

FIRE OFFICER'S GUIDE TO...

***"ENEMY ATTACK AND
UFO POTENTIAL"***

1
00:00:08,930 --> 00:00:02,560
foreign

2
00:00:29,509 --> 00:00:10,440
spread

3
00:00:31,849 --> 00:00:29,519
[Music]

4
00:00:34,069 --> 00:00:31,859
what's up guys Ryan Sprague here from

5
00:00:37,069 --> 00:00:34,079
somewhere in the skies this is gonna be

6
00:00:38,270 --> 00:00:37,079
fun I think I hope you guys like what

7
00:00:40,850 --> 00:00:38,280
we're doing tonight

8
00:00:42,049 --> 00:00:40,860
um so this actually what we're going to

9
00:00:45,110 --> 00:00:42,059
be talking about tonight came to my

10
00:00:48,110 --> 00:00:45,120
attention by a gentleman named Shane s

11
00:00:49,910 --> 00:00:48,120
who is one of my patreon subscribers and

12
00:00:52,610 --> 00:00:49,920
we've been emailing back and forth a few

13
00:00:55,369 --> 00:00:52,620

times about UFOs and he brought this to

14

00:00:57,529 --> 00:00:55,379

my attention after I recently had uh Dan

15

00:01:01,490 --> 00:00:57,539

Warren on the live stream talking about

16

00:01:04,310 --> 00:01:01,500

this uh very mysterious chapter 13 in a

17

00:01:08,289 --> 00:01:04,320

United States Air Force Academy textbook

18

00:01:11,570 --> 00:01:08,299

in uh Physics course all about UFOs so

19

00:01:13,670 --> 00:01:11,580

out of nowhere to be completely honest

20

00:01:16,609 --> 00:01:13,680

um Shane brought to my attention that

21

00:01:20,090 --> 00:01:16,619

there is a Chapter 13 in another book

22

00:01:22,010 --> 00:01:20,100

and this had to do with fire officers

23

00:01:24,410 --> 00:01:22,020

um so for fire departments and whatnot

24

00:01:27,770 --> 00:01:24,420

it is the fire officer's guide to

25

00:01:30,170 --> 00:01:27,780

disaster control and just like in this

26

00:01:33,410 --> 00:01:30,180

Air Force Academy textbook this was

27

00:01:37,969 --> 00:01:33,420

chapter 13 in a quote unquote manual

28

00:01:40,249 --> 00:01:37,979

about UFOs so I I could not not talk

29

00:01:42,530 --> 00:01:40,259

about this I know that this has been out

30

00:01:44,210 --> 00:01:42,540

in the public many UFO researchers know

31

00:01:45,830 --> 00:01:44,220

about it it's been talked about there's

32

00:01:47,690 --> 00:01:45,840

been new segments on it one of which I'm

33

00:01:49,249 --> 00:01:47,700

going to share with you tonight

34

00:01:51,230 --> 00:01:49,259

um I'm gonna go through this chapter

35

00:01:52,550 --> 00:01:51,240

with you guys pick out some of the stuff

36

00:01:54,350 --> 00:01:52,560

I thought was kind of cool and

37

00:01:56,209 --> 00:01:54,360

interesting and I'm just going to

38

00:01:58,609 --> 00:01:56,219

explore the chapter with you

39

00:02:00,289 --> 00:01:58,619

um so we might go line by line

40

00:02:02,270 --> 00:02:00,299

um I don't know I don't know how this is

41

00:02:03,889 --> 00:02:02,280

going to go uh you might be bored out of

42

00:02:06,350 --> 00:02:03,899

your mind or I would love for you guys

43

00:02:08,330 --> 00:02:06,360

to chime in in the chat let's get to it

44

00:02:12,050 --> 00:02:08,340

guys the fire officer's guide to

45

00:02:13,729 --> 00:02:12,060

disaster control again I have Shane to

46

00:02:17,089 --> 00:02:13,739

thank for bringing this to my attention

47

00:02:19,729 --> 00:02:17,099

I am not pretending I uncovered this or

48

00:02:21,050 --> 00:02:19,739

that it is a revelation or brand new but

49

00:02:24,470 --> 00:02:21,060

it was brand new to me and I thought

50

00:02:26,150 --> 00:02:24,480

it'd be cool to discuss tonight so um I

51
00:02:28,010 --> 00:02:26,160
guess let's just talk a little about

52
00:02:30,949 --> 00:02:28,020
what this thing is

53
00:02:32,390 --> 00:02:30,959
um it's a guide to disaster control so

54
00:02:35,089 --> 00:02:32,400
basically this is something that would

55
00:02:37,970 --> 00:02:35,099
come out that the fire departments

56
00:02:40,970 --> 00:02:37,980
across the United States uh would use uh

57
00:02:43,490 --> 00:02:40,980
for preparedness for any situation that

58
00:02:47,150 --> 00:02:43,500
might arise when it comes to

59
00:02:49,490 --> 00:02:47,160
um attacks or disasters and of course

60
00:02:51,830 --> 00:02:49,500
like I mentioned earlier there was a

61
00:02:56,030 --> 00:02:51,840
chapter put at the end of this manual

62
00:02:59,270 --> 00:02:56,040
chapter 13 about UFOs but um let me go

63
00:03:01,850 --> 00:02:59,280

ahead and um I want to play what me and

64

00:03:05,570 --> 00:03:01,860

Dan Warren and Luisa uh I almost said

65

00:03:07,309 --> 00:03:05,580

Luis Elizondo Luis Jimenez talked about

66

00:03:09,170 --> 00:03:07,319

and this was this Air Force Academy

67

00:03:12,830 --> 00:03:09,180

chapter on UFOs in one of their

68

00:03:15,290 --> 00:03:12,840

textbooks and Dan Warren who has the um

69

00:03:16,309 --> 00:03:15,300

the fifth pillar of emphasis Tick Tock

70

00:03:18,589 --> 00:03:16,319

Channel

71

00:03:20,509 --> 00:03:18,599

um made like this 10-part Tick Tock

72

00:03:22,550 --> 00:03:20,519

series about this chapter in the Air

73

00:03:24,470 --> 00:03:22,560

Force thing so item come on the show and

74

00:03:27,110 --> 00:03:24,480

talk all about it break it down for us

75

00:03:29,750 --> 00:03:27,120

but I'm gonna play the first of the Tic

76

00:03:32,630 --> 00:03:29,760

Tac videos Tick Tock videos

77

00:03:34,369 --> 00:03:32,640

Tic Tac Tic Tac is never going to be the

78

00:03:35,990 --> 00:03:34,379

same guys let's be honest um it's going

79

00:03:37,430 --> 00:03:36,000

to be a 40 inch slip forever now when it

80

00:03:39,470 --> 00:03:37,440

comes to UFOs

81

00:03:41,990 --> 00:03:39,480

um let me go ahead and play the first

82

00:03:43,670 --> 00:03:42,000

video of The Tick Tock that Dan Warren

83

00:03:46,190 --> 00:03:43,680

put out about the Air Force chapter and

84

00:03:48,410 --> 00:03:46,200

some of the resemblances it has to uh

85

00:03:50,149 --> 00:03:48,420

this chapter as well this may be hard to

86

00:03:52,670 --> 00:03:50,159

believe but the U.S Air Force Academy

87

00:03:56,449 --> 00:03:52,680

used to educate its Cadets about UFOs

88

00:03:58,309 --> 00:03:56,459

between 1968 and 1970 and this wasn't

89

00:04:01,009 --> 00:03:58,319

just some professor's opinion this was

90

00:04:02,449 --> 00:04:01,019

in their textbook which was confirmed by

91

00:04:05,149 --> 00:04:02,459

the deputy director of public

92

00:04:07,789 --> 00:04:05,159

information at the Air Force Academy the

93

00:04:09,530 --> 00:04:07,799

cadets that enrolled in physics 370 were

94

00:04:12,470 --> 00:04:09,540

required to have a textbook titled

95

00:04:14,330 --> 00:04:12,480

introductory space science the very last

96

00:04:16,789 --> 00:04:14,340

chapter in this textbook was titled

97

00:04:19,009 --> 00:04:16,799

unidentified flying objects

98

00:04:20,810 --> 00:04:19,019

and according to the leemore Advance the

99

00:04:23,450 --> 00:04:20,820

students were taught to stop scoffing at

100

00:04:26,090 --> 00:04:23,460

UFOs and instead to keep an open mind on

101
00:04:28,129 --> 00:04:26,100
the subject this course was an elective

102
00:04:30,350 --> 00:04:28,139
that attracted about 20 students per

103
00:04:32,570 --> 00:04:30,360
semester that means for the five

104
00:04:34,189 --> 00:04:32,580
semesters that this was in place about a

105
00:04:37,070 --> 00:04:34,199
hundred Cadets were exposed to this

106
00:04:38,870 --> 00:04:37,080
information so yeah if anyone hasn't

107
00:04:40,010 --> 00:04:38,880
seen the entire kind of breakdown that

108
00:04:41,450 --> 00:04:40,020
Dan did

109
00:04:43,790 --> 00:04:41,460
um if you're on Tick Tock head over

110
00:04:46,490 --> 00:04:43,800
there and you can watch at their fifth

111
00:04:48,230 --> 00:04:46,500
pillar of emphasis is his handle um or

112
00:04:51,170 --> 00:04:48,240
go to his YouTube channel fifth pillar

113
00:04:53,330 --> 00:04:51,180

of emphasis as well he's put the entire

114

00:04:55,850 --> 00:04:53,340

um string of videos together into one

115

00:04:57,890 --> 00:04:55,860

cohesive video for you over there

116

00:05:00,409 --> 00:04:57,900

um and yeah that was pretty interesting

117

00:05:02,749 --> 00:05:00,419

a chapter on UFOs in the Air Force

118

00:05:03,890 --> 00:05:02,759

Academy Book on physics and we kind of

119

00:05:05,990 --> 00:05:03,900

dug through what we thought was

120

00:05:08,210 --> 00:05:06,000

interesting and whatnot and a lot of it

121

00:05:10,490 --> 00:05:08,220

was stuff we knew it was things pulled

122

00:05:13,010 --> 00:05:10,500

directly from Project Blue Book or

123

00:05:14,870 --> 00:05:13,020

things pulled from the work of Dr J

124

00:05:16,189 --> 00:05:14,880

Allen heineck as well

125

00:05:17,930 --> 00:05:16,199

um and that's kind of what this chapter

126

00:05:20,450 --> 00:05:17,940

is to you that we're going to be talking

127

00:05:22,249 --> 00:05:20,460

about tonight but there are some pretty

128

00:05:25,070 --> 00:05:22,259

cool things as well first I want to talk

129

00:05:27,170 --> 00:05:25,080

about the authors of this chapter

130

00:05:30,469 --> 00:05:27,180

um and that was Dr William Kramer and

131

00:05:32,990 --> 00:05:30,479

Charles Chuck abame and I'm just gonna

132

00:05:35,270 --> 00:05:33,000

go through briefly these guys uh

133

00:05:36,469 --> 00:05:35,280

credentials and why they were a part of

134

00:05:39,469 --> 00:05:36,479

this manual

135

00:05:41,810 --> 00:05:39,479

um so William Kramer was a baccalaureate

136

00:05:44,210 --> 00:05:41,820

degree holder in industrial management

137

00:05:46,850 --> 00:05:44,220

in Business Administration master's

138

00:05:48,469 --> 00:05:46,860

degree in industrial relations and a PhD

139

00:05:51,230 --> 00:05:48,479

in administrative management from the

140

00:05:53,029 --> 00:05:51,240

University of Cincinnati let's see he

141

00:05:54,770 --> 00:05:53,039

has edited numerous course guides for

142

00:05:56,870 --> 00:05:54,780

the open learning fire service program

143

00:05:58,969 --> 00:05:56,880

and published numerous fire service

144

00:06:01,730 --> 00:05:58,979

Journal articles

145

00:06:03,469 --> 00:06:01,740

um and then we have Chuck bum in Bombay

146

00:06:05,090 --> 00:06:03,479

bomb I'm not sure how to pronounce that

147

00:06:07,129 --> 00:06:05,100

um he's the author of many fire service

148

00:06:09,650 --> 00:06:07,139

articles as well as books including the

149

00:06:11,510 --> 00:06:09,660

handbook of disaster control predecessor

150

00:06:13,070 --> 00:06:11,520

to the fire officers guide to disaster

151

00:06:15,110 --> 00:06:13,080

control which we'll talk about tonight

152

00:06:16,670 --> 00:06:15,120

he's written guides to dangerous

153

00:06:18,590 --> 00:06:16,680

chemicals fire protection for chem

154

00:06:20,990 --> 00:06:18,600

chemicals fire officers guide to

155

00:06:22,909 --> 00:06:21,000

emergency action the list goes on and on

156

00:06:24,710 --> 00:06:22,919

these guys are highly credentialed and

157

00:06:29,150 --> 00:06:24,720

they are the ones to be writing a manual

158

00:06:33,290 --> 00:06:29,160

like this and they wrote chapter 13 in

159

00:06:36,110 --> 00:06:33,300

this thing about UFOs chapter 13 in the

160

00:06:38,450 --> 00:06:36,120

Air Force textbook chapter 13 in the

161

00:06:39,529 --> 00:06:38,460

fire officers manual I don't know if

162

00:06:42,110 --> 00:06:39,539

there's some weird connection there

163

00:06:44,090 --> 00:06:42,120

maybe it's you know all these things are

164

00:06:45,469 --> 00:06:44,100

12 chapters and then they squeeze that

165

00:06:46,969 --> 00:06:45,479

last chapter in there of what they

166

00:06:49,309 --> 00:06:46,979

really want to talk about which seems to

167

00:06:50,330 --> 00:06:49,319

be UFOs I don't know

168

00:06:51,950 --> 00:06:50,340

um but I thought that was pretty

169

00:06:54,830 --> 00:06:51,960

interesting that in both books they were

170

00:06:57,830 --> 00:06:54,840

chapter 13. it's got such a the number

171

00:07:01,550 --> 00:06:57,840

13 is such a mysterious atmosphere to it

172

00:07:04,909 --> 00:07:01,560

anyways so so yeah let's see here hmm

173

00:07:06,170 --> 00:07:04,919

work of these Studio says uh BN says

174

00:07:07,490 --> 00:07:06,180

what I'm curious about is how do these

175

00:07:09,770 --> 00:07:07,500

guys get enough clearance to factually

176

00:07:11,990 --> 00:07:09,780

say what they say and how did it make it

177

00:07:15,469 --> 00:07:12,000

to print that's the question being why

178

00:07:17,930 --> 00:07:15,479

are these things in there and um why why

179

00:07:20,029 --> 00:07:17,940

is the biggest question question and a

180

00:07:22,490 --> 00:07:20,039

lot of the chapter I will admit is

181

00:07:25,129 --> 00:07:22,500

things pulled directly quotes from UFO

182

00:07:26,870 --> 00:07:25,139

researchers or um things from Project

183

00:07:28,730 --> 00:07:26,880

Blue Book or things like that which

184

00:07:30,950 --> 00:07:28,740

we're going to kind of run through

185

00:07:34,550 --> 00:07:30,960

um so a lot of it was a lot of copy and

186

00:07:37,189 --> 00:07:34,560

paste to be honest but again this is a

187

00:07:40,010 --> 00:07:37,199

book that's made for firefighters for

188

00:07:43,790 --> 00:07:40,020

emergency workers for things like FEMA

189

00:07:46,010 --> 00:07:43,800

to prepare for literally any situation

190

00:07:47,869 --> 00:07:46,020

um so that's kind of their reasoning

191

00:07:49,790 --> 00:07:47,879

from what I've been told and what we'll

192

00:07:52,550 --> 00:07:49,800

hear from Bill Cramer one of the writers

193

00:07:55,129 --> 00:07:52,560

about why this is here we have to

194

00:07:56,570 --> 00:07:55,139

prepare for any situation

195

00:07:58,670 --> 00:07:56,580

um and I think it was the same with the

196

00:07:59,869 --> 00:07:58,680

Air Force Academy as well like what if

197

00:08:01,550 --> 00:07:59,879

this could happen we're not saying it's

198

00:08:03,529 --> 00:08:01,560

real we're not saying that it's

199

00:08:05,330 --> 00:08:03,539

extraterrestrial but what if it happened

200

00:08:07,850 --> 00:08:05,340

how would we deal with it and we need to

201
00:08:10,309 --> 00:08:07,860
know that um so yeah I I think that's

202
00:08:11,990 --> 00:08:10,319
kind of the why but when we get deeper

203
00:08:14,029 --> 00:08:12,000
into the chapter um I'd love to hear

204
00:08:15,350 --> 00:08:14,039
your guys thoughts um it's very curious

205
00:08:17,809 --> 00:08:15,360
no matter what I would have to agree

206
00:08:19,430 --> 00:08:17,819
Nick says it fairly well known within

207
00:08:21,409 --> 00:08:19,440
the fire police law enforcement circles

208
00:08:23,330 --> 00:08:21,419
I can only say that roughly half a dozen

209
00:08:26,450 --> 00:08:23,340
firefighters have discussed this chapter

210
00:08:29,629 --> 00:08:26,460
with me over the years so again like

211
00:08:32,209 --> 00:08:29,639
this isn't just some make-believe thing

212
00:08:34,130 --> 00:08:32,219
like this was real this was in textbooks

213
00:08:36,050 --> 00:08:34,140

and you can buy this this book this

214

00:08:37,730 --> 00:08:36,060

manual you can buy it on Amazon I don't

215

00:08:40,250 --> 00:08:37,740

have a link for it but if you put the

216

00:08:43,310 --> 00:08:40,260

title in you can definitely um it's out

217

00:08:45,710 --> 00:08:43,320

there you can obtain this thing so what

218

00:08:47,810 --> 00:08:45,720

I think will do guys is I'm just gonna

219

00:08:50,930 --> 00:08:47,820

run through some of this see what you

220

00:08:54,410 --> 00:08:50,940

guys find most appealing here's like the

221

00:08:57,170 --> 00:08:54,420

breakdown of chapter 13. as you'll see

222

00:09:00,230 --> 00:08:57,180

it's been called

223

00:09:03,050 --> 00:09:00,240

um enemy attack and UFO potential what

224

00:09:05,329 --> 00:09:03,060

is war causes of War effects of nuclear

225

00:09:07,190 --> 00:09:05,339

attacks and then we get down to UFO

226

00:09:10,730 --> 00:09:07,200

threat a fact

227

00:09:12,829 --> 00:09:10,740

um adverse potential of UFOs which is

228

00:09:17,269 --> 00:09:12,839

really interesting and UFOs and

229

00:09:18,410 --> 00:09:17,279

emergency action UFO threat of fact so I

230

00:09:21,350 --> 00:09:18,420

mean that's pretty interesting right

231

00:09:23,030 --> 00:09:21,360

there UFO threat of fat

232

00:09:24,829 --> 00:09:23,040

um I don't know if a lot of people would

233

00:09:26,210 --> 00:09:24,839

agree with that that UFOs are a threat

234

00:09:27,889 --> 00:09:26,220

that seems to be what we're hearing a

235

00:09:29,509 --> 00:09:27,899

lot nowadays

236

00:09:31,310 --> 00:09:29,519

um that it could be a Potential Threat

237

00:09:33,350 --> 00:09:31,320

so we need to look into it that's good

238

00:09:35,090 --> 00:09:33,360

we should be looking into it it could be

239

00:09:36,530 --> 00:09:35,100

a Potential Threat we don't know because

240

00:09:39,470 --> 00:09:36,540

we do not know what we're dealing with

241

00:09:41,750 --> 00:09:39,480

and neither does our military so um yeah

242

00:09:45,290 --> 00:09:41,760

if we're talking about emergency workers

243

00:09:48,829 --> 00:09:45,300

or fire fighters or anyone in that realm

244

00:09:51,290 --> 00:09:48,839

of safety and um and protection I guess

245

00:09:52,970 --> 00:09:51,300

uh this could be a threat

246

00:09:54,769 --> 00:09:52,980

um in this chapter we'll turn our

247

00:09:56,810 --> 00:09:54,779

attention into the very real threat

248

00:10:00,110 --> 00:09:56,820

posed by unidentified flying objects

249

00:10:03,410 --> 00:10:00,120

whether they exist or not they talk

250

00:10:05,509 --> 00:10:03,420

about the Orson well show and kind of

251
00:10:07,910 --> 00:10:05,519
the panic that was caused by that which

252
00:10:12,050 --> 00:10:07,920
has been drastically I believe

253
00:10:14,509 --> 00:10:12,060
um overstated and uh exaggerated

254
00:10:15,769 --> 00:10:14,519
um but it people freaked out and I'm

255
00:10:18,050 --> 00:10:15,779
sure there were people who thought it

256
00:10:19,670 --> 00:10:18,060
was real and and apparently there were

257
00:10:22,730 --> 00:10:19,680
some deaths involved I don't know if

258
00:10:24,889 --> 00:10:22,740
that's part of the exaggeration or not

259
00:10:26,870 --> 00:10:24,899
um but let's see what else we have here

260
00:10:29,389 --> 00:10:26,880
in the first part throughout this book

261
00:10:31,190 --> 00:10:29,399
many of the references to actual events

262
00:10:34,910 --> 00:10:31,200
are based on the experiences of both of

263
00:10:36,590 --> 00:10:34,920

the authors however in the area of UFOs

264

00:10:38,329 --> 00:10:36,600
and their potential we are relying

265

00:10:40,910 --> 00:10:38,339
largely on the research and experiences

266

00:10:43,430 --> 00:10:40,920
of Charles Baum Chuck has made a

267

00:10:44,630 --> 00:10:43,440
considerable study of these of of this

268

00:10:47,750 --> 00:10:44,640
subject

269

00:10:49,910 --> 00:10:47,760
and is acquiring many Publications and

270

00:10:51,769 --> 00:10:49,920
VCR tapes well that's a throwback this

271

00:10:52,850 --> 00:10:51,779
book is from 1992. I forgot to mention

272

00:10:54,650 --> 00:10:52,860
that guys

273

00:10:56,630 --> 00:10:54,660
um to augment his library on this and

274

00:10:58,850 --> 00:10:56,640
related phenomena so what it sounded

275

00:11:00,470 --> 00:10:58,860
like to me is one of the authors of this

276

00:11:03,829 --> 00:11:00,480

book who happened to also do a lot of

277

00:11:04,970 --> 00:11:03,839

work in um fire safety and um putting

278

00:11:08,690 --> 00:11:04,980

these books together

279

00:11:10,850 --> 00:11:08,700

was a UFO Guy and um hey can't fault him

280

00:11:14,269 --> 00:11:10,860

for that I'm a UFO guy you're a UFO guy

281

00:11:15,949 --> 00:11:14,279

UFO woman UFO person and um if they

282

00:11:18,350 --> 00:11:15,959

could slip a chapter into one of their

283

00:11:22,009 --> 00:11:18,360

books about UFOs I'm sure that was you

284

00:11:24,590 --> 00:11:22,019

know a uh gold star on the uh the old

285

00:11:26,389 --> 00:11:24,600

board there for them so maybe that's why

286

00:11:27,769 --> 00:11:26,399

maybe that's why

287

00:11:31,069 --> 00:11:27,779

um let's see what you guys are saying

288

00:11:33,350 --> 00:11:31,079

here in the chat before I move on Nick

289

00:11:34,850 --> 00:11:33,360

says Ryan as you know my father was

290

00:11:36,949 --> 00:11:34,860

lieutenant in the Milwaukee Fire

291

00:11:38,750 --> 00:11:36,959

Department with 31 years of service wow

292

00:11:40,670 --> 00:11:38,760

Nick that's incredible

293

00:11:42,769 --> 00:11:40,680

um wow thank you thank you for his

294

00:11:44,870 --> 00:11:42,779

service his closest friend on the job

295

00:11:47,990 --> 00:11:44,880

was a deputy chief he spoke with me at

296

00:11:51,530 --> 00:11:48,000

length and referred to heinek by name

297

00:11:53,569 --> 00:11:51,540

that's pretty freaking cool that is cool

298

00:11:55,970 --> 00:11:53,579

um vast Twilight says coming from an EMS

299

00:11:57,949 --> 00:11:55,980

background I think one the first section

300

00:12:00,530 --> 00:11:57,959

is legit meaning that it discusses

301
00:12:03,470 --> 00:12:00,540
Invasion and what to do in that scenario

302
00:12:06,530 --> 00:12:03,480
foreign power Invasion and what to do

303
00:12:08,750 --> 00:12:06,540
um yeah that's very true again this this

304
00:12:10,310 --> 00:12:08,760
book is about what to do in any

305
00:12:12,110 --> 00:12:10,320
situation whether it's a foreign

306
00:12:14,690 --> 00:12:12,120
adversary attacking us here in the

307
00:12:17,629 --> 00:12:14,700
United States or something we just can't

308
00:12:19,190 --> 00:12:17,639
simply explain which UFOs are one of and

309
00:12:21,230 --> 00:12:19,200
they're not saying they're alien they're

310
00:12:23,870 --> 00:12:21,240
saying these are unidentified phenomena

311
00:12:26,329 --> 00:12:23,880
that could cause a disaster and we need

312
00:12:28,009 --> 00:12:26,339
to be ready to deal with it and help

313
00:12:30,050 --> 00:12:28,019

people so

314

00:12:31,430 --> 00:12:30,060

um yeah yeah I think that's that's a

315

00:12:33,170 --> 00:12:31,440

good thing that's a good way to put it

316

00:12:35,569 --> 00:12:33,180

fascinating let's see you said also

317

00:12:37,370 --> 00:12:35,579

number two the UFO part is a training

318

00:12:38,870 --> 00:12:37,380

think outside the box scenario to

319

00:12:40,730 --> 00:12:38,880

prepare for things outside of the norm

320

00:12:44,569 --> 00:12:40,740

but in hindsight it seems to be pretty

321

00:12:46,850 --> 00:12:44,579

fortuitous yes I think that this chapter

322

00:12:49,550 --> 00:12:46,860

was probably put in this book and also

323

00:12:52,730 --> 00:12:49,560

in the Air Force Academy book four

324

00:12:54,829 --> 00:12:52,740

Cadets and for firefighters and EMTs and

325

00:12:56,210 --> 00:12:54,839

everyone to think outside of what they

326
00:12:57,949 --> 00:12:56,220
normally would because the minute you

327
00:13:00,290 --> 00:12:57,959
become complacent

328
00:13:02,690 --> 00:13:00,300
um and routine is when you know that

329
00:13:04,970 --> 00:13:02,700
part of the brain stops working of what

330
00:13:07,250 --> 00:13:04,980
to do in a situation you are you have

331
00:13:10,190 --> 00:13:07,260
not seen before and I know police

332
00:13:13,069 --> 00:13:10,200
officers and EMT workers and and fire

333
00:13:14,449 --> 00:13:13,079
fighters like they have to be ready for

334
00:13:17,090 --> 00:13:14,459
something that they don't quite expect

335
00:13:19,190 --> 00:13:17,100
and that's why those jobs are extremely

336
00:13:20,810 --> 00:13:19,200
dangerous I'm sure they see the same

337
00:13:22,430 --> 00:13:20,820
things day in and day out in some ways

338
00:13:23,930 --> 00:13:22,440

but there's going to come a time where

339

00:13:26,990 --> 00:13:23,940

something really throws in for a loop

340

00:13:29,269 --> 00:13:27,000

and a UFO Invasion or even just a close

341

00:13:31,970 --> 00:13:29,279

encounter which many firefighters and

342

00:13:33,470 --> 00:13:31,980

police officers and EMTs have had what

343

00:13:35,870 --> 00:13:33,480

to do and we're going to get to that as

344

00:13:38,170 --> 00:13:35,880

well the physiological effects which was

345

00:13:41,030 --> 00:13:38,180

in here too which is really interesting

346

00:13:43,490 --> 00:13:41,040

let's see important thing to note is

347

00:13:45,769 --> 00:13:43,500

that in subsequent editions subsequent

348

00:13:47,990 --> 00:13:45,779

excuse me I've been told I say that word

349

00:13:49,790 --> 00:13:48,000

wrong all the time and I know I do

350

00:13:52,610 --> 00:13:49,800

subsequent additions the UFO chapter

351

00:13:54,889 --> 00:13:52,620

remains interesting that's very

352

00:13:56,629 --> 00:13:54,899

interesting Mercury says hey bring it up

353

00:13:59,269 --> 00:13:56,639

but think of 911 they weren't prepared

354

00:14:01,069 --> 00:13:59,279

but darn that did they step up I could

355

00:14:02,389 --> 00:14:01,079

understand preparing for anything yeah

356

00:14:04,490 --> 00:14:02,399

it's true

357

00:14:06,829 --> 00:14:04,500

um let's move back to the chapter here

358

00:14:08,210 --> 00:14:06,839

background information with no intention

359

00:14:10,250 --> 00:14:08,220

of trying to prove or disprove the

360

00:14:12,590 --> 00:14:10,260

authenticity of numerous UFO encounters

361

00:14:13,910 --> 00:14:12,600

related by credible Witnesses including

362

00:14:15,889 --> 00:14:13,920

the airline and Military Pilots

363

00:14:17,990 --> 00:14:15,899

astronauts police officers firefighters

364

00:14:20,750 --> 00:14:18,000

members of Congress and even U.S

365

00:14:22,430 --> 00:14:20,760

presidents or all U.S president at the

366

00:14:24,110 --> 00:14:22,440

time that this was written the balance

367

00:14:26,269 --> 00:14:24,120

of this chapter will be to present a

368

00:14:28,370 --> 00:14:26,279

brief history and nature of UFOs and

369

00:14:30,769 --> 00:14:28,380

their alleged occupants

370

00:14:32,210 --> 00:14:30,779

really interesting that um we're kind of

371

00:14:35,990 --> 00:14:32,220

starting with the history of ufology

372

00:14:37,850 --> 00:14:36,000

when it comes to this what are UFOs

373

00:14:39,949 --> 00:14:37,860

William Shakespeare put a fitting

374

00:14:41,629 --> 00:14:39,959

observation in the mouth of Hamlet the

375

00:14:43,670 --> 00:14:41,639

prince of Denmark that went like this

376

00:14:46,850 --> 00:14:43,680

there are more things in Heaven and

377

00:14:48,170 --> 00:14:46,860

Earth ratio that are dreamed in your

378

00:14:49,730 --> 00:14:48,180

philosophy

379

00:14:51,410 --> 00:14:49,740

and scene

380

00:14:53,150 --> 00:14:51,420

that's my Broadway coming out whether

381

00:14:55,129 --> 00:14:53,160

Hamlet was referring to those strange

382

00:14:59,210 --> 00:14:55,139

lights or objects that appear in the sky

383

00:15:01,250 --> 00:14:59,220

or near the ground and have no known

384

00:15:04,189 --> 00:15:01,260

cause we will never know but the world

385

00:15:07,069 --> 00:15:04,199

book in World Book Encyclopedia defines

386

00:15:09,230 --> 00:15:07,079

such things as UFOs

387

00:15:13,129 --> 00:15:09,240

so we're getting like a crash course in

388

00:15:15,470 --> 00:15:13,139

UFOs in the first few things here they

389

00:15:18,410 --> 00:15:15,480

have the classification system that Dr J

390

00:15:21,050 --> 00:15:18,420

Allen heineck came up with

391

00:15:24,769 --> 00:15:21,060

um let's see nocturnal lights daylight

392

00:15:28,009 --> 00:15:24,779

discs Close Encounters radar readings so

393

00:15:31,189 --> 00:15:28,019

that's pretty cool shapes of UFOs

394

00:15:33,829 --> 00:15:31,199

all different times types of UFOs have

395

00:15:37,370 --> 00:15:33,839

been reported flying saucers glowing

396

00:15:40,249 --> 00:15:37,380

tubes semi-spirical apertures reddish

397

00:15:42,470 --> 00:15:40,259

orange glows or fire like or Sparky

398

00:15:45,050 --> 00:15:42,480

discharges which would definitely be of

399

00:15:47,030 --> 00:15:45,060

interest to Firefighters for sure and

400

00:15:49,790 --> 00:15:47,040

how to deal with that just imagine them

401
00:15:51,949 --> 00:15:49,800
like with a host spraying a UFO I'm sure

402
00:15:53,389 --> 00:15:51,959
it's happened I'm definitely sure it's

403
00:15:55,730 --> 00:15:53,399
happened

404
00:15:58,129 --> 00:15:55,740
um Nick says said deputy chief was um

405
00:15:59,569 --> 00:15:58,139
let's see a UFO guy but I know that he

406
00:16:01,550 --> 00:15:59,579
made a point of hammering this chapter

407
00:16:04,670 --> 00:16:01,560
into the heads of cadets at the fire

408
00:16:06,350 --> 00:16:04,680
academy when he taught courses wow

409
00:16:08,810 --> 00:16:06,360
that's interesting Nick you really

410
00:16:11,210 --> 00:16:08,820
wanted people to to talk about this

411
00:16:13,129 --> 00:16:11,220
oh can we see the appendix yes I will

412
00:16:14,990 --> 00:16:13,139
definitely get to the appendix of this

413
00:16:17,389 --> 00:16:15,000

um they give a really cool

414

00:16:19,850 --> 00:16:17,399

um list of books to read about UFOs and

415

00:16:21,889 --> 00:16:19,860

stuff like that so I will definitely try

416

00:16:24,170 --> 00:16:21,899

to touch on that with you guys let's get

417

00:16:25,730 --> 00:16:24,180

back to the chapter so they go into the

418

00:16:27,769 --> 00:16:25,740

history of UFOs

419

00:16:29,569 --> 00:16:27,779

um what was interesting

420

00:16:32,389 --> 00:16:29,579

um not so much a compare I guess a

421

00:16:34,970 --> 00:16:32,399

comparison but not a connection

422

00:16:36,710 --> 00:16:34,980

um this Air Force Academy thing when

423

00:16:38,810 --> 00:16:36,720

they went into the history of UFOs they

424

00:16:41,870 --> 00:16:38,820

went back to the ancient times in terms

425

00:16:44,150 --> 00:16:41,880

of like why some alien race would come

426
00:16:46,730 --> 00:16:44,160
to Earth and Seed our planet and the

427
00:16:49,370 --> 00:16:46,740
evolution of humans through that it was

428
00:16:51,889 --> 00:16:49,380
a crazy crazy story in in that chapter

429
00:16:54,170 --> 00:16:51,899
here we have it starting with what a lot

430
00:16:55,910 --> 00:16:54,180
of us know is the modern UFO era and

431
00:16:58,069 --> 00:16:55,920
that started around World War II with

432
00:16:59,449 --> 00:16:58,079
the Foo Fighters where there's Foo

433
00:17:02,030 --> 00:16:59,459
there's fire

434
00:17:04,490 --> 00:17:02,040
nice little pun there in this um fire

435
00:17:06,710 --> 00:17:04,500
officer's handbook in the middle of the

436
00:17:09,169 --> 00:17:06,720
1900s flying saucers were increasingly

437
00:17:10,789 --> 00:17:09,179
observed in the United States and other

438
00:17:12,650 --> 00:17:10,799

countries

439

00:17:14,510 --> 00:17:12,660

um they talk about the University of

440

00:17:17,689 --> 00:17:14,520

Colorado we're hired by the Air Force

441

00:17:20,230 --> 00:17:17,699

from 66 to 68 to study this type of

442

00:17:23,329 --> 00:17:20,240

aerial phenomena most could be

443

00:17:25,549 --> 00:17:23,339

explained as stars Venus meteors planets

444

00:17:28,669 --> 00:17:25,559

balloons Rockets blah blah blah blah

445

00:17:31,730 --> 00:17:28,679

blah some atmospheric conditions optical

446

00:17:33,470 --> 00:17:31,740

illusions all the same debunking crap

447

00:17:35,510 --> 00:17:33,480

that blue book and the Conde committee

448

00:17:37,370 --> 00:17:35,520

went through after investigating more

449

00:17:39,650 --> 00:17:37,380

than 12 000 reports the U.S Air Force

450

00:17:42,230 --> 00:17:39,660

was unable to explain where the

451
00:17:44,270 --> 00:17:42,240
Unexplained UFOs came from but

452
00:17:46,789 --> 00:17:44,280
apparently apparently concluded that the

453
00:17:47,870 --> 00:17:46,799
National Security was not threatened by

454
00:17:50,270 --> 00:17:47,880
them

455
00:17:52,789 --> 00:17:50,280
um that's what we were told uh but now

456
00:17:54,830 --> 00:17:52,799
we have sort of a turnabout face with

457
00:17:56,390 --> 00:17:54,840
the Navy and the Pentagon saying they

458
00:17:59,210 --> 00:17:56,400
could be a threat um to National

459
00:18:01,430 --> 00:17:59,220
Security especially in an age of drones

460
00:18:02,990 --> 00:18:01,440
so we got to figure it out we got to

461
00:18:04,909 --> 00:18:03,000
shed the stigma we need these things

462
00:18:05,810 --> 00:18:04,919
reported because it could be a Potential

463
00:18:09,289 --> 00:18:05,820

Threat

464

00:18:12,529 --> 00:18:09,299

a lot of talking about UFO organizations

465

00:18:14,870 --> 00:18:12,539

let's see this is 92 so yeah we got a

466

00:18:17,390 --> 00:18:14,880

lot of the the good players nightcap

467

00:18:19,190 --> 00:18:17,400

mufon cause

468

00:18:21,650 --> 00:18:19,200

um ground saucer watch that's when I

469

00:18:24,590 --> 00:18:21,660

haven't heard in a while qfos which was

470

00:18:26,690 --> 00:18:24,600

the organization run and started by J

471

00:18:29,450 --> 00:18:26,700

Allen heineck and apro the aerial

472

00:18:32,810 --> 00:18:29,460

phenomena research organization

473

00:18:36,049 --> 00:18:32,820

um why the secrecy they say well I'm

474

00:18:38,210 --> 00:18:36,059

sure we can deduce that if we don't know

475

00:18:40,610 --> 00:18:38,220

what it is we don't want to panic the

476

00:18:43,070 --> 00:18:40,620

public and say we don't know what it is

477

00:18:44,870 --> 00:18:43,080

so what we do find out we need to keep

478

00:18:46,909 --> 00:18:44,880

close to the chest until we can fully

479

00:18:50,029 --> 00:18:46,919

understand this stuff they talk about

480

00:18:52,010 --> 00:18:50,039

Donald Keough his work and how he was

481

00:18:54,590 --> 00:18:52,020

trying to unravel the truth embargo on

482

00:18:57,169 --> 00:18:54,600

UFOs when it comes to the Air Force and

483

00:18:59,029 --> 00:18:57,179

the Pentagon so a lot of this is the

484

00:19:00,830 --> 00:18:59,039

history of UFOs

485

00:19:02,630 --> 00:19:00,840

um which is cool but it's not really

486

00:19:04,630 --> 00:19:02,640

anything we haven't heard before wasn't

487

00:19:07,430 --> 00:19:04,640

really expecting that

488

00:19:09,409 --> 00:19:07,440

UFO missions I found this really

489

00:19:11,390 --> 00:19:09,419

interesting many reasons have been

490

00:19:13,549 --> 00:19:11,400

Advanced for the purpose of the UFO's

491

00:19:14,750 --> 00:19:13,559

visits to our planet although some of

492

00:19:17,870 --> 00:19:14,760

the persons who apparently have been

493

00:19:20,090 --> 00:19:17,880

subject of genetic investigation such as

494

00:19:23,270 --> 00:19:20,100

the family of Whitley streber

495

00:19:25,490 --> 00:19:23,280

this chapter is talking about communion

496

00:19:28,789 --> 00:19:25,500

and Whitley Schriever I found this

497

00:19:30,350 --> 00:19:28,799

both hilarious and very interesting

498

00:19:32,630 --> 00:19:30,360

um talking about Mr strieber's

499

00:19:35,510 --> 00:19:32,640

abductions

500

00:19:40,850 --> 00:19:35,520

um what else he talks about incident at

501
00:19:43,490 --> 00:19:40,860
Exeter the John Fuller book uh wow

502
00:19:46,070 --> 00:19:43,500
really really interesting stuff

503
00:19:48,049 --> 00:19:46,080
um into the history of ufology

504
00:19:50,570 --> 00:19:48,059
again like is this to really throw off

505
00:19:53,630 --> 00:19:50,580
those reading it and have them really

506
00:19:56,270 --> 00:19:53,640
open their minds that some of this could

507
00:19:59,029 --> 00:19:56,280
be true who's to say it's not we have

508
00:20:01,430 --> 00:19:59,039
yet to definitively prove

509
00:20:03,230 --> 00:20:01,440
um a lot of UFOs and a lot of claims by

510
00:20:05,750 --> 00:20:03,240
abductees we were not there when it

511
00:20:08,330 --> 00:20:05,760
happened we can't definitively say it

512
00:20:11,630 --> 00:20:08,340
did not happen and I've been guilty of

513
00:20:14,570 --> 00:20:11,640

calling people Liars or fantasy prone

514

00:20:16,250 --> 00:20:14,580

but I tend to think that the older I get

515

00:20:18,289 --> 00:20:16,260

the more skeptical I become but the more

516

00:20:19,850 --> 00:20:18,299

respectful I am as well that I was not

517

00:20:22,789 --> 00:20:19,860

there when these things happened so

518

00:20:25,490 --> 00:20:22,799

really interesting that a lot of this is

519

00:20:29,029 --> 00:20:25,500

in this chapter adverse potential of

520

00:20:31,310 --> 00:20:29,039

UFOs now this is where I think the meat

521

00:20:34,549 --> 00:20:31,320

of why this chapter is in here is here

522

00:20:37,010 --> 00:20:34,559

and that is what harm these UFOs could

523

00:20:39,230 --> 00:20:37,020

cause not an invasion so much but even

524

00:20:41,390 --> 00:20:39,240

just a close encounter

525

00:20:42,950 --> 00:20:41,400

um so let's talk about that in just a

526

00:20:45,409 --> 00:20:42,960

minute here

527

00:20:46,850 --> 00:20:45,419

let's see here adverse potential of UFOs

528

00:20:48,710 --> 00:20:46,860

this is where I kind of want to read

529

00:20:50,510 --> 00:20:48,720

verbatim some of this stuff guys

530

00:20:53,390 --> 00:20:50,520

um so do forgive me but again I'm just

531

00:20:55,490 --> 00:20:53,400

exploring this like you guys are in real

532

00:20:58,070 --> 00:20:55,500

time regardless of its past evaluations

533

00:21:00,169 --> 00:20:58,080

the Air Force could be wrong about a

534

00:21:02,090 --> 00:21:00,179

number of things it can't even guess

535

00:21:04,490 --> 00:21:02,100

within a couple of billion dollars what

536

00:21:06,529 --> 00:21:04,500

one of its planes is going to cost maybe

537

00:21:09,110 --> 00:21:06,539

despite the skepticism of the scientists

538

00:21:12,710 --> 00:21:09,120

and other investigators the UFO sent

539

00:21:14,270 --> 00:21:12,720

from other planets do exist and have

540

00:21:16,190 --> 00:21:14,280

visited Earth

541

00:21:17,029 --> 00:21:16,200

not exactly sure where that quote comes

542

00:21:19,130 --> 00:21:17,039

from

543

00:21:21,649 --> 00:21:19,140

but they start to talk about some of the

544

00:21:23,870 --> 00:21:21,659

effects are as follows of these UFOs

545

00:21:25,490 --> 00:21:23,880

uh two principal Hazard noted within

546

00:21:27,409 --> 00:21:25,500

relation to UFOs have been attributed to

547

00:21:29,270 --> 00:21:27,419

powerful electrical fields which they

548

00:21:32,149 --> 00:21:29,280

can project in a general or localized

549

00:21:34,430 --> 00:21:32,159

area and the psychological effects they

550

00:21:38,090 --> 00:21:34,440

have produced on the general populace or

551
00:21:40,250 --> 00:21:38,100
individual uh force field impact

552
00:21:42,169 --> 00:21:40,260
uh the disruption of air and ground

553
00:21:44,930 --> 00:21:42,179
travel has often been reported in the

554
00:21:46,669 --> 00:21:44,940
presence of UFOs ignition systems of

555
00:21:48,350 --> 00:21:46,679
Auto and aircraft engines have

556
00:21:50,810 --> 00:21:48,360
apparently been affected by energized

557
00:21:53,330 --> 00:21:50,820
force fields to such an extent as to

558
00:21:56,570 --> 00:21:53,340
stop uh let's see what else we have here

559
00:21:59,330 --> 00:21:56,580
oh they go into a case in 78 from Bueno

560
00:22:00,710 --> 00:21:59,340
Buenos Aires a strange Force shut off

561
00:22:05,630 --> 00:22:00,720
their engine and headlights of the

562
00:22:07,370 --> 00:22:05,640
Citron c g CG lifted at 15 feet off the

563
00:22:10,190 --> 00:22:07,380

road then set it down a minute later at

564

00:22:11,990 --> 00:22:10,200

75 miles to the north the driver noticed

565

00:22:13,669 --> 00:22:12,000

yellow and violet light shining in his

566

00:22:16,190 --> 00:22:13,679

rear view mirror while driving the last

567

00:22:17,570 --> 00:22:16,200

leg of a long stock car race and he

568

00:22:19,970 --> 00:22:17,580

realized that it was approaching too

569

00:22:21,710 --> 00:22:19,980

fast to be a competitor a month later a

570

00:22:24,049 --> 00:22:21,720

Colombian bank manager and a Navy

571

00:22:26,990 --> 00:22:24,059

officer had their car headlights go off

572

00:22:29,090 --> 00:22:27,000

when buzzed by a UFO really really

573

00:22:32,270 --> 00:22:29,100

interesting ooh they talk about the case

574

00:22:35,810 --> 00:22:32,280

in Mexico City where the um the piper

575

00:22:38,029 --> 00:22:35,820

plane was uh literally surrounded by

576

00:22:40,370 --> 00:22:38,039

three flying saucers I actually cover

577

00:22:43,250 --> 00:22:40,380

covered that case in an episode of Case

578

00:22:44,870 --> 00:22:43,260

Files so if you guys are not subscribed

579

00:22:46,610 --> 00:22:44,880

to the YouTube channel that you're

580

00:22:48,470 --> 00:22:46,620

watching right now please subscribe

581

00:22:49,789 --> 00:22:48,480

please click the like button please

582

00:22:51,529 --> 00:22:49,799

share this video

583

00:22:54,169 --> 00:22:51,539

um but I do a series called Case Files

584

00:22:55,970 --> 00:22:54,179

where I go through a UFO case in like

585

00:22:57,950 --> 00:22:55,980

less than five to eight minutes and give

586

00:22:59,690 --> 00:22:57,960

you the rundown about it and so you can

587

00:23:01,730 --> 00:22:59,700

move on with your day

588

00:23:03,409 --> 00:23:01,740

um and I did cover that case with Carlos

589

00:23:05,390 --> 00:23:03,419

De Los Santos I believe was the

590

00:23:08,690 --> 00:23:05,400

gentleman's name where three UFOs

591

00:23:11,750 --> 00:23:08,700

surrounded his plane hit it and then

592

00:23:15,049 --> 00:23:11,760

sent his plane into a spiral he almost

593

00:23:16,789 --> 00:23:15,059

died and was saved by the UFOs I'm not

594

00:23:18,110 --> 00:23:16,799

kidding you so yeah that's really

595

00:23:20,750 --> 00:23:18,120

interesting that they bring this case up

596

00:23:22,010 --> 00:23:20,760

in this chapter and then the other big

597

00:23:24,830 --> 00:23:22,020

one they talk about is communication

598

00:23:26,690 --> 00:23:24,840

disruption radio Transmissions whether

599

00:23:28,370 --> 00:23:26,700

it's with pilots in these UFOs trying to

600

00:23:30,770 --> 00:23:28,380

communicate with them seems close to

601
00:23:33,230 --> 00:23:30,780
impossible so they cannot communicate

602
00:23:35,450 --> 00:23:33,240
with the UFO they cannot identify the

603
00:23:37,730 --> 00:23:35,460
thing in front of them so it could be a

604
00:23:39,710 --> 00:23:37,740
threat and that's extremely dangerous so

605
00:23:43,010 --> 00:23:39,720
yeah I'm happy they brought that up as

606
00:23:45,529 --> 00:23:43,020
well Regional power blackouts yeah of

607
00:23:46,909 --> 00:23:45,539
course emt's FEMA fire departments are

608
00:23:48,169 --> 00:23:46,919
going to be called in when there are

609
00:23:50,330 --> 00:23:48,179
blackouts there's going to be

610
00:23:52,430 --> 00:23:50,340
emergencies happening all over the place

611
00:23:54,289 --> 00:23:52,440
you've got like the famous blackout in

612
00:23:56,330 --> 00:23:54,299
New York City I know oh they mention it

613
00:23:57,649 --> 00:23:56,340

right here actually blacked out all of

614

00:24:00,890 --> 00:23:57,659

New York

615

00:24:02,210 --> 00:24:00,900

um where UFOs had been seen

616

00:24:03,649 --> 00:24:02,220

um during that blackout the famous

617

00:24:05,630 --> 00:24:03,659

Blackout

618

00:24:07,370 --> 00:24:05,640

um so yeah yeah of course these are

619

00:24:09,350 --> 00:24:07,380

things that firefighters need to be

620

00:24:12,110 --> 00:24:09,360

prepared for for that the blackout could

621

00:24:13,970 --> 00:24:12,120

have been caused by UFOs so it's one of

622

00:24:16,130 --> 00:24:13,980

many explanations

623

00:24:18,350 --> 00:24:16,140

um I'm gonna put this up vest says third

624

00:24:20,690 --> 00:24:18,360

thing in Fire Department EMS we have

625

00:24:23,090 --> 00:24:20,700

what's called duty to act if you are on

626
00:24:25,070 --> 00:24:23,100
duty you must help those in medical need

627
00:24:26,990 --> 00:24:25,080
if you come across them maybe this

628
00:24:29,990 --> 00:24:27,000
drives home that it includes everyone

629
00:24:32,330 --> 00:24:30,000
even aliens yeah I've heard that and you

630
00:24:34,850 --> 00:24:32,340
know you've got this idea too of like if

631
00:24:36,890 --> 00:24:34,860
a doctor's in a house they need to uh or

632
00:24:38,330 --> 00:24:36,900
anywhere they need to help someone if

633
00:24:40,490 --> 00:24:38,340
they're in trouble

634
00:24:42,350 --> 00:24:40,500
um or citizens even like you could be

635
00:24:43,549 --> 00:24:42,360
arrested for not helping someone that's

636
00:24:45,350 --> 00:24:43,559
in trouble

637
00:24:46,190 --> 00:24:45,360
um you can literally be arrested for

638
00:24:47,570 --> 00:24:46,200

that

639

00:24:48,769 --> 00:24:47,580

um I don't know how often it's it's

640

00:24:50,930 --> 00:24:48,779

actually used but yeah I could

641

00:24:52,669 --> 00:24:50,940

understand that when it comes to EMTs if

642

00:24:54,470 --> 00:24:52,679

they have the power and ability to help

643

00:24:56,210 --> 00:24:54,480

someone in a situation no matter how

644

00:24:57,970 --> 00:24:56,220

weird the situation is

645

00:25:01,070 --> 00:24:57,980

um it could even be a threat to that

646

00:25:02,930 --> 00:25:01,080

firefighter or EMT themselves they need

647

00:25:04,909 --> 00:25:02,940

to help so why not be prepared for

648

00:25:07,010 --> 00:25:04,919

everything even aliens

649

00:25:08,330 --> 00:25:07,020

Nick says Ryan you know how long I've

650

00:25:11,570 --> 00:25:08,340

been in the field to have my father's

651
00:25:13,549 --> 00:25:11,580
friend respected MFD Deputy Chiefs cite

652
00:25:15,769 --> 00:25:13,559
the cash Landrum case and bent Waters

653
00:25:17,870 --> 00:25:15,779
case specifically threw me for a Lube

654
00:25:19,850 --> 00:25:17,880
I'm sure man I am sure talk about

655
00:25:21,710 --> 00:25:19,860
physiological effects

656
00:25:23,330 --> 00:25:21,720
man that will lose our two prime

657
00:25:25,130 --> 00:25:23,340
examples which I'm sure are somewhere in

658
00:25:27,649 --> 00:25:25,140
this chapter about people being

659
00:25:28,970 --> 00:25:27,659
physically affected by UFOs

660
00:25:31,149 --> 00:25:28,980
um with the cash Landrum incident

661
00:25:33,890 --> 00:25:31,159
everyone involved suffered radiation

662
00:25:36,830 --> 00:25:33,900
Burns I believe one or two of them died

663
00:25:40,549 --> 00:25:36,840

because of it and um that's a crazy case

664

00:25:43,010 --> 00:25:40,559

and they tried to sue the uh Air Force

665

00:25:45,409 --> 00:25:43,020

because they believed that whatever they

666

00:25:46,970 --> 00:25:45,419

saw was an Air Force project and the Air

667

00:25:48,169 --> 00:25:46,980

Force said nope wasn't ours we're not

668

00:25:49,970 --> 00:25:48,179

taking responsibility we're not giving

669

00:25:53,149 --> 00:25:49,980

you any money to get help or anything

670

00:25:54,590 --> 00:25:53,159

I'm really sad really really sad case

671

00:25:56,690 --> 00:25:54,600

um then you have the bent Waters case

672

00:25:58,430 --> 00:25:56,700

where one of the witnesses who touched

673

00:26:00,830 --> 00:25:58,440

the craft that landed in the forest in

674

00:26:02,750 --> 00:26:00,840

1980 the rendersham forest case if for

675

00:26:06,350 --> 00:26:02,760

those of you who want to look into it

676

00:26:08,810 --> 00:26:06,360

um he touched this UFO and um had really

677

00:26:11,870 --> 00:26:08,820

weird physical effects that caused heart

678

00:26:13,610 --> 00:26:11,880

failure in him many many years later and

679

00:26:15,590 --> 00:26:13,620

he went to Veteran Affairs and said I

680

00:26:17,090 --> 00:26:15,600

need surgery or I'm going to die

681

00:26:19,430 --> 00:26:17,100

um I believe this was caused by

682

00:26:21,710 --> 00:26:19,440

radiation or something that I I had

683

00:26:23,630 --> 00:26:21,720

happened to me back when I saw UFO and

684

00:26:25,250 --> 00:26:23,640

Veteran Affairs was like no

685

00:26:27,590 --> 00:26:25,260

no we're not going to help you with that

686

00:26:29,149 --> 00:26:27,600

no no they sealed his records he

687

00:26:30,710 --> 00:26:29,159

couldn't even get his medical records

688

00:26:32,390 --> 00:26:30,720

when they found out that this dude was

689

00:26:34,490 --> 00:26:32,400

at bent Waters

690

00:26:37,130 --> 00:26:34,500

um and part of this event and he had to

691

00:26:39,649 --> 00:26:37,140

fight for years to get his records

692

00:26:42,230 --> 00:26:39,659

unsealed and to get medical assistance

693

00:26:44,990 --> 00:26:42,240

from the VA to literally save his life

694

00:26:46,850 --> 00:26:45,000

and um I believe even John McCain got

695

00:26:49,130 --> 00:26:46,860

involved and helped fight for this dude

696

00:26:51,409 --> 00:26:49,140

and his name is John Burroughs he was

697

00:26:54,649 --> 00:26:51,419

part of the now famous renderson Force

698

00:26:56,870 --> 00:26:54,659

incident and he got the help he needed

699

00:26:59,390 --> 00:26:56,880

um he got surgery saved his life and

700

00:27:02,210 --> 00:26:59,400

it's the first time I believe documented

701
00:27:04,010 --> 00:27:02,220
that the veteran affairs said we helped

702
00:27:06,350 --> 00:27:04,020
this guy because of a UFO event that

703
00:27:09,649 --> 00:27:06,360
happened to him in 1980 so crazy crazy

704
00:27:11,450 --> 00:27:09,659
but it's all all so more telling of why

705
00:27:14,680 --> 00:27:11,460
this chapter is here and the the effects

706
00:27:16,630 --> 00:27:14,690
that a UFO could have on people

707
00:27:19,669 --> 00:27:16,640
[Music]

708
00:27:22,669 --> 00:27:19,679
hey guys Ryan here the somewhere in the

709
00:27:24,649 --> 00:27:22,679
skies podcast is a labor of love every

710
00:27:27,289 --> 00:27:24,659
week and with that comes many different

711
00:27:29,990 --> 00:27:27,299
costs to keep the show running that's

712
00:27:31,730 --> 00:27:30,000
where our patreon campaign comes in you

713
00:27:34,490 --> 00:27:31,740

give what you think the show is worth

714

00:27:36,470 --> 00:27:34,500

there's different rewards available all

715

00:27:38,450 --> 00:27:36,480

the time including shout outs on the

716

00:27:41,510 --> 00:27:38,460

show early editions of main episodes

717

00:27:44,269 --> 00:27:41,520

bonus episodes and content and very soon

718

00:27:47,570 --> 00:27:44,279

monthly Patron Hangouts where we sit

719

00:27:49,310 --> 00:27:47,580

back and chat all things UFOs so I hope

720

00:27:51,889 --> 00:27:49,320

you'll consider becoming a patreon

721

00:27:56,029 --> 00:27:51,899

subscriber today to learn more and to

722

00:27:58,430 --> 00:27:56,039

join visit patreon.com summer Skies

723

00:28:04,310 --> 00:27:58,440

thank you for your support and keep

724

00:28:09,110 --> 00:28:06,490

foreign

725

00:28:12,470 --> 00:28:09,120

I didn't even see this fireball's over

726

00:28:14,690 --> 00:28:12,480

Syracuse come on I'm from Syracuse New

727

00:28:15,889 --> 00:28:14,700

York I didn't see this part before I got

728

00:28:17,450 --> 00:28:15,899

to here guys

729

00:28:19,669 --> 00:28:17,460

um this is pretty cool

730

00:28:21,549 --> 00:28:19,679

um airplane pilots reported that UFOs

731

00:28:23,690 --> 00:28:21,559

are being chased across Pennsylvania

732

00:28:27,130 --> 00:28:23,700

electronics and construction Engineers

733

00:28:30,710 --> 00:28:27,140

who are driving in the area of Syracuse

734

00:28:33,049 --> 00:28:30,720

in the house airports saw UFOs moving

735

00:28:35,990 --> 00:28:33,059

about 5 30 p.m

736

00:28:37,549 --> 00:28:36,000

um just prior to the great blackout a

737

00:28:39,350 --> 00:28:37,559

veteran flight instructor who had been

738

00:28:41,570 --> 00:28:39,360

flying over Syracuse on a training

739

00:28:43,190 --> 00:28:41,580

flight saw a glowing Globe over the

740

00:28:44,830 --> 00:28:43,200

power lines leading to Niagara Falls

741

00:28:47,510 --> 00:28:44,840

generating plan

742

00:28:49,430 --> 00:28:47,520

hundreds of others saw the glowing

743

00:28:52,490 --> 00:28:49,440

object in the sky on the night of the

744

00:28:54,950 --> 00:28:52,500

big power failure

745

00:28:56,990 --> 00:28:54,960

dang that's so cool I think I knew about

746

00:28:59,230 --> 00:28:57,000

that case but I I haven't really looked

747

00:29:01,669 --> 00:28:59,240

into it um but that leads me to

748

00:29:03,289 --> 00:29:01,679

something I don't know if they really

749

00:29:05,870 --> 00:29:03,299

talk about it in here

750

00:29:06,590 --> 00:29:05,880

um but we'll talk about it right now is

751
00:29:09,049 --> 00:29:06,600
um

752
00:29:10,909 --> 00:29:09,059
they mentioned power plants that's a big

753
00:29:12,950 --> 00:29:10,919
thing in the UFO field right now too is

754
00:29:15,470 --> 00:29:12,960
UFOs and nukes

755
00:29:18,350 --> 00:29:15,480
UFOs have been witnessed and cited over

756
00:29:22,430 --> 00:29:18,360
nuclear installations for decades

757
00:29:24,409 --> 00:29:22,440
hundreds of cases of these things we had

758
00:29:26,690 --> 00:29:24,419
um Robert Salas on the show maybe a

759
00:29:29,090 --> 00:29:26,700
month or so ago which originally aired

760
00:29:31,250 --> 00:29:29,100
on Peter Robbins show meanwhile here on

761
00:29:34,850 --> 00:29:31,260
Earth where we talked to Robert Salas

762
00:29:37,669 --> 00:29:34,860
about being a nuclear literally like the

763
00:29:40,909 --> 00:29:37,679

head of a nuclear base underground where

764

00:29:43,970 --> 00:29:40,919

new nuclear missiles were being housed

765

00:29:45,649 --> 00:29:43,980

and it was his job to push that button

766

00:29:48,710 --> 00:29:45,659

if push came to shove and we had to do

767

00:29:51,049 --> 00:29:48,720

it and he and several others had a very

768

00:29:54,289 --> 00:29:51,059

dramatic UFO sighting over their base uh

769

00:29:55,909 --> 00:29:54,299

this is Maelstrom Air Force Base and um

770

00:29:58,250 --> 00:29:55,919

I don't know how else to say it the

771

00:30:00,769 --> 00:29:58,260

missiles were affected by the UFOs shut

772

00:30:03,350 --> 00:30:00,779

them down which is insane and there are

773

00:30:05,149 --> 00:30:03,360

hundreds of cases of this happening

774

00:30:06,769 --> 00:30:05,159

um Robert and many others went in front

775

00:30:09,769 --> 00:30:06,779

of the national Press Club several times

776

00:30:11,350 --> 00:30:09,779

now to talk about this and within weeks

777

00:30:15,529 --> 00:30:11,360

of them doing this event in Washington

778

00:30:17,450 --> 00:30:15,539

we got this new Pentagon UAP uh group

779

00:30:20,330 --> 00:30:17,460

that's going to be starting up this year

780

00:30:23,389 --> 00:30:20,340

uh so yeah interesting times we're

781

00:30:24,889 --> 00:30:23,399

living in for sure and all that more

782

00:30:27,110 --> 00:30:24,899

reflective with this chapter we're

783

00:30:28,549 --> 00:30:27,120

talking about tonight as well

784

00:30:29,450 --> 00:30:28,559

um so yeah I just want to touch on that

785

00:30:31,549 --> 00:30:29,460

a little

786

00:30:34,370 --> 00:30:31,559

I am so sorry I can't pronounce your

787

00:30:36,110 --> 00:30:34,380

name I'm so sorry but I'm putting it up

788

00:30:37,730 --> 00:30:36,120

here Ryan do you believe disclosure will

789

00:30:40,070 --> 00:30:37,740

happen personally if this will be truth

790

00:30:41,930 --> 00:30:40,080

I'm not convinced this is a good idea

791

00:30:43,970 --> 00:30:41,940

I think disclosure has already happened

792

00:30:46,909 --> 00:30:43,980

I mean we've had the US government say

793

00:30:48,169 --> 00:30:46,919

UFOs exists that's all I ever wanted

794

00:30:50,570 --> 00:30:48,179

they haven't said what they are because

795

00:30:52,310 --> 00:30:50,580

I don't think they know what they are so

796

00:30:54,769 --> 00:30:52,320

I think for every person who's seen a

797

00:30:58,370 --> 00:30:54,779

UFO or had some sort of experience

798

00:31:01,130 --> 00:30:58,380

that's disclosure for them and I saw UFO

799

00:31:03,409 --> 00:31:01,140

that was disclosure for me so I think we

800

00:31:05,990 --> 00:31:03,419

need to move past this idea of striving

801
00:31:07,850 --> 00:31:06,000
for disclosure from the US government uh

802
00:31:09,350 --> 00:31:07,860
we believe they have been lying to us

803
00:31:11,750 --> 00:31:09,360
for many years so why are we going to

804
00:31:14,750 --> 00:31:11,760
believe anything they say now that's not

805
00:31:16,549 --> 00:31:14,760
to say I don't oh this is so tough it's

806
00:31:18,250 --> 00:31:16,559
not that I don't trust that the

807
00:31:21,950 --> 00:31:18,260
government

808
00:31:24,470 --> 00:31:21,960
oh doesn't want the best for their

809
00:31:26,509 --> 00:31:24,480
people I believe they do and maybe some

810
00:31:29,750 --> 00:31:26,519
of the lies they have told were to

811
00:31:30,889 --> 00:31:29,760
protect us I don't know I honestly can't

812
00:31:33,529 --> 00:31:30,899
say

813
00:31:35,750 --> 00:31:33,539

um and that's a very you know slippery

814

00:31:37,430 --> 00:31:35,760

slope to go down in terms of that

815

00:31:40,310 --> 00:31:37,440

um so whether you believe the government

816

00:31:41,930 --> 00:31:40,320

is lying to us about UFOs or not whether

817

00:31:43,669 --> 00:31:41,940

you believe they know everything or

818

00:31:45,590 --> 00:31:43,679

don't know anything

819

00:31:48,049 --> 00:31:45,600

um has yet to be determined I personally

820

00:31:50,210 --> 00:31:48,059

don't think they know a lot and while

821

00:31:52,789 --> 00:31:50,220

they try to deny a lot of it back during

822

00:31:55,250 --> 00:31:52,799

the Blue Book days I think they made a

823

00:31:56,810 --> 00:31:55,260

mature uh decision and are now looking

824

00:31:58,490 --> 00:31:56,820

at it in a different lens and saying hey

825

00:32:00,470 --> 00:31:58,500

we don't know a lot of what's going on

826
00:32:02,029 --> 00:32:00,480
and we should probably look into it and

827
00:32:03,769 --> 00:32:02,039
we don't have the capability to really

828
00:32:06,049 --> 00:32:03,779
understand it so we should probably

829
00:32:08,149 --> 00:32:06,059
figure that out with our leading

830
00:32:09,830 --> 00:32:08,159
scientists and whatnot so hopefully

831
00:32:11,990 --> 00:32:09,840
that's the direction they're going in

832
00:32:14,029 --> 00:32:12,000
and not in this is just another way to

833
00:32:15,830 --> 00:32:14,039
control the narrative and stamp it down

834
00:32:17,750 --> 00:32:15,840
and be another Project Blue Book I don't

835
00:32:20,029 --> 00:32:17,760
know only time will tell

836
00:32:21,889 --> 00:32:20,039
um but don't I just I will say don't

837
00:32:25,549 --> 00:32:21,899
waste your time on disclosure

838
00:32:26,750 --> 00:32:25,559

because it's already here and it's never

839

00:32:28,909 --> 00:32:26,760

going to come in the form I think a lot

840

00:32:30,889 --> 00:32:28,919

of people think where you know White

841

00:32:32,630 --> 00:32:30,899

House lawn scenario or the president of

842

00:32:34,490 --> 00:32:32,640

the United States says UFOs exist

843

00:32:36,049 --> 00:32:34,500

because a the world's a hell of a lot

844

00:32:38,090 --> 00:32:36,059

bigger than the United States and it's

845

00:32:40,190 --> 00:32:38,100

going to take a lot more world leaders

846

00:32:42,409 --> 00:32:40,200

to confirm that and agree with that and

847

00:32:44,570 --> 00:32:42,419

see how the world should move on from

848

00:32:46,009 --> 00:32:44,580

that moment on so I don't know I don't

849

00:32:47,990 --> 00:32:46,019

know there's so many hypotheticals when

850

00:32:51,190 --> 00:32:48,000

it comes to all that and I change my

851
00:32:53,930 --> 00:32:51,200
mind every day to be honest let's see

852
00:32:56,269 --> 00:32:53,940
you know what I'm gonna do guys I have a

853
00:32:58,009 --> 00:32:56,279
brief video about a new segment that

854
00:32:59,630 --> 00:32:58,019
covered this chapter

855
00:33:01,130 --> 00:32:59,640
um and I'd like to see what they have to

856
00:33:03,649 --> 00:33:01,140
say about it

857
00:33:07,610 --> 00:33:03,659
um vast says hell of a warning on page

858
00:33:09,529 --> 00:33:07,620
469 good advice me thanks vest tell us

859
00:33:11,990 --> 00:33:09,539
what you're talking about man so we can

860
00:33:13,610 --> 00:33:12,000
expedite and get to what that is

861
00:33:15,889 --> 00:33:13,620
um but go ahead and watch this video

862
00:33:17,930 --> 00:33:15,899
first guys about

863
00:33:21,049 --> 00:33:17,940

um this chapter and what they said back

864

00:33:22,970 --> 00:33:21,059

in 92. sightings like the Phoenix Lights

865

00:33:25,610 --> 00:33:22,980

have generated questions and made

866

00:33:28,310 --> 00:33:25,620

Believers out of Skeptics in this 600

867

00:33:30,529 --> 00:33:28,320

page guide mail and credibility to UFOs

868

00:33:32,389 --> 00:33:30,539

it's the fire officer's guide to

869

00:33:34,850 --> 00:33:32,399

disaster control and said to be found in

870

00:33:37,130 --> 00:33:34,860

firehouses across the U.S the book

871

00:33:39,649 --> 00:33:37,140

covers everything from fires to floods

872

00:33:41,750 --> 00:33:39,659

but it's chapter 13 that takes an

873

00:33:45,289 --> 00:33:41,760

unusual twist in firefighting techniques

874

00:33:47,029 --> 00:33:45,299

titled enemy attack and UFO potential it

875

00:33:48,950 --> 00:33:47,039

would not be remiss to give some thought

876

00:33:50,870 --> 00:33:48,960

to the part that fire departments might

877

00:33:53,930 --> 00:33:50,880

play in the event of the unexpected

878

00:33:56,269 --> 00:33:53,940

arrival of UFOs in their communities the

879

00:33:58,130 --> 00:33:56,279

book written by two retired firefighters

880

00:34:00,230 --> 00:33:58,140

addresses what First Responders could

881

00:34:02,149 --> 00:34:00,240

encounter you may have engine trouble

882

00:34:03,830 --> 00:34:02,159

upon approaching the scene and radio

883

00:34:05,990 --> 00:34:03,840

contact could be lost with your

884

00:34:08,030 --> 00:34:06,000

dispatcher if at night your headlight

885

00:34:09,889 --> 00:34:08,040

could go out the city could be blacked

886

00:34:11,690 --> 00:34:09,899

out and your portable generators May

887

00:34:14,210 --> 00:34:11,700

malfunction no this took me by surprise

888

00:34:16,190 --> 00:34:14,220

be Believers like Jim Mann see the book

889

00:34:18,109 --> 00:34:16,200

as an opportunity this is a real

890

00:34:20,930 --> 00:34:18,119

phenomena that we should deal with we

891

00:34:23,089 --> 00:34:20,940

should deal with seriously so is it for

892

00:34:25,970 --> 00:34:23,099

training purposes or is it enough to

893

00:34:26,990 --> 00:34:25,980

Warrant a UFO education red alerts this

894

00:34:29,569 --> 00:34:27,000

is something that could really happen in

895

00:34:31,849 --> 00:34:29,579

our lifetime it even asks how do you

896

00:34:33,889 --> 00:34:31,859

treat injured aliens or First Responders

897

00:34:36,230 --> 00:34:33,899

aware of the potential physical injuries

898

00:34:38,389 --> 00:34:36,240

some fire chiefs have little confidence

899

00:34:40,970 --> 00:34:38,399

in disaster plans especially those

900

00:34:43,310 --> 00:34:40,980

dealing with UFOs or enemy attack

901
00:34:45,349 --> 00:34:43,320
we contacted several fire agencies

902
00:34:48,530 --> 00:34:45,359
regarding this book and some even called

903
00:34:50,690 --> 00:34:48,540
us however not one admitted to using it

904
00:34:52,669 --> 00:34:50,700
for training although some are aware it

905
00:34:56,149 --> 00:34:52,679
exists yeah you know what Chris it just

906
00:34:59,890 --> 00:34:56,159
shows you that uh serious professional

907
00:35:04,069 --> 00:34:59,900
people are starting to take this

908
00:35:05,870 --> 00:35:04,079
this whole uh subject of UFOs and ET

909
00:35:08,210 --> 00:35:05,880
they're starting to take this seriously

910
00:35:10,069 --> 00:35:08,220
Jim Mann investigates sightings and

911
00:35:13,069 --> 00:35:10,079
encounters for the mutual UFO Network

912
00:35:15,230 --> 00:35:13,079
known as mufon this is a real threat to

913
00:35:17,450 --> 00:35:15,240

this planet mufon has its own

914

00:35:19,490 --> 00:35:17,460

investigative guide seen here publicly

915

00:35:21,410 --> 00:35:19,500

for the first time and I don't think

916

00:35:23,470 --> 00:35:21,420

we're crack pots I think that we're just

917

00:35:26,630 --> 00:35:23,480

people that uh

918

00:35:28,130 --> 00:35:26,640

want to be aware of what's going on we

919

00:35:30,410 --> 00:35:28,140

don't know where we came from we don't

920

00:35:33,349 --> 00:35:30,420

know where we're going

921

00:35:35,510 --> 00:35:33,359

and one of the authors of this book says

922

00:35:38,210 --> 00:35:35,520

many people miss the point regarding

923

00:35:41,329 --> 00:35:38,220

that chapter in UFOs same previously

924

00:35:43,730 --> 00:35:41,339

quote whether they exist or not is not

925

00:35:45,650 --> 00:35:43,740

the issue it's the perceived existence

926
00:35:49,010 --> 00:35:45,660
which creates the potential for panic

927
00:35:51,050 --> 00:35:49,020
injury and even death

928
00:35:53,329 --> 00:35:51,060
so that was pretty cool

929
00:35:55,609 --> 00:35:53,339
um within the limited time I had to kind

930
00:35:57,890 --> 00:35:55,619
of throw together this um episode

931
00:36:00,950 --> 00:35:57,900
tonight I was able to find that new

932
00:36:03,530 --> 00:36:00,960
segment um talking about helping injured

933
00:36:06,530 --> 00:36:03,540
aliens that didn't even dawn on me like

934
00:36:08,630 --> 00:36:06,540
yeah if a UFO crashes we need to help

935
00:36:10,970 --> 00:36:08,640
those beings as well we have just as

936
00:36:13,370 --> 00:36:10,980
much of a responsibility to do that as

937
00:36:16,069 --> 00:36:13,380
if humans got injured

938
00:36:19,250 --> 00:36:16,079

um God that didn't even cross my mind

939

00:36:21,589 --> 00:36:19,260

um so yeah just imagine if we had uh you

940

00:36:23,569 --> 00:36:21,599

know EMTs on site when uh the Roswell

941

00:36:25,730 --> 00:36:23,579

UFO crash happened did they help the

942

00:36:28,609 --> 00:36:25,740

aliens I don't know I don't know that's

943

00:36:30,470 --> 00:36:28,619

a mystery yet to be fully decoded that's

944

00:36:33,230 --> 00:36:30,480

a Mysteries decoded reference for any of

945

00:36:35,390 --> 00:36:33,240

you out there anyways I thought it was

946

00:36:36,770 --> 00:36:35,400

cool that they quoted one of the authors

947

00:36:38,930 --> 00:36:36,780

of this chapter

948

00:36:40,190 --> 00:36:38,940

um and I did want to expand on that um

949

00:36:41,450 --> 00:36:40,200

the quote that he was talking about so

950

00:36:43,430 --> 00:36:41,460

I'm going to go ahead and read bill

951

00:36:45,470 --> 00:36:43,440

Kramer one of the authors

952

00:36:48,349 --> 00:36:45,480

um these are direct quotes from him

953

00:36:50,450 --> 00:36:48,359

about the chapter uh let's see here it

954

00:36:52,069 --> 00:36:50,460

is no laughing matter many people miss

955

00:36:53,930 --> 00:36:52,079

the point of the chapter about UFOs

956

00:36:56,030 --> 00:36:53,940

whether they exist or not is not the

957

00:36:58,130 --> 00:36:56,040

issue it's the perceived existence which

958

00:37:00,109 --> 00:36:58,140

creates the potential for panic injury

959

00:37:02,690 --> 00:37:00,119

and even death I know they said that in

960

00:37:03,650 --> 00:37:02,700

the new segment um but he does expand he

961

00:37:07,069 --> 00:37:03,660

says here

962

00:37:08,990 --> 00:37:07,079

I use the term UFO litter literally to

963

00:37:11,510 --> 00:37:09,000

refer to any unidentified flying object

964

00:37:13,609 --> 00:37:11,520

not just to mean an alien spaceship as

965

00:37:15,890 --> 00:37:13,619

the term is usually associated

966

00:37:17,870 --> 00:37:15,900

unidentified simply means nobody knows

967

00:37:19,790 --> 00:37:17,880

what it is but it still scares the hell

968

00:37:21,230 --> 00:37:19,800

out of people there have been a number

969

00:37:23,329 --> 00:37:21,240

of incidents over the years that have

970

00:37:26,089 --> 00:37:23,339

induced Panic going back to the famous

971

00:37:28,550 --> 00:37:26,099

Orson Welles radio presentation of War

972

00:37:30,470 --> 00:37:28,560

of the Worlds in 1938 when some

973

00:37:34,069 --> 00:37:30,480

listeners feared that there was a real

974

00:37:36,530 --> 00:37:34,079

Martian or misidentified German attack

975

00:37:39,410 --> 00:37:36,540

underway and reportedly fled the region

976
00:37:41,810 --> 00:37:39,420
or took up arms more recent incidents

977
00:37:45,710 --> 00:37:41,820
include a perceived religious sighting

978
00:37:48,230 --> 00:37:45,720
in New York that caused traffic problems

979
00:37:50,329 --> 00:37:48,240
yeah so that comes straight from the

980
00:37:52,310 --> 00:37:50,339
author of this chapter a lot of this has

981
00:37:54,349 --> 00:37:52,320
to do with what we are actually going to

982
00:37:56,569 --> 00:37:54,359
talk about next and that is the Panic

983
00:37:58,250 --> 00:37:56,579
Hazard just like he said

984
00:38:00,410 --> 00:37:58,260
um what happened with War of the Worlds

985
00:38:03,589 --> 00:38:00,420
we don't not want another scenario where

986
00:38:06,589 --> 00:38:03,599
if this happens and if we do learn that

987
00:38:08,329 --> 00:38:06,599
UFOs have landed and they're from

988
00:38:10,069 --> 00:38:08,339

another planet or we don't know where

989

00:38:12,050 --> 00:38:10,079

they're from that people aren't freaking

990

00:38:15,170 --> 00:38:12,060

out and grabbing arms and going out and

991

00:38:16,069 --> 00:38:15,180

shooting at the UFOs or shooting at each

992

00:38:18,170 --> 00:38:16,079

other

993

00:38:19,970 --> 00:38:18,180

um we all have those scenarios in our

994

00:38:23,270 --> 00:38:19,980

head of how we would reactive situations

995

00:38:25,910 --> 00:38:23,280

like an alien invasion or zombies or or

996

00:38:28,010 --> 00:38:25,920

anything even a real world terrorist

997

00:38:30,109 --> 00:38:28,020

attack a lot of us don't know what we

998

00:38:32,089 --> 00:38:30,119

would do in those situations until we're

999

00:38:34,250 --> 00:38:32,099

in in them so

1000

00:38:36,230 --> 00:38:34,260

um that's what this is about what if

1001
00:38:38,810 --> 00:38:36,240
aliens were here what if the UFO did

1002
00:38:40,310 --> 00:38:38,820
land what if 20 UFOs landed

1003
00:38:43,190 --> 00:38:40,320
um one in every country around the world

1004
00:38:45,230 --> 00:38:43,200
like a rival style like what would we do

1005
00:38:47,030 --> 00:38:45,240
and those are the questions being posed

1006
00:38:48,710 --> 00:38:47,040
in this chapter chapter

1007
00:38:52,010 --> 00:38:48,720
um so yeah it's pretty cool to hear the

1008
00:38:54,650 --> 00:38:52,020
author say this wasn't like a practical

1009
00:38:56,930 --> 00:38:54,660
joke or it's not worth snickering at

1010
00:38:58,010 --> 00:38:56,940
like we need you guys to be prepared if

1011
00:39:01,790 --> 00:38:58,020
this happens

1012
00:39:04,609 --> 00:39:01,800
that's it Point simple point game match

1013
00:39:05,329 --> 00:39:04,619

done UFOs could be a threat

1014

00:39:07,730 --> 00:39:05,339

um

1015

00:39:09,650 --> 00:39:07,740

let's see what else here

1016

00:39:11,510 --> 00:39:09,660

oh wow yeah more could be serious as

1017

00:39:15,890 --> 00:39:11,520

germs bacteria anything could all play a

1018

00:39:18,349 --> 00:39:15,900

role too I mean you know what if these

1019

00:39:21,530 --> 00:39:18,359

were alien and they came here and they

1020

00:39:24,470 --> 00:39:21,540

landed and the aliens got out and

1021

00:39:30,230 --> 00:39:24,480

immediately whatever their biological

1022

00:39:32,870 --> 00:39:30,240

makeup is is so dangerous or you know uh

1023

00:39:35,089 --> 00:39:32,880

infectious to us here on Earth that it

1024

00:39:36,650 --> 00:39:35,099

causes a pandemic I I don't know like

1025

00:39:39,710 --> 00:39:36,660

but those are things that could happen

1026

00:39:41,450 --> 00:39:39,720

so again we gotta we gotta

1027

00:39:43,190 --> 00:39:41,460

figure out how to deal with that so

1028

00:39:45,829 --> 00:39:43,200

that's such a good point such a such a

1029

00:39:47,750 --> 00:39:45,839

good point ethereal Aura welcome to the

1030

00:39:49,490 --> 00:39:47,760

show War of the Worlds weren't a lot of

1031

00:39:50,690 --> 00:39:49,500

people freaked out they did Flood the

1032

00:39:52,609 --> 00:39:50,700

phone lines

1033

00:39:54,530 --> 00:39:52,619

um but that wasn't uh that wasn't that

1034

00:39:58,130 --> 00:39:54,540

hard in those days very true very true

1035

00:40:00,890 --> 00:39:58,140

an alien with a cold could Wipe Out the

1036

00:40:03,890 --> 00:40:00,900

planet if the strain is unresisted

1037

00:40:06,829 --> 00:40:03,900

very true being very very true uh let's

1038

00:40:07,550 --> 00:40:06,839

see what else we have here guys

1039

00:40:09,950 --> 00:40:07,560

um

1040

00:40:13,190 --> 00:40:09,960

and who was it in the chat vast vast

1041

00:40:15,170 --> 00:40:13,200

Twilight podcast said page 16 there's

1042

00:40:18,530 --> 00:40:15,180

some good stuff so let me get down there

1043

00:40:20,450 --> 00:40:18,540

emergency action let's go ahead and read

1044

00:40:21,770 --> 00:40:20,460

this here from the chapter in view of

1045

00:40:23,690 --> 00:40:21,780

the fact that many ufologists believe

1046

00:40:26,089 --> 00:40:23,700

that we are fast approaching a time when

1047

00:40:28,069 --> 00:40:26,099

Over The Landings of UFOs will become

1048

00:40:29,650 --> 00:40:28,079

less remarkable and in the absence of

1049

00:40:32,510 --> 00:40:29,660

our knowing whether their visits are

1050

00:40:34,190 --> 00:40:32,520

friendly or hostile it would not be

1051
00:40:36,770 --> 00:40:34,200
remiss to give some thought to the part

1052
00:40:39,109 --> 00:40:36,780
that fire departments might play in the

1053
00:40:41,690 --> 00:40:39,119
event of the unexpected arrival of UFOs

1054
00:40:43,910 --> 00:40:41,700
in their communities for example what

1055
00:40:45,950 --> 00:40:43,920
would be your course of action as an

1056
00:40:48,170 --> 00:40:45,960
Incident Commander at the scene of a

1057
00:40:50,990 --> 00:40:48,180
school ground where a UFO is crashed

1058
00:40:53,510 --> 00:40:51,000
into a boiler room rupturing a fuel line

1059
00:40:55,609 --> 00:40:53,520
and igniting has occurred in spilling

1060
00:40:58,550 --> 00:40:55,619
oil endangering the occupants of The

1061
00:41:02,210 --> 00:40:58,560
Craft who are trapped in the wreckage

1062
00:41:03,950 --> 00:41:02,220
what a scenario that's wow I feel like

1063
00:41:06,349 --> 00:41:03,960

I'm reading a screenplay

1064

00:41:08,870 --> 00:41:06,359

um endangering the occupants if your

1065

00:41:10,730 --> 00:41:08,880

rescue attempts are successful and two

1066

00:41:12,950 --> 00:41:10,740

of the five small alien creatures are

1067

00:41:14,809 --> 00:41:12,960

injured but still alive how do you

1068

00:41:17,569 --> 00:41:14,819

dispose of the dead and treat the

1069

00:41:19,790 --> 00:41:17,579

survivals how would the presence of

1070

00:41:22,550 --> 00:41:19,800

children on the school grounds affect

1071

00:41:26,750 --> 00:41:22,560

your actions what persons and agencies

1072

00:41:29,329 --> 00:41:26,760

would be notified that's gosh I mean I

1073

00:41:32,390 --> 00:41:29,339

don't know but hell to be in that

1074

00:41:34,370 --> 00:41:32,400

situation I I can't even imagine so good

1075

00:41:36,290 --> 00:41:34,380

I'm glad these questions are being posed

1076

00:41:38,930 --> 00:41:36,300

so if it happens they will know how to

1077

00:41:41,290 --> 00:41:38,940

deal with it oh they even quote Frank

1078

00:41:44,089 --> 00:41:41,300

Edwards his book on flying saucers for

1079

00:41:45,950 --> 00:41:44,099

warning quote near approaches of UFOs

1080

00:41:49,069 --> 00:41:45,960

can be harmful to human beings do not

1081

00:41:51,349 --> 00:41:49,079

stand under a UFO do not that is

1082

00:41:53,569 --> 00:41:51,359

hovering at low altitude do not touch or

1083

00:41:55,849 --> 00:41:53,579

attempt to touch uh do not touch or

1084

00:41:58,010 --> 00:41:55,859

attempt to touch a UFO that has landed

1085

00:42:00,770 --> 00:41:58,020

in either case the safe thing to do is

1086

00:42:02,990 --> 00:42:00,780

to get away from it very quickly and let

1087

00:42:06,410 --> 00:42:03,000

the military take over there is a

1088

00:42:08,210 --> 00:42:06,420

possibility of radiation danger and uh

1089

00:42:10,430 --> 00:42:08,220

there are known cases where persons have

1090

00:42:14,270 --> 00:42:10,440

been burned by Rays emanating from UFOs

1091

00:42:17,390 --> 00:42:14,280

don't take chances with UFOs

1092

00:42:19,790 --> 00:42:17,400

I love that uh in the view of federal

1093

00:42:21,829 --> 00:42:19,800

law empowering NASA's administrator to

1094

00:42:24,290 --> 00:42:21,839

impound without a hearing anyone who

1095

00:42:26,270 --> 00:42:24,300

touches the UFO Works occupants it would

1096

00:42:28,250 --> 00:42:26,280

be inadvisable to make personal contact

1097

00:42:30,829 --> 00:42:28,260

unless you are willing to submit to

1098

00:42:33,470 --> 00:42:30,839

NASA's quarantine requirements should

1099

00:42:35,210 --> 00:42:33,480

the law be invoked

1100

00:42:37,550 --> 00:42:35,220

crazy

1101
00:42:38,630 --> 00:42:37,560
uh they go into Jacques valet talking

1102
00:42:40,250 --> 00:42:38,640
about

1103
00:42:42,230 --> 00:42:40,260
um a lot of different things from his

1104
00:42:44,750 --> 00:42:42,240
book invisible College cautions that we

1105
00:42:47,270 --> 00:42:44,760
should consider psychic effects such as

1106
00:42:49,190 --> 00:42:47,280
space-time Distortion experienced by

1107
00:42:51,530 --> 00:42:49,200
recipients of craft like devices which

1108
00:42:54,770 --> 00:42:51,540
appear to fade away dematerialize and

1109
00:42:57,530 --> 00:42:54,780
then reappear of alien strange voices or

1110
00:42:59,630 --> 00:42:57,540
thoughts that may affect involuntary

1111
00:43:03,290 --> 00:42:59,640
changes in the manner in which Witnesses

1112
00:43:05,750 --> 00:43:03,300
May react in such circumstances

1113
00:43:07,550 --> 00:43:05,760

wow it looks like we're kind of getting

1114

00:43:10,069 --> 00:43:07,560

to the end of the chapter here guys

1115

00:43:12,410 --> 00:43:10,079

there's so much I did not

1116

00:43:14,329 --> 00:43:12,420

talk about that I highly suggest you

1117

00:43:16,790 --> 00:43:14,339

read for yourselves

1118

00:43:18,410 --> 00:43:16,800

uh Nicholas says the reference to school

1119

00:43:20,390 --> 00:43:18,420

children brings to mind the South

1120

00:43:23,270 --> 00:43:20,400

African case yes

1121

00:43:26,809 --> 00:43:23,280

um the Zimbabwe Zimbabwe case

1122

00:43:28,970 --> 00:43:26,819

um that uh uh John Mack investigated he

1123

00:43:31,609 --> 00:43:28,980

actually flew all the way to Zimbabwe I

1124

00:43:33,470 --> 00:43:31,619

days I want to say after that event

1125

00:43:35,270 --> 00:43:33,480

happened in the schoolyard and

1126
00:43:36,530 --> 00:43:35,280
interviewed the children the witnesses

1127
00:43:40,550 --> 00:43:36,540
of that

1128
00:43:44,030 --> 00:43:40,560
um and it was crazy where a UFO landed

1129
00:43:46,250 --> 00:43:44,040
and like 60 school children watched as

1130
00:43:47,690 --> 00:43:46,260
some sort of being or beings came out of

1131
00:43:49,370 --> 00:43:47,700
this Craft

1132
00:43:50,870 --> 00:43:49,380
um kind of walked around for a little

1133
00:43:53,230 --> 00:43:50,880
bit

1134
00:43:55,309 --> 00:43:53,240
um got close up to the children and

1135
00:43:56,990 --> 00:43:55,319
telepathically communicated with them

1136
00:44:00,710 --> 00:43:57,000
and like this all sounds like science

1137
00:44:03,050 --> 00:44:00,720
fiction but it's so well documented and

1138
00:44:05,390 --> 00:44:03,060

so many of those child Witnesses now as

1139

00:44:06,589 --> 00:44:05,400

adults stick to the story

1140

00:44:08,630 --> 00:44:06,599

um two of which I've spoken to

1141

00:44:10,370 --> 00:44:08,640

personally and have interviewed on

1142

00:44:12,530 --> 00:44:10,380

somewhere in the skies about the event

1143

00:44:15,230 --> 00:44:12,540

and how it affected their lives

1144

00:44:18,410 --> 00:44:15,240

um I did recently put one of my lectures

1145

00:44:20,690 --> 00:44:18,420

on patreon so if you're a member of our

1146

00:44:22,990 --> 00:44:20,700

patreon campaign you can watch my my

1147

00:44:25,790 --> 00:44:23,000

lecture about the human

1148

00:44:28,010 --> 00:44:25,800

effects of UFO events and how they

1149

00:44:30,829 --> 00:44:28,020

affect people on every level and I did

1150

00:44:32,329 --> 00:44:30,839

interview one of the witnesses about uh

1151

00:44:36,349 --> 00:44:32,339

how her life was affected dramatically

1152

00:44:38,450 --> 00:44:36,359

by the Ruiz Zimbabwe uh UFO case and how

1153

00:44:40,510 --> 00:44:38,460

it changed her life uh so yeah you can

1154

00:44:44,690 --> 00:44:40,520

go find that on our patreon right now

1155

00:44:48,050 --> 00:44:44,700

patreon.com summer Skies Nicholas says

1156

00:44:51,470 --> 00:44:48,060

the Australian case two yes yeah so many

1157

00:44:54,410 --> 00:44:51,480

weird schoolyard uh sightings that have

1158

00:44:56,569 --> 00:44:54,420

happened and Landing so yeah we need to

1159

00:44:59,390 --> 00:44:56,579

bring in whatever is going to contain

1160

00:45:01,849 --> 00:44:59,400

the situation whether it's fire EMT

1161

00:45:02,870 --> 00:45:01,859

police officers military uh to figure

1162

00:45:05,030 --> 00:45:02,880

out what the hell is going on because

1163

00:45:09,050 --> 00:45:05,040

there's been way too many school UFO

1164

00:45:10,910 --> 00:45:09,060

Landings for my taste let's see Tommy

1165

00:45:12,410 --> 00:45:10,920

says this UFO chapter has more detail

1166

00:45:14,870 --> 00:45:12,420

than the rest of the disaster control

1167

00:45:17,270 --> 00:45:14,880

chapters put together the detail they go

1168

00:45:19,550 --> 00:45:17,280

into is unbelievable Ryan I know Tommy

1169

00:45:22,609 --> 00:45:19,560

again I don't know if it's the passion

1170

00:45:25,010 --> 00:45:22,619

of the writers to really get their UFO

1171

00:45:27,170 --> 00:45:25,020

knowledge out there and flex it and get

1172

00:45:28,970 --> 00:45:27,180

it published somehow um and it's through

1173

00:45:31,970 --> 00:45:28,980

one of these manuals but I do understand

1174

00:45:34,730 --> 00:45:31,980

why it's here and why it remained in the

1175

00:45:36,950 --> 00:45:34,740

book because it is a scenario that we

1176

00:45:38,450 --> 00:45:36,960

have to be ready for and I did mention

1177

00:45:40,970 --> 00:45:38,460

this on the Air Force Academy episode

1178

00:45:42,829 --> 00:45:40,980

with Dan Warren and Luis Jimenez that um

1179

00:45:44,930 --> 00:45:42,839

there's a contingency plan for

1180

00:45:47,990 --> 00:45:44,940

everything literally everything we did

1181

00:45:51,109 --> 00:45:48,000

mention zombies there is there are plans

1182

00:45:54,470 --> 00:45:51,119

set up if there is a UFO Invasion if

1183

00:45:57,170 --> 00:45:54,480

there is a zombie-like uh infection

1184

00:45:59,870 --> 00:45:57,180

going on around the world or whatnot or

1185

00:46:03,290 --> 00:45:59,880

or literally the Dead coming back to to

1186

00:46:05,270 --> 00:46:03,300

exact revenge or eat our brains um there

1187

00:46:06,829 --> 00:46:05,280

are so many things set in place for

1188

00:46:09,230 --> 00:46:06,839

stuff like this so while the chapter

1189

00:46:12,410 --> 00:46:09,240

doesn't surprise me it does surprise me

1190

00:46:14,930 --> 00:46:12,420

in terms of the content and how uh

1191

00:46:17,270 --> 00:46:14,940

descriptive and hypothetical it is and

1192

00:46:20,270 --> 00:46:17,280

what do they know and why is it truly

1193

00:46:21,530 --> 00:46:20,280

here we may never never know

1194

00:46:23,630 --> 00:46:21,540

um so what I think I'm going to do guys

1195

00:46:26,030 --> 00:46:23,640

is start wrapping things up

1196

00:46:29,270 --> 00:46:26,040

um we've covered enough I highly suggest

1197

00:46:31,130 --> 00:46:29,280

you go read the chapter uh once again

1198

00:46:33,230 --> 00:46:31,140

um I will put the link for it in the

1199

00:46:35,270 --> 00:46:33,240

show notes but let's go to the

1200

00:46:36,770 --> 00:46:35,280

conclusions that the chapter Drew I

1201

00:46:37,370 --> 00:46:36,780

think that would be pretty cool

1202

00:46:40,790 --> 00:46:37,380

um

1203

00:46:43,970 --> 00:46:40,800

they do have that here to kind of wrap

1204

00:46:46,190 --> 00:46:43,980

things up some fire chiefs have little

1205

00:46:48,530 --> 00:46:46,200

confidence in disaster plans especially

1206

00:46:50,930 --> 00:46:48,540

those dealing with UFOs or enemy attack

1207

00:46:52,250 --> 00:46:50,940

if you develop a plan that sets forth

1208

00:46:54,109 --> 00:46:52,260

your responsibilities resources

1209

00:46:56,809 --> 00:46:54,119

organizations supplies information

1210

00:46:58,609 --> 00:46:56,819

telephone numbers and special data that

1211

00:47:00,670 --> 00:46:58,619

will be useful in obtaining help and

1212

00:47:03,530 --> 00:47:00,680

fulfilling your role in disaster control

1213

00:47:05,690 --> 00:47:03,540

committed to an electronic medium a

1214

00:47:07,790 --> 00:47:05,700

computer with a capability for

1215

00:47:10,309 --> 00:47:07,800

continuous updating through Modern word

1216

00:47:12,890 --> 00:47:10,319

processing remember this is written in

1217

00:47:14,690 --> 00:47:12,900

1992. Bring It forth when the need

1218

00:47:17,750 --> 00:47:14,700

requires with a good plan good

1219

00:47:19,730 --> 00:47:17,760

leadership inadequate resources you may

1220

00:47:22,430 --> 00:47:19,740

save many lives in any disaster

1221

00:47:27,049 --> 00:47:22,440

including attack from possible enemies

1222

00:47:29,809 --> 00:47:27,059

or UFOs so yeah again like

1223

00:47:32,990 --> 00:47:29,819

this entire manual

1224

00:47:36,710 --> 00:47:33,000

um is made for preparedness in any

1225

00:47:39,849 --> 00:47:36,720

situation so I think it's so cool that

1226

00:47:44,030 --> 00:47:39,859

once again chapter 13 in another

1227

00:47:46,190 --> 00:47:44,040

official book manual textbook is about

1228

00:47:48,710 --> 00:47:46,200

UFOs and I thought it was so cool that

1229

00:47:50,569 --> 00:47:48,720

this came to my attention literally

1230

00:47:52,609 --> 00:47:50,579

within weeks of Dan Warren putting out

1231

00:47:55,730 --> 00:47:52,619

this Air Force Academy thing

1232

00:47:58,309 --> 00:47:55,740

um which is so cool I'm sure there are

1233

00:48:00,530 --> 00:47:58,319

so many other books and flyers and

1234

00:48:02,329 --> 00:48:00,540

pamphlets that military branches have

1235

00:48:05,210 --> 00:48:02,339

put out throughout the years I know I

1236

00:48:06,890 --> 00:48:05,220

just decoy the the UFO researcher has

1237

00:48:08,450 --> 00:48:06,900

highlighted some of those Kirk Collins

1238

00:48:10,910 --> 00:48:08,460

as well

1239

00:48:13,490 --> 00:48:10,920

um in their work so I'm gonna seek those

1240

00:48:15,829 --> 00:48:13,500

out and see what else is out there on

1241

00:48:18,829 --> 00:48:15,839

UFOs but I thought this was really cool

1242

00:48:20,630 --> 00:48:18,839

I was really happy to have Nick and and

1243

00:48:22,309 --> 00:48:20,640

I have other people in the chat talking

1244

00:48:25,010 --> 00:48:22,319

about their experiences with this kind

1245

00:48:26,809 --> 00:48:25,020

of stuff let's say

1246

00:48:28,609 --> 00:48:26,819

um BN says basically saying some people

1247

00:48:31,130 --> 00:48:28,619

are refused to take this serious so

1248

00:48:33,530 --> 00:48:31,140

here's who to call yeah and again like

1249

00:48:35,750 --> 00:48:33,540

this was the whole issue with um the

1250

00:48:37,309 --> 00:48:35,760

stigma attached to reporting UFOs in the

1251
00:48:40,370 --> 00:48:37,319
military and it's been that way for many

1252
00:48:42,829 --> 00:48:40,380
years and that is changing the Pentagon

1253
00:48:46,250 --> 00:48:42,839
the UAP task force the Department of

1254
00:48:48,109 --> 00:48:46,260
Defense is saying report these things we

1255
00:48:50,150 --> 00:48:48,119
need to shed the ridicule in reporting

1256
00:48:52,130 --> 00:48:50,160
UFOs we're not going to put you on desk

1257
00:48:54,170 --> 00:48:52,140
Duty we're not going to make fun of you

1258
00:48:56,150 --> 00:48:54,180
these could be a Potential Threat to

1259
00:48:59,510 --> 00:48:56,160
National Security and we need to know

1260
00:49:00,950 --> 00:48:59,520
about them please report them so

1261
00:49:04,069 --> 00:49:00,960
I think it's the same with something

1262
00:49:06,950 --> 00:49:04,079
like this like it's funny to think oh

1263
00:49:08,210 --> 00:49:06,960

Little Green Men and flying saucers and

1264

00:49:10,670 --> 00:49:08,220

this and that but at the end of the day

1265

00:49:13,069 --> 00:49:10,680

like this could happen and even if it's

1266

00:49:14,990 --> 00:49:13,079

not aliens if we don't know who it is or

1267

00:49:18,170 --> 00:49:15,000

why it's happening uh it could be a big

1268

00:49:20,089 --> 00:49:18,180

problem and it could be a threat and our

1269

00:49:22,609 --> 00:49:20,099

you know are people here to protect us

1270

00:49:24,410 --> 00:49:22,619

and to help us and save us they need to

1271

00:49:26,809 --> 00:49:24,420

know how to deal with it so I think it's

1272

00:49:28,910 --> 00:49:26,819

pretty cool that this chapter is out

1273

00:49:31,670 --> 00:49:28,920

there you could buy the textbook like I

1274

00:49:34,250 --> 00:49:31,680

said still just type the title into um

1275

00:49:36,770 --> 00:49:34,260

Amazon it should pop up

1276

00:49:39,410 --> 00:49:36,780

um maybe we will find some firefighters

1277

00:49:41,450 --> 00:49:39,420

or people who actually did come across

1278

00:49:42,770 --> 00:49:41,460

this chapter and I would love love love

1279

00:49:44,270 --> 00:49:42,780

to hear their thoughts on what they

1280

00:49:46,370 --> 00:49:44,280

thought about it

1281

00:49:47,930 --> 00:49:46,380

um so yeah someone in the chat also

1282

00:49:50,329 --> 00:49:47,940

mentioned the references in this

1283

00:49:54,950 --> 00:49:50,339

appendix here it is an incredible

1284

00:49:56,690 --> 00:49:54,960

resource of um things to do with uh UFOs

1285

00:49:59,049 --> 00:49:56,700

and um

1286

00:50:01,309 --> 00:49:59,059

uh chemical warfare

1287

00:50:03,890 --> 00:50:01,319

nuclear weapons

1288

00:50:05,329 --> 00:50:03,900

um just a Litany of different things so

1289

00:50:07,670 --> 00:50:05,339

it's obvious that the writers of the

1290

00:50:09,410 --> 00:50:07,680

chapter did their homework it's very

1291

00:50:12,170 --> 00:50:09,420

clear on that

1292

00:50:14,870 --> 00:50:12,180

um so again I'm seeing the word UFO and

1293

00:50:15,650 --> 00:50:14,880

Blue Book pop-up everywhere in here so

1294

00:50:19,010 --> 00:50:15,660

cool

1295

00:50:20,750 --> 00:50:19,020

that's about it guys I'm glad that you

1296

00:50:23,030 --> 00:50:20,760

um followed me on this fun journey

1297

00:50:24,650 --> 00:50:23,040

tonight again this isn't gonna change

1298

00:50:27,109 --> 00:50:24,660

anything it's not gonna change anyone's

1299

00:50:28,490 --> 00:50:27,119

Minds on UFOs it's been talked about

1300

00:50:30,770 --> 00:50:28,500

before

1301

00:50:33,470 --> 00:50:30,780

um it is not a revelation

1302

00:50:36,170 --> 00:50:33,480

um but I just discovered it so it's a

1303

00:50:38,329 --> 00:50:36,180

revelation for me so let me live it let

1304

00:50:39,349 --> 00:50:38,339

you out there who didn't know about it

1305

00:50:40,790 --> 00:50:39,359

live it

1306

00:50:43,549 --> 00:50:40,800

um Shane who brought this to my

1307

00:50:46,010 --> 00:50:43,559

attention let him live it and um just

1308

00:50:48,530 --> 00:50:46,020

have fun have fun with this topic while

1309

00:50:51,290 --> 00:50:48,540

this is serious about emergencies and

1310

00:50:54,410 --> 00:50:51,300

Hazards and and and stuff like that like

1311

00:50:57,170 --> 00:50:54,420

take some Solace and knowing that this

1312

00:50:59,329 --> 00:50:57,180

is crazy there's manuals and textbooks

1313

00:51:00,710 --> 00:50:59,339

out there having to do with UFOs I

1314

00:51:04,309 --> 00:51:00,720

believe it's the University of Michigan

1315

00:51:07,670 --> 00:51:04,319

who's putting a UFO course online and um

1316

00:51:09,770 --> 00:51:07,680

yeah go University of Michigan

1317

00:51:11,870 --> 00:51:09,780

um we are seeing UFO courses pop up in

1318

00:51:13,549 --> 00:51:11,880

universities all over the country and

1319

00:51:15,170 --> 00:51:13,559

presumably the world is well not just

1320

00:51:17,150 --> 00:51:15,180

the United States

1321

00:51:19,430 --> 00:51:17,160

um so yeah yeah I look forward to more

1322

00:51:23,150 --> 00:51:19,440

UFO courses being taught in school as

1323

00:51:24,710 --> 00:51:23,160

well in every way shape and form don't

1324

00:51:26,329 --> 00:51:24,720

be afraid to reach out to me

1325

00:51:27,410 --> 00:51:26,339

um that goes for if you've had a UFO

1326
00:51:29,450 --> 00:51:27,420
setting

1327
00:51:31,190 --> 00:51:29,460
um if you want to be featured on an

1328
00:51:33,530 --> 00:51:31,200
upcoming witness accounts episode of the

1329
00:51:35,809 --> 00:51:33,540
show where I literally have you come on

1330
00:51:37,849 --> 00:51:35,819
and talk about your UFO sightings in

1331
00:51:40,250 --> 00:51:37,859
your own words I'm not there it's just

1332
00:51:42,170 --> 00:51:40,260
you recording it sending it to me and I

1333
00:51:43,730 --> 00:51:42,180
play it with others as well

1334
00:51:45,770 --> 00:51:43,740
um you can use your name or you don't

1335
00:51:47,690 --> 00:51:45,780
have to it's a chance for you to get it

1336
00:51:49,609 --> 00:51:47,700
off your chest and talk about it with

1337
00:51:52,190 --> 00:51:49,619
people who understand what you've been

1338
00:51:54,109 --> 00:51:52,200

through and um and like hearing about

1339

00:51:56,210 --> 00:51:54,119

this stuff the more people who talk

1340

00:51:57,890 --> 00:51:56,220

about it the more normal it becomes and

1341

00:52:00,250 --> 00:51:57,900

we're living in an age where this topic

1342

00:52:04,730 --> 00:52:00,260

is being accepted more than ever before

1343

00:52:07,190 --> 00:52:04,740

so feel fortunate that we're living in a

1344

00:52:10,250 --> 00:52:07,200

time now where we can talk about UFOs

1345

00:52:13,069 --> 00:52:10,260

and um most people aren't laughing about

1346

00:52:16,670 --> 00:52:13,079

it and we've come a long way we truly

1347

00:52:19,069 --> 00:52:16,680

truly have so I appreciate everyone who

1348

00:52:21,109 --> 00:52:19,079

um is in this journey with me to try to

1349

00:52:23,270 --> 00:52:21,119

find the truth about UFOs none of us are

1350

00:52:25,970 --> 00:52:23,280

experts none of us truly know what's

1351
00:52:27,589 --> 00:52:25,980
going on and those who say they do know

1352
00:52:29,990 --> 00:52:27,599
what's going on those aren't the people

1353
00:52:31,910 --> 00:52:30,000
you want to be listening to this is a

1354
00:52:33,890 --> 00:52:31,920
constant journey of learning

1355
00:52:36,049 --> 00:52:33,900
um the phenomena seems to always be two

1356
00:52:38,329 --> 00:52:36,059
steps ahead of us but maybe one day

1357
00:52:41,630 --> 00:52:38,339
it'll be one step and then maybe we will

1358
00:52:43,190 --> 00:52:41,640
be in step with it soon I can't tell you

1359
00:52:44,930 --> 00:52:43,200
but um

1360
00:52:46,970 --> 00:52:44,940
if it doesn't happen in my lifetime I

1361
00:52:48,470 --> 00:52:46,980
hope it happens to my kids for sure

1362
00:52:50,270 --> 00:52:48,480
um but I think I'm gonna wrap it up

1363
00:52:52,790 --> 00:52:50,280

there guys thank you for joining me

1364

00:52:54,829 --> 00:52:52,800

tonight and as always keep your feet on

1365

00:52:58,250 --> 00:52:54,839

the ground but never stop searching

1366

00:52:58,260 --> 00:53:03,720

foreign

1367

00:53:16,840 --> 00:53:14,920

[Music]

1368

00:53:32,809 --> 00:53:16,850

[Applause]

1369

00:53:32,819 --> 00:53:36,490

foreign

1370

00:53:42,770 --> 00:53:39,730

[Music]

1371

00:53:44,510 --> 00:53:42,780

is produced by Third Kind Productions in
