[Music]

50

00:02:57,250 --> 00:02:27,140

foreign

51
00:03:03,110 --> 00:02:59,869
according to a report from the National

52
00:03:07,850 --> 00:03:03,120
UFO Reporting Center in the early hours

53
00:03:10,670 --> 00:03:07,860
of June 30th 1982 at around 3 A.M in a

54
00:03:12,949 --> 00:03:10,680
small Village near Cornwall England an

55
00:03:16,610 --> 00:03:12,959
anonymous gentleman lay in bed with his

56
00:03:18,649 --> 00:03:16,620
wife in their secluded Cottage on this

57
00:03:21,949 --> 00:03:18,659
particular evening the witness had

58
00:03:24,410 --> 00:03:21,959
awakened for no apparent reason at least

59
00:03:27,710 --> 00:03:24,420
that he was initially aware of

60
00:03:30,589 --> 00:03:27,720
then as he came to his senses he noticed

61
00:03:33,190 --> 00:03:30,599
a light in the bedroom similar to that

62
00:03:36,350 --> 00:03:33,200
of several candles burning

63
00:03:38,750 --> 00:03:36,360

realizing something was not right about

64

00:03:41,570 --> 00:03:38,760

the situation he began to turn from

65

00:03:43,070 --> 00:03:41,580

lying on his side to his back so that he

66

00:03:45,350 --> 00:03:43,080

could view the part of the room where

67

00:03:48,649 --> 00:03:45,360

the light seemed to be coming from

68

00:03:51,970 --> 00:03:48,659

when he did so he was confronted with a

69

00:03:54,589 --> 00:03:51,980

sight that he simply wasn't expecting

70

00:03:57,589 --> 00:03:54,599

there right in the front of him at the

71

00:04:00,110 --> 00:03:57,599

foot of the bed was a bizarre creature

72

00:04:03,110 --> 00:04:00,120

that he would later describe as being

73

00:04:05,589 --> 00:04:03,120

quote not of this world

74

00:04:08,890 --> 00:04:05,599

this creature just stood there

75

00:04:13,130 --> 00:04:08,900

motionless and staring straight at him

76

00:04:14,270 --> 00:04:13,140

then very slowly the creature blinked

77

00:04:18,050 --> 00:04:14,280

its eyes

78

00:04:20,689 --> 00:04:18,060

and then maintained its stare once more

79

00:04:23,090 --> 00:04:20,699

despite being shocked at what he was

80

00:04:26,030 --> 00:04:23,100

seeing the witness recalled feeling a

81

00:04:28,610 --> 00:04:26,040

sense of calm and peace running through

82

00:04:31,189 --> 00:04:28,620

him later elaborating that it was almost

83

00:04:33,469 --> 00:04:31,199

as if the creature was transmitting

84

00:04:35,629 --> 00:04:33,479

these feelings to him through some sort

85

00:04:38,450 --> 00:04:35,639

of telepathy

86

00:04:40,850 --> 00:04:38,460

after a few moments he sat up slightly

87

00:04:42,890 --> 00:04:40,860

where he lay a barrage of thoughts

88

00:04:46,010 --> 00:04:42,900

rumbling through his mind in spite of

89

00:04:48,110 --> 00:04:46,020

the calmness that he felt was he still

90

00:04:50,950 --> 00:04:48,120

dreaming and not really seeing this

91

00:04:53,810 --> 00:04:50,960

creature at all was it some bizarre and

92

00:04:57,189 --> 00:04:53,820

unexplained trick of the light

93

00:04:59,090 --> 00:04:57,199

and if it was real who was this entity

94

00:05:01,730 --> 00:04:59,100

or what

95

00:05:04,550 --> 00:05:01,740

where did it come from and why was it

96

00:05:07,249 --> 00:05:04,560

here with these thoughts in mind he

97

00:05:10,550 --> 00:05:07,259

reached to his arm and pinched himself

98

00:05:14,090 --> 00:05:10,560

several times but the creature remained

99

00:05:16,370 --> 00:05:14,100

where it was looking straight at him the

100

00:05:19,330 --> 00:05:16,380

witness continued to watch this bizarre

101
00:05:22,370 --> 00:05:19,340
figure as it in turn looked back at him

102
00:05:24,770 --> 00:05:22,380
although there was no physical signs it

103
00:05:27,650 --> 00:05:24,780
appeared very much to the witness as

104
00:05:29,930 --> 00:05:27,660
though the creature was smiling and for

105
00:05:31,850 --> 00:05:29,940
the first time he realized the light

106
00:05:35,390 --> 00:05:31,860
appeared to come from this strange

107
00:05:37,610 --> 00:05:35,400
entity particularly from its face

108
00:05:40,370 --> 00:05:37,620
after several moments the witness

109
00:05:41,990 --> 00:05:40,380
quickly scanned each side of the room in

110
00:05:45,710 --> 00:05:42,000
case there was anything else in there

111
00:05:48,110 --> 00:05:45,720
with him however aside from himself his

112
00:05:51,409 --> 00:05:48,120
still sleeping wife and this mysterious

113
00:05:53,629 --> 00:05:51,419

entity the room was empty

114

00:05:55,909 --> 00:05:53,639

the witness turned his attention back to

115

00:05:58,249 --> 00:05:55,919

the creature who remained at the foot of

116

00:06:00,469 --> 00:05:58,259

the bed he would describe the entity as

117

00:06:04,370 --> 00:06:00,479

about four feet tall having a slender

118

00:06:07,129 --> 00:06:04,380

body and gray skin its head was

119

00:06:09,170 --> 00:06:07,139

disproportionately large and it had deep

120

00:06:11,870 --> 00:06:09,180

black eyes

121

00:06:14,570 --> 00:06:11,880

at this point the witness turned towards

122

00:06:16,969 --> 00:06:14,580

his wife realizing that unless she saw

123

00:06:19,969 --> 00:06:16,979

the creature as well nobody would

124

00:06:23,029 --> 00:06:19,979

believe this bizarre tale he proceeded

125

00:06:25,670 --> 00:06:23,039

to try to gently wake her she stirred

126
00:06:28,249 --> 00:06:25,680
slightly and mumbled something before

127
00:06:31,430 --> 00:06:28,259
turning over in an attempt to go back to

128
00:06:34,370 --> 00:06:31,440
sleep but the witness persisted his wife

129
00:06:37,129 --> 00:06:34,380
eventually began coming around however

130
00:06:40,070 --> 00:06:37,139
as she was waking the witness noticed

131
00:06:44,210 --> 00:06:40,080
that the light was fading when he turned

132
00:06:47,150 --> 00:06:44,220
around the creature was gone he checked

133
00:06:50,930 --> 00:06:47,160
his watch and it was approaching 3 20

134
00:06:54,170 --> 00:06:50,940
a.m this bizarre stare off of sorts had

135
00:06:57,350 --> 00:06:54,180
lasted just shy of 20 minutes even

136
00:07:00,050 --> 00:06:57,360
though it only fell like moments

137
00:07:03,350 --> 00:07:00,060
and with that the incident of the

138
00:07:04,840 --> 00:07:03,360

staring creature was over and remains

139

00:07:06,710 --> 00:07:04,850

unexplained

140

00:07:09,529 --> 00:07:06,720

[Music]

141

00:07:12,469 --> 00:07:09,539

according to an article titled recent

142

00:07:15,890 --> 00:07:12,479

contacts in landing reports by brinsley

143

00:07:19,550 --> 00:07:15,900

Laporte trench in the July 1958 edition

144

00:07:22,550 --> 00:07:19,560

of flying saucer review James Cook had

145

00:07:26,290 --> 00:07:22,560

an encounter with a UFO and its

146

00:07:30,230 --> 00:07:26,300

occupants at around 2 am on September 7

147

00:07:32,210 --> 00:07:30,240

1957 in runcorn Cheshire

148

00:07:35,150 --> 00:07:32,220

it was an account that has been

149

00:07:38,330 --> 00:07:35,160

dismissed by many UFO researchers over

150

00:07:41,689 --> 00:07:38,340

the years and perhaps with good reason

151

00:07:44,210 --> 00:07:41,699

given the rather outlandish nature of it

152

00:07:47,089 --> 00:07:44,220

as you'll soon find out

153

00:07:49,010 --> 00:07:47,099

according to the report cook claimed to

154

00:07:52,189 --> 00:07:49,020

have received telepathic communication

155

00:07:56,390 --> 00:07:52,199

to leave his home and go to a particular

156

00:07:59,089 --> 00:07:56,400

Hill in the town which he duly did

157

00:08:01,790 --> 00:07:59,099

almost as soon as he arrived he

158

00:08:04,249 --> 00:08:01,800

witnessed a large craft heading toward

159

00:08:06,770 --> 00:08:04,259

him eventually hovering over a short

160

00:08:08,990 --> 00:08:06,780

distance from the ground approximately

161

00:08:11,930 --> 00:08:09,000

60 feet away from him

162

00:08:14,570 --> 00:08:11,940

as he watched this hovering object he

163

00:08:17,689 --> 00:08:14,580

noticed how it changed color going from

164

00:08:19,369 --> 00:08:17,699

Blue to White then back to Blue then to

165

00:08:22,670 --> 00:08:19,379

a dark red

166

00:08:24,890 --> 00:08:22,680

suddenly a set of stairs slid out from

167

00:08:26,150 --> 00:08:24,900

the side of the object stretching to the

168

00:08:28,670 --> 00:08:26,160

ground

169

00:08:32,149 --> 00:08:28,680

a voice then appeared in his mind

170

00:08:36,469 --> 00:08:32,159

telling him to step onto the ramp and to

171

00:08:39,589 --> 00:08:36,479

enter the craft he did so with no sense

172

00:08:43,370 --> 00:08:39,599

of fear or trepidation and stepped

173

00:08:45,710 --> 00:08:43,380

inside this otherworldly spaceship

174

00:08:48,650 --> 00:08:45,720

he immediately noticed that the interior

175

00:08:50,449 --> 00:08:48,660

of the craft was lit up and glowing as

176
00:08:52,550 --> 00:08:50,459
if the light was coming from the walls

177
00:08:54,590 --> 00:08:52,560
of The Craft themselves

178
00:08:57,590 --> 00:08:54,600
before he could take in any further

179
00:09:00,230 --> 00:08:57,600
details The Voice appeared again and

180
00:09:04,250 --> 00:09:00,240
asked him to remove his clothes and slip

181
00:09:06,350 --> 00:09:04,260
into a strange plastic suit and again he

182
00:09:09,949 --> 00:09:06,360
complied with the instruction before

183
00:09:12,650 --> 00:09:09,959
moving on further inside the craft

184
00:09:16,130 --> 00:09:12,660
he arrived in a room with around 20

185
00:09:19,030 --> 00:09:16,140
humanoids inside each around six feet

186
00:09:22,310 --> 00:09:19,040
tall and wearing the same blue uniform

187
00:09:25,370 --> 00:09:22,320
the next thing he realized the craft was

188
00:09:27,650 --> 00:09:25,380

moving and they were traveling into

189

00:09:29,870 --> 00:09:27,660

outer space

190

00:09:32,449 --> 00:09:29,880

he claimed to have been taken to their

191

00:09:35,570 --> 00:09:32,459

home planet which he said was called

192

00:09:38,570 --> 00:09:35,580

zombique which he claimed had yellow

193

00:09:41,810 --> 00:09:38,580

vegetation instead of green and was

194

00:09:44,329 --> 00:09:41,820

ruled by wise seniors

195

00:09:47,750 --> 00:09:44,339

he was then returned to Earth after this

196

00:09:49,130 --> 00:09:47,760

journey and was away for 45 hours in

197

00:09:51,470 --> 00:09:49,140

total

198

00:09:55,310 --> 00:09:51,480

how credible we should take Cook's

199

00:09:56,990 --> 00:09:55,320

account is obviously open for debate it

200

00:09:59,389 --> 00:09:57,000

is perhaps worth mentioning however

201
00:10:02,449 --> 00:09:59,399
though that cook would establish the

202
00:10:05,150 --> 00:10:02,459
Church of Aquarius shortly after this

203
00:10:07,490 --> 00:10:05,160
incident from here he would claim to

204
00:10:10,130 --> 00:10:07,500
receive telepathic messages from these

205
00:10:12,650 --> 00:10:10,140
alleged alien visitors

206
00:10:15,590 --> 00:10:12,660
the foundation lasted around a decade

207
00:10:16,910 --> 00:10:15,600
before he simply vanished from the

208
00:10:19,490 --> 00:10:16,920
public eye

209
00:10:23,990 --> 00:10:19,500
and thus came an end to the contacte

210
00:10:31,930 --> 00:10:27,710
according to a report in volume 6 Issue

211
00:10:36,110 --> 00:10:31,940
5 of the Buford journal on May 15

212
00:10:38,690 --> 00:10:36,120
1973 in Sandown on the Isle of Wight

213
00:10:41,449 --> 00:10:38,700

seven-year-old Faye was playing with a

214

00:10:44,449 --> 00:10:41,459

friend on the golf links when a sudden

215

00:10:46,910 --> 00:10:44,459

siren cut through the air

216

00:10:49,310 --> 00:10:46,920

the pair listened for a moment before

217

00:10:51,590 --> 00:10:49,320

then following the sound in an attempt

218

00:10:53,630 --> 00:10:51,600

to locate where it was coming from and

219

00:10:57,050 --> 00:10:53,640

what it was

220

00:11:00,170 --> 00:10:57,060

they eventually came to a swampy Meadow

221

00:11:02,449 --> 00:11:00,180

once there the sound stopped

222

00:11:05,509 --> 00:11:02,459

the two children decided to cross over

223

00:11:08,269 --> 00:11:05,519

the brook using a Footbridge and take a

224

00:11:11,090 --> 00:11:08,279

look at the other side as they did so

225

00:11:13,670 --> 00:11:11,100

however a strange figure suddenly

226

00:11:15,949 --> 00:11:13,680

appeared from underneath it

227

00:11:18,230 --> 00:11:15,959

although things were happening quickly

228

00:11:21,829 --> 00:11:18,240

it appeared to the children that this

229

00:11:23,449 --> 00:11:21,839

creature had a book in its hands that it

230

00:11:26,509 --> 00:11:23,459

temporarily dropped into the water

231

00:11:30,290 --> 00:11:26,519

before retrieving it again

232

00:11:32,630 --> 00:11:30,300

this strange and clumsy creature was

233

00:11:35,090 --> 00:11:32,640

approximately seven feet tall and was

234

00:11:37,550 --> 00:11:35,100

wearing a yellow pointed hood that

235

00:11:38,630 --> 00:11:37,560

appeared to have wooden antenna on the

236

00:11:41,269 --> 00:11:38,640

sides

237

00:11:43,850 --> 00:11:41,279

they would further recall that the

238

00:11:47,449 --> 00:11:43,860

creature had triangular markings For

239

00:11:48,650 --> 00:11:47,459

Eyes a brown Square nose and motionless

240

00:11:51,829 --> 00:11:48,660

lips

241

00:11:54,650 --> 00:11:51,839

it also wore blue gloves that appeared

242

00:11:57,410 --> 00:11:54,660

to show only three fingers

243

00:11:59,810 --> 00:11:57,420

as they watched the creature made its

244

00:12:03,530 --> 00:11:59,820

way to what the children described as a

245

00:12:05,990 --> 00:12:03,540

metallic Hut with no windows the

246

00:12:08,569 --> 00:12:06,000

creature went inside temporarily before

247

00:12:11,329 --> 00:12:08,579

returning holding something that looked

248

00:12:13,790 --> 00:12:11,339

like a microphone in its hand

249

00:12:17,630 --> 00:12:13,800

at this point the two children were

250

00:12:19,910 --> 00:12:17,640

approximately 150 feet from the creature

251
00:12:22,850 --> 00:12:19,920
they watched as it raised the apparent

252
00:12:25,310 --> 00:12:22,860
microphone to its mouth and asked if

253
00:12:27,710 --> 00:12:25,320
they were still there

254
00:12:30,530 --> 00:12:27,720
it appeared to the two witnesses that

255
00:12:33,410 --> 00:12:30,540
the tone of the creature was friendly

256
00:12:35,630 --> 00:12:33,420
and so they begin forward towards it

257
00:12:37,430 --> 00:12:35,640
they noticed that the creature appeared

258
00:12:41,150 --> 00:12:37,440
to be writing something in a large

259
00:12:46,550 --> 00:12:41,160
notebook which it then showed to them it

260
00:12:47,449 --> 00:12:46,560
said quote hello I am all colors Sam end

261
00:12:50,389 --> 00:12:47,459
quote

262
00:12:52,430 --> 00:12:50,399
the creature then spoke to them directly

263
00:12:54,949 --> 00:12:52,440

although without the aid of the

264

00:12:57,290 --> 00:12:54,959

microphone and without moving its mouth

265

00:12:59,870 --> 00:12:57,300

although its speech was a little broken

266

00:13:02,930 --> 00:12:59,880

and unclear the children could

267

00:13:05,569 --> 00:13:02,940

understand it they also noticed that the

268

00:13:08,750 --> 00:13:05,579

clothing on this creature appeared torn

269

00:13:11,210 --> 00:13:08,760

and they asked it why it was ripped and

270

00:13:13,670 --> 00:13:11,220

if this creature was a man

271

00:13:16,030 --> 00:13:13,680

when the creature replied no the

272

00:13:19,370 --> 00:13:16,040

children then asked if it was a ghost

273

00:13:22,129 --> 00:13:19,380

this time the creature replied that he

274

00:13:24,470 --> 00:13:22,139

wasn't but that quote in an odd sort of

275

00:13:27,710 --> 00:13:24,480

way I am

276

00:13:30,290 --> 00:13:27,720

end quote when they pressed as to what

277

00:13:32,930 --> 00:13:30,300

this creature was it simply replied

278

00:13:34,550 --> 00:13:32,940

quote you know

279

00:13:36,949 --> 00:13:34,560

end quote

280

00:13:39,230 --> 00:13:36,959

following this exchange the creature

281

00:13:41,930 --> 00:13:39,240

invited the two children into its

282

00:13:45,290 --> 00:13:41,940

metallic height which they entered via a

283

00:13:47,690 --> 00:13:45,300

lift up opening once inside they could

284

00:13:50,090 --> 00:13:47,700

see that it was made up of two different

285

00:13:52,670 --> 00:13:50,100

floors and contained what appeared to be

286

00:13:55,430 --> 00:13:52,680

simple wooden furniture

287

00:13:58,250 --> 00:13:55,440

there were also strange dials on the

288

00:14:00,050 --> 00:13:58,260

walls as well as some kind of heater the

289

00:14:02,449 --> 00:14:00,060

children spoke with the creature for a

290

00:14:04,069 --> 00:14:02,459

little while longer before finally going

291

00:14:08,810 --> 00:14:04,079

on their way

292

00:14:10,610 --> 00:14:08,820

home they blurted out to him that they

293

00:14:13,569 --> 00:14:10,620

had seen a ghost

294

00:14:17,329 --> 00:14:13,579

but just exactly what this ghost was

295

00:14:19,370 --> 00:14:17,339

remains a mystery and this remains one

296

00:14:21,710 --> 00:14:19,380

of the oddest close encounter

297

00:14:24,829 --> 00:14:21,720

experiences ever to come out of the

298

00:14:31,430 --> 00:14:27,829

at approximately 2 A.M on an August

299

00:14:33,710 --> 00:14:31,440

Night In 1976 just outside of Leeds in

300

00:14:36,590 --> 00:14:33,720

West Yorkshire another little-known

301

00:14:40,069 --> 00:14:36,600

close encounter unfolded

302

00:14:44,509 --> 00:14:40,079

according to a report in Volume 15 issue

303

00:14:47,389 --> 00:14:44,519

1 of UFO magazine mechanic Jen cedelecki

304

00:14:50,090 --> 00:14:47,399

had returned home from working late at a

305

00:14:52,129 --> 00:14:50,100

car garage and was so exhausted that he

306

00:14:55,189 --> 00:14:52,139

went straight to bed

307

00:14:58,490 --> 00:14:55,199

a short time later however a strange

308

00:15:00,530 --> 00:14:58,500

flash lit up his entire bedroom causing

309

00:15:03,530 --> 00:15:00,540

him to LEAP from his bed and head

310

00:15:05,329 --> 00:15:03,540

towards the window he first thought that

311

00:15:07,009 --> 00:15:05,339

there was an explosion that had happened

312

00:15:10,310 --> 00:15:07,019

at the garage

313

00:15:12,949 --> 00:15:10,320

however when he appeared outside he was

314

00:15:16,610 --> 00:15:12,959

shocked to see a bizarre saucer-shaped

315

00:15:19,069 --> 00:15:16,620

craft hovering above the ground

316

00:15:21,829 --> 00:15:19,079

craft appeared to be in distress and had

317

00:15:24,550 --> 00:15:21,839

a noticeable wobble

318

00:15:27,230 --> 00:15:24,560

Jan quickly dressed and rushed outside

319

00:15:29,569 --> 00:15:27,240

he headed in the same direction as the

320

00:15:32,090 --> 00:15:29,579

craft as it descended over a nearby

321

00:15:34,790 --> 00:15:32,100

field and landed

322

00:15:36,769 --> 00:15:34,800

the craft had three legs that protruded

323

00:15:40,250 --> 00:15:36,779

from the underside

324

00:15:43,129 --> 00:15:40,260

Chan remained where he was and watched a

325

00:15:45,350 --> 00:15:43,139

moment later a tube-like shape emerged

326

00:15:46,730 --> 00:15:45,360

from the craft and stretched to the

327

00:15:48,889 --> 00:15:46,740

ground

328

00:15:51,769 --> 00:15:48,899

with the underside of The Craft glowing

329

00:15:54,650 --> 00:15:51,779

the tube began to open

330

00:15:57,050 --> 00:15:54,660

a few moments later two humanoid figures

331

00:15:59,689 --> 00:15:57,060

stepped out of the tube and stood in

332

00:16:02,030 --> 00:15:59,699

front of Jan both were around four feet

333

00:16:05,269 --> 00:16:02,040

tall and Jan could see that they were

334

00:16:08,150 --> 00:16:05,279

signaling him to come closer cautiously

335

00:16:09,769 --> 00:16:08,160

he did he could hear the creatures

336

00:16:12,650 --> 00:16:09,779

talking to each other in a language

337

00:16:15,470 --> 00:16:12,660

unknown to him he further noticed that

338

00:16:18,110 --> 00:16:15,480

each War would appear to be mittens on

339

00:16:20,090 --> 00:16:18,120

their hands while on their chests they

340

00:16:23,569 --> 00:16:20,100

wore a square patch that was full of

341

00:16:25,970 --> 00:16:23,579

different colored buttons and switches

342

00:16:28,430 --> 00:16:25,980

he watched as both of these humanoids

343

00:16:31,670 --> 00:16:28,440

were manipulating the switches on these

344

00:16:34,490 --> 00:16:31,680

chest panels then suddenly they begin

345

00:16:37,189 --> 00:16:34,500

speaking in English as if the chest

346

00:16:40,310 --> 00:16:37,199

device was somehow translating what they

347

00:16:41,870 --> 00:16:40,320

were saying they went on to inform Jan

348

00:16:45,050 --> 00:16:41,880

that they had trouble with their ship

349

00:16:47,629 --> 00:16:45,060

and had to carry out repairs he noticed

350

00:16:50,329 --> 00:16:47,639

when they spoke that their voices had a

351
00:16:52,189 --> 00:16:50,339
tinny sound to them Jen was then invited

352
00:16:53,990 --> 00:16:52,199
on board the craft while the repairs

353
00:16:57,230 --> 00:16:54,000
were being carried out

354
00:16:59,870 --> 00:16:57,240
an invitation he accepted

355
00:17:02,030 --> 00:16:59,880
as soon as he stepped inside he was met

356
00:17:05,689 --> 00:17:02,040
with an odor that reminded him of

357
00:17:07,730 --> 00:17:05,699
rotting grass regardless he followed the

358
00:17:09,890 --> 00:17:07,740
two humanoids and eventually found

359
00:17:12,350 --> 00:17:09,900
himself in what appeared to be the main

360
00:17:14,449 --> 00:17:12,360
Central room of The Craft

361
00:17:16,909 --> 00:17:14,459
around the edge of the room there was a

362
00:17:19,669 --> 00:17:16,919
small trough of water around two feet

363
00:17:22,429 --> 00:17:19,679

wide and on top of this water was what

364

00:17:25,189 --> 00:17:22,439

appeared to be a strange green grassy

365

00:17:27,949 --> 00:17:25,199

vegetation that seemed to grow on top of

366

00:17:29,690 --> 00:17:27,959

the water he noticed several figures

367

00:17:31,549 --> 00:17:29,700

slightly different from the first

368

00:17:33,770 --> 00:17:31,559

humanoids who appeared to be engaged

369

00:17:36,529 --> 00:17:33,780

with the said repair huddled around an

370

00:17:38,450 --> 00:17:36,539

area on the far side of the room from

371

00:17:41,270 --> 00:17:38,460

what Jen could see they were gathered

372

00:17:43,970 --> 00:17:41,280

around a circular container that had a

373

00:17:46,190 --> 00:17:43,980

black bubbling liquid inside and from

374

00:17:49,549 --> 00:17:46,200

which occasional flashes of red light

375

00:17:51,950 --> 00:17:49,559

jumped into the air before Jan could

376

00:17:53,930 --> 00:17:51,960

take in any more details however a

377

00:17:56,690 --> 00:17:53,940

sudden football-shaped orange light

378

00:17:58,970 --> 00:17:56,700

appeared in the room and began darting

379

00:18:02,270 --> 00:17:58,980

from one place to another

380

00:18:04,549 --> 00:18:02,280

as it did so commotion broke out inside

381

00:18:07,310 --> 00:18:04,559

the craft and one of the humanoids told

382

00:18:09,470 --> 00:18:07,320

Jan that he would have to leave telling

383

00:18:12,230 --> 00:18:09,480

him once he was outside the ship he

384

00:18:13,669 --> 00:18:12,240

should run as far away from the craft as

385

00:18:16,250 --> 00:18:13,679

he could

386

00:18:19,070 --> 00:18:16,260

Jen did so and as soon as his feet

387

00:18:21,890 --> 00:18:19,080

touched the ground he ran as fast as he

388

00:18:23,750 --> 00:18:21,900

could as he did so he heard a

389

00:18:26,870 --> 00:18:23,760

high-pitched Whistling noise which

390

00:18:29,210 --> 00:18:26,880

increased in volume and intensity when

391

00:18:31,490 --> 00:18:29,220

he turned around the object was Rising

392

00:18:33,770 --> 00:18:31,500

into the night sky with what looked like

393

00:18:37,789 --> 00:18:33,780

red Flames coming from the underside

394

00:18:40,669 --> 00:18:37,799

soon the craft disappeared out of sight

395

00:18:43,490 --> 00:18:40,679

leaving Jan with a lifetime of memories

396

00:18:46,610 --> 00:18:43,500

of that bizarre day and the encounter

397

00:18:49,730 --> 00:18:46,620

with the humanoids in West Yorkshire and

398

00:18:52,190 --> 00:18:49,740

he always thought huh maybe I could help

399

00:18:56,630 --> 00:18:52,200

them repair the craft unfortunately

400

00:19:01,430 --> 00:18:59,210

another remarkable account occurred in

401
00:19:05,090 --> 00:19:01,440
the town of gateshead in northern

402
00:19:07,430 --> 00:19:05,100
England in August of 1979.

403
00:19:11,510 --> 00:19:07,440
the incident was documented in the book

404
00:19:13,370 --> 00:19:11,520
the Paranormal Files by CJ Austin and

405
00:19:15,650 --> 00:19:13,380
D.W Morris

406
00:19:18,230 --> 00:19:15,660
according to the account in the early

407
00:19:21,529 --> 00:19:18,240
hours one morning the witness referred

408
00:19:23,570 --> 00:19:21,539
to as Carol W laid awake in her bed

409
00:19:25,669 --> 00:19:23,580
waiting for her husband to return home

410
00:19:27,230 --> 00:19:25,679
from work on The Late Shift

411
00:19:29,570 --> 00:19:27,240
she had brought a cup of tea upstairs

412
00:19:31,370 --> 00:19:29,580
with her in an attempt to nurse a

413
00:19:34,789 --> 00:19:31,380

toothache which had prevented her from

414

00:19:37,070 --> 00:19:34,799

falling asleep suddenly a strange and

415

00:19:39,470 --> 00:19:37,080

intense bright red light appeared

416

00:19:41,750 --> 00:19:39,480

through the bedroom curtains causing her

417

00:19:43,789 --> 00:19:41,760

to immediately leave her bed and rush to

418

00:19:45,409 --> 00:19:43,799

the window to see what was causing this

419

00:19:48,470 --> 00:19:45,419

mysterious glow

420

00:19:50,690 --> 00:19:48,480

when she looked outside she saw a disc

421

00:19:54,289 --> 00:19:50,700

shaped object hovering over the street

422

00:19:57,710 --> 00:19:54,299

right outside of her home this object

423

00:19:59,510 --> 00:19:57,720

sparkled with multi-colored lights as it

424

00:20:01,669 --> 00:19:59,520

remained motionless a short distance

425

00:20:04,850 --> 00:20:01,679

above the rooftops

426

00:20:08,350 --> 00:20:04,860

then without warning it simply shot off

427

00:20:11,570 --> 00:20:08,360

into the sky and disappeared in a Flash

428

00:20:13,669 --> 00:20:11,580

unsure of what exactly she had seen Caro

429

00:20:14,570 --> 00:20:13,679

retreated from the window and returned

430

00:20:17,210 --> 00:20:14,580

to bed

431

00:20:19,909 --> 00:20:17,220

several moments later however in exact

432

00:20:22,610 --> 00:20:19,919

miniature replica of the other worldly

433

00:20:25,010 --> 00:20:22,620

craft entered her room through the

434

00:20:27,590 --> 00:20:25,020

window casting off several Sparks from

435

00:20:30,470 --> 00:20:27,600

its exterior as it did so

436

00:20:32,390 --> 00:20:30,480

it moved over her bed and hovered above

437

00:20:35,450 --> 00:20:32,400

it for several moments

438

00:20:38,450 --> 00:20:35,460

when it did this carol began to feel a

439

00:20:40,190 --> 00:20:38,460

bizarre sensation throughout her body

440

00:20:42,230 --> 00:20:40,200

the object then moved away from the bed

441

00:20:46,010 --> 00:20:42,240

and left the room through the open

442

00:20:49,370 --> 00:20:46,020

bedroom door at a considerable pace

443

00:20:52,190 --> 00:20:49,380

this strange craft returned around two

444

00:20:55,130 --> 00:20:52,200

weeks later this time Carol's husband

445

00:20:58,250 --> 00:20:55,140

was at home and she immediately called

446

00:21:00,770 --> 00:20:58,260

out to him however by the time he'd

447

00:21:03,650 --> 00:21:00,780

arrived the object had disappeared back

448

00:21:06,650 --> 00:21:03,660

out the bedroom window Carol was

449

00:21:09,110 --> 00:21:06,660

understandably shaken by the events and

450

00:21:10,610 --> 00:21:09,120

left with such an anxious feeling that

451
00:21:13,789 --> 00:21:10,620
the next time her husband was working

452
00:21:15,049 --> 00:21:13,799
the late shift she opted to stay at her

453
00:21:18,230 --> 00:21:15,059
mother's house

454
00:21:20,570 --> 00:21:18,240
however the events were about to take an

455
00:21:22,610 --> 00:21:20,580
even stranger turn

456
00:21:24,710 --> 00:21:22,620
after returning to bed on the night in

457
00:21:28,010 --> 00:21:24,720
question at her mother's house Carol

458
00:21:30,649 --> 00:21:28,020
suddenly awoke at 4am she immediately

459
00:21:33,950 --> 00:21:30,659
noticed the strange miniature UFO

460
00:21:37,070 --> 00:21:33,960
hovering over her of even more concern

461
00:21:39,710 --> 00:21:37,080
though was a fact that she was unable to

462
00:21:41,690 --> 00:21:39,720
move it was only after several moments

463
00:21:44,810 --> 00:21:41,700

that she realized there were also

464

00:21:47,810 --> 00:21:44,820

several small humanoids in the room the

465

00:21:51,289 --> 00:21:47,820

small entities were around two feet tall

466

00:21:54,649 --> 00:21:51,299

were strange white suits and had hair

467

00:21:56,930 --> 00:21:54,659

that appeared like doll's hair Carol

468

00:21:59,210 --> 00:21:56,940

watched helplessly as they began

469

00:22:02,450 --> 00:21:59,220

approaching the bed making strange

470

00:22:04,070 --> 00:22:02,460

clicking sounds as they moved they

471

00:22:07,310 --> 00:22:04,080

proceeded to perform some kind of

472

00:22:10,190 --> 00:22:07,320

examination on her before retreating and

473

00:22:12,470 --> 00:22:10,200

disappearing these small entities would

474

00:22:15,289 --> 00:22:12,480

continue appearing randomly for around

475

00:22:18,710 --> 00:22:15,299

two months and then all activity

476
00:22:21,230 --> 00:22:18,720
abruptly ceased and Carol never

477
00:22:23,570 --> 00:22:21,240
encountered them again

478
00:22:26,450 --> 00:22:23,580
what they were and what they wanted

479
00:22:29,029 --> 00:22:26,460
would remain a mystery that Carol could

480
00:22:31,130 --> 00:22:29,039
never truly understand leaving her with

481
00:22:36,409 --> 00:22:31,140
a lifetime of questions of the

482
00:22:41,870 --> 00:22:39,409
of course as intriguing as these close

483
00:22:44,750 --> 00:22:41,880
encounters with apparent humanoid aliens

484
00:22:47,750 --> 00:22:44,760
are there are just as many sightings of

485
00:22:49,909 --> 00:22:47,760
strange lights and mysterious objects

486
00:22:52,970 --> 00:22:49,919
that are on record from the United

487
00:22:56,390 --> 00:22:52,980
Kingdom one of these incidents may even

488
00:23:00,529 --> 00:22:56,400

have been a UFO crash

489

00:23:02,930 --> 00:23:00,539

on the evening of January 5th 1965 just

490

00:23:06,529 --> 00:23:02,940

outside Cambridge in eastern England

491

00:23:08,630 --> 00:23:06,539

local resident Max Moran witnessed

492

00:23:11,750 --> 00:23:08,640

something mysterious moving through the

493

00:23:14,330 --> 00:23:11,760

sky and fall to the ground however

494

00:23:16,610 --> 00:23:14,340

rather than be a meteor as we might

495

00:23:18,649 --> 00:23:16,620

suspect Max would go on to give a

496

00:23:21,710 --> 00:23:18,659

precise description of what would appear

497

00:23:22,909 --> 00:23:21,720

to be a solid intelligently designed

498

00:23:25,610 --> 00:23:22,919

object

499

00:23:28,490 --> 00:23:25,620

in a report to the local meteorological

500

00:23:30,529 --> 00:23:28,500

office he would state that quote while

501
00:23:33,710 --> 00:23:30,539
the object was in the sunlight it gave

502
00:23:35,810 --> 00:23:33,720
the appearance of a curved object it

503
00:23:38,330 --> 00:23:35,820
moved much too fast to have been simply

504
00:23:40,549 --> 00:23:38,340
a parachute it eventually disappeared

505
00:23:44,330 --> 00:23:40,559
Beyond the Horizon but was most

506
00:23:46,850 --> 00:23:44,340
definitely moving downward end quote

507
00:23:49,490 --> 00:23:46,860
Max's report would eventually find its

508
00:23:51,830 --> 00:23:49,500
way to the offices of the ministry of

509
00:23:53,930 --> 00:23:51,840
Defense who instructed the local police

510
00:23:56,149 --> 00:23:53,940
to investigate the sighting and then

511
00:23:58,909 --> 00:23:56,159
report back to them

512
00:24:02,270 --> 00:23:58,919
this among other lines of inquiry

513
00:24:06,230 --> 00:24:02,280

resulted in an 11-page report that was

514

00:24:07,970 --> 00:24:06,240

only Declassified in the mid 1990s the

515

00:24:10,210 --> 00:24:07,980

report would state that as well as

516

00:24:13,130 --> 00:24:10,220

instructing the local police the mod

517

00:24:16,270 --> 00:24:13,140

contacted various departments across the

518

00:24:19,370 --> 00:24:16,280

Armed Forces including the Royal Navy

519

00:24:22,190 --> 00:24:19,380

ultimately these various departments and

520

00:24:24,950 --> 00:24:22,200

organizations were unable to come up

521

00:24:27,250 --> 00:24:24,960

with any plausible explanation for what

522

00:24:30,049 --> 00:24:27,260

Max had reported

523

00:24:32,090 --> 00:24:30,059

interestingly this case only came to

524

00:24:34,909 --> 00:24:32,100

light when it was Declassified as part

525

00:24:37,370 --> 00:24:34,919

of the UK's 30-year rule meaning all

526

00:24:39,649 --> 00:24:37,380

documents whether highly classified or

527

00:24:42,710 --> 00:24:39,659

not have to be placed in the public

528

00:24:44,870 --> 00:24:42,720

domain that the government chose to hold

529

00:24:47,810 --> 00:24:44,880

on to this until it was forced to

530

00:24:50,570 --> 00:24:47,820

disclose it is perhaps an indicator of

531

00:24:51,710 --> 00:24:50,580

the importance and potential of the

532

00:24:54,169 --> 00:24:51,720

sighting

533

00:24:56,570 --> 00:24:54,179

and of course there could always be the

534

00:24:59,210 --> 00:24:56,580

possibility that further information and

535

00:25:01,789 --> 00:24:59,220

details on this incident remain locked

536

00:25:07,190 --> 00:25:01,799

away from the public as are the answers

537

00:25:13,909 --> 00:25:11,210

in 1986 several particularly intriguing

538

00:25:17,630 --> 00:25:13,919

sightings are on record on the evening

539

00:25:20,930 --> 00:25:17,640
of June 15th in shark town in Somerset

540

00:25:23,330 --> 00:25:20,940
at around 7 PM the 16 year old witness

541

00:25:25,850 --> 00:25:23,340
was playing in the local school Fields

542

00:25:29,289 --> 00:25:25,860
with friends when they noticed a ball of

543

00:25:31,970 --> 00:25:29,299
light moving incredibly fast above them

544

00:25:34,850 --> 00:25:31,980
they all stopped what they were doing in

545

00:25:37,430 --> 00:25:34,860
order to watch this aerial display they

546

00:25:39,890 --> 00:25:37,440
all agreed that they were not looking at

547

00:25:42,230 --> 00:25:39,900
a satellite nor was it any type of

548

00:25:43,909 --> 00:25:42,240
conventional aircraft

549

00:25:46,130 --> 00:25:43,919
they would recall that it was around

550

00:25:48,529 --> 00:25:46,140
four to five times brighter than the

551
00:25:50,930 --> 00:25:48,539
brightest star it was approximately five

552
00:25:53,330 --> 00:25:50,940
to seven miles above them

553
00:25:55,789 --> 00:25:53,340
they were all shocked at what they were

554
00:25:58,370 --> 00:25:55,799
seeing in one of the group even ran back

555
00:26:00,590 --> 00:25:58,380
home because they were terrified

556
00:26:02,990 --> 00:26:00,600
the remaining friends remembered they

557
00:26:04,909 --> 00:26:03,000
had a rabbiting light with them and so

558
00:26:08,630 --> 00:26:04,919
proceeded to flash it at the object

559
00:26:10,789 --> 00:26:08,640
repeatedly as a side note guys as we've

560
00:26:14,210 --> 00:26:10,799
learned from Rob Christopherson of the

561
00:26:17,149 --> 00:26:14,220
our Strange Skies podcast do not shine

562
00:26:20,750 --> 00:26:17,159
flashlights at UFOs

563
00:26:22,850 --> 00:26:20,760

the light was at first unresponsive it

564

00:26:25,070 --> 00:26:22,860

did though come to a sudden halt in the

565

00:26:26,990 --> 00:26:25,080

sky around 30 minutes after they'd first

566

00:26:29,870 --> 00:26:27,000

noticed it the group of friends

567

00:26:31,850 --> 00:26:29,880

continued to watch it amazed when a

568

00:26:34,730 --> 00:26:31,860

second light shot out of the end of it

569

00:26:35,930 --> 00:26:34,740

and began to move around at tremendous

570

00:26:37,909 --> 00:26:35,940

speeds

571

00:26:41,570 --> 00:26:37,919

then another light shot out of the

572

00:26:44,090 --> 00:26:41,580

glowing object then a third and a fourth

573

00:26:46,190 --> 00:26:44,100

until eventually they had lost count as

574

00:26:48,110 --> 00:26:46,200

to how many lights had been shot out of

575

00:26:51,890 --> 00:26:48,120

this object guessing it was anywhere

576
00:26:54,230 --> 00:26:51,900
from 30 to 50 in total

577
00:26:56,510 --> 00:26:54,240
these emerging lights were no brighter

578
00:26:59,090 --> 00:26:56,520
than the stars in the sky but they

579
00:27:00,950 --> 00:26:59,100
didn't flicker as the stars did and so

580
00:27:03,830 --> 00:27:00,960
they were easy for the group to pick

581
00:27:06,350 --> 00:27:03,840
them out what's more they moved across

582
00:27:08,810 --> 00:27:06,360
the sky at various speeds

583
00:27:10,850 --> 00:27:08,820
after several minutes these secondary

584
00:27:14,210 --> 00:27:10,860
lights began returning to the initial

585
00:27:16,070 --> 00:27:14,220
glowing object one by one until they had

586
00:27:18,649 --> 00:27:16,080
all disappeared leaving the single

587
00:27:22,430 --> 00:27:18,659
larger light hovering for several more

588
00:27:25,010 --> 00:27:22,440

moments before simply fading away

589

00:27:26,649 --> 00:27:25,020

with that the group left the field and

590

00:27:29,450 --> 00:27:26,659

returned to their respective homes

591

00:27:31,549 --> 00:27:29,460

although they had no idea about what

592

00:27:34,850 --> 00:27:31,559

they had seen they knew it was something

593

00:27:37,430 --> 00:27:34,860

very much out of the ordinary however

594

00:27:40,130 --> 00:27:37,440

the following evening the main witness

595

00:27:44,570 --> 00:27:40,140

would find themselves once more looking

596

00:27:46,730 --> 00:27:44,580

at a true aerial anomaly this time the

597

00:27:48,649 --> 00:27:46,740

witness was outside their home and the

598

00:27:50,930 --> 00:27:48,659

events from the previous evening were

599

00:27:53,630 --> 00:27:50,940

still very much in their mind

600

00:27:55,669 --> 00:27:53,640

as such they were staring at the sky in

601
00:27:58,370 --> 00:27:55,679
case they witnessed anything further to

602
00:28:00,409 --> 00:27:58,380
suggest this was the same object to

603
00:28:04,430 --> 00:28:00,419
their disbelief they did see something

604
00:28:07,010 --> 00:28:04,440
else a large round sphere that appeared

605
00:28:08,149 --> 00:28:07,020
to be an upturned hot air balloon of

606
00:28:10,190 --> 00:28:08,159
some sort

607
00:28:12,049 --> 00:28:10,200
there were multiple colored flashing

608
00:28:15,110 --> 00:28:12,059
lights around the exterior of this

609
00:28:18,049 --> 00:28:15,120
object realizing the object was likely

610
00:28:20,390 --> 00:28:18,059
not a conventional aircraft or a hot air

611
00:28:22,669 --> 00:28:20,400
balloon the witness ran back inside the

612
00:28:24,529 --> 00:28:22,679
house to grab the binoculars and tell

613
00:28:25,850 --> 00:28:24,539

their father to come outside to see it

614

00:28:27,710 --> 00:28:25,860

as well

615

00:28:30,169 --> 00:28:27,720

when they viewed the object through the

616

00:28:33,769 --> 00:28:30,179

binoculars they realized that it was

617

00:28:36,230 --> 00:28:33,779

indeed something truly strange and

618

00:28:38,149 --> 00:28:36,240

definitely a solid object

619

00:28:40,190 --> 00:28:38,159

although they couldn't see exactly what

620

00:28:42,529 --> 00:28:40,200

the shape was there appeared to be

621

00:28:44,930 --> 00:28:42,539

panels in between the lights

622

00:28:46,570 --> 00:28:44,940

the object remained in sight for around

623

00:28:49,310 --> 00:28:46,580

10 minutes

624

00:28:50,930 --> 00:28:49,320

interestingly only hours before the

625

00:28:54,769 --> 00:28:50,940

first sighting the group had in the

626

00:28:57,169 --> 00:28:54,779

field at around 12 30 PM in Oxford a

627

00:28:59,570 --> 00:28:57,179

similar sighting of a sphere-shaped

628

00:29:02,149 --> 00:28:59,580

object was reported

629

00:29:04,310 --> 00:29:02,159

according to the report the witness was

630

00:29:07,730 --> 00:29:04,320

on their way to London and was stuck in

631

00:29:09,950 --> 00:29:07,740

traffic on Oxford High Street as they

632

00:29:11,870 --> 00:29:09,960

sat in their motionless vehicle their

633

00:29:13,909 --> 00:29:11,880

attention was captured by something in

634

00:29:17,090 --> 00:29:13,919

the sky that the witness at first

635

00:29:19,610 --> 00:29:17,100

thought was the moon however they

636

00:29:21,909 --> 00:29:19,620

quickly realized it wasn't the moon they

637

00:29:24,110 --> 00:29:21,919

were looking at it all but some kind of

638

00:29:26,570 --> 00:29:24,120

white-colored sphere

639

00:29:29,269 --> 00:29:26,580

it remained in sight for around 20

640

00:29:32,870 --> 00:29:29,279

seconds then accelerated away and

641

00:29:35,210 --> 00:29:32,880

disappeared into the distance

642

00:29:38,450 --> 00:29:35,220

according to the files of the Cornwall

643

00:29:42,950 --> 00:29:38,460

UFO research group at around 10 pm on

644

00:29:44,630 --> 00:29:42,960

August 9 2004 in Saint Agnes Beacon a

645

00:29:46,610 --> 00:29:44,640

couple were driving towards the beach

646

00:29:48,409 --> 00:29:46,620

when they noticed what they believed

647

00:29:51,649 --> 00:29:48,419

were the headlights of an approaching

648

00:29:54,529 --> 00:29:51,659

car the witness's automatic reaction was

649

00:29:56,870 --> 00:29:54,539

to dip his own headlights however when

650

00:30:00,289 --> 00:29:56,880

he did so he realized there was no

651
00:30:03,049 --> 00:30:00,299
oncoming vehicle at the same time the

652
00:30:07,430 --> 00:30:03,059
witness's wife saw a round glowing light

653
00:30:10,310 --> 00:30:07,440
about 350 feet away and around 170 feet

654
00:30:12,169 --> 00:30:10,320
in the air they continued in the

655
00:30:14,810 --> 00:30:12,179
direction they were going the object

656
00:30:15,769 --> 00:30:14,820
eventually passing directly over the top

657
00:30:18,649 --> 00:30:15,779
of them

658
00:30:21,830 --> 00:30:18,659
as it did so they could make out an

659
00:30:24,470 --> 00:30:21,840
inverted red orange triangle just below

660
00:30:26,810 --> 00:30:24,480
the clouds it was visible for no more

661
00:30:29,630 --> 00:30:26,820
than two seconds before disappearing

662
00:30:35,269 --> 00:30:32,570
several months later at around 1am on

663
00:30:38,389 --> 00:30:35,279

October 17 in Cheshire a Liverpool

664

00:30:40,490 --> 00:30:38,399

resident Paul reason was driving home

665

00:30:41,690 --> 00:30:40,500

with his wife after visiting friends for

666

00:30:44,630 --> 00:30:41,700

the evening

667

00:30:45,289 --> 00:30:44,640

their vehicle was the only one on the

668

00:30:48,649 --> 00:30:45,299

road

669

00:30:51,049 --> 00:30:48,659

suddenly to the left a bizarre Vapor

670

00:30:53,269 --> 00:30:51,059

appeared as if it was a suddenly

671

00:30:57,230 --> 00:30:53,279

appearing fog

672

00:30:59,570 --> 00:30:57,240

however unlike a normal fog this Misty

673

00:31:02,810 --> 00:30:59,580

substance remained in front of their car

674

00:31:03,789 --> 00:31:02,820

appearing to travel at the exact same

675

00:31:06,889 --> 00:31:03,799

speed

676
00:31:08,930 --> 00:31:06,899
the thought that some kind of Vortex was

677
00:31:11,570 --> 00:31:08,940
forming right in front of them shot

678
00:31:13,970 --> 00:31:11,580
through Paul's mind and he told his wife

679
00:31:17,029 --> 00:31:13,980
to slow the car down so that they didn't

680
00:31:19,430 --> 00:31:17,039
drive into the strange mist

681
00:31:23,990 --> 00:31:19,440
you could see something spinning within

682
00:31:26,870 --> 00:31:24,000
the Mist as well as strange blue flashes

683
00:31:29,149 --> 00:31:26,880
then the mist transferred itself to the

684
00:31:31,549 --> 00:31:29,159
top of their car

685
00:31:34,010 --> 00:31:31,559
the entire interior of the vehicle being

686
00:31:36,230 --> 00:31:34,020
lit up and blew

687
00:31:39,110 --> 00:31:36,240
they continued driving eventually

688
00:31:41,450 --> 00:31:39,120

turning down another road

689

00:31:43,370 --> 00:31:41,460

the Mist temporarily returned to the

690

00:31:47,149 --> 00:31:43,380

side of their vehicle before shooting

691

00:31:49,370 --> 00:31:47,159

off into the air at this point Paul

692

00:31:52,070 --> 00:31:49,380

opened the passenger window and peeked

693

00:31:53,029 --> 00:31:52,080

outside looking directly up towards the

694

00:31:56,090 --> 00:31:53,039

glow

695

00:31:59,210 --> 00:31:56,100

from this vantage point he could see two

696

00:32:02,210 --> 00:31:59,220

rings that was lit up in blue inside

697

00:32:04,669 --> 00:32:02,220

smaller plasma-like teardrop shapes

698

00:32:07,730 --> 00:32:04,679

chained together spinning and

699

00:32:10,010 --> 00:32:07,740

individually wobbling the object

700

00:32:12,710 --> 00:32:10,020

remained with the vehicle until they

701
00:32:14,510 --> 00:32:12,720
reached the motorway and then it finally

702
00:32:16,490 --> 00:32:14,520
disappeared

703
00:32:19,490 --> 00:32:16,500
although the witness reported the

704
00:32:22,430 --> 00:32:19,500
incident to several UFO organizations as

705
00:32:26,570 --> 00:32:22,440
well as NASA the incident was never

706
00:32:34,310 --> 00:32:31,190
just before 9 pm on March 12 2007 in the

707
00:32:37,070 --> 00:32:34,320
town of Swindon in Southwest England a

708
00:32:39,889 --> 00:32:37,080
17 year old Chris Morin spotted in

709
00:32:42,590 --> 00:32:39,899
unusual object overhead

710
00:32:44,510 --> 00:32:42,600
according to a report which received

711
00:32:47,330 --> 00:32:44,520
coverage on several local media

712
00:32:49,430 --> 00:32:47,340
platforms the witness was walking near

713
00:32:51,830 --> 00:32:49,440

open ground when he noticed something

714

00:32:55,130 --> 00:32:51,840

out of the corner of his eye

715

00:32:57,830 --> 00:32:55,140

turned and noticed an oval-shaped object

716

00:33:00,649 --> 00:32:57,840

that was quite bright and was simply

717

00:33:02,630 --> 00:33:00,659

hanging in the sky

718

00:33:05,210 --> 00:33:02,640

it was only visible for a matter of

719

00:33:07,070 --> 00:33:05,220

seconds before it zoomed off into the

720

00:33:09,230 --> 00:33:07,080

distance

721

00:33:11,630 --> 00:33:09,240

Chris turned to the Friends he was with

722

00:33:14,930 --> 00:33:11,640

and asked if they too had seen it

723

00:33:16,430 --> 00:33:14,940

however much to his dismay they claimed

724

00:33:19,190 --> 00:33:16,440

they hadn't

725

00:33:23,090 --> 00:33:19,200

around an hour later however the object

726
00:33:24,529 --> 00:33:23,100
was seen again in this time all of them

727
00:33:27,230 --> 00:33:24,539
saw it

728
00:33:29,210 --> 00:33:27,240
on this occasion they were outside a

729
00:33:31,610 --> 00:33:29,220
public house when the object was once

730
00:33:34,009 --> 00:33:31,620
more visible in the night sky the

731
00:33:36,889 --> 00:33:34,019
witness once more stated it was an oval

732
00:33:39,669 --> 00:33:36,899
shape like a rugby ball

733
00:33:43,130 --> 00:33:39,679
they also stated that it was seemingly

734
00:33:45,769 --> 00:33:43,140
completely silent with no sound of

735
00:33:47,570 --> 00:33:45,779
engines or the usual rumbling sound that

736
00:33:51,110 --> 00:33:47,580
might often be associated with an

737
00:33:53,570 --> 00:33:51,120
aircraft moving at such a fast pace a

738
00:33:55,850 --> 00:33:53,580

pace incidentally that appeared far too

739

00:33:59,029 --> 00:33:55,860

fast for anything the witnesses had seen

740

00:34:01,009 --> 00:33:59,039

previously when the ministry of defense

741

00:34:03,769 --> 00:34:01,019

was asked to comment on the sighting

742

00:34:05,690 --> 00:34:03,779

following the publicity it received they

743

00:34:08,629 --> 00:34:05,700

claimed that they had not received any

744

00:34:11,329 --> 00:34:08,639

reports of UFO sightings in the Swindon

745

00:34:14,450 --> 00:34:11,339

area on the night in question

746

00:34:16,550 --> 00:34:14,460

and so could not comment further

747

00:34:19,790 --> 00:34:16,560

and like most other reports throughout

748

00:34:21,840 --> 00:34:19,800

the United Kingdom this incident remains

749

00:34:24,230 --> 00:34:21,850

unexplained

750

00:34:26,750 --> 00:34:24,240

[Music]

751

00:34:29,329 --> 00:34:26,760

perhaps one of the most widely cited

752

00:34:31,730 --> 00:34:29,339

events to have happened in Britain took

753

00:34:36,290 --> 00:34:31,740

place during the weekend in late April

754

00:34:38,990 --> 00:34:36,300

of 2008 in and around Torquay on the

755

00:34:41,810 --> 00:34:39,000

south coast of England

756

00:34:44,149 --> 00:34:41,820

what at first appeared to be a random

757

00:34:46,490 --> 00:34:44,159

sighting of something strange by one

758

00:34:49,909 --> 00:34:46,500

family turned out upon further

759

00:34:52,310 --> 00:34:49,919

investigation to be a 48-hour period

760

00:34:55,669 --> 00:34:52,320

where multiple people reported seeing

761

00:34:59,089 --> 00:34:55,679

the same object moving very purposefully

762

00:35:02,089 --> 00:34:59,099

over the region even more interesting

763

00:35:04,970 --> 00:35:02,099

this craft appeared to travel the exact

764

00:35:07,670 --> 00:35:04,980

same route each time they were witnessed

765

00:35:10,790 --> 00:35:07,680

further suggesting a predetermined

766

00:35:13,310 --> 00:35:10,800

location and reason for their sudden

767

00:35:16,130 --> 00:35:13,320

appearance

768

00:35:18,650 --> 00:35:16,140

the incidents were documented on several

769

00:35:20,810 --> 00:35:18,660

local media platforms at the time and

770

00:35:24,050 --> 00:35:20,820

then reported to the National UFO

771

00:35:26,210 --> 00:35:24,060

Reporting Center or new Fork

772

00:35:28,670 --> 00:35:26,220

according to the witness who submitted

773

00:35:30,589 --> 00:35:28,680

the report to new Fork after seeing

774

00:35:33,310 --> 00:35:30,599

something strange himself on the weekend

775

00:35:36,050 --> 00:35:33,320

in question began to seek out

776

00:35:38,390 --> 00:35:36,060

investigate and log as many of the other

777

00:35:41,050 --> 00:35:38,400

sightings from other Witnesses in the

778

00:35:44,210 --> 00:35:41,060

area as he could

779

00:35:47,990 --> 00:35:44,220

consequently he had managed to compile a

780

00:35:50,510 --> 00:35:48,000

timeline of the events that unfolded

781

00:35:53,510 --> 00:35:50,520

this first witness was according to the

782

00:35:56,089 --> 00:35:53,520

report in amateur photographer who

783

00:35:59,930 --> 00:35:56,099

unintentionally captured a photograph of

784

00:36:03,410 --> 00:35:59,940

the bizarre object at around 5 30 a.m on

785

00:36:06,290 --> 00:36:03,420

Saturday April 26 2008.

786

00:36:08,329 --> 00:36:06,300

he was however involved in a sensitive

787

00:36:10,550 --> 00:36:08,339

Community project as part of his work

788

00:36:12,710 --> 00:36:10,560

and so wish to give his report

789

00:36:14,810 --> 00:36:12,720

anonymously

790

00:36:17,089 --> 00:36:14,820

he claimed that on the morning in

791

00:36:19,790 --> 00:36:17,099

question he was on his way to go fishing

792

00:36:22,670 --> 00:36:19,800

on a friend's boat at brixham a short

793

00:36:25,069 --> 00:36:22,680

distance from Turkey as he was driving

794

00:36:26,750 --> 00:36:25,079

along this still Quiet Road he decided

795

00:36:30,470 --> 00:36:26,760

to pull the car over and take a picture

796

00:36:32,450 --> 00:36:30,480

of the sunrise overlooking tour Bay a

797

00:36:35,030 --> 00:36:32,460

moment later he took another picture

798

00:36:38,210 --> 00:36:35,040

this time with a camera on a different

799

00:36:39,230 --> 00:36:38,220

exposure setting he then went back on

800

00:36:41,270 --> 00:36:39,240

his way

801
00:36:43,310 --> 00:36:41,280
he went out on his planned fishing trip

802
00:36:45,349 --> 00:36:43,320
taking multiple other pictures during

803
00:36:47,510 --> 00:36:45,359
the day one of which his friend

804
00:36:50,089 --> 00:36:47,520
requested a copy of

805
00:36:52,250 --> 00:36:50,099
upon arriving home he began downloading

806
00:36:54,950 --> 00:36:52,260
the picture from his camera onto his

807
00:36:57,109 --> 00:36:54,960
computer it was at this point that he

808
00:36:59,390 --> 00:36:57,119
saw the shot of the sunrise he had taken

809
00:37:01,609 --> 00:36:59,400
at the very start of the day

810
00:37:03,770 --> 00:37:01,619
and it was then that he noticed a

811
00:37:05,569 --> 00:37:03,780
strange bright spot of light in the

812
00:37:08,569 --> 00:37:05,579
early morning sky

813
00:37:10,730 --> 00:37:08,579

he knew that Venus was not visible at

814

00:37:13,670 --> 00:37:10,740

the time in the morning so he quickly

815

00:37:15,710 --> 00:37:13,680

ruled that out in fact the more he

816

00:37:18,410 --> 00:37:15,720

looked at it he realized the light

817

00:37:20,870 --> 00:37:18,420

appeared to be below the clouds meaning

818

00:37:24,490 --> 00:37:20,880

that it was not any kind of celestial

819

00:37:27,470 --> 00:37:24,500

object but something in the sky itself

820

00:37:29,810 --> 00:37:27,480

when he enlarged the picture and zoomed

821

00:37:32,690 --> 00:37:29,820

in on the craft he realized that it

822

00:37:35,990 --> 00:37:32,700

appeared solid and had a definite shape

823

00:37:39,710 --> 00:37:36,000

like a squashed Bell or a truncated

824

00:37:41,990 --> 00:37:39,720

triangle it also appeared that there was

825

00:37:44,390 --> 00:37:42,000

a dark cross-shaped object at the

826
00:37:46,370 --> 00:37:44,400
Leading Edge of the object in a

827
00:37:48,349 --> 00:37:46,380
cone-shaped tail suggesting that the

828
00:37:49,910 --> 00:37:48,359
object was moving when it was

829
00:37:52,130 --> 00:37:49,920
photographed

830
00:37:54,050 --> 00:37:52,140
he then turned his attention to the

831
00:37:57,290 --> 00:37:54,060
second picture he'd taken only moments

832
00:37:59,390 --> 00:37:57,300
later this time this strange light was

833
00:38:01,490 --> 00:37:59,400
nowhere to be seen

834
00:38:04,430 --> 00:38:01,500
he was almost certain that the first

835
00:38:07,970 --> 00:38:04,440
picture did not show a lens flare and so

836
00:38:09,589 --> 00:38:07,980
he contacted the Cornwall UFO group who

837
00:38:12,490 --> 00:38:09,599
would state that he had certainly

838
00:38:15,349 --> 00:38:12,500

photographed something of interest

839

00:38:17,870 --> 00:38:15,359

when investigators visited the area

840

00:38:21,050 --> 00:38:17,880

where the photograph was taken they

841

00:38:24,349 --> 00:38:21,060

noted that any aircraft of a terrestrial

842

00:38:26,030 --> 00:38:24,359

nature was easily heard meaning it was

843

00:38:28,430 --> 00:38:26,040

unlikely that the strange light

844

00:38:30,290 --> 00:38:28,440

photograph belonged to a plane or a

845

00:38:32,690 --> 00:38:30,300

helicopter

846

00:38:35,270 --> 00:38:32,700

this was though the first of many

847

00:38:40,069 --> 00:38:35,280

sightings to hit this region over the

848

00:38:43,670 --> 00:38:40,079

next 48 to even 72 hours

849

00:38:45,430 --> 00:38:43,680

later that day at around 9 20 PM the

850

00:38:48,349 --> 00:38:45,440

compiler of the new Fork report

851
00:38:50,210 --> 00:38:48,359
witnessed the object for the first time

852
00:38:52,849 --> 00:38:50,220
himself

853
00:38:55,130 --> 00:38:52,859
explained in the report how their Lounge

854
00:38:58,069 --> 00:38:55,140
window looks out into the direction of

855
00:39:00,349 --> 00:38:58,079
Exeter airport which was a little over

856
00:39:02,690 --> 00:39:00,359
20 miles away

857
00:39:04,609 --> 00:39:02,700
because of this he and his wife were

858
00:39:07,609 --> 00:39:04,619
used to seeing airplanes coming and

859
00:39:10,910 --> 00:39:07,619
going at various altitudes and at all

860
00:39:12,770 --> 00:39:10,920
times of the day more importantly he

861
00:39:15,050 --> 00:39:12,780
noted that although they do sometimes

862
00:39:17,270 --> 00:39:15,060
see smaller aircraft using the air

863
00:39:19,910 --> 00:39:17,280

routes they are always at such a low

864

00:39:22,310 --> 00:39:19,920

altitude that their engines much like

865

00:39:24,109 --> 00:39:22,320

the larger commercial planes could

866

00:39:26,450 --> 00:39:24,119

easily be heard

867

00:39:28,730 --> 00:39:26,460

this was much the same for the police

868

00:39:30,890 --> 00:39:28,740

and the Coast Guard helicopters that

869

00:39:33,290 --> 00:39:30,900

often flew overhead

870

00:39:35,569 --> 00:39:33,300

on this particular night although there

871

00:39:37,970 --> 00:39:35,579

was still a little light left dusk was

872

00:39:39,950 --> 00:39:37,980

rapidly approaching when the witness's

873

00:39:42,710 --> 00:39:39,960

wife noticed a strange light that

874

00:39:44,750 --> 00:39:42,720

appeared similar to a landing light of a

875

00:39:46,730 --> 00:39:44,760

low-flying aircraft

876

00:39:49,130 --> 00:39:46,740

although the witness noted there was

877

00:39:51,950 --> 00:39:49,140

something decidedly different about it

878

00:39:54,589 --> 00:39:51,960

they continued to watch the object as it

879

00:39:56,270 --> 00:39:54,599

approached them at a relatively steady

880

00:39:58,550 --> 00:39:56,280

pace

881

00:40:00,890 --> 00:39:58,560

the light remained a bright white color

882

00:40:02,930 --> 00:40:00,900

although the witness noticed a Fleck of

883

00:40:05,450 --> 00:40:02,940

red as it moved

884

00:40:08,750 --> 00:40:05,460

he also noted the light appeared to be a

885

00:40:10,849 --> 00:40:08,760

solid object possibly of diamond-shaped

886

00:40:13,190 --> 00:40:10,859

dimensions and that it remained

887

00:40:15,230 --> 00:40:13,200

completely silent and can take no

888

00:40:17,329 --> 00:40:15,240

navigation lights

889

00:40:19,250 --> 00:40:17,339

the object soon passed over the house

890

00:40:21,470 --> 00:40:19,260

causing the pair to run to the other

891

00:40:22,910 --> 00:40:21,480

side of the property and view it from

892

00:40:24,950 --> 00:40:22,920

the backyard

893

00:40:28,670 --> 00:40:24,960

it continued to move away from them

894

00:40:31,310 --> 00:40:28,680

eventually disappearing behind the trees

895

00:40:33,950 --> 00:40:31,320

although he wasn't immediately aware of

896

00:40:36,050 --> 00:40:33,960

it the witness's son also witnessed the

897

00:40:38,210 --> 00:40:36,060

object from his room

898

00:40:40,130 --> 00:40:38,220

it was as they were discussing what they

899

00:40:42,710 --> 00:40:40,140

had seen when the witness's wife claimed

900

00:40:44,390 --> 00:40:42,720

that she could see another light heading

901
00:40:45,950 --> 00:40:44,400
in their Direction

902
00:40:48,349 --> 00:40:45,960
when they all looked at this second

903
00:40:50,569 --> 00:40:48,359
approaching light they could see it was

904
00:40:54,109 --> 00:40:50,579
almost identical to the first one

905
00:40:56,329 --> 00:40:54,119
although it appeared slightly redder

906
00:40:58,609 --> 00:40:56,339
it was heading toward them at the same

907
00:41:02,650 --> 00:40:58,619
speed as the first light and eventually

908
00:41:04,849 --> 00:41:02,660
it also disappeared over the trees

909
00:41:07,609 --> 00:41:04,859
incidentally the witness would later

910
00:41:09,410 --> 00:41:07,619
contact Exeter airport to see if there

911
00:41:10,910 --> 00:41:09,420
were any Landings scheduled during the

912
00:41:12,710 --> 00:41:10,920
time of their sightings

913
00:41:15,290 --> 00:41:12,720

there were none

914

00:41:17,690 --> 00:41:15,300

and when an airplane did fly by over the

915

00:41:20,390 --> 00:41:17,700

house around 30 minutes later they could

916

00:41:23,810 --> 00:41:20,400

all clearly see its shape the light to

917

00:41:26,030 --> 00:41:23,820

the cockpit and could hear its engines

918

00:41:28,970 --> 00:41:26,040

in short whatever they had seen

919

00:41:30,910 --> 00:41:28,980

previously was not a conventional

920

00:41:32,450 --> 00:41:30,920

aircraft from the airport

921

00:41:35,630 --> 00:41:32,460

[Music]

922

00:41:38,089 --> 00:41:35,640

around 10 minutes later at 9 30 PM

923

00:41:41,270 --> 00:41:38,099

another family witness what was likely

924

00:41:43,849 --> 00:41:41,280

to have been the very same objects

925

00:41:46,550 --> 00:41:43,859

from their home around three states away

926
00:41:48,410 --> 00:41:46,560
from the witness's house the Webley

927
00:41:51,109 --> 00:41:48,420
family's encounter appears to offer

928
00:41:52,730 --> 00:41:51,119
corroboration of the main Witnesses

929
00:41:55,609 --> 00:41:52,740
sighting

930
00:41:58,310 --> 00:41:55,619
according to their version of events Mr

931
00:42:00,589 --> 00:41:58,320
Webley was in his back Garden burning

932
00:42:02,810 --> 00:42:00,599
rubbish when he noticed a strange

933
00:42:06,410 --> 00:42:02,820
glowing object heading in his Direction

934
00:42:08,569 --> 00:42:06,420
at a steady but considerable pace

935
00:42:11,390 --> 00:42:08,579
he immediately called to the rest of the

936
00:42:14,210 --> 00:42:11,400
family who rushed into the backyard and

937
00:42:16,010 --> 00:42:14,220
witnessed the object also they would

938
00:42:19,730 --> 00:42:16,020

later estimate that it was at an

939

00:42:22,730 --> 00:42:19,740

altitude of between 500 to 600 feet and

940

00:42:25,310 --> 00:42:22,740

had an orange red glow to it they

941

00:42:27,710 --> 00:42:25,320

reported that it stopped momentarily and

942

00:42:30,470 --> 00:42:27,720

hovered a short distance away before

943

00:42:31,930 --> 00:42:30,480

heading off into the distance and out of

944

00:42:35,030 --> 00:42:31,940

sight

945

00:42:37,490 --> 00:42:35,040

then two or three minutes later a second

946

00:42:39,890 --> 00:42:37,500

object almost identical to the first

947

00:42:40,970 --> 00:42:39,900

appeared and followed the exact same

948

00:42:43,490 --> 00:42:40,980

course

949

00:42:46,930 --> 00:42:43,500

it too came to a stop for several

950

00:42:50,870 --> 00:42:46,940

moments and then it too went on its way

951
00:42:53,030 --> 00:42:50,880
disappearing into the night sky

952
00:42:55,910 --> 00:42:53,040
the main witness would also discover

953
00:42:58,250 --> 00:42:55,920
another family who also wished to remain

954
00:42:59,930 --> 00:42:58,260
anonymous who had a further sighting of

955
00:43:02,270 --> 00:42:59,940
what would appear to be the strange

956
00:43:05,210 --> 00:43:02,280
object in question

957
00:43:06,950 --> 00:43:05,220
on the same night at around 9pm the

958
00:43:09,770 --> 00:43:06,960
witness claimed to have seen a bizarre

959
00:43:12,530 --> 00:43:09,780
looking red object moving in the sky

960
00:43:15,349 --> 00:43:12,540
before coming to a brief stop

961
00:43:18,109 --> 00:43:15,359
several moments later it shot off toward

962
00:43:21,349 --> 00:43:18,119
the Dartmouth area around an hour later

963
00:43:24,589 --> 00:43:21,359

the witness's husband saw a very similar

964

00:43:26,750 --> 00:43:24,599

red light hovering in the night sky it

965

00:43:28,490 --> 00:43:26,760

didn't make a sound it appeared to have

966

00:43:30,829 --> 00:43:28,500

come from the same direction as the

967

00:43:33,650 --> 00:43:30,839

object witnessed by his wife

968

00:43:35,630 --> 00:43:33,660

even more remarkable this object

969

00:43:39,410 --> 00:43:35,640

appeared to be shining some kind of

970

00:43:41,870 --> 00:43:39,420

Spotlight down toward the water below

971

00:43:44,030 --> 00:43:41,880

after several moments the light went out

972

00:43:46,670 --> 00:43:44,040

and the object headed off into the

973

00:43:48,349 --> 00:43:46,680

distance eventually disappearing from

974

00:43:50,630 --> 00:43:48,359

sight

975

00:43:52,670 --> 00:43:50,640

despite the fact that it didn't make a

976

00:43:54,950 --> 00:43:52,680

noise and that there didn't appear to be

977

00:43:57,290 --> 00:43:54,960

any kind of navigation lights the

978

00:43:59,870 --> 00:43:57,300

witness simply put it down to being a

979

00:44:02,089 --> 00:43:59,880

police or a rescue helicopter

980

00:44:03,829 --> 00:44:02,099

however when the witness checked the

981

00:44:05,750 --> 00:44:03,839

following morning with the Coast Guard

982

00:44:07,430 --> 00:44:05,760

if there had been any helicopter

983

00:44:10,190 --> 00:44:07,440

activity in the area the previous

984

00:44:13,010 --> 00:44:10,200

evening he was assured that neither the

985

00:44:15,170 --> 00:44:13,020

Coast Guard or the police had been in

986

00:44:18,170 --> 00:44:15,180

the air at all that night

987

00:44:20,809 --> 00:44:18,180

what's more this family also had another

988

00:44:23,030 --> 00:44:20,819

encounter a little over 24 hours later

989

00:44:24,829 --> 00:44:23,040

an encounter that would leave them

990

00:44:26,990 --> 00:44:24,839

feeling compelled to make a report to

991

00:44:29,390 --> 00:44:27,000

the local newspaper

992

00:44:31,910 --> 00:44:29,400

and that what they had witnessed was a

993

00:44:34,130 --> 00:44:31,920

little more out of the ordinary than any

994

00:44:37,550 --> 00:44:34,140

helicopter

995

00:44:40,370 --> 00:44:37,560

at around 3 50 a.m in the early hours of

996

00:44:42,470 --> 00:44:40,380

Monday April 28th the witness was unable

997

00:44:44,750 --> 00:44:42,480

to sleep and so got up to make her way

998

00:44:46,250 --> 00:44:44,760

to the bedroom window which overlooks

999

00:44:48,230 --> 00:44:46,260

Torbay

1000

00:44:51,349 --> 00:44:48,240

this was something she often did when

1001
00:44:54,890 --> 00:44:51,359
she struggled to sleep normally The View

1002
00:44:56,930 --> 00:44:54,900
was Serene and peaceful however on this

1003
00:44:59,990 --> 00:44:56,940
occasion the witness was immediately

1004
00:45:02,450 --> 00:45:00,000
drawn to a strange white object that

1005
00:45:05,450 --> 00:45:02,460
appeared to be moving in wide circles

1006
00:45:07,370 --> 00:45:05,460
and was doing so at a significant rate

1007
00:45:09,290 --> 00:45:07,380
of speed

1008
00:45:11,930 --> 00:45:09,300
she immediately called to her husband

1009
00:45:14,690 --> 00:45:11,940
waking him and urging him to come to the

1010
00:45:16,490 --> 00:45:14,700
window by the time he arrived the object

1011
00:45:19,309 --> 00:45:16,500
appeared to have moved to considerable

1012
00:45:21,650 --> 00:45:19,319
distance out over the sea

1013
00:45:24,410 --> 00:45:21,660

still moving in the same purposeful

1014

00:45:26,690 --> 00:45:24,420

circles they would later describe the

1015

00:45:28,730 --> 00:45:26,700

object as white with an apparent

1016

00:45:30,829 --> 00:45:28,740

cone-shaped tail

1017

00:45:32,870 --> 00:45:30,839

they watched for several more moments

1018

00:45:35,990 --> 00:45:32,880

before it suddenly shot off into the

1019

00:45:39,230 --> 00:45:36,000

distance seemingly in the direction of

1020

00:45:41,150 --> 00:45:39,240

Dartmouth as it moved it appeared to

1021

00:45:43,370 --> 00:45:41,160

take on the shape of a truncated

1022

00:45:45,950 --> 00:45:43,380

triangle

1023

00:45:48,349 --> 00:45:45,960

the couple were uncertain of what the

1024

00:45:53,270 --> 00:45:48,359

object was but were sure that it wasn't

1025

00:45:59,450 --> 00:45:55,970

what was witnessed by multiple people

1026
00:46:06,230 --> 00:45:59,460
during that 72-hour period remains

1027
00:46:11,210 --> 00:46:08,329
it appears that what the witnesses saw

1028
00:46:14,089 --> 00:46:11,220
during their respective sightings were

1029
00:46:16,790 --> 00:46:14,099
all of the same object and what's more

1030
00:46:19,790 --> 00:46:16,800
this object rather than being taken by

1031
00:46:22,150 --> 00:46:19,800
the wind and drifting aimlessly were

1032
00:46:25,609 --> 00:46:22,160
under some kind of intelligent control

1033
00:46:29,990 --> 00:46:25,619
and had a predetermined route to follow

1034
00:46:33,470 --> 00:46:30,000
and destination to arrive at was that

1035
00:46:37,130 --> 00:46:33,480
intelligence human perhaps testing in

1036
00:46:38,210 --> 00:46:37,140
experimental aircraft it is certainly a

1037
00:46:41,030 --> 00:46:38,220
possibility

1038
00:46:42,950 --> 00:46:41,040

or given how the details of the sighting

1039

00:46:46,130 --> 00:46:42,960

resonate with so many others around the

1040

00:46:48,829 --> 00:46:46,140

world and across the decades it is more

1041

00:46:52,250 --> 00:46:48,839

likely that this intelligence could also

1042

00:46:54,829 --> 00:46:52,260

be something non-human

1043

00:46:57,950 --> 00:46:54,839

while there hasn't been a repeat of that

1044

00:47:00,069 --> 00:46:57,960

spring weekend in question UFO sightings

1045

00:47:05,500 --> 00:47:00,079

in and around the south coast of England

1046

00:47:07,069 --> 00:47:05,510

continue to happen regularly even today

1047

00:47:10,490 --> 00:47:07,079

[Music]

1048

00:47:12,829 --> 00:47:10,500

there is a plethora of UFO incidents

1049

00:47:15,589 --> 00:47:12,839

that could be even in the internet age

1050

00:47:16,730 --> 00:47:15,599

in danger of falling through the cracks

1051
00:47:18,710 --> 00:47:16,740
of time

1052
00:47:20,870 --> 00:47:18,720
and while we should perhaps treat some

1053
00:47:23,569 --> 00:47:20,880
of these incidents more seriously than

1054
00:47:26,270 --> 00:47:23,579
others all of them are important to

1055
00:47:29,750 --> 00:47:26,280
collect while we continue our search for

1056
00:47:31,670 --> 00:47:29,760
just what lies behind the UFO and entity

1057
00:47:34,069 --> 00:47:31,680
phenomena

1058
00:47:36,950 --> 00:47:34,079
we should also keep in mind that these

1059
00:47:40,069 --> 00:47:36,960
sightings and encounters continue today

1060
00:47:43,309 --> 00:47:40,079
and while we might be closer Abate

1061
00:47:46,609 --> 00:47:43,319
minimally to some form of disclosure

1062
00:47:50,030 --> 00:47:46,619
from the government what intelligence if

1063
00:47:52,490 --> 00:47:50,040

any lies behind these UFOs remains

1064

00:47:55,690 --> 00:47:52,500

almost as much of a mystery now as it

1065

00:47:58,849 --> 00:47:55,700

did at the start of the modern UFO era

1066

00:48:00,950 --> 00:47:58,859

but only by preserving these stories

1067

00:48:04,250 --> 00:48:00,960

throughout the United Kingdom and

1068

00:48:06,650 --> 00:48:04,260

ostensibly the world can we begin to

1069

00:48:09,890 --> 00:48:06,660

have a conversation about just exactly

1070

00:48:10,970 --> 00:48:09,900

what extraordinary things may truly be

1071

00:48:19,870 --> 00:48:10,980
