[Music]

26

00:01:46,910 --> 00:01:33,510

foreign

27

00:01:54,710 --> 00:01:51,590

at around 6 30 a.m on November 1st 1954

28

00:01:58,190 --> 00:01:54,720

40 year old rosalotti described in

29

00:02:00,289 --> 00:01:58,200

reports as a peasant woman and mother of

30

00:02:03,350 --> 00:02:00,299

four children was on her way from the

31

00:02:06,170 --> 00:02:03,360

farm where she lived to the cemetery and

32

00:02:08,270 --> 00:02:06,180

church a journey she had purposefully

33

00:02:11,150 --> 00:02:08,280

gotten up early to make

34

00:02:14,510 --> 00:02:11,160

it was a rare journey into the town for

35

00:02:17,330 --> 00:02:14,520

Rosa even so she knew the footpaths well

36

00:02:19,729 --> 00:02:17,340

as she made her way along them wearing

37

00:02:22,190 --> 00:02:19,739

one of her best dresses and carrying her

38

00:02:24,949 --> 00:02:22,200

shoes and stockings to avoid them

39

00:02:26,570 --> 00:02:24,959

becoming dirtied along with a bunch of

40

00:02:28,970 --> 00:02:26,580

flowers

41

00:02:32,150 --> 00:02:28,980

it was as she came to a clearing along

42

00:02:33,290 --> 00:02:32,160

the path that she suddenly stopped in

43

00:02:36,229 --> 00:02:33,300

shock

44

00:02:38,750 --> 00:02:36,239

there in front of her was a strange

45

00:02:41,990 --> 00:02:38,760

bizarre object

46

00:02:42,949 --> 00:02:42,000

in a report Rosa would describe the

47

00:02:46,070 --> 00:02:42,959

object

48

00:02:49,309 --> 00:02:46,080

it appeared like a huge spindle fixed

49

00:02:52,130 --> 00:02:49,319

vertically to the ground it resembled a

50

00:02:54,770 --> 00:02:52,140

sort of double cone or like two Bells

51  
00:02:56,690 --> 00:02:54,780  
joined together at their bases it also

52  
00:02:57,830 --> 00:02:56,700  
appeared to be covered with a leather of

53  
00:03:00,710 --> 00:02:57,840  
some sort

54  
00:03:03,290 --> 00:03:00,720  
it was about seven feet high in between

55  
00:03:05,449 --> 00:03:03,300  
three and four feet wide

56  
00:03:08,869 --> 00:03:05,459  
the outside of it shown as though it was

57  
00:03:12,410 --> 00:03:08,879  
of a very polished light metal and on

58  
00:03:15,770 --> 00:03:12,420  
the lower side was an open glass door

59  
00:03:18,770 --> 00:03:15,780  
even more amazing is when Rose appeared

60  
00:03:22,910 --> 00:03:18,780  
inside the object and noticed two small

61  
00:03:25,309 --> 00:03:22,920  
seats like those used by children it was

62  
00:03:29,089 --> 00:03:25,319  
as she was examining the strange object

63  
00:03:31,009 --> 00:03:29,099

that two strange figures appeared from

64

00:03:33,350 --> 00:03:31,019

the side of the object

65

00:03:35,930 --> 00:03:33,360

they were almost like men but the size

66

00:03:37,610 --> 00:03:35,940

of children they appeared friendly from

67

00:03:39,770 --> 00:03:37,620

the look on their faces as they headed

68

00:03:41,750 --> 00:03:39,780

toward me I I would estimate they were

69

00:03:44,089 --> 00:03:41,760

around three feet in height

70

00:03:46,430 --> 00:03:44,099

they wore one-piece gray overalls that

71

00:03:48,890 --> 00:03:46,440

even covered their feet each of them

72

00:03:50,930 --> 00:03:48,900

also wore something similar to a a

73

00:03:53,449 --> 00:03:50,940

doublet but with several items that

74

00:03:56,089 --> 00:03:53,459

appeared like shining stars on them

75

00:03:58,850 --> 00:03:56,099

they also had small gray cloak-like

76

00:04:01,369 --> 00:03:58,860

items on their backs both had on a

77

00:04:03,410 --> 00:04:01,379

helmet of sorts and although obscured

78

00:04:05,630 --> 00:04:03,420

their faces were visible and looked very

79

00:04:07,729 --> 00:04:05,640

much like you or me

80

00:04:08,930 --> 00:04:07,739

their upper lips had a slight curl to

81

00:04:11,690 --> 00:04:08,940

them which left their front teeth

82

00:04:13,429 --> 00:04:11,700

exposed their teeth appeared to have

83

00:04:15,289 --> 00:04:13,439

been filed down

84

00:04:17,330 --> 00:04:15,299

it also appeared as though their ears

85

00:04:18,610 --> 00:04:17,340

were beneath leather discs that each

86

00:04:22,430 --> 00:04:18,620

wore

87

00:04:25,610 --> 00:04:22,440

as the figures approached Rosa felt no

88

00:04:28,070 --> 00:04:25,620

sense of being in danger in fact from

89

00:04:30,170 --> 00:04:28,080

the way they acted she believed they

90

00:04:31,310 --> 00:04:30,180

were trying to appear as friendly as

91

00:04:34,310 --> 00:04:31,320

possible

92

00:04:37,070 --> 00:04:34,320

they spoke in a language unknown to Rosa

93

00:04:40,370 --> 00:04:37,080

although she recalled it sounded similar

94

00:04:42,950 --> 00:04:40,380

to her at least like Chinese

95

00:04:45,830 --> 00:04:42,960

suddenly despite their apparent attempts

96

00:04:49,010 --> 00:04:45,840

to appear friendly Rosa had a sudden

97

00:04:51,409 --> 00:04:49,020

surge of fear run through her

98

00:04:53,689 --> 00:04:51,419

this feeling increased significantly

99

00:04:56,150 --> 00:04:53,699

when one of them grabbed a bunch of

100

00:04:57,710 --> 00:04:56,160

flowers and one of her stockings from

101  
00:05:00,350 --> 00:04:57,720  
her hand

102  
00:05:03,950 --> 00:05:00,360  
despite the fear she began reaching for

103  
00:05:05,749 --> 00:05:03,960  
her possessions in protest then one of

104  
00:05:08,450 --> 00:05:05,759  
the figures picked out several of the

105  
00:05:09,230 --> 00:05:08,460  
flowers and then passed the rest back to

106  
00:05:11,749 --> 00:05:09,240  
her

107  
00:05:13,310 --> 00:05:11,759  
she stated the following about what

108  
00:05:15,590 --> 00:05:13,320  
happened next

109  
00:05:17,689 --> 00:05:15,600  
figure stood and examined the flowers

110  
00:05:19,370 --> 00:05:17,699  
closely for several minutes before

111  
00:05:21,530 --> 00:05:19,380  
wrapping the stocking around them and

112  
00:05:23,749 --> 00:05:21,540  
placing them inside the craft

113  
00:05:26,150 --> 00:05:23,759

after doing this the strange beings

114

00:05:28,790 --> 00:05:26,160

reached inside the object and each took

115

00:05:31,010 --> 00:05:28,800

out a white circular package and began

116

00:05:33,890 --> 00:05:31,020

to turn back toward me but at this point

117

00:05:35,570 --> 00:05:33,900

I was too scared I ran away as fast as I

118

00:05:38,210 --> 00:05:35,580

could to escape and when I looked back

119

00:05:40,909 --> 00:05:38,220

the craft and the two figures had

120

00:05:43,969 --> 00:05:40,919

completely vanished

121

00:05:45,950 --> 00:05:43,979

Rosa continued running until she reached

122

00:05:47,210 --> 00:05:45,960

the town she had set out for earlier

123

00:05:49,969 --> 00:05:47,220

that morning

124

00:05:52,790 --> 00:05:49,979

by the time she arrived she was gasping

125

00:05:55,790 --> 00:05:52,800

for breath a little disheveled and was

126

00:05:58,249 --> 00:05:55,800

clearly shaken and scared

127

00:06:01,850 --> 00:05:58,259

she had passed a local man who she knew

128

00:06:03,830 --> 00:06:01,860

by the name of beppe gostinelli who was

129

00:06:06,110 --> 00:06:03,840

hunting in the Woodland

130

00:06:08,689 --> 00:06:06,120

but she was so distraught she had not

131

00:06:11,749 --> 00:06:08,699

mentioned anything to him

132

00:06:14,689 --> 00:06:11,759

it was only when a friend Anita Valenti

133

00:06:18,350 --> 00:06:14,699

noticed how Disturbed she looked and

134

00:06:20,570 --> 00:06:18,360

Rosa eventually told her what happened

135

00:06:23,090 --> 00:06:20,580

Rosa would eventually report what she

136

00:06:25,550 --> 00:06:23,100

had seen to the local police officers as

137

00:06:27,469 --> 00:06:25,560

well and the priests of the church's

138

00:06:28,969 --> 00:06:27,479

Cemetery she had been intending on

139

00:06:31,670 --> 00:06:28,979

visiting

140

00:06:34,730 --> 00:06:31,680

several others also heard her tell the

141

00:06:37,730 --> 00:06:34,740

Tale in fact many of those who heard the

142

00:06:39,650 --> 00:06:37,740

account from Rosa immediately set out

143

00:06:41,990 --> 00:06:39,660

along the footpath that led into the

144

00:06:43,850 --> 00:06:42,000

town in an attempt to find the location

145

00:06:46,370 --> 00:06:43,860

of the event

146

00:06:48,590 --> 00:06:46,380

and while the object and beings were no

147

00:06:51,110 --> 00:06:48,600

longer there they did find clear

148

00:06:52,670 --> 00:06:51,120

evidence that something strange had

149

00:06:55,610 --> 00:06:52,680

taken place

150

00:06:57,890 --> 00:06:55,620

according to an investigation cited in

151  
00:07:00,469 --> 00:06:57,900  
the Flying Saucer review there was a

152  
00:07:02,870 --> 00:07:00,479  
quote great hole in the ground in the

153  
00:07:04,490 --> 00:07:02,880  
same location as Rosa said the object

154  
00:07:06,469 --> 00:07:04,500  
had stood

155  
00:07:08,390 --> 00:07:06,479  
it was also confirmed by the local

156  
00:07:11,270 --> 00:07:08,400  
police officers

157  
00:07:13,370 --> 00:07:11,280  
however by this time the sheer number of

158  
00:07:16,730 --> 00:07:13,380  
townsfolk who had walked through and

159  
00:07:19,370 --> 00:07:16,740  
over the area out of curiosity made it

160  
00:07:20,990 --> 00:07:19,380  
impossible for any kind of mold to be

161  
00:07:24,890 --> 00:07:21,000  
taken

162  
00:07:26,710 --> 00:07:24,900  
and with that this case became perhaps

163  
00:07:30,050 --> 00:07:26,720

one of the more credible on record

164

00:07:32,450 --> 00:07:30,060

despite its bizarre nature

165

00:07:34,550 --> 00:07:32,460

as UFO investigators continue to

166

00:07:36,409 --> 00:07:34,560

research and investigate the case over

167

00:07:40,370 --> 00:07:36,419

the years that followed further

168

00:07:43,189 --> 00:07:40,380

corroborating Witnesses were found

169

00:07:45,110 --> 00:07:43,199

for example on the same morning and

170

00:07:48,650 --> 00:07:45,120

around the same time as the incident

171

00:07:51,950 --> 00:07:48,660

began to unfold 25 year old romaldo

172

00:07:55,189 --> 00:07:51,960

Bertie a stonemason claimed to have seen

173

00:07:58,249 --> 00:07:55,199

a luminous rocket that was like a cigar

174

00:08:03,050 --> 00:07:58,259

and had Flames coming out of the tail

175

00:08:05,029 --> 00:08:03,060

this rocket rose out of the sunina woods

176

00:08:07,850 --> 00:08:05,039

he claimed it went straight up at first

177

00:08:09,830 --> 00:08:07,860

before leveling off a little and heading

178

00:08:12,710 --> 00:08:09,840

toward the horizon

179

00:08:14,210 --> 00:08:12,720

the object had a bluish tint to it and

180

00:08:17,510 --> 00:08:14,220

he recalled that it appeared to be

181

00:08:20,330 --> 00:08:17,520

completely silent

182

00:08:23,270 --> 00:08:20,340

another witness who chose to remain

183

00:08:26,390 --> 00:08:23,280

anonymous saw the object shortly before

184

00:08:28,430 --> 00:08:26,400

while hunting in the woods only this

185

00:08:31,070 --> 00:08:28,440

witness saw it land in the clearing

186

00:08:32,649 --> 00:08:31,080

where Rosa would encounter the beings a

187

00:08:36,350 --> 00:08:32,659

short time later

188

00:08:38,750 --> 00:08:36,360

another witness was Andrea Levy who was

189

00:08:42,529 --> 00:08:38,760

driving his flower van along the road

190

00:08:44,750 --> 00:08:42,539

between Lavon and bussine around the

191

00:08:49,610 --> 00:08:44,760

same time when he saw a great reddish

192

00:08:53,389 --> 00:08:49,620

cone-shaped thing moving from the sky

193

00:08:55,430 --> 00:08:53,399

one Luigi dini also claimed that he and

194

00:08:58,009 --> 00:08:55,440

his daughter witnessed another strange

195

00:09:00,170 --> 00:08:58,019

thing from their Terrace of their home

196

00:09:03,470 --> 00:09:00,180

he claimed that the object appeared like

197

00:09:05,990 --> 00:09:03,480

a meteor at first as it descended but it

198

00:09:08,030 --> 00:09:06,000

then began to slow down purposefully the

199

00:09:11,810 --> 00:09:08,040

closer to the ground it got

200

00:09:14,389 --> 00:09:11,820

it eventually disappeared from sight

201  
00:09:16,910 --> 00:09:14,399  
two further Witnesses were discovered

202  
00:09:19,370 --> 00:09:16,920  
the following year during a subsequent

203  
00:09:23,509 --> 00:09:19,380  
investigation into the incident

204  
00:09:25,310 --> 00:09:23,519  
they were brothers aged six and nine at

205  
00:09:27,769 --> 00:09:25,320  
the time of the incident

206  
00:09:30,949 --> 00:09:27,779  
and according to a piece of writing the

207  
00:09:33,470 --> 00:09:30,959  
younger boy ampolino torzini had done in

208  
00:09:38,810 --> 00:09:33,480  
school these brothers had actually

209  
00:09:41,930 --> 00:09:38,820  
witnessed The Encounter of rosalotti

210  
00:09:44,030 --> 00:09:41,940  
ampolino claimed that they had been out

211  
00:09:46,009 --> 00:09:44,040  
early that morning in order to attend

212  
00:09:48,829 --> 00:09:46,019  
their family's pigs

213  
00:09:52,250 --> 00:09:48,839

as they were doing so they witnessed

214

00:09:54,710 --> 00:09:52,260

Rosa who was chatting with the men

215

00:09:57,050 --> 00:09:54,720

and Paulina also recalled seeing the

216

00:09:58,550 --> 00:09:57,060

object which he at first thought was a

217

00:10:01,250 --> 00:09:58,560

large animal

218

00:10:04,430 --> 00:10:01,260

while he was curious at the site the

219

00:10:06,410 --> 00:10:04,440

older boy ran back to tell their father

220

00:10:09,710 --> 00:10:06,420

by the time they had arrived back at the

221

00:10:12,829 --> 00:10:09,720

scene however the craft Rosa and the

222

00:10:15,290 --> 00:10:12,839

strange little men were gone and all

223

00:10:18,540 --> 00:10:15,300

that was left was the hole in the ground

224

00:10:20,449 --> 00:10:18,550

where the object had allegedly stood

225

00:10:23,329 --> 00:10:20,459

[Music]

226

00:10:25,790 --> 00:10:23,339

according to another report it also

227

00:10:28,430 --> 00:10:25,800

appears that the same object might have

228

00:10:32,030 --> 00:10:28,440

returned to the location at just before

229

00:10:34,670 --> 00:10:32,040

midnight on the same day

230

00:10:37,430 --> 00:10:34,680

and what's more there were multiple

231

00:10:40,009 --> 00:10:37,440

witnesses to this incident

232

00:10:44,090 --> 00:10:40,019

according to the report in Flying Saucer

233

00:10:46,970 --> 00:10:44,100

review two farmers gigliano and Tosca

234

00:10:49,550 --> 00:10:46,980

cochelli were awakened on the night in

235

00:10:51,350 --> 00:10:49,560

question to shouts coming from outside

236

00:10:53,449 --> 00:10:51,360

of their home

237

00:10:55,509 --> 00:10:53,459

when they went to investigate they could

238

00:10:59,509 --> 00:10:55,519

see a man on a stopped motorcycle

239

00:11:01,730 --> 00:10:59,519

looking up at an oval-shaped object

240

00:11:04,370 --> 00:11:01,740

the pair had just caught sight of it

241

00:11:05,870 --> 00:11:04,380

before it vanished behind some nearby

242

00:11:08,810 --> 00:11:05,880

mountains

243

00:11:11,329 --> 00:11:08,820

the motorcyclist however had gotten a

244

00:11:12,949 --> 00:11:11,339

much better and longer look at the

245

00:11:15,170 --> 00:11:12,959

object

246

00:11:18,230 --> 00:11:15,180

he claimed that it appeared to have been

247

00:11:20,090 --> 00:11:18,240

at a low altitude so low that the bluish

248

00:11:21,470 --> 00:11:20,100

white light from it blinded him

249

00:11:23,690 --> 00:11:21,480

temporarily

250

00:11:26,870 --> 00:11:23,700

it also appeared to move in a very

251  
00:11:30,290 --> 00:11:26,880  
purposeful horizontal Direction and

252  
00:11:32,990 --> 00:11:30,300  
remained perfectly silent throughout

253  
00:11:35,269 --> 00:11:33,000  
after several moments the object had

254  
00:11:38,030 --> 00:11:35,279  
vanished from sight

255  
00:11:40,370 --> 00:11:38,040  
they weren't sure however whether it had

256  
00:11:42,110 --> 00:11:40,380  
physically disappeared or if the lights

257  
00:11:44,030 --> 00:11:42,120  
had gone out meaning they could no

258  
00:11:46,670 --> 00:11:44,040  
longer see it

259  
00:11:49,310 --> 00:11:46,680  
there was also another witness to this

260  
00:11:51,949 --> 00:11:49,320  
sighting but unfortunately press reports

261  
00:11:54,650 --> 00:11:51,959  
at the time did not name them but they

262  
00:11:58,310 --> 00:11:54,660  
were quoted as saying that the object

263  
00:12:01,310 --> 00:11:58,320

resembles a flying spindle which is

264

00:12:05,210 --> 00:12:01,320

remarkably similar to the description of

265

00:12:07,670 --> 00:12:05,220

the landed object given by rosalotti

266

00:12:11,290 --> 00:12:07,680

multiple people would see the same

267

00:12:14,090 --> 00:12:11,300

object around the same time from sanina

268

00:12:16,430 --> 00:12:14,100

all of the witnesses described the same

269

00:12:19,069 --> 00:12:16,440

basic object and was flying at a

270

00:12:21,290 --> 00:12:19,079

relatively low altitude

271

00:12:24,110 --> 00:12:21,300

some reports even State the object

272

00:12:27,949 --> 00:12:24,120

stopped and hovered for several moments

273

00:12:30,050 --> 00:12:27,959

as if it was about to land

274

00:12:34,009 --> 00:12:30,060

perhaps one of the most intriguing

275

00:12:36,470 --> 00:12:34,019

accounts comes from otorino santarelli

276  
00:12:38,210 --> 00:12:36,480  
who witnessed the strange object after

277  
00:12:41,569 --> 00:12:38,220  
having spent the evening with two

278  
00:12:43,370 --> 00:12:41,579  
friends at a recreational Club

279  
00:12:46,069 --> 00:12:43,380  
it was as they were leaving the club

280  
00:12:47,889 --> 00:12:46,079  
that they noticed a strange blue colored

281  
00:12:50,810 --> 00:12:47,899  
object overhead

282  
00:12:53,269 --> 00:12:50,820  
artorino watched it for several moments

283  
00:12:56,150 --> 00:12:53,279  
until it stopped suddenly and hovered

284  
00:12:58,190 --> 00:12:56,160  
then it began to descend toward the

285  
00:13:00,590 --> 00:12:58,200  
ground before coming to a stop again

286  
00:13:03,650 --> 00:13:00,600  
near a nearby Hill

287  
00:13:05,509 --> 00:13:03,660  
the three men cautiously but quickly

288  
00:13:07,190 --> 00:13:05,519

made their way toward the hill in order

289

00:13:09,410 --> 00:13:07,200

to get a better look

290

00:13:12,410 --> 00:13:09,420

before they could reach it however it

291

00:13:14,329 --> 00:13:12,420

began to rise into the air once more

292

00:13:17,150 --> 00:13:14,339

it headed toward a nearby Mountain

293

00:13:19,370 --> 00:13:17,160

before changing direction and heading

294

00:13:22,430 --> 00:13:19,380

out into the distance

295

00:13:24,590 --> 00:13:22,440

as it moved the light changed color from

296

00:13:26,930 --> 00:13:24,600

Blue to red

297

00:13:28,970 --> 00:13:26,940

the three men also recalled that the

298

00:13:31,850 --> 00:13:28,980

object remained completely silent

299

00:13:35,690 --> 00:13:31,860

throughout the sighting

300

00:13:38,210 --> 00:13:35,700

while the rosalotti case is obviously of

301

00:13:40,910 --> 00:13:38,220

great interest there are several other

302

00:13:44,210 --> 00:13:40,920

sightings of strange objects over Italy

303

00:13:46,509 --> 00:13:44,220

around the same time or even some on the

304

00:13:50,449 --> 00:13:46,519

very same day

305

00:13:52,910 --> 00:13:50,459

UFO researcher Albert Rosales has an

306

00:13:57,410 --> 00:13:52,920

intriguing account in his research files

307

00:13:59,990 --> 00:13:57,420

that occurred on November 1st in Treviso

308

00:14:03,590 --> 00:14:00,000

according to the account a fisherman

309

00:14:06,110 --> 00:14:03,600

under the name f Senza was casting his

310

00:14:09,829 --> 00:14:06,120

Nets from his fishing boat on the dese

311

00:14:13,550 --> 00:14:09,839

River on what was a particularly foggy

312

00:14:16,850 --> 00:14:13,560

night as he was doing so he noticed a

313

00:14:19,129 --> 00:14:16,860

green glow coming from the fog

314

00:14:21,410 --> 00:14:19,139

he at first believed another boat was

315

00:14:23,810 --> 00:14:21,420

approaching and began shouting in order

316

00:14:27,230 --> 00:14:23,820

to let his presence be known

317

00:14:29,569 --> 00:14:27,240

however when there was no reply Senza

318

00:14:33,350 --> 00:14:29,579

noticed that the light appeared to not

319

00:14:35,810 --> 00:14:33,360

be moving and was set in the same place

320

00:14:39,050 --> 00:14:35,820

he made his way towards it and was

321

00:14:42,050 --> 00:14:39,060

shocked to see a mushroom-shaped object

322

00:14:44,930 --> 00:14:42,060

on the ground at the riverbank

323

00:14:47,629 --> 00:14:44,940

more shocking however were they several

324

00:14:50,030 --> 00:14:47,639

strange figures that he could clearly

325

00:14:52,129 --> 00:14:50,040

see in the green glow that came from the

326

00:14:54,829 --> 00:14:52,139

Atlantic craft

327

00:14:57,230 --> 00:14:54,839

seem to shout it out once more in an

328

00:14:59,629 --> 00:14:57,240

effort to communicate with them but

329

00:15:01,850 --> 00:14:59,639

there was no reply

330

00:15:04,670 --> 00:15:01,860

the next thing he realized the object

331

00:15:07,430 --> 00:15:04,680

was shooting off into the sky sending

332

00:15:08,810 --> 00:15:07,440

several silver beams of light out as it

333

00:15:11,269 --> 00:15:08,820

did so

334

00:15:14,689 --> 00:15:11,279

it moved overhead in several directions

335

00:15:17,449 --> 00:15:14,699

before finally disappearing into the

336

00:15:23,210 --> 00:15:20,269

at around 6 PM the following evening

337

00:15:27,290 --> 00:15:23,220

this time in cremona

338

00:15:30,170 --> 00:15:27,300

two students Pietro albarini and Perico

339

00:15:32,449 --> 00:15:30,180

Sachi had a particularly bizarre

340

00:15:34,610 --> 00:15:32,459

encounter while hunting

341

00:15:37,129 --> 00:15:34,620

they claimed to have witnessed a

342

00:15:39,889 --> 00:15:37,139

dwarf-like creature that appeared to

343

00:15:41,750 --> 00:15:39,899

have some kind of breathing apparatus on

344

00:15:43,970 --> 00:15:41,760

its back

345

00:15:46,189 --> 00:15:43,980

two students initially approached the

346

00:15:49,310 --> 00:15:46,199

strange creature which caused it to

347

00:15:50,629 --> 00:15:49,320

produce a bluish Cloud that it wrapped

348

00:15:55,490 --> 00:15:50,639

itself in

349

00:15:58,550 --> 00:15:55,500

now spooked the pair turned and ran the

350

00:16:01,250 --> 00:15:58,560

following day in Sardinia a motorcyclist

351  
00:16:04,430 --> 00:16:01,260  
observed a bizarre disc-shaped object

352  
00:16:05,629 --> 00:16:04,440  
appear overhead before landing at the

353  
00:16:08,569 --> 00:16:05,639  
roadside

354  
00:16:10,850 --> 00:16:08,579  
given the speed he was going he swerved

355  
00:16:14,210 --> 00:16:10,860  
his motorcycle fearing he was going to

356  
00:16:16,490 --> 00:16:14,220  
collide with it in doing so however he

357  
00:16:19,850 --> 00:16:16,500  
came off the bike and skid It To The

358  
00:16:21,170 --> 00:16:19,860  
Ground around 150 feet away from the

359  
00:16:23,689 --> 00:16:21,180  
object

360  
00:16:27,110 --> 00:16:23,699  
he noticed a taxi pull up a little

361  
00:16:29,210 --> 00:16:27,120  
further down the road the driver clearly

362  
00:16:32,090 --> 00:16:29,220  
aware of the strange craft at the side

363  
00:16:34,490 --> 00:16:32,100

of the road the witnesses would later

364

00:16:37,009 --> 00:16:34,500

recall that they could also hear a soft

365

00:16:38,689 --> 00:16:37,019

whirling sound that appeared to come

366

00:16:40,790 --> 00:16:38,699

from the object

367

00:16:43,850 --> 00:16:40,800

it appeared to be made from shiny

368

00:16:46,970 --> 00:16:43,860

silvery metal and was approximately 50

369

00:16:49,670 --> 00:16:46,980

feet across after watching it for

foreign

388

00:17:52,190 --> 00:17:49,140

at around 10 30 a.m the next day in

389

00:17:54,789 --> 00:17:52,200

Monza a truly bizarre incident is

390

00:17:57,950 --> 00:17:54,799

documented in Jacques Valley's book

391

00:18:01,130 --> 00:17:57,960

passport to Magonia

392

00:18:04,850 --> 00:18:01,140

the incident began when an apparent UFO

393

00:18:07,669 --> 00:18:04,860

landed inside a local Stadium

394

00:18:09,590 --> 00:18:07,679

barriers were erected but over a hundred

395

00:18:12,409 --> 00:18:09,600

people were said to have made their way

396

00:18:15,409 --> 00:18:12,419

over them in order to see the alleged

397

00:18:18,770 --> 00:18:15,419

spaceship from another world

398

00:18:21,470 --> 00:18:18,780

according to reports the object sat on

399

00:18:23,870 --> 00:18:21,480

three legs and had a domed surface from

400

00:18:25,190 --> 00:18:23,880

which came an extremely bright white

401  
00:18:28,070 --> 00:18:25,200  
light

402  
00:18:31,190 --> 00:18:28,080  
even more intriguing two small entities

403  
00:18:33,650 --> 00:18:31,200  
were seen near the ship each wearing

404  
00:18:36,110 --> 00:18:33,660  
transparent helmets and some kind of

405  
00:18:38,210 --> 00:18:36,120  
white and gray suit

406  
00:18:42,110 --> 00:18:38,220  
some witnesses claimed to have heard the

407  
00:18:44,270 --> 00:18:42,120  
two figures speaking in guttural tones

408  
00:18:46,669 --> 00:18:44,280  
after several moments of the crowd

409  
00:18:49,370 --> 00:18:46,679  
entering the stadium the two figures

410  
00:18:54,409 --> 00:18:49,380  
re-entered the craft and took off into

411  
00:18:59,150 --> 00:18:56,870  
according to the research files of

412  
00:19:02,630 --> 00:18:59,160  
Albert Rosales on the evening of

413  
00:19:05,510 --> 00:19:02,640

November 11th a journalist named Tino

414

00:19:07,850 --> 00:19:05,520

and another man Raphael were walking

415

00:19:08,990 --> 00:19:07,860

along the street after having been to

416

00:19:11,810 --> 00:19:09,000

the cinema

417

00:19:14,029 --> 00:19:11,820

as they walked they noticed a strange

418

00:19:17,029 --> 00:19:14,039

blue green light that seemed to come

419

00:19:19,310 --> 00:19:17,039

from inside a local football field

420

00:19:22,549 --> 00:19:19,320

they made their way to the gate in order

421

00:19:25,730 --> 00:19:22,559

to investigate and were shocked to see a

422

00:19:30,289 --> 00:19:25,740

triangular object resting on wheel-like

423

00:19:32,750 --> 00:19:30,299

floppy disks on each tip on the field as

424

00:19:35,870 --> 00:19:32,760

the two men watched a flashing silver

425

00:19:38,630 --> 00:19:35,880

light showed several figures engaged in

426

00:19:41,690 --> 00:19:38,640

various activities around the object

427

00:19:43,909 --> 00:19:41,700

uncertain what to do they decided to run

428

00:19:46,610 --> 00:19:43,919

and get more witnesses

429

00:19:49,070 --> 00:19:46,620

however no sooner had they turned than

430

00:19:49,909 --> 00:19:49,080

the triangle began to take off into the

431

00:19:51,950 --> 00:19:49,919

air

432

00:19:55,130 --> 00:19:51,960

it headed out toward the sea with

433

00:19:56,750 --> 00:19:55,140

increasing speed and disappeared out of

434

00:20:00,350 --> 00:19:56,760

sight

435

00:20:04,190 --> 00:20:00,360

two nights later at around 11 30 pm on

436

00:20:08,270 --> 00:20:04,200

Catania Sicily four local men Salvatore

437

00:20:12,049 --> 00:20:08,280

Antonio Gaetano and cavaleo reported yet

438

00:20:14,690 --> 00:20:12,059

another apparent near Landing incident

439

00:20:17,750 --> 00:20:14,700

on the night in question according to

440

00:20:20,270 --> 00:20:17,760

rosales's report the men were near the

441

00:20:22,549 --> 00:20:20,280

cemetery when a disc shaped object

442

00:20:25,850 --> 00:20:22,559

descended in front of them hovering

443

00:20:27,770 --> 00:20:25,860

around 150 feet from the ground

444

00:20:31,669 --> 00:20:27,780

they would describe the object as being

445

00:20:33,710 --> 00:20:31,679

metallic and around 20 feet across they

446

00:20:35,450 --> 00:20:33,720

also noticed there was a strange sound

447

00:20:38,029 --> 00:20:35,460

coming from it

448

00:20:41,870 --> 00:20:38,039

then a sudden flash of light came from

449

00:20:44,450 --> 00:20:41,880

the object and a hatch opened as the

450

00:20:46,789 --> 00:20:44,460

witnesses looked on in amazement a

451  
00:20:49,250 --> 00:20:46,799  
strange humanoid creature looked out at

452  
00:20:51,650 --> 00:20:49,260  
them for several seconds before the

453  
00:20:54,710 --> 00:20:51,660  
hatch closed and the object Rose into

454  
00:20:56,930 --> 00:20:54,720  
the air once more disappearing into the

455  
00:20:59,570 --> 00:20:56,940  
skies

456  
00:21:02,630 --> 00:20:59,580  
four nights later early on the morning

457  
00:21:06,110 --> 00:21:02,640  
of December 8th on caserta a farmer

458  
00:21:08,390 --> 00:21:06,120  
named Giovanni aqualante who was a

459  
00:21:10,669 --> 00:21:08,400  
hundred years old at the time left his

460  
00:21:14,630 --> 00:21:10,679  
home in order to go about his chores

461  
00:21:17,690 --> 00:21:14,640  
something he did daily however on this

462  
00:21:20,029 --> 00:21:17,700  
day he failed to return resulting in two

463  
00:21:22,970 --> 00:21:20,039

of his sons and in another family member

464

00:21:25,909 --> 00:21:22,980

going out to search for him

465

00:21:27,470 --> 00:21:25,919

after failing to locate Giovanni they

466

00:21:31,070 --> 00:21:27,480

set out for home

467

00:21:33,350 --> 00:21:31,080

however as they came to a low wall they

468

00:21:37,190 --> 00:21:33,360

noticed two strange-looking entities

469

00:21:39,470 --> 00:21:37,200

with quote phosphorescent eyes

470

00:21:41,690 --> 00:21:39,480

after initially stopping dead in their

471

00:21:45,409 --> 00:21:41,700

tracks one of the men approached the

472

00:21:48,649 --> 00:21:45,419

wall to a shock the strange entities had

473

00:21:51,590 --> 00:21:48,659

seemingly vanished Into Thin Air

474

00:21:53,270 --> 00:21:51,600

they returned home perplexed and even

475

00:21:56,450 --> 00:21:53,280

more worried about their missing

476  
00:21:59,690 --> 00:21:56,460  
hundred-year-old father then the account

477  
00:22:02,810 --> 00:21:59,700  
took another strange twist

478  
00:22:05,810 --> 00:22:02,820  
at 6am the following morning their

479  
00:22:08,450 --> 00:22:05,820  
father walked through the door

480  
00:22:11,870 --> 00:22:08,460  
for the first day of his return He was

481  
00:22:12,770 --> 00:22:11,880  
largely unresponsive and clearly in

482  
00:22:14,990 --> 00:22:12,780  
shock

483  
00:22:17,149 --> 00:22:15,000  
to the confusion of his sons they

484  
00:22:19,850 --> 00:22:17,159  
couldn't understand how he had remained

485  
00:22:22,430 --> 00:22:19,860  
completely dry given that it had rained

486  
00:22:25,310 --> 00:22:22,440  
heavily over the previous two days

487  
00:22:26,350 --> 00:22:25,320  
eventually though he spoke of what had

488  
00:22:29,149 --> 00:22:26,360

happened

489

00:22:31,909 --> 00:22:29,159

according to Giovanni as he was walking

490

00:22:34,669 --> 00:22:31,919

past the old railroad bridge two

491

00:22:37,190 --> 00:22:34,679

dwarf-like creatures appeared out of

492

00:22:39,890 --> 00:22:37,200

nowhere he would describe them as having

493

00:22:41,149 --> 00:22:39,900

suits that were all the colors of the

494

00:22:43,789 --> 00:22:41,159

rainbow

495

00:22:47,029 --> 00:22:43,799

these two small creatures reached for

496

00:22:49,850 --> 00:22:47,039

his hand and lifted him Skyward

497

00:22:52,549 --> 00:22:49,860

the next thing Giovanni realized he was

498

00:22:55,789 --> 00:22:52,559

standing outside his house with the two

499

00:22:57,890 --> 00:22:55,799

dwarves standing with him as if they had

500

00:23:01,430 --> 00:22:57,900

returned him home

501  
00:23:03,950 --> 00:23:01,440  
they then disappeared Into Thin Air and

502  
00:23:06,529 --> 00:23:03,960  
he walked into the house confused and

503  
00:23:08,990 --> 00:23:06,539  
frightened at what had just happened

504  
00:23:11,690 --> 00:23:09,000  
his sons would state that their father

505  
00:23:14,570 --> 00:23:11,700  
remained in such a frightened State for

506  
00:23:17,910 --> 00:23:14,580  
the rest of his life and their father

507  
00:23:19,370 --> 00:23:17,920  
thought they might come back to get him

508  
00:23:22,970 --> 00:23:19,380  
[Music]

509  
00:23:26,090 --> 00:23:22,980  
just before midnight on October 18th in

510  
00:23:28,789 --> 00:23:26,100  
Como a 37 year old salesman Renzo

511  
00:23:31,610 --> 00:23:28,799  
pujinya was returning home after a night

512  
00:23:34,010 --> 00:23:31,620  
at the movies as he brought his car to a

513  
00:23:36,830 --> 00:23:34,020

stop outside his home he noticed a soft

514

00:23:39,110 --> 00:23:36,840

glow lighting up the area around which

515

00:23:40,370 --> 00:23:39,120

he had originally believed to be from

516

00:23:42,590 --> 00:23:40,380

the Moon

517

00:23:45,710 --> 00:23:42,600

he began his way up the stairs leading

518

00:23:48,409 --> 00:23:45,720

to his apartment as he neared the top he

519

00:23:50,690 --> 00:23:48,419

noticed a strange looking creature

520

00:23:52,730 --> 00:23:50,700

he estimated that it was a little over

521

00:23:56,270 --> 00:23:52,740

four feet tall and seemed to be

522

00:23:58,070 --> 00:23:56,280

surrounded by a soft warm light and

523

00:24:01,610 --> 00:23:58,080

appeared to be wearing some sort of

524

00:24:04,070 --> 00:24:01,620

armor the creature also had a helmet on

525

00:24:07,490 --> 00:24:04,080

its head that contained a transparent

526

00:24:09,590 --> 00:24:07,500

visor it wore a strange metallic-like

527

00:24:13,669 --> 00:24:09,600

pair of coveralls that appeared to have

528

00:24:16,250 --> 00:24:13,679

metallic scales on it he also noticed

529

00:24:17,810 --> 00:24:16,260

several pipes or tubes come from the

530

00:24:20,330 --> 00:24:17,820

creature's back

531

00:24:22,610 --> 00:24:20,340

when he followed the pipes they appeared

532

00:24:25,490 --> 00:24:22,620

to connect to a luminous disc

533

00:24:27,230 --> 00:24:25,500

that was approximately the same size as

534

00:24:30,049 --> 00:24:27,240

a bicycle wheel

535

00:24:33,770 --> 00:24:30,059

it's discreetly as he could he continued

536

00:24:35,990 --> 00:24:33,780

to climb up the stairs however after he

537

00:24:38,330 --> 00:24:36,000

had taken several more steps the

538

00:24:40,909 --> 00:24:38,340

creature began to turn around to face

539

00:24:44,450 --> 00:24:40,919

him the witness recalled how the figure

540

00:24:45,830 --> 00:24:44,460

turned his head as if manipulated by a

541

00:24:48,350 --> 00:24:45,840

mechanism

542

00:24:50,210 --> 00:24:48,360

the next thing he knew the creature was

543

00:24:53,450 --> 00:24:50,220

pointing a flashlight like device

544

00:24:55,850 --> 00:24:53,460

directly at him soon as the light hit

545

00:24:57,590 --> 00:24:55,860

him he realized he was immediately

546

00:25:00,770 --> 00:24:57,600

paralyzed

547

00:25:02,870 --> 00:25:00,780

he could still see however and noticed

548

00:25:04,070 --> 00:25:02,880

several more details of the creature's

549

00:25:06,169 --> 00:25:04,080

face

550

00:25:07,990 --> 00:25:06,179

he recalled for example that the

551

00:25:10,970 --> 00:25:08,000

creature's forehead was almost

552

00:25:14,930 --> 00:25:10,980

non-existent while its eyes were much

553

00:25:17,450 --> 00:25:14,940

larger than normal and almond shaped

554

00:25:19,570 --> 00:25:17,460

he also described the color of its skin

555

00:25:23,510 --> 00:25:19,580

as being Olive

556

00:25:26,149 --> 00:25:23,520

within a few moments Renzo regained the

557

00:25:28,370 --> 00:25:26,159

movement in his Limbs and began moving

558

00:25:31,789 --> 00:25:28,380

toward the creature shouting out the

559

00:25:34,610 --> 00:25:31,799

word Mars in reference to the creature

560

00:25:37,430 --> 00:25:34,620

being an alien from Mars

561

00:25:40,190 --> 00:25:37,440

whether this offensive display worked or

562

00:25:43,310 --> 00:25:40,200

not the creature had a Grimace look on

563

00:25:46,789 --> 00:25:43,320

its face and Rose into the air flew away

564

00:25:49,970 --> 00:25:46,799

into the cover of the nearby trees

565

00:25:52,730 --> 00:25:49,980

as it did so a soft buzzing sound Was

566

00:25:56,510 --> 00:25:52,740

Heard as if the flight was made possible

567

00:25:58,789 --> 00:25:56,520

by some kind of engine or device

568

00:26:02,510 --> 00:25:58,799

within moments the creature had

569

00:26:05,630 --> 00:26:02,520

disappeared out of sight Renzo estimated

570

00:26:07,430 --> 00:26:05,640

the entire episode lasted no longer than

571

00:26:10,370 --> 00:26:07,440

several minutes

572

00:26:11,450 --> 00:26:10,380

he ran inside his apartment waking his

573

00:26:14,269 --> 00:26:11,460

wife

574

00:26:17,090 --> 00:26:14,279

due to the state he was in according to

575

00:26:19,190 --> 00:26:17,100

press reports he was in such shock that

576

00:26:21,470 --> 00:26:19,200

he remained in bed for several days

577

00:26:24,529 --> 00:26:21,480

after the incident

578

00:26:26,570 --> 00:26:24,539

also of Interest was an apparent unknown

579

00:26:29,930 --> 00:26:26,580

substance found outside the building

580

00:26:33,169 --> 00:26:29,940

where the creature had been seen

581

00:26:36,289 --> 00:26:33,179

it was said to be odorless dry and

582

00:26:43,010 --> 00:26:40,130

on the morning of October 21st in molito

583

00:26:45,289 --> 00:26:43,020

a local man was walking in a field at

584

00:26:48,950 --> 00:26:45,299

around 8 A.M when he heard a sudden

585

00:26:50,870 --> 00:26:48,960

rustling noise nearby as he looked

586

00:26:53,990 --> 00:26:50,880

around trying to locate the source of

587

00:26:57,529 --> 00:26:54,000

the sound he noticed a bizarre aerial

588

00:27:00,470 --> 00:26:57,539

vehicle descend and land a short

589

00:27:02,570 --> 00:27:00,480

distance from him he remained where he

590

00:27:05,510 --> 00:27:02,580

was for several moments before deciding

591

00:27:09,289 --> 00:27:05,520

to get a little closer to the object

592

00:27:12,289 --> 00:27:09,299

when he did he noticed how it gave off a

593

00:27:15,049 --> 00:27:12,299

bronze green ray of light

594

00:27:18,049 --> 00:27:15,059

even more concerning was the humanoid

595

00:27:19,970 --> 00:27:18,059

pilot that emerged from the craft a

596

00:27:22,789 --> 00:27:19,980

moment later

597

00:27:24,830 --> 00:27:22,799

at this point the witness realized that

598

00:27:28,250 --> 00:27:24,840

he couldn't move as the pilot was

599

00:27:30,769 --> 00:27:28,260

heading toward him only the sound of a

600

00:27:33,470 --> 00:27:30,779

dog barking in a distance caused the

601  
00:27:36,230 --> 00:27:33,480  
humanoid to halt his advance and head

602  
00:27:38,450 --> 00:27:36,240  
back inside the craft

603  
00:27:41,090 --> 00:27:38,460  
the craft then Rose into the air and

604  
00:27:45,110 --> 00:27:41,100  
took off disappearing into the morning

605  
00:27:50,090 --> 00:27:47,510  
according to another report in Jacques

606  
00:27:55,190 --> 00:27:50,100  
Valley's passport to Magonia at around

607  
00:27:58,789 --> 00:27:55,200  
2PM on October 27th in sialika Alta a

608  
00:28:00,830 --> 00:27:58,799  
local resident Fabrizio Bruno reported

609  
00:28:04,850 --> 00:28:00,840  
seeing an object in a field that was

610  
00:28:07,610 --> 00:28:04,860  
giving a blinding glare it appeared to

611  
00:28:08,930 --> 00:28:07,620  
be transparent and hovered several feet

612  
00:28:11,450 --> 00:28:08,940  
off the ground

613  
00:28:15,049 --> 00:28:11,460

he also recalled hearing a hissing sound

614

00:28:17,090 --> 00:28:15,059

that he assumed came from the object

615

00:28:19,730 --> 00:28:17,100

he was unable to move due to his

616

00:28:22,130 --> 00:28:19,740

amazement only coming back to his senses

617

00:28:24,830 --> 00:28:22,140

when the object began to rise into the

618

00:28:27,350 --> 00:28:24,840

air and made its way off into the

619

00:28:35,090 --> 00:28:31,789

in Padova at around 9 pm on October 28th

620

00:28:36,649 --> 00:28:35,100

an egg-shaped object was witnessed by

621

00:28:39,289 --> 00:28:36,659

three people

622

00:28:42,230 --> 00:28:39,299

the strange Crafters hovering a short

623

00:28:44,750 --> 00:28:42,240

distance above some nearby trees before

624

00:28:47,810 --> 00:28:44,760

it then Shone a strange Beam at one of

625

00:28:50,870 --> 00:28:47,820

the houses it eventually took off into

626  
00:28:52,970 --> 00:28:50,880  
the distance one of the witnesses would

627  
00:28:59,950 --> 00:28:52,980  
claim to have suffered from irritated

628  
00:29:05,750 --> 00:29:03,110  
there is an alarming amount of UFO

629  
00:29:09,430 --> 00:29:05,760  
encounters with strange humanoids during

630  
00:29:12,649 --> 00:29:09,440  
the same time as the rosalati incident

631  
00:29:17,269 --> 00:29:12,659  
and this is just those that occurred in

632  
00:29:20,210 --> 00:29:17,279  
Italy toward the end of 1954.

633  
00:29:23,029 --> 00:29:20,220  
what was taking place in Italy at the

634  
00:29:25,190 --> 00:29:23,039  
time and what was the reason for these

635  
00:29:28,610 --> 00:29:25,200  
encounters

636  
00:29:32,210 --> 00:29:28,620  
why did certain countries such as Italy

637  
00:29:34,330 --> 00:29:32,220  
experience more encounters than others

638  
00:29:37,070 --> 00:29:34,340

were they part of some sort of

639

00:29:40,370 --> 00:29:37,080

fact-finding mission of some kind or

640

00:29:43,130 --> 00:29:40,380

general reconnaissance

641

00:29:47,029 --> 00:29:43,140

was this some sort of mass hysteria

642

00:29:50,140 --> 00:29:47,039

plaguing the country spawned by stories

643

00:29:51,889 --> 00:29:50,150

in the news of Rosa's encounter

644

00:29:55,190 --> 00:29:51,899

[Music]

645

00:29:58,029 --> 00:29:55,200

there is much speculation and many

646

00:30:00,950 --> 00:29:58,039

questions regarding the rosalotti case

647

00:30:05,810 --> 00:30:00,960

and the countless other sightings around

648

00:30:08,870 --> 00:30:05,820

Italy during the final months in 1954.

649

00:30:11,810 --> 00:30:08,880

it remains however one of the most

650

00:30:18,110 --> 00:30:11,820

intriguing cases in one of the most

651  
00:30:20,750 --> 00:30:18,120  
bizarre and active waves in UFO history

652  
00:30:24,049 --> 00:30:20,760  
Rosa Lottie would stick to her story

653  
00:30:26,870 --> 00:30:24,059  
until her dying day and although she

654  
00:30:30,230 --> 00:30:26,880  
never had answers to what happened there

655  
00:30:33,049 --> 00:30:30,240  
was one thing she hoped for the strange

656  
00:30:36,010 --> 00:30:33,059  
little men I don't know who the strange

657  
00:30:44,930 --> 00:30:36,020  
men were or why they were there that day

658  
00:30:50,570 --> 00:30:47,630
