37:00,950 --> 01:36:58,719

in 20 feet well that's a bummer that's

2670

01:37:03,590 --> 01:37:00,960

not because of like skinwalker

2671

01:37:06,310 --> 01:37:03,600

hitchhiker phenomena it's some other

2672

01:37:07,430 --> 01:37:06,320

very mundane answer and some of those

2673

01:37:09,510 --> 01:37:07,440

are going to be

2674

01:37:12,229 --> 01:37:09,520

things like that maybe in the bigelow

2675

01:37:15,270 --> 01:37:12,239

files that are a huge letdown but in

2676

01:37:17,189 --> 01:37:15,280

there if you if we look deep enough

2677

01:37:19,990 --> 01:37:17,199

there is a reason

2678

01:37:21,750 --> 01:37:20,000

you know that travis taylor was planted

2679

01:37:24,470 --> 01:37:21,760

for like five years without anybody

2680

01:37:26,550 --> 01:37:24,480

knowing at the ranch and why

2681

01:37:28,790 --> 01:37:26,560

the research is still going on there and

2682

01:37:30,629 --> 01:37:28,800

why there's still other stuff happening

2683

01:37:32,870 --> 01:37:30,639

because even through all of that

2684

01:37:35,590 --> 01:37:32,880

sometimes research is really

2685

01:37:36,629 --> 01:37:35,600

messy and sometimes it's unethical but

2686

01:37:38,070 --> 01:37:36,639

hopefully

2687

01:37:39,510 --> 01:37:38,080

now like you guys are saying with

2688

01:37:41,990 --> 01:37:39,520

everybody working together and with the

2689

01:37:44,950 --> 01:37:42,000

internet and with it being public

2690

01:37:47,669 --> 01:37:44,960

that can all change and the integrity

2691

01:37:49,910 --> 01:37:47,679

can come forward and we can start to

2692

01:37:52,149 --> 01:37:49,920

swallow the tough pills and

2693

01:37:53,830 --> 01:37:52,159

face this stuff that as a real bummer to

2694

01:37:56,870 --> 01:37:53,840

realize oh it's just headlights or it's

2695

01:37:59,109 --> 01:37:56,880

just this really dumb mundane answer

2696

01:38:00,550 --> 01:37:59,119

uh or whatever the reports were all

2697

01:38:02,390 --> 01:38:00,560

coming from this guy that was an

2698

01:38:04,790 --> 01:38:02,400

alcoholic or something

2699

01:38:06,550 --> 01:38:04,800

okay so then we can finally rest tonight

2700

01:38:09,189 --> 01:38:06,560

about all these stories

2701
01:38:10,470 --> 01:38:09,199
but what about this you know what is the

2702
01:38:12,310 --> 01:38:10,480
part of it that's compelling because

2703
01:38:14,550 --> 01:38:12,320
this is what always gets me

2704
01:38:16,550 --> 01:38:14,560
is out of like all of the ufo sightings

2705
01:38:19,030 --> 01:38:16,560
and these paranormal events only one of

2706
01:38:20,790 --> 01:38:19,040
them has to be true for it to be

2707
01:38:23,270 --> 01:38:20,800
interesting to me

2708
01:38:25,030 --> 01:38:23,280
only one ufo sighting or abduction

2709
01:38:27,030 --> 01:38:25,040
encounter or something

2710
01:38:29,430 --> 01:38:27,040
has to be real in order for it to be a

2711
01:38:31,030 --> 01:38:29,440
real thing only one

2712
01:38:32,790 --> 01:38:31,040
you know and so out of all of it it's

2713
01:38:35,350 --> 01:38:32,800

just a matter of sifting through it just

2714

01:38:38,470 --> 01:38:35,360

like trying to come to the invention of

2715

01:38:40,149 --> 01:38:38,480

the working light bulbs like how many

2716

01:38:42,229 --> 01:38:40,159

do you have to go through until you find

2717

01:38:43,990 --> 01:38:42,239

the one that finally clicks you know so

2718

01:38:45,109 --> 01:38:44,000

you just have to be willing to face it

2719

01:38:48,390 --> 01:38:45,119

you know

2720

01:38:50,629 --> 01:38:48,400

um walk walk the path until you find the

2721

01:38:52,629 --> 01:38:50,639

answers and with every answer just comes

2722

01:38:54,470 --> 01:38:52,639

with even more questions and so just got

2723

01:38:55,750 --> 01:38:54,480

to go for it that's got to be part of

2724

01:38:57,830 --> 01:38:55,760

the fun right

2725

01:38:58,950 --> 01:38:57,840

that's part of the fun is that that's

2726

01:39:00,310 --> 01:38:58,960

why we're joking like it's like

2727

01:39:02,870 --> 01:39:00,320

scooby-doo

2728

01:39:04,470 --> 01:39:02,880

the whole time even as a kid you're like

2729

01:39:06,229 --> 01:39:04,480

you get into it and then when they pull

2730

01:39:08,870 --> 01:39:06,239

the mask off you're like man it was just

2731

01:39:10,870 --> 01:39:08,880

like old man thompson down the road but

2732

01:39:12,470 --> 01:39:10,880

ultimately there's a satisfaction in

2733

01:39:14,870 --> 01:39:12,480

knowing the truth too and we have to be

2734

01:39:17,189 --> 01:39:14,880

willing to accept that as well yep and

2735

01:39:19,590 --> 01:39:17,199

there's always a next episode of

2736

01:39:21,350 --> 01:39:19,600

scooby-doo right yeah

2737

01:39:22,790 --> 01:39:21,360

keep going right yeah

2738

01:39:25,109 --> 01:39:22,800

i just want to um i want to take a

2739

01:39:28,070 --> 01:39:25,119

moment to thank mark and warlock for the

2740

01:39:30,070 --> 01:39:28,080

super chats guys very kind of view um

2741

01:39:32,070 --> 01:39:30,080

well i can't think of a better way to

2742

01:39:34,390 --> 01:39:32,080

kind of start wrapping things up carl

2743

01:39:37,270 --> 01:39:34,400

and chrissy you guys have given me so

2744

01:39:39,189 --> 01:39:37,280

much of your time but um before we go

2745

01:39:41,590 --> 01:39:39,199

chrissy do you have any last questions

2746

01:39:42,709 --> 01:39:41,600

for carl um that we didn't get to in

2747

01:39:44,870 --> 01:39:42,719

terms of anything

2748

01:39:46,070 --> 01:39:44,880

or skin walker or anything i'm good i'm

2749

01:39:47,830 --> 01:39:46,080

just excited to see what you're going to

2750

01:39:51,189 --> 01:39:47,840

do next carl and we'll be planning a

2751

01:39:54,229 --> 01:39:51,199

trip to uh in nevada shortly

2752

01:39:56,950 --> 01:39:54,239

that's my question carl i wouldn't

2753

01:39:58,550 --> 01:39:56,960

yeah exactly what is next carl

2754

01:40:01,109 --> 01:39:58,560

i have a ton of stuff i'm still going

2755

01:40:02,709 --> 01:40:01,119

back to the valley at the magic mesa

2756

01:40:04,709 --> 01:40:02,719

there maybe we'll change the name for

2757

01:40:07,030 --> 01:40:04,719

magic mesa it's still magical we'll call

2758

01:40:09,510 --> 01:40:07,040

maybe the magic valley i don't know

2759

01:40:11,350 --> 01:40:09,520

we'll figure it out we'll adapt as we go

2760

01:40:13,990 --> 01:40:11,360

you know i'm still we're talking with

2761

01:40:16,629 --> 01:40:14,000

you know brandon fogle working with

2762

01:40:17,669 --> 01:40:16,639

james keenan and stuff on other projects

2763

01:40:20,070 --> 01:40:17,679

and things

2764

01:40:21,669 --> 01:40:20,080

i'm doing a lot more expanded research

2765

01:40:23,910 --> 01:40:21,679

on kind of the

2766

01:40:26,070 --> 01:40:23,920

the oral traditions that have to do with

2767

01:40:28,870 --> 01:40:26,080

the core of the petroglyphs specifically

2768

01:40:31,510 --> 01:40:28,880

there's a lot of legends and i get told

2769

01:40:33,510 --> 01:40:31,520

a lot about like giants they're the

2770

01:40:35,510 --> 01:40:33,520

folklore and the legends of giants being

2771

01:40:37,430 --> 01:40:35,520

buried i've had people call me on the

2772

01:40:40,550 --> 01:40:37,440

phone and tell me they found

2773

01:40:43,109 --> 01:40:40,560

bones of like 14 foot tall bodies that

2774

01:40:45,669 --> 01:40:43,119

come and get taken off their property

2775

01:40:48,229 --> 01:40:45,679

and stuff and so i'm really fascinated

2776

01:40:50,390 --> 01:40:48,239

with all of it i don't really care what

2777

01:40:52,790 --> 01:40:50,400

mystery it is it's all really intriguing

2778

01:40:54,470 --> 01:40:52,800

how it connects to me so yeah i'm doing

2779

01:40:56,790 --> 01:40:54,480

that hopefully some more stuff up at

2780

01:40:59,510 --> 01:40:56,800

skinwalker ranch and from there but

2781

01:41:02,149 --> 01:40:59,520

um lately i'm still

2782

01:41:04,629 --> 01:41:02,159

just now editing and uploading footage

2783

01:41:07,030 --> 01:41:04,639

from when i first got up to the basin

2784

01:41:08,550 --> 01:41:07,040

like two weeks ago so i'm still catching

2785

01:41:10,629 --> 01:41:08,560

up on all the

2786

01:41:13,030 --> 01:41:10,639

backlog of video footage that i've got

2787

01:41:15,270 --> 01:41:13,040

so it'll still take me like another

2788

01:41:16,390 --> 01:41:15,280

week or so to catch up but it's it's

2789

01:41:19,430 --> 01:41:16,400

being good

2790

01:41:21,350 --> 01:41:19,440

nice nice man well um please tell us

2791

01:41:24,149 --> 01:41:21,360

before we go where can we find the

2792

01:41:25,750 --> 01:41:24,159

youtube channel the podcast and yeah

2793

01:41:27,750 --> 01:41:25,760

everything you're up to

2794

01:41:29,990 --> 01:41:27,760

yeah so uh the main youtube channel is

2795

01:41:32,870 --> 01:41:30,000

just called carl the crusher and then on

2796

01:41:34,709 --> 01:41:32,880

the podcast is carl vibe so if you type

2797

01:41:36,709 --> 01:41:34,719

that into youtube or whatever you'll

2798

01:41:38,629 --> 01:41:36,719

find me and then i'm yeah on twitter

2799

01:41:39,830 --> 01:41:38,639

tick tock uh

2800

01:41:41,430 --> 01:41:39,840

instagram

2801

01:41:43,990 --> 01:41:41,440

all over the place

2802

01:41:45,430 --> 01:41:44,000

awesome and well this has been like a

2803

01:41:47,109 --> 01:41:45,440

long time coming i've been waiting to

2804

01:41:49,910 --> 01:41:47,119

talk to you for a while and i'm glad we

2805

01:41:52,149 --> 01:41:49,920

had something really cool to talk about

2806

01:41:54,070 --> 01:41:52,159

and i'm glad you were able to solve this

2807

01:41:57,189 --> 01:41:54,080

mystery or at least a part of the

2808

01:41:58,950 --> 01:41:57,199

mystery i think a lot of people were um

2809

01:42:01,109 --> 01:41:58,960

really excited to figure out what this

2810

01:42:03,189 --> 01:42:01,119

was and that you had an answer which is

2811

01:42:05,669 --> 01:42:03,199

something we don't get in this field

2812

01:42:08,310 --> 01:42:05,679

often and you have to be willing to

2813

01:42:10,470 --> 01:42:08,320

accept those answers when they come put

2814

01:42:11,990 --> 01:42:10,480

your beliefs aside and follow the facts

2815

01:42:13,830 --> 01:42:12,000

where they lead and that's what you and

2816

01:42:16,870 --> 01:42:13,840

your team did and that's why i truly

2817

01:42:18,390 --> 01:42:16,880

respect that you didn't stretch it out

2818

01:42:19,830 --> 01:42:18,400

for like you know

2819

01:42:22,390 --> 01:42:19,840

50

2820

01:42:24,070 --> 01:42:22,400

youtube videos or a documentary you said

2821

01:42:26,629 --> 01:42:24,080

i think i know what this was so the

2822

01:42:28,390 --> 01:42:26,639

public deserves to know that and we

2823

01:42:31,910 --> 01:42:28,400

appreciate that i hope you know that

2824

01:42:34,070 --> 01:42:31,920

that um this was a cool cool thing um it

2825

01:42:37,590 --> 01:42:34,080

was a fleeting moment in the grand

2826

01:42:39,030 --> 01:42:37,600

scheme of mystery in utah and uh it's

2827

01:42:41,350 --> 01:42:39,040

because of you man that we now know what

2828

01:42:43,350 --> 01:42:41,360

it what happened so thank you thanks

2829

01:42:45,350 --> 01:42:43,360

yeah and that is yeah it's just all part

2830

01:42:47,030 --> 01:42:45,360

of it just to to go after it and go

2831

01:42:49,270 --> 01:42:47,040

after the truth and not have your ego

2832

01:42:51,990 --> 01:42:49,280

hung up on it and it is okay to have

2833

01:42:54,550 --> 01:42:52,000

your beliefs intact just to don't have

2834

01:42:55,590 --> 01:42:54,560

your ego more intact when the truth

2835

01:42:57,510 --> 01:42:55,600

actually

2836

01:43:00,310 --> 01:42:57,520

hits you in the face and you realize it

2837

01:43:02,550 --> 01:43:00,320

like that should be part of the fun too

2838

01:43:04,950 --> 01:43:02,560

you gotta be able to laugh at it and

2839

01:43:06,550 --> 01:43:04,960

realize like oh man like and chase it

2840

01:43:07,669 --> 01:43:06,560

down if you're gonna investigate it

2841

01:43:10,149 --> 01:43:07,679

you've gotta

2842

01:43:12,390 --> 01:43:10,159

be willing to be wrong a lot until you

2843

01:43:14,470 --> 01:43:12,400

find the actual answer that's you don't

2844

01:43:16,310 --> 01:43:14,480

know the answer until you're wrong like

2845

01:43:19,270 --> 01:43:16,320

a dozen times you know and that's part

2846

01:43:21,270 --> 01:43:19,280

of it and you have to enjoy that or

2847

01:43:23,590 --> 01:43:21,280

and enjoy the mystery or it's just going

2848

01:43:25,910 --> 01:43:23,600

to frustrate you and make you angry but

2849

01:43:28,149 --> 01:43:25,920

yeah i still i still am addicted to all

2850

01:43:30,390 --> 01:43:28,159

of it i still have had

2851
01:43:33,109 --> 01:43:30,400
way more unusual

2852
01:43:34,070 --> 01:43:33,119
strange unexplainable experiences than i

2853
01:43:36,229 --> 01:43:34,080
have

2854
01:43:38,790 --> 01:43:36,239
ones that i've just been able to like

2855
01:43:39,990 --> 01:43:38,800
debunk in some of these locations and so

2856
01:43:41,830 --> 01:43:40,000
i'm still

2857
01:43:43,590 --> 01:43:41,840
very on the hook and curious about what

2858
01:43:45,750 --> 01:43:43,600
the heck is going on

2859
01:43:47,189 --> 01:43:45,760
uh in some of these spots for sure

2860
01:43:49,350 --> 01:43:47,199
nice well we're gonna have to have you

2861
01:43:51,189 --> 01:43:49,360
come back to share more of those stories

2862
01:43:53,669 --> 01:43:51,199
man but i'm gonna hang out with chrissy

2863
01:43:56,390 --> 01:43:53,679

here for just a moment a couple moments

2864

01:43:58,149 --> 01:43:56,400

to debrief but again i gotta thank you

2865

01:44:01,109 --> 01:43:58,159

for your time tonight for providing the

2866

01:44:02,709 --> 01:44:01,119

videos to us to show and uh again for

2867

01:44:05,430 --> 01:44:02,719

coming on summer in the skies for the

2868

01:44:07,189 --> 01:44:05,440

very first time it truly was a pleasure

2869

01:44:08,550 --> 01:44:07,199

you bet we'll do it again and you guys

2870

01:44:09,350 --> 01:44:08,560

got to come onto my show too it'll be

2871

01:44:10,310 --> 01:44:09,360

fun

2872

01:44:13,030 --> 01:44:10,320

100

2873

01:44:14,870 --> 01:44:13,040

yeah i'm there we're there for sure

2874

01:44:17,669 --> 01:44:14,880

awesome brother have a great night we'll

2875

01:44:20,070 --> 01:44:17,679

talk to you soon you too thanks bye bye

2876

01:44:22,310 --> 01:44:20,080

girl

2877

01:44:24,149 --> 01:44:22,320

wow he's so great

2878

01:44:26,390 --> 01:44:24,159

what'd you think i've you know like i

2879

01:44:28,310 --> 01:44:26,400

was all day i'm like racking my brain

2880

01:44:29,430 --> 01:44:28,320

like i have so many questions but i

2881

01:44:31,990 --> 01:44:29,440

don't know

2882

01:44:33,990 --> 01:44:32,000

like what to cover what not to cover i

2883

01:44:37,030 --> 01:44:34,000

know he's gonna reveal a lot more in his

2884

01:44:38,950 --> 01:44:37,040

videos to come but um yeah what do you

2885

01:44:41,990 --> 01:44:38,960

what do you think of the answer to the

2886

01:44:43,910 --> 01:44:42,000

mystery at the mesa i'm not i the

2887

01:44:45,830 --> 01:44:43,920

headlight part i'm like i guess i never

2888

01:44:48,390 --> 01:44:45,840

i would never have thought about that to

2889

01:44:50,390 --> 01:44:48,400

be honest but i'm glad that he went down

2890

01:44:52,310 --> 01:44:50,400

that road and i'm glad that he said like

2891

01:44:54,310 --> 01:44:52,320

where was he positioned and they tried a

2892

01:44:56,550 --> 01:44:54,320

whole bunch of different other areas

2893

01:44:58,950 --> 01:44:56,560

again like i'm just curious to see what

2894

01:45:01,510 --> 01:44:58,960

dr travis taylor would say about that

2895

01:45:03,030 --> 01:45:01,520

and then how is the same thing that's

2896

01:45:05,189 --> 01:45:03,040

happening and him

2897

01:45:07,270 --> 01:45:05,199

uh using the same kind of i guess

2898

01:45:08,629 --> 01:45:07,280

research that carl did at skinwalker to

2899

01:45:10,070 --> 01:45:08,639

see if that's the case as well because

2900

01:45:11,430 --> 01:45:10,080

it's happened the exact same thing is

2901
01:45:13,830 --> 01:45:11,440
happening in skinwalker it's happening

2902
01:45:15,350 --> 01:45:13,840
all over the basement so it so totally

2903
01:45:17,030 --> 01:45:15,360
can possibly make sense that that's what

2904
01:45:18,709 --> 01:45:17,040
it is and you know and it seems like

2905
01:45:22,390 --> 01:45:18,719
such a simple answer but sometimes the

2906
01:45:24,709 --> 01:45:22,400
simplest answer is the most plausible so

2907
01:45:26,229 --> 01:45:24,719
yep i'm like i'm i'm excited that he did

2908
01:45:28,310 --> 01:45:26,239
it and spending time with carl was

2909
01:45:29,669 --> 01:45:28,320
really great he's just a good human and

2910
01:45:31,109 --> 01:45:29,679
you know and he cares you can tell he

2911
01:45:32,709 --> 01:45:31,119
cares a lot about the truth and i think

2912
01:45:34,709 --> 01:45:32,719
that's one of the most important parts

2913
01:45:36,310 --> 01:45:34,719

of being a researcher is that you're

2914

01:45:38,709 --> 01:45:36,320

open-minded and you're looking for the

2915

01:45:40,070 --> 01:45:38,719

truth consistently right so i like that

2916

01:45:41,830 --> 01:45:40,080

and i like that he keeps saying that too

2917

01:45:44,310 --> 01:45:41,840

because i think it's really important it

2918

01:45:45,830 --> 01:45:44,320

is it is you know the truth and again

2919

01:45:48,870 --> 01:45:45,840

facts don't have feelings they don't

2920

01:45:51,030 --> 01:45:48,880

care where your beliefs are and um

2921

01:45:52,470 --> 01:45:51,040

uh you know ever since i first saw carl

2922

01:45:54,709 --> 01:45:52,480

i think it was on the

2923

01:45:56,470 --> 01:45:54,719

unidentified celebrity review i just

2924

01:45:58,470 --> 01:45:56,480

knew i'm like this is a good this is a

2925

01:46:02,070 --> 01:45:58,480

good dude like he's he's got that

2926

01:46:04,950 --> 01:46:02,080

passion and the hunger and um to look at

2927

01:46:06,629 --> 01:46:04,960

these mysteries and uh and to find the

2928

01:46:07,910 --> 01:46:06,639

real answers no matter what those

2929

01:46:09,510 --> 01:46:07,920

answers might be

2930

01:46:11,669 --> 01:46:09,520

and i think that's awesome and i think

2931

01:46:14,870 --> 01:46:11,679

that's why people like brandon fugo are

2932

01:46:17,270 --> 01:46:14,880

like yeah come to the ranch man like you

2933

01:46:19,510 --> 01:46:17,280

you did that you did that on your own

2934

01:46:22,709 --> 01:46:19,520

like that investigation like we could

2935

01:46:24,870 --> 01:46:22,719

use those resources and minds like yours

2936

01:46:26,709 --> 01:46:24,880

um to do that sort of thing and james

2937

01:46:29,030 --> 01:46:26,719

keenan too i think that was a name he

2938

01:46:30,790 --> 01:46:29,040

brought up a few times tonight uh james

2939

01:46:32,870 --> 01:46:30,800

i've worked with james as well on an

2940

01:46:35,830 --> 01:46:32,880

investigation that i was doing out in

2941

01:46:38,149 --> 01:46:35,840

arizona and um another person another

2942

01:46:40,229 --> 01:46:38,159

individual who's just looking for the

2943

01:46:42,390 --> 01:46:40,239

truth and has done the homework and the

2944

01:46:45,189 --> 01:46:42,400

research and looked at the history of

2945

01:46:47,510 --> 01:46:45,199

the areas you know i was totally blind

2946

01:46:50,950 --> 01:46:47,520

when i went into this investigation that

2947

01:46:52,390 --> 01:46:50,960

i did with james and uh and jennifer my

2948

01:46:55,430 --> 01:46:52,400

my investigative partner over there

2949

01:46:58,870 --> 01:46:55,440

mysteries decoded and um they were there

2950

01:47:01,270 --> 01:46:58,880

to like school me very quickly mind you

2951
01:47:03,669 --> 01:47:01,280
and uh catch me up to what was going on

2952
01:47:06,070 --> 01:47:03,679
so um i think it's awesome i think

2953
01:47:08,629 --> 01:47:06,080
carl's really surrounded himself with a

2954
01:47:11,030 --> 01:47:08,639
good crew of people who um

2955
01:47:13,350 --> 01:47:11,040
aren't just gonna let what blind frog

2956
01:47:15,669 --> 01:47:13,360
ranch or skinwalker ranch say on

2957
01:47:17,510 --> 01:47:15,679
television be the final conclusion to

2958
01:47:20,149 --> 01:47:17,520
these things because

2959
01:47:21,830 --> 01:47:20,159
the basin is huge utah is huge there's a

2960
01:47:24,070 --> 01:47:21,840
lot of things going on and there's a lot

2961
01:47:26,550 --> 01:47:24,080
of voices that need to be heard not just

2962
01:47:27,830 --> 01:47:26,560
these two television shows right 100 and

2963
01:47:29,350 --> 01:47:27,840

i think they're like the massive

2964

01:47:30,950 --> 01:47:29,360

indigenous conversation is really

2965

01:47:33,510 --> 01:47:30,960

important you know one thing that skin

2966

01:47:35,109 --> 01:47:33,520

walker ranch doesn't doesn't do is show

2967

01:47:36,629 --> 01:47:35,119

that indigenous side as much as they

2968

01:47:39,030 --> 01:47:36,639

could so it's nice when you have other

2969

01:47:41,270 --> 01:47:39,040

people that are you know doing their own

2970

01:47:43,590 --> 01:47:41,280

research and listening and echoing the

2971

01:47:45,910 --> 01:47:43,600

voices or giving the indigenous

2972

01:47:47,350 --> 01:47:45,920

community respect outside of just a

2973

01:47:49,030 --> 01:47:47,360

voice they're giving them the respect

2974

01:47:51,030 --> 01:47:49,040

because when i was there that was one of

2975

01:47:52,310 --> 01:47:51,040

the most important things that they said

2976

01:47:54,070 --> 01:47:52,320

it's like you know we don't just want to

2977

01:47:55,590 --> 01:47:54,080

be heard we want to be respected and i

2978

01:47:57,669 --> 01:47:55,600

think that that's really important and

2979

01:47:59,109 --> 01:47:57,679

carl's you know shedding a light on that

2980

01:48:01,270 --> 01:47:59,119

and then also looking at the

2981

01:48:02,629 --> 01:48:01,280

revolutionary science too and looking at

2982

01:48:04,310 --> 01:48:02,639

meditation and different forms of

2983

01:48:06,950 --> 01:48:04,320

spirituality which i think is an

2984

01:48:09,350 --> 01:48:06,960

interesting and suggested you know most

2985

01:48:11,350 --> 01:48:09,360

scientists that are mainstream wouldn't

2986

01:48:12,950 --> 01:48:11,360

do that but you can always look at

2987

01:48:15,030 --> 01:48:12,960

science and have another opinion and be

2988

01:48:17,109 --> 01:48:15,040

open-minded to it because you never know

2989

01:48:19,030 --> 01:48:17,119

right we're at a place before that ufos

2990

01:48:20,470 --> 01:48:19,040

weren't real and now the government says

2991

01:48:22,390 --> 01:48:20,480

they are so

2992

01:48:24,550 --> 01:48:22,400

i think being open-minded is the most

2993

01:48:26,070 --> 01:48:24,560

important thing that we see here so it's

2994

01:48:28,310 --> 01:48:26,080

great and i'm glad he's doing his work

2995

01:48:30,149 --> 01:48:28,320

and he's a civilian so it's nice and

2996

01:48:32,790 --> 01:48:30,159

civilians can do work and he's showing

2997

01:48:35,669 --> 01:48:32,800

that so again they can do good work

2998

01:48:37,750 --> 01:48:35,679

really damn good work for sure um well

2999

01:48:38,470 --> 01:48:37,760

speaking of good work chrissy before we

3000

01:48:40,310 --> 01:48:38,480

go

3001

01:48:41,510 --> 01:48:40,320

what are you up to this is the first

3002

01:48:42,550 --> 01:48:41,520

time i've caught up with you in a while

3003

01:48:44,709 --> 01:48:42,560

you've been

3004

01:48:46,229 --> 01:48:44,719

just globe trotting all over the place

3005

01:48:47,910 --> 01:48:46,239

i'm getting ready to move to another

3006

01:48:49,669 --> 01:48:47,920

freaking country i know you don't have

3007

01:48:51,350 --> 01:48:49,679

any time to catch up

3008

01:48:52,870 --> 01:48:51,360

thank you i know i'm making it free i am

3009

01:48:54,629 --> 01:48:52,880

i'm excited for you to go to europe and

3010

01:48:56,709 --> 01:48:54,639

you're going to be in scotland so you

3011

01:48:59,510 --> 01:48:56,719

better give us updates on nessie

3012

01:49:02,070 --> 01:48:59,520

we want nessie updates oh yes photos and

3013

01:49:03,830 --> 01:49:02,080

messy updates i see photos and updates

3014

01:49:05,510 --> 01:49:03,840

and you bet your ass you and carl are

3015

01:49:08,229 --> 01:49:05,520

gonna make it over there at some point

3016

01:49:10,229 --> 01:49:08,239

and we'll uh we'll get out there but um

3017

01:49:12,149 --> 01:49:10,239

what are you up to what's coming up next

3018

01:49:14,550 --> 01:49:12,159

over at the deep brief and with your

3019

01:49:16,870 --> 01:49:14,560

work with rebelliously curious yeah let

3020

01:49:19,030 --> 01:49:16,880

us know what's going on yeah i'm looking

3021

01:49:20,310 --> 01:49:19,040

at talking to someone at nasa that's

3022

01:49:22,149 --> 01:49:20,320

going to be on some some work that

3023

01:49:24,550 --> 01:49:22,159

they're doing not uap related more of

3024

01:49:26,550 --> 01:49:24,560

their some internal work so i'm booking

3025

01:49:28,070 --> 01:49:26,560

that right now and then just micah hanks

3026

01:49:29,669 --> 01:49:28,080

and i who is the editor-in-chief of the

3027

01:49:32,470 --> 01:49:29,679

debrief he also has the micah hanks

3028

01:49:35,350 --> 01:49:32,480

program podcast we went out for 10 days

3029

01:49:37,830 --> 01:49:35,360

so we'll be doing some snippets on um on

3030

01:49:40,390 --> 01:49:37,840

our debrief uh website as well of just

3031

01:49:42,390 --> 01:49:40,400

our trip and he talks a little bit about

3032

01:49:44,229 --> 01:49:42,400

in his podcast as well that he recently

3033

01:49:46,390 --> 01:49:44,239

did and i have some snippets on my

3034

01:49:49,270 --> 01:49:46,400

recent podcast that i did with uh george

3035

01:49:51,030 --> 01:49:49,280

knapp and dr colin kolager

3036

01:49:53,430 --> 01:49:51,040

that are from i did the research for

3037

01:49:55,910 --> 01:49:53,440

nids the institute of um oh my god the

3038

01:49:58,310 --> 01:49:55,920

national institute of oh my gosh

3039

01:50:00,709 --> 01:49:58,320

government science very good chrissy

3040

01:50:03,750 --> 01:50:00,719

acronym of discovery science in the 90s

3041

01:50:05,669 --> 01:50:03,760

so uh more to that i'll probably look to

3042

01:50:07,030 --> 01:50:05,679

uh have some other more ufo related

3043

01:50:08,550 --> 01:50:07,040

people on the podcast i don't want to

3044

01:50:10,470 --> 01:50:08,560

say who yet because i'm still booking

3045

01:50:13,270 --> 01:50:10,480

them but lots of good stuff in the in

3046

01:50:15,430 --> 01:50:13,280

the making so yeah awesome

3047

01:50:17,510 --> 01:50:15,440

yeah oh i can't wait i can't wait and of

3048

01:50:19,189 --> 01:50:17,520

course guys you can catch chrissy here

3049

01:50:21,189 --> 01:50:19,199

on somewhere in the skies

3050

01:50:23,430 --> 01:50:21,199

as well wherever you get your podcasts

3051
01:50:25,669 --> 01:50:23,440
if you're not subscribed to the channel

3052
01:50:28,149 --> 01:50:25,679
right here that you're watching on um

3053
01:50:30,070 --> 01:50:28,159
please subscribe below like the video

3054
01:50:31,830 --> 01:50:30,080
share it um i know a lot of people are

3055
01:50:33,990 --> 01:50:31,840
going to be really interesting to hear

3056
01:50:36,149 --> 01:50:34,000
carl's explanations to what was the

3057
01:50:37,910 --> 01:50:36,159
mystery at the mesa so yeah please share

3058
01:50:39,750 --> 01:50:37,920
this with everyone you know check out

3059
01:50:43,189 --> 01:50:39,760
carl his youtube channel carl the

3060
01:50:45,830 --> 01:50:43,199
crusher and um podcast carl vibe as well

3061
01:50:48,629 --> 01:50:45,840
please be sure to check those out and uh

3062
01:50:50,310 --> 01:50:48,639
other than that uh i'm just going to say

3063
01:50:51,990 --> 01:50:50,320

good night and thank you to everyone for

3064

01:50:54,229 --> 01:50:52,000

tuning in guys thanks for sticking with

3065

01:50:55,830 --> 01:50:54,239

us for almost two hours this is one of

3066

01:50:56,950 --> 01:50:55,840

our longer episodes of summer in the

3067

01:50:59,510 --> 01:50:56,960

skies but

3068

01:51:02,070 --> 01:50:59,520

absolutely absolutely well worth it and

3069

01:51:03,990 --> 01:51:02,080

um yeah you can check out the audio

3070

01:51:05,669 --> 01:51:04,000

version of this that will be coming to

3071

01:51:07,910 --> 01:51:05,679

you this upcoming monday as well on the

3072

01:51:10,709 --> 01:51:07,920

summer in the skies podcast and we will

3073

01:51:13,430 --> 01:51:10,719

have carl back on as the investigation

3074

01:51:14,149 --> 01:51:13,440

continues out there in utah and beyond

3075

01:51:16,870 --> 01:51:14,159

so

3076

01:51:18,950 --> 01:51:16,880

with nothing else other than our mantra

3077

01:51:21,430 --> 01:51:18,960

to leave you guys with keep your feet on

3078

01:51:23,589 --> 01:51:21,440

the ground but never stop searching

3079

01:51:25,880 --> 01:51:23,599

somewhere in the skies chrissy thank you

3080

01:51:35,270 --> 01:51:25,890

and thank you to everyone else

3081

01:51:40,010 --> 01:51:38,149

this is somewhere in the skies with ryan
