

VOL 23

***WITNESS
ACCOUNTS***

1
00:00:07,730 --> 00:00:05,150
the summer in the skies podcast is free

2
00:00:10,190 --> 00:00:07,740
to listen to every week but if you would

3
00:00:12,950 --> 00:00:10,200
like to help support the show we have a

4
00:00:14,930 --> 00:00:12,960
very active patreon page where you give

5
00:00:17,390 --> 00:00:14,940
what you think the show is worth in

6
00:00:21,109 --> 00:00:17,400
return you'll get early access to the

7
00:00:23,410 --> 00:00:21,119
main show bonus episodes and priority to

8
00:00:26,029 --> 00:00:23,420
ask our guests your listener questions

9
00:00:29,570 --> 00:00:26,039
your support truly makes the show

10
00:00:32,350 --> 00:00:29,580
continue and grow so to learn more and

11
00:00:39,240 --> 00:00:32,360
to join visit patreon.com

12
00:00:39,250 --> 00:00:48,549
[Music]

13
00:00:56,180 --> 00:00:51,889

this is somewhere in the skies with Ryan

14

00:00:56,190 --> 00:01:06,710

[Music]

15

00:01:17,050 --> 00:01:09,020

foreign

16

00:01:22,370 --> 00:01:20,149

first off I would like to thank you for

17

00:01:23,810 --> 00:01:22,380

the challenging yet wonderful work that

18

00:01:26,330 --> 00:01:23,820

you are doing in the important

19

00:01:28,310 --> 00:01:26,340

contribution that you are making to the

20

00:01:30,710 --> 00:01:28,320

ever expanding database of one of

21

00:01:33,469 --> 00:01:30,720

humankind's greatest enduring and most

22

00:01:36,469 --> 00:01:33,479

profound Mysteries my first experience

23

00:01:39,050 --> 00:01:36,479

occurred back in 1993 when I was living

24

00:01:42,230 --> 00:01:39,060

in a suburb of Northern New Jersey

25

00:01:44,810 --> 00:01:42,240

had to be 19 or 20 years old at the time

26

00:01:47,330 --> 00:01:44,820

it was a rainy evening and I was driving

27

00:01:48,950 --> 00:01:47,340

West towards my home with one of my

28

00:01:50,389 --> 00:01:48,960

close friends in the passenger seat

29

00:01:53,210 --> 00:01:50,399

beside me

30

00:01:55,609 --> 00:01:53,220

we drove up a long drawn out Hill and as

31

00:01:58,069 --> 00:01:55,619

we arrived at the peak I noticed a

32

00:02:00,170 --> 00:01:58,079

bright yet strangely reserved pair of

33

00:02:03,289 --> 00:02:00,180

lights not too far off in the distance

34

00:02:06,289 --> 00:02:03,299

straight ahead of us I say reserved

35

00:02:08,990 --> 00:02:06,299

because to me they seemed bright but

36

00:02:11,510 --> 00:02:09,000

less radiant like sunlight and more

37

00:02:13,790 --> 00:02:11,520

softly glowing like the Moon

38

00:02:16,610 --> 00:02:13,800

this particular Road stretched for

39

00:02:19,070 --> 00:02:16,620

several miles between two towns and was

40

00:02:20,630 --> 00:02:19,080

flanked by low swampy grasslands on

41

00:02:22,670 --> 00:02:20,640

either side of the road

42

00:02:24,530 --> 00:02:22,680

the lights were side by side and

43

00:02:26,630 --> 00:02:24,540

resembled the headlights of a vehicle

44

00:02:28,910 --> 00:02:26,640

except that they were not on the road

45

00:02:31,729 --> 00:02:28,920

but rather they were slightly above it

46

00:02:33,770 --> 00:02:31,739

it did not appear to be moving

47

00:02:35,930 --> 00:02:33,780

my friend later estimated that the

48

00:02:37,850 --> 00:02:35,940

lights were approximately 25 feet

49

00:02:40,670 --> 00:02:37,860

straight above the pavement

50

00:02:42,290 --> 00:02:40,680

it seemed peculiar to me so I brought it

51
00:02:44,449 --> 00:02:42,300
to my friend's attention

52
00:02:45,650 --> 00:02:44,459
he acknowledged that he was already

53
00:02:47,390 --> 00:02:45,660
aware of it

54
00:02:49,250 --> 00:02:47,400
there were no cell phones at the time

55
00:02:52,130 --> 00:02:49,260
and we did not have a camera with us

56
00:02:54,170 --> 00:02:52,140
however my friend happened to be

57
00:02:56,570 --> 00:02:54,180
carrying a small tape recorder with a

58
00:02:59,150 --> 00:02:56,580
cassette tape so he pressed the record

59
00:03:00,650 --> 00:02:59,160
button and began to describe what we

60
00:03:03,350 --> 00:03:00,660
were seeing

61
00:03:05,570 --> 00:03:03,360
as we approached the bizarre lights it

62
00:03:08,390 --> 00:03:05,580
became more and more apparent that this

63
00:03:10,250 --> 00:03:08,400

was not an airplane or a helicopter and

64

00:03:11,750 --> 00:03:10,260

there was no civilian drone technology

65

00:03:13,790 --> 00:03:11,760

at the time

66

00:03:15,949 --> 00:03:13,800

we confirmed that the lights were

67

00:03:18,290 --> 00:03:15,959

stationary as they remained in the same

68

00:03:20,750 --> 00:03:18,300

position yet appeared to increase in

69

00:03:22,670 --> 00:03:20,760

size as we got closer to them

70

00:03:25,369 --> 00:03:22,680

just as we were about to drive

71

00:03:27,710 --> 00:03:25,379

underneath them one of the lights lifted

72

00:03:30,410 --> 00:03:27,720

quickly while remaining equidistant from

73

00:03:32,509 --> 00:03:30,420

the other and the two which now appeared

74

00:03:35,089 --> 00:03:32,519

to be part of a single object that

75

00:03:37,790 --> 00:03:35,099

neither of us could make out shot off to

76
00:03:41,750 --> 00:03:37,800
the north and disappeared instantly in

77
00:03:42,589 --> 00:03:41,760
the snap of a finger poof gone just like

78
00:03:44,809 --> 00:03:42,599
that

79
00:03:47,030 --> 00:03:44,819
although we were unable to capture any

80
00:03:49,430 --> 00:03:47,040
photos an audio recording of our

81
00:03:51,710 --> 00:03:49,440
emotional response to the event is

82
00:03:53,990 --> 00:03:51,720
evidence that the two of us witnessed

83
00:03:57,649 --> 00:03:54,000
something shocking enough to cause us

84
00:04:00,289 --> 00:03:57,659
both to yell out holy in our shared

85
00:04:02,449 --> 00:04:00,299
state of astonishment and wonder

86
00:04:04,729 --> 00:04:02,459
I remember that the two of us were

87
00:04:06,110 --> 00:04:04,739
hysterical and tears were streaming down

88
00:04:08,210 --> 00:04:06,120

our faces

89

00:04:09,770 --> 00:04:08,220
to my knowledge this has never happened

90

00:04:12,229 --> 00:04:09,780
to either one of us before while

91

00:04:14,089 --> 00:04:12,239
witnessing an airplane or a helicopter

92

00:04:16,310 --> 00:04:14,099
I would also like to mention that

93

00:04:18,830 --> 00:04:16,320
whatever this thing was it was

94

00:04:20,810 --> 00:04:18,840
completely silent

95

00:04:23,150 --> 00:04:20,820
my friend wrote The Following in his

96

00:04:25,070 --> 00:04:23,160
diary entry on this day

97

00:04:27,610 --> 00:04:25,080
when we were in the car we were

98

00:04:31,010 --> 00:04:27,620
contending with driving sounds engine

99

00:04:33,170 --> 00:04:31,020
tires on road and the rain adds quite a

100

00:04:34,129 --> 00:04:33,180
bit to clatter and white noises it all

101

00:04:36,590 --> 00:04:34,139

up

102

00:04:39,230 --> 00:04:36,600

however there is no question we were

103

00:04:41,629 --> 00:04:39,240

very close to the source of light and at

104

00:04:44,570 --> 00:04:41,639

no point had I even considered that I

105

00:04:47,030 --> 00:04:44,580

didn't hear anything usual or unusual

106

00:04:49,310 --> 00:04:47,040

I can't buy into a scenario where we

107

00:04:52,850 --> 00:04:49,320

transect a small engine plane's flight

108

00:04:55,129 --> 00:04:52,860

path or big private jet it was

109

00:04:57,409 --> 00:04:55,139

definitely not a helicopter as they are

110

00:04:59,450 --> 00:04:57,419

a lot louder than planes and they

111

00:05:02,749 --> 00:04:59,460

disturb everything around with turbulent

112

00:05:04,909 --> 00:05:02,759

rotors end of diary entry

113

00:05:07,370 --> 00:05:04,919

when this occurred we were about a mile

114

00:05:08,990 --> 00:05:07,380

or so away from my apartment so we

115

00:05:10,870 --> 00:05:09,000

continued to Rave about our experience

116

00:05:13,249 --> 00:05:10,880

with the tape recorder still running

117

00:05:16,129 --> 00:05:13,259

there were other vehicles on the road as

118

00:05:17,749 --> 00:05:16,139

well did anybody else see this

119

00:05:19,790 --> 00:05:17,759

this is where and when the high

120

00:05:22,310 --> 00:05:19,800

strangeness really peaked

121

00:05:24,830 --> 00:05:22,320

as we approached our destination my

122

00:05:27,350 --> 00:05:24,840

friend shut off the tape recorder and we

123

00:05:29,029 --> 00:05:27,360

drove a short distance and tranced in

124

00:05:31,490 --> 00:05:29,039

complete silence

125

00:05:34,430 --> 00:05:31,500

suddenly I observed one of the most odd

126

00:05:37,129 --> 00:05:34,440

things that I had ever seen in my life

127

00:05:39,409 --> 00:05:37,139

casually walking down the sidewalk just

128

00:05:41,810 --> 00:05:39,419

around the corner from my home was what

129

00:05:42,950 --> 00:05:41,820

appeared to be a stereotypical gray

130

00:05:46,189 --> 00:05:42,960

alien

131

00:05:49,189 --> 00:05:46,199

slender and lanky with long thin wiry

132

00:05:51,950 --> 00:05:49,199

arms legs and fingers and a large

133

00:05:54,110 --> 00:05:51,960

bulbous head with big dark eyes I

134

00:05:56,570 --> 00:05:54,120

couldn't believe what I was looking at

135

00:05:58,490 --> 00:05:56,580

is anybody else seeing this

136

00:06:00,469 --> 00:05:58,500

there were other cars on the road here

137

00:06:02,330 --> 00:06:00,479

as well and people coming and going

138

00:06:04,430 --> 00:06:02,340

relatively nearby

139

00:06:07,070 --> 00:06:04,440

before I could say anything to my friend

140

00:06:10,550 --> 00:06:07,080

he uttered with a bewildered tone to his

141

00:06:13,189 --> 00:06:10,560

voice did you see that I said something

142

00:06:15,469 --> 00:06:13,199

to the effect of the thing with the big

143

00:06:17,629 --> 00:06:15,479

head walking down the sidewalk he

144

00:06:20,450 --> 00:06:17,639

nervously responded Yes

145

00:06:22,790 --> 00:06:20,460

we both fell silent again and drove the

146

00:06:24,170 --> 00:06:22,800

rest of the way to my place where we

147

00:06:26,390 --> 00:06:24,180

spent the remainder of the evening

148

00:06:27,469 --> 00:06:26,400

calmly discussing all that had happened

149

00:06:30,110 --> 00:06:27,479

to us

150

00:06:31,909 --> 00:06:30,120

for some odd reason my friend is unable

151
00:06:34,249 --> 00:06:31,919
to recall this last part of the

152
00:06:36,590 --> 00:06:34,259
experience the appearance of the alien

153
00:06:38,510 --> 00:06:36,600
being on the sidewalk although he

154
00:06:40,850 --> 00:06:38,520
recalls everything else with as much

155
00:06:42,950 --> 00:06:40,860
clarity as I do and with nearly

156
00:06:45,950 --> 00:06:42,960
identical descriptions of the phenomena

157
00:06:47,870 --> 00:06:45,960
as those of my own I have had several

158
00:06:50,210 --> 00:06:47,880
other experiences with unidentified

159
00:06:51,230 --> 00:06:50,220
phenomena and high strangeness following

160
00:06:53,689 --> 00:06:51,240
this event

161
00:06:55,550 --> 00:06:53,699
including one later that same year

162
00:06:58,129 --> 00:06:55,560
but I would like to leave it at this for

163
00:07:00,529 --> 00:06:58,139

now so that I may share some thoughts as

164

00:07:02,689 --> 00:07:00,539

to what some of the possibilities are in

165

00:07:04,969 --> 00:07:02,699

regard to what this phenomena could

166

00:07:07,430 --> 00:07:04,979

potentially be all of course are

167

00:07:10,550 --> 00:07:07,440

entirely speculative it could be

168

00:07:13,010 --> 00:07:10,560

extraterrestrial perhaps even as some

169

00:07:16,070 --> 00:07:13,020

speculate interdimensional I have

170

00:07:18,830 --> 00:07:16,080

experienced peculiar geometric craft and

171

00:07:20,689 --> 00:07:18,840

extremely vivid dreams I have woken up

172

00:07:22,730 --> 00:07:20,699

from lucid dreams with the thought that

173

00:07:25,490 --> 00:07:22,740

these are some sort of reality bending

174

00:07:27,409 --> 00:07:25,500

crafts from liminal worlds that seem to

175

00:07:28,129 --> 00:07:27,419

have a being or consciousness of Their

176

00:07:31,070 --> 00:07:28,139

Own

177

00:07:33,469 --> 00:07:31,080

perhaps biological perhaps artificial

178

00:07:35,089 --> 00:07:33,479

intelligence perhaps some sort of a

179

00:07:37,249 --> 00:07:35,099

hybrid of the two

180

00:07:39,469 --> 00:07:37,259

their very presence seems to warp

181

00:07:42,129 --> 00:07:39,479

reality or Consciousness to the extent

182

00:07:44,870 --> 00:07:42,139

that everyday Sensations and perceptions

183

00:07:47,809 --> 00:07:44,880

dreams out of body States Visions

184

00:07:50,510 --> 00:07:47,819

hallucinations psychedelic spaces and

185

00:07:52,990 --> 00:07:50,520

Myriad of other states of awareness all

186

00:07:56,270 --> 00:07:53,000

blend together in various ways into

187

00:07:57,890 --> 00:07:56,280

incomprehensible hyperspaces that seem

188

00:08:00,110 --> 00:07:57,900

to profoundly transform The Human

189

00:08:02,510 --> 00:08:00,120

Experience of sensation and perception

190

00:08:04,790 --> 00:08:02,520

and of space and time into something

191

00:08:06,650 --> 00:08:04,800

that transcends the very essence of The

192

00:08:09,409 --> 00:08:06,660

Human Experience itself

193

00:08:11,990 --> 00:08:09,419

Perhaps it is human or non-human Time

194

00:08:14,710 --> 00:08:12,000

Travelers Perhaps it is highly Advanced

195

00:08:17,570 --> 00:08:14,720

human technology from the past or future

196

00:08:20,749 --> 00:08:17,580

Perhaps it is human-generated artificial

197

00:08:23,689 --> 00:08:20,759

intelligence Perhaps it is a biological

198

00:08:25,909 --> 00:08:23,699

creature or creatures that Coexist on

199

00:08:29,570 --> 00:08:25,919

our planet that are technologically more

200

00:08:32,089 --> 00:08:29,580

advanced than we are Perhaps it is from

201

00:08:34,969 --> 00:08:32,099

the depths of our deserts Perhaps it is

202

00:08:37,190 --> 00:08:34,979

from the depths of our oceans Perhaps it

203

00:08:39,889 --> 00:08:37,200

is from the depths of our jungles

204

00:08:42,649 --> 00:08:39,899

have you seen this craft represented in

205

00:08:44,630 --> 00:08:42,659

the paintings of the late Pablo amaringo

206

00:08:46,550 --> 00:08:44,640

a shapeebo shaman turned artist

207

00:08:48,530 --> 00:08:46,560

following a psychic attack from another

208

00:08:50,990 --> 00:08:48,540

Shaman that nearly killed him

209

00:08:52,790 --> 00:08:51,000

maybe the phenomenon is holographic

210

00:08:55,910 --> 00:08:52,800

maybe the phenomenon is the

211

00:08:58,490 --> 00:08:55,920

hallucination of a mass psychosis maybe

212

00:08:59,690 --> 00:08:58,500

the phenomenon is an artifact of mass

213

00:09:02,329 --> 00:08:59,700

hypnosis

214

00:09:05,030 --> 00:09:02,339

maybe the phenomenon is a mind virus

215

00:09:06,889 --> 00:09:05,040

maybe the phenomenon is a hoax

216

00:09:10,310 --> 00:09:06,899

maybe the phenomena

217

00:09:13,130 --> 00:09:10,320

is a tulpa or thought formation created

218

00:09:15,829 --> 00:09:13,140

consciously or or subconsciously by

219

00:09:18,170 --> 00:09:15,839

individuals or collectively that takes

220

00:09:20,329 --> 00:09:18,180

on a life of its own apart from its

221

00:09:22,670 --> 00:09:20,339

generator or generators

222

00:09:25,130 --> 00:09:22,680

maybe the phenomena are what many

223

00:09:27,829 --> 00:09:25,140

Through the Ages have commonly been

224

00:09:30,470 --> 00:09:27,839

referred to as Angels demons or fairies

225

00:09:33,230 --> 00:09:30,480

and elves are they some sort of probes

226

00:09:35,509 --> 00:09:33,240

of observing life on our planet are

227

00:09:38,150 --> 00:09:35,519

humans some sort of genetic experiment

228

00:09:39,170 --> 00:09:38,160

could the so-called Zoo hypothesis be

229

00:09:41,269 --> 00:09:39,180

correct

230

00:09:43,730 --> 00:09:41,279

are they somehow associated with death

231

00:09:45,410 --> 00:09:43,740

in the after death State anyone's guess

232

00:09:47,630 --> 00:09:45,420

is as good as mine

233

00:09:49,670 --> 00:09:47,640

the only thing I know for sure is that

234

00:09:51,829 --> 00:09:49,680

something out of the ordinary and

235

00:09:55,250 --> 00:09:51,839

perhaps out of this world happened to my

236

00:09:57,710 --> 00:09:55,260

friend and I in 1993 followed by other

237

00:10:00,050 --> 00:09:57,720

events later that same year and in the

238

00:10:02,930 --> 00:10:00,060

summer of 1996.

239

00:10:05,090 --> 00:10:02,940

memory changes over time and although it

240

00:10:06,710 --> 00:10:05,100

is within the range of possibility that

241

00:10:10,250 --> 00:10:06,720

the explanation for the experience

242

00:10:12,050 --> 00:10:10,260

described above is entirely prosaic I

243

00:10:14,690 --> 00:10:12,060

cannot shake this deeply rooted feeling

244

00:10:16,610 --> 00:10:14,700

that this is not the case Ryan thank you

245

00:10:19,009 --> 00:10:16,620

again for all of the great work that you

246

00:10:20,750 --> 00:10:19,019

do and thank you to all of those who

247

00:10:22,610 --> 00:10:20,760

have shared their stories as well as

248

00:10:25,370 --> 00:10:22,620

those who have taken the time to listen

249

00:10:27,590 --> 00:10:25,380

and have approached this topic keeping

250

00:10:30,110 --> 00:10:27,600

the balance of an open mind with a

251
00:10:32,449 --> 00:10:30,120
healthy dose of skepticism along with a

252
00:10:34,490 --> 00:10:32,459
pinch of imagination and we must

253
00:10:37,670 --> 00:10:34,500
remember the words of the late great

254
00:10:38,750 --> 00:10:37,680
David Bowie there's a star man waiting

255
00:10:41,389 --> 00:10:38,760
in the sky

256
00:10:46,110 --> 00:10:41,399
he'd like to come and meet us but he

257
00:10:51,710 --> 00:10:49,430
[Music]

258
00:10:55,430 --> 00:10:51,720
hi Ryan and the Subway on the skies

259
00:10:58,850 --> 00:10:55,440
listeners my name's Hilton I live in

260
00:11:00,530 --> 00:10:58,860
Newcastle upon Tyne in the UK and

261
00:11:02,630 --> 00:11:00,540
of the Samuel culture podcast and

262
00:11:05,150 --> 00:11:02,640
hearing the other with this accounts I

263
00:11:07,910 --> 00:11:05,160

thought I'd leave my own with you

264

00:11:10,370 --> 00:11:07,920

this event happened in about October

265

00:11:12,470 --> 00:11:10,380

2019

266

00:11:14,269 --> 00:11:12,480

before kind of the world left down for

267

00:11:17,269 --> 00:11:14,279

covered

268

00:11:19,310 --> 00:11:17,279

um colleague and myself went out for

269

00:11:20,870 --> 00:11:19,320

well went out for a smoke break I wanted

270

00:11:22,310 --> 00:11:20,880

to go stretch my legs

271

00:11:25,970 --> 00:11:22,320

and we were just standing in front of my

272

00:11:28,190 --> 00:11:25,980

building and it sort of

273

00:11:29,870 --> 00:11:28,200

at the foot of the town where so the

274

00:11:32,090 --> 00:11:29,880

river flows past

275

00:11:34,670 --> 00:11:32,100

and while we're having a conversation my

276

00:11:36,410 --> 00:11:34,680

colleague basically just stopped talking

277

00:11:38,930 --> 00:11:36,420

to me with sentence

278

00:11:40,150 --> 00:11:38,940

I was looking sort of past my head up

279

00:11:42,590 --> 00:11:40,160

the road

280

00:11:45,610 --> 00:11:42,600

at a patch of sky

281

00:11:46,930 --> 00:11:45,620

above actual Town Center itself

282

00:11:49,370 --> 00:11:46,940

[Music]

283

00:11:50,870 --> 00:11:49,380

eventually sort of like

284

00:11:53,990 --> 00:11:50,880

pointed to where he was kind of looking

285

00:11:56,449 --> 00:11:54,000

and initially I couldn't see a thing

286

00:11:58,550 --> 00:11:56,459

it just looked like there's a patch of

287

00:12:00,110 --> 00:11:58,560

blue sky with sort of cloud kind of

288

00:12:02,090 --> 00:12:00,120

moving through

289

00:12:04,790 --> 00:12:02,100

and eventually I hope

290

00:12:07,310 --> 00:12:04,800

caught on to what it was and could see

291

00:12:09,230 --> 00:12:07,320

it it was

292

00:12:11,090 --> 00:12:09,240

something I've never seen before

293

00:12:13,310 --> 00:12:11,100

it looked

294

00:12:15,410 --> 00:12:13,320

sorry about the shape

295

00:12:19,930 --> 00:12:15,420

of a matchbox

296

00:12:23,030 --> 00:12:19,940

it was very Square flattened

297

00:12:25,730 --> 00:12:23,040

but its size it appeared to be like

298

00:12:28,610 --> 00:12:25,740

quite big like massive I'd say

299

00:12:29,990 --> 00:12:28,620

size of like a football pitch

300

00:12:31,850 --> 00:12:30,000

and

301
00:12:33,230 --> 00:12:31,860
the height above the ground I'd say

302
00:12:36,050 --> 00:12:33,240
maybe about

303
00:12:39,350 --> 00:12:36,060
to 300 feet and it was just motionless

304
00:12:42,110 --> 00:12:39,360
it was positioned sort of one end down

305
00:12:43,970 --> 00:12:42,120
by about maybe 15 degrees

306
00:12:47,110 --> 00:12:43,980
and

307
00:12:49,550 --> 00:12:47,120
yeah it just seemed to be actively

308
00:12:51,050 --> 00:12:49,560
camouflaging against the backdrop which

309
00:12:54,590 --> 00:12:51,060
of the clouds

310
00:12:56,750 --> 00:12:54,600
and you could literally only make it out

311
00:12:59,210 --> 00:12:56,760
as the clouds sort of move past it there

312
00:13:00,530 --> 00:12:59,220
was a fraction of time where you could

313
00:13:01,550 --> 00:13:00,540

see the outline of whatever this thing

314

00:13:06,530 --> 00:13:01,560

was

315

00:13:09,170 --> 00:13:06,540

and

316

00:13:09,949 --> 00:13:09,180

no sound except for the sound of the

317

00:13:11,690 --> 00:13:09,959

traffic

318

00:13:12,590 --> 00:13:11,700

and then normal sounds from like a busy

319

00:13:14,269 --> 00:13:12,600

city

320

00:13:17,150 --> 00:13:14,279

um okay there was no

321

00:13:18,769 --> 00:13:17,160

propulsion or anything you could hear

322

00:13:21,769 --> 00:13:18,779

and it was just a

323

00:13:24,170 --> 00:13:21,779

and we both stared at it and like

324

00:13:25,370 --> 00:13:24,180

complete all for about maybe five

325

00:13:27,410 --> 00:13:25,380

minutes

326

00:13:28,970 --> 00:13:27,420

trying to get our heads around what we

327

00:13:30,170 --> 00:13:28,980

saw and then decided to go back in the

328

00:13:33,050 --> 00:13:30,180

office

329

00:13:34,550 --> 00:13:33,060

and on the way up in the lift we at that

330

00:13:37,670 --> 00:13:34,560

point decided not to really mention this

331

00:13:39,470 --> 00:13:37,680

to anyone because we would say so like

332

00:13:41,569 --> 00:13:39,480

we're smoking something else

333

00:13:43,030 --> 00:13:41,579

and I've literally maybe told two other

334

00:13:46,490 --> 00:13:43,040

people

335

00:13:48,470 --> 00:13:46,500

uh and it's yeah it's it's kind of

336

00:13:50,569 --> 00:13:48,480

really blown my mind I don't know its

337

00:13:52,490 --> 00:13:50,579

origin I don't know if it's from this

338

00:13:53,810 --> 00:13:52,500

Earth or from somewhere else all I know

339

00:13:55,970 --> 00:13:53,820

is that

340

00:13:56,930 --> 00:13:55,980

the technology that was used by this

341

00:13:59,030 --> 00:13:56,940

device

342

00:14:01,250 --> 00:13:59,040

or craft is unlike anything I've ever

343

00:14:03,190 --> 00:14:01,260

seen before

344

00:14:05,509 --> 00:14:03,200

um and it's kind of blown my mind

345

00:14:07,970 --> 00:14:05,519

and I thought I'd basically share this

346

00:14:10,850 --> 00:14:07,980

with uh with everyone else

347

00:14:12,650 --> 00:14:10,860

um that is the Oni

348

00:14:15,050 --> 00:14:12,660

sort of occasion in the Northeast that

349

00:14:16,490 --> 00:14:15,060

I've seen something like this

350

00:14:19,370 --> 00:14:16,500

yeah I was really hoping I was going to

351
00:14:21,530 --> 00:14:19,380
see more of them we'll see it again but

352
00:14:22,490 --> 00:14:21,540
judging by a horror like how hard it was

353
00:14:24,230 --> 00:14:22,500
despite

354
00:14:25,670 --> 00:14:24,240
um it's unlikely I'd see another one

355
00:14:32,670 --> 00:14:25,680
like this again

356
00:14:37,009 --> 00:14:34,190
[Music]

357
00:14:39,290 --> 00:14:37,019
hi my name's Steve I'm from the

358
00:14:41,750 --> 00:14:39,300
northwest of England

359
00:14:45,290 --> 00:14:41,760
I've been working as an Entertainer for

360
00:14:47,810 --> 00:14:45,300
the last 25 26 years so constantly on

361
00:14:50,329 --> 00:14:47,820
the motorways late at night

362
00:14:52,189 --> 00:14:50,339
I've never really seen anything really

363
00:14:54,530 --> 00:14:52,199

I'm always looking because I do enjoy

364

00:14:57,769 --> 00:14:54,540

that kind of thing I've been into the

365

00:15:00,470 --> 00:14:57,779

UFO subject since I was a small boy

366

00:15:02,569 --> 00:15:00,480

so I've always been intrigued by that

367

00:15:05,990 --> 00:15:02,579

and one particular night this was about

368

00:15:08,509 --> 00:15:06,000

roughly I'd say about 12 maybe 13 years

369

00:15:10,009 --> 00:15:08,519

ago around art and time around the time

370

00:15:13,490 --> 00:15:10,019

it is now

371

00:15:17,689 --> 00:15:13,500

um I was with my wife at the time we

372

00:15:21,829 --> 00:15:17,699

were driving from a place of work down

373

00:15:25,129 --> 00:15:21,839

the m6 and it was about 11 10 p.m Around

374

00:15:26,930 --> 00:15:25,139

The Stoke Stafford area on the m6 it was

375

00:15:30,949 --> 00:15:26,940

quite it was clear

376

00:15:32,569 --> 00:15:30,959

and um this is one incident I never told

377

00:15:33,889 --> 00:15:32,579

anybody the next incident I'm gonna tell

378

00:15:36,050 --> 00:15:33,899

you happened the following night on the

379

00:15:38,329 --> 00:15:36,060

same stretch abroad but this is incident

380

00:15:40,129 --> 00:15:38,339

I never told anybody because it was it

381

00:15:42,470 --> 00:15:40,139

was just too bizarre

382

00:15:44,269 --> 00:15:42,480

the both of us are but this was just it

383

00:15:46,370 --> 00:15:44,279

didn't come in under the same reference

384

00:15:47,930 --> 00:15:46,380

points and framework as you know

385

00:15:51,650 --> 00:15:47,940

conventional UFOs

386

00:15:56,509 --> 00:15:51,660

and in the sky we could see a triangular

387

00:15:58,790 --> 00:15:56,519

box like if you can imagine a gigantic

388

00:16:01,310 --> 00:15:58,800

um there was those flat white MP3

389

00:16:02,870 --> 00:16:01,320

players that we used to have you know a

390

00:16:04,910 --> 00:16:02,880

few years ago before everything changed

391

00:16:06,170 --> 00:16:04,920

and went into phones forget the name of

392

00:16:08,930 --> 00:16:06,180

them now but you know he's got the dial

393

00:16:13,610 --> 00:16:08,940

on the front imagine like a big

394

00:16:16,310 --> 00:16:13,620

rectangular uh craft with no wings

395

00:16:20,090 --> 00:16:16,320

and on the back on the very back of it

396

00:16:22,009 --> 00:16:20,100

there was a pole uh just like uh just a

397

00:16:25,610 --> 00:16:22,019

big pole of sort of a mast and on top of

398

00:16:27,970 --> 00:16:25,620

that Mast was a big white glowing orb at

399

00:16:32,050 --> 00:16:27,980

the back and this thing was shooting

400

00:16:34,490 --> 00:16:32,060

from east to west uh

401
00:16:37,009 --> 00:16:34,500
phenomenal speed like somebody was just

402
00:16:39,050 --> 00:16:37,019
joyriding in the sky

403
00:16:41,449 --> 00:16:39,060
and we were like Jesus look at this and

404
00:16:43,670 --> 00:16:41,459
and then for and then eventually we

405
00:16:47,110 --> 00:16:43,680
obviously we sort of got under it and

406
00:16:51,110 --> 00:16:49,069
screeching screaming and screaming it

407
00:16:53,449 --> 00:16:51,120
across the the sky

408
00:16:54,850 --> 00:16:53,459
good at least 50 to 100 miles into

409
00:16:58,069 --> 00:16:54,860
seconds

410
00:17:01,610 --> 00:16:58,079
straight across and Back Again

411
00:17:03,110 --> 00:17:01,620
it was strange it was a bizarre incident

412
00:17:05,390 --> 00:17:03,120
which um

413
00:17:07,250 --> 00:17:05,400

I just disregarded because of you know

414

00:17:10,549 --> 00:17:07,260

it's no wings right what are you gonna

415

00:17:12,470 --> 00:17:10,559

tell people you saw a flying box with a

416

00:17:13,850 --> 00:17:12,480

glowing knob on the back they already

417

00:17:19,189 --> 00:17:13,860

think I'm mad

418

00:17:23,150 --> 00:17:19,199

so uh anyway the next night were on very

419

00:17:25,130 --> 00:17:23,160

similar uh a stretch of motor on the way

420

00:17:28,189 --> 00:17:25,140

but it's almost the same area Stoke

421

00:17:32,630 --> 00:17:28,199

Stafford almost around the same time

422

00:17:34,909 --> 00:17:32,640

so now uh my wife and I might were

423

00:17:37,010 --> 00:17:34,919

looking in the sky without you remember

424

00:17:40,310 --> 00:17:37,020

that I think we saw last night like yep

425

00:17:44,510 --> 00:17:40,320

yep yep yep and and then to the left of

426

00:17:47,029 --> 00:17:44,520

us uh about uh a few a few hundred yards

427

00:17:49,130 --> 00:17:47,039

down on the left of a solve above above

428

00:17:54,049 --> 00:17:49,140

the tree line on the out shoulder

429

00:18:00,049 --> 00:17:54,059

came a um black triangular

430

00:18:04,130 --> 00:18:00,059

craft with a light under each Apex of it

431

00:18:05,990 --> 00:18:04,140

and and it was going so slow that it was

432

00:18:09,770 --> 00:18:06,000

looked like it was just floating

433

00:18:12,169 --> 00:18:09,780

drifting and it didn't make a sound not

434

00:18:13,789 --> 00:18:12,179

a single sound and any anything that was

435

00:18:15,710 --> 00:18:13,799

that was probably at that speed what

436

00:18:17,570 --> 00:18:15,720

about to have had a downdraft because it

437

00:18:21,470 --> 00:18:17,580

would have just dropped out the sky

438

00:18:23,330 --> 00:18:21,480

and and everything went deadly quiet the

439

00:18:26,450 --> 00:18:23,340

car was quiet

440

00:18:28,669 --> 00:18:26,460

the the the air uh that was rushing

441

00:18:31,029 --> 00:18:28,679

through the car that went quiet

442

00:18:34,970 --> 00:18:31,039

and we just

443

00:18:36,950 --> 00:18:34,980

watched it everything slowed down and we

444

00:18:39,710 --> 00:18:36,960

it came over the car it was literally he

445

00:18:42,110 --> 00:18:39,720

could have hit it with a you know a

446

00:18:43,970 --> 00:18:42,120

couple you know it was 50 feet away from

447

00:18:46,370 --> 00:18:43,980

the car but above it and it just drifted

448

00:18:49,909 --> 00:18:46,380

over it was gunmetal black

449

00:18:52,909 --> 00:18:49,919

and it it it was just

450

00:18:53,930 --> 00:18:52,919

drifted silently right across the

451
00:18:56,210 --> 00:18:53,940
motorway

452
00:18:57,950 --> 00:18:56,220
a cross over to the fields to the east

453
00:19:00,950 --> 00:18:57,960
side so it went from west to east as

454
00:19:02,810 --> 00:19:00,960
we're traveling towards Liverpool area

455
00:19:04,630 --> 00:19:02,820
well sort of that area on the m6 we're

456
00:19:09,230 --> 00:19:04,640
going that way we're going northbound

457
00:19:12,710 --> 00:19:09,240
and and it went straight across and just

458
00:19:15,230 --> 00:19:12,720
slowly drifted across the field didn't

459
00:19:18,770 --> 00:19:15,240
make a sound I had no Jets no propulsion

460
00:19:21,350 --> 00:19:18,780
no nothing just a black triangle

461
00:19:22,610 --> 00:19:21,360
and you could see it kind of like it

462
00:19:25,130 --> 00:19:22,620
didn't have any markings or anything

463
00:19:27,830 --> 00:19:25,140

like that and it was you could see it

464

00:19:30,110 --> 00:19:27,840

was a solid object and it was kind of

465

00:19:31,490 --> 00:19:30,120

bolted together kind of thing and you

466

00:19:33,890 --> 00:19:31,500

didn't see any bolts or anything else in

467

00:19:37,370 --> 00:19:33,900

but you could see that it was it had

468

00:19:39,230 --> 00:19:37,380

been made it weren't like cast I mean

469

00:19:40,490 --> 00:19:39,240

you know your normal UFOs there's no

470

00:19:42,590 --> 00:19:40,500

seams is there and all that kind of

471

00:19:44,150 --> 00:19:42,600

stuff this one looked like it had been

472

00:19:47,029 --> 00:19:44,160

made you know because I don't know what

473

00:19:49,010 --> 00:19:47,039

I mean by that really take what you from

474

00:19:50,750 --> 00:19:49,020

that what you will but

475

00:19:53,270 --> 00:19:50,760

um and it and it just disappeared and

476

00:19:55,610 --> 00:19:53,280

went over to the um

477

00:19:59,029 --> 00:19:55,620

East so it would have gone sort of a

478

00:20:01,730 --> 00:19:59,039

Stafford area over that way and I looked

479

00:20:04,370 --> 00:20:01,740

at my wife and said

480

00:20:07,250 --> 00:20:04,380

are you seeing this and she said yep yep

481

00:20:09,590 --> 00:20:07,260

I can see it I can see it and and then

482

00:20:11,930 --> 00:20:09,600

that was it it was done it was over and

483

00:20:13,669 --> 00:20:11,940

um so we we talked about it and we split

484

00:20:15,350 --> 00:20:13,679

up a few years later but maybe about

485

00:20:16,789 --> 00:20:15,360

nine ten years later we splittle but

486

00:20:18,830 --> 00:20:16,799

then every occasion we remain friends

487

00:20:22,430 --> 00:20:18,840

and every now and then I would message

488

00:20:24,710 --> 00:20:22,440

and say do you remember these incidents

489

00:20:26,150 --> 00:20:24,720

and she's like yep and clearly clearly

490

00:20:27,650 --> 00:20:26,160

mentioned it so

491

00:20:30,529 --> 00:20:27,660

anyway

492

00:20:32,690 --> 00:20:30,539

about three months later it's winter

493

00:20:34,010 --> 00:20:32,700

time so these are three three very very

494

00:20:36,470 --> 00:20:34,020

different

495

00:20:38,570 --> 00:20:36,480

um Craft UFO sightings and I've never

496

00:20:40,490 --> 00:20:38,580

had any in my life and I got three of

497

00:20:44,930 --> 00:20:40,500

them within three months and the third

498

00:20:48,470 --> 00:20:44,940

one I was driving back from Leeds area

499

00:20:50,450 --> 00:20:48,480

um on the m62 again going home uh that

500

00:20:54,049 --> 00:20:50,460

way so I think he's he's always looking

501
00:20:55,730 --> 00:20:54,059
to remember and I got to the I got past

502
00:20:57,049 --> 00:20:55,740
the sort of the big hill bit where you

503
00:20:58,909 --> 00:20:57,059
go over it's like the house Motorway in

504
00:21:00,230 --> 00:20:58,919
England and all that and then I'm

505
00:21:01,789 --> 00:21:00,240
dropping down and I've got to really

506
00:21:03,730 --> 00:21:01,799
clear bit I'm looking to my right and

507
00:21:07,070 --> 00:21:03,740
you can look over I think it's Halifax

508
00:21:08,330 --> 00:21:07,080
and he can see into Halifax you can see

509
00:21:09,470 --> 00:21:08,340
all the lights blinking and you can see

510
00:21:11,930 --> 00:21:09,480
everything clearly you can see Church

511
00:21:13,610 --> 00:21:11,940
Steeple you can see everything and

512
00:21:15,890 --> 00:21:13,620
understand what caught my attention

513
00:21:19,850 --> 00:21:15,900

first of all was the Moon

514

00:21:22,610 --> 00:21:19,860

the moon was absolutely beautiful it was

515

00:21:24,049 --> 00:21:22,620

massive you could make out all the you

516

00:21:25,370 --> 00:21:24,059

know the the patterns on it and all the

517

00:21:27,710 --> 00:21:25,380

face of it and all that kind of it was a

518

00:21:30,710 --> 00:21:27,720

beautiful color sort of of a sort of a

519

00:21:33,409 --> 00:21:30,720

milkish uh orangey sock glow to it and

520

00:21:37,370 --> 00:21:33,419

then and then just underneath it's all

521

00:21:41,090 --> 00:21:37,380

halfway between the Horizon uh and the

522

00:21:43,970 --> 00:21:41,100

moon was another moon like it it was

523

00:21:46,549 --> 00:21:43,980

just the same shape the same color

524

00:21:49,070 --> 00:21:46,559

um it was and it was massive it was just

525

00:21:51,529 --> 00:21:49,080

hung there and I'm now I'm thinking what

526

00:21:54,190 --> 00:21:51,539

what the bloody hell is this and then

527

00:21:58,669 --> 00:21:54,200

um after about a few seconds it pulsed

528

00:22:00,890 --> 00:21:58,679

it it sort of went and then shrank

529

00:22:03,070 --> 00:22:00,900

10 times less it's nice so he shranked

530

00:22:07,010 --> 00:22:03,080

down to about the size of a basketball

531

00:22:08,930 --> 00:22:07,020

so now it's tiny

532

00:22:11,270 --> 00:22:08,940

and then it and it just and then it just

533

00:22:12,950 --> 00:22:11,280

lowered itself

534

00:22:16,970 --> 00:22:12,960

really sort of

535

00:22:19,850 --> 00:22:16,980

um slowly right over uh the the town of

536

00:22:21,230 --> 00:22:19,860

Halifax kind of over a building maybe it

537

00:22:23,630 --> 00:22:21,240

was a church I'm not really sure but it

538

00:22:26,090 --> 00:22:23,640

was very similar to if you've ever seen

539

00:22:28,310 --> 00:22:26,100

the Dome of the Rock thing

540

00:22:29,450 --> 00:22:28,320

uh the one where we came down and I'll

541

00:22:31,310 --> 00:22:29,460

go over the Dome of the Rock and then

542

00:22:31,970 --> 00:22:31,320

flashed and went off and it got to the

543

00:22:35,330 --> 00:22:31,980

um

544

00:22:37,970 --> 00:22:35,340

the the hanging over the buildings

545

00:22:39,730 --> 00:22:37,980

and then it it it it it flashed again

546

00:22:42,830 --> 00:22:39,740

three times into like

547

00:22:45,049 --> 00:22:42,840

and then shot back to where it was and

548

00:22:46,610 --> 00:22:45,059

then swelled to its original size as

549

00:22:49,310 --> 00:22:46,620

like it was just the most incredible

550

00:22:53,330 --> 00:22:49,320

thing I've ever seen so get this I now

551
00:22:56,090 --> 00:22:53,340
ring my wife who's working at the Royal

552
00:22:57,230 --> 00:22:56,100
exchange theater in Manchester and I see

553
00:22:59,090 --> 00:22:57,240
so it must have been about quarter past

554
00:23:01,330 --> 00:22:59,100
ten at this time and I see she's just

555
00:23:05,210 --> 00:23:01,340
finished a shift so she'll be leaving

556
00:23:06,590 --> 00:23:05,220
and uh and I rang her and I said you're

557
00:23:09,770 --> 00:23:06,600
never gonna believe what I'm looking at

558
00:23:11,630 --> 00:23:09,780
and she said is it like a really big

559
00:23:14,930 --> 00:23:11,640
white ball in the sky and it looks like

560
00:23:16,310 --> 00:23:14,940
the moon and I was like no way it isn't

561
00:23:19,370 --> 00:23:16,320
she was in Manchester at this time and

562
00:23:21,049 --> 00:23:19,380
this was way over uh is sort of over the

563
00:23:22,310 --> 00:23:21,059

Halifax where she'd seen it from

564

00:23:24,470 --> 00:23:22,320

Manchester from the Royal exchange

565

00:23:26,330 --> 00:23:24,480

theater I don't know why how or whatever

566

00:23:28,130 --> 00:23:26,340

make of that what you will I don't know

567

00:23:30,110 --> 00:23:28,140

what it is but she saw that

568

00:23:32,270 --> 00:23:30,120

so I rang my friend who lives in the

569

00:23:33,890 --> 00:23:32,280

flats in Leeds and made him go to the

570

00:23:36,470 --> 00:23:33,900

top of his building but he couldn't see

571

00:23:37,909 --> 00:23:36,480

it he couldn't see it but um I hope that

572

00:23:40,190 --> 00:23:37,919

interests you these three three very

573

00:23:41,390 --> 00:23:40,200

bizarre stories and if it's um if you

574

00:23:44,090 --> 00:23:41,400

want to go out if you've ever seen

575

00:23:46,010 --> 00:23:44,100

people of Earth the show people of Earth

576
00:23:48,950 --> 00:23:46,020
which is excellent if nobody's ever seen

577
00:23:50,990 --> 00:23:48,960
it go and see it the ship the mothership

578
00:23:53,529 --> 00:23:51,000
that's hiding behind the Moon

579
00:23:55,970 --> 00:23:53,539
in the show they have a carrier craft

580
00:23:57,890 --> 00:23:55,980
and and the carrier craft that takes

581
00:24:00,770 --> 00:23:57,900
them from them from their ship to the

582
00:24:02,210 --> 00:24:00,780
Earth is exactly the same as what I

583
00:24:03,950 --> 00:24:02,220
first saw that rectangular thing and

584
00:24:05,270 --> 00:24:03,960
that's when I felt confident to tell

585
00:24:06,230 --> 00:24:05,280
people about it because I'm like these

586
00:24:07,789 --> 00:24:06,240
guys know what they're talking about

587
00:24:08,810 --> 00:24:07,799
they've seen something who's wrote this

588
00:24:10,970 --> 00:24:08,820

show

589

00:24:13,190 --> 00:24:10,980

uh anyway I hope you enjoy this story

590

00:24:14,690 --> 00:24:13,200

it's true there's no there or

591

00:24:16,430 --> 00:24:14,700

anything like that that's word for word

592

00:24:19,490 --> 00:24:16,440

exactly what happened and I have a

593

00:24:25,510 --> 00:24:19,500

witness as well I hope you enjoyed that

594

00:24:31,070 --> 00:24:28,970

do you like stories of this strange the

595

00:24:33,529 --> 00:24:31,080

weird and The Unexplained then we want

596

00:24:36,830 --> 00:24:33,539

you to check out Jim Harold's campfire

597

00:24:39,350 --> 00:24:36,840

the concept is pretty simple Jim talks

598

00:24:41,630 --> 00:24:39,360

to regular people about strange stuff

599

00:24:45,049 --> 00:24:41,640

that happens to them and yes that

600

00:24:47,710 --> 00:24:45,059

includes UFOs along with Cryptids ghosts

601
00:24:50,570 --> 00:24:47,720
and head scratchers he doesn't

602
00:24:53,149 --> 00:24:50,580
exaggerate or play a lot of spooky music

603
00:24:56,149 --> 00:24:53,159
kinda like I'm doing right now the

604
00:24:59,090 --> 00:24:56,159
stories speak for themselves once like a

605
00:25:01,909 --> 00:24:59,100
ghost story involving serial killer Ted

606
00:25:05,270 --> 00:25:01,919
Bundy or the young man who encountered

607
00:25:07,610 --> 00:25:05,280
an eight-legged demon then there's the

608
00:25:10,370 --> 00:25:07,620
story of an alien abduction by what

609
00:25:13,370 --> 00:25:10,380
could be considered a reptilian now not

610
00:25:15,649 --> 00:25:13,380
all the stories are horrifying some are

611
00:25:18,289 --> 00:25:15,659
actually pretty heartwarming like a

612
00:25:20,049 --> 00:25:18,299
visit from a past loved one or a

613
00:25:23,330 --> 00:25:20,059

peaceful near-death experience

614

00:25:26,269 --> 00:25:23,340

regardless these are true and fast

615

00:25:28,029 --> 00:25:26,279

fascinating stories told by ordinary

616

00:25:31,669 --> 00:25:28,039

people who've had extraordinary

617

00:25:35,330 --> 00:25:31,679

experiences tune in to Jim Harold's

618

00:25:37,490 --> 00:25:35,340

campfire on Apple podcasts Spotify or

619

00:25:42,870 --> 00:25:37,500

wherever you listen to somewhere in the

620

00:25:42,880 --> 00:25:46,190

[Music]

621

00:25:53,269 --> 00:25:49,310

all right so I'm gonna tell my UFO story

622

00:25:55,430 --> 00:25:53,279

that I have only told a very few people

623

00:25:58,789 --> 00:25:55,440

about because the response I usually get

624

00:26:00,409 --> 00:25:58,799

from it's usually either negative or

625

00:26:03,430 --> 00:26:00,419

they just people just think I'm crazy

626
00:26:06,950 --> 00:26:03,440
anyway let me set the stage it was about

627
00:26:09,169 --> 00:26:06,960
1996 roughly right in there and I was

628
00:26:10,669 --> 00:26:09,179
visiting a friend of mine down in Sierra

629
00:26:12,710 --> 00:26:10,679
Vista and in Sierra Vista you can see

630
00:26:15,230 --> 00:26:12,720
the mountain range about five miles away

631
00:26:16,870 --> 00:26:15,240
right and then at night you can see this

632
00:26:19,490 --> 00:26:16,880
little blimp they have a blimp there

633
00:26:21,289 --> 00:26:19,500
that has a little light on it and it's

634
00:26:23,510 --> 00:26:21,299
got a radar on it right

635
00:26:26,330 --> 00:26:23,520
and it's probably like 30 or 40 feet

636
00:26:28,850 --> 00:26:26,340
long or whatever so anyways back during

637
00:26:30,110 --> 00:26:28,860
that time you know in the mid 90s we

638
00:26:31,669 --> 00:26:30,120

didn't have

639

00:26:34,070 --> 00:26:31,679

um you know internet or anything like

640

00:26:36,350 --> 00:26:34,080

that so we only paid attention to like

641

00:26:38,570 --> 00:26:36,360

local news and things like that maybe

642

00:26:40,850 --> 00:26:38,580

we'd see something on about Tucson but

643

00:26:43,250 --> 00:26:40,860

you know we never knew what was going on

644

00:26:44,750 --> 00:26:43,260

in Phoenix so during this time I found

645

00:26:47,690 --> 00:26:44,760

out years later about the Phoenix Lights

646

00:26:49,549 --> 00:26:47,700

so I'm not sure if it happened during

647

00:26:52,730 --> 00:26:49,559

that time or that exact same day

648

00:26:55,789 --> 00:26:52,740

somewhere around there right so anyways

649

00:26:58,789 --> 00:26:55,799

we're down there and it's I don't know

650

00:27:00,230 --> 00:26:58,799

maybe 9 30 10 30 at night it's not late

651
00:27:01,909 --> 00:27:00,240
because we have to go back to Tucson

652
00:27:04,190 --> 00:27:01,919
later on that night we were down there

653
00:27:06,470 --> 00:27:04,200
picking up a uh amp or something all

654
00:27:07,909 --> 00:27:06,480
these guys were in a band so they you

655
00:27:10,070 --> 00:27:07,919
know musical instruments and stuff like

656
00:27:11,570 --> 00:27:10,080
that and I tried learning the guitar a

657
00:27:13,850 --> 00:27:11,580
little bit you know I could do like

658
00:27:15,710 --> 00:27:13,860
harmonics and a couple of chords but I

659
00:27:17,570 --> 00:27:15,720
couldn't really do much with that so

660
00:27:18,830 --> 00:27:17,580
anyways we were down there and it was

661
00:27:20,210 --> 00:27:18,840
night time and he's got a bunch of dogs

662
00:27:21,890 --> 00:27:20,220
running around sitting he's got this

663
00:27:24,529 --> 00:27:21,900

little Oasis we're we're all sitting

664

00:27:26,810 --> 00:27:24,539

around this fire pit right so all of a

665

00:27:28,970 --> 00:27:26,820

sudden the dogs start freaking out right

666

00:27:30,769 --> 00:27:28,980

and we're like what's going on you know

667

00:27:32,390 --> 00:27:30,779

he's playing guitar or whatever jabbing

668

00:27:33,950 --> 00:27:32,400

out with stupid songs it's pretty funny

669

00:27:35,930 --> 00:27:33,960

we're just having a good time

670

00:27:38,330 --> 00:27:35,940

and so they start running towards the

671

00:27:40,730 --> 00:27:38,340

mountain or towards the front gate which

672

00:27:42,769 --> 00:27:40,740

is like an acre property and it's night

673

00:27:44,450 --> 00:27:42,779

time you can see some Stars a little bit

674

00:27:46,430 --> 00:27:44,460

of moon glow but you can't really see

675

00:27:47,990 --> 00:27:46,440

anything so anyways these dogs are

676
00:27:50,450 --> 00:27:48,000
barking they run towards the gate and

677
00:27:52,010 --> 00:27:50,460
there's like five of us so

678
00:27:53,870 --> 00:27:52,020
we're standing there looking at this we

679
00:27:56,750 --> 00:27:53,880
all get up and walk over to look at the

680
00:28:00,289 --> 00:27:56,760
dogs right okay so and then all of a

681
00:28:04,370 --> 00:28:00,299
sudden we look up in the sky

682
00:28:05,470 --> 00:28:04,380
and there is a massive and I mean

683
00:28:08,630 --> 00:28:05,480
massive

684
00:28:12,230 --> 00:28:08,640
triangular craft

685
00:28:14,450 --> 00:28:12,240
coming over us really slowly and it's

686
00:28:16,970 --> 00:28:14,460
absolutely massive

687
00:28:19,370 --> 00:28:16,980
I mean huge and it's it's cruising along

688
00:28:21,470 --> 00:28:19,380

super slow and as it you know it just

689

00:28:23,690 --> 00:28:21,480

completely blacked out the stars in that

690

00:28:25,690 --> 00:28:23,700

formation so we could see the you know

691

00:28:27,950 --> 00:28:25,700

the shape of it so as it's going forward

692

00:28:29,930 --> 00:28:27,960

you know the dogs have stopped barking

693

00:28:31,370 --> 00:28:29,940

now and we're all just in awe and then

694

00:28:34,909 --> 00:28:31,380

you can see the back and on the back

695

00:28:37,730 --> 00:28:34,919

there were two big like reddish orange

696

00:28:39,769 --> 00:28:37,740

lights okay so anyways this thing's

697

00:28:41,930 --> 00:28:39,779

these big glowing orange lights on the

698

00:28:43,789 --> 00:28:41,940

back of it and as it's going down it's

699

00:28:45,769 --> 00:28:43,799

going really slow something that big

700

00:28:46,549 --> 00:28:45,779

really can't make any turns anyways I

701

00:28:49,190 --> 00:28:46,559

guess

702

00:28:51,289 --> 00:28:49,200

so it's going down and now we can see

703

00:28:53,450 --> 00:28:51,299

that little blimp I had mentioned right

704

00:28:56,870 --> 00:28:53,460

and from the blimp we could start

705

00:28:58,850 --> 00:28:56,880

gauging how big it was so we had time to

706

00:29:01,010 --> 00:28:58,860

discuss how huge this thing was and it

707

00:29:02,149 --> 00:29:01,020

was absolutely the biggest thing it was

708

00:29:04,370 --> 00:29:02,159

like a

709

00:29:07,610 --> 00:29:04,380

um a Starship Destroyer what's the name

710

00:29:09,830 --> 00:29:07,620

of the uh uh the battleships and Star

711

00:29:11,510 --> 00:29:09,840

Wars the Star Destroyer or something

712

00:29:14,269 --> 00:29:11,520

like that it's been a while outside yeah

713

00:29:16,610 --> 00:29:14,279

so it's something like that so as it's

714

00:29:18,470 --> 00:29:16,620

cruising down it starts to turn and then

715

00:29:20,930 --> 00:29:18,480

we can see the the nose of it the nose

716

00:29:23,870 --> 00:29:20,940

of it has another big

717

00:29:25,610 --> 00:29:23,880

yellowish reddish orange light and it's

718

00:29:27,590 --> 00:29:25,620

if you've ever if anybody's ever seen

719

00:29:29,510 --> 00:29:27,600

that they'll you can't it's unmistakable

720

00:29:31,730 --> 00:29:29,520

that when they say that you'll know what

721

00:29:35,029 --> 00:29:31,740

you'll know what it is right so anyways

722

00:29:37,730 --> 00:29:35,039

there's big object's now flying over the

723

00:29:39,649 --> 00:29:37,740

um Sierra Vista which is home to a

724

00:29:41,690 --> 00:29:39,659

military base for Huachuca and that's

725

00:29:43,190 --> 00:29:41,700

why the blimp is there for a low-flying

726

00:29:43,850 --> 00:29:43,200

aircraft for Smugglers and stuff like

727

00:29:46,010 --> 00:29:43,860

that

728

00:29:47,210 --> 00:29:46,020

so anyways we're discussing how big it

729

00:29:48,889 --> 00:29:47,220

is because we know how far away

730

00:29:50,510 --> 00:29:48,899

everything is because we live there

731

00:29:52,490 --> 00:29:50,520

right

732

00:29:54,769 --> 00:29:52,500

um we know it's five miles we know that

733

00:29:56,570 --> 00:29:54,779

blimp's 40 feet long we know Sierra

734

00:29:59,269 --> 00:29:56,580

Vista is you know right over here we

735

00:30:02,690 --> 00:29:59,279

know and as it cruises along it's just

736

00:30:04,909 --> 00:30:02,700

cruising along it starts to go north and

737

00:30:08,090 --> 00:30:04,919

then it kind of turned for some reason

738

00:30:10,010 --> 00:30:08,100

and just kind of did an entire 180.

739

00:30:12,169 --> 00:30:10,020

that's what it appeared to be doing

740

00:30:14,090 --> 00:30:12,179

anyways it did appear on the top of it

741

00:30:16,430 --> 00:30:14,100

you can see a bunch of little lights so

742

00:30:18,649 --> 00:30:16,440

this thing was huge right and I've never

743

00:30:20,690 --> 00:30:18,659

in my ears seen anybody talk about

744

00:30:22,190 --> 00:30:20,700

anything that big flying along I've

745

00:30:25,370 --> 00:30:22,200

heard about the triangle thing over the

746

00:30:27,169 --> 00:30:25,380

years but nothing this big and then as

747

00:30:28,669 --> 00:30:27,179

it then it just kind of flies off into

748

00:30:30,889 --> 00:30:28,679

the distance

749

00:30:34,010 --> 00:30:30,899

so that is the

750

00:30:37,130 --> 00:30:34,020

edited version of what I tell people

751
00:30:39,169 --> 00:30:37,140
right because the last part which I

752
00:30:43,389 --> 00:30:39,179
think is the coolest part

753
00:30:46,430 --> 00:30:43,399
okay when I tell people this stuff it's

754
00:30:49,250 --> 00:30:46,440
then it gets to where people have weird

755
00:30:51,710 --> 00:30:49,260
reactions right while this massive

756
00:30:53,510 --> 00:30:51,720
object is flying over our heads we're

757
00:30:56,149 --> 00:30:53,520
all hanging out buddies we're laughing

758
00:30:59,630 --> 00:30:56,159
oh my God we're talking about this I go

759
00:31:02,149 --> 00:30:59,640
check this out and I grab the guitar

760
00:31:03,529 --> 00:31:02,159
and I start to play Close Encounters of

761
00:31:09,850 --> 00:31:03,539
the Third Kind

762
00:31:14,269 --> 00:31:12,470
go faster faster and faster right and

763
00:31:15,830 --> 00:31:14,279

now where everybody's laughing right oh

764

00:31:17,810 --> 00:31:15,840

my God you're playing close encounters

765

00:31:21,230 --> 00:31:17,820

with third pattern there's a UFO flying

766

00:31:23,470 --> 00:31:21,240

by you know or flying over us right so

767

00:31:26,690 --> 00:31:23,480

people are just they're just like

768

00:31:28,909 --> 00:31:26,700

laughing and having a great time and so

769

00:31:31,010 --> 00:31:28,919

that happened okay and I don't tell

770

00:31:34,010 --> 00:31:31,020

people that that but also what happened

771

00:31:37,010 --> 00:31:34,020

during that time when I was playing that

772

00:31:40,850 --> 00:31:37,020

the lights on the damn thing started to

773

00:31:42,889 --> 00:31:40,860

dim and brighten as I was playing the

774

00:31:44,750 --> 00:31:42,899

harmonics and then as I was doing it

775

00:31:46,669 --> 00:31:44,760

faster and faster it would dim and get

776

00:31:48,529 --> 00:31:46,679

faster and faster not like blinking or

777

00:31:50,450 --> 00:31:48,539

anything crazy like that and then as I

778

00:31:52,370 --> 00:31:50,460

slowed down and stop the lights went

779

00:31:53,570 --> 00:31:52,380

completely solid again and it just kept

780

00:31:57,590 --> 00:31:53,580

crazy along

781

00:31:59,870 --> 00:31:57,600

and was it contact I don't know and I

782

00:32:02,389 --> 00:31:59,880

don't care but it was probably the most

783

00:32:04,190 --> 00:32:02,399

coolest thing I've ever seen

784

00:32:05,450 --> 00:32:04,200

um people you know I don't tell people

785

00:32:08,810 --> 00:32:05,460

about it because it's a weird thing but

786

00:32:10,130 --> 00:32:08,820

it happened around 96 and uh it may have

787

00:32:11,870 --> 00:32:10,140

been the same day as the Phoenix Lights

788

00:32:13,669 --> 00:32:11,880

I don't know I didn't hear about that

789

00:32:16,250 --> 00:32:13,679

the Phoenix Lights 10 years later right

790

00:32:18,409 --> 00:32:16,260

yeah probably about 10 years later and

791

00:32:20,630 --> 00:32:18,419

then when we told our people you know

792

00:32:22,970 --> 00:32:20,640

relatives and friends and family about

793

00:32:25,730 --> 00:32:22,980

it in town and tombstones is only you

794

00:32:28,250 --> 00:32:25,740

know 1200 people immediately the rumors

795

00:32:29,870 --> 00:32:28,260

spread that we're all on drugs because

796

00:32:32,029 --> 00:32:29,880

we lived in Tucson so nobody knew what

797

00:32:34,130 --> 00:32:32,039

we were doing or whatever

798

00:32:35,810 --> 00:32:34,140

and everybody was freaking out about us

799

00:32:37,669 --> 00:32:35,820

when I came back down like a week later

800

00:32:40,730 --> 00:32:37,679

something like that I mean it's just

801
00:32:43,610 --> 00:32:40,740
rumors were just crazy and I was like

802
00:32:44,870 --> 00:32:43,620
you guys can kick rocks you know and and

803
00:32:47,510 --> 00:32:44,880
then the other guys who were still

804
00:32:49,130 --> 00:32:47,520
living down there they I asked them

805
00:32:51,049 --> 00:32:49,140
um if they told anybody and they were

806
00:32:52,490 --> 00:32:51,059
just like we're not we can't we're not

807
00:32:54,350 --> 00:32:52,500
telling anybody so they just didn't want

808
00:32:56,750 --> 00:32:54,360
to talk about it because their friends

809
00:32:58,250 --> 00:32:56,760
and stuff like that started really just

810
00:33:00,049 --> 00:32:58,260
like looking all weird at them or

811
00:33:02,090 --> 00:33:00,059
whatever personally I didn't give a crap

812
00:33:04,549 --> 00:33:02,100
right and so it kind of just put this in

813
00:33:05,450 --> 00:33:04,559

my mind that okay you know don't talk

814

00:33:07,310 --> 00:33:05,460

about that because people think it's

815

00:33:10,370 --> 00:33:07,320

weird and when I tell people it's you

816

00:33:12,590 --> 00:33:10,380

know they tend to you know they take the

817

00:33:14,570 --> 00:33:12,600

first version and they're like wowed by

818

00:33:16,370 --> 00:33:14,580

it and then when I tell them the other

819

00:33:18,889 --> 00:33:16,380

things that I have and the cool stuff

820

00:33:21,649 --> 00:33:18,899

what I think is awesome and Kick-Ass

821

00:33:24,470 --> 00:33:21,659

then they immediately dismiss me as

822

00:33:25,970 --> 00:33:24,480

right and that's when it gets a

823

00:33:27,830 --> 00:33:25,980

little a little weird and then during

824

00:33:29,389 --> 00:33:27,840

that time for me after that I kind of

825

00:33:31,490 --> 00:33:29,399

just lost interest in the whole alien

826

00:33:33,830 --> 00:33:31,500

thing because in my mind how can

827

00:33:36,409 --> 00:33:33,840

something this big fly down over a

828

00:33:38,389 --> 00:33:36,419

Communications military base and fly

829

00:33:41,570 --> 00:33:38,399

across their base town it's a military

830

00:33:42,950 --> 00:33:41,580

Town Sierra Vista right and nobody saw

831

00:33:45,289 --> 00:33:42,960

it and it was like 10 o'clock at night

832

00:33:47,750 --> 00:33:45,299

and nobody said anything about it so in

833

00:33:50,149 --> 00:33:47,760

my opinion it was like okay I've had

834

00:33:51,649 --> 00:33:50,159

enough of this crap I'm moving on so it

835

00:33:53,630 --> 00:33:51,659

took a while before I started watching

836

00:33:55,430 --> 00:33:53,640

you know Alien movies and things like

837

00:33:57,710 --> 00:33:55,440

that and I'm trying to watch some of the

838

00:33:59,269 --> 00:33:57,720

other stuff where um people are giving

839

00:34:00,529 --> 00:33:59,279

their descriptions of the videos or

840

00:34:02,630 --> 00:34:00,539

whatever they all look like they've just

841

00:34:05,210 --> 00:34:02,640

been traumatized by you know somebody

842

00:34:08,089 --> 00:34:05,220

just beat them horribly bad I saw

843

00:34:11,750 --> 00:34:08,099

something or whatever right and to me it

844

00:34:13,490 --> 00:34:11,760

was the coolest thing ever and I

845

00:34:20,690 --> 00:34:13,500

don't know that's what happened and

846

00:34:25,190 --> 00:34:23,270

hey Ryan my name's Mike I am from

847

00:34:27,950 --> 00:34:25,200

Australia and I've got a couple of

848

00:34:30,589 --> 00:34:27,960

experiences that I'd like to share

849

00:34:33,470 --> 00:34:30,599

these all happened a long time ago now

850

00:34:36,530 --> 00:34:33,480

over 20 years ago but yeah they've

851
00:34:40,129 --> 00:34:36,540
really stuck in my mind and yeah I just

852
00:34:42,409 --> 00:34:40,139
want to sort of uh share them so yeah

853
00:34:43,369 --> 00:34:42,419
the first strange thing I ever saw in

854
00:34:47,210 --> 00:34:43,379
the sky

855
00:34:50,030 --> 00:34:47,220
was in late 1999. my girlfriend and I

856
00:34:52,609 --> 00:34:50,040
went camping in this National Park in

857
00:34:55,669 --> 00:34:52,619
remote Eastern Victoria

858
00:34:57,950 --> 00:34:55,679
so it's it's on the coast and we were

859
00:35:00,109 --> 00:34:57,960
camping in the forest just a couple of

860
00:35:02,270 --> 00:35:00,119
minutes walk from the beach so one night

861
00:35:06,230 --> 00:35:02,280
we decided we'd go down to the water

862
00:35:07,190 --> 00:35:06,240
just to watch the stars and listen to

863
00:35:09,650 --> 00:35:07,200

the ocean

864

00:35:12,290 --> 00:35:09,660

so we're lying in these sand dunes and

865

00:35:13,370 --> 00:35:12,300

at one point my girlfriend says what's

866

00:35:16,010 --> 00:35:13,380

that

867

00:35:17,210 --> 00:35:16,020

and she points out these three stars

868

00:35:20,690 --> 00:35:17,220

that are moving

869

00:35:22,790 --> 00:35:20,700

so automatically you know we knew

870

00:35:25,730 --> 00:35:22,800

it was something a bit strange

871

00:35:28,250 --> 00:35:25,740

so there's these three stars in a

872

00:35:30,530 --> 00:35:28,260

perfect triangle formation

873

00:35:34,730 --> 00:35:30,540

moving really fast as well so faster

874

00:35:36,109 --> 00:35:34,740

than a satellite and faster than a plane

875

00:35:38,329 --> 00:35:36,119

started started trying to figure out

876

00:35:41,450 --> 00:35:38,339

exactly what it was so as it moved

877

00:35:43,310 --> 00:35:41,460

across the sky and we had a view of the

878

00:35:45,890 --> 00:35:43,320

entire Sky basically so you know we're

879

00:35:49,250 --> 00:35:45,900

in the beach and it was a clear night no

880

00:35:51,050 --> 00:35:49,260

clouds we could see this thing go from

881

00:35:54,530 --> 00:35:51,060

one side of the sky

882

00:35:56,690 --> 00:35:54,540

basically directly overhead us right to

883

00:35:58,130 --> 00:35:56,700

the other side and my girlfriend saw

884

00:36:00,410 --> 00:35:58,140

them when they were pretty low in the

885

00:36:02,270 --> 00:36:00,420

sky so they were really noticeable they

886

00:36:05,750 --> 00:36:02,280

were really bright

887

00:36:08,690 --> 00:36:05,760

so yeah as I moved across Stars it this

888

00:36:11,750 --> 00:36:08,700

triangle didn't block anything so it

889

00:36:13,190 --> 00:36:11,760

wasn't one single object it was three

890

00:36:15,490 --> 00:36:13,200

separate things

891

00:36:18,589 --> 00:36:15,500

so yeah perfect perfect

892

00:36:20,930 --> 00:36:18,599

equilateral triangle and

893

00:36:21,770 --> 00:36:20,940

one of the points was like leading the

894

00:36:24,109 --> 00:36:21,780

way

895

00:36:26,750 --> 00:36:24,119

so as it moved across the sky

896

00:36:28,970 --> 00:36:26,760

this these things sort of stayed in

897

00:36:32,150 --> 00:36:28,980

formation they didn't like

898

00:36:35,750 --> 00:36:32,160

yeah stayed stating as a triangle didn't

899

00:36:38,329 --> 00:36:35,760

slow down didn't change direction or or

900

00:36:40,490 --> 00:36:38,339

anything like that and yeah stayed the

901
00:36:41,329 --> 00:36:40,500
same brightness all the way across the

902
00:36:44,930 --> 00:36:41,339
sky

903
00:36:47,329 --> 00:36:44,940
and uh and there's no sound either so

904
00:36:50,450 --> 00:36:47,339
yeah it was it was really weird really

905
00:36:52,370 --> 00:36:50,460
strange no idea what it was

906
00:36:54,230 --> 00:36:52,380
um and the strange thing as well just a

907
00:36:58,130 --> 00:36:54,240
couple of weeks later

908
00:37:01,849 --> 00:36:58,140
is that we saw a second uh strange thing

909
00:37:05,150 --> 00:37:01,859
in the sky so with my girlfriend again

910
00:37:06,410 --> 00:37:05,160
we went for this walk one afternoon in

911
00:37:08,810 --> 00:37:06,420
this park

912
00:37:11,089 --> 00:37:08,820
right on the outskirts of Melbourne

913
00:37:13,310 --> 00:37:11,099

right right um at the at the north of

914

00:37:16,310 --> 00:37:13,320

the city there's this park

915

00:37:17,690 --> 00:37:16,320

which kind of overlooks the airport

916

00:37:19,550 --> 00:37:17,700

um yeah there's a hill which overlooks

917

00:37:21,589 --> 00:37:19,560

the airport so yeah one afternoon we're

918

00:37:24,950 --> 00:37:21,599

up there just going for a walk

919

00:37:25,730 --> 00:37:24,960

and we noticed this light appear in the

920

00:37:27,950 --> 00:37:25,740

sky

921

00:37:30,829 --> 00:37:27,960

so it's it's like it's late afternoon

922

00:37:33,950 --> 00:37:30,839

but still daylight um the sky is still

923

00:37:35,750 --> 00:37:33,960

you know it's still blue still still

924

00:37:38,390 --> 00:37:35,760

pretty light

925

00:37:41,450 --> 00:37:38,400

um but yeah this this bright light just

926

00:37:43,190 --> 00:37:41,460

appeared out of nowhere so

927

00:37:45,050 --> 00:37:43,200

um yeah just really

928

00:37:46,069 --> 00:37:45,060

quickly appeared from dim to really

929

00:37:48,530 --> 00:37:46,079

bright

930

00:37:51,230 --> 00:37:48,540

but you know we're near an airport

931

00:37:52,910 --> 00:37:51,240

and yeah we just didn't really

932

00:37:55,430 --> 00:37:52,920

pay too much attention to it we didn't

933

00:37:57,410 --> 00:37:55,440

didn't worry about it just you know just

934

00:37:59,930 --> 00:37:57,420

thought it was a Plane off in the

935

00:38:01,550 --> 00:37:59,940

distance somewhere so yeah we just kept

936

00:38:03,710 --> 00:38:01,560

walking talking

937

00:38:05,990 --> 00:38:03,720

um yeah a couple minutes later

938

00:38:07,849 --> 00:38:06,000

we noticed that this light that we'd

939

00:38:10,430 --> 00:38:07,859

seen earlier was still in the sky and it

940

00:38:12,349 --> 00:38:10,440

was still in like the same spot

941

00:38:14,930 --> 00:38:12,359

so then we thought that's that's yeah

942

00:38:17,810 --> 00:38:14,940

it's a bit unusual can't be can't be a

943

00:38:20,329 --> 00:38:17,820

plane it would have been moving you know

944

00:38:22,490 --> 00:38:20,339

so yeah we started really paying

945

00:38:24,470 --> 00:38:22,500

attention to this thing and it and it

946

00:38:26,690 --> 00:38:24,480

was not moving and it was it was bright

947

00:38:28,310 --> 00:38:26,700

so yeah

948

00:38:30,890 --> 00:38:28,320

there's still daylight and this thing

949

00:38:32,270 --> 00:38:30,900

was was bright it was it was really

950

00:38:34,069 --> 00:38:32,280

bright

951
00:38:35,329 --> 00:38:34,079
so it it didn't actually do anything

952
00:38:38,390 --> 00:38:35,339
though it just

953
00:38:41,270 --> 00:38:38,400
stayed in one spot but we were we were

954
00:38:44,150 --> 00:38:41,280
watching it for at least 10 minutes

955
00:38:46,790 --> 00:38:44,160
trying to figure out what it was

956
00:38:48,770 --> 00:38:46,800
and we had no idea and given not what

957
00:38:50,930 --> 00:38:48,780
we'd seen a few weeks earlier as well

958
00:38:52,970 --> 00:38:50,940
you know we were sort of like

959
00:38:55,069 --> 00:38:52,980
you know paying attention to stuff in

960
00:38:56,870 --> 00:38:55,079
the sky all of a sudden so yeah this

961
00:38:59,030 --> 00:38:56,880
thing it

962
00:39:01,310 --> 00:38:59,040
again this wasn't something normal this

963
00:39:04,130 --> 00:39:01,320

this was a bit strange so yeah we were

964

00:39:04,790 --> 00:39:04,140

watching it it wasn't moving

965

00:39:07,069 --> 00:39:04,800

um

966

00:39:08,950 --> 00:39:07,079

it's two brightness two it's still too

967

00:39:11,329 --> 00:39:08,960

early in the evening to be

968

00:39:12,109 --> 00:39:11,339

a planet coming out or anything like

969

00:39:16,970 --> 00:39:12,119

that

970

00:39:19,670 --> 00:39:16,980

appear

971

00:39:22,190 --> 00:39:19,680

at you know after a few minutes or so it

972

00:39:25,190 --> 00:39:22,200

disappeared as well so

973

00:39:26,990 --> 00:39:25,200

um hadn't changed brightness at all and

974

00:39:29,450 --> 00:39:27,000

then all of a sudden just just quickly

975

00:39:33,710 --> 00:39:29,460

dimmed and and disappeared as well so

976

00:39:35,210 --> 00:39:33,720

yeah not normal very strange

977

00:39:36,890 --> 00:39:35,220

um so yeah then we started sort of

978

00:39:38,089 --> 00:39:36,900

expecting you know the third thing to

979

00:39:41,690 --> 00:39:38,099

happen

980

00:39:42,410 --> 00:39:41,700

um kind of soon but nothing did for a

981

00:39:45,349 --> 00:39:42,420

while

982

00:39:47,329 --> 00:39:45,359

until we went on this holiday to New

983

00:39:51,829 --> 00:39:47,339

Zealand and this is this is almost

984

00:39:55,130 --> 00:39:51,839

exactly 12 months after we saw the the

985

00:39:57,829 --> 00:39:55,140

triangle of lights down in Victoria

986

00:39:59,990 --> 00:39:57,839

yeah 12 months later we're in New

987

00:40:02,210 --> 00:40:00,000

Zealand uh down in the South Island we

988

00:40:03,170 --> 00:40:02,220

went on this hike we did the Kepler

989

00:40:06,230 --> 00:40:03,180

track

990

00:40:08,630 --> 00:40:06,240

so on the last night of that

991

00:40:10,430 --> 00:40:08,640

we we're camping near this lake so it's

992

00:40:11,930 --> 00:40:10,440

it's this walk that takes you know a

993

00:40:14,030 --> 00:40:11,940

couple of days through the Wilderness

994

00:40:15,550 --> 00:40:14,040

and on the last night where we're

995

00:40:17,390 --> 00:40:15,560

camping near this Lake

996

00:40:22,190 --> 00:40:17,400

and

997

00:40:25,190 --> 00:40:22,200

can't move just sort of like you know

998

00:40:26,870 --> 00:40:25,200

uh watching the stars come out

999

00:40:27,829 --> 00:40:26,880

pretty you know sort of right at the

1000

00:40:31,069 --> 00:40:27,839

start of the evening

1001

00:40:33,109 --> 00:40:31,079

I noticed this flash of light

1002

00:40:35,750 --> 00:40:33,119

uh like a star appearing and then

1003

00:40:39,890 --> 00:40:35,760

disappearing straight away so it got my

1004

00:40:42,290 --> 00:40:39,900

attention and as I looked I saw a second

1005

00:40:45,050 --> 00:40:42,300

and then a third flash again like just

1006

00:40:46,550 --> 00:40:45,060

three really quick flashes of light the

1007

00:40:49,130 --> 00:40:46,560

first one was bright

1008

00:40:52,190 --> 00:40:49,140

the second one was less bright and the

1009

00:40:53,510 --> 00:40:52,200

third one was even less bright still

1010

00:40:55,849 --> 00:40:53,520

so I had like I'd never seen anything

1011

00:40:59,690 --> 00:40:55,859

like that before no idea what it was

1012

00:41:01,130 --> 00:40:59,700

but it was all over in a second so I

1013

00:41:02,510 --> 00:41:01,140

didn't really you know didn't think too

1014

00:41:03,710 --> 00:41:02,520

much about it didn't worry about it at

1015

00:41:07,370 --> 00:41:03,720

all

1016

00:41:10,370 --> 00:41:07,380

but as a sky so it got darker

1017

00:41:12,410 --> 00:41:10,380

um yeah you look across the lake to

1018

00:41:13,310 --> 00:41:12,420

these mountains a couple of kilometers

1019

00:41:15,950 --> 00:41:13,320

away

1020

00:41:18,290 --> 00:41:15,960

I feel like fairly big mountains

1021

00:41:21,470 --> 00:41:18,300

um so yes this guy got darker we noticed

1022

00:41:24,770 --> 00:41:21,480

this orange glow coming from near the

1023

00:41:28,130 --> 00:41:24,780

peak of one of the mountains and yeah it

1024

00:41:30,170 --> 00:41:28,140

looked like a fire so I was thinking I

1025

00:41:32,630 --> 00:41:30,180

was going to have to start walking again

1026

00:41:34,430 --> 00:41:32,640

you know to the to the darkness and try

1027

00:41:37,130 --> 00:41:34,440

and alert somebody because yeah it

1028

00:41:39,230 --> 00:41:37,140

looked exactly like like what we what we

1029

00:41:41,030 --> 00:41:39,240

guessed was a fire

1030

00:41:43,790 --> 00:41:41,040

but before

1031

00:41:47,270 --> 00:41:43,800

I could get going and do any of that

1032

00:41:51,170 --> 00:41:47,280

it changed from this sort of like uh

1033

00:41:53,450 --> 00:41:51,180

like diffuse glow sort of thing into a

1034

00:41:56,329 --> 00:41:53,460

distinct beam

1035

00:41:58,609 --> 00:41:56,339

and and actually like

1036

00:42:01,069 --> 00:41:58,619

then we stopped worrying because then we

1037

00:42:02,329 --> 00:42:01,079

thought oh maybe it's just a a car it

1038

00:42:04,670 --> 00:42:02,339

looked like you know I guess car

1039

00:42:06,349 --> 00:42:04,680

headlights or something on like a car

1040

00:42:09,050 --> 00:42:06,359

going up the mountain

1041

00:42:10,250 --> 00:42:09,060

so yeah we relaxed about it at that

1042

00:42:12,230 --> 00:42:10,260

point

1043

00:42:13,609 --> 00:42:12,240

so we're just watching this for for a

1044

00:42:14,990 --> 00:42:13,619

few minutes and then it sort of dawned

1045

00:42:20,150 --> 00:42:15,000

on us that

1046

00:42:23,089 --> 00:42:20,160

we're looking into pure Wilderness and

1047

00:42:25,430 --> 00:42:23,099

you know there's no roads there's then

1048

00:42:28,550 --> 00:42:25,440

there's there's nothing out there so it

1049

00:42:29,210 --> 00:42:28,560

couldn't be a car

1050

00:42:31,250 --> 00:42:29,220

um

1051

00:42:34,609 --> 00:42:31,260

and also like we're watching it for a

1052

00:42:36,349 --> 00:42:34,619

while so if it was a car it would have

1053

00:42:38,089 --> 00:42:36,359

would have sort of moved somewhere would

1054

00:42:41,270 --> 00:42:38,099

have got where it was going but

1055

00:42:43,790 --> 00:42:41,280

this this uh this this beam of light

1056

00:42:46,550 --> 00:42:43,800

thing was just sort of like you know

1057

00:42:48,230 --> 00:42:46,560

moving it's mostly pointing up but just

1058

00:42:49,069 --> 00:42:48,240

you know moving from side to side as

1059

00:42:53,510 --> 00:42:49,079

well

1060

00:42:54,650 --> 00:42:53,520

know after these flashes of light and

1061

00:42:56,510 --> 00:42:54,660

now this

1062

00:42:59,210 --> 00:42:56,520

then start to realize that things are

1063

00:43:00,010 --> 00:42:59,220

getting a bit strange

1064

00:43:03,109 --> 00:43:00,020

um

1065

00:43:04,490 --> 00:43:03,119

yeah but the strange thing is like my

1066

00:43:06,050 --> 00:43:04,500

reaction

1067

00:43:08,270 --> 00:43:06,060

my girlfriend

1068

00:43:09,770 --> 00:43:08,280

had already sort of gone back to the

1069

00:43:13,010 --> 00:43:09,780

tent

1070

00:43:14,870 --> 00:43:13,020

and I did the same thing as well so I

1071

00:43:17,030 --> 00:43:14,880

I'm the one that saw the flashes of

1072

00:43:19,730 --> 00:43:17,040

light and then we both saw

1073

00:43:20,809 --> 00:43:19,740

this glow turning to something a bit

1074

00:43:22,550 --> 00:43:20,819

weirder

1075

00:43:25,309 --> 00:43:22,560

but

1076

00:43:27,589 --> 00:43:25,319

yeah my reaction was just to go go to

1077

00:43:29,809 --> 00:43:27,599

sleep as well go go back into the tent

1078

00:43:32,450 --> 00:43:29,819

and just just fall asleep so looking

1079

00:43:33,950 --> 00:43:32,460

back it's kind of strange that I saw all

1080

00:43:36,290 --> 00:43:33,960

this stuff develop

1081

00:43:38,690 --> 00:43:36,300

I'll sort of get weirder but I don't

1082

00:43:40,970 --> 00:43:38,700

know what happened I always kind of wish

1083

00:43:42,650 --> 00:43:40,980

I had sort of stuck it around and seen

1084

00:43:44,210 --> 00:43:42,660

more but at the time

1085

00:43:47,089 --> 00:43:44,220

you know there's a little bit of fear

1086

00:43:47,809 --> 00:43:47,099

involved so I think it was a bit of like

1087

00:43:49,849 --> 00:43:47,819

um

1088

00:43:51,950 --> 00:43:49,859

fight or flight then the natural

1089

00:43:54,410 --> 00:43:51,960

response was just to

1090

00:43:57,530 --> 00:43:54,420

sort of you know sort of hide from it

1091

00:43:58,970 --> 00:43:57,540

and um and go to sleep so that was a bit

1092

00:44:04,490 --> 00:43:58,980

strange

1093

00:44:06,890 --> 00:44:04,500

those the three flashes of light which

1094

00:44:09,230 --> 00:44:06,900

was the first thing I saw and yeah even

1095

00:44:11,450 --> 00:44:09,240

at that time I just did I didn't worry

1096

00:44:14,150 --> 00:44:11,460

about it at all so even even having seen

1097

00:44:16,130 --> 00:44:14,160

you know that triangle of light

1098

00:44:18,470 --> 00:44:16,140

instantly I knew that was a bit strange

1099

00:44:19,550 --> 00:44:18,480

the flashes of light was a little bit

1100

00:44:21,470 --> 00:44:19,560

strange but

1101

00:44:25,130 --> 00:44:21,480

didn't didn't really worry me

1102

00:44:27,410 --> 00:44:25,140

but and the weird thing as well is

1103

00:44:29,930 --> 00:44:27,420

I've ended up seeing that like quite a

1104

00:44:31,490 --> 00:44:29,940

lot over the years

1105

00:44:33,410 --> 00:44:31,500

um you ended up living in the country

1106

00:44:37,250 --> 00:44:33,420

for a while

1107

00:44:40,730 --> 00:44:37,260

so and it wasn't unusual to be out in a

1108

00:44:43,370 --> 00:44:40,740

paddock in the evening and yeah it just

1109

00:44:46,430 --> 00:44:43,380

happened to look up and see

1110

00:44:48,349 --> 00:44:46,440

three flashes again like bright less

1111

00:44:53,569 --> 00:44:48,359

bright

1112

00:44:55,910 --> 00:44:53,579

it happened like so often that it just

1113

00:44:58,130 --> 00:44:55,920

it wasn't even a surprise after a while

1114

00:45:01,849 --> 00:44:58,140

and it's something that

1115

00:45:04,970 --> 00:45:01,859

never I I never was concerned at all

1116

00:45:06,710 --> 00:45:04,980

about it never never really cared a hell

1117

00:45:08,809 --> 00:45:06,720

of a lot about it it's only looking back

1118

00:45:11,270 --> 00:45:08,819

I think it's strange because I haven't

1119

00:45:13,210 --> 00:45:11,280

seen it for for a while but

1120

00:45:15,770 --> 00:45:13,220

so here's the other thing that

1121

00:45:17,930 --> 00:45:15,780

I used to really love looking at the sky

1122

00:45:19,730 --> 00:45:17,940

so even as a kid

1123

00:45:22,250 --> 00:45:19,740

spend a lot of time looking up like when

1124

00:45:25,010 --> 00:45:22,260

I was little I wanted to be a pilot

1125

00:45:27,349 --> 00:45:25,020

and I ended up getting interested in

1126

00:45:30,829 --> 00:45:27,359

astronomy as well as a kid so I spent a

1127

00:45:32,809 --> 00:45:30,839

lot of time looking up day and night and

1128

00:45:35,270 --> 00:45:32,819

you know in all those years I'd never

1129

00:45:38,210 --> 00:45:35,280

seen anything strange that triangle was

1130

00:45:41,390 --> 00:45:38,220

the first strange thing I'd ever seen

1131

00:45:43,550 --> 00:45:41,400

yeah so these um these flashes a lot are

1132

00:45:46,190 --> 00:45:43,560

you always used to look up but then yeah

1133

00:45:48,950 --> 00:45:46,200

I've sort of like stopped looking up so

1134

00:45:50,630 --> 00:45:48,960

the night sky used to used to spend a

1135

00:45:52,849 --> 00:45:50,640

lot of like it was outside I'd always

1136

00:45:53,809 --> 00:45:52,859

look up I'd always want to sort of see

1137

00:45:55,250 --> 00:45:53,819

something

1138

00:45:57,650 --> 00:45:55,260

but

1139

00:45:59,329 --> 00:45:57,660

yeah over the years that's that's sort

1140

00:46:02,030 --> 00:45:59,339

of like disappeared and it's not just

1141

00:46:04,309 --> 00:46:02,040

that my interest has disappeared like

1142

00:46:06,050 --> 00:46:04,319

there's my feelings about it have

1143

00:46:08,690 --> 00:46:06,060

changed as well so

1144

00:46:10,250 --> 00:46:08,700

if I'm out at night on a really really

1145

00:46:13,370 --> 00:46:10,260

clear night

1146

00:46:14,630 --> 00:46:13,380

I I yeah I do sort of avoid looking up

1147

00:46:17,990 --> 00:46:14,640

it's like

1148

00:46:21,349 --> 00:46:18,000

like this like background sort of

1149

00:46:23,990 --> 00:46:21,359

not wanting to to see what might be

1150

00:46:27,230 --> 00:46:24,000

there so that's that's a little bit of a

1151

00:46:29,270 --> 00:46:27,240

shame I guess but yeah I still I still

1152

00:46:31,309 --> 00:46:29,280

like planes so I still look up during

1153

00:46:34,250 --> 00:46:31,319

the day I've got no problem with that

1154

00:46:35,270 --> 00:46:34,260

okay right um yeah I hope uh somebody

1155

00:46:37,670 --> 00:46:35,280

else

1156

00:46:39,530 --> 00:46:37,680

is maybe prompted to to share stuff that

1157

00:46:40,490 --> 00:46:39,540

they've seen even if it might be a long

1158

00:46:43,370 --> 00:46:40,500

time ago

1159

00:46:45,040 --> 00:46:43,380

thanks love the podcast uh yeah keep it

1160

00:46:59,690 --> 00:46:45,050

up mate thanks

1161

00:47:03,710 --> 00:47:01,730

somewhere in the skies is produced by

1162

00:47:05,450 --> 00:47:03,720
