[Music]

4
00:00:51,590 --> 00:00:49,280
hey what's up guys ryan sprague here

5
00:00:53,510 --> 00:00:51,600
from somewhere in the skies coming to

6
00:00:55,910 --> 00:00:53,520
you live from

7
00:00:56,830 --> 00:00:55,920
scotland that's right i have officially

8
00:00:59,029 --> 00:00:56,840
moved

9
00:01:01,830 --> 00:00:59,039
overseas a lot of people were wondering

10
00:01:04,789 --> 00:01:01,840
when it was happening uh if the show

11
00:01:06,310 --> 00:01:04,799
would continue and um yeah i guess i was

12
00:01:07,670 --> 00:01:06,320
kind of vague about all that if

13
00:01:10,149 --> 00:01:07,680

somewhere in the skies would continue

14

00:01:13,109 --> 00:01:10,159

after i moved but here we are and here

15

00:01:14,870 --> 00:01:13,119

it is yes everything is going to be as

16

00:01:16,550 --> 00:01:14,880

it was before some of the skies will be

17

00:01:18,149 --> 00:01:16,560

coming to you every week i'm going to

18

00:01:20,469 --> 00:01:18,159

try to do more live streams like you're

19

00:01:23,190 --> 00:01:20,479

going to see tonight and um everything

20

00:01:25,270 --> 00:01:23,200

is going to continue and just amplify at

21

00:01:27,030 --> 00:01:25,280

somewhere in the skies in fact i'm going

22

00:01:29,429 --> 00:01:27,040

to be teasing some of the awesome guests

23

00:01:31,109 --> 00:01:29,439

we have coming up on this show this

24

00:01:32,950 --> 00:01:31,119

month of september

25

00:01:34,630 --> 00:01:32,960

it's going to be a hell of a month here

26
00:01:35,910 --> 00:01:34,640
at somewhere in the skies i'm just going

27
00:01:37,830 --> 00:01:35,920
to leave it at that you'll hear more

28
00:01:39,990 --> 00:01:37,840
about that at the end of the show who's

29
00:01:41,749 --> 00:01:40,000
coming on and and all that good stuff

30
00:01:44,550 --> 00:01:41,759
and uh what you can expect from someone

31
00:01:45,910 --> 00:01:44,560
the sky's moving forward so um thank you

32
00:01:49,510 --> 00:01:45,920
thank you everyone for being here

33
00:01:52,069 --> 00:01:49,520
tonight um i apologize if i sound a

34
00:01:54,870 --> 00:01:52,079
little um under the weather uh not

35
00:01:57,030 --> 00:01:54,880
feeling too hot today um it could be the

36
00:01:59,670 --> 00:01:57,040
travel could be being in a new place but

37
00:02:02,149 --> 00:01:59,680
um it is what it is i'm also just

38
00:02:04,469 --> 00:02:02,159

getting over jet lag which hit me pretty

39

00:02:07,830 --> 00:02:04,479

pretty rough when i first got here to

40

00:02:09,510 --> 00:02:07,840

scotland um but enough about that i'm

41

00:02:11,910 --> 00:02:09,520

sure you guys have some questions about

42

00:02:13,670 --> 00:02:11,920

what it's like living in a new country

43

00:02:16,150 --> 00:02:13,680

even though i just got here and i'm

44

00:02:17,830 --> 00:02:16,160

still in shock that it happened but um i

45

00:02:20,070 --> 00:02:17,840

want to say hello to everyone in the

46

00:02:22,710 --> 00:02:20,080

chat here mothman hello are you moved

47

00:02:24,229 --> 00:02:22,720

yet there's your answer man i have moved

48

00:02:28,150 --> 00:02:24,239

zen bill is here

49

00:02:29,910 --> 00:02:28,160

repost smitty is here hello hello

50

00:02:32,229 --> 00:02:29,920

uh zenville might as well get it out of

51
00:02:33,270 --> 00:02:32,239
the way how's the weather in scotland

52
00:02:36,869 --> 00:02:33,280
actually

53
00:02:40,550 --> 00:02:36,879
it's been amazing i i don't know if it's

54
00:02:42,949 --> 00:02:40,560
um because of me but what the minute i

55
00:02:44,790 --> 00:02:42,959
landed here in in scotland um the

56
00:02:50,070 --> 00:02:44,800
weather's just been beautiful it's been

57
00:02:52,710 --> 00:02:50,080
like uh mid 60s low 70s um beautiful

58
00:02:55,030 --> 00:02:52,720
sunny skies and for any of my uk people

59
00:02:57,910 --> 00:02:55,040
watching right now i know how rare that

60
00:03:00,790 --> 00:02:57,920
is and how uh it's probably over in the

61
00:03:03,030 --> 00:03:00,800
next couple days so um trust me i know

62
00:03:05,750 --> 00:03:03,040
what rough winters are like i grew up in

63
00:03:07,270 --> 00:03:05,760

central new york um i may regret saying

64

00:03:09,350 --> 00:03:07,280

that and it might be unlike anything

65

00:03:12,149 --> 00:03:09,360

i've ever experienced but the weather

66

00:03:14,630 --> 00:03:12,159

has been amazing so far and i will savor

67

00:03:17,509 --> 00:03:14,640

every moment of that before these harsh

68

00:03:20,949 --> 00:03:17,519

harsh rains in in winter truly happen

69

00:03:23,110 --> 00:03:20,959

here in the uk but um yes and zenzibill

70

00:03:25,509 --> 00:03:23,120

there's your answer there

71

00:03:28,470 --> 00:03:25,519

uh riposte says way congrats man thank

72

00:03:30,390 --> 00:03:28,480

you thank you i really appreciate there

73

00:03:34,070 --> 00:03:30,400

i appreciate that mothman says are you

74

00:03:35,670 --> 00:03:34,080

near the lock good good question i don't

75

00:03:37,750 --> 00:03:35,680

want to give away exactly where i am a

76

00:03:39,830 --> 00:03:37,760

lot of you on on twitter and whatnot

77

00:03:42,550 --> 00:03:39,840

probably know um i'm living in one of

78

00:03:45,509 --> 00:03:42,560

the major cities here in scotland um

79

00:03:48,229 --> 00:03:45,519

which has been amazing so far it's

80

00:03:50,550 --> 00:03:48,239

beautiful here i i'm blown away by

81

00:03:51,990 --> 00:03:50,560

everything i've seen and experienced so

82

00:03:54,309 --> 00:03:52,000

far and i've only been here about five

83

00:03:57,110 --> 00:03:54,319

days um but it's been an incredible five

84

00:03:59,670 --> 00:03:57,120

days so far stressful not gonna lie uh

85

00:04:02,550 --> 00:03:59,680

moving overseas is not easy uh you kind

86

00:04:05,190 --> 00:04:02,560

88

00:04:09,429 --> 00:04:07,040

partner was ready for it and um we're

89

00:04:12,710 --> 00:04:09,439

ready for whatever comes next for both

90

00:04:14,869 --> 00:04:12,720

of us here in scotland um yeah yeah glad

91

00:04:16,710 --> 00:04:14,879

you made it safe james says thank you

92

00:04:20,469 --> 00:04:16,720

thank you i really really appre

93

00:04:23,110 --> 00:04:20,479

appreciate that um isn't the kelvin site

94

00:04:25,030 --> 00:04:23,120

nearby you guys are teasing all of the

95

00:04:27,270 --> 00:04:25,040

stuff i'm gonna be talking about tonight

96

00:04:29,510 --> 00:04:27,280

am i near the lock i am not near the

97

00:04:30,790 --> 00:04:29,520

98

00:04:32,390 --> 00:04:30,800

first things i wanted to talk about

99

00:04:35,270 --> 00:04:32,400

tonight with you guys this will be a

100

00:04:37,350 --> 00:04:35,280

00:04:47,510 --> 00:04:44,560
to talk about ufo wise and stuff like

105
00:04:49,749 --> 00:04:47,520

106
00:04:52,070 --> 00:04:49,759
yeah please feel free the super chat and

107

00:05:03,749 --> 00:05:00,320
moving overseas so any help you want to

111
00:05:05,670 --> 00:05:03,759
give um goes right back into the show um

112
00:05:09,110 --> 00:05:05,680
you know all the unforeseen costs that

113
00:05:12,310 --> 00:05:09,120

go with running a podcast every week um

114

00:05:14,230 --> 00:05:12,320

is is is rough so every single penny you

115

00:05:16,310 --> 00:05:14,240

guys donate goes right back into helping

116

00:05:18,390 --> 00:05:16,320

someone this guy so super chat super

117

00:05:20,390 --> 00:05:18,400

stickers are open i will highlight your

118

00:05:22,550 --> 00:05:20,400

questions if you do those and answer

119

00:05:24,870 --> 00:05:22,560

them as best i can to answer that first

120

00:05:28,070 --> 00:05:24,880

question am i near the lock

121

00:05:29,990 --> 00:05:28,080

i'm not near it but i'm close enough

122

00:05:31,909 --> 00:05:30,000

where if i hopped on a bus or a car i

123

00:05:34,310 --> 00:05:31,919

could get there within a couple hours

124

00:05:35,830 --> 00:05:34,320

and you bet your butts i'm gonna be

125

00:05:38,870 --> 00:05:35,840

doing that i'm gonna be going to the

126

00:05:41,189 --> 00:05:38,880

lock a lot a lot and speaking of which

127

00:05:44,230 --> 00:05:41,199

to kind of ring in the move here

128

00:05:46,710 --> 00:05:44,240

i did go to a local um

129

00:05:50,070 --> 00:05:46,720

beer place distributor and got this

130

00:05:53,189 --> 00:05:50,080

amazing darkness rich black stout which

131

00:05:55,029 --> 00:05:53,199

comes from loch ness i'm so excited i'm

132

00:05:56,390 --> 00:05:55,039

gonna actually crack it open right here

133

00:05:58,390 --> 00:05:56,400

with you guys

134

00:06:01,029 --> 00:05:58,400

if you guys are drinking tonight this

135

00:06:03,749 --> 00:06:01,039

one's for you

136

00:06:05,590 --> 00:06:03,759

i love stouts i'm a stout guy so i can't

137

00:06:08,950 --> 00:06:05,600

wait to give this a try

138

00:06:12,469 --> 00:06:11,110

it's missing

139

00:06:21,029 --> 00:06:12,479

but i just happen to have another one

140

00:06:24,230 --> 00:06:22,469

cheers guys

141

00:06:25,590 --> 00:06:24,240

to the first somewhere in the skies live

142

00:06:29,909 --> 00:06:25,600

stream coming to you from here in

143

00:06:34,870 --> 00:06:32,390

oh that's good

144

00:06:36,070 --> 00:06:34,880

it's got like um almost like a black

145

00:06:39,830 --> 00:06:36,080

cherry

146

00:06:44,469 --> 00:06:41,830

hmm

147

00:06:46,870 --> 00:06:44,479

chocolate malt

148

00:06:48,710 --> 00:06:46,880

highland water heck yeah we're getting

149

00:06:52,070 --> 00:06:48,720

that highland water in here

150

00:06:55,270 --> 00:06:52,080

and um aromas of coffee sweet chocolate

151
00:06:57,749 --> 00:06:55,280
and black cherry i was right there we go

152
00:06:59,909 --> 00:06:57,759
check it out guys darkness my first beer

153
00:07:01,350 --> 00:06:59,919
here in scotland

154
00:07:03,670 --> 00:07:01,360
i was also totally gonna check out

155
00:07:05,110 --> 00:07:03,680
innocent gun that's another lager i

156
00:07:07,430 --> 00:07:05,120
believe here

157
00:07:08,950 --> 00:07:07,440
here in the uk that uh is made here in

158
00:07:11,350 --> 00:07:08,960
scotland so i'll have to check that out

159
00:07:12,790 --> 00:07:11,360
i am a beer nerd too so you're gonna get

160
00:07:14,710 --> 00:07:12,800
a lot of um

161
00:07:17,189 --> 00:07:14,720
little beer selfies probably happening

162
00:07:19,430 --> 00:07:17,199
in the next few months there um so that

163
00:07:21,990 --> 00:07:19,440

answers your first question i'm not near

164

00:07:23,670 --> 00:07:22,000

loch ness um you know i'm not a stone's

165

00:07:25,670 --> 00:07:23,680

throw away but i'm a couple stones

166

00:07:28,309 --> 00:07:25,680

throws away so so yeah i'm gonna be

167

00:07:30,230 --> 00:07:28,319

doing a lot of um investigation and

168

00:07:31,510 --> 00:07:30,240

going there to hunt nessie that's that's

169

00:07:35,029 --> 00:07:31,520

for sure

170

00:07:38,870 --> 00:07:35,039

um let's see what else uh

171

00:07:42,150 --> 00:07:38,880

calvin um calvin is in the highlands of

172

00:07:44,070 --> 00:07:42,160

scotland so again i'm not too far and

173

00:07:45,830 --> 00:07:44,080

actually i should have some information

174

00:07:50,150 --> 00:07:45,840

coming to you soon about a possible

175

00:07:53,350 --> 00:07:50,160

visit to the calvine uh ufo site as it

176

00:07:55,110 --> 00:07:53,360

were uh one of my local colleagues here

177

00:07:58,869 --> 00:07:55,120

you know him from uap

178

00:08:01,830 --> 00:07:58,879

excuse me uap media uk um graeme rendell

179

00:08:03,749 --> 00:08:01,840

has graciously invited me to join him to

180

00:08:06,070 --> 00:08:03,759

go look for the site where the kelvin

181

00:08:08,230 --> 00:08:06,080

ufo photo was supposedly taken we're

182

00:08:10,230 --> 00:08:08,240

gonna go out there and um see if we can

183

00:08:13,430 --> 00:08:10,240

find the location of where this photo

184

00:08:15,430 --> 00:08:13,440

was taken see if it kind of matches the

185

00:08:17,990 --> 00:08:15,440

testimony that has been brought forward

186

00:08:19,990 --> 00:08:18,000

and um we're gonna try to recreate it i

187

00:08:21,830 --> 00:08:20,000

don't know how um i don't know if

188

00:08:23,110 --> 00:08:21,840

graham's got some ideas of bringing a

189

00:08:24,950 --> 00:08:23,120

blimp or something out there but we're

190

00:08:27,350 --> 00:08:24,960

gonna we're gonna try so that should be

191

00:08:28,710 --> 00:08:27,360

fun for sure for sure again these are

192

00:08:31,350 --> 00:08:28,720

things i never would have been able to

193

00:08:33,509 --> 00:08:31,360

do over in the states um so i'm really

194

00:08:35,909 --> 00:08:33,519

excited to kind of branch out and start

195

00:08:38,630 --> 00:08:35,919

to look at more ufo activity here in

196

00:08:41,269 --> 00:08:38,640

scotland specifically and in the uk

197

00:08:43,269 --> 00:08:41,279

in general

198

00:08:45,030 --> 00:08:43,279

cheryl thank you so much for the super

199

00:08:46,630 --> 00:08:45,040

00:08:53,110 --> 00:08:51,279
lot of fun um hopefully you guys will

203
00:08:56,470 --> 00:08:53,120
dig some of the other topics i brought

204
00:08:59,110 --> 00:08:56,480
to you in between your questions and the

205
00:09:01,190 --> 00:08:59,120
answers um derek as well thank you thank

208
00:09:07,030 --> 00:09:05,200
appreciate any support you guys are

209
00:09:09,990 --> 00:09:07,040
willing to give that doesn't just mean

210
00:09:12,790 --> 00:09:10,000
money i appreciate everyone watching um

211
00:09:15,750 --> 00:09:12,800
just watching sharing this live stream

212
00:09:17,910 --> 00:09:15,760
uh subscribing liking all that stuff you

213
00:09:20,630 --> 00:09:17,920

hear every content creator say truly

214

00:09:23,590 --> 00:09:20,640

does make a difference um you know as an

215

00:09:27,509 --> 00:09:23,600

independent content creator uh i really

216

00:09:30,070 --> 00:09:27,519

do um rely on my audience to keep the

217

00:09:31,829 --> 00:09:30,080

show going so um if it weren't for you

218

00:09:33,590 --> 00:09:31,839

there would be no show so i truly do

219

00:09:36,470 --> 00:09:33,600

appreciate every single one of you

220

00:09:39,990 --> 00:09:36,480

watching listening uh you know buying

221

00:09:42,389 --> 00:09:40,000

merch or following me on social media or

222

00:09:47,190 --> 00:09:42,399

uh just watching here watching me ramble

223

00:09:51,030 --> 00:09:48,870

so thank you so much to both of you for

224

00:09:53,509 --> 00:09:51,040

that

225

00:09:54,870 --> 00:09:53,519

let's see let's see you got a closer

226

00:09:56,870 --> 00:09:54,880

lock

227

00:09:59,990 --> 00:09:56,880

than you were last month that's very

228

00:10:02,630 --> 00:10:00,000

very true very true tim f is here hell

229

00:10:05,350 --> 00:10:02,640

scotsman ryan hail tim thanks for being

230

00:10:07,509 --> 00:10:05,360

here my man black vault is here john

231

00:10:10,949 --> 00:10:07,519

greenwald i want the entire stream here

232

00:10:13,590 --> 00:10:10,959

to be in a scottish accent

233

00:10:16,550 --> 00:10:13,600

john you know me brother you know i'm an

234

00:10:19,110 --> 00:10:16,560

actor by heart but accents are not my

235

00:10:21,829 --> 00:10:19,120

thing i'm not even going to attempt it

236

00:10:24,710 --> 00:10:21,839

um i have been reaching out to my buddy

237

00:10:26,949 --> 00:10:24,720

andy over at that ufo podcast we've been

238

00:10:29,030 --> 00:10:26,959

texting constantly since the moment i've

239

00:10:30,389 --> 00:10:29,040

landed here and i'm coming to him being

240

00:10:32,550 --> 00:10:30,399

like what does this mean what does this

241

00:10:35,110 --> 00:10:32,560

mean i'm hearing all these new slogans

242

00:10:37,829 --> 00:10:35,120

and and and words that i'm not familiar

243

00:10:39,990 --> 00:10:37,839

with um what do they mean and even he

244

00:10:42,870 --> 00:10:40,000

said dude i don't know half of what they

245

00:10:44,949 --> 00:10:42,880

say in scotland

246

00:10:46,630 --> 00:10:44,959

so so yeah it's gonna be a learning

247

00:10:50,069 --> 00:10:46,640

curve that's for sure but everyone's

248

00:10:51,750 --> 00:10:50,079

been so incredibly kind here so far um

249

00:10:54,150 --> 00:10:51,760

big difference from new york city i can

250

00:10:57,590 --> 00:10:54,160

tell you that much everyone's very

251

00:10:59,509 --> 00:10:57,600

very kind and uh patient and and it's a

252

00:11:02,550 --> 00:10:59,519

whole different atmosphere than what i'm

253

00:11:06,150 --> 00:11:02,560

used to so um we'll see how that fares

254

00:11:07,990 --> 00:11:06,160

um in the long run um you know even at

255

00:11:09,990 --> 00:11:08,000

the local coffee shops and kind of

256

00:11:12,069 --> 00:11:10,000

restaurants that i've been to so far

257

00:11:13,430 --> 00:11:12,079

everyone just takes their time which

258

00:11:15,910 --> 00:11:13,440

again i'm not used to them you still

259

00:11:18,550 --> 00:11:15,920

like you know order get in get out boom

260

00:11:21,350 --> 00:11:18,560

done um but they don't do that here and

261

00:11:23,110 --> 00:11:21,360

i kind of like it it's you know it's

262

00:11:25,990 --> 00:11:23,120

pretty cool and you know a lot of places

263

00:11:28,150 --> 00:11:26,000

here in the uk also don't do um

264

00:11:31,430 --> 00:11:28,160
tipping so it kind of relieves the

265

00:11:34,310 --> 00:11:31,440
pressure of customer and waiter and

266

00:11:36,790 --> 00:11:34,320
stuff like that all that like imaginary

267

00:11:38,870 --> 00:11:36,800
hierarchy stuff we put on one another in

268

00:11:42,310 --> 00:11:38,880
the states um listen to me calling it

269

00:11:44,230 --> 00:11:42,320
the states already um but yeah yeah so

270

00:11:46,710 --> 00:11:44,240
there's a lot of different things here

271

00:11:48,870 --> 00:11:46,720
in the uk but a lot of it is like

272

00:11:51,750 --> 00:11:48,880
america as well in good ways in good

273

00:11:54,310 --> 00:11:51,760
ways so um yeah yeah that is what it is

274

00:11:55,910 --> 00:11:54,320
so um john thanks so much for being here

275

00:11:57,670 --> 00:11:55,920
brother thanks for the shout out last

276

00:12:00,949 --> 00:11:57,680

night on your live stream as well i was

277

00:12:03,829 --> 00:12:00,959

able to catch most of it um and i do

278

00:12:05,030 --> 00:12:03,839

john i do have a portion of your live

279

00:12:06,389 --> 00:12:05,040

stream from last night i'm really

280

00:12:08,069 --> 00:12:06,399

sharing with my audience and then

281

00:12:09,910 --> 00:12:08,079

linking them over to your your

282

00:12:12,550 --> 00:12:09,920

incredible live stream last night about

283

00:12:13,829 --> 00:12:12,560

government ufo secrecy is it getting

284

00:12:15,430 --> 00:12:13,839

worse

285

00:12:18,150 --> 00:12:15,440

when we think it was supposed to be

286

00:12:19,670 --> 00:12:18,160

getting better um really fascinating

287

00:12:21,430 --> 00:12:19,680

stuff john you talked about over there

288

00:12:23,509 --> 00:12:21,440

so we're going to highlight some of that

289

00:12:26,629 --> 00:12:23,519

later tonight in the q a so thank you

290

00:12:29,030 --> 00:12:26,639

john thank you for being here my man

291

00:12:31,269 --> 00:12:29,040

it comes to ufos um our friend micah

297

00:12:44,870 --> 00:12:41,600

hanks had a really interesting story

298

00:12:46,470 --> 00:12:44,880

over the debrief recently about ufos

299

00:12:48,790 --> 00:12:46,480

over ukraine so i'm going to touch on

300

00:12:51,829 --> 00:12:48,800

that in a little bit tom so thanks for

301

00:12:53,910 --> 00:12:51,839

318

00:13:32,790 --> 00:13:30,720

um john we also need the castle's great

319

00:13:35,269 --> 00:13:32,800

room as a backdrop

320

00:13:37,350 --> 00:13:35,279

that's true yeah my backdrop ain't too

321

00:13:39,269 --> 00:13:37,360

hot right now i'm staying in an airbnb

322

00:13:40,870 --> 00:13:39,279

couch with these um

324

00:13:44,790 --> 00:13:41,839

plaid

325

00:13:47,189 --> 00:13:44,800

um scottish pillows um that's another

326

00:13:49,590 --> 00:13:47,199

thing all the apartments are so freaking

327

00:13:51,110 --> 00:13:49,600

big here in beautiful i love it i'm not

328

00:13:53,750 --> 00:13:51,120

again not used to that you're still

329

00:13:59,910 --> 00:13:53,760

living in a walk-in closet um so that's

330

00:14:04,310 --> 00:14:02,389

mysteries and monsters is here

331

00:14:06,069 --> 00:14:04,320

have you been introduced to earn brew

332

00:14:09,350 --> 00:14:06,079

yet ryan um

333

00:14:11,269 --> 00:14:09,360

oh yes i have yes i i believe that's the

334

00:14:13,990 --> 00:14:11,279

um mysterious

335

00:14:15,030 --> 00:14:14,000

soft drink refreshment here in scotland

336

00:14:16,710 --> 00:14:15,040

um

337

00:14:19,269 --> 00:14:16,720

if i'm wrong on that please let me know

338

00:14:20,790 --> 00:14:19,279

but yes i had the um

339

00:14:23,269 --> 00:14:20,800

really cool

340

00:14:25,590 --> 00:14:23,279

i guess opportunity to go to an advanced

341

00:14:27,829 --> 00:14:25,600

screening of the first two episodes of

342

00:14:30,629 --> 00:14:27,839

the new lord of the rings television

343

00:14:33,110 --> 00:14:30,639

series rings of power um

344

00:14:35,030 --> 00:14:33,120

my partner was able to get us free

345

00:14:37,910 --> 00:14:35,040

tickets to an advanced screening right

346

00:14:39,990 --> 00:14:37,920

here in the city we're living in um so

347

00:14:43,189 --> 00:14:40,000

we got to see it a couple days before it

348

00:14:45,189 --> 00:14:43,199

it released on amazon and it was so cool

349

00:14:48,870 --> 00:14:45,199

and they were giving away free um you

350

00:14:50,710 --> 00:14:48,880

know little goodies and free uh snacks

351
00:14:52,389 --> 00:14:50,720
and stuff and i believe if earned brews

352
00:14:54,870 --> 00:14:52,399
what i think you're talking about they

353
00:14:57,189 --> 00:14:54,880
gave that away too it was interesting

354
00:14:59,670 --> 00:14:57,199
hey i'll take anything that's free

355
00:15:01,269 --> 00:14:59,680
um what'd you guys think

356
00:15:03,350 --> 00:15:01,279
lord of the rings fans out there what'd

357
00:15:04,230 --> 00:15:03,360
you think of the first two episodes

358
00:15:05,430 --> 00:15:04,240
um

359
00:15:07,670 --> 00:15:05,440
personally i thought they were pretty

360
00:15:10,550 --> 00:15:07,680
good as someone who's not really in that

361
00:15:13,189 --> 00:15:10,560
world the fantasy or or even lord of the

362
00:15:15,750 --> 00:15:13,199
rings um i thought it was interesting

363
00:15:18,470 --> 00:15:15,760

maybe a little slow at first um

364

00:15:21,110 --> 00:15:18,480

but gosh did it look beautiful i mean it

365

00:15:23,750 --> 00:15:21,120

is the most expensive television show

366

00:15:26,710 --> 00:15:23,760

ever produced um which they seem to be

367

00:15:28,230 --> 00:15:26,720

very proud proud about bragging about um

368

00:15:31,030 --> 00:15:28,240

i think they spent over a billion

369

00:15:32,790 --> 00:15:31,040

dollars on making this first season

370

00:15:34,949 --> 00:15:32,800

which is just

371

00:15:37,749 --> 00:15:34,959

insane but it definitely shows in the

372

00:15:39,990 --> 00:15:37,759

cinematography it was just gorgeous to

373

00:15:41,910 --> 00:15:40,000

look at um

374

00:15:43,749 --> 00:15:41,920

did the story hold up i want to hear

375

00:15:45,110 --> 00:15:43,759

what you guys have to say put it in the

376

00:15:49,829 --> 00:15:45,120

comments there i'd love to hear what you

377

00:15:57,829 --> 00:15:53,990

let's see let's see

378

00:16:00,550 --> 00:15:57,839

hello we have 50 and b is here hello mj

379

00:16:02,310 --> 00:16:00,560

is here as well

380

00:16:04,150 --> 00:16:02,320

um it is indeed ryan the country in

381

00:16:07,030 --> 00:16:04,160

europa where coca-cola isn't the top

382

00:16:09,189 --> 00:16:07,040

seller yeah yeah i hear that mysteries

383

00:16:11,269 --> 00:16:09,199

and monsters for sure yeah earn brew

384

00:16:13,350 --> 00:16:11,279

it's pretty interesting i can't put my

385

00:16:15,350 --> 00:16:13,360

finger on what it tastes like um but it

386

00:16:17,590 --> 00:16:15,360

does remind me of something

387

00:16:20,310 --> 00:16:17,600

something from my childhood i just can't

388

00:16:21,590 --> 00:16:20,320

quite figure out what that is yet um

389

00:16:24,230 --> 00:16:21,600

check out some of the earn brew

390

00:16:25,430 --> 00:16:24,240

commercials old new and funny says zen

391

00:16:26,870 --> 00:16:25,440

and bill

392

00:16:28,629 --> 00:16:26,880

repo says oh it's already out i

393

00:16:30,310 --> 00:16:28,639

completely missed it yes the first two

394

00:16:32,790 --> 00:16:30,320

episodes of rings of power should be out

395

00:16:36,870 --> 00:16:32,800

on amazon prime so go check it out if

396

00:16:39,430 --> 00:16:36,880

you can um tim says i'm a huge lore snob

397

00:16:42,230 --> 00:16:39,440

for t-l-o-t-rs

398

00:16:44,550 --> 00:16:42,240

so i had major issues with the show i

399

00:16:47,189 --> 00:16:44,560

completely understand tim again

400

00:16:49,670 --> 00:16:47,199

my partner is a huge huge uh fan and

401
00:16:52,949 --> 00:16:49,680
into every everything lord of the rings

402
00:16:56,069 --> 00:16:52,959
tolkien um in fact uh

403
00:16:59,110 --> 00:16:56,079
i i hope i did justice

404
00:17:02,310 --> 00:16:59,120
for her when i proposed i actually went

405
00:17:05,270 --> 00:17:02,320
to a bench in oxford where tolkien used

406
00:17:06,789 --> 00:17:05,280
to sit and uh write lord of the rings

407
00:17:09,270 --> 00:17:06,799
where he got his inspiration for a lot

408
00:17:11,829 --> 00:17:09,280
of the landscapes and in nature in his

409
00:17:14,630 --> 00:17:11,839
books and we found this bench and it had

410
00:17:15,669 --> 00:17:14,640
his name on it a memorial sort of thing

411
00:17:17,029 --> 00:17:15,679
um

412
00:17:20,309 --> 00:17:17,039
very beautiful

413
00:17:22,549 --> 00:17:20,319

and secluded um area in oxford in a

414

00:17:26,230 --> 00:17:22,559

beautiful park and we were alone there

415

00:17:28,470 --> 00:17:26,240

and um that's where i dropped on 1d and

416

00:17:31,350 --> 00:17:28,480

i took out the ring to rule them all and

417

00:17:33,909 --> 00:17:31,360

she said yes so i guess i did something

418

00:17:35,990 --> 00:17:33,919

right um so yeah no matter what lord of

419

00:17:39,350 --> 00:17:36,000

the rings will always be tied to our

420

00:17:41,110 --> 00:17:39,360

lives now no matter what

421

00:17:44,950 --> 00:17:41,120

let's see

422

00:17:47,029 --> 00:17:44,960

you finally proposed jazz yes yes um i'd

423

00:17:49,270 --> 00:17:47,039

say about six months ago actually uh

424

00:17:51,590 --> 00:17:49,280

maybe a little longer actually yeah

425

00:17:52,950 --> 00:17:51,600

longer than that um last time i was here

426

00:17:56,070 --> 00:17:52,960

in the uk

427

00:17:58,630 --> 00:17:56,080

uh visiting um my partners one of her

428

00:17:59,510 --> 00:17:58,640

family members we went to oxford and

429

00:18:01,750 --> 00:17:59,520

that's

430

00:18:03,190 --> 00:18:01,760

where i popped the question and um that

431

00:18:05,190 --> 00:18:03,200

was also the first time that i went to

432

00:18:08,390 --> 00:18:05,200

scotland and absolutely fell in love

433

00:18:10,230 --> 00:18:08,400

with it and just by happenstance call it

434

00:18:13,270 --> 00:18:10,240

synchronicity what have you that's um

435

00:18:14,390 --> 00:18:13,280

where i ended up moving to um

436

00:18:16,950 --> 00:18:14,400

long story

437

00:18:19,669 --> 00:18:16,960

won't get into it here but i am so happy

438

00:18:24,549 --> 00:18:19,679

for this life change a new chapter and

439

00:18:29,110 --> 00:18:26,470

mothman says there's only one trilli

440

00:18:31,430 --> 00:18:29,120

trilogy and it's star wars

441

00:18:33,270 --> 00:18:31,440

i i hear you mothman i'm i'm a star wars

442

00:18:35,430 --> 00:18:33,280

person as well so i i completely

443

00:18:38,470 --> 00:18:35,440

understand isn't that a joke in um

444

00:18:41,830 --> 00:18:38,480

clerks ii um there's only one

445

00:18:44,230 --> 00:18:41,840

trilogy in its of the what does he say

446

00:18:47,350 --> 00:18:44,240

it's of the the wars or something i

447

00:18:51,110 --> 00:18:49,190

so happy for you guys thanks jess i

448

00:18:53,510 --> 00:18:51,120

really do appreciate that

449

00:18:55,669 --> 00:18:53,520

um well guys let's uh get to some of

450

00:18:57,669 --> 00:18:55,679

these topics that i wanted to talk about

451
00:19:00,150 --> 00:18:57,679
with you tonight um and again just put

452
00:19:02,390 --> 00:19:00,160
your questions in here as well i will

453
00:19:05,430 --> 00:19:02,400
try to keep up with them and star them

454
00:19:06,310 --> 00:19:05,440
and get to them as we move on here

455
00:19:08,549 --> 00:19:06,320
um

456
00:19:10,950 --> 00:19:08,559
wow we got 37 of you here that's so cool

457
00:19:12,789 --> 00:19:10,960
i i didn't think anyone was gonna watch

458
00:19:15,190 --> 00:19:12,799
it's pretty late here in the uk it's

459
00:19:16,870 --> 00:19:15,200
almost 11 30 p.m already so that's

460
00:19:18,310 --> 00:19:16,880
another thing i got to get used to doing

461
00:19:20,710 --> 00:19:18,320
my live streams

462
00:19:22,390 --> 00:19:20,720
close to at midnight so that you poor

463
00:19:24,950 --> 00:19:22,400

people on the west coast and east coast

464

00:19:26,390 --> 00:19:24,960

can uh catch it at a decent time um

465

00:19:29,029 --> 00:19:26,400

that's that's what it must be like

466

00:19:31,669 --> 00:19:29,039

living here so to all my uk friends and

467

00:19:34,549 --> 00:19:31,679

everyone in europe and beyond um now i

468

00:19:36,710 --> 00:19:34,559

know your pain why all of us americans

469

00:19:38,710 --> 00:19:36,720

are like ones what are none of our uk

470

00:19:41,350 --> 00:19:38,720

people watching oh because they're in

471

00:19:42,950 --> 00:19:41,360

bed and have to work in the morning um

472

00:19:45,270 --> 00:19:42,960

that's why

473

00:19:46,789 --> 00:19:45,280

welcome to the uk gareth says thank you

474

00:19:47,990 --> 00:19:46,799

thank you brother i truly truly do

475

00:19:49,350 --> 00:19:48,000

appreciate that

476

00:19:50,549 --> 00:19:49,360

um first story i'm gonna talk about

477

00:19:53,830 --> 00:19:50,559

tonight guys

478

00:19:56,789 --> 00:19:53,840

there was a sighting of nessie

479

00:19:59,350 --> 00:19:56,799

at loch ness recently this uh mid-50s

480

00:20:02,710 --> 00:19:59,360

couple says that they saw it and

481

00:20:04,470 --> 00:20:02,720

captured some of it on video um

482

00:20:06,710 --> 00:20:04,480

i don't have the video for you guys here

483

00:20:08,310 --> 00:20:06,720

it's basically um not even worth

484

00:20:10,789 --> 00:20:08,320

watching i'm not gonna lie it was a

485

00:20:13,190 --> 00:20:10,799

little disappointing but they did say

486

00:20:15,750 --> 00:20:13,200

that they saw something under the water

487

00:20:18,070 --> 00:20:15,760

it was making huge waves in the lock and

488

00:20:19,990 --> 00:20:18,080

um it was there for like half an hour

489

00:20:22,310 --> 00:20:20,000

just going back and forth back and forth

490

00:20:24,149 --> 00:20:22,320

um so that's pretty cool um i will put a

491

00:20:26,630 --> 00:20:24,159

link in the show notes to the article

492

00:20:28,549 --> 00:20:26,640

about that so yeah the

493

00:20:29,750 --> 00:20:28,559

apparently the week i moved to scotland

494

00:20:32,390 --> 00:20:29,760

there was a

495

00:20:34,630 --> 00:20:32,400

setting of messi so that's pretty cool

496

00:20:36,549 --> 00:20:34,640

um there was also news

497

00:20:38,789 --> 00:20:36,559

about the loch ness monster not too long

498

00:20:40,630 --> 00:20:38,799

ago too where um there were some

499

00:20:42,870 --> 00:20:40,640

scientists who believed that they found

500

00:20:45,110 --> 00:20:42,880

fossils that could

501
00:20:48,310 --> 00:20:45,120
possibly prove

502
00:20:51,669 --> 00:20:48,320
that some sort of plesiosaur or some

503
00:20:54,390 --> 00:20:51,679
loch ness monster s creature could still

504
00:20:57,029 --> 00:20:54,400
be around um so what i'm gonna do right

505
00:21:01,190 --> 00:20:57,039
now is i'm going to share

506
00:21:03,430 --> 00:21:01,200
a brief news video about uh about that

507
00:21:05,590 --> 00:21:03,440
that i found this was from

508
00:21:07,909 --> 00:21:05,600
i believe it was cbs minnesota did a

509
00:21:09,830 --> 00:21:07,919
nice little little interview with the

510
00:21:13,190 --> 00:21:09,840
scientist who says that he

511
00:21:15,190 --> 00:21:13,200
thinks that they have found um fragments

512
00:21:17,909 --> 00:21:15,200
or fossils of what could have possibly

513
00:21:20,070 --> 00:21:17,919

be something of a loch ness monster

514

00:21:22,549 --> 00:21:20,080

so yeah check this out some claimed she

515

00:21:25,110 --> 00:21:22,559

was the descendant of the plesiosaur a

516

00:21:28,350 --> 00:21:25,120

long-necked aquatic dinosaur and that

517

00:21:30,470 --> 00:21:28,360

idea just became a bit more plausible

518

00:21:32,789 --> 00:21:30,480

paleontologists working in morocco's

519

00:21:35,590 --> 00:21:32,799

sahara desert found evidence that

520

00:21:39,029 --> 00:21:35,600

plesiosaurs not only lived in oceans and

521

00:21:41,669 --> 00:21:39,039

seas but in fresh water too we found

522

00:21:42,950 --> 00:21:41,679

some plesiosaurs in an ancient riverbed

523

00:21:44,630 --> 00:21:42,960

which was a little surprising they're in

524

00:21:46,310 --> 00:21:44,640

a freshwater environment and this is a

525

00:21:48,149 --> 00:21:46,320

group that was thought to be mostly

526
00:21:49,830 --> 00:21:48,159
marine and it indicates this group was

527
00:21:52,230 --> 00:21:49,840
able to come specialize to exploit

528
00:21:54,470 --> 00:21:52,240
freshwater environments nick longrich is

529
00:21:56,470 --> 00:21:54,480
a paleontologist at england's bath

530
00:21:59,909 --> 00:21:56,480
university and the lead author of a

531
00:22:01,750 --> 00:21:59,919
report on the fossil find we found a lot

532
00:22:04,149 --> 00:22:01,760
of different plesiosaur fossils in this

533
00:22:05,990 --> 00:22:04,159
freshwater deposit we found juveniles we

534
00:22:07,350 --> 00:22:06,000
found adults we found bones we found

535
00:22:09,350 --> 00:22:07,360
teeth that they lost they shed their

536
00:22:10,789 --> 00:22:09,360
teeth kind of like sharks so we found a

537
00:22:12,870 --> 00:22:10,799
lot of fossils suggesting these things

538
00:22:15,029 --> 00:22:12,880

were up there routinely and probably

539

00:22:18,549 --> 00:22:15,039

spent much if not all of their lives in

540

00:22:23,190 --> 00:22:20,950

despite the discovery most scientists

541

00:22:25,190 --> 00:22:23,200

still doubt that an ancient dinosaur

542

00:22:27,990 --> 00:22:25,200

could have survived in the dark and

543

00:22:30,310 --> 00:22:28,000

frigid waters of loch ness which was

544

00:22:32,549 --> 00:22:30,320

only formed ten thousand years ago

545

00:22:34,549 --> 00:22:32,559

during the ice age

546

00:22:37,110 --> 00:22:34,559

but that likely won't convince the true

547

00:22:39,510 --> 00:22:37,120

believers including the thousands of

548

00:22:41,750 --> 00:22:39,520

camera toting tourists who line the lock

549

00:22:45,830 --> 00:22:41,760

every year looking to capture the

550

00:22:48,390 --> 00:22:45,840

creature and prove the legend is real 66

551
00:22:49,750 --> 00:22:48,400
million years ago the asteroid hits all

552
00:22:51,909 --> 00:22:49,760
these things go extinct including the

553
00:22:53,270 --> 00:22:51,919
plesiosaurs as a scientist i can never

554
00:22:55,430 --> 00:22:53,280
say anything is impossible all

555
00:22:57,270 --> 00:22:55,440
hypotheses are on the table in some

556
00:22:58,549 --> 00:22:57,280
level until they're proven false we

557
00:23:00,230 --> 00:22:58,559
could find the loch ness monster

558
00:23:02,549 --> 00:23:00,240
tomorrow it could be a plesiosaur i

559
00:23:06,630 --> 00:23:02,559
think that is however extremely unlikely

560
00:23:10,789 --> 00:23:08,390
so what do you guys think

561
00:23:12,710 --> 00:23:10,799
um is it possible is it possible i don't

562
00:23:14,710 --> 00:23:12,720
know but i'm gonna go hunt for it oh

563
00:23:16,950 --> 00:23:14,720

jazz thank you so much brother i

564

00:23:19,110 --> 00:23:16,960

appreciate that for the super chat go

565

00:23:21,510 --> 00:23:19,120

find nessie we already have the kelvin

566

00:23:23,510 --> 00:23:21,520

photo awesome man i'm glad someone's

567

00:23:25,669 --> 00:23:23,520

working on the ufo stuff because i need

568

00:23:27,510 --> 00:23:25,679

a break no i'm just kidding guys i'm

569

00:23:29,510 --> 00:23:27,520

just kidding um

570

00:23:31,430 --> 00:23:29,520

there's a lot going on in the ufo world

571

00:23:33,830 --> 00:23:31,440

right now if you follow

572

00:23:36,230 --> 00:23:33,840

ufo twitter um

573

00:23:39,590 --> 00:23:36,240

and follow anything going on in the ufo

574

00:23:43,350 --> 00:23:39,600

community um some good some bad um some

575

00:23:44,549 --> 00:23:43,360

in between and you know all i can say is

576

00:23:48,870 --> 00:23:44,559

um

577

00:23:52,230 --> 00:23:48,880

will out

578

00:23:53,590 --> 00:23:52,240

and uh i support anyone who is trying to

579

00:23:56,390 --> 00:23:53,600

figure out the truth to the ufo

580

00:23:59,909 --> 00:23:56,400

phenomenon um whether that's people who

581

00:24:02,390 --> 00:23:59,919

have been less than um

582

00:24:05,350 --> 00:24:02,400

nice to me in the past when it comes to

583

00:24:06,710 --> 00:24:05,360

um either other content creators or ufo

584

00:24:09,269 --> 00:24:06,720

researchers

585

00:24:11,430 --> 00:24:09,279

or um just you know

586

00:24:13,110 --> 00:24:11,440

people who don't like my work um i

587

00:24:15,669 --> 00:24:13,120

appreciate everyone who's just trying to

588

00:24:17,590 --> 00:24:15,679

find answers to this stuff so i'm not

589

00:24:19,750 --> 00:24:17,600

going to get into

590

00:24:21,669 --> 00:24:19,760

you know the drama going on in the ufo

591

00:24:24,710 --> 00:24:21,679

world right now i'm going to leave that

592

00:24:27,590 --> 00:24:24,720

to the people who uh it directly affects

593

00:24:30,070 --> 00:24:27,600

and hopefully in private they will have

594

00:24:32,230 --> 00:24:30,080

um you know talks and figure this stuff

595

00:24:35,750 --> 00:24:32,240

out and realize they have more in common

596

00:24:38,230 --> 00:24:35,760

than they don't um but yeah yeah um

597

00:24:40,070 --> 00:24:38,240

to everyone out there uh including our

598

00:24:42,230 --> 00:24:40,080

good friends over at the unidentified

599

00:24:43,669 --> 00:24:42,240

celebrity review i just want to send

600

00:24:46,070 --> 00:24:43,679

them my best i know they're going

601
00:24:48,870 --> 00:24:46,080
through a lot right now um luis jimenez

602
00:24:51,669 --> 00:24:48,880
in specific uh luis is a good friend of

603
00:24:53,830 --> 00:24:51,679
mine and he always will be uh whether

604
00:24:57,430 --> 00:24:53,840
you agree with him or not on what he's

605
00:24:59,190 --> 00:24:57,440
doing um it's his journey and he's just

606
00:25:02,070 --> 00:24:59,200
trying to figure stuff out like the rest

607
00:25:04,710 --> 00:25:02,080
of us and sometimes we stumble sometimes

608
00:25:07,350 --> 00:25:04,720
we fall sometimes we backtrack sometimes

609
00:25:09,350 --> 00:25:07,360
we succeed and that's the ufo field i've

610
00:25:11,590 --> 00:25:09,360
been wrong a million times when it comes

611
00:25:13,350 --> 00:25:11,600
to all this in fact my mentor peter

612
00:25:15,669 --> 00:25:13,360
robbins told me if you're to get into

613
00:25:18,310 --> 00:25:15,679

ufos prepare to change your mind

614

00:25:20,390 --> 00:25:18,320

constantly and prepare to admit

615

00:25:23,190 --> 00:25:20,400

when you're wrong and i think if more

616

00:25:24,390 --> 00:25:23,200

ufo people did that we'd be in a better

617

00:25:25,750 --> 00:25:24,400

place

618

00:25:27,669 --> 00:25:25,760

but yeah that's all i'm going to say on

619

00:25:29,590 --> 00:25:27,679

that topic i knew it was probably gonna

620

00:25:31,510 --> 00:25:29,600

come up at some point tonight um but i

621

00:25:34,230 --> 00:25:31,520

thought i'd uh i

622

00:25:36,149 --> 00:25:34,240

i'd get to it first before anyone asked

623

00:25:38,549 --> 00:25:36,159

about it um just sending my love to

624

00:25:40,710 --> 00:25:38,559

everyone everyone out there in the ufo

625

00:25:43,029 --> 00:25:40,720

community we're a passionate bunch

626

00:25:44,950 --> 00:25:43,039

aren't we we truly truly are

627

00:25:46,710 --> 00:25:44,960

um so yeah what do you guys think let's

628

00:25:49,830 --> 00:25:46,720

get back to loch ness do you think it's

629

00:25:52,230 --> 00:25:49,840

possible um that please resort could be

630

00:25:54,789 --> 00:25:52,240

in the lock there um or was at some

631

00:25:58,070 --> 00:25:54,799

point um if you haven't listened to our

632

00:25:59,830 --> 00:25:58,080

episode uh live from the uh the ufo

633

00:26:02,710 --> 00:25:59,840

conference that i did recently out in

634

00:26:05,029 --> 00:26:02,720

the midwest i interviewed um

635

00:26:07,350 --> 00:26:05,039

who who did i have on

636

00:26:09,269 --> 00:26:07,360

um a few people actually talking about

637

00:26:11,350 --> 00:26:09,279

the loch ness monster and whatnot ken

638

00:26:13,190 --> 00:26:11,360

gerhart came on and talked all about how

639

00:26:15,669 --> 00:26:13,200

these creatures could survive in fresh

640

00:26:16,710 --> 00:26:15,679

water so i find that really fascinating

641

00:26:19,029 --> 00:26:16,720

as well

642

00:26:22,230 --> 00:26:19,039

let's go back to the chat here

643

00:26:26,230 --> 00:26:24,230

we need to see ryan's freestyle on the

644

00:26:29,190 --> 00:26:26,240

bagpipes mothman it's only a matter of

645

00:26:31,269 --> 00:26:29,200

time um my the first question i got is

646

00:26:34,070 --> 00:26:31,279

did you buy a kilt yet i'll get there

647

00:26:35,669 --> 00:26:34,080

i'll get there like i said um moving

648

00:26:38,710 --> 00:26:35,679

across the country ain't cheap and

649

00:26:41,430 --> 00:26:38,720

neither are kilts so um so yeah once

650

00:26:43,110 --> 00:26:41,440

once i've settled down and uh working

651
00:26:45,909 --> 00:26:43,120
again and whatnot hopefully i'll get

652
00:26:47,110 --> 00:26:45,919
this bagpipe lessons going my man

653
00:26:48,789 --> 00:26:47,120
let's see

654
00:26:52,149 --> 00:26:48,799
we'll see rupaul says keep it away from

655
00:26:54,710 --> 00:26:52,159
the drama and ufo twitter um yeah yeah i

656
00:26:56,950 --> 00:26:54,720
don't blame you i don't blame you

657
00:26:58,710 --> 00:26:56,960
just says the ufo twitter community is

658
00:27:00,230 --> 00:26:58,720
messy there's no way around it just try

659
00:27:02,070 --> 00:27:00,240
to tune out the drama and follow people

660
00:27:04,549 --> 00:27:02,080
who dig for real answers

661
00:27:06,390 --> 00:27:04,559
and experience their reports um

662
00:27:07,909 --> 00:27:06,400
i agree with jazz and again like i don't

663
00:27:09,350 --> 00:27:07,919

think anyone's right or wrong when it

664

00:27:11,350 --> 00:27:09,360

comes to um

665

00:27:13,269 --> 00:27:11,360

you know these conflicting ideas of how

666

00:27:15,430 --> 00:27:13,279

things should be done in this field

667

00:27:17,350 --> 00:27:15,440

because at the end of the day um we're

668

00:27:19,269 --> 00:27:17,360

just a community like any other

669

00:27:21,590 --> 00:27:19,279

community we have our

670

00:27:24,389 --> 00:27:21,600

scuffles we have our discoveries we have

671

00:27:26,549 --> 00:27:24,399

our debates and and you know the world

672

00:27:28,630 --> 00:27:26,559

moves on

673

00:27:30,789 --> 00:27:28,640

it truly does um

674

00:27:33,350 --> 00:27:30,799

if we really zoom out and look at the

675

00:27:36,789 --> 00:27:33,360

world and everything going on

676

00:27:38,549 --> 00:27:36,799

the cfo topic is pretty microscopic in

677

00:27:40,950 --> 00:27:38,559

the grand scheme of things

678

00:27:43,510 --> 00:27:40,960

not to say that it's not important

679

00:27:46,310 --> 00:27:43,520

if proven that ufos represent something

680

00:27:48,710 --> 00:27:46,320

other than human technology

681

00:27:51,830 --> 00:27:48,720

that is paradigm shifting that is huge

682

00:27:53,510 --> 00:27:51,840

it could change things forever um but

683

00:27:55,750 --> 00:27:53,520

we're not there yet and we're still

684

00:27:57,750 --> 00:27:55,760

trying to figure it out and um i don't

685

00:28:00,230 --> 00:27:57,760

know if we'll ever get there but um

686

00:28:02,630 --> 00:28:00,240

we're gonna keep trying but for now yeah

687

00:28:04,470 --> 00:28:02,640

i say just you know

688

00:28:07,029 --> 00:28:04,480

enjoy your life and don't worry about

689

00:28:09,350 --> 00:28:07,039

the drama keep doing your own research

690

00:28:12,230 --> 00:28:09,360

and um and move on and move on and i

691

00:28:13,110 --> 00:28:12,240

know that's what mr jimenez is doing and

692

00:28:13,990 --> 00:28:13,120

um

693

00:28:15,190 --> 00:28:14,000

again

694

00:28:17,750 --> 00:28:15,200

you know

695

00:28:19,990 --> 00:28:17,760

you can't fault anyone for wanting to

696

00:28:21,590 --> 00:28:20,000

walk away from this community i've done

697

00:28:23,990 --> 00:28:21,600

it several times but you always find a

698

00:28:25,510 --> 00:28:24,000

way back some way and somehow it's you

699

00:28:28,149 --> 00:28:25,520

know support like what you guys have

700

00:28:30,310 --> 00:28:28,159

given me that that truly uh make all of

701

00:28:32,470 --> 00:28:30,320

this worth it and um the conversations

702

00:28:36,070 --> 00:28:32,480

i've had with many of you here in the

703

00:28:38,630 --> 00:28:36,080

chat and and at conferences and over

704

00:28:40,470 --> 00:28:38,640

twitter and everything um

705

00:28:42,870 --> 00:28:40,480

this is part of my life it's part of my

706

00:28:44,549 --> 00:28:42,880

everyday and and i absolutely love it

707

00:28:46,470 --> 00:28:44,559

and i'm not going anywhere i can tell

708

00:28:48,950 --> 00:28:46,480

you that much and i know luis isn't

709

00:28:51,029 --> 00:28:48,960

either he will be back in some way shape

710

00:28:54,470 --> 00:28:51,039

or form and i can't wait to see what he

711

00:28:57,110 --> 00:28:54,480

he's got going on um

712

00:28:59,110 --> 00:28:57,120

oh my gosh i think i missed a uh super

713

00:29:01,510 --> 00:28:59,120

chat here just want to make sure i get

714

00:29:04,149 --> 00:29:01,520

to that adam thank you so much i really

715

00:29:05,990 --> 00:29:04,159

do appreciate that great advice ryan um

716

00:29:07,830 --> 00:29:06,000

i hope so adam and adam i do want to let

717

00:29:10,630 --> 00:29:07,840

you know i did get your question

718

00:29:13,029 --> 00:29:10,640

for one of our upcoming guests uh that i

719

00:29:15,750 --> 00:29:13,039

will talk about later in this episode so

720

00:29:17,750 --> 00:29:15,760

um we're good man it's in there

721

00:29:21,029 --> 00:29:17,760

hopefully i'll get to it but um thank

722

00:29:23,269 --> 00:29:21,039

you i truly truly do appreciate that

723

00:29:25,269 --> 00:29:23,279

738

00:29:55,110 --> 00:29:52,880

thank you thank you for truly being here

739

00:29:58,310 --> 00:29:55,120

i do appreciate it

740

00:29:59,909 --> 00:29:58,320

all right irwin is here that's why we

741

00:30:02,149 --> 00:29:59,919

love hearing your perspectives because

742

00:30:05,029 --> 00:30:02,159

you're so open-hearted and open-minded

743

00:30:07,750 --> 00:30:05,039

may love conquer all

744

00:30:10,389 --> 00:30:07,760

i really do that's gonna make me cry um

745

00:30:12,230 --> 00:30:10,399

i'm any i'm a sensitive person

746

00:30:14,389 --> 00:30:12,240

for those of you who know me i do wear

747

00:30:16,710 --> 00:30:14,399

my heart on the sleeve and um and it's

748

00:30:18,310 --> 00:30:16,720

not easy and i get a lot of flack for it

749

00:30:21,350 --> 00:30:18,320

but um that's just the kind of person i

750

00:30:24,230 --> 00:30:21,360

am um and i truly do appreciate when

751
00:30:26,630 --> 00:30:24,240
people appreciate that uh because yeah

752
00:30:29,190 --> 00:30:26,640
yeah it would be so easy to kind of you

753
00:30:31,350 --> 00:30:29,200
know take that that other road and and

754
00:30:33,430 --> 00:30:31,360
attack attack attack and i do it

755
00:30:35,510 --> 00:30:33,440
sometimes and i'm guilty of it just like

756
00:30:37,510 --> 00:30:35,520
anyone else but um

757
00:30:39,029 --> 00:30:37,520
the minute i do it i feel bad about it

758
00:30:41,029 --> 00:30:39,039
and i usually reach out to those people

759
00:30:42,870 --> 00:30:41,039
and apologize

760
00:30:46,230 --> 00:30:42,880
in fact i had a scuffle on twitter a few

761
00:30:49,510 --> 00:30:46,240
weeks ago um with a fellow researcher

762
00:30:51,269 --> 00:30:49,520
into experiencers and after it happened

763
00:30:53,430 --> 00:30:51,279

we both messaged each other and we're

764

00:30:55,590 --> 00:30:53,440

just like why did we do that why didn't

765

00:30:58,389 --> 00:30:55,600

we just talk about this together and

766

00:31:01,430 --> 00:30:58,399

then we did and um we had a good

767

00:31:03,190 --> 00:31:01,440

conversation and decided hey next time

768

00:31:05,750 --> 00:31:03,200

i'm in new york let's meet up for a

769

00:31:08,149 --> 00:31:05,760

coffee so there you go guys it's it's as

770

00:31:10,070 --> 00:31:08,159

simple as just reaching out to someone

771

00:31:12,950 --> 00:31:10,080

and i think that's the step that most

772

00:31:16,789 --> 00:31:12,960

people miss um so erwin thank you thank

773

00:31:16,799 --> 00:31:20,149

let's see

774

00:31:24,470 --> 00:31:22,710

mothman says i'm in my humble opinion

775

00:31:27,110 --> 00:31:24,480

it'd be cool to be in a place where old

776

00:31:29,990 --> 00:31:27,120

structures mean thousands not hundreds

777

00:31:32,950 --> 00:31:30,000

mothman that's such a good point um

778

00:31:34,630 --> 00:31:32,960

you know i think it was daniel radcliffe

779

00:31:37,190 --> 00:31:34,640

when he was doing a play in new york

780

00:31:38,470 --> 00:31:37,200

city i was watching our local news there

781

00:31:39,830 --> 00:31:38,480

and um

782

00:31:42,470 --> 00:31:39,840

he was being interviewed and they were

783

00:31:44,630 --> 00:31:42,480

bringing him on a tour of like uh the

784

00:31:47,669 --> 00:31:44,640

financial district in new york city one

785

00:31:49,029 --> 00:31:47,679

of the oldest parts of of um manhattan

786

00:31:50,870 --> 00:31:49,039

and um

787

00:31:52,389 --> 00:31:50,880

they were pointing out these old

788

00:31:55,110 --> 00:31:52,399

buildings to them and they're like yeah

789

00:31:57,269 --> 00:31:55,120

this one's like a hundred years old um

790

00:31:59,350 --> 00:31:57,279

it's crazy it's crazy and he's kind of

791

00:32:01,909 --> 00:31:59,360

like politely nodding at the tour guide

792

00:32:04,070 --> 00:32:01,919

being like yeah that's cool um you know

793

00:32:05,669 --> 00:32:04,080

and then later in another interview he

794

00:32:07,830 --> 00:32:05,679

talked about that interview and going on

795

00:32:10,389 --> 00:32:07,840

that tour he's like yeah i was politely

796

00:32:13,190 --> 00:32:10,399

nodding and in my mind i was saying wow

797

00:32:15,430 --> 00:32:13,200

a hundred years old my house is like a

798

00:32:17,190 --> 00:32:15,440

thousand years old

799

00:32:19,669 --> 00:32:17,200

so that really does put things into

800

00:32:21,269 --> 00:32:19,679

perspective the united states is a very

801
00:32:25,590 --> 00:32:21,279

young

802
00:32:27,909 --> 00:32:25,600

learn um

803
00:32:29,590 --> 00:32:27,919

in many different ways but yeah it is

804
00:32:31,350 --> 00:32:29,600

pretty interesting even being here in

805
00:32:33,430 --> 00:32:31,360

scotland and looking at some of these

806
00:32:35,669 --> 00:32:33,440

buildings and thinking wow

807
00:32:37,830 --> 00:32:35,679

the history here um i i can't even

808
00:32:39,590 --> 00:32:37,840

imagine it's pretty cool it's pretty

809
00:32:41,110 --> 00:32:39,600

cool i can't wait to go to some of the

810
00:32:43,430 --> 00:32:41,120

museums here

811
00:32:44,870 --> 00:32:43,440

um jazz shaw says i think nessie was

812
00:32:47,190 --> 00:32:44,880

there at some point but the

813
00:32:49,509 --> 00:32:47,200

environmental dna suggests that we don't

814

00:32:51,750 --> 00:32:49,519

have anything huge now but there's a lot

815

00:32:54,389 --> 00:32:51,760

of weird stuff there yeah

816

00:32:57,029 --> 00:32:54,399

it's true jazz yeah who knows

817

00:33:00,710 --> 00:32:57,039

who knows i want to see if i can throw

818

00:33:02,870 --> 00:33:00,720

this up for you guys here quick um

819

00:33:03,669 --> 00:33:02,880

it's kind of cool

820

00:33:07,509 --> 00:33:03,679

i

821

00:33:09,029 --> 00:33:07,519

the other day

822

00:33:11,669 --> 00:33:09,039

um

823

00:33:14,310 --> 00:33:11,679

let's see can i zoom in on this there we

824

00:33:19,830 --> 00:33:16,149

see if i can play it this is a live

825

00:33:21,750 --> 00:33:19,840

stream of loch ness you can like look

826

00:33:23,110 --> 00:33:21,760

what are we doing

827

00:33:26,389 --> 00:33:23,120

oh okay

828

00:33:29,909 --> 00:33:26,399

um you can literally watch this thing

829

00:33:31,909 --> 00:33:29,919

24 7 and it's a live stream of the lock

830

00:33:34,470 --> 00:33:31,919

so you get to see what's going on there

831

00:33:36,070 --> 00:33:34,480

24 7. um of course it's not working

832

00:33:41,669 --> 00:33:36,080

right now let me see if i can get it

833

00:33:41,679 --> 00:33:46,870

there we go

834

00:33:52,389 --> 00:33:50,070

so i'm gonna have this on my computer 24

835

00:33:54,870 --> 00:33:52,399

7 going um

836

00:33:56,710 --> 00:33:54,880

for now on and just see it's pretty cool

837

00:33:59,190 --> 00:33:56,720

like you can see some of the animals in

838

00:34:01,669 --> 00:33:59,200

that pasture in front of the lock there

839

00:34:04,310 --> 00:34:01,679

um going in and out all day so that's

840

00:34:06,549 --> 00:34:04,320

that even just see that is enough for me

841

00:34:08,869 --> 00:34:06,559

pretty exciting um you will see boats go

842

00:34:10,389 --> 00:34:08,879

by planes go by

843

00:34:11,669 --> 00:34:10,399

you know there's touring boats that go

844

00:34:13,030 --> 00:34:11,679

through there um

845

00:34:15,190 --> 00:34:13,040

so i wish

846

00:34:17,750 --> 00:34:15,200

it was zoomed in just a little bit more

847

00:34:18,710 --> 00:34:17,760

but uh what can you do um it is a pretty

848

00:34:21,190 --> 00:34:18,720

good

849

00:34:23,030 --> 00:34:21,200

vantage point to have there of just a

850

00:34:25,750 --> 00:34:23,040

portion and there are other live streams

851
00:34:28,389 --> 00:34:25,760
like this constantly monitoring um the

852
00:34:30,470 --> 00:34:28,399
lock which i think is pretty cool um and

853
00:34:33,510 --> 00:34:30,480
there were cameras put throughout the

854
00:34:35,190 --> 00:34:33,520
lock to do this i don't know exactly who

855
00:34:37,109 --> 00:34:35,200
did it but um

856
00:34:39,589 --> 00:34:37,119
i thank them for it and now i can look

857
00:34:42,230 --> 00:34:39,599
for loch ness in the comfort of my my

858
00:34:43,349 --> 00:34:42,240
apartment in the city

859
00:34:44,950 --> 00:34:43,359
um

860
00:34:47,829 --> 00:34:44,960
yeah i thought that was pretty cool

861
00:34:49,589 --> 00:34:47,839
wanted to share that with you

862
00:34:51,829 --> 00:34:49,599
oh there we go there's a boat right

863
00:34:53,589 --> 00:34:51,839

there i think it's a boat what do you

864

00:34:57,270 --> 00:34:53,599

guys think

865

00:35:00,230 --> 00:34:57,280

wish i could zoom in more can i

866

00:35:03,829 --> 00:35:01,670

i think we just

867

00:35:06,069 --> 00:35:03,839

cited the loch ness monster guys

868

00:35:11,190 --> 00:35:06,079

life right here

869

00:35:18,710 --> 00:35:14,829

anyways all right enough of that

870

00:35:22,550 --> 00:35:18,720

um there's something else i wanted to

871

00:35:22,560 --> 00:35:27,670

oh we will get to that

872

00:35:30,470 --> 00:35:29,030

um

873

00:35:33,430 --> 00:35:30,480

forgive me

874

00:35:36,230 --> 00:35:33,440

let's see who else we have here uap

875

00:35:37,990 --> 00:35:36,240

oteroa is here kia ora

876

00:35:40,230 --> 00:35:38,000

i don't know what you're saying what is

877

00:35:41,829 --> 00:35:40,240

that is that gaelic i'm not sure you'll

878

00:35:46,310 --> 00:35:41,839

have to tell me

879

00:35:52,390 --> 00:35:49,190

let's see let's see

880

00:35:54,470 --> 00:35:52,400

swink mcleod is here

881

00:35:56,310 --> 00:35:54,480

sweet nessie cam

882

00:35:57,990 --> 00:35:56,320

we have super green welcome to the uk

883

00:35:59,750 --> 00:35:58,000

ryan you're just in time to see long

884

00:36:01,990 --> 00:35:59,760

needed uprising

885

00:36:05,030 --> 00:36:02,000

uh as i've heard um

886

00:36:07,190 --> 00:36:05,040

i got out of america because of politics

887

00:36:10,390 --> 00:36:07,200

i'm not going to enter the uk

888

00:36:12,870 --> 00:36:10,400

um and start getting into politics so um

889

00:36:14,870 --> 00:36:12,880

we will leave it at that super green um

890

00:36:16,710 --> 00:36:14,880

but yeah i hear it's pretty contentious

891

00:36:19,430 --> 00:36:16,720

we'll see we'll see what happens a new

892

00:36:21,910 --> 00:36:19,440

prime minister's coming in um

893

00:36:25,109 --> 00:36:21,920

and i heard it's going to be pretty

894

00:36:27,430 --> 00:36:25,119

pretty contentious but welcome to any

895

00:36:30,870 --> 00:36:27,440

country nowadays when it comes to

896

00:36:30,880 --> 00:36:35,109

let's see here

897

00:36:41,030 --> 00:36:38,950

what's up we have nf stir z34

898

00:36:44,150 --> 00:36:41,040

hello justin thank you so much for being

899

00:36:46,870 --> 00:36:44,160

here truly truly do appreciate it

900

00:36:48,550 --> 00:36:46,880

um again guys if you have any questions

901
00:36:52,069 --> 00:36:48,560
throw them in the chat this is a

902
00:36:54,150 --> 00:36:52,079
quote-unquote q a um but i'm i'm happy

903
00:36:57,510 --> 00:36:54,160
to just blab about the stuff i found

904
00:36:58,950 --> 00:36:57,520
interesting this week in ufo news um

905
00:37:01,030 --> 00:36:58,960
let's move

906
00:37:02,710 --> 00:37:01,040
if there aren't any questions right now

907
00:37:04,950 --> 00:37:02,720
let's move to

908
00:37:07,510 --> 00:37:04,960
another cool story that came out and

909
00:37:11,109 --> 00:37:07,520
this is out of texas back in the us

910
00:37:13,349 --> 00:37:11,119
um a really interesting ufo video

911
00:37:15,510 --> 00:37:13,359
uh came to light and i found this

912
00:37:18,470 --> 00:37:15,520
through our mutual colleague here in the

913
00:37:21,670 --> 00:37:18,480

ufo field ufo jane out there in texas

914

00:37:25,589 --> 00:37:21,680

doing amazing work and um

915

00:37:27,750 --> 00:37:25,599

this video of a crazy um formation of

916

00:37:29,430 --> 00:37:27,760

lights started making the rounds there

917

00:37:31,829 --> 00:37:29,440

and then we started getting multiple

918

00:37:33,510 --> 00:37:31,839

videos of the same ufo activity

919

00:37:35,030 --> 00:37:33,520

happening from different vantage points

920

00:37:35,910 --> 00:37:35,040

throughout texas

921

00:37:37,430 --> 00:37:35,920

um

922

00:37:38,790 --> 00:37:37,440

and you know when i first saw it i'm

923

00:37:40,550 --> 00:37:38,800

like hmm

924

00:37:42,550 --> 00:37:40,560

i don't know i don't know but i want you

925

00:37:44,870 --> 00:37:42,560

guys to give me your thoughts on it i'm

926
00:37:46,870 --> 00:37:44,880
going to go ahead and play a um

927
00:37:49,030 --> 00:37:46,880
a news clip

928
00:37:51,349 --> 00:37:49,040
about this that i found that kind of

929
00:37:53,990 --> 00:37:51,359
gives the broad overview of this ufo

930
00:37:56,470 --> 00:37:54,000
sighting that supposedly occurred in

931
00:37:58,230 --> 00:37:56,480
texas give me a sec i'm going to pull it

932
00:38:00,069 --> 00:37:58,240
up and we'll get your thoughts on the

933
00:38:01,990 --> 00:38:00,079
other side of the video all right stick

934
00:38:04,550 --> 00:38:02,000
with me watch the video we'll talk about

935
00:38:07,349 --> 00:38:04,560
it on the other side

936
00:38:09,190 --> 00:38:07,359
oh my god mysterious lights were spotted

937
00:38:10,150 --> 00:38:09,200
thursday night over brushy creek and cat

938
00:38:12,550 --> 00:38:10,160

hollow

939

00:38:15,109 --> 00:38:12,560

definitely isn't a plane this video was

940

00:38:17,750 --> 00:38:15,119

sent to fox 7 by gus mcgovern he was out

941

00:38:20,069 --> 00:38:17,760

walking with his friend kyle gomez near

942

00:38:22,069 --> 00:38:20,079

cat hollow in real life when you see it

943

00:38:23,990 --> 00:38:22,079

it's like a lot brighter than it

944

00:38:26,550 --> 00:38:24,000

actually is there's something right

945

00:38:29,430 --> 00:38:26,560

there it's mesmerizing honestly it's so

946

00:38:30,870 --> 00:38:29,440

silent because if it was one light then

947

00:38:33,349 --> 00:38:30,880

i would have maybe thought oh a

948

00:38:34,870 --> 00:38:33,359

helicopter a plane something like that

949

00:38:36,950 --> 00:38:34,880

but like there was so many of them

950

00:38:38,470 --> 00:38:36,960

together emily white says she and a

951
00:38:39,430 --> 00:38:38,480
friend were near brushy creek at the

952
00:38:40,710 --> 00:38:39,440
time

953
00:38:42,470 --> 00:38:40,720
did you think that you were having a

954
00:38:44,870 --> 00:38:42,480
close encounter uh

955
00:38:46,870 --> 00:38:44,880
i'll be honest

956
00:38:48,870 --> 00:38:46,880
kind of i don't know if i believe in all

957
00:38:50,630 --> 00:38:48,880
that but i don't know maybe i hear a lot

958
00:38:53,109 --> 00:38:50,640
of it in like america that that kind of

959
00:38:54,870 --> 00:38:53,119
things like happens i think it's just

960
00:38:57,430 --> 00:38:54,880
because of like

961
00:39:00,390 --> 00:38:57,440
it didn't make any noise at all which i

962
00:39:02,230 --> 00:39:00,400
just thought was really odd but yeah

963
00:39:04,710 --> 00:39:02,240

definitely i definitely felt like there

964

00:39:07,270 --> 00:39:04,720

was might have been an alien invasion or

965

00:39:09,750 --> 00:39:07,280

something on the way but yeah

966

00:39:12,390 --> 00:39:09,760

i can't tell what it is but it's

967

00:39:14,950 --> 00:39:12,400

i never believed in ufos or anything

968

00:39:16,950 --> 00:39:14,960

like that but like i mean i might i

969

00:39:18,710 --> 00:39:16,960

might now i don't know i'm not sure i

970

00:39:21,670 --> 00:39:18,720

would have to say there's nothing

971

00:39:23,670 --> 00:39:21,680

extraterrestrial involved with this

972

00:39:25,910 --> 00:39:23,680

but i am not to say that that couldn't

973

00:39:27,829 --> 00:39:25,920

be a possibility drone expert gene

974

00:39:28,870 --> 00:39:27,839

robertson reviewed the video sent to fox

975

00:39:31,910 --> 00:39:28,880

7.

976

00:39:34,630 --> 00:39:31,920

my initial take on this is that it is

977

00:39:37,510 --> 00:39:34,640

very likely a drone

978

00:39:41,190 --> 00:39:37,520

based phenomenon what on earth

979

00:39:46,390 --> 00:39:43,829

what did i off freaking see dude what

980

00:39:48,150 --> 00:39:46,400

was that by the time you realize

981

00:39:49,910 --> 00:39:48,160

like what you're actually like looking

982

00:39:52,790 --> 00:39:49,920

at it's just it's not even there they

983

00:39:54,870 --> 00:39:52,800

are so fixed and tight some people

984

00:39:56,790 --> 00:39:54,880

assume that they're that's a laser could

985

00:39:58,470 --> 00:39:56,800

a laser do that but it doesn't seem like

986

00:40:01,510 --> 00:39:58,480

there's anything that the lasers are

987

00:40:04,390 --> 00:40:01,520

reflecting off of that's pretty unlikely

988

00:40:07,190 --> 00:40:04,400

so i'm still thinking that this may be

989

00:40:08,710 --> 00:40:07,200

someone testing their do-it-yourself

990

00:40:13,589 --> 00:40:08,720

drone swarm

991

00:40:15,990 --> 00:40:13,599

show they started popping up

992

00:40:17,829 --> 00:40:16,000

about two years ago drone swarms can

993

00:40:21,109 --> 00:40:17,839

fill the sky like these that flew over

994

00:40:23,589 --> 00:40:21,119

shanghai in 2020 galveston had one for a

995

00:40:26,230 --> 00:40:23,599

fourth of july event in march at south

996

00:40:28,309 --> 00:40:26,240

by southwest a drone swarm also

997

00:40:29,750 --> 00:40:28,319

generated a lot of buzz

998

00:40:32,309 --> 00:40:29,760

pretty much

999

00:40:33,109 --> 00:40:32,319

expected this to be the future

1000

00:40:35,910 --> 00:40:33,119

of

1001
00:40:39,349 --> 00:40:35,920
night light shows is these drones are

1002
00:40:42,069 --> 00:40:39,359
going to be swarmed in as we've seen 100

1003
00:40:43,510 --> 00:40:42,079
200 300 drones i don't know what it

1004
00:40:44,870 --> 00:40:43,520
really was i know

1005
00:40:46,790 --> 00:40:44,880
it could have been drones it could have

1006
00:40:51,270 --> 00:40:46,800
been anything it was mesmerizing

1007
00:40:56,150 --> 00:40:53,910
well it was certainly a light show last

1008
00:40:59,910 --> 00:40:56,160
night now the faa requires a waiver to

1009
00:41:02,309 --> 00:40:59,920
fly at night especially in a swarm

1010
00:41:04,069 --> 00:41:02,319
situation configuration officials with

1011
00:41:06,230 --> 00:41:04,079
the agency i contacted them they are

1012
00:41:08,069 --> 00:41:06,240
checking for me if anyone had filed for

1013
00:41:10,150 --> 00:41:08,079

a waiver last night and if a waiver was

1014

00:41:12,069 --> 00:41:10,160

even granted round rock police i

1015

00:41:13,910 --> 00:41:12,079

contacted them i asked them if they got

1016

00:41:15,750 --> 00:41:13,920

any calls and they said no they didn't

1017

00:41:17,510 --> 00:41:15,760

get any calls to dispatch in regards to

1018

00:41:21,349 --> 00:41:17,520

the lights last night

1019

00:41:26,309 --> 00:41:24,390

yeah so pretty interesting i mean when i

1020

00:41:29,109 --> 00:41:26,319

first saw the video where it like zipped

1021

00:41:32,069 --> 00:41:29,119

off um it was unsettling not gonna lie

1022

00:41:33,589 --> 00:41:32,079

um but again um

1023

00:41:35,990 --> 00:41:33,599

you know there's rumors that this could

1024

00:41:37,829 --> 00:41:36,000

have been cgi a group of

1025

00:41:40,630 --> 00:41:37,839

kids or whatever kind of planning this

1026

00:41:42,710 --> 00:41:40,640

all and and and pranking everybody we

1027

00:41:45,510 --> 00:41:42,720

don't know we truly don't know um but it

1028

00:41:47,589 --> 00:41:45,520

was pretty interesting um let's see some

1029

00:41:48,790 --> 00:41:47,599

of what you guys are saying here

1030

00:41:51,750 --> 00:41:48,800

um

1031

00:41:54,230 --> 00:41:51,760

drones move that fast obvi says

1032

00:41:57,349 --> 00:41:54,240

uh drones flying that high above the

1033

00:41:58,710 --> 00:41:57,359

clouds repost says yeah look

1034

00:42:01,349 --> 00:41:58,720

looks like a ground-based light

1035

00:42:02,870 --> 00:42:01,359

especially how quickly it moves off

1036

00:42:05,750 --> 00:42:02,880

um

1037

00:42:07,990 --> 00:42:05,760

yeah yeah pretty interesting hologram or

1038

00:42:09,349 --> 00:42:08,000

the bat signal

1039

00:42:11,430 --> 00:42:09,359

swick mcLeod says i didn't realize

1040

00:42:13,030 --> 00:42:11,440

multiple groups saw it um yeah yeah when

1041

00:42:14,390 --> 00:42:13,040

i first heard about this there was just

1042

00:42:17,589 --> 00:42:14,400

the one video

1043

00:42:19,349 --> 00:42:17,599

and um i was like okay well so one video

1044

00:42:21,349 --> 00:42:19,359

we don't know exactly who the source was

1045

00:42:23,349 --> 00:42:21,359

blah blah blah but now there's the

1046

00:42:25,030 --> 00:42:23,359

videos seem to be flooding in so again

1047

00:42:26,950 --> 00:42:25,040

you have to wonder are these all

1048

00:42:29,750 --> 00:42:26,960

copycats or people

1049

00:42:32,390 --> 00:42:29,760

um you know creating this

1050

00:42:34,950 --> 00:42:32,400

this craze this phenomenon in texas i

1051

00:42:36,390 --> 00:42:34,960

don't know but i know ufo jane is on the

1052

00:42:38,470 --> 00:42:36,400

hunt to try to find some of these

1053

00:42:40,470 --> 00:42:38,480

witnesses and hopefully speak to them

1054

00:42:43,109 --> 00:42:40,480

more in depth about it um so we'll see

1055

00:42:46,069 --> 00:42:43,119

let's see what she has to say

1056

00:42:48,069 --> 00:42:46,079

james says i'm thinking drones um yeah

1057

00:42:49,510 --> 00:42:48,079

it's interesting it's interesting for

1058

00:42:51,990 --> 00:42:49,520

sure

1059

00:42:56,230 --> 00:42:53,990

hillary hi i'm so happy for you

1060

00:42:58,150 --> 00:42:56,240

edinburgh is my favorite place so

1061

00:43:00,069 --> 00:42:58,160

apparently that's the city i live in you

1062

00:43:01,990 --> 00:43:00,079

gave it away hillary no i'm just kidding

1063

00:43:03,990 --> 00:43:02,000

i'm just kidding i do i have moved to

1064

00:43:05,030 --> 00:43:04,000

edinburgh guys um

1065

00:43:07,190 --> 00:43:05,040

probably one of the most beautiful

1066

00:43:10,630 --> 00:43:07,200

cities i've ever seen um and probably

1067

00:43:13,349 --> 00:43:10,640

will ever see uh so yeah yeah it's been

1068

00:43:15,510 --> 00:43:13,359

incredible and i know i posted that i

1069

00:43:17,510 --> 00:43:15,520

moved to edinburgh online so hillary i'm

1070

00:43:19,589 --> 00:43:17,520

just i'm just giving you some flack

1071

00:43:21,270 --> 00:43:19,599

there um thank you thank you for being

1072

00:43:23,750 --> 00:43:21,280

here thank you for the well wishes i

1073

00:43:25,829 --> 00:43:23,760

truly do appreciate it

1074

00:43:28,150 --> 00:43:25,839

let's

1075

00:43:31,109 --> 00:43:28,160

swing mcleod says looks kind of like

1076

00:43:32,950 --> 00:43:31,119

projection to me but who knows

1077

00:43:35,430 --> 00:43:32,960

yeah yeah i don't know i don't know what

1078

00:43:37,510 --> 00:43:35,440

to make of it but um it was interesting

1079

00:43:39,349 --> 00:43:37,520

nonetheless and i have started your

1080

00:43:41,270 --> 00:43:39,359

questions guys that you're putting in

1081

00:43:44,390 --> 00:43:41,280

the chat i will get to them i promise

1082

00:43:47,270 --> 00:43:44,400

let's get to this first one here

1083

00:43:49,510 --> 00:43:47,280

sheldon asks much is being bandied about

1084

00:43:51,910 --> 00:43:49,520

that major information that major

1085

00:43:57,430 --> 00:43:51,920

information is quote coming soon do you

1086

00:44:02,390 --> 00:43:59,430

that's tough

1087

00:44:04,470 --> 00:44:02,400

it's always on the horizon i feel like

1088

00:44:07,589 --> 00:44:04,480

every week we hear oh big news is coming

1089

00:44:08,950 --> 00:44:07,599

big news is coming and um

1090

00:44:10,870 --> 00:44:08,960

uh

1091

00:44:14,230 --> 00:44:10,880

sometimes it's

1092

00:44:17,349 --> 00:44:14,240

um

1093

00:44:20,550 --> 00:44:17,359

i don't know i don't know uh

1094

00:44:21,990 --> 00:44:20,560

major information uh i don't know uh

1095

00:44:25,190 --> 00:44:22,000

we'll talk about that a little bit later

1096

00:44:27,190 --> 00:44:25,200

with some video from john greenwald um

1097

00:44:28,309 --> 00:44:27,200

when it comes to the us government and

1098

00:44:30,390 --> 00:44:28,319

ufos

1099

00:44:32,950 --> 00:44:30,400

uh i don't think we are getting any

1100

00:44:35,030 --> 00:44:32,960

closer to some big major revelation i

1101
00:44:39,030 --> 00:44:35,040
think what we're seeing right now

1102
00:44:41,109 --> 00:44:39,040
is uh a way to kind of control the

1103
00:44:43,190 --> 00:44:41,119
narrative again

1104
00:44:43,990 --> 00:44:43,200
when it comes to this new office arrow

1105
00:44:47,750 --> 00:44:44,000
being

1106
00:44:51,750 --> 00:44:47,760
talk about that in just a little bit as

1107
00:44:54,550 --> 00:44:51,760
well um so any big major news coming um

1108
00:44:56,870 --> 00:44:54,560
i don't personally see that happening uh

1109
00:44:59,030 --> 00:44:56,880
that's just me um i can't pretend to

1110
00:45:01,510 --> 00:44:59,040
have any foresight into what that major

1111
00:45:03,670 --> 00:45:01,520
news might be and who it might come from

1112
00:45:04,470 --> 00:45:03,680
um but hey if i'm wrong and i hope i'm

1113
00:45:06,309 --> 00:45:04,480

wrong

1114

00:45:08,710 --> 00:45:06,319

um i'll eat crow and i'll be just as

1115

00:45:11,430 --> 00:45:08,720

happy as everyone else when that big

1116

00:45:13,270 --> 00:45:11,440

news comes out whatever it might be so

1117

00:45:14,950 --> 00:45:13,280

yeah sheldon that's my sobering thoughts

1118

00:45:15,750 --> 00:45:14,960

on that i hope i didn't bum you out too

1119

00:45:16,630 --> 00:45:15,760

much

1120

00:45:19,030 --> 00:45:16,640

um

1121

00:45:23,030 --> 00:45:19,040

so yeah yeah let's get to this next

1122

00:45:24,790 --> 00:45:23,040

question here um nfstrz34

1123

00:45:26,230 --> 00:45:24,800

asks how are you planning on

1124

00:45:27,670 --> 00:45:26,240

interviewing

1125

00:45:29,910 --> 00:45:27,680

jacques valet

1126

00:45:32,390 --> 00:45:29,920

um

1127

00:45:35,670 --> 00:45:32,400

that's such a good question so for those

1128

00:45:38,550 --> 00:45:35,680

of you who don't know um i am have been

1129

00:45:40,309 --> 00:45:38,560

given the amazing opportunity to

1130

00:45:42,470 --> 00:45:40,319

interview the one and only shock valet

1131

00:45:45,670 --> 00:45:42,480

i'm still kind of in shock um it kind of

1132

00:45:47,510 --> 00:45:45,680

came out of nowhere um and i do have my

1133

00:45:49,349 --> 00:45:47,520

amazing co-pilot it's somewhere in the

1134

00:45:52,390 --> 00:45:49,359

skies chrissy newton to thank for

1135

00:45:54,630 --> 00:45:52,400

setting that up um we we will be talking

1136

00:45:57,910 --> 00:45:54,640

about the second edition of his newest

1137

00:45:59,750 --> 00:45:57,920

book trinity about the trinity ufo crash

1138

00:46:01,109 --> 00:45:59,760

um we will be talking about that but

1139

00:46:03,030 --> 00:46:01,119

we'll be talking about other things as

1140

00:46:04,710 --> 00:46:03,040

well i've already discussed it with

1141

00:46:07,670 --> 00:46:04,720

these people um

1142

00:46:09,829 --> 00:46:07,680

so yeah i've got a huge list of listener

1143

00:46:11,910 --> 00:46:09,839

questions i hope i can get to some of

1144

00:46:13,430 --> 00:46:11,920

them um and then i know chrissy and i

1145

00:46:14,470 --> 00:46:13,440

will probably have some questions for

1146

00:46:15,910 --> 00:46:14,480

him as well

1147

00:46:18,150 --> 00:46:15,920

um

1148

00:46:19,990 --> 00:46:18,160

again it's like interviewing one of your

1149

00:46:22,470 --> 00:46:20,000

heroes so i don't know where the

1150

00:46:25,190 --> 00:46:22,480

conversation is gonna go but i have

1151

00:46:27,589 --> 00:46:25,200

faith that um he's gonna take one

1152

00:46:29,510 --> 00:46:27,599

question question and run with it and

1153

00:46:31,750 --> 00:46:29,520

i'll probably get to like two of the

1154

00:46:35,589 --> 00:46:31,760

questions i actually have planned so

1155

00:46:38,470 --> 00:46:35,599

we'll see um i'm so nervous i'm so

1156

00:46:41,670 --> 00:46:38,480

excited um and everything in between and

1157

00:46:43,750 --> 00:46:41,680

i can't wait for you guys to hear it um

1158

00:46:45,990 --> 00:46:43,760

if you do have any questions for

1159

00:46:48,150 --> 00:46:46,000

shock valet again i can't promise

1160

00:46:50,230 --> 00:46:48,160

anything um because i do have a limited

1161

00:46:52,710 --> 00:46:50,240

amount of time with him and uh i don't

1162

00:46:56,870 --> 00:46:52,720

know what we're gonna get to um but you

1163

00:46:58,470 --> 00:46:56,880

can email them to me um my you can use

1164

00:47:01,030 --> 00:46:58,480

the website the contact form on the

1165

00:47:05,710 --> 00:47:01,040

website email them to me or just um

1166

00:47:11,589 --> 00:47:09,270

gmail.com um i'll throw it in the show

1167

00:47:14,630 --> 00:47:11,599

notes as well um and i will try my best

1168

00:47:16,470 --> 00:47:14,640

to get to those um or you can um go to

1169

00:47:18,230 --> 00:47:16,480

this somewhere in the sky's twitter and

1170

00:47:20,710 --> 00:47:18,240

uh send me a dm with your questions for

1171

00:47:22,230 --> 00:47:20,720

the shock valet so i don't know i don't

1172

00:47:24,470 --> 00:47:22,240

know how i'm gonna

1173

00:47:27,910 --> 00:47:24,480

gonna do with that but i'm just super

1174

00:47:30,069 --> 00:47:27,920

excited about it for sure for sure

1175

00:47:34,790 --> 00:47:30,079

um let's see

1176

00:47:38,950 --> 00:47:36,710

gareth asks do you think the rising

1177

00:47:39,829 --> 00:47:38,960

prominence of gary nolan

1178

00:47:45,910 --> 00:47:39,839

um

1179

00:47:50,630 --> 00:47:47,990

i i guess to an extent

1180

00:47:53,109 --> 00:47:50,640

maybe a little bit um

1181

00:47:54,790 --> 00:47:53,119

it's amazing when scientists like him

1182

00:47:56,470 --> 00:47:54,800

come out and start really talking about

1183

00:47:58,309 --> 00:47:56,480

these things you know we got eric

1184

00:48:00,069 --> 00:47:58,319

weinstein as well really getting into

1185

00:48:03,030 --> 00:48:00,079

the ufo topic and

1186

00:48:05,510 --> 00:48:03,040

talking a lot about it and um a lot of

1187

00:48:08,069 --> 00:48:05,520

scientists avi loeb obviously over at

1188

00:48:10,150 --> 00:48:08,079

the galileo project um

1189

00:48:13,190 --> 00:48:10,160

i think it's great when any scientist is

1190

00:48:17,190 --> 00:48:13,200

willing to kind of um buck the system

1191

00:48:20,790 --> 00:48:17,200

and um you know kind of the established

1192

00:48:22,150 --> 00:48:20,800

conservative nature of science and look

1193

00:48:23,990 --> 00:48:22,160

at this topic and be like hey there's

1194

00:48:25,750 --> 00:48:24,000

something to it we should probably look

1195

00:48:28,390 --> 00:48:25,760

into it um

1196

00:48:30,630 --> 00:48:28,400

you know i watched that recent ross

1197

00:48:32,870 --> 00:48:30,640

colfar documentary that gary nolan was

1198

00:48:34,390 --> 00:48:32,880

in and i thought he had some really

1199

00:48:36,549 --> 00:48:34,400

interesting things to say

1200

00:48:37,990 --> 00:48:36,559

uh one of which is that he knows

1201

00:48:39,270 --> 00:48:38,000

whistleblowers that are going to be

1202

00:48:42,549 --> 00:48:39,280

coming forward

1203

00:48:45,670 --> 00:48:42,559

um soon to talk about the ufo cover-up

1204

00:48:48,230 --> 00:48:45,680

um and we also have this

1205

00:48:50,390 --> 00:48:48,240

section within um you know the gila

1206

00:48:53,910 --> 00:48:50,400

brand amendment uh

1207

00:48:57,349 --> 00:48:53,920

calling for you know kind of um

1208

00:48:59,349 --> 00:48:57,359

a look into these legacy programs uh ufo

1209

00:49:00,710 --> 00:48:59,359

programs that have gone on in secret for

1210

00:49:03,430 --> 00:49:00,720

years between

1211

00:49:04,630 --> 00:49:03,440

you know project blue book and today

1212

00:49:05,990 --> 00:49:04,640

and um

1213

00:49:07,750 --> 00:49:06,000

you know anyone who wants to come

1214

00:49:10,150 --> 00:49:07,760

forward who has worked on these things

1215

00:49:12,710 --> 00:49:10,160

can without repercussion obviously

1216

00:49:15,030 --> 00:49:12,720

without you know posing any threat to

1217

00:49:17,190 --> 00:49:15,040

national security and whatnot but um

1218

00:49:19,589 --> 00:49:17,200

we'll see we'll see where all of that

1219

00:49:22,870 --> 00:49:19,599

lands um but i think it's pretty cool

1220

00:49:25,670 --> 00:49:22,880

that gary nolan is is talking about this

1221

00:49:27,750 --> 00:49:25,680

and um believes firmly that there is a

1222

00:49:30,309 --> 00:49:27,760

legitimate

1223

00:49:32,950 --> 00:49:30,319

phenomenon happening and we need

1224

00:49:34,710 --> 00:49:32,960

legitimate scientists to look into it um

1225

00:49:39,430 --> 00:49:34,720

so yeah yeah i think it's pretty cool

1226

00:49:42,950 --> 00:49:41,430

mothman says is the internet there

1227

00:49:44,870 --> 00:49:42,960

better

1228

00:49:47,190 --> 00:49:44,880

i don't know that's a good question you

1229

00:49:49,270 --> 00:49:47,200

let me know how do i look um i'm looking

1230

00:49:52,470 --> 00:49:49,280

pretty pale right now the lighting in

1231

00:49:54,870 --> 00:49:52,480

here isn't amazing so i apologize guys

1232

00:49:58,069 --> 00:49:54,880

mothman says have you seen dope yes in

1233

00:50:01,589 --> 00:49:58,079

fact i did a um a review of nope with uh

1234

00:50:03,190 --> 00:50:01,599

luis simenes over at ucr um so go back

1235

00:50:05,829 --> 00:50:03,200

in his archives and you can watch an

1236

00:50:08,069 --> 00:50:05,839

awesome talk that we had um all about

1237

00:50:12,230 --> 00:50:08,079

that uh rather was there

1238

00:50:14,630 --> 00:50:12,240

and um uh who else was there chupacabra

1239

00:50:17,349 --> 00:50:14,640

was there as well um

1240

00:50:19,910 --> 00:50:17,359

and we talked all about nope um i loved

1241

00:50:22,470 --> 00:50:19,920

it i thought it was an incredible movie

1242

00:50:25,190 --> 00:50:22,480

i think it's his strongest movie yet uh

1243

00:50:27,430 --> 00:50:25,200

jordan peele and um oh god i want to go

1244

00:50:29,910 --> 00:50:27,440

see it again there's things i miss

1245

00:50:32,309 --> 00:50:29,920

there's things i want to deconstruct

1246

00:50:34,710 --> 00:50:32,319

again um in looking at it and i just

1247

00:50:35,670 --> 00:50:34,720

thought it was one of the most

1248

00:50:38,950 --> 00:50:35,680

uh

1249

00:50:40,790 --> 00:50:38,960

just beautiful beautiful interpretations

1250

00:50:44,230 --> 00:50:40,800

of what ufos could be

1251
00:50:47,430 --> 00:50:44,240
um that i've ever seen in film and um

1252
00:50:49,510 --> 00:50:47,440
just in in life it's clear jordan peelee

1253
00:50:51,670 --> 00:50:49,520
did his homework and looked at a lot of

1254
00:50:54,950 --> 00:50:51,680
the early theories brought forth by

1255
00:50:57,270 --> 00:50:54,960
people like ivan t sanderson and john

1256
00:50:58,870 --> 00:50:57,280
keel and stuff like that and you will

1257
00:51:00,870 --> 00:50:58,880
see little easter eggs sprinkled

1258
00:51:04,230 --> 00:51:00,880
throughout the movie about the ufo

1259
00:51:06,390 --> 00:51:04,240
research he did do um so yeah yeah if

1260
00:51:08,230 --> 00:51:06,400
you haven't seen nope guys i highly

1261
00:51:09,990 --> 00:51:08,240
suggest checking it out i know some

1262
00:51:13,430 --> 00:51:10,000
people didn't dig it and that's fine um

1263
00:51:15,030 --> 00:51:13,440

but i really really enjoyed it and um uh

1264

00:51:17,030 --> 00:51:15,040

i just can't wait to see what jordan

1265

00:51:20,549 --> 00:51:17,040

peelee does next already i can't wait i

1266

00:51:25,430 --> 00:51:22,950

let's see i can't wait for that

1267

00:51:27,430 --> 00:51:25,440

interview grant says me either brother

1268

00:51:28,630 --> 00:51:27,440

jacques valley coming out somewhere this

1269

00:51:29,910 --> 00:51:28,640

guy's uh

1270

00:51:31,829 --> 00:51:29,920

never thought i would be able to say

1271

00:51:36,710 --> 00:51:31,839

that here's to you jacques i'll see you

1272

00:51:40,309 --> 00:51:38,150

avi says

1273

00:51:42,150 --> 00:51:40,319

ryan you are a good ufo researcher and

1274

00:51:45,030 --> 00:51:42,160

if i can even reach the lowest rung on

1278

00:51:57,430 --> 00:51:53,200

the level of where jacques vale is um i

1279

00:51:59,910 --> 00:51:57,440

will die a happy happy scotsman and um

1280

00:52:02,829 --> 00:51:59,920

1283

00:52:08,710 --> 00:52:07,280

1284

00:52:10,790 --> 00:52:08,720

would you like me to drop on the line

1285

00:52:13,109 --> 00:52:10,800

mysteries yes please i i am familiar

1286

00:52:14,710 --> 00:52:13,119

with malcolm's work but um again since

1287

00:52:16,870 --> 00:52:14,720

i'm over here i would like to make more

1288

00:52:18,790 --> 00:52:16,880

connections with more researchers here

1289

00:52:20,470 --> 00:52:18,800

in the uk so please please put me in

1290

00:52:25,190 --> 00:52:20,480

jaz thanks for joining us buddy i know

1293

00:52:33,430 --> 00:52:31,359

your support my man and all the work you

1294

00:52:35,910 --> 00:52:33,440

do in this field and um can't wait to

1295

00:52:37,750 --> 00:52:35,920

catch it the next live stream for sure

1296

00:52:40,950 --> 00:52:37,760

i'm gonna have to get you on these with

1297

00:52:42,790 --> 00:52:40,960

me one of these days

1298

00:52:44,630 --> 00:52:42,800

supergreen says question other than your

1299

00:52:49,030 --> 00:52:44,640

triangle sighting have you experienced

1300

00:52:56,069 --> 00:52:50,150

no

1301

00:52:58,470 --> 00:52:56,079

i did do a live stream

1302

00:53:01,109 --> 00:52:58,480

uh back during

1303

00:53:03,349 --> 00:53:01,119

i want to say maybe like

1304

00:53:05,990 --> 00:53:03,359

80 days ago or something like that i

1305

00:53:07,109 --> 00:53:06,000

know it was right around the time of the

1306

00:53:09,910 --> 00:53:07,119

uh

1307

00:53:12,470 --> 00:53:09,920

the russian invasion of ukraine um where

1308

00:53:15,349 --> 00:53:12,480

i was just looking for anything to do to

1309

00:53:17,589 --> 00:53:15,359

distract my mind from these these things

1310

00:53:20,470 --> 00:53:17,599

going on in the world and um i actually

1311

00:53:22,790 --> 00:53:20,480

read chapter 13 from my book summer in

1312

00:53:25,349 --> 00:53:22,800

the skies as a live stream and people

1313

00:53:27,990 --> 00:53:25,359

really loved it um a chapter called my

1314

00:53:29,430 --> 00:53:28,000

weekend in the woods with the ufo

1315

00:53:32,309 --> 00:53:29,440

abductees

1316

00:53:34,150 --> 00:53:32,319

so for my book i did go spend a weekend

1317

00:53:37,030 --> 00:53:34,160

with a bunch of people who claim they

1318

00:53:39,510 --> 00:53:37,040

were abducted by aliens um

1319

00:53:42,230 --> 00:53:39,520

i was invited by my mutual colleague and

1320

00:53:45,430 --> 00:53:42,240

an experimenter mike clelland uh to come

1321

00:53:47,510 --> 00:53:45,440

out to his cabin in the woods in

1322

00:53:49,030 --> 00:53:47,520

central new york i would say upstate new

1323

00:53:52,630 --> 00:53:49,040

york central new york

1324

00:53:55,510 --> 00:53:52,640

around the lake placid area and um

1325

00:53:57,589 --> 00:53:55,520

just talk to these people and and and

1326
00:53:59,349 --> 00:53:57,599
hear their stories and

1327
00:54:02,150 --> 00:53:59,359
see what it's like to be in a room with

1328
00:54:04,470 --> 00:54:02,160
all of them and uh see what

1329
00:54:06,870 --> 00:54:04,480
what conversations occur

1330
00:54:08,790 --> 00:54:06,880
and i didn't really go there

1331
00:54:11,750 --> 00:54:08,800
you know trying to get like stuff to

1332
00:54:14,150 --> 00:54:11,760
write um i did go want to interview mike

1333
00:54:15,589 --> 00:54:14,160
personally but i left writing an entire

1334
00:54:18,309 --> 00:54:15,599
chapter on the experience that happened

1335
00:54:19,750 --> 00:54:18,319
to me there and um it was weird it was

1336
00:54:20,790 --> 00:54:19,760
weird you know we spent the whole

1337
00:54:23,589 --> 00:54:20,800
weekend

1338
00:54:24,470 --> 00:54:23,599

just talking and sitting by the fire and

1339

00:54:27,270 --> 00:54:24,480

drinking

1340

00:54:29,670 --> 00:54:27,280

hot cocoa and having amazing meals and

1341

00:54:32,230 --> 00:54:29,680

um hearing these very

1342

00:54:34,630 --> 00:54:32,240

profound stories from people who claim

1343

00:54:35,829 --> 00:54:34,640

to have been experiencers

1344

00:54:39,190 --> 00:54:35,839

and um

1345

00:54:42,870 --> 00:54:39,200

it was emotional it was uh

1346

00:54:45,829 --> 00:54:42,880

uncomfortable at times it was um

1347

00:54:48,390 --> 00:54:45,839

beautiful exciting it was everything

1348

00:54:49,589 --> 00:54:48,400

and that's kind of what these things are

1349

00:54:52,630 --> 00:54:49,599

and

1350

00:54:53,589 --> 00:54:52,640

there was one night where i went to

1351
00:54:56,789 --> 00:54:53,599
sleep

1352
00:54:58,950 --> 00:54:56,799
and i'm on the second floor of this uh

1353
00:55:00,950 --> 00:54:58,960
beautiful cabin that we were staying in

1354
00:55:04,069 --> 00:55:00,960
um it wasn't a cabin i should say that

1355
00:55:05,030 --> 00:55:04,079
it was a two-story house um very very

1356
00:55:07,109 --> 00:55:05,040
nice

1357
00:55:09,910 --> 00:55:07,119
and um

1358
00:55:12,150 --> 00:55:09,920
i remember waking up and my door was

1359
00:55:13,349 --> 00:55:12,160
closed to the bedroom and under the door

1360
00:55:14,870 --> 00:55:13,359
i could see

1361
00:55:15,750 --> 00:55:14,880
something moving

1362
00:55:17,349 --> 00:55:15,760
and

1363
00:55:19,670 --> 00:55:17,359

it was very uncomfortable i thought

1364

00:55:21,829 --> 00:55:19,680

maybe it was there was a cat a cat named

1365

00:55:24,470 --> 00:55:21,839

spazzy that stayed in the house and i'm

1366

00:55:26,710 --> 00:55:24,480

like oh maybe it's spazzy um

1367

00:55:29,829 --> 00:55:26,720

and then i realized no whatever it was

1368

00:55:31,589 --> 00:55:29,839

it was like two feet moving back and

1369

00:55:33,270 --> 00:55:31,599

forth back and forth mind you it was

1370

00:55:35,829 --> 00:55:33,280

like three in the morning everyone was

1371

00:55:37,510 --> 00:55:35,839

asleep um everyone's doors were closed

1372

00:55:38,950 --> 00:55:37,520

at that point

1373

00:55:40,710 --> 00:55:38,960

it very well

1374

00:55:43,030 --> 00:55:40,720

very well could have been someone in the

1375

00:55:44,789 --> 00:55:43,040

hallway i can't say it was or wasn't i

1376

00:55:45,829 --> 00:55:44,799

didn't open the door to find out i was a

1377

00:55:48,710 --> 00:55:45,839

little too

1378

00:55:51,670 --> 00:55:48,720

scared um as i'll get to so i kind of

1379

00:55:53,349 --> 00:55:51,680

sit up in bed and um

1380

00:55:54,549 --> 00:55:53,359

i hear this

1381

00:55:59,670 --> 00:55:54,559

tapping

1382

00:56:03,990 --> 00:56:01,990

kind of like that and i'm like why what

1383

00:56:05,910 --> 00:56:04,000

is going on um it was coming from the

1384

00:56:07,829 --> 00:56:05,920

window right near my head

1385

00:56:09,750 --> 00:56:07,839

and

1386

00:56:11,829 --> 00:56:09,760

that freaked me out too so i've got

1387

00:56:13,349 --> 00:56:11,839

these footsteps under the door

1388

00:56:15,030 --> 00:56:13,359

and then i've got this tapping on the

1389

00:56:18,870 --> 00:56:15,040

glass window

1390

00:56:21,190 --> 00:56:18,880

and i remembered when i looked up at the

1391

00:56:23,750 --> 00:56:21,200

house when we first got there

1392

00:56:26,069 --> 00:56:23,760

that we were on the second floor uh

1393

00:56:28,230 --> 00:56:26,079

there was nothing near the window no

1394

00:56:30,870 --> 00:56:28,240

trees at first i thought maybe it was a

1395

00:56:32,630 --> 00:56:30,880

branch like hitting the glass

1396

00:56:34,950 --> 00:56:32,640

there were no trees there and then i

1397

00:56:37,109 --> 00:56:34,960

thought maybe um

1398

00:56:39,510 --> 00:56:37,119

you know this was winter time maybe it

1399

00:56:42,069 --> 00:56:39,520

was snow or hell hitting the glass

1400

00:56:46,870 --> 00:56:42,079

there was no snow there was no hail

1401
00:56:48,309 --> 00:56:46,880
nothing and it was a moment where um

1402
00:56:51,190 --> 00:56:48,319
i just was like

1403
00:56:53,349 --> 00:56:51,200
holy like this is happening like

1404
00:56:56,870 --> 00:56:53,359
i'm in a house full of ufo abductees and

1405
00:56:59,750 --> 00:56:56,880
i'm about to have an experience and um

1406
00:57:01,510 --> 00:56:59,760
it was terrifying it was absolutely

1407
00:57:04,150 --> 00:57:01,520
terrifying i've never felt that scared

1408
00:57:05,910 --> 00:57:04,160
in my life i felt frozen i felt like my

1409
00:57:08,549 --> 00:57:05,920
entire uh

1410
00:57:10,549 --> 00:57:08,559
kind of reality was about to be shifted

1411
00:57:12,710 --> 00:57:10,559
and everything that i'd heard and

1412
00:57:15,589 --> 00:57:12,720
learned about and researched was about

1413
00:57:18,069 --> 00:57:15,599

to come true for me and um

1414

00:57:20,950 --> 00:57:18,079

oh my gosh um to

1415

00:57:23,589 --> 00:57:20,960

kind of make a long story short um i did

1416

00:57:26,069 --> 00:57:23,599

eventually peek out the window and there

1417

00:57:27,990 --> 00:57:26,079

was nothing there

1418

00:57:30,150 --> 00:57:28,000

i know that's a little anti-climactic

1419

00:57:32,950 --> 00:57:30,160

but at the end of the day um

1420

00:57:34,230 --> 00:57:32,960

whatever it was or wasn't it definitely

1421

00:57:36,309 --> 00:57:34,240

put me in the shoes of those

1422

00:57:39,030 --> 00:57:36,319

experiencers about what it could be like

1423

00:57:41,510 --> 00:57:39,040

anticipating an experience or possibly

1424

00:57:44,150 --> 00:57:41,520

even having one and um i left that

1425

00:57:46,390 --> 00:57:44,160

weekend having a huge newfound respect

1426

00:57:48,789 --> 00:57:46,400
for anyone who's had an actual

1427

00:57:52,789 --> 00:57:48,799
experience unlike me who uh

1428

00:57:57,030 --> 00:57:54,870
so i don't know i don't know it was but

1429

00:58:02,150 --> 00:57:57,040
it was so that was a really long answer

1430

00:58:02,160 --> 00:58:09,349
let's see

1431

00:58:13,109 --> 00:58:11,270
james says i think ucr may have quit the

1432

00:58:15,829 --> 00:58:13,119
podcast seems like he posted his last

1433

00:58:17,910 --> 00:58:15,839
episode yesterday gareth yeah

1434

00:58:21,349 --> 00:58:17,920
um i talked about it a little bit

1435

00:58:23,190 --> 00:58:21,359
earlier um i'm wishing everyone at ucr

1436

00:58:25,430 --> 00:58:23,200
the very best and i hope you know with

1437

00:58:27,829 --> 00:58:25,440
some time and reflection they'll come

1438

00:58:30,069 --> 00:58:27,839

back stronger or um in some new

1439

00:58:32,630 --> 00:58:30,079

iteration i don't know but yeah i'm

1440

00:58:34,309 --> 00:58:32,640

sending my love to luis and everyone

1441

00:58:36,870 --> 00:58:34,319

over there i know he's going through a

1442

00:58:39,750 --> 00:58:36,880

lot right now um and possibly with good

1443

00:58:41,670 --> 00:58:39,760

reason that's yet to be truly

1444

00:58:43,990 --> 00:58:41,680

seen but um we'll see we'll see what

1445

00:58:45,510 --> 00:58:44,000

happens i i'm wishing them the best for

1446

00:58:47,190 --> 00:58:45,520

sure

1447

00:58:49,109 --> 00:58:47,200

terry says

1448

00:58:50,950 --> 00:58:49,119

oh my god hi ryan from michigan hope all

1449

00:58:53,030 --> 00:58:50,960

is good hi terry thank you so much for

1450

00:58:55,510 --> 00:58:53,040

being here really really do appreciate

1451

00:58:55,520 --> 00:58:59,030

um let's see

1452

00:59:03,510 --> 00:59:01,829

did i have another question

1453

00:59:05,430 --> 00:59:03,520

all right guys

1454

00:59:07,589 --> 00:59:05,440

i don't think i missed any questions but

1455

00:59:10,630 --> 00:59:07,599

if i did put them in the chat there

1456

00:59:12,390 --> 00:59:10,640

again if you don't mind um super chat

1457

00:59:14,150 --> 00:59:12,400

and super stickers are open as well if

1458

00:59:16,870 --> 00:59:14,160

you do want to help out the show

1459

00:59:18,789 --> 00:59:16,880

it is truly appreciated as always um

1460

00:59:20,870 --> 00:59:18,799

your super chats will go right to the

1461

00:59:24,950 --> 00:59:20,880

top and i'll be able to see them and

1462

00:59:29,109 --> 00:59:26,390

af

1463

00:59:29,910 --> 00:59:29,119

elf 1a says never heard you talk about

1464

00:59:32,309 --> 00:59:29,920

the

1465

00:59:35,270 --> 00:59:32,319

pen turk ufo incident we need this

1466

00:59:37,829 --> 00:59:35,280

expose more um i plan on doing a whole

1467

00:59:40,390 --> 00:59:37,839

episode actually on the pentrick ufo

1468

00:59:42,710 --> 00:59:40,400

incident i have some people

1469

00:59:45,270 --> 00:59:42,720

who are very close to the case that i do

1470

00:59:48,069 --> 00:59:45,280

want to talk to so hopefully i will be

1471

00:59:48,789 --> 00:59:48,079

covering that in the very near future um

1472

01:00:20,870 --> 00:59:48,799

i

1473

01:00:22,950 --> 01:00:20,880

forest um

1474

01:00:26,150 --> 01:00:22,960

yes i will be going to rendelsham forest

1475

01:00:28,710 --> 01:00:26,160

at some point um again it's just one of

1476

01:00:31,750 --> 01:00:28,720

those places that you have to go to you

1477

01:00:34,870 --> 01:00:31,760

know i have been at the roswell ufo

1478

01:00:37,190 --> 01:00:34,880

crash site i have um

1479

01:00:39,829 --> 01:00:37,200

you know touched the ground at some of

1480

01:00:42,710 --> 01:00:39,839

these famous places and it's just

1481

01:00:44,470 --> 01:00:42,720

incredible to kind of be in that moment

1482

01:00:47,430 --> 01:00:44,480

in a historical

1483

01:00:49,510 --> 01:00:47,440

um place that we all hold near and dear

1484

01:00:50,950 --> 01:00:49,520

here in the ufo world so um yeah i'm

1485

01:00:52,549 --> 01:00:50,960

looking forward to hopefully hitting up

1486

01:00:53,910 --> 01:00:52,559

rendelsham

1487

01:00:56,390 --> 01:00:53,920

um

1488

01:00:59,109 --> 01:00:56,400

and you know like i mentioned going to

1489

01:01:01,349 --> 01:00:59,119

the calvin ufo site hopefully somewhat

1490

01:01:03,190 --> 01:01:01,359

soon as well but yeah

1491

01:01:04,789 --> 01:01:03,200

i got some plans i got some plans with

1492

01:01:07,510 --> 01:01:04,799

my buddies here over

1493

01:01:11,270 --> 01:01:07,520

at uh uap media uk to do some awesome

1494

01:01:12,630 --> 01:01:11,280

stuff um speaking of uap media uk i'm

1495

01:01:14,230 --> 01:01:12,640

gonna have some

1496

01:01:15,910 --> 01:01:14,240

some news to share about an upcoming

1497

01:01:20,710 --> 01:01:15,920

conference here in the uk that i hope

1498

01:01:23,750 --> 01:01:22,630

paul says why did you choose scotland

1499

01:01:26,549 --> 01:01:23,760

and will you vote yes in the

1500

01:01:27,510 --> 01:01:26,559

independence referendum if we get one

1501
01:01:28,630 --> 01:01:27,520
um

1502
01:01:40,870 --> 01:01:28,640
i

1503
01:01:45,109 --> 01:01:40,880
enough to worry about but um

1504
01:01:46,069 --> 01:01:45,119
scotland kind of chose me as it were um

1505
01:01:48,390 --> 01:01:46,079
again

1506
01:01:51,190 --> 01:01:48,400
the kind of the the impetus for moving

1507
01:01:54,230 --> 01:01:51,200
here was um my partner is going to be

1508
01:01:56,950 --> 01:01:54,240
uh getting a phd and that brought us

1509
01:01:59,029 --> 01:01:56,960
over to the uk and um and the rest is

1510
01:02:01,510 --> 01:01:59,039
history i've lived in new york city for

1511
01:02:03,910 --> 01:02:01,520
half my adult life now and um

1512
01:02:06,630 --> 01:02:03,920
i was ready for a change and and so were

1513
01:02:08,630 --> 01:02:06,640

they and um we're just super excited to

1514

01:02:11,270 --> 01:02:08,640

be here and it's just been

1515

01:02:13,589 --> 01:02:11,280

an incredible experience so far um and

1516

01:02:16,069 --> 01:02:13,599

i'll leave it at that so yeah that's um

1517

01:02:18,390 --> 01:02:16,079

that's kind of my answer to that um it's

1518

01:02:20,789 --> 01:02:18,400

a beautiful place it truly truly truly

1519

01:02:21,829 --> 01:02:20,799

is

1520

01:02:25,510 --> 01:02:21,839

um

1521

01:02:27,589 --> 01:02:25,520

let's see welcome home paul says

1522

01:02:32,710 --> 01:02:27,599

thank you i do feel like i was probably

1523

01:02:36,549 --> 01:02:34,630

my beautiful mother sue sprague would

1524

01:02:38,710 --> 01:02:36,559

probably think differently if she heard

1525

01:02:41,430 --> 01:02:38,720

me say that

1526

01:02:43,510 --> 01:02:41,440

if you're watching or listening mom

1527

01:02:44,870 --> 01:02:43,520

sending you all my love

1528

01:02:45,589 --> 01:02:44,880

and uh

1529

01:02:47,990 --> 01:02:45,599

and

1530

01:02:51,109 --> 01:02:48,000

to the family as well um if you guys are

1531

01:02:56,069 --> 01:02:54,230

um let's get to

1532

01:02:57,589 --> 01:02:56,079

another story i want to talk about with

1533

01:02:59,670 --> 01:02:57,599

you guys um

1534

01:03:01,109 --> 01:02:59,680

put your questions in in there as well

1535

01:03:02,710 --> 01:03:01,119

while we're talking about this one and

1536

01:03:05,349 --> 01:03:02,720

i'll star him and get to him after we

1537

01:03:07,190 --> 01:03:05,359

talk about this guys uh this was a story

1538

01:03:10,069 --> 01:03:07,200

that came to us from

1539

01:03:13,670 --> 01:03:10,079

our good buddy micah hanks over at the

1540

01:03:16,230 --> 01:03:13,680

debrief and this was called cosmics uh

1541

01:03:18,950 --> 01:03:16,240

and phantoms ukrainian independent study

1542

01:03:21,029 --> 01:03:18,960

reveals observations of unidentified

1543

01:03:22,710 --> 01:03:21,039

aerial phenomena

1544

01:03:25,109 --> 01:03:22,720

you know we got a lot going on over in

1545

01:03:27,670 --> 01:03:25,119

ukraine right now um least of their

1546

01:03:30,470 --> 01:03:27,680

worries or maybe some of their biggest

1547

01:03:31,990 --> 01:03:30,480

worries are things in the sky that they

1548

01:03:34,309 --> 01:03:32,000

cannot explain

1549

01:03:36,230 --> 01:03:34,319

and micah actually dug out this really

1550

01:03:38,230 --> 01:03:36,240

interesting story about this study being

1551

01:03:39,829 --> 01:03:38,240

done in the ukraine right now

1552

01:03:41,670 --> 01:03:39,839

um so i'm going to go ahead and read a

1553

01:03:42,710 --> 01:03:41,680

little bit of this to you guys from the

1554

01:03:46,630 --> 01:03:42,720

article

1555

01:03:48,150 --> 01:03:46,640

according to researchers um zeliev and

1556

01:03:51,029 --> 01:03:48,160

petticoff

1557

01:03:53,109 --> 01:03:51,039

the main astronomical observatory of

1558

01:03:55,349 --> 01:03:53,119

ukraine conducts an independent study of

1559

01:03:57,190 --> 01:03:55,359

uap which has managed to collect imagery

1560

01:03:59,589 --> 01:03:57,200

depicting several anomalous aerial

1561

01:04:03,109 --> 01:03:59,599

events the team says it employs a pair

1562

01:04:05,190 --> 01:04:03,119

of meteor stations located in uh keith

1563

01:04:07,349 --> 01:04:05,200

and in the winner

1564

01:04:10,870 --> 01:04:07,359

excuse me

1565

01:04:12,789 --> 01:04:10,880

venarvika village wow

1566

01:04:15,270 --> 01:04:12,799

got through that each fitted with video

1567

01:04:17,109 --> 01:04:15,280

cameras observing the daytime sky in a

1568

01:04:18,950 --> 01:04:17,119

recent paper announcing their findings

1569

01:04:21,270 --> 01:04:18,960

the researchers say they've created a

1570

01:04:23,430 --> 01:04:21,280

special observation technique they use

1571

01:04:26,230 --> 01:04:23,440

for detecting and evaluating uap

1572

01:04:27,990 --> 01:04:26,240

characteristics

1573

01:04:29,510 --> 01:04:28,000

based on the events they have observed

1574

01:04:33,029 --> 01:04:29,520

they break down their observations of

1575

01:04:35,829 --> 01:04:33,039

uap into two primary categories cosmics

1576

01:04:37,829 --> 01:04:35,839

and phantoms unidentified anomalous air

1577

01:04:39,990 --> 01:04:37,839

in space objects are deeply concealed

1578

01:04:41,670 --> 01:04:40,000

phenomena the authors conclude adding

1579

01:04:44,470 --> 01:04:41,680

that the primary characteristics of the

1580

01:04:45,990 --> 01:04:44,480

uap they have observed are extremely

1581

01:04:48,150 --> 01:04:46,000

high speeds

1582

01:04:50,230 --> 01:04:48,160

so this is pretty cool um

1583

01:04:52,230 --> 01:04:50,240

cosmics are luminous objects brighter

1584

01:04:53,829 --> 01:04:52,240

than the background of the sky and

1585

01:04:56,710 --> 01:04:53,839

they're each named after various birds

1586

01:04:58,710 --> 01:04:56,720

swift falcon and eagle um phantoms which

1587

01:05:00,710 --> 01:04:58,720

you see kind of an example of there to

1588

01:05:02,870 --> 01:05:00,720

the left phantoms appear to have very

1589

01:05:05,349 --> 01:05:02,880

low reflectivity characterizing the

1590

01:05:08,789 --> 01:05:05,359

objects as completely black bodies that

1591

01:05:10,150 --> 01:05:08,799

do not emit or absorb all the radiation

1592

01:05:10,950 --> 01:05:10,160

falling on it

1593

01:05:12,069 --> 01:05:10,960

um

1594

01:05:13,109 --> 01:05:12,079

yeah

1595

01:05:15,670 --> 01:05:13,119

so

1596

01:05:17,510 --> 01:05:15,680

this is pretty interesting um i look

1597

01:05:19,190 --> 01:05:17,520

forward to hearing more about this study

1598

01:05:20,789 --> 01:05:19,200

and the follow-ups that micah will

1599

01:05:23,270 --> 01:05:20,799

probably be doing with this

1600

01:05:25,430 --> 01:05:23,280

um but yeah you know again a lot going

1601

01:05:27,589 --> 01:05:25,440

on over there right now

1602

01:05:29,349 --> 01:05:27,599

um i guess i should say right here in

1603

01:05:31,990 --> 01:05:29,359

europe um

1604

01:05:35,430 --> 01:05:32,000

but especially in ukraine and uh it's

1605

01:05:36,630 --> 01:05:35,440

just incredible that in a time of war

1606

01:05:38,789 --> 01:05:36,640

they're still

1607

01:05:40,789 --> 01:05:38,799

still looking for those damned uaps

1608

01:05:43,910 --> 01:05:40,799

which i'm sure they're seeing a lot of

1609

01:05:46,230 --> 01:05:43,920

um whether they like it or not and um we

1610

01:05:48,309 --> 01:05:46,240

have scientists still doing their jobs

1611

01:05:49,829 --> 01:05:48,319

and still curious about what's going on

1612

01:05:51,510 --> 01:05:49,839

so yeah yeah i thought that was a pretty

1613

01:05:53,270 --> 01:05:51,520

cool story to bring to you guys you

1614

01:05:55,430 --> 01:05:53,280

could check out the full story right now

1615

01:05:57,349 --> 01:05:55,440

over at thedebrief.org

1616

01:05:58,630 --> 01:05:57,359

and all the awesome awesome stuff they

1617

01:06:02,829 --> 01:05:58,640

got going on

1618

01:06:06,230 --> 01:06:02,839

over there um pretty pretty

1619

01:06:08,309 --> 01:06:06,240

cool let's see hillary says the people

1620

01:06:10,390 --> 01:06:08,319

are so kind i've been all over europe

1621

01:06:12,710 --> 01:06:10,400

scottish people are the best

1622

01:06:15,190 --> 01:06:12,720

hillary i would have to agree um

1623

01:06:17,430 --> 01:06:15,200

so far it's been a nothing but a

1624

01:06:19,349 --> 01:06:17,440

pleasant experience being here you know

1625

01:06:22,150 --> 01:06:19,359

i'm sure i'll have my days

1626

01:06:24,150 --> 01:06:22,160

like everyone does but for now um it's

1627

01:06:26,549 --> 01:06:24,160

been awesome it really really has

1628

01:06:27,990 --> 01:06:26,559

everyone's just been so accommodating

1629

01:06:31,109 --> 01:06:28,000

and welcoming

1630

01:06:34,069 --> 01:06:31,119

and and it's awesome um someone somebody

1631

01:06:36,470 --> 01:06:34,079

did the chat we're like show us things

1632

01:06:39,589 --> 01:06:36,480

show us things from scotland what makes

1633

01:06:41,750 --> 01:06:39,599

it so different they're like show us um

1634

01:06:44,950 --> 01:06:41,760

the money i don't have any

1635

01:06:47,029 --> 01:06:44,960

um uk money on me at the moment but um

1636

01:06:48,870 --> 01:06:47,039

they're like show us the uh

1637

01:06:53,990 --> 01:06:48,880

the gadgets and whatnot i don't have

1638

01:06:56,069 --> 01:06:54,000

gadgets but this is a uk uh plug adapter

1639

01:06:59,190 --> 01:06:56,079

um so the plugs are completely different

1640

01:07:00,789 --> 01:06:59,200

here in the uk um which i luckily was

1641

01:07:02,230 --> 01:07:00,799

aware of before i got here so i bought a

1642

01:07:04,630 --> 01:07:02,240

bunch of adapters

1643

01:07:07,109 --> 01:07:04,640

i didn't know that when i first visited

1644

01:07:09,349 --> 01:07:07,119

the uk and none of my electronics were

1645

01:07:10,870 --> 01:07:09,359

able to be plugged in um so yeah it's

1646

01:07:13,270 --> 01:07:10,880

just you know it's small things like

1647

01:07:15,349 --> 01:07:13,280

that um and the whole driving on the

1648

01:07:17,430 --> 01:07:15,359

other side of the road thing um i'm

1649

01:07:20,390 --> 01:07:17,440

finding myself looking the wrong way

1650

01:07:22,069 --> 01:07:20,400

when i'm crossing the street and um

1651

01:07:24,549 --> 01:07:22,079

something i'm gonna have to learn pretty

1652

01:07:25,430 --> 01:07:24,559

damn quick if i want to stay alive uh in

1653

01:07:27,990 --> 01:07:25,440

fact

1654

01:07:30,150 --> 01:07:28,000

you know not to get morbid but john mack

1655

01:07:31,349 --> 01:07:30,160

the harvard psychiatrist who studied

1656

01:07:33,430 --> 01:07:31,359

abductions

1657

01:07:36,390 --> 01:07:33,440

um he actually

1658

01:07:38,069 --> 01:07:36,400

died in a horrible tragic car cro

1659

01:07:40,870 --> 01:07:38,079

accident in the uk because he was

1660

01:07:43,910 --> 01:07:40,880

looking the wrong way um before crossing

1661

01:07:46,630 --> 01:07:43,920

the street so um i do not

1662

01:07:48,710 --> 01:07:46,640

want to make that mistake and um and

1663

01:07:51,510 --> 01:07:48,720

yeah yeah a lot to get used to here but

1664

01:07:53,510 --> 01:07:51,520

um again a lot of a lot of the uk is a

1665

01:07:56,549 --> 01:07:53,520

lot like the united states just a lot

1666

01:07:58,549 --> 01:07:56,559

more um polite about things i'll put it

1667

01:08:02,230 --> 01:07:58,559

that way and they mean that in a good

1668

01:08:02,240 --> 01:08:05,029

let's see

1669

01:08:08,710 --> 01:08:07,029

terry says it sucks he won't be in

1670

01:08:11,109 --> 01:08:08,720

houghton lake michigan this year at the

1671

01:08:14,230 --> 01:08:11,119

ufo con terry i know i was supposed to

1672

01:08:15,750 --> 01:08:14,240

speak at that event but when you know i

1673

01:08:17,910 --> 01:08:15,760

found out

1674

01:08:20,309 --> 01:08:17,920

very abruptly that we would be moving

1675

01:08:23,590 --> 01:08:20,319

here to scotland um

1676

01:08:26,950 --> 01:08:23,600

i unfortunately had to cancel um it just

1677

01:08:29,110 --> 01:08:26,960

didn't line up with the moving here um

1678

01:08:32,149 --> 01:08:29,120

so hopefully hopefully they'll have me

1679

01:08:35,269 --> 01:08:32,159

back next year i would be so honored to

1680

01:08:38,149 --> 01:08:35,279

speak at the michigan ufo con um deb and

1681

01:08:41,269 --> 01:08:38,159

and jay and everyone over there are just

1682

01:08:44,709 --> 01:08:41,279

amazing amazing so if anyone in michigan

1683

01:08:47,590 --> 01:08:44,719

is not aware um michigan ufo con

1684

01:08:50,390 --> 01:08:47,600

you have to go to this event it is so

1685

01:08:52,950 --> 01:08:50,400

well run um the people there are

1686

01:08:54,870 --> 01:08:52,960

incredible and it was seriously one of

1687

01:08:57,910 --> 01:08:54,880

the most amazing experiences i've ever

1688

01:09:00,709 --> 01:08:57,920

had speaking at a ufo conference um so

1689

01:09:03,110 --> 01:09:00,719

yeah yeah terry if you can can you throw

1690

01:09:04,229 --> 01:09:03,120

a link in the um in the chat there for

1691

01:09:06,550 --> 01:09:04,239

the con

1692

01:09:09,030 --> 01:09:06,560

for anyone who might be interested

1693

01:09:12,070 --> 01:09:09,040

some awesome speakers actually

1694

01:09:13,189 --> 01:09:12,080

i got a replacement for me for the event

1695

01:09:15,910 --> 01:09:13,199

um

1696

01:09:17,669 --> 01:09:15,920

and it's uh someone you guys will

1697

01:09:20,390 --> 01:09:17,679

probably know if you're at all into the

1698

01:09:21,910 --> 01:09:20,400

bigfoot world ronnie leblanc

1699

01:09:25,110 --> 01:09:21,920

who has become a really good friend and

1700

01:09:26,789 --> 01:09:25,120

colleague of mine um was able to step in

1701

01:09:28,149 --> 01:09:26,799

fill my shoes and speak there at the

1702

01:09:30,390 --> 01:09:28,159

event he's going to be talking all about

1703

01:09:32,630 --> 01:09:30,400

bigfoot and ufos and the possible

1704

01:09:34,229 --> 01:09:32,640

connections between them so yeah i know

1705

01:09:36,709 --> 01:09:34,239

he's going to knock it out of the park

1706

01:09:39,030 --> 01:09:36,719

and um honestly probably better than i

1707

01:09:40,390 --> 01:09:39,040

could have done so yeah guys check that

1708

01:09:43,510 --> 01:09:40,400

out if you can if you live in the

1709

01:09:46,309 --> 01:09:43,520

michigan area in the united states

1710

01:09:50,950 --> 01:09:46,319

oh lord is going awesome laura enjoy

1711

01:09:55,189 --> 01:09:52,709

paul says you've seen the taps yet ryan

1712

01:09:56,390 --> 01:09:55,199

the faucets yeah yeah yeah they're

1713

01:09:58,149 --> 01:09:56,400

interesting

1714

01:10:01,189 --> 01:09:58,159

um you know i'm looking at the one right

1715

01:10:02,550 --> 01:10:01,199

here in the kitchen at my airbnb um

1716

01:10:03,750 --> 01:10:02,560

it looks pretty

1717

01:10:05,910 --> 01:10:03,760

standard

1718

01:10:09,030 --> 01:10:05,920

what am i missing anything let me know

1719

01:10:10,790 --> 01:10:09,040

paul let me know

1720

01:10:13,830 --> 01:10:10,800

supergreen says they don't have

1721

01:10:17,990 --> 01:10:13,840

vegetables either

1722

01:10:21,590 --> 01:10:18,000

yes they do they have vegetables here

1723

01:10:25,270 --> 01:10:23,270

grant says reverse parking will be a

1724

01:10:28,229 --> 01:10:25,280

pain in the ass for a bit i'm sure it

1725

01:10:31,270 --> 01:10:28,239

will grant um yeah you commonwealth

1726

01:10:37,430 --> 01:10:31,280

nations in your weird driving things get

1727

01:10:37,440 --> 01:10:44,310

um let's see

1728

01:10:48,550 --> 01:10:45,990

have you bought a moped or scooter not

1729

01:10:51,510 --> 01:10:48,560

yet not yet still getting around walking

1730

01:10:53,510 --> 01:10:51,520

most places um but i hear they have

1731

01:10:55,110 --> 01:10:53,520

really good public transit here so

1732

01:10:57,350 --> 01:10:55,120

probably be taking that a lot which i'm

1733

01:11:00,709 --> 01:10:57,360

used to living in new york city so we'll

1734

01:11:04,550 --> 01:11:02,630

mysteries and monsters asked are you

1735

01:11:06,550 --> 01:11:04,560

coping with the concept of a kettle

1736

01:11:09,270 --> 01:11:06,560

absolutely um

1737

01:11:11,590 --> 01:11:09,280

my partner drinks pretty much only tea

1738

01:11:15,030 --> 01:11:11,600

so i'm very used to the kettle i always

1739

01:11:16,229 --> 01:11:15,040

have a a cuppa for sure

1740

01:11:17,590 --> 01:11:16,239

um

1741

01:11:20,390 --> 01:11:17,600

awesome guys

1742

01:11:22,630 --> 01:11:20,400

let's move on to the next story i wanted

1743

01:11:24,310 --> 01:11:22,640

to talk about with you

1744

01:11:27,669 --> 01:11:24,320

and um

1745

01:11:28,390 --> 01:11:27,679

that is

1746

01:12:11,990 --> 01:11:28,400

a

1747

01:12:13,669 --> 01:12:12,000

um interviewing briefly i'll be briefly

1748

01:12:15,910 --> 01:12:13,679

uh senator gillibrand about her

1749

01:12:18,550 --> 01:12:15,920

amendment and what's going on in the

1750

01:12:20,870 --> 01:12:18,560

world of government and ufos

1751

01:12:23,510 --> 01:12:20,880

this upcoming aero office that's going

1752

01:12:25,910 --> 01:12:23,520

to be opening up soon and uh everything

1753

01:12:28,390 --> 01:12:25,920

in between so let's go ahead

1754

01:12:29,990 --> 01:12:28,400

and i'm gonna play that interview he got

1755

01:12:31,430 --> 01:12:30,000

with her right now

1756

01:12:33,910 --> 01:12:31,440

osvaldo

1757

01:12:35,590 --> 01:12:33,920

and gillibrand

1758

01:12:37,510 --> 01:12:35,600

senator gillibrand

1759

01:12:38,950 --> 01:12:37,520

i want to thank you on behalf of so many

1760

01:12:42,149 --> 01:12:38,960

of my friends and colleagues for your

1761

01:12:43,189 --> 01:12:42,159

uap reform support

1762

01:12:47,830 --> 01:12:43,199

yes

1763

01:12:51,030 --> 01:12:47,840

we expect a public hearing regarding

1764

01:12:53,270 --> 01:12:51,040

ufos and uaps specifically with these

1765

01:12:55,830 --> 01:12:53,280

these reforms in place

1766

01:12:57,669 --> 01:12:55,840

i'm supposed to get a report in the next

1767

01:12:59,350 --> 01:12:57,679

month or two

1768

01:13:02,229 --> 01:12:59,360

they briefed our staff but it wasn't

1769

01:13:03,910 --> 01:13:02,239

very it wasn't very significant

1770

01:13:05,430 --> 01:13:03,920

they're building the office right now

1771

01:13:06,790 --> 01:13:05,440

and they understand what the mission is

1772

01:13:08,870 --> 01:13:06,800

so i met the guy who's in charge of the

1773

01:13:10,390 --> 01:13:08,880

office he understands he's supposed to

1774

01:13:12,390 --> 01:13:10,400

work with the private sector and all the

1775

01:13:15,430 --> 01:13:12,400

people who have all the data information

1776

01:13:17,180 --> 01:13:15,440

he's also um asked to go back and look

1777

01:13:27,830 --> 01:13:17,190

at all of the archival

1778

01:13:33,030 --> 01:13:30,870

[Music]

1779

01:13:35,669 --> 01:13:33,040

historic stuff get what's in the private

1780

01:13:37,189 --> 01:13:35,679

sector get the private sector data like

1781

01:13:38,390 --> 01:13:37,199

faa data

1782

01:13:40,390 --> 01:13:38,400

correlate it

1783

01:13:42,630 --> 01:13:40,400

investigate all the other things that

1784

01:13:44,550 --> 01:13:42,640

are current and just create a standard

1785

01:13:46,470 --> 01:13:44,560

office and he's committed and they're

1786

01:13:48,229 --> 01:13:46,480

taking it seriously they're not going to

1787

01:13:49,669 --> 01:13:48,239

hide it because there's so many of us

1788

01:13:51,750 --> 01:13:49,679

now on the intel committee and armed

1789

01:13:53,350 --> 01:13:51,760

services that we're going to stand by

1790

01:13:56,070 --> 01:13:53,360

the service networks we've documented

1791

01:13:57,830 --> 01:13:56,080

this stuff they have video they have

1792

01:14:11,750 --> 01:13:57,840

radar they have heat sensors they have

1793

01:14:18,149 --> 01:14:14,790

how freaking awesome is that again um

1794

01:14:20,070 --> 01:14:18,159

that is osvaldo franco over at at

1795

01:14:23,030 --> 01:14:20,080

disclosure with on twitter make sure to

1796

01:14:24,630 --> 01:14:23,040

give him a follow um that was so cool

1797

01:14:27,669 --> 01:14:24,640

that he got to actually interview her

1798

01:14:30,229 --> 01:14:27,679

and she seems so adamant about this like

1799

01:14:32,149 --> 01:14:30,239

not letting them do the stonewalling and

1800

01:14:33,510 --> 01:14:32,159

stovepipng they've done for so long

1801

01:14:35,830 --> 01:14:33,520

with this topic

1802

01:14:38,149 --> 01:14:35,840

so i'm really looking forward to um

1803

01:14:40,070 --> 01:14:38,159

jilla brandt continue to be kind of an

1804

01:14:42,630 --> 01:14:40,080

advocate for transparency with this

1805

01:14:44,630 --> 01:14:42,640

upcoming arrow thing um and for those of

1806

01:14:46,709 --> 01:14:44,640

you who don't know arrow is

1807

01:14:50,070 --> 01:14:46,719

a new office that's going to be opening

1808

01:14:52,229 --> 01:14:50,080

up um in the pentagon to study aerial

1809

01:14:55,030 --> 01:14:52,239

phenomena i'm going to read briefly here

1810

01:14:57,270 --> 01:14:55,040

the mission of arrow um

1811

01:14:59,270 --> 01:14:57,280

it will be to synchronize efforts across

1812

01:15:01,750 --> 01:14:59,280

the department of defense and with other

1813

01:15:04,470 --> 01:15:01,760

u.s federal departments and agencies to

1814

01:15:07,110 --> 01:15:04,480

detect identify and attribute objects of

1815

01:15:09,590 --> 01:15:07,120

interest in on or near military

1816

01:15:11,910 --> 01:15:09,600

installations operate in areas training

1817

01:15:14,790 --> 01:15:11,920

areas special use airspace and other

1818

01:15:17,189 --> 01:15:14,800

areas of interest and as necessary to

1819

01:15:19,430 --> 01:15:17,199

mitigate any associated threats to

1820

01:15:22,229 --> 01:15:19,440

safety of operations and national

1821

01:15:25,110 --> 01:15:22,239

security this includes anomalous

1822

01:15:29,110 --> 01:15:25,120

unidentified space airborne submerged

1823

01:15:30,790 --> 01:15:29,120

and trans-medium objects so

1824

01:15:32,310 --> 01:15:30,800

really cool um that they're going to be

1825

01:15:34,390 --> 01:15:32,320

looking into all those things but at the

1826

01:15:36,709 --> 01:15:34,400

same time what are we in the public

1827

01:15:38,790 --> 01:15:36,719

going to be made privy to when it comes

1828

01:15:41,189 --> 01:15:38,800

to all this i know a lot of people are

1829

01:15:42,790 --> 01:15:41,199

excited about it um but

1830

01:15:44,550 --> 01:15:42,800

i am one of those people who's just

1831

01:15:47,910 --> 01:15:44,560

gonna say it flat out temper your

1832

01:15:50,470 --> 01:15:47,920

expectations about us getting anything

1833

01:15:53,030 --> 01:15:50,480

anything um

1834

01:15:55,030 --> 01:15:53,040

and i know that one of our mutual

1835

01:15:57,189 --> 01:15:55,040

colleagues here who you're gonna watch a

1836

01:15:58,229 --> 01:15:57,199

video of in just a few moments feels the

1837

01:16:00,550 --> 01:15:58,239

same way

1838

01:16:02,550 --> 01:16:00,560

that while it seems like the government

1839

01:16:06,229 --> 01:16:02,560

is getting more interested in ufos and

1840

01:16:07,030 --> 01:16:06,239

um looking into this uh is that actually

1841

01:16:07,990 --> 01:16:07,040

true

1842

01:16:10,950 --> 01:16:08,000

um

1843

01:16:13,669 --> 01:16:10,960

is this for the public or is it just to

1844

01:16:16,229 --> 01:16:13,679

continue uh classifying things

1845

01:16:19,189 --> 01:16:16,239

into a higher atmosphere of top secret

1846

01:16:21,750 --> 01:16:19,199

and top top secret um yeah yeah so i'm

1847

01:16:23,110 --> 01:16:21,760

gonna play a video very shortly about

1848

01:16:24,790 --> 01:16:23,120

that um

1849

01:16:27,990 --> 01:16:24,800

we'll get to that but i do have to

1850

01:16:29,590 --> 01:16:28,000

welcome daniel zetterstrom is here uh hi

1851

01:16:31,590 --> 01:16:29,600

ryan how the hell is scotland you're

1852

01:16:33,830 --> 01:16:31,600

looking awfully british

1853

01:16:36,790 --> 01:16:33,840

thanks buddy thanks i appreciate that

1854

01:16:39,430 --> 01:16:36,800

i'm trying to at least um right now i've

1855

01:16:41,669 --> 01:16:39,440

got my secret machines

1856

01:16:45,350 --> 01:16:41,679

shirt on so definitely repping tom

1857

01:16:47,270 --> 01:16:45,360

delong into the stars over there um

1858

01:16:49,590 --> 01:16:47,280

yeah yeah dan thanks so much for being

1859

01:16:51,990 --> 01:16:49,600

here buddy i will be seeing dan very

1860

01:16:53,910 --> 01:16:52,000

soon in october um probably before that

1861

01:16:56,950 --> 01:16:53,920

i'm sure we'll hang out before that but

1862

01:17:00,470 --> 01:16:56,960

uh we will be speaking at a event here

1863

01:17:02,070 --> 01:17:00,480

in the uk together and um and

1864

01:17:03,990 --> 01:17:02,080

and i'm really looking forward to that

1865

01:17:07,350 --> 01:17:04,000

um only just stepped in but have to

1866

01:17:10,070 --> 01:17:07,360

agree temper expectations dan says agree

1867

01:17:15,910 --> 01:17:12,070

let's see loving the tea i've got an

1868

01:17:17,590 --> 01:17:15,920

alien pancake tea i love it um dan great

1869

01:17:20,070 --> 01:17:17,600

job by the way you and vinnie on that

1870

01:17:22,790 --> 01:17:20,080

recent interview you guys did um throw a

1871

01:17:25,110 --> 01:17:22,800

link in the uh in the chat there of the

1872

01:17:27,590 --> 01:17:25,120

interview that you guys just did uh with

1873

01:17:28,950 --> 01:17:27,600

that gentleman over in the u.s uh it was

1874

01:17:32,630 --> 01:17:28,960

really good i got to watch it this

1875

01:17:35,510 --> 01:17:32,640

morning hello to dj hello bim jim is

1876

01:17:38,149 --> 01:17:35,520

here as well don't say uap it's a trick

1877

01:17:39,590 --> 01:17:38,159

i know i know we'll get to that big jim

1878

01:17:42,630 --> 01:17:39,600

for sure

1879

01:17:43,590 --> 01:17:42,640

um let's see i just want to scroll

1880

01:17:45,990 --> 01:17:43,600

through and make sure i didn't miss

1881

01:17:49,030 --> 01:17:46,000

anything guys

1882

01:17:51,590 --> 01:17:49,040

okay cool i think we're good so yeah

1883

01:17:53,189 --> 01:17:51,600

again kudos to osvaldo for getting that

1884

01:17:54,950 --> 01:17:53,199

brief interview with gillibrand i

1885

01:17:56,870 --> 01:17:54,960

thought it was excellent excellent

1886

01:17:58,630 --> 01:17:56,880

excellent work um

1887

01:18:00,310 --> 01:17:58,640

he did i cut it out of the interview

1888

01:18:01,910 --> 01:18:00,320

there but he did ask her like would she

1889

01:18:03,430 --> 01:18:01,920

be willing to do a longer interview

1890

01:18:05,990 --> 01:18:03,440

longer format interview with him and she

1891

01:18:08,070 --> 01:18:06,000

said absolutely and she also was like if

1892

01:18:10,310 --> 01:18:08,080

you have any information you want me to

1893

01:18:12,390 --> 01:18:10,320

send on you know to these people in

1894

01:18:14,229 --> 01:18:12,400

government um let me get your card let's

1895

01:18:15,669 --> 01:18:14,239

talk like how many senators would

1896

01:18:17,990 --> 01:18:15,679

actually do that like let's be

1897

01:18:20,310 --> 01:18:18,000

completely honest does she mean it um i

1898

01:18:21,910 --> 01:18:20,320

can't tell you uh but at the same time i

1899

01:18:22,709 --> 01:18:21,920

think it was pretty cool that she even

1900

01:18:25,430 --> 01:18:22,719

like

1901

01:18:27,110 --> 01:18:25,440

entertained his question and stood there

1902

01:18:28,950 --> 01:18:27,120

you could tell her aid was like we gotta

1903

01:18:31,350 --> 01:18:28,960

go we gotta go we gotta get out of here

1904

01:18:33,830 --> 01:18:31,360

um and she's like you know whatever man

1905

01:18:36,870 --> 01:18:33,840

i'm talking to the people who elected me

1906

01:18:37,750 --> 01:18:36,880

so yeah i i thought that was pretty cool

1907

01:18:39,030 --> 01:18:37,760

um

1908

01:18:40,470 --> 01:18:39,040

well

1909

01:18:42,470 --> 01:18:40,480

let's get to

1910

01:18:43,910 --> 01:18:42,480

kind of the sobering

1911

01:18:47,270 --> 01:18:43,920

part of the conversation when it comes

1912

01:18:49,030 --> 01:18:47,280

to all this us government and ufo stuff

1913

01:18:53,750 --> 01:18:49,040

um

1914

01:18:55,830 --> 01:18:53,760

love him or hate him he has done

1915

01:18:57,750 --> 01:18:55,840

incredible work in the past continues to

1916

01:18:59,350 --> 01:18:57,760

do incredible work has been a big

1917

01:19:02,390 --> 01:18:59,360

supporter of my work throughout the

1918

01:19:05,830 --> 01:19:02,400

years in fact um he is the reason

1919

01:19:08,229 --> 01:19:05,840

that i got my first foi

1920

01:19:11,350 --> 01:19:08,239

a request ever granted and that was on

1921

01:19:14,070 --> 01:19:11,360

the 1976 toronto ufo incident

1922

01:19:15,669 --> 01:19:14,080

crazy case in tehran iran where a pilot

1923

01:19:16,870 --> 01:19:15,679

chased a ufo

1924

01:19:21,189 --> 01:19:16,880

um

1925

01:19:23,270 --> 01:19:21,199

actually got declassified and those are

1926

01:19:25,830 --> 01:19:23,280

the first documents i ever received from

1927

01:19:29,590 --> 01:19:25,840

the department of intelligence so uh it

1928

01:19:31,590 --> 01:19:29,600

was so cool john is um is is a really

1929

01:19:34,390 --> 01:19:31,600

good guy again no matter what you think

1930

01:19:36,790 --> 01:19:34,400

of his work or what he has to say about

1931

01:19:38,149 --> 01:19:36,800

people like elizondo and and all the

1932

01:19:40,709 --> 01:19:38,159

stuff that's been going on in the past

1933

01:19:42,550 --> 01:19:40,719

couple years um he continues to do

1934

01:19:44,790 --> 01:19:42,560

awesome work i'm gonna go ahead and

1935

01:19:47,830 --> 01:19:44,800

actually play a video here from a video

1936

01:19:51,270 --> 01:19:47,840

that john did called is ufo secrecy

1937

01:19:53,110 --> 01:19:51,280

deepening here's why i say yes so while

1938

01:19:55,669 --> 01:19:53,120

many think that you know we're getting

1939

01:19:59,030 --> 01:19:55,679

some disclosures coming out in the next

1940

01:20:02,310 --> 01:19:59,040

couple years uh as asked of me earlier

1941

01:20:05,030 --> 01:20:02,320

in this q a um john thinks differently

1942

01:20:06,709 --> 01:20:05,040

and uh you know we got to take his

1943

01:20:08,709 --> 01:20:06,719

opinion uh

1944

01:20:11,270 --> 01:20:08,719

you know pretty heavily with the work

1945

01:20:13,590 --> 01:20:11,280

he's done in the past with documents and

1946

01:20:18,550 --> 01:20:13,600

and whatnot so um yeah check this out

1947

01:20:22,950 --> 01:20:20,790

that because there was no classification

1948

01:20:25,030 --> 01:20:22,960

guide that mandated the automatic

1949

01:20:27,430 --> 01:20:25,040

classification of it people like me

1950

01:20:29,270 --> 01:20:27,440

could come along and get it it makes it

1951

01:20:32,470 --> 01:20:29,280

a little bit easier

1952

01:20:34,229 --> 01:20:32,480

this the classification guide is making

1953

01:20:35,669 --> 01:20:34,239

it harder

1954

01:20:39,030 --> 01:20:35,679

so i wanted to go over that with you

1955

01:20:40,950 --> 01:20:39,040

guys break down some real world examples

1956

01:20:43,189 --> 01:20:40,960

and again support why i say that

1957

01:20:45,030 --> 01:20:43,199

security i feel is deepening

1958

01:20:47,510 --> 01:20:45,040

this talk about we're in the midst of

1959

01:20:49,270 --> 01:20:47,520

disclosure

1960

01:20:51,270 --> 01:20:49,280

look i i think it's great that some

1961

01:20:53,270 --> 01:20:51,280

people think that but the evidence

1962

01:20:55,270 --> 01:20:53,280

doesn't support it disclosure of what we

1963

01:20:57,830 --> 01:20:55,280

haven't heard anything yet and just

1964

01:21:00,070 --> 01:20:57,840

because congress is again muttering the

1965

01:21:02,470 --> 01:21:00,080

the phrases and acronyms of uap and

1966

01:21:04,390 --> 01:21:02,480

unidentified aerial phenomena and so on

1967

01:21:05,510 --> 01:21:04,400

and so forth all of that is

1968

01:21:07,189 --> 01:21:05,520

great

1969

01:21:10,149 --> 01:21:07,199

the problem is the evidence doesn't

1970

01:21:12,790 --> 01:21:10,159

support that disclosure talk and in fact

1971

01:21:14,629 --> 01:21:12,800

that secrecy is deepening and in fact

1972

01:21:16,070 --> 01:21:14,639

the same voices that are telling you we

1973

01:21:17,669 --> 01:21:16,080

want transparency and we're going to

1974

01:21:19,590 --> 01:21:17,679

require reports

1975

01:21:22,070 --> 01:21:19,600

are getting very minimal reports but

1976

01:21:23,430 --> 01:21:22,080

then on top of that when being told

1977

01:21:26,229 --> 01:21:23,440

we can talk more about that in a

1978

01:21:28,550 --> 01:21:26,239

classified setting they go oh yeah okay

1979

01:21:29,990 --> 01:21:28,560

not a problem you know we can talk why

1980

01:21:31,350 --> 01:21:30,000

because it doesn't matter if they push

1981

01:21:34,390 --> 01:21:31,360

back or not they're going to hear it

1982

01:21:36,070 --> 01:21:34,400

anyway then their security oaths and and

1983

01:21:37,830 --> 01:21:36,080

clearances take over and then they don't

1984

01:21:39,270 --> 01:21:37,840

come out and tell you or i they just say

1985

01:21:42,310 --> 01:21:39,280

they're working on it or there's

1986

01:21:43,110 --> 01:21:42,320

something strange or we need to fund

1987

01:21:44,550 --> 01:21:43,120

this

1988

01:21:45,750 --> 01:21:44,560

but we don't get the answers that we're

1989

01:21:48,390 --> 01:21:45,760

looking for

1990

01:21:53,510 --> 01:21:48,400

so that's my justification for saying

1991

01:21:58,390 --> 01:21:56,149

yeah so um if you go back and watch the

1992

01:22:00,870 --> 01:21:58,400

whole video john goes through some of

1993

01:22:03,510 --> 01:22:00,880

these documents and why he believes that

1994

01:22:05,910 --> 01:22:03,520

the classification is just getting

1995

01:22:08,390 --> 01:22:05,920

so out of control and why it's only

1996

01:22:11,430 --> 01:22:08,400

going to continue and grow with this new

1997

01:22:12,790 --> 01:22:11,440

aero office and whatnot so yeah um

1998

01:22:15,830 --> 01:22:12,800

i don't know i don't know what to make

1999

01:22:17,750 --> 01:22:15,840

of all of it uh this new thing opening

2000

01:22:20,390 --> 01:22:17,760

up but you can bet that we're all gonna

2001
01:22:22,629 --> 01:22:20,400
be covering it and um holding their feet

2002
01:22:25,189 --> 01:22:22,639
to the fire and john will too

2003
01:22:27,830 --> 01:22:25,199
you know the minute any certain word is

2004
01:22:28,629 --> 01:22:27,840
mentioned in an interview or

2005
01:23:27,110 --> 01:22:28,639
a

2006
01:23:28,629 --> 01:23:27,120
we'll see um

2007
01:23:31,030 --> 01:23:28,639
hey any

2008
01:23:32,709 --> 01:23:31,040
anytime ufos are in the news it excites

2009
01:23:34,390 --> 01:23:32,719
all of us and we have something to talk

2010
01:23:35,910 --> 01:23:34,400
about so that's pretty cool that's

2011
01:23:38,629 --> 01:23:35,920
pretty cool

2012
01:23:41,110 --> 01:23:38,639
hello to paranormal pixie laura thank

2013
01:23:43,669 --> 01:23:41,120

you so much for joining us really do

2014

01:23:46,790 --> 01:23:43,679

appreciate it random content is here as

2015

01:23:50,550 --> 01:23:46,800

well uh guys if you are just joining us

2016

01:23:52,229 --> 01:23:50,560

um we are doing a casual q a um here at

2017

01:23:55,270 --> 01:23:52,239

somewhere in the sky so if you have any

2018

01:23:56,629 --> 01:23:55,280

questions throw them in the chat um if

2019

01:23:58,390 --> 01:23:56,639

you want to get them highlighted and

2020

01:24:00,870 --> 01:23:58,400

sent to the top you can do a super chat

2021

01:24:03,110 --> 01:24:00,880

or super sticker i'll get right to those

2022

01:24:05,990 --> 01:24:03,120

and um yeah we will continue the

2023

01:24:09,270 --> 01:24:06,000

conversation here um i don't have much

2024

01:24:10,870 --> 01:24:09,280

else on my end so now would be the time

2025

01:24:13,910 --> 01:24:10,880

for you guys to throw your questions in

2026

01:24:16,229 --> 01:24:13,920

here it is a little past midnight here

2027

01:24:18,790 --> 01:24:16,239

in the uk so getting a little late but

2028

01:24:19,990 --> 01:24:18,800

um thank you for anyone in the in the uk

2029

01:24:22,629 --> 01:24:20,000

joining us

2030

01:24:23,430 --> 01:24:22,639

and um and grant over in australia as

2031

01:24:26,310 --> 01:24:23,440

well

2032

01:24:27,590 --> 01:24:26,320

and uh everyone thank you so much so so

2033

01:24:28,830 --> 01:24:27,600

much for being here i truly do

2034

01:24:31,750 --> 01:24:28,840

appreciate it

2035

01:24:33,110 --> 01:24:31,760

um let's see here

2036

01:24:35,510 --> 01:24:33,120

i guess

2037

01:24:37,910 --> 01:24:35,520

you know if we don't have any other

2038

01:24:40,790 --> 01:24:37,920

questions i'll start teasing what's to

2039

01:24:46,229 --> 01:24:40,800

come on somewhere in the skies uh random

2040

01:24:50,470 --> 01:24:48,310

if you're talking about the spheres

2041

01:24:53,590 --> 01:24:50,480

uh that ross coulthard was bringing up

2042

01:24:55,750 --> 01:24:53,600

in his documentary recently um i thought

2043

01:24:58,070 --> 01:24:55,760

it was interesting reminds me a lot of

2044

01:24:59,830 --> 01:24:58,080

the best sphere i did a whole episode on

2045

01:25:01,830 --> 01:24:59,840

that you could check it out in the

2046

01:25:04,550 --> 01:25:01,840

archives one of my favorite episodes to

2047

01:25:06,709 --> 01:25:04,560

make um where actually

2048

01:25:09,189 --> 01:25:06,719

i got to interview paul heineck about it

2049

01:25:11,830 --> 01:25:09,199

which was kind of cool um supposedly the

2050

01:25:14,310 --> 01:25:11,840

best sphere may have been stored in the

2051
01:25:16,390 --> 01:25:14,320
heineck family garage for many many many

2052
01:25:18,070 --> 01:25:16,400
years which i thought was a cool little

2053
01:25:19,990 --> 01:25:18,080
tidbit that he threw into an interview i

2054
01:25:22,070 --> 01:25:20,000
did with him um

2055
01:25:24,149 --> 01:25:22,080
yeah yeah the ross cohart documentary

2056
01:25:27,030 --> 01:25:24,159
was

2057
01:25:28,550 --> 01:25:27,040
interesting um

2058
01:25:31,270 --> 01:25:28,560
i thought you know the interview with

2059
01:25:33,510 --> 01:25:31,280
gary nolan was awesome um

2060
01:25:36,950 --> 01:25:33,520
the the small parts with ben hansen and

2061
01:25:39,590 --> 01:25:36,960
bryce zabel were great um

2062
01:25:43,110 --> 01:25:39,600
i will say i feel like they spend way

2063
01:25:45,430 --> 01:25:43,120

too much time on that sphere thing um

2064

01:25:47,510 --> 01:25:45,440

i don't know it just was kind of goofy

2065

01:25:49,110 --> 01:25:47,520

the way that seven news now

2066

01:25:50,310 --> 01:25:49,120

kind of covered it and ross has even

2067

01:25:51,910 --> 01:25:50,320

come forward and said i'm not really

2068

01:25:54,310 --> 01:25:51,920

happy with the way they

2069

01:25:56,550 --> 01:25:54,320

edited it and focused on that so um that

2070

01:26:00,070 --> 01:25:56,560

was good to hear him talk about um kind

2071

01:26:02,229 --> 01:26:00,080

of his contention with that um

2072

01:26:05,189 --> 01:26:02,239

look as someone who works in television

2073

01:26:06,390 --> 01:26:05,199

i get it i understand um how hard it

2074

01:26:09,510 --> 01:26:06,400

could be

2075

01:26:12,390 --> 01:26:09,520

um when it comes to uh what makes it on

2076

01:26:15,189 --> 01:26:12,400

air and what doesn't so yeah yeah um all

2077

01:26:16,390 --> 01:26:15,199

my love to ross uh he does incredible

2078

01:26:19,030 --> 01:26:16,400

work and i can't wait to see what he

2079

01:26:22,229 --> 01:26:19,040

comes up with next um

2080

01:26:23,990 --> 01:26:22,239

let's see here

2081

01:26:25,350 --> 01:26:24,000

thanks ryan thank you for doing this at

2082

01:26:27,830 --> 01:26:25,360

a time that tries to accommodate

2083

01:26:29,910 --> 01:26:27,840

everyone in the uk usa adam yeah i know

2084

01:26:32,709 --> 01:26:29,920

man like i said earlier it's gonna be so

2085

01:26:34,870 --> 01:26:32,719

hard to do these live streams now

2086

01:26:38,070 --> 01:26:34,880

and make it like a

2087

01:26:40,950 --> 01:26:38,080

dinner time thing for people in

2088

01:26:43,350 --> 01:26:40,960

um the east coast and like late

2089

01:26:45,030 --> 01:26:43,360

afternoon on the west coast but um hey

2090

01:26:47,110 --> 01:26:45,040

you do what you got to do as a content

2091

01:26:50,470 --> 01:26:47,120

creator um it looks like my computer's

2092

01:26:53,830 --> 01:26:50,480

about to die give me one sec guys um

2093

01:26:56,229 --> 01:26:53,840

i gotta make sure that i don't

2094

01:26:58,470 --> 01:26:56,239

leave you hanging here i've got this uk

2095

01:27:00,950 --> 01:26:58,480

plug back here

2096

01:27:03,590 --> 01:27:00,960

did that work

2097

01:27:05,669 --> 01:27:03,600

yep we're charging we're charging

2098

01:27:08,790 --> 01:27:05,679

2099

01:27:09,910 --> 01:27:08,800

it after midnight there it is it's 12 30

2100

01:27:13,030 --> 01:27:09,920

a.m

2101

01:27:15,430 --> 01:27:13,040

um but it's okay i got my coffee i've

2102

01:27:17,669 --> 01:27:15,440

got my darkness

2103

01:27:19,830 --> 01:27:17,679

stout that i'm drinking so we are all

2104

01:27:21,590 --> 01:27:19,840

good mork at these studios all good over

2105

01:27:23,750 --> 01:27:21,600

here at the new

2106

01:27:27,030 --> 01:27:23,760

someone this guy's headquarters in

2107

01:27:33,590 --> 01:27:28,709

cheers guys

2108

01:27:38,550 --> 01:27:35,990

super green says i gotta go

2109

01:27:41,430 --> 01:27:38,560

2110

01:27:43,189 --> 01:27:41,440

i will super green for sure for sure i

2111

01:27:45,430 --> 01:27:43,199

really do appreciate that thanks for

2112

01:27:46,950 --> 01:27:45,440

being here i truly truly do appreciate

2113

01:27:52,229 --> 01:27:46,960

it

2114

01:27:55,189 --> 01:27:52,239

seven network used less stock footage

2115

01:27:56,790 --> 01:27:55,199

and made it so dr made it

2116

01:27:58,950 --> 01:27:56,800

so dramatic with the title screens and

2117

01:28:01,110 --> 01:27:58,960

visuals yeah grant i know man i've

2118

01:28:02,709 --> 01:28:01,120

worked at seven news now and actually it

2119

01:28:05,110 --> 01:28:02,719

was one of um

2120

01:28:07,110 --> 01:28:05,120

my proudest interviews i've done it came

2121

01:28:08,550 --> 01:28:07,120

out of nowhere i had no idea what i was

2122

01:28:09,590 --> 01:28:08,560

stepping into i didn't know it was like

2123

01:28:11,990 --> 01:28:09,600

the big

2124

01:28:13,189 --> 01:28:12,000

news network in australia i was like oh

2125

01:28:15,270 --> 01:28:13,199

it's like some

2126

01:28:17,590 --> 01:28:15,280

local thing cool like i'll talk about

2127

01:28:19,750 --> 01:28:17,600

some australian ufo cases and the

2128

01:28:21,750 --> 01:28:19,760

interview was like half an hour long and

2129

01:28:24,229 --> 01:28:21,760

they aired the whole thing i was like

2130

01:28:27,510 --> 01:28:24,239

stunned i had absolutely no idea um i

2131

01:28:29,590 --> 01:28:27,520

forget angela cox was the the host um

2132

01:28:31,590 --> 01:28:29,600

and she was great like you could tell

2133

01:28:33,910 --> 01:28:31,600

you know she had the little smirk and a

2134

01:28:35,750 --> 01:28:33,920

couple of the side eye glances but i

2135

01:28:37,270 --> 01:28:35,760

think i kind of won her over by the end

2136

01:28:40,229 --> 01:28:37,280

of the interview she's like huh there's

2137

01:28:42,550 --> 01:28:40,239

something to all this there truly is um

2138

01:28:44,390 --> 01:28:42,560

with ross like he's got a huge history

2139

01:28:46,709 --> 01:28:44,400

with seven years now and has done

2140

01:28:49,910 --> 01:28:46,719

incredible work with them um

2141

01:28:51,990 --> 01:28:49,920

i just think this documentary or this

2142

01:28:53,830 --> 01:28:52,000

special um

2143

01:28:56,390 --> 01:28:53,840

it got away from him

2144

01:28:58,550 --> 01:28:56,400

and that's not to say that that had

2145

01:29:00,790 --> 01:28:58,560

anything to do with him again when

2146

01:29:03,189 --> 01:29:00,800

production companies get involved and um

2147

01:29:04,950 --> 01:29:03,199

you know you don't have as much creative

2148

01:29:07,430 --> 01:29:04,960

control as you would hope

2149

01:29:09,910 --> 01:29:07,440

uh that's when things start getting you

2150

01:29:12,310 --> 01:29:09,920

know messy and i'm sure ross learned

2151
01:29:14,149 --> 01:29:12,320
from that and um you know he's done some

2152
01:29:15,590 --> 01:29:14,159
awesome interviews since the thing aired

2153
01:29:17,590 --> 01:29:15,600
talking about like what he was happy

2154
01:29:19,910 --> 01:29:17,600
with what he wasn't uh but i thought it

2155
01:29:21,910 --> 01:29:19,920
was great okay um you know the fact that

2156
01:29:25,030 --> 01:29:21,920
we got some really interesting stuff out

2157
01:29:27,750 --> 01:29:25,040
of gary nolan during that interview was

2158
01:29:29,910 --> 01:29:27,760
honestly in my opinion worth

2159
01:29:31,669 --> 01:29:29,920
everything that that special uh brought

2160
01:29:33,270 --> 01:29:31,679
forward so yeah i thought it was pretty

2161
01:29:35,990 --> 01:29:33,280
cool

2162
01:29:40,070 --> 01:29:36,000
let's see gareth says i'm on the negroni

2163
01:29:42,629 --> 01:29:40,080

cheers cheers to the negroni for sure

2164

01:29:44,950 --> 01:29:42,639

free health care is more civilized isn't

2165

01:29:47,430 --> 01:29:44,960

it yes paul i'm really looking forward

2166

01:29:48,870 --> 01:29:47,440

to the free health care here in the uk

2167

01:29:52,629 --> 01:29:48,880

for sure especially since i'm not

2168

01:29:55,350 --> 01:29:52,639

feeling amazing right now um but i did

2169

01:29:57,510 --> 01:29:55,360

want to do this and i did want to um

2170

01:29:59,910 --> 01:29:57,520

celebrate with you guys i haven't really

2171

01:30:01,910 --> 01:29:59,920

been that active uh since moving here

2172

01:30:03,990 --> 01:30:01,920

things have just been insane

2173

01:30:06,709 --> 01:30:04,000

super busy um but

2174

01:30:09,189 --> 01:30:06,719

um i still managed somehow to get an

2175

01:30:11,990 --> 01:30:09,199

episode out last week and i will have an

2176
01:30:13,189 --> 01:30:12,000
episode coming out in um just under a

2177
01:30:14,709 --> 01:30:13,199
few hours

one of the t-shirts in our shop um

2194

01:30:55,750 --> 01:30:53,440

and it was

2195

01:30:58,390 --> 01:30:55,760

one of the contenders in our fan art

2196

01:30:59,990 --> 01:30:58,400

contest and it was so good that i

2197

01:31:02,470 --> 01:31:00,000

reached out to polaris and i was like i

2198

01:31:04,310 --> 01:31:02,480

it's really fun

2206
01:31:32,070 --> 01:31:30,550
don't you just love

2207
01:31:36,390 --> 01:31:32,080
the awkward silence when you're trying

2208
01:31:36,400 --> 01:31:39,669
there it is

2209
01:31:45,030 --> 01:31:41,990

2210
01:31:47,270 --> 01:31:45,040

2215

01:31:57,750 --> 01:31:55,600

2216

01:31:59,110 --> 01:31:57,760

for sure thank you for being here

2217

01:32:01,990 --> 01:31:59,120

polaris

2218

01:32:05,750 --> 01:32:02,000

battle of the movies contact a rival or

2219

01:32:10,470 --> 01:32:07,430

i will be honest i have yet to see

2220

01:32:12,709 --> 01:32:10,480

interstellar so um i'll have to abstain

2221

01:32:16,550 --> 01:32:12,719

from that movie but

2222

01:32:19,910 --> 01:32:16,560

a rival is by far one of my most

2223

01:32:22,870 --> 01:32:19,920

favorite movies ever ever um

2224

01:32:26,470 --> 01:32:22,880

if we're talking like alien movies i put

2225

01:32:28,950 --> 01:32:26,480

it at number one number one it was close

2226

01:32:31,030 --> 01:32:28,960

encounters of the third kind for so long

2227

01:32:31,990 --> 01:32:31,040

um i'm gonna say

2228

01:32:33,510 --> 01:32:32,000

it is

2229

01:32:35,830 --> 01:32:33,520

a rival

2230

01:32:37,430 --> 01:32:35,840

close second would be close encounters

2231

01:32:39,590 --> 01:32:37,440

of the third kind and then third would

2232

01:32:41,669 --> 01:32:39,600

be nope those are my three all-time

2233

01:32:43,510 --> 01:32:41,679

favorite alien movies uh there's a few

2234

01:32:44,310 --> 01:32:43,520

others out there that are really good as

2235

01:32:46,149 --> 01:32:44,320

well

2236

01:32:48,070 --> 01:32:46,159

uh there was that um

2237

01:32:50,310 --> 01:32:48,080

under the radar movie that a lot of

2238

01:32:53,350 --> 01:32:50,320

people didn't know about called ufo came

2239

01:32:55,590 --> 01:32:53,360

up came out a few years back um

2240

01:32:57,750 --> 01:32:55,600

i forget the kid's name that was in it

2241

01:32:59,510 --> 01:32:57,760

he's a Broadway actor did the curious

2242

01:33:01,910 --> 01:32:59,520

incident of the dog at night or

2243

01:33:03,350 --> 01:33:01,920

something like that um but jillian

2244

01:33:06,550 --> 01:33:03,360

Anderson was in the movie as well it's

2245

01:33:08,390 --> 01:33:06,560

just called simply ufo and uh the last

2246

01:33:10,870 --> 01:33:08,400

scene in it like literally brought me to

2247

01:33:12,470 --> 01:33:10,880

tears it was like such a like

2248

01:33:14,629 --> 01:33:12,480

vindicating moment for the main

2249

01:33:17,110 --> 01:33:14,639

character in that movie when it comes to

2250

01:33:20,149 --> 01:33:17,120

ufos every ufo researcher has felt what

2251

01:33:22,709 --> 01:33:20,159

he felt um but back to arrival uh just a

2252

01:33:26,390 --> 01:33:22,719

stunningly beautiful

2253

01:33:30,390 --> 01:33:26,400

movie about time and space and

2254

01:33:32,149 --> 01:33:30,400

um communication and language and uh god

2255

01:33:34,470 --> 01:33:32,159

it just it just

2256

01:33:37,590 --> 01:33:34,480

shatters me in the best of ways every

2257

01:33:39,510 --> 01:33:37,600

time i see it so yeah yeah if you

2258

01:33:41,350 --> 01:33:39,520

haven't seen arrival guys please please

2259

01:33:43,750 --> 01:33:41,360

check it out

2260

01:33:45,110 --> 01:33:43,760

um and check out that awesome t-shirt by

2261

01:33:47,270 --> 01:33:45,120

rich welcome rich welcome to the chat my

2263

01:33:50,629 --> 01:33:49,040

university students start reading your

2264

01:33:52,470 --> 01:33:50,639

book on tuesday

2265

01:33:55,189 --> 01:33:52,480

oh my gosh

2266

01:33:58,310 --> 01:33:55,199

cheers my man um rich

2267

01:34:00,870 --> 01:33:58,320

is ah just such a cool guy um he's a

2268

01:34:03,270 --> 01:34:00,880

professor and he came to me and asked

2269

01:34:05,270 --> 01:34:03,280

can i teach your book in my course

2270

01:34:07,990 --> 01:34:05,280

so what am i going to say no you may not

2271

01:34:10,310 --> 01:34:08,000

do that i was beyond flattered and

2272

01:34:11,189 --> 01:34:10,320

honored that he even asked um

2273

01:34:13,750 --> 01:34:11,199

and

2274

01:34:16,709 --> 01:34:13,760

my book is now required reading in two

2275

01:34:19,910 --> 01:34:16,719

college courses actually um

2276

01:34:21,750 --> 01:34:19,920

rich you'll have to remind me of um the

2277

01:34:24,149 --> 01:34:21,760

course title of the course you're

2278

01:34:25,750 --> 01:34:24,159

teaching and why you uh picked somewhere

2279

01:34:27,189 --> 01:34:25,760

in the skies i'd love to

2280

01:34:29,750 --> 01:34:27,199

love for you to share that with us if

2281

01:34:32,229 --> 01:34:29,760

you can if you can um please give your

2282

01:34:34,390 --> 01:34:32,239

students my best uh they can reach out

2283

01:34:36,310 --> 01:34:34,400

to me anytime to talk about the book and

2284

01:34:38,149 --> 01:34:36,320

i know you and i planned on doing some

2285

01:34:40,310 --> 01:34:38,159

sort of q and a once they finish reading

2286

01:34:41,510 --> 01:34:40,320

it so i'm really excited about that

2287

01:34:44,390 --> 01:34:41,520

ufos

2288

01:34:47,510 --> 01:34:44,400

i have made it into required reading at

2289

01:34:49,109 --> 01:34:47,520

universities guys so um thank you rich

2290

01:34:51,510 --> 01:34:49,119

from the bottom of my heart thank you

2291

01:34:52,870 --> 01:34:51,520

for even considering something like that

2292

01:34:55,830 --> 01:34:52,880

it truly means the world to me and it

2293

01:34:58,310 --> 01:34:55,840

really does make what i do worth worth

2294

01:35:01,430 --> 01:34:58,320

it that you know students are going to

2295

01:35:04,550 --> 01:35:01,440

learn about the ufo topic in hopefully

2296

01:35:06,709 --> 01:35:04,560

hopefully a credible way and um

2297

01:35:09,270 --> 01:35:06,719

and see that there's more to it uh than

2298

01:35:11,270 --> 01:35:09,280

just little green men and you know crazy

2299

01:35:13,510 --> 01:35:11,280

people seeing stuff in the skies it's

2300

01:35:15,270 --> 01:35:13,520

real ufos are real

2301
01:35:18,870 --> 01:35:15,280
so rich thank you thank you so much for

2302
01:35:22,550 --> 01:35:20,550
let's see

2303
01:35:26,149 --> 01:35:22,560
ny tag is here gary is part of a

2304
01:35:27,669 --> 01:35:26,159
deranged cult of imbeciles wow

2305
01:35:29,750 --> 01:35:27,679
wow i probably should have read that

2306
01:35:32,390 --> 01:35:29,760
before i put it up on the screen oh no

2307
01:35:35,830 --> 01:35:34,229
markov studio says i'm glad you're out

2308
01:35:36,950 --> 01:35:35,840
of new york seems much healthier in

2309
01:35:40,790 --> 01:35:36,960
scotland

2310
01:35:42,550 --> 01:35:40,800
i'd probably made that choice as well um

2311
01:35:44,470 --> 01:35:42,560
yeah man i mean

2312
01:35:47,510 --> 01:35:44,480
new york is new york it'll always be my

2313
01:35:49,430 --> 01:35:47,520

home um it's in my soul it's in my heart

2314

01:35:52,390 --> 01:35:49,440

it's in my blood but it was time for

2315

01:35:55,109 --> 01:35:52,400

something new you know um

2316

01:35:57,189 --> 01:35:55,119

like any i guess anywhere in the world

2317

01:36:00,310 --> 01:35:57,199

during the pandemic things change

2318

01:36:02,310 --> 01:36:00,320

dramatically and um that was the same

2319

01:36:04,629 --> 01:36:02,320

for us in new york city you know we're

2320

01:36:06,709 --> 01:36:04,639

bouncing back but i don't think we ever

2321

01:36:09,669 --> 01:36:06,719

found our true spirit again after the

2322

01:36:12,149 --> 01:36:09,679

pandemic but uh slowly but surely i know

2323

01:36:15,109 --> 01:36:12,159

it'll make its way back and um

2324

01:36:18,229 --> 01:36:15,119

and be what it always used to be or

2325

01:36:19,990 --> 01:36:18,239

won't you know things change uh but

2326

01:36:22,629 --> 01:36:20,000

either way i'm excited for this new

2327

01:36:25,350 --> 01:36:22,639

chapter in my life personally and uh

2328

01:36:27,910 --> 01:36:25,360

what it will do for the podcast and and

2329

01:36:29,750 --> 01:36:27,920

for my research and work and my writing

2330

01:36:32,149 --> 01:36:29,760

as well i am in the middle of writing a

2331

01:36:34,390 --> 01:36:32,159

new book and i'm really looking forward

2332

01:36:36,470 --> 01:36:34,400

to exploring that more uh with the time

2333

01:36:39,030 --> 01:36:36,480

i'll have here in scotland too

2334

01:36:41,590 --> 01:36:39,040

so yeah be on the lookout for a new book

2335

01:36:46,149 --> 01:36:41,600

coming in the hopefully near future for

2336

01:36:46,159 --> 01:36:50,950

let's see

2337

01:36:53,669 --> 01:36:52,310

2341

01:37:01,830 --> 01:36:59,360

2357
01:37:35,189 --> 01:37:33,040
uh right um so let's get to

2358
01:37:37,350 --> 01:37:35,199
what to expect from summer in the skies

2359
01:37:40,470 --> 01:37:37,360
this september guys we're already five

2360
01:37:42,950 --> 01:37:40,480
days eight can you believe it

2361
01:37:44,790 --> 01:37:42,960
dang it's going quick

2362
01:37:47,430 --> 01:37:44,800
probably because i've

2363
01:37:49,109 --> 01:37:47,440

crossed continents in that time

2364

01:37:52,070 --> 01:37:49,119

um

2365

01:37:54,709 --> 01:37:53,030

here

2366

01:37:57,750 --> 01:37:54,719

is what you can expect from someone the

2367

01:38:00,390 --> 01:37:57,760

skies coming soon guys

2368

01:38:02,870 --> 01:38:00,400

some awesome awesome awesome guests

2369

01:38:05,109 --> 01:38:02,880

coming to the show this month

2370

01:38:06,790 --> 01:38:05,119

obviously jacques vale at the top there

2371

01:38:09,350 --> 01:38:06,800

we're going to be talking to jacques all

2372

01:38:12,310 --> 01:38:09,360

about his second edition of his new book

2373

01:38:14,229 --> 01:38:12,320

trinity all about the trinity ufo crash

2374

01:38:16,550 --> 01:38:14,239

that occurred or

2375

01:38:17,430 --> 01:38:16,560

possibly occurred i'll talk to jacques

2376

01:38:19,430 --> 01:38:17,440

about that

2377

01:38:21,990 --> 01:38:19,440

and all things ufos

2378

01:38:24,950 --> 01:38:22,000

really excited about that one we also

2379

01:38:27,750 --> 01:38:24,960

have the former deputy administrator of

2380

01:38:29,669 --> 01:38:27,760

nasa coming on the show escaping gravity

2381

01:38:31,990 --> 01:38:29,679

with lori garver we're gonna be talking

2382

01:38:34,149 --> 01:38:32,000

about her new book escaping gravity and

2383

01:38:35,990 --> 01:38:34,159

all about her um

2384

01:38:39,270 --> 01:38:36,000

extremely

2385

01:38:40,390 --> 01:38:39,280

impactful work that she did at nasa in

2386

01:38:42,870 --> 01:38:40,400

um

2387

01:38:45,990 --> 01:38:42,880

bridging that gap between the private

2388

01:38:48,870 --> 01:38:46,000

space sector and uh nasa a

2389

01:38:51,430 --> 01:38:48,880

government-funded organization um we're

2390

01:38:54,790 --> 01:38:51,440

seeing you know in the past couple days

2391

01:38:56,830 --> 01:38:54,800

kind of uh what happens when um

2392

01:38:59,590 --> 01:38:56,840

you know the government

2393

01:39:01,910 --> 01:38:59,600

um when the government

2394

01:39:04,149 --> 01:39:01,920

uses what they can in their limited

2395

01:39:06,390 --> 01:39:04,159

resources to get us into space

2396

01:39:07,910 --> 01:39:06,400

and our artemis mission has been

2397

01:39:10,149 --> 01:39:07,920

scrubbed twice now because of

2398

01:39:11,750 --> 01:39:10,159

malfunctions and you do have to wonder

2399

01:39:12,629 --> 01:39:11,760

you know if we had all these private

2400

01:39:15,030 --> 01:39:12,639

space

2401
01:39:17,030 --> 01:39:15,040
companies involved with this mission and

2402
01:39:19,270 --> 01:39:17,040
i know they are to an extent but if they

2403
01:39:21,669 --> 01:39:19,280
were even more you know would we already

2404
01:39:25,189 --> 01:39:21,679
be there would these issues occur and

2405
01:39:27,030 --> 01:39:25,199
for years laurie really did um fight to

2406
01:39:30,709 --> 01:39:27,040
get the private space sector more

2407
01:39:33,590 --> 01:39:30,719
involved with nasa and cut

2408
01:39:36,229 --> 01:39:33,600
um you know cut the budget in half and

2409
01:39:37,590 --> 01:39:36,239
get us exporting space in a quarter of

2410
01:39:40,070 --> 01:39:37,600
the time we would which is

2411
01:39:41,270 --> 01:39:40,080
government-funded nasa so yeah really

2412
01:39:43,350 --> 01:39:41,280
looking forward to hearing about her

2413
01:39:45,669 --> 01:39:43,360

trials and tribulations as the

2414

01:39:47,990 --> 01:39:45,679

deputy administrator of nasa you know

2415

01:39:50,550 --> 01:39:48,000

she's spoken to many presidents

2416

01:39:52,470 --> 01:39:50,560

about um the work and stuff so yeah

2417

01:39:54,229 --> 01:39:52,480

really looking forward to hearing her

2418

01:39:56,550 --> 01:39:54,239

insights on all of that and what she's

2419

01:39:59,030 --> 01:39:56,560

doing now outside of nasa really

2420

01:40:04,470 --> 01:40:01,830

excuse me um next on the list we have

2421

01:40:07,109 --> 01:40:04,480

reggie watts uh if you guys don't know

2422

01:40:11,270 --> 01:40:07,119

who reggie is um he's kind of

2423

01:40:13,910 --> 01:40:11,280

uh a hero in the hollywood and the ufo

2424

01:40:17,350 --> 01:40:13,920

world he has asked two former presidents

2425

01:40:19,030 --> 01:40:17,360

about ufos on um you know the tonight

2426

01:40:20,790 --> 01:40:19,040

show i believe it is late show i should

2427

01:40:23,350 --> 01:40:20,800

probably know that um

2428

01:40:25,590 --> 01:40:23,360

he's an awesome awesome dude and has

2429

01:40:27,750 --> 01:40:25,600

gotten some really cool answers out of

2430

01:40:29,430 --> 01:40:27,760

our former presidents here in the united

2431

01:40:32,470 --> 01:40:29,440

states uh there

2432

01:40:33,910 --> 01:40:32,480

excuse me there in the united states

2433

01:40:35,750 --> 01:40:33,920

about ufos so we're going to talk to him

2434

01:40:37,669 --> 01:40:35,760

about his interests in the topic what

2435

01:40:40,390 --> 01:40:37,679

got him interested what compelled him to

2436

01:40:42,950 --> 01:40:40,400

ask these presidents these questions on

2437

01:40:44,629 --> 01:40:42,960

national television and uh yeah just get

2438

01:40:46,550 --> 01:40:44,639

his insights i'm really really looking

2439

01:40:48,229 --> 01:40:46,560

forward to that and lastly we have an

2440

01:40:49,669 --> 01:40:48,239

episode coming out on ufos over the

2441

01:40:52,149 --> 01:40:49,679

united kingdom i'm going to be talking

2442

01:40:55,350 --> 01:40:52,159

about very obscure cases throughout the

2443

01:40:57,430 --> 01:40:55,360

uk of ufos um little-known cases

2444

01:40:59,910 --> 01:40:57,440

uh that a lot of people don't know about

2445

01:41:01,830 --> 01:40:59,920

um so yeah that's what you can expect

2446

01:42:24,070 --> 01:42:20,800

presentation in the united kingdom on

2480

01:42:25,430 --> 01:42:24,080

october uh that would be october

2481

01:42:30,550 --> 01:42:25,440

the 1st

2482

01:42:32,950 --> 01:42:30,560

um at ufo minicon 2022 and this is being

2483

01:42:36,070 --> 01:42:32,960

put on by um our good friends over at

2484

01:42:37,669 --> 01:42:36,080

ufo identified um ash ellis has been a

2485

01:42:40,470 --> 01:42:37,679

big supporter of summer in the skies for

2486

01:42:43,350 --> 01:42:40,480

a really long time and um i reached out

2487

01:42:45,510 --> 01:42:43,360

to him we got talking and um

2488

01:42:47,830 --> 01:42:45,520

i just straight up asked can i come to

2489

01:42:49,510 --> 01:42:47,840

the event i don't care if um i'm

2490

01:42:51,750 --> 01:42:49,520

sweeping the floors or i'm setting up

2491

01:42:54,629 --> 01:42:51,760

the microphones to you know for the

2492

01:42:56,790 --> 01:42:54,639

podcast panel um i want to do something

2493

01:42:59,109 --> 01:42:56,800

and he was so gracious enough to invite

2494

01:43:01,270 --> 01:42:59,119

me to actually speak at the event so i'm

2495

01:43:03,350 --> 01:43:01,280

really looking forward to that um i'll

2496

01:43:04,629 --> 01:43:03,360

be speaking alongside robbie graham

2497

01:43:07,430 --> 01:43:04,639

who's going to be talking about ufos and

2498

01:43:09,669 --> 01:43:07,440

high strangeness um and then ash and his

2499

01:43:12,790 --> 01:43:09,679

team are going to be talking all about

2500

01:43:13,990 --> 01:43:12,800

their research and um

2501
01:43:15,910 --> 01:43:14,000
then there's going to be an awesome

2502
01:43:18,390 --> 01:43:15,920
podcast panel with andy mcgirl and dead

2503
01:43:21,990 --> 01:43:18,400
zetterstrom and frank from ufo thinker

2504
01:43:25,109 --> 01:43:22,000
podcast and uh andy and dan co-host that

2505
01:43:26,709 --> 01:43:25,119
ufo podcast again one of my my dearest

2506
01:43:29,910 --> 01:43:26,719
closest uh

2507
01:43:31,590 --> 01:43:29,920
duets in the podcasting ufo world um so

2508
01:43:33,910 --> 01:43:31,600
i can't wait to watch their podcast

2509
01:43:36,310 --> 01:43:33,920
panel and just added to that panel was

2510
01:43:38,390 --> 01:43:36,320
vinnie adams from disclosure team in uap

2511
01:43:41,030 --> 01:43:38,400
media uk so he's going to be doing the

2512
01:43:43,430 --> 01:43:41,040
podcast panel as well who knows maybe

2513
01:43:46,310 --> 01:43:43,440

i'll hop in there give my two cents on

2514

01:43:49,030 --> 01:43:46,320

the world of ufos and podcasting but i

2515

01:43:52,950 --> 01:43:49,040

know those four dudes will do um an

2516

01:43:55,270 --> 01:43:52,960

awesome job on their own and uh if i if

2517

01:43:57,510 --> 01:43:55,280

i can even just watch from the audience

2518

01:43:59,270 --> 01:43:57,520

uh that'll be a huge huge honor and it

2519

01:44:02,070 --> 01:43:59,280

is a huge honor to be giving my first

2520

01:44:04,709 --> 01:44:02,080

2521

01:44:06,470 --> 01:44:04,719

2522

01:44:09,270 --> 01:44:06,480
