

A green, wrinkled alien hand with long, thin fingers is shown reaching out from the left side of the frame. The background is a dark, starry space. The hand is the central focus, with its fingers slightly curled. The overall tone is mysterious and dramatic.

00:00:42,049 --> 00:00:39,120

jw83d says 5 Stars unlike so many of its

16

00:00:44,030 --> 00:00:42,059

peers the show is rarely campy or hokey

17

00:00:46,430 --> 00:00:44,040

while often maintaining a light-hearted

18

00:00:48,529 --> 00:00:46,440

Vibe I really like the intro song and

19

00:00:51,350 --> 00:00:48,539

the background music especially during

20

00:00:54,889 --> 00:00:51,360

the documentary style episodes I really

21

00:00:57,770 --> 00:00:54,899

like the listener stories also lzd says

22

00:01:00,049 --> 00:00:57,780

5 Stars great interviews the aerial

23

00:01:02,510 --> 00:01:00,059

phenomenon episode was interesting on

24

00:01:04,729 --> 00:01:02,520

some many levels it led me to the

25

00:01:07,429 --> 00:01:04,739

documentary and now I can't stop

26

00:01:10,730 --> 00:01:07,439

thinking about it and lastly from JK

27

00:01:13,250 --> 00:01:10,740

than you know thank you so much and keep

39

00:01:45,010 --> 00:01:41,240

looking up

40

00:01:50,929 --> 00:01:48,410

podcast we've covered hundreds of UFO

41

00:01:53,270 --> 00:01:50,939

cases and within those cases we've

42

00:01:56,690 --> 00:01:53,280

tackled controversial topics such as

43

00:01:59,450 --> 00:01:56,700

UFOs paralyzing Witnesses or the alleged

44

00:02:02,149 --> 00:01:59,460

abductions of human beings by aliens

45

00:02:04,670 --> 00:02:02,159

we've even explored the most rare of

46

00:02:07,609 --> 00:02:04,680

cases where drain abductions people

47

00:02:10,370 --> 00:02:07,619

decided to fight back

48

00:02:12,170 --> 00:02:10,380

but almost just as rare are those cases

49

00:02:15,530 --> 00:02:12,180

where people claimed positive

50

00:02:18,710 --> 00:02:15,540

experiences some even claimed they were

51  
00:02:21,470 --> 00:02:18,720  
healed of injuries ailments and diseases

52  
00:02:24,290 --> 00:02:21,480  
today we'll look at several of those

53  
00:02:26,809 --> 00:02:24,300  
cases and ask the question were these

54  
00:02:29,330 --> 00:02:26,819  
mysterious Miracles done at the hands of

55  
00:02:31,910 --> 00:02:29,340  
human Ingenuity sheer coincidence and

56  
00:02:33,530 --> 00:02:31,920  
happenstance or by the hands of some

57  
00:02:35,570 --> 00:02:33,540  
sort of God

58  
00:02:39,050 --> 00:02:35,580  
or could they possibly have been

59  
00:02:41,800 --> 00:02:39,060  
performed by Cosmic occupants said to

60  
00:02:50,949 --> 00:02:41,810  
have come from somewhere in the skies

61  
00:02:55,120 --> 00:02:54,410  
this is somewhere in the skies with Ryan

62  
00:03:23,170 --> 00:02:55,130  
spread

63  
00:03:28,250 --> 00:03:25,970

diphtheria is a serious infection caused

64

00:03:30,290 --> 00:03:28,260

by strains of bacteria that make toxins

65

00:03:33,710 --> 00:03:30,300

it can lead to difficulty breathing

66

00:03:36,170 --> 00:03:33,720

heart rhythm problems and even death and

67

00:03:40,309 --> 00:03:36,180

unfortunately Alice Hagerty of Trenton

68

00:03:42,830 --> 00:03:40,319

New Jersey was struck with this disease

69

00:03:45,050 --> 00:03:42,840

only a young child at the time and

70

00:03:47,030 --> 00:03:45,060

because of her religious background she

71

00:03:49,550 --> 00:03:47,040

had not been vaccinated against this

72

00:03:52,190 --> 00:03:49,560

disease and for the same religious

73

00:03:55,250 --> 00:03:52,200

reasons her parents refused to take her

74

00:03:57,050 --> 00:03:55,260

to the hospital however they did call in

75

00:04:00,289 --> 00:03:57,060

a doctor who said that Alice's condition

76

00:04:03,470 --> 00:04:00,299

was in fact very serious

77

00:04:05,030 --> 00:04:03,480

still Alice's parents refused to seek

78

00:04:07,309 --> 00:04:05,040

conventional treatment

79

00:04:10,250 --> 00:04:07,319

over the next two weeks Alice's

80

00:04:12,649 --> 00:04:10,260

condition deteriorated so much that the

81

00:04:15,110 --> 00:04:12,659

doctor began to visit her daily

82

00:04:17,509 --> 00:04:15,120

and by the end of those two weeks he

83

00:04:20,150 --> 00:04:17,519

told Alice's mother that he did not

84

00:04:22,550 --> 00:04:20,160

expect her to live through the night

85

00:04:24,409 --> 00:04:22,560

but there was something about Alice that

86

00:04:26,990 --> 00:04:24,419

the doctor didn't know

87

00:04:28,430 --> 00:04:27,000

in something she had never told anyone

88

00:04:32,390 --> 00:04:28,440

else

89

00:04:35,030 --> 00:04:32,400

she was an alleged UFO contactee

90

00:04:38,030 --> 00:04:35,040

and on this particular night that she

91

00:04:39,969 --> 00:04:38,040

was presumed to not survive she would

92

00:04:42,590 --> 00:04:39,979

State the following about what happened

93

00:04:45,950 --> 00:04:42,600

I was taken on board by friendly ETS

94

00:04:48,590 --> 00:04:45,960

which at the time I believed were angels

95

00:04:50,810 --> 00:04:48,600

and white robes with silver belts I

96

00:04:53,510 --> 00:04:50,820

remember being transported into a small

97

00:04:55,670 --> 00:04:53,520

rounded room where the ETS told me I

98

00:04:58,310 --> 00:04:55,680

would be cured they waved a small

99

00:05:00,230 --> 00:04:58,320

rod-like device around my body and then

100

00:05:02,330 --> 00:05:00,240

had me stand inside a large Blue

101

00:05:04,909 --> 00:05:02,340

cylinder with a little window

102

00:05:06,409 --> 00:05:04,919

the ETS watched me as a bright light was

103

00:05:08,930 --> 00:05:06,419

emitted from the top of this machine

104

00:05:10,430 --> 00:05:08,940

until it was about eight inches from the

105

00:05:13,189 --> 00:05:10,440

top of my head

106

00:05:16,670 --> 00:05:13,199

the light then retracted and then I was

107

00:05:18,770 --> 00:05:16,680

instructed to exit the cylinder the et's

108

00:05:20,810 --> 00:05:18,780

informed me in a matter-of-fact manner

109

00:05:23,810 --> 00:05:20,820

that I was now cured

110

00:05:26,210 --> 00:05:23,820

and cleansed

111

00:05:28,129 --> 00:05:26,220

the next morning Alice's mother found

112

00:05:31,070 --> 00:05:28,139

her playing on the floor as if

113

00:05:34,010 --> 00:05:31,080

everything was normal Alice was ordered

114

00:05:36,409 --> 00:05:34,020

into bed by her mother and her doctor

115

00:05:39,290 --> 00:05:36,419

but both quickly realized that her

116

00:05:41,689 --> 00:05:39,300

condition was completely gone

117

00:05:44,150 --> 00:05:41,699

later in life having experienced many

118

00:05:46,550 --> 00:05:44,160

other contacts with these alleged ETS

119

00:05:49,670 --> 00:05:46,560

Alice believed that this first

120

00:05:53,029 --> 00:05:49,680

experience was in fact a genuine contact

121

00:05:59,590 --> 00:05:53,039

with extraterrestrials and that they had

122

00:06:05,749 --> 00:06:02,689

the next case takes place in Gainesville

123

00:06:08,689 --> 00:06:05,759

Florida with a man named Jim law law

124

00:06:10,370 --> 00:06:08,699

appropriately an attorney by trade would

125

00:06:12,890 --> 00:06:10,380

State the following about what happened

126  
00:06:15,050 --> 00:06:12,900  
to him sometime in the later part of the

127  
00:06:17,930 --> 00:06:15,060  
year 2000 I began having a strange dull

128  
00:06:19,310 --> 00:06:17,940  
pain in my left groin area I pass it off

129  
00:06:21,170 --> 00:06:19,320  
as having possibly strained myself

130  
00:06:23,510 --> 00:06:21,180  
working out at the gym and I hope that

131  
00:06:25,430 --> 00:06:23,520  
whatever I had done would just go away

132  
00:06:27,350 --> 00:06:25,440  
for several months after her I dealt

133  
00:06:29,450 --> 00:06:27,360  
with it sometimes it didn't bother me

134  
00:06:30,529 --> 00:06:29,460  
but it got really aggravated whenever I

135  
00:06:32,450 --> 00:06:30,539  
worked out

136  
00:06:33,890 --> 00:06:32,460  
began to suspect I had a hernia and I

137  
00:06:36,529 --> 00:06:33,900  
made an appointment for a full physical

138  
00:06:37,850 --> 00:06:36,539

in November that year Dr Fine at

139

00:06:39,710 --> 00:06:37,860

Gainesville Florida performed a full

140

00:06:41,390 --> 00:06:39,720

physical and determined that I had a

141

00:06:43,850 --> 00:06:41,400

hernia and recommended that I see a

142

00:06:45,290 --> 00:06:43,860

urologist for further consultation

143

00:06:47,870 --> 00:06:45,300

I made the appointment with the person

144

00:06:49,610 --> 00:06:47,880

by the name of Dr senden doctor said and

145

00:06:51,590 --> 00:06:49,620

performed an examination a term that I

146

00:06:53,809 --> 00:06:51,600

had an inguinal hernia on the left side

147

00:06:54,890 --> 00:06:53,819

he recommended surgery as soon as

148

00:06:57,350 --> 00:06:54,900

possible

149

00:06:59,450 --> 00:06:57,360

the surgery date was set for February 23

150

00:07:02,210 --> 00:06:59,460

2001 at the surgical group of

151  
00:07:05,029 --> 00:07:02,220  
Gainesville I was to arrived at 10 30 am

152  
00:07:06,950 --> 00:07:05,039  
for pre-op before the 12 30 PM surgery

153  
00:07:08,749 --> 00:07:06,960  
it was to be a mesh repair for the

154  
00:07:10,730 --> 00:07:08,759  
hernia in my left groin

155  
00:07:12,950 --> 00:07:10,740  
about a week or so before the surgery

156  
00:07:15,469 --> 00:07:12,960  
Jim awoke in the middle of the night

157  
00:07:18,050 --> 00:07:15,479  
with a strange feeling that something or

158  
00:07:19,129 --> 00:07:18,060  
someone other than his girlfriend was in

159  
00:07:21,529 --> 00:07:19,139  
the room

160  
00:07:23,930 --> 00:07:21,539  
this was a feeling Jim had many times

161  
00:07:26,809 --> 00:07:23,940  
before having claimed a history of

162  
00:07:28,670 --> 00:07:26,819  
encounters with UFOs and their alleged

163  
00:07:32,210 --> 00:07:28,680

occupants

164

00:07:34,850 --> 00:07:32,220

in fact in 1963 when he was about five

165

00:07:37,790 --> 00:07:34,860

years old he saw a UFO hovering over

166

00:07:40,309 --> 00:07:37,800

Lake Minnetonka in Minnesota

167

00:07:43,010 --> 00:07:40,319

that was his first clue that there was

168

00:07:45,589 --> 00:07:43,020

something strange happening he'd have

169

00:07:48,050 --> 00:07:45,599

more Encounters in his 30s and he began

170

00:07:50,390 --> 00:07:48,060

having really weird experiences such as

171

00:07:52,670 --> 00:07:50,400

his Burglar Alarm being triggered in the

172

00:07:55,070 --> 00:07:52,680

middle of the night or things being

173

00:07:58,189 --> 00:07:55,080

moved in his home with no signs of a

174

00:08:00,050 --> 00:07:58,199

break-in or memory of moving anything he

175

00:08:03,110 --> 00:08:00,060

developed an unexplained fear of

176

00:08:05,749 --> 00:08:03,120

intruders after all of this

177

00:08:08,210 --> 00:08:05,759

but it wasn't until this incident in

178

00:08:10,490 --> 00:08:08,220

2001 when he sensed the presence in his

179

00:08:13,730 --> 00:08:10,500

room that he really began to connect the

180

00:08:15,890 --> 00:08:13,740

dots I saw three figures Gray colored

181

00:08:17,510 --> 00:08:15,900

with big almond eyes

182

00:08:20,089 --> 00:08:17,520

they entered the room apparently through

183

00:08:22,189 --> 00:08:20,099

the wall at first I was startled but I

184

00:08:24,050 --> 00:08:22,199

got a grip on my feelings slowed my

185

00:08:26,270 --> 00:08:24,060

heart rate and I told them if you wish

186

00:08:28,309 --> 00:08:26,280

to continue visiting me then you need to

187

00:08:29,809 --> 00:08:28,319

do something for me or I will make you

188

00:08:32,149 --> 00:08:29,819

go away

189

00:08:33,709 --> 00:08:32,159

I think they understood what I meant one

190

00:08:36,409 --> 00:08:33,719

of them said to me we know of your

191

00:08:38,449 --> 00:08:36,419

condition you have we will help you

192

00:08:40,610 --> 00:08:38,459

one of these figures then pointed a

193

00:08:41,990 --> 00:08:40,620

shiny object about a foot long at the

194

00:08:44,269 --> 00:08:42,000

area of my hernia

195

00:08:45,769 --> 00:08:44,279

I don't remember feeling anything I do

196

00:08:47,690 --> 00:08:45,779

remember asking them why they visited me

197

00:08:49,670 --> 00:08:47,700

like this and one of them said that they

198

00:08:52,310 --> 00:08:49,680

were interested in me because I had the

199

00:08:54,290 --> 00:08:52,320

genetic potential to live a long time

200

00:08:56,810 --> 00:08:54,300

I must state for fact that my

201  
00:08:59,690 --> 00:08:56,820  
grandfather is a very healthy 105 year

202  
00:09:01,250 --> 00:08:59,700  
old born in 1898. he has lived in three

203  
00:09:03,769 --> 00:09:01,260  
centuries and works out in the yard

204  
00:09:05,930 --> 00:09:03,779  
every day he walks out of cane and looks

205  
00:09:08,570 --> 00:09:05,940  
better than most 80 year olds also his

206  
00:09:10,730 --> 00:09:08,580  
mother and her sister lived 109 years

207  
00:09:11,990 --> 00:09:10,740  
old so I can see why they would be

208  
00:09:14,810 --> 00:09:12,000  
interested

209  
00:09:17,630 --> 00:09:14,820  
and with that Jim soon realized that his

210  
00:09:19,970 --> 00:09:17,640  
hernia had completely gone away

211  
00:09:23,090 --> 00:09:19,980  
when he was re-examined by his doctors

212  
00:09:25,370 --> 00:09:23,100  
they were completely mystified as to how

213  
00:09:27,170 --> 00:09:25,380

this could have happened but after

214

00:09:31,610 --> 00:09:27,180

several more checkups and a second

215

00:09:34,910 --> 00:09:31,620

opinion Jim was completely in the clear

216

00:09:37,970 --> 00:09:34,920

whether a medical anomaly or not one

217

00:09:41,030 --> 00:09:37,980

thing was certain at least for Jim to

218

00:09:43,009 --> 00:09:41,040

this day I do not have a hernia I truly

219

00:09:44,750 --> 00:09:43,019

believe this is a very well verified

220

00:09:46,850 --> 00:09:44,760

case of healing through contact with

221

00:09:51,230 --> 00:09:46,860

what I believe was extraterrestrial

222

00:09:55,970 --> 00:09:53,810

the following case comes from a former

223

00:09:59,090 --> 00:09:55,980

Air Force officer by the name of Michael

224

00:10:02,150 --> 00:09:59,100

Thomas Knox and took place in Irvine

225

00:10:04,070 --> 00:10:02,160

California at the Hotel Irvine during a

226

00:10:06,470 --> 00:10:04,080

UFO conference

227

00:10:08,350 --> 00:10:06,480

this occurred September 24th to

228

00:10:12,110 --> 00:10:08,360

September 27

229

00:10:14,389 --> 00:10:12,120

2015. Michael was an active mufon field

230

00:10:17,389 --> 00:10:14,399

investigator and was attending the

231

00:10:18,829 --> 00:10:17,399

conference on the first night he retired

232

00:10:21,650 --> 00:10:18,839

to his hotel room

233

00:10:24,590 --> 00:10:21,660

at this time he had recently torn his

234

00:10:26,810 --> 00:10:24,600

Achilles tendon in his left leg

235

00:10:29,630 --> 00:10:26,820

doctors told him that it was in fact

236

00:10:33,110 --> 00:10:29,640

completely separated and that he needed

237

00:10:35,930 --> 00:10:33,120

surgery it wouldn't heal on its own

238

00:10:39,350 --> 00:10:35,940

but the next morning Knox woke up to

239

00:10:41,810 --> 00:10:39,360

quite a surprise his leg was no longer

240

00:10:43,490 --> 00:10:41,820

in any pain and he felt completely

241

00:10:45,590 --> 00:10:43,500

healed

242

00:10:49,130 --> 00:10:45,600

stranger however was a distinct

243

00:10:51,050 --> 00:10:49,140

triangular Mark he found on his leg

244

00:10:52,790 --> 00:10:51,060

when he told several other of the

245

00:10:55,610 --> 00:10:52,800

conference attendees about waking up

246

00:10:58,670 --> 00:10:55,620

with a healed leg his roommate for the

247

00:11:00,889 --> 00:10:58,680

conference a woman will call Melissa had

248

00:11:02,990 --> 00:11:00,899

quite a story to tell about what had

249

00:11:06,190 --> 00:11:03,000

happened that night to Knox

250

00:11:09,829 --> 00:11:06,200

I came into the room around 11 pm and

251  
00:11:12,590 --> 00:11:09,839  
Michael Knox was already asleep I fell

252  
00:11:16,550 --> 00:11:12,600  
asleep quickly around midnight

253  
00:11:18,590 --> 00:11:16,560  
now at some point I was woken up and I

254  
00:11:20,150 --> 00:11:18,600  
felt like I was floating out of the

255  
00:11:22,670 --> 00:11:20,160  
hotel room

256  
00:11:25,670 --> 00:11:22,680  
I remember standing outside of the hotel

257  
00:11:27,590 --> 00:11:25,680  
room on the rooftop looking back into

258  
00:11:29,269 --> 00:11:27,600  
the window at Michael line and his bed

259  
00:11:31,250 --> 00:11:29,279  
inside the room

260  
00:11:34,370 --> 00:11:31,260  
with him

261  
00:11:37,250 --> 00:11:34,380  
I could see three great aliens standing

262  
00:11:39,470 --> 00:11:37,260  
by his bed holding his leg and giving

263  
00:11:42,829 --> 00:11:39,480

him some sort of injection

264

00:11:44,990 --> 00:11:42,839

I was bounding on the window yelling for

265

00:11:48,110 --> 00:11:45,000

him to wake up he began fighting them

266

00:11:50,389 --> 00:11:48,120

kicking and yelling and then soon we

267

00:11:52,490 --> 00:11:50,399

were both taken up along with several

268

00:11:54,170 --> 00:11:52,500

other people that I recognized from the

269

00:11:56,750 --> 00:11:54,180

conference

270

00:11:58,069 --> 00:11:56,760

we were taken up inside a cigar shaped

271

00:12:01,250 --> 00:11:58,079

craft

272

00:12:04,490 --> 00:12:01,260

all of us were then placed in chairs

273

00:12:07,069 --> 00:12:04,500

which resembled beauty salon chairs with

274

00:12:09,650 --> 00:12:07,079

hair dryers above them

275

00:12:12,290 --> 00:12:09,660

we were all restrained in the chairs and

276

00:12:14,030 --> 00:12:12,300

the parts that looked like a hair dryer

277

00:12:15,829 --> 00:12:14,040

then they were placed over each one of

278

00:12:18,290 --> 00:12:15,839

our heads

279

00:12:20,870 --> 00:12:18,300

I had the impression that these Grays

280

00:12:24,410 --> 00:12:20,880

were allowing the people in the chairs

281

00:12:25,970 --> 00:12:24,420

to transfer mental information between

282

00:12:29,389 --> 00:12:25,980

each other

283

00:12:31,790 --> 00:12:29,399

Melissa counted at least 20 Grays on

284

00:12:34,069 --> 00:12:31,800

board this craft and after the apparent

285

00:12:36,410 --> 00:12:34,079

information transfer some of the people

286

00:12:38,569 --> 00:12:36,420

were physically examined

287

00:12:41,269 --> 00:12:38,579

after which everyone was returned to

288

00:12:43,730 --> 00:12:41,279

their respective hotel rooms later that

289

00:12:46,009 --> 00:12:43,740

morning Melissa would tell Michael of

290

00:12:48,290 --> 00:12:46,019

what had happened but Michael remembered

291

00:12:49,370 --> 00:12:48,300

nothing other than sleeping throughout

292

00:12:52,250 --> 00:12:49,380

the night

293

00:12:54,110 --> 00:12:52,260

but something had clearly happened which

294

00:12:57,350 --> 00:12:54,120

healed his leg

295

00:12:59,629 --> 00:12:57,360

together Melissa and Michael got a black

296

00:13:02,269 --> 00:12:59,639

light and used it to examine their hotel

297

00:13:06,250 --> 00:13:02,279

room what they found would leave Michael

298

00:13:09,410 --> 00:13:06,260

speechless on his leg he found strange

299

00:13:12,650 --> 00:13:09,420

phosphorescent particles these particles

300

00:13:14,870 --> 00:13:12,660

were also found on Melissa's pajamas her

301  
00:13:15,829 --> 00:13:14,880  
bed and various other spots throughout

302  
00:13:18,530 --> 00:13:15,839  
the room

303  
00:13:20,569 --> 00:13:18,540  
but the most bizarre thing was when they

304  
00:13:23,509 --> 00:13:20,579  
found what appeared like three strange

305  
00:13:25,850 --> 00:13:23,519  
fingerprints on Michael's leg

306  
00:13:28,129 --> 00:13:25,860  
after describing these experiences to

307  
00:13:30,350 --> 00:13:28,139  
other members at the conference several

308  
00:13:33,650 --> 00:13:30,360  
would tell Melissa and Michael that they

309  
00:13:36,290 --> 00:13:33,660  
had seen a large UFO over the hotel that

310  
00:13:38,509 --> 00:13:36,300  
very same night

311  
00:13:41,329 --> 00:13:38,519  
whether all of this was some sort of

312  
00:13:44,150 --> 00:13:41,339  
shared hysteria of Believers enabling

313  
00:13:46,670 --> 00:13:44,160

one another at a UFO conference or maybe

314

00:13:48,470 --> 00:13:46,680

just simple misinterpretations of

315

00:13:51,590 --> 00:13:48,480

different events happening at similar

316

00:13:54,530 --> 00:13:51,600

times one thing was for certain

317

00:13:58,310 --> 00:13:54,540

Michael Knox had somehow completely been

318

00:14:01,069 --> 00:13:58,320

cured of his torn Achilles tendon injury

319

00:14:05,509 --> 00:14:01,079

it just so happened to be at a UFO

320

00:14:10,910 --> 00:14:08,030

the following case concerns an anonymous

321

00:14:13,850 --> 00:14:10,920

young boy in Peru who had injured

322

00:14:17,930 --> 00:14:13,860

himself very badly during a fall

323

00:14:20,030 --> 00:14:17,940

he unfortunately also lapsed into a coma

324

00:14:22,670 --> 00:14:20,040

the main witness to this healing and

325

00:14:25,069 --> 00:14:22,680

case was an engineer by the name of

326

00:14:28,430 --> 00:14:25,079

Victor capitanovic

327

00:14:31,850 --> 00:14:28,440

on March 10 1960 in the region of

328

00:14:34,670 --> 00:14:31,860

kalahon De Hue Las Victor came across a

329

00:14:37,310 --> 00:14:34,680

family in the small remote Village as he

330

00:14:39,650 --> 00:14:37,320

was passing through one of the parents

331

00:14:42,410 --> 00:14:39,660

told Victor that their son had fallen

332

00:14:43,790 --> 00:14:42,420

from a cliff and was apparently dying of

333

00:14:46,370 --> 00:14:43,800

his injuries

334

00:14:48,410 --> 00:14:46,380

Victor for reasons he couldn't readily

335

00:14:51,050 --> 00:14:48,420

explain asked if he could see the young

336

00:14:53,629 --> 00:14:51,060

boy the parents agreed and brought him

337

00:14:56,629 --> 00:14:53,639

to the boy who was lying on the floor in

338

00:14:58,670 --> 00:14:56,639

a hut not moving at all

339

00:15:01,930 --> 00:14:58,680

Victor would State the following about

340

00:15:06,110 --> 00:15:01,940

the experience with the boy

341

00:15:09,889 --> 00:15:06,120

his swollen face had taken a

342

00:15:13,670 --> 00:15:09,899

bluish color by the infections

343

00:15:14,870 --> 00:15:13,680

his eyes were half closed his mouth half

344

00:15:19,069 --> 00:15:14,880

open

345

00:15:21,129 --> 00:15:19,079

with his tongue and lips swollen

346

00:15:25,790 --> 00:15:21,139

he looked terrible

347

00:15:28,129 --> 00:15:25,800

I bent down to examine the boy and could

348

00:15:32,090 --> 00:15:28,139

barely detect a pulse

349

00:15:34,910 --> 00:15:32,100

I noticed that the boy was in fact in a

350

00:15:37,910 --> 00:15:34,920

comatose state in the closest hospital

351

00:15:41,870 --> 00:15:37,920

was many many miles away

352

00:15:43,129 --> 00:15:41,880

I offered to transport the child his

353

00:15:46,910 --> 00:15:43,139

mother

354

00:15:49,490 --> 00:15:46,920

angrily refused and explained that the

355

00:15:50,509 --> 00:15:49,500

gods from the sky would take care of my

356

00:15:55,430 --> 00:15:50,519

son

357

00:15:57,290 --> 00:15:55,440

I was confused and I asked my guide what

358

00:16:00,050 --> 00:15:57,300

she meant by this

359

00:16:03,230 --> 00:16:00,060

he would go on to explain to me that the

360

00:16:06,889 --> 00:16:03,240

locals were often in contact with UFO

361

00:16:10,009 --> 00:16:06,899

beings whom they called Sky gods

362

00:16:12,470 --> 00:16:10,019

Victor was intrigued because he himself

363

00:16:15,470 --> 00:16:12,480

had seen several strange objects while

364

00:16:19,670 --> 00:16:15,480

traveling through the region discs to be

365

00:16:22,970 --> 00:16:19,680

exact I decided to stay and see if this

366

00:16:25,850 --> 00:16:22,980

was true with these Sky Gods actually

367

00:16:29,030 --> 00:16:25,860

show up to heal this boy

368

00:16:31,790 --> 00:16:29,040

soon the skies filled with clouds

369

00:16:35,269 --> 00:16:31,800

and suddenly the boy's parents began

370

00:16:37,670 --> 00:16:35,279

shouting and pointing to the clouds and

371

00:16:42,590 --> 00:16:37,680

that's when Victor saw it

372

00:16:44,870 --> 00:16:42,600

it was a disc shaped apparatus similar

373

00:16:48,470 --> 00:16:44,880

to a small airplane

374

00:16:50,990 --> 00:16:48,480

it dropped out of the clouds and landed

375

00:16:53,210 --> 00:16:51,000

silently among the herd of sheep and

376

00:16:56,210 --> 00:16:53,220

goats below

377

00:16:59,689 --> 00:16:56,220

a door opened and

378

00:17:02,930 --> 00:16:59,699

a figure emerged it was a woman

379

00:17:06,049 --> 00:17:02,940

she looked entirely human

380

00:17:08,150 --> 00:17:06,059

though her skin was quite pale and she

381

00:17:11,390 --> 00:17:08,160

was very short

382

00:17:15,350 --> 00:17:11,400

she was dressed in a full body suit

383

00:17:18,530 --> 00:17:15,360

unlike anything I'd seen before

384

00:17:20,929 --> 00:17:18,540

she floated towards us in the Hut a few

385

00:17:23,510 --> 00:17:20,939

inches off the ground

386

00:17:28,429 --> 00:17:23,520

at this point my guide and the family

387

00:17:32,330 --> 00:17:28,439

dropped to their knees and began to pray

388

00:17:34,789 --> 00:17:32,340

the woman motioned for them to rise she

389

00:17:38,990 --> 00:17:34,799

then scooped up the young boy

390

00:17:43,789 --> 00:17:39,000

and carried him into the landed craft

391

00:17:46,610 --> 00:17:43,799

then the door to the craft closed

392

00:17:49,370 --> 00:17:46,620

after several minutes the door opened

393

00:17:50,630 --> 00:17:49,380

and what Victor saw next completely

394

00:17:52,549 --> 00:17:50,640

shocked him

395

00:17:56,870 --> 00:17:52,559

who was the boy

396

00:17:59,029 --> 00:17:56,880

he descended alone from a ladder of The

397

00:18:02,029 --> 00:17:59,039

Craft and when he made it to the ground

398

00:18:05,350 --> 00:18:02,039

he ran towards us

399

00:18:09,350 --> 00:18:05,360

showing no signs of injury

400

00:18:12,409 --> 00:18:09,360

I was in such disbelief that I thought

401  
00:18:14,990 --> 00:18:12,419  
maybe it was a different boy maybe they

402  
00:18:18,590 --> 00:18:15,000  
had taken another boy in the craft and

403  
00:18:22,310 --> 00:18:18,600  
he was now coming out but uh

404  
00:18:26,390 --> 00:18:22,320  
I watched as his mother ran toward him

405  
00:18:29,450 --> 00:18:26,400  
shouting in emotion and embraced him

406  
00:18:32,330 --> 00:18:29,460  
I looked the boy over and there was no

407  
00:18:35,870 --> 00:18:32,340  
sign of any previous injuries

408  
00:18:41,150 --> 00:18:38,450  
the miracle

409  
00:18:43,909 --> 00:18:41,160  
at this point the woman from the craft

410  
00:18:47,330 --> 00:18:43,919  
exited and approached the group Victor

411  
00:18:49,730 --> 00:18:47,340  
began to speak to her asking who she was

412  
00:18:52,430 --> 00:18:49,740  
she would tell him that her name was

413  
00:18:55,909 --> 00:18:52,440

Ivanka she invited him on board the

414

00:18:56,870 --> 00:18:55,919

craft he curiously obliged and was given

415

00:18:59,029 --> 00:18:56,880

a tour

416

00:19:01,430 --> 00:18:59,039

there he would meet several other

417

00:19:04,430 --> 00:19:01,440

members of this strange race of

418

00:19:06,650 --> 00:19:04,440

human-like people they conversed with

419

00:19:10,130 --> 00:19:06,660

him for over an hour

420

00:19:12,950 --> 00:19:10,140

they explained to me that they were here

421

00:19:15,830 --> 00:19:12,960

to heal the Earth

422

00:19:18,289 --> 00:19:15,840

but that they couldn't keep up with the

423

00:19:20,270 --> 00:19:18,299

pain and destruction that humans were

424

00:19:22,549 --> 00:19:20,280

causing one another

425

00:19:24,230 --> 00:19:22,559

and the destruction we were causing to

426  
00:19:27,230 --> 00:19:24,240  
the planet itself

427  
00:19:30,049 --> 00:19:27,240  
it was a very somber moment

428  
00:19:31,850 --> 00:19:30,059  
they guided me out of the craft said

429  
00:19:34,549 --> 00:19:31,860  
goodbye and

430  
00:19:36,770 --> 00:19:34,559  
they left

431  
00:19:39,049 --> 00:19:36,780  
Victor would claim that he had frequent

432  
00:19:41,029 --> 00:19:39,059  
contact with these beings after this

433  
00:19:43,669 --> 00:19:41,039  
event he would help to spread their

434  
00:19:46,190 --> 00:19:43,679  
messages of future destruction of Earth

435  
00:19:48,409 --> 00:19:46,200  
and would do everything he could to try

436  
00:19:52,440 --> 00:19:48,419  
to help heal the world like they had

437  
00:19:55,270 --> 00:19:52,450  
done that day with a young boy in Peru

438  
00:19:57,950 --> 00:19:55,280

[Music]

439

00:20:00,770 --> 00:19:57,960

this next case took place just outside

440

00:20:04,310 --> 00:20:00,780

of Paris France and involved a radio

441

00:20:06,950 --> 00:20:04,320

engineer by the name of Gilbert Camille

442

00:20:10,250 --> 00:20:06,960

Gilbert was suffering from liver disease

443

00:20:12,770 --> 00:20:10,260

which was becoming progressively worse

444

00:20:15,710 --> 00:20:12,780

as an engineer he spent his time between

445

00:20:18,110 --> 00:20:15,720

two different shops that he owned while

446

00:20:19,850 --> 00:20:18,120

traveling between shops one morning he'd

447

00:20:21,529 --> 00:20:19,860

experienced something that really

448

00:20:25,669 --> 00:20:21,539

frightened him

449

00:20:27,830 --> 00:20:25,679

on March 5th 1971 at approximately 1 am

450

00:20:30,470 --> 00:20:27,840

he was driving down the road when he

451  
00:20:32,210 --> 00:20:30,480  
noticed a strange light ahead of him

452  
00:20:34,669 --> 00:20:32,220  
he first thought it might be the lights

453  
00:20:37,070 --> 00:20:34,679  
of the town he was heading towards but

454  
00:20:38,810 --> 00:20:37,080  
as he continued driving he realized the

455  
00:20:40,669 --> 00:20:38,820  
lights were actually coming from the

456  
00:20:42,830 --> 00:20:40,679  
woods in the distance

457  
00:20:44,870 --> 00:20:42,840  
the closer he got to the lights he

458  
00:20:47,150 --> 00:20:44,880  
noticed that there were actually eight

459  
00:20:49,669 --> 00:20:47,160  
different lights located in front of the

460  
00:20:51,770 --> 00:20:49,679  
Woods by a large Meadow on the side of

461  
00:20:54,470 --> 00:20:51,780  
the road the lights were laid out

462  
00:20:56,570 --> 00:20:54,480  
regularly at ground level parallel with

463  
00:20:59,270 --> 00:20:56,580

the edge of the forest they were

464

00:21:01,970 --> 00:20:59,280

rectangular in shape and a soft bluish

465

00:21:03,049 --> 00:21:01,980

color and they seemed to be connected to

466

00:21:05,630 --> 00:21:03,059

something

467

00:21:07,789 --> 00:21:05,640

Gilbert would describe the following

468

00:21:09,710 --> 00:21:07,799

I could barely make a doubt except that

469

00:21:12,230 --> 00:21:09,720

I could seize the Moonlight reflecting

470

00:21:15,470 --> 00:21:12,240

off the surface it was a craft of some

471

00:21:19,549 --> 00:21:15,480

sort it was gray and metallic it had

472

00:21:23,450 --> 00:21:19,559

small Windows as well it was like a half

473

00:21:26,450 --> 00:21:23,460

sphere flattened I'd say it was about 30

474

00:21:27,470 --> 00:21:26,460

feet in night and maybe about 50 feet

475

00:21:29,750 --> 00:21:27,480

wide

476

00:21:32,270 --> 00:21:29,760

but as startling as the craft was

477

00:21:35,049 --> 00:21:32,280

Gilbert would be just as startled

478

00:21:38,330 --> 00:21:35,059

moments later when he saw something else

479

00:21:40,070 --> 00:21:38,340

I saw three creatures they were heading

480

00:21:42,409 --> 00:21:40,080

towards me from a small slope between

481

00:21:44,690 --> 00:21:42,419

the woods and the road they were on all

482

00:21:48,169 --> 00:21:44,700

full squirreling on their arms and legs

483

00:21:51,890 --> 00:21:48,179

as they were quite large they had tan

484

00:21:55,190 --> 00:21:51,900

colored skin with a huge insect-like ads

485

00:21:58,490 --> 00:21:55,200

almost like a mantis as they approached

486

00:21:59,870 --> 00:21:58,500

they all stopped at once staring

487

00:22:02,630 --> 00:21:59,880

straight at me

488

00:22:04,730 --> 00:22:02,640

as the moon got brighter I could see

489

00:22:07,370 --> 00:22:04,740

that it wasn't just three of these

490

00:22:09,529 --> 00:22:07,380

creatures there were at least 20 in

491

00:22:11,990 --> 00:22:09,539

total some of them was standing upright

492

00:22:13,970 --> 00:22:12,000

While others were on all fours as if

493

00:22:16,669 --> 00:22:13,980

they were looking for something on the

494

00:22:19,789 --> 00:22:16,679

ground I could hear nothing others in my

495

00:22:22,190 --> 00:22:19,799

car as I continued driving slowly I

496

00:22:24,890 --> 00:22:22,200

noticed the pale blue beam of Light

497

00:22:26,630 --> 00:22:24,900

which Shone on the back of my car the

498

00:22:29,270 --> 00:22:26,640

lights and began to illuminate the

499

00:22:31,310 --> 00:22:29,280

entire woods around me as Gilbert looked

500

00:22:33,409 --> 00:22:31,320

out his rearview mirror he could see

501  
00:22:35,870 --> 00:22:33,419  
that the light was now being projected

502  
00:22:38,690 --> 00:22:35,880  
right at his car he could see that the

503  
00:22:42,110 --> 00:22:38,700  
creatures were all around him behind him

504  
00:22:44,990 --> 00:22:42,120  
to both sides and in front he was

505  
00:22:48,529 --> 00:22:45,000  
absolutely petrified at this point

506  
00:22:51,590 --> 00:22:48,539  
and then the beam of light hit him

507  
00:22:53,870 --> 00:22:51,600  
Zafir as a moment completely left me and

508  
00:22:56,810 --> 00:22:53,880  
it also felt like everything was taking

509  
00:22:59,090 --> 00:22:56,820  
control of I could not steal the vehicle

510  
00:23:02,029 --> 00:22:59,100  
I could not speed up or slow down

511  
00:23:04,430 --> 00:23:02,039  
nothing the ordered become fluorescent

512  
00:23:06,470 --> 00:23:04,440  
as well at this moment the cow was

513  
00:23:09,230 --> 00:23:06,480

completely out of my control and I

514

00:23:12,649 --> 00:23:09,240

became very disoriented

515

00:23:15,110 --> 00:23:12,659

Gilbert doesn't remember much after this

516

00:23:17,570 --> 00:23:15,120

he does remember reaching his home and

517

00:23:19,549 --> 00:23:17,580

going inside when he prepared to go to

518

00:23:21,590 --> 00:23:19,559

sleep that night he removed his clothes

519

00:23:23,630 --> 00:23:21,600

to take a shower and noticed something

520

00:23:26,149 --> 00:23:23,640

strange on the left side of his shirt

521

00:23:28,250 --> 00:23:26,159

there was about seven or eight marks in

522

00:23:30,710 --> 00:23:28,260

the shape of a rectangle

523

00:23:31,669 --> 00:23:30,720

these were about five centimeters in

524

00:23:34,850 --> 00:23:31,679

size

525

00:23:36,770 --> 00:23:34,860

they seemed almost gold in color and a

526

00:23:39,529 --> 00:23:36,780

little bit phosphorescent

527

00:23:42,289 --> 00:23:39,539

the marks faded within minutes and with

528

00:23:44,750 --> 00:23:42,299

that Gilbert went to sleep

529

00:23:46,789 --> 00:23:44,760

the next morning Gilbert decided he

530

00:23:48,770 --> 00:23:46,799

would go back to the area with his son

531

00:23:50,149 --> 00:23:48,780

to see if he could find any trace of

532

00:23:53,270 --> 00:23:50,159

what had happened

533

00:23:55,310 --> 00:23:53,280

at first he found nothing but the closer

534

00:23:57,950 --> 00:23:55,320

he looked in the area where the beans

535

00:24:00,470 --> 00:23:57,960

had been seen he immediately saw that

536

00:24:03,110 --> 00:24:00,480

the grass had been crushed down in a

537

00:24:06,230 --> 00:24:03,120

sort of half-spirical shape about 30

538

00:24:08,029 --> 00:24:06,240

feet in length Gilbert remembering that

539

00:24:10,549 --> 00:24:08,039

it was so cold that night that it

540

00:24:12,950 --> 00:24:10,559

actually snowed now notice that the area

541

00:24:15,049 --> 00:24:12,960

where this spherical shape was was

542

00:24:17,990 --> 00:24:15,059

devoid of any snow

543

00:24:21,409 --> 00:24:18,000

his son touched the area and said it was

544

00:24:23,450 --> 00:24:21,419

actually very warm to the touch

545

00:24:25,690 --> 00:24:23,460

it was at this point that Gilbert saw

546

00:24:28,370 --> 00:24:25,700

something else that was rather strange

547

00:24:31,549 --> 00:24:28,380

is that a strange Footprints all around

548

00:24:33,710 --> 00:24:31,559

the area they looked like a zat of shoes

549

00:24:37,010 --> 00:24:33,720

except there were no heels and the

550

00:24:39,529 --> 00:24:37,020

prince and they were very large but this

551  
00:24:42,590 --> 00:24:39,539  
wasn't it Gilbert noticed something else

552  
00:24:44,810 --> 00:24:42,600  
which was very odd this area was known

553  
00:24:46,850 --> 00:24:44,820  
for large patches of dandelions that

554  
00:24:49,250 --> 00:24:46,860  
would grow on the roadside and even

555  
00:24:51,770 --> 00:24:49,260  
though there was light snow I could tell

556  
00:24:53,630 --> 00:24:51,780  
from seeing the surrounding area that

557  
00:24:56,870 --> 00:24:53,640  
where this sphere was in the ground

558  
00:24:58,970 --> 00:24:56,880  
there was no flowers at all as you've

559  
00:25:01,310 --> 00:24:58,980  
said you've all been picked

560  
00:25:04,789 --> 00:25:01,320  
but it wasn't so much the dandelions

561  
00:25:06,470 --> 00:25:04,799  
missing that caught Gilbert's interest I

562  
00:25:08,270 --> 00:25:06,480  
had remembered from speaking to many

563  
00:25:10,850 --> 00:25:08,280

gardeners throughout the years the

564

00:25:13,750 --> 00:25:10,860

dandelions have many medicinal qualities

565

00:25:16,010 --> 00:25:13,760

such as antioxidants and

566

00:25:18,529 --> 00:25:16,020

anti-inflammatory inequalities

567

00:25:20,570 --> 00:25:18,539

and what I found the strange marks on my

568

00:25:22,909 --> 00:25:20,580

shirt it reminded me of when you're

569

00:25:25,269 --> 00:25:22,919

there sometimes fall into patches of

570

00:25:29,029 --> 00:25:25,279

flowers and they would leave smudges

571

00:25:30,590 --> 00:25:29,039

remnants on your skin or as a claws it

572

00:25:31,909 --> 00:25:30,600

looked very similar to the color of

573

00:25:35,269 --> 00:25:31,919

dandelions

574

00:25:37,430 --> 00:25:35,279

the other odd thing was that I had a

575

00:25:39,769 --> 00:25:37,440

coat on during the event but these

576

00:25:41,510 --> 00:25:39,779

markings had somehow only ended up on my

577

00:25:43,850 --> 00:25:41,520

shirt underneath

578

00:25:46,730 --> 00:25:43,860

prior to the event Gilbert was having

579

00:25:49,909 --> 00:25:46,740

very painful headaches constantly

580

00:25:52,370 --> 00:25:49,919

he also had little to no appetite due to

581

00:25:54,350 --> 00:25:52,380

his liver disease his health was so bad

582

00:25:56,690 --> 00:25:54,360

that he'd reached the point of deep

583

00:25:58,190 --> 00:25:56,700

depression and just did not want to go

584

00:26:00,890 --> 00:25:58,200

on anymore

585

00:26:03,409 --> 00:26:00,900

but something happened after the

586

00:26:06,649 --> 00:26:03,419

incident that night directly after this

587

00:26:08,210 --> 00:26:06,659

event my headaches had ceased and my

588

00:26:11,510 --> 00:26:08,220

appetite had returned

589

00:26:14,149 --> 00:26:11,520

and as the days went on I just felt

590

00:26:16,430 --> 00:26:14,159

better I'm better but most importantly

591

00:26:18,830 --> 00:26:16,440

after a few meetings with my doctors

592

00:26:21,230 --> 00:26:18,840

they had informed me that my liver

593

00:26:23,149 --> 00:26:21,240

disease had completely disappeared

594

00:26:25,370 --> 00:26:23,159

there as well as I were completely

595

00:26:27,590 --> 00:26:25,380

dumbfounded

596

00:26:29,510 --> 00:26:27,600

so what's this encounter with these

597

00:26:31,730 --> 00:26:29,520

four-legged creatures somehow

598

00:26:34,610 --> 00:26:31,740

responsible for Gilbert's sudden Health

599

00:26:37,370 --> 00:26:34,620

returning to normal were the medicinal

600

00:26:38,269 --> 00:26:37,380

dandelions used in some way to help heal

601  
00:26:40,789 --> 00:26:38,279  
him

602  
00:26:43,909 --> 00:26:40,799  
while it may be a stretch Gilbert

603  
00:26:46,430 --> 00:26:43,919  
believed so whatever happens at night on

604  
00:26:49,070 --> 00:26:46,440  
that road was the reason I am alive

605  
00:26:51,230 --> 00:26:49,080  
today I have no doubt of that I don't

606  
00:26:54,049 --> 00:26:51,240  
know what they were where they came from

607  
00:26:57,110 --> 00:26:54,059  
or what they did to me but I am truly

608  
00:27:02,029 --> 00:26:57,120  
grateful and I would not trade it for

609  
00:27:07,310 --> 00:27:04,789  
the Travis Walton UFO incident made

610  
00:27:10,669 --> 00:27:07,320  
International headlines when on November

611  
00:27:12,830 --> 00:27:10,679  
5th 1975 Walton along with six

612  
00:27:15,470 --> 00:27:12,840  
co-workers were on their way home after

613  
00:27:17,330 --> 00:27:15,480

a long day of felling and piling trees

614

00:27:19,970 --> 00:27:17,340

in the Apache sick Grieves National

615

00:27:22,370 --> 00:27:19,980

Forest in Arizona

616

00:27:25,070 --> 00:27:22,380

just after Sunset as they drove along

617

00:27:27,230 --> 00:27:25,080

the bumpy Forest Road they noticed an

618

00:27:28,669 --> 00:27:27,240

unusual light emanating through the

619

00:27:31,070 --> 00:27:28,679

Treeline head

620

00:27:33,289 --> 00:27:31,080

as they got closer to the light source

621

00:27:36,830 --> 00:27:33,299

they discovered that it was coming from

622

00:27:39,289 --> 00:27:36,840

a 20 foot long metallic craft which hung

623

00:27:41,090 --> 00:27:39,299

motionless about 20 feet above the

624

00:27:43,430 --> 00:27:41,100

forest floor

625

00:27:46,010 --> 00:27:43,440

the 23 year old Travis Walton's

626  
00:27:48,409 --> 00:27:46,020  
curiosity got the better of him and he

627  
00:27:50,450 --> 00:27:48,419  
jumped out of the stationary truck and

628  
00:27:52,850 --> 00:27:50,460  
stood directly beneath the incredible

629  
00:27:55,970 --> 00:27:52,860  
machine to get a better look

630  
00:27:58,370 --> 00:27:55,980  
suddenly the object began to wobble and

631  
00:28:01,250 --> 00:27:58,380  
vibrate before shooting out a beam of

632  
00:28:03,590 --> 00:28:01,260  
intense light which hit Travis knocking

633  
00:28:06,350 --> 00:28:03,600  
him clean off his feet and tossing him

634  
00:28:09,649 --> 00:28:06,360  
through the air like a ragdoll

635  
00:28:11,930 --> 00:28:09,659  
his friends departed in a blind panic

636  
00:28:13,610 --> 00:28:11,940  
before returning shortly after to find

637  
00:28:17,390 --> 00:28:13,620  
him gone

638  
00:28:20,269 --> 00:28:17,400

Travis was missing for five days and the

639

00:28:23,029 --> 00:28:20,279

others were accused of his murder

640

00:28:25,970 --> 00:28:23,039

fortunately he arrived home in time to

641

00:28:28,070 --> 00:28:25,980

save them from further scrutiny

642

00:28:30,769 --> 00:28:28,080

what Travis Walton experienced on board

643

00:28:33,649 --> 00:28:30,779

that craft is well documented in his

644

00:28:35,810 --> 00:28:33,659

book The Travis Walton experience which

645

00:28:39,890 --> 00:28:35,820

led to a blockbuster Hollywood movie

646

00:28:41,750 --> 00:28:39,900

Fire in the Sky released in 1993. Walton

647

00:28:44,390 --> 00:28:41,760

claimed to have witnessed three gray

648

00:28:46,970 --> 00:28:44,400

aliens on board the ship and later

649

00:28:49,269 --> 00:28:46,980

during the event he met human-looking

650

00:28:52,430 --> 00:28:49,279

beings who he described as being

651  
00:28:54,769 --> 00:28:52,440  
smooth-skinned and blemishless

652  
00:28:57,890 --> 00:28:54,779  
what was truly never discussed however

653  
00:29:01,250 --> 00:28:57,900  
was the motivations of these aliens when

654  
00:29:03,890 --> 00:29:01,260  
Travis was on board their supposed craft

655  
00:29:06,430 --> 00:29:03,900  
the same craft that it hit him with a

656  
00:29:10,190 --> 00:29:06,440  
beam of light and left him for dead

657  
00:29:13,430 --> 00:29:10,200  
literally Walton now believes that this

658  
00:29:16,070 --> 00:29:13,440  
beam of light ended his life

659  
00:29:19,070 --> 00:29:16,080  
but clearly this wasn't the end of the

660  
00:29:20,510 --> 00:29:19,080  
experience and certainly not the end of

661  
00:29:23,210 --> 00:29:20,520  
Travis Walton

662  
00:29:25,730 --> 00:29:23,220  
in an interview with open Minds TV

663  
00:29:29,870 --> 00:29:25,740

Walton expressed the following about

664

00:29:31,850 --> 00:29:29,880

that night I'm thinking now that uh

665

00:29:32,930 --> 00:29:31,860

the reason I was taken a board was

666

00:29:35,149 --> 00:29:32,940

because

667

00:29:38,169 --> 00:29:35,159

there was no choice

668

00:29:42,169 --> 00:29:38,179

I would have I would have been dead

669

00:29:44,990 --> 00:29:42,179

I used to sort of accept the terminology

670

00:29:47,810 --> 00:29:45,000

abduction but now I'm calling it more of

671

00:29:49,789 --> 00:29:47,820

a ambulance call I really think it was

672

00:29:54,289 --> 00:29:49,799

an accident I don't think they were

673

00:29:56,450 --> 00:29:54,299

firing at me or you know trying to you

674

00:29:59,090 --> 00:29:56,460

know Stun Me or punish me or anything

675

00:30:01,490 --> 00:29:59,100

like that I think it was some kind of a

676  
00:30:04,010 --> 00:30:01,500  
an effect of the propulsion they were

677  
00:30:07,789 --> 00:30:04,020  
powering up to to leave and just get

678  
00:30:10,250 --> 00:30:07,799  
away from us and I raised up and got too

679  
00:30:11,330 --> 00:30:10,260  
close and I think some kind of energy

680  
00:30:14,630 --> 00:30:11,340  
just

681  
00:30:17,690 --> 00:30:14,640  
found its way to ground in hindsight

682  
00:30:20,570 --> 00:30:17,700  
you know I'm thinking that a lot of the

683  
00:30:22,909 --> 00:30:20,580  
terror and and a lot of the fear that I

684  
00:30:24,769 --> 00:30:22,919  
was reacting with and the pain I was

685  
00:30:26,510 --> 00:30:24,779  
experiencing had nothing to do with

686  
00:30:28,549 --> 00:30:26,520  
anything that was being inflicted on me

687  
00:30:31,490 --> 00:30:28,559  
and it was just sort of an accident of

688  
00:30:36,710 --> 00:30:34,310

circumstance seems to be a key word when

689

00:30:38,990 --> 00:30:36,720

it comes to each of these stories were

690

00:30:42,230 --> 00:30:39,000

these individuals who were suffering in

691

00:30:45,350 --> 00:30:42,240

their own ways cured and healed by some

692

00:30:47,210 --> 00:30:45,360

sort of alien intervention did the lens

693

00:30:49,549 --> 00:30:47,220

in which they viewed their experience

694

00:30:51,909 --> 00:30:49,559

dramatically influenced their perception

695

00:30:54,230 --> 00:30:51,919

of something more medically or

696

00:30:57,289 --> 00:30:54,240

scientifically based

697

00:30:59,870 --> 00:30:57,299

there's no one answer and each struggled

698

00:31:00,889 --> 00:30:59,880

with not only how they were healed but

699

00:31:03,350 --> 00:31:00,899

why

700

00:31:06,049 --> 00:31:03,360

like many who survived traumatic events

701  
00:31:08,810 --> 00:31:06,059  
medical emergencies or life-threatening

702  
00:31:11,870 --> 00:31:08,820  
ordeals there's often a challenging

703  
00:31:14,810 --> 00:31:11,880  
emotional journey of how one decides to

704  
00:31:18,409 --> 00:31:14,820  
live their life after the event

705  
00:31:22,070 --> 00:31:18,419  
and for Alice Jim Michael the young boy

706  
00:31:24,169 --> 00:31:22,080  
of Peru Gilbert and Travis Walton that

707  
00:31:27,049 --> 00:31:24,179  
journey and those answers will be

708  
00:31:34,130 --> 00:31:27,059  
completely different profound and
