[Music]

32

00:02:11,910 --> 00:02:09,599

hi there ryan this is uh osvaldo i'm

33

00:02:14,150 --> 00:02:11,920

calling from vancouver canada

34

00:02:15,830 --> 00:02:14,160

i have two sightings to share uh the

35

00:02:16,869 --> 00:02:15,840

first one

36

00:02:29,990 --> 00:02:16,879

i

37

00:02:34,390 --> 00:02:31,270

and

38

00:02:37,190 --> 00:02:34,400

at some point in the month of july

39

00:02:41,509 --> 00:02:37,200

i had rented out um a hut

40

00:02:44,470 --> 00:02:41,519

a very rustic um place by the beach

41

00:02:45,430 --> 00:02:44,480

uh and this portion of the beach is

42

00:02:47,270 --> 00:02:45,440

along

43

00:02:49,830 --> 00:02:47,280

uh you know this the coastline that's

44

00:02:53,670 --> 00:02:49,840

really kind of removed a bit isolated

45

00:02:57,670 --> 00:02:53,680

from any sort of development or tourism

46

00:02:59,990 --> 00:02:57,680

um it's um it's a beach that's uh

47

00:03:02,229 --> 00:03:00,000

kind of populated by

48

00:03:05,190 --> 00:03:02,239

by local local fishermen and their

49

00:03:07,509 --> 00:03:05,200

families and it's a very um

50

00:03:09,270 --> 00:03:07,519

rustic place off the beaten path i

51

00:03:12,630 --> 00:03:09,280

suppose right

52

00:03:14,630 --> 00:03:12,640

so this is back in 2005 um on the third

53

00:03:16,149 --> 00:03:14,640

night i believe actually was the second

54

00:03:17,110 --> 00:03:16,159

night

55

00:03:18,869 --> 00:03:17,120

um

56

00:03:20,149 --> 00:03:18,879

i had gotten into the habit of uh

57

00:03:22,149 --> 00:03:20,159

pulling

58

00:03:25,509 --> 00:03:22,159

a chair out from

59

00:03:28,789 --> 00:03:25,519

my hut and dragging it over

60

00:03:30,470 --> 00:03:28,799

to the beach um when the tide was out

61

00:03:33,750 --> 00:03:30,480

usually

62

00:03:36,229 --> 00:03:33,760

around eight or nine pm

63

00:03:39,270 --> 00:03:36,239

uh i got into

64
00:03:41,190 --> 00:03:39,280
you know stargazing mode right which was

65
00:03:42,630 --> 00:03:41,200
so much fun because it was such a

66
00:03:43,670 --> 00:03:42,640
beautiful place

67
00:03:48,070 --> 00:03:43,680
um

68
00:03:50,869 --> 00:03:49,670
no you know

69
00:03:53,750 --> 00:03:50,879
cloud cover

70
00:03:55,350 --> 00:03:53,760
barely any whatsoever right

71
00:03:58,550 --> 00:03:55,360
and

72
00:03:59,830 --> 00:03:58,560
i was just really serenely

73
00:04:02,470 --> 00:03:59,840
looking

74
00:04:04,789 --> 00:04:02,480
up at the sky into the horizon

75
00:04:06,470 --> 00:04:04,799
it was really dark by then

76

00:04:08,550 --> 00:04:06,480

um

77

00:04:10,390 --> 00:04:08,560

and the sky is just full of stars and

78

00:04:11,350 --> 00:04:10,400

all of a sudden i see this

79

00:04:13,350 --> 00:04:11,360

light

80

00:04:14,869 --> 00:04:13,360

that it kind of

81

00:04:16,870 --> 00:04:14,879

it kind of

82

00:04:18,710 --> 00:04:16,880

the light became brighter like it

83

00:04:19,590 --> 00:04:18,720

intensified

84

00:04:20,710 --> 00:04:19,600

um

85

00:04:22,870 --> 00:04:20,720

and

86

00:04:25,270 --> 00:04:22,880

as it became brighter

87

00:04:26,870 --> 00:04:25,280

really quickly just started to

88

00:04:28,550 --> 00:04:26,880

shoot down

89

00:04:31,430 --> 00:04:28,560

as if

90

00:04:34,150 --> 00:04:31,440

it was gonna crash into the ocean

91

00:04:37,430 --> 00:04:34,160

and but all of a sudden it made this

92

00:04:39,110 --> 00:04:37,440

like 45 degree angle upward

93

00:04:40,830 --> 00:04:39,120

and as it did that

94

00:04:43,670 --> 00:04:40,840

um it made

95

00:04:44,950 --> 00:04:43,680

this flash of lightning

96

00:04:47,830 --> 00:04:44,960

kind of like

97

00:04:49,830 --> 00:04:47,840

you know in star trek when

98

00:04:52,150 --> 00:04:49,840

the ships go into warp speed and they

99

00:04:53,350 --> 00:04:52,160

create this uh lightning at the end

100

00:04:56,710 --> 00:04:53,360

that's

101
00:04:58,790 --> 00:04:56,720
saw

102
00:05:00,150 --> 00:04:58,800
there you go that's my

103
00:05:02,870 --> 00:05:00,160
popular

104
00:05:05,510 --> 00:05:02,880
culture reference for any trekkie fans

105
00:05:07,029 --> 00:05:05,520
out there anyway but um the whole thing

106
00:05:08,150 --> 00:05:07,039
was about three or four like four

107
00:05:09,430 --> 00:05:08,160
seconds

108
00:05:10,710 --> 00:05:09,440
and the entire

109
00:05:13,270 --> 00:05:10,720
like you know it had this really

110
00:05:14,790 --> 00:05:13,280
accelerated movement to it

111
00:05:16,710 --> 00:05:14,800
like um

112
00:05:19,990 --> 00:05:16,720
what was this thing i really don't know

113
00:05:21,270 --> 00:05:20,000

other than a ufo um this is again 2005

114

00:05:22,950 --> 00:05:21,280

there was no

115

00:05:24,950 --> 00:05:22,960

you know in a country like el salvador

116

00:05:26,629 --> 00:05:24,960

like our military like doesn't have

117

00:05:28,870 --> 00:05:26,639

didn't have anything

118

00:05:30,230 --> 00:05:28,880

like drone technology even back then i

119

00:05:32,790 --> 00:05:30,240

don't know if like

120

00:05:34,629 --> 00:05:32,800

commercial drone techno technology was

121

00:05:36,230 --> 00:05:34,639

available back then

122

00:05:38,070 --> 00:05:36,240

but you know

123

00:05:40,710 --> 00:05:38,080

it's a poor country so our military

124

00:05:43,029 --> 00:05:40,720

wouldn't have that kind of technology

125

00:05:44,790 --> 00:05:43,039

uh but the movement it made it was just

126
00:05:46,950 --> 00:05:44,800
crazy fast

127
00:05:49,670 --> 00:05:46,960
like all in the same speed

128
00:05:51,270 --> 00:05:49,680
it was not a meteorite uh this thing did

129
00:05:53,830 --> 00:05:51,280
not burn up because

130
00:05:55,830 --> 00:05:53,840
you know started to shoot down in a very

131
00:05:56,870 --> 00:05:55,840
irregular manner like it had this

132
00:05:59,350 --> 00:05:56,880
irregular

133
00:06:01,749 --> 00:05:59,360
uh jerky movement but really quick

134
00:06:03,510 --> 00:06:01,759
and it just showed up and it did this

135
00:06:05,270 --> 00:06:03,520
you know flash of lightning uh that's

136
00:06:06,790 --> 00:06:05,280
not a meteorite they don't they don't

137
00:06:09,590 --> 00:06:06,800
behave that way

138
00:06:10,710 --> 00:06:09,600

it was not a satellite again a plane

139

00:06:12,870 --> 00:06:10,720

totally

140

00:06:16,070 --> 00:06:12,880

discount that

141

00:06:19,110 --> 00:06:16,080

and totally not a fisherman boat

142

00:06:21,590 --> 00:06:19,120

so i don't know what the hell that was

143

00:06:23,510 --> 00:06:21,600

but i was just astounded

144

00:06:25,110 --> 00:06:23,520

you know it really if anything it felt

145

00:06:30,150 --> 00:06:25,120

like

146

00:06:32,469 --> 00:06:30,160

um because it was amazing

147

00:06:33,430 --> 00:06:32,479

and i just went to bed

148

00:06:34,870 --> 00:06:33,440

like

149

00:06:37,270 --> 00:06:34,880

with the knowledge that i had seen

150

00:06:38,790 --> 00:06:37,280

something really amazing

151
00:06:40,629 --> 00:06:38,800
you know um

152
00:06:43,110 --> 00:06:40,639
and i put this experience on the shelf

153
00:06:44,150 --> 00:06:43,120
for the longest time because

154
00:06:45,830 --> 00:06:44,160
i mean

155
00:06:47,590 --> 00:06:45,840
as soon as it happened i look back and

156
00:06:49,670 --> 00:06:47,600
there are no other witnesses it was just

157
00:06:51,430 --> 00:06:49,680
me on that beach and sure i could have

158
00:06:53,350 --> 00:06:51,440
shared it with my family but i chose not

159
00:06:55,510 --> 00:06:53,360
to back then because

160
00:06:56,469 --> 00:06:55,520
like seriously you know el salvador it's

161
00:06:57,749 --> 00:06:56,479
a very

162
00:06:59,830 --> 00:06:57,759
christianized

163
00:07:00,950 --> 00:06:59,840

very christian country

164

00:07:03,270 --> 00:07:00,960

and

165

00:07:05,270 --> 00:07:03,280

you know they would have taken my story

166

00:07:07,110 --> 00:07:05,280

and just placed it on a you know looney

167

00:07:09,670 --> 00:07:07,120

bin you know like hey man where are you

168

00:07:11,270 --> 00:07:09,680

smoking that night or something

169

00:07:13,589 --> 00:07:11,280

but

170

00:07:14,790 --> 00:07:13,599

i let me tell you my mind was totally

171

00:07:17,830 --> 00:07:14,800

lucid

172

00:07:20,150 --> 00:07:17,840

i was in a my state of mind was just i

173

00:07:22,790 --> 00:07:20,160

was just very serene looking up at the

174

00:07:25,110 --> 00:07:22,800

stars and then and then i see this

175

00:07:28,550 --> 00:07:25,120

um and you know before this

176

00:07:31,589 --> 00:07:28,560

incident before before this sighting i

177

00:07:33,749 --> 00:07:31,599

i was open to the topic of ufos but

178

00:07:35,830 --> 00:07:33,759

i was never really someone that would go

179

00:07:37,990 --> 00:07:35,840

out and investigate it or really get

180

00:07:38,950 --> 00:07:38,000

into it you know um

181

00:07:41,350 --> 00:07:38,960

so

182

00:07:43,510 --> 00:07:41,360

i again i put that story on the back of

183

00:07:44,710 --> 00:07:43,520

my mind for the longest time until last

184

00:07:47,589 --> 00:07:44,720

year

185

00:07:48,869 --> 00:07:47,599

in 2021 which is when i had my second

186

00:07:50,390 --> 00:07:48,879

sighting

187

00:07:52,150 --> 00:07:50,400

and the

188

00:07:54,469 --> 00:07:52,160

second sighting

189

00:07:56,830 --> 00:07:54,479

was in vancouver canada which is where i

190

00:08:00,390 --> 00:07:56,840

live now

191

00:08:01,990 --> 00:08:00,400

and so let me paint the scene um

192

00:08:05,430 --> 00:08:02,000

uh back then

193

00:08:07,270 --> 00:08:05,440

uh into in may of 2021

194

00:08:10,150 --> 00:08:07,280

um it was around

195

00:08:11,110 --> 00:08:10,160

uh 10 minutes to midnight

196

00:08:15,029 --> 00:08:11,120

um

197

00:08:17,189 --> 00:08:15,039

apartment is in this block building and

198

00:08:19,990 --> 00:08:17,199

we're up on the third floor and we have

199

00:08:22,469 --> 00:08:20,000

a bulky balcony that's south facing

200

00:08:24,390 --> 00:08:22,479

and in front of us we have uh there's a

201

00:08:26,309 --> 00:08:24,400

parking lot and uh

202

00:08:29,430 --> 00:08:26,319

and this really beautiful tall maple

203

00:08:30,390 --> 00:08:29,440

trees right that shoot up about i don't

204

00:08:33,829 --> 00:08:30,400

know

205

00:08:34,790 --> 00:08:33,839

anywhere between 180 to 200 feet high

206

00:08:36,790 --> 00:08:34,800

maybe

207

00:08:39,029 --> 00:08:36,800

and then you have a row a row of pine

208

00:08:42,310 --> 00:08:39,039

trees next to them about six or seven of

209

00:08:43,509 --> 00:08:42,320

them and they're smaller in height

210

00:08:45,269 --> 00:08:43,519

um

211

00:08:47,670 --> 00:08:45,279

so i'm in my living room and all of a

212

00:08:49,670 --> 00:08:47,680

sudden there is a power outage

213

00:08:51,110 --> 00:08:49,680

and i think to myself oh i have we

214

00:08:54,389 --> 00:08:51,120

haven't had one of those in a while you

215

00:08:56,070 --> 00:08:54,399

know that's that's okay whatever and the

216

00:08:57,990 --> 00:08:56,080

thing about me is that i'm a night owl

217

00:09:00,630 --> 00:08:58,000

so i do stay up really late and i was

218

00:09:01,750 --> 00:09:00,640

working most likely on something

219

00:09:06,630 --> 00:09:01,760

and

220

00:09:09,750 --> 00:09:06,640

then i told myself why don't we just

221

00:09:11,829 --> 00:09:09,760

step outside and gaze up at the stars um

222

00:09:14,790 --> 00:09:11,839

you know there's less less light

223

00:09:16,470 --> 00:09:14,800

pollution now that the lights

224

00:09:18,949 --> 00:09:16,480

are out in our building

225

00:09:21,430 --> 00:09:18,959

i step outside and i look over to the

226

00:09:24,630 --> 00:09:21,440

left i look over to the right and

227

00:09:26,630 --> 00:09:24,640

both uh rows of houses next to our

228

00:09:28,310 --> 00:09:26,640

building uh their lights are out

229

00:09:30,070 --> 00:09:28,320

except for the building in front of us

230

00:09:32,550 --> 00:09:30,080

you know which is like uh maybe like

231

00:09:33,829 --> 00:09:32,560

like a six-story high building and also

232

00:09:35,509 --> 00:09:33,839

newer

233

00:09:37,190 --> 00:09:35,519

and i thought okay so maybe it's just

234

00:09:38,230 --> 00:09:37,200

like a partial

235

00:09:39,269 --> 00:09:38,240

like a

236

00:09:40,230 --> 00:09:39,279

you know

237

00:09:41,910 --> 00:09:40,240

um

238

00:09:44,949 --> 00:09:41,920

outage of our

239

00:09:47,829 --> 00:09:44,959

street block whatever

240

00:09:51,829 --> 00:09:47,839

and uh you know not too long after i had

241

00:09:53,990 --> 00:09:51,839

stepped out of out into the balcony um

242

00:09:56,710 --> 00:09:54,000

i i've been you know looking up at the

243

00:09:58,470 --> 00:09:56,720

sky and not too long after that

244

00:10:01,110 --> 00:09:58,480

like maybe like a minute

245

00:10:02,870 --> 00:10:01,120

or so of stopping outside i

246

00:10:04,790 --> 00:10:02,880

i see these

247

00:10:05,910 --> 00:10:04,800

three dots of light

248

00:10:08,949 --> 00:10:05,920

they were

249

00:10:11,509 --> 00:10:08,959

whitish yellowish in color

250

00:10:14,470 --> 00:10:11,519

and all i saw was

251

00:10:15,990 --> 00:10:14,480

this three lights in a triangle

252

00:10:20,550 --> 00:10:16,000

formation

253

00:10:23,030 --> 00:10:20,560

just gliding across going south east

254

00:10:25,910 --> 00:10:23,040

just on top of our building

255

00:10:27,509 --> 00:10:25,920

um just kind of maybe gliding along our

256

00:10:30,389 --> 00:10:27,519

neighborhood

257

00:10:32,470 --> 00:10:30,399

i don't know uh and he was just

258

00:10:35,350 --> 00:10:32,480

gliding silently

259

00:10:37,269 --> 00:10:35,360

there was no noise to this thing

260

00:10:39,829 --> 00:10:37,279

and um

261

00:10:42,550 --> 00:10:39,839

yeah i got really spooked out

262

00:10:43,910 --> 00:10:42,560

uh i i was just mesmerized by this it

263

00:10:46,389 --> 00:10:43,920

was just

264

00:10:47,590 --> 00:10:46,399

i mean what was this triangle ufo i

265

00:10:50,230 --> 00:10:47,600

don't know

266

00:10:52,470 --> 00:10:50,240

uh it was hard to tell how big

267

00:10:53,430 --> 00:10:52,480

and how high the lights

268

00:10:55,910 --> 00:10:53,440

were

269

00:10:58,949 --> 00:10:55,920

but i do know that

270

00:11:01,110 --> 00:10:58,959

that it went over those tall maple trees

271

00:11:03,110 --> 00:11:01,120

that i described earlier

272

00:11:06,069 --> 00:11:03,120

so it was going

273

00:11:08,150 --> 00:11:06,079

southeast and it disappeared over those

274

00:11:10,470 --> 00:11:08,160

tall tall trees

275

00:11:12,470 --> 00:11:10,480

an entire thing again like three to four

276
00:11:15,350 --> 00:11:12,480
seconds but i remember just being really

277
00:11:16,630 --> 00:11:15,360
spooked out because it's just the series

278
00:11:21,509 --> 00:11:16,640
of

279
00:11:24,389 --> 00:11:21,519
and how this happened you know

280
00:11:26,550 --> 00:11:24,399
um like was this coincidence or

281
00:11:29,750 --> 00:11:26,560
synchronicity right like

282
00:11:30,630 --> 00:11:29,760
was this thing

283
00:11:32,790 --> 00:11:30,640
that

284
00:11:33,910 --> 00:11:32,800
what what caused the power outage in our

285
00:11:35,670 --> 00:11:33,920
building

286
00:11:37,509 --> 00:11:35,680
and for the rest of the row of houses

287
00:11:39,030 --> 00:11:37,519
next to our building like i don't know

288
00:11:39,750 --> 00:11:39,040

um

289

00:11:41,750 --> 00:11:39,760

so

290

00:11:44,150 --> 00:11:41,760

i still ask myself that and you know i'm

291

00:11:47,110 --> 00:11:44,160

not a ufo investigator i didn't go out

292

00:11:49,829 --> 00:11:47,120

the next day to like you know

293

00:11:52,470 --> 00:11:49,839

talk to like the you know bc hydra

294

00:11:54,230 --> 00:11:52,480

company and like you know hey man what

295

00:11:56,710 --> 00:11:54,240

happened last night what caused this

296

00:11:58,629 --> 00:11:56,720

power outage and our block

297

00:12:01,030 --> 00:11:58,639

like i had things to do whatever like

298

00:12:02,230 --> 00:12:01,040

you know but it stayed in my mind i

299

00:12:04,069 --> 00:12:02,240

remember

300

00:12:07,269 --> 00:12:04,079

you know as it happened i was really

301
00:12:08,069 --> 00:12:07,279
scared i don't know why i mean back then

302
00:12:13,670 --> 00:12:08,079
in

303
00:12:15,829 --> 00:12:13,680
reason

304
00:12:17,670 --> 00:12:15,839
really wanted to go back to my first

305
00:12:18,629 --> 00:12:17,680
sighting and just kind of investigate

306
00:12:22,310 --> 00:12:18,639
that

307
00:12:25,350 --> 00:12:22,320
uh the topic of ufos um it became like a

308
00:12:26,710 --> 00:12:25,360
hobby for me like a pandemic hobby

309
00:12:29,670 --> 00:12:26,720
and so

310
00:12:32,230 --> 00:12:29,680
maybe this was a projection of my mind

311
00:12:33,910 --> 00:12:32,240
you know maybe i projected something

312
00:12:37,670 --> 00:12:33,920
from all the information and research

313
00:12:38,790 --> 00:12:37,680

that i had done about the ufo phenomenon

314

00:12:40,870 --> 00:12:38,800

so

315

00:12:42,150 --> 00:12:40,880

i don't know that's a crazy theory to

316

00:12:43,750 --> 00:12:42,160

think about but um there's something

317

00:12:45,910 --> 00:12:43,760

about consciousness

318

00:12:47,910 --> 00:12:45,920

and how it affects people um the way

319

00:12:50,389 --> 00:12:47,920

this one affected me

320

00:12:51,750 --> 00:12:50,399

meaning the second one was that

321

00:12:54,150 --> 00:12:51,760

with all the information that i had

322

00:12:56,310 --> 00:12:54,160

consumed about ufos

323

00:12:57,829 --> 00:12:56,320

and the different um literature that i

324

00:13:01,509 --> 00:12:57,839

had read i

325

00:13:03,750 --> 00:13:01,519

um i was just really spooked out um

326

00:13:05,430 --> 00:13:03,760

and as it happened i remember

327

00:13:07,430 --> 00:13:05,440

i was really scared standing on that

328

00:13:08,629 --> 00:13:07,440

balcony and just kind of

329

00:13:10,949 --> 00:13:08,639

wanting to

330

00:13:12,550 --> 00:13:10,959

communicate with it and just in my mind

331

00:13:13,750 --> 00:13:12,560

i was

332

00:13:15,030 --> 00:13:13,760

saying

333

00:13:16,710 --> 00:13:15,040

to myself

334

00:13:17,750 --> 00:13:16,720

or to it to

335

00:13:21,190 --> 00:13:17,760

stay

336

00:13:24,150 --> 00:13:21,200

of it

337

00:13:27,590 --> 00:13:24,160

and but he just kept gliding along um he

338

00:13:30,069 --> 00:13:27,600

just went away over those tall trees

339

00:13:31,509 --> 00:13:30,079

it's hard to tell what that was um maybe

340

00:13:33,430 --> 00:13:31,519

it was like

341

00:13:35,269 --> 00:13:33,440

you know the size of an suv

342

00:13:37,910 --> 00:13:35,279

like i couldn't really determine any

343

00:13:39,030 --> 00:13:37,920

shape but again it was a triangle

344

00:13:40,230 --> 00:13:39,040

um

345

00:13:42,790 --> 00:13:40,240

in formation

346

00:13:44,629 --> 00:13:42,800

and moving very slowly and silently

347

00:13:46,550 --> 00:13:44,639

but you know come on like close to

348

00:13:48,069 --> 00:13:46,560

midnight what's this doing what's this

349

00:13:49,189 --> 00:13:48,079

thing doing like flying over our

350

00:13:51,110 --> 00:13:49,199

neighborhood

351

00:13:53,990 --> 00:13:51,120

late late that night

352

00:13:55,590 --> 00:13:54,000

so i got really scared by that um

353

00:13:58,389 --> 00:13:55,600

and the next day i just had to like tell

354

00:14:01,430 --> 00:13:58,399

my partner about it like yeah

355

00:14:04,230 --> 00:14:01,440

uh anyway i reported it to move on and

356

00:14:05,590 --> 00:14:04,240

other places but um

357

00:14:07,269 --> 00:14:05,600

yeah um

358

00:14:09,670 --> 00:14:07,279

you know overall i think

359

00:14:12,230 --> 00:14:09,680

the first one was just astounding and

360

00:14:13,670 --> 00:14:12,240

the second one really it was

361

00:14:16,470 --> 00:14:13,680

there was something

362

00:14:19,509 --> 00:14:16,480

palpable there and how it made me feel i

363

00:14:22,069 --> 00:14:19,519

was basically afraid of it

364

00:14:23,910 --> 00:14:22,079

um anyway um

365

00:14:26,230 --> 00:14:23,920

i you know i i really appreciate the

366

00:14:29,030 --> 00:14:26,240

work that you do ryan i think this topic

367

00:14:31,269 --> 00:14:29,040

i think you're doing really good work um

368

00:14:32,550 --> 00:14:31,279

i think this topic really challenges the

369

00:14:35,350 --> 00:14:32,560

status quo

370

00:14:37,269 --> 00:14:35,360

of what we currently understand about

371

00:14:39,829 --> 00:14:37,279

you know the cosmos or

372

00:14:41,189 --> 00:14:39,839

and ourselves as human beings you know

373

00:14:43,509 --> 00:14:41,199

i'm not saying that

374

00:14:44,790 --> 00:14:43,519

you know um that the sightings that i

375

00:14:47,910 --> 00:14:44,800

had were

376

00:14:50,310 --> 00:14:47,920

um of ellen alien origin but

377

00:14:52,870 --> 00:14:50,320

but let me tell you man the first one

378

00:14:54,470 --> 00:14:52,880

uh it was truly something out of this

379

00:14:56,870 --> 00:14:54,480

world it was

380

00:14:59,269 --> 00:14:56,880

something that i had never seen

381

00:15:01,030 --> 00:14:59,279

but for some reason after the second one

382

00:15:03,350 --> 00:15:01,040

i have this uncanny feeling that it'll

383

00:15:05,509 --> 00:15:03,360

keep happening again that for sure i'm

384

00:15:06,870 --> 00:15:05,519

going to keep seeing

385

00:15:10,230 --> 00:15:06,880

or having more

386

00:15:13,670 --> 00:15:10,240

uap or ufo experiences or sightings

387

00:15:15,590 --> 00:15:13,680

i i can't tell you why that is but um

388

00:15:17,829 --> 00:15:15,600

i know it's gonna happen again i just

389

00:15:20,150 --> 00:15:17,839

don't know when and that's okay

390

00:15:21,509 --> 00:15:20,160

um i just know that i have to just keep

391

00:15:23,269 --> 00:15:21,519

looking up

392

00:15:24,550 --> 00:15:23,279

and uh just pay attention to the night

393

00:15:26,069 --> 00:15:24,560

sky

394

00:15:27,590 --> 00:15:26,079

hell even during the daytime maybe

395

00:15:29,030 --> 00:15:27,600

something might happen maybe like a day

396

00:15:31,670 --> 00:15:29,040

sighting right

397

00:15:33,829 --> 00:15:31,680

um anyway um

398

00:15:37,350 --> 00:15:33,839

uh anyways that's all ryan uh thank you

399

00:15:39,350 --> 00:15:37,360

um everyone for listening to my story

400

00:15:44,069 --> 00:15:39,360

as richard dolan says you know keep

401
00:15:47,670 --> 00:15:46,550
hey ryan hey somewhere in the skies

402
00:15:49,110 --> 00:15:47,680
listeners

403
00:15:51,910 --> 00:15:49,120
i'm mj

404
00:15:56,069 --> 00:15:51,920
from a spooky tells podcast that's e in

405
00:15:59,269 --> 00:15:56,079
front of spooky and i have a story for

406
00:16:02,310 --> 00:15:59,279
you all today i hope you enjoy it it's a

407
00:16:04,069 --> 00:16:02,320
story i grew up listening and it used to

408
00:16:05,509 --> 00:16:04,079
terrify me

409
00:16:07,189 --> 00:16:05,519
as a child

410
00:16:10,310 --> 00:16:07,199
so i hope you guys enjoy

411
00:16:12,550 --> 00:16:10,320
this story takes place in 1994 in the

412
00:16:15,269 --> 00:16:12,560
middle of nowhere pueblo called latinaja

413
00:16:17,670 --> 00:16:15,279

in the state of sacatecas in mexico

414

00:16:19,030 --> 00:16:17,680

latinaja is in the municipality of

415

00:16:20,790 --> 00:16:19,040

villanova

416

00:16:23,749 --> 00:16:20,800

according to the research of this little

417

00:16:26,230 --> 00:16:23,759

pueblo it no longer has residents and as

418

00:16:28,629 --> 00:16:26,240

of right now as far as i am aware it's a

419

00:16:30,629 --> 00:16:28,639

ghost town not to be confused with

420

00:16:32,310 --> 00:16:30,639

another little town of the same name

421

00:16:34,389 --> 00:16:32,320

within the same state

422

00:16:36,949 --> 00:16:34,399

this dinah in particular is no longer

423

00:16:38,790 --> 00:16:36,959

registered as a town and the people who

424

00:16:40,870 --> 00:16:38,800

told me the story are near and dear to

425

00:16:44,230 --> 00:16:40,880

me so all the names will be changed as

426

00:16:46,389 --> 00:16:44,240

they wish to remain anonymous

427

00:16:48,389 --> 00:16:46,399

one night jose and his friend miguel

428

00:16:50,389 --> 00:16:48,399

were on horseback they were returning

429

00:16:52,470 --> 00:16:50,399

from a neighboring town from a dance and

430

00:16:54,230 --> 00:16:52,480

seeing their girlfriends as they were

431

00:16:56,710 --> 00:16:54,240

crossing the road in fields in the

432

00:16:57,670 --> 00:16:56,720

distance they saw an airplane flying

433

00:17:02,230 --> 00:16:57,680

over

434

00:17:04,630 --> 00:17:02,240

airplane and engulfed it the airplane

435

00:17:07,350 --> 00:17:04,640

completely stops almost like it was

436

00:17:09,590 --> 00:17:07,360

locked in time and space not going up or

437

00:17:12,390 --> 00:17:09,600

down back or forward

438

00:17:15,029 --> 00:17:12,400

just there hovering in mid-air with this

439

00:17:16,789 --> 00:17:15,039

light shining above it according to jose

440

00:17:18,630 --> 00:17:16,799

it couldn't have lasted more than 10

441

00:17:20,390 --> 00:17:18,640

seconds and as soon as the light

442

00:17:22,870 --> 00:17:20,400

appeared it vanished and the airplane

443

00:17:26,710 --> 00:17:22,880

resumed its fight jose and miguel were

444

00:17:28,870 --> 00:17:26,720

terrified because it made no sense

445

00:17:30,950 --> 00:17:28,880

jose would go on to clarify that miguel

446

00:17:33,590 --> 00:17:30,960

and him did not grow up with pop culture

447

00:17:35,830 --> 00:17:33,600

as they lived in a farm town very rural

448

00:17:36,710 --> 00:17:35,840

very third world country like way of

449

00:17:38,390 --> 00:17:36,720

living

450

00:17:40,310 --> 00:17:38,400

the only electrical thing in this town

451
00:17:42,870 --> 00:17:40,320
were the street lamps the houses and

452
00:17:45,029 --> 00:17:42,880
residents still used oil lamps and they

453
00:17:47,270 --> 00:17:45,039
were not influenced by alien and ufo

454
00:17:50,310 --> 00:17:47,280
culture like many parts of the world no

455
00:17:52,789 --> 00:17:50,320
electricity no tv

456
00:17:54,950 --> 00:17:52,799
now to return to the story jose and

457
00:17:57,669 --> 00:17:54,960
miguel depart from each other each

458
00:17:59,590 --> 00:17:57,679
heading to their own homes when jose

459
00:18:02,230 --> 00:17:59,600
reached his home he went straight to the

460
00:18:04,950 --> 00:18:02,240
horse's stable as he was putting away

461
00:18:07,350 --> 00:18:04,960
his horse jose noticed that outside the

462
00:18:09,990 --> 00:18:07,360
stable became entirely lit like it was

463
00:18:12,310 --> 00:18:10,000

daylight he'd noticed that the light

464

00:18:14,470 --> 00:18:12,320

shining down on the stable was the very

465

00:18:15,669 --> 00:18:14,480

same light that paused the airplane in

466

00:18:17,830 --> 00:18:15,679

mid-air

467

00:18:21,190 --> 00:18:17,840

he described it as being similar to a

468

00:18:23,350 --> 00:18:21,200

spotlight but on a much larger scale

469

00:18:25,830 --> 00:18:23,360

and just like with the airplane as soon

470

00:18:28,710 --> 00:18:25,840

as it came it left once the light was no

471

00:18:30,870 --> 00:18:28,720

longer shining down on the stable jose

472

00:18:33,110 --> 00:18:30,880

ran home

473

00:18:35,510 --> 00:18:33,120

the family guard dog greeted him outside

474

00:18:38,150 --> 00:18:35,520

the home he began rationalizing what he

475

00:18:39,830 --> 00:18:38,160

saw as the dog seemed unaffected he

476

00:18:41,990 --> 00:18:39,840

locked the iron screen door and the

477

00:18:44,310 --> 00:18:42,000

wooden door behind him leaving the guard

478

00:18:46,310 --> 00:18:44,320

dog outside his sister his brother and

479

00:18:48,950 --> 00:18:46,320

his parents are inside the home waiting

480

00:18:51,029 --> 00:18:48,960

for him and they noticed he was shaken

481

00:18:54,070 --> 00:18:51,039

they asked what was wrong and jose

482

00:18:58,950 --> 00:18:54,080

recounted his experience a few hours

483

00:19:00,950 --> 00:18:58,960

later everything seemed back to normal

484

00:19:03,430 --> 00:19:00,960

as they were getting ready to go to bed

485

00:19:06,150 --> 00:19:03,440

their dog starts going wild outside

486

00:19:08,630 --> 00:19:06,160

barking and growling ready to attack

487

00:19:10,390 --> 00:19:08,640

something the family became startled

488

00:19:11,830 --> 00:19:10,400

maybe it was someone trying to take one

489

00:19:13,510 --> 00:19:11,840

of their animals

490

00:19:16,870 --> 00:19:13,520

to their horror the family hears

491

00:19:18,310 --> 00:19:16,880

something fall on the roof a very heavy

492

00:19:20,070 --> 00:19:18,320

thump

493

00:19:22,630 --> 00:19:20,080

something either fell on the roof or

494

00:19:26,230 --> 00:19:22,640

something jumped onto the roof

495

00:19:29,029 --> 00:19:26,240

and this something starts walking across

496

00:19:31,190 --> 00:19:29,039

and it seems to be bipedal

497

00:19:33,590 --> 00:19:31,200

walking on two legs it was not a

498

00:19:35,750 --> 00:19:33,600

four-legged creature from what jose's

499

00:19:36,830 --> 00:19:35,760

sister says it sounded like this thing

500

00:19:39,909 --> 00:19:36,840

had

501
00:19:41,909 --> 00:19:39,919
claws with each step that was taken it

502
00:19:44,230 --> 00:19:41,919
had the sound of claws dragging across

503
00:19:46,710 --> 00:19:44,240
the roof at this point the family is

504
00:19:49,029 --> 00:19:46,720
frantic jose and his brother grab their

505
00:19:50,549 --> 00:19:49,039
guns and ready for an attack whatever is

506
00:19:52,549 --> 00:19:50,559
on the roof if it comes through the

507
00:19:54,390 --> 00:19:52,559
ceiling or tries to door they will be

508
00:19:56,310 --> 00:19:54,400
ready

509
00:19:58,390 --> 00:19:56,320
meanwhile the dog at this point is in

510
00:20:00,310 --> 00:19:58,400
fear and it's no longer sounding angry

511
00:20:01,990 --> 00:20:00,320
it's sounding afraid and it starts

512
00:20:04,549 --> 00:20:02,000
running and slamming into the front

513
00:20:06,950 --> 00:20:04,559

doors charging at the doors over and

514

00:20:08,630 --> 00:20:06,960

over and over nearly breaking the iron

515

00:20:11,350 --> 00:20:08,640

screen door in the wooden door along

516

00:20:13,909 --> 00:20:11,360

with it whimpering barking and growling

517

00:20:16,710 --> 00:20:13,919

the dog is in complete hysterics when

518

00:20:18,630 --> 00:20:16,720

all of a sudden all the noises just

519

00:20:25,430 --> 00:20:18,640

stop

520

00:20:27,510 --> 00:20:25,440

becomes silent

521

00:20:29,029 --> 00:20:27,520

they did not rest that entire night and

522

00:20:31,029 --> 00:20:29,039

when morning came they opened their

523

00:20:33,750 --> 00:20:31,039

doors and saw the dog was laying there

524

00:20:36,390 --> 00:20:33,760

on the floor dead no blood no cuts no

525

00:20:38,710 --> 00:20:36,400

wounds it looked like it was sleeping

526

00:20:40,549 --> 00:20:38,720

after these incidents jose had suffered

527

00:20:42,310 --> 00:20:40,559

and many people around the town and the

528

00:20:44,149 --> 00:20:42,320

neighboring town see lights coming in

529

00:20:45,350 --> 00:20:44,159

and out of the lake that's at the edge

530

00:20:46,950 --> 00:20:45,360

of latina

531

00:20:48,870 --> 00:20:46,960

one of these people who have seen these

532

00:20:51,590 --> 00:20:48,880

lights coming in and out of the lake has

533

00:20:53,590 --> 00:20:51,600

been jose's sister on two occasions

534

00:20:55,909 --> 00:20:53,600

several other residents

535

00:20:57,909 --> 00:20:55,919

of the neighboring town as well so much

536

00:21:00,149 --> 00:20:57,919

so that they would wait out for any

537

00:21:02,870 --> 00:21:00,159

family or friend walking near this lake

538

00:21:04,230 --> 00:21:02,880

late at night to make sure they got home

539

00:21:06,789 --> 00:21:04,240

safe

540

00:21:07,909 --> 00:21:06,799

and that is the story i hope you enjoyed

541

00:21:11,270 --> 00:21:07,919

listening

542

00:21:14,230 --> 00:21:11,280

it is a story that was retold over and

543

00:21:17,270 --> 00:21:14,240

over again to me as a child and it used

544

00:21:18,149 --> 00:21:17,280

to scare me so much but with that being

545

00:21:20,920 --> 00:21:18,159

said

546

00:21:22,870 --> 00:21:20,930

bye and stay as spooky

547

00:21:24,149 --> 00:21:22,880

[Music]

548

00:21:27,350 --> 00:21:24,159

hi ryan

549

00:21:29,990 --> 00:21:27,360

my name is john and

550

00:21:31,590 --> 00:21:30,000

i experienced something absolutely

551
00:21:33,590 --> 00:21:31,600
extraordinary

552
00:21:37,430 --> 00:21:33,600
with my mom

553
00:21:40,390 --> 00:21:37,440
just outside of casa grande arizona

554
00:21:42,470 --> 00:21:40,400
a little less than a month ago

555
00:21:44,710 --> 00:21:42,480
and i'd like to tell you about it

556
00:21:46,789 --> 00:21:44,720
um

557
00:21:49,110 --> 00:21:46,799
we have been spending time out in

558
00:21:51,350 --> 00:21:49,120
arizona we're from california uh just

559
00:21:53,990 --> 00:21:51,360
north of los angeles

560
00:21:57,590 --> 00:21:54,000
and i've been spending time out here in

561
00:21:59,350 --> 00:21:57,600
arizona with my mom and puppies

562
00:22:01,750 --> 00:21:59,360
doing a sort of

563
00:22:02,789 --> 00:22:01,760

artist retreat you know we're making art

564

00:22:04,310 --> 00:22:02,799

music

565

00:22:05,430 --> 00:22:04,320

and now

566

00:22:07,830 --> 00:22:05,440

i guess

567

00:22:08,870 --> 00:22:07,840

taking pictures of ufos

568

00:22:11,270 --> 00:22:08,880

um

569

00:22:15,350 --> 00:22:11,280

we're no strangers to this sort of thing

570

00:22:17,830 --> 00:22:15,360

um i've personally seen about a dozen

571

00:22:20,789 --> 00:22:17,840

good ufos in my life

572

00:22:22,549 --> 00:22:20,799

with you know details lights

573

00:22:25,510 --> 00:22:22,559

and all kinds of stuff and i think i've

574

00:22:27,810 --> 00:22:25,520

seen a mix of government craft

575

00:22:29,110 --> 00:22:27,820

et craft

576
00:22:31,830 --> 00:22:29,120
[Music]

577
00:22:34,390 --> 00:22:31,840
we've just never

578
00:22:36,310 --> 00:22:34,400
gotten the opportunity to

579
00:22:38,470 --> 00:22:36,320
get it on film

580
00:22:39,350 --> 00:22:38,480
until now

581
00:22:42,630 --> 00:22:39,360
so

582
00:22:46,630 --> 00:22:42,640
on the 11th of may we were here

583
00:22:50,470 --> 00:22:46,640
about 10 miles outside of casa grande

584
00:22:51,990 --> 00:22:50,480
arizona in a retirement community a 55

585
00:22:56,070 --> 00:22:52,000
plus community

586
00:22:57,990 --> 00:22:56,080
where my mom is renting a spot and she's

587
00:23:01,190 --> 00:22:58,000
got a trailer set up

588
00:23:03,190 --> 00:23:01,200

and it's pretty bare bones but it works

589

00:23:06,070 --> 00:23:03,200

it's a nice little

590

00:23:08,470 --> 00:23:06,080

spot to get away and

591

00:23:09,270 --> 00:23:08,480

do something creative

592

00:23:10,710 --> 00:23:09,280

so

593

00:23:13,830 --> 00:23:10,720

we were

594

00:23:16,549 --> 00:23:13,840

well that day i had come into town

595

00:23:18,470 --> 00:23:16,559

to do some stuff and on my way back uh

596

00:23:19,750 --> 00:23:18,480

the sun was going down

597

00:23:22,390 --> 00:23:19,760

and here

598

00:23:25,029 --> 00:23:22,400

in this part of arizona the sky is

599

00:23:27,350 --> 00:23:25,039

massive um in california we have a lot

600

00:23:29,270 --> 00:23:27,360

of mountains and

601
00:23:31,350 --> 00:23:29,280
it just seems a lot smaller there here

602
00:23:33,909 --> 00:23:31,360
it kind of looks like the sky looks over

603
00:23:36,870 --> 00:23:33,919
the ocean it just you know horizon to

604
00:23:38,310 --> 00:23:36,880
horizon it's it's massive and i noticed

605
00:23:40,390 --> 00:23:38,320
right away

606
00:23:42,390 --> 00:23:40,400
with the

607
00:23:44,470 --> 00:23:42,400
um sunset

608
00:23:49,590 --> 00:23:44,480
that

609
00:23:51,269 --> 00:23:49,600
they were crossing the entire sky they

610
00:23:53,830 --> 00:23:51,279
looked like

611
00:23:55,830 --> 00:23:53,840
almost like a dividing cell or something

612
00:23:57,830 --> 00:23:55,840
i mean just massive clouds and i was

613
00:23:59,430 --> 00:23:57,840

already thinking oh yeah there's

614

00:24:01,350 --> 00:23:59,440

probably like a mother ship or something

615

00:24:04,230 --> 00:24:01,360

hiding in there right

616

00:24:05,510 --> 00:24:04,240

and so i came back to the place and we

617

00:24:08,149 --> 00:24:05,520

decided

618

00:24:10,470 --> 00:24:08,159

a couple hours later to go walk the dogs

619

00:24:13,029 --> 00:24:10,480

to the dog park which is right there by

620

00:24:14,070 --> 00:24:13,039

the complex we're staying in

621

00:24:14,630 --> 00:24:14,080

and

622

00:24:15,830 --> 00:24:14,640

my mom

623

00:24:18,470 --> 00:24:15,840

[Music]

624

00:24:20,310 --> 00:24:18,480

didn't normally bring her phone

625

00:24:23,510 --> 00:24:20,320

on such walks

626

00:24:25,110 --> 00:24:23,520

she was intuitively called to grab it i

627

00:24:26,870 --> 00:24:25,120

mean we were looking at the clouds and

628

00:24:28,390 --> 00:24:26,880

they were strange and she thought okay

629

00:24:30,149 --> 00:24:28,400

well you know we'll capture some

630

00:24:32,390 --> 00:24:30,159

interesting pictures

631

00:24:34,310 --> 00:24:32,400

of the cloud formations here that

632

00:24:37,110 --> 00:24:34,320

were like interlocking right above our

633

00:24:39,029 --> 00:24:37,120

heads it was really weird

634

00:24:40,710 --> 00:24:39,039

and so she grabbed her phone and we we

635

00:24:42,549 --> 00:24:40,720

took the dogs to the dog park and on our

636

00:24:44,230 --> 00:24:42,559

way back

637

00:24:47,590 --> 00:24:44,240

is when

638

00:24:49,350 --> 00:24:47,600

we decided to she decided to grab her

639

00:24:52,149 --> 00:24:49,360

phone and snap some pictures of the

640

00:24:53,269 --> 00:24:52,159

clouds the clouds at this point were

641

00:24:54,950 --> 00:24:53,279

showing us

642

00:24:56,710 --> 00:24:54,960

pictures

643

00:25:02,630 --> 00:24:56,720

so

644

00:25:04,870 --> 00:25:02,640

baby that my mother had lost

645

00:25:07,909 --> 00:25:04,880

many years ago

646

00:25:10,149 --> 00:25:07,919

and then it morphed into

647

00:25:13,110 --> 00:25:10,159

what looked like

648

00:25:15,830 --> 00:25:13,120

a gray e.t

649

00:25:17,510 --> 00:25:15,840

head you know with the big black eyes

650

00:25:19,190 --> 00:25:17,520

and and that sort of thing and that's

651
00:25:20,950 --> 00:25:19,200
actually the moment that my mom took out

652
00:25:24,549 --> 00:25:20,960
her phone

653
00:25:25,909 --> 00:25:24,559
and she aimed to capture that

654
00:25:26,830 --> 00:25:25,919
um

655
00:25:28,470 --> 00:25:26,840
in her

656
00:25:29,750 --> 00:25:28,480
camera

657
00:25:31,590 --> 00:25:29,760
so

658
00:25:33,350 --> 00:25:31,600
she takes it out and she points it

659
00:25:34,710 --> 00:25:33,360
straight up into the sky above us these

660
00:25:35,990 --> 00:25:34,720
clouds by the way

661
00:25:38,310 --> 00:25:36,000
they were only a couple hundred feet

662
00:25:41,029 --> 00:25:38,320
above our heads and they were like

663
00:25:43,269 --> 00:25:41,039

gliding over us like on a piece of glass

664

00:25:45,190 --> 00:25:43,279

or something and then when we started

665

00:25:46,630 --> 00:25:45,200

seeing these images the clouds were

666

00:25:48,230 --> 00:25:46,640

actually

667

00:25:50,789 --> 00:25:48,240

coming towards us

668

00:25:51,750 --> 00:25:50,799

like down towards us towards the ground

669

00:25:54,310 --> 00:25:51,760

it was

670

00:25:57,750 --> 00:25:54,320

unbelievable i've never seen clouds

671

00:25:59,669 --> 00:25:57,760

quote unquote do this before in my life

672

00:26:01,750 --> 00:25:59,679

and so she she

673

00:26:05,269 --> 00:26:01,760

snapped six pictures over the course of

674

00:26:07,750 --> 00:26:05,279

29 seconds uh at around 9 00 p.m on the

675

00:26:10,070 --> 00:26:07,760

11th of may

676
00:26:11,830 --> 00:26:10,080
there wasn't any light pollution it was

677
00:26:14,630 --> 00:26:11,840
quiet everyone in the complex was

678
00:26:16,230 --> 00:26:14,640
already asleep um

679
00:26:17,750 --> 00:26:16,240
really great conditions for taking

680
00:26:26,310 --> 00:26:17,760
pictures

681
00:26:29,110 --> 00:26:26,320
time we just we got tired we walked back

682
00:26:31,350 --> 00:26:29,120
to the place and we fell asleep

683
00:26:33,590 --> 00:26:31,360
immediately and it wasn't until the next

684
00:26:36,470 --> 00:26:33,600
morning that

685
00:26:41,269 --> 00:26:36,480
we realized what exactly we had caught

686
00:26:46,390 --> 00:26:43,830
in fact my mom almost threw them out the

687
00:26:48,070 --> 00:26:46,400
previous evening she did see them as

688
00:26:50,149 --> 00:26:48,080

thumbnails in her phone and she thought

689

00:26:52,070 --> 00:26:50,159

that there was

690

00:26:53,669 --> 00:26:52,080

you know like like light pollution or

691

00:26:55,350 --> 00:26:53,679

something was happening in the photos

692

00:26:57,830 --> 00:26:55,360

that they were crap and they were trash

693

00:26:59,590 --> 00:26:57,840

and she actually almost threw them away

694

00:27:01,350 --> 00:26:59,600

something inside of her was like no no

695

00:27:03,430 --> 00:27:01,360

no just hold on to these

696

00:27:05,510 --> 00:27:03,440

and the next morning we took a

697

00:27:08,710 --> 00:27:05,520

close look and

698

00:27:10,149 --> 00:27:08,720

were absolutely

699

00:27:11,669 --> 00:27:10,159

astonished

700

00:27:13,830 --> 00:27:11,679

with what we saw

701
00:27:16,149 --> 00:27:13,840
i should add too that when we were

702
00:27:17,830 --> 00:27:16,159
taking the pictures when we saw the

703
00:27:19,750 --> 00:27:17,840
the images and the clouds and they were

704
00:27:21,430 --> 00:27:19,760
coming towards us and all that we felt

705
00:27:23,830 --> 00:27:21,440
the whole time like they were craft up

706
00:27:25,350 --> 00:27:23,840
there it's just you know we just know it

707
00:27:27,510 --> 00:27:25,360
it's an intuitive feeling and when

708
00:27:29,750 --> 00:27:27,520
clouds like this happen which by the way

709
00:27:31,510 --> 00:27:29,760
have happened in our past

710
00:27:32,950 --> 00:27:31,520
and they've preceded these sorts of

711
00:27:34,870 --> 00:27:32,960
clouds with the fingers stretching

712
00:27:37,990 --> 00:27:34,880
across

713
00:27:41,750 --> 00:27:38,000

they've preceded weird events

714

00:27:43,669 --> 00:27:41,760

in the nights that they've appeared so

715

00:27:47,269 --> 00:27:43,679

she knew right away

716

00:27:48,710 --> 00:27:47,279

that something was up and i don't know

717

00:27:49,909 --> 00:27:48,720

um

718

00:27:51,830 --> 00:27:49,919

the images

719

00:27:54,789 --> 00:27:51,840

i mean they they speak for themselves in

720

00:27:57,430 --> 00:27:54,799

five of the six images she caught this

721

00:28:01,029 --> 00:27:57,440

craft which

722

00:28:04,070 --> 00:28:01,039

uh has rows of of colors of lights um

723

00:28:07,029 --> 00:28:04,080

the thing we estimate is probably i

724

00:28:09,830 --> 00:28:07,039

don't know seven eight decks

725

00:28:11,269 --> 00:28:09,840

tall i mean it was massive um if you

726

00:28:13,029 --> 00:28:11,279

extrapolate

727

00:28:15,110 --> 00:28:13,039

you know from where the camera position

728

00:28:16,870 --> 00:28:15,120

was and looking up into the sky and we

729

00:28:18,549 --> 00:28:16,880

caught you know the edge of this thing

730

00:28:21,269 --> 00:28:18,559

it's probably a couple hundred feet

731

00:28:23,350 --> 00:28:21,279

across and we did not see this thing

732

00:28:25,269 --> 00:28:23,360

with our naked eyes

733

00:28:27,669 --> 00:28:25,279

um it was completely invisible we felt

734

00:28:31,029 --> 00:28:27,679

it up there but the fact that

735

00:28:31,909 --> 00:28:31,039

we actually got something in photograph

736

00:28:34,710 --> 00:28:31,919

that

737

00:28:36,870 --> 00:28:34,720

we couldn't see with our eyes is

738

00:28:38,710 --> 00:28:36,880

absolutely astounding

739

00:28:43,590 --> 00:28:38,720

um

740

00:28:45,510 --> 00:28:43,600

between dimensions or yeah i don't know

741

00:28:47,830 --> 00:28:45,520

maybe it was moving too fast for our

742

00:28:49,110 --> 00:28:47,840

eyes to see but the camera shutter got

743

00:28:50,630 --> 00:28:49,120

it

744

00:28:52,789 --> 00:28:50,640

um

745

00:28:54,470 --> 00:28:52,799

i we really don't know we really don't

746

00:28:55,830 --> 00:28:54,480

know we don't know if this is government

747

00:28:57,669 --> 00:28:55,840

or if it's et

748

00:28:59,190 --> 00:28:57,679

um

749

00:29:01,510 --> 00:28:59,200

but

750

00:29:04,950 --> 00:29:01,520

the pictures are extraordinary um in the

751
00:29:07,269 --> 00:29:04,960
words of of john halloran from mufon who

752
00:29:08,950 --> 00:29:07,279
gave us a prompt call

753
00:29:10,950 --> 00:29:08,960
for an interview

754
00:29:14,470 --> 00:29:10,960
about all the details

755
00:29:16,230 --> 00:29:14,480
his word was that these photos are

756
00:29:18,230 --> 00:29:16,240
extraordinary

757
00:29:20,149 --> 00:29:18,240
and they are um

758
00:29:22,310 --> 00:29:20,159
the sixth one in particular where you

759
00:29:23,909 --> 00:29:22,320
can really see the craft if you if you

760
00:29:25,350 --> 00:29:23,919
zoom in on that

761
00:29:28,149 --> 00:29:25,360
there's a whole

762
00:29:30,070 --> 00:29:28,159
wealth of details there porthole windows

763
00:29:32,870 --> 00:29:30,080

that are reflecting off the hull you can

764

00:29:35,430 --> 00:29:32,880

see the ridge lines you can see

765

00:29:38,389 --> 00:29:35,440

a pipeline going across

766

00:29:41,110 --> 00:29:38,399

you can see a braided

767

00:29:42,950 --> 00:29:41,120

not work on the bottom of the craft

768

00:29:45,110 --> 00:29:42,960

it's unbelievable

769

00:29:46,470 --> 00:29:45,120

so you know with this audio recording

770

00:29:49,269 --> 00:29:46,480

that i'm going to be sending you i'll

771

00:29:51,990 --> 00:29:49,279

send you the pictures and a little bit

772

00:29:54,710 --> 00:29:52,000

of analysis that we've done too but

773

00:29:57,830 --> 00:29:54,720

um yeah that's our experience

774

00:29:59,590 --> 00:29:57,840

that particular time now i will add

775

00:30:01,029 --> 00:29:59,600

that

776

00:30:05,510 --> 00:30:01,039

we've actually

777

00:30:07,190 --> 00:30:05,520

seen and recorded multiple ufos here in

778

00:30:09,990 --> 00:30:07,200

in arizona

779

00:30:11,830 --> 00:30:10,000

on our drive back this time so we we

780

00:30:13,750 --> 00:30:11,840

came here we

781

00:30:15,750 --> 00:30:13,760

my mom photographed a ufo and then we

782

00:30:17,750 --> 00:30:15,760

went back home for a couple weeks and

783

00:30:19,990 --> 00:30:17,760

now we're back in arizona

784

00:30:21,029 --> 00:30:20,000

and on our drive back

785

00:30:25,190 --> 00:30:21,039

we

786

00:30:26,789 --> 00:30:25,200

saw a triangular ufo that that flashed

787

00:30:28,549 --> 00:30:26,799

us for just

788

00:30:30,870 --> 00:30:28,559

a couple seconds it was too quick for

789

00:30:32,950 --> 00:30:30,880

her to grab her phone i was driving

790

00:30:35,269 --> 00:30:32,960

but it showed us its bottom side it was

791

00:30:38,230 --> 00:30:35,279

a it was an orb of light it was a white

792

00:30:41,590 --> 00:30:38,240

orb and then it morphed into a triangle

793

00:30:43,750 --> 00:30:41,600

that was facing us with a red light on

794

00:30:45,990 --> 00:30:43,760

one corner and green lights on the other

795

00:30:47,510 --> 00:30:46,000

two corners no red death light in the

796

00:30:50,389 --> 00:30:47,520

middle so i don't think this is

797

00:30:51,269 --> 00:30:50,399

necessarily a tr-3b

798

00:30:53,190 --> 00:30:51,279

um

799

00:30:56,310 --> 00:30:53,200

but we did see that and then it turned

800

00:30:57,669 --> 00:30:56,320

into a red orb and and flew off you know

801
00:31:00,070 --> 00:30:57,679
into the distance and she actually got

802
00:31:01,509 --> 00:31:00,080
some of that on video when it turned

803
00:31:02,870 --> 00:31:01,519
into the red orb

804
00:31:04,710 --> 00:31:02,880
and then we saw

805
00:31:07,830 --> 00:31:04,720
on our last trip here we also saw

806
00:31:10,310 --> 00:31:07,840
another ufo over the complex and it was

807
00:31:12,630 --> 00:31:10,320
just a um

808
00:31:13,990 --> 00:31:12,640
it was a white orb that was flashing all

809
00:31:15,830 --> 00:31:14,000
these different colors and it looked

810
00:31:17,990 --> 00:31:15,840
kind of iridescent and i got a really

811
00:31:19,750 --> 00:31:18,000
good video of it the thing is compared

812
00:31:22,149 --> 00:31:19,760
to this other these other pictures that

813
00:31:23,669 --> 00:31:22,159

we got you know

814

00:31:26,070 --> 00:31:23,679

i'll put it this way

815

00:31:28,950 --> 00:31:26,080

the video footage

816

00:31:30,830 --> 00:31:28,960

would have excited us before

817

00:31:33,990 --> 00:31:30,840

we got these

818

00:31:36,070 --> 00:31:34,000

images um but in comparison it's you

819

00:31:38,389 --> 00:31:36,080

know whatever but yeah we actually do

820

00:31:40,710 --> 00:31:38,399

have another ufo video too that we could

821

00:31:42,789 --> 00:31:40,720

send you if you were interested

822

00:31:47,110 --> 00:31:42,799

but anyway that's that's pretty much the

823

00:31:47,870 --> 00:31:47,120

story i hope i didn't leave anything out

824

00:31:49,110 --> 00:31:47,880

and

825

00:31:51,110 --> 00:31:49,120

[Music]

826

00:31:53,909 --> 00:31:51,120

yeah thank you for

827

00:31:55,750 --> 00:31:53,919

taking the time to

828

00:31:57,509 --> 00:31:55,760

listen to this we want to get this out

829

00:31:59,750 --> 00:31:57,519

there to the world we want the world to

830

00:32:01,590 --> 00:31:59,760

see these images but

831

00:32:03,669 --> 00:32:01,600

it seems like a lot of people out there

832

00:32:04,549 --> 00:32:03,679

can't see it or maybe they're hypnotized

833

00:32:07,269 --> 00:32:04,559

or

834

00:32:09,350 --> 00:32:07,279

maybe the images are too good a quality

835

00:32:10,389 --> 00:32:09,360

maybe they look like bad cgi or

836

00:32:12,230 --> 00:32:10,399

something

837

00:32:14,950 --> 00:32:12,240

and people just they take one glance at

838

00:32:17,669 --> 00:32:14,960

it and go yeah no it's not but it's

839

00:32:22,070 --> 00:32:20,070

absolutely extraordinary

840

00:32:22,610 --> 00:32:22,080

the detail

841

00:32:23,830 --> 00:32:22,620

so

842

00:32:26,630 --> 00:32:23,840

[Music]

843

00:32:30,710 --> 00:32:26,640

yeah thank you and um

844

00:32:33,990 --> 00:32:32,389

hi ryan thank you for having me on

845

00:32:36,310 --> 00:32:34,000

somewhere in the skies i'm an avid

846

00:32:37,350 --> 00:32:36,320

listener and i can't wait to tell you my

847

00:32:39,590 --> 00:32:37,360

story

848

00:32:41,269 --> 00:32:39,600

so my name is dennis i live in

849

00:32:43,350 --> 00:32:41,279

southampton at the moment but i used to

850

00:32:45,190 --> 00:32:43,360

live on the isle of wight

851
00:32:47,430 --> 00:32:45,200
which is a little island off the south

852
00:32:50,310 --> 00:32:47,440
coast of england in the uk

853
00:32:52,630 --> 00:32:50,320
um and my story basically

854
00:32:55,590 --> 00:32:52,640
was what kick-started my absolute

855
00:32:57,750 --> 00:32:55,600
fascination with aliens with ufos

856
00:32:59,830 --> 00:32:57,760
with the paranormal

857
00:33:01,430 --> 00:32:59,840
because it was something that i just

858
00:33:03,029 --> 00:33:01,440
couldn't explain no matter how hard i

859
00:33:04,789 --> 00:33:03,039
tried i always had a fascination in that

860
00:33:07,509 --> 00:33:04,799
side of things but this really

861
00:33:08,710 --> 00:33:07,519
kick-started it for me and

862
00:33:10,389 --> 00:33:08,720
ever since then i've been really sort of

863
00:33:11,830 --> 00:33:10,399

like looking for paranormal stories and

864

00:33:13,430 --> 00:33:11,840

that's why i came across this podcast a

865

00:33:15,669 --> 00:33:13,440

few years ago and

866

00:33:18,389 --> 00:33:15,679

i listen to it all the time so i used to

867

00:33:20,549 --> 00:33:18,399

take my dog for a walk uh we used to go

868

00:33:22,310 --> 00:33:20,559

up to this castle in newport on the isle

869

00:33:24,789 --> 00:33:22,320

of wight so as you can imagine the

870

00:33:26,549 --> 00:33:24,799

castle sits way up above the town it's a

871

00:33:27,990 --> 00:33:26,559

very small town it's the county town of

872

00:33:29,350 --> 00:33:28,000

the isle of wight

873

00:33:31,190 --> 00:33:29,360

and i would take my dog up there each

874

00:33:33,269 --> 00:33:31,200

evening this was happening in

875

00:33:34,870 --> 00:33:33,279

october so it was fairly dark at this

876

00:33:35,830 --> 00:33:34,880

point in time i like going up there

877

00:33:37,190 --> 00:33:35,840

because you could see all around the

878

00:33:39,269 --> 00:33:37,200

town all the lights and it was really

879

00:33:42,789 --> 00:33:39,279

relaxing really calming a little bit

880

00:33:44,389 --> 00:33:42,799

spooky but also a great walk um so i got

881

00:33:45,909 --> 00:33:44,399

to the top where the castle is where the

882

00:33:47,990 --> 00:33:45,919

car park is

883

00:33:50,789 --> 00:33:48,000

and then just turn to my right where i

884

00:33:52,950 --> 00:33:50,799

could oversee the forest to the

885

00:33:54,470 --> 00:33:52,960

front of me and the main town below and

886

00:33:55,909 --> 00:33:54,480

to the right

887

00:33:57,669 --> 00:33:55,919

and all of a sudden i could see these

888

00:33:59,830 --> 00:33:57,679

four dots in the sky and they were

889

00:34:01,590 --> 00:33:59,840

fairly large so larger you would larger

890

00:34:03,269 --> 00:34:01,600

than what you would see with an airplane

891

00:34:05,830 --> 00:34:03,279

with their lights

892

00:34:07,590 --> 00:34:05,840

and each one was pulsing in a different

893

00:34:09,270 --> 00:34:07,600

like formation pulsing so one would

894

00:34:11,190 --> 00:34:09,280

pulse one color then the next one then

895

00:34:13,030 --> 00:34:11,200

the next one and the next one and i was

896

00:34:14,550 --> 00:34:13,040

like oh that's interesting i was trying

897

00:34:16,230 --> 00:34:14,560

to work out what it was i said what

898

00:34:18,069 --> 00:34:16,240

could that be and all of a sudden they

899

00:34:19,909 --> 00:34:18,079

started moving apart and then moving

900

00:34:21,430 --> 00:34:19,919

around each other and sort of taking

901
00:34:23,909 --> 00:34:21,440
different places in the formation and

902
00:34:25,589 --> 00:34:23,919
i'm like well this is strange this is

903
00:34:27,750 --> 00:34:25,599
very interesting

904
00:34:29,909 --> 00:34:27,760
um and then they were moving in more

905
00:34:31,669 --> 00:34:29,919
complex fashions and i was like this is

906
00:34:33,430 --> 00:34:31,679
the craziest thing i've ever seen how

907
00:34:36,149 --> 00:34:33,440
how you know how am i going to explain

908
00:34:39,669 --> 00:34:36,159
this um and then after a few minutes of

909
00:34:41,109 --> 00:34:39,679
that they just moved really high further

910
00:34:43,190 --> 00:34:41,119
in the sky and sort of faded a bit and

911
00:34:45,109 --> 00:34:43,200
then just completely disappeared

912
00:34:46,950 --> 00:34:45,119
and it was the most interesting and

913
00:34:49,190 --> 00:34:46,960

crazy experience i've ever had and

914

00:34:51,109 --> 00:34:49,200

really made me think that there is

915

00:34:53,190 --> 00:34:51,119

definitely something out there and ever

916

00:34:55,589 --> 00:34:53,200

since then i've just kept my eyes to the

917

00:34:57,109 --> 00:34:55,599

sky all the time and i've had you know a

918

00:34:58,470 --> 00:34:57,119

number of times where i've seen things

919

00:35:00,390 --> 00:34:58,480

that i can't explain and a number of

920

00:35:03,030 --> 00:35:00,400

stories that i may have to to send in at

921

00:35:05,829 --> 00:35:03,040

some other point but yeah it was a

922

00:35:07,910 --> 00:35:05,839

fascinating experience and really put me

923

00:35:10,310 --> 00:35:07,920

into that mode of whatever else is out

924

00:35:12,710 --> 00:35:10,320

there and i've been researching and been

925

00:35:14,150 --> 00:35:12,720

very interested about it since then

926

00:35:15,990 --> 00:35:14,160

just thought i'd like to share my story

927

00:35:19,589 --> 00:35:16,000

with you thank you so much for having me

928

00:35:23,270 --> 00:35:21,270

hey ryan thanks for having me on

929

00:35:25,589 --> 00:35:23,280

somewhere in the skies my name is kendra

930

00:35:27,510 --> 00:35:25,599

and just as a very short bio i'm a

931

00:35:29,750 --> 00:35:27,520

professional tarot reader and pyrography

932

00:35:31,510 --> 00:35:29,760

artist i've had a 18 year affinity with

933

00:35:33,910 --> 00:35:31,520

witchcraft spirituality and i've been

934

00:35:35,670 --> 00:35:33,920

obsessed with efos and the possibility

935

00:35:37,589 --> 00:35:35,680

of extraterrestrial beings since i first

936

00:35:38,630 --> 00:35:37,599

saw the alien autopsy video when i was

937

00:35:40,150 --> 00:35:38,640

like 10

938

00:35:42,069 --> 00:35:40,160

and the internet happened

939

00:35:43,589 --> 00:35:42,079

i've had two sightings in my life that

940

00:35:44,870 --> 00:35:43,599

i'll just briefly try to relay for

941

00:35:46,470 --> 00:35:44,880

listeners

942

00:35:48,230 --> 00:35:46,480

my first sighting must have been 20

943

00:35:50,630 --> 00:35:48,240

years ago when i was just outside of the

944

00:35:52,390 --> 00:35:50,640

store with my mom there was a fleet of

945

00:35:53,829 --> 00:35:52,400

white spheres in the sky

946

00:35:55,829 --> 00:35:53,839

even as a child i knew that these

947

00:35:57,270 --> 00:35:55,839

objects were flying abnormally but the

948

00:35:59,270 --> 00:35:57,280

coolest part was that they were doing

949

00:36:01,750 --> 00:35:59,280

synchronized formations

950

00:36:03,349 --> 00:36:01,760

fast forward to the summer of 2021 in

951
00:36:05,510 --> 00:36:03,359
the rocky mountains of colorado where i

952
00:36:07,190 --> 00:36:05,520
used to live i was outside on our deck

953
00:36:08,630 --> 00:36:07,200
looking west when i got a sparkling

954
00:36:11,349 --> 00:36:08,640
object

955
00:36:13,109 --> 00:36:11,359
flying in a straight path across the sky

956
00:36:14,710 --> 00:36:13,119
i watched it for a few seconds before i

957
00:36:16,470 --> 00:36:14,720
decided that it wasn't the reflection of

958
00:36:17,990 --> 00:36:16,480
a plane i pulled out my phone and

959
00:36:20,310 --> 00:36:18,000
started recording and though this is

960
00:36:22,470 --> 00:36:20,320
purely speculative it's almost as if the

961
00:36:24,950 --> 00:36:22,480
object knew i started recording because

962
00:36:26,230 --> 00:36:24,960
it disappeared a split second later

963
00:36:27,589 --> 00:36:26,240

i knew i had witnessed something

964

00:36:30,550 --> 00:36:27,599

substantial because of the way it

965

00:36:32,069 --> 00:36:30,560

disappeared like it just disintegrated

966

00:36:33,750 --> 00:36:32,079

i'm sure many of your listeners have

967

00:36:36,230 --> 00:36:33,760

watched the latest season of skinwalker

968

00:36:37,990 --> 00:36:36,240

ranch but it was exactly like the ufo

969

00:36:39,589 --> 00:36:38,000

that was seen during the laser triangle

970

00:36:41,990 --> 00:36:39,599

experiment and dissipated in the same

971

00:36:43,430 --> 00:36:42,000

way i actually contacted candace from

972

00:36:46,390 --> 00:36:43,440

the show because i had never seen

973

00:36:47,990 --> 00:36:46,400

anything so similar to what i had seen

974

00:36:50,069 --> 00:36:48,000

i also think it's important to note that

975

00:36:52,550 --> 00:36:50,079

skinwalker was about four hours west

976
00:36:54,950 --> 00:36:52,560
from my location anyway i filed a report

977
00:36:56,950 --> 00:36:54,960
with mufon and their field investigator

978
00:36:59,349 --> 00:36:56,960
determined that this object was indeed a

979
00:37:00,950 --> 00:36:59,359
ufo i have a split second video of that

980
00:37:02,870 --> 00:37:00,960
amazing experience but in the slowed

981
00:37:04,310 --> 00:37:02,880
down version of that video i can see

982
00:37:06,710 --> 00:37:04,320
that the object was spinning or

983
00:37:09,030 --> 00:37:06,720
pulsating and then it did indeed just

984
00:37:10,870 --> 00:37:09,040
poof from existence

985
00:37:12,310 --> 00:37:10,880
for me even as a child i've never

986
00:37:14,310 --> 00:37:12,320
questioned the possibility that we are

987
00:37:15,349 --> 00:37:14,320
not alone in the universe after spending

988
00:37:17,270 --> 00:37:15,359

years

989

00:37:19,190 --> 00:37:17,280

as an amateur researcher regarding the

990

00:37:21,270 --> 00:37:19,200

subject i feel like we are at the point

991

00:37:22,870 --> 00:37:21,280

of beating a dead horse the evidence is

992

00:37:24,230 --> 00:37:22,880

stacked and i'm hopeful that peaceful

993

00:37:26,710 --> 00:37:24,240

disclosure will happen during my

994

00:37:28,390 --> 00:37:26,720

lifetime i also feel like humanity is at

995

00:37:30,710 --> 00:37:28,400

a tipping point and regardless of how

996

00:37:32,870 --> 00:37:30,720

much us ufo nerds want the world

997

00:37:34,150 --> 00:37:32,880

governments to come forward we really

998

00:37:35,829 --> 00:37:34,160

need them to

999

00:37:37,349 --> 00:37:35,839

take from that what you will but i think

1000

00:37:39,270 --> 00:37:37,359

it is really important to navigate the

1001
00:37:41,990 --> 00:37:39,280
future of this subject without bias and

1002
00:37:45,030 --> 00:37:42,000
without fear mars isn't attacking

1003
00:37:48,790 --> 00:37:45,040
so that's my little ufo story um thanks

1004
00:37:54,790 --> 00:37:51,670
hello ryan my name is will murray i'm a

1005
00:37:57,910 --> 00:37:54,800
professional writer and novelist

1006
00:38:00,390 --> 00:37:57,920
in the middle 2000s i was coming back

1007
00:38:03,270 --> 00:38:00,400
from a writing assignment in vancouver

1008
00:38:04,950 --> 00:38:03,280
canada and flying over the continental

1009
00:38:06,710 --> 00:38:04,960
united states

1010
00:38:08,630 --> 00:38:06,720
in a passenger plane

1011
00:38:10,790 --> 00:38:08,640
i was seated in a window seat on the

1012
00:38:13,270 --> 00:38:10,800
starboard side of the plane

1013
00:38:15,750 --> 00:38:13,280

i had been reading a book and put it

1014

00:38:17,589 --> 00:38:15,760

down to give my eyes a rest and started

1015

00:38:19,829 --> 00:38:17,599

staring out the window

1016

00:38:20,870 --> 00:38:19,839

it was a sunny day

1017

00:38:22,950 --> 00:38:20,880

and

1018

00:38:24,069 --> 00:38:22,960

there were a number of clouds marching

1019

00:38:25,510 --> 00:38:24,079

along

1020

00:38:27,430 --> 00:38:25,520

in the sky

1021

00:38:28,950 --> 00:38:27,440

one cloud in particular drew my

1022

00:38:32,790 --> 00:38:28,960

attention

1023

00:38:35,510 --> 00:38:32,800

it had the shape of a derby hat

1024

00:38:37,829 --> 00:38:35,520

essentially a large dome probably five

1025

00:38:40,630 --> 00:38:37,839

or six stories tall

1026

00:38:42,470 --> 00:38:40,640

and sitting on a

1027

00:38:44,790 --> 00:38:42,480

cloudy looking plate

1028

00:38:46,710 --> 00:38:44,800

but what drew my attention was that on

1029

00:38:49,589 --> 00:38:46,720

either side of the dome

1030

00:38:51,030 --> 00:38:49,599

jutting out at equal angles

1031

00:38:52,310 --> 00:38:51,040

were these two

1032

00:38:54,230 --> 00:38:52,320

vaporous

1033

00:38:56,150 --> 00:38:54,240

horns or jets

1034

00:38:59,670 --> 00:38:56,160

they weren't moving or anything they

1035

00:39:01,589 --> 00:38:59,680

were just frozen vapor

1036

00:39:03,670 --> 00:39:01,599

and there was something about the

1037

00:39:06,630 --> 00:39:03,680

symmetrical

1038

00:39:07,430 --> 00:39:06,640

look of the cloud that captivated me so

1039

00:39:15,030 --> 00:39:07,440

i

1040

00:39:19,430 --> 00:39:15,040

my eyes went to a small black object

1041

00:39:20,310 --> 00:39:19,440

about the size of a helicopter

1042

00:39:22,630 --> 00:39:20,320

that

1043

00:39:24,630 --> 00:39:22,640

looked like an oblong pill i remember at

1044

00:39:28,630 --> 00:39:24,640

the time thinking it looked like a time

1045

00:39:31,349 --> 00:39:28,640

release capsule except it was shorter

1046

00:39:34,310 --> 00:39:31,359

and i asked myself what is that

1047

00:39:36,710 --> 00:39:34,320

and my mind did what exactly the

1048

00:39:39,109 --> 00:39:36,720

navy female pilot years later who

1049

00:39:41,349 --> 00:39:39,119

observed the tic tac did

1050

00:39:42,630 --> 00:39:41,359

i kept trying to pattern match it with

1051
00:39:44,310 --> 00:39:42,640
something

1052
00:39:46,150 --> 00:39:44,320
i recognized

1053
00:39:48,790 --> 00:39:46,160
i asked is that a helicopter but of

1054
00:39:51,030 --> 00:39:48,800
course a helicopter can't fly that high

1055
00:39:53,190 --> 00:39:51,040
they don't pressurize them

1056
00:39:55,109 --> 00:39:53,200
then i thought is that a small plane but

1057
00:39:57,990 --> 00:39:55,119
it had no wings

1058
00:40:00,710 --> 00:39:58,000
no portholes no external engines it was

1059
00:40:02,470 --> 00:40:00,720
just a black oblique oblong

1060
00:40:04,950 --> 00:40:02,480
approximately

1061
00:40:07,670 --> 00:40:04,960
the size of a helicopter a small

1062
00:40:09,750 --> 00:40:07,680
helicopter i guess

1063
00:40:12,150 --> 00:40:09,760

and it seemed to be passing in front of

1064

00:40:13,990 --> 00:40:12,160

this cloud or approaching it it was not

1065

00:40:17,190 --> 00:40:14,000

moving very quickly

1066

00:40:19,829 --> 00:40:17,200

normally when i see a small plane flying

1067

00:40:21,910 --> 00:40:19,839

when i fly commercial the small plane

1068

00:40:23,510 --> 00:40:21,920

moves pretty fast this was

1069

00:40:25,349 --> 00:40:23,520

loafing along

1070

00:40:27,510 --> 00:40:25,359

a little like a blimp but they don't

1071

00:40:28,950 --> 00:40:27,520

make blimps that are pressurized and

1072

00:40:30,309 --> 00:40:28,960

even if they did

1073

00:40:31,910 --> 00:40:30,319

i suppose

1074

00:40:33,670 --> 00:40:31,920

you would still

1075

00:40:35,910 --> 00:40:33,680

need some externals

1076

00:40:38,550 --> 00:40:35,920

to make it look like a blimp

1077

00:40:40,390 --> 00:40:38,560

i watched this object for approximately

1078

00:40:42,790 --> 00:40:40,400

a minute or so

1079

00:40:45,510 --> 00:40:42,800

and even though i had

1080

00:40:47,270 --> 00:40:45,520

a cell phone on my pocket i didn't think

1081

00:40:49,510 --> 00:40:47,280

to

1082

00:40:52,870 --> 00:40:49,520

pull it out and take a picture that's

1083

00:40:54,630 --> 00:40:52,880

how quickly it happened

1084

00:40:57,589 --> 00:40:54,640

and

1085

00:40:59,670 --> 00:40:57,599

once we passed the object

1086

00:41:02,150 --> 00:40:59,680

i kept asking himself well what was that

1087

00:41:04,550 --> 00:41:02,160

now i've had an interest in ufos since

1088

00:41:05,589 --> 00:41:04,560

the 1960s it's been an on and off

1089

00:41:07,670 --> 00:41:05,599

interest

1090

00:41:10,150 --> 00:41:07,680

and i've always wanted to see one and

1091

00:41:12,309 --> 00:41:10,160

even though apparently i did see one

1092

00:41:14,870 --> 00:41:12,319

it was several days before i decided in

1093

00:41:17,510 --> 00:41:14,880

my mind yeah that's what it had to be

1094

00:41:18,950 --> 00:41:17,520

some kind of unidentified flying object

1095

00:41:23,829 --> 00:41:18,960

because it didn't look like anything

1096

00:41:26,150 --> 00:41:23,839

that should be up at 35 000 feet or so

1097

00:41:28,390 --> 00:41:26,160

i should mention that a few years a very

1098

00:41:31,430 --> 00:41:28,400

few years before this i had trained with

1099

00:41:34,550 --> 00:41:31,440

dr david morehouse in remote viewing and

1100

00:41:36,150 --> 00:41:34,560

he ran us against some targets of this

1101

00:41:38,230 --> 00:41:36,160

type which

1102

00:41:39,829 --> 00:41:38,240

awakened or reawakened my interest in

1103

00:41:42,309 --> 00:41:39,839

the subject a little but i don't think

1104

00:41:44,470 --> 00:41:42,319

there's any connection between the two

1105

00:41:46,950 --> 00:41:44,480

events

1106

00:41:49,589 --> 00:41:46,960

how i feel about it now

1107

00:41:51,750 --> 00:41:49,599

is that i clearly saw a tic tac even

1108

00:41:54,390 --> 00:41:51,760

though the tic tacs weren't in the

1109

00:41:56,790 --> 00:41:54,400

public consciousness at that time

1110

00:41:58,630 --> 00:41:56,800

and i would think i was confused because

1111

00:42:02,950 --> 00:41:58,640

i thought

1112

00:42:04,710 --> 00:42:02,960

that ufo shapes typically were saucer or

1113

00:42:06,630 --> 00:42:04,720

spherical or

1114

00:42:09,910 --> 00:42:06,640

or egg-shaped

1115

00:42:11,750 --> 00:42:09,920

or cigar-shaped and i had never

1116

00:42:15,030 --> 00:42:11,760

i don't recall ever reading about one

1117

00:42:16,390 --> 00:42:15,040

that was pill shaped but here it was

1118

00:42:20,230 --> 00:42:16,400

i think

1119

00:42:22,390 --> 00:42:20,240

in my mind at the time and

1120

00:42:24,870 --> 00:42:22,400

now to this day

1121

00:42:27,349 --> 00:42:24,880

i associate the black object with the

1122

00:42:29,430 --> 00:42:27,359

cloud as if there was a connection with

1123

00:42:32,470 --> 00:42:29,440

it this may be a bit of intuition i

1124

00:42:34,790 --> 00:42:32,480

don't know it may be imagination

1125

00:42:37,990 --> 00:42:34,800

but it seemed to me that the

1126
00:42:39,349 --> 00:42:38,000
black pill was moving or gravitating

1127
00:42:43,030 --> 00:42:39,359
toward

1128
00:42:47,190 --> 00:42:44,790
there was something inside it it wanted

1129
00:42:49,349 --> 00:42:47,200
to connect with or wanted to

1130
00:42:51,589 --> 00:42:49,359
hide in it or something

1131
00:42:53,910 --> 00:42:51,599
one could use their imagination and say

1132
00:42:56,309 --> 00:42:53,920
well maybe there's a large ship larger

1133
00:42:59,829 --> 00:42:56,319
ship inside the cloud and the cloud is

1134
00:43:02,069 --> 00:42:59,839
has that shape to to mark it as a

1135
00:43:04,309 --> 00:43:02,079
unusual cloud so the black

1136
00:43:06,150 --> 00:43:04,319
object could find it but i would think

1137
00:43:08,390 --> 00:43:06,160
any advanced

1138
00:43:11,670 --> 00:43:08,400

craft at that time wouldn't need such a

1139

00:43:14,870 --> 00:43:11,680

visual identification but nevertheless

1140

00:43:17,349 --> 00:43:14,880

i connect the cloud with the object in a

1141

00:43:20,550 --> 00:43:17,359

way i can't fully explain and certainly

1142

00:43:23,589 --> 00:43:20,560

can't verify except it was the cloud

1143

00:43:25,589 --> 00:43:23,599

in its unusual configuration that first

1144

00:43:26,710 --> 00:43:25,599

grabbed my attention

1145

00:43:29,750 --> 00:43:26,720

that's it

1146

00:43:35,030 --> 00:43:31,670

hey ryan in the somewhere in the skies

1147

00:43:36,309 --> 00:43:35,040

podcast uh my name is john and uh i am

1148

00:43:37,349 --> 00:43:36,319

excited to

1149

00:43:38,309 --> 00:43:37,359

finally

1150

00:43:40,710 --> 00:43:38,319

detail

1151

00:43:42,710 --> 00:43:40,720

a couple of incidents for you all

1152

00:43:44,790 --> 00:43:42,720

i know time is limited so i'll try to

1153

00:43:49,670 --> 00:43:44,800

make it uh quick

1154

00:43:52,470 --> 00:43:49,680

so i was 18 in 1985 living in angel fire

1155

00:43:54,630 --> 00:43:52,480

new mexico the merino valley

1156

00:43:55,990 --> 00:43:54,640

and it's a north

1157

00:43:59,990 --> 00:43:56,000

to south

1158

00:44:02,390 --> 00:44:00,000

valley with the uh tallest mountain in

1159

00:44:06,829 --> 00:44:02,400

new mexico wheeler peak uh looming over

1160

00:44:09,589 --> 00:44:06,839

it i was on top of the angel fire ski

1161

00:44:11,270 --> 00:44:09,599

area uh basically staying overnight

1162

00:44:14,230 --> 00:44:11,280

camping had a fire with a good friend of

1163

00:44:15,670 --> 00:44:14,240

mine and we were watching satellites and

1164

00:44:18,069 --> 00:44:15,680

you know a lot less satellites in the

1165

00:44:19,910 --> 00:44:18,079

80s but you know watching satellites and

1166

00:44:22,710 --> 00:44:19,920

stuff fly overhead and just kind of

1167

00:44:24,950 --> 00:44:22,720

enjoying a super late evening uh you

1168

00:44:27,190 --> 00:44:24,960

know out in the mountain air and we saw

1169

00:44:29,510 --> 00:44:27,200

a very bright light across

1170

00:44:32,230 --> 00:44:29,520

the uh valley from us

1171

00:44:34,470 --> 00:44:32,240

and uh it was you know

1172

00:44:37,190 --> 00:44:34,480

hugging the mountain and sometimes would

1173

00:44:39,510 --> 00:44:37,200

go behind some of the peaks and then pop

1174

00:44:41,349 --> 00:44:39,520

back up so we would sort of go in and

1175

00:44:43,589 --> 00:44:41,359

out but it wasn't like zooming around

1176

00:44:44,950 --> 00:44:43,599

and doing anything incr incredible so

1177

00:44:47,190 --> 00:44:44,960

you know we couldn't make out what it

1178

00:44:49,270 --> 00:44:47,200

was it was just a bright light and it

1179

00:44:51,109 --> 00:44:49,280

seemed to be kind of you know

1180

00:44:53,190 --> 00:44:51,119

cruising around in an area so we thought

1181

00:44:55,109 --> 00:44:53,200

at first maybe it's a helicopter looking

1182

00:44:57,030 --> 00:44:55,119

for a lost hiker or something but it

1183

00:44:59,589 --> 00:44:57,040

kept sort of going south towards where

1184

00:45:03,030 --> 00:44:59,599

the palo shadow pass comes over from

1185

00:45:04,630 --> 00:45:03,040

taos and uh you know it got to almost

1186

00:45:06,870 --> 00:45:04,640

directly across from us which i would

1187

00:45:09,910 --> 00:45:06,880

imagine is about two and a half to three

1188

00:45:11,750 --> 00:45:09,920

miles from my location um and then also

1189

00:45:13,510 --> 00:45:11,760

to just stop moving

1190

00:45:15,829 --> 00:45:13,520

shot straight up into the sky way higher

1191

00:45:17,510 --> 00:45:15,839

than the mountains and then immediately

1192

00:45:18,710 --> 00:45:17,520

took off to the uh

1193

00:45:20,150 --> 00:45:18,720

to the south

1194

00:45:21,190 --> 00:45:20,160

in a blink of an eye i mean we're

1195

00:45:23,190 --> 00:45:21,200

talking

1196

00:45:25,190 --> 00:45:23,200

you know thousands of miles an hour i

1197

00:45:26,790 --> 00:45:25,200

mean i i have no idea how fast it was

1198

00:45:27,750 --> 00:45:26,800

going but it was

1199

00:45:30,230 --> 00:45:27,760

gone

1200

00:45:32,150 --> 00:45:30,240

um and my friend and i freaked out of

1201

00:45:34,150 --> 00:45:32,160

course got in our blazer and started you

1202

00:45:35,990 --> 00:45:34,160

know barreling down the mountain scared

1203

00:45:37,349 --> 00:45:36,000

to death because we were sure oh god you

1204

00:45:40,150 --> 00:45:37,359

know this thing's going to come back

1205

00:45:41,990 --> 00:45:40,160

what is it it's a ufo but oh

1206

00:45:44,309 --> 00:45:42,000

oops i forgot the most important part of

1207

00:45:45,030 --> 00:45:44,319

the story so so we see the things zip

1208

00:45:49,190 --> 00:45:45,040

off

1209

00:45:51,030 --> 00:45:49,200

gone it's gone to the south and then um

1210

00:45:53,030 --> 00:45:51,040

we see two lights

1211

00:45:54,550 --> 00:45:53,040

to the very north of the valley flashing

1212

00:45:56,790 --> 00:45:54,560

and they're coming

1213

00:46:00,150 --> 00:45:56,800

very fast in our direction and all of a

1214

00:46:01,990 --> 00:46:00,160

sudden we hear the jet noise

1215

00:46:03,670 --> 00:46:02,000

and they must have been f-16s because

1216

00:46:04,950 --> 00:46:03,680

they they had full after burners they

1217

00:46:07,829 --> 00:46:04,960

only had one

1218

00:46:10,390 --> 00:46:07,839

jet engine and they were hauling from

1219

00:46:12,870 --> 00:46:10,400

the north in the direction this is like

1220

00:46:15,030 --> 00:46:12,880

2 3 in the morning very loud must have

1221

00:46:16,390 --> 00:46:15,040

woke up the whole valley rages through

1222

00:46:18,790 --> 00:46:16,400

the valley

1223

00:46:20,790 --> 00:46:18,800

in the direction of this craft but the

1224

00:46:21,990 --> 00:46:20,800

craft is long

1225

00:46:24,309 --> 00:46:22,000

long gone

1226

00:46:25,670 --> 00:46:24,319

so my friend who was with me his parents

1227

00:46:28,390 --> 00:46:25,680

were divorced he was living there with

1228

00:46:30,710 --> 00:46:28,400

his mother in angel fire but his dad was

1229

00:46:33,030 --> 00:46:30,720

an air force uh i don't know colonel or

1230

00:46:35,750 --> 00:46:33,040

something but he worked in uh in the air

1231

00:46:38,230 --> 00:46:35,760

force and uh he did um

1232

00:46:40,630 --> 00:46:38,240

uh it wasn't sr 71 but he did some sort

1233

00:46:42,790 --> 00:46:40,640

of test piloting stuff and so

1234

00:46:45,030 --> 00:46:42,800

he went to go visit his dad and he told

1235

00:46:47,670 --> 00:46:45,040

him about our sighting and asked his dad

1236

00:46:50,230 --> 00:46:47,680

about it and his dad just was like very

1237

00:46:52,550 --> 00:46:50,240

deadpan and was like son you're not

1238

00:46:53,829 --> 00:46:52,560

crazy you saw what you saw this is the

1239

00:46:56,230 --> 00:46:53,839

most highly

1240

00:46:57,750 --> 00:46:56,240

uh secret uh held secret in the entire

1241

00:46:59,030 --> 00:46:57,760

military and i don't want you to ever

1242

00:47:01,750 --> 00:46:59,040

talk about it again

1243

00:47:03,589 --> 00:47:01,760

and so uh to this day when i talk about

1244

00:47:05,349 --> 00:47:03,599

it with him he gets really cagey he

1245

00:47:08,710 --> 00:47:05,359

doesn't like to talk about it

1246

00:47:11,829 --> 00:47:08,720

um uh you know and that's that was my

1247

00:47:14,390 --> 00:47:11,839

first interaction with a uh with a ufo

1248

00:47:16,710 --> 00:47:14,400

uh that i saw um and it was being

1249

00:47:19,829 --> 00:47:16,720

trailed by air force jets so you know

1250

00:47:23,349 --> 00:47:19,839

here i am 18 years old and this

1251

00:47:24,870 --> 00:47:23,359

situation really blew my mind i mean i

1252

00:47:27,670 --> 00:47:24,880

didn't know

1253

00:47:29,510 --> 00:47:27,680

what to make of it except that it pretty

1254

00:47:31,270 --> 00:47:29,520

clearly in my mind

1255

00:47:33,750 --> 00:47:31,280

created uh

1256

00:47:34,710 --> 00:47:33,760

the thought that okay well a ufos are

1257

00:47:37,030 --> 00:47:34,720

real

1258

00:47:39,190 --> 00:47:37,040

b the government obviously knows about

1259

00:47:41,750 --> 00:47:39,200

them because you know and they can track

1260

00:47:44,630 --> 00:47:41,760

them on radar because those jets never

1261

00:47:46,630 --> 00:47:44,640

physically saw the craft because they

1262

00:47:48,390 --> 00:47:46,640

never got close enough it was long gone

1263

00:47:51,030 --> 00:47:48,400

before they came in so it means they had

1264

00:47:53,510 --> 00:47:51,040

to be tracking it on radar and had to be

1265

00:47:55,670 --> 00:47:53,520

vectored in to the very location so it

1266

00:47:58,230 --> 00:47:55,680

made me know okay not only can we track

1267

00:48:00,710 --> 00:47:58,240

the ufos do the military chase them but

1268

00:48:02,870 --> 00:48:00,720

they were outclassed by them obviously i

1269

00:48:05,589 --> 00:48:02,880

mean they were completely outclassed and

1270

00:48:06,870 --> 00:48:05,599

the government is hiding this knowledge

1271

00:48:10,390 --> 00:48:06,880

so that was

1272

00:48:12,230 --> 00:48:10,400

the start for me when i was 18 realizing

1273

00:48:14,950 --> 00:48:12,240

okay wow ufos are real the government

1274

00:48:17,990 --> 00:48:14,960

knows it's a cover-up the military you

1275

00:48:21,030 --> 00:48:18,000

know is is outmatched so i went to the

1276

00:48:21,829 --> 00:48:21,040

university of new mexico and i started

1277

00:48:24,309 --> 00:48:21,839

uh

1278

00:48:26,630 --> 00:48:24,319

going to the library and i started

1279

00:48:29,109 --> 00:48:26,640

studying the phenomena the blue book

1280

00:48:31,349 --> 00:48:29,119

files the old string field files you

1281

00:48:33,349 --> 00:48:31,359

know stanton freeman the roswell stuff i

1282

00:48:35,190 --> 00:48:33,359

mean i started getting deep deep down

1283

00:48:37,030 --> 00:48:35,200

this rabbit hole but i was started

1284

00:48:39,030 --> 00:48:37,040

learning early on you know wow you know

1285

00:48:40,870 --> 00:48:39,040

there's such a crazy stigma to this you

1286

00:48:43,190 --> 00:48:40,880

can't talk to anybody about it because

1287

00:48:45,190 --> 00:48:43,200

when i would bring it up to anybody

1288

00:48:47,270 --> 00:48:45,200

friends family they would just think i

1289

00:48:49,190 --> 00:48:47,280

was crazy or making it up or and they'd

1290

00:48:50,630 --> 00:48:49,200

just on me so i was like okay i

1291

00:48:53,030 --> 00:48:50,640

can't really talk to anyone about this

1292

00:48:55,030 --> 00:48:53,040

but i gotta figure this out so i started

1293

00:48:57,190 --> 00:48:55,040

going and doing lots of research at the

1294

00:48:59,190 --> 00:48:57,200

library and started realizing that

1295

00:49:02,150 --> 00:48:59,200

anyone who got too close

1296

00:49:03,910 --> 00:49:02,160

died by mysterious circumstances so when

1297

00:49:06,230 --> 00:49:03,920

i started learning that people who got

1298

00:49:07,990 --> 00:49:06,240

too close to the ufo topic and got

1299

00:49:10,470 --> 00:49:08,000

really deep in there were getting

1300

00:49:13,270 --> 00:49:10,480

suicided or you know mysterious car

1301
00:49:15,190 --> 00:49:13,280
crashes and this and that i became very

1302
00:49:18,470 --> 00:49:15,200
nervous about what i knew

1303
00:49:20,710 --> 00:49:18,480
um who i could talk to about it and so i

1304
00:49:22,950 --> 00:49:20,720
was very apprehensive and would not

1305
00:49:24,549 --> 00:49:22,960
speak to very many people about it was

1306
00:49:26,870 --> 00:49:24,559
very nervous if i went to any kind of

1307
00:49:28,390 --> 00:49:26,880
ufo conferences about just starting up

1308
00:49:31,190 --> 00:49:28,400
conversations with people because i

1309
00:49:32,790 --> 00:49:31,200
wasn't sure who was legit and who was a

1310
00:49:35,589 --> 00:49:32,800
plant

1311
00:49:38,870 --> 00:49:35,599
so then i got married in the mid 90s 95

1312
00:49:40,710 --> 00:49:38,880
and uh i'd known my my wife all through

1313
00:49:42,549 --> 00:49:40,720

high school so

1314

00:49:44,790 --> 00:49:42,559

we're together and i start telling her

1315

00:49:46,470 --> 00:49:44,800

my ufo story now i've seen a few other

1316

00:49:48,950 --> 00:49:46,480

things a couple other incidents over the

1317

00:49:50,950 --> 00:49:48,960

years that we won't go into here but

1318

00:49:53,430 --> 00:49:50,960

so i'm bringing these up to her and you

1319

00:49:55,670 --> 00:49:53,440

know typical people think you're crazy

1320

00:49:58,470 --> 00:49:55,680

and she's like yeah yeah you saw ufo

1321

00:50:00,309 --> 00:49:58,480

okay i'm sure yeah right and uh so she

1322

00:50:02,309 --> 00:50:00,319

never really believed me and so i was

1323

00:50:05,349 --> 00:50:02,319

always like you know this really sucks

1324

00:50:08,230 --> 00:50:05,359

even my wife who loves me and trusts me

1325

00:50:11,030 --> 00:50:08,240

doesn't believe me i mean this sucks

1326
00:50:15,109 --> 00:50:11,040
and so then we saw an orb together like

1327
00:50:16,150 --> 00:50:15,119
a white egg-shaped uh ufo flying across

1328
00:50:19,430 --> 00:50:16,160
the sky

1329
00:50:21,349 --> 00:50:19,440
um south or north of santa fe and we

1330
00:50:23,510 --> 00:50:21,359
were driving in the car heading to taos

1331
00:50:25,510 --> 00:50:23,520
and i saw this thing and it was coming

1332
00:50:27,829 --> 00:50:25,520
it had was coming from the los alamos

1333
00:50:30,470 --> 00:50:27,839
area it was hauling ass maybe about four

1334
00:50:33,829 --> 00:50:30,480
or 500 miles an hour so pretty damn fast

1335
00:50:35,910 --> 00:50:33,839
you know maybe 1500 to 2000 feet up not

1336
00:50:37,829 --> 00:50:35,920
very high we're watching it watching it

1337
00:50:40,069 --> 00:50:37,839
i'm driving and then she sees it just

1338
00:50:41,829 --> 00:50:40,079

disappear i look back it's gone and that

1339

00:50:44,470 --> 00:50:41,839

was the first one that she kind of saw

1340

00:50:46,390 --> 00:50:44,480

but once again it was just a white thing

1341

00:50:47,910 --> 00:50:46,400

in the sky hauling ass and then it

1342

00:50:49,829 --> 00:50:47,920

disappeared so we're like well maybe it

1343

00:50:51,589 --> 00:50:49,839

was a balloon maybe it was a balloon and

1344

00:50:53,589 --> 00:50:51,599

it popped uh maybe it was this she was

1345

00:50:55,430 --> 00:50:53,599

like well i saw it take off but i you

1346

00:50:58,150 --> 00:50:55,440

know i don't know what i saw so this

1347

00:51:00,150 --> 00:50:58,160

wasn't enough for her to be like

1348

00:51:02,390 --> 00:51:00,160

okay confirmation i saw something so it

1349

00:51:03,589 --> 00:51:02,400

was more like well that was weird but

1350

00:51:04,950 --> 00:51:03,599

whatever

1351
00:51:07,829 --> 00:51:04,960
so then

1352
00:51:09,829 --> 00:51:07,839
january of 1997 and so this to me

1353
00:51:13,190 --> 00:51:09,839
connects to the phoenix lights because

1354
00:51:15,750 --> 00:51:13,200
taos new mexico is not as a ufo flies

1355
00:51:18,069 --> 00:51:15,760
very far from where the phoenix light

1356
00:51:19,430 --> 00:51:18,079
sightings were those were in march so

1357
00:51:21,829 --> 00:51:19,440
i'm talking

1358
00:51:24,630 --> 00:51:21,839
late january in the twi i don't know

1359
00:51:26,309 --> 00:51:24,640
maybe the 27th ish around there a week

1360
00:51:27,829 --> 00:51:26,319
before the winter x games because that's

1361
00:51:31,109 --> 00:51:27,839
where i was headed

1362
00:51:33,670 --> 00:51:31,119
we see in taos new mexico a very bright

1363
00:51:37,510 --> 00:51:33,680

light come around taos mountain uh it

1364

00:51:39,510 --> 00:51:37,520

was night time but it was dusk so that

1365

00:51:43,270 --> 00:51:39,520

in the west there was still light in the

1366

00:51:44,950 --> 00:51:43,280

sky so you could see the outlines of the

1367

00:51:47,430 --> 00:51:44,960

mountains and you know clouds in the

1368

00:51:48,630 --> 00:51:47,440

distance whatever but directly over me

1369

00:51:50,630 --> 00:51:48,640

pitch black

1370

00:51:52,790 --> 00:51:50,640

stars but you could see the outline of

1371

00:51:55,670 --> 00:51:52,800

taos mountain and lower than the

1372

00:51:57,510 --> 00:51:55,680

mountain so it had to be around 2 500

1373

00:51:59,589 --> 00:51:57,520

feet up i mean it was not higher than

1374

00:52:01,750 --> 00:51:59,599

the mountain it came around the mountain

1375

00:52:03,270 --> 00:52:01,760

was this very bright light and my wife's

1376

00:52:05,109 --> 00:52:03,280

in the car with me and i had a video

1377

00:52:06,950 --> 00:52:05,119

camera with me and i'm like oh my god

1378

00:52:09,030 --> 00:52:06,960

what is that thing what is that let's

1379

00:52:10,390 --> 00:52:09,040

look at it so we keep driving towards

1380

00:52:12,630 --> 00:52:10,400

our house which we're getting closer and

1381

00:52:14,230 --> 00:52:12,640

closer in el prado new mexico and it's

1382

00:52:15,589 --> 00:52:14,240

coming right towards us and there's a

1383

00:52:17,349 --> 00:52:15,599

lot of cars on the street and other

1384

00:52:18,870 --> 00:52:17,359

people no one seems to be noticing this

1385

00:52:21,510 --> 00:52:18,880

thing it's just a bright

1386

00:52:22,870 --> 00:52:21,520

light it's there's no shape and i'm like

1387

00:52:25,670 --> 00:52:22,880

what is this thing that's coming right

1388

00:52:27,510 --> 00:52:25,680

at us and so i pull off the road into my

1389

00:52:29,750 --> 00:52:27,520

driveway i jump out

1390

00:52:31,349 --> 00:52:29,760

i grab my video camera

1391

00:52:32,630 --> 00:52:31,359

turn it on and

1392

00:52:35,109 --> 00:52:32,640

battery's dead

1393

00:52:36,470 --> 00:52:35,119

frickin dies i you know it's dead so i

1394

00:52:40,630 --> 00:52:36,480

don't get anything on the camera and

1395

00:52:43,670 --> 00:52:40,640

then i look up my wife's right there and

1396

00:52:45,349 --> 00:52:43,680

flying above us is the biggest

1397

00:52:49,589 --> 00:52:45,359

freaking thing i've ever seen in my life

1398

00:52:52,150 --> 00:52:49,599

i mean it was so huge i mean it was at

1399

00:52:55,109 --> 00:52:52,160

least like three aircraft you know like

1400

00:52:58,230 --> 00:52:55,119

carriers i mean it was giant it blocked

1401
00:53:01,750 --> 00:52:58,240
out the stars as it went overhead

1402
00:53:04,150 --> 00:53:01,760
i was mesmerized looking directly up

1403
00:53:07,270 --> 00:53:04,160
into the bottom of this craft which was

1404
00:53:09,829 --> 00:53:07,280
just like warping lights colorful kind

1405
00:53:11,829 --> 00:53:09,839
of rainbow lights it looked like you

1406
00:53:12,790 --> 00:53:11,839
know the heat shimmering coming off of a

1407
00:53:14,630 --> 00:53:12,800
hot

1408
00:53:15,990 --> 00:53:14,640
cement so the heat was shimmering so the

1409
00:53:17,030 --> 00:53:16,000
lights were shimmering and i was just

1410
00:53:21,109 --> 00:53:17,040
like

1411
00:53:23,750 --> 00:53:21,119
the sky as it went completely over our

1412
00:53:26,630 --> 00:53:23,760
head silent as the night and went right

1413
00:53:28,549 --> 00:53:26,640

over our head and then kept going uh

1414

00:53:30,069 --> 00:53:28,559

over towards taos pueblo and over the

1415

00:53:31,990 --> 00:53:30,079

mountains so i'm like oh my god oh my

1416

00:53:33,750 --> 00:53:32,000

god you saw that you saw that and then

1417

00:53:35,670 --> 00:53:33,760

all of a sudden we hear

1418

00:53:38,630 --> 00:53:35,680

and coming up behind it come in the same

1419

00:53:40,630 --> 00:53:38,640

basic direction two more fighter jets

1420

00:53:43,829 --> 00:53:40,640

and they're following it but this giant

1421

00:53:46,230 --> 00:53:43,839

thing is not going very fast it's not

1422

00:53:48,549 --> 00:53:46,240

trying to escape it's not accelerating

1423

00:53:50,710 --> 00:53:48,559

away it's just staying on its same

1424

00:53:53,190 --> 00:53:50,720

trajectory in its same path and these

1425

00:53:54,549 --> 00:53:53,200

fighter jets go right over us loud

1426
00:53:56,870 --> 00:53:54,559
and they're heading towards it but

1427
00:53:58,069 --> 00:53:56,880
they're catching it so they peel off

1428
00:53:59,510 --> 00:53:58,079
because they they didn't want to like

1429
00:54:01,990 --> 00:53:59,520
overtake it it seemed they didn't want

1430
00:54:04,710 --> 00:54:02,000
to fly over it or catch it so they kind

1431
00:54:06,230 --> 00:54:04,720
of peeled off and then both the jets and

1432
00:54:07,829 --> 00:54:06,240
the thing went over the mountain and we

1433
00:54:10,549 --> 00:54:07,839
couldn't see them anymore

1434
00:54:13,510 --> 00:54:10,559
and i was just shocked and dismayed and

1435
00:54:16,150 --> 00:54:13,520
so excited that i had seen it with

1436
00:54:18,630 --> 00:54:16,160
my wife i was more

1437
00:54:21,750 --> 00:54:18,640
like oh my god see look i'm not crazy

1438
00:54:24,470 --> 00:54:21,760

i'm not crazy with her then i was even

1439

00:54:27,589 --> 00:54:24,480

like blown away by what i had seen now

1440

00:54:29,190 --> 00:54:27,599

i pictured it as a triangle but i wasn't

1441

00:54:31,670 --> 00:54:29,200

really looking at the

1442

00:54:34,069 --> 00:54:31,680

details of the shape i was

1443

00:54:36,309 --> 00:54:34,079

mesmerized by the lights underneath and

1444

00:54:38,870 --> 00:54:36,319

just the size and the quiet it was so

1445

00:54:40,470 --> 00:54:38,880

quiet as it went over but my wife said

1446

00:54:41,990 --> 00:54:40,480

she was actually looking end to end

1447

00:54:44,069 --> 00:54:42,000

trying to figure out how big it was and

1448

00:54:47,030 --> 00:54:44,079

what the shape was she said it seemed

1449

00:54:48,870 --> 00:54:47,040

like a giant boomerang but possibly

1450

00:54:50,870 --> 00:54:48,880

triangle but

1451
00:54:52,630 --> 00:54:50,880
a month and a half later when the you

1452
00:54:55,190 --> 00:54:52,640
know phoenix lights went off i mean we

1453
00:54:57,349 --> 00:54:55,200
both were like oh my god that's exactly

1454
00:54:58,870 --> 00:54:57,359
what we saw so

1455
00:55:00,789 --> 00:54:58,880
i don't know if it's a precursor to the

1456
00:55:04,789 --> 00:55:00,799
phoenix lights i don't know if it was

1457
00:55:07,670 --> 00:55:04,799
the same craft or what but it was giant

1458
00:55:09,990 --> 00:55:07,680
it was quiet it was triangular or boomer

1459
00:55:11,990 --> 00:55:10,000
shaped um

1460
00:55:14,549 --> 00:55:12,000
you could have landed freaking airplanes

1461
00:55:16,710 --> 00:55:14,559
on the top of this i mean it was so huge

1462
00:55:19,829 --> 00:55:16,720
so um

1463
00:55:22,549 --> 00:55:19,839

that is my the basics of my my two big

1464

00:55:23,750 --> 00:55:22,559

stories that include fighter jets

1465

00:55:25,430 --> 00:55:23,760

um

1466

00:55:27,670 --> 00:55:25,440

you know only one of them had any kind

1467

00:55:29,510 --> 00:55:27,680

of acceleration or what would you would

1468

00:55:32,870 --> 00:55:29,520

call the five observables my first one

1469

00:55:34,549 --> 00:55:32,880

in 85 that's kicked it all off but uh

1470

00:55:37,430 --> 00:55:34,559

these things are flying around out there

1471

00:55:39,510 --> 00:55:37,440

our military's aware of them um we it

1472

00:55:41,109 --> 00:55:39,520

you know to me there's not an issue of

1473

00:55:43,270 --> 00:55:41,119

proof or belief

1474

00:55:45,670 --> 00:55:43,280

um i've seen this stuff so you know i

1475

00:55:49,589 --> 00:55:45,680

know it's real um i've spoken to many

1476

00:55:51,430 --> 00:55:49,599

people since then uh you know i have

1477

00:55:54,150 --> 00:55:51,440

spoken to researchers i've spoken to

1478

00:55:56,789 --> 00:55:54,160

david fraber i've spoken to

1479

00:55:59,589 --> 00:55:56,799

you know many other military pilots

1480

00:56:00,789 --> 00:55:59,599

um this is way more common than people

1481

00:56:02,789 --> 00:56:00,799

have ever known

1482

00:56:05,030 --> 00:56:02,799

best kept secret on the planet

1483

00:56:08,069 --> 00:56:05,040

and thank you ryan and your podcast

1484

00:56:10,230 --> 00:56:08,079

listeners for uh listening and um

1485

00:56:11,510 --> 00:56:10,240

you know i have lots of other

1486

00:56:13,990 --> 00:56:11,520

interesting

1487

00:56:15,589 --> 00:56:14,000

stuff but those are the two big ones uh

1488

00:56:17,910 --> 00:56:15,599

that i thought i would share with your

1489

00:56:19,349 --> 00:56:17,920

listeners so thank you ryan and thank

1490

00:56:21,270 --> 00:56:19,359

you listeners

1491

00:56:23,270 --> 00:56:21,280

keep the faith and quit fighting out

1492

00:56:26,830 --> 00:56:23,280

there on twitter let's keep our

1493

00:56:28,549 --> 00:56:26,840

together and uh let's get this solved

1494

00:56:31,589 --> 00:56:28,559

[Music]

1495

00:56:32,950 --> 00:56:31,599

my name is casey my twitter is at

1496

00:56:35,990 --> 00:56:32,960

villian

1497

00:56:38,390 --> 00:56:36,000

in july of 2013

1498

00:56:40,549 --> 00:56:38,400

right around 4th of july time frame i

1499

00:56:44,549 --> 00:56:40,559

worked for the indianapolis museum of

1500

00:56:46,549 --> 00:56:44,559

art as a campus police officer at around

1501
00:56:49,109 --> 00:56:46,559
three o'clock in the morning i was

1502
00:56:52,309 --> 00:56:49,119
dispatched along with my partner to go

1503
00:56:55,109 --> 00:56:52,319
check out some residential areas

1504
00:56:56,870 --> 00:56:55,119
known as the golden hill estates it was

1505
00:56:59,829 --> 00:56:56,880
a site we had to check out pretty much

1506
00:57:02,710 --> 00:56:59,839
nightly to make sure there was no

1507
00:57:05,109 --> 00:57:02,720
activity going on

1508
00:57:06,309 --> 00:57:05,119
my partner and i split up to come around

1509
00:57:09,670 --> 00:57:06,319
the park

1510
00:57:12,870 --> 00:57:09,680
and meet back at the curve where

1511
00:57:13,910 --> 00:57:12,880
kind of forks in the road uh when we got

1512
00:57:17,190 --> 00:57:13,920
there

1513
00:57:21,430 --> 00:57:17,200

at a house that was at a mansion

1514

00:57:27,589 --> 00:57:25,109

there were two small craft probably five

1515

00:57:30,069 --> 00:57:27,599

feet in diameter

1516

00:57:33,910 --> 00:57:30,079

two to three feet tall

1517

00:57:37,670 --> 00:57:35,670

kind of like an asian

1518

00:57:39,349 --> 00:57:37,680

style

1519

00:57:41,270 --> 00:57:39,359

partition

1520

00:57:45,670 --> 00:57:41,280

uh in the sense that it looked like it

1521

00:57:51,270 --> 00:57:48,309

they were hovering

1522

00:57:53,349 --> 00:57:51,280

just motionless about two to three feet

1523

00:57:55,829 --> 00:57:53,359

off the ground

1524

00:57:58,630 --> 00:57:55,839

when we came up at which point

1525

00:58:01,109 --> 00:57:58,640

then they started floating probably two

1526
00:58:03,510 --> 00:58:01,119
to three seconds after we saw that they

1527
00:58:05,829 --> 00:58:03,520
started floating up

1528
00:58:08,549 --> 00:58:05,839
um

1529
00:58:09,829 --> 00:58:08,559
from there once they got to about 10

1530
00:58:11,990 --> 00:58:09,839
feet maybe

1531
00:58:13,589 --> 00:58:12,000
the lights kicked on

1532
00:58:15,589 --> 00:58:13,599
and basically the bottom half that

1533
00:58:16,789 --> 00:58:15,599
looked like the paper partition with

1534
00:58:19,829 --> 00:58:16,799
kind of

1535
00:58:23,030 --> 00:58:19,839
it almost looked like burnt wood

1536
00:58:24,630 --> 00:58:23,040
as the frame um

1537
00:58:26,710 --> 00:58:24,640
that's when the lights kicked on and

1538
00:58:28,870 --> 00:58:26,720

then they started dancing kind of back

1539

00:58:29,910 --> 00:58:28,880

and forth with each other uh they were

1540

00:58:31,190 --> 00:58:29,920

just

1541

00:58:33,589 --> 00:58:31,200

i don't know how to describe it they

1542

00:58:35,510 --> 00:58:33,599

were moving perfectly in sync with each

1543

00:58:37,349 --> 00:58:35,520

other one would go poor one would go

1544

00:58:40,069 --> 00:58:37,359

starboard and then they'd swing back

1545

00:58:44,549 --> 00:58:40,079

around vice versa kind of dance in front

1546

00:58:50,390 --> 00:58:48,150

then they started moving pretty rapidly

1547

00:58:53,349 --> 00:58:50,400

we kind of took off

1548

00:58:55,750 --> 00:58:53,359

after them out of the neighborhood uh

1549

00:58:58,309 --> 00:58:55,760

then they kind of hit straight on

1550

00:59:00,950 --> 00:58:58,319

michigan road a very major

1551

00:59:02,950 --> 00:59:00,960

road in indianapolis

1552

00:59:05,349 --> 00:59:02,960

um

1553

00:59:07,430 --> 00:59:05,359

as i at which point we we lost them we

1554

00:59:11,030 --> 00:59:07,440

didn't see them they they took off real

1555

00:59:15,910 --> 00:59:11,040

fast um kind of parallel

1556

00:59:17,589 --> 00:59:15,920

with the road not gaining any altitude

1557

00:59:18,549 --> 00:59:17,599

um

1558

00:59:21,349 --> 00:59:18,559

and then

1559

00:59:23,430 --> 00:59:21,359

that probably three four seconds after

1560

00:59:26,789 --> 00:59:23,440

that about

1561

00:59:29,750 --> 00:59:26,799

maybe five to six miles down michigan

1562

00:59:30,870 --> 00:59:29,760

road we saw two lights just shoot off

1563

00:59:34,549 --> 00:59:30,880

into

1564

00:59:40,470 --> 00:59:37,349

the whole ordeal lasted maybe two three

1565

00:59:42,230 --> 00:59:40,480

minutes when i radioed back to dispatch

1566

00:59:44,549 --> 00:59:42,240

they said we had been marked out for

1567

00:59:48,069 --> 00:59:44,559

maybe 20 minutes

1568

00:59:51,190 --> 00:59:48,079

um definitely didn't seem like that long

1569

00:59:53,349 --> 00:59:51,200

uh my initial reaction was to shoot it

1570

00:59:55,670 --> 00:59:53,359

uh then i was just like

1571

00:59:57,750 --> 00:59:55,680

what am i gonna say i'm i'm shooting at

1572

00:59:59,990 --> 00:59:57,760

a balloon a ufo

1573

01:00:02,309 --> 01:00:00,000

i i don't know what this is i'm shooting

1574

01:00:04,230 --> 01:00:02,319

in a residential area at things in the

1575

01:00:07,030 --> 01:00:04,240

sky like

1576

01:00:08,789 --> 01:00:07,040

so that that quickly left um i just got

1577

01:00:10,710 --> 01:00:08,799

the feeling like you would be a

1578

01:00:12,829 --> 01:00:10,720

laughingstock like that just seems

1579

01:00:14,549 --> 01:00:12,839

ridiculous

1580

01:00:15,910 --> 01:00:14,559

um

1581

01:00:17,349 --> 01:00:15,920

i also got the

1582

01:00:21,510 --> 01:00:17,359

like in the day since i got the

1583

01:00:27,030 --> 01:00:23,910

it would be on the news soon

1584

01:00:28,870 --> 01:00:27,040

like everything would be revealed not to

1585

01:00:30,789 --> 01:00:28,880

worry

1586

01:00:32,630 --> 01:00:30,799

my partner even called me a couple weeks

1587

01:00:36,549 --> 01:00:32,640

later and was like what do we do about

1588

01:00:38,309 --> 01:00:36,559

it and i was just like i don't know so

1589

01:00:39,750 --> 01:00:38,319

let's do nothing pretend it never

1590

01:00:41,910 --> 01:00:39,760

happened

1591

01:00:44,710 --> 01:00:41,920

and move on with life and that's what i

1592

01:00:47,670 --> 01:00:44,720

did for several years

1593

01:00:51,589 --> 01:00:47,680

i lasted on the police department about

1594

01:00:53,430 --> 01:00:51,599

a month after that maybe two

1595

01:00:56,390 --> 01:00:53,440

from there my life just completely

1596

01:00:59,109 --> 01:00:56,400

changed i am not the same person anymore

1597

01:01:00,870 --> 01:00:59,119

just a completely different person i

1598

01:01:02,230 --> 01:01:00,880

couldn't even relate to the person i

1599

01:01:04,710 --> 01:01:02,240

used to be

1600

01:01:09,589 --> 01:01:04,720

yeah that's that's all my story i'm

1601
01:01:14,870 --> 01:01:12,390
hi ryan and listeners of somewhere in

1602
01:01:18,870 --> 01:01:14,880
the skies podcast my name is mike

1603
01:01:20,470 --> 01:01:18,880
jamison and i live in ukiah california

1604
01:01:22,870 --> 01:01:20,480
there are two

1605
01:01:26,630 --> 01:01:22,880
incidents in recent years that i wanted

1606
01:01:29,589 --> 01:01:26,640
to share the first one was

1607
01:01:32,309 --> 01:01:29,599
during april of 2018

1608
01:01:35,510 --> 01:01:32,319
i was sitting up quietly after midnight

1609
01:01:36,829 --> 01:01:35,520
by a west facing window

1610
01:01:40,950 --> 01:01:36,839
with the blinds

1611
01:01:43,829 --> 01:01:40,960
up suddenly a bright white light blasts

1612
01:01:46,309 --> 01:01:43,839
through the window not a diffused beam

1613
01:01:49,430 --> 01:01:46,319

but thick and concentrated

1614

01:01:51,829 --> 01:01:49,440

there's no possible ground source

1615

01:01:54,549 --> 01:01:51,839

for this light with rising forest with a

1616

01:01:57,190 --> 01:01:54,559

rising forested hill to my west only a

1617

01:01:59,750 --> 01:01:57,200

gap in the tall trees

1618

01:02:02,309 --> 01:01:59,760

i get up and look out

1619

01:02:04,950 --> 01:02:02,319

over a tree line behind a lonely house

1620

01:02:07,990 --> 01:02:04,960

in the hill i see from a position to the

1621

01:02:11,109 --> 01:02:08,000

left rear of the scene a large squarish

1622

01:02:13,829 --> 01:02:11,119

backside of a large appearing craft

1623

01:02:16,870 --> 01:02:13,839

silently hovering

1624

01:02:17,990 --> 01:02:16,880

it is completely quiet and still

1625

01:02:19,589 --> 01:02:18,000

a mumble

1626

01:02:22,150 --> 01:02:19,599

this isn't normal

1627

01:02:25,190 --> 01:02:22,160

and don't go outside as the craft had

1628

01:02:28,069 --> 01:02:25,200

already shined a light into my place

1629

01:02:31,750 --> 01:02:28,079

i definitely shut down and resumed

1630

01:02:34,309 --> 01:02:31,760

sitting quietly in the chair

1631

01:02:35,990 --> 01:02:34,319

and that incident i kind of kept quiet

1632

01:02:38,390 --> 01:02:36,000

for a couple days shared it with a

1633

01:02:41,109 --> 01:02:38,400

couple of friends asked them if i should

1634

01:02:43,109 --> 01:02:41,119

share it with people and they said no

1635

01:02:44,549 --> 01:02:43,119

but i decided to eventually share it

1636

01:02:46,829 --> 01:02:44,559

publicly

1637

01:02:50,470 --> 01:02:46,839

which i did on social

1638

01:02:52,710 --> 01:02:50,480

media in june of 2020

1639

01:02:55,910 --> 01:02:52,720

one night i was out for a late night

1640

01:02:58,630 --> 01:02:55,920

walk to the river

1641

01:03:00,710 --> 01:02:58,640

i noticed a darkish silver sphere of

1642

01:03:04,230 --> 01:03:00,720

light just hovering

1643

01:03:06,470 --> 01:03:04,240

over a notch in the ridge nearby about

1644

01:03:08,789 --> 01:03:06,480

two miles away

1645

01:03:10,470 --> 01:03:08,799

the apparent size is a dime

1646

01:03:12,150 --> 01:03:10,480

at arm's length

1647

01:03:15,589 --> 01:03:12,160

the object

1648

01:03:16,630 --> 01:03:15,599

begins to dart very rapidly

1649

01:03:21,430 --> 01:03:16,640

uh

1650

01:03:23,829 --> 01:03:21,440

arm's length

1651

01:03:25,829 --> 01:03:23,839

the object begins to dart very rapidly

1652

01:03:27,029 --> 01:03:25,839

over the area of this ridge and then

1653

01:03:30,230 --> 01:03:27,039

comes

1654

01:03:33,910 --> 01:03:30,240

to rest again just above the ridge then

1655

01:03:37,670 --> 01:03:33,920

it slowly ascends at a 45 degree angle

1656

01:03:40,870 --> 01:03:37,680

a couple hundred feet up and then stops

1657

01:03:43,109 --> 01:03:40,880

after a minute an identical object just

1658

01:03:45,109 --> 01:03:43,119

suddenly appears about a hundred feet to

1659

01:03:47,510 --> 01:03:45,119

the right and a little above

1660

01:03:50,150 --> 01:03:47,520

of the first object

1661

01:03:53,589 --> 01:03:50,160

now i'm completely stunned

1662

01:03:56,870 --> 01:03:53,599

both objects now elegant then

1663

01:03:59,430 --> 01:03:56,880

elegantly descend in tandem and hover

1664

01:04:01,270 --> 01:03:59,440

over the notch in the ridge

1665

01:04:03,670 --> 01:04:01,280

i get excited

1666

01:04:05,510 --> 01:04:03,680

raise both arms and think loudly come

1667

01:04:07,349 --> 01:04:05,520

here

1668

01:04:09,190 --> 01:04:07,359

surprisingly they both flare up

1669

01:04:11,750 --> 01:04:09,200

dramatically

1670

01:04:13,670 --> 01:04:11,760

at first it looked like they were edging

1671

01:04:15,270 --> 01:04:13,680

forward but no that's not what was

1672

01:04:17,829 --> 01:04:15,280

happening

1673

01:04:20,309 --> 01:04:17,839

a little bit later the original sphere

1674

01:04:21,750 --> 01:04:20,319

just instantly instantly

1675

01:04:24,870 --> 01:04:21,760

disappears

1676

01:04:27,109 --> 01:04:24,880

and i see a pencil dot size light

1677

01:04:30,150 --> 01:04:27,119

manifest over a different ridge to the

1678

01:04:33,589 --> 01:04:30,160

south a few miles further away

1679

01:04:35,990 --> 01:04:33,599

then the second object does this

1680

01:04:39,510 --> 01:04:36,000

very shortly after the first object in

1681

01:04:41,349 --> 01:04:39,520

instantly manifest at the original

1682

01:04:44,150 --> 01:04:41,359

spot on the uh

1683

01:04:45,990 --> 01:04:44,160

ridge and the second soon followed

1684

01:04:48,870 --> 01:04:46,000

they do this back and forth several

1685

01:04:52,390 --> 01:04:48,880

times spanning a significant area

1686

01:04:54,950 --> 01:04:52,400

evident with my side angled view

1687

01:04:57,510 --> 01:04:54,960

and then they are gone back home a few

1688

01:04:59,829 --> 01:04:57,520

minutes later i checked flight radar 24

1689

01:05:02,710 --> 01:04:59,839

and see nothing in the general region

1690

01:05:05,670 --> 01:05:02,720

this is during a time when the uh nearby

1691

01:05:08,520 --> 01:05:05,680

ukiah airport was fully closed for

1692

01:05:10,309 --> 01:05:08,530

runway appears thank you for listening

1693

01:05:13,029 --> 01:05:10,319

[Music]

1694

01:05:14,950 --> 01:05:13,039

hello ryan my name is frank

1695

01:05:17,510 --> 01:05:14,960

i'm an attorney from the philadelphia

1696

01:05:20,309 --> 01:05:17,520

area and my personal encounter with a

1697

01:05:23,250 --> 01:05:20,319

flying vehicle or whatever

1698

01:05:24,390 --> 01:05:23,260

occurred around 1977.

1699

01:05:26,950 --> 01:05:24,400

[Music]

1700

01:05:28,150 --> 01:05:26,960

my rock band was playing in wildwood new

1701

01:05:30,150 --> 01:05:28,160

jersey

1702

01:05:33,750 --> 01:05:30,160

in november of that year

1703

01:05:39,829 --> 01:05:36,390

and my bandmate and i drove back from

1704

01:05:41,990 --> 01:05:39,839

wildwood new jersey to philadelphia

1705

01:05:44,710 --> 01:05:42,000

after we got onto the atlantic city

1706

01:05:47,910 --> 01:05:44,720

expressway for a few miles

1707

01:05:49,109 --> 01:05:47,920

we suddenly saw a large black triangular

1708

01:05:51,430 --> 01:05:49,119

something

1709

01:05:55,910 --> 01:05:51,440

floating across the highway

1710

01:05:58,789 --> 01:05:55,920

it was about 75 yards ahead of us

1711

01:06:01,750 --> 01:05:58,799

at that point my car engine ground to a

1712

01:06:05,910 --> 01:06:04,150

it was about 3 am and no other cars were

1713

01:06:07,589 --> 01:06:05,920

on either side of the expressway that

1714

01:06:09,670 --> 01:06:07,599

night

1715

01:06:11,670 --> 01:06:09,680

so my buddy rich and i jumped out of my

1716

01:06:14,470 --> 01:06:11,680

car and watched this thing literally

1717

01:06:16,710 --> 01:06:14,480

float across the road

1718

01:06:18,390 --> 01:06:16,720

it looked like it was about five miles

1719

01:06:19,910 --> 01:06:18,400

an hour

1720

01:06:22,789 --> 01:06:19,920

there was a light on each point of the

1721

01:06:26,470 --> 01:06:24,549

and then we watched it disappear over

1722

01:06:28,560 --> 01:06:26,480

the tree line at the far lanes of the

1723

01:06:30,309 --> 01:06:28,570

expressway and was gone

1724

01:06:31,910 --> 01:06:30,319

[Music]

1725

01:06:34,390 --> 01:06:31,920

and we looked at each other pretty

1726

01:06:40,390 --> 01:06:36,710

and i guess my in the back of my mind i

1727

01:06:43,029 --> 01:06:40,400

thought has to be an experimental plane

1728

01:06:45,029 --> 01:06:43,039

but when we got back into my car

1729

01:06:46,950 --> 01:06:45,039

i turned the ignition on my car started

1730

01:06:48,630 --> 01:06:46,960

right up

1731

01:06:51,750 --> 01:06:48,640

so we looked at each other and started

1732

01:06:53,270 --> 01:06:51,760

laughing like a disbelief

1733

01:06:55,430 --> 01:06:53,280

so the next day

1734

01:06:57,510 --> 01:06:55,440

or later that day i when i woke up i

1735

01:07:00,710 --> 01:06:57,520

called the faa

1736

01:07:02,789 --> 01:07:00,720

and i finally got through to a lady who

1737

01:07:04,470 --> 01:07:02,799

after i told her what happened to us she

1738

01:07:06,069 --> 01:07:04,480

said well we haven't had any other

1739

01:07:07,670 --> 01:07:06,079

reports

1740

01:07:09,829 --> 01:07:07,680

but if we do

1741

01:07:12,069 --> 01:07:09,839

you know give me your number and i'll

1742

01:07:14,390 --> 01:07:12,079

call you and let you know

1743

01:07:16,470 --> 01:07:14,400

well that that never happened so

1744

01:07:19,029 --> 01:07:16,480

in my mind and i figured well it has to

1745

01:07:20,069 --> 01:07:19,039

be an experimental plane

1746

01:07:22,230 --> 01:07:20,079

um

1747

01:07:24,470 --> 01:07:22,240

you know because there was a there's

1748

01:07:26,230 --> 01:07:24,480

there's been an air base outside of

1749

01:07:28,789 --> 01:07:26,240

atlantic city for years so i figured it

1750

01:07:32,150 --> 01:07:28,799

had to be experimental plane from the

1751

01:07:34,390 --> 01:07:32,160

air base outside of atlantic city

1752

01:07:35,829 --> 01:07:34,400

so for years

1753

01:07:37,109 --> 01:07:35,839

i never mentioned what happened to

1754

01:07:39,349 --> 01:07:37,119

anybody

1755

01:07:43,029 --> 01:07:39,359

other than

1756

01:07:45,510 --> 01:07:43,039

the guys in my later band because we

1757

01:07:49,190 --> 01:07:45,520

actually i wrote a song about it maybe a

1758

01:07:51,270 --> 01:07:49,200

year later and we performed it

1759

01:07:53,670 --> 01:07:51,280

in wildwood actually in

1760

01:07:55,750 --> 01:07:53,680

1978

1761

01:07:56,470 --> 01:07:55,760

so for years i never mentioned anyone

1762

01:07:58,069 --> 01:07:56,480

else

1763

01:07:59,910 --> 01:07:58,079

you know what

1764

01:08:01,109 --> 01:07:59,920

rich and i saw that night

1765

01:08:03,109 --> 01:08:01,119

because i didn't want anybody to think

1766

01:08:05,109 --> 01:08:03,119

we were nuts or high

1767

01:08:06,549 --> 01:08:05,119

we're drunk

1768

01:08:08,789 --> 01:08:06,559

that night so

1769

01:08:10,870 --> 01:08:08,799

rich and i decided decided to start

1770

01:08:12,789 --> 01:08:10,880

another music trio

1771

01:08:15,910 --> 01:08:12,799

years later

1772

01:08:18,309 --> 01:08:15,920

had to be around 2020.

1773

01:08:21,669 --> 01:08:18,319

we started a trio with a

1774

01:08:26,229 --> 01:08:23,669

i'm a drummer and he was a

1775

01:08:28,070 --> 01:08:26,239

keyboard player

1776

01:08:31,349 --> 01:08:28,080

so then all the furore started about the

1777

01:08:33,669 --> 01:08:31,359

ufo sightings in the media

1778

01:08:36,229 --> 01:08:33,679

the pentagon report came

1779

01:08:40,309 --> 01:08:38,630

just it was just a lot of media

1780

01:08:42,470 --> 01:08:40,319

hying i i started to watch some

1781

01:08:44,470 --> 01:08:42,480

documentaries i really got more

1782

01:08:46,149 --> 01:08:44,480

fascinated by it and i couldn't believe

1783

01:08:47,829 --> 01:08:46,159

some of the things i saw in the

1784

01:08:49,269 --> 01:08:47,839

documentaries reminded me of the

1785

01:08:51,430 --> 01:08:49,279

triangular

1786

01:08:55,349 --> 01:08:51,440

spaceship we saw

1787

01:08:57,590 --> 01:08:55,359

that night 1977 you know

1788

01:08:59,430 --> 01:08:57,600

so for the first time in a practice in

1789

01:09:01,349 --> 01:08:59,440

2020 i

1790

01:09:03,189 --> 01:09:01,359

told rich and our female singer what i

1791

01:09:05,269 --> 01:09:03,199

had seen

1792

01:09:07,430 --> 01:09:05,279

but was too embarrassed to tell anybody

1793

01:09:08,630 --> 01:09:07,440

for all these years and suddenly rich

1794

01:09:10,070 --> 01:09:08,640

says to me

1795

01:09:12,390 --> 01:09:10,080

well who do you think was sitting next

1796

01:09:13,910 --> 01:09:12,400

to you when you saw it

1797

01:09:15,990 --> 01:09:13,920

and i blurted out

1798

01:09:17,510 --> 01:09:16,000

you were there with me that night

1799

01:09:19,829 --> 01:09:17,520

he says yeah i said

1800

01:09:22,390 --> 01:09:19,839

i said thank god i thought i was alone

1801
01:09:24,950 --> 01:09:22,400
that night so

1802
01:09:27,749 --> 01:09:24,960
i asked him to recall what he saw and it

1803
01:09:29,829 --> 01:09:27,759
was exactly what i remembered

1804
01:09:31,430 --> 01:09:29,839
and in fact he added that the thing that

1805
01:09:34,550 --> 01:09:31,440
freaked him out the most was that the

1806
01:09:36,709 --> 01:09:34,560
large aircraft that we saw float by made

1807
01:09:39,030 --> 01:09:36,719
no sound

1808
01:09:42,070 --> 01:09:39,040
so that was pretty amazing you know to

1809
01:09:45,669 --> 01:09:44,390
thinking about all of it

1810
01:09:48,789 --> 01:09:45,679
recently

1811
01:09:51,749 --> 01:09:48,799
i mean i always felt like there's it was

1812
01:09:53,669 --> 01:09:51,759
obviously superior intelligence

1813
01:09:55,510 --> 01:09:53,679

in this in the galaxy and it's not a

1814

01:09:56,550 --> 01:09:55,520

surprise to me given the size of the

1815

01:09:58,310 --> 01:09:56,560

universe

1816

01:10:00,390 --> 01:09:58,320

that we could never really think that

1817

01:10:02,550 --> 01:10:00,400

we're alone

1818

01:10:04,310 --> 01:10:02,560

and so with all these documentaries i

1819

01:10:06,470 --> 01:10:04,320

really felt like

1820

01:10:08,950 --> 01:10:06,480

you know what we saw that night

1821

01:10:11,990 --> 01:10:08,960

was probably a ufo

1822

01:10:15,030 --> 01:10:12,000

that's how i feel about it and uh

1823

01:10:17,430 --> 01:10:15,040

especially when i saw the navy pilots on

1824

01:10:19,030 --> 01:10:17,440

60 minutes come out and show the videos

1825

01:10:22,470 --> 01:10:19,040

that they saw while they were flying

1826

01:10:27,189 --> 01:10:25,030

on a mission or whatever in practice in

1827

01:10:28,870 --> 01:10:27,199

california

1828

01:10:31,590 --> 01:10:28,880

so

1829

01:10:32,950 --> 01:10:31,600

as a result of that we did my other band

1830

01:10:35,110 --> 01:10:32,960

you know

1831

01:10:38,790 --> 01:10:35,120

uh wrote a song about

1832

01:10:41,270 --> 01:10:38,800

what we saw so we performed in 1978 and

1833

01:10:43,189 --> 01:10:41,280

this past year we revised it we actually

1834

01:10:45,270 --> 01:10:43,199

put it out on spotify and amazon you

1835

01:10:46,550 --> 01:10:45,280

know it's called look to the sky philly

1836

01:10:49,750 --> 01:10:46,560

mix

1837

01:10:50,870 --> 01:10:49,760

and you know it's a song of hope

1838

01:10:53,990 --> 01:10:50,880

that

1839

01:10:55,830 --> 01:10:54,000

if these ufos were really a danger to us

1840

01:10:57,350 --> 01:10:55,840

we know it by now

1841

01:10:58,870 --> 01:10:57,360

and i don't think they can be from

1842

01:11:02,870 --> 01:10:58,880

russia or china or else they would have

1843

01:11:03,590 --> 01:11:02,880

used their superior intelligence on us

1844

01:11:07,669 --> 01:11:03,600

and

1845

01:11:11,030 --> 01:11:07,679

i guess the song really meant to me

1846

01:11:13,510 --> 01:11:11,040

is a song of hope because i think

1847

01:11:14,550 --> 01:11:13,520

these aliens who are obviously superior

1848

01:11:16,229 --> 01:11:14,560

to us

1849

01:11:17,910 --> 01:11:16,239

get upset about

1850

01:11:19,430 --> 01:11:17,920

all the wars that are happening and all

1851

01:11:20,470 --> 01:11:19,440

the things that are happening in the

1852

01:11:22,950 --> 01:11:20,480

world

1853

01:11:25,510 --> 01:11:22,960

they may finally appear and tell us to

1854

01:11:26,790 --> 01:11:25,520

cool all these wars and maybe cool mr

1855

01:11:28,709 --> 01:11:26,800

putin down

1856

01:11:41,910 --> 01:11:28,719

so that's about it

1857

01:11:45,910 --> 01:11:43,830

somewhere in the skies is produced by

1858

01:11:47,750 --> 01:11:45,920

third kind productions in association
